“a. ENROLLMENT GROWTH:
Consistent with the provisions of the Virginia Higher Education Opportunity Act of 2011 (TJ21),
each institution of higher education shall receive an amount per student associated with enrollment
growth of Virginians. The difference in enrollment between the two most recent years for which
there is final actual enrollment data shall be used to calculate enrollment growth.
b. BASE AND INCENTIVE FUNDING:
1. General fund support will be allocated toward achieving the goals and objectives of TJ21. This
funding may include allocations in base operations support, financial aid, incentive funding,
research activities, and other initiatives.
2. For financial aid funding, the intent is to enhance affordability for both low-income and
middle-income students and their families. Financial aid funding shall be spread among the
institutions of higher education based on the State Council of Higher Education for Virginia’s

Partnership Model. For purposes of this funding, the Advisory Committee recommended the use of the federal percent-of-poverty index to define income bands for use in defining low and middle income families. Low income would fall below 200 percent and middle income would be in the range of 200 to 400 percent. Institutions shall report annually on their implementation of this policy via the six-year planning process established under TJ21.

3. For research activities and other initiatives, funding may be directed towards efforts identified by institutions of higher education in their six-year plans that best meet the goals and objectives of the TJ21 legislation.

4. Pursuant to TJ21 and its provisions promoting partnership between public and private institutions in the achievement of stated policy goals, the Commonwealth’s higher education investment strategy and funding policy may include the provision of financial incentives to private non-profit institutions of higher education where such incentives will support the goals of economic growth, reform-based investment and affordable access specified in TJ21. The Secretary of Education shall consult with the Attorney General and the Secretary of Finance to identify appropriate methods for the provision of such incentives and may make recommendations to the Higher Education Advisory Committee related thereto on or before October 1, 2012.”

The Reverend Joe Hopkins, Westover Church of God, Danville, Virginia, offered the following prayer:

Eternal God, Creator of heaven and earth, I thank You for the great men and women gathered here today. Lord, they are from varying communities and faith traditions. They are giving their lives to public service with passion, conviction and vision. I thank You for their willingness to address the issues facing our communities and to offer their talent to do good for the people of Virginia.

Today I ask Your blessings upon them. Guide their hearts and minds to act in harmony for the common good. Give them wisdom to govern amid conflicting interest. Grant them a resolve for justice and equality. May they act to preserve the freedoms our forefathers established and the men and women of our armed forces have given their blood to protect.

Father when their work is done, may they have a clean conscience before You that they may enjoy the peace that only You can give.

As a Christian I offer this prayer to You today in the Name of Jesus Christ my Lord. Amen.

The roll was called and the following Senators answered to their names:

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Dr. Anthony M. Chandler, Sr., Cedar Street Baptist Church, Richmond, Virginia, offered the following prayer:

O God, Giver of life, our Strength, our Hope, our Sustainer, our Keeper, our Redeemer, our Friend, we honor You today because it is because of You that we live, we breathe and we have our very being.

You've afforded us another opportunity to work while it is day. For this, we are grateful.

We are now beginning a new week, uncertain of the unforeseen challenges and the unpredictable trials and tests that we may encounter this week, but, we are assured today that You promised never to leave us. We have confidence in knowing that if You were able to get us through last week, You are more than able to do the same this week.

So, right now, we pray for strength. We pray for patience. We pray for peace. We pray for wisdom. Today, we also pray for forgiveness. Please forgive us our transgressions as we forgive those who have transgressed against us.

Now Father, I ask that You bless this encounter. Bless these courageous men and women, who continue to represent us, our communities and our state as they so boldly stand on the front line. Father, if we have ever needed You before, we sure do need You now.

Thank You for our President. Thank You for our Governor, and our Lieutenant Governor. Thank You for every elected official and every person in this room. Thank You for Senator Marsh who extended this invitation to me.

Now Father, I ask that You would again, bless this hour, bless this day. Bless our conversations and we shall forever give You all of the praise, all of the glory and all of the honor that You are due. It's in the name of He who remains the Alpha and Omega that we pray.

Together the people of God now say, Amen.

BILL OF RIGHTS

Section 11. Due process of law; obligation of contracts; taking *or damaging* of private property; prohibited discrimination; jury trial in civil cases.

That no person shall be deprived of his life, liberty, or property without due process of law; that the General Assembly shall not pass any law impairing the obligation of contracts, ~~nor any law whereby private property shall be taken or damaged for public uses, without just compensation, the term "public uses" to be defined by the General Assembly;~~ and that the right to be free from any governmental discrimination upon the basis of religious conviction, race, color, sex, or national origin shall not be abridged, except that the mere separation of the sexes shall not be considered discrimination.

That in controversies respecting property, and in suits between man and man, trial by jury is preferable to any other, and ought to be held sacred. The General Assembly may limit the number of jurors for civil cases in courts of record to not less than five.

That the General Assembly shall pass no law whereby private property, the right to which is fundamental, shall be damaged or taken except for public use. No private property shall be damaged or taken for public use without just compensation to the owner thereof. No more private property may be taken than necessary to achieve the stated public use. Just compensation shall be no less than the value of the property taken, lost profits and lost access, and damages to the residue caused by the taking. The terms "lost profits" and "lost access" are to be defined by the General Assembly. A public service company, public service corporation, or railroad exercises the power of eminent domain for public use when such exercise is for the authorized provision of utility, common carrier, or railroad services. In all other cases, a taking or damaging of private property is not for public use if the primary use is for private gain, private benefit, private enterprise, increasing jobs, increasing tax revenue, or economic development, except for the elimination of a public nuisance existing on the property. The condemnor bears the burden of proving that the use is public, without a presumption that it is.

The Reverend Joseph N. Giles, Jr., James Square Baptist Church, Lawrenceville, Virginia, offered the following prayer:

Almighty God, I am so thankful today to open this solemn assembly in prayer. It is a reflection that we live in the land of the free, and to be here in Richmond, the capital of the great Commonwealth of Virginia, which has been so crucial in the history of our great nation, past and present.

I lift up these men and women today Lord because the future depends on their actions.

I lift up these men and women because we need their insight into the law and general well-being for the citizens of the Commonwealth.

I lift up these men and women because I believe everyone, including our local, state, and national leaders need divine guidance in their everyday lives.

Father, I know this year this has often been a split body, but today, I pray for peace. I pray peace exists between the members of this body, between the citizens of the Commonwealth, and peace breaks out all across our nation.

Most of all, I pray for each member here personally. I thank them for their service, and I thank You for being present here today. Be with each member in their coming and going. Protect them, guide and direct them.

And, while each of you may, today and always, exalt God in your own way; it is in the Name of Jesus Christ that I personally lift up these prayers. Amen.

§ 18.2-76. Informed written consent required; civil penalty.

A. Before performing any abortion or inducing any miscarriage or terminating a pregnancy as provided in §§ 18.2-72, 18.2-73 or § 18.2-74, the physician shall obtain the informed written consent of the pregnant woman. However, if the woman has been adjudicated incapacitated by any court of competent jurisdiction or if the physician knows or has good reason to believe that such woman is incapacitated as adjudicated by a court of competent jurisdiction, then only after permission is given in writing by a parent, guardian, committee, or other person standing in loco parentis to the woman, may the physician perform the abortion or otherwise terminate the pregnancy.

B. Prior to the performance of an abortion, a woman may ask to have fetal transabdominal ultrasound imaging performed for the purpose of determining gestational age. This subsection shall not preclude a physician from using any ultrasound imaging that he considers to be medically appropriate pursuant to the standard medical practice in the community. However, no physician shall coerce a woman into receiving a transabdominal ultrasound that is not medically appropriate.

For purposes of this section:

“Informed written consent” means the knowing and voluntary written consent to abortion by a pregnant woman of any age, without undue inducement or any element of force, fraud, deceit, duress, or other form of constraint or coercion by

the physician who is to perform the abortion or his agent. The basic information to effect such consent, as required by this subsection, shall be provided by telephone or in person to the woman at least 24 hours before the abortion by the physician who is to perform the abortion, by a referring physician, or by a licensed professional or practical nurse working under the direct supervision of either the physician who is to perform the abortion or the referring physician; however, the information in subdivision 5 may be provided instead by a licensed health-care professional working under the direct supervision of either the physician who is to perform the abortion or the referring physician. This basic information shall include:

1. A full, reasonable and comprehensible medical explanation of the nature, benefits, and risks of and alternatives to the proposed procedures or protocols to be followed in her particular case;
2. An instruction that the woman may withdraw her consent at any time prior to the performance of the procedure;
3. An offer for the woman to speak with the physician who is to perform the abortion so that he may answer any questions that the woman may have and provide further information concerning the procedures and protocols;
4. A statement of the probable gestational age of the fetus at the time the abortion is to be performed; and
5. An offer to review the printed materials described in subsection D. If the woman chooses to review such materials, they shall be provided to her in a respectful and understandable manner, without prejudice and intended to give the woman the opportunity to make an informed choice and shall be provided to her at least 24 hours before the abortion or mailed to her at least 72 hours before the abortion by first-class mail or, if the woman requests, by certified mail, restricted delivery. This offer for the woman to review the material shall advise her of the following: (i) the Department of Health publishes printed materials that describe the unborn child and list agencies that offer alternatives to abortion; (ii) medical assistance benefits may be available for prenatal care, childbirth and neonatal care, and that more detailed information on the availability of such assistance is contained in the printed materials published by the Department; (iii) the father of the unborn child is liable to assist in the support of her child, even in instances where he has offered to pay for the abortion, that assistance in the collection of such support is available, and that more detailed information on the availability of such assistance is contained in the printed materials published by the Department; and (iv) she has the right to review the materials printed by the Department and that copies will be provided to her free of charge if she chooses to review them. Where the woman has advised that the pregnancy is the result of a rape, the information in clause (iii) above may be omitted.

The information required by this subsection may be provided by telephone without conducting a physical examination of or tests upon the woman, in which case the information required to be provided may be based on facts supplied by the woman and whatever other relevant information is reasonably available to the physician. If a physical examination, tests or the availability of other information to the physician or the nurse subsequently indicates, in the medical judgment of the physician or the nurse, a revision of the information previously supplied to the woman, that revised information may be communicated to the woman at any time prior to the performance of the abortion.

C. The physician need not obtain the informed written consent of the woman when the abortion is to be performed pursuant to a medical emergency or *spontaneous miscarriage*. "Medical emergency" means any condition which, on the basis of the physician's good faith clinical judgment, so complicates the medical condition of a pregnant woman as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create a serious risk of substantial and irreversible impairment of a major bodily function.

