THURSDAY, JANUARY 13, 2011

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Jay Kelchner, Shady Grove United Methodist Church, Mechanicsville, Virginia, offered the following prayer:

O God, our Creator, You who are infinitely wise and powerful, we offer ourselves to You recognizing that we are limited in wisdom and might, but collectively capable of doing Your will for our Commonwealth. Give to this Senate then, courage for the tasks that lie ahead. Remind us of what has brought us thus far - not the quest for privileged status or selfish gain, but the call to be responsible. We ask for the boldness to do the hard work of seeing beyond our own agendas and the resolve to meet the challenges that will come to light.

We pray for our constituents and countless others in need. Especially, we pray for each other in a collegial spirit. For the one who has recently lost a loved one, give Your grace. For the one whose family member is recovering from medical procedures, provide Your healing touch. For the one who will miss this session in total or in part, grant Your assurance of a return to wholeness. And for the one who is beginning this journey of service, impart Your peace.

Lastly, we give You thanks that You have spared us for another day and for the opportunities soon to come. Help us not to squander that which You have entrusted to us. Enable us to act in a way that is not only expedient and reasonable, but also righteous and just.

And yes, O Lord, bless this great Commonwealth now and forever. Amen.

FRIDAY, JANUARY 14, 2011

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Terre Balof, Unitarian Universalist Community Church of Glen Allen, Glen Allen, Virginia, offered the following prayer:

Loving God, Who is known by many names and whose Spirit flows through all people, all faiths, all nations, we are grateful for Your presence among us. We ask that Your wisdom guide the essential decision-making that takes place within these walls. May the women and men elected to the General Assembly, and who serve in the Senate, keep as their highest priority the welfare of all the people of our great Commonwealth. May dedication to serve the common good guide their commitment to the tasks set before them. May they remember with humility the trust bestowed by their constituents.

Aware of the difficulties and stresses within our society, may these public servants hold as sacred the unity of our Commonwealth, which is the foundation for the rich diversity among our people. May all our elected officials seek to build bridges among groups, promote an attitude of civility in dialogue and accomplish the work needed to protect the welfare of all as together we move toward a brighter future.

In this week when our nation has been shocked by violence directed at an elected official, we pray that the words and actions of all people of influence speak to unity and harmony rather than discord and acrimony. We give thanks for the courage and vision of our elected officials who seek to promote the welfare of all of the Commonwealth’s residents.

We give thanks today for the legacy of those who have given their lives to build this Commonwealth from the Atlantic shore to the mountains in the west. With gratitude and humility we remember those who came to these shores as enslaved and free, rich and poor, immigrants all, to build this great Commonwealth on the foundation of native peoples who held this land as Sacred. Building on our heritage, created by many peoples, may our officials be mindful of the sacrifices for and love of our great Commonwealth which is held in the hearts of all Virginia’s people. Amen.

Heavenly Father, We thank You and praise You for the grace and goodness that You have so freely bestowed on every one of us. Thank You for allowing us to be citizens of the greatest nation upon the face of Your earth. We also thank You for giving us the privilege of living, working, and abiding in the best state in this nation. Father, You used many Virginians to establish this nation upon Your principles; principles of justice and mercy and freedom. We thank You today that the Commonwealth of Virginia is once again leading the way on our nation’s journey back to the Biblical principles and practices, which You have blessed and which made this nation so great. Father, we ask You today for a special endowment of wisdom upon every man and woman in this place. May we set aside our own personal agendas and political preferences and may we seek Your will and purpose for the Commonwealth of Virginia. Give us the courage and fortitude to do the right thing even in the face of opposition and adversity. Father, we confess that we have a lot of problems, but we also acknowledge that You have the answer to every one of them. Father, may our hearts be in tune with Yours. Father, we ask that You would also be with the victims of the recent tragedy in Arizona. Please give grace and comfort to those who are grieving the loss of a loved one and give swift healing to those who were injured, particularly Congresswoman Gabby Giffords. Father, we ask for Your hand of blessing to be upon every government official, from our President and Governor, all the way down to the mayor of the smallest town. Father, we thank You for Your grace, Your love, and Your mercy toward us all. We ask all these things in the name of Your precious Son. Amen.

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Ted Tussey, Cool Spring Baptist Church, Mechanicsville, Virginia, offered the following prayer:

Almighty God, centuries ago You inspired the psalmist to proclaim: this is the day the Lord has made; let us rejoice and be glad in it. And we do rejoice in this good day oh Lord, and we are thankful that You have shared it with us as a gift.

Help us to use this day wisely and to accomplish the tasks with which You have entrusted us. Father, we pray for Your continued blessings upon our great Commonwealth and we are thankful for its rich history, its exciting and yet challenging present, and we look expectantly to its future.

May You bless each man and woman in this Senate and all others that lead our state and may You impart Your leadership, guidance, and wisdom to them as they serve our Commonwealth. May each of them look to You as their source of hope and strength in good times, in troubled times, and all times.

In Jesus’ name I pray. Amen.

Clerk of the Senate
FRIDAY, JANUARY 21, 2011

The Senate met at 10:30 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Ernest L. Reid, Jr., Olive Branch Baptist Church, Portsmouth, Virginia, offered the following prayer:

Eternal and All Wise God, it is with an appreciative heart that we are grateful for this day, thankful for life itself and the purpose to which You have called us. We are confident that You are here in the midst of us. As we have assembled ourselves we ask that Your wisdom and courage be upon this Assembly as they face the challenges of this day. We pray that You lead this Assembly and this Commonwealth as You have in ages past. Lord, lead I pray. Lead them, in matters facing this state and indeed this nation. Lord, it is our prayer that each member of this Assembly be sensitive to Your voice, the needs of the people of Virginia and indeed, in tune to the changing dynamics of this world. May those who are doubtful and cynical be renewed with zest and zeal. May those who feel powerless look within for strength. May those who feel inadequate find encouragement from their brother or sister. And may those filled with complaints find satisfying dialogue across the aisle. May the decisions made here be for the good of the Commonwealth of Virginia, the United States of America, and even the world. May Your love, wisdom, peace, and grace always rest upon the Commonwealth of Virginia.

In the name of Him, who is able to keep us from falling I pray, Amen.

THURSDAY, JANUARY 27, 2011

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Gerry Creedon, Holy Family Catholic Church, Dale City, Virginia, offered the following prayer:

“Where your treasure is, there shall your heart be also.”

Spirit of wisdom and courage, we seek Your blessing on this assembly. As our representatives exercise their stewardship of our resources give them a deep concern for the common good. May we always recognize that the chain of solidarity that binds our union is as strong as its weakest link.

As funds are allocated, let us make special recognition of our fellow citizens who are least able to speak for themselves: the unborn, the immigrant, the children, the intellectually and the physically challenged, our frail elders, the homeless and the foreclosed.

“The nation cannot prosper long when it favors only the prosperous.” (President Obama)

May the Old Dominion seek in this new decade a new dominion of justice and compassion.

This we ask in the name of God, the source and giver of all good gifts. Amen.

SENATE JOINT RESOLUTION NO. 321

Proposing an amendment to Section 6 of Article II of the Constitution of Virginia, relating to districts for the House of Representatives and General Assembly; criteria for redistricting; and the establishment of the Virginia Redistricting Commission.

RESOLVED by the Senate, the House of Delegates concurring, a majority of the members elected to each house agreeing, That the following amendment to the Constitution of Virginia be, and the same hereby is, proposed and referred to the General Assembly at its first regular session held after the next general election of members of the House of Delegates for its concurrence in conformity with the provisions of Section 1 of Article XII of the Constitution of Virginia, namely:

Amend Section 6 of Article II of the Constitution of Virginia as follows:

ARTICLE II

FRANCHISE AND OFFICERS

Section 6. Apportionment Districts for the House of Representatives and General Assembly; the Virginia Redistricting Commission.

(a) Members of the House of Representatives of the United States and members of the Senate and of the House of Delegates of the General Assembly shall be elected from electoral districts established by the General Assembly Virginia Redistricting Commission. Every electoral district shall be composed of contiguous and compact territory and shall be so constituted as to give, as nearly as is practicable, representation in proportion to the population of the district. The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter. Areas that meet only at the points of adjoining corners are not contiguous.

Any such decennial reapportionment law shall take effect immediately and not be subject to the limitations contained in Article IV, Section 13, of this Constitution.

The districts delineated in the decennial reapportionment law shall be implemented for the November general election for the United States House of Representatives, Senate, or House of Delegates, respectively, that is held immediately prior to the expiration of the term being served in the year that the reapportionment law is required to be enacted. A member in office at the time that a decennial redistricting law is enacted shall complete his term of office and shall continue to represent the district from which he was elected for the duration of such term of office so long as he does not move his residence from the district from which he was elected. Any vacancy occurring during such term shall be filled from the same district that elected the member whose vacancy is being filled.

