D. A law-enforcement officer may request an emergency protective order pursuant to this section and, if the person in need of protection is physically or mentally incapable of filing a petition pursuant to § 16.1-253.1 or 16.1-279.1, may request the extension of an emergency protective order for an additional period of time not to exceed three days after expiration of the original order. The request for an emergency protective order or extension of an order may be made orally, in person or by electronic means, and the judge of a circuit court, general district court, or juvenile and domestic relations district court or a magistrate may issue an oral emergency protective order. An oral emergency protective order issued pursuant to this section shall be reduced to writing, by the law-enforcement officer requesting the order or the magistrate on a preprinted form approved and provided by the Supreme Court of Virginia. The completed form shall include a statement of the grounds for the order asserted by the officer or the allegedly abused person.

E. The court or magistrate shall forthwith, but in all cases no later than the end of the business day on which the order was issued, enter and transfer electronically to the Virginia Criminal Information Network the respondent's identifying information and the name, date of birth, sex, and race of each protected person provided to the court or magistrate. A copy of an emergency protective order issued pursuant to this section containing any such identifying information shall be forwarded forthwith to the primary law-enforcement agency responsible for service and entry of protective orders. Upon receipt of the order by the primary law-enforcement agency, the agency shall forthwith verify and enter any modification as necessary to the identifying information and other appropriate information required by the Department of State Police into the Virginia Criminal Information Network established and maintained by the Department pursuant to Chapter 2 (§ 52-12 et seq.) of Title 52 and the order shall be served forthwith upon the respondent and due return made to the court. However, if the order is issued by the circuit court, the clerk of the circuit court shall forthwith forward an attested copy of the order containing the respondent's identifying information and the name, date of birth, sex, and race of each protected person provided to the court to the primary law-enforcement agency providing service and entry of protective orders and upon receipt of the order, the primary law-enforcement agency shall enter the name of the person subject to the order and other appropriate information required by the Department of State Police into the Virginia Criminal Network established and maintained by the Department pursuant to Chapter 2 (§ 52-12 et seq.) of Title 52 and the order shall be served forthwith on the respondent. Upon service, the agency making service shall enter the date and time of service and other appropriate information required by the Department of State Police into the Virginia Criminal Information Network and make due return to the court. One copy of the order shall be given to the allegedly abused person when it is issued, and one copy shall be filed with the written report required by subsection D of § 19.2-81.3. The judge or magistrate who issues an oral order pursuant to an electronic request by a law-enforcement officer shall verify the written order to determine whether the officer who reduced it to writing accurately transcribed the contents of the oral order. The original copy shall be filed with the clerk of the juvenile and domestic relations district court within five business days of the issuance of the order. If the order is later dissolved or modified, a copy of the dissolution or modification order shall also be attested, forwarded forthwith to the primary law-enforcement agency responsible for service and entry of protective orders, and upon receipt of the order by the primary law-enforcement agency, the agency shall forthwith verify and enter any modification as necessary to the identifying information and other appropriate information required by the Department of State Police into the Virginia Criminal Information Network as described above and the order shall be served forthwith and due return made to the court. Upon request, the clerk shall provide the allegedly abused person with information regarding the date and time of service.

F. The availability of an emergency protective order shall not be affected by the fact that the family or household member left the premises to avoid the danger of family abuse by the respondent.

G. The issuance of an emergency protective order shall not be considered evidence of any wrongdoing by the respondent.

H. As used in this section, a "law-enforcement officer" means ~~any~~ (i) any full-time or part-time employee of a police department or sheriff's office which is part of or administered by the Commonwealth or any political subdivision thereof and who is responsible for the prevention and detection of crime and the enforcement of the penal, traffic, or highway laws of the Commonwealth ~~and~~; (ii) any member of an auxiliary police force established pursuant to § 15.2-1731; and (iii) any special conservator of the peace who meets the certification requirements for a law-enforcement officer as set forth in § 15.2-1706. Part-time employees are compensated officers who are not full-time employees as defined by the employing police department or sheriff's office.

I. Neither a law-enforcement agency, the attorney for the Commonwealth, a court nor the clerk's office, nor any employee of them, may disclose, except among themselves, the residential address, telephone number, or place of employment of the person protected by the order or that of the family of such person, except to the extent that disclosure is (i) required by law or the Rules of the Supreme Court, (ii) necessary for law-enforcement purposes, or (iii) permitted by the court for good cause.

J. As used in this section, "copy" includes a facsimile copy.

K. No fee shall be charged for filing or serving any petition or order pursuant to this section.

§ 19.2-81.3. Arrest without a warrant authorized in cases of assault and battery against a family or household member and stalking and for violations of protective orders; procedure, etc.

A. Any law-enforcement officer with the powers of arrest ~~under subsection A of § 19.2-81~~ may arrest without a warrant for an alleged violation of § 18.2-57.2, 18.2-60.4, or 16.1-253.2 regardless of whether such violation was committed in his presence, if such arrest is based on probable cause or upon personal observations or the reasonable complaint of a person who observed the alleged offense or upon personal investigation.

B. A law-enforcement officer having probable cause to believe that a violation of § 18.2-57.2 or 16.1-253.2 has occurred shall arrest and take into custody the person he has probable cause to believe, based on the totality of the circumstances, was the predominant physical aggressor unless there are special circumstances which would dictate a course of action other than an arrest. The standards for determining who is the predominant physical aggressor shall be based on the following considerations: (i) who was the first aggressor, (ii) the protection of the health and safety of family and household members, (iii) prior complaints of family abuse by the allegedly abusing person involving the family or household members, (iv) the relative severity of the injuries inflicted on persons involved in the incident, (v) whether any injuries were inflicted in self-defense, (vi) witness statements, and (vii) other observations.

C. A law-enforcement officer having probable cause to believe that a violation of § 18.2-60.4 has occurred that involves physical aggression shall arrest and take into custody the person he has probable cause to believe, based on the totality of the circumstances, was the predominant physical aggressor unless there are special circumstances which would dictate a course of action other than an arrest. The standards for determining who is the predominant physical aggressor shall be based on the following considerations: (i) who was the first aggressor, (ii) the protection of the health and safety of the person to whom the protective order was issued and the person's family and household members, (iii) prior acts of violence, force, or threat, as defined in § 19.2-152.7:1, by the person against whom the protective order was issued against the person protected by the order or the protected person's family or household members, (iv) the relative severity of the injuries inflicted on persons involved in the incident, (v) whether any injuries were inflicted in self-defense, (vi) witness statements, and (vii) other observations.

D. Regardless of whether an arrest is made, the officer shall file a written report with his department, which shall state whether any arrests were made, and if so, the number of arrests, specifically including any incident in which he has probable cause to believe family abuse has occurred, and, where required, including a complete statement in writing that there are special circumstances that would dictate a course of action other than an arrest. The officer shall provide the allegedly abused person or the person protected by an order issued pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, both orally and in writing, information regarding the legal and community resources available to the allegedly abused person or person protected by the order. Upon request of the allegedly abused person or person protected by the order, the department shall make a summary of the report available to the allegedly abused person or person protected by the order.

E. In every case in which a law-enforcement officer makes an arrest under this section for a violation of § 18.2-57.2, he shall petition for an emergency protective order as authorized in § 16.1-253.4 when the person arrested and taken into custody is brought before the magistrate, except if the person arrested is a minor, a petition for an emergency protective order shall not be required. Regardless of whether an arrest is made, if the officer has probable cause to believe that a danger of acts of family abuse exists, the law-enforcement officer shall seek an emergency protective order under § 16.1-253.4, except if the suspected abuser is a minor, a petition for an emergency protective order shall not be required.

F. A law-enforcement officer investigating any complaint of family abuse, including but not limited to assault and battery against a family or household member shall, upon request, transport, or arrange for the transportation of an abused person to a hospital or safe shelter, or to appear before a magistrate. Any local law-enforcement agency may adopt a policy requiring an officer to transport or arrange for transportation of an abused person as provided in this subsection.

G. The definition of "family or household member" in § 16.1-228 applies to this section.

H. As used in this section, a "law-enforcement officer" means (i) any full-time or part-time employee of a police department or sheriff's office which is part of or administered by the Commonwealth or any political subdivision thereof, and any campus police officer appointed under Chapter 17 (§ 23-232 et seq.) of Title 23, and who is responsible for the prevention and detection of crime and the enforcement of the penal, traffic or highway laws of this Commonwealth ~~and~~; (ii) any member of an auxiliary police force established pursuant to § 15.2-1731; and (iii) any special conservator of the peace who meets the certification requirements for a law-enforcement officer as set forth in § 15.2-1706. Part-time employees are compensated officers who are not full-time employees as defined by the employing police department or sheriff's office.

CHAPTER 780

An Act to amend the Code of Virginia by adding a section numbered 15.2-1627.5, relating to local multidisciplinary child sexual abuse response teams.

[H 334]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

- 1. That the Code of Virginia is amended by adding a section numbered 15.2-1627.5 as follows:**
§ 15.2-1627.5. Coordination of multidisciplinary response to child sexual abuse.

A. The attorney for the Commonwealth in each jurisdiction in the Commonwealth shall establish a multidisciplinary child sexual abuse response team, which may be an existing multidisciplinary team. The multidisciplinary team shall conduct regular reviews of new and ongoing reports of felony sex offenses in the jurisdiction involving a child and the investigations thereof and, at the request of any member of the team, may conduct reviews of any other reports of child abuse and neglect or sex offenses in the jurisdiction involving a child and the investigations thereof. The multidisciplinary team shall meet frequently enough to ensure that no new or ongoing reports go more than 60 days without being reviewed by the team.

B. The following individuals, or their designees, shall participate in review meetings of the multidisciplinary team: the attorney for the Commonwealth; law-enforcement officials responsible for the investigation of sex offenses involving a child in the jurisdiction; a representative of the local child protective services unit; a representative of a child advocacy center serving the jurisdiction, if one exists; and a representative of an Internet Crimes Against Children task force affiliate agency serving the jurisdiction, if one exists. In addition, the attorney for the Commonwealth may invite other individuals, or their designees, including the school superintendent of the jurisdiction; a representative of any sexual assault crisis center serving the jurisdiction, if one exists; the director of the victim/witness program serving the jurisdiction, if one exists; and a health professional knowledgeable in the treatment and provision of services to children who have been sexually abused.

2. That the provisions of this act shall become effective on July 1, 2015.

3. That the Department of Criminal Justice Services shall disseminate sample guidelines for protocols, procedures, and memoranda of understanding for multidisciplinary child sexual abuse response teams that may be implemented by such teams.

CHAPTER 781

An Act to amend and reenact § 54.1-2603 of the Code of Virginia, relating to school speech-language pathologists; licensure.

[H 373]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 54.1-2603 of the Code of Virginia is amended and reenacted as follows:

§ 54.1-2603. License required.

A. In order to practice audiology or speech pathology, it shall be necessary to hold a valid license.

B. Notwithstanding the provisions of subdivision 2 of § 54.1-2601 ~~or any Board regulation~~, the Board of Audiology and Speech-Language Pathology ~~shall~~ *may* license, as school speech-language pathologists, ~~persons licensed by the Board of Education with an endorsement in speech-language pathology and any person who holds a master's degree in speech-language pathology.~~ The Board of Audiology and Speech-Language Pathology shall issue licenses to such persons without examination, upon review of credentials and payment of an application fee in accordance with regulations of the Board for school speech-language pathologists.

Persons holding such licenses as school speech-language pathologists, without examination, shall practice solely in public school divisions; holding a license as a school speech-language pathologist pursuant to this section shall not authorize such persons to practice outside the school setting or in any setting other than the public schools of the Commonwealth, unless such individuals are licensed by the Board of Audiology and Speech-Language Pathology to offer to the public the services defined in § 54.1-2600.

The Board shall issue ~~persons, holding dual licenses from the Board of Education with an endorsement in speech-language pathology and from the Board of Audiology and Speech-Language Pathology~~ *any person licensed as a school speech-language pathologist, pathologist* a license ~~which~~ *that* notes the limitations on practice set forth in this subsection.

Persons who hold licenses issued by the Board of Audiology and Speech-Language Pathology without these limitations shall be exempt from the requirements of this subsection.

2. That, effective July 1, 2014, the Virginia Board of Education shall no longer issue or renew licenses with an endorsement in speech-language pathology.

3. That, effective July 1, 2015, in order to practice speech-language pathology in Virginia public elementary and secondary schools, an individual shall hold a valid school speech-language pathologist license issued by the Virginia Board of Audiology and Speech-Language Pathology.

4. That any individual who holds an active, renewable license issued by the Virginia Board of Education with a valid endorsement in speech-language pathology on June 30, 2014, shall be deemed qualified to obtain a school speech-language pathologist license from the Virginia Board of Audiology and Speech-Language Pathology until July 1, 2016, or the date of expiration of such person's license issued by the Virginia Board of Education, whichever is later. Any person deemed qualified to obtain a school speech-language pathologist license under this enactment clause shall submit an application form to the Board of Audiology and Speech-Language Pathology to obtain such license. The Virginia Board of Audiology and Speech-Language Pathology shall issue such licenses beginning July 1, 2014, upon receipt of a completed application and provided that no grounds exist for denial.

CHAPTER 782

An Act to amend the Code of Virginia by adding a section numbered 18.2-67.7:1, relating to admission of prior sex offenses into evidence in child sex crime cases.

[H 403]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:**1. That the Code of Virginia is amended by adding a section numbered 18.2-67.7:1 as follows:****§ 18.2-67.7:1. Evidence of similar crimes in child sexual offense cases.**

A. In a criminal case in which the defendant is accused of a felony sexual offense involving a child victim, evidence of the defendant's conviction of another sexual offense or offenses is admissible and may be considered for its bearing on any matter to which it is relevant.

B. The Commonwealth shall provide to the defendant 14 days prior to trial notice of its intention to introduce copies of final orders evidencing the defendant's qualifying prior criminal convictions. Such notice shall include (i) the date of each prior conviction, (ii) the name and jurisdiction of the court where each prior conviction was obtained, and (iii) each offense of which the defendant was convicted. Prior to commencement of the trial, the Commonwealth shall provide to the defendant photocopies of certified copies of the final orders that it intends to introduce.

C. This section shall not be construed to limit the admission or consideration of evidence under any other section or rule of court.

D. For purposes of this section, "sexual offense" means any offense or any attempt or conspiracy to engage in any offense described in Article 7 (§ 18.2-61 et seq.) of Chapter 4 or § 18.2-370, 18.2-370.01, or 18.2-370.1 or any substantially similar offense under the laws of another state or territory of the United States, the District of Columbia, or the United States.

E. Evidence offered in a criminal case pursuant to the provisions of this section shall be subject to exclusion in accordance with the Virginia Rules of Evidence, including but not limited to Rule 2:403.

CHAPTER 783

An Act to amend and reenact § 47.1-23 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 47.1-15.1, relating to prohibitions on notary advertising; penalties.

[H 492]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:**1. That § 47.1-23 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 47.1-15.1 as follows:****§ 47.1-15.1. Additional prohibition on advertising; penalties.**

A. A notary public shall not offer or provide legal advice on immigration or other legal matters, or represent any person in immigration proceedings, unless such notary public is authorized or licensed to practice law in the Commonwealth or is accredited pursuant to 8 C.F.R. § 292.2 to practice immigration law or represent persons in immigration proceedings.

B. A notary public shall not assume, use, or advertise the title of "notario," "notario publico," or "licenciado," or a term in a language other than English that indicates in such language that the notary is authorized to provide legal advice or practice law, unless such notary public is authorized or licensed to practice law in Virginia.

C. Any person who violates the provisions of subsection B is subject to a civil penalty not to exceed \$500 for a first violation and a civil penalty not to exceed \$1,000 for a second or subsequent violation. All penalties arising under this section shall be recovered in a civil action brought by the Attorney General in the name of the Commonwealth and the proceeds shall be deposited into the Legal Aid Services Fund established in § 17.1-278.

D. Nothing in this section shall preempt or preclude additional civil, administrative, or criminal penalties authorized by law.

§ 47.1-23. Grounds for removal from office.

The Secretary may revoke the commission of any notary who:

1. Submits or has submitted an application for commission and appointment as a notary public which contains a substantial and material misstatement of fact;

2. Is convicted or has been convicted of any felony under the laws of the United States or this Commonwealth, or the laws of any other state, unless the notary has been pardoned for such offense, has had his conviction vacated by a granting of a writ of actual innocence, or has had his rights restored;

3. Is found to have committed official misconduct by a proceeding as provided in Chapter 5 (§ 47.1-24 et seq.);

4. Fails to exercise the powers or perform the duties of a notary public in accordance with this title, provided that if a notary is adjudged liable in any court of the Commonwealth in any action grounded in fraud, misrepresentation,

impersonation, or violation of the notary laws of the Commonwealth, such notary shall be presumed removable under this section;

5. Performs a prohibited act pursuant to § 47.1-15 or 47.1-15.1;
6. Is convicted of the unauthorized practice of law pursuant to § 54.1-3904, or is a licensed attorney at law whose license is suspended or revoked;
7. Ceases to be a legal resident of the United States;
8. Becomes incapable of reading or writing the English language;
9. Is adjudicated mentally incompetent; or
10. Fails to keep the official physical seal, journal, or device, coding, disk, certificate, card, software, or passwords used to affix the notary's official electronic signature or seal under the exclusive control of the notary when not in use.

CHAPTER 784

An Act to amend and reenact §§ 16.1-106, 55-79.80:2, and 55-513 of the Code of Virginia, relating to the Condominium and Property Owners' Association Acts; rule enforcement.

[H 791]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 16.1-106, 55-79.80:2, and 55-513 of the Code of Virginia are amended and reenacted as follows:

§ 16.1-106. Appeals from courts not of record in civil cases.

From any order entered or judgment rendered in a court not of record in a civil case in which the matter in controversy is of greater value than \$50, exclusive of interest, any attorney fees contracted for in the instrument, and costs, or when the case involves the constitutionality or validity of a statute of the Commonwealth, or of an ordinance or bylaw of a municipal corporation, or of the enforcement of rights and privileges conferred by the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), or of a protective order pursuant to § 19.2-152.10, *or of an action filed by a condominium unit owners' association or unit owner pursuant to § 55-79.80:2, or of an action filed by a property owners' association or lot owner pursuant to § 55-513*, there shall be an appeal of right, if taken within 10 days after such order or judgment, to a court of record. Such appeal shall be to a court of record having jurisdiction within the territory of the court from which the appeal is taken and shall be heard de novo.

The court from which an appeal is sought may refuse to suspend the execution of a judgment that refuses, grants, modifies, or dissolves an injunction in a case brought pursuant to § 2.2-3713 of the Virginia Freedom of Information Act. A protective order issued pursuant to § 19.2-152.10, including a protective order required by § 18.2-60.4, shall remain in effect upon petition for or the pendency of an appeal or writ of error unless ordered suspended by the judge of a circuit court or so directed in a writ of supersedeas by the Court of Appeals or the Supreme Court.

§ 55-79.80:2. Suspension of services for failure to pay assessments; corrective action; assessment of charges for violations; notice; hearing; adoption and enforcement of rules.

A. The unit owners' association shall have the power, to the extent the condominium instruments or rules duly adopted pursuant thereto expressly so provide, to (i) suspend a unit owner's right to use facilities or services, including utility services, provided directly through the unit owners' association for nonpayment of assessments which are more than 60 days past due, to the extent that access to the unit through the common elements is not precluded and provided that such suspension shall not endanger the health, safety, or property of any unit owner, tenant, or occupant and (ii) assess charges against any unit owner for any violation of the condominium instruments or of the rules or regulations promulgated pursuant thereto for which such unit owner or his family members, tenants, guests or other invitees are responsible.

B. Before any ~~such suspension or charges may be imposed~~ *action authorized in this section is taken*, the unit owner shall be given a reasonable opportunity to correct the alleged violation after written notice of the alleged violation to the unit owner at the address required for notices of meetings pursuant to § 55-79.75. *If the violation remains uncorrected, the unit owner shall be given an opportunity to be heard and to be represented by counsel before the executive organ or such other tribunal as the condominium instruments or rules duly adopted pursuant thereto specify.*

Notice of such hearing, including the ~~charges or other sanctions~~ *actions that may be imposed taken by the unit owners' association in accordance with this section*, shall, at least 14 days in advance thereof, be hand delivered or mailed by registered or certified United States mail, return receipt requested, to such unit owner at the address ~~or addresses~~ required for notices of meetings pursuant to § 55-79.75. Within seven days of the hearing, the hearing result shall be hand delivered or mailed by registered or certified mail, return receipt requested, to such unit owner at the address required for notices of meetings pursuant to § 55-79.75.

C. The amount of any charges so assessed shall not exceed \$50 for a single offense, or \$10 per diem for any offense of a continuing nature, and shall be treated as an assessment against such unit owner's condominium unit for the purpose of § 55-79.84. However, the total charges for any offense of a continuing nature shall not be assessed for a period exceeding 90 days.

D. The unit owners' association may file or defend legal action in general district or circuit court that seeks relief, including injunctive relief, arising from any violation of the condominium instruments or duly adopted rules and regulations.

E. After the date a lawsuit is filed in the general district or circuit court by (i) the unit owners' association, by and through its counsel to collect the charges; or obtain injunctive relief and correct the violation or (ii) the unit owner challenging any such charges, no additional charges shall accrue.

If the court rules in favor of the unit owners' association, it shall be entitled to collect such charges from the date the action was filed as well as all other charges assessed pursuant to this section against the unit owner prior to the action. In addition, if the court finds that the violation remains uncorrected, the court may order the unit owner to abate or remedy the violation.

In any suit filed in general district court pursuant to this section, the court may enter default judgment against the unit owner on the unit owners' association's sworn affidavit.

~~C. F.~~ This section shall not be construed to prohibit the grant, by the condominium instruments, of other powers and responsibilities to the unit owners' association or its executive organ.

§ 55-513. Adoption and enforcement of rules.

A. Except as otherwise provided in this chapter, the board of directors shall have the power to establish, adopt, and enforce rules and regulations with respect to use of the common areas and with respect to such other areas of responsibility assigned to the association by the declaration, except where expressly reserved by the declaration to the members. Rules and regulations may be adopted by resolution and shall be reasonably published or distributed throughout the development. A majority of votes cast, in person or by proxy, at a meeting convened in accordance with the provisions of the association's bylaws and called for that purpose; shall repeal or amend any rule or regulation adopted by the board of directors. Rules and regulations may be enforced by any method normally available to the owner of private property in Virginia, including, but not limited to, application for injunctive relief or *actual* damages, during which the court may award to the ~~association~~ *prevailing party* court costs and reasonable attorney fees.

B. The board of directors shall also have the power, to the extent the declaration or rules and regulations duly adopted pursuant thereto expressly so provide, to (i) suspend a member's right to use facilities or services, including utility services, provided directly through the association for nonpayment of assessments which are more than 60 days past due, to the extent that access to the lot through the common areas is not precluded and provided that such suspension shall not endanger the health, safety, or property of any owner, tenant, or occupant and (ii) assess charges against any member for any violation of the declaration or rules and regulations for which the member or his family members, tenants, guests, or other invitees are responsible.

~~C. Before any such charges or suspension may be imposed~~ *action authorized in this section is taken*, the member shall be given a reasonable opportunity to correct the alleged violation after written notice of the alleged violation to the member at the address required for notices of meetings pursuant to § 55-510. *If the violation remains uncorrected, the member shall be given an opportunity to be heard and to be represented by counsel before the board of directors or other tribunal specified in the documents.*

Notice of a hearing, including the ~~charges or other sanctions~~ *actions* that may be ~~imposed~~ *taken by the association in accordance with this section*, shall be hand delivered or mailed by registered or certified mail, return receipt requested, to the member at the address of record with the association at least 14 days prior to the hearing. Within seven days of the hearing, the hearing result shall be hand delivered or mailed by registered or certified mail, return receipt requested, to the member at the address of record with the association.

D. The amount of any charges so assessed shall not be limited to the expense or damage to the association caused by the violation, but shall not exceed \$50 for a single offense or \$10 per day for any offense of a continuing nature and shall be treated as an assessment against the member's lot for the purposes of § 55-516. However, the total charges for any offense of a continuing nature shall not be assessed for a period exceeding 90 days.

E. The board of directors may file or defend legal action in general district or circuit court that seeks relief, including injunctive relief arising from any violation of the declaration or duly adopted rules and regulations.

F. After the date a lawsuit is filed in the general district or circuit court by (i) the association, by and through its counsel, to collect the charges; or obtain injunctive relief and correct the violation or (ii) the lot owner challenging any such charges, no additional charges shall accrue. If the court rules in favor of the association, it shall be entitled to collect such charges from the date the action was filed as well as all other charges assessed pursuant to this section against the lot owner prior to the action. In addition, if the court finds that the violation remains uncorrected, the court may order the unit owner to abate or remedy the violation.

G. In any suit filed in general district court pursuant to this section, the court may enter default judgment against the lot owner on the association's sworn affidavit.

CHAPTER 785

An Act to amend and reenact §§ 58.1-1814 and 58.1-3907 of the Code of Virginia, relating to use of automated sales suppression devices; penalty.

[H 829]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 58.1-1814 and 58.1-3907 of the Code of Virginia are amended and reenacted as follows:

§ 58.1-1814. Criminal liability for failure to file returns or keep records.

A. Any corporate or partnership officer, as defined in § 58.1-1813, and any other person required by law or regulations made under authority thereof to make a return, keep any records or supply any information, for the purpose of the computation, assessment or collection of any state tax administered by the Department of Taxation, who willfully fails to make such returns, keep such records or supply such information, at the time or times required by law or regulations, shall, in addition to any other penalties provided by law, be guilty of a Class 1 misdemeanor.

B. *Any person who willfully utilizes a device or software to falsify the electronic records of cash registers or other point-of-sale systems or otherwise manipulates transaction records that affect any state tax liability shall, in addition to any other penalties provided by law, be guilty of a Class 1 misdemeanor.*

C. *In addition to the criminal penalty provided in subsection B and any other civil or criminal penalty provided in this title, any person violating subsection B shall pay a civil penalty of \$20,000, to be assessed and collected by the Department as other taxes are collected and deposited into the general fund.*

§ 58.1-3907. Willful failure to collect and account for tax; penalty.

A. Any corporate or partnership officer as defined in § 58.1-3906, or any other person required to collect, account for and pay over any local admission, transient occupancy, food and beverage, daily rental property or cigarette taxes administered by the commissioner of the revenue or other authorized officer, who willfully fails to collect or truthfully account for and pay over such tax, and any such officer or person who willfully evades or attempts to evade any such tax or the payment thereof, shall, in addition to any other penalties provided by law, be guilty of a Class 1 misdemeanor.

B. *Any person who willfully utilizes a device or software to falsify the electronic records of cash registers or other point-of-sale systems or otherwise manipulates transaction records that affect any local tax liability shall, in addition to any other penalties provided by law, be guilty of a Class 1 misdemeanor.*

C. *In addition to the criminal penalty provided in subsection B and any other civil or criminal penalty provided in this title, any person violating subsection B shall pay a civil penalty of \$20,000, to be assessed by the commissioner of the revenue and collected by the treasurer as other local taxes are collected and deposited into the treasury of the political subdivision of the Commonwealth served by the treasurer.*

D. Any criminal case brought pursuant to this section may be prosecuted by either the attorney for the Commonwealth or other attorney charged with the responsibility for prosecution of a violation of local ordinances.

CHAPTER 786

An Act to amend and reenact §§ 1.02, 2.01, 2.03, and 2.04, as amended, §§ 2.09, 2.10, 2.11, and 2.12, § 2.16, as amended, §§ 2.23, 2.24, 2.25, and 2.27, §§ 2.28, 2.31, and 2.32, as amended, § 3.19, §§ 3.20 and 3.21, as amended, § 4.01, § 4.06, as amended, § 4.10, §§ 6.02 and 7.01, as amended, and §§ 7.03, 7.10, 7.11, and 7.14 of Chapter 240 of the Acts of Assembly of 1954, which provided a charter for the Town of Christiansburg, and to repeal §§ 7.04, 7.06, 7.07, and 7.08 of Chapter 240 of the Acts of Assembly of 1954, relating to boundaries, town council, and town officers and powers.

[H 866]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 1.02, 2.01, 2.03, and 2.04, as amended, §§ 2.09, 2.10, 2.11, and 2.12, § 2.16, as amended, §§ 2.23, 2.24, 2.25, and 2.27, §§ 2.28, 2.31, and 2.32, as amended, § 3.19, §§ 3.20 and 3.21, as amended, § 4.01, § 4.06, as amended, § 4.10, §§ 6.02 and 7.01, as amended, and §§ 7.03, 7.10, 7.11, and 7.14 of Chapter 240 of the Acts of Assembly of 1954 are amended and reenacted as follows:

§ 1.02. The boundaries.

The present boundaries of the town are as set forth in ~~annexation orders~~ *a voluntary boundary adjustment effective at midnight on the thirtieth day of April, 2009, entered on the ninth tenth day of October, 1974 April, 2009, and of record in Chancery Order book No. 39, page 442, et seq. as Order Instrument No. 2009023593 and 2009023717 and Deed Instrument No. 2009003478 of the Clerk's Office of the Circuit Court of Montgomery County, Virginia, and are incorporated herein by reference thereto. Future annexation orders and voluntary boundary adjustments as appropriately approved and recorded in the Clerk's Office of the Circuit Court of Montgomery County, Virginia, shall act to amend these boundaries of the Town upon their effective dates and times.*

§ 2.01. Vesting of administration and government in council; composition of council; election and term of council members; council to be continuing body; vacancies in council.

The administration and government of the town is vested in the council composed of a mayor and six councilmen, all of whom shall be electors of the town.

(a) The council shall be elected in the manner provided by law. Three council members shall be elected on the November 2011 general election date and every four years thereafter. A mayor and three other council members shall be elected on the November 2013 general election date and every four years thereafter.

Terms of office shall begin on the first day of January next following their election. Each council member and the mayor elected as hereinabove provided shall serve for the term stated or until his successor has been elected and qualified. The council shall be a continuing body, and no measure pending before such body shall abate or be discontinued by reason of expiration of term of office or removal of any of its members.

(b) Vacancy in the council or in the office of mayor shall be filled within ~~sixty~~ *forty-five* days, for the unexpired term, by a majority vote of the remaining members *for the remainder of the unexpired term or until a special election as required by the Code of Virginia; provided, that if the term of office to be filled does not expire for two years or more after the next regular election for council member, following such vacancy and such vacancy occurs in time to permit it, then the council shall fill such vacancy only for the period then remaining until such election, and should a majority of the remaining members of Council fail to agree or act, the appointment may be made by the circuit court until a qualified person shall then* be elected by the qualified voters and shall from and after the date of his election and qualification succeed such appointee and serve the unexpired term *as required by the Code of Virginia*. The number of candidates for council equal to the number of vacancies to be filled for full terms receiving the highest number of votes shall be entitled to such full terms ~~and the candidate receiving the next highest number of votes shall be entitled to the unexpired term caused by such vacancy.~~

(c) Notwithstanding any provisions of law to the contrary, any person shall be qualified to fill a vacancy on council or as mayor who is a resident of the town and is a qualified elector therein, except that a member of council shall not be qualified to fill a vacancy as mayor.

§ 2.03. Municipal officers.

The municipal officers of said town shall, in addition to the mayor, consist of treasurer, chief of police, clerk of the town council, town manager and town attorney; and the mayor may appoint such committees of the council as he may see fit, and the council may create such boards and departments of town government and administration with such powers and duties and subject to such regulations as it may see fit, consistent with the provisions of this act and the general laws of this State. The said treasurer and clerk may be one and the same person if the council ~~deem~~ *deems* it more expedient.

No employee of the town or either of the officers of treasurer, chief of police, clerk of the town council, town manager or town attorney shall be required at the time of their employment or appointment to be a resident of the town.

§ 2.04. Town manager.

The council of the town may, in its discretion appoint a town manager who may also serve as town engineer. Upon appointment of a town manager, he shall be vested with the administrative and executive powers of the town and shall hold office during the pleasure of the council. He shall receive such compensation as may be fixed by the council. He shall see that within the town the laws, ordinances, resolutions and bylaws of the council are faithfully executed and that the duties of the various other appointed town officers, members of the police, fire and public works departments and all other departments of the town government, are faithfully performed. He shall have power to investigate their acts, have access to all books and documents in their offices and may examine them or their subordinates on oath, but the evidence given by the persons so examined shall not be used against them in any criminal proceedings. He shall attend all meetings of the council *as deemed reasonably practical by council* and recommend for adoption such measures as he may deem expedient. He shall make reports to the council from time to time as to the affairs of the town, keep the council fully advised as to the town's financial condition and its future financial needs. He shall prepare and submit to the council a tentative budget for each fiscal year. The town manager shall perform such other duties as may be prescribed by the council and shall be bonded in such amount as the council may deem necessary.

§ 2.09. ~~Oaths of office~~ *Mayor, councilmen and municipal officers to be sworn in before entering upon duties; duration of oath.*

The mayor, councilmen and all municipal officers of said town shall, before entering upon the duties of their respective offices, be sworn in accordance with the laws of the State of Virginia by anyone authorized to administer oaths under the laws of the State. *Oaths of municipal officers of the town taken upon original appointment shall be considered to remain in effect for the duration of time the municipal officer remains in the respective office and new oaths shall not be required for reappointment of municipal officers to the respective office.*

§ 2.10. Certificate of oath.

When the mayor, councilmen, *town manager*, treasurer, clerk, and ~~sergeant~~ *police chief* take the oaths required of them, duplicate certificates of the court or person administering the same, stating the fact of their having been taken, shall be obtained by the person taking the same and be by him delivered for record as follows: one to the clerk of the circuit court of Montgomery County and one to the clerk of the town council. When any other municipal officer takes the oath required of him, a certificate as aforesaid, shall be secured by him and delivered to the clerk of the town council.

§ 2.11. ~~Neglect of~~ *Effect of neglect to take oath.*

If any person elected or appointed to any office in said town shall neglect to take such oath ~~on or before the day on~~ *within thirty days of taking office or appointment* of which he is to enter upon the discharge of the duties of his office, ~~or shall, for twenty days after the beginning of his term of office, fail to give such bond with such security as may be required of him by the council of said town;~~ he shall be considered as having declined said office, and the same shall be deemed vacant, and such vacancy shall be filled as prescribed in this ~~act~~ *Charter* or by the general laws of this State.

§ 2.12. ~~Surrender of papers and property~~ *Delivery of town property, books and papers to successor in office.*

If any person, having been an officer of said town, shall not within ten days after he shall have vacated or been removed from office, and upon notification of request of the council within such time as it may allow, deliver to his successor in office all property, books and papers belonging to the town or appertaining to such office, in possession or under his control, he shall forfeit and pay to the town a sum not exceeding five hundred dollars, to be sued for and recovered with costs; and all books, records and documents used in any office by virtue of any provision of this ~~act~~ *Charter*, or of any ordinances or order of the town council, or any superior officer of said town, shall be deemed the property of said town and appertaining to said office, and the chief officer thereof shall be held responsible therefor.

§ 2.16. Vacancy in office of mayor.

In case a vacancy shall occur in the office of the mayor, the vacancy shall be filled by the method provided in § 2.01 for filling vacancies *in the council*.

§ 2.23. ~~Replacing of expelled member~~ *Filling vacancy on council when member disqualified or expelled.*

If any member of the council shall be adjudged by the council disqualified or be expelled, under the previous § 2.22, a special election shall be held under the general election laws of the Commonwealth to fill such vacancy, for the unexpired term.

§ 2.24. ~~Absenteeism~~ *Power of council when member voluntarily absent from meetings consecutively for three months; irregular elections.*

If any member of said council be voluntarily absent from its meetings consecutively for three months, his seat may be declared vacant by the council, and the unexpired term filled by appointment as provided in § 2.01 (b).

Where not otherwise provided for by the laws of this State the town council shall by ordinance provide for any irregular elections not herein or by the State laws provided for, and appoint the necessary officers to conduct the same.

§ 2.25. General powers of council; management of municipal and fiscal affairs and of town property.

The town council shall have, subject to the provisions of this ~~act~~ *Charter* and the general laws of this State, the management and control of the fiscal and municipal affairs of the town, and of all property, real and personal, belonging to the town.

§ 2.27. *Same; as to ordinances and bylaws, taxes and licenses, appointment of officers, etc.*

For carrying into effect the powers granted by this ~~act~~ *Charter* and the general laws of this State, the town council may make ordinances and by-laws, and prescribe fines and other punishments for violation thereof, levy taxes and licenses, keep town guard, appoint a collector of taxes and levies, and such other officers as they may deem proper, define their powers, prescribe their duties and compensation, and take from any of them a bond, with surety, in such penalty as the council may deem proper, payable to the town by its corporate name, and with condition for the faithful discharge of the said duties.

§ 2.28. Clerk of the council.

The clerk of the council shall be appointed by ~~the town council~~, and shall attend the meetings of the council and shall keep permanent records of its proceedings; and also keep such other papers, documents and records pertaining to the town as may be determined by the council; he shall be custodian of the town seal and shall affix it to all documents and instruments requiring the seal, and shall attest the same; he shall give notice to all parties, presenting petitions or communications; he shall give to the proper department or officials ample notice of the expiration or termination of any franchise, contract or ~~agreements~~ *agreement*; he shall publish such records and ordinances as the council is required to publish, and such other records and ordinances as it may direct; he shall upon final passage transmit to the proper departments or officials copies of all ordinances or resolutions of the council relating in any way to such departments or to the duties of such officials, and he shall perform such other acts and duties as the council may, from time to time, allow or require.

§ 2.31. Chief of police.

The town council shall have the power and authority to appoint a chief of police and to provide for the employment of such additional police officers and ~~privates~~ *other support staff* as it may deem necessary or proper, to prescribe rules and regulations for the government thereof, to prescribe their ~~rate of pay~~ *structure*; and in addition thereto the mayor, or in his absence, the vice-mayor, or in the absence of both, any councilman, shall have the power and authority whenever the regular police force of the town is inadequate to meet the needs of the occasion, to appoint and swear in such additional or special policemen as he may deem requisite for a term of service not to exceed ten days and at such compensation as the council may fix for special policemen. The duties and powers of such special policemen shall be the same as that of ~~private patrol~~ *officer* of the regular police force.

§ 2.32. Police force.

The police force shall be under the control of the town manager, and during any time that the office of *the* town manager is not filled, or in the absence of the town manager, under the control of the mayor, for the purpose of enforcing peace and order and executing the laws of the state and ordinances of the town. They shall perform such other duties as the

council may prescribe. For the purpose of enabling them to execute their duties, each policeman is hereby invested with all the power and authority which belongs to the office of the constable at common law in criminal cases.

§ 3.19. *Execution of bonds, etc.*

All bonds, and other evidences of indebtedness of the town, shall be signed by the Mayor and countersigned by the clerk of the council, who shall affix the corporate seal of the town and attest the same.

§ 3.20. *Sinking funds.*

(a) There shall be set apart from the revenues of the town an annual amount to be covered into a sinking fund sufficient to pay, at or before maturities, all outstanding bonded indebtedness of the town. This does not include so-called short term obligations of the town. The council may, in its discretion, annually, from time to time, set aside such additional sinking funds for equipment and capital improvements as it may deem advisable.

(b) All sinking funds set aside for the payment of the bonded indebtedness of the town shall be used exclusively in the payment or purchase and redemption of such outstanding bonds. When any sinking funds are not immediately needed for the purpose for which they were provided, they may be invested in securities as provided for by § 26-40 *the Public Finance Act* (§ 15.2-2600 *et seq.*) of the Code of Virginia under the then existing laws of the Commonwealth of Virginia for public sinking funds, to such extent as the council shall deem proper or expedient.

§ 3.21. *Annual audit of financial records; fiscal year.*

The council shall have the financial records of the town audited by a certified public accountant ~~biannually~~ *annually*, as soon after the close of the fiscal year as is practicable or at any other time deemed necessary by the council. The fiscal year begins ~~September one of each year~~ and ends ~~August thirty-one of the following year~~ *in accordance with the Code of Virginia*.

~~The town council may, by resolution, change the fiscal year where it would seem to be to the best interest of the town.~~

§ 4.01. *Town plan generally; subdivision.*

The town is empowered to make and adopt a comprehensive plan for the town, and to that end all plats and replats hereafter made subdividing any land within ~~two miles~~ of its corporate limits into streets, alleys, roads and lots or tracts shall be submitted to and approved by the council within such limitations as they may prescribe before such plats or replats are filed for record or recorded in the office of the clerk of the circuit court of Montgomery County, Virginia.

The town council shall have the authority to require real estate subdividers within the corporate limits of the town to construct, at the subdividers' expense, water mains, sewer mains, streets, drainage, sidewalks, curbs and gutters. Such construction ~~to~~ shall be as prescribed by and under the direction of the town council.

The town council shall have the authority to negotiate with subdividers without the corporate limits as to the construction of water mains, sewer mains, and as to water and sewer service.

§ 4.06. *Waterworks, sewage disposal facilities, etc.; eminent domain.*

(a) The town council shall have the power and authority to acquire or otherwise obtain control of, or establish, maintain, operate, extend and enlarge waterworks, sewerage systems and treatment facilities, gasworks, electric plants, airports and other public utilities within or without the limits of the town; to acquire within or without the limits of the town by purchase, or otherwise, whatever land may be necessary for acquiring, locating, establishing, maintaining, operating, extending and enlarging said waterworks, electric plants, airports, and other utilities, and rights of way, rails, pipes, manholes, poles, conduits and wires connected therewith; establish rates, rules and regulations for all public utilities operated by the town, any or all of which rates, rules and regulations the council may alter at any time without notice. The town council may, by ordinance, prohibit the waste and unnecessary use of water.

(b) The town of Christiansburg may exercise the power of eminent domain with respect to land and improvements thereon, machinery and equipment, for any lawful purposes of said town.

The powers set forth in §§ ~~15.1-837 through 15.1-915~~ *inclusive of Chapter 18 of Title 15.1* ~~Chapter 11~~ (§ 15.2-1100 *et seq.*) of Title 15.2 of the Code of Virginia as in force on ~~January 1, 1968~~, the date of the enactment of this charter are hereby conferred on and vested in the town of Christiansburg. In addition, the town of Christiansburg shall have the powers set forth in §§ ~~33-70.1 33.1-119 through 33-70.1+ 33.1-129~~ of the Code of Virginia. When certificates are issued pursuant to §§ ~~33-70.1 33.1-119 through 33-70.1+ 33.1-129~~, inclusive, of the Code of Virginia, as amended, and acts amendatory thereof and supplemental thereto, they may be issued by the town council, signed by the town manager, or the mayor, and countersigned by the town treasurer. Such certificate shall have the same effect as a certificate issued by the ~~State Highway~~ *Commissioner of the Virginia Department of Transportation* under the aforesaid laws, and may be issued in any case in which the town proposes to acquire property of any kind by the exercise of its powers of eminent domain for any lawful public purpose, whether within or without the town; provided, that the provisions of §§ ~~33-70.1 33.1-119 through 33-70.1+ 33.1-129~~, inclusive, of the Code of Virginia shall not be used except for the acquisition of lands or easements necessary for streets, water, sewer or utility pipes or lines or related facilities.

§ 4.10. *Grade of streets, sidewalks, etc.; permits for street openings.*

The town council shall have the exclusive authority to determine the grades for all streets, sidewalks, curbs, gutters and alleys not in conflict with the ~~State~~ *Virginia* Department of ~~Highways~~ *Transportation*, and shall have the right to require permits for, and control of any opening in any street under its jurisdiction.

§ 6.02. *Connection with and use of town sewer or water pipe lines.*

The town council shall have the power and authority to require the owners or occupiers of the real estate within the corporate limits of the town to use such sewer pipes and conduits and water furnished by the town under such ordinances

and regulations as the council may deem necessary to secure the proper sewerage thereof and to improve and secure good sanitary conditions; and shall have the power to enforce the observance of all such ordinances and regulations by the imposition and collection of fines and penalties, to be collected as other fines and penalties, under the provisions of this ~~aet~~ Charter.

§ 7.01. *Contracts for erection of public improvements and buildings; interest of council members in contracts.*

All contracts for the erection of public improvements and buildings within the jurisdiction of the town ~~where the estimated cost thereof exceeds three thousand dollars shall be in compliance with the Code of Virginia~~, and in all cases where practicable, shall be let to the lowest responsible bidder, all things considered, and the party to whom any contract is let shall give bond as the council may require, but in no event shall any contract be let to any member of the town council, nor shall any member have any interest in such contract.

§ 7.03. *Protection of persons and property and preservation of peace and order.*

The town council shall have the power and authority to protect the persons and property of the inhabitants of the town and others within the town, restrain and punish drunkards, vagrants and street beggars; to prevent vice and immorality; to preserve the public peace and good order; to prevent and quell riots, disturbances and disorderly assemblages; to suppress houses of ill fame and gambling houses; to prevent and punish lewd or indecent conduct or exhibitions in the town; ~~and to expel therefrom persons guilty of such conduct who have not resided therein as much as one year~~; and for any violation of such ordinances may impose fines and other punishments in addition to those prescribed by the laws of the State.

§ 7.10. *Working of prisoners.*

Any person confined in jail as provided in this charter or for violations of town ordinances, *the Code of Virginia*, or *federal laws* may be required to work on the streets and public works of said town during the time of confinement. ~~Any person refusing so to work may be subjected to solitary confinement with a diet of bread and water for a period not exceeding thirty-six hours.~~

§ 7.11. *Continuation of existing ordinances.*

All ordinances now in force in the town of Christiansburg, not inconsistent with this ~~aet~~ Charter, shall be and remain in force until altered, amended or repealed by the town council.

§ 7.14. *Title of Charter.*

This ~~aet~~ Charter may for all purposes be referred to or cited as the Christiansburg Charter of 1954, *as amended*.

2. That §§ 7.04, 7.06, 7.07, and 7.08 of Chapter 240 of the Acts of Assembly of 1954 are repealed.

CHAPTER 787

An Act to amend and reenact § 4.1-213 of the Code of Virginia, relating to alcoholic beverage control; sale of cider.

[H 882]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 4.1-213 of the Code of Virginia is amended and reenacted as follows:

§ 4.1-213. Manufacture and sale of cider.

A. Any winery licensee or farm winery licensee may manufacture and sell cider to (i) the Board, (ii) any wholesale wine licensee, (iii) any retail licensee approved by the Board for the purpose of selling cider, and (iv) persons outside the Commonwealth for resale outside the Commonwealth.

B. Any wholesale wine licensee may acquire and receive shipments of cider, and sell and deliver and ship the cider in accordance with Board regulations to (i) the Board, (ii) any wholesale wine licensee, (iii) any retail licensee approved by the Board for the purpose of selling cider, and (iv) persons outside the Commonwealth for resale outside the Commonwealth.

C. Any licensee authorized to sell alcoholic beverages at retail may sell cider in the same manner and to the same persons, and subject to the same limitations and conditions, as such license authorizes him to sell other alcoholic beverages.

D. Cider containing less than seven percent of alcohol by volume may be sold in any containers that comply with federal regulations for wine or beer, provided such containers are labeled in accordance with Board regulations. Cider containing seven percent or more of alcohol by volume may be sold in any containers that comply with federal regulations for wine, provided such containers are labeled in accordance with Board regulations.

E. No additional license fees shall be charged for the privilege of handling cider.

~~F. F.~~ The Board shall collect such markup as it deems appropriate on all cider manufactured or sold, or both, in the Commonwealth.

~~F. G.~~ The Board shall adopt regulations relating to the manufacture, possession, transportation and sale of cider as it deems necessary to prevent any unlawful manufacture, possession, transportation or sale of cider and to ensure that the markup required to be paid will be collected.

~~G. H.~~ For the purposes of this section:

"Chaptalization" means a method of increasing the alcohol in a wine by adding sugar to the must before or during fermentation.

"Cider" means any beverage, carbonated or otherwise, obtained by the fermentation of the natural sugar content of apples *or pears* (i) containing not more than 10 percent of alcohol by volume without chaptalization or (ii) containing not more than seven percent of alcohol by volume regardless of chaptalization.

I. This section shall not limit the privileges set forth in subdivision A 8 of § 4.1-200, nor shall any person be denied the privilege of manufacturing and selling sweet cider.

CHAPTER 788

An Act to amend and reenact §§ 2.2-309, 2.2-309.1, 2.2-309.3, 2.2-309.4, and 2.2-3705.3 of the Code of Virginia, relating to the Office of the State Inspector General; powers and duties; internal auditors; Virginia Freedom of Information Act.

[H 1053]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.2-309, 2.2-309.1, 2.2-309.3, 2.2-309.4, and 2.2-3705.3 of the Code of Virginia are amended and reenacted as follows:

§ 2.2-309. Powers and duties of State Inspector General.

A. The State Inspector General shall have power and duty to:

1. Operate and manage the Office and employ such personnel as may be required to carry out the provisions of this chapter;
2. Make and enter contracts and agreements as may be necessary and incidental to carry out the provisions of this chapter and apply for and accept grants from the United States government and agencies and instrumentalities thereof, and any other source, in furtherance of the provisions of this chapter;
3. Receive complaints from whatever source that allege fraud, waste, including task or program duplication, abuse, or corruption by a state agency or nonstate agency or by any officer or employee of the foregoing and determine whether the complaints give reasonable cause to investigate;
4. Investigate the management and operations of state agencies ~~and~~ nonstate agencies, *and independent contractors of state agencies* to determine whether acts of fraud, waste, abuse, or corruption have been committed or are being committed by state officers or employees *or independent contractors of a state agency* or any officers or employees of a nonstate agency, including any allegations of criminal acts affecting the operations of state agencies or nonstate agencies. However, no investigation of an elected official of the Commonwealth to determine whether a criminal violation has occurred, is occurring, or is about to occur under the provisions of § 52-8.1 shall be initiated, undertaken, or continued except upon the request of the Governor, the Attorney General, or a grand jury;
5. Prepare a detailed report of each investigation stating whether fraud, waste, abuse, or corruption has been detected. If fraud, waste, abuse, or corruption is detected, the report shall (i) identify the person committing the wrongful act or omission, (ii) describe the wrongful act or omission, and (iii) describe any corrective measures taken by the state agency or nonstate agency in which the wrongful act or omission was committed to prevent recurrences of similar actions;
6. Provide timely notification to the appropriate attorney for the Commonwealth and law-enforcement agencies whenever the State Inspector General has reasonable grounds to believe there has been a violation of state criminal law;
7. Administer the Fraud and Abuse Whistle Blower Reward Fund created pursuant to § 2.2-3014;
8. Oversee the Fraud, Waste and Abuse Hotline;
9. Conduct performance reviews of state agencies *to assess the efficiency, effectiveness, or economy of programs and to ascertain, among other things, that sums appropriated have been or are being expended for the purposes for which the appropriation was made; evaluate the effectiveness of the programs in accomplishing such purpose;* and prepare a report for each performance review detailing any findings or recommendations for improving the efficiency, *effectiveness, or economy* of state agencies, including recommending changes in the law to the Governor and the General Assembly that are necessary to address such findings;
10. Coordinate and require standards for those internal audit programs in existence as of July 1, 2012, and for other internal audit programs in state agencies and nonstate agencies as needed in order to ensure that the Commonwealth's assets are subject to appropriate internal management controls;
11. As deemed necessary, assess the condition of the accounting, financial, and administrative controls of state agencies and nonstate agencies and make recommendations to protect the Commonwealth's assets;
12. Assist agency internal auditing programs with technical auditing issues and coordinate and provide training to the Commonwealth's internal auditors;
13. Assist citizens in understanding their rights and the processes available to them to express concerns regarding the activities of a state agency or nonstate agency or any officer or employee of the foregoing;
14. Maintain data on inquiries received, the types of assistance requested, any actions taken, and the disposition of each such matter;
15. Upon request, assist citizens in using the procedures and processes available to express concerns regarding the activities of a state or nonstate agency or any officer or employee of the foregoing;

16. Ensure that citizens have access to the services provided by the State Inspector General and that citizens receive timely responses to their inquiries from the State Inspector General or his representatives; and

17. Do all acts necessary or convenient to carry out the purposes of this chapter.

B. If the State Inspector General receives a complaint from whatever source that alleges fraud, waste, abuse, or corruption by a public institution of higher education or any of its officers or employees, the State Inspector General shall, *but for reasonable and articulable causes*, refer the complaint to the internal audit department of the public institution of higher education for investigation; ~~unless~~. *However, if the complaint concerns the president of the institution or its internal audit department, in which case the investigation shall be conducted by the State Inspector General. The State Inspector General may provide assistance for investigations as may be requested by the public institution of higher education.*

The public institution of higher education shall provide periodic updates on the status of any investigation and make the results of any such investigation available to the State Inspector General.

§ 2.2-309.1. Additional powers and duties; behavioral health and developmental services.

A. The definitions found in § 37.2-100 shall apply mutatis mutandis to the terms used in this section.

B. In addition to the duties set forth in this chapter, the State Inspector General shall have the following powers and duties to:

1. Provide inspections of and make policy and operational recommendations for state facilities and for providers, including licensed mental health treatment units in state correctional facilities, in order to prevent problems, abuses, and deficiencies in and improve the effectiveness of their programs and services. The State Inspector General shall provide oversight and conduct announced and unannounced inspections of state facilities and of providers, including licensed mental health treatment units in state correctional facilities, on an ongoing basis in response to specific complaints of abuse, neglect, or inadequate care and as a result of monitoring serious incident reports and reports of abuse, neglect, or inadequate care or other information received. The State Inspector General shall conduct unannounced inspections at each state facility at least once annually;

2. Inspect, monitor, and review the quality of services provided in state facilities and by providers as defined in § 37.2-403, including licensed mental health treatment units in state correctional facilities;

3. Access any and all information, including confidential consumer information, related to the delivery of services to consumers in state facilities or served by providers, including licensed mental health treatment units in state correctional facilities. However, the State Inspector General shall not be given access to any proceedings, minutes, records, or reports of providers that are privileged under § 8.01-581.17, except that the State Inspector General shall be given access to any privileged information in state facilities and licensed mental health treatment units in state correctional facilities. All consumer information shall be maintained by the State Inspector General as confidential in the same manner as is required by the agency or provider from which the information was obtained;

4. Keep the General Assembly and the Joint Commission on Health Care fully and currently informed by means of reports required by § 2.2-313 concerning significant problems, abuses, and deficiencies relating to the administration of the programs and services of state facilities and of providers, including licensed mental health treatment units in state correctional facilities, to recommend corrective actions concerning the problems, abuses, and deficiencies, and report on the progress made in implementing the corrective actions;

5. Review, comment on, and make recommendations about, as appropriate, any reports prepared by the Department of Behavioral Health and Developmental Services and the critical incident data collected by the Department of Behavioral Health and Developmental Services in accordance with regulations adopted under § 37.2-400 to identify issues related to quality of care, seclusion and restraint, medication usage, abuse and neglect, staff recruitment and training, and other systemic issues;

6. ~~Monitor~~ *As deemed necessary, monitor, review, and participate in the adoption of comment on regulations adopted by the Board of Behavioral Health and Developmental Services;* and

7. Receive reports, information, and complaints from the Commonwealth's designated protection and advocacy system concerning issues related to quality of care provided in state facilities and by providers, including licensed mental health treatment units in state correctional facilities, and conduct independent reviews and investigations.

§ 2.2-309.3. Additional powers and duties; adult corrections.

A. The definitions found in § 53.1-1 shall apply mutatis mutandis to the terms used in this section.

B. In addition to the duties set forth in this chapter, the State Inspector General shall ~~have the following powers and duties to:~~

~~1. Review~~ *review, comment on, and make recommendations about, as appropriate, any reports prepared by the Department of Corrections and any critical incident data collected by the Department of Corrections in accordance with regulations adopted to identify issues related to quality of care, seclusion and restraint, medication usage, abuse and neglect, staff recruitment and training, and other systemic issues; and*

~~2. Monitor and participate in the adoption of regulations by the Board.~~

C. Nothing in this section shall be construed to grant the Office any authority over the operation and security of local jails that is not specified in other provisions of law.

§ 2.2-309.4. Additional powers and duties; juvenile justice.

A. The definitions found in § 66-12 shall apply mutatis mutandis to the terms used in this section.

B. In addition to the duties set forth in this chapter, the State Inspector General shall ~~have the following powers and duties to:~~

~~1. Review~~ review, comment on, and make recommendations about, as appropriate, any reports prepared by the Department of *Juvenile Justice* and any critical incident data collected by the Department of *Juvenile Justice* in accordance with regulations adopted to identify issues related to quality of care, seclusion and restraint, medication usage, abuse and neglect, staff recruitment and training, and other systemic issues; ~~and~~

~~2. Monitor and participate in the adoption of regulations by the Board.~~

C. Nothing in this section shall be construed to grant the Office any authority over the operation and security of detention homes that is not specified in other provisions of law.

§ 2.2-3705.3. Exclusions to application of chapter; records relating to administrative investigations.

The following records are excluded from the provisions of this chapter but may be disclosed by the custodian in his discretion, except where such disclosure is prohibited by law:

1. Confidential records of all investigations of applications for licenses and permits, and of all licensees and permittees, made by or submitted to the Alcoholic Beverage Control Board, the State Lottery Department, the Virginia Racing Commission, the Department of Agriculture and Consumer Services relating to investigations and applications pursuant to Article 1.1:1 (§ 18.2-340.15 et seq.) of Chapter 8 of Title 18.2, or the Private Security Services Unit of the Department of Criminal Justice Services.

2. Records of active investigations being conducted by the Department of Health Professions or by any health regulatory board in the Commonwealth.

3. Investigator notes, and other correspondence and information, furnished in confidence with respect to an active investigation of individual employment discrimination complaints made to the Department of Human Resource Management or to such personnel of any local public body, including local school boards as are responsible for conducting such investigations in confidence. However, nothing in this section shall prohibit the disclosure of information taken from inactive reports in a form that does not reveal the identity of charging parties, persons supplying the information or other individuals involved in the investigation.

4. Records of active investigations being conducted by the Department of Medical Assistance Services pursuant to Chapter 10 (§ 32.1-323 et seq.) of Title 32.1.

5. Investigative notes and other correspondence and information furnished in confidence with respect to an investigation or conciliation process involving an alleged unlawful discriminatory practice under the Virginia Human Rights Act (§ 2.2-3900 et seq.) or under any local ordinance adopted in accordance with the authority specified in § 2.2-524, or adopted pursuant to § 15.2-965, or adopted prior to July 1, 1987, in accordance with applicable law, relating to local human rights or human relations commissions. However, nothing in this section shall prohibit the distribution of information taken from inactive reports in a form that does not reveal the identity of the parties involved or other persons supplying information.

6. Records of studies and investigations by the State Lottery Department of (i) lottery agents, (ii) lottery vendors, (iii) lottery crimes under §§ 58.1-4014 through 58.1-4018, (iv) defects in the law or regulations that cause abuses in the administration and operation of the lottery and any evasions of such provisions, or (v) the use of the lottery as a subterfuge for organized crime and illegal gambling where such official records have not been publicly released, published or copyrighted. All studies and investigations referred to under clauses (iii), (iv), and (v) shall be open to inspection and copying upon completion of the study or investigation.

7. Investigative notes, correspondence and information furnished in confidence, and records otherwise exempted by this chapter or any Virginia statute, provided to or produced by or for (i) the Auditor of Public Accounts; (ii) the Joint Legislative Audit and Review Commission; (iii) an appropriate authority as defined in § 2.2-3010 with respect to an allegation of wrongdoing or abuse under the Fraud and Abuse Whistle Blower Protection Act (§ 2.2-3009 et seq.); (iv) the Office of the State Inspector General with respect to an investigation initiated through the Fraud, Waste and Abuse Hotline or an investigation initiated pursuant to Chapter 3.2 (§ 2.2-307 et seq.); (v) the committee or the auditor with respect to an investigation or audit conducted pursuant to § 15.2-825; (vi) *internal auditors appointed by the head of a state agency or by any public institution of higher education*; or ~~(vi)~~ (vii) the auditors, appointed by the local governing body of any county, city or town or a school board, who by charter, ordinance, or statute have responsibility for conducting an investigation of any officer, department or program of such body. Records of completed investigations shall be disclosed in a form that does not reveal the identity of the complainants or persons supplying information to investigators. Unless disclosure is prohibited by this section, the records disclosed shall include, but not be limited to, the agency involved, the identity of the person who is the subject of the complaint, the nature of the complaint, and the actions taken to resolve the complaint. If an investigation does not lead to corrective action, the identity of the person who is the subject of the complaint may be released only with the consent of the subject person. Local governing bodies shall adopt guidelines to govern the disclosure required by this subdivision.

8. Information furnished in confidence to the Department of Human Resource Management with respect to an investigation, consultation, or mediation under § 2.2-1202.1, and memoranda, correspondence and other records resulting from any such investigation, consultation or mediation. However, nothing in this section shall prohibit the distribution of information taken from inactive reports in a form that does not reveal the identity of the parties involved or other persons supplying information.

9. The names, addresses and telephone numbers of complainants furnished in confidence with respect to an investigation of individual zoning enforcement complaints or complaints relating to the Uniform Statewide Building Code (§ 36-97 et seq.) or the Statewide Fire Prevention Code (§ 27-94 et seq.) made to a local governing body.

10. Records of active investigations being conducted by the Department of Criminal Justice Services pursuant to Article 4 (§ 9.1-138 et seq.), Article 4.1 (§ 9.1-150.1 et seq.), Article 11 (§ 9.1-185 et seq.), and Article 12 (§ 9.1-186 et seq.) of Chapter 1 of Title 9.1.

11. Records furnished to or prepared by the Board of Education pursuant to subsection D of § 22.1-253.13:3 in connection with the review or investigation of any alleged breach in security, unauthorized alteration, or improper administration of tests by local school board employees responsible for the distribution or administration of the tests. However, this section shall not prohibit the disclosure of records to (i) a local school board or division superintendent for the purpose of permitting such board or superintendent to consider or to take personnel action with regard to an employee or (ii) any requester, after the conclusion of a review or investigation, in a form that (a) does not reveal the identity of any person making a complaint or supplying information to the Board on a confidential basis and (b) does not compromise the security of any test mandated by the Board.

12. Investigator notes, and other correspondence and information, furnished in confidence with respect to an active investigation conducted by or for the Board of Education related to the denial, suspension, or revocation of teacher licenses. However, this subdivision shall not prohibit the disclosure of records to a local school board or division superintendent for the purpose of permitting such board or superintendent to consider or to take personnel action with regard to an employee. Records of completed investigations shall be disclosed in a form that does not reveal the identity of any complainant or person supplying information to investigators. The records disclosed shall include information regarding the school or facility involved, the identity of the person who was the subject of the complaint, the nature of the complaint, and the actions taken to resolve the complaint. If an investigation fails to support a complaint or does not lead to corrective action, the identity of the person who was the subject of the complaint may be released only with the consent of the subject person. No personally identifiable information in the records regarding a current or former student shall be released except as permitted by state or federal law.

13. Records, notes and information provided in confidence and related to an investigation by the Attorney General under Article 1 (§ 3.2-4200 et seq.) or Article 3 (§ 3.2-4204 et seq.) of Chapter 42 of Title 3.2, Article 10 (§ 18.2-246.6 et seq.) of Chapter 6 or Chapter 13 (§ 18.2-512 et seq.) of Title 18.2, or Article 1 (§ 58.1-1000) of Chapter 10 of Title 58.1. However, records related to an investigation that has been inactive for more than six months shall, upon request, be disclosed provided such disclosure is not otherwise prohibited by law and does not reveal the identity of charging parties, complainants, persons supplying information, witnesses or other individuals involved in the investigation.

CHAPTER 789

An Act to amend and reenact § 59.1-442 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 59.1-443.3, relating to the Personal Information Privacy Act; use of driver's license information.

[H 1072]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 59.1-442 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 59.1-443.3 as follows:

§ 59.1-442. Sale of purchaser information; notice required.

A. No merchant, without giving notice to the purchaser, shall sell to any third person information which concerns the purchaser and which is gathered in connection with the sale, rental or exchange of tangible personal property to the purchaser at the merchant's place of business. Notice required by this section may be by the posting of a sign or any other reasonable method. If requested by a purchaser not to sell such information, the merchant shall not do so. No merchant shall sell any information gathered solely as the result of any customer payment by personal check, credit card, or where the merchant records the customer's driver's license number. *This subsection shall not be construed as authorizing a merchant to sell to a third person any information concerning a purchaser if the sale or dissemination of the information is prohibited pursuant to § 59.1-443.3.*

B. For the purposes of this section and § 59.1-443.3, "merchant" means any person or entity engaged in the sale of goods from a fixed retail location in Virginia.

§ 59.1-443.3. Scanning information from driver's license or identification card; retention, sale, or dissemination of information.

A. No merchant may scan the machine-readable zone of a Department of Motor Vehicles-issued identification card or driver's license, except for the following purposes:

1. To verify authenticity of the identification card or driver's license or to verify the identity of the individual if the individual pays for goods or services with a method other than cash, returns an item, or requests a refund or an exchange;

2. To verify the individual's age when providing age-restricted goods or services to the individual if there is a reasonable doubt of the individual having reached 18 years of age or older;

3. To prevent fraud or other criminal activity if the individual returns an item or requests a refund or an exchange and the merchant uses a fraud prevention service company or system. Information collected by scanning an individual's identification card or driver's license pursuant to this subdivision shall be limited to the individual's name, address, date of birth, and driver's license number or identification card number;

4. To comply with a requirement imposed on the merchant by state or federal law;

5. To provide to a check services company regulated by the federal Fair Credit Reporting Act, (15 U.S.C. § 1681 et seq.), that receives information obtained from an individual's identification card or driver's license to administer or enforce a transaction or to prevent fraud or other criminal activity; or

6. To complete a transaction permitted under the Gramm-Leach-Bliley Act, (15 U.S.C. § 6801 et seq.), or the federal Fair Credit Reporting Act, (15 U.S.C. § 1681 et seq.).

B. No merchant shall retain any information obtained from a scan of the machine-readable zone of an individual's identification card or driver's license except as permitted in subdivision A 3, 4, 5, or 6.

C. No merchant shall sell or disseminate to a third party any information obtained from a scan of the machine-readable zone of an individual's identification card or driver's license for any marketing, advertising, or promotional purpose. This subsection shall not prohibit a merchant from disseminating to a third party any such information for a purpose described in subdivision A 3, 4, 5, or 6.

D. Any waiver of a provision of this section is contrary to public policy and is void and unenforceable.

CHAPTER 790

An Act to amend and reenact § 22.1-101.1 of the Code of Virginia, relating to children placed in child-caring institutions or group homes; reimbursement of costs to educate.

[H 1110]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 22.1-101.1 of the Code of Virginia is amended and reenacted as follows:

§ 22.1-101.1. Increase of funds for certain nonresident students; how increase computed and paid; billing of out-of-state placing agencies or persons.

A. To the extent such funds are appropriated by the General Assembly, a school division shall be reimbursed for the cost of educating a child who is not a child with disabilities and who is not a resident of such school division under the following conditions:

1. When such child has been placed in foster care or other custodial care within the geographical boundaries of the school division by a Virginia agency, whether state or local, which is authorized under the laws of this Commonwealth to place children;

2. When such child has been placed within the geographical boundaries of the school division in an orphanage or children's home which exercises legal guardianship rights; or

3. When such child, who is a resident of Virginia, has been placed, not solely for school purposes, in a child-caring institution or group home licensed under the provisions of Chapter 17 (§ 63.2-1700 et seq.) of Title 63.2 which is located within the geographical boundaries of the school division.

B. To the extent such funds are appropriated by the General Assembly, a school division shall be reimbursed for the cost of educating a child with disabilities who is not a resident of such school division under the following conditions:

1. When the child with disabilities has been placed in foster care or other custodial care within the geographical boundaries of the school division by a Virginia agency, whether state or local, which is authorized under the laws of this Commonwealth to place children;

2. When such child with disabilities has been placed within the geographical boundaries of the school division in an orphanage or children's home which exercises legal guardianship rights; or

3. When such child with disabilities, who is a resident of Virginia, has been placed, not solely for school purposes, in a child-caring institution or group home licensed under the provisions of Chapter 17 (§ 63.2-1700 et seq.) of Title 63.2 which is located within the geographical boundaries of the school division.

C. Each school division shall keep an accurate record of the number of days which any child, identified in subsection A or B above, was enrolled in its public schools, the required local expenditure per child, the handicapping condition, if applicable, the placing agency or person and the jurisdiction from which the child was sent. Each school division shall certify this information to the Board of Education by July 1 following the end of the school year in order to receive proper reimbursement. No school division shall charge tuition to any such child.

D. When a child who is not a resident of Virginia, whether disabled or not, has been placed by an out-of-state agency or a person who is the resident of another state in foster care or other custodial care or in a child-caring institution or group home licensed under the provisions of Chapter 17 (§ 63.2-1700 et seq.) of Title 63.2 located within the geographical boundaries of the school division, the school division shall not be reimbursed for the cost of educating such child from funds appropriated by the General Assembly. The school division in which such child has been enrolled shall bill the sending agency or person for the cost of the education of such child as provided in subsection C of § 22.1-5.

The costs of the support and maintenance of the child shall include the cost of the education provided by the school division; therefore, the sending agency or person shall have the financial responsibility for the educational costs for the child pursuant to Article V of the Interstate Compact on the Placement of Children as set forth in Chapters 10 (§ 63.2-1000 et seq.) and 11 (§ 63.2-1100 et seq.) of Title 63.2. Upon receiving the bill for the educational costs from the school division, the sending agency or person shall reimburse the billing school division for providing the education of the child. Pursuant to Article III of the Interstate Compact on the Placement of Children, no sending agency or person shall send, bring, or cause to be sent or brought into this Commonwealth any child for placement unless the sending agency or person has complied with this section by honoring the financial responsibility for the educational cost as billed by a local school division.

E. To the extent that state funds appropriated by the General Assembly pursuant to subsection A or B or other state funds, such as those provided on the basis of average daily membership, do not cover the full cost of educating a child pursuant to this subsection, a school division shall be reimbursed by (i) the school division in which a child's custodial parent or guardian resides or (ii) in the case of a child who has been placed in the custody of the Department of Social Services, the school division in which the parent or guardian who had custody immediately preceding the placement resides, for any remaining costs of educating such child, whether disabled or not, who has been placed, not solely for school purposes, in (a) foster care or other custodial care within the geographical boundaries of the school division to be reimbursed, or (b) a child-caring institution or group home licensed under the provisions of Chapter 17 (§ 63.2-1700 et seq.) of Title 63.2 that is located within the geographical boundaries of the school division to be reimbursed.

CHAPTER 791

An Act to provide a new charter for the Town of Rural Retreat in Wythe County and to repeal Chapter 235 of the Acts of Assembly of 1954, as amended, which provided a charter for the Town of Rural Retreat.

[H 1195]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1.

CHARTER FOR THE TOWN OF RURAL RETREAT.

Chapter 1.

Continuation of Town and Boundaries.

§ 1.1. *Continuation of Town.*

The inhabitants of the territory embraced within the present limits of the Town of Rural Retreat, in Wythe County, Virginia, as hereinafter defined, or as the same may be hereafter altered and established by law, shall constitute and continue body politic and corporate to be known and designated as the Town of Rural Retreat, and as such shall have and may exercise all powers that are now or may hereafter be conferred upon or delegated to towns under the Constitution and laws of the Commonwealth of Virginia as fully and as completely as though said powers were specifically enumerated herein, and no enumeration of particular powers herein shall be held to be exclusive.

§ 1.2. *Boundaries.*

The territory embraced within the present limits of the Town of Rural Retreat is described in metes and bounds in an order of incorporation of the Town entered by the circuit court of Wythe County, Virginia, on the 24th day of July, 1911, and as amended through past or future annexation as approved and recorded by the circuit court of Wythe County, Virginia.

Chapter 2.

Powers.

§ 2.1. *Powers of the Town.*

The Town of Rural Retreat shall have all powers that may be conferred upon or delegated to towns under the Constitution and laws of the Commonwealth of Virginia, including but not limited to those powers set forth in Article 1 (§ 15.2-1100 et seq.) of Chapter 11 of Title 15.2 of the Code of Virginia, known as the uniform charter powers, as now exist and as hereafter amended. All other powers that are now or may hereafter be conferred upon or delegated to towns under the Constitution and laws of the Commonwealth of Virginia are hereby conferred upon the Town of Rural Retreat, Virginia.

Chapter 3.

Mayor and Council.

§ 3.1. *Election, qualification, and terms of office.*

A. The government of the Town of Rural Retreat shall be vested in a mayor and a body to be known as the council of the Town of Rural Retreat, which council shall consist of six members, all of whom as well as the mayor shall be residents and qualified voters of the Town.

B. The mayor and council members of the council in office on the effective date of this act shall serve until their successors have been elected or qualified. Municipal elections within the Town of Rural Retreat shall take place on the first Tuesday in May of each even-numbered year. At each such regular municipal election, three council members shall be elected to terms of four years each. The mayor shall be elected for a term of four years. The terms of office for both council

members and the mayor so elected shall commence on the first day of July immediately following such election and shall continue until their successors have been elected and qualified.

C. The mayor shall preside over the meetings of the council, shall have the same right to speak therein as other members, and shall vote only in case of a tie but shall have no veto. He shall be recognized as the head of town government for all ceremonial purposes and purposes of military law. At the regularly scheduled meeting of the council held in the month of July following a municipal election, the council shall choose, by a majority vote of all members thereof, one of its members to be vice-mayor for the ensuing two years. The vice-mayor shall in the absence or disability of the mayor perform the duties of the mayor. In the absence or disability of both the mayor and vice-mayor, the council shall by majority vote of those present choose one of its members to perform the duties of mayor.

§ 3.2. Qualifications of mayor and council members.

Any person qualified to vote in the Town shall be eligible for the office of council member or mayor.

§ 3.3. Powers of the council.

The council along with the mayor shall make such rules as are necessary for the orderly conduct of its business not inconsistent with the laws of the Commonwealth of Virginia and shall have the power, in its discretion, to appoint a town manager, a town attorney, a town clerk, a treasurer, and a sergeant, who shall have the powers and duties provided in § 15.2-1107 of the Code of Virginia. The persons so appointed shall have such duties and shall serve for such terms and at such compensation as the council may determine. One person may be appointed to more than one office.

§ 3.4. Vacancies.

A vacancy in the office of vice-mayor shall be filled for the unexpired term by a majority vote of the members of the council. Vacancies on the council and in the office of mayor shall be filled for the unexpired term as provided by general law.

Chapter 4.

Miscellaneous.

§ 4.1. Eminent domain.

The power of eminent domain as set forth in Title 15.2 and Chapter 2 (§ 25.1 200 et seq.) of Title 25.1 of the Code of Virginia are hereby conferred upon the Town of Rural Retreat, including the power to issue certificates pursuant to Chapter 3 (§ 25.1-300 et seq.) of Title 25.1 of the Code of Virginia.

§ 4.2. Fiscal year.

The fiscal year of the Town shall begin on July 1 of each year and end on June 30 of the following year.

§ 4.3. Legislative procedure.

Except in dealing with parliamentary procedure, the council shall act only by ordinance and resolution and, with the exception of ordinances making appropriations or authorizing the contracting of indebtedness, shall be confined to one general subject.

§ 4.4. Ordinances to remain in force.

All ordinances in force as of the effective date of this act in the Town of Rural Retreat and not inconsistent with this charter shall be and remain in force until altered, amended, or repealed by the town council.

§ 4.5. Acts in conflict with charter.

All acts or parts of acts in conflict with this charter are hereby repealed, insofar as they affect the provisions of this charter.

2. That Chapter 235 of the Acts of Assembly of 1954, as amended, is repealed.

CHAPTER 792

An Act to amend and reenact §§ 2.2-419, 2.2-423, 2.2-426, 2.2-428, 2.2-3100, 2.2-3101, 2.2-3104, 2.2-3114, 2.2-3115 through 2.2-3118.1, 2.2-3121, 2.2-3131, 30-100, 30-101, 30-110, 30-111, 30-112, 30-114, 30-117, 30-118, and 30-124 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 2.2-3103.1, by adding in Article 2 of Chapter 13 of Title 30 a section numbered 30-103.1, by adding in Chapter 13 of Title 30 an article numbered 6, consisting of sections numbered 30-129.1, 30-129.2, and 30-129.3, and by adding in Title 30 a chapter numbered 55, consisting of sections numbered 30-348 through 30-351, relating to the State and Local Government Conflict of Interests Act and General Assembly Conflicts of Interests Act; establishing the Virginia Conflict of Interest and Ethics Advisory Council.

[H 1211]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.2-419, 2.2-423, 2.2-426, 2.2-428, 2.2-3100, 2.2-3101, 2.2-3104, 2.2-3114, 2.2-3115 through 2.2-3118.1, 2.2-3121, 2.2-3131, 30-100, 30-101, 30-110, 30-111, 30-112, 30-114, 30-117, 30-118, and 30-124 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding a section numbered 2.2-3103.1, by adding in Article 2 of Chapter 13 of Title 30 a section numbered 30-103.1, by adding in Chapter 13 of Title 30 an article numbered 6, consisting of sections numbered 30-129.1, 30-129.2, and 30-129.3, and by adding in Title 30 a chapter numbered 55, consisting of sections numbered 30-348 through 30-351, as follows:

§ 2.2-419. Definitions.

As used in this article, unless the context requires a different meaning:

"Anything of value" means:

1. A pecuniary item, including money, or a bank bill or note;
2. A promissory note, bill of exchange, order, draft, warrant, check, or bond given for the payment of money;
3. A contract, agreement, promise, or other obligation for an advance, conveyance, forgiveness of indebtedness, deposit, distribution, loan, payment, gift, pledge, or transfer of money;
4. A stock, bond, note, or other investment interest in an entity;
5. A receipt given for the payment of money or other property;
6. A right in action;
7. A gift, tangible good, chattel, or an interest in a gift, tangible good, or chattel;
8. A loan or forgiveness of indebtedness;
9. A work of art, antique, or collectible;
10. An automobile or other means of personal transportation;
11. Real property or an interest in real property, including title to realty, a fee simple or partial interest, present or future, contingent or vested within realty, a leasehold interest, or other beneficial interest in realty;
12. An honorarium or compensation for services;
13. A rebate or discount in the price of anything of value unless the rebate or discount is made in the ordinary course of business to a member of the public without regard to that person's status as an executive or legislative official, or the sale or trade of something for reasonable compensation that would ordinarily not be available to a member of the public;
14. A promise or offer of employment; or
15. Any other thing of value that is pecuniary or compensatory in value to a person.

"Anything of value" does not mean a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2.

"Compensation" means:

1. An advance, conveyance, forgiveness of indebtedness, deposit, distribution, loan, payment, gift, pledge, or transfer of money or anything of value; or
2. A contract, agreement, promise or other obligation for an advance, conveyance, forgiveness of indebtedness, deposit, distribution, loan, payment, gift, pledge, or transfer of money or anything of value, for services rendered or to be rendered.

"Compensation" does not mean reimbursement of expenses if the reimbursement does not exceed the amount actually expended for the expenses and it is substantiated by an itemization of expenses.

"Executive action" means the proposal, drafting, development, consideration, amendment, adoption, approval, promulgation, issuance, modification, rejection, or postponement by an executive agency or official of legislation or executive orders issued by the Governor.

"Executive agency" means an agency, board, commission, or other body in the executive branch of state government.

"Executive agency" includes the State Corporation Commission, the Virginia Workers' Compensation Commission, and the State Lottery Department.

"Executive official" means:

1. The Governor;
2. The Lieutenant Governor;
3. The Attorney General;
4. Any officer or employee of the office of the Governor or Lieutenant Governor other than a clerical or secretarial employee;
5. The Governor's Secretaries, the Deputy Secretaries, and the chief executive officer of each executive agency; or
6. Members of supervisory and policy boards, commissions and councils, as defined in § 2.2-2100, however selected.

"Expenditure" means:

1. A purchase, payment, distribution, loan, forgiveness of a loan or payment of a loan by a third party, advance, deposit, transfer of funds, a promise to make a payment, or a gift of money or anything of value for any purpose;
2. A payment to a lobbyist for salary, fee, reimbursement for expenses, or other purpose by a person employing, retaining, or contracting for the services of the lobbyist separately or jointly with other persons;
3. A payment in support of or assistance to a lobbyist or the lobbyist's activities, including the direct payment of expenses incurred at the request or suggestion of the lobbyist;
4. A payment that directly benefits an executive or legislative official or a member of the official's immediate family;
5. A payment, including compensation, payment, or reimbursement for the services, time, or expenses of an employee for or in connection with direct communication with an executive or legislative official;
6. A payment for or in connection with soliciting or urging other persons to enter into direct communication with an executive or legislative official; or
7. A payment or reimbursement for categories of expenditures required to be reported pursuant to this chapter.

"Expenditure" does not mean a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2.

"Fair market value" means the price that a good or service would bring between a willing seller and a willing buyer in the open market after negotiations. If the fair market value cannot be determined, the actual price paid for the good or service shall be given consideration.

"Gift" means anything of value to the extent that a consideration of equal or greater value is not received.

"Gift" does not mean:

1. Printed informational or promotional material;
2. A gift that is not used and, no later than ~~sixty~~ 60 days after receipt, is returned to the donor or delivered to a charitable organization and is not claimed as a charitable contribution for federal income tax purposes;
3. A gift, devise, or inheritance from an individual's spouse, child, parent, grandparent, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin or the spouse of that individual, if the donor is not acting as the agent or intermediary for someone other than a person covered by this subdivision; or
4. A gift of a value of ~~\$25~~ \$50 or less.

"Immediate family" means (i) the spouse and (ii) any ~~other person~~ child who resides in the same household as the executive or legislative official and who is ~~the~~ a dependent of the official.

"Legislative action" means:

1. Preparation, research, drafting, introduction, consideration, modification, amendment, approval, passage, enactment, tabling, postponement, defeat, or rejection of a bill, resolution, amendment, motion, report, nomination, appointment, or other matter by the General Assembly or a legislative official;

2. Action by the Governor in approving, vetoing, or recommending amendments for a bill passed by the General Assembly; or

3. Action by the General Assembly in overriding or sustaining a veto by the Governor, considering amendments recommended by the Governor, or considering, confirming, or rejecting an appointment of the Governor.

"Legislative official" means:

1. A member or member-elect of the General Assembly;
2. A member of a committee, subcommittee, commission, or other entity established by and responsible to the General Assembly or either house of the General Assembly; or
3. Persons employed by the General Assembly or an entity established by and responsible to the General Assembly.

"Lobbying" means:

1. Influencing or attempting to influence executive or legislative action through oral or written communication with an executive or legislative official; or
2. Solicitation of others to influence an executive or legislative official.

"Lobbying" does not mean:

1. Requests for appointments, information on the status of pending executive and legislative actions, or other ministerial contacts if there is no attempt to influence executive or legislative actions;
2. Responses to published notices soliciting public comment submitted to the public official designated in the notice to receive the responses;
3. The solicitation of an association by its members to influence legislative or executive action; or
4. Communications between an association and its members and communications between a principal and its lobbyists.

"Lobbyist" means:

1. An individual who is employed and receives payments, or who contracts for economic consideration, including reimbursement for reasonable travel and living expenses, for the purpose of lobbying;
2. An individual who represents an organization, association, or other group for the purpose of lobbying; or
3. A local government employee who lobbies.

"Lobbyist's principal" or "principal" means the entity on whose behalf the lobbyist influences or attempts to influence executive or legislative action. An organization whose employees conduct lobbying activities on its behalf is both a principal and an employer of the lobbyists. In the case of a coalition or association that employs or retains others to conduct lobbying activities on behalf of its membership, the principal is the coalition or association and not its individual members.

"Local government" means:

1. Any county, city, town, or other local or regional political subdivision;
2. Any school division;
3. Any organization or entity that exercises governmental powers that is established pursuant to an interstate compact; or
4. Any organization composed of members representing entities listed in subdivisions 1, 2, or 3 of this definition.

"Local government employee" means a public employee of a local government.

"Person" means an individual, proprietorship, firm, partnership, joint venture, joint stock company, syndicate, business trust, estate, company, corporation, association, club, committee, organization, or group of persons acting in concert.

"Value" means the actual cost or fair market value of an item or items, whichever is greater. If the fair market value cannot be determined, the actual amount paid for the item or items shall be given consideration.

§ 2.2-423. Contents of registration statement.

A. The registration statement shall be on a form provided by the Secretary of the Commonwealth and include the following information:

1. The name and business address and telephone number of the lobbyist;

2. The name and business address and telephone number of the person who will keep custody of the lobbyist's and the lobbyist's principal's accounts and records required to comply with this article, and the location and telephone number for the place where the accounts and records are kept;

3. The name and business address and telephone number of the lobbyist's principal;

4. The kind of business of the lobbyist's principal;

5. For each principal, the full name of the individual to whom the lobbyist reports;

6. For each principal, a statement whether the lobbyist is employed or retained and whether exclusively for the purpose of lobbying;

7. The position held by the lobbyist if he is a part-time or full-time employee of the principal;

8. The full name and business address and telephone number of each lobbyist employed by or representing the lobbyist's principal;

9. An identification of the subject matter (with as much specificity as possible) with regard to which the lobbyist or lobbyist's principal will engage in lobbying; ~~and~~

10. The statement of the lobbyist, which shall be signed either originally or by electronic signature as authorized by the Uniform Electronic Transactions Act (§ 59.1-479 et seq.), that the information contained on the registration statement is true and correct; *and*

11. *A statement by which a principal may elect to waive the principal signature requirement on disclosure filings submitted by its registered lobbyist after the filing of the registration statement.*

B. Whenever any change, modification or addition to his status as a lobbyist is made, the lobbyist shall, within one week of such change, modification or addition, furnish full information regarding the same to the Secretary of the Commonwealth on forms provided by the Secretary.

C. The Secretary of the Commonwealth shall furnish a copy of this article to any individual offering to register as a lobbyist and shall mail by certified mail a copy of this article and a copy of the information furnished by the lobbyist to the person whom the lobbyist represents to be his principal.

D. If the principal to whom the information is sent under subsection C does not, within 10 days of such mailing, file an affidavit, signed by the person or duly authorized agent of the person, denying that the lobbyist appears on his behalf, such person shall be deemed to have appointed the Secretary of the Commonwealth his agent for service of process in any prosecution arising for violation of this article. If such affidavit is filed, the Secretary shall notify the attorney for the Commonwealth of the City of Richmond.

§ 2.2-426. Lobbyist reporting; penalty.

A. Each lobbyist shall file *with the Virginia Conflict of Interest and Ethics Advisory Council* a separate ~~annual~~ *semiannual* report of expenditures, including gifts, for each principal for whom he lobbies by ~~July 1~~ *December 15 for the preceding six-month period complete through the last day of October and June 15 for the preceding* ~~12-month~~ *six-month* period complete through ~~April 30~~ *the last day of April.*

B. Each principal who expends more than \$500 to employ or compensate multiple lobbyists shall be responsible for filing a consolidated lobbyist report pursuant to this section in any case in which the lobbyists are each exempt under the provisions of subdivision 7 or 8 of § 2.2-420 from the reporting requirements of this section.

C. The report shall be on a form provided by the ~~Secretary of the Commonwealth~~ *Virginia Conflict of Interest and Ethics Advisory Council*, which shall be substantially as follows and shall be accompanied by instructions provided by the ~~Secretary~~ *Council.*

LOBBYIST'S DISCLOSURE STATEMENT

PART I:

- (1) PRINCIPAL:
 In Part I, item 2a, provide the name of the individual authorizing your employment as a lobbyist. The lobbyist filing this statement MAY NOT list his name in item 2a. ~~THE INDIVIDUAL LISTED IN PART I, ITEM 2A, MUST SIGN THE PRINCIPAL'S STATEMENT.~~
- (2a) Name:
- (2b) Permanent Business Address:
- (2c) Business Telephone:
- (3) Provide a list of executive and legislative actions (with as much specificity as possible) for which you lobbied and a description of activities conducted.

- (4) INCORPORATED FILINGS: If you are filing an incorporated disclosure statement, please complete the following:
 Individual filing financial information:
 Individuals to be included in the filing:

(5) Please indicate which schedules will be attached to your disclosure statement:

- [] Schedule A: Entertainment Expenses
- [] Schedule B: Gifts
- [] Schedule C: Other Expenses

(6) EXPENDITURE TOTALS:

a) ENTERTAINMENT	\$
b) GIFTS	\$
e) OFFICE EXPENSES	\$
d c) COMMUNICATIONS	\$
e d) PERSONAL LIVING AND TRAVEL EXPENSES	\$
f e) COMPENSATION OF LOBBYISTS	\$
g f) HONORARIA	\$
h) REGISTRATION COSTS	\$
i g) OTHER	\$
TOTAL	\$

PART II:

- (1a) NAME OF LOBBYIST:
- (1b) Permanent Business Address:
- (1c) Business Telephone:
- (2) As a lobbyist, you are (check one)
 - [] EMPLOYED (on the payroll of the principal)
 - [] RETAINED (not on the payroll of the principal, however compensated)
 - [] NOT COMPENSATED (not compensated; expenses may be reimbursed)
- (3) List all lobbyists other than yourself who registered to represent your principal.

.....

.....

.....
- (4) If you selected "EMPLOYED" as your answer to Part II, item 2, provide your job title.

.....

PLEASE NOTE: Some lobbyists are not individually compensated for lobbying activities. This may occur when several members of a firm represent a single principal. The principal, in turn, makes a single payment to the firm. If this describes your situation, do not answer Part II, items 5a and 5b. Instead, complete Part III, items 1 and 2.

- (5a) What was the DOLLAR AMOUNT OF YOUR COMPENSATION as a lobbyist? (If you have job responsibilities other than those involving lobbying, you may have to prorate to determine the part of your salary attributable to your lobbying activities.) Transfer your answer to this item to Part I, item 6f 6e.
- (5b) Explain how you arrived at your answer to Part II, item 5a.

.....

.....

.....

PART III:

PLEASE NOTE: If you answered Part II, items 5a and 5b, you WILL NOT complete this section.

- (1) List all members of your firm, organization, association, corporation, or other entity who furnished lobbying services to your principal.

.....

.....

.....
- (2) Indicate the total amount paid to your firm, organization, association, corporation or other entity for services rendered. Transfer your answer to this item to Part I, item 6f 6e.

SCHEDULE A
ENTERTAINMENT EXPENSES

PLEASE NOTE: Any single entertainment event included in the expense totals of the principal, with a value greater than \$50, should be itemized below. Transfer any totals from this schedule to Part I, item 6a. (Please duplicate as needed.)

Date and Location of Event:

Description of Event:

Total Number of Persons Attending:

Names of Legislative and Executive Officials or Members of Their Immediate Families Attending: (List names only if the average value for each person attending the event was greater than \$50.)

Table with 2 columns: Expense Category (Food, Beverages, Transportation, etc.) and Amount (\$).

SCHEDULE B
GIFTS

PLEASE NOTE: Any single gift reported in the expense totals of the principal, with a value greater than \$50, should be itemized below. (Report meals, entertainment and travel under Schedule A.) Transfer any totals from this schedule to Part I, item 6b. (Please duplicate as needed.)

Table with 4 columns: Date of gift, Description of gift, Name of each legislative or executive official or member of his immediate family who is a recipient of a gift, and Cost of individual gift (\$).

SCHEDULE C
OTHER EXPENSES

PLEASE NOTE: This section is provided for any lobbying-related expenses not covered in Part I, items 6a - 6f. An example of an expenditure to be listed on schedule C would be the rental of a bill box during the General Assembly session. Transfer the total from this schedule to Part I, item 6g. (Please duplicate as needed.)

Table with 3 columns: DATE OF EXPENSE, DESCRIPTION OF EXPENSE, and AMOUNT (\$).

.....	\$

.....	\$
.....	\$
.....	\$
.....	\$
TOTAL "OTHER" EXPENSES	\$

PART IV: STATEMENTS

Both the lobbyist and principal officer must sign the disclosure statement, attesting to its completeness and accuracy. The following items are mandatory and if they are not properly completed, the entire filing will be rejected and returned to the lobbyist:

- (1) All signatures on the statement must be ORIGINAL in the format specified in the instructions provided by the Secretary Council that accompany this form. No stamps, or other reproductions of the individual's signature will be accepted.
- (2) An individual MAY NOT sign the disclosure statement as lobbyist and principal officer.

STATEMENT OF LOBBYIST

I, the undersigned registered lobbyist, do state that the information furnished on this disclosure statement and on all accompanying attachments required to be made thereto is, to the best of my knowledge and belief, complete and accurate.

.....
Signature of lobbyist
.....
Date

STATEMENT OF PRINCIPAL

I, the undersigned principal (or an authorized official thereof), do state that the information furnished on this disclosure statement and on all accompanying attachments required to be made thereto is, to the best of my knowledge and belief, complete and accurate.

.....
Signature of principal
.....
Date

D. A person who signs the disclosure statement knowing it to contain a material misstatement of fact shall be is guilty of a Class 5 felony.

E. Each lobbyist shall send to each legislative and executive official who is required to be identified by name on Schedule A or B of the Lobbyist's Disclosure Form a copy of Schedule A or B or a summary of the information pertaining to that official. Copies or summaries shall be provided to the official by ~~December 15~~ November 21 for the preceding ~~12-month~~ six-month period complete through ~~November 30~~ the last day of October and by May 21 for the preceding six-month period complete through the last day of April.

§ 2.2-428. Standards for automated preparation and transmittal of lobbyist's disclosure statements; database.

A. The ~~Secretary~~ Virginia Conflict of Interest and Ethics Advisory Council shall accept any lobbyist's disclosure ~~statement~~ statements required by § 2.2-426 filed by computer or electronic means in accordance with the standards approved by the Secretary and using software meeting standards approved by the Secretary Council pursuant to the provisions of § 30-349. The Secretary may provide software to filers without charge or at a reasonable cost. The Secretary may prescribe the method of execution and certification of electronically filed statements and the procedures for receiving statements in the office of the Secretary.

B. The Secretary shall establish a lobbyist disclosure database, available to the public, from required disclosure statements filed electronically and may enter into that database information from required disclosure statements filed by other methods. The Secretary shall maintain such database until January 1, 2016.

§ 2.2-3100. Policy; application; construction.

The General Assembly, recognizing that our system of representative government is dependent in part upon (i) citizen legislative members representing fully the public in the legislative process and (ii) its citizens maintaining the highest trust in their public officers and employees, finds and declares that the citizens are entitled to be assured that the judgment of public officers and employees will be guided by a law that defines and prohibits inappropriate conflicts and requires disclosure of economic interests. To that end and for the purpose of establishing a single body of law applicable to all state

and local government officers and employees on the subject of conflict of interests, the General Assembly enacts this State and Local Government Conflict of Interests Act so that the standards of conduct for such officers and employees may be uniform throughout the Commonwealth.

This chapter shall supersede all general and special acts and charter provisions which purport to deal with matters covered by this chapter except that the provisions of §§ 15.2-852, 15.2-2287, 15.2-2287.1, and 15.2-2289 and ordinances adopted pursuant thereto shall remain in force and effect. The provisions of this chapter shall be supplemented but not superseded by the provisions on ethics in public contracting in Article 6 (§ 2.2-4367 et seq.) of Chapter 43 of this title and ordinances adopted pursuant to § 2.2-3104.2 regulating receipt of gifts.

The provisions of this chapter do not preclude prosecution for any violation of any criminal law of the Commonwealth, including Articles 2 (Bribery and Related Offenses, § 18.2-438 et seq.) and 3 (Bribery of Public Servants and Party Officials, § 18.2-446 et seq.) of Chapter 10 of Title 18.2, and do not constitute a defense to any prosecution for such a violation.

This chapter shall be liberally construed to accomplish its purpose.

§ 2.2-3101. Definitions.

As used in this chapter, *unless the context requires a different meaning:*

"Advisory agency" means any board, commission, committee or post which does not exercise any sovereign power or duty, but is appointed by a governmental agency or officer or is created by law for the purpose of making studies or recommendations, or advising or consulting with a governmental agency.

"Affiliated business entity relationship" means a relationship, other than a parent-subsidary relationship, that exists when (i) one business entity has a controlling ownership interest in the other business entity, (ii) a controlling owner in one entity is also a controlling owner in the other entity, or (iii) there is shared management or control between the business entities. Factors that may be considered in determining the existence of an affiliated business entity relationship include that the same person or substantially the same person owns or manages the two entities, there are common or commingled funds or assets, the business entities share the use of the same offices or employees, or otherwise share activities, resources or personnel on a regular basis, or there is otherwise a close working relationship between the entities.

"Business" means a corporation, partnership, sole proprietorship, firm, enterprise, franchise, association, trust or foundation, or any other individual or entity carrying on a business or profession, whether or not for profit.

"Contract" means any agreement to which a governmental agency is a party, or any agreement on behalf of a governmental agency that involves the payment of money appropriated by the General Assembly or a political subdivision, whether or not such agreement is executed in the name of the Commonwealth, or some political subdivision thereof. "Contract" includes a subcontract only when the contract of which it is a part is with the officer's or employee's own governmental agency.

"Council" means the Virginia Conflict of Interest and Ethics Advisory Council established in § 30-348.

~~"Dependent" means a son, daughter, father, mother, brother, sister or other person, whether or not related by blood or marriage, if such person receives from the officer or employee, or provides to the officer or employee, more than one-half of his financial support.~~

"Employee" means all persons employed by a governmental or advisory agency, unless otherwise limited by the context of its use.

"Financial institution" means any bank, trust company, savings institution, industrial loan association, consumer finance company, credit union, broker-dealer as defined in *subsection A of § 13.1-501*, or investment company or advisor registered under the federal Investment Advisors Act or Investment Company Act of 1940.

"Gift" means any gratuity, favor, discount, entertainment, hospitality, loan, forbearance, or other item having monetary value. It includes services as well as gifts of transportation, local travel, lodgings and meals, whether provided in-kind, by purchase of a ticket, payment in advance or reimbursement after the expense has been incurred. "Gift" ~~shall~~ *does* not include (i) any offer of a ticket, *coupon*, or other admission or pass unless the ticket, *coupon*, admission, or pass is used; ~~"Gift" shall not include;~~ (ii) honorary degrees ~~and presents;~~ (iii) *any athletic, merit, or need-based scholarship or any other financial aid awarded by a public or private school, institution of higher education, or other educational program pursuant to such school, institution, or program's financial aid standards and procedures applicable to the general public;* (iv) *a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2;* (v) *any gift related to the private profession or occupation of an officer or employee or of a member of his immediate family;* or (vi) gifts from relatives or personal friends. For the purpose of this definition, "relative" means the donee's spouse, child, uncle, aunt, niece, or nephew; a person to whom the donee is engaged to be married; the donee's or his spouse's parent, grandparent, grandchild, brother, or sister; or the donee's brother's or sister's spouse. *For the purpose of this definition, "personal friend" does not include any person that the filer knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2; (b) a lobbyist's principal as defined in § 2.2-419; (c) for an officer or employee of a local governmental or advisory agency, a person, organization, or business who is a party to or is seeking to become a party to a contract with the local agency of which he is an officer or an employee; or (d) for an officer or employee of a state governmental or advisory agency, a person, organization, or business who is a party to or is seeking to become a party to a contract with the Commonwealth. For purposes of this definition, "person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.*

"Governmental agency" means each component part of the legislative, executive or judicial branches of state and local government, including each office, department, authority, post, commission, committee, and each institution or board created by law to exercise some regulatory or sovereign power or duty as distinguished from purely advisory powers or duties. Corporations organized or controlled by the Virginia Retirement System are "governmental agencies" for purposes of this chapter.

"Immediate family" means (i) a spouse and (ii) any ~~other person residing~~ *child who resides* in the same household as the officer or employee; ~~and who is a dependent of the officer or employee or of whom the officer or employee is a dependent.~~

"Officer" means any person appointed or elected to any governmental or advisory agency including local school boards, whether or not he receives compensation or other emolument of office. Unless the context requires otherwise, "officer" includes members of the judiciary.

"Parent-subsidiary relationship" means a relationship that exists when one corporation directly or indirectly owns shares possessing more than 50 percent of the voting power of another corporation.

"Personal interest" means a financial benefit or liability accruing to an officer or employee or to a member of his immediate family. Such interest shall exist by reason of (i) ownership in a business if the ownership interest exceeds three percent of the total equity of the business; (ii) annual income that exceeds, or may reasonably be anticipated to exceed, ~~\$10,000~~ \$5,000 from ownership in real or personal property or a business; (iii) salary, other compensation, fringe benefits, or benefits from the use of property, or any combination thereof, paid or provided by a business or governmental agency that exceeds, or may reasonably be anticipated to exceed, ~~\$10,000~~ \$5,000 annually; (iv) ownership of real or personal property if the interest exceeds ~~\$10,000~~ \$5,000 in value and excluding ownership in a business, income, or salary, other compensation, fringe benefits or benefits from the use of property; (v) personal liability incurred or assumed on behalf of a business if the liability exceeds three percent of the asset value of the business; or (vi) an option for ownership of a business or real or personal property if the ownership interest will consist of *clause* (i) or (iv) above.

"Personal interest in a contract" means a personal interest that an officer or employee has in a contract with a governmental agency, whether due to his being a party to the contract or due to a personal interest in a business that is a party to the contract.

"Personal interest in a transaction" means a personal interest of an officer or employee in any matter considered by his agency. Such personal interest exists when an officer or employee or a member of his immediate family has a personal interest in property or a business or governmental agency, or represents or provides services to any individual or business and such property, business or represented or served individual or business (i) is the subject of the transaction or (ii) may realize a reasonably foreseeable direct or indirect benefit or detriment as a result of the action of the agency considering the transaction. Notwithstanding the above, such personal interest in a transaction shall not be deemed to exist where (a) an elected member of a local governing body serves without remuneration as a member of the board of trustees of a not-for-profit entity and such elected member or member of his immediate family has no personal interest related to the not-for-profit entity or (b) an officer, employee, or elected member of a local governing body is appointed by such local governing body to serve on a governmental agency, or an officer, employee, or elected member of a separate local governmental agency formed by a local governing body is appointed to serve on a governmental agency, and the personal interest in the transaction of the governmental agency is the result of the salary, other compensation, fringe benefits, or benefits provided by the local governing body or the separate governmental agency to the officer, employee, elected member, or member of his immediate family.

"State and local government officers and employees" shall not include members of the General Assembly.

"State filer" means those officers and employees required to file a disclosure statement of their personal interests pursuant to subsection A or B of § 2.2-3114.

"Transaction" means any matter considered by any governmental or advisory agency, whether in a committee, subcommittee, or other entity of that agency or before the agency itself, on which official action is taken or contemplated.

§ 2.2-3103.1. Certain gifts prohibited.

A. For purposes of this section:

"Intangible gift" means a thing of temporary value or a thing that upon the happening of a certain event or expiration of a given date loses its value. "Intangible gift" includes entertainment, hospitality, a ticket, admission, or pass, transportation, lodgings, and meals that are reportable on Schedule E of the disclosure form prescribed in § 2.2-3117.

"Tangible gift" means a thing of value that does not lose its value upon the happening of a certain event or expiration of a given date. "Tangible gift" includes currency, negotiable instruments, securities, stock options, or other financial instruments that are reportable on Schedule E of the disclosure form prescribed in § 2.2-3117. "Tangible gift" does not include payments or reimbursements received for any intangible gift.

B. An officer or employee of a local governmental or advisory agency or candidate required to file the disclosure form prescribed in § 2.2-3117 (i) shall not solicit, accept, or receive within any calendar year any single tangible gift with a value in excess of \$250 or a combination of tangible gifts with an aggregate value in excess of \$250 from any person that he knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4; (b) a lobbyist's principal as defined in § 2.2-419; or (c) a person, organization, or business who is a party to or is seeking to become a party to a contract with the local agency of which he is an officer or an employee; (ii) shall report any tangible gift with a value of

\$250 or less or any intangible gift received from any person listed in clause (i) on Schedule E of such disclosure form; and (iii) shall report any payments for talks, meetings, and publications on Schedule D of such disclosure form.

C. An officer or employee of a state governmental or advisory agency or candidate required to file the disclosure form prescribed in § 2.2-3117 (i) shall not solicit, accept, or receive within any calendar year any single tangible gift with a value in excess of \$250 or a combination of tangible gifts with an aggregate value in excess of \$250 from any person that he knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4; (b) a lobbyist's principal as defined in § 2.2-419; or (c) a person, organization, or business who is a party to or is seeking to become a party to a contract with the Commonwealth; (ii) shall report any tangible gift with a value of \$250 or less or any intangible gift received from any person listed in clause (i) on Schedule E of such disclosure form; and (iii) shall report any payments for talks, meetings, and publications on Schedule D of such disclosure form.

D. During the pendency of a civil action in any state or federal court to which the Commonwealth is a party, the Governor or the Attorney General or any employee of the Governor or the Attorney General who is subject to the provisions of this chapter shall not solicit, accept, or receive any tangible gift from any person that he knows or has reason to know is a person, organization, or business who is a party to such civil action. A person, organization, or business who is a party to such civil action shall not knowingly give any tangible gift to the Governor or the Attorney General or any of their employees who are subject to the provisions of this chapter.

E. The \$250 limitation imposed in accordance with this section shall be adjusted by the Council every five years, as of January 1 of that year, in an amount equal to the annual increases for that five-year period in the United States Average Consumer Price Index for all items, all urban consumers (CPI-U), as published by the Bureau of Labor Statistics of the U.S. Department of Labor, rounded to the nearest whole dollar.

F. For purposes of this section, "person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.

§ 2.2-3104. Prohibited conduct for certain officers and employees of state government.

For one year after the termination of public employment or service, no state officer or employee shall, before the agency of which he was an officer or employee, represent a client or act in a representative capacity on behalf of any person or group, for compensation, on matters related to legislation, executive orders, or regulations promulgated by the agency of which he was an officer or employee. This prohibition shall be in addition to the prohibitions contained in § 2.2-3103.

For the purposes of this section, "state officer or employee" shall mean (i) the Governor, Lieutenant Governor, Attorney General, and officers appointed by the Governor, whether confirmation by the General Assembly or by either house thereof is required or not, who are regularly employed on a full-time salaried basis; those officers and employees of executive branch agencies who report directly to the agency head; and those at the level immediately below those who report directly to the agency head and are at a payband 6 or higher and (ii) the officers and professional employees of the legislative branch designated by the joint rules committee of the General Assembly. For the purposes of this section, the General Assembly and the legislative branch agencies shall be deemed one agency.

Any person subject to the provisions of this section may apply to the Council or Attorney General, as provided in § 2.2-3121 or 2.2-3126, for an advisory opinion as to the application of the restriction imposed by this section on any post-public employment position or opportunity.

§ 2.2-3114. Disclosure by state officers and employees.

A. The Governor, Lieutenant Governor, Attorney General, Justices of the Supreme Court, judges of the Court of Appeals, judges of any circuit court, judges and substitute judges of any district court, members of the State Corporation Commission, members of the Virginia Workers' Compensation Commission, members of the Commonwealth Transportation Board, members of the Board of Trustees of the Virginia Retirement System, and members of the State Lottery Board and other persons occupying such offices or positions of trust or employment in state government, including members of the governing bodies of authorities, as may be designated by the Governor or, in the case of officers or employees of the legislative branch, by the Joint Rules Committee of the General Assembly, shall file with the Council, as a condition to assuming office or employment, a disclosure statement of their personal interests and such other information as is specified on the form set forth in § 2.2-3117 and thereafter shall file such a statement ~~annually on or before January~~ *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.* When the filing deadline falls on a Saturday, Sunday, or legal holiday, the disclosure statement shall be filed on the next day that is not a Saturday, Sunday, or legal holiday.

B. Nonsalaried citizen members of all policy and supervisory boards, commissions and councils in the executive branch of state government, other than the Commonwealth Transportation Board, members of the Board of Trustees of the Virginia Retirement System, and the State Lottery Board, shall file with the Council, as a condition to assuming office, a disclosure form of their personal interests and such other information as is specified on the form set forth in § 2.2-3118 and thereafter shall file such form annually on or before ~~January~~ *December 15.* When the filing deadline falls on a Saturday, Sunday, or legal holiday, the disclosure statement shall be filed on the next day that is not a Saturday, Sunday, or legal holiday. Nonsalaried citizen members of other boards, commissions and councils, including advisory boards and authorities, may be required to file a disclosure form if so designated by the Governor, in which case the form shall be that set forth in § 2.2-3118.

C. The disclosure forms required by subsections A and B shall be provided by the ~~Secretary of the Commonwealth~~ *Council* to each officer and employee so designated, including officers appointed by legislative authorities; ~~not later than~~

~~November 30 of each year at least 30 days prior to the filing deadline.~~ Disclosure forms shall be filed and maintained as public records for five years in the ~~Office office of the Secretary of the Commonwealth Council.~~

D. Candidates for the offices of Governor, Lieutenant Governor or Attorney General shall file a disclosure statement of their personal interests as required by § 24.2-502.

E. Any officer or employee of state government who has a personal interest in any transaction before the governmental or advisory agency of which he is an officer or employee and who is disqualified from participating in that transaction pursuant to subdivision A 1 of § 2.2-3112, or otherwise elects to disqualify himself, shall forthwith make disclosure of the existence of his interest, including the full name and address of the business and the address or parcel number for the real estate if the interest involves a business or real estate, and his disclosure shall also be reflected in the public records of the agency for five years in the office of the administrative head of the officer's or employee's governmental agency or advisory agency or, if the agency has a clerk, in the clerk's office.

F. An officer or employee of state government who is required to declare his interest pursuant to subdivision A 2 of § 2.2-3112, shall declare his interest by stating (i) the transaction involved, (ii) the nature of the officer's or employee's personal interest affected by the transaction, (iii) that he is a member of a business, profession, occupation, or group the members of which are affected by the transaction, and (iv) that he is able to participate in the transaction fairly, objectively, and in the public interest. The officer or employee shall either make his declaration orally to be recorded in written minutes for his agency or file a signed written declaration with the clerk or administrative head of his governmental or advisory agency, as appropriate, who shall, in either case, retain and make available for public inspection such declaration for a period of five years from the date of recording or receipt. If reasonable time is not available to comply with the provisions of this subsection prior to participation in the transaction, the officer or employee shall prepare and file the required declaration by the end of the next business day.

G. An officer or employee of state government who is required to declare his interest pursuant to subdivision A 3 of § 2.2-3112, shall declare his interest by stating (i) the transaction involved, (ii) that a party to the transaction is a client of his firm, (iii) that he does not personally represent or provide services to the client, and (iv) that he is able to participate in the transaction fairly, objectively, and in the public interest. The officer or employee shall either make his declaration orally to be recorded in written minutes for his agency or file a signed written declaration with the clerk or administrative head of his governmental or advisory agency, as appropriate, who shall, in either case, retain and make available for public inspection such declaration for a period of five years from the date of recording or receipt. If reasonable time is not available to comply with the provisions of this subsection prior to participation in the transaction, the officer or employee shall prepare and file the required declaration by the end of the next business day.

§ 2.2-3115. Disclosure by local government officers and employees.

A. The members of every governing body and school board of each county and city and of towns with populations in excess of 3,500 shall file *with the Council*, as a condition to assuming office or employment, a disclosure statement of their personal interests and other information as is specified on the form set forth in § 2.2-3117 and thereafter shall file such a statement ~~annually on or before January~~ *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.*

The members of the governing body of any authority established in any county or city, or part or combination thereof, and having the power to issue bonds or expend funds in excess of \$10,000 in any fiscal year, shall file *with the Virginia Conflict of Interest and Ethics Advisory Council*, as a condition to assuming office, a disclosure statement of their personal interests and other information as is specified on the form set forth in § 2.2-3118 and thereafter shall file such a statement annually on or before ~~January~~ *December 15*, unless the governing body of the jurisdiction that appoints the members requires that the members file the form set forth in § 2.2-3117 *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.*

Persons occupying such positions of trust appointed by governing bodies and persons occupying such positions of employment with governing bodies as may be designated to file by ordinance of the governing body shall file *with the Virginia Conflict of Interest and Ethics Advisory Council*, as a condition to assuming office or employment, a disclosure statement of their personal interests and other information as is specified on the form set forth in § 2.2-3117 and thereafter shall file such a statement ~~annually on or before January 15~~ *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.*

Persons occupying such positions of trust appointed by school boards and persons occupying such positions of employment with school boards as may be designated to file by an adopted policy of the school board shall file *with the Virginia Conflict of Interest and Ethics Advisory Council*, as a condition to assuming office or employment, a disclosure statement of their personal interests and other information as is specified on the form set forth in § 2.2-3117 and thereafter shall file such a statement ~~annually on or before January 15~~ *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.*

B. Nonsalaried citizen members of local boards, commissions and councils as may be designated by the governing body shall file *with the Virginia Conflict of Interest and Ethics Advisory Council*, as a condition to assuming office, a

disclosure form of their personal interests and such other information as is specified on the form set forth in § 2.2-3118 and thereafter shall file such form annually on or before ~~January~~ *December* 15.

C. No person shall be mandated to file any disclosure not otherwise required by this article.

D. The disclosure forms required by subsections A and B shall be provided by the ~~Secretary of the Commonwealth~~ *Virginia Conflict of Interest and Ethics Advisory Council* to the clerks of the governing bodies and school boards ~~not later than November 30 of each year~~ *at least 30 days prior to the filing deadline*, and the clerks of the governing body and school board shall distribute the forms to designated individuals ~~no later than December 10 of each year~~ *at least 20 days prior to the filing deadline*. Forms shall be filed and maintained as public records for five years in the office of the ~~clerk of the respective governing body or school board~~ *Virginia Conflict of Interest and Ethics Advisory Council*. Forms filed by members of governing bodies of authorities shall be filed and maintained as public records for five years in the office of the ~~clerk of the governing body of the county or city~~ *Virginia Conflict of Interest and Ethics Advisory Council*.

E. Candidates for membership in the governing body or school board of any county, city or town with a population of more than 3,500 persons shall file a disclosure statement of their personal interests as required by § 24.2-502.

F. Any officer or employee of local government who has a personal interest in any transaction before the governmental or advisory agency of which he is an officer or employee and who is disqualified from participating in that transaction pursuant to subdivision A 1 of § 2.2-3112 or otherwise elects to disqualify himself, shall forthwith make disclosure of the existence of his interest, including the full name and address of the business and the address or parcel number for the real estate if the interest involves a business or real estate, and his disclosure shall be reflected in the public records of the agency for five years in the office of the administrative head of the officer's or employee's governmental or advisory agency.

G. In addition to any disclosure required by subsections A and B, in each county and city and in towns with populations in excess of 3,500, members of planning commissions, boards of zoning appeals, real estate assessors, and all county, city and town managers or executive officers shall make annual disclosures of all their interests in real estate located in the county, city or town in which they are elected, appointed, or employed. Such disclosure shall include any business in which such persons own an interest, or from which income is received, if the primary purpose of the business is to own, develop or derive compensation through the sale, exchange or development of real estate in the county, city or town. Such disclosure shall be filed as a condition to assuming office or employment, and thereafter shall be filed annually with the ~~clerk of the governing body of such county, city or town~~ *Virginia Conflict of Interest and Ethics Advisory Council* on or before ~~January~~ *December* 15. Such disclosures shall be filed and maintained as public records for five years. Forms for the filing of such reports shall be prepared and distributed by the ~~Secretary of the Commonwealth~~ *Virginia Conflict of Interest and Ethics Advisory Council* to the clerk of each governing body.

H. An officer or employee of local government who is required to declare his interest pursuant to subdivision A 2 of § 2.2-3112 shall declare his interest by stating (i) the transaction involved, (ii) the nature of the officer's or employee's personal interest affected by the transaction, (iii) that he is a member of a business, profession, occupation, or group the members of which are affected by the transaction, and (iv) that he is able to participate in the transaction fairly, objectively, and in the public interest. The officer or employee shall either make his declaration orally to be recorded in written minutes of his agency or file a signed written declaration with the clerk or administrative head of his governmental or advisory agency, as appropriate, who shall, in either case, retain and make available for public inspection such declaration for a period of five years from the date of recording or receipt. If reasonable time is not available to comply with the provisions of this subsection prior to participation in the transaction, the officer or employee shall prepare and file the required declaration by the end of the next business day. The officer or employee shall also orally disclose the existence of the interest during each meeting of the governmental or advisory agency at which the transaction is discussed and such disclosure shall be recorded in the minutes of the meeting.

I. An officer or employee of local government who is required to declare his interest pursuant to subdivision A 3 of § 2.2-3112, shall declare his interest by stating (i) the transaction involved, (ii) that a party to the transaction is a client of his firm, (iii) that he does not personally represent or provide services to the client, and (iv) that he is able to participate in the transaction fairly, objectively, and in the public interest. The officer or employee shall either make his declaration orally to be recorded in written minutes for his agency or file a signed written declaration with the clerk or administrative head of his governmental or advisory agency, as appropriate, who shall, in either case, retain and make available for public inspection such declaration for a period of five years from the date of recording or receipt. If reasonable time is not available to comply with the provisions of this subsection prior to participation in the transaction, the officer or employee shall prepare and file the required declaration by the end of the next business day.

§ 2.2-3116. Disclosure by certain constitutional officers.

For the purposes of this chapter, holders of the constitutional offices of treasurer, sheriff, attorney for the Commonwealth, clerk of the circuit court and commissioner of the revenue of each county and city, shall be deemed to be local officers and shall be required to file the Statement of Economic Interests set forth in § 2.2-3117. These officers shall file statements pursuant to § 2.2-3115 and candidates shall file statements as required by § 24.2-502. *These officers shall be subject to the prohibition on certain gifts set forth in subsection B of § 2.2-3103.1.*

§ 2.2-3117. Disclosure form.

The disclosure form to be used for filings required by subsections A and D of § 2.2-3114 and subsections A and E of § 2.2-3115 shall be substantially as follows:

STATEMENT OF ECONOMIC INTERESTS.

Name
Office or position held or sought
Address
Names of members of immediate family

DEFINITIONS AND EXPLANATORY MATERIAL.

"Business" means a corporation, partnership, sole proprietorship, firm, enterprise, franchise, association, trust or foundation, or any other individual or entity carrying on a business or profession, whether or not for profit.

"Close financial association" means an association in which the person filing shares significant financial involvement with an individual and the filer would reasonably be expected to be aware of the individual's business activities and would have access to the necessary records either directly or through the individual. "Close financial association" does not mean an association based on (i) the receipt of retirement benefits or deferred compensation from a business by which the person filing this statement is no longer employed, or (ii) the receipt of compensation for work performed by the person filing as an independent contractor of a business that represents an entity before any state governmental agency when the person filing has had no communications with the state governmental agency.

"Contingent liability" means a liability that is not presently fixed or determined, but may become fixed or determined in the future with the occurrence of some certain event.

"Dependent" means any person, whether or not related by blood or marriage, who receives from the officer or employee, or provides to the officer or employee, more than one-half of his financial support.

"Gift" means any gratuity, favor, discount, entertainment, hospitality, loan, forbearance, or other item having monetary value. It includes services as well as gifts of transportation, local travel, lodgings and meals, whether provided in-kind, by purchase of a ticket, payment in advance or reimbursement after the expense has been incurred. "Gift" shall does not include (i) any offer of a ticket, coupon, or other admission or pass unless the ticket, coupon, admission, or pass is used; "Gift" shall not include; (ii) honorary degrees and presents; (iii) any athletic, merit, or need-based scholarship or any other financial aid awarded by a public or private school, institution of higher education, or other educational program pursuant to such school, institution, or program's financial aid standards and procedures applicable to the general public; (iv) a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2; (v) any gift related to the private profession or occupation of an officer or employee or of a member of his immediate family; or (vi) gifts from relatives or personal friends. "Relative" means the donee's spouse, child, uncle, aunt, niece, or nephew; a person to whom the donee is engaged to be married; the donee's or his spouse's parent, grandparent, grandchild, brother, or sister; or the donee's brother's or sister's spouse. "Personal friend" does not include any person that the filer knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2; (b) a lobbyist's principal as defined in § 2.2-419; (c) for an officer or employee of a local governmental or advisory agency, a person, organization, or business who is a party to or is seeking to become a party to a contract with the local agency of which he is an officer or an employee; or (d) for an officer or employee of a state governmental or advisory agency, a person, organization, or business who is a party to or is seeking to become a party to a contract with the Commonwealth. "Person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.

"Immediate family" means (i) a spouse and (ii) any other person residing child who resides in the same household as the officer or employee; and who is a dependent of the officer or employee or of whom the officer or employee is a dependent.

TRUST. If you or your immediate family, separately or together, are the only beneficiaries of a trust, treat the trust's assets as if you own them directly. If you or your immediate family has a proportional interest in a trust, treat that proportion of the trust's assets as if you own them directly. For example, if you and your immediate family have a one-third interest in a trust, complete your Statement as if you own one-third of each of the trust's assets. If you or a member of your immediate family created a trust and can revoke it without the beneficiaries' consent, treat its assets as if you own them directly.

REPORT TO THE BEST OF INFORMATION AND BELIEF. Information required on this Statement must be provided on the basis of the best knowledge, information, and belief of the individual filing the Statement as of the date of this report unless otherwise stated.

COMPLETE ITEMS 1 THROUGH 10. REFER TO SCHEDULES ONLY IF DIRECTED.

You may attach additional explanatory information.

1. Offices and Directorships.

Are you or a member of your immediate family a paid officer or paid director of a business?

EITHER check NO / / OR check YES / / and complete Schedule A.

2. Personal Liabilities.

Do you or a member of your immediate family owe more than \$10,000 \$5,000 to any one creditor including contingent liabilities? (Exclude debts to any government and loans secured by recorded liens on property at least equal in value to the loan.)

EITHER check NO / / OR check YES / / and complete Schedule B.

3. Securities.

Do you or a member of your immediate family, directly or indirectly, separately or together, own securities valued in excess of ~~\$10,000~~ \$5,000 invested in one business? Account for mutual funds, limited partnerships and trusts.

EITHER check NO / / OR check YES / / and complete Schedule C.

4. Payments for Talks, Meetings, and Publications.

During the past ~~12~~ six months did you receive *in your capacity as an officer or employee of your agency* lodging, transportation, money, or anything else of value with a combined value exceeding \$200 (i) for a single talk, meeting, or published work ~~in your capacity as an officer or employee of your agency~~ or (ii) for a meeting, conference, or event where your attendance at the meeting, conference, or event was designed to (a) educate you on issues relevant to your duties as an officer or employee of your agency or (b) enhance your knowledge and skills relative to your duties as an officer or employee of your agency?

EITHER check NO / / OR check YES / / and complete Schedule D.

5. Gifts.

During the past ~~12~~ six months did a business, government, or individual other than a relative or personal friend (i) furnish you or a member of your immediate family with any gift or entertainment at a single event, and the value received by you exceeded \$50 in value or (ii) furnish you or a member of your immediate family with gifts or entertainment in any combination and the total value received by you exceeded \$100 in total value, and for which you or the member of your immediate family neither paid nor rendered services in exchange? Account for entertainment events only if the average value per person attending the event exceeded \$50 in value. Account for all business entertainment (except if related to your private profession or occupation of you or the member of your immediate family who received such business entertainment) even if unrelated to your official duties.

EITHER check NO / / OR check YES / / and complete Schedule E.

6. Salary and Wages.

List each employer that pays you or a member of your immediate family salary or wages in excess of ~~\$10,000~~ \$5,000 annually. (Exclude state or local government or advisory agencies.)

If no reportable salary or wages, check here / / .

7. Business Interests.

Do you or a member of your immediate family, separately or together, operate your own business, or own or control an interest in excess of ~~\$10,000~~ \$5,000 in a business?

EITHER check NO / / OR check YES / / and complete Schedule F.

8. Payments for Representation and Other Services.

8A. Did you represent, excluding activity defined as lobbying in § 2.2-419, any businesses before any state governmental agencies, excluding courts or judges, for which you received total compensation during the past ~~12~~ six months in excess of \$1,000, excluding compensation for other services to such businesses and representation consisting solely of the filing of mandatory papers and subsequent representation regarding the mandatory papers? (Officers and employees of local governmental and advisory agencies do NOT need to answer this question or complete Schedule G-1.)

EITHER check NO / / OR check YES / / and complete Schedule G-1.

8B. Subject to the same exceptions as in 8A, did persons with whom you have a close financial association (partners, associates or others) represent, excluding activity defined as lobbying in § 2.2-419, any businesses before any state governmental agency for which total compensation was received during the past ~~12~~ six months in excess of \$1,000? (Officers and employees of local governmental and advisory agencies do NOT need to answer this question or complete Schedule G-2.)

EITHER check NO / / OR check YES / / and complete Schedule G-2.

8C. Did you or persons with whom you have a close financial association furnish services to businesses operating in Virginia pursuant to an agreement between you and such businesses, or between persons with whom you have a close financial association and such businesses for which total compensation in excess of \$1,000 was received during the past ~~12~~ six months? *Services reported under this provision shall not include services involving the representation of businesses that are reported under item 8A or 8B.*

EITHER check NO / / OR check YES / / and complete Schedule G-3.

9. Real Estate.

9A. State Officers and Employees.

Do you or a member of your immediate family hold an interest, including a partnership interest, valued at ~~\$10,000~~ or more than \$5,000 in real property (other than your principal residence) for which you have not already listed the full address on Schedule F? Account for real estate held in trust.

EITHER check NO / / OR check YES / / and complete Schedule H-1.

9B. Local Officers and Employees.

Do you or a member of your immediate family hold an interest, including a partnership interest, or option, easement, or land contract, valued at ~~\$10,000~~ or more than \$5,000 in real property (other than your principal residence) for which you have not already listed the full address on Schedule F? Account for real estate held in trust.

EITHER check NO / / OR check YES / / and complete Schedule H-2.