D. On or before October 1, 2001, the Department of Health shall publish, in English and in each language which is the primary language of two percent or more of the population of the Commonwealth, the following printed materials in such a way as to ensure that the information is easily comprehensible:

1. Geographically indexed materials designed to inform the woman of public and private agencies and services available to assist a woman through pregnancy, upon childbirth and while the child is dependent, including, but not limited to, information on services relating to (i) adoption as a positive alternative, (ii) information relative to counseling services, benefits, financial assistance, medical care and contact persons or groups, (iii) paternity establishment and child support enforcement, (iv) child development, (v) child rearing and stress management, and (vi) pediatric and maternal health care. The materials shall include a comprehensive list of the names and telephone numbers of the agencies, or, at the option of the Department of Health, printed materials including a toll-free, 24-hour-a-day telephone number which may be called to obtain, orally, such a list and description of agencies in the locality of the caller and of the services they offer;

2. Materials designed to inform the woman of the probable anatomical and physiological characteristics of the human fetus at two-week gestational increments from the time when a woman can be known to be pregnant to full term, including any relevant information on the possibility of the fetus's survival and pictures or drawings representing the development of the human fetus at two-week gestational increments. Such pictures or drawings shall contain the dimensions of the fetus and shall be realistic and appropriate for the stage of pregnancy depicted. The materials shall be objective, nonjudgmental and designed to convey only accurate scientific information about the human fetus at the various gestational ages; and

3. Materials containing objective information describing the methods of abortion procedures commonly employed, the medical risks commonly associated with each such procedure, the possible detrimental psychological effects of abortion, and the medical risks commonly associated with carrying a child to term.

The Department of Health shall make these materials available at each local health department and, upon request, to any person or entity, in reasonable numbers and without cost to the requesting party.

E. Any physician who fails to comply with the provisions of this section shall be subject to a \$2,500 civil penalty.

Satish Korpe and Ajit Lall, Hindu Community of Virginia, Alexandria, Virginia, offered the following prayer:

Om is the giver of life, the dispeller of miseries and bestower of happiness. We should meditate upon Him, the creator of the universe, the most acceptable and the most knowledgeable God. May He inspire us and guide our intellects to do good.

May the brighter regions, the midway regions between the earth and sun, the waters, herbs, vegetation, the learned sages and educators, meditation, and study for acquisition of knowledge—in brief, the entire universe, be free from harm and conducive to peace and happiness for us. May this peace bring in its train higher peace (emancipation) which may pervade the whole universe. May such peace be my lot also.

May one and all be happy and in comfort!

May one and all be happy and in good health!

May one and all do well and be happy!

May one and all be blissfully free from anxiety, want and suffering!

O Supreme Spirit!

Lead us from untruth to truth

Lead us from darkness to light

Lead us from death to immortality!

O God, let us all unite and protect ourselves. Let us render service to others and let our studies be beneficial and effective. Let there be no hatred among us.

Further, the Department of Planning and Budget may transfer appropriations within this Item from the second year of the biennium to the first year, when necessary to accomplish the purposes stated in paragraph A of this Item.

C. Except as provided for elsewhere in this Item, agencies supported in whole or in part by nongeneral fund sources, shall pay the proportionate share of changes in salaries and benefits as required by this Item, subject to the rules and regulations prescribed by the appointing or governing authority of such agencies. Nongeneral fund revenues and balances required for this purpose are hereby appropriated.

D. Such gain sharing programs require a management philosophy of open communication encouraging employee participation; a system which seeks, evaluates and implements employee input on increasing productivity; and a formula for measuring productivity gains and sharing these gains between employees and the agency. The Department of Human Resource Management, in conjunction with the Department of Planning and Budget, shall develop specific gain sharing program guidelines for use by agencies. The Department of Human Resource Management shall provide to the Governor, the Chairmen of the House Appropriations and Senate Finance Committees an annual report no later than October 1 of each year detailing identified savings and their usage.

Pursuant to § 3-1.01 of this act, amounts estimated at \$2,890,092 the first year and \$8,370,859 the second year shall be transferred from eligible nongeneral fund accounts to the general fund, representing nongeneral fund savings associated with the requirement for new employees to pay the 5 percent employee contribution.

L.1 Pursuant to the enactment of House Bill 1189 of the 2010 General Assembly Session, the Director of Department of Planning and Budget shall withhold and transfer to this item, amounts estimated at \$379,321 the first year and \$716,999 the second year, from the general fund

appropriations of state agencies and institutions of higher education, representing savings from the provision decreasing the state's contribution into the optional retirement plans for employees hired on or after July 1, 2010, with no prior service.

2. Pursuant to § 3-1.01 of this act, amounts estimated at \$414,365 the first year and \$793,825 the second year shall be transferred from eligible nongeneral fund accounts to the general fund, representing nongeneral fund savings associated with the decrease in the contribution rates into the optional retirement plans for employees hired on or after July 1, 2010, with no prior service.

M.1 Notwithstanding any provision to the contrary, any references to a period of 14 days or a period of 28 days in §§ 51.1-1111, -1112, -1122, and -1123 of the Virginia Sickness and Disability Program (VSDP) are hereby changed to a period of 45 days. Moreover, the period of 45 days shall be consecutive days that the participating employee is (i) actively at work and (ii) fully released to return to work full time, full duty. The Virginia Retirement System shall develop policies and procedures to administer the effects of the 45-day period in connection with participants who are deemed to have a major chronic condition.

2. Notwithstanding any provision to the contrary, any eligible employee commencing employment or re-employment on or after July 1, 2009, shall not be entitled to receive Virginia Sickness and Disability Program benefits under Article 3, Chapter 11, Title 51.1, Code of Virginia, (Nonwork Related Disability Benefits) until the employee completes one continuous year of active employment or re-employment.

3. Notwithstanding any provision to the contrary, for all eligible employees commencing employment or re-employment on or after July 1, 2009, short-term disability coverage under the Virginia Sickness and Disability Program shall provide income replacement for no more than 60 percent of a participating employee's creditable compensation for the first 60 months of continuous state service after employment or re-employment.

N. Notwithstanding the provisions of § 2.2-3205(A), Code of Virginia, the terminating agency shall not be required to pay the Virginia Retirement System the costs of enhanced retirement benefits provided for in § 2.2-3204(A), Code of Virginia. Instead, the entire cost of such benefits for involuntarily separated employees shall be factored into the employer contribution rates paid to the Virginia Retirement System beginning with the June 30, 2011, actuarial valuation.

O. Notwithstanding any other provisions of law, the State Comptroller shall delay the transfer of all employer-paid retirement contributions under all defined benefit plans administered by VRS for the final five paydays of fiscal year 2011 to fiscal year 2012. The applicable transfers shall occur no later than July 10, 2011.

2. The Director, Department of Planning and Budget, shall withhold and transfer to this item amounts estimated at \$14,399,470 the first year from the general fund appropriations of state agencies and institutions of higher education, representing savings from the delay in payments provided for in this paragraph.

3. Out of the general fund appropriation for this item, \$41,725,458 in the second year is available to be transferred to state agencies and institutions of higher education to support the general fund cost, and if necessary to offset any one-time non-general fund cost incurred by the institutions of higher education, related to eliminating the delay in the transfer of employer paid retirement payments beginning in fiscal year 2012.

P. The election of a Virginia Retirement System employer to pay, for any employee who was a Virginia Retirement System member on or before June 30, 2010, an equivalent amount in lieu of all member contributions under the provisions of § 51.1-144F is irrevocable. The provisions of this paragraph are declaratory of existing public policy and law

Q. The purpose of this paragraph is to provide a transitional severance benefit, under the conditions specified, to eligible city, county, school division or other political subdivision employees who are involuntarily separated from employment with their employer.

1.a. "Involuntary separation" includes, but is not limited to, terminations and layoffs from employment with the employer, or being placed on leave without pay-layoff or equivalent status, due to budget reductions, employer reorganizations, workforce downsizings, or other causes not

related to the job performance or misconduct of the employee, but shall not include voluntary resignations. As used in this paragraph, a "terminated employee" shall mean an employee who is involuntarily separated from employment with his employer.

b. The governing authority of a city, county, school division or other political subdivision electing to cover its employees under the provisions of this paragraph shall adopt a resolution, as prescribed by the Board of Trustees of the Virginia Retirement System, to that effect. An election by a school division shall be evidenced by a resolution approved by the Board of such school division and its local governing authority.

2.a. Any (i) "eligible employee" as defined in § 51.1-132, (ii) "teacher" as defined in § 51.1-124.3, and (iii) any "local officer" as defined in § 51.1-124.3 except for the treasurer, commissioner of the revenue, attorney for the Commonwealth, clerk of a circuit court, or sheriff of any county or city, and (a) for whom reemployment with his employer is not possible because there is no available position for which the employee is qualified or the position offered to the employee requires relocation or a reduction in salary and (b) whose involuntary separation was due to causes other than job performance or misconduct, shall be eligible, under the conditions specified, for the transitional severance benefit conferred by this paragraph. The date of involuntary separation shall mean the date an employee was terminated from employment or placed on leave without pay-layoff or equivalent status.

b. Eligibility shall commence on the date of involuntary separation.

3.a. On his date of involuntary separation, an eligible employee with (i) two years' service or less to the employer shall be entitled to receive a transitional severance benefit equivalent to four weeks of salary; (ii) three years through and including nine years of consecutive service to the employer shall be entitled to receive a transitional severance benefit equivalent to four weeks of salary plus one additional week of salary for every year of service over two years; (iii) ten years through and including fourteen years of consecutive service to the employer shall be entitled to receive a transitional severance benefit equivalent to twelve weeks of salary plus two additional weeks of salary for every year of service over nine years; or (iv) fifteen years or more of consecutive service to the employer shall be entitled to receive a transitional severance benefit equivalent to two weeks of salary for every year of service, not to exceed thirty-six weeks of salary.

b. Transitional severance benefits shall be computed by the terminating employer's payroll department. Partial years of service shall be rounded up to the next highest year of service.

c. Transitional severance benefits shall be paid by the employer in the same manner as normal salary. In accordance with § 60.2-229, transitional severance benefits shall be allocated to the date of involuntary separation. The right of any employee who receives a transitional severance benefit to also receive unemployment compensation pursuant to § 60.2-100 et seq. shall not be denied, abridged, or modified in any way due to receipt of the transitional severance benefit; however, any employee who is entitled to unemployment compensation shall have his transitional severance benefit reduced by the amount of such unemployment compensation. Any offset to a terminated employee's transitional severance benefit due to reductions for unemployment compensation shall be paid in one lump sum at the time the last transitional severance benefit payment is made.

d. For twelve months after the employee's date of involuntary separation, the employee shall continue to be covered under the (i) health insurance plan administered by the employer for its employees, if he participated in such plan prior to his date of involuntary separation, and (ii) group life insurance plan administered by the Virginia Retirement System pursuant to Chapter 5 (§ 51.1-500 et seq.) of Title 51.1, or such other group life insurance plan as may be administered by the employer. During such twelve months, the terminating employer shall continue to pay its share of the terminated employee's premiums. Upon expiration of such twelve month period, the terminated employee shall be eligible to purchase continuing health insurance coverage under COBRA.

e. Transitional severance benefit payments shall cease if a terminated employee is reemployed or hired in an individual capacity as an independent contractor or consultant by the employer during the time he is receiving such payments.

f. All transitional severance benefits payable pursuant to this section shall be subject to applicable federal laws and regulations.

