THURSDAY, FEBRUARY 19, 2009

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Jeffrey H. Raymond, First Baptist Church, Hopewell, Virginia, offered the following prayer:

God of Heaven and of earth, we humbly pause before You today. As thoughtful men and women, we pause to reassess life's directions in the light of Your glory; and to refresh our spirits by Your power. We are reminded, Lord, that You are the same yesterday, today, and forever, and so we acknowledge You as the God of our fathers, whose grace and mercy are broader than anyone can measure.

With deep humility, we thank You for our heritage as Americans ... our heritage as Virginians. Let us never surrender the noble dreams of our Founding Fathers, but with infinite patience, weave those dreams into our highest hopes for a better world.

We ask Your blessing on those in this body, who, by Your providence, have been given great responsibility in the affairs of state. May wisdom and courage from on high be theirs, so that as the people of the great state of Virginia we may fail neither humanity nor You.

Hear our prayer, God, for it is offered in service and love for You. Amen.

However, no transfer shall be made unless the general fund revenues appropriated exceed such revised general fund revenue forecast by more than two percent of certified tax revenues collected in the most recently ended fiscal year. Furthermore, no appropriation or transfer from such fund in any fiscal year shall exceed more than one-half of the balance of the Revenue Stabilization Fund. William T. Bolling
President of the Senate

Susan Clarke Schaar
Clerk of the Senate

TUESDAY, FEBRUARY 24, 2009

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Daniel A. Goodall, Sr., Antioch Baptist Church, Essex County, Virginia, offered the following prayer:

In year 1876, Daniel C. Roberts penned the words to God of Our Fathers for the centennial celebration of the Constitution of the United States of America. How befitting that in this historic year of our nation's continued progress that it be used as a preamble for the opening of the Virginia Senate. Let us pray.

God of our fathers, whose almighty hand
Leads forth in beauty all the starry band
Of shining worlds in splendor through the skies
Our grateful songs before Thy throne arise.

Thy love divine hath led us in the past,
In this free land by Thee our lot is cast.
Be Thou our Ruler, Guardian, Guide and Stay,
Thy Word our law, Thy paths our chosen way.

From war's alarms, from deadly pestilence,
Be Thy strong arm our ever sure defense;
Thy true religion in our hearts increase,
Thy bounteous goodness nourish us in peace.

Refresh Thy people on their toilsome way,
Lead us from night to never ending day;
Fill all our lives with love and grace divine,
And glory, laud, and praise be ever Thine.

Create in us a clean heart, O Lord, and renew the right spirit in us. Help this Senate body to seek Your wisdom as they attend to the business at hand for the people of the Commonwealth of Virginia.

Father unify them in a spirit of collaboration to make the best decisions for the citizens of Virginia. Inspire them, O God, to look beyond politics and parasitism and reach for the higher calling which answers the needs of the people during this time of great challenges.

In these times of great uncertainty help this Senate by what they do here, reassure the people of this great Commonwealth that they have the ability to make decisions that will make a real difference to the lives of so many Virginians.

We pray for the care of their families as they serve here in this General Assembly. We pray God for their health and strength as they perform their duty. We are forever mindful of our fellow citizens in uniform who serve on foreign and domestic soil during this time of war.

And I give my special thanks to Thee, O Lord, for You have allowed me to see the goodness of Your love and the fulfillment of Your promise in the land of the living as we celebrated our new president Barack Obama, and the First Family. We pray God that You bless the Commonwealth of Virginia and bless the United States of America. And we give Your name all the praise, the honor and all the glory because You are worthy to be praised. Amen.

The roll was called and the following Senators answered to their names:

Barker, Colgan, Cuccinelli, Deeds, Hanger, Houck, Howell, Hurt, Lucas, Marsh, McDougle, Miller, J.C., Miller, Y.B., Newman, Norment, Northam, Obenshain, Petersen, Puckett, Puller, Quayle, Reynolds, Ruff, Saslaw, Smith, Stolle, Stosch, Stuart, Ticer, Vogel, Wampler, Watkins.

WEDNESDAY, FEBRUARY 25, 2009

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Benjamin P. Campbell, Richmond Hill, Richmond, Virginia, offered the following prayer:

Lord, We are gathered together this morning on the day which Christians call Ash Wednesday, the first day of Lent. It's the day that begins the 40 day penitential season before they celebrate Easter. Now not all of us are Christians, Lord, and some of us who are Christians don't pay any attention to Lent.

But we could all use a good, healthy, penitential season.

Because as a state and as a nation we have lived beyond our means, and we haven't lived with the kind of responsibility and care for the common good that we ought to have.

Now that we are facing a time of austerity, Lord, we ask that You would help us to work together for that common good once again. We ask that You would help us to put aside our most combative natures and help us to work together.

Because if we don't it is not those who have who will suffer, but those who have not—they will lose the little they have.

It is not those with two college degrees who will suffer, but those who can't finish high school who will be even more desperate.

It is not those with two cars or two houses who will suffer, but those who have no house or no car at all.

You know us, Lord, and You know who we are. You know how hard we fight and struggle, and how difficult it is, with everyone and everything we represent, to work together. But we also know, Lord, that the common good is what You care about.

So we ask You, Lord, to help us repent our inability to be always who You want us to be. And we ask You to help us to work for You, for the best interests of all Virginians.

Thank You for the good hearts and good energies of the men and women in this Chamber. We ask Your blessing on all the men and women in this Capitol building today, and on all the citizens of Virginia. This day. Amen.

The roll was called and the following Senators answered to their names:

Barker, Blevins, Colgan, Cuccinelli, Deeds, Edwards, Hanger, Herring, Howell, Hurt, Locke, Lucas, Marsh, Martin, McDougle, McEachin, Miller, J.C., Miller, Y.B., Newman, Norment, Northam, Obenshain, Petersen, Puckett, Puller, Quayle, Reynolds, Ruff, Saslaw, Smith, Stolle, Stosch, Stuart, Ticer, Vogel, Wagner, Watkins, Whipple.

A quorum was present.

