CHAPTER 1

An Act to amend the Code of Virginia by adding in Title 59.1 a chapter numbered 22.12, consisting of a section numbered 59.1-284.31, relating to Major Headquarters Workforce Grant Fund.

[S 1255]

Approved February 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Title 59.1 a chapter numbered 22.12, consisting of a section numbered 59.1-284.31, as follows:

CHAPTER 22.12.

MAJOR HEADQUARTERS WORKFORCE GRANT FUND.

§ 59.1-284.31. Major Headquarters Workforce Grant Fund.

A. As used in this chapter, unless the context requires a different meaning:

"Affiliate" means an entity that directly or indirectly through one or more intermediaries controls, is controlled by, or is under common control with a qualified company.

"Capital investment" means an investment by or on behalf of a qualified company on or after November 1, 2018, in real property, tangible personal property, or both, at a facility that is properly chargeable to a capital account or would be so chargeable with a proper election. "Capital investment" may include (i) a capital expenditure related to a leasehold interest in a property; (ii) the purchase or lease of furniture, fixtures, machinery, and equipment, including under an operating lease; and (iii) building up-fit and tenant improvements made by or on behalf of a qualified company.

"Eligible county" means Arlington County.

"Facility" means the building, group of buildings, or corporate campus located in the eligible county, including any related machinery, furniture, fixtures, and equipment, that is owned, leased, licensed, occupied, or otherwise operated by a qualified company as a major headquarters facility for use in the administration, management, and operation of its business.

"Fund" means the Major Headquarters Workforce Grant Fund.

"Grant" means a grant from the Fund awarded to a qualified company in an amount of \$22,000 per new full-time job for the first 25,000 new full-time jobs, for a maximum aggregate amount of \$550 million, and \$15,564 per new full-time job for up to 12,850 additional new full-time jobs, for an additional maximum aggregate amount of \$200 million, as calculated in accordance with the memorandum of understanding. The grant is intended to pay or to reimburse the qualified company for the costs of workforce development, workforce recruitment, and workforce instruction or training. The qualified company may use the proceeds of the grant for any lawful purpose, including but not limited to those outlined in subsection D of § 2.2-115.

"Memorandum of understanding" means the memorandum of understanding entered into on or about November 12, 2018, among a qualified company, the Commonwealth, and the Virginia Economic Development Partnership Authority that sets forth the requirements for the creation of new full-time jobs for the qualified company to be eligible for grant payments from the Fund. The memorandum of understanding shall contain criteria for the average annual wages for the new full-time jobs to qualify for a grant payment, starting at \$150,000 for calendar year 2019 and escalating at 1.5 percent per year.

"New full-time job" means a position in which employees of a qualified company are principally located at the facility and are expected to work a minimum of either (i) 35 hours of an employee's time per week for the entire normal year of the employer's operations, which "normal year" must consist of at least 48 weeks, or (ii) 1,680 hours per year. Seasonal or temporary positions shall not qualify as new full-time jobs. A position created when a job function is shifted from an existing location in the Commonwealth shall qualify as a new full-time job if the qualified company certifies that it has hired a new employee to fill substantially the same job at the existing location as that held by the transferred position.

"Qualified company" means a company, including its affiliates, that between November 1, 2018, and December 31, 2038, is expected to (i) make or cause to be made a capital investment at a facility of at least \$2 billion, (ii) create at least 25,000 new full-time jobs, and (iii) potentially create an additional 12,850 jobs.

"Secretary" means the Secretary of Commerce and Trade or his designee.

B. There is hereby created in the state treasury a special nonreverting fund to be known as the Major Headquarters Workforce Grant Fund. The Fund shall be established on the books of the Comptroller. All funds appropriated for such

Fund shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purpose of making grant payments pursuant to this chapter. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller pursuant to subsection F.

C. A qualified company shall be eligible to receive grant payments for each fiscal year beginning with the Commonwealth's fiscal year starting on July 1, 2023, and ending with the Commonwealth's fiscal year starting on July 1, 2042. The grant payments under this section shall be paid to the qualified company from the Fund, subject to appropriation by the General Assembly, during each such fiscal year, contingent upon the qualified company meeting the requirements for receiving grant payments set forth in the memorandum of understanding.

D. For the first 25,000 new full-time jobs, the aggregate amount of grant payments payable under this chapter shall not exceed \$550 million and shall be calculated in accordance with the memorandum of understanding. For the next 12,850 new full-time jobs, the aggregate amount of grant payments payable under this chapter shall not exceed \$200 million and shall be calculated in accordance with the memorandum of understanding. The memorandum of understanding shall contain criteria for the average annual wages paid for the new full-time jobs to qualify for a grant payment, and contain other criteria for a new full-time job to qualify for a grant payment. The memorandum of understanding shall contain restrictions on the maximum aggregate amount of grant payments that may be paid to the qualified company through any fiscal year as follows:

*\$200 million through fiscal year 2024;
\$300 million through fiscal year 2025;
\$350 million through fiscal year 2026;
\$400 million through fiscal year 2027;
\$450 million through fiscal year 2028;
\$500 million through fiscal year 2029;
\$550 million through fiscal year 2030;
\$600 million through fiscal year 2031;
\$650 million through fiscal year 2032;
\$700 million through fiscal year 2033; and
\$750 million through fiscal year 2034 and later fiscal years.*

E. A qualified company applying for a grant payment pursuant to this chapter shall provide evidence, satisfactory to the Secretary, of (i) the aggregate number of new full-time jobs created and maintained as of the last day of the calendar year that immediately precedes the date of the application and (ii) the average annual wage paid for those new full-time jobs. Similar evidence shall be provided each year until the new full-time jobs become new full-time jobs that qualify for a grant payment. The application and evidence shall be filed with the Secretary in person, by mail, or as otherwise agreed upon in the memorandum of understanding, by no later than April 1 of each year following the end of the calendar year upon which the evidence set forth is based. Failure to meet the filing deadline shall result in a deferral of a scheduled grant payment. For filings by mail, the postmark cancellation shall govern the date of the filing determination.

F. Within 60 days of receiving the application and evidence pursuant to subsection E, the Secretary shall certify to the Comptroller and the qualified company the verification of the information contained in the application and the resulting amount of the grant payments to which the qualified company may be entitled for payment. Such grant payments shall be made by check or electronic payment issued by the State Treasurer on warrant of the Comptroller in the Commonwealth's fourth or later fiscal year following the submission of such application, as provided in the memorandum of understanding. The Comptroller shall not draw any warrants to issue checks or electronic payments for grant payments under this chapter without a specific appropriation for the same.

G. As a condition for the receipt of a grant payment, a qualified company shall make available for inspection to the Secretary, upon request, all documents relevant and applicable to determining whether the qualified company has met the requirements for the receipt of a grant payment as set forth in this chapter and subject to the memorandum of understanding.

With respect to any such petition filed by a petitioner ~~held whose detention originated~~ under criminal process, and subject to the provisions of subsection C of this section and of § 17.1-310, only the circuit court ~~which that~~ entered the original judgment ~~or order of conviction or convictions resulting in the detention~~ complained of in the petition shall have authority to issue writs of habeas corpus. If a district court entered the original judgment ~~or order of conviction or convictions resulting in the detention~~ complained of in the petition, only the circuit court for the city or county wherein the district court sits shall have authority to issue writs of habeas corpus. Hearings on such petition, where granted in the circuit court, may be held at any circuit court within the same circuit as the circuit court in which the petition was filed, as designated by the judge thereof.

2. Such petition shall contain all allegations the facts of which are known to petitioner at the time of filing and such petition shall enumerate all previous applications and their disposition. No writ shall be granted on the basis of any allegation the facts of which petitioner had knowledge at the time of filing any previous petition. The provisions of this section shall not apply to a petitioner's first petition for a writ of habeas corpus when the sole allegation of such petition is that the petitioner was deprived of the right to pursue an appeal from a final judgment of conviction or probation revocation, except that such petition shall contain all facts pertinent to the denial of appeal that are known to the petitioner at the time of the filing, and such petition shall certify that the petitioner has filed no prior habeas corpus petitions attacking the conviction or probation revocation.

3. Such petition may allege detention without lawful authority through challenge to a conviction, although the sentence imposed for such conviction is suspended or is to be served subsequently to the sentence currently being served by petitioner.

4. In the event the allegations of illegality of the petitioner's detention can be fully determined on the basis of recorded matters, the court may make its determination whether such writ should issue on the basis of the record.

5. The court shall give findings of fact and conclusions of law following a determination on the record or after hearing, to be made a part of the record and transcribed.

6. If petitioner alleges as a ground for illegality of his detention the inadequacy of counsel, he shall be deemed to waive his privilege with respect to communications between such counsel and himself to the extent necessary to permit a full and fair hearing for the alleged ground.

C. 1. With respect to any such petition filed by a petitioner held under the sentence of death, and subject to the provisions of this subsection, the Supreme Court shall have exclusive jurisdiction to consider and award writs of habeas corpus. The circuit court which entered the judgment order setting the sentence of death shall have authority to conduct an evidentiary hearing on such a petition only if directed to do so by order of the Supreme Court.

2. Hearings conducted in a circuit court pursuant to an order issued under the provisions of subdivision 1 of this subsection shall be limited in subject matter to the issues enumerated in the order.

3. The circuit court shall conduct such a hearing within 90 days after the order of the Supreme Court has been received and shall report its findings of fact and recommend conclusions of law to the Supreme Court within 60 days after the conclusion of the hearing. Any objection to the report of the circuit court must be filed in the Supreme Court within 30 days after the report is filed.

§ 8.01-658. When and from whom response required; dismissal of habeas petition without prejudice.

A. ~~The writ shall be served on the person to whom it is directed or, in his absence from the place where the petitioner is confined,~~ *Except as may be provided in the Rules of Supreme Court of Virginia, no response to a petition for a writ of habeas corpus shall be required except upon an order of the court, directed to the person in whose custody the petitioner is detained or on the person having the immediate or potential custody of him, and made returnable as soon as may be before the court ordering the same.*

B. *When the petition challenges a criminal conviction or sentence:*

1. If the petitioner is in jail, prison, or other actual physical restraint due to the conviction or sentence he is attacking, the named respondent shall be (i) the Director of the Department of Corrections or the warden or superintendent of the state correctional facility where the petitioner is detained if the ~~sentence is one year or more~~ *petitioner has been committed to, or is subject to transfer to, the Department of Corrections* or (ii) the sheriff or superintendent of a local or regional jail facility if the ~~petitioner's sentence is less than one year~~ *will be served in such local or regional jail facility.*

2. If the petitioner is on probation or parole due to the conviction or sentence he is attacking, the named respondent shall be the probation or parole officer responsible for supervising the applicant or the official in charge of the parole or probation agency.

3. If a petitioner has a suspended sentence and is not under supervision by a probation or parole officer, the respondent shall be (i) the local sheriff if the judgment of conviction the petitioner challenges has a suspended sentence of less than one year or (ii) the Director of the Department of Corrections if the judgment of conviction the petitioner challenges has a suspended sentence of one year or more.

~~B. C.~~ The petitioner shall name a proper party respondent, and if he fails to do so, the court ~~shall~~ may allow amendment of the petition. If the petitioner fails to amend the petition by naming a proper party respondent in the time provided by the court, the court in which the petition is filed shall dismiss the habeas petition without prejudice.

D. If the court in which the petition was filed determines that the petitioner's allegations present a case for the determination of unrecorded matters of fact relating to a previous judicial proceeding in any circuit court, the court may transfer the petition to the circuit court in which such judicial proceeding occurred, or if the petition was filed in the Supreme Court, the Court may require the circuit court in which such judicial proceeding occurred to conduct an evidentiary hearing, in accordance with such procedures as may be set forth in the Rules of Supreme Court of Virginia.

§ 8.01-662. Judgment of court or judge trying it; payment of costs and expenses when petition denied.

After hearing the matter both upon the ~~return~~ response and any other evidence, the court ~~before whom the petitioner is brought~~ shall either discharge or remand ~~him~~ the petitioner, grant him any other relief to which he is entitled, or admit him to bail and adjudge the cost of the proceeding, including the charge for transporting the prisoner:

~~Provided, provided,~~ however, that if the petition is denied, the costs and expenses of the proceeding and the ~~attorney's~~ attorney fees of any attorney appointed to represent the petitioner shall be assessed against the petitioner. If such cost, expenses, and fees are collected, they shall be paid to the Commonwealth.

When relief is granted upon a petition for a writ of habeas corpus, the order granting relief on the writ shall be served on the respondent and the petitioner. Service may, in the court's discretion, be accomplished by personal service or by transmitting a certified copy of the order to the parties via regular or certified mail, a third-party commercial carrier, or electronic delivery.

2. That §§ 8.01-656, 8.01-657, and 8.01-659 of the Code of Virginia are repealed.

1. That the Code of Virginia is amended by adding a section numbered 8.01-420.4:1 as follows:

§ 8.01-420.4:1. Taking of depositions; corporate officers.

A. For the purposes of this section, "officer" means the president, chief executive officer, chief operating officer, or chief financial officer of a publicly traded company or of a subsidiary of such company that employs 250 or more people.

B. In any action in which an officer's publicly traded company is a party, if a party issues a witness subpoena for the deposition of an officer prior to taking the deposition of a corporate representative pursuant to Supreme Court Rule 4:5(b)(6), and the officer, or company on the officer's behalf, files a motion for a protective order asserting that the discovery sought is obtainable from some other source that is more convenient, less burdensome, or less expensive, in order to defeat such motion for a protective order, the burden is on the party seeking the deposition to show that (i) the officer's deposition is reasonably calculated to lead to the discovery of admissible evidence, (ii) the officer may have personal knowledge of discoverable information that cannot reasonably be discovered through other means, and (iii) a deposition of a representative other than the officer or other methods of discovery are unsatisfactory, insufficient, or inadequate.

C. A motion for a protective order filed pursuant to subsection B shall include one or more proposed corporate employees available to be deposed instead of the officer, along with a description of the employee's role in the corporation, his knowledge relevant to the subject matter of the litigation, and the source of such knowledge, provided that the party opposing the motion has stated with reasonable particularity the matters on which the officer's examination is requested.

D. If a protective order is issued and the party seeking the deposition subsequently learns that the requirements set forth in subsection B can be met, then the party seeking the deposition may file for modification or lifting of the protective order.

2. That the provisions of § 8.01-420.4:1 of the Code of Virginia, as created by this act, apply to a subpoena issued pursuant to the Uniform Interstate Depositions and Discovery Act (§ 8.01-412.8 et seq. of the Code of Virginia) consistent with the provisions of subsection E of § 8.01-412.10 of the Code of Virginia.

A. Except as provided in ~~subsection~~ *subsections B and C*, no motion for summary judgment or to strike the evidence shall be sustained when based in whole or in part upon any discovery depositions under Rule 4:5, unless all parties to the suit or action shall agree that such deposition may be so used. Notwithstanding the foregoing, requests for admissions for which the responses are submitted in support of a motion for summary judgment may be based in whole or in part upon any discovery depositions under Rule 4:5 and may include admitted facts learned or referenced in such a deposition, provided that any such request for admission shall not reference the deposition or require the party to admit that the deponent gave specific testimony.

B. Notwithstanding the provisions of subsection A, a motion for summary judgment seeking dismissal of any claim or demand for punitive damages may be sustained, as to the punitive damages claim or demand only, when based in whole or in part upon any discovery depositions under Rule 4:5. However, such a motion may not be based upon discovery depositions under Rule 4:5 with respect to any claim or demand for punitive damages based on the operation of a motor vehicle by a person while under the influence of alcohol, any narcotic drug, or any other self-administered intoxicant or drug.

C. *Notwithstanding the provisions of subsection A, discovery depositions under Rule 4:5 and affidavits may be used in support of or in opposition to a motion for summary judgment in any action when the only parties to the action are business entities and the amount at issue is \$50,000 or more.*

[H 2287]

§ 55-57. Form of a lease.

A ~~deed of~~ lease may be made in the following form, or to the same effect: "This ~~deed lease~~, made the ____ day of _____, in the year _____, between (herein insert the names of parties), witnesseth: that the said _____ ~~doth~~ *does* (or do) demise unto the said _____, his personal representative and assigns, all (here describe the property) from the ____ day of _____, for the term of _____, thence ensuing, yielding therefor during the said term the rent of (here state the rent and mode of payment). B. The recordation of a ~~deed~~ of lease for a term of years, or assignment of the lessee's interest therein, or memorandum thereof, shall be taxed according to the provisions of this section, unless provided otherwise in § 58.1-809 or unless the annual rental, multiplied by the term for which the lease runs, or remainder thereof, equals or exceeds the actual value of the property leased. In such cases the tax for recording the ~~deed~~ of lease shall be based upon the actual value of the property at the date of lease, including the value of any realty required by the terms of the lease to be constructed thereon by the lessor.

C. The recordation of an assignment of the lessor's interest in a lease, or memorandum thereof, shall be taxed according to the provisions of this section, unless the assignment of the lessor's interest in the lease is to provide additional security for an obligation of the lessor on which the tax has been previously paid, or the assignment of the lessor's interest is made to the person who owns the property which is subject to the lease. [H 1953]

Approved February 13, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 63.2-1526 of the Code of Virginia is amended and reenacted as follows:

§ 63.2-1526. Appeals of certain actions of local departments.

A. A person who is suspected of or is found to have committed abuse or neglect may, within ~~thirty~~ 30 days of being notified of that determination, request the local department rendering such determination to amend the determination and the local department's related records. Upon written request, the local department shall provide the appellant all information used in making its determination. Disclosure of the reporter's name or information which may endanger the well-being of a child shall not be released. The identity of a collateral witness or any other person shall not be released if disclosure may endanger his life or safety. Information prohibited from being disclosed by state or federal law or regulation shall not be released. The local department shall hold an informal conference or consultation where such person, who may be represented by counsel, shall be entitled to informally present testimony of witnesses, documents, factual data, arguments or other submissions of proof to the local department. With the exception of the local director, no person whose regular duties include substantial involvement with child abuse and neglect cases shall preside over the informal conference. If the local department refuses the request for amendment or fails to act within ~~forty-five~~ 45 days after receiving such request, the person may, within ~~thirty~~ 30 days thereafter, petition the Commissioner, who shall grant a hearing to determine whether it appears, by a preponderance of the evidence, that the determination or record contains information which is irrelevant or inaccurate regarding the commission of abuse or neglect by the person who is the subject of the determination or record and therefore shall be amended. A person who is the subject of a report who requests an amendment to the record, as provided above, has the right to obtain an extension for an additional specified period of up to ~~sixty~~ 60 days by requesting in writing

that the ~~forty-five~~ 45 days in which the local department must act be extended. The extension period, which may be up to ~~sixty~~ 60 days, shall begin at the end of the ~~forty-five~~ 45 days in which the local department must act. When there is an extension period, the ~~thirty-day~~ 30-day period to request an administrative hearing shall begin on the termination of the extension period.

B. The Commissioner shall designate and authorize one or more members of his staff to conduct such hearings. The decision of any staff member so designated and authorized shall have the same force and effect as if the Commissioner had made the decision. The hearing officer shall have the authority to issue subpoenas for the production of documents and the appearance of witnesses. The hearing officer is authorized to determine the number of depositions that will be allowed and to administer oaths or affirmations to all parties and witnesses who plan to testify at the hearing. The Board shall adopt regulations necessary for the conduct of such hearings. Such regulations shall include provisions stating that the person who is the subject of the report has the right (i) to submit oral or written testimony or documents in support of himself and (ii) to be informed of the procedure by which information will be made available or withheld from him. In case of any information withheld, such person shall be advised of the general nature of such information and the reasons, for reasons of privacy or otherwise, that it is being withheld. Upon giving reasonable notice, either party at his own expense may depose a nonparty and submit such deposition at the hearing pursuant to Board regulation. Upon good cause shown, after a party's written motion, the hearing officer may issue subpoenas for the production of documents or to compel the attendance of witnesses at the hearing, except that alleged child victims of the person and their siblings shall not be subpoenaed, deposed or required to testify. The person who is the subject of the report may be represented by counsel at the hearing. Upon petition, the court shall have the power to enforce any subpoena that is not complied with or to review any refusal to issue a subpoena. Such decisions may not be further appealed except as part of a final decision that is subject to judicial review. Such hearing officers are empowered to order the amendment of such determination or records as is required to make them accurate and consistent with the requirements of this chapter or the regulations adopted hereunder. If, after hearing the facts of the case, the hearing officer determines that the person who is the subject of the report has presented information that was not available to the local department at the time of the local conference and which if available may have resulted in a different determination by the local department, he may remand the case to the local department for reconsideration. The local department shall have ~~fourteen~~ 14 days in which to reconsider the case. If, at the expiration of ~~fourteen~~ 14 days, the local department fails to act or fails to amend the record to the satisfaction of the appellant, the case shall be returned to the hearing officer for a determination. If aggrieved by the decision of the hearing officer, such person may obtain further review of the decision in accordance with Article 5 (§ 2.2-4025 et seq.) of the Administrative Process Act (§ 2.2-4000 et seq.).

C. Whenever an appeal of the local department's finding is made and a criminal charge *or investigation* is also filed *or commenced* against the appellant for the same conduct involving the same victim as investigated by the local department, the appeal process shall automatically be stayed until the criminal prosecution in ~~circuit~~ the trial court is completed, *until the criminal investigation is closed, or, in the case of a criminal investigation that is not completed within 180 days of the appellant's request for an appeal of the local department's finding, for 180 days after the appellant's request for appeal.* During such stay, the appellant's right of access to the records of the local department regarding the matter being appealed shall also be stayed. Once the criminal prosecution in ~~circuit~~ the trial court has been completed, *the criminal investigation is closed, or, in the case of a criminal investigation that is not completed within 180 days of the appellant's request for an appeal of the local department's finding, 180 days have passed,* the local department shall advise the appellant in writing of his right to resume his appeal within the time frames provided by law and regulation.

However, when a defendant who has multiple charges arising from the same incident and who has been assessed a fixed fee for one of those charges is later convicted of another charge that arises from that same incident and that has a higher fixed fee, he shall be assessed the difference between the fixed fee earlier assessed and the higher fixed fee.

A defendant with charges which arise from separate incidents shall be taxed a fee for each incident even if the charges from the multiple incidents are disposed of in a single appearance or trial in absence.

Every registration, unless otherwise provided, shall be renewed annually on application by the owner and by payment of the fees required by law, the renewal to take effect on the first day of the month succeeding the date of expiration. Notwithstanding these limitations, the Commissioner may extend the validity period of an expiring registration if (i) the Department is unable to process an application for renewal due to circumstances beyond its control, and (ii) the extension has been authorized under a directive from the Governor. However, in no event shall the validity period be extended more than 90 days per occurrence of such conditions.

[H 1655]

Approved February 15, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 58.1-3219.5, 58.1-3219.9, and 58.1-3219.14 of the Code of Virginia are amended and reenacted as follows:

§ 58.1-3219.5. Exemption from taxes on property for disabled veterans.

A. Pursuant to subdivision (a) of Section 6-A of Article X of the Constitution of Virginia, and for tax years beginning on or after January 1, 2011, the General Assembly hereby exempts from taxation the real property, including the joint real property of husband and wife, of any veteran who has been rated by the U.S. Department of Veterans Affairs or its successor agency pursuant to federal law to have a 100 percent service-connected, permanent, and total disability, and who occupies the real property as his principal place of residence. If the veteran's disability rating occurs after January 1, 2011, and he has a qualified primary residence on the date of the rating, then the exemption for him under this section begins on the date of such rating. However, no county, city, or town shall be liable for any interest on any refund due to the veteran for taxes paid prior to the veteran's filing of the affidavit or written statement required by § 58.1-3219.6. If the qualified veteran acquires the property after January 1, 2011, then the exemption shall begin on the date of acquisition, and the previous owner may be entitled to a refund for a pro rata portion of real property taxes paid pursuant to § 58.1-3360.

B. The surviving spouse of a veteran eligible for the exemption set forth in this article shall also qualify for the exemption, so long as the death of the veteran occurs on or after January 1, 2011, ~~and the surviving spouse does not remarry; and the surviving spouse continues to occupy the real property as his. The exemption applies without any restriction on the spouse's moving to a different principal place of residence.~~

C. A county, city, or town shall provide for the exemption from real property taxes the qualifying dwelling pursuant to this section and shall provide for the exemption from real property taxes the land, not exceeding one acre, upon which it is situated. However, if a county, city, or town provides for an exemption from or deferral of real property taxes of more than one acre of land pursuant to Article 2 (§ 58.1-3210 et seq.), then the county, city, or town shall also provide an exemption for the same number of acres pursuant to this section. If the veteran owns a house that is his residence, including a manufactured home as defined in § 46.2-100 whether or not the wheels and other equipment previously used for mobility have been removed, such house or manufactured home shall be exempt even if the veteran does not own the land on which the house or manufactured home is located. If such land is not owned by the veteran, then the land is not exempt. A real property improvement other than a dwelling, including the land upon which such improvement is situated, made to such one acre or greater number of acres exempt from taxation pursuant to this subsection shall also be exempt from taxation so long

as the principal use of the improvement is (i) to house or cover motor vehicles or household goods and personal effects as classified in subdivision A 14 of § 58.1-3503 and as listed in § 58.1-3504 and (ii) for other than a business purpose.

D. For purposes of this exemption, real property of any veteran includes real property (i) held by a veteran alone or in conjunction with the veteran's spouse as tenant or tenants for life or joint lives, (ii) held in a revocable inter vivos trust over which the veteran or the veteran and his spouse hold the power of revocation, or (iii) held in an irrevocable trust under which a veteran alone or in conjunction with his spouse possesses a life estate or an estate for joint lives or enjoys a continuing right of use or support. The term does not include any interest held under a leasehold or term of years.

The exemption for a surviving spouse under subsection B includes real property (a) held by the veteran's spouse as tenant for life, (b) held in a revocable inter vivos trust over which the surviving spouse holds the power of revocation, or (c) held in an irrevocable trust under which the surviving spouse possesses a life estate or enjoys a continuing right of use or support. The exemption does not apply to any interest held under a leasehold or term of years.

E. 1. In the event that (i) a person is entitled to an exemption under this section by virtue of holding the property in any of the three ways set forth in subsection D and (ii) one or more other persons have an ownership interest in the property that permits them to occupy the property, then the tax exemption for the property that otherwise would have been provided shall be prorated by multiplying the amount of the exemption by a fraction that has as a numerator the number of people who are qualified for the exemption pursuant to this section and has as a denominator the total number of all people having an ownership interest that permits them to occupy the property.

2. In the event that the primary residence is jointly owned by two or more individuals, not all of whom qualify for the exemption pursuant to subsection A or B, and no person is entitled to the exemption under this section by virtue of holding the property in any of the three ways set forth in subsection D, then the exemption shall be prorated by multiplying the amount of the exemption by a fraction that has as a numerator the percentage of ownership interest in the dwelling held by all such joint owners who qualify for the exemption pursuant to subsections A and B, and as a denominator, 100 percent.

§ 58.1-3219.9. Exemption from taxes on property of surviving spouses of members of the armed forces killed in action.

A. Pursuant to subdivision (b) of Section 6-A of Article X of the Constitution of Virginia, and for tax years beginning on or after January 1, 2015, the General Assembly hereby exempts from taxation the real property described in subsection B of the surviving spouse (i) of any member of the armed forces of the United States who was killed in action as determined by the U.S. Department of Defense and (ii) who occupies the real property as his principal place of residence. For purposes of this section, such determination of "killed in action" includes a determination by the U.S. Department of Defense of "died of wounds received in action." If such member of the armed forces of the United States is killed in action after January 1, 2015, and the surviving spouse has a qualified principal residence on the date that such member of the armed forces is killed in action, then the exemption for the surviving spouse shall begin on the date that such member of the armed forces is killed in action. However, no county, city, or town shall be liable for any interest on any refund due to the surviving spouse for taxes paid prior to the surviving spouse's filing of the affidavit or written statement required by § 58.1-3219.10. If the surviving spouse acquires the property after January 1, 2015, then the exemption shall begin on the date of acquisition, and the previous owner may be entitled to a refund for a pro rata portion of real property taxes paid pursuant to § 58.1-3360.

B. Those dwellings in the locality with assessed values in the most recently ended tax year that are not in excess of the average assessed value for such year of a dwelling situated on property that is zoned as single family residential shall qualify for a total exemption from real property taxes under this article. If the value of a dwelling is in excess of the average assessed value as described in this subsection, then only that portion of the assessed value in excess of the average assessed value shall be subject to real property taxes, and the portion of the assessed value that is not in excess of the average assessed value shall be exempt from real property taxes. Single family homes, condominiums, town homes, manufactured homes as defined in § 46.2-100 whether or not the wheels and other equipment previously used for mobility have been removed, and other types of dwellings of surviving spouses, whether or not the land on which the single family home, condominium, town home, manufactured home, or other type of dwelling of a surviving spouse is located is owned by someone other than the surviving spouse, that (i) meet this requirement and (ii) are occupied by such persons as their principal place of residence shall qualify for the real property tax exemption. If the land on which the single family home, condominium, town home, manufactured home, or other type of dwelling is located is not owned by the surviving spouse, then the land is not exempt.

For purposes of determining whether a dwelling, or a portion of its value, is exempt from county and town real property taxes, the average assessed value shall be such average for all dwellings located within the county that are situated on property zoned as single family residential.

C. The surviving spouse of a member of the armed forces killed in action shall qualify for the exemption so long as the surviving spouse does not remarry ~~and continues to occupy the real property as his principal place of residence~~. The exemption applies without any restriction on the spouse's moving to a different principal place of residence.

D. A county, city, or town shall provide for the exemption from real property taxes (i) the qualifying dwelling, or the portion of the value of such dwelling and land that qualifies for the exemption pursuant to subsection B, and (ii) except land not owned by the surviving spouse, the land, not exceeding one acre, upon which it is situated. However, if a county, city, or town provides for an exemption from or deferral of real property taxes of more than one acre of land pursuant to Article 2 (§ 58.1-3210 et seq.), then the county, city, or town shall also provide an exemption for the same number of acres pursuant to this section. A real property improvement other than a dwelling, including the land upon which such improvement is

situated, made to such one acre or greater number of acres exempt from taxation pursuant to this subsection shall also be exempt from taxation so long as the principal use of the improvement is (i) to house or cover motor vehicles or household goods and personal effects as classified in subdivision A 14 of § 58.1-3503 and as listed in § 58.1-3504 and (ii) for other than a business purpose.

E. For purposes of this exemption, real property of any surviving spouse of a member of the armed forces killed in action includes real property (i) held by a surviving spouse as a tenant for life, (ii) held in a revocable inter vivos trust over which the surviving spouse holds the power of revocation, or (iii) held in an irrevocable trust under which the surviving spouse possesses a life estate or enjoys a continuing right of use or support. The term does not include any interest held under a leasehold or term of years.

F. 1. In the event that (i) a surviving spouse is entitled to an exemption under this section by virtue of holding the property in any of the three ways set forth in subsection E and (ii) one or more other persons have an ownership interest in the property that permits them to occupy the property, then the tax exemption for the property that otherwise would have been provided shall be prorated by multiplying the amount of the exemption by a fraction that has 1 as a numerator and has as a denominator the total number of all people having an ownership interest that permits them to occupy the property.

2. In the event that the principal residence is jointly owned by two or more individuals including the surviving spouse, and no person is entitled to the exemption under this section by virtue of holding the property in any of the three ways set forth in subsection E, then the exemption shall be prorated by multiplying the amount of the exemption by a fraction that has as a numerator the percentage of ownership interest in the dwelling held by the surviving spouse, and as a denominator, 100 percent.

§ 58.1-3219.14. Exemption from taxes on property of surviving spouses of certain persons killed in the line of duty.

A. Pursuant to Article X, Section 6-B of the Constitution of Virginia, for tax years beginning on or after January 1, 2017, any county, city, or town may exempt from taxation the real property described in subsection B of the surviving spouse of any covered person who occupies the real property as his principal place of residence. If the covered person's death occurred on or prior to January 1, 2017, and the surviving spouse has a principal residence on January 1, 2017, eligible for the exemption under this section, then the exemption for the surviving spouse shall begin on January 1, 2017. If the covered person's death occurs after January 1, 2017, and the surviving spouse has a principal residence eligible for the exemption under this section on the date that such covered person dies, then the exemption for the surviving spouse shall begin on the date that such covered person dies. If the surviving spouse acquires the property after January 1, 2017, then the exemption shall begin on the date of acquisition, and the previous owner may be entitled to a refund for a pro rata portion of real property taxes paid pursuant to § 58.1-3360. No county, city, or town shall be liable for any interest on any refund due to the surviving spouse for taxes paid prior to the surviving spouse's filing of the affidavit or written statement required by § 58.1-3219.15.

B. Those dwellings, in any locality that provides the exemption pursuant to this article, with assessed values in the most recently ended tax year that are not in excess of the average assessed value for such year of a dwelling situated on property that is zoned as single-family residential shall qualify for a total exemption from real property taxes under this article. If the value of a dwelling is in excess of the average assessed value as described in this subsection, then only that portion of the assessed value in excess of the average assessed value shall be subject to real property taxes, and the portion of the assessed value that is not in excess of the average assessed value shall be exempt from real property taxes. Single-family homes, condominiums, town homes, manufactured homes as defined in § 46.2-100 whether or not the wheels and other equipment previously used for mobility have been removed, and other types of dwellings of surviving spouses, whether or not the land on which the single-family home, condominium, town home, manufactured home, or other type of dwelling of a surviving spouse is located is owned by someone other than the surviving spouse, that (i) meet this requirement and (ii) are occupied by such persons as their principal place of residence shall qualify for the real property tax exemption. If the land on which the single-family home, condominium, town home, manufactured home, or other type of dwelling is located is not owned by the surviving spouse, then the land is not exempt.

For purposes of determining whether a dwelling, or a portion of its value, is exempt from county and town real property taxes, the average assessed value shall be such average for all dwellings located within the county that are situated on property zoned as single-family residential.

C. The surviving spouse shall qualify for the exemption so long as the surviving spouse does not remarry ~~and continues to occupy the real property as his principal place of residence~~. The exemption applies without any restriction on the spouse's moving to a different principal place of residence.

D. A county, city, or town shall provide for the exemption from real property taxes of (i) the qualifying dwelling, or that portion of the value of such dwelling and land that qualifies for the exemption pursuant to subsection B, and (ii) with the exception of land not owned by the surviving spouse, the land, not exceeding one acre, upon which it is situated. However, if a county, city, or town provides for an exemption from or deferral of real property taxes of more than one acre of land pursuant to Article 2 (§ 58.1-3210 et seq.), then the county, city, or town shall also provide an exemption for the same number of acres pursuant to this section. A real property improvement other than a dwelling, including the land upon which such improvement is situated, made to such one acre or greater number of acres exempt from taxation pursuant to this subsection shall also be exempt from taxation so long as the principal use of the improvement is (a) to house or cover motor

vehicles or household goods and personal effects as classified in subdivision A 14 of § 58.1-3503 and as listed in § 58.1-3504 and (b) for other than a business purpose.

E. For purposes of this exemption, real property of any surviving spouse of a covered person includes real property (i) held by a surviving spouse as a tenant for life, (ii) held in a revocable inter vivos trust over which the surviving spouse holds the power of revocation, or (iii) held in an irrevocable trust under which the surviving spouse possesses a life estate or enjoys a continuing right of use or support. Such real property does not include any interest held under a leasehold or term of years.

F. 1. In the event that (i) a surviving spouse is entitled to an exemption under this section by virtue of holding the property in any of the three ways set forth in subsection E and (ii) one or more other persons have an ownership interest in the property that permits them to occupy the property, then the tax exemption for the property that otherwise would have been provided shall be prorated by multiplying the amount of the exemption by a fraction the numerator of which is 1 and the denominator of which equals the total number of people having an ownership interest that permits them to occupy the property.

2. In the event that the principal residence is jointly owned by two or more individuals including the surviving spouse, and no person is entitled to the exemption under this section by virtue of holding the property in any of the three ways set forth in subsection E, then the exemption shall be prorated by multiplying the amount of the exemption by a fraction the numerator of which is the percentage of ownership interest in the dwelling held by the surviving spouse and the denominator of which is 100.

2. That the provisions of this act shall apply to taxable years beginning on and after January 1, 2019.

3. That if a surviving spouse was eligible for an exemption pursuant to the provisions of § 58.1-3219.5 of the Code of Virginia prior to January 1, 2019, but became ineligible for such exemption prior to January 1, 2019, solely because he moved to a different principal place of residence, then he shall be eligible to claim such exemption for taxable years beginning on and after January 1, 2019, so long as he is eligible for such exemption pursuant to the provisions of § 58.1-3219.5 of the Code of Virginia, as amended by this act.

Any county, city, or town that pursuant to this article provides for the exemption from, deferral of, or a combination program of exemptions from and deferrals of real property taxes may exempt or defer the real property taxes of the qualifying dwelling and the land, not exceeding ten acres, upon which it is situated.

Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any deduction taken hereunder shall be subject to recapture in the taxable year or years in which distributions or refunds are made for any reason other than (i) to pay qualified higher education expenses, as defined in § 529 of the Internal Revenue Code or (ii) the beneficiary's death, disability, or receipt of a scholarship. For the purposes of this subdivision, "purchaser" or "contributor" means the person shown as such on the records of the Virginia College Savings Plan as of December 31 of the taxable year. 10. The amount an individual pays annually in premiums for long-term health care insurance, provided that the individual has not claimed a deduction for federal income tax purposes, or, for taxable years beginning before January 1, 2014, a credit under § 58.1-339.11. For a regulated investment company and a real estate investment trust, such term means the "investment company taxable income" and "real estate investment trust taxable income," respectively, to which shall be added in each case any amount of capital gains and any other income taxable to the corporation under federal law which shall be further adjusted as provided in subsections B, C, D, ~~and~~ E, and G.

B. There shall be added to the extent excluded from federal taxable income:

(2) The related member derives at least one-third of its gross revenues from the licensing of intangible property to parties who are not related members, and the transaction giving rise to the expenses and costs between the corporation and the related member was made at rates and terms comparable to the rates and terms of agreements that the related member has entered into with parties who are not related members for the licensing of intangible property; or

(3) The corporation can establish to the satisfaction of the Tax Commissioner that the intangible expenses and costs meet both of the following: (i) the related member during the same taxable year directly or indirectly paid, accrued or incurred such portion to a person who is not a related member, and (ii) the transaction giving rise to the intangible expenses and costs between the corporation and the related member did not have as a principal purpose the avoidance of any portion of the tax due under this chapter.

A corporation required to add to its federal taxable income intangible expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of intangible expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such intangible expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

b. A corporation required to add to its federal taxable income interest expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

The Governor, in consultation with the State Comptroller and the Tax Commissioner, shall certify to the General Assembly on or before September 1, 2019, the estimated amount available in the Fund for the issuance of such refunds after taking into account the amounts in the Fund necessary to fund the tax policy changes set forth in the first enactment of this act for taxable years beginning on and after January 1, 2018, but before January 1, 2019. If such estimated amount is insufficient to issue refunds of \$110 for an individual, or \$220 for married persons filing a joint return, then such refunds shall be reduced and prorated based on the amount of available funds. An individual shall only be allowed a refund pursuant to this enactment up to the amount of such individual's tax liability after the application of any deductions, subtractions, or credits to which the individual is entitled pursuant to Chapter 3 (§ 58.1-300 et seq.) of Title 58.1 of the Code of Virginia. Married persons

filing a joint return shall only be allowed a refund pursuant to this enactment up to the amount of such married persons' tax liability after the application of any deductions, subtractions, or credits to which the married persons are entitled pursuant to Chapter 3 of Title 58.1 of the Code of Virginia. Any refund issued pursuant to this enactment shall be subject to collection under the provisions of the Setoff Debt Collection Act (§ 58.1-520 et seq. of the Code of Virginia). Refunds due pursuant to this enactment shall be issued on or after October 1, 2019, but before October 15, 2019.

5. That there is hereby established a special nonreverting fund to be known as the "Taxpayer Relief Fund" (the Fund). Any revenues generated by the individual reform provisions contained in Subtitle A of Title I and §§ 13611-13613 of the federal Tax Cuts and Jobs Act, P.L. 115-97 (2017), from the collection of taxes during Fiscal Years 2019 through 2025, estimated to be approximately \$450 million annually, beyond those revenues reasonably expected to be collected due to general economic growth and absent the federal policy changes, less the estimated reduction in revenues needed to implement the tax policy changes set forth in the first enactment of this act for the relevant fiscal year, shall be transferred to the Fund. The Governor, in consultation with the State Comptroller and the Tax Commissioner, shall certify to the General Assembly on or before September 1 each year the estimated amount to be transferred to the Fund pursuant to this act. The amount certified shall take into account changes in taxpayer behavior and changes in general revenue collections unrelated to federal tax policy changes. The amount certified shall also take into account and be adjusted accordingly for additional tax policy changes adopted by the federal government after January 1, 2019, that may be reasonably expected to positively or negatively impact revenues of the Commonwealth. The General Assembly shall appropriate any revenues in the Fund to effectuate permanent or temporary tax reform measures.

b. ~~Three thousand dollars for single individuals and \$6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return); provided~~ *Provided* that the taxpayer has not itemized deductions for the taxable year on his federal income tax return: (i) for taxable years beginning before January 1, 2019, and on and after January 1, 2026, \$3,000 for single individuals and \$6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return) and (ii) for taxable years beginning on and after January 1, 2019, but before January 1, 2026, \$4,500 for single individuals and \$9,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return). 2. a. A deduction in the amount of \$930 for each personal exemption allowable to the taxpayer for federal income tax purposes.

b. Each blind or aged taxpayer as defined under § 63(f) of the Internal Revenue Code shall be entitled to an additional personal exemption in the amount of \$800.

The additional deduction for blind or aged taxpayers allowed under this subdivision shall be allowable regardless of whether the taxpayer itemizes deductions for the taxable year for federal income tax purposes.

b. A deduction in the amount of \$12,000 for individuals born after January 1, 1939, who have attained the age of 65. This deduction shall be reduced by \$1 for every \$1 that the taxpayer's adjusted federal adjusted gross income exceeds \$50,000 for single taxpayers or \$75,000 for married taxpayers. For married taxpayers filing separately, the deduction shall be reduced by \$1 for every \$1 that the total combined adjusted federal adjusted gross income of both spouses exceeds \$75,000.

If the purchase price or annual contribution to a college savings trust account exceeds \$4,000, the remainder may be carried forward and subtracted in future taxable years until the purchase price or college savings trust contribution has been fully deducted; however, except as provided in subdivision b, in no event shall the amount deducted in any taxable year exceed \$4,000 per contract or college savings trust account. Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any deduction taken hereunder shall be subject to recapture in the taxable year or years in which distributions or refunds are made for any reason other than (i) to pay qualified higher education expenses, as defined in § 529 of the Internal Revenue Code or (ii) the beneficiary's death, disability, or

b. A purchaser of a prepaid tuition contract or contributor to a college savings trust account who has attained age 70 shall not be subject to the limitation that the amount of the deduction not exceed \$4,000 per prepaid tuition contract or college savings trust account in any taxable year. For taxable years beginning on and after January 1, 2014, no such deduction for long-term health care insurance premiums paid by the individual during the taxable year shall be allowed if the individual has claimed a federal income tax deduction for such taxable year for long-term health care insurance premiums paid by him.

11. Contract payments to a producer of quota tobacco or a tobacco quota holder, or their spouses, as provided under the American Jobs Creation Act of 2004 (P.L. 108-357), but only to the extent that such payments have not been subtracted pursuant to subsection D of § 58.1-402, as follows:

b. If the payment is received in a single payment, then 10 percent of the recognized gain may be subtracted in the taxable year immediately following the year in which the single payment is received. The taxpayer may then deduct an equal amount in each of the nine succeeding taxable years.

12. For taxable years beginning on and after January 1, 2013, the amount an individual age 66 or older with earned income of at least \$20,000 for the year and federal adjusted gross income not in excess of \$30,000 for the year pays annually in premiums for (i) a prepaid funeral insurance policy covering the individual or (ii) medical or dental insurance for any person for whom individual tax filers may claim a deduction for such premiums under federal income tax laws. As used in this subdivision, "earned income" means the same as that term is defined in § 32(c) of the Internal Revenue Code. The deduction shall not be allowed for any portion of such premiums paid for which the individual has (a) been reimbursed, (b) claimed a deduction for federal income tax purposes, (c) claimed a deduction or subtraction under another provision of this section, or (d) claimed a federal income tax credit or any income tax credit pursuant to this chapter.

A. For purposes of this article, Virginia taxable income for a taxable year means the federal taxable income and any other income taxable to the corporation under federal law for such year of a corporation adjusted as provided in subsections B, C, D, ~~and~~ E, and G.

For a regulated investment company and a real estate investment trust, such term means the "investment company taxable income" and "real estate investment trust taxable income," respectively, to which shall be added in each case any amount of capital gains and any other income taxable to the corporation under federal law which shall be further adjusted as provided in subsections B, C, D, ~~and~~ E, and G.

B. There shall be added to the extent excluded from federal taxable income:

1. Interest, less related expenses to the extent not deducted in determining federal taxable income, on obligations of any state other than Virginia, or of a political subdivision of any such other state unless created by compact or agreement to which the Commonwealth is a party;

2. Interest or dividends, less related expenses to the extent not deducted in determining federal taxable income, on obligations or securities of any authority, commission or instrumentality of the United States, which the laws of the United States exempt from federal income tax but not from state income taxes;

3. [Repealed.]

4. The amount of any net income taxes and other taxes, including franchise and excise taxes, which are based on, measured by, or computed with reference to net income, imposed by the Commonwealth or any other taxing jurisdiction, to the extent deducted in determining federal taxable income;

5. Unrelated business taxable income as defined by § 512 of the Internal Revenue Code;

6. [Repealed.]

7. The amount required to be included in income for the purpose of computing the partial tax on an accumulation distribution pursuant to § 667 of the Internal Revenue Code;

For taxable years beginning on and after January 1, 2004, the amount of any intangible expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with one or more related members to the extent such expenses and costs were deductible or deducted in computing federal taxable income for Virginia purposes. This addition shall not be required for any portion of the intangible expenses and costs if one of the following applies:

(1) The corresponding item of income received by the related member is subject to a tax based on or measured by net income or capital imposed by Virginia, another state, or a foreign government that has entered into a comprehensive tax treaty with the United States government;

(2) The related member derives at least one-third of its gross revenues from the licensing of intangible property to parties who are not related members, and the transaction giving rise to the expenses and costs between the corporation and the related member was made at rates and terms comparable to the rates and terms of agreements that the related member has entered into with parties who are not related members for the licensing of intangible property; or

(3) The corporation can establish to the satisfaction of the Tax Commissioner that the intangible expenses and costs meet both of the following: (i) the related member during the same taxable year directly or indirectly paid, accrued or incurred such portion to a person who is not a related member, and (ii) the transaction giving rise to the intangible expenses and costs between the corporation and the related member did not have as a principal purpose the avoidance of any portion of the tax due under this chapter.

b. A corporation required to add to its federal taxable income intangible expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of intangible expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such intangible expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions

identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

c. Nothing in subdivision B 8 shall be construed to limit or negate the Department's authority under § 58.1-446;

9. a. For taxable years beginning on and after January 1, 2004, the amount of any interest expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with one or more related members to the extent such expenses and costs were deductible or deducted in computing federal taxable income for Virginia purposes. This addition shall not be required for any portion of the interest expenses and costs, if:

(1) The related member has substantial business operations relating to interest-generating activities, in which the related member pays expenses for at least five full-time employees who maintain, manage, defend or are otherwise responsible for operations or administration relating to the interest-generating activities; and

(2) The interest expenses and costs are not directly or indirectly for, related to or in connection with the direct or indirect acquisition, maintenance, management, sale, exchange, or disposition of intangible property; and

(3) The transaction giving rise to the expenses and costs between the corporation and the related member has a valid business purpose other than the avoidance or reduction of taxation and payments between the parties are made at arm's length rates and terms; and

(4) One of the following applies:

(i) The corresponding item of income received by the related member is subject to a tax based on or measured by net income or capital imposed by Virginia, another state, or a foreign government that has entered into a comprehensive tax treaty with the United States government;

(iii) The related member engages in transactions with parties other than related members that generate revenue in excess of \$2 million annually; or

(iv) The transaction giving rise to the interest payments between the corporation and a related member was done at arm's length rates and terms and meets any of the following: (a) the related member uses funds that are borrowed from a party other than a related member or that are paid, incurred or passed-through to a person who is not a related member; (b) the debt is part of a regular and systematic funds management or portfolio investment activity conducted by the related member, whereby the funds of two or more related members are aggregated for the purpose of achieving economies of scale, the internal financing of the active business operations of members, or the benefit of centralized management of funds; (c) financing the expansion of the business operations; or (d) restructuring the debt of related members, or the pass-through of acquisition-related indebtedness to related members.

b. A corporation required to add to its federal taxable income interest expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

1. If the payment is received in installment payments, then the recognized gain, including any gain recognized in taxable year 2005, may be subtracted in the taxable year immediately following the year in which the installment payment is received.

2. If the payment is received in a single payment, then 10 percent of the recognized gain may be subtracted in the taxable year immediately following the year in which the single payment is received. The taxpayer may then deduct an equal amount in each of the nine succeeding taxable years.

E. Adjustments to federal taxable income shall be made to reflect the transitional modifications provided in § 58.1-315.

F. Notwithstanding any other provision of law, the income from any disposition of real property which is held by the taxpayer for sale to customers in the ordinary course of the taxpayer's trade or business, as defined in § 453(l)(1)(B) of the Internal Revenue Code, of property made on or after January 1, 2009, may, at the election of the taxpayer, be recognized under the installment method described under § 453 of the Internal Revenue Code, provided that (i) the election relating to the dealer disposition of the property has been made on or before the due date prescribed by law (including extensions) for filing the taxpayer's return of the tax imposed under this chapter for the taxable year in which the disposition occurs, and (ii) the dealer disposition is in accordance with restrictions or conditions established by the Department, which shall be set forth in guidelines developed by the Department. Along with such restrictions or conditions, the guidelines shall also

address the recapture of such income under certain circumstances. The development of the guidelines shall be exempt from the Administrative Process Act (§ 2.2-4000 et seq.).

G. For taxable years beginning on and after January 1, 2018, there shall be deducted to the extent included in and not otherwise subtracted from federal taxable income 20 percent of business interest disallowed as a deduction pursuant to § 163(j) of the Internal Revenue Code. For purposes of this subsection, "business interest" means the same as that term is defined under § 163(j) of the Internal Revenue Code.

2. That an emergency exists and this act is in force from its passage.

3. That the provisions of this act amending § 58.1-301 of the Code of Virginia shall be effective only for taxable years beginning on and after January 1, 2018.

4. That in addition to any refund due pursuant to § 58.1-309 of the Code of Virginia, and for taxable years beginning on and after January 1, 2018, but before January 1, 2019, an individual filing a final return before July 1, 2019, or married persons filing a final joint return before July 1, 2019, shall be issued a refund out of the Taxpayer Relief Fund (the Fund) established in the fifth enactment of this act in an amount up to \$110 for an individual, or \$220 for married persons filing a joint return. The Governor, in consultation with the State Comptroller and the Tax Commissioner, shall certify to the General Assembly on or before September 1, 2019, the estimated amount available in the Fund for the issuance of such refunds after taking into account the amounts in the Fund necessary to fund the tax policy changes set forth in the first enactment of this act for taxable years beginning on and after January 1, 2018, but before January 1, 2019. If such estimated amount is insufficient to issue refunds of \$110 for an individual, or \$220 for married persons filing a joint return, then such refunds shall be reduced and prorated based on the amount of available funds. An individual shall only be allowed a refund pursuant to this enactment up to the amount of such individual's tax liability after the application of any deductions, subtractions, or credits to which the individual is entitled pursuant to Chapter 3 (§ 58.1-300 et seq.) of Title 58.1 of the Code of Virginia. Married persons filing a joint return shall only be allowed a refund pursuant to this enactment up to the amount of such married persons' tax liability after the application of any deductions, subtractions, or credits to which the married persons are entitled pursuant to Chapter 3 of Title 58.1 of the Code of Virginia. Any refund issued pursuant to this enactment shall be subject to collection under the provisions of the Setoff Debt Collection Act (§ 58.1-520 et seq. of the Code of Virginia). Refunds due pursuant to this enactment shall be issued on or after October 1, 2019, but before October 15, 2019.

5. That there is hereby established a special nonreverting fund to be known as the "Taxpayer Relief Fund" (the Fund). Any revenues generated by the individual reform provisions contained in Subtitle A of Title I and §§ 13611-13613 of the federal Tax Cuts and Jobs Act, P.L. 115-97 (2017), from the collection of taxes during Fiscal Years 2019 through 2025, estimated to be approximately \$450 million annually, beyond those revenues reasonably expected to be collected due to general economic growth and absent the federal policy changes, less the estimated reduction in revenues needed to implement the tax policy changes set forth in the first enactment of this act for the relevant fiscal year, shall be transferred to the Fund. The Governor, in consultation with the State Comptroller and the Tax Commissioner, shall certify to the General Assembly on or before September 1 each year the estimated amount to be transferred to the Fund pursuant to this act. The amount certified shall take into account changes in taxpayer behavior and changes in general revenue collections unrelated to federal tax policy changes. The amount certified shall also take into account and be adjusted accordingly for additional tax policy changes adopted by the federal government after January 1, 2019, that may be reasonably expected to positively or negatively impact revenues of the Commonwealth. The General Assembly shall appropriate any revenues in the Fund to effectuate permanent or temporary tax reform measures.

CHAPTER 19

An Act to amend and reenact § 58.1-439.12:04 of the Code of Virginia, relating to income tax credits; housing choice vouchers; eligible housing areas.

[H 1681]

Approved February 15, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 58.1-439.12:04 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-439.12:04. Tax credit for participating landlords.

A. As used in this section, unless the context clearly shows otherwise, the term or phrase:

"Dwelling unit" means an individual housing unit in an apartment building, an individual housing unit in multifamily residential housing, a single-family residence, or any similar individual housing unit.

"Eligible housing area" means a census tract in the Richmond Metropolitan Statistical ~~area~~ *Area or the Virginia Beach-Norfolk-Newport News Metropolitan Statistical Area* in which less than 10 percent of the residents live below the poverty level, as defined by the United States government and determined by the most recent United States census.

"Housing authority" means a housing authority created under Article 1 (§ 36-1 et seq.) of Chapter 1 of Title 36 ~~of this Code~~ or other government agency that is authorized by the United States government under the United States Housing Act

of 1937 (42 U.S.C. § 1437 et seq.) to administer a housing choice voucher program, or the authorized agent of such a housing authority that is authorized to act upon that authority's behalf. The term shall also include the Virginia Housing Development Authority.

"Housing choice voucher" means tenant-based assistance by a housing authority pursuant to 42 U.S.C. § 1437f et seq.

"Participating landlord" means any person engaged in the business of the rental of dwelling units who is (i) subject to the Virginia Residential Landlord and Tenant Act (§ 55-248.2 et seq.) and (ii) performing obligations under a contract with a housing authority relating to the rental of qualified housing units.

"Qualified housing unit" means a dwelling unit that is located in an eligible housing area for which a portion of the rent is paid by a housing authority, which payment is pursuant to a housing choice voucher program.

B. For taxable years beginning on or after January 1, 2010, a participating landlord renting a qualified housing unit shall be eligible for a credit against the tax levied pursuant to § 58.1-320 or 58.1-400 in an amount equal to 10 percent of the fair market value of the rent for the unit, computed for that portion of the taxable year in which the unit was rented by such landlord to a tenant participating in a housing choice voucher program. The Department of Housing and Community Development shall administer and issue the tax credit under this section. If (i) the same parcel of real property contains four or more dwelling units and (ii) the total number of qualified housing units on the parcel in the relevant taxable year exceeds 25 percent of the total dwelling units on the parcel, then the tax credit under this section shall apply only to a limited number of qualified housing units with regard to such parcel of real property, with the limited number being equal to 25 percent of the total dwelling units on such parcel of real property in the taxable year.

C. The Department of Housing and Community Development shall issue tax credits under this section on a fiscal year basis. The maximum amount of tax credits that may be issued under this section in each fiscal year shall be \$250,000.

D. Participating landlords shall apply to the Department of Housing and Community Development for tax credits under this section. The Department of Housing and Community Development shall determine the credit amount allowable to the participating landlord for the taxable year and shall also determine the fair market value of the rent for the qualified housing unit based on the fair market rent approved by the United States Department of Housing and Urban Development as the basis for the tenant-based assistance provided through the housing choice voucher program for the qualified housing unit. In issuing tax credits under this section, the Department of Housing and Community Development shall provide a written certification to the participating landlord, which certification shall report the amount of the tax credit approved by the Department. The participating landlord shall attach the certification to the applicable income tax return.

E. The Board of Housing and Community Development shall establish and issue guidelines for purposes of implementing the provisions of this section. The guidelines shall provide for the allocation of tax credits among participating landlords requesting credits. The guidelines shall be exempt from the Administrative Process Act (§ 2.2-4000 et seq.).

F. In no case shall the amount of credit taken by a participating landlord for any taxable year exceed the total amount of tax imposed by this chapter for the taxable year. If the amount of credit issued by the Department of Housing and Community Development for a taxable year exceeds the landlord's tax liability imposed by this chapter for such taxable year, then the amount that exceeds the tax liability may be carried over for credit against the income taxes of the participating landlord in the next five taxable years or until the total amount of the tax credit issued has been taken, whichever is sooner. Credits granted to a partnership, limited liability company, or electing small business corporation (S corporation) shall be allocated to the individual partners, members, or shareholders, respectively, in proportion to their ownership or interest in such business entities.

G. In the event that the amount of the qualified requests for tax credits for participating landlords in the fiscal year exceeds \$250,000, the Department of Housing and Community Development shall pro rate the tax credits among the qualified applicants.

CHAPTER 20

An Act to amend and reenact § 58.1-609.11 of the Code of Virginia, relating to retail sales and use tax exemption; nonprofits; limited liability companies.

[H 1950]

Approved February 15, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 58.1-609.11 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-609.11. Exemptions for nonprofit entities.

A. For purposes of this section, "nonprofit organization" or "nonprofit entity" means an entity that meets the requirements of subsection D. "Nonprofit organization" or "nonprofit entity" includes a single member limited liability company whose sole member is a nonprofit organization.

B. Any nonprofit organization that holds a valid certificate of exemption from the Department of Taxation, or any nonprofit church that holds a valid self-executing certificate of exemption, that exempts it from collecting or paying state and local retail sales or use taxes as of June 30, 2003, pursuant to § 58.1-609.4, 58.1-609.7, 58.1-609.8, 58.1-609.9, or 58.1-609.10, as such sections are in effect on June 30, 2003, shall remain exempt from the collection or payment of such

taxes under the same terms and conditions as provided under such sections as such sections existed on June 30, 2003, until: (i) July 1, 2007, for such entities that were exempt under § 58.1-609.4; (ii) July 1, 2008, for such entities that were exempt under § 58.1-609.7; (iii) July 1, 2004, for the first one-half of such entities that were exempt under § 58.1-609.8, except churches, which will remain exempt under the same criteria and procedures in effect for churches on June 30, 2003; (iv) July 1, 2005, for the second one-half of such entities that were exempt under § 58.1-609.8; and (v) July 1, 2006, for such entities that were exempt under § 58.1-609.9 or under § 58.1-609.10. At the end of the applicable period of such exemptions, to maintain or renew an exemption for the period of time set forth in subsection ~~E~~ G, each entity must follow the procedures set forth in subsection ~~B~~ C and meet the criteria set forth in subsection ~~E~~ D. Provided, however, that any entity that was exempt from collecting sales and use tax shall continue to be exempt from such collection, and any entity that was exempt from paying sales and use tax for the purchase of services, as of June 30, 2003, shall continue to be exempt from such payment, provided that it follows the other procedures set forth in subsection ~~B~~ C and meets the criteria set forth in subsection ~~E~~ D. Provided further, however, that an educational institution doing business in the Commonwealth which provides a face-to-face educational experience in American government and was exempt pursuant to subdivision 4 of § 58.1-609.4 from paying sales and use tax for the purchase of services, as of June 30, 2003, shall continue to be exempt from such payment, provided that it follows the other procedures set forth in subsection ~~B~~ C and meets the criteria set forth in subsection ~~E~~ D.

~~B~~-C. 1. On and after July 1, 2004, in addition to the organizations described in subsection ~~A~~ B, and except as restricted in subdivision 2, the tax imposed by this chapter or pursuant to the authority granted in §§ 58.1-605 and 58.1-606 shall not apply to purchases of tangible personal property for use or consumption by any nonprofit entity that, pursuant to this section, (i) files an appropriate application with the Department of Taxation, (ii) meets the applicable criteria, and (iii) is issued a certificate of exemption from the Department of Taxation for the period of time covered by the certificate.

2. If the entity that is exempt under this section is exempt from federal income tax under § 501(c)(19) of the Internal Revenue Code, or has annual gross receipts of less than \$5,000 and is organized for at least one of the purposes set forth in § 501(c)(19) of the Internal Revenue Code, then the exemption under this section for such entity shall not apply to purchases of tangible personal property that are used primarily (i) for social and recreational activities for members or (ii) for providing insurance benefits to members or members' dependents.

~~E~~-D. To qualify for the exemption under subsection ~~B~~ C, a nonprofit entity must meet the applicable criteria under this subsection as follows:

1. a. The entity is exempt from federal income taxation (i) under § 501(c)(3) of the Internal Revenue Code; (ii) under § 501(c)(4) of the Internal Revenue Code and is organized for a charitable purpose; or (iii) under § 501(c)(19) of the Internal Revenue Code; or

b. The entity has annual gross receipts of less than \$5,000, and the entity is organized for at least one of the purposes set forth in § 501(c)(3) of the Internal Revenue Code, one of the charitable purposes set forth in § 501(c)(4) of the Internal Revenue Code, or one of the purposes set forth in § 501(c)(19) of the Internal Revenue Code; and

2. The entity is in compliance with all applicable state solicitation laws; and, where applicable, provides appropriate verification of such compliance; and

3. The entity's annual general administrative costs, including salaries and fundraising, relative to its annual gross revenue, under generally accepted accounting principles, is not greater than 40 percent; and

4. If the entity's gross annual revenue was at least \$750,000 in the previous year, then the entity must provide a financial review performed by an independent certified public accountant. However, for any entity with gross annual revenue of at least \$1 million in the previous year, the Department may require that the entity provide a financial audit performed by an independent certified public accountant. If the Department specifically requires an entity with gross annual revenue of at least \$1 million in the previous year to provide a financial audit performed by an independent certified public accountant, then the entity shall provide such audit in order to qualify for the exemption under this section, which audit shall be in lieu of the financial review; and

5. If the entity filed a federal 990 or 990 EZ tax form, or the successor forms to such forms, with the Internal Revenue Service, then it must provide a copy of such form to the Department of Taxation; and

6. If the entity did not file a federal 990 or 990 EZ tax form, or the successor forms to such forms, with the Internal Revenue Service, then the entity must provide the following information:

a. A list of the Board of Directors or other responsible agents of the entity, composed of at least two individuals, with names and addresses where the individuals physically can be found; and

b. The location where the financial records of the entity are available for public inspection.

~~D~~-E. On and after July 1, 2004, in addition to the criteria set forth in subsection ~~E~~ D, the Department of Taxation shall ask each entity for the total taxable purchases made in the preceding year, unless such records are not available through no fault of the entity. If the records are not available through no fault of the entity, then the entity must provide such information to the Department the following year. No information provided pursuant to this subsection (except the failure to provide available information) shall be a basis for the Department of Taxation to refuse to exempt an entity.

~~E~~-F. Any entity that is determined under subsections ~~B~~, C, ~~and~~ D, ~~and~~ E by the Department of Taxation to be exempt from paying sales and use tax shall also be exempt from collecting sales and use tax, at its election, if (i) the entity is within the same class of organization of any entity that was exempt from collecting sales and use tax on June 30, 2003, or (ii) the

entity is organized exclusively to foster, sponsor, and promote physical education, athletic programs, and contests for youths in the Commonwealth.

¶ *G.* The duration of each exemption granted by the Department of Taxation shall be no less than five years and no greater than seven years. During the period of such exemption, the failure of an exempt entity to maintain compliance with the applicable criteria set forth in subsection *€ D* shall constitute grounds for revocation of the exemption by the Department. At the end of the period of such exemption, to maintain or renew the exemption, each entity must provide the Department of Taxation the same information as required upon initial exemption and meet the same criteria.

¶ *H.* For purposes of this section, the Department of Taxation and the Department of Agriculture and Consumer Services shall be allowed to share information when necessary to supplement the information required.

CHAPTER 21

An Act to amend and reenact § 58.1-439.12:07 of the Code of Virginia, relating to telework expenses tax credit; expiration.
[H 2065]

Approved February 15, 2019

1. That § 58.1-439.12:07 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-439.12:07. Telework expenses tax credit.

A. As used in this section, unless the context requires a different meaning:

"Eligible telework expenses" means expenses incurred during the taxable year pursuant to a telework agreement, in an amount up to \$1,200 for each participating employee, that enable a participating employee to begin to telework, which expenses are not otherwise the subject of a deduction from income claimed by the employer in any tax year. Such expenses include, but are not limited to, expenses paid or incurred to purchase computers, computer-related hardware and software, modems, data processing equipment, telecommunications equipment, high-speed Internet connectivity equipment, computer security software and devices, and all related delivery, installation, and maintenance fees. Such expenses do not include replacement costs for computers, computer-related hardware and software, modems, data processing equipment, telecommunications equipment, or computer security software and devices at the principal place of business when that equipment is relocated to the telework site. Eligible telework expenses may also include up to a maximum of \$20,000 for conducting a telework assessment on or after January 1, 2012. Such costs shall be ineligible for this credit if they are otherwise taken as a deduction by the employer from income in any taxable year. The costs included and allowed to be taken as a credit include program planning costs, which may include direct program development and training costs, raw labor costs, and professional consulting fees. Such costs shall not include those for which a credit is claimed under any other provision of this chapter. The credit for conducting a telework assessment shall be allowed once for each employer meeting the requirements herein.

"Employer" means any employer subject to the income tax imposed by this chapter.

"Participating employee" means an employee who has entered into a telework agreement with his employer on or after July 1, 2012, in accordance with policies set by the Virginia Department of Rail and Public Transportation. The term shall not include home-based businesses, extensions of the workday, or work performed on a weekend or holiday.

"Telework agreement" means an agreement signed by the employer and the participating employee, on or after July 1, 2012, but before January 1, ~~2022~~ 2019, that defines the terms of a telework arrangement, including the number of days per month the participating employee will telework in order to qualify for the credit, and any restrictions on the location from which the employee will telework.

"Telework assessment" means an optional assessment leading to the development of policies and procedures necessary to implement a formal telework program that would qualify the employer for the credit provided in this section, including but not limited to a workforce profile; a telework program business case and plan; a detailed accounting of the purpose, goals, and operating procedures of the telework program; methodologies for measuring telework program activities and success; and a deployment schedule for increasing telework activity.

B. For taxable years beginning on or after January 1, 2012, but before January 1, ~~2022~~ 2019, an employer shall be allowed a credit against the taxes imposed pursuant to Articles 2 (§ 58.1-320 et seq.) and 10 (§ 58.1-400 et seq.) ~~of this chapter~~ for eligible telework expenses incurred during the calendar year that ends during the taxable year. The amount of the credit shall not exceed \$50,000 per employer for each calendar year.

Such expenses may be incurred (i) only once per participating employee and (ii) directly by the employer on behalf of the participating employee or directly by the participating employee and reimbursed by the employer.

C. For purposes of this section, the amount of any credit attributable to a partnership, electing small business corporation (S corporation), or limited liability company shall be allocated to the individual partners, shareholders, or members, respectively, in proportion to their ownership or interest in such business entities.

D. The amount of tax credits available to any employer under this section in any taxable year shall not exceed the employer's tax liability. No unused tax credit shall be carried forward or carried back against the employer's tax liability. An employer shall be ineligible for a tax credit pursuant to this section if such employer claims a credit based on the jobs, wages, or other expenses for the same employee under any other provision of this chapter.

E. An employer seeking to claim a tax credit provided herein shall submit a reservation application to the Tax Commissioner for tentative approval of the credit between September 1 and October 31 of the year preceding the calendar year in which the eligible telework expenses will be incurred. The Tax Commissioner shall establish policies and procedures for the reservation of tax credits by eligible employers. Such policies and procedures shall provide (i) requirements for applying for reservations of tax credits; (ii) a system for allocating the available amount of tax credits among eligible employers; and (iii) a procedure for the cancellation and reallocation of tax credit reservations allocated to eligible employers that, after reserving tax credits, have been determined to be ineligible for all or a portion of the tax credits reserved. Such application shall certify that the employer would not have incurred the eligible telework expenses for which the credit is sought but for the availability of such credit. The Tax Commissioner shall provide tentative approval of the applications no later than December 31 of the year in which the applications are received. When the application and amount of tax credits have been approved and the employer applicant notified, such employer may make purchases approved for the tax credits during the immediately following taxable year or lose the right to such credits.

F. In no event shall the aggregate amount of tax credits approved by the Tax Commissioner exceed \$1 million annually. In the event the credit amounts on the applications filed with the Tax Commissioner exceed the maximum aggregate amount of tax credits, then the tax credits shall be allocated on a pro rata basis based on the amounts allowed by subsection B among the eligible employers who filed timely applications.

G. Actions of the Tax Commissioner relating to the approval or denial of applications for reservations of tax credits pursuant to this section shall be exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq.).

CHAPTER 22

An Act to amend and reenact § 58.1-3231 of the Code of Virginia, relating to special assessment for land preservation; optional limit on annual increase in assessed value.

[H 2365]

Approved February 15, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 58.1-3231 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-3231. Authority of counties, cities and towns to adopt ordinances; general reassessment following adoption of ordinance.

Any county, city or town which has adopted a land-use plan may adopt an ordinance to provide for the use value assessment and taxation, in accord with the provisions of this article, of real estate classified in § 58.1-3230. The local governing body pursuant to § 58.1-3237.1 may provide in the ordinance that property located in specified zoning districts shall not be eligible for special assessment as provided in this article. However, real estate that is being provided use value assessment and taxation shall not be denied such use value assessment and taxation solely because of its location in a newly created zoning district that was not requested by the real estate owner. The provisions of this article shall not be applicable in any county, city or town for any year unless such an ordinance is adopted by the governing body thereof not later than June 30 of the year previous to the year when such taxes are first assessed and levied under this article, or December 31 of such year for localities which have adopted a fiscal year assessment date of July 1, under Chapter 30 (§ 58.1-3000 et seq.) of this subtitle. The provisions of this article also shall not apply to the assessment of any real estate assessable pursuant to law by a central state agency.

Land used in agricultural and forestal production within an agricultural district, a forestal district or an agricultural and forestal district that has been established under Chapter 43 (§ 15.2-4300 et seq.) of Title 15.2, shall be eligible for the use value assessment and taxation whether or not a local land-use plan or local ordinance pursuant to this section has been adopted.

Such ordinance shall provide for the assessment and taxation in accordance with the provisions of this article of any or all of the four classes of real estate set forth in § 58.1-3230. If the uniform standards prescribed by the Commissioner of Agriculture and Consumer Services pursuant to § 58.1-3230 require real estate to have been used for a particular purpose for a minimum length of time before qualifying as real estate devoted to agricultural use or horticultural use, then such ordinance may waive such prior use requirement for real estate devoted to the production of agricultural and horticultural crops that require more than two years from initial planting until commercially feasible harvesting. If the uniform standards prescribed by the Commissioner of Agriculture and Consumer Services pursuant to § 58.1-3230 require real estate to have been used for a particular purpose for a minimum length of time before qualifying as real estate devoted to agricultural use or horticultural use, then (i) use of other similar property by a lessee of the owner shall be included in calculating such time and (ii) the Commissioner of Agriculture and Consumer Services shall include in the uniform standards a shorter minimum length of time for real estate with no prior qualifying use, provided that the owner submits a written document of the

owner's intent regarding use of the real estate containing elements set out in the uniform standards. Localities are not required to maintain such written document.

Such ordinance may provide that the annual increase in the assessed value of property within the classes of real estate set forth in § 58.1-3230 shall not exceed a dollar amount per acre specified in the ordinance.

In addition to but not to replace any other requirements of a land-use plan such ordinance may provide that the special assessment and taxation be established on a sliding scale which establishes a lower assessment for property held for longer periods of time within the classes of real estate set forth in § 58.1-3230. Any such sliding scale shall be set forth in the ordinance.

Notwithstanding any other provision of law, the governing body of any county, city or town shall be authorized to direct a general reassessment of real estate in the year following adoption of an ordinance pursuant to this article.

CHAPTER 24

An Act to amend and reenact § 58.1-3713 of the Code of Virginia, relating to local gas severance tax; sunset date.

[H 2555]

Approved February 15, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 58.1-3713 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-3713. Local gas road improvement and Virginia Coalfield Economic Development Authority tax.

A. In addition to the taxes authorized under § 58.1-3712, any county or city may adopt a license tax on every person engaging in the business of severing gases from the earth. The rate of such tax shall not exceed one percent. The provisions of § 58.1-3712 as they relate to measurement of gross receipts, filing of reports and record keeping shall be applicable to the tax imposed under this section.

The moneys collected for each county or city from the taxes imposed under authority of this section and subsection B of § 58.1-3741 shall be paid into a special fund of such county or city to be called the Coal and Gas Road Improvement Fund of such county or city, and shall be spent for such improvements to public roads as the coal and gas road improvement advisory committee and the governing body of such county or city may determine as provided in subsection B of this section. The county may also, in its discretion, elect to improve city or town roads with its funds if consent of the city or town council is obtained. Such funds shall be in addition to those allocated to such counties from state highway funds which allocations shall not be reduced as a result of any revenues received from the tax imposed hereunder. In those localities that comprise the Virginia Coalfield Economic Development Authority, the tax imposed under this section or subsection B of § 58.1-3741 shall be paid as follows: (i) three-fourths of the revenue shall be paid to the Coal and Gas Road Improvement Fund and used for the purposes set forth herein; however, one-fourth of such revenue may be used to fund the construction of new water or sewer systems and lines and the repair or enhancement of existing water or sewer systems and lines in areas with natural water supplies that are insufficient from the standpoint of quality or quantity, or the construction of natural gas service lines as authorized by § 15.2-2109.3, and (ii) one-fourth of the revenue shall be paid to the Virginia Coalfield Economic Development Fund. Furthermore, with regard to the portion paid to the Coal and Gas Road Improvement Fund, a county or city may provide for an additional one-fourth allocation for the construction of new systems or lines for water, sewer, or natural gas as authorized by § 15.2-2109.3, or the repair or enhancement of existing water, sewer, or natural gas systems or lines in areas with natural water supplies or existing natural gas services that are insufficient from the standpoint of quality or quantity; however, if this option is initiated by a county or city, it must satisfy the requirements set forth in § 58.1-3713.01. Notwithstanding the foregoing limitations regarding revenues used for water systems, sewer systems, or natural gas systems, such revenues designated for water and water systems, sewer systems, or natural gas systems shall be distributed directly to the local public service authority for such purposes instead of the local governing body. Funds in the Coal and Gas Road Improvement Fund used to construct, repair, or enhance natural gas service lines or systems shall not exceed one-fourth of the revenue paid to the Coal and Gas Road Improvement Fund collected from the severance tax imposed upon the severance of natural gas pursuant to this section and may be so used only upon passage of a local ordinance or resolution of the governing body of the applicable county or city providing for the same.

B. Any county or city imposing the tax authorized in this section or in subsection B of § 58.1-3741 shall establish a Coal and Gas Road Improvement Advisory Committee, to be composed of four members: (i) a member of the governing body of such county or city, appointed by the governing body, (ii) a representative of the Department of Transportation, and (iii) two citizens of such county or city connected with the coal and gas industry, appointed for a term of four years, initially commencing July 1, 1989, by the chief judge of the circuit court.

Such committee shall develop on or before July 1 of each year a plan for improvement of roads during the following fiscal year. Such plan shall have the approval of three members of the committee and shall be submitted to the governing body of the county or city for approval. The governing body may approve or disapprove such plan, but may make no changes without the approval of three members of the committee.

C. No tax shall be imposed under this section on or after January 1, ~~2020~~ 2022.

[H 1998]

Approved February 15, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 16.1-241 and 32.1-45.1 of the Code of Virginia are amended and reenacted as follows:

§ 16.1-241. Jurisdiction; consent for abortion.