4.a. In lieu of the transitional severance benefit provided in subparagraph 3 of this paragraph, any otherwise eligible employee who, on the date of involuntary separation, is also (i) a vested member of the Virginia Retirement System, including a member eligible for the benefits described in subsection B of § 51.1-138, and (ii) at least fifty years of age, may elect to have the employer purchase on his behalf years to be credited to either his age or creditable service or a combination of age and creditable service, except that any years of credit purchased on behalf of a member of the Virginia Retirement System, including a member eligible for the benefits described in subsection B of § 51.1-138, who is eligible for unreduced retirement shall be added to his creditable service and not his age. The cost of each year of age or creditable service purchased by the employer shall be equal to fifteen percent of the employee's present annual compensation. The number of years of age or creditable service to be purchased by the employer shall be equal to the quotient obtained by dividing (i) the cash value of the benefits to which the employee would be entitled under subparagraphs 3.a. and 3.d. of this paragraph by (ii) the cost of each year of age or creditable service. Partial years shall be rounded up to the next highest year. Deferred retirement under the provisions of subsection C of §§ 51.1-153 and 51.1-205, and disability retirement under the provisions of § 51.1-156 et seq., shall not be available under this paragraph.

b. In lieu of the (i) transitional severance benefit provided in subparagraph 3 of this paragraph and (ii) the retirement program provided in this subsection, any employee who is otherwise eligible may take immediate retirement pursuant to §§ 51.1-155.1 or 51.1-155.2.

c. The retirement allowance for any employee electing to retire under this paragraph who, by adding years to his age, is between ages fifty-five and sixty-five, shall be reduced on the actuarial basis provided in subdivision A. 2. of § 51.1-155.

d. The retirement program provided in this subparagraph shall be otherwise governed by policies and procedures developed by the Virginia Retirement System.

e. Costs associated with the provisions of this subparagraph shall be factored into the employer contribution rates paid to the Virginia Retirement System beginning with the June 30, 2011 actuarial evaluation.

R. Out of the general fund appropriation for this Item, \$3,400,000 in the second year shall be transferred to state agencies and institutions of higher education to support the general fund portion of costs associated with benefits provided pursuant to the Line of Duty Act.

S.1. All classified employees of the Executive branch and other full-time employees of the Commonwealth, except elected officials, who were employed on June 30, 2010 and remain employed until at least December 1, 2010, shall receive a one-time bonus payment equal to three percent of base pay on December 1, 2010, contingent upon additional general fund resources equaling or exceeding \$82,200,000 from the combination of actual general fund revenue collections for FY 2010 exceeding the official FY 2010 revenue estimate contained in the first enactment of HB 29 of the 2010 session of the General Assembly, and by any discretionary unspent general fund appropriations recommended by the Governor for reversion at the end of FY 2010. If the combination of additional general fund revenue collections and year-end general fund balances recommended for reversion by the Governor for FY 2010 exceed the official revenue estimate by less than \$82,200,000, the one-time bonus payment shall be prorated to a percent of base pay for the general fund payroll that equates to the amount of excess resources collected.

2. For purposes of paying the general fund share of the December 1, 2010, one-time bonus, the State Comptroller shall reserve \$82,200,000 on the balance sheet for the general fund attributable to FY 2010 general fund revenue collections in excess of the official revenue estimate and discretionary general fund balances recommended for reversion by the Governor.

3. The Director of the Department of Planning and Budget shall administratively increase nongeneral fund appropriations as required to implement the one-time bonus payment.

T.1. Every: (i) “state employee,” as defined in § 51.1-124.3, Code of Virginia, except an elected official, who is a member covered by the defined benefit plan of the Virginia Retirement System established under Chapter 1 of Title 51.1 (§ 51.1-100 et seq.), (ii) member of the State Police Officers' Retirement System under Chapter 2 of Title 51.1 (§ 51.1-200 et seq.), or (iii) member of the Virginia Law Officers' Retirement System under Chapter 2.1 of Title 51.1 (§ 51.1-211 et seq.), who is not a “person who becomes a member on or after July 1, 2010,” as defined in § 51.1-124.3, Code of Virginia, shall be required to pay member contributions on a salary reduction basis in accordance with § 414(h) of the Internal Revenue Code in the amount of five percent of creditable compensation, effective June 25, 2011.

2. The base salary of employees described in subparagraph T.1. above shall be increased by five percent effective on June 25, 2011.

3. Out of the general fund appropriation for this item, \$15,057,664 in the second year shall be transferred to state agencies and institutions of higher education to support the net general fund cost as a result of the actions described in paragraphs 1 and 2 above.

U. The Director, Department of Planning and Budget, shall withhold and transfer to this item, amounts estimated at ~~\$10,533,020~~ \$5,533,020 the second year from the general fund and various nongeneral fund appropriations of state agencies representing savings associated with the freeze on new hires in Executive Department agencies. The Secretary of Finance shall establish the procedures to be used in determining the amounts to be reverted from impacted agencies.”

“K.1. Out of the appropriation for this item, \$30,000,000 the second year from the general fund is provided to capitalize a reserve to be known as the Federal Action Contingency Trust (FACT) Fund. The Governor is authorized to distribute amounts from this reserve to mitigate or address a variety of negative impacts of federal fiscal actions on the Commonwealth. Although not specifically limited to the following, the Governor may use this reserve to address the replacement of losses of direct federal grant funding, to provide incentives to retain or consolidate federal facilities in Virginia, to address federal tax policy changes from conformity that are deemed undesirable, and to assist businesses impacted by the cutback of federal procurement or defense contracts in obtaining new alternative customers.

2. There is hereby created an advisory committee to provide advice to the Governor concerning the use of the Federal Action Contingency Trust (FACT) Fund. The committee shall consist of six legislative members appointed by the Joint Rules Committee one of which shall be from the Senate at large, and one of which shall be from the House at large, and two members of the Senate Committee on Finance and two members from the House Appropriations Committee. The secretaries of Commerce and Trade and Finance shall also serve as members of the advisory committee.

3. Prior to the distribution of any funds from the Federal Action Contingency Trust (FACT) Fund, the Governor shall consult with the advisory committee regarding the purpose of any proposed distribution and seek the advisory committee’s guidance. The advisory committee shall respond to the Governor within five days after receiving a proposal from the Governor indicating their guidance to him about the proposed distribution. The Governor shall also notify the chairmen of the Senate Finance Committee and the House Appropriations Committee in writing within ten days concerning his decision to distribute money from the FACT reserve having previously received guidance from the advisory committee.

4. If the U.S. Congress substantially delays or amends the automatic \$1.2 trillion in federal budget reductions scheduled to take effect in January 2013 pursuant to the Budget Control Act of 2011; and, the Governor and the advisory committee determines that the result of any such action will not significantly impact the Commonwealth's revenues, certain contingent appropriations as identified in Item 105 of Senate Bill 30 (2012) shall be provided from the Federal Action Contingency Trust (FACT) Fund."

Consistent with the provisions of the Virginia Higher Education Opportunity Act of 2011 (TJ21), each institution of higher education shall receive an amount per student associated with enrollment growth of Virginians. The difference in enrollment between the two most recent years for which there is final actual enrollment data shall be used to calculate enrollment growth.

b. BASE AND INCENTIVE FUNDING:

1. General fund support will be allocated toward achieving the goals and objectives of TJ21. This funding may include allocations in base operations support, financial aid, incentive funding, research activities, and other initiatives.

2. For financial aid funding, the intent is to enhance affordability for both low-income and middle-income students and their families. Financial aid funding shall be spread among the institutions of higher education based on the State Council of Higher Education for Virginia’s Partnership Model. For purposes of this funding, the Advisory Committee recommended the use of the federal percent-of-poverty index to define income bands for use in defining low and middle income families. Low income would fall below 200 percent and middle income would be in the range of 200 to 400 percent. Institutions shall report annually on their implementation of this policy via the six-year planning process established under TJ21.

3. For research activities and other initiatives, funding may be directed towards efforts identified by institutions of higher education in their six-year plans that best meet the goals and objectives of the TJ21 legislation.

4. Pursuant to TJ21 and its provisions promoting partnership between public and private institutions in the achievement of stated policy goals, the Commonwealth’s higher education investment strategy and funding policy may include the provision of financial incentives to private non-profit institutions of higher education where such incentives will support the goals of economic growth, reform-based investment and affordable access specified in TJ21. The Secretary of Education shall consult with the Attorney General and the Secretary of Finance to identify appropriate methods for the provision of such incentives and may make recommendations to the Higher Education Advisory Committee related thereto on or before October 1, 2012.”

THURSDAY, MARCH 1, 2012

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Michael Grooms, Rainbow Forest Baptist Church, Troutville, Virginia, offered the following prayer:

Today, I feel it appropriate and timely to repeat a prayer that was supposedly prayed by Thomas Jefferson, third president of the United States. Some believe it was from the American Common Book of Prayer attributed by George Lyman Locke. In any case it is a great prayer to remember for these days of crisis.

Almighty God, who has given us this good land for our heritage, we humbly beseech Thee that we may always prove ourselves a people mindful of Thy favor and glad to do Thy will. Bless our land with honorable ministry, sound learning, and pure manners. Save us from violence, discord, and confusion, from pride and arrogance, and from every evil way. Defend our liberties, and fashion into one united people, the multitude brought hither out of many kindreds and tongues. Endow with Thy spirit of wisdom those whom in Thy name we entrust the authority of government, that there may be justice and peace at home, and that through obedience to Thy law, we may show forth Thy praise among the nations of the earth. In time of prosperity fill our hearts with thankfulness, and in the day of trouble, suffer not our trust in Thee to fail; all of which we ask through Jesus Christ our Lord. Amen.

The roll was called and the following Senators answered to their names:

Barker, Black, Blevins, Carrico, Colgan, Deeds, Ebbin, Edwards, Favola, Garrett, Hanger, Herring, Howell, Locke, Lucas, Marsden, Marsh, Martin, McDougle, McEachin, McWaters, Miller, J.C., Miller, Y.B., Newman, Norment, Northam, Obenshain, Petersen, Puckett, Puller, Reeves, Ruff, Smith, Stanley, Stosch, Stuart, Vogel, Wagner, Watkins.

A quorum was present.

After the roll call, Senator Saslaw notified the Clerk of his presence.

On motion of Senator Ruff, the reading of the Journal was waived.

William T. Bolling
President of the Senate

Susan Clarke Schaar
Clerk of the Senate

MONDAY, MARCH 5, 2012

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Gary Hamrick, Cornerstone Chapel, Leesburg, Virginia, offered the following prayer:

Father in Heaven, we acknowledge that this is the day You have made; we will rejoice and be glad in it (Psalm 118:24). You are the Everlasting God, the Creator of the ends of the earth (Isaiah 40:28), and we humble ourselves in Your sight today.

Thank You for Your mercies that are new every morning, for Your compassions that fail not; great is Your faithfulness (Lamentations 3:22-23).

I pray that You would give wisdom and knowledge to the Senate of this great Commonwealth; that You would use these men and women to govern wisely, humbly, and with integrity of heart.

I pray that they would not bow to the pressure of their critics or become blinded by the flattery of their supporters, but that they would be men and women of principle where conscience and character count.

Thank You, Father, for their service to our state. May You bless them, their families, and their constituents. May You bless our Governor and our Commonwealth. And may You be glorified in our nation.

I ask these things in the Name of Jesus my Lord. Amen.