After the roll call, Senators Houck and Wampler notified the Clerk of their presence.

On motion of Senator Barker, the reading of the Journal was waived.

The recorded vote is as follows:

Almighty God, we acknowledge Your sovereignty in the affairs of men.

Today, we humbly beseech You, again, for divine direction for our great Commonwealth. We confess our weaknesses, but we acknowledge Your strength. We confess our limited ability, but we seek for Your unlimited power.

Father, I pray for the men and women gathered in this room. More now than ever before, cause them to know that You are concerned about each of them personally. More now than ever before, give to them the grace and the wisdom to be men and women of courage.

Father, I also pray for the citizens of our beloved Virginia. Help us to know that as a people we have an untapped reservoir of strength that will sustain us. In our times of fear, cause faith to arise. In moments of perplexity cause peace to flow like a mighty river.

Today again we say: For Thine is the kingdom and the power and the Glory, Forever, Amen.

“Curtailment” means inducing retail customers to reduce load during times of peak demand so as to ease the burden on the electrical grid.

“Demand response” means measures aimed at shifting time of use of electricity from peak-use periods to times of lower demand by inducing retail customers to curtail electricity usage during periods of congestion and higher prices in the electrical grid.

“Energy efficiency program” means a program that reduces the total amount of electricity that is required for the same process or activity implemented after the expiration of capped rates. Energy efficiency programs include equipment, physical, or program change designed to produce measured and verified reductions in the amount of electricity required to perform the same function and produce the same or a similar outcome. Energy efficiency programs may include, but are not limited to, (i) programs that result in improvements in lighting design, heating, ventilation, and air conditioning systems, appliances, building envelopes, and industrial and commercial processes; and (ii) measures, such as but not limited to the installation of advanced meters, implemented or installed by utilities that reduce fuel use or losses of electricity and otherwise improve internal operating efficiency in generation, transmission, and

distribution systems. Energy efficiency programs include demand response, combined heat and power and waste heat recovery, curtailment, or other programs that are designed to reduce electricity consumption so long as they reduce the total amount of electricity that is required for the same process or activity. Utilities shall be authorized to install and operate such advanced metering technology and equipment on a customer's premises; however, nothing in this chapter establishes a requirement that an energy efficiency program be implemented on a customer's premises and be connected to customer's wiring on the customer's side of the inter-connection without the customer's expressed consent.

Clerk of the Senate

SATURDAY, FEBRUARY 28, 2009

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Dr. Craig A. Sherouse, Second Baptist Church, Richmond, Virginia, offered the following prayer:

Almighty God, we praise You according to Your excellent greatness. All that is within us blesses Your holy name. You offer us wisdom to make good decisions, and forgiveness when we go the wrong way. Help us, O God!

Pity us in these frightening times, like a father does his children. Our needs are increasing and our resources are dwindling. Help us to offer the cup of cold water to our neighbor, even when the cup is leaking. We need Your wisdom!

Bless our Governor, the Cabinet, and all of our Commonwealth's civil servants. Bless our Delegates and these Senators as they draw their important work to a close. Give them rest and peace as they return to families and jobs. Guide these final, critical moments of budgets and bills. Bless them this day!

God of grace and God of glory, on Your people pour Your power. Crown this old Commonwealth's story, bring her bud to glorious flower. Grant us wisdom; grant us courage, grant us hope, for the facing of this hour. In Your Holy Name we pray, Amen.

For the purposes of making the required spending adjustments in the second year, the appropriation and distribution of Basic Aid shall reflect this methodology. Local school divisions shall have the discretion as to where the adjustment may be made, consistent with the Standards of Quality funded in this Act.

2) The Department of Education shall make its calculation for the total cost of rebenchmarking for the fiscal year 2010-2012 biennium to be consistent with the following methodologies: (i) using the 'support position funding cap' methodology change contained in House Bill 1600/Senate Bill 850, as introduced in the 2009 Session; and (ii) using the rebenchmarking methodology which was contained within Chapter 879, from the 2008 Session. The Department of Education shall report the final calculations and related costs derived from each of these methodologies to the Governor, the Chairmen of House Appropriations and Senate Finance Committees, and the Board of Education prior to September 1, 2009.

3) The Board of Education shall review the current Standards of Quality to evaluate the appropriateness of the existing staffing standards for instructional positions and the appropriateness of establishing ratio standards for support positions, with the objective of maximizing resources devoted to the instructional program. The findings of this review, its associated costs, and its final recommendations for rebenchmarking shall be submitted to the Governor, the Chairmen of House Appropriations and Senate Finance Committees and the Joint Subcommittee on Elementary and Secondary Education Funding established pursuant to Item 1, paragraph H. of this Act no later than November 1, 2009.

4) The Department of Education shall review state laws, regulations, and procedures that could be modified, reduced, or eliminated in an effort to minimize the administrative burden on local school divisions and the Department of Education. The findings from this review shall be submitted to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2009.”

“A.1. Effective July 1, 2009, the Virginia Enterprise Applications Program Office will cease as an agency and the activities will become effective as the Division of Enterprise Applications, headed by the Chief Applications Officer, under this program.

2. Effective July 1, 2009, the amounts provided in this item include funding for the Division’s operation and projects currently under the Virginia Enterprise Applications Program Division (VEAP). The Information Technology Investment Board will not budget any amounts for these projects from revenues it receives from billings or overhead which it charges to other agencies for services, unless it can clearly demonstrate that the project benefits the Commonwealth and is recoverable under Federal overhead guidelines.

3. The CAO shall report every six months to the Governor and the Information Technology Investment Board progress in the areas the division is responsible for implementing and any agencies and institutions that have not cooperated with the implementation.

B. 1. Notwithstanding any other provision of law except the limitations imposed by § 2.2-518, § 2.2-4803 and § 2.2-4806, Code of Virginia, Executive Department agencies and institutions may enter into management agreements with CGI Technologies & Solutions, Inc. C. Nothing in this item shall prevent Executive Department agencies or institutions from committing resources to support the coordinated efforts of the CAO. Such agency commitments shall be detailed in the CAO’s quarterly reports to the Information Technology Investment Board.