The judges of the juvenile and domestic relations district court elected or appointed under this law shall be conservators of the peace within the corporate limits of the cities and the boundaries of the counties for which they are respectively chosen and within one mile beyond the limits of such cities and counties. Except as hereinafter provided, each juvenile and domestic relations district court shall have, within the limits of the territory for which it is created, exclusive original jurisdiction, and within one mile beyond the limits of said city or county, concurrent jurisdiction with the juvenile court or courts of the adjoining city or county, over all cases, matters and proceedings involving:

A. The custody, visitation, support, control or disposition of a child:

1. Who is alleged to be abused, neglected, in need of services, in need of supervision, a status offender, or delinquent except where the jurisdiction of the juvenile court has been terminated or divested;

2. Who is abandoned by his parent or other custodian or who by reason of the absence or physical or mental incapacity of his parents is without parental care and guardianship;

2a. Who is at risk of being abused or neglected by a parent or custodian who has been adjudicated as having abused or neglected another child in the care of the parent or custodian;

3. Whose custody, visitation or support is a subject of controversy or requires determination. In such cases jurisdiction shall be concurrent with and not exclusive of courts having equity jurisdiction, except as provided in § 16.1-244;

4. Who is the subject of an entrustment agreement entered into pursuant to § 63.2-903 or 63.2-1817 or whose parent or parents for good cause desire to be relieved of his care and custody;

5. Where the termination of residual parental rights and responsibilities is sought. In such cases jurisdiction shall be concurrent with and not exclusive of courts having equity jurisdiction, as provided in § 16.1-244;

6. Who is charged with a traffic infraction as defined in § 46.2-100; or

7. Who is alleged to have refused to take a blood test in violation of § 18.2-268.2.

In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection B of § 16.1-269.1, and for any charges ancillary thereto, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was 14 years of age or older at the time of the commission of the alleged offense, and any matters related thereto. In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection C of § 16.1-269.1, and for all charges ancillary thereto, if the attorney for the Commonwealth has given notice as provided in subsection C of § 16.1-269.1, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was 14 years of age or older at the time of the commission of the alleged offense, and any matters related thereto. A determination by the juvenile court following a preliminary hearing pursuant to subsection B or C of § 16.1-269.1 to certify a charge to the grand jury shall divest the juvenile court of jurisdiction over the charge and any ancillary charge. In any case in which a transfer hearing is held pursuant to subsection A of § 16.1-269.1, if the juvenile court determines to transfer the case, jurisdiction of the juvenile court over the case shall be divested as provided in § 16.1-269.6.

In all other cases involving delinquent acts, and in cases in which an ancillary charge remains after a violent juvenile felony charge has been dismissed or a violent juvenile felony has been reduced to a lesser offense not constituting a violent juvenile felony, the jurisdiction of the juvenile court shall not be divested unless there is a transfer pursuant to subsection A of § 16.1-269.1.

The authority of the juvenile court to adjudicate matters involving the custody, visitation, support, control or disposition of a child shall not be limited to the consideration of petitions filed by a mother, father or legal guardian but shall include petitions filed at any time by any party with a legitimate interest therein. A party with a legitimate interest shall be broadly construed and shall include, but not be limited to, grandparents, step-grandparents, stepparents, former stepparents, blood relatives and family members. A party with a legitimate interest shall not include any person (i) whose parental rights have been terminated by court order, either voluntarily or involuntarily, (ii) whose interest in the child derives from or

through a person whose parental rights have been terminated by court order, either voluntarily or involuntarily, including, but not limited to, grandparents, stepparents, former stepparents, blood relatives and family members, if the child subsequently has been legally adopted, except where a final order of adoption is entered pursuant to § 63.2-1241, or (iii) who has been convicted of a violation of subsection A of § 18.2-61, § 18.2-63, subsection B of § 18.2-366, or an equivalent offense of another state, the United States, or any foreign jurisdiction, when the child who is the subject of the petition was conceived as a result of such violation. The authority of the juvenile court to consider a petition involving the custody of a child shall not be proscribed or limited where the child has previously been awarded to the custody of a local board of social services.

B. The admission of minors for inpatient treatment in a mental health facility in accordance with the provisions of Article 16 (§ 16.1-335 et seq.) and the involuntary admission of a person with mental illness or judicial certification of eligibility for admission to a training center for persons with intellectual disability in accordance with the provisions of Chapter 8 (§ 37.2-800 et seq.) of Title 37.2. Jurisdiction of the involuntary admission and certification of adults shall be concurrent with the general district court.

C. Except as provided in subsections D and H, judicial consent to such activities as may require parental consent may be given for a child who has been separated from his parents, guardian, legal custodian or other person standing in loco parentis and is in the custody of the court when such consent is required by law.

D. Judicial consent for emergency surgical or medical treatment for a child who is neither married nor has ever been married, when the consent of his parent, guardian, legal custodian or other person standing in loco parentis is unobtainable because such parent, guardian, legal custodian or other person standing in loco parentis (i) is not a resident of the Commonwealth, (ii) has his whereabouts unknown, (iii) cannot be consulted with promptness, reasonable under the circumstances, or (iv) fails to give such consent or provide such treatment when requested by the judge to do so.

E. Any person charged with deserting, abandoning or failing to provide support for any person in violation of law.

F. Any parent, guardian, legal custodian or other person standing in loco parentis of a child:

1. Who has been abused or neglected;

2. Who is the subject of an entrustment agreement entered into pursuant to § 63.2-903 or 63.2-1817 or is otherwise before the court pursuant to subdivision A 4; or

3. Who has been adjudicated in need of services, in need of supervision, or delinquent, if the court finds that such person has by overt act or omission induced, caused, encouraged or contributed to the conduct of the child complained of in the petition.

G. Petitions filed by or on behalf of a child or such child's parent, guardian, legal custodian or other person standing in loco parentis for the purpose of obtaining treatment, rehabilitation or other services that are required by law to be provided for that child or such child's parent, guardian, legal custodian or other person standing in loco parentis. Jurisdiction in such cases shall be concurrent with and not exclusive of that of courts having equity jurisdiction as provided in § 16.1-244.

H. Judicial consent to apply for a work permit for a child when such child is separated from his parents, legal guardian or other person standing in loco parentis.

I. The prosecution and punishment of persons charged with ill-treatment, abuse, abandonment or neglect of children or with any violation of law that causes or tends to cause a child to come within the purview of this law, or with any other offense against the person of a child. In prosecution for felonies over which the court has jurisdiction, jurisdiction shall be limited to determining whether or not there is probable cause.

J. All offenses in which one family or household member is charged with an offense in which another family or household member is the victim and all offenses under § 18.2-49.1.

In prosecution for felonies over which the court has jurisdiction, jurisdiction shall be limited to determining whether or not there is probable cause. Any objection based on jurisdiction under this subsection shall be made before a jury is impaneled and sworn in a jury trial or, in a nonjury trial, before the earlier of when the court begins to hear or receive evidence or the first witness is sworn, or it shall be conclusively waived for all purposes. Any such objection shall not affect or be grounds for challenging directly or collaterally the jurisdiction of the court in which the case is tried.

K. Petitions filed by a natural parent, whose parental rights to a child have been voluntarily relinquished pursuant to a court proceeding, to seek a reversal of the court order terminating such parental rights. No such petition shall be accepted, however, after the child has been placed in the home of adoptive parents.

L. Any person who seeks spousal support after having separated from his spouse. A decision under this subdivision shall not be res judicata in any subsequent action for spousal support in a circuit court. A circuit court shall have concurrent original jurisdiction in all causes of action under this subdivision.

M. Petitions filed for the purpose of obtaining an order of protection pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1, and all petitions filed for the purpose of obtaining an order of protection pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10 if either the alleged victim or the respondent is a juvenile.

N. Any person who escapes or remains away without proper authority from a residential care facility in which he had been placed by the court or as a result of his commitment to the Virginia Department of Juvenile Justice.

O. Petitions for emancipation of a minor pursuant to Article 15 (§ 16.1-331 et seq.).

P. Petitions for enforcement of administrative support orders entered pursuant to Chapter 19 (§ 63.2-1900 et seq.) of Title 63.2, or by another state in the same manner as if the orders were entered by a juvenile and domestic relations district court upon the filing of a certified copy of such order in the juvenile and domestic relations district court.

Q. Petitions for a determination of parentage pursuant to Chapter 3.1 (§ 20-49.1 et seq.) of Title 20. A circuit court shall have concurrent original jurisdiction to the extent provided for in § 20-49.2.

R. [Repealed.]

S. Petitions filed by school boards against parents pursuant to §§ 16.1-241.2 and 22.1-279.3.

T. Petitions to enforce any request for information or subpoena that is not complied with or to review any refusal to issue a subpoena in an administrative appeal regarding child abuse and neglect pursuant to § 63.2-1526.

U. Petitions filed in connection with parental placement adoption consent hearings pursuant to § 63.2-1233. Such proceedings shall be advanced on the docket so as to be heard by the court within 10 days of filing of the petition, or as soon thereafter as practicable so as to provide the earliest possible disposition.

V. Petitions filed for the purpose of obtaining the court's assistance with the execution of consent to an adoption when the consent to an adoption is executed pursuant to the laws of another state and the laws of that state provide for the execution of consent to an adoption in the court of the Commonwealth.

W. Petitions filed by a juvenile seeking judicial authorization for a physician to perform an abortion if a minor elects not to seek consent of an authorized person.

After a hearing, a judge shall issue an order authorizing a physician to perform an abortion, without the consent of any authorized person, if he finds that (i) the minor is mature enough and well enough informed to make her abortion decision, in consultation with her physician, independent of the wishes of any authorized person, or (ii) the minor is not mature enough or well enough informed to make such decision, but the desired abortion would be in her best interest.

If the judge authorizes an abortion based on the best interests of the minor, such order shall expressly state that such authorization is subject to the physician or his agent giving notice of intent to perform the abortion; however, no such notice shall be required if the judge finds that such notice would not be in the best interest of the minor. In determining whether notice is in the best interest of the minor, the judge shall consider the totality of the circumstances; however, he shall find that notice is not in the best interest of the minor if he finds that (i) one or more authorized persons with whom the minor regularly and customarily resides is abusive or neglectful, and (ii) every other authorized person, if any, is either abusive or neglectful or has refused to accept responsibility as parent, legal guardian, custodian or person standing in loco parentis.

The minor may participate in the court proceedings on her own behalf, and the court may appoint a guardian ad litem for the minor. The court shall advise the minor that she has a right to counsel and shall, upon her request, appoint counsel for her.

Notwithstanding any other provision of law, the provisions of this subsection shall govern proceedings relating to consent for a minor's abortion. Court proceedings under this subsection and records of such proceedings shall be confidential. Such proceedings shall be given precedence over other pending matters so that the court may reach a decision promptly and without delay in order to serve the best interests of the minor. Court proceedings under this subsection shall be heard and decided as soon as practicable but in no event later than four days after the petition is filed.

An expedited confidential appeal to the circuit court shall be available to any minor for whom the court denies an order authorizing an abortion without consent or without notice. Any such appeal shall be heard and decided no later than five days after the appeal is filed. The time periods required by this subsection shall be subject to subsection B of § 1-210. An order authorizing an abortion without consent or without notice shall not be subject to appeal.

No filing fees shall be required of the minor at trial or upon appeal.

If either the original court or the circuit court fails to act within the time periods required by this subsection, the court before which the proceeding is pending shall immediately authorize a physician to perform the abortion without consent of or notice to an authorized person.

Nothing contained in this subsection shall be construed to authorize a physician to perform an abortion on a minor in circumstances or in a manner that would be unlawful if performed on an adult woman.

A physician shall not knowingly perform an abortion upon an unemancipated minor unless consent has been obtained or the minor delivers to the physician a court order entered pursuant to this section and the physician or his agent provides such notice as such order may require. However, neither consent nor judicial authorization nor notice shall be required if the minor declares that she is abused or neglected and the attending physician has reason to suspect that the minor may be an abused or neglected child as defined in § 63.2-100 and reports the suspected abuse or neglect in accordance with § 63.2-1509; or if there is a medical emergency, in which case the attending physician shall certify the facts justifying the exception in the minor's medical record.

For purposes of this subsection:

"Authorization" means the minor has delivered to the physician a notarized, written statement signed by an authorized person that the authorized person knows of the minor's intent to have an abortion and consents to such abortion being performed on the minor.

"Authorized person" means (i) a parent or duly appointed legal guardian or custodian of the minor or (ii) a person standing in loco parentis, including, but not limited to, a grandparent or adult sibling with whom the minor regularly and customarily resides and who has care and control of the minor. Any person who knows he is not an authorized person and who knowingly and willfully signs an authorization statement consenting to an abortion for a minor is guilty of a Class 3 misdemeanor.

"Consent" means that (i) the physician has given notice of intent to perform the abortion and has received authorization from an authorized person, or (ii) at least one authorized person is present with the minor seeking the abortion and provides

written authorization to the physician, which shall be witnessed by the physician or an agent thereof. In either case, the written authorization shall be incorporated into the minor's medical record and maintained as a part thereof.

"Medical emergency" means any condition which, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of the pregnant minor as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create a serious risk of substantial and irreversible impairment of a major bodily function.

"Notice of intent to perform the abortion" means that (i) the physician or his agent has given actual notice of his intention to perform such abortion to an authorized person, either in person or by telephone, at least 24 hours previous to the performance of the abortion; or (ii) the physician or his agent, after a reasonable effort to notify an authorized person, has mailed notice to an authorized person by certified mail, addressed to such person at his usual place of abode, with return receipt requested, at least 72 hours prior to the performance of the abortion.

"Perform an abortion" means to interrupt or terminate a pregnancy by any surgical or nonsurgical procedure or to induce a miscarriage as provided in § 18.2-72, 18.2-73, or 18.2-74.

"Unemancipated minor" means a minor who has not been emancipated by (i) entry into a valid marriage, even though the marriage may have been terminated by dissolution; (ii) active duty with any of the Armed Forces of the United States; (iii) willingly living separate and apart from his or her parents or guardian, with the consent or acquiescence of the parents or guardian; or (iv) entry of an order of emancipation pursuant to Article 15 (§ 16.1-331 et seq.).

X. Petitions filed pursuant to Article 17 (§ 16.1-349 et seq.) relating to standby guardians for minor children.

Y. *Petitions involving minors filed pursuant to § 32.1-45.1 relating to obtaining a blood specimen or test results.*

The ages specified in this law refer to the age of the child at the time of the acts complained of in the petition.

Notwithstanding any other provision of law, no fees shall be charged by a sheriff for the service of any process in a proceeding pursuant to subdivision A 3, except as provided in subdivision A 6 of § 17.1-272, or subsection B, D, M, or R.

Notwithstanding the provisions of § 18.2-71, any physician who performs an abortion in violation of subsection W shall be guilty of a Class 3 misdemeanor.

§ 32.1-45.1. Deemed consent to testing and release of test results related to infection with human immunodeficiency virus or hepatitis B or C viruses.

A. Whenever any health care provider, or any person employed by or under the direction and control of a health care provider, is directly exposed to body fluids of a patient in a manner that may, according to the then current guidelines of the Centers for Disease Control and Prevention, transmit human immunodeficiency virus or hepatitis B or C viruses, the patient whose body fluids were involved in the exposure shall be deemed to have consented to testing for infection with human immunodeficiency virus or hepatitis B or C viruses. For the purposes of this section, "health care provider" means any person, facility or agency licensed or certified to provide care or treatment by the Department of Health, Department of Behavioral Health and Developmental Services, Department of Rehabilitative Services, or the Department of Social Services, any person licensed or certified by a health regulatory board within the Department of Health Professions except for the Boards of Funeral Directors and Embalmers and Veterinary Medicine or any personal care agency contracting with the Department of Medical Assistance Services.

D. "Health care provider," as defined in subsection C, shall be deemed to include any person who renders emergency care or assistance, without compensation and in good faith, at the scene of an accident, fire, or any life-threatening emergency, or while en route therefrom to any hospital, medical clinic or doctor's office during the period while rendering such emergency care or assistance. The Department of Health shall provide appropriate counseling and opportunity for face-to-face disclosure of any test results to any such person.

E. Whenever any law-enforcement officer, salaried or volunteer firefighter, or salaried or volunteer emergency medical services provider is directly exposed to body fluids of a person in a manner that may, according to the then current guidelines of the Centers for Disease Control and Prevention, transmit human immunodeficiency virus or hepatitis B or C viruses, the person whose body fluids were involved in the exposure shall be deemed to have consented to testing for infection with human immunodeficiency virus or hepatitis B or C viruses. Such person shall also be deemed to have consented to the release of such test results to the person who was exposed.

F. Whenever a person is directly exposed to the body fluids of a law-enforcement officer, salaried or volunteer firefighter, or salaried or volunteer emergency medical services provider in a manner that may, according to the then current guidelines of the Centers for Disease Control and Prevention, transmit human immunodeficiency virus or hepatitis B or C viruses, the person whose body fluids were involved in the exposure shall be deemed to have consented to testing for infection with human immunodeficiency virus or hepatitis B or C viruses. The law-enforcement officer, salaried or

volunteer firefighter, or salaried or volunteer emergency medical services provider shall also be deemed to have consented to the release of such test results to the person who was exposed.

G. For the purposes of this section, "law-enforcement officer" means a person who is both (i) engaged in his public duty at the time of such exposure and (ii) employed by any sheriff's office, any adult or youth correctional facility, or any state or local law-enforcement agency, or any agency or department under the direction and control of the Commonwealth or any local governing body that employs persons who have law-enforcement authority.

H. Whenever any school board employee is directly exposed to body fluids of any person in a manner that may, according to the then current guidelines of the Centers for Disease Control and Prevention, transmit human immunodeficiency virus or hepatitis B or C viruses, the person whose body fluids were involved in the exposure shall be deemed to have consented to testing for infection with human immunodeficiency virus or hepatitis B or C viruses. Such person shall also be deemed to have consented to the release of such test results to the school board employee who was exposed. ~~If the person whose blood specimen is sought for testing is a minor, the parent, guardian, or person standing in loco parentis of such minor shall be notified prior to initiating such testing. In other than emergency situations, it shall be the responsibility of the school board employee to inform the person of this provision prior to the contact that creates a risk of such exposure.~~

I. Whenever any person is directly exposed to the body fluids of a school board employee in a manner that may, according to the then current guidelines of the Centers for Disease Control and Prevention, transmit human immunodeficiency virus or hepatitis B or C viruses, the school board employee whose body fluids were involved in the exposure shall be deemed to have consented to testing for infection with human immunodeficiency virus or hepatitis B or C viruses. The school board employee shall also be deemed to have consented to the release of such test results to the person.

J. For the purposes of this section, "school board employee" means a person who is both (i) acting in the course of employment at the time of such exposure and (ii) employed by any local school board in the Commonwealth.

K. For purposes of this section, if the person whose blood specimen is sought for testing is a minor, ~~and that minor refuses to provide such specimen,~~ consent for obtaining such specimen shall be obtained from the parent, guardian, or person standing in loco parentis of such minor prior to initiating such testing. If the parent or guardian or person standing in loco parentis withholds such consent, or is not reasonably available, the person potentially exposed to the human immunodeficiency virus or hepatitis B or C viruses, or the employer of such person, may petition the juvenile and domestic relations district court in the county or city where the minor resides or resided, or, in the case of a nonresident, the county or city where the health care provider, law-enforcement agency or school board has its principal office or, in the case of a health care provider rendering emergency care pursuant to subsection D, the county or city where the exposure occurred, for an order requiring the minor to provide a blood specimen or to submit to testing and to disclose the test results in accordance with this section.

L. Except as provided in subsection K, if the person whose blood specimen is sought for testing refuses to provide such specimen, any person *identified by this section who was potentially exposed to the human immunodeficiency virus or the hepatitis B or C viruses in the manner described by this section*, or the employer of such person, may petition, *on a form to be provided by the Office of the Executive Secretary of the Supreme Court of Virginia*, the general district court of the county or city in which the person whose specimen is sought resides or resided, or, in the case of a nonresident, the county or city where the health care provider, law-enforcement agency or school board has its principal office or, in the case of a health care provider rendering emergency care pursuant to subsection D, the county or city where the exposure occurred, for an order requiring the person to provide a blood specimen or to submit to testing and to disclose the test results in accordance with this section. *A hearing on such a petition shall be given precedence on the docket so as to be heard by the court within 48 hours of the filing of the petition, or, if the court is closed during such time period, such petition shall be heard on the next day that the court is in session. A copy of the petition, which shall specify the date and location of the hearing, shall be provided to the person whose specimen is sought.* At any hearing before the court, the person whose specimen is sought or his counsel may appear. Any hearing conducted pursuant to this subsection shall be held in camera as soon as practicable. The record shall be sealed. The order of the circuit court shall be final and nonappealable.*

N. *No specimen obtained pursuant to this section shall be tested for any purpose other than for the purpose provided for in this section, nor shall the specimen or the results of any testing pursuant to this section be used for any purpose in any criminal matter or investigation. CHAPTER 28

An Act to amend and reenact § 55-248.34:1 of the Code of Virginia, relating to the Virginia Residential Landlord and Tenant Act; tenant's right of redemption.

[H 1898]

Approved February 15, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 55-248.34:1 of the Code of Virginia is amended and reenacted as follows:

§ 55-248.34:1. Landlord's acceptance of rent with reservation.

A. The landlord may accept full or partial payment of all rent and receive an order of possession from a court of competent jurisdiction pursuant to an unlawful detainer action filed under Article 13 (§ 8.01-124 et seq.) of Chapter 3 of Title 8.01 and proceed with eviction under § 55-248.38:2, provided that the landlord has stated in a written notice to the tenant that any and all amounts owed to the landlord by the tenant, including payment of any rent, damages, money judgment, award of attorney fees, and court costs, would be accepted with reservation and would not constitute a waiver of the landlord's right to evict the tenant from the dwelling unit. Such notice may be included in a written termination notice given by the landlord to the tenant in accordance with § 55-248.31, and if so included, nothing herein shall be construed by a court of law or otherwise as requiring such landlord to give the tenant subsequent written notice. If the dwelling unit is a public housing unit or other housing unit subject to regulation by the Department of Housing and Urban Development, nothing herein shall be construed to require that written notice be given to any public agency paying a portion of the rent under the rental agreement. If a landlord enters into a new written rental agreement with the tenant prior to eviction, an order of possession obtained prior to the entry of such new rental agreement is not enforceable.

B. However, the tenant may pay or present to the court a redemption tender for payment of all rent due and owing as of the return date, including late charges, attorney fees and court costs, at or before the first return date on an action for unlawful detainer. For purposes of this section, "redemption tender" means a written commitment to pay all rent due and owing as of the return date, including late charges, attorney fees, and court costs, by a local government or nonprofit entity within 10 days of said return date.

C. If the tenant presents a redemption tender to the court at the return date, the court shall continue the action for unlawful detainer for 10 days following the return date for payment to the landlord of all rent due and owing as of the return date, including late charges, attorney fees, and court costs and dismissal of the action upon such payment. Should the landlord not receive full payment of all rent due and owing as of the return date, including late charges, attorney fees, and court costs, within 10 days of the return date, the court shall, without further evidence, grant to the landlord judgment for all amounts due and immediate possession of the premises.

D. In cases of unlawful detainer, a tenant may pay the landlord or ~~his attorney~~ *the landlord's attorney*, or pay into court, all (i) rent due and owing as of the court date as contracted for in the rental agreement, (ii) other charges and fees as contracted for in the rental agreement, (iii) late charges contracted for in the rental agreement, (iv) reasonable attorney fees as contracted for in the rental agreement or as provided by law, and (v) costs of the proceeding as provided by law, at which time the unlawful detainer proceeding shall be dismissed. *If such payment has not been made as of the return date for the unlawful detainer, the tenant may pay to the landlord, the landlord's attorney, or the court all amounts claimed on the summons in unlawful detainer, including current rent, damages, late fees, costs of court, any civil recovery, attorney fees, and sheriff fees, no less than two business days before the date scheduled by the officer to whom the writ of eviction has been delivered to be executed. Any payments made by the tenant shall be by cashier's check, certified check, or money order.* A tenant may invoke the rights granted in this section no more than one time during any 12-month period of continuous residency in the dwelling unit, regardless of the term of the rental agreement or any renewal term thereof.

CHAPTER 29

An Act to amend and reenact § 4.1-111 of the Code of Virginia, relating to alcoholic beverage control; happy hour advertising.

[H 2073]

Approved February 15, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 4.1-111 of the Code of Virginia is amended and reenacted as follows:

§ 4.1-111. Regulations of Board.

A. The Board may promulgate reasonable regulations, not inconsistent with this title or the general laws of the Commonwealth, which it deems necessary to carry out the provisions of this title and to prevent the illegal manufacture, bottling, sale, distribution and transportation of alcoholic beverages. The Board may amend or repeal such regulations. (iv) shall be expended by the qualified shipbuilder or the eligible city on the capital or lease cost of a new production facility or a new or existing foundry.

1. The amount of the grant to be paid in each fiscal year shall be conditional upon the qualified shipbuilder's meeting the requirements for (i) the aggregate number of new full-time jobs created and the substantial retention of the same throughout the calendar year that immediately precedes the beginning of such fiscal year and (ii) the aggregate amount of the capital investment made as of the last day of the calendar year that immediately precedes the beginning of such fiscal year. If the qualified shipbuilder has not fully met the grant requirements by December 31, 2020, the period of eligibility may be extended for up to three years, provided that the grants in any given fiscal year shall not exceed \$8 million, plus any amounts deferred in accordance with subsection C or D.

The application and evidence shall be filed with the Secretary in person or by mail no later than April 1 each year following the calendar year in which the qualified shipbuilder meets such aggregate new full-time job requirements and aggregate capital investments. Failure to meet the filing deadline shall result in a deferral of a scheduled grant payment set forth in subsection B. For filings by mail, the postmark cancellation shall govern the date of the filing determination.

D. The memorandum of understanding may provide that if a grant payment has been deferred for any reason, including the initial failure to meet the aggregate capital investment or the aggregate new full-time job requirements set forth in the memorandum of understanding or the occurrence of any substantial reduction in such new full-time job requirements after such requirements have been met but before the grant payment has been made, payment in a subsequent fiscal year for which such requirements have been met for the immediately preceding calendar year shall include both the deferred payment and the scheduled grant payment as provided in subsection B or that a proportional payment, based on the proportional share of the required additional full-time jobs, be made.

E. The memorandum of understanding may also provide that a shipbuilder or eligible city that has qualified for and received grants under § 59.1-284.23 may qualify for up to a separate and additional \$6 million in one or more grants payable after July 1, 2016, but before July 1, 2022, to be used in the construction, lease, expansion, or renovation of a foundry in the eligible city. The memorandum of understanding shall require that the total amount of grants received pursuant to this subsection shall not exceed 25 percent of the total cost of improvements needed to meet standards for making castings for the construction of a class of vessel or submarine not being built in that eligible city prior to January 1, 2016, and that those standards are subsequently met. The memorandum of understanding may also set forth requirements for certain employment levels at the foundry. For clarification, such grants are not included in and shall not be subject to the overall limitation of the aggregate grant amount set forth in subsection B.

F. As a condition of receipt of a grant, a qualified shipbuilder shall make available to the Secretary or his designee for inspection upon his request relevant and applicable documents to determine whether the qualified shipbuilder has met the requirements for the receipt of grants as set forth in this section and subject to the memorandum of understanding. The Comptroller shall not draw any warrants to issue checks for the grant program under this section without a specific appropriation for the same. All such documents appropriately identified by the qualified shipbuilder shall be considered confidential and proprietary.

G. There is hereby created in the state treasury a special nonreverting fund to be known as the Advanced Shipbuilding Production Facility Grant Fund (the Fund). The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. [S 1370]

Approved February 19, 2019

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Title 59.1 a chapter numbered 22.12, consisting of a section numbered 59.1-284.31, as follows:

CHAPTER 22.12.

SEMICONDUCTOR MANUFACTURING GRANT FUND.

§ 59.1-284.31. Semiconductor Manufacturing Grant Fund created.

A. As used in this chapter, unless the context requires a different meaning:

"Capital investment" means an expenditure, or an asset transfer from a different qualified company site outside of the eligible city to a facility within an eligible city, by or on behalf of the qualified company on or after April 1, 2018, in real

property, tangible personal property, or both, at a facility within an eligible city that has been capitalized or is subject to being capitalized. "Capital investment" may include (i) the purchase of land and the cost of infrastructure development and land improvements, (ii) a capital expenditure related to a leasehold interest in real property, and (iii) the purchase or lease of furniture, fixtures, machinery, and equipment, including under an operating lease.

"Eligible city" means the City of Manassas.

"Facility" means the building, group of buildings, or manufacturing, distribution, and research and development campus, including any related machinery and tools, furniture, fixtures, and equipment, in an eligible city that is owned, leased, licensed, occupied, or otherwise operated by the qualified company for use in the manufacture of, or research and development for, semiconductors and other electronic devices.

"Fund" means the Semiconductor Manufacturing Grant Fund.

"Grant" means a grant from the Fund awarded to a qualified company in an aggregate amount of up to \$70,000,000. Grant proceeds are intended to be used by the qualified company to pay or reimburse the costs of site preparation and infrastructure related to the facility.

"Memorandum of understanding" means a performance agreement or related document entered into on or before August 1, 2019, between a qualified company and the Commonwealth that sets forth the requirements for capital investment and the creation of new jobs for the qualified company.

"New job" means full-time employment at the facility measured at any time following June 30, 2018, for which the annual average wage is at least \$92,000, with an escalation factor for each year, that requires a minimum of 38 hours of an employee's time per week for the entire normal year, consisting of at least 48 weeks, of the qualified company's operations. Seasonal or temporary positions and positions created when a job function is shifted from an existing location in the Commonwealth shall not qualify as new jobs. Any new job must be in addition to the baseline number of existing full-time positions at the qualified company's facilities in the eligible city.

"Qualified company" means a semiconductor manufacturing company, and its affiliates, that manufactures and distributes semiconductors, that between April 1, 2018, and June 30, 2033, is expected to (i) make or cause to be made a capital investment at a facility of at least \$2.98 billion; (ii) create and maintain at least 1,106 new jobs at the facility related to, or supportive of, its manufacturing, distribution, and research and development functions; and (iii) establish and operate a research and development facility for research and product development in areas of interest to a semiconductor manufacturer, including research regarding unmanned systems and the "Internet of things."

"Secretary" means the Secretary of Commerce and Trade or his designee.

B. There is hereby created in the state treasury a nonreverting fund to be known as the Semiconductor Manufacturing Grant Fund. The Fund shall be established on the books of the Comptroller. All funds appropriated to the Fund shall be paid into the state treasury and credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purpose to pay grant installments. Payment of such grant installments shall be made by check issued by the State Treasurer on warrant of the Comptroller. The Comptroller shall not draw any warrants to issue checks for Grant installments under this section without a specific appropriation for the same.

C. Subject to appropriation by the General Assembly, a qualified company shall be eligible to receive grant installments of \$50 million in fiscal year 2020 and \$20 million in fiscal year 2021. Such grant installments shall be paid to the qualified company from the Fund during each such fiscal year, contingent upon the qualified company's meeting the requirements set forth in the memorandum of understanding to provide security for any potential repayment of the grant, including a cash escrow.

D. A qualified company receiving a grant installment pursuant to this section shall provide evidence, satisfactory to the Secretary, annually of (i) the aggregate number of new jobs created and maintained as of the last day of the fiscal year, the payroll paid by the qualified company during the fiscal year, and the average annual wage of the new jobs in the fiscal year and (ii) the aggregate amount of the capital investment made during the fiscal year, including the extent to which such capital investment was or was not subject to the Virginia Retail Sales and Use Tax (§ 58.1-600 et seq.). The report and evidence shall be filed with the Secretary in person, by mail, or as otherwise agreed upon in the memorandum of understanding, by no later than October 1 each year following the end of the prior fiscal year upon which the evidence is based.

E. The memorandum of understanding shall provide that if any annual report and evidence provided pursuant to subsection D indicates that the qualified company failed to meet certain targets for capital investment that is or is not subject to the Virginia retail sales and use tax, the average annual wage for new jobs, the number of new jobs, or the payroll paid for new jobs, the qualified company may be required to repay the Commonwealth a portion of the grant in an amount that reflects the value of the shortfall in the applicable target.

F. As a condition of receipt and retention of the grant, a qualified company shall make available to the Secretary for inspection all documents relevant and applicable to determining whether the qualified company has met the requirements for the receipt and retention of the grant as set forth herein and subject to the memorandum of understanding. All such documents appropriately identified by the qualified company shall be considered confidential and proprietary, and shall not be subject to disclosure pursuant to the Virginia Freedom of Information Act (§ 2.2-3700 et seq.).

CHAPTER 43

An Act to amend and reenact § 55-248.34:1 of the Code of Virginia, relating to the Virginia Residential Landlord and Tenant Act; tenant's right of redemption.

[S 1445]

Approved February 19, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 55-248.34:1 of the Code of Virginia is amended and reenacted as follows:

§ 55-248.34:1. Landlord's acceptance of rent with reservation.

A. The landlord may accept full or partial payment of all rent and receive an order of possession from a court of competent jurisdiction pursuant to an unlawful detainer action filed under Article 13 (§ 8.01-124 et seq.) of Chapter 3 of Title 8.01 and proceed with eviction under § 55-248.38:2, provided that the landlord has stated in a written notice to the tenant that any and all amounts owed to the landlord by the tenant, including payment of any rent, damages, money judgment, award of attorney fees, and court costs, would be accepted with reservation and would not constitute a waiver of the landlord's right to evict the tenant from the dwelling unit. Such notice may be included in a written termination notice given by the landlord to the tenant in accordance with § 55-248.31, and if so included, nothing herein shall be construed by a court of law or otherwise as requiring such landlord to give the tenant subsequent written notice. If the dwelling unit is a public housing unit or other housing unit subject to regulation by the Department of Housing and Urban Development, nothing herein shall be construed to require that written notice be given to any public agency paying a portion of the rent under the rental agreement. If a landlord enters into a new written rental agreement with the tenant prior to eviction, an order of possession obtained prior to the entry of such new rental agreement is not enforceable.

B. However, the tenant may pay or present to the court a redemption tender for payment of all rent due and owing as of the return date, including late charges, attorney fees and court costs, at or before the first return date on an action for unlawful detainer. For purposes of this section, "redemption tender" means a written commitment to pay all rent due and

owing as of the return date, including late charges, attorney fees, and court costs, by a local government or nonprofit entity within 10 days of said return date.

C. If the tenant presents a redemption tender to the court at the return date, the court shall continue the action for unlawful detainer for 10 days following the return date for payment to the landlord of all rent due and owing as of the return date, including late charges, attorney fees, and court costs and dismissal of the action upon such payment. Should the landlord not receive full payment of all rent due and owing as of the return date, including late charges, attorney fees, and court costs, within 10 days of the return date, the court shall, without further evidence, grant to the landlord judgment for all amounts due and immediate possession of the premises.

D. In cases of unlawful detainer, a tenant may pay the landlord or ~~his attorney~~ *the landlord's attorney*, or pay into court, all (i) rent due and owing as of the court date as contracted for in the rental agreement, (ii) other charges and fees as contracted for in the rental agreement, (iii) late charges contracted for in the rental agreement, (iv) reasonable attorney fees as contracted for in the rental agreement or as provided by law, and (v) costs of the proceeding as provided by law, at which time the unlawful detainer proceeding shall be dismissed. *If such payment has not been made as of the return date for the unlawful detainer, the tenant may pay to the landlord, the landlord's attorney, or the court all amounts claimed on the summons in unlawful detainer, including current rent, damages, late fees, costs of court, any civil recovery, attorney fees, and sheriff fees, no less than two business days before the date scheduled by the officer to whom the writ of eviction has been delivered to be executed. Any payments made by the tenant shall be by cashier's check, certified check, or money order.* A tenant may invoke the rights granted in this section no more than one time during any 12-month period of continuous residency in the dwelling unit, regardless of the term of the rental agreement or any renewal term thereof.

The Treasury Board is further hereby authorized, by and with the consent of the Governor, to borrow money in anticipation of the issuance of bonds by the issuance of bond anticipation notes (BANs), including BANs issued as commercial paper. The proceeds of such bonds and BANs, excluding amounts needed to fund issuance costs, reserve funds, and other financing expenses, shall be used exclusively for the purpose of providing funds, with any other available funds, for paying all or a portion of the costs of acquiring, constructing, renovating, enlarging, improving, and equipping revenue-producing capital projects at institutions of higher education of the Commonwealth as follows:

<i>Institution</i>	<i>Project Title</i>	<i>Amount</i>

§ 4. Details, sale of bonds and BANs.

Bonds and BANs shall be dated and may be made redeemable before their maturity or maturities at such price or prices or within such price parameters, all as may be determined by the Treasury Board, by and with the consent of the Governor. Bonds and BANs shall be in such form, shall bear interest at such rate or rates, either at fixed rates or at rates established by formula or other method, and may contain such other provisions, all as determined by the Treasury Board or, when authorized by the Treasury Board, the State Treasurer. The principal of and premium, if any, and the interest on bonds and BANs shall be payable in lawful money of the United States of America. Bonds and BANs may be certificated or uncertificated as determined by the Treasury Board. The Treasury Board may contract for services of such registrars, transfer agents, or other authenticating agents as it deems appropriate to maintain a record of the persons entitled to the bonds and BANs. Bonds and BANs issued in certificated form may be issued under a system of book entry for recording the ownership and transfer of ownership of rights to receive payments on the bonds and BANs. The Treasury Board shall fix the

authorized denomination or denominations of the bonds and the place or places of payment of certificated bonds and BANs, which may be at the Office of the State Treasurer or at any bank or trust company within or without the Commonwealth. Bonds shall mature at such time or times not exceeding 30 years from their date or dates, and BANs shall mature at such time or times not exceeding five years from their date or dates.

In the discretion of the Treasury Board, bonds and BANs may be issued at one time or from time to time and may be sold and issued at the same time with other general obligation bonds and BANs, respectively, of the Commonwealth authorized pursuant to Article X, Section 9 (a) (3), (b), and (c) of the Constitution of Virginia, as separate issues or as a combined issue, designated "Commonwealth of Virginia General Obligation Bonds Bond Anticipation Notes, Series"

§ 5. Execution of bonds and BANs.

Certificated bonds and BANs shall be signed on behalf of the Commonwealth by the Governor and by the State Treasurer, or shall bear their facsimile signatures, and shall bear the lesser seal of the Commonwealth or a facsimile thereof. If the bonds or BANs bear the facsimile signature of the State Treasurer, they shall be signed by such administrative assistant as the State Treasurer shall determine or by such registrar or paying agent as may be designated to sign them by the Treasury Board. If any officer whose signature or facsimile signature appears on any bonds or BANs ceases to be such officer before delivery, such signature or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery, and any bond or BAN may bear the facsimile signature of, or may be signed by, such persons as at the actual time of execution are the proper officers to sign such bond or BAN, although at the date of such bond or BAN, such persons may not have been such officers.

§ 6. Sources for payment of expenses.

All expenses incurred under this act shall be paid from the proceeds of bonds or BANs, from payments made by the institutions for which the capital projects were authorized in § 2, or from any other available funds as the Treasury Board shall determine.

§ 7. Revenues.

The institution of higher education named in § 2 is hereby authorized (i) to fix, revise, charge, and collect rates, fees, and charges for or in connection with the use, occupancy, and services of each capital project named in § 2 or the system of which such capital project is a part and (ii) to pledge to the portion of the bonds or BANs issued for such capital project the net revenues resulting from such rates, fees, and charges and remaining after payment of the expenses of operating the project or system, as the case may be. The institution is further authorized to create debt service and sinking funds for the payments of the principal of, premium, if any, and interest on the bonds and other reserves required by any agency of the United States of America purchasing the bonds or any portion thereof.

§ 8. Investments and contracts.

A. Pending the application of the proceeds of the bonds or BANs (including refunding bonds and BANs) to the purpose for which they have been authorized and the application of funds set aside for the purpose to the payment of bonds or BANs, they may be invested by the State Treasurer in securities that are legal investments under the laws of the Commonwealth for public funds and sinking funds, as the case may be. Whenever the State Treasurer receives interest from the investment of the proceeds of bonds or any BANs, such interest shall become a part of the principal of the bonds or any BANs and shall be used in the same manner as required for principal of the bonds or BANs.

B. The Commonwealth may enter into any contract or other arrangement that is determined to be necessary or appropriate to place the obligation or investment of the Commonwealth, as represented by bonds, BANs, or investments, in whole or in part, on the interest rate, cash flow, or other basis desired by the Commonwealth. Such contract or other arrangement may include, without limitation, contracts commonly known as interest rate swap agreements and futures or contracts providing for payments based on levels of, or changes in, interest rates. These contracts or arrangements may be entered into by the Commonwealth in connection with, or incidental to, entering into, or maintaining any (i) agreement that secures bonds or BANs or (ii) investment, or contract providing for investment, otherwise authorized by law. These contracts and arrangements may contain such payment, security, default, remedy, and other terms and conditions as determined by the Commonwealth, after giving due consideration to the creditworthiness of the counterparty or other obligated party, including any rating by any nationally recognized rating agency, and any other criteria as may be appropriate. The determinations referred to in this subsection may be made by the Treasury Board or any public funds manager with professional investment capabilities duly authorized by the Treasury Board to make such determinations.

C. Any money set aside and pledged to secure payments of bonds, BANs, or any of the contracts entered into pursuant to this section may be invested in accordance with subsection A and may be pledged to and used to service any of the contracts or other arrangements entered into pursuant to subsection B.

§ 9. Security for bonds and BANs.

The net revenues of the capital projects set forth above and the full faith and credit of the Commonwealth are hereby irrevocably pledged for the payment of the principal of and the interest on bonds and BANs (unless the Treasury Board, by and with the consent of the Governor, shall provide otherwise) issued under this act. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs are hereby irrevocably pledged for the payment of principal of and interest and any premium on the BANs or bonds to be paid or redeemed thereby. In the event

the net revenues pledged to the payment of the bonds or BANs are insufficient in any fiscal year for the timely payment of the principal of, premium, if any, and interest on the bonds or BANs, where the full faith and credit of the Commonwealth have been pledged, the General Assembly shall appropriate a sum sufficient therefor or the Governor shall direct payment therefor from the general fund revenues of the Commonwealth.

§ 10. Exemption of interest from tax.

The bonds and BANs issued under the provisions of this act, their transfer and the income therefrom, including any profit made on the sale thereof, shall at all times be free and exempt from taxation by the Commonwealth and by any county, city, or town, or other political subdivision thereof. The Treasury Board is authorized to take or refrain from taking any and all actions and to covenant to such effect, and to require the participating institutions to do and to covenant likewise, to the extent that, in the judgment of the Treasury Board, it is appropriate in order that interest on the bonds and BANs may be exempt from federal income tax. Alternatively, interest on bonds and BANs may be made subject to inclusion in gross income of the holders thereof for federal income tax purposes.

§ 11. Refunding bonds and BANs.

The Treasury Board is authorized, by and with the consent of the Governor, to sell and issue, at one time or from time to time, refunding bonds and BANs of the Commonwealth and to refund any or all of the bonds and BANs, respectively, issued under this act or otherwise authorized pursuant to Article X, Section 9 (c) of the Constitution of Virginia. Refunding bonds and BANs may be issued in a principal amount up to the amount necessary to pay at maturity or redeem the bonds and BANs to be refunded and pay all issuance costs and other financing expenses of the refunding. Such refunding bonds and BANs may be issued whether or not the obligations to be refunded are then subject to redemption.

§ 12. Defeasance.

Any bond or BAN for which cash or direct obligations of the United States of America shall have been set aside in escrow with the State Treasurer or a bank or trust company, within or without the Commonwealth, shall be deemed no longer outstanding under the applicable authorizing instrument, this act, and Article X, Section 9 (c) or (b), as the case may be, of the Constitution of Virginia.

§ 13. Severability.

The provisions of this act or the application thereof to any person or circumstance that are held invalid shall not affect the validity of other provisions or applications of this act which can be given effect without the invalid provisions or applications.

2. That an emergency exists and this act is in force from its passage.

Notwithstanding these limitations, the Commissioner may extend the validity period of an expiring registration if (i) the Department is unable to process an application for renewal due to circumstances beyond its control, and (ii) the extension has been authorized under a directive from the Governor. F. The Laboratory shall work cooperatively with relevant technical experts as appropriate and necessary to carry out the purposes of this chapter, including experts at the Virginia Institute of Marine Science, The College of William and Mary in Virginia, Christopher Newport University, the University of Virginia, and other universities, agencies, and departments of the Commonwealth, and the U.S. Geological Survey.

G. The Laboratory shall:

1. Monitor the impact of the SWIFT Project on the Potomac Aquifer by reviewing and synthesizing relevant water quality data;

2. Identify needs and recommend options for filling gaps in the monitoring of the Potomac Aquifer, such as by recommending changes to monitoring locations and protocols;

3. Conduct sampling and analysis of SWIFT Project water and groundwater on a local scale near SWIFT Project injections to verify monitoring data reported by HRSD, and transmit the results of such analyses to the Director of the Department, the State Health Commissioner, and HRSD;

4. Generate, assimilate, interpret, manage, and consolidate data to help inform decision making related to the impact of the SWIFT Project on the Potomac Aquifer. These actions may include the creation of a clearinghouse for aquifer and SWIFT Project data and the synthesis and dissemination of information to various audiences, including the public and the scientific community; and

5. Advance understanding of the Potomac Aquifer, aquifer science, managed aquifer recharge, water reuse treatment technology, and advanced water treatment, through research, analysis, or modeling.

2. That the Potomac Aquifer Recharge Oversight Committee established by § 62.1-272 of the Code of Virginia, as created by this act, shall request from the Hampton Roads Sanitation District funding sufficient to conduct its activities, including the monitoring of the recharge of the Potomac Aquifer, until July 1, 2022. No later than July 1, 2021, the Committee shall develop a plan for funding such activities beginning July 1, 2022.

B. Upon establishment of the Division, the board may (i) exercise the same powers with respect to the operation of the Division as are vested in the board regarding the University and (ii) offer at the Division all programs of instruction offered

by Jefferson College of Health Sciences at the time of acquisition, including associate-degree programs. However, the board shall cease to offer such associate-degree programs at the Division when the Council, the nationally recognized regional accreditation body, and the programmatic accreditation body approve Virginia Western Community College to offer such associate-degree programs in the Roanoke region. Nothing in this section shall authorize the University to offer any other associate-degree programs in the Roanoke region.

CHAPTER 62

An Act to amend and reenact § 22.1-3 of the Code of Virginia, relating to military families; relocation to the Commonwealth; student registration.

[S 1249]

Approved February 19, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 22.1-3 of the Code of Virginia is amended and reenacted as follows:

§ 22.1-3. Persons to whom public schools shall be free.

A. The public schools in each school division shall be free to each person of school age who resides within the school division. Every person of school age shall be deemed to reside in a school division:

1. When the person is living with a natural parent or a parent by legal adoption;
2. When, in accordance with the provisions of § 22.1-360, the person is living with a noncustodial parent or other person standing in loco parentis, not solely for school purposes, pursuant to a Special Power of Attorney executed under 10 U.S.C. § 1044b by the custodial parent;
3. When the parents of such person are dead and the person is living with a person in loco parentis who actually resides within the school division;
4. When the parents of such person are unable to care for the person and the person is living, not solely for school purposes, with another person who resides in the school division and is (i) the court-appointed guardian, or has legal custody, of the person; (ii) acting in loco parentis pursuant to placement of the person for adoption by a person or entity authorized to do so under § 63.2-1200; or (iii) an adult relative providing temporary kinship care as that term is defined in § 63.2-100. Local school divisions may require one or both parents and the relative providing kinship care to submit signed, notarized affidavits (a) explaining why the parents are unable to care for the person, (b) detailing the kinship care arrangement, and (c) agreeing that the kinship care provider or the parent will notify the school within 30 days of when the kinship care arrangement ends, as well as a power of attorney authorizing the adult relative to make educational decisions regarding the person. A school division may also require the parent or adult relative to obtain written verification from the local department of social services where the parent or parents live, or from both that department and the department of social services where the kinship provider lives, that the kinship arrangement serves a legitimate purpose that is in the best interest of the person other than school enrollment. With written consent from the parent or adult relative, for the purposes of expediting enrollment, a school division may obtain such written verification directly from the local department or departments of social services. The verification process shall be consistent with confidentiality provisions of Article 5 (§ 22.1-287 et seq.) of Chapter 14 of this title and Chapter 1 (§ 63.2-100 et seq.) of Title 63.2. If the kinship care arrangement lasts more than one year, a school division may require continued verification directly from one or both departments of social services as to why the parents are unable to care for the person and that the kinship care arrangement

serves a legitimate purpose other than school enrollment. A local school division may enroll a person living with a relative in a kinship care arrangement that has not been verified by a local department of social services;

5. When the person is living in the school division not solely for school purposes, as an emancipated minor; or

6. When the person living in the school division is a homeless child or youth, as set forth in this subdivision, who lacks a fixed, regular, and adequate nighttime residence. School divisions shall comply with the requirements of Subtitle VII-B of the federal McKinney-Vento Homeless Assistance Act, as amended (42 U.S.C. § 11431 et seq.), to ensure that homeless children and youths shall receive the educational services comparable to those offered to other public school students.

School divisions serving the students identified in subdivision 6 shall coordinate the identification and provision of services to such students with relevant local social services agencies and other agencies and programs providing services to such students, and with other school divisions as may be necessary to resolve interdivisional issues.

B. In the interest of providing educational continuity to the children of military personnel, no child of a person on active military duty:

Such children shall be allowed to continue attending school in the school division they attended immediately prior to the relocation and shall not be charged tuition for attending such school;

2. Who is attending a school free of charge in accordance with this section shall be charged tuition by that school division upon such child's relocation pursuant to orders received by such child's parent to relocate to a new duty station or to be deployed. Such children shall be allowed to remain enrolled in the current school division free of tuition through the end of the school year; and

3. Who is eligible to attend school free of charge in accordance with this section shall be charged tuition by a school division that will be the child's school division of residence once his service member parent is relocated pursuant to orders received. Such a child shall be allowed to enroll in the school division of the child's intended residence if documentation is provided, at the time of enrollment, of military orders of the service member parent or an official letter from the service member's command indicating such relocation. Documentation indicating a permanent address within the school division shall be provided to the school division within 120 days of a child's enrollment or tuition may be charged, including tuition for the days since the child's enrollment in school. In the event that the child's service member parent is ordered to relocate before the 120th day following the child's enrollment, the school division shall not charge tuition. *Students eligible to enroll in a school division pursuant to this subdivision may register, remotely or in-person, for courses and other academic programs and participate in the lottery process for charter schools and college partnership laboratory schools in the school division in which such student will reside at the same time and in the same manner as students who reside in the local school division.* The assignment of the school such child will attend shall be determined by the local school division.

Such children as listed in subdivisions 1, 2, and 3 shall be counted in the average daily membership of the school division in which they are enrolled. Further, the school division in which such children are enrolled subsequent to their relocation to base housing shall not be responsible for providing for their transportation to and from school.

[S 1397]

Approved February 19, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 22.1-298.1, 22.1-298.2, and 23.1-902 of the Code of Virginia are amended and reenacted as follows:

§ 22.1-298.1. Regulations governing licensure.

A. As used in this section:

"Alternate route to licensure" means a nontraditional route to teacher licensure available to individuals who meet the criteria specified in the regulations issued by the Board of Education.

"Industry certification credential" means an active career and technical education credential that is earned by successfully completing a Board of Education-approved industry certification examination, being issued a professional license in the Commonwealth, or successfully completing an occupational competency examination.

"Licensure by reciprocity" means a process used to issue a license to an individual coming into the Commonwealth from another state when that individual meets certain conditions specified in the Board of Education's regulations.

"Professional teacher's assessment" means those tests mandated for licensure as prescribed by the Board of Education.

"Provisional license" means a nonrenewable license issued by the Board of Education for a specified period of time, not to exceed three years, to an individual who may be employed by a school division in the Commonwealth and who generally meets the requirements specified in the Board of Education's regulations for licensure, but who may need to take additional coursework ~~or~~ pass additional assessments, *or meet alternative evaluation standards* to be fully licensed with a renewable license.

"Renewable license" means a license issued by the Board of Education for 10 years to an individual who meets the requirements specified in the Board of Education's regulations.

B. The Board of Education shall prescribe, by regulation, the requirements for the licensure of teachers and other school personnel required to hold a license. Such regulations shall include requirements for the denial, suspension, cancellation, revocation, and reinstatement of licensure and procedures for the immediate and thorough investigation by the division superintendent or his designee of any complaint alleging that a license holder has engaged in conduct that may form the basis for the revocation of his license. At a minimum, such procedures for investigations contained in such regulations shall require (i) the division superintendent to petition for the revocation of the license upon completing such investigation and finding that there is reasonable cause to believe that the license holder has engaged in conduct that forms the basis for revocation of a license; (ii) the school board to proceed to a hearing on such petition for revocation within 90 days of the mailing of a copy of the petition to the license holder, unless the license holder requests the cancellation of his license in accordance with Board regulations; and (iii) the school board to provide a copy of the investigative file and such petition for revocation to the Superintendent of Public Instruction at the time that the hearing is scheduled. The Board of Education shall revoke the license of any person for whom it has received a notice of dismissal or resignation pursuant to subsection F of § 22.1-313 and, in the case of a person who is the subject of a founded complaint of child abuse or neglect, after all rights to any administrative appeal provided by § 63.2-1526 have been exhausted. Regardless of the authority of any other agency of the Commonwealth to approve educational programs, only the Board of Education shall have the authority to license teachers to be regularly employed by school boards, including those teachers employed to provide nursing education.

The Board of Education shall prescribe by regulation the licensure requirements for teachers who teach only online courses, as defined in § 22.1-212.23. Such license shall be valid only for teaching online courses. Teachers who hold a 10-year renewable license issued by the Board of Education may teach online courses for which they are properly endorsed.

C. The Board of Education's regulations shall include requirements that a person seeking initial licensure:

1. ~~Complete~~ *Demonstrate proficiency in the relevant content area, communication, literacy, and other core skills for educators by achieving a qualifying score on professional assessments or meeting alternative evaluation standards* as prescribed by the Board of Education;

2. Complete study in attention deficit disorder;

3. Complete study in gifted education, including the use of multiple criteria to identify gifted students; and

4. Complete study in methods of improving communication between schools and families and ways of increasing family involvement in student learning at home and at school.

D. In addition, such regulations shall include requirements that:

1. Every person seeking initial licensure and persons seeking licensure renewal as teachers who have not completed such study shall complete study in child abuse recognition and intervention in accordance with curriculum guidelines developed by the Board of Education in consultation with the Department of Social Services that are relevant to the specific teacher licensure routes;

The certification or training program shall (i) be based on the current national evidence-based emergency cardiovascular care guidelines for cardiopulmonary resuscitation and the use of an automated external defibrillator, such as a program developed by the American Heart Association or the American Red Cross, and (ii) include hands-on practice of the skills necessary to perform cardiopulmonary resuscitation. The Board shall provide a waiver for this requirement for any person with a disability whose disability prohibits such person from completing the certification or training;

4. Every person seeking licensure with an endorsement as a teacher of the blind and visually impaired shall demonstrate proficiency in reading and writing Braille;

5. Every teacher seeking an initial license in the Commonwealth with an endorsement in the area of career and technical education shall have an industry certification credential in the area in which the teacher seeks endorsement. If a teacher seeking an initial license in the Commonwealth has not attained an industry certification credential in the area in

which the teacher seeks endorsement, the Board may, upon request of the employing school division or educational agency, issue the teacher a provisional license to allow time for the teacher to attain such credential;

6. Every person seeking initial licensure or renewal of a license shall complete awareness training, provided by the Department of Education, on the indicators of dyslexia, as that term is defined by the Board pursuant to regulations, and the evidence-based interventions and accommodations for dyslexia; and

E. No teacher who seeks a provisional license shall be required to meet any requirement set forth in subdivision D 1, 3, or 6 as a condition of such licensure, but each such teacher shall complete each such requirement during the first year of provisional licensure.

F. The Board shall issue a license to an individual seeking initial licensure who has not completed professional assessments as prescribed by the Board, if such individual (i) holds a provisional license that will expire within three months; (ii) is employed by a school board; (iii) is recommended for licensure by the division superintendent; (iv) has attempted, unsuccessfully, to obtain a qualifying score on the professional assessments as prescribed by the Board; (v) has received an evaluation rating of proficient or above on the performance standards for each year of the provisional license, and such evaluation was conducted in a manner consistent with the Guidelines for Uniform Performance Standards and Evaluation Criteria for Teachers, Principals, and Superintendents; and (vi) meets all other requirements for initial licensure.

G. Each local school board or division superintendent may waive for any individual whom it seeks to employ as a career and technical education teacher and who is also seeking initial licensure or renewal of a license with an endorsement in the area of career and technical education any applicable requirement set forth in subsection C or subdivision D 2, 4, or 6.

~~G.~~ H. The Board's regulations shall require that initial licensure for principals and assistant principals be contingent upon passage of an assessment as prescribed by the Board.

~~H.~~ I. The Board shall establish criteria in its regulations to effectuate the substitution of experiential learning for coursework for those persons seeking initial licensure through an alternate route as defined in Board regulations. Such alternate routes shall include eligibility for any individual to receive, notwithstanding any provision of law to the contrary, a renewable one-year license to teach in public high schools in the Commonwealth if he has:

1. Received a graduate degree from a regionally accredited institution of higher education;

2. Completed at least 30 credit hours of teaching experience as an instructor at a regionally accredited institution of higher education;

3. Received qualifying scores on the professional teacher's assessments prescribed by the Board, including the communication and literacy assessment and the content-area assessment for the endorsement sought; and

2. For any spouse of an active duty member of the Armed Forces of the United States or the Commonwealth who has obtained a valid out-of-state license, with full credentials and without deficiencies, that is in force at the time the application for a Virginia license is received by the Department of Education. Each such individual shall establish a file in the Department of Education by submitting a complete application packet, which shall include official student transcripts. No service requirements or licensing assessments shall be required for any such individual; and

3. For individuals who have obtained a valid out-of-state license, with full credentials and without deficiencies, that is in force at the time the application for a Virginia license is received by the Department of Education. Each such individual shall establish a file in the Department of Education by submitting a complete application packet, which shall include official student transcripts. No service requirements or licensing assessments shall be required for any such individual.

~~K.~~ L. The Board shall include in its regulations an alternate route to licensure for elementary education preK-6 and an alternate route to licensure for special education general curriculum K-12. Each such alternate route to licensure shall require individuals to (i) meet the qualifying scores on the content area assessment prescribed by the Board for the endorsements sought and (ii) complete an alternative certification program that provides training in the pedagogy and methodology of the respective content or special education areas prescribed by the Board. The curriculum of any such alternative certification program shall be approved by the Board. Nothing in this subsection shall preclude the Board from establishing other alternate routes to licensure.

~~§ M.~~ The Board, in its regulations providing for licensure by reciprocity established pursuant to subsection ~~¶~~ K, shall permit applicants to submit third-party employment verification forms.

1. That § 54.1-2810 of the Code of Virginia is amended and reenacted as follows:

§ 54.1-2810. Licensure of funeral establishments.

No person shall conduct, maintain, manage or operate a funeral establishment unless a license for each such establishment has been issued by the Board. licensed funeral director. Applications for funeral establishment licenses shall be made on forms furnished by the Board and filed by the owner or the registered agent of the corporation with the Board.

Each funeral establishment license shall expire annually at a time prescribed by Board regulation. A license may be renewed within 30 days of its expiration. Upon expiration of the license, the Board shall notify each licensee of the provisions of this section. Renewal of a license after the expiration of the 30-day period shall be in the discretion of the Board.

When licensing funeral establishments, the Board may grant a hardship waiver from the requirement for a full-time manager licensed for the practice of funeral service or licensed as a funeral director, allowing the operation of two funeral establishments having in charge one full-time person licensed for the practice of funeral service or one licensed funeral director who divides his time between the two funeral establishments. Prior to granting a hardship waiver, the Board shall find that (i) the two establishments have been in operation for at least three years; (ii) the combined average number of funeral calls at the two establishments, as submitted in monthly reports to the Division of Vital Records and Health Statistics of the Virginia Department of Health, over the previous three years is no more than ~~85~~ 135 per year; and (iii) the distance between the two establishments is 50 miles or less.

CHAPTER 75

An Act to amend and reenact § 46.2-345 of the Code of Virginia, relating to special identification card; applicants who are blind or vision impaired.

[H 1927]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-345 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-345. Issuance of special identification cards; fee; confidentiality; penalties.

A. On the application of any person who is a resident of the Commonwealth or the parent or legal guardian of any such person who is under the age of 15, the Department shall issue a special identification card to the person provided:

1. Application is made on a form prescribed by the Department and includes the applicant's full legal name; year, month, and date of birth; social security number; sex; and residence address;

2. The applicant presents, when required by the Department, proof of identity, legal presence, residency, and social security number or non-work authorized status;

3. The Department is satisfied that the applicant needs an identification card or the applicant shows he has a bona fide need for such a card; and

4. The applicant does not hold a driver's license, commercial driver's license, temporary driver's permit, learner's permit, or motorcycle learner's permit.

Persons 70 years of age or older may exchange a valid Virginia driver's license for a special identification card at no fee. Special identification cards subsequently issued to such persons shall be subject to the regular fees for special identification cards.

B. The fee for the issuance of an original, duplicate, reissue, or renewal special identification card is \$2 per year, with a \$10 minimum fee. Persons 21 years old or older may be issued a scenic special identification card for an additional fee of \$5.

C. Every special identification card shall expire on the applicant's birthday at the end of the period of years for which a special identification card has been issued. At no time shall any special identification card be issued for less than three nor more than eight years, except under the provisions of subsection B of § 46.2-328.1 and except that those cards issued to children under the age of 15 shall expire on the child's sixteenth birthday. Notwithstanding these limitations, the Commissioner may extend the validity period of an expiring card if (i) the Department is unable to process an application for renewal due to circumstances beyond its control, (ii) the extension has been authorized under a directive from the Governor, and (iii) the card was not issued as a temporary special identification card under the provisions of subsection B of § 46.2-328.1. However, in no event shall the validity period be extended more than 90 days per occurrence of such conditions. Any special identification card issued to a person required to register pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1 shall expire on the applicant's birthday in years which the applicant attains an age equally divisible by five. For each person required to register pursuant to Chapter 9 of Title 9.1, the Department may not waive the requirement that each such person shall appear for each renewal or the requirement to obtain a photograph in accordance with subsection C of § 46.2-323.

D. A special identification card issued under this section may be similar in size, shape, and design to a driver's license, and include a photograph of its holder, but the card shall be readily distinguishable from a driver's license and shall clearly state that it does not authorize the person to whom it is issued to drive a motor vehicle. Every applicant for a special identification card shall appear in person before the Department to apply for a renewal, duplicate or reissue unless specifically permitted by the Department to apply in another manner.

E. Special identification cards, for persons at least 15 years old but less than 21 years old, shall be immediately and readily distinguishable from those issued to persons 21 years old or older. Distinguishing characteristics shall include unique design elements of the document and descriptors within the photograph area to identify persons who are at least 15 years old but less than 21 years old. These descriptors shall include the month, day, and year when the person will become 21 years old.

F. Special identification cards for persons under age 15 shall bear a full face photograph. The special identification card issued to persons under age 15 shall be readily distinguishable from a driver's license and from other special identification cards issued by the Department. Such cards shall clearly indicate that it does not authorize the person to whom it is issued to drive a motor vehicle.

G. Unless otherwise prohibited by law, a valid Virginia driver's license may be surrendered for a special identification card without the applicant's having to present proof of legal presence as required by § 46.2-328.1 if the Virginia driver's license is unexpired and it has not been revoked, suspended, or cancelled. The special identification card shall be considered a reissue and the expiration date shall be the last day of the month of the surrendered driver's license's month of expiration.

H. Any personal information, as identified in § 2.2-3801, which is retained by the Department from an application for the issuance of a special identification card is confidential and shall not be divulged to any person, association, corporation, or organization, public or private, except to the legal guardian or the attorney of the applicant or to a person, association, corporation, or organization nominated in writing by the applicant, his legal guardian, or his attorney. This subsection shall not prevent the Department from furnishing the application or any information thereon to any law-enforcement agency.

I. Any person who uses a false or fictitious name or gives a false or fictitious address in any application for an identification card or knowingly makes a false statement or conceals a material fact or otherwise commits a fraud in any such application shall be guilty of a Class 2 misdemeanor. However, where the name or address is given, or false statement is made, or fact is concealed, or fraud committed, with the intent to purchase a firearm or where the identification card is obtained for the purpose of committing any offense punishable as a felony, a violation of this section shall constitute a Class 4 felony.

J. The Department may promulgate regulations necessary for the effective implementation of the provisions of this section.

K. The Department shall utilize the various communications media throughout the Commonwealth to inform Virginia residents of the provisions of this section and to promote and encourage the public to take advantage of its provisions.

L. The Department shall electronically transmit application information to the Department of State Police, in a format approved by the State Police, for comparison with information contained in the Virginia Criminal Information Network and National Crime Information Center Convicted Sexual Offender Registry Files, at the time of issuance of a special identification card. Whenever it appears from the records of the State Police that a person has failed to comply with the duty to register or reregister pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1, the State Police shall promptly investigate and, if there is probable cause to believe a violation has occurred, obtain a warrant or assist in obtaining an indictment charging a violation of § 18.2-472.1 in the jurisdiction in which the person made application for the special identification card.

M. When requested by the applicant, the applicant's parent if the applicant is a minor, or the applicant's guardian, and upon presentation of a signed statement by a licensed physician confirming the applicant's condition, the Department shall

indicate on the applicant's special identification card that the applicant has any condition listed in subsection K of § 46.2-342 or that the applicant is blind or vision impaired.

CHAPTER 76

An Act to amend and reenact § 18.2-259.1 of the Code of Virginia, relating to out-of-state drug offenses; restricted driver's license.

[S 1181]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 18.2-259.1 of the Code of Virginia is amended and reenacted as follows:

§ 18.2-259.1. Forfeiture of driver's license for violations of article.

A. In addition to any other sanction or penalty imposed for a violation of this article, the (i) judgment of conviction under this article or (ii) placement on probation following deferral of further proceedings under § 18.2-251, except if the proceeding was for possession of marijuana pursuant to § 18.2-250.1, or subsection H of § 18.2-258.1 for any such offense shall of itself operate to deprive the person so convicted or placed on probation after deferral of proceedings under § 18.2-251 or subsection H of § 18.2-258.1 of the privilege to drive or operate a motor vehicle, engine, or train in the Commonwealth for a period of six months from the date of such judgment or placement on probation. Such license forfeiture shall be in addition to and shall run consecutively with any other license suspension, revocation or forfeiture in effect or imposed upon the person so convicted or placed on probation. However, a juvenile who has had his license suspended or denied pursuant to § 16.1-278.9 shall not have his license forfeited pursuant to this section for the same offense.

B. The court trying the case shall order any person so convicted or placed on probation to surrender his driver's license to be disposed of in accordance with the provisions of § 46.2-398 and shall notify the Department of Motor Vehicles of any such conviction entered and of the license forfeiture to be imposed.

C. In those cases where the court determines there are compelling circumstances warranting an exception, the court may provide that any individual be issued a restricted license to operate a motor vehicle for any of the purposes set forth in subsection E of § 18.2-271.1. No restricted license issued pursuant to this subsection shall permit any person to operate a commercial motor vehicle as defined in the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). The court shall order the surrender of such person's license in accordance with the provisions of subsection B and shall forward to the Commissioner of the Department of Motor Vehicles a copy of its order entered pursuant to this subsection. This order shall specifically enumerate the restrictions imposed and contain such information regarding the person to whom such a permit is issued as is reasonably necessary to identify such person. The court shall also provide a copy of its order to such person who may operate a motor vehicle on the order until receipt from the Commissioner of the Department of Motor Vehicles of a restricted license, but only if the order provides for a restricted license for that period. A copy of the order and, after receipt thereof, the restricted license shall be carried at all times by such person while operating a motor vehicle. The court may require a person issued a restricted permit under the provisions of this subsection to be monitored by an alcohol safety action program during the period of license suspension. Any violation of the terms of the restricted license or of any condition set forth by the court related thereto, or any failure to remain drug-free during such period shall be reported forthwith to the court by such program. Any person who operates a motor vehicle in violation of any restriction imposed pursuant to this section shall be guilty of a violation of § 46.2-301.

D. Any person who has been convicted under the laws of another state or the United States of a violation substantially similar to a violation of this article and whose privilege to operate a motor vehicle in the Commonwealth is subject to revocation under the provisions of § 46.2-390.1 may petition the general district court of the county or city in which he resides for restricted driving privileges. Subject to the limitations provided in subsection C, if the court determines that there are compelling circumstances warranting an exception, the court may provide that any such person be issued a restricted license to operate a motor vehicle for any of the purposes set forth in subsection E of § 18.2-271.1.

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-1570 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-1570. Discontinuation of distributors.

A. If the contract between a distributor and a manufacturer or importer is terminated or otherwise discontinued, all franchises granted to motor vehicle dealers in Virginia by that distributor shall continue in full force and shall not be

affected by the discontinuance, except that the manufacturer, factory branch, distributor, representative, or other person who undertakes to distribute motor vehicles of the same line-make or the same motor vehicles of a ~~re named~~ renamed line-make shall be substituted for the discontinued distributor under the existing motor vehicle dealer franchises and those franchises shall be modified accordingly.

B. If a manufacturer or factory branch (i) (a) discontinues its right to manufacture a line-make of motor vehicles or (b) sells or otherwise transfers its right to manufacture a line-make of motor vehicles to another manufacturer or factory branch that will manufacture motor vehicles of the same line-make and (ii) the acquiring manufacturer or factory branch does not honor the existing franchise agreements of motor vehicle dealers in Virginia of the same line-make, such discontinuation, sale, or transfer shall constitute a termination of the franchise pursuant to subdivisions 5b and 5c of § 46.2-1569 and such motor vehicle dealers shall be entitled to compensation pursuant to those subdivisions.

CHAPTER 78

An Act to amend and reenact §§ 46.2-341.14:1, 46.2-341.14:10, and 46.2-1702 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 46.2-326.1, relating to commercial vehicle training and testing.

[S 1347]

Be it enacted by the General Assembly of Virginia:

1. That §§ 46.2-341.14:1, 46.2-341.14:10, and 46.2-1702 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding a section numbered 46.2-326.1 as follows:

§ 46.2-326.1. Designation of commercial driver's license skills testing examiners.

A. Notwithstanding the provisions of § 46.2-1702 and unless the Commissioner identifies grounds that would be cause for cancellation of a certification pursuant to subsection D of § 46.2-341.14:5 during the application process, the Department shall certify a licensed Class A driver training school as a third party tester, as defined in § 46.2-341.4, to conduct skills tests if, in addition to the requirements listed in subsections B and C of § 46.2-341.14:1, the school (i) has a program length of 160 hours or more and (ii) maintains a bond in the amount of \$100,000 to pay for retesting drivers in the event that the third party tester or one or more of its third party examiners, as defined in § 46.2-341.4, are involved in fraudulent activities related to conducting knowledge or skills testing for applicants.

The bond required by this subsection shall be in lieu of the bond required in subdivision C 5 of § 46.2-341.14:1 but in addition to the bond required for a licensed Class A driver training school.

Such application must be renewed annually.

For the purposes of this subsection, "good standing" means that the instructor has not had sanctions levied against him by the Department for actions related to his role as an instructor or that the driver training school has not had sanctions levied by the Department for actions related to participation in the Class A driver training school program.

C. If the Department fails to certify a licensed Class A driver training school applicant, the Department shall communicate to the applicant its decision and the reason for denial in writing within 60 days of submission of the application.

D. Licensed Class A driver training schools operating as third party testers shall:

- 1. Remit \$50 per skills test to the Department in accordance with § 46.2-341.13;*

A licensed Class A driver training school permitted to administer skills tests pursuant to the provisions of this section or any third party examiner employed by such Class A driver training school shall not administer skills tests if

its authority to provide training has been revoked, canceled, or suspended by the Department pursuant to § 46.2-1705 or any other provision of law.

§ 46.2-341.14:1. Requirements for third party testers.

A. Pursuant to § 46.2-341.14, third party testers will be authorized to issue skills test certificates, which will be accepted by the Department as evidence of satisfaction of the skills test component of the commercial driver's license examination. Authority to issue skills test certificates will be granted only to third party testers certified by the Department.

If the waiver request is filed prior to April 1, 1992, the request should also include an estimate of the number of employees who will require skills testing prior to that date.

B. The Department will review the applicant's waiver request and will evaluate the Department's testing and third party monitoring resources. The Department will decide whether to grant the waiver request after balancing the stated needs of the applicant and the available resources of the Department. § 46.2-1702. Certification of driver education courses by Commissioner.

Notwithstanding any other provision of law, the Commissioner shall have the authority to approve as a driver education course satisfying the requirements of § 46.2-334 any course which is offered by any driver training school licensed under the provisions of this chapter if he finds that the course is of comparable content and quality to that offered in the Commonwealth's public schools. In making such finding, the Commissioner shall not require that the instructors of any driver training school meet the certification requirements of teachers in the Commonwealth's public schools.

Any comprehensive community college within the Virginia Community College System shall have the authority to offer the courses required by the Virginia Board of Education to become a certified driver education instructor in Virginia on a not-for-credit basis so long as the courses include the same content and curriculum required by the Department of Education, enabling individuals who complete those courses to then teach driver's education in Virginia driver education training schools upon official certification by the Department of Motor Vehicles. The Virginia Department of Education shall provide the curriculum, content, and other information regarding the courses required to become certified driver education instructors in Virginia to any comprehensive community college within the Virginia Community College System. The content of each course must be accurate and rigorous and must meet the requirements for the Department of Education's Curriculum and Administrative Guide for Driver's Education, which includes the Board of Education's standards of learning.

Except for schools in the Commonwealth's public school system and providers of correspondence courses approved by the Board of Education pursuant to subsection F of § 22.1-205, only those driver training schools that are licensed as computer-based driver education providers shall be authorized to administer computer-based driver education courses, including the parent/student driver education component of the driver education curriculum as established in § 22.1-205. The content and quality of such computer-based driver education courses shall be comparable to that of courses offered in the Commonwealth's public schools. The Commissioner may establish minimum standards for testing students who have enrolled in computer-based driver education courses. Such standards may include (i) requirements for the test site; (ii) verification that the person taking the test is the person enrolled in the course; (iii) verification of the identity of the student using photo identification approved by the Commissioner; and (iv) maintenance of a log containing the name and title of the licensed instructor monitoring the test, the test date, the name of the student taking the test, and the student's time-in and time-out of the test site. Computer-based driver education providers shall not issue a certificate of completion to a student prior to receiving proof of completion of the additional minimum 90-minute parent/student driver education component pursuant to § 22.1-205.

Any driver training school licensed under the provisions of this chapter shall be authorized to provide the 90-minute parent/student driver education component of the driver education curriculum pursuant to § 22.1-205. Only public schools and those driver training schools that are licensed as computer-based driver education providers shall be authorized to administer the parent/student driver education component of the driver education curriculum through a virtual, computer-based program. Completion of such education component shall satisfy the requirement for the additional 90-minute parent/student driver education component so long as there is participation of the student's parent or guardian and the content provided is comparable to that which is offered in the Commonwealth's public schools and emphasizes (a) parental responsibilities regarding juvenile driver behavior, (b) juvenile driving restrictions pursuant to this Code, and (c) the dangers of driving while intoxicated and underage consumption of alcohol.

The Commissioner shall have authority to approve any driver education course offered by any Class A licensee if he finds the course meets the requirements for such courses as set forth in this chapter and as otherwise established by the Department. Class A licensees shall not be permitted to administer knowledge or behind-the-wheel examinations *unless authorized pursuant to § 46.2-326.1*. Driver education courses offered by any Class B licensee shall be based on the driver education curriculum currently approved by the Department of Education and the Department.

The Commissioner may accept, in lieu of requirements established by the Department of Education for instructor qualification, (1) 20 years' service with the Virginia Department of State Police by a law-enforcement officer who retired or resigned while in good standing from such Department or (2)(i) 20 years' service as a traffic enforcement officer with patrol experience with any local police department by a law-enforcement officer who has been certified by the Virginia

Department of Criminal Justice Services pursuant to § 15.2-1706, (ii) who retired or resigned while in good standing from such department, and (iii) who has been certified to teach driver training by the Virginia Department of Criminal Justice Services.

2. That the provisions of this act shall become effective on October 1, 2019.

3. That the Commissioner of the Department of Motor Vehicles shall report to the Chairmen of the House and Senate Committees on Transportation by December 1, 2021, (i) regarding the wait times for commercial driver's licenses and the growth of third party testing in the Commonwealth and (ii) on infractions incurred by holders of a Virginia commercial driver's license while driving a commercial motor vehicle, aggregated by the type of tester, beginning after the implementation of this act.