The roll was called and the following Senators answered to their names:

Clerk of the Senate

TUESDAY, MARCH 6, 2012

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Dr. Randy Clipp, Monument Heights Baptist Church, Richmond, Virginia, offered the following prayer:

Almighty God, You have blessed us with this beautiful land. As the author of liberty, You have granted us freedom and provided these men and women with the privilege and responsibility of leadership.

Now grant this body the resolve to work together for the good of the people. Remembering the long legacy of cooperation that has made Virginia great, help them to build bridges across the aisles. Help them to put aside partisan bickering and to find common ground.

In times of heated controversy, we remember the wise words of Benjamin Franklin, who called for cooperation from his peers. Congress had been arguing and debating for days in the summer heat. Finally, on the day that he signed the Declaration of Independence on July 4, 1776, Franklin said, "*Gentlemen, we must all hang together, or assuredly, we shall all hang separately.*"

Give this body that same unity and focus. The task is at hand. The challenge is clear. In Benjamin Franklin's words, may we all "hang together" as we work for the future of this great Commonwealth. Amen.

The roll was called and the following Senators answered to their names:

Barker, Black, Blevins, Carrico, Colgan, Deeds, Ebbin, Edwards, Favola, Garrett, Hanger, Herring, Howell, Locke, Lucas, Marsden, Marsh, Martin, McDougle, McEachin, McWaters, Miller, J.C., Miller, Y.B., Newman, Norment, Northam, Obenshain, Petersen, Puckett, Puller, Reeves, Ruff, Saslaw, Smith, Stanley, Stosch, Stuart, Vogel, Wagner, Watkins.

A quorum was present.

On motion of Senator Reeves, the reading of the Journal was waived.

The recorded vote is as follows:

YEAS--37. NAYS--3. RULE 36--0.

YEAS--Barker, Black, Blevins, Carrico, Colgan, Ebbin, Edwards, Favola, Hanger, Herring, Howell, Locke, Lucas, Marsden, Marsh, Martin, McDougle, McEachin, McWaters, Miller, J.C., Miller, Y.B., Newman, Norment, Northam, Obenshain, Puckett, Puller, Reeves, Ruff, Saslaw, Smith, Stanley, Stosch, Stuart, Vogel, Wagner, Watkins--37.

The Reverend Dr. A. Lincoln James, Jr., Trinity Baptist Church, Richmond, Virginia, offered the following prayer:

Eternal God, our Father, with whom we live and move and have our being, we beseech Thee this morning that the power of Your presence might emit through the hallowed halls of this chamber. Grant these legislators purity of heart and strength of purpose so that no selfish passion may hinder them from doing what is right and noble. Give them in the discharge of their duty, the constant awareness that they must always remember the plight of the least, the last, and the unlovely of our Commonwealth. Grant now these men and women who have been elevated to high positions of public trust, give them a vision of a better Virginia and a stronger Commonwealth, so that all of Virginia citizens may live under the power of God and the understanding of our collective humanity. Finally Father, touch our hearts, search our conscience, and cast out of us every evil thought and base desire that we may be about Thy perfect will. We ask these things in the name of our Creator and the Sustainer of the universe. Amen.

The roll was called and the following Senators answered to their names:

FRIDAY, MARCH 9, 2012

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Jon L. Parks, Kenbridge Baptist Church, Kenbridge, Virginia, offered the following prayer:

Almighty God, we are gathered here this day with much to accomplish, and seemingly so little time. We each come with our own commitments, from our own corners of the Commonwealth. But as we pause in this moment, draw our hearts together in thanksgiving, for we surely have been given many blessings:

For a beautiful world, and for eyes and ears to experience it;

For work to do, and for the health and strength to do it;

For the joy of life, and for friends and family with whom to share it;

For our great Nation, and for the freedom we have to enjoy it;

For this Great Commonwealth, and for the privilege we have to serve it.

For all these things and more, O God, we give You thanks. And as our hearts have joined in thanksgiving, now draw us together in one purpose – to preserve, to nurture, to invest and multiply these blessings, so that all Your people may experience them in abundance. May those who come after us truly say, “They were given much, but they gave more in return.”

Hear our prayer, O God, and give us strength for the task ahead, Amen.

Be it enacted by the General Assembly of Virginia:

1. That § 8.01-3 of the Code of Virginia is amended and reenacted as follows:

§ 8.01-3. Supreme Court may prescribe rules; effective date and availability; indexed, and annotated; effect of subsequent enactments of General Assembly.

~~A. Supreme Court to prescribe rules.—~~ The Supreme Court, subject to §§ 17.1-503 and 16.1-69.32, may, from time to time, prescribe the forms of writs and make general regulations for the practice in all courts of the Commonwealth; and may prepare a system of rules of practice and a system of pleading and the forms of process and may prepare rules of evidence to be used in all such courts. This section shall be liberally construed so as to eliminate unnecessary delays and expenses.

~~B. Effective date; availability.—~~ New rules and amendments to rules shall not become effective until 60 days from adoption by the Supreme Court, and shall be made available to all courts, members of the bar, and the public.

~~C. Rules to be published.—~~ The Virginia Code Commission shall publish and cause to be properly indexed and annotated the rules adopted by the Supreme Court, and all amendments thereof by the Court, and all changes made therein pursuant to subsection D ~~hereof~~.

~~D. Effect of subsequent enactments of the General Assembly on rules of court.—~~ The General Assembly may, from time to time, by the enactment of a general law, modify, or annul any rules adopted or amended pursuant to this section. In the case of any variance between a rule and an enactment of the General Assembly such variance shall be construed so as to give effect to such enactment.

~~E. The rules of evidence prepared by the Supreme Court shall be submitted to the Virginia Code Commission for approval as provided in § 30-153 and shall be codified upon enactment by the General Assembly. Any amendment or addition to the rules of evidence shall be adopted by the Supreme Court on or before December 15 of any year and shall become effective on July 1 of the following year unless the General Assembly modifies or annuls any such amendment or addition by enactment of a general law. Notwithstanding the foregoing, the Supreme Court, at any time, may amend the rules to conform with any enactment of the General Assembly and correct unmistakable printer's errors, misspellings, unmistakable errors to statutory cross-references, and other unmistakable errors in the rules of evidence.~~

~~F. When any rule contained in the rules of evidence is derived from one or more sections of the Code of Virginia, the Supreme Court shall include a citation to such section or sections in the title of the rule.~~

SATURDAY, MARCH 10, 2012

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Benjamin P. Campbell, Richmond Hill, Richmond, Virginia, offered the following prayer:

Dear Lord, Your love for us is overwhelming. We stand in the presence of a grace and abundance which we did not create, and of which we are called to be stewards on behalf of the citizens of Virginia. It is not an easy task. We do not fully agree on what we are to do, or on how it is to be carried out. We are not in control of the situation, or of its outcome.

Therefore, even if it were not clear to us at the beginning, it is clear to us at this ending, that we are in need of Your guidance and Your blessing.

Deepen our understanding of ourselves, our task, and of the truth, that we may see more clearly the path that lies before us. Deepen our sense of what is really important; speak to each of us, and to all of us, with Your guidance; and lead us to outcomes that truly serve Your people and Your Commonwealth.

Lord, bless each of these men and women here today. Give them time off, with respite and rest, so that when the morning comes, and more must be done, they may see clearly, live wisely, and serve gladly. Amen.

D. The Division, in all investigations connected with enforcing consumer laws and appearances before governmental bodies shall, on behalf of the interests of the consumer, cooperate and coordinate its efforts with such commissions, agencies and departments in ensuring that any matters adversely

~~D.~~ E. § 2.2-4024. Hearing officers.

A. In all formal hearings conducted in accordance with § 2.2-4020, the hearing shall be presided over by a hearing officer selected from a list prepared by the Executive Secretary of the Supreme Court and maintained in the Office of the Executive Secretary of the Supreme Court. Parties to informal fact-finding proceedings conducted pursuant to § 2.2-4019 may agree at the outset of the proceeding to have a hearing officer preside at the proceeding, such agreement to be revoked only by mutual consent. The Executive Secretary may promulgate rules necessary for the administration of the hearing officer system and shall have the authority to establish the number of hearing officers necessary to preside over administrative hearings in the Commonwealth.

Prior to being included on the list, all hearing officers shall meet the following minimum standards:

1. Active membership in good standing in the Virginia State Bar;
2. Active practice of law for at least five years; and
3. Completion of a course of training approved by the Executive Secretary of the Supreme Court. In order to comply with the demonstrated requirements of the agency requesting a hearing officer, the Executive Secretary may require additional training before a hearing officer shall be assigned to a proceeding before that agency.

B. On request from the head of an agency, the Executive Secretary shall name a hearing officer from the list, selected on a rotation system administered by the Executive Secretary. Lists reflecting geographic preference and specialized training or knowledge shall be maintained by the Executive Secretary if an agency demonstrates the need.

C. A hearing officer shall voluntarily disqualify himself and withdraw from any case in which he cannot accord a fair and impartial hearing or consideration, or when required by the applicable rules governing the practice of law in the Commonwealth. D. Any hearing officer empowered by the agency to provide a recommendation or conclusion in a case decision matter shall render that recommendation or conclusion within ~~ninety~~ 90 days from the date of the case decision proceeding or from a later date agreed to by the named party and the agency. If the hearing officer does not render a decision within ~~ninety~~ 90 days, then the named party to the case decision may provide written notice to the hearing officer and the Executive Secretary of the Supreme Court that a decision is due. If no decision is made within ~~thirty~~ 30 days from receipt by the hearing officer of the notice, then the Executive Secretary of the Supreme Court shall

remove the hearing officer from the hearing officer list and report the hearing officer to the Virginia State Bar for possible disciplinary action, unless good cause is shown for the delay.

E. The Executive Secretary shall remove hearing officers from the list, upon a showing of cause after written notice and an opportunity for a hearing. When there is a failure by a hearing officer to render a decision as required by subsection D, the burden shall be on the hearing officer to show good cause for the delay. A. *As used in this section and §§ 46.2-117, 46.2-118, and 46.2-119:*

“Consumer” means a person who (i) has vested ownership, dominion, or title to the vehicle; (ii) is the authorized agent of the owner as defined in clause (i); or (iii) is an employee, agent, or representative of an insurance company representing any party involved in a collision that resulted in a police-requested tow who represents in writing that the insurance company had obtained the oral or written consent of the title owner or his agent or the lessee of the vehicle to obtain possession of the vehicle.

“Department” means the Department of Criminal Justice Services.

“Tow truck driver” means an individual who drives a tow truck as defined in § 46.2-100.

“Towing and recovery operator” means any person engaging in the business of providing or offering to provide services involving the use of a tow truck and services incidental to use of a tow truck. “Towing and recovery operator” shall not include a franchised motor vehicle dealer as defined in § 46.2-1500 using a tow truck owned by a dealer when transporting a vehicle to or from a repair facility owned by the dealer when the dealer does not receive compensation from the vehicle owner for towing of the vehicle or when transporting a vehicle in which the dealer has an ownership or security interest.

