"M.1. Out of this appropriation, \$1,500,000 the first year and \$1,500,000 the second year from the general fund shall be deposited into the Biofuels Production Fund established pursuant to § 45.1-393, Code of Virginia, to be used solely for the purposes of providing grants to a producer of neat biofuels commencing qualifying sales on or after January 1, 2014, but before June 30, 2014. With the exception of the provisions of subparagraphs N.2. and N.4. of this item, grant payments from the Fund shall be made in accordance with the provisions of § 45.1-394, Code of Virginia.

2. A producer shall be eligible for a grant from the Biofuels Production Fund established under § 45.1-393, Code of Virginia, only for each gallon of neat biofuels that it produces in the Commonwealth on or after January 1, 2014, which gallon has also been sold by the producer to customers.

3. The Secretary of Agriculture and Forestry shall assist any producer that commences qualifying sales of neat biofuels within the period specified in subparagraph N.1. of this item in identifying potential producers of agricultural feedstock sources within 100 miles of the primary biofuels production site and shall examine the feasibility of establishing a cooperative association to meet the feedstock requirements of any such producer. The Secretary of Agriculture and Forestry and the Secretary of Natural Resources shall work within the structure of existing funding for agricultural best management practices from the Water Quality Improvement Fund to develop additional incentives to encourage farmers to produce winter cover crops utilized in biofuels production.

4. As part of the certification process required pursuant to § 45.1-394 D, Code of Virginia, to be eligible for a grant pursuant to this appropriation, the producer shall also provide evidence that feedstock used in the production of the qualifying neat

biofuels was derived from Virginia-grown agricultural products to the greatest extent such feedstock materials are available from Virginia sources.

5. To be eligible for a grant under this section for 2015 production of neat advanced biofuels or neat biofuels, a producer must show he has made a good faith effort to produce the same using feedstock that is not derived from corn or the corn kernel, stalk, or any other part of the plant. Further, no grant shall be awarded for neat advanced biofuels or neat biofuels produced in 2016 or thereafter using feedstock derived from corn or the corn kernel, stalk, or any other part of the plant."

(This amendment corrects an error contained in Chapter 3, 2015 Special Session 1, whereby the incorrect language relating to the Biofuels Investment Fund was included in the budget instead of the language agreed to by the Conference Committee. The corrected language does not impact the funding levels or the program parameters agreed to pursuant to stand alone legislation passed by the 2014 Session which established the program.)

after the initial implementation year, depending on the extended school year model adopted, with full funding for schools that operate with at least 20 additional days of instruction. **Explanation:**

(This amendment provides funding to increase from \$2.4 million to \$10.1 million funding for a targeted extended school year incentive and establishes a predictable funding formula to encourage those school divisions that may most benefit from adding additional instructional days distributed throughout the year to do so. Funding is based on start-up grants of \$300,000 per school for a three-year period to establish extended school year programs in certain eligible schools and the state's share of on-going funding beyond the three-year initial period. The per school amounts may be up to \$400,000 in the case of schools that were Denied Accreditation at the time of initial implementation as an additional incentive amount. To date, at least 31 schools in 13 school divisions either have extended year programs, had been awarded planning grants or start-up grants, or have expressed interest. In addition to existing programs in 11 schools in Bristol, Henrico, Loudoun, Lynchburg, and Richmond -- in FY 2015, Petersburg, Galax and Henrico received start-up grants to begin extended school year programs in six schools for the 2014-15 school year; Roanoke also received a start-up grant for three schools; and Harrisonburg, Manassas Park, and Radford received planning grants for nine schools.)

a.1) Subject to revenue estimates for Fiscal Year 2015 being met or exceeded, there is herewith appropriated a sum of \$50,200,747 from the general fund in the second year to be used only for compensation supplements as stated in paragraphs 2) and 3) below.

2) The appropriation in this item includes \$50,200,747 the second year from the general fund for the state share of a payment equivalent to a 1.5 percent salary incentive increase, calculated based on ten months, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium.

3) It is the intent of the General Assembly that the instructional and support position salaries be improved in school divisions throughout the state by at least 1.5 percent in the second year. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 1.5 percent salary increase for funded SOQ instructional and support positions, for ten months, to school divisions which certify to the Department of Education, by June 15, 2015, that salary increases of at least a minimum of 1.5 percent have been provided in the first or second year by January 1, 2016, to instructional and support personnel. In certifying that the salary increases have been provided, school divisions may not include any salary increases that were provided in the second year solely to offset the cost of required member contributions to the Virginia Retirement System under § 51.1-144, Code of Virginia.

b. The state funds for which the division is eligible to receive shall be matched by the local government, based on the composite index of local ability-to-pay, which shall be calculated using an effective date of January 1, 2016, as the basis for the local match requirement for both funded SOQ instructional and support positions.

c. This funding is not intended as a mandate to increase salaries.

funding is calculated based on ten months of the year, local school divisions have the flexibility to determine the specific effective date, no later than January 1, 2016. In FY 2014, the last time the state provided compensation supplement incentive funding, 14 school divisions did not provide the minimum salary increase in order to qualify for the state matching funds. In addition, in FY 2015 when the state did not provide any incentive, all but 36 school divisions did take some local action to address teacher salaries. A Joint Subcommittee on Virginia Preschool Initiative (VPI) Reform shall be comprised of members of the Education Subcommittees of the House Appropriations Committee and the Senate Finance Committee. The Joint Subcommittee shall provide recommendations to increase accountability, flexibility, innovation, and facilitate partnerships between public schools and Virginia's private providers to ensure effective financing and policy solutions for VPI. Based on research regarding teacher competencies most associated with strong learning outcomes for young children, the Joint Subcommittee will also provide recommendations on the development of a competency-based professional development framework for early learning practitioners in all types of both public and private early learning settings. In addition, the Subcommittee shall evaluate current funding provisions regarding local share percentage of in-kind contributions.

The work of the Joint Subcommittee will be facilitated by the staff of the Education Subcommittees of the House Appropriations Committee and the Senate Finance Committee. The Virginia Early Childhood Foundation will provide support and resources to the members and staff of the Joint Subcommittee. Other stakeholders include representatives from the Virginia Department of Education, the Virginia Department of Social Services, the Virginia Community College System, local school divisions, private and faith-based child care providers, accrediting organizations, education associations, and business. A report of recommendations will be due to the full House Appropriations Committee and Senate Finance Committee by November 1, 2015."

**Explanation:**

(This amendment requires DOE to offer any unobligated balances for one-time grants, with priority to proposals to expand the use of partnerships with either non-profit or for-profit providers, as is currently allowed but limited in actual use. This is in lieu of new provisions proposed in the introduced budget authorizing unused but appropriated funds for the Virginia Preschool Initiative for at-risk four-year-olds to school divisions that have used 100 percent of their state allocated slots and also have waiting lists beginning the second year (instead of sweeping end-of-year balances that may exist even after assumed nonparticipation). Under the introduced budget, the number of slots allocated would have been determined using the balance of the number of slots estimated to calculate the FY 2016 appropriation and the number of actual slots to be used for FY 2016 as reported on the May 15th Pre-K grant proposals submitted by school divisions. Current budget language authorizes DOE to expend unobligated balances for grants to qualifying school divisions for one-time expenses, other than capital, related to start-up or expansion

of programs.)

These NGF amounts currently fund SOQ teacher retirement costs. The Literary Fund forecast of unclaimed property transfers currently assumes continued audits and compliance related to existing settlement agreements between at least 13 life insurance companies so far (beginning with Prudential in March 2012 through Genworth in January 2014) and the State Corporation Commission to routinely review policies currently in force against the DMF. Insurers have returned approximately \$11.4 million to Virginia citizens in addition to the additional remittances to unclaimed property that may result in identification of additional living beneficiaries.)

**Explanation:**

(This amendment would provide language to allow the State Council of Higher Education for Virginia (SCHEV) to transfer surplus funds from one financial assistance program to another experiencing a projected deficit. SCHEV administers a number of financial aid programs and while funding is sufficient in most years, there are occasions when a deficit is realized in one or more programs. This authorization will mitigate the need to reduce or withhold awards. Under the proposed language, no funds would be transferred from a program until all priority students have received a full award based upon beginning-of-the-year projections. Secondly, if multiple programs are running a deficit, need-based programs would be prioritized so that they are fully funded before non-need based programs receive

additional funding.)

