A school board may regulate the use or possession of beepers or other portable communications devices and laser pointers by students on school property or attending school functions or activities and establish disciplinary procedures pursuant to this article to which students violating such regulations will be subject.

F. Nothing in this section shall be construed to require any school board to adopt policies requiring or encouraging any drug testing in schools. However, a school board may, in its discretion, require or encourage drug testing in accordance with the Board of Education's guidelines and model student conduct policies required by subsection A and the Board's guidelines for student searches required by § 22.1-279.7.

A. Subject to the provisions of § 4.1-124, the Board may grant the following licenses relating to mixed beverages:

1. Mixed beverage restaurant licenses, which shall authorize the licensee to sell and serve mixed beverages for consumption in dining areas and other designated areas of such restaurant. Such license may be granted only to persons (i) who operate a restaurant and (ii) whose gross receipts from the sale of food cooked or prepared, and consumed on the premises and nonalcoholic beverages served on the premises, after issuance of such license, amount to at least 45 percent of the gross receipts from the sale of mixed beverages and food. For the purposes of this subdivision, other designated areas shall include outdoor dining areas, whether or not contiguous to the licensed premises, which outdoor dining areas may have more than one means of ingress and egress to an adjacent public thoroughfare, provided such areas are under the control of the licensee and approved by the Board. Such noncontiguous designated areas shall not be approved for any retail license issued pursuant to subdivision A 5 of § 4.1-201.

Where such club prepares no food in its restaurant but purchases its food requirements from a restaurant licensed by the Board and located on another portion of the premises of the same hotel or motel building, this fact shall not prohibit the granting of a license by the Board to such club qualifying in all other respects. The club's gross receipts from the sale of nonalcoholic beverages consumed on the premises and food resold to its members and guests and consumed on the premises shall amount to at least 45 percent of its gross receipts from the sale of mixed beverages and food. The food sales made by a restaurant to such a club shall be excluded in any consideration of the qualifications of such restaurant for a license from the Board.

CHAPTER 179

An Act to amend and reenact §§ 54.1-2105, 54.1-2106.1, 54.1-2108.2, and 54.1-2109 of the Code of Virginia, relating to the Real Estate Board; real estate licensees.

[S 1061]

Approved February 27, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 54.1-2105, 54.1-2106.1, 54.1-2108.2, and 54.1-2109 of the Code of Virginia are amended and reenacted as follows:

§ 54.1-2105. General powers of Real Estate Board; regulations; educational and experience requirements for licensure.

A. The Board may do all things necessary and convenient for carrying into effect the provisions of this chapter and may promulgate necessary regulations.

B. The Board shall adopt regulations establishing minimum educational requirements as conditions for licensure. Board regulations relating to initial licensure shall include the following requirements:

1. Every applicant for an initial license as a real estate salesperson shall have:

a. At a minimum, a high school diploma or its equivalent; and

b. Completed a course in the principles of real estate that carried an academic credit of at least four semester hours, but not less than 60 hours of classroom, correspondence, or other distance learning instruction, offered by an accredited institution of higher education, high school offering adult distributive education courses, or other school or educational institution offering an equivalent course.

2. Every applicant for an initial license as a real estate broker shall have:

a. At a minimum, a high school diploma or its equivalent; and

b. Completed not less than 12 semester hours of classroom or correspondence or other distance learning instruction in real estate courses offered by an accredited institution of higher education or other school or educational institution offering equivalent courses.

3. Every applicant for a license by reciprocity as a real estate salesperson or real estate broker shall have:

a. Completed a course in the principles of real estate that is comparable in content and duration and scope to that required in subdivision 1 or 12 semester hours of classroom or correspondence or other distance learning instruction in real estate courses that are comparable in content and duration and scope to that required in subdivision 2; and

b. If currently licensed by another state as a real estate salesperson or broker, passed Virginia's examination.

C. The Board may waive any requirement under the regulations relating to education or experience when the broker or salesperson is found to have education or experience equivalent to that required. No regulation imposing educational requirements for initial licensure beyond those specified by law shall apply to any person who was licensed prior to July 1, 1975, and who has been continuously licensed since that time, except that licensure as a salesperson prior to such time shall not exempt a salesperson who seeks to be licensed as a broker from the educational requirements established for brokers.

D. The Board shall establish criteria to ensure that prelicensure and broker licensure courses meet the standards of quality deemed by the Board to be necessary to protect the public interests. For correspondence and other distance learning instruction offered by an approved provider, such criteria may include appropriate testing procedures. The Board may establish procedures to ensure the quality of the courses.

Noncollegiate institutions shall not be authorized to grant collegiate semester hours for academic credit.

The specific content of the real estate courses shall be in real estate brokerage, real estate finance, real estate appraisal, real estate law, and such related subjects as are approved by the Board.

E. The Board may establish criteria delineating the permitted activities of unlicensed individuals employed by, *or affiliated as an independent contractor with*, real estate licensees or under the supervision of a real estate broker.

F. The Board may take a disciplinary case against a licensee under advisement, defer a finding in such case, and dismiss such action upon terms and conditions set by the Board.

§ 54.1-2106.1. Licenses required.

A. No business entity, other than a sole proprietorship, shall act, offer to act, or advertise to act, as a real estate firm without a real estate firm license from the Board. Such firm may be granted a license in a fictitious name. No business entity shall be granted a firm license unless (i) every managing member of a limited liability company, officer of a corporation, partner within a partnership, or associate within an association who actively participates in the firm brokerage business holds a license as a real estate broker; and (ii) every employee or independent contractor who acts as a salesperson for such business entity holds a license as a real estate salesperson or broker. An individual holding a broker's license may operate a real estate brokerage firm which he owns as a sole proprietorship without any further licensure by the Board, although such individual shall not operate the brokerage firm in a fictitious name. However, nothing herein shall be construed to prohibit a broker operating a brokerage firm from having a business entity separate from the brokerage firm for such broker's own real estate business, provided that such separate business entity otherwise complies with this section. A non-broker-owned sole proprietorship shall obtain a license from the Board.

B. No individual shall act as a broker without a real estate broker's license from the Board. An individual who holds a broker's license may act as a salesperson for another broker. A broker may be an owner, member, or officer of a business entity salesperson as defined in subsection C.

C. No individual shall act as a salesperson without a salesperson's license from the Board. A business entity may act as a salesperson with a separate business entity salesperson's license from the Board. No business entity shall be granted a business entity salesperson's license unless every owner or officer who actively participates in the brokerage business of such entity holds a license as a salesperson or broker from the Board. The Board shall establish standards in its regulations for the names of business entity salespersons when more than one licensee is an owner or officer.

D. No group of individuals consisting of one or more real estate brokers or real estate salespersons, or a combination thereof, shall act as a real estate team without first obtaining a business entity salesperson's license from the Board. A real

estate team may hire one or more unlicensed assistants, *as employees or independent contractors*, as otherwise provided by law.

E. If any principal broker maintains more than one place of business within the Commonwealth, such principal broker shall be required to obtain a branch office license from the Board for each place of business maintained. A copy of the branch office license shall be kept on the premises of the branch office.

§ 54.1-2108.2. Protection of escrow funds, etc., held by a real estate broker in the event of termination of a real estate purchase contract.

Notwithstanding any other provision of law, for purchase transactions:

1. Upon the ratification of a contract, an earnest money deposit received by the principal broker or supervising broker ~~or his associates~~, *or an agent of such principal broker or supervising broker*, shall be placed in an escrow account by the end of the fifth business banking day following ratification, unless otherwise agreed to in writing by the principals to the transaction, and shall remain in that account until the transaction has been consummated or terminated.

2. In the event that the transaction is not consummated, the principal broker or supervising broker shall hold such funds in escrow until (i) all principals to the transaction have agreed in a written agreement as to their disposition, upon which the funds shall be returned to the agreed-upon principal as provided in such written agreement; (ii) a court of competent jurisdiction orders such disbursement of the funds; (iii) the funds are successfully interpleaded into a court of competent jurisdiction pursuant to this section; or (iv) the broker releases the funds to the principal to the transaction who is entitled to receive them in accordance with the clear and explicit terms of the contract that established the earnest money deposit.

At the option of a broker, written notice may be sent by the broker that release of such funds shall be made unless a written protest is received from the principal who is not receiving the funds by such broker within 15 calendar days of the date of such notice. Notice of a disbursement shall be given to the parties to the transaction in accordance with the contract, but if the contract does not specify a method of delivery, one of the following methods complies with this section: (a) hand delivery; (b) United States mail, postage prepaid, provided that the sender retains sufficient proof of mailing, which may be either a United States postal certificate of mailing or a certificate of service prepared by the sender confirming such mailing; (c) electronic means, provided that the sender retains sufficient proof of the electronic delivery, which may be an electronic receipt of delivery, a confirmation that the notice was sent by facsimile, or a certificate of service prepared by the sender confirming the electronic delivery; or (d) overnight delivery using a commercial service or the United States Postal Service. Except as provided in the clear and explicit terms of the contract, no broker shall be required to make a determination as to the party entitled to receive the earnest money deposit. A broker who complies with this section shall be immune from liability to any of the parties to the contract.

3. A principal broker or supervising broker holding escrow funds for a principal to the transaction may seek to have a court of competent jurisdiction take custody of disputed or unclaimed escrow funds via an interpleader action pursuant to § 16.1-77.

4. If a principal broker or supervising broker is holding escrow funds for the owner of real property and such property is foreclosed upon by a lender, the principal broker or supervising broker shall have the right to file an interpleader action pursuant to § 16.1-77 and otherwise comply with the provisions of § 54.1-2108.1.

§ 54.1-2109. Death or disability of a broker.

Upon the death or disability of a licensed real estate broker who was engaged in a proprietorship or who was the only licensed broker in a corporation or partnership, the Real Estate Board shall grant approval to carry on the business of the deceased or disabled broker for 180 days following the death or disability of the broker solely for the purpose of concluding the business of the deceased or disabled broker in the following order:

1. A personal representative qualified by the court to administer the deceased broker's estate.

2. If there is no personal representative qualified pursuant to subdivision 1, then an agent designated under a power of attorney of the disabled or deceased broker, which designation expressly references this section.

3. If there is no agent designated pursuant to subdivision 2, the executor nominated in the deceased broker's will.

4. If there is no executor nominated pursuant to subdivision 3, then an adult family member of the disabled or deceased broker.

5. If there is no adult family member nominated pursuant to subdivision 4, then an employee of, *or an independent contractor affiliated with*, the disabled or deceased broker.

In the event none of the foregoing is available or suitable, the Board may appoint any other suitable person to terminate the business within 180 days.

[S 1448]

Approved February 27, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 8.01-128, 8.01-129, 8.01-293, 8.01-470, 8.01-471, 16.1-69.40, 16.1-88.03, 17.1-272, 55-225.01, 55-225.1, 55-246.1, 55-248.3:1, 55-248.35, 55-248.38:1, 55-248.38:2, and 58.1-3947 of the Code of Virginia are amended and reenacted as follows:

§ 8.01-128. Verdict and judgment; damages.

A. If it appears that the plaintiff was forcibly or unlawfully turned out of possession, or that it was unlawfully detained from him, the verdict or judgment shall be for the plaintiff for the premises, or such part thereof as may be found to have been so held or detained. The verdict or judgment shall also be for such damages as the plaintiff may prove to have been sustained by him by reason of such forcible or unlawful entry, or unlawful detention, of such premises, and such rent as he may prove to have been owing to him.

B. The plaintiff may, alternatively, receive a final, appealable judgment for possession of the property unlawfully entered or unlawfully detained and be issued ~~a writ~~ *an order* of possession at the initial hearing on a summons for unlawful detainer, upon evidence presented by the plaintiff to the court. At the initial hearing, upon request of the plaintiff, the court shall bifurcate the unlawful detainer case and set a continuance date no later than 120 days from the date of the initial hearing to determine final rent and damages. On such continuance date, the court shall permit amendment of the amount requested on the summons for unlawful detainer filed in court in accordance with the (i) notice of hearing to establish final rent and damages mailed to the last known address of the defendant and filed with the court at least 15 days prior to the continuance date as provided herein, (ii) evidence presented to the court, and (iii) amounts contracted for in the rental agreement. Nothing in this subsection shall preclude a defendant who appears in court at the initial court date from contesting an unlawful detainer action as otherwise provided by law.

If under this section an appeal is taken as to possession, the entire case shall be considered appealed. The plaintiff shall, in the instance of a continuance taken under this section, mail to the defendant at the defendant's last known address at least 15 days prior to the continuance date a notice advising (a) of the continuance date, (b) of the amounts of final rent and damages, and (c) that the plaintiff is seeking judgment for additional sums. A copy of such notice shall be filed with the court.

C. No verdict or judgment rendered under this section shall bar any separate concurrent or future action for any such damages or rent as may not be so claimed.

§ 8.01-129. Appeal from judgment of general district court.

A. An appeal shall lie from the judgment of a general district court, in any proceeding under this article, to the circuit court in the same manner and with like effect and upon like security as appeals taken under the provisions of § 16.1-106 et seq. except as specifically provided in this section. The appeal shall be taken within 10 days and the security approved by the court from which the appeal is taken. Notwithstanding the provisions of § 16.1-106 et seq., the bond shall be posted and the writ tax paid within 10 days of the date of the judgment.

B. In any unlawful detainer case filed under § 8.01-126, if a judge grants the plaintiff a judgment for possession of the premises, upon request of the plaintiff, the judge shall further order that the writ *of eviction* issue immediately upon entry of judgment for possession. In such case, the clerk shall deliver the writ *of eviction* to the sheriff, who shall then, at least 72 hours prior to execution of such writ, serve notice of intent to execute the writ, including the date and time of eviction, as provided in § 8.01-470. In no case, however, shall the sheriff evict the defendant from the dwelling unit prior to the expiration of the defendant's 10-day appeal period. If the defendant perfects an appeal, the sheriff shall return the writ to the clerk who issued it.

When the appeal is taken by the defendant, he shall be required to give security also for all rent which has accrued and may accrue upon the premises, but for not more than one year's rent, and also for all damages that have accrued or may accrue from the unlawful use and occupation of the premises for a period not exceeding three months. Trial by jury shall be had upon application of any party.

§ 8.01-293. Authorization to serve process, capias or show cause order; execute writ of possession or eviction and levy upon property.

If a sheriff has agreed that such investigators may serve process, then investigators employed by either an attorney for the Commonwealth or the Indigent Defense Commission may serve process. However, in any case in which custody or visitation of a minor child or children is at issue and a summons is issued for the attendance and testimony of a teacher or other school personnel who is not a party to the proceeding, if such summons is served on school property, it shall be served only by a sheriff or his deputy; or

Whenever in this Code the term "officer" or "sheriff" is used to refer to persons authorized to make, return or do any other act relating to service of process, such term shall be deemed to refer to any person authorized by this section to serve process.

B. Notwithstanding any other provision of law (i) only a sheriff or high constable may execute an order or writ of possession for personal, real or mixed property, including ~~an order or a writ of possession eviction~~ arising out of an action in unlawful entry and detainer or ejectment; (ii) any sheriff, high constable or law-enforcement officer as defined in § 9.1-101 of the Code of Virginia may serve any *capias* or show cause order; and (iii) only a sheriff, the high constable for the City of Norfolk or Virginia Beach or a treasurer may levy upon property.

In cases of unlawful entry and detainer and of ejectment, the officer to whom a writ of ~~possession eviction~~ has been delivered to be executed shall, at least 72 hours before execution, serve notice of intent to execute, including the date and time of execution, as well as the rights afforded to tenants in §§ 55-237.1 and 55-248.38:2, together with a copy of the writ attached, on the defendant in person or, if the party to be served is not found at the specific property for which a writ of ~~possession eviction~~ has been issued, then service shall be effected by posting a copy of such process at the front door or at such other door as appears to be the main entrance of such property. The execution of the writ of ~~possession eviction~~ by the sheriff should occur within 15 calendar days from the date the writ of ~~possession eviction~~ is received by the sheriff, or as soon as practicable thereafter, but in no event later than 30 days from the date the writ of ~~possession eviction~~ is issued. *An order of possession shall remain valid for 180 days from the date granted by the court. If a plaintiff cancels a writ of eviction, such plaintiff may request other writs of eviction during such 180-day period.* In cases of unlawful entry and detainer and of ejectment, whenever the officer to whom a writ of ~~possession eviction~~ has been delivered to be executed finds the premises locked, he may, after declaring at the door the cause of his coming and demanding to have the door opened, employ reasonable and necessary force to break and enter the door and put the plaintiff in possession. The execution of the writ of ~~possession eviction~~ shall be effective against the tenants named in the writ of ~~possession eviction~~ and their authorized occupants, guests or invitees, and any trespassers in the premises. And an officer having a writ of possession for specific personal property, if he finds locked or fastened the building or place wherein he has reasonable cause to believe the property specified in the writ is located, may in the daytime, after notice to the defendant, his agent or bailee, break and enter such building or place for the purpose of executing such writ.

§ 8.01-471. Time period for issuing writs of eviction in unlawful entry and detainer; when returnable.

Writs of ~~possession eviction~~, in case of unlawful entry and detainer, shall be issued within ~~one year~~ 180 days from the date of judgment for possession and shall be made returnable within 30 days from the date of issuing the writ. *Notwithstanding any other provision of law, a writ of eviction not executed within 30 days from the date of issuance shall be vacated as a matter of law without further order of the court that entered the order of possession, and no further action shall be taken by the clerk.* No writ shall issue, however, in cases under the Virginia Residential Landlord and Tenant Act (§ 55-248.2 et seq.) if, following the entry of judgment for possession, the landlord has ~~accepted rent payments without reservation~~ entered into a new written rental agreement with the tenant, as described in § 55-248.34:1. Actual damages for breach of the rental agreement may include a claim for such rent as would have accrued until the expiration of the term thereof or until a tenancy pursuant to a new rental agreement commences, whichever first occurs; provided that nothing herein contained shall diminish the duty of the landlord to mitigate actual damages for breach of the rental agreement. In obtaining post-possession judgments for actual damages as defined herein, the landlord shall not seek a judgment for accelerated rent through the end of the term of the tenancy.

In any unlawful detainer action brought by the landlord, this section shall not be construed to prevent the landlord from being granted by the court a simultaneous judgment for money due and for possession of the premises without a credit for any security deposit. Upon the tenant vacating the premises either voluntarily or by a writ of ~~possession~~ *eviction*, security deposits shall be credited to the tenants' account by the landlord in accordance with the requirements of § 55-248.15:1.

§ 55-248.38:1. Disposal of property abandoned by tenants.

If any items of personal property are left in the dwelling unit, the premises, or in any storage area provided by the landlord, after the rental agreement has terminated and delivery of possession has occurred, the landlord may consider such property to be abandoned. The landlord may dispose of the property so abandoned as the landlord sees fit or appropriate, provided he has: (i) given a termination notice to the tenant in accordance with this chapter, which includes a statement that any items of personal property left in the dwelling unit or the premises would be disposed of within the 24-hour period after termination, (ii) given written notice to the tenant in accordance with § 55-248.33, which includes a statement that any items of personal property left in the dwelling unit or the premises would be disposed of within the 24-hour period after expiration of the seven-day notice period, or (iii) given a separate written notice to the tenant, which includes a statement that any items of personal property left in the dwelling unit or the premises would be disposed of within 24 hours after expiration of a 10-day period from the date such notice was given to the tenant. Any written notice to the tenant shall be given in accordance with § 55-248.6. The tenant shall have the right to remove his personal property from the dwelling unit or the premises at reasonable times during the 24-hour period after termination or at such other reasonable times until the landlord has disposed of the remaining personal property of the tenant.

During the 24-hour period and until the landlord disposes of the remaining personal property of the tenant, the landlord shall not have any liability for the risk of loss for such personal property. If the landlord fails to allow reasonable access to the tenant to remove his personal property as provided in this section, the tenant shall have a right to injunctive or other relief as provided by law. If the landlord received any funds from any sale of abandoned property as provided in this section, the landlord shall pay such funds to the account of the tenant and apply same to any amounts due the landlord by the tenant, including the reasonable costs incurred by the landlord in selling, storing or safekeeping such property. If any such funds are remaining after application, the remaining funds shall be treated as a security deposit under the provisions of § 55-248.15:1. The provisions of this section shall not be applicable if the landlord has been granted ~~a writ~~ *an order* of possession for the premises in accordance with Title 8.01 and execution of ~~such a writ of eviction~~ has been completed pursuant to § 8.01-470.

Nothing herein shall affect the right of a landlord to enforce an inchoate or perfected lien of the landlord on the personal property of a tenant in a dwelling unit or on the premises leased to such tenant and the right of a landlord to distress, levy, and seize such personal property as otherwise provided by law.

§ 55-248.38:2. Authority of sheriffs to store and sell personal property removed from residential premises; recovery of possession by owner; disposition or sale.

Notwithstanding the provisions of § 8.01-156, when personal property is removed from a dwelling unit, the premises, or from any storage area provided by the landlord pursuant to an action of unlawful detainer or ejectment, or pursuant to any other action in which personal property is removed from the dwelling unit in order to restore the dwelling unit to the person entitled thereto, the sheriff shall oversee the removal of such personal property to be placed into the public way. The tenant shall have the right to remove his personal property from the public way during the 24-hour period after eviction. Upon the expiration of the 24-hour period after eviction, the landlord shall remove, or dispose of, any such personal property remaining in the public way.

At the landlord's request, any personal property removed pursuant to this section shall be placed into a storage area designated by the landlord, which may be the dwelling unit. The tenant shall have the right to remove his personal property from the landlord's designated storage area at reasonable times during the 24 hours after eviction from the landlord's or at such other reasonable times until the landlord has disposed of the property as provided herein. During that 24-hour period and until the landlord disposes of the remaining personal property of the tenant, the landlord and the sheriff shall not have any liability for the risk of loss for such personal property. If the landlord fails to allow reasonable access to the tenant to remove his personal property as provided herein, the tenant shall have a right to injunctive or other relief as otherwise provided by law.

Any property remaining in the landlord's storage area upon the expiration of the 24-hour period after eviction may be disposed of by the landlord as the landlord sees fit or appropriate. If the landlord receives any funds from any sale of such remaining property, the landlord shall pay such funds to the account of the tenant and apply same to any amounts due the landlord by the tenant, including the reasonable costs incurred by the landlord in the eviction process described in this section or the reasonable costs incurred by the landlord in selling or storing such property. If any funds are remaining after application, the remaining funds shall be treated as security deposit under applicable law.

The notice posted by the sheriff *with the writ of eviction* setting the date and time of the eviction, pursuant to § 8.01-470, shall provide notice to the tenant of the rights afforded to tenants in this section and shall include in the said notice a copy of this statute attached to, or made a part of, this notice.

§ 58.1-3947. Lease of real estate for collection of taxes.

Any real estate in the county, city or town belonging to the person or estate assessed with taxes due on such real estate may be rented or leased by the treasurer, sheriff, constable or collector, privately or at public outcry, after due publication, in the discretion of such treasurer, sheriff, constable or collector, either at the front door of the courthouse or on the premises or at some public place in the community where the premises are situated, after giving not less than fifteen days' notice by printed or written notices posted at the front door of the courthouse and at three or more places in the neighborhood of the real estate to be leased. Such leasing shall be for a term not exceeding one year and for cash sufficient to pay the taxes due on the real estate so rented and the costs and charges of advertising and leasing. When a lease is effected, the treasurer, collector, sheriff or constable leasing such real estate shall put the lessee in possession thereof and for such purpose shall have like powers as those exercised by a sheriff acting under a writ of possession *or writ of eviction*.

[H 2278]

Approved February 27, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.2-402 and 19.2-392.2 of the Code of Virginia are amended and reenacted as follows:

§ 2.2-402. Keeper of seals of Commonwealth; duties generally.

A. The Secretary of the Commonwealth shall (i) be keeper of the seals of the Commonwealth; (ii) keep a record of all executive acts, arrange and preserve all records and papers belonging to the executive branch of state government; (iii) be charged with the clerical duties of that department; and (iv) render to the Governor, in the dispatch of executive business, such services as he requires. The Secretary of the Commonwealth shall record or register all papers or documents required by law to be registered or recorded in his office, and, when required, furnish a copy of any record in his office under the seal of the Commonwealth.

B. The Secretary of the Commonwealth may authenticate records of any court of the Commonwealth and of any department of the government. He shall keep a register of all city, incorporated town, county, and district officers, and, when required, give a certificate of the election and qualification of any such officer.

C. The Secretary of the Commonwealth shall make an annual report to the Governor, identifying the following: (i) the governing boards of all public institutions of higher education, and other boards appointed by the Governor; (ii) all commissions issued under appointments made by the Governor, except commissions to notaries public; (iii) all departments, boards, councils, commissions, and other collegial bodies created in the executive branch of state government; and (iv) such other matters as the Governor requires.

The annual report shall also include:

1. An organizational chart of state government that (i) identifies each agency, department, and institution of state government and (ii) contains a brief description of the duties of each agency, department, and institution. The Secretary of the Commonwealth may include such other information in the organizational chart as the Secretary deems appropriate. Annually, the Secretary shall make such revisions to the organizational chart as are necessary to ensure its accuracy. The organizational chart shall be posted on the Commonwealth's website; and

2. Information and photographs of the members of the General Assembly; these materials shall be maintained for the Secretary's use in the annual report by the Clerks of the House of Delegates and the Senate.

The reports shall be transmitted by the Governor to the General Assembly, printed as other annual reports are printed, bound in a separate volume, and disposed of according to law.

D. The Secretary of the Commonwealth shall collect all fees described in § 2.2-409, and all other fees of office and commissions, accruing and pay them into the state treasury.

E. The Secretary of the Commonwealth shall, as soon as practicable, forward a copy of any absolute pardon granted by the Governor to a person for the commission of a crime that such person did not commit to the circuit court for the county or city in which such person was convicted of the crime for which the Governor granted the absolute pardon.

§ 19.2-392.2. Expungement of police and court records.

A. If a person is charged with the commission of a crime or any offense defined in Title 18.2, and

1. Is acquitted, or

2. A nolle prosequi is taken or the charge is otherwise dismissed, including dismissal by accord and satisfaction pursuant to § 19.2-151, he may file a petition setting forth the relevant facts and requesting expungement of the police records and the court records relating to the charge.

B. If any person whose name or other identification has been used without his consent or authorization by another person who has been charged or arrested using such name or identification, he may file a petition with the court disposing of

the charge for relief pursuant to this section. Such person shall not be required to pay any fees for the filing of a petition under this subsection. A petition filed under this subsection shall include one complete set of the petitioner's fingerprints obtained from a law-enforcement agency.

C. The petition with a copy of the warrant or indictment if reasonably available shall be filed in the circuit court of the county or city in which the case was disposed of by acquittal or being otherwise dismissed and shall contain, except where not reasonably available, the date of arrest and the name of the arresting agency. Where this information is not reasonably available, the petition shall state the reason for such unavailability. The petition shall further state the specific criminal charge to be expunged, the date of final disposition of the charge as set forth in the petition, the petitioner's date of birth, and the full name used by the petitioner at the time of arrest.

D. A copy of the petition shall be served on the attorney for the Commonwealth of the city or county in which the petition is filed. The attorney for the Commonwealth may file an objection or answer to the petition or may give written notice to the court that he does not object to the petition within 21 days after it is served on him.

E. The petitioner shall obtain from a law-enforcement agency one complete set of the petitioner's fingerprints and shall provide that agency with a copy of the petition for expungement. The law-enforcement agency shall submit the set of fingerprints to the Central Criminal Records Exchange (CCRE) with a copy of the petition for expungement attached. The CCRE shall forward under seal to the court a copy of the petitioner's criminal history, a copy of the source documents that resulted in the CCRE entry that the petitioner wishes to expunge, and the set of fingerprints. Upon completion of the hearing, the court shall return the fingerprint card to the petitioner. If no hearing was conducted, upon the entry of an order of expungement or an order denying the petition for expungement, the court shall cause the fingerprint card to be destroyed unless, within 30 days of the date of the entry of the order, the petitioner requests the return of the fingerprint card in person from the clerk of the court or provides the clerk of the court a self-addressed, stamped envelope for the return of the fingerprint card.

F. After receiving the criminal history record information from the CCRE, the court shall conduct a hearing on the petition. If the court finds that the continued existence and possible dissemination of information relating to the arrest of the petitioner causes or may cause circumstances which constitute a manifest injustice to the petitioner, it shall enter an order requiring the expungement of the police and court records, including electronic records, relating to the charge. Otherwise, it shall deny the petition. However, if the petitioner has no prior criminal record and the arrest was for a misdemeanor violation, the petitioner shall be entitled, in the absence of good cause shown to the contrary by the Commonwealth, to expungement of the police and court records relating to the charge, and the court shall enter an order of expungement. If the attorney for the Commonwealth of the county or city in which the petition is filed (i) gives written notice to the court pursuant to subsection D that he does not object to the petition and (ii) when the charge to be expunged is a felony, stipulates in such written notice that the continued existence and possible dissemination of information relating to the arrest of the petitioner causes or may cause circumstances which constitute a manifest injustice to the petitioner, the court may enter an order of expungement without conducting a hearing.

G. The Commonwealth shall be made party defendant to the proceeding. Any party aggrieved by the decision of the court may appeal, as provided by law in civil cases.

H. Notwithstanding any other provision of this section, when the charge is dismissed because the court finds that the person arrested or charged is not the person named in the summons, warrant, indictment or presentment, the court dismissing the charge shall, upon motion of the person improperly arrested or charged, enter an order requiring expungement of the police and court records relating to the charge. Such order shall contain a statement that the dismissal and expungement are ordered pursuant to this subsection and shall be accompanied by the complete set of the petitioner's fingerprints filed with his petition. Upon the entry of such order, it shall be treated as provided in subsection K.

I. Notwithstanding any other provision of this section, ~~when a person has been granted upon receiving a copy pursuant to § 2.2-402 of an absolute pardon for the commission of a crime that he a person did not commit, he may file in the circuit court of the county or city in which the conviction occurred a petition setting forth the relevant facts and requesting expungement of the police records and the court records relating to the charge and conviction; and~~ the court shall enter an order requiring expungement of the police and court records relating to the charge and conviction. Such order shall contain a statement that the expungement is ordered pursuant to this subsection. Upon the entry of such order, it shall be treated as provided in subsection K.

J. Upon receiving a copy of a writ vacating a conviction pursuant to § 19.2-327.5 or 19.2-327.13, the court shall enter an order requiring expungement of the police and court records relating to the charge and conviction. Such order shall contain a statement that the expungement is ordered pursuant to this subsection. Upon the entry of the order, it shall be treated as provided in subsection K.

K. Upon the entry of an order of expungement, the clerk of the court shall cause a copy of such order to be forwarded to the Department of State Police, which shall, pursuant to rules and regulations adopted pursuant to § 9.1-134, direct the manner by which the appropriate expungement or removal of such records shall be effected.

L. Costs shall be as provided by § 17.1-275, but shall not be recoverable against the Commonwealth. If the court enters an order of expungement, the clerk of the court shall refund to the petitioner such costs paid by the petitioner.

M. Any order entered where (i) the court or parties failed to strictly comply with the procedures set forth in this section or (ii) the court enters an order of expungement contrary to law, shall be voidable upon motion and notice made within three years of the entry of such order.

B. The fair market value of qualified donations made under this section shall be determined in accordance with § 58.1-512.1 and substantiated by a "qualified appraisal" prepared by a "qualified appraiser," as those terms are defined under applicable federal law and regulations governing charitable contributions. The value of the donated interest in land that qualifies for credit under this section, as determined according to appropriate federal law and regulations, shall be subject to the limits established by United States Internal Revenue Code § 170(e). In order to qualify for a tax credit under this section, the qualified appraisal shall be signed by the qualified appraiser, who must be licensed in the Commonwealth of Virginia as provided in § 54.1-2011, and a copy of the appraisal shall be submitted to the Department. In the event that any appraiser falsely or fraudulently overstates the value of the contributed property in an appraisal that the appraiser has signed, the Department may disallow further appraisals signed by the appraiser and shall refer the appraiser to the Real Estate Appraiser Board for appropriate disciplinary action pursuant to § 54.1-2013, which may include, but need not be limited to, revocation of the appraiser's license. Any appraisal that, upon audit by the Department, is determined to be false or fraudulent, may be disregarded by the Department in determining the fair market value of the property and the amount of tax credit to be allowed under this section.

C. 1. The amount of the credit that may be claimed by each taxpayer, including credit claimed by applying unused credits as provided under subsection C of § 58.1-513, shall not exceed \$50,000 for 2000 taxable years; \$75,000 for 2001 taxable years; \$100,000 for each of 2002 through 2008 taxable years; \$50,000 for each of 2009, 2010, and 2011 taxable years; \$100,000 for each of 2012, 2013, and 2014 taxable years; \$20,000 for each of 2015, 2016, and 2017 taxable years; and \$50,000 for 2018 taxable years and for each taxable year thereafter. However, for any fee simple donation of land conveyed to the Commonwealth on or after January 1, 2015, the amount of the credit claimed shall not exceed \$100,000 for each taxable year, provided that no part of the charitable contributions deduction under § 170 of the Internal Revenue Code related to such fee simple donation is allowable by reason of a sale or exchange of property. In addition, for each taxpayer, in any one taxable year the credit used may not exceed the amount of individual, fiduciary or corporate income tax otherwise due. Any portion of the credit that is unused in any one taxable year may be carried over for

a maximum of 10 consecutive taxable years following the taxable year in which the credit originated until fully expended. A credit shall not be reduced by the amount of unused credit that could have been claimed in a prior year by the taxpayer but was unclaimed. For taxpayers affected by the credit reduction for taxable years 2009, 2010, 2011, and 2015 and thereafter, any portion of the credit that is unused in any one taxable year may be carried over for a maximum of 13 consecutive taxable years following the taxable year in which the credit originated until fully expended.

2. Qualified donations shall include the conveyance of a fee interest in real property or the conveyance in perpetuity of a less-than-fee interest in real property, such as a conservation restriction, preservation restriction, agricultural preservation restriction, or watershed preservation restriction, provided that such less-than-fee interest qualifies as a charitable deduction under § 170(h) of the United States Internal Revenue Code of 1986, as amended.

The Department of Conservation and Recreation shall compile an annual report on qualified donations of less-than-fee interests accepted by any public or private conservation agency in the respective calendar year and shall submit the report by December 1 of each year to the Chairmen of the House Committee on Appropriations, House Committee on Finance, and the Senate Committee on Finance. In preparing such report, the Department of Conservation and Recreation shall consult and coordinate with the Department of Taxation and the Departments of Forestry and Agriculture and Consumer Services to provide an estimate of the number of acres of land currently being used for "production agriculture and silviculture" as defined in § 3.2-300 that have been protected by qualified donations of less-than-fee interests. This report shall include information, when available, on land qualifying for credits being used for "production agriculture and silviculture" that have onsite operational best management practices, which are designed to reduce the amount of nutrients and sediment entering public waters. In addition, the report shall include information, when available, on riparian buffers, both vegetated/forested buffers and no-plow buffers, required by deed restriction on land qualifying for credits in order to protect water quality. This information shall be reported in summary fashion as appropriate to preserve confidentiality of information. Qualified donations shall not include the conveyance of a fee interest, or a less-than-fee interest, in real property by a charitable organization that (i) meets the definition of "holder" in § 10.1-1009 and (ii) holds one or more conservation easements acquired pursuant to the authority conferred on a "holder" by § 10.1-1010.

3. Any fee interest, or a less-than-fee interest, in real property that has been dedicated as open space within, or as part of, a residential subdivision or any other type of residential or commercial development; dedicated as open space in, or as part of, any real estate development plan; or dedicated for the purpose of fulfilling density requirements to obtain approvals for zoning, subdivision, site plan, or building permits shall not be a qualified donation under this article.

4. Qualified donations shall be eligible for the tax credit herein described if such donations are made to the Commonwealth of Virginia, an instrumentality thereof, or a charitable organization described in § 501(c)(3) of the United States Internal Revenue Code of 1986, as amended, if such charitable organization (i) meets the requirements of § 509(a)(2) or (ii) meets the requirements of § 509(a)(3) and is controlled by an organization described in § 509(a)(2).

5. The preservation, agricultural preservation, historic preservation or similar use and purpose of such property shall be assured in perpetuity. In the case of conveyances of a fee interest to a charitable organization that is a "holder" as defined in § 10.1-1009, the credit shall not be allowed until the charitable organization agrees that subsequent conveyances of the fee interest in the property will be (i) subject to a previous conveyance in perpetuity of a conservation easement, as that term is defined in § 10.1-1009, or subject to the conveyance in perpetuity of an open-space easement, as that term is defined in § 10.1-1700, or (ii) conveyed to the Commonwealth of Virginia or to a federal conservation agency. No credit shall be allowed with respect to any subsequent conveyances by the charitable organization.

D. The issuance of tax credits under this article for donations made on and after January 1, 2007, shall be in accordance with procedures and deadlines established by the Department and shall be administered under the following conditions:

1. The taxpayer shall apply for a credit after completing the donation by submitting a form or forms prescribed by the Department in consultation with the Department of Conservation and Recreation. If the application requests a credit of \$1 million or more or if the donation meets the conditions of subdivision 3 c, then a copy of the application shall also be filed with the Department of Conservation and Recreation by the taxpayer. The application shall include, but not be limited to:

- a. A description of the conservation purpose or purposes being served by the donation;
- b. The fair market value of land being donated in the absence of any easement or other restriction;
- c. The public benefit derived from the donation;
- d. The extent to which water quality best management practices will be implemented on the property; and
- e. Whether the property is fully or partially forested and a forest management plan is included in the terms of the donation.

2. Applications for otherwise qualified donations of a less-than-fee interest shall be accompanied by an affidavit describing how the donated interest in land meets the requirements of § 170(h) of the United States Internal Revenue Code of 1986, as amended, and the regulations adopted thereunder. The application with accompanying affidavit shall be submitted to the Department of Taxation, with a copy also provided to the Department of Conservation and Recreation.

3. a. No credit in the amount of \$1 million or more shall be issued with respect to a donation unless the conservation value of the donation has been verified by the Director of the Department of Conservation and Recreation, based on the criteria adopted by the Virginia Land Conservation Foundation for this purpose. Such criteria and subsequent amendments shall be exempt from the Administrative Process Act (§ 2.2-4000 et seq.), but the Virginia Land Conservation Foundation shall provide for adequate public participation, including adequate notice and opportunity to provide comments on the

proposed criteria. The Director shall act on applications within 90 days of his receipt of a complete application and shall notify the taxpayer and the Department of Taxation of his action.

b. For purposes of determining whether a credit requires verification of the conservation value, the credits allowed under this article with respect to donations of any other portion of a recorded parcel of land within the preceding 11 years shall be aggregated with the credit claimed for the current donation. This subdivision shall not apply if (i) all owners of the parcel who have been allowed credit for a qualified donation are not affiliated with the person or entity seeking credit for the current donation of a different portion of the parcel and (ii) in the case of an individual seeking credit, the individual has not previously made a qualified donation for any portion of the parcel and is not an immediate family member of any such owners.

c. If (i) the real property that is the subject of the donation was partitioned from or part of another parcel of land and any other portion of such parcel, or any land partitioned from such parcel of land, has been allowed a tax credit under this article (or an application for tax credit is pending) within three years of such donation and (ii) the tax credit that would otherwise be allowed to the donor for such donation is at least \$250,000, then no credit under this article shall be issued with respect to such donation described in clause (i) unless the conservation value of the donation has been verified by the Director of the Department of Conservation and Recreation. The Director shall act on applications within 90 days of his receipt of a complete application and shall notify the taxpayer and the Department of Taxation of his action. Nothing in this subdivision shall be construed or interpreted (a) as allowing additional tax credit for any land or interest in land previously conveyed for which tax credit has already been allowed under this article or (b) affecting the validity of any tax credit allowed under this article for a prior conveyance of any land or interest in land.

4. a. Tax credits shall be issued on a calendar year basis, and in no case shall the Department issue more than the maximum allowed for the calendar year. The maximum amount of credits that may be issued in a calendar year shall be \$100 million plus any credits previously issued under this article but subsequently disallowed or invalidated by the Department. Credits previously issued but subsequently disallowed or invalidated shall be reissued in a subsequent calendar year. All credits shall be issued in the order that each complete application is filed. For filings by mail or a recognized commercial delivery service, the postmark or confirmation of shipment shall determine the date of filing. If within 30 days after an application for credits has been filed the Tax Commissioner provides written notice to the donor that he has determined that the preparation of a second qualified appraisal is warranted, the application shall not be deemed complete until the fair market value of the donation has been finally determined by the Tax Commissioner. The Tax Commissioner shall make a final determination within 180 days of notifying the donor, unless the donor has filed an appeal. The donor shall have the right to appeal any decision of the Department in accordance with the provisions of Chapter 18 (§ 58.1-1800 et seq.). If more than one complete application is filed at the same time, the credits with respect to those applications shall be issued in the order that the conveyances were recorded in the appropriate circuit court of the Commonwealth. In the event that a credit requires verification of the conservation value by the Department of Conservation and Recreation and such verification has not been received at the time the maximum \$100 million allowed is reached for the calendar year of the donation, such credit shall not be issued for that calendar year but shall be issued in the calendar year that the conservation value of the credit is verified by the Department of Conservation and Recreation.

No credit shall be allowed for any land or interest in land conveyed ~~on or after July 1, 2015~~, unless (i) *for a conveyance made before January 1, 2020, a complete application for tax credit with regard to the conveyance has been filed with the Department by December 31 of the third year following the calendar year of the conveyance* or (ii) *for a conveyance made on or after January 1, 2020, a complete application for tax credit with regard to the conveyance has been filed with the Department by December 31 of the second year following the calendar year of the conveyance*. For filings by mail or a recognized commercial delivery service, the postmark or confirmation of shipment shall determine the date of filing. Solely for purposes of this condition, any application for which the Tax Commissioner has given written notice to the donor that the preparation of a second qualified appraisal is warranted shall be deemed timely filed, provided that the application was otherwise complete as of such filing deadline.

b. Beginning with calendar year 2008, the \$100 million amount contained in subdivision 4 a shall be increased by an amount equal to \$100 million multiplied by the percentage by which the consumer price index for all-urban consumers published by the United States Department of Labor (CPI-U) for the 12-month period ending August 31 of the preceding year exceeds the CPI-U for the 12-month period ending August 31, 2006.

c. Beginning with calendar year 2015, the maximum amount of credits that may be issued in a calendar year shall not exceed \$75 million. In no case shall the Department issue any tax credit for a donation from any allocation or pool of tax credits attributable to a calendar year prior to the year in which the complete tax credit application for the donation was filed.

Beginning with the submission due on or before December 20, 2015, and in each year thereafter, the Governor shall include in "The Budget Bill" submitted pursuant to subsection A of § 2.2-1509 or in his amendments to the general appropriation act in effect submitted pursuant to subsection E of § 2.2-1509 a recommended appropriation from the general fund equal to the difference between the amount calculated pursuant to subdivision b and \$75 million, but not more than \$20 million, to be allocated as follows: 80 percent to the Virginia Land Conservation Fund to be used in accordance with § 10.1-1020, with no less than 50 percent of such appropriation to be used for fee simple acquisitions with public access or acquisitions of easements with public access; 10 percent to the Virginia Battlefield Preservation Fund to be used in

accordance with § 10.1-2202.4; and 10 percent to the Virginia Farmland Preservation Fund to be used in accordance with § 3.2-201.

5. a. Any taxpayer that has been issued a tax credit by the Department shall be allowed to use such credit for his or its taxable year that begins in the calendar year for which such credit was issued and for succeeding taxable years in accordance with the 10 consecutive taxable year carryforward provisions of this article, except for any taxpayer affected by the credit limitation for taxable years 2009, 2010, 2011, and 2015 and taxable years thereafter. Such a taxpayer shall be allowed to use such credit for his or its taxable year that begins in the calendar year for which such credit was issued and for succeeding taxable years in accordance with the 13 consecutive taxable year carryforward provisions of this article.

b. Any taxpayer to whom a credit has been transferred may use such credit for the taxable year in which the transfer occurred and unused amounts may be carried forward to succeeding taxable years, but in no event may such transferred credit be used more than 11 years after it was originally issued by the Department or in any taxable year of such taxpayer that ended prior to the date of transfer, except for any taxpayer affected by the credit limitation for taxable years 2009, 2010, 2011, and 2015 and taxable years thereafter. Such a taxpayer may use such credit for the taxable year in which the transfer occurred and unused amounts may be carried forward to succeeding taxable years, but in no event may such transferred credit be used more than 14 years after it was originally issued by the Department or in any taxable year of such taxpayer that ended prior to the date of transfer.

6. Neither the verification of conservation value by the Department of Conservation and Recreation nor the issuance of a credit by the Department of Taxation shall in any way be construed or interpreted as prohibiting the Department of Taxation or the Tax Commissioner from auditing any credit claimed pursuant to the provisions of this article or from assessing tax relating to the claiming of any credit under this article.

E. In any review or appeal before the Tax Commissioner or in any court in the Commonwealth the burden of proof shall be on the taxpayer to show that the fair market value and conservation value at the time of the qualified donation is consistent with this section and that all requirements of this article have been satisfied.

B. At the direction of the Director, the Comptroller of the Commonwealth shall draw an annual warrant upon the State Treasurer from any sum that may be provided in the general appropriation act in favor of the treasurer of a qualified organization caring for any cemetery set forth in this subsection. Such appropriations shall be allocated on the basis of the number of graves, monuments, and markers in a cemetery of African Americans who lived at any time between January 1, 1800, and January 1, 1900, the dates to be determined by reference to grave markers or, at the discretion of the Director, other historical records. Such number of graves, monuments, and markers, as set forth opposite the cemetery name or as documented by the qualified organization, shall be multiplied by the rate of \$5 or the average actual cost of routine maintenance of a grave, monument, or marker, whichever is greater, to determine the amount of the allocation. CHAPTER 185

An Act to amend and reenact § 33.2-1601 of the Code of Virginia, relating to Rail Enhancement Fund; matching funds.
[H 1983]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:
1. That § 33.2-1601 of the Code of Virginia is amended and reenacted as follows:
§ 33.2-1601. Rail Enhancement Fund.

A. The General Assembly declares it to be in the public interest that railway preservation and development of railway transportation facilities are an important element of a balanced transportation system of the Commonwealth for freight and passengers and further declares it to be in the public interest that the retention, maintenance, improvement, and development of freight and passenger railways are essential to the Commonwealth's continued economic growth, vitality, and competitiveness in national and world markets.

B. There is hereby created in the state treasury a special nonreverting fund to be known as the Rail Enhancement Fund, referred to in this section as "the Fund," which shall be considered a special fund within the Transportation Trust Fund. The Fund shall be established on the books of the Comptroller and shall consist of dedications pursuant to § 58.1-1741 and such funds from other sources as may be set forth in the appropriation act and shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely as provided in this section. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Director of the Department of Rail and Public Transportation or the Director's designee.

C. The Director of the Department of Rail and Public Transportation shall administer and expend or commit, subject to the approval of the Board, the Fund for acquiring, leasing, or improving railways or railroad equipment, rolling stock, rights-of-way, or facilities, or assisting other appropriate entities to acquire, lease, or improve railways or railroad equipment, rolling stock, rights-of-way, or facilities, for freight or passenger rail transportation purposes whenever the Board has determined that such acquisition, lease, or improvement is for the common good of a region of the

Commonwealth or the Commonwealth as a whole. Funds provided in this section may also be used as matching funds for federal grants to support passenger or freight rail projects.

D. Projects undertaken pursuant to this section shall be limited to those the Board has determined will result in public benefits to a region of the Commonwealth or the Commonwealth as a whole that are equal to or greater than the investment of funds under this section. Such public benefits shall include the impact of the project on traffic congestion and environmental quality and, whenever possible, give due consideration to passenger rail capacity on corridors identified by the Board that have existing or proposed passenger rail service. Such projects shall include a minimum of 30 percent cash or in-kind matching contribution from a private source, which may include a railroad, a regional authority, a local government source, *federal funds for freight rail projects*, or a combination of such sources.

CHAPTER 186

An Act to authorize the conveyance of an easement by the Department of Forestry in New Kent County.

[H 2016]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. § 1. *That in accordance with the provisions of § 10.1-1107 of the Code of Virginia, the Department of Forestry is hereby authorized to convey, upon such terms as the Department deems proper, a permanent easement and right-of-way across a portion of the New Kent Forestry Center to John D. Tolley and Laurie L. Tolley. Such easement shall be 50 feet in width and run with the existing road in the location described to the greatest extent possible. The final easement may vary as necessary to reach the boundary of the Tolleys' parcel and as deemed necessary by both parties as an improvement in the road location. The purpose of the conveyance from the Department of Forestry to John D. Tolley and Laurie L. Tolley is to provide a nonexclusive easement for ingress and egress from State Route 60 to the Tolleys' parcel, identified as Tax Map Parcel Number 43-40A.*

§ 2. *The granting and conveying of the easement and right-of-way shall be made in a form that complies with the provisions of § 2.2-1151 of the Code of Virginia. The appropriate officials of the Commonwealth are hereby authorized to prepare, execute, and deliver such deed and other documents as may be necessary to accomplish the conveyance.*

CHAPTER 187

An Act to authorize the issuance of bonds, in an amount up to \$17,500,000 plus financing costs, pursuant to Article X, Section 9 (c) of the Constitution of Virginia, for paying costs of acquiring, constructing, and equipping revenue-producing capital projects at institutions of higher education of the Commonwealth; to authorize the Treasury Board, by and with the consent of the Governor, to fix the details of such bonds, to provide for the sale of such bonds, and to issue notes to borrow money in anticipation of the issuance of the bonds; to provide for the pledge of the net revenues of such capital projects and the full faith, credit, and taxing power of the Commonwealth for the payment of such bonds; and to provide that the interest income on such bonds and notes shall be exempt from all taxation by the Commonwealth and any political subdivision thereof.

[H 2357]

Approved March 5, 2019

Whereas, Article X, Section 9 (c) of the Constitution of Virginia provides that the General Assembly may authorize the creation of debt secured by a pledge of net revenues derived from rates, fees, or other charges and the full faith and credit of the Commonwealth of Virginia, provided that such debt is created for specific revenue-producing capital projects, including their enlargement or improvement, at, among others, institutions of higher education of the Commonwealth; and

Whereas, in accordance with Article X, Section 9 (c) of the Constitution of Virginia, the Governor has certified in writing, filed with the Auditor of Public Accounts, his opinion that the anticipated net revenues of each of the capital projects identified below to be pledged to the payment of the principal of and the interest on that portion of such debt issued for each such project will be sufficient to meet such payments as the same become due and to provide such reserves as may be required by law and that each of the capital projects complies with the requirements of Article X, Section 9 (c) of the Constitution of Virginia; now, therefore,

Be it enacted by the General Assembly of Virginia:

1. §1. *Title.*

This act shall be known and may be cited as the "Commonwealth of Virginia Institutions of Higher Education Bond Act of 2019."

§ 2. *Authorization of bonds and bond anticipation notes.*

The Treasury Board is hereby authorized, by and with the consent of the Governor, to sell and issue, pursuant to Article X, Section 9 (c) of the Constitution of Virginia, at one time or from time to time, bonds of the Commonwealth, to be designated "Commonwealth of Virginia Institutions of Higher Education Bonds, Series" in an aggregate principal amount not exceeding \$17,500,000, plus amounts needed to fund issuance costs, reserve funds, construction period interest,

and other financing expenses. The Treasury Board is further hereby authorized, by and with the consent of the Governor, to borrow money in anticipation of the issuance of bonds by the issuance of bond anticipation notes (BANs), including BANs issued as commercial paper. The proceeds of such bonds and BANs, excluding amounts needed to fund issuance costs, reserve funds, and other financing expenses, shall be used exclusively for the purpose of providing funds, with any other available funds, for paying all or a portion of the costs of acquiring, constructing, renovating, enlarging, improving, and equipping revenue-producing capital projects at institutions of higher education of the Commonwealth as follows:

Institution	Project Title	Amount
Radford University	Acquire Property for Campus Expansion	\$17,500,000
Total		\$17,500,000

§ 3. Application of proceeds.

The proceeds, including any premium, of bonds and BANs (except the proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs), shall be deposited in a special capital outlay fund in the state treasury and, together with the investment income thereon, shall be disbursed by the State Treasurer for paying costs of acquiring, constructing, renovating, enlarging, improving, and equipping the authorized capital projects, including financing costs. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs shall be used to pay such BANs, refunded bonds, and refunded BANs.

§ 4. Details, sale of bonds and BANs.

Bonds and BANs shall be dated and may be made redeemable before their maturity or maturities at such price or prices or within such price parameters, all as may be determined by the Treasury Board, by and with the consent of the Governor. Bonds and BANs shall be in such form, shall bear interest at such rate or rates, either at fixed rates or at rates established by formula or other method, and may contain such other provisions, all as determined by the Treasury Board or, when authorized by the Treasury Board, the State Treasurer. The principal of and premium, if any, and the interest on bonds and BANs shall be payable in lawful money of the United States of America. Bonds and BANs may be certificated or uncertificated as determined by the Treasury Board. The Treasury Board may contract for services of such registrars, transfer agents, or other authenticating agents as it deems appropriate to maintain a record of the persons entitled to the bonds and BANs. Bonds and BANs issued in certificated form may be issued under a system of book entry for recording the ownership and transfer of ownership of rights to receive payments on the bonds and BANs. The Treasury Board shall fix the authorized denomination or denominations of the bonds and the place or places of payment of certificated bonds and BANs, which may be at the Office of the State Treasurer or at any bank or trust company within or without the Commonwealth. Bonds shall mature at such time or times not exceeding 30 years from their date or dates, and BANs shall mature at such time or times not exceeding five years from their date or dates.