B. On and after January 1, 2013, no tow truck driver shall drive any tow truck without being registered with the Department, except that this requirement shall not apply to any holder of a tow truck driver authorization document issued pursuant to former § 46.2-2814 until the expiration date of such document. Every applicant for an initial registration or renewal of registration pursuant to this section shall submit his registration application, fingerprints, and personal descriptive information to the Department and a nonrefundable application fee of \$100. The Department shall forward the personal descriptive information along with the applicant’s fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining a national criminal history record check regarding such applicant. The cost of the fingerprinting and criminal history record check shall be paid by the applicant.

The Central Criminal Records Exchange, upon receipt of an applicant’s record or notification that no record exists, shall make a report to the Department. If an applicant is denied registration as a tow truck driver because of the information appearing in his criminal history record, the Department shall notify the applicant that information obtained from the Central Criminal Records Exchange contributed to such denial. The information shall not be disseminated except as provided in this section.

C. No registration shall be issued to any person who (i) is required to register as a sex offender as provided in § 9.1-901 or in a substantially similar law of any other state, the United States, or any foreign jurisdiction; (ii) has been convicted of a violent crime as defined in subsection C of § 17.1-805; or (iii) has been convicted of any crime involving the driving of a tow truck, including drug or alcohol offenses, but not traffic infraction convictions. Any

person registered pursuant to this section shall report to the Department within 10 days of conviction any convictions for felonies or misdemeanors that occur while he is registered with the Department.

D. Any tow truck driver failing to register with the Department as required by this section is guilty of a Class 3 misdemeanor. A tow truck driver registered with the Department shall have such registration in his possession whenever driving a tow truck on the highways.

3. Conviction of any crime involving the driving of a tow truck, including drug or alcohol offenses, but not traffic infraction convictions.

C. In suspending or revoking the registration of a tow truck driver, the Department may assess the tow truck driver the cost of conducting the hearing unless the Department determines that the violation was inadvertent or done in a good faith belief that such act did not violate a statute. Any costs assessed by the Department shall be limited to (i) the reasonable hourly rate of the hearing officer and (ii) the actual cost of recording the hearing.

These records shall be maintained in a permanent ledger in a manner acceptable to the Department at the place of business or at another readily accessible and secure location within the Commonwealth for at least five years. The personal identifying information contained within these records shall be protected from unauthorized disclosure through the ultimate destruction of the information. Disclosure of personal identifying information by anyone other than the Department is subject to the Driver's Privacy Protection Act (18 U.S.C. § 2721 et seq.).

§ 46.2-1217. Local governing body may regulate certain towing.

The governing body of any county, city, or town by ordinance may regulate services rendered pursuant to police towing requests by any business engaged in the towing or storage of unattended, abandoned, or immobile vehicles. The ordinance may include delineation of service areas for towing services, the limitation of the number of persons engaged in towing services in any area, including the creation of one or more exclusive service areas, and the specification of equipment to be used for providing towing service. The governing body of any county, city, or town may contract for services rendered pursuant to a police towing request with one or more businesses engaged in the towing or storage of unattended, abandoned, or immobile vehicles. The contract may specify the fees or charges to be paid by the owner or operator of a towed vehicle to the person undertaking its towing or storage and may prescribe the geographical area to be served by each person providing towing services. The

county, city, or town may establish criteria for eligibility of persons to enter into towing services contracts and, in its discretion, may itself provide exclusive towing and storage service for police-requested towing of unattended, abandoned, or immobile vehicles. ~~Such criteria shall, for drivers of tow trucks and towing and recovery operators, be no less restrictive than those established pursuant to Chapter 28 (§ 46.2-2800 et seq.) of this title and regulations adopted pursuant thereto.~~

Prior to adopting an ordinance or entering into a contract pursuant to this section, the local governing body shall appoint an advisory board to advise the governing body with regard to the appropriate provisions of the ordinance or terms of the contract. The advisory board shall include representatives of local law-enforcement agencies, towing and recovery operators, and the general public.

“Police-requested towing” or “police towing request,” as used in this section, includes all requests made by a law-enforcement officer of the county, city, or town or by a State Police officer within the county, city, or town pursuant to this article or Article 2 (§ 46.2-1209 et seq.) ~~of this chapter~~ and towing requests made by a law-enforcement officer at the request of the owner or operator of an unattended, abandoned, or immobile vehicle, when no specific service provider is requested by such owner or operator.

If an unattended, abandoned, or immobile vehicle is located so as to impede the free flow of traffic on a highway declared by resolution of the Commonwealth Transportation Board to be a portion of the interstate highway system and a law-enforcement officer determines, in his discretion, that the business or businesses authorized to undertake the towing or storage of the vehicle pursuant to an ordinance or contract adopted pursuant to this section cannot respond in a timely manner, the law-enforcement officer may request towing or storage service from a towing or storage business other than those authorized by such ordinance or contract.

If an unattended, abandoned, or immobile vehicle is towed as the result of a police-towing request, the owner or person having control of the business or property to which the vehicle is towed shall allow the owner of the vehicle or any other towing and recovery business, upon presentation of a written request therefor from the owner of the vehicle, to have access to the vehicle for the purpose of inspecting or towing the vehicle to another location for the purpose of repair, storage, or disposal. For the purpose of this section, “owner of the vehicle” means a person who (i) has vested ownership, dominion, or title to the vehicle; (ii) is the authorized agent of the owner as defined in clause (i); or (iii) is an employee, agent, or representative of an insurance company representing any party involved in a collision that resulted in a police-requested tow who represents in writing that the insurance company has obtained the oral or written consent of the title owner or his agent or the lessee of the vehicle to obtain possession of the vehicle. It shall be unlawful for any towing and recovery business to refuse to release a vehicle to the owner as defined in this section upon tender of full payment for all lawful charges by cash, insurance company check, certified check, money order, at least one of two commonly used, nationally recognized credit cards, or additional methods of payment approved by the *Commonwealth Transportation Board*. Thereafter, if a towing and recovery business refuses to release the vehicle, future charges related to storage or handling of the vehicle by such towing and recovery business shall be suspended and no longer payable.

The vehicle owner who has vested ownership, dominion, or title to the vehicle shall indemnify and hold harmless the towing and recovery operator from any and all liability for releasing the vehicle to any vehicle owner as defined in this section for inspecting or towing the vehicle to another location for the purpose of repair, storage, or disposal.

§ 59.1-473. Legal action or arbitration.

A. The remedies afforded by this chapter are cumulative and not exclusive and shall be in addition to any other legal or equitable remedies otherwise available to the consumer.

B. In addition to any other remedies otherwise available to him, any consumer who suffers loss as a result of any violation of this chapter may bring an action to recover damages. Such damages may also be recovered through the arbitration mechanism described in subsection C.

C. All persons subject to this chapter shall have the option of submitting any disputes arising under the provisions of this chapter to the arbitration mechanism established and administered by the Dispute Resolution Unit of the Office of Consumer Affairs, Division of Consumer Protection, pursuant to subdivision B-3 2 of § 3.2-102. Such mechanism shall ensure that the arbitration is conducted by a neutral third party.

109. That Chapter 28 (§§ 46.2-2800 through 46.2-2828) of Title 46.2 of the Code of Virginia is repealed.

110. That any regulations adopted by the Board of Towing and Recovery Operators being abolished by this act that are in effect before January 1, 2013, are hereby repealed as of that date. The Registrar of Regulations shall take appropriate administrative action to effect the repeal of the regulations in the Virginia Administrative Code.

111. That the Board of Towing and Recovery Operators shall pay off its treasury notes and pay off or satisfy all of its other financial obligations no later than January 1, 2013.

112. That the provisions of the 108th through the 110th enactments of this act shall become effective on January 1, 2013.*

116. That the provisions of this act shall be deemed to have been enacted prior to any other legislation enacted by the 2012 Session of the General Assembly that adds to, repeals, or amends and reenacts any portion of this act. ~~D.~~*E.* The Attorney General may employ and fix the salaries of such attorneys, employees and consultants, within the amounts appropriated to the Attorney General for providing legal service for the Commonwealth, and other services as may be provided for by law, as he may deem necessary in the operation of the Division of Consumer Counsel to carry out its functions.

§ 2.2-4024. Hearing officers.

A. In all formal hearings conducted in accordance with § 2.2-4020, the hearing shall be presided over by a hearing officer selected from a list prepared by the Executive Secretary of the Supreme Court and maintained in the Office of the Executive Secretary of the Supreme Court. Parties to informal fact-finding proceedings conducted pursuant to § 2.2-4019 may agree at the outset of the proceeding to have a hearing officer preside at the proceeding, such agreement to be revoked only by mutual consent. Prior to being included on the list, all hearing officers shall meet the following minimum standards:

1. Active membership in good standing in the Virginia State Bar;
2. Active practice of law for at least five years; and
3. Completion of a course of training approved by the Executive Secretary of the Supreme Court. In order to comply with the demonstrated requirements of the agency requesting a hearing officer, the Executive Secretary may require additional training before a hearing officer shall be assigned to a proceeding before that agency.

B. On request from the head of an agency, the Executive Secretary shall name a hearing officer from the list, selected on a rotation system administered by the Executive Secretary. Lists reflecting geographic preference and specialized training or knowledge shall be maintained by the Executive Secretary if an agency demonstrates the need.

The issue shall be determined not less than ~~ten~~ 10 days prior to the hearing by the Executive Secretary of the Supreme Court.

D. Any hearing officer empowered by the agency to provide a recommendation or conclusion in a case decision matter shall render that recommendation or conclusion within ~~ninety~~ 90 days from the date of the case decision proceeding or from a later date agreed to by the named party and the agency. If the hearing officer does not render a decision within ~~ninety~~ 90 days, then the named party to the case decision may provide written notice to the hearing officer and the Executive Secretary of the Supreme Court that a decision is due. If no decision is made within ~~thirty~~ 30 days from receipt by the hearing officer of the notice, then the Executive Secretary of the Supreme Court shall remove the hearing officer from the hearing officer list and report the hearing officer to the Virginia State Bar for possible disciplinary action, unless good cause is shown for the delay.

E. The Executive Secretary shall remove hearing officers from the list, upon a showing of cause after written notice and an opportunity for a hearing. When there is a failure by a hearing officer to render a decision as required by subsection D, the burden shall be on the hearing officer to show good cause for the delay. Decisions to remove a hearing officer may be reviewed by a request to the Executive Secretary for reconsideration, followed by judicial review in accordance with this chapter.

F. Whenever any other elective or appointive official of the Commonwealth or any political subdivision thereof applies for such a license or continuance thereof, he shall state on the application the official position he holds, and whenever a corporation or other business entity in which any such official is a stockholder or has any other economic interests applies for such a license, it shall state on the application the full economic interest of each such official in such corporation or other business entity.

B. On and after January 1, 2013, no tow truck driver shall drive any tow truck without being registered with the Department, except that this requirement shall not apply to any holder of a tow truck driver authorization document issued pursuant to former § 46.2-2814 until the expiration date of such document. The information shall not be disseminated except as provided in this section.