CHAPTER 81

An Act to amend and reenact § 33.2-331 of the Code of Virginia, relating to six-year plans for secondary state highways; public meeting.

[S 1684]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 33.2-331 of the Code of Virginia is amended and reenacted as follows:

§ 33.2-331. Annual meeting with county officers; six-year plan for secondary state highways; certain reimbursements required.

For purposes of this section, "cancellation" means complete elimination of a highway construction or improvement project from the six-year plan.

The governing body of each county in the secondary state highway system may, jointly with the representatives of the Department as designated by the Commissioner of Highways, prepare a six-year plan for the improvements to the secondary state highway system in that county. Each such six-year plan shall be based upon the best estimate of funds to be available to the county for expenditure in the six-year period on the secondary state highway system. Each such plan shall list the proposed improvements, together with an estimated cost of each project so listed. Following the preparation of the plan *in any year in which a proposed new funding allocation is greater than \$100,000*, the board of supervisors or other local governing body shall conduct a public hearing after publishing notice in a newspaper published in or having general circulation in the county once a week for two successive weeks and posting notice of the proposed hearing at the front door of the courthouse of such county 10 days before the meeting. At the public hearings, which shall be conducted jointly by the board of supervisors and the representative of the Department, the entire six-year plan shall be discussed with the citizens of the county and their views considered. Following the discussion, the local governing body, together with the representative of the Department, shall finalize and officially adopt the six-year plan, which shall then be considered the official plan of the county.

At least once in each calendar year *in which a proposed new funding allocation is greater than \$100,000*, representatives of the Department in charge of the secondary state highway system in each county, or some representative of the Department designated by the Commissioner of Highways, shall meet with the governing body of each county in a regular or special meeting of the local governing body for the purpose of preparing a budget for the expenditure of improvement funds for the next fiscal year. The representative of the Department shall furnish the local governing body with an updated estimate of funds, and the board and the representative of the Department shall jointly prepare the list of projects to be carried out in that fiscal year taken from the six-year plan by order of priority and following generally the policies of the Board in regard to the statewide improvements to the secondary state highway system. ~~Such~~ *In any year in which a proposed new funding allocation is greater than \$100,000*, such list of priorities shall then be presented at a public hearing duly advertised in accordance with the procedure outlined in this section, and comments of citizens shall be obtained and considered. Following this public hearing, the board, with the concurrence of the representative of the Department, shall adopt, as official, a priority program for the ensuing year, and the Department shall include such listed projects in its secondary highways budget for the county for that year.

At least once every two years following the adoption of the original six-year plan, the governing body of each county, together with the representative of the Department, ~~shall~~ *may* update the six-year plan of the county by adding to it and extending it as necessary so as to maintain it as a plan encompassing six years. Whenever additional funds for secondary highway purposes become available, the local governing body may request a revision in its six-year plan in order that such plan be amended to provide for the expenditure of the additional funds. Such additions and extensions to each six-year plan shall be prepared in the same manner and following the same procedures as outlined herein for its initial preparation. Where the local governing body and the representative of the Department fail to agree upon a priority program, the local governing body may appeal to the Commissioner of Highways. The Commissioner of Highways shall consider all proposed priorities and render a decision establishing a priority program based upon a consideration by the Commissioner of Highways of the welfare and safety of county citizens. Such decision shall be binding.

Nothing in this section shall preclude a local governing body, with the concurrence of the representative of the Department, from combining the public hearing *that may be required pursuant to this section* for revision of a six-year plan with the public hearing *that may be required pursuant to this section* for review of the list of priorities, provided that notice of such combined hearing is published in accordance with procedures provided in this section.

All such six-year plans shall consider all existing highways in the secondary state highway system, including those in the towns located in the county that are maintained as a part of the secondary state highway system, and shall be made a public document.

If any county cancels any highway construction or improvement project included in its six-year plan after the location and design for the project has been approved, such county shall reimburse the Department the net amount of all funds expended by the Department for planning, engineering, right-of-way acquisition, demolition, relocation, and construction between the date on which project development was initiated and the date of cancellation. To the extent that funds from secondary highway allocations have been expended to pay for a highway construction or improvement project, all revenues generated from a reimbursement by the county shall be deposited into that same county's secondary highway allocation. The Commissioner of Highways may waive all or any portion of such reimbursement at his discretion.

The provisions of this section shall not apply in instances where less than 100 percent of the right-of-way is available for donation for unpaved highway improvements.

CHAPTER 82

An Act to amend and reenact § 33.2-1020 of the Code of Virginia, relating to certificates; notice of filing or recordation.

[S 1700]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 33.2-1020 of the Code of Virginia is amended and reenacted as follows:

§ 33.2-1020. Payment of certificates of deposit; recordation of certain certificates; notice to owner.

A. A certificate of deposit shall be deemed and held for the purpose of this article to be payment into the custody of such court. Payment against any certificate of deposit so issued and countersigned, when ordered by the court named therein, shall be paid by the State Treasurer on warrants of the Comptroller, issued on vouchers signed by the Commissioner of Highways.

B. A duplicate of each certificate of deposit so issued and countersigned shall be kept as a record in the office of the Commissioner of Highways and a copy thereof shall be filed with the State Treasurer.

C. The Commissioner of Highways shall give notice, between 30 and 45 days prior to the date on which any certificate will be filed or recorded pursuant to this chapter, to the owner or tenant, if known, of the freehold by certified or registered mail that such certificate ~~of deposit~~ will be filed or recorded. Additionally, within four business days of the filing or recording of a certificate, the Commissioner of Highways shall give notice of such filing or recording to the owner or tenant, if known, of the freehold by providing a copy of such certificate by certified or registered mail.

CHAPTER 83

An Act to amend and reenact § 33.2-214 of the Code of Virginia and to amend the Code of Virginia by adding in Article 7 of Chapter 15 of Title 33.2 a section numbered 33.2-1532, relating to the Robert O. Norris Bridge and Statewide Special Structure Fund.

[S 1749]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 33.2-214 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding in Article 7 of Chapter 15 of Title 33.2 a section numbered 33.2-1532 as follows:

§ 33.2-214. Transportation; Six-Year Improvement Program.

A. The Board shall have the power and duty to monitor and, where necessary, approve actions taken by the Department of Rail and Public Transportation pursuant to Article 5 (§ 33.2-281 et seq.) in order to ensure the efficient and economical development of public transportation, the enhancement of rail transportation, and the coordination of such rail and public transportation plans with highway programs.

B. The Board shall have the power and duty to coordinate the planning for financing of transportation needs, including needs for highways, railways, seaports, airports, and public transportation and set aside funds as provided in § 33.2-1524. To allocate funds for these needs pursuant to §§ 33.2-358 and 58.1-638, the Board shall adopt a Six-Year Improvement Program of anticipated projects and programs by July 1 of each year. This program shall be based on the most recent official Transportation Trust Fund revenue forecast and shall be consistent with a debt management policy adopted by the Board in consultation with the Debt Capacity Advisory Committee and the Department of the Treasury.

C. The Board shall have the power and duty to enter into contracts with local districts, commissions, agencies, or other entities created for transportation purposes.

D. The Board shall have the power and duty to promote increasing private investment in the Commonwealth's transportation infrastructure, including acquisition of causeways, bridges, tunnels, highways, and other transportation facilities.

E. The Board shall only include a project or program wholly or partially funded with funds from the State of Good Repair Program pursuant to § 33.2-369, the High Priority Projects Program pursuant to § 33.2-370, or the Highway Construction District Grant Programs pursuant to § 33.2-371 in the Six-Year Improvement Program if the allocation of funds from those programs and other funding committed to such project or program within the six-year horizon of the Six-Year Improvement Program is sufficient to complete the project or program. *The provisions of this subsection shall not apply to any project (i) the design and construction of which cannot be completed within six years, (ii) the estimated costs of which exceed \$2 billion, and (iii) that requires the Board to exercise its authority to waive the funding cap pursuant to subsection B of § 33.2-369.*

F. The Board shall have the power and duty to integrate land use with transportation planning and programming, consistent with the efficient and economical use of public funds. If the Board determines that a local transportation plan described in § 15.2-2223 or any amendment as described in § 15.2-2229 or a metropolitan regional long-range transportation plan or regional Transportation Improvement Program as described in § 33.2-3201 is not consistent with the Board's Statewide Transportation Plan developed pursuant to § 33.2-353, the Six-Year Improvement Program adopted pursuant to subsection B, and the location of routes to be followed by roads comprising systems of state highways pursuant to subsection A of § 33.2-208, the Board shall notify the locality of such inconsistency and request that the applicable plan or program be amended accordingly. If, after a reasonable time, the Board determines that there is a refusal to amend the plan or program, then the Board may reallocate funds that were allocated to the nonconforming project as permitted by state or federal law. However, the Board shall not reallocate any funds allocated pursuant to § 33.2-319 or 33.2-366, based on a determination of inconsistency with the Board's Statewide Transportation Plan or the Six-Year Improvement Program nor shall the Board reallocate any funds, allocated pursuant to subsection C or D of § 33.2-358, from any projects on highways controlled by any county that has withdrawn, or elects to withdraw, from the secondary system of state highways based on a determination of inconsistency with the Board's Statewide Transportation Plan or the Six-Year Improvement Program. If a locality or metropolitan planning organization requests the termination of a project, and the Department does not agree to the termination, or if a locality or metropolitan planning organization does not advance a project to the next phase of construction when requested by the Board and the Department has expended state or federal funds, the locality or the localities within the metropolitan planning organization may be required to reimburse the Department for all funds expended on the project. If, after design approval by the Chief Engineer of the Department, a locality or metropolitan planning organization requests alterations to a project that, in the aggregate, exceeds 10 percent of the total project costs, the locality or the localities within the metropolitan planning organization may be required to reimburse the Department for the additional project costs above the original estimates for making such alterations.

§ 33.2-1532. Robert O. Norris Bridge and Statewide Special Structure Fund.

There is hereby created in the state treasury a special nonreverting fund to be known as the Robert O. Norris Bridge and Statewide Special Structure Fund, referred to in this section as "the Fund." The Fund shall be established on the books of the Comptroller. The amount allocated to the Fund pursuant to §§ 33.2-358, 33.2-369, and 33.2-1530 and any funds as

may be appropriated by the General Assembly shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes of funding maintenance and replacement of large and unique structures. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Secretary of Transportation. No later than November 30 each year, the Commissioner of Highways shall submit a report to the Governor and General Assembly on the use of moneys in the Fund.

2. That the Commonwealth Transportation Board (the Board) shall undertake a comprehensive review of the current and future condition of pavements and bridges in the Commonwealth. This review shall at a minimum (i) consider current conditions and performance targets of pavements and bridges, (ii) consider current investment strategies of the Highway Maintenance and Operating Fund as well as the State of Good Repair Program, (iii) recommend new performance targets for pavements and bridges with sustainable performance over a 20-year period, and (iv) develop an investment strategy for the Highway Maintenance and Operating Fund and the State of Good Repair Program to achieve those sustainable performance targets, including a plan to address the funding needs of large and unique bridges and tunnel structures in the Commonwealth. The Board shall report no later than December 1, 2019, to the Chairmen of the House and Senate Committees on Transportation, the Joint Commission on Transportation Accountability, the House Committee on Appropriations, and the Senate Committee on Finance.

3. That the Commonwealth Transportation Board (the Board) shall, after July 1, 2020, and based on the review conducted by the Board pursuant to the second enactment of this act, dedicate a portion of funding from the Highway Maintenance and Operating Fund and the State of Good Repair Fund to the Robert O. Norris Bridge and Statewide Special Structure Fund, as created by this act.

4. That the Commonwealth Transportation Board shall evaluate the feasibility of using the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq. of the Code of Virginia) to design, build, operate, and maintain two bridges to replace the existing Robert O. Norris Bridge on State Route 3 over the Rappahannock River between Lancaster and Middlesex Counties and the existing Downing Bridge on U.S. Route 360 over the Rappahannock River between the Town of Warsaw in Richmond County and the Town of Tappahannock in Essex County.

A. In any case in which a child has been placed in foster care as a result of (i) court commitment, (ii) an entrustment agreement entered into by the parent or parents, or (iii) other voluntary relinquishment by the parent or parents, or in any case in which the parent or parents have voluntarily consented to the adoption of the child, the child's birth parent or parents may enter into a written post-adoption contact and communication agreement with the pre-adoptive parent or parents as provided in Article 1.1 (§ 63.2-1220.2 et seq.) of Chapter 12 of Title 63.2. *Unless the parental rights of the birth parent or parents have been terminated pursuant to subsection E of § 16.1-283, a local board of social services or child welfare agency required to file a petition for a permanency planning hearing pursuant to § 16.1-282.1 may inform the birth parent or parents and shall inform the adoptive parent or parents that they may enter into such an agreement and shall inform the child if he is 14 years of age or older that he may consent to such an agreement.*

B. The court may consider the appropriateness of a written post-adoption contact and communication agreement entered into pursuant to subsection A and in accordance with Article 1.1 (§ 63.2-1220.2 et seq.) of Chapter 12 of Title 63.2 at the permanency planning hearing pursuant to § 16.1-282.1 and, if the court finds that all of the requirements of subsection A and Article 1.1 (§ 63.2-1220.2 et seq.) of Chapter 12 of Title 63.2 have been met, shall incorporate the written post-adoption contact and communication agreement into an order entered at the conclusion of such hearing.

§ 63.2-1220.2. Authority to enter into post-adoption contact and communication agreements.

A. In any proceeding for adoption pursuant to this chapter, the birth parent(s) and the adoptive parent(s) of a child may enter into a written post-adoption contact and communication agreement. A post-adoption contact and communication agreement may include, but is not limited to, provisions related to contact and communication between the child, the birth parent(s), and the adoptive parent(s) and provisions for the sharing of information about the child, including sharing of photographs of the child and information about the child's education, health, and welfare. *Unless the parental rights of the birth parent or parents have been terminated pursuant to subsection E of § 16.1-283, a local board of social services or child welfare agency required to file a petition for a permanency planning hearing pursuant to § 16.1-282.1 may inform the birth parent or parents and shall inform the adoptive parent or parents that they may enter into such an agreement and shall inform the child if he is 14 years of age or older that he may consent to such an agreement.*

B. Any post-adoption contact and communication agreement entered into by the birth parent(s) and the adoptive parent(s) of a child shall include acknowledgment by the birth parent(s) that the adoption of the child is irrevocable, even if the adoptive parent(s) do not abide by the post-adoption contact and communication agreement, and acknowledgment by the adoptive parent(s) that the agreement grants the birth parent(s) the right to seek to enforce the post-adoption contact and communication provisions set forth in the agreement. The petitioner for adoption shall file such agreement with other documents filed in the circuit court having jurisdiction over the child's adoption.

C. In no event shall failure to enter into a post-adoption contact and communication agreement with identified adoptive parent(s) after a valid entrustment agreement or consent to the child's adoption is executed, or failure to comply with a post-adoption contact and communication agreement, affect the validity of (i) the consent to the adoption, (ii) the voluntary relinquishment of parental rights, (iii) the voluntary or involuntary termination of parental rights, or (iv) the finality of the adoption.

D. No birth parent(s) or adoptive parent(s) of a child shall be required to enter into a post-adoption contact and communication agreement.

[H 1849]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 54.1-2722 of the Code of Virginia is amended and reenacted as follows:

§ 54.1-2722. License; application; qualifications; practice of dental hygiene; report.

A. No person shall practice dental hygiene unless he possesses a current, active, and valid license from the Board of Dentistry. The licensee shall have the right to practice dental hygiene in the Commonwealth for the period of his license as set by the Board, under the direction of any licensed dentist.

B. An application for such license shall be made to the Board in writing and shall be accompanied by satisfactory proof that the applicant (i) is of good moral character, (ii) is a graduate of a dental hygiene program accredited by the Commission on Dental Accreditation and offered by an accredited institution of higher education, (iii) has passed the dental hygiene examination given by the Joint Commission on Dental Examinations, and (iv) has successfully completed a clinical examination acceptable to the Board.

C. The Board may grant a license to practice dental hygiene to an applicant licensed to practice in another jurisdiction if he (i) meets the requirements of subsection B; (ii) holds a current, unrestricted license to practice dental hygiene in another jurisdiction in the United States; (iii) has not committed any act that would constitute grounds for denial as set forth in § 54.1-2706; and (iv) meets other qualifications as determined in regulations promulgated by the Board.

D. A licensed dental hygienist may, under the direction or general supervision of a licensed dentist and subject to the regulations of the Board, perform services that are educational, diagnostic, therapeutic, or preventive. These services shall not include the establishment of a final diagnosis or treatment plan for a dental patient. Pursuant to subsection V of § 54.1-3408, a licensed dental hygienist may administer topical oral fluorides under an oral or written order or a standing protocol issued by a dentist or a doctor of medicine or osteopathic medicine.

A dentist may also authorize a dental hygienist under his direction to administer Schedule VI nitrous oxide and oxygen inhalation analgesia and, to persons 18 years of age or older, Schedule VI local anesthesia. In its regulations, the Board of Dentistry shall establish the education and training requirements for dental hygienists to administer such controlled substances under a dentist's direction.

For the purposes of this section, "general supervision" means that a dentist has evaluated the patient and prescribed authorized services to be provided by a dental hygienist; however, the dentist need not be present in the facility while the authorized services are being provided.

The Board shall provide for an inactive license for those dental hygienists who hold a current, unrestricted license to practice in the Commonwealth at the time of application for an inactive license and who do not wish to practice in Virginia. The Board shall promulgate such regulations as may be necessary to carry out the provisions of this section, including requirements for remedial education to activate a license.

E. For the purposes of this subsection, "remote supervision" means that a public health dentist has regular, periodic communications with a public health dental hygienist regarding patient treatment, but such dentist may not have conducted an initial examination of the patients who are to be seen and treated by the dental hygienist and may not be present with the dental hygienist when dental hygiene services are being provided.

Notwithstanding any provision of law, a dental hygienist employed by the Virginia Department of Health *or the Department of Behavioral Health and Developmental Services* who holds a license issued by the Board of Dentistry may provide educational and preventative dental care in the Commonwealth under the remote supervision of a dentist employed by the Department of Health *or the Department of Behavioral Health and Developmental Services*. A dental hygienist providing such services shall practice pursuant to a ~~protocol adopted by the Commissioner of Health on September 23, 2010, having been protocols~~ developed jointly by (i) ~~the medical directors of the Cumberland Plateau, Southside, and Shenandoah Health Districts;~~ (ii) ~~dental hygienists employed by the Department of Health;~~ (iii) ~~the Director of the Dental Health Division of the Department of Health;~~ (iv) ~~one representative of the~~ and the Department of Behavioral Health and Developmental Services for each agency, in consultation with the Virginia Dental Association; and ~~(v) one representative of the Virginia Dental Hygienists' Association.~~ Such ~~protocol~~ protocols shall be adopted by the Board as regulations.

A report of services provided by dental hygienists *employed by the Virginia Department of Health* pursuant to such protocol, including their impact upon the oral health of the citizens of the Commonwealth, shall be prepared and submitted *annually to the Secretary of Health and Human Resources by the Department of Health, and a report of services provided by dental hygienists employed by the Department of Behavioral Health and Developmental Services shall be prepared and submitted annually to the Virginia Secretary of Health and Human Resources annually by the Department of Behavioral Health and Developmental Services.* Nothing in this section shall be construed to authorize or establish the independent practice of dental hygiene.

F. For the purposes of this subsection, "remote supervision" means that a supervising dentist is accessible and available for communication and consultation with a dental hygienist during the delivery of dental hygiene services, but such dentist may not have conducted an initial examination of the patients who are to be seen and treated by the dental hygienist and may not be present with the dental hygienist when dental hygiene services are being provided.

Notwithstanding any other provision of law, a dental hygienist may practice dental hygiene under the remote supervision of a dentist who holds an active license by the Board and who has a dental practice physically located in the Commonwealth. No dental hygienist shall practice under remote supervision unless he has (i) completed a continuing education course designed to develop the competencies needed to provide care under remote supervision offered by an accredited dental education program or from a continuing education provider approved by the Board and (ii) at least two years of clinical experience, consisting of at least 2,500 hours of clinical experience. A dental hygienist practicing under remote supervision shall have professional liability insurance with policy limits acceptable to the supervising dentist. A dental hygienist shall only practice under remote supervision at a federally qualified health center; charitable safety net facility; free clinic; long-term care facility; elementary or secondary school; Head Start program; *mobile dentistry program for adults with developmental disabilities operated by the Department of Behavioral Health and Developmental Services' Office of Integrated Health*; or women, infants, and children (WIC) program.

A dental hygienist practicing under remote supervision may (a) obtain a patient's treatment history and consent, (b) perform an oral assessment, (c) perform scaling and polishing, (d) perform all educational and preventative services, (e) take X-rays as ordered by the supervising dentist or consistent with a standing order, (f) maintain appropriate documentation in the patient's chart, (g) administer topical oral fluorides under an oral or written order or a standing protocol issued by a dentist or a doctor of medicine or osteopathic medicine pursuant to subsection V of § 54.1-3408, and (h) perform any other service ordered by the supervising dentist or required by statute or Board regulation. No dental hygienist practicing under remote supervision shall administer local anesthetic or nitrous oxide.

Prior to providing a patient dental hygiene services, a dental hygienist practicing under remote supervision shall obtain (1) the patient's or the patient's legal representative's signature on a statement disclosing that the delivery of dental hygiene services under remote supervision is not a substitute for the need for regular dental examinations by a dentist and (2) verbal confirmation from the patient that he does not have a dentist of record whom he is seeing regularly.

After conducting an initial oral assessment of a patient, a dental hygienist practicing under remote supervision may provide further dental hygiene services following a written practice protocol developed and provided by the supervising dentist. Such written practice protocol shall consider, at a minimum, the medical complexity of the patient and the presenting signs and symptoms of oral disease.

A dental hygienist practicing under remote supervision shall inform the supervising dentist of all findings for a patient. A dental hygienist practicing under remote supervision may continue to treat a patient for 90 days. After such 90-day period, the supervising dentist, absent emergent circumstances, shall either conduct an examination of the patient or refer the patient to another dentist to conduct an examination. The supervising dentist shall develop a diagnosis and treatment plan for the patient, and either the supervising dentist or the dental hygienist shall provide the treatment plan to the patient. The supervising dentist shall review a patient's records at least once every 10 months.

Nothing in this subsection shall prevent a dental hygienist from practicing dental hygiene under general supervision whether as an employee or as a volunteer.

2. That the Board of Dentistry shall promulgate regulations to implement the provisions of this act to be effective within 280 days of its enactment.

The controlled substances and prescription devices under seal shall remain in a secured manner on the premises at the previously authorized address of the registration, license, permit, or certificate. No person shall access or relocate such controlled substances and prescription devices without authorization from the Board. The registrant, licensee, permittee, or certificate holder shall ensure the controlled substances and prescription devices remain securely under seal at all times with no unauthorized access.*

The Board shall promulgate regulations to provide exceptions to this prior notification.

If the owner is other than the pharmacist making the application, the type of ownership shall be indicated and shall list any partner or partners, and, if a corporation, then the corporate officers and directors. Further, if the owner is not a pharmacist, he shall not abridge the authority of the pharmacist-in-charge to exercise professional judgment relating to the dispensing of drugs in accordance with this act and Board regulations.

The Director, ~~his authorized agent, or the law-enforcement officer~~ may properly dispose of the seized drugs and devices after ~~six months~~ 60 days from the date of the notice of seizure if the owner has not claimed and provided for the proper disposition of the property. The Board ~~or law enforcement agency~~ shall assess a fee of not less than the cost of storage of said drugs upon the owner for reclaiming seized property.

The succeeding pharmacist-in-charge shall cause an inventory to be made of all Schedule I, II, III, IV and V drugs on hand. Such inventory shall be completed as of the date he becomes pharmacist-in-charge and prior to opening for business on that date.

The pharmacist to whom such permit is issued shall provide safeguards against diversion of all controlled substances.

An application for a pharmacy permit shall be accompanied by a fee determined by the Board. All permits shall expire annually on a date determined by the Board in regulation.

Every pharmacy shall be equipped so that prescriptions can be properly filled. The Board of Pharmacy shall prescribe the minimum of such professional and technical equipment and reference material which a pharmacy shall at all times possess. Nothing shall prevent a pharmacist who is eligible to receive information from the Prescription Monitoring Program from requesting and receiving such information; however, no pharmacy shall be required to maintain Internet access to the Prescription Monitoring Program. No permit shall be issued or continued for the conduct of a pharmacy until or unless there is compliance with the provisions of this chapter and regulations promulgated by the Board.

Every pharmacy shall comply with federal requirements for an electronic, interoperable system to identify, trace, and verify prescription drugs as they are distributed.

Each day during which a person is in violation of this section shall constitute a separate offense.

1. Face-to-face communication with the pharmacist or the pharmacist's designee;
2. A sign posted in such a manner that it can be seen by patients;
3. A notation affixed to or written on the bag in which the prescription is to be delivered;
4. A notation contained on the prescription container; or

A pharmacist may offer to counsel any person who receives a refill of a prescription to the extent deemed appropriate by the pharmacist in his professional judgment.

C. If the offer to counsel is accepted, the pharmacist shall counsel the person presenting the prescription to the extent the pharmacist deems appropriate in his professional judgment. Such counseling shall be performed by the pharmacist himself and may, but need not, include the following:

7. Prescription refill information; and
8. Action to be taken in the event of a missed dose.

Nothing in this section shall be construed as requiring a pharmacist to provide counseling when the person presenting the prescription fails to accept the pharmacist's offer to counsel. If the prescription is delivered to a person residing outside of the local telephone calling area of the pharmacy, the pharmacist shall either provide a toll-free telephone number or accept reasonable collect calls from such person.

D. Reasonable efforts shall be made to obtain, record, and maintain the following patient information generated at the individual pharmacy:

2. Individual history where significant, including known allergies and drug reactions, and a comprehensive list of medications and relevant devices; and

Such information may be recorded in the patient's manual or electronic profile, or in the prescription signature log, or in any other system of records and may be considered by the pharmacist in the exercise of his professional judgment concerning both the offer to counsel and content of counseling. The absence of any record of a failure to accept the pharmacist's offer to counsel shall be presumed to signify that such offer was accepted and that such counseling was provided.

E. This section shall not apply to any drug dispensed to an inpatient of a hospital or nursing home, except to the extent required by regulations promulgated by the federal Health Care Financing Administration implementing 42 U.S.C. § 1396r-8 (g)(2)(A).

§ 63.2-1509. Requirement that certain injuries to children be reported by physicians, nurses, teachers, etc.; penalty for failure to report.

A. The following persons who, in their professional or official capacity, have reason to suspect that a child is an abused or neglected child, shall report the matter immediately to the local department of the county or city wherein the child resides or wherein the abuse or neglect is believed to have occurred or to the Department's toll-free child abuse and neglect hotline:

1. Any person licensed to practice medicine or any of the healing arts;

2. Any hospital resident or intern, and any person employed in the nursing profession;

3. Any person employed as a social worker or family-services specialist;

6. Any person providing full-time or part-time child care for pay on a regularly planned basis;

7. Any mental health professional;

8. Any law-enforcement officer or animal control officer;

9. Any mediator eligible to receive court referrals pursuant to § 8.01-576.8;

10. Any professional staff person, not previously enumerated, employed by a private or state-operated hospital, institution or facility to which children have been committed or where children have been placed for care and treatment;

11. Any person 18 years of age or older associated with or employed by any public or private organization responsible for the care, custody or control of children;

12. Any person who is designated a court-appointed special advocate pursuant to Article 5 (§ 9.1-151 et seq.) of Chapter 1 of Title 9.1;

13. Any person 18 years of age or older who has received training approved by the Department of Social Services for the purposes of recognizing and reporting child abuse and neglect;

14. Any person employed by a local department as defined in § 63.2-100 who determines eligibility for public assistance;

15. Any emergency medical services provider certified by the Board of Health pursuant to § 32.1-111.5, unless such provider immediately reports the matter directly to the attending physician at the hospital to which the child is transported, who shall make such report forthwith;

16. Any athletic coach, director or other person 18 years of age or older employed by or volunteering with a private sports organization or team;

17. Administrators or employees 18 years of age or older of public or private day camps, youth centers and youth recreation programs; and

18. Any person employed by a public or private institution of higher education other than an attorney who is employed by a public or private institution of higher education as it relates to information gained in the course of providing legal representation to a client.

This subsection shall not apply to any regular minister, priest, rabbi, imam, or duly accredited practitioner of any religious organization or denomination usually referred to as a church as it relates to (i) information required by the doctrine of the religious organization or denomination to be kept in a confidential manner or (ii) information that would be subject to § 8.01-400 or 19.2-271.3 if offered as evidence in court.

If neither the locality in which the child resides nor where the abuse or neglect is believed to have occurred is known, then such report shall be made to the local department of the county or city where the abuse or neglect was discovered or to the Department's toll-free child abuse and neglect hotline.

If an employee of the local department is suspected of abusing or neglecting a child, the report shall be made to the court of the county or city where the abuse or neglect was discovered. Upon receipt of such a report by the court, the judge shall assign the report to a local department that is not the employer of the suspected employee for investigation or family assessment. The judge may consult with the Department in selecting a local department to respond to the report or the complaint.

If the information is received by a teacher, staff member, resident, intern or nurse in the course of professional services in a hospital, school or similar institution, such person may, in place of said report, immediately notify the person in charge of the institution or department, or his designee, who shall make such report forthwith. If the initial report of suspected abuse or neglect is made to the person in charge of the institution or department, or his designee, pursuant to this subsection, such person shall notify the teacher, staff member, resident, intern or nurse who made the initial report when the report of suspected child abuse or neglect is made to the local department or to the Department's toll-free child abuse and neglect hotline, and of the name of the individual receiving the report, and shall forward any communication resulting from the report, including any information about any actions taken regarding the report, to the person who made the initial report.

The initial report may be an oral report but such report shall be reduced to writing by the child abuse coordinator of the local department on a form prescribed by the Board. Any person required to make the report pursuant to this subsection shall disclose all information that is the basis for his suspicion of abuse or neglect of the child and, upon request, shall make available to the child-protective services coordinator and the local department, which is the agency of jurisdiction, any information, records, or reports that document the basis for the report. All persons required by this subsection to report suspected abuse or neglect who maintain a record of a child who is the subject of such a report shall cooperate with the investigating agency and shall make related information, records and reports available to the investigating agency unless such disclosure violates the federal Family Educational Rights and Privacy Act (20 U.S.C. § 1232g). Provision of such information, records, and reports by a health care provider shall not be prohibited by § 8.01-399. Criminal investigative reports received from law-enforcement agencies shall not be further disseminated by the investigating agency nor shall they be subject to public disclosure.

B. For purposes of subsection A, "reason to suspect that a child is abused or neglected" shall, *due to the special medical needs of infants affected by substance exposure*, include (i) a finding made by a health care provider within six weeks of the birth of a child that the child was born affected by substance abuse or experiencing withdrawal symptoms resulting from in utero drug exposure; (ii) a diagnosis made by a health care provider within four years following a child's birth that the child has an illness, disease, or condition that, to a reasonable degree of medical certainty, is attributable to maternal abuse of a controlled substance during pregnancy; or (iii) a diagnosis made by a health care provider within four years following a child's birth that the child has a fetal alcohol spectrum disorder attributable to in utero exposure to alcohol. When "reason to suspect" is based upon this subsection, such fact shall be included in the report along with the facts relied upon by the person making the report. *Such reports shall not constitute a per se finding of child abuse or neglect. If a health care provider in a licensed hospital makes any finding or diagnosis set forth in clause (i), (ii), or (iii), the hospital shall require the development of a written discharge plan under protocols established by the hospital pursuant to subdivision B 6 of § 32.1-127.*

C. Any person who makes a report or provides records or information pursuant to subsection A or who testifies in any judicial proceeding arising from such report, records, or information shall be immune from any civil or criminal liability or administrative penalty or sanction on account of such report, records, information, or testimony, unless such person acted in bad faith or with malicious purpose.

D. Any person required to file a report pursuant to this section who fails to do so as soon as possible, but not longer than 24 hours after having reason to suspect a reportable offense of child abuse or neglect, shall be fined not more than \$500 for the first failure and for any subsequent failures not less than \$1,000. In cases evidencing acts of rape, sodomy, or object sexual penetration as defined in Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2, a person who knowingly and intentionally fails to make the report required pursuant to this section shall be guilty of a Class 1 misdemeanor.

E. No person shall be required to make a report pursuant to this section if the person has actual knowledge that the same matter has already been reported to the local department or the Department's toll-free child abuse and neglect hotline.

CHAPTER 99

An Act to amend and reenact § 24.2-613 of the Code of Virginia, relating to elections; form of ballot; ballot order.

[S 1577]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 24.2-613 of the Code of Virginia is amended and reenacted as follows:

§ 24.2-613. Form of ballot.

A. The ballots shall comply with the requirements of this title and the standards prescribed by the State Board.

B. For elections for federal, statewide, and General Assembly offices only, each candidate who has been nominated by a political party or in a primary election shall be identified by the name of his political party. Independent candidates shall be identified by the term "Independent." For the purpose of this section, any Independent candidate may, by producing sufficient and appropriate evidence of nomination by a "recognized political party" to the State Board, have the term "Independent" on the ballot converted to that of a "recognized political party" on the ballot and be treated on the ballot in a manner consistent with the candidates nominated by political parties. For the purpose of this section, a "recognized political party" is defined as an organization that, for at least six months preceding the filing of its nominee for the office, has had in continual existence a state central committee composed of registered voters residing in each congressional district of the Commonwealth, a party plan and bylaws, and a duly elected state chairman and secretary. A letter from the state chairman of a recognized political party certifying that a candidate is the nominee of that party and also signed by such candidate accepting that nomination shall constitute sufficient and appropriate evidence of nomination by a recognized political party. The name of the political party, the name of the "recognized political party," or term "Independent" may be shown by an initial or abbreviation to meet ballot requirements.

C. Except as provided for primary elections, the State Board shall determine by lot the order of the political parties, and the names of all candidates for a particular office shall appear together in the order determined for their parties. In an election district in which more than one person is nominated by one political party for the same office, the candidates' names shall appear alphabetically in their party groups under the name of the office, with sufficient space between party groups to indicate them as such. For the purpose of this section, except as provided for presidential elections in § 24.2-614, "recognized political parties" shall be treated as a class; the order of the recognized political parties within the class shall be determined by lot by the State Board; and the class shall follow the political parties as defined by § 24.2-101 and precede the independent class. Independent candidates shall be treated as a class under "Independent", and their names shall be placed on the ballot after the political parties and recognized political parties. Where there is more than one independent candidate for an office, their names shall appear on the ballot in an order determined by the priority of time of filing for the office. In the event two or more candidates file simultaneously, the order of filing shall then be determined by lot by the electoral board as in the case of a tie vote for the office.

For the purposes of this subsection, "time of filing for the office" means the time at which an independent candidate has filed his petition signature pages with a number of signatures at least equal to the number required for the office pursuant to § 24.2-506. In the case of an office for which no petition is required, "time of filing for the office" means the time at which the candidate has filed his completed statement of qualification pursuant to § 24.2-501.

No individual's name shall appear on the ballot more than once for the same office.

D. *On any ballot, all offices to be elected shall appear before any questions presented to the voters.*

E. In preparing the printed ballots for general, special, and primary elections, the State Board and general registrars shall cause to be printed in not less than 10-point type, immediately below the title of any office, a statement of the number of candidates for whom votes may be cast for that office. For any office to which only one candidate can be elected, the following language shall be used: "Vote for only one." For any office to which more than one candidate can be elected, the following language shall be used: "Vote for not more than ____."

F. Any locality that uses machine-readable ballots at one or more precincts, including any central absentee precinct, may, with the approval of the State Board, use a printed reproduction of the machine-readable ballot in lieu of the official machine-readable ballot. Such reproductions shall be printed and otherwise handled in accordance with all laws and procedures that apply to official paper ballots.

CHAPTER 106

An Act to amend and reenact § 16.1-260 of the Code of Virginia, relating to student offenses reportable by intake officers to school division superintendents.

[H 1787]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 16.1-260 of the Code of Virginia is amended and reenacted as follows:

§ 16.1-260. Intake; petition; investigation.

A. All matters alleged to be within the jurisdiction of the court shall be commenced by the filing of a petition, except as provided in subsection H and in § 16.1-259. The form and content of the petition shall be as provided in § 16.1-262. No individual shall be required to obtain support services from the Department of Social Services prior to filing a petition seeking support for a child. Complaints, requests, and the processing of petitions to initiate a case shall be the responsibility of the intake officer. However, (i) the attorney for the Commonwealth of the city or county may file a petition on his own motion with the clerk; (ii) designated nonattorney employees of the Department of Social Services may complete, sign, and file petitions and motions relating to the establishment, modification, or enforcement of support on forms approved by the Supreme Court of Virginia with the clerk; (iii) designated nonattorney employees of a local department of social services may complete, sign, and file with the clerk, on forms approved by the Supreme Court of Virginia, petitions for foster care review, petitions for permanency planning hearings, petitions to establish paternity, motions to establish or modify support, motions to amend or review an order, and motions for a rule to show cause; and (iv) any attorney may file petitions on behalf of his client with the clerk except petitions alleging that the subject of the petition is a child alleged to be in need of services, in need of supervision, or delinquent. Complaints alleging abuse or neglect of a child shall be referred initially to the local department of social services in accordance with the provisions of Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2. Motions and other subsequent pleadings in a case shall be filed directly with the clerk. The intake officer or clerk with whom the petition or motion is filed shall inquire whether the petitioner is receiving child support services or public assistance. No individual who is receiving support services or public assistance shall be denied the right to file a petition or motion to establish, modify, or enforce an order for support of a child. If the petitioner is seeking or receiving child support services or public assistance, the clerk, upon issuance of process, shall forward a copy of the petition or motion, together with notice of the court date, to the Division of Child Support Enforcement.

B. The appearance of a child before an intake officer may be by (i) personal appearance before the intake officer or (ii) use of two-way electronic video and audio communication. If two-way electronic video and audio communication is used, an intake officer may exercise all powers conferred by law. All communications and proceedings shall be conducted in the same manner as if the appearance were in person, and any documents filed may be transmitted by facsimile process. The facsimile may be served or executed by the officer or person to whom sent, and returned in the same manner, and with the same force, effect, authority, and liability as an original document. All signatures thereon shall be treated as original signatures. Any two-way electronic video and audio communication system used for an appearance shall meet the standards as set forth in subsection B of § 19.2-3.1.

When the court service unit of any court receives a complaint alleging facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241, the unit, through an intake officer, may proceed informally to make such adjustment as is practicable without the filing of a petition or may authorize a petition to be filed by any complainant having sufficient knowledge of the matter to establish probable cause for the issuance of the petition.

An intake officer may proceed informally on a complaint alleging a child is in need of services, in need of supervision, or delinquent only if the juvenile (i) is not alleged to have committed a violent juvenile felony or (ii) has not previously been proceeded against informally or adjudicated delinquent for an offense that would be a felony if committed by an adult. A petition alleging that a juvenile committed a violent juvenile felony shall be filed with the court. A petition alleging that a

juvenile is delinquent for an offense that would be a felony if committed by an adult shall be filed with the court if the juvenile had previously been proceeded against informally by intake or had been adjudicated delinquent for an offense that would be a felony if committed by an adult.

If a juvenile is alleged to be a truant pursuant to a complaint filed in accordance with § 22.1-258 and the attendance officer has provided documentation to the intake officer that the relevant school division has complied with the provisions of § 22.1-258, then the intake officer shall file a petition with the court. The intake officer may defer filing the complaint for 90 days and proceed informally by developing a truancy plan, provided that (a) the juvenile has not previously been proceeded against informally or adjudicated in need of supervision on more than two occasions for failure to comply with compulsory school attendance as provided in § 22.1-254 and (b) the immediately previous informal action or adjudication occurred at least three calendar years prior to the current complaint. The juvenile and his parent or parents, guardian, or other person standing in loco parentis must agree, in writing, for the development of a truancy plan. The truancy plan may include requirements that the juvenile and his parent or parents, guardian, or other person standing in loco parentis participate in such programs, cooperate in such treatment, or be subject to such conditions and limitations as necessary to ensure the juvenile's compliance with compulsory school attendance as provided in § 22.1-254. The intake officer may refer the juvenile to the appropriate public agency for the purpose of developing a truancy plan using an interagency interdisciplinary team approach. The team may include qualified personnel who are reasonably available from the appropriate department of social services, community services board, local school division, court service unit, and other appropriate and available public and private agencies and may be the family assessment and planning team established pursuant to § 2.2-5207. If at the end of the 90-day period the juvenile has not successfully completed the truancy plan or the truancy program, then the intake officer shall file the petition.

Whenever informal action is taken as provided in this subsection on a complaint alleging that a child is in need of services, in need of supervision, or delinquent, the intake officer shall (1) develop a plan for the juvenile, which may include restitution and the performance of community service, based upon community resources and the circumstances which resulted in the complaint, (2) create an official record of the action taken by the intake officer and file such record in the juvenile's case file, and (3) advise the juvenile and the juvenile's parent, guardian, or other person standing in loco parentis and the complainant that any subsequent complaint alleging that the child is in need of supervision or delinquent based upon facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241 will result in the filing of a petition with the court.

C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody, visitation, or support of a child is the subject of controversy or requires determination, (ii) a person has deserted, abandoned, or failed to provide support for any person in violation of law, (iii) a child or such child's parent, guardian, legal custodian, or other person standing in loco parentis is entitled to treatment, rehabilitation, or other services which are required by law, (iv) family abuse has occurred and a protective order is being sought pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1, or (v) an act of violence, force, or threat has occurred, a protective order is being sought pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, and either the alleged victim or the respondent is a juvenile. If any such complainant does not file a petition, the intake officer may file it. In cases in which a child is alleged to be abused, neglected, in need of services, in need of supervision, or delinquent, if the intake officer believes that probable cause does not exist, or that the authorization of a petition will not be in the best interest of the family or juvenile or that the matter may be effectively dealt with by some agency other than the court, he may refuse to authorize the filing of a petition. The intake officer shall provide to a person seeking a protective order pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1 a written explanation of the conditions, procedures and time limits applicable to the issuance of protective orders pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1. If the person is seeking a protective order pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, the intake officer shall provide a written explanation of the conditions, procedures, and time limits applicable to the issuance of protective orders pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10.

D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall be reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be in need of supervision have utilized or attempted to utilize treatment and services available in the community and have exhausted all appropriate nonjudicial remedies which are available to them. When the intake officer determines that the parties have not attempted to utilize available treatment or services or have not exhausted all appropriate nonjudicial remedies which are available, he shall refer the petitioner and the child alleged to be in need of supervision to the appropriate agency, treatment facility, or individual to receive treatment or services, and a petition shall not be filed. Only after the intake officer determines that the parties have made a reasonable effort to utilize available community treatment or services may he permit the petition to be filed.

E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an adult would be punishable as a Class 1 misdemeanor or as a felony, the complainant shall be notified in writing at that time of the complainant's right to apply to a magistrate for a warrant. If a magistrate determines that probable cause exists, he shall issue a warrant returnable to the juvenile and domestic relations district court. The warrant shall be delivered forthwith to the juvenile court, and the intake officer shall accept and file a petition founded upon the warrant. If the court is closed and the magistrate finds that the criteria for detention or shelter care set forth in § 16.1-248.1 have been satisfied, the juvenile may be detained pursuant to the warrant issued in accordance with this subsection. If the intake officer refuses to authorize a petition relating to a child in need of services or in need of supervision, a status offense, or a misdemeanor other than Class 1, his decision is final.

Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the intake officer shall accept and file a petition founded upon the warrant.

F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition which alleges facts of an offense which would be a felony if committed by an adult.

G. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.), the intake officer shall file a report with the division superintendent of the school division in which any student who is the subject of a petition alleging that such student who is a juvenile has committed an act, wherever committed, which would be a crime if committed by an adult, or that such student who is an adult has committed a crime and is alleged to be within the jurisdiction of the court. The report shall notify the division superintendent of the filing of the petition and the nature of the offense, if the violation involves:

1. A firearm offense pursuant to Article 4 (§ 18.2-279 et seq.), 5 (§ 18.2-288 et seq.), 6 (§ 18.2-299 et seq.), 6.1 (§ 18.2-307.1 et seq.), or 7 (§ 18.2-308.1 et seq.) of Chapter 7 of Title 18.2;
2. Homicide, pursuant to Article 1 (§ 18.2-30 et seq.) of Chapter 4 of Title 18.2;
3. Felonious assault and bodily wounding, pursuant to Article 4 (§ 18.2-51 et seq.) of Chapter 4 of Title 18.2;
4. Criminal sexual assault, pursuant to Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2;
5. Manufacture, sale, gift, distribution or possession of Schedule I or II controlled substances, pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;
6. Manufacture, sale or distribution of marijuana pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;
7. Arson and related crimes, pursuant to Article 1 (§ 18.2-77 et seq.) of Chapter 5 of Title 18.2;
8. Burglary and related offenses, pursuant to §§ 18.2-89 through 18.2-93;
9. Robbery pursuant to § 18.2-58;
10. Prohibited criminal street gang activity pursuant to § 18.2-46.2;
11. Recruitment of other juveniles for a criminal street gang activity pursuant to § 18.2-46.3;
12. An act of violence by a mob pursuant to § 18.2-42.1; ~~or~~
13. Abduction of any person pursuant to § 18.2-47 or 18.2-48; *or*
14. *A threat pursuant to § 18.2-60.*

The failure to provide information regarding the school in which the student who is the subject of the petition may be enrolled shall not be grounds for refusing to file a petition.

The information provided to a division superintendent pursuant to this section may be disclosed only as provided in § 16.1-305.2.

H. The filing of a petition shall not be necessary:

1. In the case of violations of the traffic laws, including offenses involving bicycles, hitchhiking and other pedestrian offenses, game and fish laws, or a violation of the ordinance of any city regulating surfing or any ordinance establishing curfew violations, animal control violations, or littering violations. In such cases the court may proceed on a summons issued by the officer investigating the violation in the same manner as provided by law for adults. Additionally, an officer investigating a motor vehicle accident may, at the scene of the accident or at any other location where a juvenile who is involved in such an accident may be located, proceed on a summons in lieu of filing a petition.

2. In the case of seeking consent to apply for the issuance of a work permit pursuant to subsection H of § 16.1-241.

3. In the case of a misdemeanor violation of § 18.2-250.1, 18.2-266, 18.2-266.1, or 29.1-738, or the commission of any other alcohol-related offense, provided the juvenile is released to the custody of a parent or legal guardian pending the initial court date. The officer releasing a juvenile to the custody of a parent or legal guardian shall issue a summons to the juvenile and shall also issue a summons requiring the parent or legal guardian to appear before the court with the juvenile. Disposition of the charge shall be in the manner provided in § 16.1-278.8, 16.1-278.8:01, or 16.1-278.9. If the juvenile so charged with a violation of § 18.2-51.4, 18.2-266, 18.2-266.1, 18.2-272, or 29.1-738 refuses to provide a sample of blood or breath or samples of both blood and breath for chemical analysis pursuant to §§ 18.2-268.1 through 18.2-268.12 or 29.1-738.2, the provisions of these sections shall be followed except that the magistrate shall authorize execution of the warrant as a summons. The summons shall be served on a parent or legal guardian and the juvenile, and a copy of the summons shall be forwarded to the court in which the violation is to be tried. When a violation of § 18.2-250.1 is charged by summons, the juvenile shall be entitled to have the charge referred to intake for consideration of informal proceedings pursuant to subsection B, provided such right is exercised by written notification to the clerk not later than 10 days prior to trial. At the time such summons alleging a violation of § 18.2-250.1 is served, the officer shall also serve upon the juvenile written notice of the right to have the charge referred to intake on a form approved by the Supreme Court and make return of such service to the court. If the officer fails to make such service or return, the court shall dismiss the summons without prejudice.

4. In the case of offenses which, if committed by an adult, would be punishable as a Class 3 or Class 4 misdemeanor. In such cases the court may direct that an intake officer proceed as provided in § 16.1-237 on a summons issued by the officer investigating the violation in the same manner as provided by law for adults provided that notice of the summons to appear is mailed by the investigating officer within five days of the issuance of the summons to a parent or legal guardian of the juvenile.

I. Failure to comply with the procedures set forth in this section shall not divest the juvenile court of the jurisdiction granted it in § 16.1-241.

The grants under this section (i) shall be paid, subject to appropriation by the General Assembly, from the fund entitled the Advanced Shipbuilding Production Facility Grant Fund established in subsection G; (ii) shall not exceed \$40 million in the aggregate; (iii) shall be paid to a qualified shipbuilder or eligible city during each fiscal year contingent upon the qualified shipbuilder's meeting the requirements for the aggregate of (a) number of new full-time jobs created and the substantial retention of the same and (b) amount of the capital investment made, as set forth in the memorandum of understanding; and (iv) shall be expended by the qualified shipbuilder or the eligible city on the capital or lease cost of a new production facility or a new or existing foundry.

1. The amount of the grant to be paid in each fiscal year shall be conditional upon the qualified shipbuilder's meeting the requirements for (i) the aggregate number of new full-time jobs created and the substantial retention of the same throughout the calendar year that immediately precedes the beginning of such fiscal year and (ii) the aggregate amount of the capital investment made as of the last day of the calendar year that immediately precedes the beginning of such fiscal year. If the qualified shipbuilder has not fully met the grant requirements by December 31, 2020, the period of eligibility may be extended for up to three years, provided that the grants in any given fiscal year shall not exceed \$8 million, plus any amounts deferred in accordance with subsection C or D.

2. The aggregate amount of grants that may be awarded in a particular fiscal year shall not exceed the following:

- a. \$8 million for the Commonwealth's fiscal year beginning July 1, ~~2022~~ 2020;

The application and evidence shall be filed with the Secretary in person or by mail no later than April 1 each year following the calendar year in which the qualified shipbuilder meets such aggregate new full-time job requirements and aggregate capital investments. Failure to meet the filing deadline shall result in a deferral of a scheduled grant payment set forth in subsection B. For filings by mail, the postmark cancellation shall govern the date of the filing determination.

D. The memorandum of understanding may provide that if a grant payment has been deferred for any reason, including the initial failure to meet the aggregate capital investment or the aggregate new full-time job requirements set forth in the memorandum of understanding or the occurrence of any substantial reduction in such new full-time job requirements after such requirements have been met but before the grant payment has been made, payment in a subsequent fiscal year for which such requirements have been met for the immediately preceding calendar year shall include both the deferred payment and the scheduled grant payment as provided in subsection B or that a proportional payment, based on the proportional share of the required additional full-time jobs, be made.

E. The memorandum of understanding may also provide that a shipbuilder or eligible city that has qualified for and received grants under § 59.1-284.23 may qualify for up to a separate and additional \$6 million in one or more grants payable after July 1, 2016, but before July 1, 2022, to be used in the construction, lease, expansion, or renovation of a foundry in the eligible city. The memorandum of understanding shall require that the total amount of grants received pursuant to this subsection shall not exceed 25 percent of the total cost of improvements needed to meet standards for making castings for the construction of a class of vessel or submarine not being built in that eligible city prior to January 1, 2016, and that those standards are subsequently met. The memorandum of understanding may also set forth requirements for certain employment levels at the foundry. For clarification, such grants are not included in and shall not be subject to the overall limitation of the aggregate grant amount set forth in subsection B.

F. As a condition of receipt of a grant, a qualified shipbuilder shall make available to the Secretary or his designee for inspection upon his request relevant and applicable documents to determine whether the qualified shipbuilder has met the requirements for the receipt of grants as set forth in this section and subject to the memorandum of understanding. The Comptroller shall not draw any warrants to issue checks for the grant program under this section without a specific appropriation for the same. All such documents appropriately identified by the qualified shipbuilder shall be considered confidential and proprietary.

G. There is hereby created in the state treasury a special nonreverting fund to be known as the Advanced Shipbuilding Production Facility Grant Fund (the Fund). The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. School buildings and additions opened for operation after July 1, 1994, shall be tested for radon pursuant to such EPA procedures and regulations prescribed by the Board of Education pursuant to subsection A of this section. Each school shall maintain files of its radon test results and make such files available for review. The division superintendent shall report radon test results to the Department of Health.

C. *Each school board shall, in consultation with the local building official and the state or local fire marshal, develop a procurement plan to ensure that all security enhancements to public school buildings are in compliance with the Uniform Statewide Building Code (§ 36-97 et seq.) and Statewide Fire Prevention Code (§ 27-94 et seq.).*

An Act providing a management agreement between the Commonwealth and James Madison University pursuant to the Restructured Higher Education Financial and Administrative Operations Act (§ 23.1-1000 et seq.).

[H 2290]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That the following shall hereafter be known as the 2019 Management Agreement Between the Commonwealth of Virginia and James Madison University:

MANAGEMENT AGREEMENT
BY AND BETWEEN
THE COMMONWEALTH OF VIRGINIA
AND
JAMES MADISON UNIVERSITY

This MANAGEMENT AGREEMENT, executed this 15th day of November, 2018, by and between the Commonwealth of Virginia (hereafter, the Commonwealth) and James Madison University (hereafter, the University) provides as follows:

RECITALS

WHEREAS, the University has satisfied the conditions precedent set forth in §§ 23.1-1004 and 23.1-1005 of the Code of Virginia to become a public institution of higher education of the Commonwealth governed by Article 4 (§ 23.1-1004 et seq.) of the Restructured Higher Education Financial and Administrative Operations Act, Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia ("Article 4" and the "Act", respectively), as evidenced by:

1. Board of Visitors Approval. The minutes of a meeting of the board of visitors of the University held on September 14, 2018, indicate that an absolute two-thirds or more of the members voted to approve the resolution required by subdivision B 2 of § 23.1-1004 of the Act;

2. Written Application to the Governor. The University has submitted to the Governor a written application, dated July 10, 2018, with copies to the Chairmen of the House Committee on Appropriations, the House Committee on Education, the Senate Committee on Finance, and the Senate Committee on Education and Health, expressing the sense of its board of visitors that the University is qualified to be, and should be, governed by Article 4 of the Act, and substantiating that the University has fulfilled the requirements of subdivision B 3 of § 23.1-1004 of the Act; and

3. Finding by the Governor. In accordance with § 23.1-1005 of the Act, the Governor has found that the University has fulfilled the requirements of § 23.1-1004 of the Act, and therefore has authorized Cabinet Secretaries to enter into this management agreement on behalf of the Commonwealth with the University; and

WHEREAS, the University is therefore authorized to enter into this management agreement as provided in subsection B of § 23.1-1004 and Article 4 of the Act.

AGREEMENT

NOW, THEREFORE, in accordance with the provisions of the Act, and in consideration of the foregoing premises, the Commonwealth and the University do now agree as follows:

*ARTICLE 2. SCOPE OF MANAGEMENT AGREEMENT.**SECTION 2.1. Enhanced Authority Granted and Accompanying Accountability.*

Article 4 of the Act provides that, upon the execution of, and as of the effective date for, this management agreement, the University shall become a covered institution entitled to be granted by the Commonwealth and to exercise the powers and authority provided in Article 4 of the Act that are expressly contained in this management agreement. In general, subject to its management agreement with the Commonwealth, status as a covered institution governed by Article 4 of the Act and this management agreement is intended to replace (i) the post-General Assembly authorization prior-approval system of reviews, approvals, policies, and procedures carried out and implemented by a variety of central state agencies with (ii) a post-audit system of reviews and accountability under which a covered institution is fully responsible and fully accountable for managing itself pursuant to Article 4 of the Act and its management agreement with the Commonwealth.

SECTION 2.1.1. Assessments and Accountability. The University and its implementation of the enhanced authority granted by Article 4 of the Act and this management agreement, and the board of visitors policies attached hereto as Exhibits A through F, shall be subject to the reviews, assessments, and audits (i) set forth in the Act that are to be conducted by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, (ii) as may be conducted periodically by the Secretaries of Finance, Administration, Education, or by some combination of these three Secretaries, or (iii) as otherwise may be required by law other than the Act.

SECTION 2.1.2. Express Grant of Powers and Authority. Subject to the specific conditions and limitations contained in § 23.1-1008 (Operational Authority Generally), §§ 23.1-1016, 23.1-1017, and 23.1-1019 (Capital Projects; Procurement; Property Generally), and §§ 23.1-1020 through 23.1-1026 (Human Resources) of Article 4 of the Act, the Commonwealth and the University agree that the Commonwealth has granted to the University by this management agreement all the powers and authority contained in certain policies adopted by the board of visitors of the University attached hereto as

Exhibits A through F and governing (i) the undertaking and implementation of capital projects, and other acquisition and disposition of property (Exhibit A), (ii) the leasing of property, including capital leases (Exhibit B), (iii) information technology (Exhibit C), (iv) the procurement of goods, services, including certain professional services, insurance, and construction (Exhibit D), (v) human resources (Exhibit E), and (vi) its system of financial management (Exhibit F), including, as provided in subsection B of § 23.1-1012 of the Act, the sole authority to establish tuition, fees, room, board, and other charges consistent with sum sufficient appropriation authority for nongeneral funds as provided by the Governor and the General Assembly in the Commonwealth's biennial appropriations authorization. Subject to the specific conditions and limitations contained in §§ 23.1-1008 through 23.1-1011 of the Act, in this management agreement, and in one or more of the board of visitors policies attached hereto as Exhibits A through F, the Commonwealth and the University agree that the Commonwealth has expressly granted to the University all the powers and authority permitted by the Act.

The board of visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this management agreement and the policies adopted by it and attached as Exhibits A through F. Consistent with this full and ultimate accountability, however, the board may, pursuant to its legally permissible procedures, specifically delegate the duties and responsibilities set forth in this management agreement to its officers, committees, and subcommittees, and, as set forth in the policies adopted by the board and attached hereto as Exhibits A through F, to a person or persons within the University.

SECTION 2.1.3. Reimbursement by the University of Certain Costs. *By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any health or other group insurance or risk management program made available to the University through any agency, body corporate, political subdivision, authority, or other entity of the Commonwealth, and in which the University is then participating, to enable the Commonwealth's actuaries to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the University proceeds to withdraw from such health or other group insurance or risk management program, the University shall, pursuant to subdivision B 5 of § 23.1-1004 of the Act, reimburse the Commonwealth for all such additional costs attributable to such withdrawal as determined by the Commonwealth's actuaries.*

SECTION 2.1.4. Potential Impact on Virginia College Savings Plan. *As required by subdivision B 6 of § 23.1-1004 of the Act, the University has given consideration to potential future impacts of tuition increases on the Virginia College Savings Plan, Chapter 7 (§ 23.1-700 et seq.) of Title 23.1 of the Code of Virginia and has discussed those potential impacts with the Executive Director and staff of that Plan and with parties in the Administration who participated in the development of this management agreement. The Executive Director of the Plan has provided to the University and the Commonwealth the Plan's assumptions underlying the contract pricing of the program.*

SECTION 2.1.5. Justification for Deviations from the Virginia Public Procurement Act. *Pursuant to § 23.1-1017 of the Act and subject to the provisions of this management agreement, the University may be exempt from the provisions of the Virginia Public Procurement Act (VPPA), Chapter 43 (§ 2.2-4300 et seq.) of Title 2.2 of the Code of Virginia. Any procurement policies or rules that deviate from the VPPA must be uniform across all institutions governed by Article 4 of the Act, and the board of visitors shall adopt and comply with procurement policies that are based upon competitive principles and seek competition to the maximum practical degree. The Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials and the Rules Governing Procurement of Goods, Services, Insurance, and Construction (the Procurement Rules) attached to such policy as Attachment 1 constitute the policies and uniform deviations from the VPPA required by subsections A and B of § 23.1-1017 of the Act.*

Subsection E of § 23.1-1017 of the Act requires that the University identify the public, educational, and operational interests served by any procurement rule or rules that deviate from those in the VPPA. The adopted board of visitors policy on procurement and the Procurement Rules provide the University with the autonomy to administer its procurement process while fully adhering to the principle that competition should be sought to the maximum extent feasible. This autonomy will better position the University to support the requirements of its growing teaching, research, and outreach missions. Greater autonomy in procurement will improve internal capacity to respond quickly to emergent material and service issues and, therefore, enable the University to be more efficient and effective in meeting the Commonwealth's goals for institutions of higher education. In some instances, costs will be reduced. Taken collectively, the University's procurement policies and rules that differ from those required by the VPPA will enhance procurement "best practices" as they currently are being observed within the higher education community nationally. Further, these changes will provide efficiencies to both the University and public sector suppliers.

SECTION 2.1.6. Quantification of Cost Savings. *Subsection D of § 23.1-1012 of the Act requires that a covered institution include in its management agreement with the Commonwealth the quantification of cost savings realized as a result of the additional operational flexibility provided pursuant to Article 4 of the Act. Since this initial management agreement with the Commonwealth has not yet been implemented by the University, the parties agree that the University is not in a position to quantify any such cost savings at this time, although the University expects that there will be cost savings resulting from the additional authority granted to the University pursuant to Article 4 of the Act and that such cost savings will be part of the determinations made during the reviews, assessments, and audits to be conducted pursuant to Article 4 of the Act by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, and as otherwise described in Section 2.1.1 above.*

SECTION 2.1.7. Participation in State Programs. The Commonwealth intends that the University shall continue to fully participate in, and receive funding support from, the many and varied programs established now or in the future by the Commonwealth to provide support for Virginia's public institutions of higher education and for Virginians attending such institutions, including but not limited to the state capital outlay and bond financing initiatives undertaken from time to time by the Commonwealth; the Higher Education Equipment Trust Fund established pursuant to Chapter 12 (§ 23.1-1200 et seq.) of Title 23.1 of the Code of Virginia; the Maintenance Reserve Fund as provided in the general appropriation act; the Eminent Scholars program as provided in the general appropriation act; the Commonwealth's various student financial assistance programs; and other statewide programs or initiatives that exist, or may be established, in support of the Commonwealth's higher education institutions, programs, or activities.

SECTION 2.1.8. Implied Authority. Pursuant to subsection C of § 23.1-1006 of the Act, the only implied authority granted to the University by this management agreement is that implied authority that is actually necessary to carry out the expressed grant of financial or operational authority contained in this agreement or in the policies adopted by the University's board of visitors and attached hereto as Exhibits A through F.

SECTION 2.1.9. Exercise of Authority. The University and the Commonwealth acknowledge and agree that the execution of this management agreement constitutes the conclusion of a process that, as of the effective date of this Agreement, confers upon the University the enhanced authority and operating flexibility described in this article above, all of which is in furtherance of the purposes of Article 4 of the Act. Therefore, without any further conditions or requirements, the University shall, on and after the effective date of this management agreement, be authorized to exercise the authority conferred upon it by this management agreement, the policies adopted by its board of visitors attached hereto as Exhibits A through F, and by §§ 23.1-1008 through 23.1-1011 of the Act, except to the extent that the powers and authority contained therein have been limited by this management agreement or the board of visitors policies attached hereto as Exhibits A through F.

The University and the Commonwealth also acknowledge and agree that, pursuant to subsection L of § 23.1-1006 of the Act and consistent with the terms of this management agreement, the board of visitors of the University shall assume full responsibility for management of the University, subject to the requirements and conditions set forth in Article 4 of the Act, the general requirements for this management agreement as provided in § 23.1-1002 of the Act, and this management agreement. The board of visitors shall be fully accountable for (i) the management of the University as provided in the Act, (ii) meeting the requirements of §§ 23.1-206 and 23.1-306 of the Code of Virginia, and (iii) meeting such other provisions as are set forth in this management agreement.

SECTION 2.2. State Goals.

SECTION 2.2.1. Furthering State Goals. As required for all public institutions of higher education of the Commonwealth by subsection A of § 23.1-1002 of the Act, prior to August 1, 2005, the board of visitors of the University adopted the resolution setting forth its commitment to the Governor and the General Assembly to meet the state goals specified in subsection A of § 23.1-1002 of the Act.

SECTION 2.2.2. Student Enrollment, Tuition, and Financial Aid. As required by § 23.1-306 of the Code of Virginia, the University, along with all other public institutions of higher education of the Commonwealth, has developed and submitted to the State Council of Higher Education for Virginia (SCHEV) by October 1, 2018, an institution-specific six-year plan addressing the University's academic, financial, and enrollment plans for the six-year period of fiscal years 2018-2020 through 2022-2024. Subsection A of § 23.1-306 of the Code of Virginia requires the University to update this six-year plan by July 1 of each odd-numbered year and amend or affirm biennially in each even-numbered year. Subdivision B 3 of § 23.1-1006 of the Act requires that a management agreement address, among other issues, such matters as the University's undergraduate Virginia student enrollment, its financial aid requirements and capabilities, and its tuition policy for undergraduate Virginia students. These matters are addressed in this section and in the University's six-year plan submitted to SCHEV, and the parties therefore agree that the University's six-year plan and the description in this section meet the requirement of subdivision B 3 of § 23.1-1006 of the Act.

Subsection C of § 23.1-1012 of the Act requires the board of visitors of the University to include in this management agreement the University's commitment to provide need-based grant aid for middle-income and lower-income Virginia students in a manner that encourages student enrollment and progression without respect to potential increases in tuition and fees. The University's commitment in this regard is clear. The University is committed to increasing the economic and social diversity of the student body at the University. The University is committed to assuring access to qualified and admitted Virginia students.

To address the challenges associated with the rising costs of college, the University uses institutional, state, and federal funding to help mitigate the effect of rising costs on students from low-income and middle-income families. The University awards financial aid based on the U.S. Department of Education's federal methodology. The federal methodology is used in all of the University's aid packaging that includes institutional, state, and federal funding. The University's financial aid packaging processes and procedures target the neediest enrolled applicants, as required under state and federal law. Based on the Health and Human Services poverty levels, about 40 percent of the University's enrolled undergraduate applicants for federal financial aid fall into the low-income and middle-income range.

For 2018-2019, the Expected Family Contribution (EFC) cutoff for awarding Virginia Student Financial Assistance Program (VSFAP) and University grants to on-time, in-state, undergraduate financial aid filers was \$9,500. This definition of middle class was used to award financial aid dollars to needy students. The University's ultimate goal for the future is to

increase the EFC cutoff that will be equal to or above one-half the cost of attendance. The \$9,500 EFC cutoff in 2017-18 equaled 36.5 percent of the full-time, in-state cost of attendance.

To move forward in accomplishing its goals, over the period of the six-year plan, the University is committed to seeking, from all sources—state-appropriated scholarship funds and federal, institutional, and private support—to continue its commitment to providing additional financial aid through grants and loans to those Virginians with need. In addition, as tuition and fees increase over the period of the six-year plan, the University will readjust the level of financial aid funding so that insufficiency of family resources will not be a barrier to attending the University.

The Commonwealth and the University agree that this commitment meets the requirements of subsection C of § 23.1-1012 of the Act.

SECTION 2.3. Other Law.

As provided in subsection C of § 23.1-1006 of the Act, the University shall be governed and administered in the manner provided not only in this management agreement, but also as provided in the general appropriation act then in effect and the University's enabling statutes.

SECTION 2.4. The General Appropriation Act.

The Commonwealth and the University agree that, pursuant to the current terms of the Act and the terms of § 4-11.00 of the 2004-2006 Appropriation Act, if there is a conflict between the provisions of the general appropriation act and the provisions of Article 4 of the Act, or this management agreement, or the board of visitors policies attached to this management agreement as Exhibits A through F, the provisions of the general appropriation act shall control, and shall continue to control unless provided otherwise by law.

SECTION 2.4.1. *The University's Enabling Statutes.* As provided in subsection E of § 23.1-1006 of the Act, in the event of a conflict between any provision of Article 4 of this Act and the University's enabling statutes, the enabling statutes shall control.

SECTION 2.4.2. *Title 2.2 of the Code of Virginia.* As provided in subsection D of § 23.1-1006 of the Act, except as specifically made inapplicable under Article 4 of the Act and the express terms of this management agreement, the provisions of Title 2.2 relating generally to the operation, management, supervision, regulation, and control of public institutions of higher education shall be applicable to the University as provided by the express terms of this management agreement. As further provided in subsection E of § 23.1-1006 of the Act, in the event of conflict between any provision of Title 2.2 and any provision of Article 4 of the Act as expressed in this management agreement, the provisions of this management agreement shall control.

SECTION 2.4.3. *Educational Policies of the Commonwealth.* As provided in subsection J of § 23.1-1006 of the Act, for purposes of §§ 23.1-101, 23.1-102, 23.1-103, 23.1-104, and 23.1-107, Chapter 2 (§ 23.1-200 et seq.), §§ 23.1-306, 23.1-402, 23.1-403, and 23.1-404, Chapter 5 (§ 23.1-500 et seq.), Chapter 6 (§ 23.1-600 et seq.), Chapter 7 (§ 23.1-700 et seq.), §§ 23.1-800, 23.1-801, 23.1-901, and 23.1-1001, Chapter 11 (§ 23.1-1100 et seq.), Chapter 12 (§ 23.1-1200 et seq.), subsections G, H, and I of § 23.1-1300, § 23.1-1302, and subsection B of § 23.1-1303 of Title 23.1 the Code of Virginia, each covered institution shall remain a public institution of higher education following its conversion to a covered institution governed by Article 4 of the Act and shall retain the authority granted and any obligations required by such provisions.

In addition, the University shall retain the authority, and any obligations related to the exercise of such authority, that is granted to institutions of higher education pursuant to Chapter 2 (§ 23.1-200 et seq.), Chapter 11 (§ 23.1-1100 et seq.), Chapter 12 (§ 23.1-1200 et seq.), Chapter 6, Article 2 (§ 23.1-612 et seq.), Chapter 6, Article 3 (§ 23.1-617 et seq.), Chapter 6, Article 5 (§ 23.1-628 et seq.), Chapter 6, Article 6 (§ 23.1-636 et seq.), § 23.1-619, Chapter 6, Article 7 (§ 23.1-639 et seq.), and Chapter 7 (§ 23.1-700 et seq.) of Title 23.1 the Code of Virginia, unless and until provided otherwise by law other than the Act.

SECTION 2.4.4. *Public Access to Information.* The University shall continue to be subject to § 2.2-4342 of the Code of Virginia and to the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ 2.2-3700 et seq.) of Title 2.2 of the Code of Virginia, but shall be entitled to conduct business pursuant to § 2.2-3709 of the Code of Virginia if expressly named therein and, in all cases, may conduct business as a "state public body" for purposes of subsection B of § 2.2-3708 of the Code of Virginia.

SECTION 2.4.5. *Conflicts of Interests.* As provided in subsection F of § 23.1-1006 of the Act, the provisions of the State and Local Government Conflict of Interests Act, Chapter 31 (§ 2.2-3100 et seq.) of Title 2.2 of the Code of Virginia, that are applicable to officers and employees of a state governmental agency shall continue to apply to the members of the board of visitors of the University and to its covered employees.

SECTION 2.4.6. *Other Provisions of the Code of Virginia.* Other than as specified in this article above, any other powers and authorities granted to the University pursuant to any other sections of the Code of Virginia, including other provisions of the Act, are not affected by this management agreement or the board policies attached hereto as Exhibits A through F.

ARTICLE 3. AMENDMENTS TO, AND RIGHT AND POWER TO VOID OR REVOKE, MANAGEMENT AGREEMENT.

SECTION 3.1. Amendments.

Any change to or deviation from this management agreement or the board of visitors policies attached hereto as Exhibits A through F shall be reported to the Secretaries of Finance, Administration, and Education and to the Chairmen of

the Senate Committee on Finance and the House Committee on Appropriations and shall be posted on the University's website. The change or deviation shall become effective unless one of the above persons notifies the University in writing within 60 days that the change or deviation is substantial and material. Any substantial and material change or deviation shall require the execution by the parties of an amendment to this management agreement or a new management agreement and may lead to the Governor declaring this management agreement to be void pursuant to subdivision E of § 23.1-1007 of the Act.

SECTION 3.2. Right and Power to Void, Revoke, or Reinstate Management Agreement.

SECTION 3.2.1. Governor. Pursuant to subdivision E of § 23.1-1007, if the Governor makes a written determination that the University is not in substantial compliance with the terms of this management agreement or with the requirements of the Act in general, (i) the Governor shall provide a copy of that written determination to the rector of the board of visitors of the University and to the members of the General Assembly, and (ii) the University shall develop and implement a plan of corrective action, satisfactory to the Governor, for purposes of coming into substantial compliance with the terms of this management agreement and with the requirements of the Act, as soon as practicable, and shall provide a copy of such corrective action plan to the members of the General Assembly. If, after a reasonable period of time after the corrective action plan has been implemented by the University, the Governor determines that the institution is not yet in substantial compliance with this management agreement or the requirements of the Act, the Governor may void this management agreement. Upon the Governor voiding this management agreement, the University shall no longer be allowed to exercise any restructured financial or operational authority pursuant to the provisions of Article 4 of the Act unless and until the University has entered into a subsequent management agreement with the Secretary or Secretaries designated by the Governor or the voided management agreement is reinstated by the General Assembly.

SECTION 3.2.2. General Assembly. As provided in subsection E of § 23.1-1007 of the Act, the General Assembly may reinstate a management agreement declared void by the Governor. Pursuant to subsection F of § 23.1-1007 of the Act, the University's status as a covered institution governed by Article 4 of the Act may be revoked by an act of the General Assembly if the University fails to meet the requirements of Article 4 of the Act or the management agreement.

ARTICLE 4. GENERAL PROVISIONS.

SECTION 4.1. No Third-Party Beneficiary Status.

Nothing in this Agreement, express or implied, shall be construed as conferring any third-party beneficiary status on any person or entity.

SECTION 4.2. Sovereign Immunity.

Pursuant to subsections G and H of § 23.1-1006 of the Act, the University and the members of its board of visitors, officers, directors, employees, and agents shall be entitled to the same sovereign immunity to which they would be entitled if the University were not governed by the Act, provided that the Virginia Tort Claims Act, Article 18.1 (§ 8.01-195.1 et seq.) of Chapter 3 of Title 8.01 of the Code of Virginia, and its limitations on recoveries shall remain applicable with respect to the University.

SECTION 4.3. Term of Agreement.

WHEREFORE, the foregoing management agreement has been executed as of this 15th day of November, 2018, and shall become effective on the effective date of the legislation enacted into law providing for the terms of such Agreement.

EXHIBIT A

MANAGEMENT AGREEMENT BETWEEN THE COMMONWEALTH OF VIRGINIA AND JAMES MADISON UNIVERSITY PURSUANT TO THE RESTRUCTURED HIGHER EDUCATION FINANCIAL AND ADMINISTRATIVE OPERATIONS ACT

POLICY GOVERNING CAPITAL PROJECTS

THE RECTOR AND BOARD OF VISITORS OF JAMES MADISON UNIVERSITY POLICY GOVERNING CAPITAL PROJECTS

I. PREAMBLE.

Pursuant to Article 4 (§ 23.1-1004 et seq.) of the Restructured Higher Education Financial and Administrative Operations Act (the Act), upon becoming a covered institution, a public institution of higher education in Virginia may be delegated the authority to establish its own system for undertaking the implementation of its capital projects. In general, status as a covered institution is designed to replace the post-authorization system of reviews, approvals, policies, and

procedures carried out by a variety of central state agencies, and also the traditional pre-authorization approval process for projects funded entirely with nongeneral funds and without any proceeds from state tax-supported debt. Consistent with its current practice, the University's system for carrying out its capital outlay process as a covered institution is to be governed by policies adopted by the board of visitors. The following provisions of this policy, together with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to that Policy, constitute the adopted board of visitors policies regarding the University's capital projects, whether funded by a general fund appropriation of the General Assembly, state tax-supported debt, or funding from other sources.

This policy is intended to encompass and implement the expanded authority that may be granted to the University pursuant to Article 4 of the Act. Any other powers and authorities granted to the University pursuant to the general appropriation act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's enabling statutes, are not affected by this policy.

II. DEFINITIONS.

As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:

III. SCOPE OF POLICY.

This policy applies to the planning and budget development for capital projects, capital project authorization, and the implementation of capital projects, whether funded by a general fund appropriation of the General Assembly, proceeds from state tax-supported debt, or funding from other sources.

This policy provides guidance for (i) the process for developing one or more capital project programs for the University, (ii) authorization of new capital projects, (iii) procurement of capital professional services and construction services, (iv) design reviews and code approvals for capital projects, (v) environmental impact requirements, (vi) building demolitions, (vii) building and land acquisitions, (viii) building and land dispositions, (ix) project management systems, and (x) reporting requirements.

IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

The board of visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this policy. Consistent with this full and ultimate accountability, however, the board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate board resolution the duties and responsibilities set forth in this policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

V. CAPITAL PROGRAM.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall adopt a system for developing one or more capital project programs that defines or define the capital needs of the University for a given period of time consistent with the University's published Master Plan. This process may or may not mirror the Commonwealth's requirements for capital plans. The board of visitors shall approve the program for major capital projects. Major capital projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from state tax-supported debt shall follow the Commonwealth's requirements for capital

plans. The board may approve amendments to the program for major capital projects annually or more often if circumstances warrant.

It shall be University policy that each capital project program shall meet the University's mission and institutional objectives and be appropriately authorized by the University. Moreover, it shall be University policy that each capital project shall be of a size and scope to provide for the defined program needs, designed in accordance with all applicable building codes and handicapped accessibility standards as well as the University's design guidelines and standards, and costed to reflect current costs and escalated to the mid-point of anticipated construction.

VI. AUTHORIZATION OF CAPITAL PROJECTS.

The board of visitors shall authorize the initiation of each major capital project by approving its size, scope, budget, and funding. The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall adopt procedures for approving the size, scope, budget, and funding of all other capital projects. Major capital projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from state tax-supported debt shall require both board of visitors approval and those pre-appropriation approvals of the State's governmental agencies then applicable, and shall follow the State's process for capital budget requests.

It shall be the policy of the University that the implementation of capital projects shall be carried out so that the capital project as completed is the capital project approved by the board for major capital projects and according to the procedures adopted by the President of the University, acting through the Senior Vice President of Administration or his designee, for all other capital projects. The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall ensure strict adherence to this requirement.

Accordingly, the budget, size, and scope of a capital project shall not be materially changed beyond the plans and justifications that were the basis for the capital project's approval, either before or during construction, unless approved in advance as described in this section above. Minor changes shall be permissible if they are determined by the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, to be justified.

Major capital projects may be submitted for board of visitors authorization at any time but must include a statement of urgency if not part of the approved major capital project program.

VII. PROCUREMENT OF CAPITAL PROFESSIONAL SERVICES AND CONSTRUCTION SERVICES.

It shall be the policy of the University that procurements shall result in the purchase of high quality services and construction at reasonable prices and shall be consistent with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the board, and with the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to such policy. Specifically, the University is committed to:

1. Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract, and the likely extent of competition;
2. Conducting all procurements in a fair and impartial manner and avoiding any impropriety or the appearance of any impropriety prohibited by state law or University policy;
3. Making procurement rules clear in advance of any competition;
4. Providing access to the University's business to all qualified vendors, firms, and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;
5. Including in contracts of more than \$10,000 the contractor's agreement not to discriminate against employees or applicants because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law except where there is a bona fide occupational qualification reasonably necessary to the contractor's normal operations; and
6. Providing for a nondiscriminatory procurement process, and including appropriate and lawful provisions to effectuate fair and reasonable consideration of women-owned, minority-owned, and small businesses and to promote and encourage a diversity of suppliers.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, is authorized to develop implementing procedures for the procurement of capital professional services and construction services at the University. The procedures shall implement this policy and provide for:

- a. A system of competitive negotiation for capital professional services, including a procedure for expedited procurement of capital professional services under \$80,000, pursuant to subdivisions 1, 2, and 3 a of the defined term "competitive negotiation" in § 4 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction;
- b. A prequalification procedure for contractors or products;
- c. A procedure for special construction contracting methods, including but not limited to design-build and construction management contracts; and
- d. A prompt payment procedure.

The University also may enter into cooperative arrangements with other private or public health or educational institutions, health care provider alliances, purchasing organizations, or state agencies where, in the judgment of the University, the purposes of this policy will be furthered.

VIII. DESIGN REVIEWS AND CODE APPROVALS.

The board of visitors shall review the design of all major capital projects and shall provide final major capital project authorization based on the size, scope, and cost estimate provided with the design. Unless stipulated by the board of visitors

at the design review, no further design reviews shall be required. For all capital projects other than major capital projects, the President of the University, acting through the Senior Vice President for Administration and Finance or his designee, shall adopt procedures for design review and project authorization based on the size, scope, and cost estimate provided with the design. It shall be University policy that all capital projects shall be designed and constructed in accordance with applicable Virginia Uniform Statewide Building Code (VUSBC) standards and the applicable accessibility code.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall designate a building official responsible for building code compliance at the University, by either (i) hiring an individual to be the University building official or (ii) continuing to use the services of the Department of General Services, Division of Engineering and Buildings, to perform the building official function. If option (i) is selected, the individual hired as the University building official shall be a full-time employee of the University who has no other assigned duties or responsibilities at the institution and who is not employed by any firm or business providing facility services to the University, is a registered professional architect or engineer, and is certified by the Department of Housing and Community Development to perform this building official function. The University building official shall issue building permits for each capital project required by the VUSBC to have a building permit, shall determine the suitability for occupancy of, and shall issue certifications for building occupancy for, all capital projects requiring such certification. Prior to issuing any such certification, this individual shall ensure that the VUSBC and accessibility requirements are met for that capital project and that such capital project has been inspected by the State Fire Marshal or his designee as required. When serving as the University building official, such individual shall organizationally report directly and exclusively to the board of visitors. If the University hires its own University building official, it shall fulfill the code review requirement by maintaining a review unit of licensed professional architects or engineers supported by resources and staff who are certified by the Department of Housing and Community Development in accordance with § 36-137 of the Code of Virginia for such purpose and who shall review plans, specifications, and documents for compliance with building codes and standards and perform required inspections of work in progress and the completed capital project. No individual licensed professional architect or engineer hired under the University personnel system as a member of the review unit or contracted with to perform these functions shall also perform other building code-related design, construction, facilities-related project management, or facilities management functions for the University on the same capital project.

IX. ENVIRONMENTAL IMPACT REPORTS.

It shall be the policy of the University to assess the environmental, historic preservation, and conservation impacts of all capital projects and to minimize and otherwise mitigate all adverse impacts to the extent practicable. The University shall develop a procedure for the preparation and approval of environmental impact reports for capital projects, in accordance with state environmental, historic preservation, and conservation requirements generally applicable to capital projects otherwise meeting the definition of major capital projects but with a cost of \$500,000 or more as set forth in § 10.1-1188 of the Code of Virginia.

X. BUILDING DEMOLITIONS.

It shall be the policy of the University to consider the environmental and historical aspects of any proposed demolitions. The University shall develop a procedure for the preparation and review of demolition requests, including any necessary reviews by the Department of Historic Resources and the Art and Architectural Review Board in accordance with state historic preservation requirements generally applicable to capital projects in the Commonwealth. Further, for any property that was acquired or constructed with funding from a general fund appropriation of the General Assembly or from proceeds from state tax-supported debt, general laws applicable to state-owned property shall apply.

XI. BUILDING OR LAND ACQUISITIONS.

It is the policy of the University that capital projects involving building or land acquisition shall be subjected to thorough inquiry and due diligence prior to closing on the acquisition of such real property. The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall ensure that the project management system implemented pursuant to Section XIII of this policy provides for a review and analysis of all pertinent matters relating to the acquisition of buildings and land as any prudent purchaser would perform to the end that any building or land acquired by the University shall be suitable for its intended purpose, that the acquisition can be made without substantial risk of liability to the University, and that the cost of the real property to be acquired, together with any contemplated development thereof, shall be such that compliance with the provisions of Section VI of this policy is achieved. In addition, the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall ensure that, where feasible and appropriate to do so, the following specific policies pertaining to the acquisition of buildings or land for capital projects are carried out.

A. Environmental and Land Use Considerations.

It is the policy of the University to reasonably cooperate with each locality affected by the acquisition. Such cooperation shall include but not be limited to furnishing any information that the locality may reasonably request and reviewing any requests by the locality with regard to any such acquisition. The University shall consider the zoning and comprehensive plan designation by the locality of the building or land and surrounding parcels, as well as any designation by state or federal agencies of historically or archeologically significant areas on the land. Nothing herein shall be construed as requiring the University to comply with local zoning laws and ordinances.

B. Infrastructure and Site Condition.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall ensure that, in the case of capital projects involving the acquisition of buildings or land, the project management systems implemented under Section XIII of this policy provide for a review of the following matters prior to acquisition of the building or land: that any land can be developed for its intended purpose without extraordinary cost; that an environmental engineer has been engaged by the University to provide an assessment of any environmental conditions on the land; that there is adequate vehicular ingress and egress to serve the contemplated use of the building or land; that utilities and other services to the land are adequate or can reasonably be provided or have been provided in the case of building acquisitions; and that the condition and grade of the soils have been examined to determine if any conditions exist that would require extraordinary site work.

C. Title and Survey.

A survey shall be prepared for any real property acquired, and an examination of title to the real property shall be conducted by a licensed attorney or, in the alternative, a commitment for title insurance shall be procured from a title insurance company authorized to do business in the Commonwealth. Based upon the survey and title examination or report, the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall conclude, prior to acquisition of the real property, that title thereto will be conveyed to the University in fee simple, free and clear of all liens, encumbrances, covenants, restrictions, easements, or other matters that may have a significant adverse effect upon the University's ability to own, occupy, convey, or develop the real property.

D. Appraisal.

An appraisal shall be conducted of the real property to be acquired to determine its fair market value and the consistency of the fair market value with the price agreed upon by the University.

XII. BUILDING OR LAND DISPOSITIONS.

The board of visitors shall approve the disposition of any building or land. Disposition of land or buildings, the acquisition or construction of which was funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from state tax-supported debt, shall require both board of visitors approval and other approvals in accordance with general law applicable to state-owned property and with the University's enabling statutes.

XIII. PROJECT MANAGEMENT SYSTEMS.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall implement one or more systems for the management of capital projects for the University. The systems may include the delegation of project management authority to appropriate University officials, including a grant of authority to such officials to engage in further delegation of authority as the President of the University deems appropriate.

The project management systems for capital projects shall be designed to ensure that such projects comply with the provisions of this policy and other board of visitors policies applicable to closely related subjects such as the selection of architects or policies applicable to University buildings and grounds.

The project management systems may include one or more reporting systems applicable to capital projects whereby University officials responsible for the management of such projects provide appropriate and timely reports to the President of the University on the status of such projects during construction.

XIV. REPORTING REQUIREMENTS.

In addition to complying with any internal reporting systems contained in the University's project management systems, as described in Section XIII above, the University shall comply with state reporting requirements for those major capital projects funded entirely or in part by a general fund appropriation of the General Assembly or state tax-supported debt. Additionally, if any capital project constructs improvements on land, or renovates property, that originally was acquired or constructed in whole or in part with a general fund appropriation for that purpose or proceeds from state tax-supported debt, and such improvements or renovations are undertaken entirely with funds not appropriated by the General Assembly, and if the cost of such improvements or renovations is reasonably expected to exceed \$2 million, the decision to undertake such improvements or renovations shall be communicated as required by subdivision D 3 of § 23.1-1016 of the Act. As a matter of routine, the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall report to the Department of General Services on the status of such capital projects at the initiation of the project, prior to the commencement of construction, and at the time of acceptance of any such capital project.

The State CIO shall continue to have the authority regarding project suspension and termination as provided in subsection B of § 2.2-2016.1 of the Code of Virginia and shall continue to provide the University with reasonable notice of, and a reasonable opportunity to correct, any identified problems before a project is terminated.

E. Infrastructure, Architecture, Ongoing Operations, and Security.

Pursuant to § 23.1-1018 of the Act, the board shall adopt the policies, standards, and guidelines related to IT infrastructure, architecture, ongoing operations, and security developed by the Commonwealth or those of nationally recognized associations, appropriately tailored to the specific circumstances of the University. Copies of the policies shall be made available to the State CIO.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall be responsible for implementing such policies, standards, and guidelines adopted by the board, as amended and revised from time to time.

For purposes of implementing this policy, the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall appoint an existing University employee to serve as a liaison between the University and the State CIO.

F. Audits.

Pursuant to § 23.1-1018 of the Act, the board shall adopt the policies, standards, and guidelines developed by the Commonwealth or those based upon industry best practices for project auditing as defined by leading IT experts, including consulting firms, or a nationally-recognized project auditing association, appropriately tailored to the specific circumstances of the University, which provide for independent validation and verification of the University's major IT projects. Copies of the policies, standards, and guidelines, as amended and revised from time to time, shall be made available to the State CIO.

Audits of IT strategic planning, expenditure reporting, budgeting, project management, infrastructure, architecture, ongoing operations, and security shall also be the responsibility of the University's internal audit department and the Auditor of Public Accounts.

I. PREAMBLE.

A. Article 4 (§ 23.1-1004 et seq.) of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia, provides that the University, upon becoming a covered institution, shall be authorized to establish its own system for the procurement of goods, services, insurance, and construction and for the independent disposition of surplus materials by public or private transaction.

The Act provides that a covered institution shall comply with policies adopted by its board of visitors for the procurement of goods, services, insurance, and construction and the disposition of surplus materials. The provisions of this policy, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this policy as Attachment I, constitute the adopted board of visitors policies required by the Act regarding procurement of goods, services, insurance, and construction and the disposition of surplus materials by the University.

This policy is intended to cover the authority that may be granted to the University pursuant to Article 4 of the Act. Any other powers and authorities granted to the University pursuant to any other sections of the Code of Virginia, including other provisions of the Act, the general appropriation act, and the University's enabling statutes are not affected by this policy.

II. DEFINITIONS.

As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:

"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia.

"Agreement" or "management agreement" means an agreement between the Commonwealth of Virginia and the University that enables the University to be governed by Article 4 of the Act.

"Board of visitors" or "board" means the rector and board of visitors of the University.

"Covered institution" means, on and after the effective date of its initial management agreement, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by the provisions of Article 4 of the Act.

"Effective date" means the effective date of the management agreement.

"Enabling statutes" has the same meaning as provided in § 23.1-1000 of the Act.

"Goods" means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.

"Rules" means the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this policy as Attachment I.

"Services" means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials or the rental of equipment, materials, and supplies. "Services" includes both professional services, which include the practice of accounting, actuarial services, law, dentistry, medicine, optometry, and pharmacy, and nonprofessional services, which include any service not specifically identified as professional services.

"Surplus materials" means personal property including, but not limited to, materials, supplies, equipment, and recyclable items, that are determined to be surplus by the University.

"University" means James Madison University.

III. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

The board of visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this policy. Consistent with this full and ultimate accountability, however, the board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate board resolution the duties and responsibilities set forth in this policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

IV. GENERAL PROVISIONS.

A. Adoption of This Policy and Continued Applicability of Other Board of Visitors Procurement Policies.

The University has had decentralization and pilot program autonomy in many procurement functions and activities since the 1994 Appropriation Act. The Act extends and reinforces the autonomy previously granted to the University in Item 330 E of the 1994 Appropriation Act. This policy therefore is adopted by the board of visitors to enable the University to develop a procurement system, as well as a surplus materials disposition system. Any University electronic procurement system shall integrate or interface with the Commonwealth's electronic procurement system.

This policy shall be effective on the effective date. The policies and procedures adopted by the President of the University to implement this policy shall continue to be subject to any other policies adopted by the board of visitors affecting procurements at the University, including policies regarding the nature and amounts of procurements that may be undertaken without the approval of the board of visitors or the President of the University.

B. Scope and Purpose of University Procurement Policies.

This policy shall apply to procurements of goods, services, insurance, and construction. It shall be the policy of the University that procurements conducted by the University result in the purchase of high quality goods and services at reasonable prices, and that the University be free, to the maximum extent permitted by law and this policy, from

constraining policies that hinder the ability of the University to do business in a competitive environment. This policy, together with the rules, shall apply to all procurements undertaken by the University, regardless of the source of funds.

C. Collaboration, Communication, and Cooperation with the Commonwealth.

The University is committed to developing, maintaining, and sustaining collaboration, communication, and cooperation with the Commonwealth regarding the matters addressed in this policy, particularly with the Secretary of Administration, the Department of General Services, and the Virginia Information Technologies Agency. Identifying business objectives and goals common to both the University and the Commonwealth and the mechanisms by which such objectives and goals may be jointly pursued and achieved are among the desired outcomes of such collaboration, communication, and cooperation.

D. Commitment to Statewide Contracts, Electronic Procurement, and SWAM Participation and Use.

The University is committed to maximizing its internal operational efficiencies, economies of scale among institutions of higher education, and the leveraged buying power of the Commonwealth as a whole.

Consistent with this commitment, the University:

1. May purchase from and participate in all statewide contracts for goods and services, including information technology goods and services, except that the University shall purchase from and participate in contracts for communications services and telecommunications facilities entered into by the Virginia Information Technologies Agency pursuant to § 2.2-2011 of the Code of Virginia unless an exception is provided in the general appropriation act or by other law, and provided that orders not placed through statewide contracts shall be processed directly or by integration or interface through the Commonwealth's electronic procurement system;

2. Shall use directly or by integration or interface the Commonwealth's electronic procurement system; and

3. Shall adopt a small, woman-owned, and minority-owned (SWAM) business program that is consistent with the Commonwealth's SWAM program.

E. Implementation.

To effect its implementation under the Act, and if the University remains in continued substantial compliance with the terms and conditions of this management agreement with the Commonwealth pursuant to the requirements of the Act, the University's procurement of goods, services, insurance, and construction and the disposition of surplus materials shall be exempt from the Virginia Public Procurement Act, Chapter 43 (§ 2.2-4300 et seq.) of Title 2.2 of the Code of Virginia, except § 2.2-4342 and §§ 2.2-4367 through 2.2-4377 of such chapter; the oversight of the Virginia Information Technologies Agency, Chapter 20.1 (§ 2.2-2005 et seq.) of Title 2.2 of the Code of Virginia; the state agency requirements regarding disposition of surplus materials and distribution of proceeds from the sale or recycling of surplus materials in §§ 2.2-1124 and 2.2-1125 of the Code of Virginia; the requirement to purchase from the Department for the Blind and Vision Impaired pursuant to § 2.2-1117 of the Code of Virginia; and any other state statutes, rules, regulations, or requirements relating to the procurement of goods, services, insurance, and construction, including but not limited to Article 3 (§ 2.2-1109 et seq.) of Chapter 11 of Title 2.2 of the Code of Virginia, regarding the duties, responsibilities, and authority of the Division of Purchases and Supply of the Virginia Department of General Services, and Article 4 (§ 2.2-1129 et seq.) of Chapter 11 of Title 2.2 of the Code of Virginia, regarding the review and the oversight by the Division of Engineering and Buildings of the Virginia Department of General Services of contracts for the construction of University capital projects and construction-related professional services as set forth in § 2.2-1132 of such article.

V. UNIVERSITY PROCUREMENT POLICIES.

A. General Competitive Principles.

In connection with University procurements and the processes leading to award of contracts for goods, services, insurance, and construction, the University is committed to:

1. Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract, and the likely extent of competition;

2. Conducting all procurements in an open, fair, and impartial manner and avoiding any impropriety or the appearance of any impropriety;

3. Making procurement rules clear in advance of any competition;

4. Providing access to the University's business to all qualified vendors, firms, and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;

5. Ensuring that specifications for purchases are fairly drawn so as not to favor unduly a particular vendor; and

6. Providing for the free exchange of information between the University, vendors, firms, or contractors concerning the goods or services sought and offered while preserving the confidentiality of proprietary information.

B. Access to Records.

Procurement records shall be available to citizens or to interested persons, firms, or corporations in accordance with the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ 2.2-3700 et seq.) of Title 2.2 of the Code of Virginia, except those records exempt from disclosure pursuant to subdivisions 7 and 12 of § 2.2-3705.1, subdivision 4 of § 2.2-3705.4, or other applicable exemptions of the Virginia Freedom of Information Act, and § 2.2-4342 of the Virginia Public Procurement Act, Chapter 43 (§ 2.2-4300 et seq.) of Title 2.2 of the Code of Virginia.

C. Cooperative Procurements and Alliances.

In circumstances where the University determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the University that meet its business goals and objectives, the University is authorized to participate in cooperative procurements with other public or private organizations or entities, including other educational institutions, public-private partnerships, public bodies, charitable organizations, health care provider alliances, and purchasing organizations, so long as the resulting contracts are procured competitively pursuant to subsections A through J of § 5 of the rules and the purposes of this policy are furthered. In the event the University engages in a cooperative contract with a private organization or public-private partnership and the contract was not competitively procured pursuant to subsections A through J of § 5 of the rules, use of the contract by other state agencies, institutions, and public bodies shall be prohibited. Notwithstanding all of the provisions of this subsection above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. By October 1 of each year, the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall make available to the Secretary of Administration, the Joint Legislative Audit and Review Commission, and the Auditor of Public Accounts a list of all cooperative contracts and alliances entered into or used during the prior fiscal year.

D. Training; Ethics in Contracting.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall take all necessary and reasonable steps to assure (i) that all University officials responsible for and engaged in procurements authorized by the Act and this policy are knowledgeable regarding the requirements of the Act, this policy, and the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ 2.2-4367 et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) that only officials authorized by this policy and any procedures adopted by the President of the University to implement this policy are responsible for and engaged in such procurements, and (iii) that compliance with the Act and this policy are achieved.

The University shall maintain an ongoing program to provide professional development opportunities to its buying staff and to provide methods training to internal staff who are engaged in placing decentralized small purchase transactions.

E. Ethics and University Procurements.

In implementing the authority conferred by this policy, the personnel administering any procurement shall adhere to the following provisions of the Code of Virginia: the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ 2.2-4367 et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, the State and Local Government Conflict of Interests Act, Chapter 31 (§ 2.2-3100 et seq.) of Title 2.2 of the Code of Virginia, and the Virginia Governmental Frauds Act, Article 1.1 (§ 18.2-498.1 et seq.) of Chapter 12 of Title 18.2 of the Code of Virginia.

VI. UNIVERSITY SURPLUS MATERIALS POLICY AND PROCEDURES.

The policy and procedures for disposal for surplus materials shall provide for the sale, environmentally appropriate disposal, or recycling of surplus materials by the University and the retention of the resulting proceeds by the University.

VII. ADOPTION AND EFFECTIVE DATES OF RULES AND IMPLEMENTING POLICIES AND PROCEDURES.

A. The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall adopt one or more comprehensive sets of specific procurement policies and procedures for the University, which, in addition to the rules, implement applicable provisions of law and this policy. The University procurements shall be carried out in accordance with this policy, the rules, and any implementing policies and procedures adopted by the University. The implementing policies and procedures adopted by the University (i) shall include the delegation of procurement authority by the board to appropriate University officials who shall oversee University procurements of goods, services, insurance, and construction, including a grant of authority to such officials to engage in further delegation of authority as the President of the University deems appropriate, and (ii) shall remain consistent with the competitive principles set forth in Section V of this policy.

B. Any implementing policies and procedures adopted pursuant to subsection A and the rules shall become effective on the effective date and, as of such date, shall be applicable to all procurements undertaken by the University on behalf of the University for goods, services, insurance, and construction. This policy, the rules, and any implementing policies and procedures adopted by the University shall not affect existing contracts already in effect.

C. The rules and the University implementing policies and procedures for all University procurements of goods, services, insurance, and construction and the disposition of surplus property shall be substantially consistent with the Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and their Vendors in their form as of the effective date and as amended or changed in the future, and with the University procedures specific to the acquisition of goods and services. The rules and the University implementing policies and procedures shall implement a system of competitive negotiation, and competitive sealed bidding when appropriate, for goods, services, including professional services, as defined in the rules, insurance, and construction.

VIII. REQUIREMENTS FOR RULES AND IMPLEMENTING POLICIES AND PROCEDURES.

A. Protests, Appeals, and Debarment.

The rules and the University implementing policies and procedures for procurements other than capital outlay shall include a process or processes for an administrative appeal by vendors, firms, or contractors. Protests and appeals may challenge determinations of vendor, firm, or contractor non-responsibility or ineligibility, or the award of contracts,

provided that such protests and appeals are filed within the timeframes specified by the rules. Remedies available shall be limited to reversal of the action challenged or, where a contract already being performed is declared void, compensation for the cost of performance up to the time of such declaration. The rules and the University implementing policies and procedures also may establish the basis and process for debarment of any vendor, firm, or contractor.

B. Prompt Payment of Contractors and Subcontractors.

The rules and the University implementing policies and procedures shall include provisions related to prompt payment of outstanding invoices, which shall include payment of interest on properly-presented invoices outstanding more than seven days beyond the payment date, at a rate no higher than the lowest prime rate charged by any commercial bank as published in the Wall Street Journal. The payment date shall be the later of 30 days from the date of the receipt of goods or invoice, or the date established by the contract. All contracts also shall require prompt payment of subcontractors by the general contractor, upon receipt of payment by the University.

C. Types of Procurements.

The rules and the University implementing policies and procedures shall implement a system of competitive negotiation for professional services, as defined in the rules, and shall implement purchasing procedures developed to maximize competition given the size and duration of the contract and the needs of the University. Such policies and procedures may include special provisions for procurements, such as emergency procurements, sole source procurements, brand name procurements, small purchases, procurements in which only one qualified vendor responds, and others.

D. Approval and Public Notice of Procurements.

The rules and the University implementing policies and procedures shall provide for approval of solicitation documents by an authorized individual and for reasonable public notice of procurements, given the size and nature of the need and the applicability of any exemption in the Virginia Freedom of Information Act, Chapter 37 (§ 2.2-3700 et seq.) of Title 2.2 of the Code of Virginia.

E. Administration of Contracts.

The rules and the University implementing policies and procedures shall contain provisions related to the administration of contracts, including contract claims, modifications, extensions, and assignments.

F. Nondiscrimination.

The rules and the University implementing policies and procedures shall provide for a nondiscriminatory procurement process that prohibits discrimination because of the race, religion, color, sex, or national origin of the bidder or offeror in the solicitation and award of contracts and shall include appropriate provisions to effectuate fair and reasonable consideration of women-owned, minority-owned, and small businesses and to promote and encourage a diversity of suppliers.

ATTACHMENT 1

Rules Governing Procurement of Goods, Services, Insurance, and Construction by a Public Institution of Higher Education of the Commonwealth of Virginia Governed by Article 4 of the

Restructured Higher Education Financial and Administrative Operations Act, Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia.

In accordance with the provisions of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia, and in particular § 23.1-1017 of the Act, the governing body of a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth pursuant to Article 4 of the Act has adopted the following rules to govern the procurement of goods, services, insurance, and construction by the Institution:

§ 1. Purpose. -

The purpose of these rules is to enunciate the public policies pertaining to procurement of goods, services, insurance, and construction by the Institution from nongovernmental sources, to include governmental procurement that may or may not result in monetary consideration for either party. These rules shall apply whether the consideration is monetary or nonmonetary and regardless of whether the Institution, the contractor, or some third party is providing the consideration.

§ 2. Scope of procurement authority. -

Subject to these rules, and the Institution's continued substantial compliance with the terms and conditions of its management agreement with the Commonwealth pursuant to the requirements—particularly Article 4—of the Act, the Institution shall have and shall be authorized to have and exercise all of the authority relating to procurement of goods, services, insurance, and construction, including but not limited to capital outlay-related procurement and information technology-related procurement, that Institutions are authorized to exercise pursuant to Article 4 of the Act.

§ 3. Competition is the priority. -

To the end that the Institution shall obtain high quality goods and services at reasonable cost, that all procurement procedures be conducted in an open, fair, and impartial manner with avoidance of any impropriety or appearance of impropriety, that all qualified vendors have access to the Institution's business, and that no offeror be arbitrarily or capriciously excluded, it is the intent of the governing body of the Institution that competition be sought to the maximum feasible degree, that procurement procedures involve openness and administrative efficiency, that individual public bodies enjoy broad flexibility in fashioning details of such competition, that the rules governing contract awards be made clear in advance of the competition, that specifications reflect the procurement needs of the purchasing body rather than being

drawn to favor a particular vendor, and that the purchaser and vendor freely exchange information concerning what is sought to be procured and what is offered. The Institution may consider best value concepts when procuring goods and nonprofessional services but not construction or professional services. Professional services will be procured using a qualification-based selection process. The criteria, factors, and basis for consideration of best value and the process for the consideration of best value shall be as stated in the procurement solicitation.

§ 4. Definitions. -

As used in these rules:

"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia.

"Affiliate" means an individual or business that controls, is controlled by, or is under common control with another individual or business. A person controls an entity if the person owns, directly or indirectly, more than 10 percent of the voting securities of the entity. For the purposes of this definition, "voting security" means a security that (i) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (ii) is convertible into, or entitles the holder to receive, upon its exercise, a security that confers such a right to vote. A general partnership interest shall be deemed to be a voting security.

"Best value" means the overall combination of quality, price, and various elements of required services that in total are optimal relative to the Institution's needs, as predetermined in the solicitation.

"Business" means any type of corporation, partnership, limited liability company, association, or sole proprietorship operated for profit.

"Competitive negotiation" means a method of contractor selection that includes the following elements:

1. Issuance of a written request for proposal indicating in general terms that which is sought to be procured, specifying the factors that will be used in evaluating the proposal and containing or incorporating by reference the other applicable contractual terms and conditions, including any unique capabilities or qualifications that will be required of the contractor.

2. Public notice of the request for proposal at least 10 days prior to the date set for receipt of proposals by publication in a newspaper or newspapers of general circulation in the area in which the contract is to be performed so as to provide reasonable notice to the maximum number of offerors that can be reasonably anticipated to submit proposals in response to the particular request. Public notice also shall be published on the Department of General Services' central electronic procurement website and may be published on other appropriate websites. In addition, proposals may be solicited directly from potential contractors.

3. a. Procurement of professional services. The procurement of professional services for capital projects shall be conducted using a qualification-based selection process. The Institution shall engage in individual discussions with two or more offerors deemed fully qualified, responsible, and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. The offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. The request for proposal shall not, however, request that offerors furnish estimates of man-hours or cost for services. At the discussion stage, the Institution may discuss nonbinding estimates of total project costs, including, but not limited to, life-cycle costing, and where appropriate, nonbinding estimates of price for services. Proprietary information from competing offerors shall not be disclosed to the public or to competitors. At the conclusion of discussion, outlined in this subdivision, on the basis of evaluation factors published in the request for proposal and all information developed in the selection process to this point, the Institution shall select in the order of preference two or more offerors whose professional qualifications and proposed services are deemed most meritorious. Negotiations shall then be conducted, beginning with the offeror ranked first. If a contract satisfactory and advantageous to the Institution can be negotiated at a price considered fair and reasonable, the award shall be made to that offeror. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price. Should the Institution determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror.

A contract for architectural or professional engineering services relating to construction projects may be negotiated by the Institution for multiple projects, provided (i) the projects require similar experience and expertise and (ii) the nature of the projects is clearly identified in the request for proposal. Under such contract, (a) the fair and reasonable prices, as negotiated, shall be used in determining the cost of each project performed, (b) the sum of all projects performed in one contract term shall be as set in the request for proposal, and (c) the project fee of any single project shall not exceed the term limit as set in the request for proposal. Any unused amounts from any contract term may be carried forward. Competitive negotiations for such contracts may result in awards to more than one offeror provided the request for proposal stated the potential for a multivendor award.

Multiphase professional services contracts satisfactory and advantageous to the Institution for environmental, location, design, and inspection work regarding construction of infrastructure projects may be negotiated and awarded based on qualifications at a fair and reasonable price for the first phase only, when completion of the earlier phases is necessary to provide information critical to the negotiation of a fair and reasonable price for succeeding phases. Prior to the procurement of any such contract, the Institution shall state the anticipated intended total scope of the project and

determine in writing that the nature of the work is such that the best interests of such Institution require awarding the contract.

b. Procurement of other than professional services. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the request for proposal, including price if so stated in the request for proposal. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the Institution shall select the offeror that, in its opinion, has made the best proposal, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so provided in the request for proposal, awards may be made to more than one offeror. Should the Institution determine in writing and in its sole discretion that only one offeror has made the best proposal, a contract may be negotiated and awarded to that offeror.

"Competitive sealed bidding" is a method of contractor selection, other than for professional services, that includes the following elements:

1. Issuance of a written invitation to bid containing or incorporating by reference the specifications and contractual terms and conditions applicable to the procurement. Unless the Institution has provided for prequalification of bidders, the invitation to bid shall include a statement of any requisite qualifications of potential contractors. When it is impractical to prepare initially a purchase description to support an award based on prices, an invitation to bid may be issued requesting the submission of unpriced offers to be followed by an invitation to bid limited to those bidders whose offers have been qualified under the criteria set forth in the first solicitation.

2. Public notice of the invitation to bid at least 10 days prior to the date set for receipt of bids by publication on the Department of General Services' central electronic procurement website. Public notice also may be published in a newspaper of general circulation or on other appropriate websites, or both. In addition, bids may be solicited directly from potential contractors. Any additional solicitations shall include businesses selected from a list made available by the Department of Minority Business Enterprise.

3. Public opening and announcement of all bids received.

4. Evaluation of bids based upon the requirements set forth in the invitation, that may include special qualifications of potential contractors, life-cycle costing, value analysis, and any other criteria such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose, that are helpful in determining acceptability.

5. Award to the lowest responsive and responsible bidder. When the terms and conditions of multiple awards are so provided in the invitation to bid, awards may be made to more than one bidder.

"Construction" means building, altering, repairing, improving, or demolishing any structure, building, or highway, and any draining, dredging, excavation, grading, or similar work upon real property.

"Construction management contract" means a contract in which a party is retained by the owner to coordinate and administer contracts for construction services for the benefit of the owner, and may also include, if provided in the contract, the furnishing of construction services to the owner.

"Covered institution" or "Institution" means, on and after the effective date of the initial management agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a management agreement with the Commonwealth to be governed by the provisions of Article 4 of the Act.

"Design-build contract" means a contract between the Institution and another party in which the party contracting with the Institution agrees to both design and build the structure, roadway, or other item specified in the contract.

"Goods" means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.

"Informality" means a minor defect or variation of a bid or proposal from the exact requirements of the invitation to bid, or the request for proposal, that does not affect the price, quality, quantity, or delivery schedule for the goods, services, or construction being procured.

"Multiphase professional services contract" means a contract for the providing of professional services where the total scope of work of the second or subsequent phase of the contract cannot be specified without the results of the first or prior phase of the contract.

"Nonprofessional services" means any services not specifically identified as professional services in the definition of professional services and includes small construction projects valued not over \$1 million, provided that subdivision 3 a of the definition of "competitive negotiation" in this section shall still apply to professional services for such small construction projects.

"Potential bidder or offeror" for the purposes of §§ 50 and 54 of these rules, means a person who, at the time the Institution negotiates and awards or proposes to award a contract, is engaged in the sale or lease of goods, or the sale of services, insurance, or construction, of the type to be procured under the contract, and who at such time is eligible and qualified in all respects to perform that contract, and who would have been eligible and qualified to submit a bid or proposal had the contract been procured through competitive sealed bidding or competitive negotiation.

"Professional services" means work performed by an independent contractor within the scope of the practice of accounting, actuarial services, architecture, land surveying, landscape architecture, law, dentistry, medicine, optometry, pharmacy, or professional engineering.

"Public body" means any legislative, executive, or judicial body, agency, office, department, authority, post, commission, committee, institution, board, or political subdivision created by law to exercise some sovereign power or to perform some governmental duty, and empowered by law to undertake the activities described in these rules.

"Public contract" means an agreement between the Institution and a nongovernmental source that is enforceable in a court of law.

"Responsible bidder" or "offeror" means a person who has the capability, in all respects, to perform fully the contract requirements and the moral and business integrity and reliability that will assure good faith performance, and who has been prequalified, if required.

"Responsive bidder" means a person who has submitted a bid that conforms in all material respects to the invitation to bid.

"Rules" means these Rules Governing Procurement of Goods, Services, Insurance, and Construction adopted by the governing body of the covered institution.

"Reverse auctioning" means a procurement method wherein bidders are invited to bid on specified goods or nonprofessional services through real-time electronic bidding, with the award being made to the lowest responsive and responsible bidder. During the bidding process, bidders' prices are revealed and bidders shall have the opportunity to modify their bid prices for the duration of the time period established for bid opening.

"Services" means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials, and supplies.

"Sheltered workshop" means a work-oriented rehabilitative facility with a controlled working environment and individual goals that utilizes work experience and related services for assisting the handicapped person to progress toward normal living and a productive vocational status.

§ 5. Methods of procurement. -

A. All public contracts with nongovernmental contractors for the purchase or lease of goods, or for the purchase of services, insurance, or construction, shall be awarded after competitive sealed bidding, or competitive negotiation as provided in this section, unless otherwise authorized by law.

B. Professional services shall be procured by competitive negotiation. Qualification-based selection shall be used for design services.

C. Goods, services, or insurance may be procured by competitive negotiation.

D. Construction may be procured only by competitive sealed bidding, except that competitive negotiation may be used in the following instances upon a determination made in advance by the Institution and set forth in writing that competitive sealed bidding is either not practicable or not fiscally advantageous to the public, which writing shall document the basis for this determination:

1. By the Institution on a fixed price design-build basis or construction management basis under § 7;
2. By the Institution for the construction, alteration, repair, renovation, or demolition of buildings; or
3. By the Institution for the construction of highways and any draining, dredging, excavation, grading, or similar work upon real property.

E. Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. The writing shall document the basis for this determination. The Institution shall issue a written notice stating that only one source was determined to be practicably available, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first. Public notice shall also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and may be published on other appropriate websites.

F. In case of emergency, a contract may be awarded without competitive sealed bidding or competitive negotiation; however, such procurement shall be made with such competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file. The Institution shall issue a written notice stating that the contract is being awarded on an emergency basis, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first, or as soon thereafter as is practicable. Public notice may also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and other appropriate websites.

G. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for goods and services other than professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however, such small purchase procedures shall provide for competition wherever practicable.

H. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive negotiation for single or term contracts for professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however, such small purchase procedures shall provide for competition wherever practicable.

I. Upon a determination made in advance by the Institution and set forth in writing that the purchase of goods, products, or commodities from a public auction sale is in the best interests of the public, such items may be purchased at the auction, including online public auctions. The writing shall document the basis for this determination.

J. The purchase of goods or nonprofessional services, but not construction or professional services, may be made by reverse auctioning.

§ 6. Cooperative procurement. -

A. In circumstances where the Institution determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the Institution that meet its business goals and objectives, the Institution is authorized to participate in, sponsor, conduct, or administer a cooperative procurement arrangement on behalf of or in conjunction with public bodies, public or private health or educational institutions, other public or private organizations or entities, including public-private partnerships, charitable organizations, health care provider alliances, or purchasing organizations or entities, or with public agencies or institutions or group purchasing organizations of the several states, territories of the United States, or the District of Columbia, for the purpose of combining requirements to effect cost savings or reduce administrative expense in any acquisition of goods and services, other than professional services. The Institution may purchase from any authority, department, agency, institution, city, county, town, or other political subdivision of the Commonwealth's contract even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies. In such instances, deviation from the procurement procedures set forth in these rules and the administrative policies and procedures established to implement these rules shall be permitted. Notwithstanding all of the provisions of this section above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. Nothing herein shall prohibit the payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.

B. In circumstances where statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to meet the Institution's business goals and objectives, and as authorized by the United States Congress and consistent with applicable federal regulations, and provided the terms of the contract permit such purchases:

1. The Institution may purchase goods and nonprofessional services from a U.S. General Services Administration contract or a contract awarded by any other agency of the United States government; and

2. The Institution may purchase telecommunications and information technology goods and nonprofessional services from a United States General Services Administration contract or a contract awarded by any other agency of the United States government.

§ 7. Design-build or construction management contracts authorized. -

A. Notwithstanding any other provisions of law, the Institution may enter into contracts on a fixed price design-build basis or construction management basis in accordance with the provisions of this section.

B. Procurement of construction by the design-build or construction management method shall be a two-step competitive negotiation process. In the first step, offerors shall be requested to submit their qualifications. Based upon the information submitted and any other relevant information that the Commonwealth may obtain, no more than five offerors deemed most suitable for the project shall be selected by the Commonwealth and requested to submit proposals.

§ 8. Modification of the contract. -

A. A contract awarded by the Institution may include provisions for modification of the contract during performance, but no fixed-price contract may be increased by more than 25 percent of the amount of the contract or \$50,000, whichever is greater, without the advance written approval of the President of the Institution or his designee. In no event may the amount of any contract, without adequate consideration, be increased for any purpose, including, but not limited to, relief of an offeror from the consequences of an error in its bid or offer.

B. The Institution may extend the term of an existing contract for services to allow completion of any work undertaken but not completed during the original term of the contract.

C. Nothing in this section shall prevent the Institution from placing greater restrictions on contract modifications.

§ 9. Discrimination prohibited; participation of small, women-owned, and minority-owned business. -

A. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment. Whenever solicitations are made, the Institution shall include businesses selected from a list made available by the Department of Minority Business Enterprise.

B. The Institution shall establish programs consistent with this section to facilitate the participation of small businesses and businesses owned by women and minorities in procurement transactions. The programs established shall be in writing and shall include cooperation with the Department of Minority Business Enterprise, the U.S. Small Business Administration, and other public or private agencies. The Institution shall submit annual progress reports on minority business procurement to the Department of Minority Business Enterprise.

C. Whenever there exists (i) a rational basis for small business enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women-owned and minority-owned businesses, the Governor is by law authorized and encouraged to require the Institution to implement appropriate enhancement or remedial measures consistent with prevailing law.

D. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless it has made a written determination that employing ex-offenders on the specific contract is not in its best interest.

§ 10. Employment discrimination by contractor prohibited; required contract provisions. -

The Institution shall include in every contract of more than \$10,000 the following provisions:

1. During the performance of this contract, the contractor agrees as follows:

a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.

c. Notices, advertisements, and solicitations placed in accordance with federal law, rule, or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

2. The contractor will include the provisions of subdivisions 1 a, b, and c in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

§ 11. Drug-free workplace to be maintained by contractor; required contract provisions.

The Institution shall include in every contract over \$10,000 the following provisions:

During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with these rules, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession, or use of any controlled substance or marijuana during the performance of the contract.

§ 12. Use of brand names. -

Unless otherwise provided in the invitation to bid, the name of a certain brand, make, or manufacturer shall not restrict bidders to the specific brand, make, or manufacturer named and shall be deemed to convey the general style, type, character, and quality of the article desired. Any article that the Institution in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

§ 13. Comments concerning specifications. -

The Institution shall establish procedures whereby comments concerning specifications or other provisions in invitations to bid or requests for proposal can be received and considered prior to the time set for receipt of bids or proposals or award of the contract.

§ 14. Prequalification generally; prequalification for construction. -

A. Prospective contractors may be prequalified for particular types of supplies, services, insurance, or construction and consideration of bids or proposals limited to prequalified contractors. Any prequalification procedure shall be established in writing and sufficiently in advance of its implementation to allow potential contractors a fair opportunity to complete the process.

B. Any prequalification of prospective contractors for construction by the Institution shall be pursuant to a prequalification process for construction projects adopted by the Institution. The process shall be consistent with the provisions of this section.

The application form used in such process shall set forth the criteria upon which the qualifications of prospective contractors will be evaluated. The application form shall request of prospective contractors only such information as is appropriate for an objective evaluation of all prospective contractors pursuant to such criteria. The form shall allow the prospective contractor seeking prequalification to request, by checking the appropriate box, that all information voluntarily submitted by the contractor pursuant to this subsection shall be considered a trade secret or proprietary information subject to the provisions of subsection D of § 34 of these rules.

In all instances in which the Institution requires prequalification of potential contractors for construction projects, advance notice shall be given of the deadline for the submission of prequalification applications. The deadline for

submission shall be sufficiently in advance of the date set for the submission of bids for such construction so as to allow the procedures set forth in this subsection to be accomplished.

At least 30 days prior to the date established for submission of bids or proposals under the procurement of the contract for which the prequalification applies, the Institution shall advise in writing each contractor who submitted an application whether that contractor has been prequalified. In the event that a contractor is denied prequalification, the written notification to the contractor shall state the reasons for the denial of prequalification and the factual basis of such reasons.

A decision by the Institution denying prequalification under the provisions of this subsection shall be final and conclusive unless the contractor appeals the decision as provided in § 54 of these rules.

C. The Institution may deny prequalification to any contractor only if the Institution finds one of the following:

1. The contractor does not have sufficient financial ability to perform the contract that would result from such procurement. If a bond is required to ensure performance of a contract, evidence that the contractor can acquire a surety bond from a corporation included on the United States Treasury list of acceptable surety corporations in the amount and type required by the Institution shall be sufficient to establish the financial ability of the contractor to perform the contract resulting from such procurement;

2. The contractor does not have appropriate experience to perform the construction project in question;

3. The contractor or any officer, director, or owner thereof has had judgments entered against him within the past 10 years for the breach of contracts for governmental or nongovernmental construction, including, but not limited to, design-build or construction management;

4. The contractor has been in substantial noncompliance with the terms and conditions of prior construction contracts with the Institution without good cause. If the Institution has not contracted with a contractor in any prior construction contracts, the Institution may deny prequalification if the contractor has been in substantial noncompliance with the terms and conditions of comparable construction contracts with another public body without good cause. The Institution may not utilize this provision to deny prequalification unless the facts underlying such substantial noncompliance were documented in writing in the prior construction project file and such information relating thereto given to the contractor at that time, with the opportunity to respond;

5. The contractor or any officer, director, owner, project manager, procurement manager, or chief financial official thereof has been convicted within the past 10 years of a crime related to governmental or nongovernmental construction or contracting, including, but not limited to, a violation of (i) Article 6 (§ 2.2-4367 et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) the Virginia Governmental Frauds Act, Article 1.1 (§ 18.2-498.1 et seq.) of Chapter 12 of Title 18.2 of the Code of Virginia, (iii) Chapter 4.2 (§ 59.1-68.6 et seq.) of Title 59.1 of the Code of Virginia, or (iv) any substantially similar law of the United States or another state;

6. The contractor or any officer, director, or owner thereof is currently debarred pursuant to an established debarment procedure from bidding or contracting by any public body, agency of another state, or agency of the federal government; and

7. The contractor failed to provide to the Institution in a timely manner any information requested by the Institution relevant to subdivisions 1 through 6 of this subsection.

§ 15. Negotiation with lowest responsible bidder. -

Unless canceled or rejected, a responsive bid from the lowest responsible bidder shall be accepted as submitted, except that if the bid from the lowest responsible bidder exceeds available funds, the Institution may negotiate with the apparent low bidder to obtain a contract price within available funds. However, the negotiation may be undertaken only under conditions and procedures described in writing and approved by the Institution prior to issuance of the invitation to bid and summarized therein.

§ 16. Cancellation, rejection of bids; waiver of informalities. -

A. An invitation to bid, a request for proposal, any other solicitation, or any and all bids or proposals, may be canceled or rejected. The reasons for cancellation or rejection shall be made part of the contract file. The Institution shall not cancel or reject an invitation to bid, a request for proposal, or any other solicitation, bid, or proposal pursuant to this section solely to avoid awarding a contract to a particular responsive and responsible bidder or offeror.

B. The Institution may waive informalities in bids.

§ 17. Exclusion of insurance bids prohibited. -

Notwithstanding any other provision of law, no insurer licensed to transact the business of insurance in the Commonwealth or approved to issue surplus lines insurance in the Commonwealth shall be excluded from presenting an insurance bid proposal to the Institution in response to a request for proposal or an invitation to bid. Nothing in this section shall preclude the Institution from debarring a prospective insurer pursuant to § 18 of these rules.

§ 18. Debarment. -

Prospective contractors may be debarred from contracting for particular types of supplies, services, insurance, or construction, for specified periods of time. Any debarment procedure shall be established in writing by the Institution. Any debarment procedure may provide for debarment on the basis of a contractor's unsatisfactory performance for the Institution.

§ 19. Purchase programs for recycled goods; Institution responsibilities. -

A. The Institution may implement a purchase program for recycled goods and may coordinate its efforts so as to achieve the goals and objectives set forth in §§ 10.1-1425.6, 10.1-1425.7, and 10.1-1425.8 of the Code of Virginia and §§ 20 and 22 of these rules.

B. The Department of Environmental Quality, with advice from the Virginia Recycling Markets Development Council, shall advise the Institution concerning the designation of recycled goods.

§ 20. Preference for Virginia products with recycled content and for Virginia firms. -

A. In the case of a tie bid, preference shall be given to goods produced in Virginia or goods, services, or construction provided by Virginia persons, firms, or corporations; otherwise the tie shall be decided by lot.

B. Whenever any bidder is a resident of any other state and such state under its laws allows a resident contractor of that state a preference, a like preference may be allowed by the Institution to the lowest responsive and responsible bidder who is a resident of Virginia.

C. Notwithstanding the provisions of subsections A and B, in the case of a tie bid in instances where goods are being offered, and existing price preferences have already been taken into account, preference shall be given to the bidder whose goods contain the greatest amount of recycled content.

§ 21. Preference for Virginia coal used in the Institution. -

In determining the award of any contract for coal to be purchased for use in the Institution with state funds, the Institution shall procure using competitive sealed bidding and shall award to the lowest responsive and responsible bidder offering coal mined in Virginia so long as its bid price is not more than four percent greater than the bid price of the low responsive and responsible bidder offering coal mined elsewhere.

§ 22. Preference for recycled paper and paper products used by the Institution. -

A. In determining the award of any contract for paper and paper products to be purchased for use by the Institution, it shall competitively procure recycled paper and paper products of a quality suitable for the purpose intended, so long as the price is not more than 10 percent greater than the price of the low responsive and responsible bidder or offeror offering a product that does not qualify under subsection B.

B. For purposes of this section, recycled paper and paper products means any paper or paper products meeting the U.S. Environmental Protection Agency-recommended content standards as defined in 40 C.F.R. Part 247.

§ 23. Withdrawal of bid due to error. -

A. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor, or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents, and materials used in the preparation of the bid sought to be withdrawn.

If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, which was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor, or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents, and materials used in the preparation of the bid sought to be withdrawn.

One of the following procedures for withdrawal of a bid shall be selected by the Institution and stated in the advertisement for bids: (i) the bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice or (ii) the bidder shall submit to the Institution or designated official his original work papers, documents, and materials used in the preparation of the bid within one day after the date fixed for submission of bids. The work papers shall be delivered by the bidder in person or by registered mail at or prior to the time fixed for the opening of bids. In either instance, the work papers, documents, and materials may be considered as trade secrets or proprietary information subject to the conditions of subsection F of § 34 of these rules. The bids shall be opened one day following the time fixed by the Institution for the submission of bids. Thereafter, the bidder shall have two hours after the opening of bids within which to claim in writing any mistake as defined herein and withdraw his bid. The contract shall not be awarded by the Institution until the two-hour period has elapsed. The mistake shall be proved only from the original work papers, documents, and materials delivered as required herein.

B. The Institution may establish procedures for the withdrawal of bids for other than construction contracts.

C. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent.

D. If a bid is withdrawn in accordance with this section, the lowest remaining bid shall be deemed to be the low bid.

E. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

F. If the Institution denies the withdrawal of a bid under the provisions of this section, it shall notify the bidder in writing stating the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.

§ 24. Contract Pricing Arrangements. -

A. Public contracts may be awarded on a fixed price or cost reimbursement basis, or on any other basis that is not prohibited by these rules.

B. Except in case of emergency affecting the public health, safety, or welfare, no public contract shall be awarded on the basis of cost plus a percentage of cost.

C. A policy or contract of insurance or prepaid coverage having a premium computed on the basis of claims paid or incurred, plus the insurance carrier's administrative costs and retention stated in whole or part as a percentage of such claims, shall not be prohibited by this section.

§ 25. Workers' compensation requirements for construction contractors and subcontractors. -

A. No contractor shall perform any work on a construction project of the Institution unless he (i) has obtained, and continues to maintain for the duration of the work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ 65.2-800 et seq.) of Title 65.2 of the Code of Virginia and (ii) provides prior to the award of contract, on a form furnished by the Institution, evidence of such coverage.

B. The Department of General Services shall provide the workers' compensation coverage form to the Institution. Failure of the Institution to provide the form prior to the award of contract shall waive the requirements of clause (ii) of subsection A.

C. No subcontractor shall perform any work on a construction project of the Institution unless he has obtained, and continues to maintain for the duration of such work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ 65.2-800 et seq.) of Title 65.2 of the Code of Virginia.

§ 26. Retainage on construction contracts. -

A. In any contract issued by the Institution for construction that provides for progress payments in installments based upon an estimated percentage of completion, the contractor shall be paid at least 95 percent of the earned sum when payment is due, with no more than five percent being retained to ensure faithful performance of the contract. All amounts withheld may be included in the final payment.

B. Any subcontract for a public project that provides for similar progress payments shall be subject to the provisions of this section.

§ 27. Public construction contract provisions barring damages for unreasonable delays declared void. -

A. Any provision contained in any public construction contract of the Institution that purports to waive, release, or extinguish the rights of a contractor to recover costs or damages for unreasonable delay in performing such contract, either on his behalf or on behalf of his subcontractor if and to the extent the delay is caused by acts or omissions of the Institution, its agents, or employees and due to causes within their control, shall be void and unenforceable as against public policy.

B. Subsection A shall not be construed to render void any provision of a public construction contract awarded by the Institution that:

1. Allows the recovery of that portion of delay costs caused by the acts or omissions of the contractor or its subcontractors, agents, or employees;

2. Requires notice of any delay by the party claiming the delay;

3. Provides for liquidated damages for delay; or

4. Provides for arbitration or any other procedure designed to settle contract disputes.

C. A contractor making a claim against the Institution for costs or damages due to the alleged delaying of the contractor in the performance of its work under any public construction contract of the Institution shall be liable to the Institution and shall pay it for a percentage of all costs incurred by the Institution in investigating, analyzing, negotiating, litigating, and arbitrating the claim, which percentage shall be equal to the percentage of the contractor's total delay claim that is determined through litigation or arbitration to be false or to have no basis in law or in fact.

D. If the Institution denies a contractor's claim for costs or damages due to the alleged delaying of the contractor in the performance of work under any public construction contract for the Institution, it shall be liable to and shall pay such contractor a percentage of all costs incurred by the contractor to investigate, analyze, negotiate, litigate and arbitrate the claim. The percentage paid by the Institution shall be equal to the percentage of the contractor's total delay claim for which the Institution's denial is determined through litigation or arbitration to have been made in bad faith.

§ 28. Bid bonds. -

A. Except in cases of emergency, all bids or proposals for construction contracts in excess of \$1 million shall be accompanied by a bid bond from a surety company selected by the bidder that is authorized to do business in Virginia, as a guarantee that if the contract is awarded to the bidder, he will enter into the contract for the work mentioned in the bid. The amount of the bid bond shall not exceed five percent of the amount bid.

B. No forfeiture under a bid bond shall exceed the lesser of (i) the difference between the bid for which the bond was written and the next low bid or (ii) the face amount of the bid bond.

C. Nothing in this section shall preclude the Institution from requiring bid bonds to accompany bids or proposals for construction contracts anticipated to be less than \$1 million.

§ 29. Performance and payment bonds. -

A. Upon the award by the Institution of any (i) public construction contract exceeding \$1 million awarded to any prime contractor or (ii) public construction contract exceeding \$1 million awarded to any prime contractor requiring the performance of labor or the furnishing of materials for buildings, structures, or other improvements to real property owned by the Institution, the contractor shall furnish to the Institution the following bonds:

1. Except for transportation-related projects, a performance bond in the sum of the contract amount conditioned upon the faithful performance of the contract in strict conformity with the plans, specifications, and conditions of the contract. For transportation-related projects, such bond shall be in a form and amount satisfactory to the Institution.

2. A payment bond in the sum of the contract amount. The bond shall be for the protection of claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom the contract was awarded, or to any subcontractors, in furtherance of the work provided for in the contract, and shall be conditioned upon the prompt payment for all materials furnished or labor supplied or performed in the furtherance of the work.

For the purposes of this subsection, "labor or materials" include public utility services and reasonable rentals of equipment, but only for periods when the equipment rented is actually used at the site.

B. Each of the bonds shall be executed by one or more surety companies selected by the contractor that are authorized to do business in Virginia.

C. The bonds shall be payable to the Commonwealth of Virginia, naming also the Institution.

D. Each of the bonds shall be filed with the Institution or a designated office or official thereof.

E. Nothing in this section shall preclude the Institution from requiring payment or performance bonds for construction contracts below \$1 million.

F. Nothing in this section shall preclude the contractor from requiring each subcontractor to furnish a payment bond with surety thereon in the sum of the full amount of the contract with such subcontractor conditioned upon the payment to all persons who have and fulfill contracts that are directly with the subcontractor for performing labor and furnishing materials in the prosecution of the work provided for in the subcontract.

§ 30. Alternative forms of security. -

A. In lieu of a bid, payment, or performance bond, a bidder may furnish a certified check or cash escrow in the face amount required for the bond.

B. If approved by the Institution's general counsel or his equivalent, a bidder may furnish to the Institution a personal bond, property bond, or bank or savings institution's letter of credit on certain designated funds in the face amount required for the bid, payment, or performance bond. Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the Institution equivalent to a corporate surety's bond.

§ 31. Bonds on other than construction contracts. -

The Institution may require bid, payment, or performance bonds for contracts for goods or services if provided in the invitation to bid or request for proposal.

§ 32. Action on performance bond. -

No action against the surety on a performance bond shall be brought by the Institution unless brought within one year after (i) completion of the contract, including the expiration of all warranties and guarantees or (ii) discovery of the defect or breach of warranty that gave rise to the action.

§ 33. Actions on payment bonds; waiver of right to sue. -

A. Subject to the provisions of subsection B, any claimant who has performed labor or furnished material in accordance with the contract documents in furtherance of the work provided in any contract for which a payment bond has been given, and who has not been paid in full before the expiration of 90 days after the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, may bring an action on the payment bond to recover any amount due him for the labor or material. The obligee named in the bond need not be named a party to the action.

B. Any claimant who has a direct contractual relationship with any subcontractor but who has no contractual relationship, express or implied, with the contractor, may bring an action on the contractor's payment bond only if he has given written notice to the contractor within 180 days from the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, stating with substantial accuracy the amount claimed and the name of the person for whom the work was performed or to whom the material was furnished. Notice to the contractor shall be served by registered or certified mail, postage prepaid, in an envelope addressed to such contractor at any place where his office is regularly maintained for the transaction of business. Claims for sums withheld as retainages with respect to labor performed or materials furnished shall not be subject to the time limitations stated in this subsection.

C. Any action on a payment bond shall be brought within one year after the day on which the person bringing such action last performed labor or last furnished or supplied materials.

D. Any waiver of the right to sue on the payment bond required by this section shall be void unless it is in writing, signed by the person whose right is waived, and executed after such person has performed labor or furnished material in accordance with the contract documents.

§ 34. Public inspection of certain records. -

A. Except as provided in this section, all proceedings, records, contracts, and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm, or corporation, in accordance with the Virginia Freedom of Information Act, Chapter 37 (§ 2.2-3700 et seq.) of Title 2.2 of the Code of Virginia.

B. Cost estimates relating to a proposed procurement transaction prepared by or for the Institution shall not be open to public inspection.

C. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of all bids but prior to award, except in the event that the Institution decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract.

D. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award, except in the event that the Institution decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to public inspection only after award of the contract.

E. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.

F. Trade secrets or proprietary information submitted by a bidder, offeror, or contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection B of § 14 of these rules shall not be subject to the Virginia Freedom of Information Act, Chapter 37 (§ 2.2-3700 et seq.) of Title 2.2 of the Code of Virginia; however, the bidder, offeror, or contractor shall (i) invoke the protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary.

§ 35. Exemption for certain transactions. -

A. The provisions of these rules shall not apply to:

1. The selection of services related to the management and investment of the Institution's endowment funds, endowment income, or gifts. However, selection of these services shall be governed by the Uniform Prudent Management of Institutional Funds Act, Chapter 11 (§ 64.2-1100 et seq.) of Title 64.2 of the Code of Virginia.

2. The purchase of items for resale at retail bookstores and similar retail outlets operated by the Institution. However, such purchase procedures shall provide for competition where practicable.

3. Procurement of any construction or planning and design services for construction by the Institution when (i) the planning, design, or construction is \$50,000 or less or (ii) the Institution is obligated to conform to procurement procedures that are established by federal statutes or regulations, whether or not those federal procedures are in conformance with the provisions of these rules.

4. The purchase of goods and services by the Institution when such purchases are made under a remedial plan established by the Governor pursuant to subsection C of § 9 of these rules.

B. Where a procurement transaction involves the expenditure of federal assistance or contract funds, the receipt of which is conditioned upon compliance with mandatory requirements in federal laws or regulations not in conformance with the provisions of these rules, the Institution may comply with such federal requirements, notwithstanding the provisions of these rules, only upon the written determination of the President of the Institution or his designee that acceptance of the grant or contract funds under the applicable conditions is in the public interest. Such determination shall state the specific provision of these rules in conflict with the conditions of the grant or contract.

§ 36. Permitted contracts with certain religious organizations; purpose; limitations. -

A. The federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, authorizes public bodies to enter into contracts with faith-based organizations for the purposes described in this section on the same basis as any other nongovernmental source without impairing the religious character of such organization, and without diminishing the religious freedom of the beneficiaries of assistance provided under this section.

B. For the purposes of this section, "faith-based organization" means a religious organization that is or applies to be a contractor to provide goods or services for programs funded by the block grant provided pursuant to the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193.

C. The Institution, in procuring goods or services, or in making disbursements pursuant to this section, shall not (i) discriminate against a faith-based organization on the basis of the organization's religious character or (ii) impose conditions that (a) restrict the religious character of the faith-based organization, except as provided in subsection F, or (b) impair, diminish, or discourage the exercise of religious freedom by the recipients of such goods, services, or disbursements.

D. The Institution shall ensure that all invitations to bid, requests for proposals, contracts, and purchase orders prominently display a nondiscrimination statement indicating that it does not discriminate against faith-based organizations.

E. A faith-based organization contracting with the Institution (i) shall not discriminate against any recipient of goods, services, or disbursements made pursuant to a contract authorized by this section on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender, or national origin and (ii) shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the Institution. Nothing in clause (ii) shall be construed to supersede or otherwise override any other applicable state law.

F. Consistent with the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, funds provided for expenditure pursuant to contracts with public bodies shall not be spent for sectarian worship,

instruction, or proselytizing; however, this prohibition shall not apply to expenditures pursuant to contracts, if any, for the services of chaplains.

G. Nothing in this section shall be construed as barring or prohibiting a faith-based organization from any opportunity to make a bid or proposal or contract on the grounds that the faith-based organization has exercised the right, as expressed in 42 U.S.C. § 2000e-1 et seq., to employ persons of a particular religion.

H. If an individual, who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization, objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the Institution shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

The Institution shall provide to each individual who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization a notice in boldface type that states: "Neither the Institution's selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider or notify the appropriate person as indicated in this form."

§ 37. Exemptions from competition for certain transactions. -

The Institution may enter into contracts without competition, as that term is described in subsections A through J of § 5 of these rules, for:

1. The purchase of goods or services that are produced or performed by or related to:
 - a. Persons, or in schools or workshops, under the supervision of the Virginia Department for the Blind and Vision Impaired;
 - b. Nonprofit sheltered workshops or other nonprofit organizations that offer transitional or supported employment services serving the handicapped;
 - c. Private educational institutions; or
 - d. Other public educational institutions.
2. Speakers and performing artists;
3. Memberships and association dues;
4. Sponsored research grant sub-awards and contract sub-awards, not to include the purchase of goods or services by the Institution;
5. Group travel in foreign countries;
6. Conference facilities and services;
7. Participation in intercollegiate athletic tournaments and events including team travel and lodging, registration, and tournament fees;
8. Royalties; or
9. The purchase of legal services, provided that the Office of the Attorney General has been consulted, or expert witnesses or other services associated with litigation or regulatory proceedings.

§ 38. Exemptions from competitive sealed bidding and competitive negotiation for certain transactions; limitations. -

The Institution may enter into contracts for insurance or electric utility service without competitive sealed bidding or competitive negotiation if purchased through an association of which the Institution is a member if the association was formed and is maintained for the purpose of promoting the interest and welfare of and developing close relationships with similar public bodies, provided such association has procured the insurance or electric utility services by use of competitive principles and provided that the Institution has made a determination in advance after reasonable notice to the public and set forth in writing that competitive sealed bidding and competitive negotiation are not fiscally advantageous to the public. The writing shall document the basis for this determination.

§ 39. Definitions. -

As used in §§ 39 through 46 of these rules, unless the context requires a different meaning:

"Contractor" means the entity that has a direct contract with the Institution.

"Debtor" means any individual, business, or group having a delinquent debt or account with any state agency that obligation has not been satisfied or set aside by court order or discharged in bankruptcy.

"Payment date" means either (i) the date on which payment is due under the terms of a contract for provision of goods or services or (ii) if such date has not been established by contract, (a) 30 days after receipt of a proper invoice by the Institution or its agent or (b) 30 days after receipt of the goods or services by the Institution.

"Subcontractor" means any entity that has a contract to supply labor or materials to the contractor to whom the contract was awarded or to any subcontractor in the performance of the work provided for in such contract.

§ 40. Exemptions. -

The provisions of §§ 39 through 46 of these rules shall not apply to the late payment provisions contained in any public utility tariffs prescribed by the State Corporation Commission.

§ 41. Retainage to remain valid. -

Notwithstanding the provisions of §§ 39 through 46 of these rules, the provisions of § 26 of these rules relating to retainage shall remain valid.

§ 42. Prompt payment of bills by the Institution. -

A. The Institution shall promptly pay for the completely delivered goods or services by the required payment date.

Payment shall be deemed to have been made when offset proceedings have been instituted, as authorized under the Virginia Debt Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of Title 2.2 of the Code of Virginia.

B. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial deliveries or executions to the extent that such contract provides for separate payment for such partial delivery or execution.

§ 43. Defect or impropriety in the invoice or goods and/or services received. -

In instances where there is a defect or impropriety in an invoice or in the goods or services received, the Institution shall notify the supplier of the defect or impropriety, if the defect or impropriety would prevent payment by the payment date. The notice shall be sent within 15 days after receipt of the invoice or the goods or services.

§ 44. Date of postmark deemed to be date payment is made. -

In those cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made for purposes of these rules.

§ 45. Payment clauses to be included in contracts. -

Any contract awarded by the Institution shall include:

1. A payment clause that obligates the contractor to take one of the two following actions within seven days after receipt of amounts paid to the contractor by the Institution for work performed by the subcontractor under that contract:

a. Pay the subcontractor for the proportionate share of the total payment received from the Institution attributable to the work performed by the subcontractor under that contract; or

b. Notify the Institution and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

2. A payment clause that requires (i) individual contractors to provide their social security numbers and (ii) proprietorships, partnerships, and corporations to provide their federal employer identification numbers.

3. An interest clause that obligates the contractor to pay interest to the subcontractor on all amounts owed by the contractor that remain unpaid after seven days following receipt by the contractor of payment from the Institution for work performed by the subcontractor under that contract, except for amounts withheld as allowed in subdivision 1.

4. An interest rate clause stating, "Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of 1% per month."

Any such contract awarded shall further require the contractor to include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

A contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of the Institution. A contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.

§ 46. Interest penalty; exceptions. -

A. Interest shall accrue, at the rate determined pursuant to subsection B, on all amounts owed by the Institution to a vendor that remain unpaid after seven days following the payment date. However, nothing in this section shall affect any contract providing for a different rate of interest, or for the payment of interest in a different manner.

B. The rate of interest charged the Institution pursuant to subsection A shall be the base rate on corporate loans (prime rate) at large United States money center commercial banks as reported daily in the publication entitled The Wall Street Journal. Whenever a split prime rate is published, the lower of the two rates shall be used. However, in no event shall the rate of interest charged exceed the rate of interest established pursuant to § 58.1-1812 of the Code of Virginia.

C. Notwithstanding subsection A, no interest penalty shall be charged when payment is delayed because of disagreement between the Institution and a vendor regarding the quantity, quality, or time of delivery of goods or services or the accuracy of any invoice received for the goods or services. The exception from the interest penalty provided by this subsection shall apply only to that portion of a delayed payment that is actually the subject of the disagreement and shall apply only for the duration of the disagreement.

D. This section shall not apply to § 26 of these rules pertaining to retainage on construction contracts, during the period of time prior to the date the final payment is due. Nothing contained herein shall prevent a contractor from receiving interest on such funds under an approved escrow agreement.

E. Notwithstanding subsection A, no interest penalty shall be paid to any debtor on any payment, or portion thereof, withheld pursuant to the Comptroller's Debt Setoff Program, as authorized by the Virginia Debt Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of Title 2.2 of the Code of Virginia, commencing with the date the payment is withheld. If, as a result of an error, a payment or portion thereof is withheld, and it is determined that at the time of setoff no debt was owed to the Commonwealth, then interest shall accrue at the rate determined pursuant to subsection B on amounts withheld that remain unpaid after seven days following the payment date.

§ 47. Ineligibility. -

A. Any bidder, offeror, or contractor refused permission to participate, or disqualified from participation, in public contracts to be issued by the Institution shall be notified in writing. Prior to the issuance of a written determination of disqualification or ineligibility, the Institution shall (i) notify the bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.

Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of disqualification or ineligibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received such rebuttal information.

If the evaluation reveals that the bidder, offeror, or contractor should be allowed permission to participate in the public contract, the Institution shall cancel the proposed disqualification action. If the evaluation reveals that the bidder should be refused permission to participate, or disqualified from participation, in the public contract, the Institution shall so notify the bidder, offeror, or contractor. The notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these rules, if available, or in the alternative by instituting legal action as provided in § 54 of these rules.

B. If, upon appeal, it is determined that the action taken was arbitrary or capricious, or not in accordance with the Constitution of Virginia or applicable state law or regulations, the sole relief shall be restoration of eligibility.

§ 48. Appeal of denial of withdrawal of bid. -

A. A decision denying withdrawal of bid under the provisions of § 23 of these rules shall be final and conclusive unless the bidder appeals the decision within 10 days after receipt of the decision by invoking administrative procedures meeting the standards of § 55 of these rules, if available, or in the alternative by instituting legal action as provided in § 54 of these rules.

B. If no bid bond was posted, a bidder refused withdrawal of a bid under the provisions of § 23 of these rules, prior to appealing, shall deliver to the Institution a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.

C. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not (i) an honest exercise of discretion, but rather was arbitrary or capricious, or (ii) in accordance with the Constitution of Virginia, applicable state law or regulations, or the terms or conditions of the invitation to bid, the sole relief shall be withdrawal of the bid.

§ 49. Determination of nonresponsibility. -

A. Following public opening and announcement of bids received on an invitation to bid, the Institution shall evaluate the bids in accordance with element 4 of the definition of "Competitive sealed bidding" in § 4 of these rules. At the same time, the Institution shall determine whether the apparent low bidder is responsible. If the Institution so determines, then it may proceed with an award in accordance with element 5 of the definition of "competitive sealed bidding" in § 4 of these rules. If the Institution determines that the apparent low bidder is not responsible, it shall proceed as follows:

1. Prior to the issuance of a written determination of nonresponsibility, the Institution shall (i) notify the apparent low bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the apparent low bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.

2. Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of responsibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received the rebuttal information. At the same time, the Institution shall notify, with return receipt requested, the bidder in writing of its determination.

3. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these rules, if available, or in the alternative by instituting legal action as provided in § 54 of these rules.

The provisions of this subsection shall not apply to procurements involving the prequalification of bidders and the rights of any potential bidders under such prequalification to appeal a decision that such bidders are not responsible.

B. If, upon appeal pursuant to § 54 or 55 of these rules, it is determined that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious, or (ii) in accordance with the Constitution of Virginia, applicable state law or regulations, or the terms or conditions of the invitation to bid, and the award of the contract in question has not been made, the sole relief shall be a finding that the bidder is a responsible bidder for the contract in question or directed award as provided in subsection A of § 54 of these rules, or both.

If it is determined that the decision of the Institution was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulations, or the terms or conditions of the invitation to bid, and an award of the contract has been made, the relief shall be as set forth in subsection B of § 54 of these rules.

C. A bidder contesting a determination that he is not a responsible bidder for a particular contract shall proceed under this section, and may not protest the award or proposed award under the provisions of § 50 of these rules.

D. Nothing contained in this section shall be construed to require the Institution, when procuring by competitive negotiation, to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous.

§ 50. Protest of award or decision to award. -

A. Any bidder or offeror who desires to protest the award or decision to award a contract shall submit the protest in writing to the Institution, or an official designated by the Institution, no later than 10 days after the award or the announcement of the decision to award, whichever occurs first.

Public notice of the award or the announcement of the decision to award shall be given by the Institution in the manner prescribed in the terms or conditions of the invitation to bid or request for proposal. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit the protest in the same manner no later than 10 days after posting or publication of the notice of such contract as provided in § 5 of these rules. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction that are subject to inspection under § 34 of these rules, then the time within which the protest shall be submitted shall expire 10 days after those records are available for inspection by such bidder or offeror under § 34 of these rules, or at such later time as provided in this section. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The Institution or designated official shall issue a decision in writing within 10 days stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within 10 days of receipt of the written decision by invoking administrative procedures meeting the standards of § 55 of these rules, if available, or in the alternative by instituting legal action as provided in § 54 of these rules. Nothing in this subsection shall be construed to permit a bidder to challenge the validity of the terms or conditions of the invitation to bid or request for proposal. The use of Alternative Dispute Resolution (ADR) shall constitute an administrative appeal procedure meeting the standards of § 55 of these rules.

B. If prior to an award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The Institution shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided.

Where the award has been made but performance has not begun, the performance of the contract may be enjoined. Where the award has been made and performance has begun, the Institution may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.

C. Where the Institution, an official designated by it, or an appeals board determines, after a hearing held following reasonable notice to all bidders, that there is probable cause to believe that a decision to award was based on fraud or corruption or on an act in violation of these rules, the Institution, designated official, or appeals board may enjoin the award of the contract to a particular bidder.

§ 51. Effect of appeal upon contract. -

Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with these rules shall not be affected by the fact that a protest or appeal has been filed.

§ 52. Stay of award during protest. -

An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest as provided in § 50 of these rules, or the filing of a timely legal action as provided in § 54 of these rules, no further action to award the contract shall be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.

§ 53. Contractual disputes. -

A. Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment. However, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

B. The Institution shall include in its contracts a procedure for consideration of contractual claims. Such procedure, which may be contained in the contract or may be specifically incorporated into the contract by reference and made available to the contractor, shall establish a time limit for a final decision in writing by the Institution. If the Institution has established administrative procedures meeting the standards of § 55 of these rules, such procedures shall be contained in the contract or specifically incorporated in the contract by reference and made available to the contractor. The Institution may require the submission of contractual claims pursuant to any contract to Alternative Dispute Resolution (ADR) as an administrative procedure.

C. A contractor may not invoke administrative procedures meeting the standards of § 55 of these rules, if available, or institute legal action as provided in § 54 of these rules, prior to receipt of the Institution's decision on the claim, unless the Institution fails to render such decision within the time specified in the contract.

D. The decision of the Institution shall be final and conclusive unless the contractor appeals within six months of the date of the final decision on the claim by the Institution by invoking administrative procedures meeting the standards of § 55 of these rules, if available, or in the alternative by instituting legal action as provided in § 54 of these rules.

§ 54. *Legal actions.* -

A. A bidder or offeror, actual or prospective, who is refused permission or disqualified from participation in bidding or competitive negotiation, or who is determined not to be a responsible bidder or offeror for a particular contract, may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the petitioner establishes that the decision was not (i) an honest exercise of discretion, but rather was arbitrary or capricious; (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the invitation to bid; or (iii) in the case of denial of prequalification, based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these rules. In the event the apparent low bidder, having been previously determined by the Institution to be not responsible in accordance with § 4 of these rules, is found by the court to be a responsible bidder, the court may direct the Institution to award the contract to such bidder in accordance with the requirements of this section and the invitation to bid.

B. A bidder denied withdrawal of a bid under § 23 of these rules may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the bidder establishes that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious, or (ii) in accordance with the Constitution of Virginia, applicable state law or regulations, or the terms or conditions of the invitation to bid.

C. A bidder, offeror, or contractor, or a potential bidder, or offeror on a contract negotiated on a sole source or emergency basis in the manner provided in § 5 of these rules, whose protest of an award or decision to award under § 50 of these rules is denied, may bring an action in the appropriate circuit court challenging a proposed award or the award of a contract, which shall be reversed only if the petitioner establishes that the proposed award or the award is not (i) an honest exercise of discretion, but rather is arbitrary or capricious, or (ii) in accordance with the Constitution of Virginia, applicable state law or regulations, or the terms and conditions of the invitation to bid or request for proposal.

D. If injunctive relief is granted, the court, upon request of the Institution, shall require the posting of reasonable security to protect the Institution.