(b) To the extent consistent with subsection (a), district boundaries shall coincide with the boundaries of political subdivisions of the Commonwealth. The number of counties and cities divided among more than one district shall be as small as possible. When there is a choice between dividing local political subdivisions, the more populous subdivisions shall be divided before the less populous.

(c) No district shall be drawn for the purpose of favoring a political party or incumbent legislator or member of Congress. In establishing districts, no use shall be made of any of the following data:

(1) Addresses of incumbent legislators or members of Congress.

(2) Political affiliations of registered voters.
(3) Previous election results.

(4) Demographic information, other than population counts, except as required by the Constitution and laws of the United States.

(d) After the next and every subsequent decennial census of the United States, the districts for the House of Representatives, Senate, and House of Delegates shall be established, and the members of the House of Representatives, Senate, and House of Delegates shall be apportioned among the districts, respectively, by the Virginia Redistricting Commission. The Commission shall consist of thirteen members, none of whom shall be a member or employee of the Congress of the United States or of the General Assembly. The members of the Commission shall be appointed with due consideration to geographic diversity and in the manner provided herein.

(e) There first shall be appointed twelve members as follows:

(1) Two members to be appointed by the President pro tempore of the Senate;

(2) Two members to be appointed by the Speaker of the House of Delegates;

(3) Two members to be appointed by the leader in the Senate of the political party holding the most seats in the Senate, other than the political party of the President pro tempore;

(4) Two members to be appointed by the leader in the House of Delegates of the political party holding the most seats in the House of Delegates, other than the political party of the Speaker; and

(5) Four members, two to be appointed by the chairman of the state committee of the political party whose candidate for the office of Governor received the largest number of votes at the most recent gubernatorial election and two to be appointed by the chairman of the state committee of the political party whose candidate for the office of Governor received the next largest number of votes in that election.

Appointments to the Commission under this subsection shall be made on or before August 15 of the year in which such census is taken and shall be certified to the Secretary of the Commonwealth on or before September 1 of that year. Each partisan delegation so appointed shall appoint one of its members as its chairman who shall have authority to make such certifications and to perform such other tasks as the members of that delegation shall reasonably require.

(f) There then shall be appointed one member, to serve as an independent member, who shall have been for the preceding five years a resident of the Commonwealth, but who shall not during that period have held public or political party office in the Commonwealth. The independent member shall be appointed upon the vote of at least seven of the previously appointed members of the Commission on or before October 1 of the year in which the census is taken, and those members shall certify that appointment to the Secretary of the Commonwealth on or before October 5 of that year. If the previously appointed members are unable to appoint an independent member within the time allowed therefor, they shall so certify to the Supreme Court not later than that October 5 and shall include in that certification the names of the two persons who, in the members' final vote upon the appointment of the independent member, received the greatest number of votes. Not later than November 1 following receipt of that certification, the Supreme Court shall by majority vote of its full authorized membership select, of the two persons so named, the one more qualified by education and occupational experience, by prior public service in government or otherwise, and by demonstrated ability to represent the best interests of the people of the Commonwealth to be the independent member. The Court shall certify that selection to the Secretary of the Commonwealth not later than the following November 5.
(g) Vacancies in the membership of the Commission occurring prior to the certification by the Commission of the districts for the House of Representatives, Senate, and House of Delegates or during any period in which the districts established by the Commission may be or are under challenge in court shall be filled in the same manner as the original appointments were made within five days of their occurrence. In the case of a vacancy in the membership of the independent member, if the other members of the Commission are unable to fill that vacancy within that five-day period, they shall transmit certification of such inability within three days of the expiration of the period to the Supreme Court, which shall select the person to fill the vacancy within five days of receipt of that certification.

(h) The independent member shall serve as the chairman of the Commission. The Commission shall meet to organize as soon as may be practicable after certification of the appointment of the independent member, but not later than December 1 of the year in which the census is taken. At the organizational meeting, the members of the Commission shall determine such organizational matters as they deem appropriate. Thereafter, a meeting of the Commission may be called by the chairman or upon the request of seven members, and seven members of the Commission shall constitute a quorum at any meeting thereof for the purpose of taking any action.

(i) The Commission, by a majority of the whole number of its members, shall certify the establishment of Senate and House of Delegates districts and the apportionment of members of the Senate and the House of Delegates, respectively, to the Secretary of the Commonwealth within one month of the receipt by the Governor of the official decennial census of the United States for Virginia, or by March 1 of the year following the year in which the census is taken, whichever date is later.

(j) The Commission, by a majority of the whole number of its members, shall certify the establishment of House of Representatives districts to the Secretary of the Commonwealth within three months of the receipt by the Governor of the official decennial census of the United States for Virginia, or by June 1 of the year following the year in which the census is taken, whichever date is later.

(k) The Commission, convened in an open public meeting and by a majority of the whole number of its members, shall certify the establishment of districts. The Commission shall give at least twenty-four-hours' public notice of the meeting. Any vote by the Commission upon a proposal to certify the establishment of a district plan shall be taken by roll call and shall be recorded, and the vote of any member in favor of any district plan shall nullify any vote which that member shall previously have cast during the life of the Commission in favor of a different district plan. If the Commission is unable to certify the establishment of districts by the time required due to the inability of a plan to achieve seven votes, the two district plans receiving the greatest number of votes, but not fewer than five votes, shall be submitted to the Supreme Court, which shall select and certify whichever of the two plans so submitted conforms most closely to the requirements of this Constitution and the Constitution and laws of the United States.

(l) The Commission shall hold at least three public hearings in different parts of the Commonwealth on districts for the House of Representatives, Senate, and House of Delegates. The Commission shall, subject to the constraints of time and convenience, review plans for the establishment of districts submitted by members of the public.

(m) Meetings of the Commission shall be held at convenient times and locations. Meetings may be closed to the public with the exception of the public hearings required by subsection (l) of this section and any meeting at which the establishment of districts is certified as prescribed by subsections (i), (j), and (k) of this section.

(n) The General Assembly shall appropriate the funds necessary for the efficient operation of the Commission.
(a) Notwithstanding any provision to the contrary of this Constitution and except as otherwise required by the Constitution or laws of the United States, no court of the Commonwealth other than the Supreme Court shall have jurisdiction over any judicial proceeding challenging the appointment of members to the Commission or any action, including the establishment of districts, by the Commission or other public officer or body under the provisions of this section.

(p) The districts established for the House of Representatives, Senate, or House of Delegates shall be used thereafter at any general election of members of the House of Representatives, Senate, or House of Delegates, respectively, and shall remain unaltered through the next year ending in zero in which a federal census for the Commonwealth is taken. Members of the House of Representatives, Senate, and House of Delegates in office at the time districts are established by the Commission shall complete their terms of office and continue to represent their districts as constituted at the time of their election to office. Any vacancy occurring in the House of Representatives, Senate, or House of Delegates shall be filled from the district as constituted when the member, whose vacancy is being filled, was elected to office.

(q) If a plan certified by the Commission is declared unlawful, the Commission shall reorganize and adopt another district plan in the same manner as herein required and within the period of time prescribed by the court or within such shorter period as may be necessary to ensure that the new plan is effective for the next succeeding primary and general election for all members of the House of Representatives, Senate, or House of Delegates.

The Reverend Horace Grinnell, Saint Charles Borromeo Catholic Church, Arlington, Virginia, offered the following prayer:

Almighty God, as this session of the Senate begins, we turn to You in prayer.
First, we ask for Your blessing on each Senator and each of their staff members. Bless all their deliberations and all their decisions today and every day of this session. Bless too all the people that they represent.
May all that is done and all that is decided here be for the common good. O God—through whom authority is rightly administered, laws are enacted, and judgment is decreed—we pray that You assist our Governor, this Senate, and the House of Delegates in their administration of the Commonwealth. May all be conducted in righteousness, and every decision made be eminently useful to Your people. May all that is done promote both justice and mercy with special care for the weakest and most vulnerable among us.
Today, we also pray for our brothers and sisters in Egypt who are engaged in a struggle to establish a just society of opportunity, fairness and law. Our prayers and thoughts are with them. Keep them safe and give them justice and peace!
Finally, we pray for all our brothers and sisters who are affected by the severe winter storm sweeping our country. Keep them safe, warm, and secure!

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Tommy Fleming, Emmaus Baptist Church, Goochland, Virginia, offered the following prayer:

Creator and Lover of the World and the Universe,
We pause to remind ourselves that we live all of life in Your sacred presence.
We come to today thankful for the privilege that has been provided to us in the form of corporate prayer. We acknowledge Your Divine Presence and we acknowledge the strength of Your Purpose within our lives.

Having recognized and acknowledged Your Presence and Your Power, we have gathered here today from all corners of this great Commonwealth, from every social and economic stratum...bringing with us a hodgepodge of life experiences.

We ask, Heavenly Father, that You would send upon those who hold office in this great Commonwealth, the spirit of wisdom, charity, and justice; that with steadfast purpose they may faithfully serve in their offices to promote the well-being of all people.