(This amendment redirects funding of almost \$4.0 million in the second year for the electron ion collider project at Jefferson Lab. An amount of \$3.7 million GF in the second year will be provided under Economic Development Incentive Payments for the site studies associated with the project. In development of this program, the Secretary's office shall be assisted by the Department of Medical Assistance Services, the Virginia Center for Healthcare Innovation, the Virginia Hospital and Healthcare Association and other affected stakeholders. The resulting hospital provider assessment program developed by the Secretary shall not be implemented until after June 30, 2016.

2. As part of the development of a hospital provider assessment program, the Secretary of Health and Human Resources shall also develop as an option a more limited program that is focused on supporting the indigent care and graduate medical education costs at private teaching hospitals in the Commonwealth. This limited hospital provider assessment program developed by the Secretary shall not be implemented until after June 30, 2016.

3. **Explanation:**

**Explanation:**

(This amendment adds language requiring the Virginia Department of Health (VDH) with assistance from the Department of Health Professions to issue guidelines on the prescription of certain pain medicines. Opioid overdose continues to be a major public health problem in the United States. It has contributed significantly to accidental deaths among those who use prescription opioids. Opioid overdose is the number one cause of accidental death in the United States, eclipsing automobile accidents (unintentional opioid overdose kills one person every 36 minutes in this country). This increase coincides with a nearly fourfold increase in the use of prescribed opioids for the treatment of pain. With appropriate education, patients on long-term opioid therapy, and others at risk for overdose, can benefit from the availability of FDA approved opioid antagonists to utilize in the event of a known or suspected overdose. VDH guidelines will assist in mitigating the risk of opioid overdose and adverse reactions in cases of overdose.)

**Explanation:**

(This amendment modifies language to eliminate the increase in restaurant permit fees from the savings strategy in the introduced budget which would have generated \$3.8 million in savings to the state from additional revenue in fiscal year 2016 by raising restaurant annual permit fees from \$40.00 to \$285.00. Intellectual Disability and IFDDS waivers and six percent for EPSDT nursing to be equal to the private duty nursing rates in the Technology Assisted Waiver effective July 1, 2015. "

**Explanation:**

(This amendment provides funding to increase rates for in-home residential services, day services, therapeutic consultation, congregate residential, and skilled nursing effective July 1, 2015. These increases are based on the analysis from the recent rate study of Medicaid waiver rates, which indicates that the rates are far from adequate to build the appropriate community capacity to move individuals out of state training centers. The Intellectual Disability, Developmental Disability and Day Support waivers are currently being redesigned and will likely change in FY 2017. This amendment would be a significant investment in the new rates to move the Commonwealth forward to a more community-based system for individuals with intellectual or developmental disabilities.)

**Explanation:**

(This amendment provides funding in the second year and adds language to offset savings assumed in the Department of Medical Assistance Services budget from pending and reducing payment for claims from emergency room physicians who treat Medicaid recipients when a retrospective review determines that the individuals could have received care in an outpatient setting. Emergency room physicians have no choice in treating individuals who present in emergency rooms and must do so as required by federal law. The department shall have the authority to implement these reimbursement changes effective July 1, 2015, and prior to

completion of any regulatory process undertaken in order to effect such change."

**Explanation:**

(This amendment provides funding for Physician Supplemental Payments for additional support for Children's Hospital of the King's Daughters (CHKD). These payments help cover the cost of caring for thousands of children facing life-threatening illnesses, traumatic injuries and chronic conditions as well as those who need access to routine well-child care regardless of their families' ability to pay for services. These payments also ensure that CHKD's patients have access to every type of pediatric subspecialist, surgeon and pediatrician needed in a highly coordinated, efficient and regionalized system of care in greater Hampton Roads. Furthermore, Physician Supplemental Payments help CHKD address critical workforce development needs as the region's only teaching hospital for pediatrics, for the EVMS pediatric and family medicine residencies, and for every school of nursing within the region. Physician Supplemental Payments currently cover less than a third of CHKD's \$13 million physician costs.)

The department shall have the authority to implement this reimbursement change effective July 1, 2015 and prior to completion of any regulatory process in order to effect such change.

**Explanation:**

(This amendment provides funding to hold harmless any nursing facility which was negatively impacted by the conversion from a cost-based reimbursement methodology to a price-based reimbursement methodology for Medicaid nursing facility payments because the methodology did not account for recent facility improvements to provide high quality care. The transition rates that would be imposed on such facilities are based on a three-year period, which penalizes facilities which have recently improved care and invested significant funds to improve the facility. **Explanation:**

(This amendment modifies the definition of eligibility criteria for the Medicaid Alzheimer's Assisted Living waiver to more broadly define eligible individuals that may be served by the waiver program. Currently, eligibility criteria for the waiver set forth in the Virginia Administrative Code defines those eligible as individuals with a diagnosis of Alzheimer's or a related dementia, however, it does not recognize the similar needs of individuals with other types of dementia. Of the remaining 96 percent (i) 65 percent shall be distributed to a baseline allocation determined by the accreditation status of the CAC; (a) developing and associate centers 100 percent of base; (b) accredited centers 150 percent of base; and (c) accredited centers with satellite facilities 175 percent of base; and (ii) 35 percent shall be allocated according to established criteria to include: (a) 25 percent determined by the rate of child abuse per 1000; (b) 25 percent determined by child population; and (c) 50 percent determined by the number of counties and independent cities serviced."

**Explanation:**

(This amendment alters the funding methodology used to distribute funds to Child Advocacy Centers (CACs) which has become outdated due to a substantial growth in CACs and a shift in the number of CACs from associate membership to accredited membership. The proposed change anticipates continued growth of satellite centers which are not supported by the current formula. The proposed formula (i) provides incentives for National Children's Advocacy Accreditation; (ii) eliminates pitting one CAC against another; (iii) eliminates subjective criteria; and (iv) provides fairness in distribution.)

The authority to enforce the criminal laws of the Commonwealth granted pursuant to Section 4.1-105, Code of Virginia, should only be exercised ancillary to such administrative enforcement.

2. Not later than 90 days after enactment of this Act, the Department of Alcoholic Beverage Control shall formulate and begin to implement a plan to effect the following: (a) an increase in the number of administrative inspections conducted at licensed premises; (b) an increased review and analysis of the reports filed by mixed beverage licensees, and an increase in the number of audits to insure compliance

with the food-to-beverage ratio required of such licensees; and, (c) an increase in specialized industry compliance services provided to the manufacturing and wholesale tiers of the alcoholic beverage industry. 3. Not later than June 30, 2016, the Department of Alcoholic Beverage Control shall report to the Governor and the Chairmen of the House Committee on General Laws and Senate Committee on Rehabilitation and Social Services on its progress on implementation of the plan."

**Explanation:**

(This amendment expresses the intent of the General Assembly that the Department of Alcoholic Beverage Control should concentrate its enforcement efforts on the administrative regulation of the alcoholic beverage industry, and requires a plan within 90 days of the enactment of this Act and a report by June 30, 2016, to address this concern. From fiscal year 2009 to 2014 the number of annual licenses issued by the department has increased ten percent from 16,503 to 18,171, and the number of special agents has increased by a similar percentage from 90 to 100. However, the number of administrative inspections over the same period has declined over 14 percent, from 10,346 to 8,884 inspections. A similar concern exists with respect to the enforcement of the food-to-beverage ratio required of mixed beverage restaurants, so it is also the intent of this amendment that the department should significantly increase its inspections and audits of the annual reports submitted by mixed beverage licensees.)

These services shall include consolidated management and operational responsibility for delivering all primary and speciality care, nursing x-ray, dialysis, dental, medical supplies, laboratory services, pharmaceuticals, as well as all off-site care, case management and related services. **Explanation:**

(This amendment directs the Department of Corrections to provide three reports concerning the provision of inmate health care. The first of the three reports would contain the preliminary results of a Request for Proposals for the comprehensive management of inmate health care statewide for all facilities for the department. The second report would contain the results of new Proposals to be submitted in response to a new RFP to replace the August 4, 2014 Request for Proposals for inmate health care at certain DOC state facilities. **Explanation:**

(This amendment adjusts the language concerning the Corrections Special Reserve Fund. The introduced budget included \$150,000 for the projected corrections bedspace impact of three proposed bills which required a deposit into the Corrections Special Reserve Fund, but these three bills were not adopted by the Senate. This language allocates the \$150,000 which was included in the introduced budget to reflect the fiscal impact of Senate Bills 1056, 1188, 1230, and 1231, which were adopted by the Senate. Senate Bills 1230 and 1231 contain identical criminal penalties for the purchase of cigarettes using a forged business license, a business license obtained under false pretenses, or a forged or invalid Virginia sales and use tax exemption certificate obtained under false pretenses. For this reason, one deposit of \$50,000 is made to account for the same change in criminal penalties for both Senate Bill 1230 and Senate Bill 1231. ## THURSDAY, FEBRUARY 19, 2015

The Senate met at 12 m. and was called to order by Lieutenant Governor Ralph S. Northam.