The Treasury Board may sell bonds and BANs in such manner, by competitive bidding, negotiated sale, or private placement, and for such price or within such price parameters as it may determine, by and with the consent of the Governor, to be in the best interest of the Commonwealth.

In the discretion of the Treasury Board, bonds and BANs may be issued at one time or from time to time and may be sold and issued at the same time with other general obligation bonds and BANs, respectively, of the Commonwealth authorized pursuant to Article X, Section 9 (a) (3), (b), and (c) of the Constitution of Virginia, as separate issues or as a combined issue, designated "Commonwealth of Virginia General Obligation Bonds Bond Anticipation Notes, Series"

§ 5. Execution of bonds and BANs.

Certificated bonds and BANs shall be signed on behalf of the Commonwealth by the Governor and by the State Treasurer, or shall bear their facsimile signatures, and shall bear the lesser seal of the Commonwealth or a facsimile thereof. If the bonds or BANs bear the facsimile signature of the State Treasurer, they shall be signed by such administrative assistant as the State Treasurer shall determine or by such registrar or paying agent as may be designated to sign them by the Treasury Board. If any officer whose signature or facsimile signature appears on any bonds or BANs ceases to be such officer before delivery, such signature or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery, and any bond or BAN may bear the facsimile signature of, or may be signed by, such persons as at the actual time of execution are the proper officers to sign such bond or BAN, although at the date of such bond or BAN, such persons may not have been such officers.

§ 6. Sources for payment of expenses.

All expenses incurred under this act shall be paid from the proceeds of bonds or BANs, from payments made by the institutions for which the capital projects were authorized in § 2, or from any other available funds as the Treasury Board shall determine.

§ 7. Revenues.

The institution of higher education named in § 2 is hereby authorized (i) to fix, revise, charge, and collect rates, fees, and charges for or in connection with the use, occupancy, and services of each capital project named in § 2 or the system of which such capital project is a part and (ii) to pledge to the portion of the bonds or BANs issued for such capital project the net revenues resulting from such rates, fees, and charges and remaining after payment of the expenses of operating the project or system, as the case may be. The institution is further authorized to create debt service and sinking funds for the

payments of the principal of, premium, if any, and interest on the bonds and other reserves required by any agency of the United States of America purchasing the bonds or any portion thereof.

§ 8. Investments and contracts.

A. Pending the application of the proceeds of the bonds or BANs (including refunding bonds and BANs) to the purpose for which they have been authorized and the application of funds set aside for the purpose to the payment of bonds or BANs, they may be invested by the State Treasurer in securities that are legal investments under the laws of the Commonwealth for public funds and sinking funds, as the case may be. Whenever the State Treasurer receives interest from the investment of the proceeds of bonds or any BANs, such interest shall become a part of the principal of the bonds or any BANs and shall be used in the same manner as required for principal of the bonds or BANs.

B. The Commonwealth may enter into any contract or other arrangement that is determined to be necessary or appropriate to place the obligation or investment of the Commonwealth, as represented by bonds, BANs, or investments, in whole or in part, on the interest rate, cash flow, or other basis desired by the Commonwealth. Such contract or other arrangement may include, without limitation, contracts commonly known as interest rate swap agreements and futures or contracts providing for payments based on levels of, or changes in, interest rates. These contracts or arrangements may be entered into by the Commonwealth in connection with, or incidental to, entering into, or maintaining any (i) agreement that secures bonds or BANs or (ii) investment, or contract providing for investment, otherwise authorized by law. These contracts and arrangements may contain such payment, security, default, remedy, and other terms and conditions as determined by the Commonwealth, after giving due consideration to the creditworthiness of the counterparty or other obligated party, including any rating by any nationally recognized rating agency, and any other criteria as may be appropriate. The determinations referred to in this subsection may be made by the Treasury Board or any public funds manager with professional investment capabilities duly authorized by the Treasury Board to make such determinations.

C. Any money set aside and pledged to secure payments of bonds, BANs, or any of the contracts entered into pursuant to this section may be invested in accordance with subsection A and may be pledged to and used to service any of the contracts or other arrangements entered into pursuant to subsection B.

§ 9. Security for bonds and BANs.

The net revenues of the capital projects set forth above and the full faith and credit of the Commonwealth are hereby irrevocably pledged for the payment of the principal of and the interest on bonds and BANs (unless the Treasury Board, by and with the consent of the Governor, shall provide otherwise) issued under this act. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs are hereby irrevocably pledged for the payment of principal of and interest and any premium on the BANs or bonds to be paid or redeemed thereby. In the event the net revenues pledged to the payment of the bonds or BANs are insufficient in any fiscal year for the timely payment of the principal of, premium, if any, and interest on the bonds or BANs, where the full faith and credit of the Commonwealth have been pledged, the General Assembly shall appropriate a sum sufficient therefor or the Governor shall direct payment therefor from the general fund revenues of the Commonwealth.

§ 10. Exemption of interest from tax.

The bonds and BANs issued under the provisions of this act, their transfer and the income therefrom, including any profit made on the sale thereof, shall at all times be free and exempt from taxation by the Commonwealth and by any county, city, or town, or other political subdivision thereof. The Treasury Board is authorized to take or refrain from taking any and all actions and to covenant to such effect, and to require the participating institutions to do and to covenant likewise, to the extent that, in the judgment of the Treasury Board, it is appropriate in order that interest on the bonds and BANs may be exempt from federal income tax. Alternatively, interest on bonds and BANs may be made subject to inclusion in gross income of the holders thereof for federal income tax purposes.

§ 11. Refunding bonds and BANs.

The Treasury Board is authorized, by and with the consent of the Governor, to sell and issue, at one time or from time to time, refunding bonds and BANs of the Commonwealth and to refund any or all of the bonds and BANs, respectively, issued under this act or otherwise authorized pursuant to Article X, Section 9 (c) of the Constitution of Virginia. Refunding bonds and BANs may be issued in a principal amount up to the amount necessary to pay at maturity or redeem the bonds and BANs to be refunded and pay all issuance costs and other financing expenses of the refunding. Such refunding bonds and BANs may be issued whether or not the obligations to be refunded are then subject to redemption.

§ 12. Defeasance.

Any bond or BAN for which cash or direct obligations of the United States of America shall have been set aside in escrow with the State Treasurer or a bank or trust company, within or without the Commonwealth, shall be deemed no longer outstanding under the applicable authorizing instrument, this act, and Article X, Section 9 (c) or (b), as the case may be, of the Constitution of Virginia.

§ 13. Severability.

The provisions of this act or the application thereof to any person or circumstance that are held invalid shall not affect the validity of other provisions or applications of this act which can be given effect without the invalid provisions or applications.

2. That an emergency exists and this act is in force from its passage.

F. No employer or business shall be eligible to claim a credit under this section for worker retraining or manufacturing orientation, instruction, and training undertaken by any program operated, administered, or paid for by the Commonwealth.

G. The Department shall review certifications received from the Virginia Economic Development Partnership Authority pursuant to subsection D and, if it determines a taxpayer meets the applicable requirements, shall issue a credit in the amount specified in subsection B.

H. The Virginia Economic Development Partnership Authority shall report annually to the Chairmen of the House Finance and Senate Finance Committees on the status and implementation of the credit established by this section, including certifications for eligible worker retraining.

CHAPTER 190

An Act to amend and reenact § 3.2-6540 of the Code of Virginia, relating to dangerous dogs; deferral of proceedings.

[H 2745]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 3.2-6540 of the Code of Virginia is amended and reenacted as follows:

§ 3.2-6540. Control of dangerous dogs; penalties.

A. As used in this section, "dangerous dog" means:

1. A canine or canine crossbreed that has bitten, attacked, or inflicted injury on a companion animal that is a dog or cat or killed a companion animal that is a dog or cat. A canine or canine crossbreed is not a dangerous dog if, upon investigation, a law-enforcement officer or animal control officer finds that (i) no serious physical injury, as determined by a licensed veterinarian, has occurred to the dog or cat as a result of the attack or bite; (ii) both animals are owned by the same person; or (iii) such attack occurred on the property of the attacking or biting dog's owner or custodian; or

2. A canine or canine crossbreed that has bitten, attacked, or inflicted injury on a person. A canine or canine crossbreed is not a dangerous dog if, upon investigation, a law-enforcement officer or animal control officer finds that the injury inflicted by the canine or canine crossbreed upon a person consists solely of a single nip or bite resulting only in a scratch, abrasion, or other minor injury.

B. No dog shall be found to be a dangerous dog as a result of biting, attacking, or inflicting injury on a dog or cat while engaged with an owner or custodian as part of lawful hunting or participating in an organized, lawful dog handling event. No dog shall be found to be a dangerous dog if the court determines, based on the totality of the evidence before it, or for other good cause, that the dog is not dangerous or a threat to the community.

C. Any law-enforcement officer or animal control officer who has reason to believe that a canine or canine crossbreed within his jurisdiction is a dangerous dog may apply to a magistrate serving the jurisdiction for the issuance of a summons requiring the owner or custodian, if known, to appear before a general district court at a specified time. The summons shall advise the owner of the nature of the proceeding and the matters at issue. If a law-enforcement officer successfully makes an application for the issuance of a summons, he shall contact the local animal control officer and inform him of the location of the dog and the relevant facts pertaining to his belief that the dog is dangerous. The animal control officer shall confine the animal until such time as evidence shall be heard and a verdict rendered. If the animal control officer determines that the owner or custodian can confine the animal in a manner that protects the public safety, he may permit the owner or custodian to confine the animal until such time as evidence shall be heard and a verdict rendered. The court, through its contempt powers, may compel the owner, custodian, or harbinger of the animal to produce the animal.

D. If, after hearing the evidence, the court finds that the animal is a dangerous dog, the court shall order the animal's owner to comply with the provisions of this section. The court, upon finding the animal to be a dangerous dog, may order

the owner, custodian, or harbinger thereof to pay restitution for actual damages to any person injured by the animal or whose companion animal was injured or killed by the animal. The court, in its discretion, may also order the owner to pay all reasonable expenses incurred in caring and providing for such dangerous dog from the time the animal is taken into custody until such time as the animal is disposed of or returned to the owner.

E. If, after hearing the evidence, the court decides to defer further proceedings without entering an adjudication that the animal is a dangerous dog, it may do so, notwithstanding any other provision of this section. A court that defers further proceedings shall place specific conditions upon the owner of the dog. If the owner violates any of the conditions, the court may enter an adjudication that the animal is a dangerous dog and proceed as otherwise provided in this section. Upon fulfillment of the conditions, the court shall dismiss the proceedings against the animal and the owner without an adjudication that the animal is a dangerous dog.

F. The procedure for appeal and trial shall be the same as provided by law for misdemeanors. Trial by jury shall be as provided in Article 4 (§ 19.2-260 et seq.) of Chapter 15 of Title 19.2. The Commonwealth shall be required to prove its case beyond a reasonable doubt.

~~D. G.~~ No canine or canine crossbreed shall be found to be a dangerous dog solely because it is a particular breed, nor is the ownership of a particular breed of canine or canine crossbreed prohibited.

~~E. H.~~ No animal shall be found to be a dangerous dog if the threat, injury, or damage was sustained by a person who was (i) committing, at the time, a crime upon the premises occupied by the animal's owner or custodian; (ii) committing, at the time, a willful trespass upon the premises occupied by the animal's owner or custodian; or (iii) provoking, tormenting, or physically abusing the animal, or can be shown to have repeatedly provoked, tormented, abused, or assaulted the animal at other times. No police dog that was engaged in the performance of its duties as such at the time of the acts complained of shall be found to be a dangerous dog. No animal that, at the time of the acts complained of, was responding to pain or injury, or was protecting itself, its kennel, its offspring, a person, or its owner's or custodian's property, shall be found to be a dangerous dog.

~~F. I.~~ If the owner of an animal found to be a dangerous dog is a minor, the custodial parent or legal guardian shall be responsible for complying with all requirements of this section.

~~G. J.~~ The owner of any animal found to be a dangerous dog shall, within 30 days of such finding, obtain a dangerous dog registration certificate from the local animal control officer or treasurer for a fee of \$150, in addition to other fees that may be authorized by law. The local animal control officer or treasurer shall also provide the owner with a uniformly designed tag that identifies the animal as a dangerous dog. The owner shall affix the tag to the animal's collar and ensure that the animal wears the collar and tag at all times. By January 31 of each year, until such time as the dangerous dog is deceased, all certificates obtained pursuant to this subsection shall be updated and renewed for a fee of \$85 and in the same manner as the initial certificate was obtained. The animal control officer shall post registration information on the Virginia Dangerous Dog Registry.

~~H. K.~~ All dangerous dog registration certificates or renewals thereof required to be obtained under this section shall only be issued to persons 18 years of age or older who present satisfactory evidence (i) of the animal's current rabies vaccination, if applicable; (ii) that the animal has been neutered or spayed; and (iii) that the animal is and will be confined in a proper enclosure or is and will be confined inside the owner's residence or is and will be muzzled and confined in the owner's fenced-in yard until the proper enclosure is constructed. In addition, owners who apply for certificates or renewals thereof under this section shall not be issued a certificate or renewal thereof unless they present satisfactory evidence that (a) their residence is and will continue to be posted with clearly visible signs warning both minors and adults of the presence of a dangerous dog on the property and (b) the animal has been permanently identified by means of electronic implantation. All certificates or renewals thereof required to be obtained under this section shall only be issued to persons who present satisfactory evidence that the owner has liability insurance coverage, to the value of at least \$100,000, that covers animal bites. The owner may obtain and maintain a bond in surety, in lieu of liability insurance, to the value of at least \$100,000.

~~I. L.~~ While on the property of its owner, an animal found to be a dangerous dog shall be confined indoors or in a securely enclosed and locked structure of sufficient height and design to prevent its escape or direct contact with or entry by minors, adults, or other animals. While so confined within the structure, the animal shall be provided for according to § 3.2-6503. When off its owner's property, an animal found to be a dangerous dog shall be kept on a leash and muzzled in such a manner as not to cause injury to the animal or interfere with the animal's vision or respiration, but so as to prevent it from biting a person or another animal.

~~J. M.~~ The owner shall cause the local animal control officer to be promptly notified of (i) the names, addresses, and telephone numbers of all owners; (ii) all of the means necessary to locate the owner and the dog at any time; (iii) any complaints or incidents of attack by the dog upon any person or cat or dog; (iv) any claims made or lawsuits brought as a result of any attack; (v) chip identification information; (vi) proof of insurance or surety bond; and (vii) the death of the dog.

~~K. N.~~ After an animal has been found to be a dangerous dog, the animal's owner shall immediately, upon learning of same, cause the local animal control authority to be notified if the animal (i) is loose or unconfined; (ii) bites a person or attacks another animal; or (iii) is sold, is given away, or dies. Any owner of a dangerous dog who relocates to a new address shall, within 10 days of relocating, provide written notice to the appropriate local animal control authority for the old address from which the animal has moved and the new address to which the animal has been moved.

~~L. O.~~ Any owner or custodian of a canine or canine crossbreed or other animal is guilty of a:

1. Class 2 misdemeanor if the canine or canine crossbreed previously declared a dangerous dog pursuant to this section, when such declaration arose out of a separate and distinct incident, attacks and injures or kills a cat or dog that is a companion animal belonging to another person;

2. Class 1 misdemeanor if the canine or canine crossbreed previously declared a dangerous dog pursuant to this section, when such declaration arose out of a separate and distinct incident, bites a human being or attacks a human being causing bodily injury; or

3. Class 6 felony if any owner or custodian whose willful act or omission in the care, control, or containment of a canine, canine crossbreed, or other animal is so gross, wanton, and culpable as to show a reckless disregard for human life, and is the proximate cause of such dog or other animal attacking and causing serious bodily injury to any person.

The provisions of this subsection shall not apply to any animal that, at the time of the acts complained of, was responding to pain or injury, or was protecting itself, its kennel, its offspring, a person, or its owner's or custodian's property, or when the animal is a police dog that is engaged in the performance of its duties at the time of the attack.

The court, through its contempt powers, may compel the owner, custodian, or harbinger of the animal to produce the animal.

Upon conviction, the court may (i) order the dangerous dog to be disposed of by a local governing body pursuant to § 3.2-6562 or (ii) grant the owner up to 30 days to comply with the requirements of this section, during which time the dangerous dog shall remain in the custody of the animal control officer until compliance has been verified. If the owner fails to achieve compliance within the time specified by the court, the court shall order the dangerous dog to be disposed of by a local governing body pursuant to § 3.2-6562. The court, in its discretion, may order the owner to pay all reasonable expenses incurred in caring and providing for such dangerous dog from the time the animal is taken into custody until such time that the animal is disposed of or returned to the owner.

~~N. ~~O. R.~~ The governing body of any locality may enact an ordinance parallel to this statute regulating dangerous dogs. No locality may impose a felony penalty for violation of such ordinances.

CHAPTER 191

An Act to amend and reenact § 58.1-3713 of the Code of Virginia, relating to local gas severance tax; sunset date.

[S 1165]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 58.1-3713 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-3713. Local gas road improvement and Virginia Coalfield Economic Development Authority tax.

A. In addition to the taxes authorized under § 58.1-3712, any county or city may adopt a license tax on every person engaging in the business of severing gases from the earth. The rate of such tax shall not exceed one percent. The provisions of § 58.1-3712 as they relate to measurement of gross receipts, filing of reports and record keeping shall be applicable to the tax imposed under this section.

The moneys collected for each county or city from the taxes imposed under authority of this section and subsection B of § 58.1-3741 shall be paid into a special fund of such county or city to be called the Coal and Gas Road Improvement Fund of such county or city, and shall be spent for such improvements to public roads as the coal and gas road improvement advisory committee and the governing body of such county or city may determine as provided in subsection B of this section. The county may also, in its discretion, elect to improve city or town roads with its funds if consent of the city or town council is obtained. Such funds shall be in addition to those allocated to such counties from state highway funds which allocations shall not be reduced as a result of any revenues received from the tax imposed hereunder. In those localities that comprise the Virginia Coalfield Economic Development Authority, the tax imposed under this section or subsection B of § 58.1-3741 shall be paid as follows: (i) three-fourths of the revenue shall be paid to the Coal and Gas Road Improvement Fund and used for the purposes set forth herein; however, one-fourth of such revenue may be used to fund the construction of new water or sewer systems and lines and the repair or enhancement of existing water or sewer systems and lines in areas with natural water supplies that are insufficient from the standpoint of quality or quantity, or the construction of natural gas service lines as authorized by § 15.2-2109.3, and (ii) one-fourth of the revenue shall be paid to the Virginia Coalfield Economic Development Fund. Furthermore, with regard to the portion paid to the Coal and Gas Road Improvement Fund, a county or city may provide for an additional one-fourth allocation for the construction of new systems or lines for water, sewer, or natural gas as authorized by § 15.2-2109.3, or the repair or enhancement of existing water, sewer, or natural gas systems or lines in areas with natural water supplies or existing natural gas services that are insufficient from the standpoint

of quality or quantity; however, if this option is initiated by a county or city, it must satisfy the requirements set forth in § 58.1-3713.01. Notwithstanding the foregoing limitations regarding revenues used for water systems, sewer systems, or natural gas systems, such revenues designated for water and water systems, sewer systems, or natural gas systems shall be distributed directly to the local public service authority for such purposes instead of the local governing body. Funds in the Coal and Gas Road Improvement Fund used to construct, repair, or enhance natural gas service lines or systems shall not exceed one-fourth of the revenue paid to the Coal and Gas Road Improvement Fund collected from the severance tax imposed upon the severance of natural gas pursuant to this section and may be so used only upon passage of a local ordinance or resolution of the governing body of the applicable county or city providing for the same.

B. Any county or city imposing the tax authorized in this section or in subsection B of § 58.1-3741 shall establish a Coal and Gas Road Improvement Advisory Committee, to be composed of four members: (i) a member of the governing body of such county or city, appointed by the governing body, (ii) a representative of the Department of Transportation, and (iii) two citizens of such county or city connected with the coal and gas industry, appointed for a term of four years, initially commencing July 1, 1989, by the chief judge of the circuit court.

Such committee shall develop on or before July 1 of each year a plan for improvement of roads during the following fiscal year. Such plan shall have the approval of three members of the committee and shall be submitted to the governing body of the county or city for approval. The governing body may approve or disapprove such plan, but may make no changes without the approval of three members of the committee.

C. No tax shall be imposed under this section on or after January 1, ~~2020~~ 2022.

CHAPTER 193

An Act to amend and reenact §§ 46.2-688, 46.2-706 through 46.2-708, and 46.2-710 of the Code of Virginia, relating to motor vehicle insurance verification by the Department of Motor Vehicles; report.

[S 1787]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 46.2-688, 46.2-706 through 46.2-708, and 46.2-710 of the Code of Virginia are amended and reenacted as follows:

§ 46.2-688. Refund of fees paid.

Any person holding a registration card and license plate or license plates with decal who disposes of, elects not to use the vehicle for which it was issued on the highways in the Commonwealth, or transfers another valid license plate to the vehicle, may surrender, prior to the beginning of the registration period, the license plates or license plates with decals and registration card or provide other evidence of registration of the vehicle to the Commissioner with a statement that the vehicle for which the license plate or license plate with decal was issued has been disposed of, election has been made not to use the vehicle on the highways in the Commonwealth, or another valid license plate has been transferred to the vehicle and request a refund of the fee paid. The Commissioner shall retain five dollars of the fee to cover the costs incurred in issuing the plates and processing the refund.

The Commissioner shall refund to the applicant a proration, in six-month increments, of the total cost of the registration and license plates or license plates with decals if application for the refund is made when there are six or more months remaining in the registration period. *The Commissioner shall not provide a refund when otherwise eligible if the applicant chooses not to return the license plates to the Department.* No charge or deduction shall be assessed for any refund made under this subsection.

§ 46.2-706. Additional fee; proof of insurance required of applicants for registration of insured motor vehicles; verification of insurance; suspension of driver's license, registration certificates, and license plates for certain violations.

A. In addition to any other fees prescribed by law, every person registering an uninsured motor vehicle, as defined in § 46.2-705, at the time of registering or reregistering the uninsured vehicle, shall pay a fee of \$500; however, if the uninsured motor vehicle is being registered ~~or reregistered~~ for a period of less than a full year, the uninsured motor vehicle fee shall be prorated for the unexpired portion of the registration period. If the vehicle is a motor vehicle being registered ~~or reregistered~~ as provided in subsection B of § 46.2-697, the fee shall be one-fourth of the annual uninsured motor vehicle fee for each quarter for which the vehicle is registered.

B. If the owner of a motor vehicle registered under this article as an uninsured motor vehicle, during the period for which such vehicle is registered, obtains insurance coverage adequate to permit such vehicle's registration as an insured motor vehicle and presents evidence satisfactory to the Commissioner of the existence of such insurance coverage, the Commissioner shall amend the Department's records to show such vehicle to be registered as an insured motor vehicle and shall refund to the owner a prorated portion of the additional fee required by this section for registration of an uninsured motor vehicle. Such proration shall be on a monthly basis, except that no such refund shall be made (i) as to any registration during the last three months of its validity or (ii) on any portion of any such fee required to be paid resulting from a determination by the Department or any court that a vehicle was uninsured and no fee had been paid.

C. Every person applying for registration of a motor vehicle and declaring it to be an insured motor vehicle shall, under the penalties set forth in § 46.2-707, execute and furnish to the Commissioner his certificate that the motor vehicle is an insured motor vehicle as defined in § 46.2-705, or that the Commissioner has issued to its owner, in accordance with § 46.2-368, a certificate of self-insurance applicable to the vehicle sought to be registered. The Commissioner, or his duly authorized agent, may verify that the motor vehicle is properly insured by comparing owner and vehicle identification information on file at the Department of Motor Vehicles with liability information on the owner and vehicle transmitted to

the Department by any insurance company licensed to do business in the Commonwealth as provided in § 46.2-706.1. If no record of liability insurance is found, the Department may require the motor vehicle owner to verify insurance in a method prescribed by the Commissioner.

D. The refusal or neglect of any owner within 30 days to submit the liability insurance information when required by the Commissioner or his duly authorized agent, or the electronic notification by the insurance company or surety company that the policy or bond named in the certificate of insurance is not in effect, shall require the Commissioner to suspend any driver's license and all registration certificates and license plates issued to the owner of the motor vehicle until the person (i) has paid to the Commissioner a *noncompliance* fee of ~~\$500~~ \$600 to be disposed of as provided for in § 46.2-710 ~~with respect to the motor vehicle determined to be uninsured~~ and (ii) furnishes proof of financial responsibility for the future in the manner prescribed in Article 15 (§ 46.2-435 et seq.) of Chapter 3. No order of suspension required by this section shall become effective until the Commissioner has offered the person an opportunity for an administrative hearing to show cause why the order should not be enforced. Notice of the opportunity for an administrative hearing may be included in the order of suspension. Any request for an administrative hearing made by such person must be received by the Department within 180 days of the issuance date of the order of suspension unless the person presents to the Department evidence of military service as defined by the federal Servicemembers Civil Relief Act (50 U.S.C. § 3901 et seq.), incarceration, commitment, hospitalization, or physical presence outside the United States at the time the order of suspension was issued. When three years have elapsed from the effective date of the suspension required in this section, the Commissioner may relieve the person of the requirement of furnishing proof of future financial responsibility.

E. The Commissioner shall suspend the driver's license and all registration certificates and license plates of any person on receiving a record of his conviction of a violation of any provisions of § 46.2-707, but the Commissioner shall dispense with the suspension when the person is convicted for a violation of § 46.2-707 and the Department's records show conclusively that the motor vehicle was insured or that the fee applicable to the registration of an uninsured motor vehicle has been paid by the owner prior to the date and time of the alleged offense.

F. *The Commissioner may dispense with a suspension for a violation of this section or § 46.2-708 if the person determined to have committed the violation provides to the Commissioner proof that conclusively shows that the motor vehicle in question was insured at the time the Department initiated insurance monitoring under § 46.2-706 or at the time of a violation of § 46.2-708.*

§ 46.2-706.1. Insurance and surety companies to furnish certain insurance information.

A. Any liability insurance information relating to individually identified vehicles or persons, received from such companies under this section, shall be considered privileged information and not subject to the Virginia Freedom of Information Act (§ 2.2-3700 et seq.).

B. Such information shall be used in conjunction with information supplied under § 46.2-706 to verify insurance for motor vehicles certified by their owners to be insured.

C. Insurance companies licensed to do business in Virginia shall provide to the Department ~~monthly electronic, electronically in a manner prescribed by the Commissioner, updates of insured information and vehicle descriptions required by the Commissioner when they~~ (i) ~~cancel~~ within 30 days of a policy change to liability insurance for ~~vehicles a~~ vehicle registered in Virginia, (ii) ~~add including~~ liability insurance for ~~vehicles registered in Virginia, or~~ (iii) ~~provide liability insurance for vehicles registered in Virginia newly satisfying that satisfies financial responsibility requirements. A~~ policy change occurs when an insurance company (i) issues liability insurance, (ii) cancels liability insurance, (iii) becomes aware of a lapse in liability insurance, (iv) reissues or reinstates liability insurance, or (v) adds a vehicle to an existing liability insurance policy.

D. Insurance companies licensed to do business in Virginia shall respond electronically in a manner prescribed by the Commissioner to a Department request for acknowledgment of liability insurance within 15 days of receiving the request. Insurance companies shall respond to the request by confirming or denying the existence of a policy with the company.

E. Every update of a policy change concerning a liability insurance policy shall include the following information: vehicle identification number, full name of first named insured, vehicle make, and vehicle model year. If available, the following information shall also be included: date of birth for first named insured, full names and dates of birth for all vehicle operators, and Virginia drivers' license numbers or social security numbers for the first named insured and all vehicle operators.

§ 46.2-707. Operating uninsured motor vehicle without payment of fee; verification of insurance; false evidence of insurance.

Any person who owns an uninsured motor vehicle (i) licensed in the Commonwealth, (ii) subject to registration in the Commonwealth, or (iii) displaying temporary license plates provided for in § 46.2-1558 who operates or permits the operation of that motor vehicle without first having paid to the Commissioner the uninsured motor vehicle fee required by § 46.2-706, to be disposed of as provided by § 46.2-710, shall be guilty of a Class 3 misdemeanor.

Any person who is the operator of such an uninsured motor vehicle and not the titled owner, who knows that the required fee has not been paid to the Commissioner, shall be guilty of a Class 3 misdemeanor.

The Commissioner or his duly authorized agent, having reason to believe that a motor vehicle is being operated or has been operated on any specified date, may require the owner of such motor vehicle to verify insurance in a method prescribed by the Commissioner as provided for by § 46.2-706. The refusal or neglect of the owner who has not, prior to the date of operation, paid the uninsured motor vehicle fee required by § 46.2-706 as to such motor vehicle, to provide such

verification shall be prima facie evidence that the motor vehicle was an uninsured motor vehicle at the time of such operation.

Any person who falsely verifies insurance to the Commissioner or gives false evidence that a motor vehicle sought to be registered is an insured motor vehicle, shall be guilty of a Class 3 misdemeanor.

However, the foregoing portions of this section shall not be applicable if it is established that the owner had good cause to believe and did believe that such motor vehicle was an insured motor vehicle, in which event the provisions of § 46.2-609 shall be applicable.

Any person who owns an uninsured motor vehicle (i) licensed in the Commonwealth, (ii) subject to registration in the Commonwealth, or (iii) displaying temporary license plates provided for in § 46.2-1558, and who has not paid the uninsured motor vehicle fee required by § 46.2-706, shall immediately surrender the vehicle's license plates to the Department, unless the vehicle's registration has been deactivated as provided by § 46.2-646.1. Any person who fails to immediately surrender his vehicle's license plates as required by this section is guilty of a Class 3 misdemeanor.

Abstracts of records of conviction, as defined in this title, of any violation of any of the provisions of this section shall be forwarded to the Commissioner as prescribed by § 46.2-383.

The Commissioner shall suspend the driver's license and all registration certificates and license plates of any titled owner of an uninsured motor vehicle upon receiving a record of his conviction of a violation of any provisions of this section, and he shall not thereafter reissue the driver's license and the registration certificates and license plates issued in the name of such person until such person pays ~~the a noncompliance fee applicable to the registration of an uninsured motor vehicle as prescribed in § 46.2-706 of \$600 to be disposed of as provided for in § 46.2-710~~ and furnishes proof of future financial responsibility as prescribed by Article 15 (§ 46.2-435 et seq.) of Chapter 3 ~~of this title~~. However, when three years have elapsed from the date of the suspension herein required, the Commissioner may relieve such person of the requirement of furnishing proof of future financial responsibility. When such suspension results from a conviction for presenting or causing to be presented to the Commissioner false verification as to whether a motor vehicle is an insured motor vehicle or false evidence that any motor vehicle sought to be registered is insured, then the Commissioner shall not thereafter reissue the driver's license and the registration certificates and license plates issued in the name of such person so convicted for a period of 180 days from the date of such order of suspension, and only then when all other provisions of law have been complied with by such person.

The Commissioner shall suspend the driver's license of any person who is the operator but not the titled owner of a motor vehicle upon receiving a record of his conviction of a violation of any provisions of this section and he shall not thereafter reissue the driver's license until 30 days from the date of such order of suspension.

To be eligible to enter into the payment plan, the individual must (i) have one or more outstanding suspensions of driving privileges pursuant to the provisions of § 46.2-706, 46.2-707, or 46.2-708 and have no other outstanding suspensions or revocations; (ii) meet all other conditions for reinstatement of driving privileges; and (iii) have ~~never not~~ defaulted ~~twice on a prior~~ *the same* uninsured motor vehicle payment plan agreement.

An eligible individual who ~~enters~~ *pays a \$25 administrative fee when entering* into a payment plan agreement *or when reentering into a payment plan agreement* with the Department, ~~pays a \$25 administrative fee~~, and pays the reinstatement fee pursuant to §§ 46.2-333.1 and 46.2-411, if required, shall be eligible to have his driving privileges reinstated by the Department.

D. The amount and frequency of each payment and the duration of the payment plan shall be described in the payment plan agreement signed by the Department and the individual. Payments may be made in person, online, *by telephone*, or by mail. The full fee must be paid in no more than three years from the agreement date; however, an individual may repay the balance of the fee at any time during the payment plan period with no penalty.

E. If an individual defaults on the payment plan agreement, the Commissioner shall suspend the driver's license and all registration certificates and license plates issued to the owner of the motor vehicle determined to be uninsured. Such driver's license, registration certificates, and license plates shall remain suspended until the individual pays the balance of the fee applicable to the registration of an uninsured motor vehicle as prescribed in § 46.2-706, 46.2-707, or 46.2-708 and furnishes proof of future financial responsibility as prescribed by Article 15 (§ 46.2-435 et seq.) of Chapter 3. An individual is in default if he (i) pays an installment payment late as defined in the payment plan agreement or (ii) fails to make an installment payment as agreed to in the payment plan agreement. If an individual is in default *and is ineligible to reenter the payment plan*, full payment of the balance of the fee shall be due as agreed to in the payment plan agreement. *The Commissioner may extend the due date of any installment payment for not more than 30 days if the Department is unable to process an installment payment due to circumstances beyond its control.*

CHAPTER 195

An Act to amend and reenact §§ 57-36, 57-38.1, and 57-38.2 of the Code of Virginia and to amend the Code of Virginia by adding in Article 4 of Chapter 3 of Title 57 a section numbered 57-35.35:1, relating to previously unidentified cemeteries.

[H 2238]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 57-36, 57-38.1, and 57-38.2 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding in Article 4 of Chapter 3 of Title 57 a section numbered 57-35.35:1 as follows:

Article 4.

~~Abandonment;~~ *Abandoned or Previously Unidentified Cemeteries; Removal of Remains.*

§ 57-35.35:1. Definitions.

As used in this article, unless the context requires a different meaning:

"Previously unidentified cemetery" means a cemetery that, notwithstanding the fact that it is known to researchers, members of the community, or descendants of those buried there, has not been identified in the Virginia Cultural Resources Information System or has not been officially located in the land records of the locality.

§ 57-36. Abandoned or previously unidentified graveyards may be condemned; removal of bodies.

A. When a graveyard, wholly or partly within any ~~county, city, or town~~ *locality*, has been abandoned; ~~or~~ is unused and neglected by the owners, ~~or is a previously unidentified graveyard~~, and such graveyard is necessary, in whole or in part, for public purposes, authorized by the charter of such ~~city or town locality~~, or by the general statutes providing for the government of ~~counties, cities, and towns localities~~, such ~~county, city, or town locality~~ may acquire title to such burying ground by condemnation proceedings, to be instituted and conducted in the manner and mode prescribed in the statutes providing for the exercise of the power of eminent domain by ~~counties, cities, and towns localities~~. The locality may continue to maintain all or a portion of the burying ground as a graveyard.

B. The court taking jurisdiction of the case may, in its discretion, require the ~~county, city, or town locality~~ to acquire the whole burying ground, in which event the ~~county, city, or town locality~~ may use such part thereof as may be necessary for its purposes and sell the residue. The court, however, shall direct that the remains interred in such graveyard, if possible so to do, be removed to some repository used and maintained as a cemetery.

C. Should any ~~county, city, or town locality~~, having acquired by any means land on which ~~an~~ *a previously unidentified* or abandoned graveyard is located, including lands acquired in accordance with § 22.1-126.1 for educational purposes, initiate plans to use that land for purposes other than to maintain the graveyard, such ~~county, city, or town locality~~ shall, prior to completion of said plans, develop and engage in active public notice and participation regarding efforts to avoid adverse impacts to the graveyard or to remove the remains interred in such graveyard to an alternative repository. Such public notice and participation shall include, at minimum, publication of at least one notice in a local newspaper of general circulation, notice posted at the site of the graveyard, and notice to and consultation with any historic preservation or other such commission, as well as area historical and genealogical societies, and at least one public hearing. The locality shall make a good faith effort to identify and contact living descendants of the persons buried in the graveyard, if known. In addition, the locality is encouraged to post such notice on the Internet, including appropriate websites and through the use of social media, and to consult with the Virginia Department of Historic Resources. Having given all public comment due consideration, the ~~county, city, or town locality~~ is encouraged first to adjust plans to maintain the graveyard as part of the larger land use plan or, if that is not feasible, to request permission to proceed with removal through the court or through the Virginia Department of Historic Resources should archaeological removal be appropriate. In any event, any removal of remains should be given all due care and respect, as should the selection of and reburial in another cemetery. This requirement for public notice, consultation, consideration of comments, and following due process for removal of human remains shall apply in cases where the presence of ~~an~~ *a previously unidentified* or abandoned graveyard is discovered during either the planning or construction phases of a project.

D. Any ~~county, city, or town locality~~ that has acquired by any means land on which ~~an~~ *a previously unidentified* or abandoned cemetery or gravesite of ~~Virginians held as slaves at the time of their deaths~~ *any Virginian held as a slave at the time of his death* is located shall notify the Virginia Department of Historic Resources of the location of such cemetery or gravesite. The Department shall record the location of the cemetery or gravesite. A listing of the locations of all *previously unidentified* or abandoned cemeteries and gravesites of Virginians held as slaves at the time of their deaths that have been provided to the Department shall be maintained by the Department as a public record.

§ 57-38.1. Proceedings by landowner for removal of remains from previously unidentified or abandoned family graveyard.

The owner of any land on which is located *a previously unidentified graveyard* or an abandoned family graveyard, and there has been no reservation of rights in such graveyard, or when the beneficiaries of any reservations of rights desire to

waive such rights, and in which no body has been interred for twenty-five years may file a bill in equity in the circuit court of the county or in the circuit or corporation court wherein such land is located for the purpose of having the remains interred in such graveyard removed to some more suitable repository. To such bill all persons in interest, known or unknown, other than the plaintiffs shall be duly made defendants. If any of such parties be unknown, the plaintiffs shall undertake active, good faith efforts to locate interested parties including, at a minimum, publication of at least one notice in a local newspaper of general circulation, notice posted at the site of the graveyard, and notice to and consultation with any historic preservation or other such commission, as well as area historical and genealogical societies. In addition, the plaintiff is encouraged to post such notice on the Internet, including appropriate websites and through the use of social media, and to consult with the Virginia Department of Historic Resources. Upon the case being properly matured for hearing, and proof being made of the propriety of the removal, the court may order the removal made and the remains properly deposited in another place, at the expense of the petitioner. Such removal and reinterment shall be done with due care and decency.

In determining the question of removal the court shall consider the historical significance of such graveyard and shall consider as well the wishes of the parties concerned so far as they are brought to its knowledge, including the desire of any beneficiaries of any reservation of rights to waive such reservation of rights in favor of removal, and so considering shall exercise a sound discretion in granting or refusing the relief prayed for.

§ 57-38.2. Proceedings by heir at law or descendant for removal of ancestor's remains from previously unidentified or abandoned family graveyard.

Any heir at law or descendant of a deceased person interred in *a previously unidentified graveyard or an abandoned family graveyard* in which no body has been interred for ~~twenty-five~~ 25 years may file a bill in equity in the circuit court of the county or city wherein the land is located for the purpose of having the remains interred in the graveyard removed to some more suitable repository. The owner of the land, any beneficiaries of any reservation of rights, and all other persons in interest, known or unknown, other than the plaintiffs shall be duly made defendants. If any of such parties are unknown, notice may be given by order of publication. Upon the case being properly matured for hearing, and proof being made of the propriety of the removal, the court may order the removal and the remains properly deposited in another place, at the expense of the petitioner. The removal and reinterment shall be done with due care and decency.

The bill may be filed and relief granted regardless of whether there has been a reservation of rights in the graveyard and regardless of whether the beneficiaries of any reservation of rights desire to waive their rights. In determining the question of removal, the court shall consider the historical significance of the graveyard and the wishes of the parties concerned so far as they are brought to its knowledge, including the desire of any beneficiaries of any reservation in rights, and shall exercise sound discretion in granting or refusing the relief prayed for.

[H 2078]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 9.1-185.8 and 19.2-143 of the Code of Virginia are amended and reenacted as follows:

§ 9.1-185.8. Professional conduct standards; grounds for disciplinary actions.

A. Any violations of the restrictions or standards under this statute shall be grounds for placing on probation, refusal to issue or renew, sanctioning, suspension or revocation of the bail bondsman's license. A licensed bail bondsman is responsible for ensuring that his employees, partners and individuals contracted to perform services for or on behalf of the bonding business comply with all of these provisions, and do not violate any of the restrictions that apply to bail bondsmen. Violations by a bondsman's employee, partner, or agent may be grounds for disciplinary action against the bondsman, including probation, suspension or revocation of license.

B. A licensed bail bondsman shall not:

1. Knowingly commit, or be a party to, any material fraud, misrepresentation, concealment, conspiracy, collusion, forgery, scheme or device whereby any other person lawfully relies upon the word, representation, or conduct of the bail bondsman.

2. Solicit sexual favors or extort additional consideration as a condition of obtaining, maintaining, or exonerating bail bond, regardless of the identity of the person who performs the favors.

3. Conduct a bail bond transaction that demonstrates bad faith, dishonesty, coercion, incompetence, extortion or untrustworthiness.

4. Coerce, suggest, aid and abet, offer promise of favor, or threaten any person on whose bond he is surety or offers to become surety, to induce that person to commit any crime.

5. Give or receive, directly or indirectly, any gift of any kind to any nonelected public official or any employee of a governmental agency involved with the administration of justice, including but not limited to law-enforcement personnel, magistrates, judges, and jail employees, as well as attorneys. De minimis gifts, not to exceed \$50 per year per recipient, are acceptable, provided the purpose of the gift is not to directly solicit business, or would otherwise be a violation of Board regulations or the laws of the Commonwealth.

6. Fail to comply with any of the statutory or regulatory requirements governing licensed bail bondsmen.

7. Fail to cooperate with any investigation by the Department.

8. Fail to comply with any subpoena issued by the Department.

9. Provide materially incorrect, misleading, incomplete or untrue information in a license application, renewal application, or any other document filed with the Department.

10. Provide bail for any person if he is also an attorney representing that person.

11. Provide bail for any person if the bondsman was initially involved in the arrest of that person.

C. A licensed bail bondsman shall ensure that each recognizance on all bonds for which he signs shall contain the name and contact information for both the surety agent and the registered agent of the issuing company.

D. An administrative fee may be charged by a bail bondsman, not to exceed reasonable costs. Reasonable costs may include, but are not limited to, travel, court time, recovery fees, phone expenses, administrative overhead and postage.

E. A property bail bondsman shall not enter into any bond if the aggregate of the penalty of such bond and all other bonds, on which he has not been released from liability, is in excess of four times the true market value of the equity in his real estate, cash or certificates of deposit issued by a federally insured institution, or any combination thereof.

F. A property bail bondsman or his agent shall not refuse to cover any forfeiture of bond against him or refuse to pay such forfeiture after notice and final order of the court.

G. A surety bail bondsman shall not write bail bonds on any qualifying power of attorney for which a copy has not been filed with the Department.

H. A surety bail bondsman shall not violate any of the statutes or regulations that govern insurance agents.

I. A licensed bail bondsman shall not charge a bail bond premium less than 10 percent or more than 15 percent of the amount of the bond. A licensed bail bondsman shall not loan money with interest for the purpose of helping another obtain a bail bond.

For the purposes of this subsection, "bail bond premium" means the amount of money paid to a licensed bail bondsman for the execution of a bail bond.

J. A licensed bail bondsman who has been arrested for a felony offense shall not issue any new bonds pending the outcome of the investigation by the Department.

K. If a recognizance is forfeited pursuant to § 19.2-143 and such recognizance is not paid by 4:00 p.m. on the last day of the 150-day period from the finding of default, the clerk shall notify the Department of such default and the Department shall suspend the license of any bail bondsman on the bond in the forfeited recognizance until the forfeited recognizance is satisfied, unless suspended for another cause. If any employer of such bail bondsman receives notice pursuant to § 19.2-143 to pay a forfeited recognizance within 10 business days and such forfeiture is not paid within 10 business days of the notice to pay, the Department shall suspend the licenses of the employer of the bail bondsman and the agents thereof until the forfeited recognizance is satisfied, unless suspended for another cause.

§ 19.2-143. Where default recorded; process on recognizance; forfeiture on recognizance; when copy may be used; cash bond.

When a person, under recognizance in a case, either as party or witness, fails to perform the condition of appearance thereof, if it is to appear before a court of record, or a district court, ~~a hearing shall be held upon reasonable notice to all parties affording them opportunity to show cause why the recognizance or any part thereof should not be forfeited. The show cause notice shall be issued within 45~~ the court shall record the default therein, and shall issue a notice of default within five days of the breach of the condition of appearance.

~~If the court finds the recognizance or any part thereof should be forfeited, the default shall be recorded therein, unless~~ the defendant or juvenile is brought before the court within 150 days of the findings of default, ~~the court shall dismiss the default upon the filing of a motion by the party in default.~~ After 150 days of the finding of default, his default shall be recorded therein, and if it is to appear before a district court, his default shall be entered by the judge of such court, on the case papers unless the defendant or juvenile has been delivered or appeared before the court. The process on any such forfeited recognizance shall be issued from the court before which the appearance was to be, and wherein such forfeiture was recorded or entered. Any such process issued by a judge shall be made returnable before, and tried by, such judge, who

shall promptly transmit to the clerk of the circuit court of his county or city wherein deeds are recorded an abstract of such judgment as he may render thereon, which shall be forthwith docketed by the clerk of such court. *If the forfeited recognizance is not paid by 4:00 p.m. on the last day of the 150-day period from the finding of default, the license of any bail bondsman on the bond shall be suspended in accordance with § 9.1-185.8. At such time, the court shall issue a notice to pay within 10 business days to any employer of such bail bondsman if a property bondsman. If the forfeiture is not paid within 10 business days of the notice to pay, licenses of the employer of the bail bondsman and agents thereof shall be suspended in accordance with § 9.1-185.8.*

If the defendant or juvenile appears before or is delivered to the court within 24 months of the findings of default, the court shall remit any bond previously ordered forfeited by the courts, less such costs as the court may direct.

If it is brought to the attention of the court that the defendant or juvenile is incarcerated in another state or country within 48 months of the finding of default, thereby preventing his delivery or appearance within that period, the court shall remit any bond previously ordered forfeited. If the defendant or juvenile left the Commonwealth with the permission of the court, the bond shall be remitted without deduction of costs; otherwise, the cost of returning him to the Commonwealth shall be deducted from the bond.

Evidence that the defendant or juvenile is incarcerated or subject to court process in another jurisdiction on the day his appearance is required or a medical certificate from a duly licensed physician that the defendant was physically unable to so appear shall be considered evidence of good cause why the recognizance should not be forfeited.

If such recognizance so forfeited is not for such appearance, process thereon shall be issued from the court in which it was taken, or the court to which it was made returnable, and in a proceeding in one court on a recognizance entered in another a copy thereof shall be evidence in like manner as the original would be if it had been entered in the court wherein the proceeding is being had thereon.

However, when any defendant or juvenile who posted a cash bond and failed to appear is tried in his absence and is convicted, the court or judge trying the case shall first apply the cash bond, or so much thereof as may be necessary, to the payment of any fines or costs, or both, adjudged against the defendant or juvenile or imposed by law. Any remaining funds shall be forfeited without further notice. However, if a rehearing is granted, the court may remit part or all of such cash bond not applied ultimately to fines or costs, and order a refund of the same by the State Treasurer, or by the treasurer or director of finance of the locality, if the bond was collected by a locality pursuant to § 19.2-136, but only if good cause is shown.

If the defendant or juvenile posted a cash bond and failed to appear, but is not tried in his absence, the bond shall be forfeited promptly without further notice. However, if the defendant or juvenile appears in court within 60 days after the bond is forfeited, the judge may remit part or all of any bond previously forfeited and order a refund of the same by the State Treasurer, or by the treasurer or director of finance of the locality, if the bond was collected by a locality pursuant to § 19.2-136.

CHAPTER 201

An Act to amend and reenact § 19.2-310.2 of the Code of Virginia, relating to DNA analysis; conviction of certain crimes or similar ordinance of a locality.

[H 2439]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 19.2-310.2 of the Code of Virginia is amended and reenacted as follows:

§ 19.2-310.2. Blood, saliva, or tissue sample required for DNA analysis upon conviction of certain crimes; fee.

A. Every person convicted of a felony on or after July 1, 1990, every person convicted of a felony offense under Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2 who was incarcerated on July 1, 1989, and every person convicted of a misdemeanor violation of § 16.1-253.2, 18.2-57, 18.2-60.3, 18.2-60.4, 18.2-67.4, 18.2-67.4:1, 18.2-67.4:2, 18.2-67.5, 18.2-102, 18.2-119, 18.2-121, 18.2-130, 18.2-370.6, 18.2-387, or 18.2-387.1 or subsection E of § 18.2-460 or of any similar ordinance of any locality shall have a sample of his blood, saliva, or tissue taken for DNA (deoxyribonucleic acid) analysis to determine identification characteristics specific to the person. If a sample has been previously taken from the person as indicated by the Local Inmate Data System (LIDS), no additional sample shall be taken. The Department of Forensic Science shall provide to LIDS the most current information submitted to the DNA data bank on a weekly basis and shall remove from LIDS and the data bank persons no longer eligible to be in the data bank. A fee of \$53 shall be charged for the withdrawal of this sample. The fee shall be taxed as part of the costs of the criminal case resulting in the conviction and \$15 of the fee shall be paid into the general fund of the locality where the sample was taken and \$38 of the fee shall be paid into the general fund of the state treasury. This fee shall only be taxed one time regardless of the number of samples taken. The assessment provided for herein shall be in addition to any other fees prescribed by law. The analysis shall be performed by the Department of Forensic Science or other entity designated by the Department. The identification characteristics of the profile resulting from the DNA analysis shall be stored and maintained by the Department in a DNA data bank and shall be made available only as provided in § 19.2-310.5.

B. After July 1, 1990, the blood, saliva, or tissue sample shall be taken prior to release from custody. Notwithstanding the provisions of § 53.1-159, any person convicted of an offense listed in subsection A who is in custody after July 1, 1990,

shall provide a blood, saliva, or tissue sample prior to his release. Every person so convicted after July 1, 1990, who is not sentenced to a term of confinement shall provide a blood, saliva, or tissue sample as a condition of such sentence. A person required under this section to submit a sample for DNA analysis is not relieved from this requirement regardless of whether no blood, saliva, or tissue sample has been taken from the person or, if a sample has been taken, whether the sample or the results from the analysis of a sample cannot be found in the DNA data bank maintained by the Department of Forensic Science.

C. Nothing in this section shall prevent the Department of Forensic Science from including the identification characteristics of an individual's DNA profile in the DNA data bank as ordered by a circuit court pursuant to a lawful plea agreement.

D. A collection or placement of a sample for DNA analysis that was taken or retained in good faith does not invalidate the sample's use in the data bank pursuant to the provisions of this article. The detention, arrest, or conviction of a person based upon a data bank match or data bank information is not invalidated if it is determined that the sample was obtained, placed, or retained in the data bank in good faith, or if the conviction or juvenile adjudication that resulted in the collection of the DNA sample was subsequently vacated or otherwise altered in any future proceeding, including but not limited to post-trial or post-fact-finding motions, appeals, or collateral attacks.

E. The Virginia Department of Corrections and the Department of Forensic Science shall, on a quarterly basis, compare databases of offenders under the custody or supervision of the Department of Corrections with the DNA data bank of the Department of Forensic Science. The Virginia Department of Corrections shall require a DNA sample of those offenders under its custody or supervision if they are not identified in the DNA data bank.

F. The Department of State Police shall verify that a DNA sample required to be taken for the Sex Offender and Crimes Against Minors Registry pursuant to § 9.1-903 has been received by the Department of Forensic Science. In any instance where a DNA sample has not been received, the Department of State Police or its designee shall obtain from the person required to register a sample for DNA analysis.

G. Each community-based probation services agency established pursuant to § 9.1-174 shall determine by reviewing the Local Inmate Data System upon intake and again prior to discharge whether a blood, saliva, or tissue sample has been taken for DNA analysis for each offender required to submit a sample pursuant to this section and, if no sample has been taken, require an offender to submit a sample for DNA analysis.

H. The sheriff or regional jailer shall determine by reviewing the Local Inmate Data System upon intake and again prior to release whether a blood, saliva, or tissue sample has been taken for DNA analysis for each offender required to submit a sample pursuant to this section and, if no sample has been taken, require an offender to submit a sample for DNA analysis.

The disclosure of results of a test for human immunodeficiency virus shall not be permitted except as provided in § 32.1-36.1.

C. The release of medical and mental health information and records to any other agency or individual shall be subject to all regulations promulgated by the Department which govern confidentiality of such records. Medical and mental health information concerning a prisoner which has been exchanged pursuant to this section may be used only as provided herein and shall otherwise remain confidential and protected from disclosure.

D. *The Department shall develop policies to improve the exchange of medical and mental health information and records of persons committed to a state correctional facility, including policies to improve access to electronic health records and electronic exchange of information and records for the provision of telemedicine and telepsychiatry.*

2. That the Department of Corrections shall report on its progress in implementing the provisions of this act to the Chairmen of the House Committee on Health, Welfare and Institutions, the Senate Committee on Education and Health, and the Joint Subcommittee to Study Mental Health Services in the Commonwealth in the 21st Century by October 1, 2019.