We ask that You will move upon every human heart, so that the barriers that divide us may crumble, that suspicions which hinder our ability to trust will disappear, and hatreds cease; that with our divisions healed, we may live in justice and peace, understanding that peace is not predicated upon an absence of conflict and disagreement, but we ask that even in the midst of conflict and disagreement that we seek to drink from the flowing fountains of common life experiences...that even as we disagree, we seek with whole hearts to avoid being disagreeable...

Even as we undertake the business of this Senate, we ask that You will fill this time with an awareness of Your presence. Amen.

PETITION FILED

Senator Obenshain filed the following petition with the Clerk:

A Petition on Committee Action upon Senate Bills

WHEREAS, the Chairman of the Senate Committee on Privileges and Elections has declined to add to the committee calendar twelve bills and resolutions referred to subcommittee and ruled out of order all motions to add bills to the agenda; and

WHEREAS, the Chairman of the Senate Committee on Rehabilitation and Social Services, having declined to add to the committee calendar two bills on the privatization of functions of the Department of Alcoholic Beverage Control, ruled out of order a motion to add the bills to the agenda; and

WHEREAS, the Rules of the Senate of Virginia stipulate, at Rule 20 (h), that “subcommittees shall make recommendations to the Committee” upon consideration of a bill or resolution, and further holds that “[a]ll subcommittees shall be governed by the Rules of the Senate”; and

WHEREAS, the President of the Senate, Lieutenant Governor William T. Bolling, issued a memorandum of guidance on March 12, 2010, concluding that “[t]he Rules of the Senate do not authorize a subcommittee to take final action on any bill”; and

WHEREAS, motions made in the Committees on Privileges and Elections and Rehabilitation and Social Services to add to the docket such bills and resolutions not placed on the calendar by the Chairs were ruled out of order with no grounds cited for these rulings, even after parliamentary inquiry; and

WHEREAS, under the traditions of this great chamber since the end of the era of single-party rule, all Senate bills and resolutions considered by subcommittees have gone before a full committee, irrespective of the recommendation attached by subcommittee action; and

WHEREAS, under the rules and procedures governing this body, motions to add bills to a committee agenda, though they may be rejected by the committee, are always in order; and

WHEREAS, Thomas Jefferson, in his Manual of Parliamentary Practice, which remains in effect in the Senate of Virginia, reflects upon the importance of adherence to rules in observing that while “it is always in the power of the majority, by their numbers, to stop any improper measures proposed on the part of their opponents, the only weapons by which the minority can defend themselves against similar attempts from those in power, are the forms and rules of proceeding which have been adopted”; and

WHEREAS, the Chairman of the Senate Committee on Privileges and Elections has disregarded the rules, procedures, and traditions of the Senate in refusing to calendar for full committee consideration all bills referred to subcommittee; and

WHEREAS, the Chairman of the Senate Committee on Rehabilitation and Social Services has disregarded the rules, procedures, and traditions of the Senate in ruling out of order a motion to add to the calendar two bills, including a Governor’s bill, and in refusing hearings thereon; now, therefore, be it

RESOLVED that we, the undersigned, petition the Chairman of the Senate Committee on Privileges and Elections to convene immediately a full meeting of the Committee for the purpose of conducting full
hearings upon all bills and resolutions consigned to subcommittee and upon which the full committee has taken no action, or for the Chairman to move to discharge the committee from further consideration of said bills and resolutions, that they might be acted upon by the committee of the whole; and, be it

RESOLVED FURTHER, that we, the undersigned, petition the Chairman of the Senate Committee on Rehabilitation and Social Services to convene immediately a full meeting of the Committee for the purpose of conducting full hearings upon all bills upon which the full committee has taken no action, or for the Chairman to move to discharge the committee from further consideration of said bills and resolutions, that they might be acted upon by the committee of the whole.

Dear wise and loving Father:
First, let me say, thank You for the invitation and another day to serve You. Thank You on behalf of all who are gathered here today. Thank You for Your unlimited blessings. Thank You for our measure of health we need to fulfill our assignments. Thank You for loving us in spite of our shortcomings.
Lord You have said in the scriptures that citizens ought to obey the governing authorities since You have established those very authorities to promote peace and order and justice.
Therefore, I pray for our President and for all various levels of government especially the Senate today. I am asking that You would in Your entire grace and mercy grant unto them:
Courage for their assignments
Wisdom to govern in the midst of the conflicting interests and the crucial issues of our times
A heart of concern and love for the people of our state
A keen thirst for justice and righteousness
Confidence to take a stand and speak without fear
Unity to work together
And Lord I ask for protection from all hurt, harm and danger
Lastly Lord, I pray for the agenda set before them today. Please give them an assurance of what would please You and what would benefit those who live and work in this beautiful state of Virginia.
It is in Your name Jesus I pray, Amen.

SENATE JOINT RESOLUTION NO. 357

Ratifying the Equal Rights Amendment to the United States Constitution.
WHEREAS, a concurrent or joint resolution is a resolution adopted by both houses of a bicameral legislature, which does not require the signature of the chief executive; and a concurrent resolution is sufficient for a state’s ratification of an amendment to the United States Constitution; and

WHEREAS, the United States Congress adopted the 27th Amendment to the United States Constitution, the so-called Madison Amendment, relating to compensation of members of Congress; and

WHEREAS, the Madison Amendment was proposed by our first Congress and only recently ratified by three-fourths of the states, and the United States Archivist certified the 27th Amendment on May 18, 1992, or 203 years after it was first proposed; and

WHEREAS, the founders of our nation, James Madison included, did not favor further restrictions to Article V of the United States Constitution, the amending procedure; and

WHEREAS, the United States Constitution is harder to amend than any other constitution in history; and

WHEREAS, the restricting time limit for the Equal Rights Amendment ratification is in the resolving clause and is not a part of the amendment proposed by Congress and already ratified by 35 states; and

WHEREAS, constitutional equality for women and men continues to be a timely issue in the United States and worldwide, and a number of other nations have achieved constitutional equality for their women and men; and

WHEREAS, since Congress passed a time extension for the Equal Rights Amendment on October 20, 1978, Congress has demonstrated that a time limit in a resolving clause can be disregarded if it is not a part of the proposed amendment; and

WHEREAS, Congress is in a unique position to judge the tenor of the nation, to be aware of the political, social and economic factors affecting the nation, and to be aware of the importance to the nation of the proposed amendment; and

WHEREAS, if an amendment to the United States Constitution has been proposed by two-thirds of both houses of Congress and ratified by three-fourths of the state legislatures, it is for Congress to determine the validity of the state ratifications occurring after a time limit in the resolving clause, but not in the amendment itself; now, therefore, be it

RESOLVED by the Senate of Virginia, the House of Delegates concurring, That the General Assembly of the Commonwealth of Virginia hereby ratifies and affirms the Equal Rights Amendment to the United States Constitution proposed by the United States Congress on March 22, 1972, and ratified by 35 state legislatures. SENATE JOINT RESOLUTION NO. 371

Proposing an amendment to Section 11 of Article X of the Constitution of Virginia, relating to contributions to defined benefit retirement plans maintained for state employees and certain local employees.

RESOLVED by the Senate, the House of Delegates concurring, a majority of the members elected to each house agreeing, That the following amendment to the Constitution of Virginia be, and the same hereby is, proposed and referred to the General Assembly at its first regular session held after the next general election of members of the House of Delegates for its concurrence in conformity with the provisions of Section 1 of Article XII of the Constitution of Virginia, namely:

Amend Section 11 of Article X of the Constitution of Virginia as follows:

ARTICLE X

TAXATION AND FINANCE

Section 11. Governmental employees retirement system.
(a) The General Assembly shall maintain a retirement system for state employees and employees of participating political subdivisions and school divisions. The funds of the retirement system shall be deemed separate and independent trust funds, shall be segregated from all other funds of the Commonwealth, and shall be invested and administered solely in the interests of the members and beneficiaries thereof. Neither the General Assembly nor any public officer, employee, or agency shall use or authorize the use of such trust funds for any purpose other than as provided in law for benefits, refunds, and administrative expenses, including but not limited to legislative oversight of the retirement system. Such trust funds shall be invested as authorized by law. Retirement system benefits shall be funded using methods which are consistent with generally accepted actuarial principles and reflective of current benefits provided under law.

(b) (1) Contributions to defined benefit retirement plans established by the General Assembly and maintained for state employees and employees of participating political subdivisions and school divisions shall be paid in strict adherence with the contribution rates and times for the payment of such contributions, as recommended by the Board of Trustees of the Virginia Retirement System or by any successor body or agency to the Board, based upon contribution rates determined by its official actuary. The Board or any successor shall recommend contribution rates that are reasonably anticipated to ensure the payment of retirement benefits, refunds, and administrative expenses that are provided under law. The Board or any successor shall transmit the contribution requirements in writing to the Governor and the General Assembly and participating political subdivisions and school divisions, as applicable, within the time frames required by law.