The Reverend Dr. Bruce A. Gray, Richmond Fire Department, Richmond, Virginia, offered the following prayer:

Gracious and loving God, You have created us in Your image and through prophets have called us to dream dreams and have great visions.

May this Senate of Virginia have the insight and the wisdom to do their work knowing that image and dreaming visions that lead to caring for all the people of the Commonwealth.

In these days of bitter cold, we especially remember the homeless, the poor, the needy, and the oppressed. May those who serve here reach out to them, improve their lives, and seek the ways to honor the image in which they have been created.

May this Senate have a vision where all citizens are treated equally and with respect no matter whether they are rich or poor, where the color of their skin does not matter, whether they are male or female, and no matter who they love.

Help those who serve here share the vision of the prophets to lead the Commonwealth to be an even better home for all our citizens, where justice for all is a reality and all may live in peace and safety.

May the work of this body be characterized by compassion and mercy so that all may enjoy the image they share with their Creator.

All this we ask in Your name. Amen.

## FRIDAY, FEBRUARY 20, 2015

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor Ralph S. Northam.

The Reverend Terry M. Gau, Union Presbyterian Seminary, Richmond, Virginia, offered the following prayer:

God of love and light, thank You for this insanely cold but beautifully clear day.

Thank You for the miracle of snow that we enjoyed this week and for the men and women who cleared pathways of ice so we could be here today.

Help us remember the many blessings and mercy You give, so that we, like You, embrace our friends as well as our enemies without hesitation or judgment.

Grant us courage to overcome the specter of fear that threatens our Commonwealth, because we are easily paralyzed with anxiety about our future.

Grant us power to tear down the walls of injustice and prejudice, because we need Your strength to stand hand in hand with those we do not trust.

Grant us confidence and integrity, so that our choices may be honorable and in the best interests of all the citizens of this Commonwealth.

And grant us love, so that bitterness and cynicism are banished, and peace is established in our land. For You have charged us to feed the hungry, heal the sick, welcome the outcast, and offer sanctuary for those who have no refuge, particularly those enduring this frozen day without a shelter. You are love, and we become Yours when we bear this love to even the least of our neighbors.

All this we pray in the name of the One who knows us and calls us by name. Amen.

The roll was called and the following Senators answered to their names:

Alexander, Barker, Black, Carrico, Chafin, Colgan, Cosgrove, Dance, Deeds, Favola, Garrett, Hanger, Lewis, Locke, Marsden, Martin, McDougle, McEachin, McWaters, Miller, Newman, Norment, Obenshain, Petersen, Reeves, Ruff, Smith, Stanley, Stosch, Stuart, Vogel, Wagner, Wexton.

## MONDAY, FEBRUARY 23, 2015

The Senate met at 12 m. and was called to order by Lieutenant Governor Ralph S. Northam.

The Reverend Dr. Donald D. Binder, Pohick Episcopal Church, Lorton, Virginia, offered the following prayer:

Heavenly Father, we bow our heads at the start of this morning hour to give thanks for the many blessings You have bestowed upon our nation and our Commonwealth, and especially to remember before You with great gladness the birthday yesterday of the Father of our Country, Your servant, George Washington.

In a time of national crisis, You inspired him to answer the call of his fellow countrymen and assume command of an army vastly outnumbered and constantly on the brink of defeat.

In the midst of the brutal cold of Valley Forge, You sustained him as he knelt before You in prayer, so that he could bear the heavy weight of adversity placed upon his shoulders and continue to hearten the beleaguered soldiers under him.

And at Yorktown, Your divine Providence brought together a concatenation of causes that led to a miraculous victory and sealed the establishment of our new nation.

We pray that You would bestow upon us the same graces that strengthened General Washington during these trials—and those he would later face during his presidency—that we might be faithful stewards of the great legacy that he and his fellow laborers entrusted to us more than two centuries ago.

Bless especially in this regard our Governor, Lieutenant Governor, and the Senators and Delegates of this General Assembly, that as this year's session draws near its close, they may successfully conclude the people's business for the advancement of our Commonwealth, and the benefit of all its citizens. Amen.

## TUESDAY, FEBRUARY 24, 2015

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor Ralph S. Northam.

The Reverend Leroy Cherry, Third Baptist Church, Petersburg, Virginia, offered the following prayer:

Almighty God, unto whom all hearts are opened, all desires known, and from whom no secrets are hid: Cleanse the thoughts of our hearts by the inspiration of thy Holy Spirit, that we may perfectly love thee and worthily magnify thy holy name. God, Your Word says we should trust in the Lord with all our heart and lean not to thine own understanding, in all thy ways acknowledge Him and He shall direct thy paths. God, You said that if we seek You we shall find You, if we knock the door shall be opened, ask and it shall be given to us. You said let not mercy and truth forsake thee, bind them about thy neck, write them upon the table of thine heart. So shalt thou find favor and good understanding in the sight of God and man. So, we come this afternoon seeking first the kingdom of heaven and all its righteousness. Lord, we seek Your guidance, Your direction, Your understanding, and Your will for this 2015 Senate Session. God bless our nation, our President, and our Governor. Amen.

## THURSDAY, FEBRUARY 26, 2015

The Senate met at 10:30 a.m. and was called to order by Lieutenant Governor Ralph S. Northam.

The Reverend Mark Miller, Shalom Baptist Church, Mechanicsville, Virginia, offered the following prayer:

Let's pray. Gracious God, remind us today that You are present with us here in this place.

You are not some distant God removed and disconnected from Your people, but You draw close to us as we through prayer draw close to You. And so we come now to You, and in these next few quiet moments, we express our thankfulness to You for the many blessings in our lives.

And now in these quiet moments we confess to You the things that we have done that have not been pleasing in Your sight.

And finally in these quiet moments we ask for Your truth and Your wisdom to guide our minds, our hearts, and our souls today.

God, today's decisions that are made in this place bring to mind our children, our grandchildren, a niece, a nephew, a neighbor child. Help us to realize that the decisions that will be made here today do not just affect our present days, but they also affect our future and the future of these ones who You brought to our minds. May that responsibility weigh heavy on our hearts.

Finally, God, remind us that we can't do what we do without You.

In our Lord's name we pray. Amen.

1. Out of this appropriation, \$1,000,000 the first year from the general fund is provided for start-up grants of up to \$300,000 per school per year, depending on the extended school year model adopted. First priority shall be given to the school divisions awarded planning grants in fiscal year 2014 and the College Readiness Center pilot. Next priority shall be given to schools based on need, relative to the most current state accreditation ratings or similar federal designations.

2. Out of this appropriation, \$7,150,000 the second year from the general fund is

provided for a targeted extended school year incentive in order to improve student achievement. Annual start-up grants of up to \$300,000 per school may be awarded for a period of up to two years after the initial implementation year. The per school amount may be up to \$400,000 in the case of schools that have a Denied Accreditation status. After the third consecutive year of successful participation, an eligible school's grant amount shall be based on a shared split of the grant between the state and participating school division's local composite index. Such continuing schools shall remain eligible to receive a grant based on the 2012 JLARC Review of Year Round Schools' researched base findings.

3. Except for school divisions with schools that are in Denied Accreditation status, any other school division applying for such a grant shall be required to provide a twenty percent local match to the grant amount received from either an extended year start-up or planning grant in the second year.

4. In the case of any school division with schools that are in Denied Accreditation status that apply for funds, the school division shall also consult with the Superintendent of Public Instruction or designee on all recommendations regarding instructional programs or instructional personnel prior to submission to the local board for approval.