CHAPTER 206

An Act to amend and reenact § 16.1-260 of the Code of Virginia, relating to student offenses reportable by intake officers to school division superintendents.

[S 1381]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 16.1-260 of the Code of Virginia is amended and reenacted as follows:

§ 16.1-260. Intake; petition; investigation.

A. All matters alleged to be within the jurisdiction of the court shall be commenced by the filing of a petition, except as provided in subsection H and in § 16.1-259. The form and content of the petition shall be as provided in § 16.1-262. No individual shall be required to obtain support services from the Department of Social Services prior to filing a petition seeking support for a child. Complaints, requests, and the processing of petitions to initiate a case shall be the responsibility of the intake officer. However, (i) the attorney for the Commonwealth of the city or county may file a petition on his own motion with the clerk; (ii) designated nonattorney employees of the Department of Social Services may complete, sign, and file petitions and motions relating to the establishment, modification, or enforcement of support on forms approved by the

Supreme Court of Virginia with the clerk; (iii) designated nonattorney employees of a local department of social services may complete, sign, and file with the clerk, on forms approved by the Supreme Court of Virginia, petitions for foster care review, petitions for permanency planning hearings, petitions to establish paternity, motions to establish or modify support, motions to amend or review an order, and motions for a rule to show cause; and (iv) any attorney may file petitions on behalf of his client with the clerk except petitions alleging that the subject of the petition is a child alleged to be in need of services, in need of supervision, or delinquent. Complaints alleging abuse or neglect of a child shall be referred initially to the local department of social services in accordance with the provisions of Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2. Motions and other subsequent pleadings in a case shall be filed directly with the clerk. The intake officer or clerk with whom the petition or motion is filed shall inquire whether the petitioner is receiving child support services or public assistance. No individual who is receiving support services or public assistance shall be denied the right to file a petition or motion to establish, modify, or enforce an order for support of a child. If the petitioner is seeking or receiving child support services or public assistance, the clerk, upon issuance of process, shall forward a copy of the petition or motion, together with notice of the court date, to the Division of Child Support Enforcement.

B. The appearance of a child before an intake officer may be by (i) personal appearance before the intake officer or (ii) use of two-way electronic video and audio communication. If two-way electronic video and audio communication is used, an intake officer may exercise all powers conferred by law. All communications and proceedings shall be conducted in the same manner as if the appearance were in person, and any documents filed may be transmitted by facsimile process. The facsimile may be served or executed by the officer or person to whom sent, and returned in the same manner, and with the same force, effect, authority, and liability as an original document. All signatures thereon shall be treated as original signatures. Any two-way electronic video and audio communication system used for an appearance shall meet the standards as set forth in subsection B of § 19.2-3.1.

When the court service unit of any court receives a complaint alleging facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241, the unit, through an intake officer, may proceed informally to make such adjustment as is practicable without the filing of a petition or may authorize a petition to be filed by any complainant having sufficient knowledge of the matter to establish probable cause for the issuance of the petition.

An intake officer may proceed informally on a complaint alleging a child is in need of services, in need of supervision, or delinquent only if the juvenile (i) is not alleged to have committed a violent juvenile felony or (ii) has not previously been proceeded against informally or adjudicated delinquent for an offense that would be a felony if committed by an adult. A petition alleging that a juvenile committed a violent juvenile felony shall be filed with the court. A petition alleging that a juvenile is delinquent for an offense that would be a felony if committed by an adult shall be filed with the court if the juvenile had previously been proceeded against informally by intake or had been adjudicated delinquent for an offense that would be a felony if committed by an adult.

If a juvenile is alleged to be a truant pursuant to a complaint filed in accordance with § 22.1-258 and the attendance officer has provided documentation to the intake officer that the relevant school division has complied with the provisions of § 22.1-258, then the intake officer shall file a petition with the court. The intake officer may defer filing the complaint for 90 days and proceed informally by developing a truancy plan, provided that (a) the juvenile has not previously been proceeded against informally or adjudicated in need of supervision on more than two occasions for failure to comply with compulsory school attendance as provided in § 22.1-254 and (b) the immediately previous informal action or adjudication occurred at least three calendar years prior to the current complaint. The juvenile and his parent or parents, guardian, or other person standing in loco parentis must agree, in writing, for the development of a truancy plan. The truancy plan may include requirements that the juvenile and his parent or parents, guardian, or other person standing in loco parentis participate in such programs, cooperate in such treatment, or be subject to such conditions and limitations as necessary to ensure the juvenile's compliance with compulsory school attendance as provided in § 22.1-254. The intake officer may refer the juvenile to the appropriate public agency for the purpose of developing a truancy plan using an interagency interdisciplinary team approach. The team may include qualified personnel who are reasonably available from the appropriate department of social services, community services board, local school division, court service unit, and other appropriate and available public and private agencies and may be the family assessment and planning team established pursuant to § 2.2-5207. If at the end of the 90-day period the juvenile has not successfully completed the truancy plan or the truancy program, then the intake officer shall file the petition.

Whenever informal action is taken as provided in this subsection on a complaint alleging that a child is in need of services, in need of supervision, or delinquent, the intake officer shall (1) develop a plan for the juvenile, which may include restitution and the performance of community service, based upon community resources and the circumstances which resulted in the complaint, (2) create an official record of the action taken by the intake officer and file such record in the juvenile's case file, and (3) advise the juvenile and the juvenile's parent, guardian, or other person standing in loco parentis and the complainant that any subsequent complaint alleging that the child is in need of supervision or delinquent based upon facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241 will result in the filing of a petition with the court.

C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody, visitation, or support of a child is the subject of controversy or requires determination, (ii) a person has deserted, abandoned, or failed to provide support for any person in violation of law, (iii) a child or such child's parent, guardian, legal custodian, or other person standing in loco parentis is entitled to treatment, rehabilitation, or other services which are required by law, (iv) family

abuse has occurred and a protective order is being sought pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1, or (v) an act of violence, force, or threat has occurred, a protective order is being sought pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, and either the alleged victim or the respondent is a juvenile. If any such complainant does not file a petition, the intake officer may file it. In cases in which a child is alleged to be abused, neglected, in need of services, in need of supervision, or delinquent, if the intake officer believes that probable cause does not exist, or that the authorization of a petition will not be in the best interest of the family or juvenile or that the matter may be effectively dealt with by some agency other than the court, he may refuse to authorize the filing of a petition. The intake officer shall provide to a person seeking a protective order pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1 a written explanation of the conditions, procedures and time limits applicable to the issuance of protective orders pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1. If the person is seeking a protective order pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, the intake officer shall provide a written explanation of the conditions, procedures, and time limits applicable to the issuance of protective orders pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10.

D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall be reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be in need of supervision have utilized or attempted to utilize treatment and services available in the community and have exhausted all appropriate nonjudicial remedies which are available to them. When the intake officer determines that the parties have not attempted to utilize available treatment or services or have not exhausted all appropriate nonjudicial remedies which are available, he shall refer the petitioner and the child alleged to be in need of supervision to the appropriate agency, treatment facility, or individual to receive treatment or services, and a petition shall not be filed. Only after the intake officer determines that the parties have made a reasonable effort to utilize available community treatment or services may he permit the petition to be filed.

E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an adult would be punishable as a Class 1 misdemeanor or as a felony, the complainant shall be notified in writing at that time of the complainant's right to apply to a magistrate for a warrant. If a magistrate determines that probable cause exists, he shall issue a warrant returnable to the juvenile and domestic relations district court. The warrant shall be delivered forthwith to the juvenile court, and the intake officer shall accept and file a petition founded upon the warrant. If the court is closed and the magistrate finds that the criteria for detention or shelter care set forth in § 16.1-248.1 have been satisfied, the juvenile may be detained pursuant to the warrant issued in accordance with this subsection. If the intake officer refuses to authorize a petition relating to a child in need of services or in need of supervision, a status offense, or a misdemeanor other than Class 1, his decision is final.

Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the intake officer shall accept and file a petition founded upon the warrant.

F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition which alleges facts of an offense which would be a felony if committed by an adult.

G. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.), the intake officer shall file a report with the division superintendent of the school division in which any student who is the subject of a petition alleging that such student who is a juvenile has committed an act, wherever committed, which would be a crime if committed by an adult, or that such student who is an adult has committed a crime and is alleged to be within the jurisdiction of the court. The report shall notify the division superintendent of the filing of the petition and the nature of the offense, if the violation involves:

1. A firearm offense pursuant to Article 4 (§ 18.2-279 et seq.), 5 (§ 18.2-288 et seq.), 6 (§ 18.2-299 et seq.), 6.1 (§ 18.2-307.1 et seq.), or 7 (§ 18.2-308.1 et seq.) of Chapter 7 of Title 18.2;
2. Homicide, pursuant to Article 1 (§ 18.2-30 et seq.) of Chapter 4 of Title 18.2;
3. Felonious assault and bodily wounding, pursuant to Article 4 (§ 18.2-51 et seq.) of Chapter 4 of Title 18.2;
4. Criminal sexual assault, pursuant to Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2;
5. Manufacture, sale, gift, distribution or possession of Schedule I or II controlled substances, pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;
6. Manufacture, sale or distribution of marijuana pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;
7. Arson and related crimes, pursuant to Article 1 (§ 18.2-77 et seq.) of Chapter 5 of Title 18.2;
8. Burglary and related offenses, pursuant to §§ 18.2-89 through 18.2-93;
9. Robbery pursuant to § 18.2-58;
10. Prohibited criminal street gang activity pursuant to § 18.2-46.2;
11. Recruitment of other juveniles for a criminal street gang activity pursuant to § 18.2-46.3;
12. An act of violence by a mob pursuant to § 18.2-42.1; ~~or~~
13. Abduction of any person pursuant to § 18.2-47 or 18.2-48; *or*
14. A threat pursuant to § 18.2-60.

The failure to provide information regarding the school in which the student who is the subject of the petition may be enrolled shall not be grounds for refusing to file a petition.

The information provided to a division superintendent pursuant to this section may be disclosed only as provided in § 16.1-305.2.

H. The filing of a petition shall not be necessary:

1. In the case of violations of the traffic laws, including offenses involving bicycles, hitchhiking and other pedestrian offenses, game and fish laws, or a violation of the ordinance of any city regulating surfing or any ordinance establishing

curfew violations, animal control violations, or littering violations. In such cases the court may proceed on a summons issued by the officer investigating the violation in the same manner as provided by law for adults. Additionally, an officer investigating a motor vehicle accident may, at the scene of the accident or at any other location where a juvenile who is involved in such an accident may be located, proceed on a summons in lieu of filing a petition.

2. In the case of seeking consent to apply for the issuance of a work permit pursuant to subsection H of § 16.1-241.

3. In the case of a misdemeanor violation of § 18.2-250.1, 18.2-266, 18.2-266.1, or 29.1-738, or the commission of any other alcohol-related offense, provided the juvenile is released to the custody of a parent or legal guardian pending the initial court date. The officer releasing a juvenile to the custody of a parent or legal guardian shall issue a summons to the juvenile and shall also issue a summons requiring the parent or legal guardian to appear before the court with the juvenile. Disposition of the charge shall be in the manner provided in § 16.1-278.8, 16.1-278.8:01, or 16.1-278.9. If the juvenile so charged with a violation of § 18.2-51.4, 18.2-266, 18.2-266.1, 18.2-272, or 29.1-738 refuses to provide a sample of blood or breath or samples of both blood and breath for chemical analysis pursuant to §§ 18.2-268.1 through 18.2-268.12 or 29.1-738.2, the provisions of these sections shall be followed except that the magistrate shall authorize execution of the warrant as a summons. The summons shall be served on a parent or legal guardian and the juvenile, and a copy of the summons shall be forwarded to the court in which the violation is to be tried. When a violation of § 18.2-250.1 is charged by summons, the juvenile shall be entitled to have the charge referred to intake for consideration of informal proceedings pursuant to subsection B, provided such right is exercised by written notification to the clerk not later than 10 days prior to trial. At the time such summons alleging a violation of § 18.2-250.1 is served, the officer shall also serve upon the juvenile written notice of the right to have the charge referred to intake on a form approved by the Supreme Court and make return of such service to the court. If the officer fails to make such service or return, the court shall dismiss the summons without prejudice.

4. In the case of offenses which, if committed by an adult, would be punishable as a Class 3 or Class 4 misdemeanor. In such cases the court may direct that an intake officer proceed as provided in § 16.1-237 on a summons issued by the officer investigating the violation in the same manner as provided by law for adults provided that notice of the summons to appear is mailed by the investigating officer within five days of the issuance of the summons to a parent or legal guardian of the juvenile.

I. Failure to comply with the procedures set forth in this section shall not divest the juvenile court of the jurisdiction granted it in § 16.1-241.

4. Set out the responsibilities of and expectations for recipients of public assistance and the government; and
5. Provide families living in poverty with the opportunity to obtain work experience through the Virginia Initiative for ~~Employment Not Welfare~~ Education and Work (VIEW).

None of the provisions of this chapter shall be construed or interpreted to create any rights, causes of action, administrative claims or exemptions to the provisions of the Program, except as specifically provided in §§ 63.2-609, 63.2-613, and 63.2-618.

The Department of Small Business and Supplier Diversity and the Virginia Employment Commission shall assist the Department in the administration of the Program.

§ 63.2-608. Virginia Initiative for Education and Work (VIEW).

A. The Department shall establish and administer the Virginia Initiative for ~~Employment Not Welfare~~ Education and Work (VIEW) to reduce long-term dependence on welfare, emphasize personal responsibility, and enhance opportunities for personal initiative and self-sufficiency by promoting the value of work. The Department shall endeavor to develop placements for VIEW participants that will enable participants to develop job skills that are likely to result in independent employment and that take into consideration the proficiency, experience, skills, and prior training of a participant.

VIEW shall recognize clearly defined responsibilities and obligations on the part of public assistance recipients and shall include a written agreement of personal responsibility requiring parents to participate in work activities while receiving TANF, earned-income disregards to reduce disincentives to work, and a limit on TANF financial assistance.

VIEW shall require all able-bodied recipients of TANF who do not meet an exemption to participate in a work activity. VIEW shall require eligible TANF recipients to participate in unsubsidized, partially subsidized or fully subsidized employment or other allowable TANF work activity as defined by federal law and enter into an agreement of personal responsibility.

B. To the maximum extent permitted by federal law, and notwithstanding other provisions of Virginia law, the Department and local departments may, through applicable procurement laws and regulations, engage the services of public and private organizations to operate VIEW and to provide services incident to such operation.

C. All VIEW participants shall be under the direction and supervision of a case manager.

D. The Department shall ensure that participants are assigned to one of the following work activities within 90 days after the approval of TANF assistance:

1. Unsubsidized private-sector employment;

2. Subsidized employment, as follows:

a. The Department shall conduct a program in accordance with this section that shall be known as the Full Employment Program (FEP). FEP replaces TANF with subsidized employment. Persons not able to find unsubsidized employment who are otherwise eligible for TANF may participate in FEP unless exempted by this chapter. FEP shall assign participants to subsidized wage-paying private-sector jobs designed to increase the participants' self-sufficiency and improve their competitive position in the workforce.

b. Participants in FEP shall be placed in full-time employment when appropriate and shall be paid by the employer at an hourly rate not less than the federal or state minimum wage, whichever is higher. At no point shall a participant's spendable income received from wages and tax credits be less than the value of TANF received prior to the work placement.

c. Every employer subject to the Virginia unemployment insurance tax shall be eligible for assignment of FEP participants, but no employer shall be required to utilize such participants. Employers shall ensure that jobs made available to FEP participants are in conformity with § 3304(a)(5) of the Federal Unemployment Tax Act. FEP participants cannot be used to displace regular workers.

d. FEP employers shall:

(i) Endeavor to make FEP placements positive learning and training experiences;

(ii) Provide on-the-job training to the degree necessary for the participants to perform their duties;

(iii) Pay wages to participants at the same rate that they are paid to other employees performing the same type of work and having similar experience and employment tenure;

(iv) Provide sick leave, holiday and vacation benefits to participants to the same extent and on the same basis that they are provided to other employees performing the same type of work and having similar employment experience and tenure;

(v) Maintain health, safety and working conditions at or above levels generally acceptable in the industry and no less than those in which other employees perform the same type of work;

(vi) Provide workers' compensation coverage for participants;

(vii) Encourage volunteer mentors from among their other employees to assist participants in becoming oriented to work and the workplace; and

(viii) Sign an agreement with the local department outlining the employer requirements to participate in FEP. All agreements shall include notice of the employer's obligation to repay FEP reimbursements in the event the employer violates FEP rules.

e. As a condition of FEP participation, employers shall be prohibited from discriminating against any person, including program participants, on the basis of race, color, sex, national origin, religion, age, or disability;

3. Part-time or temporary employment;

4. Community work experience, as follows:

a. The Department and local departments shall work with other state, regional and local agencies and governments in developing job placements that serve a useful public purpose as provided in § 482(f) of the Social Security Act, as amended. Placements shall be selected to provide skills and serve a public function. VIEW participants shall not displace regular workers.

b. The number of hours per week for participants shall be determined by combining the total dollar amount of TANF and food stamps and dividing by the minimum wage with a maximum of a work week of 32 hours, of which up to 12 hours of employment-related education and training may substitute for work experience employment; or

5. Any other allowable TANF work activity as defined by federal law.

E. Notwithstanding the provisions of subsections A and D, if a local department determines that a VIEW participant is in need of job skills and would benefit from immediate job skills training, it may place the participant in a program preparing individuals for a high school equivalency examination approved by the Board of Education, a career and technical education program targeted at skills required for particular employment opportunities, or an apprenticeship program developed by the local department in accordance with requirements established by the Department. Eligible participants include those with problems related to obtaining and retaining employment, such as participants (i) with less than a high school education, (ii) whose reading or math skills are at or below the eighth grade level, (iii) who have not retained a job

for a period of at least six months during the prior two years, or (iv) who are in a treatment program for a substance abuse problem or are receiving services through a family violence treatment program. The VIEW participant may continue in a high school equivalency examination preparation program, career and technical education program, or apprenticeship program for as long as the local department determines he is progressing satisfactorily and to the extent permitted by the Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (P.L. 104-193), as amended.

F. Participants may be reevaluated after a period determined by the local department and reassigned to another work component. In addition, the number of hours worked may be reduced by the local department so that a participant may complete additional training or education to further his employability.

G. Local departments shall be authorized to sanction parents up to the full amount of the TANF grant for noncompliance, unless good cause exists.

H. VIEW participants shall not be assigned to projects that require that they travel unreasonable distances from their homes or remain away from their homes overnight without their consent.

Any injury to a VIEW participant arising out of and in the course of community work experience shall be covered by the participant's existing Medicaid coverage. If a community work experience participant is unable to work due to such an accident, his status shall be reviewed to determine whether he is eligible for an exemption from the limitation on TANF financial assistance.

A community work experience participant who becomes incapacitated for 30 days or more shall be eligible for TANF financial assistance for the duration of the incapacity, if otherwise eligible.

The Board shall adopt regulations providing for the accrual of paid sick leave or other equivalent mechanism for community work experience participants.

§ 65.2-101. Definitions.

As used in this title:

"Average weekly wage" means:

1. a. The earnings of the injured employee in the employment in which he was working at the time of the injury during the period of 52 weeks immediately preceding the date of the injury, divided by 52; but if the injured employee lost more than seven consecutive calendar days during such period, although not in the same week, then the earnings for the remainder of the 52 weeks shall be divided by the number of weeks remaining after the time so lost has been deducted. When the employment prior to the injury extended over a period of less than 52 weeks, the method of dividing the earnings during that period by the number of weeks and parts thereof during which the employee earned wages shall be followed, provided that results fair and just to both parties will be thereby obtained. When, by reason of a shortness of time during which the employee has been in the employment of his employer or the casual nature or terms of his employment, it is impractical to compute the average weekly wages as above defined, regard shall be had to the average weekly amount which during the 52 weeks previous to the injury was being earned by a person of the same grade and character employed in the same class of employment in the same locality or community.

b. When for exceptional reasons the foregoing would be unfair either to the employer or employee, such other method of computing average weekly wages may be resorted to as will most nearly approximate the amount which the injured employee would be earning were it not for the injury.

3. Whenever volunteer firefighters, volunteer emergency medical services personnel, volunteer law-enforcement chaplains, auxiliary or reserve police, auxiliary or reserve deputy sheriffs, members of volunteer search and rescue organizations, volunteer members of community emergency response teams, and volunteer members of medical reserve corps are deemed employees under this title, their average weekly wage shall be deemed sufficient to produce the minimum compensation provided by this title for injured workers or their dependents. For the purposes of workers' compensation insurance premium calculations, the monthly payroll for each volunteer firefighter or volunteer who is an individual who meets the definition of "emergency medical services personnel" in § 32.1-111.1 shall be deemed to be \$300.

For purposes of calculating an injured employee's post-injury average weekly wage, the following rules shall apply to commissioned employees, self-employed income, and income derived from an employer in which the injured worker or their immediate family has an ownership interest: if the period of partial incapacity exists for 13 weeks or less, the injured employee's post-injury average weekly wage shall be computed by dividing the employee's total earnings during the first two weeks of partial incapacity by two, subject to retroactive adjustments as provided hereinafter. If the period of partial incapacity exists for more than 13 weeks, the injured employee's post-injury average weekly wage for each 13-week interval shall be computed by dividing the employee's total earnings during the period of partial incapacity by the number of weeks included in such period; however, if an injured employee's period of partial incapacity ends after the close of a 13-week interval but before the close of the next 13-week interval, the injured employee's post-injury average weekly wage for such portion of the subsequent 13-week interval shall be calculated by dividing the employee's total earnings during the period of partial incapacity by the number of weeks included in such period. When an injured employee is under a continuing award of temporary partial benefits, the employer or the employee shall be entitled to seek a retroactive adjustment of the temporary partial rate for the 90 days preceding the application seeking such adjustment of the temporary partial rate computed in accordance with the above method of calculation. Any resulting amount due to the employee shall be paid to the employee. Any resulting credit due to the employer may be offset dollar for dollar against future compensation benefits due the injured employee, subject to the provisions of § 65.2-520. The employee is required pursuant to § 65.2-712 to immediately disclose increases in his earnings. For all other employments, the employee's post-injury average weekly wage may, in the Commission's discretion, be calculated using the preceding formula or a week-to-week calculation. In case the partial incapacity begins after a period of total incapacity, the latter period shall be deducted from the maximum period herein allowed for partial incapacity. However, the employer shall not be required to pay, or cause to be paid, compensation under this section to any injured employee not eligible for lawful employment; nor shall any such injured employee not eligible for lawful employment who is partially incapacitated be entitled during partial incapacity to receive temporary total benefits under § 65.2-500.

B. AmeriCorps members as defined in subdivision r of § 65.2-101 shall not be eligible to receive weekly compensation for partial incapacity, whether permanent or temporary, regardless of whether the injury results in death.

C. Food Stamp recipients participating in the work experience component of the Food Stamp Employment and Training Program as defined in subdivision s of § 65.2-101 shall not be eligible to receive weekly compensation for partial incapacity, whether permanent or temporary, regardless of whether the injury results in death.

D. Temporary Assistance for Needy Families recipients participating in the work experience component of the Virginia Initiative for ~~Employment Not Welfare Program~~ *Education and Work* as defined in subdivision t of § 65.2-101 shall not be eligible to receive weekly compensation for partial incapacity, whether permanent or temporary, regardless of whether the injury results in death.

§ 65.2-512. Compensation to dependents of an employee killed; burial expenses.

A. Except as provided in subsections F, G and H, if death results from the accident within nine years, the employer shall pay, or cause to be paid, compensation in weekly payments equal to $66 \frac{2}{3}$ percent of the employee's average weekly wages, but not more than 100 percent of the average weekly wage of the Commonwealth as defined in § 65.2-500 nor less than 25 percent of the average weekly wage as defined therein:

1. To those persons presumed to be wholly dependent upon the deceased employee as set forth in subdivisions A 1, A 2, and A 3 of § 65.2-515, for a period of 500 weeks from the date of injury; or

2. If there are no total dependents pursuant to subdivision A 1, A 2, or A 3 of § 65.2-515, to those persons presumed to be wholly dependent as set forth in subdivision A 4 of § 65.2-515, and to those determined to be wholly dependent in fact, for a period of 400 weeks from the date of injury; or

3. If there are no total dependents, to partial dependents in fact, for a period of 400 weeks from the date of injury.

B. The employer shall also pay burial expenses not exceeding \$10,000 and reasonable transportation expenses for the deceased not exceeding \$1,000.

C. Benefits shall be divided equally among total dependents, to the exclusion of partial dependents. If there are no total dependents, benefits shall be divided among partial dependents according to the dependency of each upon the earnings of the employee at the time of the injury, in the proportion that partial dependency bears to total dependency.

D. If benefits are terminated as to any member of a class herein, that member's share shall be divided among the remaining members of the class proportionately according to their dependency.

E. When weekly payments have been made to an injured employee before his death, the compensation to dependents shall begin from the date of the last of such payments but shall not continue for a period longer than specified in subsection A of this section.

F. No benefits shall be paid pursuant to this section to the dependents of an AmeriCorps member as defined in subdivision r of § 65.2-101.

G. No benefits shall be paid pursuant to subsections A, C, D or E to the dependents of a Food Stamp recipient participating in the work experience component of the Food Stamp Employment and Training Program as defined in subdivision s of § 65.2-101.

H. No benefits shall be paid pursuant to subsections A, C, D or E to the dependents of a Temporary Assistance for Needy Families recipient participating in the work experience component of the Virginia Initiative for ~~Employment Not Welfare Program~~ *Education and Work* as defined in subdivision t of § 65.2-101.

CHAPTER 211

An Act to amend and reenact §§ 32.1-325 and 38.2-3418.16 of the Code of Virginia, relating to telemedicine services; coverage.

[H 1970]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 32.1-325 and 38.2-3418.16 of the Code of Virginia are amended and reenacted as follows:

§ 32.1-325. Board to submit plan for medical assistance services to U.S. Secretary of Health and Human Services pursuant to federal law; administration of plan; contracts with health care providers.

A. The Board, subject to the approval of the Governor, is authorized to prepare, amend from time to time, and submit to the U.S. Secretary of Health and Human Services a state plan for medical assistance services pursuant to Title XIX of the United States Social Security Act and any amendments thereto. The Board shall include in such plan:

1. A provision for payment of medical assistance on behalf of individuals, up to the age of 21, placed in foster homes or private institutions by private, nonprofit agencies licensed as child-placing agencies by the Department of Social Services or placed through state and local subsidized adoptions to the extent permitted under federal statute;

2. A provision for determining eligibility for benefits for medically needy individuals which disregards from countable resources an amount not in excess of \$3,500 for the individual and an amount not in excess of \$3,500 for his spouse when such resources have been set aside to meet the burial expenses of the individual or his spouse. The amount disregarded shall be reduced by (i) the face value of life insurance on the life of an individual owned by the individual or his spouse if the cash surrender value of such policies has been excluded from countable resources and (ii) the amount of any other revocable or irrevocable trust, contract, or other arrangement specifically designated for the purpose of meeting the individual's or his spouse's burial expenses;

3. A requirement that, in determining eligibility, a home shall be disregarded. For those medically needy persons whose eligibility for medical assistance is required by federal law to be dependent on the budget methodology for Aid to Families with Dependent Children, a home means the house and lot used as the principal residence and all contiguous property. For all other persons, a home shall mean the house and lot used as the principal residence, as well as all contiguous property, as long as the value of the land, exclusive of the lot occupied by the house, does not exceed \$5,000. In any case in which the definition of home as provided here is more restrictive than that provided in the state plan for medical assistance services in Virginia as it was in effect on January 1, 1972, then a home means the house and lot used as the principal residence and all contiguous property essential to the operation of the home regardless of value;

4. A provision for payment of medical assistance on behalf of individuals up to the age of 21, who are Medicaid eligible, for medically necessary stays in acute care facilities in excess of 21 days per admission;

5. A provision for deducting from an institutionalized recipient's income an amount for the maintenance of the individual's spouse at home;

6. A provision for payment of medical assistance on behalf of pregnant women which provides for payment for inpatient postpartum treatment in accordance with the medical criteria outlined in the most current version of or an official update to the "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists or the "Standards for Obstetric-Gynecologic Services" prepared by the American College of Obstetricians and Gynecologists. Payment shall be made for any postpartum home visit or visits for the mothers and the children which are within the time periods recommended by the attending physicians in accordance with and as indicated by such Guidelines or Standards. For the purposes of this subdivision, such Guidelines or Standards shall include any changes thereto within six months of the publication of such Guidelines or Standards or any official amendment thereto;

7. A provision for the payment for family planning services on behalf of women who were Medicaid-eligible for prenatal care and delivery as provided in this section at the time of delivery. Such family planning services shall begin with delivery and continue for a period of 24 months, if the woman continues to meet the financial eligibility requirements for a pregnant woman under Medicaid. For the purposes of this section, family planning services shall not cover payment for abortion services and no funds shall be used to perform, assist, encourage or make direct referrals for abortions;

8. A provision for payment of medical assistance for high-dose chemotherapy and bone marrow transplants on behalf of individuals over the age of 21 who have been diagnosed with lymphoma, breast cancer, myeloma, or leukemia and have been determined by the treating health care provider to have a performance status sufficient to proceed with such high-dose chemotherapy and bone marrow transplant. Appeals of these cases shall be handled in accordance with the Department's expedited appeals process;

9. A provision identifying entities approved by the Board to receive applications and to determine eligibility for medical assistance, which shall include a requirement that such entities (i) obtain accurate contact information, including the best available address and telephone number, from each applicant for medical assistance, to the extent required by

federal law and regulations, and (ii) provide each applicant for medical assistance with information about advance directives pursuant to Article 8 (§ 54.1-2981 et seq.) of Chapter 29 of Title 54.1, including information about the purpose and benefits of advance directives and how the applicant may make an advance directive;

10. A provision for breast reconstructive surgery following the medically necessary removal of a breast for any medical reason. Breast reductions shall be covered, if prior authorization has been obtained, for all medically necessary indications. Such procedures shall be considered noncosmetic;

11. A provision for payment of medical assistance for annual pap smears;

12. A provision for payment of medical assistance services for prostheses following the medically necessary complete or partial removal of a breast for any medical reason;

13. A provision for payment of medical assistance which provides for payment for 48 hours of inpatient treatment for a patient following a radical or modified radical mastectomy and 24 hours of inpatient care following a total mastectomy or a partial mastectomy with lymph node dissection for treatment of disease or trauma of the breast. Nothing in this subdivision shall be construed as requiring the provision of inpatient coverage where the attending physician in consultation with the patient determines that a shorter period of hospital stay is appropriate;

14. A requirement that certificates of medical necessity for durable medical equipment and any supporting verifiable documentation shall be signed, dated, and returned by the physician, physician assistant, or nurse practitioner and in the durable medical equipment provider's possession within 60 days from the time the ordered durable medical equipment and supplies are first furnished by the durable medical equipment provider;

15. A provision for payment of medical assistance to (i) persons age 50 and over and (ii) persons age 40 and over who are at high risk for prostate cancer, according to the most recent published guidelines of the American Cancer Society, for one PSA test in a 12-month period and digital rectal examinations, all in accordance with American Cancer Society guidelines. For the purpose of this subdivision, "PSA testing" means the analysis of a blood sample to determine the level of prostate specific antigen;

16. A provision for payment of medical assistance for low-dose screening mammograms for determining the presence of occult breast cancer. Such coverage shall make available one screening mammogram to persons age 35 through 39, one such mammogram biennially to persons age 40 through 49, and one such mammogram annually to persons age 50 and over. The term "mammogram" means an X-ray examination of the breast using equipment dedicated specifically for mammography, including but not limited to the X-ray tube, filter, compression device, screens, film and cassettes, with an average radiation exposure of less than one rad mid-breast, two views of each breast;

17. A provision, when in compliance with federal law and regulation and approved by the Centers for Medicare & Medicaid Services (CMS), for payment of medical assistance services delivered to Medicaid-eligible students when such services qualify for reimbursement by the Virginia Medicaid program and may be provided by school divisions;

18. A provision for payment of medical assistance services for liver, heart and lung transplantation procedures for individuals over the age of 21 years when (i) there is no effective alternative medical or surgical therapy available with outcomes that are at least comparable; (ii) the transplant procedure and application of the procedure in treatment of the specific condition have been clearly demonstrated to be medically effective and not experimental or investigational; (iii) prior authorization by the Department of Medical Assistance Services has been obtained; (iv) the patient selection criteria of the specific transplant center where the surgery is proposed to be performed have been used by the transplant team or program to determine the appropriateness of the patient for the procedure; (v) current medical therapy has failed and the patient has failed to respond to appropriate therapeutic management; (vi) the patient is not in an irreversible terminal state; and (vii) the transplant is likely to prolong the patient's life and restore a range of physical and social functioning in the activities of daily living;

19. A provision for payment of medical assistance for colorectal cancer screening, specifically screening with an annual fecal occult blood test, flexible sigmoidoscopy or colonoscopy, or in appropriate circumstances radiologic imaging, in accordance with the most recently published recommendations established by the American College of Gastroenterology, in consultation with the American Cancer Society, for the ages, family histories, and frequencies referenced in such recommendations;

20. A provision for payment of medical assistance for custom ocular prostheses;

21. A provision for payment for medical assistance for infant hearing screenings and all necessary audiological examinations provided pursuant to § 32.1-64.1 using any technology approved by the United States Food and Drug Administration, and as recommended by the national Joint Committee on Infant Hearing in its most current position statement addressing early hearing detection and intervention programs. Such provision shall include payment for medical assistance for follow-up audiological examinations as recommended by a physician, physician assistant, nurse practitioner, or audiologist and performed by a licensed audiologist to confirm the existence or absence of hearing loss;

22. A provision for payment of medical assistance, pursuant to the Breast and Cervical Cancer Prevention and Treatment Act of 2000 (P.L. 106-354), for certain women with breast or cervical cancer when such women (i) have been screened for breast or cervical cancer under the Centers for Disease Control and Prevention (CDC) Breast and Cervical Cancer Early Detection Program established under Title XV of the Public Health Service Act; (ii) need treatment for breast or cervical cancer, including treatment for a precancerous condition of the breast or cervix; (iii) are not otherwise covered under creditable coverage, as defined in § 2701 (c) of the Public Health Service Act; (iv) are not otherwise eligible for

medical assistance services under any mandatory categorically needy eligibility group; and (v) have not attained age 65. This provision shall include an expedited eligibility determination for such women;

23. A provision for the coordinated administration, including outreach, enrollment, re-enrollment and services delivery, of medical assistance services provided to medically indigent children pursuant to this chapter, which shall be called Family Access to Medical Insurance Security (FAMIS) Plus and the FAMIS Plan program in § 32.1-351. A single application form shall be used to determine eligibility for both programs;

24. A provision, when authorized by and in compliance with federal law, to establish a public-private long-term care partnership program between the Commonwealth of Virginia and private insurance companies that shall be established through the filing of an amendment to the state plan for medical assistance services by the Department of Medical Assistance Services. The purpose of the program shall be to reduce Medicaid costs for long-term care by delaying or eliminating dependence on Medicaid for such services through encouraging the purchase of private long-term care insurance policies that have been designated as qualified state long-term care insurance partnerships and may be used as the first source of benefits for the participant's long-term care. Components of the program, including the treatment of assets for Medicaid eligibility and estate recovery, shall be structured in accordance with federal law and applicable federal guidelines; ~~and~~

25. A provision for the payment of medical assistance for otherwise eligible pregnant women during the first five years of lawful residence in the United States, pursuant to § 214 of the Children's Health Insurance Program Reauthorization Act of 2009 (P.L. 111-3); *and*

26. *A provision for the payment of medical assistance for medically necessary health care services provided through telemedicine services.*

B. In preparing the plan, the Board shall:

1. Work cooperatively with the State Board of Health to ensure that quality patient care is provided and that the health, safety, security, rights and welfare of patients are ensured.

2. Initiate such cost containment or other measures as are set forth in the appropriation act.

3. Make, adopt, promulgate and enforce such regulations as may be necessary to carry out the provisions of this chapter.

4. Examine, before acting on a regulation to be published in the Virginia Register of Regulations pursuant to § 2.2-4007.05, the potential fiscal impact of such regulation on local boards of social services. For regulations with potential fiscal impact, the Board shall share copies of the fiscal impact analysis with local boards of social services prior to submission to the Registrar. The fiscal impact analysis shall include the projected costs/savings to the local boards of social services to implement or comply with such regulation and, where applicable, sources of potential funds to implement or comply with such regulation.

5. Incorporate sanctions and remedies for certified nursing facilities established by state law, in accordance with 42 C.F.R. § 488.400 et seq. "Enforcement of Compliance for Long-Term Care Facilities With Deficiencies."

6. On and after July 1, 2002, require that a prescription benefit card, health insurance benefit card, or other technology that complies with the requirements set forth in § 38.2-3407.4:2 be issued to each recipient of medical assistance services, and shall upon any changes in the required data elements set forth in subsection A of § 38.2-3407.4:2, either reissue the card or provide recipients such corrective information as may be required to electronically process a prescription claim.

C. In order to enable the Commonwealth to continue to receive federal grants or reimbursement for medical assistance or related services, the Board, subject to the approval of the Governor, may adopt, regardless of any other provision of this chapter, such amendments to the state plan for medical assistance services as may be necessary to conform such plan with amendments to the United States Social Security Act or other relevant federal law and their implementing regulations or constructions of these laws and regulations by courts of competent jurisdiction or the United States Secretary of Health and Human Services.

In the event conforming amendments to the state plan for medical assistance services are adopted, the Board shall not be required to comply with the requirements of Article 2 (§ 2.2-4006 et seq.) of Chapter 40 of Title 2.2. However, the Board shall, pursuant to the requirements of § 2.2-4002, (i) notify the Registrar of Regulations that such amendment is necessary to meet the requirements of federal law or regulations or because of the order of any state or federal court, or (ii) certify to the Governor that the regulations are necessitated by an emergency situation. Any such amendments that are in conflict with the Code of Virginia shall only remain in effect until July 1 following adjournment of the next regular session of the General Assembly unless enacted into law.

D. The Director of Medical Assistance Services is authorized to:

1. Administer such state plan and receive and expend federal funds therefor in accordance with applicable federal and state laws and regulations; and enter into all contracts necessary or incidental to the performance of the Department's duties and the execution of its powers as provided by law.

2. Enter into agreements and contracts with medical care facilities, physicians, dentists and other health care providers where necessary to carry out the provisions of such state plan. Any such agreement or contract shall terminate upon conviction of the provider of a felony. In the event such conviction is reversed upon appeal, the provider may apply to the Director of Medical Assistance Services for a new agreement or contract. Such provider may also apply to the Director for reconsideration of the agreement or contract termination if the conviction is not appealed, or if it is not reversed upon appeal.

3. Refuse to enter into or renew an agreement or contract, or elect to terminate an existing agreement or contract, with any provider who has been convicted of or otherwise pled guilty to a felony, or pursuant to Subparts A, B, and C of 42 C.F.R. Part 1002, and upon notice of such action to the provider as required by 42 C.F.R. § 1002.212.

4. Refuse to enter into or renew an agreement or contract, or elect to terminate an existing agreement or contract, with a provider who is or has been a principal in a professional or other corporation when such corporation has been convicted of or otherwise pled guilty to any violation of § 32.1-314, 32.1-315, 32.1-316, or 32.1-317, or any other felony or has been excluded from participation in any federal program pursuant to 42 C.F.R. Part 1002.

5. Terminate or suspend a provider agreement with a home care organization pursuant to subsection E of § 32.1-162.13.

6. (Expires January 1, 2020) Provide payments or transfers pursuant to § 457 of the Internal Revenue Code to the deferred compensation plan described in § 51.1-602 on behalf of an individual who is a dentist or an oral and maxillofacial surgeon providing services as an independent contractor pursuant to a Medicaid agreement or contract under this section. Notwithstanding the provisions of § 51.1-600, an "employee" for purposes of Chapter 6 (§ 51.1-600 et seq.) of Title 51.1 shall include an independent contractor as described in this subdivision.

For the purposes of this subsection, "provider" may refer to an individual or an entity.

E. In any case in which a Medicaid agreement or contract is terminated or denied to a provider pursuant to subsection D, the provider shall be entitled to appeal the decision pursuant to 42 C.F.R. § 1002.213 and to a post-determination or post-denial hearing in accordance with the Administrative Process Act (§ 2.2-4000 et seq.). All such requests shall be in writing and be received within 15 days of the date of receipt of the notice.

The Director may consider aggravating and mitigating factors including the nature and extent of any adverse impact the agreement or contract denial or termination may have on the medical care provided to Virginia Medicaid recipients. In cases in which an agreement or contract is terminated pursuant to subsection D, the Director may determine the period of exclusion and may consider aggravating and mitigating factors to lengthen or shorten the period of exclusion, and may reinstate the provider pursuant to 42 C.F.R. § 1002.215.

F. When the services provided for by such plan are services which a marriage and family therapist, clinical psychologist, clinical social worker, professional counselor, or clinical nurse specialist is licensed to render in Virginia, the Director shall contract with any duly licensed marriage and family therapist, duly licensed clinical psychologist, licensed clinical social worker, licensed professional counselor or licensed clinical nurse specialist who makes application to be a provider of such services, and thereafter shall pay for covered services as provided in the state plan. The Board shall promulgate regulations which reimburse licensed marriage and family therapists, licensed clinical psychologists, licensed clinical social workers, licensed professional counselors and licensed clinical nurse specialists at rates based upon reasonable criteria, including the professional credentials required for licensure.

G. The Board shall prepare and submit to the Secretary of the United States Department of Health and Human Services such amendments to the state plan for medical assistance services as may be permitted by federal law to establish a program of family assistance whereby children over the age of 18 years shall make reasonable contributions, as determined by regulations of the Board, toward the cost of providing medical assistance under the plan to their parents.

H. The Department of Medical Assistance Services shall:

1. Include in its provider networks and all of its health maintenance organization contracts a provision for the payment of medical assistance on behalf of individuals up to the age of 21 who have special needs and who are Medicaid eligible, including individuals who have been victims of child abuse and neglect, for medically necessary assessment and treatment services, when such services are delivered by a provider which specializes solely in the diagnosis and treatment of child abuse and neglect, or a provider with comparable expertise, as determined by the Director.

2. Amend the Medallion II waiver and its implementing regulations to develop and implement an exception, with procedural requirements, to mandatory enrollment for certain children between birth and age three certified by the Department of Behavioral Health and Developmental Services as eligible for services pursuant to Part C of the Individuals with Disabilities Education Act (20 U.S.C. § 1471 et seq.).

3. Utilize, to the extent practicable, electronic funds transfer technology for reimbursement to contractors and enrolled providers for the provision of health care services under Medicaid and the Family Access to Medical Insurance Security Plan established under § 32.1-351.

I. The Director is authorized to negotiate and enter into agreements for services rendered to eligible recipients with special needs. The Board shall promulgate regulations regarding these special needs patients, to include persons with AIDS, ventilator-dependent patients, and other recipients with special needs as defined by the Board.

J. Except as provided in subdivision A 1 of § 2.2-4345, the provisions of the Virginia Public Procurement Act (§ 2.2-4300 et seq.) shall not apply to the activities of the Director authorized by subsection I of this section. Agreements made pursuant to this subsection shall comply with federal law and regulation.

§ 38.2-3418.16. Coverage for telemedicine services.

A. Notwithstanding the provisions of § 38.2-3419, each insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; each corporation providing individual or group accident and sickness subscription contracts; and each health maintenance organization providing a health care plan for health care services shall provide coverage for the cost of such health care services provided through telemedicine services, as provided in this section.

B. As used in this section; "~~telemedicine services~~,":

"Remote patient monitoring services" means the delivery of home health services using telecommunications technology to enhance the delivery of home health care, including monitoring of clinical patient data such as weight, blood pressure, pulse, pulse oximetry, blood glucose, and other condition-specific data; medication adherence monitoring; and interactive video conferencing with or without digital image upload.

"Telemedicine services" as it pertains to the delivery of health care services, means the use of electronic technology or media, including interactive audio or video, for the purpose of diagnosing or treating a patient, providing remote patient monitoring services, or consulting with other health care providers regarding a patient's diagnosis or treatment. "Telemedicine services" does not include an audio-only telephone, electronic mail message, facsimile transmission, or online questionnaire.

C. An insurer, corporation, or health maintenance organization shall not exclude a service for coverage solely because the service is provided through telemedicine services and is not provided through face-to-face consultation or contact between a health care provider and a patient for services appropriately provided through telemedicine services.

D. An insurer, corporation, or health maintenance organization shall not be required to reimburse the treating provider or the consulting provider for technical fees or costs for the provision of telemedicine services; however, such insurer, corporation, or health maintenance organization shall reimburse the treating provider or the consulting provider for the diagnosis, consultation, or treatment of the insured delivered through telemedicine services on the same basis that the insurer, corporation, or health maintenance organization is responsible for coverage for the provision of the same service through face-to-face consultation or contact.

E. Nothing shall preclude the insurer, corporation, or health maintenance organization from undertaking utilization review to determine the appropriateness of telemedicine services, provided that such appropriateness is made in the same manner as those determinations are made for the treatment of any other illness, condition, or disorder covered by such policy, contract, or plan. Any such utilization review shall not require pre-authorization of emergent telemedicine services.

F. An insurer, corporation, or health maintenance organization may offer a health plan containing a deductible, copayment, or coinsurance requirement for a health care service provided through telemedicine services, provided that the deductible, copayment, or coinsurance does not exceed the deductible, copayment, or coinsurance applicable if the same services were provided through face-to-face diagnosis, consultation, or treatment.

G. No insurer, corporation, or health maintenance organization shall impose any annual or lifetime dollar maximum on coverage for telemedicine services other than an annual or lifetime dollar maximum that applies in the aggregate to all items and services covered under the policy, or impose upon any person receiving benefits pursuant to this section any copayment, coinsurance, or deductible amounts, or any policy year, calendar year, lifetime, or other durational benefit limitation or maximum for benefits or services, that is not equally imposed upon all terms and services covered under the policy, contract, or plan.

H. The requirements of this section shall apply to all insurance policies, contracts, and plans delivered, issued for delivery, reissued, or extended in the Commonwealth on and after January 1, 2011, or at any time thereafter when any term of the policy, contract, or plan is changed or any premium adjustment is made.

I. This section shall not apply to short-term travel, accident-only, or limited or specified disease policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

J. The coverage required by this section shall include the use of telemedicine technologies as it pertains to medically necessary remote patient monitoring services to the full extent that these services are available.

An Act to amend and reenact §§ 32.1-325 and 38.2-3418.16 of the Code of Virginia, relating to telemedicine services; coverage.

The Board shall include in such plan:

1. A provision for payment of medical assistance on behalf of individuals, up to the age of 21, placed in foster homes or private institutions by private, nonprofit agencies licensed as child-placing agencies by the Department of Social Services or placed through state and local subsidized adoptions to the extent permitted under federal statute;

2. A provision for determining eligibility for benefits for medically needy individuals which disregards from countable resources an amount not in excess of \$3,500 for the individual and an amount not in excess of \$3,500 for his spouse when such resources have been set aside to meet the burial expenses of the individual or his spouse. For all other persons, a home shall mean the house and lot used as the principal residence, as well as all contiguous property, as long as the value of the land, exclusive of the lot occupied by the house, does not exceed \$5,000. In any case in which the definition of home as provided here is more restrictive than that provided in the state plan for medical assistance services in Virginia as it was in effect on January 1, 1972, then a home means the house and lot used as the principal residence and all contiguous property essential to the operation of the home regardless of value;

4. A provision for payment of medical assistance on behalf of individuals up to the age of 21, who are Medicaid eligible, for medically necessary stays in acute care facilities in excess of 21 days per admission;

5. A provision for deducting from an institutionalized recipient's income an amount for the maintenance of the individual's spouse at home;

6. A provision for payment of medical assistance on behalf of pregnant women which provides for payment for inpatient postpartum treatment in accordance with the medical criteria outlined in the most current version of or an official update to the "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists or the "Standards for Obstetric-Gynecologic Services" prepared by the American College of Obstetricians and Gynecologists. Payment shall be made for any postpartum home visit or visits for the mothers and the children which are within the time periods recommended by the attending physicians in accordance with and as indicated by such Guidelines or Standards. For the purposes of this subdivision, such Guidelines or Standards shall include any changes thereto within six months of the publication of such Guidelines or Standards or any official amendment thereto;

7. A provision for the payment for family planning services on behalf of women who were Medicaid-eligible for prenatal care and delivery as provided in this section at the time of delivery. Such family planning services shall begin with delivery and continue for a period of 24 months, if the woman continues to meet the financial eligibility requirements for a pregnant woman under Medicaid. For the purposes of this section, family planning services shall not cover payment for abortion services and no funds shall be used to perform, assist, encourage or make direct referrals for abortions;

A provision for payment of medical assistance for high-dose chemotherapy and bone marrow transplants on behalf of individuals over the age of 21 who have been diagnosed with lymphoma, breast cancer, myeloma, or leukemia and have been determined by the treating health care provider to have a performance status sufficient to proceed with such high-dose chemotherapy and bone marrow transplant. Appeals of these cases shall be handled in accordance with the Department's expedited appeals process;

9. A provision identifying entities approved by the Board to receive applications and to determine eligibility for medical assistance, which shall include a requirement that such entities (i) obtain accurate contact information, including the best available address and telephone number, from each applicant for medical assistance, to the extent required by federal law and regulations, and (ii) provide each applicant for medical assistance with information about advance directives pursuant to Article 8 (§ 54.1-2981 et seq.) of Chapter 29 of Title 54.1, including information about the purpose and benefits of advance directives and how the applicant may make an advance directive;

10. A provision for breast reconstructive surgery following the medically necessary removal of a breast for any medical reason. Breast reductions shall be covered, if prior authorization has been obtained, for all medically necessary indications. Such procedures shall be considered noncosmetic;

11. A provision for payment of medical assistance for annual pap smears;

12. A provision for payment of medical assistance services for prostheses following the medically necessary complete or partial removal of a breast for any medical reason;

13. A provision for payment of medical assistance which provides for payment for 48 hours of inpatient treatment for a patient following a radical or modified radical mastectomy and 24 hours of inpatient care following a total mastectomy or a partial mastectomy with lymph node dissection for treatment of disease or trauma of the breast. Nothing in this subdivision shall be construed as requiring the provision of inpatient coverage where the attending physician in consultation with the patient determines that a shorter period of hospital stay is appropriate;

14. A requirement that certificates of medical necessity for durable medical equipment and any supporting verifiable documentation shall be signed, dated, and returned by the physician, physician assistant, or nurse practitioner and in the durable medical equipment provider's possession within 60 days from the time the ordered durable medical equipment and supplies are first furnished by the durable medical equipment provider;

15. A provision for payment of medical assistance to (i) persons age 50 and over and (ii) persons age 40 and over who are at high risk for prostate cancer, according to the most recent published guidelines of the American Cancer Society, for one PSA test in a 12-month period and digital rectal examinations, all in accordance with American Cancer Society guidelines. The term "mammogram" means an X-ray examination of the breast using equipment dedicated specifically for mammography, including but not limited to the X-ray tube, filter, compression device, screens, film and cassettes, with an average radiation exposure of less than one rad mid-breast, two views of each breast;

17. A provision, when in compliance with federal law and regulation and approved by the Centers for Medicare & Medicaid Services (CMS), for payment of medical assistance services delivered to Medicaid-eligible students when such services qualify for reimbursement by the Virginia Medicaid program and may be provided by school divisions;

18. A provision for payment of medical assistance services for liver, heart and lung transplantation procedures for individuals over the age of 21 years when (i) there is no effective alternative medical or surgical therapy available with outcomes that are at least comparable; (ii) the transplant procedure and application of the procedure in treatment of the specific condition have been clearly demonstrated to be medically effective and not experimental or investigational; (iii) prior authorization by the Department of Medical Assistance Services has been obtained; (iv) the patient selection criteria of the specific transplant center where the surgery is proposed to be performed have been used by the transplant team or program to determine the appropriateness of the patient for the procedure; (v) current medical therapy has failed and the patient has failed to respond to appropriate therapeutic management; (vi) the patient is not in an irreversible terminal state; and (vii) the transplant is likely to prolong the patient's life and restore a range of physical and social functioning in the activities of daily living;

19. A provision for payment of medical assistance for colorectal cancer screening, specifically screening with an annual fecal occult blood test, flexible sigmoidoscopy or colonoscopy, or in appropriate circumstances radiologic imaging, in accordance with the most recently published recommendations established by the American College of Gastroenterology, in consultation with the American Cancer Society, for the ages, family histories, and frequencies referenced in such recommendations;

This provision shall include an expedited eligibility determination for such women;

23. A provision for the coordinated administration, including outreach, enrollment, re-enrollment and services delivery, of medical assistance services provided to medically indigent children pursuant to this chapter, which shall be called Family Access to Medical Insurance Security (FAMIS) Plus and the FAMIS Plan program in § 32.1-351. A single application form shall be used to determine eligibility for both programs;

24. A provision, when authorized by and in compliance with federal law, to establish a public-private long-term care partnership program between the Commonwealth of Virginia and private insurance companies that shall be established through the filing of an amendment to the state plan for medical assistance services by the Department of Medical Assistance Services. Components of the program, including the treatment of assets for Medicaid eligibility and estate recovery, shall be structured in accordance with federal law and applicable federal guidelines; ~~and~~

25. A provision for the payment of medical assistance for otherwise eligible pregnant women during the first five years of lawful residence in the United States, pursuant to § 214 of the Children's Health Insurance Program Reauthorization Act of 2009 (P.L. 111-3); *and*

2. Initiate such cost containment or other measures as are set forth in the appropriation act.

3. Make, adopt, promulgate and enforce such regulations as may be necessary to carry out the provisions of this chapter.

4. Examine, before acting on a regulation to be published in the Virginia Register of Regulations pursuant to § 2.2-4007.05, the potential fiscal impact of such regulation on local boards of social services. For regulations with potential fiscal impact, the Board shall share copies of the fiscal impact analysis with local boards of social services prior to submission to the Registrar. C. In order to enable the Commonwealth to continue to receive federal grants or reimbursement for medical assistance or related services, the Board, subject to the approval of the Governor, may adopt, regardless of any other provision of this chapter, such amendments to the state plan for medical assistance services as may be necessary to conform such plan with amendments to the United States Social Security Act or other relevant federal law and their implementing regulations or constructions of these laws and regulations by courts of competent jurisdiction or the United States Secretary of Health and Human Services.