10. Real Estate Contracts with Governmental Agencies.

Do you or a member of your immediate family hold an interest valued at more than \$10,000 \$5,000 in real estate, including a corporate, partnership, or trust interest, option, easement, or land contract, which real estate is the subject of a contract, whether pending or completed within the past 12 six months, with a governmental agency? If the real estate contract provides for the leasing of the property to a governmental agency, do you or a member of your immediate family hold an interest in the real estate valued at more than \$1,000? Account for all such contracts whether or not your interest is reported in Schedule F, H-1, or H-2. This requirement to disclose an interest in a lease does not apply to an interest derived through an ownership interest in a business unless the ownership interest exceeds three percent of the total equity of the business.

EITHER check NO / / OR check YES / / and complete Schedule I.

Statements of Economic Interests are open for public inspection.

AFFIRMATION BY ALL FILERS.

I swear or affirm that the foregoing information is full, true and correct to the best of my knowledge.

SCHEDULE I - REAL ESTATE CONTRACTS WITH GOVERNMENTAL AGENCIES.

List all contracts, whether pending or completed within the past ~~12~~ six months, with a governmental agency for the sale or exchange of real estate in which you or a member of your immediate family holds an interest, including a corporate, partnership or trust interest, option, easement, or land contract, valued at more than \$10,000 ~~or more~~. List all contracts with a governmental agency for the lease of real estate in which you or a member of your immediate family holds such an interest valued at more than \$1,000 ~~or more~~. This requirement to disclose an interest in a lease does not apply to an interest derived through an ownership interest in a business unless the ownership interest exceeds three percent of the total equity of the business.

State officers and employees report contracts with state agencies.
Local officers and employees report contracts with local agencies.

List your real estate interest and the person or entity, including the type of entity, which is party to the contract. Describe any management role and the percentage ownership interest you or your immediate family member has in the real estate or entity.

List each governmental agency which is a party to the contract and indicate the county or city where the real estate is located.

State the annual income from the contract, and the amount, if any, of income you or any immediate family member derives annually from the contract.

Four sets of horizontal lines for data entry, corresponding to the three columns of text above.

§ 2.2-3118. Disclosure form; certain citizen members.

A. The financial disclosure form to be used for filings required pursuant to subsection B of § 2.2-3114 and subsection B of § 2.2-3115 shall be signed by the filer either originally or by electronic signature as authorized by the Uniform Electronic Transactions Act (§ 59.1-479 et seq.) filed in accordance with the provisions of § 30-349. The financial disclosure form shall be substantially as follows:

DEFINITIONS AND EXPLANATORY MATERIAL.

"Business" means a corporation, partnership, sole proprietorship, firm, enterprise, franchise, association, trust or foundation, or any other individual or entity carrying on a business or profession, whether or not for profit.

"Close financial association" means an association in which the person filing shares significant financial involvement with an individual and the filer would reasonably be expected to be aware of the individual's business activities and would have access to the necessary records either directly or through the individual. "Close financial association" does not mean an association based on (i) the receipt of retirement benefits or deferred compensation from a business by which the person filing this statement is no longer employed, or (ii) the receipt of compensation for work performed by the person filing as an independent contractor of a business that represents an entity before any state governmental agency when the person filing has no communications with the state governmental agency.

"Contingent liability" means a liability that is not presently fixed or determined, but may become fixed or determined in the future with the occurrence of some certain event.

"Immediate family" means (i) a spouse and (ii) any other person residing child who resides in the same household as the filer, and who is a dependent of the filer or of whom the filer is a dependent.

"Dependent" means any person, whether or not related by blood or marriage, who receives from the filer, or provides to the filer, more than one-half of his financial support.

"Personal interest" means, for the purposes of this form only, a personal and financial benefit or liability accruing to a filer or a member of his immediate family. Such interest shall exist by reason of (i) ownership in real or personal property, tangible or intangible; (ii) ownership in a business; (iii) income from a business; or (iv) personal liability on behalf of a business; however, unless the ownership interest in a business exceeds three percent of the total equity of the business, or the liability on behalf of a business exceeds three percent of the total assets of the business, or the annual income, and/or

property or use of such property, from the business exceeds \$10,000 or may reasonably be anticipated to exceed \$10,000, such interest shall not constitute a "personal interest."

Name
Office or position held or to be held
Address

I. FINANCIAL INTERESTS

My personal interests and those of my immediate family are as follows:

Include all forms of personal interests held at the time of filing: real estate, stocks, bonds, equity interests in proprietorships and partnerships. You may exclude:

- 1. Deposits and interest bearing accounts in banks, savings institutions and other institutions accepting such deposits or accounts;
2. Interests in any business, other than a news medium, representing less than three percent of the total equity value of the business;
3. Liability on behalf of any business representing less than three percent of the total assets of such business; and
4. Income (other than from salary) less than \$10,000 annually from any business. You need not state the value of any interest. You must state the name or principal business activity of each business in which you have a personal interest.

A. My personal interests are:

- 1. Residence, address, or, if no address, location
2. Other real estate, address, or, if no address, location
3. Name or principal business activity of each business in which stock, bond or equity interest is held

B. The personal interests of my immediate family are:

- 1. Real estate, address or, if no address, location
2. Name or principal business activity of each business in which stock, bond or equity interest is held

II. OFFICES, DIRECTORSHIPS AND SALARIED EMPLOYMENTS

The paid offices, paid directorships and salaried employments which I hold or which members of my immediate family hold and the businesses from which I or members of my immediate family receive retirement benefits are as follows:

(You need not state any dollar amounts.)

A. My paid offices, paid directorships and salaried employments are:

Table with 2 columns: Position held, Name of business. Includes three rows of blank lines for entry.

B. The paid offices, paid directorships and salaried employments of members of my immediate family are:

Table with 2 columns: Position held, Name of business. Includes three rows of blank lines for entry.

III. BUSINESSES TO WHICH SERVICES WERE FURNISHED

A. The businesses I have represented, excluding activity defined as lobbying in § 2.2-419, before any state governmental agency, excluding any court or judge, for which I have received total compensation in excess of \$1,000 during the preceding year, excluding compensation for other services to such businesses and representation consisting solely of the filing of mandatory papers, are as follows:

Identify businesses by name and name the state governmental agencies before which you appeared on behalf of such businesses.

Table with 2 columns: Name of business, Name of governmental agency. Includes three rows of blank lines for entry.

B. The businesses that, to my knowledge, have been represented, excluding activity defined as lobbying in § 2.2-419, before any state governmental agency, excluding any court or judge, by persons with whom I have a close financial association and who received total compensation in excess of \$1,000 during the preceding year, excluding compensation for other services to such businesses and representation consisting solely of the filing of mandatory papers, are as follows:

Identify businesses by type and name the state governmental agencies before which such person appeared on behalf of such businesses.

Type of business	Name of state governmental agency
_____	_____
_____	_____
_____	_____

C. All other businesses listed below that operate in Virginia to which services were furnished pursuant to an agreement between you and such businesses and for which total compensation in excess of \$1, 000 was received during the preceding year:

Check each category of business to which services were furnished.

Electric utilities	_____

Counties, cities or towns	_____
Labor organizations	_____

IV. COMPENSATION FOR EXPENSES

The persons, associations, or other sources other than my governmental agency from which I or a member of my immediate family received remuneration in excess of \$200 during the preceding year, in cash or otherwise, as honorariums or payment of expenses in connection with my attendance at any meeting or other function to which I was invited in my official capacity are as follows:

Name of Source	Description of occasion	Amount of remuneration for each occasion
_____	_____	_____
_____	_____	_____
_____	_____	_____

B. The provisions of Part III A and B of the disclosure form prescribed by this section shall not be applicable to officers and employees of local governmental and local advisory agencies.

C. Except for real estate located within the county, city or town in which the officer or employee serves or a county, city or town contiguous to the county, city or town in which the officer or employee serves, officers and employees of local governmental or advisory agencies shall not be required to disclose under Part I of the form any other interests in real estate.

§ 2.2-3118.1. Special provisions for individuals serving in or seeking multiple positions or offices; reappointees.

A. The filing of a single current statement of economic interests by a state officer or employee required to file the form prescribed in § 2.2-3117 shall suffice for the purposes of this chapter as filing for all state positions or offices held or sought

by such individual during a single reporting period. The filing of a single current financial disclosure statement by a state officer or employee required to file the form prescribed in § 2.2-3118 shall suffice for the purposes of this chapter as filing for all state positions or offices held or sought by such individual and requiring the filing of the § 2.2-3118 form during a single reporting period.

B. Any individual who has met the requirement for ~~annually~~ *periodically* filing a statement provided in § 2.2-3117 or 2.2-3118 shall not be required to file an additional statement upon such individual's reappointment to the same office or position for which he is required to file, provided such reappointment occurs within *six months after filing a statement pursuant to § 2.2-3117 and within 12 months after the annual filing a statement pursuant to § 2.2-3118.*

§ 2.2-3121. Advisory opinions.

A. A state officer or employee shall not be prosecuted for a knowing violation of this chapter if the alleged violation resulted from his good faith reliance on a written opinion of the Attorney General *or the Virginia Conflict of Interest and Ethics Advisory Council* made in response to his written request for such opinion and the opinion was made after a full disclosure of the facts.

B. A local officer or employee shall not be prosecuted for a knowing violation of this chapter if the alleged violation resulted from his good faith reliance on a written opinion of the attorney for the Commonwealth *or the Council* made in response to his written request for such opinion and the opinion was made after a full disclosure of the facts. The written opinion shall be a public record and shall be released upon request.

C. If any officer or employee serving at the local level of government is charged with a knowing violation of this chapter, and the alleged violation resulted from his reliance upon a written opinion of his city, county or town attorney, made after a full disclosure of the facts, that such action was not in violation of this chapter, then the officer or employee shall have the right to introduce a copy of the opinion at his trial as evidence that he did not knowingly violate this chapter.

§ 2.2-3131. Exemptions.

A. The requirements of § 2.2-3130 shall not apply to state filers with a state agency who have taken an equivalent ethics orientation course through another state agency within the time periods set forth in subdivision 1 or 2 of § 2.2-3130, as applicable.

B. State agencies may jointly conduct and state filers from more than one state agency may jointly attend an orientation course required by § 2.2-3128, as long as the course content is relevant to the official duties of the attending state filers.

C. Before conducting each orientation course required by § 2.2-3128, state agencies shall consult with the Attorney General *and the Virginia Conflict of Interest and Ethics Advisory Council* regarding appropriate course content.

§ 30-100. Declaration of legislative policy; construction.

The General Assembly, recognizing that our system of representative government is dependent in part upon (i) citizen legislative members representing fully the public in the legislative process and (ii) its citizens maintaining the highest trust in their public officers, finds and declares that the citizens are entitled to be assured that the judgment of the members of the General Assembly will not be compromised or affected by inappropriate conflicts.

The provisions of this chapter do not preclude prosecution for any violation of any criminal law of the Commonwealth, including Articles 2 (Bribery and Related Offenses, § 18.2-438 et seq.) and 3 (Bribery of Public Servants and Party Officials, § 18.2-446 et seq.) of Chapter 10 of Title 18.2, and do not constitute a defense to any prosecution for such a violation.

This chapter shall apply to the members of the General Assembly.

This chapter shall be liberally construed to accomplish its purpose.

§ 30-101. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Advisory agency" means any board, commission, committee or post which does not exercise any sovereign power or duty, but is appointed by a governmental agency or officer or is created by law for the purpose of making studies or recommendations, or advising or consulting with a governmental agency.

"Business" means a corporation, partnership, sole proprietorship, firm, enterprise, franchise, association, trust or foundation, or any other individual or entity carrying on a business or profession, whether or not for profit.

"Contract" means any agreement to which a governmental agency is a party, or any agreement on behalf of a governmental agency ~~which that~~ involves the payment of money appropriated by the General Assembly or a political subdivision, whether or not such agreement is executed in the name of the Commonwealth of Virginia, or some political subdivision thereof. "Contract" includes a subcontract only when the contract of which it is a part is with the legislator's own governmental agency.

"Council" means the Virginia Conflict of Interest and Ethics Advisory Council established in § 30-348.

"Financial institution" means any bank, trust company, savings institution, industrial loan association, consumer finance company, credit union, broker-dealer as defined in subsection A of § 13.1-501, or investment company or advisor registered under the federal Investment Advisors Act or Investment Company Act of 1940.

"Gift" means any gratuity, favor, discount, entertainment, hospitality, loan, forbearance, or other item having monetary value. It includes services as well as gifts of transportation, ~~local travel~~, lodgings and meals, whether provided in-kind, by purchase of a ticket, payment in advance or reimbursement after the expense has been incurred. "Gift" ~~shall~~ *does not include (i) any offer of a ticket, coupon, or other admission or pass unless the ticket, coupon, admission, or pass is used; "Gift" shall not include; (ii) honorary degrees and presents; (iii) any athletic, merit, or need-based scholarship or any other financial*

aid awarded by a public or private school, institution of higher education, or other educational program pursuant to such school, institution, or program's financial aid standards and procedures applicable to the general public; (iv) a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2; (v) any gift related to the private profession or occupation of a legislator or of a member of his immediate family; or (vi) gifts from relatives or personal friends. For the purpose of this definition, "relative" means the donee's spouse, child, uncle, aunt, niece, or nephew; a person to whom the donee is engaged to be married; the donee's or his spouse's parent, grandparent, grandchild, brother, or sister; or the donee's brother's or sister's spouse. For the purpose of this definition, "personal friend" does not include any person that the filer knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2; (b) a lobbyist's principal as defined in § 2.2-419; or (c) a person, organization, or business who is a party to or is seeking to become a party to a contract with the Commonwealth. For purposes of this definition, "person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.

"Governmental agency" means each component part of the legislative, executive or judicial branches of state and local government, including each office, department, authority, post, commission, committee, and each institution or board created by law to exercise some regulatory or sovereign power or duty as distinguished from purely advisory powers or duties.

"Immediate family" means (i) a spouse and (ii) any ~~other person residing~~ child who resides in the same household as the legislator, and who is a dependent of the legislator ~~or of whom the legislator is a dependent.~~ "Dependent" means a son, daughter, father, mother, brother, sister or other person, whether or not related by blood or marriage, if such person receives from the legislator, or provides to the legislator, more than one-half of his financial support.

"Legislator" means a member of the General Assembly.

"Personal interest" means a financial benefit or liability accruing to a legislator or to a member of his immediate family. Such interest shall exist by reason of (i) ownership in a business if the ownership interest exceeds three percent of the total equity of the business; (ii) annual income that exceeds, or may reasonably be anticipated to exceed, ~~\$10,000~~ \$5,000 from ownership in real or personal property or a business; (iii) salary, other compensation, fringe benefits, or benefits from the use of property, or any combination thereof, paid or provided by a business or governmental agency that exceeds, or may reasonably be anticipated to exceed, ~~\$10,000~~ \$5,000 annually; (iv) ownership of real or personal property if the interest exceeds ~~\$10,000~~ \$5,000 in value and excluding ownership in a business, income, or salary, other compensation, fringe benefits or benefits from the use of property; ~~or~~ (v) personal liability incurred or assumed on behalf of a business if the liability exceeds three percent of the asset value of the business; or (vi) an option for ownership of a business or real or personal property if the ownership interest will consist of clause (i) or (iv).

"Personal interest in a contract" means a personal interest ~~which that~~ a legislator has in a contract with a governmental agency, whether due to his being a party to the contract or due to a personal interest in a business ~~which that~~ is a party to the contract.

"Personal interest in a transaction" means a personal interest of a legislator in any matter considered by the General Assembly. Such personal interest exists when an officer or employee or a member of his immediate family has a personal interest in property or a business, or represents or provides services to any individual or business and such property, business or represented or served individual or business (i) is the subject of the transaction or (ii) may realize a reasonably foreseeable direct or indirect benefit or detriment as a result of the action of the agency considering the transaction. A "personal interest in a transaction" exists only if the legislator or member of his immediate family or an individual or business represented or served by the legislator is affected in a way that is substantially different from the general public or from persons comprising a profession, occupation, trade, business or other comparable and generally recognizable class or group of which he or the individual or business he represents or serves is a member.

"Transaction" means any matter considered by the General Assembly, whether in a committee, subcommittee, or other entity of the General Assembly or before the General Assembly itself, on which official action is taken or contemplated.

§ 30-103.1. Certain gifts prohibited.

A. For purposes of this section:

"Intangible gift" means a thing of temporary value or a thing that upon the happening of a certain event or expiration of a given date loses its value. "Intangible gift" includes entertainment, hospitality, a ticket, admission, or pass, transportation, lodgings, and meals that are reportable on Schedule E of the disclosure form prescribed in § 30-111.

"Tangible gift" means a thing of value that does not lose its value upon the happening of a certain event or expiration of a given date. "Tangible gift" includes currency, negotiable instruments, securities, stock options, or other financial instruments that are reportable on Schedule E of the disclosure form prescribed in § 30-111. "Tangible gift" does not include payments or reimbursements received for any intangible gift.

B. A legislator or candidate for the General Assembly required to file the disclosure form prescribed in § 30-111 (i) shall not solicit, accept, or receive within any calendar year any single tangible gift with a value in excess of \$250 or a combination of tangible gifts with an aggregate value in excess of \$250 from any person that he knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2; (b) a lobbyist's principal as defined in § 2.2-419; or (c) a person, organization, or business who is a party to or is seeking to become a party to a contract with the Commonwealth; (ii) shall report any tangible gift with a value of \$250 or less or any intangible gift received from any person listed in clause (i) on Schedule E of such disclosure form; and (iii) shall report any payments for

talks, meetings, and publications on Schedule D-1 of such disclosure form. For purposes of this subsection, "person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.

C. The \$250 limitation imposed in accordance with this section shall be adjusted by the Council every five years, as of January 1 of that year, in an amount equal to the annual increases for that five-year period in the United States Average Consumer Price Index for all items, all urban consumers (CPI-U), as published by the Bureau of Labor Statistics of the U.S. Department of Labor, rounded to the nearest whole dollar.

§ 30-110. Disclosure.

A. Every legislator and legislator-elect shall file, as a condition to assuming office, a disclosure statement of his personal interests and such other information as is specified on the form set forth in § 30-111 and thereafter shall file such a statement ~~annually on or before January 8~~ *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.* When the filing deadline falls on a Saturday, Sunday, or legal holiday, the disclosure statement shall be filed on the next day that is not a Saturday, Sunday, or legal holiday. Disclosure forms shall be provided by the ~~clerk of the appropriate house to each legislator and legislator-elect not later than November 30 of each year~~ *Virginia Conflict of Interest and Ethics Advisory Council at least 30 days prior to the filing deadline.* Members of the Senate shall file their disclosure forms with the ~~Clerk of the Senate~~ *and members of the House of Delegates shall file their disclosure forms with the Clerk of the House of Delegates* *Virginia Conflict of Interest and Ethics Advisory Council.* The disclosure forms of the members of the General Assembly shall be maintained as public records for five years in the office of the ~~clerk of the appropriate house~~ *Virginia Conflict of Interest and Ethics Advisory Council.*

B. Candidates for the General Assembly shall file a disclosure statement of their personal interests as required by §§ 24.2-500 through 24.2-503.

C. Any legislator who has a personal interest in any transaction pending before the General Assembly and who is disqualified from participating in that transaction pursuant to § 30-108 and the rules of his house shall disclose his interest in accordance with the applicable rule of his house.

§ 30-111. Disclosure form.

A. The disclosure form to be used for filings required by subsections A and B of § 30-110 shall be substantially as follows:

STATEMENT OF ECONOMIC INTERESTS.

Name
Office or position held or sought
Home address Address
Names of members of immediate family

DEFINITIONS AND EXPLANATORY MATERIAL.

"Business" means a corporation, partnership, sole proprietorship, firm, enterprise, franchise, association, trust or foundation, or any other individual or entity carrying on a business or profession, whether or not for profit.

"Close financial association" means an association in which the filer shares significant financial involvement with an individual and the filer would reasonably be expected to be aware of the individual's business activities and would have access to the necessary records either directly or through the individual. "Close financial association" does not mean an association based on (i) the receipt of retirement benefits or deferred compensation from a business by which the legislator is no longer employed, or (ii) the receipt of compensation for work performed by the legislator as an independent contractor of a business that represents an entity before any state governmental agency when the legislator has had no communications with the state governmental agency.

"Contingent liability" means a liability that is not presently fixed or determined, but may become fixed or determined in the future with the occurrence of some certain event.

~~"Dependent" means any person, whether or not related by blood or marriage, who receives from the legislator, or provides to the legislator, more than one-half of his financial support.~~

"Gift" means any gratuity, favor, discount, entertainment, hospitality, loan, forbearance, or other item having monetary value. It includes services as well as gifts of transportation, ~~local travel~~, lodgings and meals, whether provided in-kind, by purchase of a ticket, payment in advance or reimbursement after the expense has been incurred. "Gift" ~~shall~~ *does not include* (i) any offer of a ticket, *coupon*, or other admission or pass unless the ticket, *coupon*, admission, or pass is used; ~~"Gift" shall not include;~~ (ii) honorary degrees ~~and presents~~; (iii) *any athletic, merit, or need-based scholarship or any other financial aid awarded by a public or private school, institution of higher education, or other educational program pursuant to such school, institution, or program's financial aid standards and procedures applicable to the general public;* (iv) *a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2;* (v) *any gift related to the private profession or occupation of a legislator or of a member of his immediate family;* or (vi) gifts from relatives or personal friends. "Relative" means the donee's spouse, child, uncle, aunt, niece, or nephew; a person to whom the donee is engaged to be married; the donee's or his spouse's parent, grandparent, grandchild, brother, or sister; or the donee's brother's or sister's spouse. "Personal friend" *does not include any person that the filer knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2; (b) a lobbyist's principal as defined in § 2.2-419; or (c) a person, organization, or business who is a party to or is seeking to become a party to a contract with the*

Commonwealth. "Person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.

"Immediate family" means (i) a spouse and (ii) any ~~other person residing~~ *child who resides* in the same household as the legislator, ~~and who is a dependent of the legislator or of whom the legislator is a dependent.~~

"Lobbyist relationship" means (i) an engagement, agreement, or representation that relates to legal services, consulting services, or public relations services, whether gratuitous or for compensation, between a member or member-elect and any person who is, or has been within the prior calendar year, registered as a lobbyist with the Secretary of the Commonwealth; or (ii) a greater than three percent ownership interest by a member or member-elect in a business that employs, or engages as an independent contractor, any person who is, or has been within the prior calendar year, registered as a lobbyist with the Secretary of the Commonwealth. The disclosure of a lobbyist relationship shall not ~~(i)~~ (a) constitute a waiver of any attorney-client or other privilege, ~~(ii)~~ (b) require a waiver of any attorney-client or other privilege for a third party, or ~~(iii)~~ (c) be required where a member or member-elect is employed or engaged by a person and such person also employs or engages a person in a lobbyist relationship so long as the member or member-elect has no financial interest in the lobbyist relationship.

TRUST. If you or your immediate family, separately or together, are the only beneficiaries of a trust, treat the trust's assets as if you own them directly. If you or your immediate family has a proportional interest in a trust, treat that proportion of the trust's assets as if you own them directly. For example, if you and your immediate family have a one-third interest in a trust, complete your Statement as if you own one-third of each of the trust's assets. If you or a member of your immediate family created a trust and can revoke it without the beneficiaries' consent, treat its assets as if you own them directly.

REPORT TO THE BEST OF INFORMATION AND BELIEF. Information required on this Statement must be provided on the basis of the best knowledge, information, and belief of the individual filing the Statement as of the date of this report unless otherwise stated.

COMPLETE ITEMS 1 THROUGH 11. REFER TO SCHEDULES ONLY IF DIRECTED.

You may attach additional explanatory information.

1. Offices and Directorships.

Are you or a member of your immediate family a paid officer or paid director of a business?

EITHER check NO / / OR check YES / / and complete Schedule A.

2. Personal Liabilities.

Do you or a member of your immediate family owe more than ~~\$10,000~~ \$5,000 to any one creditor including contingent liabilities? (Exclude debts to any government and loans secured by recorded liens on property at least equal in value to the loan.)

EITHER check NO / / OR check YES / / and complete Schedule B.

3. Securities.

Do you or a member of your immediate family, directly or indirectly, separately or together, own securities valued in excess of ~~\$10,000~~ \$5,000 invested in one business? Account for mutual funds, limited partnerships and trusts.

EITHER check NO / / OR check YES / / and complete Schedule C.

4. Payments for Talks, Meetings, and Publications.

During the past ~~12~~ six months did you receive in *your capacity as a legislator* lodging, transportation, money, or anything else of value with a combined value exceeding \$200 (i) for a single talk, meeting, or published work ~~in your capacity as a legislator~~ or (ii) for a meeting, conference, or event where your attendance at the meeting, conference, or event was designed to (a) educate you on issues relevant to your duties as a legislator, including issues faced by your constituents, or (b) enhance your knowledge and skills relative to your duties as a legislator? Do not include payments and reimbursements from the Commonwealth for meetings attended in your capacity as a legislator; see Question 11 and Schedule D2 to report such meetings.

EITHER check NO / / OR check YES / / and complete Schedule D.

5. Gifts.

During the past ~~12~~ six months did a business, government, or individual other than a relative or personal friend (i) furnish you *or a member of your immediate family* with any gift or entertainment at a single event, and the value received ~~by you~~ exceeded \$50 ~~in value~~ or (ii) furnish you *or a member of your immediate family* with gifts or entertainment in any combination and the *total* value received ~~by you~~ exceeded \$100 ~~in total value~~, and for which you *or the member of your immediate family* neither paid nor rendered services in exchange? Account for entertainment events only if the average value per person attending the event exceeded \$50 ~~in value~~. Account for all business entertainment (except if related to ~~you~~ the private profession or occupation of you or the member of your immediate family who received such business entertainment) even if unrelated to your official duties.

EITHER check NO / / OR check YES / / and complete Schedule E.

6. Salary and Wages.

List each employer that pays you or a member of your immediate family salary or wages in excess of ~~\$10,000~~ \$5,000 annually. (Exclude any salary received as a member of the General Assembly pursuant to § 30-19.11.)

If no reportable salary or wages, check here / /.

7. Business Interests and Lobbyist Relationships.

7A. Do you or a member of your immediate family, separately or together, operate your own business, or own or control an interest in excess of ~~\$10,000~~ \$5,000 in a business?

EITHER check NO / / OR check YES / / and complete Schedule F-1.

7B. Do you have a lobbyist relationship as that term is defined above?

EITHER check NO / / OR check YES / / and complete Schedule F-2.

8. Payments for Representation and Other Services.

8A. Did you represent any businesses before any state governmental agencies, excluding courts or judges, for which you received total compensation during the past ~~12~~ six months in excess of \$1,000, excluding compensation for other services to such businesses and representation consisting solely of the filing of mandatory papers and subsequent representation regarding the mandatory papers?

EITHER check NO / / OR check YES / / and complete Schedule G-1.

8B. Subject to the same exceptions as in 8A, did persons with whom you have a close financial association (partners, associates or others) represent any businesses before any state governmental agency for which total compensation was received during the past ~~12~~ six months in excess of \$1,000?

EITHER check NO / / OR check YES / / and complete Schedule G-2.

8C. Did you or persons with whom you have a close financial association furnish services to businesses operating in Virginia, pursuant to an agreement between you and such businesses, or between persons with whom you have a close financial association and such businesses for which total compensation in excess of \$1,000 was received during the past ~~12~~ six months? Services reported under this provision shall not include services involving the representation of businesses that are reported under question 8A or 8B above.

EITHER check NO / / OR check YES / / and complete Schedule G-3.

9. Real Estate.

Do you or a member of your immediate family hold an interest, including a partnership interest, valued at ~~\$10,000~~ or more than \$5,000 in real property (other than your principal residence) for which you have not already listed the full address on Schedule F? Account for real estate held in trust.

EITHER check NO / / OR check YES / / and complete Schedule H.

10. Real Estate Contracts with State Governmental Agencies.

Do you or a member of your immediate family hold an interest valued at more than ~~\$10,000~~ \$5,000 in real estate, including a corporate, partnership, or trust interest, option, easement, or land contract, which real estate is the subject of a contract, whether pending or completed within the past ~~12~~ six months, with a state governmental agency?

If the real estate contract provides for the leasing of the property to a state governmental agency, do you or a member of your immediate family hold an interest in the real estate, including a corporate, partnership, or trust interest, option, easement, or land contract valued at more than \$1,000? Account for all such contracts whether or not your interest is reported in Schedule F or H. This requirement to disclose an interest in a lease does not apply to an interest derived through an ownership interest in a business unless the ownership interest exceeds three percent of the total equity of the business.

EITHER check NO / / OR check YES / / and complete Schedule I.

11. Payments by the Commonwealth for Meetings.

During the past ~~12~~ six months did you receive lodging, transportation, money, or anything else of value with a combined value exceeding \$200 from the Commonwealth for a single meeting attended out-of-state in your capacity as a legislator? Do not include reimbursements from the Commonwealth for meetings attended in the Commonwealth.

EITHER check NO / / OR check YES / / and complete Schedule D-2.

For Statements filed in January 2016 and each two years thereafter, complete the following statement indicating whether you completed the ethics orientation sessions provided pursuant to law:

I certify that I completed ethics training as required by § 30-129.1. YES / / or NO / /.

Statements of Economic Interests are open for public inspection.

AFFIRMATION.

In accordance with the rules of the house in which I serve, if I receive a request that this disclosure statement be corrected, augmented, or revised in any respect, I hereby pledge that I shall respond promptly to the request. I understand that if a determination is made that the statement is insufficient, I will satisfy such request or be subjected to disciplinary action of my house.

I swear or affirm that the foregoing information is full, true and correct to the best of my knowledge.

SCHEDULE F-2 - LOBBYIST RELATIONSHIPS AND PAYMENTS.

Complete this Schedule for each lobbyist relationship with the following:

(i) any person who is, or has been within the prior calendar year, registered as a lobbyist with the Secretary of the Commonwealth, or

(ii) any business in which you have a greater than three percent ownership interest and that business employs, or engages as an independent contractor, any person who is, or has been within the prior calendar year, registered as a lobbyist with the Secretary of the Commonwealth.

List each person or business	Describe each relationship	Dates of relationship	Payments to Lobbyist	
			\$10,000 or less	More than \$10,001 \$10,000
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____
_____	_____	_____	_____	_____

THE DISCLOSURE OF A LOBBYIST RELATIONSHIP SHALL NOT (I) CONSTITUTE A WAIVER OF ANY ATTORNEY-CLIENT OR OTHER PRIVILEGE, (II) REQUIRE A WAIVER OF ANY ATTORNEY-CLIENT OR OTHER PRIVILEGE FOR A THIRD PARTY, OR (III) BE REQUIRED WHERE A MEMBER OR MEMBER-ELECT IS EMPLOYED OR ENGAGED BY A PERSON AND SUCH PERSON ALSO EMPLOYS OR ENGAGES A PERSON IN A LOBBYIST RELATIONSHIP SO LONG AS THE MEMBER OR MEMBER-ELECT HAS NO FINANCIAL INTEREST IN THE LOBBYIST RELATIONSHIP.

SCHEDULE G-1 - PAYMENTS FOR REPRESENTATION BY YOU.

List the businesses you represented before any state governmental agency, excluding any court or judge, for which you received total compensation during the past ~~12~~ six months in excess of \$1,000, excluding compensation for other services to such businesses and representation consisting solely of the filing of mandatory papers and subsequent representation regarding the mandatory papers filed by you.

Identify each business, the nature of the representation and the amount received by dollar category from each such business. You may state the type, rather than name, of the business if you are required by law not to reveal the name of the business represented by you.

Name of Business	Type of Business	Purpose of Representation	Name of Agency	Amount Received				
				\$1,001 to \$10,000	\$10,001 to \$50,000	\$50,001 to \$100,000	\$100,001 to \$250,000	\$250,001 and over

SCHEDULE I - REAL ESTATE CONTRACTS WITH STATE GOVERNMENTAL AGENCIES.

List all contracts, whether pending or completed within the past ~~42~~ six months, with a state governmental agency for the sale or exchange of real estate in which you or a member of your immediate family holds an interest, including a corporate, partnership or trust interest, option, easement, or land contract, valued at *more than* \$10,000 ~~or more~~. List all contracts with a state governmental agency for the lease of real estate in which you or a member of your immediate family holds such an interest valued at *more than* \$1,000 ~~or more~~. This requirement to disclose an interest in a lease does not apply to an interest derived through an ownership interest in a business unless the ownership interest exceeds three percent of the total equity of the business.

List your real estate interest and the person or entity, including the type of entity, which is party to the contract. Describe any management role and the percentage ownership interest you or your immediate family member has in the real estate or entity.	List each governmental agency which is a party to the contract and indicate the county or city where the real estate is located.	State the annual income from the contract, and the amount, if any, of income you or any immediate family member derives annually from the contract.

B. Any legislator who makes a knowing misstatement of a material fact on the Statement of Economic Interests shall be subject to disciplinary action for such violations by the house in which the legislator sits.

C. ~~In accordance with the rules of each house, the~~ The Statement of Economic Interests of all members of each house shall be reviewed by the Council. If a legislator's Statement is found to be inadequate as filed, the legislator shall be notified in writing and directed to file an amended Statement correcting the indicated deficiencies, and a time shall be set within which such amendment shall be filed. If the Statement of Economic Interests, in either its original or amended form, is found to be adequate as filed, the legislator's filing shall be deemed in full compliance with this section as to the information disclosed thereon.

D. Ten percent of the membership of a house, on the basis of newly discovered facts, may in writing request the house in which those members sit, in accordance with the rules of that house, to review the Statement of Economic Interests of another member of that house in order to determine the adequacy of his filing. In accordance with the rules of each house, each Statement of Economic Interests shall be promptly reviewed, the adequacy of the filing determined, and notice given in writing to the legislator whose Statement is in issue. Should it be determined that the Statement requires correction,

augmentation or revision, the legislator involved shall be directed to make the changes required within such time as shall be set under the rules of each house.

If a legislator, after having been notified in writing in accordance with the rules of the house in which he sits that his Statement is inadequate as filed, fails to amend his Statement so as to come into compliance within the time limit set, he shall be subject to disciplinary action by the house in which he sits. No legislator shall vote on any question relating to his own Statement.

§ 30-112. Senate and House Ethics Advisory Panels; membership; terms; quorum; compensation and expenses.

A. The Senate Ethics Advisory Panel and the House Ethics Advisory Panel are established in the legislative branch of state government. The provisions of §§ 30-112 through 30-119 shall be applicable to each panel.

B. The Senate Ethics Advisory Panel shall be composed of five nonlegislative citizen members: three of whom shall be former members of the Senate; and two of whom shall be citizens of the Commonwealth at large who have not previously held such office. All members of the Panel shall be citizens of the Commonwealth. No member shall engage in activities requiring him to register as a lobbyist under § 2.2-422 during his tenure on the Panel.

The members shall be nominated by the Committee on Rules of the Senate and confirmed by the Senate *by a majority vote of (i) the members present of the majority party and (ii) the members present of the minority party*. After initial appointments, all appointments shall be for terms of four years each except for unexpired terms. Nominations shall be made so as to assure bipartisan representation on the Panel.

C. The House Ethics Advisory Panel shall be composed of five nonlegislative citizen members: one of whom shall be a retired justice or judge of a court of record; two of whom shall be former members of the House of Delegates; and two of whom shall be citizens of the Commonwealth at large, at least one of whom shall not have previously held such office. All members of the Panel shall be citizens of the Commonwealth. No member shall engage in activities requiring him to register as a lobbyist under § 2.2-422 during his tenure on the Panel.

The members shall be nominated by the Speaker of the House of Delegates and confirmed by the House of Delegates *by a majority vote of (i) the members present of the majority party and (ii) the members present of the minority party*. After initial appointments, all appointments shall be for terms of four years each except for unexpired terms. Nominations shall be made so as to assure bipartisan representation on the Panel.

D. Each panel shall elect its own chairman and vice-chairman from among its membership.

E. No member shall serve more than three successive four-year terms. Vacancies shall be filled only for the unexpired term. Vacancies shall be filled in the same manner as the original appointments. The remainder of any term to which a member is appointed to fill a vacancy shall not constitute a term in determining the member's eligibility for reappointment.

F. Three members shall constitute a quorum on each panel. A vacancy shall not impair the right of the remaining members to exercise all powers of the Panel. Meetings of each panel shall be held at the call of the chairman or whenever the majority of the members so request.

G. The members of each panel, while serving on the business of the Panel, are performing legislative duties and shall be entitled to the compensation and reimbursement of expenses to which members of the General Assembly are entitled when performing legislative duties pursuant to §§ 2.2-2813, 2.2-2825, and 30-19.12. Funding for the cost of compensation and expenses of the members of the Senate Ethics Advisory Panel shall be provided by the Office of the Clerk of the Senate and the funding for the cost of compensation and expenses of the House Ethics Advisory Panel shall be provided by the Office of the Clerk of the House of Delegates.

§ 30-114. Filing of complaints; procedures; disposition.

A. In response to the signed and sworn complaint of any citizen of the Commonwealth, which is subscribed by the maker as true under penalty of perjury, submitted to the Panel, the Panel shall inquire into any alleged violation of Articles 2 (§ 30-102 et seq.) through 5 (§ 30-109 et seq.) ~~of this chapter~~ by any member of the respective house of the General Assembly in his current term or his immediate prior term. Complaints shall be filed with the ~~Director of the Division of Legislative Services~~ *Virginia Conflict of Interest and Ethics Advisory Council*, ~~who~~ *which* shall promptly (i) submit the complaint to the chairman of the appropriate Panel and (ii) forward a copy of the complaint to the legislator named in the complaint. The chairman shall promptly notify the Panel of the complaint. No complaint shall be filed with the Panel 60 or fewer days before a primary election or other nominating event or before a general election in which the cited legislator is running for office, and the Panel shall not accept or act on any complaint received during this period.

B. The Panel shall determine, during its preliminary investigation, whether the facts stated in the complaint taken as true are sufficient to show a violation of Articles 2 (§ 30-102 et seq.) through 5 (§ 30-109 et seq.) ~~of this chapter~~. If the facts, as stated in the complaint, fail to give rise to such a violation, then the Panel shall dismiss the complaint. If the facts, as stated in the complaint, give rise to such a violation, then the Panel shall request that the complainant appear and testify under oath as to the complaint and the allegations therein. After hearing the testimony and reviewing any other evidence provided by the complainant, the Panel shall dismiss the complaint if the Panel fails to find by a preponderance of the evidence that such violation has occurred. If the Panel finds otherwise, it shall proceed with the inquiry.

C. If after such preliminary investigation, the Panel determines to proceed with an inquiry into the conduct of any legislator, the Panel (i) shall immediately notify in writing the individual who filed the complaint and the cited legislator as to the fact of the inquiry and the charges against the legislator and (ii) shall schedule one or more hearings on the matter. The legislator shall have the right to present evidence, cross-examine witnesses, face and examine the accuser, and be represented by counsel at any hearings. In its discretion, the Panel may grant the legislator any other rights or privileges not

specifically enumerated in this subsection. Once the Panel has determined to proceed with an inquiry, its meetings and hearings shall be open to the public.

D. Once the Panel determines to proceed with an inquiry into the conduct of any legislator, the Panel shall complete its investigations and dispose of the matter as provided in § 30-116 notwithstanding the resignation of the legislator during the course of the Panel's proceedings.

§ 30-117. Confidentiality of proceedings.

All proceedings during the investigation of any complaint by the Panel shall be confidential. This rule of confidentiality shall apply to Panel members and their staff ~~and~~, the Committee on Privileges and Elections and its staff, *and the Virginia Conflict of Interest and Ethics Advisory Council.*

§ 30-118. Staff for Panel.

The Panel may hire staff and outside counsel to assist the Panel and to conduct examinations of witnesses, subject to the approval of the President Pro Tempore of the Senate for the Senate Ethics Advisory Panel and subject to the approval of the Speaker of the House of Delegates for the House Ethics Advisory Panel. ~~The Panel may have the Director of the Division of Legislative Services, and such additional staff as he may assign, assist the Panel during its preliminary investigation and during its proceedings.~~

§ 30-124. Advisory opinions.

A legislator shall not be prosecuted or disciplined for a violation of this chapter if his alleged violation resulted from his good faith reliance on a written opinion of a committee on standards of conduct established pursuant to § 30-120, ~~or~~ an opinion of the Attorney General as provided in § 30-122, *or a formal opinion of the Virginia Conflict of Interest and Ethics Advisory Council established pursuant to § 30-348*, and the opinion was made after his full disclosure of the facts.

Article 6.

Ethics Orientation Sessions.

§ 30-129.1. Orientation sessions on ethics and conflicts of interests.

The Virginia Conflict of Interest and Ethics Advisory Council shall conduct an orientation session (i) for new and returning General Assembly members preceding each even-numbered year regular session and (ii) for any new General Assembly member who is elected in a special election and whose term commences after the date of the orientation session provided for in clause (i) and at least six months before the date of the next such orientation session within three months of his election. Attendance at the full orientation session shall be mandatory for newly elected members. Attendance at a refresher session lasting at least two hours shall be mandatory for returning members and may be accomplished by online participation. There shall be no penalty for the failure of a member to attend the full or refresher orientation session, but the member must disclose his attendance pursuant to § 30-111.

§ 30-129.2. Content of orientation sessions.

The orientation session shall provide information and training for the members on ethics and conflicts of interests, on the provisions of the General Assembly Conflicts of Interests Act (§ 30-100 et seq.), on relevant federal law provisions, and on related issues involving lobbying. Refresher sessions may be offered online.

§ 30-129.3. Orientation session preparations.

Those conducting the orientation sessions may call on other agencies in the legislative or executive branches for assistance, may invite experts to assist in the sessions, and shall, upon request of a member who holds a professional license or certification, apply for continuing education credits with the appropriate licensing or certifying entity for the sessions.

CHAPTER 55.

VIRGINIA CONFLICT OF INTEREST AND ETHICS ADVISORY COUNCIL.

§ 30-348. Virginia Conflict of Interest and Ethics Advisory Council; membership; terms; quorum; expenses.

A. *The Virginia Conflict of Interest and Ethics Advisory Council (the Council) is hereby created as an advisory council in the legislative branch to encourage and facilitate compliance with the State and Local Government Conflict of Interests Act (§ 2.2-3100 et seq.) and the General Assembly Conflicts of Interests Act (§ 30-100 et seq.) (hereafter the Acts) and the lobbying laws in Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2 (hereafter Article 3).*

B. *The Council shall consist of 15 members as follows: four members appointed by the Speaker of the House of Delegates, one of whom shall be a member of the House of Delegates, one of whom shall be a former member of the House of Delegates, and two of whom shall be nonlegislative citizen members; four members appointed by the Senate Committee on Rules, one of whom shall be a member of the Senate, one of whom shall be a former member of the Senate, and two of whom shall be nonlegislative citizen members; four members appointed by the Governor, two of whom shall be executive branch employees and two of whom shall be nonlegislative citizen members; one member designated by the Attorney General; one member appointed by the Senate Committee on Rules from a list of three nominees submitted by the Virginia Association of Counties; and one member appointed by the Speaker of the House of Delegates from a list of three nominees submitted by the Virginia Municipal League. All members of the Council are subject to confirmation by the General Assembly by a majority vote in each house of (i) the members present of the majority party and (ii) the members present of the minority party.*

C. *All appointments following the initial staggering of terms shall be for terms of four years, except that appointments to fill vacancies shall be for the unexpired terms in the same manner as the original appointment. No nonlegislative citizen member shall be eligible to serve for more than two successive four-year terms. However, after the expiration of a term of three years or less, or after the expiration of the remainder of a term to which appointed to fill a vacancy, two additional*

terms may be served by such member if appointed thereto. Legislative members and other state government officials shall serve terms coincident with their terms of office. Legislative members may be reappointed for successive terms.

D. The members of the Council shall elect from among their membership a chairman and a vice-chairman for two-year terms. The chairman and vice-chairman may not succeed themselves to the same position. The Council shall hold meetings quarterly or upon the call of the chairman. A majority of the Council shall constitute a quorum.

E. Members of the Council shall receive no compensation for their services but shall be reimbursed for all reasonable and necessary expenses incurred in the performance of their duties as provided in §§ 2.2-2813, 2.2-2825, and 30-19.12, as appropriate. Funding for expenses of the members shall be provided from existing appropriations to the Council.

§ 30-349. Powers and duties of the Council.

The Council shall:

1. Review all disclosure forms filed by lobbyists pursuant to Article 3 and by state and local government officers and employees and legislators pursuant to the Acts. The Council shall review all disclosure forms for completeness, which shall include reviewing the information contained on the face of the form to determine if the disclosure form has been fully completed and comparing the disclosures contained in any disclosure form filed by a lobbyist pursuant to § 2.2-426 with other disclosure forms filed with the Council, and be followed by requests for amendments to ensure the completeness of and correction of errors in the forms, if necessary;

2. Accept any disclosure forms by computer or electronic means in accordance with the standards approved by the Council and using software meeting standards approved by it. The Council shall provide software to filers without charge and may prescribe the method of execution and certification of electronically filed forms, including the use of an electronic signature as authorized by the Uniform Electronic Transactions Act (§ 59.1-479 et seq.), and the procedures for receiving forms in the office of the Council;

3. Beginning July 1, 2015, establish and maintain a searchable electronic database comprising disclosure forms filed pursuant to §§ 2.2-426, 2.2-3117, 2.2-3118, and 30-111. Such database shall be available to the public through the Council's official website;

4. Furnish, upon request, formal advisory opinions or guidelines and other appropriate information, including informal advice, regarding ethics and conflicts issues arising under Article 3 or the Acts to any person or to any agency of state or local government, in an expeditious manner. Informal advice given by the Council is confidential, protected by the attorney-client privilege, and is excluded from the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.);

5. Conduct training seminars and educational programs for lobbyists, state and local government officers and employees and legislators, and other interested persons on the requirements of Article 3 and the Acts and provide ethics orientation sessions for legislators in compliance with Article 6 (§ 30-129.1 et seq.) of Chapter 13;

6. Approve orientation courses conducted pursuant to § 2.2-3128 and, upon request, review the educational materials and approve any training or course on the requirements of Article 3 and the Acts conducted for state and local government officers and employees;

7. Publish such educational materials as it deems appropriate on the provisions of Article 3 and the Acts;

8. Review actions taken in the General Assembly with respect to the discipline of its members for the purpose of offering nonbinding advice;

9. Request from any agency of state or local government such assistance, services, and information as will enable the Council to effectively carry out its responsibilities. Information provided to the Council by an agency of state or local government shall not be released to any other party unless authorized by such agency; and

10. Report on or before December 1 of each year on its activities and findings regarding Article 3 and the Acts, including recommendations for changes in the laws, to the General Assembly and the Governor. The annual report shall be submitted by the chairman as provided in the procedures of the Division of Legislative Automated Systems for the processing of legislative documents and reports and shall be published as a state document.

§ 30-350. Staff.

Staff assistance to the Council shall be provided by the Division of Legislative Services. Staff shall perform those duties assigned to it by the Council, including those duties enumerated in § 30-349.

§ 30-351. Cooperation of agencies of state and local government.

Every department, division, board, bureau, commission, authority, or political subdivision of the Commonwealth shall cooperate with, and provide such assistance to, the Council as the Council may request.

2. That the initial terms of the nonlegislative citizen members and former legislative members of the Virginia Conflict of Interest and Ethics Advisory Council appointed pursuant to this act shall be staggered as follows: (i) two nonlegislative citizen members, one appointed by the Speaker of the House of Delegates and one appointed by the Senate Committee on Rules, for a term of two years; (ii) two nonlegislative citizen members, one appointed by the Speaker of the House of Delegates and one appointed by the Governor, for a term of three years; (iii) two nonlegislative citizen members, one member appointed by the Senate Committee on Rules and one appointed by the Governor, and two former legislative members, one appointed by the Speaker of the House of Delegates and one appointed by the Senate Committee on Rules, for a term of four years; and (iv) the designee of the Attorney General and the appointed representatives of the Virginia Association of Counties and Virginia Municipal League for a term of one year. Thereafter, the terms of members shall be for four years.

3. That, if the General Assembly is not in session when initial appointments to the Virginia Conflict of Interest and Ethics Advisory Council are made, such initial appointments shall be confirmed at the next succeeding regular session of the General Assembly following such appointments and the Council may exercise all powers and perform all duties set forth in this act notwithstanding any provisions of this act requiring confirmation of members appointed to the Council by the General Assembly.

4. That the Virginia Conflict of Interest and Ethics Advisory Council shall promulgate instructions for all filers required to file a disclosure form regarding how to complete and file such forms in accordance with provisions of this act.

5. That the Virginia Conflict of Interest and Ethics Advisory Council shall review the current statutory disclosure forms located at §§ 2.2-426, 2.2-3117, 2.2-3118, and 30-111 of the Code of Virginia and promulgate revised forms consistent with the provisions of this act. The Council shall submit its proposed revised forms to the General Assembly on or before November 15, 2015.

6. That the provisions of this act requiring the filing of disclosure forms with the Virginia Conflict of Interest and Ethics Advisory Council shall become effective on July 1, 2015, and the first of such disclosure forms filed with the Council shall be such disclosure forms required to be filed by December 15, 2015. All filers required to file a disclosure form for any filing period prior to December 15, 2015, shall file such form with the entity currently responsible for accepting such filings in the manner currently accepted by such entity.

7. That the provisions of this act do not affect the requirement that each lobbyist required to file a report of expenditures pursuant to § 2.2-426 of the Code of Virginia shall file such report by July 1, 2014, for the preceding 12-month period complete through the last day of April and shall thereafter follow the semiannual reporting schedule set forth in § 2.2-426.

8. That the provisions of this act may result in a net increase in periods of imprisonment or commitment. Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation is \$0 for periods of imprisonment in state adult correctional facilities and is \$0 for periods of commitment to the custody of the Department of Juvenile Justice.

9. That, except as provided in the seventh enactment of this act, the filing period for all filers required to file a disclosure form on December 15, 2014, shall consist of January 2014 complete through the last day of October 2014.

CHAPTER 793

An Act to amend and reenact § 23-9.2:10 of the Code of Virginia, relating to student mental health policies; violence prevention committees.

[H 1268]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 23-9.2:10 of the Code of Virginia is amended and reenacted as follows:

§ 23-9.2:10. Violence prevention committee; threat assessment team.

A. Each public college or university shall have in place policies and procedures for the prevention of violence on campus, including assessment and intervention with individuals whose behavior poses a threat to the safety of the campus community.

B. The board of visitors or other governing body of each public institution of higher education shall determine a committee structure on campus of individuals charged with education and prevention of violence on campus. Each committee shall include representatives from student affairs, law enforcement, human resources, counseling services, residence life, and other constituencies as needed. Such committee shall also consult with legal counsel as needed. Once formed, each committee shall develop a clear statement of: (i) mission, (ii) membership, and (iii) leadership. Such statement shall be published and available to the campus community.

C. Each committee shall be charged with: (i) providing guidance to students, faculty, and staff regarding recognition of threatening or aberrant behavior that may represent a *physical* threat to the community; (ii) ~~identification of~~ *identifying* members of the campus community to whom threatening behavior should be reported; (iii) *establishing policies and procedures that outline circumstances under which all faculty and staff are to report behavior that may represent a physical threat to the community, consistent with state and federal law;* and ~~(iii)~~ (iv) *establishing* policies and procedures for the assessment of individuals whose behavior may present a threat, appropriate means of intervention with such individuals, and sufficient means of action, including interim suspension, referrals to community services boards or health care providers for evaluation or treatment, ~~or~~ *medical separation to resolve potential physical threats, or notification of family members or guardians, or both, unless such notification would prove harmful to the individual in question, consistent with state and federal law.*

D. The board of visitors or other governing body of each public institution of higher education shall establish a specific threat assessment team that shall include members from law enforcement, mental health professionals, representatives of student affairs and human resources, and, if available, college or university counsel. Such team shall implement the assessment, intervention and action policies set forth by the committee pursuant to subsection C.

E. Each threat assessment team shall establish relationships or utilize existing relationships with local and state law-enforcement agencies as well as mental health agencies to expedite assessment and intervention with individuals whose behavior may present a threat to safety. Upon a preliminary determination that an individual poses a threat of violence to self or others, or exhibits significantly disruptive behavior or need for assistance, a threat assessment team may obtain criminal history record information, as provided in §§ 19.2-389 and 19.2-389.1, and health records, as provided in § 32.1-127.1:03. No member of a threat assessment team shall redisclose any criminal history record information or health information obtained pursuant to this section or otherwise use any record of an individual beyond the purpose for which such disclosure was made to the threat assessment team.

CHAPTER 794

An Act to amend and reenact §§ 17.1-275.12, 18.2-67.5:1, 18.2-346, 18.2-348, 18.2-356, 18.2-359, 18.2-361, 18.2-368, 18.2-370, 18.2-370.1, 18.2-371, and 18.2-374.3 of the Code of Virginia, relating to sodomy; penalties.

[S 14]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 17.1-275.12, 18.2-67.5:1, 18.2-346, 18.2-348, 18.2-356, 18.2-359, 18.2-361, 18.2-368, 18.2-370, 18.2-370.1, 18.2-371, and 18.2-374.3 of the Code of Virginia are amended and reenacted as follows:

§ 17.1-275.12. Additional fee for Internet Crimes Against Children Fund.

In addition to the fees provided for by §§ 16.1-69.48:1, 16.1-69.48:1.01, 17.1-275.1, 17.1-275.2, 17.1-275.3, 17.1-275.4, 17.1-275.5, 17.1-275.7, 17.1-275.8, 17.1-275.9, 17.1-275.10, and 17.1-275.11, a fee of ~~\$10~~ \$15 upon each felony or misdemeanor conviction shall be assessed as court costs. All fees collected pursuant to this section shall be deposited into the state treasury and credited to the Internet Crimes Against Children Fund.

There is hereby established in the state treasury the Internet Crimes Against Children Fund. Such fund shall consist of all fees collected under this section, moneys appropriated directly to the Fund, and any other grants or gifts made to the Fund. Moneys in the Fund shall be disbursed in the following manner: to the Virginia State Police, 33.3333 percent of the total annual deposits to support the Northern Virginia Internet Crimes Against Children program; to the Department of Criminal Justice Services, 33.3333 percent of the total annual deposits to support the Southern Virginia Internet Crimes Against Children program; to the Department of Criminal Justice Services, 27.7777 percent of the total annual deposits to support grants and training and equipment for local law-enforcement agencies' use in investigating and prosecuting Internet crimes against children; and to the Department of Social Services, 5.5555 percent of the total annual deposits to support the Virginia Child Protection Accountability System established under § 63.2-1530.

§ 18.2-67.5:1. Punishment upon conviction of third misdemeanor offense.

When a person is convicted of sexual battery in violation of § 18.2-67.4, attempted sexual battery in violation of subsection C of § 18.2-67.5, a violation of § 18.2-371 involving consensual intercourse, *anal intercourse*, *cunnilingus*, *fellatio*, or *anilingus* with a child, indecent exposure of himself or procuring another to expose himself in violation of § 18.2-387, or a violation of § 18.2-130, and it is alleged in the warrant, information, or indictment on which the person is convicted and found by the court or jury trying the case that the person has previously been convicted within the ~~ten-year~~ 10-year period immediately preceding the offense charged of two or more of the offenses specified in this section, each such offense occurring on a different date, he ~~shall be~~ is guilty of a Class 6 felony.

§ 18.2-346. Prostitution; commercial sexual conduct; commercial exploitation of a minor; penalties.

A. Any person who, for money or its equivalent, (i) commits adultery, fornication, or any act in violation of § 18.2-361, *performs cunnilingus, fellatio, or anilingus upon or by another person, or engages in anal intercourse* or (ii) offers to commit adultery, fornication, or any act in violation of § 18.2-361, *perform cunnilingus, fellatio, or anilingus upon or by another person, or engage in anal intercourse* and thereafter does any substantial act in furtherance thereof is guilty of prostitution, which is punishable as a Class 1 misdemeanor.

B. Any person who offers money or its equivalent to another for the purpose of engaging in sexual acts as enumerated in subsection A and thereafter does any substantial act in furtherance thereof is guilty of solicitation of prostitution, which is punishable as a Class 1 misdemeanor. However, any person who solicits prostitution from a minor (i) 16 years of age or older is guilty of a Class 6 felony or (ii) younger than 16 years of age is guilty of a Class 5 felony.

§ 18.2-348. Aiding prostitution or illicit sexual intercourse, etc.

It ~~shall be~~ is unlawful for any person or any officer, employee, or agent of any firm, association, or corporation, with knowledge of, or good reason to believe, the immoral purpose of such visit, to take or transport or assist in taking or transporting, or offer to take or transport on foot or in any way, any person to a place, whether within or without any building or structure, used or to be used for the purpose of lewdness, assignation, or prostitution within ~~this the~~ the Commonwealth; or to procure or assist in procuring for the purpose of illicit sexual intercourse, *anal intercourse*, *cunnilingus*, *fellatio*, or *anilingus* or any act violative of § 18.2-361, or to give any information or direction to any person with intent to enable such person to commit an act of prostitution.

§ 18.2-356. Receiving money for procuring person.

Any person who receives any money or other valuable thing for or on account of (i) procuring for or placing in a house of prostitution or elsewhere any person for the purpose of causing such person to engage in unlawful sexual intercourse, *anal intercourse, cunnilingus, fellatio, or anilingus* or any act in violation of § 18.2-361 or (ii) causing any person to engage in forced labor or services, concubinage, prostitution, or the manufacture of any obscene material or child pornography ~~shall~~ **be is** guilty of a Class 4 felony.

§ 18.2-359. Venue for criminal sexual assault or where any person transported for criminal sexual assault, attempted criminal sexual assault, or purposes of unlawful sexual intercourse, crimes against nature, and indecent liberties with children; venue for such crimes when coupled with a violent felony.

A. Any person transporting or attempting to transport through or across ~~this~~ **the** Commonwealth; any person for the purposes of unlawful sexual intercourse, *anal intercourse, cunnilingus, fellatio, or anilingus* or prostitution, or for the purpose of committing any crime specified in § 18.2-361 or 18.2-370, or for the purposes of committing or attempting to commit criminal sexual assault under Article 7 (§ 18.2-61 et seq.) of Chapter 4, may be presented, indicted, tried, and convicted in any county or city in which any part of such transportation occurred.

B. Venue for the trial of any person charged with committing or attempting to commit any crime specified in § 18.2-361 or 18.2-370 or sexual assault under Article 7 (§ 18.2-61 et seq.) of Chapter 4 may be had in the county or city in which such crime is alleged to have occurred or, with the concurrence of the attorney for the Commonwealth in the county or city in which the crime is alleged to have occurred, in any county or city through which the victim was transported by the defendant prior to the commission of such offense.

C. Venue for the trial of any person charged with committing or attempting to commit criminal sexual assault under Article 7 (§ 18.2-61 et seq.) of Chapter 4 against a person under 18 years of age may be had in the county or city in which such crime is alleged to have occurred or, when the county or city where the offense is alleged to have occurred cannot be determined, then in the county or city where the person under 18 years of age resided at the time of the offense.

D. Venue for the trial of any person charged with committing or attempting to commit (i) any crime specified in § 18.2-361 or 18.2-370 or criminal sexual assault under Article 7 (§ 18.2-61 et seq.) of Chapter 4 and (ii) any violent felony as defined in § 17.1-805 or any act of violence as defined in § 19.2-297.1 arising out of the same incident, occurrence, or transaction may be had in the county or city in which any such crime is alleged to have occurred or, with the concurrence of the attorney for the Commonwealth in the county or city in which the crime is alleged to have occurred, in any county or city through which the victim was transported by the defendant in the commission of such offense.

§ 18.2-361. Crimes against nature; penalty.

A. If any person carnally knows in any manner any brute animal; ~~or carnally knows any male or female person by the anus or by or with the mouth,~~ or voluntarily submits to such carnal knowledge, he ~~or she shall be~~ **is** guilty of a Class 6 felony; ~~except as provided in subsection B.~~

B. Any person who performs or causes to be performed cunnilingus, fellatio, anilingus, or anal intercourse upon or by his daughter or granddaughter, son or grandson, brother or sister, or father or mother is guilty of a Class 5 felony. However, if a parent or grandparent commits any such act with his child or grandchild and such child or grandchild is at least 13 but less than 18 years of age at the time of the offense, such parent or grandparent is guilty of a Class 3 felony.

C. For the purposes of this section, parent includes step-parent, grandparent includes step-grandparent, child includes step-child, and grandchild includes step-grandchild.

§ 18.2-368. Placing or leaving wife for prostitution; penalty.

Any person who, by force, fraud, intimidation, or threats, places or leaves; or procures any other person to place or leave his wife in a bawdy place for the purpose of prostitution or unlawful sexual intercourse, ~~shall be~~ **is** guilty of pandering, punishable as a Class 4 felony.

§ 18.2-370. Taking indecent liberties with children; penalties.

A. Any person 18 years of age or over, who, with lascivious intent, knowingly and intentionally commits any of the following acts with any child under the age of 15 years is guilty of a Class 5 felony:

(1) Expose his or her sexual or genital parts to any child to whom such person is not legally married or propose that any such child expose his or her sexual or genital parts to such person; or

(2) [Repealed.]

(3) Propose that any such child feel or fondle his own sexual or genital parts or the sexual or genital parts of such person or propose that such person feel or fondle the sexual or genital parts of any such child; or

(4) Propose to such child the performance of an act of sexual intercourse, *anal intercourse, cunnilingus, fellatio, or anilingus* or any act constituting an offense under § 18.2-361; or

(5) Entice, allure, persuade, or invite any such child to enter any vehicle, room, house, or other place, for any of the purposes set forth in the preceding subdivisions of this ~~section~~ **subsection**.

B. Any person 18 years of age or over who, with lascivious intent, knowingly and intentionally receives money, property, or any other remuneration for allowing, encouraging, or enticing any person under the age of 18 years to perform in or be a subject of sexually explicit visual material as defined in § 18.2-374.1 or who knowingly encourages such person to perform in or be a subject of sexually explicit material; ~~shall be~~ **is** guilty of a Class 5 felony.

C. Any person who is convicted of a second or subsequent violation of this section ~~shall be~~ **is** guilty of a Class 4 felony; provided that (i) the offenses were not part of a common act, transaction or scheme; (ii) the accused was at liberty as

defined in § 53.1-151 between each conviction; and (iii) it is admitted, or found by the jury or judge before whom the person is tried, that the accused was previously convicted of a violation of this section.

D. Any parent, step-parent, grandparent, or step-grandparent who commits a violation of either this section or clause (v) or (vi) of subsection A of § 18.2-370.1 (i) upon his child, step-child, grandchild, or step-grandchild who is at least 15 but less than 18 years of age is guilty of a Class 5 felony or (ii) upon his child, step-child, grandchild, or step-grandchild less than 15 years of age is guilty of a Class 4 felony.

§ 18.2-370.1. Taking indecent liberties with child by person in custodial or supervisory relationship; penalties.

A. Any person 18 years of age or older who, except as provided in § 18.2-370, maintains a custodial or supervisory relationship over a child under the age of 18 and is not legally married to such child and such child is not emancipated who, with lascivious intent, knowingly and intentionally (i) proposes that any such child feel or fondle the sexual or genital parts of such person or that such person feel or handle the sexual or genital parts of the child; or (ii) proposes to such child the performance of an act of sexual intercourse, *anal intercourse, cunnilingus, fellatio, or anilingus* or any act constituting an offense under § 18.2-361; or (iii) exposes his or her sexual or genital parts to such child; or (iv) proposes that any such child expose his or her sexual or genital parts to such person; or (v) proposes to the child that the child engage in sexual intercourse, sodomy or fondling of sexual or genital parts with another person; or (vi) sexually abuses the child as defined in *subdivision 6 of § 18.2-67.10* ~~(6)~~; ~~shall be is~~ guilty of a Class 6 felony.

B. Any person who is convicted of a second or subsequent violation of this section ~~shall be is~~ guilty of a Class 5 felony; provided that (i) the offenses were not part of a common act, transaction or scheme; (ii) the accused was at liberty as defined in § 53.1-151 between each conviction; and (iii) it is admitted, or found by the jury or judge before whom the person is tried, that the accused was previously convicted of a violation of this section.

§ 18.2-371. Causing or encouraging acts rendering children delinquent, abused, etc.; penalty; abandoned infant.

Any person 18 years of age or older, including the parent of any child, who (i) willfully contributes to, encourages, or causes any act, omission, or condition ~~which that~~ renders a child delinquent, in need of services, in need of supervision, or abused or neglected as defined in § 16.1-228; or (ii) engages in consensual sexual intercourse *or anal intercourse with or performs cunnilingus, fellatio, or anilingus upon or by* a child 15 or older not his spouse, child, or grandchild; ~~shall be is~~ guilty of a Class 1 misdemeanor. This section shall not be construed as repealing, modifying, or in any way affecting §§ 18.2-18, 18.2-19, 18.2-61, 18.2-63, and 18.2-347.

If the prosecution under this section is based solely on the accused parent having left the child at a hospital or rescue squad, it shall be an affirmative defense to prosecution of a parent under this section that such parent safely delivered the child to a hospital that provides 24-hour emergency services or to an attended rescue squad that employs emergency medical technicians, within the first 14 days of the child's life. In order for the affirmative defense to apply, the child shall be delivered in a manner reasonably calculated to ensure the child's safety.

§ 18.2-374.3. Use of communications systems to facilitate certain offenses involving children.

A. As used in subsections C, D, and E, "use a communications system" means making personal contact or direct contact through any agent or agency, any print medium, the United States mail, any common carrier or communication common carrier, any electronic communications system, the Internet, or any telecommunications, wire, computer network, or radio communications system.

B. It ~~shall be is~~ unlawful for any person to use a communications system, including but not limited to computers or computer networks or bulletin boards, or any other electronic means for the purposes of procuring or promoting the use of a minor for any activity in violation of § 18.2-370 or 18.2-374.1. A violation of this subsection is a Class 6 felony.

C. It ~~shall be is~~ unlawful for any person 18 years of age or older to use a communications system, including but not limited to computers or computer networks or bulletin boards, or any other electronic means, for the purposes of soliciting, with lascivious intent, any person he knows or has reason to believe is a child younger than 15 years of age to knowingly and intentionally:

1. Expose his sexual or genital parts to any child to whom he is not legally married or propose that any such child expose his sexual or genital parts to such person;
2. Propose that any such child feel or fondle his own sexual or genital parts or the sexual or genital parts of such person or propose that such person feel or fondle the sexual or genital parts of any such child;
3. Propose to such child the performance of an act of sexual intercourse, *anal intercourse, cunnilingus, fellatio, or anilingus* or any act constituting an offense under § 18.2-361; or
4. Entice, allure, persuade, or invite any such child to enter any vehicle, room, house, or other place, for any purposes set forth in the preceding subdivisions.

Any person who violates this subsection is guilty of a Class 5 felony. However, if the person is at least seven years older than the child he knows or has reason to believe is less than 15 years of age, the person shall be punished by a term of imprisonment of not less than five years nor more than 30 years in a state correctional facility, five years of which shall be mandatory minimum term of imprisonment. Any person who commits a second or subsequent violation of this subsection when the person is at least seven years older than the child he knows or has reason to believe is less than 15 years of age shall be punished by a term of imprisonment of not less than 10 years nor more than 40 years, 10 years of which shall be a mandatory minimum term of imprisonment.

D. Any person who uses a communications system, including but not limited to computers or computer networks or bulletin boards, or any other electronic means, for the purposes of soliciting, with lascivious intent, any child he knows or

has reason to believe is at least 15 years of age but younger than 18 years of age to knowingly and intentionally commit any of the activities listed in subsection C if the person is at least seven years older than the child is guilty of a Class 5 felony. Any person who commits a second or subsequent violation of this subsection shall be punished by a term of imprisonment of not less than one nor more than 20 years, one year of which shall be a mandatory minimum term of imprisonment.

E. Any person 18 years of age or older who uses a communications system, including but not limited to computers or computer networks or bulletin boards, or any other electronic means, for the purposes of soliciting any person he knows or has reason to believe is a child younger than 18 years of age for (i) any activity in violation of § 18.2-355 or 18.2-361, (ii) any activity in violation of § 18.2-374.1, or (iii) a violation of § 18.2-374.1:1 is guilty of a Class 5 felony.

2. That an emergency exists and this act is in force from its passage.

3. That the provisions of this act may result in a net increase in periods of imprisonment or commitment. Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation cannot be determined for periods of imprisonment in state adult correctional facilities; therefore, Chapter 806 of the Acts of Assembly of 2013 requires the Virginia Criminal Sentencing Commission to assign a minimum fiscal impact of \$50,000. Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation cannot be determined for periods of commitment to the custody of the Department of Juvenile Justice.

CHAPTER 795

An Act to amend and reenact § 59.1-442 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 59.1-443.3, relating to the Personal Information Privacy Act; use of driver's license information.

[S 40]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 59.1-442 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 59.1-443.3 as follows:

§ 59.1-442. Sale of purchaser information; notice required.

A. No merchant, without giving notice to the purchaser, shall sell to any third person information which concerns the purchaser and which is gathered in connection with the sale, rental or exchange of tangible personal property to the purchaser at the merchant's place of business. Notice required by this section may be by the posting of a sign or any other reasonable method. If requested by a purchaser not to sell such information, the merchant shall not do so. No merchant shall sell any information gathered solely as the result of any customer payment by personal check, credit card, or where the merchant records the customer's driver's license number. *This subsection shall not be construed as authorizing a merchant to sell to a third person any information concerning a purchaser if the sale or dissemination of the information is prohibited pursuant to § 59.1-443.3.*

B. For the purposes of this section and § 59.1-443.3, "merchant" means any person or entity engaged in the sale of goods from a fixed retail location in Virginia.

§ 59.1-443.3. Scanning information from driver's license or identification card; retention, sale, or dissemination of information.

A. *No merchant may scan the machine-readable zone of a Department of Motor Vehicles-issued identification card or driver's license, except for the following purposes:*

1. *To verify authenticity of the identification card or driver's license or to verify the identity of the individual if the individual pays for goods or services with a method other than cash, returns an item, or requests a refund or an exchange;*

2. *To verify the individual's age when providing age-restricted goods or services to the individual if there is a reasonable doubt of the individual having reached 18 years of age or older;*

3. *To prevent fraud or other criminal activity if the individual returns an item or requests a refund or an exchange and the merchant uses a fraud prevention service company or system. Information collected by scanning an individual's identification card or driver's license pursuant to this subdivision shall be limited to the individual's name, address, date of birth, and driver's license number or identification card number; or*

4. *To comply with a requirement imposed on the merchant by state or federal law.*

5. *To provide to a check services company regulated by the federal Fair Credit Reporting Act, (15 U.S.C. § 1681 et seq.), that receives information obtained from an individual's identification card or driver's license to administer or enforce a transaction or to prevent fraud or other criminal activity; or*

6. *To complete a transaction permitted under the Gramm-Leach-Bliley Act (15 U.S.C. § 6801 et seq.) or the federal Fair Credit Reporting Act (15 U.S.C. § 1681 et seq.).*

B. *No merchant shall retain any information obtained from a scan of the machine-readable zone of an individual's identification card or driver's license except as permitted in subdivision A 3, 4, 5, or 6.*

C. *No merchant shall sell or disseminate to a third party any information obtained from a scan of the machine-readable zone of an individual's identification card or driver's license for any marketing, advertising, or promotional purpose. This subsection shall not prohibit a merchant from disseminating to a third party any such information for a purpose described in subdivision A 3, 4, 5, or 6.*

D. *Any waiver of a provision of this section is contrary to public policy and is void and unenforceable.*

CHAPTER 796

An Act to amend and reenact § 15.2-2119.2 of the Code of Virginia, relating to discounted water and sewer fees.

[S 67]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 15.2-2119.2 of the Code of Virginia is amended and reenacted as follows:

§ 15.2-2119.2. Discounted fees and charges for certain customers.

~~Any~~ *The City of Richmond or any locality that is the owner of a water and sewer system and that has a population density of 200 persons per square mile or less by ordinance may develop criteria for providing discounted water and sewer fees and charges for low-income, elderly, and or disabled customers.*

CHAPTER 797

An Act to amend and reenact §§ 16.1-253.4 and 19.2-81.3 of the Code of Virginia, relating to arrest for domestic assault; emergency protective orders; definition of law-enforcement officer.

[S 71]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 16.1-253.4 and 19.2-81.3 of the Code of Virginia are amended and reenacted as follows:

§ 16.1-253.4. Emergency protective orders authorized in certain cases; penalty.

A. Any judge of a circuit court, general district court, juvenile and domestic relations district court or magistrate may issue a written or oral ex parte emergency protective order pursuant to this section in order to protect the health or safety of any person.

B. When a law-enforcement officer or an allegedly abused person asserts under oath to a judge or magistrate, and on that assertion or other evidence the judge or magistrate (i) finds that a warrant for a violation of § 18.2-57.2 has been issued or issues a warrant for violation of § 18.2-57.2 and finds that there is probable danger of further acts of family abuse against a family or household member by the respondent or (ii) finds that reasonable grounds exist to believe that the respondent has committed family abuse and there is probable danger of a further such offense against a family or household member by the respondent, the judge or magistrate shall issue an ex parte emergency protective order, except if the respondent is a minor, an emergency protective order shall not be required, imposing one or more of the following conditions on the respondent:

1. Prohibiting acts of family abuse or criminal offenses that result in injury to person or property;
2. Prohibiting such contacts by the respondent with the allegedly abused person or family or household members of the allegedly abused person as the judge or magistrate deems necessary to protect the safety of such persons; and
3. Granting the family or household member possession of the premises occupied by the parties to the exclusion of the respondent; however, no such grant of possession shall affect title to any real or personal property.

When the judge or magistrate considers the issuance of an emergency protective order pursuant to clause (i), he shall presume that there is probable danger of further acts of family abuse against a family or household member by the respondent unless the presumption is rebutted by the allegedly abused person.

C. An emergency protective order issued pursuant to this section shall expire at 11:59 p.m. on the third day following issuance. If the expiration occurs on a day that the court is not in session, the emergency protective order shall be extended until 11:59 p.m. on the next day that the juvenile and domestic relations district court is in session. When issuing an emergency protective order under this section, the judge or magistrate shall provide the protected person or the law-enforcement officer seeking the emergency protective order with the form for use in filing petitions pursuant to § 16.1-253.1 and written information regarding protective orders that shall include the telephone numbers of domestic violence agencies and legal referral sources on a form prepared by the Supreme Court. If these forms are provided to a law-enforcement officer, the officer may provide these forms to the protected person when giving the emergency protective order to the protected person. The respondent may at any time file a motion with the court requesting a hearing to dissolve or modify the order issued hereunder. The hearing on the motion shall be given precedence on the docket of the court.

D. A law-enforcement officer may request an emergency protective order pursuant to this section and, if the person in need of protection is physically or mentally incapable of filing a petition pursuant to § 16.1-253.1 or 16.1-279.1, may request the extension of an emergency protective order for an additional period of time not to exceed three days after expiration of the original order. The request for an emergency protective order or extension of an order may be made orally, in person or by electronic means, and the judge of a circuit court, general district court, or juvenile and domestic relations district court or a magistrate may issue an oral emergency protective order. An oral emergency protective order issued pursuant to this section shall be reduced to writing, by the law-enforcement officer requesting the order or the magistrate on a preprinted form approved and provided by the Supreme Court of Virginia. The completed form shall include a statement of the grounds for the order asserted by the officer or the allegedly abused person.

E. The court or magistrate shall forthwith, but in all cases no later than the end of the business day on which the order was issued, enter and transfer electronically to the Virginia Criminal Information Network the respondent's identifying information and the name, date of birth, sex, and race of each protected person provided to the court or magistrate. A copy of an emergency protective order issued pursuant to this section containing any such identifying information shall be forwarded forthwith to the primary law-enforcement agency responsible for service and entry of protective orders. Upon receipt of the order by the primary law-enforcement agency, the agency shall forthwith verify and enter any modification as necessary to the identifying information and other appropriate information required by the Department of State Police into the Virginia Criminal Information Network established and maintained by the Department pursuant to Chapter 2 (§ 52-12 et seq.) of Title 52 and the order shall be served forthwith upon the respondent and due return made to the court. However, if the order is issued by the circuit court, the clerk of the circuit court shall forthwith forward an attested copy of the order containing the respondent's identifying information and the name, date of birth, sex, and race of each protected person provided to the court to the primary law-enforcement agency providing service and entry of protective orders and upon receipt of the order, the primary law-enforcement agency shall enter the name of the person subject to the order and other appropriate information required by the Department of State Police into the Virginia Criminal Network established and maintained by the Department pursuant to Chapter 2 (§ 52-12 et seq.) of Title 52 and the order shall be served forthwith on the respondent. Upon service, the agency making service shall enter the date and time of service and other appropriate information required by the Department of State Police into the Virginia Criminal Information Network and make due return to the court. One copy of the order shall be given to the allegedly abused person when it is issued, and one copy shall be filed with the written report required by subsection D of § 19.2-81.3. The judge or magistrate who issues an oral order pursuant to an electronic request by a law-enforcement officer shall verify the written order to determine whether the officer who reduced it to writing accurately transcribed the contents of the oral order. The original copy shall be filed with the clerk of the juvenile and domestic relations district court within five business days of the issuance of the order. If the order is later dissolved or modified, a copy of the dissolution or modification order shall also be attested, forwarded forthwith to the primary law-enforcement agency responsible for service and entry of protective orders, and upon receipt of the order by the primary law-enforcement agency, the agency shall forthwith verify and enter any modification as necessary to the identifying information and other appropriate information required by the Department of State Police into the Virginia Criminal Information Network as described above and the order shall be served forthwith and due return made to the court. Upon request, the clerk shall provide the allegedly abused person with information regarding the date and time of service.

F. The availability of an emergency protective order shall not be affected by the fact that the family or household member left the premises to avoid the danger of family abuse by the respondent.

G. The issuance of an emergency protective order shall not be considered evidence of any wrongdoing by the respondent.

H. As used in this section, a "law-enforcement officer" means ~~any~~ (i) any full-time or part-time employee of a police department or sheriff's office which is part of or administered by the Commonwealth or any political subdivision thereof and who is responsible for the prevention and detection of crime and the enforcement of the penal, traffic, or highway laws of the Commonwealth ~~and~~; (ii) any member of an auxiliary police force established pursuant to § 15.2-1731; and (iii) any special conservator of the peace who meets the certification requirements for a law-enforcement officer as set forth in § 15.2-1706. Part-time employees are compensated officers who are not full-time employees as defined by the employing police department or sheriff's office.

I. Neither a law-enforcement agency, the attorney for the Commonwealth, a court nor the clerk's office, nor any employee of them, may disclose, except among themselves, the residential address, telephone number, or place of employment of the person protected by the order or that of the family of such person, except to the extent that disclosure is (i) required by law or the Rules of the Supreme Court, (ii) necessary for law-enforcement purposes, or (iii) permitted by the court for good cause.

J. As used in this section, "copy" includes a facsimile copy.

K. No fee shall be charged for filing or serving any petition or order pursuant to this section.

§ 19.2-81.3. Arrest without a warrant authorized in cases of assault and battery against a family or household member and stalking and for violations of protective orders; procedure, etc.

A. Any law-enforcement officer with the powers of arrest ~~under subsection A of § 19.2-81~~ may arrest without a warrant for an alleged violation of § 18.2-57.2, 18.2-60.4, or 16.1-253.2 regardless of whether such violation was committed in his presence, if such arrest is based on probable cause or upon personal observations or the reasonable complaint of a person who observed the alleged offense or upon personal investigation.

B. A law-enforcement officer having probable cause to believe that a violation of § 18.2-57.2 or 16.1-253.2 has occurred shall arrest and take into custody the person he has probable cause to believe, based on the totality of the circumstances, was the predominant physical aggressor unless there are special circumstances which would dictate a course of action other than an arrest. The standards for determining who is the predominant physical aggressor shall be based on the following considerations: (i) who was the first aggressor, (ii) the protection of the health and safety of family and household members, (iii) prior complaints of family abuse by the allegedly abusing person involving the family or household members, (iv) the relative severity of the injuries inflicted on persons involved in the incident, (v) whether any injuries were inflicted in self-defense, (vi) witness statements, and (vii) other observations.

C. A law-enforcement officer having probable cause to believe that a violation of § 18.2-60.4 has occurred that involves physical aggression shall arrest and take into custody the person he has probable cause to believe, based on the totality of the circumstances, was the predominant physical aggressor unless there are special circumstances which would dictate a course of action other than an arrest. The standards for determining who is the predominant physical aggressor shall be based on the following considerations: (i) who was the first aggressor, (ii) the protection of the health and safety of the person to whom the protective order was issued and the person's family and household members, (iii) prior acts of violence, force, or threat, as defined in § 19.2-152.7:1, by the person against whom the protective order was issued against the person protected by the order or the protected person's family or household members, (iv) the relative severity of the injuries inflicted on persons involved in the incident, (v) whether any injuries were inflicted in self-defense, (vi) witness statements, and (vii) other observations.

D. Regardless of whether an arrest is made, the officer shall file a written report with his department, which shall state whether any arrests were made, and if so, the number of arrests, specifically including any incident in which he has probable cause to believe family abuse has occurred, and, where required, including a complete statement in writing that there are special circumstances that would dictate a course of action other than an arrest. The officer shall provide the allegedly abused person or the person protected by an order issued pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, both orally and in writing, information regarding the legal and community resources available to the allegedly abused person or person protected by the order. Upon request of the allegedly abused person or person protected by the order, the department shall make a summary of the report available to the allegedly abused person or person protected by the order.

E. In every case in which a law-enforcement officer makes an arrest under this section for a violation of § 18.2-57.2, he shall petition for an emergency protective order as authorized in § 16.1-253.4 when the person arrested and taken into custody is brought before the magistrate, except if the person arrested is a minor, a petition for an emergency protective order shall not be required. Regardless of whether an arrest is made, if the officer has probable cause to believe that a danger of acts of family abuse exists, the law-enforcement officer shall seek an emergency protective order under § 16.1-253.4, except if the suspected abuser is a minor, a petition for an emergency protective order shall not be required.

F. A law-enforcement officer investigating any complaint of family abuse, including but not limited to assault and battery against a family or household member shall, upon request, transport, or arrange for the transportation of an abused person to a hospital or safe shelter, or to appear before a magistrate. Any local law-enforcement agency may adopt a policy requiring an officer to transport or arrange for transportation of an abused person as provided in this subsection.

G. The definition of "family or household member" in § 16.1-228 applies to this section.

H. As used in this section, a "law-enforcement officer" means (i) any full-time or part-time employee of a police department or sheriff's office which is part of or administered by the Commonwealth or any political subdivision thereof, and any campus police officer appointed under Chapter 17 (§ 23-232 et seq.) of Title 23, and who is responsible for the prevention and detection of crime and the enforcement of the penal, traffic or highway laws of this Commonwealth ~~and~~; (ii) any member of an auxiliary police force established pursuant to § 15.2-1731; and (iii) any special conservator of the peace who meets the certification requirements for a law-enforcement officer as set forth in § 15.2-1706. Part-time employees are compensated officers who are not full-time employees as defined by the employing police department or sheriff's office.

CHAPTER 798

An Act to amend and reenact § 29.1-300.1 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 29.1-305.2, relating to special fox hunting licenses.

[S 145]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 29.1-300.1 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 29.1-305.2 as follows:

§ 29.1-300.1. Certification of competence in hunter education.

A. Except as provided in subsection B of this section and §§ 29.1-300.4 and 29.1-305.2, no hunting license shall be issued to (i) a person who has never obtained a license to hunt in any state or country, or (ii) a person who is under the age of sixteen, unless such a person presents to the Board of Game and Inland Fisheries or one of its authorized license vendors, a certificate of completion in hunter education issued or authorized by the Board under the hunter education program, or proof that he holds the equivalent certificate obtained from an authorized agency or association of another state or country.

B. Although a resident under the age of twelve is not required to obtain a license to hunt, any person under the age of twelve, or an individual on his behalf, may purchase a Virginia hunting license or a junior lifetime hunting license pursuant to § 29.1-302.1, without completing a hunter education program as required in subsection A of this section, provided that no person under the age of twelve shall hunt unless accompanied and directly supervised by an adult who has, on his person, a valid Virginia hunting license. The junior lifetime hunting license issued to an individual under the age of twelve shall become invalid on the individual's twelfth birthday and remain invalid until certification of competence in hunter education

is shown as provided in this section. A lifetime license, indicating the completion of hunter education or an equivalent certificate, shall be reissued at no cost when such proof is provided.

The adult shall be responsible for such supervision. For the purposes of this section, "adult" means the parent or legal guardian of the person under age twelve, or such person over the age of eighteen designated by the parent or legal guardian.

"Accompanied and directly supervised" means that the adult is within sight of the person under the age of twelve.

C. This section shall not apply to persons while on horseback hunting foxes with hounds but without firearms.

§ 29.1-305.2. Special fox hunting licenses.

There shall be a special license for hunting foxes on horseback with hounds but without firearms. The special license shall exempt the licensee from the hunter education requirement of § 29.1-300.1. The fee for the special license shall be the same as any license required by § 29.1-303 and shall be subject to subsequent revision by the Board pursuant to § 29.1-103. This special license shall not be required of any person holding a hunting license required by § 29.1-303.

CHAPTER 799

An Act to amend and reenact § 23-9.2:10 of the Code of Virginia, relating to student mental health policies; violence prevention committees.

[S 239]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 23-9.2:10 of the Code of Virginia is amended and reenacted as follows:

§ 23-9.2:10. Violence prevention committee; threat assessment team.

A. Each public college or university shall have in place policies and procedures for the prevention of violence on campus, including assessment and intervention with individuals whose behavior poses a threat to the safety of the campus community.

B. The board of visitors or other governing body of each public institution of higher education shall determine a committee structure on campus of individuals charged with education and prevention of violence on campus. Each committee shall include representatives from student affairs, law enforcement, human resources, counseling services, residence life, and other constituencies as needed. Such committee shall also consult with legal counsel as needed. Once formed, each committee shall develop a clear statement of: (i) mission, (ii) membership, and (iii) leadership. Such statement shall be published and available to the campus community.

C. Each committee shall be charged with: (i) providing guidance to students, faculty, and staff regarding recognition of threatening or aberrant behavior that may represent a *physical* threat to the community; (ii) ~~identification of~~ *identifying* members of the campus community to whom threatening behavior should be reported; (iii) *establishing policies and procedures that outline circumstances under which all faculty and staff are to report behavior that may represent a physical threat to the community, consistent with state and federal law;* and ~~(iii)~~ (iv) *establishing policies and procedures for the assessment of individuals whose behavior may present a threat, appropriate means of intervention with such individuals, and sufficient means of action, including interim suspension, referrals to community services boards or health care providers for evaluation or treatment, or medical separation to resolve potential physical threats, or notification of family members or guardians, or both, unless such notification would prove harmful to the individual in question, consistent with state and federal law.*

D. The board of visitors or other governing body of each public institution of higher education shall establish a specific threat assessment team that shall include members from law enforcement, mental health professionals, representatives of student affairs and human resources, and, if available, college or university counsel. Such team shall implement the assessment, intervention and action policies set forth by the committee pursuant to subsection C.

E. Each threat assessment team shall establish relationships or utilize existing relationships with local and state law-enforcement agencies as well as mental health agencies to expedite assessment and intervention with individuals whose behavior may present a threat to safety. Upon a preliminary determination that an individual poses a threat of violence to self or others, or exhibits significantly disruptive behavior or need for assistance, a threat assessment team may obtain criminal history record information, as provided in §§ 19.2-389 and 19.2-389.1, and health records, as provided in § 32.1-127.1:03. No member of a threat assessment team shall redisclose any criminal history record information or health information obtained pursuant to this section or otherwise use any record of an individual beyond the purpose for which such disclosure was made to the threat assessment team.

CHAPTER 800

An Act to amend and reenact §§ 46.2-920 and 46.2-1023 of the Code of Virginia, relating to emergency vehicles of the Virginia National Guard.

[S 376]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 46.2-920 and 46.2-1023 of the Code of Virginia are amended and reenacted as follows:

§ 46.2-920. Certain vehicles exempt from regulations in certain situations; exceptions and additional requirements.

A. The driver of any emergency vehicle, when such vehicle is being used in the performance of public services, and when such vehicle is operated under emergency conditions, may, without subjecting himself to criminal prosecution:

1. Disregard speed limits, while having due regard for safety of persons and property;
2. Proceed past any steady or flashing red signal, traffic light, stop sign, or device indicating moving traffic shall stop if the speed of the vehicle is sufficiently reduced to enable it to pass a signal, traffic light, or device with due regard to the safety of persons and property;
3. Park or stop notwithstanding the other provisions of this chapter;
4. Disregard regulations governing a direction of movement of vehicles turning in specified directions so long as the operator does not endanger life or property;
5. Pass or overtake, with due regard to the safety of persons and property, another vehicle at any intersection;
6. Pass or overtake with due regard to the safety of persons and property, while en route to an emergency, stopped or slow-moving vehicles, by going to the left of the stopped or slow-moving vehicle either in a no-passing zone or by crossing the highway centerline; or
7. Pass or overtake with due regard to the safety of persons and property, while en route to an emergency, stopped or slow-moving vehicles, by going off the paved or main traveled portion of the roadway on the right. Notwithstanding other provisions of this section, vehicles exempted in this instance will not be required to sound a siren or any device to give automatically intermittent signals.

B. The exemptions granted to emergency vehicles by subsection A in subdivisions A1, A3, A4, A5, and A6 shall apply only when the operator of such vehicle displays a flashing, blinking, or alternating emergency light or lights as provided in §§ 46.2-1022 and 46.2-1023 and sounds a siren, exhaust whistle, or air horn designed to give automatically intermittent signals, as may be reasonably necessary. The exemption granted under subdivision A 2 shall apply only when the operator of such emergency vehicle displays a flashing, blinking, or alternating emergency light or lights as provided in §§ 46.2-1022 and 46.2-1023 and either (a) sounds a siren, exhaust whistle, or air horn designed to give automatically intermittent signals or (b) slows the vehicle down to a speed reasonable for the existing conditions, yields right-of-way to the driver of another vehicle approaching or entering the intersection from another direction or, if required for safety, brings the vehicle to a complete stop before proceeding with due regard for the safety of persons and property. In addition, the exemptions granted to emergency vehicles by subsection A shall apply only when there is in force and effect for such vehicle either (i) standard motor vehicle liability insurance covering injury or death to any person in the sum of at least \$100,000 because of bodily injury to or death of one person in any one accident and, subject to the limit for one person, to a limit of \$300,000 because of bodily injury to or death of two or more persons in any one accident, and to a limit of \$20,000 because of injury to or destruction of property of others in any one accident or (ii) a certificate of self-insurance issued pursuant to § 46.2-368. Such exemptions shall not, however, protect the operator of any such vehicle from criminal prosecution for conduct constituting reckless disregard of the safety of persons and property. Nothing in this section shall release the operator of any such vehicle from civil liability for failure to use reasonable care in such operation.

C. For the purposes of this section, the term "emergency vehicle" shall mean:

1. Any law-enforcement vehicle operated by or under the direction of a federal, state, or local law-enforcement officer (i) in the chase or apprehension of violators of the law or persons charged with or suspected of any such violation or (ii) in response to an emergency call;
2. Any regional detention center vehicle operated by or under the direction of a correctional officer responding to an emergency call or operating in an emergency situation;
3. Any vehicle used to fight fire, including publicly owned state forest warden vehicles, when traveling in response to a fire alarm or emergency call;
4. Any ambulance, rescue, or life-saving vehicle designed or used for the principal purpose of supplying resuscitation or emergency relief where human life is endangered;
5. Any Department of Emergency Management vehicle or Office of Emergency Medical Services vehicle, when responding to an emergency call or operating in an emergency situation;
6. Any Department of Corrections vehicle designated by the Director of the Department of Corrections, when (i) responding to an emergency call at a correctional facility, (ii) participating in a drug-related investigation, (iii) pursuing escapees from a correctional facility, or (iv) responding to a request for assistance from a law-enforcement officer; ~~and~~
7. Any vehicle authorized to be equipped with alternating, blinking, or flashing red or red and white secondary warning lights under the provisions of § 46.2-1029.2; *and*
8. *Any Virginia National Guard Civil Support Team vehicle when responding to an emergency.*

D. Any law-enforcement vehicle operated by or under the direction of a federal, state, or local law-enforcement officer may disregard speed limits, while having due regard for safety of persons and property, (i) in testing the accuracy of speedometers of such vehicles, (ii) in testing the accuracy of speed measuring devices specified in § 46.2-882, or (iii) in following another vehicle for the purpose of determining its speed.

E. A Department of Environmental Quality vehicle, while en route to an emergency and with due regard to the safety of persons and property, may overtake and pass stopped or slow-moving vehicles by going off the paved or main traveled portion of the highway on the right or on the left. These Department of Environmental Quality vehicles shall not be required to sound a siren or any device to give automatically intermittent signals, but shall display red or red and white warning lights when performing such maneuvers.

F. Any law-enforcement vehicle operated by or under the direction of a federal, state, or local law-enforcement officer while conducting a funeral escort, wide-load escort, dignitary escort, or any other escort necessary for the safe movement of vehicles and pedestrians may, without subjecting himself to criminal prosecution:

1. Disregard speed limits, while having due regard for safety of persons and property;
2. Proceed past any steady or flashing red signal, traffic light, stop sign, or device indicating moving traffic shall stop if the speed of the vehicle is sufficiently reduced to enable it to pass a signal, traffic light, or device with due regard for the safety of persons and property;
3. Park or stop notwithstanding the other provisions of this chapter;
4. Disregard regulations governing a direction of movement of vehicles turning in specified directions so long as the operator does not endanger life or property; or
5. Pass or overtake, with due regard for the safety of persons and property, another vehicle.

Notwithstanding other provisions of this section, vehicles exempted in this subsection may sound a siren or any device to give automatically intermittent signals.

§ 46.2-1023. Flashing red or red and white warning lights.

Fire apparatus, forest warden vehicles, ambulances, rescue and life-saving vehicles, vehicles of the Department of Emergency Management, vehicles of the Department of Environmental Quality, *vehicles of the Virginia National Guard Civil Support Team when responding to an emergency*, vehicles of county, city, or town Departments of Emergency Management, vehicles of the Office of Emergency Medical Services, animal warden vehicles, and vehicles used by security personnel of the ~~Northrop Grumman Shipbuilding, Inc.~~ *Huntington Ingalls Incorporated*, Bassett-Walker, Inc., the Winchester Medical Center, the National Aeronautics and Space Administration's Wallops Flight Facility, and, within those areas specified in their orders of appointment, by special conservators of the peace and policemen for certain places appointed pursuant to §§ 19.2-13 and 19.2-17 may be equipped with flashing, blinking, or alternating red or red and white combination warning lights of types approved by the Superintendent. Such warning lights may be of types constructed within turn signal housings or motorcycle headlight housings, subject to approval by the Superintendent.

CHAPTER 801

An Act to amend the Code of Virginia by adding a section numbered 15.2-1627.5, relating to local multidisciplinary child sexual abuse response teams.

[S 421]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding a section numbered 15.2-1627.5 as follows:

§ 15.2-1627.5. Coordination of multidisciplinary response to child sexual abuse.

A. The attorney for the Commonwealth in each jurisdiction in the Commonwealth shall establish a multidisciplinary child sexual abuse response team, which may be an existing multidisciplinary team. The multidisciplinary team shall conduct regular reviews of new and ongoing reports of felony sex offenses in the jurisdiction involving a child and the investigations thereof and, at the request of any member of the team, may conduct reviews of any other reports of child abuse and neglect or sex offenses in the jurisdiction involving a child and the investigations thereof. The multidisciplinary team shall meet frequently enough to ensure that no new or ongoing reports go more than 60 days without being reviewed by the team.

B. The following individuals, or their designees, shall participate in review meetings of the multidisciplinary team: the attorney for the Commonwealth; law-enforcement officials responsible for the investigation of sex offenses involving a child in the jurisdiction; a representative of the local child protective services unit; a representative of a child advocacy center serving the jurisdiction, if one exists; and a representative of an Internet Crimes Against Children task force affiliate agency serving the jurisdiction, if one exists. In addition, the attorney for the Commonwealth may invite other individuals, or their designees, including the school superintendent of the jurisdiction; a representative of any sexual assault crisis center serving the jurisdiction, if one exists; the director of the victim/witness program serving the jurisdiction, if one exists; and a health professional knowledgeable in the treatment and provision of services to children who have been sexually abused.

2. That the provisions of this act shall become effective on July 1, 2015.

3. That the Department of Criminal Justice Services shall disseminate sample guidelines for protocols, procedures, and memoranda of understanding for multidisciplinary child sexual abuse response teams that may be implemented by such teams.

CHAPTER 802

An Act to amend and reenact § 58.1-3330 of the Code of Virginia, relating to real property tax; notice of assessment.

[S 480]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 58.1-3330 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-3330. Notice of change in assessment.

A. Whenever in any county, city or town there is a reassessment of real estate, or any change in the assessed value of any real estate, notice shall be given by mail directly to each property owner, as shown by the land books of the county, city or town whose assessment has been changed. Such notice shall be sent by postpaid mail at least fifteen days prior to the date of a hearing to protest such change to the address of the property owner as shown on such land books. The governing body of the county, city or town shall require the officer of such county, city or town charged with the assessment of real estate to send such notices or it shall provide funds or services to the persons making such reassessment so that such persons can send such notices.

B. Every notice shall, among other matters, show the magisterial or other district, if any, in which the real estate is located, the amount and the new and immediately prior ~~two appraised assessed value values~~ ~~of improvements; and the new and immediately prior assessed value~~ ~~of each if different from the appraised value.~~ values of improvements, and the new and immediately prior assessed value of each if different from the appraised value. It shall further set out the time and place at which persons may appear before the officers making such reassessment or change and present objections thereto. *The notice shall also inform each property owner of the right to view and make copies of records maintained by the local assessment office pursuant to §§ 58.1-3331 and 58.1-3332, and inform each property owner that the records available and the procedure for accessing them are set out in §§ 58.1-3331 and 58.1-3332.* In counties that have elected by ordinance to prepare land and personal property books in alphabetical order as authorized by § 58.1-3301 B, such notice may omit reference to districts, as provided herein.

The following requirements shall apply to any notice of change in assessment other than one in which the change arises solely from the construction or addition of new improvements to the real estate. If the tax rate that will apply to the new assessed value has been established, then the notice shall set out such rate. *In addition, whether or not the tax rate applicable to the new assessed value has been established, the notice shall set out the tax rates for the immediately prior two tax years, the total amount of the new tax levy, based on the current tax rate at the time the notices are prepared, and the amounts of the total tax levies for the immediately prior two tax years, and the percentage change changes in the new tax levy from the tax levies in the immediately prior ~~one~~ two tax years.*

If the tax rate that will apply to the new assessed value has not been established, then the notice shall set out the time and place of the next meeting of the local governing body at which public testimony will be accepted on any real estate tax rate changes. If this meeting will be more than 60 days from the date of the reassessment notice, then instead of the date of the meeting, the notice shall include information on when the date of the meeting will be set and where it will be publicized.

C. Any person other than the owner who receives such reassessment notice, shall transmit the notice to such owner, at his last known address, immediately on receipt thereof, and shall be liable to such owner in an action at law for liquidated damages in the amount of twenty-five dollars, in the event of a failure to so transmit the notice. Mailing such notice to the last known address of the property owner shall be deemed to satisfy the requirements of this section.

D. Notwithstanding the provisions of this section, if the address of the taxpayer as shown on the tax record is in care of a lender, the lender shall upon request furnish the county, city or town a list of such property owners, together with their current addresses as they appear on the books of the lender, or the parties may by agreement permit the lender to forward such notices to the property owner, with the cost of postage to be paid by the county, city or town.

CHAPTER 803

An Act to amend and reenact §§ 46.2-341.4, 46.2-341.8, 46.2-341.10, 46.2-341.12, 46.2-341.14, 46.2-341.14:1, 46.2-341.14:2, 46.2-341.14:5, 46.2-341.14:6, 46.2-341.16, 46.2-341.20, 46.2-341.20:2, 46.2-341.20:4, 46.2-341.20:5, 46.2-348, 46.2-379, and 46.2-1078.1 of the Code of Virginia and to amend the Code of Virginia by adding sections numbered 46.2-341.14:01 and 46.2-341.20:6, relating to commercial driver's licenses, driver's license examinations, and disclosure of crash reports by Department of Motor Vehicles.

[S 565]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 46.2-341.4, 46.2-341.8, 46.2-341.10, 46.2-341.12, 46.2-341.14, 46.2-341.14:1, 46.2-341.14:2, 46.2-341.14:5, 46.2-341.14:6, 46.2-341.16, 46.2-341.20, 46.2-341.20:2, 46.2-341.20:4, 46.2-341.20:5, 46.2-348, 46.2-379, and 46.2-1078.1 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding sections numbered 46.2-341.14:01 and 46.2-341.20:6 as follows:

§ 46.2-341.4. Definitions.

The following definitions shall apply to this article, unless a different meaning is clearly required by the context:

"Air brake" means, ~~for the purposes of the skills test and the restriction,~~ any braking system operating fully or partially on the air brake principle.

"Applicant" means an individual who applies to obtain, transfer, upgrade, or renew a commercial driver's license or to obtain or renew a commercial driver's instruction permit.

"Automatic transmission" means, for the purposes of the skills test and the restriction, any transmission other than a manual transmission.

"CDLIS driver record" means the electronic record of the individual commercial driver's status and history stored by the State of Record as part of the Commercial Driver's License Information System (CDLIS).

"Commercial driver's instruction permit" means a permit issued to an individual in accordance with the provisions of this article, or if issued by another state, a permit issued in accordance with the standards contained in the Federal Motor Carrier Safety Regulations, which, when carried with a valid driver's license issued by the same state or jurisdiction, authorizes the individual to operate a class of commercial motor vehicle when accompanied by a holder of a valid commercial driver's license for purposes of behind-the-wheel training. When issued to a commercial driver's license holder, a commercial driver's instruction permit serves as authorization for accompanied behind-the-wheel training in a commercial motor vehicle for which the holder's current commercial driver's license is not valid. For purposes of this article "Commercial driver's instruction permit" shall have the same meaning as "Commercial learner's permit (CLP)" in 49 C.F.R § 383.5 of the Federal Motor Carrier Safety regulations.

"Commercial driver's license" means any driver's license issued to a person in accordance with the provisions of this article, or if the license is issued by another state, any license issued to a person in accordance with the federal Commercial Motor Vehicle Safety Act, which authorizes such person to drive a commercial motor vehicle of the class and type and with the restrictions indicated on the license.

"Commercial driver's license information system" (CDLIS) means the CDLIS established by the Federal Motor Carrier Safety Administration pursuant to § 12007 of the Commercial Motor Vehicle Safety Act of 1986.

"Commercial motor vehicle" means, except for those vehicles specifically excluded in this definition, every motor vehicle, vehicle or combination of vehicles used to transport passengers or property which either: (i) has a gross vehicle weight rating of 26,001 or more pounds; or (ii) has a gross combination weight rating of 26,001 or more pounds inclusive of a towed vehicle with a gross vehicle weight rating of more than 10,000 pounds; or (iii) is designed to transport 16 or more passengers including the driver; or (iv) is of any size and is used in the transportation of hazardous materials as defined in this section. Every such motor vehicle or combination of vehicles shall be considered a commercial motor vehicle whether or not it is used in a commercial or profit-making activity.

The following shall be excluded from the definition of commercial motor vehicle: any vehicle when used by an individual solely for his own personal purposes, such as personal recreational activities; or any vehicle which (i) is controlled and operated by a farmer, whether or not it is owned by the farmer, and which is used exclusively for farm use, as defined in § 46.2-698, (ii) is used to transport either agricultural products, farm machinery or farm supplies to or from a farm, (iii) is not used in the operation of a common or contract motor carrier, and (iv) is used within 150 miles of the farmer's farm; or any vehicle operated for military purposes by (a) active duty military personnel, (b) members of the military reserves, (c) members of the national guard on active duty, including personnel on full-time national guard duty, personnel on part-time national guard training, and national guard military technicians (civilians who are required to wear military uniforms), but not U.S. Reserve technicians, and (d) active duty U.S. Coast Guard personnel; or emergency equipment operated by a member of a firefighting, rescue, or emergency entity in the performance of his official duties.

"Commercial Motor Vehicle Safety Act" means the federal Commercial Motor Vehicle Safety Act of 1986, Title XII of Public Law 99-570, as amended.

"Conviction" means an unvacated adjudication of guilt, or a determination that a person has violated or failed to comply with the law in a court of original jurisdiction, an unvacated forfeiture of bond, bail or collateral deposited to secure the person's appearance in court, a plea of guilty or nolo contendere accepted by the court, the payment of a fine or court costs in lieu of trial, a violation of a condition of release without bail, regardless of whether the penalty is rebated, suspended or probated, or, for the purposes of alcohol or drug-related offenses involving the operation of a motor vehicle, a civil or an administrative determination of a violation. For the purposes of this definition, an administrative determination shall include an unvacated certification or finding by an administrative or authorized law-enforcement official that a person has violated a provision of law.

"Disqualification" means a prohibition against driving, operating or being in physical control of a commercial motor vehicle for a specified period of time, imposed by a court or a magistrate, or by an authorized administrative or law-enforcement official or body.

"Domicile" means a person's true, fixed and permanent home and principal residence, to which he intends to return whenever he is absent.

"Employee" means a payroll employee or person employed under lease or contract, or a person who has applied for employment and whose employment is contingent upon obtaining a commercial driver's license.

"Employer" means a person who owns or leases commercial motor vehicles and assigns employees to drive such vehicles.

"Endorsement" means an authorization to an individual's commercial driver's license or commercial driver's instruction permit required to permit the individual to operate certain types of commercial motor vehicles.

"FMCSA" means the Federal Motor Carrier Safety Administration.

"Full air brake ~~restriction~~" means, ~~for the purposes of the skills test and restriction, air over hydraulic brakes, including any braking system operating partially fully on the air brake and partially on the hydraulic brake principle.~~

"Gross combination weight rating" means the value specified by the manufacturers of an articulated vehicle or combination of vehicles as the maximum loaded weight of such vehicles. In the absence of such a value specified by the manufacturer, for law-enforcement purposes, the gross combination weight rating shall be the greater of (i) the gross vehicle weight rating of the power units of the combination vehicle plus the total weight of the towed units, including any loads thereon, or (ii) the gross weight at which the articulated vehicle or combination of vehicles is registered in its state of registration; however, the registered gross weight shall not be applicable for determining the classification of an articulated vehicle or combination of vehicles for purposes of skills testing pursuant to § 46.2-341.14 or 46.2-341.16.

"Gross vehicle weight rating" means the value specified by the manufacturer of the vehicle as the maximum loaded weight of a single vehicle. In the absence of such a value specified by the manufacturer, for law-enforcement purposes, the gross vehicle weight rating shall be the greater of (i) the actual gross weight of the vehicle, including any load thereon; or (ii) the gross weight at which the vehicle is registered in its state of registration; however, the registered gross weight of the vehicle shall not be applicable for determining the classification of a vehicle for purposes of skills testing pursuant to § 46.2-341.14 or 46.2-341.16.

"Hazardous materials" means materials designated to be hazardous in accordance with § 103 of the federal Hazardous Materials Transportation Act, as amended, (49 U.S.C. § 5101 et seq.) and which require placarding when transported by motor vehicle as provided in the federal Hazardous Materials Regulations (49 C.F.R. Part 172, Subpart F); it also includes any quantity of any material listed as a select agent or toxin in federal Public Health Service Regulations at 42 C.F.R. Part 73.

"Manual transmission" (also known as a stick shift, stick, straight drive, or standard transmission) means a transmission utilizing a driver-operated clutch that is activated by a pedal or lever and a gear-shift mechanism operated by either hand or foot.

"Non-commercial driver's license" means any other type of motor vehicle license, such as an automobile driver's license, a chauffeur's license, or a motorcycle license.

"Out-of-service order" or "out-of-service declaration" means an order by a judicial officer pursuant to § 46.2-341.26:2 or 46.2-341.26:3 or an order or declaration by an authorized law-enforcement officer under § 46.2-1001 or regulations promulgated pursuant to § 52-8.4 relating to Motor Carrier Safety, and including similar actions by authorized judicial officers or enforcement officers acting pursuant to similar laws of other states, the United States, the Canadian Provinces, Canada, Mexico, and localities within them, and also including actions by federal or other jurisdictions' officers pursuant to federal Motor Carrier Safety Regulations, that a driver, a commercial motor vehicle, or a motor carrier is out of service. Such order or declaration as to a driver means that the driver is prohibited from operating a commercial motor vehicle for the duration of the out-of-service period. Such order or declaration as to a vehicle means that such vehicle cannot be operated until the hazardous condition that resulted in the order or declaration has been removed and the vehicle has been cleared for further operation. Such order or declaration as to a motor carrier means that no vehicle may be operated for or on behalf of such carrier until the out-of-service order or declaration has been lifted. For purposes of this article, the provisions of the federal Motor Carrier Safety Regulations (49 C.F.R. Parts 390 through 397), including such regulations or any substantially similar regulations as may have been adopted by any state of the United States, the Provinces of Canada, Canada, Mexico, or any locality shall be considered laws similar to the Virginia laws referenced herein.

"Person" means a natural person, firm, partnership, association, corporation, or a governmental entity including a school board.

"Restriction" means a prohibition on a commercial driver's license or commercial driver's instruction permit that prohibits the holder from operating certain commercial motor vehicles.

"Seasonal restricted commercial driver's license" means a commercial driver's license issued, under the authority of the waiver promulgated by the federal Department of Transportation (49 C.F.R. § 383.3) by Virginia or any other jurisdiction, to an individual who has not passed the knowledge or skills tests required of other commercial driver's license holders. This license authorizes operation of a commercial motor vehicle only on a seasonal basis, stated on the license, by a seasonal employee of a farm service business, within 150 miles of the place of business or the farm currently being served.

"State" means one of the 50 states of the United States or the District of Columbia.

"Tank vehicle" means any commercial motor vehicle that is designed to transport any liquid or gaseous materials within a tank or tanks having an individual rated capacity of more than 119 gallons and an aggregate rated capacity of 1,000 gallons or more that is either permanently or temporarily attached to the vehicle or the chassis. Such vehicles include, but are not limited to, cargo tanks and portable tanks, as defined in 49 C.F.R. Part 171. However, this definition does not include portable tanks having a rated capacity under 1,000 gallons as provided in 49 C.F.R. Part 383. A commercial motor vehicle transporting an empty storage container tank, not designed for transportation, with a rated capacity of 1,000 gallons or more that is temporarily attached to a flatbed trailer is not considered a tank vehicle.

"Third party examiner" means an individual who is an employee of a third party tester and who is certified by the Department to administer ~~the skills test~~ tests required for a commercial driver's license.

"Third party tester" means a person (including, but not limited to, another state, a motor carrier, a private institution, *the military*, or a department, agency, or instrumentality of a local government) certified by the Department to employ third party examiners to administer a skills test program for testing commercial driver's license applicants in accordance with this article.

"VAMCSR" means the Virginia Motor Carrier Safety Regulations (~~49 VAC 30-20-10 et seq.~~) (*19VAC30-20*) adopted by the Department of State Police pursuant to § 52-8.4.

§ 46.2-341.8. Nonresidents and new residents.

Any person who is not domiciled in the Commonwealth, who has been duly issued a commercial driver's license or commercial driver's instruction permit by his state of domicile, who has such license or permit in his immediate possession, whose privilege or license to drive any motor vehicle is not suspended, revoked, or cancelled, and who has not been disqualified from driving a commercial motor vehicle, shall be permitted without further examination or licensure by the Commonwealth, to drive a commercial motor vehicle in the Commonwealth.

Within 30 days after becoming domiciled in this Commonwealth, any person who has been issued a commercial driver's license or ~~commercial driver's instruction permit~~ by another state and who intends to drive a commercial motor vehicle shall apply to the Department for a Virginia commercial driver's license or ~~commercial driver's instruction permit~~. If the Commissioner determines that such applicant is otherwise eligible for a commercial driver's license or ~~commercial driver's instruction permit~~, the Department will issue him a Virginia commercial driver's license or ~~commercial driver's instruction permit~~ with the same classification and endorsements as his commercial driver's license or ~~commercial driver's instruction permit~~ from another state, without requiring him to take the knowledge or skills test required for such commercial driver's license or ~~commercial driver's instruction permit~~ in accordance with § 46.2-330. ~~The Commissioner may establish, by regulation, the criteria by which the test requirements for a commercial driver's license may be waived for any such applicant. However, any such applicant seeking to transfer his commercial driver's license and to retain a hazardous materials endorsement shall have, within the two-year period preceding his application for a Virginia commercial driver's license, either (i) passed the required test for such endorsement specified in 49 C.F.R. § 383.121 or (ii) successfully completed a hazardous materials test or training that is given by a third party and that is deemed to substantially cover the same knowledge base as described in 49 C.F.R. § 383.121.~~

§ 46.2-341.10. Special provisions relating to commercial driver's instruction permit.

A. The Department, upon receiving an application on forms prescribed by the Commissioner and upon the applicant's satisfactory completion of the vision and knowledge tests required for the class and type of commercial motor vehicle to be driven by the applicant may, in its discretion, issue to such applicant a commercial driver's instruction permit. Such permit shall ~~expire one year after issuance and be valid for no more than 180 days from the date of issuance. The Department may renew the commercial driver's instruction permit for an additional 180 days without requiring the commercial driver's instruction permit holder to retake the general and endorsement knowledge tests. No additional renewals are permitted. A commercial driver's instruction permit shall~~ entitle the applicant to drive a commercial motor vehicle of the class and type designated on the permit, but only when accompanied by a person licensed to drive the class and type of commercial motor vehicle driven by the applicant. The person accompanying the permit holder shall occupy the seat closest to the driver's seat for the purpose of giving instruction to the permit holder in driving the commercial motor vehicle.

B. No person shall be issued a commercial driver's instruction permit unless he possesses a valid Virginia driver's license or has satisfied all the requirements necessary to obtain such a license.

C. A commercial driver's instruction permit holder with a passenger (P) endorsement (i) must have taken and passed the P endorsement knowledge test and (ii) is prohibited from operating a commercial motor vehicle carrying passengers, other than federal or state auditors and inspectors, test examiners, other trainees, and the commercial driver's license holder accompanying the commercial driver's instruction permit holder. The P endorsement must be class specific.

D. A commercial driver's instruction permit holder with a school bus (S) endorsement (i) must have taken and passed the S endorsement knowledge test and (ii) is prohibited from operating a school bus with passengers other than federal or state auditors and inspectors, test examiners, other trainees, and the commercial driver's license holder accompanying the commercial driver's instruction permit holder. No person shall be issued a commercial driver's instruction permit to drive school buses or to drive any commercial vehicle to transport children to or from activities sponsored by a school or by a child day care facility licensed, regulated, or approved by the Virginia Department of Social Services during any period in which he is a person for whom registration with the Sex Offender and Crimes Against Minors Registry is required pursuant to Chapter 9 (§ 9.1-900 et seq.) of Title 9.1.

E. A commercial driver's instruction permit holder with a tank vehicle (N) endorsement (i) must have taken and passed the N endorsement knowledge test and (ii) may only operate an empty tank vehicle and is prohibited from operating any tank vehicle that previously contained hazardous materials that has not been purged of any residue.

F. The issuance of a commercial driver's instruction permit is a precondition to the initial issuance of a commercial driver's license and to the upgrade of a commercial driver's license if the upgrade requires a skills test. The commercial driver's instruction permit holder is not eligible to take the commercial driver's license skills test until he has held the permit for the required period of time specified in § 46.2-324.1.

G. Any instruction permit holder who operates a commercial motor vehicle without being accompanied by a licensed driver as provided in this section is guilty of a Class 2 misdemeanor.

H. The Department shall charge a fee of ~~three dollars~~ \$3 for each instruction permit issued under the provisions of this section.

§ 46.2-341.12. Application for commercial driver's license or commercial driver's instruction permit.

A. Every application to the Department for a commercial driver's license or commercial driver's instruction permit shall be made upon a form approved and furnished by the Department, and the applicant shall write his usual signature in ink in the space provided. The applicant shall provide the following information:

1. Full legal name;
2. Current mailing and residential addresses;
3. Physical description including sex, height, weight and eye and hair color;
4. Year, month and date of birth;
5. Social Security number; and
6. Any other information required on the application form.

The applicant's Social Security number shall be provided to the Commercial Driver's License Information System as required by 49 C.F.R. § 383.153.

B. Every applicant for a commercial driver's license or commercial driver's instruction permit shall also submit to the Department the following:

1. A consent to release driving record information;
2. Certifications that:
 - a. He either meets the federal qualification requirements of 49 C.F.R. ~~Part~~ *Parts 383 and 391*, or he is exempt from or is not subject to such federal requirements;
 - b. He either meets the state qualification requirements established pursuant to § 52-8.4, or he is exempt from or is not subject to such requirements;
 - c. The motor vehicle in which the applicant takes the skills test is representative of the class and, if applicable, the type of motor vehicle for which the applicant seeks to be licensed;
 - d. He is not subject to any disqualification, suspension, revocation or cancellation of his driving privileges;
 - e. He does not have more than one driver's license;
3. Other certifications required by the Department;
4. Any evidence required by the Department to establish proof of identity, legal presence, residency, and social security number; and

5. A statement indicating whether (i) the applicant has previously been licensed to drive any type of motor vehicle during the previous 10 years and, if so, all states that licensed the applicant and the dates he was licensed, and (ii) whether or not he has ever been disqualified, or his license suspended, revoked or cancelled and, if so, the date of and reason therefor.

C. Every application for a commercial driver's license shall include a photograph of the applicant supplied under arrangements made therefor by the Department in accordance with § 46.2-323.

D. The Department shall disqualify any commercial driver for a period of one year when the records of the Department clearly show to the satisfaction of the Commissioner that such person has made a material false statement on any application or certification made for a commercial driver's license or commercial driver's instruction permit. The Department shall take such action within 30 days after discovering such falsification.

E. The Department shall review the driving record of any person who applies for a Virginia commercial driver's license or commercial driver's instruction permit, for the renewal or reinstatement of such license or permit or for an additional commercial classification or endorsement, including the driving record from all jurisdictions where, during the previous 10 years, the applicant was licensed to drive any type of motor vehicle. Such review shall include checking the photograph on record whenever the applicant or holder appears in person to renew, upgrade, transfer, reinstate, or obtain a duplicate commercial driver's license or *to renew, upgrade, reinstate, or obtain a duplicate* commercial driver's instruction permit. If appropriate, the Department shall incorporate information from such other jurisdictions' records into the applicant's Virginia driving record, and shall make a notation on the applicant's driving record confirming that such review has been completed and the date it was completed. The Department's review shall include research through the Commercial Driver License Information System established pursuant to the Commercial Motor Vehicle Safety Act and the National Driver Register Problem Driver Pointer System in addition to the driver record maintained by the applicant's previous jurisdictions of licensure. This research shall be completed prior to the issuance, renewal, *transfer*, or reinstatement of a commercial driver's license or additional commercial classification or endorsement.

The Department shall verify the name, date of birth, and Social Security number provided by the applicant with the information on file with the Social Security Administration for initial issuance of a commercial driver's instruction permit, transfer of a commercial driver's license from another state or for drivers renewing a commercial driver's license for the first time after July 8, 2011, who have not previously had their Social Security number information verified. The Department shall make a notation in the driver's record confirming that the necessary verification has been completed and noting the date it was done.

F. On and after January 30, 2012, every new applicant for a commercial driver's license or commercial driver's instruction permit, including any person applying for a commercial driver's license or permit after revocation of his driving privileges, who certifies that he will operate a commercial motor vehicle in non-excepted interstate or intrastate commerce shall provide the Department with an original or certified copy of a medical examiner's certificate prepared by a medical

examiner as defined in 49 C.F.R. ~~Part~~ § 390.5. Upon receipt of an appropriate medical examiner's certificate, the Department shall post a certification status of "certified" on the record of the driver on the Commercial Driver's License Information System. Any new applicant for a commercial driver's license or commercial driver's instruction permit who fails to comply with the requirements of this subsection shall be denied the issuance of a commercial driver's license or commercial driver's instruction permit by the Department.

G. On and after January 30, 2012, but no later than January 30, 2014, every existing holder of a commercial driver's license or commercial driver's instruction permit who certifies that he will operate a commercial motor vehicle in non-excepted interstate or intrastate commerce shall provide the Department with an original or certified copy of a medical examiner's certificate prepared by a medical examiner as defined in 49 C.F.R. ~~Part~~ § 390.5. Upon receipt of an appropriate medical examiner's certificate, the Department shall post a certification status of "certified" and any other necessary information on the record of the driver on the Commercial Driver's License Information System. If an existing holder of a commercial driver's license fails to provide the Department with a medical certificate as required by this subsection, the Department shall post a certification status of "noncertified" on the record of the driver on the Commercial Driver's License Information System and initiate a downgrade of his commercial driver's license as defined in 49 C.F.R. ~~Part~~ § 383.5.

H. Any person who provides a medical certificate to the Department pursuant to the requirements of subsections F and G shall keep the medical certificate information current and shall notify the Department of any change in the status of the medical certificate. If the Department determines that the medical certificate is no longer valid, the Department shall initiate a downgrade of the driver's commercial driver's license as defined in 49 C.F.R. ~~Part~~ § 383.5.

I. If the Department receives notice that the holder of a commercial driver's license has been issued a medical variance as defined in 49 C.F.R. ~~Part~~ § 390.5, the Department shall indicate the existence of such medical variance on the commercial driver's license document of the driver and on the record of the driver on the Commercial Driver's License Information System using the restriction code "V."

J. Any holder of a commercial driver's license who has been issued a medical variance shall keep the medical variance information current and shall notify the Department of any change in the status of the medical variance. If the Department determines that the medical variance is no longer valid, the Department shall initiate a downgrade of the driver's commercial driver's license as defined in 49 C.F.R. ~~Part~~ § 383.5.

K. Any applicant applying for a hazardous materials endorsement must comply with Transportation Security Administration requirements in 49 C.F.R. Part 1572. A lawful permanent resident of the United States requesting a hazardous materials endorsement must additionally provide his U.S. Citizenship and Immigration Services (USCIS) alien registration number.

§ 46.2-341.14. Testing requirements for commercial driver's license; behind-the-wheel and knowledge examinations.

A. The Department shall conduct an examination of every applicant for a commercial driver's license, which examination shall comply with the minimum federal standards established pursuant to the federal Commercial Motor Vehicle Safety Act. The examination shall be designed to test the vision, knowledge, and skills required for the safe operation of the class and type of commercial motor vehicle for which the applicant seeks a license.

B. An applicant's skills test shall be conducted in a vehicle that is representative of or meets the description of the class of vehicle for which the applicant seeks to be licensed. In addition, applicants who seek to be licensed to drive vehicles with air brakes, passenger-carrying vehicles, or school buses must take the skills test in a vehicle that is representative of such vehicle type. Such vehicle shall be furnished by the applicant and shall be properly licensed, inspected and insured.

C. Prior to April 1, 1992, the Commissioner may waive the skills test for applicants licensed at the time they apply for a commercial driver's license if:

1. The applicant has not, and certifies that he has not, at any time during the two years immediately preceding the date of application:

a. Had more than one driver's license, except during the ten-day period beginning on the date such person is issued a driver's license, or unless, prior to December 31, 1989, such applicant was required to have more than one license by a state law enacted before June 1, 1986;

b. Had any driver's license or driving privilege suspended, revoked or canceled;

c. Had any convictions involving any kind of motor vehicle for the offenses listed in § 46.2-341.18, 46.2-341.19, or 46.2-341.20; and

d. Been convicted of a violation of state or local laws relating to motor vehicle traffic control, other than a parking violation, which violation arose in connection with any reportable traffic accident; and

2. The applicant certifies and provides evidence satisfactory to the Commissioner that he is regularly employed in a job requiring the operation of a commercial motor vehicle, and either:

a. Has previously taken and successfully completed a skills test which was administered by a state with a classified licensing and testing system and that test was behind the wheel in a vehicle representative of the class and, if applicable, the type of commercial motor vehicle for which the applicant seeks to be licensed; or

b. Has operated, for at least two years immediately preceding the application date, a vehicle representative of the class and, if applicable, the type of commercial motor vehicle for which the applicant seeks to be licensed.

D. The Commissioner may, in his discretion, designate such persons as he deems fit, including private or governmental entities, to administer the *knowledge and skills* tests required of applicants for a commercial driver's license. Any person so designated shall comply with all statutes and regulations with respect to the administration of such ~~skills~~ tests.

The Commissioner shall require all state ~~knowledge and skills~~ *third party* test examiners to successfully complete a formal commercial driver's license test examiner training course and examination before certifying them to administer commercial driver's license knowledge and skills tests. ~~State~~ *All state and third party* test examiners shall complete a refresher training course and examination every four years to maintain their commercial driver's license test examiner certification. The refresher training course shall comply with 49 C.F.R. § 384.228. At least once every two years, the Department shall conduct covert and overt monitoring of examinations performed by state *and third party* commercial driver's license ~~skills~~ test examiners.

The Commissioner shall require a nationwide criminal background check of all test examiners at the time of hiring or prior to certifying them to administer commercial driver's license testing. The Commissioner shall complete a nationwide criminal background check for any state or third party test examiners who are current examiners and who have not had a nationwide criminal background check.

The Commissioner shall revoke the certification to administer commercial driver's license tests for any test examiner who (i) does not successfully complete the required refresher training every four years or (ii) does not pass the required nationwide criminal background check. Criteria for not passing the criminal background check include but are not limited to having a felony conviction within the past 10 years or any conviction involving fraudulent activities.

E. Every applicant for a commercial driver's license who is required by the Commissioner to take a vision test shall either (i) appear before a license examiner of the Department of Motor Vehicles to demonstrate his visual acuity and horizontal field of vision; or (ii) submit with his application a copy of the vision examination report which was used as the basis for such examination made within 90 days of the application date by an ophthalmologist or optometrist. The Commissioner may, by regulation, determine whether any other visual tests will satisfy the requirements of this title for commercial drivers.