(2) Notwithstanding any other provision of this subsection, the General Assembly may set contribution rates that are not in strict adherence to the contribution rates recommended by the Board or any successor for any or all of the Commonwealth’s fiscal years beginning on or after July 1, 2012, but not including any fiscal year beginning on or after July 1, 2018.

No deferral of contributions shall be deemed to have occurred under this subsection for (i) the fiscal year beginning on July 1, 2012, or July 1, 2013, so long as the contribution rate set for the applicable defined benefit retirement plan for the fiscal year is at least equal to 75 percent of the contribution rate recommended by the Board or any successor; (ii) the fiscal year beginning on July 1, 2014, or July 1, 2015, so long as the contribution rate set for the applicable defined benefit retirement plan for the fiscal year is at least equal to 84 percent of the contribution rate recommended by the Board or any successor; or (iii) the fiscal year beginning on July 1, 2016, or July 1, 2017, so long as the contribution rate set for the applicable defined benefit retirement plan for the fiscal year is at least equal to 92 percent of the contribution rate recommended by the Board or any successor.

The General Assembly by a recorded affirmative vote of a majority of the members voting in each house may set contribution rates less than the applicable minimum percentage herein. However, to the extent that the General Assembly sets a contribution rate that is less than the applicable minimum percentage herein, then the difference between the amount reasonably estimated to be contributed using such minimum percentage and the amount reasonably estimated to be contributed using the contribution rate set by the General Assembly shall be deemed a deferral of contributions that shall be repaid under subsection (f). The vote shall be a separate vote and the question to be voted on shall be whether to provide for the deferral of contributions for the fiscal year or years, and the question shall include the total amount of contributions reasonably estimated to be deferred for the fiscal year or years.

(c) (1) For purposes of such contribution rates for such defined benefit retirement plans, the amortization period for the payment of retirement obligations relating to such plans shall be the amortization period as set by the General Assembly, which period shall not exceed 30 years.
However, if generally accepted actuarial principles or generally accepted accounting principles establish an amortization period for the payment of retirement obligations under defined benefit retirement plans that is shorter than the amortization period established by the General Assembly, then for purposes of such contribution rates the Board or any successor shall use the longest amortization period that (i) is in accordance with generally accepted actuarial principles or generally accepted accounting principles and (ii) does not exceed the amortization period established by the General Assembly.

(2) All other factors or variables generally used in setting such contribution rates including but not limited to inflation rates, life expectancies, and forecasts of increases in compensation shall be determined by the Board or any successor in consultation with its official actuary.

The actuarial rate of return on the investment of such contributions that is assumed by the Board or any successor shall be consistent with the assumed actuarial rates of return on the investment of defined benefit retirement contributions currently being used by all other states having general obligation bonds currently graded with the highest grade given by all nationally recognized credit rating agencies and having defined benefit retirement plans covering state employees. The actuarial rate of return on investment assumed by the Board or any successor shall be a rate of return that would have been reasonably determined by a professional actuary under the same prevailing conditions.

(d) Notwithstanding the provisions of subdivision (1) of subsection (b), the General Assembly may provide for the deferral of all or any portion of the required contributions to any or all of such defined benefit retirement plans for any fiscal year beginning on or after July 1, 2018, in which the General Assembly has appropriated the maximum amount allowed for transfer from the Revenue Stabilization Fund pursuant to Article X, Section 8, of this Constitution. Any such deferral shall require a recorded affirmative vote of a majority of the members voting in each house. The vote by the General Assembly shall be a separate vote and the question to be voted on shall be whether to provide for the deferral of contributions for such fiscal year, and the question shall include the total amount of contributions reasonably estimated to be deferred for the fiscal year.

(e) Retirement contributions deferred in 2010 as described under paragraph 15 of Item 469 of Chapter 874 of the Acts of Assembly of 2010 shall be repaid pursuant to subsection (f), except that the total amount of contributions deferred shall be repaid no later than June 30, 2022.

(f) All contributions deferred pursuant to subsection (b) or (d) shall be repaid with interest to the applicable defined benefit retirement plan within the 10-year period immediately following the last day of the fiscal year in which the deferral occurred. The amount repaid each fiscal year shall not be less than one-tenth of the total contributions deferred in the year of deferral until the total amount of contributions deferred in the year of deferral have been repaid. The annual interest rate shall be equal to the current actuarially calculated long-term rate of return for the defined benefit retirement plans described in subdivision (1) of subsection (b).

(g) Nothing in this section shall be construed or interpreted to prohibit the funding of contributions to defined benefit retirement plans established by the General Assembly at contribution rates that are greater than the contribution rates recommended by the Board or any successor.

(h) The retirement system shall be subject to restrictions, terms, and conditions as may be prescribed by the General Assembly.

Thank You Father who is omnipotent, omniscient, and omnipresent. We appeal to You to ask for Your counsel, divine presence, direction and wisdom in the economical, social and physical matters at hand. That You would clearly be with us as we conduct the business of our Commonwealth with a spirit of impartiality and unity. Thank You for this session and those who represent the citizens of the great state of Virginia.

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Randy Singer, Trinity Church, Virginia Beach, Virginia, offered the following prayer:

Yesterday, we lost one of the truly great jurists in this Commonwealth, Virginia Supreme Court Justice Leroy Hassell. I thought it might be appropriate if we began today with a moment of silence in his honor.

Dear Lord, Thank You for the life and legacy of Your servant, Justice Hassell. Thank You for his commitment to justice, his love of the Commonwealth, and his advocacy for the weakest and most vulnerable. And thank You, Lord, for his many public statements praising You as the source of his success and every blessing in his life.

Help us each to exhibit that same spirit of service and gratefulness. Where we have made mistakes, forgive us; where we have achieved success, humble us; when we feel weary, inspire us; and when we feel entitled, remind us of the words spoken by Ben Franklin at this country’s Constitutional Convention:

“If a sparrow cannot fall to the ground without his notice, is it probable that an empire can rise without his aid?... “Except the Lord build the House they labour in vain that build it.”

Do not allow our labor to be in vain. Give us the wisdom to know Your will, the courage to follow it, and the good sense to praise You when it comes to pass.

And help us to pause long enough to remember that life is a gift, sometimes fragile, always to be embraced, with the same enthusiasm and vigor with which it was embraced by Justice Hassell. Thank You for this day, and this breath, and this opportunity to serve the citizens of this great Commonwealth.

In the name of the Father, Son and Holy Spirit, Amen.

WHEREAS, as a member of the Senate, he was a member of the Senate Committees on Rehabilitation and Social Services, Commerce and Labor, General Laws, and Transportation; and

WHEREAS, Walter Henry Maxwell, Sr., was a diligent and effective legislator whose unwavering concern and strong voice for the poor and the oppressed was reflected in his legislative initiatives each year; and
WHEREAS, during his tenure in the General Assembly, he had significant legislation passed that reduced the blood alcohol content level required to make it easier to remove drunk drivers from the roads, established the Electronic Benefits Transferring Program in Virginia, and developed programs for suspended and expelled students; and

WHEREAS, he worked tirelessly for equal education opportunities, more African American judges on state courts, funding for early childhood education, drug courts, and the rehabilitation of former offenders; and

WHEREAS, as the second chairman of the Joint Subcommittee Studying the Status and Needs of African American Males in Virginia, he effectively brought attention to the ongoing plight of African American men, the issue of felons’ rights restoration, the need for racial and ethnic diversity in health care, and the injustice of racial profiling, commonly referred to as “driving while Black”; and

WHEREAS, his work also made Virginians aware of the problem of student credit card debt and its immediate and long-term implications and consequences for students and the Commonwealth’s economy; and

WHEREAS, a community activist, Walter Henry Maxwell, Sr., was instrumental in securing funding to preserve the Newsome House Museum and Cultural Center in Newport News and the Virginia School for the Deaf and Blind at Hampton; he was a lifetime member and past president of the National Association for the Advancement of Colored People (NAACP), Newport News Branch; a member of the Boards of Trustees of the Peninsula Economic Development Council, the United Way of the Peninsula, and the Newport News Alliance for Youth; a member of Prince Hall Masons, the Hampton University’s Minister’s Conference, the National Baptist Convention U.S.A., the National Black Caucus of State Legislators, the Conference of Southern Legislators; a former member of the Old Dominion University Research Foundation; and member emeritus of the Virginia Legislative Black Caucus; and

WHEREAS, imbued with an unshakeable faith in God and ordained to the Gospel ministry, Walter Henry Maxwell, Sr., completed his seminary education and was called to the pastorate at Ivy Baptist Church in Newport News, where he served as the esteemed and beloved under-Shepherd for 37 years until his retirement; and

WHEREAS, during his pastorate, the congregation grew from 70 to 800 members, and he led the church to minister to the community through its child-care center, community outreach ministries, and Caring and Sharing Program, which provides counseling for drug abusers to assist them in ending their addiction to drugs; and

