

Viewing House Video

All House Floor Session, committee, and subcommittee (where applicable) video is available from one page, <https://viriniagenralassembly.gov/hv>. Committee video can also be accessed from committee agendas available on House of Delegates Committee pages: <https://viriniagenralassembly.gov/hc>.

The screenshot shows the 'Virginia House of Delegates Video Streaming' page. At the top, it displays the date and time: 'House adjourned at 5:45 p.m. to meet Friday, January 29, 2021, at 4:00 p.m. (1/28/21)' and a 'Streaming Page Info' link. The main interface is divided into several sections:

- Left Sidebar:** Contains navigation options: 'view', 'Now Playing' (highlighted with a red circle and '1'), 'New Recordings' (highlighted with a red circle and '2'), 'Archives', 'Calendar-Day/Month', 'Calendar-Week', and 'Calendar-Year'. Below these is a 'calendar' widget showing a calendar for January 2021 with the 29th highlighted.
- Center Panel:** Titled 'Filter > 2021 Session', it shows a 'Now Playing' section with a list of virtual meetings, including 'Appropriations Transportation and Public Safety', 'Courts Civil Subcommittee', 'P&E Voting Rights Subcommittee', 'Courts Criminal Subcommittee', and 'Appropriations Subcommittees E'. A 'filter' button is visible at the bottom.
- Right Panel:** A vertical list of meeting schedules with play icons, including 'Finance Subcommittee #3', 'Counties Cities and Towns', 'Public Safety', and 'Appropriations Transportation and Public Safety Si'.

At the bottom of the interface, there are two labels: 'Now Playing / New' and 'Filter Options'.

1. Now playing: Click or tap the “Now Playing” link to show floor video of meetings in progress as well as upcoming video streams.

2. New Recordings: Shows archived video of meetings that occurred in the last 24 hours.

3. Filter Video: Past House floor sessions and all committee video archives can be seen in a variety of ways.

At the left of the video interface, selecting calendar links, calendar dates, or session years at the bottom will filter and show archived video of these dates or categories selected.

Providing Feedback At Meetings

The House offers a website, <https://hodspeak.house.virginia.gov>, that public can access to participate and testify remotely at meetings via Zoom™. Public can also provide written testimony for committee members to consider during meetings.