F. No person who fails the behind-the-wheel examination for a commercial driver's license administered by the Department three times shall be permitted to take such examination a fourth time until he successfully completes, subsequent to the third examination failure, the in-vehicle component of driver instruction at a driver training school licensed under Chapter 17 (§ 46.2-1700 et seq.) or a comparable course approved by the Department or the Department of Education. In addition, no person who fails the general knowledge examination for a commercial driver's license administered by the Department three times shall be permitted to take such examination a fourth time until he successfully completes, subsequent to the third examination failure, the knowledge component of driver instruction at a driver training school licensed under Chapter 17 (§ 46.2-1700 et seq.) or a comparable course approved by the Department or the Department of Education.

The provisions of this subsection shall not apply to persons placed under medical control pursuant to § 46.2-322.

G. Knowledge tests may be administered in written form, verbally, or in automated format and can be administered in a foreign language, provided no interpreter is used in administering the test.

H. Interpreters are prohibited during the administration of the skills tests. Applicants must be able to understand and respond to verbal commands and instructions in English by a skills test examiner. Neither the applicant nor the examiner may communicate in a language other than English during the skills test.

§ 46.2-341.14:01. Military third party testers and military third party examiners; substitute for driving skills tests for drivers with military commercial motor vehicle experience.

A. Pursuant to § 46.2-341.14, the Commissioner shall permit military bases that have entered into an agreement with the Department to serve as third party testers in administering state knowledge and skills tests for issuing commercial driver's licenses. Military third party testers and military third party examiners shall comply with the requirements set forth in §§ 46.2-341.14:1 through 46.2-341.14:9 with respect to knowledge and skills tests.

B. Pursuant to 49 C.F.R. § 383.77, the Commissioner may waive the driving skills test as specified in 49 C.F.R. § 383.113 for a commercial motor vehicle driver with military commercial motor vehicle experience who is currently licensed at the time of his application for a commercial driver's license and substitute an applicant's driving record in combination with certain driving experience for the skills test.

C. To obtain a skills test waiver, the following conditions and limitations must be met:

1. An applicant must certify that, during the two-year period immediately prior to applying for a commercial driver's license, he:

- a. Has not had more than one license except for a military license;*
- b. Has not had any license suspended, revoked, canceled, or disqualified;*
- c. Has not had any convictions for any type of motor vehicle for the disqualifying offenses contained in this article;*
- d. Has not had more than one conviction for any type of motor vehicle for serious traffic violations contained in this article; and*
- e. Has not had any conviction for a violation of military, state, or local law relating to motor vehicle traffic control, other than a parking violation, arising in connection with any traffic crash and has no record of a crash in which he was at fault; and*

2. An applicant must provide evidence and certify that he:

- a. Is regularly employed or was regularly employed within the last 90 days or any other period authorized by the FMCSA in a military position requiring operation of a commercial motor vehicle;
- b. Was exempted from the commercial driver's license requirements in 49 C.F.R. § 383.3(c); and
- c. Was operating a vehicle representative of the commercial motor vehicle the driver applicant operates, or expects to operate, for at least the two years immediately preceding discharge from the military.

§ 46.2-341.14:1. Requirements for third party testers.

A. Pursuant to § 46.2-341.14, third party testers will be authorized to issue skills test certificates, which will be accepted by the Department as evidence of satisfaction of the skills test component of the commercial driver's license examination. Authority to issue skills test certificates will be granted only to third party testers certified by the Department.

B. To qualify for certification, a third party tester shall:

1. Make application to and enter into an agreement with the Department as provided in § 46.2-341.14:3;
2. Maintain a place of business in Virginia;
3. Have at least one certified third party examiner in his employ;
4. Ensure that all third party examiners in his employ are certified and comply with the requirements of §§ 46.2-341.14:2 and 46.2-341.14:7;

5. Permit the Department and the FMCSA of the U.S. Department of Transportation to ~~examine~~ *conduct random examinations, inspections, and audits of its records, facilities, and operations* that relate to the third party testing program ~~and to audit his testing program without prior notice;~~

6. Maintain at the principal place of business a copy of the state certificate authorizing the third party tester to administer a commercial driver's license ~~skills~~ testing program and current third party agreement;

7. Maintain at a Virginia location, for a minimum of two years after a skills test is conducted, a record of each driver for whom the third party tester conducts a skills test, whether the driver passes or fails the test. Each such record shall include:

- a. The complete name of the driver;
- b. The driver's Social Security number or other driver's license number and the name of the state or jurisdiction that issued the license held by the driver at the time of the test;
- c. The date the driver took the skills test;
- d. The test score sheet or sheets showing the results of the skills test and a copy of the skills test certificate, if issued;
- e. The name and certification number of the third party examiner conducting the skills test; and
- f. Evidence of the driver's employment with the third party tester at the time the test was taken. If the third party tester is a school board that tests drivers who are trained but not employed by the school board, evidence that (i) the driver was employed by a school board at the time of the test and (ii) the third party tester trained the driver in accordance with the Virginia School Bus Driver Training Curriculum Guide;

8. Maintain at a Virginia location a record of each third party examiner in the employ of the third party tester. Each record shall include:

- a. Name and Social Security number;
- b. Evidence of the third party examiner's certification by the Department;
- c. A copy of the third party examiner's current *training and* driving record, which must be updated annually;
- d. Evidence that the third party examiner is an employee of the third party tester; and
- e. If the third party tester is a school board, a copy of the third party examiner's certification of instruction issued by the Virginia Department of Education;

9. Retain the records required in subdivision 8 for at least two years after the third party examiner leaves the employ of the third party tester;

10. Ensure that skills tests are conducted, and that skills test certificates are issued in accordance with the requirements of §§ 46.2-341.14:8 and 46.2-341.14:9 and the instructions provided by the Department; ~~and~~

11. Maintain compliance with all applicable provisions of this article and the third party tester agreement executed pursuant to § 46.2-341.14:3; *and*

12. *Maintain a copy of the third party tester's road test route or routes approved by the Department.*

C. In addition to the requirements listed in subsection B, all third party testers who are not governmental entities shall:

1. Be engaged in a business involving the use of commercial motor vehicles, which business has been in operation in Virginia for a minimum of one year;

2. Employ at least 75 Virginia-licensed drivers of commercial motor vehicles, during the 12-month period preceding the application, including part-time and seasonal drivers. This requirement may be waived by the Department pursuant to § 46.2-341.14:10;

3. If subject to the FMCSA regulations and rated by the U.S. Department of Transportation, maintain a rating of "satisfactory"; and

4. Comply with the Virginia Motor Carrier Safety Regulations.

§ 46.2-341.14:2. Requirements for third party examiners.

A. Third party examiners may be certified to conduct skills tests on behalf of only one third party tester at any given time. If a third party examiner leaves the employ of a third party tester, he must be recertified in order to conduct skills tests on behalf of a new third party tester.

B. To qualify for certification as a third party examiner, an individual must:

1. Make application to the Department as provided in § 46.2-341.14:3 *and pass the required nationwide criminal background check*;
2. Be an employee of the third party tester;
3. Possess a valid Virginia commercial driver's license with the classification and endorsements required for operation of the class and type of commercial motor vehicle used in skills tests conducted by the examiner;
4. Satisfactorily complete any third party examiner training course required by the Department;
5. Within three years prior to application, have had no driver's license suspensions, revocations, or disqualifications;
6. At the time of application, have no more than six demerit points on his driving record and not be on probation under the Virginia Driver Improvement Program;
7. Within three years prior to application, have had no conviction for any offense listed in § 46.2-341.18 or 46.2-341.19, whether or not such offense was committed in a commercial motor vehicle;
8. If the examiner is employed by a school board, be certified by the Virginia Department of Education as a school bus training instructor;
9. Conduct skills tests on behalf of the third party tester in accordance with this article and in accordance with current instructions provided by the Department; and
10. Successfully complete a training course and examination every four years to maintain the commercial driver's license test examiner certification.

§ 46.2-341.14:5. Terminating certification of third party tester or examiner.

A. Any third party tester or examiner may relinquish certification upon 30 days' notice to the Department. Relinquishment of certification by a third party tester or examiner shall not release such tester or examiner from any responsibility or liability that arises from his activities as a third party tester or examiner.

B. The Department reserves the right to cancel the third party testing program established by this article, in its entirety.

C. The Department shall revoke the skills testing certification of any examiner:

1. Who does not conduct skills test examinations of at least 10 different applicants per calendar year. However, examiners who do not meet the 10-test minimum must either take a refresher commercial driver's license training that complies with 49 C.F.R. § 384.228 or have a Department examiner ride along to observe the third party examiner successfully administer at least one skills test; or

2. Who does not successfully complete the required refresher training every four years pursuant to 49 C.F.R. § 384.228.

D. The Department may cancel the certification of an individual third party tester or examiner upon the following grounds:

1. Failure to comply with or satisfy any of the provisions of this article, federal standards for the commercial driver's license testing program, the Department's instructions, or the third party tester agreement;

2. Falsification of any record or information relating to the third party testing program; ~~or~~

3. Commission of any act that compromises the integrity of the third party testing program; *or*

4. *Failure to pass the required nationwide criminal background check. Criteria for not passing the criminal background check include but are not limited to having a felony conviction within the past 10 years or any conviction involving fraudulent activities.*

E. If the Department determines that grounds for cancellation exist for failure to comply with or satisfy any of the requirements of this chapter or the third party tester agreement, the Department may postpone cancellation and allow the third party tester or examiner 30 days to correct the deficiency.

§ 46.2-341.14:6. Onsite inspections and audits.

A. Each applicant for certification as a third party tester shall permit the Department *or FMCSA* to conduct random examinations ~~and to inspect, inspections, and audit audits~~ of its operations, facilities, and records as they relate to its third party testing program, for the purpose of determining whether the applicant is qualified for certification. Each person who has been certified as a third party tester shall permit the Department to periodically inspect and audit his third party testing program to determine whether it remains in compliance with certification requirements.

B. The Department *or FMCSA* will perform its random examinations, inspections, and audits of third party testers during regular business hours with or without prior notice to the third party tester.

C. Inspections and audits of third party testers will occur at a minimum once every two years and include, at a minimum, an examination of:

1. Records relating to the third party testing program;

2. Evidence of compliance with the FMCSA regulations and Virginia Motor Carrier Safety Regulations;

3. Skills testing procedures, practices, and operations;

4. Vehicles used for testing;

5. Qualifications of third party examiners;

6. Effectiveness of the skills test program by either (i) testing a sample of drivers who have been issued skills test certificates by the third party tester to compare pass/fail results, (ii) having Department employees covertly take the skills tests from a third party examiner, or (iii) having Department employees co-score along with the third party examiner during commercial driver's license applicant's skills tests to compare pass/fail results;

7. A comparison of the commercial driver's license skills test results of applicants who are issued commercial driver's licenses with the commercial driver's license scoring sheets that are maintained in the third party testers' files; and

8. Any other aspect of the third party tester's operation that the Department determines is necessary to verify that the third party tester meets or continues to meet the requirements for certification.

D. The Department will prepare a written report of the results of each inspection and audit of third party testers. A copy of the report will be provided to the third party tester.

§ 46.2-341.16. Vehicle classifications, restrictions, and endorsements.

A. A commercial driver's license or commercial driver's instruction permit shall authorize the licensee or permit holder to operate only the classes and types of commercial motor vehicles designated thereon. The classes of commercial motor vehicles for which such license may be issued are:

1. Class A-Combination heavy vehicle. - Any combination of vehicles with a gross combination weight rating of 26,001 or more pounds, provided the gross vehicle weight rating of the vehicles being towed is in excess of 10,000 pounds;

2. Class B-Heavy straight vehicle or other combination. - Any single motor vehicle with a gross vehicle weight rating of 26,001 or more pounds, or any such vehicle towing a vehicle with a gross vehicle weight rating that is not in excess of 10,000 pounds; and

3. Class C-Small vehicle. - Any vehicle that does not fit the definition of a Class A or Class B vehicle and is either (i) designed to transport 16 or more passengers including the driver or (ii) is used in the transportation of hazardous materials.

B. Commercial driver's licenses shall be issued with endorsements authorizing the driver to operate the types of vehicles identified as follows:

1. Type T-Vehicles with double or triple trailers;

2. Type P-Vehicles carrying passengers;

3. Type N-Vehicles with cargo tanks;

4. Type H-Vehicles required to be placarded for hazardous materials;

5. Type S-School buses carrying 16 or more passengers, including the driver;

6. Type X-combination of tank vehicle and hazardous materials endorsements for commercial driver's licenses issued on or after July 1, 2014; and

7. At the discretion of the Department, any additional codes for groupings of endorsements with an explanation of such code appearing on the front or back of the license.

C. Commercial driver's licenses shall be issued with restrictions limiting the driver to the types of vehicles identified as follows:

1. L for no air brake equipped commercial motor vehicles for licenses issued on or after July 1, 2014. *An applicant is restricted from operating a commercial motor vehicle with any type of air brake if he does not take or fails the air brake component of the knowledge test or performs the skills test in a vehicle not equipped with air brakes;*

2. Z for no full air brake equipped commercial motor vehicles. *If an applicant performs the skills test in a vehicle equipped with air over hydraulic brakes, the applicant is restricted from operating a commercial motor vehicle equipped with any braking system operating fully on the air brake principle;*

3. E for no manual transmission equipped commercial motor vehicles for commercial driver's licenses issued on or after July 1, 2014;

4. O for no tractor-trailer commercial motor vehicles;

5. M for no class A passenger vehicles;

6. N for no class A and B passenger vehicles;

7. K for vehicles not equipped with air brakes for commercial driver's licenses issued before July 1, 2014. *An applicant is restricted from operating a commercial motor vehicle with any type of air brakes if he does not take or fails the air brake component of the knowledge test or performs the skills test in a vehicle not equipped with air brakes;*

8. K for intrastate only for commercial driver's licenses issued on or after July 1, 2014;

9. V for medical variance; and

10. At the discretion of the Department, any additional codes for groupings of restrictions with an explanation of such code appearing on the front or back of the license.

D. Commercial driver's instruction permits shall be issued with endorsements authorizing the driver to operate the types of vehicles identified as follows:

1. Type P-Vehicles carrying passengers as provided in § 46.2-341.10;

2. Type N-Vehicles with cargo tanks as provided in § 46.2-341.10; and

3. Type S-School buses carrying 16 or more passengers, including the driver as provided in § 46.2-341.10.

E. Commercial driver's instruction permits shall be issued with restrictions limiting the driver to the types of vehicles identified as follows:

1. P for no passengers in commercial motor vehicles bus;

2. X for no cargo in commercial motor vehicles tank vehicle;

3. L for no air brake equipped commercial motor vehicles for commercial driver's instruction permits issued on or after July 1, 2014. *An applicant is restricted from operating a commercial motor vehicle with any type of air brake if he does not take or fails the air brake component of the knowledge test;*

4. M for no class A passenger vehicles;
 5. N for no class A and B passenger vehicles;
 6. K for vehicles not equipped with air brakes for commercial driver's instruction permits issued before July 1, 2014.
An applicant is restricted from operating a commercial motor vehicle with any type of air brake if he does not take or fails the air brake component of the knowledge test;

7. K for intrastate only for commercial driver's instruction permits issued on or after July 1, 2014;

8. V for medical variance; and

9. Any additional jurisdictional restrictions that apply to the commercial driver's instruction permit.

F. Persons authorized to drive Class A vehicles are also authorized to drive Classes B and C vehicles, provided such persons possess the requisite endorsements for the type of vehicle driven.

G. Persons authorized to drive Class B vehicles are also authorized to drive Class C vehicles, provided such persons possess the requisite endorsements for the type of vehicle driven.

H. Any licensee who seeks to add a classification or endorsement to his commercial driver's license must submit the application forms, certifications and other updated information required by the Department and shall take and successfully complete the tests required for such classification or endorsement.

I. If any endorsement to a commercial driver's license is canceled by the Department and the licensee does not appear in person at the Department to have such endorsement removed from the license, then the Department may cancel the commercial driver's license of the licensee.

§ 46.2-341.20. Disqualification for multiple serious traffic violations.

A. For the purposes of this section, the following offenses, if committed in a commercial motor vehicle, are serious traffic violations:

1. Driving at a speed 15 or more miles per hour in excess of the posted speed limits;

2. Reckless driving;

3. A violation of a state law or local ordinance relating to motor vehicle traffic control arising in connection with a fatal traffic accident;

4. Improper or erratic traffic lane change;

5. Following the vehicle ahead too closely;

6. Driving a commercial motor vehicle without obtaining a commercial driver's license *or commercial driver's instruction permit*;

7. Driving a commercial motor vehicle without a commercial driver's license *or commercial driver's instruction permit* in the driver's immediate possession;

8. Driving a commercial motor vehicle without the proper class of commercial driver's license and/or endorsements for the specific vehicle group being operated or for the passengers or type of cargo being transported; ~~and~~

9. A violation of a state law, including §§ 46.2-341.20:5 and 46.2-919.1 or a local ordinance relating to motor vehicle traffic control prohibiting texting while driving; *and*

10. *A violation of a state law, including §§ 46.2-341.20:5 and 46.2-919.1, or a local ordinance relating to motor vehicle traffic control restricting or prohibiting the use of a handheld mobile telephone while driving a commercial motor vehicle.*

For the purposes of this section, parking, vehicle weight, and vehicle defect violations shall not be considered traffic violations.

B. Beginning September 30, 2005, the following offenses shall be treated as serious traffic violations if committed while operating a noncommercial motor vehicle, but only if (i) the person convicted of the offense was, at the time of the offense, the holder of a commercial driver's license *or commercial driver's instruction permit*; (ii) the offense was committed on or after September 30, 2005; and (iii) the conviction, by itself or in conjunction with other convictions that satisfy the requirements of this section, resulted in the revocation, cancellation, or suspension of such person's driver's license or privilege to drive.

1. Driving at a speed 15 or more miles per hour in excess of the posted speed limits;

2. Reckless driving;

3. A violation of a state law or local ordinance relating to motor vehicle traffic control arising in connection with a fatal traffic accident;

4. Improper or erratic traffic lane change; or

5. Following the vehicle ahead too closely.

C. The Department shall disqualify for the following periods of time, any person whose record as maintained by the Department shows that he has committed, within any three-year period, the requisite number of serious traffic violations:

1. A 60-day disqualification period for any person convicted of two serious traffic violations; or

2. A 120-day disqualification period for any person convicted of three serious traffic violations.

D. Any disqualification period imposed pursuant to this section shall run consecutively, and not concurrently, with any other disqualification period imposed hereunder.

§ 46.2-341.20:2. Employer penalty; railroad/highway grade crossing violations; out-of-service order violation.

Any employer who knowingly allows, permits, authorizes, or requires an employee to operate a commercial motor vehicle in violation of any law or regulation pertaining to railroad/highway grade crossings, or in violation of an

out-of-service order, shall be subject to a civil penalty of ~~not less than \$3,000 nor more than \$15,000~~ for each violation pursuant to 49 C.F.R. Part 383, which shall be imposed by the Commissioner upon receipt of notification from federal or state motor carrier officials that an employer may have violated this provision, and upon notice to the employer of the charge and a hearing conducted as provided under the Administrative Process Act (§ 2.2-4000 et seq.), to determine whether such employer has violated this provision. Civil penalties collected under this section shall be deposited into the Transportation Trust Fund.

§ 46.2-341.20:4. Disqualification of driver convicted of fraud related to the testing and issuance of a commercial driver's instruction permit or commercial driver's license.

A person who has been convicted of fraud pursuant to § 46.2-348 related to the issuance of a commercial driver's instruction permit or commercial driver's license shall be disqualified for a period of one year. The application of a person so convicted who seeks to renew, transfer, or upgrade the fraudulently obtained ~~commercial driver's instruction permit or commercial driver's license~~ or seeks to renew or upgrade the fraudulently obtained commercial driver's instruction permit must also, at a minimum, be disqualified. Any disqualification must be recorded in the person's driving record. The person may not reapply for a new commercial driver's license for at least one year.

If ~~a~~ the Department receives credible information that a commercial driver's instruction permit holder or commercial driver's license holder is suspected, but has not been convicted, of fraud related to the issuance of his commercial driver's instruction permit or commercial driver's license, the Department shall require the driver to retake the skills test or knowledge test, or both. Within 30 days of receiving notification from the Department that re-testing is necessary, the affected commercial driver's instruction permit holder or commercial driver's license holder must make an appointment or otherwise schedule to take the next available test. If the commercial driver's instruction permit holder or commercial driver's license holder fails to make an appointment within 30 days, the Department shall disqualify his commercial driver's instruction permit or commercial driver's license. If the driver fails either the knowledge or skills test or does not take the test, the Department shall disqualify his commercial driver's instruction permit or commercial driver's license. Once a commercial driver's instruction permit holder's or commercial driver's license holder's commercial driver's instruction permit or commercial driver's license has been disqualified, he must reapply for a commercial driver's instruction permit or commercial driver's license under Department procedures applicable to all commercial driver's instruction permit and commercial driver's license applicants.

§ 46.2-341.20:5. Prohibition on texting and use of handheld mobile telephone; penalties.

A. No person driving a commercial motor vehicle shall text or use a handheld mobile telephone while driving such vehicle. A driver who violates this section is subject to a civil penalty not to exceed \$2,750. Civil penalties collected under this section shall be deposited into the Transportation Trust Fund. Pursuant to 49 C.F.R. § 386.81, the determination of the actual civil penalties assessed is based on consideration of information available at the time the claim is made concerning the nature and gravity of the violation and, with respect to the violator, the degree of culpability, history of prior offenses, ability to pay, effect on ability to continue to do business, and such other matters as justice and public safety may require.

B. Notwithstanding the definition of commercial motor vehicle in § 46.2-341.4, this section shall apply to any driver who drives a vehicle designed or used to transport between nine and 15 passengers, including the driver, not for direct compensation.

C. The provisions of this section shall not apply to drivers who are texting or using a handheld mobile telephone when necessary to communicate with law-enforcement officials or other emergency services.

D. The following words and phrases when used in this section only shall have the meanings respectively ascribed to them in this section except in those instances where the context clearly indicates a different meaning:

"Driving" means operating a commercial motor vehicle on a highway, including while temporarily stationary because of traffic, a traffic control device, or other momentary delays. Driving does not include operating a commercial motor vehicle when the driver has moved the vehicle to the side of or off a highway and has halted in a location where the vehicle can safely remain stationary.

"Mobile telephone" means a mobile communication device that falls under or uses any commercial mobile radio service, as defined in regulations of the Federal Communications Commission, 47 C.F.R. § 20.3. "Mobile telephone" does not include two-way or citizens band radio services.

"Texting" means manually entering alphanumeric text into, or reading text from, an electronic device. This action includes, but is not limited to, short message service, emailing, instant messaging, a command or request to access a website, pressing more than a single button to initiate or terminate a voice communication using a mobile telephone, or engaging in any other form of electronic text retrieval or entry for present or future communication. "Texting" does not include inputting, selecting, or reading information on a global positioning system or navigation system; pressing a single button to initiate or terminate a voice communication using a telephone; or using a device capable of performing multiple functions (e.g., fleet management systems, dispatching devices, smartphones, citizens band radios, music players, etc.) for a purpose that is not otherwise prohibited in this section.

"Use a handheld mobile telephone" means using at least one hand to hold a mobile telephone to conduct a voice communication; dialing or answering a mobile telephone by pressing more than a single button; or reaching for a mobile telephone in a manner that requires a driver to maneuver so that he is no longer in a seated driving position, restrained by a seat belt that is installed in accordance with 49 C.F.R. § 393.93 and adjusted in accordance with the vehicle manufacturer's instructions.

§ 46.2-341.20:6. Prohibition on requiring use of handheld mobile telephone or texting; motor carrier penalty.

No motor carrier shall allow or require its drivers to use a handheld mobile telephone or to text while driving a commercial motor vehicle. Motor carriers violating this section are subject to a civil penalty not to exceed \$11,000. Civil penalties collected under this section shall be deposited into the Transportation Trust Fund. Pursuant to 49 C.F.R. § 386.81, the determination of the actual civil penalties assessed is based on consideration of information available at the time the claim is made concerning the nature and gravity of the violation and, with respect to the violator, the degree of culpability, history of prior offenses, ability to pay, effect on ability to continue to do business, and such other matters as justice and public safety may require. "Driving," "mobile telephone," "texting," and "use a handheld mobile telephone" have the same meanings as assigned to them in § 46.2-341.20:5.

§ 46.2-348. Fraud or false statements in applications for license; penalties.

Any person who uses a false or fictitious name or gives a false or fictitious address in any application for a driver's license or escort vehicle driver certificate, or any renewal or duplicate thereof, or knowingly makes a false statement or conceals a material fact or otherwise commits a fraud during the driver's license examination, including for a commercial driver's license or commercial driver's instruction permit, or in his application is guilty of a Class 2 misdemeanor. However, where the license is used, or the fact concealed, or fraud is done, with the intent to purchase a firearm or use as proof of residency under § 9.1-903, a violation of this section shall be punishable as a Class 4 felony.

§ 46.2-379. Use of crash reports made by investigating officers.

All ~~accident~~ crash reports made by investigating officers shall be for the confidential use of the Department and of other state agencies for accident prevention purposes and shall not be used as evidence in any trial, civil or criminal, arising out of any accident. ~~The~~ If otherwise authorized by law, the Department shall may disclose from the reports, on request of any person, the date, time, and location of the accident, and the names and addresses of the drivers, the owners of the vehicles involved, the injured persons, the witnesses, and one investigating officer.

§ 46.2-1078.1. Use of handheld personal communications devices in certain motor vehicles; exceptions; penalty.

A. It is unlawful for any person to operate a moving motor vehicle on the highways in the Commonwealth while using any handheld personal communications device to:

1. Manually enter multiple letters or text in the device as a means of communicating with another person; or
2. Read any email or text message transmitted to the device or stored within the device, provided that this prohibition shall not apply to any name or number stored within the device nor to any caller identification information.

B. The provisions of this section shall not apply to:

1. The operator of any emergency vehicle while he is engaged in the performance of his official duties;
2. An operator who is lawfully parked or stopped;
3. The use of factory-installed or aftermarket global positioning systems (GPS) or wireless communications devices used to transmit or receive data as part of a digital dispatch system; or
4. Any person using a handheld personal communications device to report an emergency.

C. A violation of this section is a traffic infraction punishable, for a first offense, by a fine of \$125 and, for a second or subsequent offense, by a fine of \$250.

For the purposes of this section, "emergency vehicle" means:

1. Any law-enforcement vehicle operated by or under the direction of a federal, state, or local law-enforcement officer;
2. Any regional detention center vehicle operated by or under the direction of a correctional officer responding to an emergency call or operating in an emergency situation;
3. Any vehicle used to fight fire, including publicly owned state forest warden vehicles, when traveling in response to a fire alarm or emergency call;
4. Any ambulance, rescue, or life-saving vehicle designed or used for the principal purpose of supplying resuscitation or emergency relief where human life is endangered;
5. Any Department of Emergency Management vehicle or Office of Emergency Medical Services vehicle, when responding to an emergency call or operating in an emergency situation;
6. Any Department of Corrections vehicle designated by the Director of the Department of Corrections, when (i) responding to an emergency call at a correctional facility, (ii) participating in a drug-related investigation, (iii) pursuing escapees from a correctional facility, or (iv) responding to a request for assistance from a law-enforcement officer; and
7. Any vehicle authorized to be equipped with alternating, blinking, or flashing red or red and white secondary warning lights pursuant to § 46.2-1029.2.

D. Distracted driving shall be included as a part of the driver's license knowledge examination.

CHAPTER 804

An Act to amend and reenact §§ 2.2-419, 2.2-423, 2.2-426, 2.2-428, 2.2-3100, 2.2-3101, 2.2-3104, 2.2-3114, 2.2-3115 through 2.2-3118.1, 2.2-3121, 2.2-3131, 30-100, 30-101, 30-110, 30-111, 30-112, 30-114, 30-117, 30-118, and 30-124 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 2.2-3103.1, by adding in Article 2 of Chapter 13 of Title 30 a section numbered 30-103.1, by adding in Chapter 13 of Title 30 an article numbered 6, consisting of sections numbered 30-129.1, 30-129.2, and 30-129.3, and by adding in Title 30 a chapter numbered 55, consisting of sections numbered 30-348 through 30-351, relating to the State and Local Government

Conflict of Interests Act and General Assembly Conflicts of Interests Act; establishing the Virginia Conflict of Interest and Ethics Advisory Council.

[S 649]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.2-419, 2.2-423, 2.2-426, 2.2-428, 2.2-3100, 2.2-3101, 2.2-3104, 2.2-3114, 2.2-3115 through 2.2-3118.1, 2.2-3121, 2.2-3131, 30-100, 30-101, 30-110, 30-111, 30-112, 30-114, 30-117, 30-118, and 30-124 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding a section numbered 2.2-3103.1, by adding in Article 2 of Chapter 13 of Title 30 a section numbered 30-103.1, by adding in Chapter 13 of Title 30 an article numbered 6, consisting of sections numbered 30-129.1, 30-129.2, and 30-129.3, and by adding in Title 30 a chapter numbered 55, consisting of sections numbered 30-348 through 30-351, as follows:

§ 2.2-419. Definitions.

As used in this article, unless the context requires a different meaning:

"Anything of value" means:

1. A pecuniary item, including money, or a bank bill or note;
2. A promissory note, bill of exchange, order, draft, warrant, check, or bond given for the payment of money;
3. A contract, agreement, promise, or other obligation for an advance, conveyance, forgiveness of indebtedness, deposit, distribution, loan, payment, gift, pledge, or transfer of money;
4. A stock, bond, note, or other investment interest in an entity;
5. A receipt given for the payment of money or other property;
6. A right in action;
7. A gift, tangible good, chattel, or an interest in a gift, tangible good, or chattel;
8. A loan or forgiveness of indebtedness;
9. A work of art, antique, or collectible;
10. An automobile or other means of personal transportation;
11. Real property or an interest in real property, including title to realty, a fee simple or partial interest, present or future, contingent or vested within realty, a leasehold interest, or other beneficial interest in realty;
12. An honorarium or compensation for services;
13. A rebate or discount in the price of anything of value unless the rebate or discount is made in the ordinary course of business to a member of the public without regard to that person's status as an executive or legislative official, or the sale or trade of something for reasonable compensation that would ordinarily not be available to a member of the public;
14. A promise or offer of employment; or
15. Any other thing of value that is pecuniary or compensatory in value to a person.

"Anything of value" does not mean a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2.

"Compensation" means:

1. An advance, conveyance, forgiveness of indebtedness, deposit, distribution, loan, payment, gift, pledge, or transfer of money or anything of value; or
2. A contract, agreement, promise or other obligation for an advance, conveyance, forgiveness of indebtedness, deposit, distribution, loan, payment, gift, pledge, or transfer of money or anything of value, for services rendered or to be rendered.

"Compensation" does not mean reimbursement of expenses if the reimbursement does not exceed the amount actually expended for the expenses and it is substantiated by an itemization of expenses.

"Executive action" means the proposal, drafting, development, consideration, amendment, adoption, approval, promulgation, issuance, modification, rejection, or postponement by an executive agency or official of legislation or executive orders issued by the Governor.

"Executive agency" means an agency, board, commission, or other body in the executive branch of state government.

"Executive agency" includes the State Corporation Commission, the Virginia Workers' Compensation Commission, and the State Lottery Department.

"Executive official" means:

1. The Governor;
2. The Lieutenant Governor;
3. The Attorney General;
4. Any officer or employee of the office of the Governor or Lieutenant Governor other than a clerical or secretarial employee;
5. The Governor's Secretaries, the Deputy Secretaries, and the chief executive officer of each executive agency; or
6. Members of supervisory and policy boards, commissions and councils, as defined in § 2.2-2100, however selected.

"Expenditure" means:

1. A purchase, payment, distribution, loan, forgiveness of a loan or payment of a loan by a third party, advance, deposit, transfer of funds, a promise to make a payment, or a gift of money or anything of value for any purpose;

2. A payment to a lobbyist for salary, fee, reimbursement for expenses, or other purpose by a person employing, retaining, or contracting for the services of the lobbyist separately or jointly with other persons;
3. A payment in support of or assistance to a lobbyist or the lobbyist's activities, including the direct payment of expenses incurred at the request or suggestion of the lobbyist;
4. A payment that directly benefits an executive or legislative official or a member of the official's immediate family;
5. A payment, including compensation, payment, or reimbursement for the services, time, or expenses of an employee for or in connection with direct communication with an executive or legislative official;
6. A payment for or in connection with soliciting or urging other persons to enter into direct communication with an executive or legislative official; or
7. A payment or reimbursement for categories of expenditures required to be reported pursuant to this chapter.

"Expenditure" does not mean a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2.

"Fair market value" means the price that a good or service would bring between a willing seller and a willing buyer in the open market after negotiations. If the fair market value cannot be determined, the actual price paid for the good or service shall be given consideration.

"Gift" means anything of value to the extent that a consideration of equal or greater value is not received.

"Gift" does not mean:

1. Printed informational or promotional material;
2. A gift that is not used and, no later than ~~sixty~~ 60 days after receipt, is returned to the donor or delivered to a charitable organization and is not claimed as a charitable contribution for federal income tax purposes;
3. A gift, devise, or inheritance from an individual's spouse, child, parent, grandparent, brother, sister, parent-in-law, brother-in-law, sister-in-law, nephew, niece, aunt, uncle, or first cousin or the spouse of that individual, if the donor is not acting as the agent or intermediary for someone other than a person covered by this subdivision; or
4. A gift of a value of ~~\$25~~ \$50 or less.

"Immediate family" means (i) the spouse and (ii) any ~~other person~~ *child* who resides in the same household as the executive or legislative official and ~~who is the~~ a dependent of the official.

"Legislative action" means:

1. Preparation, research, drafting, introduction, consideration, modification, amendment, approval, passage, enactment, tabling, postponement, defeat, or rejection of a bill, resolution, amendment, motion, report, nomination, appointment, or other matter by the General Assembly or a legislative official;
2. Action by the Governor in approving, vetoing, or recommending amendments for a bill passed by the General Assembly; or
3. Action by the General Assembly in overriding or sustaining a veto by the Governor, considering amendments recommended by the Governor, or considering, confirming, or rejecting an appointment of the Governor.

"Legislative official" means:

1. A member or member-elect of the General Assembly;
2. A member of a committee, subcommittee, commission, or other entity established by and responsible to the General Assembly or either house of the General Assembly; or
3. Persons employed by the General Assembly or an entity established by and responsible to the General Assembly.

"Lobbying" means:

1. Influencing or attempting to influence executive or legislative action through oral or written communication with an executive or legislative official; or
2. Solicitation of others to influence an executive or legislative official.

"Lobbying" does not mean:

1. Requests for appointments, information on the status of pending executive and legislative actions, or other ministerial contacts if there is no attempt to influence executive or legislative actions;
2. Responses to published notices soliciting public comment submitted to the public official designated in the notice to receive the responses;
3. The solicitation of an association by its members to influence legislative or executive action; or
4. Communications between an association and its members and communications between a principal and its lobbyists.

"Lobbyist" means:

1. An individual who is employed and receives payments, or who contracts for economic consideration, including reimbursement for reasonable travel and living expenses, for the purpose of lobbying;
2. An individual who represents an organization, association, or other group for the purpose of lobbying; or
3. A local government employee who lobbies.

"Lobbyist's principal" or "principal" means the entity on whose behalf the lobbyist influences or attempts to influence executive or legislative action. An organization whose employees conduct lobbying activities on its behalf is both a principal and an employer of the lobbyists. In the case of a coalition or association that employs or retains others to conduct lobbying activities on behalf of its membership, the principal is the coalition or association and not its individual members.

"Local government" means:

1. Any county, city, town, or other local or regional political subdivision;

- 2. Any school division;
- 3. Any organization or entity that exercises governmental powers that is established pursuant to an interstate compact; or
- 4. Any organization composed of members representing entities listed in subdivisions 1, 2, or 3 of this definition.

"Local government employee" means a public employee of a local government.

"Person" means an individual, proprietorship, firm, partnership, joint venture, joint stock company, syndicate, business trust, estate, company, corporation, association, club, committee, organization, or group of persons acting in concert.

"Value" means the actual cost or fair market value of an item or items, whichever is greater. If the fair market value cannot be determined, the actual amount paid for the item or items shall be given consideration.

§ 2.2-423. Contents of registration statement.

A. The registration statement shall be on a form provided by the Secretary of the Commonwealth and include the following information:

- 1. The name and business address and telephone number of the lobbyist;
- 2. The name and business address and telephone number of the person who will keep custody of the lobbyist's and the lobbyist's principal's accounts and records required to comply with this article, and the location and telephone number for the place where the accounts and records are kept;
- 3. The name and business address and telephone number of the lobbyist's principal;
- 4. The kind of business of the lobbyist's principal;
- 5. For each principal, the full name of the individual to whom the lobbyist reports;
- 6. For each principal, a statement whether the lobbyist is employed or retained and whether exclusively for the purpose of lobbying;
- 7. The position held by the lobbyist if he is a part-time or full-time employee of the principal;
- 8. The full name and business address and telephone number of each lobbyist employed by or representing the lobbyist's principal;
- 9. An identification of the subject matter (with as much specificity as possible) with regard to which the lobbyist or lobbyist's principal will engage in lobbying; ~~and~~

10. The statement of the lobbyist, which shall be signed either originally or by electronic signature as authorized by the Uniform Electronic Transactions Act (§ 59.1-479 et seq.), that the information contained on the registration statement is true and correct; *and*

11. *A statement by which a principal may elect to waive the principal signature requirement on disclosure filings submitted by its registered lobbyist after the filing of the registration statement.*

B. Whenever any change, modification or addition to his status as a lobbyist is made, the lobbyist shall, within one week of such change, modification or addition, furnish full information regarding the same to the Secretary of the Commonwealth on forms provided by the Secretary.

C. The Secretary of the Commonwealth shall furnish a copy of this article to any individual offering to register as a lobbyist and shall mail by certified mail a copy of this article and a copy of the information furnished by the lobbyist to the person whom the lobbyist represents to be his principal.

D. If the principal to whom the information is sent under subsection C does not, within 10 days of such mailing, file an affidavit, signed by the person or duly authorized agent of the person, denying that the lobbyist appears on his behalf, such person shall be deemed to have appointed the Secretary of the Commonwealth his agent for service of process in any prosecution arising for violation of this article. If such affidavit is filed, the Secretary shall notify the attorney for the Commonwealth of the City of Richmond.

§ 2.2-426. Lobbyist reporting; penalty.

A. Each lobbyist shall file *with the Virginia Conflict of Interest and Ethics Advisory Council* a separate ~~annual~~ *semiannual* report of expenditures, including gifts, for each principal for whom he lobbies by ~~July 1~~ *December 15 for the preceding six-month period complete through the last day of October and June 15 for the preceding* ~~12-month~~ *six-month* period complete through ~~April 30~~ *the last day of April.*

B. Each principal who expends more than \$500 to employ or compensate multiple lobbyists shall be responsible for filing a consolidated lobbyist report pursuant to this section in any case in which the lobbyists are each exempt under the provisions of subdivision 7 or 8 of § 2.2-420 from the reporting requirements of this section.

C. The report shall be on a form provided by the ~~Secretary of the Commonwealth~~ *Virginia Conflict of Interest and Ethics Advisory Council*, which shall be substantially as follows and shall be accompanied by instructions provided by the ~~Secretary~~ *Council.*

LOBBYIST'S DISCLOSURE STATEMENT

PART I:

- (1) PRINCIPAL:
 In Part I, item 2a, provide the name of the individual authorizing your employment as a lobbyist. The lobbyist filing this statement MAY NOT list his name in item 2a. ~~THE INDIVIDUAL LISTED IN PART I, ITEM 2A, MUST SIGN THE PRINCIPAL'S STATEMENT.~~
- (2a) Name:
- (2b) Permanent Business Address:

- (2c) Business Telephone:
- (3) Provide a list of executive and legislative actions (with as much specificity as possible) for which you lobbied and a description of activities conducted.
.....
- (4) INCORPORATED FILINGS: If you are filing an incorporated disclosure statement, please complete the following:
Individual filing financial information:
Individuals to be included in the filing:
- (5) Please indicate which schedules will be attached to your disclosure statement:
[] Schedule A: Entertainment Expenses
[] Schedule B: Gifts
[] Schedule C: Other Expenses
- (6) EXPENDITURE TOTALS:
a) ENTERTAINMENT \$
b) GIFTS \$
~~e) OFFICE EXPENSES~~ ~~\$~~
~~d~~ c) COMMUNICATIONS \$
e d) PERSONAL LIVING AND TRAVEL EXPENSES \$
~~f~~ e) COMPENSATION OF LOBBYISTS \$
~~g~~ f) HONORARIA \$
h) REGISTRATION COSTS \$
~~±~~ g) OTHER \$
TOTAL \$

PART II:

- (1a) NAME OF LOBBYIST:
- (1b) Permanent Business Address:
- (1c) Business Telephone:
- (2) As a lobbyist, you are (check one)
[] EMPLOYED (on the payroll of the principal)
[] RETAINED (not on the payroll of the principal, however compensated)
[] NOT COMPENSATED (not compensated; expenses may be reimbursed)
- (3) List all lobbyists other than yourself who registered to represent your principal.
.....
- (4) If you selected "EMPLOYED" as your answer to Part II, item 2, provide your job title.
.....

PLEASE NOTE: Some lobbyists are not individually compensated for lobbying activities. This may occur when several members of a firm represent a single principal. The principal, in turn, makes a single payment to the firm. If this describes your situation, do not answer Part II, items 5a and 5b. Instead, complete Part III, items 1 and 2.

- (5a) What was the DOLLAR AMOUNT OF YOUR COMPENSATION as a lobbyist? (If you have job responsibilities other than those involving lobbying, you may have to prorate to determine the part of your salary attributable to your lobbying activities.) Transfer your answer to this item to Part I, item 6f 6e.
- (5b) Explain how you arrived at your answer to Part II, item 5a.
.....

PART III:

PLEASE NOTE: If you answered Part II, items 5a and 5b, you WILL NOT

complete this section.

- (1) List all members of your firm, organization, association, corporation, or other entity who furnished lobbying services to your principal.
.....
.....
- (2) Indicate the total amount paid to your firm, organization, association, corporation or other entity for services rendered. Transfer your answer to this item to Part I, item 6f 6e.

SCHEDULE A
ENTERTAINMENT EXPENSES

PLEASE NOTE: Any single entertainment event included in the expense totals of the principal, with a value greater than \$50, should be itemized below. Transfer any totals from this schedule to Part I, item 6a. (Please duplicate as needed.)

Date and Location of Event:

.....
.....

Description of Event:

.....
.....

Total Number of Persons Attending:

.....

Names of Legislative and Executive Officials or Members of Their Immediate Families Attending: (List names only if the average value for each person attending the event was greater than \$50.)

TOTAL COST TO PRINCIPAL \$

SCHEDULE C
OTHER EXPENSES

PLEASE NOTE: This section is provided for any lobbying-related expenses not covered in Part I, items 6a - 6f. An example of an expenditure to be listed on schedule C would be the rental of a bill box during the General Assembly session. Transfer the total from this schedule to Part I, item 6g. (Please duplicate as needed.)

Table with 3 columns: DATE OF EXPENSE, DESCRIPTION OF EXPENSE, AMOUNT. Includes a total line for 'OTHER' EXPENSES.

PART IV: STATEMENTS

Both the lobbyist and principal officer must sign the disclosure statement, attesting to its completeness and accuracy. The following items are mandatory and if they are not properly completed, the entire filing will be rejected and returned to the lobbyist:

- (1) All signatures on the statement must be ORIGINAL in the format specified in the instructions provided by the Secretary Council that accompany this form. No stamps, or other reproductions of the individual's signature will be accepted.
(2) An individual MAY NOT sign the disclosure statement as lobbyist and principal officer.

STATEMENT OF LOBBYIST

I, the undersigned registered lobbyist, do state that the information furnished on this disclosure statement and on all accompanying attachments required to be made thereto is, to the best of my knowledge and belief, complete and accurate.

Signature of lobbyist
Date

STATEMENT OF PRINCIPAL

I, the undersigned principal (or an authorized official thereof), do state that the information furnished on this disclosure statement and on all accompanying attachments required to be made thereto is, to the best of my knowledge and belief, complete and accurate.

Signature of principal
Date

D. A person who signs the disclosure statement knowing it to contain a material misstatement of fact shall be is guilty of a Class 5 felony.

E. Each lobbyist shall send to each legislative and executive official who is required to be identified by name on Schedule A or B of the Lobbyist's Disclosure Form a copy of Schedule A or B or a summary of the information pertaining to that official. Copies or summaries shall be provided to the official by December 15 November 21 for the preceding 12-month six-month period complete through November 30 the last day of October and by May 21 for the preceding six-month period complete through the last day of April.

§ 2.2-428. Standards for automated preparation and transmittal of lobbyist's disclosure statements; database.

A. The Secretary Virginia Conflict of Interest and Ethics Advisory Council shall accept any lobbyist's disclosure statement statements required by § 2.2-426 filed by computer or electronic means in accordance with the standards approved by the Secretary and using software meeting standards approved by the Secretary Council pursuant to the provisions of § 30-349. The Secretary may provide software to filers without charge or at a reasonable cost. The Secretary

may prescribe the method of execution and certification of electronically filed statements and the procedures for receiving statements in the office of the Secretary.

B. The Secretary shall establish a lobbyist disclosure database, available to the public, from required disclosure statements filed electronically and may enter into that database information from required disclosure statements filed by other methods. *The Secretary shall maintain such database until January 1, 2016.*

§ 2.2-3100. Policy; application; construction.

The General Assembly, recognizing that our system of representative government is dependent in part upon (i) citizen legislative members representing fully the public in the legislative process and (ii) its citizens maintaining the highest trust in their public officers and employees, finds and declares that the citizens are entitled to be assured that the judgment of public officers and employees will be guided by a law that defines and prohibits inappropriate conflicts and requires disclosure of economic interests. To that end and for the purpose of establishing a single body of law applicable to all state and local government officers and employees on the subject of conflict of interests, the General Assembly enacts this State and Local Government Conflict of Interests Act so that the standards of conduct for such officers and employees may be uniform throughout the Commonwealth.

This chapter shall supersede all general and special acts and charter provisions which purport to deal with matters covered by this chapter except that the provisions of §§ 15.2-852, 15.2-2287, 15.2-2287.1, and 15.2-2289 and ordinances adopted pursuant thereto shall remain in force and effect. The provisions of this chapter shall be supplemented but not superseded by the provisions on ethics in public contracting in Article 6 (§ 2.2-4367 et seq.) of Chapter 43 of this title and ordinances adopted pursuant to § 2.2-3104.2 regulating receipt of gifts.

The provisions of this chapter do not preclude prosecution for any violation of any criminal law of the Commonwealth, including Articles 2 (Bribery and Related Offenses, § 18.2-438 et seq.) and 3 (Bribery of Public Servants and Party Officials, § 18.2-446 et seq.) of Chapter 10 of Title 18.2, and do not constitute a defense to any prosecution for such a violation.

This chapter shall be liberally construed to accomplish its purpose.

§ 2.2-3101. Definitions.

As used in this chapter, *unless the context requires a different meaning:*

"Advisory agency" means any board, commission, committee or post which does not exercise any sovereign power or duty, but is appointed by a governmental agency or officer or is created by law for the purpose of making studies or recommendations, or advising or consulting with a governmental agency.

"Affiliated business entity relationship" means a relationship, other than a parent-subsidiary relationship, that exists when (i) one business entity has a controlling ownership interest in the other business entity, (ii) a controlling owner in one entity is also a controlling owner in the other entity, or (iii) there is shared management or control between the business entities. Factors that may be considered in determining the existence of an affiliated business entity relationship include that the same person or substantially the same person owns or manages the two entities, there are common or commingled funds or assets, the business entities share the use of the same offices or employees, or otherwise share activities, resources or personnel on a regular basis, or there is otherwise a close working relationship between the entities.

"Business" means a corporation, partnership, sole proprietorship, firm, enterprise, franchise, association, trust or foundation, or any other individual or entity carrying on a business or profession, whether or not for profit.

"Contract" means any agreement to which a governmental agency is a party, or any agreement on behalf of a governmental agency that involves the payment of money appropriated by the General Assembly or a political subdivision, whether or not such agreement is executed in the name of the Commonwealth, or some political subdivision thereof. "Contract" includes a subcontract only when the contract of which it is a part is with the officer's or employee's own governmental agency.

"Council" means the Virginia Conflict of Interest and Ethics Advisory Council established in § 30-348.

~~"Dependent" means a son, daughter, father, mother, brother, sister or other person, whether or not related by blood or marriage, if such person receives from the officer or employee, or provides to the officer or employee, more than one-half of his financial support.~~

"Employee" means all persons employed by a governmental or advisory agency, unless otherwise limited by the context of its use.

"Financial institution" means any bank, trust company, savings institution, industrial loan association, consumer finance company, credit union, broker-dealer as defined in *subsection A of § 13.1-501*, or investment company or advisor registered under the federal Investment Advisors Act or Investment Company Act of 1940.

"Gift" means any gratuity, favor, discount, entertainment, hospitality, loan, forbearance, or other item having monetary value. It includes services as well as gifts of transportation, local travel, lodgings and meals, whether provided in-kind, by purchase of a ticket, payment in advance or reimbursement after the expense has been incurred. "Gift" ~~shall~~ *does not include* (i) any offer of a ticket, *coupon*, or other admission or pass unless the ticket, *coupon*, admission, or pass is used; ~~"Gift" shall not include;~~ (ii) honorary degrees and presents; (iii) any athletic, merit, or need-based scholarship or any other financial aid awarded by a public or private school, institution of higher education, or other educational program pursuant to such school, institution, or program's financial aid standards and procedures applicable to the general public; (iv) a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2; (v) any gift related to the private profession or occupation of an officer or employee or of a member of his immediate family; or (vi) gifts from

relatives or personal friends. For the purpose of this definition, "relative" means the donee's spouse, child, uncle, aunt, niece, or nephew; a person to whom the donee is engaged to be married; the donee's or his spouse's parent, grandparent, grandchild, brother, or sister; or the donee's brother's or sister's spouse. For the purpose of this definition, "personal friend" does not include any person that the filer knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2; (b) a lobbyist's principal as defined in § 2.2-419; (c) for an officer or employee of a local governmental or advisory agency, a person, organization, or business who is a party to or is seeking to become a party to a contract with the local agency of which he is an officer or an employee; or (d) for an officer or employee of a state governmental or advisory agency, a person, organization, or business who is a party to or is seeking to become a party to a contract with the Commonwealth. For purposes of this definition, "person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.

"Governmental agency" means each component part of the legislative, executive or judicial branches of state and local government, including each office, department, authority, post, commission, committee, and each institution or board created by law to exercise some regulatory or sovereign power or duty as distinguished from purely advisory powers or duties. Corporations organized or controlled by the Virginia Retirement System are "governmental agencies" for purposes of this chapter.

"Immediate family" means (i) a spouse and (ii) any other person residing child who resides in the same household as the officer or employee; and who is a dependent of the officer or employee or of whom the officer or employee is a dependent.

"Officer" means any person appointed or elected to any governmental or advisory agency including local school boards, whether or not he receives compensation or other emolument of office. Unless the context requires otherwise, "officer" includes members of the judiciary.

"Parent-subsidiary relationship" means a relationship that exists when one corporation directly or indirectly owns shares possessing more than 50 percent of the voting power of another corporation.

"Personal interest" means a financial benefit or liability accruing to an officer or employee or to a member of his immediate family. Such interest shall exist by reason of (i) ownership in a business if the ownership interest exceeds three percent of the total equity of the business; (ii) annual income that exceeds, or may reasonably be anticipated to exceed, ~~\$10,000~~ \$5,000 from ownership in real or personal property or a business; (iii) salary, other compensation, fringe benefits, or benefits from the use of property, or any combination thereof, paid or provided by a business or governmental agency that exceeds, or may reasonably be anticipated to exceed, ~~\$10,000~~ \$5,000 annually; (iv) ownership of real or personal property if the interest exceeds ~~\$10,000~~ \$5,000 in value and excluding ownership in a business, income, or salary, other compensation, fringe benefits or benefits from the use of property; (v) personal liability incurred or assumed on behalf of a business if the liability exceeds three percent of the asset value of the business; or (vi) an option for ownership of a business or real or personal property if the ownership interest will consist of clause (i) or (iv) above.

"Personal interest in a contract" means a personal interest that an officer or employee has in a contract with a governmental agency, whether due to his being a party to the contract or due to a personal interest in a business that is a party to the contract.

"Personal interest in a transaction" means a personal interest of an officer or employee in any matter considered by his agency. Such personal interest exists when an officer or employee or a member of his immediate family has a personal interest in property or a business or governmental agency, or represents or provides services to any individual or business and such property, business or represented or served individual or business (i) is the subject of the transaction or (ii) may realize a reasonably foreseeable direct or indirect benefit or detriment as a result of the action of the agency considering the transaction. Notwithstanding the above, such personal interest in a transaction shall not be deemed to exist where (a) an elected member of a local governing body serves without remuneration as a member of the board of trustees of a not-for-profit entity and such elected member or member of his immediate family has no personal interest related to the not-for-profit entity or (b) an officer, employee, or elected member of a local governing body is appointed by such local governing body to serve on a governmental agency, or an officer, employee, or elected member of a separate local governmental agency formed by a local governing body is appointed to serve on a governmental agency, and the personal interest in the transaction of the governmental agency is the result of the salary, other compensation, fringe benefits, or benefits provided by the local governing body or the separate governmental agency to the officer, employee, elected member, or member of his immediate family.

"State and local government officers and employees" shall not include members of the General Assembly.

"State filer" means those officers and employees required to file a disclosure statement of their personal interests pursuant to subsection A or B of § 2.2-3114.

"Transaction" means any matter considered by any governmental or advisory agency, whether in a committee, subcommittee, or other entity of that agency or before the agency itself, on which official action is taken or contemplated.

§ 2.2-3103.1. Certain gifts prohibited.

A. For purposes of this section:

"Intangible gift" means a thing of temporary value or a thing that upon the happening of a certain event or expiration of a given date loses its value. "Intangible gift" includes entertainment, hospitality, a ticket, admission, or pass, transportation, lodgings, and meals that are reportable on Schedule E of the disclosure form prescribed in § 2.2-3117.

"Tangible gift" means a thing of value that does not lose its value upon the happening of a certain event or expiration of a given date. "Tangible gift" includes currency, negotiable instruments, securities, stock options, or other financial instruments that are reportable on Schedule E of the disclosure form prescribed in § 2.2-3117. "Tangible gift" does not include payments or reimbursements received for any intangible gift.

B. An officer or employee of a local governmental or advisory agency or candidate required to file the disclosure form prescribed in § 2.2-3117 (i) shall not solicit, accept, or receive within any calendar year any single tangible gift with a value in excess of \$250 or a combination of tangible gifts with an aggregate value in excess of \$250 from any person that he knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4; (b) a lobbyist's principal as defined in § 2.2-419; or (c) a person, organization, or business who is a party to or is seeking to become a party to a contract with the local agency of which he is an officer or an employee; (ii) shall report any tangible gift with a value of \$250 or less or any intangible gift received from any person listed in clause (i) on Schedule E of such disclosure form; and (iii) shall report any payments for talks, meetings, and publications on Schedule D of such disclosure form.

C. An officer or employee of a state governmental or advisory agency or candidate required to file the disclosure form prescribed in § 2.2-3117 (i) shall not solicit, accept, or receive within any calendar year any single tangible gift with a value in excess of \$250 or a combination of tangible gifts with an aggregate value in excess of \$250 from any person that he knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4; (b) a lobbyist's principal as defined in § 2.2-419; or (c) a person, organization, or business who is a party to or is seeking to become a party to a contract with the Commonwealth; (ii) shall report any tangible gift with a value of \$250 or less or any intangible gift received from any person listed in clause (i) on Schedule E of such disclosure form; and (iii) shall report any payments for talks, meetings, and publications on Schedule D of such disclosure form.

D. During the pendency of a civil action in any state or federal court to which the Commonwealth is a party, the Governor or the Attorney General or any employee of the Governor or the Attorney General who is subject to the provisions of this chapter shall not solicit, accept, or receive any tangible gift from any person that he knows or has reason to know is a person, organization, or business who is a party to such civil action. A person, organization, or business who is a party to such civil action shall not knowingly give any tangible gift to the Governor or the Attorney General or any of their employees who are subject to the provisions of this chapter.

E. The \$250 limitation imposed in accordance with this section shall be adjusted by the Council every five years, as of January 1 of that year, in an amount equal to the annual increases for that five-year period in the United States Average Consumer Price Index for all items, all urban consumers (CPI-U), as published by the Bureau of Labor Statistics of the U.S. Department of Labor, rounded to the nearest whole dollar.

F. For purposes of this section, "person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.

§ 2.2-3104. Prohibited conduct for certain officers and employees of state government.

For one year after the termination of public employment or service, no state officer or employee shall, before the agency of which he was an officer or employee, represent a client or act in a representative capacity on behalf of any person or group, for compensation, on matters related to legislation, executive orders, or regulations promulgated by the agency of which he was an officer or employee. This prohibition shall be in addition to the prohibitions contained in § 2.2-3103.

For the purposes of this section, "state officer or employee" shall mean (i) the Governor, Lieutenant Governor, Attorney General, and officers appointed by the Governor, whether confirmation by the General Assembly or by either house thereof is required or not, who are regularly employed on a full-time salaried basis; those officers and employees of executive branch agencies who report directly to the agency head; and those at the level immediately below those who report directly to the agency head and are at a payband 6 or higher and (ii) the officers and professional employees of the legislative branch designated by the joint rules committee of the General Assembly. For the purposes of this section, the General Assembly and the legislative branch agencies shall be deemed one agency.

Any person subject to the provisions of this section may apply to the *Council* or Attorney General, as provided in § 2.2-3121 or 2.2-3126, for an advisory opinion as to the application of the restriction imposed by this section on any post-public employment position or opportunity.

§ 2.2-3114. Disclosure by state officers and employees.

A. The Governor, Lieutenant Governor, Attorney General, Justices of the Supreme Court, judges of the Court of Appeals, judges of any circuit court, judges and substitute judges of any district court, members of the State Corporation Commission, members of the Virginia Workers' Compensation Commission, members of the Commonwealth Transportation Board, members of the Board of Trustees of the Virginia Retirement System, and members of the State Lottery Board and other persons occupying such offices or positions of trust or employment in state government, including members of the governing bodies of authorities, as may be designated by the Governor or, in the case of officers or employees of the legislative branch, by the Joint Rules Committee of the General Assembly, shall file *with the Council*, as a condition to assuming office or employment, a disclosure statement of their personal interests and such other information as is specified on the form set forth in § 2.2-3117 and thereafter shall file such a statement ~~annually on or before January~~ *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.* When the filing deadline falls on a Saturday,

Sunday, or legal holiday, the disclosure statement shall be filed on the next day that is not a Saturday, Sunday, or legal holiday.

B. Nonsalaried citizen members of all policy and supervisory boards, commissions and councils in the executive branch of state government, other than the Commonwealth Transportation Board, members of the Board of Trustees of the Virginia Retirement System, and the State Lottery Board, shall file *with the Council*, as a condition to assuming office, a disclosure form of their personal interests and such other information as is specified on the form set forth in § 2.2-3118 and thereafter shall file such form annually on or before ~~January~~ *December* 15. When the filing deadline falls on a Saturday, Sunday, or legal holiday, the disclosure statement shall be filed on the next day that is not a Saturday, Sunday, or legal holiday. Nonsalaried citizen members of other boards, commissions and councils, including advisory boards and authorities, may be required to file a disclosure form if so designated by the Governor, in which case the form shall be that set forth in § 2.2-3118.

C. The disclosure forms required by subsections A and B shall be provided by the ~~Secretary of the Commonwealth Council~~ *Secretary of the Commonwealth Council* to each officer and employee so designated, including officers appointed by legislative authorities; ~~not later than November 30 of each year at least 30 days prior to the filing deadline.~~ Disclosure forms shall be filed and maintained as public records for five years in the ~~Office office~~ *office* of the ~~Secretary of the Commonwealth Council~~ *Secretary of the Commonwealth Council*.

D. Candidates for the offices of Governor, Lieutenant Governor or Attorney General shall file a disclosure statement of their personal interests as required by § 24.2-502.

E. Any officer or employee of state government who has a personal interest in any transaction before the governmental or advisory agency of which he is an officer or employee and who is disqualified from participating in that transaction pursuant to subdivision A 1 of § 2.2-3112, or otherwise elects to disqualify himself, shall forthwith make disclosure of the existence of his interest, including the full name and address of the business and the address or parcel number for the real estate if the interest involves a business or real estate, and his disclosure shall also be reflected in the public records of the agency for five years in the office of the administrative head of the officer's or employee's governmental agency or advisory agency or, if the agency has a clerk, in the clerk's office.

F. An officer or employee of state government who is required to declare his interest pursuant to subdivision A 2 of § 2.2-3112, shall declare his interest by stating (i) the transaction involved, (ii) the nature of the officer's or employee's personal interest affected by the transaction, (iii) that he is a member of a business, profession, occupation, or group the members of which are affected by the transaction, and (iv) that he is able to participate in the transaction fairly, objectively, and in the public interest. The officer or employee shall either make his declaration orally to be recorded in written minutes for his agency or file a signed written declaration with the clerk or administrative head of his governmental or advisory agency, as appropriate, who shall, in either case, retain and make available for public inspection such declaration for a period of five years from the date of recording or receipt. If reasonable time is not available to comply with the provisions of this subsection prior to participation in the transaction, the officer or employee shall prepare and file the required declaration by the end of the next business day.

G. An officer or employee of state government who is required to declare his interest pursuant to subdivision A 3 of § 2.2-3112, shall declare his interest by stating (i) the transaction involved, (ii) that a party to the transaction is a client of his firm, (iii) that he does not personally represent or provide services to the client, and (iv) that he is able to participate in the transaction fairly, objectively, and in the public interest. The officer or employee shall either make his declaration orally to be recorded in written minutes for his agency or file a signed written declaration with the clerk or administrative head of his governmental or advisory agency, as appropriate, who shall, in either case, retain and make available for public inspection such declaration for a period of five years from the date of recording or receipt. If reasonable time is not available to comply with the provisions of this subsection prior to participation in the transaction, the officer or employee shall prepare and file the required declaration by the end of the next business day.

§ 2.2-3115. Disclosure by local government officers and employees.

A. The members of every governing body and school board of each county and city and of towns with populations in excess of 3,500 shall file *with the Council*, as a condition to assuming office or employment, a disclosure statement of their personal interests and other information as is specified on the form set forth in § 2.2-3117 and thereafter shall file such a statement ~~annually on or before January~~ *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.*

The members of the governing body of any authority established in any county or city, or part or combination thereof, and having the power to issue bonds or expend funds in excess of \$10,000 in any fiscal year, shall file *with the Virginia Conflict of Interest and Ethics Advisory Council*, as a condition to assuming office, a disclosure statement of their personal interests and other information as is specified on the form set forth in § 2.2-3118 and thereafter shall file such a statement annually on or before ~~January~~ *December* 15, unless the governing body of the jurisdiction that appoints the members requires that the members file the form set forth in § 2.2-3117 *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.*

Persons occupying such positions of trust appointed by governing bodies and persons occupying such positions of employment with governing bodies as may be designated to file by ordinance of the governing body shall file *with the Virginia Conflict of Interest and Ethics Advisory Council*, as a condition to assuming office or employment, a disclosure statement of their personal interests and other information as is specified on the form set forth in § 2.2-3117 and thereafter

shall file such a statement ~~annually on or before January 15~~ *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.*

Persons occupying such positions of trust appointed by school boards and persons occupying such positions of employment with school boards as may be designated to file by an adopted policy of the school board shall file *with the Virginia Conflict of Interest and Ethics Advisory Council*, as a condition to assuming office or employment, a disclosure statement of their personal interests and other information as is specified on the form set forth in § 2.2-3117 and thereafter shall file such a statement ~~annually on or before January 15~~ *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.*

B. Nonsalaried citizen members of local boards, commissions and councils as may be designated by the governing body shall file *with the Virginia Conflict of Interest and Ethics Advisory Council*, as a condition to assuming office, a disclosure form of their personal interests and such other information as is specified on the form set forth in § 2.2-3118 and thereafter shall file such form annually on or before ~~January~~ *December 15.*

C. No person shall be mandated to file any disclosure not otherwise required by this article.

D. The disclosure forms required by subsections A and B shall be provided by the ~~Secretary of the Commonwealth~~ *Virginia Conflict of Interest and Ethics Advisory Council* to the clerks of the governing bodies and school boards ~~not later than November 30 of each year~~ *at least 30 days prior to the filing deadline*, and the clerks of the governing body and school board shall distribute the forms to designated individuals ~~no later than December 10 of each year~~ *at least 20 days prior to the filing deadline*. Forms shall be filed and maintained as public records for five years in the office of the ~~clerk of the respective governing body or school board~~ *Virginia Conflict of Interest and Ethics Advisory Council*. Forms filed by members of governing bodies of authorities shall be filed and maintained as public records for five years in the office of the ~~clerk of the governing body of the county or city~~ *Virginia Conflict of Interest and Ethics Advisory Council*.

E. Candidates for membership in the governing body or school board of any county, city or town with a population of more than 3,500 persons shall file a disclosure statement of their personal interests as required by § 24.2-502.

F. Any officer or employee of local government who has a personal interest in any transaction before the governmental or advisory agency of which he is an officer or employee and who is disqualified from participating in that transaction pursuant to subdivision A 1 of § 2.2-3112 or otherwise elects to disqualify himself, shall forthwith make disclosure of the existence of his interest, including the full name and address of the business and the address or parcel number for the real estate if the interest involves a business or real estate, and his disclosure shall be reflected in the public records of the agency for five years in the office of the administrative head of the officer's or employee's governmental or advisory agency.

G. In addition to any disclosure required by subsections A and B, in each county and city and in towns with populations in excess of 3,500, members of planning commissions, boards of zoning appeals, real estate assessors, and all county, city and town managers or executive officers shall make annual disclosures of all their interests in real estate located in the county, city or town in which they are elected, appointed, or employed. Such disclosure shall include any business in which such persons own an interest, or from which income is received, if the primary purpose of the business is to own, develop or derive compensation through the sale, exchange or development of real estate in the county, city or town. Such disclosure shall be filed as a condition to assuming office or employment, and thereafter shall be filed annually with the ~~clerk of the governing body of such county, city or town~~ *Virginia Conflict of Interest and Ethics Advisory Council* on or before ~~January~~ *December 15*. Such disclosures shall be filed and maintained as public records for five years. Forms for the filing of such reports shall be prepared and distributed by the ~~Secretary of the Commonwealth~~ *Virginia Conflict of Interest and Ethics Advisory Council* to the clerk of each governing body.

H. An officer or employee of local government who is required to declare his interest pursuant to subdivision A 2 of § 2.2-3112 shall declare his interest by stating (i) the transaction involved, (ii) the nature of the officer's or employee's personal interest affected by the transaction, (iii) that he is a member of a business, profession, occupation, or group the members of which are affected by the transaction, and (iv) that he is able to participate in the transaction fairly, objectively, and in the public interest. The officer or employee shall either make his declaration orally to be recorded in written minutes of his agency or file a signed written declaration with the clerk or administrative head of his governmental or advisory agency, as appropriate, who shall, in either case, retain and make available for public inspection such declaration for a period of five years from the date of recording or receipt. If reasonable time is not available to comply with the provisions of this subsection prior to participation in the transaction, the officer or employee shall prepare and file the required declaration by the end of the next business day. The officer or employee shall also orally disclose the existence of the interest during each meeting of the governmental or advisory agency at which the transaction is discussed and such disclosure shall be recorded in the minutes of the meeting.

I. An officer or employee of local government who is required to declare his interest pursuant to subdivision A 3 of § 2.2-3112, shall declare his interest by stating (i) the transaction involved, (ii) that a party to the transaction is a client of his firm, (iii) that he does not personally represent or provide services to the client, and (iv) that he is able to participate in the transaction fairly, objectively, and in the public interest. The officer or employee shall either make his declaration orally to be recorded in written minutes for his agency or file a signed written declaration with the clerk or administrative head of his governmental or advisory agency, as appropriate, who shall, in either case, retain and make available for public inspection such declaration for a period of five years from the date of recording or receipt. If reasonable time is not available to comply

with the provisions of this subsection prior to participation in the transaction, the officer or employee shall prepare and file the required declaration by the end of the next business day.

§ 2.2-3116. Disclosure by certain constitutional officers.

For the purposes of this chapter, holders of the constitutional offices of treasurer, sheriff, attorney for the Commonwealth, clerk of the circuit court and commissioner of the revenue of each county and city, shall be deemed to be local officers and shall be required to file the Statement of Economic Interests set forth in § 2.2-3117. These officers shall file statements pursuant to § 2.2-3115 and candidates shall file statements as required by § 24.2-502. *These officers shall be subject to the prohibition on certain gifts set forth in subsection B of § 2.2-3103.1.*

§ 2.2-3117. Disclosure form.

The disclosure form to be used for filings required by subsections A and D of § 2.2-3114 and subsections A and E of § 2.2-3115 shall be substantially as follows:

STATEMENT OF ECONOMIC INTERESTS.

Name
Office or position held or sought
Address
Names of members of immediate family

DEFINITIONS AND EXPLANATORY MATERIAL.

"Business" means a corporation, partnership, sole proprietorship, firm, enterprise, franchise, association, trust or foundation, or any other individual or entity carrying on a business or profession, whether or not for profit.

"Close financial association" means an association in which the person filing shares significant financial involvement with an individual and the filer would reasonably be expected to be aware of the individual's business activities and would have access to the necessary records either directly or through the individual. "Close financial association" does not mean an association based on (i) the receipt of retirement benefits or deferred compensation from a business by which the person filing this statement is no longer employed, or (ii) the receipt of compensation for work performed by the person filing as an independent contractor of a business that represents an entity before any state governmental agency when the person filing has had no communications with the state governmental agency.

"Contingent liability" means a liability that is not presently fixed or determined, but may become fixed or determined in the future with the occurrence of some certain event.

~~"Dependent" means any person, whether or not related by blood or marriage, who receives from the officer or employee, or provides to the officer or employee, more than one-half of his financial support.~~

"Gift" means any gratuity, favor, discount, entertainment, hospitality, loan, forbearance, or other item having monetary value. It includes services as well as gifts of transportation, ~~local travel~~, lodgings and meals, whether provided in-kind, by purchase of a ticket, payment in advance or reimbursement after the expense has been incurred. "Gift" ~~shall~~ does not include (i) any offer of a ticket, coupon, or other admission or pass unless the ticket, coupon, admission, or pass is used; ~~"Gift" shall not include;~~ (ii) honorary degrees ~~and presents;~~ (iii) any athletic, merit, or need-based scholarship or any other financial aid awarded by a public or private school, institution of higher education, or other educational program pursuant to such school, institution, or program's financial aid standards and procedures applicable to the general public; (iv) a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2; (v) any gift related to the private profession or occupation of an officer or employee or of a member of his immediate family; or (vi) gifts from relatives or personal friends. "Relative" means the donee's spouse, child, uncle, aunt, niece, or nephew; a person to whom the donee is engaged to be married; the donee's or his spouse's parent, grandparent, grandchild, brother, or sister; or the donee's brother's or sister's spouse. "Personal friend" does not include any person that the filer knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2; (b) a lobbyist's principal as defined in § 2.2-419; (c) for an officer or employee of a local governmental or advisory agency, a person, organization, or business who is a party to or is seeking to become a party to a contract with the local agency of which he is an officer or an employee; or (d) for an officer or employee of a state governmental or advisory agency, a person, organization, or business who is a party to or is seeking to become a party to a contract with the Commonwealth. "Person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.

~~"Immediate family" means (i) a spouse and (ii) any other person residing child who resides in the same household as the officer or employee; and who is a dependent of the officer or employee or of whom the officer or employee is a dependent.~~

TRUST. If you or your immediate family, separately or together, are the only beneficiaries of a trust, treat the trust's assets as if you own them directly. If you or your immediate family has a proportional interest in a trust, treat that proportion of the trust's assets as if you own them directly. For example, if you and your immediate family have a one-third interest in a trust, complete your Statement as if you own one-third of each of the trust's assets. If you or a member of your immediate family created a trust and can revoke it without the beneficiaries' consent, treat its assets as if you own them directly.

REPORT TO THE BEST OF INFORMATION AND BELIEF. Information required on this Statement must be provided on the basis of the best knowledge, information, and belief of the individual filing the Statement as of the date of this report unless otherwise stated.

COMPLETE ITEMS 1 THROUGH 10. REFER TO SCHEDULES ONLY IF DIRECTED.

You may attach additional explanatory information.

8. Payments for Representation and Other Services.

8A. Did you represent, excluding activity defined as lobbying in § 2.2-419, any businesses before any state governmental agencies, excluding courts or judges, for which you received total compensation during the past ~~42~~ six months in excess of \$1,000, excluding compensation for other services to such businesses and representation consisting solely of the filing of mandatory papers and subsequent representation regarding the mandatory papers? (Officers and employees of local governmental and advisory agencies do NOT need to answer this question or complete Schedule G-1.)

EITHER check NO / / OR check YES / / and complete Schedule G-1.

8B. Subject to the same exceptions as in 8A, did persons with whom you have a close financial association (partners, associates or others) represent, excluding activity defined as lobbying in § 2.2-419, any businesses before any state governmental agency for which total compensation was received during the past ~~42~~ six months in excess of \$1,000? (Officers and employees of local governmental and advisory agencies do NOT need to answer this question or complete Schedule G-2.)

EITHER check NO / / OR check YES / / and complete Schedule G-2.

8C. Did you or persons with whom you have a close financial association furnish services to businesses operating in Virginia pursuant to an agreement between you and such businesses, or between persons with whom you have a close financial association and such businesses for which total compensation in excess of \$1,000 was received during the past ~~42~~ six months? *Services reported under this provision shall not include services involving the representation of businesses that are reported under item 8A or 8B.*

EITHER check NO / / OR check YES / / and complete Schedule G-3.

9. Real Estate.

9A. State Officers and Employees.

Do you or a member of your immediate family hold an interest, including a partnership interest, valued at ~~\$10,000~~ or more than \$5,000 in real property (other than your principal residence) for which you have not already listed the full address on Schedule F? Account for real estate held in trust.

EITHER check NO / / OR check YES / / and complete Schedule H-1.

9B. Local Officers and Employees.

Do you or a member of your immediate family hold an interest, including a partnership interest, or option, easement, or land contract, valued at ~~\$10,000~~ or more than \$5,000 in real property (other than your principal residence) for which you have not already listed the full address on Schedule F? Account for real estate held in trust.

EITHER check NO / / OR check YES / / and complete Schedule H-2.

10. Real Estate Contracts with Governmental Agencies.

Do you or a member of your immediate family hold an interest valued at more than ~~\$10,000~~ \$5,000 in real estate, including a corporate, partnership, or trust interest, option, easement, or land contract, which real estate is the subject of a contract, whether pending or completed within the past ~~12~~ six months, with a governmental agency? If the real estate contract provides for the leasing of the property to a governmental agency, do you or a member of your immediate family hold an interest in the real estate valued at more than \$1,000? Account for all such contracts whether or not your interest is reported in Schedule F, H-1, or H-2. This requirement to disclose an interest in a lease does not apply to an interest derived through an ownership interest in a business unless the ownership interest exceeds three percent of the total equity of the business.

EITHER check NO / / OR check YES / / and complete Schedule I.

Statements of Economic Interests are open for public inspection.

AFFIRMATION BY ALL FILERS.

I swear or affirm that the foregoing information is full, true and correct to the best of my knowledge.

Signature

(Return only if needed to complete Statement.)

	_____	_____

Individual creditors:
(State principal business or occupation of
each creditor and its name.)

2. The personal debts of the members of my immediate family are as follows:

Table with columns for 'Check appropriate categories' and 'Check one' with sub-columns for '\$10,001 to \$50,000' and 'More than \$50,000'. Rows include Banks, Savings institutions, Other loan or finance companies, Insurance companies, Stock, commodity or other brokerage companies, and Other businesses.

Individual creditors:
(State principal business or occupation of
each creditor and its name.)

RETURN TO ITEM 3

SCHEDULE C - SECURITIES.

"Securities" INCLUDES stocks, bonds, mutual funds, limited partnerships, and commodity futures contracts.

"Securities" EXCLUDES certificates of deposit, money market funds, annuity contracts, and insurance policies.

Identify each business or Virginia governmental entity in which you or a member of your immediate family, directly or indirectly, separately or together, own securities valued in excess of \$10,000 \$5,000. Name each entity issuer and type of security individually.

Do not list U.S. Bonds or other government securities not issued by the Commonwealth of Virginia or its authorities, agencies, or local governments. Do not list organizations that do not do business in this Commonwealth, but most major businesses conduct business in Virginia. Account for securities held in trust.

If no reportable securities, check here / /.

Table with columns for 'Name of Issuer', 'Type of Security', and 'Check one' with sub-columns for '\$10,001 to \$50,000', '\$5,001 to \$250,000', and 'More than \$250,000'.

RETURN TO ITEM 4

SCHEDULE D - PAYMENTS FOR TALKS, MEETINGS, AND PUBLICATIONS.

List each source from which you received during the past six months in your capacity as an officer or employee of your agency lodging, transportation, money, or any other thing of value (excluding meals or drinks coincident with a meeting) with combined value exceeding \$200 (i) for your presentation of a single talk, participation in one meeting, or publication of a work in your capacity as an officer or employee of your agency or (ii) for your attendance at a meeting, conference, or event where your attendance at the meeting, conference, or event was designed to (a) educate you on issues relevant to your duties as an officer or employee of your agency or (b) enhance your knowledge and skills relative to your

duties as an officer or employee of your agency. Any lodging, transportation, money, or other thing of value received by an officer or employee that does not satisfy the provisions of clause (i), (ii) (a), or (ii) (b) shall be listed as a gift on Schedule E.

List payments or reimbursements by an advisory or governmental agency only for meetings or travel outside the Commonwealth.

List a payment even if you donated it to charity.

Do not list information about a payment if you returned it within 60 days or if you received it from an employer already listed under Item 6 or from a source of income listed on Schedule F.

If no payment must be listed, check here //.

SCHEDULE I - REAL ESTATE CONTRACTS WITH GOVERNMENTAL AGENCIES.

List all contracts, whether pending or completed within the past ~~12~~ six months, with a governmental agency for the sale or exchange of real estate in which you or a member of your immediate family holds an interest, including a corporate, partnership or trust interest, option, easement, or land contract, valued at more than \$10,000 or more. List all contracts with a governmental agency for the lease of real estate in which you or a member of your immediate family holds such an interest valued at more than \$1,000 or more. This requirement to disclose an interest in a lease does not apply to an interest derived through an ownership interest in a business unless the ownership interest exceeds three percent of the total equity of the business.

State officers and employees report contracts with state agencies.

Local officers and employees report contracts with local agencies.

List your real estate interest and the person or entity, including the type of entity, which is party to the contract. Describe any management role and the percentage ownership interest you or your immediate family member has in the real estate or entity.	List each governmental agency which is a party to the contract and indicate the county or city where the real estate is located.	State the annual income from the contract, and the amount, if any, of income you or any immediate family member derives annually from the contract.

§ 2.2-3118. Disclosure form; certain citizen members.

A. The financial disclosure form to be used for filings required pursuant to subsection B of § 2.2-3114 and subsection B of § 2.2-3115 shall be signed by the filer either originally or by electronic signature as authorized by the Uniform Electronic Transactions Act (§ 59.1-479 et seq.) filed in accordance with the provisions of § 30-349. The financial disclosure form shall be substantially as follows:

DEFINITIONS AND EXPLANATORY MATERIAL.

"Business" means a corporation, partnership, sole proprietorship, firm, enterprise, franchise, association, trust or foundation, or any other individual or entity carrying on a business or profession, whether or not for profit.

"Close financial association" means an association in which the person filing shares significant financial involvement with an individual and the filer would reasonably be expected to be aware of the individual's business activities and would have access to the necessary records either directly or through the individual. "Close financial association" does not mean an association based on (i) the receipt of retirement benefits or deferred compensation from a business by which the person filing this statement is no longer employed, or (ii) the receipt of compensation for work performed by the person filing as an independent contractor of a business that represents an entity before any state governmental agency when the person filing has no communications with the state governmental agency.

"Contingent liability" means a liability that is not presently fixed or determined, but may become fixed or determined in the future with the occurrence of some certain event.

"Immediate family" means (i) a spouse and (ii) any other person residing child who resides in the same household as the filer, and who is a dependent of the filer or of whom the filer is a dependent.

"Dependent" means any person, whether or not related by blood or marriage, who receives from the filer, or provides to the filer, more than one-half of his financial support.

"Personal interest" means, for the purposes of this form only, a personal and financial benefit or liability accruing to a filer or a member of his immediate family. Such interest shall exist by reason of (i) ownership in real or personal property, tangible or intangible; (ii) ownership in a business; (iii) income from a business; or (iv) personal liability on behalf of a business; however, unless the ownership interest in a business exceeds three percent of the total equity of the business, or the liability on behalf of a business exceeds three percent of the total assets of the business, or the annual income, and/or property or use of such property, from the business exceeds \$10,000 or may reasonably be anticipated to exceed \$10,000, such interest shall not constitute a "personal interest."

Name
Office or position held or to be held
.....
Address

I. FINANCIAL INTERESTS

My personal interests and those of my immediate family are as follows:

Include all forms of personal interests held at the time of filing: real estate, stocks, bonds, equity interests in proprietorships and partnerships. You may exclude:

- 1. Deposits and interest bearing accounts in banks, savings institutions and other institutions accepting such deposits or accounts;
2. Interests in any business, other than a news medium, representing less than three percent of the total equity value of the business;
3. Liability on behalf of any business representing less than three percent of the total assets of such business; and
4. Income (other than from salary) less than \$10,000 annually from any business. You need not state the value of any interest. You must state the name or principal business activity of each business in which you have a personal interest.

A. My personal interests are:

- 1. Residence, address, or, if no address, location
2. Other real estate, address, or, if no address, location
3. Name or principal business activity of each business in which stock, bond or equity interest is held

B. The personal interests of my immediate family are:

- 1. Real estate, address or, if no address, location
2. Name or principal business activity of each business in which stock, bond or equity interest is held

II. OFFICES, DIRECTORSHIPS AND SALARIED EMPLOYMENTS

The paid offices, paid directorships and salaried employments which I hold or which members of my immediate family hold and the businesses from which I or members of my immediate family receive retirement benefits are as follows: (You need not state any dollar amounts.)

A. My paid offices, paid directorships and salaried employments are:

Table with 2 columns: Position held, Name of business. Includes three rows of blank lines for entry.

B. The paid offices, paid directorships and salaried employments of members of my immediate family are:

Table with 2 columns: Position held, Name of business. Includes three rows of blank lines for entry.

III. BUSINESSES TO WHICH SERVICES WERE FURNISHED

A. The businesses I have represented, excluding activity defined as lobbying in § 2.2-419, before any state governmental agency, excluding any court or judge, for which I have received total compensation in excess of \$1,000 during the preceding year, excluding compensation for other services to such businesses and representation consisting solely of the filing of mandatory papers, are as follows:

Identify businesses by name and name the state governmental agencies before which you appeared on behalf of such businesses.

Table with 2 columns: Name of business, Name of governmental agency. Includes three blank rows for data entry.

B. The businesses that, to my knowledge, have been represented, excluding activity defined as lobbying in § 2.2-419, before any state governmental agency, excluding any court or judge, by persons with whom I have a close financial association and who received total compensation in excess of \$1,000 during the preceding year, excluding compensation for other services to such businesses and representation consisting solely of the filing of mandatory papers, are as follows:

Identify businesses by type and name the state governmental agencies before which such person appeared on behalf of such businesses.

Table with 2 columns: Type of business, Name of state governmental agency. Includes three blank rows for data entry.

C. All other businesses listed below that operate in Virginia to which services were furnished pursuant to an agreement between you and such businesses and for which total compensation in excess of \$1, 000 was received during the preceding year:

Check each category of business to which services were furnished.

- List of business categories with checkboxes: Electric utilities, Gas utilities, Telephone utilities, Water utilities, Cable television companies, Intrastate transportation companies, Interstate transportation companies, Oil or gas retail companies, Banks, Savings institutions, Loan or finance companies, Manufacturing companies (state type of product, e.g., textile, furniture, etc.), Mining companies, Life insurance companies, Casualty insurance companies, Other insurance companies, Retail companies, Beer, wine or liquor companies or distributors, Trade associations, Professional associations, Associations of public employees or officials, Counties, cities or towns, Labor organizations.

IV. COMPENSATION FOR EXPENSES

The persons, associations, or other sources other than my governmental agency from which I or a member of my immediate family received remuneration in excess of \$200 during the preceding year, in cash or otherwise, as honorariums or payment of expenses in connection with my attendance at any meeting or other function to which I was invited in my official capacity are as follows:

Name of Source	Description of occasion	Amount of remuneration for each occasion
_____	_____	_____
_____	_____	_____
_____	_____	_____

B. The provisions of Part III A and B of the disclosure form prescribed by this section shall not be applicable to officers and employees of local governmental and local advisory agencies.

C. Except for real estate located within the county, city or town in which the officer or employee serves or a county, city or town contiguous to the county, city or town in which the officer or employee serves, officers and employees of local governmental or advisory agencies shall not be required to disclose under Part I of the form any other interests in real estate.

§ 2.2-3118.1. Special provisions for individuals serving in or seeking multiple positions or offices; reappointees.

A. The filing of a single current statement of economic interests by a state officer or employee required to file the form prescribed in § 2.2-3117 shall suffice for the purposes of this chapter as filing for all state positions or offices held or sought by such individual during a single reporting period. The filing of a single current financial disclosure statement by a state officer or employee required to file the form prescribed in § 2.2-3118 shall suffice for the purposes of this chapter as filing for all state positions or offices held or sought by such individual and requiring the filing of the § 2.2-3118 form during a single reporting period.

B. Any individual who has met the requirement for ~~annually~~ *periodically* filing a statement provided in § 2.2-3117 or 2.2-3118 shall not be required to file an additional statement upon such individual's reappointment to the same office or position for which he is required to file, provided such reappointment occurs within *six months after filing a statement pursuant to § 2.2-3117 and within 12 months after the annual filing a statement pursuant to § 2.2-3118.*

§ 2.2-3121. Advisory opinions.

A. A state officer or employee shall not be prosecuted for a knowing violation of this chapter if the alleged violation resulted from his good faith reliance on a written opinion of the Attorney General *or the Virginia Conflict of Interest and Ethics Advisory Council* made in response to his written request for such opinion and the opinion was made after a full disclosure of the facts.

B. A local officer or employee shall not be prosecuted for a knowing violation of this chapter if the alleged violation resulted from his good faith reliance on a written opinion of the attorney for the Commonwealth *or the Council* made in response to his written request for such opinion and the opinion was made after a full disclosure of the facts. The written opinion shall be a public record and shall be released upon request.

C. If any officer or employee serving at the local level of government is charged with a knowing violation of this chapter, and the alleged violation resulted from his reliance upon a written opinion of his city, county or town attorney, made after a full disclosure of the facts, that such action was not in violation of this chapter, then the officer or employee shall have the right to introduce a copy of the opinion at his trial as evidence that he did not knowingly violate this chapter.

§ 2.2-3131. Exemptions.

A. The requirements of § 2.2-3130 shall not apply to state filers with a state agency who have taken an equivalent ethics orientation course through another state agency within the time periods set forth in subdivision 1 or 2 of § 2.2-3130, as applicable.

B. State agencies may jointly conduct and state filers from more than one state agency may jointly attend an orientation course required by § 2.2-3128, as long as the course content is relevant to the official duties of the attending state filers.

C. Before conducting each orientation course required by § 2.2-3128, state agencies shall consult with the Attorney General *and the Virginia Conflict of Interest and Ethics Advisory Council* regarding appropriate course content.

§ 30-100. Declaration of legislative policy; construction.

The General Assembly, recognizing that our system of representative government is dependent in part upon (i) citizen legislative members representing fully the public in the legislative process and (ii) its citizens maintaining the highest trust in their public officers, finds and declares that the citizens are entitled to be assured that the judgment of the members of the General Assembly will not be compromised or affected by inappropriate conflicts.

The provisions of this chapter do not preclude prosecution for any violation of any criminal law of the Commonwealth, including Articles 2 (Bribery and Related Offenses, § 18.2-438 et seq.) and 3 (Bribery of Public Servants and Party Officials, § 18.2-446 et seq.) of Chapter 10 of Title 18.2, and do not constitute a defense to any prosecution for such a violation.

This chapter shall apply to the members of the General Assembly.

This chapter shall be liberally construed to accomplish its purpose.

§ 30-101. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Advisory agency" means any board, commission, committee or post which does not exercise any sovereign power or duty, but is appointed by a governmental agency or officer or is created by law for the purpose of making studies or recommendations, or advising or consulting with a governmental agency.

"Business" means a corporation, partnership, sole proprietorship, firm, enterprise, franchise, association, trust or foundation, or any other individual or entity carrying on a business or profession, whether or not for profit.

"Contract" means any agreement to which a governmental agency is a party, or any agreement on behalf of a governmental agency ~~which that~~ involves the payment of money appropriated by the General Assembly or a political subdivision, whether or not such agreement is executed in the name of the Commonwealth of Virginia, or some political subdivision thereof. "Contract" includes a subcontract only when the contract of which it is a part is with the legislator's own governmental agency.

"Council" means the Virginia Conflict of Interest and Ethics Advisory Council established in § 30-348.

"Financial institution" means any bank, trust company, savings institution, industrial loan association, consumer finance company, credit union, broker-dealer as defined in subsection A of § 13.1-501, or investment company or advisor registered under the federal Investment Advisors Act or Investment Company Act of 1940.

"Gift" means any gratuity, favor, discount, entertainment, hospitality, loan, forbearance, or other item having monetary value. It includes services as well as gifts of transportation, ~~local travel~~, lodgings and meals, whether provided in-kind, by purchase of a ticket, payment in advance or reimbursement after the expense has been incurred. "Gift" ~~shall does not~~ include (i) any offer of a ticket, *coupon*, or other admission or pass unless the ticket, *coupon*, admission, or pass is used; ~~"Gift" shall not include;~~ (ii) honorary degrees and presents; (iii) any athletic, merit, or need-based scholarship or any other financial aid awarded by a public or private school, institution of higher education, or other educational program pursuant to such school, institution, or program's financial aid standards and procedures applicable to the general public; (iv) a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2; (v) any gift related to the private profession or occupation of a legislator or of a member of his immediate family; or (vi) gifts from relatives or personal friends. For the purpose of this definition, "relative" means the donee's spouse, child, uncle, aunt, niece, or nephew; a person to whom the donee is engaged to be married; the donee's or his spouse's parent, grandparent, grandchild, brother, or sister; or the donee's brother's or sister's spouse. For the purpose of this definition, "personal friend" does not include any person that the filer knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2; (b) a lobbyist's principal as defined in § 2.2-419; or (c) a person, organization, or business who is a party to or is seeking to become a party to a contract with the Commonwealth. For purposes of this definition, "person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.

"Governmental agency" means each component part of the legislative, executive or judicial branches of state and local government, including each office, department, authority, post, commission, committee, and each institution or board created by law to exercise some regulatory or sovereign power or duty as distinguished from purely advisory powers or duties.

"Immediate family" means (i) a spouse and (ii) any ~~other person residing~~ child who resides in the same household as the legislator; ~~and who is a dependent of the legislator or of whom the legislator is a dependent.~~ "Dependent" means a son, daughter, father, mother, brother, sister or other person, whether or not related by blood or marriage, if such person receives from the legislator, or provides to the legislator, more than one-half of his financial support.

"Legislator" means a member of the General Assembly.

"Personal interest" means a financial benefit or liability accruing to a legislator or to a member of his immediate family. Such interest shall exist by reason of (i) ownership in a business if the ownership interest exceeds three percent of the total equity of the business; (ii) annual income that exceeds, or may reasonably be anticipated to exceed, ~~\$10,000~~ \$5,000 from ownership in real or personal property or a business; (iii) salary, other compensation, fringe benefits, or benefits from the use of property, or any combination thereof, paid or provided by a business or governmental agency that exceeds, or may reasonably be anticipated to exceed, ~~\$10,000~~ \$5,000 annually; (iv) ownership of real or personal property if the interest exceeds ~~\$10,000~~ \$5,000 in value and excluding ownership in a business, income, or salary, other compensation, fringe benefits or benefits from the use of property; ~~or~~ (v) personal liability incurred or assumed on behalf of a business if the liability exceeds three percent of the asset value of the business; or (vi) an option for ownership of a business or real or personal property if the ownership interest will consist of clause (i) or (iv).

"Personal interest in a contract" means a personal interest ~~which that~~ a legislator has in a contract with a governmental agency, whether due to his being a party to the contract or due to a personal interest in a business ~~which that~~ is a party to the contract.

"Personal interest in a transaction" means a personal interest of a legislator in any matter considered by the General Assembly. Such personal interest exists when an officer or employee or a member of his immediate family has a personal interest in property or a business, or represents or provides services to any individual or business and such property, business or represented or served individual or business (i) is the subject of the transaction or (ii) may realize a reasonably foreseeable direct or indirect benefit or detriment as a result of the action of the agency considering the transaction. A "personal interest in a transaction" exists only if the legislator or member of his immediate family or an individual or business represented or served by the legislator is affected in a way that is substantially different from the general public or

from persons comprising a profession, occupation, trade, business or other comparable and generally recognizable class or group of which he or the individual or business he represents or serves is a member.

"Transaction" means any matter considered by the General Assembly, whether in a committee, subcommittee, or other entity of the General Assembly or before the General Assembly itself, on which official action is taken or contemplated.

§ 30-103.1. Certain gifts prohibited.

A. For purposes of this section:

"Intangible gift" means a thing of temporary value or a thing that upon the happening of a certain event or expiration of a given date loses its value. "Intangible gift" includes entertainment, hospitality, a ticket, admission, or pass, transportation, lodgings, and meals that are reportable on Schedule E of the disclosure form prescribed in § 30-111.

"Tangible gift" means a thing of value that does not lose its value upon the happening of a certain event or expiration of a given date. "Tangible gift" includes currency, negotiable instruments, securities, stock options, or other financial instruments that are reportable on Schedule E of the disclosure form prescribed in § 30-111. "Tangible gift" does not include payments or reimbursements received for any intangible gift.

B. A legislator or candidate for the General Assembly required to file the disclosure form prescribed in § 30-111 (i) shall not solicit, accept, or receive within any calendar year any single tangible gift with a value in excess of \$250 or a combination of tangible gifts with an aggregate value in excess of \$250 from any person that he knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2; (b) a lobbyist's principal as defined in § 2.2-419; or (c) a person, organization, or business who is a party to or is seeking to become a party to a contract with the Commonwealth; (ii) shall report any tangible gift with a value of \$250 or less or any intangible gift received from any person listed in clause (i) on Schedule E of such disclosure form; and (iii) shall report any payments for talks, meetings, and publications on Schedule D-1 of such disclosure form. For purposes of this subsection, "person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.

C. The \$250 limitation imposed in accordance with this section shall be adjusted by the Council every five years, as of January 1 of that year, in an amount equal to the annual increases for that five-year period in the United States Average Consumer Price Index for all items, all urban consumers (CPI-U), as published by the Bureau of Labor Statistics of the U.S. Department of Labor, rounded to the nearest whole dollar.

§ 30-110. Disclosure.

A. Every legislator and legislator-elect shall file, as a condition to assuming office, a disclosure statement of his personal interests and such other information as is specified on the form set forth in § 30-111 and thereafter shall file such a statement ~~annually on or before January 8~~ *semiannually by December 15 for the preceding six-month period complete through the last day of October and by June 15 for the preceding six-month period complete through the last day of April.* When the filing deadline falls on a Saturday, Sunday, or legal holiday, the disclosure statement shall be filed on the next day that is not a Saturday, Sunday, or legal holiday. Disclosure forms shall be provided by the ~~clerk of the appropriate house to each legislator and legislator-elect not later than November 30 of each year~~ *Virginia Conflict of Interest and Ethics Advisory Council at least 30 days prior to the filing deadline.* Members of the Senate ~~shall file their disclosure forms with the Clerk of the Senate~~ and members of the House of Delegates shall file their disclosure forms with the ~~Clerk of the House of Delegates~~ *Virginia Conflict of Interest and Ethics Advisory Council.* The disclosure forms of the members of the General Assembly shall be maintained as public records for five years in the office of the ~~clerk of the appropriate house~~ *Virginia Conflict of Interest and Ethics Advisory Council.*

B. Candidates for the General Assembly shall file a disclosure statement of their personal interests as required by §§ 24.2-500 through 24.2-503.

C. Any legislator who has a personal interest in any transaction pending before the General Assembly and who is disqualified from participating in that transaction pursuant to § 30-108 and the rules of his house shall disclose his interest in accordance with the applicable rule of his house.

§ 30-111. Disclosure form.

A. The disclosure form to be used for filings required by subsections A and B of § 30-110 shall be substantially as follows:

STATEMENT OF ECONOMIC INTERESTS.

- Name
- Office or position held or sought
- Home address Address
- Names of members of immediate family

DEFINITIONS AND EXPLANATORY MATERIAL.

"Business" means a corporation, partnership, sole proprietorship, firm, enterprise, franchise, association, trust or foundation, or any other individual or entity carrying on a business or profession, whether or not for profit.

"Close financial association" means an association in which the filer shares significant financial involvement with an individual and the filer would reasonably be expected to be aware of the individual's business activities and would have access to the necessary records either directly or through the individual. "Close financial association" does not mean an association based on (i) the receipt of retirement benefits or deferred compensation from a business by which the legislator is no longer employed, or (ii) the receipt of compensation for work performed by the legislator as an independent contractor

of a business that represents an entity before any state governmental agency when the legislator has had no communications with the state governmental agency.

"Contingent liability" means a liability that is not presently fixed or determined, but may become fixed or determined in the future with the occurrence of some certain event.

~~"Dependent" means any person, whether or not related by blood or marriage, who receives from the legislator, or provides to the legislator, more than one-half of his financial support.~~

"Gift" means any gratuity, favor, discount, entertainment, hospitality, loan, forbearance, or other item having monetary value. It includes services as well as gifts of transportation, ~~local travel~~, lodgings and meals, whether provided in-kind, by purchase of a ticket, payment in advance or reimbursement after the expense has been incurred. "Gift" ~~shall~~ does not include (i) any offer of a ticket, *coupon*, or other admission or pass unless the ticket, *coupon*, admission, or pass is used; ~~"Gift" shall not include;~~ (ii) honorary degrees ~~and presents~~; (iii) ~~any athletic, merit, or need-based scholarship or any other financial aid awarded by a public or private school, institution of higher education, or other educational program pursuant to such school, institution, or program's financial aid standards and procedures applicable to the general public;~~ (iv) a campaign contribution properly received and reported pursuant to Chapter 9.3 (§ 24.2-945 et seq.) of Title 24.2; (v) any gift related to the private profession or occupation of a legislator or of a member of his immediate family; or (vi) gifts from relatives or personal friends. "Relative" means the donee's spouse, child, uncle, aunt, niece, or nephew; a person to whom the donee is engaged to be married; the donee's or his spouse's parent, grandparent, grandchild, brother, or sister; or the donee's brother's or sister's spouse. "Personal friend" does not include any person that the filer knows or has reason to know is (a) a lobbyist registered pursuant to Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2; (b) a lobbyist's principal as defined in § 2.2-419; or (c) a person, organization, or business who is a party to or is seeking to become a party to a contract with the Commonwealth. "Person, organization, or business" includes individuals who are officers, directors, or owners of or who have a controlling ownership interest in such organization or business.

"Immediate family" means (i) a spouse and (ii) any ~~other person residing~~ child who resides in the same household as the legislator; ~~and who is a dependent of the legislator or of whom the legislator is a dependent.~~

"Lobbyist relationship" means (i) an engagement, agreement, or representation that relates to legal services, consulting services, or public relations services, whether gratuitous or for compensation, between a member or member-elect and any person who is, or has been within the prior calendar year, registered as a lobbyist with the Secretary of the Commonwealth; or (ii) a greater than three percent ownership interest by a member or member-elect in a business that employs, or engages as an independent contractor, any person who is, or has been within the prior calendar year, registered as a lobbyist with the Secretary of the Commonwealth. The disclosure of a lobbyist relationship shall not ~~(i)~~ (a) constitute a waiver of any attorney-client or other privilege, ~~(ii)~~ (b) require a waiver of any attorney-client or other privilege for a third party, or ~~(iii)~~ (c) be required where a member or member-elect is employed or engaged by a person and such person also employs or engages a person in a lobbyist relationship so long as the member or member-elect has no financial interest in the lobbyist relationship.

TRUST. If you or your immediate family, separately or together, are the only beneficiaries of a trust, treat the trust's assets as if you own them directly. If you or your immediate family has a proportional interest in a trust, treat that proportion of the trust's assets as if you own them directly. For example, if you and your immediate family have a one-third interest in a trust, complete your Statement as if you own one-third of each of the trust's assets. If you or a member of your immediate family created a trust and can revoke it without the beneficiaries' consent, treat its assets as if you own them directly.

REPORT TO THE BEST OF INFORMATION AND BELIEF. Information required on this Statement must be provided on the basis of the best knowledge, information, and belief of the individual filing the Statement as of the date of this report unless otherwise stated.

COMPLETE ITEMS 1 THROUGH 11. REFER TO SCHEDULES ONLY IF DIRECTED.

You may attach additional explanatory information.

1. Offices and Directorships.

Are you or a member of your immediate family a paid officer or paid director of a business?

EITHER check NO / / OR check YES / / and complete Schedule A.

2. Personal Liabilities.

Do you or a member of your immediate family owe more than ~~\$10,000~~ \$5,000 to any one creditor including contingent liabilities? (Exclude debts to any government and loans secured by recorded liens on property at least equal in value to the loan.)

EITHER check NO / / OR check YES / / and complete Schedule B.

3. Securities.

Do you or a member of your immediate family, directly or indirectly, separately or together, own securities valued in excess of ~~\$10,000~~ \$5,000 invested in one business? Account for mutual funds, limited partnerships and trusts.

EITHER check NO / / OR check YES / / and complete Schedule C.

4. Payments for Talks, Meetings, and Publications.

During the past ~~12~~ six months did you receive *in your capacity as a legislator* lodging, transportation, money, or anything else of value with a combined value exceeding \$200 (i) for a single talk, meeting, or published work ~~in your capacity as a legislator~~ or (ii) for a meeting, conference, or event where your attendance at the meeting, conference, or event was designed to (a) educate you on issues relevant to your duties as a legislator, including issues faced by your constituents,

or (b) enhance your knowledge and skills relative to your duties as a legislator? Do not include payments and reimbursements from the Commonwealth for meetings attended in your capacity as a legislator; see Question 11 and Schedule D2 to report such meetings.

EITHER check NO / / OR check YES / / and complete Schedule D.

5. Gifts.

During the past ~~12~~ six months did a business, government, or individual other than a relative or personal friend (i) furnish you or a member of your immediate family with any gift or entertainment at a single event, and the value received by you exceeded \$50 in value or (ii) furnish you or a member of your immediate family with gifts or entertainment in any combination and the total value received by you exceeded \$100 in total value, and for which you or the member of your immediate family neither paid nor rendered services in exchange? Account for entertainment events only if the average value per person attending the event exceeded \$50 in value. Account for all business entertainment (except if related to your the private profession or occupation of you or the member of your immediate family who received such business entertainment) even if unrelated to your official duties.

EITHER check NO / / OR check YES / / and complete Schedule E.

6. Salary and Wages.

List each employer that pays you or a member of your immediate family salary or wages in excess of ~~\$10,000~~ \$5,000 annually. (Exclude any salary received as a member of the General Assembly pursuant to § 30-19.11.)

If no reportable salary or wages, check here / / .

7. Business Interests and Lobbyist Relationships.

7A. Do you or a member of your immediate family, separately or together, operate your own business, or own or control an interest in excess of ~~\$10,000~~ \$5,000 in a business?

EITHER check NO / / OR check YES / / and complete Schedule F-1.

7B. Do you have a lobbyist relationship as that term is defined above?

EITHER check NO / / OR check YES / / and complete Schedule F-2.

8. Payments for Representation and Other Services.

8A. Did you represent any businesses before any state governmental agencies, excluding courts or judges, for which you received total compensation during the past ~~12~~ six months in excess of \$1,000, excluding compensation for other services to such businesses and representation consisting solely of the filing of mandatory papers and subsequent representation regarding the mandatory papers?

EITHER check NO / / OR check YES / / and complete Schedule G-1.

8B. Subject to the same exceptions as in 8A, did persons with whom you have a close financial association (partners, associates or others) represent any businesses before any state governmental agency for which total compensation was received during the past ~~12~~ six months in excess of \$1,000?

EITHER check NO / / OR check YES / / and complete Schedule G-2.

8C. Did you or persons with whom you have a close financial association furnish services to businesses operating in Virginia, pursuant to an agreement between you and such businesses, or between persons with whom you have a close financial association and such businesses for which total compensation in excess of \$1,000 was received during the past ~~12~~ six months? Services reported under this provision shall not include services involving the representation of businesses that are reported under question 8A or 8B above.

EITHER check NO / / OR check YES / / and complete Schedule G-3.

9. Real Estate.

Do you or a member of your immediate family hold an interest, including a partnership interest, valued at ~~\$10,000~~ or more than \$5,000 in real property (other than your principal residence) for which you have not already listed the full address on Schedule F? Account for real estate held in trust.

EITHER check NO / / OR check YES / / and complete Schedule H.

10. Real Estate Contracts with State Governmental Agencies.

Do you or a member of your immediate family hold an interest valued at more than ~~\$10,000~~ \$5,000 in real estate, including a corporate, partnership, or trust interest, option, easement, or land contract, which real estate is the subject of a contract, whether pending or completed within the past ~~12~~ six months, with a state governmental agency?

If the real estate contract provides for the leasing of the property to a state governmental agency, do you or a member of your immediate family hold an interest in the real estate, including a corporate, partnership, or trust interest, option, easement, or land contract valued at more than \$1,000? Account for all such contracts whether or not your interest is reported in Schedule F or H. This requirement to disclose an interest in a lease does not apply to an interest derived through an ownership interest in a business unless the ownership interest exceeds three percent of the total equity of the business.

EITHER check NO / / OR check YES / / and complete Schedule I.

11. Payments by the Commonwealth for Meetings.

During the past ~~12~~ six months did you receive lodging, transportation, money, or anything else of value with a combined value exceeding \$200 from the Commonwealth for a single meeting attended out-of-state in your capacity as a legislator? Do not include reimbursements from the Commonwealth for meetings attended in the Commonwealth.

EITHER check NO / / OR check YES / / and complete Schedule D-2.

For Statements filed in January 2016 and each two years thereafter, complete the following statement indicating whether you completed the ethics orientation sessions provided pursuant to law:

I certify that I completed ethics training as required by § 30-129.1. YES / / or NO / /.

Statements of Economic Interests are open for public inspection.

AFFIRMATION.

In accordance with the rules of the house in which I serve, if I receive a request that this disclosure statement be corrected, augmented, or revised in any respect, I hereby pledge that I shall respond promptly to the request. I understand that if a determination is made that the statement is insufficient, I will satisfy such request or be subjected to disciplinary action of my house.

I swear or affirm that the foregoing information is full, true and correct to the best of my knowledge.

B. Any legislator who makes a knowing misstatement of a material fact on the Statement of Economic Interests shall be subject to disciplinary action for such violations by the house in which the legislator sits.

C. ~~In accordance with the rules of each house, the~~ *The* Statement of Economic Interests of all members of each house shall be reviewed *by the Council*. If a legislator's Statement is found to be inadequate as filed, the legislator shall be notified in writing and directed to file an amended Statement correcting the indicated deficiencies, and a time shall be set within which such amendment shall be filed. If the Statement of Economic Interests, in either its original or amended form, is found to be adequate as filed, the legislator's filing shall be deemed in full compliance with this section as to the information disclosed thereon.

D. Ten percent of the membership of a house, on the basis of newly discovered facts, may in writing request the house in which those members sit, in accordance with the rules of that house, to review the Statement of Economic Interests of another member of that house in order to determine the adequacy of his filing. In accordance with the rules of each house, each Statement of Economic Interests shall be promptly reviewed, the adequacy of the filing determined, and notice given in writing to the legislator whose Statement is in issue. Should it be determined that the Statement requires correction, augmentation or revision, the legislator involved shall be directed to make the changes required within such time as shall be set under the rules of each house.

If a legislator, after having been notified in writing in accordance with the rules of the house in which he sits that his Statement is inadequate as filed, fails to amend his Statement so as to come into compliance within the time limit set, he shall be subject to disciplinary action by the house in which he sits. No legislator shall vote on any question relating to his own Statement.

§ 30-112. Senate and House Ethics Advisory Panels; membership; terms; quorum; compensation and expenses.

A. The Senate Ethics Advisory Panel and the House Ethics Advisory Panel are established in the legislative branch of state government. The provisions of §§ 30-112 through 30-119 shall be applicable to each panel.

B. The Senate Ethics Advisory Panel shall be composed of five nonlegislative citizen members: three of whom shall be former members of the Senate; and two of whom shall be citizens of the Commonwealth at large who have not previously held such office. All members of the Panel shall be citizens of the Commonwealth. No member shall engage in activities requiring him to register as a lobbyist under § 2.2-422 during his tenure on the Panel.

The members shall be nominated by the Committee on Rules of the Senate and confirmed by the Senate *by a majority vote of (i) the members present of the majority party and (ii) the members present of the minority party*. After initial appointments, all appointments shall be for terms of four years each except for unexpired terms. Nominations shall be made so as to assure bipartisan representation on the Panel.

C. The House Ethics Advisory Panel shall be composed of five nonlegislative citizen members: one of whom shall be a retired justice or judge of a court of record; two of whom shall be former members of the House of Delegates; and two of whom shall be citizens of the Commonwealth at large, at least one of whom shall not have previously held such office. All members of the Panel shall be citizens of the Commonwealth. No member shall engage in activities requiring him to register as a lobbyist under § 2.2-422 during his tenure on the Panel.

The members shall be nominated by the Speaker of the House of Delegates and confirmed by the House of Delegates *by a majority vote of (i) the members present of the majority party and (ii) the members present of the minority party*. After initial appointments, all appointments shall be for terms of four years each except for unexpired terms. Nominations shall be made so as to assure bipartisan representation on the Panel.

D. Each panel shall elect its own chairman and vice-chairman from among its membership.

E. No member shall serve more than three successive four-year terms. Vacancies shall be filled only for the unexpired term. Vacancies shall be filled in the same manner as the original appointments. The remainder of any term to which a member is appointed to fill a vacancy shall not constitute a term in determining the member's eligibility for reappointment.

F. Three members shall constitute a quorum on each panel. A vacancy shall not impair the right of the remaining members to exercise all powers of the Panel. Meetings of each panel shall be held at the call of the chairman or whenever the majority of the members so request.

G. The members of each panel, while serving on the business of the Panel, are performing legislative duties and shall be entitled to the compensation and reimbursement of expenses to which members of the General Assembly are entitled when performing legislative duties pursuant to §§ 2.2-2813, 2.2-2825, and 30-19.12. Funding for the cost of compensation and expenses of the members of the Senate Ethics Advisory Panel shall be provided by the Office of the Clerk of the Senate and the funding for the cost of compensation and expenses of the House Ethics Advisory Panel shall be provided by the Office of the Clerk of the House of Delegates.

§ 30-114. Filing of complaints; procedures; disposition.

A. In response to the signed and sworn complaint of any citizen of the Commonwealth, which is subscribed by the maker as true under penalty of perjury, submitted to the Panel, the Panel shall inquire into any alleged violation of Articles 2 (§ 30-102 et seq.) through 5 (§ 30-109 et seq.) ~~of this chapter~~ by any member of the respective house of the General Assembly in his current term or his immediate prior term. Complaints shall be filed with the ~~Director of the Division of Legislative Services~~ *Virginia Conflict of Interest and Ethics Advisory Council*, ~~who~~ which shall promptly (i) submit the complaint to the chairman of the appropriate Panel and (ii) forward a copy of the complaint to the legislator named in the complaint. The chairman shall promptly notify the Panel of the complaint. No complaint shall be filed with the Panel 60 or fewer days before a primary election or other nominating event or before a general election in which the cited legislator is running for office, and the Panel shall not accept or act on any complaint received during this period.

B. The Panel shall determine, during its preliminary investigation, whether the facts stated in the complaint taken as true are sufficient to show a violation of Articles 2 (§ 30-102 et seq.) through 5 (§ 30-109 et seq.) ~~of this chapter~~. If the facts, as stated in the complaint, fail to give rise to such a violation, then the Panel shall dismiss the complaint. If the facts, as stated in the complaint, give rise to such a violation, then the Panel shall request that the complainant appear and testify under oath as to the complaint and the allegations therein. After hearing the testimony and reviewing any other evidence provided by the complainant, the Panel shall dismiss the complaint if the Panel fails to find by a preponderance of the evidence that such violation has occurred. If the Panel finds otherwise, it shall proceed with the inquiry.

C. If after such preliminary investigation, the Panel determines to proceed with an inquiry into the conduct of any legislator, the Panel (i) shall immediately notify in writing the individual who filed the complaint and the cited legislator as to the fact of the inquiry and the charges against the legislator and (ii) shall schedule one or more hearings on the matter. The legislator shall have the right to present evidence, cross-examine witnesses, face and examine the accuser, and be represented by counsel at any hearings. In its discretion, the Panel may grant the legislator any other rights or privileges not specifically enumerated in this subsection. Once the Panel has determined to proceed with an inquiry, its meetings and hearings shall be open to the public.

D. Once the Panel determines to proceed with an inquiry into the conduct of any legislator, the Panel shall complete its investigations and dispose of the matter as provided in § 30-116 notwithstanding the resignation of the legislator during the course of the Panel's proceedings.

§ 30-117. Confidentiality of proceedings.

All proceedings during the investigation of any complaint by the Panel shall be confidential. This rule of confidentiality shall apply to Panel members and their staff ~~and~~ the Committee on Privileges and Elections and its staff, ~~and the Virginia Conflict of Interest and Ethics Advisory Council.~~

§ 30-118. Staff for Panel.

The Panel may hire staff and outside counsel to assist the Panel and to conduct examinations of witnesses, subject to the approval of the President Pro Tempore of the Senate for the Senate Ethics Advisory Panel and subject to the approval of the Speaker of the House of Delegates for the House Ethics Advisory Panel. ~~The Panel may have the Director of the Division of Legislative Services, and such additional staff as he may assign, assist the Panel during its preliminary investigation and during its proceedings.~~

§ 30-124. Advisory opinions.

A legislator shall not be prosecuted or disciplined for a violation of this chapter if his alleged violation resulted from his good faith reliance on a written opinion of a committee on standards of conduct established pursuant to § 30-120, ~~or~~ an opinion of the Attorney General as provided in § 30-122, ~~or a formal opinion of the Virginia Conflict of Interest and Ethics Advisory Council established pursuant to § 30-348,~~ and the opinion was made after his full disclosure of the facts.

Article 6.

Ethics Orientation Sessions.

§ 30-129.1. Orientation sessions on ethics and conflicts of interests.

The Virginia Conflict of Interest and Ethics Advisory Council shall conduct an orientation session (i) for new and returning General Assembly members preceding each even-numbered year regular session and (ii) for any new General Assembly member who is elected in a special election and whose term commences after the date of the orientation session provided for in clause (i) and at least six months before the date of the next such orientation session within three months of his election. Attendance at the full orientation session shall be mandatory for newly elected members. Attendance at a refresher session lasting at least two hours shall be mandatory for returning members and may be accomplished by online participation. There shall be no penalty for the failure of a member to attend the full or refresher orientation session, but the member must disclose his attendance pursuant to § 30-111.

§ 30-129.2. Content of orientation sessions.

The orientation session shall provide information and training for the members on ethics and conflicts of interests, on the provisions of the General Assembly Conflicts of Interests Act (§ 30-100 et seq.), on relevant federal law provisions, and on related issues involving lobbying. Refresher sessions may be offered online.

§ 30-129.3. Orientation session preparations.

Those conducting the orientation sessions may call on other agencies in the legislative or executive branches for assistance, may invite experts to assist in the sessions, and shall, upon request of a member who holds a professional license or certification, apply for continuing education credits with the appropriate licensing or certifying entity for the sessions.

CHAPTER 55.

VIRGINIA CONFLICT OF INTEREST AND ETHICS ADVISORY COUNCIL.

§ 30-348. Virginia Conflict of Interest and Ethics Advisory Council; membership; terms; quorum; expenses.

A. The Virginia Conflict of Interest and Ethics Advisory Council (the Council) is hereby created as an advisory council in the legislative branch to encourage and facilitate compliance with the State and Local Government Conflict of Interests Act (§ 2.2-3100 et seq.) and the General Assembly Conflicts of Interests Act (§ 30-100 et seq.) (hereafter the Acts) and the lobbying laws in Article 3 (§ 2.2-418 et seq.) of Chapter 4 of Title 2.2 (hereafter Article 3).

B. The Council shall consist of 15 members as follows: four members appointed by the Speaker of the House of Delegates, one of whom shall be a member of the House of Delegates, one of whom shall be a former member of the House of Delegates, and two of whom shall be nonlegislative citizen members; four members appointed by the Senate Committee on Rules, one of whom shall be a member of the Senate, one of whom shall be a former member of the Senate, and two of whom shall be nonlegislative citizen members; four members appointed by the Governor, two of whom shall be executive branch employees and two of whom shall be nonlegislative citizen members; one member designated by the Attorney General; one member appointed by the Senate Committee on Rules from a list of three nominees submitted by the Virginia Association of Counties; and one member appointed by the Speaker of the House of Delegates from a list of three nominees submitted by the Virginia Municipal League. All members of the Council are subject to confirmation by the General Assembly by a majority vote in each house of (i) the members present of the majority party and (ii) the members present of the minority party.

C. All appointments following the initial staggering of terms shall be for terms of four years, except that appointments to fill vacancies shall be for the unexpired terms in the same manner as the original appointment. No nonlegislative citizen member shall be eligible to serve for more than two successive four-year terms. However, after the expiration of a term of three years or less, or after the expiration of the remainder of a term to which appointed to fill a vacancy, two additional terms may be served by such member if appointed thereto. Legislative members and other state government officials shall serve terms coincident with their terms of office. Legislative members may be reappointed for successive terms.

D. The members of the Council shall elect from among their membership a chairman and a vice-chairman for two-year terms. The chairman and vice-chairman may not succeed themselves to the same position. The Council shall hold meetings quarterly or upon the call of the chairman. A majority of the Council shall constitute a quorum.

E. Members of the Council shall receive no compensation for their services but shall be reimbursed for all reasonable and necessary expenses incurred in the performance of their duties as provided in §§ 2.2-2813, 2.2-2825, and 30-19.12, as appropriate. Funding for expenses of the members shall be provided from existing appropriations to the Council.

§ 30-349. Powers and duties of the Council.

The Council shall:

1. Review all disclosure forms filed by lobbyists pursuant to Article 3 and by state and local government officers and employees and legislators pursuant to the Acts. The Council shall review all disclosure forms for completeness, which shall include reviewing the information contained on the face of the form to determine if the disclosure form has been fully completed and comparing the disclosures contained in any disclosure form filed by a lobbyist pursuant to § 2.2-426 with other disclosure forms filed with the Council, and be followed by requests for amendments to ensure the completeness of and correction of errors in the forms, if necessary;

2. Accept any disclosure forms by computer or electronic means in accordance with the standards approved by the Council and using software meeting standards approved by it. The Council shall provide software to filers without charge and may prescribe the method of execution and certification of electronically filed forms, including the use of an electronic signature as authorized by the Uniform Electronic Transactions Act (§ 59.1-479 et seq.), and the procedures for receiving forms in the office of the Council;

3. Beginning July 1, 2015, establish and maintain a searchable electronic database comprising disclosure forms filed pursuant to §§ 2.2-426, 2.2-3117, 2.2-3118, and 30-111. Such database shall be available to the public through the Council's official website;

4. Furnish, upon request, formal advisory opinions or guidelines and other appropriate information, including informal advice, regarding ethics and conflicts issues arising under Article 3 or the Acts to any person or to any agency of state or local government, in an expeditious manner. Informal advice given by the Council is confidential, protected by the attorney-client privilege, and is excluded from the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.);

5. Conduct training seminars and educational programs for lobbyists, state and local government officers and employees and legislators, and other interested persons on the requirements of Article 3 and the Acts and provide ethics orientation sessions for legislators in compliance with Article 6 (§ 30-129.1 et seq.) of Chapter 13;

6. Approve orientation courses conducted pursuant to § 2.2-3128 and, upon request, review the educational materials and approve any training or course on the requirements of Article 3 and the Acts conducted for state and local government officers and employees;

7. Publish such educational materials as it deems appropriate on the provisions of Article 3 and the Acts;

8. Review actions taken in the General Assembly with respect to the discipline of its members for the purpose of offering nonbinding advice;

9. Request from any agency of state or local government such assistance, services, and information as will enable the Council to effectively carry out its responsibilities. Information provided to the Council by an agency of state or local government shall not be released to any other party unless authorized by such agency; and

10. Report on or before December 1 of each year on its activities and findings regarding Article 3 and the Acts, including recommendations for changes in the laws, to the General Assembly and the Governor. The annual report shall be submitted by the chairman as provided in the procedures of the Division of Legislative Automated Systems for the processing of legislative documents and reports and shall be published as a state document.

§ 30-350. Staff.

Staff assistance to the Council shall be provided by the Division of Legislative Services. Staff shall perform those duties assigned to it by the Council, including those duties enumerated in § 30-349.

§ 30-351. Cooperation of agencies of state and local government.

Every department, division, board, bureau, commission, authority, or political subdivision of the Commonwealth shall cooperate with, and provide such assistance to, the Council as the Council may request.

2. That the initial terms of the nonlegislative citizen members and former legislative members of the Virginia Conflict of Interest and Ethics Advisory Council appointed pursuant to this act shall be staggered as follows: (i) two nonlegislative citizen members, one appointed by the Speaker of the House of Delegates and one appointed by the Senate Committee on Rules, for a term of two years; (ii) two nonlegislative citizen members, one appointed by the Speaker of the House of Delegates and one appointed by the Governor, for a term of three years; (iii) two nonlegislative citizen members, one member appointed by the Senate Committee on Rules and one appointed by the Governor, and two former legislative members, one appointed by the Speaker of the House of Delegates and one appointed by the Senate Committee on Rules, for a term of four years; and (iv) the designee of the Attorney General and the appointed representatives of the Virginia Association of Counties and Virginia Municipal League for a term of one year. Thereafter, the terms of members shall be for four years.

3. That, if the General Assembly is not in session when initial appointments to the Virginia Conflict of Interest and Ethics Advisory Council are made, such initial appointments shall be confirmed at the next succeeding regular session of the General Assembly following such appointments and the Council may exercise all powers and perform all duties set forth in this act notwithstanding any provisions of this act requiring confirmation of members appointed to the Council by the General Assembly.

4. That the Virginia Conflict of Interest and Ethics Advisory Council shall promulgate instructions for all filers required to file a disclosure form regarding how to complete and file such forms in accordance with provisions of this act.

5. That the Virginia Conflict of Interest and Ethics Advisory Council shall review the current statutory disclosure forms located at §§ 2.2-426, 2.2-3117, 2.2-3118, and 30-111 of the Code of Virginia and promulgate revised forms consistent with the provisions of this act. The Council shall submit its proposed revised forms to the General Assembly on or before November 15, 2015.

6. That the provisions of this act requiring the filing of disclosure forms with the Virginia Conflict of Interest and Ethics Advisory Council shall become effective on July 1, 2015, and the first of such disclosure forms filed with the Council shall be such disclosure forms required to be filed by December 15, 2015. All filers required to file a disclosure form for any filing period prior to December 15, 2015, shall file such form with the entity currently responsible for accepting such filings in the manner currently accepted by such entity.

7. That the provisions of this act do not affect the requirement that each lobbyist required to file a report of expenditures pursuant to § 2.2-426 of the Code of Virginia shall file such report by July 1, 2014, for the preceding 12-month period complete through the last day of April and shall thereafter follow the semiannual reporting schedule set forth in § 2.2-426.

8. That the provisions of this act may result in a net increase in periods of imprisonment or commitment. Pursuant to § 30-19.1:4, the estimated amount of the necessary appropriation is \$0 for periods of imprisonment in state adult correctional facilities and is \$0 for periods of commitment to the custody of the Department of Juvenile Justice.

9. That, except as provided in the seventh enactment of this act, the filing period for all filers required to file a disclosure form on December 15, 2014, shall consist of January 2014 complete through the last day of October 2014.

CHAPTER 805

An Act to amend the Code of Virginia by adding a title numbered 33.2, containing a subtitle numbered I, consisting of chapters numbered 1 and 2, containing sections numbered 33.2-100 through 33.2-285, a subtitle numbered II, consisting of chapters numbered 3 through 14, containing sections numbered 33.2-300 through 33.2-1400, a subtitle numbered III, consisting of chapters numbered 15 through 18, containing sections numbered 33.2-1500 through 33.2-1824, and a subtitle numbered IV, consisting of chapters numbered 19 through 32, containing sections numbered 33.2-1900 through 33.2-3202 and to repeal Chapters 45 (§§ 15.2-4500 through 15.2-4534), 48.2 (§§ 15.2-4829 through 15.2-4840), 70 (§§ 15.2-7000 through 15.2-7021), and 71 (§§ 15.2-7022 through 15.2-7035) of Title 15.2, Title 33.1 (§§ 33.1-1 through 33.1-465), Chapters 18 (§§ 56-529 and 56-530) and 22 (§§ 56-556 through 56-575) of Title 56, and §§ 58.1-815 and 58.1-815.1 of the Code of Virginia and Chapter 693 of the Acts of Assembly of 1954,

Chapters 462 and 714 of the Acts of Assembly of 1956, Chapter 24 of the Acts of Assembly of 1959, Extra Session, Chapters 228 and 605 of the Acts of Assembly of 1962, Chapter 348 of the Acts of Assembly of 1964, Chapter 203 of the Acts of Assembly of 1990, Chapter 548 of the Acts of Assembly of 1998, Chapters 238 and 705 of the Acts of Assembly of 2000, and Chapters 270 and 297 of the Acts of Assembly of 2005, relating to revising and recodifying laws pertaining to highways, bridges, ferries, rail and public transportation, transportation funding, and local and regional transportation.

[H 311]

Approved April 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding a title numbered 33.2, containing a subtitle numbered I, consisting of chapters numbered 1 and 2, containing sections numbered 33.2-100 through 33.2-285, a subtitle numbered II, consisting of chapters numbered 3 through 14, containing sections numbered 33.2-300 through 33.2-1400, a subtitle numbered III, consisting of chapters numbered 15 through 18, containing sections numbered 33.2-1500 through 33.2-1824, and a subtitle numbered IV, consisting of chapters numbered 19 through 32, containing sections numbered 33.2-1900 through 33.2-3202, as follows:

TITLE 33.2.

HIGHWAYS AND OTHER SURFACE TRANSPORTATION SYSTEMS.

SUBTITLE I.

GENERAL PROVISIONS AND TRANSPORTATION ENTITIES.

CHAPTER 1.

DEFINITIONS AND GENERAL PROVISIONS.

§ 33.2-100. Definitions.

As used in this title, unless the context requires a different meaning:

"Asset management" means a systematic process of operating and maintaining the systems of state highways by combining engineering practices and analysis with sound business practices and economic theory to achieve cost-effective outcomes.

"Board" means the Commonwealth Transportation Board.

"City" has the meaning assigned to it in § 1-208.

"Commissioner" or "Commissioner of Highways" means the individual who serves as the chief executive officer of the Department of Transportation.

"Department" means the Department of Transportation.

"Federal-aid systems" are the Interstate System and the National Highway System as set forth in 23 U.S.C. § 103.

"Highway" means the entire width between the boundary lines of every way or place open to the use of the public for purposes of vehicular travel in the Commonwealth.

"Highway purpose," "highway project," or "highway construction" means highway, passenger and freight rail, or public transportation purposes.

"Interstate System" means the same as that term is defined in 23 U.S.C. § 103(c). The "Interstate System" also includes highways or highway segments in the Commonwealth that constitute a part of the Dwight D. Eisenhower National System of Interstate and Defense Highways as authorized and designated in accordance with § 7 of the Federal-Aid Highway Act of 1944 and § 108(a) of the Federal-Aid Highway Act of 1956 and are declared by resolution of the Commonwealth Transportation Board to be portions of the Interstate System.

"Locality" has the meaning assigned to it in § 1-221.

"Maintenance" means (i) ordinary maintenance; (ii) maintenance replacement; (iii) operations that include traffic signal synchronization, incident management, and other intelligent transportation system functions; and (iv) any other categories of maintenance that may be designated by the Commissioner of Highways.

"Municipality" has the meaning assigned to it in § 1-224.

"National Highway System" means the same as that term is defined in 23 U.S.C. § 103(b).

"Primary highway" means any highway in or component of the primary state highway system.

"Primary state highway system" consists of all highways and bridges under the jurisdiction and control of the Commonwealth Transportation Board and the Commissioner of Highways and not in the secondary state highway system.

"Public transportation" or "mass transit" means passenger transportation by rubber-tired, rail, or other surface conveyance that provides shared ride services open to the general public on a regular and continuing basis. "Public transportation" or "mass transit" does not include school buses, charter or sight-seeing services, vehicular ferry service that serves as a link in the highway network, or human service agency or other client-restricted transportation.

"Roadway" means that portion of a highway improved, designed, or ordinarily used for vehicular travel. A highway may include two or more roadways if divided by a physical barrier or barriers or unpaved areas.

"Secondary highway" means any highway in or component of the secondary state highway system.

"Secondary state highway system" consists of all public highways, causeways, bridges, landings, and wharves in the counties of the Commonwealth not included in the primary state highway system and that have been accepted by the Department of Transportation for supervision and maintenance.

"Secretary" means the Secretary of Transportation.

"Systems of state highways" has the meaning assigned to it in § 1-251.

"Urban highway system" consists of those public highways, or portions thereof, not included in the systems of state highways, to which the Commonwealth Transportation Board directs payments pursuant to § 33.2-319.

§ 33.2-101. Governor to waive certain state statutory mandates and regulations to expedite certain highway construction projects.

Notwithstanding any contrary provision of this Code, whenever the Governor finds in his emergency preparedness planning that certain transportation improvements are necessary to avert or respond to a natural disaster, prevent or respond to an act of terrorism, or contribute to military operations during a time of war or state of emergency as defined in § 44-146.16, the Governor may, to the maximum extent not inconsistent with federal law, waive statutory mandates and regulations of any state agency, institution, instrumentality, or political subdivision concerning the issuance of permits or related approvals in order to expedite the construction, reconstruction, alteration, or relocation of such highways, bridges, tunnels, and associated facilities or structures as he deems necessary.

§ 33.2-102. Authority of cities and towns and certain counties in connection with federal aid.

The cities and towns of the Commonwealth and also the counties that have withdrawn from the provisions of Chapter 415 of the Acts of Assembly of 1932, as amended, may comply fully with the provisions of the present or future federal-aid road acts, and to this end they may enter into all contracts or agreements with the United States government or the appropriate agencies thereof relating to the survey, construction, improvement, and maintenance of roads, streets, and highways under their control and may do all other things necessary to carry out fully the cooperation contemplated and provided for by the present or future acts of Congress relating to the construction, improvement, and maintenance of roads, streets, and highways.

Such localities may also cooperate with the Board in connection with any project for the survey, construction, improvement, or maintenance of any road, street, or highway under their jurisdiction and control that is eligible for federal aid under any present or future federal-aid road acts and may by appropriate agreement or contract authorize the Board to act on their behalf in any dealings necessary with the United States or any agency thereof and may authorize the Board to carry out such survey, construction, improvement, or maintenance work on such projects either with or without participation by the locality. Whenever the Board is given such authority by any such locality, it may do all things contemplated and provided for by present or future federal-aid road acts and the agreements made with such locality.

§ 33.2-103. Certified mail; subsequent mail or notices may be sent by regular mail.

Whenever in this title the Board, Commissioner of Highways, or Department is required to send any mail or notice by certified mail and such mail or notice is sent certified mail, return receipt requested, then any subsequent, identical mail or notice that is sent by the Board, Commissioner of Highways, or Department may be sent by regular mail.

§ 33.2-104. English units of measure.

A. Neither the Commissioner of Highways nor the Department shall expend any funds whatsoever for the purpose of (i) converting the units of measure displayed on any highway sign from English units of measure to metric units of measure, (ii) replacing any highway sign displaying English units of measure with one bearing metric units of measure, or (iii) replacing any highway sign displaying English units of measure with one bearing both English and metric units of measure.

B. The Board, Commissioner of Highways, and Department shall use English units of measure in the design, advertisement, construction, and preparation of plans and specifications of every highway, bridge, tunnel, or overpass construction or maintenance project. However, nothing in this section shall prevent the Board, Commissioner of Highways, or Department from continuing the use of metric units of measure in the design, advertisement, or construction of any project or the preparation of plans or specifications for a project if, prior to July 1, 1999, metric units of measure were used in the design, advertisement, plans, or specifications for the project.

§ 33.2-105. Evidence as to existence of a public highway.

When a way has been worked by highway officials as a public highway and is used by the public as such, proof of these facts shall be prima facie evidence that the same is a public highway. And when a way has been regularly or periodically worked by highway officials as a public highway and used by the public as such continuously for a period of 20 years, proof of these facts shall be conclusive evidence that the same is a public highway. In all such cases, the center of the general line of passage, conforming to the ancient landmarks where such exist, shall be presumed to be the center of the way and in the absence of proof to the contrary, the width shall be presumed to be 30 feet.

Nothing contained in this section shall be construed to convert into a public highway a way of which the use by the public has been or is permissive and the work thereon by the highway officials has been or is done under permission of the owner of the servient tenement.

§ 33.2-106. Secretary of Transportation to submit annual report on actions taken to increase transit use, etc.

The Secretary, in consultation and cooperation with the Commissioner of Highways and the Director of the Department of Rail and Public Transportation, shall annually, not later than November 1, submit to the General Assembly a

report on actions taken by the Commonwealth, local governments, and regional transportation authorities to (i) increase transit use and (ii) reduce highway congestion and use of single occupant vehicles through programs and initiatives involving transportation demand management, transit use, telecommuting, carpooling, construction of commuter parking facilities, use of flexible work hours, and telecommunications technology.

§ 33.2-107. Secretary of Transportation to conduct periodic examination of process.

The Secretary shall, at least once every four years, cause to be conducted an examination of the approval process for maintenance and improvements within the secondary and urban highway systems and adopt policies and procedures to reduce review redundancy and to allow approval at the district office level to the maximum extent practical.

§ 33.2-108. Public hearings prior to undertaking projects requested by institutions of higher education.

Before any safety-related or congestion management-related highway project requested by any college, university, or other institution of higher education is undertaken in the Commonwealth, the college, university, or other institution of higher education shall conduct at least one public hearing to afford owners of property in the vicinity of the project and users of highways in the vicinity of or likely to be affected by the project an opportunity to submit comments and make their views known regarding the project.

Not less than 30 days prior to any such hearing, a notice of the time and place of the hearing shall also be published by the college, university, or other institution of higher education at least once in a newspaper published or having a general circulation in the locality in which the project is to be located and established.

§ 33.2-109. Policy of the Commonwealth regarding use of highways by motorcycles; discrimination by political subdivisions prohibited.

In formulating transportation policy, promulgating regulations, allocating funds, and planning, designing, constructing, equipping, operating, and maintaining transportation facilities, no action of the Board, Commissioner of Highways, or Department shall in any way have the effect of discriminating against motorcycles, motorcycle operators, or motorcycle passengers. No regulation or action of the Board, Commissioner of Highways, or Department shall have the effect of enacting a prohibition or imposing a requirement that applies only to motorcycles or motorcyclists and the principal purpose of which is to restrict or inhibit access of motorcycles and motorcyclists to any highway, bridge, tunnel, or other transportation facility.

The provisions of this section shall also apply to transportation facilities and projects undertaken or operated by localities and other political subdivisions of the Commonwealth where public funds have been used in whole or in part to plan, design, construct, equip, operate, or maintain the facility or project.

§ 33.2-110. Gates across private roads; leaving gates open; gates across private roads leading to forestlands; penalties.

A. Any person owning land over which another or others have a private road or right-of-way may, except when it is otherwise provided by contract, erect and maintain gates across such roads or right-of-way at all points at which fences extend to such roads on each side thereof, provided that a court of competent jurisdiction may, upon petition, where it is alleged and proved by petitioner that the gates have been willfully and maliciously erected, require the landowner to make such changes as may be necessary and reasonable in the use of such roads for both the landowner and the petitioner.

B. If any person without permission of the owners of such gate or of the land on which the gate is located leaves the gate open, he is guilty of a Class 1 misdemeanor.

C. The owners of forest and timberlands may substantially obstruct or close private and seldom used roads leading to or into such forest or timberlands from the public highways of the Commonwealth at points at or near which the private roads enter their property or forestlands; and, in all cases where any such private road is subject to an easement for travel for the benefit of other lands not regularly and continuously inhabited, the owner of such forest or timberlands may obstruct the road with a gate, chain, cable, or other removable obstruction, lock the obstruction, and after furnishing a key to the lock to the owner or owners of the land or lands to which the forestlands are servient, require those entitled to the easement to unlock and relock such obstruction upon making use of the road.

There shall be no penalty upon the owner of such forest or timberlands for failure to erect such obstructions, but if such obstruction is erected, any person without the permission of the owner who destroys, removes, or leaves the obstruction open or unlocked, in cases where the obstruction is locked by the owner and the keys are furnished as provided in this subsection, is guilty of a misdemeanor punishable by a fine of not less than \$25 nor more than \$500, provided that in all cases of forest fires upon the owner's lands or those adjacent or near thereto, the expressed permission of the owner shall be deemed given to all persons aiding in extinguishing or preventing the spreading of the fire to remove the obstructions, including the breaking of locks.

§ 33.2-111. Funding and undertaking of pedestrian or bicycle projects apart from highway projects not prohibited.

Nothing contained in this chapter and no regulation promulgated by the Commissioner of Highways or the Board shall be construed to prohibit or limit the ability of the Board or the Department to fund and undertake pedestrian or bicycle projects except in conjunction with highway projects.

§ 33.2-112. Sidewalks and walkways for pedestrian traffic.

The Board may construct such sidewalks or walkways on the bridges and along the highways under its jurisdiction as it deems necessary for the protection of pedestrian traffic.

All provisions of law with respect to the acquisition of lands and interests therein and the construction, reconstruction, alteration, improvement, and maintenance of highways in the primary and secondary state highway systems, including the exercise of the power of eminent domain by the Board and the Commissioner of Highways, shall be applicable to such sidewalks and walkways.

§ 33.2-113. Contributions by cities or towns towards highway building, bridges, etc.

Any city or town, acting by and through its governing body, may contribute funds or other aid within the control of the city or town toward the building or improvement of permanent public highways leading to the city or town, or of bridges, or to the purchase of bridges, or the establishment, maintenance, or operation of ferries, when in the judgment of such governing body such action will tend to promote the material interest of such city or town. But no contribution shall be made toward the building or improvement of any highway or bridge, or the purchase of bridges, or any ferry, at any point more than 40 miles beyond the corporate limits of the city or town, as measured along the route of such highway.

§ 33.2-114. Virginia Aviation Board and Virginia Port Authority powers.

The powers of the Virginia Aviation Board set out in Chapter 1 (§ 5.1-1 et seq.) of Title 5.1 and the Virginia Port Authority set out in Chapter 10 (§ 62.1-128 et seq.) of Title 62.1 are in no way diminished by the provisions of this title.

CHAPTER 2.

TRANSPORTATION ENTITIES.

Article I.

Commonwealth Transportation Board; Membership and Organization.

§ 33.2-200. Commonwealth Transportation Board; membership; terms; vacancies.

The Board shall have a total membership of 18 members that shall consist of 14 nonlegislative citizen members and four ex officio members as follows: the Secretary of Transportation, the Commissioner of Highways, the Director of the Department of Rail and Public Transportation, and the Executive Director of the Virginia Port Authority. The nonlegislative citizen members shall be appointed by the Governor as provided in § 33.2-201, subject to confirmation by the General Assembly, and shall serve at the pleasure of the Governor. Appointments of nonlegislative citizen members shall be for terms of four years commencing on July 1, upon the expiration of the terms of the existing members, respectively. Vacancies shall be filled by appointment by the Governor for the unexpired term and shall be effective until 30 days after the next meeting of the ensuing General Assembly and, if confirmed, thereafter for the remainder of the term. No nonlegislative citizen member shall be eligible to serve more than two consecutive four-year terms. The remainder of any term to which a member is appointed to fill a vacancy shall not constitute a term in determining that member's eligibility for reappointment. Ex officio members of the Board shall serve terms coincident with their terms of office.

The Secretary shall serve as chairman of the Board and shall have voting privileges only in the event of a tie. The Commissioner of Highways shall serve as vice-chairman of the Board and shall have voting privileges only in the event of a tie when he is presiding during the absence of the chairman. The Director of the Department of Rail and Public Transportation and the Executive Director of the Virginia Port Authority shall not have voting privileges.

§ 33.2-201. Appointment requirements; statewide interest.

Of the members appointed to the Board, one member shall be a resident of the territory now included in the Bristol highway construction district, one in the Salem highway construction district, one in the Lynchburg highway construction district, one in the Staunton highway construction district, one in the Culpeper highway construction district, one in the Fredericksburg highway construction district, one in the Richmond highway construction district, one in the Hampton Roads highway construction district, and one in the Northern Virginia highway construction district. The remaining five members shall be appointed from the Commonwealth at large, provided that at least two reside in metropolitan statistical areas and are designated as urban at-large members and at least two reside outside metropolitan statistical areas and are designated as rural at-large members. The at-large members shall be appointed to represent rural and urban transportation needs and to be mindful of the concerns of seaports and seaport users, airports and airport users, railways and railway users, and mass transit and mass transit users. Each appointed member of the Board shall be primarily mindful of the best interest of the Commonwealth at large instead of the interests of the highway construction district from which chosen or of the transportation interest represented.

§ 33.2-202. Meetings.

The Board shall meet at least once every three months and at such other times, on the call of the chairman or of a majority of the members, as may be deemed necessary to transact such business as may properly be brought before it. Six members shall constitute a quorum of the Board for all purposes.

It shall be the duty of the Board to keep accurate minutes of all meetings of the Board, in which shall be set forth all acts and proceedings of the Board in carrying out the provisions of this title.

§ 33.2-203. Salaries and expenses.

All salaries and expenses of the Board shall be paid from the state treasury out of the annual appropriation for the Board. Warrants for such salaries and expenses shall be issued by the Comptroller on certificates of the Commissioner of Highways to the parties entitled thereto and shall be paid by the State Treasurer out of the funds appropriated for that purpose.

§ 33.2-204. Offices.

The main office of the Board, the Department of Transportation, and the Department of Rail and Public Transportation shall be located in the City of Richmond. In the discretion of the Commissioner of Highways, other offices of the Department of Transportation may be established in the various highway construction districts of the Commonwealth as may be necessary to carry out the provisions of this title.

§ 33.2-205. Oaths and bonds of members.

Each member of the Board shall, before entering upon the discharge of his duties, take an oath that he will faithfully and honestly execute the duties of the office during his term, and each shall give a bond in such penalty as may be fixed by the Governor conditioned upon the faithful discharge of the duties of his office and the full and proper accounting for all public funds and property coming into his possession or under his control. The premium on such bonds shall be paid out of the state treasury out of the annual appropriation for the Board.

§ 33.2-206. How testimony of members of Commonwealth Transportation Board and Commissioner of Highways taken in civil proceedings.

No member of the Board or the Commissioner of Highways shall be required to leave his office for the purpose of testifying in any suit, action, or other civil proceeding involving any of his official duties, but the deposition of any member of the Board or the Commissioner of Highways may be taken at the main office of the Board in Richmond, after reasonable notice in writing has been given to the adverse party.

Any deposition taken pursuant to this section may be read in the pending suit, action, or other civil proceeding. However, on motion to the court, filed at least 10 days before the commencement of the trial, the judge may, for good cause shown, require any member of the Board or the Commissioner of Highways to attend and testify *ore tenus*.

§ 33.2-207. Bookkeeping system.

The chairman of the Board shall, with the aid and advice of the Auditor of Public Accounts, cause to be maintained a complete and modern system of bookkeeping for the Department, and the books to be kept by the Department shall show in detail all receipts and disbursements of the Department, the source of such receipts, and the purpose, amount, and recipient of all disbursements.

Article 2.

Commonwealth Transportation Board; Powers and Duties.

§ 33.2-208. Location of routes.

A. The Board shall have the power and duty to locate and establish the routes to be followed by the highways comprising systems of state highways between the points designated in the establishment of such systems, except that such routes shall not include highways or streets located within any local system of highways or streets, within the urban highway system, or those local highways in any county that has resumed full responsibility for all of the secondary state highway system within such county's boundaries pursuant to § 33.2-342. Such routes to be located and established shall include corridors of statewide significance pursuant to § 33.2-353.

B. The Board shall not locate and establish any route pursuant to this section until the Department has (i) published in a newspaper that is published or has a general circulation in the locality in which the route is to be located and established a notice of its willingness to hold a public hearing on the matter; (ii) notified the governing body of the locality in which the route is to be located of its willingness to hold a public hearing on the matter; and (iii) held a public hearing if one has been requested.

If a public hearing is requested, written notice of the time and place of the hearing shall be given not less than 30 days prior to the hearing to the governing body of the locality in which the route is to be located and established. Not less than 30 days prior to the hearing, a notice of the time and place of the hearing shall also be published by the Department at least once in a newspaper published or having a general circulation in the locality in which the route is to be located and established.

All public hearings on the location or possible location of a route shall be open forums that afford citizens opportunities to obtain route location information and other pertinent information on a proposed project and to submit their hearing comments in writing or to present them directly to a verbatim recorder. In addition, upon the written request of a member of the governing body of the locality in which the route is proposed to be located, or upon the written request of 25 citizens, these public hearings shall afford citizens an opportunity to present their comments to representatives of the Department directly, one speaker at a time, in a public forum following a traditional hearing format. A written request for a traditional hearing must be received within 14 days following the first published notice of the hearing or willingness to hold a hearing.

Following the public hearing, if one is held as provided in this section, the Department shall notify the governing body of the affected locality of the Board's decision regarding the location and establishment of the route.

§ 33.2-209. Construction and maintenance contracts and activities related to passenger and freight rail and public transportation.

A. The Board shall have the power and duty to let all contracts to be administered by the Department of Transportation or the Department of Rail and Public Transportation for the construction, maintenance, and improvement of the highways comprising systems of state highways and for all activities related to passenger and freight rail and public transportation in excess of \$5 million. The Commissioner of Highways has authority to let all Department of Transportation-administered

contracts for highway construction, maintenance, and improvements up to \$5 million in value. The Director of the Department of Rail and Public Transportation has the authority to let contracts for passenger and freight rail and public transportation improvements up to \$5 million in value. The Commissioner of Highways is authorized to enter into agreements with localities, authorities, and transportation districts to administer projects and to allow those localities, authorities, and transportation districts to let contracts with no limit on contract value and without prior concurrence of the Commissioner of Highways or the Board for highway construction, maintenance, and improvements within their jurisdictions, in accordance with those provisions of this Code providing those localities, authorities, and transportation districts the ability to let such contracts. The Director of the Department of Rail and Public Transportation is authorized to enter into agreements with localities, authorities, and transportation districts to administer projects and to allow those localities, authorities, and transportation districts to let contracts with no limit on contract value and without prior concurrence of the Director of the Department of Rail and Public Transportation or the Board for passenger and freight rail and public transportation activities within their jurisdictions, in accordance with those provisions of this Code providing those localities, authorities, and transportation districts the ability to let such contracts. The Commissioner of Highways and the Director of the Department of Rail and Public Transportation shall report on their respective transportation contracting activities at least quarterly to the Board.

B. The Board may award contracts for the construction of transportation projects on a design-build basis. These contracts may be awarded after a written determination is made by the Commissioner of Highways or the Director of the Department of Rail and Public Transportation, pursuant to objective criteria previously adopted by the Board regarding the use of design-build, that delivery of the projects must be expedited and that it is not in the public interest to comply with the design and construction contracting procedures normally followed. Such objective criteria shall include requirements for prequalification of contractors and competitive bidding processes. These contracts shall be of such size and scope to encourage maximum competition and participation by agency prequalified and otherwise qualified contractors. Such determination shall be retained for public inspection in the official records of the Department of Transportation or the Department of Rail and Public Transportation, as the case may be, and shall include a description of the nature and scope of the project and the reasons for the Commissioner's or the Director's determination that awarding a design-build contract will best serve the public interest. The provisions of this section shall supersede contrary provisions of subsection D of § 2.2-4303 and § 2.2-4306.

C. The Board may award contracts for the provision of equipment, materials, and supplies to be used in construction of transportation projects on a fixed-price basis. Any such contract may provide that the price to be paid for the provision of equipment, materials, and supplies to be furnished in connection with the projects shall not be increased but shall remain fixed until completion of the projects specified in the contracts. Material components of any such contract for annual and multiyear programs, including maintenance, may be fixed at the outset of the projects and until completion based on best achievable prices.

§ 33.2-210. Traffic regulations; penalty.

A. The Board shall have the power and duty to make regulations that are not in conflict with the laws of the Commonwealth for the protection of and covering traffic on and for the use of systems of state highways and shall have the authority to add to, amend, or repeal such regulations.

B. The regulations, together with any additions or amendments thereto, prescribed by the Board under the authority of this section shall have the force and effect of law, and any person, firm, or corporation violating any such regulation or any addition or amendment thereto is guilty of a misdemeanor punishable by a fine of not less than \$5 nor more than \$100 for each offense. Such person shall be civilly liable to the Commonwealth for the actual damage sustained by the Commonwealth by reason of his wrongful act. Such damages may be recovered at the suit of the Board and, when collected, paid into the state treasury to the credit of the Department. Any regulations promulgated by the Board shall be developed in accordance with the Administrative Process Act (§ 2.2-4000 et seq.) except when specifically exempted by law.

§ 33.2-211. Copies of regulations as evidence.

Copies of regulations of the Board and of additions or amendments thereto printed under the authority of the Board shall be admissible in all of the courts of the Commonwealth without further proof and given the force and effect prescribed hereby, and the fact that such printed copies bear the name of the Board shall be prima facie evidence that they are duly adopted and promulgated under the provisions of this title and that they are true copies of the regulations, or of any additions and amendments thereto, adopted pursuant to the provisions of subsection A of § 33.2-210.

§ 33.2-212. Sections not applicable to certain engines and tractors.

The provisions of §§ 33.2-210 and 33.2-211 shall not apply to traction engines and tractors weighing not less than five tons when drawing threshing machines, hay balers, or other farm machinery for local farm use.

§ 33.2-213. Naming highways, bridges, interchanges, and other transportation facilities.

The Board shall have the power and duty to give suitable names to state highways, bridges, interchanges, and other transportation facilities and change the names of any highways, bridges, interchanges, or other transportation facilities forming a part of the systems of state highways. The names of private entities, as defined in § 33.2-1800, located within the Commonwealth shall not be used for such purposes unless such private entity pays the Department an annual naming rights fee as determined by the Board. The Department shall place and maintain appropriate signs indicating the names of highways, bridges, interchanges, and other transportation facilities named by the Board or by the General Assembly. The

costs of producing, placing, and maintaining these signs shall be paid by the localities in which they are located or by the private entity whose name is attached to the highway, bridge, interchange, or other transportation facility. No name shall be given to any state highway, bridge, interchange, or other transportation facility by the Board unless and until the Board receives from the governing body of the locality within which a portion of the facility to be named is located a resolution of that governing body requesting such naming, except in such cases where a private entity has requested the naming. No highway, bridge, interchange, or other transportation facility previously named by the Board or the General Assembly shall be eligible for renaming by a private entity, unless such naming incorporates the previous name. The Board shall develop and approve guidelines governing the naming of highways, bridges, interchanges, and other transportation facilities by private entities and the applicable fees for such naming rights. Such fees shall be deposited in the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530.

No name shall be eligible for the naming rights under this section if it in any way reasonably connotes anything that (i) is profane, obscene, or vulgar; (ii) is sexually explicit or graphic; (iii) is excretory related; (iv) is descriptive of intimate body parts or genitals; (v) is descriptive of illegal activities or substances; (vi) condones or encourages violence; or (vii) is socially, racially, or ethnically offensive or disparaging.

§ 33.2-214. Transportation; Six-Year Improvement Program.

A. The Board shall have the power and duty to monitor and, where necessary, approve actions taken by the Department of Rail and Public Transportation pursuant to Article 5 (§ 33.2-281 et seq.) in order to ensure the efficient and economical development of public transportation, the enhancement of rail transportation, and the coordination of such rail and public transportation plans with highway programs.

B. The Board shall have the power and duty to coordinate the planning for financing of transportation needs, including needs for highways, railroads, seaports, airports, and public transportation and set aside funds as provided in § 33.2-1524. To allocate funds for these needs pursuant to §§ 33.2-358 and 58.1-638, the Board shall adopt a Six-Year Improvement Program of anticipated projects and programs by July 1 of each year. This program shall be based on the most recent official Transportation Trust Fund revenue forecast and shall be consistent with a debt management policy adopted by the Board in consultation with the Debt Capacity Advisory Committee and the Department of the Treasury.

C. The Board shall have the power and duty to enter into contracts with local districts, commissions, agencies, or other entities created for transportation purposes.

D. The Board shall have the power and duty to promote increasing private investment in the Commonwealth's transportation infrastructure, including acquisition of causeways, bridges, tunnels, highways, and other transportation facilities.

E. The Board shall have the power and duty to integrate land use with transportation planning and programming, consistent with the efficient and economical use of public funds. If the Board determines that a local transportation plan described in § 15.2-2223 or any amendment as described in § 15.2-2229 or a metropolitan regional long-range transportation plan or regional Transportation Improvement Program as described in § 33.2-3201 is not consistent with the Board's Statewide Transportation Plan developed pursuant to § 33.2-353, the Six-Year Improvement Program adopted pursuant to subsection B, and the location of routes to be followed by roads comprising systems of state highways pursuant to subsection A of § 33.2-208, the Board shall notify the locality of such inconsistency and request that the applicable plan or program be amended accordingly. If, after a reasonable time, the Board determines that there is a refusal to amend the plan or program, then the Board may reallocate funds that were allocated to the nonconforming project as permitted by state or federal law. However, the Board shall not reallocate any funds allocated pursuant to § 33.2-319, 33.2-348, 33.2-362, or 33.2-366, based on a determination of inconsistency with the Board's Statewide Transportation Plan or the Six-Year Improvement Program nor shall the Board reallocate any funds, allocated pursuant to subdivision C 3 of § 33.2-358, from any projects on highways controlled by any county that has withdrawn, or elects to withdraw, from the secondary system of state highways based on a determination of inconsistency with the Board's Statewide Transportation Plan or the Six-Year Improvement Program. If a locality or metropolitan planning organization requests the termination of a project, and the Department does not agree to the termination, or if a locality or metropolitan planning organization does not advance a project to the next phase of construction when requested by the Board and the Department has expended state or federal funds, the locality or the localities within the metropolitan planning organization may be required to reimburse the Department for all funds expended on the project. If, after design approval by the Chief Engineer of the Department, a locality or metropolitan planning organization requests alterations to a project that, in the aggregate, exceeds 10 percent of the total project costs, the locality or the localities within the metropolitan planning organization may be required to reimburse the Department for the additional project costs above the original estimates for making such alterations.

§ 33.2-215. Policies and operation of Departments.

The Board shall have the power and duty to review and approve policies and transportation objectives of the Department of Transportation and the Department of Rail and Public Transportation, to assist in establishing such policies and objectives, to oversee the execution thereof, and to report on these policies and objectives to the Commissioner of Highways and the Director of the Department of Rail and Public Transportation, respectively.

§ 33.2-216. Roadside memorials; penalty.

A. The Board shall establish regulations regarding size, distance from the roadway, and other safety concerns to govern the installation, maintenance, and removal of roadside memorials, plaques, and other devices placed within the

right-of-way that commemorate the memory of persons killed in vehicle crashes within the right-of-way of any state highway.

B. Any person who installs any plaque, device, sign, object, material, or other memorial within the right-of-way of any highway controlled by the Department except in accordance with criteria established as provided in this section may be assessed a civil penalty of no more than \$100. Each occurrence shall be subject to a separate penalty. All civil penalties collected under this section shall be paid into the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530.

§ 33.2-217. Prohibition of certain weeds and plants on highway rights-of-way.

Neither the Board nor the Commissioner of Highways shall plant or cause or suffer to be planted on the right-of-way of any state highway any of the weeds or plants known as devil shoestring (*Tephrosia virginiana*), Johnson grass (*Sorghum halepense*), or barberry (*Berberis vulgaris*) if the governing body of the county in which the highway is located declares by resolution such weeds or plants to be injurious to adjacent property.

The Board shall cause all such weeds or plants planted or caused to be planted by the Board or Commissioner of Highways on any state highway right-of-way to be dug up and destroyed.

Any owner of land adjacent to any state or other public highway right-of-way, or his agents and employees, may dig up, cut down, or otherwise remove and destroy any of such plants or weeds and any other plants or weeds that are or may become noxious or otherwise injurious to his property found growing upon any state or other public highway right-of-way adjacent to his land.

§ 33.2-218. Fees for participating in the Integrated Directional Sign Program.

The Board shall establish reasonable fees to be collected by the Commissioner of Highways from any qualified entity for the purpose of participating in the Integrated Directional Sign Program (IDSP) administered by the Department or its agents that is designed to provide information to the motoring public relating to gasoline and motor vehicle services, food, lodging, attractions, or other categories as defined by the IDSP. Such fees shall be deposited into a special fund specifically accounted for and used by the Commissioner of Highways solely to defray the actual costs of supervising and administering the signage programs. Included in these costs shall be a reasonable margin, not to exceed 10 percent, in the nature of a reserve fund.

§ 33.2-219. Statements to be filed with Commonwealth Transportation Board by transit systems.

Any transit system that conducts its operations within the exclusive jurisdiction of any locality or within the boundaries of any district as defined in § 33.2-1901, and any adjoining locality, shall file annually with the Board such financial and other statistical data as the Board shall require in order to effectively administer the provisions of § 46.2-206 and shall file with the Department of Rail and Public Transportation, at such times as the Department of Rail and Public Transportation shall require, such information as the Department of Rail and Public Transportation shall require to carry out its duties under subdivision 4 of § 33.2-285.

The provisions of this section shall not be construed so as to exempt any such transit system from any provision of law or regulation made pursuant to law that requires the filing of data with any other agency of the Commonwealth.

§ 33.2-220. Transfer of interest in and control over certain highways, highway rights-of-way, and landings.

Notwithstanding any contrary provision of this title, the Board, upon receipt of a written request from a public access authority established pursuant to Title 15.2 and without first abandoning or discontinuing such highway, highway right-of-way, or landing, including a wharf, pier, or dock, may transfer to such requesting authority any and all rights and interests of the Board in a highway, highway right-of-way, or landing as the Board may deem in the public interest. Such transfer may be either with or without compensation from the requesting authority.

§ 33.2-221. Other powers, duties, and responsibilities.

A. The Board shall have the power and duty to comply fully with the provisions of the present or future federal aid acts. The Board may enter into all contracts or agreements with the United States government and may do all other things necessary to carry out fully the cooperation contemplated and provided for by present or future acts of Congress related to transportation.

B. The Board shall have the power and duty to enter into all contracts with other states necessary for the proper coordination of the location, construction, maintenance, improvement, and operation of transportation systems, including the systems of state highways with the highways of such other states, and where necessary, seek the approval of such contracts by the Congress of the United States.

C. The Board shall have the power and duty to administer, distribute, and allocate funds in the Transportation Trust Fund as provided by law. The Board shall ensure that the total funds allocated to any highway construction project are equal to total expenditures within 12 months following completion of the project. However, this requirement shall not apply to debt service apportionments pursuant to § 33.2-362 or 33.2-364.

D. The Board shall have the power and duty, with the advice of the Secretary of Finance and the State Treasurer, to engage a financial advisor and investment advisor who may be anyone within or without the government of the Commonwealth to assist in planning and making decisions concerning the investment of funds and the use of bonds for transportation purposes. The work of these advisors shall be coordinated with the Secretary of Finance and the State Treasurer.

E. The Board shall have the power and duty to enter into payment agreements with the Treasury Board related to payments on bonds issued by the Commonwealth Transportation Board.

F. When the traffic-carrying capacity of any of the systems of state highways or a portion thereof is increased by construction or improvement, the Board may enter into agreements with localities, authorities, and transportation districts to establish highway user fees for such system of state highways or portion thereof that the localities, authorities, and transportation districts maintain.

Article 3.

Commissioner of Highways.

§ 33.2-222. Commissioner of Highways.

The Commissioner of Highways shall be the chief executive officer of the Department of Transportation. The Commissioner of Highways shall be an experienced administrator able to direct and guide the Department in the establishment and achievement of the Commonwealth's long-range highway and other transportation objectives.

The Commissioner of Highways shall devote his entire time and attention to his duties as chief executive officer of the Department and shall receive such compensation as shall be fixed by law. He shall also be reimbursed for his actual travel expenses while engaged in the discharge of his duties.

In the event of a vacancy due to the death, temporary disability, retirement, resignation, or removal of the Commissioner of Highways, the Governor may appoint and thereafter remove at his pleasure an "Acting Commissioner of Highways" until such time as the vacancy may be filled as provided in § 33.2-200. Such "Acting Commissioner of Highways" shall have all powers and perform all duties of the Commissioner of Highways as provided by law and shall receive such compensation as may be fixed by the Governor. In the event of the temporary disability for any reason of the Commissioner of Highways, full effect shall be given to the provisions of § 2.2-605.

§ 33.2-223. General powers of Commissioner of Highways.

Except such powers as are conferred by law upon the Board, the Commissioner of Highways shall have the power to do all acts necessary or convenient for constructing, improving, maintaining, and preserving the efficient operation of the highways embraced in the systems of state highways and to further the interests of the Commonwealth in the areas of public transportation, railways, seaports, and airports. And as executive head of the Department, the Commissioner of Highways is specifically charged with the duty of executing all orders and decisions of the Board and may, subject to the provisions of this chapter, require that all appointees and employees perform their duties under this chapter.

In addition, the Commissioner of Highways, in order to maximize efficiency, shall take such steps as may be appropriate to outsource or privatize any of the Department's functions that might reasonably be provided by the private sector.

§ 33.2-224. Employees; delegation of responsibilities.

The Commissioner of Highways shall employ such engineers, clerks, assistants, and other employees as may be needed and shall prescribe and fix their duties, including the delegation of duties and responsibilities conferred or imposed upon the Commissioner of Highways by law. They shall receive all salaries and expenses as may be fixed in accordance with the provisions of law.

§ 33.2-225. Liaison duties with other organizations.

Tasks and responsibilities concerning transportation program or project delivery shall be carried out as follows:

1. The Commissioner of Highways shall cooperate with the federal government, the American Association of State Highway and Transportation Officials, and any other organization in the numbering, signing, and marking of highways; in the taking of measures for the promotion of highway safety; in research activities; in the preparation of standard specifications; in the testing of highway materials; and otherwise with respect to transportation projects.

2. The Department of Transportation and the Department of Rail and Public Transportation may offer technical assistance and coordinate state resources, as available, to work with local governments, upon their request, in developing sound transportation components for their local comprehensive plans.

§ 33.2-226. Authority to lease or convey airspace.

The Commissioner of Highways may lease or sell and convey the airspace superjacent or subjacent to any highway in the Commonwealth that is within his jurisdiction and in which the Commonwealth owns fee simple title after satisfying itself that use of the airspace will not impair the full use and safety of the highway or otherwise interfere with the free flow of traffic thereon and it cannot be reasonably foreseen as needed in the future for highway and other transit uses and purposes. The Commissioner of Highways may provide in such leases and conveyances of airspace for columns of support, in fee or otherwise, ingress, egress, and utilities.

No lease or conveyance shall be entered into by the Commissioner of Highways until after the time the locality, by action of its governing body by majority recorded vote, approves the projected use and has zoned the airspace in question or has otherwise taken such steps as it deems proper to regulate the type and use of the improvements to be erected in such airspace.

All leases and conveyances shall contain those terms deemed necessary by the Commissioner of Highways to protect the interests of the Commonwealth and the public and shall not be entered into until after public advertising for bids for such airspace. The Commissioner of Highways shall advertise for bids at least 14 days prior to the execution of a lease or a conveyance. The advertisement shall state the place where bidders may examine a map of the airspace, the general terms of

the lease or conveyance and the time and place when bids will be opened by the Commissioner of Highways. The highest bid from a responsible bidder, in the sole discretion of the Commissioner of Highways, shall be accepted; however, the Commissioner of Highways may reject all bids and advertise the property again.

Compensation paid for such leases and conveyances shall be credited to the Transportation Trust Fund established pursuant to § 33.2-1524.

§ 33.2-227. Defense of employees.

If any person employed by the Commonwealth Transportation Board, the Department of Transportation, or the Department of Rail and Public Transportation is arrested or indicted or otherwise prosecuted on any charge arising out of any act committed in the discharge of his official duties, the Commissioner of Highways or the Director of the Department of Rail and Public Transportation may employ special counsel approved by the Attorney General to defend such employee. The compensation for special counsel employed, pursuant to this section, shall, subject to the approval of the Attorney General, be paid by the agency for which the employee works out of the funds appropriated for the administration of the Department of Transportation or the Department of Rail and Public Transportation.

§ 33.2-228. Agreements between Commissioner of Highways and certain cities and towns.

Notwithstanding the provisions of §§ 33.2-209, 33.2-214, 33.2-221, and 33.2-362, the Commissioner of Highways, pursuant to a resolution adopted by the Board and following receipt of a resolution adopted by the governing body of a city or town to which funds are apportioned pursuant to § 33.2-362, may enter into an agreement with any such city or town pursuant to which the city or town assumes responsibility for the design, right-of-way acquisition, and construction of urban system highways or portions thereof in such city or town, using funds allocated pursuant to subdivision C 2 of § 33.2-358.

§ 33.2-229. Furnishing information regarding right-of-way transactions.

Upon written request to the central office of the Department, the Commissioner of Highways shall furnish information regarding right-of-way transactions where any public funds are expended. Such information shall not be released prior to 60 days following the transaction to any person not a party directly interested in such transaction.

The information furnished under this section shall consist of (i) the name of the person to whom any sum was paid for land or interest therein, (ii) the amount of land or interest therein acquired from such person, and (iii) the amount paid such person for land and the amount paid for damage resulting to the remaining property of such person.

§ 33.2-230. Written notice of decision to dispose of real property.

Whenever the Board or the Department decides to sell or otherwise dispose of any surplus real property, the Commissioner of Highways shall provide written notice of such decision to the mayor or chairman of the governing body of the locality in which the property or any portion thereof is located. Any failure to provide or receive such notice shall not create a cloud on the title to the property.

§ 33.2-231. Establish community service landscaping program.

The Commissioner of Highways shall establish a program whereby persons convicted of nonviolent misdemeanors who have received a suspended sentence or probation can fulfill their community service requirements by mowing rights-of-way and performing other landscaping maintenance tasks for roads and highways that the Department has the responsibility to maintain.

§ 33.2-232. Annual report by Commissioner of Highways.

The Commissioner of Highways shall annually report in writing to the Governor and General Assembly, no later than November 30 each year, on (i) the condition and performance of the existing transportation infrastructure, using an asset management methodology and generally accepted engineering principles and business practices to identify and prioritize maintenance and operations needs and to identify performance standards to be used to determine those needs, and funding required to meet those needs; (ii) the Department's strategies for improving safety and security, increasing efficiency in agency programs and projects, and collaborating with the private sector and local government in the delivery of services; (iii) the operating and financial activities of the Department, including the construction and maintenance programs, transportation costs and revenue, and federal allocations; and (iv) other such matters of importance to transportation in the Commonwealth.

§ 33.2-233. Gathering and reporting of information and statistics.

The Commissioner of Highways and the Director of the Department of Rail and Public Transportation shall gather and tabulate information and statistics relating to transportation and disseminate the same throughout the Commonwealth. In addition, the Commissioner of Highways shall provide a report to the Governor, the General Assembly, the Board, and the public concerning the current status of all highway construction projects in the Commonwealth. This report shall be posted at least four times each fiscal year but may be updated more often as circumstances allow. The report shall contain, at a minimum, the following information for every project in the Six-Year Improvement Program: (i) project description; (ii) total cost estimate; (iii) funds expended to date; (iv) project timeline and completion date; (v) statement of whether project is ahead of, on, or behind schedule; (vi) the name of the prime contractor; (vii) total expenditures of federal transportation funds in each county and city; (viii) total expenditures of state transportation funds in each county and city; (ix) statewide totals for federal, state, and local funds expended for highways; (x) statewide totals for federal, state, and local funds expended for transit; (xi) total funds expended on intercity passenger and freight rail line and trains; and (xii) total funds expended in each federal and state programmatic category. Use of one or more websites may be used to

satisfy this requirement. Project-specific information posted on the Internet shall be updated daily as information is available.

§ 33.2-234. Construction by state or local employees.

A. Irrespective of the provisions of § 33.2-235, in cases of emergency or on any project reasonably estimated to cost not more than \$600,000, the Commissioner of Highways may build or maintain any of the highways in the systems of state highways by state employees or local employees as he may designate.

B. Notwithstanding the provisions of subsection A, the Commissioner of Highways may enter into a written agreement with a locality for the building and maintenance of any of the highways in the systems of state highways by local employees provided that (i) the locality has obtained a cost estimate for the work of not more than \$1 million and (ii) the locality has issued an invitation for bid and has received fewer than two bids from private entities to build or maintain such highways.

§ 33.2-235. Procurement.

All projects reasonably estimated to cost \$300,000 or more that the Board or the Commissioner of Highways may undertake for construction shall be let in accordance with the Virginia Public Procurement Act (§ 2.2-4300 et seq.). When such projects are reasonably estimated to cost below \$300,000, the Commissioner of Highways may let them to contract, and if such projects are let to contract, they shall be let only in accordance with the Virginia Public Procurement Act.

As used in this section, "project" means construction and does not include routine maintenance work or the installation of traffic control devices, unless such work is to be performed under contract.

§ 33.2-236. Maps or plats prepared at request and expense of local governing bodies and other groups; Department of Mines, Minerals and Energy to seek other existing sources.

The Commissioner of Highways may prepare photogrammetric maps or plats of specific sites or areas at the request of the governing bodies of localities of the Commonwealth, local nonprofit industrial development agencies, planning district commissions, soil and water conservation districts, metropolitan planning organizations, public service authorities, and local chambers of commerce. The Department of Mines, Minerals and Energy shall first review the request to determine whether suitable or alternate maps or plats are currently available, and the local governing body, agency, or chamber shall agree to reimburse the Department of Transportation for the cost of producing the maps or plats.

§ 33.2-237. Directional signs for certain educational institutions.

For the purpose of this section, "Virginia educational institution" means a for-profit educational institution with its main campus located in the Commonwealth that (i) has, for at least five consecutive years prior to making a request under this section, awarded academic degrees approved by the State Council of Higher Education for Virginia; (ii) offers programs in workforce training or job readiness that contribute to Virginia's economic growth and development; and (iii) has a combined annual enrollment of at least 1,000 students at its main campus and any branch location situated within a radius of 25 miles from the main campus.

Upon request from a Virginia educational institution, the Commissioner of Highways shall erect and maintain signs at appropriate and conspicuous locations along interstate, primary, or secondary highways providing motorists directions to the main or branch location of any such institution. All costs associated with production and erection of signs under this section shall be borne by the affected institution, but all costs associated with maintenance of those signs shall be borne by the Department.

Signs erected by the Department under this section shall be placed in accordance with all applicable Department regulations.

§ 33.2-238. Closing highways for safety of public or proper completion of construction; injury to barriers, signs, etc.

If it appears to the Commissioner of Highways necessary for the safety of the traveling public or for proper completion of work that is being performed to close any highway under his jurisdiction to all traffic or any class of traffic, the Commissioner of Highways may close, or cause to be closed, the whole or any portion of such highway deemed necessary to be excluded from public travel and may exclude all or any class of traffic from such closed portion. While any such highway or portion thereof is so closed, or while any such highway or portion thereof is in process of construction or maintenance, the Commissioner of Highways, or contractor under authority from the Commissioner of Highways, may erect, or cause to be erected, suitable barriers or obstructions thereon, may post, or cause to be posted, conspicuous notices to the effect that the highway or portion thereof is closed and may place warning signs, lights, and lanterns on such highway or portion thereof. When such highway is closed for the safety of the traveling public or in process of construction or maintenance as provided in this section, any person who willfully breaks down, drives into new construction work, removes, injures, or destroys any such barrier or barriers or obstructions, tears down, removes, or destroys any such notices, or extinguishes, removes, injures, or destroys any such warning lights or lanterns so erected, posted, or placed is guilty of a Class 1 misdemeanor.

§ 33.2-239. Providing highway detours.

Whenever necessary, the Commissioner of Highways shall select, lay out, maintain, and keep in as good repair as possible suitable detours, by the most practical route, while the highways are being improved or constructed, and he shall place or cause to be placed explicit directions to the traveling public during repair of any such highway under process of construction.

§ 33.2-240. Connections over shoulders of highways for intersecting private roads.

The Commissioner of Highways shall permit suitable connections from where private roads leading to and from private homes intersect improved highways and over and across the shoulders and unimproved parts of such highways to the paved or otherwise improved parts thereof to provide the users of such private roads safe and convenient means of ingress and egress with motor vehicles to and from the paved or otherwise improved parts of such highways.

§ 33.2-241. Connections over shoulders of highways for intersecting commercial establishment entrances; penalty.

The Commissioner of Highways shall permit suitable connections from where commercial establishment entrances are desired to intersect improved highways and over and across the shoulders and unimproved parts of such highways to the paved or otherwise improved parts thereof that comply with the access management standards of the Commissioner of Highways for the location, spacing, and design of entrances, taking into account the operating characteristics and federal functional classification of the highway, to provide the users of such entrances safe and convenient means of ingress and egress with motor vehicles to and from the paved or otherwise improved parts of such highways while minimizing the impact of such ingress and egress on the operation of such highways, provided that any person desiring such an entrance shall:

1. Be required first to obtain a permit therefor from the Commissioner of Highways;
2. Provide the entrance at his expense;
3. If required by the Commissioner of Highways, provide for the joint use of the desired entrance with adjacent property owners or provide evidence of such efforts; and
4. Construct the entrance or have the entrance constructed, including such safety structures as are required by the Commissioner of Highways, pursuant to the Department of Transportation's design standards and applicable Department regulations concerning access management and applicable Board regulations concerning land use permits.

All commercial entrances whether or not constructed under this section shall be maintained by the owner of the premises at all times in a manner satisfactory to the Commissioner of Highways.

Any person violating the provisions of this section is guilty of a misdemeanor punishable by a fine of not less than \$5 nor more than \$100 for each offense. Following a conviction and 15 days for correction, each day during which the violation continues shall constitute a separate and distinct offense and be punishable as such. Such person shall be civilly liable to the Commonwealth for actual damage sustained by the Commonwealth by reason of his wrongful act.

§ 33.2-242. Replacing entrances destroyed in the repair or construction of highways.

The Commissioner of Highways shall review the existing access to any parcel of land having an entrance destroyed in the repair or construction of the systems of state highways and shall provide access to the systems of state highways in a manner that will serve the parcel of land and ensure efficient and safe highway operation.

§ 33.2-243. Paying for damages sustained to personal property by reason of work projects, etc.

The Commissioner of Highways may pay and settle claims and demands against the Commonwealth arising as a result of damages sustained to personal property by reason of work projects or the operation of state-owned or operated equipment when engaged in the construction, reconstruction, or maintenance of the primary state highway system, unless said claims or demands arise as a result of negligence of the person asserting such claims or demands. Nothing in this section shall be construed as imposing any legal liability upon the Commonwealth to pay such claims or demands, nor as giving the consent of the Commonwealth to be sued in any action or suit to recover on such claims or demands in the event the Commissioner of Highways refuses payment of said claims or demands.

§ 33.2-244. Removal of snow and ice from public highways by private entities.

Upon request by a person, the Commissioner of Highways may authorize such person to hire private persons, firms, contractors, or entities to remove snow and ice from any public highway in Planning District 8, provided that there will be no costs to the Commonwealth or its political subdivisions for work pursuant to this section. No private person, firm, contractor, or entity employed to remove snow and ice from any public highway shall be afforded sovereign immunity or immunity in any form whatsoever. Private persons, firms, contractors, or entities so employed shall be liable for civil damages, including damages for death, injury, or property damage resulting from any act or omission relating to the removal of snow and ice from public highways. Nothing contained in this section shall limit the authority of the Commissioner of Highways granted under other provisions of law to authorize or contract for the removal of snow and ice from public highways.

§ 33.2-245. Comprehensive highway access management standards.

A. For purposes of this section, "comprehensive highway access management standards" means a coordinated set of state standards and guidelines that allow the Commonwealth and its localities to manage access to the systems of state highways according to their federal functional classification or operational characteristics through the control of and improvements to the location, number, spacing, and design of entrances, median openings, turn lanes, street intersections, traffic signals, and interchanges.

B. The General Assembly declares it to be in the public interest that comprehensive highway access management standards be developed and implemented to enhance the operation and safety of the systems of state highways in order to protect the public health, safety, and general welfare while ensuring that private property is entitled to reasonable access to the systems of state highways. The goals of the comprehensive highway access management standards are:

1. To reduce traffic congestion and impacts to the level of service of highways, leading to reduced fuel consumption and air pollution;

2. To enhance public safety by decreasing traffic crash rates;
3. To support economic development in the Commonwealth by promoting the efficient movement of people and goods;
4. To reduce the need for new highways and road widening by improving the performance of the existing systems of state highways; and
5. To preserve public investment in new highways by maximizing their performance.

C. The Commissioner of Highways shall develop and implement comprehensive highway access management standards for managing access to and preserving and improving the efficient operation of the systems of state highways. The comprehensive highway access management standards shall include standards and guidelines for the location, number, spacing, and design of entrances, median openings, turn lanes, street intersections, traffic signals, and interchanges.

Nothing in such standards shall preempt the authority of a local government to regulate the type or density of land uses abutting the systems of state highways.

§ 33.2-246. Recreational waysides; regulations; penalties.

A. To promote the safety, convenience, and enjoyment of travel on, and protection of the public investment in, highways of the Commonwealth and for the restoration, preservation, and enhancement of scenic beauty within and adjoining such highways, it is hereby declared to be in the public interest to acquire and establish recreational waysides and areas of scenic beauty adjoining the highways of the Commonwealth.

B. The Commissioner of Highways may, whenever in his opinion it is in the best interest of the Commonwealth, accept from the United States, or any authorized agency thereof, a grant or grants of any recreational waysides established and constructed by the United States, or any such agency thereof, or a grant or grants of funds for landscaping and scenic enhancement of highways, and the Commissioner of Highways may, on behalf of the Commonwealth, enter into a contract or contracts with the United States, or any such agency thereof, to maintain and operate any such recreational waysides that may be so granted to the Commonwealth and may do all things necessary to receive and expend federal funds for landscaping and scenic enhancement.

C. The Commissioner of Highways may, whenever it is in the best interest of the operation of the Interstate System or the primary or secondary state highway system, establish, construct, maintain, and operate appropriate recreational waysides and areas of scenic beauty adjoining such highways.

D. The Commissioner of Highways may acquire by purchase, gift, or the power of eminent domain such land or interest in land as may be necessary to carry out the provisions of this section, provided that in exercising the power of eminent domain for areas of scenic beauty, such areas adjoin and lie within 100 feet of the right-of-way of the highway, and the procedure shall be, *mutatis mutandis*, as provided for the acquisition of land by the Commissioner of Highways in Article 1 (§ 33.2-1000 et seq.) of Chapter 10.

E. The Board may establish regulations for the use of recreational waysides, including regulations relating to (i) the time, place, and manner of parking of vehicles; (ii) activities that may be conducted within such waysides; (iii) solicitation and selling within the waysides; and (iv) such other matters as may be necessary or expedient in the interest of the motoring public.

The regulations when adopted by the Board shall be posted in a conspicuous place at each wayside, along with such other signs as the Commissioner of Highways deems necessary to advise the public.

Any person violating any regulation adopted under this section is guilty of a misdemeanor punishable by a fine of not less than \$5 nor more than \$100 for each offense.

F. Recreational waysides and areas of scenic beauty when acquired, established, maintained, and operated in accordance with this section shall be deemed to be a part of the Interstate System or primary or secondary state highway system but land acquired for areas of scenic beauty shall not be deemed a part of the right-of-way for the purpose of future acquisition of areas of scenic beauty under the provisions of subsections A through D.

§ 33.2-247. Wetlands mitigation banking.

When authorization is required by federal or state law for any project affecting wetlands and such authorization is conditioned upon compensatory mitigation for adverse impacts to wetlands, the Commissioner of Highways is authorized to expend funds for the purchase of, or is authorized to use, credits from any wetlands mitigation bank, including any owned by the Department of Transportation, that has been approved and is operating in accordance with applicable federal and state guidance, laws, or regulations for the establishment, use, and operation of mitigation banks as long as (i) the bank is in the same fourth order subbasin, as defined by the hydrologic unit boundaries of the National Watershed Boundary Dataset, as the impacted site, or in an adjacent subbasin within the same river watershed as the impacted site, or it meets all the conditions found in clauses (a) through (d) and either clause (e) or (f); (ii) the bank is ecologically preferable to practicable on-site and off-site individual mitigation options, as defined by federal wetland regulations; and (iii) the banking instrument, if approved after July 1, 1996, has been approved by a process that included public review and comment. When the bank is not located in the same subbasin or adjacent subbasin within the same river watershed as the impacted site, the purchase or use of credits shall not be allowed unless the Commissioner of Highways demonstrates to the satisfaction of the agency requiring compensatory mitigation that (a) the impacts will occur as a result of a Department of Transportation linear project; (b) there is no practical same river watershed mitigation alternative; (c) the impacts are less than one acre in a single and complete project within a subbasin; (d) there is no significant harm to water quality or fish and wildlife resources within the river watershed of the impacted site; and either (e) impacts within the Chesapeake Bay watershed are mitigated within the Chesapeake Bay watershed as close as possible to the impacted site or (f) impacts within subbasins

02080108, 02080208, and 03010205, as defined by the National Watershed Boundary Dataset, are mitigated in-kind within those subbasins, as close as possible to the impacted site. After July 1, 2002, the provisions of clause (f) shall apply only to impacts within subdivisions of the listed subbasins where overlapping watersheds exist, as determined by the Department of Environmental Quality, provided the Department of Environmental Quality has made such a determination by that date.

For the purposes of this section, "river watershed" means the Potomac River Basin, Shenandoah River Basin, James River Basin, Rappahannock River Basin, Roanoke and Yadkin Rivers Basin, Chowan River Basin (including the Dismal Swamp and Albemarle Sound), Tennessee River Basin, Big Sandy River Basin, Chesapeake Bay and its Small Coastal Basins, Atlantic Ocean, York River Basin, and New River Basin.

§ 33.2-248. Expenditure of funds for interstate bridges and approaches.

The Commissioner of Highways may expend from funds available for construction or maintenance of roads or highways, either alone or in cooperation with public road authorities of other states, such funds as he may deem necessary for the construction, maintenance, operation, and repair of interstate highway bridges, tunnels, and approaches forming connecting links between highways in the systems of state highways and public roads of other states.

§ 33.2-249. Maintenance and operation of bridges or tunnels on the city and state line.

The governing bodies of cities and towns having populations greater than 3,500 and the Commissioner of Highways may enter into agreements, upon such terms and conditions as may be necessary, for the maintenance of public highway bridges or tunnels lying partly within and partly outside the incorporated limits of such cities and towns.

The Commissioner of Highways may enter into agreements with other states and the District of Columbia, upon such terms and conditions as may be necessary, for the maintenance and operation, including the issuance of permits, of public highway bridges or tunnels lying partly within and partly outside the territorial limits of the Commonwealth.

§ 33.2-250. Improving certain private roads and certain town streets and roads.

A. The Commissioner of Highways may, upon the request of the governing body of any county and at the expense of the owner of the land, improve private roads giving direct access from the home or other central buildings on the property along the shortest practical route to the nearest public highway, provided that:

1. The Commissioner of Highways shall in no case undertake any such work until certification is made by the governing body of the county that the property owner cannot secure the services of a private contractor to perform the work nor then until the owner has deposited with him a certified check in the amount estimated by the Commissioner of Highways as the cost of the work;

2. Not more than \$1,000 shall be expended on any one such private project in any one year; and

3. No work of ordinary maintenance shall be done on any such private road under the provisions of this section.

B. In addition, the Commissioner of Highways may, upon the request of the council of any town having a population of less than 1,500 and at the expense of such town, improve and maintain any streets or roads in such town and not in the primary state highway system. As to streets and roads in such town, no certification by the board of supervisors or deposit shall be necessary.

C. Any work done by the Commissioner of Highways pursuant to the provisions of this section shall only be done with the equipment and employees of the Department.

§ 33.2-251. Installation and maintenance of "children at play" signs in counties and towns.

The governing body of any county or town may enter into an agreement with the Commissioner of Highways allowing the county or town to install and maintain, at locations specified in such agreement, signs alerting motorists that children may be at play nearby. The cost of the signs and their installation shall be paid by the county or town.

The provisions of this section shall not apply to any county that has withdrawn its roads from the secondary state highway system under the provisions of § 11 of Chapter 415 of the Acts of Assembly of 1932 and has not elected to return.

§ 33.2-252. Tramways and railways along or across public highways; appeals.

A. Whenever any person, firm, or chartered company engaged in mining, manufacturing, or lumber getting has acquired the right-of-way for a tramway or railway, except across or upon a public highway, and desires to cross such highway or some part thereof and if such person, firm, or chartered company cannot agree with the Commissioner of Highways, or governing body of a county if the road is a county road in a county where the roads are not within the secondary state highway system, as to the terms and conditions of such crossing, the circuit court of the county in which such highway may be may prescribe such regulations for the crossing of such highway as will protect the public, and when such regulations have been prescribed, such tramway or railway may be constructed and maintained or if already constructed may be maintained in accordance with such regulations as may be made on the application of the owner of such tramway or railway or on the motion of the attorney for the Commonwealth after notice to such owner.

B. The Commissioner of Highways or governing body or the applicant or owner of the tramway or railway may appeal from the order of the circuit court in the manner prescribed for appeals in controversies concerning roads.

C. Nothing contained in this section shall be construed as giving the right to condemn private property for such tramway or railway, nor shall the rights of any tramway or railway lawfully acquired be affected.

§ 33.2-253. Highway safety corridor program.

The Commissioner of Highways shall establish a highway safety corridor program under which a portion of highways in the primary state highway system and Interstate System may be designated by the Commissioner of Highways as highway safety corridors to address highway safety problems through law enforcement, education, and safety enhancements. In

consultation with the Department of Motor Vehicles and the Superintendent of State Police, the Commissioner of Highways shall establish criteria for the designation and evaluation of highway safety corridors, including a review of crash data, accident reports, type and volume of vehicle traffic, and engineering and traffic studies. The Commissioner of Highways shall hold a public hearing prior to the adoption of the criteria to be used for designating a highway safety corridor. The Commissioner of Highways shall hold a minimum of one public hearing before designating any specific highway corridor as a highway safety corridor. The public hearing or hearings for a specific corridor shall be held at least 30 days prior to the designation at a location as close to the proposed corridor as practical.

The Department of Transportation shall erect signs that designate highway safety corridors and the penalties for violations committed within the designated corridors.

§ 33.2-254. Erection and maintenance of newspaper route boxes.

The publishers of all newspapers having a circulation in rural sections of the Commonwealth may erect and maintain suitable newspaper route boxes along and on the rights-of-way of the public highways throughout such rural sections, in which to deposit newspapers for their subscribers. The short name of the newspaper to be deposited in each such box, but nothing more, may be plainly printed thereon. All such boxes shall be located so they do not interfere with or endanger public travel on highways. All such locations shall meet with the approval of the Commissioner of Highways.

§ 33.2-255. Sale or lease of properties acquired for highway construction.

To the extent not otherwise prohibited by law, the Commissioner of Highways may sell or otherwise dispose of any improvements on lands acquired for highway construction projects or lease such land and improvements until such time as the land is needed for immediate highway construction purposes. Any residue parcels of lands so acquired that are found to be unnecessary for highway purposes may be sold or otherwise disposed of by the Commissioner of Highways.

Article 4.

Department of Transportation.

§ 33.2-256. Department of Transportation established.

There is hereby created a Department of Transportation within the executive branch, which shall be under the supervision and management of the Commissioner of Highways and responsible to the Secretary of Transportation.

§ 33.2-257. Responsibilities of the Department of Transportation for analysis of transportation projects in the Northern Virginia Transportation District.

A. The Department of Transportation, in ongoing coordination with the Commonwealth Transportation Board, the Department of Rail and Public Transportation, and the Northern Virginia Transportation Authority, shall evaluate all significant transportation projects, including highway, mass transit, and technology projects, in and near the Northern Virginia Transportation District, to the extent that funds are available for such purpose. The evaluation shall provide an objective, quantitative rating for each project according to the degree to which the project is expected to reduce congestion and, to the extent feasible, the degree to which the project is expected to improve regional mobility in the event of a homeland security emergency. Such evaluation shall rely on analytical techniques and transportation modeling, including those that employ computer simulations currently and customarily employed in transportation planning. The Department of Transportation may rely on the results of transportation modeling performed by other entities, including the Northern Virginia Transportation Authority and private entities contracted for this purpose, provided that such modeling is in accordance with this section. The Department of Transportation shall publicize the quantitative ratings determined for each project on its website and complete the evaluation at least once every four years, with interim progress reports provided on the website at least once every six months starting January 1, 2013.

B. In determining the allocation of highway construction funding in the Northern Virginia Transportation District, the Board shall, in ongoing coordination with the Northern Virginia Transportation Authority, give priority to projects that most effectively reduce congestion in the most congested corridors and intersections. However, nothing in this section shall limit the ability of the Board to consider other criteria, including the performance-based criteria set forth in § 33.2-2508.

C. Nothing in this section shall be construed or implied to direct funding to the Northern Virginia Transportation District from another transportation district.

D. For purposes of this section, the significant transportation projects to be evaluated shall comprise at least 25 such projects selected according to priorities determined by the Board, in ongoing coordination with the Northern Virginia Transportation Authority, without regard to the funding source of the project, and may include:

1. Projects included in the version of the Financially Constrained Long-Range Transportation Plan of the National Capital Region Transportation Planning Board in effect when the evaluation is made, plus additional projects in the Northern Virginia Transportation Authority's TransAction 2030 Regional Transportation Plan and subsequent updates; and

2. Other highway, rail, bus, and technology projects that could make a significant impact on mobility in the region, including additional Potomac River crossings west and south of Washington, D.C.; extension of the Metro Orange Line, Metro Yellow Line, and Metro Blue Line; bus rapid transit on Interstate 66; vehicle capacity and mass transit improvements on the U.S. Route 1 corridor; and implementation of relevant portions of the Statewide Transportation Plan established pursuant to § 33.2-353.

§ 33.2-258. Environmental permits for highway projects; timely review.

Notwithstanding any other provision of state law or regulation, any state agency, board, or commission that issues a permit required for a highway construction project pursuant to Title 10.1, 28.2, 29.1, or 62.1 shall within 15 days of receipt

of an individual permit application review the application for completeness and either accept the application or request additional specific information from the Department. Unless a shorter period is provided by law, regulation, or agreement, the state agency, board, or commission shall within 120 days of receipt of a complete application issue the permit, issue the permit with conditions, deny the permit, or decide whether a public meeting or hearing is required by law. If a public meeting or hearing is held, it shall be held within 45 days of the decision to conduct such a proceeding, and a final decision as to the permit shall be made within 90 days of completion of the public meeting or hearing. For coverage under general permits issued pursuant to Title 10.1, 28.2, 29.1, or 62.1, the state agency, board, or commission that issues such permits shall within 10 business days of receipt of an application from the Department for or highway construction project review the application for completeness and either accept the application or request additional specific information from the Department. Coverage under the general permit shall be approved, approved with conditions, or denied within 30 business days of receipt of a complete application.

§ 33.2-259. Maintain drainage easements.

Whenever in connection with or as a precondition to the construction or reconstruction of any highway the Department has acquired any permanent drainage easement, the Department shall, until such time as such easement has been terminated, perform repairs required to protect the roadway and to ensure the proper function of the easement within the right-of-way and within the boundaries of such easement.

§ 33.2-260. Specifications in purchasing lubricating motor oil.

A. Standard specifications adopted for lubricating motor oil for competitive bidding contracts to be let by the Department shall be prescribed so as to include re-refined or recycled lubricating motor oil. Specifications adopted for circumstances or equipment that require specialized treatment or products may be excluded.

B. The Department shall compile and publish a list of business entities that commercially distribute re-refined or recycled lubricating motor oil that complies with the standard specifications adopted by the Department pursuant to the provisions of this section. The Department shall make the list available to local governing bodies upon request.

§ 33.2-261. Value engineering required in certain projects.

The Department shall employ value engineering in conjunction with any project on any highway system using criteria established by the Department, including all projects costing more than \$5 million. For the purposes of this section, "value engineering" means a systematic process of review and analysis of an engineering project by a team of persons not originally involved in the project. Such team may offer suggestions that would improve project quality and reduce total project cost, ranging from a combination or elimination of inefficient or expensive parts or steps in the original proposal to total redesign of the project using different technologies, materials, or methods.

After a review, the Commissioner of Highways may waive the requirements of this section for any project for compelling reasons. Any such waiver shall be in writing, state the reasons for the waiver, and apply only to a single project.

§ 33.2-262. Removal of snow from driveways of volunteer fire departments and rescue squads.

On the roads under the jurisdiction of the Department, the Department shall remove snow from the driveways and entrances of volunteer fire departments and volunteer rescue squads when the chief of any individual volunteer fire department, or the head of any individual volunteer rescue squad, makes a written request for such snow removal service, provided that such service shall only be performed when such service can be performed during the normal course of snow removal activities of the Department without interfering with, or otherwise inconveniencing, such snow removal activities. Such service shall not extend to any parking lots adjacent to such driveways and entranceways not normally used by the volunteer fire department or volunteer rescue squad vehicles as their direct driveway or entrance.

§ 33.2-263. School bus stop signs or other indicators.

The Department shall allow any local school board to install signs or other devices to indicate school bus stops, provided the installation is approved by the Department prior to installation. No local school board shall be required to install signs at all school bus stops. Maintenance, repair, and replacement of school bus stop signs shall be the responsibility of the local school board. The Department, in conformance with the Department's current policies for emergency snow removal operations, shall use its best efforts to ensure that signed school bus stop areas shall not be obstructed by snow removal operations. Installation of school bus stop signs shall not designate the area as school property.

§ 33.2-264. Livestock on right-of-way of the systems of state highways.

No person, firm, or corporation shall pasture or graze, or cause to be pastured or grazed, or otherwise permit to be on any right-of-way of any highway in the systems of state highways, except as otherwise provided in this section, any livestock, unless such animal or animals be securely tied or held by chain or rope so as to prevent such animal from getting on the traveled portion of the highway, provided that this section shall not apply when such livestock are being driven along such highway while under the control of a responsible drover or drovers.

Nothing in this section shall prevent the owners of abutting parcels of land from grazing livestock unsecured by chain or rope on secondary roads that (i) have been taken into the system as gated roads and (ii) carry fewer than 50 vehicles per day.

On gated roads carrying 50 or more vehicles per day, the Department shall, upon the request of the local governing body and upon the recordation of a deed of gift or donation by such landowner of not less than a 40-foot right-of-way, reimburse abutting landowners a sum equal to \$1 per foot of fencing that must be installed to keep cattle from entering the right-of-way from such abutting land. Where such fencing separates pasture land from a water source used by the owner of

such pasture land to water his livestock, the Department shall construct or have constructed a means of access by which stock may reach the water source from the pasture land. Moneys for such fencing and construction of access to water shall be taken from highway construction funds. For purposes of this section, a "gated" road is a road on which, prior to July 1, 1986, abutting landowners have maintained a gate or cattle guard.

Any person, firm, or corporation who violates any of the provisions of this article shall be fined not less than \$10 nor more than \$50 for such offense.

Nothing in this section shall be construed to transfer the liability for injuries or property damage caused by such grazing livestock.

§ 33.2-265. Comprehensive roadside management program.

The Department shall promulgate regulations for a comprehensive roadside management program. Such program shall include opportunities for participation by individuals, communities, and local governments and shall address items, including safety, landscape materials, services, funding, recognition, and appropriate signing.

§ 33.2-266. Intermittent closing of highways subject to flooding; permits; notice.

A. Upon application of the board of directors of any soil and water conservation district and of the board of supervisors of the county wherein the highway is located, the Department is authorized to permit the intermittent closing of any highway located within the boundaries of such district and county whenever in its judgment it is necessary to do so and when the highway will be intermittently subject to inundation by floodwaters retained by an approved watershed retention structure. All costs associated with such closing shall be borne by the board of supervisors of the county, including the costs of furnishing, erecting, and removing the necessary signs, barricades, signals, and lights to safeguard and direct traffic.

B. Before any permit may be issued for the temporary inundation and closing of such a highway, an application for such permit shall be made to the Department by the board of directors of the soil and water conservation district and the board of supervisors of the county wherein the highway is located. The application shall specify the highway involved and shall request that a permit be granted to the county to allow the intermittent closing of the highway.

C. Before making such application, the board of supervisors of the county wherein such highway is located shall give notice of the proposed action by publication once each week for two consecutive weeks in a newspaper of general circulation in the county, and such notice shall contain a description of the places of beginning and the places of ending of such intermittent closing. In addition to such publication, the board of supervisors of such county shall give notice to all public utilities having facilities located within the rights-of-way of any highway being closed by mailing a copy of such notice to the office of each such public utility located within the county, or if no office is located within the county, then to the office of such utility located nearest to the county. Furthermore, no such application shall be accepted by the Department that does not certify compliance by the applicants with the requirements of publication and notice in the manner prescribed in this section. All costs associated with the application procedure and notice to the public and to public utilities shall be borne by the board of supervisors of the county.

D. Not sooner than 30 days after the last publication and not sooner than 30 days after the mailing of such notice, the Department may issue the permit with respect to such highway. Nothing herein contained shall require the Department to issue such a permit when the Department, in its sole discretion, does not consider such intermittent closing of highways to be in the best interest of fulfilling the Department's duties to the traveling public.

§ 33.2-267. Family restrooms.

The Department shall provide family restrooms at all rest areas along Interstate System highways in the Commonwealth. All such family restrooms shall be constructed in accordance with federal law. The provisions of this section shall apply only to rest stops constructed on or after July 1, 2003.

§ 33.2-268. Contractor performance bonds for locally administered transportation improvement projects.

Whenever any locality undertakes administration of a transportation improvement project and obtains, in connection therewith, contractor performance bonds that include the Department as a dual obligee, the amount of such bonds shall be no greater than would have been required had the Department not been included as a dual obligee. The surety's obligation to the Department shall be no greater than its obligation to the locality administering the project, and the amount of the bond is the limit of the surety's obligation to either or both obligees.

§ 33.2-269. Localities may use design-build contracts.

Localities may award contracts for the construction of transportation projects on a design-build basis. These contracts may be awarded after a written determination is made by the chief executive officer of the locality that delivery of the projects must be expedited and that it is not in the public interest to comply with the design and construction contracting procedures normally followed. These contracts shall be of such size and scope to encourage maximum competition and participation by qualified contractors. Such determination shall be retained for public inspection in the official records of the locality and shall include a description of the nature and scope of the project and the reasons for the determination that awarding a design-build contract will best serve the public interest. If state or federal transportation funds are used for the contract, then the locality shall comply with the provisions of §§ 33.2-209 and 33.2-214 and shall request from the Department the authority to administer the project in accordance with pertinent state or federal requirements.

§ 33.2-270. Provide for training of certain local employees.

The Department shall provide for the training and certification of local governments in order that such local governments are capable of administering local maintenance and construction projects that involve the secondary or urban

highway system. Such training and certification shall enable such local governments to carry out locally administered projects in compliance with federal and state law and regulations with minimal oversight by Department personnel.

§ 33.2-271. Maintain property acquired for construction of transportation projects.

Subject to requirements of federal law or regulations and prior to the initiation of project construction, the Department shall mow the grass and remove weeds and debris on property acquired for the construction of a transportation project by the Department. Such activities shall be performed in accordance with the same schedules used for these activities on other rights-of-way maintained by the Department in the same locality. At the written request of the local governing body or a locality, the Department shall provide additional services on the property acquired for the construction of a transportation project, including removal of abandoned vehicles. Such additional services shall be funded from the construction allocations to the project.

§ 33.2-272. Location of landfill gas pipelines in highway right-of-way; Department of Transportation to provide notice to counties.

Whenever the Department grants its permission for the construction, installation, location, or placement of a landfill gas pipeline within any highway right-of-way, notice shall be provided by the Department to every county through which such pipeline or any portion thereof will pass.

For the purposes of this section, "landfill gas pipeline" means those facilities exempted from the definition of public utility in subdivisions (b) (6), (7), and (8) of § 56-265.1.

§ 33.2-273. Use of steel plates in connection with highway repairs.

Any person using steel plates in connection with a temporary or permanent repair to the roadway of any highway shall follow the standards of the Department regarding warnings thereof and the marking of such plates. The provisions of this section shall not apply to any portion of a roadway that is closed to vehicular traffic.

§ 33.2-274. Application and installation of traffic control measures.

Nothing in this title shall be construed to prevent the application and installation of traffic control measures to reduce the negative effects of traffic through residential areas on any component of the secondary highway system that meets the definition of "residence district" in § 46.2-100, even if such component also provides access to a "business district" as defined in the same section. Installation of traffic control measures on any state-maintained highway shall be approved by the Department prior to installation.

Furthermore, nothing in this title shall be construed to prevent the acceptance by the Department of private financing for the application and installation of traffic control measures if and when such measures meet the Department's standards.

§ 33.2-275. Periodic quantitative rating of certain highways.

The Department shall determine a quantitative rating on the pavement condition and ride quality of every highway in the primary and secondary state highway systems at least once every five years, using metrics generally accepted in the United States for this purpose. The Department shall post these ratings on its website, organized by transportation district, updated at least quarterly, with interpretive guidance, identifying each (i) primary and secondary highway or segment thereof that has been rated, the pavement condition and ride quality rating given, and the date it was last rated and (ii) primary or secondary highway or segment thereof that has not been rated and the approximate date, if available, that the rating is scheduled to be made.

§ 33.2-276. Noise abatement practices and technologies.

A. Whenever the Board or the Department plan for or undertake any highway construction or improvement project and such project includes or may include the requirement for the mitigation of traffic noise impacts, first consideration should be given to the use of noise reducing design and low noise pavement materials and techniques in lieu of construction of noise walls or sound barriers. Vegetative screening, such as the planting of appropriate conifers, in such a design would be utilized to act as a visual screen if visual screening is required.

B. The Department shall expedite the development of quiet pavement technology such that applicable contract solicitations for paving shall include specifications for quiet pavement technology and other sound mitigation alternatives in any case in which sound mitigation is a consideration. To that end, the Department shall construct demonstration projects sufficient in number and scope to assess applicable technologies. The assessment shall include evaluation of the functionality and public safety of these technologies in Virginia's climate and shall be evaluated over at least two full winters. The Department shall provide an initial interim report to the Governor and the General Assembly by June 30, 2012, a second interim report by June 30, 2013, and a final report by June 30, 2015. The report shall include results of demonstration projects in Virginia, results of the use of quiet pavement in other states, a plan for routine implementation of quiet pavement, and any safety, cost, or performance issues that have been identified by the demonstration projects.

C. The governing body of any locality, at its own expense, may evaluate noise from highways it may designate for analysis. Such evaluation shall be accepted and relied upon by the Department if such evaluation is prepared in accordance with and complies with applicable federal law, regulations, and requirements, as well as guidelines and policies issued by the Board, relating to noise abatement and evaluation. This provision shall not apply to projects for which the Department is required to perform a noise analysis.

§ 33.2-277. Sale of materials to, and use of equipment by, localities and school boards.

The Department may lend or rent equipment and sell materials and supplies used in the building or repairing of highways and streets to any locality or school board, upon such terms and conditions as may be agreed upon by the Department and such locality or school board, provided that the governing body of such locality or school board submits to the Department a certificate setting forth that the material or equipment cannot be furnished from private sources within a reasonable time. The requirement of such a certificate shall not apply to towns with a population of less than 3,500 inhabitants or to the purchase of paint for traffic marking purposes by any locality or school board.

§ 33.2-278. Facilities for persons desiring to fish from bridges.

The Department may, upon the request in writing of any department or agency of the Commonwealth, construct and maintain on or in connection with any bridges that now constitute a part of any system of state highways platforms, walkways, or other facilities as may be necessary or proper for the safety and convenience of persons who desire to fish therefrom. The cost shall be paid out of funds furnished by the department or agency making the request from its own funds or funds furnished to such department or agency by gift from private sources. The Department shall not be held responsible for damage caused by the construction or use of such facilities.

§ 33.2-279. Use of streams and lowlands obstructed by newly constructed highways as fishponds or water storage areas.

Whenever any highway is being constructed and the highway is to pass over any stream or lowland the obstruction of which is necessary to such construction or if the present highway construction can be utilized to provide a suitable dam for a fishpond or water storage area, then upon application of the adjacent property owner requesting that it be so used, the Department may permit such use, provided that such dam shall be subject to the provisions of §§ 33.2-409 through 33.2-414 and any additional cost incurred shall be borne by the requesting property owner.

§ 33.2-280. Treatment of highway surfaces for dust control.

The Department may treat highway surfaces for stabilization and dust control in any town in the Commonwealth upon request of the governing body of such town and may treat highway surfaces for stabilization and dust control in any county of the Commonwealth, the secondary highways within which are not a part of the secondary state highway system, upon request of the governing body thereof, provided that such county or town governing body shall pay to the Department the cost of such treatment. This section applies to any highway that is a part of the primary or secondary state highway system.

Article 5.

Department of Rail and Public Transportation.

§ 33.2-281. Policy.

The General Assembly finds that there is a compelling public need to provide a balanced multimodal transportation system that enhances the service capabilities of passenger and freight rail, public transportation, highways, aviation, and ports and that it is in the public interest to ensure that passenger and freight rail and public transportation are full participants in that multimodal system to reduce energy consumption, congestion, and air pollution; to enhance the environment; to support economic development; and to ensure the efficient movement of goods and people. Accordingly, the General Assembly finds that this chapter is necessary for the public convenience, safety, and welfare.

§ 33.2-282. Department of Rail and Public Transportation created; appointment of Director.

There is hereby created a Department of Rail and Public Transportation reporting to the Secretary of Transportation and subject to the policy oversight of the Commonwealth Transportation Board. The Department of Rail and Public Transportation shall be headed by a Director who shall be appointed by and serve at the pleasure of the Governor. The Director of the Department of Rail and Public Transportation shall serve as a nonvoting ex officio member of the Board and any committee of the Board dealing with passenger and freight rail, transportation demand management, ridesharing, and public transportation issues.

§ 33.2-283. Powers and duties of the Director of the Department of Rail and Public Transportation.

Except such powers as are conferred by law upon the Board, or such services as are performed by the Department of Transportation pursuant to law, the Director of the Department of Rail and Public Transportation shall have the power to do all acts necessary or convenient for establishing, maintaining, improving, and promoting public transportation, transportation demand management, ridesharing, and passenger and freight rail transportation in the Commonwealth and to procure architectural and engineering services for rail and public transportation projects as specified in § 2.2-4302.2.

§ 33.2-284. General powers of the Department of Rail and Public Transportation.

The Department of Rail and Public Transportation has the following general powers:

1. To accept grants from the United States government and agencies and instrumentalities thereof and any other source. To these ends, the Department of Rail and Public Transportation has the power to comply with such conditions and execute such agreements as may be necessary, convenient or desirable;
2. To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this chapter, including contracts with the United States government, other states, agencies and governmental subdivisions of Virginia, and other appropriate public and private entities;
3. To assist other appropriate entities, public or private, in the implementation and improvement of passenger and freight rail, transportation demand management, ridesharing, and public transportation services and the retention of rail corridors for public purposes;

4. To represent and promote the Commonwealth's interests in passenger and freight rail, transportation demand management, ridesharing, and public transportation; and

5. To acquire and hold title to the land necessary to construct railway lines in order to reduce traffic congestion on highways and shift traffic to rail transportation and acquire by any means whatsoever, lease, improve, and construct railway lines, passenger and freight rail, transportation demand management, ridesharing, and public transportation facilities, and passenger and freight rail, transportation demand management, ridesharing, and public transportation equipment determined to be for the common good of the Commonwealth or a region of the Commonwealth and assist other appropriate entities in the implementation and improvement of passenger and freight rail, transportation demand management, ridesharing, and public transportation services and the retention of rail corridors for public purposes.

§ 33.2-285. Responsibilities of Department of Rail and Public Transportation.

The Department of Rail and Public Transportation has the responsibility to:

1. Determine present and future needs for, and economic feasibility of providing, public transportation, transportation demand management, and ridesharing facilities and services and the retention, improvement, and addition of passenger and freight rail transportation in the Commonwealth;

2. Formulate and implement plans and programs for the establishment, improvement, development and coordination of public transportation, transportation demand management, and ridesharing facilities and services, and the development, retention, and improvement of passenger and freight rail transportation services and corridors in the Commonwealth, including lines for higher speed passenger rail that will shift traffic from the highways to passenger rail and thereby reduce traffic congestion, and coordinate transportation demand management and innovative technological transportation initiatives with the Department of Transportation;

3. Coordinate with the Department of Transportation in the conduct of research, policy analysis, and planning for the rail and public transportation modes as may be appropriate to alleviate traffic congestion on highways by shifting traffic to passenger rail and to ensure the provision of effective, safe, and efficient public transportation and passenger and freight rail services in the Commonwealth;

4. Develop uniform financial and operating data on and criteria for evaluating all public transportation activities in the Commonwealth, develop specific methodologies for the collection of such data by public transit operators, regularly and systematically verify such data by means of financial audits and periodic field reviews of operating data collection methodologies, and develop such other information as may be required to evaluate the performance and improve the economy or efficiency of public transit or passenger and freight rail operations, transportation demand management programs, and ridesharing in the Commonwealth;

5. Compile and maintain an up-to-date inventory of all abandoned railroad corridors in the Commonwealth abandoned after January 1, 1970;

6. Provide training and other technical support services to transportation operators and ridesharing coordinators as may be appropriate to improve public transportation, ridesharing, and passenger and freight rail services;

7. Maintain liaison with state, local, district, and federal agencies or other entities, private and public, having responsibilities for passenger and freight rail, transportation demand management, ridesharing, and public transportation programs;

8. Receive, administer, and allocate all planning, operating, capital, and any other grant programs from the Federal Transit Administration, the Federal Railroad Administration, the Federal Highway Administration, and other agencies of the United States government for public transportation, passenger and freight rail transportation, transportation demand management, and ridesharing purposes with approval of the Board and to comply with all conditions attendant thereto;

9. Administer all state grants for public transportation, rail transportation, ridesharing, and transportation demand management purposes with approval of the Board;

10. Promote the use of public transportation, transportation demand management, ridesharing, and passenger and freight rail services to improve the mobility of Virginia's citizens and the transportation of goods;

11. Represent the Commonwealth on local, regional, and national agencies, industry associations, committees, task forces, and other entities, public and private, having responsibility for passenger and freight rail, transportation demand management, ridesharing, and public transportation;

12. Represent the Commonwealth's interests in passenger and freight rail, transportation demand management, ridesharing, and public transportation and coordinate with the Department of Transportation in the planning, location, design, construction, implementation, monitoring, evaluation, purchase, and rehabilitation of facilities and services that affect or are used by passenger and freight rail, transportation demand management, ridesharing, or public transportation;

13. Coordinate with the State Corporation Commission on all matters dealing with rail safety inspections and rail regulations that fall within its purview;

14. Prepare and review state legislation and Commonwealth recommendations on federal legislation and regulations as directed by the Secretary of Transportation;

15. Promote public transportation, ridesharing, and passenger and freight rail safety; and

16. Ensure the safety of rail fixed guideway transit systems within the Commonwealth and carry out state safety and security oversight responsibilities for rail fixed guideway transit systems as required by the Federal Transit Administration and federal law. For any rail fixed guideway transit system operated within the Commonwealth pursuant to an interstate

compact, the Department of Rail and Public Transportation shall perform its oversight responsibilities in accordance with the interstate compact governing the operation of such system and any applicable federal law.

SUBTITLE II.

MODES OF TRANSPORTATION: HIGHWAYS, BRIDGES, FERRIES, RAIL, AND PUBLIC TRANSPORTATION.

CHAPTER 3.

HIGHWAY SYSTEMS.

Article 1.

Interstate System.

§ 33.2-300. Power and authority of Commonwealth Transportation Board relating to the Interstate System, generally.

The Board may plan, designate, acquire, open, construct, reconstruct, improve, maintain, discontinue, abandon, and regulate the use of the Interstate System in the same manner in which it is now or may be authorized to plan, designate, acquire, open, construct, reconstruct, improve, maintain, discontinue, abandon, and regulate the use of the primary state highway system. The Board may vacate, close, or change the location of any highway or street in the manner in which it is now authorized by law to vacate, close, or change the location of a highway in the primary state highway system. The Board has any and all other authority and power relative to the Interstate System as is vested in it relative to highways in the primary state highway system, including the right to acquire by purchase, eminent domain, grant, or dedication title to lands or rights-of-way for such interstate highways whether within or without the limits of any city or town, and in addition thereto has such other power, control, and jurisdiction necessary to comply with the provisions of the Federal-Aid Highway Act of 1956 and all acts amendatory or supplementary thereto, all other provisions of law to the contrary notwithstanding.

§ 33.2-301. Contracts for maintenance of components of Interstate System.

All maintenance on components of the Interstate System, excluding frontage roads, shall be carried out under contracts awarded by the Commissioner of Highways or the Board pursuant to §§ 33.2-209, 33.2-214, and 33.2-221, except for instances where good and sufficient reasons for not doing so have been shown in advance in writing by the Commissioner of Highways to the Board and to the Chairmen of the House Committee on Transportation, the House Committee on Appropriations, the House Committee on Finance, the Senate Committee on Transportation, and the Senate Committee on Finance. Nothing in this section shall be construed to prevent the Department from performing emergency work at any time on the Interstate System with its own employees or agents or to assume the maintenance responsibilities of a contractor who has been determined to be in default or as a result of a contract termination.

§ 33.2-302. Funds for establishment and maintenance of Interstate System, generally.

The highways embraced within the Interstate System shall be established, constructed, and maintained by the Commonwealth under the direction and supervision of the Commissioner of Highways with state funds as may be appropriated and made available for such purposes, together with such appropriations as may be made by any locality in the Commonwealth and funds as are now available or that may be derived from the federal government for such purposes. State funds for repayment of federal construction advances may be raised by toll facilities, if approved by the Federal Highway Administration.

§ 33.2-303. Portions of Interstate System within cities and towns.

Whenever any portion of the Interstate System that is to be constructed within cities or towns is to occupy existing streets, the right-of-way in the street shall be occupied by the Interstate System free of cost to the Commonwealth.

When the Interstate System extending into or through cities or towns has been constructed to the required standards, streets or highways occupied thereby shall cease to be maintained and controlled by the governing bodies of such cities or towns, and such cities and towns shall thereafter be relieved from all civil liability arising from the physical condition of such streets or highways. Such streets and highways shall not be considered as mileage for which the Board is required to make payment to such cities or towns by any other provision of law.

Nothing contained in this article shall relieve the cities or towns through which any portion of the Interstate System is projected from the responsibility for the preservation of public peace, prevention of crime, apprehension of criminals, protection of the rights of persons and property, and enforcement of the laws of the Commonwealth, and the regulations enacted pursuant thereto, nor shall anything contained herein be considered as a waiver by the Commonwealth of its immunity from liability for tort.

§ 33.2-304. Transfer of highways, bridges, and streets from the secondary and primary state highway systems to Interstate System.

The Board may transfer such highways, bridges, and streets as it deems proper from the primary or secondary state highway system to the Interstate System. Upon such transfer, the highways, bridges, and streets so transferred shall become for all purposes parts of the Interstate System and thereafter cease being parts of the primary or secondary state highway system. The Board may add such highways, bridges, and streets as it deems proper to the Interstate System without limitations as to mileage.

§ 33.2-305. Transfer of highways, bridges, and streets from Interstate System to primary or secondary state highway system.

The Board may transfer such highways, bridges, and streets as it deems proper from the Interstate System to the primary or secondary state highway system without limitations as to mileage. Upon such transfer, the highways, bridges,

and streets so transferred shall become for all purposes parts of the primary or secondary state highway system and thereafter cease being parts of the Interstate System.

§ 33.2-306. Applicability of §§ 33.2-300 through 33.2-305 to toll projects.

The provisions of §§ 33.2-300 through 33.2-305 shall not become effective with respect to those segments of the Interstate System constructed and financed as toll projects until the revenue bonds and the interest thereon issued on account of such toll projects have been paid or a sufficient amount for the payment of all such bonds and the interest to maturity thereon has been set aside in trust for the benefit of the respective bondholders. When the bonds and interest thereon, outstanding on account of such projects, have been paid or a sufficient amount for the payment of such bonds and the interest thereon to the maturity thereof has been so set aside in trust, and when the Board has by formal action, recorded in its minutes, determined the existence of such fact, then the provisions of §§ 33.2-300 through 33.2-308 shall fully apply to such projects.

§ 33.2-307. Relocation or removal of utility facilities within projects on Interstate System.

A. For the purposes of this section:

"Cost of highway construction" includes the cost of relocating or removing utility facilities in connection with any project on the Interstate System within cities or towns.

"Cost of relocation or removal" includes the entire amount paid by such utility properly attributable to such relocation or removal after deducting any increase in the value of the new facility and any salvage value derived from the old facility.

"Facility of a utility" includes tracks, pipes, mains, conduits, cables, wires, towers, and other structures, equipment, and appliances.

"Utility" includes publicly, privately, and cooperatively owned utilities.

B. Whenever the Board determines that it is necessary that any facility of a utility in, on, under, over, or along existing streets that are to be included within any project on the Interstate System within cities or towns should be relocated or removed, the owner or operator of such facility shall relocate or remove the same in accordance with the order of the Board. The cost of such relocation or removal, including the cost of installing such facility in a new location, and the cost of any lands, or any rights or interest in lands, and any other rights required to accomplish such relocation or removal shall be ascertained and paid by the Board as a part of the cost of the project.

§ 33.2-308. Additional provisions on relocation or removal of utility facilities within projects on Interstate System.

A. For the purposes of this section:

"Cost of highway construction" includes the cost of relocating or removing utility facilities in connection with any project on the Interstate System or primary state highway system within counties.

"Cost of relocation or removal" includes the entire amount paid by such utility properly attributable to such relocation or removal after deducting therefrom any increase in the value of the new facility and any salvage value derived from the old facility.

"Facility of a utility" includes pipes, mains, storm sewers, water lines, sanitary sewers, natural gas facilities, or other structures, equipment, and appliances.

B. Whenever the Board determines that it is necessary to relocate or remove any facility of a utility owned by (i) a county, (ii) a political subdivision of the Commonwealth or county, or (iii) a nonprofit, consumer-owned company, located in a county having a population of at least 32,000 but no more than 34,000, that (a) is exempt from income taxation under § 501(c)(3) of the Internal Revenue Code, (b) is organized to provide suitable drinking water, (c) has no assistance from investors, (d) does not pay dividends, and (e) does not sell stock to the general public, or storm sewers, water lines, natural gas facilities, or sanitary sewers owned by a city and extending into any county in, on, under, over, or along existing highways that are to be included within any project on the Interstate System or the primary state highway system within any county, the county or political subdivision of the Commonwealth or county, consumer-owned company, or city shall relocate or remove the same in accordance with the order of the Board. The cost of such relocation or removal including the cost of installing such facility in a new location, and the cost of any lands, or any rights or interest in lands, and any other rights required to accomplish such relocation or removal shall be ascertained and paid by the Board as a part of the cost of the project.

§ 33.2-309. Tolls for use of Interstate System components.

A. Notwithstanding any contrary provision of this title and in accordance with all applicable federal and state statutes and requirements, the Board may impose and collect tolls from all classes of vehicles in amounts established by the Board for the use of any component of the Interstate System within the Commonwealth. However, prior approval of the General Assembly shall be required prior to the imposition and collection of any toll for use of all or any portion of Interstate Route 81. Such funds so collected shall be deposited into the Transportation Trust Fund established pursuant to § 33.2-1524, subject to allocation by the Board as provided in this section.

B. The toll facilities authorized by this section shall be subject to the provisions of federal law for the purpose of tolling motor vehicles to finance interstate construction and reconstruction, promote efficiency in the use of highways, reduce traffic congestion, and improve air quality and for such other purposes as may be permitted by federal law.

C. In order to mitigate traffic congestion in the vicinity of the toll facilities, no toll facility shall be operated without high-speed automated toll collection technology designed to allow motorists to travel through the toll facilities without stopping to make payments. Nothing in this subsection shall be construed to prohibit a toll facility from retaining means of

nonautomated toll collection in some lanes of the facility. The Board shall also consider traffic congestion and mitigation thereof and the impact on local traffic movement as factors in determining the location of the toll facilities authorized pursuant to this section.

D. The revenues collected from each toll facility established pursuant to this section shall be deposited into segregated subaccounts in the Transportation Trust Fund and may be allocated by the Board as the Board deems appropriate to:

1. Pay or finance all or part of the costs of programs or projects, including the costs of planning, operation, maintenance, and improvements incurred in connection with the toll facility, provided that such allocations shall be limited to programs and projects that are reasonably related to or benefit the users of the toll facility. The priorities of metropolitan planning organizations, planning district commissions, local governments, and transportation corridors shall be considered by the Board in making project allocations from such revenues deposited into the Transportation Trust Fund.

2. Repay funds from the Toll Facilities Revolving Account or the Transportation Partnership Opportunity Fund.

3. Pay the Board's reasonable costs and expenses incurred in the administration and management of the toll facility.

Article 2.

Primary State Highway System.

§ 33.2-310. Primary state highway system.

The primary state highway system shall be constructed and maintained by the Commonwealth under the direction and supervision of the Board and the Commissioner of Highways.

§ 33.2-311. Certain highways in parks included in primary state highway system.

All highways in state parks that provide connections between highways, in either the primary or secondary state highway system, outside such parks and recreation centers within such parks shall continue to be portions of the primary state highway system.

§ 33.2-312. Maintenance of highways, bridges, and toll facilities within state parks.

The Commissioner of Highways may maintain all highways, bridges, and toll facilities within the boundaries of any state park established by and under the control of the Department of Conservation and Recreation. For the purpose of maintaining the highways in any such park, the Commissioner of Highways may expend funds under his control and available for expenditures upon the maintenance of highways in the secondary state highway system in the county or counties in which such state park is located. This section shall not affect the jurisdiction, control, and right to establish such highways, bridges, and toll facilities that are now vested in the Department of Conservation and Recreation.

All roads, bridges, and toll facilities constructed by way of revenue bonds issued by the Department of Conservation and Recreation shall operate under the terms of their establishment as a park facility, notwithstanding the right of the Commissioner of Highways to use highway funds to maintain them.

§ 33.2-313. Maintenance of highways at state institutions.

The Commissioner of Highways may, when requested by the governing body of a state institution, assume the maintenance of any highway within the grounds of such state institution that has been established and constructed by such institution to standards acceptable to the Commissioner of Highways. Any such highways accepted for maintenance by the Commissioner of Highways under the provisions of this section shall be a part of the primary state highway system, but the state institution shall continue to exercise police power over such highways.

§ 33.2-314. Transfer of highways, bridges, and streets from secondary to primary state highway system; additions to primary state highway system.

A. The Board may transfer such highways, bridges, and streets as it deems proper from the secondary state highway system to the primary state highway system. Upon such transfer, the highways, bridges, and streets so transferred shall become for all purposes parts of the primary state highway system. The Board may add such highways, bridges, and streets as it deems proper to the primary state highway system. The total mileage of such highways, bridges, and streets so transferred or added by the Board shall not exceed 50 miles during any one year.

B. When the Chief Engineer of the Department recommends that it is appropriate in connection with the completion of a construction or maintenance project to transfer highways, bridges, and streets from the secondary state highway system to the primary state highway system, the Commissioner of Highways may transfer such highways, bridges, and streets as he deems proper. Upon such transfer, the highways, bridges, and streets so transferred shall become for all purposes parts of the primary state highway system and cease being parts of the secondary state highway system.

§ 33.2-315. Transfer of highways, bridges, and streets from primary to secondary state highway system.

A. The Board may transfer such highways, bridges, and streets as it deems proper from the primary state highway system to the secondary state highway system or, if requested by the local governing body, to the local system of roads operated by a locality receiving payments pursuant to § 33.2-319 or 33.2-366. Upon such transfer, the highways, bridges, and streets so transferred shall become for all purposes parts of the secondary state highway system or the local system of roads operated by a locality receiving payments pursuant to § 33.2-319 or 33.2-366. The total mileage of such highways, bridges, and streets so transferred by the Board shall not exceed 150 miles during any one year.

B. When the Chief Engineer of the Department recommends that it is appropriate in connection with the completion of a construction or maintenance project to transfer highways, bridges, and streets from the primary state highway system to the secondary state highway system, the Commissioner of Highways may transfer such highways, bridges, and streets as he

deems proper. Upon such transfer, the highways, bridges, and streets so transferred shall become for all purposes parts of the secondary state highway system and cease being parts of the primary state highway system.

§ 33.2-316. Primary state highway system map.

The Commissioner of Highways shall prepare and keep on file in his office for public inspection a complete map showing the routes of the primary state highway system.

§ 33.2-317. Establishment, construction, and maintenance exclusively by Commonwealth; funds.

The highways embraced within the primary state highway system shall be established, constructed, and maintained exclusively by the Commonwealth under the direction and supervision of the Commissioner of Highways, with such state funds as may be appropriated and made available for such purposes, together with such appropriations as may be made by any county, district, city, or town in the Commonwealth and such funds as are available or derived from the federal government for highway building and improvement in the Commonwealth.

§ 33.2-318. Bypasses through or around cities and towns.

A. The Commissioner of Highways may acquire by gift, purchase, exchange, condemnation, or otherwise such lands or interest therein necessary or proper for the purpose and may construct and improve thereon such bypasses or extensions and connections of the primary state highway system through or around cities and towns as the Board deems necessary for the uses of the primary state highway system, provided that the respective cities and towns with populations of 3,500 or more by action of their governing bodies agree to participate in accordance with the provisions of § 33.2-348 in all costs of such construction and improvement, including the cost of rights-of-way, on that portion of any such bypass or extension that is located within any such city or town. The maintenance of that portion of a bypass or extension located within a city or town shall be borne by the city or town. However, the Board shall contribute to such maintenance in accordance with the provisions of law governing its contribution to the maintenance of highways, bridges, and streets in such cities and towns. The location, form, and character of informational, regulatory, and warning signs, curb and pavement, or other markings and traffic signals installed or placed by any public authority shall be subject to the approval of the Commissioner of Highways. At both ends of bypasses through or around cities and towns, the Commissioner of Highways shall erect and maintain adequate directional signs of sufficient size and suitable design to indicate clearly the main route leading directly into such cities and towns.

B. Notwithstanding the provisions of subsection A, in any case in which a municipality refuses to contribute to the construction of a bypass or an extension or connection of the primary state highway system within said municipality, the Commissioner of Highways may construct such bypass or extension and connection without any contribution by the municipality when the Board determines that such bypass or extension and connection is primarily rural in character and that the most desirable and economical location is within the municipality. Any bypass or extension and connection built under this subsection shall be maintained by the Commissioner of Highways as a part of the primary state highway system, and the municipality shall receive no payment for such bypass or extension and connection under § 33.2-319.

C. All the provisions of general law relating to the exercise of eminent domain by the Commissioner of Highways are applicable to such bypasses, extensions, and connections of the primary state highway system.

D. The Board may expend out of funds appropriated to the Board under subsection B and subdivision C 1 of § 33.2-358 such funds as may be necessary to carry out the provisions of this section.

§ 33.2-319. Payments to cities and certain towns for maintenance of certain highways.

The Commissioner of Highways, subject to the approval of the Board, shall make payments for maintenance, construction, or reconstruction of highways to all cities and towns eligible for allocation of construction funds for urban highways under § 33.2-362. Such payments, however, shall only be made if those highways functionally classified as principal and minor arterial roads are maintained to a standard satisfactory to the Department. Whenever any city or town qualifies under this section for allocation of funds, such qualification shall continue to apply to such city or town regardless of any subsequent change in population and shall cease to apply only when so specifically provided by an act of the General Assembly. All allocations made prior to July 1, 2001, to cities and towns meeting the criteria of the foregoing provisions of this section are hereby confirmed.

No payments shall be made to any such city or town unless the portion of the highway for which such payment is made either (i) has (a) an unrestricted right-of-way at least 50 feet wide and (b) a hard-surface width of at least 30 feet; (ii) has (a) an unrestricted right-of-way at least 80 feet wide, (b) a hard-surface width of at least 24 feet, and (c) approved engineering plans for the ultimate construction of an additional hard-surface width of at least 24 feet within the same right-of-way; (iii) (a) is a cul-de-sac, (b) has an unrestricted right-of-way at least 40 feet wide, and (c) has a turnaround that meets applicable standards set by the Department; (iv) either (a) has been paved and has constituted part of the primary or secondary state highway system prior to annexation or incorporation or (b) has constituted part of the secondary state highway system prior to annexation or incorporation and is paved to a minimum width of 16 feet subsequent to such annexation or incorporation and with the further exception of streets or portions thereof that have previously been maintained under the provisions of § 33.2-339 or 33.2-340; (v) was eligible for and receiving such payments under the laws of the Commonwealth in effect on June 30, 1985; (vi) is a street established prior to July 1, 1950, that has an unrestricted right-of-way width of not less than 30 feet and a hard-surface width of not less than 16 feet; (vii) is a street functionally classified as a local street that was constructed on or after January 1, 1996, and that at the time of approval by the city or town met the criteria for pavement width and right-of-way of the then-current design standards for

subdivision streets as set forth in regulations adopted by the Board; (viii) is a street previously eligible to receive street payments that is located in the City of Norfolk or the City of Richmond and is closed to public travel, pursuant to legislation enacted by the governing body of the locality in which it is located, for public safety reasons, within the boundaries of a publicly funded housing development owned and operated by the local housing authority; or (ix) is a local street, otherwise eligible, containing one or more physical protuberances placed within the right-of-way for the purpose of controlling the speed of traffic.

However, the Commissioner of Highways may waive the requirements as to hard-surface pavement or right-of-way width for highways where the width modification is at the request of the governing body of the locality and is to protect the quality of the affected locality's drinking water supply or, for highways constructed on or after July 1, 1994, to accommodate some other special circumstance where such action would not compromise the health, safety, or welfare of the public. The modification is subject to such conditions as the Commissioner of Highways may prescribe.

For the purpose of calculating allocations and making payments under this section, the Department shall divide affected highways into two categories, which shall be distinct from but based on functional classifications established by the Federal Highway Administration: (1) principal and minor arterial roads and (2) collector roads and local streets. Payments made to affected localities shall be based on the number of moving-lane-miles of highways or portions thereof available to peak-hour traffic in that locality.

The Department shall recommend to the Board an annual rate per category to be computed using the base rate of growth planned for the Department's Highway Maintenance and Operations program. The Board shall establish the annual rates of such payments as part of its allocation for such purpose, and the Department shall use those rates to calculate and put into effect annual changes in each qualifying city's or town's payment under this section.

The payments by the Department shall be paid in equal sums in each quarter of the fiscal year, and payments shall not exceed the allocation of the Board.

The chief administrative officer of the city or town receiving this fund shall make annual categorical reports of expenditures to the Department, in such form as the Board shall prescribe, accounting for all expenditures, certifying that none of the money received has been expended for other than maintenance, construction, or reconstruction of the streets, and reporting on their performance as specified in subsection B of § 33.2-352. Such reports shall be included in the scope of the annual audit of each municipality conducted by independent certified public accountants.

§ 33.2-320. Incorporation into primary state highway system of connecting streets and highways in certain other cities and towns.

The Board may, by and with the consent of the Governor and the governing body of any city or town having a population of 3,500 or less, incorporate in the primary state highway system such streets and highways or portions thereof in such city or town as may in its judgment be best for the handling of traffic through such city or town from or to any highway in the primary state highway system and may eliminate any of such streets or highways or portions thereof from the primary state highway system. Every such action of the Board incorporating any such street or highway or portion thereof in the primary state highway system or eliminating it therefrom shall be recorded in its minutes.

Any such street or highway or portion thereof in any such city or town so incorporated in the primary state highway system shall be subject to the rules, regulations, and control of the state highway authorities as are other highways in the primary state highway system. But such city or town shall be obligated to pay the maintenance, construction, and reconstruction costs of such streets or highways or portions thereof so incorporated in the primary state highway system in excess of the amounts authorized to be spent by the Commissioner of Highways on such streets or highways.

Every provision in the charter of any such city or town insofar as it is in conflict with this section is hereby repealed.

The Commissioner of Highways may permit such city or town to maintain any such street or highway or portion thereof incorporated in the primary state highway system and may reimburse such city or town up to such amount as he is authorized to expend on the maintenance of such street or highway or portion thereof.

§ 33.2-321. Agreements between Commonwealth Transportation Board and certain counties for operation of certain devices on state highways.

The Commissioner of Highways is empowered to enter into agreements with the governing bodies of Arlington and Henrico Counties, upon such terms as may be agreeable between the parties, in order to authorize such counties to install, maintain, and control traffic signals, parking meters, lane-use control signals, and other traffic control devices at specific locations on the primary or secondary state highway system within such counties. Such counties and the Commissioner of Highways shall have the authority to do all things reasonable or convenient to effectuate the purposes of this section.

§ 33.2-322. Counties may perform certain maintenance.

Any county may enter into an agreement with the Department to permit the county to landscape and maintain any or all medians and other nontraveled portions of primary highways located in the county.

§ 33.2-323. Approval of markings and traffic lights erected by towns.

Notwithstanding any provision of law contrary to this section, all markings and traffic lights installed or erected by towns on the primary highways maintained by the Department shall first be approved by the Commissioner of Highways.

Article 3.

Secondary State Highway System.

§ 33.2-324. Secondary state highway system; composition.

The secondary state highway system shall consist of all of the public highways, causeways, bridges, landings, and wharves in the counties of the Commonwealth not included in the primary state highway system. The secondary state highway system shall include such highways and community roads leading to and from public school buildings, streets, causeways, bridges, landings, and wharves in towns having a population of 3,500 or less according to the United States census of 1920, and in all towns having such a population incorporated since 1920, that constitute connecting links between highways in the secondary state highway system in the counties and between highways in the secondary state highway system and highways in the primary state highway system, not to exceed two miles in any one town. If in any such town that is partly surrounded by water less than two miles of the highways and streets therein constitute parts of the secondary state highway system, the Board shall, upon the adoption of a resolution by the governing body of such town designating for inclusion in the secondary state highway system certain highways and streets in such town not to exceed a distance of two miles, less the length of such highways and streets in such town that constitute parts of the secondary state highway system, accept and place in the secondary state highway system such additional highways and streets.

§ 33.2-325. Certain school roads in secondary state highway system.

All roads leading from the state highways, either primary or secondary, to public schools in the counties of the Commonwealth to which school buses are operated shall continue to constitute portions of the secondary state highway system insofar as these roads lead to or are on school property and as such shall be improved and maintained.

§ 33.2-326. Control, supervision, and management of secondary state highway system components.

A. The control, supervision, management, and jurisdiction over the secondary state highway system shall be vested in the Department, and the maintenance and improvement, including construction and reconstruction, of such secondary state highway system shall be by the Commonwealth under the supervision of the Commissioner of Highways. The boards of supervisors or other governing bodies of the counties shall have no control, supervision, management, or jurisdiction over such public highways, causeways, bridges, landings, and wharves constituting the secondary state highway system. Except as otherwise provided in this article, the Board shall be vested with the same powers, control, and jurisdiction over the secondary state highway system in the counties and towns of the Commonwealth, and such additions as may be made, as were vested in the boards of supervisors or other governing bodies of the counties on June 21, 1932, and in addition thereto shall be vested with the same power, authority, and control as to the secondary state highway system as is vested in the Board in connection with the primary state highway system.

B. Nothing in this chapter shall be construed as requiring the Department, when undertaking improvements to any secondary state highway system component or any portion of any such component, to fully reconstruct such component or portion thereof to bring it into compliance with all design and engineering standards that would be applicable to such component or portion thereof if the project involved new construction.

§ 33.2-327. Design standards for secondary state highway system components.

For urban and urban development areas in localities using the urban county executive form of government, the Department shall work in conjunction with the locality and the Department of Rail and Public Transportation to review new design standards for secondary state highway system components that the locality proposes. Such standards shall (i) be based on the American Association of State Highway and Transportation Officials (AASHTO) A Policy on Geometric Design of Highways and Streets and other publications applicable to urban areas; (ii) set forth a design methodology that should be used in the affected urban and urban development areas; (iii) allow for the efficient movement of transit and other vehicles through these areas; (iv) accommodate safe pedestrian and bicyclist movement; (v) accommodate high density urban development; (vi) encourage user-friendly access to transit; (vii) include stormwater management guidelines, consistent with state and local laws and regulations; and (viii) respect the character of urban areas. These design standards and methodologies are intended to facilitate approval of roadway and transportation system improvement plans in urban areas that comply with the standards. These design standards shall not contradict or be in conflict with the principles outlined in the applicable Board regulations concerning terms and conditions under which subdivision streets may be accepted into the secondary state highway system.

Standards developed by parties as required by this section shall be submitted to the Department for final review and approval at least three months prior to the locality's anticipated implementation date.

§ 33.2-328. Department of Transportation to install and maintain certain signs.

Whenever so requested by the governing body of a county, the Department shall install a system of highway name signs on state-maintained highways at such time and upon such terms and conditions as may be mutually agreed to between the county and the Commissioner of Highways.

The Department shall install, using state forces or contract, the initial signing system, and the county shall be responsible for continuing maintenance of the signs. Supply of the signs by the Department, either by manufacture or purchase, and initial installation shall be paid for from appropriate secondary construction funds allocated to the county or from primary construction funds available to the Department.

No highway funds shall be used by the county for the cost of maintaining the signing system.

§ 33.2-329. Transfer of control, etc., of landings, docks, and wharves to Department of Game and Inland Fisheries.

A. Notwithstanding any other provision of law, the Board may transfer the control, possession, supervision, management, and jurisdiction of landings, wharves, and docks in the secondary state highway system to the Department of

Game and Inland Fisheries, at the request or with the concurrence of the Department of Game and Inland Fisheries. Such transfer may be by lease, agreement, or otherwise, approved by resolution of the Board, and signed by the Commissioner of Highways or his designee, for such period and upon such terms and conditions as the Board may direct.

B. All such transfers effected prior to July 1, 1980, by lease, agreement, or otherwise, from the Department to the Department of Game and Inland Fisheries and all regulations of the Department of Game and Inland Fisheries controlling the use of such facilities shall be and are hereby declared valid in every respect.

§ 33.2-330. Relocation or removal of utility facilities within secondary state highway system construction projects.

A. As used in this section:

"Cost of highway construction" includes the cost of relocating or removing utility facilities in connection with any project on the secondary state highway system.

"Cost of relocation or removal" includes the entire amount paid by such utility properly attributable to such relocation or removal after deducting therefrom any increase in the value of the new facility and any salvage value derived from the old facility.

"Facility of a utility" includes tracks, pipes, mains, conduits, cables, wires, towers, and other structures, equipment, and appliances.

"Utility" includes utilities owned by a county, city, town, or public authority, and nonprofit, consumer-owned company located in a county having a population of at least 32,000 but no more than 34,000 that (i) is exempt from income taxation under § 501(c)(3) of the Internal Revenue Code, (ii) is organized to provide suitable drinking water, (iii) has no assistance from investors, (iv) does not pay dividends, and (v) does not sell stock to the general public.

B. Whenever it is necessary that the facility of a utility in, on, under, over, or along an existing highway that is to be included within any construction project on the secondary state highway system should be relocated or removed, the owner or operator of such facility shall relocate or remove the same in accordance with the order of the Board. The cost of such relocation or removal, including the cost of installing such facility in a new location, and the cost of any lands, or any rights or interest in lands, and any other rights, required to accomplish such relocation or removal shall be ascertained and paid by the Board as a part of the cost of such project.

§ 33.2-331. Annual meeting with county officers; six-year plan for secondary state highways; certain reimbursements required.

For purposes of this section, "cancellation" means complete elimination of a highway construction or improvement project from the six-year plan.

The governing body of each county in the secondary state highway system may, jointly with the representatives of the Department as designated by the Commissioner of Highways, prepare a six-year plan for the improvements to the secondary state highway system in that county. Each such six-year plan shall be based upon the best estimate of funds to be available to the county for expenditure in the six-year period on the secondary state highway system. Each such plan shall list the proposed improvements, together with an estimated cost of each project so listed. Following the preparation of the plan, the board of supervisors or other local governing body shall conduct a public hearing after publishing notice in a newspaper published in or having general circulation in the county once a week for two successive weeks and posting notice of the proposed hearing at the front door of the courthouse of such county 10 days before the meeting. At the public hearings, which shall be conducted jointly by the board of supervisors and the representative of the Department, the entire six-year plan shall be discussed with the citizens of the county and their views considered. Following the discussion, the local governing body, together with the representative of the Department, shall finalize and officially adopt the six-year plan, which shall then be considered the official plan of the county.

At least once in each calendar year, representatives of the Department in charge of the secondary state highway system in each county, or some representative of the Department designated by the Commissioner of Highways, shall meet with the governing body of each county in a regular or special meeting of the local governing body for the purpose of preparing a budget for the expenditure of improvement funds for the next fiscal year. The representative of the Department shall furnish the local governing body with an updated estimate of funds, and the board and the representative of the Department shall jointly prepare the list of projects to be carried out in that fiscal year taken from the six-year plan by order of priority and following generally the policies of the Board in regard to the statewide improvements to the secondary state highway system. Such list of priorities shall then be presented at a public hearing duly advertised in accordance with the procedure outlined in this section, and comments of citizens shall be obtained and considered. Following this public hearing, the board, with the concurrence of the representative of the Department, shall adopt, as official, a priority program for the ensuing year, and the Department shall include such listed projects in its secondary highways budget for the county for that year.

At least once every two years following the adoption of the original six-year plan, the governing body of each county, together with the representative of the Department, shall update the six-year plan of the county by adding to it and extending it as necessary so as to maintain it as a plan encompassing six years. Whenever additional funds for secondary highway purposes become available, the local governing body may request a revision in its six-year plan in order that such plan be amended to provide for the expenditure of the additional funds. Such additions and extensions to each six-year plan shall be prepared in the same manner and following the same procedures as outlined herein for its initial preparation. Where the local governing body and the representative of the Department fail to agree upon a priority program, the local governing body may appeal to the Commissioner of Highways. The Commissioner of Highways shall consider all proposed

priorities and render a decision establishing a priority program based upon a consideration by the Commissioner of Highways of the welfare and safety of county citizens. Such decision shall be binding.

Nothing in this section shall preclude a local governing body, with the concurrence of the representative of the Department, from combining the public hearing required for revision of a six-year plan with the public hearing required for review of the list of priorities, provided that notice of such combined hearing is published in accordance with procedures provided in this section.

All such six-year plans shall consider all existing highways in the secondary state highway system, including those in the towns located in the county that are maintained as a part of the secondary state highway system, and shall be made a public document.

If any county cancels any highway construction or improvement project included in its six-year plan after the location and design for the project has been approved, such county shall reimburse the Department the net amount of all funds expended by the Department for planning, engineering, right-of-way acquisition, demolition, relocation, and construction between the date on which project development was initiated and the date of cancellation. To the extent that funds from secondary highway allocations pursuant to § 33.2-364 have been expended to pay for a highway construction or improvement project, all revenues generated from a reimbursement by the county shall be deposited into that same county's secondary highway allocation. The Commissioner of Highways may waive all or any portion of such reimbursement at his discretion.

The provisions of this section shall not apply in instances where less than 100 percent of the right-of-way is available for donation for unpaved highway improvements.

§ 33.2-332. Requesting Department of Transportation to hard-surface secondary highways; paving of certain secondary highways within existing rights-of-way; designation as Rural Rustic Road.

A. Whenever the governing body of any county, after consultation with personnel of the Department, adopts a resolution requesting the Department to hard-surface any secondary highway in such county that carries 50 or more vehicles per day with a hard surface of width and strength adequate for such traffic volume, the Department shall give consideration to such resolution in establishing priority in expending the funds allocated to such county. The Department shall consider the paving of highways with a right-of-way width of less than 40 feet under this subsection when land is, has been, or can be acquired by gift for the purpose of constructing a hard-surface highway.

B. Notwithstanding the provisions of subsection A, any unpaved secondary highway that carries at least 50 but no more than 750 vehicles per day may be paved or improved and paved within its existing right-of-way or within a wider right-of-way that is less than 40 feet wide if the following conditions are met:

1. The governing body of the county in which the highway is located has requested paving of such highway as part of the six-year plan for the county under § 33.2-331 and transmitted that request to the Commissioner of Highways; and

2. The Commissioner of Highways, after having considered only (i) the safety of such highway in its current condition and in its paved or improved condition, including the desirability of reduced speed limits and installation of other warning signs or devices; (ii) the views of the residents and owners of property adjacent to or served by such highway; (iii) the views of the local governing body making the request; (iv) the historical and aesthetic significance of such highway and its surroundings; (v) the availability of any additional land that has been or may be acquired by gift or other means for the purpose of paving such highway within its existing right-of-way or within a wider right-of-way that is less than 40 feet wide; and (vi) environmental considerations, shall grant or deny the request for the paving of such highway under this subsection.

C. Notwithstanding the provisions of subsections A and B, the governing body of any county, in consultation with the Department, may designate a highway or highway segment as a Rural Rustic Road, provided such highway or highway segment is located in a low-density development area and has an average daily traffic volume of no more than 1,500 vehicles per day. For a highway or highway segment so designated, improvements shall utilize a paved surface width based on reduced and flexible standards that leave trees, vegetation, side slopes, and open drainage abutting the highway undisturbed to the maximum extent possible without compromising public safety. Any highway designated as a Rural Rustic Road shall be subject to § 62.1-44.15:34. The Department, in consultation with the affected local governing body, shall first consider the paving of a highway or highway segment meeting the criteria for a Rural Rustic Road in accordance with this subsection before making a decision to pave it to another standard as set forth in this section.

D. The Commonwealth and its agencies, instrumentalities, departments, officers, and employees acting within the scope of their duties and authority shall be immune for damages by reason of actions taken in conformity with the provisions of this section. Immunity for the local governing body of any political subdivision requesting paving under this section and the officers and employees of any such political subdivision shall be limited to that immunity provided pursuant to § 15.2-1405.

§ 33.2-333. Emergency paving of unpaved secondary highways; notice and local concurrence.

In the event of an emergency, an unpaved highway within the secondary state highway system shall be paved only if the following procedures are satisfied:

1. The Commissioner of Highways shall consider the following factors in determining whether the unpaved secondary state highway, as the result of an emergency, shall be paved: (i) the safety of the secondary state highway in its current condition; (ii) the feasibility of restoring the unpaved highway to its functional level prior to the emergency; (iii) the concerns of the citizens in the locality wherein the affected highway is located, particularly those persons who own land

adjacent to such highway; (iv) the concerns of the governing body of the locality affected; and (v) the historical and aesthetic significance of the unpaved secondary state highway and its surroundings.

2. The Commissioner of Highways shall provide notice of the intended paving to the governing body of the locality where the affected highway or portion thereof is located. The Commissioner shall provide such notice following his decision to pave the unpaved secondary highway within the locality affected.

3. The local governing body's concurrence or other recommendation regarding the proposed paving shall be forwarded to the Commissioner of Highways within 72 hours following the receipt of the Commissioner's notice.

§ 33.2-334. Requirements for taking new streets into secondary state highway system.

A. The governing body of any county that has not withdrawn from the secondary state highway system or any town within which the Department maintains the streets may, by resolution, request the Board to take any new street or highway into the secondary state highway system for maintenance if such street or highway has been developed and constructed in accordance with the Board's secondary street acceptance requirements. The Board shall adopt regulations establishing such secondary street acceptance requirements, which shall include such provisions as the Board deems necessary or appropriate to achieve the safe and efficient operation of the Commonwealth's transportation network.

B. In addition to such other provisions deemed necessary or appropriate by the Board, the regulations shall include (i) requirements to ensure the connectivity of highway and pedestrian networks with the existing and future transportation network, (ii) provisions to minimize stormwater runoff and impervious surface area, and (iii) provisions for performance bonding of new secondary highways and associated cost recovery fees.

C. No initial regulation establishing secondary street acceptance requirements pursuant to this section shall apply to subdivision plats and subdivision construction plans that have been submitted and accepted for review by the Department on or before the effective date of such initial regulations. No locality shall be obligated to approve any subdivision plat or subdivision construction plans that are inconsistent with these regulations.

D. Nothing in this section or in any regulation, policy, or practice adopted pursuant to this section shall prevent the acceptance of any street or segment of a street within a network addition that meets one or more of the public service requirements addressed in the regulations, provided that the network addition satisfies all other requirements adopted pursuant to this section. In cases where a majority of the lots along the street or street segment remain undeveloped and construction traffic is expected to utilize that street or street segment after acceptance, the bonding requirement for such street or street segment may be required by the Department to be extended for up to one year beyond that required in the secondary street acceptance requirements.

§ 33.2-335. Taking certain streets into secondary state highway system.

A. For the purposes of this section:

"County" means a county in which the secondary state highway system is constructed and maintained by the Department and that has adopted a local ordinance for control of the development of subdivision streets to the necessary standards for acceptance into the secondary state highway system.

"Qualifying rural addition cost" means that portion of the estimated engineering and construction cost to improve the street to the minimum standards for acceptance remaining after reducing the total estimated cost by any prorated amount deemed the responsibility of others based on speculative interests.

"Rural addition funds" means those funds reserved from the county's annual allocation of secondary state highway system construction funds, as defined in § 33.2-324, for the purpose of this section. If such funds are not used by such county for such purpose during the fiscal year they are so allocated, the funds may be held for such purpose for the four succeeding fiscal years. A maximum of five percent of the annual secondary state system highway construction allocation may be reserved by the local governing body for rural additions.

"Speculative interest" means that the original developer or a successor developer retains ownership in any lot abutting such street for development or speculative purposes. In instances where it is determined that speculative interest is retained by the original developer, developers, or successor developers and the governing body of the county deems that extenuating circumstances exist, the governing body of the county shall require a pro rata participation by such original developer, developers, or successor developers as prescribed in subsection D as a condition of the county's recommendation pursuant to this section.

"Street" means a street or highway shown on a plat that was recorded or otherwise opened to public use prior to July 1, 1992, at which time it was open to and used by motor vehicles, and that, for any reason, has not been taken into the secondary state highway system and serves at least three families per mile.

B. Whenever the governing body of a county recommends in writing to the Department that any street in the county be taken into and become a part of the secondary state highway system in such county, the Department thereupon, within the limit of available funds and the mileage available in such county for the inclusion of highways and streets in the secondary state highway system, shall take such street into the secondary state highway system for maintenance, improvement, construction, and reconstruction if such street, at the time of such recommendation, (i) has a minimum dedicated width of 40 feet or (ii) in the event of extenuating circumstances as determined by the Commissioner of Highways, has a minimum dedicated width of 30 feet. In either case, such streets must have easements appurtenant thereto that conform to the policy of the Board with respect to drainage. After the streets are taken into the secondary state highway system, the Department shall maintain the same in the manner provided by law. However, no such street shall be taken into and become a part of the secondary state highway system unless and until any and all required permits have been obtained and any outstanding fees,

charges, or other financial obligations of whatever nature have been satisfied or provision has been made, whether by the posting of a bond or otherwise, for their satisfaction.

C. Such street shall only be taken into the secondary state highway system if the governing body of the county has identified and made available the funds required to improve the street to the required minimum standards. The county may consider the following options to fund the required improvements for streets accepted under this section:

1. The governing body of the county may use a portion of the county's annual secondary state highway system construction allocation designated as rural addition funds to fund the qualifying rural addition costs for qualifying streets if the county agrees to contribute from county revenue or the special assessment of the landowners on the street in question one-half of the qualifying rural addition cost to bring the streets up to the necessary minimum standards for acceptance. No such special assessment of landowners on such streets shall be made unless the governing body of the county receives written declarations from the owners of 75 percent or more of the platted parcels of land abutting upon such streets stating their acquiescence in such assessments. The basis for such special assessments, at the option of the local governing body, shall be either (i) the proportion the value of each abutting parcel bears to the total value of all abutting parcels on such street as determined by the current evaluation of the property for real estate tax purposes, (ii) the proportion the abutting road front footage of each parcel abutting the street bears to the total abutting road front footage of all parcels abutting on the street, or (iii) an equal amount for each parcel abutting on such street. No such special assessment on any parcel shall exceed one-third of the current valuation of such property for real estate tax purposes. Special assessments under this section shall be conducted in the manner provided in Article 2 (§ 15.2-2404 et seq.) of Chapter 24 of Title 15.2, *mutatis mutandis*, for assessments for local improvements.

2. The governing body of any county may use a portion of its annual secondary state highway system construction allocation designated as rural addition funds to fund the qualifying rural addition cost for qualifying streets within the limitation of funds and the mileage limitation of the Board's policy on rural additions.

3. The governing body of any county may use revenues derived from the sale of bonds to finance the construction of rural additions to the secondary state highway system of such county. In addition, from the funds allocated by the Commonwealth for the construction of secondary state highway improvements, such local governing body may use funds allocated within the Board policy for the construction of rural additions to pay principal and interest on bonds associated with rural additions in such county, provided the revenue derived from the sale of such bonds is not used as the county matching contribution under § 33.2-357. The provisions of this section shall not constitute a debt or obligation of the Board or the Commonwealth.

4. The governing body of the county may expend general county revenue for the purposes of this section.

5. The governing body of the county may permit one or more of the landowners on the street in question to pay to the county a sum equal to one-half of the qualifying rural addition cost to bring the street up to the necessary minimum standards for acceptance into the secondary state highway system, which funds the county shall then utilize for such purpose. Thereafter, upon collection of the special assessment of landowners on such street, the county shall use such special assessment funds to reimburse, without interest, the one or more landowners for those funds that they previously advanced to the county to bring the street up to the necessary minimum standards for acceptance.

6. The governing body of the county may utilize the allocations made to the county in accordance with § 33.2-357.

D. In instances where it is determined that speculative interest exists, the basis for the pro rata percentage required of such developer, developers, or successor developers shall be the proportion that the value of the abutting parcels owned or partly owned by the developer, developers, or successor developers bears to the total value of all abutting property as determined by the current valuation of the property for real estate purposes. The pro rata percentage shall be applied to the Department's total estimated cost to construct such street to the necessary minimum standards for acceptance to determine the amount of costs to be borne by the developer, developers, or successor developers. Property so valued shall not be assessed in the special assessment for the determination of the individual pro rata share attributable to other properties. Further, when such pro rata participation is accepted by the governing body of the county from such original developer, developers, or successor developers, such amount shall be deducted from the Department's total estimated cost, and the remainder of such estimated cost, the qualifying rural addition cost, shall then be the basis of determining the assessment under the special assessment provision or determining the amount to be provided by the county when funded from general county revenue under the definition of speculative interest in subsection A or determining the amount to be funded as a rural addition under the definition of qualifying rural addition cost in subsection A.

E. Acceptance of any street into the secondary state highway system for maintenance, improvement, construction, and reconstruction shall not impose any obligation on the Board to acquire any additional right-of-way or easements should they be necessary by virtue of faulty construction or design.

§ 33.2-336. Funds allocated to counties for Rural Addition Program; street standards.

A. Notwithstanding any other provision of law, the Board and the Commissioner of Highways shall not diminish funds allocated or allocable to any county for use under the Rural Addition Program by reason of any county ordinance authorizing the use of private roads not built to standards set by the Department or construction of subdivision streets built to standards other than those established by the Department.

B. In those counties where this section is applicable, the ordinance shall also state that any and all streets that are not constructed to meet the standards necessary for inclusion in the systems of state highways shall be privately maintained and shall not be eligible for acceptance into the systems of state highways unless improved to current Department standards

with funds other than those appropriated by the General Assembly and allocated by the Board. For any street that is not constructed to Department standards, the subdivision plat and all approved deeds of subdivision, or similar instruments, shall contain a statement advertising that the streets in the subdivision do not meet the standards necessary for inclusion in the systems of state highways and will not be maintained by the Department or the county approving the subdivision and are not eligible for rural addition funds, as defined in § 33.2-335, or any other funds appropriated by the General Assembly and allocated by the Board.

§ 33.2-337. Contributions to primary or secondary state highway construction by counties.

Notwithstanding any other provision of law, any county having highways in the primary or secondary state highway system may contribute funds annually for the construction of primary or secondary highways. The funds contributed by such county shall be appropriated from the county's general revenues for use by the Department on the primary or secondary state highway system within such county as may be determined by the board of supervisors of such county in cooperation with the Department. The funds to which any county may be entitled under the provisions of §§ 33.2-358, 33.2-361, and 33.2-364 for construction, improvement, or maintenance of primary or secondary highways shall not be diminished by reason of any funds contributed for that purpose by such county or by any person or entity, regardless of whether such contributions are matched by state or federal funds.

§ 33.2-338. Construction and improvement of primary or secondary highways by counties.

A. Notwithstanding any other provisions of this article, the governing body of any county may expend general revenues or revenues derived from the sale of bonds for the purpose of constructing or improving highways, including curbs, gutters, drainageways, sound barriers, sidewalks, and all other features or appurtenances conducive to the public safety and convenience, that either have been or may be taken into the primary or secondary state highway system. Project planning and the acquisition of rights-of-way shall be under the control and at the direction of the county, subject to the approval of project plans and specifications by the Department. All costs incurred by the Department in administering such contracts shall be reimbursed from the county's general revenues or from revenues derived from the sale of bonds or such costs may be charged against the funds that the county may be entitled to under the provisions of § 33.2-358, 33.2-361, or 33.2-364.

B. Projects undertaken under the authority of subsection A shall not diminish the funds to which a county may be entitled under the provisions of § 33.2-357, 33.2-358, 33.2-361, or 33.2-364.

C. At the request of the county, the Department may agree to undertake the design, right-of-way acquisition, or construction of projects funded by the county. In such situations, the Department and the county shall enter into an agreement specifying all relevant procedures and responsibilities concerning the design, right-of-way acquisition, construction, or contract administration of projects to be funded by the county. The county shall reimburse the Department for all costs incurred by the Department in carrying out the aforesaid activities from general revenues or revenues derived from the sale of bonds.

D. Notwithstanding any contrary provision of law, any county may undertake activities toward the design, land acquisition, or construction of primary or secondary state highway projects that have been included in the six-year plan pursuant to § 33.2-331, or in the case of a primary state highway, an approved project included in the six-year improvement program of the Board. In such situations, the Department and the county shall enter into an agreement specifying all relevant procedures and responsibilities concerning the design, right-of-way acquisition, construction, or contract administration of projects to be funded by the Department. Such activities shall be undertaken with the prior concurrence of the Department, and the Department shall reimburse the county for expenses incurred in carrying out these activities. Such reimbursement shall be derived from primary or secondary highway funds that the county may be entitled to under the provisions of this chapter. The county may undertake these activities in accordance with all applicable county procedures, provided the Commissioner of Highways finds that those county procedures are substantially similar to departmental procedures and specifications.

E. If funding for the construction of a primary or interstate project is scheduled in the Board's Six-Year Improvement Program as defined in § 33.2-214, a locality may choose to advance funds to the project. If such advance is offered, the Board may consider such request and agree to such advancement and the subsequent reimbursement of the locality of the advance in accordance with terms agreed upon by the Board or its designee and the locality.

F. Any county carrying out any construction project as authorized in this section may, in so doing, exercise the powers granted the Commissioner of Highways under Article 1 (§ 33.2-1000 et seq.) of Chapter 10 to enter property for the purpose of making an examination and survey thereof, with a view to ascertainment of its suitability for highway purposes and any other purpose incidental thereto.

G. For the purposes of this section, any county without an existing franchise agreement, when administering a Department-sanctioned project under a land-use permit or transportation project agreement, shall have the same authority as the Department pertaining to the relocation of utilities.

H. Whenever so requested by any county, funding of any project undertaken as provided in this section may be supplemented solely by state funds in order to avoid the necessity of complying with additional federal requirements, provided a determination has been made by the Department that (i) adequate state funds are available to fully match available federal transportation funds and (ii) the Department can meet its federal obligation authority, as permitted by federal law.

§ 33.2-339. Maintenance, etc., of streets and highways in certain towns from secondary funds.

The Commissioner of Highways may, subject to the approval of the Board, upon request of the governing bodies of towns with a population of less than 3,500, according to the last United States census, select certain streets and highways in such towns for maintenance, improvement, construction, and reconstruction from allocations available from secondary highway funds not to exceed two miles of streets or highways in such towns included in the secondary state highway system, whether such two miles of streets or highways constitute connecting links between highways in the secondary state highway system in the counties or between highways in the secondary state highway system and highways in the primary state highway system, or not.

The Commissioner of Highways, with the approval of the Board, in addition to the said two miles may increase the mileage of streets and highways in such towns annually, not to exceed in any one year one-fourth mile, exclusive of any mileage transferred from the primary state highway system under the provisions of § 33.2-315 or any mileage maintained by the Department prior to its annexation by such town.

§ 33.2-340. Maintenance, etc., by Commissioner of Highways when no request for allocation.

If no request is made to the Board by the governing body of any town as provided in § 33.2-339, the Commissioner of Highways, subject to the approval of the Board, may maintain, improve, construct, and reconstruct all streets in such town that (i) have an unrestricted right-of-way width of not less than 30 feet and a hard-surface width of not less than 12 feet; (ii) were established after July 1, 1950, by such town and have a right-of-way width of not less than 50 feet and a hard-surface width of not less than 20 feet; or (iii) are functionally classified as local streets and were constructed on or after January 1, 1996, and, at the time of approval by the town, met the criteria for pavement width and right-of-way of the then-current edition design standards for subdivision streets as set forth in regulations adopted by the Board.

§ 33.2-341. Maps of secondary state highway system.

The Commissioner of Highways shall prepare and keep on file in his office for public inspection a complete map for each county showing the route of the secondary state highway system.

§ 33.2-342. Resumption of responsibility for secondary state highways by counties.

Notwithstanding any provisions of § 11 of Chapter 415 of the Acts of Assembly of 1932 and §§ 33.2-341, 33.2-343, 33.2-345, and 33.2-346, the Commissioner of Highways, following receipt of a resolution adopted by the board of supervisors of a county requesting such action, may enter into an agreement with any county that desires to resume responsibility over all or any portion of the secondary state highway system within such county's boundaries for the purposes of planning, constructing, maintaining, and operating such highways. Such agreement shall specify the equipment, facilities, personnel, and funding that will be provided to the county in order to implement such agreement's provisions.

Any county that resumes full responsibility for all of the secondary state highway system within such county's boundaries (i) shall have authority and control over the secondary state highway system within its boundaries, (ii) shall be deemed to have withdrawn from the secondary state highway system, and (iii) shall receive payments in accordance with § 33.2-366. The resolution requesting resumption of all responsibilities shall also include a request for the transfer and release of all rights-of-way and rights of access along the secondary state highway system within the county's boundaries.

§ 33.2-343. Return after withdrawal from secondary state highway system.

Any county that has withdrawn its roads from the secondary state highway system under the provisions of § 11 of Chapter 415 of the Acts of Assembly of 1932 shall have the right at any time to bring itself back within such secondary state highway system, provided the decision is approved by a majority of the qualified voters of such county voting in an election called for that purpose as provided in this article.

§ 33.2-344. Election to determine return to the secondary state highway system.

Upon the petition of qualified voters of any county that proposes to return its roads to the secondary state highway system equal in number to at least 20 percent of the number counted in such county for presidential electors at the last preceding presidential election or 250, whichever is more, the circuit court of such county shall make an order requiring the judges of election on such day as may be fixed in the order; but not less than 30 days after the date of the order; to open a poll and take the sense of the qualified voters of the county on the question of whether or not such county shall return to the secondary state highway system. The qualifications of voters at each such election shall be as provided by §§ 24.2-400 through 24.2-403.

The ballots for use at any such election shall be printed to state the question as follows:

"Shall county (the name of such county to be inserted) return to the secondary state highway system for maintenance and construction by the Commonwealth?

[] Yes

[] No"

The ballots shall be printed, marked, and counted and returns made and canvassed as in other elections and as provided in § 24.2-684. The results shall be certified by the secretary of the appropriate electoral board to the State Board of Elections, to the court ordering the election, and to such other authority as may be proper to accomplish the purpose of the election. All other proceedings in connection with any such election shall be in conformity with the proceedings prescribed in § 11 of Chapter 415 of the Acts of Assembly of 1932.

§ 33.2-345. Effect of election to determine return to the secondary state highway system.

If the result of an election pursuant to § 33.2-344 is in favor of the county returning to the secondary state highway system, such county shall, after the entry by the court of an order so declaring the result of such election and on and after the first day of July next succeeding, be within the secondary state highway system as fully and completely as if it had not withdrawn. All provisions of this article shall thereupon apply to and be enforced as to such county to the same extent as if the dates in Chapter 415 of the Acts of Assembly of 1932 had been changed to correspond with the year in which such county returns to the secondary state highway system. Such county shall not be allowed again to withdraw from the secondary state highway system.

§ 33.2-346. Machinery, etc., owned by returning county.

The Commissioner of Highways shall, as promptly as practicable, make an inventory and appraisal of all road machinery, equipment, teams, material, and supplies on hand or belonging to the local highway authorities of any county that returns to the secondary state highway system or any district thereof that may be deemed by him suitable for work on the secondary state highway system and shall file such inventory and appraisal with the Board. The local highway authorities may, if they so elect, turn over to the Commonwealth such road machinery, equipment, teams, material, and supplies at the appraised value thereof, which shall be paid within two years out of funds available for expenditure on highways in the secondary state highway system, or, if they so prefer, the local highway authorities may retain or sell any of such property otherwise or, if they so elect, may turn over to the Commissioner of Highways all or any of such property for use upon the secondary state highway system without reimbursement therefor. Any sums received by the local highway authorities under the provisions of this section shall, so far as may be necessary, be applied on account of obligations previously contracted for county or district highway purposes and the balance, if any, for general county purposes.

Article 4.

Urban Highway System.

§ 33.2-347. Minimum street and highway standards for certain towns.

Notwithstanding the provisions of § 33.2-340, any town in which 70 percent or more of developable land within its boundaries has a natural grade of 20 percent or more may by ordinance provide for streets or highways established on or after July 1, 1980, with an unrestricted right-of-way width of not less than 40 feet and a hard-surface width of not less than 18 feet, provided that no such requirement of any such town shall be less stringent than that of the county in which the town is located. Streets and highways so established and constructed shall be eligible for payment in accordance with § 33.2-340.

§ 33.2-348. Matching highway funds; funding of urban system construction projects.

A. For the purposes of this section, "construction or improvement" means the supervising, inspecting, actual building, and all expenses incidental to the construction or reconstruction of a highway, including locating, surveying, design and mapping, costs of rights-of-way, signs, signals and markings, elimination of hazards of railroad grade crossings, and expenses incidental to the relocation of any utility or its facilities owned by a municipality or by a public utility district or public utility authority.

B. In any case in which an act of Congress requires that federal-aid highway funds made available for the construction or improvement of federal or state highways be matched, the Board shall contribute such matching funds. However, in the case of municipalities with a population of 3,500 or more eligible for an allocation of construction funds for urban highways under § 33.2-362 and the Town of Wise, the Town of Lebanon, and the Town of Altavista, the Board may contribute toward the cost of construction of any federal-aid highway or street project 98 percent of the necessary funds, including the federal portion, if the municipality contributes the other two percent, and provided further that within such municipalities the Board may contribute all the required funds on highways in the Interstate System.

In the case of municipalities with a population of 3,500 or more eligible for an allocation of construction funds for urban highways under § 33.2-362 and the Town of Wise, the Town of Lebanon, and the Town of Altavista, the Board may contribute toward the costs of construction or improvement of any highway or street project for which no federal-aid highway funds are made available 98 percent of the necessary funds if the municipality contributes the other two percent.

For purposes of matching highway funds, such contributions shall continue to apply to such municipality regardless of any subsequent change in population and shall cease to apply only when so specifically provided by an act of the General Assembly. All actions taken prior to July 1, 2001, by municipalities meeting the criteria of the foregoing provisions of this section are hereby confirmed.

C. In the case of municipalities with a population of less than 3,500 that on June 30, 1985, maintained certain streets under former § 33.1-80 as then in effect, the Board shall contribute toward the costs of construction or improvement of any highway or street project 100 percent of the necessary funds. The contribution authorized by this subsection shall be in addition to any other contribution, and projects established in reference to municipalities with a population of less than 3,500 shall not in any way be interpreted to change any other formula or manner for the distribution of funds to such municipalities for construction, improvement, or maintenance of highways or streets. The Board may accept from a municipality, for right-of-way purposes, contributions of real estate to be credited, at fair market value, against the matching obligation of such municipality under the provisions of this section.

D. If any municipality requesting a Board contribution subsequently decides to cancel the construction or improvement after the Board has initiated the project at the request of the municipality, the municipality shall reimburse the Board the net amount of all funds expended by the Board for planning, engineering, right-of-way acquisition, demolition, relocation, and

construction between the date of initiation by the municipality and the date of cancellation. The Board has the authority to waive all or any portions of the reimbursement at its discretion.

E. For purposes of this section, on any construction or improvement project in the Cities of Chesapeake, Hampton, Newport News, or Richmond and funded in accordance with subdivision C 2 of § 33.2-358, the additional cost of placing aboveground utilities below ground may be paid from funds allocated for that project. The maximum cost due to this action shall not exceed \$5 million. Nothing contained in this section shall relieve utility owners of their responsibilities and costs associated with the relocation of their facilities when required to accommodate a construction or improvement project.

§ 33.2-349. Character of signs, markings, and signals.

On any urban highway upon which the Board has expended funds in the manner provided in §§ 33.2-348 and 33.2-362, the location, form, and character of informational, regulatory, and warning signs, curb and pavement, or other markings and traffic signals installed or placed by any public authority shall be subject to the approval of the Commissioner of Highways.

§ 33.2-350. Landscape studies for urban highway construction projects.

Prior to final design of any urban highway funded in part by any municipality, such municipality may hire a competent authority to conduct a landscape study that shall assess the effect such proposed highway construction may have on existing trees, shrubbery, and other flora and shall make recommendations as to modifications to such project that would minimize damage to existing flora. The Department shall consider such recommendations and modify such highway construction plans to protect trees, shrubbery, and other flora if determined by the Department to be reasonable and practicable. The cost of such landscape study shall be payable by the municipality that initiates such study.

Article 5.

Allocation of Highway Funds.

§ 33.2-351. Definition of "allocation."

For the purposes of this article, "allocation" means a commitment to expend funds available for construction during each fiscal year. Funds that cannot be expended as allocated within each fiscal year shall be identified as part of future commitments, and the reason for the failure to spend allocations shall be specifically included in the annual construction improvement program.

§ 33.2-352. Department of Transportation to develop asset management practices; Commissioner of Highways to report to Commonwealth Transportation Board on maintenance.

A. The Department shall develop asset management practices in the operation and maintenance of the systems of state highways.

B. The Commissioner of Highways shall advise the Board on or before June 30 of even-numbered years of performance targets and outcomes that are expected to be achieved, based on the funding identified for maintenance, over the biennium beginning July 1 of that year. In addition, not later than September 30 of even-numbered years, the Commissioner of Highways shall advise the Board on the Department's accomplishments relative to the expected outcomes and budget expenditures for the biennium ending June 30 of that year and also advise the Board as to the methodology used to determine maintenance needs and the justification as to the maintenance funding by source.

§ 33.2-353. Commonwealth Transportation Board to develop and update Statewide Transportation Plan.

A. The Board shall, with the assistance of the Office of Intermodal Planning and Investment, conduct a comprehensive review of statewide transportation needs in a Statewide Transportation Plan setting forth assessment of capacity needs for all corridors of statewide significance, regional networks, and improvements to promote urban development areas established pursuant to § 15.2-2223.1. The assessment shall consider all modes of transportation. Such corridors shall be planned to include multimodal transportation improvements, and the plan shall consider corridor location in planning for any major transportation infrastructure, including environmental impacts and the comprehensive land use plan of the locality in which the corridor is planned. In the designation of such corridors, the Board shall not be constrained by local, district, regional, or modal plans.

The Statewide Transportation Plan shall be updated as needed but no less than once every four years. The plan shall promote economic development and all transportation modes, intermodal connectivity, environmental quality, accessibility for people and freight, and transportation safety.

B. The Statewide Transportation Plan shall establish goals, objectives, and priorities that cover at least a 20-year planning horizon, in accordance with federal transportation planning requirements. The plan shall include quantifiable measures and achievable goals relating to, but not limited to, congestion reduction and safety, transit and high-occupancy vehicle facility use, job-to-housing ratios, job and housing access to transit and pedestrian facilities, air quality, movement of freight by rail, and per capita vehicle miles traveled. The Board shall consider such goals in evaluating and selecting transportation improvement projects for inclusion in the Six-Year Improvement Program pursuant to § 33.2-214.

C. The plan shall incorporate the measures and goals of the approved long-range plans developed by the applicable regional organizations. Each such plan shall be summarized in a public document and made available to the general public upon presentation to the Governor and General Assembly.

D. It is the intent of the General Assembly that this plan assess transportation needs and assign priorities to projects on a statewide basis, avoiding the production of a plan that is an aggregation of local, district, regional, or modal plans.

§ 33.2-354. Commonwealth Transportation Board to develop and update Statewide Pedestrian Policy.

A. The Board shall develop and update as needed a Statewide Pedestrian Policy. The Board shall:

1. Provide opportunities for receipt of comments, suggestions, and information from local governments, business and civic organizations, and other concerned parties;
2. Identify and evaluate needs at statewide, regional, and local levels for additional facilities required to promote pedestrian access to schools, places of employment and recreation, and major activity centers;
3. Consider and evaluate potential ways of meeting these needs; and
4. Set forth conclusions as to goals, objectives, and strategies to meet these needs in a safety-conscious manner.

B. The Board shall coordinate the development of the Statewide Pedestrian Policy with that of the Statewide Transportation Plan provided for in § 33.2-353 and cover the same 20-year planning horizon. The Statewide Pedestrian Policy shall be summarized in a public document and made available to the general public upon presentation to the Governor and General Assembly, either in combination with the Statewide Transportation Plan or as a separate document.

§ 33.2-355. Goals for addressing transportation needs of populations with limited mobility.

The Board, in cooperation with other local, regional, or statewide agencies and entities vested with transportation planning responsibilities, shall establish specific mobility goals for addressing the transportation needs of populations with limited mobility, including the elderly, persons with disabilities that limit their mobility, persons not served by any form of mass transit, and those who, for whatever reasons, cannot afford motor vehicles or cannot be licensed to drive them. Such goals, once established, shall be considered in the development and implementation of the Statewide Transportation Plan required by § 33.2-353.

§ 33.2-356. Funding for extraordinary repairs.

Notwithstanding any contrary provision of the Code, the Board has the authority to provide, from revenues available for highway capital improvements under § 33.2-1526, except for revenues pledged to secure any bonds issued for transportation purposes, for exceptionally heavy expenditures for repairs or replacements made necessary by highway damage resulting from extraordinary accidents, vandalism, weather conditions, or acts of God as well as to respond to federal funding initiatives that require matching funds.

§ 33.2-357. Revenue-sharing funds for systems in certain localities.

A. From revenues made available by the General Assembly and appropriated for the improvement, construction, reconstruction, or maintenance of the systems of state highways, the Board may make an equivalent matching allocation to any locality for designations by the governing body of up to \$10 million for use by the locality to improve, construct, or reconstruct the highway systems within such locality with up to \$5 million for use by the locality to maintain the highway systems within such locality. After adopting a resolution supporting the action, the governing body of the locality may request revenue-sharing funds to improve, construct, reconstruct, or maintain a highway system located in another locality or between two or more localities or to bring subdivision streets, used as such prior to the date specified in § 33.2-335, up to standards sufficient to qualify them for inclusion in the primary or secondary state highway system. All requests for funding shall be accompanied by a prioritized listing of specified projects.

B. In allocating funds under this section, the Board shall give priority first to allocations that will accelerate projects in the Board's Six-Year Improvement Program or the locality's capital plan and next to those pavement resurfacing and bridge rehabilitation projects where the maintenance needs analysis determines that the infrastructure is below the Department's maintenance performance targets.

C. The Department shall contract with the locality for the implementation of the project. Such contract may cover either a single project or may provide for the locality's implementation of several projects. The locality shall undertake implementation of the particular project by obtaining the necessary permits from the Department in order to ensure that the improvement is consistent with the Department's standards for such improvements. At the request of the locality, the Department may provide the locality with engineering, right-of-way acquisition, construction, or maintenance services for a project with its own forces. The locality shall provide payment to the Department for any such services. If administered by the Department, such contract shall also require that the governing body of the locality pay to the Department within 30 days the local revenue-sharing funds upon written notice by the Department of its intent to proceed. Any project having funds allocated under this program shall be initiated in such a fashion that at least a portion of such funds have been expended within one year of allocation. Any revenue-sharing funds for projects not initiated after two subsequent fiscal years of allocation may be reallocated at the discretion of the Board.

D. Total Commonwealth funds allocated by the Board under this section shall be no less than \$15 million and no more than \$200 million in each fiscal year, subject to appropriation for such purpose. For any fiscal year in which less than the full program allocation has been allocated by the Board to specific governing bodies, those localities requesting the maximum allocation under subsection A may be allowed an additional allocation at the discretion of the Board.

E. The funds allocated by the Board under this section shall be distributed and administered in accordance with the revenue-sharing program guidelines established by the Board.

§ 33.2-358. Allocation of funds among highway systems.

A. For the purposes of this section:

"Bridge reconstruction and rehabilitation" means reconstruction and rehabilitation of those bridges identified by the Department as being functionally obsolete or structurally deficient.

"High priority projects" means those projects of regional or statewide significance identified by the Board that reduce congestion, increase safety, create jobs, or increase economic development.

"Smart roadway technology" means those projects or programs identified by the Board that reduce congestion, improve mobility, improve safety, provide up-to-date travel data, or improve emergency response.

B. The Board shall allocate each year from all funds made available for highway purposes such amount as it deems reasonable and necessary for the maintenance of roads within the Interstate System, the primary state highway system, and the secondary state highway system and for city and town street maintenance payments made pursuant to § 33.2-319 and payments made to counties that have withdrawn or elect to withdraw from the secondary state highway system pursuant to § 33.2-366.

C. After funds are set aside for administrative and general expenses and pursuant to other provisions in this title that provide for the disposition of funds prior to allocation for highway purposes, and after allocation is made pursuant to subsection B, the Board shall allocate an amount determined by the Board not to exceed \$500 million in any given year as follows: (i) 25 percent to bridge reconstruction and rehabilitation; (ii) 25 percent to advancing high priority projects statewide; (iii) 25 percent to reconstructing deteriorated Interstate System and primary state highway system pavements determined to have a Combined Condition Index of less than 60; (iv) 15 percent to projects undertaken pursuant to the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq.); (v) five percent to paving unpaved highways carrying more than 200 vehicles per day; and (vi) five percent to smart roadway technology, provided that at the discretion of the Board such percentages of funds may be adjusted in any given year to meet project cash flow needs or when funds cannot be expended due to legal, environmental, or other project management considerations and provided that such allocations shall cease beginning July 1, 2020. After such allocations are made, the Board may allocate each year up to 10 percent of the funds remaining for highway purposes for the undertaking and financing of rail projects that in the Board's determination will result in mitigation of highway congestion. After the foregoing allocations have been made, the Board shall allocate the remaining funds available for highway purposes, exclusive of federal funds for the Interstate System, among the highway systems for construction first pursuant to §§ 33.2-359 and 33.2-360 and then as follows:

1. Forty percent of the remaining funds exclusive of federal-aid matching funds for the Interstate System shall be allocated to the primary state highway system, including the arterial network, and in addition, an amount shall be allocated to the primary state highway system as interstate matching funds as provided in subsection B of § 33.2-361.

2. Thirty percent of the remaining funds exclusive of federal-aid matching funds for the Interstate System shall be allocated to urban highways for state aid pursuant to § 33.2-348.

3. Thirty percent of the remaining funds exclusive of federal-aid matching funds for the Interstate System shall be allocated to the secondary state highway system.

D. In addition, the Board, from funds appropriated for such purpose in the general appropriation act, shall allocate additional funds to the Cities of Newport News, Norfolk, and Portsmouth and the County of Warren in such manner and apportion such funds among such localities as the Board may determine, unless otherwise provided in the general appropriation act. The localities shall use such funds to address highway maintenance and repair needs created by or associated with port operations in those localities.

E. Notwithstanding the provisions of this section, the General Assembly may, through the general appropriation act, permit the Governor to increase the amounts to be allocated to highway maintenance, highway construction, either or both.

§ 33.2-359. Unpaved secondary highway fund created; allocations.

A. Before funds are allocated for distribution for highway construction pursuant to subdivisions C 1, 2, and 3 of § 33.2-358, a fund shall be established for the paving of nonsurface treated secondary highways that carry 50 vehicles or more per day. Such fund shall contain 5.67 percent of the total funds available for highway construction under subdivisions C 1, 2, and 3 of § 33.2-358.

B. Such funds shall be distributed to counties in the secondary state highway system based on the ratio of nonsurface treated roads in each county carrying 50 vehicles or more per day to the total number of such nonsurface treated roads in the Commonwealth.

C. The governing body of any county may have funds allocated to the county under this section added to the county's secondary system construction funds allocated pursuant to § 33.2-364. For each \$250,000 or portion thereof added to secondary construction funds under this provision, the amount of the county's nonsurface treated roads used to distribute funds under this section in subsequent years shall be reduced by one mile or proportional part of one mile.

§ 33.2-360. Allocation of funds for interstate match.

After making the allocations provided for in subsection B of § 33.2-358, but before making any allocations under subdivisions C 1, 2, and 3 of § 33.2-358, a fund shall be established for matching federal-aid interstate funds.

This fund shall be established annually by allocating to it all federal-aid interstate matching funds needed for the year; less the total amount of district primary allocations for the interstate federal-aid match allocated under subsection B of § 33.2-361.

§ 33.2-361. Allocation of construction funds for primary state highway system and interstate match.

A. The Board shall allocate such funds as are available under subdivision C 1 of § 33.2-358 to the primary state highway system, including the arterial network, for construction and shall apportion such funds among the nine highway construction districts so that each highway construction district shall be allocated a share of such funds equal to the proportion that such highway construction district bears to the Commonwealth as a whole in terms of (i) vehicle-miles

traveled on the primary state highway system, (ii) primary highway lane mileage, and (iii) a primary highway need factor that adjusts the weights in the allocation formula for the highway construction district with the largest under-allocation relative to primary needs, with vehicle-miles traveled weighted 70 percent, primary highway lane mileage weighted 25 percent, and the primary highway need factor weighted five percent.

B. Out of each district's total allocation of primary funds pursuant to subdivision C 1 of § 33.2-358, the Board shall allocate all needed interstate federal-aid matching funds, up to a maximum of 25 percent of the district's primary allocation. Any additional interstate federal-aid matching funds needed in a district shall be allocated by the Board from the fund for matching federal-aid interstate funds established in § 33.2-360.

C. Notwithstanding subsection A, the Board may provide for exceptionally heavy expenditures for repairs or replacements made necessary by highway damage resulting from accidents, severe weather conditions, acts of God, or vandalism.

D. Notwithstanding subsection A, the Board may, from funds available under subdivision C 1 of § 33.2-358, provide funding for the construction of highway projects maintained or to be maintained by a municipality, provided such project involves a component of the National Highway System and such funds are derived from allocations to the highway construction district in which such project is located. Any allocation under this subsection shall not diminish funds allocated or allocable to any such municipality under § 33.2-362.

E. Such funds allocated to the primary state highway system shall, as far as possible, be allotted prior to the commencement of the fiscal year and public announcement made of such allotment, but the Board shall not approve such allotment until after a public hearing at which political subdivisions of the Commonwealth and interested citizens may be heard.

In any case where any allotment of funds is made under this subsection to any county all or a part of which subsequently is incorporated as or into a city or town, such allocation shall not be impaired thereby and the funds so allocated shall be expended as if such county or any part thereof had never become an incorporated city, but that portion of such city shall not be eligible to receive funds as a city during the same year it receives the funds allocated as a county or as any part of a county.

§ 33.2-362. Allocation of construction funds for urban system highways.

A. For the purposes of this section, "population" means either the population according to the latest United States census or the latest population estimate of the Weldon Cooper Center for Public Service of the University of Virginia, whichever is more recent.

B. Such funds as are allocated to urban highways in (i) all towns that have a population of more than 3,500 according to the last preceding United States census; (ii) all towns that, according to evidence satisfactory to the Board, have attained a population of more than 3,500 since the last preceding United States census; (iii) Chase City, Elkton, Grottoes, Narrows, Pearisburg, and Saltville, which, on June 30, 1985, maintained certain streets under former § 33.1-80 as then in effect; (iv) all cities regardless of their populations; and (v) the Towns of Wise, Lebanon, and Altavista pursuant to subdivision C 2 of § 33.2-358 shall be apportioned among the cities and towns of the Commonwealth by the Board in such a manner that each city or town to which these funds are allocable receives the same proportion of total funds available as the population of that city or town bears to the total population of all cities and towns among which such funds are allocable. Whenever any city or town qualifies under this section for allocation of funds, such qualification shall continue to apply to such city or town notwithstanding any subsequent changes in population and shall cease to apply only upon the subsequent enactment by the General Assembly of a measure in which the intent is clearly stated. All allocations made prior to July 1, 2001, to cities and towns meeting the criteria in this subsection are hereby ratified, validated, and confirmed.

C. No apportionment pursuant to this section shall be made to any city or town that does not have an urban project or projects approved by the Board, and in no case shall the apportionment to any city or town exceed the total estimated cost of the project or projects for which funds are allocated. Such funds shall, as far as possible, be allotted prior to the commencement of the fiscal year and public announcement shall be made of such allotment. Any apportionment due but not received by any city or town in a fiscal year for use under this section shall accrue as a credit to such city or town and be held for its construction projects for five succeeding fiscal years. Funds accrued shall be apportioned prior to any other distribution under this section in the fiscal year requested by the city or town.

A portion of allocations made to any city or town under this section may be used on streets functionally classified as arterial for (i) the purchase of residue parcels or land resulting from highway construction or reconstruction projects where the purchase will result in necessary access control or land use control directly related to the purpose and need for the project, (ii) improvements to traffic safety, (iii) improvement to traffic flow and transportation system use, or (iv) any combination of clauses (i), (ii), and (iii). Notwithstanding other provisions of this section, not more than two-thirds of the annual urban system highway funds apportioned to a city or town under this section may be used to reimburse the locality for debt service for bonds or eligible project costs incurred on approved projects included in the Six-Year Improvement Program of the Board and the city's or town's capital improvement program. Such funds may also be used by the locality for debt service for bonds issued for, or eligible project costs incurred or to be incurred on, approved projects included, at the time such bonds are issued or such costs are incurred or are to be incurred, in the Six-Year Improvement Program of the Board and the city's or town's capital improvement program. Any such funds so apportioned to and received by such city or town, or any portion thereof, may be deposited in a special fund that shall be established separate and apart from any other funds, general or special.

When the city or town presents a resolution requesting that a portion of its annual urban system apportionment be set aside for reimbursement for, or payment of, debt service under this section for a specific eligible project, the Board shall, subject to appropriation and allocation, set aside no more than two-thirds of the anticipated annual apportionment of urban system funding to the city or town for such purpose, provided such funds have not been previously committed by the Board for projects contained in the Six-Year Improvement Program.

The setting aside and use of funds under this section for reimbursement for, or payment of, debt service shall be subject to such terms and conditions as may be prescribed by the Commissioner of Highways.

The provisions of this section shall not constitute a debt or obligation of the Board or the Commonwealth.

D. The governing body of any city or town may, with the consent of the Board, expend urban system highway construction funds allocated annually to the city or town by the Board for the design, land acquisition, and construction of transportation projects that have been included in the Board's Six-Year Improvement Program and for the resurfacing, restoration, rehabilitation, reconstruction, and improvement of streets within the city or town for which the city receives maintenance payments under § 33.2-319.

E. At the election of each city or town, payment of the funds may be made in equal amounts, one in each quarter of the fiscal year, and shall be reduced in the case of each city and town by the amount of federal-aid construction funds credited to each city or town and the amount of funds forecasted to be expended by the Department of Transportation or the Department of Rail and Public Transportation for any project on behalf of the city or town. Those cities or towns that decide to take over the responsibility for their construction program shall notify the Board by December 31 for implementation the following fiscal year.

§ 33.2-363. Construction of U.S. Route 29 bypass.

If the construction of a U.S. Route 29 bypass around any city located in any county that both (i) is located outside Planning District 8 and (ii) operates under the county executive form of government is not constructed because of opposition from a metropolitan planning organization, and the Federal Highway Administration requires the Commonwealth to reimburse the federal government for federal funds expended in connection with such project, an amount equal to the amount of such reimbursement shall be deducted by the Board from primary state highway system construction funds allocated or allocable to the highway construction district in which the project was located. Furthermore, in the event of such nonconstruction, an amount equal to the total of all state funds expended on such project shall be deducted by the Board from primary state highway system construction funds allocated or allocable to the highway construction district in which the project was located.

§ 33.2-364. Allocation of construction funds within secondary state highway system.

A. For the purposes of this section:

"Area" means the total land area of a county reduced by the area of any military reservations and state or national parks or forests within its boundaries and such other similar areas and facilities of five square miles in area or more, as may be determined by the Board.

"Population" means either the population according to the latest United States census or the latest population estimate of the Weldon Cooper Center for Public Service of the University of Virginia, whichever is more recent.

B. Such funds as are allocated to the secondary state highway system pursuant to subdivision C 3 of § 33.2-358 shall be apportioned among the counties in the secondary state highway system by the Board so that each such county shall be allocated a share of such funds equal to the proportion that such county bears to the Commonwealth as a whole in terms of area and population, with population being weighted 80 percent and area being weighted 20 percent.

If so requested in a resolution adopted by the local governing body, funds allocated to any county under this section may be used to support primary state highway system construction projects within the county.

Before allocating funds under the provisions of this subsection, the Board may provide for exceptionally heavy expenditures for repairs or replacements made necessary by highway damage resulting from accidents, severe weather conditions, acts of God, or vandalism.

C. Notwithstanding other provisions of this section, not more than one-third of the annual secondary state highway system funds apportioned to a county under this section may be used to reimburse the county for (i) debt service for bonds or (ii) eligible project costs incurred on approved projects included in the county's Secondary Six-Year Plan and the county's capital improvement program. Such funds may also be used by the county for debt service for bonds issued for, or eligible project costs incurred or to be incurred on, approved projects included, at the time such bonds are issued or such costs are incurred or are to be incurred, in the Six-Year Improvement Program of the Board and the county's capital improvement program. Any such funds so apportioned to and received by such county, or any portion thereof, may be deposited in a special fund that shall be established separate and apart from any other funds, general or special.

When a county presents a resolution requesting that a portion of its annual construction allocation for secondary highways be set aside for reimbursement for, or payment of, debt service under this section for a specific eligible project, the Board shall, subject to appropriation and allocation, set aside no more than one-third of the anticipated annual allocation of secondary state highway system construction funding to the county for such purpose, provided such funds have not been previously committed for projects contained in the county's Secondary Six-Year Plan.

The setting aside and use of funds under this section for reimbursement for, or payment of, debt service shall be subject to such terms and conditions as may be prescribed by the Commissioner of Highways.

The provisions of this section shall not constitute a debt or obligation of the Board or the Commonwealth.

D. In counties having elected to manage the construction program for the secondary state highway system within the county in accordance with § 33.2-342, payment of funds from the allocation of secondary state highway system construction funds for the county may be made in equal amounts, one in each quarter of the fiscal year, and shall be reduced by the amount of federal-aid construction funds credited to each county, which will be reimbursed as qualifying expenditures occur and by the amount of funds forecast by the Department of Transportation and by the Department of Rail and Public Transportation to be expended for any construction project or county-wide activities on behalf of the county or other financial obligations. Those counties that decide to take over the responsibility for the secondary state highway system construction program shall notify the Board by July 1 for implementation the following year. Implementation shall take place as specified in the agreement referenced in § 33.2-342.

E. The chief administrative officer of counties receiving funds under subsection D shall make annual reports of expenditures to the Department in such form as the Board shall prescribe, accounting for all construction expenditures made from quarterly payments. Such reports shall be included in the scope of the annual audit of each county conducted by independent certified public accountants.

§ 33.2-365. Allocation of proceeds of Commonwealth of Virginia Transportation Capital Projects Revenue Bonds.

The Board shall allocate, use, and distribute the proceeds of any bonds it is authorized to issue on or after July 1, 2007, pursuant to subdivision 10 of § 33.2-1701, as follows:

1. A minimum of 20 percent of the bond proceeds shall be used for transit capital as further described in subdivision A 4 c of § 58.1-638.
2. A minimum of 4.3 percent of the bond proceeds shall be used for rail capital consistent with the provisions of §§ 33.2-1601 and 33.2-1602.
3. The remaining amount of bond proceeds shall be used for paying the costs incurred or to be incurred for construction of transportation projects with such bond proceeds used or allocated as follows: (i) first, to match federal highway funds projected to be made available and allocated to highway and public transportation capital projects to the extent determined by the Board, for purposes of allowing additional state construction funds to be allocated to the primary, urban, and secondary highway systems pursuant to subdivisions C 1, 2, and 3 of § 33.2-358; (ii) second, to provide any required funding to fulfill the Commonwealth's allocation of equivalent revenue sharing matching funds pursuant to § 33.2-357 to the extent determined by the Board; and (iii) third, to pay or fund the costs of statewide or regional projects throughout the Commonwealth. Costs incurred or to be incurred for construction or funding of these transportation projects shall include environmental and engineering studies; rights-of-way acquisition; improvements to all modes of transportation; acquisition, construction, and related improvements; and any financing costs or other financing expenses relating to such bonds. Such costs may include the payment of interest on such bonds for a period during construction and not exceeding one year after completion of construction of the relevant project.
4. The total amount of bonds authorized shall be used for purposes of applying the percentages in subdivisions 1, 2, and 3.

§ 33.2-366. Funds for counties that have withdrawn or elect to withdraw from the secondary state highway system.

Pursuant to subsection B of § 33.2-358, the Board shall make the following payments to counties that have withdrawn or elect to withdraw from the secondary state highway system under the provisions of § 11 of Chapter 415 of the Acts of Assembly of 1932 and that have not elected to return: to any county having withdrawn prior to June 30, 1985, and having an area greater than 100 square miles, an amount equal to \$12,529 per lane-mile for fiscal year 2014, and to any county having an area less than 100 square miles, an amount equal to \$17,218 per lane-mile for fiscal year 2014; to any county that elects to withdraw after June 30, 1985, the Board shall establish a rate per lane-mile for the first year using (i) an amount for maintenance based on maintenance standards and unit costs used by the Department to prepare its secondary state highway system maintenance budget for the year in which the county withdraws and (ii) an amount for administration equal to five percent of the maintenance figure determined in clause (i). The payment rates shall be adjusted annually by the Board in accordance with procedures established for adjusting payments to cities and towns under § 33.2-319, and lane mileage shall be adjusted annually to include (a) streets and highways accepted for maintenance in the county system by the local governing body or (b) streets and highways constructed according to standards set forth in the county subdivision ordinance or county thoroughfare plan, and being not less than the standards set by the Department. Such counties shall, in addition, each receive for construction from funds allocated pursuant to subdivision C 3 of § 33.2-358 an annual amount calculated in the same manner as payments for construction in the secondary state highway system are calculated.

Payment of the funds shall be made in four equal sums, one in each quarter of the fiscal year, and shall be reduced in the case of each such county by the amount of federal-aid construction funds credited to each such county.

The chief administrative officer of such counties receiving such funds shall make annual reports of expenditures to the Board, in such form as the Board shall prescribe, accounting for all expenditures, including delineation between construction and maintenance expenditures and reporting on their performance as specified in subsection B of § 33.2-352. Such reports shall be included in the scope of the annual audit of each county conducted by independent certified public accountants.

§ 33.2-367. Highway aid to mass transit.

In allocating highway funds, the Board may use such funds for highway aid to mass transit facilities when such use will best accomplish the purpose of serving the transportation needs of the greatest number of people.

Highway aid to mass transit may be accomplished by (i) using highway funds to aid in paying transit operating costs borne by localities; (ii) acquiring or constructing transit-related highway facilities such as exclusive bus lanes; bus turn-outs; bus passenger shelters; fringe parking facilities, including necessary access roads, to promote transit use and relieve highway congestion; and off-street parking facilities to permit exclusive use of curb lane by buses; or (iii) permitting mass transit facilities to occupy highway median strips without the reimbursement required by § 33.2-1015, all to the end that highway traffic may be relieved through the development of more efficient mass transit.

Expenditures pursuant to this section shall be made from funds available for the construction of state highways within the highway construction district in which the transit facilities are wholly or partly located.

The Board may contract with the governing bodies constituting a transportation district, or in its discretion, other local governing bodies, for the accomplishment of a project to which funds have been allocated under the provisions of this section. Whenever such projects are being financed by advance annual allocation of funds, the Board may make such funds available to the contracting governing bodies in annual increments that may be used for other transit purposes until needed for the project for which allocated; however, the Board may require bond or other satisfactory assurance of final completion of the contract.

The Board may also, at the request of local governing bodies, use funds allocated for urban highways or secondary highways within their jurisdiction to accomplish the purposes of this section.

The General Assembly may, through the general appropriation act, provide for (i) limits on the amounts or purposes of allocations made under this section and (ii) the transfer of allocations from one eligible recipient to another.

§ 33.2-368. Financial plans for transportation construction projects.

For transportation construction projects valued in excess of \$100 million, the Commissioner of Highways shall require that a financial plan be prepared and presented to the Board for its review. This plan shall include, but not be limited to, the following: (i) a complete cost estimate for all major project elements, (ii) an implementation plan with the project schedule and cost-to-complete information presented for each year, (iii) identified revenues by funding source available each year to meet project costs, (iv) a detailed cash-flow analysis for each year of the proposed project, and (v) efforts to be made to ensure maximum involvement of private enterprise and private capital.

CHAPTER 4.

LIMITED ACCESS HIGHWAYS, SCENIC HIGHWAYS AND VIRGINIA BYWAYS, AND HIGHWAYS OVER DAMS.

§ 33.2-400. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Limited access highway" means a highway especially designed for through traffic, over which abutters have no easement or right of light, air, or access by reason of the fact that their property abuts upon such limited access highway.

"Scenic highway" means a highway, designated as such by the Board, within a protected scenic corridor located, designed, and constructed so as to preserve and enhance the natural beauty and cultural value of the countryside.

"Virginia byway" means a highway, designated as such by the Board, having relatively high aesthetic or cultural value, leading to or within areas of historical, natural, or recreational significance.

§ 33.2-401. Power and authority of Commonwealth Transportation Board relating to limited access highways.

The Board may plan, designate, acquire, open, construct, reconstruct, improve, maintain, discontinue, abandon, and regulate the use of limited access highways in the same manner in which it is now or may be authorized to plan, designate, acquire, open, construct, reconstruct, improve, maintain, discontinue, abandon, and regulate the use of other highways within the Commonwealth. The Board shall also have any and all other additional authority and power relative to other highways, which shall include the right to acquire by purchase, eminent domain, grant, or dedication title to such lands or rights-of-way for such limited access highways.

Notwithstanding any other provisions of this Code, any highway, street, or portion thereof to which access rights of abutters have been acquired by the Board and which is subsequently incorporated into the street system of a city or town by any method shall remain limited access until and unless the governing body of the city or town, after securing the approval of the Board, acts to discontinue such limited access feature.

§ 33.2-402. Designating existing highway as limited access highway; extinguishing easements of access.

The Board may designate all or any part of an existing highway as a limited access highway. When an existing highway is so designated, the Board shall where necessary extinguish all existing easements of access, light, or air.

§ 33.2-403. Business enterprises restricted on limited access highway right-of-way.

No commercial establishment or business enterprise shall be constructed or located upon any right-of-way of any limited access highway.

§ 33.2-404. Service roads parallel to limited access highways; standards for access, service, etc.

The Department may construct service roads parallel to a limited access highway in order to provide access at designated points for property owners abutting on the limited access highway and after the construction of such service roads shall maintain and regulate traffic over them.

The construction or alteration of any access, feeder, or service road that is to serve properties isolated by construction of a limited access highway shall meet all minimum state standards or the standards of the cities or towns with a population of more than 3,500, or of counties that maintain their own road networks, as provided for by ordinance, whichever is more strict.

§ 33.2-405. Designation of scenic highways and Virginia byways.

The Board is authorized to designate any highway as a scenic highway or as a Virginia byway. This designation shall be made in cooperation with the Director of the Department of Conservation and Recreation. Prior to designation, the local governing body and local planning commission, if any, in each county or city wherein the proposed scenic highway or Virginia byway is located shall be given notice and, upon request by any of the local governing bodies, the Board shall hold a hearing in one of the counties or cities wherein the proposed scenic highway or Virginia byway is located.

§ 33.2-406. Selecting Virginia byways.

In selecting a Virginia byway, the Board and the Director of the Department of Conservation and Recreation shall give preference to corridors controlled by zoning or otherwise, so as to reasonably protect the aesthetic or cultural value of the highway.

§ 33.2-407. Signage of scenic highways and Virginia byways.

When the Board designates a highway as a scenic highway or as a Virginia byway, it shall be appropriately signed as such.

§ 33.2-408. Acquisition of adjacent land.

When the Board has designated a highway as a Virginia byway or as a scenic highway, the Commissioner of Highways may acquire by gift or purchase such land, or interests therein, of primary importance for the preservation of natural beauty adjacent to Virginia byways or scenic highways.

§ 33.2-409. Duty of owner or occupier of dam over which state highway passes; penalty.

Every owner or occupier of a dam over which a state highway passes shall keep such dam in good order, at least 12 feet wide at the top, and also keep in good order the substructure of a bridge of like width over the pier heads, floodgates, or any wastecut through or around the dam, provided that when these requirements have been met, the superstructure of any such bridge shall be maintained by the Commissioner of Highways. The Commissioner of Highways shall inspect all such bridges and report any needed repairs to the owner in writing. If such owner fails to comply with the provisions of this chapter, he is guilty of a misdemeanor punishable by a fine of \$2 for every such failure of 24 hours. However, if a milldam is carried away or destroyed by flood or any other extraordinary natural cause, the owner or occupier thereof shall not be subject to such fine until one month after any mill operated in whole or in part by water impounded by such dam has been put into operation by such waterpower.

§ 33.2-410. Duties of Commissioner of Highways related to dams over which a state highway passes.

The Commissioner of Highways may, at his own cost and expense, widen or strengthen any dam or bridge over which a state highway passes to a sufficient width to provide properly for traffic that uses that section of highway of which such dam or bridge forms a part. The Commissioner of Highways shall maintain the highway surface on such sections of highway.

§ 33.2-411. Raising or lowering floodgates.

The owner or occupier of a dam shall raise or lower the floodgates on such dam when there is an impending flood in order to reduce the level of the water in the pond, and when it comes to the attention of the Commissioner of Highways that this has not been done, or that the owner is unable to reach the spillway in order to do so, the Commissioner of Highways may perform this duty.

§ 33.2-412. Reconstruction if dam is washed out.

If a dam is washed out and the owner refuses to replace the dam, the Commissioner of Highways, with or without the consent of such owner or occupier, may construct a highway across the dam, but in case the owner desires to replace the dam and use the pond, he shall be permitted to do so by paying to the Commissioner of Highways one-half of the cost and expenses of replacing the dam, up to a width of 12 feet at the top, and the difference between the cost, if any, of replacing the bridge normally required to carry the water of the stream and the cost of a bridge that includes floodgates and adequate spillway.

§ 33.2-413. When larger spillway required.

In case the earthen portion of a dam has been washed away and it is determined by the Commissioner of Highways that the washout was caused by a spillway of insufficient opening to carry floodwater, the dam shall not be restored for the purpose of impounding water unless the owner or occupier agrees with the Commissioner of Highways to the construction of a spillway with adequate opening, conforming to plans and specifications of the Department. In the event that such construction is required, the Commissioner of Highways shall be responsible for such part of the cost as would be necessary to provide a bridge with sufficient opening to carry the floodwater of the stream, and the owner or occupier of the dam shall be required to pay the difference in cost, if any, of providing adequate floodgates and spillways in addition to the bridge.

§ 33.2-414. Application to county roads.

Sections 33.2-409 through 33.2-413 shall also apply to dams, over which pass public roads that are not in the primary or secondary state highway system, and to the owners and occupiers thereof. As to any such dam and the owner or occupier thereof, the powers conferred and imposed upon the Commissioner of Highways in §§ 33.2-409 through 33.2-413 shall be vested in and imposed upon the governing body of the county in which such dam is located.

CHAPTER 5.

HIGH-OCCUPANCY VEHICLE LANES AND HIGH-OCCUPANCY TOLL LANES.

§ 33.2-500. Definitions.

As used in this chapter, unless the context requires a different meaning:

"High-occupancy requirement" means the number of persons required to be traveling in a vehicle for the vehicle to use HOT lanes without the payment of a toll. Emergency vehicles, law-enforcement vehicles using HOT lanes in the performance of their duties, which shall not include the use of such vehicles for commuting to and from the workplace, and mass transit vehicles and commuter buses shall meet the high-occupancy requirement for HOT lanes, regardless of the number of occupants in the vehicle.

"High-occupancy toll lanes" or "HOT lanes" means a portion of a highway containing one or more travel lanes separated from other lanes that has an electronic toll collection system, provides for free passage by vehicles that meet the high-occupancy requirement, and contains a photo-enforcement system for use in such electronic toll collection. HOT lanes shall not be a "toll facility" or "HOV lanes" for the purposes of any other provision of law or regulation.

"High-occupancy vehicle lanes" or "HOV lanes" means a portion of a highway containing one or more travel lanes for the travel of high-occupancy vehicles or buses as designated pursuant to § 33.2-320.

"HOT lanes operator" means the operator of the facility containing HOT lanes, which may include the Department of Transportation or some other entity.

"Mass transit vehicles" and "commuter buses" means vehicles providing a scheduled transportation service to the general public. Such vehicles shall comprise nonprofit, publicly or privately owned or operated transportation services, programs, or systems that may be funded pursuant to § 58.1-638.

"Owner" means the registered owner of a vehicle on record with the Department of Motor Vehicles or with the equivalent agency in another state. "Owner" does not mean a vehicle rental or vehicle leasing company.

"Photo-enforcement system" means a sensor installed in conjunction with a toll collection device to detect the presence of a vehicle that automatically produces one or more photographs, one or more microphotographs, a videotape, or other recorded images of each vehicle's license plate at the time it is detected by the toll collection device.

"Unauthorized vehicle" means a motor vehicle that is restricted from use of the HOT lanes pursuant to subdivision 4 a of § 33.2-503.

§ 33.2-501. Designation of HOV lanes; use of such lanes; penalties.

A. In order to facilitate the rapid and orderly movement of traffic to and from urban areas during peak traffic periods, the Board may designate one or more lanes of any highway in the Interstate System, primary state highway system, or secondary state highway system as HOV lanes. When lanes have been so designated and have been appropriately marked with signs or other markers as the Board may prescribe, they shall be reserved during periods designated by the Board for the exclusive use of buses and high-occupancy vehicles. Any local governing body may also, with respect to highways under its exclusive jurisdiction, designate HOV lanes and impose and enforce restrictions on the use of such lanes. Any highway for which the locality receives highway maintenance funds pursuant to § 33.2-319 shall be deemed to be within the exclusive jurisdiction of the local governing body for the purposes of this section. HOV lanes shall be reserved for high-occupancy vehicles of a specified number of occupants as determined by the Board or, for HOV lanes designated by a local governing body, by that local governing body. Notwithstanding the foregoing provisions of this section, no designation of any lane or lanes of any highway as HOV lanes shall apply to the use of any such lanes by:

1. Emergency vehicles such as firefighting vehicles, ambulances, and rescue squad vehicles;
2. Law-enforcement vehicles;
3. Motorcycles;
4. a. Transit and commuter buses designed to transport 16 or more passengers, including the driver;
- b. Any vehicle operating under a certificate issued under § 46.2-2075, 46.2-2080, 46.2-2096, 46.2-2099.4, or 46.2-2099.44;
5. Vehicles of public utility companies operating in response to an emergency call;
6. Vehicles bearing clean special fuel vehicle license plates issued pursuant to § 46.2-749.3, provided such use is in compliance with federal law;
7. Taxicabs having two or more occupants, including the driver; or
8. (Contingent effective date) Any active duty military member in uniform who is utilizing Interstate 264 and Interstate 64 for the purposes of traveling to or from a military facility in the Hampton Roads Planning District.

In the Hampton Roads Planning District, HOV restrictions may be temporarily lifted and HOV lanes opened to use by all vehicles when restricting use of HOV lanes becomes impossible or undesirable and the temporary lifting of HOV limitations is indicated by signs along or above the affected portion of highway.

The Commissioner of Highways shall implement a program of the HOV facilities in the Hampton Roads Planning District beginning not later than May 1, 2000. This program shall include the temporary lifting of HOV restrictions and the opening of HOV lanes to all traffic when an incident resulting from nonrecurring causes within the general lanes occurs such that a lane of traffic is blocked or is expected to be blocked for 10 minutes or longer. The HOV restrictions for the facility shall be reinstated when the general lane is no longer blocked and is available for use.

The Commissioner of Highways shall maintain necessary records to evaluate the effects of such openings on the operation of the general lanes and the HOV lanes. This program will terminate if the Federal Highway Administration requires repayment of any federal highway construction funds because of the program's impact on the HOV facilities in Hampton Roads.

B. In designating any lane or lanes of any highway as HOV lanes, the Board or local governing body shall specify the hour or hours of each day of the week during which the lanes shall be so reserved, and the hour or hours shall be plainly posted at whatever intervals along the lanes the Board or local governing body deems appropriate. Any person driving a motor vehicle in a designated HOV lane in violation of this section is guilty of a traffic infraction, which shall not be a moving violation, and on conviction shall be fined \$100. However, violations committed within the boundaries of Planning District 8 shall be punishable as follows:

- 1. For a first offense, by a fine of \$125;*
- 2. For a second offense within a period of five years from a first offense, by a fine of \$250;*
- 3. For a third offense within a period of five years from a first offense, by a fine of \$500; and*
- 4. For a fourth or subsequent offense within a period of five years from a first offense, by a fine of \$1,000.*

Upon a conviction under this section, the court shall furnish to the Commissioner of the Department of Motor Vehicles in accordance with § 46.2-383 an abstract of the record of such conviction, which shall become a part of the person's driving record. Notwithstanding the provisions of § 46.2-492, no driver demerit points shall be assessed for any violation of this section, except that persons convicted of second, third, fourth, or subsequent violations within five years of a first offense committed in Planning District 8 shall be assessed three demerit points for each such violation.

C. In the prosecution of an offense, committed in the presence of a law-enforcement officer, of failure to obey a road sign restricting a highway, or portion thereof, to the use of high-occupancy vehicles, proof that the vehicle described in the HOV violation summons was operated in violation of this section, together with proof that the defendant was at the time of such violation the registered owner of the vehicle, shall constitute in evidence a rebuttable presumption that such registered owner of the vehicle was the person who committed the violation. Such presumption shall be rebutted if the registered owner of the vehicle testifies in open court under oath that he was not the operator of the vehicle at the time of the violation. A summons for a violation of this section may be executed in accordance with § 19.2-76.2. Such rebuttable presumption shall not arise when the registered owner of the vehicle is a rental or leasing company.

D. Notwithstanding the provisions of § 19.2-76, whenever a summons for a violation of this section is served in any locality, it may be executed by mailing by first-class mail a copy thereof to the address of the owner of the vehicle as shown on the records of the Department of Motor Vehicles. If the summoned person fails to appear on the date of return set out in the summons mailed pursuant to this section, the summons shall be executed in the manner set out in § 19.2-76.3.

No proceedings for contempt or arrest of a person summoned by mailing shall be instituted for his failure to appear on the return date of the summons.

E. Notwithstanding § 33.2-613, high-occupancy vehicles having three or more occupants (HOV-3) may be permitted to use the Omer L. Hirst-Adelard L. Brault Expressway (Dulles Toll Road) without paying a toll.

F. Notwithstanding the contrary provisions of this section, the following conditions shall be met before the HOV-2 designation of Interstate Route 66 outside the Capital Beltway can be changed to HOV-3 or any more restrictive designation:

1. The Department of Transportation shall publish a notice of its intent to change the existing designation and also immediately provide similar notice of its intent to all members of the General Assembly representing districts that touch or are directly impacted by traffic on Interstate Route 66.

2. The Department of Transportation shall hold public hearings in the corridor to receive comments from the public.

3. The Department of Transportation shall make a finding of the need for a change in such designation, based on public hearings and its internal data, and present this finding to the Board for approval.

4. The Board shall make written findings and a decision based upon the following criteria:

a. Is changing the HOV-2 designation to HOV-3 in the public interest?

b. Is there quantitative and qualitative evidence that supports the argument that HOV-3 will facilitate the flow of traffic on Interstate Route 66?

c. Is changing the HOV-2 designation beneficial to comply with the federal Clean Air Act Amendments of 1990?

§ 33.2-502. Designation of HOT lanes.

The Board may designate one or more lanes of any highway, including lanes that may previously have been designated HOV lanes under § 33.2-501, in the Interstate System, primary state highway system, or National Highway System, or any portion thereof, as HOT lanes. In making HOT lanes designations, the Board shall also specify the high-occupancy requirement and conditions for use of such HOT lanes or may authorize the Commissioner of Highways to make such determination consistent with the terms of a comprehensive agreement executed pursuant to § 33.2-1808. The high-occupancy requirement for a HOT lanes facility constructed or operated as a result of the Public-Private Transportation Act (§ 33.2-1800 et seq.) shall not be less than three.

§ 33.2-503. HOT lanes enforcement.

Any person operating a motor vehicle on designated HOT lanes shall make arrangements with the HOT lanes operator for payment of the required toll prior to entering such HOT lanes. The driver of a vehicle who enters the HOT lanes in an unauthorized vehicle, in violation of the conditions for use of such HOT lanes established pursuant to § 33.2-502, without payment of the required toll or without having made arrangements with the HOT lanes operator for payment of the required toll shall have committed a violation of this section, which may be enforced in the following manner:

1. On a form prescribed by the Supreme Court, a summons for civil violation of this section may be executed by a law-enforcement officer, when such violation is observed by such officer. The form shall contain the option for the driver of the vehicle to prepay the unpaid toll and all penalties, administrative fees, and costs.

2. a. A HOT lanes operator shall install and operate, or cause to be installed or operated, a photo-enforcement system at locations where tolls are collected for the use of such HOT lanes.

b. A summons for civil violation of this section may be executed pursuant to this subdivision, when such violation is evidenced by information obtained from a photo-enforcement system as defined in this chapter. A certificate, sworn to or affirmed by a technician employed or authorized by the HOT lanes operator, or a facsimile of such a certificate, based on inspection of photographs, microphotographs, videotapes, or other recorded images produced by a photo-enforcement system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape, or other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation under this subdivision. Any vehicle rental or vehicle leasing company, if named in a summons, shall be released as a party to the action if it provides to the HOT lanes operator a copy of the vehicle rental agreement or lease or an affidavit identifying the renter or lessee prior to the date of hearing set forth in the summons. Upon receipt of such rental agreement, lease, or affidavit, a summons shall be issued for the renter or lessee identified therein. Release of this information shall not be deemed a violation of any provision of the Government Data Collection and Dissemination Practices Act (§ 2.2-3800 et seq.) or the Insurance Information and Privacy Protection Act (§ 38.2-600 et seq.).

c. On a form prescribed by the Supreme Court, a summons issued under this subdivision may be executed pursuant to § 19.2-76.2. Such form shall contain the option for the driver or registered owner to prepay the unpaid toll and all penalties, administrative fees, and costs. HOT lanes operator personnel or their agents mailing such summons shall be considered conservators of the peace for the sole and limited purpose of mailing such summons. Notwithstanding the provisions of § 19.2-76, a summons for a violation of this section may be executed by mailing by first-class mail a copy thereof to the address of the owner of the vehicle as shown on the records of the Department of Motor Vehicles or, if the registered owner has named and provided a valid address for the operator of the vehicle at the time of the violation in an affidavit executed pursuant to this subdivision, such named operator of the vehicle. If the summoned person fails to appear on the date of return set out in the summons mailed pursuant to this section, the summons shall be executed in the manner set out in § 19.2-76.3.

d. The registered owner of such vehicle shall be given reasonable notice by way of a summons as provided in this subdivision that his vehicle had been used in violation of this section, and such owner shall be given notice of the time and place of the hearing and notice of the civil penalty and costs for such offense.

Upon the filing of an affidavit with the court at least 14 days prior to the hearing date by the registered owner of the vehicle stating that he was not the driver of the vehicle on the date of the violation and providing the legal name and address of the driver of the vehicle at the time of the violation, a summons will also be issued to the alleged driver of the vehicle at the time of the offense. The affidavit shall constitute prima facie evidence that the person named in the affidavit was driving the vehicle at all the relevant times relating to the matter named in the affidavit.

If the registered owner of the vehicle produces a certified copy of a police report showing that the vehicle had been reported to the police as stolen prior to the time of the alleged offense and remained stolen at the time of the alleged offense, then the court shall dismiss the summons issued to the registered owner of the vehicle.

3. a. The HOT lanes operator may impose and collect an administrative fee in addition to the unpaid toll so as to recover the expenses of collecting the unpaid toll, which administrative fee shall be reasonably related to the actual cost of collecting the unpaid toll and not exceed \$100 per violation. The operator of the vehicle shall pay the unpaid tolls and any administrative fee detailed in a notice or invoice issued by a HOT lanes operator. If paid within 30 days of notification, the administrative fee shall not exceed \$25.

b. Upon a finding by a court of competent jurisdiction that the driver of the vehicle observed by a law-enforcement officer under subdivision 1 or the vehicle described in the summons for civil violation issued pursuant to evidence obtained by a photo-enforcement system under subdivision 2 was in violation of this section, the court shall impose a civil penalty upon the driver of such vehicle issued a summons under subdivision 1, or upon the driver or registered owner of such vehicle issued a summons under subdivision 2, payable to the HOT lanes operator as follows: for a first offense, \$50; for a second offense, \$250; for a third offense within a period of two years of the second offense, \$500; and for a fourth and subsequent offense within a period of three years of the second offense, \$1,000, together with, in each case, the unpaid toll, all accrued administrative fees imposed by the HOT lanes operator as authorized by this section, and applicable court costs. The court shall remand penalties, the unpaid toll, and administrative fees assessed for violation of this section to the treasurer or director of finance of the county or city in which the violation occurred for payment to the HOT lanes operator for expenses associated with operation of the HOT lanes and payments against any bonds or other liens issued as a result of the construction of the HOT lanes. No person shall be subject to prosecution under both subdivisions 1 and 2 for actions arising out of the same transaction or occurrence.

c. Upon a finding by a court that a person has violated this section, in the event such person fails to pay the required penalties, fees, and costs, the court shall notify the Commissioner of the Department of Motor Vehicles, who shall suspend all of the registration certificates and license plates issued for any motor vehicles registered solely in the name of such person and shall not issue any registration certificate or license plate for any other vehicle that such person seeks to register solely in his name until the court has notified the Commissioner of the Department of Motor Vehicles that such

penalties, fees, and costs have been paid. The HOT lanes operator and the Commissioner of the Department of Motor Vehicles may enter into an agreement whereby the HOT lanes operator may reimburse the Department of Motor Vehicles for its reasonable costs to develop, implement, and maintain this enforcement mechanism, and that specifies that the Commissioner of the Department of Motor Vehicles shall have an obligation to suspend such registration certificates so long as the HOT lanes operator makes the required reimbursements in a timely manner in accordance with the agreement.

d. Except as provided in subdivisions 4 and 5, imposition of a civil penalty pursuant to this section shall not be deemed a conviction as an operator of a motor vehicle under Title 46.2 and shall not be made part of the driving record of the person upon whom such civil penalty is imposed, nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

4. a. The HOT lanes operator may restrict the usage of the HOT lanes to designated vehicle classifications pursuant to an interim or final comprehensive agreement executed pursuant to § 33.2-1808 or 33.2-1809. Notice of any such vehicle classification restrictions shall be provided through the placement of signs or other markers prior to and at all HOT lanes entrances.

b. Any person driving an unauthorized vehicle on the designated HOT lanes is guilty of a traffic infraction, which shall not be a moving violation, and shall be punishable as follows: for a first offense, by a fine of \$125; for a second offense within a period of five years from a first offense, by a fine of \$250; for a third offense within a period of five years from a first offense, by a fine of \$500; and for a fourth and subsequent offense within a period of five years from a first offense, by a fine of \$1,000.

Upon a conviction under this subdivision, the court shall furnish to the Commissioner of the Department of Motor Vehicles, in accordance with § 46.2-383, an abstract of the record of such conviction, which shall become a part of the person's driving record. Notwithstanding the provisions of § 46.2-492, no driver demerit points shall be assessed for any violation of this subdivision, except that persons convicted of a second, third, fourth, or subsequent violation within five years of a first offense shall be assessed three demerit points for each such violation.

5. The driver of a vehicle who enters the HOT lanes by crossing through any barrier, buffer, or other area separating the HOT lanes from other lanes of travel is guilty of a violation of § 46.2-852, unless the vehicle is a state or local law-enforcement vehicle, firefighting truck, ambulance, or rescue squad vehicle used in the performance of its official duties. No person shall be subject to prosecution both under this subdivision and under subdivision 1, 2, or 4 for actions arising out of the same transaction or occurrence.

Upon a conviction under this subdivision, the court shall furnish to the Commissioner of the Department of Motor Vehicles in accordance with § 46.2-383 an abstract of the record of such conviction, which shall become a part of the convicted person's driving record.

6. No person shall be subject to prosecution both under this section and under § 33.2-501, 46.2-819, or 46.2-819.1 for actions arising out of the same transaction or occurrence.

7. Any action under this section shall be brought in the general district court of the county or city in which the violation occurred.

§ 33.2-504. Release of personal information to or by HOT lanes operators; penalty.

A. The HOT lanes operator may enter into an agreement with the Department of Motor Vehicles, in accordance with the provisions of subdivision B 21 of § 46.2-208, to obtain vehicle owner information regarding the registered owners of vehicles that use HOT lanes and with the Department of Transportation to obtain any information that is necessary to conduct electronic toll collection and otherwise operate HOT lanes. No HOT lanes operator shall disclose or release any personal information received from the Department of Motor Vehicles or the Department of Transportation to any third party, except in the issuance of a summons and institution of court proceedings in accordance with § 33.2-503. Information in the possession of a HOT lanes operator under this section shall be exempt from disclosure under the Virginia Freedom of Information Act (§ 2.2-3700 et seq.).

B. Information collected by a photo-enforcement system shall be limited exclusively to that information that is necessary for the collection of unpaid tolls. Notwithstanding any other provision of law, all photographs, microphotographs, electronic images, or other data collected by a photo-enforcement system shall be used exclusively for the collection of unpaid tolls and shall not be (i) open to the public; (ii) sold or used for sales, solicitation, or marketing purposes; (iii) disclosed to any other entity except as may be necessary for the collection of unpaid tolls or to a vehicle owner or operator as part of a challenge to the imposition of a toll; or (iv) used in a court in a pending action or proceeding unless the action or proceeding relates to a violation of § 33.2-503 or upon order from a court of competent jurisdiction. Information collected under this section shall be purged and not retained later than 30 days after the collection and reconciliation of any unpaid tolls, administrative fees, or civil penalties. Any entity operating a photo-enforcement system shall annually certify compliance with this section and make all records pertaining to such system available for inspection and audit by the Commissioner of Highways or the Commissioner of the Department of Motor Vehicles or their designee. Any violation of this subsection constitutes a Class 1 misdemeanor. In addition to any fines or other penalties provided for by law, any money or other thing of value obtained as a result of a violation of this section shall be forfeited to the Commonwealth.

§ 33.2-505. Exclusion of HOT lanes from certain other laws.

Notwithstanding any other provision of law, the provisions of §§ 22.1-187, 33.2-501, 33.2-613, 46.2-819, and 46.2-819.1 shall not apply to HOT lanes.

CHAPTER 6.
FERRIES AND TOLL FACILITIES.

§ 33.2-600. Acquisition or establishment of ferries.

The Board may acquire by purchase, condemnation, or gift any ferry within the Commonwealth that forms a connecting link in a state highway and may purchase all equipment and other things necessary for the establishment of new ferries to become connecting links in the primary or secondary state highway system, whenever it shall determine such action to be advisable and expedient. The Board may expend from state highway construction funds of the highway construction district where the ferries are located and are under the Board's control at any time such sums as may be necessary to acquire or establish, maintain, and operate any such ferry.

The Board may operate such ferry either as a free or toll ferry and may establish a toll for the use of such ferry at such rates as are deemed by the Board to be reasonable and proper without regulation by any other governmental body.

§ 33.2-601. Ferry across Corrotoman River.

The public free ferry across the Corrotoman River, in the County of Lancaster, authorized by the act of March 12, 1847, shall be kept according to such act, except as otherwise provided in this section. The Circuit Court of Lancaster may have the contract for keeping the same let to the lowest bidder for a period of five years, and the bonds thereby directed shall be to the County of Lancaster. Furthermore, the ferry shall cross from Merry Point to the upper side of the wharf and canning factory at Ottoman wharf. However, the circuit court of the county shall have the right, upon the application of the board of supervisors, to discontinue the ferry if it appears that public necessity therefor no longer exists. No such application shall be made unless and until notice is given by (i) publication once a week for two successive weeks in a newspaper published in the county or having general circulation therein and (ii) posting copies of the notice at the front door of the courthouse of the county and at both landings of the ferry. Such notice shall be posted and the first newspaper publication made at least 30 days before the day on which the application will be made to the court.

§ 33.2-602. Toll bridges; when privilege ceases.

When an act is passed to authorize the erection of a toll bridge, if the work is not commenced within one year from the passage of such act or is not completed within two years after such commencement or if, after its completion, there is an abandonment of the toll bridge or a failure for three successive years to keep it in good order, the privileges granted by the act shall cease.

§ 33.2-603. Toll bridges not to obstruct navigation or fish.

Every toll bridge shall be made so as not to obstruct the passage of fish or the navigation of the watercourse over which it is erected.

§ 33.2-604. How right to demand tolls ascertained and rates fixed or changed.

Tolls shall be received for passing a bridge only after it appears to the circuit court of the county where the bridge is located that the bridge is completed according to the act authorizing it. The court shall ascertain whether it is so completed by appointing three disinterested freeholders to view it. If they report in writing that it is so completed and their report is confirmed by the court, the person authorized to erect it, or his heirs or assigns, may then demand and receive tolls at the rates fixed by such act from persons or things passing over the bridge. If no rates are fixed, then he, or his heirs or assigns, may receive tolls at such rates as may be fixed by law. If the toll rates are specified in such act they may be changed by law, unless such act otherwise expressly provides.

§ 33.2-605. Special police officers in connection with toll bridges.

A. The circuit court of any county in which there is a toll bridge or its approaches, or the circuit court of any county in which lies any part of any toll bridge or bridges or their approaches belonging to the same proprietor, but which toll bridge or bridges or their approaches lie in more than one county, may, upon the application of the proprietor, appoint any employee of such proprietor, employed in the control or operation of such toll bridge or bridges and approaches, a special police officer. Such special police officer may exercise all the powers and duties imposed and conferred upon sheriffs in the Commonwealth, in criminal matters, upon any such toll bridge or bridges and their approaches. Such power shall extend throughout the Commonwealth when such special police officer is actually in pursuit of a person accused of crime or acting under authority of a warrant duly issued for the arrest of a person charged with a crime. However, no special policeman appointed under this section whose duties as such special policeman are merely incidental to such private employment shall be deemed to be an employee of the Commonwealth or county or counties within which such toll bridges and their approaches lie, within the meaning of the Virginia Workers' Compensation Act (§ 65.2-100 et seq.).

B. Before any such appointment is made, the court shall be satisfied that such person has been a bona fide resident of the Commonwealth for more than one year immediately preceding such appointment and is of good moral character. Before any such person shall be permitted to discharge any of the duties of such special policeman, he shall take the oath required by law and shall give a bond payable to the Commonwealth in the penalty of not less than \$500, conditioned for the faithful discharge of his official duties.

C. No salary shall be paid to any special police officer appointed under subsection A by the Commonwealth or county, or counties, in which such properties lie; nor shall he receive any fees for making any arrest, executing any warrant, summoning a witness, or carrying a person to or from jail.

§ 33.2-606. Permission required to erect or maintain toll bridges over navigable water.

No toll bridge erected after March 19, 1928, shall be constructed, maintained, or operated across, in, or over any navigable waters in or of the Commonwealth, anything in the charter of any company to the contrary notwithstanding, unless a permit is first obtained from the Board. The Board may grant or withhold such permit or prescribe its terms and conditions, as it may deem for the best interest of the Commonwealth, except so far as such terms and conditions are provided for in this chapter.

§ 33.2-607. Approval of plans by Board; inspection; costs.

Detailed plans, estimates, and specifications shall be submitted to the Board for approval before construction is commenced on a toll bridge or approaches under a permit granted under § 33.2-606. No such toll bridge shall be constructed until such plans, estimates, and specifications are approved by the Board. Access to such work shall be granted to the Board, the Commissioner of Highways, and authorized representatives of either at all times during construction. The permittee shall keep accurate records of the cost of such toll bridge and approaches and real and personal property used in the operation thereof and of all replacements and repairs and shall submit a copy to the Board.

§ 33.2-608. Toll bridges may be purchased by Commonwealth.

In addition to the power of eminent domain as provided by law for highways in the primary state highway system, the Commonwealth, acting through the Commissioner of Highways, may purchase any such toll bridge and the approaches thereto with the real estate and tangible personal property necessary for their proper operation, at such time as may be specified in the permit granted for such toll bridge, or at the expiration of any two-year period after such time, all at a price equal to the original cost, to be determined as provided in this section, less depreciation.

In order to exercise the right of the Commonwealth to purchase and take over any such toll bridge and approaches and real estate and tangible personal property, the Commonwealth, through the Commissioner of Highways, shall give to the permittee, or its successor in title of record to such toll bridge and other property, not less than two months' notice of its intention to do so and specify the date on which the conveyance will be required. Title to such toll bridge and approaches and property shall be vested in the Commonwealth free of lien at the time set out in such notice and upon the payment or offer of the purchase price determined in accordance with §§ 33.2-602 through 33.2-610, to such permittee or successor in title of record to such toll bridge and other property, or to the trustee or trustees, or mortgagor or mortgagees in any deed of trust or mortgage on such property, or to the lien creditor or creditors, as their interest may appear of record.

The original cost of such toll bridge and approaches and real estate and tangible personal property shall be determined by the Commissioner of Highways. The original cost shall include the actual cost and an additional amount equal to interest at the rate of six percent on the amount actually invested by such permittee, or successor in title of record, in such property, or in hand for investment therein, during the period of construction. "Actual costs" includes the cost of improvements; financing charges; the cost of traffic estimate and of engineering and legal expenses, plans, specifications, and surveys; estimates of cost and of revenue; other expenses necessary or incident to determining the feasibility or practicability of the enterprise; administrative expenses; and such other expenses as may be necessary or incident to the financing of the project and the placing of the project in operation. The Commissioner of Highways shall determine the depreciation and the reasonableness of each item of actual cost.

§ 33.2-609. Conveyance of toll bridge by Commonwealth.

In the event a toll bridge, at the time it is purchased by the Commonwealth under the provisions of §§ 33.2-602 through 33.2-610, is not on the line of a highway then in one of the systems of state highways, the Commissioner of Highways may convey such toll bridge and approaches and other property to such county or counties in which it may be in whole or in part located, upon the payment by such county or counties of the amount paid by the Commonwealth for such toll bridge and approaches and other property, with interest on such amount at six percent per year from the time of such payment by the Commonwealth. The conveyance shall be executed in the name and on behalf of the Commonwealth by the Commissioner of Highways.

§ 33.2-610. Sections 33.2-606 through 33.2-609 not applicable to certain toll bridges.

Nothing contained in §§ 33.2-606 through 33.2-609 shall be construed to apply to any bridge existing or under construction on March 20, 1928, or to bridges constructed within or adjacent to towns or cities having a population of more than 3,500.

§ 33.2-611. Tolls may vary to encourage travel during off-peak hours.

A. In order to provide an incentive for motorists to travel at off-peak hours, and in accordance with federal requirements, wherever a toll is imposed and collected by the Department or such other entity as may be responsible for imposing or collecting such toll, the amount of such toll may vary according to the time of day, day of the week, traffic volume, vehicle speed, vehicle type, similar variables, or combinations thereof. The amount of such toll and the time of day when such toll changes shall be as fixed and revised by the Board or such other entity as may be responsible for fixing or revising the amount of such toll, provided, however, that any such variation shall be reasonably calculated to minimize the reduction in toll revenue generated by such toll.

B. 1. Beginning July 1, 2008, every agency of the Commonwealth or any political subdivision or instrumentality thereof having control of or day-to-day responsibility for the operation of any toll facility in the Commonwealth shall take all necessary actions to ensure that every newly constructed toll facility under its control is capable of fully automated electronic operation, employing technologies and procedures that permit the collection of tolls from users of the facility, to

the extent possible, without impeding the traffic flow of the facility. An entity operating a toll facility that substantially upgrades its equipment or substantially renovates its facility after July 1, 2008, shall comply with the provisions of this subsection. The provisions of this section shall also apply to any nongovernmental or quasigovernmental entity operating a toll facility under a comprehensive agreement entered into, pursuant to the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq.), on or after January 1, 2008. Nothing in this subsection shall be construed to prohibit a toll facility from retaining means of nonautomated toll collection in some lanes of the facility.

2. For toll facilities within the territory embraced by the Northern Virginia Transportation Authority, the provisions of subdivision 1 apply to all toll facilities, regardless of whether or not they are newly constructed or substantially upgraded.

§ 33.2-612. Unlawful for Department of Transportation to permit free passage over certain toll bridges and ferries; exceptions.

Except for those persons exempted from tolls under § 33.2-613, it shall be unlawful for the Department or any employee thereof to give or permit free passage over any toll bridge, tunnel, or ferry that has been secured through the issuance of revenue bonds and which bonds are payable from the revenues of such project. Every vehicle shall pay the same toll as others similarly situated. Except as provided in § 33.2-613, the provisions hereof shall apply to vehicles and employees of the state government, local governments, or other political subdivisions and to vehicles and persons of all other categories and descriptions, public, private, eleemosynary, or otherwise.

§ 33.2-613. Free use of toll facilities by certain state officers and employees; penalties.

A. Vehicles transporting two or more persons, including the driver, may be permitted toll-free use of the Dulles Toll Road during rush hours by the Board; however, notwithstanding the provisions of subdivision B 1 of § 56-543 said vehicles shall not be permitted toll-free use of a roadway as defined pursuant to the Virginia Highway Corporation Act of 1988 (§ 56-535 et seq.). Upon presentation of a toll pass issued pursuant to regulations promulgated by the Board, the following persons may use all toll bridges, toll ferries, toll tunnels, and toll roads in the Commonwealth without the payment of toll while in the performance of their official duties:

1. The Commissioner of Highways;
2. Members of the Commonwealth Transportation Board;
3. Employees of the Virginia Department of Transportation;
4. The Superintendent of the Department of State Police;
5. Officers and employees of the Department of State Police;
6. Members of the Alcoholic Beverage Control Board;
7. Employees of the regulatory and hearings divisions of the Department of Alcoholic Beverage Control and special agents of the Department of Alcoholic Beverage Control;
8. The Commissioner of the Department of Motor Vehicles;
9. Employees of the Department of Motor Vehicles;
10. Local police officers;
11. Sheriffs and their deputies;
12. Regional jail officials;
13. Animal wardens;
14. The Director and officers of the Department of Game and Inland Fisheries;
15. Persons operating firefighting equipment and ambulances owned by a political subdivision of the Commonwealth or a nonprofit association or corporation;
16. Operators of school buses being used to transport pupils to or from schools;
17. Operators of (i) commuter buses having a capacity of 20 or more passengers, including the driver, and used to regularly transport workers to and from their places of employment and (ii) public transit buses;
18. Employees of the Department of Rail and Public Transportation;
19. Employees of any transportation facility created pursuant to the Virginia Highway Corporation Act of 1988; and
20. Law-enforcement officers of the Virginia Marine Resources Commission.

B. Notwithstanding the provision of subsection A requiring presentation of a toll pass for toll-free use of such facilities, in cases of emergency and circumstances of concern for public safety on the highways of the Commonwealth, the Department of Transportation shall, in order to alleviate an actual or potential threat or risk to the public's safety, facilitate the flow of traffic on or within the vicinity of the toll facility by permitting the temporary suspension of toll collection operations on its facilities.

1. The assessment of the threat to public safety shall be performed and the decision temporarily to suspend toll collection operations shall be made by the Commissioner of Highways or his designee.

2. Major incidents that may require the temporary suspension of toll collection operations shall include (i) natural disasters such as hurricanes, tornadoes, fires, and floods; (ii) accidental releases of hazardous materials such as chemical spills; (iii) major traffic accidents, such as multivehicle collisions; and (iv) other incidents deemed to present a risk to public safety.

3. In any judicial proceeding in which a person is found to be criminally responsible or civilly liable for any incident resulting in the suspension of toll collections as provided in this subsection, the court may assess against the person an amount equal to lost toll revenue as a part of the costs of the proceeding and order that such amount, not to exceed \$2,000 for any individual incident, be paid to the Department of Transportation for deposit into the toll road fund.

C. Any tollgate keeper who refuses to permit the persons listed in subsection A to use any toll bridge, toll ferry, toll tunnel, or toll road upon presentation of such a toll pass is guilty of a misdemeanor punishable by a fine of not more than \$50 and not less than \$2.50. Any person other than those listed in subsection A who exhibits any such toll pass for the purpose of using any toll bridge, toll ferry, toll tunnel, or toll road is guilty of a Class 1 misdemeanor.

D. Any vehicle operated by the holder of a valid driver's license issued by the Commonwealth or any other state shall be allowed free use of all toll bridges, toll roads, and other toll facilities in the Commonwealth if:

1. The vehicle is specially equipped to permit its operation by a handicapped person;
2. The driver of the vehicle has been certified, either by a physician licensed by the Commonwealth or any other state or by the Adjudication Office of the U.S. Department of Veterans Affairs, as being severely physically disabled and having permanent upper limb mobility or dexterity impairments that substantially impair his ability to deposit coins in toll baskets;
3. The driver has applied for and received from the Department of Transportation a vehicle window sticker identifying him as eligible for such free passage; and
4. Such identifying window sticker is properly displayed on the vehicle.

A copy of this subsection shall be posted at all toll bridges, toll roads, and other toll facilities in the Commonwealth. The Department of Transportation shall provide envelopes for payments of tolls by those persons exempted from tolls pursuant to this subsection and shall accept any payments made by such persons.

E. Nothing contained in this section or in § 33.2-612 or 33.2-1718 shall operate to affect the provisions of § 22.1-187.

F. Notwithstanding the provisions of subsections A, B, and C, only the following persons may use the Chesapeake Bay Bridge-Tunnel, facilities of the Richmond Metropolitan Authority, or facilities of an operator authorized to operate a toll facility pursuant to the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq.) without the payment of toll when necessary and incidental to the conduct of official business:

1. The Commissioner of Highways;
2. Members of the Commonwealth Transportation Board;
3. Employees of the Department of Transportation;
4. The Superintendent of the Department of State Police;
5. Officers and employees of the Department of State Police;
6. The Commissioner of the Department of Motor Vehicles;
7. Employees of the Department of Motor Vehicles; and
8. Sheriffs and deputy sheriffs.

G. Any vehicle operated by a quadriplegic driver shall be allowed free use of all toll facilities in Virginia controlled by the Richmond Metropolitan Authority, pursuant to the requirements of subdivisions D 1 through 4.

§ 33.2-614. Disclosure of certain information relating to use of toll facilities; injunctive relief; attorney fees.

A. Neither the Department nor any other operator of any toll bridge, toll road, or other toll facility nor any employee or contractor with the Department or other toll facility operator shall disclose any information derived from an automated electronic toll collection system about the time, date, or frequency of use or nonuse of any such facility by any individually identified motor vehicle except when ordered to do so by a court of competent jurisdiction. The provisions of this section shall not apply to information supplied (i) to any person who is a participant in the electronic toll collection system, when such information is limited to vehicles owned or leased by such person; (ii) to the issuer of any credit card or debit card or other third party vendor when such information is necessary for collecting the toll and ensuring the accuracy of such billing by the operator; (iii) for statistical or research purposes, when such information contains no data attributable to individual vehicles or individual participants; or (iv) to federal, state, and local law enforcement, when such information is required in the course of an investigation where time is of the essence in preserving and protecting human life or public safety.

B. Any aggrieved person may institute a proceeding for injunction or mandamus against any person, governmental agency, or other entity that has engaged, is engaged, or is about to engage in any acts or practices in violation of the provisions of this section. The proceeding shall be brought in the circuit court of any county or city wherein the person, governmental agency, or other entity made defendant resides or has a place of business. In the case of any successful proceeding by an aggrieved party, the person, governmental agency, or other entity enjoined or made subject to a writ of mandamus by the court shall be liable for the costs of the action together with reasonable attorney fees as determined by the court.

CHAPTER 7.

LOCAL AUTHORITY OVER HIGHWAYS.

Article 1.

General Provisions.

§ 33.2-700. Transfer of highways, etc., from secondary state highway system to local authorities.

Whenever any town has a population of more than 3,500 inhabitants, all the streets, highways, causeways, bridges, landings, and wharves in such town that were incorporated within the secondary state highway system shall be eliminated from such system and the control and jurisdiction over them shall be vested in the local authorities. This section shall in no way affect the rights of such towns to receive the benefits provided elsewhere in this title.

§ 33.2-701. Levies.

The governing bodies of the counties shall not make any levy of county or district road taxes or contract any further indebtedness for the construction, maintenance, or improvement of highways; however, the governing bodies of the counties

shall continue to make county or district levies, as the case may be, upon all real and personal property subject to local taxation, in such county or magisterial district, and not embraced within the corporate limits of any town that maintains its own streets and is exempt from county and district road taxes unless the citizens of such towns voted on the question of issuing county or district road bonds, sufficient only to provide for the payment of any bonded or other indebtedness and for the interest contracted thereon that may be outstanding as an obligation of any county or district contracted for road purposes or for the sinking fund for the retirement of any bonded indebtedness established for county or district road purposes.

For the purpose of this section, "district" means a magisterial, sanitary, or other special district created by the governing body of a county for the levy of road taxes.

§ 33.2-702. Gifts received by counties for construction, maintenance, etc., of secondary highways.

Notwithstanding the provisions of § 33.2-701 or any other provisions of law to the contrary, the governing body of any county may accept gifts of money, property, or services to be utilized for the construction, maintenance, and improvement of the secondary state highway system in such county, in conformity with specifications of and in cooperation with the Department, provided that such gift resources may be matched in value by appropriations from the county's general funds. The allocation of such donated and appropriated resources to the secondary highways shall be made by the governing body of the county, after consultation with the Department, to be used by the Department in accordance with the wishes of the governing body of such county.

§ 33.2-703. Funds for highways not in secondary state highway system.

Notwithstanding the provisions of § 33.2-701 or 33.2-706, the governing body of any county under the urban county executive form of government may expend funds on minor improvements and maintenance of highways not within the secondary state highway system, provided such highways are open for public use. A highway shall be determined to be open for public use by applying the same standards set forth in § 33.2-105 or by final order of a court of competent jurisdiction on or before January 1, 1978, except that in order to be eligible for funds under this section such highways need not be 30 feet wide but shall not be less than 15 feet wide. The maximum amount of mileage to be maintained under this section shall not exceed 30 miles.

§ 33.2-704. Agreements between localities for construction and operation of toll facilities.

The governing bodies of adjacent localities may enter into agreements providing for the construction and operation of highways, bridges, and ferries within their boundaries and for the imposition and collection of tolls for the use of such facilities. Such tolls may be in whatever amount, subject to whatever conditions, and expended for whatever purposes provided for in such agreements. Such agreements shall provide for the design, land acquisition, or construction of primary or secondary highway projects that have been included in the six-year plan pursuant to § 33.2-331, or in the case of a primary highway, an approved project included in the six-year improvement program of the Board. Such agreements shall specify relevant procedures and responsibilities concerning the design, right-of-way acquisition, construction, and contract administration of such projects. Any facility constructed pursuant to the authority granted in this section shall be constructed in accordance with the applicable standards of the Department for such facility. Prior to executing any agreement pursuant to this section, a joint public hearing shall be held concerning the benefits of and need for as well as the location and design of the facility.

Article 2.

Establishment, Alteration, and Discontinuance of Highways.

§ 33.2-705. Continuance of powers of county authorities; alternative procedure.

The local authorities shall continue to have the powers vested in them on June 20, 1932, for the establishment of new highways in their respective counties, which shall, upon such establishment, become parts of the secondary state highway system within such counties. They shall likewise have the power to alter or change the location of any highway now in the secondary state highway system within such counties or that may hereafter become a part of the secondary state highway system within such counties. The Commissioner of Highways shall be made a party to any proceeding before the local authorities for the establishment of any such highway or for the alteration or change of the location of any such highway. When any such board or commission appointed by the governing body of a county to view a proposed highway or to alter or change the location of an existing highway shall award damages for the right-of-way for the same, in either case to be paid in money, it may be paid by the governing body of the county out of the general county levy funds. No expenditure by the Commonwealth shall be required upon any new highway so established or any old road the location of which is altered or changed by the local authorities, except as may be approved by the Commissioner of Highways. If the property sought to be taken is for the easement or right-of-way, the plat shall reasonably indicate thereon any appurtenant right-of-way or easement for ingress and egress to and from the principal easement or right-of-way being taken.

As an alternative to the method of establishing or relocating a highway provided in the preceding paragraph, the Commissioner of Highways, by and with the approval of the Board and the governing body of a county, shall have power and authority to make such changes in routes in, and additions to, the secondary state highway system as the public safety or convenience may require.

The service of any process or notice in any such proceedings upon the district administrator of the Department having the supervision of maintenance and construction of highways in any such county shall be termed sufficient service on the Commissioner of Highways.

§ 33.2-706. How highways and bridges in counties established or altered; examination and report; width and grade of highways; employing engineer.

Whenever the governing body of any county is of the opinion that it is necessary to establish or alter the location of a public highway or bridge, or any other person applies to the local governing body therefor, it may appoint five viewers, who shall be resident freeholders of the county, any three of whom may act, to examine such highways or routes and report upon the expediency of establishing or altering the location of such public highway or bridge. In lieu of such viewers, the local governing body may direct the county road engineer or county road manager to examine such highway or route and make such report, and such board may establish or alter such highway or bridge upon such location and of such width and grade as it may prescribe. The right-of-way for any public highway shall not be less than 30 feet wide, except that in any case in which the cost of constructing and maintaining any such highway is to be borne by any individual the right-of-way for such highway may be less than 30 but not less than 15 feet in width. If none of the viewers is an engineer, appointed for the purpose of making survey and map, the local governing body may employ an engineer, if necessary, to assist the viewers.

§ 33.2-707. Duty of viewers.

The viewers or the county road engineer or county road manager shall, as early as practicable after receiving the order of the local governing body, proceed to make the view and may examine routes and locations other than that proposed and if of the opinion that there is a necessity to establish or alter the location of the public highway or bridge shall locate the same and make a report to the local governing body that includes a map or diagram of the location made and that states:

1. Their reasons for preferring the location made;
2. The probable cost of establishing or altering the location of such highway or bridge;
3. The convenience and inconvenience that will result to individuals as well as to the public;
4. Whether the highway or bridge will be one of such mere private convenience as to make it proper that it should be opened, established, or altered and kept in order by the person for whose convenience it is desired;
5. Whether any yard, garden, or orchard will have to be taken;
6. The names of the landowners on such route;
7. Which of such landowners require compensation;
8. What will be a just compensation to the landowners requiring compensation for the land so taken and for the damages to the residue of the tract, if any, beyond the peculiar benefits to be derived in respect to such residue, from the highway or bridge to be established; and
9. All other facts and circumstances in their opinion useful in enabling the local governing body to determine the expediency of establishing or altering the highway or bridge.

They shall file such report with the clerk of the local governing body.

§ 33.2-708. Pay to viewers, commissioners, and engineers.

A statement in writing showing the number of days each viewer or commissioner and engineer, appointed or employed under the provisions of this article, was employed shall be sworn to and presented to the governing body, and the governing body may allow a reasonable compensation not exceeding \$50 per day to each viewer or commissioner and not exceeding \$7.50 per day and necessary traveling expenses for the engineer, provided that in any county adjoining a county having a population in excess of 1,000 per square mile and in the County of Henrico, the governing body may pay the viewers, commissioners, and engineers in addition to expenses not exceeding \$25 a day for each day they were respectively employed hereunder:

§ 33.2-709. Consent of landowners.

In the event that some of the landowners do not require compensation and will execute their written consent giving the right-of-way in question, the viewers or the county road engineer or county road manager shall obtain such consent and return it with the report to the local governing body, and such written consent shall operate and have the force and effect of a deed from the landowners of the county for the right-of-way so long as it is used by the public, in case the highway is established, and it shall be recorded in the deed books of the county.

Should any of the landowners require compensation and not unite in such deed, the subsequent proceedings shall be as prescribed in this article.

§ 33.2-710. Proceedings on report; notice to owners.

At the next meeting of the local governing body after receipt of such report, as provided in § 33.2-707, unless the opinion of the local governing body is against establishing or altering the highway or bridge, the local governing body shall require its clerk to give written notice to the owner of the land on which it is proposed to establish or alter such highway or bridge at least five days before the hearing to be held under § 33.2-712 informing the owner of the time and place of the hearing at which he may appear and present his views. Notice sent by registered or certified mail to the last known address of such owner as shown on the current real estate tax assessment books shall be deemed adequate compliance with this requirement. If the hearing is continued, notice shall be mailed again. If the current real estate tax assessment books do not contain the name of the owner of the affected land, notice of the hearing shall be published once each week for four successive weeks in a newspaper having general circulation in the county.

§ 33.2-711. Guardian ad litem for persons under disability.

If any such owner or proprietor is a person under a disability as defined in § 8.01-2, the circuit court of the county shall, at the time the clerk shall issue such process, or as soon thereafter as practicable, upon the court's or judge's own motion, or upon the suggestion of any party in interest, appoint for such person a guardian ad litem, who shall faithfully represent the interest of the person under a disability and whose fees shall be fixed by the court or judge making the appointment.

§ 33.2-712. Defense allowed; what board may do.

Upon the return of the process duly executed, defense may be made to the proceedings by any party and the local governing body may hear testimony touching the expediency or propriety of establishing or altering the highway or bridge. Upon such hearing, the local governing body shall fix just compensation to the proprietors and tenants for the land proposed to be taken and the damage accruing therefrom, unless the local governing body is of the opinion that the highway or bridge should not be established or altered in which case it shall so order.

§ 33.2-713. Appointment of commissioners to assess damages.

If a tenant or proprietor desires or if the local governing body sees cause, the local governing body shall appoint five disinterested resident freeholders of the county as commissioners, any three of whom may act to ascertain just compensation for the land to be taken for such highway or bridge and damages, if any, to the residue, beyond the benefits to be derived by such residue, from such highway or bridge.

§ 33.2-714. Enhancement in value of residue.

The enhancement, if any, in value of the residue by reason of the establishment or alteration of such highway or bridge shall be offset against the damage to the residue, but there shall be no recovery over against such landowner for any excess nor shall enhancement be offset against the value of land taken.

§ 33.2-715. Action of commissioners; report.

The commissioners shall meet on the lands of the proprietors and tenants that are named in the order of the local governing body at a specified place and day, of which notice shall be given by the sheriff to such proprietors and tenants or their agents. Notice need not be given to any person present at the time the order is made. Any one or more of the commissioners attending on the land may adjourn, from time to time, until their business is finished. The commissioners, in the discharge of their duties, shall comply in all respects with the provisions of Chapter 2 (§ 25.1-200 et seq.) of Title 25.1 so far as applicable. They shall promptly make their report as required by § 25.1-232 to the local governing body and, unless good cause is shown against the report, it shall be confirmed. If, however, good cause is shown against the report or the commissioners report their disagreement or fail to report within a reasonable time, the local governing body may appoint other commissioners to ascertain the compensation and damages. When any report is confirmed, the local governing body shall establish or alter the highway or bridge with or without gates, as it may seem proper, and provide for the payment of the compensation and damages allowed.

§ 33.2-716. Appeal to circuit court.

If an applicant, proprietor, or tenant is not satisfied with the decision of the local governing body with respect to the amount of compensation or damages allowed, he may appeal, but only on the question of compensation and damages, to the circuit court of the county, provided such appeal is filed within 60 days. The court shall hear the matter de novo as to the amount of compensation and damages with the further right of appeal as provided by general law. Upon the hearing of the appeal, the court shall ascertain the amount of compensation and damages, if any, to which such proprietor is entitled, and shall certify the same to the local governing body, which shall proceed to carry out the judgment of the court, provided that the local governing body shall be summoned to appear at the hearing of the appeal.

§ 33.2-717. Who shall pay costs, compensation, and damages.

When the highway or bridge is established or altered, the county shall be chargeable with the compensation and damages to the proprietor or tenant and all costs incurred in the proceedings, provided that when the record shows that the sum allowed by the circuit court on appeal, as compensation and damages to any proprietor or tenant is not more than the amount allowed by the local governing body from whose decision the appeal was taken, such proprietor or tenant shall be adjudged to pay the costs occasioned by such appeal. When the local governing body decides against the application to establish or alter a highway or bridge, the applicant shall pay the costs incurred in the case, except the compensation of the viewers.

But when it shall appear to the local governing body that the opening and establishing or altering of such highway will be for mere private convenience, then the local governing body may order the same upon condition that such applicant pay, in whole or in part, the compensation and damages to the proprietor or tenant and the costs of the proceedings and keep the highway in order. In any such case the highway shall not be opened and established or altered until such compensation and damages and costs has been first paid or the written consent of the proprietor or tenant has been given.

§ 33.2-718. Highways not to be established through cemetery or seminary of learning without owners' consent.

No highway shall be established upon or through the lands of any cemetery or through the lands of any seminary of learning without the consent of the owners thereof.

§ 33.2-719. Abandonment of certain highways and railway crossings.

The governing body of any county that has chosen or hereafter chooses not to be included in the provisions of Article 3 (§ 33.2-324 et seq.) of Chapter 3, whenever it deems that any part of a highway subject to its jurisdiction is no longer

required or an existing crossing by any such highway of the lines of a railway company, or any existing crossing by the lines of a railway company of such highway, is no longer necessary as a part of such highway system, may abandon the section of highway or the crossing.

The procedure for any such abandonment shall be governed by the provisions applicable to the Board as provided in Articles 1, 2, and 3 (§§ 33.2-901 through 33.2-926) of Chapter 9 and all provisions applicable to the Board shall apply, mutatis mutandis, to the governing body of the county.

§ 33.2-720. Supervisors may issue process.

The governing body of a county shall have power to cause process to issue and compel the attendance of witnesses and other parties.

§ 33.2-721. Compensation of clerk of board.

The clerk of the local governing body of a county shall receive for the duties to be performed by him under the provisions of this article compensation to be fixed and allowed to him by the local governing body.

§ 33.2-722. Discontinuance of gates on public highways.

Whenever a public highway is, or has been, established with gates, any person may apply to the governing body of the county to have such gates discontinued, on which application proceedings shall be had in accordance with the applicable provisions of §§ 33.2-706 through 33.2-717. If the local governing body decides that the gates shall be removed, it shall direct the sheriff of the county to remove the same, and the sheriff shall do so at such time as the local governing body may direct.

When damages are allowed to any person or persons on account of the removal of such gates, such damages and the costs incident to the proceeding shall be paid out of the county general fund. Any such person shall have an appeal of right to the circuit court of the county, at any time within 10 days from the date of the order making such allowance, but only from the amount of damages allowed.

Article 3.

Assumption of District Highway Indebtedness.

§ 33.2-723. Assumption of district highway indebtedness by counties.

A. Any county may assume the payment of and pay any outstanding indebtedness of any magisterial district or districts thereof incurred for the purpose of constructing public highways that were subsequently taken over by the Commonwealth, provided the assumption thereof is approved by a majority of the qualified voters of the county voting on the question at an election to be held as provided in this section.

B. The governing body of the county may, by a resolution entered of record in its minute book, require the judges of election to open a poll at the next regular election and take the sense of the qualified voters of the county upon the question whether or not the county shall assume the highway indebtedness of district, or districts. The local governing body shall cause notice of such election to be given by the posting of written notice thereof at the front door of the county courthouse at least 30 days prior to the date the same is to be held and by publication thereof once a week for two successive weeks in a newspaper published or having general circulation in the county, which notice shall set forth the date of such election and the question to be voted on.

C. The ballots for use in voting upon the question so submitted shall be prepared, printed, distributed, voted, and counted and the returns made and canvassed in accordance with the provisions of § 24.2-684. The results shall be certified by the commissioners of election to the county clerk, who shall certify the same to the governing body of the county, and such returns shall be entered of record in the minute book of the local governing body.

D. If a majority of the voters voting on the question vote in favor of the assumption by the county of the highway indebtedness of any district of the county, such indebtedness shall become and be an obligation of the county and as binding thereon as if the same had been originally contracted by the county. In such event the governing body of the county is authorized to levy and collect taxes throughout the county for the payment of the district indebtedness so assumed, both as to principal and interest.

E. Nothing contained in this section shall affect the validity of such district highway obligations in the event that the result of such election is against the assumption thereof by the county, but they shall continue to be as valid and binding in all respects as they were in their inception.

CHAPTER 8.

OFFENSES CONCERNING HIGHWAYS.

§ 33.2-800. Definition.

As used in this chapter, "highway" means a state or county highway.

§ 33.2-801. Cutting or damaging trees; damaging bridges; damaging markers; obstructing highways; penalty.

Any person is guilty of a Class 1 misdemeanor who:

1. Cuts or damages a tree within 50 feet of a highway so as to render it liable to fall and leaves it standing;
2. Knowingly and willfully, without lawful authority, breaks down, destroys, or damages any bridge or log placed across a stream for the accommodation of pedestrians;
3. Obstructs any highway or any ditch made for the purpose of draining the highway;
4. Willfully or maliciously displaces, removes, destroys, or damages any highway sign or historical marker or any inscription thereon that is lawfully within a highway; or

5. Puts or casts into any public highway any glass, bottles, glassware, crockery, porcelain or pieces thereof, caltrops or any pieces of iron or hard or sharp metal, or any nails, tacks, or sharp-pointed instruments of any kind, likely in their nature to cut or puncture any tire of any vehicle or injure any animal traveling thereon. This subdivision shall not apply to the use of any tire deflation device by a law-enforcement officer while in the discharge of his official duties, provided the device was approved for use by the Division of Purchase and Supply.

§ 33.2-802. Dumping trash; penalty.

A. It shall be unlawful for any person to dump or otherwise dispose of trash, garbage, refuse, litter, a companion animal as defined in § 3.2-6500 for the purpose of disposal, or other unsightly matter on public property, including a public highway, right-of-way, or property adjacent to such highway or right-of-way, or on private property without the written consent of the owner or his agent.

B. When any person is arrested for a violation of this section, and the matter alleged to have been illegally dumped or disposed of has been ejected from a motor vehicle or transported to the disposal site in a motor vehicle, the arresting officer may comply with the provisions of § 46.2-936 in making an arrest.

When a violation of the provisions of this section has been observed by any person, and the matter illegally dumped or disposed of has been ejected or removed from a motor vehicle, the owner or operator of the motor vehicle shall be presumed to be the person ejecting or disposing of the matter. However, such presumption shall be rebuttable by competent evidence.

C. Any person convicted of a violation of this section is guilty of a misdemeanor punishable by confinement in jail for not more than 12 months and a fine of not less than \$250 or more than \$2,500, either or both. In lieu of the imposition of confinement in jail, the court may order the defendant to perform a mandatory minimum of 10 hours of community service in litter abatement activities.

D. The governing bodies of localities may adopt ordinances not in conflict with the provisions of this section and may repeal or amend such ordinances.

E. The provisions of this section shall not apply to the lawful disposal of such matter in landfills.

§ 33.2-803. Dump creating fire hazard to public bridge; penalty.

It shall be unlawful for any person to establish or maintain a public or private dump containing flammable articles within 500 feet of any public bridge constructed wholly or partly of wood so as to create a fire hazard to such bridge. Any person violating this section is guilty of a Class 1 misdemeanor. Each day of operation in violation of this section shall constitute a separate offense. An offense in violation of this section may be enjoined in the manner provided by law for the abatement of public nuisances.

§ 33.2-804. Junkyards; penalty.

A. For the purpose of promoting the public safety, health, welfare, convenience, and enjoyment of public travel, protecting the public investment in public highways, and preserving and enhancing the scenic beauty of lands bordering public highways, it is hereby declared to be in the public interest to regulate and restrict the establishment, operation, and maintenance of junkyards in areas adjacent to the highways within the Commonwealth.

B. As used in this section:

"Automobile graveyard" means any lot or place that is exposed to the weather and upon which more than five motor vehicles of any kind that are incapable of being operated and which it would not be economically practical to make operative are placed, located, or found. The movement or rearrangement of vehicles within an existing lot or facility does not render this definition inapplicable. The provisions established by this subsection shall begin with the first day that the vehicle is placed on the subject property.

"Federal-aid primary highway" means any highway within that portion of the primary state highway system as established and maintained under Article 2 (§ 33.2-310 et seq.) of Chapter 3, including extensions of such system within municipalities that have been approved by the U.S. Secretary of Commerce pursuant to 23 U.S.C. § 103(b).

"Junk" means old or scrap copper, brass, rope, rags, batteries, paper, trash, rubber, debris, or waste; junked, dismantled, or wrecked automobiles or parts thereof; and old or scrap iron, steel, or other ferrous or nonferrous material.

"Junkyard" means an establishment or place of business that is maintained, operated, or used for storing, keeping, buying, or selling junk or for the maintenance or operation of an automobile graveyard. "Junkyard" includes garbage dumps and sanitary landfills.

"National Highway System" means the federal-aid highway system referenced in 23 U.S.C. § 103 and regulations adopted pursuant thereto, which includes those highways that are designated as such by congressional action or designation by the U.S. Secretary of Transportation. Prior to congressional approval or designation by the U.S. Secretary of Transportation, highways classified as National System of Interstate and Defense Highways, Dwight D. Eisenhower National System of Interstate and Defense Highways, Interstate System, or federal-aid primary highways as that system existed on June 1, 1991, shall be considered as the National Highway System.

"Primary highway" means any highway within the primary state highway system as established and maintained under Article 2 (§ 33.2-310 et seq.) of Chapter 3, including extensions of such system within municipalities.

"Visible" means capable of being seen without visual aid by a person of normal visual acuity.

C. No junkyard shall be established any portion of which is within 1,000 feet of the nearest edge of the right-of-way of any National Highway System highway or primary highway or within 500 feet of the nearest edge of the right-of-way of any other highway or city street, except the following:

1. Junkyards that are screened by natural objects, plantings, fences, or other appropriate means so as not to be visible from the main-traveled way of the highway or city street or otherwise removed from sight.

2. Junkyards that are located in areas that are zoned for industrial use under authority of state law or in unzoned industrial areas as determined by the Board.

3. Junkyards that are not visible from the main-traveled way of the highway or city street.

D. Any junkyard lawfully in existence on April 4, 1968, that is within 1,000 feet of the nearest edge of the right-of-way and visible from the main-traveled way of any interstate or federal-aid primary highway, and not located within an industrial area, shall be screened, if feasible, by the Commissioner of Highways at locations on the highway right-of-way or in areas acquired for such purposes outside the right-of-way, so as not to be visible from the main-traveled way of such highways.

Any junkyard lawfully in existence on April 4, 1968, that is within 1,000 feet of the nearest edge of the right-of-way of any other primary highway or within 500 feet of the nearest edge of the right-of-way of any other highway and visible from the main-traveled way of such highway, and not located within an industrial area, may be screened by the Commissioner of Highways in the same manner as junkyards adjacent to National Highway System highways.

The Commissioner of Highways is authorized to acquire by purchase, gift, or the power of eminent domain such lands or interests in lands as may be necessary to provide adequate screening of such junkyards.

E. When the Commissioner of Highways determines that the topography of the land adjoining a National Highway System highway will not permit adequate screening of such junkyards or the screening of such junkyards would not be economically feasible, the Commissioner of Highways shall have the authority to acquire by gift, purchase, or the power of eminent domain such interests in lands as may be necessary to secure the relocation, removal, or disposal of the junkyards and to pay for the costs of their relocation, removal, or disposal. When the Commissioner of Highways determines that the topography of the land adjoining any other highway will not permit adequate screening or such would not be feasible, the Commissioner of Highways may exercise the same authority to relocate such junkyards as is vested in him in regard to National Highway System highways.

F. Any junkyard that comes into existence after April 4, 1968, and that cannot be made to conform to this section is declared to be a public and private nuisance and may be forthwith removed, obliterated, or abated by the Commissioner of Highways or his representatives. The Commissioner of Highways may collect the cost of such removal, obliteration, or abatement from the person owning or operating the junkyard.

G. The Board is authorized to enter into agreements with the United States as provided in 23 U.S.C. § 136 with respect to control of junkyards.

H. The Commissioner of Highways shall not be required to expend any funds for screening or relocation under this section unless and until federal-aid matching funds are made available for this purpose.

I. Any person violating any provision of this section is guilty of a Class 1 misdemeanor.

CHAPTER 9.

ABANDONMENT AND DISCONTINUANCE OF HIGHWAYS AND ROADS.

Article 1.

Abandonment and Discontinuance of Highways in Primary State Highway System.

§ 33.2-900. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Abandonment" means that the public's right to use a public highway, public landing, or public crossing has been extinguished.

"Discontinuance" means that the Board has determined that a highway, landing, or crossing no longer serves the public convenience warranting its maintenance at public expense; it divests the Department from maintenance responsibilities. Discontinuance does not render a highway, landing, or crossing unavailable for public use.

§ 33.2-901. Discontinuance of a section of a highway or railroad crossing.

In any case in which a section of a highway is deemed by the Commissioner of Highways no longer necessary for the uses of the primary state highway system, or when, in laying out, constructing, or maintaining sections of highways in the primary state highway system, a part of a highway has been or is straightened or the location of a part of it is altered and a section of the highway is deemed by the Commissioner of Highways no longer necessary for the uses of the primary state highway system, the Commissioner of Highways, by and with the approval of the Board, may discontinue such section of the highway as a part of the primary state highway system. In addition, in any case in which an existing crossing by such highway of the lines of a railroad company or a crossing by the lines of a railroad company of such highway is deemed by the Commissioner of Highways no longer necessary as a part of the primary state highway system, the Commissioner of Highways, by and with the approval of the Board, may discontinue such crossing as a part of the primary state highway system. Discontinuance under this section does not constitute an abandonment of such highway as a public highway or such crossing as a public crossing unless the procedure conforms to § 33.2-902.

The opening of the new section of highway by the Commissioner of Highways and the entry by the Board upon its minutes of its approval of the discontinuance of the section of the highway or the railroad crossing shall be sufficient to constitute such discontinuance.

§ 33.2-902. Abandonment of highway or railroad crossing; procedure.

A. The Commissioner of Highways either on his own motion or upon petition of any interested landowner may cause any section of a highway in the primary state highway system, or any crossing by such highway of the lines of a railroad company or crossing by the lines of a railroad company of such highway, to be abandoned altogether as a public highway or as a public crossing by complying substantially with the procedure provided in this section.

B. The Commissioner of Highways or any interested landowner may file application with the Board setting out the section of the highway or the railroad crossing sought to be abandoned as a public highway or public railroad crossing. The Board shall give notice of the filing of the application (i) by posting a notice of such application at least three days before the first day of a regular term of the circuit court at the front door of the courthouse of the county in which the section of the highway or railroad crossing sought to be abandoned as a public highway or public railroad crossing is located, or if the section of the highway or the railroad crossing is located partly in two or more counties, at the front door of the courthouse of each county, or (ii) by publishing a notice of such application in two or more issues of a newspaper published in the county or one of the counties in which the section of the highway or the crossing is located. The Board shall also send by registered mail a notice of the application to the governing body of the county or counties. If such highway or railroad crossing is in a town with a population of 3,500 or less, the Board shall give notice to the governing body of the town in the same manner as notice is required to be given to the governing body of the county in which the town is located.

C. If one or more landowners in the county or counties affected by such proposed abandonment or the governing body of a county or town in which the highway or railroad crossing is located files a petition with the Board within 30 days after notice is posted or published and mailed as provided in this section, the Board or a representative thereof shall hold a public hearing in the county or one of the counties for consideration of the application and shall give notice of the time and place of the hearing by publishing such information in at least two issues in a newspaper having general circulation in the county or one of the counties and by mailing notice of the hearing to the governing body of the county or counties, and if applicable to the governing body of the town, in which the highway or railroad crossing is located.

D. If a petition for a public hearing is not filed as provided in this section, or if after a public hearing is held a majority of the Board is satisfied that no public necessity exists for the continuance of the section of highway as a public highway or the railroad crossing as a public railroad crossing or that the welfare of the public would be served best by abandoning the section of highway or the railroad crossing as a public highway or public railroad crossing, the Board shall (i) within four months of the 30-day period during which notice was posted where no petition for a public hearing was filed or (ii) within four months after the public hearing enter an order on its minutes abandoning the section of highway as a public highway or the railroad crossing as a public railroad crossing, and with that order the section of highway shall cease to be a public highway, unless the local governing body takes control as provided in this article, or the railroad crossing shall cease to be a public railroad crossing. If the Board is not so satisfied, it shall enter an order dismissing the application within the applicable four months provided in this subsection.

E. In considering the abandonment of any section of highway under the provisions of this section, due consideration shall be given to the historic value, if any, of such highway.

§ 33.2-903. Grade crossing closing and safety.

A. It is the public policy of the Commonwealth to enhance public safety by establishing safe highway-rail grade crossings, to consolidate and close unsafe, unnecessary, or redundant crossings, and to limit the establishment of new crossings. The Board has the authority to close public highway-rail grade crossings on all systems of state highways for which it has responsibility.

B. The Commissioner of Highways on his own motion or by request of any interested landowner, railroad corporation, or local governing body may petition the Board to close a highway-rail grade crossing as a public crossing.

C. Prior to petitioning the Board to close a highway-rail grade crossing, the Commissioner of Highways shall conduct a traffic engineering study to determine the validity of closing the crossing. The traffic engineering study shall consider all factors, including (i) the number of freight and passenger trains passing the crossing and their timetable speeds, (ii) the distance to an alternate crossing, (iii) the availability of alternate access, (iv) the crossing's accident history during the five-year period immediately prior to the study, (v) the number of vehicles per day using the crossing, (vi) the posted speed limit at the crossing, (vii) the type of warning devices present at the crossing, (viii) the alignment of the roadway and railroad and their angle of intersection, (ix) the number of trucks per day carrying hazardous materials through the crossing, (x) the number of vehicles per day carrying passengers for hire through the crossing, (xi) the number of school buses per day using the crossing, and (xii) the use of the crossing by emergency vehicles.

D. The results of the traffic engineering study shall be made public in accordance with the procedures set forth in § 33.2-902. The Commissioner of Highways shall present his findings and recommendations to the Board, and the Board shall decide what actions to take regarding the railroad crossing at issue.

§ 33.2-904. Effect of abandonment.

In the case of abandonment of a section of highway or a railroad crossing that is part of the primary state highway system under the provisions of this article, such section of highway or such railroad crossing shall not thereafter be a public highway or public railroad crossing unless conveyed to the county or town and subject to the authority of the local governing body. In the case of proceedings for abandonment of any section of highway, not including a railroad crossing situated less than one and one-half miles from another public crossing over the same railroad, as a public highway under the provisions of this article, the local governing body, insofar as such section of highway is located within the county of

such governing body, shall have authority to take over such section of highway, not including the railroad crossing, and maintain it as a public highway. However, the local governing body shall adopt an ordinance or resolution to that effect and to give notice thereof to the Commissioner of Highways within 30 days from the posting or publishing and mailing of the notice of the application for the abandonment of such section of highway as a public highway as provided in this article.

§ 33.2-905. Appeal to circuit court.

A. Any one or more of the landowners who filed a petition, the governing body of any county or town in which the section of highway or the railroad crossing is wholly or partly located, or the Commissioner of Highways may within 30 days from the entry of the order by the Board appeal from the order to the circuit court of the county in which the section of highway or the railroad crossing, or the major portion thereof, sought to be abandoned under § 33.2-902 is located. If the Board fails to enter an order pursuant to § 33.2-902, such person or persons named in this section may appeal to the appropriate circuit court within 30 days from such failure. Such appeal shall be filed by petition in the clerk's office of such court, setting out the order appealed from or the cause appealed from where no order was entered and the grounds of such appeal. Upon the filing of such petition, the clerk of the circuit court shall docket the appeal, giving it a preferred status. If the appeal is by any of the landowners who filed a petition with the Board for a public hearing, notice of such appeal shall be served upon the attorney for the Commonwealth and the Commissioner of Highways. If the appeal is by the local governing body or the Commissioner of Highways, notice of such appeal shall be served upon the landowners who filed petition with the Board for a public hearing. No such appeal shall be tried by the court within 10 days after notice is given as provided in this section unless such notice is waived. The circuit court shall hear the matter *de novo* with further right of appeal as provided by law. Upon the hearing of the appeal, the court shall ascertain and by its order determine whether public necessity exists for the continuance of the section of highway or the railroad crossing as a public highway or public railroad crossing or whether the welfare of the public will be served best by abandoning the section of the highway or the railroad crossing as a public highway or public railroad crossing and shall enter its order accordingly. The clerk of the court shall certify a copy of the order of the court to the Board.

B. Upon any such appeal, if it appears to the court that by the abandonment of such section of highway or such railroad crossing as a public highway or public railroad crossing any party to such appeal would be deprived of access to a public highway, the court may cause the railroad company or the local governing body to be made parties to the proceedings, if not already parties, and may enter such orders as seem just and proper for keeping open such section of highway or such railroad crossing for the benefit of such party or parties.

C. The provisions of this section shall not apply to any discontinuance of a portion of the primary state highway system under § 33.2-901.

§ 33.2-906. Alternative procedure for abandonment of old highway or railroad crossing to extent of alteration.

The Commissioner of Highways may declare any highway in the primary state highway system or any highway in the primary state highway system containing a highway-rail grade crossing abandoned when (i) it has been or is altered and a new highway that serves the same users as the old highway is constructed as a replacement and approved by the Commissioner of Highways or (ii) the Chief Engineer of the Department recommends that it is appropriate in connection with the completion of a construction or maintenance project. The old highways or the crossing may be abandoned to the extent of such alteration, but no further, by the entry by the Commissioner of Highways of such abandonment upon the records of the Department.

§ 33.2-907. Conveying sections of highways or other property no longer necessary.

A. Whenever a highway or a section of a highway has been abandoned in accordance with the provisions of § 33.2-902 or 33.2-906 and is deemed by the Commissioner of Highways no longer necessary for the uses of the primary state highway system, the Commissioner of Highways shall so certify in writing and may execute in the name of the Commonwealth a deed or deeds conveying such section or sections of highway, either for consideration or in exchange for other lands that may be necessary for the uses of the primary state highway system. Before any such deed either for the sale or exchange of land is executed conveying any section of a highway along which any person resides, the Commissioner of Highways shall give notice to the governing bodies of the county and town and to the owner of the land upon which such person resides of the intention to convey the section of highway. If after a reasonable notice of such intention any such landowner or local governing body so requests, a hearing shall be ordered by the Commissioner of Highways as provided in this article. If upon such hearing it is determined that such section of highway should be left open for the reasonable convenience of such landowner or the public, then such section of highway shall not be conveyed. No such hearing shall be held if such highway was abandoned under § 33.2-902.

B. When real estate acquired incidental to the construction, reconstruction, alteration, maintenance, and repair of the primary state highway system that does not constitute a section of the public highway is deemed by the Commissioner of Highways no longer necessary for the uses of the primary state highway system, the Commissioner of Highways shall so certify in writing and may execute in the name of the Commonwealth a deed conveying such real estate, interest therein, or any portion thereof, either for consideration or in exchange for other lands that may be necessary for the uses of the primary state highway system.

C. Upon petition of a local governing body, the Board may transfer real estate acquired incidental to the construction, reconstruction, alteration, maintenance, or repair of the primary state highway system that constitutes a section of public highway to the local governing body, and upon such transfer such section of highway shall cease being a part of the primary state highway system.

*Article 2.**Abandonment and Discontinuance of Highways in Secondary State Highway System.***§ 33.2-908. Discontinuance of highway, landing, or railroad crossing; procedure.**

A. For the purposes of this article, "landing" means a place on a river or other navigable body of water for loading or unloading goods or for the reception and delivery of travelers, the terminus of a highway on a river or other navigable body of water for loading or unloading goods or for the reception and delivery of travelers, or a place for loading or unloading watercraft, but not a harbor for watercraft.

B. Upon petition of the governing body of any county in which a highway, landing, or railroad crossing is located or upon petition of the governing body of a town with a population of 3,500 or less, or on its own motion, the Board may discontinue any highway, landing, or railroad crossing in the secondary state highway system as a part thereof in any case in which the Board deems such highway, landing, or railroad crossing not required for public convenience. If the Board on its own motion desires to discontinue any such highway, landing, or railroad crossing, the Board shall give notice to the affected governing body at least 30 days prior to such discontinuance. In addition, in cases where only a highway or landing or the maintenance thereof is to be discontinued, the Board shall give notice of such intention to the public at least 30 days prior to such action by publishing such notice in at least one issue in a newspaper having general circulation in the county in which the affected highway or landing is situated and, where practicable, by a registered letter to each landowner whose property abuts the section of highway or landing to be discontinued. For the purposes of this section, the Board may, where practicable, rely upon the tax records of the county to determine the names and addresses of such owners. These additional notice provisions shall not be required in cases where the section of highway to be discontinued has been replaced by a new highway serving the same users. If the governing body of any county or town requests a hearing, or upon petition of any landowner whose property abuts a highway or landing that is to be discontinued, the Board shall hold a hearing in the county in which the highway, landing, or railroad crossing is located in order to ascertain whether or not such highway, landing, or railroad crossing should be discontinued. From the finding of the Board, an appeal shall lie to the circuit court of the county in which such highway, landing, or railroad crossing is located and the procedure thereon shall conform to the procedure prescribed in § 33.2-905. The jurisdiction and procedure for abandonment of highways and landings discontinued as parts of the secondary state highway system in accordance with this article shall remain in the local governing bodies.

C. In cases where the Chief Engineer of the Department recommends that it is appropriate in connection with the completion of a construction or maintenance project to discontinue any highway, landing, or railroad crossing in the secondary state highway system, the Commissioner of Highways may discontinue such highway, landing, or railroad crossing as he deems proper. The entry by the Commissioner of Highways upon the records of the Department of the discontinuance shall be sufficient to constitute such discontinuance.

§ 33.2-909. Abandonment of highway, landing, or railroad crossing; procedure.

A. The governing body of any county on its own motion or upon petition of any interested landowner may cause any section of the secondary state highway system, or any crossing by the highway of the lines of a railroad company or crossing by the lines of a railroad company of the highway, deemed by it to be no longer necessary for the uses of the secondary state highway system to be abandoned altogether as a public highway, a public landing, or a public railroad crossing by complying substantially with the procedure provided in this section.

B. The governing body of the county shall give notice of its intention to abandon any such highway, landing, or railroad crossing (i) by posting a notice of such intention at least three days before the first day of a regular term of the circuit court at the front door of the courthouse of the county in which the section of the highway, landing, or railroad crossing sought to be abandoned as a public highway, public landing, or public railroad crossing is located or (ii) by posting notice in at least three places on and along the highway, landing, or railroad crossing sought to be abandoned for at least 30 days and in either case by publishing notice of its intention in two or more issues of a newspaper having general circulation in the county. In addition, the governing body of the county shall give notice of its intention to abandon such highway, landing, or railroad crossing to the Board or the Commissioner of Highways. In any case in which the highway, landing, or railroad crossing proposed to be abandoned lies in two or more counties, the governing bodies of such counties shall not abandon such highway, landing, or railroad crossing unless and until all affected governing bodies agree. The procedure in such cases shall conform *mutatis mutandis* to the procedure prescribed for the abandonment of a highway, landing, or railroad crossing located entirely within a county.

When the governing body of a county gives notice of intention to abandon a public landing, the governing body shall also give such notice to the Department of Game and Inland Fisheries.

C. If one or more landowners in the county whose property abuts the highway, landing, or railroad crossing proposed to be abandoned, or if only a section of a highway, landing, or railroad crossing is proposed to be abandoned, whose property abuts such section, or the Board or the Department of Game and Inland Fisheries, in the case of a public landing, files a petition with the governing body of the county within 30 days after notice is posted and published as provided in this section, the governing body of the county shall hold a public hearing on the proposed abandonment and shall give notice of the time and place of the hearing by publishing such information in at least two issues in a newspaper having general circulation in the county and shall also give notice to the Board or, if a public landing is sought to be abandoned, to the Department of Game and Inland Fisheries.

D. If a petition for a public hearing is not filed as provided in this section, or if after a public hearing is held the governing body of the county is satisfied that no public necessity exists for the continuance of the section of the secondary highway as a public highway or the railroad crossing as a public railroad crossing or the landing as a public landing or that the safety and welfare of the public would be served best by abandoning the section of highway, the landing, or the railroad crossing as a public highway, public landing, or public railroad crossing, the governing body of the county shall (i) within four months of the 30-day period during which notice was posted where no petition for a public hearing was filed or (ii) within four months after the public hearing adopt an ordinance or resolution abandoning the section of highway as a public highway, or the landing as a public landing, or the railroad crossing as a public railroad crossing, and with that ordinance or resolution the section of highway shall cease to be a public highway, a public landing, or a public railroad crossing. If the governing body is not so satisfied, it shall dismiss the application within the applicable four months provided in this subsection.

E. A finding by the governing body of a county that a section of the secondary state highway system is no longer necessary for the uses of the secondary state highway system may be made if the following conditions exist:

1. The highway is located within a residence district as defined in § 46.2-100;
2. The residence district is located within a county having a density of population exceeding 1,000 per square mile;
3. Continued operation of the section of highway in question constitutes a threat to the public safety and welfare; and
4. Alternate routes for use after abandonment of the highway are readily available.

F. In considering the abandonment of any section of highway under the provisions of this section, due consideration shall be given to the historic value, if any, of such highway.

G. Any ordinance or resolution of abandonment issued in compliance with this section shall give rise in subsequent proceedings, if any, to a presumption of adequate justification for the abandonment.

H. No public landing shall be abandoned unless the Board of Game and Inland Fisheries shall by resolution concur in such abandonment.

§ 33.2-910. Appeal to circuit court.

Any one or more of the landowners whose property abuts the highway, landing, or railroad crossing proposed to be abandoned, or if only a section of a highway, landing, or railroad crossing is proposed to be abandoned, whose property abuts such section of the highway, landing, or railroad crossing, and who petitioned for a public hearing under § 33.2-909 or the Commissioner of Highways, or if a public landing is proposed to be abandoned, the Director of the Department of Game and Inland Fisheries, may within 30 days from the adoption of an ordinance or resolution by the governing body of the county appeal from the ordinance or resolution to the circuit court of the county in which the section of highway, the public landing, or the railroad crossing sought to be abandoned under § 33.2-909 is located. Where the governing body of the county fails to adopt an ordinance or resolution pursuant to § 33.2-909, such person or persons named in this section shall within 30 days from such failure have a right of appeal to the appropriate circuit court. Such appeal shall be filed by petition in the clerk's office of such court, setting out the ordinance or resolution appealed from or the cause appealed from where no ordinance or resolution was adopted and the grounds of such appeal. Upon the filing of such petition, the clerk of the circuit court shall docket the appeal, giving it a preferred status, and if the appeal is by any of the landowners who filed a petition with the governing body of the county for a public hearing, notice of such appeal shall be served upon each member of the governing body of the county pursuant to § 8.01-300 and either the Commissioner of Highways or the Director of the Department of Game and Inland Fisheries, as applicable, and if the appeal is by either the Commissioner of Highways or the Director of the Department of Game and Inland Fisheries, notice of such appeal shall be served upon the governing body of the county and the landowners who filed petition with the governing body of the county for a public hearing. No such appeal shall be tried by the court within 10 days after notice is given, as provided in this section unless such notice is waived. The circuit court shall decide the appeal based upon the record and upon such other evidence as may be presented by the parties. Upon the hearing of the appeal, the court shall ascertain and by its order determine whether adequate justification exists for the decision of the governing body of the county that public necessity exists for the continuance of the section of highway, landing, or the railroad crossing as a public highway, public landing, or public railroad crossing or whether the welfare of the public will be served best by abandoning the section of the highway, landing, or the railroad crossing as a public highway, public landing, or public railroad crossing and shall enter its order accordingly.

Upon any such appeal, if it appears to the court that by the abandonment of such section of highway, landing, or railroad crossing as a public highway, public landing, or public railroad crossing any party to such appeal would be deprived of access to a public highway, the court may cause the railroad company and the governing body of the county, or either, to be made parties to the proceedings, if not already parties, and may enter such orders as seem just and proper for keeping open such section of highway, landing, or railroad crossing for the benefit of such party or parties.

§ 33.2-911. Permissible uses by counties of certain discontinued secondary highways.

Whenever a secondary highway is discontinued under § 33.2-908, the highway shall continue to be available for use by the public as a highway, unless it has been abandoned pursuant to this chapter or its use has been modified by an ordinance adopted pursuant to this section. The governing body of the county may by ordinance provide for use of a discontinued highway for any of the following purposes: (i) hiking or bicycle trails and paths or other nonvehicular transportation and recreation; (ii) greenway corridors for resource protection and biodiversity enhancement, with or without public ingress and egress; and (iii) access to historic, cultural, and educational sites.

§ 33.2-912. Alternative procedure for abandonment of old highway or crossing to extent of alteration.

The Commissioner of Highways may declare any highway in the secondary state highway system or any highway in the secondary state highway system containing a highway-rail grade crossing abandoned when (i) it has been or is altered and a new highway that serves the same users as the old highway is constructed as a replacement and approved by the Commissioner of Highways or (ii) the Chief Engineer of the Department recommends that it is appropriate in connection with the completion of a construction or maintenance project. The old highway or the public crossing may be abandoned to the extent of such alteration, but no further, by the entry by the Commissioner of Highways of such abandonment upon the records of the Department.

§ 33.2-913. Conveying sections of highways, landings, or other property no longer necessary.

A. Whenever a secondary highway or landing has been abandoned in accordance with the provisions of § 33.2-909 or 33.2-910 or in accordance with § 33.2-912 and its use is no longer deemed necessary by the Commissioner of Highways, the Commissioner of Highways shall so certify in writing to the governing body of the county in which such highway or landing is located, and the governing body of the county or the Commissioner of Highways shall then be authorized to execute, in the name of the Commonwealth or the county, a deed or deeds conveying such section or sections of highway or such landing, either for consideration or in exchange for other lands that may be necessary for the uses of the secondary state highway system. Before any such deed either for the sale or exchange of land is executed conveying any section of a highway or landing along which any person resides, notice shall be given by the Commissioner of Highways or the governing body of the county and to the owner or owners of the land upon which such person resides of the intention to convey the section of highway or the landing and if after a reasonable notice of such intention any such landowner so requests, a hearing shall be ordered by the Commissioner of Highways or governing body of the county as provided in this article. If upon such hearing it is determined that such section of highway or landing should be kept open for the reasonable convenience of such landowner or the public, then such section of highway or landing shall not be conveyed.

Any such conveyance by the governing body of a county shall not be subject to § 15.2-1800.

B. When real estate acquired by the Commonwealth incidental to the construction, reconstruction, alteration, maintenance, and repair of the secondary state highway system does not constitute a section of a public highway and is deemed by the Commissioner of Highways no longer necessary for the uses of the secondary state highway system, the Commissioner of Highways shall so certify in writing and is authorized to execute in the name of the Commonwealth a deed or deeds conveying such real estate, interest therein, or any portion thereof, either for consideration or in exchange for other lands that may be necessary for the uses of the secondary state highway system.

C. Upon petition of a local governing body, the Board may transfer real estate acquired incidental to the construction, reconstruction, alteration, maintenance, or repair of the secondary state highway system that constitutes a section of public highway to the local governing body, and upon such transfer, such section of highway shall cease being a part of the secondary state highway system.

Any such conveyance shall be subject to approval of the Board by resolution and recorded in the minutes of the Board.

Article 3.

Abandonment of Roads Not in Primary or Secondary State Highway System.

§ 33.2-914. County roads not part of primary or secondary state highway system; definitions.

A. The provisions of this article shall apply mutatis mutandis to county roads maintained by a county and not part of the secondary state highway system and to roads dedicated to public use but that are not part of the primary or secondary state highway system.

B. For the purposes of this article:

"Governing body" means the governing body of a county.

"Road" includes streets and alleys dedicated to public use and any existing crossing by the lines of a railroad company of such road and a railroad crossing by such road of the lines of a railroad company.

§ 33.2-915. Abandonment of certain roads and railroad crossings by governing body.

A. When a section of a road not in the secondary state highway system, or an existing crossing by such road of the lines of a railroad company or a crossing by the lines of a railroad company of such road, is deemed by the governing body in which it is located to be no longer necessary for public use, the governing body may abandon such section of the road or such crossing by proceeding as prescribed in this article.

B. In considering the abandonment of any section of road under the provisions of this section, due consideration shall be given to the historic value, if any, of such road.

§ 33.2-916. Notice of proposed abandonment.

In the case of a proposed abandonment of a road not part of the primary or secondary state highway system, the governing body shall give at least 30 days' notice of its intention to do so by posting notice at the front door of the courthouse, by posting notices on at least three places along and visible from the road proposed to be abandoned, and by publishing notice in at least two issues in a newspaper having general circulation in the county. All such notices shall state the time and place at which the governing body will meet to consider the abandonment of such road.

§ 33.2-917. Petition for abandonment.

Any person desiring to have a road abandoned may petition the governing body to abandon such road by filing the petition and a reasonably accurate plat and description of the section proposed to be abandoned with the governing body

and in the clerk's office of the county. The governing body may proceed to have such road abandoned as provided in this article, but the expenses shall be borne by the petitioner.

§ 33.2-918. Petition for public hearing on proposed abandonment.

If one or more landowners affected by a proposed abandonment file a petition for a public hearing with the governing body within 30 days after notice is posted and published, the governing body shall hold a public hearing in the county for the consideration of the proposed abandonment.

§ 33.2-919. Action of governing body.

If a petition for a public hearing is not filed as provided in § 33.2-918, or if after a public hearing is held the governing body is satisfied that no public necessity exists for the continuance of the section of road as a public road or the railroad crossing as a public railroad crossing or that the welfare of the public would be served best by abandoning the section of road or the railroad crossing as a public road or public railroad crossing, the governing body shall (i) within four months of the 30-day period during which notice was posted where no petition for a public hearing was filed or (ii) within four months after the public hearing adopt an ordinance or resolution abandoning the section of road as a public road or the railroad crossing as a public railroad crossing, and with that ordinance or resolution the section of road shall cease to be a public road. If the governing body is not so satisfied, it shall dismiss the application within the applicable four months provided in this section.

§ 33.2-920. Appeal to circuit court.

Any one or more of the landowners who filed a petition or the governing body may within 30 days from the action of the governing body on the proposal appeal from the action of the governing body to the circuit court of the county. Where the governing body fails to adopt an ordinance or resolution pursuant to § 33.2-919, such person named in this section shall within 30 days from such failure have a right of appeal to the appropriate circuit court. Such appeal shall be filed by petition in the clerk's office of such court, setting out the action or inaction appealed from and the grounds for appeal. Upon the filing of such petition, the clerk of the circuit court shall docket the appeal, giving it a preferred status, and if the appeal is by any of the landowners who filed a petition with the governing body for a public hearing, notice of such appeal shall be served upon the attorney for the Commonwealth and the governing body. No such appeal shall be tried by the court within 10 days after notice is given as provided in this section unless such notice is waived. The circuit court shall hear the matter de novo with further right of appeal as provided by law. The court may appoint viewers to make such investigation and findings as the court requires of them. Upon the hearing of the appeal, the court shall ascertain and by its order determine whether public necessity exists for the continuance of the section of road or the railroad crossing as a public road or public railroad crossing or whether the welfare of the public will be served best by abandoning the section of the road or the railroad crossing as a public road or public railroad crossing and shall enter its order accordingly.

Upon any such appeal, if it appears to the court that by the abandonment of such section of road or such railroad crossing as a public road or public railroad crossing any party to such appeal would be deprived of access to a public road, the court may cause the railroad company and the governing body, or either, to be made parties to the proceedings, if not already parties, and may enter such orders as seem just and proper for keeping open such section of road or such railroad crossing for the benefit of such party or parties.

§ 33.2-921. Effect of abandonment.

In the case of the abandonment of any section of road or any railroad crossing under the provisions of this article, such section of road or such crossing shall cease to be a public road or public railroad crossing. However, any such abandonment shall be subject to the rights of owners of any public utility installations that have been previously erected therein.

§ 33.2-922. Recordation of abandonment of roads, highways, or railroad crossings by counties.

A certified copy of any ordinance, resolution, or order abandoning a road, highway, or railroad crossing by a county adopted pursuant to Article 2 (§ 33.2-908 et seq.) or this article shall be recorded and indexed in the deed book in the name of the county as grantor or where record title to the underlying fee is not known shall be recorded in the office of the clerk of court in the county where such road, highway, or railroad crossing is located in the name of the county adopting such ordinance or resolution or entering such order.

§ 33.2-923. Alternative procedure for abandonment of old road or crossing to extent of alteration.

When any road or any road containing a highway-rail grade crossing has been or is altered and a new road that serves the same users as the old road is constructed as a replacement and approved by the governing body, the old road or public crossing may be abandoned to the extent of such alteration, but no further, by an ordinance or resolution of the governing body declaring the old road or public crossing abandoned.

§ 33.2-924. Conveying sections of roads or other property no longer necessary.

When any road abandoned as provided in this article is deemed by the governing body no longer necessary for the public use, the governing body shall so certify in its minutes and may authorize the sale and conveyance in the name of the county of a deed or deeds conveying such sections, either for consideration or in exchange for other lands that may be necessary for the uses of the county. However, before any such deed either for the sale or exchange of land is executed conveying any section of a road along which any person resides, the governing body shall give notice to the owner of the land upon which such person resides of the intention to convey the section of road, and if after a reasonable notice of such intention any such landowner so requests, the governing body shall order a hearing. If upon such hearing it is determined

that such section of road should be kept open for the reasonable convenience of such landowner or the public, then such section of road shall not be conveyed. The action of the governing body under this section shall not be subject to § 15.2-1800.

§ 33.2-925. Alternative method of abandoning roads.

As an alternative to the procedure for abandonment prescribed by this article, a road may be abandoned in accordance with the procedure for vacations in subdivision 2 of § 15.2-2272. All abandonments of roads sought to be effected according to subsection (b) of former § 15.1-482 before July 1, 1990, are hereby validated notwithstanding any defects or deficiencies in the proceeding, provided that property rights that have vested subsequent to the attempted abandonment are not impaired by such validation. The manner of reversion shall not be affected by this section.

§ 33.2-926. Chapter 20 of Title 15.2 not affected.

No provision of Articles 1 (§ 33.2-900 et seq.), 2 (§ 33.2-908 et seq.), or this article shall affect the provisions of Chapter 20 (§ 15.2-2000 et seq.) of Title 15.2.

Article 4.

Abandonment of Highways for Flooding Secondary Highways in Connection with Municipal Water Supply Projects.

§ 33.2-927. Abandonment of highway in area to be flooded in connection with municipal water supply projects.

When a city or town that owns and operates a waterworks system that supplies the city or town and its inhabitants with water finds it necessary to increase its water supply such that it requires impounding the water of a stream outside the corporate limits of such city or town by means of a dam erected in such stream and the impounding of the water thereof would result in the overflow, or flooding, of a section or sections of a highway or highways within the secondary state highway system that necessitates the alteration and relocation of the highway or highways and the governing body of the city or town by ordinance declares (i) such necessity and (ii) that it is the intention of such city or town to comply with the requirements of this article, then the highway proposed to be flooded may be discontinued and abandoned but only after the city or town has complied with the provisions and requirements of this article.

§ 33.2-928. Procedure to secure abandonment of highways to be flooded in connection with municipal water supply projects.

A city or town subject to the provisions of this article shall certify to the governing body of the county within which the highway, or the greater part thereof, lies a copy of the ordinance adopted by the city or town as provided in this article. The governing body of the county, upon receipt, shall within 30 days (i) consider the reasonableness of the action contemplated by the city or town ordinance, (ii) propose and publish an ordinance approving or disapproving the action contemplated by the city or town, and (iii) conduct a hearing thereon. In the event that after such hearing the governing body of the county disapproves the proposed flooding, discontinuance, and abandonment of the highway, the city or town shall have the right to an appeal to the circuit court of the county where the question of the reasonableness of the proposed flooding and abandonment shall be heard de novo by the circuit court and judgment shall be rendered according to its decision. From the judgment a writ of error will lie in the discretion of the Supreme Court of Virginia.

§ 33.2-929. Plans for relocation of highways in connection with municipal water supply projects.

If there is a final approval of the abandonment of the highway by the governing body of the county or by the court, the city or town shall, solely at its own expense, submit to the Commissioner of Highways plans and specifications for a proposed relocation of the highway, containing such information and facts as a location, elevations, and other matters the Commissioner of Highways may require. The Commissioner of Highways shall have the power to change, alter, and amend the plans in order to conform to the views of the Commissioner of Highways as to the location, width, and type of construction of such highway to be built on the new location, provided that the new highway is located such that it will not be flooded by the water to be impounded, and provided further that the Commissioner of Highways may not require a more expensive type or character of highway than the one to be abandoned. The Commissioner of Highways shall approve such plans and specifications either as proposed by the city or town or as amended by the Commissioner of Highways.

§ 33.2-930. Acquisition of lands for relocation.

Upon the approval of plans and specifications by the Commissioner of Highways, the city or town shall, solely at its own expense and in the name of the Commonwealth, acquire either by purchase or condemnation the right-of-way necessary to construct the highway on the new location as shown by the plans approved by the Commissioner of Highways. In the event of condemnation, the proceedings shall be instituted in the name of the city or town and shall conform to the proceedings that would be applicable if they had been instituted by the Commissioner of Highways. However, when the award has been paid, the title to the lands acquired in the proceedings shall vest in the Commonwealth in the same manner as if the Commissioner of Highways had instituted and conducted the proceedings and had paid the award.

§ 33.2-931. Costs of relocation.

The city or town shall pay out of its own funds all costs incident to all surveys, plans, specifications, blueprints, or other matters relating to the relocation of the highway and the entire cost of acquiring, by purchase or by condemnation, the right-of-way.

§ 33.2-932. Construction of relocated highway.

Upon the acquisition of a right-of-way as provided in this article, the city or town shall grade such right-of-way and construct the highway required, in accordance with the plans and specifications approved by the Commissioner of Highways.

§ 33.2-933. Approval or disapproval of construction.

When a highway is completed, the city or town shall notify the Commissioner of Highways, who shall promptly cause an inspection to be made by the Department. If the Department approves the highway construction, the Commissioner of Highways shall notify the city or town in writing of such fact. If the Department disapproves the highway construction, it shall notify the city or town, specifying the Department's objections and recommendations for remedying or removing them, and the city or town shall promptly carry out such recommendations.

§ 33.2-934. New highway part of secondary state highway system; former highway to vest in city or town.

When the city or town has been notified by the Commissioner of Highways of final approval of the construction of the highway, such highway shall immediately become a part of the secondary state highway system, and the public shall be vested with the same rights of travel on such highway as it possesses with respect to the other highways in the system. The part of the highway that it is proposed to flood shall be deemed to be abandoned, and all public rights therein shall vest in the city or town.

CHAPTER 10.

EMINENT DOMAIN.

Article 1.

Eminent Domain and Damages.

§ 33.2-1000. Definitions.

As used in this article, unless the context requires a different meaning:

"Certificate" means an instrument that, when recorded in the office of the clerk of the circuit court wherein condemnation proceedings are pending or are to be instituted by the Commissioner of Highways, terminates the interest or estate of the owner of the property described therein and vests defeasible title to such property or interest or estate of the owner in the Commonwealth. "Certificate" includes a certificate of deposit and a certificate of take.

"Certificate of deposit" means a certificate issued by the Commissioner of Highways and countersigned by the State Treasurer, stating that any sum or sums designated therein shall be paid pursuant to the order of the court, and filed by the Commissioner of Highways with the court wherein condemnation proceedings are pending or are to be instituted in lieu of the payment of funds into court, as provided in subdivision A 2 of § 33.2-1019.

"Certificate of take" means a certificate recorded by the Commissioner of Highways with the court wherein condemnation proceedings are pending or are to be instituted, in connection with which the Commissioner of Highways has deposited funds with the court as provided in subdivision A 1 of § 33.2-1019.

"Owner" means any person owning land, buildings, structures, or improvements upon land where such ownership is of record in the land records of the clerk's office of the circuit court of the city or county where the property is located. "Owner" does not include trustees or beneficiaries under a deed of trust, any person with a security interest in the property, or any person with a judgment or lien against the property. In proceedings instituted by the Commissioner of Highways under Title 25.1 or this title, "owner" includes persons owning structures or improvements for which an outdoor advertising permit has been issued by the Commissioner of Highways pursuant to § 33.2-1208. This definition of owner shall not alter in any way the valuation of such land, buildings, structures, or improvements under existing law.

"Public highway" means a highway, road, or street. When applicable, "public highway" includes a bridge, ferry, causeway, landing, or wharf.

§ 33.2-1001. Power to acquire lands, etc.; conveyance to municipality after acquisition; property owners to be informed and briefed.

A. The Commissioner of Highways is vested with the power to acquire by purchase, gift, or power of eminent domain such lands, structures, rights-of-way, franchises, easements, and other interest in lands, including lands under water and riparian rights, of any person, association, partnership, corporation, or municipality or political subdivision, deemed necessary for the construction, reconstruction, alteration, maintenance, and repair of the public highways of the Commonwealth and for these purposes and all other purposes incidental thereto may condemn property in fee simple and rights-of-way of such width and on such routes and grades and locations as the Commissioner of Highways may deem requisite and suitable, including locations for permanent, temporary, continuous, periodical, or future use and rights or easements incidental thereto and lands, quarries, and locations, with rights of ingress and egress, containing gravel, clay, sand, stone, rock, timber, and any other road materials deemed useful or necessary in carrying out the purposes of this subsection.

B. The Commissioner of Highways is authorized to exercise the power provided under subsection A within municipalities on projects that are constructed with state or federal participation if requested by the municipality concerned. Whenever the Commissioner of Highways has acquired property pursuant to a request of the municipality, he shall convey the title so acquired to the municipality, except that rights-of-way or easements acquired for the relocation of a railroad, public utility company, or public service corporation or company, another political subdivision, or a cable television company in connection with such projects shall be conveyed to that entity in accordance with § 33.2-1014. The authority for such conveyance shall apply to acquisitions made by the Commissioner of Highways pursuant to previous requests as well as any subsequent request.

C. Any offer by the Commissioner of Highways to a property owner with respect to payment of compensation for the prospective taking of property and damage to property not taken incident to the purposes of this section shall separately

state (i) the property to be taken and the amount of compensation offered therefor and (ii) the nature of the prospective damage or damages and the amount of compensation offered for each such prospective damage. The amount of the offer shall not be less than the amount of the approved appraisal of the fair market value of such property, in accordance with the provisions of § 25.1-417, or the current assessed value of such property for real estate tax purposes, unless the property has physically changed in a material and substantial way since the current assessment date such that the real estate tax assessment no longer represents a fair valuation of the property, when the entire parcel for which the assessment is made is to be acquired, whichever is greater. Any such appraisal used by the Commissioner of Highways as the basis for an offer shall be prepared by a real estate appraiser licensed in accordance with Chapter 20.1 (§ 54.1-2009 et seq.) of Title 54.1.

D. The Commissioner of Highways shall also provide to a property owner a copy of any report of status of title prepared in connection with such acquisition if prepared pursuant to subsection D of § 25.1-204.

E. In negotiating with a property owner with respect to payment for prospective damage to property not taken incident to the purposes of this section, the Commissioner of Highways shall ensure that such property owner or his authorized representative is properly informed as to the type and amount of foreseeable damage or enhancement. Adequate briefing includes (i) the giving of plats and profiles of the project, showing cuts and fills, together with elevations and grades and (ii) explanation, in lay terms, of all proposed changes in profile, elevation, and grade of the highway and entrances, including the elevations of proposed pavement and shoulders, both center and edges, with relation to the present pavement and approximate grade of entrances to the property.

F. Any option or deed executed by the property owner shall contain a statement that the plans as they affect his property have been fully explained. However, the requirements of this section with respect to information and briefing and the acknowledgment thereof in options and deeds shall in no way be construed to affect the validity of any conveyance, to create any right to compensation, or to limit the authority of the Commissioner of Highways to reasonably control the use of public highways so as to promote the public health, safety, and welfare.

G. Nothing in this section shall make evidence of tax assessments admissible as proof of value in an eminent domain proceeding.

§ 33.2-1002. Limitation on power of eminent domain.

No property that is within an agricultural and forestal district as provided by the Agricultural and Forestal Districts Act (§ 15.2-4300 et seq.) shall be condemned by the Commissioner of Highways except in accordance with § 15.2-4313.

§ 33.2-1003. Additional power to acquire lands.

The Commissioner of Highways may use the powers granted in this title to acquire needed property interests for purposes set out in Article 5 (§ 33.2-281 et seq.) of Chapter 2.

§ 33.2-1004. Plans for acquisition of rights-of-way.

Subject to compliance with applicable federal regulations, the Commissioner of Highways shall establish a plan for identification and acquisition of rights-of-way that may be needed within the corridors designated on the Statewide Transportation Plan.

§ 33.2-1005. Acquisition of real property that may be needed for transportation projects; sale of certain real property.

A. When the Commissioner of Highways determines that any real property will be required in connection with the construction of a transportation project, or project as defined in § 33.2-1700, within a period not exceeding 12 years for the Interstate System or 10 years for any other highway system or transportation project from the time of such determination, and that it would be advantageous to the Commonwealth to acquire such real property, he may proceed to do so. The Commissioner of Highways may lease any real property so acquired to the owner from whom such real property is acquired, if requested by him, and, if not so requested, to another person upon such terms and conditions as in the judgment of the Commissioner of Highways may be in the public interest. If the transportation project contemplated, or project as defined in § 33.2-1700, has not been let to contract or construction has not commenced within a period of 20 years from the date of the acquisition of such property, and a need for the use of such property has not been determined for any alternative transportation project, then upon written demand of the owner, or his heirs or assigns, that is received (i) within 90 days from the expiration of such 20-year period or such extension as provided for in this section or (ii) within 30 days from publication of a notice of the intent of the Commissioner of Highways to dispose of such property in a newspaper of general circulation in the political subdivision in which the property is located and the Commissioner of Highways shall notify to the extent practical, the last known owner of said property by certified mail, that such property shall be reconveyed by the Commonwealth to such owner, or his heirs or assigns, upon repayment of the original purchase price, without interest. If the reconveyance is not concluded within six months from receipt by the Commissioner of Highways of a written demand, the reconveyance opportunity shall lapse. However, the 20-year limit established by this section within which the Department must let to contract or begin construction in order to avoid reconveyance shall be extended by the number of days of delay caused by litigation involving the project or by the failure of the Commonwealth to receive anticipated federal funds for such project. The 20-year limit may also be extended in those instances in which a project is included in the Six-Year Improvement Program of the Board or the Six-Year Improvement Program for secondary highways prepared by the county boards of supervisors and in which steps have been taken to move forward. No such reconveyance shall be required for rights-of-way acquired for future transportation improvements at the request of local governing bodies or for rights-of-way

acquired for state construction designed to provide future additional lanes or other enhancements to existing transportation facilities.

B. If any real property acquired under this article for use in connection with a transportation project is subsequently offered for sale by the Department and such property is suitable for independent development, the Department shall offer the property for sale at fair market value to the owner from whom it was acquired before such property is offered for sale to any other person. The Commissioner of Highways shall notify, to the extent practicable, the last known owner of such property by certified mail, and the owner shall have 30 days from the date of such notice to advise the Commissioner of Highways of his interest in purchasing the property. If the purchase of the property by the owner from whom it was acquired is not concluded within six months from receipt by the Commissioner of Highways of a written notice, the purchase opportunity shall lapse. The provisions of this subsection shall apply only to property to which the provisions of subsection A do not apply.

C. Subsection B shall not apply to Department projects carried out in cooperation with the United States Army Corps of Engineers as part of a nonstructural flood control project. If property acquired by the Commonwealth under this article in connection with a project is no longer needed by the Commonwealth for such project, such property shall be conveyed to the locality in which such project is located and used in connection with the redevelopment. If such property is not used for economic development, then the property shall revert to the Commonwealth and may be used for any purposes deemed appropriate, including resale.

§ 33.2-1006. Reconveyance where property deemed suitable for mass transit purposes.

If any real property that, under the provisions of § 33.2-1005, is or may become eligible for reconveyance is deemed suitable for the mass transit purposes of a public agency, authority, instrumentality, or public service corporation or company, and such entity has submitted tentative plans to the Commissioner of Highways for a mass transit facility utilizing such real property, or portions thereof, and, prior to the eligibility of that real property for reconveyance under this article, the Commissioner of Highways has approved the use of such real property for mass transit purposes, such real estate shall not be eligible for reconveyance under those sections. Upon the formulation of final plans for the facility, the Commissioner of Highways is authorized to enter into an agreement with any such entity for the conveyance of the property to such entity. Any property or portions thereof not necessary for the mass transit facility shall become eligible for reconveyance under the provisions of § 33.2-1005 upon a determination of the final plans for the facility. Such agreement shall provide for the payment to the Commonwealth of an amount equal to that expended by the Commonwealth in the acquisition of such real property, including proportionate administrative costs and costs under the federal Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended. Upon payment of the agreed consideration, the Commissioner of Highways shall convey the specified property to the facility. However, if construction of such planned facilities is not commenced within 10 years from the date of the agreement between the transit agency and the Commissioner of Highways, the persons who would otherwise have been authorized to petition for reconveyance under § 33.2-1005 or their heirs or assigns may seek reconveyance under the same procedures and on the same basis as established in § 33.2-1005.

This section shall not compel the Commissioner of Highways to convey any such property to such entities in contravention of any federal law or regulation affecting the disposition of real property acquired for highway purposes when such property is no longer needed for such purposes when such property has been acquired with federal funding participation.

§ 33.2-1007. Authority to acquire entire tract of land, or parcel thereof, when only part to be utilized for highway purposes.

In acquiring rights-of-way for highway construction, reconstruction, or improvement, and lands incidental to such construction, reconstruction, or improvement, the Commissioner of Highways is authorized and empowered, whenever a portion of a tract of land is to be utilized for right-of-way or a purpose incidental to the construction, reconstruction, or improvement of a public highway, to acquire by purchase, gift, or the exercise of the power of eminent domain the entire tract of land or any part thereof whenever (i) the remainder of such tract or part thereof can no longer be utilized for the purpose for which the entire tract is then being utilized; (ii) a portion of a building is to be taken; (iii) the cost of removal or relocation of the buildings or other improvements on the remaining portion necessitated by the taking would exceed the cost of destroying such buildings or other improvements; (iv) the highway project will leave the remaining portions without a means of access to a public highway; or (v) in the judgment of the Commissioner of Highways the resulting damages to the remainder of such tract or part thereof lying outside the proposed right-of-way, or the area being acquired for a purpose incidental to the construction, reconstruction, or improvement of a public highway, will approximate or equal the fair market value of such remaining lands. However, the Commissioner of Highways shall not acquire the remainder of such tracts by purchase where the remaining portion is in excess of 10 acres or by condemnation where the remaining portion is in excess of two acres. Nothing contained in this section shall be construed as preventing the Commissioner of Highways from complying, where applicable, with the provisions of § 25.1-417.

§ 33.2-1008. Authority to acquire land to replace parkland; applicability.

For the purposes of this section, "parkland" only includes parks and recreational areas under the jurisdiction of state agencies or local governing bodies. Notwithstanding any contrary provision of this title, the Commissioner of Highways may acquire by gift or purchase any property without a permanent residential structure, or an interest in property, needed to replace parkland that is acquired for the improvement, maintenance, construction, or reconstruction of highways. Land

acquired to replace parkland shall be abutting or appurtenant to the property of rights-of-way acquired for the improvement, maintenance, construction, or reconstruction of highways. Before exercising the authority granted by this section, the Commissioner of Highways shall notify the local governing body or state agency having jurisdiction over the parkland and shall obtain the concurrence of the local governing body or state agency that replacement parklands should be acquired and conveyed to the local governing body or state agency in exchange for the parkland needed for the improvement, maintenance, construction, or reconstruction of the highway.

The provisions of this section shall apply only in Albemarle County and the City of Charlottesville.

§ 33.2-1009. Acquisition of residue parcels declared to be in public interest.

The acquisition of such residue parcels in addition to the lands necessary for the immediate use for highway rights-of-way or purposes incidental to the construction, reconstruction, or improvement of public highways is hereby declared to be in the public interest and constitutes a public use as the term public uses is used in Article I, Section 11 of the Constitution of Virginia.

§ 33.2-1010. Use and disposition of residue parcels of land.

The Commissioner of Highways may lease, sell, or exchange such residue parcels of land upon such terms and conditions as in the judgment of the Commissioner of Highways may be in the public interest, provided, however, that the Commissioner of Highways shall not use such parcels for any commercial purpose. The Commissioner of Highways may lease, sell, or exchange such residue parcels of land as may have been acquired under the provisions of the Transportation Development and Revenue Bond Act (§ 33.2-1700 et seq.), upon such terms and conditions as in the judgment of the Commissioner of Highways may be in the public interest. The Commissioner of Highways may lease such parcels of land as may have been acquired under the provisions of § 33.2-1005 in the event the former owner fails to make the request authorized under § 33.2-1005 to persons other than the former owner, upon such terms and conditions as in the judgment of the Commissioner of Highways may be in the public interest. The provisions of Articles 1 (§ 33.2-900 et seq.) and 2 (§ 33.2-908 et seq.) of Chapter 9 shall not be construed to apply to the disposition of land authorized in this section.

§ 33.2-1011. Right to enter on land to ascertain its suitability for highway and other transportation purposes; damage resulting from such entry.

A. The Commissioner of Highways, through his duly authorized officers, agents, or employees, may enter upon any land in the Commonwealth for the purposes of making examination and survey thereof, including photographing; testing, including soil borings or testing for contamination; making appraisals; and taking such actions as may be necessary or desirable to determine its suitability for highway and other transportation purposes or for any other purpose incidental thereto. Such officers, agents, or servants shall exercise care to protect any improvements, growing crops, or timber in making such examination or survey.

B. Notice shall be sent to the owner by mail, at the address recorded in the tax records, not less than 15 days prior to the first date of the proposed entry. Notice of intent to enter shall be deemed made on the date of mailing.

C. The notice shall include the anticipated date such entry is proposed to be made and the purpose of such entry. Any entry authorized by this section shall be for the purposes of making examination and survey thereof, including photographing; testing, including soil borings or testing for contamination; making appraisals; and taking such other actions as may be necessary or desirable to determine the suitability of such property for highway and transportation purposes, and shall not be deemed a trespass.

D. Notwithstanding the provisions in subsections A and B, nothing shall preclude entry prior to the anticipated date of entry specified in the notice if the property owner or his designated representative agrees to or requests a date of entry prior to the date of entry specified in the notice.

E. The Commissioner of Highways, through his duly authorized officers, agents, or servants, shall make reimbursement for any actual damages to real or personal property resulting from entry upon the property. In any action filed under this section, the court may award the owner his reasonable attorney fees, court costs, and fees for no more than three expert witnesses testifying at trial if (i) the court finds that the Commissioner of Highways maliciously, willfully, or recklessly damaged the owner's property and (ii) the court awards the owner actual damages in an amount 30 percent or more greater than the final written offer of the Commissioner of Highways made no later than 30 days after the filing of an answer in circuit court or the return date in general district court. A proceeding under this subsection shall not preclude the owner from pursuing any additional remedies available to the landowner.

§ 33.2-1012. Limitations in Title 25.1 not applicable to Commissioner of Highways.

Except as to procedure, the Commissioner of Highways shall not be subject to any limitations in Title 25.1 in exercising the power of eminent domain pursuant to this title.

§ 33.2-1013. Notice of exercise of eminent domain power; evidence of value.

A. As used in this section:

"Fair market value" means the price that the real property would bring if it were offered for sale by one who wanted to sell, but was under no necessity, and was bought by one who wanted to buy, but was under no necessity.

"Owner" means any person owning an estate or interest in buildings, structures, or other improvements on real property, which estate or interest is recorded in the official records of the circuit court where the property is located, or improvements for which a permit has been issued by the Commissioner of Highways pursuant to § 33.2-1208. "Owner" does not include trustees or beneficiaries under a deed of trust or any person owning only a security interest in the real property.

B. Notwithstanding anything to the contrary contained in this chapter or in Chapter 2 (§ 25.1-200 et seq.) of Title 25.1:

1. The Commissioner of Highways shall notify every owner, as defined in this section, of a building, structure, or other improvement if the Commissioner of Highways intends to exercise the power of eminent domain in a manner that would result in a taking of the building, structure, or other improvement.

2. The owner of any such building, structure, or other improvement may present evidence of the fair market value of such building, structure, or other improvement in the proceedings described in § 25.1-233, provided such owner has filed a petition for intervention pursuant to § 25.1-218.

3. If the owner of such building, structure, or improvement is different from the owner of the underlying land, then such owner shall not be allowed to proffer any evidence of value that the owner of the underlying land would not be permitted to proffer if the building, structure, or improvement were owned by the owner of the underlying land; and

4. The provisions of this section shall not apply to condemnation proceedings in which the petition for condemnation was filed prior to July 1, 2000.

§ 33.2-1014. Acquisition of interests for exchange with railroad, public utility company, public service corporation or company, political subdivision, or cable television company; relocation of poles, lines, etc.

Whenever any railroad, public utility company, public service corporation or company, political subdivision, or cable television company owns or occupies any privately owned land either under a claim of right or with the apparent acquiescence of the private landowner which the Commissioner of Highways deems necessary and intends to acquire for any highway project, and such land owned or occupied by the railroad, public utility company, public service corporation or company, political subdivision, or cable television company is devoted to a public use, the Commissioner of Highways may acquire by gift, purchase, or by the exercise of the power of eminent domain additional land or easement, right-of-way, or interest in land adjacent to or approximately adjacent to such land needed and proposed to be acquired for such highway project and may then convey the same to the railroad, public utility company, public service corporation or company, political subdivision, or cable television company for use by it in lieu of the land theretofore owned or occupied by it but needed by the Commissioner of Highways for such highway project. The condemnation of such land, easement, right-of-way, or other interest in land to be conveyed to any railroad, public utility company, public service corporation or company, political subdivision, or cable television company shall be governed by the procedure prescribed by this article and may be carried out at the same time if against the same property owner and if against the same landowner or in the same proceedings in which land is condemned for highway purposes. The Commissioner of Highways may, under the same procedure and conditions prescribed by this article, with respect to property needed for highway purposes, enter upon and take possession of such property to be conveyed to any railroad, public utility company, public service corporation or company, political subdivision, or cable television company in the manner provided in §§ 33.2-1018 through 33.2-1027 and proceed with the relocation of the installations of the railroad or public utility company in order that the construction of the highway project may be carried out without delay.

After the acquisition of the land owned or occupied by railroads, public utility companies, public service corporations or companies, political subdivisions, or cable television companies and the acquisition of the additional land, easement, right-of-way, or other interest in land for such railroads, utility companies, public service corporations or companies, political subdivisions, or cable television companies as provided in this section, in the event the poles, lines, or other facilities are not removed by such railroads or utility companies within 60 days from the date of the taking by the Commissioner of Highways, the Commissioner of Highways is vested with the power to remove and relocate such facilities at his own cost.

Any conveyance previously made by the Commissioner of Highways in exchange for land that was needed for a highway project is hereby declared to be valid and effective in all respects.

§ 33.2-1015. Acquisition of land in median of highways for public mass transit; disposition of such property.

When acquiring land for the construction of highways with divided roadways, the Commissioner of Highways may, if he deems it necessary and appropriate, also acquire by gift, purchase, or by the exercise of the power of eminent domain as vested in him by § 33.2-1001, in addition to the land necessary for such highways, sufficient land in the median for use for public mass transit and may convey or otherwise make available the same to a public agency or authority or public service corporation or public service company for the construction and operation thereon of public facilities for mass transit.

Such additional land shall be acquired only after an agreement has been made between the Commissioner of Highways and a public agency or authority or public service corporation or public service company whereby such agency, authority, corporation, or company has agreed to pay the cost of the additional land acquired and all expense incidental to its acquisition.

The condemnation of such land to be conveyed for use for public mass transit shall be governed by the procedure prescribed by this article and may be carried out at the same time if against the same property owner and if against the same landowner or in the same proceedings in which land is condemned for highway purposes. The Commissioner of Highways may, under the same procedure and conditions prescribed by this article with respect to property needed for highway purposes, enter upon and take possession of such property to be conveyed to a public agency or authority or public service corporation or public service company in the manner provided in §§ 33.2-1018 through 33.2-1027.

The Board is authorized and directed with the consent of the Federal Highway Administration to permit the Washington Metropolitan Area Transit Authority to commence construction of rapid transit and ancillary facilities within the proposed median of Interstate 66 between Glebe Road in Arlington County and Nutley Road in Fairfax County, provided

that (i) construction of rapid transit shall conform with highway plans and that construction procedures shall be reviewed and approved by the Commissioner of Highways and (ii) prior to construction of rapid transit, a mutually satisfactory allocation of cost shall be agreed to by the Washington Metropolitan Area Transit Authority, the Board, and the Federal Highway Administration.

§ 33.2-1016. Procedure in general; suits in name of Commissioner of Highways; survival; validation of suits; notice of filing.

A. Proceedings for condemnation under this article shall be instituted and conducted in accordance with the procedures provided in Chapter 2 (§ 25.1-200 et seq.) of Title 25.1, except that the provisions of §§ 33.2-1018 through 33.2-1029 shall be applicable to such proceedings.

B. All suits shall be instituted and conducted in the name of the Commissioner of Highways as petitioner without naming the individual who may be such Commissioner of Highways or acting Commissioner of Highways. In the event of the death, removal, retirement, or resignation of the Commissioner of Highways or acting Commissioner of Highways, the suit shall automatically survive to a successor Commissioner of Highways or acting Commissioner of Highways. All suits heretofore filed in accordance with the provisions of this section are hereby ratified, validated, and confirmed.

C. In addition to any other notices required to be served pursuant to this section, in any proceeding instituted by the Commissioner of Highways under this title, a copy of the notice of the filing of the petition also shall be served, in the same manner as such notice is served upon owners, upon any person owning structures or improvements for which an outdoor advertising permit has been issued by the Commissioner of Highways pursuant to § 33.2-1208.

§ 33.2-1017. Taking highway materials from streams, rivers, and watercourses.

Whenever the Commissioner of Highways determines that it is necessary or desirable to remove materials from the streams, rivers, or watercourses for use on public highways, he shall submit to the Marine Resources Commission his plan for the removal and all conditions relating thereto for its review and concurrence. After receiving the concurrence of the Marine Resources Commission, the Commissioner of Highways may take for use on the public highways in the Commonwealth sand, gravel, rock, and any other materials deemed by him suitable for road purposes from the streams, rivers, and watercourses, title to the bed of which is in the Commonwealth, and in addition to the power of eminent domain already vested in him may acquire by condemnation all property, rights, and easements necessary to enable him to obtain and make use of such materials. All such proceedings shall be governed by the provisions of law governing the exercise by the Commissioner of Highways of the power of eminent domain for state highway purposes.

§ 33.2-1018. Authority to take possession and title to property before or during condemnation; purpose and intent of provisions.

In addition to the exercise of the power of eminent domain prior to the entry upon land being condemned, as provided in this article, the Commissioner of Highways is authorized to acquire title and to enter upon and take possession of such property and rights-of-way, for the purposes set out in § 33.2-1001, as the Commissioner of Highways may deem necessary, and proceed with the construction of such highway, such taking to be made pursuant to §§ 33.2-1019 through 33.2-1029.

It is the intention of this article to provide that such property and rights-of-way may, in the discretion of the Commissioner of Highways, be condemned during or after the construction of the highway, as well as prior thereto, and to direct the fund out of which the judgment of the court in condemnation proceedings shall be paid, and to provide that in all other respects the provisions of this article shall apply, whether the property and rights-of-way are condemned before, during, or after the construction of the highway. However, the authorities constructing such highway under the authority of this article shall use diligence to protect growing crops and pastures and to prevent damage to any property not taken. So far as possible all rights-of-way shall be acquired or contracted for before any condemnation is resorted to.

§ 33.2-1019. Payments into court or filing certificate of deposit before entering upon land.

A. Before entering upon or taking possession of land pursuant to § 33.2-1018, the Commissioner of Highways shall either:

1. Pay into the court wherein condemnation proceedings are pending or are to be instituted such sum as is required by subsection B; or

2. File with the court wherein condemnation proceedings are pending or are to be instituted a certificate of deposit issued by the Commissioner of Highways for such sum as is required by subsection B, which shall be deemed and held for the purpose of this chapter to be payment into the custody of such court.

B. The amount to be paid into the court as provided in subdivision A 1 or represented by a certificate of deposit as provided in subdivision A 2 shall be the amount that the Commissioner of Highways estimates to be the fair value of the land taken, or interest therein sought, and damage done, which estimate shall be based on a bona fide appraisal if required by § 25.1-417; however, such estimate shall not be less than the current assessed value of the land for real estate tax purposes, unless the property has physically changed in a material and substantial way since the current assessment date such that the real estate tax assessment no longer represents a fair valuation of the property, when the entire parcel for which the assessment has been made is to be acquired.

C. If the Commissioner of Highways makes a payment into court as provided in subdivision A 1, the court shall also record a certificate of take pursuant to § 33.2-1021.

D. Payment against a certificate of deposit, when ordered by the court named therein, shall be paid by the Commissioner of Highways.

E. The Commissioner of Highways shall not be permitted to force relocation on improved owner-occupied property until the owner is permitted to withdraw the funds represented by the certificate filed with the court. However, if the owner refuses to withdraw the funds represented by the certificate filed with the court or if the Commissioner of Highways reasonably believes that the owner does not possess clear title to the property being taken, that ownership of the property is disputed, or that certain owners cannot be located, the Commissioner of Highways may petition the court to establish that the owner does not possess clear title, that the ownership of the property is in dispute, that certain owners cannot be located, or that the owner has refused to withdraw the funds represented by the certificate filed with the court, and request that the Commissioner of Highways be given authority to force relocation.

F. Nothing in this section shall make evidence of tax assessments admissible as proof of value in an eminent domain proceeding.

§ 33.2-1020. Payment of certificates of deposit; notice to owner.

A. A certificate of deposit shall be deemed and held for the purpose of this article to be payment into the custody of such court. Payment against any certificate of deposit so issued and countersigned, when ordered by the court named therein, shall be paid by the State Treasurer on warrants of the Comptroller, issued on vouchers signed by the Commissioner of Highways.

B. A duplicate of each certificate of deposit so issued and countersigned shall be kept as a record in the office of the Commissioner of Highways and a copy thereof shall be filed with the State Treasurer.

C. The Commissioner of Highways shall give notice to the owner or tenant of the freehold by registered mail, if known, that a certificate of deposit will be filed.

§ 33.2-1021. Recordation of certificates; transfer of title or interest; land situated in two or more counties or cities.

The certificate of the Commissioner of Highways shall be recorded in the clerk's office of the court where deeds are recorded. Upon such recordation, the interest or estate of the owner of such property shall terminate and the title to such property or interest or estate of the owner shall be vested in the Commonwealth. Such owner shall have such interest or estate in the funds held on deposit by virtue of the certificate as he had in the property taken or damaged, and all liens by deed of trust, judgment, or otherwise upon such property or estate or interest shall be transferred to such funds. The title in the Commonwealth shall be defeasible until the reaching of an agreement between the Commissioner of Highways and such owner, as provided in § 33.2-1027, or the compensation determined by condemnation proceedings as provided in §§ 33.2-1022 through 33.2-1028.

If the land affected by the certificate is situated in two or more counties or cities, the clerk of the court wherein the certificate is recorded shall certify a copy of such certificate to the clerk of the court of the counties or cities in which any portion of the land lies, who shall record the same in his deed book and index it in the name of the person who had the land before and also in the name of the Commonwealth.

§ 33.2-1022. Certificates to describe land and list owner.

The certificate shall set forth the description of the land or interest therein being taken or damaged and, if known, the owner.

§ 33.2-1023. Proceedings for distribution of funds; effect of acceptance of payments; evidence as to amount of deposit or certificate.

A. Any person or persons shown by a certificate to be entitled thereto may petition the court for the distribution of all or any part of the funds deposited with the court pursuant to subdivision A 1 of § 33.2-1019 or represented by a certificate of deposit filed pursuant to subdivision A 2 of § 33.2-1019.

B. A copy of such petition shall be served on the Commissioner of Highways, his deputy, or any attorney authorized to accept service with a notice, returnable to the court or judge not less than 21 days after such service, to show cause, if any, why such amount should not be distributed in accordance with the prayers of the petition.

C. If the Commissioner of Highways does not, on or before the return day of the petition, show such cause, and if the record in the proceeding does not disclose any denial or dispute with respect thereto, the court shall enter an order directing the distribution of such amount in accordance with the prayers of the petition. However, in the case of a nonresident petitioner the court may require a bond before ordering the distribution.

D. If funds have been deposited with the court pursuant to subdivision A 1 of § 33.2-1019, any interest that has accrued on the funds shall be payable to the person or persons entitled to receive such funds.

E. If funds are not then on deposit with the court but are represented by a certificate of deposit filed pursuant to subdivision A 2 of § 33.2-1019, a certified copy of such order shall forthwith be sent to the Commissioner of Highways by the clerk. It shall be the duty of the Commissioner of Highways to deposit such funds with the court within 21 days of the date of such order.

F. Interest shall be payable on funds represented by a certificate of deposit from the date of filing of the certificate of deposit until the funds are paid into court at the rate of interest established pursuant to § 6621(a)(2) of the Internal Revenue Code of 1954, as amended or renumbered, for the month in which the order pursuant to this section is entered. However, interest shall not accrue if an injunction is filed against the Department that enjoins the taking of the property described in the certificate.

G. If the Commissioner of Highways shows such cause, or if the record in the proceeding discloses any denial or dispute as to the persons entitled to such distribution or to any interest or share therein, the court shall direct such proceedings as are provided by § 25.1-240 for the distribution of awards.

H. However, the acceptance of such payment shall not limit the amount to be allowed by a commissioner in a condemnation proceeding, nor limit the rights of any party or parties to the proceeding to appeal from any decision therein; nor shall any party to such proceeding be entitled to introduce evidence of any amount deposited with the court or represented by a certificate, nor of any amount that has been accepted by any party entitled thereto pursuant to this section.

§ 33.2-1024. Reformation, alteration, revision, amendment, or invalidation of certificate.

Upon the recordation of such certificate, no reformation, alteration, revision, amendment, or invalidation shall be made for any purpose without the prior consent of the court wherein such certificate is recorded. The court or judge in vacation shall have jurisdiction to reform, alter, revise, amend, or invalidate in whole or in part any certificate; to correct mistakes in the description of the property affected by such certificate; to correct the name of the owner in the certificate; to correct any other error that may exist with respect to such certificate; or for any other purpose. A petition filed by the Commissioner of Highways with the court setting forth any error made in such certificate, or the necessity of any change therein, shall be deemed sufficient basis for the reformation, alteration, revision, amendment, or invalidation in whole or in part of such certificate. The court may enter an order permitting the reformation, alteration, revision, amendment, or invalidation in whole or in part, and such order, together with any revised certificate that may be necessary, shall be spread in the current deed book. The filing of any certificate pursuant to the provisions of this section shall not alter the date of taking as established by the filing of the original certificate pursuant to § 33.2-1021 as to any land that is included in the amended certificate, and no such amended certificate shall include any land not in the original certificate. Nothing herein contained shall be construed to prohibit or preclude any person damaged thereby from showing in the proper proceeding the damage suffered by reason of such mistake or the invalidation of a certificate of deposit as herein provided.

§ 33.2-1025. When condemnation proceedings instituted; payment of compensation or damages; order confirming award; recording.

Within 180 days after the recordation of such certificate, if the Commissioner of Highways and the owner of such lands or interest therein taken or damaged by the Commissioner of Highways are unable to agree as to the compensation or damages, if any, caused thereby, or such consent cannot be obtained due to the incapacity of the owner, or because such owner is unknown or cannot with reasonable diligence be found within the Commonwealth, the Commissioner of Highways shall institute condemnation proceedings, as provided in this article, unless said proceedings shall have been instituted prior to the recordation of such certificate. The amount of such compensation and damages, if any, awarded to the owner in such proceedings shall be paid out of the appropriations to the Department. The final order confirming the award of the Commissioner of Highways shall confirm absolute and indefeasible title to the land, or interest therein sought, in the Commonwealth and shall be spread in the current deed book.

§ 33.2-1026. Awards in greater or lesser amounts than deposit; interest.

A. If the amount of an award in a condemnation proceeding is greater than that deposited with the court or represented by a certificate of deposit, the excess amount, together with interest accrued on such excess amount, shall be paid into court for the person entitled thereto.

B. Interest shall accrue on the excess amount at the rate of interest established pursuant to § 6621(a)(2) of the Internal Revenue Code of 1954, as amended or renumbered, compiled by the Department for the month in which the award is rendered, computed from the date of such deposit to the date of payment into court, and shall be paid into court for the person or persons entitled thereto. However, any (i) interest accruing after June 30, 1970, and prior to July 1, 1981, shall be paid at the rate of six percent; (ii) interest accruing after June 30, 1981, and prior to July 1, 1994, shall be paid at the rate of eight percent; and (iii) interest accruing after June 30, 1994, and prior to July 1, 2003, shall be paid at the general account composite rate, compiled by the Department of the Treasury of Virginia for the month in which the award is rendered.

C. If the amount of an award in a condemnation proceeding is less than that deposited with the court or represented by a certificate of deposit, and the person or persons entitled thereto have received a distribution of the funds pursuant to § 33.2-1023, the Commissioner of Highways shall recover (i) the amount of such excess and (ii) interest on such excess at the rate of interest established pursuant to § 6621(a)(2) of the Internal Revenue Code of 1954, as amended or renumbered. If any person has been paid a greater sum than that to which he is entitled as determined by the award, judgment shall be entered for the Commissioner of Highways against such person for the amount of such excess and interest. However, the Commissioner of Highways shall not be entitled to recover the amount of such excess and interest in the event the Commissioner of Highways acquired, by virtue of the certificate, an entire parcel of land containing a dwelling, multiple-family dwelling, or building used for commercial purposes at the time of initiation of negotiations for the acquisition of such property.

§ 33.2-1027. Agreements as to compensation; petition and order of court thereon; disposition of deposit.

At any time after the recordation of such certificate, but prior to the institution of condemnation proceedings, if the Commissioner of Highways and the owner of the land or interest therein taken or damaged are able to agree as to compensation for the land taken and damages, if any, caused by such taking, the Commissioner of Highways shall file with the court a petition so stating, with a copy of the agreement attached. If condemnation proceedings are already pending at

the time of reaching such agreement, no such petition shall be required, but the motion for dismissal of such proceedings shall contain an averment that such agreement has been reached. Upon the filing of such petition or motion to dismiss, the court shall thereupon enter an order confirming absolute and indefeasible title to the land or interest therein in the Commonwealth. Such order shall be spread in the current deed book. Upon entry of such order, the Commissioner of Highways and State Treasurer shall be relieved of further obligation by virtue of having filed such certificate of deposit with the court.

If it shall appear from such petition and agreement, or motion to dismiss a pending suit, that no person other than those executing such agreement are entitled to the fund on deposit, the court shall direct that such fund, after payment therefrom of any taxes that may be charged against such land taken, be disbursed and distributed in accordance with the statement or charge in the petition or motion among the parties or persons entitled thereto. If it shall appear that a controversy exists as to the persons entitled to such fund, such distribution shall be made in accordance with the provisions of § 33.2-1023.

§ 33.2-1028. Enhancement to be offset against damage.

In all cases under the provisions of this article, the enhancement, if any, in value of the remaining property of the landowner by reason of the construction or improvement contemplated or made by the Commissioner of Highways shall be offset against the damage, if any, resulting to such remaining property of such landowner by reason of such construction or improvement. However, such enhancement in value shall not be offset against the value of the property taken, and if such enhancement in value exceeds the damage, there shall be no recovery against the landowner for such excess.

§ 33.2-1029. Remedy of landowners under certain conditions.

Whenever the Commissioner of Highways enters upon and takes possession of property pursuant to §§ 33.2-1018, 33.2-1019, and 33.2-1020 and has not instituted condemnation proceedings within 180 days after the recordation of a certificate as required by § 33.2-1025, whether the construction of the highway project has been completed or not, the property owner may, if no agreement has been made with the Commissioner of Highways as to compensation and damage, if any, petition the circuit court of the county or the court of the city in which such cases are tried and in which the greater portion of the property lies for the appointment of commissioners or a jury to determine just compensation for the property taken and damages done, if any. A copy of such petition shall be served upon the Commissioner of Highways at least 10 days before it is presented to the court, and the Commissioner of Highways shall file an answer thereto within five days after the petition is so presented. If the court finds that a reasonable time has elapsed for the completion of the construction of the highway project or that 60 days have elapsed since the completion of the construction of the highway project or that more than 180 days have elapsed since the Commissioner of Highways entered upon and took possession of the property, without condemnation proceedings being instituted and without an agreement having been made between the property owner and the Commissioner of Highways as to compensation and damages, if any, commissioners or a jury shall be appointed to ascertain the amount of compensation to be paid for the property taken and damages done, if any. The proceedings shall thereafter be governed by the procedure prescribed by Chapter 2 (§ 25.1-200 et seq.) of Title 25.1 insofar as the same may be applicable.

§ 33.2-1030. Adjustment or relocation of certain billboard signs.

A. Notwithstanding any other provision of law, general or special, whenever land is acquired due to the widening, construction, or reconstruction of any highway as defined in § 33.2-1200 by purchase or by use of the power of eminent domain and upon such land is situated a lawfully erected billboard sign as defined in § 33.2-1200, such billboard sign may be relocated as provided in this section.

B. If a billboard sign meets all requirements under the provision of this title and § 4.1-113.1 in the case of outdoor alcoholic beverage advertising, but is considered nonconforming solely due to a local ordinance, the owner of the billboard sign, at his sole cost and expense, shall have the option to relocate such billboard sign to another location as close as practicable on the same property, adjusting the height or angle of the billboard sign to a height or angle that restores the visibility of the billboard sign to the same or comparable visibility as before the taking, provided the new location also meets all the requirements of this title and regulations adopted pursuant thereto.

C. Nothing in this section shall authorize the owner of such billboard sign to increase the size of the sign face, and a relocated billboard sign shall continue to be nonconforming in its new location unless the relocated billboard sign becomes conforming in its new location under the local ordinance. The provisions of § 33.2-1219 shall apply to any relocation.

Article 2.

Acquisition of Land Used as Cemeteries.

§ 33.2-1031. Commissioner of Highways may enter into agreement with person, church, association, etc.

Whenever it becomes necessary for the Commissioner of Highways to acquire land or other interest therein for the purposes set forth in this title, and such land to be acquired is a part or the whole of a cemetery or graveyard owned by any person, church, association, corporation, or other legal entity that has the legal authority to make disposition of the same, the Commissioner of Highways may enter into agreements with such person, church, association, corporation, or other legal entity for the removal of any remains that may be interred upon the land. Such agreement shall provide for reinterment in some suitable repository. For purposes of this article, the sprinkling of ashes or their burial in a biodegradable container on private residential property, not subject to regulation under Chapter 3 (§ 57-22 et seq.) of Title 57, shall not constitute the creation of a cemetery or graveyard.

§ 33.2-1032. Commissioner of Highways may file petition for condemnation when no agreement can be reached; notice of condemnation proceedings.

In the event no agreement can be reached as provided in § 33.2-1031 or whenever such land is a part or the whole of a cemetery or graveyard owned by persons unknown or by any person, church, association, corporation, or other legal entity not having legal authority to make disposition of the same, the Commissioner of Highways shall petition the court of the city or county in which the land is situated and in which condemnation proceedings are instituted to acquire land for the purpose of condemning such land and having the remains interred in such cemetery or graveyard removed to some suitable repository. To such petition the owner of the land and next of kin of those interred therein, if known, shall be made defendants and served with notice. If such owner and next of kin are unknown, are less than 18 years of age, have been adjudicated insane or incompetent, or are nonresidents of the Commonwealth, such notice shall be served in the manner prescribed by Chapter 2 (§ 25.1-200 et seq.) of Title 25.1.

§ 33.2-1033. Contents of petition for condemnation.

The contents of such petition shall comply with all statutory requirements prescribed for the exercise of the power of eminent domain by the Commissioner of Highways and shall contain the reasons why it is practical to acquire such land and remove any remains that may be interred therein.

§ 33.2-1034. Removal and reinterment of remains; other proceedings.

The trial court shall determine a suitable repository for reinterment and the manner in which the removal and reinterment is to be undertaken and shall tax the cost and expense of such removal and reinterment against the Commissioner of Highways. Insofar as possible and reasonable, the court shall consider the wishes of the next of kin of those interred in such graves in making the determination as to a suitable repository and manner of removal and reinterment. All other proceedings in the condemnation of such land and the determination of just compensation for such taking and damages suffered shall be conducted in accordance with the statutes made and provided for the exercise of the power of eminent domain by the Commissioner of Highways.

CHAPTER 11.

HIGHWAY CONSTRUCTION CONTRACTS AND SUITS; HIGHWAY CONTRACTORS' ASSOCIATION.

Article 1.

Highway Construction Contracts, Limitations on Suits, and Adjustment of Claims.

§ 33.2-1100. Highway construction contracts.

A. Every contractor whose bid is accepted shall, before commencing work, enter into a contract with the Commissioner of Highways that shall fully set out the time when work shall commence and when the contract shall be completed as well as the time and manner for the payment for the work. Whenever the Commissioner of Highways or his designee publicly opens and announces all bids received for each invitation to bid, it shall be announced at the same time if the lowest read bid exceeds the maximum tolerance of the Department's estimate for the work represented by that bid.

B. The contract shall require that the contractor comply with all requirements, conditions, and terms of the contract, including environmental permits that are part of the contract. If the contractor violates a contract provision and the violation results in environmental damage or if the contractor violates environmental laws or environmental permits, the Department may suspend the contractor from future bidding or initiate debarment. In addition, the Department may recover either (i) the loss or damage that the Department suffers as a result of such violation or (ii) any liquidated damages established in such contract plus (iii) reasonable attorney fees and expert witness fees. Any damages and costs collected under this section shall be deposited into the Transportation Trust Fund and used for transportation purposes as determined by the Board.

§ 33.2-1101. Submission of claims; initial investigation and notice of decision; appearance before Commissioner of Highways; further investigation and notice of decision; settlement.

A. Upon the completion of any contract for the construction of any state highway project awarded by the Board or by the Commissioner of Highways to any contractor, if the contractor fails to receive such settlement as he claims to be entitled to under the contract for himself or for his subcontractors or for persons furnishing materials for the contract for costs and expenses caused by the acts or omissions of the Department, he may, within 60 days after the final estimate date, deliver to the Department, through proper administrative channels as determined by the Department, a written claim for such amount to which he deems himself, his subcontractors, or his material persons entitled under the contract. The final estimate date shall be set forth in a letter from the Department to the contractor sent by certified mail. The claim shall set forth the facts upon which the claim is based, provided that written notice of the contractor's intention to file such claim shall have been given to the Department at the time of the occurrence or beginning of the work upon which the claim and subsequent action is based. Within 90 days from receipt of such claim, the Department shall make an investigation and notify the claimant in writing by certified mail of its decision. The claimant and the Department may, however, mutually extend such 90-day period for another 30 days.

B. If dissatisfied with the decision, the claimant shall, within 30 days from receipt of the Department's decision, notify the Commissioner of Highways, in writing, that he desires to appear before him, either in person or through counsel, and present any additional facts and arguments in support of his claim as previously filed.

C. The Commissioner of Highways shall schedule such appearance to be held within 30 days of receiving the claimant's written request. The claimant and the Commissioner of Highways may, however, mutually agree to schedule such appearance to be held after 30 days but before 60 days from the receipt of the claimant's written request.

D. Within 45 days from the date of the appearance before him, the Commissioner of Highways shall make an investigation of the claim and notify the contractor in writing of his decision. The claimant and the Commissioner of Highways may, however, mutually agree to extend such 45-day period for another 30 days. If the Commissioner of Highways deems that all or any portion of a claim is valid, he shall have the authority to negotiate a settlement with the contractor, but any such settlement shall be subject to the provisions of § 2.2-514.

E. Failure of the Department or the Commissioner of Highways to render a decision within the time period specified in subsections A and D, or within such other period as has been mutually agreed upon as provided in this section, shall be deemed a denial of the claim.

If the Commissioner of Highways determines that a claim has been denied as the result of an administrative oversight, then the Department reserves the right to reconsider the claim.

§ 33.2-1102. Limitation of suits on contracts.

No suit or action shall be brought against the Department by a contractor or any persons claiming under him or on behalf of a subcontractor of the contractor or a person furnishing materials for the contract to the contractor on any contract executed pursuant to this article or by others on any claim arising from the performance of the contract by the contractor, subcontractor, or person furnishing materials to the contractor, unless the claimant has exhausted the review process provided by § 33.2-1101. Further, no such suit or action shall be brought unless such suit or action is brought within 12 months from receipt of the decision of the Commissioner of Highways. In no event shall any delay therein on the part of the contractor, subcontractor, or person furnishing materials be construed as a reason for extending the time within which such suit or action must be brought. In any case brought against the Department on behalf of a subcontractor or person furnishing materials to the contractor, lack of privity between the parties shall be no defense; however, any such case brought on behalf of a subcontractor or person furnishing materials to the contractor shall only be brought for costs and expenses caused by the acts or omissions of the Department and shall not be brought for costs and expenses caused by the contractor.

§ 33.2-1103. Civil action.

As to such portion of the claim as is denied by the Commissioner of Highways, the contractor may institute a civil action for such sum as he claims to be entitled to under the contract for himself or for his subcontractors or for persons furnishing materials for the contract by the filing of a petition in the Circuit Court of the City of Richmond or where the highway project that is the subject of the contract is located. Any civil action brought on behalf of a subcontractor or person furnishing materials for the contract shall only be brought for costs and expenses caused by the acts or omissions of the Department and shall not be brought for costs and expenses caused by the contractor. Trial shall be by the court without a jury. The submission of the claim to the Department within the time and as set out in § 33.2-1101 shall be a condition precedent to bringing an action under this article and the Department shall be allowed to assert any and all defenses in a case brought by or on behalf of the subcontractor or a person furnishing materials to the contractor which are available to the contractor.

§ 33.2-1104. Application of article; existing contracts.

The provisions of this article shall apply to all contracts executed and proceedings initiated after June 30, 1976, and may be made applicable to existing contracts by mutual consent of the contracting parties.

§ 33.2-1105. Provisions of article deemed part of contract.

The provisions of this article shall be deemed to enter into and form a part of every contract entered into between the Board and any contractor on or after July 1, 1976, and no provision in said contracts shall be valid that is in conflict herewith.

Article 2.

Highway Contractors' Association.

§ 33.2-1106. Definitions.

For the purposes of this article:

"Highway contractors' association" means any association, bureau, agency, or other medium, incorporated or unincorporated, whose object or work is to promote the common welfare of, furnish information to, promote cooperation among, stimulate the demand for the services of, or advertise the members thereof.

"Member of highway contractors' association" means any individual partnership, or corporation engaged in contracting for the construction, repair, and maintenance of highways and highway bridges and for supplying labor, material, machinery, and supplies for use in highways and bridges that is a member of, stockholder in, subscriber of, or contributor to, or that is in any way affiliated with, any highway contractors' association.

§ 33.2-1107. Statements to be furnished.

Every highway contractors' association domiciled in the Commonwealth shall, upon request from the Secretary of the Commonwealth, within 30 days of such request, but no more often than once a calendar year, furnish in writing to the Secretary of the Commonwealth the following information:

1. The names and post office addresses of all of its members. When any member is a firm, the names and addresses of the members of the firm shall be furnished. When any member is a corporation, the names of the officers of the corporation shall be furnished.

2. The names and post office addresses of the officers of the highway contractors' association and the duties and salaries of the officers.

3. The property and income of the highway contractors' association and by whom the same is paid.

4. An itemized statement of the expenditures of such association.

5. A copy of the charter and bylaws, if incorporated, and a copy of the constitution and bylaws, if unincorporated, of such association.

Such statements shall become public records.

§ 33.2-1108. Papers, accounts, and records open to examination by certain officers.

All papers, accounts, and records of every nature of every highway contractors' association, a member of which submits a bid for any construction, maintenance, or repair of any public highway or bridge or for the supplying of labor, material, or supplies for any such construction, repair, or maintenance, whether such highway association is domiciled in Virginia or is a foreign highway contractors' association doing business in Virginia, shall be at all times during business hours open to examination and inspection by the Governor, the Attorney General, the Comptroller, the Auditor of Public Accounts, the Board and any member thereof, and the duly authorized agent or representative of any of such officers or of the Board.

§ 33.2-1109. Effect of refusal to permit or withholding from examination of papers, etc.

If any highway contractors' association, whether domiciled in Virginia or not, on application of any person authorized by this article to examine and inspect its records, refuses to permit such examination and inspection of its papers, accounts, and records, or fails to produce at its principal office for examination and inspection any of its papers, accounts, or records when requested so to do, or knowingly withholds from examination and inspection any of its papers, accounts, and records, for the purpose of secreting any of its acts or activities or the amount or sources of or the use made of its revenue, the person requesting or making such examination and inspection shall report the fact to the Governor, who shall certify the fact to the Commissioner of Highways.

No contract for highway or highway bridge construction, repair, or maintenance or for the supplying of any labor, materials, or supplies for such construction, repair, or maintenance shall be thereafter let to any member of such association until the Governor has certified to the Board that a full examination and inspection of the papers, accounts, and records of such association has been made with the free consent and cooperation of such association and that such examination and inspection discloses nothing in the purposes, methods, or activities of such association detrimental to the public interest or tending to prevent competition in or increase the cost of highway and highway bridge construction, repair, or maintenance in the Commonwealth and that none of its revenue has been used for political purposes.

§ 33.2-1110. Effect of using certain methods or engaging in certain activities.

If upon any such inspection or examination as is provided for in this article it is found that any highway contractors' association of which any individual, partnership, or corporation holding a contract for the construction, maintenance, or repair of any public highway or bridge or for supplying any labor, materials, or supplies for any such construction, repair, or maintenance is a member has made use of methods or engaged in activities tending to prevent competition in the bidding on such contract or to increase the cost of such contract to the Commonwealth or county or has brought to bear or endeavored to bring to bear political influence to secure for such member such contract, then the Board may, at its option, cancel and annul such contract, paying thereon for the work done or labor, material, and supplies furnished only the reasonable value of the work done or labor, material, and supplies furnished.

§ 33.2-1111. Certificate to be filed with bid for highway or bridge construction, etc.

Every individual, partnership, or corporation bidding upon any proposed contract for the construction, repair, or maintenance of any part of any public highway or bridge and for supplying any labor, material, or supplies to be used in any such construction, repair, or maintenance shall file with such bid a sworn statement giving the name and location of the principal office of every highway contractors' association of which it is or has been a member during the preceding 12 months. No bid not accompanied by such certificate shall be considered by the Board or the Commissioner of Highways in letting any contract bid upon, nor shall any such contract be let by the Board or the Commissioner of Highways to any bidder failing to file the certificate required by this section.

§ 33.2-1112. Affidavit to be filed with bid upon work.

Every member of any highway contractors' association who bids upon any work let by the Board or the Commissioner of Highways shall file with his bid an affidavit in substance as follows: that the bidder neither directly nor indirectly has entered into any combination or arrangement with any person, firm, or corporation or entered into any agreement the effect of which is to prevent competition or increase the cost of construction or maintenance of highways or bridges.

The Board or the Commissioner of Highways shall prescribe the form of this affidavit and no bid shall be accepted unless accompanied by such affidavit.

CHAPTER 12.

OUTDOOR ADVERTISING IN SIGHT OF PUBLIC HIGHWAYS.

Article 1.

General Policies and Regulations.

§ 33.2-1200. Policy; definitions.

A. In order to promote the safety, convenience, and enjoyment of travel on and protection of the public investment in highways within the Commonwealth, attract tourists and promote the prosperity, economic well-being, and general welfare of the Commonwealth, and preserve and enhance the natural scenic beauty or aesthetic features of the highways and adjacent areas, the General Assembly declares it to be the policy of the Commonwealth that the erection and maintenance of outdoor advertising in areas adjacent to the rights-of-way of the highways within the Commonwealth shall be regulated in accordance with the terms of this article and regulations promulgated by the Board pursuant thereto.

B. As used in this article, unless the context requires a different meaning:

"Advertisement" means any writing, printing, picture, painting, display, emblem, drawing, sign, or similar device that is posted or displayed outdoors on real property and is intended to invite or to draw the attention of or solicit the patronage or support of the public to any goods, merchandise, real or personal property, business, services, entertainment, or amusement manufactured, produced, bought, sold, conducted, furnished, or dealt in by any person. "Advertisement" includes any part of an advertisement recognizable as such.

"Advertising structure" means any rigid or semirigid material, with or without any advertisement displayed thereon, situated upon or attached to real property outdoors, primarily or principally for the purpose of furnishing a background or base or support upon which an advertisement may be posted or displayed.

"Area of an advertising structure" means the area determined from its outside measurements, excluding as a part thereof the height and overall width of supports and supporting structure and any other portion or portions thereof beneath the normal area upon which an advertisement is posted or intended to be posted.

"Billboard sign" means any sign, advertisement, or advertising structure as defined in this section owned by a person, firm, or corporation in the business of outdoor advertising.

"Business of outdoor advertising" means the erection, use, or maintenance of advertising structures or the posting or display of outdoor advertisements by any person who receives profit gained from rentals or any other compensation from any other person for the use or maintenance of such advertising structures or the posting or display of such advertisements, except reasonable compensation for materials and labor used or furnished in the actual erection of advertising structures or the actual posting of advertisements. "Business of outdoor advertising" does not include the leasing or rental of advertising structures or advertisements used to advertise products, services, or entertainment sold or provided on the premises where the advertising structures or advertisement is located.

"Centerline of the highway" means a line equidistant from the edges of the median separating the main traveled ways of a divided highway or the centerline of the main traveled way of a nondivided highway.

"Distance from edge of a right-of-way" means the horizontal distance measured along a line normal or perpendicular to the centerline of the highway.

"Federal-aid primary highway" means any highway within that portion of the primary state highway system as established and maintained under Article 2 (§ 33.2-310 et seq.) of Chapter 3, including extensions of such system within municipalities, that has been approved by the Secretary of Transportation pursuant to 23 U.S.C. § 103(b), as that system existed on June 1, 1991.

"Highway" means every way or place of whatever nature open to the use of the public for purposes of vehicular travel in the Commonwealth.

"Historic place, museum, or shrine" includes only places that are maintained wholly at public expense or by a nonprofit organization.

"Information center" means an area or site established and maintained at rest areas for the purpose of informing the public of places of interest within the Commonwealth and providing such other information as the Commonwealth may consider desirable.

"Interchange" means a grade separated intersection with one or more turning roadways for travel between intersection legs, or an intersection at grade, where two or more highways join or cross.

"Lawfully erected" means any sign that was erected pursuant to the issuance of a permit from the Commissioner of Highways under § 33.2-1208, unless the local governing body has evidence of noncompliance with ordinances in effect at the time the sign was erected.

"Legible" means capable of being read without visual aid by a person of normal visual acuity.

"Maintain" means to allow to exist.

"Main traveled way" means the traveled way of a highway on which through traffic is carried. In the case of a divided highway, the traveled way of each of the separated roadways for traffic in opposite directions is a main traveled way. "Main traveled way" does not include such facilities as frontage roads, turning roadways, or parking areas.

"National Highway System" means the federal-aid highway system referenced in 23 U.S.C. § 103(b), and regulations adopted pursuant thereto. For the purpose of this article, outdoor advertising controls on the National Highway System shall be implemented as those highways are designated and approved by congressional action or designation by the U.S. Secretary of Transportation and such designation and approval shall be kept on file in the central office of the Department of Transportation and placed in the minutes of the Commonwealth Transportation Board by the Commissioner of Highways. Prior to congressional approval or designation by the U.S. Secretary of Transportation, highways classified

as National System of Interstate and Defense Highways, Dwight D. Eisenhower National System of Interstate and Defense Highways, Interstate System, or federal-aid primary highway as defined in this section shall be considered as the National Highway System.

"Nonconforming sign," "nonconforming advertisement," or "nonconforming advertising structure" means one that was lawfully erected adjacent to any highway in the Commonwealth but that does not comply with the provisions of state law, state regulations, or ordinances adopted by local governing bodies passed at a later date or that later fails to comply with state law, state regulations, or ordinances adopted by local governing bodies due to changed conditions.

"Person" includes an individual, partnership, association, or corporation.

"Post" means post, display, print, paint, burn, nail, paste, or otherwise attach.

"Real property" includes any property physically attached or annexed to real property in any manner whatsoever.

"Rest area" means an area or site established and maintained within or adjacent to the right-of-way or under public supervision or control for the convenience of the traveling public.

"Scenic area" means any public park or area of particular scenic beauty or historical significance designated as a scenic area by the Board.

"Sign" means any outdoor sign, display, device, figure, painting, drawing, message, placard, poster, billboard, or other thing that is designed, intended, or used to advertise or inform, any part of the advertising or informative contents of which is visible from any highway.

"Trade name" includes a brand name, trademark, distinctive symbol, or other similar device or thing used to identify particular products or services.

"Traveled way" means the portion of a roadway for the movement of vehicles, exclusive of shoulders.

"Turning roadway" means a connecting roadway for traffic turning between two intersection legs of an interchange.

"Urban area" means an urbanized area or, in the case of an urbanized area encompassing more than one state, that part of the urbanized area within the Commonwealth, or an urban place.

"Urbanized area" means an area so designated by the U.S. Census Bureau, within boundaries fixed by the Commissioner of Highways, in his discretion, in cooperation with the governing bodies of the localities affected and the appropriate federal authority. Such boundaries shall, at a minimum, encompass the entire urbanized area within a state as designated by the U.S. Census Bureau.

"Urban place" means an area so designated by the U.S. Census Bureau having a population of 5,000 or more and not within any urbanized area, within boundaries fixed by the Commissioner of Highways, in his discretion, in cooperation with the governing bodies of the localities affected and the appropriate federal authority. Such boundaries shall, at a minimum, encompass the entire urban place designated by the U.S. Census Bureau.

"Virginia byway" and "scenic highway" means those highways designated by the Board pursuant to § 33.2-405. For the purposes of this article, a Virginia byway means a scenic byway as referenced in 23 U.S.C. § 131(s).

"Visible" means capable of being seen (whether or not legible) without visual aid by a person of normal visual acuity.

§ 33.2-1201. Enforcement of provisions by Commissioner of Highways.

The Commissioner of Highways shall administer and enforce the provisions of this article. He may assign to division engineers and other employees in the Department such duties other than discretionary powers as he may deem appropriate.

§ 33.2-1202. Territory to which article applies.

The territory under the jurisdiction of the Commissioner of Highways for the purposes of this article shall include all of the Commonwealth, exclusive of that portion thereof that lies within the corporate limits of municipalities, except the jurisdiction of the Commissioner of Highways shall apply to all the territory within municipalities on which signs, advertisements, or advertising structures are visible from the main traveled way of any Interstate System highway, federal-aid primary highway as that system existed on June 1, 1991, or National Highway System highway.

§ 33.2-1203. Entry upon lands; hindering Commissioner of Highways or agent.

The Commissioner of Highways and all employees under his direction may enter upon such lands as may be necessary in the performance of their functions and duties as prescribed by this article. Any person who hinders or obstructs the Commissioner of Highways or any assistant or agent of the Commissioner of Highways in carrying out such functions and duties is guilty of a Class 1 misdemeanor.

§ 33.2-1204. Excepted signs, advertisements, and advertising structures.

The following signs and advertisements, if securely attached to real property or advertising structures, and the advertising structures or parts thereof upon which they are posted or displayed are excepted from all the provisions of this article except those enumerated in §§ 33.2-1202, 33.2-1205, and 33.2-1208, subdivisions 2 through 12 of § 33.2-1216, and §§ 33.2-1217 and 33 2-1227:

1. Advertisements securely attached to a place of business or residence and no more than 10 advertising structures, with a combined total area of such advertisements and advertising structures, exclusive of the area occupied by the name of the business, owner, or lessee, of no more than 500 square feet, erected or maintained, or caused to be erected or maintained, by the owner or lessee of such place of business or residence, within 250 feet of such place of business or residence or located on the real property of such place of business or residence and relating solely to merchandise, services, or entertainment sold, produced, manufactured, or furnished at such place of business or residence;

2. Signs erected or maintained, or caused to be erected or maintained, on any farm by the owner or lessee of such farm and relating solely to farm produce, merchandise, services, or entertainment sold, produced, manufactured, or furnished on such farm;

3. Signs upon real property posted or displayed by the owner, or by the authority of the owner, stating that the property upon which the sign is located, or a part of such property, is for sale or rent or stating any data pertaining to such property and its appurtenances and the name and address of the owner and the agent of such owner;

4. Official notices or advertisements posted or displayed by or under the direction of any public or court officer in the performance of his official or directed duties or by trustees under deeds of trust, deeds of assignment, or other similar instruments;

5. Danger or precautionary signs relating to the premises or signs warning of the condition of or dangers of travel on a highway erected or authorized by the Commissioner of Highways; forest fire warning signs erected under authority of the State Forester; and signs, notices, or symbols erected by the United States government under the direction of the U.S. Forest Service;

6. Notices of any telephone company, telegraph company, railroad, bridges, ferries, or other transportation company necessary in the discretion of the Commissioner of Highways for the safety of the public or for the direction of the public to such utility or to any place to be reached by it;

7. Signs, notices, or symbols for the information of aviators as to location, direction, and landings and conditions affecting safety in aviation erected or authorized by the Commissioner of Highways;

8. Signs of 16 square feet or less and bearing an announcement of any locality, or historic place, museum, or shrine situated in the Commonwealth advertising itself or local industries, meetings, buildings, or attractions, provided such signs are maintained wholly at public expense or at the expense of such historic place, museum, or shrine;

9. Signs or notices of two square feet or less placed at a junction of two or more roads in the primary state highway system denoting only the distance or direction of a church, residence, or place of business, provided such signs or notices do not exceed a reasonable number in the discretion of the Commissioner of Highways;

10. Signs or notices erected or maintained upon property giving the name of the owner, lessee, or occupant of the premises;

11. Advertisements and advertising structures within the corporate limits of cities and towns, except as specified in § 33.2-1202;

12. Historical markers erected by duly constituted and authorized public authorities;

13. Highway markers and signs erected or caused to be erected by the Commissioner of Highways or the Board or other authorities in accordance with law;

14. Signs erected upon property warning the public against hunting, fishing, or trespassing thereon;

15. Signs erected by Red Cross authorities relating to Red Cross Emergency Stations, with authority hereby expressly given for the erection and maintenance of such signs upon the right-of-way of all highways in the Commonwealth at such locations as may be approved by the Commissioner of Highways;

16. Signs advertising agricultural products and horticultural products, or either; when such products are produced by the person who erects and maintains the signs, provided that restriction of the location and number of such signs shall be in the sole discretion of the Commissioner of Highways;

17. Signs advertising only the name, time, and place of bona fide agricultural, county, district, or state fairs, together with announcements of related special events that do not consume more than 50 percent of the display area of such signs, provided the person who posts the signs or causes them to be posted shall post a cash bond as may be prescribed by the Commissioner of Highways adequate to reimburse the Commonwealth for the actual cost of removing such signs that are not removed within 30 days after the last day of the fair so advertised;

18. Signs of no more than eight square feet, or one sign structure containing more than one sign of no more than eight square feet, that denote only the name of a civic service club or church, location and directions for reaching same, and time of meeting of such organization, provided such signs or notices do not exceed a reasonable number as determined by the Commissioner of Highways; and

19. Notwithstanding the provisions of § 33.2-1224, signs containing advertisements or notices that have been authorized by a county and that are securely affixed to a public transit passenger shelter that is owned by that county, provided that no advertisement shall be placed within the right-of-way of the Interstate System, National Highway System, or federal-aid primary system of highways in violation of federal law. The prohibition in subdivision 7 of § 33.2-1216 against placing signs within 15 feet of the nearest edge of the pavement of any highway shall not apply to such signs. The Commissioner of Highways may require the removal of any particular sign located on such a shelter as provided in this subdivision if, in his judgment, such sign constitutes a safety hazard.

§ 33.2-1205. License required of outdoor advertisers.

No person shall engage or continue in the business of outdoor advertising in the Commonwealth outside the corporate limits of municipalities or within the corporate limits of municipalities if their off-premises sign, advertisement, or advertising structure is visible from the main traveled way of any Interstate System, federal-aid primary, or National Highway System highway without first obtaining a license therefor from the Commissioner of Highways. The fee for such license hereby imposed for revenue for the use of the Commonwealth shall be \$500 per year, payable annually in advance. Applications for licenses or renewal of licenses shall be made on forms furnished by the Commissioner of Highways, shall

contain such information as the Commissioner of Highways may require, and shall be accompanied by the annual fee. Licenses granted under this section shall expire on December 31 of each year and shall not be prorated. Applications for renewal of licenses shall be made not less than 30 days prior to the date of expiration. Nothing in this section shall be construed to require any person that advertises upon a structure or fixture on its property or a licensed advertiser's structure or other space to obtain a license.

§ 33.2-1206. Revocation of license and judicial review.

A. The Commissioner of Highways may after 30 days' notice in writing to the licensee revoke any license granted by him upon repayment of a proportionate part of the license fee in any case in which he finds that any of the information required to be given in the application for the license is knowingly false or misleading or that the licensee has violated any of the provisions of this article, unless such licensee, before the expiration of such 30 days, corrects such false or misleading information and complies with the provisions of this article.

B. Any person whose license is so revoked is entitled to judicial review of such revocation in accordance with the provisions of the Administrative Process Act (§ 2.2-4000 et seq.). Any person aggrieved by such judgment shall have the right of appeal to the Court of Appeals.

§ 33.2-1207. Bond required from out-of-state licensee.

No license to engage or continue in the business of outdoor advertising shall be granted to any person having its principal place of business outside the Commonwealth or that is incorporated outside the Commonwealth for the posting or display of any advertisement or the erection, use, or maintenance of any advertising structure until such person has furnished and filed with the Commissioner of Highways a bond payable to the Commonwealth, with surety approved by the Commissioner of Highways and in a form approved by the Attorney General, in the sum of \$1,000, conditioned that such licensee fulfills all requirements of law and the regulations and orders of the Commissioner of Highways relating to the display of advertisements or the erection of advertising structures. Such bond remains in full force and effect so long as any obligations of such licensee to the Commonwealth remain unsatisfied.

§ 33.2-1208. Permits required.

Except as otherwise provided in this article, no person, whether engaged in the business of outdoor advertising or not, shall erect, use, maintain, post, or display any advertisement or advertising structure outside municipalities in the Commonwealth without first obtaining a permit therefor from the Commissioner of Highways and paying the annual fee therefor, as provided in this article. A permit is required for an off-premises sign, advertisement, or advertising structure authorized by § 33.2-1217 if it is located within a municipality and is visible from the main traveled way of any Interstate System, federal-aid primary, or National Highway System highway.

No bond or permit is required for the posting or display of any advertisement posted or displayed on any advertising structure or space for which a permit has been issued or renewed for the then-current calendar year under the provisions of this article unless such permit has been revoked.

§ 33.2-1209. Applications for permits; fees.

A. A separate application for a permit shall be made for each separate advertisement or advertising structure, on a form furnished by the Commissioner of Highways, which application shall be signed by the applicant or his representative duly authorized in writing to act for him and shall describe and set forth the size, shape, and nature of the advertisement or advertising structure it is proposed to post, display, erect, or maintain and its actual or proposed location with sufficient accuracy to enable the Commissioner of Highways to identify such advertisement or advertising structure and to find its actual or proposed location.

B. Each application shall be accompanied by an application fee in an amount determined on the basis of the area of the advertisement or advertising structure for which the permit is sought, according to the following schedule:

1. \$15 if such area does not exceed 74 square feet;
2. \$30 if such area exceeds 74 square feet but does not exceed 1,824 square feet; and
3. \$165 if such area exceeds 1,824 square feet.

In the computation of fees under this subsection, each side of the advertisement or advertising structure used or constructed to be used shall be separately considered. If the applicant elects to use an electronic application, the fee shall be reduced by \$5 per application.

The fee shall be retained by the Commissioner of Highways if the permit is issued. If the permit is refused, the Commissioner of Highways shall refund one-half of the application fee to the applicant.

C. In addition to the fees required by subsection B, on any original application for an advertisement or advertising structure there shall be imposed an inspection charge of \$50 for any advertisement or advertising structure to be located on an Interstate System, federal-aid primary, or National Highway System highway and \$25 for any advertisement or advertising structure to be located on any other highway.

D. Each application shall be accompanied by the written consent, or in lieu thereof a copy certified by an officer authorized to take acknowledgments to deeds in the Commonwealth, of the owner of the real property upon which such advertisement or advertising structure is to be erected, used, maintained, posted, or displayed, or of such other person having the legal right to grant such consent, or of the duly authorized agent of such owner or other person, except that in the marsh or meadowland owned by the Commonwealth along either side of the causeway leading from the mainland to the Town of Chincoteague, the legal right to grant such consent shall be vested in the local governing body of such town.

E. Application shall be made in like manner for a permit to use, maintain, or display an existing advertisement or advertising structure.

§ 33.2-1210. Duration and renewal of permit.

Except as provided in § 33.2-1212, permits issued in accordance with this article shall run for the calendar year and may be renewed upon application made upon forms furnished by the Commissioner of Highways and the payment of the same fee required to be paid upon application for a permit. Fees for renewal of permits using the Department's electronic application renewal process shall be reduced by \$5 per permit being renewed. Permits shall not be extended or renewed in cases where the permittee has not exercised the privilege of erecting such advertising structure or displayed such advertisement during the period for which the permit was issued. Annual permits issued after December 15 shall cover the following calendar year.

§ 33.2-1211. Revocation of permit.

The Commissioner of Highways may, after 30 days' notice in writing to the permittee, revoke any permit issued by him under § 33.2-1208 upon repayment of a proportionate part of the fee in any case in which it appears to the Commissioner of Highways that the application for the permit contains knowingly false or misleading information, that the permittee has failed to keep in a good general condition and in a reasonable state of repair the advertisement or advertising structure for which such permit was issued, or that the permittee has violated any of the provisions of this article, unless such permittee, before the expiration of such 30 days, corrects such false or misleading information or makes the necessary repairs or improvement in the general condition of such advertisement or advertising structure or complies with the provisions of this article. If the erection, maintenance, and display of any advertisement or advertising structure for which a permit is issued by the Commissioner of Highways and the permit fee has been paid as above provided is prevented by any zoning board, commission, or other public agency that also has jurisdiction over the proposed advertisement or advertising structure or its site, the application fee for such advertisement or advertising structure shall be returned by the Commissioner of Highways and the permit revoked. However, one-half of the application fee shall be deemed to have accrued upon the erection of an advertising structure or the display of an advertisement followed by an inspection by the Commissioner of Highways or his representative.

§ 33.2-1212. Temporary permit.

In any case in which an applicant for a permit certifies in his application that he is unable to state the actual or proposed location of the advertisement or advertising structure or to file the written consent of the landowner or other person having the legal right to the real estate upon which the advertisement or advertising structure is to be erected, used, maintained, posted, or displayed, the Commissioner of Highways shall issue to such applicant a temporary permit, which shall expire 60 days from the date of issue, together with the proper identification number to be attached to such advertisement or advertising structure. Applications for temporary permits must indicate the county and route on which the advertisement or advertising structure is to be located and must be accompanied by a fee of \$2 to cover the cost of issuance of the temporary permit. If within such 60 days the applicant files with the Commissioner of Highways an application setting forth all of the information required in § 33.2-1209, together with the required fees, the Commissioner of Highways shall issue to such applicant a permit. In the event that the permit is not issued, the fees submitted shall be returned, except the \$2 for the temporary permit.

§ 33.2-1213. Appeal from refusal or revocation of permit.

Any person aggrieved by any action of the Commissioner of Highways in refusing to grant or in revoking a permit under § 33.2-1209 or 33.2-1211 may appeal from the decision of the Commissioner of Highways in accordance with the provisions of the Administrative Process Act (§ 2.2-4000 et seq.).

§ 33.2-1214. Transfer of licenses and permits to successor concerns.

Any license or permit issued pursuant to this article may be transferred to any person that acquires as a successor the business of the person for whom such license or permit was issued.

§ 33.2-1215. Identification of advertising structure or advertisement.

The Commissioner of Highways shall require that each advertising structure and each advertisement not posted or displayed on an advertising structure bear an identification number furnished by the Commissioner of Highways and, if erected, maintained, or displayed by a licensed outdoor advertiser, also bear its name. The Commissioner of Highways shall make suitable provisions for the details thereof.

§ 33.2-1216. Certain advertisements or structures prohibited.

No advertisement or advertising structure shall be erected, maintained, or operated:

1. Within 660 feet of the nearest edge of the right-of-way of the Blue Ridge Parkway, the Colonial National Parkway, the Mount Vernon Boulevard, or any other parkway within the Commonwealth or within 660 feet of any public cemetery, public park reservation, public playground, national forest, or state forest, outside the limits of any municipality; however, any advertisement or advertising structure that is lawfully in place on April 6, 1966, and that does not conform to the 660-foot distance requirement may be maintained for the life of the advertisement or advertising structure;

2. That involves motion or rotation of any part of the structure, moving reflective disks, or running animation or that displays an intermittent light or lights visible from any highway. The prohibition of this subdivision shall not apply to (i) an advertisement or advertisement structure with messages that change no more than once every four seconds and that is

consistent with agreements entered into between the Commissioner of Highways and the U.S. Department of Transportation or (ii) an on-premises advertisement or advertising structure with messages displayed as scrolling words or numbers;

3. That uses the words "stop" or "danger" prominently displayed or presents or implies the need or requirement of stopping or the existence of danger on any highway or that is a copy or imitation of official highway signs;

4. That, within visible distance of any highway, advertises any county, city, town, historic place, museum, or shrine without the consent in writing of such county, city, or town or of the owner of such historic place or shrine;

5. That is mobile and is designed to and effectively does distract the attention of passing motorists on any highway by flashing lights, loud and blatant noises, or movable objects;

6. That involves red, green, or amber lights or reflectorized material and resembles traffic signal lights or traffic control signs and is within visible distance of any highway;

7. Within 15 feet of the nearest edge of the pavement of any highway; however, the Commissioner of Highways may waive this restriction whenever the advertisement or advertising structure is actually anchored outside of the right-of-way and, within his discretion, does not constitute a safety hazard or conflict with any other restriction contained in this section;

8. At any public road intersection in such a manner as would obstruct the clear vision in either direction between a point on the center line of the side road 20 feet from the nearest edge of the pavement of the main road and points on the main road 400 feet distant, measured along the nearest edge of the pavement of the main road;

9. At any grade intersection of a public road and a railroad in such a manner as would obstruct the clear vision in either direction within triangular areas formed by (i) a point at the center of the railroad-public road intersection, (ii) a point on the public road 400 feet from the center of the railroad-public road intersection as measured along the center of the public road, and (iii) a point on the railroad 500 feet from the center of the railroad-public road intersection as measured along the center of the railroad;

10. At or near any curve in a road in such a manner as to obstruct the clear vision of traffic from any one point on such curve to any other point not more than 400 feet apart, as measured between each point from the nearest edge of the pavement;

11. That advertises activities that are illegal under state or federal laws or regulations in effect at the location of such sign or advertisement or at the location of such activities;

12. That is obsolete or inconsistent with this article or regulations adopted by the Board pursuant to this article; or

13. After December 18, 1991, adjacent to any Interstate System, federal-aid primary, or National Highway System highway in the Commonwealth that has been designated as a Virginia byway or scenic highway, except directional and official signs and notices defined in this article and regulations adopted pursuant to this article, on-premises signs, and signs advertising the sale or lease of property upon which they are located.

§ 33.2-1217. Special provisions pertaining to Interstate System, National Highway System, and federal-aid primary highways.

A. Notwithstanding the territorial limitation set out in § 33.2-1202, no sign or advertisement adjacent to any Interstate System, National Highway System, or federal-aid primary highway shall be erected, maintained, or displayed that is visible from the main traveled way within 660 feet of the nearest edge of the right-of-way, except as provided in subsections B and D, and outside of an urban area, no sign or advertisement beyond 660 feet of the nearest edge of the right-of-way of any Interstate System, National Highway System, or federal-aid primary highway that is visible from the main traveled way shall be erected, maintained, or displayed with the purpose of its message being read from the main traveled way, except as set forth in subsection C.

B. The following signs, advertisements, or advertising structures may be erected, maintained, and displayed within 660 feet of the right-of-way of any Interstate System, National Highway System, or federal-aid primary highway:

Class 1: Official signs. Directional and official signs and notices, including signs and notices pertaining to the availability of food, lodging, vehicle service and tourist information, natural wonders, scenic areas, museums, and historic attractions, as authorized or required by law; however, where such signs or notices pertain to facilities or attractions that are barrier free, such signs or notices shall contain the International Symbol of Access. The Board shall determine the type, lighting, size, location, number, and other requirements of signs of this class.

Class 2: On-premises signs. Signs not prohibited by other parts of this article that are consistent with the applicable provisions of this section and that advertise the sale or lease of, or activities being conducted upon, the real property where the signs are located, provided that any such signs that are located adjacent to and within 660 feet of any Interstate System highway and do not lie in commercial or industrial zones within the boundaries of incorporated municipalities, as such boundaries existed on September 21, 1959, wherein the use of real property adjacent to the Interstate System is subject to municipal regulation or control, or in areas where land use as of September 21, 1959, was clearly established by state law as industrial or commercial, shall comply with the following requirements:

1. Not more than one sign advertising the sale or lease of the same property may be erected or maintained in such manner as to be visible to traffic proceeding in any one direction on any one Interstate System highway;

2. Not more than one sign visible to traffic proceeding in any one direction on any one Interstate System highway and advertising activities being conducted upon the real property where the sign is located may be erected or maintained more than 50 feet from the advertised activity, and no such sign may be located more than 250 feet from the center of the advertised activity; and

3. No sign, except one that is not more than 50 feet from the advertised activity, that displays any trade name that refers to or identifies any service rendered or product sold may be erected or maintained unless the name of the advertised activity is displayed as conspicuously as such trade name.

Class 3: Other signs. Any signs or advertisements that are located within areas adjacent to any Interstate System, National Highway System, or federal-aid primary highway that are zoned industrial or commercial under authority of state law or in unzoned commercial or industrial areas as determined by the Board from actual land uses. The Board shall determine the size, lighting, and spacing of signs of this class, provided that such determination shall be no more restrictive than valid federal requirements on the same subject.

C. The following signs, advertisements, or advertising structures may be erected, maintained, and displayed beyond 660 feet of the right-of-way of any Interstate System, National Highway System, or federal-aid primary highway outside urban areas:

1. Class 1 and Class 2 signs, advertisements, or advertising structures set forth in subsection B.

2. All other signs, advertisements, or advertising structures erected, maintained, or displayed more than 660 feet from the nearest edge of the right-of-way of an Interstate System, National Highway System, or federal-aid primary highway, unless such sign or advertisement is visible from the main traveled way of such highways and erected, maintained, or displayed with the purpose of its message being read from the main traveled way of such highways.

In determining whether a sign, advertisement, or advertising structure is "erected, maintained, or displayed with the purpose of its message being read," the Commissioner of Highways shall consider, at a minimum, the nature of the business or product advertised thereon, the availability of such business or product to users of the controlled highway, and the visibility of the sign, advertisement, or advertising structure from the main traveled way of the controlled highway. Such visibility may be measured by considering the size or height of the sign, advertisement, or advertising structure; the configuration, size, and height of recognizable emblems, images, and lettering thereon; the angle of the sign, advertisement, or advertising structure to the main traveled way of the controlled highway; the degree to which physical obstructions hinder the view of the sign, advertisement, or advertising structure from the main traveled way of the controlled highway; and the time during which such sign, advertisement, or advertising structure is exposed to view by travelers on the main traveled way of the controlled highway traveling at the maximum and minimum speeds posted.

D. In order to provide information in the specific interest of the traveling public, the Department is authorized to maintain maps, permit informational directories and advertising pamphlets to be made available at rest areas, and establish information centers at rest areas for the purpose of informing the public of places of interest within the Commonwealth and providing such other information as may be considered desirable.

E. Notwithstanding any other provision of law, lawfully erected and maintained nonconforming signs, advertisements, and advertising structures shall not be removed or eliminated by amortization under state law or local ordinances without compensation as described in subsection F.

F. The Commissioner of Highways is authorized to acquire by purchase, gift, or the power of eminent domain and to pay just compensation upon the removal of nonconforming signs, advertisements, or advertising structures lawfully erected and maintained under state law or state regulations, provided that subsequent to November 6, 1978, whenever any local ordinance that is more restrictive than state law requires the removal of such signs, advertisements, or advertising structures, the local governing body shall initiate the removal of such signs, advertisements, or advertising structures with the Commissioner of Highways, who shall have complete authority to administer the removal of such signs, advertisements, or advertising structures. Upon proof of payment presented to the local governing bodies, the local governing bodies shall reimburse the Commissioner of Highways the funds expended that are associated with the removal of such signs, advertisements, or advertising structures required by local ordinances, less any federal funds received for such purposes. Notwithstanding the provisions of this subsection, nothing shall prohibit the local governing bodies from removing signs, advertisements, or advertising structures that are made nonconforming solely by local ordinances so long as those ordinances require the local governing bodies to pay 100 percent of the cost of removing them and just compensation upon their removal.

Such compensation is authorized to be paid only for the taking from the owner of such sign or advertisement of all right, title, leasehold, and interest in such sign or advertisement and the taking from the owner of the real property on which the sign or advertisement is located of the right to erect and maintain such sign or advertisement thereon.

The Commissioner of Highways shall not be required to expend any funds under this section unless and until federal-aid matching funds are made available for this purpose.

§ 33.2-1218. Removal of billboard signs under this chapter prohibited without just compensation.

Notwithstanding any other provision of law, no billboard sign subject to this chapter may be removed by action of a county, city, or town under Chapter 22 (§ 15.2-2200 et seq.) of Title 15.2 without the payment of just compensation by the county, city, or town unless the billboard sign cannot remain on the property due to the site constraints of the property and removal of the billboard sign is therefore necessary for development on the property. The property owner may terminate the leasehold or other right of the billboard sign to remain on the property in accordance with the terms and conditions of the contract between the property owner and the billboard sign owner, but may not be required to do so by the county, city, or town as a condition of obtaining development approval for the property unless removal of the billboard sign is necessary for development of the property or the billboard sign is nonconforming and is the principal use on the property and the zoning ordinance permits only one principal use on the property.

§ 33.2-1219. Maintenance and repair of nonconforming billboard signs.

Notwithstanding any other provision of law, maintenance of and repairs to nonconforming billboard signs shall be governed by this section and any applicable regulations promulgated by the Commissioner of Highways, known as the "Control and Continuance of Nonconforming Signs, Advertisements, and Advertising Structures." Nonconforming billboard signs shall be maintained in a good state of repair and shall be subject to removal for failure to do so, in accordance with §§ 33.2-1211 and 33.2-1229. In order to make repairs to a nonconforming billboard sign, the owner shall make a written request to the Commissioner of Highways and submit the documentation required by 24VAC30-120-170. The Commissioner of Highways shall review the written request, and if the Commissioner of Highways determines that the cost of requested repairs does not exceed a dollar amount greater than 50 percent of the current replacement cost of the entire billboard sign or structure, the Commissioner of Highways shall provide the owner of the billboard sign with a letter approving the billboard sign repairs. However, in no case shall a nonconforming billboard sign be replaced or rebuilt if the cost of the replacement or rebuilding exceeds 50 percent of the current replacement cost. The owner of the billboard sign shall apply for a building permit from the locality in which the billboard sign is located and provide a copy of the approval letter from the Commissioner of Highways as part of the application for the building permit. The Commissioner's determination as to whether the owner of the billboard sign has complied with this section shall be binding upon the locality unless the building official, for good cause shown, submits to the Commissioner of Highways documentation objecting to the Commissioner's determination within 30 days of the building permit application, with a copy of such documentation being provided to the billboard sign owner. The Commissioner of Highways shall consider any documentation submitted by the building official and shall reissue a determination in accordance with this section, which determination shall be binding upon the locality.

§ 33.2-1220. Regulations and agreements with United States implementing § 33.2-1217.

The Board may issue regulations and is authorized to enter into agreements with the United States as provided in 23 U.S.C. § 131 with respect to the regulation and control of signs, advertisements, and advertising structures in conformity with § 33.2-1217, provided that such agreements shall not prevent the General Assembly of Virginia from amending or repealing § 33.2-1217 at any time, and provided further that in the event the federal law is amended to lessen the special restrictions applicable to signs, advertisements, and advertising structures adjacent to Interstate System or federal-aid primary highways, the Board is authorized to adopt regulations to conform to such change in federal law and to amend any agreement with the United States relating to such control.

§ 33.2-1221. Selective pruning permits; fees; penalty.

A. As used in this section, "local beautification project" means any project in a locality that includes installation of plant materials, using public or other funds, in any public right-of-way within a county, city, or town.

B. Notwithstanding the provisions of § 33.2-1202 or any other provision of law:

1. The Commissioner of Highways shall by permit authorize the selective pruning, within highway rights-of-way, as highways are defined in § 33.2-1200, including within corporate limits of municipalities, of vegetation that obstructs motorists' view of signs displayed on outdoor advertising structures legally erected and properly maintained along the highways. Permits authorizing such pruning shall be issued in accordance with this section.

a. All work performed under the permit shall be (i) subject to the direction of the Commissioner of Highways, (ii) supervised on-site by a certified arborist approved by the Commissioner of Highways, (iii) completed to the satisfaction of the Commissioner of Highways, and (iv) performed solely at the expense of the permittee.

b. All pruning shall be performed in a manner that (i) creates a picture frame effect around the sign and (ii) beautifies the area surrounding the advertising structure. All cutting shall be limited to vegetation with trunk base diameters of less than six inches. Pruning cuts of limbs or branches or other vegetation with diameters greater than four inches and clear cutting shall not be authorized and shall be strictly prohibited. Pruning of vegetation in a highway median shall not be permitted where the locality within which the pruning is to be done has a local beautification project in the area within the scope of the selective pruning application; however, relocation or replanting of such vegetation shall be permitted in accordance with a landscaping plan as provided in this section.

c. Any diseased or unsightly vegetation or any vegetation that endangers the health or retards the growth of desirable vegetation may be removed at the discretion of the certified arborist supervising the work. Any such removed vegetation shall be replaced at the permittee's expense with desirable vegetation.

2. The requirements of this section shall not apply to the owner or authorized agent of the owner of any sign, advertisement, or advertising structure exempted from the provisions of this article by § 33.2-1204.

3. The Commissioner of Highways shall promulgate such regulations as he deems necessary or desirable to carry out the provisions of this section. Such regulations shall include the following requirements:

a. Every application for a permit submitted under this section shall be accompanied by photographs of the affected site and a detailed description of work proposed to be performed.

b. A fee of \$400 shall accompany every application made to the Commissioner of Highways or, if applicable, to the locality within which the pruning is to be performed. All such fees collected by the Commissioner of Highways shall be paid by the Commissioner of Highways into the state treasury and allocated to the Board.

c. Every applicant shall post a bond payable to the Commonwealth, with surety approved by the Commissioner of Highways and in a form approved by the Attorney General, in the sum of \$2,500, conditioned on the permittee's fulfillment of all requirements of the permit.

d. No permit shall be issued under this section in order to create a new site for an outdoor advertising structure.

4. Where the applicant is seeking a vegetation control permit in a locality where the public right-of-way is within the jurisdictional limits of a city or town on a highway or street not within the jurisdiction of the Commissioner of Highways under § 33.2-1202 or on a highway or street in a county having the county manager form of government, the Commissioner of Highways shall delegate the administration of this section to that locality, and if so delegated, the locality shall apply the provisions of this section.

5. If there are plant materials in the public right-of-way that are part of a local beautification project, the Commissioner of Highways or the locality, as the case may be, may include a requirement in accordance with the provisions of subdivisions 4 through 7 that as a condition of the issuance of a vegetation control permit for selective pruning, the applicant must submit a landscaping plan showing how the applicant will relocate or replant the vegetation obstructing the motorists' view from the main traveled way of the highway or street of signs displayed on outdoor advertising structures, in lieu of the selective pruning of such plant materials. In the absence of the existence of a local beautification project in the area within the scope of the selective pruning application, no landscaping plan requirement shall be imposed on the applicant.

6. If subdivision 5 is applicable, the applicant shall pay the reasonable costs of implementing the landscaping plan, which may include relocating existing plant materials, purchasing new replacement plant materials, and planting vegetation that will not grow to a height or position in the future so as to obstruct motorists' view from the main traveled way of the highway or street of signs displayed on outdoor advertising structures, as otherwise set out in the landscaping plan.

7. The provisions of subdivisions 4 through 6 shall apply to any local beautification project installed prior to July 1, 2006. On and after July 1, 2006, the locality shall not plant materials that obstruct motorists' view from the main traveled way of the highway or street of signs displayed on outdoor advertising structures. If the local beautification project violates this section, in addition to other applicable penalties, the locality shall bear the costs to bring such beautification project into compliance with this section.

8. The locality shall provide a 30-day written notice to the Commissioner of Highways prior to installation of a local beautification project within the right-of-way of a Department maintained highway that may obstruct the motorists' view of signs displayed on outdoor advertising structures. Such notice shall include a description of the plant materials to be used in, and a copy of the plans for, such beautification project.

9. Any application for vegetation control in compliance with this section submitted to the Commissioner of Highways shall be acted upon within 60 days of submission or shall be deemed approved. Any application for vegetation control in compliance with this section submitted to any city or town or on a highway or street in a county with the county manager form of government shall be acted upon within 60 days of submission or shall be deemed approved. The locality may impose conditions in approval of the landscaping plan consistent with this section and the regulations promulgated thereto. If the locality is not satisfied that the landscaping plan submitted by the applicant complies with this section, the locality may appeal to the Commissioner of Highways prior to the expiration of the 60-day period from the date of submission. If the applicant objects to the conditions imposed by the locality as part of the approval of the landscaping plan, the applicant may appeal to the Commissioner of Highways within 30 days after the final action on the landscaping plan. The appealing party shall submit a written appeal to the Commissioner of Highways, stating the reasons for such appeal, along with a fee of \$400. The Commissioner of Highways shall review the landscaping plan and the reasons for the appeal and shall issue a determination in accordance with this section within 30 days after filing of the appeal, which determination shall be binding upon the applicant and the locality.

10. Upon issuance of a vegetation control permit in accordance with this section, the applicant shall give written notice, at least seven days in advance of any site work, as authorized by the permit, of the date and time of the commencement of the site work as approved by the permit. Such written notice shall be given to the Commissioner of Highways unless the public right-of-way is within the jurisdictional limits of a city or town on a highway or street not within the jurisdiction of the Commissioner under § 33.2-1202, in which case the written notice shall be given to the local government official who approved the permit.

11. Any person, firm, or corporation found by a court of competent jurisdiction to have violated any provision of this section, any regulation adopted pursuant to this section, or any permit issued under this section shall be subject to the penalties provided in § 33.2-1229.

§ 33.2-1222. Tree-trimming policies.

The Board shall adopt policies governing the pruning and trimming of trees during nonemergency conditions by the employees, agents, and contractors of the Department of Transportation in order to preserve roadside trees that do not adversely affect highway operations, maintenance, or safety. Such policies shall be developed in consultation with an advisory group whose members shall include representatives of the Department of Transportation, the Department of Forestry, Scenic Virginia, and the American Society of Consulting Arborists and shall be consistent with generally accepted standards recommended by nationally recognized organizations, including the American National Standards Institute.

§ 33.2-1223. Pasting advertisements prohibited in certain instances.

No advertisement shall be pasted or glued on any building, fence, wall, tree, rock, or other similar structure or object unless the same structure or object is an advertising structure for which a permit has been issued and is in effect.

§ 33.2-1224. Signs or advertising on rocks, poles, etc., within limits of highway; civil penalty.

Any person who in any manner (i) paints, prints, places, puts, or affixes any sign or advertisement upon or to any rock, stone, tree, fence, stump, pole, mile-board, milestone, danger-sign, guide-sign, guidepost, highway sign, historical marker,

building, or other object lawfully within the limits of any highway or (ii) erects, paints, prints, places, puts, or affixes any sign or advertisement within the limits of any highway is subject to a civil penalty of \$100. Each occurrence shall be subject to a separate penalty. All civil penalties collected under this section shall be paid into the Highway Maintenance and Operating Fund. Signs or advertisements placed within the limits of the highway are hereby declared a public and private nuisance and may be forthwith removed, obliterated, or abated by the Commissioner of Highways or his representatives without notice. The Commissioner of Highways may collect the cost of such removal, obliteration, or abatement from the person erecting, painting, printing, placing, putting, affixing, or using such sign or advertisement. When no one is observed erecting, painting, printing, placing, putting, or affixing such sign or advertisement, the person, firm, or corporation being advertised shall be presumed to have placed the sign or advertisement and shall be punished accordingly. Such presumption, however, shall be rebuttable by competent evidence. In addition, the Commissioner of Highways or his representative may seek to enjoin any recurring violator of this section. The Commissioner of Highways may enter into agreements with any local governing body authorizing local law-enforcement agencies or other local governmental entities to act as agents of the Commissioner of Highways for the purpose of (i) enforcing the provisions of this section and (ii) collecting the penalties and costs provided for in this section. Any such agreement may provide that penalties and costs collected pursuant to such agreement shall be paid as agreed.

The provisions of this section shall not apply to signs or outdoor advertising regulated under other provisions of this chapter.

§ 33.2-1225. Commissioner of Highways may enter into certain agreements; civil penalties.

A. The Commissioner of Highways may enter into agreements with the local governing body of Fairfax County authorizing local law-enforcement agencies or other local governmental entities to act as agents of the Commissioner of Highways for the purpose of (i) enforcing the provisions of § 33.2-1224 and (ii) collecting the civil penalties and costs provided for in that section. However, the local governing body of Fairfax County shall not enter into any such agreement until it has held a public hearing thereon.

B. Notwithstanding the provisions of § 33.2-1224, the penalties and costs collected under this section shall be paid to Fairfax County.

C. Notwithstanding subsections A and B, signs and advertising promoting or providing directions to a special event erected from Saturday through the following Monday shall not be subject to an agreement provided for in subsection A.

D. If Fairfax County acts as an agent of the Commissioner of Highways under this section, then it shall require each of its employees and any volunteers who are authorized to act on behalf of the County to comply with the provisions of this section and any other applicable law. If a lawfully placed sign is confiscated by an employee or volunteer authorized to act for the County in violation of the authority granted under this section, the sign owner shall have the right to reclaim the sign within five business days of the date of such confiscation.

§ 33.2-1226. Harmony of regulations.

No zoning board or commission or any other public officer or agency shall permit any sign, advertisement, or advertising structure that is prohibited under the provisions of this article, nor shall the Commissioner of Highways permit any sign, advertisement, or advertising structure that is prohibited by any other public board, officer, or agency in the lawful exercise of its powers.

§ 33.2-1227. Violation a nuisance; abatement.

Any sign, advertisement, or advertising structure that is erected, used, maintained, operated, posted, or displayed for which no permit has been obtained where such is required, or after revocation or more than 30 days after expiration of a permit, is hereby declared to be a public and private nuisance and may be forthwith removed, obliterated, or abated by the Commissioner of Highways. The Commissioner of Highways may collect the cost of such removal, obliteration, or abatement from the person erecting, using, maintaining, operating, posting, or displaying such sign, advertisement, or advertising structure.

§ 33.2-1228. Disposition of fees.

All moneys received by the Commissioner of Highways under the provisions of this article shall be paid by him into the state treasury, except as provided in §§ 33.2-1224 and 33.2-1229, and allocated to the Board for use in the regulation and control of outdoor advertising and landscaping of highways.

§ 33.2-1229. Penalties for violation.

A. Notwithstanding any other provision of law, any person, firm, or corporation that violates any provision of this article or applicable regulations that fails to take corrective action within 30 days as specified in a written notice from the Commissioner of Highways shall be subject to any or all of the following penalties:

1. A civil penalty of not more than \$250 per violation. Each day during which the violation continues after a final determination by the Commissioner of Highways of such violation shall be deemed a separate violation;
2. Revocation by the Commissioner of Highways of any permit for the sign; or
3. Removal of the sign by the Commissioner of Highways. The Commissioner of Highways may collect the costs of the removal from the owner of the sign.

B. Any person aggrieved by the action of the Commissioner of Highways in enforcing the provisions of subsection A may appeal the decision of the Commissioner of Highways in accordance with the Administrative Process Act (§ 2.2-4000 et seq.).

C. The Commissioner of Highways may remove signs without giving a corrective action notice as provided in subsection A (i) for any violation of subdivision 3, 6, 7, 8, 9, or 10 of § 33.2-1216 or of § 33.2-1223 or (ii) if the Commissioner of Highways determines that the sign poses a risk to highway safety.

D. The Commissioner of Highways may recover all civil penalties authorized in subsection A in any manner permitted by law, including (i) the placement of a tax lien on the owner's real property upon which the sign is located and (ii) the use of the Setoff Debt Collection Act (§ 58.1-520 et seq.).

E. All civil penalties collected under this section shall be paid into the Highway Maintenance and Operating Fund.

§ 33.2-1230. Construction of article.

This article shall be liberally construed with a view to the effective accomplishment of its purposes.

Article 2.

False and Misleading Signs.

§ 33.2-1231. Prohibition of false and misleading signs.

It shall be unlawful for any person to erect or maintain alongside, or in plain view of, any public highway any false or misleading sign of any kind or character purporting to furnish travel information relating to place or direction. It shall be unlawful for any person to erect or maintain alongside, or in plain view of, any public highway any sign of any kind or character purporting to furnish travel information relating to merchandise or services unless the design of such sign, the information thereon, and the location thereof are approved in writing by the Commissioner of Highways, provided that the provisions of this section as to merchandise and service shall not:

1. Apply to or restrict the right of any person to post, display, erect, or maintain on any store, dwelling house, or other building, together with so much land therewith as shall be necessary for the convenience, use, and enjoyment thereof, or on any mercantile appliances, contrivances, or machinery annexed or immediately adjacent thereto, any sign advertising goods, merchandise, real or personal property, business services, entertainment, or amusements actually and in good faith manufactured, produced, bought, sold, conducted, furnished, or dealt in on the premises;

2. Limit or restrict the publication of official notices by or under the direction of any public or court officer in the performance of his official or directed duties;

3. Limit or restrict notice of sale by a trustee under a deed of trust, deed of assignment, or other similar instrument; or

4. Apply to or restrict the right of any property owner or his agent, lessee, or tenant to maintain any sign offering to the public farm products, including livestock of every kind, or board or lodging or similar entertainment, or the sale, rental, or lease of the property.

Nothing in this section shall limit the right of any person, firm, or corporation to erect signs that advertise natural scenic attractions in the Commonwealth.

§ 33.2-1232. Penalty for violation of § 33.2-1231.

Any person who violates any of the provisions of § 33.2-1231 shall be subject to a fine not to exceed \$10 for each offense, and it shall be deemed a separate offense for the same person to erect, or permit to be erected, a similar sign at each of two or more places.

§ 33.2-1233. Removal of false or misleading signs by Commissioner of Highways.

Whenever the Commissioner of Highways determines that a sign gives incorrect information in violation of this article, he shall notify the person who erected such sign and the person on whose property it is located, in writing, to remove it immediately, and if it is not removed within 10 days after receipt of such notice, the Commissioner of Highways shall remove and destroy such sign, or cause it to be removed and destroyed, without liability for damages therefor; and if any person convicted of erecting or maintaining any such sign, or of permitting the same to be erected or maintained, as provided in this article shall fail or refuse to remove such sign within 10 days after such judgment of conviction, the Commissioner of Highways shall remove and destroy such sign without liability for damages.

CHAPTER 13.

WOODROW WILSON BRIDGE AND TUNNEL COMPACT.

§ 33.2-1300. Preamble; Woodrow Wilson Bridge and Tunnel Compact.

Whereas, traffic congestion imposes serious economic burdens on the metropolitan Washington, D.C., area, costing each commuter an estimated \$1,000 per year; and

Whereas, the volume of traffic in the metropolitan Washington, D.C., area is expected to increase by more than 70 percent between 1990 and 2020; and

Whereas, the deterioration of the Woodrow Wilson Memorial Bridge and the growing population of the metropolitan Washington, D.C., area contribute significantly to traffic congestion; and

Whereas, the Bridge serves as a vital link in the Interstate Highway System and in the Northeast corridor; and

Whereas, identifying alternative methods for maintaining this vital link of the Interstate System is critical to addressing the traffic congestion of the area; and

Whereas, the Bridge is the only drawbridge in the metropolitan Washington, D.C., area on the Interstate System; and

Whereas, the Bridge is the only segment of the Capital Beltway with only six lanes; and

Whereas, the Bridge is the only segment of the Capital Beltway with a remaining expected life of less than 10 years; and

Whereas, the Bridge is the only part of the Interstate Highway System owned by the federal government; and

Whereas, the Bridge was constructed by the federal government; and

Whereas, prior to the date of the enactment of this Act, the federal government will have contributed 100 percent of the cost of building and rehabilitating the Bridge; and

Whereas, the federal government has a continuing responsibility to fund future costs associated with the upgrading of the Interstate Route 95 crossing, including the rehabilitation and construction of the Bridge; and

Whereas, the Woodrow Wilson Memorial Bridge Coordination Committee is undertaking planning studies pertaining to the Bridge, consistent with the National Environmental Policy Act of 1969 (42 U.S.C. § 4321 et seq.) and other applicable federal laws; and

Whereas, the transfer of ownership of the Bridge to a regional authority under the terms and conditions described in this Act would foster regional transportation planning efforts to identify solutions to the growing problem of traffic congestion on and around the Bridge; and

Whereas, the Authority shall maximize the use of existing public or private sector entities to provide necessary project services, including management, construction, legal, accounting, and operating services and not create a new bureaucracy or organizational structure; and

Whereas, any material change to the Bridge must take into account the interests of nearby communities, the commuting public, federal, state, and local government organizations, and other affected groups; and

Whereas, a commission of congressional, state, and local officials and transportation representatives has recommended to the Secretary of the United States Department of Transportation that the Bridge be transferred to an independent authority to be established by the State of Maryland, the District of Columbia and the Commonwealth of Virginia; now, therefore,

The State of Maryland, the District of Columbia and the Commonwealth of Virginia, hereinafter referred to as the signatories, do hereby covenant and agree as follows:

WOODROW WILSON BRIDGE AND TUNNEL COMPACT.

CHAPTER I.

GENERAL COMPACT PROVISIONS.

Article I.

Authority Created.

There is hereby created the Woodrow Wilson Bridge and Tunnel Authority, hereinafter referred to as the "Authority."

Article II.

Powers and Duties.

The Authority shall be an instrumentality and common agency of the Commonwealth of Virginia, the District of Columbia and the State of Maryland, and shall have the powers and duties set forth in this compact and such additional powers and duties as may be conferred upon it by subsequent action of the signatories.

Article III.

Board; Terms of Office; Officers.

1. The Authority shall be governed by a board of nine voting and two nonvoting members appointed as follows:

- a. Three members shall be appointed by the Governor of the Commonwealth of Virginia;*
- b. Three members shall be appointed by the Governor of the State of Maryland;*
- c. Two members shall be appointed by concurrence of the Mayor of the District of Columbia and the Governors of Maryland and Virginia;*
- d. One member shall be appointed by the U.S. Secretary of Transportation; and*
- e. Two additional members, who shall be nonvoting members, shall be appointed by the Mayor of the District of Columbia.*

2. Members, other than members who are elected officials, shall have backgrounds in finance, construction lending, and infrastructure policy disciplines. At least one member of the Board from Maryland and one member of the Board from Virginia shall be elected officials each of whom represents a political subdivision that has jurisdiction over the area at an end of the project bridge, bridges or tunnels.

3. No person in the employment of or holding any official relationship to any person or company doing business with the Authority, or having any interest of any nature in any such person or company or affiliate or associate thereof, shall be eligible for appointment as a member or to serve as an employee of the Authority or to have any power or duty or receive any compensation in relation thereto.

4. The Chairperson of the Authority shall be elected from among the voting members on a biennial basis.

5. The members may also elect a secretary and a treasurer, or a secretary-treasurer, who may be members of the Authority, and prescribe their duties and powers.

6. Each member shall serve a six-year term, except that each signatory shall make its initial appointments as follows:

- a. One member appointed by the Governor of Maryland and one member appointed by the Governor of Virginia shall each be appointed for a six-year term;*
- b. One member appointed by the Governor of Maryland and one member appointed by the Governor of Virginia shall each be appointed for a four-year term;*
- c. One member appointed by the Governor of Maryland and one member appointed by the Governor of Virginia shall each be appointed for a two-year term;*

d. One member appointed by concurrence of the Governors of Maryland and Virginia and the Mayor of the District of Columbia shall be appointed for a six-year term;

e. One member appointed by concurrence of the Governors of Maryland and Virginia and the Mayor of the District of Columbia shall be appointed for a four-year term; and

f. The member appointed by the U.S. Secretary of Transportation shall be appointed for a two-year term.

g. The initial terms of the nonvoting members appointed by the Mayor of the District of Columbia shall be as follows:

(1) One member shall be appointed for a six-year term; and

(2) One member shall be appointed for a four-year term.

7. The failure of a signatory or the Secretary of Transportation to appoint one or more members shall not impair the Authority's creation or operations when the signatories and Authority are in compliance with the other terms of this compact.

8. Any person appointed to fill a vacancy shall serve for the unexpired term. A member of the Authority may not serve for more than two full terms.

9. The members of the Authority, including nonvoting members, shall not be personally liable for any act done or action taken in their capacities as members of the Authority, nor shall they be personally liable for any bond, note, or other evidence of indebtedness issued by the Authority.

10. Six members shall constitute a quorum, with the following exceptions:

a. Seven affirmative votes shall be required to approve bond issues and the annual budget of the Authority.

b. A motion may not be approved if all three members appointed solely by one Governor cast negative votes.

11. Any sole source procurement of goods, services, or construction in excess of \$250,000 shall require the prior approval of a majority of all of the voting members of the Authority.

12. Members shall serve without compensation and shall reside within the Washington, D.C., metropolitan area. Members shall be entitled to reimbursement for their expenses incurred in attending the meetings of the Authority and while otherwise engaged in the discharge of their duties as members of the Authority.

13. The Authority may employ such engineering, technical, legal, clerical, and other personnel on a regular, part-time, or consulting basis as in its judgment may be necessary for the discharge of its duties. The Authority shall not be bound by any statute or regulation of any signatory in the employment or discharge of any officer or employee of the Authority, except that Article 3 (§ 40.1-58 et seq.) of Chapter 4 of Title 40.1 of the Code of Virginia shall be applicable to employees whose situs of employment is in the Commonwealth of Virginia.

14. a. The Authority shall establish its office for the conduct of its affairs at a location to be determined by the Authority and shall publish rules and regulations governing the conduct of its operations.

b. (1) The Authority may adopt rules and regulations which shall include, but shall not be limited to, an ethics code, public access to information, administrative procedures, and open meetings and shall be consistent with similar practices currently adopted in Maryland, Virginia, or the District of Columbia.

(2) The Authority may adopt regulations after publication of notice of intention to adopt such regulations published in a newspaper of general circulation in the metropolitan Washington, D.C., area and after an opportunity for public comment.

(3) The Authority shall also publish a notice to adopt such regulations in the Maryland Register and in the Virginia Register.

Article IV.

Signatories; Taxing Powers.

Nothing herein shall be construed to amend, alter, or in any way affect the power of the signatories and their political subdivisions to levy and collect taxes on property or income or upon the sale of any material, equipment, or supplies or to levy, assess, and collect franchise or other similar taxes or fees for the licensing of vehicles and the operation thereof.

Article V.

Adoption of Compact by Signatories; Withdrawal; Cooperation.

1. This compact shall be adopted by the signatories in the manner provided by law. This compact shall become effective after the State of Maryland and the District of Columbia have passed acts similar in substance to this Act.

2. Any signatory may withdraw from the compact upon one year's written notice to that effect to the other signatories. In the event of a withdrawal of one of the signatories from the compact, the compact shall be terminated; provided, however, that no revenue bonds, notes, or other evidence of obligation issued pursuant to Article VII of Chapter II, or any other financial obligations of the Authority remain outstanding and that the withdrawing signatory has made a full accounting of its financial obligations, if any, to the other signatories.

3. Upon the termination of this compact, the jurisdiction over the matters and persons covered by this compact shall revert to the signatories and the federal government, as their interests may appear.

4. Each of the signatories pledges to each of the other signatory parties faithful cooperation in the development and implementation of the project.

Article VI.

Terms of Agreement Between Signatories.

The Authority shall not undertake the ownership of the existing Woodrow Wilson Bridge, or any duties or responsibilities associated therewith, nor undertake any of the responsibilities and powers provided in this Act until the

Governors of the State of Maryland and the Commonwealth of Virginia and the Mayor of the District of Columbia have entered into an agreement with the U.S. Secretary of Transportation including provisions governing the transfer of the existing Bridge from the federal government to the Authority, and which shall provide for a contractual commitment by the federal government to provide federal funding for the project, including, at a minimum, a 100 percent federal share for the following:

- (1) The cost of continuing rehabilitation of the Bridge until such time as the project is operational;
- (2) An amount, as determined by the Woodrow Wilson Memorial Bridge Coordination Committee, equivalent to the cost of replacing the Bridge with a comparable modern bridge designed according to current engineering standards;
- (3) The cost of planning, preliminary engineering and design, right-of-way acquisition, environmental studies and documentation, and final engineering for the project; and
- (4) A substantial contribution towards remaining project costs.

Such federal funds shall be in addition to and shall not diminish the federal transportation funding allocated or apportioned to the Commonwealth of Virginia and the State of Maryland and the District of Columbia. Upon all parties' approval of this agreement, this compact shall become effective and the Authority shall have responsibility for duties concerning ownership, construction, operation, and maintenance of the project. At least 30 days before the Governor of Virginia enters into the agreement described under this article, the Governor shall submit the agreement to the Commonwealth Transportation Board for its review and comment.

Article VII.

Management Plan.

Within a reasonable period after this compact becomes effective under Article VI of this chapter, the Authority shall prepare and submit to the Governors of the Commonwealth of Virginia and the State of Maryland and the Mayor of the District of Columbia, a management plan that includes:

- A. An organizational structure;
- B. A staffing plan that includes job descriptions; and
- C. A proposed salary schedule consistent with existing salary schedules for similar positions in the State of Maryland, the Commonwealth of Virginia, or the District of Columbia.

The Authority shall not implement the provisions of this Act until the Governors of the Commonwealth of Virginia and the State of Maryland and the Mayor of the District of Columbia have approved the management plan.

Subsequent to the approval of the management plan, the Authority may increase the number of its employees and their salary levels, provided that such increases do not result in a 20 percent increase above the level in the approved management plan. Increases in excess of 20 percent shall require an amendment to the approved management plan. A proposed amendment shall be submitted to and approved by the Governors of the Commonwealth of Virginia and the State of Maryland and the Mayor of the District of Columbia prior to becoming effective.

In the conduct of its responsibilities and duties, the Authority shall maximize the use of existing public and private sector entities to provide necessary services, including management, construction, legal, accounting, and other services, as the Authority may deem necessary.

Article VIII.

Jurisdiction of Courts; Liability for Contracts and Torts.

1. Except as provided herein, the Authority shall be liable for its contracts and for its torts and those of its directors, officers, employees, and agents. For tort actions arising out of conduct occurring in Maryland, Maryland tort and sovereign immunity law shall apply. The exclusive remedy for such breach of contracts and torts for which the Authority shall be liable, as herein provided, shall be by suit against the Authority. Nothing contained in this Act shall be construed as a waiver by Maryland, the District of Columbia, or Virginia of any immunity from suit.

2. The United States district courts shall have original jurisdiction, concurrent with the courts of Virginia, the District of Columbia, and Maryland, of all actions brought by or against the Authority. Any such action initiated in a state court or the superior court of the District of Columbia shall be removable to the appropriate United States district court in the manner provided by act of June 25, 1948, as amended (28 U.S.C. § 1446).

3. If any part or provision of this compact or the application thereof to any person or circumstances be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part, provision or application directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the validity of the remainder of this compact or the application thereof to other persons or circumstances, and the signatories hereby declare that they would have entered into this compact or the remainder thereof had the invalidity of such provision or application thereof been apparent.

4. This compact shall be liberally construed to effectuate the purposes for which it is created.

CHAPTER II.

ADDITIONAL POWERS; FINANCING; PROPERTY ACQUISITION; PROCUREMENT.

Article I.

Definitions.

As used in this Act the following words shall have the following meanings:

"Bonds" or "revenue bonds" means bonds and notes or refunding bonds and notes or bond anticipation notes or other obligations of the Authority issued under the provisions of this Act.

"Cost," as applied to the project, means the cost of acquisition of all lands, structures, rights-of-way, franchises, easements and other property rights and interests; the cost of lease payments; the cost of construction; the cost of demolition of the current structure; the cost of demolishing, removing or relocating any buildings or structures on lands acquired, including the cost of acquiring any lands to or on which such buildings or structures may be moved, relocated, or reconstructed; the cost to relocate residents or businesses from properties acquired for the project; the cost of any extensions, enlargements, additions and improvements; the cost of all labor, materials, machinery and equipment; all financing charges, and interest on all bonds prior to and during construction; and, if deemed advisable by the Authority of such construction, the cost of engineering, financial and legal services; plans, specifications, studies, and surveys; estimates of cost and of revenues and other expenses necessary or incident to determining the feasibility or practicability of constructing the project; administrative expenses; provisions for working capital; reserves for interest and for extensions, enlargements, additions and improvements; the cost of bond insurance and other devices designed to enhance the creditworthiness of the bonds; and such other expenses as may be necessary or incidental to the construction of the project, the financing of such construction and the planning of the project in operation.

"Owner" includes all persons having any interest or title in and to property, rights, franchises, easements and interests authorized to be acquired by this Act.

"Project" means the upgrading of the Interstate Route 95 Potomac River crossing in accord with the selected alternative developed by the Woodrow Wilson Memorial Bridge Coordination Committee. "Project" includes ongoing short-term rehabilitation and repair of the Bridge and may include one or more of the following:

1. Construction of a new bridge or bridges in the vicinity of the Bridge;
2. Construction of a tunnel in the vicinity of the Bridge;
3. Long-term rehabilitation or reconstruction of the Bridge;
4. Upon the bridges or within the tunnel described in subparagraphs 1, 2, and 3 of this paragraph, or in conjunction with work on Interstate Route 95 and other approach roadways as described in subparagraph 5 of this paragraph:
 - a. Work necessary to provide rights-of-way for a rail transit facility or bus or high occupancy vehicle lanes, including the construction or modifications of footings, piers, bridge decks, roadways, other structural support systems and related improvements; or
 - b. The construction of travel lanes for high occupancy vehicles or buses;
5. Work on Interstate Route 95 and other approach roadways if necessitated by, or necessary to accomplish, an activity described in subparagraph 1, 2, or 3 of this paragraph; or
6. Construction or acquisition of any building, improvement, addition, replacement, appurtenance, land, interest in land, easement, water right, air right, machinery, equipment, furnishing, landscaping, utility, roadway, or other facility that is necessitated by or necessary to accomplish an activity described in this paragraph.

Article II.

Additional Powers of the Authority.

Without in any manner limiting or restricting the powers heretofore given to the Authority, and contingent upon the execution of the agreement referred to in Chapter I, Article VI, the Authority is hereby authorized and empowered:

1. To establish, finance, construct, maintain, repair and operate the project;
2. To assume full rights of ownership of the existing Woodrow Wilson Bridge;
3. Subject to the approval of the Governor of Maryland, the Mayor of the District of Columbia, and the Virginia Commonwealth Transportation Board of the portions of the project in their respective jurisdictions, and in accordance with the recommendations of the Woodrow Wilson Memorial Bridge Coordination Committee, to determine the location, character, size and capacity of the project; to establish, limit and control such points of ingress to and egress from the project as may be necessary or desirable in the judgment of the Authority to ensure the proper operation and maintenance of the project; and to prohibit entrance to such project from any point or points not so designated;
4. To secure all necessary federal, state, and local authorizations, permits and approvals for the construction, maintenance, repair and operation of the project;
5. To adopt and amend bylaws for the regulation of its affairs and the conduct of its business;
6. To adopt and amend rules and regulations to carry out the powers granted by this section;
7. To acquire, by purchase or condemnation, in the name of the Authority, and to hold and dispose of real and personal property for the corporate purposes of the Authority;
8. To employ consulting engineers, a superintendent or manager of the project, and such other engineering, architectural, construction, accounting experts, inspectors, attorneys, and other employees as may be necessary; and, within the limitations prescribed in this Act, to prescribe their powers and duties, and fix their compensation;
9. To pay, from any available moneys, the cost of plans, specifications, surveys, estimates of cost and revenues, legal fees and other expenses necessary or incident to determining the feasibility or practicability of financing, constructing, maintaining, repairing and operating the project;
10. To issue revenue bonds of the Authority, for any of its corporate purposes, payable solely from the tolls and revenues pledged for their payment, and to refund its bonds, all as provided in this Act;
11. To fix and revise from time to time and to charge and collect tolls and other charges for the use of the project;
12. To make and enter into all contracts or agreements, as the Authority may determine, which are necessary or incidental to the performance of its duties and to the execution of the powers granted under this Act. The Authority may

contract with any governmental agency or instrumentality for services within the power of the agency or authority related to the financing, construction or operation of the facilities and services to be provided;

13. To accept loans and grants of money, or materials or property at any time from the United States of America, the Commonwealth of Virginia, the State of Maryland, the District of Columbia or any agency or instrumentality thereof;

14. To adopt an official seal and alter the same at its pleasure;

15. Subject to Chapter I, Article VIII, to sue and be sued, plead and be impleaded, all in the name of the Authority;

16. To exercise any power usually possessed by private corporations performing similar functions including the right to expend, solely from funds provided under the authority of this Act, such funds as may be considered by the Authority to be advisable or necessary in advertising its facilities and services to the traveling public;

17. To enter into contracts with existing governmental entities in the Commonwealth of Virginia, the State of Maryland, or the District of Columbia, or with private entities, the purpose of which contracts or agreements would be to allow such parties to undertake all or portions of the project, including but not limited to design, engineering, financing, construction, and operation of the project, as the Authority may deem necessary;

18. To establish and maintain a police force, or to enter into a contract with an existing governmental entity in the State of Maryland, the Commonwealth of Virginia, or the District of Columbia to provide police services, as the Authority may deem necessary;

19. To enter into partnerships or grant concessions between the public and private sectors for the purpose of:

a. Financing, constructing, maintaining, improving or operating the project; or

b. Fostering development of new transportation-related technologies to be used in the construction or operation of the project, utilizing for such purposes the law of any signatory, as the Authority may in its sole discretion determine;

20. To carry out or contract with other entities to carry out such maintenance of traffic activities during the construction of the project as is considered necessary by the Authority to manage traffic and minimize congestion such as public information campaigns, improvements designed to encourage appropriate use of alternative routes, use of high occupancy vehicles and transit services, and deployment and operation of intelligent transportation technologies; and

21. To do all acts and things necessary or incidental to the performance of its duties and the execution of its powers under this Act.

Article III.

Incidental Powers.

The Authority shall have power to construct grade separations at intersections of the project with public highways and to change and adjust the lines and grades of such highways so as to accommodate the same to the design of such grade separation. The cost of such grade separations and any damage incurred in changing and adjusting the lines and grades of such highways shall be ascertained and paid by the Authority as a part of the cost of the project.

If the Authority shall find it necessary to change the location of any portion of any public highway, it shall cause the same to be reconstructed at such location as the Authority shall deem most favorable and be of substantially the same type and in as good condition as the original highway. The cost of such reconstruction and any damage incurred in changing the location of any such highway shall be ascertained and paid by the Authority as a part of the cost of the project.

Any public highway affected by the construction of the project may be vacated or relocated by the Authority in the manner now provided by law for the vacation or relocation of public roads, and any damages awarded on account thereof shall be paid by the Authority as a part of the cost of the project.

The Authority shall also have power to make regulations for the installation, construction, maintenance, repair, renewal, relocation and removal of tracks, pipes, mains, conduits, cables, wires, towers, poles and other equipment and appliances (herein called "public utility facilities") of any public utility in, on, along, over or under the project. Whenever the Authority shall determine that it is necessary that any such public utility facilities which now are, or hereafter may be, located in, on, along, over or under the project should be relocated in the project, or should be removed from the project, the public utility owning or operating such facilities shall relocate or remove the same in accordance with the order of the Authority, provided that the cost and expenses of such relocation or removal, including the cost of installing such facilities in a new location or new locations, and the cost of any lands, or any rights or interests in lands, and any other rights, acquired to accomplish such relocation or removal, shall be ascertained and paid by the Authority as a part of the cost of the project. In case of any such relocation or removal of facilities, the public utility owning or operating the same, its successors or assigns, may maintain and operate such facilities, with the necessary appurtenances, in the new location or new locations, for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate such facilities in their former location or locations.

Article IV.

Acquisition of Property.

The Authority is hereby authorized and empowered to acquire by purchase, whenever it shall deem such purchase expedient, solely from funds provided under the authority of this Act, such lands, structures, rights-of-way, property, rights, franchises, easements and other interest in lands, including lands lying under water and riparian rights, which are located within the Washington, D.C., metropolitan area, as it may deem necessary or convenient for the construction and operation of the project, upon such terms and at such prices as may be considered by it to be reasonable and can be agreed upon between it and the owner thereof; and to take title thereto in the name of the Authority.

All counties, cities, towns and other political subdivisions and all public agencies and authorities of the signatories, notwithstanding any contrary provision of law, are hereby authorized and empowered to lease, lend, grant or convey to the Authority at the Authority's request, upon such terms and conditions as the governing bodies of such counties, cities, towns, political subdivisions, agencies or authorities may deem reasonable and fair and without the necessity for any advertisement, order of court or other action or formality, other than the regular and formal action of the authorities concerned, any real property which may be necessary or convenient to the effectuation of the authorized purposes of the Authority, including public roads and other real property already devoted to public use.

Whenever a reasonable price cannot be agreed upon, or whenever the owner is legally incapacitated or is absent, unknown or unable to convey valid title, the Authority is hereby authorized and empowered to acquire by condemnation or by the exercise of the power of eminent domain any lands, property, rights, rights-of-way, franchises, easements and other property deemed necessary or convenient for the construction or the efficient operation of the project or necessary in the restoration of public or private property damaged or destroyed.

Whenever the Authority acquires property under this article, it shall comply with the applicable federal law relating to relocation and relocation assistance. If there is no applicable federal law, the Authority shall comply with the provisions of the state law of the signatory in which the property is located governing relocation and relocation assistance.

In advance of undertaking any acquisition of property or easements in Maryland or the condemnation of such property, the Authority must obtain from the Maryland Board of Public Works approval of a plan identifying the properties or easements to be obtained for the project. In advance of undertaking any acquisition of property or easements in Virginia or the condemnation of such property, the Authority must obtain from the Virginia Commonwealth Transportation Board approval of a plan identifying the properties to be obtained for the project. Condemnation proceedings shall be in accordance with the provisions of state law of the signatory in which the property is located governing condemnation by the highway agency of such state. Nothing in this act shall be construed to authorize the authority to condemn the property of the Commonwealth of Virginia, the District of Columbia, or the State of Maryland.

Article V.

Procurement.

1. Except as provided in subdivisions 2, 3, and 6 of this article, and except in the case of procurement procedures otherwise expressly authorized by law, the Authority in conducting a procurement of goods, services, or construction shall obtain full and open competition through the use of competitive procedures in accordance with the requirements of this section and use the competitive procedure or combination of procedures that is most suitable under the circumstances of the procurement.

The Authority shall solicit sealed bids if (i) time permits the solicitation, submission, and evaluation of sealed bids; (ii) the award will be made on the basis of price and other price-related factors; (iii) it is not necessary to conduct discussions with the responding sources about their bids; and (iv) there is a reasonable expectation of receiving more than one sealed bid. If the Authority does not solicit sealed bids, it shall request competitive proposals.

2. The Authority may use procedures other than competitive procedures if:

a. the goods, services, or construction needed by the Authority are available from only one responsible source and no other type of property, services, or construction will satisfy the needs of the Authority;

b. the Authority's need for the property, services, or construction is of such unusual and compelling urgency that the Authority would be seriously injured unless the Authority limits the number of sources from which it solicits bids or proposals; or

c. the goods or services needed can be obtained through federal or other governmental sources at reasonable prices.

3. For the purpose of applying subdivision 2 a of this article:

a. in the case of a contract for goods, services, or construction to be awarded on the basis of acceptance of an unsolicited proposal, the goods, services, or construction shall be deemed to be available from only one responsible source if the source has submitted an unsolicited proposal that demonstrates a concept:

(1) that is unique and innovative or, in the case of a service, for which the source demonstrates a unique capability to provide the service; and

(2) the substance of which is not otherwise available to the Authority and does not resemble the substance of a pending competitive procurement.

b. in the case of a follow-on contract for the continued development or production of a major system or highly specialized equipment or the continued provision of highly specialized services, the goods, services, or construction may be deemed to be available from only the original source and may be procured through procedures other than competitive procedures if it is likely that award to a source other than the original source would result in:

(1) substantial duplication of cost to the Authority that is not expected to be recovered through competition; or

(2) unacceptable delays in fulfilling the Authority's needs.

4. If the Authority uses procedures other than competitive procedures to procure property, services, or construction under subdivision 2 b of this article, the Authority shall request offers from as many potential sources as is practicable under the circumstances.

5. a. To promote efficiency and economy in contracting, the Authority may use simplified acquisition procedures for purchases of property, services and construction.

b. For the purposes of this section, simplified acquisition procedures may be used for purchases for an amount that does not exceed the simplified acquisition threshold adopted by the federal government.

c. A proposed purchase or contract for an amount above the simplified acquisition threshold may not be divided into several purchases or contracts for lesser amounts in order to use the procedures under subdivision a of this section.

d. In using simplified acquisition procedures, the Authority shall promote competition to the maximum extent practicable.

6. The Authority shall adopt policies and procedures to implement this article. The policies and procedures shall provide for publication of notice of procurements and other actions designed to secure competition where competitive procedures are used.

7. The Authority in its sole discretion may reject any and all bids or proposals received in response to a solicitation.

8. In structuring all procurements under this article, the Authority shall comply with federal laws and regulations, and other federal requirements set forth in grant agreements or elsewhere, as they may be amended from time to time, governing minority business enterprise participation.

Article VI.

Revenues.

The Authority is hereby authorized to fix, revise, charge and collect tolls for the use of the project, and to contract with any person, partnership, association or corporation desiring the use of the project, and to fix the terms, conditions, rents and rates of charges for such use.

Such tolls shall be so fixed and adjusted in respect of the aggregate of tolls from the project as to provide a fund sufficient in combination with other revenues, if any, to pay (i) the cost of maintaining, repairing and operating such project and (ii) the principal of and the interest on the bonds as the same shall become due and payable, and to create reserves for such purposes. Such tolls shall be not subject to supervision or regulation by any other authority, board, bureau, or agency of the Commonwealth of Virginia or the State of Maryland or the District of Columbia. The tolls and all other revenues derived from the project in connection with which the bonds of any issue shall have been issued, except such part thereof as may be necessary to pay such cost of maintenance, repair, and operation and to provide such reserves therefor as may be provided for in the resolution authorizing the issuance of such bonds or in the trust indenture securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust indenture in a sinking fund which is hereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due, and, upon the approval of the Governors of the Commonwealth of Virginia and the State of Maryland, and the Mayor of the District of Columbia, the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the tolls or other revenues or other moneys so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust indenture by which a pledge is created need be filed or recorded except in the records of the Authority. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of such trust indenture. Except as may otherwise be provided in such resolution or such trust indenture, such sinking fund shall be a fund for all such bonds without distinction or priority of one over another.

Tolls shall not be set at rates such that toll revenues generated by the project exceed those necessary to meet requirements under any applicable trust indenture for the project.

Article VII.

Revenue Bonds.

The Authority is hereby authorized to provide for the issuance, at one time or from time to time, of revenue bonds of the Authority for the purpose of paying all or any part of the cost of the project or of any portion or portions thereof. The principal of and the interest of such bonds shall be payable solely from the funds provided in this compact for such payment. Any bonds of the Authority issued pursuant to this article shall not constitute a debt of the Commonwealth, or any political subdivision thereof other than the Authority, and shall so state on their face. Neither the members of the Authority nor any person executing such bonds shall be liable personally thereon by reason of the issuance thereof. The bonds of each issue shall be dated, shall bear interest at a rate or rates or in a manner, shall mature at such time or times not exceeding 40 years from their date or dates, as may be determined by the Authority, and may be made redeemable before maturity, at the option of the Authority, at such price or prices and under such terms and conditions as may be fixed by the Authority prior to the issuance of the bonds.

The Authority shall determine the form and the manner of execution of the bonds and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest, which may be at any bank or trust company within or without the Commonwealth. In case any officer whose signature or a facsimile of whose signature shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. The bonds may be issued in such form as the Authority may determine. The Authority may sell such bonds in such manner, either at public or private sale, and for such price as it may determine will best effect the purposes of this compact.

The proceeds of the bonds of each issue shall be used solely for the payment of the cost of the project, and shall be disbursed in such manner and under such restrictions, if any, as the Authority may provide in the resolution authorizing the issuance of such bonds or in the trust indenture securing the same. If the proceeds of the bonds of any issue, by error of estimates or otherwise, shall be less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit, and, unless otherwise provided in the resolution authorizing the issuance of such bonds or in the trust indenture securing the same, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued. If the proceeds of the bonds of any issue shall exceed such cost, the surplus shall be deposited to the credit of the sinking fund for such bonds.

Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds which shall become mutilated or shall be destroyed or lost. Bonds may be issued under the provisions of this compact without obtaining the consent of any department, division, commission, board, bureau or agency of the compact signatories, and without any other proceedings or the happening of any other conditions or things than those proceedings, conditions or things which are specifically required by this article.

Article VIII.

Bonds Not to Constitute a Debt or Pledge of Taxing Power.

Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a debt or a pledge of the faith and credit of the Authority or of any signatory government or political subdivision thereof, but such bonds shall be payable solely from the funds provided from tolls and other revenues. The issuance of revenue bonds under the provisions of this Act shall not directly or indirectly or contingently obligate the Authority, or any signatory government or political subdivision thereof, to levy or to pledge any form of taxation whatever. All such revenue bonds shall contain a statement on their face substantially to the foregoing effect.

Article IX.

Bonds Eligible for Investment.

Bonds issued by the Authority under the provisions of this Act are hereby made securities in which all public officers and public bodies of the Commonwealth and its political subdivisions, all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any Commonwealth or municipal officer or any agency or political subdivision of the Commonwealth for any purpose for which the deposit of bonds or obligations is now or may hereafter be authorized by law.

Article X.

Trust Funds.

All moneys received pursuant to this Act, whether as proceeds from the sale of bonds or as revenues, shall be deemed to be trust funds to be held and applied solely as provided in this Act. The resolution authorizing the bonds of any issue or the trust indenture securing such bonds shall provide that any officer with whom, or any bank or trust company with which, such moneys shall be deposited shall act as trustee of such moneys and shall hold and apply the same for the purposes thereof, subject to such regulations as this Act and such resolution or trust indenture may provide.

Article XI.

Trust Indenture.

In the discretion of the Authority, any bonds issued under the provisions of this Act may be secured by a trust indenture by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the Commonwealth. Such trust indenture or the resolution providing for the issuance of such bonds may pledge or assign the tolls and other revenues to be received, but shall not convey or mortgage the project or any part thereof.

Article XII.

Remedies.

Any holder of bonds issued under the provisions of this Act or any of the coupons appertaining thereto, and the trustee under any trust indenture, except to the extent the rights herein given may be restricted by such trust indenture or the resolution authorizing the issuance of such bonds, may, either at law or in equity, by suit, action, mandamus or other proceeding, protect and enforce any and all rights under the laws of the Commonwealth of Virginia, the State of Maryland, or the District of Columbia or granted hereunder or under such trust indenture or the resolution authorizing the issuance of such bonds, and may enforce and compel the performance of all duties required by this Act or by such trust indenture or resolution to be performed by the Authority or by any officer thereof, including the fixing, charging and collecting of tolls.

Article XIII.

Tax Exemption.

The exercise of the powers granted by this Act will be in all respects for the benefit of the people of the Commonwealth and for the increase of their commerce and prosperity, and as the operation and maintenance of the project will constitute the performance of essential governmental functions, the Authority shall not be required to pay any taxes or assessments upon the project or any property acquired or used by the Authority under the provisions of this Act or upon the income

therefrom, and the bonds issued under the provisions of this Act, and the income therefrom, shall at all times be free from taxation within the Commonwealth.

Article XIV.

Miscellaneous.

Any action taken by the Authority under the provisions of this Act may be authorized by resolution at any regular or special meeting, and each such resolution shall take effect immediately and need not be published or posted, except as otherwise specifically provided in this Act.

The project when constructed and opened to traffic shall be maintained and kept in good condition and repair by the Authority. The project shall also be policed and operated by such force of police, toll-takers and other operating employees as the Authority may in its discretion employ. The Authority may enter into a contractual agreement with an existing governmental entity in Maryland or Virginia to provide these services. An Authority police officer shall have all the powers granted to a peace officer and a police officer of the State of Maryland. However, an Authority police officer may exercise these powers only on property owned, leased, operated by, or under the control of the Authority, and may not exercise these powers on any other property unless:

1. Engaged in fresh pursuit of a suspected offender;
2. Specially requested or permitted to do so in a political subdivision by its chief executive officer or its chief police officer; or
3. Ordered to do so by the Governor of Virginia or Maryland, or the Mayor of the District of Columbia, as the circumstances may require.

All other police officers of the signatory parties and of each county, city, town or other political subdivision of the Commonwealth of Virginia through which any project, or portion thereof, extends shall have the same powers and jurisdiction within the limits of such projects as they have beyond such limits and shall have access to the project at any time for the purpose of exercising such powers and jurisdiction.

On or before August 31 in each year, the Authority shall make an annual report of its activities for the preceding fiscal year to the Governors of Maryland and Virginia and the Mayor of the District of Columbia. Each such report shall set forth a complete operating and financial statement covering its operations during the year. The Authority shall cause an audit of its books and accounts to be made at least once in each year by certified public accountants and the cost thereof may be treated as a part of the cost of construction or operation of the project. The records, books and accounts of the Authority shall be subject to examination and inspection by duly authorized representatives of the governing bodies of Maryland, the District of Columbia and Virginia, and by any bondholder or bondholders at any reasonable time, provided the business of the Authority is not unduly interrupted or interfered with thereby.

Any member, agent or employee of the Authority who contracts with the Authority or is interested, either directly or indirectly, in any contract with the Authority or in the sale of any property, either real or personal, to the Authority shall be guilty of a misdemeanor, and, upon conviction, may be punished by a fine of not more than \$1,000 or by imprisonment for not more than one year, or both.

Any person who uses the project and fails or refuses to pay the toll provided therefor shall be guilty of a misdemeanor, and, upon conviction, may be punished by a fine of not more than \$100 or by imprisonment for not more than 30 days, or both.

CHAPTER 14.

VIRGINIA-NORTH CAROLINA INTERSTATE HIGH-SPEED RAIL COMPACT.

§ 33.2-1400. *Virginia-North Carolina Interstate High-Speed Rail Compact.*

§ 1. *Short title.*

This act shall be known and may be cited as the Virginia-North Carolina Interstate High-Speed Rail Compact.

§ 2. *Compact established.*

Pursuant to the invitation in 49 U.S.C. § 24101 Interstate Compacts, in which the United States Congress grants consent to states with an interest in a specific form, route, or corridor of intercity passenger rail service (including high-speed rail service) to enter into interstate compacts, there is hereby established the Virginia-North Carolina Interstate High-Speed Rail Compact.

§ 3. *Agreement.*

The Commonwealth of Virginia and the State of North Carolina agree, upon adoption of this compact:

1. To study, develop, and promote a plan for the design, construction, financing, and operation of interstate high-speed rail service through and between points in the Commonwealth of Virginia and the State of North Carolina and adjacent states;
2. To coordinate efforts to establish high-speed rail service at the federal, state, and local governmental levels;
3. To advocate for federal funding to support the establishment of high-speed interstate rail service within and through Virginia and North Carolina and to receive federal funds made available for rail development; and
4. To provide funding and resources to the Virginia-North Carolina High-Speed Rail Compact Commission from funds that are or may become available and are appropriated for that purpose.

§ 4. Commission established; appointment and terms of members; chairman; reports; Commission funds; staff.

The Virginia-North Carolina High-Speed Rail Compact Commission is hereby established as a regional instrumentality and a common agency of each signatory party, empowered in a manner hereinafter set forth to carry out the purposes of the Compact.

The Virginia members of the Commission shall be appointed as follows: three members of the House of Delegates appointed by the Speaker of the House of Delegates, and two members of the Senate appointed by the Senate Committee on Rules. The North Carolina members of the Commission shall be composed of five members as follows: two members of the Senate appointed by the General Assembly upon recommendation of the President Pro Tempore of the Senate, two members of the House of Representatives appointed by the General Assembly upon recommendation of the Speaker of the House of Representatives, and one appointed by the Governor.

The chairman of the Commission shall be chosen by the members of the Commission from among its membership for a term of one year, and shall alternate between the member states.

The Commission shall meet at least twice each year, at least once in Virginia and once in North Carolina, and shall issue a report of its activities each year.

The Commission may utilize, for its operation and expenses, funds appropriated to it therefor by the legislatures of Virginia and North Carolina or received from federal sources.

Virginia members of the Commission shall receive compensation and reimbursement for the necessary and actual expenses as provided in the general appropriations act; North Carolina members of the Commission shall receive per diem, subsistence and travel allowances in accordance with applicable statutes of North Carolina, as appropriate.

Primary staff to the Commission shall be provided by the Virginia Department of Rail and Public Transportation and the North Carolina Department of Transportation.

SUBTITLE III.
TRANSPORTATION FUNDING AND DEVELOPMENT.
CHAPTER 15.
TRANSPORTATION FUNDING.
Article 1.

Virginia Transportation Infrastructure Bank.

§ 33.2-1500. Legislative findings and purposes.

The General Assembly finds that there exists in the Commonwealth a critical need for additional sources of funding to finance the present and future needs of the Commonwealth for the design and construction of highways, including toll facilities; mass transit; freight, passenger and commuter rail, including rolling stock; and port, airport, and other transportation facilities. This need can be alleviated in part through the creation of a transportation infrastructure bank. The purpose of such bank is to encourage the investment of both public and private funds and to make loans and other financial assistance available to localities, private entities, and other eligible borrowers to finance eligible transportation projects. The General Assembly determines that the creation of a transportation infrastructure bank for this purpose is in the public interest, serves a public purpose, and will promote the health, safety, welfare, convenience, or prosperity of the people of the Commonwealth.

§ 33.2-1501. Definitions.

As used in this article unless the context requires a different meaning:

"Bank" means the Virginia Transportation Infrastructure Bank created in § 33.2-1502.

"Cost," as applied to any project financed under the provisions of this article, means the total of all costs, including the costs of planning, design, right-of-way acquisition, engineering, and construction, incurred by an eligible borrower or other project sponsor as reasonable and necessary for carrying out all works and undertakings necessary or incident to the accomplishment of any project. "Cost" also includes capitalized interest; reasonably required reserve funds; and financing, credit enhancement, and issuance costs.

"Credit enhancements" means surety bonds, insurance policies, letters of credit, guarantees, and other forms of collateral or security.

"Creditworthiness" means attributes such as revenue stability, debt service coverage, reserves, and other factors commonly considered in assessing the strength of the security for indebtedness.

"Eligible borrower" means any (i) private entity; (ii) governmental entity; (iii) instrumentality, corporation, or entity established by any of the foregoing pursuant to § 33.2-1505; or (iv) combination of two or more of the foregoing.

"Finance" and any variation of the term, when used in connection with a cost or a project, includes both the initial financing and any refinancing of the cost or project and any variation of such terms.

"Governmental entity" means any (i) locality; (ii) local, regional, state, or federal entity; transportation authority, planning district, commission, or political subdivision created by the General Assembly or pursuant to the Constitution and laws of the Commonwealth; or public transportation entity owned, operated, or controlled by one or more local entities; (iii) entity established by interstate compact; (iv) instrumentality, corporation, or entity established by any of the foregoing pursuant to § 33.2-1505; or (v) combination of two or more of the foregoing.

"Grant" means a transfer of moneys or property that does not impose any obligation or condition on the grantee to repay any amount to the transferor other than in connection with assuring that the transferred moneys or property will be spent or used in accordance with the governmental purpose of the transfer. "Grant" includes direct cash payments made to

pay or reimburse all or a portion of interest payments made by a grantee on a debt obligation. As provided in §§ 33.2-1502 and 33.2-1503, only governmental entities may receive grants of moneys or property held in or for the credit of the Bank.

"Loan" means an obligation subject to repayment that is provided by the Bank to an eligible borrower to finance all or a part of the eligible cost of a project incurred by the eligible borrower or other project sponsor. A loan may be disbursed (i) in anticipation of reimbursement (including an advance or draw under a credit enhancement instrument), (ii) as direct payment of eligible costs, or (iii) to redeem or defease a prior obligation incurred by the eligible borrower or other project sponsor to finance the eligible costs of a project.

"Management agreement" means the memorandum of understanding or interagency agreement among the manager, the Secretary of Finance, and the Board as authorized under subsection B of § 33.2-1502.

"Manager" means the Virginia Resources Authority serving as the manager, administrator, and trustee of funds disbursed from the Bank in accordance with the provisions of this article and the management agreement.

"Other financial assistance" means, but is not limited to, grants, capital, or debt reserves for bonds or debt instrument financing, provision of letters of credit and other forms of credit enhancement, and other lawful forms of financing and methods of leveraging funds that are approved by the manager.

"Private entity" means any private or nongovernmental entity that has executed an interim or comprehensive agreement to develop and construct a transportation infrastructure project pursuant to the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq.).

"Project" means (i) the construction, reconstruction, rehabilitation, or replacement of any interstate, state highway, toll road, tunnel, local street or road, or bridge; (ii) the construction, reconstruction, rehabilitation, or replacement of any (a) mass transit, (b) commuter, passenger, or freight rail, (c) port, (d) airport, or (e) commercial space flight facility; or (iii) the acquisition of any rolling stock, vehicle, or equipment to be used in conjunction with clause (i) or (ii).

"Project obligation" means any bond, note, debenture, interim certificate, grant or revenue anticipation note, lease or lease-purchase or installment sales agreement, or credit enhancements issued, incurred, or entered into by an eligible borrower to evidence a loan, or any financing agreements, reimbursement agreements, guarantees, or other evidences of an obligation of an eligible borrower or other project sponsor to pay or guarantee a loan.

"Project sponsor" means any private entity or governmental entity that is involved in the planning, design, right-of-way acquisition, engineering, construction, maintenance, or financing of a project.

"Reliable repayment source" means any means by which an eligible borrower or other project sponsor generates funds that are dedicated to the purpose of retiring a project obligation.

"Substantial project completion" means the opening of a project for vehicular or passenger traffic or the handling of cargo and freight.

§ 33.2-1502. Creation of the Virginia Transportation Infrastructure Bank.

A. There is hereby created in the state treasury a special nonreverting, revolving loan fund, known as the Virginia Transportation Infrastructure Bank, that is a subfund of the Transportation Trust Fund, established pursuant to § 33.2-1524. The Bank shall be established on the books of the Comptroller. The Bank shall be capitalized with moneys appropriated by the General Assembly and credited to the Bank. Disbursements from the Bank shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Commissioner of Highways or his or her designee. Payments on project obligations and interest earned on the moneys in the Bank shall be credited to the Bank. Any moneys remaining in the Bank, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Bank. Notwithstanding anything to the contrary set forth in this article or in the management agreement, the Board will have the right to determine the projects for which loans or other financial assistance may be provided by the Bank. Moneys in the Bank shall be used solely for the purposes enumerated in subsections C and D.

B. The Board, the manager, and the Secretary of Finance are authorized to enter into a management agreement which may include provisions (i) setting forth the terms and conditions under which the manager will advise the Board on the financial propriety of providing particular loans or other financial assistance, (ii) setting forth the terms and conditions under which the substantive requirements of subsections C through F and § 33.2-1505 will be applied and administered, and (iii) authorizing the manager to request the Board to disburse from the moneys in the Bank the reasonable costs and expenses the manager may incur in the management and administration of the Bank and a reasonable fee to be approved by the Board for the manager's management and administrative services.

C. 1. Moneys deposited in the Bank shall be used for the purpose of making loans and other financial assistance to finance projects.

2. Each project obligation shall be payable, in whole or in part, from reliable repayment sources pledged for such purpose.

3. The interest rate on a project obligation shall be determined by reference to the current market rates for comparable obligations, the nature of the project and the financing structure therefor, and the creditworthiness of the eligible borrower and other project sponsors.

4. The repayment schedule for each project obligation shall require (i) the amortization of principal beginning within five years following the later of substantial project completion or the date of incurrence of the project obligation and (ii) a final maturity date of not more than 35 years following substantial project completion.

D. A portion not to exceed 20 percent of the capitalization of the Bank may be used for grants to governmental entities to finance projects.

E. The pledge of reliable repayment sources and other property securing any project obligation may be subordinate to the pledge securing any other senior debt obligations incurred to finance the project.

F. Notwithstanding subdivision C 4, the manager may at any time following substantial project completion defer payments on a project obligation if the project is unable to generate sufficient revenues to pay the scheduled payments.

G. No loan or other financial assistance may be provided or committed to be provided by the Bank in a manner that would cause such loan or other financial assistance to be tax-supported debt within the meaning of § 2.2-2713 or be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth but shall be payable solely from legally available moneys held by the Bank.

H. Neither the Bank nor the manager is authorized or empowered to be or to constitute (i) a bank or trust company within the jurisdiction or under the control of the Commonwealth or an agency thereof or the Comptroller of Currency of the U.S. Treasury Department or (ii) a bank, banker, or dealer in securities within the meaning of, or subject to the provisions of, any securities, securities exchange, or securities dealers law of the United States or of the Commonwealth.

I. The Board or the manager may establish or direct the establishment of federal and state accounts or subaccounts as may be necessary to meet any applicable federal law requirements or desirable for the efficient administration of the Bank in accordance with this article.

§ 33.2-1503. Eligibility and project selection.

A. Any entity constituting an eligible borrower or other project sponsor is eligible to apply to the Board for project financing from the Bank.

B. Notwithstanding subsection A, only governmental entities are eligible to apply for a grant from the Bank.

C. Any governmental entity applying for a grant must demonstrate, among other things as determined by the manager, that the project cannot be financed on reasonable terms or would otherwise be financially infeasible without the grant.

D. All applicants for a loan or other financial assistance (other than a grant) must file an application with the Board, which must include all items determined by the Board in consultation with the manager to be necessary and appropriate for the Board to determine whether or not to approve the loan, including the availability of reliable repayment sources to retire the project obligation as well as creditworthiness.

E. Each applicant for a loan or other financial assistance must demonstrate that the project is of local, regional, or statewide significance and that it meets the goal of generating economic benefits, improving air quality, reducing congestion, or improving safety through enhancement of the state transportation network. Another criterion to be considered is whether or not the loan or other financial assistance will enable the project to be completed at an earlier date than would otherwise be feasible. The Board shall issue guidelines for scoring projects in accordance with the criteria set out in this subsection and any other criteria deemed necessary and appropriate for evaluating projects as determined by the Board in consultation with the manager and shall apply the scoring guidelines to each proposed project. Further, the Board shall promptly publish each proposed project and its score using the scoring guidelines.

F. All projects for which a loan or other financial assistance is provided must meet and remain in compliance with the policies and guidelines established by the Board and the manager.

§ 33.2-1504. Grants from the Commonwealth Transportation Board.

The Board may make grants of money or property to the Bank for the purpose of enabling it to carry out its corporate purposes and for the exercise of its powers. This section shall not be construed to limit any other power the Board may have to make grants to the Bank.

§ 33.2-1505. Project obligations.

A. Subject to the terms determined by the manager in accordance with the management agreement, each loan or other financial assistance (which for purposes of this section shall not include grants) shall be evidenced or guaranteed by project obligations provided to finance the costs of any project. The manager may also sell any project obligations so acquired and apply the proceeds of such a sale to the making of additional loans and the provision of other financial assistance for financing the cost of any project or for any other corporate purpose of the Bank.

B. The manager may require, as a condition to provision of a loan or other financial assistance and the acquisition of any project obligations, that the eligible borrower or any other project sponsor covenant to perform any of the following:

1. Establish and collect tolls, rents, rates, fees, and other charges to produce revenue sufficient to pay all or a specified portion of (i) the costs of operation, maintenance, replacement, renewal, and repairs of the project; (ii) any outstanding indebtedness incurred for the purposes of the project, including the principal of and premium, if any, and interest on the project obligations; and (iii) any amounts necessary to create and maintain any required reserve, including any rate stabilization fund deemed necessary or appropriate by the manager to offset the need, in whole or part, for future increases in tolls, rents, rates, fees, or charges;

2. Create and maintain a special fund or funds as security for or the source of the scheduled payments on the project obligations or for the operation, maintenance, repair, or replacement of the project or any portions thereof or other property of the eligible borrower or any other project sponsor and deposit into any fund or funds amounts sufficient to make any payments as they become due and payable;

3. Create and maintain other special funds as required by the manager; and

4. Perform other acts, including the conveyance or mortgaging of real and personal property together with all right, title, and interest therein to secure project obligations, or take other actions as may be deemed necessary or desirable by the

manager to secure payment of the project obligations and to provide for remedies in the event of any default or nonpayment by the eligible borrower or any other project sponsor; including any of the following:

a. The procurement of credit enhancements or liquidity arrangements for project obligations from any source, public or private, and the payment thereof of premiums, fees, or other charges.

b. The combination of one or more projects, or the combination of one or more projects with one or more other undertakings, facilities, or systems, for the purpose of operations and financing, and the pledging of the revenues from such combined projects, undertakings, facilities, and systems to secure project obligations issued in connection with such combination or any part or parts thereof.

c. The payment of such fees and charges in connection with the acquisition of the project obligations as may be determined by the manager.

C. All eligible borrowers and other project sponsors, including any governmental entities, providing project obligations to the Bank are authorized to perform any acts, take any action, adopt any proceedings, and make and carry out any contracts with the Bank, the manager, or the Board that are contemplated by this article. Such contracts need not be identical among all eligible borrowers or other project sponsors, but may be structured as determined by the manager according to the needs of the contracting eligible borrowers and other project sponsors and the purposes of the Bank.

In addition, subject to the approval of the manager, any project sponsor is authorized to establish and contract with a special purpose or limited purpose instrumentality, corporation, or other entity for the purpose of having such entity serve as the eligible borrower with respect to a particular project.

§ 33.2-1506. Exemption from taxation; exemption from Virginia Public Procurement Act.

A. The Bank will be performing an essential governmental function in the exercise of the powers conferred upon it by this article. Accordingly, the Bank shall not be required to pay any taxes or assessments to the Commonwealth or its localities or any political subdivision thereof upon any capital, moneys or any property or upon any operations of the Bank or the income therefrom, or any taxes or assessments upon any project or any property or project obligation acquired by the Bank under the provisions of this article or upon the income therefrom.

B. The provisions of the Virginia Public Procurement Act (§ 2.2-4300 et seq.) shall not apply to the Bank in the exercise of any power conferred under this article.

§ 33.2-1507. Reporting requirement.

A. No loan or other financial assistance shall be awarded from the Bank until the Secretary has provided copies of the management agreement and related criteria and guidelines to the Chairmen of the House Committees on Appropriations, Finance, and Transportation and the Senate Committees on Finance and Transportation.

B. Within 30 days after each six-month period ending June 30 and December 31, the manager shall provide a report to the Chairmen of the House Committees on Appropriations, Finance, and Transportation and the Senate Committees on Finance and Transportation, which shall include the amounts of loans and other financial assistance provided by the Bank and the projects for which the loans and other financial assistance were provided.

Article 2.

Transportation Partnership Opportunity Fund.

§ 33.2-1508. Transportation Partnership Opportunity Fund.

A. There is hereby created the Transportation Partnership Opportunity Fund (the Fund) to be used by the Governor to encourage the development of transportation projects through design-build pursuant to subsection B of § 33.2-209, the Public-Private Transportation Act (§ 33.2-1800 et seq.) and to provide funds to address the transportation aspects of economic development opportunities. The Fund shall consist of any funds appropriated to it by the general appropriation act and revenue from any other source, public or private. The Fund shall be established on the books of the Comptroller, and any funds remaining in the Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. All interest and dividends that are earned on the Fund shall be credited to the Fund. The Governor shall report to the Chairmen of the House Committees on Appropriations, Finance, and Transportation and the Senate Committees on Finance and Transportation as funds are awarded in accordance with this section.

B. The Fund shall be a component of the Commonwealth Transportation Fund but not a component or subcomponent of the Transportation Trust Fund or the Highway Maintenance and Operating Fund. Provisions of this title and Title 58.1 relating to the allocations or disbursements of proceeds of the Commonwealth Transportation Fund, the Transportation Trust Fund, or the Highway Maintenance and Operating Fund shall not apply to the Fund.

C. Funds shall be awarded from the Fund by the Governor as grants, revolving loans, or other financing tools and equity contributions to (i) an agency or political subdivision of the Commonwealth or (ii) a private entity or operator that has submitted a proposal or signed a comprehensive agreement to develop a transportation facility pursuant to the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq.). Loans shall be approved by the Governor and made in accordance with procedures established by the Board and approved by the Comptroller. Loans shall be interest-free and shall be repaid to the Fund. The Governor may establish the duration of any loan, but such term shall not exceed seven years. The Department shall be responsible for monitoring repayment of such loans and reporting the receivables to the Comptroller as required.

D. Grants or revolving loans may be used for transportation capacity development on and off site; road, rail, mass transit, or other transportation access costs beyond the funding capability of existing programs; studies of transportation projects, including environmental analysis, geotechnical assessment, survey, design and engineering, advance right-of-way

acquisition, traffic analysis, toll sensitivity studies, financial analysis; or anything else permitted by law. Funds may be used for any transportation project or any transportation facility. Any transportation infrastructure completed with moneys from the Fund shall not become private property, and the results of any studies or analysis completed as a result of a grant or loan from the Fund shall be property of the Commonwealth.

E. The Board, in consultation with the Secretary of Transportation and the Secretary of Commerce and Trade, shall develop guidelines and criteria that shall be used in awarding grants or making loans from the Fund; however, no grant shall exceed \$5 million and no loan shall exceed \$30 million. No grant or loan shall be awarded until the Governor has provided copies of the guidelines and criteria to the Chairmen of the House Committees on Appropriations, Finance, and Transportation and the Senate Committees on Finance and Transportation. The guidelines and criteria shall include provisions including the number of jobs and amounts of investment that must be committed in the event moneys are being used for an economic development project, a statement of how the studies and analysis to be completed using moneys from the Fund will advance the development of a transportation facility, a process for the application for and review of grant and loan requests, a timeframe for completion of any work, the comparative benefit resulting from the development of a transportation project, assessment of the ability of the recipient to repay any loan funds, and other criteria as necessary to support the timely development of transportation projects. The criteria shall also include incentives to encourage matching funds from any other local, federal, or private source.

F. Within 30 days of each six-month period ending June 30 and December 31, the Governor shall provide a report to the Chairmen of the House Committees on Appropriations, Finance, and Transportation and the Senate Committees on Finance and Transportation that shall include the following information: the locality in which the project is being developed; the amount of the grant or loan made or committed from the Fund and the purpose for which it will be used; the number of jobs created or projected to be created, and the amount of a company's investment in the Commonwealth if the project is part of an economic development opportunity.

G. The Governor shall provide grants and commitments from the Fund in an amount not to exceed the total value of the moneys contained in the Fund. If the Governor commits funds for years beyond the fiscal years covered under the existing appropriation act, the State Treasurer shall set aside and reserve the funds the Governor has committed, and the funds set aside and reserved shall remain in the Fund for those future fiscal years. No grant or loan shall be payable in the years beyond the existing appropriation act unless the funds are currently available in the Fund.

Article 3.

Funds for Access Roads.

§ 33.2-1509. Funds for access roads to economic development sites and airports; construction, maintenance, etc., of such roads.

A. Notwithstanding any other provision of law, there shall be appropriated to the Board funds derived from taxes on motor fuels, fees and charges on motor vehicle registrations, road taxes or any other state revenue allocated for highway purposes, which shall be used by the Board for the purposes hereinafter specified, after deducting the costs of administration before any of such funds are distributed and allocated for any road or street purposes.

Such funds shall be expended by the Board for constructing, reconstructing, maintaining or improving access roads within localities to economic development sites on which manufacturing, processing, research and development facilities, distribution centers, regional service centers, corporate headquarters, or other establishments that also meet basic employer criteria as determined by the Virginia Economic Development Partnership in consultation with the Virginia Department of Small Business and Supplier Diversity will be built under firm contract or are already constructed and to licensed, public-use airports; in the event there is no such establishment or airport already constructed or for which the construction is under firm contract, a locality may guarantee to the Board by bond or other acceptable device that such will occur and, should no establishment or airport acceptable to the Board be constructed or under firm contract within the time limits of the bond, such bond shall be forfeited. The time limits of the bond shall be based on regular review and consideration by the Board. Towns that receive highway maintenance payments under § 33.2-319 shall be considered separately from the counties in which they are located when receiving allocations of funds for access roads.

B. In deciding whether or not to construct or improve any such access road, and in determining the nature of the road to be constructed, the Board shall base its considerations on the cost thereof in relation to the volume and nature of the traffic to be generated as a result of developing the airport or the economic development site. Within any economic development site or airport, the total volume of traffic to be generated shall be taken into consideration in regard to the overall cost thereof. No such access road shall be constructed or improved on a privately owned economic development site.

C. Any access road constructed or improved under this section shall constitute a part of the secondary state highway system or the road system of the locality in which it is located and shall thereafter be constructed, reconstructed, maintained, and improved as other roads or highways in such system.

§ 33.2-1510. Fund for access roads and bikeways to public recreational areas and historical sites; construction, maintenance, etc., of such facilities.

A. The General Assembly finds and declares that there is an increasing demand by the public for more public recreational areas throughout the Commonwealth, therefore creating a need for more access to these areas. There are also many sites of historical significance to which access is needed.

The General Assembly hereby declares it to be in the public interest that access roads and bikeways to public recreational areas and historical sites be provided by using funds obtained from motor fuel tax collections on motor fuel used for propelling boats and ships and funds contained in the highway portion of the Transportation Trust Fund.

B. The Board shall, from funds allocated to the primary system, secondary system, or urban system, set aside the sum of \$3 million initially. This fund shall be expended by the Board for the construction, reconstruction, maintenance, or improvement of access roads and bikeways within localities. At the close of each succeeding fiscal year, the Board shall replenish this fund to the extent it deems necessary to carry out the purpose intended, provided the balance in the fund plus the replenishment does not exceed \$3 million.

C. Upon the setting aside of the funds as provided in this section, the Board shall construct, reconstruct, maintain, or improve access roads and bikeways to public recreational areas and historical sites upon the following conditions:

1. When the Director of the Department of Conservation and Recreation has designated a public recreational area as such or when the Director of the Department of Historic Resources has determined a site or area to be historic and recommends to the Board that an access road or bikeway be provided or maintained to that area;

2. When the Board pursuant to the recommendation from the Director of the Department of Conservation and Recreation declares by resolution that the access road or bikeway be provided or maintained;

3. When the governing body of the locality in which the access road or bikeway is to be provided or maintained passes a resolution requesting the road; and

4. When the governing body of the locality in which the bikeway is to be provided or maintained adopts an ordinance pursuant to Article 7 (§ 15.2-2280 et seq.) of Chapter 22 of Title 15.2.

No access road or bikeway shall be constructed, reconstructed, maintained, or improved on privately owned property.

D. Any access road constructed, reconstructed, maintained, or improved pursuant to the provisions of this section shall become part of the primary state highway system, the secondary state highway system or the road system of the locality in which it is located in the manner provided by law, and shall thereafter be constructed, reconstructed, maintained, and improved as other roads or highways in such systems. Any bikeway path constructed, reconstructed, maintained, or improved pursuant to the provisions of this section that is not situated within the right-of-way limits of an access road that has become, or which is to become, part of the primary state highway system, the secondary state highway system, or the road system of the locality, shall, upon completion, become part of and be regulated and maintained by the authority or agency maintaining the public recreational area or historical site. It shall be the responsibility of the authority, agency, or locality requesting that a bicycle path be provided for a public recreational or historical site to provide the right-of-way needed for the construction, reconstruction, maintenance, or improvement of the bicycle path if such is to be situated outside the right-of-way limits of an access road.

To maximize the impact of the Fund, not more than \$400,000 of recreational access funds may be allocated for each individual access road project to or within any public recreational area or historical site operated by a state agency and not more than \$250,000 of recreational access funds may be allocated for each individual access road project to or within a public recreational area or historical site operated by a locality or an authority with an additional \$100,000 if supplemented on a dollar-for-dollar basis by the locality or authority from other than highway sources. Not more than \$75,000 of recreational access funds may be allocated for each individual bikeway project to a public recreational area or historical site operated by a state agency and not more than \$60,000 of recreational access funds may be allocated for each individual bikeway project to a public recreational area or historical site operated by a locality or an authority with an additional \$15,000 if supplemented on a dollar-for-dollar basis by a locality or authority from other than highway sources.

The Board, with the concurrence of the Director of the Department of Conservation and Recreation, is hereby authorized to establish guidelines to carry out the provisions of this section.

Article 4.

Commonwealth of Virginia Federal Transportation Grant Anticipation Revenue Notes Act of 2011.

§ 33.2-1511. Definitions.

As used in this article, unless the context requires a different meaning:

"Federal highway reimbursements" means all federal-aid highway construction reimbursements and any other federal highway assistance received from time to time by the Commonwealth under or in accordance with Title 23 of the United States Code or any successor program established under federal law from the Federal Highway Administration and any successor or additional federal agencies.

"GARVEE," a grant anticipation revenue vehicle, means an "eligible debt financing instrument" as defined under 23 U.S.C. § 122, the principal of and interest on which and certain other costs associated therewith may be reimbursed by federal highway reimbursements.

"Notes" means those notes authorized and issued pursuant to § 33.2-1512.

"Project-specific reimbursements" means the federal highway reimbursements received by the Commonwealth only with respect to the project or projects to be financed by the Notes or any series thereof.

"Series" means any grouping of Notes issued as designated as such by the Board as necessary or desirable for administrative convenience, satisfaction of federal tax or securities law requirements, or any similar purpose.

§ 33.2-1512. Authorization of Notes.

The Board is hereby authorized, by and with the consent of the Governor, to issue, pursuant to the provisions of the Transportation Development and Revenue Bond Act (§ 33.2-1700 et seq.), in one or more series revenue obligations of the

Commonwealth to be designated "Commonwealth of Virginia Federal Transportation Grant Anticipation Revenue Notes, Series _____" (the Notes), provided that the aggregate principal amount outstanding at any time shall not exceed the amount authorized pursuant to the second enactments of Chapters 1019 and 1044 of the Acts of Assembly of 2000, as amended by Chapter 655 of the Acts of Assembly of 2005, less any principal amounts outstanding from revenue obligations issued pursuant to those enactments prior to July 1, 2011, and exclusive of (i) the amount of any revenue obligations that may be issued to refund Notes issued under this article or the revenue obligations issued under those enactments in accordance with § 33.2-1727 and (ii) any amounts issued for financing expenses (including any original issue discount).

§ 33.2-1513. Use of proceeds of Notes.

A. The net proceeds of the Notes shall be used exclusively for the purpose of providing funds, together with any other available funds, for paying the costs incurred or to be incurred for construction or funding of such projects to be designated by the Board.

B. The proceeds of Notes, including any premium received on the sale thereof, shall be made available by the Board to pay costs of the projects and, where appropriate, may be paid to any authority, locality, commission, or other entity for the purposes of paying for costs of the projects. The proceeds of Notes may be used together with any federal, local, or private funds that may be made available for such purpose. The proceeds of Notes, together with any investment earnings thereon, may at the discretion of the Board secure the payment of principal or purchase price of and redemption premium, if any, and interest on Notes.

§ 33.2-1514. Details of Notes.

A. The terms and structure of each issue of Notes shall be determined by the Board, subject to approval by the Treasury Board if required in accordance with § 2.2-2416. The Notes of each issue shall be dated; shall be issued in a principal amount (subject to the limitation as to amount outstanding at any one time set forth in § 33.2-1512); shall bear interest at such rate or rates that may be fixed, adjustable, variable, or a combination thereof, and may be determined by a formula or other method; shall mature at such time or times not exceeding 20 years after the issuance thereof; and may be made subject to purchase or redemption before their maturity or maturities, at such price or prices and under such terms and conditions, all as may be determined by the Board. The Board shall determine the form and series designations of Notes, whether Notes are certificated or uncertificated, and fix the authorized denomination or denominations of Notes and the place or places of payment of principal or purchase price of, and redemption premium, if any, and interest on, Notes, which may be at the office of the State Treasurer or any bank or trust company within or outside of the Commonwealth. The principal or purchase price of, and redemption premium, if any, and interest on, Notes shall be made payable in lawful money of the United States of America. Each issue of Notes may be issued under a system of book entry for recording the ownership and transfer of ownership of rights to receive payments of principal or purchase price of and redemption premium, if any, and interest on such Notes. All Notes shall have and are hereby declared to have, as between successive holders, all the qualities and incidents of negotiable instruments under the negotiable instruments law of the Commonwealth.

B. The Board may sell Notes from time to time at public or private sale, by competitive bidding, negotiated sale, or private placement, for such price or prices as it may determine to be in the best interests of the Commonwealth.

§ 33.2-1515. Form and manner of execution; signature of person ceasing to be officer.

The Notes shall be signed on behalf of the Board by the chairman or vice-chairman of the Board, or shall bear the facsimile signature of such officer, and shall bear the official seal of the Board, which shall be attested by the manual or facsimile signature of the secretary or assistant secretary of the Board. In the event that Notes shall bear the facsimile signature of the chairman or vice-chairman of the Board, such Notes shall be signed by such administrative assistant as the chairman of the Board shall determine or by any registrar/paying agent that may be designated by the Board. In case any officer whose signature or a facsimile of whose signature appears on any Notes shall cease to be such officer before the delivery of such Notes, such signature or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in office until such delivery.

§ 33.2-1516. Authority to obtain GARVEE approval.

The Board is authorized to seek any necessary approvals for the issuance of Notes as GARVEEs from the Federal Highway Administration and any successor or additional federal agencies.

§ 33.2-1517. Expenses.

All expenses incurred under this article or in connection with issuance of Notes shall be paid from the proceeds of such Notes or from any available funds as the Board shall determine.

§ 33.2-1518. Deposit of proceeds.

The proceeds of each series of Notes shall be placed by the State Treasurer in a special fund in the state treasury or may be placed with a trustee in accordance with § 33.2-1716 and shall be disbursed only for the purpose for which such series is issued.

§ 33.2-1519. Other funds.

The Board is hereby authorized to receive any other funds that may be made available to pay costs of the projects and, subject to appropriation by the General Assembly or allocation or designation by the Board, to make available the same to the payment of the principal or purchase price of, and redemption premium, if any, and interest on Notes authorized hereby and to enter into the appropriate agreements to allow for those funds to be paid into the state treasury, or to a trustee in

accordance with § 33.2-1716 to pay a part of the costs of the projects or to pay principal or purchase price of, and redemption premium, if any, and interest on Notes.

§ 33.2-1520. Application of project-specific reimbursements.

A. In accordance with Article X, Section 7 of the Constitution of Virginia and § 2.2-1802, all federal highway reimbursements are paid into the state treasury. In connection with each series of Notes issued pursuant to this article, the Board shall establish a fund in accordance with § 33.2-1720 either in the state treasury or with a trustee in accordance with § 33.2-1716, which secures and is used for the payment of such series of Notes to the credit of which there shall be deposited such amounts, appropriated therefor by the General Assembly, as are required to pay principal or purchase price of, and redemption premium, if any, and interest on Notes, as and when due and payable, (i) first from the project-specific reimbursements; (ii) then, at the discretion of the Board, to the extent required, from legally available revenues of the Transportation Trust Fund; and (iii) then from such other funds, if any, that are designated by the General Assembly for such purpose.

B. The Board is authorized to provide that the pledge of federal highway reimbursements and any other federal highway assistance received for all or any series of the Notes will be subordinate to any prior pledge thereof to notes issued pursuant to subdivision 8 of § 33.2-1701 and the second enactments of Chapters 1019 and 1044 of the Acts of Assembly of 2000, as amended, and that the obligation to make transfers of federal highway reimbursements and any other federal highway assistance received or other amounts into any fund established under subsection A will be subordinate to the obligation to make any required payments or deposits on or with respect to notes issued pursuant to subdivision 8 of § 33.2-1701 and the second enactments of Chapters 1019 and 1044 of the Acts of Assembly of 2000, as amended.

§ 33.2-1521. Investment of proceeds and other amounts.

Notes proceeds and moneys in any reserve funds and sinking funds in respect of Notes shall be invested by the State Treasurer in accordance with the provisions of general law relating to the investment of such funds belonging to or in the control of the Commonwealth or by a trustee in accordance with § 33.2-1716.

§ 33.2-1522. Exemption from taxation.

The interest income from and any profit made on the sale of the Notes issued under the provisions of this article shall at all times be free and exempt from taxation by the Commonwealth and by any municipality, county, or other political subdivision thereof.

§ 33.2-1523. Notes as eligible securities.

All Notes issued under the provisions of this article are hereby made securities in which all persons and entities listed in § 33.2-1713 may properly and legally invest funds under their control.

Article 5.

Transportation Trust Fund.

§ 33.2-1524. Transportation Trust Fund.

There is hereby created in the Department of the Treasury a special nonreverting fund to be known as the Transportation Trust Fund, consisting of:

1. Funds remaining for highway construction purposes among the highway systems pursuant to § 33.2-358.
2. The additional revenues generated by enactments of Chapters 11, 12, and 15 of the 1986 Acts of Assembly, Special Session I, and designated for this fund.
3. Tolls and other revenues derived from the projects financed or refinanced pursuant to this title that are payable into the state treasury and tolls and other revenues derived from other transportation projects, which may include upon the request of the applicable appointed local governing body, as soon as their obligations have been satisfied, such tolls and revenue derived for transportation projects pursuant to the Chesapeake Bay Bridge and Tunnel District and Commission established in Chapter 22 (§ 33.2-2200 et seq.) and to the Richmond Metropolitan Authority established in Chapter 29 (§ 33.2-2900 et seq.), or if the appointed local governing body requests refunding or advanced refunding by the Board and such refunding or advanced refunding is approved by the General Assembly. Such funds shall be held in separate subaccounts of the Transportation Trust Fund to the extent required by law or the Board.
4. Such other funds as may be appropriated by the General Assembly from time to time and designated for the Transportation Trust Fund.
5. All interest, dividends, and appreciation that may accrue to the Transportation Trust Fund and the Highway Maintenance and Operating Fund.
6. All amounts required by contract to be paid over to the Transportation Trust Fund.
7. Concession payments paid to the Commonwealth by a private entity pursuant to the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq.).

§ 33.2-1525. Administration of Transportation Trust Fund.

A. The Transportation Trust Fund shall be established on the books of the Comptroller so as to segregate the amounts appropriated to the Transportation Trust Fund and the amounts earned or accumulated by such Transportation Trust Fund. No portion of the Transportation Trust Fund shall be used for a purpose other than as provided in this section. Any moneys remaining in the Transportation Trust Fund at the end of a biennium shall not revert to the general fund but shall remain in the Transportation Trust Fund to be used for the purposes set forth in §§ 33.2-1524, 33.2-1526, and 33.2-1529 and shall accumulate interest and dividends throughout the existence of the Transportation Trust Fund. Whenever in the Board's

opinion there are moneys in the Transportation Trust Fund in excess of the amount required to meet the current needs and demands of the transportation program, the Board may invest such excess funds in securities that, in its judgment, will be readily convertible into money. Such securities may include debentures and other government and corporate obligations; common and preferred stocks limited to 30 percent of total trust funds investments based on cost; "prime quality" commercial paper, as defined and limited by § 2.2-4502; bankers' acceptances; bonds; money market funds; and overnight, term, and open repurchase agreements. The investment of moneys held in the Transportation Trust Fund shall be administered by the state treasury under guidelines adopted by the Board pursuant to this section.

The Treasurer may, at his option, manage such moneys or hire professional outside investment counsel to manage part or all of such moneys.

The selection of services related to the management, purchase, or sale of authorized investments shall be governed by the standard provided in this section and shall not be subject to the provisions of Chapter 43 (§ 2.2-4300 et seq.) of Title 2.2.

B. When investments are made in accordance with this section, no Board member, Board employee, Department of Transportation employee, Department of Rail and Public Transportation employee, or treasury official shall be personally liable for any loss therefrom in the absence of negligence, malfeasance, misfeasance, or nonfeasance.

§ 33.2-1526. Commonwealth Space Flight Fund, Commonwealth Port Fund, Commonwealth Airport Fund, and Commonwealth Mass Transit Fund.

Of the funds becoming part of the Transportation Trust Fund pursuant to subdivision 2 of § 33.2-1524, an aggregate of 4.2 percent shall be set aside as the Commonwealth Port Fund as established in subdivision A 2 of § 58.1-638; an aggregate of 2.4 percent shall be set aside as the Commonwealth Airport Fund as established in subdivision A 3 of § 58.1-638; and an aggregate of 14.7 percent shall be set aside as the Commonwealth Mass Transit Fund as established in subdivision A 4 of § 58.1-638. Beginning with the Commonwealth's 2012-2013 fiscal year through the Commonwealth's 2016-2017 fiscal year, each fiscal year from the funds becoming part of the Transportation Trust Fund pursuant to subdivision 2 of § 33.2-1524 the Comptroller shall transfer \$9.5 million to the Commonwealth Space Flight Fund as established in subdivision A 3a of § 58.1-638. The remaining funds deposited into or held in the Transportation Trust Fund pursuant to subdivision 2 of § 33.2-1524, together with funds deposited pursuant to subdivisions 1 and 4 of § 33.2-1524, shall be expended for capital improvements, including construction, reconstruction, maintenance, and improvements of highways according to the provisions of subsection C of § 33.2-358 or to secure bonds issued for such purposes, as provided by the Board and the General Assembly.

§ 33.2-1527. Priority Transportation Fund.

A. There is hereby created in the state treasury a special nonreverting fund to be known as the Priority Transportation Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. All funds as may be designated in the appropriation act for deposit to the Fund shall be paid into the state treasury and credited to the Fund. Such funds shall include:

1. Beginning with the fiscal year ending June 30, 2000, and for fiscal years thereafter, all revenues that exceed the official forecast, pursuant to § 2.2-1503, for (i) the Highway Maintenance and Operating Fund established in § 33.2-1530 and (ii) the allocation to highway and mass transit improvement projects as set forth in § 33.2-1526, but not including any amounts that are allocated to the Commonwealth Port Fund and the Commonwealth Airport Fund under such section;

2. All revenues deposited into the Fund pursuant to § 58.1-2531;

3. All revenues deposited into the Fund pursuant to subsection E of § 58.1-2289; and

4. Any other such funds as may be transferred, allocated, or appropriated.

All moneys in the Fund shall first be used for debt service payments on bonds or obligations for which the Fund is expressly required for making debt service payments, to the extent needed. The Fund shall be considered a part of the Transportation Trust Fund. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes enumerated in subsection B. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller.

B. The Board shall use the Fund to facilitate the financing of priority transportation projects throughout the Commonwealth. The Board may use the Fund by (i) expending amounts therein on such projects directly; (ii) payment to any authority, locality, commission, or other entity for the purpose of paying the costs thereof; or (iii) using such amounts to support, secure, or leverage financing for such projects. No expenditures from or other use of amounts in the Fund shall be considered in allocating highway maintenance and construction funds under § 33.2-358 or apportioning Transportation Trust Fund funds under § 58.1-638 but shall be in addition thereto. The Board shall use the Fund to facilitate the financing of priority transportation projects as designated by the General Assembly, provided that at the discretion of the Board funds allocated to projects within a transportation district may be allocated among projects within the same transportation district as needed to meet construction cash-flow needs.

C. Notwithstanding any other provision of this section, beginning July 1, 2007, no bonds, obligations, or other evidences of debt (the bonds) that expressly require as a source for debt service payments or for the repayment of such bonds the revenues of the Fund shall be issued or entered into, unless at the time of the issuance the revenues then in the Fund or reasonably anticipated to be deposited into the Fund pursuant to the law then in effect are by themselves sufficient to make 100 percent of the contractually required debt service payments on all such bonds, including any interest related thereto and the retirement of such bonds.

§ 33.2-1528. Concession Payments Account.

A. Concession payments to the Commonwealth deposited into the Transportation Trust Fund pursuant to subdivision 7 of § 33.2-1524 from qualifying transportation facilities developed and/or operated pursuant to the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq.) shall be held in a separate subaccount to be designated the Concession Payments Account, (the Account) together with all interest, dividends, and appreciation that accrue to the Account and that are not otherwise specifically directed by law or reserved by the Board for other purposes allowed by law.

B. The Board may make allocations from the Account upon such terms and subject to such conditions as the Board deems appropriate to:

1. Pay or finance all or part of the costs of programs or projects, including the costs of planning, operation, maintenance, and improvements incurred in connection with the acquisition and construction of projects, provided that allocations from the Account shall be limited to programs and projects that are reasonably related to or benefit the users of the qualifying transportation facility that was the subject of a concession pursuant to the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq.). The priorities of metropolitan planning organizations, planning district commissions, local governments, and transportation corridors shall be considered by the Board in making project allocations from moneys in the Account.

2. Repay funds from the Toll Facilities Revolving Account or the Transportation Partnership Opportunity Fund.

3. Pay the Board's reasonable costs and expenses incurred in the administration and management of the Account.

C. Concession payments to the Commonwealth for a qualifying transportation facility located within the boundaries of a rapid rail project for which a federal Record of Decision has been issued shall be held in a subaccount separate from the Concession Payments Account together with all interest, dividends, and appreciation that accrue to the subaccount. The Board may make allocations from the subaccount as the Board deems appropriate to:

1. Pay or finance all or part of the costs of planning, design, land acquisition, and improvements incurred in connection with the construction of such rapid rail project consistent with the issued federal Record of Decision, as may be revised from time to time; and

2. Upon determination by the Board that sufficient funds are or will be available to meet the schedule for construction of such rapid rail project, pay or finance all or part of the costs of planning, design, land acquisition, and improvements incurred in connection with other highway and public transportation projects within the corridor of the rapid rail project or within the boundaries of the qualifying transportation facility. In the case of highway projects, the Board shall follow an approval process generally in accordance with subsection B of § 33.2-208.

D. The provisions of this section shall be liberally construed to the end that its beneficial purposes may be effectuated. Insofar as this provision is inconsistent with the provisions of any other general, special, or local law, this provision shall be controlling.

E. If any provision of this section or the application thereof to any person or circumstances is held invalid by a court of competent jurisdiction, such invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are declared to be severable.

§ 33.2-1529. Toll Facilities Revolving Account.

A. All definitions of terms in this section shall be as set forth in the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq.).

B. Subject to any obligations to existing bondholders, but notwithstanding §§ 2.2-1806 and 58.1-13, funds deposited into the Transportation Trust Fund pursuant to subdivision 3 of § 33.2-1524 shall be held in a separate subaccount to be designated the Toll Facilities Revolving Account, (the Account) together with all interest, dividends, and appreciation that accrue to the Transportation Trust Fund and that are not otherwise specifically directed by law or reserved by the Board in the resolution authorizing issuance of bonds to finance toll facilities. In addition, any funds received from the federal government or any agency or instrumentality thereof that, pursuant to federal law, may be made available, as loans or otherwise, to private persons or entities for transportation purposes, hereinafter referred to as "federal funds," shall be deposited in a segregated subaccount within the Account. Payments received with respect to any loan made from such segregated subaccount pursuant to subdivision D 2 shall also be deposited into such segregated subaccount in the Account.

C. User fees collected in excess of the annual debt service, operations, and maintenance expenses and necessary administrative costs including any obligations to the Account and any other obligations for qualifying facilities with respect to which an agency of the Commonwealth is the responsible public entity shall be deposited and held in the Regional Toll Facilities Revolving Subaccount, (the Regional Account), together with all interest, dividends, and appreciation for use within the metropolitan planning organization region within which the facility exists. Payments received with respect to any loan made from such Regional Account pursuant to subdivision D 3 shall also be deposited into the Regional Account.

D. The Board may make allocations upon such terms and subject to such conditions as the Board deems appropriate from the following funds for the following purposes:

1. From any funds in the Account, exclusive of those in the Regional Account, to pay or finance all or part of the costs, including the cost of planning, operation, maintenance, and improvements, incurred in connection with the acquisition and construction of projects financed in whole or in part as toll facilities or to refinance existing toll facilities, provided that any such funds allocated from the Account for a planned or operating toll facility shall be considered as an advance of funding for which the Account shall be reimbursed;

2. From funds in the segregated subaccount in the Account into which federal funds are deposited in conjunction with the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq.) and pursuant to the terms of a comprehensive agreement between a responsible public entity and a private operator as provided for in that act:

a. To make a loan to such operator to pay any cost of a qualifying transportation facility, provided that (i) the operator's return on its investment is limited to a reasonable rate and (ii) such loan is limited to a reasonable term; or

b. To pay the Commonwealth's or its agency's portion of costs incurred or to be incurred in accordance with a comprehensive agreement with respect to a transportation facility;

3. From funds in the Regional Account:

a. To pay or finance all or part of the costs, including the cost of planning, operation, maintenance, and improvements incurred in connection with the acquisition and construction of projects financed in whole or in part as toll facilities or to refinance existing toll facilities, provided that (i) allocations from the Regional Account shall be limited to projects located within the same metropolitan planning organization region as the facility that generated the excess revenue and (ii) any such funds allocated from the Regional Account for a planned or operating toll facility shall be considered as an advance of funding for which the Regional Account shall be reimbursed; or

b. To pay the Commonwealth's, its agency's, or its political subdivision's costs incurred or to be incurred in accordance with a comprehensive agreement with respect to a transportation facility within the same metropolitan planning organization region as the facility that generated the excess revenue; and

4. From any funds in the Account or Regional Account, to pay the Board's reasonable costs and expenses incurred in (i) the administration and management of the Account, (ii) its program of financing or refinancing costs of toll facilities, and (iii) the making of loans and paying of costs described in subdivisions 1 and 2.

E. The Board may transfer from the Account to the Transportation Trust Fund for allocation pursuant to subsection C of § 33.2-358 any interest revenues and, subject to applicable federal limitations, federal funds not committed by the Board to the purposes provided for in subsection D.

F. The provisions of this section shall be liberally construed to the end that its beneficial purposes may be effectuated. Insofar as this provision is inconsistent with the provisions of any other general, special, or local law, this provision shall be controlling.

G. If any provision of this section or the application thereof to any person or circumstances is held invalid by a court of competent jurisdiction, invalidity shall not affect other provisions or applications of this section that can be given effect without the invalid provision or application, and to this end the provisions of this section are declared to be severable.

Article 6.

Highway Maintenance and Operating Fund.

§ 33.2-1530. Highway Maintenance and Operating Fund.

There is hereby created in the state treasury a special nonreverting fund to be known as the Highway Maintenance and Operating Fund, referred to in this section as "the Fund." The Fund shall be established on the books of the Comptroller. Any moneys remaining in the Fund at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund.

The sources of funds for the Highway Maintenance and Operating Fund shall be paid into the state treasury and credited to the Fund and, in addition to all funds appropriated by the General Assembly, includes the following:

1. Revenues generated pursuant to § 33.2-213;
2. Civil penalties collected pursuant to § 33.2-216;
3. Civil penalties collected pursuant to § 33.2-1224;
4. Civil penalties collected pursuant to § 33.2-1229;
5. Permit fees as outlined in § 46.2-652.1;
6. Revenues generated pursuant to § 46.2-702.1;
7. Permit fees pursuant to §§ 46.2-1128, 46.2-1140.1, 46.2-1142.1, 46.2-1143, 46.2-1148, and 46.2-1149.1;
8. Applicable portions of emissions inspection fees from on-road emissions inspectors as designated in § 46.2-1182;
9. Revenues from subsection G of § 58.1-638 and § 58.1-638.3;
10. Revenues from subdivision 2 of § 58.1-815.4;
11. Revenues generated pursuant to subsection B of § 58.1-2249;
12. Revenues as apportioned in subsection E of § 58.1-2289;
13. Revenues as outlined in subsection A of § 58.1-2425; and
14. Taxes and fees pursuant to § 58.1-2701.

CHAPTER 16.

RAIL FUNDS.

§ 33.2-1600. Fund for construction of industrial access railroad tracks.

A. The General Assembly declares it to be in the public interest that access railroad tracks and facilities be constructed to certain industrial commercial sites where rail freight service is or may be needed by new or substantially expanded industry and that financial assistance be provided to areas seeking to furnish rail freight trackage between the normal limits of existing or proposed common carrier railroad tracks and facilities and the actual site of existing or proposed commercial or industrial buildings or facilities. This section is enacted in furtherance of these purposes and is intended to be comparable to the fund for access roads to economic development sites established pursuant to § 33.2-1509.

B. The funding for this program shall be set forth in the appropriation act.

C. The Director of the Department of Rail and Public Transportation shall administer and expend or commit, subject to the approval of the Board, such funds for constructing, reconstructing, or improving industrial access railroad tracks and related facilities. The Director of the Department of Rail and Public Transportation may consult with the Commissioner of Agriculture and Consumer Services and the Chief Executive Officer of the Virginia Economic Development Partnership, or their designated representatives, concerning applications for funds. Funds shall be spent directly by the Director of the Department of Rail and Public Transportation or by reimbursement of the local entities, private or public.

D. Funds may be used to construct, reconstruct, or improve part or all of the necessary tracks and related facilities on public or private property currently used or being developed, existent or prospective, for single industries or industrial subdivisions under firm contract or already constructed, including those subdivisions owned or promoted by railroad companies and others. Applications for funds must be approved by the local governing body.

E. In deciding whether to construct any such access track, the Board shall consider the cost thereof in relation to prospective volume of rail traffic, capital investment, potential employment, and other economic and public benefits. The Board shall adopt procedures to encourage widespread use of the funds, shall limit allocation of funds so that no locality receives more than 50 percent of the funds in any one fiscal year unless there are not sufficient applications prior to May 1 of each year to use the available funds, and shall consider the practices of the Department of Transportation in distributing funds for access roads to economic development sites under § 33.2-1509.

F. Tracks and facilities constructed with such funds shall be the property of the Commonwealth for the useful life of the project as determined by the Director of the Department of Rail and Public Transportation and shall be made available for use by all common carriers using the railway system to which they connect. The landowners or using businesses shall, prior to the commitment of funds by the Director of the Department of Rail and Public Transportation, be contractually committed to the perpetual maintenance of such tracks and facilities so constructed and to the payment of any costs related to the future relocation or removal of such tracks and facilities.

§ 33.2-1601. Rail Enhancement Fund.

A. The General Assembly declares it to be in the public interest that railway preservation and development of railway transportation facilities are an important element of a balanced transportation system of the Commonwealth for freight and passengers and further declares it to be in the public interest that the retention, maintenance, improvement, and development of freight and passenger railways are essential to the Commonwealth's continued economic growth, vitality, and competitiveness in national and world markets.

B. There is hereby created in the state treasury a special nonreverting fund to be known as the Rail Enhancement Fund, hereafter referred to as "the Fund," which shall be considered a special fund within the Transportation Trust Fund. The Fund shall be established on the books of the Comptroller and shall consist of dedications pursuant to § 58.1-1741 and such funds from other sources as may be set forth in the appropriation act and shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely as provided in this section. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Director of the Department of Rail and Public Transportation or the Director's designee.

C. The Director of the Department of Rail and Public Transportation shall administer and expend or commit, subject to the approval of the Board, the Fund for acquiring, leasing, or improving railways or railroad equipment, rolling stock, rights-of-way, or facilities, or assisting other appropriate entities to acquire, lease, or improve railways or railroad equipment, rolling stock, rights-of-way, or facilities, for freight or passenger rail transportation purposes whenever the Board has determined that such acquisition, lease, or improvement is for the common good of a region of the Commonwealth or the Commonwealth as a whole. Funds provided in this section may also be used as matching funds for federal grants to support passenger or freight rail projects.

D. Projects undertaken pursuant to this section shall be limited to those the Board has determined will result in public benefits to a region of the Commonwealth or the Commonwealth as a whole that are equal to or greater than the investment of funds under this section. Such public benefits shall include the impact of the project on traffic congestion and environmental quality and, whenever possible, give due consideration to passenger rail capacity on corridors identified by the Board that have existing or proposed passenger rail service. Such projects shall include a minimum of 30 percent cash or in-kind matching contribution from a private source, which may include a railroad, a regional authority, a local government source, or a combination of such sources.

§ 33.2-1602. Shortline Railway Preservation and Development Fund.

A. For the purposes of this section:

"Fund" means the Shortline Railway Preservation and Development Fund.

"Railway transportation support facilities" means facilities required for the loading, transfer, or additional track capacity to facilitate the shipment of goods by rail other than as provided for in § 33.2-1600 or 33.2-1601.

"Shortline railway" means any Class II or Class III railroad as defined by the U.S. Surface Transportation Board.

B. The General Assembly declares it to be in the public interest that shortline railway preservation and development of railway transportation support facilities are important elements of a balanced transportation system of the Commonwealth for freight and passengers, and further declares it to be in the public interest that the retention, maintenance, and

improvement of the shortline railway and development of railway transportation support facilities are essential to the Commonwealth's continued economic growth, vitality, and competitiveness in national and world markets.

C. There is hereby created in the state treasury a special nonreverting fund to be known as the Shortline Railway Preservation and Development Fund. The Fund shall be established on the books of the Comptroller and shall consist of such funds from such sources as shall be set forth in the general appropriation act and shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely as provided in this section. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Director of the Department of Rail and Public Transportation or the Director's designee.

D. To fulfill this purpose, there shall be funding set forth each year in the budget bill and appropriated by the General Assembly in the Rail Assistance Program of the Department of Rail and Public Transportation. These funds shall be used by the Department of Rail and Public Transportation to administer a Shortline Railway Preservation and Development Program for the purposes described in subsection B. Furthermore, the Board shall include an annual allocation for such purpose in its allocation of transportation revenues.

E. The Director of the Department of Rail and Public Transportation shall administer and expend or commit, subject to the approval of the Board, the Fund for acquiring, leasing, or improving shortline railways and the development of railway transportation support facilities or assisting other appropriate entities to acquire, lease, or improve shortline railways and the development of railway transportation purposes whenever the Board has determined that such acquisition, lease, or improvement is for the common good of a region of the Commonwealth or the Commonwealth as a whole. The Director of the Department of Rail and Public Transportation may consult with other agencies or their designated representatives concerning projects to be undertaken under this section.

F. Tracks and facilities constructed, and property and equipment purchased, with funds under this section shall be the property of the Commonwealth for the useful life of the project, as determined by the Director of the Department of Rail and Public Transportation, and shall be made available for use by all common carriers using the railway system to which they connect under the trackage rights agreements between the parties. Projects undertaken pursuant to this section shall be limited to those of a region of the Commonwealth or the Commonwealth as a whole. Such projects shall include a minimum of 30 percent cash or in-kind matching contribution from a private source, which may include a railroad, a regional authority, private industry, a local government source, or a combination of such sources. No single project shall be allocated more than 50 percent of total available funds.

§ 33.2-1603. Intercity Passenger Rail Operating and Capital Fund.

A. The General Assembly declares it to be in the public interest that developing and continuing intercity passenger rail operations and the development of rail infrastructure, rolling stock, and support facilities to support intercity passenger rail service are important elements of a balanced transportation system in the Commonwealth and further declares it to be in the public interest that the retention, maintenance, improvement, and development of intercity passenger rail-related infrastructure improvements and operations are essential to the Commonwealth's continued economic growth, vitality, and competitiveness in national and world markets.

B. There is hereby created in the state treasury a special nonreverting fund to be known as the Intercity Passenger Rail Operating and Capital Fund, hereafter referred to as "the Fund," which shall be considered a special fund within the Transportation Trust Fund. The Fund shall be established on the books of the Comptroller and shall consist of funds designated pursuant to subdivision A 2 of § 58.1-638.3 and as may be set forth in the appropriation act and by allocation of funds for operations and projects pursuant to this section by the Board in accordance with § 33.2-358. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely as provided in this section. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Director of the Department of Rail and Public Transportation or his designee.

C. The Director of the Department of Rail and Public Transportation or his designee shall administer and expend or commit, subject to the approval of the Board, the Fund to support the cost of operating intercity passenger rail service; acquiring, leasing, or improving railways or railroad equipment, rolling stock, rights-of-way, or facilities; or assisting other appropriate entities to acquire, lease, or improve railways or railroad equipment, rolling stock, rights-of-way, or facilities for intercity passenger rail transportation purposes whenever the Board has determined that such acquisition, lease, or improvement is for the common good of a region of the Commonwealth or the Commonwealth as a whole. Funds provided in this section may also be used as matching funds for federal grants to support intercity passenger rail projects.

D. Capital projects including tracks and facilities constructed and property, equipment, and rolling stock purchased with funds under this section shall be the property of the Commonwealth for the useful life of the project, as determined by the Director of the Department of Rail and Public Transportation, and shall be made available for use by all intercity passenger rail operations and common carriers using the railway system to which they connect under the trackage rights or operating agreements between the parties. Projects undertaken pursuant to this section shall be limited to those of a region of the Commonwealth or the Commonwealth as a whole. Such projects undertaken pursuant to this section shall not require

a matching contribution; however, projects proposed with matching funds may receive more favorable consideration. Matching funds may be provided from any source except Commonwealth Transportation Fund revenues.

CHAPTER 17.

TRANSPORTATION DEVELOPMENT AND REVENUE BOND ACT.

§ 33.2-1700. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Board" means the Commonwealth Transportation Board, or if the Commonwealth Transportation Board is abolished, any board, commission, or officer succeeding to the principal functions thereof or upon whom the powers given by this chapter to the Board shall be given by law.

"Cost of the project," as applied to a project to be acquired by purchase or by condemnation, includes:

1. The purchase price or the amount of the award;
2. The cost of improvements, financing charges, and interest during any period of disuse before completion of improvements;
3. The cost of traffic estimates and of engineering data;
4. The cost of engineering and legal expenses;
5. The cost of plans, specifications and surveys, and estimates of cost and of revenues; and
6. Other expenses necessary or incident to determining the feasibility or practicability of the enterprises, administrative expenses, and such other expenses as may be necessary or incident to the financing authorized in this chapter and the acquisition of the project and the placing of the project in operation.

"Cost of the project," as applied to a project to be constructed, includes:

1. The cost of construction;
2. The cost of all lands, properties, rights, easements, and franchises acquired that are deemed necessary for such construction;
3. The cost of acquiring by purchase or condemnation any ferry that is deemed by the Board to be competitive with any bridge to be constructed;
4. The cost of all machinery and equipment;
5. The cost of financing charges and interest prior to construction, during construction, and for one year after completion of construction;
6. The cost of traffic estimates and of engineering data;
7. The cost of engineering and legal expenses;
8. The cost of plans, specifications and surveys, estimates of cost and of revenues; and
9. Other expenses necessary or incident to determining the feasibility or practicability of the enterprise, administrative expenses, and such other expenses as may be necessary or incident to the financing authorized in this chapter, the construction of the project, the placing of the project in operation, and the condemnation of property necessary for such construction and operation.

"Improvements" means those repairs to, replacements of, additions to, and betterments of a project acquired by purchase or by condemnation as are deemed necessary to place it in a safe and efficient condition for the use of the public, if such repairs, replacements, additions, and betterments are ordered prior to the sale of any bonds for the acquisition of such project.

"Owner" includes all individuals, incorporated companies, partnerships, societies, and associations having any title or interest in any property rights, easements, or franchises authorized to be acquired by this chapter.

"Project" means any one or more of the following:

1. The York River Bridges, extending from a point within Yorktown in York County or within York County across the York River to Gloucester Point or some point in Gloucester County.
2. The Rappahannock River Bridge, extending from Greys Point, or its vicinity, in Middlesex County, across the Rappahannock River to a point in the vicinity of White Stone, in Lancaster County, or at some other feasible point in the general vicinity of the two respective points.
3. The James River Bridge, from a point at or near Jamestown, in James City County, across the James River to a point in Surry County.
4. The James River, Chuckatuck, and Nansemond River Bridges, together with necessary connecting roads, in the Cities of Newport News and Suffolk and the County of Isle of Wight.
5. The Hampton Roads Bridge-Tunnel or Bridge and Tunnel System, extending from a point or points in the Cities of Newport News and Hampton on the northwest shore of Hampton Roads across Hampton Roads to a point or points in the City of Norfolk or Suffolk on the southeast shore of Hampton Roads.
6. Interstate 264, extending from a point in the vicinity of the intersection of Interstate Route 64 and U.S. Route 58 at Norfolk to some feasible point between London Bridge and U.S. Route 60.
7. The Henrico-James River Bridge, extending from a point on the eastern shore of the James River in Henrico County to a point on the western shore, between Falling Creek and Bells Road interchanges of Interstate 95; however, the project shall be deemed to include all property, rights, easements, and franchises relating to this project and deemed necessary or convenient for its operation, including its approaches.

8. *The limited access highway between the Newport News/Williamsburg International Airport area and the Newport News downtown area, which generally runs parallel to tracks of the Chesapeake and Ohio Railroad.*

9. *Transportation improvements in the Dulles Corridor, with an eastern terminus of the East Falls Church Metrorail station at Interstate 66 and a western terminus of Virginia Route 772 in Loudoun County, including without limitation the Dulles Toll Road; the Dulles Access Road; outer roadways adjacent or parallel thereto; mass transit, including rail; bus rapid transit; and capacity-enhancing treatments such as high-occupancy vehicle lanes, high-occupancy toll lanes, interchange improvements, commuter parking lots, and other transportation management strategies.*

10. *Subject to the limitations and approvals of § 33.2-1712, any other highway for a primary highway transportation improvement district or transportation service district that the Board has agreed to finance under a contract with any such district or any other alternative mechanism for generation of local revenues for specific funding of a project satisfactory to the Board, the financing for which is to be secured by Transportation Trust Fund revenues under any appropriation made by the General Assembly for that purpose and payable first from revenues received under such contract or other local funding source; second, to the extent required, from funds appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project is located or to the county or counties in which the project is located; and third, to the extent required from other legally available revenues of the Transportation Trust Fund and from any other available source of funds.*

11. *The U.S. Route 58 Corridor Development Program projects as defined in §§ 33.2-2300 and 33.2-2301.*

12. *The Northern Virginia Transportation District Program as defined in §§ 33.2-2400 and 33.2-2401.*

13. *Any program for highways or mass transit or transportation facilities endorsed by the affected localities, which agree that certain distributions of state recordation taxes will be dedicated and used for the payment of any bonds or other obligations, including interest thereon, the proceeds of which were used to pay the cost of the program. Any such program shall be referred to as a "Transportation Improvement Program."*

14. *Any project designated from time to time by the General Assembly financed in whole or part through the issuance of Commonwealth of Virginia Federal Highway Reimbursement Anticipation Notes.*

15. *Any project authorized by the General Assembly financed in whole or in part by funds from the Priority Transportation Fund established pursuant to § 33.2-1527 or from the proceeds of bonds whose debt service is paid in whole or in part by funds from such Fund.*

16. *Any project identified by the Board to be financed in whole or in part through the issuance of Commonwealth of Virginia Federal Transportation Grant Anticipation Revenue Notes.*

"Revenues" includes tolls and any other moneys received or pledged by the Board pursuant to this chapter, including legally available Transportation Trust Fund revenues and any federal highway reimbursements and any other federal highway assistance received by the Commonwealth.

"Toll project" means a project financed in whole or in part through the issuance of revenue bonds that are secured by toll revenues generated by the project.

"Undertaking" means all of the projects authorized to be acquired or constructed under this chapter.

§ 33.2-1701. General powers of Commonwealth Transportation Board.

The Board may, subject to the provisions of this chapter:

1. *Acquire by purchase or by condemnation, construct, improve, operate, and maintain any one or more of the projects mentioned and included in the undertaking as defined in § 33.2-1700;*

2. *Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of Virginia Toll Revenue Bonds," payable from earnings and from any other available sources of funds, to pay the cost of such projects;*

3. *Subject to the limitations and approvals of § 33.2-1712, issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of Virginia Transportation Contract Revenue Bonds," secured by Transportation Trust Fund revenues under a payment agreement between the Board and the Treasury Board, subject to their appropriation by the General Assembly and payable first from revenues received pursuant to contracts with a primary highway transportation improvement district or transportation service district or other local revenue sources for which specific funding of any such bonds may be authorized by law; second, to the extent required, from funds appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project to be financed is located or to the county or counties in which the project to be financed is located; and third, to the extent required, from other legally available revenues of the Transportation Trust Fund and from any other available source of funds;*

4. *Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of Virginia Transportation Revenue Bonds," secured (i) by revenues received from the U.S. Route 58 Corridor Development Fund, subject to their appropriation by the General Assembly; (ii) to the extent required, from revenues legally available from the Transportation Trust Fund; and (iii) to the extent required, from any other legally available funds that have been appropriated by the General Assembly;*

5. *Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of Virginia Transportation Revenue Bonds," secured, subject to their appropriation by the General Assembly, (i) first from revenues received from the Northern Virginia Transportation District Fund; (ii) to the extent required, from funds appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project to be financed is located or to the city or county in which the project to be financed is located; (iii) to the extent*

required, from legally available revenues of the Transportation Trust Fund; and (iv) from such other funds that may be appropriated by the General Assembly;

6. Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of Virginia Transportation Program Revenue Bonds," secured, subject to their appropriation by the General Assembly, (i) first from any revenues received from any Set-aside Fund established by the General Assembly pursuant to § 58.1-816.1; (ii) to the extent required, from revenues received pursuant to any contract with a locality or any alternative mechanism for generation of local revenues for specific funding of a project satisfactory to the Board; (iii) to the extent required, from funds appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project to be financed is located or to the city or county in which the project to be financed is located; (iv) to the extent required, from legally available revenues of the Transportation Trust Fund; and (v) from such other funds that may be appropriated by the General Assembly. No bonds for any project shall be issued under the authority of this subdivision unless such project is specifically included in a bill or resolution passed by the General Assembly;

7. Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of Virginia Transportation Program Revenue Bonds," secured, subject to their appropriation by the General Assembly, (i) first from any revenues received from the Commonwealth Transit Capital Fund established by the General Assembly pursuant to subdivision A 4 c of § 58.1-638; (ii) to the extent required, from legally available revenues of the Transportation Trust Fund; and (iii) from such other funds that may be appropriated by the General Assembly. No bonds for any project shall be issued under the authority of this subdivision unless such project is specifically included in a bill or resolution passed by the General Assembly;

8. Issue revenue bonds of the Commonwealth from time to time to be known and designated as "Commonwealth of Virginia Federal Highway Reimbursement Anticipation Notes," secured, subject to their appropriation by the General Assembly, (i) first from any federal highway reimbursements and any other federal highway assistance received from time to time by the Commonwealth; (ii) then, at the discretion of the Board, to the extent required, from legally available revenues of the Transportation Trust Fund; and (iii) then from such other funds, if any, that are designated by the General Assembly for such purpose;

9. Issue revenue bonds of the Commonwealth from time to time to be known and designated as "Commonwealth of Virginia Credit Assistance Revenue Bonds," secured, subject to their appropriation by the General Assembly, solely from revenues with respect to or generated by the project being financed thereby and any tolls or other revenues pledged by the Board as security therefor and in accordance with the applicable federal credit assistance authorized with respect to such project by the U.S. Department of Transportation;

10. Issue revenue bonds of the Commonwealth to be known and designated as "Commonwealth of Virginia Transportation Capital Projects Revenue Bonds," secured, subject to their appropriation by the General Assembly, (i) from the revenues deposited into the Priority Transportation Fund established pursuant to § 33.2-1527; (ii) to the extent required, from revenues legally available from the Transportation Trust Fund; and (iii) to the extent required, from any other legally available funds;

11. Issue grant anticipation notes of the Commonwealth from time to time to be known and designated as "Commonwealth of Virginia Federal Transportation Grant Anticipation Revenue Notes," secured, subject to their appropriation by the General Assembly, (i) first from the project-specific reimbursements pursuant to § 33.2-1520; (ii) then, at the discretion of the Board, to the extent required, from legally available revenues of the Transportation Trust Fund; and (iii) then from such other funds, if any, that are designated by the General Assembly for such purpose;

12. Fix and collect tolls and other charges for the use of such projects or to refinance the cost of such projects;

13. Construct grade separations at intersections of any projects with public highways, railways, or streets and adjust the lines and grades thereof so as to accommodate the same to the design of such grade separations, the cost of such grade separations and any damage incurred in adjusting the lines and grades of such highways, railways, or streets to be ascertained and paid by the Board as a part of the cost of the project;

14. Vacate or change the location of any portion of any public highway and reconstruct the same at such new location as the Board deems most favorable for the project and of substantially the same type and in as good condition as the original highway, the cost of such reconstruction and any damage incurred in vacating or changing the location thereof to be ascertained and paid by the Board as a part of the cost of the project. Any public highway vacated or relocated by the Board shall be vacated or relocated in the manner provided by law for the vacation or relocation of public highways, and any damages awarded on account thereof may be paid by the Board as a part of the cost of the project;

15. Make reasonable regulations for the installation, construction, maintenance, repair, renewal, and relocation of pipes, mains, sewers, conduits, cables, wires, towers, poles, and other equipment and appliances, referred to in this subdivision as "public utility facilities," of the Commonwealth and of any locality, political subdivision, public utility, or public service corporation owning or operating the same in, on, along, over, or under the project. Whenever the Board determines that it is necessary that any such public utility facilities should be relocated or removed, the Commonwealth or such locality, political subdivision, public utility, or public service corporation shall relocate or remove the same in accordance with the order of the Board. The cost and expense of such relocation or removal, including the cost of installing such public utility facilities in a new location or locations, the cost of any lands or any rights or interests in lands, and any other rights acquired to accomplish such relocation or removal, shall be ascertained by the Board.

On any toll project, the Board shall pay the cost and expense of relocation or removal as a part of the cost of the project for those public utility facilities owned or operated by the Commonwealth or such locality, political subdivision, public utility, or public service corporation. On all other projects under this chapter, the Board shall pay the cost and expense of relocation or removal as a part of the cost of the project for those public utility facilities owned or operated by the Commonwealth or such locality or political subdivision. The Commonwealth or such locality, political subdivision, public utility, or public service corporation may maintain and operate such public utility facilities with the necessary appurtenances in the new location for as long a period and upon the same terms and conditions as it had the right to maintain and operate such public utility facilities in their former location;

16. Acquire by the exercise of the power of eminent domain any lands, property, rights, rights-of-way, franchises, easements, and other property, including public lands, parks, playgrounds, reservations, highways, or parkways, or parts thereof or rights therein, of any locality or political subdivision, deemed necessary or convenient for the construction or the efficient operation of the project or necessary in the restoration, replacement, or relocation of public or private property damaged or destroyed.

The cost of such projects shall be paid solely from the proceeds of Commonwealth of Virginia Toll or Transportation Contract Revenue Bonds or a combination thereof or from such proceeds and from any grant or contribution that may be made thereto pursuant to the provisions of this chapter;

17. Notwithstanding any provision of this chapter to the contrary, the Board shall be authorized to exercise the powers conferred in this chapter, in addition to its general powers to acquire rights-of-way and to construct, operate, and maintain state highways, with respect to any project that the General Assembly has authorized or may hereafter authorize to be financed in whole or in part through the issuance of bonds of the Commonwealth pursuant to the provisions of Article X, Section 9 (c) of the Constitution of Virginia; and

18. Enter into any agreements or take such other actions as the Board determines in connection with applying for or obtaining any federal credit assistance, including without limitation loan guarantees and lines of credit, pursuant to authorization from the U.S. Department of Transportation with respect to any project included in the Commonwealth's long-range transportation plan and the approved State Transportation Improvement Program.

§ 33.2-1702. Acquisition and construction of projects.

The Board shall acquire or construct, under the provisions of this chapter, each of the projects included in the undertaking at the earliest dates deemed by the Board to be feasible for the acquisition or construction of each project and its financing under this chapter.

§ 33.2-1703. Purchase of projects.

The Board may acquire by purchase, whenever it deems such purchase expedient, any of the projects set forth in the definition of "project" in § 33.2-1700, upon such terms and at such prices as may be reasonable and can be agreed upon between the Board and the owner thereof, title thereto to be taken in the name of the Commonwealth. The Board shall issue revenue bonds of the Commonwealth as provided in this chapter to pay the cost of such acquisition.

§ 33.2-1704. Condemnation of projects and property.

A. Whenever a reasonable price cannot be agreed upon or whenever the owner is legally incapacitated, absent, unable to convey valid title, or unknown, the Board may acquire by condemnation any project contemplated by § 33.2-1703 or interest therein and any lands, rights, easements, franchises, and other property deemed necessary or convenient for the improvement or the efficient operation of any project acquired or constructed under this chapter, or for the purpose of constructing any project or portion thereof pursuant to this chapter, or for securing a right-of-way leading to any such project or its approaches, in the manner provided in this chapter. Such condemnation proceedings shall be conducted and the compensation to be paid shall be ascertained and paid in the manner provided by law with reference to the condemnation of property by the Board for state highway purposes.

B. Title to any property condemned by the Board shall be taken in the name of the Commonwealth. The Commonwealth shall be under no obligation to accept and pay for any property condemned or any cost incidental to any condemnation proceedings and shall not pay for the same except from the funds provided by this chapter; and in any condemnation proceedings, the court having jurisdiction of the suit, action, or proceeding may make such orders as may be just to the Commonwealth and to the owners of the property to be condemned and may require an undertaking or other security to secure such owners against any loss or damage to be sustained by reason of the failure of the Commonwealth to accept and pay for the property, but such undertaking or security shall impose no liability upon the Commonwealth, except such as may be paid from the funds provided under the authority of this chapter; provided that condemnation shall not lie in any case when the Commonwealth, in granting a franchise to any project named in this chapter, has stipulated the terms upon which it may acquire such project.

§ 33.2-1705. Improvement of projects acquired.

The Board, at or before the time any such project is acquired by purchase or by condemnation, shall determine what repairs, replacements, additions, or betterments will be necessary to place the project in safe and efficient condition for the use of the public and shall cause an estimate of the cost of such improvement to be made. The Board shall authorize such improvements before the sale of any revenue bonds for the acquisition of such project, and the cost of such improvements shall be paid for out of the proceeds of such bonds.

§ 33.2-1706. Construction of projects.

The Board may construct, whenever it deems such construction expedient, any of the projects set forth in the definition of "project" in § 33.2-1700. The Board may purchase within the Commonwealth, solely from funds provided under the authority of this chapter, such lands, structures, rights-of-way, franchises, easements, and other interests in lands, including lands under water and riparian rights of any person, partnership, association, railroad or other corporation, or municipality or political subdivision, deemed necessary for the construction of any project, upon such terms and at such prices as may be considered by it to be reasonable and can be agreed upon between it and the owner thereof and may take title thereto in the name of the Commonwealth. The Commonwealth hereby consents to the use of all lands lying under water that are within the Commonwealth and are necessary for the construction and operation of any project and the approaches and appurtenances thereto that may be constructed under the provisions of this chapter. All public or private property damaged or destroyed in carrying out the powers granted hereunder shall be restored or repaired and placed in the original condition, as nearly as practicable, or adequate compensation made therefor, out of funds provided under the authority of this chapter.

§ 33.2-1707. Highway connections.

Upon the letting of a contract for the construction of a project under the provisions of this chapter, the Board shall proceed with the construction of any highways that may be necessary to connect the project with state highways in the Commonwealth and to complete the construction of the connecting highways on or before the date the project is opened for traffic.

§ 33.2-1708. Revenue bonds.

The Board may provide by resolution, at one time or from time to time, for the issuance of revenue bonds, notes, or other revenue obligations of the Commonwealth for the purpose of paying all or any part of the cost, as defined in § 33.2-1700, of any one or more projects, as defined in § 33.2-1700. The principal or purchase price of, and redemption premium, if any, and interest on such obligations shall be payable solely from the special funds herein provided for such payment. For the purposes of this section, "special funds" includes any funds established for Commonwealth of Virginia Toll Revenue Bonds, Commonwealth of Virginia Transportation Contract Revenue Bonds, Commonwealth of Virginia Transportation Revenue Bonds, Commonwealth of Virginia Federal Highway Reimbursement Anticipation Notes, or Commonwealth of Virginia Federal Transportation Grant Anticipation Revenue Notes.

§ 33.2-1709. Credit of Commonwealth not pledged.

A. Commonwealth of Virginia Toll Revenue Bonds issued under the provisions of this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such bonds shall be payable solely from the funds provided therefor from tolls and revenues pursuant to this chapter, from bond proceeds or earnings thereon, and from any other available sources of funds. All such bonds shall state on their face that the Commonwealth is not obligated to pay the same or the interest thereon except from the special fund provided therefor from tolls and revenues under this chapter, from bond proceeds or earnings thereon, and from any other available sources of funds, and that the full faith and credit of the Commonwealth are not pledged to the payment of the principal or interest of such bonds. The issuance of such revenue bonds under the provisions of this chapter shall not directly or indirectly or contingently obligate the Commonwealth to levy or to pledge any form of taxation whatever therefor or to make any appropriation for their payment, other than appropriate available funds derived as revenues from tolls and charges under this chapter or derived from bond proceeds or earnings thereon and from any other available sources of funds.

B. Commonwealth of Virginia Transportation Contract Revenue Bonds issued under the provisions of this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such bonds shall be payable solely from the funds provided therefor pursuant to this chapter (i) from revenues received pursuant to contracts with a primary highway transportation district or transportation service district or any other alternative mechanism for generation of local revenues for specific funding of a project satisfactory to the Board; (ii) to the extent required, from funds appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project to be financed is located or to the county or counties in which such project is located; (iii) from bond proceeds or earnings thereon; (iv) to the extent required, from other legally available revenues of the Transportation Trust Fund; and (v) from any other available source of funds. All such bonds shall state on their face that the Commonwealth is not obligated to pay the same or the interest thereon except from revenues in clauses (i) and (iii) and that the full faith and credit of the Commonwealth are not pledged to the payment of the principal and interest of such bonds. The issuance of such revenue bonds under the provisions of this chapter shall not directly or indirectly or contingently obligate the Commonwealth to levy or to pledge any form of taxation whatever or to make any appropriation for their payment, other than to appropriate available funds derived as revenues under this chapter from the sources set forth in clauses (i) and (iii). Nothing in this chapter shall be construed to obligate the General Assembly to make any appropriation of the funds set forth in clause (ii) or (iv) for payment of such bonds.

C. Commonwealth of Virginia Transportation Revenue Bonds issued under the provisions of this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such bonds shall be payable solely from the funds provided therefor pursuant to this chapter (i) from revenues received from the U.S. Route 58 Corridor Development Fund established pursuant to § 33.2-2300, subject to their appropriation by the

General Assembly; (ii) to the extent required, from revenues legally available from the Transportation Trust Fund; and (iii) to the extent required, from any other legally available funds that may be appropriated by the General Assembly.

D. Commonwealth of Virginia Transportation Revenue Bonds issued under this chapter for Category 1 projects as provided in subdivision 12 of the definition of "project" in § 33.2-1700 shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth. Such bonds shall be payable solely, subject to their appropriation by the General Assembly, (i) first from revenues received from the Northern Virginia Transportation District Fund established pursuant to § 33.2-2400; (ii) to the extent required, from funds appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project to be financed is located or to the city or county in which the project to be financed is located; (iii) to the extent required, from legally available revenues of the Transportation Trust Fund; and (iv) from such other funds that may be appropriated by the General Assembly.

E. Commonwealth of Virginia Transportation Program Revenue Bonds issued under this chapter for projects defined in subdivision 13 of the definition of "project" in § 33.2-1700 shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth. Such bonds shall be payable solely, subject to their appropriation by the General Assembly, (i) first from any revenues received from any Set-aside Fund established by the General Assembly pursuant to § 58.1-816.1; (ii) to the extent required, from revenues received pursuant to any contract with a locality or any alternative mechanism for generation of local revenues for specific funding of a project satisfactory to the Board; (iii) to the extent required, from funds appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project to be financed is located or to the city or county in which the project to be financed is located; (iv) to the extent required, from legally available revenues from the Transportation Trust Fund; and (v) from such other funds that may be appropriated by the General Assembly.

F. Commonwealth of Virginia Federal Highway Reimbursement Anticipation Notes issued under this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such obligations shall be payable solely, subject to appropriation by the General Assembly, (i) first from any federal highway reimbursements and any other federal highway assistance received by the Commonwealth; (ii) then, at the discretion of the Board, to the extent required, from legally available revenues of the Transportation Trust Fund; and (iii) then, from such other funds, if any, that are designated by the General Assembly for such purpose.

G. Commonwealth of Virginia Transportation Credit Assistance Revenue Bonds issued under the provisions of this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such obligations shall be payable solely, subject to appropriation by the General Assembly, from revenues with respect to or generated by the project being financed thereby and any tolls or other revenues pledged by the Board as security therefor and in accordance with the applicable federal credit assistance authorized with respect to such project by the U.S. Department of Transportation.

H. Commonwealth of Virginia Transportation Capital Projects Revenue Bonds issued under the provisions of this chapter for projects as provided in subdivision 15 of the definition of "project" in § 33.2-1700 shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such bonds shall be payable solely, subject to their appropriation by the General Assembly, (i) from the revenues deposited into the Priority Transportation Fund established pursuant to § 33.2-1527; (ii) to the extent required, from revenues legally available from the Transportation Trust Fund; and (iii) to the extent required, from any other legally available funds.

I. Commonwealth of Virginia Federal Transportation Grant Anticipation Revenue Notes issued under the provisions of Article 4 (§ 33.2-1511 et seq.) of Chapter 15 and this chapter shall not be deemed to constitute a debt of the Commonwealth or a pledge of the full faith and credit of the Commonwealth, but such notes shall be payable solely, subject to their appropriation by the General Assembly, (i) first from the project-specific reimbursements pursuant to § 33.2-1520; (ii) then, at the discretion of the Board, to the extent required, from legally available revenues of the Transportation Trust Fund; and (iii) then from such other funds, if any, that are designated by the General Assembly for such purpose.

§ 33.2-1710. Form and terms of bonds.

The bonds of such issue shall be dated, shall bear interest at such rate or rates, and shall mature at such time or times, not exceeding 40 years from their date or dates, as may be determined by the Board or by formula or method established by resolution of the Board, and may be made redeemable before maturity, at the option of the Board, at such price or prices and under such terms and conditions as may be fixed by the Board prior to the issuance of the bonds. The principal or purchase price of and redemption premium, if any, and interest on such bonds may be made payable in any lawful medium. The payments of principal and interest may be uniform in amount over the life of the bond; however, such uniformity shall not be a prerequisite to the issuance of such bonds. The Board shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest thereof, which may be at any bank or trust company within or without the Commonwealth. The bonds shall be signed by the chairman or vice-chairman of the Board, and the official seal of the Board shall be affixed thereto and attested by the secretary or assistant secretary of the Board, and any coupons attached thereto shall bear the facsimile signatures of the chairman or vice-chairman of the Board. When any officer whose signature appears on the bonds or coupons ceases to be such officer before the delivery of such bonds, such signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery. All revenue bonds issued under the provisions of this chapter shall have and are hereby declared to have, as between successive holders, all the

qualities and incidents of negotiable instruments under the negotiable instruments law of the Commonwealth. Such bonds and the income thereof shall be exempt from all taxation within the Commonwealth. The bonds may be issued in coupon or in registered form, or both, as the Board may determine, and provision may be made for the registration of any coupon bond as to principal alone and also as to both principal and interest and for the reconversion of any bonds registered as to both principal and interest into coupon bonds. Prior to the preparation of definite bonds, the Board, under like restrictions, may issue temporary bonds with or without coupons, exchangeable for definitive bonds upon the issuance of the latter. The Board may also provide for the replacement of any bond that is mutilated, destroyed, or lost.

§ 33.2-1711. No other prerequisites to issue of bonds.

Such revenue bonds may be issued without any other proceedings or the happening of any other conditions or things than those proceedings, conditions, and things that are specified and required by this chapter.

§ 33.2-1712. Limitations and approvals for certain revenue bonds.

No bonds payable from the Transportation Trust Fund revenues under a payment agreement between the Board and the Treasury Board and payable first from revenues of that Fund received pursuant to contracts with a primary highway transportation improvement district or a transportation service district shall be issued unless specifically included in a bill or resolution passed by the General Assembly. The Treasury Board is designated the sales and paying agent of the Board with respect to such bonds.

§ 33.2-1713. Sale of bonds; bonds as legal investments.

The Board may sell such bonds in such manner and for such price as it may determine to be for the best interests of the Commonwealth, but no such sale shall be made at a price so low as to require the payment of interest on the money received therefor at more than the maximum annual percentage rate approved by the Commonwealth Treasury Board with respect to such obligations in accordance with § 2.2-2416.

All bonds issued pursuant to the authority of this chapter are hereby made securities in which all public officers and bodies of the Commonwealth and all political subdivisions thereof; all insurance companies and associations, all national banks and trust companies, and all savings institutions, including savings and loan associations, in the Commonwealth; and all executors, administrators, trustees, and other fiduciaries, both individual or corporate, may properly and legally invest funds within their control.

§ 33.2-1714. Use of proceeds of sale of bonds.

The proceeds of such bonds shall be used solely for the payment of the cost of the project for which they are issued and shall be disbursed by the Board under such restrictions, if any, as the Board may provide. If the proceeds of the bonds of any issue, by error of estimates or otherwise, shall be less than the cost of the project on account of which such bonds are issued, additional bonds may in like manner be issued to provide the amount of such deficit and unless otherwise provided in the resolution authorizing the issuance of the bonds or in the trust indenture pursuant to § 33.2-1717 shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same project. If the proceeds of bonds issued for any project exceeds the cost thereof, the surplus shall be paid into the fund provided in this chapter for the payment of principal and interest of such bonds.

§ 33.2-1715. Financing two or more projects together.

The Board may, in its discretion, couple or unite into one unit for financing purposes any two or more such projects, whether acquired by purchase or condemnation or constructed, and revenue bonds of a single issue may be issued for the purpose of paying the cost of any one or more projects, unless otherwise restricted by statute.

§ 33.2-1716. All moneys to be trust funds.

All moneys received pursuant to the authority of this chapter, whether as proceeds from the sale of revenue bonds, as grants or other contributions, or as tolls and revenues, shall be held and applied solely as provided in this chapter. The Board shall, in the resolution authorizing the issuance of bonds or in the trust indenture, provide for the payment of the proceeds of the sale of the bonds and the tolls and revenues to be received into the state treasury and carried on the books of the Comptroller in a special account and may provide for the turning over, transfer, or paying over of such funds from the state treasury to any officer, agency, bank, or trust company who shall act as trustee of such funds and hold and apply the same to the purposes of this chapter, subject to such regulations as this chapter and such resolution or trust indenture may provide.

Disbursements and payments of moneys so paid into the state treasury shall be made by the State Treasurer upon warrants of the State Comptroller that he shall issue upon vouchers signed by such person or persons as shall be designated by the Board for such purpose.

§ 33.2-1717. Trust indenture.

In the discretion of the Board, each or any issue of revenue bonds may be secured by a trust indenture by and between the Board and a corporate trustee, which may be any trust company or bank having trust powers within or outside of the Commonwealth. Such trust indenture may pledge tolls and revenues to be received, but no such trust indenture shall convey or mortgage any project or any part thereof. Either the resolution providing for the issuance of revenue bonds or such trust indenture may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Board in relation to the acquisition, construction, improvement, maintenance, operation, repair, and insurance of the projects and the custody, safeguarding, and application of all moneys. Such resolution or trust indenture may also provide that the project shall be

acquired, or acquired and improved, or constructed, and paid for under the supervision and approval of consulting engineers employed or designated by the Board and satisfactory to the original purchasers of the bonds issued therefor and may also require that the security given by contractors and by any depository of the proceeds of the bonds or revenues of the project or other moneys pertaining thereto be satisfactory to such purchasers. Any bank or trust company within or without the Commonwealth may act as such depository and furnish such indemnifying bonds or pledge such securities as may be required by the Board. Such indenture may set forth the rights and remedies of the bondholders and of the trustee and may restrict the individual right of action of bondholders as is customary in trust indentures securing bonds and debentures of corporations. In addition to the foregoing, such trust indenture may contain such other provisions as the Board may deem reasonable and proper for the security of the bondholders. Except as otherwise provided in this chapter, the Board may provide, by resolution or by such trust indenture, that after the payment of the proceeds of the sale of the bonds and the revenues of the project into the state treasury the Board will immediately transfer or pay same over to such officer, board, or depository as it may determine for the custody thereof and for the method of disbursement thereof, with such safeguards and restrictions as it may determine. All expenses incurred in carrying out such trust indenture may be treated as a part of the cost of maintenance, operation, and repairs of the project affected by such indenture.