WHEREAS, an astute and savvy political leader, Walter Henry Maxwell, Sr., was a quiet and soft-spoken man with a gentle spirit, a consensus builder, a Virginia gentleman, an impeccable dresser, a gifted orator, and when he sang, his deep and mellow voice resonated throughout the sanctuary; and

WHEREAS, Walter Henry Maxwell, Sr., was remembered and ushered from this world into eternal life by loving family and faithful friends, a devoted congregation and supportive colleagues, and an overflow of citizens of Newport News and the Commonwealth whom he touched during his lifetime, in a ceremony tinged with sorrow but filled with faith, joy, and a rousing celebratory spirit; and

WHEREAS, family and friends will forever cherish his memory, and Walter Henry Maxwell, Sr., will be revered for his tireless efforts and many years of service, like Nehemiah with the word of God in one hand and a sword in the other, “staying on the wall” to build a sure rampart to protect and ensure the rights, welfare, and prosperity of the people of the Commonwealth; now, therefore, be it
RESOLVED by the Senate, the House of Delegates concurring, That the General Assembly hereby note with great sadness the loss of the Reverend Dr. Walter Henry Maxwell, Sr., former member of the Senate of Virginia; and, be it

RESOLVED FURTHER, That the Clerk of the Senate prepare a copy of this resolution for presentation to the family of the Reverend Dr. Walter Henry Maxwell, Sr., as an expression of the General Assembly’s gratitude for his service and contributions and great respect for his memory.

b. The provisions of paragraphs B.6.c. and B.6.d. of this item shall not apply during any regular session of the General Assembly or extension thereof, or during any special session of the General Assembly; provided, however, that the provisions of such paragraphs shall apply during any recess of the same.

c. Notwithstanding any other provision of law, each General Assembly member shall receive compensation for each day, or portion thereof, of attendance at an official meeting of any joint subcommittee, board, commission, authority, council, compact, or other body that has been created or established by the General Assembly or by resolution of a house of the General Assembly, provided that the member has been appointed to, or designated an official member of, such joint subcommittee, board, commission, authority, council, compact, or other body pursuant to an act of the General Assembly or a resolution of a house of the General Assembly that provides for the appointment or designation.

Notwithstanding any other provision of law, each General Assembly member shall also receive compensation for each day, or portion thereof, of attendance at an official meeting of (i) any standing committee or subcommittee thereof of the House of Delegates to which the member has been appointed; (ii) any standing committee or subcommittee thereof or Committee on Rules of the Senate to which the member has been appointed; or (iii) the Joint Rules Committee of the General Assembly. Any official meeting of a subcommittee of any of the committees described in clauses (i), (ii), or (iii) shall also be an official meeting for which the member shall receive compensation.

Notwithstanding any other provision of law, any General Assembly member whose attendance in the written opinion of the chairman of (a) any joint subcommittee, board, commission, authority, council, or other body that has been created or established in the legislative branch of state government by the General Assembly or by resolution of a house of the General Assembly; (b) any such standing committee or subcommittee thereof of the House of Delegates or of the Senate; (c) the Committee on Rules of the Senate; or (d) the Joint Rules Committee of the General Assembly, is required at an official meeting of the body shall also receive compensation for each day, or portion thereof, of attendance at such official meeting.
Any General Assembly member receiving compensation pursuant to this paragraph for attending an official meeting shall be reimbursed for his or her reasonable and necessary expenses incurred in attending such meeting. Notwithstanding any other provision of law, the reimbursement shall be provided by the respective body holding the meeting or by the entity that supports the work of the body.

d. Compensation to General Assembly members for attendance at any official meeting described under B.6.c. of this item shall be at the rate of $200 for each day, or portion thereof, of attendance. In no case shall a member be paid more than an aggregate of $200 in compensation for each day, or portion thereof, regardless if the member attends more than one official meeting during the day. The payment of such compensation shall be subject to the restrictions and limitations set forth in subsections B., C., and G. of Section 30-19.12 of the Code of Virginia. Notwithstanding any other provision of law, compensation to General Assembly members for attendance at such official meetings shall be paid by the offices of the Clerk of the House of Delegates or Clerk of the Senate, as applicable. Such compensation and reimbursement for expenses shall be set by the Speaker of the House of Delegates for members of the House of Delegates and by the Senate Committee on Rules for members of the Senate.

8. The provisions of this paragraph shall apply only to non-General Assembly members (hereinafter, “citizen members”) of any (i) board, commission, authority, council, or other body created or established in the legislative branch of state government by the General Assembly or by resolution of a house of the General Assembly, or (ii) joint legislative committee or subcommittee.

Notwithstanding any other provision of law, any citizen member of any body described in this paragraph who is appointed at the state level, or designated an official member of such body, pursuant to an act of the General Assembly or a resolution of a house of the General Assembly that provides for the appointment or designation, shall receive compensation solely for each day, or portion thereof, of attendance at an official meeting of the same. In no event shall any citizen member be paid compensation for attending a meeting of any advisory committee or other advisory body. “OOOO. Effective July 1, 2011, the Department of Medical Assistance Services shall amend the State Plans under Title XIX and XXI of the Social Security Act to require an independent assessment of children or adolescents who may be in need of intensive in-home, therapeutic day treatment, residential levels A and B services, and mental health support services. Independent assessments shall be conducted by a licensed or licensed-eligible mental health professional, who will not directly provide or supervise the direct service provision of the recommended service, or shall be conducted by a qualified employee of the Community Services Board or Behavioral Health Authority (CSB/BHA) serving the locality where the child resides. If the CSB/BHA performing the assessment will also provide the service, the person performing the assessment cannot be the direct service provider or the supervisor of the direct service provider. If a child or adolescent is already involved with a Family Assessment and Planning Team (FAPT), the FAPT
team’s referral, where appropriate, may be used in lieu of an independent assessment. If the child or adolescent is a member of a Medicaid-contracted managed care organization, that organization shall provide for the assessment with appropriately credentialed personnel, which may include public or private providers. These services, other than case management, shall not be provided until the assessment is completed and determined that the individual meets the medical necessity criteria for the service(s). This process shall also include the following principles:

1) The independent assessment shall establish medical necessity of the individual for services listed herein. The assessment shall, at a minimum, contain standardized elements as determined by the Departments of Medical Assistance Services and Behavioral Health and Developmental Services in consultation with stakeholders.

2) Service providers seeking prior authorization for services listed herein will no longer be required to provide evidence of previous behavioral interventions to the Department of Medical Assistance Services or its authorizing agent.

3) The Department of Medical Assistance Services, in consultation with stakeholders, shall develop a variance process if there is no independent assessor available to conduct a timely assessment. This variance process will define what is a timely assessment, what constitutes written justification for the variance, and will allow a Licensed Mental Health Professional (LMHP) or LMHP eligible clinician working for a service provider to conduct the assessment and still allow the service provider to render services to the individual.

4) If the independent assessor determines a child/youth qualifies for the services listed herein, the independent assessor shall inform the child/youth and family of available service options. Once the family chooses the service option, the assessor will also provide a choice of service providers. The family shall make a choice of service providers. Both service and provider choice shall be documented in writing.

5) Subsequent re-evaluations to determine continued medical necessity for the service shall be conducted by the service provider.

6) The Departments of Medical Assistance Services and Behavioral Health and Developmental Services, in consultation with stakeholders shall create outcome measures that will ensure value and quality.

7) The Department of Medical Assistance Services and the Department of Behavioral Health and Developmental Services, in consultation with stakeholders, shall establish a training process for independent assessors. The department shall have the authority to implement necessary changes upon federal approval and prior to the completion of any regulatory process undertaken to effect such change.”