C. § 46.2-1217. Local governing body may regulate certain towing.

The governing body of any county, city, or town by ordinance may regulate services rendered pursuant to police towing requests by any business engaged in the towing or storage of unattended, abandoned, or immobile vehicles. The ordinance may include delineation of service areas for towing services, the limitation of the number of persons engaged in towing services in any area, including the creation of one or more exclusive service areas, and the specification of equipment to be used for providing towing service. The governing body of any county, city, or town may contract for services rendered pursuant to a police towing request with one or more businesses engaged in the towing or storage of unattended, abandoned, or immobile vehicles. The contract may specify the fees or charges to be paid by the owner or operator of a towed vehicle to the person undertaking its towing or storage and may prescribe the geographical area to be served by each person providing towing services. The county, city, or town may establish criteria for eligibility of persons to enter into towing services contracts and, in its discretion, may itself provide exclusive towing and storage service for police-requested towing of unattended, abandoned, or immobile vehicles. ~~Such criteria shall, for drivers of tow trucks and towing and recovery operators, be no less restrictive than those established pursuant to Chapter 28 (§ 46.2-2800 et seq.) of this title and regulations adopted pursuant thereto.~~

If an unattended, abandoned, or immobile vehicle is towed as the result of a police-towing request, the owner or person having control of the business or property to which the vehicle is towed shall allow the owner of the vehicle or any other towing and recovery business, upon presentation of a written request therefor from the owner of the vehicle, to have access to the vehicle for the purpose of inspecting or towing the vehicle to another location for the purpose of repair, storage, or disposal. For the purpose of this section, “owner of the vehicle” means a person who (i) has vested ownership, dominion, or title to the vehicle; (ii) is the authorized agent of the owner as defined in clause (i); or (iii) is an employee, agent, or representative of an insurance company representing any party involved in a collision that resulted in a police-requested tow who represents in writing that the insurance company has obtained the oral or written consent of the title owner or his agent or the lessee of the vehicle to obtain possession of the vehicle. It shall be unlawful for any towing and recovery business to refuse to release a vehicle to the owner as defined in this section upon tender of full payment for all lawful charges by cash, insurance company check, certified check, money order, at least one of two commonly used, nationally recognized credit cards, or additional methods of payment approved by the *Commonwealth Transportation* Board. Thereafter, if a towing and recovery business refuses to release the vehicle, future charges related to storage or handling of the vehicle by such towing and recovery business shall be suspended and no longer payable.

The vehicle owner who has vested ownership, dominion, or title to the vehicle shall indemnify and hold harmless the towing and recovery operator from any and all liability for releasing the vehicle to any vehicle owner as defined in this section for inspecting or towing the vehicle to another location for the purpose of repair, storage, or disposal.

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 10, 2012

TO THE MEMBERS OF THE GENERAL ASSEMBLY:

I write you at the conclusion of the regular 2012 General Assembly session. Our work this session is not done; far from it. While we have accomplished much together over the past 60 days, and you are to be commended for your efforts, the most important bill of the session has not passed: the budget. For that reason, while the regular session may have officially adjourned this evening, it is not over. I have issued a proclamation today to ask that you return to the Capitol, expeditiously, in order to finish the job and pass a budget.

We have enacted a tremendous number of significant reforms over the past two months. Unfortunately, much of your good work, work that our citizens care deeply about, has been ignored or overshadowed by an inordinate amount of coverage of a very few bills. But a lack of headlines does not equal a paucity of action. You have taken positive action on the issues most important to our citizens, and Virginia will be stronger and better in the years ahead because of your bipartisan work this session.

That work continues the progress we have made over the past two years in building a true “Commonwealth of Opportunity” for all of our citizens. In our first full month in office, February 2010, the unemployment rate was 7.2%. Today, it stands a full point lower, at 6.2%. It is the lowest unemployment rate in the Southeast, and the third lowest east of the Mississippi. We can celebrate that 67,500 net new jobs have been created during that time, while Virginia remains America’s most business-friendly state. It is our joint success story. This session we added to it, and I anticipate continuing good results.

Working together, across partisan lines, you have passed legislation this session to make Virginia more job-friendly. You have not raised taxes. You have put in place new incentives to make Virginia more attractive to private sector job-creators, including increasing access to capital for business and implementing greater coordination among economic development entities.

You made the Port of Virginia a leader in the global competition for jobs. Virginia’s Port offers a strategic advantage that continues to benefit job creation and economic development across the state. We must invest wisely in it. We also saw progress in making the space port at Wallops Island the best spaceflight facility on the east coast.

Our K-12 system will be more innovative and accountable. Our “Opportunity to Learn” K-12 education reform agenda will raise third grade reading standards for schools and end social promotion; reduce mandates on local school divisions; and enact critical education and training programs. We will expand educational options for Virginia students through adoption of the Educational Opportunity Tax Credit, and strengthen Virginia’s laws on charter schools and our virtual schools and college lab schools.

When you complete the budget, I am confident we will remember this session for historic new performance-based investments in our higher education system, since both houses have already approved most of our reforms in concept. Virginia colleges will be easier to access and more affordable to attend, as we work towards our goal of awarding 100,000 new degrees over the next 15 years. And our higher education system will continue to meet the needs of a changing workforce and a global society. We will have a dramatically revised funding formula to reward innovation and outcomes.

We have continued to make Virginia the most veteran friendly state in the nation. We have improved absentee ballot access for overseas military and we united together to ensure that the unclaimed remains of our heroes who have served this nation receive the honorable burials they are due. And Virginia citizens and communities will be safer and more secure thanks to your passage of new measures to toughen sentences for repeat drug dealers and sex offenders who prey on children.

This was a remarkable session for significant government reforms, making our state government more efficient and effective. You have approved our measures to eliminate or consolidate state agencies and unnecessary or duplicative boards and commissions. You have reduced a number of state mandates on our localities. In these difficult economic times citizens are asking for, and they deserve, a government that is smaller and smarter, and lives within its means. We are doing that. And, based on pending budget action, we will have stepped up to meet our obligations as a Commonwealth to better fund the retirement system that our state workers, teachers and police officers will depend upon in the years ahead. We will make the largest state investment in the Virginia Retirement System in history, as leaders in both houses have agreed. Based on your actions today, we are also implementing significant structural reforms to the retirement system to ensure the program's solvency for current and future state and local employees. Thank you for your commitment to the thousands of men and women who have dedicated their time and talents to the betterment of Virginia.

We have made advances in a number of critical areas facing the Commonwealth. To help improve Virginia's transportation network, we have worked together to pass legislation today that will provide additional funding for Virginia's infrastructure, and will ensure greater accountability and transparency in Virginia's transportation entities, while delivering transportation projects more quickly and cost effectively. We will also strengthen our "all of the above" approach to energy by supporting the development of additional natural gas and electrical energy infrastructure, as well as improving efficiency and developing additional alternative and renewable energy sources.

You have also taken steps to protect private property rights and other important freedoms.

Now, we must turn our full attention to the rest of the work ahead of us.

The passage of a state budget is the most important action of any General Assembly session. The document directs spending on everything from teacher salaries to road maintenance to public safety to job creation efforts to health care for our elderly and less fortunate. It is the Commonwealth's collective decision as to how to appropriate state dollars to best fulfill the core functions of government. The budget has a direct impact on the economic climate in the state. Now, with our state economy recovering, and our policies beginning to truly help promote private sector job creation, we cannot allow this progress to falter due to political considerations here in Richmond. That is not the Virginia way. Teachers in Reston, doctors in Roanoke, and small business owners in Richlands do not care about politics at the Capitol. They just want us to solve problems and get things done.

We have accomplished a great deal this session. I thank the members of both parties for your hard work and dedication. Enjoy a brief rest as you rejoin your families after two months away. I look forward to your quick return to finish the job.

Thank you,

/s/ Robert F. McDonnell

**SENATE BILL VETOED BY GOVERNOR
SUBSEQUENT TO ADJOURNMENT SINE DIE**

S.B. 471 (four hundred seventy-one), subsequent to adjournment sine die of the 2012 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

GOVERNOR'S VETO

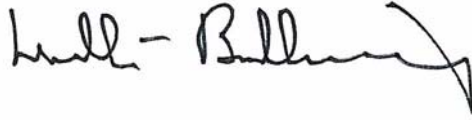

April 9, 2012
TO THE SENATE:
SENATE BILL NO. 471

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto the Senate Bill 471.

As Governor, I have worked with the Virginia Department of Health and the Virginia Foundation for Healthy Youth in the effort to curb childhood obesity. It is an issue important to all Virginians and I applaud the work of Senator Northam and interested parties in their attempt to address this problem. However, solutions to childhood obesity cannot include additional regulations that will place significant unfunded mandates on local school divisions. This bill without all of the amendments I proposed creates the inference of required physical education programs in public schools, which we cannot require at this time.

Accordingly, I veto this bill.

The Reverend Michael A. Renninger, St. Mary Catholic Church, Richmond, Virginia, offered the following prayer:

Gracious God, we give You thanks for the gift of this day, and for this season of new life and hope. As we thank You for Your abundant blessings, we also implore Your mercy and protection. Watch over each citizen of our Commonwealth, and guide the members of this Senate with Your Spirit of Wisdom. Make us humble enough to *know* the truth – make us courageous enough to *do* the truth. Fill us with conviction, and further our compassion. Give us the desire to do *Your* work – give us the determination to do the work we were *sent here* to do. Guide us in our conversation – guide us to righteous conclusions. Make us aware that we were chosen, not to *be* served, but to *serve* the citizens of this Commonwealth; and in that spirit of service, make us focused, fearless and firm. May every Virginian be blessed. We pray in Your holy name. Amen.

§ 58.1-439.12:11. Port of Virginia Economic and Infrastructure Development Zone.
A. The Virginia General Assembly, finding that (i) the further development and diversification of the Virginia economy through utilization of the Port of Virginia and Virginia's commercial maritime assets is in the best interest of the entire Commonwealth, (ii) the Port of Virginia is projected to experience tremendous growth over the next decade with the expansion of the Panama Canal, and (iii) the Port of Virginia cannot sustain such growth without the development of the logistical, manufactory, infrastructure, and other support facilities needed to promote such growth, does hereby designate the following localities to be part of the Port of Virginia Economic and Infrastructure Development Zone: the Counties of Brunswick, Chesterfield, Dinwiddie, Greensville, Isle of Wight, Mecklenburg, Montgomery, Prince George, Southampton, Surry, Sussex, and Warren and the Cities of Chesapeake, Colonial Heights, Emporia, Hopewell, Norfolk, Petersburg, Portsmouth, Richmond, Suffolk, and Virginia Beach.
B. As used in this section, unless the context requires a different meaning:
"Qualified company" means a corporation, limited liability company, partnership, joint venture, or other business entity that (i) was not previously located in the Zone; (ii) employs at least 25 qualified full-time employees during its first taxable year of operation within the Zone; (iii) is involved in maritime commerce or exports or imports manufactured goods through the Port of Virginia; and (iv) is engaged in one or more of the following: the distribution, freight forwarding, freight handling, goods processing, manufacturing, warehousing, crossdocking, transloading, or wholesaling of goods imported or exported through the Port of Virginia; shipbuilding and ship repair; dredging; marine construction; or offshore energy exploration and extraction.
"Qualified full-time employee" means an employee filling a new, permanent full-time position in the qualified company's location within the Zone. A new, permanent full-time position is a job of an indefinite duration, created by the company as a result of operations within the Zone, requiring a minimum of 35 hours of any employee's time per week for the entire normal year of the

company's operations, which normal year shall consist of at least 48 weeks, or a position of indefinite duration that requires a minimum of 35 hours per week for the portion of the taxable year in which the employee was initially hired for, or transferred to, the qualified company's location within the Zone. Seasonal or temporary positions, or jobs created when the job functions are shifted from an existing location in the Commonwealth to the qualified company's location within the Zone, and positions in buildings and grounds maintenance, security, and other positions that are ancillary to the principal activities performed by the employees at the qualified company's location within the Zone shall not qualify as new, permanent full-time positions. A "qualified full-time employee" does not include an employee (i) for whom a credit was previously earned pursuant to § 58.1-439 or 58.1-439.12:06 by a related party as defined in § 267(b) of the Internal Revenue Code or by a trade or business under common control as defined in § 52(b) of the Internal Revenue Code; (ii) who was previously employed in the same job function in Virginia by a related party as defined in § 267(b) of the Internal Revenue Code; or (iii) whose job function was previously performed at a different location in Virginia by an employee of a related party as defined in § 267(b) of the Internal Revenue Code or a trade or business under common control as defined in § 52(b) of the Internal Revenue Code.