E. A contractor may bring an action involving a contract dispute with the Institution in the appropriate circuit court. Notwithstanding any other provision of law, the Comptroller shall not be named as a defendant in any action brought pursuant to these rules or § 33.1-387 of the Code of Virginia, except for disputes involving contracts of the Office of the Comptroller or the Department of Accounts.

F. A bidder, offeror, or contractor need not utilize administrative procedures meeting the standards of § 55 of these rules, if available, but if those procedures are invoked by the bidder, offeror, or contractor, the procedures shall be exhausted prior to instituting legal action concerning the same procurement transaction unless the Institution agrees otherwise.

G. Nothing herein shall be construed to prevent the Institution from instituting legal action against a contractor.

§ 55. *Administrative appeals procedure.* -

A. The Institution may establish an administrative procedure for hearing (i) protests of a decision to award or an award, (ii) appeals from refusals to allow withdrawal of bids, (iii) appeals from disqualifications and determinations of nonresponsibility, (iv) appeals from decisions on disputes arising during the performance of a contract, or (v) any of these. Such administrative procedure may include the use of Alternative Dispute Resolution (ADR) or shall provide for a hearing before a disinterested person or panel, the opportunity to present pertinent information and the issuance of a written decision containing findings of fact. The disinterested person or panel shall not be an employee of the governmental entity against whom the claim has been filed. The findings of fact shall be final and conclusive and shall not be set aside unless the same are (a) fraudulent, arbitrary, or capricious; (b) so grossly erroneous as to imply bad faith; or (c) in the case of denial of prequalification, the findings were not based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these rules. No determination on an issue of law shall be final if appropriate legal action is instituted in a timely manner. The Institution may seek advice and input from the Alternative Dispute Resolution Council in establishing an ADR procedure.

B. Any party to the administrative procedure, including the Institution, shall be entitled to institute judicial review if such action is brought within 30 days of receipt of the written decision.

§ 56. *Alternative dispute resolution.* -

The Institution may enter into agreements to submit disputes arising from contracts entered into pursuant to these rules to arbitration and utilize mediation and other alternative dispute resolution procedures. However, such procedures shall be nonbinding and subject to § 2.2-514 of the Code of Virginia, as applicable.

§ 57. *Ethics in public contracting.* -

The Institution and its governing body, officers, and employees shall be governed by the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ 2.2-4367 et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia.

I. PREAMBLE.

The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia, establishes a process for the restructuring of institutions of higher education of the Commonwealth of Virginia and provides that upon becoming a covered institution, the University shall have responsibility and accountability for human resources management for all University employees, defined in the Act as "covered employees," who pursuant to subsection A of § 23.1-1020 of the Act shall continue to be "state employee[s]". Specifically, the Act provides that, as of the effective date of its initial management agreement with the Commonwealth, all classified employees shall continue to be covered by the Virginia Personnel Act, Chapter 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia, and shall be subject to the policies and procedures prescribed by the Virginia Department of Human Resource Management, provided that they may subsequently elect to become participating covered employees. All participating covered employees shall: (i) be exempt from the Virginia Personnel Act, Chapter 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia; (ii) remain subject to the State Grievance Procedure, Chapter 30 (§ 2.2-3000 et seq.) of Title 2.2 of the Code of Virginia, provided they were subject to the state grievance procedure prior to that effective date; (iii) participate in a compensation plan that is subject to the review and approval of the board of visitors; and (iv) be hired pursuant to procedures that are based on merit and fitness and may, subject to certain specified conditions, continue to participate in either state-sponsored or University-sponsored benefit plans as described by the management agreement.

The provisions of this policy are adopted by the board of visitors to implement the governing law and constitute the human resources policies to be included in any human resources system adopted by the University for its employees.

This policy is intended to cover the authority that may be granted to the University pursuant to Article 4 of the Act. Any other powers and authorities granted to the University pursuant to the general appropriation act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's enabling statutes, are not affected by this policy.

II. DEFINITIONS.

As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:

"Board of visitors" or "board" means the rector and board of visitors of the University.

"Classified employees" means employees who are covered by the Virginia Personnel Act, Chapter 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia, and the policies and procedures established by the Virginia Department of Human Resource Management and who are not participating covered employees.

"Covered employee" or "University employee" means any person who is employed by the University on either a salaried or nonsalaried (wage) basis.

III. SCOPE AND PURPOSE OF UNIVERSITY HUMAN RESOURCES POLICIES.

The University has had human resources system autonomy through decentralization for its employees for some time. For example, general faculty at the University are expressly exempt from the Virginia Personnel Act, Chapter 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia. The University has had decentralization in most human resources functions and activities since the late 1980s and early 1990s, including, but not limited to, the running of payrolls and the administration of hiring, classification, and promotion practices of administrative, professional, and instructional faculty.

The Act extends and reinforces the human resources autonomy previously granted to the University. This policy therefore is adopted by the board of visitors to enable the University to develop, adopt, and have in place by or after the effective date of its initial management agreement with the Commonwealth a human resources system or systems for all University employees. On the effective date, and until changed by the University or unless otherwise specified in this policy, the systems for University employees shall be the same systems applicable to those employees in effect immediately prior to the effective date.

IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

The board of visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this policy. Consistent with this full and ultimate accountability, however, the board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate board resolution the duties and responsibilities set forth in this policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

V. UNIVERSITY HUMAN RESOURCES SYSTEMS.

A. Adoption and Implementation of University Human Resources Systems.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, is hereby authorized to adopt and implement human resources systems for employees of the University that are consistent with the governing law, other applicable provisions of law, these University human resources policies for University employees, and any other human resources policies adopted by the Department of Human Resource Management or the board of visitors for University personnel, unless University employees are exempted from those other human resources policies by law or policy. The University human resources systems shall include a delegation of personnel authority to appropriate University officials responsible for overseeing and implementing the University human resources systems, including a grant of authority to such officials to engage in further delegation of authority as the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, deems appropriate.

The University commits to regularly engage employees in appropriate discussions and to receive employee input as the new University human resources systems are developed. The University will regularly communicate the details of new proposals to all employees who are eligible to participate in the University human resources system through written communication, open meetings, and website postings as appropriate, so that employees will have full information that will help them evaluate the merits of the new human resources system compared to the then-current state human resources system.

Effective on the effective date of its initial management agreement with the Commonwealth, and until amended as described in this subsection, the University's human resources systems shall consist of the following:

1. The current "James Madison University Faculty Handbook," as it is posted on the Provost's website, <https://www.jmu.edu/facultyhandbook/>, and periodically amended;
2. The current human resources system for classified employees in the University as posted on the Virginia Department of Human Resource Management website at <http://www.dhrm.virginia.gov/hrpolicies>; and
3. The human resources system for participating covered employees, that shall include nonsalaried (wage) employees, as posted on the University's human resources website, <https://www.jmu.edu/humanresources/>.

All the systems described in this subsection above, except the system described in subdivision 2, may be amended by the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, consistent with these human resources policies. The system described in subdivision 2 may be amended only by the State.

B. Training in and Compliance with Applicable Provisions of Law and Board of Visitors Human Resources Policies.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall take all necessary and reasonable steps to assure (i) that the University officials who develop, implement, and administer the University human resources systems authorized by governing law and these human resources policies are knowledgeable regarding the requirements of the governing law, other applicable provisions of law, these University human resources policies, and other applicable board of visitors human resources policies affecting University employees and (ii) that compliance with such laws and human resources policies is achieved.

VI. HUMAN RESOURCES POLICIES.

The University human resources systems adopted by the University pursuant to governing law and this policy, as set forth in Section V above, shall embody the following human resources policies and principles:

A. Election by University Salaried Nonfaculty Employees.

Upon the adoption by the University of a University human resources system, each salaried nonfaculty University employee who was in the employment of the University as of the day prior to the effective date of its initial management agreement with the Commonwealth shall be permitted to elect to participate in and be governed by either (i) the state human resources program set forth in Chapters 28 (§ 2.2-2800 et seq.) and 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia, and administered by the Department of Human Resource Management, or (ii) the University human resources system, as appropriate. A salaried nonfaculty University employee who elects to continue to be governed by the state human resources program described in this subsection above shall continue to be governed by all state human resources and benefit plans, programs, policies, and procedures that apply to and govern state employees. A salaried nonfaculty University employee who elects to participate in and be governed by the University human resources system, by that election, shall be deemed to have elected to be eligible to participate in and to be governed by the University human resources system, authorized alternative insurance, and severance plans, programs, policies, and procedures that are or may be adopted by the University as part of that University human resources system.

The University shall provide each of its salaried nonfaculty University employees who were in the employment of the University as of the day prior to the effective date of the University's initial management agreement with the Commonwealth at least 90 days after the date on which the University's human resources system becomes effective for that University employee's classification of employees to make the election required by the prior paragraph. If such a salaried nonfaculty University employee does not make an election by the end of that specified election period, that University employee shall be deemed not to have elected to participate in the University human resources system. If such a salaried nonfaculty University employee elects to participate in the University human resources system, that election shall be irrevocable. At least every two years, the University shall offer to salaried nonfaculty University employees who have elected to continue to participate in the state human resources program set forth in Chapters 28 (§ 2.2-2800 et seq.) and 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia, an opportunity to elect to participate in the University human resources system, provided that, each time prior to offering such opportunity to such salaried nonfaculty University employees, and at least once every two years after the effective date of the University human resources system, the University shall make available to each of its salaried nonfaculty University employees a comparison of its human resources system for that classification of salaried nonfaculty University employee with the state human resources program for comparable state employees, including but not limited to a comparability assessment of compensation and benefits.

A copy of the human resources program comparison shall be provided to the Department of Human Resource Management.

B. Classification and Compensation.

1. General. The systems shall include classification and compensation plans that are fair and reasonable and are based on the availability of University financial resources. The plans adopted by the University for participating covered employees shall be independent of, and need not be based on, the classification and compensation plans of the Commonwealth, do not require the approval of any state agency or officer, and shall be subject to the review and approval by the board of visitors as set forth in subdivision 3. The University shall provide information on its classification and compensation plans to all University employees. The plans applicable to participating covered employees may or may not include changes in classification or compensation announced by the Commonwealth, depending on such factors as the availability of necessary financial resources to fund any such changes and subject to the review and approval by the board of visitors of any major changes in the University's compensation plans.

2. Classification Plan. The systems shall include one or more classification plans for University employees that classify positions according to job responsibilities and qualifications. On the effective date and until changed by the University, the classification plans shall be the same plans that are in effect for each group of employees immediately prior to the effective date.

3. Compensation Plan. The systems shall include one or more compensation plans for each University employee classification or group. On the effective date and until changed by the Department of Human Resource Management, the compensation plan for classified employees in the University shall be the compensation plan in effect immediately prior to the effective date, known as the Commonwealth's Classified Compensation Plan. On the effective date and until changed by the University, the compensation plan or plans for all participating covered employees shall be the compensation plan or plans in effect immediately prior to the effective date. The University may adopt one or more compensation plans for participating covered employees that are non-graded plan(s) based on internal and external market data and other relevant factors to be determined annually. Any major change in compensation plans for participating covered employees shall be reviewed and approved by the board of visitors before that change becomes effective. Any change recommended in the compensation plans may take into account the prevailing rates in the labor market for the jobs in question or for similar positions, the relative value of jobs, the competency and skills of the individual employee, internal equity, and the availability of necessary financial resources to fund the proposed change. The compensation payable to University employees shall be authorized and approved only by designated University officers delegated such authority by the University, and shall be consistent with the approved compensation plan for the relevant position or classification. Further

approval by any other state agency, governmental body, or officer is not required for setting, adjusting, or approving the compensation payable to individual participating covered employees.

4. *Wages.* The systems shall include policies and procedures for the authorization, computation, and payment of wages, where appropriate, for such premium pays as overtime, shift differential, on call, and call back, and for the payment of hourly employees.

5. *Payment of Compensation.* The systems shall include policies and procedures for paying compensation to employees, including the establishment of one or more payday schedules.

6. *Work Schedule and Workweek.* The systems shall include policies and procedures for the establishment of, and modifications to, work schedules and workweeks for all University employees, including alternative work schedules and sites and telecommuting policies and procedures.

7. *Other Classification and Compensation Policies and Procedures.* The systems may include any other reasonable classification and compensation policies and procedures the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, deems appropriate.

C. Benefits.

The systems shall provide fringe benefits to all benefits-eligible employees, including retirement benefits, health care insurance, life, disability, and accidental death and dismemberment insurance. The benefits provided shall include a basic plan of benefits for each benefits-eligible employee, and may include an optional benefits plan for benefits-eligible employees, including additional insurance coverage, long-term care, tax deferred annuities, flexible reimbursement accounts, employee assistance programs, employee intramural and recreational passes, and other wellness programs. As provided in subsections B and C § 23.1-1025 of the Act, the University may require participating covered employees to pay all or a portion of the cost of group life, disability, and accidental death and dismemberment insurance, which may be collected through a payroll deduction program. Participating covered employees shall not be required to present evidence of insurability for basic group life insurance coverage. The board of visitors may elect to provide benefits through Virginia Retirement System group insurance programs under the terms of and to the extent allowed by § 23.1-1025 of the Act or any other provision of law.

Notwithstanding the provisions of this subsection above, pursuant to subsection A of § 23.1-1020 of the Act, and unless and until that section is amended, the state retirement system, state health insurance program, and state workers' compensation coverage program as they may be amended from time to time, shall continue to apply to and govern all eligible University employees.

The systems may provide different benefits plans for reasonably different groups or classifications of employees, and may provide benefits to part-time employees. On the effective date and until changed by the appropriate governing authority, the benefits plans provided by the University to classified employees and participating covered employees shall be the benefits plans provided to that group or classification as of the date immediately prior to that effective date. On or after the effective date, alternative University group life, accidental death and dismemberment, and short-term and long-term disability plans may be provided to eligible participating covered employees, or at the election of the board of visitors and subject to the execution of participation agreements as provided in subsections B and C of § 23.1-1025 of the Act, they may be provided by the appropriate state programs, but no contributions to the state programs by the University shall be required for participating covered employees who do not participate in the programs. Subject to the provisions of the Act, any new plans, programs, and material changes permitted under current law in University employee benefit plans, other than classified employee benefit plans, shall be approved by the board of visitors, including the authority to increase the cash match contribution rate up to the limit permitted by the Code of Virginia based on available resources and the authority to implement cafeteria-style benefits for University employees other than classified employees.

Insurance and all proceeds therefrom provided pursuant to § 23.1-1025 of the Act shall be exempt from legal process and may be subject to voluntary assignment as provided in subsection A of § 23.1-1025 of the Act.

D. Employee Relations.

1. *General.* The systems shall contain provisions that protect the rights and privileges of University employees consistent with sound management principles and fair employment practice law.

2. *Employee Safety and Health.* The systems shall contain provisions that promote workplace safety compliance with applicable law and regulations.

3. *Employee Work Environment.* The systems shall promote a work environment that is conducive to the performance of job duties and free from intimidation or coercion in violation of state or federal law, including sexual harassment or other discrimination.

4. *Employee Recognition.* The systems may provide for the use of leave awards and bonuses specific to policies and procedures for awarding, honoring, or otherwise recognizing University employees, including but not limited to those who have performed particularly meritorious service for the University, have been employed by the University for specified periods of time, or have retired from the University after lengthy service.

5. *Counseling Services.* The systems shall provide counseling services through the State's Employee Assistance Program or a University Employee Assistance Program to any eligible University employee experiencing job-related difficulties and seeking counseling for those difficulties, and shall establish the circumstances under which the time necessary to participate in such counseling may be granted.

6. *Unemployment Compensation.* The systems shall ensure that University employees receive the full unemployment compensation benefits to which they are legally entitled and that the University's liability is limited to legitimate claims for such benefits.

7. *Workers' Compensation.* The systems shall ensure that University employees have workers' compensation benefits to which they are legally entitled pursuant to the State Employees Workers' Compensation Program administered by the Department of Human Resource Management.

8. *Performance Planning and Evaluation.* The systems shall include one or more performance planning and evaluation processes for University employees that (i) establish and communicate the University's performance expectations, (ii) help develop productive working relationships, (iii) allow employees to present their views concerning their performance, (iv) identify areas for training or professional development, (v) establish the process by which evaluations shall be conducted, (vi) clarify how superlative or inadequate performance shall be addressed, and (vii) ensure that all University employees are provided relevant information on the evaluation process. The systems may include separate performance and evaluation processes for reasonably distinguishable groups of University employees. On the effective date, the existing merit-based performance management system for faculty shall continue, until amended by the University. On or after that effective date, University nonfaculty salaried participating covered employees may be subject to a variable merit-based performance management system.

9. *Standards of Conduct and Performance.* In order to protect the well-being and rights of all employees and to ensure safe, efficient University operations and compliance with the law, the systems shall establish rules of personal conduct and standards of acceptable work performance for University salaried nonfaculty employees and policies for corrective discipline. In general, the policies for corrective discipline shall serve to (i) establish a uniform and objective process for correcting or disciplining unacceptable conduct or work performance, (ii) distinguish between less serious and more serious actions of misconduct and provide corrective action accordingly, and (iii) limit corrective action to employee conduct occurring only when employees are at work or are otherwise representing the University in an official or work-related capacity, unless otherwise specifically provided by the policies of the systems or other applicable law. The systems may provide for a probationary period for new and re-employed University salaried nonfaculty employees, during which period the policies for corrective discipline shall not be applicable and the employee may not use the grievance procedure set forth in subdivision 10. The systems may include separate rules of personal conduct and standards of acceptable work performance and policies for corrective discipline for reasonably distinguishable groups of University employees.

10. *Grievance Procedure.* As provided in the governing law, employees shall be encouraged to resolve employment-related problems and complaints informally, and shall be permitted to discuss their concerns freely and without fear of retaliation with immediate supervisors and management. In the event that such problems cannot be resolved informally, all salaried nonfaculty University employees, regardless of their date of hire, shall have access, as provided in subsection A of § 23.1-1020 and in § 23.1-1023 of the Act, to the State Grievance Procedure, Chapter 30 (§ 2.2-3000 et seq.) of Title 2.2 of the Code of Virginia, to the extent it was applicable to their classification of employees prior to the effective date. On the effective date and until changed by the University, the faculty grievance procedures in effect immediately prior to the effective date shall continue.

11. *Discrimination Complaints.* If a classified employee believes discrimination has occurred, the classified employee may file a complaint with the Department of Human Resource Management Office of Equal Employment and Dispute Resolution. All covered employees and applicants for employment after the effective date of the University's initial management agreement with the Commonwealth shall file a complaint with the appropriate University office or with the appropriate federal agencies.

12. *Layoff Policy.* The systems shall include one or more layoff policies for salaried University employees who lose their jobs for reasons other than their job performance or conduct, such as a reduction in force or reorganization at the University. These University layoff policies shall govern such issues as (i) whether there is a need to effect a layoff, (ii) actions to be taken prior to a layoff, (iii) notice to employees affected by a layoff, (iv) placement options within the University or its respective major divisions and within other parts of the University, (v) the preferential employment rights, if any, of various University employees, (vi) the effect of layoff on leave and service, and (vii) the policy for recalling employees. In accordance with the terms of the Act, University employees who (a) were employed prior to the effective date of the University's initial management agreement with the Commonwealth, (b) would otherwise be eligible for severance benefits under the Workforce Transition Act of 1995, Chapter 32 (§ 2.2-3200 et seq.) of Title 2.2 of the Code of Virginia, (c) were covered by the Virginia Personnel Act, Chapter 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia, prior to that effective date, and (d) are separated because of a reduction in force shall have the same preferential hiring rights with state agencies and other executive branch institutions as classified employees have under § 2.2-3201 of the Code of Virginia. Conversely, the University shall recognize the hiring preference conferred by § 2.2-3201 of the Code of Virginia on state employees who were hired by a state agency or executive branch institution before the effective date of the University's initial management agreement with the Commonwealth and who were separated after that date by that state agency or executive branch institution because of a reduction in workforce. If the University has adopted a classification system pursuant to § 23.1-1021 of the Act that differs from the classification system administered by the Department of Human Resource Management, the University shall classify the separated employee according to its classification system and shall place the separated employee appropriately. The University may include separate policies for reasonably distinguishable

groups of University employees. On or after the effective date of the University's initial management agreement with the Commonwealth, all employees from other state agencies and executive branch institutions who are placed by the University under the provisions of the State Layoff Policy shall be participating covered employees.

13. *Severance Benefits.* In accordance with the terms of the Act, the University shall adopt severance policies for salaried participating covered employees who are involuntarily separated for reasons unrelated to performance or conduct. The terms and conditions of such policies shall be determined by the board of visitors. Classified employees who otherwise would be eligible and were employed prior to the effective date of the University's initial management agreement with the Commonwealth shall be covered by the Workforce Transition Act of 1995, Chapter 32 (§ 2.2-3200 et seq.) of Title 2.2 of the Code of Virginia. The University and the Board of the Virginia Retirement System may negotiate a formula according to which cash severance benefits may be converted to years of age or creditable service for participating covered employees who participate in the Virginia Retirement System. An employee's becoming, on the effective date, a covered employee shall not constitute a severance or reduction in force to which severance policies or policies pursuant to the Workforce Transition Act of 1995, Chapter 32 (§ 2.2-3200 et seq.) of Title 2.2 of the Code of Virginia, would apply.

14. *Use of Alcohol and Other Drugs.* The systems shall include policies and procedures that (i) establish and maintain a work environment at the University that is free from the adverse effect of alcohol and other drugs, (ii) are consistent with the federal Drug-Free Workplace Act of 1988, 41 U.S.C. § 81, and with the James Madison University Alcohol and Other Drugs Policy, (iii) describe the range of authorized disciplinary action, including termination where appropriate, for violations of such policies and procedures and the process to be followed in taking such disciplinary action, (iv) provide University employees access to assistance and treatment for problems involving alcohol and other drugs, (v) provide for the circumstances under which employees are required to report certain violations of the policies and procedures to their supervisor, and the University is required to report those violations to a federal contracting or granting agency, (vi) describe the circumstances under which personnel records of actions taken under the University's alcohol and other drugs policy shall not be kept confidential, and (vii) provide notice to University employees of the scope and content of the University alcohol and other drugs policy. As part of this alcohol and other drugs policy, and in compliance with the federal Omnibus Transportation Employee Testing Act of 1991, P.L. 102-143, the systems may provide for pre-employment, reasonable suspicion, random, post-accident, return-to-duty, and follow-up alcohol and other drug testing for University positions that are particularly safety sensitive, such as those requiring a commercial driver's license.

15. *Background Checks.* The systems shall include a process for conducting background checks that may include but is not limited to reference checks, educational/professional credentialing checks, and conviction and driver's records checks on applicants for full-time or part-time positions at the University, and for addressing situations where employees do not disclose a conviction on their application or otherwise falsify their application with regard to information concerning their educational/professional credentials and/or prior convictions.

16. *Other Employee Relations Policies and Procedures.* The systems shall include any other reasonable employee relations policies or procedures that the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, deems appropriate, that may include, but are not limited to, policies or procedures relating to orientation programs for new or re-employed University employees, an employee suggestion program, the responsibility of University employees for property placed in their charge, work breaks, inclement weather and emergencies, and employment outside the University.

E. Leave and Release Time.

The systems shall include policies and procedures regarding leave for eligible employees. The systems shall provide reasonable paid leave for purposes such as holidays, vacation, or other personal uses. The systems may provide for release time for such matters as the donation of blood, participation in an employee assistance program, and other appropriate employment-related matters. On or after the effective date of its initial management agreement with the Commonwealth, and until a new program is adopted by the appropriate authority, the University shall continue to provide leave and release time to participating covered employees in accordance with the leave and release time policies and procedures applicable to each classification of employees prior to that effective date. On or after that effective date, the University may provide an alternative leave and release time system for salaried nonfaculty participating covered employees.

F. Equal Employment Opportunity, Nondiscrimination, Employment, and Separation.

1. *Equal Employment Opportunity and Nondiscrimination.* The systems shall contain policies and procedures to ensure that all aspects of human resources management, including the employment of University employees, meet all requirements of federal and state law and of the relevant policies of the board of visitors with regard to equal employment opportunity and nondiscrimination.

2. *Employment.* The systems shall include policies and procedures for the recruitment, selection, and hiring of University employees that are based on merit and fitness, including where appropriate a requirement for job posting, interviews, pre-employment testing, pre-employment drug testing, reference checks, and conviction record checks. On and after the effective date, the University shall post all salaried nonfaculty position vacancies through the University's job posting system, the Commonwealth's job posting system, and other external media as appropriate. The systems shall establish designated veterans' re-employment rights in accordance with applicable law.

In order to encourage employees to attain the highest level positions for which they are qualified, and to compensate employees for accepting positions of increased value and responsibility, the systems shall include policies and procedures governing the promotion of employees, including the effect of promotion on an employee's compensation.

On or after the effective date of the University's initial management agreement with the Commonwealth, all employees hired from other state agencies shall be participating covered employees. University classified employees who change jobs within the University through a competitive employment process—i.e., promotion or transfer—shall have the choice of remaining a classified employee or becoming a participating covered employee. If a classified employee elects to become a participating covered employee, that decision shall be irrevocable.

3. Notice of Separation. The systems shall include policies and procedures requiring reasonable notice, where appropriate, of a decision either by the employee or by the University to separate the employee from the University in accordance with policies governing performance, conduct, or layoff.

G. Information Systems.

The University shall provide an electronic file transfer of information on all salaried University employees and shall continue to provide the employee position reports to meet the human resources reporting requirements specified by law or by request of the Governor or the General Assembly, unless the University is specifically exempted from those requirements. The University shall conduct assessments to demonstrate its accountability for human resources practices that comply with laws and regulations. The Department of Human Resource Management and the University have entered into a Memorandum of Understanding, attached hereto as Attachment 2, that may be amended from time to time by agreement of the parties, regarding the specific data and reporting requirements. The University shall be accountable for ensuring the timeliness and integrity of the data transmitted to the Department of Human Resource Management.

VII. CONTINUED APPLICABILITY OF OTHER PROVISIONS OF THE CODE OF VIRGINIA AND OTHER BOARD OF VISITORS POLICIES AFFECTING UNIVERSITY PERSONNEL.

On and after the effective date, University employees shall be subject to the terms and conditions of the Act and the management agreement between the Commonwealth and the University. Classified employees shall continue to be subject to the human resources policies and exceptions to those policies adopted or approved by the Department of Human Resource Management.

In addition, all University employees also shall remain subject to any other human resources policies adopted by the board of visitors applicable to University personnel unless University employees or a subset thereof are specifically exempted from those other human resources policies either by those other policies or by this policy.

Between James Madison University and the
Department of Human Resource Management Regarding
the Reporting of Human Resources Management Data*

This Memorandum of Understanding (MOU), which may be amended from time to time by the agreement of all parties, is an attachment to the Policy Governing Human Resources for participating covered employees and other University employees pursuant to the Restructured Higher Education Financial and Administrative Operations Act, Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia, and is hereby entered into between the University and the Department of Human Resource Management (DHRM).

This document outlines the provisions for information management pertaining to human resources data, consistent with the objectives to enable DHRM to meet the Commonwealth's reporting requirements, to ensure compliance with relevant federal and state laws and regulations, and to do so through efficient and cost-effective methods.

1. In lieu of data entry into the state's Personnel Management Information System (PMIS), data will be transmitted through an electronic file transfer to update DHRM's warehouse.

a. The University will provide a flat file of designated personnel data. For classified employees, the data provided will match DHRM's data values for the designated fields. For salaried participating covered employees, the data provided will include the University's data values for the designated fields. The University will provide a data dictionary to DHRM. The file of designated data will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.

b. The University will provide a second flat file of salaried personnel actions for classified employees and salaried participating covered employees, such as promotions, separations, and salary adjustments. The file of relevant personnel actions and designated data to be provided for each action will be specifically described by an addendum to this Memorandum upon the agreement of the University and DHRM.

2. DHRM will accept the federal Affirmative Action Plan (AAP), including the adverse impact analyses of employment and compensation actions that are part of the AAP, as demonstration of the University's compliance with relevant federal and state employment laws and regulations.

3. Other reports to be provided by the University include the following:

"University" means James Madison University.

III. SCOPE OF POLICY.

This policy applies to the University's responsibility for management, investment, and stewardship of all its financial resources, including but not limited to, general, nongeneral, and private funds. This responsibility includes maintaining an independent uniform system of accounting, financial reporting, and internal controls adequate to protect and account for the University's financial resources as well as allowing for recording of required information into Cardinal.

IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

The board of visitors shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of this policy. Consistent with this full and ultimate accountability, however, the board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate board resolution the duties and responsibilities set forth in this policy to a person or persons within the University who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

V. FINANCIAL MANAGEMENT AND REPORTING SYSTEM.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall continue to be authorized by the board to maintain existing policies and implement new policies governing the management of University financial resources. These policies shall continue to (i) ensure compliance with generally accepted accounting principles; (ii) ensure consistency with the current accounting principles employed by the Commonwealth, including the use of fund accounting principles, with regard to the establishment of the underlying accounting records of the University and the allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific types of fund sources; (iii) provide adequate risk management and internal controls to protect and safeguard all financial resources, including moneys transferred to the University pursuant to a general fund appropriation; and (iv) ensure compliance with the requirements of the general appropriation act.

The financial management system shall continue to include a financial reporting system to satisfy both the requirements for inclusion in the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's Directives, and the University's separately audited financial statements. To ensure observance of limitations and restrictions placed on the use of the resources available to the University, the accounting and bookkeeping systems of the University shall continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards Board.

In addition, the financial management system shall continue to provide financial reporting for the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, and the board of visitors to enable them to provide adequate oversight of the financial operations of the University. The University shall provide to state agencies including, but not limited to, the Department of Accounts, the Department of Planning and Budget, the Joint Legislative Audit and Review Commission, the Auditor of Public Accounts, and the State Council of Higher Education for Virginia and to the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations special reports as may be requested from time to time.

VI. FINANCIAL MANAGEMENT POLICIES.

The University has operated for many years at Level II and 2.5 as part of the Act. Accordingly, the University currently operates a system of independent financial management policies guided by the general principles contained in the Commonwealth's Accounting Policies and Procedures such as establishing strong risk management and internal accounting controls to ensure University financial resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of University programs.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall have the authority to create and implement any and all new financial management policies necessary to maintain the University's current financial management system for the continued effective protection and management of all University financial resources.

Upon the effective date of its initial management agreement with the Commonwealth, the University shall continue to follow its current independent financial management policies, as well as any new policies that have been developed and submitted to the State Comptroller for review and comment as a result of the management agreement. Any significant new policies developed after the effective date shall be submitted to the State Comptroller for review and comment before being implemented by the University.

VII. FINANCIAL RESOURCE RETENTION AND MANAGEMENT.

Pursuant to subsection C of § 23.1-206 of the Code of Virginia, the State Council of Higher Education for Virginia (SCHEV) annually shall assess and certify to the Governor and the General Assembly the degree to which each public institution of higher education of the Commonwealth has met the financial and administrative management and education-related performance benchmarks called for by that subsection and approved as part of the general appropriation act then in effect for the state goals and objectives set forth in subdivisions A 1 through 12 of § 23.1-1002 of the Act. Each public institution of higher education of the Commonwealth that (i) has been certified during the fiscal year by SCHEV as having met such institutional performance benchmarks and (ii) meets the conditions prescribed in subsection A of § 23.1-1002 of the Act, shall receive certain financial incentives, including interest on the tuition and fees and other nongeneral fund education and general revenues deposited into the State Treasury by the public institution of higher education. In order to be certified, the University must meet all measures adopted prior to the effective date of this management agreement pursuant to subdivision A 3 of § 23.1-1003 of the Act.

The Commonwealth shall retain all funds related to general fund appropriations but shall pay these funds to the University as specified in Section IX of this policy. The University is authorized to deposit tuition, educational and general fees, research and sponsored program funds, auxiliary enterprise funds, and all other nongeneral fund revenues weekly in the State Treasury pursuant to the state process in place at the time of such deposit. The University shall be given any interest earned on auxiliary balances on a monthly basis.

The University also shall have sum sufficient appropriation authority for all nongeneral funds as approved by the Governor and the General Assembly in the Commonwealth's biennial appropriations process and shall report to the Department of Planning and Budget (i) its estimate of the nongeneral fund revenues for the sum sufficient appropriation to be included in the biennial Budget Bill for each of the two years in the next biennium by November 1 of each odd-numbered

year and (ii) the estimate to be included in the Budget Bill for the first and second year of the then-current biennium by November 1 of each even-numbered year.

The board of visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate commitment provided to need-based grant aid for middle-income and lower-income undergraduate Virginians. Except as provided otherwise in the general appropriation act then in effect, it is the intent of the Commonwealth and the University that the University shall be exempt from the revenue restrictions in the general provisions of the general appropriation act related to nongeneral funds. In addition, unless prohibited by the general appropriation act then in effect, it is the intent of the Commonwealth and the University that the University shall be entitled to retain nongeneral fund savings generated from changes in Commonwealth rates and charges, including but not limited to health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates rather than reverting such savings back to the Commonwealth.

For the receipt of general and nongeneral funds, the University shall conform to the Virginia Security for Public Deposits Act, Chapter 44 (§ 2.2-4400 et seq.) of Title 2.2 of the Code of Virginia, as it currently exists and from time to time may be amended.

VIII. ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall continue to be authorized to create and implement any and all accounts receivable management and collection policies as part of a system for the management of University financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of Title 2.2 of the Code of Virginia, such that the University shall take all appropriate and cost-effective actions to aggressively collect accounts receivable in a timely manner.

These actions shall include, but not be limited to, establishing the criteria for granting credit to University customers; establishing the nature and timing of collection procedures within the above general principles; and the independent authority to select and contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and all collection activities for all University accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the University shall continue to utilize the Commonwealth's debt set off collection programs and procedures, shall develop procedures acceptable to the Tax Commissioner and the State Comptroller to implement such programs, and shall provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of Title 2.2 of the Code of Virginia.

IX. DISBURSEMENT MANAGEMENT.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall continue to be authorized to create and implement any and all disbursement policies as part of a system for the management of University financial resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from whatever source derived, in the execution of the University's operations. These policies also shall continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or services relative to the University's mission, including travel-related disbursements. Further, the University's disbursement policy shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and electronic payments.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, is authorized to independently select, engage, and contract for such consultants, accountants, and financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The University will continue to locally manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those programs, as it has as part of its Level 2.5 authority.

The disbursement policies shall ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll disbursements. The University shall continue to provide summary quarterly prompt payment reports to the Department of Accounts in accordance with the reporting procedures established pursuant to the Prompt Payment Act.

The University has operated for many years at Level II and 2.5 as part of the Act. The University's disbursement policies shall continue to be guided by the principles of the Commonwealth's policies as included in the Commonwealth's Accounting Policy and Procedures Manual. Upon the effective date, the University shall continue to follow its current disbursement policies, as well as any new disbursement policies that have been developed and submitted to the State Comptroller for review and comment as a result of the management agreement. Any significant new disbursement policies developed after the effective date shall be submitted to the State Comptroller for review and comment before being implemented by the University.

X. DEBT MANAGEMENT.

The University has a board of visitors-approved debt policy that defines the maximum percent of institutional resources that can be used to pay debt service in a fiscal year and the maximum amount of debt that can be prudently issued within a

specific period. Annually, the board is provided a report on the University's debt-related activities. Any change in the debt policy shall be submitted to the State Treasurer for review and comment prior to their adoption by the University.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall continue to be authorized to create and implement any and all debt management policies as part of a system for the management of University financial resources.

Pursuant to subsection C of § 23.1-1015 of the Act, the University shall have the authority to issue bonds, notes, or other obligations that do not constitute state tax-supported debt, as determined by the Treasury Board, and that are consistent with debt capacity and management policies and guidelines established by its board of visitors, without obtaining the consent of any legislative body, elected official, commission, board, bureau, or agency of the Commonwealth or of any political subdivision, and without any proceedings or conditions other than those specifically required by Article 4 of the Act, provided, however, that the University shall notify the State Treasurer of its intention to issue bonds pursuant to this policy at the time it adopts the bond issuance planning schedule for those bonds. Any new or revised debt capacity and management policy shall be submitted to the State Treasurer for review and comment prior to its adoption by the University.

The University recognizes that there are numerous types of financing structures and funding sources available, each with specific benefits, risks, and costs. All potential funding sources shall be reviewed by the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, within the context of the overall portfolio to ensure that any financial product or structure is consistent with the University's objectives. Regardless of the financing structure(s) utilized, the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall obtain sufficient documentation to gain a full understanding of the transaction, including (i) the identification of potential risks and benefits and (ii) an analysis of the impact on University creditworthiness and debt capacity. All such debt or financial products issued pursuant to the provisions of §§ 23.1-1014 and 23.1-1015 of the Act shall be authorized by resolution of the board of visitors, providing that they do not constitute state tax-supported debt.

XI. INVESTMENT POLICY.

It is the policy of the University to invest public funds in a manner that will provide the highest investment return with the maximum security while meeting the daily cash flow demands of the entity and conforming to all statutes governing the investment of public funds. Investments shall be made with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims. This policy conforms with the Investment of Public Funds Act, Chapter 45 (§ 2.2-4500 et seq.) of Title 2.2 of the Code of Virginia.

Endowment investments, if any, shall be invested and managed in accordance with the Uniform Prudent Management of Institutional Funds Act, Chapter 11 (§ 64.2-1100 et seq.) of Title 64.2 of the Code of Virginia.

The University is charged with the responsibility of reporting to the board of visitors on an annual basis.

XII. INSURANCE AND RISK MANAGEMENT.

By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any insurance or risk management program made available to the University through the Commonwealth's Division of Risk Management and in which the University is then participating, to enable the Commonwealth to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If, upon notice of such additional costs to the Commonwealth, the University proceeds to withdraw from the insurance or risk management program, the University shall reimburse the Commonwealth for all such additional costs attributable to such withdrawal, as determined by the Commonwealth's actuaries. Such payment shall be made in a manner agreeable to both the University and the Commonwealth.

2. That notwithstanding the provisions of subsections A and B of § 23.1-1007 of the Code of Virginia, the management agreement negotiated by James Madison University (the University) shall continue in effect unless the Governor, the General Assembly, or the University determine that the management agreement needs to be renegotiated or revised.

CHAPTER 125

An Act providing a management agreement between the Commonwealth and James Madison University pursuant to the Restructured Higher Education Financial and Administrative Operations Act (§ 23.1-1000 et seq.).

[S 1386]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That the following shall hereafter be known as the 2019 Management Agreement Between the Commonwealth of Virginia and James Madison University:

MANAGEMENT AGREEMENT
BY AND BETWEEN
THE COMMONWEALTH OF VIRGINIA
AND
JAMES MADISON UNIVERSITY

This MANAGEMENT AGREEMENT, executed this 15th day of November, 2018, by and between the Commonwealth of Virginia (hereafter, the Commonwealth) and James Madison University (hereafter, the University) provides as follows:

RECITALS

WHEREAS, the University has satisfied the conditions precedent set forth in §§ 23.1-1004 and 23.1-1005 of the Code of Virginia to become a public institution of higher education of the Commonwealth governed by Article 4 (§ 23.1-1004 et seq.) of the Restructured Higher Education Financial and Administrative Operations Act, Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia ("Article 4" and the "Act", respectively), as evidenced by:

1. Board of Visitors Approval. The minutes of a meeting of the board of visitors of the University held on September 14, 2018, indicate that an absolute two-thirds or more of the members voted to approve the resolution required by subdivision B 2 of § 23.1-1004 of the Act;

2. Written Application to the Governor. The University has submitted to the Governor a written application, dated July 10, 2018, with copies to the Chairmen of the House Committee on Appropriations, the House Committee on Education, the Senate Committee on Finance, and the Senate Committee on Education and Health, expressing the sense of its board of visitors that the University is qualified to be, and should be, governed by Article 4 of the Act, and substantiating that the University has fulfilled the requirements of subdivision B 3 of § 23.1-1004 of the Act; and

3. Finding by the Governor. In accordance with § 23.1-1005 of the Act, the Governor has found that the University has fulfilled the requirements of § 23.1-1004 of the Act, and therefore has authorized Cabinet Secretaries to enter into this management agreement on behalf of the Commonwealth with the University; and

WHEREAS, the University is therefore authorized to enter into this management agreement as provided in subsection B of § 23.1-1004 and Article 4 of the Act.

AGREEMENT

NOW, THEREFORE, in accordance with the provisions of the Act, and in consideration of the foregoing premises, the Commonwealth and the University do now agree as follows:

ARTICLE 2. SCOPE OF MANAGEMENT AGREEMENT.

SECTION 2.1. Enhanced Authority Granted and Accompanying Accountability.

Article 4 of the Act provides that, upon the execution of, and as of the effective date for, this management agreement, the University shall become a covered institution entitled to be granted by the Commonwealth and to exercise the powers and authority provided in Article 4 of the Act that are expressly contained in this management agreement. In general, subject to its management agreement with the Commonwealth, status as a covered institution governed by Article 4 of the Act and this management agreement is intended to replace (i) the post-General Assembly authorization prior-approval system of reviews, approvals, policies, and procedures carried out and implemented by a variety of central state agencies with (ii) a post-audit system of reviews and accountability under which a covered institution is fully responsible and fully accountable for managing itself pursuant to Article 4 of the Act and its management agreement with the Commonwealth.

SECTION 2.1.1. Assessments and Accountability. The University and its implementation of the enhanced authority granted by Article 4 of the Act and this management agreement, and the board of visitors policies attached hereto as Exhibits A through F, shall be subject to the reviews, assessments, and audits (i) set forth in the Act that are to be conducted by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, (ii) as may be conducted periodically by the Secretaries of Finance, Administration, Education, or by some combination of these three Secretaries, or (iii) as otherwise may be required by law other than the Act.

SECTION 2.1.2. Express Grant of Powers and Authority. Subject to the specific conditions and limitations contained in § 23.1-1008 (Operational Authority Generally), §§ 23.1-1016, 23.1-1017, and 23.1-1019 (Capital Projects; Procurement; Property Generally), and §§ 23.1-1020 through 23.1-1026 (Human Resources) of Article 4 of the Act, the Commonwealth

and the University agree that the Commonwealth has granted to the University by this management agreement all the powers and authority contained in certain policies adopted by the board of visitors of the University attached hereto as Exhibits A through F and governing (i) the undertaking and implementation of capital projects, and other acquisition and disposition of property (Exhibit A), (ii) the leasing of property, including capital leases (Exhibit B), (iii) information technology (Exhibit C), (iv) the procurement of goods, services, including certain professional services, insurance, and construction (Exhibit D), (v) human resources (Exhibit E), and (vi) its system of financial management (Exhibit F), including, as provided in subsection B of § 23.1-1012 of the Act, the sole authority to establish tuition, fees, room, board, and other charges consistent with sum sufficient appropriation authority for nongeneral funds as provided by the Governor and the General Assembly in the Commonwealth's biennial appropriations authorization. Subject to the specific conditions and limitations contained in §§ 23.1-1008 through 23.1-1011 of the Act, in this management agreement, and in one or more of the board of visitors policies attached hereto as Exhibits A through F, the Commonwealth and the University agree that the Commonwealth has expressly granted to the University all the powers and authority permitted by the Act.

The board of visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this management agreement and the policies adopted by it and attached as Exhibits A through F. Consistent with this full and ultimate accountability, however, the board may, pursuant to its legally permissible procedures, specifically delegate the duties and responsibilities set forth in this management agreement to its officers, committees, and subcommittees, and, as set forth in the policies adopted by the board and attached hereto as Exhibits A through F, to a person or persons within the University.

SECTION 2.1.3. Reimbursement by the University of Certain Costs. By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any health or other group insurance or risk management program made available to the University through any agency, body corporate, political subdivision, authority, or other entity of the Commonwealth, and in which the University is then participating, to enable the Commonwealth's actuaries to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If upon notice of such additional costs to the Commonwealth, the University proceeds to withdraw from such health or other group insurance or risk management program, the University shall, pursuant to subdivision B 5 of § 23.1-1004 of the Act, reimburse the Commonwealth for all such additional costs attributable to such withdrawal as determined by the Commonwealth's actuaries.

SECTION 2.1.4. Potential Impact on Virginia College Savings Plan. As required by subdivision B 6 of § 23.1-1004 of the Act, the University has given consideration to potential future impacts of tuition increases on the Virginia College Savings Plan, Chapter 7 (§ 23.1-700 et seq.) of Title 23.1 of the Code of Virginia and has discussed those potential impacts with the Executive Director and staff of that Plan and with parties in the Administration who participated in the development of this management agreement. The Executive Director of the Plan has provided to the University and the Commonwealth the Plan's assumptions underlying the contract pricing of the program.

SECTION 2.1.5. Justification for Deviations from the Virginia Public Procurement Act. Pursuant to § 23.1-1017 of the Act and subject to the provisions of this management agreement, the University may be exempt from the provisions of the Virginia Public Procurement Act (VPPA), Chapter 43 (§ 2.2-4300 et seq.) of Title 2.2 of the Code of Virginia. Any procurement policies or rules that deviate from the VPPA must be uniform across all institutions governed by Article 4 of the Act, and the board of visitors shall adopt and comply with procurement policies that are based upon competitive principles and seek competition to the maximum practical degree. The Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials and the Rules Governing Procurement of Goods, Services, Insurance, and Construction (the Procurement Rules) attached to such policy as Attachment 1 constitute the policies and uniform deviations from the VPPA required by subsections A and B of § 23.1-1017 of the Act.

Subsection E of § 23.1-1017 of the Act requires that the University identify the public, educational, and operational interests served by any procurement rule or rules that deviate from those in the VPPA. The adopted board of visitors policy on procurement and the Procurement Rules provide the University with the autonomy to administer its procurement process while fully adhering to the principle that competition should be sought to the maximum extent feasible. This autonomy will better position the University to support the requirements of its growing teaching, research, and outreach missions. Greater autonomy in procurement will improve internal capacity to respond quickly to emergent material and service issues and, therefore, enable the University to be more efficient and effective in meeting the Commonwealth's goals for institutions of higher education. In some instances, costs will be reduced. Taken collectively, the University's procurement policies and rules that differ from those required by the VPPA will enhance procurement "best practices" as they currently are being observed within the higher education community nationally. Further, these changes will provide efficiencies to both the University and public sector suppliers.

SECTION 2.1.6. Quantification of Cost Savings. Subsection D of § 23.1-1012 of the Act requires that a covered institution include in its management agreement with the Commonwealth the quantification of cost savings realized as a result of the additional operational flexibility provided pursuant to Article 4 of the Act. Since this initial management agreement with the Commonwealth has not yet been implemented by the University, the parties agree that the University is not in a position to quantify any such cost savings at this time, although the University expects that there will be cost savings resulting from the additional authority granted to the University pursuant to Article 4 of the Act and that such cost savings will be part of the determinations made during the reviews, assessments, and audits to be conducted pursuant to Article 4 of

the Act by the Auditor of Public Accounts, the Joint Legislative Audit and Review Commission, and the State Council of Higher Education for Virginia, and as otherwise described in Section 2.1.1 above.

SECTION 2.1.7. Participation in State Programs. *The Commonwealth intends that the University shall continue to fully participate in, and receive funding support from, the many and varied programs established now or in the future by the Commonwealth to provide support for Virginia's public institutions of higher education and for Virginians attending such institutions, including but not limited to the state capital outlay and bond financing initiatives undertaken from time to time by the Commonwealth; the Higher Education Equipment Trust Fund established pursuant to Chapter 12 (§ 23.1-1200 et seq.) of Title 23.1 of the Code of Virginia; the Maintenance Reserve Fund as provided in the general appropriation act; the Eminent Scholars program as provided in the general appropriation act; the Commonwealth's various student financial assistance programs; and other statewide programs or initiatives that exist, or may be established, in support of the Commonwealth's higher education institutions, programs, or activities.*

SECTION 2.1.8. Implied Authority. *Pursuant to subsection C of § 23.1-1006 of the Act, the only implied authority granted to the University by this management agreement is that implied authority that is actually necessary to carry out the expressed grant of financial or operational authority contained in this agreement or in the policies adopted by the University's board of visitors and attached hereto as Exhibits A through F.*

SECTION 2.1.9. Exercise of Authority. *The University and the Commonwealth acknowledge and agree that the execution of this management agreement constitutes the conclusion of a process that, as of the effective date of this Agreement, confers upon the University the enhanced authority and operating flexibility described in this article above, all of which is in furtherance of the purposes of Article 4 of the Act. Therefore, without any further conditions or requirements, the University shall, on and after the effective date of this management agreement, be authorized to exercise the authority conferred upon it by this management agreement, the policies adopted by its board of visitors attached hereto as Exhibits A through F, and by §§ 23.1-1008 through 23.1-1011 of the Act, except to the extent that the powers and authority contained therein have been limited by this management agreement or the board of visitors policies attached hereto as Exhibits A through F.*

The University and the Commonwealth also acknowledge and agree that, pursuant to subsection L of § 23.1-1006 of the Act and consistent with the terms of this management agreement, the board of visitors of the University shall assume full responsibility for management of the University, subject to the requirements and conditions set forth in Article 4 of the Act, the general requirements for this management agreement as provided in § 23.1-1002 of the Act, and this management agreement. The board of visitors shall be fully accountable for (i) the management of the University as provided in the Act, (ii) meeting the requirements of §§ 23.1-206 and 23.1-306 of the Code of Virginia, and (iii) meeting such other provisions as are set forth in this management agreement.

SECTION 2.2. State Goals.

SECTION 2.2.1. Furthering State Goals. *As required for all public institutions of higher education of the Commonwealth by subsection A of § 23.1-1002 of the Act, prior to August 1, 2005, the board of visitors of the University adopted the resolution setting forth its commitment to the Governor and the General Assembly to meet the state goals specified in subsection A of § 23.1-1002 of the Act.*

SECTION 2.2.2. Student Enrollment, Tuition, and Financial Aid. *As required by § 23.1-306 of the Code of Virginia, the University, along with all other public institutions of higher education of the Commonwealth, has developed and submitted to the State Council of Higher Education for Virginia (SCHEV) by October 1, 2018, an institution-specific six-year plan addressing the University's academic, financial, and enrollment plans for the six-year period of fiscal years 2018-2020 through 2022-2024. Subsection A of § 23.1-306 of the Code of Virginia requires the University to update this six-year plan by July 1 of each odd-numbered year and amend or affirm biennially in each even-numbered year. Subdivision B 3 of § 23.1-1006 of the Act requires that a management agreement address, among other issues, such matters as the University's undergraduate Virginia student enrollment, its financial aid requirements and capabilities, and its tuition policy for undergraduate Virginia students. These matters are addressed in this section and in the University's six-year plan submitted to SCHEV, and the parties therefore agree that the University's six-year plan and the description in this section meet the requirement of subdivision B 3 of § 23.1-1006 of the Act.*

Subsection C of § 23.1-1012 of the Act requires the board of visitors of the University to include in this management agreement the University's commitment to provide need-based grant aid for middle-income and lower-income Virginia students in a manner that encourages student enrollment and progression without respect to potential increases in tuition and fees. The University's commitment in this regard is clear. The University is committed to increasing the economic and social diversity of the student body at the University. The University is committed to assuring access to qualified and admitted Virginia students.

To address the challenges associated with the rising costs of college, the University uses institutional, state, and federal funding to help mitigate the effect of rising costs on students from low-income and middle-income families. The University awards financial aid based on the U.S. Department of Education's federal methodology. The federal methodology is used in all of the University's aid packaging that includes institutional, state, and federal funding. The University's financial aid packaging processes and procedures target the neediest enrolled applicants, as required under state and federal law. Based on the Health and Human Services poverty levels, about 40 percent of the University's enrolled undergraduate applicants for federal financial aid fall into the low-income and middle-income range.

For 2018-2019, the Expected Family Contribution (EFC) cutoff for awarding Virginia Student Financial Assistance Program (VSFAP) and University grants to on-time, in-state, undergraduate financial aid filers was \$9,500. This definition of middle class was used to award financial aid dollars to needy students. The University's ultimate goal for the future is to increase the EFC cutoff that will be equal to or above one-half the cost of attendance. The \$9,500 EFC cutoff in 2017-18 equaled 36.5 percent of the full-time, in-state cost of attendance.

To move forward in accomplishing its goals, over the period of the six-year plan, the University is committed to seeking, from all sources—state-appropriated scholarship funds and federal, institutional, and private support—to continue its commitment to providing additional financial aid through grants and loans to those Virginians with need. In addition, as tuition and fees increase over the period of the six-year plan, the University will readjust the level of financial aid funding so that insufficiency of family resources will not be a barrier to attending the University.

The Commonwealth and the University agree that this commitment meets the requirements of subsection C of § 23.1-1012 of the Act.

SECTION 2.3. Other Law.

As provided in subsection C of § 23.1-1006 of the Act, the University shall be governed and administered in the manner provided not only in this management agreement, but also as provided in the general appropriation act then in effect and the University's enabling statutes.

SECTION 2.4. The General Appropriation Act.

The Commonwealth and the University agree that, pursuant to the current terms of the Act and the terms of § 4-11.00 of the 2004-2006 Appropriation Act, if there is a conflict between the provisions of the general appropriation act and the provisions of Article 4 of the Act, or this management agreement, or the board of visitors policies attached to this management agreement as Exhibits A through F, the provisions of the general appropriation act shall control, and shall continue to control unless provided otherwise by law.

SECTION 2.4.1. The University's Enabling Statutes. *As provided in subsection E of § 23.1-1006 of the Act, in the event of a conflict between any provision of Article 4 of this Act and the University's enabling statutes, the enabling statutes shall control.*

SECTION 2.4.2. Title 2.2 of the Code of Virginia. *As provided in subsection D of § 23.1-1006 of the Act, except as specifically made inapplicable under Article 4 of the Act and the express terms of this management agreement, the provisions of Title 2.2 relating generally to the operation, management, supervision, regulation, and control of public institutions of higher education shall be applicable to the University as provided by the express terms of this management agreement. As further provided in subsection E of § 23.1-1006 of the Act, in the event of conflict between any provision of Title 2.2 and any provision of Article 4 of the Act as expressed in this management agreement, the provisions of this management agreement shall control.*

SECTION 2.4.3. Educational Policies of the Commonwealth. *As provided in subsection J of § 23.1-1006 of the Act, for purposes of §§ 23.1-101, 23.1-102, 23.1-103, 23.1-104, and 23.1-107, Chapter 2 (§ 23.1-200 et seq.), §§ 23.1-306, 23.1-402, 23.1-403, and 23.1-404, Chapter 5 (§ 23.1-500 et seq.), Chapter 6 (§ 23.1-600 et seq.), Chapter 7 (§ 23.1-700 et seq.), §§ 23.1-800, 23.1-801, 23.1-901, and 23.1-1001, Chapter 11 (§ 23.1-1100 et seq.), Chapter 12 (§ 23.1-1200 et seq.), subsections G, H, and I of § 23.1-1300, § 23.1-1302, and subsection B of § 23.1-1303 of Title 23.1 the Code of Virginia, each covered institution shall remain a public institution of higher education following its conversion to a covered institution governed by Article 4 of the Act and shall retain the authority granted and any obligations required by such provisions.*

In addition, the University shall retain the authority, and any obligations related to the exercise of such authority, that is granted to institutions of higher education pursuant to Chapter 2 (§ 23.1-200 et seq.), Chapter 11 (§ 23.1-1100 et seq.), Chapter 12 (§ 23.1-1200 et seq.), Chapter 6, Article 2 (§ 23.1-612 et seq.), Chapter 6, Article 3 (§ 23.1-617 et seq.), Chapter 6, Article 5 (§ 23.1-628 et seq.), Chapter 6, Article 6 (§ 23.1-636 et seq.), § 23.1-619, Chapter 6, Article 7 (§ 23.1-639 et seq.), and Chapter 7 (§ 23.1-700 et seq.) of Title 23.1 the Code of Virginia, unless and until provided otherwise by law other than the Act.

SECTION 2.4.6. Other Provisions of the Code of Virginia. *Other than as specified in this article above, any other powers and authorities granted to the University pursuant to any other sections of the Code of Virginia, including other provisions of the Act, are not affected by this management agreement or the board policies attached hereto as Exhibits A through F.*

ARTICLE 3. AMENDMENTS TO, AND RIGHT AND POWER TO VOID OR REVOKE, MANAGEMENT AGREEMENT.

SECTION 3.1. Amendments.

Any change to or deviation from this management agreement or the board of visitors policies attached hereto as Exhibits A through F shall be reported to the Secretaries of Finance, Administration, and Education and to the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations and shall be posted on the University's website. The change or deviation shall become effective unless one of the above persons notifies the University in writing within 60 days that the change or deviation is substantial and material. SECTION 3.2. Right and Power to Void, Revoke, or Reinstate Management Agreement.

SECTION 3.2.1. Governor. Pursuant to subdivision E of § 23.1-1007, if the Governor makes a written determination that the University is not in substantial compliance with the terms of this management agreement or with the requirements of the Act in general, (i) the Governor shall provide a copy of that written determination to the rector of the board of visitors of the University and to the members of the General Assembly, and (ii) the University shall develop and implement a plan of corrective action, satisfactory to the Governor, for purposes of coming into substantial compliance with the terms of this management agreement and with the requirements of the Act, as soon as practicable, and shall provide a copy of such corrective action plan to the members of the General Assembly. If, after a reasonable period of time after the corrective action plan has been implemented by the University, the Governor determines that the institution is not yet in substantial compliance with this management agreement or the requirements of the Act, the Governor may void this management agreement. Upon the Governor voiding this management agreement, the University shall no longer be allowed to exercise any restructured financial or operational authority pursuant to the provisions of Article 4 of the Act unless and until the University has entered into a subsequent management agreement with the Secretary or Secretaries designated by the Governor or the voided management agreement is reinstated by the General Assembly.

SECTION 3.2.2. General Assembly. As provided in subsection E of § 23.1-1007 of the Act, the General Assembly may reinstate a management agreement declared void by the Governor. Pursuant to subsection F of § 23.1-1007 of the Act, the University's status as a covered institution governed by Article 4 of the Act may be revoked by an act of the General Assembly if the University fails to meet the requirements of Article 4 of the Act or the management agreement.

*ARTICLE 4. GENERAL PROVISIONS.**SECTION 4.1. No Third-Party Beneficiary Status.*

SECTION 4.3. Term of Agreement.

The management agreement negotiated by the University shall continue in effect unless the Governor, the General Assembly, or the University determine that the management agreement needs to be renegotiated or revised.

WHEREFORE, the foregoing management agreement has been executed as of this 15th day of November, 2018, and shall become effective on the effective date of the legislation enacted into law providing for the terms of such Agreement.

AND
JAMES MADISON UNIVERSITY
PURSUANT TO
THE RESTRUCTURED HIGHER EDUCATION
FINANCIAL AND ADMINISTRATIVE OPERATIONS ACT

POLICY GOVERNING
CAPITAL PROJECTS

THE RECTOR AND BOARD OF VISITORS
OF JAMES MADISON UNIVERSITY
POLICY GOVERNING CAPITAL PROJECTS

I. PREAMBLE.

Pursuant to Article 4 (§ 23.1-1004 et seq.) of the Restructured Higher Education Financial and Administrative Operations Act (the Act), upon becoming a covered institution, a public institution of higher education in Virginia may be delegated the authority to establish its own system for undertaking the implementation of its capital projects. In general, status as a covered institution is designed to replace the post-authorization system of reviews, approvals, policies, and procedures carried out by a variety of central state agencies, and also the traditional pre-authorization approval process for projects funded entirely with nongeneral funds and without any proceeds from state tax-supported debt. Consistent with its current practice, the University's system for carrying out its capital outlay process as a covered institution is to be governed by policies adopted by the board of visitors. The following provisions of this policy, together with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the board, and the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment I to that Policy, constitute the adopted board of visitors policies regarding the University's capital projects, whether funded by a general fund appropriation of the General Assembly, state tax-supported debt, or funding from other sources.

This policy is intended to encompass and implement the expanded authority that may be granted to the University pursuant to Article 4 of the Act. Any other powers and authorities granted to the University pursuant to the general appropriation act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's enabling statutes, are not affected by this policy.

II. DEFINITIONS.

As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:

"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia.

"Board of visitors" or "board" means the rector and board of visitors of the University.

"Capital lease" means a lease that is defined as such within generally accepted accounting principles pursuant to the pronouncement of the Financial Accounting Standards Board.

"Capital professional services" means professional engineering, architecture, land surveying, and landscape architecture services related to capital projects.

"Capital project(s)" means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction, improvements or renovations, and capital leases.

"Covered institution" means, on and after the effective date of its initial management agreement, a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth to be governed by the provisions of Article 4 of the Act.

"Enabling statutes" has the same meaning as provided in § 23.1-1000 of the Act.

"Major capital project(s)" means the acquisition of any interest in land, including improvements on the acquired land at the time of acquisition, new construction of 5,000 square feet or greater or costing \$3 million or more, improvements or renovations of \$3 million or more, and capital leases.

"State tax-supported debt" means bonds, notes, or other obligations issued under Article X, Section 9 (a), 9 (b), 9 (c), or 9 (d) of the Constitution of Virginia, if the debt service payments are made or ultimately are to be made from general government funds, as defined in the December 19, 2017, Report to the Governor and General Assembly of the Debt Capacity Advisory Committee or as that definition is amended from time to time.

"University" means James Madison University.

III. SCOPE OF POLICY.

This policy applies to the planning and budget development for capital projects, capital project authorization, and the implementation of capital projects, whether funded by a general fund appropriation of the General Assembly, proceeds from state tax-supported debt, or funding from other sources.

This policy provides guidance for (i) the process for developing one or more capital project programs for the University, (ii) authorization of new capital projects, (iii) procurement of capital professional services and construction services, (iv) design reviews and code approvals for capital projects, (v) environmental impact requirements, (vi) building demolitions, (vii) building and land acquisitions, (viii) building and land dispositions, (ix) project management systems, and (x) reporting requirements.

IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

The board of visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this policy. Consistent with this full and ultimate accountability, however, the board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate board resolution the duties and responsibilities set forth in this policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

V. CAPITAL PROGRAM.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall adopt a system for developing one or more capital project programs that defines or define the capital needs

of the University for a given period of time consistent with the University's published Master Plan. This process may or may not mirror the Commonwealth's requirements for capital plans. The board of visitors shall approve the program for major capital projects. Major capital projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from state tax-supported debt shall follow the Commonwealth's requirements for capital plans. The board may approve amendments to the program for major capital projects annually or more often if circumstances warrant.

It shall be University policy that each capital project program shall meet the University's mission and institutional objectives and be appropriately authorized by the University. Moreover, it shall be University policy that each capital project shall be of a size and scope to provide for the defined program needs, designed in accordance with all applicable building codes and handicapped accessibility standards as well as the University's design guidelines and standards, and costed to reflect current costs and escalated to the mid-point of anticipated construction.

VI. AUTHORIZATION OF CAPITAL PROJECTS.

The board of visitors shall authorize the initiation of each major capital project by approving its size, scope, budget, and funding. The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall adopt procedures for approving the size, scope, budget, and funding of all other capital projects. Major capital projects that are to be funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from state tax-supported debt shall require both board of visitors approval and those pre-appropriation approvals of the State's governmental agencies then applicable, and shall follow the State's process for capital budget requests.

It shall be the policy of the University that the implementation of capital projects shall be carried out so that the capital project as completed is the capital project approved by the board for major capital projects and according to the procedures adopted by the President of the University, acting through the Senior Vice President of Administration or his designee, for all other capital projects. The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall ensure strict adherence to this requirement.

Accordingly, the budget, size, and scope of a capital project shall not be materially changed beyond the plans and justifications that were the basis for the capital project's approval, either before or during construction, unless approved in advance as described in this section above. Minor changes shall be permissible if they are determined by the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, to be justified.

Major capital projects may be submitted for board of visitors authorization at any time but must include a statement of urgency if not part of the approved major capital project program.

VII. PROCUREMENT OF CAPITAL PROFESSIONAL SERVICES AND CONSTRUCTION SERVICES.

It shall be the policy of the University that procurements shall result in the purchase of high quality services and construction at reasonable prices and shall be consistent with the Policy Governing the Procurement of Goods, Services, Insurance, and Construction, and the Disposition of Surplus Materials adopted by the board, and with the Rules Governing Procurement of Goods, Services, Insurance, and Construction, which is attached as Attachment 1 to such policy. Specifically, the University is committed to:

1. Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract, and the likely extent of competition;
2. Conducting all procurements in a fair and impartial manner and avoiding any impropriety or the appearance of any impropriety prohibited by state law or University policy;
3. Making procurement rules clear in advance of any competition;
4. Providing access to the University's business to all qualified vendors, firms, and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;
5. Including in contracts of more than \$10,000 the contractor's agreement not to discriminate against employees or applicants because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law except where there is a bona fide occupational qualification reasonably necessary to the contractor's normal operations; and
6. Providing for a nondiscriminatory procurement process, and including appropriate and lawful provisions to effectuate fair and reasonable consideration of women-owned, minority-owned, and small businesses and to promote and encourage a diversity of suppliers.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, is authorized to develop implementing procedures for the procurement of capital professional services and construction services at the University. The procedures shall implement this policy and provide for:

- a. A system of competitive negotiation for capital professional services, including a procedure for expedited procurement of capital professional services under \$80,000, pursuant to subdivisions 1, 2, and 3 a of the defined term "competitive negotiation" in § 4 of the Rules Governing Procurement of Goods, Services, Insurance, and Construction;
- b. A prequalification procedure for contractors or products;
- c. A procedure for special construction contracting methods, including but not limited to design-build and construction management contracts; and
- d. A prompt payment procedure.

The University also may enter into cooperative arrangements with other private or public health or educational institutions, health care provider alliances, purchasing organizations, or state agencies where, in the judgment of the University, the purposes of this policy will be furthered.

VIII. DESIGN REVIEWS AND CODE APPROVALS.

The board of visitors shall review the design of all major capital projects and shall provide final major capital project authorization based on the size, scope, and cost estimate provided with the design. Unless stipulated by the board of visitors at the design review, no further design reviews shall be required. For all capital projects other than major capital projects, the President of the University, acting through the Senior Vice President for Administration and Finance or his designee, shall adopt procedures for design review and project authorization based on the size, scope, and cost estimate provided with the design. It shall be University policy that all capital projects shall be designed and constructed in accordance with applicable Virginia Uniform Statewide Building Code (VUSBC) standards and the applicable accessibility code.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall designate a building official responsible for building code compliance at the University, by either (i) hiring an individual to be the University building official or (ii) continuing to use the services of the Department of General Services, Division of Engineering and Buildings, to perform the building official function. If option (i) is selected, the individual hired as the University building official shall be a full-time employee of the University who has no other assigned duties or responsibilities at the institution and who is not employed by any firm or business providing facility services to the University, is a registered professional architect or engineer, and is certified by the Department of Housing and Community Development to perform this building official function. The University building official shall issue building permits for each capital project required by the VUSBC to have a building permit, shall determine the suitability for occupancy of, and shall issue certifications for building occupancy for, all capital projects requiring such certification. Prior to issuing any such certification, this individual shall ensure that the VUSBC and accessibility requirements are met for that capital project and that such capital project has been inspected by the State Fire Marshal or his designee as required. When serving as the University building official, such individual shall organizationally report directly and exclusively to the board of visitors. If the University hires its own University building official, it shall fulfill the code review requirement by maintaining a review unit of licensed professional architects or engineers supported by resources and staff who are certified by the Department of Housing and Community Development in accordance with § 36-137 of the Code of Virginia for such purpose and who shall review plans, specifications, and documents for compliance with building codes and standards and perform required inspections of work in progress and the completed capital project. No individual licensed professional architect or engineer hired under the University personnel system as a member of the review unit or contracted with to perform these functions shall also perform other building code-related design, construction, facilities-related project management, or facilities management functions for the University on the same capital project.

IX. ENVIRONMENTAL IMPACT REPORTS.

It shall be the policy of the University to assess the environmental, historic preservation, and conservation impacts of all capital projects and to minimize and otherwise mitigate all adverse impacts to the extent practicable. The University shall develop a procedure for the preparation and approval of environmental impact reports for capital projects, in accordance with state environmental, historic preservation, and conservation requirements generally applicable to capital projects otherwise meeting the definition of major capital projects but with a cost of \$500,000 or more as set forth in § 10.1-1188 of the Code of Virginia.

X. BUILDING DEMOLITIONS.

It shall be the policy of the University to consider the environmental and historical aspects of any proposed demolitions. The University shall develop a procedure for the preparation and review of demolition requests, including any necessary reviews by the Department of Historic Resources and the Art and Architectural Review Board in accordance with state historic preservation requirements generally applicable to capital projects in the Commonwealth. Further, for any property that was acquired or constructed with funding from a general fund appropriation of the General Assembly or from proceeds from state tax-supported debt, general laws applicable to state-owned property shall apply.

XI. BUILDING OR LAND ACQUISITIONS.

It is the policy of the University that capital projects involving building or land acquisition shall be subjected to thorough inquiry and due diligence prior to closing on the acquisition of such real property. The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall ensure that the project management system implemented pursuant to Section XIII of this policy provides for a review and analysis of all pertinent matters relating to the acquisition of buildings and land as any prudent purchaser would perform to the end that any building or land acquired by the University shall be suitable for its intended purpose, that the acquisition can be made without substantial risk of liability to the University, and that the cost of the real property to be acquired, together with any contemplated development thereof, shall be such that compliance with the provisions of Section VI of this policy is achieved. In addition, the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall ensure that, where feasible and appropriate to do so, the following specific policies pertaining to the acquisition of buildings or land for capital projects are carried out.

A. Environmental and Land Use Considerations.

It is the policy of the University to reasonably cooperate with each locality affected by the acquisition. Such cooperation shall include but not be limited to furnishing any information that the locality may reasonably request and

reviewing any requests by the locality with regard to any such acquisition. The University shall consider the zoning and comprehensive plan designation by the locality of the building or land and surrounding parcels, as well as any designation by state or federal agencies of historically or archeologically significant areas on the land. Nothing herein shall be construed as requiring the University to comply with local zoning laws and ordinances.

B. Infrastructure and Site Condition.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall ensure that, in the case of capital projects involving the acquisition of buildings or land, the project management systems implemented under Section XIII of this policy provide for a review of the following matters prior to acquisition of the building or land: that any land can be developed for its intended purpose without extraordinary cost; that an environmental engineer has been engaged by the University to provide an assessment of any environmental conditions on the land; that there is adequate vehicular ingress and egress to serve the contemplated use of the building or land; that utilities and other services to the land are adequate or can reasonably be provided or have been provided in the case of building acquisitions; and that the condition and grade of the soils have been examined to determine if any conditions exist that would require extraordinary site work.

C. Title and Survey.

A survey shall be prepared for any real property acquired, and an examination of title to the real property shall be conducted by a licensed attorney or, in the alternative, a commitment for title insurance shall be procured from a title insurance company authorized to do business in the Commonwealth. Based upon the survey and title examination or report, the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall conclude, prior to acquisition of the real property, that title thereto will be conveyed to the University in fee simple, free and clear of all liens, encumbrances, covenants, restrictions, easements, or other matters that may have a significant adverse effect upon the University's ability to own, occupy, convey, or develop the real property.

D. Appraisal.

An appraisal shall be conducted of the real property to be acquired to determine its fair market value and the consistency of the fair market value with the price agreed upon by the University.

XII. BUILDING OR LAND DISPOSITIONS.

The board of visitors shall approve the disposition of any building or land. Disposition of land or buildings, the acquisition or construction of which was funded entirely or in part by a general fund appropriation of the General Assembly or proceeds from state tax-supported debt, shall require both board of visitors approval and other approvals in accordance with general law applicable to state-owned property and with the University's enabling statutes.

XIII. PROJECT MANAGEMENT SYSTEMS.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall implement one or more systems for the management of capital projects for the University. The systems may include the delegation of project management authority to appropriate University officials, including a grant of authority to such officials to engage in further delegation of authority as the President of the University deems appropriate.

The project management systems for capital projects shall be designed to ensure that such projects comply with the provisions of this policy and other board of visitors policies applicable to closely related subjects such as the selection of architects or policies applicable to University buildings and grounds.

The project management systems may include one or more reporting systems applicable to capital projects whereby University officials responsible for the management of such projects provide appropriate and timely reports to the President of the University on the status of such projects during construction.

XIV. REPORTING REQUIREMENTS.

In addition to complying with any internal reporting systems contained in the University's project management systems, as described in Section XIII above, the University shall comply with state reporting requirements for those major capital projects funded entirely or in part by a general fund appropriation of the General Assembly or state tax-supported debt. Additionally, if any capital project constructs improvements on land, or renovates property, that originally was acquired or constructed in whole or in part with a general fund appropriation for that purpose or proceeds from state tax-supported debt, and such improvements or renovations are undertaken entirely with funds not appropriated by the General Assembly, and if the cost of such improvements or renovations is reasonably expected to exceed \$2 million, the decision to undertake such improvements or renovations shall be communicated as required by subdivision D 3 of § 23.1-1016 of the Act. As a matter of routine, the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall report to the Department of General Services on the status of such capital projects at the initiation of the project, prior to the commencement of construction, and at the time of acceptance of any such capital project.

I. PREAMBLE.

The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia, provides that, upon becoming a covered institution, the University may have the authority to establish its own system for the leasing of real property. The University's system for implementing this authority is governed by policies adopted by the board of visitors. The following provisions of this policy constitute the adopted board of visitors policies regarding leases of real property entered into by the University.

This policy is intended to cover the authority that may be granted to the University pursuant to Article 4 of the Act. Any other powers and authorities granted to the University pursuant to the general appropriation act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's enabling statutes, as defined in § 23.1-1000 of the Act, are not affected by this policy.

This policy provides guidance for the implementation of all University leases.

IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

The board of visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this policy. Consistent with this full and ultimate accountability, however, the board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate board resolution the duties and responsibilities set forth in this policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

V. REQUIREMENTS FOR LEASES.

A. Factors to Be Considered When Entering into Leases.

All leases shall be for a purpose consistent with the mission of the University. The decision to enter into a lease shall be further based upon cost, demonstrated need, compliance with this policy, consideration of all costs of occupancy, and a determination that the use of the property to be leased is necessary and is efficiently planned. Leases shall also conform to the space planning procedures that may be adopted by the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, to ensure that the plan for the space to be leased is consistent with the purpose for which the space is intended.

B. Competition to Be Sought to Maximum Practicable Degree.

Competition shall be sought to the maximum practicable degree for all leases. The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, is authorized to ensure that leases are procured through competition to the maximum degree practicable and to determine when, under guidelines that may be developed and adopted by the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, it is impractical to procure leases through competition.

C. Approval of Form of Lease Required.

The form of leases entered into by the University shall be approved by the University's legal counsel.

D. Execution of Leases.

3. Any other substantially similar provision of the Code of Virginia governing IT project management, as it currently exists or from time to time may be amended.

The State CIO shall continue to have the authority regarding project suspension and termination as provided in subsection B of § 2.2-2016.1 of the Code of Virginia and shall continue to provide the University with reasonable notice of, and a reasonable opportunity to correct, any identified problems before a project is terminated.

Pursuant to § 23.1-1018 of the Act, the board shall adopt the policies, standards, and guidelines related to IT infrastructure, architecture, ongoing operations, and security developed by the Commonwealth or those of nationally recognized associations, appropriately tailored to the specific circumstances of the University. Article 4 (§ 23.1-1004 *et seq.*) of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 10 (§ 23.1-1000 *et seq.*) of Title 23.1 of the Code of Virginia, provides that the University, upon becoming a covered institution, shall be authorized to establish its own system for the procurement of goods, services, insurance, and construction and for the independent disposition of surplus materials by public or private transaction.

The Act provides that a covered institution shall comply with policies adopted by its board of visitors for the procurement of goods, services, insurance, and construction and the disposition of surplus materials. The provisions of this policy, together with the Rules Governing Procurement of Goods, Services, Insurance, and Construction attached to this policy as Attachment I, constitute the adopted board of visitors policies required by the Act regarding procurement of goods, services, insurance, and construction and the disposition of surplus materials by the University.

This policy is intended to cover the authority that may be granted to the University pursuant to Article 4 of the Act. Any other powers and authorities granted to the University pursuant to any other sections of the Code of Virginia, including other provisions of the Act, the general appropriation act, and the University's enabling statutes are not affected by this policy.

II. DEFINITIONS.

As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:

"Surplus materials" means personal property including, but not limited to, materials, supplies, equipment, and recyclable items, that are determined to be surplus by the University.

"University" means James Madison University.

III. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

The board of visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this policy. Consistent with this full and ultimate accountability, however, the board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate board resolution the duties and responsibilities set forth in this policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

IV. GENERAL PROVISIONS.

A. Adoption of This Policy and Continued Applicability of Other Board of Visitors Procurement Policies.

The University has had decentralization and pilot program autonomy in many procurement functions and activities since the 1994 Appropriation Act. The Act extends and reinforces the autonomy previously granted to the University in Item 330 E of the 1994 Appropriation Act. This policy therefore is adopted by the board of visitors to enable the University to develop a procurement system, as well as a surplus materials disposition system. Any University electronic procurement system shall integrate or interface with the Commonwealth's electronic procurement system.

This policy shall be effective on the effective date. The policies and procedures adopted by the President of the University to implement this policy shall continue to be subject to any other policies adopted by the board of visitors

affecting procurements at the University, including policies regarding the nature and amounts of procurements that may be undertaken without the approval of the board of visitors or the President of the University.

B. Scope and Purpose of University Procurement Policies.

This policy shall apply to procurements of goods, services, insurance, and construction. It shall be the policy of the University that procurements conducted by the University result in the purchase of high quality goods and services at reasonable prices, and that the University be free, to the maximum extent permitted by law and this policy, from constraining policies that hinder the ability of the University to do business in a competitive environment. This policy, together with the rules, shall apply to all procurements undertaken by the University, regardless of the source of funds.

C. Collaboration, Communication, and Cooperation with the Commonwealth.

The University is committed to developing, maintaining, and sustaining collaboration, communication, and cooperation with the Commonwealth regarding the matters addressed in this policy, particularly with the Secretary of Administration, the Department of General Services, and the Virginia Information Technologies Agency. Identifying business objectives and goals common to both the University and the Commonwealth and the mechanisms by which such objectives and goals may be jointly pursued and achieved are among the desired outcomes of such collaboration, communication, and cooperation.

D. Commitment to Statewide Contracts, Electronic Procurement, and SWAM Participation and Use.

The University is committed to maximizing its internal operational efficiencies, economies of scale among institutions of higher education, and the leveraged buying power of the Commonwealth as a whole.

Consistent with this commitment, the University:

1. May purchase from and participate in all statewide contracts for goods and services, including information technology goods and services, except that the University shall purchase from and participate in contracts for communications services and telecommunications facilities entered into by the Virginia Information Technologies Agency pursuant to § 2.2-2011 of the Code of Virginia unless an exception is provided in the general appropriation act or by other law, and provided that orders not placed through statewide contracts shall be processed directly or by integration or interface through the Commonwealth's electronic procurement system;

2. Shall use directly or by integration or interface the Commonwealth's electronic procurement system; and

3. Shall adopt a small, woman-owned, and minority-owned (SWAM) business program that is consistent with the Commonwealth's SWAM program.

E. Implementation.

To effect its implementation under the Act, and if the University remains in continued substantial compliance with the terms and conditions of this management agreement with the Commonwealth pursuant to the requirements of the Act, the University's procurement of goods, services, insurance, and construction and the disposition of surplus materials shall be exempt from the Virginia Public Procurement Act, Chapter 43 (§ 2.2-4300 et seq.) of Title 2.2 of the Code of Virginia, except § 2.2-4342 and §§ 2.2-4367 through 2.2-4377 of such chapter; the oversight of the Virginia Information Technologies Agency, Chapter 20.1 (§ 2.2-2005 et seq.) of Title 2.2 of the Code of Virginia; the state agency requirements regarding disposition of surplus materials and distribution of proceeds from the sale or recycling of surplus materials in §§ 2.2-1124 and 2.2-1125 of the Code of Virginia; the requirement to purchase from the Department for the Blind and Vision Impaired pursuant to § 2.2-1117 of the Code of Virginia; and any other state statutes, rules, regulations, or requirements relating to the procurement of goods, services, insurance, and construction, including but not limited to Article 3 (§ 2.2-1109 et seq.) of Chapter 11 of Title 2.2 of the Code of Virginia, regarding the duties, responsibilities, and authority of the Division of Purchases and Supply of the Virginia Department of General Services, and Article 4 (§ 2.2-1129 et seq.) of Chapter 11 of Title 2.2 of the Code of Virginia, regarding the review and the oversight by the Division of Engineering and Buildings of the Virginia Department of General Services of contracts for the construction of University capital projects and construction-related professional services as set forth in § 2.2-1132 of such article.

V. UNIVERSITY PROCUREMENT POLICIES.

A. General Competitive Principles.

In connection with University procurements and the processes leading to award of contracts for goods, services, insurance, and construction, the University is committed to:

1. Seeking competition to the maximum practical degree, taking into account the size of the anticipated procurement, the term of the resulting contract, and the likely extent of competition;

2. Conducting all procurements in an open, fair, and impartial manner and avoiding any impropriety or the appearance of any impropriety;

3. Making procurement rules clear in advance of any competition;

4. Providing access to the University's business to all qualified vendors, firms, and contractors, with no potential bidder or offeror excluded arbitrarily or capriciously, while allowing the flexibility to engage in cooperative procurements and to meet special needs of the University;

5. Ensuring that specifications for purchases are fairly drawn so as not to favor unduly a particular vendor; and

6. Providing for the free exchange of information between the University, vendors, firms, or contractors concerning the goods or services sought and offered while preserving the confidentiality of proprietary information.

B. Access to Records.

Procurement records shall be available to citizens or to interested persons, firms, or corporations in accordance with the provisions of the Virginia Freedom of Information Act, Chapter 37 (§ 2.2-3700 et seq.) of Title 2.2 of the Code of Virginia, except those records exempt from disclosure pursuant to subdivisions 7 and 12 of § 2.2-3705.1, subdivision 4 of § 2.2-3705.4, or other applicable exemptions of the Virginia Freedom of Information Act, and § 2.2-4342 of the Virginia Public Procurement Act, Chapter 43 (§ 2.2-4300 et seq.) of Title 2.2 of the Code of Virginia.

C. Cooperative Procurements and Alliances.

In circumstances where the University determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the University that meet its business goals and objectives, the University is authorized to participate in cooperative procurements with other public or private organizations or entities, including other educational institutions, public-private partnerships, public bodies, charitable organizations, health care provider alliances, and purchasing organizations, so long as the resulting contracts are procured competitively pursuant to subsections A through J of § 5 of the rules and the purposes of this policy are furthered. In the event the University engages in a cooperative contract with a private organization or public-private partnership and the contract was not competitively procured pursuant to subsections A through J of § 5 of the rules, use of the contract by other state agencies, institutions, and public bodies shall be prohibited. Notwithstanding all of the provisions of this subsection above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. By October 1 of each year, the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall make available to the Secretary of Administration, the Joint Legislative Audit and Review Commission, and the Auditor of Public Accounts a list of all cooperative contracts and alliances entered into or used during the prior fiscal year.

D. Training; Ethics in Contracting.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall take all necessary and reasonable steps to assure (i) that all University officials responsible for and engaged in procurements authorized by the Act and this policy are knowledgeable regarding the requirements of the Act, this policy, and the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ 2.2-4367 et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) that only officials authorized by this policy and any procedures adopted by the President of the University to implement this policy are responsible for and engaged in such procurements, and (iii) that compliance with the Act and this policy are achieved.

The University shall maintain an ongoing program to provide professional development opportunities to its buying staff and to provide methods training to internal staff who are engaged in placing decentralized small purchase transactions.

E. Ethics and University Procurements.

In implementing the authority conferred by this policy, the personnel administering any procurement shall adhere to the following provisions of the Code of Virginia: the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ 2.2-4367 et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, the State and Local Government Conflict of Interests Act, Chapter 31 (§ 2.2-3100 et seq.) of Title 2.2 of the Code of Virginia, and the Virginia Governmental Frauds Act, Article 1.1 (§ 18.2-498.1 et seq.) of Chapter 12 of Title 18.2 of the Code of Virginia.

VI. UNIVERSITY SURPLUS MATERIALS POLICY AND PROCEDURES.

The policy and procedures for disposal for surplus materials shall provide for the sale, environmentally appropriate disposal, or recycling of surplus materials by the University and the retention of the resulting proceeds by the University.

VII. ADOPTION AND EFFECTIVE DATES OF RULES AND IMPLEMENTING POLICIES AND PROCEDURES.

A. The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall adopt one or more comprehensive sets of specific procurement policies and procedures for the University, which, in addition to the rules, implement applicable provisions of law and this policy. The University procurements shall be carried out in accordance with this policy, the rules, and any implementing policies and procedures adopted by the University. The implementing policies and procedures adopted by the University (i) shall include the delegation of procurement authority by the board to appropriate University officials who shall oversee University procurements of goods, services, insurance, and construction, including a grant of authority to such officials to engage in further delegation of authority as the President of the University deems appropriate, and (ii) shall remain consistent with the competitive principles set forth in Section V of this policy.

B. Any implementing policies and procedures adopted pursuant to subsection A and the rules shall become effective on the effective date and, as of such date, shall be applicable to all procurements undertaken by the University on behalf of the University for goods, services, insurance, and construction. This policy, the rules, and any implementing policies and procedures adopted by the University shall not affect existing contracts already in effect.

C. The rules and the University implementing policies and procedures for all University procurements of goods, services, insurance, and construction and the disposition of surplus property shall be substantially consistent with the Commonwealth of Virginia Purchasing Manual for Institutions of Higher Education and their Vendors in their form as of the effective date and as amended or changed in the future, and with the University procedures specific to the acquisition of goods and services. The rules and the University implementing policies and procedures shall implement a system of

competitive negotiation, and competitive sealed bidding when appropriate, for goods, services, including professional services, as defined in the rules, insurance, and construction.

VIII. REQUIREMENTS FOR RULES AND IMPLEMENTING POLICIES AND PROCEDURES.

A. Protests, Appeals, and Debarment.

The rules and the University implementing policies and procedures for procurements other than capital outlay shall include a process or processes for an administrative appeal by vendors, firms, or contractors. Protests and appeals may challenge determinations of vendor, firm, or contractor non-responsibility or ineligibility, or the award of contracts, provided that such protests and appeals are filed within the timeframes specified by the rules. Remedies available shall be limited to reversal of the action challenged or, where a contract already being performed is declared void, compensation for the cost of performance up to the time of such declaration. The rules and the University implementing policies and procedures also may establish the basis and process for debarment of any vendor, firm, or contractor.

B. Prompt Payment of Contractors and Subcontractors.

The rules and the University implementing policies and procedures shall include provisions related to prompt payment of outstanding invoices, which shall include payment of interest on properly-presented invoices outstanding more than seven days beyond the payment date, at a rate no higher than the lowest prime rate charged by any commercial bank as published in the Wall Street Journal. The payment date shall be the later of 30 days from the date of the receipt of goods or invoice, or the date established by the contract. All contracts also shall require prompt payment of subcontractors by the general contractor, upon receipt of payment by the University.

C. Types of Procurements.

The rules and the University implementing policies and procedures shall implement a system of competitive negotiation for professional services, as defined in the rules, and shall implement purchasing procedures developed to maximize competition given the size and duration of the contract and the needs of the University. Such policies and procedures may include special provisions for procurements, such as emergency procurements, sole source procurements, brand name procurements, small purchases, procurements in which only one qualified vendor responds, and others.

D. Approval and Public Notice of Procurements.

The rules and the University implementing policies and procedures shall provide for approval of solicitation documents by an authorized individual and for reasonable public notice of procurements, given the size and nature of the need and the applicability of any exemption in the Virginia Freedom of Information Act, Chapter 37 (§ 2.2-3700 et seq.) of Title 2.2 of the Code of Virginia.

E. Administration of Contracts.

The rules and the University implementing policies and procedures shall contain provisions related to the administration of contracts, including contract claims, modifications, extensions, and assignments.

F. Nondiscrimination.

The rules and the University implementing policies and procedures shall provide for a nondiscriminatory procurement process that prohibits discrimination because of the race, religion, color, sex, or national origin of the bidder or offeror in the solicitation and award of contracts and shall include appropriate provisions to effectuate fair and reasonable consideration of women-owned, minority-owned, and small businesses and to promote and encourage a diversity of suppliers.

ATTACHMENT 1

Rules Governing Procurement of Goods, Services, Insurance, and Construction by a Public Institution of Higher Education of the Commonwealth of Virginia Governed by Article 4 of the

Restructured Higher Education Financial and Administrative Operations Act, Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia.

In accordance with the provisions of the Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia, and in particular § 23.1-1017 of the Act, the governing body of a public institution of higher education of the Commonwealth of Virginia that has entered into a management agreement with the Commonwealth pursuant to Article 4 of the Act has adopted the following rules to govern the procurement of goods, services, insurance, and construction by the Institution:

§ 1. Purpose. -

The purpose of these rules is to enunciate the public policies pertaining to procurement of goods, services, insurance, and construction by the Institution from nongovernmental sources, to include governmental procurement that may or may not result in monetary consideration for either party. These rules shall apply whether the consideration is monetary or nonmonetary and regardless of whether the Institution, the contractor, or some third party is providing the consideration.

§ 2. Scope of procurement authority. -

Subject to these rules, and the Institution's continued substantial compliance with the terms and conditions of its management agreement with the Commonwealth pursuant to the requirements—particularly Article 4—of the Act, the Institution shall have and shall be authorized to have and exercise all of the authority relating to procurement of goods, services, insurance, and construction, including but not limited to capital outlay-related procurement and information technology-related procurement, that Institutions are authorized to exercise pursuant to Article 4 of the Act.

§ 3. Competition is the priority. -

To the end that the Institution shall obtain high quality goods and services at reasonable cost, that all procurement procedures be conducted in an open, fair, and impartial manner with avoidance of any impropriety or appearance of impropriety, that all qualified vendors have access to the Institution's business, and that no offeror be arbitrarily or capriciously excluded, it is the intent of the governing body of the Institution that competition be sought to the maximum feasible degree, that procurement procedures involve openness and administrative efficiency, that individual public bodies enjoy broad flexibility in fashioning details of such competition, that the rules governing contract awards be made clear in advance of the competition, that specifications reflect the procurement needs of the purchasing body rather than being drawn to favor a particular vendor, and that the purchaser and vendor freely exchange information concerning what is sought to be procured and what is offered. The Institution may consider best value concepts when procuring goods and nonprofessional services but not construction or professional services. Professional services will be procured using a qualification-based selection process. The criteria, factors, and basis for consideration of best value and the process for the consideration of best value shall be as stated in the procurement solicitation.

§ 4. Definitions. -

As used in these rules:

"Act" means the Restructured Higher Education Financial and Administrative Operations Act, Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia.

"Affiliate" means an individual or business that controls, is controlled by, or is under common control with another individual or business. A person controls an entity if the person owns, directly or indirectly, more than 10 percent of the voting securities of the entity. For the purposes of this definition, "voting security" means a security that (i) confers upon the holder the right to vote for the election of members of the board of directors or similar governing body of the business or (ii) is convertible into, or entitles the holder to receive, upon its exercise, a security that confers such a right to vote. A general partnership interest shall be deemed to be a voting security.

"Best value" means the overall combination of quality, price, and various elements of required services that in total are optimal relative to the Institution's needs, as predetermined in the solicitation.

"Business" means any type of corporation, partnership, limited liability company, association, or sole proprietorship operated for profit.

"Competitive negotiation" means a method of contractor selection that includes the following elements:

1. Issuance of a written request for proposal indicating in general terms that which is sought to be procured, specifying the factors that will be used in evaluating the proposal and containing or incorporating by reference the other applicable contractual terms and conditions, including any unique capabilities or qualifications that will be required of the contractor.

2. Public notice of the request for proposal at least 10 days prior to the date set for receipt of proposals by publication in a newspaper or newspapers of general circulation in the area in which the contract is to be performed so as to provide reasonable notice to the maximum number of offerors that can be reasonably anticipated to submit proposals in response to the particular request. Public notice also shall be published on the Department of General Services' central electronic procurement website and may be published on other appropriate websites. In addition, proposals may be solicited directly from potential contractors.

3. a. Procurement of professional services. The procurement of professional services for capital projects shall be conducted using a qualification-based selection process. The Institution shall engage in individual discussions with two or more offerors deemed fully qualified, responsible, and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. The offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. The request for proposal shall not, however, request that offerors furnish estimates of man-hours or cost for services. At the discussion stage, the Institution may discuss nonbinding estimates of total project costs, including, but not limited to, life-cycle costing, and where appropriate, nonbinding estimates of price for services. Proprietary information from competing offerors shall not be disclosed to the public or to competitors. At the conclusion of discussion, outlined in this subdivision, on the basis of evaluation factors published in the request for proposal and all information developed in the selection process to this point, the Institution shall select in the order of preference two or more offerors whose professional qualifications and proposed services are deemed most meritorious. Negotiations shall then be conducted, beginning with the offeror ranked first. If a contract satisfactory and advantageous to the Institution can be negotiated at a price considered fair and reasonable, the award shall be made to that offeror. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price. Should the Institution determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror.

A contract for architectural or professional engineering services relating to construction projects may be negotiated by the Institution for multiple projects, provided (i) the projects require similar experience and expertise and (ii) the nature of the projects is clearly identified in the request for proposal. Under such contract, (a) the fair and reasonable prices, as negotiated, shall be used in determining the cost of each project performed, (b) the sum of all projects performed in one contract term shall be as set in the request for proposal, and (c) the project fee of any single project shall not exceed the term limit as set in the request for proposal. Any unused amounts from any contract term may be carried forward.

Competitive negotiations for such contracts may result in awards to more than one offeror provided the request for proposal stated the potential for a multivendor award.

Multiphase professional services contracts satisfactory and advantageous to the Institution for environmental, location, design, and inspection work regarding construction of infrastructure projects may be negotiated and awarded based on qualifications at a fair and reasonable price for the first phase only, when completion of the earlier phases is necessary to provide information critical to the negotiation of a fair and reasonable price for succeeding phases. Prior to the procurement of any such contract, the Institution shall state the anticipated intended total scope of the project and determine in writing that the nature of the work is such that the best interests of such Institution require awarding the contract.

b. Procurement of other than professional services. Selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the request for proposal, including price if so stated in the request for proposal. Negotiations shall then be conducted with each of the offerors so selected. Price shall be considered, but need not be the sole determining factor. After negotiations have been conducted with each offeror so selected, the Institution shall select the offeror that, in its opinion, has made the best proposal, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so provided in the request for proposal, awards may be made to more than one offeror. Should the Institution determine in writing and in its sole discretion that only one offeror has made the best proposal, a contract may be negotiated and awarded to that offeror.

"Competitive sealed bidding" is a method of contractor selection, other than for professional services, that includes the following elements:

1. Issuance of a written invitation to bid containing or incorporating by reference the specifications and contractual terms and conditions applicable to the procurement. Unless the Institution has provided for prequalification of bidders, the invitation to bid shall include a statement of any requisite qualifications of potential contractors. When it is impractical to prepare initially a purchase description to support an award based on prices, an invitation to bid may be issued requesting the submission of unpriced offers to be followed by an invitation to bid limited to those bidders whose offers have been qualified under the criteria set forth in the first solicitation.

2. Public notice of the invitation to bid at least 10 days prior to the date set for receipt of bids by publication on the Department of General Services' central electronic procurement website. Public notice also may be published in a newspaper of general circulation or on other appropriate websites, or both. In addition, bids may be solicited directly from potential contractors. Any additional solicitations shall include businesses selected from a list made available by the Department of Minority Business Enterprise.

3. Public opening and announcement of all bids received.

4. Evaluation of bids based upon the requirements set forth in the invitation, that may include special qualifications of potential contractors, life-cycle costing, value analysis, and any other criteria such as inspection, testing, quality, workmanship, delivery, and suitability for a particular purpose, that are helpful in determining acceptability.

5. Award to the lowest responsive and responsible bidder. When the terms and conditions of multiple awards are so provided in the invitation to bid, awards may be made to more than one bidder.

"Construction" means building, altering, repairing, improving, or demolishing any structure, building, or highway, and any draining, dredging, excavation, grading, or similar work upon real property.

"Construction management contract" means a contract in which a party is retained by the owner to coordinate and administer contracts for construction services for the benefit of the owner, and may also include, if provided in the contract, the furnishing of construction services to the owner.

"Covered institution" or "Institution" means, on and after the effective date of the initial management agreement with the Commonwealth of Virginia, a public institution of higher education of the Commonwealth that has entered into a management agreement with the Commonwealth to be governed by the provisions of Article 4 of the Act.

"Goods" means all material, equipment, supplies, and printing, including information technology and telecommunications goods such as automated data processing hardware and software.

"Informality" means a minor defect or variation of a bid or proposal from the exact requirements of the invitation to bid, or the request for proposal, that does not affect the price, quality, quantity, or delivery schedule for the goods, services, or construction being procured.

"Multiphase professional services contract" means a contract for the providing of professional services where the total scope of work of the second or subsequent phase of the contract cannot be specified without the results of the first or prior phase of the contract.

"Nonprofessional services" means any services not specifically identified as professional services in the definition of professional services and includes small construction projects valued not over \$1 million, provided that subdivision 3 a of the definition of "competitive negotiation" in this section shall still apply to professional services for such small construction projects.

"Potential bidder or offeror" for the purposes of §§ 50 and 54 of these rules, means a person who, at the time the Institution negotiates and awards or proposes to award a contract, is engaged in the sale or lease of goods, or the sale of services, insurance, or construction, of the type to be procured under the contract, and who at such time is eligible and

qualified in all respects to perform that contract, and who would have been eligible and qualified to submit a bid or proposal had the contract been procured through competitive sealed bidding or competitive negotiation.

"Professional services" means work performed by an independent contractor within the scope of the practice of accounting, actuarial services, architecture, land surveying, landscape architecture, law, dentistry, medicine, optometry, pharmacy, or professional engineering.

"Public body" means any legislative, executive, or judicial body, agency, office, department, authority, post, commission, committee, institution, board, or political subdivision created by law to exercise some sovereign power or to perform some governmental duty, and empowered by law to undertake the activities described in these rules.

"Public contract" means an agreement between the Institution and a nongovernmental source that is enforceable in a court of law.

"Responsible bidder" or "offeror" means a person who has the capability, in all respects, to perform fully the contract requirements and the moral and business integrity and reliability that will assure good faith performance, and who has been prequalified, if required.

"Responsive bidder" means a person who has submitted a bid that conforms in all material respects to the invitation to bid.

"Rules" means these Rules Governing Procurement of Goods, Services, Insurance, and Construction adopted by the governing body of the covered institution.

"Reverse auctioning" means a procurement method wherein bidders are invited to bid on specified goods or nonprofessional services through real-time electronic bidding, with the award being made to the lowest responsive and responsible bidder. During the bidding process, bidders' prices are revealed and bidders shall have the opportunity to modify their bid prices for the duration of the time period established for bid opening.

"Services" means any work performed by an independent contractor wherein the service rendered does not consist primarily of acquisition of equipment or materials, or the rental of equipment, materials, and supplies.

"Sheltered workshop" means a work-oriented rehabilitative facility with a controlled working environment and individual goals that utilizes work experience and related services for assisting the handicapped person to progress toward normal living and a productive vocational status.

§ 5. Methods of procurement. -

A. All public contracts with nongovernmental contractors for the purchase or lease of goods, or for the purchase of services, insurance, or construction, shall be awarded after competitive sealed bidding, or competitive negotiation as provided in this section, unless otherwise authorized by law.

B. Professional services shall be procured by competitive negotiation. Qualification-based selection shall be used for design services.

C. Goods, services, or insurance may be procured by competitive negotiation.

D. Construction may be procured only by competitive sealed bidding, except that competitive negotiation may be used in the following instances upon a determination made in advance by the Institution and set forth in writing that competitive sealed bidding is either not practicable or not fiscally advantageous to the public, which writing shall document the basis for this determination:

1. By the Institution on a fixed price design-build basis or construction management basis under § 7;

2. By the Institution for the construction, alteration, repair, renovation, or demolition of buildings; or

3. By the Institution for the construction of highways and any draining, dredging, excavation, grading, or similar work upon real property.

E. Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. The writing shall document the basis for this determination. The Institution shall issue a written notice stating that only one source was determined to be practicably available, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first. Public notice shall also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and may be published on other appropriate websites.

F. In case of emergency, a contract may be awarded without competitive sealed bidding or competitive negotiation; however, such procurement shall be made with such competition as is practicable under the circumstances. A written determination of the basis for the emergency and for the selection of the particular contractor shall be included in the contract file. The Institution shall issue a written notice stating that the contract is being awarded on an emergency basis, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted in a designated public area, which may be the Department of General Services' website for the Commonwealth's central electronic procurement system, or published in a newspaper of general circulation on the day the Institution awards or announces its decision to award the contract, whichever occurs first, or as soon thereafter as is practicable. Public notice may also be published on the Department of General Services' website for the Commonwealth's central electronic procurement system and other appropriate websites.

G. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for goods and services other than professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however, such small purchase procedures shall provide for competition wherever practicable.

H. The Institution may establish purchase procedures, if adopted in writing, not requiring competitive negotiation for single or term contracts for professional services if the aggregate or the sum of all phases is not expected to exceed \$50,000; however, such small purchase procedures shall provide for competition wherever practicable.

I. Upon a determination made in advance by the Institution and set forth in writing that the purchase of goods, products, or commodities from a public auction sale is in the best interests of the public, such items may be purchased at the auction, including online public auctions. The writing shall document the basis for this determination.

J. The purchase of goods or nonprofessional services, but not construction or professional services, may be made by reverse auctioning.

§ 6. Cooperative procurement. -

A. In circumstances where the Institution determines and documents that statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to the Institution that meet its business goals and objectives, the Institution is authorized to participate in, sponsor, conduct, or administer a cooperative procurement arrangement on behalf of or in conjunction with public bodies, public or private health or educational institutions, other public or private organizations or entities, including public-private partnerships, charitable organizations, health care provider alliances, or purchasing organizations or entities, or with public agencies or institutions or group purchasing organizations of the several states, territories of the United States, or the District of Columbia, for the purpose of combining requirements to effect cost savings or reduce administrative expense in any acquisition of goods and services, other than professional services. The Institution may purchase from any authority, department, agency, institution, city, county, town, or other political subdivision of the Commonwealth's contract even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was being conducted on behalf of other public bodies. In such instances, deviation from the procurement procedures set forth in these rules and the administrative policies and procedures established to implement these rules shall be permitted. Notwithstanding all of the provisions of this section above, use of cooperative contracts shall conform to the business requirements of the Commonwealth's electronic procurement system, including the requirement for payment of applicable fees. Nothing herein shall prohibit the payment by direct or indirect means of any administrative fee that will allow for participation in any such arrangement.

B. In circumstances where statewide contracts for goods and services, including information technology and telecommunications goods and services, do not provide goods and services to meet the Institution's business goals and objectives, and as authorized by the United States Congress and consistent with applicable federal regulations, and provided the terms of the contract permit such purchases:

1. The Institution may purchase goods and nonprofessional services from a U.S. General Services Administration contract or a contract awarded by any other agency of the United States government; and

2. The Institution may purchase telecommunications and information technology goods and nonprofessional services from a United States General Services Administration contract or a contract awarded by any other agency of the United States government.

§ 7. Design-build or construction management contracts authorized. -

A. Notwithstanding any other provisions of law, the Institution may enter into contracts on a fixed price design-build basis or construction management basis in accordance with the provisions of this section.

B. Procurement of construction by the design-build or construction management method shall be a two-step competitive negotiation process. In the first step, offerors shall be requested to submit their qualifications. Based upon the information submitted and any other relevant information that the Commonwealth may obtain, no more than five offerors deemed most suitable for the project shall be selected by the Commonwealth and requested to submit proposals.

§ 8. Modification of the contract. -

A. A contract awarded by the Institution may include provisions for modification of the contract during performance, but no fixed-price contract may be increased by more than 25 percent of the amount of the contract or \$50,000, whichever is greater, without the advance written approval of the President of the Institution or his designee. In no event may the amount of any contract, without adequate consideration, be increased for any purpose, including, but not limited to, relief of an offeror from the consequences of an error in its bid or offer.

B. The Institution may extend the term of an existing contract for services to allow completion of any work undertaken but not completed during the original term of the contract.

C. Nothing in this section shall prevent the Institution from placing greater restrictions on contract modifications.

§ 9. Discrimination prohibited; participation of small, women-owned, and minority-owned business. -

A. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because of race, religion, color, sex, national origin, age, disability, or any other basis prohibited by state law relating to discrimination in employment. Whenever solicitations are made, the Institution shall include businesses selected from a list made available by the Department of Minority Business Enterprise.

B. The Institution shall establish programs consistent with this section to facilitate the participation of small businesses and businesses owned by women and minorities in procurement transactions. The programs established shall be in writing and shall include cooperation with the Department of Minority Business Enterprise, the U.S. Small Business Administration, and other public or private agencies. The Institution shall submit annual progress reports on minority business procurement to the Department of Minority Business Enterprise.

C. Whenever there exists (i) a rational basis for small business enhancement or (ii) a persuasive analysis that documents a statistically significant disparity between the availability and utilization of women-owned and minority-owned businesses, the Governor is by law authorized and encouraged to require the Institution to implement appropriate enhancement or remedial measures consistent with prevailing law.

D. In the solicitation or awarding of contracts, the Institution shall not discriminate against a bidder or offeror because the bidder or offeror employs ex-offenders unless it has made a written determination that employing ex-offenders on the specific contract is not in its best interest.

§ 10. Employment discrimination by contractor prohibited; required contract provisions. -

The Institution shall include in every contract of more than \$10,000 the following provisions:

1. During the performance of this contract, the contractor agrees as follows:

a. The contractor will not discriminate against any employee or applicant for employment because of race, religion, color, sex, national origin, age, disability, or other basis prohibited by state law relating to discrimination in employment, except where there is a bona fide occupational qualification reasonably necessary to the normal operation of the contractor. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.

b. The contractor, in all solicitations or advertisements for employees placed by or on behalf of the contractor, will state that such contractor is an equal opportunity employer.

c. Notices, advertisements, and solicitations placed in accordance with federal law, rule, or regulation shall be deemed sufficient for the purpose of meeting the requirements of this section.

2. The contractor will include the provisions of subdivisions 1 a, b, and c in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

§ 11. Drug-free workplace to be maintained by contractor; required contract provisions.

The Institution shall include in every contract over \$10,000 the following provisions:

During the performance of this contract, the contractor agrees to (i) provide a drug-free workplace for the contractor's employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of a controlled substance or marijuana is prohibited in the contractor's workplace and specifying the actions that will be taken against employees for violations of such prohibition; (iii) state in all solicitations or advertisements for employees placed by or on behalf of the contractor that the contractor maintains a drug-free workplace; and (iv) include the provisions of the foregoing clauses in every subcontract or purchase order of over \$10,000, so that the provisions will be binding upon each subcontractor or vendor.

For the purposes of this section, "drug-free workplace" means a site for the performance of work done in connection with a specific contract awarded to a contractor in accordance with these rules, the employees of whom are prohibited from engaging in the unlawful manufacture, sale, distribution, dispensation, possession, or use of any controlled substance or marijuana during the performance of the contract.

§ 12. Use of brand names. -

Unless otherwise provided in the invitation to bid, the name of a certain brand, make, or manufacturer shall not restrict bidders to the specific brand, make, or manufacturer named and shall be deemed to convey the general style, type, character, and quality of the article desired. Any article that the Institution in its sole discretion determines to be the equal of that specified, considering quality, workmanship, economy of operation, and suitability for the purpose intended, shall be accepted.

§ 13. Comments concerning specifications. -

The Institution shall establish procedures whereby comments concerning specifications or other provisions in invitations to bid or requests for proposal can be received and considered prior to the time set for receipt of bids or proposals or award of the contract.

§ 14. Prequalification generally; prequalification for construction. -

A. Prospective contractors may be prequalified for particular types of supplies, services, insurance, or construction and consideration of bids or proposals limited to prequalified contractors. Any prequalification procedure shall be established in writing and sufficiently in advance of its implementation to allow potential contractors a fair opportunity to complete the process.

B. Any prequalification of prospective contractors for construction by the Institution shall be pursuant to a prequalification process for construction projects adopted by the Institution. The process shall be consistent with the provisions of this section.

The application form used in such process shall set forth the criteria upon which the qualifications of prospective contractors will be evaluated. The application form shall request of prospective contractors only such information as is appropriate for an objective evaluation of all prospective contractors pursuant to such criteria. The form shall allow the

prospective contractor seeking prequalification to request, by checking the appropriate box, that all information voluntarily submitted by the contractor pursuant to this subsection shall be considered a trade secret or proprietary information subject to the provisions of subsection D of § 34 of these rules.

In all instances in which the Institution requires prequalification of potential contractors for construction projects, advance notice shall be given of the deadline for the submission of prequalification applications. The deadline for submission shall be sufficiently in advance of the date set for the submission of bids for such construction so as to allow the procedures set forth in this subsection to be accomplished.

At least 30 days prior to the date established for submission of bids or proposals under the procurement of the contract for which the prequalification applies, the Institution shall advise in writing each contractor who submitted an application whether that contractor has been prequalified. In the event that a contractor is denied prequalification, the written notification to the contractor shall state the reasons for the denial of prequalification and the factual basis of such reasons.

A decision by the Institution denying prequalification under the provisions of this subsection shall be final and conclusive unless the contractor appeals the decision as provided in § 54 of these rules.

C. The Institution may deny prequalification to any contractor only if the Institution finds one of the following:

1. The contractor does not have sufficient financial ability to perform the contract that would result from such procurement. If a bond is required to ensure performance of a contract, evidence that the contractor can acquire a surety bond from a corporation included on the United States Treasury list of acceptable surety corporations in the amount and type required by the Institution shall be sufficient to establish the financial ability of the contractor to perform the contract resulting from such procurement;

2. The contractor does not have appropriate experience to perform the construction project in question;

3. The contractor or any officer, director, or owner thereof has had judgments entered against him within the past 10 years for the breach of contracts for governmental or nongovernmental construction, including, but not limited to, design-build or construction management;

4. The contractor has been in substantial noncompliance with the terms and conditions of prior construction contracts with the Institution without good cause. If the Institution has not contracted with a contractor in any prior construction contracts, the Institution may deny prequalification if the contractor has been in substantial noncompliance with the terms and conditions of comparable construction contracts with another public body without good cause. The Institution may not utilize this provision to deny prequalification unless the facts underlying such substantial noncompliance were documented in writing in the prior construction project file and such information relating thereto given to the contractor at that time, with the opportunity to respond;

5. The contractor or any officer, director, owner, project manager, procurement manager, or chief financial official thereof has been convicted within the past 10 years of a crime related to governmental or nongovernmental construction or contracting, including, but not limited to, a violation of (i) Article 6 (§ 2.2-4367 et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia, (ii) the Virginia Governmental Frauds Act, Article 1.1 (§ 18.2-498.1 et seq.) of Chapter 12 of Title 18.2 of the Code of Virginia, (iii) Chapter 4.2 (§ 59.1-68.6 et seq.) of Title 59.1 of the Code of Virginia, or (iv) any substantially similar law of the United States or another state;

6. The contractor or any officer, director, or owner thereof is currently debarred pursuant to an established debarment procedure from bidding or contracting by any public body, agency of another state, or agency of the federal government; and

7. The contractor failed to provide to the Institution in a timely manner any information requested by the Institution relevant to subdivisions 1 through 6 of this subsection.

§ 15. Negotiation with lowest responsible bidder. -

Unless canceled or rejected, a responsive bid from the lowest responsible bidder shall be accepted as submitted, except that if the bid from the lowest responsible bidder exceeds available funds, the Institution may negotiate with the apparent low bidder to obtain a contract price within available funds. However, the negotiation may be undertaken only under conditions and procedures described in writing and approved by the Institution prior to issuance of the invitation to bid and summarized therein.

§ 16. Cancellation, rejection of bids; waiver of informalities. -

A. An invitation to bid, a request for proposal, any other solicitation, or any and all bids or proposals, may be canceled or rejected. The reasons for cancellation or rejection shall be made part of the contract file. The Institution shall not cancel or reject an invitation to bid, a request for proposal, or any other solicitation, bid, or proposal pursuant to this section solely to avoid awarding a contract to a particular responsive and responsible bidder or offeror.

B. The Institution may waive informalities in bids.

§ 17. Exclusion of insurance bids prohibited. -

Notwithstanding any other provision of law, no insurer licensed to transact the business of insurance in the Commonwealth or approved to issue surplus lines insurance in the Commonwealth shall be excluded from presenting an insurance bid proposal to the Institution in response to a request for proposal or an invitation to bid. Nothing in this section shall preclude the Institution from debarring a prospective insurer pursuant to § 18 of these rules.

§ 18. Debarment. -

Prospective contractors may be debarred from contracting for particular types of supplies, services, insurance, or construction, for specified periods of time. Any debarment procedure shall be established in writing by the Institution. Any

debarment procedure may provide for debarment on the basis of a contractor's unsatisfactory performance for the Institution.

§ 19. Purchase programs for recycled goods; Institution responsibilities. -

A. The Institution may implement a purchase program for recycled goods and may coordinate its efforts so as to achieve the goals and objectives set forth in §§ 10.1-1425.6, 10.1-1425.7, and 10.1-1425.8 of the Code of Virginia and §§ 20 and 22 of these rules.

B. The Department of Environmental Quality, with advice from the Virginia Recycling Markets Development Council, shall advise the Institution concerning the designation of recycled goods.

§ 20. Preference for Virginia products with recycled content and for Virginia firms. -

A. In the case of a tie bid, preference shall be given to goods produced in Virginia or goods, services, or construction provided by Virginia persons, firms, or corporations; otherwise the tie shall be decided by lot.

B. Whenever any bidder is a resident of any other state and such state under its laws allows a resident contractor of that state a preference, a like preference may be allowed by the Institution to the lowest responsive and responsible bidder who is a resident of Virginia.

C. Notwithstanding the provisions of subsections A and B, in the case of a tie bid in instances where goods are being offered, and existing price preferences have already been taken into account, preference shall be given to the bidder whose goods contain the greatest amount of recycled content.

§ 21. Preference for Virginia coal used in the Institution. -

In determining the award of any contract for coal to be purchased for use in the Institution with state funds, the Institution shall procure using competitive sealed bidding and shall award to the lowest responsive and responsible bidder offering coal mined in Virginia so long as its bid price is not more than four percent greater than the bid price of the low responsive and responsible bidder offering coal mined elsewhere.

§ 22. Preference for recycled paper and paper products used by the Institution. -

A. In determining the award of any contract for paper and paper products to be purchased for use by the Institution, it shall competitively procure recycled paper and paper products of a quality suitable for the purpose intended, so long as the price is not more than 10 percent greater than the price of the low responsive and responsible bidder or offeror offering a product that does not qualify under subsection B.

B. For purposes of this section, recycled paper and paper products means any paper or paper products meeting the U.S. Environmental Protection Agency-recommended content standards as defined in 40 C.F.R. Part 247.

§ 23. Withdrawal of bid due to error. -

A. A bidder for a public construction contract, other than a contract for construction or maintenance of public highways, may withdraw his bid from consideration if the price bid was substantially lower than the other bids due solely to a mistake in the bid, provided the bid was submitted in good faith, and the mistake was a clerical mistake as opposed to a judgment mistake, and was actually due to an unintentional arithmetic error or an unintentional omission of a quantity of work, labor, or material made directly in the compilation of a bid, which unintentional arithmetic error or unintentional omission can be clearly shown by objective evidence drawn from inspection of original work papers, documents, and materials used in the preparation of the bid sought to be withdrawn.

If a bid contains both clerical and judgment mistakes, a bidder may withdraw his bid from consideration if the price bid would have been substantially lower than the other bids due solely to the clerical mistake, which was an unintentional arithmetic error or an unintentional omission of a quantity of work, labor, or material made directly in the compilation of a bid that shall be clearly shown by objective evidence drawn from inspection of original work papers, documents, and materials used in the preparation of the bid sought to be withdrawn.

One of the following procedures for withdrawal of a bid shall be selected by the Institution and stated in the advertisement for bids: (i) the bidder shall give notice in writing of his claim of right to withdraw his bid within two business days after the conclusion of the bid opening procedure and shall submit original work papers with such notice or (ii) the bidder shall submit to the Institution or designated official his original work papers, documents, and materials used in the preparation of the bid within one day after the date fixed for submission of bids. The work papers shall be delivered by the bidder in person or by registered mail at or prior to the time fixed for the opening of bids. In either instance, the work papers, documents, and materials may be considered as trade secrets or proprietary information subject to the conditions of subsection F of § 34 of these rules. The bids shall be opened one day following the time fixed by the Institution for the submission of bids. Thereafter, the bidder shall have two hours after the opening of bids within which to claim in writing any mistake as defined herein and withdraw his bid. The contract shall not be awarded by the Institution until the two-hour period has elapsed. The mistake shall be proved only from the original work papers, documents, and materials delivered as required herein.

B. The Institution may establish procedures for the withdrawal of bids for other than construction contracts.

C. No bid shall be withdrawn under this section when the result would be the awarding of the contract on another bid of the same bidder or of another bidder in which the ownership of the withdrawing bidder is more than five percent.

D. If a bid is withdrawn in accordance with this section, the lowest remaining bid shall be deemed to be the low bid.

E. No bidder who is permitted to withdraw a bid shall, for compensation, supply any material or labor to or perform any subcontract or other work agreement for the person or firm to whom the contract is awarded or otherwise benefit, directly or indirectly, from the performance of the project for which the withdrawn bid was submitted.

F. If the Institution denies the withdrawal of a bid under the provisions of this section, it shall notify the bidder in writing stating the reasons for its decision and award the contract to such bidder at the bid price, provided such bidder is a responsible and responsive bidder.

§ 24. Contract Pricing Arrangements. -

A. Public contracts may be awarded on a fixed price or cost reimbursement basis, or on any other basis that is not prohibited by these rules.

B. Except in case of emergency affecting the public health, safety, or welfare, no public contract shall be awarded on the basis of cost plus a percentage of cost.

C. A policy or contract of insurance or prepaid coverage having a premium computed on the basis of claims paid or incurred, plus the insurance carrier's administrative costs and retention stated in whole or part as a percentage of such claims, shall not be prohibited by this section.

§ 25. Workers' compensation requirements for construction contractors and subcontractors. -

A. No contractor shall perform any work on a construction project of the Institution unless he (i) has obtained, and continues to maintain for the duration of the work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ 65.2-800 et seq.) of Title 65.2 of the Code of Virginia and (ii) provides prior to the award of contract, on a form furnished by the Institution, evidence of such coverage.

B. The Department of General Services shall provide the workers' compensation coverage form to the Institution. Failure of the Institution to provide the form prior to the award of contract shall waive the requirements of clause (ii) of subsection A.

C. No subcontractor shall perform any work on a construction project of the Institution unless he has obtained, and continues to maintain for the duration of such work, workers' compensation coverage required pursuant to the provisions of Chapter 8 (§ 65.2-800 et seq.) of Title 65.2 of the Code of Virginia.

§ 26. Retainage on construction contracts. -

A. In any contract issued by the Institution for construction that provides for progress payments in installments based upon an estimated percentage of completion, the contractor shall be paid at least 95 percent of the earned sum when payment is due, with no more than five percent being retained to ensure faithful performance of the contract. All amounts withheld may be included in the final payment.

B. Any subcontract for a public project that provides for similar progress payments shall be subject to the provisions of this section.

§ 27. Public construction contract provisions barring damages for unreasonable delays declared void. -

A. Any provision contained in any public construction contract of the Institution that purports to waive, release, or extinguish the rights of a contractor to recover costs or damages for unreasonable delay in performing such contract, either on his behalf or on behalf of his subcontractor if and to the extent the delay is caused by acts or omissions of the Institution, its agents, or employees and due to causes within their control, shall be void and unenforceable as against public policy.

B. Subsection A shall not be construed to render void any provision of a public construction contract awarded by the Institution that:

1. Allows the recovery of that portion of delay costs caused by the acts or omissions of the contractor or its subcontractors, agents, or employees;

2. Requires notice of any delay by the party claiming the delay;

3. Provides for liquidated damages for delay; or

4. Provides for arbitration or any other procedure designed to settle contract disputes.

C. A contractor making a claim against the Institution for costs or damages due to the alleged delaying of the contractor in the performance of its work under any public construction contract of the Institution shall be liable to the Institution and shall pay it for a percentage of all costs incurred by the Institution in investigating, analyzing, negotiating, litigating, and arbitrating the claim, which percentage shall be equal to the percentage of the contractor's total delay claim that is determined through litigation or arbitration to be false or to have no basis in law or in fact.

D. If the Institution denies a contractor's claim for costs or damages due to the alleged delaying of the contractor in the performance of work under any public construction contract for the Institution, it shall be liable to and shall pay such contractor a percentage of all costs incurred by the contractor to investigate, analyze, negotiate, litigate and arbitrate the claim. The percentage paid by the Institution shall be equal to the percentage of the contractor's total delay claim for which the Institution's denial is determined through litigation or arbitration to have been made in bad faith.

§ 28. Bid bonds. -

A. Except in cases of emergency, all bids or proposals for construction contracts in excess of \$1 million shall be accompanied by a bid bond from a surety company selected by the bidder that is authorized to do business in Virginia, as a guarantee that if the contract is awarded to the bidder, he will enter into the contract for the work mentioned in the bid. The amount of the bid bond shall not exceed five percent of the amount bid.

B. No forfeiture under a bid bond shall exceed the lesser of (i) the difference between the bid for which the bond was written and the next low bid or (ii) the face amount of the bid bond.

C. Nothing in this section shall preclude the Institution from requiring bid bonds to accompany bids or proposals for construction contracts anticipated to be less than \$1 million.

§ 29. *Performance and payment bonds. -*

A. Upon the award by the Institution of any (i) public construction contract exceeding \$1 million awarded to any prime contractor or (ii) public construction contract exceeding \$1 million awarded to any prime contractor requiring the performance of labor or the furnishing of materials for buildings, structures, or other improvements to real property owned by the Institution, the contractor shall furnish to the Institution the following bonds:

1. Except for transportation-related projects, a performance bond in the sum of the contract amount conditioned upon the faithful performance of the contract in strict conformity with the plans, specifications, and conditions of the contract. For transportation-related projects, such bond shall be in a form and amount satisfactory to the Institution.

2. A payment bond in the sum of the contract amount. The bond shall be for the protection of claimants who have and fulfill contracts to supply labor or materials to the prime contractor to whom the contract was awarded, or to any subcontractors, in furtherance of the work provided for in the contract, and shall be conditioned upon the prompt payment for all materials furnished or labor supplied or performed in the furtherance of the work.

For the purposes of this subsection, "labor or materials" include public utility services and reasonable rentals of equipment, but only for periods when the equipment rented is actually used at the site.

B. Each of the bonds shall be executed by one or more surety companies selected by the contractor that are authorized to do business in Virginia.

C. The bonds shall be payable to the Commonwealth of Virginia, naming also the Institution.

D. Each of the bonds shall be filed with the Institution or a designated office or official thereof.

E. Nothing in this section shall preclude the Institution from requiring payment or performance bonds for construction contracts below \$1 million.

F. Nothing in this section shall preclude the contractor from requiring each subcontractor to furnish a payment bond with surety thereon in the sum of the full amount of the contract with such subcontractor conditioned upon the payment to all persons who have and fulfill contracts that are directly with the subcontractor for performing labor and furnishing materials in the prosecution of the work provided for in the subcontract.

§ 30. *Alternative forms of security. -*

A. In lieu of a bid, payment, or performance bond, a bidder may furnish a certified check or cash escrow in the face amount required for the bond.

B. If approved by the Institution's general counsel or his equivalent, a bidder may furnish to the Institution a personal bond, property bond, or bank or savings institution's letter of credit on certain designated funds in the face amount required for the bid, payment, or performance bond. Approval shall be granted only upon a determination that the alternative form of security proffered affords protection to the Institution equivalent to a corporate surety's bond.

§ 31. *Bonds on other than construction contracts. -*

The Institution may require bid, payment, or performance bonds for contracts for goods or services if provided in the invitation to bid or request for proposal.

§ 32. *Action on performance bond. -*

No action against the surety on a performance bond shall be brought by the Institution unless brought within one year after (i) completion of the contract, including the expiration of all warranties and guarantees or (ii) discovery of the defect or breach of warranty that gave rise to the action.

§ 33. *Actions on payment bonds; waiver of right to sue. -*

A. Subject to the provisions of subsection B, any claimant who has performed labor or furnished material in accordance with the contract documents in furtherance of the work provided in any contract for which a payment bond has been given, and who has not been paid in full before the expiration of 90 days after the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, may bring an action on the payment bond to recover any amount due him for the labor or material. The obligee named in the bond need not be named a party to the action.

B. Any claimant who has a direct contractual relationship with any subcontractor but who has no contractual relationship, express or implied, with the contractor, may bring an action on the contractor's payment bond only if he has given written notice to the contractor within 180 days from the day on which the claimant performed the last of the labor or furnished the last of the materials for which he claims payment, stating with substantial accuracy the amount claimed and the name of the person for whom the work was performed or to whom the material was furnished. Notice to the contractor shall be served by registered or certified mail, postage prepaid, in an envelope addressed to such contractor at any place where his office is regularly maintained for the transaction of business. Claims for sums withheld as retainages with respect to labor performed or materials furnished shall not be subject to the time limitations stated in this subsection.

C. Any action on a payment bond shall be brought within one year after the day on which the person bringing such action last performed labor or last furnished or supplied materials.

D. Any waiver of the right to sue on the payment bond required by this section shall be void unless it is in writing, signed by the person whose right is waived, and executed after such person has performed labor or furnished material in accordance with the contract documents.

§ 34. *Public inspection of certain records. -*

A. Except as provided in this section, all proceedings, records, contracts, and other public records relating to procurement transactions shall be open to the inspection of any citizen, or any interested person, firm, or corporation, in

accordance with the Virginia Freedom of Information Act, Chapter 37 (§ 2.2-3700 et seq.) of Title 2.2 of the Code of Virginia.

B. Cost estimates relating to a proposed procurement transaction prepared by or for the Institution shall not be open to public inspection.

C. Any competitive sealed bidding bidder, upon request, shall be afforded the opportunity to inspect bid records within a reasonable time after the opening of all bids but prior to award, except in the event that the Institution decides not to accept any of the bids and to reopen the contract. Otherwise, bid records shall be open to public inspection only after award of the contract.

D. Any competitive negotiation offeror, upon request, shall be afforded the opportunity to inspect proposal records within a reasonable time after the evaluation and negotiations of proposals are completed but prior to award, except in the event that the Institution decides not to accept any of the proposals and to reopen the contract. Otherwise, proposal records shall be open to public inspection only after award of the contract.

E. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.

F. Trade secrets or proprietary information submitted by a bidder, offeror, or contractor in connection with a procurement transaction or prequalification application submitted pursuant to subsection B of § 14 of these rules shall not be subject to the Virginia Freedom of Information Act, Chapter 37 (§ 2.2-3700 et seq.) of Title 2.2 of the Code of Virginia; however, the bidder, offeror, or contractor shall (i) invoke the protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary.

§ 35. Exemption for certain transactions. -

A. The provisions of these rules shall not apply to:

1. The selection of services related to the management and investment of the Institution's endowment funds, endowment income, or gifts. However, selection of these services shall be governed by the Uniform Prudent Management of Institutional Funds Act, Chapter 11 (§ 64.2-1100 et seq.) of Title 64.2 of the Code of Virginia.

2. The purchase of items for resale at retail bookstores and similar retail outlets operated by the Institution. However, such purchase procedures shall provide for competition where practicable.

3. Procurement of any construction or planning and design services for construction by the Institution when (i) the planning, design, or construction is \$50,000 or less or (ii) the Institution is obligated to conform to procurement procedures that are established by federal statutes or regulations, whether or not those federal procedures are in conformance with the provisions of these rules.

4. The purchase of goods and services by the Institution when such purchases are made under a remedial plan established by the Governor pursuant to subsection C of § 9 of these rules.

B. Where a procurement transaction involves the expenditure of federal assistance or contract funds, the receipt of which is conditioned upon compliance with mandatory requirements in federal laws or regulations not in conformance with the provisions of these rules, the Institution may comply with such federal requirements, notwithstanding the provisions of these rules, only upon the written determination of the President of the Institution or his designee that acceptance of the grant or contract funds under the applicable conditions is in the public interest. Such determination shall state the specific provision of these rules in conflict with the conditions of the grant or contract.

§ 36. Permitted contracts with certain religious organizations; purpose; limitations. -

A. The federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, authorizes public bodies to enter into contracts with faith-based organizations for the purposes described in this section on the same basis as any other nongovernmental source without impairing the religious character of such organization, and without diminishing the religious freedom of the beneficiaries of assistance provided under this section.

B. For the purposes of this section, "faith-based organization" means a religious organization that is or applies to be a contractor to provide goods or services for programs funded by the block grant provided pursuant to the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193.

C. The Institution, in procuring goods or services, or in making disbursements pursuant to this section, shall not (i) discriminate against a faith-based organization on the basis of the organization's religious character or (ii) impose conditions that (a) restrict the religious character of the faith-based organization, except as provided in subsection F, or (b) impair, diminish, or discourage the exercise of religious freedom by the recipients of such goods, services, or disbursements.

D. The Institution shall ensure that all invitations to bid, requests for proposals, contracts, and purchase orders prominently display a nondiscrimination statement indicating that it does not discriminate against faith-based organizations.

E. A faith-based organization contracting with the Institution (i) shall not discriminate against any recipient of goods, services, or disbursements made pursuant to a contract authorized by this section on the basis of the recipient's religion, religious belief, refusal to participate in a religious practice, or on the basis of race, age, color, gender, or national origin and (ii) shall be subject to the same rules as other organizations that contract with public bodies to account for the use of the funds provided; however, if the faith-based organization segregates public funds into separate accounts, only the accounts and programs funded with public funds shall be subject to audit by the Institution. Nothing in clause (ii) shall be construed to supersede or otherwise override any other applicable state law.

F. Consistent with the federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996, P.L. 104-193, funds provided for expenditure pursuant to contracts with public bodies shall not be spent for sectarian worship, instruction, or proselytizing; however, this prohibition shall not apply to expenditures pursuant to contracts, if any, for the services of chaplains.

G. Nothing in this section shall be construed as barring or prohibiting a faith-based organization from any opportunity to make a bid or proposal or contract on the grounds that the faith-based organization has exercised the right, as expressed in 42 U.S.C. § 2000e-1 et seq., to employ persons of a particular religion.

H. If an individual, who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization, objects to the religious character of the faith-based organization from which the individual receives or would receive the goods, services, or disbursements, the Institution shall offer the individual, within a reasonable period of time after the date of his objection, access to equivalent goods, services, or disbursements from an alternative provider.

The Institution shall provide to each individual who applies for or receives goods, services, or disbursements provided pursuant to a contract between the Institution and a faith-based organization a notice in boldface type that states: "Neither the Institution's selection of a charitable or faith-based provider of services nor the expenditure of funds under this contract is an endorsement of the provider's charitable or religious character, practices, or expression. No provider of services may discriminate against you on the basis of religion, a religious belief, or your refusal to actively participate in a religious practice. If you object to a particular provider because of its religious character, you may request assignment to a different provider. If you believe that your rights have been violated, please discuss the complaint with your provider or notify the appropriate person as indicated in this form."

§ 37. Exemptions from competition for certain transactions. -

The Institution may enter into contracts without competition, as that term is described in subsections A through J of § 5 of these rules, for:

1. The purchase of goods or services that are produced or performed by or related to:

a. Persons, or in schools or workshops, under the supervision of the Virginia Department for the Blind and Vision Impaired;

b. Nonprofit sheltered workshops or other nonprofit organizations that offer transitional or supported employment services serving the handicapped;

c. Private educational institutions; or

d. Other public educational institutions.

2. Speakers and performing artists;

3. Memberships and association dues;

4. Sponsored research grant sub-awards and contract sub-awards, not to include the purchase of goods or services by the Institution;

5. Group travel in foreign countries;

6. Conference facilities and services;

7. Participation in intercollegiate athletic tournaments and events including team travel and lodging, registration, and tournament fees;

8. Royalties; or

9. The purchase of legal services, provided that the Office of the Attorney General has been consulted, or expert witnesses or other services associated with litigation or regulatory proceedings.

§ 38. Exemptions from competitive sealed bidding and competitive negotiation for certain transactions; limitations. -

The Institution may enter into contracts for insurance or electric utility service without competitive sealed bidding or competitive negotiation if purchased through an association of which the Institution is a member if the association was formed and is maintained for the purpose of promoting the interest and welfare of and developing close relationships with similar public bodies, provided such association has procured the insurance or electric utility services by use of competitive principles and provided that the Institution has made a determination in advance after reasonable notice to the public and set forth in writing that competitive sealed bidding and competitive negotiation are not fiscally advantageous to the public. The writing shall document the basis for this determination.

§ 39. Definitions. -

As used in §§ 39 through 46 of these rules, unless the context requires a different meaning:

"Contractor" means the entity that has a direct contract with the Institution.

"Debtor" means any individual, business, or group having a delinquent debt or account with any state agency that obligation has not been satisfied or set aside by court order or discharged in bankruptcy.

"Payment date" means either (i) the date on which payment is due under the terms of a contract for provision of goods or services or (ii) if such date has not been established by contract, (a) 30 days after receipt of a proper invoice by the Institution or its agent or (b) 30 days after receipt of the goods or services by the Institution.

"Subcontractor" means any entity that has a contract to supply labor or materials to the contractor to whom the contract was awarded or to any subcontractor in the performance of the work provided for in such contract.

§ 40. Exemptions. -

The provisions of §§ 39 through 46 of these rules shall not apply to the late payment provisions contained in any public utility tariffs prescribed by the State Corporation Commission.

§ 41. Retainage to remain valid. -

Notwithstanding the provisions of §§ 39 through 46 of these rules, the provisions of § 26 of these rules relating to retainage shall remain valid.

§ 42. Prompt payment of bills by the Institution. -

A. The Institution shall promptly pay for the completely delivered goods or services by the required payment date.

Payment shall be deemed to have been made when offset proceedings have been instituted, as authorized under the Virginia Debt Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of Title 2.2 of the Code of Virginia.

B. Separate payment dates may be specified for contracts under which goods or services are provided in a series of partial deliveries or executions to the extent that such contract provides for separate payment for such partial delivery or execution.

§ 43. Defect or impropriety in the invoice or goods and/or services received. -

In instances where there is a defect or impropriety in an invoice or in the goods or services received, the Institution shall notify the supplier of the defect or impropriety, if the defect or impropriety would prevent payment by the payment date. The notice shall be sent within 15 days after receipt of the invoice or the goods or services.

§ 44. Date of postmark deemed to be date payment is made. -

In those cases where payment is made by mail, the date of postmark shall be deemed to be the date payment is made for purposes of these rules.

§ 45. Payment clauses to be included in contracts. -

Any contract awarded by the Institution shall include:

1. A payment clause that obligates the contractor to take one of the two following actions within seven days after receipt of amounts paid to the contractor by the Institution for work performed by the subcontractor under that contract:

a. Pay the subcontractor for the proportionate share of the total payment received from the Institution attributable to the work performed by the subcontractor under that contract; or

b. Notify the Institution and subcontractor, in writing, of his intention to withhold all or a part of the subcontractor's payment with the reason for nonpayment.

2. A payment clause that requires (i) individual contractors to provide their social security numbers and (ii) proprietorships, partnerships, and corporations to provide their federal employer identification numbers.

3. An interest clause that obligates the contractor to pay interest to the subcontractor on all amounts owed by the contractor that remain unpaid after seven days following receipt by the contractor of payment from the Institution for work performed by the subcontractor under that contract, except for amounts withheld as allowed in subdivision 1.

4. An interest rate clause stating, "Unless otherwise provided under the terms of this contract, interest shall accrue at the rate of 1% per month."

Any such contract awarded shall further require the contractor to include in each of its subcontracts a provision requiring each subcontractor to include or otherwise be subject to the same payment and interest requirements with respect to each lower-tier subcontractor.

A contractor's obligation to pay an interest charge to a subcontractor pursuant to the payment clause in this section shall not be construed to be an obligation of the Institution. A contract modification shall not be made for the purpose of providing reimbursement for the interest charge. A cost reimbursement claim shall not include any amount for reimbursement for the interest charge.

§ 46. Interest penalty; exceptions. -

A. Interest shall accrue, at the rate determined pursuant to subsection B, on all amounts owed by the Institution to a vendor that remain unpaid after seven days following the payment date. However, nothing in this section shall affect any contract providing for a different rate of interest, or for the payment of interest in a different manner.

B. The rate of interest charged the Institution pursuant to subsection A shall be the base rate on corporate loans (prime rate) at large United States money center commercial banks as reported daily in the publication entitled *The Wall Street Journal*. Whenever a split prime rate is published, the lower of the two rates shall be used. However, in no event shall the rate of interest charged exceed the rate of interest established pursuant to § 58.1-1812 of the Code of Virginia.

C. Notwithstanding subsection A, no interest penalty shall be charged when payment is delayed because of disagreement between the Institution and a vendor regarding the quantity, quality, or time of delivery of goods or services or the accuracy of any invoice received for the goods or services. The exception from the interest penalty provided by this subsection shall apply only to that portion of a delayed payment that is actually the subject of the disagreement and shall apply only for the duration of the disagreement.

D. This section shall not apply to § 26 of these rules pertaining to retainage on construction contracts, during the period of time prior to the date the final payment is due. Nothing contained herein shall prevent a contractor from receiving interest on such funds under an approved escrow agreement.

E. Notwithstanding subsection A, no interest penalty shall be paid to any debtor on any payment, or portion thereof, withheld pursuant to the Comptroller's Debt Setoff Program, as authorized by the Virginia Debt Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of Title 2.2 of the Code of Virginia, commencing with the date the payment is withheld. If, as a result of

an error, a payment or portion thereof is withheld, and it is determined that at the time of setoff no debt was owed to the Commonwealth, then interest shall accrue at the rate determined pursuant to subsection B on amounts withheld that remain unpaid after seven days following the payment date.

§ 47. Ineligibility. -

A. Any bidder, offeror, or contractor refused permission to participate, or disqualified from participation, in public contracts to be issued by the Institution shall be notified in writing. Prior to the issuance of a written determination of disqualification or ineligibility, the Institution shall (i) notify the bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.

Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of disqualification or ineligibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received such rebuttal information.

If the evaluation reveals that the bidder, offeror, or contractor should be allowed permission to participate in the public contract, the Institution shall cancel the proposed disqualification action. If the evaluation reveals that the bidder should be refused permission to participate, or disqualified from participation, in the public contract, the Institution shall so notify the bidder, offeror, or contractor. The notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these rules, if available, or in the alternative by instituting legal action as provided in § 54 of these rules.

B. If, upon appeal, it is determined that the action taken was arbitrary or capricious, or not in accordance with the Constitution of Virginia or applicable state law or regulations, the sole relief shall be restoration of eligibility.

§ 48. Appeal of denial of withdrawal of bid. -

A. A decision denying withdrawal of bid under the provisions of § 23 of these rules shall be final and conclusive unless the bidder appeals the decision within 10 days after receipt of the decision by invoking administrative procedures meeting the standards of § 55 of these rules, if available, or in the alternative by instituting legal action as provided in § 54 of these rules.

B. If no bid bond was posted, a bidder refused withdrawal of a bid under the provisions of § 23 of these rules, prior to appealing, shall deliver to the Institution a certified check or cash bond in the amount of the difference between the bid sought to be withdrawn and the next low bid. Such security shall be released only upon a final determination that the bidder was entitled to withdraw the bid.

C. If, upon appeal, it is determined that the decision refusing withdrawal of the bid was not (i) an honest exercise of discretion, but rather was arbitrary or capricious, or (ii) in accordance with the Constitution of Virginia, applicable state law or regulations, or the terms or conditions of the invitation to bid, the sole relief shall be withdrawal of the bid.

§ 49. Determination of nonresponsibility. -

A. Following public opening and announcement of bids received on an invitation to bid, the Institution shall evaluate the bids in accordance with element 4 of the definition of "Competitive sealed bidding" in § 4 of these rules. At the same time, the Institution shall determine whether the apparent low bidder is responsible. If the Institution so determines, then it may proceed with an award in accordance with element 5 of the definition of "competitive sealed bidding" in § 4 of these rules. If the Institution determines that the apparent low bidder is not responsible, it shall proceed as follows:

1. Prior to the issuance of a written determination of nonresponsibility, the Institution shall (i) notify the apparent low bidder in writing of the results of the evaluation, (ii) disclose the factual support for the determination, and (iii) allow the apparent low bidder an opportunity to inspect any documents that relate to the determination, if so requested by the bidder within five business days after receipt of the notice.

2. Within 10 business days after receipt of the notice, the bidder may submit rebuttal information challenging the evaluation. The Institution shall issue its written determination of responsibility based on all information in the possession of the Institution, including any rebuttal information, within five business days of the date the Institution received the rebuttal information. At the same time, the Institution shall notify, with return receipt requested, the bidder in writing of its determination.

3. Such notice shall state the basis for the determination, which shall be final unless the bidder appeals the decision within 10 days after receipt of the notice by invoking administrative procedures meeting the standards of § 55 of these rules, if available, or in the alternative by instituting legal action as provided in § 54 of these rules.

The provisions of this subsection shall not apply to procurements involving the prequalification of bidders and the rights of any potential bidders under such prequalification to appeal a decision that such bidders are not responsible.

B. If, upon appeal pursuant to § 54 or 55 of these rules, it is determined that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious, or (ii) in accordance with the Constitution of Virginia, applicable state law or regulations, or the terms or conditions of the invitation to bid, and the award of the contract in question has not been made, the sole relief shall be a finding that the bidder is a responsible bidder for the contract in question or directed award as provided in subsection A of § 54 of these rules, or both.

If it is determined that the decision of the Institution was not an honest exercise of discretion, but rather was arbitrary or capricious or not in accordance with the Constitution of Virginia, applicable state law or regulations, or the terms or

conditions of the invitation to bid, and an award of the contract has been made, the relief shall be as set forth in subsection B of § 54 of these rules.

C. A bidder contesting a determination that he is not a responsible bidder for a particular contract shall proceed under this section, and may not protest the award or proposed award under the provisions of § 50 of these rules.

D. Nothing contained in this section shall be construed to require the Institution, when procuring by competitive negotiation, to furnish a statement of the reasons why a particular proposal was not deemed to be the most advantageous.

§ 50. Protest of award or decision to award. -

A. Any bidder or offeror who desires to protest the award or decision to award a contract shall submit the protest in writing to the Institution, or an official designated by the Institution, no later than 10 days after the award or the announcement of the decision to award, whichever occurs first.

Public notice of the award or the announcement of the decision to award shall be given by the Institution in the manner prescribed in the terms or conditions of the invitation to bid or request for proposal. Any potential bidder or offeror on a contract negotiated on a sole source or emergency basis who desires to protest the award or decision to award such contract shall submit the protest in the same manner no later than 10 days after posting or publication of the notice of such contract as provided in § 5 of these rules. However, if the protest of any actual or potential bidder or offeror depends in whole or in part upon information contained in public records pertaining to the procurement transaction that are subject to inspection under § 34 of these rules, then the time within which the protest shall be submitted shall expire 10 days after those records are available for inspection by such bidder or offeror under § 34 of these rules, or at such later time as provided in this section. No protest shall lie for a claim that the selected bidder or offeror is not a responsible bidder or offeror. The written protest shall include the basis for the protest and the relief sought. The Institution or designated official shall issue a decision in writing within 10 days stating the reasons for the action taken. This decision shall be final unless the bidder or offeror appeals within 10 days of receipt of the written decision by invoking administrative procedures meeting the standards of § 55 of these rules, if available, or in the alternative by instituting legal action as provided in § 54 of these rules. Nothing in this subsection shall be construed to permit a bidder to challenge the validity of the terms or conditions of the invitation to bid or request for proposal. The use of Alternative Dispute Resolution (ADR) shall constitute an administrative appeal procedure meeting the standards of § 55 of these rules.

B. If prior to an award it is determined that the decision to award is arbitrary or capricious, then the sole relief shall be a finding to that effect. The Institution shall cancel the proposed award or revise it to comply with the law. If, after an award, it is determined that an award of a contract was arbitrary or capricious, then the sole relief shall be as hereinafter provided.

Where the award has been made but performance has not begun, the performance of the contract may be enjoined. Where the award has been made and performance has begun, the Institution may declare the contract void upon a finding that this action is in the best interest of the public. Where a contract is declared void, the performing contractor shall be compensated for the cost of performance up to the time of such declaration. In no event shall the performing contractor be entitled to lost profits.

C. Where the Institution, an official designated by it, or an appeals board determines, after a hearing held following reasonable notice to all bidders, that there is probable cause to believe that a decision to award was based on fraud or corruption or on an act in violation of these rules, the Institution, designated official, or appeals board may enjoin the award of the contract to a particular bidder.

§ 51. Effect of appeal upon contract. -

Pending final determination of a protest or appeal, the validity of a contract awarded and accepted in good faith in accordance with these rules shall not be affected by the fact that a protest or appeal has been filed.

§ 52. Stay of award during protest. -

An award need not be delayed for the period allowed a bidder or offeror to protest, but in the event of a timely protest as provided in § 50 of these rules, or the filing of a timely legal action as provided in § 54 of these rules, no further action to award the contract shall be taken unless there is a written determination that proceeding without delay is necessary to protect the public interest or unless the bid or offer would expire.

§ 53. Contractual disputes. -

A. Contractual claims, whether for money or other relief, shall be submitted in writing no later than 60 days after final payment. However, written notice of the contractor's intention to file a claim shall be given at the time of the occurrence or beginning of the work upon which the claim is based. Nothing herein shall preclude a contract from requiring submission of an invoice for final payment within a certain time after completion and acceptance of the work or acceptance of the goods. Pendency of claims shall not delay payment of amounts agreed due in the final payment.

B. The Institution shall include in its contracts a procedure for consideration of contractual claims. Such procedure, which may be contained in the contract or may be specifically incorporated into the contract by reference and made available to the contractor, shall establish a time limit for a final decision in writing by the Institution. If the Institution has established administrative procedures meeting the standards of § 55 of these rules, such procedures shall be contained in the contract or specifically incorporated in the contract by reference and made available to the contractor. The Institution may require the submission of contractual claims pursuant to any contract to Alternative Dispute Resolution (ADR) as an administrative procedure.

C. A contractor may not invoke administrative procedures meeting the standards of § 55 of these rules, if available, or institute legal action as provided in § 54 of these rules, prior to receipt of the Institution's decision on the claim, unless the Institution fails to render such decision within the time specified in the contract.

D. The decision of the Institution shall be final and conclusive unless the contractor appeals within six months of the date of the final decision on the claim by the Institution by invoking administrative procedures meeting the standards of § 55 of these rules, if available, or in the alternative by instituting legal action as provided in § 54 of these rules.

§ 54. Legal actions. -

A. A bidder or offeror, actual or prospective, who is refused permission or disqualified from participation in bidding or competitive negotiation, or who is determined not to be a responsible bidder or offeror for a particular contract, may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the petitioner establishes that the decision was not (i) an honest exercise of discretion, but rather was arbitrary or capricious; (ii) in accordance with the Constitution of Virginia, applicable state law or regulation, or the terms or conditions of the invitation to bid; or (iii) in the case of denial of prequalification, based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these rules. In the event the apparent low bidder, having been previously determined by the Institution to be not responsible in accordance with § 4 of these rules, is found by the court to be a responsible bidder, the court may direct the Institution to award the contract to such bidder in accordance with the requirements of this section and the invitation to bid.

B. A bidder denied withdrawal of a bid under § 23 of these rules may bring an action in the appropriate circuit court challenging that decision, which shall be reversed only if the bidder establishes that the decision of the Institution was not (i) an honest exercise of discretion, but rather was arbitrary or capricious, or (ii) in accordance with the Constitution of Virginia, applicable state law or regulations, or the terms or conditions of the invitation to bid.

C. A bidder, offeror, or contractor, or a potential bidder, or offeror on a contract negotiated on a sole source or emergency basis in the manner provided in § 5 of these rules, whose protest of an award or decision to award under § 50 of these rules is denied, may bring an action in the appropriate circuit court challenging a proposed award or the award of a contract, which shall be reversed only if the petitioner establishes that the proposed award or the award is not (i) an honest exercise of discretion, but rather is arbitrary or capricious, or (ii) in accordance with the Constitution of Virginia, applicable state law or regulations, or the terms and conditions of the invitation to bid or request for proposal.

D. If injunctive relief is granted, the court, upon request of the Institution, shall require the posting of reasonable security to protect the Institution.

E. A contractor may bring an action involving a contract dispute with the Institution in the appropriate circuit court. Notwithstanding any other provision of law, the Comptroller shall not be named as a defendant in any action brought pursuant to these rules or § 33.1-387 of the Code of Virginia, except for disputes involving contracts of the Office of the Comptroller or the Department of Accounts.

F. A bidder, offeror, or contractor need not utilize administrative procedures meeting the standards of § 55 of these rules, if available, but if those procedures are invoked by the bidder, offeror, or contractor, the procedures shall be exhausted prior to instituting legal action concerning the same procurement transaction unless the Institution agrees otherwise.

G. Nothing herein shall be construed to prevent the Institution from instituting legal action against a contractor.

§ 55. Administrative appeals procedure. -

A. The Institution may establish an administrative procedure for hearing (i) protests of a decision to award or an award, (ii) appeals from refusals to allow withdrawal of bids, (iii) appeals from disqualifications and determinations of nonresponsibility, (iv) appeals from decisions on disputes arising during the performance of a contract, or (v) any of these. Such administrative procedure may include the use of Alternative Dispute Resolution (ADR) or shall provide for a hearing before a disinterested person or panel, the opportunity to present pertinent information and the issuance of a written decision containing findings of fact. The disinterested person or panel shall not be an employee of the governmental entity against whom the claim has been filed. The findings of fact shall be final and conclusive and shall not be set aside unless the same are (a) fraudulent, arbitrary, or capricious; (b) so grossly erroneous as to imply bad faith; or (c) in the case of denial of prequalification, the findings were not based upon the criteria for denial of prequalification set forth in subsection B of § 14 of these rules. No determination on an issue of law shall be final if appropriate legal action is instituted in a timely manner. The Institution may seek advice and input from the Alternative Dispute Resolution Council in establishing an ADR procedure.

B. Any party to the administrative procedure, including the Institution, shall be entitled to institute judicial review if such action is brought within 30 days of receipt of the written decision.

§ 56. Alternative dispute resolution. -

The Institution may enter into agreements to submit disputes arising from contracts entered into pursuant to these rules to arbitration and utilize mediation and other alternative dispute resolution procedures. However, such procedures shall be nonbinding and subject to § 2.2-514 of the Code of Virginia, as applicable.

§ 57. Ethics in public contracting. -

The Institution and its governing body, officers, and employees shall be governed by the Ethics in Public Contracting provisions of the Virginia Public Procurement Act, Article 6 (§ 2.2-4367 et seq.) of Chapter 43 of Title 2.2 of the Code of Virginia.

I. PREAMBLE.

The Restructured Higher Education Financial and Administrative Operations Act (the Act), Chapter 10 (§ 23.1-1000 et seq.) of Title 23.1 of the Code of Virginia, establishes a process for the restructuring of institutions of higher education of the Commonwealth of Virginia and provides that upon becoming a covered institution, the University shall have responsibility and accountability for human resources management for all University employees, defined in the Act as "covered employees," who pursuant to subsection A of § 23.1-1020 of the Act shall continue to be "state employee[s]". Specifically, the Act provides that, as of the effective date of its initial management agreement with the Commonwealth, all classified employees shall continue to be covered by the Virginia Personnel Act, Chapter 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia, and shall be subject to the policies and procedures prescribed by the Virginia Department of Human Resource Management, provided that they may subsequently elect to become participating covered employees. All participating covered employees shall: (i) be exempt from the Virginia Personnel Act, Chapter 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia; (ii) remain subject to the State Grievance Procedure, Chapter 30 (§ 2.2-3000 et seq.) of Title 2.2 of the Code of Virginia, provided they were subject to the state grievance procedure prior to that effective date; (iii) participate in a compensation plan that is subject to the review and approval of the board of visitors; and (iv) be hired pursuant to procedures that are based on merit and fitness and may, subject to certain specified conditions, continue to participate in either state-sponsored or University-sponsored benefit plans as described by the management agreement.

The provisions of this policy are adopted by the board of visitors to implement the governing law and constitute the human resources policies to be included in any human resources system adopted by the University for its employees.

This policy is intended to cover the authority that may be granted to the University pursuant to Article 4 of the Act. Any other powers and authorities granted to the University pursuant to the general appropriation act, or any other sections of the Code of Virginia, including other provisions of the Act and the University's enabling statutes, are not affected by this policy.