5. Out of this appropriation, \$613,312 each year from the general fund is provided for planning grants of no more than \$50,000 each for local school divisions pursuing the creation of new year-round school programs for divisions or individual schools in support of the findings from the 2012 JLARC Review of Year Round Schools. School divisions must submit applications to the Department of Education by August 1 of each year. Priority shall be given to schools based on need, relative to the state accreditation ratings or similar federal designations. Applications shall include evidence of commitment to pursue implementation in the upcoming school year. If balances exist, existing extended school year programs may be eligible to apply for remaining funds.

6. A school division that has been awarded an extended school year start-up grant, a year-round program start-up grant, or an extended year planning grant for the development of an extended year or a new year-round program may spend the awarded grant over two consecutive fiscal years.

7. a) Any such school division receiving funding from a Targeted Extended School Year grant shall provide an annual progress report to the Department of Education that evaluates end of year success of the extended year or year-round model implemented as compared to the prior school year performance as measured by an appropriate evaluation matrix no later than August 1 each year.

b) The Department of Education shall develop such evaluation matrix that would be appropriate for a comprehensive evaluation for such models implemented. Further,

the Department of Education is directed to submit the annual progress reports from the participating school divisions and an executive summary of the program's overall status and levels of measured success to the Chairmen of House Appropriations and Senate Finance Committees no later than October 1 each year.

8. Any funds remaining in this paragraph following grant awards may be disbursed by the Department of Education as grants to school divisions to support innovative approaches to instructional delivery or school governance models."

**Explanation:**

(This amendment provides \$4.8 million the second year from the general fund to increase the state's allocation from \$2.4 million to \$7.2 million in funding for a targeted extended school year incentive. Funding is based on start-up grants of up to \$300,000 per school up to a total of three years. The grant award may be up to \$400,000 in the case of schools that are in a Denied Accreditation status. Except for any school that has a Denied Accreditation status, all other participating schools shall be required to provide a 20% local funding match. After the third consecutive year of successful participation, an eligible school's grant amount shall be based on a shared split of the grant between the state and participating school division's local composite index. All participating schools shall be required to submit an evaluation assessment report of the planning and progress of the extended year or year round model implemented no later than August 1 each year to the Department of Education (DOE). The DOE is directed to develop the appropriate and effective evaluation matrix for school divisions to use. In addition, the DOE is directed to also submit the evaluation reports from the participating school divisions to the Chairmen of the House Appropriations and Senate Finance Committees no later than October 1 each year. a.1) The appropriation in this item includes \$52,865,367 the second year from the general fund for the state share of a payment equivalent to a 1.5 percent salary incentive increase, effective August 16, 2015, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium. The \$52,865,367 includes \$218,854 referenced in paragraph 28. i., for the Academic Year Governor's Schools for a 1.5 percent salary incentive increase, effective August 16, 2015, for instructional and support positions.

2) It is the intent of the General Assembly that the instructional and support position salaries be improved in school divisions throughout the state by at least an average of 1.5 percent in the second year. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 1.5 percent salary increase for funded SOQ instructional and support positions, effective August 16, 2015, to school divisions which certify to the Department of Education, by June 15, 2015, that salary increases of a minimum average of 1.5 percent have been provided in the second year by January 1, 2016, to instructional and support personnel. In certifying that the salary increases have been provided, school divisions may not include any salary increases that were provided in the second year solely to offset the cost of required member contributions to the Virginia Retirement System under § 51.1-144, Code of Virginia.

b. The state funds for which the division is eligible to receive shall be matched by the local government, based on the composite index of local ability-to-pay, which

shall be calculated using an effective date of January 1, 2016, as the basis for the local match requirement for both funded SOQ instructional and support positions.

c. This funding is not intended as a mandate to increase salaries."

**Explanation:**

(This amendment provides \$52.8 million the second year from the general fund for instructional and support positions the state's share of a 1.5 percent salary increase for funded SOQ instructional and support positions and for a 1.5% salary incentive for the Academic Year Governor's Schools instructional and support positions. Although state funding is calculated based on 1.5 percent with an effective date of August 16, 2015, the local required match is based on a average of 1.5 percent with an effective date of no later than January 1, 2016, and divisions must certify that a minimum 1.5 percent increase will be provided to employees by this date. The amendment specifies that in meeting the salary increases to be eligible for this incentive funding, school divisions may not include any increases that were provided in fiscal year 2016 to offset the cost of required member contributions to the VRS. Furthermore, this allocation is contingent on the state revenue forecast performance pursuant to the provisions set out in Item 467.O.1.)

Furthermore, the Department is mandated to communicate to all eligible school divisions the remaining available balances in the program's adopted budget, after the fall participation reports have been submitted and finalized for such grants. "

**Explanation:**

(This amendment requires DOE to offer any unobligated balances for one-time grants, with priority to proposals to expand the use of partnerships with either nonprofit or for-profit providers, as is currently allowed but limited in actual use. This is in lieu of new provisions proposed in the introduced budget authorizing unused but appropriated funds for the Virginia Preschool Initiative for at-risk four-year-olds to school divisions that have used 100 percent of their state allocated slots and also have waiting lists beginning the second year (instead of sweeping end-of-year balances that may exist even after assumed nonparticipation). Under the introduced budget, the number of slots allocated would have been determined using the balance of the number of slots estimated to calculate the fiscal year 2016 appropriation and the number of actual slots to be used for fiscal year 2016 as reported on the May 15th Pre-K grant proposals submitted by school divisions. Current budget language authorizes DOE to expend unobligated balances for grants to qualifying school divisions for one-time expenses, other than capital, related to start-up or expansion of programs.)

This increase coincides with a nearly fourfold increase in the use of prescribed opioids for the treatment of pain. 3. The Department of Medical Assistance Services is authorized to amend the FAMIS MOMS and FAMIS Select demonstration waiver (No. 21-W-00058/3) for FAMIS MOMS enrollees to add coverage for dental services to align with pregnant women's coverage under Medicaid.

4. The Department of Medical Assistance Services is authorized to amend the State Plan under Title XXI of the Social Security Act to plan to allow enrollment for dependent children of state employees who are otherwise eligible for coverage.

5. The department shall have authority to implement necessary changes upon federal approval and prior to the completion of any regulatory process undertaken in order to effect such changes."

**Explanation:**

(This amendment adds \$14.9 million from the general fund and \$16.0 million from nongeneral funds the first year and \$104.3 million from the general fund and \$119.9 million from nongeneral funds the second year to (i) provide limited medical

services, including coverage of prescription medicines, and a robust set of behavioral health services to 21,600 adults with serious mental illness with incomes at or below 60 percent of the federal poverty, (ii) provide comprehensive dental care for an estimated 45,000 pregnant women in the Medicaid and FAMIS MOMS programs, (iii) provide additional funding to enroll an estimated 35,000 additional children in the Medicaid and FAMIS children's health insurance programs, and (iv) extend FAMIS eligibility to children of low-income state employees who would otherwise be eligible for the program. Language is added to specifically authorize these changes to the Medicaid and FAMIS programs. Language requires the Department of Medical Assistance Services (DMAS) to amend its demonstration project to modify eligibility criteria set forth in the demonstration project for individuals with serious mental illness and authorizes amendments to the FAMIS MOMS and FAMIS Select demonstration waiver to add comprehensive dental coverage for FAMIS MOMS and extend FAMIS coverage to children of low-income state employees who would otherwise be eligible for the program. **Explanation:**

(This amendment reduces \$2.9 million the first year and \$5.7 million the second year from the general fund and provides a corresponding increase in the Health Care Fund to reflect a revised estimate of tobacco tax revenues that are deposited to the Health Care Fund. This estimate assumes tobacco tax projections will decline by 1.2 percent each year as compared to a three percent decline estimated in the introduced budget. Since the Health Care Fund is used as state match for the Medicaid program, any change in revenue results in a corresponding offset in general fund support.)

**Explanation:**

(This amendment captures savings of \$21.9 million from the general fund and \$21.9 million from matching federal Medicaid funds in the second year contained in the Medicaid forecast for two technical adjustments. The Medicaid forecast assumed that \$14.1 million from the general fund and a like amount of nongeneral funds would be spent in fiscal year 2016 to implement a federal Department of Labor (DOL) rule to require the "Employer of Record" to pay overtime for personal care attendants providing home care in the Medicaid waiver programs. The amendment strikes language in the introduced budget implementing this rule, due to a recent federal court decision that struck down these provisions in the DOL rule. The second technical adjustment reduces \$7.8 million from the general fund and a like amount of nongeneral funds from Medicaid savings actions taken in Chapter 2, 2014 Special Session I, that should have been adjusted in the second year.)