D. enhanced collections and cost recoveries. No funds derived from this working capital advance shall be expended without the prior budget approval of the Information Technology Investment Board and the Secretary of Finance. The CAO shall inform the Governor, the Chairmen of the House Appropriations and Senate Finance Committees of the anticipated use.

E. The Department of Planning and Budget shall not take any administrative actions to reduce these amounts without notification to the Chairmen of the House Appropriations and Senate Finance Committees.

F. The Information Technology Investment Board shall work with the Secretaries of Technology and Finance to close any projected differences between budgeted funds and projected costs by reducing costs within affected agencies for decentralized services through changes in transformation planning, applications services, and information technology contract support. “3. a) It is the intent of the General Assembly that reporting requirements affecting state institutions of higher education be reduced or consolidated where appropriate. State institutions of higher education, working with the Secretary of Education, Secretary of Finance, and the Director, Department of Planning and Budget, shall identify a list of reporting requirements that the Governor may consider suspending.

b) An effort should be made to limit reporting to instances where (1) there is a compelling state interest for state agencies to collect, use, and maintain the information collected; (2) substantial risk to the public welfare or safety would result from failing to collect the information; or (3) the information collected is central to an essential state process mandated by the Code of Virginia. The findings from this review shall be submitted to the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2009.

c) The Governor is authorized to suspend reporting requirements which in his judgment do not meet these criteria, provided however that prior to July 15, 2009, he reports to the Speaker of the House of Delegates, and the Chairman of the House Appropriations Committee, and the Chairmen of the Senate Committees on Finance and Rules those reporting requirements he intends to suspend.

§ 58.1-615.1. Returns by certain dealers.

A. This section shall apply to any dealer as defined by § 58.1-612, or any direct payment permit holder pursuant to § 58.1-624, with taxable sales or purchases of \$12,000,000 or greater for the 12-month period beginning January 1 and ending December 31 of the immediately preceding calendar year, notwithstanding the provisions of §§ 58.1-615 and 58.1-616. Such dealer or direct

payment permit holder shall be required to make a payment in each month for the 12-month period that begins in the month of June that immediately follows such calendar year and that ends in the month of May that immediately follows such month of June. The payment shall be made on or before the 20th day of the respective month.

Beginning with the month of June, the dealer or direct payment permit holder shall transmit to the Tax Commissioner a return showing the gross sales, gross proceeds, or cost price, as the case may be, arising from all transactions taxable under this chapter (i) for the first fifteen days of the month, on or before the 20th of the same month, and (ii) for the remaining days in the month, on or before the 20th day of the following month. The dealer or direct payment permit holder shall remit the tax due pursuant to this chapter when transmitting such return.

B. The Tax Commissioner shall develop guidelines implementing the provisions of this section. Such guidelines shall be exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq.).

C. For purposes of this section, taxable sales or purchases shall be computed without regard to the number of certificates of registration held by the dealer. The provisions of this section shall not apply to persons who are required to file only a Form ST-7, Consumer's Use Tax Return.

D. In lieu of the penalties provided in § 58.1-635, except with respect to fraudulent returns, failure to make a timely payment or full payment of the sales and use tax liability as provided in subsection A shall subject the dealer or direct payment permit holder to a penalty of six percent of the amount of tax underpayment that should have been properly paid to the Tax Commissioner. Interest shall accrue as provided in § 58.1-15. The payment required by this section shall become delinquent on the first day following the due date set forth in this section if not paid at the minimum amount required.

E. The provisions of this section shall become effective on May 31, 2010.

5. That payments made pursuant to § 58.1-615.1 of the Code of Virginia shall be made in accordance with procedures established by the Tax Commissioner and shall be considered general fund revenue, except with respect to those revenues required to be distributed under the provisions of §§ 58.1-605 and 58.1-606 of the Code of Virginia.

6. That the State Comptroller shall make no distribution of the taxes collected pursuant to § 58.1-615.1 of the Code of Virginia in accordance with §§ 58.1-605, 58.1-606, 58.1-638, and 58.1-638.1 of the Code of Virginia until the Tax Commissioner makes a written certification to the Comptroller certifying the sales and use tax revenues generated pursuant to § 58.1-615.1. The Tax Commissioner shall certify the sales and use tax revenues generated as soon as practicable after the sales and use tax revenues have been paid into the state treasury in any month for the preceding month.”

COMMUNICATION SUBSEQUENT TO ADJOURNMENT SINE DIE

Subsequent to adjournment sine die of the 2009 Regular Session, the following communication was received:

COMMONWEALTH OF VIRGINIA
Office of the Governor

February 28, 2009

TO THE MEMBERS OF THE GENERAL ASSEMBLY OF VIRGINIA:

This has been the most challenging of the four regular General Assembly sessions of my term. The national economic slump has affected every state, and while Virginia has been proactive in our response, we have not been untouched. When we began this session just over six weeks ago, we faced a shortfall of nearly \$3 billion, and during the session, the end-of-year receipts made us revise revenue downward another \$800 million. The new forecast calls for a general fund revenue decline of 7.2 percent—the steepest one year decline in our history.

As Virginians always do in a crisis, we have worked together to solve our common problems. We have passed a balanced budget that strives to protect Virginia's core priorities.

We've used the challenges of reduced revenues to focus on the things that are most important. In education, we've begun a process of reform that will contain the rising costs of administration and direct more resources to classroom instruction.

We have avoided the temptation to withdraw and become overly cautious during a crisis. Together, we are continuing to invest to create jobs by expediting job-creating construction projects, acting to bring new businesses to Virginia, and helping existing Virginia businesses expand.

We have maintained protections for the most vulnerable Virginians by not reducing Medicaid eligibility and by continuing to invest in public safety.

We have taken fiscally responsible steps, throughout this crisis and particularly this session, to address the revenue shortfall through real cuts rather than one-time approaches.

In addition to the budget, you have passed important legislation in several areas.