In the event conforming amendments to the state plan for medical assistance services are adopted, the Board shall not be required to comply with the requirements of Article 2 (§ 2.2-4006 et seq.) of Chapter 40 of Title 2.2. However, the Board shall, pursuant to the requirements of § 2.2-4002, (i) notify the Registrar of Regulations that such amendment is necessary to meet the requirements of federal law or regulations or because of the order of any state or federal court, or (ii) certify to the Governor that the regulations are necessitated by an emergency situation. Any such amendments that are in conflict with the Code of Virginia shall only remain in effect until July 1 following adjournment of the next regular session of the General Assembly unless enacted into law.

Any such agreement or contract shall terminate upon conviction of the provider of a felony. In the event such conviction is reversed upon appeal, the provider may apply to the Director of Medical Assistance Services for a new agreement or contract. Such provider may also apply to the Director for reconsideration of the agreement or contract termination if the conviction is not appealed, or if it is not reversed upon appeal.

3. All such requests shall be in writing and be received within 15 days of the date of receipt of the notice.

The Director may consider aggravating and mitigating factors including the nature and extent of any adverse impact the agreement or contract denial or termination may have on the medical care provided to Virginia Medicaid recipients. In cases in which an agreement or contract is terminated pursuant to subsection D, the Director may determine the period of exclusion and may consider aggravating and mitigating factors to lengthen or shorten the period of exclusion, and may reinstate the provider pursuant to 42 C.F.R. § 1002.215.

F. When the services provided for by such plan are services which a marriage and family therapist, clinical psychologist, clinical social worker, professional counselor, or clinical nurse specialist is licensed to render in Virginia, the

Director shall contract with any duly licensed marriage and family therapist, duly licensed clinical psychologist, licensed clinical social worker, licensed professional counselor or licensed clinical nurse specialist who makes application to be a provider of such services, and thereafter shall pay for covered services as provided in the state plan. G. The Board shall prepare and submit to the Secretary of the United States Department of Health and Human Services such amendments to the state plan for medical assistance services as may be permitted by federal law to establish a program of family assistance whereby children over the age of 18 years shall make reasonable contributions, as determined by regulations of the Board, toward the cost of providing medical assistance under the plan to their parents.

H. The Department of Medical Assistance Services shall:

1. Include in its provider networks and all of its health maintenance organization contracts a provision for the payment of medical assistance on behalf of individuals up to the age of 21 who have special needs and who are Medicaid eligible, including individuals who have been victims of child abuse and neglect, for medically necessary assessment and treatment services, when such services are delivered by a provider which specializes solely in the diagnosis and treatment of child abuse and neglect, or a provider with comparable expertise, as determined by the Director.

2. Agreements made pursuant to this subsection shall comply with federal law and regulation.

§ 38.2-3418.16. Coverage for telemedicine services.

A. Notwithstanding the provisions of § 38.2-3419, each insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; each corporation providing individual or group accident and sickness subscription contracts; and each health maintenance organization providing a health care plan for health care services shall provide coverage for the cost of such health care services provided through telemedicine services, as provided in this section.

B. As used in this section, ~~"telemedicine services,"~~:

"Remote patient monitoring services" means the delivery of home health services using telecommunications technology to enhance the delivery of home health care, including monitoring of clinical patient data such as weight, blood pressure, pulse, pulse oximetry, blood glucose, and other condition-specific data; medication adherence monitoring; and interactive video conferencing with or without digital image upload.

"Telemedicine services" as it pertains to the delivery of health care services, means the use of electronic technology or media, including interactive audio or video, for the purpose of diagnosing or treating a patient, providing remote patient monitoring services, or consulting with other health care providers regarding a patient's diagnosis or treatment. "Telemedicine services" does not include an audio-only telephone, electronic mail message, facsimile transmission, or online questionnaire.

C. An insurer, corporation, or health maintenance organization shall not exclude a service for coverage solely because the service is provided through telemedicine services and is not provided through face-to-face consultation or contact between a health care provider and a patient for services appropriately provided through telemedicine services.

D. An insurer, corporation, or health maintenance organization shall not be required to reimburse the treating provider or the consulting provider for technical fees or costs for the provision of telemedicine services; however, such insurer, corporation, or health maintenance organization shall reimburse the treating provider or the consulting provider for the diagnosis, consultation, or treatment of the insured delivered through telemedicine services on the same basis that the insurer, corporation, or health maintenance organization is responsible for coverage for the provision of the same service through face-to-face consultation or contact.

E. Nothing shall preclude the insurer, corporation, or health maintenance organization from undertaking utilization review to determine the appropriateness of telemedicine services, provided that such appropriateness is made in the same manner as those determinations are made for the treatment of any other illness, condition, or disorder covered by such policy, contract, or plan. Any such utilization review shall not require pre-authorization of emergent telemedicine services.

F. An insurer, corporation, or health maintenance organization may offer a health plan containing a deductible, copayment, or coinsurance requirement for a health care service provided through telemedicine services, provided that the

deductible, copayment, or coinsurance does not exceed the deductible, copayment, or coinsurance applicable if the same services were provided through face-to-face diagnosis, consultation, or treatment.

G. No insurer, corporation, or health maintenance organization shall impose any annual or lifetime dollar maximum on coverage for telemedicine services other than an annual or lifetime dollar maximum that applies in the aggregate to all items and services covered under the policy, or impose upon any person receiving benefits pursuant to this section any copayment, coinsurance, or deductible amounts, or any policy year, calendar year, lifetime, or other durational benefit limitation or maximum for benefits or services, that is not equally imposed upon all terms and services covered under the policy, contract, or plan.

H. The requirements of this section shall apply to all insurance policies, contracts, and plans delivered, issued for delivery, reissued, or extended in the Commonwealth on and after January 1, 2011, or at any time thereafter when any term of the policy, contract, or plan is changed or any premium adjustment is made.

I. This section shall not apply to short-term travel, accident-only, or limited or specified disease policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

J. *The coverage required by this section shall include the use of telemedicine technologies as it pertains to medically necessary remote patient monitoring services to the full extent that these services are available.*

2. The parent or guardian presents a statement from a physician licensed to practice medicine in Virginia, a licensed nurse practitioner, or a local health department that states that the physical condition of the child is such that the administration of one or more of the required immunizing agents would be detrimental to the health of the child; or

[H 2720]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 22.1-280.2:2 of the Code of Virginia is amended and reenacted as follows:

§ 22.1-280.2:2. Public School Security Equipment Grant Act of 2013.

A. This section shall be known and may be cited as the "Public School Security Equipment Grant Act of 2013."

B. For purposes of this section:

"Authority" means the Virginia Public School Authority.

"Department" means the Department of Education.

"Eligible school division" means a (i) local school division or (ii) regional vocational center, special education center, alternative education center, or academic year Governor's School serving public school students in grades K through 12. The term shall also include the Virginia School for the Deaf and the Blind.

"Local school division" means a school division with schools subject to state accreditation and whose students are required to be reported in fall membership for grades K through 12.

"Security equipment" includes building modifications and fixtures such as security vestibules.

C. The Authority shall issue bonds for the purpose of grant payments to eligible school divisions of the Commonwealth to be used exclusively for purchasing security equipment for schools, including any related installation, which is designed to improve and help ensure the safety of students attending public schools in Virginia. Such grants shall not be used to pay for security equipment that is not included or described in a grant application approved by the Department pursuant to subsection D. The amount of grants provided to each eligible school division pursuant to this

section shall not exceed \$100,000 for each fiscal year of the Commonwealth. Funds for the payment of such grants shall be provided from the issuance of bonds by the Authority, provided that the Authority shall not issue more than an aggregate of \$6 million in bonds, after all costs, for such grants during each fiscal year of the Commonwealth. In addition, the Authority shall ensure that no more than an aggregate principal amount of \$30 million in bonds issued under this section shall be outstanding at any time. Eligible school divisions seeking a grant shall apply to the Department, which shall be responsible for administering the grant program.

The Authority shall work with the Department to determine the schedule for the issuance of the bonds, which shall be based in part upon eligible school divisions having sufficient funds to purchase such security equipment. The payment of debt service on such bonds shall be as provided in the general appropriation act.

Such grants shall be in addition to all other grants made to local governments, school boards, or school divisions according to law. In addition, such grants shall not replace or be in lieu of loans to local school boards or interest rate subsidy payments to local school boards pursuant to Chapter 11.1 (§ 22.1-175.1 et seq.) of Title 22.1, and the issuance of such bonds and the payment of such grants shall not, except as herein provided, affect or otherwise amend the provisions of such chapter as they relate to the powers and duties of the Authority, local school boards, local governments, or any other entity.

D. Based on the criteria developed by the Department in collaboration with the Department of Criminal Justice Services, eligible school divisions shall apply for a grant by August 1 of each year. As a condition of receiving a grant, a local match of 25 percent of the grant amount shall be required. The Superintendent of Public Instruction is authorized to reduce the local match for local school divisions with a composite index of local ability-to-pay less than 0.2000, including any such school division participating in a regional vocational center, special education center, alternative education center, or academic year Governor's School. The Virginia School for the Deaf and the Blind shall be exempt from the match requirement.

Grants shall be awarded by the Department on a competitive basis. As part of the application for a grant, each eligible school division shall (i) identify with specificity the security equipment for which grants are being sought, as well as the estimated costs to purchase and install the security equipment, and (ii) certify that it is the intent of the eligible school division to purchase the security equipment within six months of approval of any grant by the Department.

If the Department determines that a grant shall be paid to an eligible school division under this section, it shall provide a written certification to the chairman of the Authority directing him to make a grant payment in a specific amount to the eligible school division. The Department, however, shall not make such written certification until it has established that the Authority has sufficient funds to make such grant payment. The Authority shall only make grant payments to an eligible school division for the grants provided under this section upon receipt of such written certification. The Authority shall make such grant payments, and in the amounts as directed by the Department, within 30 days of receipt of the certification.

E. The Department shall develop guidelines concerning the requirements for applying for a grant and the administration of such grants. Such guidelines shall not be subject to the Administrative Process Act (§ 2.2-4000 et seq.).

F. In the event that two or more local school divisions became one local school division, whether by consolidation of only the local school divisions or by consolidation of the local governments, such resulting local school division shall be eligible for grants on the basis of the same number of local school divisions as existed prior to September 30, 2012.

G. The Authority shall take all necessary and proper steps as it is authorized to take under law to carry out the provisions of this section.

H. Beginning in 2014, the Department shall make an annual report to the General Assembly by September 1 of each year reporting (i) the total grants paid during the immediately prior fiscal year to each eligible school division and (ii) a general description of the security equipment purchased by eligible school divisions.

[H 1893]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.3, 3.4, and 3.5 of Chapters 629 and 674 of the Acts of Assembly of 2005 are amended and reenacted as follows:

§ 2.3. Financial powers.

(a) Generally. In accordance with the Constitutions of the Commonwealth of Virginia and the United States, the city may raise annual taxes and assessments on property, persons and other subjects of taxation, which are not prohibited by law, such sums of money as in the judgment of the city are necessary to pay the debts, defray the expense, accomplish the purposes, and perform the functions of the city, in such manner as the council deems necessary or expedient. The city shall impose no tax on its bonds.

(b) Consumer utility tax, etc. The city shall have power to impose, levy, and collect, in such manner as its council shall deem expedient, a consumer or subscriber tax upon the amount paid for the use within the city of water, electricity, gas, telephone, television, cell phone, wireless, and any public utility service, or the amount paid for any one or more of such public utility services used within the city, and the council may provide that such tax shall be added to and collected with bills rendered consumers for such services.

(c) Assessments for local improvements. The city may impose special or local assessments for local improvements and enforce payment thereof, subject, however, to such limitations prescribed by the Constitution of Virginia as may be in force at the time of the imposition of such special or local assessments.

(d) Water, lights and sewerage, rates; rates and charges for public utilities or services, etc., operated, etc., by city. The city may establish, impose, and enforce water, light and sewerage rates, and rates and charges for public utilities, or other service, products, or conveniences, operated, rendered, or furnished by the city; assess, or cause to be assessed, water, light, sewerage, and other public utility rates and charges directly against the owner or owners of the buildings, or against the proper tenant or tenants; and in event such rates and charges shall be assessed against a tenant, then the said council may, by an ordinance, require of such tenant a deposit of such reasonable amount as may be by such ordinance prescribed before furnishing such services to such tenant.

(e) Imposition of license taxes; fine or penalty for doing business without license; fees to be paid on grant or transfer of license.

(1) License taxes may be imposed by ordinance on businesses, trades, professions, and callings and upon the persons, firms, associations, and corporations engaged therein, and the agents thereof, except in cases where taxation by the locality shall be prohibited by general law, and nothing herein shall be construed to repeal or amend any general law with respect to taxation.

(2) The council may subject any person, who, without having obtained a license therefor, shall do any act or follow any business, occupation, vocation, pursuit, or calling in the city for which a license may be required by ordinance, to such fine or penalty as it is authorized to impose for any violation of its laws.

(3) For every city license granted or transferred by the commissioner of revenue under this Charter, the commissioner shall charge a fee to be prescribed by an ordinance. Such license or transfer may be withheld until the fees are paid into the city treasury for city purposes.

(f) Levy on other property. It is hereby expressly provided that said council shall, in its discretion, be authorized to fix such annual levy on property subject to taxation in the City of Waynesboro, for city purposes, without any limit as to the rate thereof, any provisions of the general laws of the state to the contrary notwithstanding, provided that said council shall not fix such levy on property partially segregated to the state for purposes of state taxation at a higher rate than is or may be permitted by the general laws relating thereto.

(g) Issuance of bonds, notes, and evidence of debt.

(1) For the execution of its powers and duties, the city council may, in the name and for the use of the city, contract loans and cause to be issued certificates of debts or bonds, provided no such certificate of debt or bonds shall be issued except by ordinance adopted in accordance with Section 7 of Article VII of the Constitution of Virginia, and otherwise in accordance with the requirements of the Virginia "Public Finance Act." No such certificate or bonds shall be issued prior to city council holding a public hearing on the question, duly advertised at least ten (10) days in advance in a general newspaper of local circulation, and the ordinance authorizing any such certificate or bonds shall be introduced at one meeting of city council and adopted at a second meeting at least seven (7) calendar days after such introduction.

(2) Notwithstanding the foregoing paragraph, no bonds, notes, or other obligations shall be issued until their issuance shall have been authorized by a majority of the qualified voters of the city voting on the question at an election held for the purpose in the manner provided by general law, except as follows:

(i) The council may authorize the issuance of refunding bonds or refunding notes by an ordinance adopted in the manner set forth in subdivision (g) (1) by the affirmative vote of a majority of all members of the council.

(ii) The council may authorize, by an ordinance adopted in the manner set forth in subdivision (g) (1) by the affirmative vote of four-fifths (4/5) of all members of the council, the issuance of bonds and other obligations of a type excluded from the computation of indebtedness of cities under Section 10 (a) of Article VII of the Constitution by complying with the conditions for exclusion set forth therein.

(iii) The city shall have the authority without a vote of the people to make temporary loans not in excess of what may be paid out of current revenues for the fiscal year in which made.

(iv) Bonds which are secured by a lien on the property being purchased may be issued for the purchase of real or personal property without a vote of the people.

(v) The city shall have the authority, by an ordinance adopted in the manner set forth in subdivision (g) (1) by the affirmative vote of four-fifths (4/5) of all members of the council, to issue without a vote of the people bonds or interest-bearing obligations which, including existing general obligation indebtedness, do not exceed ten percent (10%) of the assessed valuation of the real estate in the city subject to taxation, as shown by the last preceding assessment for taxes.

(h) Liens for taxes, levies, and assessments. There shall be a lien on all real estate within the corporate limits for taxes, levies, and assessments, in favor of the city, assessed thereon, from the commencement of the year for which the same were assessed, and there shall also be a lien on the real estate on which local assessments for improvements may be made for the amount of such assessments from the time the same is levied by the city council. *Any person aggrieved by an assessment made by the assessor of real estate shall have the right to a hearing before the city assessor. After the hearing before the city assessor, if a person is still aggrieved by the assessment, such person may apply to the board of equalization for a hearing. Application for relief to the board of equalization in the year for which the assessment is challenged and disposition of such application by the board of equalization shall continue to be prerequisites to the jurisdiction of the circuit court to hear an appeal with respect to a real estate assessment for that year.* The council may by ordinance permit taxes to be paid in semi-annual installments.

(i) Additional powers. The city, the financial officers, and all deputies and agents charged with the duty of collecting any and all taxes, licenses, and assessments due the city shall have all the powers provided by law for the collection thereof to cities and towns and their respective officers thereof, and in addition shall have all the rights, powers, and remedies provided to any state officers for the collection of taxes. It is further expressly provided that the treasurer, commission of the revenue, and court clerk shall proceed under the general law for handling of delinquent lands, the sale thereof, the purchase of same with the required reports of sale and all provisions for redemption, or if not redeemed for the making of a tax title deed, in accordance with the provisions of the tax code of Virginia. In addition to the lien for the principal amount of such taxes, the city shall have a lien, with all the priorities provided therefor, for any and all penalties, interest, and costs accrued by reason of delinquency in the payment of such taxes.

§ 3.4. Organizational rules; election of mayor.

(a) ~~At nine o'clock ante meridian on the first day of July following a regular municipal election, or if such day is a Sunday, then on the day following, the council shall meet at the usual place for holding the meetings of the legislative board of the city.~~ *The city council shall assemble for an organizational meeting at its first regular session in July each year for the purposes set forth in § 15.2-1416 of the Code of Virginia,* at which time the newly elected council members, after first having taken oaths prescribed by law, shall assume the duties of the office. Thereafter, the council shall meet at such times as may be prescribed by ordinance or resolution, except that they shall regularly meet not less than once each month. The mayor, any member of the council, or the city manager may call special meetings of the council at any time (on at least twelve (12) hours written notice), with the purpose of said meeting stated therein, to each member served personally or left at such member's usual place of business or residence. No business other than that mentioned in the call shall be considered at such meeting, except upon the consent of no fewer than four-fifths (4/5) of the members of the council.

(b) All meetings of the council shall be public except, if otherwise authorized by general law. Any citizen may have access to the minutes and records thereof at all reasonable times.

(c) The council shall elect one of its members as chairman, who shall be ex officio mayor.

(d) The mayor shall be elected by the council for a term of two (2) years and shall preside at meetings of the council and perform such other duties consistent with the office as may be imposed by the council. The mayor shall have a vote and voice in the proceedings, but no veto. The mayor shall be the official head of the city but shall have no jurisdiction or authority to hear, determine, or try any civil or criminal matters. In times of public danger or emergency, the mayor, or during the mayor's absence or disability, the city manager, may take command of the police and maintain order and enforce the laws, and for this purpose, may deputize such assistant police officers as may be necessary. During absence or disability, except as above provided, the city manager's duties shall be performed by another member appointed by the council. The mayor shall authenticate by signature such instruments as the council, this Charter, or the laws of the state shall require.

(e) ~~On the first day of the first regular meeting in July following the regular municipal election and organization of the council, or as soon thereafter as may be practicable, the council shall elect a city manager, city clerk, city attorney, city assessor, and such other officers as may come within their jurisdiction, each of whom shall serve at the pleasure of the council, provided that the council may elect the city clerk, city manager, city attorney, city assessor, and such other officers for terms of one year each, beginning July 1, subject to removal by the council for cause, and in no event shall the council elect any officer for a term extending beyond June 30 next succeeding each regular biennial municipal election for members of the council.~~

§ 3.5. Ordinances and resolutions.

(a) Except in dealing with parliamentary procedure, the council shall act only by ordinance or resolution, and with the exception of ordinances making appropriations or authorizing the contracting of indebtedness, shall be confined to one subject, although nothing shall prevent council from acting collectively on a number of resolutions or ordinances by one comprehensive action approving a consent agenda containing all such resolutions and ordinances.

(b) Each proposed ordinance or resolution shall be introduced in a written or printed form, and the enacting clause of all ordinances passed by the council shall substantially be, "Be it ordained by the council of the City of Waynesboro, Virginia."

(c) ~~No~~ *Except as provided herein,* no ordinance, or resolution having the effect of an ordinance, or resolution suspending an ordinance, unless it is an emergency measure, shall be passed until it has been considered at two meetings not less than one week apart, one of which shall be a regular meeting and the other of which may be either an adjourned or called meeting. Any ordinance or resolution considered at one such meeting may be amended and passed as amended at the next such meeting, provided that the amendment does not materially change the ordinance. No ordinance shall be amended unless such section or sections as are intended to be amended shall be reenacted. *Nonetheless, an ordinance, or resolution having the effect of an ordinance, wherein the city is the recipient of money, funds, or a grant may be passed upon one consideration at a meeting open to the public.* The ayes and noes shall be taken and recorded upon the passage of all ordinances or resolutions and entered upon the journal of the proceedings of the council. Except as otherwise provided in this Charter, an affirmative vote of a majority of the members elected to the council shall be necessary to adopt any ordinance or resolution.

(d) Effective date of ordinances; emergency measures. No ordinance passed by the council shall take effect until at least ten (10) days from the date of its passage, except that the council may, by the affirmative vote of the majority of its members, pass emergency measures to take effect at the time indicated therein or specifically provide that a nonemergency ordinance take effect immediately upon its passage.

(e) Recordation and authentication of ordinances; publication of ordinances; introduction of ordinances in evidence.

(1) Every ordinance, or resolution having the effect of an ordinance, when passed shall be recorded by the city clerk in a book kept for that purpose and shall be authenticated by the signature of the presiding officer and the city clerk.

(2) Every ordinance of a general or permanent nature shall be published in full once within ten (10) days after its final passage by posting a copy thereof at the front door of the municipal building and at two other public places in the city or, when ordered by the council, by publication in a newspaper published or circulated in the city for such time as the council may direct, provided that the foregoing requirements as to publication shall not apply to ordinances reordained in or by a general compilation or codification of ordinances printed by authority of the council.

(3) A record or entry made by the city clerk or a copy of such record or entry duly certified by said clerk shall be prima facie evidence of the terms of the ordinance and its due publication. All ordinances and resolutions of the council may be read in evidence in all courts and in all other proceedings in which it may be necessary to refer thereto, either from the original record thereof, from a copy thereof, certified by the city clerk, or from any volume of ordinances printed by authority of the council.

(f) Publication of indexed ordinances. The council shall from time to time direct the publication, with suitable index, of the city ordinances.

[H 2239]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 15.2-1638, 16.1-69.35, 16.1-77, and 16.1-123.1 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding a section numbered 16.1-69.35:01 as follows:

§ 15.2-1638. County or city governing body to provide courthouse, clerk's office, jail and suitable facilities for attorney for the Commonwealth; acquisition of land.

The governing body of every county and city shall provide courthouses with suitable space and facilities to accommodate the various courts and officials thereof serving the county or city; within or outside such courthouses, a clerk's office, the record room of which shall be fireproof; a jail; and, upon request therefor, suitable space and facilities for the attorney for the Commonwealth to discharge the duties of his office. The costs thereof and of the land on which they may be, and of keeping the same in good order, shall be chargeable to the county or city. The fee simple of the lands and of the buildings and improvements thereon utilized for such courthouses shall be in the county or city, *or jointly in a county and a city*, and the governing body of the county or city may purchase so much of such property, as, with what it has, may be necessary for the purposes enumerated or for any other proper purpose of the county or city. However, any portion of the property owned by a county and located within a city or town and not actually occupied by the courthouse, clerk's office, or jail, may be sold or exchanged and conveyed to such city or town to be used for street or other public purposes. Any such sale or exchange by the governing body of a county shall be made in accordance with the provisions of § 15.2-1800.

The amendments contained in Chapter 90 of the 1986 Acts of Assembly shall not apply to the City of Virginia Beach.

§ 16.1-69.35. Administrative duties of chief district judge.

The chief judge of each district shall have the following administrative duties and authority with respect to his district:

1. When any district court judge is under any disability or for any other cause is unable to hold court and the chief judge determines that assistance is needed:

a. The chief district judge shall designate a judge within the district or a judge of another district court within the Commonwealth, if one is reasonably available, to hear and dispose of any action or actions properly coming before such district court for disposition;

b. If unable to designate a judge as provided in subdivision 1 a, the chief district judge may designate a retired district judge eligible for recall pursuant to § 16.1-69.22:1 for such hearing and disposition if such judge consents; or

c. If unable to assign a retired district court judge, the chief district judge may designate a retired circuit court judge eligible for recall pursuant to § 17.1-106 if such judge consents or the chief district judge may request that the Chief Justice of the Supreme Court designate a circuit judge if such judge consents.

If no judges are available under subdivision a, b or c, then a substitute judge shall be designated pursuant to § 16.1-69.21.

While acting, any judge so designated shall have all the authority and power of the judge of the court, and his order or judgment shall, to all intents and purposes, be the judgment of the court. A general district court judge designated pursuant to subdivision 1 a, may, with his consent, substitute for or replace a juvenile and domestic relations district court judge, and vice versa. The names of the judges designated under subdivisions b and c shall be selected from a list provided by the Executive Secretary and approved by the Chief Justice of the Supreme Court.

2. The chief general district court judge of a district may designate any juvenile and domestic relations district court judge of the district, with the judge's consent, for an individual case or to sit and hear cases for a period of not more than one year, in any of the general district courts within the district. The chief juvenile and domestic relations district court judge of a district may designate any general district court judge of the district, with the judge's consent, for an individual case or to sit and hear cases for a period of not more than one year, in any of the juvenile and domestic relations district courts within the district. Every judge so designated shall have the same powers and jurisdiction and be authorized to perform the same duties as any judge of the district for which he is designated to assist, and, while so acting, his order or judgment shall be, for all purposes, the judgment of the court to which he is assigned.

3. If on account of congestion in the work of any district court or when in his opinion the administration of justice so requires, the Chief Justice of the Supreme Court may, upon his own initiative or upon written application of the chief district court judge desiring assistance, designate a judge from another district or any circuit court judge, if such circuit court judge consents, or a retired judge eligible for recall, to provide judicial assistance to such district. Every judge so designated shall have the same powers and jurisdiction and be authorized to perform the same duties as any judge of the district for which he is designated to assist and while so acting his order or judgment shall be, to all intents and purposes, the judgment of the court to which he is assigned.

4. Subject to such rules as may be established pursuant to § 16.1-69.32, the chief judge may establish special divisions of any general district court when the work of the court may be more efficiently handled thereby such as through the establishment of special civil, criminal or traffic divisions, and he may assign the judges of the general district court with respect to serving such special divisions. In the City of Richmond the general district court shall, in addition to any specialized divisions, maintain a separate division of such court in that part of Richmond south of the James River with concurrent jurisdiction in civil matters whenever one or more of the defendants reside or the cause of action or any part thereof arises in that part of the city, concurrent jurisdiction over all traffic matters arising in that part of the city and concurrent jurisdiction over all other criminal matters arising in that part of the city.

5. Subject to such rules as may be established pursuant to § 16.1-69.32, the chief judge shall determine when the district courts or divisions of such courts shall be open for the transaction of business. The chief judge or presiding judge of any district court may authorize the clerk's office to close on any date when the chief judge or presiding judge determines that operation of the clerk's office, under prevailing conditions, would constitute a threat to the health or safety of the clerk's office personnel or the general public. Closing of the clerk's office pursuant to this subsection shall have the same effect as provided in subsection B of § 1-210. In determining whether to close because of a threat to the health or safety of the general public, the chief judge or the presiding judge of the district court shall coordinate with the chief judge or presiding judge of the circuit court so that, where possible and appropriate, both the circuit and district courts take the same action. He shall determine the times each such court shall be held for the trial of civil, criminal or traffic matters and cases. He shall determine whether, in the case of district courts in counties, court shall be held at any place or places in addition to the county seat *or other place expressly authorized by statute*. He shall determine the office hours and arrange a vacation schedule of the judges within his district, in order to ensure the availability of a judge or judges to the public at normal times of business. A schedule of the times and places at which court is held shall be filed with the Executive Secretary of the Supreme Court and kept posted at the courthouse, and in any county also at any such other place or places where court may be held, and the clerk shall make such schedules available to the public upon request. Any matter may, in the discretion of the judge, or by direction of the chief district judge, be removed from any one of such designated places to another, or to or from the county seat *or other place expressly authorized by statute*, in order to serve the convenience of the parties or to expedite the administration of justice; however, any town having a population of over 15,000 as of July 1, 1972, having court facilities and a court with both general criminal and civil jurisdiction prior to July 1, 1972, shall be designated by the chief judge as a place to hold court.

6. Subject to the provisions of § 16.1-69.38, the chief judge of a general district court or the chief judge of a juvenile and domestic relations district court may establish a voluntary civil mediation program for the alternate resolution of disputes. The costs of the program shall be paid by the local governing bodies within the district or by the parties who voluntarily participate in the program.

§ 16.1-69.35:01. Location of district courts for Albemarle County.

The Albemarle General District Court and the Albemarle Juvenile and Domestic Relations District Court may sit in the City of Charlottesville on property immediately across the street from the county courthouse.

§ 16.1-77. Civil jurisdiction of general district courts.

Except as provided in Article 5 (§ 16.1-122.1 et seq.), each general district court shall have, within the limits of the territory it serves, civil jurisdiction as follows:

(1) Exclusive original jurisdiction of any claim to specific personal property or to any debt, fine or other money, or to damages for breach of contract or for injury done to property, real or personal, or for any injury to the person that would be recoverable by action at law or suit in equity, when the amount of such claim does not exceed \$4,500 exclusive of interest and any attorney fees, and concurrent jurisdiction with the circuit courts having jurisdiction in such territory of any such claim when the amount thereof exceeds \$4,500 but does not exceed \$25,000, exclusive of interest and any attorney fees. However, this \$25,000 limit shall not apply with respect to distress warrants under the provisions of § 55-230, cases involving liquidated damages for violations of vehicle weight limits pursuant to § 46.2-1135, nor cases involving forfeiture of a bond pursuant to § 19.2-143.

(2) Jurisdiction to try and decide attachment cases when the amount of the plaintiff's claim does not exceed \$25,000 exclusive of interest and any attorney fees.

(3) Jurisdiction of actions of unlawful entry or detainer as provided in Article 13 (§ 8.01-124 et seq.) of Chapter 3 of Title 8.01, and in Chapter 13 (§ 55-217 et seq.) of Title 55, and the maximum jurisdictional limits prescribed in subdivision (1) shall not apply to any claim, counter-claim or cross-claim in an unlawful detainer action that includes a claim for damages sustained or rent against any person obligated on the lease or guarantee of such lease.

(4) Except where otherwise specifically provided, all jurisdiction, power and authority over any civil action or proceeding conferred upon any general district court judge or magistrate under or by virtue of any provisions of the Code.

(5) Jurisdiction to try and decide suits in interpleader involving personal or real property where the amount of money or value of the property is not more than the maximum jurisdictional limits of the general district court. However, the maximum jurisdictional limits prescribed in subdivision (1) shall not apply to any claim, counter-claim, or cross-claim in an interpleader action that is limited to the disposition of an earnest money deposit pursuant to a real estate purchase contract. The action shall be brought in accordance with the procedures for interpleader as set forth in § 8.01-364. However, the general district court shall not have any power to issue injunctions. Actions in interpleader may be brought by either the stakeholder or any of the claimants. The initial pleading shall be either by motion for judgment, by warrant in debt, or by other uniform court form established by the Supreme Court of Virginia. The initial pleading shall briefly set forth the circumstances of the claim and shall name as defendant all parties in interest who are not parties plaintiff.

(6) Jurisdiction to try and decide any cases pursuant to § 2.2-3713 of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.) or § 2.2-3809 of the Government Data Collection and Dissemination Practices Act (§ 2.2-3800 et seq.), for writs of mandamus or for injunctions.

(7) Concurrent jurisdiction with the circuit courts having jurisdiction in such territory to adjudicate habitual offenders pursuant to the provisions of Article 9 (§ 46.2-355.1 et seq.) of Chapter 3 of Title 46.2.

(8) Jurisdiction to try and decide cases alleging a civil violation described in § 18.2-76.

(9) Jurisdiction to try and decide any cases pursuant to § 55-79.80:2 of the Condominium Act (§ 55-79.39 et seq.) or § 55-513 of the Property Owners' Association Act (§ 55-508 et seq.).

(10) Concurrent jurisdiction with the circuit courts to submit matters to arbitration pursuant to Chapter 21 (§ 8.01-577 et seq.) of Title 8.01 where the amount in controversy is within the jurisdictional limits of the general district court. Any party that disagrees with an order by a general district court granting an application to compel arbitration may appeal such decision to the circuit court pursuant to § 8.01-581.016.

For purposes of this section, the territory served by a county general district court expressly authorized by statute to be established in a city includes the general district court courtroom.

§ 16.1-123.1. Criminal and traffic jurisdiction of general district courts.

1. Each general district court shall have, within the county, including the towns within such county, or city for which it is established, exclusive original jurisdiction for the trial of:

a. All offenses against the ordinances, laws and bylaws of such county, including the towns within such county, or city or of any service district within such county or city, except a city ordinance enacted pursuant to §§ 18.2-372 through 18.2-391.1. All offenses against the ordinances of a service district shall be prosecuted in the name of such service district;

b. All other misdemeanors and traffic infractions arising in such county, including the towns in such county, or city.

2. Each general district court which is established within a city shall also have:

b. Exclusive original jurisdiction, except as otherwise provided by general law or the city charter, within the area extending for one mile beyond the corporate limits thereof, for the trial of all offenses against the ordinances, laws and bylaws of the city.

3. If a city lying within a county has no general district court provided by city charter or under general law, then the general district court of the county within which such city lies shall have the same jurisdiction in such city as a general district court established for a city would have.

4. Each general district court shall have such other jurisdiction, exclusive or concurrent, as may be conferred on such court by general law or by provisions of the charter of the city for which the court was established.

5. *Notwithstanding the provisions of subsection C of § 19.2-244, any county general district court authorized by § 16.1-69.35:01 to be established in a city shall have exclusive original jurisdiction for the trial of all misdemeanors committed within or upon the general district court courtroom.*

6. Nothing herein shall affect the jurisdiction conferred on the juvenile and domestic relations district court by Chapter 11 (§ 16.1-226 et seq.) ~~of this title.~~

Be it enacted by the General Assembly of Virginia:

1. That §§ 43-4, 43-5, 43-8, and 43-10 of the Code of Virginia are amended and reenacted as follows:

§ 43-4. Perfection of lien by general contractor; recordation and notice.

A general contractor, or any other lien claimant under §§ 43-7 and 43-9, in order to perfect the lien given by § 43-3, provided such lien has not been barred by § 43-4.01 C, shall file a memorandum of lien at any time after the work is commenced or material furnished, but not later than 90 days from the last day of the month in which he last performs labor or furnishes material, and in no event later than 90 days from the time such building, structure, or railroad is completed, or the work thereon otherwise terminated. The memorandum shall be filed in the clerk's office in the county or city in which the building, structure or railroad, or any part thereof is located. The memorandum shall show the names *and addresses* of the owner of the property sought to be charged, and of the claimant of the lien, the amount and consideration of his claim, ~~and~~ the time or times when the same is or will be due and payable, *and the date from which interest is claimed*, verified by the oath of the claimant, or his agent, including a statement declaring his intention to claim the benefit of the lien, and giving a brief description of the property on which he claims a lien. The memorandum shall also contain the claimant's license or certificate number issued by the Board for Contractors pursuant to Chapter 11 (§ 54.1-1100 et seq.) of Title 54.1, if any, and the date such license or certificate was issued and the date such license or certificate expires. It shall be the duty of the clerk in whose office the memorandum is filed to record and index the same as provided in § 43-4.1, in the name of the claimant of the lien and of the owner of the property. From the time of such recording and indexing all persons shall be deemed to have notice thereof. A lien claimant who is a general contractor, and not lien claimants under §§ 43-7 and 43-9, also shall file along with the memorandum of lien, a certification of mailing of a copy of the memorandum of lien on the owner of the property at the owner's last known address. The cost of recording the memorandum shall be taxed against the person found liable in any judgment or decree enforcing such lien. The lien claimant may file any number of memoranda but no memorandum filed pursuant to this chapter shall include sums due for labor or materials furnished more than 150 days prior to the last day on which labor was performed or material furnished to the job preceding the filing of such memorandum. However, any memorandum may include (i) sums withheld as retainages with respect to labor performed or materials furnished at any time before it is filed, but not to exceed 10 percent of the total contract price and (ii) sums which are not yet due because the party with whom the lien claimant contracted has not yet received such funds from the owner or another

third party. The time limitations set forth herein shall apply to all labor performed or materials furnished on construction commenced on or after July 1, 1980. An inaccuracy in the memorandum as to the claimant's license or certificate number, if any, the date such license or certificate was issued, or the date such license or certificate expires shall not bar a person from perfecting a lien if the claimant can otherwise be reasonably identified in the records of the Board for Contractors.

§ 43-5. Sufficiency of memorandum and affidavit required by § 43-4.

The memorandum and affidavit required by § 43-4 shall be sufficient if substantially in form and effect as follows:

Be it enacted by the General Assembly of Virginia:

1. That § 6.2-866 of the Code of Virginia is amended and reenacted as follows:

§ 6.2-866. Meetings of board of directors.

The board of directors of every bank shall hold meetings at least once in each calendar month. At each meeting of the board, a majority of the whole board shall be necessary for the lawful transaction of business. Notwithstanding the foregoing, (i) the shareholders, by bylaw, may fix any number not less than ~~five~~ a majority as a quorum and (ii) the Commission may allow less frequent meetings, but not less often than quarterly.

CHAPTER 245

An Act to amend and reenact § 15.2-2303.4 of the Code of Virginia and to repeal the third enactment of Chapter 322 of the Acts of Assembly of 2016, relating to conditional rezoning proffers.

[H 2342]

Approved March 5, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 15.2-2303.4 of the Code of Virginia is amended and reenacted as follows:

§ 15.2-2303.4. Provisions applicable to certain conditional rezoning proffers.

A. For purposes of this section, unless the context requires a different meaning:

"New residential development" means any construction or building expansion on residentially zoned property, including a residential component of a mixed-use development, that results in either one or more additional residential dwelling units or, otherwise, fewer residential dwelling units, beyond what may be permitted by right under the then-existing zoning of the property, when such new residential development requires a rezoning or proffer condition amendment.

"New residential use" means any use of residentially zoned property that requires a rezoning or that requires a proffer condition amendment to allow for new residential development.

"Offsite proffer" means a proffer addressing an impact outside the boundaries of the property to be developed and shall include all cash proffers.

"Onsite proffer" means a proffer addressing an impact within the boundaries of the property to be developed and shall not include any cash proffers.

"Proffer condition amendment" means an amendment to an existing proffer statement applicable to a property or properties.

"Public facilities" means public transportation facilities, public safety facilities, public school facilities, or public parks.

"Public facility improvement" means an offsite public transportation facility improvement, a public safety facility improvement, a public school facility improvement, or an improvement to or construction of a public park. No public facility improvement shall include any operating expense of an existing public facility, such as ordinary maintenance or repair, or any capital improvement to an existing public facility, such as a renovation or technology upgrade, that does not expand the capacity of such facility. For purposes of this section, the term "public park" shall include playgrounds and other recreational facilities.

"Public safety facility improvement" means construction of new law-enforcement, fire, emergency medical, and rescue facilities or expansion of existing public safety facilities, to include all buildings, structures, parking, and other costs directly related thereto.

"Public school facility improvement" means construction of new primary and secondary public schools or expansion of existing primary and secondary public schools, to include all buildings, structures, parking, and other costs directly related thereto.

"Public transportation facility improvement" means (i) construction of new roads; (ii) improvement or expansion of existing roads and related appurtenances as required by applicable standards of the Virginia Department of Transportation, or the applicable standards of a locality; and (iii) construction, improvement, or expansion of buildings, structures, parking, and other facilities directly related to transit.

"Residentially zoned property" means property zoned or proposed to be zoned for either single-family or multifamily housing.

"Small area comprehensive plan" means that portion of a comprehensive plan adopted pursuant to § 15.2-2223 that is specifically applicable to a delineated area within a locality rather than the locality as a whole.

B. Notwithstanding any other provision of law, general or special, no ~~locality~~ *local governing body* shall (i) ~~request or accept~~ *require* any unreasonable proffer, as described in subsection C, in connection with a rezoning or a proffer condition amendment as a condition of approval of a new residential development or new residential use or (ii) deny any rezoning application or proffer condition amendment for a new residential development or new residential use where such denial is based in whole or in part on an applicant's failure or refusal to submit an unreasonable proffer or proffer condition amendment.

C. Notwithstanding any other provision of law, general or special, ~~(i)~~ as used in this chapter, a proffer, or proffer condition amendment, whether onsite or offsite, offered voluntarily pursuant to § 15.2-2297, 15.2-2298, 15.2-2303, or 15.2-2303.1, shall be deemed unreasonable unless ~~it~~:

1. *It* addresses an impact that is specifically attributable to a proposed new residential development or other new residential use applied for; and ~~(ii) an offsite proffer shall be deemed unreasonable pursuant to subdivision (i) unless~~

2. *If an offsite proffer*, it addresses an impact to an offsite public facility, such that ~~(a)~~ (i) the new residential development or new residential use creates a need, or an identifiable portion of a need, for one or more public facility improvements in excess of existing public facility capacity at the time of the rezoning or proffer condition amendment and ~~(b)~~ (ii) each such new residential development or new residential use applied for receives a direct and material benefit from a proffer made with respect to any such public facility improvements. ~~For the purposes of this section, a~~ A locality may base its assessment of public facility capacity on the projected impacts specifically attributable to the new residential development or new residential use.

D. Notwithstanding the provisions of subsection C:

1. *An applicant or owner may, at the time of filing an application pursuant to this section or during the development review process, submit any onsite or offsite proffer that the owner and applicant deem reasonable and appropriate, as conclusively evidenced by the signed proffers.*

2. *Failure to submit proffers as set forth in subdivision 1 shall not be a basis for the denial of any rezoning or proffer condition amendment application.*

E. Notwithstanding any other provision of law, general or special:

1. Actions brought to contest the action of a ~~locality~~ *local governing body* in violation of this section shall be brought only by the aggrieved applicant or the owner of the property subject to a rezoning or proffer condition amendment pursuant to subsection F of § 15.2-2285, *provided that the applicant objected in writing to the governing body regarding a proposed condition prior to the governing body's grant or denial of the rezoning application.*

2. In any action in which a ~~locality~~ *local governing body* has denied a rezoning or an amendment to an existing proffer and the aggrieved applicant proves by a preponderance of the evidence that it refused or failed to submit an unreasonable proffer or proffer condition amendment that ~~it has proven~~ *was suggested, requested, or required in writing by the locality*

local governing body in violation of this section, the court shall presume, absent clear and convincing evidence to the contrary, that such refusal or failure was the controlling basis for the denial.

3. In any successful action brought pursuant to this section contesting an action of a ~~locality~~ *local governing body* in violation of this section, the applicant may be entitled to an award of reasonable attorney fees and costs and to an order remanding the matter to the governing body with a direction to approve the rezoning or proffer condition amendment without the inclusion of any unreasonable proffer *or to amend the proffer to bring it into compliance with this section.* If the ~~locality~~ *local governing body* fails or refuses to approve the rezoning or proffer condition amendment, *or fails or refuses to amend the proffer to bring it into compliance with this section,* within a reasonable time not to exceed 90 days from the date of the court's order to do so, the court shall enjoin the ~~locality~~ *local governing body* from interfering with the use of the property as applied for without the unreasonable proffer. Upon remand to the local governing body pursuant to this subsection, the requirements of § 15.2-2204 shall not apply.

~~F.~~ *F.* The provisions of this section shall not apply to any new residential development or new residential use occurring within any of the following areas: (i) an approved small area comprehensive plan in which the delineated area is designated as a revitalization area, encompasses mass transit as defined in § 33.2-100, includes mixed use development, and allows a density of at least 3.0 floor area ratio in a portion thereof; (ii) an approved small area comprehensive plan that encompasses an existing or planned Metrorail station, or is adjacent to a Metrorail station located in a neighboring locality, and allows additional density within the vicinity of such existing or planned station; or (iii) an approved service district created pursuant to § 15.2-2400 that encompasses an existing or planned Metrorail station.

~~G.~~ *G.* This section shall be construed as supplementary to any existing provisions limiting or curtailing proffers or proffer condition amendments for new residential development or new residential use that are consistent with its terms and shall be construed to supersede any existing statutory provision with respect to proffers or proffer condition amendments for new residential development or new residential use that are inconsistent with its terms.

H. Notwithstanding any provision in this section to the contrary, nothing contained herein shall be deemed or interpreted to prohibit or to require communications between an applicant or owner and the locality. The applicant, owner, and locality may engage in pre-filing and post-filing discussions regarding the potential impacts of a proposed new residential development or new residential use on public facilities as defined in subsection A and on other public facilities of the locality, and potential voluntary onsite or offsite proffers, permitted under subsections C and D, that might address those impacts. Such verbal discussions shall not be used as the basis that an unreasonable proffer or proffer condition amendment was required by the locality. Furthermore, notwithstanding any provision in this section to the contrary, nothing contained herein shall be deemed or interpreted to prohibit or to require presentation, analysis, or discussion of the potential impacts of new residential development or new residential use on the locality's public facilities.

2. That the third enactment of Chapter 322 of the Acts of Assembly of 2016 is repealed.

3. That this act shall be effective as to any application for a rezoning filed on or after July 1, 2019, or for a proffer condition amendment amending a rezoning that was filed on or after July 1, 2019, or to any then-pending rezoning application in which the applicant elects to proceed hereunder, by amendment of that pending application.

4. That an applicant with a pending application for a rezoning or proffer condition amendment that was filed prior to July 1, 2016, may continue to proceed under the law as it existed prior to that date, and an applicant with a pending rezoning application filed on or after July 1, 2016, but before July 1, 2019, or proffer condition amendment application amending a rezoning for which the application was filed on or after July 1, 2016, but before July 1, 2019, may continue to proceed under the law as it existed during that period.

CHAPTER 246

An Act to amend and reenact §§ 22.1-79.5 and 22.1-279.6 of the Code of Virginia, relating to public schools; tobacco products and nicotine vapor products; prohibition.

[H 2384]

Approved March 6, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 22.1-79.5 and 22.1-279.6 of the Code of Virginia are amended and reenacted as follows:

§ 22.1-79.5. Policy regarding tobacco and nicotine vapor products.

Each school board shall develop and implement a policy to prohibit, *at any time,* the use and distribution of ~~electronic cigarettes~~ *any tobacco product or nicotine vapor product, as those terms are defined in § 18.2-371.2,* on a school bus, on school property, or at ~~a~~ *an on-site or off-site school-sponsored activity.*

Such policy shall include (i) provisions for its enforcement among students, employees, and visitors, including the enumeration of possible sanctions or disciplinary action consistent with state or federal law, and (ii) referrals to resources to help staff and students overcome tobacco addiction.

Each school board shall work to ensure adequate notice of this policy.

§ 22.1-279.6. Board of Education guidelines and model policies for codes of student conduct; school board regulations.

A. The Board of Education shall establish guidelines and develop model policies for codes of student conduct to aid local school boards in the implementation of such policies. The guidelines and model policies shall include, but not be limited to, (i) criteria for the removal of a student from a class, the use of suspension, expulsion, and exclusion as disciplinary measures, the grounds for suspension and expulsion and exclusion, and the procedures to be followed in such cases, including proceedings for such suspension, expulsion, and exclusion decisions and all applicable appeals processes; (ii) standards, consistent with state, federal and case laws, for school board policies on alcohol and drugs, gang-related activity, hazing, vandalism, trespassing, threats, search and seizure, disciplining of students with disabilities, intentional injury of others, self-defense, bullying, the use of electronic means for purposes of bullying, harassment, and intimidation, and dissemination of such policies to students, their parents, and school personnel; and (iii) standards for in-service training of school personnel in and examples of the appropriate management of student conduct and student offenses in violation of school board policies.

In accordance with the most recent enunciation of constitutional principles by the Supreme Court of the United States of America, the Board's standards for school board policies on alcohol and drugs and search and seizure shall include guidance for procedures relating to voluntary and mandatory drug testing in schools, including, but not limited to, which groups may be tested, use of test results, confidentiality of test information, privacy considerations, consent to the testing, need to know, and release of the test results to the appropriate school authority.

In the case of suspension and expulsion, the procedures set forth in this article shall be the minimum procedures that the school board may prescribe.

B. School boards shall adopt and revise, as required by § 22.1-253.13:7 and in accordance with the requirements of this section, regulations on codes of student conduct that are consistent with, but may be more stringent than, the guidelines of the Board. School boards shall include, in the regulations on codes of student conduct, procedures for suspension, expulsion, and exclusion decisions and shall biennially review the model student conduct code to incorporate discipline options and alternatives to preserve a safe, nondisruptive environment for effective teaching and learning.

C. Each school board shall include in its code of student conduct prohibitions against hazing and profane or obscene language or conduct. School boards shall also cite in their codes of student conduct the provisions of § 18.2-56, which defines and prohibits hazing and imposes a Class 1 misdemeanor penalty for violations, that is, confinement in jail for not more than 12 months and a fine of not more than \$2,500, either or both.

D. Each school board shall include in its code of student conduct policies and procedures that include a prohibition against bullying. Such policies and procedures shall (i) be consistent with the standards for school board policies on bullying and the use of electronic means for purposes of bullying developed by the Board pursuant to subsection A and (ii) direct the principal to notify the parent of any student involved in an alleged incident of bullying of the status of any investigation within five school days of the allegation of bullying.

Such policies and procedures shall not be interpreted to infringe upon the First Amendment rights of students and are not intended to prohibit expression of religious, philosophical, or political views, provided that such expression does not cause an actual, material disruption of the work of the school.

E. A school board may regulate the use or possession of beepers or other portable communications devices and laser pointers by students on school property or attending school functions or activities and establish disciplinary procedures pursuant to this article to which students violating such regulations will be subject.

F. Nothing in this section shall be construed to require any school board to adopt policies requiring or encouraging any drug testing in schools. However, a school board may, in its discretion, require or encourage drug testing in accordance with the Board of Education's guidelines and model student conduct policies required by subsection A and the Board's guidelines for student searches required by § 22.1-279.7.

G. The Board of Education shall establish standards to ensure compliance with the federal Improving America's Schools Act of 1994 (Part F-Gun-Free Schools Act of 1994), as amended, in accordance with § 22.1-277.07.

This subsection shall not be construed to diminish the authority of the Board of Education or to diminish the Governor's authority to coordinate and provide policy direction on official communications between the Commonwealth and the United States government.

H. Each school board shall include in its code of student conduct a prohibition on possessing ~~electronic cigarettes~~ *any tobacco product or nicotine vapor product, as those terms are defined in § 18.2-371.2*, on a school bus, on school property, or at ~~a~~ *an on-site or off-site* school-sponsored activity.

~~D. Travel insurance may be provided under an individual policy or under a group or master policy.~~

~~E. G.~~ As the insurer designee, the limited lines travel insurance agent and the insurer (i) are responsible for the acts of a travel retailer who is not a limited lines travel insurance agent and (ii) shall use reasonable means to ensure compliance by the travel retailer with this article.

B. The license authority of any licensed limited lines property and casualty producer selling travel insurance may be terminated if the sole licensed producer designated for the limited lines travel insurance agent's compliance with the insurance laws, rules, and regulations of the Commonwealth is removed for any reason and a new designated licensed producer has not been appointed. The Commission shall be notified within 30 calendar days of such removal and of the newly designated licensed producer.

§ 38.2-1888.2. Travel protection plans.

2. The fulfillment materials (i) describe and delineate the travel insurance, travel assistance services, and cancellation fee waivers in the travel protection plan and (ii) include the travel insurance disclosures and the contact information for persons providing travel assistance services and cancellation fee waivers, as applicable.

D. All documents provided to consumers prior to the purchase of travel insurance, including sales materials, advertising materials, and marketing materials, shall be consistent with the travel insurance policy itself, including forms, endorsements, policies, rate filings, and certificates of insurance.