The General Assembly's Medicaid reform efforts have been focused on redesigning the comprehensive Intellectual Disability and Developmental Disability waivers to address the needs of the most disabled individuals, including those transitioning from training centers to the community and those at imminent risk of institutional care.)

2. The Department of Medical Assistance Services, in collaboration with the Department of Behavioral Health and Developmental Services, shall report on plans to redesign the Medicaid comprehensive Intellectual and Developmental Disability waivers prior to the submission of a request to the Centers for Medicare and Medicaid Services to amend the waivers. In developing the report, the departments shall include plans for the list of services to be included in each waiver; service limitations, provider qualifications, and proposed licensing regulatory changes; and

proposed changes to the rate structure for services and the cost to implement such changes. In addition, the Department of Medical Assistance Services, in collaboration with the Department of Behavioral Health and Developmental Services, shall report on how the individuals currently served in the existing waivers and those expected to transition to the community will be served in the redesigned waivers based on their expected level of need for services. The departments shall complete their work and submit the report to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2015."

**Explanation:**

(This amendment provides funding to increase rates for in-home residential services, day services, therapeutic consultation services, congregate residential services, and skilled nursing services effective July 1, 2015. These increases are based on the analysis from the recent rate study of Medicaid waiver rates, which indicates that the rates are inadequate to build the appropriate community capacity to move individuals out of state training centers. The Intellectual Disability, Developmental Disability and Day Support waivers are currently being redesigned and will likely change in fiscal year 2017. The funding in this amendment provides an investment in the new rates to move the Commonwealth forward to a community-based system for individuals with intellectual or developmental disabilities. Language is also added to require the Department of Medical Assistance Services and the Department of Behavioral Health and Developmental Services to report on plans to redesign the Medicaid comprehensive Intellectual and Developmental Disability waivers prior to a submission of a request to the Centers for Medicare and Medicaid Services to amend the waivers. The report is required to be submitted by November 1, 2015.)

Currently, the rate for consumer-directed care is \$8.86 per hour in the rest of the state and \$11.47 per hour in Northern Virginia. **Explanation:**

(This amendment provides funding in the second year and adds language to offset savings assumed in the Department of Medical Assistance Services budget from pending and reducing payment for claims from emergency room physicians who treat Medicaid recipients when a retrospective review determines that the individuals could have received care in an outpatient setting. Emergency room physicians have no choice in treating individuals who present in emergency rooms and must do so as required by federal law. Reduction of payment for certain "non-emergency" Medicaid claims places an unreasonable financial burden on these providers.)

The department shall have the authority to implement these reimbursement changes effective July 1, 2015, and prior to completion of any regulatory process undertaken in order to effect such change."

**Explanation:**

(This amendment provides funding for Physician Supplemental Payments for additional support for Children's Hospital of the King's Daughters (CHKD). These payments help cover the cost of caring for thousands of children facing life-threatening illnesses, traumatic injuries and chronic conditions as well as those who need access to routine well-child care regardless of their families' ability to pay for services. These payments also ensure that CHKD's patients have access to every type of pediatric subspecialist, surgeon and pediatrician needed in a highly coordinated, efficient and regionalized system of care in greater Hampton Roads. Furthermore, Physician Supplemental Payments help CHKD address critical workforce development needs as the region's only teaching hospital for pediatrics, for the EVMS pediatric and family medicine residencies, and for every school of nursing within the region. Physician Supplemental Payments currently cover less than a third of CHKD's \$13 million physician costs.)

**Explanation:**

(This amendment increases the general fund appropriation for Medicaid by \$221,568 and reduces a like amount of nongeneral funds the second year, reflecting reduced revenues to the Virginia Health Care Fund (VHCF). Because revenues in the fund are required to be used as the state share of Medicaid, a reduction in revenue results in a need to increase the general fund amount for the program. The department shall not contract with any entity for whom there exists a conflict of interest. For community-based screening for children, the screening shall be performed by an individual or entity with whom the department has entered into a contract for the performance of such screenings.

2. The department shall track and monitor all requests for screenings and report on those screenings that have not been completed within 30 days of an individual's request for screening. 4. The Department of Medical Assistance Services shall promulgate regulations to implement these provisions to be effective within 280 days of its enactment. The department may implement any changes necessary to implement these provisions prior to the promulgation of regulations undertaken in order to effect such changes."

**Explanation:**

(This amendment adds \$200,000 from the general fund and \$600,000 from federal matching Medicaid funds in the second year for the Department of Medical Assistance Services to implement a contract for preadmission screening for children in need of long-term care services to ensure screenings are completed within statutory required timeframes. Language also requires the agency to track and monitor all requests for screenings and report on those not completed within statutory timeframes. The department is required to report on the timeliness of such screenings as well as the implementation of the contract for children's preadmission screenings prior to the 2016 Session. 2. The Department of Medical Assistance Services (DMAS) shall require providers to use a National Provider Identifier number, effective July 1, 2015, in order to participate in the Commonwealth Coordinated Care program."

**Explanation:**

(This amendment adds language directing the Department of Medical Assistance Services to report quarterly on the implementation of the Commonwealth Coordinated Care program, which integrates long-term care services for individuals dually eligible for the Medicare and Medicaid programs. In addition, it requires providers that participate in the Commonwealth Coordinated Care program to have and use a National Provider Identifier (NPI), by July 1, 2015, to participate in the program. (This amendment provides funding and adds language to hold harmless any nursing facility which was negatively impacted by the conversion from a cost-based reimbursement methodology to a price-based reimbursement methodology for Medicaid nursing facility payments because the methodology did not account for recent facility improvements to provide high quality care. The transition rates that would be imposed on such facilities are based on a three-year period, which penalizes facilities which have recently improved care and invested significant funds

to improve the facility. Language is added to outline criteria to reimburse facilities in such circumstances at the price-based operating rate instead of the transition operating rate effective July 1, 2015.)

No payment shall be made without approval from CMS.

c. Funding for the state share for these Medicaid payments is authorized in Item 243."

**Explanation:**

(This amendment provides authority for the Department of Medical Assistance Services to increase payments to Medicaid managed care organizations to allow Eastern Virginia Medical School (EVMS) to receive federally funded physician supplemental payments from serving enrollees in the Virginia Medicaid managed care program. The match needed for these funds will come directly from EVMS and there is a companion amendment in Item 243. There would be no cost to the Commonwealth.)

**Explanation:**

(This amendment modifies the definition of eligibility criteria for the Medicaid Alzheimer's Assisted Living waiver to more broadly define eligible individuals that may be served by the waiver program. Currently, eligibility criteria for the waiver set forth in the Virginia Administrative Code defines those eligible as individuals with a diagnosis of Alzheimer's or a related dementia, however, it does not recognize the similar needs of individuals with other types of dementia. The Department of Corrections shall develop and issue a Request for Information for the comprehensive management and provision of health care services for (i) all inmates confined at facilities not covered by the August 4, 2014, solicitation for health care management services, and (ii) all inmates confined at Department facilities statewide. This request for information shall focus on identifying health care management models that use the best practices and cost containment methods employed by Medicaid managed care organization in delivering provider-managed and outcome-based comprehensive health care services. These services shall include consolidated management and operational responsibility for delivering all primary and specialty care, nursing, x-ray, dialysis, dental, medical supplies, laboratory services, pharmaceuticals, as well as all off-site care, case management, and related services. Specific information shall be sought on 1) how existing state-funded managed care networks can be leveraged; 2) federal health care funding opportunities; 3) identifying state-of-the-art practices in care coordination and utilization review; and 4) identifying innovative correctional health care management systems being used or developed in other states. A report summarizing the responses to the Request for Information and estimating the potential long-term savings from the approaches identified in the responses shall be

provided to the Chairmen of the House Appropriations and Senate Finance Committees, the Secretary of Public Safety and Homeland Security, and the Department of Planning and Budget no later than October 1, 2015.

