VIDEO STREAMING IN HOUSE FULL COMMITTEES

The information below provides instructions on where to access House Video Streams

During the 2018 Session, Live and Archived video streams are available for all House Full Committee meetings. These streams can be accessed from House Agendas, available on the House Committee Pages on both the Virginia General Assembly website and LIS, the Legislative Information System.

Via House Committee Pages: virginiageneralassembly.gov/hc
Click on a Committee Name
Click on the Agendas tab

Via LIS: LIS.virginia.gov
Click on the Standing Committees link; Click on a Committee
Click on the Agendas link

The list of Committee Agendas from either source now includes a Video Column:

<table>
<thead>
<tr>
<th>Meeting Date</th>
<th>Meeting Time</th>
<th>Last Updated</th>
<th>Location</th>
<th>Video</th>
</tr>
</thead>
<tbody>
<tr>
<td>12/18/2017</td>
<td>9:30 a.m.</td>
<td>12/18/2017 08:26 AM</td>
<td>900 East Main Street, Richmond, Virginia 23219, Pocahontas Building, Shared Committee Room (RM E007), Ground Floor</td>
<td>Archived</td>
</tr>
</tbody>
</table>

Clicking on the meeting date brings up an agenda, where there is also a video link at the top of the agenda.

Agenda links will show one of 3 statuses:

- Scheduled – shown from time agenda is posted until a meeting commences
- In Progress – When Chairman starts meeting
- Archived - Once a meeting ends, the link status changes to Archived.

Note: The time required to create the video archive is to a 1/3 of the length of the meeting, therefore, archives are not immediately available.

Video is searchable by bill #, Member Name and text within short title of bill.