For travel insurance policies or certificates that contain pre-existing condition exclusions, information and an opportunity to learn more about the pre-existing condition exclusions shall be provided any time prior to the time of purchase and in the coverage's fulfillment materials.

The fulfillment materials and the information described in subdivision 2 of § 38.2-1888.2 shall be provided to a primary policyholder or primary certificate holder as soon as practicable following the purchase of a travel protection plan. E. The company shall disclose in the policy documentation and fulfillment materials whether the travel insurance is primary or secondary to other applicable coverage.

F. Where travel insurance is marketed directly to a consumer through an insurer's website or by others through an aggregator site, it shall not be an unfair trade practice or other violation of law where an accurate summary or short description of coverage is provided on the web page, so long as the consumer has access to the full provisions of the policy through electronic means.

G. No person offering, soliciting, or negotiating travel insurance or travel protection plans on an individual or group basis may do so by using negative option or opt out that would require a consumer to take an affirmative action to deselect coverage, such as unchecking a box on an electronic form when the consumer purchases a trip.

H. It shall be an unfair trade practice to market blanket travel insurance coverage as free.

I. Where a consumer's destination jurisdiction requires insurance coverage, it shall not be an unfair trade practice to require that a consumer choose between the following options as a condition of purchasing a trip or travel package:

1. Purchasing the coverage required by the destination jurisdiction through the travel retailer or limited lines travel insurance agent supplying the trip or travel package; or

2. Agreeing to obtain and provide proof of coverage that meets the destination jurisdiction's requirements prior to departure.

§ 38.2-1888.4. Travel administrators.

1. Is a licensed property and casualty insurance agent in the Commonwealth for activities permitted under that agent license; or

2. Holds a valid managing general agent (MGA) license in the Commonwealth.

B. B. Travel insurance may be in the form of an individual, group, or blanket policy.

C. A travel insurer shall (i) document the state of residence or principal place of business of the primary policyholder or primary certificate holder and (ii) report as premium only the amount allocable to travel insurance and not any amounts received for travel assistance services or cancellation fee waivers.

A. For purposes of this article, Virginia taxable income for a taxable year means the federal taxable income and any other income taxable to the corporation under federal law for such year of a corporation adjusted as provided in subsections B, C, D, and E.

For a regulated investment company and a real estate investment trust, such term means the "investment company taxable income" and "real estate investment trust taxable income," respectively, to which shall be added in each case any amount of capital gains and any other income taxable to the corporation under federal law which shall be further adjusted as provided in subsections B, C, D, and E.

B. There shall be added to the extent excluded from federal taxable income:

1. Interest, less related expenses to the extent not deducted in determining federal taxable income, on obligations of any state other than Virginia, or of a political subdivision of any such other state unless created by compact or agreement to which the Commonwealth is a party;

2. Interest or dividends, less related expenses to the extent not deducted in determining federal taxable income, on obligations or securities of any authority, commission or instrumentality of the United States, which the laws of the United States exempt from federal income tax but not from state income taxes;

3. [Repealed.]

4. The amount of any net income taxes and other taxes, including franchise and excise taxes, which are based on, measured by, or computed with reference to net income, imposed by the Commonwealth or any other taxing jurisdiction, to the extent deducted in determining federal taxable income;

5. Unrelated business taxable income as defined by § 512 of the Internal Revenue Code;

6. [Repealed.]

7. The amount required to be included in income for the purpose of computing the partial tax on an accumulation distribution pursuant to § 667 of the Internal Revenue Code;

This addition shall not be required for any portion of the intangible expenses and costs if one of the following applies:

(1) The corresponding item of income received by the related member is subject to a tax based on or measured by net income or capital imposed by Virginia, another state, or a foreign government that has entered into a comprehensive tax treaty with the United States government;

(2) The related member derives at least one-third of its gross revenues from the licensing of intangible property to parties who are not related members, and the transaction giving rise to the expenses and costs between the corporation and the related member was made at rates and terms comparable to the rates and terms of agreements that the related member has entered into with parties who are not related members for the licensing of intangible property; or

(3) The corporation can establish to the satisfaction of the Tax Commissioner that the intangible expenses and costs meet both of the following: (i) the related member during the same taxable year directly or indirectly paid, accrued or incurred such portion to a person who is not a related member, and (ii) the transaction giving rise to the intangible expenses and costs between the corporation and the related member did not have as a principal purpose the avoidance of any portion of the tax due under this chapter.

b. A corporation required to add to its federal taxable income intangible expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of intangible expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such intangible expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

c. Nothing in subdivision B 8 shall be construed to limit or negate the Department's authority under § 58.1-446;

9. a. For taxable years beginning on and after January 1, 2004, the amount of any interest expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect

transactions with one or more related members to the extent such expenses and costs were deductible or deducted in computing federal taxable income for Virginia purposes. This addition shall not be required for any portion of the interest expenses and costs, if:

(1) The related member has substantial business operations relating to interest-generating activities, in which the related member pays expenses for at least five full-time employees who maintain, manage, defend or are otherwise responsible for operations or administration relating to the interest-generating activities; and

(2) The interest expenses and costs are not directly or indirectly for, related to or in connection with the direct or indirect acquisition, maintenance, management, sale, exchange, or disposition of intangible property; and

(3) The transaction giving rise to the expenses and costs between the corporation and the related member has a valid business purpose other than the avoidance or reduction of taxation and payments between the parties are made at arm's length rates and terms; and

(4) One of the following applies:

(iii) The related member engages in transactions with parties other than related members that generate revenue in excess of \$2 million annually; or

(iv) The transaction giving rise to the interest payments between the corporation and a related member was done at arm's length rates and terms and meets any of the following: (a) the related member uses funds that are borrowed from a party other than a related member or that are paid, incurred or passed-through to a person who is not a related member; (b) the debt is part of a regular and systematic funds management or portfolio investment activity conducted by the related member, whereby the funds of two or more related members are aggregated for the purpose of achieving economies of scale, the internal financing of the active business operations of members, or the benefit of centralized management of funds; (c) financing the expansion of the business operations; or (d) restructuring the debt of related members, or the pass-through of acquisition-related indebtedness to related members.

b. A corporation required to add to its federal taxable income interest expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

CHAPTER 272

An Act to amend and reenact § 58.1-439.12:04 of the Code of Virginia, relating to income tax credits; housing choice vouchers; eligible housing areas.

[S 1656]

Approved March 8, 2019

Be it enacted by the General Assembly of Virginia:**1. That § 58.1-439.12:04 of the Code of Virginia is amended and reenacted as follows:****§ 58.1-439.12:04. Tax credit for participating landlords.**

A. As used in this section, unless the context clearly shows otherwise, the term or phrase:

"Dwelling unit" means an individual housing unit in an apartment building, an individual housing unit in multifamily residential housing, a single-family residence, or any similar individual housing unit.

"Eligible housing area" means a census tract in the Richmond Metropolitan Statistical ~~area~~ *Area or the Virginia Beach-Norfolk-Newport News Metropolitan Statistical Area* in which less than 10 percent of the residents live below the poverty level, as defined by the United States government and determined by the most recent United States census.

"Housing authority" means a housing authority created under Article 1 (§ 36-1 et seq.) of Chapter 1 of Title 36 of ~~this Code~~ or other government agency that is authorized by the United States government under the United States Housing Act of 1937 (42 U.S.C. § 1437 et seq.) to administer a housing choice voucher program, or the authorized agent of such a housing authority that is authorized to act upon that authority's behalf. The term shall also include the Virginia Housing Development Authority.

"Housing choice voucher" means tenant-based assistance by a housing authority pursuant to 42 U.S.C. § 1437f et seq.

"Participating landlord" means any person engaged in the business of the rental of dwelling units who is (i) subject to the Virginia Residential Landlord and Tenant Act (§ 55-248.2 et seq.) and (ii) performing obligations under a contract with a housing authority relating to the rental of qualified housing units.

"Qualified housing unit" means a dwelling unit that is located in an eligible housing area for which a portion of the rent is paid by a housing authority, which payment is pursuant to a housing choice voucher program.

B. For taxable years beginning on or after January 1, 2010, a participating landlord renting a qualified housing unit shall be eligible for a credit against the tax levied pursuant to § 58.1-320 or 58.1-400 in an amount equal to 10 percent of the fair market value of the rent for the unit, computed for that portion of the taxable year in which the unit was rented by such landlord to a tenant participating in a housing choice voucher program. The Department of Housing and Community Development shall administer and issue the tax credit under this section. If (i) the same parcel of real property contains four or more dwelling units and (ii) the total number of qualified housing units on the parcel in the relevant taxable year exceeds 25 percent of the total dwelling units on the parcel, then the tax credit under this section shall apply only to a limited number of qualified housing units with regard to such parcel of real property, with the limited number being equal to 25 percent of the total dwelling units on such parcel of real property in the taxable year.

C. The Department of Housing and Community Development shall issue tax credits under this section on a fiscal year basis. The maximum amount of tax credits that may be issued under this section in each fiscal year shall be \$250,000.

D. Participating landlords shall apply to the Department of Housing and Community Development for tax credits under this section. The Department of Housing and Community Development shall determine the credit amount allowable to the participating landlord for the taxable year and shall also determine the fair market value of the rent for the qualified housing unit based on the fair market rent approved by the United States Department of Housing and Urban Development as the basis for the tenant-based assistance provided through the housing choice voucher program for the qualified housing unit. In issuing tax credits under this section, the Department of Housing and Community Development shall provide a

written certification to the participating landlord, which certification shall report the amount of the tax credit approved by the Department. The participating landlord shall attach the certification to the applicable income tax return.

E. The Board of Housing and Community Development shall establish and issue guidelines for purposes of implementing the provisions of this section. The guidelines shall provide for the allocation of tax credits among participating landlords requesting credits. The guidelines shall be exempt from the Administrative Process Act (§ 2.2-4000 et seq.).

F. In no case shall the amount of credit taken by a participating landlord for any taxable year exceed the total amount of tax imposed by this chapter for the taxable year. If the amount of credit issued by the Department of Housing and Community Development for a taxable year exceeds the landlord's tax liability imposed by this chapter for such taxable year, then the amount that exceeds the tax liability may be carried over for credit against the income taxes of the participating landlord in the next five taxable years or until the total amount of the tax credit issued has been taken, whichever is sooner. Credits granted to a partnership, limited liability company, or electing small business corporation (S corporation) shall be allocated to the individual partners, members, or shareholders, respectively, in proportion to their ownership or interest in such business entities.

G. In the event that the amount of the qualified requests for tax credits for participating landlords in the fiscal year exceeds \$250,000, the Department of Housing and Community Development shall pro rate the tax credits among the qualified applicants.

CHAPTER 274

An Act to amend and reenact § 2.2-4302.2 of the Code of Virginia, relating to the Virginia Public Procurement Act; request for proposals; publication.

[H 1629]

Approved March 8, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 2.2-4302.2 of the Code of Virginia is amended and reenacted as follows:

§ 2.2-4302.2. Process for competitive negotiation.

A. The process for competitive negotiation shall include the following:

1. Issuance of a written Request for Proposal indicating in general terms that which is sought to be procured, specifying the factors that will be used in evaluating the proposal, indicating whether a numerical scoring system will be used in evaluation of the proposal, and containing or incorporating by reference the other applicable contractual terms and conditions, including any unique capabilities, specifications or qualifications that will be required. In the event that a numerical scoring system will be used in the evaluation of proposals, the point values assigned to each of the evaluation criteria shall be included in the Request for Proposal or posted at the location designated for public posting of procurement notices prior to the due date and time for receiving proposals. No Request for Proposal for construction authorized by this chapter shall condition a successful offeror's eligibility on having a specified experience modification factor;

2. Public notice of the Request for Proposal at least 10 days prior to the date set for receipt of proposals by posting on the Department of General Services' central electronic procurement website or other appropriate websites. ~~Additionally, public~~ ~~public~~ ~~Public~~ ~~bodies~~ ~~shall~~ ~~may~~ ~~also~~ ~~publish~~ ~~in~~ ~~a~~ ~~newspaper~~ ~~of~~ ~~general~~ ~~circulation~~ ~~in~~ ~~the~~ ~~area~~ ~~in~~ ~~which~~ ~~the~~ ~~contract~~ ~~is~~ ~~to~~ ~~be~~ ~~performed~~ ~~so~~ ~~as~~ ~~to~~ ~~provide~~ ~~reasonable~~ ~~notice~~ ~~to~~ ~~the~~ ~~maximum~~ ~~number~~ ~~of~~ ~~offerors~~ ~~that~~ ~~can~~ ~~be~~ ~~reasonably~~ ~~anticipated~~ ~~to~~ ~~submit~~ ~~proposals~~ ~~in~~ ~~response~~ ~~to~~ ~~the~~ ~~particular~~ ~~request~~. Posting on the Department of General Services' central electronic procurement website shall be required of (i) any state public body and (ii) any local public body if such local public body

elects not to publish notice of the Request for Proposal in a newspaper of general circulation in the area in which the contract is to be performed. Local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities. In addition, proposals may be solicited directly from potential contractors. Any additional solicitations shall include certified businesses selected from a list made available by the Department of Small Business and Supplier Diversity; and

3. For goods, nonprofessional services, and insurance, selection shall be made of two or more offerors deemed to be fully qualified and best suited among those submitting proposals, on the basis of the factors involved in the Request for Proposal, including price if so stated in the Request for Proposal. In the case of a proposal for information technology, as defined in § 2.2-2006, a public body shall not require an offeror to state in a proposal any exception to any liability provisions contained in the Request for Proposal. Negotiations shall then be conducted with each of the offerors so selected. The offeror shall state any exception to any liability provisions contained in the Request for Proposal in writing at the beginning of negotiations, and such exceptions shall be considered during negotiation. Price shall be considered, but need not be the sole or primary determining factor. After negotiations have been conducted with each offeror so selected, the public body shall select the offeror which, in its opinion, has made the best proposal and provides the best value, and shall award the contract to that offeror. When the terms and conditions of multiple awards are so provided in the Request for Proposal, awards may be made to more than one offeror. Should the public body determine in writing and in its sole discretion that only one offeror is fully qualified, or that one offeror is clearly more highly qualified than the others under consideration, a contract may be negotiated and awarded to that offeror; or

4. For professional services, the public body shall engage in individual discussions with two or more offerors deemed fully qualified, responsible and suitable on the basis of initial responses and with emphasis on professional competence, to provide the required services. Repetitive informal interviews shall be permissible. The offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed project, as well as alternative concepts. In addition, offerors shall be informed of any ranking criteria that will be used by the public body in addition to the review of the professional competence of the offeror. The Request for Proposal shall not, however, request that offerors furnish estimates of man-hours or cost for services. At the discussion stage, the public body may discuss nonbinding estimates of total project costs, including, but not limited to, life-cycle costing, and where appropriate, nonbinding estimates of price for services. In accordance with § 2.2-4342, proprietary information from competing offerors shall not be disclosed to the public or to competitors. For architectural or engineering services, the public body shall not request or require offerors to list any exceptions to proposed contractual terms and conditions, unless such terms and conditions are required by statute, regulation, ordinance, or standards developed pursuant to § 2.2-1132, until after the qualified offerors are ranked for negotiations. At the conclusion of discussion, outlined in this subdivision, on the basis of evaluation factors published in the Request for Proposal and all information developed in the selection process to this point, the public body shall select in the order of preference two or more offerors whose professional qualifications and proposed services are deemed most meritorious.

Negotiations shall then be conducted, beginning with the offeror ranked first. If a contract satisfactory and advantageous to the public body can be negotiated at a price considered fair and reasonable and pursuant to contractual terms and conditions acceptable to the public body, the award shall be made to that offeror. Otherwise, negotiations with the offeror ranked first shall be formally terminated and negotiations conducted with the offeror ranked second, and so on until such a contract can be negotiated at a fair and reasonable price.

Notwithstanding the foregoing, if the terms and conditions for multiple awards are included in the Request for Proposal, a public body may award contracts to more than one offeror.

Should the public body determine in writing and in its sole discretion that only one offeror is fully qualified or that one offeror is clearly more highly qualified and suitable than the others under consideration, a contract may be negotiated and awarded to that offeror.

B. Multiphase professional services contracts satisfactory and advantageous to the completion of large, phased, or long-term projects may be negotiated and awarded based on a fair and reasonable price for the first phase only, where the completion of the earlier phases is necessary to provide information critical to the negotiation of a fair and reasonable price for succeeding phases. Prior to entering into any such contract, the public body shall (i) state the anticipated intended total scope of the project and (ii) determine in writing that the nature of the work is such that the best interests of the public body require awarding the contract.

For the purposes of subdivision A 1, "experience modification factor" means a value assigned to an employer as determined by a rate service organization in accordance with its uniform experience rating plan required to be filed pursuant to subsection D of § 38.2-1913.

CHAPTER 276

An Act to amend and reenact §§ 63.2-1505 and 63.2-1506 of the Code of Virginia, relating to child abuse and neglect; investigations by local boards of social services.

[H 1671]

Approved March 8, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 63.2-1505 and 63.2-1506 of the Code of Virginia are amended and reenacted as follows:

§ 63.2-1505. Investigations by local departments.

A. An investigation requires the collection of information necessary to determine:

1. The immediate safety needs of the child;
2. The protective and rehabilitative services needs of the child and family that will deter abuse or neglect;
3. Risk of future harm to the child;
4. Alternative plans for the child's safety if protective and rehabilitative services are indicated and the family is unable or unwilling to participate in services;
5. Whether abuse or neglect has occurred;
6. If abuse or neglect has occurred, who abused or neglected the child; and
7. A finding of either founded or unfounded based on the facts collected during the investigation.

B. If the local department responds to the report or complaint by conducting an investigation, the local department shall:

1. Make immediate investigation and, if the report or complaint was based upon one of the factors specified in subsection B of § 63.2-1509, the local department may file a petition pursuant to § 16.1-241.3;
2. Complete a report and enter it into the statewide automation system maintained by the Department;
3. Consult with the family to arrange for necessary protective and rehabilitative services to be provided to the child and his family;
4. Petition the court for services deemed necessary including, but not limited to, removal of the child or his siblings from their home;

5. Determine within 45 days if a report of abuse or neglect is founded or unfounded and transmit a report to such effect to the Department and to the person who is the subject of the investigation. However, upon written justification by the local department, the time for such determination may be extended not to exceed a total of 60 days or, in the event that the investigation is being conducted in cooperation with a law-enforcement agency and both parties agree that circumstances so warrant, as stated in the written justification, the time for such determination may be extended not to exceed 90 days. If through the exercise of reasonable diligence the local department is unable to find the child who is the subject of the report,

the time the child cannot be found shall not be computed as part of the total time period allowed for the investigation and determination and documentation of such reasonable diligence shall be placed in the record. In cases involving the death of a child or alleged sexual abuse of a child who is the subject of the report, the time during which records necessary for the investigation of the complaint but not created by the local department, including autopsy or medical or forensic records or reports, are not available to the local department due to circumstances beyond the local department's control shall not be computed as part of the total time period allowed for the investigation and determination, and documentation of the circumstances that resulted in the delay shall be placed in the record. In cases in which the subject of the investigation is a full-time, part-time, permanent, or temporary employee of a school division who is suspected of abusing or neglecting a child in the course of his educational employment, the time period for determining whether a report is founded or unfounded and transmitting a report to that effect to the Department and the person who is the subject of the investigation shall be mandatory, and every local department shall make the required determination and report within the specified time period without delay;

6. If a report of abuse or neglect is unfounded, transmit a report to such effect to the complainant and parent or guardian and the person responsible for the care of the child in those cases where such person was suspected of abuse or neglect; and

7. If a report of child abuse and neglect is founded, and the subject of the report is or was at the time of the investigation or the conduct that led to the report a full-time, part-time, permanent, or temporary employee of a school division located within the Commonwealth, notify the relevant school board of the founded complaint without delay.

Any information exchanged for the purposes of this subsection shall not be considered a violation of § 63.2-102, 63.2-104, or 63.2-105.

C. Each local board may obtain and consider, in accordance with regulations adopted by the Board, statewide criminal history record information from the Central Criminal Records Exchange and *shall obtain and consider* results of a search of the child abuse and neglect central registry of any individual who is the subject of a child abuse or neglect investigation conducted under this section when there is evidence of child abuse or neglect and the local board is evaluating the safety of the home and whether removal will protect a child from harm. *The local board shall determine whether the individual has resided in another state within at least the preceding five years and, if he has resided in another state, the local board shall request a search of the child abuse and neglect registry or equivalent registry maintained by such state.* The local board also may obtain such a criminal records or registry search on all adult household members residing in the home where the individual who is the subject of the investigation resides and the child resides or visits. If a child abuse or neglect petition is filed in connection with such removal, a court may admit such information as evidence. Where the individual who is the subject of such information contests its accuracy through testimony under oath in hearing before the court, no court shall receive or consider the contested criminal history record information without certified copies of conviction. Further dissemination of the information provided to the local board is prohibited, except as authorized by law.

D. A person who has not previously participated in the investigation of complaints of child abuse or neglect in accordance with this chapter shall not participate in the investigation of any case involving a complaint of alleged sexual abuse of a child unless he (i) has completed a Board-approved training program for the investigation of complaints involving alleged sexual abuse of a child or (ii) is under the direct supervision of a person who has completed a Board-approved training program for the investigation of complaints involving alleged sexual abuse of a child. No individual may make a determination of whether a case involving a complaint of alleged sexual abuse of a child is founded or unfounded unless he has completed a Board-approved training program for the investigation of complaints involving alleged sexual abuse of a child.

§ 63.2-1506. Family assessments by local departments.

A. A family assessment requires the collection of information necessary to determine:

1. The immediate safety needs of the child;
2. The protective and rehabilitative services needs of the child and family that will deter abuse or neglect;
3. Risk of future harm to the child;
4. Whether the mother of a child who was exposed in utero to a controlled substance sought substance abuse counseling or treatment prior to the child's birth; and
5. Alternative plans for the child's safety if protective and rehabilitative services are indicated and the family is unable or unwilling to participate in services.

B. When a local department has been designated as a child-protective services differential response system participant by the Department pursuant to § 63.2-1504 and responds to the report or complaint by conducting a family assessment, the local department shall:

1. Conduct an immediate family assessment and, if the report or complaint was based upon one of the factors specified in subsection B of § 63.2-1509, the local department may file a petition pursuant to § 16.1-241.3;

2. *Obtain and consider the results of a search of the child abuse and neglect registry for any individual who is the subject of a family assessment. The local board shall determine whether the individual has resided in another state within at least the preceding five years, and, if he has resided in another state, the local board shall request a search of the child abuse and neglect registry or equivalent registry maintained by such state. The local board also may obtain and consider, in accordance with regulations of the Board, statewide criminal history record information from the Central Criminal Records Exchange for any individual who is the subject of a family assessment;*

3. Immediately contact the subject of the report and the family of the child alleged to have been abused or neglected and give each a written and an oral explanation of the family assessment procedure. The family assessment shall be in writing and shall be completed in accordance with Board regulation;

~~4~~ 4. Complete the family assessment within 45 days and transmit a report to such effect to the Department and to the person who is the subject of the family assessment. However, upon written justification by the local department, the family assessment may be extended, not to exceed a total of 60 days;

~~5~~ 5. Consult with the family to arrange for necessary protective and rehabilitative services to be provided to the child and his family. Families have the option of declining the services offered as a result of the family assessment. If the family declines the services, the case shall be closed unless the local department determines that sufficient cause exists to redetermine the case as one that needs to be investigated. In no instance shall a case be redetermined as an investigation solely because the family declines services;

~~6~~ 6. Petition the court for services deemed necessary;

~~7~~ 7. Make no disposition of founded or unfounded for reports in which a family assessment is completed. Reports in which a family assessment is completed shall not be entered into the central registry contained in § 63.2-1515; and

~~8~~ 8. Commence an immediate investigation, if at any time during the completion of the family assessment, the local department determines that an investigation is required.

C. When a local department has been designated as a child-protective services differential response agency by the Department, the local department may investigate any report of child abuse or neglect, but the following valid reports of child abuse or neglect shall be investigated: (i) sexual abuse, (ii) child fatality, (iii) abuse or neglect resulting in serious injury as defined in § 18.2-371.1, (iv) cases involving a child's being left alone in the same dwelling with a person to whom the child is not related by blood or marriage and who has been convicted of an offense against a minor for which registration is required as a violent sexual offender pursuant to § 9.1-902, (v) child has been taken into the custody of the local department, or (vi) cases involving a caretaker at a state-licensed child day center, religiously exempt child day center, licensed, registered or approved family day home, private or public school, hospital or any institution. If a report or complaint is based upon one of the factors specified in subsection B of § 63.2-1509, the local department shall (a) conduct a family assessment, unless an investigation is required pursuant to this subsection or other provision of law or is necessary to protect the safety of the child, and (b) develop a plan of safe care in accordance with federal law, regardless of whether the local department makes a finding of abuse or neglect.

A voter's failure to provide the date, or any part of the date, including the year, on which he signed the statement printed on the back of the envelope shall not be considered a material omission and shall not render his ballot void. Any such location shall be in a public building owned or leased by the city, the county, or a town within the county, with

The interpreting physician may require that the mammogram be retaken if, in the opinion of the physician, the study is of inadequate quality. Such guidelines shall also require the licensed facility or physician's office where mammography services are performed to (i) include information on breast density in mammogram letters sent to patients pursuant to regulations implementing the Mammography Quality Standards Act promulgated by the U.S. Food and Drug Administration, and (ii) include in letters sent to patients determined by the interpreting physician to have heterogeneously dense or extremely dense tissue, as defined in nationally recognized guidelines or systems for breast imaging reporting of mammography screening, including the Breast Imaging Reporting and Data System (BI-RADS) of the

"YOUR MAMMOGRAM DEMONSTRATES THAT YOU HAVE DENSE BREAST TISSUE. DENSE BREAST TISSUE IS VERY COMMON AND IS NOT ABNORMAL. HOWEVER, DENSE BREAST TISSUE CAN MAKE IT HARDER TO FIND CANCER ON A MAMMOGRAM AND MAY ALSO BE ASSOCIATED WITH AN INCREASED RISK OF BREAST CANCER.

THIS INFORMATION IS GIVEN TO YOU TO RAISE YOUR AWARENESS. USE THIS INFORMATION TO TALK TO YOUR DOCTOR ABOUT YOUR OWN RISKS FOR BREAST CANCER. AT THAT TIME, ASK YOUR DOCTOR IF MORE SCREENING TESTS MIGHT BE USEFUL BASED ON YOUR RISK.

The system shall provide at a minimum a roster of all employees in the service of the Commonwealth, in which there shall be set forth as to each employee, the employing agency, the class title, pay, status and such other data as may be deemed desirable to produce significant facts pertaining to personnel administration.

4. Establish and direct a program of employee-management relations designed to improve communications between employees and agencies of the Commonwealth.

In no event shall workers' compensation leave affect the total number of hours credited during a performance cycle for purposes of calculating incentive increases in salary based on such performance evaluations.

6. Establish and administer a system of recruitment designed to attract high quality employees to the service of the Commonwealth. In administering this system, applicants shall be rated on the basis of relative merit and classified in accordance with their suitability for the various classes of positions in the service of the Commonwealth, and a record thereof shall be maintained in the open register.

7. Design and utilize an application form which shall include, but not be limited to, information on prior volunteer work performed by the applicant.

8. Establish and administer a comprehensive and integrated program of employee training and management development.

10. Establish and administer a program to ensure equal employment opportunity to applicants for state employment and to state employees in all incidents of employment.

11. Establish and administer regulations relating to disciplinary actions; however, no disciplinary action shall include the suspension without pay for more than 10 days of any state employee who is under investigation without a hearing conducted either by a level of supervision above the employee's immediate supervisor or by his agency head.

12. Adopt and implement a centralized program to provide awards to employees who propose procedures or ideas that are adopted and that will result in eliminating or reducing state expenditures or improving operations, provided such proposals are placed in effect. The centralized program shall be designed to (i) protect the identity of the individual making the proposal while it is being evaluated for implementation by a state agency, (ii) publicize the acceptance of proposals and financial awards to state employees, and (iii) include a reevaluation process that individuals making proposals may access if their proposals are rejected by the evaluating agency. The reevaluation process must include individuals from the private

sector. State employees who make a suggestion or proposal under this section shall receive initial confirmation of receipt within 30 days. A determination of the feasibility of the suggestion or proposal shall occur within 60 days of initial receipt.

13. Develop state personnel policies and, after approval by the Governor, disseminate and interpret state personnel policies and procedures to all agencies. Such personnel policies shall permit an employee, with the written approval of his agency head, to substitute (i) up to 33 percent of his accrued paid sick leave, (ii) up to 100 percent of any other paid leave, or (iii) any combination of accrued paid sick leave and any other paid leave for leave taken pursuant to the Family and Medical Leave Act of 1993 (29 U.S.C. § 2601 et seq.). At a minimum, the Department's acceptable use policy shall contain provisions that (i) prohibit use by state employees of the Commonwealth's computer equipment and communications services for sending, receiving, viewing, or downloading illegal material via the Internet and (ii) establish strict disciplinary measures for violation of the acceptable use policy. An agency head may supplement the Department's acceptable use policy with such other terms, conditions, and requirements as he deems appropriate. The Director of the Department shall have the final authority to establish and interpret personnel policies and procedures and shall have the authority to ensure full compliance with such policies. However, unless specifically authorized by law, the Director of the Department shall have no authority with respect to the state grievance procedures.

13a. Develop state personnel policies, with the approval of the Governor, that permit any full-time state employee who is also a member of the organized reserve forces of any of the armed services of the United States or of the Virginia National Guard to carry forward from year to year the total of his accrued annual leave time without regard to the regulation or policy of his agency regarding the maximum number of hours allowed to be carried forward at the end of a calendar year. Any amount over the usual amount allowed to be carried forward shall be reserved for use only as leave taken pursuant to active military service as provided by § 2.2-2903.1. Such leave and its use shall be in addition to leave provided under § 44-93. Any leave carried forward for the purposes described remaining upon termination of employment with the Commonwealth or any department, institution or agency thereof that has not been used in accordance with § 2.2-2903.1 shall not be paid or credited in any way to the employee.

Such break time shall, if possible, run concurrently with any break time already provided to the employee. An agency shall not be required to compensate an employee receiving reasonable break time for any work time spent for such purpose. For purposes of this subdivision, "reasonable," with regard to break time provided for nursing mothers to express breast milk, means a break time that complies with the guidance for employers in assessing the frequency and timing of breaks to express breast milk set forth in the U.S. Department of Labor's Request for Information RIN 1235-ZA00, 75 Federal Register 80073 (December 21, 2010).

Ascertain and publish on an annual basis, by agency, the number of employees in the service of the Commonwealth, including permanent full-time and part-time employees, those employed on a temporary or contractual basis, and constitutional officers and their employees whose salaries are funded by the Commonwealth. The publication shall contain the net gain or loss to the agency in personnel from the previous fiscal year and the net gains and losses in personnel for each agency for a three-year period.

15. Submit a report to the members of the General Assembly on or before September 30 of each year showing (i) the total number of full-time and part-time employees, (ii) contract temporary employees, (iii) hourly temporary employees, and (iv) the number of employees who voluntarily and involuntarily terminated their employment with each department, agency or institution in the previous fiscal year.

In any case in which (i) a local board of social services places a child through an agreement with the parents or guardians where legal custody remains with the parents or guardian, or (ii) legal custody of a child is given to a local board of social services or a child welfare agency, the local department of social services or child welfare agency shall prepare a foster care plan for such child, as described hereinafter. The individual family service plan developed by the family assessment and planning team pursuant to § 2.2-5208 may be accepted by the court as the foster care plan if it meets the requirements of this section.

The representatives of such department or agency shall involve the child's parent(s) in the development of the plan, except when parental rights have been terminated or the local department of social services or child welfare agency has made diligent efforts to locate the parent(s) and such parent(s) cannot be located, and any other person or persons standing in loco parentis at the time the board or child welfare agency obtained custody or the board placed the child. The representatives of such department or agency shall involve a child who is 14 years of age or older in the development of the plan and, at the option of such child, up to two members of the case planning team who are chosen by the child and who are not a foster parent of, or caseworker for, the child. A child under 14 years of age may be involved in the development of the plan if such involvement is consistent with the best interests of the child. In cases where either the parent(s) or child is not involved in the development of the plan, the department or agency shall include in the plan a full description of the reasons therefor.

The department or child welfare agency shall file the plan with the juvenile and domestic relations district court within 45 days following the transfer of custody or the board's placement of the child unless the court, for good cause shown, allows an extension of time, which shall not exceed an additional 60 days. However, a foster care plan shall be filed in accordance with the provisions of § 16.1-277.01 with a petition for approval of an entrustment agreement. A foster care plan need not be prepared if the child is returned to his prior family or placed in an adoptive home within 45 days following transfer of custody to the board or agency or the board's placement of the child.

B. The foster care plan shall describe in writing (i) the programs, care, services and other support which will be offered to the child and his parents and other prior custodians; (ii) the participation and conduct which will be sought from the child's parents and other prior custodians; (iii) the visitation and other contacts which will be permitted between the child and his parents and other prior custodians, and between the child and his siblings; (iv) the nature of the placement or

If the child in foster care is pregnant or is the parent of a child, the foster care plan shall also include (a) a list of the services and programs to be provided to or on behalf of the child to ensure parental readiness or capability and (b) a description of the foster care prevention strategy for any child born to the child in foster care.* In cases in which a foster care plan approved prior to July 1, 2011, identifies independent living as the goal for the child, and in cases involving children admitted to the United States as refugees or asylees who are 16 years of age or older and for whom the goal is independent living, the plan shall also describe the programs and services which will help the child prepare for the transition from foster care to independent living. If consistent with the child's health and safety, the plan shall be designed to support reasonable efforts which lead to the return of the child to his parents or other prior custodians within the shortest practicable time which shall be specified in the plan. The child's health and safety shall be the paramount concern of the court and the agency throughout the placement, case planning, service provision and review process. For a child 14 years of age and older, the plan shall include a signed acknowledgment by the child that the child has received a copy of the plan and that the rights contained therein have been explained to the child in an age-appropriate manner.

If the department or child welfare agency concludes that it is not reasonably likely that the child can be returned to his prior family within a practicable time, consistent with the best interests of the child, the department, child welfare agency or team shall ~~(a)~~ (1) include a full description of the reasons for this conclusion; ~~(b)~~ (2) provide information on the opportunities for placing the child with a relative or in an adoptive home; ~~(c)~~ (3) design the plan to lead to the child's successful placement with a relative if a subsequent transfer of custody to the relative is planned, or in an adoptive home within the shortest practicable time; and (4) if neither of such placements is feasible; ~~(d)~~, explain why permanent foster care is the plan for the child or independent living is the plan for the child in cases involving children admitted to the United States as refugees or asylees who are 16 years of age or older and for whom the goal is independent living.

"Independent living" as used in this section has the meaning set forth in § 63.2-100.

The local board or other child welfare agency having custody of the child shall not be required by the court to make reasonable efforts to reunite the child with a parent if the court finds that ~~(1)~~ (A) the residual parental rights of the parent regarding a sibling of the child have previously been involuntarily terminated; ~~(2)~~ (B) the parent has been convicted of an offense under the laws of the Commonwealth or a substantially similar law of any other state, the United States or any foreign jurisdiction that constitutes murder or voluntary manslaughter, or a felony attempt, conspiracy or solicitation to commit any such offense, if the victim of the offense was a child of the parent, a child with whom the parent resided at the time such offense occurred or the other parent of the child; ~~(3)~~ (C) the parent has been convicted of an offense under the laws of the Commonwealth or a substantially similar law of any other state, the United States or any foreign jurisdiction that constitutes felony assault resulting in serious bodily injury or felony bodily wounding resulting in serious bodily injury or felony sexual assault, if the victim of the offense was a child of the parent or a child with whom the parent resided at the time of such offense; or ~~(4)~~ (D) based on clear and convincing evidence, the parent has subjected any child to aggravated circumstances, or abandoned a child under circumstances which would justify the termination of residual parental rights pursuant to subsection D of § 16.1-283.

As used in this section:

"Aggravated circumstances" means torture, chronic or severe abuse, or chronic or severe sexual abuse, if the victim of such conduct was a child of the parent or child with whom the parent resided at the time such conduct occurred, including the failure to protect such a child from such conduct, which conduct or failure to protect: (i) evinces a wanton or depraved indifference to human life, or (ii) has resulted in the death of such a child or in serious bodily injury to such a child.

"Independent living" has the meaning set forth in § 63.2-100.

"Severe abuse" or "severe sexual abuse" may include an act or omission that occurred only once, but otherwise meets the definition of "aggravated circumstances."

Within 30 days of making a determination that reasonable efforts to reunite the child with the parents are not required, the court shall hold a permanency planning hearing pursuant to § 16.1-282.1.

C. A copy of the entire foster care plan shall be sent by the court to the child, if he is 12 years of age or older; the guardian ad litem for the child, the attorney for the child's parents or for any other person standing in loco parentis at the time the board or child welfare agency obtained custody or the board placed the child, to the parents or other person standing in loco parentis, and such other persons as appear to the court to have a proper interest in the plan. However, a copy of the plan shall not be sent to a parent whose parental rights regarding the child have been terminated. A copy of the plan

shall be sent by the court to the foster parents. A hearing shall be held for the purpose of reviewing and approving the foster care plan. The hearing shall be held within 60 days of (i) the child's initial foster care placement, if the child was placed through an agreement between the parents or guardians and the local department of social services or a child welfare agency; (ii) the original preliminary removal order hearing, if the child was placed in foster care pursuant to § 16.1-252; (iii) the hearing on the petition for relief of custody, if the child was placed in foster care pursuant to § 16.1-277.02; or (iv) the dispositional hearing at which the child was placed in foster care and an order was entered pursuant to § 16.1-278.2, 16.1-278.3, 16.1-278.4, 16.1-278.5, 16.1-278.6, or 16.1-278.8. However, the hearing shall be held in accordance with the provisions of § 16.1-277.01 with a petition for approval of an entrustment agreement. If the judge makes any revision in any part of the foster care plan, a copy of the changes shall be sent by the court to all persons who received a copy of the original of that part of the plan.

C1. Any order transferring custody of the child to a relative other than the child's prior family shall be entered only upon a finding, based upon a preponderance of the evidence, that the relative is one who, after an investigation as directed by the court, (i) is found by the court to be willing and qualified to receive and care for the child; (ii) is willing to have a positive, continuous relationship with the child; (iii) is committed to providing a permanent, suitable home for the child; and (iv) is willing and has the ability to protect the child from abuse and neglect; and the order shall so state. The court's order transferring custody to a relative should further provide for, as appropriate, any terms or conditions which would promote the child's interest and welfare; ongoing provision of social services to the child and the child's custodian; and court review of the child's placement.

C2. Any order entered at the conclusion of the hearing that has the effect of achieving a permanent goal for the child by terminating residual parental rights pursuant to § 16.1-277.01, 16.1-277.02, 16.1-278.3, or 16.1-283; by placing the child in permanent foster care pursuant to clause (iv) of subsection A of § 16.1-282.1; or, in cases in which independent living was identified as the goal for a child in a foster care plan approved prior to July 1, 2011, or in which a child has been admitted to the United States as a refugee or asylee and is over 16 years of age and independent living has been identified as the permanency goal for the child, by directing the board or agency to provide the child with services to achieve independent living status, if the child has attained the age of 16 years, pursuant to clause (v) of subsection A of § 16.1-282.1 shall state whether reasonable efforts have been made to place the child in a timely manner in accordance with the foster care plan and to complete the steps necessary to finalize the permanent placement of the child.

D. The court in which the foster care plan is filed shall be notified immediately if the child is returned to his parents or other persons standing in loco parentis at the time the board or agency obtained custody or the board placed the child.

E. *1. In cases in which a child is placed by the local board of social services or a licensed child-placing agency in a qualified residential treatment program as defined in § 16.1-228, a hearing shall be held within 60 days of such placement. Prior to such hearing, the qualified residential treatment program shall file with the court the assessment report prepared pursuant to clause (viii) of the definition of qualified residential treatment program set forth in § 16.1-228. The court shall (i) consider the assessment report prepared by a qualified individual pursuant to clause (viii) of the definition of qualified residential treatment program set forth in § 16.1-228 and submitted pursuant to this subsection; (ii) consider the report and documentation required under subsection A of § 63.2-906.1 and filed with the foster care or permanency plan; (iii) determine whether the needs of the child can be met through placement in a foster home or, if not, whether placement in the qualified residential treatment program would provide the most effective and appropriate level of care for the child in the least restrictive environment and be consistent with the short-term and long-term goals established for the child in his foster care or permanency plan; and (iv) approve or deny the placement of the child in the qualified residential treatment program. The hearing required by this subsection may be held in conjunction with a dispositional hearing held pursuant to subsection C, a foster care review hearing held pursuant to § 16.1-282, a permanency planning hearing held pursuant to § 16.1-282.1, or an annual foster care review hearing held pursuant to § 16.1-282.2, provided that such hearing has already been scheduled by the court and is held within 60 days of the child's placement in the qualified residential treatment program.*

2. If the child remains placed in the qualified residential treatment program during any subsequent hearings held pursuant to subsection C or § 16.1-282, 16.1-282.1, or 16.1-282.2, the local board of social services or licensed child-placing agency shall present evidence at such hearing that demonstrates (i) that the ongoing assessment of the child's strengths and needs continues to support the determination that the child's needs cannot be met through placement in a foster home and that the child's placement in the qualified residential treatment program provides the most effective and appropriate level of care for the child in the least restrictive environment and is consistent with the short-term and long-term goals established for the child in his foster care or permanency plan; (ii) the specific treatment or service needs of the child that will be met in the qualified residential treatment program and the length of time the child is expected to need such treatment or services; and (iii) the efforts made by the local board of social services to prepare the child to return home or to be placed with a fit and willing relative, legal guardian, or adoptive parent, or in a foster home. The court shall review such evidence and approve or deny the continued placement of the child in the qualified residential treatment program.

F. At the conclusion of the hearing at which the initial foster care plan is reviewed, the court shall schedule a foster care review hearing to be held within four months in accordance with § 16.1-282. However, if an order is entered pursuant to subsection C2, the court shall schedule a foster care review hearing to be held within 12 months of the entry of such order in accordance with the provisions of § 16.1-282.2. Parties who are present at the hearing at which the initial foster care plan is

reviewed shall be given notice of the date set for the foster care review hearing and parties who are not present shall be summoned as provided in § 16.1-263.

~~¶~~ *G.* Nothing in this section shall limit the authority of the juvenile judge or the staff of the juvenile court, upon order of the judge, to review the status of children in the custody of local boards of social services or placed by local boards of social services on its own motion. The court shall appoint an attorney to act as guardian ad litem to represent the child any time a hearing is held to review the foster care plan filed for the child or to review the child's status in foster care.

§ 16.1-282. Foster care review.

A. In the case of a child who was the subject of a foster care plan filed with the court pursuant to § 16.1-281, a foster care review hearing shall be held within four months of the dispositional hearing at which the foster care plan pursuant to § 16.1-281 was reviewed if the child: ~~(a)~~ (i) was placed through an agreement between the parents or guardians and the local board of social services where legal custody remains with the parents or guardians and such agreement has not been dissolved by court order; or ~~(b)~~ (ii) is under the legal custody of a local board of social services or a child welfare agency and has not had a petition to terminate parental rights granted, filed or ordered to be filed on the child's behalf; has not been placed in permanent foster care; or is age 16 or over and the plan for the child is not independent living.

Any interested party, including the parent, guardian or person who stood in loco parentis prior to the board's placement of the child or the board's or child welfare agency's assumption of legal custody, may file with the court the petition for a foster care review hearing hereinafter described at any time after the initial foster care placement of the child. However, the board or child welfare agency shall file the petition within three months of the dispositional hearing at which the foster care plan was reviewed pursuant to § 16.1-281.

B. The petition shall:

1. Be filed in the court in which the foster care plan for the child was reviewed and approved. Upon the order of such court, however, the petition may be filed in the court of the county or city in which the board or child welfare agency having legal custody or having placed the child has its principal office or where the child resides;

2. State, if such is reasonably obtainable, the current address of the child's parents and, if the child was in the custody of a person or persons standing in loco parentis at the time the board or child welfare agency obtained legal custody or the board placed the child, of such person or persons;

3. Describe the placement or placements provided for the child while in foster care and the services or programs offered to the child and his parents and, if applicable, the persons previously standing in loco parentis;

4. Describe the nature and frequency of the contacts between the child and his parents and, if applicable, the persons previously standing in loco parentis;

5. Set forth in detail the manner in which the foster care plan previously filed with the court was or was not complied with and the extent to which the goals thereof have been met; and

6. Set forth the disposition sought and the grounds therefor; however, in the case of a child who has attained age 16 and for whom the plan is independent living, the foster care plan shall be included and shall address the services needed to assist the child to transition from foster care to independent living.

C. Upon receipt of the petition filed by the board, child welfare agency, or any interested party as provided in subsection B of this section, the court shall schedule a hearing to be held within 30 days if a hearing was not previously scheduled. The court shall provide notice of the hearing and a copy of the petition to the following, each of whom shall be a party entitled to participate in the proceeding:

1. The child, if he is 12 years of age or older;

2. The attorney-at-law representing the child as guardian ad litem;

3. The child's parents and, if the child was in the custody of a person standing in loco parentis at the time the department obtained custody, such person or persons. No such notification shall be required, however, if the judge certifies on the record that the identity of the parent or guardian is not reasonably ascertainable. An affidavit of the mother that the identity of the father is not reasonably ascertainable shall be sufficient evidence of this fact, provided there is no other evidence before the court which would refute such an affidavit. If the parent or guardian of the child did not appear at the dispositional hearing and was not noticed to return for the foster care review hearing in accordance with subsection ~~E~~ *F* of § 16.1-281, the parent or guardian shall be summoned to appear at the foster care review hearing in accordance with § 16.1-263. The review hearing shall be held pursuant to this section although a parent or guardian fails to appear and is not represented by counsel, provided personal or substituted service was made on the parent or guardian, or the court determines that such person cannot be found, after reasonable effort, or in the case of a person who is without the Commonwealth, the person cannot be found or his post office address cannot be ascertained after reasonable effort;

4. The foster parent or foster parents or other care providers of the child;

5. The petitioning board or child welfare agency; and

6. Such other persons as the court, in its discretion, may direct. The local board of social services or other child welfare agency shall identify for the court such other persons as have a legitimate interest in the hearing, including, but not limited to, preadoptive parents for a child in foster care.

D. In cases in which a child is placed by the local board of social services or a licensed child-placing agency in a qualified residential treatment program as defined in § 16.1-228, the provisions of subsection E of § 16.1-281 shall apply to any hearing held pursuant to this section.

E. At the conclusion of the hearing, the court shall, upon the proof adduced in accordance with the best interests of the child and subject to the provisions of subsection ~~D~~ *F*, enter any appropriate order of disposition consistent with the dispositional alternatives available to the court at the time of the original hearing. The court order shall state whether reasonable efforts, if applicable, have been made to reunite the child with his parents, guardian or other person standing in loco parentis to the child. Any order entered at the conclusion of this hearing that has the effect of achieving a permanent goal for the child by terminating residual parental rights pursuant to § 16.1-277.01, 16.1-277.02, 16.1-278.3, or 16.1-283; by placing the child in permanent foster care pursuant to ~~subdivision clause (iv) of subsection A~~ *iv* of § 16.1-282.1; or, if the child has attained the age of 16 years and the plan for the child is independent living, directing the board or agency to provide the necessary services to transition from foster care, pursuant to ~~subdivision clause (v) of subsection A~~ *v* of § 16.1-282.1 shall state whether reasonable efforts have been made to place the child in a timely manner in accordance with the foster care plan and to complete the steps necessary to finalize the permanent placement of the child.

~~D~~ *F.* Any order transferring custody of the child to a relative other than the child's prior family shall be entered only upon a finding, based upon a preponderance of the evidence, that the relative is one who, after an investigation as directed by the court, (i) is found by the court to be willing and qualified to receive and care for the child; (ii) is willing to have a positive, continuous relationship with the child; (iii) is committed to providing a permanent, suitable home for the child; and (iv) is willing and has the ability to protect the child from abuse and neglect; and the order shall so state. The court's order transferring custody to a relative should further provide for, as appropriate, any terms and conditions which would promote the child's interest and welfare; ongoing provision of social services to the child and the child's custodian; and court review of the child's placement.

~~E~~ *G.* The court shall possess continuing jurisdiction over cases reviewed under this section for so long as a child remains in a foster care placement or, when a child is returned to his prior family subject to conditions imposed by the court, for so long as such conditions are effective. After the hearing required pursuant to subsection C, the court shall schedule a permanency planning hearing on the case to be held five months thereafter in accordance with § 16.1-282.1 or within 30 days upon the petition of any party entitled to notice in proceedings under this section when the judge determines there is good cause shown for such a hearing. However, in the case of a child who is the subject of an order that has the effect of achieving a permanent goal for the child by terminating residual parental rights pursuant to § 16.1-277.01, 16.1-277.02, 16.1-278.3, or 16.1-283; by placing the child in permanent foster care pursuant to ~~subdivision clause (iv) of subsection A~~ *iv* of § 16.1-282.1; or by directing the board or agency to provide the child with services to achieve independent living status, if the child has attained the age of 16 years, pursuant to ~~subdivision clause (v) of subsection A~~ *v* of § 16.1-282.1, a permanency planning hearing within five months shall not be required and the court shall schedule a foster care review hearing to be held within 12 months of the entry of such order in accordance with the provisions of § 16.1-282.2.

§ 16.1-282.1. Permanency planning hearing for children in foster care.

A. In the case of a child who was the subject of a foster care plan filed with the court pursuant to § 16.1-281, a permanency planning hearing shall be held within 10 months of the dispositional hearing at which the foster care plan pursuant to § 16.1-281 was reviewed if the child (a) was placed through an agreement between the parents or guardians and the local board of social services where legal custody remains with the parents or guardians and such agreement has not been dissolved by court order; or (b) is under the legal custody of a local board of social services or a child welfare agency and has not had a petition to terminate parental rights filed on the child's behalf, has not been placed in permanent foster care, or is age 16 or over and the plan for the child is not independent living. The board or child welfare agency shall file a petition for a permanency planning hearing 30 days prior to the date of the permanency planning hearing scheduled by the court. The purpose of this hearing is to establish a permanent goal for the child and either to achieve the permanent goal or to defer such action through the approval of an interim plan for the child.

To achieve the permanent goal, the petition for a permanency planning hearing shall seek to (i) transfer the custody of the child to his prior family, or dissolve the board's placement agreement and return the child to his prior family; (ii) transfer custody of the child to a relative other than the child's prior family, subject to the provisions of subsection A1; (iii) terminate residual parental rights pursuant to § 16.1-277.01 or 16.1-283; (iv) place a child who is 16 years of age or older in permanent foster care pursuant to § 63.2-908; (v) if the child has been admitted to the United States as a refugee or asylee and has attained the age of 16 years or older and the plan is independent living, direct the board or agency to provide the child with services to transition from foster care; or (vi) place a child who is 16 years of age or older in another planned permanent living arrangement in accordance with the provisions of subsection A2. In cases in which a foster care plan approved prior to July 1, 2011, includes independent living as the goal for a child who is not admitted to the United States as an asylee or refugee, the petition shall direct the board or agency to provide the child with services to transition from foster care.

For approval of an interim plan, the petition for a permanency planning hearing shall seek to continue custody with the board or agency, or continue placement with the board through a parental agreement; or transfer custody to the board or child welfare agency from the parents or guardian of a child who has been in foster care through an agreement where the parents or guardian retains custody.

Upon receipt of the petition, if a permanency planning hearing has not already been scheduled, the court shall schedule such a hearing to be held within 30 days. The permanency planning hearing shall be held within 10 months of the dispositional hearing at which the foster care plan was reviewed pursuant to § 16.1-281. The provisions of subsection B of § 16.1-282 shall apply to this petition. The procedures of subsection C of § 16.1-282 and the provisions of subsection ~~E~~ *G* of § 16.1-282 shall apply to the scheduling and notice of proceedings under this section.

A1. The following requirements shall apply to the transfer of custody of the child to a relative other than the child's prior family in accordance with the provisions of *clause* (ii) of subsection A. Any order transferring custody of the child to a relative other than the child's prior family shall be entered only upon a finding, based upon a preponderance of the evidence, that the relative is one who, after an investigation as directed by the court, (i) is found by the court to be willing and qualified to receive and care for the child; (ii) is willing to have a positive, continuous relationship with the child; (iii) is committed to providing a permanent, suitable home for the child; and (iv) is willing and has the ability to protect the child from abuse and neglect; and the order shall so state. The court's order transferring custody to a relative should further provide, as appropriate, for any terms or conditions which would promote the child's interest and welfare.

