**JOURNAL
OF
THE
SENATE**

2013 REGULAR SESSION

WEDNESDAY, JANUARY 9, 2013

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Jay Kelchner, Shady Grove United Methodist Church, Mechanicsville, Virginia, offered the following prayer:

O God, we ask Your blessing upon the General Assembly and especially upon each member of this Senate. We thank You for a new day, for the possibilities that lie ahead and for the honor of working for the people of this great Commonwealth. Remind us again that being chosen has always been for You more about responsibility than privilege. And so we seek Your guidance.

When our choices are difficult, give to us a sense of calm and a spirit of discernment. When we are tempted to risk progress for the sake of personal pride or narrow loyalties, expand our hearts and minds. When we feel the pinch of partisanship and are tempted to lash out, remind us that words of derision do little to invoke confidence, but much to promote distrust and regress. And when we feel exhausted, remind us of the great sufficiency of Your grace.

May Your presence be known. May Your joy abound. And may this be a year of great accomplishment.

And so we begin. Amen.

The roll was called and the following Senators answered to their names:

Alexander, Barker, Black, Blevins, Carrico, Colgan, Deeds, Ebbin, Edwards, Favola, Garrett, Hanger, Herring, Howell, Locke, Lucas, Marsden, Marsh, Martin, McDougle, McEachin, McWaters, Miller, Newman, Norment, Northam, Obenshain, Petersen, Puller, Reeves, Ruff, Saslaw, Smith, Stanley, Stosch, Stuart, Vogel, Wagner, Watkins.

Dear Ms. Schaar:

Section 17.1-511 of the Code of Virginia, as amended, provides that whenever a vacancy occurs in the office of a judge of any court of record, the vacancy shall not be filled until, after investigation, the Supreme Court of Virginia certifies that the filling of the vacancy is or is not necessary. Humes J. Franklin, Jr., Judge of the Twenty-fifth Judicial Circuit, will retire from the bench on December 31, 2012, thereby creating a vacancy in the office of judge of that circuit.

The Twenty-fifth Judicial Circuit serves the counties of Alleghany, Augusta, Bath, Botetourt, Craig, Highland, and Rockbridge, as well as the cities of Covington, Buena Vista, Lexington, Staunton, and Waynesboro. The General Assembly has authorized four circuit court judgeships for that circuit. Based on the information contained in the enclosed report, the Supreme Court of Virginia certifies that the vacancy should be filled in the manner prescribed by law.

Very truly yours,

VIRGINIA:

In the Supreme Court of Virginia held at the Supreme Court Building in the City of Richmond on Thursday the 6th day of December, 2012.

It being brought to the attention of the Court that a vacancy is expected to occur on April 30, 2013 in the office of judge of the Fifteenth Judicial Circuit by the retirement of Judge J. THURSDAY, JANUARY 10, 2013

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Jacob Harris, Mount Vernon Baptist Church, Glen Allen, Virginia, offered the following prayer:

Almighty God, we bow before You this day acknowledging Your greatness. As our Creator, we humbly recognize that all of us are here by Your grace and by Your mercy.

We come before You today grateful for the blessings we have received from Your hand. You have blessed us all with a land where we are free to pursue our dreams and are free to worship and serve You. You have sustained us, continually meeting our every need.

So, Father, at the beginning of this New Year and at the beginning of this gathering, we ask You to bless what will take place here and to use these men and women to carry out Your good purposes through them. We acknowledge our weaknesses and our fallibility and our desperate need of Your presence and blessing.

In light of this we ask for wisdom because You are all wise.

We ask for love and compassion for each other because You are loving and compassionate toward us.

We ask for righteousness and justice to be established because You are righteous and just.

We ask for mercy and grace in our shortcomings because You are merciful and gracious.

And, Father, we ask that we would humbly serve You and our people, always seeking Your glory and their good.

We ask these things from You because we cannot provide them in and of ourselves and because we know that You are willing to hear those who call upon You. Amen.

Gracious and Eternal God, in humility and service to our communities and our beloved Commonwealth, we ask for Your Divine favor as we undertake the tasks set before us on this day. Bless us with wisdom and insights that will sustain the peace among our fellow citizens; protection and prosperity within our borders.

We thank You, God, for these women and men who have a mind and heart to work in the service of humanity. May they find grace, kindness and courtesy to share with their staff and colleagues within this venerable chamber.

Anoint the fruit of their labors harvested both on this day and in this session so that justice will continue to prevail; so that legislation will lift and strengthen the most vulnerable of our citizens and set every woman, girl, boy and man in Virginia on an equitable path that leads to prosperity, enlightenment and an increased love of our Commonwealth and our nation.

We ask this in the name of the One who is our righteous Protector, Provider and Wise Law Maker. Amen.

TUESDAY, JANUARY 15, 2013

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Barry White, Park Valley Church, Haymarket, Virginia, offered the following prayer:

Dear Heavenly Father, it's not an accident that all of these men and women have been selected as our leaders. They are all here in this place because of You. The Bible says in Daniel that "You remove Kings and set others on the throne." That fact should make every leader here today not only be filled with gratitude but also a sense of responsibility. I pray that every leader in this room would live lives of integrity and honesty. God help them to stand for what is right even if it costs them votes. I pray that they would tell the truth even when it's easier to lie. I pray that they would understand that the greatest leader is a servant leader. Give each of these Senators wisdom as they serve the people of Virginia because we are depending on them. Help them to work together in unity for the common good of all Virginians. Lord, please give them strength when they get tired. Please give them wisdom when they don't know what to do. Please be with their families while they are away from home. Lord, if there is someone here this morning that is dealing with a hurt, a struggle or even a crisis right now in their family, I pray that You would help them through it. I pray for their children and grandchildren that You bless them and protect them. It's difficult to do anything effectively when there are problems at home so please protect their homes and marriages. God we owe You everything. Not only did You make us but You give us every breath. Every day You give us to serve You is a gift. Thank You for giving us the greatest gift of all when You gave us Your only Son, Jesus to die for our sins. Lord we trust You and we praise You, in Jesus name. Amen.

The roll was called and the following Senators answered to their names:

Alexander, Barker, Black, Blevins, Carrico, Colgan, Deeds, Ebbin, Edwards, Favola, Garrett, Hanger, Herring, Locke, Lucas, Marsden, Marsh, Martin, McDougale, McWaters, Miller, Newman, Norment, Northam, Obenshain, Petersen, Puckett, Puller, Reeves, Ruff, Smith, Stanley, Stosch, Stuart, Vogel, Wagner, Watkins.

A quorum was present.

WEDNESDAY, JANUARY 16, 2013

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Stephen J. Bohannon, Christ the King Lutheran Church, Richmond, Virginia, offered the following prayer:

Eternal God, You have created all that exists, the heavens and the earth and all that is in them are Yours. Yet You have taken loving interest in humankind and in the work of our hands and the fruit of our spirit. You have created this new day, and we receive this gift with thanksgiving and hope. As we begin today, we look to You as our source of strength and inspiration as we face the challenges and issues of our public life.

As citizens and elected leaders, strengthen our resolve for the improvement of our life together. Where we have erred forgive us; where we have done what is pleasing in Your sight, strengthen us; and where we are divided, bring us together for the common good.

Because You are a God of righteousness, truth and justice, for Your mercy's sake, may those godly virtues prevail among us.

We thank You for the call to serve others that You have placed into the hearts of humankind. Especially we pray for Your support, all who have gathered here today. As You have given us the will to respond to Your call on our lives, we pray God, that You continue to bless and favor our best ambitions. In the sure and certain hope that You light our path and guide our lives, we say, Amen.

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Dr. Reginald C. Woodhouse, First Baptist Church-Jefferson Park, Newport News, Virginia, offered the following prayer:

Eternal and all wise God, Our Father: The giver of life and rewarder of our faithfulness. We know that we are incapable of seeing into the future or comprehending the magnitude of Your perfect creation, but thank You for giving us a glimpse of Your creative genius. In this world full of frustration and resentment we find that it all serves its purpose for us to trust and believe in the living God.

We come today thanking You for the plan You gave to those who have gone before and for the division of powers granted unto us so that our destiny does not rest in the hands of one person nor in our own personal concerns.

We come today praying for those in authority and lifting up our State Legislative Bodies to You. I pray that by Your Holy Power, our legislative bodies would make laws that are just and fair. Lord, I ask You to give them wisdom to make decisions that will strengthen and prosper our State. I ask that You will help them to make the right decisions concerning the social welfare, the economical condition and politics of our state that lies within their hands. I pray that You will motivate them through Your Word that says in Romans 13:1 "Let every soul be subject unto the higher powers. For there is no power but of God, the powers that be are ordained of God." May those with authority and power always seek the ways of justice and mercy as leaders of this great state. We pray that they lead this state with honesty and integrity.

We ask this of the faithful and true God. Amen.

Dear Ms. Schaar:

You will find enclosed herewith, in duplicate, a copy of the report of this Court and the order entered on January 17, 2013 in the matter of the vacancy in the office of judge of the Twenty-eighth Judicial Circuit.

Copies of this report and order are being sent to Governor McDonnell, Mr. G. Paul Nardo and the Chairs of the Courts of Justice Committees of the House and Senate.