You encouraged better energy efficiency and greater use of renewable energy. You raised Virginia's renewable portfolio standard and refined our biofuels program to give greater incentives to biofuels that don't compete with food supplies.

You protected Virginians from dangerous second-hand smoke by passing a ban on smoking in restaurants.

And you continued our four-year efforts to promote smart land use and transportation planning by strengthening the Office of Intermodal Planning and Investment, giving more authority and flexibility to the Department of Rail and Public Transit, and by allowing local governments to take more control over their own roads.

We have been fortunate in this economic crisis to have a partner in Washington who understands the economic pressure our citizens and our government are facing. President Obama's stimulus package has enabled us to avoid what would have been devastating additional cuts to the budget—potential additional state and local layoffs numbering in the thousands and cuts to education and public safety.

The President's stimulus package, including both tax cuts for struggling families and new investments to spur construction and create jobs, helps us in the short term effort to balance this biennial budget and in the long term goal of getting our economy moving again.

Virginia is the first state to have passed a budget since the creation of the economic stimulus package, and as is often the case, Virginia will serve as a model for the states that follow.

You have included some uses of the stimulus in the budget you approved today and I reiterate my pledge to work closely with you as more of the rules concerning the stimulus money become clear.

I congratulate you on the conclusion of a challenging session and look forward to your reconvening in April.

Sincerely,

/s/ Timothy M. Kaine

The Reverend James L. Porter, McKendree United Methodist Church, King William County, Virginia, offered the following prayer:

Almighty God, We give You thanks for all of the blessings You have poured out upon all of us this past year, and though it has been a difficult time for many of our citizens, we ask and believe that You will bless our country and the Commonwealth of Virginia in 2009.

We thank You that we live in a country and a state where our leaders are elected by a majority of the people rather than selectively chosen by only a few.

We thank You for our elected leaders, and we ask that You give them the wisdom to enact legislation that will enable our citizens to enjoy life, liberty, and the pursuit of happiness.

Please bless this delegation and help everyone here to aspire to the highest ideals of their own personal faith as well as to the high ideals of the Commonwealth of Virginia.

Let there be a spirit of mutual cooperation in this chamber that crosses every boundary so that the will of the people will be carried out for the mutual benefit of all of our citizens.

Please bless this day as we ask for Your guidance on so many important issues, and help us remember to respond to Your graciousness by giving You all of the praise and glory. Amen.

Notwithstanding any provision of this chapter, effective January 1, 2010, (i) the Commissioner shall comply with the minimum standards of the federal REAL ID Act of 2005 (Division B of the Emergency Supplemental Appropriations Act for Defense, the Global War on Terror, and Tsunami Relief, 2005 [Public Law 109-13, 119 Stat. 302] codified at 49 U.S.C. 30301 Note, as amended as of January 1, 2009) and the federal regulations promulgated thereunder; and (ii) all driver’s licenses, permits and special identification cards issued by the Commissioner of the Department of Motor Vehicles pursuant to this chapter shall comply with the minimum standards of the federal REAL ID Act of 2005 (as amended as of January 1, 2009) and the federal regulations promulgated thereunder, except as otherwise provided in this section.

B. Notwithstanding any other provision of this chapter, except as otherwise provided in this section, effective January 1, 2010, every applicant for a driver’s license, permit, or special identification card, or for the renewal thereof, or for the reissuance thereof, or for the issuance of a duplicate thereof, shall be required by the Commissioner to apply in person for such issuance, renewal, reissuance or duplicate license, permit or special identification card, and the Commissioner shall require every applicant who applies in person to be photographed and to sign his usual signature as required by the Department and to present documents as proof of his or her (i) identity, (ii) date of birth, (iii) lawful status in the United States (iv) address of principal residence, which must be an address in Virginia, and (v) social security number or, if a foreign national without a social security number, non-work authorized status in the United States. As proof of lawful status in the United States, the applicant shall present documentary evidence of legal presence as required by § 46.2-328.1, together with any other evidence of lawful status required by the federal REAL ID Act of 2005 (as amended as of January 1, 2009) and the federal regulations promulgated thereunder.

C. The Commissioner may waive the requirements of subsection B if the records of the Department show that the applicant has previously complied with all such requirements, subsequent to January 1, 2010, and all the documents presented to the Department at that time were fully verified by the Department as required by the federal REAL ID Act and regulations, and copies of all such source documents were retained by the Department as required by the federal REAL ID Act and regulations, and the applicant provides proof that he or she is the same person who previously complied with such requirements.

D. The Commissioner may waive the requirements of subsection B if the applicant was born on or before December 1, 1964, and applies prior to December 1, 2014, for a renewal, duplicate or reissued driver's license, permit or special identification card, provided the applicant is eligible to apply otherwise than in person and elects to apply otherwise than in person, and provided further that such a waiver for applicants born on or before December 1, 1964 is permitted under the federal REAL ID Act and regulations and such a waiver will not result in some Virginians having an unexpired Virginia driver's license or special identification card that is not acceptable for official purposes by federal officials on or after December 1, 2017, even though Virginia is in compliance with the federal REAL ID Act and regulations.

E. The Commissioner may waive the requirements of subsection B if the application is for a motorcycle learner's permit, commercial driver's instruction permit or special identification card issued to a minor under age 15. The requirements of the federal REAL ID Act of 2005 and of the federal regulations promulgated thereunder shall not apply to a motorcycle learner's permit, commercial driver's instruction permit, temporary driver's permit issued pursuant to § 46.2-344 or special identification card issued to a minor under age 15. The Department shall issue such permits and cards to be readily identifiable as not REAL ID compliant.

F. The Department shall establish a process for persons who, for reasons beyond their control, are unable to provide all necessary documents required pursuant to this section for driver's licenses, permits, and special identification cards and must rely on alternate documents to establish identity, date of birth, lawful status in the United States, address of principal residence, Virginia residency, and social security number or non-work authorized status. Effective January 1, 2010, alternative documents to demonstrate lawful status will only be allowed to demonstrate United States citizenship.

RULE 36--0.