II. DEFINITIONS.

As used in this policy, the following terms shall have the following meanings, unless the context requires otherwise:

"University human resources system" means the human resources system for University employees as provided for in this policy.

III. SCOPE AND PURPOSE OF UNIVERSITY HUMAN RESOURCES POLICIES.

The University has had human resources system autonomy through decentralization for its employees for some time. For example, general faculty at the University are expressly exempt from the Virginia Personnel Act, Chapter 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia. The University has had decentralization in most human resources functions and activities since the late 1980s and early 1990s, including, but not limited to, the running of payrolls and the administration of hiring, classification, and promotion practices of administrative, professional, and instructional faculty.

The Act extends and reinforces the human resources autonomy previously granted to the University. This policy therefore is adopted by the board of visitors to enable the University to develop, adopt, and have in place by or after the effective date of its initial management agreement with the Commonwealth a human resources system or systems for all University employees. On the effective date, and until changed by the University or unless otherwise specified in this policy, the systems for University employees shall be the same systems applicable to those employees in effect immediately prior to the effective date.

IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

The board of visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this policy. Consistent with this full and ultimate accountability, however, the board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate board resolution the duties and responsibilities set forth in this policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

V. UNIVERSITY HUMAN RESOURCES SYSTEMS.

A. Adoption and Implementation of University Human Resources Systems.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, is hereby authorized to adopt and implement human resources systems for employees of the University that are consistent with the governing law, other applicable provisions of law, these University human resources policies for University employees, and any other human resources policies adopted by the Department of Human Resource Management or the board of visitors for University personnel, unless University employees are exempted from those other human resources policies by law or policy. The University human resources systems shall include a delegation of personnel authority to appropriate University officials responsible for overseeing and implementing the University human resources systems, including a grant of authority to such officials to engage in further delegation of authority as the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, deems appropriate.

The University commits to regularly engage employees in appropriate discussions and to receive employee input as the new University human resources systems are developed. The University will regularly communicate the details of new proposals to all employees who are eligible to participate in the University human resources system through written communication, open meetings, and website postings as appropriate, so that employees will have full information that will help them evaluate the merits of the new human resources system compared to the then-current state human resources system.

Effective on the effective date of its initial management agreement with the Commonwealth, and until amended as described in this subsection, the University's human resources systems shall consist of the following:

- 1. The current "James Madison University Faculty Handbook," as it is posted on the Provost's website, <https://www.jmu.edu/facultyhandbook/>, and periodically amended;*
- 2. The current human resources system for classified employees in the University as posted on the Virginia Department of Human Resource Management website at <http://www.dhrm.virginia.gov/hrpolicies>; and*
- 3. The human resources system for participating covered employees, that shall include nonsalaried (wage) employees, as posted on the University's human resources website, <https://www.jmu.edu/humanresources/>.*

All the systems described in this subsection above, except the system described in subdivision 2, may be amended by the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, consistent with these human resources policies. The system described in subdivision 2 may be amended only by the State.

B. Training in and Compliance with Applicable Provisions of Law and Board of Visitors Human Resources Policies.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall take all necessary and reasonable steps to assure (i) that the University officials who develop, implement, and administer the University human resources systems authorized by governing law and these human resources policies are knowledgeable regarding the requirements of the governing law, other applicable provisions of law, these University human resources policies, and other applicable board of visitors human resources policies affecting University employees and (ii) that compliance with such laws and human resources policies is achieved.

VI. HUMAN RESOURCES POLICIES.

The University human resources systems adopted by the University pursuant to governing law and this policy, as set forth in Section V above, shall embody the following human resources policies and principles:

A. Election by University Salaried Nonfaculty Employees.

Upon the adoption by the University of a University human resources system, each salaried nonfaculty University employee who was in the employment of the University as of the day prior to the effective date of its initial management agreement with the Commonwealth shall be permitted to elect to participate in and be governed by either (i) the state human resources program set forth in Chapters 28 (§ 2.2-2800 et seq.) and 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia, and administered by the Department of Human Resource Management, or (ii) the University human resources system, as appropriate. A salaried nonfaculty University employee who elects to continue to be governed by the state human resources program described in this subsection above shall continue to be governed by all state human resources and benefit plans, programs, policies, and procedures that apply to and govern state employees. A salaried nonfaculty University employee who elects to participate in and be governed by the University human resources system, by that election, shall be deemed to have elected to be eligible to participate in and to be governed by the University human resources system, authorized alternative insurance, and severance plans, programs, policies, and procedures that are or may be adopted by the University as part of that University human resources system.

The University shall provide each of its salaried nonfaculty University employees who were in the employment of the University as of the day prior to the effective date of the University's initial management agreement with the Commonwealth at least 90 days after the date on which the University's human resources system becomes effective for that University employee's classification of employees to make the election required by the prior paragraph. If such a salaried nonfaculty University employee does not make an election by the end of that specified election period, that University employee shall be deemed not to have elected to participate in the University human resources system. If such a salaried nonfaculty University employee elects to participate in the University human resources system, that election shall be irrevocable. At least every two years, the University shall offer to salaried nonfaculty University employees who have elected to continue to participate in the state human resources program set forth in Chapters 28 (§ 2.2-2800 et seq.) and 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia, an opportunity to elect to participate in the University human resources system, provided that, each time prior to offering such opportunity to such salaried nonfaculty University employees, and at least once every two years after the effective date of the University human resources system, the University shall make available to each of its salaried nonfaculty University employees a comparison of its human resources system for that classification of salaried nonfaculty University employee with the state human resources program for comparable state employees, including but not limited to a comparability assessment of compensation and benefits.

A copy of the human resources program comparison shall be provided to the Department of Human Resource Management.

B. Classification and Compensation.

1. General. The systems shall include classification and compensation plans that are fair and reasonable and are based on the availability of University financial resources. The plans adopted by the University for participating covered employees shall be independent of, and need not be based on, the classification and compensation plans of the Commonwealth, do not require the approval of any state agency or officer, and shall be subject to the review and approval by the board of visitors as set forth in subdivision 3. The University shall provide information on its classification and compensation plans to all University employees. The plans applicable to participating covered employees may or may not include changes in classification or compensation announced by the Commonwealth, depending on such factors as the availability of necessary financial resources to fund any such changes and subject to the review and approval by the board of visitors of any major changes in the University's compensation plans.

2. Classification Plan. The systems shall include one or more classification plans for University employees that classify positions according to job responsibilities and qualifications. On the effective date and until changed by the University, the classification plans shall be the same plans that are in effect for each group of employees immediately prior to the effective date.

3. Compensation Plan. The systems shall include one or more compensation plans for each University employee classification or group. On the effective date and until changed by the Department of Human Resource Management, the compensation plan for classified employees in the University shall be the compensation plan in effect immediately prior to the effective date, known as the Commonwealth's Classified Compensation Plan. On the effective date and until changed by the University, the compensation plan or plans for all participating covered employees shall be the compensation plan or plans in effect immediately prior to the effective date. The University may adopt one or more compensation plans for participating covered employees that are non-graded plan(s) based on internal and external market data and other relevant

factors to be determined annually. Any major change in compensation plans for participating covered employees shall be reviewed and approved by the board of visitors before that change becomes effective. Any change recommended in the compensation plans may take into account the prevailing rates in the labor market for the jobs in question or for similar positions, the relative value of jobs, the competency and skills of the individual employee, internal equity, and the availability of necessary financial resources to fund the proposed change. The compensation payable to University employees shall be authorized and approved only by designated University officers delegated such authority by the University, and shall be consistent with the approved compensation plan for the relevant position or classification. Further approval by any other state agency, governmental body, or officer is not required for setting, adjusting, or approving the compensation payable to individual participating covered employees.

4. *Wages.* The systems shall include policies and procedures for the authorization, computation, and payment of wages, where appropriate, for such premium pays as overtime, shift differential, on call, and call back, and for the payment of hourly employees.

5. *Payment of Compensation.* The systems shall include policies and procedures for paying compensation to employees, including the establishment of one or more payday schedules.

6. *Work Schedule and Workweek.* The systems shall include policies and procedures for the establishment of, and modifications to, work schedules and workweeks for all University employees, including alternative work schedules and sites and telecommuting policies and procedures.

7. *Other Classification and Compensation Policies and Procedures.* The systems may include any other reasonable classification and compensation policies and procedures the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, deems appropriate.

C. Benefits.

The systems shall provide fringe benefits to all benefits-eligible employees, including retirement benefits, health care insurance, life, disability, and accidental death and dismemberment insurance. The benefits provided shall include a basic plan of benefits for each benefits-eligible employee, and may include an optional benefits plan for benefits-eligible employees, including additional insurance coverage, long-term care, tax deferred annuities, flexible reimbursement accounts, employee assistance programs, employee intramural and recreational passes, and other wellness programs. As provided in subsections B and C § 23.1-1025 of the Act, the University may require participating covered employees to pay all or a portion of the cost of group life, disability, and accidental death and dismemberment insurance, which may be collected through a payroll deduction program. Participating covered employees shall not be required to present evidence of insurability for basic group life insurance coverage. The board of visitors may elect to provide benefits through Virginia Retirement System group insurance programs under the terms of and to the extent allowed by § 23.1-1025 of the Act or any other provision of law.

Notwithstanding the provisions of this subsection above, pursuant to subsection A of § 23.1-1020 of the Act, and unless and until that section is amended, the state retirement system, state health insurance program, and state workers' compensation coverage program as they may be amended from time to time, shall continue to apply to and govern all eligible University employees.

The systems may provide different benefits plans for reasonably different groups or classifications of employees, and may provide benefits to part-time employees. On the effective date and until changed by the appropriate governing authority, the benefits plans provided by the University to classified employees and participating covered employees shall be the benefits plans provided to that group or classification as of the date immediately prior to that effective date. On or after the effective date, alternative University group life, accidental death and dismemberment, and short-term and long-term disability plans may be provided to eligible participating covered employees, or at the election of the board of visitors and subject to the execution of participation agreements as provided in subsections B and C of § 23.1-1025 of the Act, they may be provided by the appropriate state programs, but no contributions to the state programs by the University shall be required for participating covered employees who do not participate in the programs. Subject to the provisions of the Act, any new plans, programs, and material changes permitted under current law in University employee benefit plans, other than classified employee benefit plans, shall be approved by the board of visitors, including the authority to increase the cash match contribution rate up to the limit permitted by the Code of Virginia based on available resources and the authority to implement cafeteria-style benefits for University employees other than classified employees.

Insurance and all proceeds therefrom provided pursuant to § 23.1-1025 of the Act shall be exempt from legal process and may be subject to voluntary assignment as provided in subsection A of § 23.1-1025 of the Act.

D. Employee Relations.

1. *General.* The systems shall contain provisions that protect the rights and privileges of University employees consistent with sound management principles and fair employment practice law.

2. *Employee Safety and Health.* The systems shall contain provisions that promote workplace safety compliance with applicable law and regulations.

3. *Employee Work Environment.* The systems shall promote a work environment that is conducive to the performance of job duties and free from intimidation or coercion in violation of state or federal law, including sexual harassment or other discrimination.

4. *Employee Recognition.* The systems may provide for the use of leave awards and bonuses specific to policies and procedures for awarding, honoring, or otherwise recognizing University employees, including but not limited to those who

have performed particularly meritorious service for the University, have been employed by the University for specified periods of time, or have retired from the University after lengthy service.

5. *Counseling Services.* The systems shall provide counseling services through the State's Employee Assistance Program or a University Employee Assistance Program to any eligible University employee experiencing job-related difficulties and seeking counseling for those difficulties, and shall establish the circumstances under which the time necessary to participate in such counseling may be granted.

6. *Unemployment Compensation.* The systems shall ensure that University employees receive the full unemployment compensation benefits to which they are legally entitled and that the University's liability is limited to legitimate claims for such benefits.

7. *Workers' Compensation.* The systems shall ensure that University employees have workers' compensation benefits to which they are legally entitled pursuant to the State Employees Workers' Compensation Program administered by the Department of Human Resource Management.

8. *Performance Planning and Evaluation.* The systems shall include one or more performance planning and evaluation processes for University employees that (i) establish and communicate the University's performance expectations, (ii) help develop productive working relationships, (iii) allow employees to present their views concerning their performance, (iv) identify areas for training or professional development, (v) establish the process by which evaluations shall be conducted, (vi) clarify how superlative or inadequate performance shall be addressed, and (vii) ensure that all University employees are provided relevant information on the evaluation process. The systems may include separate performance and evaluation processes for reasonably distinguishable groups of University employees. On the effective date, the existing merit-based performance management system for faculty shall continue, until amended by the University. On or after that effective date, University nonfaculty salaried participating covered employees may be subject to a variable merit-based performance management system.

9. *Standards of Conduct and Performance.* In order to protect the well-being and rights of all employees and to ensure safe, efficient University operations and compliance with the law, the systems shall establish rules of personal conduct and standards of acceptable work performance for University salaried nonfaculty employees and policies for corrective discipline. In general, the policies for corrective discipline shall serve to (i) establish a uniform and objective process for correcting or disciplining unacceptable conduct or work performance, (ii) distinguish between less serious and more serious actions of misconduct and provide corrective action accordingly, and (iii) limit corrective action to employee conduct occurring only when employees are at work or are otherwise representing the University in an official or work-related capacity, unless otherwise specifically provided by the policies of the systems or other applicable law. The systems may provide for a probationary period for new and re-employed University salaried nonfaculty employees, during which period the policies for corrective discipline shall not be applicable and the employee may not use the grievance procedure set forth in subdivision 10. The systems may include separate rules of personal conduct and standards of acceptable work performance and policies for corrective discipline for reasonably distinguishable groups of University employees.

10. *Grievance Procedure.* As provided in the governing law, employees shall be encouraged to resolve employment-related problems and complaints informally, and shall be permitted to discuss their concerns freely and without fear of retaliation with immediate supervisors and management. In the event that such problems cannot be resolved informally, all salaried nonfaculty University employees, regardless of their date of hire, shall have access, as provided in subsection A of § 23.1-1020 and in § 23.1-1023 of the Act, to the State Grievance Procedure, Chapter 30 (§ 2.2-3000 et seq.) of Title 2.2 of the Code of Virginia, to the extent it was applicable to their classification of employees prior to the effective date. On the effective date and until changed by the University, the faculty grievance procedures in effect immediately prior to the effective date shall continue.

11. *Discrimination Complaints.* If a classified employee believes discrimination has occurred, the classified employee may file a complaint with the Department of Human Resource Management Office of Equal Employment and Dispute Resolution. All covered employees and applicants for employment after the effective date of the University's initial management agreement with the Commonwealth shall file a complaint with the appropriate University office or with the appropriate federal agencies.

12. *Layoff Policy.* The systems shall include one or more layoff policies for salaried University employees who lose their jobs for reasons other than their job performance or conduct, such as a reduction in force or reorganization at the University. These University layoff policies shall govern such issues as (i) whether there is a need to effect a layoff, (ii) actions to be taken prior to a layoff, (iii) notice to employees affected by a layoff, (iv) placement options within the University or its respective major divisions and within other parts of the University, (v) the preferential employment rights, if any, of various University employees, (vi) the effect of layoff on leave and service, and (vii) the policy for recalling employees. In accordance with the terms of the Act, University employees who (a) were employed prior to the effective date of the University's initial management agreement with the Commonwealth, (b) would otherwise be eligible for severance benefits under the Workforce Transition Act of 1995, Chapter 32 (§ 2.2-3200 et seq.) of Title 2.2 of the Code of Virginia, (c) were covered by the Virginia Personnel Act, Chapter 29 (§ 2.2-2900 et seq.) of Title 2.2 of the Code of Virginia, prior to that effective date, and (d) are separated because of a reduction in force shall have the same preferential hiring rights with state agencies and other executive branch institutions as classified employees have under § 2.2-3201 of the Code of Virginia. Conversely, the University shall recognize the hiring preference conferred by § 2.2-3201 of the Code of Virginia on

state employees who were hired by a state agency or executive branch institution before the effective date of the University's initial management agreement with the Commonwealth and who were separated after that date by that state agency or executive branch institution because of a reduction in workforce. If the University has adopted a classification system pursuant to § 23.1-1021 of the Act that differs from the classification system administered by the Department of Human Resource Management, the University shall classify the separated employee according to its classification system and shall place the separated employee appropriately. The University may include separate policies for reasonably distinguishable groups of University employees. On or after the effective date of the University's initial management agreement with the Commonwealth, all employees from other state agencies and executive branch institutions who are placed by the University under the provisions of the State Layoff Policy shall be participating covered employees.

13. *Severance Benefits.* In accordance with the terms of the Act, the University shall adopt severance policies for salaried participating covered employees who are involuntarily separated for reasons unrelated to performance or conduct. The terms and conditions of such policies shall be determined by the board of visitors. Classified employees who otherwise would be eligible and were employed prior to the effective date of the University's initial management agreement with the Commonwealth shall be covered by the Workforce Transition Act of 1995, Chapter 32 (§ 2.2-3200 et seq.) of Title 2.2 of the Code of Virginia. The University and the Board of the Virginia Retirement System may negotiate a formula according to which cash severance benefits may be converted to years of age or creditable service for participating covered employees who participate in the Virginia Retirement System. An employee's becoming, on the effective date, a covered employee shall not constitute a severance or reduction in force to which severance policies or policies pursuant to the Workforce Transition Act of 1995, Chapter 32 (§ 2.2-3200 et seq.) of Title 2.2 of the Code of Virginia, would apply.

14. *Use of Alcohol and Other Drugs.* The systems shall include policies and procedures that (i) establish and maintain a work environment at the University that is free from the adverse effect of alcohol and other drugs, (ii) are consistent with the federal Drug-Free Workplace Act of 1988, 41 U.S.C. § 81, and with the James Madison University Alcohol and Other Drugs Policy, (iii) describe the range of authorized disciplinary action, including termination where appropriate, for violations of such policies and procedures and the process to be followed in taking such disciplinary action, (iv) provide University employees access to assistance and treatment for problems involving alcohol and other drugs, (v) provide for the circumstances under which employees are required to report certain violations of the policies and procedures to their supervisor, and the University is required to report those violations to a federal contracting or granting agency, (vi) describe the circumstances under which personnel records of actions taken under the University's alcohol and other drugs policy shall not be kept confidential, and (vii) provide notice to University employees of the scope and content of the University alcohol and other drugs policy. As part of this alcohol and other drugs policy, and in compliance with the federal Omnibus Transportation Employee Testing Act of 1991, P.L. 102-143, the systems may provide for pre-employment, reasonable suspicion, random, post-accident, return-to-duty, and follow-up alcohol and other drug testing for University positions that are particularly safety sensitive, such as those requiring a commercial driver's license.

15. *Background Checks.* The systems shall include a process for conducting background checks that may include but is not limited to reference checks, educational/professional credentialing checks, and conviction and driver's records checks on applicants for full-time or part-time positions at the University, and for addressing situations where employees do not disclose a conviction on their application or otherwise falsify their application with regard to information concerning their educational/professional credentials and/or prior convictions.

16. *Other Employee Relations Policies and Procedures.* The systems shall include any other reasonable employee relations policies or procedures that the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, deems appropriate, that may include, but are not limited to, policies or procedures relating to orientation programs for new or re-employed University employees, an employee suggestion program, the responsibility of University employees for property placed in their charge, work breaks, inclement weather and emergencies, and employment outside the University.

E. Leave and Release Time.

The systems shall include policies and procedures regarding leave for eligible employees. The systems shall provide reasonable paid leave for purposes such as holidays, vacation, or other personal uses. The systems may provide for release time for such matters as the donation of blood, participation in an employee assistance program, and other appropriate employment-related matters. On or after the effective date of its initial management agreement with the Commonwealth, and until a new program is adopted by the appropriate authority, the University shall continue to provide leave and release time to participating covered employees in accordance with the leave and release time policies and procedures applicable to each classification of employees prior to that effective date. On or after that effective date, the University may provide an alternative leave and release time system for salaried nonfaculty participating covered employees.

2. *Employment.* The systems shall include policies and procedures for the recruitment, selection, and hiring of University employees that are based on merit and fitness, including where appropriate a requirement for job posting, interviews, pre-employment testing, pre-employment drug testing, reference checks, and conviction record checks. On and

after the effective date, the University shall post all salaried nonfaculty position vacancies through the University's job posting system, the Commonwealth's job posting system, and other external media as appropriate. The systems shall establish designated veterans' re-employment rights in accordance with applicable law.

In order to encourage employees to attain the highest level positions for which they are qualified, and to compensate employees for accepting positions of increased value and responsibility, the systems shall include policies and procedures governing the promotion of employees, including the effect of promotion on an employee's compensation.

On or after the effective date of the University's initial management agreement with the Commonwealth, all employees hired from other state agencies shall be participating covered employees. University classified employees who change jobs within the University through a competitive employment process—i.e., promotion or transfer—shall have the choice of remaining a classified employee or becoming a participating covered employee. If a classified employee elects to become a participating covered employee, that decision shall be irrevocable.

3. *Notice of Separation.* The systems shall include policies and procedures requiring reasonable notice, where appropriate, of a decision either by the employee or by the University to separate the employee from the University in accordance with policies governing performance, conduct, or layoff.

G. Information Systems.

The University shall provide an electronic file transfer of information on all salaried University employees and shall continue to provide the employee position reports to meet the human resources reporting requirements specified by law or by request of the Governor or the General Assembly, unless the University is specifically exempted from those requirements. The University shall conduct assessments to demonstrate its accountability for human resources practices that comply with laws and regulations. The Department of Human Resource Management and the University have entered into a Memorandum of Understanding, attached hereto as Attachment 2, that may be amended from time to time by agreement of the parties, regarding the specific data and reporting requirements. The University shall be accountable for ensuring the timeliness and integrity of the data transmitted to the Department of Human Resource Management.

VII. CONTINUED APPLICABILITY OF OTHER PROVISIONS OF THE CODE OF VIRGINIA AND OTHER BOARD OF VISITORS POLICIES AFFECTING UNIVERSITY PERSONNEL.

On and after the effective date, University employees shall be subject to the terms and conditions of the Act and the management agreement between the Commonwealth and the University. Classified employees shall continue to be subject to the human resources policies and exceptions to those policies adopted or approved by the Department of Human Resource Management.

In addition, all University employees also shall remain subject to any other human resources policies adopted by the board of visitors applicable to University personnel unless University employees or a subset thereof are specifically exempted from those other human resources policies either by those other policies or by this policy.

III. SCOPE OF POLICY.

This policy applies to the University's responsibility for management, investment, and stewardship of all its financial resources, including but not limited to, general, nongeneral, and private funds. This responsibility includes maintaining an independent uniform system of accounting, financial reporting, and internal controls adequate to protect and account for the University's financial resources as well as allowing for recording of required information into Cardinal.

IV. BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.

The board of visitors shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of this policy. Consistent with this full and ultimate accountability, however, the board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate board resolution the duties and responsibilities set forth in this policy to a person or persons within the University who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

V. FINANCIAL MANAGEMENT AND REPORTING SYSTEM.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall continue to be authorized by the board to maintain existing policies and implement new policies governing the management of University financial resources. These policies shall continue to (i) ensure compliance with generally accepted accounting principles; (ii) ensure consistency with the current accounting principles employed by the Commonwealth, including the use of fund accounting principles, with regard to the establishment of the underlying accounting records of the University and the allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific types of fund sources; (iii) provide adequate risk management and internal controls to protect and safeguard all financial resources, including moneys transferred to the University pursuant to a general fund appropriation; and (iv) ensure compliance with the requirements of the general appropriation act.

The financial management system shall continue to include a financial reporting system to satisfy both the requirements for inclusion in the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's Directives, and the University's separately audited financial statements. To ensure observance of limitations and restrictions placed on the use of the resources available to the University, the accounting and bookkeeping systems of the University shall continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards Board.

In addition, the financial management system shall continue to provide financial reporting for the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, and the board of visitors to enable them to provide adequate oversight of the financial operations of the University. The University shall provide to state agencies including, but not limited to, the Department of Accounts, the Department of Planning and Budget, the Joint Legislative Audit and Review Commission, the Auditor of Public Accounts, and the State Council of Higher Education for Virginia and to the Chairmen of the Senate Committee on Finance and the House Committee on Appropriations special reports as may be requested from time to time.

VI. FINANCIAL MANAGEMENT POLICIES.

The University has operated for many years at Level II and 2.5 as part of the Act. Accordingly, the University currently operates a system of independent financial management policies guided by the general principles contained in the Commonwealth's Accounting Policies and Procedures such as establishing strong risk management and internal accounting controls to ensure University financial resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of University programs.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall have the authority to create and implement any and all new financial management policies necessary to maintain the University's current financial management system for the continued effective protection and management of all University financial resources.

Upon the effective date of its initial management agreement with the Commonwealth, the University shall continue to follow its current independent financial management policies, as well as any new policies that have been developed and submitted to the State Comptroller for review and comment as a result of the management agreement. Any significant new policies developed after the effective date shall be submitted to the State Comptroller for review and comment before being implemented by the University.

VII. FINANCIAL RESOURCE RETENTION AND MANAGEMENT.

Pursuant to subsection C of § 23.1-206 of the Code of Virginia, the State Council of Higher Education for Virginia (SCHEV) annually shall assess and certify to the Governor and the General Assembly the degree to which each public institution of higher education of the Commonwealth has met the financial and administrative management and education-related performance benchmarks called for by that subsection and approved as part of the general appropriation act then in effect for the state goals and objectives set forth in subdivisions A 1 through 12 of § 23.1-1002 of the Act. Each public institution of higher education of the Commonwealth that (i) has been certified during the fiscal year by SCHEV as having met such institutional performance benchmarks and (ii) meets the conditions prescribed in subsection A of § 23.1-1002 of the Act, shall receive certain financial incentives, including interest on the tuition and fees and other nongeneral fund education and general revenues deposited into the State Treasury by the public institution of higher education. In order to be certified, the University must meet all measures adopted prior to the effective date of this management agreement pursuant to subdivision A 3 of § 23.1-1003 of the Act.

The Commonwealth shall retain all funds related to general fund appropriations but shall pay these funds to the University as specified in Section IX of this policy. The University is authorized to deposit tuition, educational and general

fees, research and sponsored program funds, auxiliary enterprise funds, and all other nongeneral fund revenues weekly in the State Treasury pursuant to the state process in place at the time of such deposit. The University shall be given any interest earned on auxiliary balances on a monthly basis.

The University also shall have sum sufficient appropriation authority for all nongeneral funds as approved by the Governor and the General Assembly in the Commonwealth's biennial appropriations process and shall report to the Department of Planning and Budget (i) its estimate of the nongeneral fund revenues for the sum sufficient appropriation to be included in the biennial Budget Bill for each of the two years in the next biennium by November 1 of each odd-numbered year and (ii) the estimate to be included in the Budget Bill for the first and second year of the then-current biennium by November 1 of each even-numbered year.

The board of visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate commitment provided to need-based grant aid for middle-income and lower-income undergraduate Virginians. Except as provided otherwise in the general appropriation act then in effect, it is the intent of the Commonwealth and the University that the University shall be exempt from the revenue restrictions in the general provisions of the general appropriation act related to nongeneral funds. In addition, unless prohibited by the general appropriation act then in effect, it is the intent of the Commonwealth and the University that the University shall be entitled to retain nongeneral fund savings generated from changes in Commonwealth rates and charges, including but not limited to health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates rather than reverting such savings back to the Commonwealth.

For the receipt of general and nongeneral funds, the University shall conform to the Virginia Security for Public Deposits Act, Chapter 44 (§ 2.2-4400 et seq.) of Title 2.2 of the Code of Virginia, as it currently exists and from time to time may be amended.

VIII. ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall continue to be authorized to create and implement any and all accounts receivable management and collection policies as part of a system for the management of University financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of Title 2.2 of the Code of Virginia, such that the University shall take all appropriate and cost-effective actions to aggressively collect accounts receivable in a timely manner.

These actions shall include, but not be limited to, establishing the criteria for granting credit to University customers; establishing the nature and timing of collection procedures within the above general principles; and the independent authority to select and contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and all collection activities for all University accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the University shall continue to utilize the Commonwealth's debt set off collection programs and procedures, shall develop procedures acceptable to the Tax Commissioner and the State Comptroller to implement such programs, and shall provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of Title 2.2 of the Code of Virginia.

IX. DISBURSEMENT MANAGEMENT.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall continue to be authorized to create and implement any and all disbursement policies as part of a system for the management of University financial resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from whatever source derived, in the execution of the University's operations. These policies also shall continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or services relative to the University's mission, including travel-related disbursements. Further, the University's disbursement policy shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and electronic payments.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, is authorized to independently select, engage, and contract for such consultants, accountants, and financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The University will continue to locally manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those programs, as it has as part of its Level 2.5 authority.

The disbursement policies shall ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll disbursements. The University shall continue to provide summary quarterly prompt payment reports to the Department of Accounts in accordance with the reporting procedures established pursuant to the Prompt Payment Act.

The University has operated for many years at Level II and 2.5 as part of the Act. The University's disbursement policies shall continue to be guided by the principles of the Commonwealth's policies as included in the Commonwealth's Accounting Policy and Procedures Manual. Upon the effective date, the University shall continue to follow its current

disbursement policies, as well as any new disbursement policies that have been developed and submitted to the State Comptroller for review and comment as a result of the management agreement. Any significant new disbursement policies developed after the effective date shall be submitted to the State Comptroller for review and comment before being implemented by the University.

X. DEBT MANAGEMENT.

The University has a board of visitors-approved debt policy that defines the maximum percent of institutional resources that can be used to pay debt service in a fiscal year and the maximum amount of debt that can be prudently issued within a specific period. Annually, the board is provided a report on the University's debt-related activities. Any change in the debt policy shall be submitted to the State Treasurer for review and comment prior to their adoption by the University.

The President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall continue to be authorized to create and implement any and all debt management policies as part of a system for the management of University financial resources.

Pursuant to subsection C of § 23.1-1015 of the Act, the University shall have the authority to issue bonds, notes, or other obligations that do not constitute state tax-supported debt, as determined by the Treasury Board, and that are consistent with debt capacity and management policies and guidelines established by its board of visitors, without obtaining the consent of any legislative body, elected official, commission, board, bureau, or agency of the Commonwealth or of any political subdivision, and without any proceedings or conditions other than those specifically required by Article 4 of the Act, provided, however, that the University shall notify the State Treasurer of its intention to issue bonds pursuant to this policy at the time it adopts the bond issuance planning schedule for those bonds. Any new or revised debt capacity and management policy shall be submitted to the State Treasurer for review and comment prior to its adoption by the University.

The University recognizes that there are numerous types of financing structures and funding sources available, each with specific benefits, risks, and costs. All potential funding sources shall be reviewed by the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, within the context of the overall portfolio to ensure that any financial product or structure is consistent with the University's objectives. Regardless of the financing structure(s) utilized, the President of the University, acting through the Senior Vice President of Administration and Finance or his designee, shall obtain sufficient documentation to gain a full understanding of the transaction, including (i) the identification of potential risks and benefits and (ii) an analysis of the impact on University creditworthiness and debt capacity. All such debt or financial products issued pursuant to the provisions of §§ 23.1-1014 and 23.1-1015 of the Act shall be authorized by resolution of the board of visitors, providing that they do not constitute state tax-supported debt.

XI. INVESTMENT POLICY.

It is the policy of the University to invest public funds in a manner that will provide the highest investment return with the maximum security while meeting the daily cash flow demands of the entity and conforming to all statutes governing the investment of public funds. Investments shall be made with the care, skill, prudence, and diligence under the circumstances then prevailing that a prudent person in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims. This policy conforms with the Investment of Public Funds Act, Chapter 45 (§ 2.2-4500 et seq.) of Title 2.2 of the Code of Virginia.

Endowment investments, if any, shall be invested and managed in accordance with the Uniform Prudent Management of Institutional Funds Act, Chapter 11 (§ 64.2-1100 et seq.) of Title 64.2 of the Code of Virginia.

The University is charged with the responsibility of reporting to the board of visitors on an annual basis.

XII. INSURANCE AND RISK MANAGEMENT.

By July 1 of each odd-numbered year, the University shall inform the Secretary of Finance of any intent during the next biennium to withdraw from any insurance or risk management program made available to the University through the Commonwealth's Division of Risk Management and in which the University is then participating, to enable the Commonwealth to complete an adverse selection analysis of any such decision and to determine the additional costs to the Commonwealth that would result from any such withdrawal. If, upon notice of such additional costs to the Commonwealth, the University proceeds to withdraw from the insurance or risk management program, the University shall reimburse the Commonwealth for all such additional costs attributable to such withdrawal, as determined by the Commonwealth's actuaries. Such payment shall be made in a manner agreeable to both the University and the Commonwealth.

2. That notwithstanding the provisions of subsections A and B of § 23.1-1007 of the Code of Virginia, the management agreement negotiated by James Madison University (the University) shall continue in effect unless the Governor, the General Assembly, or the University determine that the management agreement needs to be renegotiated or revised.

(a) Generally. In accordance with the Constitutions of the Commonwealth of Virginia and the United States, the city may raise annual taxes and assessments on property, persons and other subjects of taxation, which are not prohibited by law, such sums of money as in the judgment of the city are necessary to pay the debts, defray the expense, accomplish the purposes, and perform the functions of the city, in such manner as the council deems necessary or expedient. The city shall impose no tax on its bonds.

(b) Consumer utility tax, etc. The city shall have power to impose, levy, and collect, in such manner as its council shall deem expedient, a consumer or subscriber tax upon the amount paid for the use within the city of water, electricity, gas, telephone, television, cell phone, wireless, and any public utility service, or the amount paid for any one or more of such public utility services used within the city, and the council may provide that such tax shall be added to and collected with bills rendered consumers for such services.

(e) Imposition of license taxes; fine or penalty for doing business without license; fees to be paid on grant or transfer of license.

(1) License taxes may be imposed by ordinance on businesses, trades, professions, and callings and upon the persons, firms, associations, and corporations engaged therein, and the agents thereof, except in cases where taxation by the locality shall be prohibited by general law, and nothing herein shall be construed to repeal or amend any general law with respect to taxation.

(2) The council may subject any person, who, without having obtained a license therefor, shall do any act or follow any business, occupation, vocation, pursuit, or calling in the city for which a license may be required by ordinance, to such fine or penalty as it is authorized to impose for any violation of its laws.

(3) For every city license granted or transferred by the commissioner of revenue under this Charter, the commissioner shall charge a fee to be prescribed by an ordinance. Such license or transfer may be withheld until the fees are paid into the city treasury for city purposes.

(f) Levy on other property. It is hereby expressly provided that said council shall, in its discretion, be authorized to fix such annual levy on property subject to taxation in the City of Waynesboro, for city purposes, without any limit as to the rate thereof, any provisions of the general laws of the state to the contrary notwithstanding, provided that said council shall not fix such levy on property partially segregated to the state for purposes of state taxation at a higher rate than is or may be permitted by the general laws relating thereto.

(g) Issuance of bonds, notes, and evidence of debt.

(1) For the execution of its powers and duties, the city council may, in the name and for the use of the city, contract loans and cause to be issued certificates of debts or bonds, provided no such certificate of debt or bonds shall be issued except by ordinance adopted in accordance with Section 7 of Article VII of the Constitution of Virginia, and otherwise in

No such certificate or bonds shall be issued prior to city council holding a public hearing on the question, duly advertised at least ten (10) days in advance in a general newspaper of local circulation, and the ordinance authorizing any such certificate or bonds shall be introduced at one meeting of city council and adopted at a second meeting at least seven (7) calendar days after such introduction.

(2) Notwithstanding the foregoing paragraph, no bonds, notes, or other obligations shall be issued until their issuance shall have been authorized by a majority of the qualified voters of the city voting on the question at an election held for the purpose in the manner provided by general law, except as follows:

(i) The council may authorize the issuance of refunding bonds or refunding notes by an ordinance adopted in the manner set forth in subdivision (g) (1) by the affirmative vote of a majority of all members of the council.

(ii) The council may authorize, by an ordinance adopted in the manner set forth in subdivision (g) (1) by the affirmative vote of four-fifths (4/5) of all members of the council, the issuance of bonds and other obligations of a type excluded from the computation of indebtedness of cities under Section 10 (a) of Article VII of the Constitution by complying with the conditions for exclusion set forth therein.

(iii) The city shall have the authority without a vote of the people to make temporary loans not in excess of what may be paid out of current revenues for the fiscal year in which made.

(v) The city shall have the authority, by an ordinance adopted in the manner set forth in subdivision (g) (1) by the affirmative vote of four-fifths (4/5) of all members of the council, to issue without a vote of the people bonds or interest-bearing obligations which, including existing general obligation indebtedness, do not exceed ten percent (10%) of the assessed valuation of the real estate in the city subject to taxation, as shown by the last preceding assessment for taxes.

After the hearing before the city assessor, if a person is still aggrieved by the assessment, such person may apply to the board of equalization for a hearing. Application for relief to the board of equalization in the year for which the assessment is challenged and disposition of such application by the board of equalization shall continue to be prerequisites to the jurisdiction of the circuit court to hear an appeal with respect to a real estate assessment for that year.* The council may by ordinance permit taxes to be paid in semi-annual installments.

(i) Additional powers. The city, the financial officers, and all deputies and agents charged with the duty of collecting any and all taxes, licenses, and assessments due the city shall have all the powers provided by law for the collection thereof to cities and towns and their respective officers thereof, and in addition shall have all the rights, powers, and remedies provided to any state officers for the collection of taxes. It is further expressly provided that the treasurer, commission of the revenue, and court clerk shall proceed under the general law for handling of delinquent lands, the sale thereof, the purchase of same with the required reports of sale and all provisions for redemption, or if not redeemed for the making of a tax title deed, in accordance with the provisions of the tax code of Virginia. In addition to the lien for the principal amount of such taxes, the city shall have a lien, with all the priorities provided therefor, for any and all penalties, interest, and costs accrued by reason of delinquency in the payment of such taxes.

§ 3.4. Organizational rules; election of mayor.

(a) ~~At nine o'clock ante meridian on the first day of July following a regular municipal election, or if such day is a Sunday, then on the day following, the council shall meet at the usual place for holding the meetings of the legislative board of the city. The city council shall assemble for an organizational meeting at its first regular session in July each year for the purposes set forth in § 15.2-1416 of the Code of Virginia, at which time the newly elected council members, after first having taken oaths prescribed by law, shall assume the duties of the office. Thereafter, the council shall meet at such times as may be prescribed by ordinance or resolution, except that they shall regularly meet not less than once each month. The mayor, any member of the council, or the city manager may call special meetings of the council at any time (on at least twelve (12) hours written notice), with the purpose of said meeting stated therein, to each member served personally or left at such member's usual place of business or residence. No business other than that mentioned in the call shall be considered at such meeting, except upon the consent of no fewer than four-fifths (4/5) of the members of the council.~~

The mayor shall have a vote and voice in the proceedings, but no veto. The mayor shall be the official head of the city but shall have no jurisdiction or authority to hear, determine, or try any civil or criminal matters. In times of public danger or emergency, the mayor, or during the mayor's absence or disability, the city manager, may take command of the police and maintain order and enforce the laws, and for this purpose, may deputize such assistant police officers as may be necessary. During absence or disability,

except as above provided, the city manager's duties shall be performed by another member appointed by the council. The mayor shall authenticate by signature such instruments as the council, this Charter, or the laws of the state shall require.

(e) On the ~~first~~ day of the *first regular meeting* in July following the regular municipal election and organization of the council, or as soon thereafter as may be practicable, the council shall elect a city manager, city clerk, city attorney, city assessor, and such other officers as may come within their jurisdiction, each of whom shall serve at the pleasure of the council, provided that the council may elect the city clerk, city manager, city attorney, city assessor, and such other officers for terms of one year each, beginning July 1, subject to removal by the council for cause, and in no event shall the council elect any officer for a term extending beyond June 30 next succeeding each regular biennial municipal election for members of the council.

§ 3.5. Ordinances and resolutions.

(a) Except in dealing with parliamentary procedure, the council shall act only by ordinance or resolution, and with the exception of ordinances making appropriations or authorizing the contracting of indebtedness, shall be confined to one subject, although nothing shall prevent council from acting collectively on a number of resolutions or ordinances by one comprehensive action approving a consent agenda containing all such resolutions and ordinances.

(b) Each proposed ordinance or resolution shall be introduced in a written or printed form, and the enacting clause of all ordinances passed by the council shall substantially be, "Be it ordained by the council of the City of Waynesboro, Virginia."

(c) ~~No~~ *Except as provided herein, no ordinance, or resolution having the effect of an ordinance, or resolution suspending an ordinance, unless it is an emergency measure, shall be passed until it has been considered at two meetings not less than one week apart, one of which shall be a regular meeting and the other of which may be either an adjourned or called meeting. Any ordinance or resolution considered at one such meeting may be amended and passed as amended at the next such meeting, provided that the amendment does not materially change the ordinance. No ordinance shall be amended unless such section or sections as are intended to be amended shall be reenacted. Nonetheless, an ordinance, or resolution having the effect of an ordinance, wherein the city is the recipient of money, funds, or a grant may be passed upon one consideration at a meeting open to the public.* The ayes and noes shall be taken and recorded upon the passage of all ordinances or resolutions and entered upon the journal of the proceedings of the council. Except as otherwise provided in this Charter, an affirmative vote of a majority of the members elected to the council shall be necessary to adopt any ordinance or resolution.

(d) Effective date of ordinances; emergency measures. No ordinance passed by the council shall take effect until at least ten (10) days from the date of its passage, except that the council may, by the affirmative vote of the majority of its members, pass emergency measures to take effect at the time indicated therein or specifically provide that a nonemergency ordinance take effect immediately upon its passage.

(e) Recordation and authentication of ordinances; publication of ordinances; introduction of ordinances in evidence.

(1) Every ordinance, or resolution having the effect of an ordinance, when passed shall be recorded by the city clerk in a book kept for that purpose and shall be authenticated by the signature of the presiding officer and the city clerk.

(2) Every ordinance of a general or permanent nature shall be published in full once within ten (10) days after its final passage by posting a copy thereof at the front door of the municipal building and at two other public places in the city or, when ordered by the council, by publication in a newspaper published or circulated in the city for such time as the council may direct, provided that the foregoing requirements as to publication shall not apply to ordinances reordained in or by a general compilation or codification of ordinances printed by authority of the council.

(3) A record or entry made by the city clerk or a copy of such record or entry duly certified by said clerk shall be prima facie evidence of the terms of the ordinance and its due publication. All ordinances and resolutions of the council may be read in evidence in all courts and in all other proceedings in which it may be necessary to refer thereto, either from the original record thereof, from a copy thereof, certified by the city clerk, or from any volume of ordinances printed by authority of the council.

(f) Publication of indexed ordinances. The council shall from time to time direct the publication, with suitable index, of the city ordinances.

[S 1373]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 15.2-2303.4 of the Code of Virginia is amended and reenacted as follows:

§ 15.2-2303.4. Provisions applicable to certain conditional rezoning proffers.

A. For purposes of this section, unless the context requires a different meaning:

"New residential development" means any construction or building expansion on residentially zoned property, including a residential component of a mixed-use development, that results in either one or more additional residential dwelling units or, otherwise, fewer residential dwelling units, beyond what may be permitted by right under the then-existing zoning of the property, when such new residential development requires a rezoning or proffer condition amendment.

"New residential use" means any use of residentially zoned property that requires a rezoning or that requires a proffer condition amendment to allow for new residential development.

"Offsite proffer" means a proffer addressing an impact outside the boundaries of the property to be developed and shall include all cash proffers.

"Onsite proffer" means a proffer addressing an impact within the boundaries of the property to be developed and shall not include any cash proffers.

"Proffer condition amendment" means an amendment to an existing proffer statement applicable to a property or properties.

"Public facilities" means public transportation facilities, public safety facilities, public school facilities, or public parks.

"Public facility improvement" means an offsite public transportation facility improvement, a public safety facility improvement, a public school facility improvement, or an improvement to or construction of a public park. No public facility improvement shall include any operating expense of an existing public facility, such as ordinary maintenance or repair, or any capital improvement to an existing public facility, such as a renovation or technology upgrade, that does not expand the capacity of such facility. For purposes of this section, the term "public park" shall include playgrounds and other recreational facilities.

"Public safety facility improvement" means construction of new law-enforcement, fire, emergency medical, and rescue facilities or expansion of existing public safety facilities, to include all buildings, structures, parking, and other costs directly related thereto.

"Residentially zoned property" means property zoned or proposed to be zoned for either single-family or multifamily housing.

"Small area comprehensive plan" means that portion of a comprehensive plan adopted pursuant to § 15.2-2223 that is specifically applicable to a delineated area within a locality rather than the locality as a whole.

B. Notwithstanding any other provision of law, general or special, no ~~locality~~ *local governing body* shall (i) ~~request or accept~~ *require* any unreasonable proffer, as described in subsection C, in connection with a rezoning or a proffer condition amendment as a condition of approval of a new residential development or new residential use or (ii) deny any rezoning application or proffer condition amendment for a new residential development or new residential use where such denial is based in whole or in part on an applicant's failure or refusal to submit an unreasonable proffer or proffer condition amendment.

C. Notwithstanding any other provision of law, general or special, ~~(i)~~ as used in this chapter, a proffer, or proffer condition amendment, whether onsite or offsite, offered voluntarily pursuant to § 15.2-2297, 15.2-2298, 15.2-2303, or 15.2-2303.1, shall be deemed unreasonable unless ~~it~~:

1. It addresses an impact that is specifically attributable to a proposed new residential development or other new residential use applied for; and ~~(ii) an offsite proffer shall be deemed unreasonable pursuant to subdivision (i) unless~~

2. ~~If an offsite proffer~~, it addresses an impact to an offsite public facility, such that ~~(a)~~ (i) the new residential development or new residential use creates a need, or an identifiable portion of a need, for one or more public facility improvements in excess of existing public facility capacity at the time of the rezoning or proffer condition amendment and ~~(b)~~ (ii) each such new residential development or new residential use applied for receives a direct and material benefit from a proffer made with respect to any such public facility improvements. ~~For the purposes of this section, a~~ A locality may base its assessment of public facility capacity on the projected impacts specifically attributable to the new residential development or new residential use.

D. Notwithstanding the provisions of subsection C:

1. An applicant or owner may, at the time of filing an application pursuant to this section or during the development review process, submit any onsite or offsite proffer that the owner and applicant deem reasonable and appropriate, as conclusively evidenced by the signed proffers.

2. Failure to submit proffers as set forth in subdivision 1 shall not be a basis for the denial of any rezoning or proffer condition amendment application.

E. Notwithstanding any other provision of law, general or special:

1. Actions brought to contest the action of a ~~locality~~ *local governing body* in violation of this section shall be brought only by the aggrieved applicant or the owner of the property subject to a rezoning or proffer condition amendment pursuant to subsection F of § 15.2-2285, *provided that the applicant objected in writing to the governing body regarding a proposed condition prior to the governing body's grant or denial of the rezoning application.*

2. In any action in which a ~~locality~~ *local governing body* has denied a rezoning or an amendment to an existing proffer and the aggrieved applicant proves by a preponderance of the evidence that it refused or failed to submit an unreasonable proffer or proffer condition amendment that ~~it has proven~~ was suggested, requested, or required in writing by the ~~locality~~ *local governing body* in violation of this section, the court shall presume, absent clear and convincing evidence to the contrary, that such refusal or failure was the controlling basis for the denial.

3. In any successful action brought pursuant to this section contesting an action of a ~~locality~~ *local governing body* in violation of this section, the applicant may be entitled to an award of reasonable attorney fees and costs and to an order remanding the matter to the governing body with a direction to approve the rezoning or proffer condition amendment without the inclusion of any unreasonable proffer *or to amend the proffer to bring it into compliance with this section.* If the ~~locality~~ *local governing body* fails or refuses to approve the rezoning or proffer condition amendment, *or fails or refuses to amend the proffer to bring it into compliance with this section,* within a reasonable time not to exceed 90 days from the date of the court's order to do so, the court shall enjoin the ~~locality~~ *local governing body* from interfering with the use of the property as applied for without the unreasonable proffer. Upon remand to the local governing body pursuant to this subsection, the requirements of § 15.2-2204 shall not apply.

~~E.~~ F. The provisions of this section shall not apply to any new residential development or new residential use occurring within any of the following areas: (i) an approved small area comprehensive plan in which the delineated area is designated as a revitalization area, encompasses mass transit as defined in § 33.2-100, includes mixed use development, and allows a density of at least 3.0 floor area ratio in a portion thereof; (ii) an approved small area comprehensive plan that encompasses an existing or planned Metrorail station, or is adjacent to a Metrorail station located in a neighboring locality, and allows additional density within the vicinity of such existing or planned station; or (iii) an approved service district created pursuant to § 15.2-2400 that encompasses an existing or planned Metrorail station.

~~F.~~ G. This section shall be construed as supplementary to any existing provisions limiting or curtailing proffers or proffer condition amendments for new residential development or new residential use that are consistent with its terms and shall be construed to supersede any existing statutory provision with respect to proffers or proffer condition amendments for new residential development or new residential use that are inconsistent with its terms.

H. Notwithstanding any provision in this section to the contrary, nothing contained herein shall be deemed or interpreted to prohibit or to require communications between an applicant or owner and the locality. The applicant, owner, and locality may engage in pre-filing and post-filing discussions regarding the potential impacts of a proposed new residential development or new residential use on public facilities as defined in subsection A and on other public facilities of the locality, and potential voluntary onsite or offsite proffers, permitted under subsections C and D, that might address those impacts. Such verbal discussions shall not be used as the basis that an unreasonable proffer or proffer condition amendment was required by the locality. Furthermore, notwithstanding any provision in this section to the contrary, nothing contained

herein shall be deemed or interpreted to prohibit or to require presentation, analysis, or discussion of the potential impacts of new residential development or new residential use on the locality's public facilities.

2. That the third enactment of Chapter 322 of the Acts of Assembly of 2016 is repealed.

3. That this act shall be effective as to any application for a rezoning filed on or after July 1, 2019, or for a proffer condition amendment amending a rezoning that was filed on or after July 1, 2019, or to any then-pending rezoning application in which the applicant elects to proceed hereunder, by amendment of that pending application.

4. That an applicant with a pending application for a rezoning or proffer condition amendment that was filed prior to July 1, 2016, may continue to proceed under the law as it existed prior to that date, and an applicant with a pending rezoning application filed on or after July 1, 2016, but before July 1, 2019, or proffer condition amendment application amending a rezoning for which the application was filed on or after July 1, 2016, but before July 1, 2019, may continue to proceed under the law as it existed during that period.

CHAPTER 130

An Act to amend and reenact § 8.01-126 of the Code of Virginia, relating to unlawful detainer; initial hearing; subsequent filings; termination notice.

[S 1627]

Approved February 21, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 8.01-126 of the Code of Virginia is amended and reenacted as follows:

§ 8.01-126. Summons for unlawful detainer issued by magistrate or clerk or judge of a general district court.

A. For the purposes of this section, "termination notice" means a notice given under § 55-248.31 or other notice of termination of tenancy given by the landlord to the tenant of a dwelling unit, or any notice of termination given by a landlord to a tenant of a nonresidential premises.

*B. In any case when possession of any house, land or tenement is unlawfully detained by the person in possession thereof, the landlord, his agent, attorney, or other person, entitled to the possession may present to a magistrate or a clerk or judge of a general district court a statement under oath of the facts which authorize the removal of the tenant or other person in possession, describing such premises; and thereupon such magistrate, clerk or judge shall issue his summons against the person or persons named in such affidavit. The process issued upon any such summons issued by a magistrate, clerk or judge may be served as provided in § 8.01-293, 8.01-296, or 8.01-299. When issued by a magistrate it may be returned to and the case heard and determined by the judge of a general district court. If the summons for unlawful detainer is filed to terminate a tenancy pursuant to the Virginia Residential Landlord and Tenant Act (§ 55-248.2 et seq.), the initial hearing on such summons shall occur as soon as practicable, but not more than 21 days from the date of filing. If the case cannot be heard within 21 days from the date of filing, the initial hearing shall be held as soon as practicable, *but in no event later than 30 days after the date of the filing*. If the plaintiff requests that the initial hearing be set on a date later than 21 days from the date of filing, the initial hearing shall be set on a date the plaintiff is available that is also available for the court. Such summons shall be served at least 10 days before the return day thereof.*

~~*B. C. Notwithstanding any other rule of court or provision of law to the contrary, the plaintiff in an unlawful detainer case may submit into evidence a photocopy of a properly executed paper document or paper printout of an electronically stored document including a copy of the original lease or other documents, provided that the plaintiff provides an affidavit or sworn testimony that the copy of such document is a true and accurate copy of the original lease. An attorney or agent of the landlord or managing agent may present such affidavit into evidence.*~~

~~*C. D. 1. Notwithstanding any other rule of court or provision of law to the contrary, when the defendant does not make an appearance in court, the plaintiff or the plaintiff's attorney or agent may submit into evidence by an affidavit or sworn testimony a statement of the amount of outstanding rent, late charges, attorney fees, and any other charges or damages due as of the date of the hearing. The plaintiff or the plaintiff's attorney or agent shall advise the court of any payments by the defendant that result in a variance reducing the amount due the plaintiff as of the day of the hearing.*~~

~~*2. a. If the unlawful detainer summons served upon the defendant requests judgment for all amounts due as of the date of the hearing, the court shall permit amendment of the amount requested on the summons for unlawful detainer filed in court in accordance with the evidence and in accordance with the amounts contracted for in the rental agreement and shall enter a judgment for such amount due as of the date of the hearing in addition to entering an order of possession for the premises. Notwithstanding any rule of court or provision of law to the contrary, no order of possession shall be entered unless the plaintiff or plaintiff's attorney or agent has presented a copy of a proper termination notice that the court admits into evidence.*~~

~~*b. Notwithstanding any rule of court or provision of law to the contrary, a plaintiff may amend the amount alleged to be due and owing in an unlawful detainer to request all amounts due and owing as of the date of the hearing. If additional amounts become due and owing prior to the final disposition of a pending unlawful detainer, the plaintiff may also amend the amount alleged to be due and owing to include such additional amounts. If the plaintiff requests to amend the amount alleged to be due and owing in an unlawful detainer, the judge shall grant such amendment. Upon amendment of the unlawful detainer, such plaintiff shall not subsequently file an additional summons for unlawful detainer against the*~~

defendant for such additional amounts if such additional amounts could have been included in such amendment. If another unlawful detainer is filed, the court shall dismiss the subsequent unlawful detainer. Nothing herein shall be construed to preclude a plaintiff from filing an unlawful detainer for a non-rent violation during the pendency of an unlawful detainer for nonpayment of rent.

3. In determining the amount due the plaintiff as of the date of the hearing, if the rental agreement or lease provides that rent is due and payable on the first of the month in advance for the entire month, at the request of the plaintiff or the plaintiff's attorney or agent, the amount due as of the date of the hearing shall include the rent due for the entire month in which the hearing is held, and rent shall not be prorated as of the actual court date. Otherwise, the rent shall be prorated as of the date of the hearing. However, nothing herein shall be construed to permit a landlord to collect rent in excess of the amount stated in such rental agreement or lease. If a money judgment has been granted for the amount due for the month of the hearing pursuant to this section and the landlord re-rents such dwelling unit and receives rent from a new tenant prior to the end of such month, the landlord is required to reflect the applicable portion of the judgment as satisfied pursuant to § 16.1-94.01.

4. If, on the date of a foreclosure sale of a single-family residential dwelling unit, the former owner remains in possession of such dwelling unit, such former owner becomes a tenant at sufferance. Such tenancy may be terminated by a written termination notice from the successor owner given to such tenant at least three days prior to the effective date of termination. Upon the expiration of the three-day period, the successor owner may file an unlawful detainer under this section. Such tenant shall be responsible for payment of fair market rental from the date of such foreclosure until the date the tenant vacates the dwelling unit, as well as damages, and for payment of reasonable attorney fees and court costs.

B. This section shall in no way limit other grounds that exist at law or in equity for the unenforceability of any such agreement or any provision of such agreement.

CHAPTER 132

An Act to amend and reenact § 8.01-126 of the Code of Virginia, relating to unlawful detainer; initial hearing; subsequent filings; termination notice.

[H 1922]

Approved February 22, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 8.01-126 of the Code of Virginia is amended and reenacted as follows:

§ 8.01-126. Summons for unlawful detainer issued by magistrate or clerk or judge of a general district court.

A. For the purposes of this section, "termination notice" means a notice given under § 55-248.31 or other notice of termination of tenancy given by the landlord to the tenant of a dwelling unit, or any notice of termination given by a landlord to a tenant of a nonresidential premises.

*B. In any case when possession of any house, land or tenement is unlawfully detained by the person in possession thereof, the landlord, his agent, attorney, or other person, entitled to the possession may present to a magistrate or a clerk or judge of a general district court a statement under oath of the facts which authorize the removal of the tenant or other person in possession, describing such premises; and thereupon such magistrate, clerk or judge shall issue his summons against the person or persons named in such affidavit. The process issued upon any such summons issued by a magistrate, clerk or judge may be served as provided in § 8.01-293, 8.01-296, or 8.01-299. When issued by a magistrate it may be returned to and the case heard and determined by the judge of a general district court. If the summons for unlawful detainer is filed to terminate a tenancy pursuant to the Virginia Residential Landlord and Tenant Act (§ 55-248.2 et seq.), the initial hearing on such summons shall occur as soon as practicable, but not more than 21 days from the date of filing. If the case cannot be heard within 21 days from the date of filing, the initial hearing shall be held as soon as practicable, *but in no event later than**

30 days after the date of the filing. If the plaintiff requests that the initial hearing be set on a date later than 21 days from the date of filing, the initial hearing shall be set on a date the plaintiff is available that is also available for the court. Such summons shall be served at least 10 days before the return day thereof.

~~B~~. C. Notwithstanding any other rule of court or provision of law to the contrary, the plaintiff in an unlawful detainer case may submit into evidence a photocopy of a properly executed paper document or paper printout of an electronically stored document including a copy of the original lease or other documents, provided that the plaintiff provides an affidavit or sworn testimony that the copy of such document is a true and accurate copy of the original lease. An attorney or agent of the landlord or managing agent may present such affidavit into evidence.

~~C~~. D. 1. Notwithstanding any other rule of court or provision of law to the contrary, when the defendant does not make an appearance in court, the plaintiff or the plaintiff's attorney or agent may submit into evidence by an affidavit or sworn testimony a statement of the amount of outstanding rent, late charges, attorney fees, and any other charges or damages due as of the date of the hearing. The plaintiff or the plaintiff's attorney or agent shall advise the court of any payments by the defendant that result in a variance reducing the amount due the plaintiff as of the day of the hearing.

2. a. If the unlawful detainer summons served upon the defendant requests judgment for all amounts due as of the date of the hearing, the court shall permit amendment of the amount requested on the summons for unlawful detainer filed in court in accordance with the evidence and in accordance with the amounts contracted for in the rental agreement and shall enter a judgment for such amount due as of the date of the hearing in addition to entering an order of possession for the premises. *Notwithstanding any rule of court or provision of law to the contrary, no order of possession shall be entered unless the plaintiff or plaintiff's attorney or agent has presented a copy of a proper termination notice that the court admits into evidence.*

b. *Notwithstanding any rule of court or provision of law to the contrary, a plaintiff may amend the amount alleged to be due and owing in an unlawful detainer to request all amounts due and owing as of the date of the hearing. If additional amounts become due and owing prior to the final disposition of a pending unlawful detainer, the plaintiff may also amend the amount alleged to be due and owing to include such additional amounts. If the plaintiff requests to amend the amount alleged to be due and owing in an unlawful detainer, the judge shall grant such amendment. Upon amendment of the unlawful detainer, such plaintiff shall not subsequently file an additional summons for unlawful detainer against the defendant for such additional amounts if such additional amounts could have been included in such amendment. If another unlawful detainer is filed, the court shall dismiss the subsequent unlawful detainer. Nothing herein shall be construed to preclude a plaintiff from filing an unlawful detainer for a non-rent violation during the pendency of an unlawful detainer for nonpayment of rent.*

3. In determining the amount due the plaintiff as of the date of the hearing, if the rental agreement or lease provides that rent is due and payable on the first of the month in advance for the entire month, at the request of the plaintiff or the plaintiff's attorney or agent, the amount due as of the date of the hearing shall include the rent due for the entire month in which the hearing is held, and rent shall not be prorated as of the actual court date. Otherwise, the rent shall be prorated as of the date of the hearing. However, nothing herein shall be construed to permit a landlord to collect rent in excess of the amount stated in such rental agreement or lease. If a money judgment has been granted for the amount due for the month of the hearing pursuant to this section and the landlord re-rents such dwelling unit and receives rent from a new tenant prior to the end of such month, the landlord is required to reflect the applicable portion of the judgment as satisfied pursuant to § 16.1-94.01.

4. If, on the date of a foreclosure sale of a single-family residential dwelling unit, the former owner remains in possession of such dwelling unit, such former owner becomes a tenant at sufferance. Such tenancy may be terminated by a written termination notice from the successor owner given to such tenant at least three days prior to the effective date of termination. Upon the expiration of the three-day period, the successor owner may file an unlawful detainer under this section. Such tenant shall be responsible for payment of fair market rental from the date of such foreclosure until the date the tenant vacates the dwelling unit, as well as damages, and for payment of reasonable attorney fees and court costs.

CHAPTER 133

An Act to amend and reenact §§ 20-99.1:1 and 20-106 of the Code of Virginia, relating to no-fault divorce; waiver of service.

[H 1945]

Approved February 22, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 20-99.1:1 and 20-106 of the Code of Virginia are amended and reenacted as follows:

§ 20-99.1:1. How defendant may accept service; waive service.

A. A defendant in such suits may accept service of process by signing the proof of service before any officer authorized to administer oaths. This proof of service shall, when filed with the papers in the suit, have the same effect as if it had been served upon the defendant by a person authorized to serve process. In addition, service of process may be accepted or waived by any party, upon voluntary execution of a notarized writing specifying an intent to accept or waive any particular process, or by a defendant by filing an answer in the suit. Such notarized writing may be provided in the clerk's office of any

circuit court and may be signed by such party to the proceedings before any clerk or deputy clerk of any circuit court, under oath, or may be drafted and filed by counsel *or a pro se party* in the proceeding, and shall, when filed with the papers in the suit, have the same effect as if the process specified had been personally served upon the defendant by a person authorized to serve process. *For a suit for a no-fault divorce under subdivision A (9) of § 20-91, any such waiver may occur within a reasonable time prior to or after the suit is filed, provided that a copy of the complaint is attached to such waiver, or is otherwise provided to the defendant, and the final decree of divorce as proposed by the complainant is signed by the defendant.* The court may enter any order or decree without further notice unless a defendant has filed an answer in the suit.

B. When service is accepted pursuant to this section by a nonresident person out of the Commonwealth, such service shall have the same effect as an order of publication duly executed.

C. Any process served outside the Commonwealth executed in such manner as provided for in this section is validated.

§ 20-106. Testimony may be required to be given orally; evidence by affidavit.

A. In any suit for divorce, the trial court may require the whole or any part of the testimony to be given orally in open court, and if either party desires it, such testimony and the rulings of the court on the exceptions thereto, if any, shall be reduced to writing, and the judge shall certify that such evidence was given before him and such rulings made. When so certified the same shall stand on the same footing as a deposition regularly taken in the cause, provided, however, that no such oral evidence shall be given or heard unless and until after such notice to the adverse party as is required by law to be given of the taking of depositions, or when there has been no service of process within this Commonwealth upon, or appearance by the defendant against whom such testimony is sought to be introduced. However, a party may proceed to take evidence in support of a divorce by deposition or affidavit without leave of court only in support of a divorce on the grounds set forth in subdivision A (9) of § 20-91, where (i) the parties have resolved all issues by a written settlement agreement, (ii) there are no issues other than the grounds of the divorce itself to be adjudicated, or (iii) the adverse party has been personally served with the complaint and has failed to file a responsive pleading or to make an appearance as required by law.

B. The affidavit of a party submitted as evidence shall be based on the personal knowledge of the affiant, contain only facts that would be admissible in court, give factual support to the grounds for divorce stated in the complaint or counterclaim, and establish that the affiant is competent to testify to the contents of the affidavit. If either party is incarcerated, neither party shall submit evidence by affidavit without leave of court or the consent in writing of the guardian ad litem for the incarcerated party, or of the incarcerated party if a guardian ad litem is not required pursuant to § 8.01-9. The affidavit shall:

1. Give factual support to the grounds for divorce stated in the complaint or counterclaim, including that the parties are over the age of 18 and not suffering from any condition that renders either party legally incompetent;

2. Verify whether either party is incarcerated;

3. Verify the military status of the opposing party and advise whether the opposing party has filed an answer or a waiver of his rights under the federal Servicemembers Civil Relief Act (50 U.S.C. § 3901 et seq.);

4. Affirm that at least one party to the suit was at the time of the filing of the suit, and had been for a period in excess of six months immediately preceding the filing of the suit, a bona fide resident and domiciliary of the Commonwealth;

5. Affirm that the parties have lived separate and apart, continuously, without interruption and without cohabitation, and with the intent to remain separate and apart permanently, for the statutory period required by subdivision A (9) of § 20-91;

6. Affirm the affiant's desire to be awarded a divorce pursuant to subdivision A (9) of § 20-91;

7. State whether there were children born or adopted of the marriage and affirm that the wife is not known to be pregnant from the marriage; and

8. Be accompanied by the affidavit of at least one corroborating witness, which shall:

a. Verify that the affiant is over the age of 18 and not suffering from any condition that renders him legally incompetent;

b. Verify whether either party is incarcerated;

c. Give factual support to the grounds for divorce stated in the complaint or counterclaim;

d. Verify that at least one of the parties to the suit was at the time of the filing of the suit, and had been for a period in excess of six months immediately preceding the filing of the suit, a bona fide resident and domiciliary of the Commonwealth;

e. Verify whether there were children born or adopted of the marriage and verify that the wife is not known to be pregnant from the marriage; and

f. Verify the affiant's personal knowledge that the parties have not cohabitated since the date of separation alleged in the complaint or counterclaim and that it has been either party's intention since that date to remain separate and apart permanently.

C. If a party moves for a divorce pursuant to § 20-121.02, any affidavit may be submitted in support of the grounds for divorce set forth in subdivision A (9) of § 20-91.

D. A verified complaint shall not be deemed an affidavit for purposes of this section.

E. Either party may submit the depositions or affidavits required by this section in support of the grounds for divorce requested by either party pursuant to the terms of this section.

F. In contemplation of or in a suit for a no-fault divorce under subdivision A (9) of § 20-91, the plaintiff or his attorney may take and file, as applicable, the complaint, the affidavits or depositions, any other associated documents, and the proposed decree contemporaneously, and a divorce may be granted solely on those documents where the defendant has waived service and, where applicable, notice.

CHAPTER 134

An Act to amend and reenact § 8.01-682 of the Code of Virginia, relating to appellate damages.

[H 1955]

Approved February 22, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 8.01-682 of the Code of Virginia is amended and reenacted as follows:

§ 8.01-682. What damages awarded appellee.

When any judgment is affirmed, *whether in whole or in part*, damages shall be awarded to the appellee *on the portion of the judgment affirmed*. When the judgment is for the payment of money, the damages shall be the interest to which the party is legally entitled, as provided in § 6.2-302 or any other provision of law, from the date of filing the notice of appeal until the date the appellate court issues its mandate. Such interest shall be computed upon the whole amount of the recovery *affirmed*, including interest and costs, and such damages shall be in satisfaction of all interest during such period of time. When the judgment is not for the payment of any money, except costs, the damages shall be such specific sum as the appellate court may deem reasonable, not being more than \$2,500 nor less than \$150.

CHAPTER 135

An Act to amend and reenact § 54.1-3319 of the Code of Virginia, relating to pharmacist; counseling for new prescriptions; disposal of medicine.

[H 1743]

Approved February 22, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 54.1-3319 of the Code of Virginia is amended and reenacted as follows:

§ 54.1-3319. Counseling.

A. A pharmacist shall conduct a prospective drug review before each new prescription is dispensed or delivered to a patient or a person acting on behalf of the patient. Such review shall include screening for potential drug therapy problems due to therapeutic duplication, drug-disease contraindications, drug-drug interactions, including serious interactions with nonprescription or over-the-counter drugs, incorrect drug dosage or duration of drug treatment, drug-allergy interactions, and clinical abuse or misuse. A pharmacist may conduct a prospective drug review before refilling a prescription to the extent the pharmacist deems appropriate in his professional judgment.

B. A pharmacist shall offer to counsel any person who presents a new prescription for filling. The offer to counsel may be made in any manner the pharmacist deems appropriate in his professional judgment, and may include any one or a combination of the following:

1. Face-to-face communication with the pharmacist or the pharmacist's designee;
2. A sign posted in such a manner that it can be seen by patients;
3. A notation affixed to or written on the bag in which the prescription is to be delivered;
4. A notation contained on the prescription container; or
5. By telephone.

For the purposes of medical assistance and other third-party reimbursement or payment programs, any of the above methods, or a combination thereof, shall constitute an acceptable offer to provide counseling, except to the extent this subsection is inconsistent with regulations promulgated by the federal Health Care Financing Administration governing 42 U.S.C. § 1396r-8 (g)(2)(A)(ii). A pharmacist may offer to counsel any person who receives a refill of a prescription to the extent deemed appropriate by the pharmacist in his professional judgment.

C. If the offer to counsel is accepted, the pharmacist shall counsel the person presenting the prescription to the extent the pharmacist deems appropriate in his professional judgment. Such counseling shall be performed by the pharmacist himself and may, but need not, include the following:

1. The name and description of the medication;
2. The dosage form, dosage, route of administration, and duration of drug therapy;
3. Special directions and precautions for preparation, administration, and use by the patient;
4. Common adverse or severe side effects or interactions and therapeutic contraindications that may be encountered, including their avoidance, and the action required if they occur;
5. Techniques for self-monitoring drug therapy;
6. Proper storage *and disposal*;

7. Prescription refill information; and
8. Action to be taken in the event of a missed dose.

Nothing in this section shall be construed as requiring a pharmacist to provide counseling when the person presenting the prescription fails to accept the pharmacist's offer to counsel. If the prescription is delivered to a person residing outside of the local telephone calling area of the pharmacy, the pharmacist shall either provide a toll-free telephone number or accept reasonable collect calls from such person.

D. Reasonable efforts shall be made to obtain, record, and maintain the following patient information generated at the individual pharmacy:

1. Name, address, telephone number, date of birth or age, and gender;
2. Individual history where significant, including known allergies and drug reactions, and a comprehensive list of medications and relevant devices; and
3. Any additional comments relevant to the patient's drug use, including any failure to accept the pharmacist's offer to counsel.

Such information may be recorded in the patient's manual or electronic profile, or in the prescription signature log, or in any other system of records and may be considered by the pharmacist in the exercise of his professional judgment concerning both the offer to counsel and content of counseling. The absence of any record of a failure to accept the pharmacist's offer to counsel shall be presumed to signify that such offer was accepted and that such counseling was provided.

E. This section shall not apply to any drug dispensed to an inpatient of a hospital or nursing home, except to the extent required by regulations promulgated by the federal Health Care Financing Administration implementing 42 U.S.C. § 1396r-8 (g)(2)(A).

CHAPTER 136

An Act to amend and reenact § 32.1-102.2, as it is currently effective and as it shall become effective, and § 32.1-127 of the Code of Virginia, relating to certificates of public need; nursing homes and hospitals; disaster exemption.

[H 1870]

Approved February 22, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 32.1-102.2, as it is currently effective and as it shall become effective, and § 32.1-127 of the Code of Virginia are amended and reenacted as follows:

§ 32.1-102.2. (Effective until July 1, 2019) Regulations.

A. The Board shall promulgate regulations which are consistent with this article and:

1. Shall establish concise procedures for the prompt review of applications for certificates consistent with the provisions of this article which may include a structured batching process which incorporates, but is not limited to, authorization for the Commissioner to request proposals for certain projects. In any structured batching process established by the Board, applications, combined or separate, for computed tomographic (CT) scanning, magnetic resonance imaging (MRI), positron emission tomographic (PET) scanning, radiation therapy, stereotactic radiotherapy, proton beam therapy, or nuclear imaging shall be considered in the radiation therapy batch. A single application may be filed for a combination of (i) radiation therapy, stereotactic radiotherapy and proton beam therapy, and (ii) any or all of the computed tomographic (CT) scanning, magnetic resonance imaging (MRI), positron emission tomographic (PET) scanning, and nuclear medicine imaging;

2. May classify projects and may eliminate one or more or all of the procedures prescribed in § 32.1-102.6 for different classifications;

3. May provide for exempting from the requirement of a certificate projects determined by the Commissioner, upon application for exemption, to be subject to the economic forces of a competitive market or to have no discernible impact on the cost or quality of health services;

4. Shall establish specific criteria for determining need in rural areas, giving due consideration to distinct and unique geographic, socioeconomic, cultural, transportation, and other barriers to access to care in such areas and providing for weighted calculations of need based on the barriers to health care access in such rural areas in lieu of the determinations of need used for the particular proposed project within the relevant health systems area as a whole;

5. May establish, on or after July 1, 1999, a schedule of fees for applications for certificates to be applied to expenses for the administration and operation of the certificate of public need program. Such fees shall not be less than \$1,000 nor exceed the lesser of one percent of the proposed expenditure for the project or \$20,000. Until such time as the Board shall establish a schedule of fees, such fees shall be one percent of the proposed expenditure for the project; however, such fees shall not be less than \$1,000 or more than \$20,000; ~~and~~

6. Shall establish an expedited application and review process for any certificate for projects reviewable pursuant to subdivision 8 of the definition of "project" in § 32.1-102.1. Regulations establishing the expedited application and review procedure shall include provisions for notice and opportunity for public comment on the application for a certificate, and

criteria pursuant to which an application that would normally undergo the review process would instead undergo the full certificate of public need review process set forth in § 32.1-102.6; and

7. Shall establish an exemption from the requirement for a certificate, for a period of no more than 30 days, for projects involving a temporary increase in the total number of beds in an existing hospital or nursing home when the Commissioner has determined that a natural or man-made disaster has caused the evacuation of a hospital or nursing home and that a public health emergency exists due to a shortage of hospital or nursing home beds.

B. The Board shall promulgate regulations providing for time limitations for schedules for completion and limitations on the exceeding of the maximum capital expenditure amount for all reviewable projects. The Commissioner shall not approve any such extension or excess unless it complies with the Board's regulations. However, the Commissioner may approve a significant change in cost for an approved project that exceeds the authorized capital expenditure by more than 20 percent, provided the applicant has demonstrated that the cost increases are reasonable and necessary under all the circumstances and do not result from any material expansion of the project as approved.

C. The Board shall also promulgate regulations authorizing the Commissioner to condition approval of a certificate on the agreement of the applicant to provide a level of care at a reduced rate to indigents or accept patients requiring specialized care. In addition, the Board's licensure regulations shall direct the Commissioner to condition the issuing or renewing of any license for any applicant whose certificate was approved upon such condition on whether such applicant has complied with any agreement to provide a level of care at a reduced rate to indigents or accept patients requiring specialized care.

§ 32.1-102.2. (Effective July 1, 2019) Regulations.

The Board shall promulgate regulations that are consistent with this article and:

1. Shall establish concise procedures for the prompt review of applications for certificates consistent with the provisions of this article which may include a structured batching process which incorporates, but is not limited to, authorization for the Commissioner to request proposals for certain projects. In any structured batching process established by the Board, applications, combined or separate, for computed tomographic (CT) scanning, magnetic resonance imaging (MRI), positron emission tomographic (PET) scanning, radiation therapy, stereotactic radiotherapy, proton beam therapy, or nuclear imaging shall be considered in the radiation therapy batch. A single application may be filed for a combination of (i) radiation therapy, stereotactic radiotherapy and proton beam therapy, and (ii) any or all of the computed tomographic (CT) scanning, magnetic resonance imaging (MRI), positron emission tomographic (PET) scanning, and nuclear medicine imaging;

2. May classify projects and may eliminate one or more or all of the procedures prescribed in § 32.1-102.6 for different classifications;

3. May provide for exempting from the requirement of a certificate projects determined by the Commissioner, upon application for exemption, to be subject to the economic forces of a competitive market or to have no discernible impact on the cost or quality of health services;

4. Shall establish specific criteria for determining need in rural areas, giving due consideration to distinct and unique geographic, socioeconomic, cultural, transportation, and other barriers to access to care in such areas and providing for weighted calculations of need based on the barriers to health care access in such rural areas in lieu of the determinations of need used for the particular proposed project within the relevant health systems area as a whole;

5. May establish, on or after July 1, 1999, a schedule of fees for applications for certificates to be applied to expenses for the administration and operation of the certificate of public need program. Such fees shall not be less than \$1,000 nor exceed the lesser of one percent of the proposed expenditure for the project or \$20,000. Until such time as the Board shall establish a schedule of fees, such fees shall be one percent of the proposed expenditure for the project; however, such fees shall not be less than \$1,000 or more than \$20,000; ~~and~~

6. Shall establish an expedited application and review process for any certificate for projects reviewable pursuant to subdivision 8 of the definition of "project" in § 32.1-102.1. Regulations establishing the expedited application and review procedure shall include provisions for notice and opportunity for public comment on the application for a certificate, and criteria pursuant to which an application that would normally undergo the review process would instead undergo the full certificate of public need review process set forth in § 32.1-102.6; and

7. Shall establish an exemption from the requirement for a certificate, for a period of no more than 30 days, for projects involving a temporary increase in the total number of beds in an existing hospital or nursing home when the Commissioner has determined that a natural or man-made disaster has caused the evacuation of a hospital or nursing home and that a public health emergency exists due to a shortage of hospital or nursing home beds.