Sincerely yours,

/s/ Patricia L. Harrington
Clerk

SUPREME COURT OF VIRGINIA
100 North Ninth Street
Richmond, Virginia 23219-2334

January 17, 2013

The Honorable Susan C. Schaar
Clerk of the Senate
P.O. Box 396
Richmond, Virginia 23218

Dear Ms. Schaar:

Section 17.1-511 of the Code of Virginia, as amended, provides that whenever a vacancy occurs in the office of a judge of any court of record, the vacancy shall not be filled until, after investigation, the Supreme Court of Virginia certifies that the filling of the vacancy is or is not necessary. Isaac St. C. Freeman, Judge of the Twenty-eighth Judicial Circuit, will retire from the bench on June 30, 2013, thereby creating a vacancy in the office of judge of that circuit.

The Twenty-eighth Judicial Circuit serves the counties of Smyth and Washington, as well as the City of Bristol. The General Assembly has authorized three circuit court judgeships for that circuit. Based on the information contained in the enclosed report, the Supreme Court of Virginia certifies that the vacancy should be filled in the manner prescribed by law.

Very truly yours,

/s/ Cynthia D. Kinser

VIRGINIA:

In the Supreme Court of Virginia held at the Supreme Court Building in the City of Richmond on Thursday the 17th day of January, 2013.

It being brought to the attention of the Court that a vacancy is expected to occur on June 30, 2013 in the office of judge of the Twenty-Eighth Judicial Circuit by the retirement of Judge Isaac St. C. Freeman, and the Court, pursuant to section 17.1-511 of the Code of Virginia of 1950, as amended, having secured information concerning the volume of business in the said circuit, is of opinion, for reasons stated in writing in the form of a report to the Governor and to the General Assembly of Virginia and filed herewith, that the amount of business of the Twenty-Eighth Judicial Circuit makes the filling of the vacancy necessary. Accordingly, the Court doth certify that there is a necessity for filling the vacancy in the manner provided by law, provided the vacancy occurs as anticipated by the notice sent to the Governor of Virginia.

And it is ordered that a copy of this order, together with a copy of the report referred to above, be certified to the Governor of Virginia and to the General Assembly of Virginia.

A Copy,
Teste:

/s/ Patricia L. Harrington
Clerk

The reading of the communications was waived.

The communications were referred to the Committee for Courts of Justice.

Eternal God, our Father, we assemble in the hallowed chambers of the State Senate of Virginia. We offer prayer for the elected officials that were sent here by the people of the Commonwealth to govern the affairs of this great state.

We pray that You, O God, would give them a sense of unity and purpose beyond party politics; that each Senator will be saved from the folly of vindictiveness to the wisdom of magnanimity.

Give them, we pray, faith, and hope and love that will clarify their minds. And give them a sense of good will, and save them from cross purposes and contradictory ambitions.

Give each Senator courage and insight that will deliver them from ineptitude and selfishness.

Now, O God, surround them in Your peace. Hold them in Your love and keep them in the eternal circumference of Your mercy.

TUESDAY, JANUARY 22, 2013

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

Rabbi Jillian Cameron, Temple B'nai Shalom, Fairfax Station, Virginia, offered the following prayer:

Creator of Us All, bless these members of the Senate of our great Commonwealth of Virginia. Imbue them with strength and courage to lead by example, to walk the path of righteousness and ever be guided by conscience and integrity.

May You, Eternal One, always strive to cultivate the potential of each who stand here, all who they represent, every member of humanity, pushing us ever forward, guiding us to new heights.

Let the warmth of compassion never be quelled by the chill of indifference, the passion for our labors never muted by foolish rancor. When we doubt, show us love and when we are fearful, be our peace.

Oh Great Source of Strength, teach us to be strong, to use our voices to sing songs of progress, to shout against the discordant notes of intolerance, to harmonize with all the brilliant diversity of Your world.

Help us to proclaim with a single voice, words of freedom and peace for all, from the Blue Ridge Mountains to the shores of the Chesapeake.

May we bring honor to You and blessings to All. And let us say, Amen.

Almighty God, thank You for allowing us to live in the Commonwealth of Virginia. I lift up this prayer to You today for Your blessings to all of the citizens and especially our elected officials. Please lead us in spirit in all decisions that protect freedom, justice, safety, and equality for our people.

We are a blessed people. Make us aware of our heritage, realizing not only our rights but also our duties and responsibilities as citizens. Let not the events of our society dampen our spirits and cloud our decisions and judgment but be led by the word of truth that comes only from You.

We lift up to You the soldiers that guard our borders. Be with them and protect them. I pray that one day we see an end to the fighting and that our soldiers come safely home to a world that is both grateful and no longer needs them to fight.

We thank You for all here who serve. Bless them, guide them, inspire them. We pray for the prosperity of our Commonwealth for programs that help those who have problems helping themselves. We pray for those who do not have homes, jobs, and more. We pray that we may find ways to bless those that feel alone or helpless.

Thank You for life, liberty and the pursuit of happiness. Thank You for loving us.
God bless Virginia and our people. Amen.

O God of Many Names, set our hearts and minds to Your work today.

Today, the people of Virginia are in their classrooms and standing beside their patients. O Holy One, help us to understand their needs and hopes, to hold at bay those who do not listen, to welcome those who spend themselves in service to others and by the work we do today, to serve our Commonwealth, this nation, Your world and Your hopes for us all. Amen.

MONDAY, JANUARY 28, 2013

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Welford Orrock, Virginia Baptist Mission Board, Richmond, Virginia, offered the following prayer:

Almighty God, You are the fountain of wisdom, Your will is good and gracious and Your law is truth. We pray that You guide and bless today these representatives of the Commonwealth of Virginia as they gather to discern what is right and good for the citizens of our state. Remind them of their great responsibility and inspire them to act with courage, wisdom, and foresight to provide for the needs of every Virginian. We give thanks to You for each of these Senators, for their time and efforts given in this important work and for their commitment to the good of their districts. We pray You give this assembly clarity in their vision for the future of our state and illuminate their understanding of the unique challenges that they will face in this session ahead, for counsel and sound judgment are Yours, oh God.

May the laws of our state reflect Your love for all people - from the weakest to the strongest, the poorest and the richest, that all may have dignity, security, and an opportunity to live peaceably with one another. We pray that You might be a calm presence and a spirit of hope in this chamber when the decisions are difficult and the right choice is unclear. May the members of this assembly work cooperatively together in their pursuit of justice and truth, peace and social order, and may they go about their work with grace, integrity, honesty, and humility, for the good of our Commonwealth. Amen.

SENATE JOINT RESOLUTION NO. 303

Proposing an amendment to Section 6 of Article II of the Constitution of Virginia, relating to districts for the House of Representatives and General Assembly; criteria for redistricting; and the establishment of the Virginia Redistricting Commission.

RESOLVED by the Senate, the House of Delegates concurring, a majority of the members elected to each house agreeing, That the following amendment to the Constitution of Virginia be, and the same hereby is, proposed and referred to the General Assembly at its first regular session held after the next general election of members of the House of Delegates for its concurrence in conformity with the provisions of Section 1 of Article XII of the Constitution of Virginia, namely:

Amend Section 6 of Article II of the Constitution of Virginia as follows:

ARTICLE II FRANCHISE AND OFFICERS

Section 6. Apportionment; *districts for the House of Representatives and General Assembly; the Virginia Redistricting Commission.*

(a) Members of the House of Representatives of the United States and members of the Senate and of the House of Delegates of the General Assembly shall be elected from electoral districts established by the ~~General Assembly~~ *Virginia Redistricting Commission*. Every electoral district shall be composed of contiguous and compact territory and shall be so constituted as to give, as nearly as is practicable, representation in proportion to the population of the district. ~~The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter. Areas that meet only at the points of adjoining corners are not contiguous.~~

~~Any such decennial reapportionment law shall take effect immediately and not be subject to the limitations contained in Article IV, Section 13, of this Constitution.~~

~~The districts delineated in the decennial reapportionment law shall be implemented for the November general election for the United States House of Representatives, Senate, or House of Delegates, respectively, that is held immediately prior to the expiration of the term being served in the year that the reapportionment law is required to be enacted. A member in office at the time that a decennial redistricting law is enacted shall complete his term of office and shall continue to represent the district from which he was elected for the duration of such term of office so long as he does not move his residence from the district from which he was elected. Any vacancy occurring during such term shall be filled from the same district that elected the member whose vacancy is being filled.~~

(b) To the extent consistent with subsection (a), district boundaries shall coincide with the boundaries of political subdivisions of the Commonwealth. The number of counties and cities divided among more than one district shall be as small as possible. When there is a choice between dividing local political subdivisions, the more populous subdivisions shall be divided before the less populous.

(c) No district shall be drawn for the purpose of favoring a political party or incumbent legislator or member of Congress. In establishing districts, no use shall be made of any of the following data:

(1) Addresses of incumbent legislators or members of Congress.

(2) Political affiliations of registered voters.

(3) Previous election results.

(4) Demographic information, other than population counts, except as required by the Constitution and laws of the United States.