A2. The following requirements shall apply to the selection and approval of placement in another planned permanent living arrangement as the permanent goal for the child in accordance with *clause* (vi) of subsection A:

1. The board or child welfare agency shall petition for alternative (vi) of subsection A only if the child has a severe and chronic emotional, physical or neurological disabling condition for which the child requires long-term residential treatment; and the board or child welfare agency has thoroughly investigated the feasibility of the alternatives listed in clauses (i) through (v) of subsection A and determined that none of those alternatives is in the best interests of the child. In a foster care plan filed with the petition pursuant to this section, the board or agency shall document the following: (i) the investigation conducted of the placement alternatives listed in clauses (i) through (v) of subsection A and why each of these is not currently in the best interest of the child; (ii) at least one compelling reason why none of the alternatives listed in clauses (i) through (v) is achievable for the child at the time placement in another planned permanent living arrangement is selected as the permanent goal for the child; (iii) the identity of the long-term residential treatment service provider; (iv) the nature of the child's disability; (v) the anticipated length of time required for the child's treatment; and (vi) the status of the child's eligibility for admission and long-term treatment. The court shall ensure that the local department has documentation of the intensive, ongoing, and, as of the date of the hearing, unsuccessful efforts made to return the child home or secure a placement for the child with a fit and willing relative, including adult siblings, or an adoptive parent, including through efforts that utilize search technology, including social media, to find the child's biological family members. The court shall ask the child about the child's desired permanency outcome and make a judicial determination, accompanied by an explanation of the reasons that the alternatives listed in clauses (i) through (iii) of subsection A continue to not be in the best interest of the child.

2. Before approving alternative (vi) of subsection A as the plan for the child, the court shall find (i) that the child has a severe and chronic emotional, physical or neurological disabling condition; (ii) that the child requires long-term residential treatment for the disabling condition; and (iii) that none of the alternatives listed in clauses (i) through (v) of subsection A is achievable for the child at the time placement in another planned permanent living arrangement is approved as the permanent goal for the child. If the board or agency petitions for alternative (vi), alternative (vi) may be approved by the court for a period of six months at a time.

3. At the conclusion of the permanency planning hearing, if alternative (vi) of subsection A is the permanent plan, the court shall schedule a hearing to be held within six months to review the child's placement in another planned permanent living arrangement in accordance with subdivision A2 4 of subsection A2. All parties present at the hearing at which *clause* (vi) of subsection A is approved as the permanent plan for the child shall be given notice of the date scheduled for the foster care review hearing. Parties not present shall be summoned to appear as provided in § 16.1-263. Otherwise, this subsection A2 shall govern the scheduling and notice for such hearings.

4. The court shall review a foster care plan for any child who is placed in another planned permanent living arrangement every six months from the date of the permanency planning hearing held pursuant to this subsection, so long as the child remains in the legal custody of the board or child welfare agency. The board or child welfare agency shall file such petitions for review pursuant to the provisions of § 16.1-282 and shall, in addition, include in the petition the information required by subdivision A2 1 of subsection A2 of this section. The petition for foster care review shall be filed no later than 30 days prior to the hearing scheduled in accordance with subdivision A2 3 of subsection A2. At the conclusion of the foster care review hearing, if alternative (vi) of subsection A remains the permanent plan, the court shall enter an order that states whether reasonable efforts have been made to place the child in a timely manner in accordance with the permanency plan and to monitor the child's status in another planned permanent living arrangement.

However, if at any time during the six-month approval periods permitted by this subsection, a determination is made by treatment providers that the child's need for long-term residential treatment for the child's disabling condition is eliminated, the board or agency shall immediately begin to plan for post-discharge services and shall, within 30 days of making such a determination, file a petition for a permanency planning hearing pursuant to subsection A of this section. Upon receipt of the petition, the court shall schedule a permanency planning hearing to be held within 30 days. The provisions of subsection B of § 16.1-282 shall apply to this petition. The procedures of subsection C of § 16.1-282 and the provisions of subsection E G of § 16.1-282 shall apply to proceedings under this section.

A3. The following requirements shall apply to the selection and approval of permanent foster care pursuant to *clause* (iv) of subsection A:

1. The court shall ensure that the local department has documentation of the intensive, ongoing, and, as of the date of the hearing, unsuccessful efforts made to return the child home or secure a placement for the child with a fit and willing relative, including adult siblings, or an adoptive parent, including through efforts that utilize search technology, including social media, to find the child's biological family members.

2. The court shall ask the child about the child's desired permanency outcome and make a judicial determination, accompanied by an explanation of the reasons that the alternatives listed in clauses (i) through (iii) of subsection A continue to not be in the best interest of the child.

B. The following requirements shall apply to the selection and approval of an interim plan for the child in accordance with subsection A:

1. The board or child welfare agency shall petition for approval of an interim plan only if the board or child welfare agency has thoroughly investigated the feasibility of the alternatives listed in clauses (i) through (v) of subsection A and determined that none of those alternatives is in the best interest of the child. If the board or agency petitions for approval of an interim plan, such plan may be approved by the court for a maximum period of six months. The board or agency shall also file a foster care plan that (i) identifies a permanent goal for the child that corresponds with one of the alternatives specified in clauses (i) through (v) of subsection A; (ii) includes provisions for accomplishing the permanent goal within six months; and (iii) summarizes the investigation conducted of the alternatives listed in clauses (i) through (v) of subsection A and why achieving each of these is not in the best interest of the child at this time. The foster care plan shall describe the child's placement, including the in-state and out-of-state placement options and whether the child's placement is in state or out of state. If the child's placement is out of state, the foster care plan shall provide the reason why the out-of-state placement is appropriate and in the best interests of the child.

2. Before approving an interim plan for the child, the court shall find:

a. When returning home remains the plan for the child, that the parent has made marked progress toward reunification with the child, the parent has maintained a close and positive relationship with the child, and the child is likely to return home within the near future, although it is premature to set an exact date for return at the time of this hearing; or

b. When returning home is not the plan for the child, that marked progress is being made to achieve the permanent goal identified by the board or child welfare agency and that it is premature to set an exact date for accomplishing the goal at the time of this hearing. The court shall consider the in-state and out-of-state placement options, and if the child has been placed out of state, determine whether the out-of-state placement is appropriate and in the best interests of the child.

3. Upon approval of an interim plan, the court shall schedule a hearing to be held within six months to determine that the permanent goal is accomplished and to enter an order consistent with alternative (i), (ii), (iii), (iv), or (v) of subsection A. All parties present at the initial permanency planning hearing shall be given notice of the date scheduled for the second permanency planning hearing. Parties not present shall be summoned to appear as provided in § 16.1-263. Otherwise, subsection A shall govern the scheduling and notice for such hearings.

C. In each permanency planning hearing and in any hearing regarding the transition of the child from foster care to independent living, the court shall consult with the child in an age-appropriate manner regarding the proposed permanency plan or transition plan for the child, unless the court finds that such consultation is not in the best interests of the child.

D. *In cases in which a child is placed by the local board of social services or a licensed child-placing agency in a qualified residential treatment program as defined in § 16.1-228, the provisions of subsection E of § 16.1-281 shall apply to any hearing held pursuant to this section.*

E. At the conclusion of the permanency planning hearing held pursuant to this section, whether action is taken or deferred to achieve the permanent goal for the child, the court shall enter an order that states whether reasonable efforts have been made to reunite the child with the child's prior family, if returning home is the permanent goal for the child; or whether reasonable efforts have been made to achieve the permanent goal identified by the board or agency, if the goal is other than returning the child home.

In making this determination, the court shall give consideration to whether the board or agency has placed the child in a timely manner in accordance with the foster care plan and completed the steps necessary to finalize the permanent placement of the child.

§ 16.1-282.2. Annual foster care review.

A. The court shall review a foster care plan annually for any child who remains in the legal custody of a local board of social services or a child welfare agency and (i) on whose behalf a petition to terminate parental rights has been granted, filed or ordered to be filed, (ii) who is placed in permanent foster care, or (iii) who is age 16 or over and for whom the plan is independent living. The foster care review hearing shall be scheduled at the conclusion of a hearing held pursuant to § 16.1-281, 16.1-282, or 16.1-282.1 at which the order is entered: terminating parental rights, directing the filing of a petition for termination of parental rights by the board or agency, placing the child in permanent foster care, or directing the board or agency to provide the child who is age 16 or over and for whom the plan is independent living with services to transition from foster care. The foster care review hearing shall be held within 12 months of the date of such order, so long as the child remains in the custody of the board or agency.

The board or agency shall file the petition for a foster care review hearing, and the court shall provide notice of the foster care review hearing in accordance with the provisions of § 16.1-282. The board or agency shall file a written Adoption Progress Report with the juvenile court pursuant to § 16.1-277.01, 16.1-277.02, 16.1-278.3, or 16.1-283, if applicable, with the petition required by this section. The court order entered at the conclusion of the hearing held on the petition shall state whether reasonable efforts have been made to place the child in a timely manner in accordance with the approved foster care plan that established a permanent goal for the child and to complete the steps necessary to finalize the permanent placement of the child.

B. At the foster care review hearing in the case of a child who is placed in permanent foster care, the court shall give consideration to the appropriateness of the services being provided to the child and permanent foster parents, to any change in circumstances since the entry of the order placing the child in permanent foster care, and to such other factors as the court deems proper.

C. At the foster care review hearing in the case of a child who meets the criteria of subdivisions A 1 through 4 of § 16.1-283.2, the court shall inquire of the guardian ad litem and the local board of social services whether the child has expressed a preference that the possibility of restoring the parental rights of his parent or parents be investigated. If the child expresses or has expressed such a preference, the court shall direct the local board of social services or the child's guardian ad litem to conduct an investigation of the parent or parents. If, following such investigation, the local board of social services or the child's guardian ad litem deems it appropriate to do so, either may file a petition for the restoration of parental rights. A hearing on such petition shall be held as provided by § 16.1-283.2.

D. In cases in which a child is placed by the local board of social services or a licensed child-placing agency in a qualified residential treatment program as defined in § 16.1-228, the provisions of subsection E of § 16.1-281 shall apply to any hearing held pursuant to this section.

§ 37.2-408.1. Background check required; children's residential facilities.

A. Notwithstanding the provisions of § 37.2-416, as a condition of employment, volunteering or providing services on a regular basis, every children's residential facility that is regulated or operated by the Department shall require any person who (i) accepts a position of employment at such a facility ~~who was not employed by that facility prior to July 1, 2008,~~ (ii) ~~is currently employed by such a facility,~~ (iii) volunteers for such a facility ~~on a regular basis and will be alone with a juvenile in the performance of his duties who was not a volunteer at such facility prior to July 1, 2008,~~ or (iii) (iv) provides contractual services directly to a juvenile for such a facility ~~on a regular basis and will be alone with a juvenile in the performance of his duties who did not provide such services prior to July 1, 2008,~~ to submit to fingerprinting and to provide personal descriptive information, to be forwarded along with the person's fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information regarding the person. The children's residential facility shall inform the person that he is entitled to obtain a copy of any background check report and to challenge the accuracy and completeness of any such report and obtain a prompt resolution before a final determination is made of the person's eligibility to have responsibility for the safety and well-being of children. The person shall provide the children's residential facility with a written statement or affirmation disclosing whether he has ever been convicted of or is the subject of pending charges for any offense within or outside the Commonwealth. The results of the criminal history background check must be received prior to permitting a person to work ~~with children in the children's residential facility.~~

The Central Criminal Records Exchange, upon receipt of a person's record or notification that no record exists, shall forward it to the state agency that operates or regulates the children's residential facility with which the person is affiliated. The state agency shall, upon receipt of a person's record lacking disposition data, conduct research in whatever state and local recordkeeping systems are available in order to obtain complete data. The state agency shall report to the children's facility whether the person is eligible to have responsibility for the safety and well-being of children. Except as otherwise provided in subsection B, no children's residential facility regulated or operated by the Department shall hire for compensated employment or allow to volunteer or provide contractual services persons who have been convicted of or are the subject of pending charges for (a) any offense set forth in clause (i), (ii), (iii), or (v) of the definition of barrier crime in § 19.2-392.02 or (b) any offense set forth in clause (iv) of the definition of barrier crime in § 19.2-392.02 (1) in the five years prior to the application date for employment, to be a volunteer, or to provide contractual services or (2) such person continues on probation or parole or has failed to pay required court costs for such offense set forth in clause (iv) of the definition of barrier crime in § 19.2-392.02. The provisions of this section also shall apply to structured residential programs, excluding secure detention facilities, established pursuant to § 16.1-309.3 for juvenile offenders cited in a complaint for intake or in a petition before the court that alleges the juvenile is delinquent or in need of services or supervision.

B. Notwithstanding the provisions of subsection A, a children's residential facility may hire for compensated employment or for volunteer or contractual service purposes persons who have been convicted of not more than one misdemeanor offense under § 18.2-57 or 18.2-57.2, or any substantially similar offense under the laws of another jurisdiction, if 10 years have elapsed following the conviction, unless the person committed such offense in the scope of his employment, volunteer, or contractual services.

If the person is denied employment, or the opportunity to volunteer or provide services, at a children's residential facility because of information appearing on his criminal history record, and the person disputes the information upon which the denial was based, upon written request of the person the state agency shall furnish the person the procedures for obtaining his criminal history record from the Federal Bureau of Investigation. ~~If the person has been permitted to assume duties that do not involve contact with children pending receipt of the report, the children's residential facility is not precluded from suspending the person from his position pending a final determination of the person's eligibility to have responsibility for the safety and well-being of children.~~ The information provided to the children's residential facility shall not be disseminated except as provided in this section.

C. Those persons listed in clauses (i), ~~(ii), and (iii)~~ *through (iv)* of subsection A also shall authorize the children's residential facility to obtain a copy of information from the central registry maintained pursuant to § 63.2-1515 on any

investigation of child abuse or neglect undertaken on him. The person shall provide the children's residential facility with a written statement or affirmation disclosing whether he has ever been the subject of a founded case of child abuse or neglect within or outside the Commonwealth. The children's residential facility shall receive the results of the central registry search prior to permitting a person to work ~~alone with children~~. Children's residential facilities regulated or operated by the Department shall not hire for compensated employment, or allow to volunteer or provide contractual services, persons who have a founded case of child abuse or neglect.

D. The cost of obtaining the criminal history record and the central registry information shall be borne by the person unless the children's residential facility, at its option, decides to pay the cost.

As used in this title, unless the context requires a different meaning:

"Abused or neglected child" means any child less than 18 years of age:

1. Whose parents or other person responsible for his care creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement, or impairment of bodily or mental functions, including, but not limited to, a child who is with his parent or other person responsible for his care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled substance, or (ii) during the unlawful sale of such substance by that child's parents or other person responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would constitute a felony violation of § 18.2-248;

2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health. However, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child. Further, a decision by parents who have legal authority for the child or, in the absence of parents with legal authority for the child, any person with legal authority for the child, who refuses a particular medical treatment for a child with a life-threatening condition shall not be deemed a refusal to provide necessary care if (i) such decision is made jointly by the parents or other person with legal authority and the child; (ii) the child has reached 14 years of age and is sufficiently mature to have an informed opinion on the subject of his medical treatment; (iii) the parents or other person with legal authority and the child have considered alternative treatment options; and (iv) the parents or other person with legal authority and the child believe in good faith that such decision is in the child's best interest. Nothing in this subdivision shall be construed to limit the provisions of § 16.1-278.4;

3. Whose parents or other person responsible for his care abandons such child;

4. Whose parents or other person responsible for his care commits or allows to be committed any act of sexual exploitation or any sexual act upon a child in violation of the law;

6. Whose parents or other person responsible for his care creates a substantial risk of physical or mental injury by knowingly leaving the child alone in the same dwelling, including an apartment as defined in § 55-79.2, with a person to whom the child is not related by blood or marriage and who the parent or other person responsible for his care knows has been convicted of an offense against a minor for which registration is required as a violent sexual offender pursuant to § 9.1-902; or

7. Who has been identified as a victim of sex trafficking or severe forms of trafficking as defined in the Trafficking Victims Protection Act of 2000, 22 U.S.C § 7102 et seq., and in the Justice for Victims of Trafficking Act of 2015, 42 U.S.C. § 5101 et seq.

[S 1667]

Approved March 8, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-320.1 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-320.1. Other grounds for suspension; nonpayment of child support.

A. The Commissioner may enter into an agreement with the Department of Social Services whereby the Department may suspend or refuse to renew the driver's license of any person upon receipt of notice from the Department of Social Services that the person (i) is delinquent in the payment of child support by 90 days or more or in an amount of \$5,000 or more or (ii) has failed to comply with a subpoena, summons, or warrant relating to paternity or child support proceedings. A suspension or refusal to renew authorized pursuant to this section shall not be effective until 30 days after service on the delinquent obligor of notice of intent to suspend or refusal to renew. The notice of intent shall be served on the obligor by the Department of Social Services (a) by certified mail, return receipt requested, or by electronic means, sent to the obligor's last known addresses as shown in the records of the Department or the Department of Social Services or (b) pursuant to § 8.01-296, or service may be waived by the obligor in accordance with procedures established by the Department of Social Services. The obligor shall be entitled to a judicial hearing if a request for a hearing is made, in writing, to the Department of Social Services within ~~40~~ 30 days from service of the notice of intent. Upon receipt of the request for a hearing, the Department of Social Services shall petition the court that entered or is enforcing the order, requesting a hearing on the proposed suspension or refusal to renew. The Department shall not suspend or refuse to renew the driver's license until a final determination is made by the court.

B. At any time after service of a notice of intent, the person may petition the juvenile and domestic relations district court in the jurisdiction where he resides for the issuance of a restricted license to be used if the suspension or refusal to renew becomes effective. Upon such petition and a finding of good cause, the court may provide that such person be issued a restricted permit to operate a motor vehicle for any of the purposes set forth in subsection E of § 18.2-271.1. A restricted license issued pursuant to this subsection shall not permit any person to operate a commercial motor vehicle as defined in § 46.2-341.4. The court shall order the surrender of the person's license to operate a motor vehicle, to be disposed of in accordance with the provisions of § 46.2-398, and shall forward to the Commissioner a copy of its order entered pursuant to this subsection. The order shall specifically enumerate the restrictions imposed and contain such information regarding the person to whom such a permit is issued as is reasonably necessary to identify him.

C. The Department shall not renew a driver's license or terminate a license suspension imposed pursuant to this section until it has received from the Department of Social Services a certification that the person has (i) paid the delinquency in full; (ii) reached an agreement with the Department of Social Services to satisfy the delinquency within a period not to exceed 10 years, and at least one payment representing at least five percent of the total delinquency or \$600, whichever is ~~greater~~ less, has been made pursuant to the agreement; (iii) complied with a subpoena, summons, or warrant relating to a paternity or child support proceeding; or (iv) completed or is successfully participating in an intensive case monitoring program for child support as ordered by a juvenile and domestic relations district court or as administered by the Department of Social Services. Certification by the Department of Social Services shall be made by electronic or telephonic communication and shall be made on the same work day that payment required by clause (i) or (ii) is made.

D. If a person who has entered into an agreement with the Department of Social Services pursuant to clause (ii) of subsection C fails to comply with the requirements of the agreement, the Department of Social Services shall notify the Department of the person's noncompliance and the Department shall suspend or refuse to renew the driver's license of the person until it has received from the Department of Social Services a certification that the person has paid the delinquency in full or has entered into a subsequent agreement with the Department of Social Services to satisfy the delinquency within a period not to exceed seven years and has made at least one payment of \$1,200 or ~~five~~ seven percent of the total delinquency, whichever is ~~greater~~ less, pursuant to the agreement. If the person fails to comply with the terms of a subsequent agreement reached with the Department of Social Services pursuant to this section, without further notice to the person as provided in the subsequent agreement, the Department of Social Services shall notify the Department of the person's noncompliance, and the Department shall suspend or refuse to renew the driver's license of the person. A person who has failed to comply with the terms of a second or subsequent agreement pursuant to this subsection may be granted a new agreement with the Department of Social Services if the person has made at least one payment of \$1,800 or ~~five~~ 10 percent of the total delinquency, whichever is ~~greater~~ less, and agrees to a repayment schedule of not more than

seven years. Upon receipt of certification from the Department of Social Services of the person's satisfaction of these conditions, the Department shall issue a driver's license to the person or reinstate the person's driver's license. Certification by the Department of Social Services shall be made by electronic or telephonic communication and shall be made on the same work day that payment required by this subsection is made.

The Board of Education shall supervise educational programs for children with disabilities by other public agencies and shall ensure that the identification, evaluation, and placement of children with disabilities and youth in education programs by other public agencies, as appropriate, are consistent with the provisions of the Board of Education's special education regulations.

G. The Board of Education shall prescribe regulations to provide a range of assessment procedures for the evaluation of children with disabilities. These regulations shall include provision for parents to participate, if they so request, in the consideration of the assessment components to be used. Any variance between special service and regular service fares shall be justifiable in terms of actual differences between the two kinds of service provided.

D. CHAPTER 289

An Act to amend and reenact § 24.2-613 of the Code of Virginia, relating to form of ballot; uniformity of names of candidates.

[H 2148]

Approved March 8, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 24.2-613 of the Code of Virginia is amended and reenacted as follows:

§ 24.2-613. Form of ballot.

A. The ballots shall comply with the requirements of this title and the standards prescribed by the State Board. *The names of all candidates to appear on the ballots shall be in the same font, size, and style.*

B. For elections for federal, statewide, and General Assembly offices only, each candidate who has been nominated by a political party or in a primary election shall be identified by the name of his political party. Independent candidates shall be identified by the term "Independent." For the purpose of this section, any Independent candidate may, by producing sufficient and appropriate evidence of nomination by a "recognized political party" to the State Board, have the term "Independent" on the ballot converted to that of a "recognized political party" on the ballot and be treated on the ballot in a manner consistent with the candidates nominated by political parties. For the purpose of this section, a "recognized political party" is defined as an organization that, for at least six months preceding the filing of its nominee for the office, has had in continual existence a state central committee composed of registered voters residing in each congressional district of the Commonwealth, a party plan and bylaws, and a duly elected state chairman and secretary. A letter from the state chairman of a recognized political party certifying that a candidate is the nominee of that party and also signed by such candidate accepting that nomination shall constitute sufficient and appropriate evidence of nomination by a recognized political party. The name of the political party, the name of the "recognized political party," or term "Independent" may be shown by an initial or abbreviation to meet ballot requirements.

C. Except as provided for primary elections, the State Board shall determine by lot the order of the political parties, and the names of all candidates for a particular office shall appear together in the order determined for their parties. In an election district in which more than one person is nominated by one political party for the same office, the candidates' names shall appear alphabetically in their party groups under the name of the office, with sufficient space between party groups to indicate them as such. For the purpose of this section, except as provided for presidential elections in § 24.2-614, "recognized political parties" shall be treated as a class; the order of the recognized political parties within the class shall be determined by lot by the State Board; and the class shall follow the political parties as defined by § 24.2-101 and precede the independent class. Independent candidates shall be treated as a class under "Independent", and their names shall be placed on the ballot after the political parties and recognized political parties. Where there is more than one independent candidate for an office, their names shall appear on the ballot in an order determined by the priority of time of filing for the office. In the event two or more candidates file simultaneously, the order of filing shall then be determined by lot by the electoral board as in the case of a tie vote for the office.

For the purposes of this subsection, "time of filing for the office" means the time at which an independent candidate has filed his petition signature pages with a number of signatures at least equal to the number required for the office pursuant to § 24.2-506. In the case of an office for which no petition is required, "time of filing for the office" means the time at which the candidate has filed his completed statement of qualification pursuant to § 24.2-501.

No individual's name shall appear on the ballot more than once for the same office.

D. In preparing the printed ballots for general, special, and primary elections, the State Board and general registrars shall cause to be printed in not less than 10-point type, immediately below the title of any office, a statement of the number of candidates for whom votes may be cast for that office. For any office to which only one candidate can be elected, the following language shall be used: "Vote for only one." For any office to which more than one candidate can be elected, the following language shall be used: "Vote for not more than ____."

E. Any locality that uses machine-readable ballots at one or more precincts, including any central absentee precinct, may, with the approval of the State Board, use a printed reproduction of the machine-readable ballot in lieu of the official

machine-readable ballot. Such reproductions shall be printed and otherwise handled in accordance with all laws and procedures that apply to official paper ballots.

In any action brought under this subdivision, the refusal by any person, or any employee, agent, or servant thereof, to sell any goods or services advertised or offered for sale at the price or upon the terms advertised or offered, shall be prima facie evidence of a violation of this subdivision. This paragraph shall not apply when it is clearly and conspicuously stated in the advertisement or offer by which such goods or services are advertised or offered for sale, that the supplier or offeror has a limited quantity or amount of such goods or services for sale, and the supplier or offeror at the time of such advertisement or offer did in fact have or reasonably expected to have at least such quantity or amount for sale;

The Commissioner shall notify by certified mail or by overnight express mail any applicant denied a license of the reasons for such denial.

B. The Commissioner shall cause each and every hospital, nursing home, and certified nursing facility to be inspected periodically, but not less often than biennially, in accordance with the provisions of this article and regulations of the Board. However, except when performed in conjunction with an inspection required by the Centers for Medicare and Medicaid Services, no hospital, nursing home, or certified nursing facility shall receive additional inspections until all other hospitals, nursing homes, or certified nursing facilities in the Commonwealth, respectively, have also been inspected, unless the additional inspections are (i) necessary to follow up on a preoperational inspection or one or more violations; (ii) required by a uniformly applied risk-based schedule established by the Department; (iii) necessary to investigate a complaint regarding the hospital, nursing home, or certified nursing facility; or (iv) otherwise deemed necessary by the Commissioner or his designee to protect the health and safety of the public.

Unless expressly prohibited by federal statute or regulation, the findings of the Commissioner, with respect to periodic surveys of nursing facilities conducted pursuant to the Survey, Certification, and Enforcement Procedures set forth in

42 C.F.R. Part 488, shall be considered case decisions pursuant to the Administrative Process Act (§ 2.2-4000 et seq.) and shall be subject to the Department's informal dispute resolution procedures, or, at the option of the Department or the nursing facility, the formal fact-finding procedures under § 2.2-4020. The Commonwealth shall be deemed the proponent for purposes of § 2.2-4020. Further, notwithstanding the provisions of clause (iii) of subsection A of § 2.2-4025, such case decisions shall also be subject to the right to court review pursuant to Article 5 (§ 2.2-4025 et seq.) of Chapter 40 of Title 2.2.

C. The Commissioner may, in accordance with regulations of the Board, provide for consultative advice and assistance, with such limitations and restrictions as he deems proper, to any person who intends to apply for a hospital or nursing home license or nursing facility certification.

D. For the purpose of facilitating the prompt restoration of electrical service and prioritization of customers during widespread power outages, the Commissioner shall notify on a quarterly basis all electric utilities serving customers in Virginia as to the location of all nursing homes licensed in the Commonwealth. The requirements of this subsection shall be met if the Commissioner maintains such information on an electronic database accessible by electric utilities serving customers in Virginia.

E. No person shall use, in any advertisement for professional services provided by such person, the results of any survey, inspection, or investigation of a nursing home or certified nursing facility conducted by a state or federal agency, including any statement of deficiencies, finding of deficiencies, or plan of corrective action, unless the advertisement includes all of the following:

The information required by this subsection shall be in the same color, font, and size as all other language on or in the advertisement and shall appear as prominently as all other language used in the advertisement. Nothing in this subsection shall be construed to prohibit the results of a survey, inspection, or investigation from being used in any administrative proceeding, civil proceeding, or criminal investigation or prosecution, in accordance with the rules set forth by the applicable tribunal.

CHAPTER 296

An Act to amend and reenact § 63.2-1526 of the Code of Virginia, relating to appeals from founded complaints of child abuse or neglect; concurrent criminal investigations.

[S 1416]

Approved March 8, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 63.2-1526 of the Code of Virginia is amended and reenacted as follows:

§ 63.2-1526. Appeals of certain actions of local departments.

A. A person who is suspected of or is found to have committed abuse or neglect may, within ~~thirty~~ 30 days of being notified of that determination, request the local department rendering such determination to amend the determination and the local department's related records. Upon written request, the local department shall provide the appellant all information used in making its determination. Disclosure of the reporter's name or information which may endanger the well-being of a child shall not be released. The identity of a collateral witness or any other person shall not be released if disclosure may endanger his life or safety. Information prohibited from being disclosed by state or federal law or regulation shall not be released. The local department shall hold an informal conference or consultation where such person, who may be represented by counsel, shall be entitled to informally present testimony of witnesses, documents, factual data, arguments or other submissions of proof to the local department. With the exception of the local director, no person whose regular duties include substantial involvement with child abuse and neglect cases shall preside over the informal conference. If the local department refuses the request for amendment or fails to act within ~~forty-five~~ 45 days after receiving such request, the person may, within ~~thirty~~ 30 days thereafter, petition the Commissioner, who shall grant a hearing to determine whether it appears, by a preponderance of the evidence, that the determination or record contains information which is irrelevant or inaccurate regarding the commission of abuse or neglect by the person who is the subject of the determination or record and therefore shall be amended. A person who is the subject of a report who requests an amendment to the record, as provided above, has the right to obtain an extension for an additional specified period of up to ~~sixty~~ 60 days by requesting in writing that the ~~forty-five~~ 45 days in which the local department must act be extended. The extension period, which may be up to ~~sixty~~ 60 days, shall begin at the end of the ~~forty-five~~ 45 days in which the local department must act. When there is an

extension period, the ~~thirty-day~~ 30-day period to request an administrative hearing shall begin on the termination of the extension period.

B. The Commissioner shall designate and authorize one or more members of his staff to conduct such hearings. The decision of any staff member so designated and authorized shall have the same force and effect as if the Commissioner had made the decision. The hearing officer shall have the authority to issue subpoenas for the production of documents and the appearance of witnesses. The hearing officer is authorized to determine the number of depositions that will be allowed and to administer oaths or affirmations to all parties and witnesses who plan to testify at the hearing. The Board shall adopt regulations necessary for the conduct of such hearings. Such regulations shall include provisions stating that the person who is the subject of the report has the right (i) to submit oral or written testimony or documents in support of himself and (ii) to be informed of the procedure by which information will be made available or withheld from him. In case of any information withheld, such person shall be advised of the general nature of such information and the reasons, for reasons of privacy or otherwise, that it is being withheld. Upon giving reasonable notice, either party at his own expense may depose a nonparty and submit such deposition at the hearing pursuant to Board regulation. Upon good cause shown, after a party's written motion, the hearing officer may issue subpoenas for the production of documents or to compel the attendance of witnesses at the hearing, except that alleged child victims of the person and their siblings shall not be subpoenaed, deposed or required to testify. The person who is the subject of the report may be represented by counsel at the hearing. Upon petition, the court shall have the power to enforce any subpoena that is not complied with or to review any refusal to issue a subpoena. Such decisions may not be further appealed except as part of a final decision that is subject to judicial review. Such hearing officers are empowered to order the amendment of such determination or records as is required to make them accurate and consistent with the requirements of this chapter or the regulations adopted hereunder. If, after hearing the facts of the case, the hearing officer determines that the person who is the subject of the report has presented information that was not available to the local department at the time of the local conference and which if available may have resulted in a different determination by the local department, he may remand the case to the local department for reconsideration. The local department shall have ~~fourteen~~ 14 days in which to reconsider the case. If, at the expiration of ~~fourteen~~ 14 days, the local department fails to act or fails to amend the record to the satisfaction of the appellant, the case shall be returned to the hearing officer for a determination. If aggrieved by the decision of the hearing officer, such person may obtain further review of the decision in accordance with Article 5 (§ 2.2-4025 et seq.) of the Administrative Process Act (§ 2.2-4000 et seq.).

C. Whenever an appeal of the local department's finding is made and a criminal charge *or investigation* is also filed *or commenced* against the appellant for the same conduct involving the same victim as investigated by the local department, the appeal process shall automatically be stayed until the criminal prosecution in ~~circuit~~ the trial court is completed, *until the criminal investigation is closed, or, in the case of a criminal investigation that is not completed within 180 days of the appellant's request for an appeal of the local department's finding, for 180 days after the appellant's request for appeal.* During such stay, the appellant's right of access to the records of the local department regarding the matter being appealed shall also be stayed. Once the criminal prosecution in ~~circuit~~ the trial court has been completed, *the criminal investigation is closed, or, in the case of a criminal investigation that is not completed within 180 days of the appellant's request for an appeal of the local department's finding, 180 days have passed,* the local department shall advise the appellant in writing of his right to resume his appeal within the time frames provided by law and regulation.

[H 2542]

Approved March 8, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 63.2-100 and 63.2-1715, as it is currently effective and as it shall become effective, of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding in Title 20 a chapter numbered 10, consisting of sections numbered 20-166 and 20-167, as follows:

CHAPTER 10.

POWER OF ATTORNEY TO DELEGATE PARENTAL OR LEGAL CUSTODIAL POWERS.

§ 20-166. Power of attorney to delegate parental or legal custodial powers.

A parent or legal custodian of a child, by a properly executed power of attorney pursuant to § 20-167, may delegate to another person, for a period not to exceed 180 days, any of the powers regarding the custody, care, and property of the child except the power to consent to marriage or adoption of the child, the performance or inducement of an abortion on or for the child, or the termination of parental rights to the child. In the event that both parents of a child are exercising joint custody, both parents shall be required to execute such power of attorney.

Such parent or legal custodian who is a service member may delegate such powers for a period longer than 180 days while on active duty service if such active duty is longer than 180 days, but such period shall not exceed the term of active

duty service plus 30 days. For the purposes of this section, "service member" means (i) a member of the Armed Forces of the United States, (ii) a member of the Armed Forces Reserves, (iii) a member of the National Guard, (iv) a member of the commissioned corps of the National Oceanic and Atmospheric Administration, (v) a member of the commissioned corps of the U.S. Public Health Services, or (vi) any person otherwise required to enter or serve in the active military services of the United States under a call or order of the President of the United States or to serve on state active duty.

A delegation of powers under this section shall not operate to change or modify any parental or legal rights, obligations, or authority established by an existing court order or deprive a parent or legal custodian of any parental or legal rights, obligations, or authority regarding the custody, visitation, or support of any child under this title.

B. Any power of attorney properly executed pursuant to § 20-167 shall be signed by all persons with authority to make decisions concerning the child pursuant to Chapter 6.1 (§ 20-124.1 et seq.), the person to whom powers are delegated under the power of attorney, and a representative of a licensed child-placing agency that assists parents and legal guardians with the process of delegating parental and legal custodial powers of their children, including assistance with identifying appropriate placements for their children and providing services and resources to support children, parents and legal guardians, and persons to whom parental or legal custodial powers are delegated pursuant to this chapter. That agency shall file notice of the arrangement authorized by the power of attorney with the local department of social services in the jurisdiction where the parents or legal guardian resides within seven days of its execution.

C. Any person who has signed the form under § 20-167 shall have the authority to revoke or withdraw the power of attorney authorized by subsection A at any time. If the delegation of authority lasts longer than 180 days, a new power of attorney shall be executed. Where such delegation is executed by a service member; if the delegation is longer than 180 days while on active duty service and exceeds the term of active duty service plus 30 days, a new power of attorney shall be executed.

D. The attorney-in-fact shall exercise parental or legal authority on a continuous basis for not less than 24 hours and without compensation for the intended duration of the power of attorney authorized by subsection A and shall not be subject to the licensing requirements of § 63.2-1701.

E. The execution of a power of attorney by a parent or legal custodian authorized by subsection A shall not constitute abandonment, abuse, or neglect as defined in § 63.2-100 unless the parent or legal custodian fails to make contact or execute a new power of attorney after the time limit has elapsed.

F. Under a delegation of powers as authorized by subsection A, the child subject to the power of attorney shall not be deemed placed in foster care, in a foster home, or in an independent foster home as defined in § 63.2-100, and the parties shall not be subject to any of the licensing requirements or regulations for foster care.

G. A licensed child-placing agency that assists parents and legal guardians with the process of delegating parental and legal custodial powers of their children shall (i) comply with background check requirements established by regulations of the Board of Social Services or otherwise provided by law; (ii) develop and implement written policies and procedures for (a) governing active and closed cases, (b) governing admissions, (c) monitoring the administration of medications, (d) prohibiting corporal punishment, (e) ensuring that children are not subjected to abuse or neglect, (f) investigating allegations of misconduct toward children, (g) implementing back-up emergency care plans for children, (h) assigning designated casework staff, (i) managing all records, (j) utilizing discharge policies, and (k) regulating the use of seclusion and restraint; and (iii) provide pre-service and ongoing training for temporary placement providers and staff. Any person to whom any powers are delegated pursuant to this section shall comply with background check requirements established by regulations of the Board of Social Services or otherwise provided by law.

H. Except as may be permitted by the federal No Child Left Behind Act, 20 U.S.C. §§ 6301 et seq. and 7801 et seq., a power of attorney executed pursuant to § 20-167 shall be invalid if executed for the primary purpose of enrolling the child in a school for the sole purpose of participating in the academic or interscholastic athletics programs provided by that school or for any other unlawful purpose. Violation of this subsection shall be punishable in accordance with the laws of the Commonwealth and may require, in addition to any other remedies, repayment by such parent of all costs incurred by the school as a result of the violation.

§ 20-167. Statutory form for power of attorney to delegate parental or legal custodial powers.

As used in this title, unless the context requires a different meaning:

"Abused or neglected child" means any child less than 18 years of age:

1. *Whose parents or other person responsible for his care creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement, or impairment of bodily or mental functions, including, but not limited to, a child who is with his parent or other person responsible for his care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled substance, or (ii) during the unlawful sale of such substance by that child's parents or other person responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would constitute a felony violation of § 18.2-248;*

2. *Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health. However, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child. Further, a decision by parents who have legal authority for the child or, in the absence of parents with legal authority for the child, any person with legal authority for the child, who refuses a particular medical treatment*

for a child with a life-threatening condition shall not be deemed a refusal to provide necessary care if (i) such decision is made jointly by the parents or other person with legal authority and the child; (ii) the child has reached 14 years of age and is sufficiently mature to have an informed opinion on the subject of his medical treatment; (iii) the parents or other person with legal authority and the child have considered alternative treatment options; and (iv) the parents or other person with legal authority and the child believe in good faith that such decision is in the child's best interest. Nothing in this subdivision shall be construed to limit the provisions of § 16.1-278.4;

3. Whose parents or other person responsible for his care abandons such child;

Disclosures by the Director pursuant to this subsection shall not be limited to requests for inspections or investigations of licensees. Nothing in this subsection shall require the Director to make any disclosure. Nothing in this section shall permit any agency to which the Director makes a disclosure pursuant to this section to re-disclose any information, reports, records, or materials received from the Department.

G. Whenever a complaint or report has been filed about a person licensed, certified, or registered by a health regulatory board, the source and the subject of a complaint or report shall be provided information about the investigative and disciplinary procedures at the Department of Health Professions. Prior to interviewing a licensee who is the subject of a complaint or report, or at the time that the licensee is first notified in writing of the complaint or report, whichever shall occur first, the licensee shall be provided with a copy of the complaint or report and any records or supporting documentation, unless such provision would materially obstruct a criminal or regulatory investigation. J. Any person found guilty of the unlawful disclosure of confidential information possessed by a health regulatory board shall be guilty of a Class 1 misdemeanor.

K. In disciplinary actions in which a practitioner is or may be unable to practice with reasonable skill and safety to patients and the public because of a mental or physical disability, a health regulatory board shall consider whether to disclose and may decide not to disclose in its notice or order the practitioner's health records, as defined in § 32.1-127.1:03, or his health services, as defined in § 32.1-127.1:03. Such information may be considered by the relevant board in a closed hearing in accordance with subdivision A 16 of § 2.2-3711 and included in a confidential exhibit to a notice or order. The public notice or order shall identify, if known, the practitioner's mental or physical disability that is the basis for its determination. In the event that the relevant board, in its discretion, determines that this subsection should apply, information contained in the confidential exhibit shall remain part of the confidential record before the relevant board and is subject to court review under the Administrative Process Act (§ 2.2-4000 et seq.) and to release in accordance with this section.

The cost of fingerprinting and the criminal history record search shall be paid by the applicant.

The Central Criminal Records Exchange shall forward the results of the state and federal criminal history record search to the Board, which shall be a governmental entity. If an applicant is denied licensure because of information appearing on his criminal history record and the applicant disputes the information upon which the denial was based, the Central Criminal Records Exchange shall, upon written request, furnish to the applicant the procedures for obtaining a copy of the criminal history record from the Federal Bureau of Investigation and the Central Criminal Records Exchange. § 54.1-3493. Rulemaking.

A. The Commission shall exercise its rulemaking powers pursuant to the criteria set forth in this section and the rules adopted thereunder. Rules and amendments shall become binding as of the date specified in each rule or amendment.

B. If a majority of the legislatures of the member states rejects a rule, by enactment of a statute or resolution in the same manner used to adopt the Compact within four years of the date of adoption of the rule, then such rule shall have no further force and effect in any member state.

Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of 30 days after posting. The revision may be challenged only on grounds that the revision results in a material change to a rule. A challenge shall be made in writing and delivered to the chair of the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

A. Oversight.

1. The provisions of this Compact and the rules promulgated hereunder shall have standing as statutory law.

2. All courts shall take judicial notice of the Compact and the rules in any judicial or administrative proceeding in a member state pertaining to the subject matter of this Compact which may affect the powers, responsibilities, or actions of the Commission.

3. The Commission shall be entitled to receive service of process in any such proceeding and shall have standing to intervene in such a proceeding for all purposes. Failure to provide service of process to the Commission shall render a judgment or order void as to the Commission, this Compact, or promulgated rules.

B. Default, technical assistance, and termination.

1. If the Commission determines that a member state has defaulted in the performance of its obligations or responsibilities under this Compact or the promulgated rules, the Commission shall:

b. Provide remedial training and specific technical assistance regarding the default.

2. If a state in default fails to cure the default, the defaulting state may be terminated from the Compact upon an affirmative vote of a majority of the member states, and all rights, privileges, and benefits conferred by this Compact may be terminated on the effective date of termination. A cure of the default does not relieve the offending state of obligations or liabilities incurred during the period of default.

3. Termination of membership in the Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting state's legislature, and each of the member states.

4. A state that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

5. The Commission shall not bear any costs related to a state that is found to be in default or that has been terminated from the Compact, unless agreed upon in writing between the Commission and the defaulting state.

6. The defaulting state may appeal the action of the Commission by petitioning the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices. The prevailing member shall be awarded all costs of such litigation, including reasonable attorney fees.

C. Dispute resolution.

1. Upon request by a member state, the Commission shall attempt to resolve disputes related to the Compact that arise among member states and between member and nonmember states.

2. The Commission shall promulgate a rule providing for both mediation and binding dispute resolution for disputes as appropriate.

2. By majority vote, the Commission may initiate legal action in the United States District Court for the District of Columbia or the federal district where the Commission has its principal offices against a member state in default to enforce compliance with the provisions of the Compact and its promulgated rules and bylaws. The relief sought may include both injunctive relief and damages. In the event judicial enforcement is necessary, the prevailing member shall be awarded all costs of such litigation, including reasonable attorney fees.

3. The remedies herein shall not be the exclusive remedies of the Commission. The Commission may pursue any other remedies available under federal or state law.

§ 54.1-3495. Date of implementation of the Interstate Commission for Physical Therapy Practice and associated rules, withdrawal, and amendment.

A. The Compact shall come into effect on the date on which the Compact statute is enacted into law in the tenth member state. The provisions, which become effective at that time, shall be limited to the powers granted to the Commission relating to assembly and the promulgation of rules. Thereafter, the Commission shall meet and exercise rulemaking powers necessary to the implementation and administration of the Compact.

B. Any state that joins the Compact subsequent to the Commission's initial adoption of the rules shall be subject to the rules as they exist on the date on which the Compact becomes law in that state. Any rule that has been previously adopted by the Commission shall have the full force and effect of law on the day the Compact becomes law in that state.

C. Any member state may withdraw from this Compact by enacting a statute repealing the same.

1. A member state's withdrawal shall not take effect until six months after enactment of the repealing statute.

2. Withdrawal shall not affect the continuing requirement of the withdrawing state's physical therapy licensing board to comply with the investigative and adverse action reporting requirements of this act prior to the effective date of withdrawal.

D. Nothing contained in this Compact shall be construed to invalidate or prevent any physical therapy licensure agreement or other cooperative arrangement between a member state and a nonmember state that does not conflict with the provisions of this Compact.

E. This Compact may be amended by the member states. No amendment to this Compact shall become effective and binding upon any member state until it is enacted into the laws of all member states.

§ 54.1-3496. Construction and severability.

This Compact shall be liberally construed so as to effectuate the purposes thereof. The provisions of this Compact shall be severable, and if any phrase, clause, sentence, or provision of this Compact is declared to be contrary to the constitution of any party state or the Constitution of the United States, or the applicability thereof to any government, agency, person, or circumstance is held invalid, the validity of the remainder of this Compact and the applicability thereof to any government, agency, person, or circumstance shall not be affected thereby. If this Compact shall be held contrary to the constitution of any party state, the Compact shall remain in full force and effect as to the remaining party states and in full force and effect as to the party state affected as to all severable matters.

2. That the provisions of this act shall become effective on January 1, 2020.

3. That the Board of Physical Therapy shall promulgate regulations to implement the provisions of this act to be effective within 280 days of its enactment.

The CIO shall annually report to the Governor, the Secretary, and General Assembly on the results of security audits, the extent to which security policy, standards, and guidelines have been adopted by executive branch and independent agencies, and a list of those executive branch agencies and independent agencies that have not implemented acceptable security and risk management regulations, policies, standards, and guidelines to control unauthorized uses, intrusions, or other security threats. For any executive branch agency or independent agency whose security audit results and plans for corrective action are unacceptable, the CIO shall report such results to (i) the Secretary, (ii) any other affected cabinet secretary, (iii) the Governor, and (iv) the Auditor of Public Accounts. Upon review of the security audit results in question, the CIO may take action to suspend the executive branch agency's or independent agency's information technology projects pursuant to subsection B of § 2.2-2016.1, limit additional information technology investments pending acceptable corrective actions, and recommend to the Governor and Secretary any other appropriate actions.

2. Executive branch agencies and independent agencies subject to such audits as required by this section shall fully cooperate with the entity designated to perform such audits and bear any associated costs. Public bodies that are not required to but elect to use the entity designated to perform such audits shall also bear any associated costs.

C. In addition to coordinating security audits as provided in subdivision B 1, the CIO shall conduct an annual comprehensive review of cybersecurity policies of every executive branch agency, with a particular focus on any breaches in information technology that occurred in the reviewable year and any steps taken by agencies to strengthen cybersecurity measures. Upon completion of the annual review, the CIO shall issue a report of his findings to the Chairmen of the House Committee on Appropriations and the Senate Committee on Finance. Such report shall not contain technical information deemed by the CIO to be security sensitive or information that would expose security vulnerabilities.

D. The provisions of this section shall not infringe upon responsibilities assigned to the Comptroller, the Auditor of Public Accounts, or the Joint Legislative Audit and Review Commission by other provisions of the Code of Virginia.

E. The CIO shall promptly receive reports from directors of departments in the executive branch of state government made in accordance with § 2.2-603 and shall take such actions as are necessary, convenient or desirable to ensure the security of the Commonwealth's electronic information and confidential data.

F. The CIO shall provide technical guidance to the Department of General Services in the development of policies, standards, and guidelines for the recycling and disposal of computers and other technology assets. Such policies, standards, and guidelines shall include the expunging, in a manner as determined by the CIO, of all confidential data and personal identifying information of citizens of the Commonwealth prior to such sale, disposal, or other transfer of computers or other technology assets.

G. The CIO shall provide all directors of agencies and departments with all such information, guidance, and assistance required to ensure that agencies and departments understand and adhere to the policies, standards, and guidelines developed pursuant to this section.

H. The CIO shall promptly notify all public bodies as defined in § 2.2-5514 of hardware, software, or services that have been prohibited pursuant to Chapter 55.3 (§ 2.2-5514).

CHAPTER 55.3.

PROHIBITION ON THE USE OF CERTAIN PRODUCTS AND SERVICES.

"Public body" includes any committee, subcommittee, or other entity however designated of the public body or formed to advise the public body, including those with private sector or citizen members and corporations organized by the Virginia Retirement System.

CHAPTER 304

An Act to amend and reenact § 20-107.3 of the Code of Virginia, relating to military retirement benefits; marital share.

[H 1988]

Approved March 8, 2019

Be it enacted by the General Assembly of Virginia:

1. **That § 20-107.3 of the Code of Virginia is amended and reenacted as follows:**

§ 20-107.3. Court may decree as to property and debts of the parties.

A. Upon decreeing the dissolution of a marriage, and also upon decreeing a divorce from the bond of matrimony, or upon the filing with the court as provided in subsection J of a certified copy of a final divorce decree obtained without the Commonwealth, the court, upon request of either party, (i) shall determine the legal title as between the parties, and the ownership and value of all property, real or personal, tangible or intangible, of the parties and shall consider which of such property is separate property, which is marital property, and which is part separate and part marital property in accordance with subdivision ~~A~~ 3 and (ii) shall determine the nature of all debts of the parties, or either of them, and shall consider which of such debts is separate debt and which is marital debt. The court shall determine the value of any such property as of the date of the evidentiary hearing on the evaluation issue. The court shall determine the amount of any such debt as of the date of the last separation of the parties, if at such time or thereafter at least one of the parties intends that the separation be permanent, and the extent to which such debt has increased or decreased from the date of separation until the date of the evidentiary hearing. Upon motion of either party made no less than 21 days before the evidentiary hearing the court may, for good cause shown, in order to attain the ends of justice, order that a different valuation date be used. The court, on the motion of either party, may retain jurisdiction in the final decree of divorce to adjudicate the remedy provided by this section when the court determines that such action is clearly necessary, and all decrees heretofore entered retaining such jurisdiction are validated.

1. Separate property is (i) all property, real and personal, acquired by either party before the marriage; (ii) all property acquired during the marriage by bequest, devise, descent, survivorship or gift from a source other than the other party; (iii) all property acquired during the marriage in exchange for or from the proceeds of sale of separate property, provided that such property acquired during the marriage is maintained as separate property; and (iv) that part of any property classified as separate pursuant to subdivision ~~A~~ 3. Income received from separate property during the marriage is separate property if not attributable to the personal effort of either party. The increase in value of separate property during the marriage is separate property, unless marital property or the personal efforts of either party have contributed to such increases and then only to the extent of the increases in value attributable to such contributions. The personal efforts of either party must be significant and result in substantial appreciation of the separate property if any increase in value attributable thereto is to be considered marital property.

2. Marital property is (i) all property titled in the names of both parties, whether as joint tenants, tenants by the entirety or otherwise, except as provided by subdivision ~~A~~ 3, (ii) that part of any property classified as marital pursuant to subdivision ~~A~~ 3, or (iii) all other property acquired by each party during the marriage which is not separate property as defined above. All property including that portion of pensions, profit-sharing or deferred compensation or retirement plans of whatever nature, acquired by either spouse during the marriage, and before the last separation of the parties, if at such time or thereafter at least one of the parties intends that the separation be permanent, is presumed to be marital property in the absence of satisfactory evidence that it is separate property. For purposes of this section marital property is presumed to be jointly owned unless there is a deed, title or other clear indicia that it is not jointly owned.

3. The court shall classify property as part marital property and part separate property as follows:

a. In the case of income received from separate property during the marriage, such income shall be marital property only to the extent it is attributable to the personal efforts of either party. In the case of the increase in value of separate property during the marriage, such increase in value shall be marital property only to the extent that marital property or the personal efforts of either party have contributed to such increases, provided that any such personal efforts must be significant and result in substantial appreciation of the separate property.

For purposes of this subdivision, the nonowning spouse shall bear the burden of proving that (i) contributions of marital property or personal effort were made and (ii) the separate property increased in value. Once this burden of proof is met, the owning spouse shall bear the burden of proving that the increase in value or some portion thereof was not caused by contributions of marital property or personal effort.

"Personal effort" of a party shall be deemed to be labor, effort, inventiveness, physical or intellectual skill, creativity, or managerial, promotional or marketing activity applied directly to the separate property of either party.

b. In the case of any pension, profit-sharing, or deferred compensation plan or retirement benefit, the marital share as defined in subsection G shall be marital property.

c. In the case of any personal injury or workers' compensation recovery of either party, the marital share as defined in subsection H shall be marital property.

d. When marital property and separate property are commingled by contributing one category of property to another, resulting in the loss of identity of the contributed property, the classification of the contributed property shall be transmuted to the category of property receiving the contribution. However, to the extent the contributed property is retraceable by a preponderance of the evidence and was not a gift, such contributed property shall retain its original classification.

e. When marital property and separate property are commingled into newly acquired property resulting in the loss of identity of the contributing properties, the commingled property shall be deemed transmuted to marital property. However, to the extent the contributed property is retraceable by a preponderance of the evidence and was not a gift, the contributed property shall retain its original classification.

f. When separate property is retitled in the joint names of the parties, the retitled property shall be deemed transmuted to marital property. However, to the extent the property is retraceable by a preponderance of the evidence and was not a gift, the retitled property shall retain its original classification.

g. When the separate property of one party is commingled into the separate property of the other party, or the separate property of each party is commingled into newly acquired property, to the extent the contributed property is retraceable by a preponderance of the evidence and was not a gift, each party shall be reimbursed the value of the contributed property in any award made pursuant to this section.

h. Subdivisions A 3 d, e and f shall apply to jointly owned property. No presumption of gift shall arise under this section where (i) separate property is commingled with jointly owned property; (ii) newly acquired property is conveyed into joint ownership; or (iii) existing property is conveyed or retitled into joint ownership. For purposes of this subdivision A 3, property is jointly owned when it is titled in the name of both parties, whether as joint tenants, tenants by the entireties, or otherwise.