S.B. 1070 (one thousand seventy) was taken up together with the following communication from the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 30, 2009

TO THE SENATE OF VIRGINIA:
SENATE BILL NO. 1070

I approve the general purpose of this bill, but I am returning it without my signature with the request that the following Amendment in the Nature of a Substitute be accepted.

/s/ Timothy M. Kaine
Governor

AMENDMENT IN THE NATURE OF A SUBSTITUTE FOR SENATE BILL NO. 1070

[The substitute having been printed separately, the title only is recorded as follows:]

A BILL to amend and reenact §§ 24.2-700 and 24.2-701 of the Code of Virginia, relating to absentee voting; persons eligible to vote absentee; and applications for absentee ballots.

The reading of the communication was waived.

Senator Martin moved that the Senate refuse to amend **S.B. 1070** in accordance with the recommendation of the Governor.

Senator Stolle requested that, pursuant to Senate Rule 31, there be a division of the items of **S.B. 1070** for consideration.

STATEMENT BY THE CHAIR

The Chair stated that it was not possible to sever the items of **S.B. 1070** because the matter before the Senate was not in a severable state, being an amendment in the nature of a substitute.

PARLIAMENTARY INQUIRY

Senator Stolle propounded a parliamentary inquiry as to the procedure when the Governor had returned a recommendation in the form of an amendment in the nature of a substitute and had not returned amendments that were specific and severable.

The Chair stated that Article V, Section 6, of the Constitution provided that the question of whether or not the Governor's amendments were specific and severable was a decision to be determined by a majority vote of the members present.

The question was put on amending **S.B. 1070** in accordance with the recommendation of the Governor.

Senator Stolle moved, as a substitute motion, that the Senate determine that the Governor's recommendation to **S.B. 1070** was specific and severable.

PARLIAMENTARY INQUIRY

Senator Whipple propounded a parliamentary inquiry as to the custom, usage, and practice of the Senate upon receiving a recommendation of the Governor to a bill in the form of an amendment in the nature of a substitute.

The Chair stated that the Senate had taken different actions with respect to the Governor's recommendation as an amendment in the nature of a substitute. In some instances, the Senate had determined that the Governor had failed to send down specific and severable amendments and in those instances the practice had been to return those bills to committee. In other instances, the Senate had agreed to amend the bill in accordance with the recommendation of the Governor as an amendment in the nature of a substitute without raising the question of whether the Governor had sent down specific and severable amendments.

RECESS

At 12:55 p.m., Senator Saslaw moved that the Senate recess until 1:15 p.m.

The motion was agreed to.

The hour of 1:15 p.m. having arrived, the Chair was resumed.

PARLIAMENTARY INQUIRY

Senator Stolle propounded a parliamentary inquiry as to whether **S.B. 1070** would be referred to the standing committee, which could meet, take the bill up for immediate consideration, and report the bill to the Senate, if the Senate determined that the Governor had failed to send down specific and severable amendments.

The Chair stated that the Senator was correct.

Senator Stolle propounded a further parliamentary inquiry as to whether **S.B. 1070** would have to have three readings, if the Senate determined that the Governor had failed to send down specific and severable amendments.

The Chair stated that the Senator was correct.

RECESS

At 1:20 p.m., Senator Saslaw moved that the Senate recess until 1:35 p.m.

The motion was agreed to.

The hour of 1:35 p.m. having arrived, the Chair was resumed.

The question was put on whether the Governor's recommendation to **S.B. 1070** was specific and severable.

PARLIAMENTARY INQUIRY

Senator Stolle propounded a parliamentary inquiry as to whether the motion to determine whether the Governor had sent down specific and severable amendments to **S.B. 1070** had precedence over the motion to amend **S.B. 1070** in accordance with the recommendation of the Governor.

The Chair stated that there was no priority of motions under the Rules of the Senate in determining whether the Governor had sent down specific and severable amendments to **S.B. 1070**. The Chair stated that the primary motion was on agreeing to the recommendation of the Governor to **S.B. 1070** and the substitute motion was on determining whether the Governor had sent down specific and severable amendments to **S.B. 1070**. The Chair stated further that if a motion was made to move the previous question, that motion would be in order.

Senator Saslaw moved the previous question.

PARLIAMENTARY INQUIRY

Senator Stolle propounded a parliamentary inquiry as to whether the motion calling for a vote on the previous question was debatable.

The Chair stated that pursuant to Senate Rule 46 (a), the motion calling for a vote on the previous question was not debatable.

PARLIAMENTARY INQUIRY

Senator Stolle propounded a further parliamentary inquiry as to whether the effect of the motion to order the previous question would be to deny a vote on the substitute motion to determine whether the Governor had sent down specific and severable amendments to **S.B. 1070**.

The Chair stated that if the motion to order the previous question was agreed to, then the effect would be to deny a vote on the substitute motion for the Senate to determine if the Governor had sent down specific and severable amendments to **S.B. 1070**. The Chair stated further that the matter pending before the Senate would be on the question of amending **S.B. 1070** in accordance with the recommendation of the Governor.

PARLIAMENTARY INQUIRY

Senator Stolle propounded a further parliamentary inquiry as to whether the defeat of the motion to order the previous question would enable the Senate to vote on the substitute motion to determine whether the Governor had sent down specific and severable amendments to **S.B. 1070**.

The Chair stated that the Senator was correct.

PARLIAMENTARY INQUIRY

Senator Stolle propounded a further parliamentary inquiry as to whether a Senator who had voted nay on the question of ordering the previous question and who voted yea on the question of amending **S.B. 1070** in accordance with the recommendation of the Governor could then move to reconsider the vote by which **S.B. 1070** was amended in accordance with the recommendation of the Governor.

The Chair stated that any member who had voted on the prevailing side on a motion to amend **S.B. 1070** in accordance with the recommendation of the Governor could move to reconsider that vote.

PARLIAMENTARY INQUIRY

Senator Stolle propounded a further parliamentary inquiry as to whether a Senator could make a substitute motion to determine if the Governor had sent down specific and severable amendments to **S.B. 1070**, if the Senate had agreed to reconsider the vote by which **S.B. 1070** was amended in accordance with the recommendation of the Governor.