(d) After the next and every subsequent decennial census of the United States, the districts for the House of Representatives, Senate, and House of Delegates shall be established, and the members of the House of Representatives, Senate, and House of Delegates shall be apportioned among the districts, respectively, by the Virginia Redistricting Commission. The Commission shall consist of thirteen members, none of whom shall be a member or employee of the Congress of the United States or of the General Assembly. The members of the Commission shall be appointed with due consideration to geographic diversity and in the manner provided herein.

(e) There first shall be appointed twelve members as follows:

(1) Two members to be appointed by the President pro tempore of the Senate;

(2) Two members to be appointed by the Speaker of the House of Delegates;

(3) Two members to be appointed by the leader in the Senate of the political party holding the most seats in the Senate, other than the political party of the President pro tempore;

(4) Two members to be appointed by the leader in the House of Delegates of the political party holding the most seats in the House of Delegates, other than the political party of the Speaker; and

(5) *Four members, two to be appointed by the chairman of the state committee of the political party whose candidate for the office of Governor received the largest number of votes at the most recent gubernatorial election and two to be appointed by the chairman of the state committee of the political party whose candidate for the office of Governor received the next largest number of votes in that election.*

Appointments to the Commission under this subsection shall be made on or before August 15 of the year in which such census is taken and shall be certified to the Secretary of the Commonwealth on or before September 1 of that year. Each partisan delegation so appointed shall appoint one of its members as its chairman, who shall have authority to make such certifications and to perform such other tasks as the members of that delegation shall reasonably require.

(f) *There then shall be appointed one member, to serve as an independent member, who shall have been for the preceding five years a resident of the Commonwealth, but who shall not during that period have held public or political party office in the Commonwealth. The independent member shall be appointed upon the vote of at least seven of the previously appointed members of the Commission on or before October 1 of the year in which the census is taken, and those members shall certify that appointment to the Secretary of the Commonwealth on or before October 5 of that year. If the previously appointed members are unable to appoint an independent member within the time allowed therefor, they shall so certify to the Supreme Court not later than that October 5 and shall include in that certification the names of the two persons who, in the members' final vote upon the appointment of the independent member, received the greatest number of votes. Not later than November 1 following receipt of that certification, the Supreme Court shall by majority vote of its full authorized membership select, of the two persons so named, the one more qualified by education and occupational experience, by prior public service in government or otherwise, and by demonstrated ability to represent the best interests of the people of the Commonwealth to be the independent member. The Court shall certify that selection to the Secretary of the Commonwealth not later than the following November 5.*

(g) *Vacancies in the membership of the Commission occurring prior to the certification by the Commission of the districts for the House of Representatives, Senate, and House of Delegates or during any period in which the districts established by the Commission may be or are under challenge in court shall be filled in the same manner as the original appointments were made within five days of their occurrence. In the case of a vacancy in the membership of the independent member, if the other members of the Commission are unable to fill that vacancy within that five-day period, they shall transmit certification of such inability within three days of the expiration of the period to the Supreme Court, which shall select the person to fill the vacancy within five days of receipt of that certification.*

(h) *The independent member shall serve as the Chairman of the Commission. The Commission shall meet to organize as soon as may be practicable after certification of the appointment of the independent member, but not later than December 1 of the year in which the census is taken. At the organizational meeting, the members of the Commission shall determine such organizational matters as they deem appropriate. Thereafter, a meeting of the Commission may be called by the Chairman or upon the request of seven members, and seven members of the Commission shall constitute a quorum at any meeting thereof for the purpose of taking any action.*

(i) *The Commission, by a majority of the whole number of its members, shall certify the establishment of Senate and House of Delegates districts and the apportionment of members of the Senate and the House of Delegates, respectively, to the Secretary of the Commonwealth within one month of the receipt by the Governor of the official decennial census of the United States for Virginia, or by March 1 of the year following the year in which the census is taken, whichever date is later.*

(j) *The Commission, by a majority of the whole number of its members, shall certify the establishment of House of Representatives districts to the Secretary of the Commonwealth within three months of the receipt by the Governor of the official decennial census of the United States for Virginia, or by June 1 of the year following the year in which the census is taken, whichever date is later.*

(k) *The Commission, convened in an open public meeting and by a majority of the whole number of its members, shall certify the establishment of districts. The Commission shall give at least twenty-four hours' public notice of the meeting. Any vote by the Commission upon a proposal to certify the establishment of a district plan shall be taken by roll call and shall be recorded, and the vote of any member in favor of any district plan shall nullify any vote which that member shall previously have cast during the life of the Commission in favor of a different district plan. If the Commission is unable to certify the establishment of districts by the time required due to the inability of a plan to achieve seven votes, the two district plans receiving the greatest number of votes, but not fewer than five votes, shall be submitted to the Supreme Court, which shall select and certify whichever of the two plans so submitted conforms most closely to the requirements of this Constitution and the Constitution and laws of the United States.*

(l) *The Commission shall hold at least three public hearings in different parts of the Commonwealth on districts for the House of Representatives, Senate, and House of Delegates. The Commission shall, subject to the constraints of time and convenience, review plans for the establishment of districts submitted by members of the public.*

(m) *Meetings of the Commission shall be held at convenient times and locations. Meetings may be closed to the public with the exception of the public hearings required by subsection (l) of this section and any meeting at which the establishment of districts is certified as prescribed by subsections (i), (j), and (k) of this section.*

(n) *The General Assembly shall appropriate the funds necessary for the efficient operation of the Commission.*

(o) *Notwithstanding any provision to the contrary of this Constitution and except as otherwise required by the Constitution or laws of the United States, no court of the Commonwealth other than the Supreme Court shall have jurisdiction over any judicial proceeding challenging the appointment of members to the Commission or any action, including the establishment of districts, by the Commission or other public officer or body under the provisions of this section.*

(p) *The districts established for the House of Representatives, Senate, or House of Delegates shall be used thereafter at any general election of members of the House of Representatives, Senate, or House of Delegates, respectively, and shall remain unaltered through the next year ending in zero in which a federal census for the Commonwealth is taken. Members of the House of Representatives, Senate, and House of Delegates in office at the time districts are established by the Commission shall complete their terms of office and continue to represent their districts as constituted at the time of their election to office. Any vacancy occurring in the House of Representatives, Senate, or House of Delegates shall be filled from the district as constituted when the member whose vacancy is being filled was elected to office.*

(q) *If a plan certified by the Commission is declared unlawful, the Commission shall reorganize and adopt another district plan in the same manner as herein required and within the period of time prescribed by the court or within such shorter period as may be necessary to ensure that the new plan is effective for the next succeeding primary and general election for all members of the House of Representatives, Senate, or House of Delegates.*

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Dr. Lawrence R. Chottiner, Salisbury Presbyterian Church, Midlothian, Virginia, offered the following prayer:

Holy God, in whom there is life and hope and wisdom, for this day we give thanks that we can pause to pray and invoke Your presence into the work of this Senate and into every life in this room. You move in ways that are extraordinary and we ask for the eyes and the ears to see and to hear the evidence of Your work in our midst. You stir in us wonderful ideas meant to further the common good and to advance the cause of right living in our neighborhoods and cities, in this Commonwealth and in this nation. Help us to discern the ways that are just and true, the ways that allow Your light to shine in places where often the darkness rules. You bring people from all places to stand together and we ask that their voices can be heard and that the powers that often take aim at silencing them can be disarmed so that this blessed land may nurture the best and brightest among us.

Holy God, may Your inspiration be upon this body assembled, that Your will may shine through their decisions and that a large measure of grace will be seen in how they work and lead together. Pour out Your Spirit upon them and give to them the courage that is needed in these uncertain days to do their work with joyfulness and with purpose.

Holy God, to whom we turn in prayer, we offer these spoken words and the unspoken words of our hearts in faithful response to You who listens to what we say and to You who knows what we do.

In Your name, we pray. Amen.

God of unity and love, You are made known to us in the image of the shepherd who collects the scattered sheep into one flock. You would have gathered Jerusalem as a mother hen would her chickens under her wing, but we would not.

Bring us together to find a common ground and a higher ground, above the divisions of ideology, party, culture and creed. Bring to our assembly the faith that, despite the polarizations of the past, we are one house, one family, called to serve the dominion of compassion and justice. May our shared humanity shape our deliberations as we seek solutions that will promote the common good and our Commonwealth.

The Reverend Robert M. Chapman II, Market Street United Methodist Church, Onancock, Virginia, offered the following prayer:

Holy and benevolent Creator, whose divine spirit moves upon the universe, dwelling within us all. Receive us today, as we invoke Your presence, as You mysteriously roam freely amongst Your people. How gracious of You, imparting free will upon us, to join You as stewards of creation and as responsible servants, for the common good of Your people.

You continue to bless our Commonwealth with unique grace and beauty. The land of our wonderful ancestors is filled with river gorges and rugged mountains, beautiful valleys and pastoral fields, beaches where dolphins swim and children play, marshes holding tides and unique smells. We come from small communities: Cross Junction up North, Buffalo Springs in the South, Wachapreague in the East, Rose Hill in the West, and Tangier in the Bay.

And lest we forget, You placed a call upon the people of Virginia, to become pioneers in government, agriculture, seafood, space and the arts. Create within us vision, courage and creativity. Bestow Your blessing upon our Senate today and always. Amen.

As elected leaders in the Senate of Virginia, guide us in the deliberations and decisions that we make on behalf of our constituents.