“...The Department of Medical Assistance Services shall seek federal authority through the necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the Social Security Act to expand principles of care coordination to all geographic areas, populations, and services under programs administered by the department. The expansion of care coordination shall be based on the principles of shared financial risk such as shared savings, performance benchmarks or risk and improving the value of care delivered by measuring outcomes, enhancing quality, and monitoring expenditures. The department shall engage stakeholders, including beneficiaries, advocates, providers, and health plans, during the development and implementation of the care coordination projects. Implementation shall include specific requirements for data collection to ensure the ability to monitor utilization, quality of care, outcomes, costs, and cost savings. The department shall report by November 1 of each year to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees detailing implementation progress including but not limited to the number of individuals enrolled in care coordination, the geographic areas, populations and services affected and cost savings achieved. Unless otherwise delineated, the department shall have authority to implement necessary changes upon federal approval and prior to the completion of any regulatory process undertaken in order to effect such change. The intent of this Item may be achieved through several steps, including, but not limited to the following:

a. In fulfillment of this Item, the department may seek any necessary federal authority through amendment to the State Plans under Title XIX and XXI of the Social Security Act, and appropriate waivers to such, to expand the current managed care program, Medallion II, to all localities of the Commonwealth effective January 1, 2012. The department shall have authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment of this act.

b. In fulfillment of this Item, the department may seek federal authority through amendment to the State Plans under Title XIX and XXI of the Social Security Act, and appropriate waivers to such, to allow, on a pilot basis, foster care children, under the custody of the City of Richmond Department of Social Services, to be enrolled in Medicaid managed care (Medallion II) effective July 1, 2011. The department shall have the authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment date of this act.

c. In fulfillment of this item, the department may seek federal authority to implement a care coordination program for Elderly or Disabled with Consumer Direction (EDCD) waiver participants effective October 1, 2011. This service would be provided to adult EDCD waiver participants on a mandatory basis. The department shall have authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment of this act.

d. In fulfillment of this item, the department may seek federal authority through amendment to the State Plan under Title XIX of the Social Security Act, and any necessary waivers, to allow individuals enrolled in Home and Community Based Care (HCBC) waivers to also be enrolled in contracted Medallion II managed care organizations for the purposes of receiving acute and medical care services effective January 1, 2012. The department shall have authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment of this act.

e. In fulfillment of this item, the department and the Department of Behavioral Health and Developmental Services, in collaboration with the Community Services Boards and in consultation with appropriate stakeholders, shall develop a blueprint for the development and implementation of a care coordination model for individuals in need of behavioral health services not currently provided through a managed care organization. The overall goal of the project is to improve the value of behavioral health services purchased by the Commonwealth of Virginia without compromising access to behavioral health services for vulnerable populations. Targeted case management services will continue to be the responsibility of the Community Services Boards. The
blueprint shall: (i) describe the steps for development and implementation of the program model(s) including funding, populations served, services provided, timeframe for program implementation, and education of clients and providers; (ii) set the criteria for medical necessity for community mental health rehabilitation services; and (iii) include the following principles:

1. Improves value so that there is better access to care while improving equity.
2. Engages consumers as informed and responsible partners from enrollment to care delivery.
3. Provides consumer protections with respect to choice of providers and plans of care.
4. Improves satisfaction among providers and provides technical assistance and incentives for quality improvement.
5. Improves satisfaction among consumers by including consumer representatives on provider panels for the development of policy and planning decisions.
6. Improves quality, individual safety, health outcomes, and efficiency.
7. Develops direct linkages between medical and behavioral services in order to make it easier for consumers to obtain timely access to care and services, which could include up to full integration.
8. Builds upon current best practices in the delivery of behavioral health services.
9. Accounts for local circumstances and reflects familiarity with the community where services are provided.
10. Develops service capacity and payment system that reduces the need for involuntary commitments and prevents default (or diversion) to state hospitals.
11. Reduces and improves the interface of vulnerable populations with local law enforcement, courts, jails, and detention centers.
12. Supports the responsibilities defined in the Code of Virginia relating to Community Services Boards and Behavioral Health Authorities.
13. Promotes availability of access to vital supports such as housing and supported employment.
14. Achieves cost savings through decreasing avoidable episodes of care and hospitalizations, strengthening the discharge planning process, improving adherence to medication regimens, and utilizing community alternatives to hospitalizations and institutionalization.
15. Simplifies the administration of acute psychiatric, community mental health rehabilitation, and medical health services for the coordinating entity, providers, and consumers.
16. Requires standardized data collection, outcome measures, customer satisfaction surveys, and reports to track costs, utilization of services, and outcomes. Performance data should be explicit, benchmarked, standardized, publicly available, and validated.
17. Provides actionable data and feedback to providers.
18. In accordance with federal and state regulations, includes provisions for effective and timely grievances and appeals for consumers.

f. The department may seek the necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the Social Security Act to develop and implement a care coordination model, that is consistent with the principles in Paragraph e, for individuals in need of behavioral health services not currently provided through managed care to be effective January 1, 2012. This model may be applied to individuals on a mandatory basis. The department shall have authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment date of this act.

g. The department may seek the necessary waiver(s) and/or State Plan authorization under Title XIX of the Social Security Act to develop and implement a care coordination model for individuals dualy eligible for services under both Medicare and Medicaid to be effective April 1, 2012. The department shall have authority to implement necessary changes upon federal approval and prior to the completion of any regulatory process undertaken in order to effect such change.

h. The Department of Medical Assistance Services and the Department of Behavioral Health and Developmental Services, in consultation with appropriate stakeholders and national experts, shall research and work to improve and/or develop Medicaid waivers for individuals with intellectual disabilities and developmental disabilities that will increase efficiency and cost effectiveness, enable more individuals to be served, strengthen the delivery of person-centered supports, enable
individuals with high medical needs and/or high behavioral support needs to remain in the community setting of their choice, and provide viable community alternatives to institutional placement. This initiative shall include a review of the current Intellectual Disabilities (ID) and Individual and Family Developmental Disabilities Supports (IFDDS) waivers to identify any improvements to these waivers that will achieve these same outcomes. The Department of Behavioral Health and Developmental Services and the Department of Medical Assistance Services shall report on the proposed waiver changes and associated costs to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees by October 1, 2011.”

D.1. The Department of Juvenile Justice shall prepare a report on the future of juvenile correctional centers (JCC’s) in the Commonwealth. The report shall include: (1) an analysis of JCC utilization rates; (2) an analysis of local and regional secure juvenile detention center utilization rates; (3) a determination of the appropriate number and types of beds, including security levels, necessary to manage the projected state-responsible and local-responsible juvenile population; and (4) an analysis of options for providing regional transitional programs and re-entry services at selected local and regional juvenile secure detention facilities.
2. In preparing this report, the department shall consult with representatives of the following: (1) the Department of Correctional Education; (2) the Department of Education; (3) the Virginia Council on Juvenile Detention; (4) juvenile court service unit directors; (5) juvenile and domestic relations district court judges; (6) juvenile justice advocacy groups; (7) the Virginia Prisoner and Juvenile Offender Re-entry Council; (8) the Virginia Municipal League; and (9) the Virginia Association of Counties. This consultation shall address the prospect of implementing a plan for: (1) the closing of one state juvenile correctional center and reallocating the cost savings to regional transitional programs and reentry services at selected local and regional juvenile secure detention facilities; and (2) identifying funding to be transferred for the purpose of reinvesting in such programs and services. The report shall detail the feasibility and core components of such a plan and shall include a fiscal analysis of the impact on localities and on the department of the plan. The fiscal analysis shall address state responsibilities related to transportation, education, medication, assistance to support security services provided directly by the juvenile detention facility, and comprehensive programming provided on a contractual basis by private, for-profit and nonprofit providers, based on evidence based practices.

3. The report shall be provided to the Governor, the Secretary of Public Safety, and the Chairmen of the Senate Finance and House Appropriations Committees on or before October 1, 2011.”

William T. Bolling
President of the Senate

Susan Clarke Schaar
Clerk of the Senate
The Senate met at 10:30 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Greg West, Virginia Wesleyan College, Virginia Beach, Virginia, offered the following prayer:

O God Almighty, we need Your help -
Today we acknowledge and rejoice in Your greatness, Your power and Your love ... and in the same breath we admit our sins. God, please forgive us and change our selfish hearts.
O God Almighty, we need Your help here in Virginia -
We need Your peace to overcome our anxieties and our violence, Your love to conquer our lusts and our hate, Your truth to free us from our errors and we need a humility that keeps You in first place.
Arise, O God and help us! Come to our rescue because of Your unfailing love. We know You are able, for nothing is too difficult for You.
Would You give us glimpses of Your desire for planet earth, for this nation and for Virginia, for our cities, towns and our families - even Your will for our lives? And let Your desire become ours while imparting in us the courage to pursue these desires with all our strength so that we, the people of Virginia would act justly, love mercy and walk humbly with You.
O God, we pray for these men and women of our Senate. Give them wisdom and grace from above to lead us. Give them health and friendships, vision and conviction. Please break all divisions and rivalries that hinder real progress; granting them a unity in solutions that transcend all lesser loyalties.
We pray also for their families: for their spouses, children and grandchildren - bless them, O God, to be a blessing. Protect and bless their marriages with joy and faithfulness that their children and grandchildren will receive and pass on a legacy of love and integrity.
Awake all of us in these chambers and awake the people of the Commonwealth of Virginia just as You awoke Jacob ... to the reality of Your Presence and let us say with him: “Surely the LORD is in this place and I knew it not.” With this awareness, what we do and say will work for and not against the coming of Your blessed Kingdom.
We pray together for the Commonwealth ... that it would be just that ... a shared prosperity, a shared blessing and peace; a true equality of opportunity and justice, all flowing from Your goodness and abundance, O God. Above all, let us be a people that love You, and love our neighbors as ourselves.
So LORD, with respect for people of all faiths, I submit this prayer in the name of Jesus Christ. Amen.