The Chair stated that a Senator could make a substitute motion to determine if the Governor had sent down specific and several amendments to **S.B. 1070**, if the Senate had agreed to reconsider the vote by which **S.B. 1070** was amended in accordance with the recommendation of the Governor.

The question was put on ordering the previous question.

The recorded vote is as follows:

YEAS--21. NAYS--19. RULE 36--0.

YEAS--Barker, Colgan, Deeds, Edwards, Herring, Houck, Howell, Locke, Lucas, Marsh, McEachin, Miller, J.C., Miller, Y.B., Northam, Petersen, Puckett, Puller, Reynolds, Saslaw, Ticer, Whipple--21.

PARLIAMENTARY INQUIRY

Senator Stolle propounded a parliamentary inquiry as to whether debate could continue if Senator Petersen withdrew his motion to order the pending question.

The Chair stated that if the motion by Senator Petersen to order the pending question was withdrawn, debate could continue on the motion to reconsider the vote by which **S.B. 1070** was amended in accordance with the recommendation of the Governor.

Senator Petersen withdrew the motion.

The question was put on reconsidering the vote by which **S.B. 1070** was amended in accordance with the recommendation of the Governor.

SENATE BILLS VETOED BY GOVERNOR

S.B. 877 (eight hundred seventy-seven) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

March 30, 2009

TO THE SENATE OF VIRGINIA:

SENATE BILL NO. 877

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 877, which would allow retired law enforcement officers to carry concealed weapons into restaurants or clubs that serve alcoholic beverages.

While it makes sense for on-duty law enforcement officers to be permitted to carry their firearms when in such establishments, there is no compelling reason for retired law enforcement officers to have weapons in localities where alcohol is served.

Accordingly, I veto this bill.

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 961, which expands the list of crimes for which an offender is eligible for capital punishment.

Virginia is already second in the nation in the number of executions we carry out. While the nature of the offense targeted by this legislation is very serious, I do not believe that further expansion of the death penalty is necessary to protect human life.

Accordingly, I am vetoing this bill.

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1035, which would allow persons to carry concealed weapons into restaurants or clubs that serve alcoholic beverages.

Allowing concealed weapons into restaurants and bars that serve alcohol puts the public, the employees, and our public safety officers at risk. I take seriously the objections of law enforcement to this measure.

S.B. 1374 (one thousand three hundred seventy-four) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

March 30, 2009

TO THE SENATE OF VIRGINIA:

SENATE BILL NO. 1374

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1374, which would allow unlicensed law enforcement officers to operate new, unregulated lie detection devices.

I proposed an amendment to an identical House bill that would have allowed additional devices, but regulate them in a way similar to the existing rules for polygraph machines. Unfortunately, that amendment was defeated by the House.

Untested, unregulated devices should not be used in police investigations. Law enforcement conceded as much when they added an amendment prohibiting the use of these machines in internal investigations.

Accordingly, I veto this bill.

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 30, 2009

TO THE SENATE OF VIRGINIA:

SENATE BILL NO. 1528

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1528, which would allow the firearms training required to receive a concealed weapons permit to be completed online.

The state requires an applicant for a concealed weapons permit to take a written safety test to demonstrate that the individual understands how to use a weapon in a safe manner. Allowing the testing to be done online would weaken the ability of the Commonwealth to determine who is actually taking the test and open up opportunities for individuals to receive a permit under fraudulent circumstances with no guarantee that they can use a weapon safely.

§ 60.2-610. Extended benefits defined.

A. As used in this article, unless the context clearly requires otherwise, “extended benefit period” means a period which:

1. Begins with the third week following a week for which there is a state “on” indicator; and

2. Ends with either of the following weeks, whichever occurs later:

a. The third week after the first week for which there is a state “off” indicator; or

b. The thirteenth consecutive week of such period; however, no extended benefit period may begin by reason of a state “on” indicator before the fourteenth week following the end of a prior extended benefit period which was in effect with respect to this Commonwealth.

B. “Rate of insured unemployment,” for purposes of subsections H and I of this section, means the percentage derived by dividing:

1. The average weekly number of individuals filing claims for regular compensation in this Commonwealth for weeks of unemployment with respect to the most recent, thirteen consecutive week period, as determined by the Commission on the basis of its reports to the United States Secretary of Labor, by

2. The average monthly employment covered under this act for the first four of the most recent six completed calendar quarters ending before the end of such thirteen-week period.

C. “Regular benefits” means benefits, other than extended benefits, payable to an individual under this title or under any other state law, including benefits payable to federal civilian employees and to ex-servicemen pursuant to Chapter 85 (5 U.S.C. § 8501 et seq.) of Title 5 of the United States Code.

D. “Extended benefits” means benefits, including benefits payable to federal civilian employees and to ex-servicemen pursuant to Chapter 85 (5 U.S.C. § 8501 et seq.) of Title 5 of the United States Code, payable to an individual under the provisions of § 60.2-611 for weeks of unemployment in his eligibility period.

E. “Eligibility period” of an individual means the period consisting of the weeks in his benefit year which begin in an extended benefit period and, if his benefit year ends within such extended benefit period, any weeks thereafter which begin in such period.

F. 1. “Exhaustee” means an individual who, with respect to any week of unemployment in his eligibility period:

- a. Has received, prior to such week, all of the regular benefits that were available to him under this title or any other state law, including dependents' allowances and benefits payable to federal civilian employees and ex-servicemen under Chapter 85 (5 U.S.C. § 8501 et seq.) of Title 5 of the United States Code, in his current benefit year that includes such week;
- b. His benefit year having expired prior to such week, has no, or insufficient, wages or employment on the basis of which he could establish a new benefit year that would include such week; and
- c. (i) Has no right to unemployment benefits or allowances, under the Railroad Unemployment Insurance Act (45 U.S.C. § 351 et seq.), the Automotive Products Trade Act of 1965 (19 U.S.C. § 2001 et seq.) and such other federal laws as are specified in regulations issued by the United States Secretary of Labor, and (ii) has not received and is not seeking unemployment benefits under the unemployment compensation law of Canada. However, if he is seeking such benefits and the appropriate agency finally determines that he is not entitled to benefits under such law he is considered an exhaustee.