Bless those who serve in this august chamber, along with their families, staff, and those who support the functioning of our Virginia Senate.

Proposing an amendment to Section 1 of Article X of the Constitution of Virginia, relating to tax credits.

RESOLVED by the Senate, the House of Delegates concurring, a majority of the members elected to each house agreeing, That the following amendment to the Constitution of Virginia be, and the same hereby is, proposed and referred to the General Assembly at its first regular session held after the next general election of members of the House of Delegates for its concurrence in conformity with the provisions of Section 1 of Article XII of the Constitution of Virginia, namely:

Amend Section 1 of Article X of the Constitution of Virginia as follows:

ARTICLE X TAXATION AND FINANCE

Section 1. Taxable property; uniformity; classification and segregation.

All property, except as hereinafter provided, shall be taxed. All taxes shall be levied and collected under general laws and shall be uniform upon the same class of subjects within the territorial limits of the authority levying the tax, except that the General Assembly may provide for differences in the rate of taxation to be imposed upon real estate by a city or town within all or parts of areas added to its territorial limits, or by a new unit of general government, within its area, created by or encompassing two or more, or parts of two or more, existing units of general government. Such differences in the rate of taxation shall bear a reasonable relationship to differences between nonrevenue producing governmental services giving land urban character which are furnished in one or several areas in contrast to the services furnished in other areas of such unit of government.

The General Assembly may by general law and within such restrictions and upon such conditions as may be prescribed authorize the governing body of any county, city, town or regional government to provide for differences in the rate of taxation imposed upon tangible personal property owned by persons not less than sixty-five years of age or persons permanently and totally disabled as established by general law who are deemed by the General Assembly to be bearing an extraordinary tax burden on said tangible personal property in relation to their income and financial worth.

The General Assembly may define and classify taxable subjects. Except as to classes of property herein expressly segregated for either State or local taxation, the General Assembly may segregate the several classes of property so as to specify and determine upon what subjects State taxes, and upon what subjects local taxes, may be levied.

No tax credit enacted by the General Assembly shall remain in effect longer than five years unless it is reenacted by the General Assembly prior to such expiration date. Any tax credit enacted prior to January 1, 2014, shall remain in effect no later than January 1, 2019, unless it is reenacted by the General Assembly prior to that date and no later than each fifth year thereafter.

SENATE JOINT RESOLUTION NO. 319

Proposing an amendment to Section 11 of Article X of the Constitution of Virginia, relating to contributions to defined benefit retirement plans maintained for state employees and certain local employees.

RESOLVED by the Senate, the House of Delegates concurring, a majority of the members elected to each house agreeing, That the following amendment to the Constitution of Virginia be, and the same hereby is, proposed and referred to the General Assembly at its first regular session held after the next general election of members of the House of Delegates for its concurrence in conformity with the provisions of Section 1 of Article XII of the Constitution of Virginia, namely:

Amend Section 11 of Article X of the Constitution of Virginia as follows:

ARTICLE X TAXATION AND FINANCE

Section 11. Governmental employees retirement system.

(a) The General Assembly shall maintain a retirement system for state employees and employees of participating political subdivisions and school divisions. The funds of the retirement system shall be deemed separate and independent trust funds, shall be segregated from all other funds of the Commonwealth, and shall be invested and administered solely in the interests of the members and beneficiaries thereof. Neither the General Assembly nor any public officer, employee, or agency shall use or authorize the use of such trust funds for any purpose other than as provided in law for benefits, refunds, and administrative expenses, including but not limited to legislative oversight of the retirement system.

Such trust funds shall be invested as authorized by law. Retirement system benefits shall be funded using methods which are consistent with generally accepted actuarial principles and reflective of current benefits provided under law.

(b) (1) Contributions to defined benefit retirement plans established by the General Assembly and maintained for state employees and employees of participating political subdivisions and school divisions shall be paid in strict adherence with the contribution rates and times for the payment of such contributions, as recommended by the Board of Trustees of the Virginia Retirement System or by any successor body or agency to the Board, based upon contribution rates determined by its official actuary. The Board or any successor shall recommend contribution rates that are reasonably anticipated to ensure the payment of retirement benefits, refunds, and administrative expenses that are provided under law. The Board or any successor shall transmit the contribution requirements in writing to the Governor and the General Assembly and participating political subdivisions and school divisions, as applicable, within the time frames required by law.

(2) Notwithstanding any other provision of this subsection, the General Assembly may set contribution rates that are not in strict adherence to the contribution rates recommended by the Board or any successor for any or all of the Commonwealth's fiscal years beginning on or after July 1, 2014, but not including any fiscal year beginning on or after July 1, 2018.

No deferral of contributions shall be deemed to have occurred under this subsection for (i) the fiscal year beginning on July 1, 2014, or July 1, 2015, so long as the contribution rate set for the applicable defined benefit retirement plan for the fiscal year is at least equal to 78.02 percent of the contribution rate recommended by the Board or any successor; or (ii) the fiscal year beginning on July 1, 2016, or July 1, 2017, so long as the contribution rate set for the applicable defined benefit retirement plan for the fiscal year is at least equal to 89.01 percent of the contribution rate recommended by the Board or any successor.

The General Assembly by a recorded affirmative vote of a majority of the members voting in each house may set contribution rates less than the applicable minimum percentage herein. However, to the extent that the General Assembly sets a contribution rate that is less than the applicable minimum percentage herein, then the difference between the amount reasonably estimated to be contributed using such minimum percentage and the amount reasonably estimated to be contributed using the contribution rate set by the General Assembly shall be deemed a deferral of contributions that shall be repaid under subsection (f). The vote shall be a separate vote and the question to be voted on shall be whether to provide for the deferral of contributions for the fiscal year or years, and the question shall include the total amount of contributions reasonably estimated to be deferred for the fiscal year or years.

(c) (1) For purposes of such contribution rates for such defined benefit retirement plans, the amortization period for the payment of retirement obligations relating to such plans shall be the amortization period as set by the General Assembly, which period shall not exceed thirty years.

However, if generally accepted actuarial principles or generally accepted accounting principles establish an amortization period for the payment of retirement obligations under defined benefit retirement plans that is shorter than the amortization period established by the General Assembly, then for purposes of such contribution rates the Board or any successor shall use the longest amortization period that (i) is in accordance with generally accepted actuarial principles or generally accepted accounting principles and (ii) does not exceed the amortization period established by the General Assembly.

(2) All other factors or variables generally used in setting such contribution rates, including but not limited to inflation rates, life expectancies, and forecasts of increases in compensation, shall be determined by the Board or any successor in consultation with its official actuary.

The actuarial rate of return on the investment of such contributions that is assumed by the Board or any successor shall be consistent with the assumed actuarial rates of return on the investment of defined benefit retirement contributions currently being used by all other states having general obligation bonds currently graded with the highest grade given by all nationally recognized credit rating agencies and having defined benefit retirement plans covering state employees. The actuarial rate of return on investment assumed by the Board or any successor shall be a rate of return that would have been reasonably determined by a professional actuary under the same prevailing conditions.

(d) Notwithstanding the provisions of subdivision (1) of subsection (b), the General Assembly may provide for the deferral of all or any portion of the required contributions to any or all of such defined benefit retirement plans for any fiscal year beginning on or after July 1, 2018, in which the General Assembly has appropriated the maximum amount allowed for transfer from the Revenue Stabilization Fund pursuant to Article X, Section 8, of this Constitution. Any such deferral shall require a recorded affirmative vote of a majority of the members voting in each house. The vote by the General Assembly shall be a separate vote and the question to be voted on shall be whether to provide for the deferral of contributions for such fiscal year, and the question shall include the total amount of contributions reasonably estimated to be deferred for the fiscal year.

(e) Retirement contributions deferred in 2010 as described under paragraph 1 5 of Item 469 of Chapter 874 of the Acts of Assembly of 2010 shall be repaid pursuant to subsection (f), except that the total amount of contributions deferred shall be repaid no later than June 30, 2024.

(f) All contributions deferred pursuant to subsection (b) or (d) shall be repaid with interest to the applicable defined benefit retirement plan within the ten-year period immediately following the last day of the fiscal year in which the deferral occurred. The amount repaid each fiscal year shall not be less than one-tenth of the total contributions deferred in the year of deferral until the total amount of contributions deferred in the year of deferral have been repaid. The annual interest rate shall be equal to the current actuarially calculated long-term rate of return for the defined benefit retirement plans described in subdivision (1) of subsection (b).

(g) Nothing in this section shall be construed or interpreted to prohibit the funding of contributions to defined benefit retirement plans established by the General Assembly at contribution rates that are greater than the contribution rates recommended by the Board or any successor.

(h) The retirement system shall be subject to restrictions, terms, and conditions as may be prescribed by the General Assembly.

May Your will be done, dear God, this day, and each day, by these Your servants. In the name of God, we pray. Amen.

The Reverend Phillip Deal, Cedar Street Baptist Church of God, Richmond, Virginia, offered the following prayer:

O God, Giver of life, our Strength, our Hope, our Sustainer, our Keeper...our Redeemer...our Friend...we honor You today... it's because of You...that we live, we breathe and we have our very being. You've afforded us another opportunity to work while it is day. For this, we are grateful.