2. The Department shall provide to the Secretary of Public Safety and Homeland Security, the Directors of the Departments of Planning and Budget and Human Resources Management, and the Chairmen of the House Appropriations and Senate Finance Committees by July 1, 2016, a report assessing:

a. The costs, benefits, and administrative actions required to eliminate the Department's reliance on a private contractor for the delivery of inmate health care at multiple facilities, and to provide the same services internally using either state employees or individual contract medical personnel.

b. The costs, benefits, and administrative actions required to transition to a statewide health care management model that use best practices and cost containment methods employed by prison health care management and Medicaid managed care organizations to deliver provider-managed and outcome-based comprehensive health care services through a single statewide contract for all of the Department's adult correctional centers.

c. A review of the Department's actual cost experience comparing the previous arrangement in which the contractor assumed full financial risk for the payment of off-site inpatient and outpatient services, and the current and proposed arrangement in which the Department assumes that risk and also receives any Medicaid reimbursement for such off-site expenses. For purposes of analyzing the first arrangement, it is assumed that the benefit of any Medicaid or other third-party reimbursement for hospital or other services would accrue to the contractor. This review shall also compare cost trends experienced by other states which have adopted these two arrangements.

d. A comparison of the costs and benefits of the Department's current management of inmate health care, including the model envisioned in its August 2014 Request for Proposals, to the alternative models the Department is directed to assess in subsections a, b, and c above.

e. The Department of Human Resources Management, the Department of Planning and Budget and other executive branch agencies shall provide technical assistance to the Department as needed."

Language

**Language:**

Page 569, after line 34, insert:

"§ 4-9.05 IMPLEMENT JLARC RECOMMENDATIONS

a. The Boards of Visitors at each Virginia public four-year higher education institution, to the extent practicable, shall:

1. require their institutions to clearly list the amount of the athletic fee on their website's tuition and fees information page. The page should include a link to the State Council of Higher Education for Virginia's tuition and fee information. The boards should consider requiring institutions to list the major components of all mandatory fees, including the portion attributable to athletics, on a separate page attached to student invoices;

2. assess the feasibility and impact of raising additional revenue through campus recreation and fitness enterprises to reduce reliance on mandatory student fees. The assessments should address the feasibility and impact of raising additional revenue through charging for specialized programs and services, expanding membership, and/or charging all users of recreation facilities;

3. direct staff to perform a comprehensive review of the institution's organizational structure, including an analysis of spans of control and a review of staff activities and workload, and identify opportunities to streamline the organizational structure. Boards should further direct staff to implement the recommendations of the review to streamline their organizational structures where possible;

4. require periodic reports on average and median spans of control and the number of supervisors with six or fewer direct reports;

5. direct staff to revise human resource policies to eliminate unnecessary supervisory positions by developing standards that establish and promote broader spans of control. The new policies and standards should (i) set an overall target span of control for the institution, (ii) set a minimum number of direct reports per supervisor, with guidelines for exceptions, (iii) define the circumstances that necessitate the use of a supervisory position, (iv) prohibit the establishment of supervisory positions for the purpose of recruiting or retaining employees, and (v) establish a periodic review of departments where spans of control are unusually narrow; and,

6. direct institution staff to set and enforce policies to maximize standardization of purchases of commonly procured goods, including use of institution-wide contracts;

7. consider directing institution staff to provide an annual report on all institutional purchases, including small purchases, that are exceptions to the institutional policies for standardizing purchases.

b. The State Council on Higher Education for Virginia, to the extent practicable, shall:

1. convene a working group of institution financial officers, with input from the Department of Accounts, the Department of Planning and Budget, and the Auditor of

Public Accounts, to create a standard way of calculating and publishing mandatory non-E&G fees, including for intercollegiate athletics;

2. update the state's Chart of Accounts for higher education in order to improve comparability and transparency of mandatory non-E&G fees, with input from the Department of Accounts, the Department of Planning and Budget, the Auditor of Public Accounts, and institutional staff. This process should be coordinated with the standardization of tuition and fee reporting;

3. convene a working group of institutional staff to develop instructional and research space guidelines that adequately measure current use of space and plans for future use of space at Virginia's public higher education institutions;

4. coordinate a committee of institutional representatives, such as the previously authorized Learning Technology Advisory Committee. In addition to the objectives set out in the Appropriation Act for the Learning Technology Advisory Committee, the committee should identify instructional technology initiatives and best practices for directly or indirectly lowering institutions' instructional expenditures per student while maintaining or enhancing student learning.

c. Notwithstanding the provisions of § 23-9.14:1, the State Council of Higher Education for Virginia shall annually train boards of visitors members on the types of information members should request from institutions to inform decision making, such as performance measures, benchmarking data, the impact of financial decisions on student costs, and past and projected cost trends. Boards of Visitors members serving on finance and facilities subcommittees should, at a minimum, participate in the training within their first year of membership on the subcommittee. SCHEV should obtain assistance in developing or delivering the training from relevant agencies such as the Department of General Services and past or present finance officers at Virginia's public four-year institutions, as appropriate.

d. The Department of Planning and Budget shall revise the formula used to make allocation recommendations for the state's maintenance reserve funding to account for higher maintenance needs resulting from poor facility condition, aging of facilities, and differences in facility use. Beginning with fiscal year 2016, the Department of Planning and Budget shall submit these recommendations to the Governor and General Assembly no later than November 1 of each year.

e. The Six-Year Capital Outlay Plan Advisory Committee, the Department of Planning and Budget, and others as appropriate shall use the results of the prioritization process established by the State Council of Higher Education for Virginia in determining which capital projects should receive funding.

f. Beginning with fiscal year 2016, the Auditor of Public Accounts shall include in its audit plan for each public institution of higher education a review of progress in implementing the the JLARC recommendations contained in paragraph § 4-9.05 a."

## WEDNESDAY, APRIL 15, 2015

The Senate met at 12 m. in Reconvened Session of the 2015 Regular Session and was called to order by Lieutenant Governor Ralph S. Northam.

The Reverend Jay P. Hurley, Samaria Baptist Church, Providence Forge, Virginia, offered the following prayer:

Our Lord and our God, it is in deepest humility we come before You to ask Your blessings and Your favor on the Senate of the Commonwealth of Virginia today.

Surround and fill each member with an extra portion of Your wisdom and Your Spirit, that their purposes will be steadfast, just, and honoring, not only to the people of the Commonwealth of Virginia, but most of all to You, our God.

God, we thank You for this beautiful Commonwealth, which You have entrusted to its citizens as stewards. We thank You for the fruitful agricultural assets and the overflowing of educational and business opportunities. We are truly a blessed people, in a blessed state and a blessed nation.

Lord, as this Senate body meets today, enable them to do the right thing for the right reason. As they serve, may they remember our veterans, the sacrifices they made to keep us free, and our seniors, who brought us where we are today. Help the members of this chamber to find ways to assist those who fall through the cracks, the disabled, the disadvantaged and the poor, and may they themselves set an example for our young people to aspire to.

Lord, You tell us: "When we do it to the least of these [it is the same as when] we do it to You."

Guide each member to live in that conviction and strive to promote equal treatment for all citizens of the Commonwealth.

Lord, along with Your love, mercy, and grace, which has no end, infuse each member here with integrity and compassion, remembering we all have a greater authority to one day stand before.

Lord, aid the members here to represent all of the citizens of the Commonwealth in meeting the undeniable needs of all, to the best of their abilities, keeping at the forefront of their thinking that Virginians don't want a better Virginia, but the best Virginia, where no citizen is left out or forgotten.

Now, our Creator and God, I commend this prayer, the Commonwealth of Virginia, its citizens and the members of this session to You. For we know You love and care for each one, as if there were no other.

In the Holy and Matchless Name of our Living Lord. Amen.

## SENATE BILLS VETOED BY THE GOVERNOR

**S.B. 724** (seven hundred twenty-four) was returned by the Governor with the following communication:

## COMMONWEALTH OF VIRGINIA

Office of the Governor

March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 724, which prohibits the Board of Education from replacing the Standards of Learning with the Common Core State Standards.

The Commonwealth led the nation nearly two decades ago in the development of statewide educational standards. Virginia's education system is one of the best in the world because of this innovative work. Currently, our state standards meet or exceed the rigor of the Common Core State Standards, while maintaining our independence.

In June of 2010, the Board of Education echoed this sentiment by unanimously adopting a statement in support of the Standards of Learning and voicing opposition to the Common Core State Standards.