“OOOO. Effective July 1, 2011, the Department of Medical Assistance Services shall amend the State Plans under Title XIX and XXI of the Social Security Act to require an independent assessment of children or adolescents who may be in need of intensive in-home, therapeutic day treatment, residential levels A and B services, and mental health support services. Independent assessments shall be conducted by a licensed or licensed-eligible mental health professional, who will not directly provide or supervise the direct service provision of the recommended service, or shall be conducted by a qualified employee of the Community Services Board or Behavioral HealthAuthority (CSB/BHA) serving the locality where the child resides. If the CSB/BHA performing the assessment will also provide the service, the person performing the assessment cannot be the direct service provider or the supervisor of the direct service provider. If a child or adolescent is already involved with a Family Assessment and Planning Team (FAPT), the FAPT team’s referral, where appropriate, may be used in lieu of an independent assessment. If the child or adolescent is a member of a Medicaid-contracted managed care organization, that organization shall provide for the assessment with appropriately credentialed personnel, which may include public or private providers. These services, other than case management, shall not be provided until the assessment is completed and determined that the individual meets the medical necessity criteria for the service(s). This process shall also include the following principles:

1) The independent assessment shall establish medical necessity of the individual for services listed herein. The assessment shall, at a minimum, contain standardized elements as determined by the Departments of Medical Assistance Services and Behavioral Health and Developmental Services in consultation with stakeholders.

2) Service providers seeking prior authorization for services listed herein will no longer be required to provide evidence of previous behavioral interventions to the Department of Medical Assistance Services or its authorizing agent.

3) The Department of Medical Assistance Services, in consultation with stakeholders, shall develop a variance process if there is no independent assessor available to conduct a timely assessment. This variance process will define what is a timely assessment, what constitutes written justification for the variance, and will allow a Licensed Mental Health Professional (LMHP) or LMHP eligible clinician working for a service provider to conduct the assessment and still allow the service provider to render services to the individual.

4) If the independent assessor determines a child/youth qualifies for the services listed herein, the independent assessor shall inform the child/youth and family of available service options. Once the family chooses the service option, the assessor will also provide a choice of service providers. The family shall make a choice of service providers. Both service and provider choice shall be documented in writing.

5) Subsequent re-evaluations to determine continued medical necessity for the service shall be conducted by the service provider.

6) The Departments of Medical Assistance Services and Behavioral Health and Developmental Services, in consultation with stakeholders shall create outcome measures that will ensure value and quality.
7) The Department of Medical Assistance Services and the Department of Behavioral Health and Developmental Services, in consultation with stakeholders, shall establish a training process for independent assessors. The department shall have the authority to implement necessary changes upon federal approval and prior to the completion of any regulatory process undertaken to effect such change."

“MMMM.1. The Department of Medical Assistance Services shall seek federal authority through the necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the Social Security Act to expand principles of care coordination to all geographic areas, populations, and services under programs administered by the department. The expansion of care coordination shall be based on the principles of shared financial risk such as shared savings, performance benchmarks or risk and improving the value of care delivered by measuring outcomes, enhancing quality, and monitoring expenditures. The department shall engage stakeholders, including beneficiaries, advocates, providers, and health plans, during the development and implementation of the care coordination projects. Implementation shall include specific requirements for data collection to ensure the ability to monitor utilization, quality of care, outcomes, costs, and cost savings. The department shall report by November 1 of each year to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees detailing implementation progress including but not limited to the number of individuals enrolled in care coordination, the geographic areas, populations and services affected and cost savings achieved. Unless otherwise delineated, the department shall have authority to implement necessary changes upon federal approval and prior to the completion of any regulatory process undertaken in order to effect such change. The intent of this Item may be achieved through several steps, including, but not limited to the following:
a. In fulfillment of this Item, the department may seek any necessary federal authority through amendment to the State Plans under Title XIX and XXI of the Social Security Act, and appropriate waivers to such, to expand the current managed care program, Medallion II, to all localities of the Commonwealth effective January 1, 2012. The department shall have authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment of this act.
b. In fulfillment of this Item, the department may seek federal authority through amendment to the State Plans under Title XIX and XXI of the Social Security Act, and appropriate waivers to such, to allow, on a pilot basis, foster care children, under the custody of the City of Richmond Department
of Social Services, to be enrolled in Medicaid managed care (Medallion II) effective July 1, 2011. The department shall have the authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment date of this act.

c. In fulfillment of this item, the department may seek federal authority to implement a care coordination program for Elderly or Disabled with Consumer Direction (EDCD) waiver participants effective October 1, 2011. This service would be provided to adult EDCD waiver participants on a mandatory basis. The department shall have authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment of this act.

d. In fulfillment of this item, the department may seek federal authority through amendment to the State Plan under Title XIX of the Social Security Act, and any necessary waivers, to allow individuals enrolled in Home and Community Based Care (HCBC) waivers to also be enrolled in contracted Medallion II managed care organizations for the purposes of receiving acute and medical care services effective January 1, 2012. The department shall have authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment of this act.

e. In fulfillment of this item, the department and the Department of Behavioral Health and Developmental Services, in collaboration with the Community Services Boards and in consultation with appropriate stakeholders, shall develop a blueprint for the development and implementation of a care coordination model for individuals in need of behavioral health services not currently provided through a managed care organization. The overall goal of the project is to improve the value of behavioral health services purchased by the Commonwealth of Virginia without compromising access to behavioral health services for vulnerable populations. Targeted case management services will continue to be the responsibility of the Community Services Boards. The blueprint shall: (i) describe the steps for development and implementation of the program model(s) including funding, populations served, services provided, timeframe for program implementation, and education of clients and providers; (ii) set the criteria for medical necessity for community mental health rehabilitation services; and (iii) include the following principles:

1. Improves value so that there is better access to care while improving equity.
2. Engages consumers as informed and responsible partners from enrollment to care delivery.
3. Provides consumer protections with respect to choice of providers and plans of care.
4. Improves satisfaction among providers and provides technical assistance and incentives for quality improvement.
5. Improves satisfaction among consumers by including consumer representatives on provider panels for the development of policy and planning decisions.
6. Improves quality, individual safety, health outcomes, and efficiency.
7. Develops direct linkages between medical and behavioral services in order to make it easier for consumers to obtain timely access to care and services, which could include up to full integration.
8. Builds upon current best practices in the delivery of behavioral health services.
9. Accounts for local circumstances and reflects familiarity with the community where services are provided.
10. Develops service capacity and payment system that reduces the need for involuntary commitments and prevents default (or diversion) to state hospitals.
11. Reduces and improves the interface of vulnerable populations with local law enforcement, courts, jails, and detention centers.
12. Supports the responsibilities defined in the Code of Virginia relating to Community Services Boards and Behavioral Health Authorities.
13. Promotes availability of access to vital supports such as housing and supported employment.
14. Achieves cost savings through decreasing avoidable episodes of care and hospitalizations, strengthening the discharge planning process, improving adherence to medication regimens, and utilizing community alternatives to hospitalizations and institutionalization.
15. Simplifies the administration of acute psychiatric, community mental health rehabilitation, and medical health services for the coordinating entity, providers, and consumers.
16. Requires standardized data collection, outcome measures, customer satisfaction surveys, and reports to track costs, utilization of services, and outcomes. Performance data should be explicit, benchmarked, standardized, publicly available, and validated.

17. Provides actionable data and feedback to providers.

18. In accordance with federal and state regulations, includes provisions for effective and timely grievances and appeals for consumers.

f. The department may seek the necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the Social Security Act to develop and implement a care coordination model, that is consistent with the principles in Paragraph e, for individuals in need of behavioral health services not currently provided through managed care to be effective January 1, 2012. This model may be applied to individuals on a mandatory basis. The department shall have authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment date of this act.

g. The department may seek the necessary waiver(s) and/or State Plan authorization under Title XIX of the Social Security Act to develop and implement a care coordination model for individuals dually eligible for services under both Medicare and Medicaid to be effective April 1, 2012. The department shall have authority to implement necessary changes upon federal approval and prior to the completion of any regulatory process undertaken in order to effect such change.

h. The Department of Medical Assistance Services and the Department of Behavioral Health and Developmental Services, in consultation with appropriate stakeholders and national experts, shall research and work to improve and/or develop Medicaid waivers for individuals with intellectual disabilities and developmental disabilities that will increase efficiency and cost effectiveness, enable more individuals to be served, strengthen the delivery of person-centered supports, enable individuals with high medical needs and/or high behavioral support needs to remain in the community setting of their choice, and provide viable community alternatives to institutional placement. This initiative shall include a review of the current Intellectual Disabilities (ID) and Individual and Family Developmental Disabilities Supports (IFDDS) waivers to identify any improvements to these waivers that will achieve these same outcomes. The Department of Behavioral Health and Developmental Services and the Department of Medical Assistance Services shall report on the proposed waiver changes and associated costs to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees by October 1, 2011.”