Now at this present time...we are uncertain of the unforeseen challenges and the unpredictable trials and tests that we may encounter this day...but we are assured by Your promise that You would never leave us.

Thy word is in our hearts and we know Thy will; only give us strength to do that which Thou hast commanded.

So right now, we pray for strength. We pray for patience. We pray for peace. We pray for wisdom. Today, we also pray for forgiveness. Please forgive us our transgressions...as we forgive those who have transgressed against us.

Now Father...I ask that You bless this encounter. Bless these courageous men and women, who continue to represent us, our communities and our state...as they so boldly stand on the front line. Father, if we've ever needed You before, we sure do need You now.

Thank You for our President. Thank You for our Governor...Our Lieutenant Governor...Thank You for every elected official and every person in this room. Thank You for Senator Marsh...who extended this invitation to me.

Now Father, I ask that You would again bless this hour, bless this day...bless our conversations. Bless our Nation with wisdom, knowledge, and understanding.

Bless us this day and every day. May all that is done here be for Your greater honor and glory. Let us live, learn, and love in Your name...and together the people of God say, Amen.

THURSDAY, FEBRUARY 7, 2013

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend G. Kirk Nave, Braddock Street United Methodist Church, Winchester, Virginia, offered the following prayer:

Author of creation, and merciful judge of all that we do and say and think, we ask Your divine blessing upon this austere gathering of public servants. We have been sent from the highlands, the Piedmont, and the Tidewater. We represent the urban, the suburban, and the rural. We represent diverse people with varying interests and concerns. You have entrusted us with a great responsibility. Decisions before us this day will likely be difficult. Some of our decisions will not have clear benefits for all who will be affected by them.

Therefore we ask Your blessing upon we who have been sent here for the task of ordering our society. Give to us a spirit of mutual respect for each other's ideas and opinions. Remind us that as we listen to opposing views, we are always listening to a voice that deserves our respect and is worthy of our attention. It may even be Your voice that is speaking to us through the voice of another.

Free us from our egos that would have us make choices based primarily upon our own self-interest. Remind us that Your will and the good of our neighbors are the beacons which are to guide us.

Send us now Your Spirit to give us insight and wisdom that all citizens of our beloved Commonwealth may benefit from our deliberations this day. Hear our prayer, O ruler of all nations, and ruler of our individual consciences. Amen.

(This amendment reduces the annual grant from the Virginia State Bar to the Virginia Capital Representation Resource Center by 25 percent or \$117,500 from the general fund the second year. The General Assembly has provided funding for this organization since FY 1995 and the current grant of \$470,000 per year has remained unchanged since FY 1998. This reduction in funding is based on the declining number of capital cases and reduced workload in this area.)

Such certification shall include specific funding amounts paid by the federal government, localities, and/or regional jail authorities, and the Commonwealth for the construction of bed space specifically built for the housing of federal inmates and for the construction of the jail facility in its entirety. The defined number of federal prisoners to be exempted from the recovery provided in paragraph H.1. shall be based upon the proportion of funding paid by the federal government and localities and/or regional jail authorities for the construction of bed space to house federal prisoners to the total funding paid by all sources, including the Commonwealth, for all construction costs for the jail facility in its entirety."

Explanation:

(This amendment provides \$766,460 from the general fund the second year to correct an anomaly in the Compensation Board's federal overhead recovery policy as it applies to the Western Tidewater and Piedmont Regional Jails. The amendment includes language related to the recovery of Commonwealth-funded overhead costs from jails housing federal inmates in local and regional jail facilities. The proposed new language provides a partial exemption from the recovery for local and regional jails where federal funds contributed to the construction of bed space specifically for the housing of federal inmates, and where the Compensation Board provides no

staffing for the space but presently recovers overhead costs for the housing of federal inmates in the federal bed space. This language would currently apply only to the Western Tidewater and Piedmont Regional Jails.)

b. There is hereby created in the state treasury a special nonreverting fund to be known as the Long Term Mitigation Fund, a subfund of the Virginia State Forest Mitigation and Acquisition Fund which shall be administered by the Department of Forestry. The subfund shall be established on the books of the Comptroller. 3. 2) It is the intent of the General Assembly that the average instructional and support position salaries be improved throughout the state by at least 2.0 percent in the second year. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 2.0 percent salary increase for funded SOQ instructional and support positions, effective July 1, 2013, to school divisions which certify to the Department of Education, by June 15, 2013, that salary increases, equivalent to 2.0 percent on average, have been provided in the second year. In certifying that the equivalent salary increases have been provided, school divisions may not include any salary increases that were provided in the second year solely to offset the cost of required member contributions to the Virginia Retirement System under § 51.1-144, Code of Virginia.

3) It is the intent of the General Assembly that all school divisions annually provide their employees with a user-friendly statement of total compensation, including contract duration if less than 12 months.

b. The state funds for which the division is eligible to receive shall be matched by the local government, based on the composite index of local ability-to-pay.

c. This funding is not intended as a mandate to increase salaries."

Explanation:

(This amendment adds \$18.2 million in funding for support positions to the \$58.5 million for a 2.0 percent salary increase for teachers only that was included in the budget as introduced. The amendment allows school divisions to receive proportional funding if they provide increases of less than 2.0 percent, but no less than 1.0 percent. The amendment specifies that in meeting the equivalent salary increases to be eligible for this incentive funding, school divisions may not include any increases that were provided in FY 2014 to offset the cost of required member contributions to the VRS. "G. Out of this appropriation, up to \$1,000,000 the second year from the Rescue Squad Assistance Fund shall be used for grants to emergency medical services organizations to purchase 12-lead electrocardiograph monitors."

Explanation:

(This amendment adds language to allocate up to \$1.0 million from existing revenues in the Rescue Squad Assistance Fund for grants to local emergency medical services (EMS) organizations to purchase 12 lead electrocardiograph (ECG) monitors for ambulances to identify a patient who is suffering from a severe and often fatal heart attack known as a ST-segment elevation myocardial infarction (STEMI). One out of four heart attacks are classified as a STEMI heart attack and less than half of the patients receive treatment within the recommended 90-minute window. The cost of this equipment, estimated at \$20,000 to \$30,000 per unit, makes it difficult for EMS providers to obtain.)

Office of State Police for national background checks as necessary."

Explanation:

(This amendment adds language to provide funding from the Rescue Squad Assistance Fund (RSAF) for national background checks required by federal law. Budget language allows the transfer of funding to the Office of State Police for background checks as necessary. Current law allows RSAF revenues to pay for state-mandated background checks. The information shall be made available on a monthly basis and dating back to 2010. The Division of Vital Records and the Division of Health Statistics may charge a fee of no more than \$200 per month for providing the Virginia death records file to these entities."

Explanation:

(This amendment adds language to require the Department of Health to release specific death records to certain entities unless prohibited by state or federal law. The department shall develop a plan to address the issue in consultation with the task force and provide a report on the plan to the General Assembly by October 1, 2013."

Explanation:

(This amendment adds language to require the Department of Health, in conjunction with the Department of Social Services, to convene a group to examine solutions to ensuring the health and safety of nursing home and assisted living patients when facilities lose power in severe weather events. Recent severe weather resulted in extended power loss in nursing homes and assisted living facilities making it difficult for them to provide the necessary heating and cooling for facility residents. Explanation:

(This amendment reverts the appropriation of \$3.0 million from nongeneral fund balances in the Virginia Health Care Fund to the Center for Health Innovation the first year. The amendment includes budget language allowing the transfer of \$2.0 million the first year from the VHCF to the Center for Health Innovation. The net effect of this amendment is to increase nongeneral fund revenues to the VHCF by \$1.0 million, resulting in a general fund savings of \$1.0 million. Explanation:

(This amendment provides \$1.5 million from the general fund and \$1.5 million in matching federal funds in the second year to increase Medicaid reimbursement for private duty nursing services under the Technology Assisted (TECH) waiver by 10 percent. The TECH Waiver provides a community-based alternative to placement in an acute care hospital, long stay hospital or specialized care nursing facility. The department shall have the authority to implement this reimbursement change effective July 1, 2013, and prior to the completion of any regulatory process undertaken in order to effect such change."

Explanation:

(This amendment provides \$667,902 from the general fund and \$667,902 from matching federal Medicaid funds to provide a \$10.00 per unit increase in the Medicaid waiver reimbursement rate for adult day health services. Adult day health care is a less expensive alternative to placement in a nursing facility for which these clients qualify. Providers of adult day health care report a gap of \$18.13 per client per day between actual costs and Medicaid reimbursement, which must be made up through contributions from individuals, churches, corporations, and foundations. This amendment will increase the statewide rate paid for Medicaid adult day health care services from \$50.10/unit to about \$60.10/unit in Northern Virginia and from \$45.65/unit to about \$55.65/unit in the rest of the state. Explanation:

(This amendment adds language to ensure continuation of Children's Hospital of the King's Daughters' (CHKD) ability to receive Medicaid reimbursement to cover its uncompensated care costs. This amendment protects Virginia's only freestanding children's hospital from cuts to the disproportionate share hospital (DSH) payment program directed through the federal Patient Protection and Affordable Care Act (PPACA). With greater than 50 percent of its inpatient days covered by Medicaid, CHKD's Medicaid utilization is double the next closest provider, resulting in the receipt of more than half of Virginia's DSH funds that are allocated to private hospitals. This amendment would not require additional funding from the state based on current DSH policy. This amendment significantly increases the amount of authorized indirect medical education (IME) funding to substitute for most or all of the DSH funds allocated to CHKD. The director shall report findings and make any recommendations necessary to improve the provision of Medicaid-funded children's mental health services by November 1, 2013 to the Chairmen of the House Appropriations and Senate Finance Committees."