"Zone" means the Port of Virginia Economic and Infrastructure Development Zone.

C. Beginning July 1, 2014, but not later than June 30, 2019, any qualified company that locates within the Zone on or after July 1, 2012, shall be allowed to earn a credit against the taxes imposed by Articles 2 (§ 58.1-320 et seq.) and 10 (§ 58.1-400 et seq.) of Chapter 3 of Title 58.1. The credit may be earned for the qualified company's first taxable year of operation within the Zone. Such credits may be claimed for the taxable year immediately following the taxable year in which the credit was earned, or in the case of a qualified company that locates in the Zone between July 1, 2012, and June 30, 2014, in the qualified company's first taxable year beginning on or after July 1, 2014. If the amount of the credit claimed exceeds the taxpayer's liability for the taxable year in which the credit is claimed, the excess amount may be carried over for the next five taxable years.

The maximum amount of credits allowed for all qualified companies pursuant to this section shall not exceed \$10 million for each calendar year. If the cumulative amount of tax credits requested in a calendar year by qualified companies exceeds \$10 million in a calendar year, then such credits shall be prorated among the qualified companies requesting the credits. To receive the credit under this section, qualified companies shall apply for such credit pursuant to policies and guidelines established by the Department of Taxation.

D. The amount of the credit allowed for a qualified company pursuant to this section shall be equal to:

- 1. Twenty-five percent of the qualified company's income tax liability attributable to income from sources within the Zone if the qualified company employs at least 25 qualified full-time employees during its first taxable year of operation within the Zone;*
- 2. Fifty percent of the qualified company's income tax liability attributable to income from sources within the Zone if the qualified company employs at least 50 qualified full-time employees during its first taxable year of operation within the Zone;*

3. Seventy-five percent of the qualified company's income tax liability attributable to income from sources within the Zone if the qualified company employs at least 75 qualified full-time employees during its first taxable year of operation within the Zone; or

4. One hundred percent of the qualified company's income tax liability attributable to income from sources within the Zone if the qualified company employs at least 100 qualified full-time employees during its first taxable year of operation within the Zone.

E. If the number of qualified full-time employees for any year for which a credit is claimed pursuant to this section falls below the number of qualified full-time employees during the qualified company's first taxable year of operation within the Zone, the amount of the credit for that year shall be recalculated using the decreased number of qualified full-time employees.

F. The qualified company's income tax liability attributable to income from sources within the Zone shall be calculated by multiplying the qualified company's tax liability for the prior year by a fraction, the numerator of which is the qualified company's taxable income from sources within the Zone, as determined pursuant to subsection G, and the denominator of which is the qualified company's taxable income from all sources within the Commonwealth. For purposes of determining the credit allowable under this section, the qualified company's income tax liability is the amount of income tax due after taking into account any Virginia additions, subtractions, or deductions, and the apportionment of income, if applicable, but prior to applying any tax credits, payments, penalty, or interest.

G. For purposes of this section, a company may be deemed to have income from sources within the Zone if it has:

1. Items or income, gain, loss, or reduction attributable to (i) the ownership of any interest in real or tangible personal property within the Zone or (ii) a business, trade, profession, or occupation carried on in the Zone; or

2. Income from intangible personal property, including annuities, dividends, interest, royalties, and gains from the disposition of intangible personal property to the extent that such income is from property employed by the taxpayer in a business, trade, profession, or occupation carried on in the Zone.

H. If the entire business of a qualified company within the Commonwealth is transacted or conducted within the Zone, the tax credit created pursuant to this section shall be computed using the entire Virginia tax liability of such company for the prior taxable year. The entire business of the qualified company shall be deemed to have been transacted or conducted within the Zone if such company has no income from sources within any other county or city of the Commonwealth.

I. Any corporation having income from sources within the Zone and within other counties or cities of the Commonwealth shall allocate and apportion its Virginia taxable income as provided in §§ 58.1-407 through 58.1-420, omitting the sales factor, substituting "Port of Virginia Economic and Infrastructure Development Zone" for the words "state" or "Commonwealth," substituting "in the Commonwealth" for "everywhere," and substituting "total business in the Commonwealth" for "total business." Any qualified company other than a corporation having income from sources within the Zone and within other counties or cities of the Commonwealth shall allocate and apportion its Virginia taxable income in the same manner except that such company shall also substitute "business entity" for "corporation" in §§ 58.1-407 through 58.1-420.

J. No tax credit may be claimed under this section by an otherwise qualified company if (i) the qualified company, a related party as defined in § 267(b) of the Internal Revenue Code, or a trade or business under common control as defined in § 52(b) of the Internal Revenue Code was located within the Zone prior to July 1, 2102; (ii) a credit pursuant § 58.1-439 or 58.1-439.12:06 is claimed for the same employees or for capital expenditures at the same facility by the qualified company, by a related party as defined in § 267(b) of the Internal Revenue Code, or by a trade or business under common control as defined in § 52(b) of the Internal Revenue Code; or (iii) the qualified company was a party to a reorganization as defined in § 368(b) of the Internal Revenue Code, and any corporation involved in the reorganization as defined in § 368(a) of the Internal Revenue Code was located within the Zone prior to July 1, 2012, or previously received a tax credit under this section for the same facility or operations.

K. If a qualified company files a consolidated or combined income tax return pursuant to § 58.1-442, the tax credit provided under this section shall be computed using only the income tax liability and taxable income attributable to the corporation or corporations that separately meet the requirements of this section.

L. For purposes of this section, the amount of any credit attributable to a partnership, electing small business corporation (S corporation), or limited liability company shall be allocated to the individual partners, shareholders, or members, respectively, in proportion to their ownership or interest in such business entities.

M. The Tax Commissioner shall develop guidelines for implementing the provisions of this section. Such guidelines shall be exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq.).

SENATE BILL VETOED BY THE GOVERNOR

S.B. 627 (six hundred twenty-seven) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

GOVERNOR'S VETO
April 9, 2012
TO THE SENATE:
SENATE BILL NO. 627

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 627, which would invalidate certain community association restrictive covenants on solar power devices.

The current statute bars community associations from prohibiting or restricting solar power devices, effective July 1, 2008. This bill alters the effective date by including language preventing the bar from being applied to restrictive covenants in effect prior to that date. By removing that language, Senate Bill 627 appears to contradict the general legislative rule that statutory enactments are applied prospectively. In addition to the problem of retroactive application, the legislation potentially violates both the United States Constitution (Article I, Section 10) and the Virginia Constitution (Article I, Section 11) by "impairing the obligation of contracts." Existing law provides sufficient opportunity for community association owners to allow solar power devices if a majority so desires, by amending any applicable restrictive covenants.

Accordingly, I veto this bill.

§ 58.1-439.12:11. Port of Virginia Economic and Infrastructure Development Zone.

A. The Virginia General Assembly, finding that (i) the further development and diversification of the Virginia economy through utilization of the Port of Virginia and Virginia's commercial maritime assets is in the best interest of the entire Commonwealth, (ii) the Port of Virginia is projected to experience tremendous growth over the next decade with the expansion of the Panama Canal, and (iii) the Port of Virginia cannot sustain such growth without the development of the logistical, manufactory, infrastructure, and other support facilities needed to promote such growth, does hereby designate the following localities to be part of the Port of Virginia Economic and Infrastructure Development Zone: the Counties of Brunswick, Chesterfield, Dinwiddie, Greensville, Isle of Wight, Mecklenburg, Montgomery, Prince George, Southampton, Surry, Sussex, and Warren and the Cities of Chesapeake, Colonial Heights, Emporia, Hopewell, Norfolk, Petersburg, Portsmouth, Richmond, Suffolk, and Virginia Beach.

B. As used in this section, unless the context requires a different meaning:

“Qualified company” means a corporation, limited liability company, partnership, joint venture, or other business entity that (i) was not previously located in the Zone; (ii) employs at least 25 qualified full-time employees during its first taxable year of operation within the Zone; (iii) is involved in maritime commerce or exports or imports manufactured goods through the Port of Virginia; and (iv) is engaged in one or more of the following: the distribution, freight forwarding, freight handling, goods processing, manufacturing, warehousing, crossdocking, transloading, or wholesaling of goods imported or exported through the Port of Virginia; shipbuilding and ship repair; dredging; marine construction; or offshore energy exploration and extraction.

“Qualified full-time employee” means an employee filling a new, permanent full-time position in the qualified company's location within the Zone. A new, permanent full-time position is a job of an indefinite duration, created by the company as a result of operations within the Zone, requiring a minimum of 35 hours of any employee's time per week for the entire normal year of the company's operations, which normal year shall consist of at least 48 weeks, or a position of indefinite duration that requires a minimum of 35 hours per week for the portion of the taxable year in which the employee was initially hired for, or transferred to, the qualified company's location within the Zone. Seasonal or temporary positions, or jobs created when the job functions are shifted from an existing location in the Commonwealth to the qualified company's location within the Zone, and positions in buildings and grounds maintenance, security, and other positions that are ancillary to the principal activities performed by the employees at the qualified company's location within the Zone shall not qualify

as new, permanent full-time positions. A “qualified full-time employee” does not include an employee (i) for whom a credit was previously earned pursuant to § 58.1-439 or 58.1-439.12:06 by a related party as defined in § 267(b) of the Internal Revenue Code or by a trade or business under common control as defined in § 52(b) of the Internal Revenue Code; (ii) who was previously employed in the same job function in Virginia by a related party as defined in § 267(b) of the Internal Revenue Code; or (iii) whose job function was previously performed at a different location in Virginia by an employee of a related party as defined in § 267(b) of the Internal Revenue Code or a trade or business under common control as defined in § 52(b) of the Internal Revenue Code.

“Zone” means the Port of Virginia Economic and Infrastructure Development Zone.