4. Separate debt is (i) all debt incurred by either party before the marriage, (ii) all debt incurred by either party after the date of the last separation of the parties, if at such time or thereafter at least one of the parties intends that the separation be permanent, and (iii) that part of any debt classified as separate pursuant to subdivision A 5. However, to the extent that a party can show by a preponderance of the evidence that the debt was incurred for the benefit of the marriage or family, the court may designate the debt as marital.

5. Marital debt is (i) all debt incurred in the joint names of the parties before the date of the last separation of the parties, if at such time or thereafter at least one of the parties intends that the separation be permanent, whether incurred before or after the date of the marriage, and (ii) all debt incurred in either party's name after the date of the marriage and before the date of the last separation of the parties, if at such time or thereafter at least one of the parties intends that the separation be permanent. However, to the extent that a party can show by a preponderance of the evidence that the debt, or a portion thereof, was incurred, or the proceeds secured by incurring the debt were used, in whole or in part, for a nonmarital purpose, the court may designate the entire debt as separate or a portion of the debt as marital and a portion of the debt as separate.

B. For the purposes of this section only, both parties shall be deemed to have rights and interests in the marital property. However, such interests and rights shall not attach to the legal title of such property and are only to be used as a consideration in determining a monetary award, if any, as provided in this section.

C. Except as provided in subsection G, the court shall have no authority to order the division or transfer of separate property or marital property, or separate or marital debt, which is not jointly owned or owed. However, upon a finding that separate property of one party is in the possession or control of the other party, the court may order that the property be transferred to the party whose separate property it is. The court may, based upon the factors listed in subsection E, divide or transfer or order the division or transfer, or both, of jointly owned marital property, jointly owed marital debt, or any part thereof. The court shall also have the authority to apportion and order the payment of the debts of the parties, or either of them, that are incurred prior to the dissolution of the marriage, based upon the factors listed in subsection E.

As a means of dividing or transferring the jointly owned marital property, the court may transfer or order the transfer of real or personal property or any interest therein to one of the parties, permit either party to purchase the interest of the other and direct the allocation of the proceeds, provided the party purchasing the interest of the other agrees to assume any indebtedness secured by the property, or order its sale by private sale by the parties, through such agent as the court shall direct, or by public sale as the court shall direct without the necessity for partition. All decrees entered prior to July 1, 1991, which are final and not subject to further proceedings on appeal as of that date, which divide or transfer or order the division or transfer of property directly between the parties are hereby validated and deemed self-executing. All orders or decrees which divide or transfer or order division or transfer of real property between the parties shall be recorded and indexed in the names of the parties in the appropriate grantor and grantee indexes in the land records in the clerk's office of the circuit court of the county or city in which the property is located.

D. In addition, based upon (i) the equities and the rights and interests of each party in the marital property, and (ii) the factors listed in subsection E, the court has the power to grant a monetary award, payable either in a lump sum or over a period of time in fixed amounts, to either party. The party against whom a monetary award is made may satisfy the award, in whole or in part, by conveyance of property, subject to the approval of the court. An award entered pursuant to this

subsection shall constitute a judgment within the meaning of § 8.01-426 and shall not be docketed by the clerk unless the decree so directs. An award entered pursuant to this subsection may be enforceable in the same manner as any other money judgment. The provisions of § 8.01-382, relating to interest on judgments, shall apply unless the court orders otherwise.

Any marital property, which has been considered or ordered transferred in granting the monetary award under this section, shall not thereafter be the subject of a suit between the same parties to transfer title or possession of such property.

E. The amount of any division or transfer of jointly owned marital property, and the amount of any monetary award, the apportionment of marital debts, and the method of payment shall be determined by the court after consideration of the following factors:

1. The contributions, monetary and nonmonetary, of each party to the well-being of the family;
2. The contributions, monetary and nonmonetary, of each party in the acquisition and care and maintenance of such marital property of the parties;
3. The duration of the marriage;
4. The ages and physical and mental condition of the parties;
5. The circumstances and factors which contributed to the dissolution of the marriage, specifically including any ground for divorce under the provisions of subdivision A (1), (3) or (6) of § 20-91 or § 20-95;
6. How and when specific items of such marital property were acquired;
7. The debts and liabilities of each spouse, the basis for such debts and liabilities, and the property which may serve as security for such debts and liabilities;
8. The liquid or nonliquid character of all marital property;
9. The tax consequences to each party;
10. The use or expenditure of marital property by either of the parties for a nonmarital separate purpose or the dissipation of such funds, when such was done in anticipation of divorce or separation or after the last separation of the parties; and
11. Such other factors as the court deems necessary or appropriate to consider in order to arrive at a fair and equitable monetary award.

F. The court shall determine the amount of any such monetary award without regard to maintenance and support awarded for either party or support for the minor children of both parties and shall, after or at the time of such determination and upon motion of either party, consider whether an order for support and maintenance of a spouse or children shall be entered or, if previously entered, whether such order shall be modified or vacated.

G. In addition to the monetary award made pursuant to subsection D, and upon consideration of the factors set forth in subsection E:

1. The court may direct payment of a percentage of the marital share of any pension, profit-sharing or deferred compensation plan or retirement benefits, whether vested or nonvested, which constitutes marital property and whether payable in a lump sum or over a period of time. The court may order direct payment of such percentage of the marital share by direct assignment to a party from the employer trustee, plan administrator or other holder of the benefits. However, the court shall only direct that payment be made as such benefits are payable. No such payment shall exceed 50 percent of the marital share of the cash benefits actually received by the party against whom such award is made. "Marital share" means that portion of the total interest, the right to which was earned during the marriage and before the last separation of the parties, if at such time or thereafter at least one of the parties intended that the separation be permanent. *Any determination of military retirement benefits shall be in accordance with the federal Uniformed Services Former Spouses' Protection Act (10 U.S.C. 1408 et seq.).*

2. To the extent permitted by federal or other applicable law, the court may order a party to designate a spouse or former spouse as irrevocable beneficiary during the lifetime of the beneficiary of all or a portion of any survivor benefit or annuity plan of whatsoever nature, but not to include a life insurance policy except to the extent permitted by § 20-107.1:1. The court, in its discretion, shall determine as between the parties, who shall bear the costs of maintaining such plan.

H. In addition to the monetary award made pursuant to subsection D, and upon consideration of the factors set forth in subsection E, the court may direct payment of a percentage of the marital share of any personal injury or workers' compensation recovery of either party, whether such recovery is payable in a lump sum or over a period of time. However, the court shall only direct that payment be made as such recovery is payable, whether by settlement, jury award, court award, or otherwise. "Marital share" means that part of the total personal injury or workers' compensation recovery attributable to lost wages or medical expenses to the extent not covered by health insurance accruing during the marriage and before the last separation of the parties, if at such time or thereafter at least one of the parties intended that the separation be permanent.

I. Nothing in this section shall be construed to prevent the affirmation, ratification and incorporation in a decree of an agreement between the parties pursuant to §§ 20-109 and 20-109.1. Agreements, otherwise valid as contracts, entered into between spouses prior to the marriage shall be recognized and enforceable.

J. A court of proper jurisdiction under § 20-96 may exercise the powers conferred by this section after a court of a foreign jurisdiction has decreed a dissolution of a marriage or a divorce from the bond of matrimony, if (i) one of the parties was domiciled in this Commonwealth when the foreign proceedings were commenced, (ii) the foreign court did not have personal jurisdiction over the party domiciled in the Commonwealth, (iii) the proceeding is initiated within two years of

receipt of notice of the foreign decree by the party domiciled in the Commonwealth, and (iv) the court obtains personal jurisdiction over the parties pursuant to subdivision A 9 of § 8.01-328.1, or in any other manner permitted by law.

K. The court shall have the continuing authority and jurisdiction to make any additional orders necessary to effectuate and enforce any order entered pursuant to this section, including the authority to:

1. Order a date certain for transfer or division of any jointly owned property under subsection C or payment of any monetary award under subsection D;

2. Punish as contempt of court any willful failure of a party to comply with the provisions of any order made by the court under this section;

3. Appoint a special commissioner to transfer any property under subsection C where a party refuses to comply with the order of the court to transfer such property; and

4. Modify any order entered in a case filed on or after July 1, 1982, intended to affect or divide any pension, profit-sharing or deferred compensation plan or retirement benefits pursuant to the United States Internal Revenue Code or other applicable federal laws, only for the purpose of establishing or maintaining the order as a qualified domestic relations order or to revise or conform its terms so as to effectuate the expressed intent of the order.

L. If it appears upon or after the entry of a final decree of divorce from the bond of matrimony that neither party resides in the city or county of the circuit court that entered the decree, the court may, on the motion of any party or on its own motion, transfer to the circuit court for the city or county where either party resides the authority to make additional orders pursuant to subsection K or to carry out or enforce any stipulation, contract, or agreement between the parties that has been affirmed, ratified, and incorporated by reference pursuant to § 20-109.1.

Be it enacted by the General Assembly of Virginia:

1. That § 3.01.1 and § 3.04, as amended, of Chapter 116 of the Acts of Assembly of 1948 are amended and reenacted as follows:

§ 3.01.1 Election of mayor.

On the first Tuesday after the first Monday in November 2004, and every four years thereafter, a general election shall be held to elect the mayor. All persons seeking to have their names appear on the ballot as candidates for mayor must comply with the provisions of Chapter 5 (§ 24.2-500 et seq.) of Title 24.2 of the Code of Virginia and must file with their declaration of candidacy a petition containing a minimum of 500 signatures of qualified voters of the city, to include at least 50 qualified voters from each of the nine election districts. However, these filing requirements shall only apply to the initial, general election and not to any runoff election that may subsequently become necessary.

In the general election, the person receiving the most votes in each of at least five of the nine city council districts shall be elected mayor. Should no one be elected, then the two persons receiving the highest total of votes city wide shall be considered nominated for a runoff election. The runoff election shall be held on the sixth Tuesday after the November general election between the two nominees. The date of any such runoff election shall, as soon as possible, be posted at the courthouse and published at least once in a newspaper of general circulation in the city. In any such runoff election, write-in votes shall not be counted, and the person receiving the most votes in each of at least five of the nine city council districts shall be elected mayor. In the event the two candidates in a runoff election shall each win an equal number of council districts, the candidate receiving the most votes city wide shall be elected mayor. An elected term shall run four years.

Anyone eligible to serve on city council may serve as mayor, except no one may be elected mayor for three consecutive full terms, and no one may simultaneously hold the office of mayor and any other elected position.

The procedures and deadlines for voter registration, applying for an absentee ballot, and casting an absentee ballot for any runoff election shall be as provided in Chapters 4 (§ 24.2-400 et seq.), 4.1 (§ 24.2-451 et seq.), and 7 (§ 24.2-700 et seq.) of Title 24.2 of the Code of Virginia for general elections.

§ 3.04. Vacancies in office of councilman or mayor.

A. Vacancies in the office of councilman, from whatever cause arising, shall be filled in accordance with general law applicable to interim appointments and special elections, provided that, any provision in the general law to the contrary notwithstanding, a special election may be called to fill any such vacancy if the vacancy occurs more than one year prior to the expiration of the full term of the office to be filled.

B. A vacancy in the office of mayor shall be filled by special election conducted according to the rules herein provided for the general election and held within 60 days, but no sooner than 30 days, from the date of the vacancy. Any runoff, should one be necessary, shall be held on the first Tuesday after the fifth day following the date that voting machines used in the special election may be unsealed pursuant to § 24.2-659 of the Code of Virginia or the third Tuesday following the special election, whichever is later. However, if the date by which either the special election or possible runoff election for the office of mayor must be conducted should fall within 60 days prior to a primary election or general election, then the special or runoff election shall be held on the same day as the primary or general election, if allowed by general law, or, if not allowed by general law, then the special election shall be held on the first Tuesday after the fifth day following the date that voting machines used in the primary or general election may be unsealed pursuant to § 24.2-659 of the Code of Virginia. Any runoff that may be necessary shall be held on the first Tuesday after the fifth day following the date that the voting machines used in the special election may be unsealed pursuant to § 24.2-659 of the Code of Virginia or the third Tuesday following the special election, whichever is later. The president of the council shall serve as acting mayor until a successor is elected.

C. The procedures and deadlines for voter registration, applying for an absentee ballot, and casting an absentee ballot for any runoff election as may be necessary after a special election for mayor shall be as provided in Chapters 4 (§ 24.2-400 et seq.), 4.1 (§ 24.2-451 et seq.), and 7 (§ 24.2-700 et seq.) of Title 24.2 of the Code of Virginia for general elections.

If a rejected vehicle is not submitted to the same station within the validity period of the rejection sticker or is submitted to another official safety inspection station, an amount no greater than that permitted under subsection A may be charged for the inspection.

Every judge so designated shall have the same powers and jurisdiction and be authorized to perform the same duties as any judge of the district for which he is designated to assist, and, while so acting, his order or judgment shall be, for all purposes, the judgment of the court to which he is assigned.

3. If on account of congestion in the work of any district court or when in his opinion the administration of justice so requires, the Chief Justice of the Supreme Court may, upon his own initiative or upon written application of the chief district court judge desiring assistance, designate a judge from another district or any circuit court judge, if such circuit court judge consents, or a retired judge eligible for recall, to provide judicial assistance to such district. Every judge so designated shall have the same powers and jurisdiction and be authorized to perform the same duties as any judge of the district for which he is designated to assist and while so acting his order or judgment shall be, to all intents and purposes, the judgment of the court to which he is assigned.

4. Subject to such rules as may be established pursuant to § 16.1-69.32, the chief judge may establish special divisions of any general district court when the work of the court may be more efficiently handled thereby such as through the establishment of special civil, criminal or traffic divisions, and he may assign the judges of the general district court with respect to serving such special divisions. In the City of Richmond the general district court shall, in addition to any specialized divisions, maintain a separate division of such court in that part of Richmond south of the James River with concurrent jurisdiction ~~in civil matters whenever one or more of the defendants reside or the cause of action or any part thereof arises in that part of the city, concurrent jurisdiction over all traffic matters arising in that part of the city and concurrent jurisdiction over all other criminal matters arising in that part of the city~~ over all matters arising in the City of Richmond.

5. Subject to such rules as may be established pursuant to § 16.1-69.32, the chief judge shall determine when the district courts or divisions of such courts shall be open for the transaction of business. The chief judge or presiding judge of any district court may authorize the clerk's office to close on any date when the chief judge or presiding judge determines that operation of the clerk's office, under prevailing conditions, would constitute a threat to the health or safety of the clerk's office personnel or the general public. Closing of the clerk's office pursuant to this subsection shall have the same effect as provided in subsection B of § 1-210. In determining whether to close because of a threat to the health or safety of the general public, the chief judge or the presiding judge of the district court shall coordinate with the chief judge or presiding judge of the circuit court so that, where possible and appropriate, both the circuit and district courts take the same action. He shall determine the times each such court shall be held for the trial of civil, criminal or traffic matters and cases. He shall determine whether, in the case of district courts in counties, court shall be held at any place or places in addition to the county seat. He shall determine the office hours and arrange a vacation schedule of the judges within his district, in order to ensure the availability of a judge or judges to the public at normal times of business. A schedule of the times and places at which court is held shall be filed with the Executive Secretary of the Supreme Court and kept posted at the courthouse, and in any county also at any such other place or places where court may be held, and the clerk shall make such schedules available to the public upon request. Any matter may, in the discretion of the judge, or by direction of the chief district judge, be removed from any one of such designated places to another, or to or from the county seat, in order to serve the convenience of the parties or to expedite the administration of justice; however, any town having a population of over 15,000 as of July 1, 1972, having court facilities and a court with both general criminal and civil jurisdiction prior to July 1, 1972, shall be designated by the chief judge as a place to hold court.

6. Subject to the provisions of § 16.1-69.38, the chief judge of a general district court or the chief judge of a juvenile and domestic relations district court may establish a voluntary civil mediation program for the alternate resolution of disputes. The costs of the program shall be paid by the local governing bodies within the district or by the parties who voluntarily participate in the program.

C. The provisions of this section shall apply to all counties and cities, to all towns having a population of 3,500 or over, and to all towns constituting a separate school division regardless of their population. *However, any town with a population of less than 3,500 that voluntarily has an audit prepared shall also submit the results of such audit to the Auditor of Public Accounts.*

CHAPTER 324

An Act to amend and reenact §§ 55-248.25 and 55-248.27 of the Code of Virginia, relating to the Virginia Residential Landlord and Tenant Act; noncompliance with rental agreement; tenant's right to reasonable attorney fees.

[H 1923]

Approved March 8, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 55-248.25 and 55-248.27 of the Code of Virginia are amended and reenacted as follows:

§ 55-248.25. Landlord's noncompliance as defense to action for possession for nonpayment of rent.

A. In an action for possession based upon nonpayment of rent or in an action for rent by a landlord when the tenant is in possession, the tenant may assert as a defense that there exists upon the leased premises, a condition which constitutes or will constitute, a fire hazard or a serious threat to the life, health or safety of occupants thereof, including but not limited to

a lack of heat or running water or of light or of electricity or adequate sewage disposal facilities or an infestation of rodents, or a condition which constitutes material noncompliance on the part of the landlord with the rental agreement or provisions of law. The assertion of any defense provided for in this section shall be conditioned upon the following:

1. Prior to the commencement of the action for rent or possession, the landlord or his agent was served a written notice of the aforesaid condition or conditions by the tenant or was notified by a violation or condemnation notice from an appropriate state or municipal agency, but that the landlord has refused, or having a reasonable opportunity to do so, has failed to remedy the same. For the purposes of this subsection, what period of time shall be deemed to be unreasonable delay is left to the discretion of the court except that there shall be a rebuttable presumption that a period in excess of thirty days from receipt of the notification by the landlord is unreasonable; and

2. The tenant, if in possession, has paid into court the amount of rent found by the court to be due and unpaid, to be held by the court pending the issuance of an order under subsection C.

B. It shall be a sufficient answer to such a defense provided for in this section if the landlord establishes the conditions alleged in the defense do not in fact exist; or such conditions have been removed or remedied; or such conditions have been caused by the tenant or members of the family of such tenant or of his or their guests; or the tenant has unreasonably refused entry to the landlord to the premises for the purposes of correcting such conditions.

C. The court shall make findings of fact upon any defense raised under this section or the answer to any defense and, thereafter, shall pass such order as may be required including any one or more of the following:

1. An order to set-off to the tenant as determined by the court in such amount as may be equitable to represent the existence of any condition set forth in subsection A which is found by the court to exist;

2. Terminate the rental agreement or order surrender of the premises to the landlord; or

3. Refer any matter before the court to the proper state or municipal agency for investigation and report and grant a continuance of the action or complaint pending receipt of such investigation and report. When such a continuance is granted, the tenant shall deposit with the court any rents which will become due during the period of continuance, to be held by the court pending its further order or in its discretion the court may use such funds to pay a mortgage on the property in order to stay a foreclosure, to pay a creditor to prevent or satisfy a bill to enforce a mechanic's or materialman's lien, or to remedy any condition set forth in subsection A which is found by the court to exist.

D. If it appears that the tenant has raised a defense under this section in bad faith or has caused the violation or has unreasonably refused entry to the landlord for the purpose of correcting the condition giving rise to the violation, the court, in its discretion, may impose upon the tenant the reasonable costs of the landlord, including court costs, the costs of repair where the court finds the tenant has caused the violation, and reasonable attorney's attorney fees.

E. If the court finds that the tenant has successfully raised a defense under this section and enters judgment for the tenant, the court, in its discretion, may impose upon the landlord the reasonable costs of the tenant, including court costs, and reasonable attorney fees.

§ 55-248.27. Tenant's assertion; rent escrow.

A. The tenant may assert that there exists upon the leased premises, a condition or conditions which constitute a material noncompliance by the landlord with the rental agreement or with provisions of law, or which if not promptly corrected, will constitute a fire hazard or serious threat to the life, health or safety of occupants thereof, including but not limited to, a lack of heat or hot or cold running water, except if the tenant is responsible for payment of the utility charge and where the lack of such heat or hot or cold running water is the direct result of the tenant's failure to pay the utility charge; or of light, electricity or adequate sewage disposal facilities; or an infestation of rodents; or of the existence of paint containing lead pigment on surfaces within the dwelling, provided that the landlord has notice of such paint. The tenant may file such an assertion in a general district court wherein the premises are located by a declaration setting forth such assertion and asking for one or more forms of relief as provided for in subsection D.

B. Prior to the granting of any relief, the tenant shall show to the satisfaction of the court that:

1. Prior to the commencement of the action the landlord was served a written notice by the tenant of the conditions described in subsection A, or was notified of such conditions by a violation or condemnation notice from an appropriate state or municipal agency, and that the landlord has refused, or having a reasonable opportunity to do so, has failed to remedy the same. For the purposes of this subsection, what period of time shall be deemed to be unreasonable delay is left to the discretion of the court except that there shall be a rebuttable presumption that a period in excess of 30 days from receipt of the notification by the landlord is unreasonable; and

2. The tenant has paid into court the amount of rent called for under the rental agreement, within five days of the date due thereunder, unless or until such amount is modified by subsequent order of the court under this chapter.

C. It shall be sufficient answer or rejoinder to a declaration pursuant to subsection A if the landlord establishes to the satisfaction of the court that the conditions alleged by the tenant do not in fact exist, or such conditions have been removed or remedied, or such conditions have been caused by the tenant or members of his family or his or their invitees or licensees, or the tenant has unreasonably refused entry to the landlord to the premises for the purpose of correcting such conditions.

D. Any court shall make findings of fact on the issues before it and shall issue any order that may be required. Such an order may include, but is not limited to, any one or more of the following:

1. Terminating the rental agreement upon the request of the tenant or ordering the premises surrendered to the landlord if the landlord prevails on a request for possession pursuant to an unlawful detainer properly filed with the court;

2. Ordering all moneys already accumulated in escrow disbursed to the landlord or to the tenant in accordance with this chapter;

3. Ordering that the escrow be continued until the conditions causing the complaint are remedied;

4. Ordering that the amount of rent, whether paid into the escrow account or paid to the landlord, be abated as determined by the court in such an amount as may be equitable to represent the existence of the condition or conditions found by the court to exist. In all cases where the court deems that the tenant is entitled to relief under this chapter, the burden shall be upon the landlord to show cause why there should not be an abatement of rent;

5. Ordering any amount of moneys accumulated in escrow disbursed to the tenant where the landlord refuses to make repairs after a reasonable time or to the landlord or to a contractor chosen by the landlord in order to make repairs or to otherwise remedy the condition. In either case, the court shall in its order insure that moneys thus disbursed will be in fact used for the purpose of making repairs or effecting a remedy;

6. Referring any matter before the court to the proper state or municipal agency for investigation and report and granting a continuance of the action or complaint pending receipt of such investigation and report. When such a continuance is granted, the tenant shall deposit with the court rents within five days of date due under the rental agreement, subject to any abatement under this section, which become due during the period of the continuance, to be held by the court pending its further order;

7. In its discretion, ordering escrow funds disbursed to pay a mortgage on the property in order to stay a foreclosure; or

8. In its discretion, ordering escrow funds disbursed to pay a creditor to prevent or satisfy a bill to enforce a mechanic's or materialman's lien.

Notwithstanding any provision of this subsection, where an escrow account is established by the court and the condition or conditions are not fully remedied within six months of the establishment of such account, and the landlord has not made reasonable attempts to remedy the condition, the court shall award all moneys accumulated in escrow to the tenant. In such event, the escrow shall not be terminated, but shall begin upon a new six-month period with the same result if, at the end thereof, the condition or conditions have not been remedied.

E. The initial hearing on the tenant's assertion filed pursuant to subsection A shall be held within fifteen calendar days from the date of service of process on the landlord as authorized by § 55-248.12, except that the court shall order an earlier hearing where emergency conditions are alleged to exist upon the premises, such as failure of heat in winter, lack of adequate sewage facilities or any other condition which constitutes an immediate threat to the health or safety of the inhabitants of the leased premises. The court, on motion of either party or on its own motion, may hold hearings subsequent to the initial proceeding in order to further determine the rights and obligations of the parties. Distribution of escrow moneys may only occur by order of the court after a hearing of which both parties are given notice as required by law or upon motion of both the landlord and tenant or upon certification by the appropriate inspector that the work required by the court to be done has been satisfactorily completed. If the tenant proceeds under this subsection, he may not proceed under any other section of this article as to that breach.

F. In cases where the court deems that the tenant is entitled to relief under this section and enters judgment for the tenant, the court, in its discretion, may impose upon the landlord the reasonable costs of the tenant, including court costs, and reasonable attorney fees.

CHAPTER 334

An Act to amend and reenact §§ 38.2-2212 and 38.2-2213 of the Code of Virginia, relating to motor vehicle insurance policies; foster parents.

[H 1883]

Approved March 12, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 38.2-2212 and 38.2-2213 of the Code of Virginia are amended and reenacted as follows:

§ 38.2-2212. Grounds and procedure for cancellation of or refusal to renew motor vehicle insurance policies; review by Commissioner.

A. The following definitions shall apply to this section:

"Cancellation" or "to cancel" means a termination of a policy during the policy period.

"Insurer" means any insurance company, association, or exchange licensed to transact motor vehicle insurance in this Commonwealth.

"Policy of motor vehicle insurance" or "policy" means a policy or contract for bodily injury or property damage liability insurance issued or delivered in this Commonwealth covering liability arising from the ownership, maintenance, or

use of any motor vehicle, insuring as the named insured one individual or husband and wife who are residents of the same household, and under which the insured vehicle designated in the policy is either:

a. A motor vehicle of a private passenger, station wagon, or motorcycle type that is not used commercially, rented to others, or used as a public or livery conveyance where the term "public or livery conveyance" does not include car pools, or

b. Any other four-wheel motor vehicle which is not used in the occupation, profession, or business, other than farming, of the insured, or as a public or livery conveyance, or rented to others. The term "policy of motor vehicle insurance" or "policy" does not include (i) any policy issued through the Virginia Automobile Insurance Plan, (ii) any policy covering the operation of a garage, sales agency, repair shop, service station, or public parking place, (iii) any policy providing insurance only on an excess basis, or (iv) any other contract providing insurance to the named insured even though the contract may incidentally provide insurance on motor vehicles.

"Renewal" or "to renew" means (i) the issuance and delivery by an insurer of a policy superseding at the end of the policy period a policy previously issued and delivered by the same insurer, providing types and limits of coverage at least equal to those contained in the policy being superseded, or (ii) the issuance and delivery of a certificate or notice extending the term of a policy beyond its policy period or term with types and limits of coverage at least equal to those contained in the policy. Each renewal shall conform with the requirements of the manual rules and rating program currently filed by the insurer with the Commission. Except as provided in subsection K of this section, any policy with a policy period or term of less than 12 months or any policy with no fixed expiration date shall for the purpose of this section be considered as if written for successive policy periods or terms of six months from the original effective date.

B. This section shall apply only to that portion of a policy of motor vehicle insurance providing the coverage required by §§ 38.2-2204, 38.2-2205, and 38.2-2206.

C. 1. No insurer shall refuse to renew a motor vehicle insurance policy solely because of any one or more of the following factors:

- a. Age;
- b. Sex;
- c. Residence;
- d. Race;
- e. Color;
- f. Creed;
- g. National origin;
- h. Ancestry;

o. A single claim by a single insured submitted under the medical expense coverage due to an accident for which the insured was neither wholly nor partially at fault;

p. One or more claims submitted under the comprehensive or towing coverages. However, nothing in this section shall prohibit an insurer from modifying or refusing to renew the comprehensive or towing coverages at the time of renewal of the policy on the basis of one or more claims submitted by an insured under those coverages, provided that the insurer shall mail or deliver to the insured at the address shown in the policy, or deliver electronically to the address provided by the named insured, written notice of any such change in coverage at least 45 days prior to the renewal;

q. Two or fewer motor vehicle accidents within a three-year period unless the accident was caused either wholly or partially by the named insured, a resident of the same household, or other customary operator;

r. Credit information contained in a "consumer report," as defined in the federal Fair Credit Reporting Act, 15 U.S.C. § 1681 et seq., bearing on a natural person's creditworthiness, credit standing or credit capacity. If credit information is used, in part, as the basis for the nonrenewal, such credit information shall be based on a consumer report procured within 120 days from the effective date of the nonrenewal. The provisions of this subdivision shall apply only to insurance purchased primarily for personal, family, or household purposes; ~~or~~

s. The refusal of a motor vehicle owner as defined in § 46.2-1088.6 to provide access to recorded data from a recording device as defined in § 46.2-1088.6; *or*

t. The status of the person as a foster care provider or a person in foster care.

2. Nothing in this section shall require any insurer to renew a policy for an insured where the insured's occupation has changed so as to materially increase the risk. Nothing contained in subdivisions ~~l n, l o, and l p of this subsection~~ shall prohibit an insurer from refusing to renew a policy where a claim is false or fraudulent. Nothing in this section prohibits any insurer from setting rates in accordance with relevant actuarial data.

D. No insurer shall cancel a policy except for one or more of the following reasons:

1. The named insured or any other operator who either resides in the same household or customarily operates a motor vehicle insured under the policy has had his driver's license suspended or revoked during the policy period or, if the policy is a renewal, during its policy period or the 90 days immediately preceding the last effective date.

2. The named insured fails to pay the premium for the policy or any installment of the premium, whether payable to the insurer or its agent either directly or indirectly under any premium finance plan or extension of credit.

3. The named insured or his duly constituted attorney-in-fact has notified the insurer of a change in the insured's legal residence to a state other than Virginia and the insured vehicle will be principally garaged in the new state of legal residence.

E. No cancellation or refusal to renew by an insurer of a policy of motor vehicle insurance shall be effective unless the insurer delivers or mails to the named insured at the address shown in the policy a written notice of the cancellation or refusal to renew, or the insurer delivers such notice electronically to the address provided by the named insured. The notice shall:

1. Be in a type size authorized under § 38.2-311.

2. State the effective date of the cancellation or refusal to renew. The effective date of cancellation or refusal to renew shall be at least 45 days after mailing or delivering to the insured the notice of cancellation or notice of refusal to renew. However, when the policy is being canceled or not renewed for the reason set forth in subdivision D 2 of subsection D of this section the effective date may be less than 45 days but at least 15 days from the date of mailing or delivery.

3. State the specific reason of the insurer for cancellation or refusal to renew and provide for the notification required by §§ 38.2-608, 38.2-609, and subsection B of § 38.2-610. However, those notification requirements shall not apply when the policy is being canceled or not renewed for the reason set forth in subdivision D 2 of subsection D of this section.

4. Inform the insured of his right to request in writing within 15 days of the receipt of the notice that the Commissioner review the action of the insurer.

The notice of cancellation or refusal to renew shall contain the following statement to inform the insured of such right:

IMPORTANT NOTICE

Within 15 days of receiving this notice, you or your attorney may request in writing that the Commissioner of Insurance review this action to determine whether the insurer has complied with Virginia laws in canceling or nonrenewing your policy. If this insurer has failed to comply with the cancellation or nonrenewal laws, the Commissioner may require that your policy be reinstated. However, the Commissioner is prohibited from making underwriting judgments. If this insurer has complied with the cancellation or nonrenewal laws, the Commissioner does not have the authority to overturn this action.

5. Inform the insured of the possible availability of other insurance which may be obtained through his agent, through another insurer, or through the Virginia Automobile Insurance Plan.

6. If sent by mail or delivered electronically, comply with the provisions of § 38.2-2208.

Nothing in this subsection prohibits any insurer or agent from including in the notice of cancellation or refusal to renew, any additional disclosure statements required by state or federal laws, or any additional information relating to the availability of other insurance.

F. Nothing in this section shall apply:

1. If the insurer or its agent acting on behalf of the insurer has manifested its willingness to renew by issuing or offering to issue a renewal policy, certificate, or other evidence of renewal, or has manifested its willingness to renew in writing to the insured. The written manifestation shall include the name of a proposed insurer, the expiration date of the policy, the type of insurance coverage, and information regarding the estimated renewal premium. The insurer shall retain a copy of each written manifestation for a period of at least one year from the expiration date of any policy that is not renewed;

2. If the named insured, or his duly constituted attorney-in-fact, has notified the insurer or its agent orally, or in writing, if the insurer requires such notification to be in writing, that he wishes the policy to be canceled or that he does not wish the policy to be renewed, or if prior to the date of expiration he fails to accept the offer of the insurer to renew the policy;

3. To any motor vehicle insurance policy which has been in effect less than 60 days when the termination notice is mailed or delivered to the insured, unless it is a renewal policy; or

4. If an affiliated insurer has manifested its willingness to provide coverage at a lower premium than would have been charged for the same exposures on the expiring policy. The affiliated insurer shall manifest its willingness to provide coverage by issuing a policy with the types and limits of coverage at least equal to those contained in the expiring policy unless the named insured has requested a change in coverage or limits. When such offer is made by an affiliated insurer, an offer of renewal shall not be required of the insurer of the expiring policy, and the policy issued by the affiliated insurer shall be deemed to be a renewal policy.

G. There shall be no liability on the part of and no cause of action of any nature shall arise against the Commissioner or his subordinates; any insurer, its authorized representatives, its agents, or its employees; or any person furnishing to the insurer information as to reasons for cancellation or refusal to renew, for any statement made by any of them in complying with this section or for providing information pertaining to the cancellation or refusal to renew. For the purposes of this section, no insurer shall be required to furnish a notice of cancellation or refusal to renew to anyone other than the named insured, any person designated by the named insured, or any other person to whom such notice is required to be given by the terms of the policy and the Commissioner.

H. Within 15 days of receipt of the notice of cancellation or refusal to renew, any insured or his attorney shall be entitled to request in writing to the Commissioner that he review the action of the insurer in canceling or refusing to renew the policy

of the insured. Upon receipt of the request, the Commissioner shall promptly begin a review to determine whether the insurer's cancellation or refusal to renew complies with the requirements of this section and of § 38.2-2208 if the notice was sent by mail or delivered electronically. The policy shall remain in full force and effect during the pendency of the review by the Commissioner except where the cancellation or refusal to renew is for the reason set forth in subdivision D 2 of ~~subsection D of this section~~, in which case the policy shall terminate as of the effective date stated in the notice. Where the Commissioner finds from the review that the cancellation or refusal to renew has not complied with the requirements of this section or of § 38.2-2208, he shall immediately notify the insurer, the insured and any other person to whom such notice was required to be given by the terms of the policy that the cancellation or refusal to renew is not effective. Nothing in this section authorizes the Commissioner to substitute his judgment as to underwriting for that of the insurer. Where the Commissioner finds in favor of the insured, the Commission in its discretion may award the insured reasonable attorneys' fees.

I. Each insurer shall maintain for at least one year, records of cancellation and refusal to renew and copies of every notice or statement referred to in subsection E ~~of this section~~ that it sends to any of its insureds.

J. The provisions of this section shall not apply to any insurer that limits the issuance of policies of motor vehicle liability insurance to one class or group of persons engaged in any one particular profession, trade, occupation, or business. Nothing in this section requires an insurer to renew a policy of motor vehicle insurance if the insured does not conform to the occupational or membership requirements of an insurer who limits its writings to an occupation or membership of an organization. No insurer is required to renew a policy if the insured becomes a nonresident of Virginia.

K. Notwithstanding any other provision of this section, a motor vehicle insurance policy with a policy period or term of five months or less may expire at its expiration date when the insurer has manifested in writing its willingness to renew the policy for at least 30 days and has mailed or delivered the written manifestation to the insured at least 15 days before the expiration date of the policy. The written manifestation shall include the name of the proposed insurer, the expiration date of the policy, the type of insurance coverage, and the estimated renewal premium. The insurer shall retain a copy of the written manifestation for at least one year from the expiration date of any policy that is not renewed.

§ 38.2-2213. Discrimination in issuance of motor vehicle insurance.

No insurer or agent shall refuse to issue a motor vehicle insurance policy as defined in § 38.2-2212 solely because of any one or more of the following factors: the age, sex, residence, race, color, creed, national origin, ancestry, marital status, *status of a person as a foster care provider or a person in foster care*, or lawful occupation, including the military service, of the person seeking the coverage. Nothing in this section prohibits any insurer from limiting the issuance of motor vehicle insurance policies to those who are residents of this Commonwealth nor does this section prohibit any insurer from limiting the issuance of motor vehicle insurance policies only to persons engaging in or who have engaged in a particular profession or occupation, or who are members of a particular religious sect. Nothing in this section prohibits any insurer from setting rates in accordance with relevant actuarial data.

A prescription for a controlled substance may be issued only by a practitioner of medicine, osteopathy, podiatry, dentistry or veterinary medicine who is authorized to prescribe controlled substances, or by a licensed nurse practitioner pursuant to § 54.1-2957.01, a licensed physician assistant pursuant to § 54.1-2952.1, or a TPA-certified optometrist pursuant to Article 5 (§ 54.1-3222 et seq.) of Chapter 32.

B. A prescription shall be issued only to persons or animals with whom the practitioner has a bona fide practitioner-patient relationship or veterinarian-client-patient relationship.

A bona fide practitioner-patient relationship shall exist if the practitioner has (i) obtained or caused to be obtained a medical or drug history of the patient; (ii) provided information to the patient about the benefits and risks of the drug being prescribed; (iii) performed or caused to be performed an appropriate examination of the patient, either physically or by the use of instrumentation and diagnostic equipment through which images and medical records may be transmitted electronically; and (iv) initiated additional interventions and follow-up care, if necessary, especially if a prescribed drug may have serious side effects. Except in cases involving a medical emergency, the examination required pursuant to clause (iii) shall be performed by the practitioner prescribing the controlled substance, a practitioner who practices in the same group as the practitioner prescribing the controlled substance, or a consulting practitioner. In cases in which the practitioner is an employee of *or contracted by* the Department of Health *or a local health department* and is providing expedited

partner therapy consistent with the recommendations of the Centers for Disease Control and Prevention, the examination required by clause (iii) shall not be required.

A practitioner who has established a bona fide practitioner-patient relationship with a patient in accordance with the provisions of this subsection may prescribe Schedule II through VI controlled substances to that patient, provided that, in cases in which the practitioner has performed the examination required pursuant to clause (iii) by use of instrumentation and diagnostic equipment through which images and medical records may be transmitted electronically, the prescribing of such Schedule II through V controlled substance is in compliance with federal requirements for the practice of telemedicine.

For the purpose of prescribing a Schedule VI controlled substance to a patient via telemedicine services as defined in § 38.2-3418.16, a prescriber may establish a bona fide practitioner-patient relationship by an examination through face-to-face interactive, two-way, real-time communications services or store-and-forward technologies when all of the following conditions are met: (a) the patient has provided a medical history that is available for review by the prescriber; (b) the prescriber obtains an updated medical history at the time of prescribing; (c) the prescriber makes a diagnosis at the time of prescribing; (d) the prescriber conforms to the standard of care expected of in-person care as appropriate to the patient's age and presenting condition, including when the standard of care requires the use of diagnostic testing and performance of a physical examination, which may be carried out through the use of peripheral devices appropriate to the patient's condition; (e) the prescriber is actively licensed in the Commonwealth and authorized to prescribe; (f) if the patient is a member or enrollee of a health plan or carrier, the prescriber has been credentialed by the health plan or carrier as a participating provider and the diagnosing and prescribing meets the qualifications for reimbursement by the health plan or carrier pursuant to § 38.2-3418.16; and (g) upon request, the prescriber provides patient records in a timely manner in accordance with the provisions of § 32.1-127.1:03 and all other state and federal laws and regulations. Nothing in this paragraph shall permit a prescriber to establish a bona fide practitioner-patient relationship for the purpose of prescribing a Schedule VI controlled substance when the standard of care dictates that an in-person physical examination is necessary for diagnosis. Nothing in this paragraph shall apply to: (1) a prescriber providing on-call coverage per an agreement with another prescriber or his prescriber's professional entity or employer; (2) a prescriber consulting with another prescriber regarding a patient's care; or (3) orders of prescribers for hospital out-patients or in-patients.

For purposes of this section, a bona fide veterinarian-client-patient relationship is one in which a veterinarian, another veterinarian within the group in which he practices, or a veterinarian with whom he is consulting has assumed the responsibility for making medical judgments regarding the health of and providing medical treatment to an animal as defined in § 3.2-6500, other than an equine as defined in § 3.2-6200, a group of agricultural animals as defined in § 3.2-6500, or bees as defined in § 3.2-4400, and a client who is the owner or other caretaker of the animal, group of agricultural animals, or bees has consented to such treatment and agreed to follow the instructions of the veterinarian. Evidence that a veterinarian has assumed responsibility for making medical judgments regarding the health of and providing medical treatment to an animal, group of agricultural animals, or bees shall include evidence that the veterinarian (A) has sufficient knowledge of the animal, group of agricultural animals, or bees to provide a general or preliminary diagnosis of the medical condition of the animal, group of agricultural animals, or bees; (B) has made an examination of the animal, group of agricultural animals, or bees, either physically or by the use of instrumentation and diagnostic equipment through which images and medical records may be transmitted electronically or has become familiar with the care and keeping of that species of animal or bee on the premises of the client, including other premises within the same operation or production system of the client, through medically appropriate and timely visits to the premises at which the animal, group of agricultural animals, or bees are kept; and (C) is available to provide follow-up care.

C. A prescription shall only be issued for a medicinal or therapeutic purpose in the usual course of treatment or for authorized research. A prescription not issued in the usual course of treatment or for authorized research is not a valid prescription. A practitioner who prescribes any controlled substance with the knowledge that the controlled substance will be used otherwise than for medicinal or therapeutic purposes shall be subject to the criminal penalties provided in § 18.2-248 for violations of the provisions of law relating to the distribution or possession of controlled substances.

D. No prescription shall be filled unless a bona fide practitioner-patient-pharmacist relationship exists. A bona fide practitioner-patient-pharmacist relationship shall exist in cases in which a practitioner prescribes, and a pharmacist dispenses, controlled substances in good faith to a patient for a medicinal or therapeutic purpose within the course of his professional practice.

In cases in which it is not clear to a pharmacist that a bona fide practitioner-patient relationship exists between a prescriber and a patient, a pharmacist shall contact the prescribing practitioner or his agent and verify the identity of the patient and name and quantity of the drug prescribed.

Any person knowingly filling an invalid prescription shall be subject to the criminal penalties provided in § 18.2-248 for violations of the provisions of law relating to the sale, distribution or possession of controlled substances.

E. Notwithstanding any provision of law to the contrary and consistent with recommendations of the Centers for Disease Control and Prevention or the Department of Health, a practitioner may prescribe Schedule VI antibiotics and antiviral agents to other persons in close contact with a diagnosed patient when (i) the practitioner meets all requirements of a bona fide practitioner-patient relationship, as defined in subsection B, with the diagnosed patient; (ii) in the practitioner's professional judgment, the practitioner deems there is urgency to begin treatment to prevent the transmission of a communicable disease; (iii) the practitioner has met all requirements of a bona fide practitioner-patient relationship, as defined in subsection B, for the close contact except for the physical examination required in clause (iii) of subsection B;

and (iv) when such emergency treatment is necessary to prevent imminent risk of death, life-threatening illness, or serious disability. *In cases in which the practitioner is an employee of or contracted by the Department of Health or a local health department, the bona-fide practitioner-patient relationship with the diagnosed patient, as required by clause (i), shall not be required.*

F. A pharmacist may dispense a controlled substance pursuant to a prescription of an out-of-state practitioner of medicine, osteopathy, podiatry, dentistry, optometry, or veterinary medicine, a nurse practitioner, or a physician assistant authorized to issue such prescription if the prescription complies with the requirements of this chapter and the Drug Control Act (§ 54.1-3400 et seq.).

G. A licensed nurse practitioner who is authorized to prescribe controlled substances pursuant to § 54.1-2957.01 may issue prescriptions or provide manufacturers' professional samples for controlled substances and devices as set forth in the Drug Control Act (§ 54.1-3400 et seq.) in good faith to his patient for a medicinal or therapeutic purpose within the scope of his professional practice.

H. A licensed physician assistant who is authorized to prescribe controlled substances pursuant to § 54.1-2952.1 may issue prescriptions or provide manufacturers' professional samples for controlled substances and devices as set forth in the Drug Control Act (§ 54.1-3400 et seq.) in good faith to his patient for a medicinal or therapeutic purpose within the scope of his professional practice.

I. A TPA-certified optometrist who is authorized to prescribe controlled substances pursuant to Article 5 (§ 54.1-3222 et seq.) of Chapter 32 may issue prescriptions in good faith or provide manufacturers' professional samples to his patients for medicinal or therapeutic purposes within the scope of his professional practice for the drugs specified on the TPA-Formulary, established pursuant to § 54.1-3223, which shall be limited to (i) analgesics included on Schedule II controlled substances as defined in § 54.1-3448 of the Drug Control Act (§ 54.1-3400 et seq.) consisting of hydrocodone in combination with acetaminophen; (ii) oral analgesics included in Schedules III through VI, as defined in §§ 54.1-3450 and 54.1-3455 of the Drug Control Act (§ 54.1-3400 et seq.), which are appropriate to relieve ocular pain; (iii) other oral Schedule VI controlled substances, as defined in § 54.1-3455 of the Drug Control Act, appropriate to treat diseases and abnormal conditions of the human eye and its adnexa; (iv) topically applied Schedule VI drugs, as defined in § 54.1-3455 of the Drug Control Act; and (v) intramuscular administration of epinephrine for treatment of emergency cases of anaphylactic shock.

J. The requirement for a bona fide practitioner-patient relationship shall be deemed to be satisfied by a member or committee of a hospital's medical staff when approving a standing order or protocol for the administration of influenza vaccinations and pneumococcal vaccinations in a hospital in compliance with § 32.1-126.4.

K. Notwithstanding any other provision of law, a prescriber may authorize a registered nurse or licensed practical nurse to approve additional refills of a prescribed drug for no more than 90 consecutive days, provided that (i) the drug is classified as a Schedule VI drug; (ii) there are no changes in the prescribed drug, strength, or dosage; (iii) the prescriber has a current written protocol, accessible by the nurse, that identifies the conditions under which the nurse may approve additional refills; and (iv) the nurse documents in the patient's chart any refills authorized for a specific patient pursuant to the protocol and the additional refills are transmitted to a pharmacist in accordance with the allowances for an authorized agent to transmit a prescription orally or by facsimile pursuant to subsection C of § 54.1-3408.01 and regulations of the Board.

§ 54.1-3303. (Effective July 1, 2020) Prescriptions to be issued and drugs to be dispensed for medical or therapeutic purposes only.

A. A prescription for a controlled substance may be issued only by a practitioner of medicine, osteopathy, podiatry, dentistry or veterinary medicine who is authorized to prescribe controlled substances, or by a licensed nurse practitioner pursuant to § 54.1-2957.01, a licensed physician assistant pursuant to § 54.1-2952.1, or a TPA-certified optometrist pursuant to Article 5 (§ 54.1-3222 et seq.) of Chapter 32. The prescription shall be issued for a medicinal or therapeutic purpose and may be issued only to persons or animals with whom the practitioner has a bona fide practitioner-patient relationship or veterinarian-client-patient relationship.

For purposes of this section, a bona fide practitioner-patient-pharmacist relationship is one in which a practitioner prescribes, and a pharmacist dispenses, controlled substances in good faith to his patient for a medicinal or therapeutic purpose within the course of his professional practice. In addition, a bona fide practitioner-patient relationship means that the practitioner shall (i) ensure that a medical or drug history is obtained; (ii) provide information to the patient about the benefits and risks of the drug being prescribed; (iii) perform or have performed an appropriate examination of the patient, either physically or by the use of instrumentation and diagnostic equipment through which images and medical records may be transmitted electronically; except for medical emergencies, the examination of the patient shall have been performed by the practitioner himself, within the group in which he practices, or by a consulting practitioner prior to issuing a prescription; and (iv) initiate additional interventions and follow-up care, if necessary, especially if a prescribed drug may have serious side effects. A practitioner who performs or has performed an appropriate examination of the patient required pursuant to clause (iii), either physically or by the use of instrumentation and diagnostic equipment through which images and medical records may be transmitted electronically, for the purpose of establishing a bona fide practitioner-patient relationship, may prescribe Schedule II through VI controlled substances to the patient, provided that the prescribing of such Schedule II through V controlled substance is in compliance with federal requirements for the practice of telemedicine.

For the purpose of prescribing a Schedule VI controlled substance to a patient via telemedicine services as defined in § 38.2-3418.16, a prescriber may establish a bona fide practitioner-patient relationship by an examination through face-to-face interactive, two-way, real-time communications services or store-and-forward technologies when all of the following conditions are met: (a) the patient has provided a medical history that is available for review by the prescriber; (b) the prescriber obtains an updated medical history at the time of prescribing; (c) the prescriber makes a diagnosis at the time of prescribing; (d) the prescriber conforms to the standard of care expected of in-person care as appropriate to the patient's age and presenting condition, including when the standard of care requires the use of diagnostic testing and performance of a physical examination, which may be carried out through the use of peripheral devices appropriate to the patient's condition; (e) the prescriber is actively licensed in the Commonwealth and authorized to prescribe; (f) if the patient is a member or enrollee of a health plan or carrier, the prescriber has been credentialed by the health plan or carrier as a participating provider and the diagnosing and prescribing meets the qualifications for reimbursement by the health plan or carrier pursuant to § 38.2-3418.16; and (g) upon request, the prescriber provides patient records in a timely manner in accordance with the provisions of § 32.1-127.1:03 and all other state and federal laws and regulations. Nothing in this paragraph shall permit a prescriber to establish a bona fide practitioner-patient relationship for the purpose of prescribing a Schedule VI controlled substance when the standard of care dictates that an in-person physical examination is necessary for diagnosis. Nothing in this paragraph shall apply to: (1) a prescriber providing on-call coverage per an agreement with another prescriber or his prescriber's professional entity or employer; (2) a prescriber consulting with another prescriber regarding a patient's care; or (3) orders of prescribers for hospital out-patients or in-patients.

For purposes of this section, a bona fide veterinarian-client-patient relationship is one in which a veterinarian, another veterinarian within the group in which he practices, or a veterinarian with whom he is consulting has assumed the responsibility for making medical judgments regarding the health of and providing medical treatment to an animal as defined in § 3.2-6500, other than an equine as defined in § 3.2-6200, a group of agricultural animals as defined in § 3.2-6500, or bees as defined in § 3.2-4400, and a client who is the owner or other caretaker of the animal, group of agricultural animals, or bees has consented to such treatment and agreed to follow the instructions of the veterinarian. Evidence that a veterinarian has assumed responsibility for making medical judgments regarding the health of and providing medical treatment to an animal, group of agricultural animals, or bees shall include evidence that the veterinarian (A) has sufficient knowledge of the animal, group of agricultural animals, or bees to provide a general or preliminary diagnosis of the medical condition of the animal, group of agricultural animals, or bees; (B) has made an examination of the animal, group of agricultural animals, or bees, either physically or by the use of instrumentation and diagnostic equipment through which images and medical records may be transmitted electronically or has become familiar with the care and keeping of that species of animal or bee on the premises of the client, including other premises within the same operation or production system of the client, through medically appropriate and timely visits to the premises at which the animal, group of agricultural animals, or bees are kept; and (C) is available to provide follow-up care.

Any practitioner who prescribes any controlled substance with the knowledge that the controlled substance will be used otherwise than medicinally or for therapeutic purposes shall be subject to the criminal penalties provided in § 18.2-248 for violations of the provisions of law relating to the distribution or possession of controlled substances.

B. In order to determine whether a prescription that appears questionable to the pharmacist results from a bona fide practitioner-patient relationship, the pharmacist shall contact the prescribing practitioner or his agent and verify the identity of the patient and name and quantity of the drug prescribed. The person knowingly filling an invalid prescription shall be subject to the criminal penalties provided in § 18.2-248 for violations of the provisions of law relating to the sale, distribution or possession of controlled substances.

No prescription shall be filled unless there is a bona fide practitioner-patient-pharmacist relationship. A prescription not issued in the usual course of treatment or for authorized research is not a valid prescription.

C. Notwithstanding any provision of law to the contrary and consistent with recommendations of the Centers for Disease Control and Prevention or the Department of Health, a practitioner may prescribe Schedule VI antibiotics and antiviral agents to other persons in close contact with a diagnosed patient when (i) the practitioner meets all requirements of a bona fide practitioner-patient relationship, as defined in subsection A, with the diagnosed patient; (ii) in the practitioner's professional judgment, the practitioner deems there is urgency to begin treatment to prevent the transmission of a communicable disease; (iii) the practitioner has met all requirements of a bona fide practitioner-patient relationship, as defined in subsection A, for the close contact except for the physical examination required in clause (iii) of subsection A; and (iv) when such emergency treatment is necessary to prevent imminent risk of death, life-threatening illness, or serious disability. *In cases in which the practitioner is an employee of or contracted by the Department of Health or a local health department, the bona-fide practitioner-patient relationship with the diagnosed patient, as required by clause (i), shall not be required.*

D. A pharmacist may dispense a controlled substance pursuant to a prescription of an out-of-state practitioner of medicine, osteopathy, podiatry, dentistry, optometry, or veterinary medicine, a nurse practitioner, or a physician assistant authorized to issue such prescription if the prescription complies with the requirements of this chapter and the Drug Control Act (§ 54.1-3400 et seq.).

E. A licensed nurse practitioner who is authorized to prescribe controlled substances pursuant to § 54.1-2957.01 may issue prescriptions or provide manufacturers' professional samples for controlled substances and devices as set forth in the

Drug Control Act (§ 54.1-3400 et seq.) in good faith to his patient for a medicinal or therapeutic purpose within the scope of his professional practice.