2. For the purposes of subdivision 1 a of this subsection, an individual shall be deemed to have received all of the regular benefits that were available to him although (i) as a result of a pending appeal with respect to wages or employment that were not considered in the original monetary determination in his benefit year, he may subsequently be determined to be entitled to added regular benefits, or (ii) he may be entitled to regular benefits with respect to future weeks of unemployment.

G. "State law" means the unemployment insurance law of any state, approved by the United States Secretary of Labor under 26 U.S.C. § 3304.

H. There is a "state 'on' indicator" for this Commonwealth for a week if ~~the~~:

1. The Commission determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding ~~twelve~~ 12 weeks, the rate of insured unemployment, not seasonally adjusted, under this title:

± a. Equaled or exceeded 120 percent of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years, and

~~2-a~~ b. Equaled or exceeded five percent, provided that the determination of whether there has been a state trigger "on" indicator shall be made as if this subsection did not contain subdivision 1 a, if the rate of insured unemployment as defined in this subsection equaled or exceeded six percent, ~~and~~

~~b-Except~~ except that any week for which there would otherwise be a state "on" indicator shall continue to be such a week and shall not be determined to be a week for which there is a state "off" indicator; ~~or~~

2. With respect to weeks of unemployment beginning on or after February 1, 2009, and thereafter until the week ending three weeks prior to the last week for which federal sharing is authorized by Section 2005(a) of Public Law 111-5, the United States Secretary of Labor determines that, for the period consisting of the most recent three months for which data for all states are published before the close of such week, the average rate of total unemployment in this Commonwealth, seasonally adjusted:

a. Equaled or exceeded 110 percent of the average of such rates for either or both of the corresponding three month periods ending in the two preceding calendar years, and

b. Equaled or exceeded a six and one half percent.

I. There is a “state ‘off’ indicator” for this Commonwealth for a week if the Commission determines, in accordance with the regulations of the United States Secretary of Labor, that for the period consisting of such week and the immediately preceding twelve weeks the requirements of subsection H of this section have not been satisfied.

§ 60.2-611. Receipt of extended benefits.

A. Except when the result would be inconsistent with the other provisions of this section, as provided in the regulations of the Commission, the provisions of this title which apply to claims for, or the payment of, regular benefits shall apply to claims for, and the payment of, extended benefits.

B. An individual shall be eligible to receive extended benefits with respect to any week of unemployment in his eligibility period only if the Commission finds that for such week:

1. He is an “exhaustee” as defined in subsection F of § 60.2-610;

2. He has satisfied the requirements of this title for the receipt of regular benefits that are applicable to individuals claiming extended benefits, including not being subject to a disqualification for the receipt of benefits; *and*

3. *He had during his base period 20 weeks of full-time insured employment, or the equivalent in insured wages. For purposes of this subdivision, “or the equivalent in insured wages” means more than 40 times the individual’s most recent weekly benefit amount.*

C. The weekly extended benefit amount payable to an individual for a week of total unemployment in his eligibility period shall equal the weekly benefit amount payable to him during his applicable benefit year.

D. The total extended benefit amount payable to any eligible individual for his applicable benefit year shall be the least of the following amounts:

1. Fifty percent of the total amount of regular benefits which were payable to him under this title in his applicable benefit year;

2. Thirteen times his weekly benefit amount which was payable to him under this title for a week of total unemployment in the applicable benefit year; or

3. Thirty-nine times his weekly benefit amount which was payable to him under this title for a week of total unemployment in the applicable benefit year, reduced by the total amount of regular benefits which were paid or deemed paid to him under this title for the benefit year.

E. 1. Whenever an extended benefit period is to become effective in this Commonwealth as a result of a state “on” indicator, or an extended benefit period is to be terminated in this Commonwealth as a result of state “off” indicators, the Commission shall make an appropriate public announcement.

2. Computations required by the provisions of subsection B of § 60.2-610 shall be made by the Commission, in accordance with regulations prescribed by the United States Secretary of Labor.

3. An “on” or “off” indicator for this Commonwealth shall be determined without regard to subdivision 1 of subsection H of § 60.2-610 for any period that waiver of such provisions is authorized under § 203 (d) of the Federal-State Extended Unemployment Compensation Act (26 U.S.C. § 3304) and any amendments thereto, or as authorized by any provision of federal law.

F. 1. Notwithstanding the provisions of subsection A of this section, an individual shall be ineligible for payment of extended benefits for any week of unemployment in his eligibility period if the Commission finds that during such period:

- a. He failed to accept any offer of suitable work or failed to apply for any suitable work, as defined under subdivision 3 of this subsection, to which he was referred by the Commission; or
 - b. He failed to actively engage in seeking work as prescribed under subdivision 5 of this subsection.
2. Any individual who has been found ineligible for extended benefits by reason of the provisions in subdivision 1 of this subsection shall also be denied benefits beginning with the first day of the week following the week in which such failure occurred and until he has been employed in each of four subsequent weeks, whether or not consecutive, and has earned remuneration equal to not less than four times the extended weekly benefit amount.
3. a. For purposes of this subsection, "suitable work" means, with respect to any individual, any work which is within the individual's capabilities and for which the gross average weekly remuneration payable for the work exceeds the sum of:
- (1) The individual's average weekly benefit amount as determined under subsection C of this section, plus
 - (2) Any amount of supplemental unemployment benefits, as defined in § 501 (c) (17) (D) of the Internal Revenue Code, payable to the individual for such week.
- b. Such gross average weekly remuneration shall pay wages equal to the higher of:
- (1) The minimum wages provided by § 6 (a) (1) of the Fair Labor Standards Act (29 U.S.C. § 201 et seq.), without regard to any exemption; or
 - (2) The state or local minimum wage.
- c. No individual, however, shall be denied extended benefits for failure to accept an offer or referral to any job which meets the definition of suitable work as described in subdivision 3a of this subsection if:
- (1) The position was not offered to such individual in writing or was not listed with the Job Service;
 - (2) Such failure could not result in a denial of benefits under the definition of suitable work for regular benefit claimants in subdivision 3 of § 60.2-618 to the extent that the criteria of suitability in that section are not inconsistent with the provisions of this subdivision; or
 - (3) The individual furnishes satisfactory evidence to the Commission that his prospects for obtaining work in his customary occupation within a reasonably short period are good. If the evidence is deemed satisfactory for this purpose, the determination of whether any work is suitable with respect to such individual shall be made in accordance with the definition of suitable work in subdivision 3 of § 60.2-618 without regard to the definition specified by this subdivision.
4. Notwithstanding the provisions of this subsection, no work shall be deemed to be suitable work for an individual which does not accord with the labor standard provisions required by § 3304 (a) 5 of the Internal Revenue Code and set forth under subdivision 3 of § 60.2-618.
5. For the purposes of subdivision 1 b of this subsection, an individual shall be treated as actively engaged in seeking work during any week if:
- a. The individual has engaged in a systematic and sustained effort to obtain work during such week, and
 - b. The individual furnishes tangible evidence that he has engaged in such effort during such week.
6. The Job Service shall refer any claimant entitled to extended benefits under this title to any suitable work which meets the criteria prescribed in subdivision 3 of this subsection.

7. Notwithstanding any other provisions of this chapter, if the benefit year of any individual ends within an extended benefit period, the remaining balance of extended benefits that such individual would, but for this section, be entitled to receive in that extended benefit period, for weeks of unemployment beginning after the end of the benefit year, shall be reduced, but not below zero, by the product of the number of weeks for which the individual received any amounts as trade readjustment allowances within that benefit year, multiplied by the individual's weekly benefit amount for extended benefits.

8. No claim for extended benefits shall be subject to subdivisions 1, 2, 3 or 6 of this subsection for weeks of unemployment beginning after March 6, 1993, and before January 1, 1995. If the Federal-State Extended Unemployment Compensation Act of 1970 is at any time amended to preclude enforcement of any provision of this section, such provision shall not apply to any claim for weeks beginning on the date said amendment becomes effective.

G. 1. Except as provided in subdivision 2 of this subsection, an individual shall not be eligible for extended benefits for any week if:

a. Extended benefits are payable for such week pursuant to an interstate claim filed in any state under the interstate benefit plan, and

b. No extended benefit period is in effect for such week in such state.

2. Subdivision 1 of this subsection shall not apply to the first two weeks for which extended benefits are payable, determined without regard to this subsection, pursuant to an interstate claim filed under the interstate benefit payment plan to the individual from the extended benefit account established for the individual with respect to the benefit year.

H. Effective with respect to weeks beginning in a high unemployment period, subsection D shall be applied by substituting (i) "eighty percent" for "fifty percent" in subdivision D 1; (ii) "twenty" for "thirteen" in subdivision D 2; and (iii) "forty-six" for "thirty-nine" in subdivision D 3. As used in this subsection, "high unemployment period" means any period during which an extended benefit period would be in effect if subdivision H 2 b of § 60.2-610 were applied by substituting "eight percent" for "six and one-half percent."

5. After line 37, enrolled
insert

3. That the provisions of this act that amend and reenact §§ 60.2-610 and 60.2-611 of the Code of Virginia shall expire three weeks prior to the last week for which federal sharing is authorized by Section 2005(a) of Public Law 111-5.

HOUSE BILLS VETOED BY GOVERNOR

H.B. 1851 (one thousand eight hundred fifty-one) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 30, 2009

TO THE VIRGINIA HOUSE OF DELEGATES:

HOUSE BILL NO. 1851

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1851, which would create a new exemption to Virginia's one handgun a month law.

The new exemption would apply to active duty service members, whether Virginia residents or not. Because holders of valid Virginia concealed weapons permits are already able to purchase more than one handgun per month, House Bill 1851 only extends the ability to buy more than one handgun a month to nonresidents or those Virginians unable to obtain a concealed weapons permit.

Accordingly, I veto this bill.

COMMONWEALTH OF VIRGINIA

Office of the Governor

March 30, 2009

TO THE VIRGINIA HOUSE OF DELEGATES:

HOUSE BILL NO. 2358

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2358, which expands the list of crimes for which an offender is eligible for capital punishment.

Virginia is already second in the nation in the number of executions we carry out. While the nature of the offense targeted by this legislation is very serious, I do not believe that further expansion of the death penalty is necessary to protect human life.

Accordingly, I am vetoing this bill.

H.B. 2528 (two thousand five hundred twenty-eight) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 30, 2009

TO THE VIRGINIA HOUSE OF DELEGATES:
HOUSE BILL NO. 2528

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2528, which unnecessarily interferes with the operations of local governments. Specifically, the bill prohibits local law enforcement from choosing to conduct voluntary gun buyback programs and then destroying the weapons.

Some localities have found this program to be effective in reducing the number of illegal firearms in their communities. It is not a mandatory program, and law enforcement in each locality have made the decision whether such a program is desirable in their own county or city. There is no compelling reason for the General Assembly to take this decision out of the hands of local law enforcement.

Accordingly, I veto this bill.

COMMUNICATION FROM THE GOVERNOR SUBSEQUENT TO ADJOURNMENT SINE DIE

SENATE BILL VETOED BY GOVERNOR

S.B. 1248 (one thousand two hundred forty-eight), subsequent to adjournment sine die of the Reconvened Session of the 2009 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

May 5, 2009

TO THE SENATE OF VIRGINIA:

SENATE BILL NO. 1248

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1248, which would make certain changes to electricity regulation in Virginia.

At the reconvened session, I proposed amendments to this bill, which were approved by the Senate, but not by the House of Delegates. The failure to adopt the amendment leaves an important provision in SB 1248 in conflict with another energy efficiency bill passed this year.

Accordingly, I veto Senate Bill 1248.