Explanation:

Explanation:

(Contingent upon federal approval of specific Medicaid reforms and a decision by the 2014 General Assembly to provide funding, this amendment authorizes the expansion of Medicaid coverage consistent with the Affordable Care Act. Prior to an expansion of coverage, the Department of Medical Assistance Services must seek assurance that a) the services and benefits provided would be similar to the services and benefits provided by commercial insurers with the exception of non-traditional behavioral health and substance use disorder services, b) reasonable limitations on non-essential benefits such as transportation are implemented, and c) patient

The first proposal allows the Department of Medical Assistance Services to send electronic notices for program reimbursements or other items referred to in regulations. The amendment clarifies that the department has the authority to send electronic notices in the case of "provider" appeals only and not all appeals as suggested in the original proposal. The second proposal allows the department to eliminate Medicaid or FAMIS program offerings when subsidized coverage is available through a health benefit exchange in order to eliminate duplication of services. The amendment clarifies that the provision only applies to the Medicaid Plan First (i.e., pre-pregnancy family planning) and FAMIS Moms program.

Explanation:

(This amendment reflects the increased revenue in FY 2013 from the Master Settlement Agreement (MSA) with tobacco manufacturers as a result of a recent tentative agreement. Many states have been involved in arbitration for some time over a dispute with tobacco companies regarding non-participating manufacturer adjustments. In December 2012, 17 states entered into a preliminary settlement with tobacco companies. If approved by the arbitration panel in late January 2013, Virginia will receive a one-time increase in revenue as a result of previously withheld payments being released from escrow. The Office of the Attorney General projects Virginia's MSA payment will be \$172 million for FY 2013, which is \$52.2 million higher than currently projected. Of this amount 41.5 percent will be deposited to the Health Care Fund, which is used as state match for Medicaid. Therefore, \$21.7 million of general fund will be offset in FY 2013 with Health Care Fund revenue.)

Explanation:

(Contingent upon federal approval of reforms to the home- and community-based Intellectual Disabilities and Individual and Family Developmental Disabilities Support waiver programs, this amendment includes \$6.8 million GF the second year and an equal amount of federal Medicaid matching funds to add 200 new Intellectual Disabilities waiver slots in addition to 150 ID waiver slots already included in the budget. This amendment also includes \$869,800 GF the second year and an equal amount of federal Medicaid matching funds to add 50 new Individual and Family Developmental Disabilities Support (DD) waiver slots in addition to the 55 slots already included in the budget. The general fund cost of adding 2,915 new ID and DD waiver slots to address the waiting list for individuals residing in the community as a result of the Department of Justice settlement agreement is projected to cost at least \$545 million through FY 2021. Incorporating the principles of care coordination may help to improve the cost and quality of care provided to new ID and DD waiver recipients. The updates shall be provided to the Chairmen of the Senate Finance and House Appropriations Committees."

Explanation:

(This amendment reduces the general fund appropriation for Medicaid by \$1.6 million the first year and \$14.3 million the second year reflecting increased revenues of an equal amount to the Virginia Health Care Fund. Because revenues to the fund have historically been used as the state share of Medicaid, additional revenue results in an equal amount of general fund savings. Last year's budget assumed Medicaid recoveries would increase by \$20.0 million in FY 2014, as a result of adding 49 staff for enforcement activities in the Medicaid Fraud Control Unit (MFCU). The introduced budget includes an additional 14 FTEs in the MFCU. In spite of the additional staffing, the introduced budget assumed Medicaid recoveries would decline by \$8.1 million. This amendment assumes that the additional 63 FTEs added to the MFCU will be able to achieve the previous Medicaid recovery target of \$20.0 million, resulting in \$8.1 million in general fund savings in FY 2014. Finally, based on current trends in cigarette tax collections, it is assumed that revenues that are deposited into the Virginia Health Care Fund will increase by \$1.6 million the first year and \$6.2 million the second year, allowing for a reduction in general fund appropriations. Budget language requires quarterly updates on revenues to the VHCF beginning July 1, 2013.)

Language:

Page 304, line 46, strike "\$764,992,149" and insert "\$765,264,314".

Explanation:

(This amendment provides \$272,165 NGF from federal funds to add 4 FTEs within the Department of Social Services to implement a statewide Child Support Reduction Arrearage Program. The program is designed to encourage noncustodial parents to begin making child support payments by reducing the penalty for arrearages that have built up. The department may add a 15 percent differential to the maximum amount for licensed assisted living facilities and adult foster care homes in Planning District Eight."

Explanation:

(This amendment provides \$3.3 million GF the second year to increase by five percent the maximum rate allowed for assisted living facilities that accept auxiliary grant recipients. The amendment also reduces \$500,000 GF the first year from projected underspending in the program. The introduced budget proposed an increase of 1.0 percent but inadvertently made the increase retroactive to July 1, 2012; this amendment corrects the date of the proposed increase of 1.0 percent to January 1, 2013. Similarly, a proposed \$1.00 increase in the personal care allowance is corrected to be effective on January 1, 2013.)

Federal law provides parents with a refundable adoption tax credit of \$12,970 for the adoption of special needs children depending upon the parents income. (This amendment transfers \$3.4 million to the general fund from an additional settlement payment to the Virginia Tobacco Settlement Fund consistent with the tentative agreement with tobacco manufacturers in FY 2013. The additional payment to the Commonwealth is estimated at \$52.2 million. Under current law, \$4.4 million would be allocated to the VTSF, equivalent to 8.5 percent of the MSA settlement payment, and used by the Virginia Foundation for Healthy Youth. This amendment provides \$979,518 of the \$4.4 million amount to the VTSF, and diverts the balance of \$3.4 million to the general fund. Almighty God, before we proceed with our petitions, we would like to take a moment to simply say thank You. Thank You for Your many and abundant blessings. Thank You for the wonderful and precious gift of life, that reasonable measure of good health, family, friends, and the provisions that have been built into this day. We thank You for this land of freedom and tolerance where we are allowed the freedom to engage You or not engage You according to our individual convictions.

You have ordained and endorsed our governing authorities for the purpose of maintaining peace, order and justice; therefore, I pray for each member of this legislative body. I pray that You will allow them the wisdom to rightly discern what is best for the Commonwealth they have been called to serve. I pray for the humility necessary to exchange that which is good for the individual person or community, for that which is good for the whole. We pray that You will continue to remind them that there is nothing inherently wrong with open and honest disagreements that are rooted in a search for areas of commonality and reconciliation.

We pray for the agenda that has been set for today and the lives of the people who live and work in this great Commonwealth.

Hear our prayers. Amen.

Copies of this report and order are being sent to Governor McDonnell, Mr. G. Paul Nardo and the Chairs of the Courts of Justice Committees of the House and Senate.

Sincerely yours,

Clerk

SUPREME COURT OF VIRGINIA
100 North Ninth Street
Richmond, Virginia 23219-2334

February 6, 2013

The Honorable Susan C. Schaar
Clerk of the Senate
P.O. Box 396
Richmond, Virginia 23218

Dear Ms. Schaar:

Section 17.1-511 of the Code of Virginia, as amended, provides that whenever a vacancy occurs in the office of a judge of any court of record, the vacancy shall not be filled until, after investigation, the Supreme Court of Virginia certifies that the filling of the vacancy is or is not necessary. James H. Chamblin, Judge of the Twentieth Judicial Circuit, will retire from the bench on March 31, 2013, thereby creating a vacancy in the office of judge of that circuit.

The Twentieth Judicial Circuit serves the counties of Fauquier, Loudoun, and Rappahannock. The General Assembly has authorized four circuit court judgeships for that circuit. Based on the information contained in the enclosed report, the Supreme Court of Virginia certifies that the vacancy should be filled in the manner prescribed by law.

Very truly yours,

/s/ Cynthia D. Kinser

VIRGINIA:

In the Supreme Court of Virginia held at the Supreme Court Building in the City of Richmond on Wednesday the 6th day of February, 2013.

It being brought to the attention of the Court that a vacancy is expected to occur on March 31, 2013 in the office of judge of the Twentieth Judicial Circuit by the retirement of Judge James H. Chamblin, and the Court, pursuant to section 17.1-511 of the Code of Virginia of 1950, as amended, having secured information concerning the volume of business in the said circuit, is of opinion, for reasons stated in writing in the form of a report to the Governor and to the General Assembly of Virginia and filed herewith, that the amount of business of the Twentieth Judicial Circuit makes the filling of the vacancy necessary. Accordingly, the Court doth certify that there is a necessity for filling the vacancy in the manner provided by law, provided the vacancy occurs as anticipated by the notice sent to the Governor of Virginia.

And it is ordered that a copy of this order, together with a copy of the report referred to above, be certified to the Governor of Virginia and to the General Assembly of Virginia.

A Copy,
Teste:

William T. Bolling
President of the Senate

Susan Clarke Schaar
Clerk of the Senate

MONDAY, FEBRUARY 11, 2013

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Wil Cantrell, Lebanon Memorial United Methodist Church, Lebanon, Virginia, offered the following prayer:

Almighty God, we are weak. You are strong. We stumble. You catch us. We stray. You redirect us. Hear us as we humbly pray to You.

You created us in Your image to love and be loved. You came to us yourself as a servant to show us the depth of Your love and called us to imitate Your servanthood.

Servanthood is our highest calling and our greatest challenge. You care for all. We have to fight constantly against the temptation to care primarily for those who look like us, think like us, and share the same values as we do.

Lord, we thank You for our State Senate and all those who make great sacrifices to fulfill faithfully the high calling of public servanthood. Our Senators endure hectic schedules; public and private criticism, great external pressures, and the intense internal temptations that always accompany power. They make these sacrifices, Lord, in order to be servants.

Bless our Senators, O God, and their families. Grant them vision to see each person they govern as one of Your infinitely beloved children. Grant them wisdom to stand by their principles when they must and to compromise when they can for the good of Your people. Give to them the heart of a servant that seeks the common good even when it requires great personal sacrifices. Fortify them against the temptation to pursue the glory of victory for themselves or their political party. Rather instill in our Senators the humility to give You alone the glory and praise for any good You use them to accomplish for Your people.

Gracious Lord, You alone are our protector and defender. Some would place their trust in chariots, others in gold. But we would not be so vain. We place our trust in You.

We need Your protection now, dear God, for a new enemy is infiltrating our communities, tearing apart our families, destroying our businesses, and taking the lives of our children. Raise up an army among us O Lord and by Your power grant us victory over this deadly adversary of prescription drug abuse. Inspire our legislators, doctors, and pharmacists to work together to craft the legislation needed to stem the tide of this epidemic. Lead our churches to go to war against this foe, not with guns and knives, but with hugs, handshakes, smiles, free dinners, humble spirits, 12 step programs, and a fierce faith in Your ability to redeem. Guide our counselors and treatment centers to offer Your gift of freedom and new life to all who enter their doors. And give to our police officers and judicial system that rare gift of hating the crime yet loving the criminal just as You hate the sin and still love all of us sinners.

We are weary of burying our young people and with them our dreams for the future. We are tired of watching parents go to jail rather than to PTA meetings. We are sick of seeing our elderly slip into drug induced delirium. We are tired, Lord. We are weak. We are worn. But You are strong and mighty. You do not grow weary and You do not slumber. You lift us up with wings like eagles, so that we may run and not grow weary and walk and not faint. Grant us courage for this struggle, Gracious God of heaven and earth. Speak now Your message of hope and healing and unconditional love to the hearts of each person wrestling with the demon of addiction.

For it is out of love, You have created us. It is out of love that You have sought us and redeemed us. And on the last day it is only love that will remain.

Until that day, empower us to relate to one another in this room and in all the rooms we enter with the love we have received from You. Use our legislators to craft laws that help our temporary earthly society to more closely reflect the love of Your eternal Kingdom. And instill in each of our hearts the assurance that You have never been, are not, and will never be far from us when we call to You.

In Your holy name, we pray. Amen.

The roll was called and the following Senators answered to their names:

Alexander, Barker, Black, Blevins, Carrico, Colgan, Deeds, Ebbin, Favola, Garrett, Hanger, Herring, Howell, Locke, Lucas, Marsden, Martin, McDougle, McEachin, McWaters, Miller, Newman, Norment, Northam, Obenshain, Petersen, Puckett, Puller, Reeves, Ruff, Saslaw, Smith, Stanley, Stosch, Stuart, Vogel, Wagner, Watkins.

A quorum was present.

After the roll call, Senators Edwards and Marsh notified the Clerk of their presence.

On motion of Senator Puckett, the reading of the Journal was waived.

The recorded vote is as follows:

YEAS--38. NAYS--2. RULE 36--0.

WEDNESDAY, FEBRUARY 13, 2013

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Teresa McRoberts, Shady Grove United Methodist Church, Glen Allen, Virginia, offered the following prayer:

Holy and Amazing God, we come together this afternoon under Your grace to continue the work of leading the Commonwealth of Virginia through careful listening, thoughtful deliberation and respectful discourse.

We thank You that the Senators here and the people whom they represent do not labor alone but with Your guiding Spirit. We thank You also for raising up in our Commonwealth, the men and women who desire to serve as legislators and who are willing to dedicate themselves to the tasks of reviewing and making laws. Thank You for their skills and gifts and for the education and experience that the Senators bring to bear to the work at hand.

In our culture, where there are so many forces and voices at work promoting self and seeing destruction of others as the means to the desired ends, we pray that the labor of this body will be for the common good, for the encouragement of human dignity and autonomy and for the building up of life-sustaining community.

We ask for Your blessing—understood

- not as Your approval, but as a grant of Your wisdom and guidance,
- not as a shower of riches and success, but as an infusion of Your strength,
- and not as an endorsement of our power, but as a revelation of Your purposes

This blessing, we ask for the law makers present here: for those who are tending to their business elsewhere, for our Governor, Bob McDonnell, and for all the staff and volunteers who see to the details of leading Virginia today and continuing in the weeks to come, that the will and work of this body, the staff who supports them and the people whom they represent might be in accordance with Your will and to Your glory. Amen.

Such certification shall include specific funding amounts paid by the federal government, localities, and/or regional jail authorities, and the Commonwealth for the construction of bed space specifically built for the housing of federal inmates and for the construction of the jail facility in its entirety. The defined number of federal prisoners to be exempted from the recovery provided in paragraph H.1. shall be based upon the proportion of funding paid by the federal government and localities and/or regional jail authorities for the construction of bed space to house federal prisoners to the total funding paid by all sources, including the Commonwealth, for all construction costs for the jail facility in its entirety."

Explanation:

(This amendment provides \$766,460 from the general fund the second year to correct an anomaly in the Compensation Board's federal overhead recovery policy as it applies to the Western Tidewater and Piedmont Regional Jails. The amendment includes language related to the recovery of Commonwealth-funded overhead costs from jails housing federal inmates in local and regional jail facilities. The proposed new language provides a partial exemption from the recovery for local and regional jails where federal funds contributed to the construction of bed space specifically for the housing of federal inmates, and where the Compensation Board provides no

staffing for the space but presently recovers overhead costs for the housing of federal inmates in the federal bed space. This language would currently apply only to the Western Tidewater and Piedmont Regional Jails.)

b. There is hereby created in the state treasury a special nonreverting fund to be known as the Long Term Mitigation Fund, a subfund of the Virginia State Forest Mitigation and Acquisition Fund which shall be administered by the Department of Forestry. The subfund shall be established on the books of the Comptroller. All amounts appropriated and such other funds as may be made available to the subfund from any other source, public or private, shall be paid into the state treasury and credited to the subfund. This amount represents the proceeds from the stream mitigation transaction, which is based upon the Cumberland State Forest Stream Buffer Preservation Stewardship Plan. Such agreement shall be limited to fulfill no more than 75 percent of the required stream credits for the Cobbs Creek Reservoir project. All additional required credits shall be acquired from other sources. With the exception of the amounts prescribed in paragraph K.2.b of this Item, these funds shall be used solely for forest land or conservation easement acquisition.

Term Mitigation Fund, and shall be used only for long term management in accordance with the terms of the final mitigation plan, as approved by the U.S. Army Corps of Engineers, the State Water Control Board, and any other applicable authorities.

3. For any such future mitigation projects, no state forest land shall be used to provide compensatory mitigation for wetland or stream impacts of any public or private project until such time as due consideration has been given to the availability of mitigation credits available from private sources. Each developed model will focus on enhancing the children's learning experiences through the arts."

Explanation:

(This amendment provides funding for STEM model programs through the arts for kindergarten and preschool children.)

a.1) The appropriation in this Item includes \$76,780,564 the second year from the

general fund for the state share of a payment equivalent to a 2.0 percent salary increase, effective July 1, 2013, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium.

2) It is the intent of the General Assembly that the average instructional and support position salaries be improved throughout the state by at least 2.0 percent in the second year. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 2.0 percent salary increase for funded SOQ instructional and support positions, effective July 1, 2013, to school divisions which certify to the Department of Education, by June 15, 2013, that salary increases, equivalent to 2.0 percent on average, have been provided in the second year. School divisions are permitted to certify that equivalent salary increases have been provided in the second year at less than 2.0 percent, but no less than 1.0 percent, and may receive state funding that is reduced in proportion to the equivalent increase that was provided within this range. In certifying that the equivalent salary increases have been provided, school divisions may not include any salary increases that were provided in the second year solely to offset the cost of required member contributions to the Virginia Retirement System under § 51.1-144, Code of Virginia.

3) It is the intent of the General Assembly that all school divisions annually provide their employees with a user-friendly statement of total compensation, including contract duration if less than 12 months.

b. The state funds for which the division is eligible to receive shall be matched by the local government, based on the composite index of local ability-to-pay.

c. This funding is not intended as a mandate to increase salaries."

Explanation:

(This amendment adds \$18.2 million in funding for support positions to the \$58.5 million for a 2.0 percent salary increase for teachers only that was included in the budget as introduced. The amendment allows school divisions to receive proportional funding if they provide increases of less than 2.0 percent, but no less than 1.0 percent. The amendment specifies that in meeting the equivalent salary increases to be eligible for this incentive funding, school divisions may not include any increases that were provided in FY 2014 to offset the cost of required member contributions to the VRS. The amendment also indicates the intent of the General

Assembly that school divisions annually provide their employees with a statement of total compensation.)

Explanation:

(This amendment directs JLARC to analyze and make recommendations going forward regarding the most effective balance between the costs of incentives for local government and school consolidations with the expected resulting savings and operational benefits, and how best to structure such state incentives to achieve both clarity for localities as well as justification that incentives are adequate, but not more than necessary. In the meantime, until the recommendations are available, this amendment sets the parameters of the policy going forward that funding will be based on a blended composite index, for no less than five and no more than 15 years. Finally, the amendment requires Bedford County Schools to undergo a school efficiency review and makes an overall adjustment to the school division's total Direct Aid in the amount of \$540,000, but makes no changes to the composite index included in the introduced budget for FY 2014. Explanation:

The department shall report its findings to the Chairmen of the Senate Finance and House Appropriations Committees no later than November 1, 2013."

Explanation:

(This language amendment states that it is the intent of the General Assembly that the nursing home occupancy rule be eliminated. The amendment requires that the Department of Medical Assistance Services survey state Medicaid programs to determine how many use this limitation on nursing home operating rates and whether it is an effective tool for controlling Medicaid long-term care costs.)

Explanation:

(This amendment provides \$1.5 million from the general fund and \$1.5 million in matching federal funds in the second year to increase Medicaid reimbursement for private duty nursing services under the Technology Assisted (TECH) waiver by 10 percent. The TECH Waiver provides a community-based alternative to placement in an acute care hospital, long stay hospital or specialized care nursing facility. Eligible individuals include children and adults who are chronically ill or severely impaired, needing both a medical device to compensate for the loss of a vital body function and require substantial and ongoing skilled nursing care to avert further disability or to sustain their lives.)

The department shall have the authority to implement this reimbursement change effective July 1, 2013, and prior to the completion of any regulatory process undertaken in order to effect such change."

Explanation:

(This amendment provides \$667,902 from the general fund and \$667,902 from matching federal Medicaid funds to provide a \$10.00 per unit increase in the Medicaid waiver reimbursement rate for adult day health services. Adult day health care is a less expensive alternative to placement in a nursing facility for which these clients qualify. Providers of adult day health care report a gap of \$18.13 per client per day between actual costs and Medicaid reimbursement, which must be made up through contributions from individuals, churches, corporations, and foundations. This amendment will increase the statewide rate paid for Medicaid adult day health care services from \$50.10/unit to about \$60.10/unit in Northern Virginia and from \$45.65/unit to about \$55.65/unit in the rest of the state. Chapter 3, 2012 Special Session I, Virginia Acts of Assembly reduces this eligibility limit to 267 percent of the SSI payment level effective January 1, 2014, resulting in fewer individuals qualifying for Medicaid funded nursing home care or long-term care waiver services. Explanation:

(This amendment adds language to ensure continuation of Children's Hospital of the King's Daughters' (CHKD) ability to receive Medicaid reimbursement to cover its uncompensated care costs. This amendment protects Virginia's only freestanding children's hospital from cuts to the disproportionate share hospital (DSH) payment program directed through the federal Patient Protection and Affordable Care Act (PPACA). With greater than 50 percent of its inpatient days covered by Medicaid, CHKD's Medicaid utilization is double the next closest provider, resulting in the receipt of more than half of Virginia's DSH funds that are allocated to private hospitals. This amendment would not require additional funding from the state based on current DSH policy. This amendment significantly increases the amount of authorized indirect medical education (IME) funding to substitute for most or all of the DSH funds allocated to CHKD. It also provides that CHKD will continue to be reimbursed up to the federal uncompensated care cost limit.)

"JJJJ. 1. The Department of Medical Assistance Services shall seek federal authority through the necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the Social Security Act to ensure that for newly eligible individuals who would be covered consistent with the federal Patient Protection and Affordable Care Act (PPACA) a) the services and benefits provided are similar to the services and benefits provided by commercial insurers with the exception of non-traditional behavioral health and substance use disorder services, b) reasonable limitations on non-essential benefits such as transportation are implemented, and c) patient responsibility is required including reasonable cost-sharing and active engagement in health and wellness activities to improve health and control costs.

2. Contingent upon approval of the conditions in paragraph 1, the Department of Medical Assistance Services shall have authority to amend the State Plans for Medical Assistance under Titles XIX and XXI of the Social Security Act, and any waivers thereof, to implement requirements of (PPACA) as it pertains to the expansion of Medicaid eligibility. There is hereby appropriated sum sufficient nongeneral funds for this purpose.

3. A. There is hereby created in the state treasury a special nonreverting fund to be known as the Virginia Health Reform and Innovation Fund, hereafter referred to as the "Fund." The Fund shall be established on the books of the Comptroller and any moneys remaining in the Fund at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. For purposes of the Comptroller's preliminary and final annual reports required by § 2.2-813, however, all deposits to and disbursements from the Fund shall be accounted for as part of the general fund of the state treasury.

B. The Director of the Department of Medical Assistance Services, in consultation with the Director of the Department of Planning and Budget, shall identify general fund savings from behavioral health services, inmate health care, and indigent care, attributable to the expansion of Medicaid eligibility consistent with the PPACA, and transfer the savings into the state treasury and deposit them to the Fund. Interest earnings generated by the Fund shall be made available for health innovation grants to private and public entities in order to reduce the annual rate of growth in health care spending in the Commonwealth by no less than one percent.

Explanation:

(Contingent upon federal approval of specific Medicaid reforms, this amendment authorizes the expansion of Medicaid coverage consistent with the Affordable Care Act and provides a sum sufficient appropriation for that purpose. Prior to an expansion of coverage, the Department of Medical Assistance Services must seek assurance that a) the services and benefits provided would be similar to the services and benefits provided by commercial insurers with the exception of non-traditional behavioral health and substance use disorder services, b) reasonable limitations on non-essential benefits such as transportation are implemented, and c) patient responsibility is required including reasonable cost-sharing and active engagement in health and wellness activities to improve health and control costs. Budget language creates the Health Reform and Innovation Fund with general fund savings from state agencies. General fund savings estimated at \$52.1 million in FY 2014 are expected to come from behavioral health services, inmate inpatient care, and indigent care, as federal dollars are substituted for current state spending. A sum sufficient nongeneral fund appropriation from federal Medicaid funds will be set out in enrolling.)

Explanation:

(This amendment reflects the increased revenue in FY 2013 from the Master Settlement Agreement (MSA) with tobacco manufacturers as a result of a recent tentative agreement. Many states have been involved in arbitration for some time over a dispute with tobacco companies regarding non-participating manufacturer adjustments. In December 2012, 17 states entered into a preliminary settlement with tobacco companies. If approved by the arbitration panel in late January 2013, Virginia will receive a one-time increase in revenue as a result of previously withheld payments being released from escrow. The Office of the Attorney General projects Virginia's MSA payment will be \$172 million for FY 2013, which is \$52.2 million higher than currently projected. Of this amount 41.5 percent will be deposited to the Health Care Fund, which is used as state match for Medicaid. Therefore, \$21.7 million of general fund will be offset in FY 2013 with Health Care Fund revenue.)

This amendment also includes \$869,800 GF the second year and an equal amount of federal Medicaid matching funds to add 50 new Individual and Family Developmental Disabilities Support (DD) waiver slots in addition to the 55 slots already included in the budget. The general fund cost of adding 2,915 new ID and DD waiver slots to address the waiting list for individuals residing in the community as a result of the Department of Justice settlement agreement is projected to cost at least \$545 million through FY 2021. Incorporating the principles of care coordination may help to improve the cost and quality of care provided to new ID and DD waiver recipients. Explanation:

(This amendment reduces the general fund appropriation for Medicaid by \$1.6 million the first year and \$14.3 million the second year reflecting increased revenues of an equal amount to the Virginia Health Care Fund. Because revenues to the fund have historically been used as the state share of Medicaid, additional revenue results in an equal amount of general fund savings. Last year's budget assumed Medicaid recoveries would increase by \$20.0 million in FY 2014, as a result of adding 49 staff for enforcement activities in the Medicaid Fraud Control Unit (MFCU). The introduced budget includes an additional 14 FTEs in the MFCU. In spite of the additional staffing, the introduced budget assumed Medicaid recoveries would decline by \$8.1 million. This amendment assumes that the additional 63 FTEs added to the MFCU will be able to achieve the previous Medicaid recovery target of \$20.0 million, resulting in \$8.1 million in general fund savings in FY 2014. Finally, based on current trends in cigarette tax collections, it is assumed that revenues that are deposited into the Virginia Health Care Fund will increase by \$1.6 million the first year and \$6.2 million the second year, allowing for a reduction in general fund appropriations. Budget language requires quarterly updates on revenues to the VHCF beginning July 1, 2013.)