Virginia's institutions and leaders have made it abundantly clear that adopting the Common Core State Standards would be a step backwards. Clear, rigorous, and trusted standards are necessary to ensure that Virginia's students will be prepared to compete in the 21<sup>st</sup> century. We are also continuing to improve our accountability system through the work of the SOL Innovation Committee.

However, while I remain opposed to adopting the Common Core State Standards, I am equally opposed to infringing on the Board's authority by adopting unnecessary legislation which establishes rules upon which we have already agreed.

Given that neither I nor the Board of Education have any intention of replacing the Standards of Learning with the Common Core State Standards, Senate Bill 724 is unnecessary.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

**S.B. 948** (nine hundred forty-eight) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 948, which would prohibit the Virginia State Police from sharing information regarding an individual's concealed handgun permit status with another state's law enforcement agencies if that state does not have a reciprocity agreement with Virginia.

Information sharing is the cornerstone of public safety, and it is essential to our law enforcement officers' ability to perform their responsibilities safely and efficiently. Criminals are very mobile, and it is only through information sharing that police are able to identify cross-jurisdictional crimes and their perpetrators. Law enforcement agencies must share complete data to be effective. Otherwise agencies work independently in silos, crimes go unsolved, and criminals remain free.

The sharing of concealed handgun permit information between law enforcement agencies provides officers advanced information concerning whether an individual may be armed. This information is imperative and potentially life-saving. Law enforcement officers face dangerous situations on a daily basis, and they must have the tools and information necessary to accurately assess situations and minimize potential dangers.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

**S.B. 986** (nine hundred eighty-six) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

March 26, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 986, which proposes to change district assignments of two census precincts in Louisa County.

Legally, there is some question of the bill's constitutionality. According to Article II Section 6 of the Virginia Constitution, "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." Proponents of the bill would argue that this language directs the General Assembly to redistrict every ten years, but contains no limitations on the power of the legislature to redistrict in other years. However, in the case of *Little et al v. Virginia State Board of Elections*, the Richmond Circuit Court interpreted this language to "limit the General Assembly's authority to reapportion Virginia's electoral districts after the year 2011" (page 15). This finding by the Court raises serious concerns about the bill's constitutionality and increases the risks of costly and time-consuming litigation.

Furthermore, this bill sets a terrible precedent. Allowing the legislature to make substantive changes to electoral districts more frequently than once a decade injects further partisanship into a process that I regard as already too partisan. Annual legislative arguments over redistricting and gerrymandering distract the Commonwealth from the serious challenges we face, as well as undermine the trust of our citizens in their government.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

**S.B. 986**, on motion of Senator Garrett, was passed by for the day.

**S.B. 1059** (one thousand fifty-nine) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1059, which would needlessly impose harmful restrictions on the ability of the Commonwealth to secure specialized legal services and prosecute its cases.

The cases in which the Office of the Attorney General is involved are varied in both scale and complexity. In today's legal environment, specialization is often required to represent the people of Virginia in a broad spectrum of cases. The engagement of outside counsel in complex, large, or specialized legal matters can help ensure that Virginians' rights and interests are vigorously advanced in court. This bill would unnecessarily hamstring the Attorney General from securing the quality of legal assistance he may, on occasion, need to advance those rights and interests. Further, the bill would interfere with the Office of the Attorney General's ability to secure sufficient representation for certain employees of the Commonwealth, including law enforcement.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

**S.B. 1084** (one thousand eighty-four) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

March 26, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1084, which proposes to change district assignments of certain Loudoun County census blocks between Senate Districts 13 and 33 and House of Delegates Districts 10, 32, 33, 67 and 87.

Legally, there is some question of the bill's constitutionality. COMMONWEALTH OF VIRGINIA

Office of the Governor

March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1137, which would allow a concealed handgun permit holder to have a loaded shotgun or rifle in their vehicle on a public highway in a locality that prohibits transportation of a loaded shotgun or rifle.

This legislation ignores long-established firearm safety procedures and could endanger law enforcement officers in the line of duty. In 2006, a State Trooper was killed while responding to a vehicle crash. As the crashed vehicle was being loaded on a wrecker, the loaded rifle discharged killing the trooper. No one at the crash scene knew that the loaded rifle was in the vehicle.

Additionally, there is no relationship between being a valid concealed handgun permit holder and transporting a loaded shotgun or rifle. Concealed handgun permit holders have no required training regarding shotguns or rifles. Therefore, no logical nexus exists to confer on a concealed handgun permit holder a new shotgun or rifle benefit that supersedes local restrictions.

Protecting law enforcement officers and upholding local firearms safety requirements far outweigh any minor conveniences sought by this legislation.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

**S.B. 1137**, on motion of Senator Garrett, was passed by for the day.

**S.B. 1237** (one thousand two hundred thirty-seven) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

March 26, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1237, which proposes to change district assignments of census blocks in Albemarle County between Districts 17 and 25.

Legally, there is some question of the bill's constitutionality. According to Article II Section 6 of the Virginia Constitution, "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." Proponents of the bill would argue that this language directs the General Assembly to redistrict every ten years, but contains no limitations on the power of the legislature to redistrict in other years. However, in the case of *Little et al v. Virginia State Board of Elections*, the Richmond Circuit Court interpreted this language to "limit the General Assembly's authority to reapportion Virginia's electoral districts after the year 2011" (page 15). This finding by the Court raises serious concerns about the bill's constitutionality and increases the risks of costly and time-consuming litigation.

Furthermore, this bill sets a terrible precedent. Allowing the legislature to make substantive changes to electoral districts more frequently than once a decade injects further partisanship into a process that I regard as already too partisan. Annual legislative arguments over redistricting and gerrymandering distract the Commonwealth from the serious challenges we face, as well as undermine the trust of our citizens in their government.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

#### HOUSE BILLS VETOED BY THE GOVERNOR

**H.B. 1332** (one thousand three hundred thirty-two), on motion of Senator Vogel, was passed by temporarily.

**H.B. 1417** (one thousand four hundred seventeen) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

March 26, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1417, which proposes to make technical changes to House of Delegates Districts 7, 8, and 12 in Montgomery County.

Legally, there is some question of the bill's constitutionality. According to Article II Section 6 of the Virginia Constitution, "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." Proponents of the bill would argue that this language directs the General Assembly to redistrict every ten years, but contains no limitations on the power of the legislature to redistrict in other years. **H.B. 1608** (one thousand six hundred eight) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1608, which would prohibit a local government from requiring that their contractors have a wage floor or other benefit above what is required by state law.

In recent years, several local governments have required contractors to pay certain wage levels in contracts with localities. These initiatives have provided access to qualified, high-skilled workers and contractors and successfully addressed significant cost of living and workforce disparities in these localities.

The ability of other local governments to make this choice should be supported, not limited. Decisions regarding municipal contracts should be made by local leaders who fully understand local needs, and the profile of the available workforce, not by members of the General Assembly.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

COMMONWEALTH OF VIRGINIA

March 26, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1699, which proposes to change district assignments of two census blocks between Districts 25 and 26 in Rockingham County.

Legally, there is some question of the bill's constitutionality. According to Article II Section 6 of the Virginia Constitution, "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." **H.B. 1752** (one thousand seven hundred fifty-two) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1752, which prohibits the Board of Education from replacing the Standards of Learning with the Common Core State Standards.

The Commonwealth led the nation nearly two decades ago in the development of statewide educational standards. Virginia's education system is one of the best in the world because of this innovative work. Currently, our state standards meet or exceed the rigor of the Common Core State Standards, while maintaining our independence.

In June of 2010, the Board of Education echoed this sentiment by unanimously adopting a statement in support of the Standards of Learning and voicing opposition to the Common Core State Standards.

Virginia's institutions and leaders have made it abundantly clear that adopting the Common Core State Standards would be a step backwards. Clear, rigorous, and trusted standards are necessary to ensure that Virginia's students will be prepared to compete in the 21<sup>st</sup> century. We are also continuing to improve our accountability system through the work of the SOL Innovation Committee.

However, while I remain opposed to adopting the Common Core State Standards, I am equally opposed to infringing on the Board's authority by adopting unnecessary legislation which establishes rules upon which we have already agreed.