F. A licensed physician assistant who is authorized to prescribe controlled substances pursuant to § 54.1-2952.1 may issue prescriptions or provide manufacturers' professional samples for controlled substances and devices as set forth in the Drug Control Act (§ 54.1-3400 et seq.) in good faith to his patient for a medicinal or therapeutic purpose within the scope of his professional practice.

G. A TPA-certified optometrist who is authorized to prescribe controlled substances pursuant to Article 5 (§ 54.1-3222 et seq.) of Chapter 32 may issue prescriptions in good faith or provide manufacturers' professional samples to his patients for medicinal or therapeutic purposes within the scope of his professional practice for the drugs specified on the TPA-Formulary, established pursuant to § 54.1-3223, which shall be limited to (i) analgesics included on Schedule II controlled substances as defined in § 54.1-3448 of the Drug Control Act (§ 54.1-3400 et seq.) consisting of hydrocodone in combination with acetaminophen; (ii) oral analgesics included in Schedules III through VI, as defined in §§ 54.1-3450 and 54.1-3455 of the Drug Control Act (§ 54.1-3400 et seq.), which are appropriate to relieve ocular pain; (iii) other oral Schedule VI controlled substances, as defined in § 54.1-3455 of the Drug Control Act, appropriate to treat diseases and abnormal conditions of the human eye and its adnexa; (iv) topically applied Schedule VI drugs, as defined in § 54.1-3455 of the Drug Control Act; and (v) intramuscular administration of epinephrine for treatment of emergency cases of anaphylactic shock.

H. The requirement for a bona fide practitioner-patient relationship shall be deemed to be satisfied by a member or committee of a hospital's medical staff when approving a standing order or protocol for the administration of influenza vaccinations and pneumococcal vaccinations in a hospital in compliance with § 32.1-126.4.

I. Notwithstanding any other provision of law, a prescriber may authorize a registered nurse or licensed practical nurse to approve additional refills of a prescribed drug for no more than 90 consecutive days, provided that (i) the drug is classified as a Schedule VI drug; (ii) there are no changes in the prescribed drug, strength, or dosage; (iii) the prescriber has a current written protocol, accessible by the nurse, that identifies the conditions under which the nurse may approve additional refills; and (iv) the nurse documents in the patient's chart any refills authorized for a specific patient pursuant to the protocol and the additional refills are transmitted to a pharmacist in accordance with the allowances for an authorized agent to transmit a prescription orally or by facsimile pursuant to subsection C of § 54.1-3408.01 and regulations of the Board.

CHAPTER 336

An Act to amend and reenact §§ 63.2-902 and 63.2-904 of the Code of Virginia, relating to foster care agreements; rights of foster parent; dispute resolution; regulations.

[H 2108]

Approved March 12, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 63.2-902 and 63.2-904 of the Code of Virginia are amended and reenacted as follows:

§ 63.2-902. Agreements with persons taking children.

A. Every local board and licensed child-placing agency shall, with respect to each child placed by it in a foster home or children's residential facility, enter into a written agreement contained in an approved foster care policy with the head of such home or facility, which agreement shall provide that the authorized representatives of the local board or agency shall have access at all times to such child and to the home or facility, and that the head of the home or facility will release custody of the child so placed to the authorized representatives of the local board or agency whenever, in the opinion of the local board or agency, or in the opinion of the Commissioner, it is in the best interests of the child.

B. *Local boards and licensed child-placing agencies shall implement and publicize a dispute resolution process through which a foster parent may contest an alleged violation of the regulations governing the collaboration, communication, access, and transparency between the local boards and licensed child-placing agencies and foster parents. Prior to filing a complaint through such dispute resolution process, the foster parent shall contact the family services specialist assigned to the foster home, provide a detailed description of the conduct constituting the alleged violation of the regulations governing collaboration, communication, access, and transparency between the local boards and licensed child-placing agencies and foster parents, and attempt to resolve the dispute. Family services specialists shall respond within five business days and explain any corrective action to be taken in response to the foster parent's complaint. If the foster parent and family services specialist are unable to resolve the complaint informally, the foster parent may file a written complaint through the dispute resolution process with the local board's foster care supervisor or assigned designee. The complaint shall include a detailed description of the conduct constituting the alleged violation of the regulations governing collaboration, communication, access, and transparency between the local boards and licensed child-placing agencies and foster parents, along with any other information required by Department regulation. The foster care supervisor or assigned designee shall respond to the complaint in writing within five business days, setting forth all findings regarding the alleged violation and any corrective action to be taken.*

If the foster parent disagrees with the findings or corrective actions proposed by the foster care supervisor or assigned designee, the foster parent may appeal the decision to the local director by filing a written notice of appeal. The notice of appeal shall include a detailed description of the conduct constituting the alleged violation of the regulations governing collaboration, communication, access, and transparency between the local boards and licensed child-placing agencies and foster parents, a copy of the foster care supervisor or assigned designee's findings and recommendations, and any other information required by Department regulation. The local director shall hold a meeting between all parties within seven business days to gather any information necessary to determine the validity of the alleged violation of the regulations governing collaboration, communication, access, and transparency between the local boards and licensed child-placing agencies and foster parents and the appropriateness of any recommendations for corrective action made by the family services specialist and foster care supervisor or assigned designee. A summary of the meeting shall be documented in writing by the family services specialist after approval by the foster care supervisor or assigned designee. Following such meeting and documentation, the local director shall issue to all parties written findings and, when applicable, recommendations for corrective action.

§ 63.2-904. Investigation, visitation, and supervision of foster homes or independent living arrangement; removal of child.

A. Before placing or arranging for the placement of any such child in a foster home or independent living arrangement, a local board or licensed child-placing agency shall cause a careful study to be made to determine the suitability of such home or independent living arrangement, and after placement shall cause such home or independent living arrangement and child to be visited as often as necessary to protect the interests of such child. Home studies by local boards shall be conducted in accordance with the Mutual Family Assessment home study template and any addenda thereto developed by the Department.

B. Every local board or licensed child-placing agency that places a child in a foster home or independent living arrangement shall maintain such supervision over such home or independent living arrangement as shall be required by the standards and policies established by the Board.

C. Whenever any child placed by a local board or licensed child-placing agency and still under its control or supervision is subject, in the home in which he is placed, to unwholesome influences or to neglect or mistreatment, or whenever the Commissioner shall so order, such local board or agency shall cause the child to be removed from such home and shall make for him such arrangements as may be approved by the Commissioner. *Notwithstanding any other provision of law, the Commissioner shall have the authority to place, remove, or direct the placement or removal of any child who is under the supervision and control of a local board or licensed child-placing agency. Pursuant to such authority, the Commissioner shall remove or direct the removal of any child placed by a local board or licensed child-placing agency in a foster home or children's residential facility that fails to comply with any state or federal requirements intended to protect the child's health, safety, or well-being.*

D. Consistent with the reasonable and prudent parent standard defined in 42 U.S.C. § 675(10)(A), caregivers for children in foster care shall support normalcy for such children. The Board shall adopt regulations to assist local boards and licensed child-placing agencies in carrying out practices that support careful and sensible parental decisions that maintain the health, safety, and best interest of the child while at the same time encouraging his emotional and developmental growth.

2. That the Department of Social Services shall promulgate regulations to ensure collaboration, communication, access, and transparency between the local boards and licensed child-placing agencies and foster parents to be effective within 280 days of the enactment of this act. These regulations shall include a statement of the rights and responsibilities of foster parents, requirements for the provision of background, medical, and psychological information to foster parents for each child placed in their home, and requirements for notice to foster parents of any court hearings and scheduled meetings regarding a foster child placed in their care.

CHAPTER 337

An Act to amend the Code of Virginia by adding a section numbered 38.2-3407.9:05, relating to accident and sickness insurance; step therapy protocols.

[H 2126]

Approved March 12, 2019

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding a section numbered 38.2-3407.9:05 as follows:

§ 38.2-3407.9:05. Step therapy protocols.

A. *As used in this section:*

"Carrier" means any (i) insurer issuing individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; (ii) corporation providing individual or group accident and sickness subscription contracts; or (iii) health maintenance organization providing a health care plan for health care services. "Carrier" includes any entity administering a policy or plan providing health insurance coverage to state employees pursuant to § 2.2-2818 but does not include any entity administering a policy or plan providing coverage

pursuant to Title XVIII of the Social Security Act, 42 U.S.C. § 1395 et seq. (Medicare); Title XIX of the Social Security Act, 42 U.S.C. § 1396 et seq. (Medicaid); or Title XXI of the Social Security Act, 42 U.S.C. § 1397aa et seq. (CHIP).

"Clinical practice guideline" means a systematically developed statement to assist decision making by providers about appropriate health care for a specific clinical circumstance or condition.

"Clinical review criteria" means the written screening procedures, decision abstracts, clinical protocols, and practice guidelines used by a carrier, utilization review organization, or independent review organization to determine the medical necessity and appropriateness of a health care service.

"Health benefit plan" means a policy, contract, certificate, or agreement offered by a carrier to provide, deliver, arrange for, pay for, or reimburse any of the costs of services for the diagnosis, prevention, treatment, cure, or relief of a health condition, illness, injury, or disease and that provides coverage for prescription drugs. "Health benefit plan" includes any policy or plan providing health insurance coverage to state employees pursuant to § 2.2-2818.

"Patient" means a policyholder, subscriber, participant, or other individual covered by a health benefit plan.

"Provider" means a hospital, physician, or any type of provider licensed, certified, or authorized by statute to provide a covered service under the health benefit plan.

"Step therapy exception" means overriding a step therapy protocol in favor of immediate coverage of the provider's selected prescription drug provided that such drug is covered under the health benefit plan, which determination is based on a review of the patient's or prescribing provider's request for an override, along with supporting rationale and documentation.

"Step therapy protocol" means a protocol setting the sequence in which prescription drugs for a specified medical condition and medically appropriate for a particular patient are covered under a health benefit plan.

"Utilization review organization" means an entity that conducts utilization review, other than a carrier performing utilization review for its own health benefit plans.

B. Carriers or utilization review organizations that develop step therapy protocols for a health benefit plan shall ensure that those step therapy protocols:

1. Are developed and endorsed by a multidisciplinary panel of experts that manages conflicts of interest among the members of the writing and review groups by requiring members to disclose to the carrier any potential conflict of interest, including carriers and pharmaceutical manufacturers, and recuse themselves of voting if they have a conflict of interest;

2. Are based on peer-reviewed research and medical practice, and may also consider published clinical practice guidelines established for relevant patient subgroups in addition to or in the absence of peer-reviewed research; and

3. Are continually updated based on a review of new evidence, research, and newly developed treatments.

C. When establishing a step therapy protocol, a utilization review agent may also take into account the needs of atypical patient populations and diagnoses when establishing clinical review criteria.

D. This section shall not be construed to require carriers to set up a new entity to develop clinical review criteria used for step therapy protocols.

E. When coverage of a prescription drug for the treatment of any medical condition is restricted for use by a carrier or utilization review organization through the use of a step therapy protocol, the patient and prescribing provider shall have access to a clear, readily accessible, and convenient process to request a step therapy exception. A carrier or utilization review organization may use its existing medical exceptions process to satisfy this requirement. The process shall be made easily accessible on the carrier's or utilization review organization's website.

F. A step therapy exception request shall be granted if the prescribing provider's submitted justification and supporting clinical documentation, if needed, are determined to support the prescribing provider's statement that:

1. The required prescription drug is contraindicated;

2. The required drug would be ineffective based on the known clinical characteristics of the patient and the known characteristics of the prescription drug regimen;

3. The patient has tried the step therapy-required prescription drug while under their current or a previous health benefit plan, and such prescription drug was discontinued due to lack of efficacy or effectiveness, diminished effect, or an adverse event; or

4. The patient is currently receiving a positive therapeutic outcome on a prescription drug recommended by his provider for the medical condition under consideration while on a current or the immediately preceding health benefit plan.

G. Upon the granting of a step therapy exception, the carrier or utilization review organization shall authorize coverage for the prescription drug prescribed by the patient's treating provider, provided that the prescription drug is covered under the current health benefit plan.

H. The carrier or utilization review organization shall respond to a step therapy exception request within 72 hours of receipt, including hours on weekends, that the request is approved, denied, or requires supplementation. In cases where exigent circumstances exist, a carrier or utilization review organization shall respond within 24 hours of receipt, including hours on weekends, that the request is approved, denied, or requires supplementation.

I. A patient may appeal any step therapy exception request denial made pursuant to this section under the health benefit plan's existing appeal procedures.

J. Drug samples shall not be considered trial and failure of a preferred drug.

K. This section shall not be construed to prevent a carrier or utilization review organization from requiring an enrollee to try an AB-rated generic equivalent or interchangeable biological product prior to providing coverage, or substitute a generic for a branded drug.

L. Pursuant to the authority granted by § 38.2-223, the Commission may promulgate such rules and regulations as it may deem necessary to implement this section.

Approved March 12, 2019

Be it enacted by the General Assembly of Virginia:

§ 32.1-102.2. (Effective until July 1, 2019) Regulations.

A. The Board shall promulgate regulations which are consistent with this article and:

1. Shall establish concise procedures for the prompt review of applications for certificates consistent with the provisions of this article which may include a structured batching process which incorporates, but is not limited to, authorization for the Commissioner to request proposals for certain projects. In any structured batching process established by the Board, applications, combined or separate, for computed tomographic (CT) scanning, magnetic resonance imaging (MRI), positron emission tomographic (PET) scanning, radiation therapy, stereotactic radiotherapy, proton beam therapy, or nuclear imaging shall be considered in the radiation therapy batch. A single application may be filed for a combination of (i) radiation therapy, stereotactic radiotherapy and proton beam therapy, and (ii) any or all of the computed tomographic (CT) scanning, magnetic resonance imaging (MRI), positron emission tomographic (PET) scanning, and nuclear medicine imaging;

2. May classify projects and may eliminate one or more or all of the procedures prescribed in § 32.1-102.6 for different classifications;

4. Shall establish specific criteria for determining need in rural areas, giving due consideration to distinct and unique geographic, socioeconomic, cultural, transportation, and other barriers to access to care in such areas and providing for weighted calculations of need based on the barriers to health care access in such rural areas in lieu of the determinations of need used for the particular proposed project within the relevant health systems area as a whole;

5. May establish, on or after July 1, 1999, a schedule of fees for applications for certificates to be applied to expenses for the administration and operation of the certificate of public need program. 7. *Shall establish an exemption from the requirement for a certificate, for a period of no more than 30 days, for projects involving a temporary increase in the total number of beds in an existing hospital or nursing home when the Commissioner has determined that a natural or man-made disaster has caused the evacuation of a hospital or nursing home and that a public health emergency exists due to a shortage of hospital or nursing home beds.*

B. The Commissioner shall not approve any such extension or excess unless it complies with the Board's regulations. However, the Commissioner may approve a significant change in cost for an approved project that exceeds the authorized capital expenditure by more than 20 percent, provided the applicant has demonstrated that the cost increases are reasonable and necessary under all the circumstances and do not result from any material expansion of the project as approved.

C. The Board shall also promulgate regulations authorizing the Commissioner to condition approval of a certificate on the agreement of the applicant to provide a level of care at a reduced rate to indigents or accept patients requiring specialized care. In addition, the Board's licensure regulations shall direct the Commissioner to condition the issuing or renewing of any license for any applicant whose certificate was approved upon such condition on whether such applicant has complied with any agreement to provide a level of care at a reduced rate to indigents or accept patients requiring specialized care.

§ 32.1-102.2. (Effective July 1, 2019) Regulations.

The Board shall promulgate regulations that are consistent with this article and:

~~*2. Evaluate or provide advice concerning a prospective purchaser's existing insurance coverage; or*~~

~~*3. Hold himself or itself out as a licensed insurer, licensed agent, or insurance expert.*~~

~~*F. Notwithstanding any other provision of law, a travel retailer whose insurance-related activities, and those of its employees or authorized representatives, are limited to offering and disseminating travel insurance on behalf of and under the direction and license of a limited lines travel insurance agent meeting the conditions stated in this article is authorized to conduct such activities and receive related compensation, upon registration by the limited lines travel insurance agent as described in subdivision ~~A~~ D 3. No travel retailer employee or authorized representative may be compensated based primarily on the number of customers who purchase travel insurance coverage; however, nothing in this article shall prohibit payment of compensation to a travel retailer or its employees or authorized representatives for activities under the limited lines travel insurance agent's license that are incidental to the travel retailer's or its employee's or authorized representative's overall compensation.*~~

~~*D: Travel insurance may be provided under an individual policy or under a group or master policy.*~~

~~*E: G. As the insurer designee, the limited lines travel insurance agent and the insurer (i) are responsible for the acts of a travel retailer who is not a limited lines travel insurance agent and (ii) shall use reasonable means to ensure compliance by the travel retailer with this article.*~~

1. After notice and hearing, impose fines and penalties in accordance with § 38.2-218; and

2. After notice and hearing, impose such other penalties that the Commission deems necessary and reasonable to carry out the purpose of this article, including (i) suspending the privilege of transacting travel insurance pursuant to this article at specific business locations where violations have occurred, (ii) suspending or revoking the ability of individual employees or authorized representatives or travel retailers to act under the license, and (iii) imposing a penalty in accordance with § 38.2-218 on the licensed producer designated by the travel insurance agent pursuant to § 38.2-1820.

B. The license authority of any licensed limited lines property and casualty producer selling travel insurance may be terminated if the sole licensed producer designated for the limited lines travel insurance agent's compliance with the insurance laws, rules, and regulations of the Commonwealth is removed for any reason and a new designated licensed producer has not been appointed. The Commission shall be notified within 30 calendar days of such removal and of the newly designated licensed producer.

§ 38.2-1888.2. Travel protection plans.

Travel protection plans may be offered for one price for the combined features that the travel protection plan offers in the Commonwealth if:

1. The travel protection plan clearly discloses to the consumer at or prior to the time of purchase that it includes travel insurance, travel assistance services, and cancellation fee waivers, as applicable, and provides information and an opportunity at or prior to the time of purchase for the consumer to obtain additional information regarding the features and pricing of each; and

2. The fulfillment materials (i) describe and delineate the travel insurance, travel assistance services, and cancellation fee waivers in the travel protection plan and (ii) include the travel insurance disclosures and the contact information for persons providing travel assistance services and cancellation fee waivers, as applicable.

§ 38.2-1888.3. Sales practices.

A. For the purposes of this section, "delivery" means handing fulfillment materials to the primary policyholder or primary certificate holder or sending fulfillment materials by United States Postal Service mail or by any other delivery service or electronic means to the policyholder or certificate holder.

B. Any person offering travel insurance to residents of the Commonwealth is subject to the unfair trade practice penalties contained in Chapter 5 (§ 38.2-500 et seq.), except as otherwise provided in this section. In the event of a conflict between this article and other provisions of this title regarding the sale and marketing of travel insurance and travel protection plans, the provisions of this article shall control.

C. Offering or selling a travel insurance policy that could never result in payment of any claims for any insured under the policy is an unfair trade practice.

D. All documents provided to consumers prior to the purchase of travel insurance, including sales materials, advertising materials, and marketing materials, shall be consistent with the travel insurance policy itself, including forms, endorsements, policies, rate filings, and certificates of insurance.

For travel insurance policies or certificates that contain pre-existing condition exclusions, information and an opportunity to learn more about the pre-existing condition exclusions shall be provided any time prior to the time of purchase and in the coverage's fulfillment materials.

The fulfillment materials and the information described in subdivision 2 of § 38.2-1888.2 shall be provided to a primary policyholder or primary certificate holder as soon as practicable following the purchase of a travel protection plan. Unless the insured has either started a covered trip or filed a claim under the travel insurance coverage, a policyholder or certificate holder may cancel a policy or certificate for a full refund of the travel protection plan price from the date of purchase of a travel protection plan until (i) at least 15 days following the date of delivery of the travel protection plan's fulfillment materials sent by United States Postal Service mail or (ii) at least 10 days following the date of delivery of the travel protection plan's fulfillment materials sent by means other than United States Postal Service mail.

E. The company shall disclose in the policy documentation and fulfillment materials whether the travel insurance is primary or secondary to other applicable coverage.

F. Where travel insurance is marketed directly to a consumer through an insurer's website or by others through an aggregator site, it shall not be an unfair trade practice or other violation of law where an accurate summary or short description of coverage is provided on the web page, so long as the consumer has access to the full provisions of the policy through electronic means.

G. No person offering, soliciting, or negotiating travel insurance or travel protection plans on an individual or group basis may do so by using negative option or opt out that would require a consumer to take an affirmative action to deselect coverage, such as unchecking a box on an electronic form when the consumer purchases a trip.

H. It shall be an unfair trade practice to market blanket travel insurance coverage as free.

I. Where a consumer's destination jurisdiction requires insurance coverage, it shall not be an unfair trade practice to require that a consumer choose between the following options as a condition of purchasing a trip or travel package:

1. Purchasing the coverage required by the destination jurisdiction through the travel retailer or limited lines travel insurance agent supplying the trip or travel package; or

2. Agreeing to obtain and provide proof of coverage that meets the destination jurisdiction's requirements prior to departure.

§ 38.2-1888.4. Travel administrators.

A. Notwithstanding any other provision of this title, no person shall act or represent itself as a travel administrator for travel insurance in the Commonwealth unless that person:

1. Is a licensed property and casualty insurance agent in the Commonwealth for activities permitted under that agent license; or

2. Holds a valid managing general agent (MGA) license in the Commonwealth.

B. An insurer is responsible for the acts of a travel administrator administering travel insurance underwritten by the insurer and is responsible for ensuring that the travel administrator maintains all books and records relevant to the insurer to be made available by the travel administrator to the Commissioner upon request.

§ 38.2-1888.5. Classification of travel insurance.

A. Notwithstanding any other provision of this title, travel insurance shall be classified and filed for purposes of rates and forms under the inland marine line of insurance as set forth in § 38.2-126.

B. Travel insurance may be in the form of an individual, group, or blanket policy.

§ 58.1-2501.1. Premium tax; travel insurance.

A. As used in this section:

"Blanket travel insurance" has the same meaning ascribed thereto in § 38.2-1887.

"Primary certificate holder" has the same meaning ascribed thereto in § 38.2-1887.

"Primary policyholder" has the same meaning ascribed thereto in § 38.2-1887.

"Travel assistance services" has the same meaning ascribed thereto in § 38.2-1887.

B. A travel insurer shall pay premium tax as provided in § 58.1-2501 on travel insurance premiums paid by any of the following:

1. A primary policyholder who is a resident of the Commonwealth;

2. A primary certificate holder that is a resident of the Commonwealth; or

3. A blanket travel insurance policyholder that is a resident of the Commonwealth or that has its principal place of business or the principal place of business of an affiliate or subsidiary that has purchased blanket travel insurance in the Commonwealth for eligible blanket group members, subject to apportionment rules that apply to the insurer across multiple taxing jurisdictions or that permits the insurer to allocate premiums on an apportioned basis in a reasonable and equitable manner in those jurisdictions.

C. A travel insurer shall (i) document the state of residence or principal place of business of the primary policyholder or primary certificate holder and (ii) report as premium only the amount allocable to travel insurance and not any amounts received for travel assistance services or cancellation fee waivers.

2. That the provisions of this act shall apply to policies of travel insurance purchased on or after July 1, 2019.

CHAPTER 347

An Act to amend and reenact §§ 2.2-1829 and 2.2-1831.3 of the Code of Virginia, relating to Revenue Stabilization Fund and Revenue Reserve Fund; maximum amounts.

[H 2354]

Approved March 12, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.2-1829 and 2.2-1831.3 of the Code of Virginia are amended and reenacted as follows:

§ 2.2-1829. Reports of Auditor of Public Accounts; Fund deposits and withdrawals.

A. On or before December 1 of each year, the Auditor of Public Accounts shall report to the General Assembly the certified tax revenues collected in the most recently ended fiscal year. The Auditor shall, at the same time, provide his report on (i) the ~~15 percent~~ limitation on the total amount in the Fund; ~~and~~ (ii) the amount that could be paid into the Fund; and ~~(iii)~~ (iii) the amount necessary for deposit for the next fiscal year into the Fund in order to satisfy the mandatory deposit requirement of Article X, Section 8 of the Constitution of Virginia. The Governor shall include any such amount in his budget bill submitted to the General Assembly pursuant to § 2.2-1509. A schedule of deposits may be provided for in the Appropriation Act.

B. If the report of the Auditor of Public Accounts, pursuant to subsection A, indicates that the annual percentage increase in the certified tax revenues collected in the most recently ended fiscal year is eight percent or greater than the certified tax revenues collected for the immediately preceding fiscal year and that such annual percentage increase in the certified tax revenues for the most recently ended fiscal year is also equal to or greater than 1.5 times the average annual percentage increase in the certified tax revenues collected in the six fiscal years immediately preceding the most recently ended fiscal year, the Governor shall include in his budget recommendations, submitted to the General Assembly in the subsequent session pursuant to § 2.2-1509, an additional amount for deposit to the Fund in excess of any mandatory deposit to the Fund required by Article X, Section 8 of the Constitution of Virginia. Such additional amount shall be equal to at least 25 percent of the product of the certified tax revenues collected in the most recently ended fiscal year multiplied by the difference between the annual percentage increase in the certified tax revenues collected for the most recently ended fiscal

year and the average annual percentage increase in the certified tax revenues collected in the six fiscal years immediately preceding the most recently ended fiscal year. Any such additional deposits to the Fund shall be included in the Governor's budget recommendations submitted to the General Assembly in the subsequent session pursuant to § 2.2-1509 only if the estimate of general fund revenues prepared in accordance with § 2.2-1503 for the fiscal year in which the deposit is to be made is at least five percent greater than the actual general fund revenues for the immediately preceding fiscal year.

C. The State Comptroller shall draw such warrants as appropriated and the State Treasurer shall deposit such warrants into the Fund. No amounts shall be withdrawn from the Fund except pursuant to appropriations made by the General Assembly in accordance with § 2.2-1830. However, if any amounts accrue, such as through interest or dividends, to the credit of the Fund in excess of the ~~15 percent~~ limitation calculated by the Auditor of Public Accounts *as provided in subsection E*, any excess shall be paid into the general fund ~~pursuant to Article X, Section 8 of the Constitution of Virginia either from the Fund or from the Revenue Reserve Fund created pursuant to § 2.2-1831.2.~~

D. For the purposes of the Comptroller's preliminary and final annual reports as required by § 2.2-813, all balances remaining in the Fund on June 30 of each fiscal year shall be considered to be a portion of the fund balance of the general fund of the state treasury.

E. At no time shall the combined amount in the Fund and the Revenue Reserve Fund exceed 15 percent of the Commonwealth's average annual tax revenues derived from taxes on income and retail sales as certified by the Auditor of Public Accounts for the three fiscal years immediately preceding.

§ 2.2-1831.3. Commitment of funds for Revenue Reserve Fund.

A. On or before November 1 of each year, the Auditor of Public Accounts shall report to the General Assembly the total general fund revenues collected in the most recently ended fiscal year. The Auditor of Public Accounts shall, at the same time, provide his report on the amount that could be paid into the Fund and the amount by which the amount in the Fund is less than the maximum amount permitted.

B. Whenever there is a fiscal year in which general fund revenues do not result in a mandatory deposit to the Revenue Stabilization Fund required by Article X, Section 8 of the Constitution of Virginia, the Comptroller shall, at the end of the fiscal year, commit within his annual report pursuant to § 2.2-813 the amount of the general fund revenue in excess of the official forecast for that prior fiscal year, less any deposit to the Virginia Water Quality Improvement Fund pursuant to subsection A of § 10.1-2128, for deposit into the Fund. Such amount committed for deposit into the Fund shall not exceed one percent of the total general fund revenues for the prior fiscal year. ~~In no event shall the total amount in the Fund at any time exceed two percent of the total general fund revenues for the prior fiscal year.~~

C. The Governor shall include in "The Budget Bill" pursuant to § 2.2-1509 recommended appropriations from the general fund or recommended amendments to general fund appropriations in the general appropriation act in effect at that time an amount for deposit into the Fund at least equal to the amounts committed by the Comptroller and confirmed by the Auditor of Public Accounts for such purposes pursuant to the provisions of subsection B. A schedule of deposits may be provided in the appropriation act.

D. The State Comptroller shall draw such warrants as appropriated, and the State Treasurer shall deposit such warrants into the Fund. No withdrawal shall be made from the Fund except in accordance with § 2.2-1831.4.

E. For the purposes of the Comptroller's preliminary and final annual reports as required by § 2.2-813, all balances remaining in the Fund on June 30 of each fiscal year shall be considered to be a portion of the fund balance of the general fund of the state treasury. However, if any amounts accrue, such as through interest or dividends, to the credit of the Fund in excess of the ~~limit set forth in this subsection as~~ limitation calculated by the Auditor of Public Accounts *as provided in subsection F*, any excess shall be paid into the general fund *either from the Fund or from the Revenue Stabilization Fund created pursuant to § 2.2-1828.*

F. At no time shall the combined amount in the Fund and the Revenue Stabilization Fund created pursuant to § 2.2-1828 exceed 15 percent of the Commonwealth's average annual tax revenues derived from taxes on income and retail sales as certified by the Auditor of Public Accounts for the three fiscal years immediately preceding.

CHAPTER 348

An Act to amend and reenact §§ 10.1-1105 and 55-332 of the Code of Virginia and to amend the Code of Virginia by adding sections numbered 55-334.2 and 55-334.3, relating to timber theft; accounting; disclosure; penalty.

[H 2411]

Approved March 12, 2019

Be it enacted by the General Assembly of Virginia:

1. That §§ 10.1-1105 and 55-332 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding sections numbered 55-334.2 and 55-334.3 as follows:

§ 10.1-1105. Additional powers and duties of State Forester.

A. The State Forester shall supervise and direct all forest interests and all matters pertaining to forestry within the Commonwealth. He shall have charge of all forest wardens and shall appoint, direct and supervise persons he employs to perform labor in the forest reservations or the nurseries provided for herein, and he is authorized to employ temporary forest wardens to extinguish forest fires in the Commonwealth. He shall take such action as is authorized by law to prevent and

extinguish forest fires; develop a program to promote the use of prescribed burning for community protection and ecological, silvicultural, and wildlife management; enforce all laws pertaining to forest and woodlands; prosecute any violation of such laws; develop silvicultural best management practices, including reforestation, prevention of erosion and sedimentation, and maintenance of buffers for water quality, pursuant to Article 12 (§ 10.1-1181.1 et seq.) ~~of this chapter~~; collect information relative to forest destruction and conditions; direct the protection and improvement of all forest reservations; and, as far as his duties as State Forester will permit, conduct an educational course on forestry at the University of Virginia for credit toward a degree, at farmers' institutes and at similar meetings within the Commonwealth. He shall provide for the protection of state waters from pollution by sediment deposition resulting from silvicultural activities as provided in Article 12 (§ 10.1-1181.1 et seq.) ~~of this chapter~~. In addition, the State Forester shall cooperate with counties, municipalities, corporations and individuals in preparing plans and providing technical assistance, based on generally accepted scientific forestry principles, for the protection, management and replacement of trees, wood lots and timber tracts and the establishment and preservation of urban forests, under an agreement that the parties obtaining such assistance shall pay the field and traveling expenses of the person employed in preparing such plans. *The State Forester also shall assist landowners and law-enforcement agencies with regard to reported cases of timber theft.*

B. Records of the Department composed of confidential commercial or financial information supplied by individuals or business entities to the Department in the course of an investigation of timber theft are excluded from the mandatory disclosure provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.).

§ 55-332. Procedure for determination of damage.

A. The owner of the land on which ~~such~~ a trespass prohibited by the provisions of § 55-331 was committed shall have the right, within ~~30~~ 90 days after the discovery of such trespass and the identity of the trespasser, to notify the trespasser and to appoint an experienced timber estimator to determine the amount of damages. For the purposes of determining damages, the value of the timber cut shall be calculated by first determining the value of the timber on the stump. Within 30 days after receiving notice of the alleged trespass and of the appointment of such estimator, the alleged trespasser, if he does not deny the fact of trespass, shall appoint an experienced timber estimator to participate with the one already so appointed in the estimation of damages. If the two estimators cannot agree, they shall select a third person, experienced and disinterested, and the decision thereafter made shall be final and conclusive and not subject to appeal. The estimation of damages and the rendition of statement must be effected within 30 days from the receipt of notice of appointment, by the trespasser, of an estimator.

If the alleged trespasser fails to appoint an estimator within the prescribed time, or to notify, within such time, that the allegation of the fact of trespass is disputed, the estimator appointed by the injured party may make an estimate; and collection or recovery may be had accordingly.

B. Any person who (i) severs or removes any timber from the land of another without legal right or permission or (ii) authorizes or directs the severing or removal of timber or trees from the land of another without legal right or permission shall be liable to pay to the rightful owner of the timber three times the value of the timber on the stump and shall pay to the rightful owner of the property the reforestation costs incurred not to exceed \$450 per acre, the costs of ascertaining the value of the timber, any directly associated legal costs, and reasonable attorney fees incurred by the owner of the timber as a result of the trespass.

§ 55-334.2. Larceny of timber; failure to remit payment to owner; penalty.

A. Any person who buys timber directly from the owner of the land on which the timber is grown shall make payment in full to the owner by the date specified in the written timber sales agreement or, if there is no such written agreement, within 60 days from the date that the buyer removes the timber from the property.

B. Any person who, without the consent of the seller, fails to make payment in full within the time period established by subsection A is guilty of timber theft, which is punishable as a Class 1 misdemeanor, and shall be ordered to pay restitution equal to three times the value of the timber established in the timber sale agreement, whether written or oral, in addition to any penalties imposed by the court.

C. No person shall be prosecuted under this section if he remits payment in full within the time period established by subsection A or D to a person he believes in good faith to be the rightful owner of the timber.

D. An owner of land who does not receive payment in full within the time period established in subsection A may notify the timber buyer in writing of his demand for payment at such buyer's last known address by certified mail or by personal delivery. The timber buyer's failure to make payment in full within 10 days after such mailing or personal delivery shall constitute prima facie evidence of such buyer's intent to violate the provisions of subsection A. However, no person who remits payment in full within 10 days after such demand for payment shall be prosecuted for violating the provisions of subsection A, notwithstanding his failure to remit payment in full within the time period established in subsection A.

§ 55-334.3. Load tickets required for certain sales of timber; penalty.

A. Whenever a timber buyer acquires timber and the load is sold by weight, cord, or measure of board feet, such buyer shall, upon request of the owner of the land from which the timber is removed, furnish such landowner within 30 days of the request or 30 days from the date that the timber is removed, whichever is later, a true and accurate accounting of each load removed from the property related to the sale.

Such accounting shall include all supporting documentation, such as load tickets or settlement statements provided to the timber buyer by the facility receiving, weighing, scaling, or measuring the trees, timber, or wood, and shall contain, at a minimum, (i) the name of the facility receiving, weighing, scaling, or measuring the trees, timber, or wood; (ii) the date the

trees, timber, or wood was received at the facility; (iii) the name of the producer or logging company; (iv) the type of wood; (v) the type of product; (vi) the weight or scale information, including the total volume if the load is measured by scale, or the gross and tare, or net weights, if the load is measured by weight; and (vii) the weight, scale, or amount of wood deducted and the deduction classification.

B. No load ticket or settlement report shall be required to include price or market value information unless the timber sales agreement, whether written or oral, stipulates that the landowner is to be paid based on a share of the value of the timber removed.

C. Any person who fails to provide the information required by this section, or who knowingly provides false information, is guilty of a Class 3 misdemeanor.

2. That the provisions of this act may result in a net increase in periods of imprisonment or commitment. Pursuant to § 30-19.1:4 of the Code of Virginia, the estimated amount of the necessary appropriation is \$0 for periods of imprisonment in state adult correctional facilities and cannot be determined for periods of commitment to the custody of the Department of Juvenile Justice.

CHAPTER 349

An Act to amend and reenact § 33.2-214 of the Code of Virginia and to amend the Code of Virginia by adding in Article 7 of Chapter 15 of Title 33.2 a section numbered 33.2-1532, relating to the Robert O. Norris Bridge and Statewide Special Structure Fund.

[H 2784]

Approved March 12, 2019

Be it enacted by the General Assembly of Virginia:

1. That § 33.2-214 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding in Article 7 of Chapter 15 of Title 33.2 a section numbered 33.2-1532 as follows:

§ 33.2-214. Transportation; Six-Year Improvement Program.

A. The Board shall have the power and duty to monitor and, where necessary, approve actions taken by the Department of Rail and Public Transportation pursuant to Article 5 (§ 33.2-281 et seq.) in order to ensure the efficient and economical development of public transportation, the enhancement of rail transportation, and the coordination of such rail and public transportation plans with highway programs.

B. The Board shall have the power and duty to coordinate the planning for financing of transportation needs, including needs for highways, railways, seaports, airports, and public transportation and set aside funds as provided in § 33.2-1524. To allocate funds for these needs pursuant to §§ 33.2-358 and 58.1-638, the Board shall adopt a Six-Year Improvement Program of anticipated projects and programs by July 1 of each year. This program shall be based on the most recent official Transportation Trust Fund revenue forecast and shall be consistent with a debt management policy adopted by the Board in consultation with the Debt Capacity Advisory Committee and the Department of the Treasury.

C. The Board shall have the power and duty to enter into contracts with local districts, commissions, agencies, or other entities created for transportation purposes.

D. The Board shall have the power and duty to promote increasing private investment in the Commonwealth's transportation infrastructure, including acquisition of causeways, bridges, tunnels, highways, and other transportation facilities.

E. The Board shall only include a project or program wholly or partially funded with funds from the State of Good Repair Program pursuant to § 33.2-369, the High Priority Projects Program pursuant to § 33.2-370, or the Highway Construction District Grant Programs pursuant to § 33.2-371 in the Six-Year Improvement Program if the allocation of funds from those programs and other funding committed to such project or program within the six-year horizon of the Six-Year Improvement Program is sufficient to complete the project or program. *The provisions of this subsection shall not apply to any project (i) the design and construction of which cannot be completed within six years, (ii) the estimated costs of which exceed \$2 billion, and (iii) that requires the Board to exercise its authority to waive the funding cap pursuant to subsection B of § 33.2-369.*

F. The Board shall have the power and duty to integrate land use with transportation planning and programming, consistent with the efficient and economical use of public funds. If the Board determines that a local transportation plan described in § 15.2-2223 or any amendment as described in § 15.2-2229 or a metropolitan regional long-range transportation plan or regional Transportation Improvement Program as described in § 33.2-3201 is not consistent with the Board's Statewide Transportation Plan developed pursuant to § 33.2-353, the Six-Year Improvement Program adopted pursuant to subsection B, and the location of routes to be followed by roads comprising systems of state highways pursuant to subsection A of § 33.2-208, the Board shall notify the locality of such inconsistency and request that the applicable plan or program be amended accordingly. If, after a reasonable time, the Board determines that there is a refusal to amend the plan or program, then the Board may reallocate funds that were allocated to the nonconforming project as permitted by state or federal law. However, the Board shall not reallocate any funds allocated pursuant to § 33.2-319 or 33.2-366, based on a determination of inconsistency with the Board's Statewide Transportation Plan or the Six-Year Improvement Program nor shall the Board reallocate any funds, allocated pursuant to subsection C or D of § 33.2-358, from any projects on highways

controlled by any county that has withdrawn, or elects to withdraw, from the secondary system of state highways based on a determination of inconsistency with the Board's Statewide Transportation Plan or the Six-Year Improvement Program. If a locality or metropolitan planning organization requests the termination of a project, and the Department does not agree to the termination, or if a locality or metropolitan planning organization does not advance a project to the next phase of construction when requested by the Board and the Department has expended state or federal funds, the locality or the localities within the metropolitan planning organization may be required to reimburse the Department for all funds expended on the project. If, after design approval by the Chief Engineer of the Department, a locality or metropolitan planning organization requests alterations to a project that, in the aggregate, exceeds 10 percent of the total project costs, the locality or the localities within the metropolitan planning organization may be required to reimburse the Department for the additional project costs above the original estimates for making such alterations.

§ 33.2-1532. Robert O. Norris Bridge and Statewide Special Structure Fund.

There is hereby created in the state treasury a special nonreverting fund to be known as the Robert O. Norris Bridge and Statewide Special Structure Fund, referred to in this section as "the Fund." The Fund shall be established on the books of the Comptroller. The amount allocated to the Fund pursuant to §§ 33.2-358, 33.2-369, and 33.2-1530 and any funds as may be appropriated by the General Assembly shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes of funding maintenance and replacement of large and unique structures. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Secretary of Transportation. No later than November 30 each year, the Commissioner of Highways shall submit a report to the Governor and General Assembly on the use of moneys in the Fund.

2. That the Commonwealth Transportation Board (the Board) shall undertake a comprehensive review of the current and future condition of pavements and bridges in the Commonwealth. This review shall at a minimum (i) consider current conditions and performance targets of pavements and bridges, (ii) consider current investment strategies of the Highway Maintenance and Operating Fund as well as the State of Good Repair Program, (iii) recommend new performance targets for pavements and bridges with sustainable performance over a 20-year period, and (iv) develop an investment strategy for the Highway Maintenance and Operating Fund and the State of Good Repair Program to achieve those sustainable performance targets, including a plan to address the funding needs of large and unique bridges and tunnel structures in the Commonwealth. The Board shall report no later than December 1, 2019, to the Chairmen of the House and Senate Committees on Transportation, the Joint Commission on Transportation Accountability, the House Committee on Appropriations, and the Senate Committee on Finance.

3. That the Commonwealth Transportation Board (the Board) shall, after July 1, 2020, and based on the review conducted by the Board pursuant to the second enactment of this act, dedicate a portion of funding from the Highway Maintenance and Operating Fund and the State of Good Repair Fund to the Robert O. Norris Bridge and Statewide Special Structure Fund, as created by this act.

4. That the Commonwealth Transportation Board shall evaluate the feasibility of using the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq. of the Code of Virginia) to design, build, operate, and maintain two bridges to replace the existing Robert O. Norris Bridge on State Route 3 over the Rappahannock River between Lancaster and Middlesex Counties and the existing Downing Bridge on U.S. Route 360 over the Rappahannock River between the Town of Warsaw in Richmond County and the Town of Tappahannock in Essex County.

He shall provide for the protection of state waters from pollution by sediment deposition resulting from silvicultural activities as provided in Article 12 (§ 10.1-1181.1 et seq.) ~~of this chapter~~. In addition, the State Forester shall cooperate with counties, municipalities, corporations and individuals in preparing plans and providing technical assistance, based on generally accepted scientific forestry principles, for the protection, management and replacement of trees, wood lots and timber tracts and the establishment and preservation of urban forests, under an agreement that the parties obtaining such

assistance shall pay the field and traveling expenses of the person employed in preparing such plans. *The State Forester also shall assist landowners and law-enforcement agencies with regard to reported cases of timber theft.*

B. Records of the Department composed of confidential commercial or financial information supplied by individuals or business entities to the Department in the course of an investigation of timber theft are excluded from the mandatory disclosure provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.).

§ 55-332. Procedure for determination of damage.

A. The owner of the land on which ~~such~~ a trespass prohibited by the provisions of § 55-331 was committed shall have the right, within ~~30~~ 90 days after the discovery of such trespass and the identity of the trespasser, to notify the trespasser and to appoint an experienced timber estimator to determine the amount of damages. For the purposes of determining damages, the value of the timber cut shall be calculated by first determining the value of the timber on the stump. Within 30 days after receiving notice of the alleged trespass and of the appointment of such estimator, the alleged trespasser, if he does not deny the fact of trespass, shall appoint an experienced timber estimator to participate with the one already so appointed in the estimation of damages. If the two estimators cannot agree, they shall select a third person, experienced and disinterested, and the decision thereafter made shall be final and conclusive and not subject to appeal. The estimation of damages and the rendition of statement must be effected within 30 days from the receipt of notice of appointment, by the trespasser, of an estimator.

If the alleged trespasser fails to appoint an estimator within the prescribed time, or to notify, within such time, that the allegation of the fact of trespass is disputed, the estimator appointed by the injured party may make an estimate, and collection or recovery may be had accordingly.

B. Any person who (i) severs or removes any timber from the land of another without legal right or permission or (ii) authorizes or directs the severing or removal of timber or trees from the land of another without legal right or permission shall be liable to pay to the rightful owner of the timber three times the value of the timber on the stump and shall pay to the rightful owner of the property the reforestation costs incurred not to exceed \$450 per acre, the costs of ascertaining the value of the timber, any directly associated legal costs, and reasonable attorney fees incurred by the owner of the timber as a result of the trespass.

§ 55-334.2. Larceny of timber; failure to remit payment to owner; penalty.

A. Any person who buys timber directly from the owner of the land on which the timber is grown shall make payment in full to the owner by the date specified in the written timber sales agreement or, if there is no such written agreement, within 60 days from the date that the buyer removes the timber from the property.

B. Any person who, without the consent of the seller, fails to make payment in full within the time period established by subsection A is guilty of timber theft, which is punishable as a Class 1 misdemeanor, and shall be ordered to pay restitution equal to three times the value of the timber established in the timber sale agreement, whether written or oral, in addition to any penalties imposed by the court.

C. No person shall be prosecuted under this section if he remits payment in full within the time period established by subsection A or D to a person he believes in good faith to be the rightful owner of the timber.

D. An owner of land who does not receive payment in full within the time period established in subsection A may notify the timber buyer in writing of his demand for payment at such buyer's last known address by certified mail or by personal delivery. The timber buyer's failure to make payment in full within 10 days after such mailing or personal delivery shall constitute prima facie evidence of such buyer's intent to violate the provisions of subsection A. However, no person who remits payment in full within 10 days after such demand for payment shall be prosecuted for violating the provisions of subsection A, notwithstanding his failure to remit payment in full within the time period established in subsection A.

§ 55-334.3. Load tickets required for certain sales of timber; penalty.

A. Whenever a timber buyer acquires timber and the load is sold by weight, cord, or measure of board feet, such buyer shall, upon request of the owner of the land from which the timber is removed, furnish such landowner within 30 days of the request or 30 days from the date that the timber is removed, whichever is later, a true and accurate accounting of each load removed from the property related to the sale.

Such accounting shall include all supporting documentation, such as load tickets or settlement statements provided to the timber buyer by the facility receiving, weighing, scaling, or measuring the trees, timber, or wood, and shall contain, at a minimum, (i) the name of the facility receiving, weighing, scaling, or measuring the trees, timber, or wood; (ii) the date the trees, timber, or wood was received at the facility; (iii) the name of the producer or logging company; (iv) the type of wood; (v) the type of product; (vi) the weight or scale information, including the total volume if the load is measured by scale, or the gross and tare, or net weights, if the load is measured by weight; and (vii) the weight, scale, or amount of wood deducted and the deduction classification.

B. No load ticket or settlement report shall be required to include price or market value information unless the timber sales agreement, whether written or oral, stipulates that the landowner is to be paid based on a share of the value of the timber removed.

C. Any person who fails to provide the information required by this section, or who knowingly provides false information, is guilty of a Class 3 misdemeanor.

2. That the provisions of this act may result in a net increase in periods of imprisonment or commitment. Pursuant to § 30-19.1:4 of the Code of Virginia, the estimated amount of the necessary appropriation is \$0 for periods of

imprisonment in state adult correctional facilities and cannot be determined for periods of commitment to the custody of the Department of Juvenile Justice.

Article 7.

Eviction Diversion Pilot Program.

§ 55-248.40:1. Establishment of Eviction Diversion Pilot Program; purpose; goals.

A. There is hereby established the Eviction Diversion Pilot Program (the Program) within the existing structure of the general district courts for the cities of Danville, Hampton, Petersburg, and Richmond. The purpose of the Program shall be to reduce the number of evictions of low-income persons. Notwithstanding any other provision of law, no eviction diversion court or program shall be established except in conformance with this section.

medical crisis in their immediate family; (ii) reducing displacement of families from their homes and the resulting adverse consequences to children who are no longer able to remain in the same public school after eviction; (iii) encouraging understanding of eviction-related processes and facilitating the landlord's and tenant's entering into a reasonable payment plan that provides for the landlord to receive full rental payments as contracted for in the rental agreement and for the tenant to have the opportunity to make current such rental payments; and (iv) encouraging tenants to make rental payments in the manner as provided in the rental agreement.

§ 55-248.40:2. Eviction Diversion Pilot Program; administration.

Administrative oversight of the implementation of the Program and training for judges who preside over general district courts participating in the Program shall be conducted by the Executive Secretary of the Supreme Court of Virginia (Executive Secretary).

A copy of such written notice shall be given to the tenant in accordance with § 55-248.6.

The court shall enter an order of possession without further hearings or proceedings, unless the tenant files an affidavit with the court within 10 days of the date of such notice stating that the current rent has in fact been paid and that the landlord has not properly acknowledged payment of such rent. A copy of such affidavit shall be given to the landlord in accordance with § 55-248.6.

The landlord may seek a money judgement for final rent and damages pursuant to subsection B of § 8.01-128.

E. Nothing in this section shall be construed to limit (i) the landlord from filing an unlawful detainer for a non-rent violation against the tenant while such tenant is participating in the Program or (ii) the landlord and tenant from entering into a voluntary payment agreement outside the provisions of this section.

2. That it is the intent of the General Assembly, recognizing the critical need in the Commonwealth to reduce the number of evictions of low-income persons from residential dwelling units, to establish an eviction diversion pilot program and to evaluate the benefits and costs associated with such a program.

The Governor may then employ special counsel to render such service as he may deem necessary and proper. The compensation for such special counsel shall be paid out of the funds appropriated for the administration of the board, commission, division, or department to be represented or whose members, officers, inspectors, investigators, or other employees are to be represented pursuant to this section.

3. Information that would disclose the security aspects of a system safety program plan adopted pursuant to Federal Transit Administration regulations by the Commonwealth's designated Rail Fixed Guideway Systems Safety Oversight agency; and information in the possession of such agency, the release of which would jeopardize the success of an ongoing investigation of a rail accident or other incident threatening railway safety.

4. Information concerning security plans and specific assessment components of school safety audits, as provided in § 22.1-279.8.

Nothing in this subdivision shall be construed to prevent the disclosure of information relating to the effectiveness of security plans after (i) any school building or property has been subjected to fire, explosion, natural disaster, or other catastrophic event or (ii) any person on school property has suffered or been threatened with any personal injury.

5. Information concerning the mental health assessment of an individual subject to commitment as a sexually violent predator under Chapter 9 (§ 37.2-900 et seq.) of Title 37.2 held by the Commitment Review Committee; except that in no case shall information identifying the victims of a sexually violent predator be disclosed.

Subscriber data provided directly or indirectly by a communications services provider to a public body that operates a 911 or E-911 emergency dispatch system or an emergency notification or reverse 911 system if the data is in a form not made available by the communications services provider to the public generally. Nothing in this subdivision shall prevent the disclosure of subscriber data generated in connection with specific calls to a 911 emergency system, where the requester is seeking to obtain public records about the use of the system in response to a specific crime, emergency or other event as to which a citizen has initiated a 911 call.

For the purposes of this subdivision:

Nothing in this subdivision shall prevent the disclosure of subscriber data generated in connection with specific calls to a 911 emergency system, where the requester is seeking to obtain public records about the use of the system in response to a specific crime, emergency or other event as to which a citizen has initiated a 911 call.

In order to invoke the trade secret protection provided by clause (ii), the submitting entity shall, in writing and at the time of submission (a) invoke this exclusion, (b) identify with specificity the information for which such protection is sought, and (c) state the reason why such protection is necessary. Nothing in this subdivision shall be construed to prevent the disclosure of all or part of any record, other than a trade secret that has been specifically identified as required by this subdivision, after the Department of Defense or federal agency has issued a final, unappealable decision, or in the event of litigation, a court of competent jurisdiction has entered a final, unappealable order concerning the closure, realignment, or expansion of the military installation or tenant activities, or the relocation of the national security facility, for which records are sought.

9. Information, as determined by the State Comptroller, that describes the design, function, operation, or implementation of internal controls over the Commonwealth's financial processes and systems, and the assessment of risks and vulnerabilities of those controls, including the annual assessment of internal controls mandated by the State Comptroller, if disclosure of such information would jeopardize the security of the Commonwealth's financial assets.

However, records relating to the investigation of and findings concerning the soundness of any fiscal process shall be disclosed in a form that does not compromise internal controls. Nothing in this subdivision shall be construed to prohibit the Auditor of Public Accounts or the Joint Legislative Audit and Review Commission from reporting internal control deficiencies discovered during the course of an audit.

10. Any public body receiving a request for records excluded under clauses (a) and (b) of this subdivision 14 shall notify the Secretary of Public Safety and Homeland Security or his designee of such request and the response made by the public body in accordance with § 2.2-3704.

Nothing in this subdivision 14 shall prevent the disclosure of records relating to (1) the structural or environmental soundness of any such facility, building, or structure or (2) an inquiry into the performance of such facility, building, or structure after it has been subjected to fire, explosion, natural disaster, or other catastrophic event.

As used in this subdivision, "critical infrastructure information" means the same as that term is defined in 6 U.S.C. § 131.

Once a written determination is made by the

responsible public entity, the information afforded protection under this subdivision shall continue to be protected from disclosure when in the possession of any affected jurisdiction or affected local jurisdiction.