Any such
retraction shall be only for the unit(s) which were deemed not in compliance. If during the utilization
and review audit there is found to be suspected fraud, abuse or neglect it shall be reported to the

The Reverend David Andersen, Capitol Commission, Chesterfield, Virginia, offered the following prayer:

Heavenly Father, What a joy it is to come before Your throne today, rejoicing that You are King of Kings and Lord of Lords. May You strengthen each of us to exalt Your name today and lift You up as the Most High God.

May we do Your will and further Your Kingdom by fulfilling Your greatest Law. May we love You with all our heart and with all our soul and with all our mind and find that the joy that You give is our greatest strength. May You pour out Your grace and salvation upon our Senators so abundantly that none of them may escape Your grace, but may You gather them together again one day in heaven for all eternity.

We ask for Your grace upon all of those in authority over us, our President Obama, our Vice President Biden, each of those in the cabinet, the Congress and the Supreme Court, as well as our own Governor McDonnell, Lieutenant Governor Bolling, Attorney General Cuccinelli and those in our House of Delegates and our state Supreme Court, as well as our local leaders, that You may draw each one of them unto Yourself in Your abundant grace.

Bless these, our Senators, today as they consider the legislation before them and graciously grant them Your wisdom and guide them in their every decision. Grant each of us, we pray, Your second greatest Law that we may love others as ourselves.

Deliver us from anger or hatred, vengeance or grudges but instead make us quick to forgive realizing that You gave Your Son upon the cross that You might graciously grant us forgiveness.

Father, there are many of our Senators who are wrestling with exhaustion, fatigue and even sickness as they have gone the extra mile in their commitment to do their best with this responsibility that You have entrusted to them. May You grant alertness, strength and Your healing hand upon them. Bless their relationships in their homes with their spouses and their children as often the weight of their responsibilities here can strain their relationships at home. May You grant them Your love, joy, peace, longsuffering, gentleness, goodness, trust and meekness in all of their relationships, but especially with those closest to them.

Finally, we ask that You may keep us from temptation that we may be obedient to Your Word in all that we do.

We pray these things in the matchless name of our coming King, Jesus Christ, Amen.

MONDAY, FEBRUARY 21, 2011

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Melvin Adams, Sr., Eastlake Community Church, Moneta, Virginia, offered the following prayer:

Almighty God, Creator of heaven and earth, we thank You for the Freedoms and Liberties You give us this day. We thank You for this wonderful state and nation in which we live. We are truly blessed!

Today, we join with many before us who have declared, “One Nation under God” and we humbly acknowledge “In God we trust.”

This is a new day - and today’s business in this assembly is urgent to the well-being of all Virginians.

So we pause to request that Your Divine Spirit overshadow the men and women in this chamber.

Use them to promote righteousness, justice and peace.

Use them to empower real and lasting solutions to the complex problems that we face as communities and individuals across this Commonwealth.

We ask, that as they work today, “Your will be done on earth as it is in heaven.”

Finally, we pray for the health (and the over-all well-being) of this body and of their families. Protect them and bless them for their sacrificial service.

This we humbly pray in the name of Jesus our Savior. Amen.

Clerk of the Senate
The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Dr. Donald D. Binder, Pohick Episcopal Church, Lorton, Virginia, offered the following prayer:

Heavenly Father, we bow our heads this morning to give thanks for the many blessings You have bestowed upon our nation and our Commonwealth, and especially to remember before You with great gladness the birthday of the Father of our Country, Your servant, George Washington.

When the people of Israel were suffering under the bondage of oppression, You raised up for them a great leader who, through Your mighty power, delivered them from their captors and led them toward the Promised Land. In the same way, when the people of our nation suffered under the yoke of tyranny, You called forth a noble and courageous man to lead these United States to victory in the face of overwhelming odds, and so procure for our citizens the blessings of liberty and peace.

As inheritors of his legacy, we pray that You would continue to pour out Your blessings upon our Governor, Lt. Governor, and the Senators and Delegates of this General Assembly, that as they face the many challenges of our day, they may be inspired by Washington’s example of generous sacrifice, and moved to make wise and compassionate decisions in their stewardship of our Commonwealth.

Finally, we pray that You would kindle within all Your people our Founding Father’s spirit of public service and self-sacrifice for the common good, that laboring together we may not only preserve, but further advance the blessings of freedom for which Washington and our forebearers so bravely fought. Amen.

The roll was called and the following Senators answered to their names:

HOUSE JOINT RESOLUTION NO. 693
AMENDMENT IN THE NATURE OF A SUBSTITUTE

Proposing an amendment to Section 11 of Article I of the Constitution of Virginia, relating to taking or damaging of private property.

RESOLVED by the House of Delegates, the Senate concurring, a majority of the members elected to each house agreeing, That the following amendment to the Constitution of Virginia be, and the same hereby is, proposed and referred to the General Assembly at its first regular session held after the next general election of members of the House of Delegates for its concurrence in conformity with the provisions of Section 1 of Article XII of the Constitution of Virginia, namely:

Amend Section 11 of Article I of the Constitution of Virginia as follows:

ARTICLE I

BILL OF RIGHTS

Section 11. Due process of law; obligation of contracts; taking or damaging of private property; prohibited discrimination; jury trial in civil cases.
That no person shall be deprived of his life, liberty, or property without due process of law; that the General Assembly shall not pass any law impairing the obligation of contracts, nor any law whereby private property shall be taken or damaged for public uses, without just compensation, the term “public uses” to be defined by the General Assembly; and that the right to be free from any governmental discrimination upon the basis of religious conviction, race, color, sex, or national origin shall not be abridged, except that the mere separation of the sexes shall not be considered discrimination.

That in controversies respecting property, and in suits between man and man, trial by jury is preferable to any other, and ought to be held sacred. The General Assembly may limit the number of jurors for civil cases in courts of record to not less than five.

That the General Assembly shall pass no law whereby private property, the right to which is fundamental, shall be damaged or taken except for public use. No private property shall be damaged or taken for public use without just compensation to the owner thereof. No more private property may be taken than necessary to achieve the stated public use. Just compensation shall be no less than the value of the property taken, business goodwill and access lost, damages to the residue caused by the taking, and damages to adjacent property caused by the taking. A public service company, public service corporation, or railroad exercises the power of eminent domain for public use when such exercise is for the authorized provision of utility, common carrier, or railroad services. In all other cases, a taking or damaging of private property is not for public use if the primary use is for private gain, private benefit, private enterprise, increasing jobs, increasing tax revenue, or economic development, except for the elimination of a public nuisance existing on the property. The condemnor bears the burden of proving that the use is public, without a presumption that it is.

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

Satish Korpe, Hindu Community of Virginia, Alexandria, Virginia, offered the following prayer:

Om is the giver of life, the dispeller of miseries and bestower of happiness. We should meditate upon Him, the creator of the universe, the most acceptable and the most knowledgeable God. May He inspire us and guide our intellects to do good.

May the brighter regions, the midway regions between the earth and sun, the waters, herbs, vegetation, the learned sages and educators, meditation, and study for acquisition of knowledge—in brief, the entire universe, be free from harm and conducive to peace and happiness for us. May this peace bring in its train higher peace (emancipation) which may pervade the whole universe. May such peace be my lot also.

May one and all be happy and in comfort!
May one and all be happy and in good health!
May one and all do well and be happy!
May one and all be blissfully free from anxiety, want and suffering!
O Supreme Spirit!
Lead us from untruth to truth
Lead us from darkness to light
Lead us from death to immortality!
O God, let us all unite and protect ourselves. Let us render service to others and let our studies be beneficial and effective. Let there be no hatred among us.

THURSDAY, FEBRUARY 24, 2011

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

Dr. Inez Tuck, Virginia Commonwealth University, Richmond, Virginia, offered the following prayer:

Holy Father, The Great Creator, we welcome You in this place.
Almighty God, we welcome You.
We seek Your divine presence in this assembly of men and women who have dedicated their lives to public service.

Our Commonwealth and our nation are facing many challenges. We live in difficult times and yet we know that God, You are a provider, a protector, and a deliverer. Like in difficult times in the past, we continue to say in “God we trust.”

Fear and uncertainty abound around us. Our citizens voice their concerns and fears. When there is fear of scarcity, we know that You are the God of plenty. Where there is adversity, You are the Great Comforter. Where there is despair, You are the giver of hope.

Bless each person here today. Give them clarity of thought, freedom from unjust biases and prejudices, and a servant’s heart. Remind us to pray for the needs of others, for the well-being of the person who sits beside us as well as the person across the aisle from us. We share a common bond and are all children of a loving God.

Be with us as we serve the citizens of this Commonwealth, those from the largest metropolitan area to the smallest village, from the highly educated to the illiterate, persons of every race, creed, and status in life. God give us the will and the courage to do the work that we are called to do.

Bless our leaders. Bring peace to this tumultuous world. Continue to grant us Your favor, bestow upon us Your tender mercies, and cradle us in Your abiding grace.
Almighty God, we welcome You in this place. Amen.