Given that neither I nor the Board of Education have any intention of replacing the Standards of Learning with the Common Core State Standards, House Bill 1752 is unnecessary.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

**H.B. 2009** (two thousand nine) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2009, which would compel a chief law enforcement officer to provide a certification for the transfer of a machine gun into his locality. Further, House Bill 2009 would create a process to circumvent the chief law enforcement officer if he does not provide a certification within 60 days.

Under federal law an individual must receive a determination of lawful eligibility at the federal and state level to register to possess a machine gun. Current law allows for the chief law enforcement officer's discretion in making these determinations. A chief law enforcement officer should not be mandated to approve the transfer of machine guns into his community.

Virginia families and communities are safer with fewer machine guns. I see no compelling reason to circumvent the current process and force machine gun certifications on local law enforcement officials.

Accordingly, I veto this bill.

Sincerely,

**H.B. 2395** (two thousand three hundred ninety-five) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2395 which prohibits a state agency from requiring a bidder, contractor or subcontractor from performing services at rates based on prevailing wages and benefits.

Virginia does not have a statewide prevailing wage law. Accordingly, this bill would have no impact on state funded procurement projects. Additionally, any project funded in whole or in part by federal dollars must adhere to the Davis-Bacon Act, including its federal prevailing wage provisions.

Projects and employers who adhere to prevailing wage standards improve the lives of working families, local economies and their communities. This legislation attempts to lower wages and impedes future labor agreements. Virginia's efforts should be focused on increasing wages, thus improving the lives of our citizens, rather than placing artificial restrictions on their future growth.

Accordingly, I veto this bill.

Sincerely,

The Reverend Matthew D. Bates, Centenary United Methodist Church, Richmond, Virginia, offered the following prayer:

Almighty and all-compassionate God, we pause in these moments to humble ourselves before You. We acknowledge You as the creator and source of life and its many blessings. Whatever differences we may have of background, social standing, personal history, or political philosophy, we acknowledge that we share a connection to the One who creates, guides, and seeks to bless us all. In the midst of the important discussions and deliberations of this body, let us never forget what we share in common.

You have blessed this Commonwealth with a rich history, gifted leaders past and present, natural beauty, and bountiful resources. Let us use these gifts for the good of all. Make us wise and careful stewards of these blessings.

We pray for all the citizens of this Commonwealth. Bless them all with a sense of purpose and dignity. Be with our sisters and brothers who have plenty. Fill them with gratitude for their blessings and use them to bless others. Bless and keep those who are homeless, sick, hungry, in prison, or without hope or consolation in the midst of a time of trial.

Now, we thank You for these servants who offer themselves to serve the common good of the citizens of Virginia. Bless them in their labors. Grant them clarity of thought, purity of intention and transparency in their actions. Bless the discussions of this hour. Let the members of this body find ways to model virtue in their work on behalf of those they serve, that we all might be inspired to speak, act, and live in ways that promote the health of this great Commonwealth, now and in the days to come. Amen.

**SENATE BILLS VETOED BY GOVERNOR  
SUBSEQUENT TO ADJOURNMENT SINE DIE**

**S.B. 965** (nine hundred sixty-five), subsequent to adjournment sine die of the Reconvened Session of the 2015 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

April 30, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 965, which would significantly restrict the use of License Plate Readers (LPRs) and lead to many unintended consequences affecting public safety, transportation and the efficient conduct of business in the Commonwealth.

Despite their proven success in locating stolen vehicles, identifying drivers involved in hit-and-run accidents, locating missing children and enhancing overall public safety, this bill would drastically limit the use of LPRs by law enforcement agencies. In order to use a LPR without a warrant under this legislation, agencies must prove the LPR is being used for a “known relevance” data collected that is intended for prompt evaluation and there is suspected criminal or terrorist activity. This provision is extremely narrow and could impede day-to-day operations.

This bill also sets a strict, seven day retention period for all data collected by LPRs. Many localities in Virginia retain this data for 60 days to two years. Seven days is a substantial reduction. Additionally, law enforcement agencies demonstrate that crimes are often not reported until several weeks later. Under this bill, essential data would not be available at the time of those reports. This is particularly concerning when considering implications for the National Capitol Region, where cross-state collaboration and information-sharing are essential to responding to potential criminal or terrorist activity occurring near Virginia’s borders.

Furthermore, defining vehicle license plate numbers as “personal information” could dramatically impact state and local agency operations and create public confusion. State law requires that license plates be attached to the front and rear of every vehicle, and license plates must be clearly visible and legible.

This new definition of personal information would likely prevent the live Internet transmission of video from VDOT’s traffic cameras as a violation of the state’s Government Data Collection and Dissemination Act.

The bill could potentially cripple the use of innovative, electronically-managed tolling lanes that improve the quality of life for Virginians by reducing commute times and expediting the tolling process. These projects use cameras that record license plate numbers for billing purposes, saving travelers the time they would spend waiting in line at a toll booth. The billing mechanism could be in violation of this legislation, eliminating the use of these time-saving travel options.

It would be unwise for me to sign legislation that could limit the tools available for legitimate law enforcement purposes and negatively impact public safety, or derail major transportation projects and jeopardize time-saving technologies that are essential to our economy, our citizens, tourism and the efficient conduct of business.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

**S.B. 1066** (one thousand sixty-six), subsequent to adjournment sine die of the Reconvened Session of the 2015 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

April 30, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1066, which prohibits holding a special election to fill a congressional vacancy from being held on the same day as the general election at which that office is regularly scheduled to be filled.

As written, the bill appears to create a potential conflict with Virginia Code §24.2-228.1 that requires the court to issue a writ for a special election on a general election date for certain constitutional office vacancies. While §24.2-228.1 requires a special election to be held on the same date as a general election, the new provisions of §24.2-682, as contemplated in Senate Bill 1066, would prohibit the court from ordering a special election on the same day as a general election.

I cannot, in good conscience, sign a bill that would create the aforementioned conflict with §24.2-228.1.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

**S.B. 1161** (one thousand one hundred sixty-one), subsequent to adjournment sine die of the Reconvened Session of the 2015 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

April 30, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1161, which would extend both the ability to claim and to allocate the coal employment and production incentive tax credit and the allowance of the coalfield employment enhancement tax credit by two years without any meaningful reform.

In January 2012, the Joint Legislative Audit and Review Commission (“JLARC”) published its final report, *Review of the Effectiveness of Virginia Tax Preferences*, Senate Document No. 4. In JLARC’s report, it found that tax preferences collectively reduced annual taxpayers’ liability by approximately \$12.5 billion. It also found that the effectiveness of tax preferences designed to promote specific activities appeared to be mixed. The purpose of these two tax credits was to slow the decline of coal production and employment. Due to both coal production and coal employment declining at the same or even faster rates than predicted had the credits not been enacted, JLARC’s report concluded that the economic activity had not moved in the desired direction and that the credits had not achieved their goal.

Specifically, from 1988 until 2014, coal mine operators, electricity generators and other coal-related companies have claimed over \$573 million in tax credits. However during the same period, the number of coal miners in Virginia has declined from 11,106 to 3,600. The extension of these tax credits without meaningful reform is inconsistent with these findings.

Each day, I work tirelessly to build a new Virginia economy and ensure that Virginia is the number one place in which to do business. In order to attract new jobs, I must assure business leaders that Virginia has both fair tax policies and is the best choice for employees and their families. The effective and efficient use of revenues raised by these tax policies is an essential part of that assurance. Given the findings of the JLARC study and the lack of meaningful reform in the face of these findings, I believe it is unwise for me to sign this legislation.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

**S.B. 1350** (one thousand three hundred fifty), subsequent to adjournment sine die of the Reconvened Session of the 2015 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

April 30, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1350, which requires general registrars to cancel the registration of any voter for whom the registrar receives notice that the voter has moved from the Commonwealth in accordance with the Driver License Compact at § 46.2-483 et seq. of the Code of Virginia.

As written, the bill is not compliant with the National Voter Registration Act (NVRA) requirements related to list maintenance because it requires the immediate removal of Virginia voters from registration lists prior to sufficient notice to the voter. On March 27, 2015, I recommended line amendments to this bill for the purpose of giving general registrars the ability to comply with the NVRA and state law. These amendments were rejected putting Virginia law in conflict with federal statute.

I am committed to protecting the voting rights of all eligible Virginians. Therefore, it would be imprudent for me to sign legislation that may unduly impede the rights of Virginia citizens to vote.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe
