New Recordings – Show video of meetings that occurred in last 24 hours

Archives – has all video for Floor and Committee meetings listed in chronological order

You can also use the Video filters organized by Session year to find an archived video. Once you click on a filter link, the list of archived video will be shown; click on meeting date to view the video.

The screenshot shows the 'Virginia House of Delegates Chamber Streaming' interface. At the top, it says 'House adjourned at 1:48 p.m. to meet pursuant to HJR 7001 (8/30/18)'. Below this is a 'Now Playing' section with a 'Today' header. A single meeting is listed: '01-07-19 Test Meeting in House Chamber [House Chamber]' with a timestamp of '08:30-22:00 Mon, Jan 7, 2019' and a green 'In Progress' status. To the left is a navigation menu with options: 'view', 'Now Playing', 'New Recordings', 'Archives', 'Calendar-Day/Month', 'Calendar-Week', 'Calendar-Month', 'Calendar-Year', and 'filter'. The 'filter' section is expanded to show 'No Filter', '2019 Regular Session', 'Floor Session', 'Committees', '2018 Regular Session', and '2017 Regular Session'.

Click on video title in list to view the meeting.

This screenshot shows the 'Archives' section of the streaming page. The filter is set to '2018 Regular Session > Floor Sessions'. The list shows various meetings with dates and times, such as 'August 30, 2018 - Special Session II [House Chamber]' and 'May 30, 2018 - Special Session I [House Chamber]'. Each entry has a blue 'Add' button to its right. The navigation menu on the left is similar to the first screenshot, but the 'filter' section is expanded to show 'No Filter', '2019 Regular Session', '2018 Regular Session', 'Floor Sessions', 'Committees', and '2017 Regular Session'.