C. Beginning July 1, 2014, but not later than June 30, 2019, any qualified company that locates within the Zone on or after July 1, 2012, shall be allowed to earn a credit against the taxes imposed by Articles 2 (§ 58.1-320 et seq.) and 10 (§ 58.1-400 et seq.) of Chapter 3 of Title 58.1. The credit may be earned for the qualified company’s first taxable year of operation within the Zone. Such credits may be claimed for the taxable year immediately following the taxable year in which the credit was earned, or in the case of a qualified company that locates in the Zone between July 1, 2012, and June 30, 2014, in the qualified company’s first taxable year beginning on or after July 1, 2014. If the amount of the credit claimed exceeds the taxpayer’s liability for the taxable year in which the credit is claimed, the excess amount may be carried over for the next five taxable years.

The maximum amount of credits allowed for all qualified companies pursuant to this section shall not exceed \$10 million for each calendar year. If the cumulative amount of tax credits requested in a calendar year by qualified companies exceeds \$10 million in a calendar year, then such credits shall be prorated among the qualified companies requesting the credits. To receive the credit under this section, qualified companies shall apply for such credit pursuant to policies and guidelines established by the Department of Taxation.

D. The amount of the credit allowed for a qualified company pursuant to this section shall be equal to:

1. Twenty-five percent of the qualified company’s income tax liability attributable to income from sources within the Zone if the qualified company employs at least 25 qualified full-time employees during its first taxable year of operation within the Zone;
2. Fifty percent of the qualified company’s income tax liability attributable to income from sources within the Zone if the qualified company employs at least 50 qualified full-time employees during its first taxable year of operation within the Zone;
3. Seventy-five percent of the qualified company’s income tax liability attributable to income from sources within the Zone if the qualified company employs at least 75 qualified full-time employees during its first taxable year of operation within the Zone; or
4. One hundred percent of the qualified company’s income tax liability attributable to income from sources within the Zone if the qualified company employs at least 100 qualified full-time employees during its first taxable year of operation within the Zone.

E. If the number of qualified full-time employees for any year for which a credit is claimed pursuant to this section falls below the number of qualified full-time employees during the qualified company's first taxable year of operation within the Zone, the amount of the credit for that year shall be recalculated using the decreased number of qualified full-time employees.

F. The qualified company's income tax liability attributable to income from sources within the Zone shall be calculated by multiplying the qualified company's tax liability for the prior year by a fraction, the numerator of which is the qualified company's taxable income from sources within the Zone, as determined pursuant to subsection G, and the denominator of which is the qualified company's taxable income from all sources within the Commonwealth. For purposes of determining the credit allowable under this section, the qualified company's income tax liability is the amount of income tax due after taking into account any Virginia additions, subtractions, or deductions, and the apportionment of income, if applicable, but prior to applying any tax credits, payments, penalty, or interest.

G. For purposes of this section, a company may be deemed to have income from sources within the Zone if it has:

- 1. Items or income, gain, loss, or reduction attributable to (i) the ownership of any interest in real or tangible personal property within the Zone or (ii) a business, trade, profession, or occupation carried on in the Zone; or*
- 2. Income from intangible personal property, including annuities, dividends, interest, royalties, and gains from the disposition of intangible personal property to the extent that such income is from property employed by the taxpayer in a business, trade, profession, or occupation carried on in the Zone.*

H. If the entire business of a qualified company within the Commonwealth is transacted or conducted within the Zone, the tax credit created pursuant to this section shall be computed using the entire Virginia tax liability of such company for the prior taxable year. The entire business of the qualified company shall be deemed to have been transacted or conducted within the Zone if such company has no income from sources within any other county or city of the Commonwealth.

I. Any corporation having income from sources within the Zone and within other counties or cities of the Commonwealth shall allocate and apportion its Virginia taxable income as provided in §§ 58.1-407 through 58.1-420, omitting the sales factor, substituting "Port of Virginia Economic and Infrastructure Development Zone" for the words "state" or "Commonwealth," substituting "in the Commonwealth" for "everywhere," and substituting "total business in the Commonwealth" for "total business." Any qualified company other than a corporation having income from sources within the Zone and within other counties or cities of the Commonwealth shall allocate and apportion its Virginia taxable income in the same manner except that such company shall also substitute "business entity" for "corporation" in §§ 58.1-407 through 58.1-420.

J. No tax credit may be claimed under this section by an otherwise qualified company if (i) the qualified company, a related party as defined in § 267(b) of the Internal Revenue Code, or a trade or business under common control as defined in § 52(b) of the Internal Revenue Code was located within the Zone prior to July 1, 2012; (ii) a credit pursuant to § 58.1-439 or 58.1-439.12:06 is claimed for the same employees or for capital expenditures at the same facility by the qualified company, by a related party as defined in § 267(b) of the Internal Revenue Code, or by a trade or business under common control as defined in § 52(b) of the Internal Revenue Code; or (iii) the qualified company

was a party to a reorganization as defined in § 368(b) of the Internal Revenue Code, and any corporation involved in the reorganization as defined in § 368(a) of the Internal Revenue Code was located within the Zone prior to July 1, 2012, or previously received a tax credit under this section for the same facility or operations.

K. If a qualified company files a consolidated or combined income tax return pursuant to § 58.1-442, the tax credit provided under this section shall be computed using only the income tax liability and taxable income attributable to the corporation or corporations that separately meet the requirements of this section.

L. For purposes of this section, the amount of any credit attributable to a partnership, electing small business corporation (S corporation), or limited liability company shall be allocated to the individual partners, shareholders, or members, respectively, in proportion to their ownership or interest in such business entities.

M. The Tax Commissioner shall develop guidelines for implementing the provisions of this section. Such guidelines shall be exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq.).

HOUSE BILL VETOED BY THE GOVERNOR

H.B. 878 (eight hundred seventy-eight) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
 Office of the Governor

GOVERNOR'S VETO
 April 9, 2012
 TO THE HOUSE OF DELEGATES:
 HOUSE BILL NO. 878

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 878, which would authorize localities to impose a license tax, not to exceed \$250 annually, upon resident owners of motor vehicles that do not display license plates issued by the Commonwealth and that are not exempted from the requirements of displaying such license plates.

The intent of this legislation is to encourage residents moving to the Commonwealth to register their vehicles in Virginia so that the localities may collect the personal property tax levied upon such vehicles. However, the intent of the Code section being amended is to discourage residents from storing large numbers of vehicles on residential property. Further, the obligation of a resident moving to the Commonwealth to register his or her vehicle in Virginia is codified at § 46.2-662, which allows a resident

30 days to register his or her vehicle in Virginia. If a resident does not meet these requirements, he or she already may be subject to a \$250 traffic citation per § 46.2-113. This legislation includes no requirement for or reference to a resident's obligation to register his or her vehicle with the Department of Motor Vehicles under state law. Therefore, I believe the new license tax conflicts with and adds a second penalty to the existing state law. The intent of this legislation may be more appropriately addressed in Title 46.2 of the *Code of Virginia*.

Accordingly, I veto this bill.

/s/ Robert F. McDonnell
Governor

Senator Smith moved that **H.B. 878** be passed in the enrolled form, notwithstanding the objections of the Governor.

The question was put on passing **H.B. 878** in the enrolled form, notwithstanding the objections of the Governor.

H.B. 878 failed to pass in the enrolled form, notwithstanding the objections of the Governor, having failed to receive the necessary affirmative votes required by Article V, Section 6, of the Constitution.

The recorded vote is as follows:

YEAS--21. NAYS--16. RULE 36--0.

YEAS--Barker, Deeds, Ebbin, Favola, Hanger, Herring, Howell, Locke, Lucas, Marsden, Marsh, McEachin, Miller, J.C., Miller, Y.B., Northam, Petersen, Puckett, Puller, Ruff, Saslaw, Smith--21.

NAYS--Black, Carrico, Edwards, Garrett, McDougale, McWaters, Newman, Norment, Obenshain, Reeves, Stanley, Stosch, Stuart, Vogel, Wagner, Watkins--16.

SUBSEQUENT TO ADJOURNMENT SINE DIE SENATE BILLS VETOED BY GOVERNOR

S.B. 217 (two hundred seventeen), subsequent to adjournment sine die of the Reconvened Session of the 2012 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

GOVERNOR'S VETO
May 18, 2012
TO THE SENATE:
SENATE BILL NO. 217

Virginia's foster care policy strives to preserve families and require family members be considered first when out-of-home placements are sought. Research shows that diverting children from the foster care system to family members for temporarily care produces the best outcomes for these children. However, an informal custody arrangement is legally questionable.

I offered an amendment to SB 217 that in cases of an informal kinship arrangement, local school divisions may require that the adult caregiver obtain a court order, rather than rely on a power of attorney, to provide adequate assurance for the schools that the child is being enrolled for appropriate reasons. Virginia law only allows custody and parenting authority to be legally transferred via a court order, except in very limited circumstances. School divisions must have assurance that the adult enrolling the child has legal authority to make educational decisions for that child. The school divisions should be able to assure that it does not become entangled in conflicts regarding custody disputes after a kinship care arrangement is finalized.

A power of attorney may be revoked at any time. A court order may only be modified by a judge. Given the often fluid and tragic circumstances that typically generate kinship custody arrangements, a court order provides children and families with the stability, certainty and oversight to ensure that kinship arrangements are necessary or appropriate in light of changing circumstances while protecting Virginia's school divisions from being entangled in custody disputes.

This issue was studied extensively by the Commission on Youth, and its recommendation was to have the State Executive Council for Comprehensive Services for At-Risk Youth and Families develop a plan to ensure school stability for children in out-of-home care, including children in formal and informal kinship care arrangements. After extensive study, the Commission was unable to reach consensus on this complicated issue and the Commission did not endorse any legislation for the 2012 Session.

The Commission on Youth has created a Kinship Care Advisory Group to examine the broader policy implications of kinship care this year. This group will review Virginia law as well as policies and practices to ensure kinship care is a viable placement option for children when the family is in crisis.

Accordingly, I veto this bill.

S.B. 629 (six hundred twenty-nine), subsequent to adjournment sine die of the Reconvened Session of the 2012 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

GOVERNOR'S VETO
May 18, 2012
TO THE SENATE:
SENATE BILL NO. 629

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 629, which would increase the allowable daily and maximum annual per diem for members of sanitation district commissions.

Virginia law limits the allowable per diem for these commissions to \$10 per day and no more than \$300 per year. Senate Bill 629 proposed removing the daily cap and increasing the annual per diem limit to \$1,500 per year, a five hundred percent increase. This large increase in commission expenses is contrary to Virginia's recent efforts to reduce the number, size and costs associated with boards and commissions. My administration eliminated per diem for executive boards and commissions to help reduce the costs associated with them. Further, the per diem provided to members is in addition to the cost of expenses related to the commission.

After reviewing Senate Bill 629, I recommended an amendment to restore the \$300 annual limit for per diem. This would have allowed commissions the additional flexibility of providing a per diem above the current \$10 per day up to a maximum of \$300 per year for a commission member, plus expenses. Unfortunately, the General Assembly did not take up the amendment for consideration and the bill was returned to me in its original form. This large increase in the allowable annual per diem is unacceptable when we should be reducing the costs of boards and commissions, and when those in the private sector are struggling in a difficult economic environment.

Accordingly, I veto this bill.