B. The Board shall promulgate regulations providing for time limitations for schedules for completion and limitations on the exceeding of the maximum capital expenditure amount for all reviewable projects. The Commissioner shall not approve any such extension or excess unless it complies with the Board's regulations. However, the Commissioner may approve a significant change in cost for an approved project that exceeds the authorized capital expenditure by more than 20 percent, provided the applicant has demonstrated that the cost increases are reasonable and necessary under all the circumstances and do not result from any material expansion of the project as approved.

C. The Board shall also promulgate regulations authorizing the Commissioner to condition approval of a certificate on the agreement of the applicant to provide a level of charity care to indigent persons or accept patients requiring specialized care. In addition, the Board's licensure regulations shall direct the Commissioner to condition the issuing or renewing of any

license for any applicant whose certificate was approved upon such condition on whether such applicant has complied with any agreement to provide a level of charity care to indigent persons or accept patients requiring specialized care. Except in the case of nursing homes, the value of charity care provided to individuals pursuant to this subsection shall be based on the provider reimbursement methodology utilized by the Centers for Medicare and Medicaid Services for reimbursement under Title XVIII of the Social Security Act, 42 U.S.C. § 1395 et seq.

§ 32.1-127. Regulations.

A. The regulations promulgated by the Board to carry out the provisions of this article shall be in substantial conformity to the standards of health, hygiene, sanitation, construction and safety as established and recognized by medical and health care professionals and by specialists in matters of public health and safety, including health and safety standards established under provisions of Title XVIII and Title XIX of the Social Security Act, and to the provisions of Article 2 (§ 32.1-138 et seq.).

B. Such regulations:

1. Shall include minimum standards for (i) the construction and maintenance of hospitals, nursing homes and certified nursing facilities to ensure the environmental protection and the life safety of its patients, employees, and the public; (ii) the operation, staffing and equipping of hospitals, nursing homes and certified nursing facilities; (iii) qualifications and training of staff of hospitals, nursing homes and certified nursing facilities, except those professionals licensed or certified by the Department of Health Professions; (iv) conditions under which a hospital or nursing home may provide medical and nursing services to patients in their places of residence; and (v) policies related to infection prevention, disaster preparedness, and facility security of hospitals, nursing homes, and certified nursing facilities. For purposes of this paragraph, facilities in which five or more first trimester abortions per month are performed shall be classified as a category of "hospital";

2. Shall provide that at least one physician who is licensed to practice medicine in this Commonwealth shall be on call at all times, though not necessarily physically present on the premises, at each hospital which operates or holds itself out as operating an emergency service;

3. May classify hospitals and nursing homes by type of specialty or service and may provide for licensing hospitals and nursing homes by bed capacity and by type of specialty or service;

4. Shall also require that each hospital establish a protocol for organ donation, in compliance with federal law and the regulations of the Centers for Medicare and Medicaid Services (CMS), particularly 42 C.F.R. § 482.45. Each hospital shall have an agreement with an organ procurement organization designated in CMS regulations for routine contact, whereby the provider's designated organ procurement organization certified by CMS (i) is notified in a timely manner of all deaths or imminent deaths of patients in the hospital and (ii) is authorized to determine the suitability of the decedent or patient for organ donation and, in the absence of a similar arrangement with any eye bank or tissue bank in Virginia certified by the Eye Bank Association of America or the American Association of Tissue Banks, the suitability for tissue and eye donation. The hospital shall also have an agreement with at least one tissue bank and at least one eye bank to cooperate in the retrieval, processing, preservation, storage, and distribution of tissues and eyes to ensure that all usable tissues and eyes are obtained from potential donors and to avoid interference with organ procurement. The protocol shall ensure that the hospital collaborates with the designated organ procurement organization to inform the family of each potential donor of the option to donate organs, tissues, or eyes or to decline to donate. The individual making contact with the family shall have completed a course in the methodology for approaching potential donor families and requesting organ or tissue donation that (a) is offered or approved by the organ procurement organization and designed in conjunction with the tissue and eye bank community and (b) encourages discretion and sensitivity according to the specific circumstances, views, and beliefs of the relevant family. In addition, the hospital shall work cooperatively with the designated organ procurement organization in educating the staff responsible for contacting the organ procurement organization's personnel on donation issues, the proper review of death records to improve identification of potential donors, and the proper procedures for maintaining potential donors while necessary testing and placement of potential donated organs, tissues, and eyes takes place. This process shall be followed, without exception, unless the family of the relevant decedent or patient has expressed opposition to organ donation, the chief administrative officer of the hospital or his designee knows of such opposition, and no donor card or other relevant document, such as an advance directive, can be found;

5. Shall require that each hospital that provides obstetrical services establish a protocol for admission or transfer of any pregnant woman who presents herself while in labor;

6. Shall also require that each licensed hospital develop and implement a protocol requiring written discharge plans for identified, substance-abusing, postpartum women and their infants. The protocol shall require that the discharge plan be discussed with the patient and that appropriate referrals for the mother and the infant be made and documented. Appropriate referrals may include, but need not be limited to, treatment services, comprehensive early intervention services for infants and toddlers with disabilities and their families pursuant to Part H of the Individuals with Disabilities Education Act, 20 U.S.C. § 1471 et seq., and family-oriented prevention services. The discharge planning process shall involve, to the extent possible, the father of the infant and any members of the patient's extended family who may participate in the follow-up care for the mother and the infant. Immediately upon identification, pursuant to § 54.1-2403.1, of any substance-abusing, postpartum woman, the hospital shall notify, subject to federal law restrictions, the community services board of the jurisdiction in which the woman resides to appoint a discharge plan manager. The community services board shall implement and manage the discharge plan;

7. Shall require that each nursing home and certified nursing facility fully disclose to the applicant for admission the home's or facility's admissions policies, including any preferences given;

8. Shall require that each licensed hospital establish a protocol relating to the rights and responsibilities of patients which shall include a process reasonably designed to inform patients of such rights and responsibilities. Such rights and responsibilities of patients, a copy of which shall be given to patients on admission, shall be consistent with applicable federal law and regulations of the Centers for Medicare and Medicaid Services;

9. Shall establish standards and maintain a process for designation of levels or categories of care in neonatal services according to an applicable national or state-developed evaluation system. Such standards may be differentiated for various levels or categories of care and may include, but need not be limited to, requirements for staffing credentials, staff/patient ratios, equipment, and medical protocols;

§ 54.1-2957. Licensure and practice of nurse practitioners.

A. As used in this section:

"Clinical experience" means the postgraduate delivery of health care directly to patients pursuant to a practice agreement with a patient care team physician.

"Collaboration" means ~~the communication and decision-making process among a nurse practitioner, patient care team physician, and other health care providers who are members of a patient care team related to the treatment that includes the degree of cooperation necessary to provide treatment and care of a patient and includes (i) communication of data and information about the treatment and care of a patient, including exchange of clinical observations and assessments, and (ii) development of an appropriate plan of care, including decisions regarding the health care provided, accessing and assessment of appropriate additional resources or expertise, and arrangement of appropriate referrals, testing, or studies.~~

~~"Consultation" means the communicating of data and information, exchanging of clinical observations and assessments, accessing and assessing of additional resources and expertise, problem-solving, and arranging for referrals, testing, or studies.~~

B. The Board of Medicine and the Board of Nursing shall jointly prescribe the regulations governing the licensure of nurse practitioners. It is unlawful for a person to practice as a nurse practitioner in the Commonwealth unless he holds such a joint license.

C. Every nurse practitioner other than a nurse practitioner licensed by the Boards of Medicine and Nursing as a certified nurse midwife or a certified registered nurse anesthetist or a nurse practitioner who meets the requirements of subsection I shall maintain appropriate collaboration and consultation, as evidenced in a written or electronic practice agreement, with at least one patient care team physician. A nurse practitioner who meets the requirements of subsection I may practice without a written or electronic practice agreement. A nurse practitioner who is licensed by the Boards of Medicine and Nursing as a certified nurse midwife shall practice pursuant to subsection H. A nurse practitioner who is a certified registered nurse anesthetists shall practice under the supervision of a licensed doctor of medicine, osteopathy, podiatry, or dentistry. A nurse practitioner who is appointed as a medical examiner pursuant to § 32.1-282 shall practice in collaboration with a licensed doctor of medicine or osteopathic medicine who has been appointed to serve as a medical examiner pursuant to § 32.1-282. Collaboration and consultation among nurse practitioners and patient care team physicians may be provided through telemedicine as described in § 38.2-3418.16.

Physicians on patient care teams may require that a nurse practitioner be covered by a professional liability insurance policy with limits equal to the current limitation on damages set forth in § 8.01-581.15.

Service on a patient care team by a patient care team member shall not, by the existence of such service alone, establish or create liability for the actions or inactions of other team members.

D. The Boards of Medicine and Nursing shall jointly promulgate regulations specifying collaboration and consultation among physicians and nurse practitioners working as part of patient care teams that shall include the development of, and periodic review and revision of, a written or electronic practice agreement; guidelines for availability and ongoing communications that define consultation among the collaborating parties and the patient; and periodic joint evaluation of the services delivered. Practice agreements shall include provisions for (i) periodic review of health records, which may include visits to the site where health care is delivered, in the manner and at the frequency determined by the nurse practitioner and the patient care team physician and (ii) input from appropriate health care providers in complex clinical cases and patient emergencies and for referrals. Evidence of a practice agreement shall be maintained by a nurse practitioner and provided to the Boards upon request. For nurse practitioners providing care to patients within a hospital or health care system, the practice agreement may be included as part of documents delineating the nurse practitioner's clinical privileges or the electronic or written delineation of duties and responsibilities in collaboration and consultation with a patient care team physician.

E. The Boards of Medicine and Nursing may issue a license by endorsement to an applicant to practice as a nurse practitioner if the applicant has been licensed as a nurse practitioner under the laws of another state and, pursuant to regulations of the Boards, the applicant meets the qualifications for licensure required of nurse practitioners in the Commonwealth. A nurse practitioner to whom a license is issued by endorsement may practice without a practice agreement with a patient care team physician pursuant to subsection I if such application provides an attestation to the Boards that the applicant has completed the equivalent of at least five years of full-time clinical experience, as determined by the Boards, in accordance with the laws of the state in which the nurse practitioner was licensed.

F. Pending the outcome of the next National Specialty Examination, the Boards may jointly grant temporary licensure to nurse practitioners.

G. In the event a physician who is serving as a patient care team physician dies, becomes disabled, retires from active practice, surrenders his license or has it suspended or revoked by the Board, or relocates his practice such that he is no longer able to serve, and a nurse practitioner is unable to enter into a new practice agreement with another patient care team physician, the nurse practitioner may continue to practice upon notification to the designee or his alternate of the Boards and receipt of such notification. Such nurse practitioner may continue to treat patients without a patient care team physician for an initial period not to exceed 60 days, provided the nurse practitioner continues to prescribe only those drugs previously authorized by the practice agreement with such physician and to have access to appropriate input from appropriate health care providers in complex clinical cases and patient emergencies and for referrals. The designee or his alternate of the Boards shall grant permission for the nurse practitioner to continue practice under this subsection for another 60 days, provided the nurse practitioner provides evidence of efforts made to secure another patient care team physician and of access to physician input.

H. Nurse practitioners licensed by the Boards of Medicine and Nursing in the category of certified nurse midwife shall practice in consultation with a licensed physician in accordance with a practice agreement between the nurse practitioner and the licensed physician. Such practice agreement shall address the availability of the physician for routine and urgent consultation on patient care. Evidence of a practice agreement shall be maintained by a nurse practitioner and provided to the Boards upon request. The Boards shall jointly promulgate regulations, consistent with the Standards for the Practice of Midwifery set by the American College of Nurse-Midwives, governing such practice.

I. A nurse practitioner, other than a nurse practitioner licensed by the Boards of Medicine and Nursing in the category of certified nurse midwife or certified registered nurse anesthetist, who has completed the equivalent of at least five years of

full-time clinical experience as a licensed nurse practitioner, as determined by the Boards, may practice in the practice category in which he is certified and licensed without a written or electronic practice agreement upon receipt by the nurse practitioner of an attestation from the patient care team physician stating (i) that the patient care team physician has served as a patient care team physician on a patient care team with the nurse practitioner pursuant to a practice agreement meeting the requirements of this section and § 54.1-2957.01; (ii) that while a party to such practice agreement, the patient care team physician routinely practiced with a patient population and in a practice area included within the category for which the nurse practitioner was certified and licensed; and (iii) the period of time for which the patient care team physician practiced with the nurse practitioner under such a practice agreement. A copy of such attestation shall be submitted to the Boards together with a fee established by the Boards. Upon receipt of such attestation and verification that a nurse practitioner satisfies the requirements of this subsection, the Boards shall issue to the nurse practitioner a new license that includes a designation indicating that the nurse practitioner is authorized to practice without a practice agreement. In the event that a nurse practitioner is unable to obtain the attestation required by this subsection, the Boards may accept other evidence demonstrating that the applicant has met the requirements of this subsection in accordance with regulations adopted by the Boards.

A nurse practitioner authorized to practice without a practice agreement pursuant to this subsection shall (a) only practice within the scope of his clinical and professional training and limits of his knowledge and experience and consistent with the applicable standards of care, (b) consult and collaborate with other health care providers based on the clinical conditions of the patient to whom health care is provided, and (c) establish a plan for referral of complex medical cases and emergencies to physicians or other appropriate health care providers.

A nurse practitioner practicing without a practice agreement pursuant to this subsection shall obtain and maintain coverage by or shall be named insured on a professional liability insurance policy with limits equal to the current limitation on damages set forth in § 8.01-581.15.

2. That the Board of Medicine shall promulgate regulations to implement the provisions of this act to be effective within 280 days of its enactment.

CHAPTER 138

An Act to amend and reenact §§ 54.1-2409 and 54.1-3434.3 of the Code of Virginia, relating to health professions and facilities; adverse action in another jurisdiction; suspension and reinstatement.

[H 1971]

Approved February 22, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 54.1-2409 and 54.1-3434.3 of the Code of Virginia is amended and reenacted as follows:

§ 54.1-2409. Mandatory suspension or revocation; reinstatement; hearing for reinstatement.

A. Upon receipt of documentation by any court or government agency that a person licensed, certified, or registered by a board within the Department of Health Professions has (i) had his license, certificate, or registration to practice the same profession or occupation revoked or suspended for reasons other than nonrenewal or accepted for surrender in lieu of disciplinary action in another jurisdiction and has not had his license, certificate, or registration to so practice reinstated within that jurisdiction, *unless such revocation, suspension, or surrender was based solely on the disciplinary action of a board within the Department or mandatory suspension by the Director of the Department* or ~~has~~ (ii) been convicted of a felony or has been adjudged incapacitated, the Director of the Department shall immediately suspend, without a hearing, the license, certificate, or registration of any person so disciplined, convicted, or adjudged. The Director shall notify such person or his legal guardian, conservator, trustee, committee, or other representative of the suspension in writing to his address on record with the Department. Such notice shall include a copy of the documentation from such court or agency, certified by the Director as the documentation received from such court or agency. Such person shall not have the right to practice within this Commonwealth until his license, certificate, or registration has been reinstated by the Board.

B. The clerk of any court in which a conviction of a felony or an adjudication of incapacity is made, who has knowledge that a person licensed, certified, or registered by a board within the Department has been convicted or found incapacitated, shall have a duty to report these findings promptly to the Director.

C. When a conviction has not become final, the Director may decline to suspend the license, certificate, or registration until the conviction becomes final if there is a likelihood of injury or damage to the public if the person's services are not available.

D. Any person whose license, certificate, or registration has been suspended as provided in this section may apply to the board for reinstatement of his license, certificate, or registration. Such person shall be entitled to a hearing not later than the next regular meeting of the board after the expiration of 60 days from the receipt of such application, and shall have the right to be represented by counsel and to summon witnesses to testify in his behalf. The Board may consider other information concerning possible violations of Virginia law at such hearing, if reasonable notice is given to such person of the information.

The reinstatement of the applicant's license, certificate, or registration shall require the affirmative vote of three-fourths of the members of the board at the hearing. The board may order such reinstatement without further examination of the applicant, or reinstate the license, certificate, or registration upon such terms and conditions as it deems appropriate.

E. Pursuant to the authority of the Board of Nursing provided in Chapter 30 (§ 54.1-3000 et seq.) of this title, the provisions of this section shall apply, mutatis mutandis, to persons holding a multistate licensure privilege to practice nursing.

§ 54.1-3434.3. Denial, revocation, suspension of registration, summary proceedings.

The Board may deny, revoke, suspend, or take other disciplinary actions against a nonresident pharmacy registration as provided for in § 54.1-3316.

The Board shall immediately suspend, without a hearing, the registration of any nonresident pharmacy upon receipt of documentation by the licensing agency in the jurisdiction where a nonresident pharmacy registered with the Board is located, that the nonresident pharmacy has had its license, certificate, permit, or registration as a pharmacy revoked or suspended by that agency and has not been reinstated, or if the Board has received notification from the licensing agency that the pharmacy in the resident state no longer holds a valid unexpired license, permit, certificate, or registration as a pharmacy. The Board shall provide written notice of the suspension to the nonresident pharmacy at the address of record on file with the Board and to the resident-state licensing agency. The nonresident pharmacy may apply for reinstatement of the registration only after it has been reinstated by and holds a current and unrestricted license, certificate, permit, or registration as a pharmacy from the licensing agency in the jurisdiction where it is located. Such nonresident pharmacy shall be entitled to a hearing not later than the next regular meeting of the Board after the expiration of ~~30~~ 60 days from the receipt of such application, and shall have the right to be represented by counsel and to summon witnesses to testify on its behalf.

The Board may summarily suspend the registration of any nonresident pharmacy without a hearing, simultaneously with the institution of proceedings for a hearing, if it finds that there is a substantial danger to the public health or safety that warrants such action. The Board may meet by telephone conference call when summarily suspending the registration if a good faith effort to assemble a quorum of the Board has failed and, in the judgment of a majority of the members of the Board, the continued dispensing by the nonresident pharmacy constitutes a substantial danger to the public health or safety. Institution of proceedings for a hearing shall be provided simultaneously with the summary suspension. The hearing shall be scheduled within a reasonable time of the date of the summary suspension. The Board may consider other information concerning possible violations of Virginia law at a hearing, if reasonable notice is given to such nonresident pharmacy of the information.

A nonresident pharmacy with a suspended registration shall not ship, mail, or deliver any Schedule II through VI drugs into the Commonwealth unless reinstated by the Board.

The Board may refer complaints concerning nonresident pharmacies to the regulatory or licensing agency in the jurisdiction where the pharmacy is located. The Board may take other disciplinary action against a nonresident pharmacy in accordance with §§ 54.1-2400 and 54.1-3316 following notice and the opportunity for a hearing.

CHAPTER 139

An Act to amend and reenact §§ 22.1-227.1, 22.1-253.13:2, 22.1-253.13:10, and 22.1-290.01 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 22.1-291.1:1, relating to school counselors; nomenclature; staff time.

[H 1729]

Approved February 22, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 22.1-227.1, 22.1-253.13:2, 22.1-253.13:10, and 22.1-290.01 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding a section numbered 22.1-291.1:1 as follows:

§ 22.1-227.1. Career and technical education.

A. The Board of Education shall incorporate into career and technical education the Standards of Learning for mathematics, science, English, and social studies, including history, and other subject areas as may be appropriate. The Board may also authorize, in its regulations for accrediting public schools in Virginia, the substitution of industry certification and state licensure examinations for Standards of Learning assessments for the purpose of awarding credit for career and technical education courses, where appropriate.

B. The Board shall also develop a plan for increasing the number of students receiving industry certification and state licensure as part of their career and technical education. The plan shall include an annual goal for school divisions. Where there is an accepted national industry certification for career and technical education instructional personnel and programs for automotive technology, such certification shall be mandatory.

C. With such funds as may be appropriated for such purpose, there shall be established, within the Department of Education, a unit of specialists in career and technical education. The unit shall (i) assist in developing and revising local career and technical curriculum to integrate the Standards of Learning, (ii) provide professional development for career and technical instructional personnel to improve the quality of career and technical education, (iii) conduct site visits to the

schools providing career and technical education, and (iv) seek the input of business and industry representatives regarding the content and direction of career and technical education programs in the public schools of the Commonwealth.

D. The Board shall develop guidelines for the establishment of High School to Work Partnerships, hereafter referred to as "Partnerships," between public high schools and local businesses to create opportunities for high school students to (i) participate in an apprenticeship, internship, or job shadow program in a variety of trades and skilled labor positions or (ii) tour local businesses and meet with owners and employees. These guidelines shall include a model waiver form to be used by high schools and local businesses in connection with Partnership programs to protect both the students and the businesses from liability.

Each local school board may establish Partnerships or delegate the authority to establish Partnerships to the local school division's career and technical education administrator or his designee, in collaboration with the ~~guidance~~ school counselor office of each public high school in the school division, and shall educate high school students about opportunities available through such Partnerships.

Students who miss a partial or full day of school while participating in Partnership programs shall not be counted as absent for the purposes of calculating average daily membership, but each local school board shall develop policies and procedures for students to make up missed work and may determine the maximum number of school days per academic year that a student may spend participating in a Partnership program.

§ 22.1-253.13:2. Standard 2. Instructional, administrative, and support personnel.

A. The Board shall establish requirements for the licensing of teachers, principals, superintendents, and other professional personnel.

B. School boards shall employ licensed instructional personnel qualified in the relevant subject areas.

C. Each school board shall assign licensed instructional personnel in a manner that produces divisionwide ratios of students in average daily membership to full-time equivalent teaching positions, excluding special education teachers, principals, assistant principals, *school* counselors, and librarians, that are not greater than the following ratios: (i) 24 to one in kindergarten with no class being larger than 29 students; if the average daily membership in any kindergarten class exceeds 24 pupils, a full-time teacher's aide shall be assigned to the class; (ii) 24 to one in grades one, two, and three with no class being larger than 30 students; (iii) 25 to one in grades four through six with no class being larger than 35 students; and (iv) 24 to one in English classes in grades six through 12. After September 30 of any school year, anytime the number of students in a class exceeds the class size limit established by this subsection, the local school division shall notify the parent of each student in such class of such fact no later than 10 days after the date on which the class exceeded the class size limit. Such notification shall state the reason that the class size exceeds the class size limit and describe the measures that the local school division will take to reduce the class size to comply with this subsection.

Within its regulations governing special education programs, the Board shall seek to set pupil/teacher ratios for pupils with intellectual disability that do not exceed the pupil/teacher ratios for self-contained classes for pupils with specific learning disabilities.

Further, school boards shall assign instructional personnel in a manner that produces schoolwide ratios of students in average daily memberships to full-time equivalent teaching positions of 21 to one in middle schools and high schools. School divisions shall provide all middle and high school teachers with one planning period per day or the equivalent, unencumbered of any teaching or supervisory duties.

D. Each local school board shall employ with state and local basic, special education, gifted, and career and technical education funds a minimum number of licensed, full-time equivalent instructional personnel for each 1,000 students in average daily membership (ADM) as set forth in the appropriation act. Calculations of kindergarten positions shall be based on full-day kindergarten programs. Beginning with the March 31 report of average daily membership, those school divisions offering half-day kindergarten with pupil/teacher ratios that exceed 30 to one shall adjust their average daily membership for kindergarten to reflect 85 percent of the total kindergarten average daily memberships, as provided in the appropriation act.

E. In addition to the positions supported by basic aid and in support of regular school year programs of prevention, intervention, and remediation, state funding, pursuant to the appropriation act, shall be provided to fund certain full-time equivalent instructional positions for each 1,000 students in grades K through 12 who are identified as needing prevention, intervention, and remediation services. State funding for prevention, intervention, and remediation programs provided pursuant to this subsection and the appropriation act may be used to support programs for educationally at-risk students as identified by the local school boards.

To provide algebra readiness intervention services required by § 22.1-253.13:1, school divisions may employ mathematics teacher specialists to provide the required algebra readiness intervention services. School divisions using the Standards of Learning Algebra Readiness Initiative funding in this manner shall only employ instructional personnel licensed by the Board of Education.

F. In addition to the positions supported by basic aid and those in support of regular school year programs of prevention, intervention, and remediation, state funding, pursuant to the appropriation act, shall be provided to support 17 full-time equivalent instructional positions for each 1,000 students identified as having limited English proficiency, which positions may include dual language teachers who provide instruction in English and in a second language.

To provide flexibility in the instruction of English language learners who have limited English proficiency and who are at risk of not meeting state accountability standards, school divisions may use state and local funds from the Standards of

Quality Prevention, Intervention, and Remediation account to employ additional English language learner teachers or dual language teachers to provide instruction to identified limited English proficiency students. Using these funds in this manner is intended to supplement the instructional services provided in this section. School divisions using the SOQ Prevention, Intervention, and Remediation funds in this manner shall employ only instructional personnel licensed by the Board of Education.

G. In addition to the full-time equivalent positions required elsewhere in this section, each local school board shall employ the following reading specialists in elementary schools, one full-time in each elementary school at the discretion of the local school board. One reading specialist employed by each local school board that employs a reading specialist shall have training in the identification of and the appropriate interventions, accommodations, and teaching techniques for students with dyslexia or a related disorder and shall serve as an advisor on dyslexia and related disorders. Such reading specialist shall have an understanding of the definition of dyslexia and a working knowledge of (i) techniques to help a student on the continuum of skills with dyslexia; (ii) dyslexia characteristics that may manifest at different ages and grade levels; (iii) the basic foundation of the keys to reading, including multisensory, explicit, systemic, and structured reading instruction; and (iv) appropriate interventions, accommodations, and assistive technology supports for students with dyslexia.

To provide reading intervention services required by § 22.1-253.13:1, school divisions may employ reading specialists to provide the required reading intervention services. School divisions using the Early Reading Intervention Initiative funds in this manner shall employ only instructional personnel licensed by the Board of Education.

H. Each local school board shall employ, at a minimum, the following full-time equivalent positions for any school that reports fall membership, according to the type of school and student enrollment:

1. Principals in elementary schools, one half-time to 299 students, one full-time at 300 students; principals in middle schools, one full-time, to be employed on a 12-month basis; principals in high schools, one full-time, to be employed on a 12-month basis;

2. Assistant principals in elementary schools, one half-time at 600 students, one full-time at 900 students; assistant principals in middle schools, one full-time for each 600 students; assistant principals in high schools, one full-time for each 600 students; and school divisions that employ a sufficient number of assistant principals to meet this staffing requirement may assign assistant principals to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary;

3. Librarians in elementary schools, one part-time to 299 students, one full-time at 300 students; librarians in middle schools, one-half time to 299 students, one full-time at 300 students, two full-time at 1,000 students; librarians in high schools, one half-time to 299 students, one full-time at 300 students, two full-time at 1,000 students. Local school divisions that employ a sufficient number of librarians to meet this staffing requirement may assign librarians to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary; and

4. ~~Guidance~~ School counselors in elementary schools, one hour per day per 100 students, one full-time at 500 students, one hour per day additional time per 100 students or major fraction thereof; ~~guidance~~ school counselors in middle schools, one period per 80 students, one full-time at 400 students, one additional period per 80 students or major fraction thereof; ~~guidance~~ school counselors in high schools, one period per 70 students, one full-time at 350 students, one additional period per 70 students or major fraction thereof. Local school divisions that employ a sufficient number of ~~guidance~~ school counselors to meet this staffing requirement may assign ~~guidance~~ school counselors to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary.

I. Local school boards shall employ five full-time equivalent positions per 1,000 students in grades kindergarten through five to serve as elementary resource teachers in art, music, and physical education.

J. Local school boards shall employ two full-time equivalent positions per 1,000 students in grades kindergarten through 12, one to provide technology support and one to serve as an instructional technology resource teacher.

To provide flexibility, school divisions may use the state and local funds for instructional technology resource teachers to employ a data coordinator position, an instructional technology resource teacher position, or a data coordinator/instructional resource teacher blended position. The data coordinator position is intended to serve as a resource to principals and classroom teachers in the area of data analysis and interpretation for instructional and school improvement purposes, as well as for overall data management and administration of state assessments. School divisions using these funds in this manner shall employ only instructional personnel licensed by the Board of Education.

K. Local school boards may employ additional positions that exceed these minimal staffing requirements. These additional positions may include, but are not limited to, those funded through the state's incentive and categorical programs as set forth in the appropriation act.

L. A combined school, such as kindergarten through 12, shall meet at all grade levels the staffing requirements for the highest grade level in that school; this requirement shall apply to all staff, except for ~~guidance~~ school counselors, and shall be based on the school's total enrollment; ~~guidance~~ school counselor staff requirements shall, however, be based on the enrollment at the various school organization levels, i.e., elementary, middle, or high school. The Board of Education may grant waivers from these staffing levels upon request from local school boards seeking to implement experimental or innovative programs that are not consistent with these staffing levels.

M. School boards shall, however, annually, on or before December 31, report to the public (i) the actual pupil/teacher ratios in elementary school classrooms in the local school division by school for the current school year; and (ii) the actual

pupil/teacher ratios in middle school and high school in the local school division by school for the current school year. Actual pupil/teacher ratios shall include only the teachers who teach the grade and class on a full-time basis and shall exclude resource personnel. School boards shall report pupil/teacher ratios that include resource teachers in the same annual report. Any classes funded through the voluntary kindergarten through third grade class size reduction program shall be identified as such classes. Any classes having waivers to exceed the requirements of this subsection shall also be identified. Schools shall be identified; however, the data shall be compiled in a manner to ensure the confidentiality of all teacher and pupil identities.

N. Students enrolled in a public school on a less than full-time basis shall be counted in ADM in the relevant school division. Students who are either (i) enrolled in a nonpublic school or (ii) receiving home instruction pursuant to § 22.1-254.1, and who are enrolled in public school on a less than full-time basis in any mathematics, science, English, history, social science, career and technical education, fine arts, foreign language, or health education or physical education course shall be counted in the ADM in the relevant school division on a pro rata basis as provided in the appropriation act. Each such course enrollment by such students shall be counted as 0.25 in the ADM; however, no such nonpublic or home school student shall be counted as more than one-half a student for purposes of such pro rata calculation. Such calculation shall not include enrollments of such students in any other public school courses.

O. Each local school board shall provide those support services that are necessary for the efficient and cost-effective operation and maintenance of its public schools.

For the purposes of this title, unless the context otherwise requires, "support services positions" shall include the following:

1. Executive policy and leadership positions, including school board members, superintendents and assistant superintendents;
2. Fiscal and human resources positions, including fiscal and audit operations;
3. Student support positions, including (i) social workers and social work administrative positions; (ii) ~~guidance~~ *school counselor* administrative positions not included in subdivision H 4; (iii) homebound administrative positions supporting instruction; (iv) attendance support positions related to truancy and dropout prevention; and (v) health and behavioral positions, including school nurses and school psychologists;
4. Instructional personnel support, including professional development positions and library and media positions not included in subdivision H 3;
5. Technology professional positions not included in subsection J;
6. Operation and maintenance positions, including facilities; pupil transportation positions; operation and maintenance professional and service positions; and security service, trade, and laborer positions;
7. Technical and clerical positions for fiscal and human resources, student support, instructional personnel support, operation and maintenance, administration, and technology; and
8. School-based clerical personnel in elementary schools; part-time to 299 students, one full-time at 300 students; clerical personnel in middle schools; one full-time and one additional full-time for each 600 students beyond 200 students and one full-time for the library at 750 students; clerical personnel in high schools; one full-time and one additional full-time for each 600 students beyond 200 students and one full-time for the library at 750 students. Local school divisions that employ a sufficient number of school-based clerical personnel to meet this staffing requirement may assign the clerical personnel to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary.

Pursuant to the appropriation act, support services shall be funded from basic school aid.

School divisions may use the state and local funds for support services to provide additional instructional services.

P. Notwithstanding the provisions of this section, when determining the assignment of instructional and other licensed personnel in subsections C through J, a local school board shall not be required to include full-time students of approved virtual school programs.

§ 22.1-253.13:10. Standards of Learning Innovation Committee.

The Secretary of Education, upon receiving recommendations for appointments from the Virginia Parent Teacher Association, Virginia Education Association, Virginia School Boards Association, Virginia Association of Secondary School Principals, Virginia Association of Elementary School Principals, Virginia Association of School Superintendents, Virginia State Reading Association, Virginia School Counselor Association, and Virginia Association for Supervision and Curriculum Development, shall establish and appoint nonlegislative citizen members to the Standards of Learning Innovation Committee (Committee). The Committee shall consist of (i) four members of the Virginia House of Delegates, appointed by the Speaker of the House of Delegates; (ii) three members of the Virginia Senate, appointed by the Senate Committee on Rules on the recommendation of the Chair of the Senate Committee on Education and Health; and (iii) at least one parent of a currently enrolled public school student, public elementary school teacher, public secondary school teacher, public secondary school ~~guidance~~ counselor, school board member, public school principal, division superintendent, curriculum and instruction specialist, higher education faculty member, representative of a four-year public institution of higher education in the Commonwealth, representative of a two-year public institution of higher education in the Commonwealth, and representative of the business community in the Commonwealth and such other stakeholders as the Secretary deems appropriate, appointed by the Secretary. Members of the Committee should reflect geographic diversity and rural and urban school systems as far as practicable. The Superintendent of Public Instruction, the President of the

Board of Education or his designee, and the Secretary of Education or his designee shall serve ex officio. All other members shall be appointed for terms of two years. The Committee, under the direction of the Secretary, shall periodically make recommendations to the Board of Education on (a) the Standards of Learning assessments, (b) authentic individual student growth measures, (c) alignment between the Standards of Learning and assessments and the School Performance Report Card, and (d) ideas on innovative teaching in the classroom. An affirmative vote by a majority of the legislative members in attendance and a majority of nonlegislative members in attendance shall be required for the Committee to adopt any recommendations. The Board of Education shall review the recommendations of the Committee and submit to the Chairmen of the House Committee on Education and the Senate Committee on Education and Health, in advance of the next regular session of the General Assembly, any comments on such recommendations that the Board of Education deems appropriate.

Upon program completion, the scholarship recipient shall begin teaching in the public schools of the Commonwealth in the first full academic year after becoming eligible for a teaching license, and shall fulfill the teaching obligation in accordance with the promissory note by teaching continuously in Virginia for the same number of years that he was the beneficiary of such scholarship. Such scholarship recipient may fulfill the teaching obligation by accepting a teaching position (i) in one of the critical teacher shortage disciplines as established by the Board of Education; or (ii) in a career and technical education discipline; or (iii) regardless of teaching discipline, in a school with a high concentration of students eligible for free or reduced lunch; or (iv) in any discipline or at any grade level within a school division with a shortage of teachers, as defined in the Board of Education's Regulations Governing the Determination of Critical Teacher Shortage Areas; or (v) in a rural or urban region of the state with a teacher shortage.

1. That §§ 46.2-688, 46.2-706 through 46.2-708, and 46.2-710 of the Code of Virginia are amended and reenacted as follows:

§ 46.2-688. Refund of fees paid.

Any person holding a registration card and license plate or license plates with decal who disposes of, elects not to use the vehicle for which it was issued on the highways in the Commonwealth, or transfers another valid license plate to the vehicle, may surrender, prior to the beginning of the registration period, the license plates or license plates with decals and registration card or provide other evidence of registration of the vehicle to the Commissioner with a statement that the vehicle for which the license plate or license plate with decal was issued has been disposed of, election has been made not to use the vehicle on the highways in the Commonwealth, or another valid license plate has been transferred to the vehicle and request a refund of the fee paid. The Commissioner shall retain five dollars of the fee to cover the costs incurred in issuing the plates and processing the refund.

The Commissioner shall refund to the applicant a proration, in six-month increments, of the total cost of the registration and license plates or license plates with decals if application for the refund is made when there are six or more months remaining in the registration period. *The Commissioner shall not provide a refund when otherwise eligible if the applicant chooses not to return the license plates to the Department.* No charge or deduction shall be assessed for any refund made under this subsection.

§ 46.2-706. Additional fee; proof of insurance required of applicants for registration of insured motor vehicles; verification of insurance; suspension of driver's license, registration certificates, and license plates for certain violations.

A. In addition to any other fees prescribed by law, every person registering an uninsured motor vehicle, as defined in § 46.2-705, at the time of registering or reregistering the uninsured vehicle, shall pay a fee of \$500; however, if the uninsured motor vehicle is being registered ~~or reregistered~~ for a period of less than a full year, the uninsured motor vehicle fee shall be prorated for the unexpired portion of the registration period. If the vehicle is a motor vehicle being registered ~~or reregistered~~ as provided in subsection B of § 46.2-697, the fee shall be one-fourth of the annual uninsured motor vehicle fee for each quarter for which the vehicle is registered.

B. If the owner of a motor vehicle registered under this article as an uninsured motor vehicle, during the period for which such vehicle is registered, obtains insurance coverage adequate to permit such vehicle's registration as an insured motor vehicle and presents evidence satisfactory to the Commissioner of the existence of such insurance coverage, the Commissioner shall amend the Department's records to show such vehicle to be registered as an insured motor vehicle and shall refund to the owner a prorated portion of the additional fee required by this section for registration of an uninsured motor vehicle. Such proration shall be on a monthly basis, except that no such refund shall be made (i) as to any registration during the last three months of its validity or (ii) on any portion of any such fee required to be paid resulting from a determination by the Department or any court that a vehicle was uninsured and no fee had been paid.

C. Every person applying for registration of a motor vehicle and declaring it to be an insured motor vehicle shall, under the penalties set forth in § 46.2-707, execute and furnish to the Commissioner his certificate that the motor vehicle is an insured motor vehicle as defined in § 46.2-705, or that the Commissioner has issued to its owner, in accordance with § 46.2-368, a certificate of self-insurance applicable to the vehicle sought to be registered. The Commissioner, or his duly authorized agent, may verify that the motor vehicle is properly insured by comparing owner and vehicle identification information on file at the Department of Motor Vehicles with liability information on the owner and vehicle transmitted to the Department by any insurance company licensed to do business in the Commonwealth as provided in § 46.2-706.1. If no record of liability insurance is found, the Department may require the motor vehicle owner to verify insurance in a method prescribed by the Commissioner.

D. The refusal or neglect of any owner within 30 days to submit the liability insurance information when required by the Commissioner or his duly authorized agent, or the electronic notification by the insurance company or surety company that the policy or bond named in the certificate of insurance is not in effect, shall require the Commissioner to suspend any driver's license and all registration certificates and license plates issued to the owner of the motor vehicle until the person (i) has paid to the Commissioner a ~~noncompliance~~ fee of ~~\$500~~ \$600 to be disposed of as provided for in § 46.2-710 ~~with respect to the motor vehicle determined to be uninsured~~ and (ii) furnishes proof of financial responsibility for the future in the manner prescribed in Article 15 (§ 46.2-435 et seq.) of Chapter 3. No order of suspension required by this section shall become effective until the Commissioner has offered the person an opportunity for an administrative hearing to show cause why the order should not be enforced. Notice of the opportunity for an administrative hearing may be included in the order of suspension. Any request for an administrative hearing made by such person must be received by the Department within 180 days of the issuance date of the order of suspension unless the person presents to the Department evidence of military

service as defined by the federal Servicemembers Civil Relief Act (50 U.S.C. § 3901 et seq.), incarceration, commitment, hospitalization, or physical presence outside the United States at the time the order of suspension was issued. When three years have elapsed from the effective date of the suspension required in this section, the Commissioner may relieve the person of the requirement of furnishing proof of future financial responsibility.

E. The Commissioner shall suspend the driver's license and all registration certificates and license plates of any person on receiving a record of his conviction of a violation of any provisions of § 46.2-707, but the Commissioner shall dispense with the suspension when the person is convicted for a violation of § 46.2-707 and the Department's records show conclusively that the motor vehicle was insured or that the fee applicable to the registration of an uninsured motor vehicle has been paid by the owner prior to the date and time of the alleged offense.

F. The Commissioner may dispense with a suspension for a violation of this section or § 46.2-708 if the person determined to have committed the violation provides to the Commissioner proof that conclusively shows that the motor vehicle in question was insured at the time the Department initiated insurance monitoring under § 46.2-706 or at the time of a violation of § 46.2-708.

§ 46.2-706.1. Insurance and surety companies to furnish certain insurance information.

A. Any liability insurance information relating to individually identified vehicles or persons, received from such companies under this section, shall be considered privileged information and not subject to the Virginia Freedom of Information Act (§ 2.2-3700 et seq.).

B. Such information shall be used in conjunction with information supplied under § 46.2-706 to verify insurance for motor vehicles certified by their owners to be insured.

C. Insurance companies licensed to do business in Virginia shall provide to the Department ~~monthly electronic, electronically in a manner prescribed by the Commissioner, updates of insured information and vehicle descriptions required by the Commissioner when they~~ *(i) cancel within 30 days of a policy change to liability insurance for vehicles a vehicle registered in Virginia, (ii) add including liability insurance for vehicles registered in Virginia, or (iii) provide liability insurance for vehicles registered in Virginia newly satisfying that satisfies financial responsibility requirements. A policy change occurs when an insurance company (i) issues liability insurance, (ii) cancels liability insurance, (iii) becomes aware of a lapse in liability insurance, (iv) reissues or reinstates liability insurance, or (v) adds a vehicle to an existing liability insurance policy.*

D. Insurance companies licensed to do business in Virginia shall respond electronically in a manner prescribed by the Commissioner to a Department request for acknowledgment of liability insurance within 15 days of receiving the request. Insurance companies shall respond to the request by confirming or denying the existence of a policy with the company.

E. Every update of a policy change concerning a liability insurance policy shall include the following information: vehicle identification number, full name of first named insured, vehicle make, and vehicle model year. If available, the following information shall also be included: date of birth for first named insured, full names and dates of birth for all vehicle operators, and Virginia drivers' license numbers or social security numbers for the first named insured and all vehicle operators.

§ 46.2-707. Operating uninsured motor vehicle without payment of fee; verification of insurance; false evidence of insurance.

Any person who owns an uninsured motor vehicle (i) licensed in the Commonwealth, (ii) subject to registration in the Commonwealth, or (iii) displaying temporary license plates provided for in § 46.2-1558 who operates or permits the operation of that motor vehicle without first having paid to the Commissioner the uninsured motor vehicle fee required by § 46.2-706, to be disposed of as provided by § 46.2-710, shall be guilty of a Class 3 misdemeanor.

Any person who is the operator of such an uninsured motor vehicle and not the titled owner, who knows that the required fee has not been paid to the Commissioner, shall be guilty of a Class 3 misdemeanor.

The Commissioner or his duly authorized agent, having reason to believe that a motor vehicle is being operated or has been operated on any specified date, may require the owner of such motor vehicle to verify insurance in a method prescribed by the Commissioner as provided for by § 46.2-706. The refusal or neglect of the owner who has not, prior to the date of operation, paid the uninsured motor vehicle fee required by § 46.2-706 as to such motor vehicle, to provide such verification shall be prima facie evidence that the motor vehicle was an uninsured motor vehicle at the time of such operation.

Any person who falsely verifies insurance to the Commissioner or gives false evidence that a motor vehicle sought to be registered is an insured motor vehicle, shall be guilty of a Class 3 misdemeanor.

However, the foregoing portions of this section shall not be applicable if it is established that the owner had good cause to believe and did believe that such motor vehicle was an insured motor vehicle, in which event the provisions of § 46.2-609 shall be applicable.

Any person who owns an uninsured motor vehicle (i) licensed in the Commonwealth, (ii) subject to registration in the Commonwealth, or (iii) displaying temporary license plates provided for in § 46.2-1558, and who has not paid the uninsured motor vehicle fee required by § 46.2-706, shall immediately surrender the vehicle's license plates to the Department, unless the vehicle's registration has been deactivated as provided by § 46.2-646.1. Any person who fails to immediately surrender his vehicle's license plates as required by this section is guilty of a Class 3 misdemeanor.

Abstracts of records of conviction, as defined in this title, of any violation of any of the provisions of this section shall be forwarded to the Commissioner as prescribed by § 46.2-383.

The Commissioner shall suspend the driver's license and all registration certificates and license plates of any titled owner of an uninsured motor vehicle upon receiving a record of his conviction of a violation of any provisions of this section, and he shall not thereafter reissue the driver's license and the registration certificates and license plates issued in the name of such person until such person pays ~~the a noncompliance fee applicable to the registration of an uninsured motor vehicle as prescribed in § 46.2-706~~ of \$600 to be disposed of as provided for in § 46.2-710 and furnishes proof of future financial responsibility as prescribed by Article 15 (§ 46.2-435 et seq.) of Chapter 3 ~~of this title~~. However, when three years have elapsed from the date of the suspension herein required, the Commissioner may relieve such person of the requirement of furnishing proof of future financial responsibility. When such suspension results from a conviction for presenting or causing to be presented to the Commissioner false verification as to whether a motor vehicle is an insured motor vehicle or false evidence that any motor vehicle sought to be registered is insured, then the Commissioner shall not thereafter reissue the driver's license and the registration certificates and license plates issued in the name of such person so convicted for a period of 180 days from the date of such order of suspension, and only then when all other provisions of law have been complied with by such person.

The Commissioner shall suspend the driver's license of any person who is the operator but not the titled owner of a motor vehicle upon receiving a record of his conviction of a violation of any provisions of this section and he shall not thereafter reissue the driver's license until 30 days from the date of such order of suspension.

§ 46.2-707.1. Noncompliance fee payment plan.

A. The Department may establish ~~an uninsured motor vehicle~~ a noncompliance fee payment plan to allow individuals to pay the fees for a motor vehicle determined to be uninsured as prescribed in § 46.2-706, 46.2-707, or 46.2-708. Notwithstanding §§ 46.2-706, 46.2-707, and 46.2-708, ~~a Virginia resident~~ an individual 18 years of age or older whose driver's license and vehicle registration have been suspended pursuant to § 46.2-706, 46.2-707, or 46.2-708 may apply to the Department to enter into a payment plan agreement with a duration of no more than three years from the agreement date, referred to in this section as the "payment plan period."

B. To be eligible to enter into the payment plan, the individual must (i) have one or more outstanding suspensions of driving privileges pursuant to the provisions of § 46.2-706, 46.2-707, or 46.2-708 and have no other outstanding suspensions or revocations; (ii) meet all other conditions for reinstatement of driving privileges; and (iii) have ~~never not~~ defaulted ~~twice on a prior~~ the same uninsured motor vehicle payment plan agreement.

C. An eligible individual who ~~enters~~ pays a \$25 administrative fee when entering into a payment plan agreement or when reentering into a payment plan agreement with the Department, ~~pays a \$25 administrative fee~~, and pays the reinstatement fee pursuant to §§ 46.2-333.1 and 46.2-411, if required, shall be eligible to have his driving privileges reinstated by the Department.

D. The amount and frequency of each payment and the duration of the payment plan shall be described in the payment plan agreement signed by the Department and the individual. Payments may be made in person, online, *by telephone*, or by mail. The full fee must be paid in no more than three years from the agreement date; however, an individual may repay the balance of the fee at any time during the payment plan period with no penalty.

E. If an individual defaults on the payment plan agreement, the Commissioner shall suspend the driver's license and all registration certificates and license plates issued to the owner of the motor vehicle determined to be uninsured. Such driver's license, registration certificates, and license plates shall remain suspended until the individual pays the balance of the fee applicable to the registration of an uninsured motor vehicle as prescribed in § 46.2-706, 46.2-707, or 46.2-708 and furnishes proof of future financial responsibility as prescribed by Article 15 (§ 46.2-435 et seq.) of Chapter 3. An individual is in default if he (i) pays an installment payment late as defined in the payment plan agreement or (ii) fails to make an installment payment as agreed to in the payment plan agreement. If an individual is in default *and is ineligible to reenter the payment plan*, full payment of the balance of the fee shall be due as agreed to in the payment plan agreement. *The Commissioner may extend the due date of any installment payment for not more than 30 days if the Department is unable to process an installment payment due to circumstances beyond its control.*

F. When all fees are paid, the individual shall continue to furnish proof of financial responsibility pursuant to Article 15 (§ 46.2-435 et seq.) of Chapter 3 and § 46.2-709.

G. Installment payments of the fee with respect to the motor vehicle determined to be uninsured shall be disposed of pursuant to § 46.2-710. The administrative fee shall be paid to the Commissioner and deposited into the state treasury account set aside in a special fund to be used to meet the necessary expenses incurred by the Department.

§ 46.2-708. Suspension of driver's license and registration when uninsured motor vehicle is involved in reportable accident; hearing prior to suspension.

When it appears to the Commissioner from the records of his office *or from a report submitted by an insurance company licensed to do business in the Commonwealth* that an uninsured motor vehicle as defined in § 46.2-705, subject to registration in the Commonwealth, is involved in a reportable accident in the Commonwealth resulting in death, injury or property damage with respect to which motor vehicle the owner thereof has not paid the uninsured motor vehicle fee as prescribed in § 46.2-706, the Commissioner shall, in addition to enforcing the applicable provisions of Article 13 (§ 46.2-417 et seq.) of Chapter 3, suspend such owner's driver's license and all of his license plates and registration certificates until such person has complied with Article 13 of Chapter 3 and has paid to the Commissioner a noncompliance fee of ~~\$500~~ \$600, to be disposed of as provided by § 46.2-710, with respect to the motor vehicle involved in the accident and furnishes proof of future financial responsibility in the manner prescribed in Article 15 (§ 46.2-435 et seq.) of

Chapter 3. However, no order of suspension required by this section shall become effective until the Commissioner has offered the person an opportunity for an administrative hearing to show cause why the order should not be enforced. Notice of the opportunity for an administrative hearing may be included in the order of suspension. Any request for an administrative hearing made by such person must be received by the Department within 180 days of the issuance date of the order of suspension unless the person presents to the Department evidence of military service as defined by the federal Servicemembers Civil Relief Act (50 U.S.C. § 3901 et seq.), incarceration, commitment, hospitalization, or physical presence outside the United States at the time the order of suspension was issued.

However, when three years have elapsed from the effective date of the suspension herein required, the Commissioner may relieve such person of the requirement of furnishing proof of future financial responsibility. The presentation by a person subject to the provisions of this section of a certificate of insurance, executed by an agent or representative of an insurance company qualified to do business in this Commonwealth, showing that on the date and at the time of the accident the vehicle was an insured motor vehicle as herein defined, or, presentation by such person of evidence that the additional fee applicable to the registration of an uninsured motor vehicle had been paid to the Department prior to the date and time of the accident, shall be sufficient bar to the suspension provided for in this section.

§ 46.2-710. Disposition of funds collected.

From every noncompliance fee collected by the Commissioner under the provisions of this article, the Commissioner shall retain \$100 to be placed in a special fund in the state treasury to be used to meet the expenses of the Department. All other funds collected by the Commissioner under the provisions of this article shall be paid into the state treasury and held in a special fund to be known as the Uninsured Motorists Fund to be disbursed as provided by law. The Commissioner may expend ~~monies~~ moneys from such funds, for the administration of this article, in accordance with the ~~General Appropriations Act~~ general appropriation act.

2. That the provisions of this act amending and reenacting § 46.2-706.1 of the Code of Virginia shall become effective on January 1, 2020.

3. That in December 2024 the Department of Motor Vehicles shall report to the General Assembly regarding the effectiveness of the provisions of this act in improving the Department of Motor Vehicles' Insurance Verification Program. The report shall provide recommendations to address any lack of compliance with the Commonwealth's motor vehicle liability insurance requirements.

CHAPTER 151

An Act to amend and reenact § 29.1-521 of the Code of Virginia, relating to the killing of nuisance species from an automobile.

[H 1696]

Approved February 27, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 29.1-521 of the Code of Virginia is amended and reenacted as follows:

§ 29.1-521. Unlawful to hunt, trap, possess, sell, or transport wild birds and wild animals except as permitted; exception; penalty.

A. The following shall be unlawful:

1. To hunt or kill any wild bird or wild animal, including any nuisance species, with a gun, firearm, or other weapon, or to hunt or kill any deer or bear with a gun, firearm, or other weapon with the aid or assistance of dogs, on Sunday. The provision of this subdivision that prohibits the hunting or killing of any wild bird or wild animal, including nuisance species, on Sunday shall not apply to (i) any person who hunts or kills raccoons; (ii) any person who hunts or kills birds in the family Rallidae or waterfowl, subject to geographical limitations established by the Director and except within 200 yards of a place of worship or any accessory structure thereof; or (iii) any landowner or member of his family or any person with written permission from the landowner who hunts or kills any wild bird or wild animal, including any nuisance species, on the landowner's property, except within 200 yards of a place of worship or any accessory structure thereof. However, a person

lawfully carrying a gun, firearm, or other weapon on Sunday in an area that could be used for hunting shall not be presumed to be hunting on Sunday, absent evidence to the contrary.

2. To destroy or molest the nest, eggs, dens, or young of any wild bird or wild animal, except nuisance species, at any time without a permit as required by law.

3. To hunt or attempt to kill or trap any species of wild bird or wild animal after having obtained the daily bag or season limit during such day or season. However, any properly licensed person, or a person exempt from having to obtain a license, who has obtained such daily bag or season limit while hunting may assist others who are hunting game by calling game, retrieving game, handling dogs, or conducting drives if the weapon in his possession is an unloaded firearm, a bow without a nocked arrow, an unloaded slingbow, an unloaded arrowgun, or an unloaded crossbow. Any properly licensed person, or person exempt from having to obtain a license, who has obtained such season limit prior to commencement of the hunt may assist others who are hunting game by calling game, retrieving game, handling dogs, or conducting drives, provided he does not have a firearm, bow, slingbow, arrowgun, or crossbow in his possession.

4. To knowingly occupy any baited blind or other baited place for the purpose of taking or attempting to take any wild bird or wild animal or to put out bait or salt for any wild bird or wild animal for the purpose of taking or killing it. There shall be a rebuttable presumption that a person charged with violating this subdivision knows that he is occupying a baited blind or other baited place for the purpose of taking or attempting to take any wild bird or wild animal. However, this shall not apply to baiting nuisance species of animals and birds, or to baiting traps for the purpose of taking fur-bearing animals that may be lawfully trapped.

5. To kill or capture any wild bird or wild animal adjacent to any area while a field or forest fire is in progress.

6. To shoot or attempt to take any wild bird or wild animal from an automobile or other vehicle, except (i) as provided in § 29.1-521.3 or (ii) *for the killing of nuisance species as defined in § 29.1-100 on private property by the owner of such property or his designee from a stationary automobile or other stationary vehicle.*

7. To set a trap of any kind on the lands or waters of another without attaching to the trap: (i) the name and address of the trapper; or (ii) an identification number issued by the Department.

8. To set a trap where it would be likely to injure persons, dogs, stock, or fowl.

9. To fail to visit all traps once each day and remove all animals caught, and immediately report to the landowner as to stock, dogs, or fowl that are caught and the date. However, the Director or his designee may authorize employees of federal, state, and local government agencies, and persons holding a valid Commercial Nuisance Animal Permit issued by the Department, to visit body-gripping traps that are completely submerged at least once every 72 hours, and the Board may adopt regulations permitting trappers to visit traps less frequently under specified conditions. The Board shall adopt regulations permitting trappers to use remote trap-checking technology to check traps under specified conditions.

10. To hunt, trap, take, capture, kill, attempt to take, capture, or kill, possess, deliver for transportation, transport, cause to be transported, by any means whatever, receive for transportation or export, or import, at any time or in any manner, any wild bird or wild animal or the carcass or any part thereof, except as specifically permitted by law and only by the manner or means and within the numbers stated. However, the provisions of this section shall not be construed to prohibit the (i) use or transportation of legally taken turkey carcasses, or portions thereof, for the purposes of making or selling turkey callers; (ii) the manufacture or sale of implements, including tools or utensils made from legally harvested deer skeletal parts, including antlers; (iii) the possession of shed antlers; or (iv) the possession, manufacture, or sale of other parts or implements authorized by regulations adopted by the Board.

11. To offer for sale, sell, offer to purchase, or purchase, at any time or in any manner, any wild bird or wild animal or the carcass or any part thereof, except as specifically permitted by law, including subsection D of § 29.1-553. However, any nonprofit organization exempt from taxation under § 501(c)(3) of the Internal Revenue Code that is (i) organized to provide wild game as food to the hungry and (ii) authorized by the Department to possess, transport, and distribute donated or unclaimed meat to the hungry may pay a processing fee in order to obtain such meat. Such fee shall not exceed the actual cost for processing the meat. In addition, any nonprofit organization exempt from taxation under § 501(c)(3) of the Internal Revenue Code that is (a) organized to support wildlife habitat conservation and (b) approved by the Department shall be allowed to offer wildlife mounts that have undergone the taxidermy process for sale in conjunction with fundraising activities. A violation of this subdivision shall be punishable as provided in § 29.1-553.

B. Notwithstanding any other provision of this article, any American Indian who produces verification that he is an enrolled member of a tribe recognized by the Commonwealth, another state, or the U.S. government, may possess, offer for sale, or sell to another American Indian, or offer to purchase or purchase from another American Indian, parts of legally obtained fur-bearing animals, nonmigratory game birds, and game animals, except bear. Such legally obtained parts shall include antlers, hooves, feathers, claws, and bones.

"Verification" as used in this section shall include (i) display of a valid tribal identification card, (ii) confirmation through a central tribal registry, (iii) a letter from a tribal chief or council, or (iv) certification from a tribal office that the person is an enrolled member of the tribe.

C. Notwithstanding any other provision of this chapter, the Department may authorize the use of snake exclusion devices by public utilities at their transmission or distribution facilities and the incidental taking of snakes resulting from the use of such devices.

D. A violation of subdivisions A 1 through 10 shall be punishable as a Class 3 misdemeanor.

CHAPTER 152

An Act to amend and reenact § 28.2-600 of the Code of Virginia, relating to riparian planting ground assignment eligibility.
[H 1779]

Approved February 27, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 28.2-600 of the Code of Virginia is amended and reenacted as follows:

§ 28.2-600. Riparian planting ground assignments; eligibility; fee.

A. Any owner of land bordering on a body of water in the oyster-growing area of ~~this the~~ Commonwealth whose shore front measures at least 205 feet at the low-water mark, who has not had as much as one-half acre of ground already assigned him on the front, or whose lease has terminated and is not to be renewed, may apply for planting grounds to the Commissioner.

The Commissioner shall assign to him ~~such only a riparian planting ground wherever the owner may designate within his riparian waters that the Commissioner, in his discretion, deems appropriate to encompass as much as one-half acre of ground, provided that the ground does not encroach into an existing oyster-planting ground lease assigned under Article 2 (§ 28.2-603 et seq.) of this chapter. The fee for such assignment shall be \$1.50. The Commissioner may consider assigning an area that the owner designates within his riparian waters.~~ Such ground shall not exceed one-half acre, and shall not be less than 105 feet wide along the shore, beginning at low-water mark, extending out not more than 210 feet, or to the ~~middle~~ nearest edge of the channel or the middle of the body of water, whichever is the shorter distance.

B. Upon the transfer of a lease, a ground shall be assigned only within an area deemed appropriate by the Commissioner to encompass as much as one-half acre of ground within the landowner's riparian waters.

C. The grounds shall be surveyed, plotted, marked, assigned, and recorded as provided for assignments to persons in Article 2 (§ 28.2-603 et seq.) ~~of this chapter.~~

D. Any riparian assignment that was duly recorded in the clerk's office of the county or city where the grounds are located, or at the Commission office prior to July 1, 1986, shall continue in effect.

CHAPTER 153

An Act to amend and reenact § 46.2-1516 of the Code of Virginia, relating to supplemental motor vehicle sales locations; car shows.

[H 2039]

Approved February 27, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-1516 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-1516. Supplemental sales locations.

The Board may issue a license for a licensed motor vehicle dealer to display for sale or sell vehicles at locations other than his established place of business, subject to compliance with local ordinances and requirements. A license issued pursuant to this section shall not be required for a licensed motor vehicle dealer to display for sale or sell vehicles at wholesale auction; placing vehicles for sale at a wholesale auction shall not be considered a consignment.

A permanent supplemental license may be issued for premises less than 500 yards from the dealer's established place of business, provided a sign is displayed as required for the established place of business. A supplemental license shall not be required for premises otherwise contiguous to the established place of business except for a public thoroughfare.

A temporary supplemental license may be issued for a period not to exceed seven days, or 14 days for trailers and motorcycles, provided that the application is made 15 days prior to the sale. The Board shall not issue a temporary supplemental license (i) for the same jurisdiction for a consecutive seven-day period or (ii) for motorcycles for a consecutive 14-day period. The Board shall not issue more than eight supplemental licenses per year to any licensed motor vehicle dealer.

A temporary supplemental license for the sale of new motor vehicles may be issued only for locations within the dealer's area of responsibility, as defined in his franchise or sales agreement, unless proof is provided that all dealers in the same line-make in whose areas of responsibility, as defined in their franchise or sales agreements, where the temporary supplemental license is sought do not oppose the issuance of the temporary license.

A temporary supplemental license for sale of used motor vehicles may be issued only for the county, city, or town in which the dealer is licensed pursuant to § 46.2-1510, or for a contiguous county, city, or town. Temporary licenses may be issued without regard to the foregoing geographic restrictions where the dealer operating under a temporary license provides notice by certified mail, at least 30 days before any proposed sale under a temporary license, to all other dealers licensed in the jurisdiction in which the sale will occur of the intent to conduct a sale and permits any locally licensed dealer who wishes to do so to participate in the sale on the same terms as the dealer operating under the temporary license. Any locally licensed dealer who chooses to participate in the sale must obtain a temporary supplemental license for the sale pursuant to this section. The dealer operating under a temporary license shall provide to the Board a copy of the notice

required under this section and a list of the dealers to whom the notice was distributed. *A temporary supplemental license for sale of used motor vehicles that are late model vehicles as defined by § 46.2-1600 at a new motor vehicle show that is sponsored by a statewide or local trade association of franchised dealers and held within the geographic area of the dealer members of such association may be issued without regard to the foregoing geographic restrictions or notification and approval provisions, provided that the applicant is lawfully participating in such new motor vehicle show.*

A temporary supplemental license may be issued for the sale of boat trailers at a boat show. Any such license shall be valid for no more than 14 days. Application for such a license shall be made and such license obtained prior to the opening of the show. Temporary supplemental licenses for sale of boat trailers at boat shows may be issued for any boat show located anywhere in the Commonwealth without notification of or approval by other boat trailer dealers.

In making such finding, the Commissioner shall not require that the instructors of any driver training school meet the certification requirements of teachers in the Commonwealth's public schools.

Any comprehensive community college within the Virginia Community College System shall have the authority to offer the courses required by the Virginia Board of Education to become a certified driver education instructor in Virginia on a not-for-credit basis so long as the courses include the same content and curriculum required by the Department of Education, enabling individuals who complete those courses to then teach driver's education in Virginia driver education training schools upon official certification by the Department of Motor Vehicles. The content of each course must be accurate and rigorous and must meet the requirements for the Department of Education's Curriculum and Administrative Guide for Driver's Education, which includes the Board of Education's standards of learning.

Except for schools in the Commonwealth's public school system and providers of correspondence courses approved by the Board of Education pursuant to subsection F of § 22.1-205, only those driver training schools that are licensed as computer-based driver education providers shall be authorized to administer computer-based driver education courses, including the parent/student driver education component of the driver education curriculum as established in § 22.1-205. Computer-based driver education providers shall not issue a certificate of completion to a student prior to receiving proof of completion of the additional minimum 90-minute parent/student driver education component pursuant to § 22.1-205.

Any driver training school licensed under the provisions of this chapter shall be authorized to provide the 90-minute parent/student driver education component of the driver education curriculum pursuant to § 22.1-205. Only public schools and those driver training schools that are licensed as computer-based driver education providers shall be authorized to administer the parent/student driver education component of the driver education curriculum through a virtual, computer-based program. Completion of such education component shall satisfy the requirement for the additional 90-minute parent/student driver education component so long as there is participation of the student's parent or guardian and the content provided is comparable to that which is offered in the Commonwealth's public schools and emphasizes (a) parental responsibilities regarding juvenile driver behavior, (b) juvenile driving restrictions pursuant to this Code, and (c) the dangers of driving while intoxicated and underage consumption of alcohol.

The Commissioner shall have authority to approve any driver education course offered by any Class A licensee if he finds the course meets the requirements for such courses as set forth in this chapter and as otherwise established by the Department. Class A licensees shall not be permitted to administer knowledge or behind-the-wheel examinations *unless authorized pursuant to § 46.2-326.1*. Driver education courses offered by any Class B licensee shall be based on the driver education curriculum currently approved by the Department of Education and the Department.

The Commissioner may accept, in lieu of requirements established by the Department of Education for instructor qualification, (1) 20 years' service with the Virginia Department of State Police by a law-enforcement officer who retired or resigned while in good standing from such Department or (2)(i) 20 years' service as a traffic enforcement officer with patrol experience with any local police department by a law-enforcement officer who has been certified by the Virginia Department of Criminal Justice Services pursuant to § 15.2-1706, (ii) who retired or resigned while in good standing from such department, and (iii) who has been certified to teach driver training by the Virginia Department of Criminal Justice Services.

2. That the provisions of this act shall become effective on October 1, 2019.

3. That the Commissioner of the Department of Motor Vehicles shall report to the Chairmen of the House and Senate Committees on Transportation by December 1, 2021, (i) regarding the wait times for commercial driver's licenses and the growth of third party testing in the Commonwealth and (ii) on infractions incurred by holders of a Virginia commercial driver's license while driving a commercial motor vehicle, aggregated by the type of tester, beginning after the implementation of this act.

[S 1413]

Approved February 27, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 28.2-600, 28.2-607, 28.2-608, 28.2-613, and 28.2-625 of the Code of Virginia are amended and reenacted as follows:

§ 28.2-600. Riparian planting ground assignments; eligibility; fee.

Any owner of land bordering on a body of water in the oyster-growing area of this Commonwealth whose shore front measures at least 205 feet at the low-water mark, who has not had as much as one-half acre of ground already assigned him on the front, or whose lease has terminated and is not to be renewed, may apply for planting grounds to the Commissioner. The Commissioner shall assign to him such ground ~~wherever the owner may designate~~ within his riparian waters, *subject to the Commissioner's discretion with respect to the precise location, and provided the ground does not encroach into an existing oyster-planting ground lease assigned under Article 2 (§ 28.2-603 et seq.) of this chapter.* ~~The fee for such assignment shall be \$1-50.~~ Such ground shall not exceed one-half acre, and shall not be less than 105 feet wide along the shore, beginning at low-water mark, extending out not more than 210 feet, or to the middle of the channel or body of water, whichever is the shorter distance. The grounds shall be surveyed, plotted, marked, assigned, and recorded as provided for

assignments to persons in Article 2 (§ 28.2-603 et seq.) of this chapter. Any riparian assignment that was duly recorded in the clerk's office of the county or city where the grounds are located, or at the Commission office prior to July 1, 1986, shall continue in effect.

§ 28.2-607. Survey and marking of ground.

If a protest is not filed in the Commission office within ~~sixty~~ 60 days after posting of the notice of application, the Commissioner shall select a surveyor to survey the grounds and make a plat in duplicate. The surveyor shall forward the plat of survey to the Commissioner. If no protest to the application or surveying of ground is made within ~~thirty~~ 30 days after the plat of survey is recorded in the Commissioner's office, the ground applied for shall be assigned provided that:

1. The application and assignment complies with all applicable provisions of law and, in the judgment of the Commissioner, the assignment is in the public interest. *In making that determination, the Commissioner shall consider (i) the factors set out in subsection A of § 28.2-1205 and (ii) the public benefits and impacts of shellfish aquaculture.*

2. All fees; ~~and~~ costs; and the annual rent have been paid for the lease of the ground. The ground shall be marked at the expense of the applicant.

The grounds shall be marked in accordance with Commission regulations for marking oyster grounds.

§ 28.2-608. Application, surveying, and recording fees.

Any applicant for general oyster-planting ground or for riparian oyster ground shall pay (i) an application fee of ~~twenty-five dollars~~ \$300 if the application is for less than five acres, \$500 if the application is for five to 25 acres, and \$1,000 if the application is for more than 25 acres; and (ii) the Commission's surveying costs including the cost of the survey and of preparing the original and one copy of the plat; ~~and (iii) the cost of recording each assignment or transfer and plat in the Commission office. The fee for recording each assignment shall be \$1.50.~~ No ground shall be assigned until all the prescribed fees have been paid.

§ 28.2-613. Duration of lease.

Each assignment of general oyster-planting ground shall continue in force for ~~ten~~ 10 years from the date of assignment, unless the assignment is terminated; ~~however, assignments issued between July 1, 1976, and July 1, 1980, shall continue in force for twenty years from the date of assignment.~~ The interest in such ground is chattel real.

Upon the death of the renter, testate as to the lease, it shall vest in the named beneficiary subject to the rights of creditors, if he is a resident of this Commonwealth, provided that he files an application for transfer with the Commission within ~~eighteen~~ 18 months after the date of death. If the named beneficiary is not a resident he shall have ~~eighteen~~ 18 months after the date of death to transfer the lease to a qualified holder.

Upon the death of the renter, intestate as to the lease, the lease shall vest in the personal representative, who shall transfer the lease to a qualified holder within ~~eighteen~~ 18 months.

If there is no qualification on the renter's estate within one year of his death, the Commission may within six months thereafter transfer the lease to a qualified holder upon receipt of a transfer duly executed by all of the lawful heirs of the renter.

If there is no transfer under any of the above, the ground shall become vacant and open to assignment.

Upon expiration of the initial or any subsequent term of the assignment, the Commission shall, on application of the holder, renew the assignment for an additional ~~ten-year~~ 10-year term. The Commission shall not renew or extend an assignment where there has been no significant production of oysters or clams, no reasonable plantings of oysters, clams or cultch or no significant oyster or clam aquaculture operation, during any portion of the ~~ten-year~~ 10-year period immediately prior to the application for renewal, unless the Commission finds that there was good cause for the failure to produce or plant oysters, clams or cultch or finds that the assignment is directly related to and beneficial to the production of oyster-planting grounds immediately adjacent to the assignment. In determining whether there was good cause for the failure to produce or plant oysters, clams, or cultch, in addition to other factors, the Commission shall ~~consider~~ *decide whether the renewal is in the public interest considering the factors in subsection A of § 28.2-1205, the prevalence of the diseases MSX and Dermo, the public benefits and impacts of shellfish aquaculture, and whether the oyster-planting ground has traditionally produced commercial quantities of oysters or clams. The Commission shall set by regulation a fee structure for renewal fees to be paid by applicants. Such fees shall seek to reflect the cost to the Commission of processing the renewal application, but shall not exceed \$300.*

§ 28.2-625. Transfer or assignment.

A person holding an existing lease of oyster-planting ground may transfer or assign all or any part of the lease to another under the following conditions and provisions:

1. The transfer or assignment may be made only to a resident of the Commonwealth, or a firm or corporation authorized by Virginia laws to occupy and hold oyster-planting ground.

2. The application for transfer or assignment shall be in the form prescribed by the Commissioner and shall be filed with the Commission.

3. The Commissioner shall require a new survey if no survey exists of the exact parcel or parcels of grounds to be transferred or assigned.

4. The cost of any new surveys required under this section shall be borne by the person making the transfer, and the cost and fees shall be the same as for surveys made by the Commissioner.

5. The application shall be accompanied by the transfer fee of ~~five dollars if the parcel or parcels are ten acres or less and ten dollars if the parcel or parcels are more than ten acres~~ \$300 for each lease less than five acres, \$500 for each lease of five to 25 acres, and \$1,000 for each lease greater than 25 acres.

6. The Commissioner shall record in his office the application for transfer or assignment with any correction or new plat he deems necessary *only if the Commissioner believes that the transfer or assignment is in the public interest after considering the factors in subsection A of § 28.2-1205 and the public benefits and impacts of shellfish aquaculture. No lease shall be transferred if the leaseholder has been denied renewal under § 28.2-613.*

7. The transfer or assignment shall constitute a new lease of the tract or parcel assigned and any ground remaining under the old lease.

2. That an emergency exists and this act is in force from its passage.

The multidisciplinary team may be established separately or in conjunction with any already existing multidisciplinary team.

§ 63.2-1605. Protective services for adults by local departments.

A. Each local board, to the extent that federal or state matching funds are made available to each locality, shall provide, pursuant to regulations and subject to supervision of the Commissioner for Aging and Rehabilitative Services, adult protective services for adults who are found to be abused, neglected, or exploited and who meet one of the following criteria: (i) the adult is 60 years of age or older or (ii) the adult is 18 years of age or older and is incapacitated. The requirement to provide such services shall not limit the right of any individual to refuse to accept any of the services so offered, except as provided in § 63.2-1608.

B. Upon receipt of the report pursuant to § 63.2-1606, the local department shall determine the validity of such report and shall initiate an investigation within 24 hours of the time the report is received in the local department. Local departments shall consider valid any report meeting all of the following criteria: (i) the subject of the report is an adult as

defined in this article, (ii) the report concerns a specific adult and there is enough information to locate the adult, and (iii) the report describes the circumstances of the alleged abuse, neglect, or exploitation.

C. The local department or the adult protective services hotline shall immediately refer the matter and all relevant documentation to the local law-enforcement agency where the adult resides or where the alleged abuse, neglect, or exploitation took place or, if these places are unknown, where the alleged abuse, neglect, or exploitation was discovered for investigation, upon receipt of an initial report pursuant to § 63.2-1606 involving any of the following or upon determining, during the course of an investigation pursuant to this article, the occurrence of any of the following:

1. Sexual abuse as defined in § 18.2-67.10;

Local law-enforcement agencies shall provide local departments and the adult protective services hotline with a preferred point of contact for referrals.

D. The local department shall refer any appropriate matter and all relevant documentation, to the appropriate licensing, regulatory, or legal authority for administrative action or criminal investigation.

E. If a local department is denied access to an adult for whom there is reason to suspect the need for adult protective services, then the local department may petition the circuit court for an order allowing access or entry or both. Upon a showing of good cause supported by an affidavit or testimony in person, the court may enter an order permitting such access or entry.

F. In any case of suspected adult abuse, neglect, or exploitation, local departments, with the informed consent of the adult or his legal representative, shall take or cause to be taken photographs, video recordings, or appropriate medical imaging of the adult and his environment as long as such measures are relevant to the investigation and do not conflict with § 18.2-386.1. However, if the adult is determined to be incapable of making an informed decision and of giving informed consent and either has no legal representative or the legal representative is the suspected perpetrator of the adult abuse, neglect, or exploitation, consent may be given by an agent appointed under an advance medical directive or medical power of attorney, or by a person authorized, pursuant to § 54.1-2986. In the event no agent or authorized representative is immediately available, then consent shall be deemed to be given.

G. Local departments shall foster the development, implementation, and coordination of adult protective services to prevent adult abuse, neglect, and exploitation.

H. Local departments shall not investigate allegations of abuse, neglect, or exploitation of adults incarcerated in state correctional facilities.

I. J. K. *Each local department may foster, when practicable, the creation, maintenance, and coordination of community-based multidisciplinary teams that shall include, where possible, members of the medical, mental health, social work, nursing, education, legal, and law-enforcement professions. Such multidisciplinary teams may share information among the parties in the performance of their duties but shall be bound by confidentiality and shall execute a sworn statement to honor the confidentiality of the information they share. A violation of this subsection is punishable as a Class 3 misdemeanor. All such information and records shall be used by the team only in the exercise of its proper function and shall not be disclosed. No person who participated in the team and no member of the team shall be required to make any statement as to what transpired during a meeting or what information was collected during the meeting. Upon the conclusion of a meeting, all information and records concerning the adult shall be returned to the originating agency or destroyed. Any information exchanged in accordance with the multidisciplinary review team shall not be considered to be a violation of any of the provisions of § 63.2-102, 63.2-104, or 63.2-105.