§ 33.2-1718. Revenues.

The Board shall fix and revise as may be necessary tolls for the use of each project for which bonds are issued or proposed to be issued under the provisions of this chapter and shall charge and collect the same and may contract with any person, partnership, association, or corporation desiring the use of such project, approaches, and appurtenances, and any part thereof, for placing thereon water, gas, or oil pipelines or telephone, telegraph, electric light, or power lines, or for any other purpose, and may fix the terms, conditions, and rates and charges for such use. Such tolls shall be so fixed and adjusted, in respect of the aggregate of tolls from the project on account of which a single issue of bonds is issued under this chapter, as to provide a fund sufficient with other revenues of such project, if any, to pay (i) the cost of maintaining, repairing, and operating such project unless such cost shall be otherwise provided for and (ii) such bonds and the interest thereon as the same shall become due. Such tolls shall not be subject to supervision or regulation by any other state commission, board, bureau, or agency. Except for those persons exempted by § 33.2-613, it shall be unlawful for the Department or any Department employee to give or permit free passage over any project set forth in the definition of "project" in § 33.2-1700 that has been secured through the issuance of revenue bonds and which bonds are payable from the revenues of such project. Every vehicle and person shall pay the same toll as others similarly situated. Except as provided in § 33.2-613, the provisions in this section shall apply with full force and effect to vehicles and employees of the state government and governments of counties, cities, and towns or other political subdivisions and to vehicles and persons of all other categories and descriptions, public, private, eleemosynary, or otherwise.

§ 33.2-1719. Reserve funds and appropriations.

A. In connection with the Commonwealth of Virginia Transportation Contract Revenue Bonds, the Board may create and establish one or more special funds (reserve funds) and shall pay into each such reserve fund from bond proceeds and any moneys appropriated and made available by the Commonwealth for the purpose of such fund and from any other moneys that may be made available to the Board for the purpose of such fund from any other source or sources. All moneys held in any reserve fund shall be used as required solely for the payment of the principal and interest of Commonwealth of Virginia Transportation Contract Revenue Bonds.

B. In order to further ensure maintenance of the reserve fund, the Commissioner of Highways shall annually, on or before December 1, make and deliver to the Governor and Director of the Department of Planning and Budget his certificate stating the sum, if any, required to restore each such reserve fund to the minimum reserve fund requirement for such fund as may be established by the Board. Within five days after the beginning of each regular session of the General Assembly, the Governor shall submit to the presiding officer of each house printed copies of a budget including the sum, if any, required to restore each such reserve fund to the minimum reserve fund requirement for such fund. All sums appropriated by the General Assembly for such restoration and paid shall be deposited by the Board in the applicable reserve fund and shall be deducted from amounts otherwise allocable pursuant to the highway allocation formula as provided by law to the highway construction district in which the project is located or to the county or counties in which the project financed is located.

§ 33.2-1720. Sinking fund.

The tolls and all other revenues derived from the project for which a single issue of bonds is issued, except such part thereof as may be required to pay the cost of maintaining, repairing, and operating such project and to provide such reserves therefor as may be provided for in the resolution authorizing the issuance of such bonds or in the trust indenture, shall be set aside at such regular intervals as may be provided in such resolution or such trust indenture, in a sinking fund that is hereby pledged to and charged with the payment of (i) the interest upon such bonds as such interest shall fall due, (ii) the principal of the bonds as the same shall fall due, (iii) the necessary charges of paying agents for paying principal and interest, and (iv) any premium upon bonds retired by call or purchase as provided in this section.

The use and disposition of such sinking fund shall be subject to such regulations as may be provided in the resolution authorizing the issuance of the bonds or in the trust indenture but, except as may otherwise be provided in such resolution or trust indenture, such sinking fund shall be a fund for all such bonds without distinction or priority of one over another. Subject to the provisions of the resolution authorizing the issuance of the bonds or of the trust indenture, any moneys in such sinking fund in excess of an amount equal to one year's interest on all bonds then outstanding may be applied to the

purchase or redemption of bonds. All bonds so purchased or redeemed shall forthwith be cancelled and shall not again be issued.

§ 33.2-1721. Cessation of tolls.

When the particular revenue bonds issued for any project and the interest thereon have been paid, or a sufficient amount has been provided for their payment and continues to be held for that purpose, the Board shall cease to charge tolls for the use of such project and thereafter such project shall be free; however, the Board may thereafter charge tolls for the use of any such project when tolls are required for maintaining, repairing, operating, improving, and reconstructing such project; when such tolls have been or are pledged by the Board to the payment of revenue bonds issued under the provisions of this chapter for another project on approval of the General Assembly; or when such tolls are designated by the Board to be deposited into the Transportation Trust Fund. However, any such pledge of tolls of a project to the payment of bonds issued for another project shall not be effective until the principal and interest of the bonds issued for the first mentioned project has been paid or provision made for their payment.

The provisions of this section shall also apply to tolls on projects constructed pursuant to (i) the Chesapeake Bay Bridge and Tunnel District and Commission established in Chapter 22 (§ 33.2-2200 et seq.) and (ii) the Richmond Metropolitan Authority established in Chapter 29 (§ 33.2-2900 et seq.), provided their governing bodies have acted as set forth in subdivision 3 of § 33.2-1524.

§ 33.2-1722. Use of certain funds by Board.

The Board may, in its discretion, use any part of funds available for the construction of state highways in any highway construction district in which any project authorized for toll revenue bond financing by the Board as described in § 33.2-1700 or by the Richmond Metropolitan Authority as established in Chapter 29 (§ 33.2-2900 et seq.) is wholly or partly located to aid in the payment of the cost of such projects and for the payment, purchase, or redemption of revenue bonds issued in connection with any such project, or in connection with any such project and any one or more other projects. The Board may also, in its discretion, use any part of funds available for the maintenance of state highways, in any highway construction district in which any such project is wholly or partly located, to provide for the operation, maintenance, and repair of any such project and for the payment of interest on revenue bonds issued in connection with any such project, or in connection with any such project and any one or more other projects. In addition, the Board may, in its discretion, use funds under the terms of this section for the emergency operation, maintenance, and repair of the project of the Chesapeake Bay Bridge and Tunnel District and Commission as established in Chapter 22 (§ 33.2-2200 et seq.) in the event of damage to the bridge under a repayment agreement approved by the bond trustee and may also pay to the Chesapeake Bay Bridge and Tunnel Commission, for aid in the maintenance of the project, the same amounts authorized by § 33.2-319 for payments for maintenance to certain towns and cities.

If the Board uses any part of the fund available to itself for the construction of highways in the primary state highway system without reference to highway construction districts, commonly called the "gap fund," for any purpose permitted by this section, it shall not expend in excess of three-eighths of the amount of such fund, including other amounts of such fund that may be expended in the three districts in which such projects are located, provided that in no case shall any of the funds of any highway construction district other than those in which the projects are located be used for the purposes of this chapter.

§ 33.2-1723. Contributions.

The Board, in addition to the revenues that may be received from the sale of revenue bonds and from the collection of tolls and other revenues derived under the provisions of this chapter, may receive and accept from any federal agency or other public or private body contributions of either money or property or other things of value, to be held, used, and applied for the purposes provided in this chapter.

§ 33.2-1724. Remedies of bondholders and trustee.

Any holder of revenue bonds issued under the provisions of this chapter or any of the coupons attached thereto and the trustee under the trust indenture, if any, except to the extent the rights herein given may be restricted by resolution passed before the issuance of the bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus, or other proceedings protect and enforce any and all rights under the laws of the United States or of the Commonwealth or granted hereunder or under such resolution or trust indenture and may enforce and compel performance of all duties required by this chapter, or by such resolution or trust indenture, to be performed by the Commonwealth or by the Board, or any officer thereof, including the fixing, charging, and collecting of tolls for the use of such project.

§ 33.2-1725. Competing bridges, ferries, and tunnels.

No bridge or tunnel other than those specified in § 33.2-1700 for the use of the traveling public shall be constructed and operated by the Commonwealth or by any county, municipal corporation, or political subdivision of the Commonwealth, or by any agency or instrumentality, partnership, association, or corporation, within 10 miles of any terminus of any project acquired or constructed under the provisions of this chapter, and no franchise shall be granted for the operation of a ferry within 10 miles of any projects for the acquisition or construction of which revenue bonds have been authorized under this chapter, except under a written permit granted by the Board, which is hereby exclusively authorized to grant such permits under the terms and conditions of this chapter. No such permit shall be granted by the Board until it ascertains by an investigation, including a hearing upon such notice and under such rules as the Board may prescribe, that there is an urgent public need for the operation of such bridge, tunnel, or ferry and that its operation will not affect the

revenues of any such project of the Commonwealth so as to impair the security of any revenue bonds issued for the acquisition or construction of such project.

The distance of 10 miles specified in this section shall be measured in a straight line between the nearest points of such projects. However, nothing in this chapter shall apply to an existing ferry route, temporarily discontinued, if the ferry was established prior to 1940.

§ 33.2-1726. Incidental powers of the Board.

The Board may make and enter into all contracts or agreements necessary or incidental to the execution of its powers under this chapter and may employ engineering, architectural, and construction experts and inspectors, brokers, and such other employees as may be deemed necessary, who shall be paid such compensation as may be provided in accordance with law. All such compensation and all expenses incurred in carrying out the provisions of this chapter shall be paid solely from funds provided under the authority of this chapter, and no liability or obligation shall be incurred pursuant to this chapter beyond the extent to which money has been provided under the authority of this chapter. The Board may exercise any powers that are necessary or convenient for the execution of its powers under this chapter.

The Board shall maintain and keep in good condition and repair, or cause to be maintained and kept in good condition and repair, the projects authorized under this chapter, when acquired or constructed and opened to traffic, including any project or part thereof that may include portions of existing streets or roads within a county, municipality, or other political subdivision.

The Board is authorized and empowered to establish regulations for the use of any one or more of the projects defined in § 33.2-1700, as amended, including reasonable regulations relating to (i) maximum and minimum speed limits applicable to motor vehicles using such project, any other provision of law to the contrary notwithstanding; (ii) the types, kinds, and sizes of vehicles that may use such projects; (iii) the nature, size, type of materials, or substances that shall not be transported over such project; and (iv) such other matters as may be necessary or expedient in the interest of public safety with respect to the use of such project, provided that as to the project authorized under the terms of subdivision 5 of the definition of "project" in § 33.2-1700, the provisions of clauses (i), (ii), (iii), and (iv) shall not apply to existing streets within a municipality and embraced by such project, except as may be otherwise agreed upon by the Board and the municipality.

The projects acquired or constructed under this chapter may be policed in whole or in part by State Police officers even though all or some portions of any such projects lie within the corporate limits of a municipality or other political subdivision. Such officers shall be under the exclusive control and direction of the Superintendent of State Police and shall be responsible for the preservation of public peace, prevention of crime, apprehension of criminals, protection of the rights of persons and property, and enforcement of the laws and regulations of the Commonwealth within the limits of any such projects. All other police officers of the Commonwealth and of each locality or other political subdivision through which any project, or portion thereof, extends shall have the same powers and jurisdiction within the limits of such projects as they have beyond such limits and shall have access to the projects at any time for the purpose of exercising such powers and jurisdiction.

The Board is authorized and empowered to employ and appoint "project guards" for the purpose of protecting the projects and to enforce the regulations of the Board, except those paralleling state law, established for the use of such projects. Such guards may issue summons to appear or arrest on view without warrant and conduct before the nearest officer authorized by law to admit to bail any persons violating, within or upon the projects, any such rule or regulation. The provisions of §§ 46.2-936 and 46.2-940 shall apply mutatis mutandis to the issuance of summons or arrests without warrants pursuant to this section.

The violation of any regulation adopted by the Board pursuant to the authority hereby granted shall be punishable as follows: If such violation would have been a violation of law if committed on any public street or highway in the county, city, or town in which such violation occurred, it shall be punishable in the same manner as if it had been committed on such public road, street, or highway; otherwise it shall be punishable as a misdemeanor.

The powers and duties of the Board enumerated in this chapter shall not be construed as a limitation of the general powers or duties of the Board. The Board, in addition to the powers and duties enumerated in this chapter, shall do and perform any and all things and acts necessary in the construction or acquisition, maintenance, and operation of any project to be constructed or acquired under the provisions of this chapter; to the end that such project may become and be operated free of tolls as early as possible and practicable, subject only to the express limitations of this chapter and the limitations of other laws and constitutional provisions applicable thereto.

§ 33.2-1727. Revenue refunding bonds and revenue bonds for combined purposes.

Notwithstanding any other provision of this chapter and without regard to any other restrictions or limitations contained in this chapter, the Board is authorized to provide by resolution (i) for the issuance of revenue refunding bonds of the Commonwealth for the purpose of refunding any revenue bonds issued under the provisions of this chapter and then outstanding, including interest to the earliest call date of such outstanding bonds and premiums, if any, payable on such call date, and (ii) for the issuance of a single issue of revenue bonds of the Commonwealth for the combined purpose of providing funds (a) to pay the cost of either or both of the projects described in subdivisions 2 and 5 of the definition of "project" in § 33.2-1700 in the event the Board has decided or shall decide to construct either or both of such projects under authority granted in this chapter and (b) to refund revenue bonds of the Commonwealth issued under the provisions of this chapter and then outstanding, including interest to the earliest call date of such outstanding bonds and premiums, if any, payable on such call date. For the purposes of this section, "project," in relation to the project described in subdivision 5 of

the definition of "project" in § 33.2-1700, includes approach highways thereto and bus facilities for the transportation of passengers through or over the project if the Board deems it advisable to construct such approach highways or acquire such bus facilities, and "cost of the project," in relation to the projects described in subdivisions 2 and 5 of the definition of "project" in § 33.2-1700, includes an amount sufficient to reimburse the Board for expenditures or advances made by the Board on account of the cost of either or both of the projects and, in relation to the project described in subdivision 5 of the definition of "project" in § 33.2-1700, includes provision of a sum deemed by the Board to be sufficient for the purpose and includes the cost of constructing approach highways and of providing bus facilities if the Board deems it expedient to construct such approach highways or acquire such facilities as a part of the project described in subdivision 5 of the definition of "project" in § 33.2-1700. In the event bonds are issued for the combined purpose set forth in clause (ii), such amount of the proceeds of such bonds as may be required, together with other funds available for such purpose, for the redemption of the outstanding bonds to be refunded shall be deposited by the Board in trust with the trustee under the trust indenture securing such outstanding bonds for the sole and exclusive purpose of paying and redeeming such bonds, and the balance of such proceeds shall be used solely for the payment of the cost of the project to be constructed.

The issuance of such bonds, the maturities and other details thereof, the rights of the holders thereof, and the duties of the Commonwealth and of the Board in respect to the same shall be governed by the provisions of this chapter as applicable.

§ 33.2-1728. Chapter provides alternative method.

This chapter shall be deemed to provide an additional and alternative method for actions authorized by this chapter and shall be regarded as supplemental and additional to powers conferred by other laws and shall not be regarded as in derogation of any existing powers.

§ 33.2-1729. Chapter liberally construed.

This chapter, being necessary for the welfare of the Commonwealth and its inhabitants, shall be liberally construed to effect the purposes hereof.

CHAPTER 18.

PUBLIC-PRIVATE TRANSPORTATION ACT OF 1995.

§ 33.2-1800. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Affected locality or public entity" means any county, city, or town in which all or a portion of a qualifying transportation facility is located and any other responsible public entity directly affected by the qualifying transportation facility.

"Commission" means the State Corporation Commission.

"Comprehensive agreement" means the comprehensive agreement between the private entity and the responsible public entity required by § 33.2-1808.

"Concession" means any lease, license, franchise, easement, or other binding agreement transferring rights for the use or control, in whole or in part, of a qualifying transportation facility by a responsible public entity to a private entity for a definite term during which the private entity will provide transportation-related services, including operations and maintenance, revenue collection, toll-collection enforcement, design, construction, and other activities that enhance throughput, reduce congestion, or otherwise manage the facility, in return for the right to receive all or a portion of the revenues of the qualifying transportation facility.

"Concession payment" means a payment from a private entity to a responsible public entity in connection with the development and/or operation of a qualifying transportation facility pursuant to a concession.

"Develop" or "development" means to plan, design, develop, finance, lease, acquire, install, construct, or expand.

"Interim agreement" means an agreement, including a memorandum of understanding or binding preliminary agreement, between the private entity and the responsible public entity that provides for completion of studies and any other activities to advance the development and/or operation of a qualifying transportation facility.

"Material default" means any default by the private entity in the performance of its duties under subsection E of § 33.2-1807 that jeopardizes adequate service to the public from a qualifying transportation facility and remains unremedied after the responsible public entity has provided notice to the private entity and a reasonable cure period has elapsed.

"Multimodal transportation facility" means a transportation facility consisting of multiple modes of transportation.

"Operate" or "operation" means to finance, maintain, improve, equip, modify, repair, or operate.

"Private entity" means any natural person, corporation, general partnership, limited liability company, limited partnership, joint venture, business trust, public benefit corporation, nonprofit entity, or other business entity.

"Public entity" means the Commonwealth and any agency or authority thereof; any county, city, or town; and any other political subdivision of any of the foregoing, but does not include any public service company.

"Qualifying transportation facility" means one or more transportation facilities developed and/or operated by a private entity pursuant to this chapter.

"Responsible public entity" means a public entity, including local governments and regional authorities, that has the power to develop and/or operate the qualifying transportation facility.

"Revenues" means all revenues, including income; earnings; user fees; lease payments; allocations; federal, state, regional, and local appropriations or the appropriations or other funds available to any political subdivision, authority, or

instrumentality thereof; bond proceeds; equity investments, service payments, or any combination thereof arising out of or in connection with supporting the development and/or operation of a qualifying transportation facility, including money received as grants or otherwise from the United States of America, from any public entity, or from any agency or instrumentality of the foregoing in aid of such facility.

"Service contract" means a contract entered into between a public entity and the private entity pursuant to § 33.2-1804.

"Service payments" means payments to the private entity in connection with the development and/or operation of a qualifying transportation facility pursuant to a service contract.

"State" means the Commonwealth of Virginia.

"Transportation facility" means any road, bridge, tunnel, overpass, ferry, airport, mass transit facility, vehicle parking facility, port facility, or similar commercial facility used for the transportation of persons or goods, together with any buildings, structures, parking areas, appurtenances, and other property needed to operate such facility; however, "transportation facility" does not include a commercial or retail use or enterprise not essential to the transportation of persons or goods.

"User fees" mean the rates, tolls, fees, or other charges imposed by the private entity for use of all or a portion of a qualifying transportation facility pursuant to the interim or comprehensive agreement.

§ 33.2-1801. Policy.

A. The General Assembly finds that:

1. There is a public need for timely development and/or operation of transportation facilities within the Commonwealth that address the needs identified by the appropriate state, regional, or local transportation plan by improving safety, reducing congestion, increasing capacity, enhancing economic efficiency, or any combination thereof and that such public need may not be wholly satisfied by existing methods of procurement in which qualifying transportation facilities are developed and/or operated;

2. Such public need may not be wholly satisfied by existing ways in which transportation facilities are developed and/or operated; and

3. Authorizing private entities to develop and/or operate one or more transportation facilities may result in the development and/or operation of such transportation facilities to the public in a more timely, more efficient, or less costly fashion, thereby serving the public safety and welfare.

B. An action, other than the approval of the responsible public entity under § 33.2-1803, shall serve the public purpose of this chapter if such action, including undertaking a concession, facilitates the timely development and/or operation of a qualifying transportation facility.

C. It is the intent of this chapter, among other things, to encourage investment in the Commonwealth by private entities that facilitates the development and/or operation of transportation facilities. Accordingly, public and private entities may have the greatest possible flexibility in contracting with each other for the provision of the public services that are the subject of this chapter.

D. This chapter shall be liberally construed in conformity with the purposes hereof.

§ 33.2-1802. Prerequisite for operation.

A. Any private entity seeking authorization under this chapter to develop and/or operate a transportation facility shall first obtain approval of the responsible public entity under § 33.2-1803. Such private entity may initiate the approval process by requesting approval pursuant to subsection A of § 33.2-1803 or the responsible public entity may request proposals pursuant to subsection B of § 33.2-1803.

B. Any responsible public entity that is an agency or institution of the Commonwealth receiving a detailed proposal from a private entity for a qualifying transportation facility that is a port facility as defined in § 62.1-140 shall provide notice of the receipt of such proposal to the Public-Private Partnership Advisory Commission established in § 30-279.

§ 33.2-1803. Approval by the responsible public entity.

A. The private entity may request approval by the responsible public entity. Any such request shall be accompanied by the following material and information unless waived by the responsible public entity in its guidelines or other instructions given, in writing, to the private entity with respect to the transportation facility or facilities that the private entity proposes to develop and/or operate as a qualifying transportation facility:

1. A topographic map (1:2,000 or other appropriate scale) indicating the location of the transportation facility or facilities;

2. A description of the transportation facility or facilities, including the conceptual design of such facility or facilities and all proposed interconnections with other transportation facilities;

3. The proposed date for development and/or operation of the transportation facility or facilities along with an estimate of the life-cycle cost of the transportation facility as proposed;

4. A statement setting forth the method by which the private entity proposes to secure any property interests required for the transportation facility or facilities;

5. Information relating to the current transportation plans, if any, of each affected locality or public entity;

6. A list of all permits and approvals required for developing and/or operating improvements to the transportation facility or facilities from local, state, or federal agencies and a projected schedule for obtaining such permits and approvals;

7. A list of public utility facilities, if any, that will be crossed by the transportation facility or facilities and a statement of the plans of the private entity to accommodate such crossings;

8. A statement setting forth the private entity's general plans for developing and/or operating the transportation facility or facilities, including identification of any revenue, public or private, or proposed debt or equity investment or concession proposed by the private entity;

9. The names and addresses of the persons who may be contacted for further information concerning the request;

10. Information on how the private entity's proposal will address the needs identified in the appropriate state, regional, or local transportation plan by improving safety, reducing congestion, increasing capacity, enhancing economic efficiency, or any combination thereof; and

11. Such additional material and information as the responsible public entity may reasonably request pursuant to its guidelines or other written instructions.

B. The responsible public entity may request proposals from private entities for the development and/or operation of transportation facilities. The responsible public entity shall not charge a fee to cover the costs of processing, reviewing, and evaluating proposals received in response to such requests.

C. The responsible public entity may grant approval of the development and/or operation of the transportation facility or facilities as a qualifying transportation facility if the responsible public entity determines that it serves the public purpose of this chapter. The responsible public entity may determine that the development and/or operation of the transportation facility or facilities as a qualifying transportation facility serves such public purpose if:

1. There is a public need for the transportation facility or facilities the private entity proposes to develop and/or operate as a qualifying transportation facility;

2. The transportation facility or facilities and the proposed interconnections with existing transportation facilities, and the private entity's plans for development and/or operation of the qualifying transportation facility or facilities, are, in the opinion of the responsible public entity, reasonable and will address the needs identified in the appropriate state, regional, or local transportation plan by improving safety, reducing congestion, increasing capacity, enhancing economic efficiency, or any combination thereof;

3. The estimated cost of developing and/or operating the transportation facility or facilities is reasonable in relation to similar facilities; and

4. The private entity's plans will result in the timely development and/or operation of the transportation facility or facilities or their more efficient operation.

In evaluating any request, the responsible public entity may rely upon internal staff reports prepared by personnel familiar with the operation of similar facilities or the advice of outside advisors or consultants having relevant experience.

D. The responsible public entity may charge a reasonable fee to cover the costs of processing, reviewing, and evaluating the request submitted by a private entity pursuant to subsection A, including reasonable attorney fees and fees for financial and other necessary advisors or consultants. The responsible public entity shall also develop guidelines that establish the process for the acceptance and review of a proposal from a private entity pursuant to subsections A and B. Such guidelines shall establish a specific schedule for review of the proposal by the responsible public entity, a process for alteration of that schedule by the responsible public entity if it deems that changes are necessary because of the scope or complexity of proposals it receives, the process for receipt and review of competing proposals, and the type and amount of information that is necessary for adequate review of proposals in each stage of review. For qualifying transportation facilities that have approved or pending state and federal environmental clearances, have secured significant right-of-way, have previously allocated significant state or federal funding, or exhibit other circumstances that could reasonably reduce the amount of time to develop and/or operate the qualifying transportation facility in accordance with the purpose of this chapter, the guidelines shall provide for a prioritized documentation, review, and selection process.

E. The approval of the responsible public entity shall be subject to the private entity's entering into an interim agreement or a comprehensive agreement with the responsible public entity. For any project with an estimated construction cost of over \$50 million, the responsible public entity also shall require the private entity to pay the costs for an independent audit of any and all traffic and cost estimates associated with the private entity's proposal, as well as a review of all public costs and potential liabilities to which taxpayers could be exposed (including improvements to other transportation facilities that may be needed as a result of the proposal, failure by the private entity to reimburse the responsible public entity for services provided, and potential risk and liability in the event the private entity defaults on the comprehensive agreement or on bonds issued for the project). This independent audit shall be conducted by an independent consultant selected by the responsible public entity, and all such information from such review shall be fully disclosed.

F. In connection with its approval of the development and/or operation of the transportation facility or facilities as a qualifying transportation facility, the responsible public entity shall establish a date for the acquisition of or the beginning of construction of or improvements to the qualifying transportation facility. The responsible public entity may extend such date.

G. The responsible public entity shall take appropriate action, as more specifically set forth in its guidelines, to protect confidential and proprietary information provided by the private entity pursuant to an agreement under subdivision 11 of § 2.2-3705.6.

H. The responsible public entity may also apply for, execute, and/or endorse applications submitted by private entities to obtain federal credit assistance for qualifying projects developed and/or operated pursuant to this chapter.

§ 33.2-1804. Service contracts.

In addition to any authority otherwise conferred by law, any public entity may contract with a private entity for transportation services to be provided by a qualifying transportation facility in exchange for such service payments and other consideration as such public entity may deem appropriate.

§ 33.2-1805. Affected localities or public entities.

A. Any private entity requesting approval from, or submitting a proposal to, a responsible public entity under § 33.2-1803 shall notify each affected locality or public entity by furnishing a copy of its request or proposal to each affected locality or public entity.

B. Each affected locality or public entity that is not a responsible public entity for the respective qualifying transportation facility shall, within 60 days after receiving a request for comments from the responsible public entity, submit in writing any comments it may have on the proposed qualifying transportation facility to the responsible public entity and indicate whether the facility will address the needs identified in the appropriate state, regional, or local transportation plan by improving safety, reducing congestion, increasing capacity, enhancing economic efficiency, or any combination thereof.

C. Any qualifying transportation facility, title or easement to which is held by the Commonwealth or an agency or authority therefor and the rights to develop or operate which have been granted to the private entity through a concession as defined in § 33.2-1800, shall be subject to the provisions of Title 15.2 in the same manner as a facility of the Commonwealth, mutatis mutandis, except that such private entity shall comply with the provisions of subsections B and C of § 15.2-2202 as they relate to the affected locality's or public entity's comprehensive plan.

§ 33.2-1806. Dedication of public property.

Any public entity may dedicate any property interest that it has for public use as a qualified transportation facility if it finds that so doing will serve the public purpose of this chapter. In connection with such dedication, a public entity may convey any property interest that it has, subject to the conditions imposed by general law governing such conveyances, to the private entity, subject to the provisions of this chapter, for such consideration as such public entity may determine. The aforementioned consideration may include the agreement of the private entity to develop and/or operate the qualifying transportation facility. The property interests that the public entity may convey to the private entity in connection with a dedication under this section may include licenses, franchises, easements, concessions, or any other right or interest the public entity deems appropriate. Such property interest including a leasehold interest in and/or rights to use real property constituting a qualifying transportation facility shall be considered property indirectly owned by a government if described in § 58.1-3606.1.

§ 33.2-1807. Powers and duties of the private entity.

A. The private entity shall have all power allowed by law generally to a private entity having the same form of organization as the private entity and shall have the power to develop and/or operate the qualifying transportation facility and impose user fees and/or enter into service contracts in connection with the use thereof. However, no tolls or user fees may be imposed by the private entity on Interstate 81 without the prior approval of the General Assembly.

B. The private entity may own, lease, or acquire any other right to use or develop and/or operate the qualifying transportation facility.

C. Subject to applicable permit requirements, the private entity shall have the authority to cross any canal or navigable watercourse so long as the crossing does not unreasonably interfere with then current navigation and use of the waterway.

D. In operating the qualifying transportation facility, the private entity may:

- 1. Make classifications according to reasonable categories for assessment of user fees; and*
- 2. With the consent of the responsible public entity, make and enforce reasonable rules to the same extent that the responsible public entity may make and enforce rules with respect to a similar transportation facility.*

E. The private entity shall:

1. Develop and/or operate the qualifying transportation facility in a manner that meets the standards of the responsible public entity for transportation facilities operated and maintained by such responsible public entity, all in accordance with the provisions of the interim agreement or the comprehensive agreement;

2. Keep the qualifying transportation facility open for use by the members of the public in accordance with the terms and conditions of the interim or comprehensive agreement after its initial opening upon payment of the applicable user fees and/or service payments, provided that the qualifying transportation facility may be temporarily closed because of emergencies or, with the consent of the responsible public entity, to protect the safety of the public or for reasonable construction or maintenance procedures;

3. Maintain, or provide by contract for the maintenance of, the qualifying transportation facility;

4. Cooperate with the responsible public entity in establishing any interconnection with the qualifying transportation facility requested by the responsible public entity; and

5. Comply with the provisions of the interim or comprehensive agreement and any service contract.

§ 33.2-1808. Comprehensive agreement.

A. Prior to developing and/or operating the qualifying transportation facility, the private entity shall enter into a comprehensive agreement with the responsible public entity. The comprehensive agreement shall, as appropriate, provide for:

1. Delivery of performance and payment bonds in connection with the development and/or operation of the qualifying transportation facility, in the forms and amounts satisfactory to the responsible public entity;

2. Review of plans for the development and/or operation of the qualifying transportation facility by the responsible public entity and approval by the responsible public entity if the plans conform to standards acceptable to the responsible public entity;

3. Inspection of construction of or improvements to the qualifying transportation facility by the responsible public entity to ensure that such construction or improvements conform to the standards acceptable to the responsible public entity;

4. Maintenance of a policy or policies of public liability insurance (copies of which shall be filed with the responsible public entity accompanied by proofs of coverage) or self-insurance, each in form and amount satisfactory to the responsible public entity and reasonably sufficient to insure coverage of tort liability to the public and employees and to enable the continued operation of the qualifying transportation facility;

5. Monitoring of the maintenance practices of the private entity by the responsible public entity and the taking of such actions as the responsible public entity finds appropriate to ensure that the qualifying transportation facility is properly maintained;

6. Reimbursement to be paid to the responsible public entity for services provided by the responsible public entity;

7. Filing of appropriate financial statements in a form acceptable to the responsible public entity on a periodic basis;

8. Compensation to the private entity that may include a reasonable development fee, a reasonable maximum rate of return on investment, and/or reimbursement of development expenses in the event of termination for convenience by the responsible public entity as agreed upon between the responsible public entity and the private entity;

9. The date of termination of the private entity's authority and duties under this chapter and dedication to the appropriate public entity; and

10. Guaranteed cost and completion guarantees related to the development and/or operation of the qualified transportation facility and payment of damages for failure to meet the completion guarantee.

B. The comprehensive agreement shall provide for such user fees as may be established by agreement of the parties. Any user fees shall be set at a level that takes into account any lease payments, service payments, and compensation to the private entity or as specified in the comprehensive agreement. A copy of any service contract shall be filed with the responsible public entity. A schedule of the current user fees shall be made available by the private entity to any member of the public on request. In negotiating user fees under this section, the parties shall establish fees that are the same for persons using the facility under like conditions except as required by agreement between the parties to preserve capacity and prevent congestion on the qualifying transportation facility. The execution of the comprehensive agreement or any amendment thereto shall constitute conclusive evidence that the user fees provided for therein comply with this chapter. User fees established in the comprehensive agreement as a source of revenues may be in addition to or in lieu of service payments.

C. In the comprehensive agreement, the responsible public entity may agree to make grants or loans for the development and/or operation of the qualifying transportation facility from amounts received from the federal government or any agency or instrumentality thereof.

D. The comprehensive agreement shall incorporate the duties of the private entity under this chapter and may contain such other terms and conditions that the responsible public entity determines serve the public purpose of this chapter. Without limitation, the comprehensive agreement may contain provisions under which the responsible public entity agrees to provide notice of default and cure rights for the benefit of the private entity and the persons specified therein as providing financing for the qualifying transportation facility. The comprehensive agreement may contain such other lawful terms and conditions to which the private entity and the responsible public entity mutually agree, including provisions regarding unavoidable delays or provisions providing for a loan of public funds for the development and/or operation of one or more qualifying transportation facilities.

E. The comprehensive agreement shall provide for the distribution of any earnings in excess of the maximum rate of return as negotiated in the comprehensive agreement. Without limitation, excess earnings may be distributed to the Transportation Trust Fund, to the responsible public entity, or to the private entity for debt reduction or they may be shared with appropriate public entities. Any payments under a concession arrangement for which the Commonwealth is the responsible public entity shall be paid into the Transportation Trust Fund.

F. Any changes in the terms of the comprehensive agreement, as may be agreed upon by the parties, shall be added to the comprehensive agreement by written amendment.

G. Notwithstanding any contrary provision of this chapter, a responsible public entity may enter into a comprehensive agreement with multiple private entities if the responsible public entity determines in writing that it is in the public interest to do so.

H. The comprehensive agreement may provide for the development and/or operation of phases or segments of the qualifying transportation facility.

§ 33.2-1809. Interim agreement.

A. Prior to or in connection with the negotiation of the comprehensive agreement, the responsible public entity may enter into an interim agreement with the private entity proposing the development and/or operation of the facility or facilities. Such interim agreement may (i) permit the private entity to commence activities for which it may be compensated relating to the proposed qualifying transportation facility, including project planning and development, advance right-of-way acquisition, design and engineering, environmental analysis and mitigation, survey, conducting transportation

and revenue studies, and ascertaining the availability of financing for the proposed facility or facilities; (ii) establish the process and timing of the negotiation of the comprehensive agreement; and (iii) contain any other provisions related to any aspect of the development and/or operation of a qualifying transportation facility that the parties may deem appropriate.

B. Notwithstanding any provision of this chapter to the contrary, a responsible public entity may enter in to an interim agreement with multiple private entities if the responsible public entity determines in writing that it is in the public interest to do so.

§ 33.2-1810. Multiple public entities.

A. If a private entity submits a proposal pursuant to subsection A of § 33.2-1803 to develop and/or operate a qualifying transportation facility or a multimodal transportation facility that may require approval by more than one public entity, representatives of each of the affected public entities shall, prior to acceptance of such proposal, convene and determine which public entity shall serve as the coordinating responsible public entity. Such determination shall occur within 60 days of the receipt of a proposal by the respective public entities.

B. If public entities request proposals from private entities for the development and/or operation of a qualifying transportation facility or a multimodal transportation facility pursuant to subsection B of § 33.2-1803, the determination of which public entity shall serve as the coordinating responsible public entity shall be made prior to any request for proposals.

C. Once a determination has been made in accordance with subsection A or B, the coordinating responsible public entity and the private entity shall proceed in accordance with this chapter.

§ 33.2-1811. Federal, state, and local assistance.

A. The responsible public entity may take any action to obtain federal, state, or local assistance for a qualifying transportation facility that serves the public purpose of this chapter and may enter into any contracts required to receive such federal assistance. If the responsible public entity is a state agency, any funds received from the state or federal government or any agency or instrumentality thereof shall be subject to appropriation by the General Assembly. The responsible public entity may determine that it serves the public purpose of this chapter for all or any portion of the costs of a qualifying transportation facility to be paid, directly or indirectly, from the proceeds of a grant or loan made by the federal, state, or local government or any agency or instrumentality thereof.

B. The responsible public entity may agree to make grants or loans for the development and/or operation of the qualifying transportation facility from amounts received from the federal, state, or local government or any agency or instrumentality thereof.

C. Nothing in this chapter or in an interim or comprehensive agreement entered into pursuant to this chapter shall be deemed to enlarge, diminish, or affect the authority, if any, otherwise possessed by the responsible public entity to take action that would impact the debt capacity of the Commonwealth or the affected localities or public entities.

§ 33.2-1812. Financing.

Any financing of a qualifying transportation facility may be in such amounts and upon such terms and conditions as may be determined by the parties to the interim or comprehensive agreement. Without limiting the generality of the foregoing, the private entity and the responsible public entity may propose to utilize any and all revenues that may be available to them and may, to the fullest extent permitted by applicable law: issue debt, equity, or other securities or obligations; enter into leases, concessions, and grant and loan agreements; access any designated transportation trust funds; borrow or accept grants from any state infrastructure bank; and secure any financing with a pledge of, security interest in, or lien on any or all of its property, including all of its property interests in the qualifying transportation facility.

§ 33.2-1813. Material default; remedies.

A. Upon the occurrence and during the continuation of material default, the responsible public entity may exercise any or all of the following remedies:

1. The responsible public entity may elect to take over the transportation facility or facilities and in such case shall succeed to all of the right, title, and interest in such transportation facility or facilities, subject to any liens on revenues previously granted by the private entity to any person providing financing therefor.

2. The responsible public entity may terminate the interim or comprehensive agreement and exercise any other rights and remedies that may be available at law or in equity.

3. The responsible public entity may make or cause to be made any appropriate claims under the performance and/or payment bonds required by § 33.2-1808.

B. In the event the responsible public entity elects to take over a qualifying transportation facility pursuant to subsection A, the responsible public entity may develop and/or operate the qualifying transportation facility, impose user fees for the use thereof, and comply with any service contracts as if it were the private entity. Any revenues that are subject to a lien shall be collected for the benefit of, and paid to, secured parties, as their interests may appear, to the extent necessary to satisfy the private entity's obligations to secured parties, including the maintenance of reserves, and such liens shall be correspondingly reduced and, when paid off, released. Before any payments to, or for the benefit of, secured parties, the responsible public entity may use revenues to pay current operation and maintenance costs of the qualifying transportation facility or facilities, including compensation to the responsible public entity for its services in operating and maintaining the qualifying transportation facility. Remaining revenues, if any, after all payments for operation and maintenance of the transportation facility or facilities, and to, or for the benefit of, secured parties, have been made, shall

be paid to the private entity, subject to the negotiated maximum rate of return. The right to receive such payment, if any, shall be considered just compensation for the transportation facility or facilities. The full faith and credit of the responsible public entity shall not be pledged to secure any financing of the private entity by the election to take over the qualifying transportation facility. Assumption of operation of the qualifying transportation facility shall not obligate the responsible public entity to pay any obligation of the private entity from sources other than revenues.

§ 33.2-1814. Condemnation.

A. At the request of the private entity, the responsible public entity may exercise any power of condemnation that it has under law for the purpose of acquiring any lands or estates or interests therein to the extent that the responsible public entity finds that such action serves the public purpose of this chapter. Any amounts to be paid in any such condemnation proceeding shall be paid by the private entity.

B. Except as provided in subsection A, until the Commission, after notice to the private entity and the secured parties, as may appear in the private entity's records, and an opportunity for hearing, has entered a final declaratory judgment that a material default has occurred and is continuing, the power of condemnation may not be exercised against a qualifying transportation facility.

C. After the entry of such final order by the Commission, any responsible public entity having the power of condemnation under state law may exercise such power of condemnation, in lieu of or at any time after taking over the transportation facility pursuant to subdivision A 1 of § 33.2-1813, to acquire the qualifying transportation facility or facilities. Nothing in this chapter shall be construed to limit the exercise of the power of condemnation by any responsible public entity against a qualifying transportation facility after the entry by the Commission of a final declaratory judgment order pursuant to subsection B. Any person that has provided financing for the qualifying transportation facility and the private entity, to the extent of its capital investment, may participate in the condemnation proceedings with the standing of a property owner.

§ 33.2-1815. Utility crossings.

The private entity and each public service company, public utility, railroad, and cable television provider whose facilities are to be crossed or affected shall cooperate fully with the other in planning and arranging the manner of the crossing or relocation of the facilities. Any such entity possessing the power of condemnation is hereby expressly granted such powers in connection with the moving or relocation of facilities to be crossed by the qualifying transportation facility or that must be relocated to the extent that such moving or relocation is made necessary or desirable by construction of or improvements to the qualifying transportation facility, which shall be construed to include construction of or improvements to temporary facilities for the purpose of providing service during the period of construction or improvement. Should the private entity and any such public service company, public utility, railroad, and cable television provider be unable to agree upon a plan for the crossing or relocation, the Commission may determine the manner in which the crossing or relocation is to be accomplished and any damages due arising out of the crossing or relocation. The Commission may employ expert engineers who shall examine the location and plans for such crossing or relocation, hear any objections and consider modifications, and make a recommendation to the Commission. In such a case, the cost of the experts is to be borne by the private entity. Any amount to be paid for such crossing, construction, moving, or relocation of facilities shall be paid for by the private entity or any other person contractually responsible therefor under the interim or comprehensive agreement or under any other contract, license, or permit. The Commission shall make a determination within 90 days of notification by the private entity that the qualifying transportation facility will cross utilities subject to the Commission's jurisdiction.

§ 33.2-1816. Police powers; violations of law.

A. All police officers of the Commonwealth and of each affected locality or public entity shall have the same powers and jurisdiction within the limits of such qualifying transportation facility as they have in their respective areas of jurisdiction, and such police officers shall have access to the qualifying transportation facility at any time for the purpose of exercising such powers and jurisdiction. This authority does not extend to the private offices, buildings, garages, and other improvements of the private entity to any greater degree than the police power extends to any other private buildings and improvements.

B. To the extent the transportation facility is a road, bridge, tunnel, overpass, or similar transportation facility for motor vehicles, the traffic and motor vehicle laws of the Commonwealth or, if applicable, any locality or public entity shall be the same as those applying to conduct on similar transportation facilities in the Commonwealth or such locality or public entity. Punishment for offenses shall be as prescribed by law for conduct occurring on similar transportation facilities in the Commonwealth or such locality or public entity.

§ 33.2-1817. Dedication of assets.

The responsible public entity shall terminate the private entity's authority and duties under this chapter on the date set forth in the interim or comprehensive agreement. Upon termination, the authority and duties of the private entity under this chapter shall cease, and the qualifying transportation facility shall be dedicated to the responsible public entity or, if the qualifying transportation facility was initially dedicated by an affected locality or public entity, to such affected locality or public entity for public use.

§ 33.2-1818. Sovereign immunity.

Nothing in this chapter shall be construed as or deemed a waiver of the sovereign immunity of the Commonwealth, any responsible public entity, or any affected locality or public entity or any officer or employee thereof with respect to the

participation in or approval of all or any part of the qualifying transportation facility or its operation, including interconnection of the qualifying transportation facility with any other transportation facility. Localities in which a qualifying transportation facility is located shall possess sovereign immunity with respect to its construction and operation.

§ 33.2-1819. Procurement.

The Virginia Public Procurement Act (§ 2.2-4300 et seq.) shall not apply to this chapter; however, a responsible public entity may enter into an interim or a comprehensive agreement only in accordance with guidelines adopted by it as follows:

1. A responsible public entity may enter into an interim or a comprehensive agreement in accordance with guidelines adopted by it that are consistent with procurement through "competitive sealed bidding" as set forth in § 2.2-4302.1 and subsection B of § 2.2-4310.

2. A responsible public entity may enter into an interim or a comprehensive agreement in accordance with guidelines adopted by it that are consistent with the procurement of "other than professional services" through competitive negotiation as set forth in § 2.2-4302.2 and subsection B of § 2.2-4310. Such responsible public entity shall not be required to select the proposal with the lowest price offer, but may consider price as one factor in evaluating the proposals received. Other factors that may be considered include (i) the proposed cost of the qualifying transportation facility; (ii) the general reputation, qualifications, industry experience, and financial capacity of the private entity; (iii) the proposed design, operation, and feasibility of the qualifying transportation facility; (iv) the eligibility of the facility for priority selection, review, and documentation timelines under the responsible public entity's guidelines; (v) local citizen and public entity comments; (vi) benefits to the public; (vii) the private entity's compliance with a minority business enterprise participation plan or good faith effort to comply with the goals of such plan; (viii) the private entity's plans to employ local contractors and residents; (ix) the safety record of the private entity; (x) the ability of the facility to address the needs identified in the appropriate state, regional or local transportation plan by improving safety, reducing congestion, increasing capacity, enhancing economic efficiency, or any combination thereof; and (xi) other criteria that the responsible public entity deems appropriate.

A responsible public entity shall proceed in accordance with the guidelines adopted by it pursuant to subdivision 1 unless it determines that proceeding in accordance with the guidelines adopted by it pursuant to this subdivision is likely to be advantageous to the responsible public entity and the public, based on (a) the probable scope, complexity, or urgency of a project; (b) risk sharing including guaranteed cost or completion guarantees, added value, or debt or equity investments proposed by the private entity; or (c) an increase in funding, dedicated revenue source or other economic benefit that would not otherwise be available. When the responsible public entity determines to proceed according to the guidelines adopted by it pursuant to this subdivision, it shall state the reasons for its determination in writing. If a state agency is the responsible public entity, the approval of the Secretary shall be required as more specifically set forth in the guidelines before the comprehensive agreement is signed.

3. Interim or comprehensive agreements for maintenance or asset management services for a transportation facility that is a highway, bridge, tunnel, or overpass, and any amendment or change order thereto that increases the highway lane-miles receiving services under such an agreement, shall be procured in accordance with guidelines that are consistent with procurement through "competitive sealed bidding" as set forth in § 2.2-4302.1 and subsection B of § 2.2-4310. Furthermore, such contracts shall be of a size and scope to encourage maximum competition and participation by agency prequalified contractors and otherwise qualified contractors.

4. The provisions of subdivision 3 shall not apply to maintenance or asset management services agreed to as part of the initial provisions of any interim or comprehensive agreement entered into for the original construction, reconstruction, or improvement of any highway pursuant to this chapter and shall not apply to any concession that, at a minimum, provides for (i) the construction, reconstruction, or improvement of any transportation facility or (ii) the operation and maintenance of any transportation facility with existing toll facilities.

5. Nothing in this section shall require that professional services be procured by any method other than competitive negotiation in accordance with the Virginia Public Procurement Act (§ 2.2-4300 et seq.).

§ 33.2-1820. Posting of conceptual proposals; public comment; public access to procurement records.

A. Conceptual proposals submitted in accordance with subsection A or B of § 33.2-1803 to a responsible public entity shall be posted by the responsible public entity within 10 working days after acceptance of such proposals as follows:

1. For responsible public entities that are state agencies, authorities, departments, institutions, and other units of state government, posting shall be on the Department of General Services' central electronic procurement website. For proposals submitted pursuant to subsection A of § 56-560, the notice posted shall (i) provide for a period of 120 days for the submission of competing proposals; (ii) include specific information regarding the proposed nature, timing, and scope of the qualifying transportation facility; and (iii) outline the opportunities that will be provided for public comment during the review process; and

2. For responsible public entities that are local public bodies, posting shall be on the responsible public entity's website or on the Department of General Services' central electronic procurement website. In addition, such public bodies may publish in a newspaper of general circulation in the area in which the contract is to be performed a summary of the proposals and the location where copies of the proposals are available for public inspection. Such local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities.

In addition to the posting requirements, at least one copy of the proposals shall be made available for public inspection. Nothing in this section shall be construed to prohibit the posting of the conceptual proposals by additional means deemed appropriate by the responsible public entity so as to provide maximum notice to the public of the opportunity to inspect the proposals. Trade secrets, financial records, or other records of the private entity excluded from disclosure under the provisions of subdivision 11 of § 2.2-3705.6 shall not be required to be posted, except as otherwise agreed to by the responsible public entity and the private entity.

B. In addition to the posting requirements of subsection A, for 30 days prior to entering into an interim or comprehensive agreement, a responsible public entity shall provide an opportunity for public comment on the proposals. The public comment period required by this subsection may include a public hearing in the sole discretion of the responsible public entity. After the end of the public comment period, no additional posting shall be required.

C. Once the negotiation phase for the development of an interim or a comprehensive agreement is complete and a decision to award has been made by a responsible public entity, the responsible public entity shall (i) post the major business points of the interim or comprehensive agreement, including the projected use of any public funds, on the Department of General Services' central electronic procurement website; (ii) outline how the public can submit comments on those major business points; and (iii) present the major business points of the interim or comprehensive agreement, including the use of any public funds, to its oversight board at a regularly scheduled meeting of the board that is open to the public.

D. Once an interim agreement or a comprehensive agreement has been entered into, a responsible public entity shall make procurement records available for public inspection, in accordance with the Virginia Freedom of Information Act (§ 2.2-3700 et seq.). For the purposes of this subsection, procurement records shall not be interpreted to include (i) trade secrets of the private entity as defined in the Uniform Trade Secrets Act (§ 59.1-336 et seq.) or (ii) financial records, including balance sheets or financial statements of the private entity that are not generally available to the public through regulatory disclosure or otherwise.

E. Cost estimates relating to a proposed procurement transaction prepared by or for a responsible public entity shall not be open to public inspection.

F. Any inspection of procurement transaction records under this section shall be subject to reasonable restrictions to ensure the security and integrity of the records.

G. The provisions of this section shall apply to accepted proposals regardless of whether the process of bargaining will result in an interim or a comprehensive agreement.

§ 33.2-1821. Jurisdiction.

The Commission shall have exclusive jurisdiction to adjudicate all matters specifically committed to its jurisdiction by this chapter.

§ 33.2-1822. Contributions and gifts; prohibition during approval process.

A. No private entity that has submitted a bid or proposal to a public entity that is an executive branch agency directly responsible to the Governor and is seeking to develop or operate a transportation facility pursuant to this chapter, and no individual who is an officer or director of such private entity, shall knowingly provide a contribution, gift, or other item with a value greater than \$50 or make an express or implied promise to make such a contribution or gift to the Governor, his political action committee, or the Governor's Secretaries, if the Secretary is responsible to the Governor for an executive branch agency with jurisdiction over the matters at issue, following the submission of a proposal under this chapter until the execution of a comprehensive agreement thereunder. The provisions of this section shall apply only for any proposal or an interim or comprehensive agreement where the stated or expected value of the contract is \$5 million or more.

B. Any person who knowingly violates this section shall be subject to a civil penalty of \$500 or up to two times the amount of the contribution or gift, whichever is greater. The attorney for the Commonwealth shall initiate civil proceedings to enforce the civil penalties. Any civil penalties collected shall be payable to the State Treasurer for deposit to the general fund.

§ 33.2-1823. Preservation of the Virginia Highway Corporation Act of 1988.

Nothing in this chapter shall be construed to repeal or change in any manner the Virginia Highway Corporation Act of 1988 (§ 56-535 et seq.), as amended. Nothing in the Virginia Highway Corporation Act of 1988, as amended, shall apply to qualifying transportation facilities undertaken pursuant to the authority of this chapter.

§ 33.2-1824. Severability.

If any provision of this chapter or the application thereof to any person or circumstances is held invalid by a court of competent jurisdiction, such invalidity shall not affect other provisions or applications of this chapter that can be given effect without the invalid provision or application, and to this end the provisions of this chapter are declared to be severable.

SUBTITLE IV.

LOCAL AND REGIONAL TRANSPORTATION.

CHAPTER 19.

TRANSPORTATION DISTRICT ACT OF 1964.

Article 1.

General Provisions.

§ 33.2-1900. Declaration of policy.

The development of transportation systems, composed of transit facilities, public highways, and other modes of transport, is necessary for the orderly growth and development of the urban areas of the Commonwealth; for the safety, comfort, and convenience of its citizens; and for the economical utilization of public funds. The provision of the necessary facilities and services cannot be achieved by the unilateral action of the counties and cities, and the attainment thereof requires planning and action on a regional basis, conducted cooperatively and on a continuing basis, between representatives of the affected political subdivisions and the Commonwealth Transportation Board. In those urban areas of the Commonwealth that together form a single metropolitan area, solutions must be jointly sought with the affected political subdivisions and highway departments. Such joint action should be conducted in a manner that preserves, to the extent the necessity for joint action permits, local autonomy over patterns of growth and development of each participating political subdivision or locality. The requisite joint action may best be achieved through the device of a transportation district, having the powers, functions, and duties set forth in this chapter. In the provision of improved or expanded transit facilities, it is the policy of the Commonwealth to make use of private enterprise to the extent reasonably practicable.

§ 33.2-1901. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Agency" or "such agency" means an agency authorized by, or arising from action of, the General Assembly to plan for or provide transportation facilities and service for a metropolitan area located wholly or in part in the Commonwealth.

"Commission" or "district commission" means the governing body of a district.

"Component governments" means the counties and cities composing a transportation district and the various departments, bureaus, and divisions of such counties and cities.

"District" means a transportation district authorized to be created by this chapter.

"Governing bodies" means the boards of supervisors of counties and councils of cities composing a transportation district.

"Metropolitan area" means a metropolitan statistical area as defined by the U.S. Census Bureau and the Office of Management and Budget or any contiguous counties or cities within the Commonwealth that together constitute an urban area.

"Person" means an individual, partnership, association, or corporation or any governmental agency or authority.

"State," when applied to a part of the United States, includes any of the 50 states and the District of Columbia.

"Transportation facilities," "transit facilities," or "facilities" means all those matters and things utilized in rendering transportation service by means of rail, bus, water, or air and any other mode of travel, including tracks, rights-of-way, bridges, tunnels, subways, and rolling stock for rail, motor vehicle, marine, and air transportation; stations, terminals, and ports; areas for parking; buildings; structures; and all equipment, fixtures, and business activities reasonably required for the performance of transportation service, but does not include any such facilities owned by any person, company, association, or corporation the major part of whose transportation service extends beyond a transportation district created in this chapter.

§ 33.2-1902. Authorization to issue summons.

Conductors of railroad trains, motormen, and station and depot agents of any transportation district created pursuant to this chapter shall have the power to issue a summons for any violation of § 18.2-160.1 with respect to any train operated by or under contract with such transportation district.

Article 2.**Creation of Districts.****§ 33.2-1903. Procedure for creation of districts.**

A. Any two or more counties or cities may, in conformance with the procedure set forth in this section, or as otherwise may be provided by law, constitute a transportation district and shall have and exercise the powers set forth in this section and such additional powers as may be granted by the General Assembly. A transportation district may be created by ordinance adopted by the governing body of each participating county and city, which ordinances shall (i) set forth the name of the proposed transportation district, which shall include the words "transit district" or "transportation district," (ii) fix the boundaries thereof, (iii) name the counties and cities that are in whole or in part to be embraced therein, and (iv) contain a finding that the orderly growth and development of the county or city and the comfort, convenience, and safety of its citizens require an improved transportation system, composed of transit facilities, public highways, and other modes of transport, and that joint action through a transportation district by the counties and cities that are to compose the proposed transportation district will facilitate the planning and development of the needed transportation system. Such ordinances shall be filed with the Secretary of the Commonwealth and, upon certification by that officer to the Tax Commissioner and the governing body of each of the participating counties and cities that the ordinances required by this chapter have been filed and, upon the basis of the facts set forth therein, satisfy such requirements, the territory defined in such ordinances, upon the entry of such certification in the minutes of the proceedings of the governing body of each of the counties and cities, shall be and constitute a transportation district for all of the purposes of this chapter, known and designated by the name stated in the ordinances.

B. Notwithstanding the provisions of subsection A, any county or city may, subject to the applicable provisions of this chapter, constitute itself a transportation district in the event that no governing body of any contiguous county or city wishes

to combine for such purpose, provided that the governing body of such single locality transportation district shall comply with the provisions of subsection A by adopting an ordinance that (i) sets forth the name of the proposed transportation district, which shall include the words "transit district" or "transportation district"; (ii) fixes, in such county or city, the boundaries thereof; (iii) names the county or city that is in whole or in part to be embraced therein; and (iv) contains a finding that the orderly growth and development of the county or city and the comfort, convenience, and safety of its citizens require an improved transportation district, composed of transit facilities, public highways, and other modes of transport, and that joint action with contiguous counties and cities has not been agreed to at this time, but that the formation of a transportation district will facilitate the planning and development of the needed transportation system, and shall file such ordinance in the manner and mode required by subsection A. At such time as the governing body of any contiguous county or city desires to combine with the original locality for the formation of an enlarged transportation district, it shall enter into an agreement with the commission of the original transportation district on such terms and conditions, consistent with the provisions of this chapter, as may be agreed upon by such commission and such additional county or city, and in conformance with the following procedures. The governing body of the county or city having jurisdiction over the territory to be added to the original transportation district shall adopt an ordinance specifying the area to be enlarged, containing the finding specified in clause (iv) of subsection A, and a statement that a contract or agreement between the county or city and the commission specifying the terms and conditions of admittance to the transportation district has been executed. The ordinance, to which shall be attached a certified copy of such contract, shall be filed with the Secretary of the Commonwealth and, upon certification by that officer to the Tax Commissioner, the commission, and the governing body of each of the component counties and cities that the ordinance required by this section has been filed, and that the terms thereof conform to the requirements of this section, such additional county, or part thereof, or city, upon the entry of such certification in the minutes of the proceedings of the governing body of such county or city, shall become a component government of the transportation district and the county, or portion thereof specified, or city shall be embraced by the transportation district.

§ 33.2-1904. Northern Virginia Transportation District and Commission.

A. There is hereby created the Northern Virginia Transportation District (the District), comprising the Counties of Arlington, Fairfax, and Loudoun; the Cities of Alexandria, Falls Church, and Fairfax; and such other county or city contiguous to the District that agrees to join the District.

B. There is hereby established the Northern Virginia Transportation Commission (the Commission) as a transportation commission pursuant to this chapter. The Commission shall consist of five nonlegislative citizen members from Fairfax County, three nonlegislative citizen members from Arlington County, one nonlegislative citizen member from Loudoun County, two nonlegislative citizen members from the City of Alexandria, one nonlegislative member from the City of Falls Church, one nonlegislative citizen member from the City of Fairfax, and the Chairman of the Commonwealth Transportation Board or his designee to serve ex officio with voting privileges. If a county or city contiguous to the District agrees to join the District, such locality shall appoint one nonlegislative citizen member to the Commission. Members from the counties and cities shall be appointed from their respective governing bodies. The Commission shall also include four members of the House of Delegates appointed by the Speaker of the House of Delegates for terms coincident with their terms of office and two members of the Senate appointed by the Senate Committee on Rules for terms coincident with their terms of office. Members may be reappointed for successive terms. All members shall be citizens of the Commonwealth. Except for the Chairman of the Commonwealth Transportation Board or his designee, all members of the Commission shall be residents of the localities composing the District. Vacancies occurring other than by expiration of a term shall be filled for the unexpired term. Vacancies shall be filled in the same manner as the original appointments.

Article 3.

Incorporation of District; Creation, Organization, Etc., of Commission.

§ 33.2-1905. District a body corporate.

Each transportation district created pursuant to this chapter, or pursuant to an act of the General Assembly, is hereby created as a body corporate and politic under the name of, and to be known by, the name of the district with the word "commission" appended.

§ 33.2-1906. Creation of commission to control corporation.

In and for each transportation district a commission is hereby created to manage and control the functions, affairs, and property of the corporation and to exercise all of the rights, powers, and authority and perform all of the duties conferred or imposed upon the corporation.

§ 33.2-1907. Members of transportation district commissions.

A. Any transportation district commission created pursuant to this chapter shall consist of the number of members the component governments shall agree upon, or as may otherwise be provided by law. The governing body of each participating county and city shall appoint from among its members the number of commissioners to which the county or city is entitled; however, for those commissions with powers as set forth in subsection A of § 33.2-1915, the governing body of each participating county or city is not limited to appointing commissioners from among its members. In addition, the governing body may appoint, from its number or otherwise, designated alternate members for those appointed to the commission who shall be able to exercise all of the powers and duties of a commission member when the regular member is absent from commission meetings. Each such appointee shall serve at the pleasure of the appointing body; however, no

appointee to a commission with powers as set forth in subsection B of § 33.2-1915 may continue to serve when he is no longer a member of the appointing body. Each governing body shall inform the commission of its appointments to and removals from the commission by delivering to the commission a certified copy of the resolution making the appointment or causing the removal.

The Chairman of the Commonwealth Transportation Board, or his designee, shall be a member of each commission, ex officio with voting privileges. The Chairman of the Commonwealth Transportation Board may appoint an alternate member who may exercise all the powers and duties of the Chairman of the Commonwealth Transportation Board when neither the Chairman of the Commonwealth Transportation Board nor his designee is present at a commission meeting.

The Potomac and Rappahannock Transportation Commission shall also include two members of the House of Delegates and one member of the Senate from legislative districts located wholly or in part within the boundaries of the transportation district. The members of the House of Delegates shall be appointed by the Speaker of the House for terms coincident with their terms of office, and the member of the Senate shall be appointed by the Senate Committee on Rules for a term coincident with his term of office. The members of the General Assembly shall be eligible for reappointment for successive terms. Vacancies occurring other than by expiration of a term shall be filled for the unexpired term. Vacancies shall be filled in the same manner as the original appointments.

The Transportation District Commission of Hampton Roads shall consist of one nonlegislative citizen member appointed by the Governor from each county and city embraced by the transportation district. The governing body of each such county or city may appoint either a member of its governing body or its county or city manager to serve as an ex officio member with voting privileges. Every such ex officio member shall be allowed to attend all meetings of the commission that other members may be required to attend. Vacancies shall be filled in the same manner as the original appointments.

B. Any appointed member of the Northern Virginia Transportation Commission and the Secretary or his designee is authorized to serve as a member of the board of directors of the Washington Metropolitan Area Transit Authority (Chapter 627 of the Acts of Assembly of 1958, as amended) and while so serving the provisions of § 2.2-2800 shall not apply to such member. In appointing Virginia members of the board of directors of the Washington Metropolitan Area Transit Authority (WMATA), the Northern Virginia Transportation Commission shall include the Secretary or his designee as a principal member on the board of directors of WMATA. Any designee serving as the principal member must reside in a locality served by WMATA.

In selecting from its membership those members to serve on the board of directors of WMATA, the Northern Virginia Transportation Commission shall comply with the following requirements:

1. A board member shall not have been an employee of WMATA within one year of appointment to serve on the board of directors.

2. A board member shall have (i) experience in at least one of the fields of transit planning, transportation planning, or land use planning; transit or transportation management or other public sector management; engineering; finance; public safety; homeland security; human resources; or the law or (ii) knowledge of the region's transportation issues derived from working on regional transportation issue resolution.

3. A board member shall be a regular patron of the services provided by WMATA.

4. Board members shall serve a term of four years with a maximum of two consecutive terms. A board member's term or terms must coincide with his term on the body that appointed him to the Northern Virginia Transportation Commission. Any vacancy created if a board member cannot fulfill his term because his term on the appointing body has ended shall be filled for the unexpired term in the same manner as the member being replaced was appointed within 60 days of the vacancy. The initial appointments to a four-year term will be as follows: the Secretary, or his designee, for a term of four years; the second principal member for a term of three years; one alternate for a term of two years; and the remaining alternate for a term of one year. Thereafter, board members shall be appointed for terms of four years. Service on the WMATA board of directors prior to July 1, 2012, shall not be considered in determining length of service. Any person appointed to an initial one-year or two-year term, or appointed to an unexpired term in which two years or less is remaining, shall be eligible to serve two consecutive four-year terms after serving the initial or unexpired term.

5. Members may be removed from the board of directors of WMATA if they attend fewer than three-fourths of the meetings in a calendar year; if they are conflicted due to employment at WMATA; or if they are found to be in violation of the State and Local Government Conflict of Interests Act (§ 2.2-3100 et seq.). If a board member is removed during a term, the vacancy shall be filled pursuant to the provisions of subdivision 4.

6. Each member of the Northern Virginia Transportation Commission appointed to the board of directors of WMATA shall file semiannual reports with the Secretary's office beginning July 1, 2012. The reports shall include (i) the dates of attendance at WMATA board meetings, (ii) any reasons for not attending a specific meeting, and (iii) dates and attendance at other WMATA-related public events.

Any entity that provides compensation to a WMATA board member for his service on the WMATA board shall be required to submit on July 1 of each year to the Secretary the amount of that compensation. Such letter will remain on file with the Secretary's office and be available for public review.

C. When the Northern Virginia Transportation Commission and the Potomac and Rappahannock Transportation Commission enter into an agreement to operate a commuter railway, the agreement governing the creation of the railway shall provide that the Chairman of the Commonwealth Transportation Board or his designee shall have one vote on the oversight board for the railway. For each year in which the state contribution to the railway is greater than or equal to the

highest contribution from an individual locality, the total annual subsidy as provided by the member localities used to determine vote weights shall be recalculated to include the Commonwealth contributing an amount equal to the highest contributing locality. The vote weights shall be recalculated to provide the Chairman of the Commonwealth Transportation Board or his designee the same weight as the highest contributing locality. The revised vote weights shall be used in determining the passage of motions before the oversight board.

§ 33.2-1908. Officers of commission.

Within 30 days after the appointment of the original commission members, the commission shall meet on the call of any member and shall elect one of its members as chairman and another as vice-chairman, each to serve for a term of one year or until his successor is elected and qualified. The commission shall employ a secretary and treasurer, who may or may not be a member of the commission, and, if not a commission member, fix his compensation and duties. All officers shall be eligible for reelection. Each commission member, before entering on the performance of his public duties, shall take and subscribe the oath or affirmation specified in Article II, Section 7 of the Constitution of Virginia. Such oath may be administered by any person authorized to administer oaths under § 49-4.

§ 33.2-1909. Bonds of members.

Each commission member shall, before entering upon the discharge of his duties under this chapter, give bond payable to the Commonwealth in a form approved by the Attorney General, in such penalty as fixed by the Governor, with some surety or guaranty company authorized to do business in the Commonwealth and approved by the Governor, as security, conditioned upon the faithful discharge of his duties. The premium of such bonds shall be paid by the commission and the bonds shall be filed with and preserved by the Department of the Treasury's Division of Risk Management.

§ 33.2-1910. Compensation and expenses of members.

The commission members shall receive no salary but shall be entitled to reimbursement of all reasonable and necessary expenses and compensation allowed members of the Commonwealth Transportation Board for the performance of their official duties as provided in §§ 2.2-2813 and 2.2-2825.

§ 33.2-1911. Meetings of commission.

Regular meetings of the commission shall be held at least once every month at such time and place as the commission shall prescribe. Special meetings of the commission shall be held upon mailed notice, or actual notice otherwise given, to each commission member upon call of the chairman or any two commission members, at such time and in such place within the district as such notice may specify, or at such other time and place with or without notice as all commission members may expressly approve. All regular and special meetings of the commission shall be open to the public, but the public shall not be entitled to any notice other than provided in this section. Unless a meeting is called for the purpose of a public hearing, members of the public shall have no right to be heard or otherwise participate in the proceedings of the meeting, except to the extent the chairman may in specific instances grant. All commission records shall be public records.

§ 33.2-1912. Quorum and action by commission.

A majority of the commission, which majority shall include at least one commissioner from a majority of the component governments, shall constitute a quorum. Members of the commission who are members of the General Assembly shall not be counted in determining a quorum while the General Assembly is in session. The Chairman of the Commonwealth Transportation Board or his designee shall be included for the purposes of constituting a quorum. The presence of a quorum and a vote of the majority of the members necessary to constitute a quorum of all the members appointed to the commission, including an affirmative vote from a majority of the members, shall be necessary to take any action. The Chairman of the Commonwealth Transportation Board or his designee shall have voting rights equal to appointees of component governments on all matters brought before the commission. Notwithstanding the provisions of § 2.2-3708, members of the General Assembly may participate in the meetings of the commission through electronic communications while the General Assembly is in session.

§ 33.2-1913. Funds of commission.

A. All moneys of a commission, whether derived from any contract of the commission or from any other source, shall be collected, received, held, secured, and disbursed in accordance with any relevant contract of the commission. This section shall apply to such moneys only if and to the extent they are consistent with such commission contracts.

B. Such moneys shall not be required to be paid into the state treasury or into the treasury or to any officer of any county or city.

C. All such moneys shall be deposited by the commission in a separate bank account, appropriately designated, in banks or trust companies designated by the commission.

§ 33.2-1914. Accounts and records.

Every commission shall keep and preserve complete and accurate accounts and records of all moneys received and disbursed; business and operations; and all property and funds it owns, manages, or controls. Each commission shall prepare and transmit to the Governor and to the governing body of each county and city within the district, annually and at such other times as the Governor requires, complete and accurate reports of the state and content of such accounts and records, together with other relevant information as the Governor may require.

Article 4.

Powers and Functions of Commission.

§ 33.2-1915. Powers and functions generally.

A. Notwithstanding any other contrary provision of law, a commission shall, except as provided in subsection B, have the following powers and functions:

1. The commission shall prepare the transportation plan for the transportation district and shall revise and amend the plan in accordance with the planning process and procedures specified in Article 7 (§ 33.2-1928 et seq.).

2. The commission may, when a transportation plan is adopted according to Article 7, construct or acquire, by purchase or lease, the transportation facilities specified in such transportation plan.

3. The commission may enter into agreements or leases with private companies for the operation of its facilities or may operate such facilities itself.

4. The commission may enter into contracts or agreements with the counties and cities within the transportation district, with counties and cities that adjoin the transportation district and are within the same planning district, or with other commissions of adjoining transportation districts to provide, or cause to be provided, transit facilities and service to such counties and cities or to provide transit facilities and other modes of transportation between adjoining transportation districts. Such contracts or agreements, together with any agreements or leases for the operation of such facilities, may be utilized by the transportation district to finance the construction and operation of transportation facilities, and such contracts, agreements, or leases shall inure to the benefit of any creditor of the transportation district.

However, except in any transportation district containing any or all of the Counties of Chesterfield, Hanover, and Henrico or the City of Richmond, being so delegated by the respective local governments, the commission shall not have the power to regulate services provided by taxicabs, either within municipalities or across municipal boundaries, which regulation is expressly reserved to the municipalities within which taxicabs operate. In any transportation district containing any or all of the Counties of Chesterfield, Hanover, and Henrico or the City of Richmond, the commission may, upon proper authority granted by the respective component governments, regulate services provided by taxicabs, either within localities or across county or city boundaries.

B. The Northern Virginia Transportation Commission:

1. Shall not prepare a transportation plan or construct or operate transit facilities, but shall collaborate and cooperate in the manner specified in Article 7 (§ 33.2-1928 et seq.) with an agency in preparing, revising, and amending a transportation plan for such metropolitan area.

2. Shall, according to Article 7 (§ 33.2-1928 et seq.) and in cooperation with the governing bodies of the component governments embraced by the transportation district, formulate the tentative policy and decisions of the transportation district with respect to the planning, design, location, construction, operation, and financing of transportation facilities.

3. May, when a transportation plan applicable to such a transportation district is adopted, enter into contracts or agreements with an agency that is subject to the jurisdiction of the Washington Metropolitan Area Transit Commission by acquisition of the capital stock or transit facilities and for meeting expenses and obligations in the operations of such facilities.

4. May, when a transportation plan applicable to such transportation district is adopted, enter into contracts or agreements with the counties and cities within the transportation district to provide or cause to be provided transportation facilities and service to such counties and cities.

5. Notwithstanding any other provision in this section to the contrary:

a. May acquire land or any interest therein by purchase, lease, gift, condemnation, or otherwise and provide transportation facilities thereon for use in connection with any transportation service;

b. May acquire land or any interest therein by purchase, lease, gift, condemnation, or otherwise in advance of need for sale or contribution to an agency, for use by that agency in connection with an adopted mass transit plan;

c. May, in accordance with the terms of any grant from or loan by the United States of America or the Commonwealth, or any agency or instrumentality thereof, or when necessary to preserve essential transportation service, acquire transit facilities or any carrier that is subject to the jurisdiction of the Washington Metropolitan Area Transit Commission by acquisition of the capital stock or transit facilities and other assets of any such carrier and shall provide for the performance of transportation by any such carrier or with such transit facilities by contract or lease. However, the contract or lease shall be for a term of no more than one year, renewable for additional terms of similar duration, and, in order to assure acceptable fare levels, may provide for financial assistance by purchase of service, operating subsidies, or otherwise. No such service shall be rendered that will adversely affect transit service rendered by the transit facilities owned or controlled by the agency or any existing private transit or transportation company. When notified by the agency that it is authorized to perform or cause to be performed transportation services with motor vehicle facilities, the commission, upon request by the agency, shall transfer such capital stock or transit facilities to the agency at a price to be agreed upon; and

d. May prepare a plan for mass transportation services with cities, counties, agencies, authorities, or commissions and may further contract with transportation companies, cities, counties, commissions, authorities, agencies, and departments of the Commonwealth and appropriate agencies of the federal government or governments contiguous to the Commonwealth to provide necessary facilities, equipment, operations and maintenance, access, and insurance pursuant to such plan.

C. The provisions of subdivisions B 1 through 4 and subdivisions B 5 b and c shall not apply (i) to any transportation district that may be established on or after July 1, 1986, and that includes any one or more localities that are located within a metropolitan area, but that were not, on January 1, 1986, members of any other transportation district or (ii) to any locality that, after July 1, 1989, joins a transportation district that was established on or before January 1, 1986. The

provisions of this subsection shall apply only to any transportation district or locality that is contiguous to the Northern Virginia Transportation District. Any such district or locality shall be subject to the provisions of subsection A and further may exercise the powers granted by subdivision B 5 a to acquire land or any interest therein by purchase, lease, gift, condemnation, or otherwise and provide transportation facilities thereon for use in connection with any transportation service.

D. Until such time as a commission enters into contracts or agreements with its component governments under the provisions of subdivisions A 4 and B 4 and is receiving revenues thereunder adequate to meet the administrative expenses of the commission after paying or providing for the payment of the obligations arising under said subdivisions, the administrative expenses of the commission shall be borne by the component governments in the manner set forth in this section. The commission annually shall submit to the governing bodies of the component counties and cities a budget of its administrative requirements for the next year.

E. The administrative expenses of the Northern Virginia Transportation Commission, to the extent funds for such expenses are not provided from other sources, shall be allocated among the component governments on the basis of population as reflected by the latest population statistics of the U.S. Census Bureau; however, upon the request of any component government, the commission shall make the allocation upon estimates of population prepared in a manner approved by the commission and by the governing body of the component government making such request. The administrative expenses of the Northern Virginia Transportation Commission, to the extent funds for such expenses are not provided from other sources, shall be allocated among the component governments on the basis of the relative shares of state and federal transit aids allocated by the Commission among its component governments. Such budget shall be limited solely to the administrative expenses of the Commission and shall not include any funds for construction or acquisition of transportation facilities or the performing of transportation service. In addition, the Northern Virginia Transportation Commission annually shall submit to the governing bodies of the component counties and cities a budget of its other expenses and obligations for the ensuing year. Such expenses and obligations shall be borne by the component counties and cities in accordance with prior arrangements made therefor.

F. When a transportation plan has been adopted under subdivision A 4 of § 33.2-1929, the commission shall determine the equitable allocation among the component governments of the costs incurred by the district in providing the transportation facilities proposed in the transportation plan and any expenses and obligations from the operation thereof to be borne by each county and city. In making such determinations, the commission shall consider the cost of the facilities located within each county and city, the population of each county and city, the benefits to be derived by each county and city from the proposed transportation service, and all other factors that the commission determines to be relevant. Such determination, however, shall not create a commitment by the counties and cities, and such commitments shall be created only under the contracts or agreements specified in subdivisions A 4 and B 4.

§ 33.2-1916. Commission control of transportation district.

The commission may exercise exclusive control, notwithstanding any provision of law to the contrary, of matters of regulation of fares, schedules, franchising agreements, and routing of transit facilities within the boundaries of its transportation district; however, the provisions of § 5.1-7 shall be applicable to airport commissions.

§ 33.2-1917. Protection of employees of public transportation systems.

In any county or city, the commission referred to in § 33.2-1915, in addition to other prohibitions, shall not operate any such transit facility, or otherwise provide or cause to be provided any transportation services, unless fair and equitable arrangements have been made for the protection of employees of existing public transportation systems in the transportation district or in the metropolitan area in which the transportation district is located. Such protections shall include (i) assurances of employment to employees of such transportation systems to the fullest extent possible consistent with sound management, and priority of employment or, if terminated or laid off, reemployment; (ii) preservation of rights, privileges, and benefits, including continuation of pension rights and benefits, under existing collective bargaining agreements or otherwise; (iii) continuation of collective bargaining rights; (iv) protection of individual employees against a worsening of their positions with respect to their employment, to the extent provided by 49 U.S.C. § 5333(b), also known as § 13(c) of the Federal Transit Act; and (v) paid training and retraining programs. Such protections shall be specified by the commission in any contract or lease for the acquisition or operation of any such transit facilities or services. The employees of any transit facility operated by the commission shall have the right, in the case of any labor dispute relating to the terms and conditions of their employment for the purpose of resolving such dispute, to submit the dispute to final and binding arbitration by an impartial umpire or board of arbitration acceptable to the parties.

§ 33.2-1918. Background checks of applicants and employees.

A. Any commission created pursuant to this chapter may require any individual who is offered a position of employment with the commission, or with any contractor of the commission when such individual is to be assigned to directly provide transit services to the public under a contract with the commission, to submit to fingerprinting and to provide personal descriptive information to be forwarded along with the individual's fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information regarding such individual. The commission shall bear all costs of obtaining criminal history record information regarding such individual, including expenses incurred by the State Police in connection with such fingerprinting or criminal records check. The commission may require such individual or contractor to reimburse the commission for the cost of the fingerprinting or a criminal records check or both.

B. The Central Criminal Records Exchange, upon receipt of an individual's record or notification that no record exists, shall make a report to the commission's chief administrative officer, who must belong to a governmental entity. The information shall not be disseminated except as provided for in this section.

§ 33.2-1919. Additional powers.

Without limiting or restricting the general powers created by this chapter, the commission may:

- 1. Adopt and have a common seal and alter the seal at pleasure;*
- 2. Sue and be sued;*
- 3. Make regulations for the conduct of its business;*
- 4. Make and enter into all contracts or agreements, as the commission may determine, that are necessary or incidental to the performance of its duties and to the execution of the powers granted under this chapter;*
- 5. Apply for and accept loans and grants of money or materials or property at any time from the United States of America or the Commonwealth or any agency or instrumentality thereof, for itself or as an agent on behalf of the component governments or any one or more of them, and in connection therewith purchase or lease as lessor or lessee any transit facilities required under the terms of any such grant made to enable the commission to exercise its powers under subdivision B 5 of § 33.2-1915;*
- 6. In the name of the commission, and on its behalf, acquire, hold, and dispose of its contract or other revenues;*
- 7. Exercise any power usually possessed by private corporations, including the right to expend, solely from funds provided under this chapter, such funds as may be considered by the commission to be advisable or necessary in the performance of its duties and functions;*
- 8. Employ engineers, attorneys, other professional experts and consultants, and general and clerical employees deemed necessary and prescribe their powers and duties and fix their compensation;*
- 9. Do anything authorized by this chapter under, through, or by its own officers, agents, and employees, or by contracts with any persons;*
- 10. Execute instruments and do anything necessary, convenient, or desirable for the purposes of the commission or to carry out the powers expressly given in this chapter;*
- 11. Institute and prosecute any eminent domain proceedings to acquire any property authorized to be acquired under this title in accordance with the provisions of Chapter 2 (§ 25.1-200 et seq.) of Title 25.1 and subject to the approval of the State Corporation Commission pursuant to § 25.1-102;*
- 12. Invest in if required as a condition to obtaining insurance, participate in, or purchase insurance provided by foreign insurance companies that insure railroad operations, provided this power is available only to those commissions that provide rail services;*
- 13. Notwithstanding the provisions of § 8.01-195.3, contract to indemnify, and to obtain liability insurance to cover such indemnity, any person who is liable, or who may be subjected to liability, regardless of the character of the liability, as a result of the exercise by a commission of any of the powers conferred by this chapter. No obligation of a commission to indemnify any such person shall exceed the combined maximum limits of all liability policies, as defined in subsection C of § 33.2-1927, maintained by the commission; and*
- 14. Notwithstanding any other contrary provision of law, regulate traffic signals and other traffic control devices within the district, through the use of computers and other electronic communication and control devices, so as to effect the orderly flow of traffic and to improve transportation services within the district; however, an agreement concerning the operation of traffic control devices acceptable to all parties shall be entered into between the commission and the Department and all the counties and cities within the transportation district prior to the commencement of such regulation.*

Article 5.

Financing.

§ 33.2-1920. Authority to issue bonds and other obligations.

A. 1. A transportation district may issue bonds or other interest-bearing obligations, as provided in this chapter, for any of its purposes and pay the principal and interest thereon from any of its funds, including any moneys paid to or otherwise received by the district pursuant to any law enacted or any contract or agreement or any grant, loan, or contribution authorized by this chapter. For the purposes of this chapter, bonds include bonds, notes, and other interest-bearing obligations, including notes issued in anticipation of the sale and issuance of bonds.

2. Neither the members of a transportation district nor any person executing the bonds shall be liable personally on the bonds by reason of the issuance thereof. The bonds and other obligations of a district (and such bonds and obligations shall so state on their face) shall not be a debt of the Commonwealth or any political subdivision thereof, and only the district shall be liable thereon. The bonds shall not constitute an indebtedness within the meaning of any debt limitation or restriction except as provided under this section.

B. 1. Bonds of a transportation district shall be authorized by resolution, may be issued in one or more series, shall be dated, shall mature at such times not exceeding 40 years from their dates, shall bear interest at rates determined by the commission, and may be made redeemable before maturity, at the option of the commission at such price or prices and under such terms as the commission fixes prior to issuing the bonds. The commission shall determine the form of the bonds, including any interest coupons to be attached and the manner of execution of the bonds, and shall fix the denominations of the bonds and the places of payment of principal and interest, which may be at any bank or trust company within or outside the Commonwealth. If any officer whose signature or facsimile signature appears on any bonds or coupons ceases to be

such officer before delivery of such bond, such signature or facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such delivery. Notwithstanding any other provisions of this article or any recitals in any bonds issued under the provisions of this article, all such bonds shall be negotiable instruments under the laws of the Commonwealth. The bonds may be issued in coupon or registered form or both, as the commission may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. The transportation district may sell such bonds in such manner, either at public or private sale, and for such price as it may determine to be for the best interests of the district. A transportation district is authorized to enter into indentures or agreements with respect to all such matters, and such indentures or agreements may contain such other provisions as the commission may deem reasonable and proper for the security of the bondholders. The resolution may provide that the bonds shall be payable from and secured by all or any part of the revenues, moneys, or funds of the district as specified therein. Such pledge shall be valid and binding from the time the pledge is made, and such revenues, moneys, and funds so pledged and thereafter received by the district shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act. The lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the district, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust indenture by which a pledge is created need be filed or recorded except in the records of the district. All expenses incurred in carrying out the provisions of such indentures or agreements may be treated as a purpose of the transportation district. A transportation district may issue refunding bonds for the purpose of redeeming or retiring any bonds before or at maturity, including the payment of any premium, accrued interest, and costs or expenses thereof.

2. Prior to the preparation of definitive bonds a transportation district may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. A transportation district may also provide for the replacement of any bonds that have been mutilated, destroyed, or lost.

3. Bonds may be issued pursuant to this article without obtaining the consent of any commission, board, bureau, or agency of the Commonwealth or of any governmental subdivision, and without any referendum, other proceedings, or the happening of other conditions except for those proceedings or conditions that are specifically required by this article.

C. Any holder of bonds, notes, certificates, or other evidence of borrowing issued under this article or of any of the coupons appertaining thereto, and the trustee under any trust indenture or agreement, except to the extent of the rights given in this article may be restricted by such trust indenture or agreement, may, either at law or in equity, by suit, action, injunction, mandamus, or other proceedings, protect and enforce any and all rights under the laws of the Commonwealth or granted by this article or under such trust indenture or agreement or the resolution authorizing the issuance of such bonds, notes, or certificates, and may enforce and compel the performance of all duties required by this article or by such trust indenture or agreement or resolution to be performed by the transportation district or by any officer or agent thereof.

D. The exercise of the powers granted by this article shall be in all respects for the benefit of the inhabitants of the Commonwealth, for the promotion of their safety, health, welfare, convenience, and prosperity, and any facility or service that a transportation district is authorized to provide will constitute the performance of an essential governmental function. The bonds of a district are declared to be issued for an essential public and governmental purpose and their transfer and the income therefrom, including any profit made on the sale thereof, shall at all times be free and exempt from taxation by the Commonwealth and by any governmental subdivision thereof.

E. Bonds issued by a transportation district under this article are securities in which all public officers and public bodies of the Commonwealth and its governmental subdivisions and all insurance companies, trust companies, banks, banking associations, investment companies, executors, administrators, trustees, and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are securities that may properly and legally be deposited with and received by any state or local officer or any agency or governmental subdivision of the Commonwealth for any purpose for which the deposit of bonds or obligations is now or may hereafter be authorized by law.

§ 33.2-1921. Judicial determination of validity of bonds.

The provisions of Article 6 (§ 15.2-2650 et seq.) of Chapter 26 of Title 15.2 apply to all suits, actions, and proceedings of whatever nature involving the validity of bonds issued by a transportation district under the provisions of this article.

Article 6.

Powers and Duties of Localities; Liability of Commonwealth and Localities.

§ 33.2-1922. Contracts and payment thereof.

A. Any county or city embraced by a transportation district is authorized to enter into contracts or agreements with the commission for such transportation district, or with an agency, pursuant to which such transportation district, subject to the limitations contained in this section, or such agency undertakes to provide the transportation facilities specified in a duly adopted transportation plan or to render transportation service. Any obligations arising from such contracts are deemed to be for a public purpose and may be paid for, in the discretion of each county or city, in whole or in part, by appropriations from general revenues or from the proceeds of a bond issue or issues; however, any such contract must specify the annual maximum obligation of any county or city for payments to meet the expenses and obligations of the transportation district or such agency or provide a formula to determine the payment of any such county or city for such expenses and obligations. Each county or city desiring to contract with a transportation district or an agency is authorized to do so, provided it complies with the appropriate provisions of law, and thereafter is authorized to do everything necessary or proper to carry

out and perform every such contract and to provide for the payment or discharge of any obligation thereunder by the same means and in the same manner as any other of its obligations.

B. Except as otherwise provided by law:

1. No bonded debt shall be contracted by any county to finance the payment of any obligations arising from its contracts hereunder unless the voters of such county shall approve by a majority vote of the voters voting in an election the contracting of any such debt, the borrowing of money, and issuance of bonds. Such debt shall be contracted and bonds issued and such election shall be held in the manner provided in and subject to the provisions of the Public Finance Act (§ 15.2-2600 et seq.) relating to counties; and

2. The contracting of debt, borrowing of money, and issuance of bonds by any city to finance the payment of any obligations arising from its contracts hereunder shall be effected in the manner provided in and subject to the provisions of the Public Finance Act (§ 15.2-2600 et seq.) relating to cities.

§ 33.2-1923. Venue.

Every such contract shall be enforceable by the transportation district with which the contract is made, as provided under the laws of the Commonwealth, and, if any such contract is entered into with an agency or is relied upon in a contract between a commission and any such agency, the agency also shall have the right to enforce the contract. The venue for actions on any contract between a transportation district and a component government shall be as specified in subdivision 10 of § 8.01-261. Venue in all other matters arising hereunder shall be as provided by law.

§ 33.2-1924. Acquisition of median strips for transit facilities in interstate highways.

When the district commission, the Commonwealth Transportation Board, and the governing bodies of the component governments determine that the time schedule for construction of any interstate highway, as defined in § 33.2-100, within the district makes it necessary to acquire median strips for transit facilities in such highway prior to the adoption of a transportation plan, each county and city within the district is authorized to pay to the Commonwealth Transportation Board such sums as may be agreed upon among the district commission and such counties and cities to provide the Commonwealth Transportation Board with the necessary matching funds to acquire the median strips. Any such acquisition shall be made by and in the name of the Commonwealth Transportation Board.

§ 33.2-1925. Appropriations.

The governing bodies of counties and cities participating in a transportation district are authorized to appropriate funds for the administrative and other expenses and obligations (i) of the commission of the transportation district, as provided in subsection D of § 33.2-1915, (ii) of an agency, and (iii) for such other purposes as may be specified in a law creating a transportation district.

§ 33.2-1926. Powers granted are in addition to all other powers.

The powers conferred by this chapter on counties and cities are in addition and supplemental to the powers conferred by any other law, and may be exercised by resolution or ordinance of the governing bodies thereof, as required by law, without regard to the terms, conditions, requirements, restrictions, or other provisions contained in any other law, general or special, or in any charter.

§ 33.2-1927. Liabilities of Commonwealth, counties, and cities.

A. Except for claims cognizable under the Virginia Tort Claims Act, Article 18.1 (§ 8.01-195.1 et seq.) of Chapter 3 of Title 8.01, no pecuniary liability of any kind shall be imposed on the Commonwealth or upon any county or city constituting any part of any transportation district because of any act, agreement, contract, tort, malfeasance, misfeasance, or nonfeasance by or on the part of the commission of such transportation district, or any commission member, or its agents, servants, and employees, except as otherwise provided in this chapter with reference to contracts and agreements between the commission or interstate agency and any county or city.

B. Except for claims cognizable under the Virginia Tort Claims Act, Article 18.1 (§ 8.01-195.1 et seq.) of Chapter 3 of Title 8.01, the obligations and any indebtedness of a commission shall not be in any way a debt or liability of the Commonwealth, or of any county or city in whole or in part embraced by the transportation district, and shall not create or constitute any indebtedness, liability, or obligation of the Commonwealth or of any such county or city, legal, moral, or otherwise, and nothing in this chapter contained shall be construed to authorize a commission or district to incur any indebtedness on behalf of or in any way to obligate the Commonwealth or any county or city in whole or in part embraced by the transportation district; however, any contracts or agreements between the commission and any county or city provided for in subdivisions A 4 and B 4 of § 33.2-1915 shall inure to the benefit of any creditor of the transportation district or, when applicable, to an agency as therein provided.

C. For purposes of this section, "liability policy," as it is used in the Virginia Tort Claims Act, specifically includes any program of self-insurance maintained by a district and administered by the Department of the Treasury's Division of Risk Management.

Article 7.

Planning Process and Procedures.

§ 33.2-1928. Planning process.

A. In performing the duties imposed under subsections A and B of § 33.2-1915, the commission shall cooperate with the governing bodies of the counties and cities embraced by the transportation district and agencies thereof, with the Commonwealth Transportation Board, and with an agency of which members of the district commission are also members,

to the end that the plans, decisions, and policies for transportation shall be consistent with and shall foster the development and implementation of the general plans and policies of the counties and cities for their orderly growth and development.

B. Each commission member shall serve as the liaison between the commission and the body by which he was appointed, and those commission members who are also members of an agency shall provide liaison between the district commission and such agency, to the end that the district commission, its component governments, the Commonwealth Transportation Board, and any such agency shall be continuously, comprehensively, and mutually advised of plans, policies, and actions requiring consideration in the planning for transportation and in the development of planned transportation facilities.

C. To assure that planning, policy, and decision-making are consistent with the development plans for the orderly growth of the counties and cities and coordinated with the plans and programs of the Commonwealth Transportation Board and are based on comprehensive data with respect to current and prospective local conditions, including land use, economic and population factors, the objectives for future urban development, and future travel demands generated by such considerations, the commission may:

1. Create, subject to their appointment, technical committees from the personnel of the agencies of the counties and cities and from the Commonwealth Transportation Board concerned with planning, collection, and analysis of data relevant to decision-making in the transportation planning process. Appointments to such technical committees, however, are to be made by the governing bodies of the counties and cities and by the Commonwealth Transportation Board; or

2. If the transportation district is located within an area that has an organized planning process created in conformance with the provisions of 23 U.S.C. § 134, utilize the technical committees created for such planning process.

D. The commission, on behalf of the counties and cities within the transportation district, but only upon their direction, is authorized to enter into the written agreements specified in 23 U.S.C. § 134 to assure conformance with the requirements of that law for continuous, comprehensive transportation planning.

§ 33.2-1929. Procedures.

A. To ensure that the planning process specified in § 33.2-1928 is effectively and efficiently utilized, the commission shall conform to the following procedures and may prescribe such additional procedures as it deems advisable:

1. Commission meetings shall be held at least monthly and more often in the discretion of the commission, as the proper performance of its duties requires.

2. At such meetings the commission shall receive and consider reports from:

a. Its members who are also members of an agency, as to the status and progress of the work of such agency, and if the commission deems that such reports are of concern to them, shall fully inform its component governments, committees, and the Commonwealth Transportation Board with respect thereto, as a means of developing the informed views requisite for sound policy-making; and

b. Its members, technical and other committees, members of the governing bodies of the component governments, and consultants, presenting and analyzing studies and data on matters affecting the making of policies and decisions on a transportation plan and the implementation thereof.

3. The objective of the procedures specified in this section is to develop agreement, based on the best available information, among the district commission, the governing bodies of the component governments, the Commonwealth Transportation Board, and an interstate agency with respect to the various factors that affect the making of policies and decisions relating to a transportation plan and the implementation thereof. If any material disagreements occur in the planning process with respect to objectives and goals, the evaluation of basic data, or the selection of criteria and standards to be applied in the planning process, the commission shall exert its best efforts to bring about agreement and understanding on such matters. The commission may hold hearings in an effort to resolve any such basic controversies.

4. Before a transportation plan is adopted, altered, revised, or amended by the commission or by an agency on which it is represented, the commission shall transmit such proposed plan, alteration, revision, or amendment to the governing bodies of the component governments, to the Commonwealth Transportation Board, and to its technical committees and shall release to the public information with respect thereto. A copy of the proposed transportation plan, amendment, or revision shall be kept at the commission office and shall be available for public inspection. Upon 30 days' notice, published once a week for two successive weeks in one or more newspapers of general circulation within the transportation district, a public hearing shall be held on the proposed plan, alteration, revision, or amendment. The 30 days' notice period shall begin to run on the first day the notice appears in any such newspaper. The commission shall consider the evidence submitted and statements and comments made at such hearings and, if objections in writing to the whole or any part of the plan are made by the governing body of any component government, or by the Commonwealth Transportation Board, or if the commission considers any written objection made by any other person, group, or organization to be sufficiently significant, the commission shall reconsider the plan, alteration, revision, or amendment. If, upon reconsideration, the commission agrees with the objection, then the commission shall make appropriate changes to the proposed plan, alteration, revision, or amendment and may adopt them without further hearing. If, upon reconsideration, the commission disagrees with the objection, the commission may adopt the plan, alteration, revision, or amendment. No facilities shall be located in and no service rendered, however, within any county or city that does not execute an appropriate agreement with the commission or with an interstate agency as provided in § 33.2-1922; but in such case, the commission shall determine whether the absence of such an agreement so materially and adversely affects the feasibility of the transportation plan as to require its modification or abandonment.

Article 8.

*Enlargement of Transportation Districts.***§ 33.2-1930. Procedure for enlargement.**

A transportation district may be enlarged to include any additional county or part thereof, or city or part thereof, contiguous thereto, upon such terms and conditions, consistent with the provisions of this chapter, as may be agreed upon by the commission and such additional county or city and in conformance with the following procedures. The governing body of the county or city shall adopt an ordinance specifying the area to be enlarged, containing the finding specified in § 33.2-1903 and a statement that a contract or agreement between the county or city and the commission specifying the terms and conditions of admittance to the transportation district has been executed. The ordinance, to which shall be attached a certified copy of the contract, shall be filed with the Secretary of the Commonwealth. Upon certification by the Secretary of the Commonwealth to the Tax Commissioner, the commissioner, and the governing bodies of each of the component counties and cities that the ordinance required by this section has been filed and that its terms conform to the requirements of this section, the additional county or part thereof, or city or part thereof, upon the entry of such certification in the minutes of the proceedings of the governing body of such county or city, shall become a component government of the transportation district and part of the transportation district.

Article 9.

*Withdrawal from Transportation District.***§ 33.2-1931. Resolution or ordinance.**

A county or city may withdraw from the transportation district by resolution or ordinance, as may be appropriate, adopted by a majority vote of its governing body. The withdrawal of any county or city shall not be effective until the resolution or ordinance of withdrawal is filed with the transportation district commission and with the Secretary of the Commonwealth.

§ 33.2-1932. Financial obligations.

The withdrawal from the transportation district of any county or city shall not relieve the county or city from any obligation or commitment made or incurred while a district member.

Article 10.

*Exemption from Taxation; Tort Liability.***§ 33.2-1933. Public purpose; exemption from taxation.**

It is hereby found, determined, and declared that the creation of any transportation district hereunder and the carrying out of the corporate purposes of any such transportation district is in all respects for the benefit of the people of the Commonwealth and is a public purpose and that the transportation district and the commission will be performing an essential governmental function in the exercise of the powers conferred by this chapter. Accordingly, the transportation district shall not be required to pay taxes or assessments upon any of the property acquired by it or under its jurisdiction, control, possession, or supervision or upon its activities in the operation and maintenance of any transportation facilities or upon any revenues therefrom, and the property and the income derived therefrom shall be exempt from all state, municipal, and local taxation. This exemption shall include all motor vehicle license fees, motor vehicle sales and use taxes, retail sales and use taxes, and motor fuel taxes. The governing body of any political subdivision within a transportation district may refund in whole or in part any payments for taxes or license fees or abate in whole or in part any assessments for taxes or license fees on any property exempt from taxation or license fees under this section that were assessed and levied prior to the acquisition of any transportation facilities by a transportation district.

§ 33.2-1934. Liability for torts.

Every district shall be liable for its torts and those of its officers, employees, and agents committed in the conduct of any proprietary function but shall not be liable for any torts occurring in the performance of a governmental function. However, this section shall not apply to a transportation district subject to the provisions of the Virginia Tort Claims Act (§ 8.01-195.1 et seq.).

Article 11.

*Construction of Chapter.***§ 33.2-1935. Liberal construction.**

This chapter, being necessary for the welfare of the Commonwealth and its inhabitants, shall be liberally construed to effect the purposes thereof.

CHAPTER 20.

LOCAL TRANSPORTATION DISTRICTS.

§ 33.2-2000. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Commission" means the governing body of a local transportation district created pursuant to this chapter.

"Cost" means all or any part of the cost of the following:

1. Acquisition, construction, reconstruction, alteration, landscaping, utilities, parking, conservation, remodeling, equipping, or enlarging of transportation improvements or any portion thereof;
2. Acquisition of land, rights-of-way, property rights, easements, and interests for construction, alteration, or expansion of transportation improvements;

3. Demolishing or relocating any structure on land so acquired, including the cost of acquiring any lands to which such structure may be relocated;
4. All labor, materials, machinery, and equipment necessary or incidental to the construction or expansion of a transportation improvement;
5. Financing charges, insurance, interest, and reserves for interest on all bonds prior to and during construction and, if deemed advisable by the commission, for a reasonable period after completion of such construction;
6. Reserves for principal and interest;
7. Reserves for extensions, enlargements, additions, replacements, renovations, and improvements;
8. Provisions for working capital;
9. Engineering and architectural expenses and services, including surveys, borings, plans, and specifications;
10. Subsequent addition to or expansion of any project and the cost of determining the feasibility or practicability of such construction;
11. Financing construction of, addition to, or expansion of transportation improvements and placing them in operation; and
12. Expenses incurred in connection with the creation of the district, not to exceed \$150,000.

"District" means any district created pursuant to this chapter.

"District advisory board" or "advisory board" means the board appointed pursuant to this chapter.

"Federal agency" means the United States of America or any department, bureau, agency, or instrumentality thereof.

"Locality" means any county or city.

"Owner" or "landowner" means the person that has the usufruct, control, or occupation of the taxable real property as determined, pursuant to § 58.1-3281, by the commissioner of the revenue of the locality in which the subject real property is located.

"Revenue" means any or all fees, tolls, rents, receipts, assessments, taxes, money, and income derived by the district, including any cash contribution or payments made to the district by the Commonwealth, any political subdivision thereof, or any other source.

"Transportation improvements" means any real or personal property acquired, constructed, improved, or used in constructing or improving any (i) public mass transit system or (ii) highway, or portion or interchange thereof, including parking facilities located within a district created pursuant to this chapter. Such improvements include public mass transit systems, public highways, and all buildings, structures, approaches, and facilities thereof and appurtenances thereto, rights-of-way, bridges, tunnels, stations, terminals, and all related equipment and fixtures.

§ 33.2-2001. Creation of district.

A. A district may be created in a single locality or in two or more contiguous localities. If created in a single locality, a district shall be created by a resolution of the local governing body. If created in two or more contiguous localities, a district shall be created by the resolutions of each of the local governing bodies. Any such resolution shall be considered only upon the petition, to each local governing body of the locality in which the proposed district is to be located, of the owners of at least 51 percent of either the land area or the assessed value of land in each locality that (i) is within the boundaries of the proposed district and (ii) has been zoned for commercial or industrial use or is used for such purposes. Any proposed district within a county or counties may include any land within a town or towns within the boundaries of such county or counties.

B. The petition to the local governing body or bodies shall:

1. Set forth the name and describe the boundaries of the proposed district;
2. Describe the transportation improvements proposed within the district;
3. Propose a plan for providing such transportation improvements within the district and describe specific terms and conditions with respect to all commercial and industrial zoning classifications and uses, densities, and criteria related thereto which the petitioners request for the proposed district;
4. Describe the benefits that can be expected from the provision of such transportation improvements within the district; and
5. Request the local governing body or bodies to establish the proposed district for the purposes set forth in the petition.

C. Upon the filing of such a petition, each local governing body shall fix a day for a hearing on the question of whether the proposed district shall be created. The hearing shall consider whether the residents and owners of real property within the proposed district would benefit from the establishment of the proposed district. All interested persons who either reside in or own taxable real property within the proposed district shall have the right to appear and show cause why any property or properties should not be included in the proposed district. If real property within a town is included in the proposed district, the governing body shall deliver a copy of the petition and notice of the public hearing to the town council at least 30 days prior to the public hearing, and the town council may by resolution determine if it wishes such property located within the town to be included within the proposed district and shall deliver a copy of any such resolution to the local governing body at the public hearing required by this section. Such resolution shall be binding upon the local governing body with respect to the inclusion or exclusion of such properties within the proposed district. The petition shall comply with the provisions of this section with respect to minimum acreage or assessed valuation. Notice of the hearing shall be

given by publication once a week for three consecutive weeks in a newspaper of general circulation within the locality. At least 10 days shall intervene between the third publication and the date set for the hearing.

D. If each local governing body finds the creation of the proposed district would be in furtherance of the locality's comprehensive plan for the development of the area, in the best interests of the residents and owners of real property within the proposed district, and in furtherance of the public health, safety, and welfare, then each local governing body may pass a resolution, which shall be reasonably consistent with the petition, creating the district and providing for the appointment of an advisory board in accordance with this chapter. The resolution shall provide a description with specific terms and conditions of all commercial and industrial zoning classifications that shall be in force in the district upon its creation, together with any related criteria and a term of years, not to exceed 20 years, as to which each zoning classification and each related criterion set forth therein shall remain in force within the district without elimination, reduction, or restriction, except (i) upon the written request or approval of the owner of any property affected by a change or (ii) as specifically required to comply with state or federal law.

Each resolution creating a district shall also provide (a) that the district shall expire 35 years from the date upon which the resolution is passed or (b) that the district shall expire when the district is abolished in accordance with § 33.2-2014. After the public hearing, each local governing body shall deliver a certified copy of its proposed resolution creating the district to the petitioning landowners or their attorneys-in-fact. Any petitioning landowner may then withdraw his signature on the petition, in writing, at any time prior to the vote of the local governing body. In the case where any signatures on the petition are withdrawn, the local governing body may pass the proposed resolution only upon certification that the petition continues to meet the provisions of this section. After all local governing bodies have adopted resolutions creating the district, the district shall be established and the name of the district shall be "The Transportation Improvement District."

§ 33.2-2002. Commission to exercise powers of the district.

The powers of a district created pursuant to this chapter shall be exercised by a commission. The commission shall consist of four members of the governing body of each locality in which the district is located, appointed by their respective local governing bodies. In addition to the members from each locality, the Chairman of the Commonwealth Transportation Board or his designee shall be a member of the commission of any district created pursuant to this chapter.

The commission shall elect a chairman from its membership. The chairman may be the chairman or presiding officer of a local governing body. In addition, the commission, with the advice of the district advisory board, shall elect a secretary and a treasurer, who may be members or employees of any local governing body or other governmental body. The offices of secretary and treasurer may be combined. A majority of the commission members shall constitute a quorum, and a majority vote shall be necessary for any action taken by the commission. No vacancy in the membership of the commission shall impair the right of a majority of the members to form a quorum or to exercise all of its rights, powers, and duties.

§ 33.2-2003. Powers and duties of commission.

The commission shall:

1. Construct, reconstruct, alter, improve, expand, make loans or otherwise provide financial assistance to, and operate transportation improvements in the district for the use and benefit of the public.

2. Acquire by gift, purchase, lease, in-kind contribution to construction costs, or otherwise any transportation improvements in the district and sell, lease as lessor, transfer, or dispose of any part of any transportation improvements in such manner and upon such terms as the commission may determine to be in the best interests of the district. However, prior to disposing of any such property or interest therein, the commission shall conduct a public hearing with respect to such disposition. At the hearing, the residents and owner of property within the district shall have an opportunity to be heard. At least 10 days' notice of the time and place of such hearing shall be published in a newspaper of general circulation in the district, as prescribed by the commission. Such public hearing may be adjourned from time to time.

3. Negotiate and contract with any person with regard to any matter necessary and proper to provide any transportation improvements, including the financing, acquisition, construction, reconstruction, alteration, improvement, expansion, or maintenance of any transportation improvements in the district.

4. Enter into a continuing service contract for a purpose authorized by this chapter and make payments of the proceeds received from the special taxes levied pursuant to this chapter, together with any other revenues, for installments due under that service contract. The district may apply such payments annually during the term of that service contract in an amount sufficient to make the installment payments due under that contract, subject to the limitation imposed by this chapter. However, payments for any such service contract shall be conditioned upon the receipt of services pursuant to the contract. Such a contract shall not obligate a locality to make payments for services of the district.

5. Accept the allocations, contributions, or funds of any available source or reimburse from any available source, including any person, for the whole or any part of the costs, expenses, and charges incident to the acquisition, construction, reconstruction, maintenance, alteration, improvement, or expansion of any transportation improvements in the district.

6. Contract for the extension and use of any public mass transit system or highway into territory outside the district on such terms and conditions as the commission determines.

7. Employ and fix the compensation of personnel who may be deemed necessary for the construction, operation, or maintenance of any transportation improvements in the district.

8. Have prepared an annual audit of the district's financial obligations and revenues, and upon review of such audit, request a tax rate adequate to provide tax revenues that, together with all other revenues, are required by the district to fulfill its annual obligations.

§ 33.2-2004. Appointment of district advisory boards.

Within 30 days after the establishment of a district under this chapter, the local governing body from each locality within which any portion of the district is located shall appoint six members to a district advisory board. Three of the six members from each locality shall be chosen by the local governing body from nominations submitted to the local governing body by the petitioners. All members shall own or represent commercially or industrially zoned property within the district. Each member shall be appointed for a term of four years, except the initial appointment of advisory board members shall provide that the terms of three of the members shall be for two years. If a vacancy occurs with respect to an advisory board member initially appointed by a local governing body, or any successor of such a member, the local governing body shall appoint a new member who is a representative or owner of commercially or industrially zoned property within the local district. If a vacancy occurs with respect to an advisory board member initially nominated by the petitioners, or any successor thereof, the remaining advisory board members initially nominated by the petitioners, or their successors, shall nominate a new member for selection by the local governing body.

District advisory board members shall serve without pay, but the local governing body shall provide the advisory board with facilities for the holding of meetings, and the commission shall appropriate funds needed to defray the reasonable expenses and fees of the advisory board that shall not exceed \$20,000 annually, including expenses and fees arising out of the preparation of the annual report. Such appropriations shall be based on an annual budget submitted by the board, and approved by the commission, sufficient to carry out its responsibilities under this chapter. The advisory board shall elect a chairman and a secretary and such other officers as it deems necessary. The advisory board shall fix the time for holding regular meetings, but it shall meet at least once every year. Special meetings of the advisory board shall be called by the chairman or by two members of the advisory board upon written request to the secretary of the advisory board. A majority of the members shall constitute a quorum.

The advisory board shall present an annual report to the commission on the transportation needs of the district and on the activities of the advisory board, and the advisory board shall present special reports on transportation matters as requested by the commission or the local governing body concerning taxes to be levied pursuant to this chapter.

§ 33.2-2005. Annual special improvements tax; use of revenues.

Upon the written request of the commission made concurrently to the local governing body or bodies pursuant to this chapter, each local governing body may levy and collect an annual special improvements tax on taxable real estate zoned for commercial or industrial use or used for such purposes and taxable leasehold interests in that portion of the improvement district within its jurisdiction. Notwithstanding the provisions of Article 4 (§ 58.1-3229 et seq.) of Chapter 32 of Title 58.1, the tax shall be levied on the assessed fair market value of the taxable real property. The rate of the special improvements tax shall not be more than 20 cents (\$0.20) per \$100 of the assessed fair market value of any taxable real estate or the assessable value of taxable leasehold property as specified by § 58.1-3203; however, if all the owners in any district so request in writing, this limitation on rate shall not apply. Such special improvements taxes shall be collected at the same time and in the same manner as the locality's taxes are collected, and the proceeds shall be kept in a separate account. The effective date of the initial assessment shall be January 1 of the year following adoption of the resolution creating the district. All revenues received by each locality pursuant to such taxes shall be paid to or at the direction of the district commission for its use pursuant to this chapter.

§ 33.2-2006. Agreements with Commonwealth Transportation Board; payment of special improvements tax to Transportation Trust Fund.

A. The district may contract with the Commonwealth Transportation Board for the Commonwealth Transportation Board to perform any of the purposes of the district.

The district may agree by contract to pay all or a portion of the special improvements tax to the Commonwealth Transportation Board.

Prior to executing any such contract, the district shall seek the agreement of each local governing body creating the district that the locality's officer charged with the responsibility for preparing the locality's annual budget shall submit in the budget for each fiscal year in which any Commonwealth of Virginia Transportation Contract Revenue Bonds issued for such district are outstanding all amounts to be paid to the Commonwealth Transportation Board under such contract during such fiscal year.

If the amount required to be paid to the Commonwealth Transportation Board under the contract is not so paid for a period of 60 days after such amount is due, the Commonwealth Transportation Board shall, until such amount has been paid, withhold sufficient funds from funds appropriated and allocated, pursuant to Article 5 (§ 33.2-351 et seq.) of Chapter 3, to the highway construction district in which the transportation improvements covered by such contract are located or to such locality in which such transportation improvements are located and to use such funds to satisfy the contractual requirements.

B. While nothing in this chapter shall limit the authority of any locality to change the classification of property zoned for commercial or industrial use or used for such purpose upon the written request or approval of the owner of any property affected by such change after the effective date of any such contract, should a change in zoning classification so requested

result in a shortfall in the total annual revenues from the imposition of the special improvements tax and the payments required to be made to the Commonwealth Transportation Board pursuant to the contract, the district shall request the local governing body to increase the rate of such tax by such amount up to the maximum authorized rate as may be necessary to prevent such shortfall. If, however, a deficit remains after any rezoning and adjustment of the tax rate or the rate is at the maximum authorized rate and cannot be increased, then the amount of funds otherwise appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project covered by such contract is located or to such county or counties in which such project is located shall be reduced by the amount of such deficit and used to satisfy the deficit.

§ 33.2-2007. Jurisdiction of localities and officers, etc., not affected.

Neither the creation of a district nor any other provision in this chapter shall affect the power, jurisdiction, or duties of the respective local governing bodies; sheriffs; treasurers; commissioners of the revenue; circuit, district, or other courts; clerks of any court; magistrates; or any other local or state officer in regard to the area embraced in any district or restrict or prevent any locality or town, or its governing body, from imposing and collecting taxes or assessments for public improvements as permitted by law. Any locality that creates a district pursuant to this chapter may obligate itself with respect to the zoning ordinances, zoning ordinance text, and regulations relating thereto for all commercial and industrial classifications within the district as provided in this chapter for a term not to exceed 20 years from the date on which such district is created.

§ 33.2-2008. Allocation of funds to districts.

The governing body of any locality in which a district has been created pursuant to this chapter may advance funds or provide matching funds from money not otherwise specifically allocated or obligated. Such funds may be received or generated from whatever source, including general revenues, special fees and assessments, state allocations, and contributions from private sources to a local district to assist the local district to undertake the transportation improvements for which it was created. To assist the district with an approved transportation improvement, the Commonwealth Transportation Board may allocate to a district created pursuant to this chapter only funds allocated, pursuant to Article 5 (§ 33.2-351 et seq.) of Chapter 3, and subsection A of § 58.1-638, to the construction districts and localities in which such transportation district is located.

§ 33.2-2009. Reimbursement for advances to district.

To the extent that a locality or town has made advances to the district, the commission shall direct the district treasurer to reimburse the locality or town from any district funds not otherwise specifically allocated or obligated.

§ 33.2-2010. Cooperation between districts and other political subdivisions.

Any district created pursuant to this chapter may enter into agreements with localities, towns, or other political subdivisions of the Commonwealth for joint or cooperative action in accordance with the authority contained in § 15.2-1300.

§ 33.2-2011. Tort liability.

No pecuniary liability of any kind shall be imposed upon the Commonwealth or any locality, town, or landowner therein because of any act, agreement, contract, tort, malfeasance, misfeasance, or nonfeasance by or on the part of a district or its agents, servants, or employees.

§ 33.2-2012. Approval by Commonwealth Transportation Board.

The district shall not construct or improve a transportation improvement without the approval of both the Commonwealth Transportation Board and the locality in which the transportation improvement will be located. At the request of the commission, the Commissioner of Highways may exercise the powers of condemnation provided in Chapter 2 (§ 25.1-200 et seq.) of Title 25.1, Article 1 (§ 33.2-1000 et seq.) of Chapter 10, or § 33.2-705 for the purpose of acquiring property for transportation improvements within the district.

Upon completion of such construction or improvement, the Commonwealth Transportation Board shall take any affected public highway into the appropriate state highway system for purposes of maintenance and subsequent improvements as necessary. Upon acceptance by the Commonwealth of such highway into a state highway system, all rights, title, and interest in the right-of-way and improvements of any affected highway shall vest in the Commonwealth. Upon completion of construction or improvement of a mass transit system, all rights, title, and interest in the right-of-way and improvements of such mass transit system shall vest in an agency or instrumentality of the Commonwealth designated by the Commonwealth Transportation Board.

§ 33.2-2013. Enlargement of local districts.

The district shall be enlarged by resolution of the local governing body upon the petitions of the district commission and the owners of at least 51 percent of either the land area or assessed value of land of the district within each locality and of at least 51 percent of either the land area or assessed value of land located within the territory sought to be added to the district. However, any such territory shall be contiguous to the existing district. The petition shall present the information required by § 33.2-2001. Upon receipt of such a petition, the locality shall use the standards and procedures provided in § 33.2-2001, except that the residents and owners of both the existing district and the area proposed for the enlargement shall have the right to appear and show cause why any property should not be included in the proposed district.

If the local governing body finds the enlargement of a local district would be in accordance with the applicable comprehensive plan for the development of the area, in the best interests of the residents and owners of the property within

the proposed district, and in furtherance of the public health, safety, and general welfare, and if the local governing body finds that enlargement of the district does not limit or adversely affect the rights and interests of any party that has contracted with the district, the local governing body may pass a resolution providing for the enlargement of the district.

§ 33.2-2014. Abolition of local transportation districts.

A. Any district created pursuant to this chapter may be abolished by resolutions passed by each local governing body within whose locality any portion of the district lies, upon the joint petition of the commission and the owners of at least 51 percent of the land area located within the district in each locality. Joint petitions shall:

1. State whether the purposes for which the district was formed have been substantially achieved;
2. State whether all obligations incurred by the district have been fully paid;
3. Describe the benefits that can be expected from the abolition of the district; and
4. Request each affected local governing body to abolish the district.

B. Upon receipt of such a petition, each local governing body, in considering the abolition of the district, shall use the standards and procedures described in § 33.2-2001 *mutatis mutandis*, except that all interested persons who either reside on or who own real property within the boundaries of the district shall have the right to appear and show cause why the district should not be abolished.

C. If each local governing body finds that (i) the abolition of the district is in accordance with the applicable locality's comprehensive plan for the development of the area; (ii) the abolition of the district is in the best interests of the residents and owners of the property within the district; (iii) the abolition of the district is in furtherance of the public health, safety, and welfare; and (iv) all debts of the district have been paid and the purposes of the district either have been, or should not be, fulfilled or finds that each local governing body with the approval of the voters of each locality has agreed to assume the debts of the district, then each local governing body may pass a resolution abolishing the district and the district advisory board. Upon abolition of the district, the title to all funds and properties owned by the district at the time of such dissolution shall vest in the locality in which the district or portion thereof was located.

§ 33.2-2015. Chapter to constitute complete authority for acts authorized; liberal construction.

This chapter shall constitute complete authority for the district to take the actions authorized in this chapter. This chapter, being necessary for the welfare of the Commonwealth and its inhabitants, shall be liberally construed to effect its purposes. Any court test concerning the validity of any bonds that may be issued for transportation improvements made pursuant to this chapter may be determined pursuant to Article 6 (§ 15.2-2650 *et seq.*) of Chapter 26 of Title 15.2.

CHAPTER 21.

TRANSPORTATION DISTRICTS WITHIN CERTAIN COUNTIES.

§ 33.2-2100. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Commission" means the governing body of a local transportation improvement district created pursuant to this chapter;

"Cost" means all or any part of the following:

1. Acquisition, construction, reconstruction, alteration, landscaping, utilities, parking, conservation, remodeling, equipping, or enlarging of transportation improvements or any portion thereof;
2. Acquisition of land, rights-of-way, property rights, easements, and interests for construction, alteration, or expansion of transportation improvements;
3. Demolishing or relocating any structure on land so acquired, including the cost of acquiring any lands to which such structure may be relocated;
4. All labor, materials, machinery, and equipment necessary or incidental to the construction or expansion of a transportation improvement;
5. Financing charges, insurance, interest, and reserves for interest on all bonds prior to and during construction and, if deemed advisable by the commission, for a reasonable period after completion of such construction;
6. Reserves for principal and interest;
7. Reserves for extensions, enlargements, additions, replacements, renovations, and improvements;
8. Provisions for working capital;
9. Engineering and architectural expenses and services, including surveys, borings, plans, and specifications;
10. Subsequent addition to or expansion of any project and the cost of determining the feasibility or practicability of such construction;
11. Financing construction of, addition to, or expansion of transportation improvements and operating such improvements; and
12. Expenses incurred in connection with the creation of the district, not to exceed \$150,000.

"County" means any county having a population of more than 500,000.

"District" means any transportation improvement district created pursuant to this chapter.

"District advisory board" or "advisory board" means the board appointed pursuant to § 33.2-2104.

"Federal agency" means the United States of America or any department, bureau, agency, or instrumentality thereof.

"Governing body" means the governing body of a county.

"Owner" or "landowner" means the person that is assessed with real property taxes pursuant to § 58.1-3281 by the commissioner of the revenue or other assessing officer of the locality in which the subject real property is located.

"Participating town" means a town that has real property within its boundaries included within a district created pursuant to this chapter.

"Revenue" means any or all fees, tolls, rents, receipts, assessments, taxes, money, and income derived by the district, including any cash contribution or payments made to the district by the Commonwealth, any political subdivision thereof, or any other source.

"Transportation improvements" means any real or personal property acquired, constructed, improved, or used for constructing, improving, or operating any (i) public mass transit system or (ii) highway, or portion or interchange thereof, including parking facilities located within a district created pursuant to this chapter. "Transportation improvements" includes public mass transit systems, public highways, and all buildings, structures, approaches, and facilities thereof and appurtenances thereto, rights-of-way, bridges, tunnels, stations, terminals, and all related equipment and fixtures.

§ 33.2-2101. Creation of district.

A. A district may be created in a county by a resolution of the governing body. Any such resolution shall be considered only upon the petition, to the governing body, of the owners of at least 51 percent of either the land area or the assessed value of real property that (i) is within the boundaries of the proposed district, (ii) has been zoned for commercial or industrial use or is used for such purposes, and (iii) would be subject to the annual special improvement tax authorized by § 33.2-2105 if the proposed district is created. Any proposed district within a county may include any real property within a town or towns within the boundaries of such county.

B. The petition to the governing body shall:

1. Set forth the name and describe the boundaries of the proposed district;
2. Describe the transportation improvements proposed within the district;
3. Propose a plan for providing such transportation improvements within the district and describe specific terms and conditions with respect to all commercial and industrial zoning classifications and uses, densities, and criteria related thereto that the petitioners request for the proposed district;
4. Describe the benefits that can be expected from the provision of such transportation improvements within the district; and
5. Request the governing body to establish the proposed district for the purposes set forth in the petition.

C. Upon the filing of such a petition, the governing body shall fix a day for a hearing on the question of whether the proposed district shall be created. The hearing shall consider whether the residents and owners of real property within the proposed district would benefit from the establishment of the proposed district. All interested persons who either reside in or own taxable real property within the proposed district shall have the right to appear and show cause why any property or properties should not be included in the proposed district. If real property within a town is included in the proposed district, a copy of the petition and notice of the public hearing shall be delivered to the town council at least 30 days prior to the public hearing, and the town council may by resolution determine if the town council wishes any property located within the town to be included within the proposed district and any such resolution shall be delivered to the governing body prior to the public hearing required by this section. Such resolution shall be binding upon the governing body with respect to the inclusion or exclusion of such properties within the proposed district. If that resolution permits any commercial or industrial property located within a town to be included in the proposed district, then if requested to do so by the petition the town council of any town that has adopted a zoning ordinance also shall pass a resolution, to be effective upon creation of the proposed district, that is consistent with the requirements of subsection E with respect to commercial and industrial zoning classifications that shall be in force in that portion of the town included in the district. The petition shall comply with the provisions of this section with respect to minimum acreage or assessed valuation. Notice of the hearing shall be given by publication once a week for three consecutive weeks in a newspaper of general circulation within the locality. At least 10 days shall intervene between the third publication and the date set for the hearing. Such public hearing may be adjourned from time to time.

D. If the governing body finds the creation of the proposed district would be in furtherance of the county's comprehensive plan for the development of the area, in the best interests of the residents and owners of real property within the proposed district, and in furtherance of the public health, safety, and welfare, the governing body may pass a resolution that is reasonably consistent with the petition, that creates the district upon final adoption, and that provides for the appointment of an advisory board in accordance with this chapter upon final adoption. Any such resolution shall be conclusively presumed to be reasonably consistent with the petition if, following the public hearing, as provided in the following provisions of this section, the petition continues to comply with the provisions of this section with respect to the criteria relating to minimum acreage or assessed valuation.

E. The resolution shall provide a description with specific terms and conditions of all commercial and industrial zoning classifications that apply within the district, but not within any town within the district that has adopted a zoning ordinance, that shall be in force in the district upon its creation, together with any related criteria and a term of years, not to exceed 20 years, as to which each such zoning classification and each related criterion set forth therein shall remain in force within the district without elimination, reduction, or restriction, except (i) upon the written request or approval of the owner of any property affected by a change, (ii) as required to comply with the provisions of the Chesapeake Bay Preservation Act (§ 62.1-44.15:67 et seq.) or the regulations adopted pursuant thereto, (iii) as required to comply with the provisions of the federal Clean Water Act regarding municipal and industrial stormwater discharges (33 U.S.C. § 1342(p))

and regulations promulgated thereunder by the federal Environmental Protection Agency, or (iv) as specifically required to comply with any other state or federal law.

F. A resolution creating a district shall also provide (i) that the district shall expire 50 years from the date upon which the resolution is passed or (ii) that the district shall expire when the district is abolished in accordance with § 33.2-2115. After the public hearing, the governing body may adopt a proposed resolution creating the district. No later than two business days following the adoption of the proposed resolution, copies of the proposed resolution shall be available in the office of the clerk of the governing body for inspection and copying by the petitioning landowners and their representatives, by members of the public, and by representatives of the news media. No later than seven business days following the adoption of the proposed resolution, any petitioning landowner may notify the clerk of the governing body in writing that the petitioning landowner is withdrawing his signature from the petition. Within the same seven-day period, the owner of any property in the proposed district that will be subject to the annual special improvements tax authorized by § 33.2-2105, if the proposed district is created, or the attorney-in-fact of any such owner may notify the clerk of the governing body in writing that he is adding his signature to the petition. The governing body may then proceed to final adoption of the proposed resolution following that seven-day period. If any petitioner has withdrawn his signature from the petition during that seven-day period, then the governing body may readopt the proposed resolution only if the petition, including any landowners who have added their signatures after adoption of the proposed resolution, continues to meet the provisions of this section. After the governing body has readopted the resolution creating the district, the district shall be established and the name of the district shall be "The Transportation Improvement District."

§ 33.2-2102. Commission to exercise powers of the district.

The powers of a district created pursuant to this chapter shall be exercised by a commission. The commission shall consist of four members of the governing body, appointed by the governing body, plus one member of the town council of any participating town, appointed by the town council of the participating town. In addition to the appointed members, the Chairman of the Commonwealth Transportation Board or his designee shall be a member of the commission of any district created pursuant to this chapter.

The commission shall elect a chairman from its membership. The chairman may be the chairman or presiding officer of the governing body. In addition, the commission, with the advice of the district advisory board, shall elect a secretary and a treasurer; who may be members or employees of the governing body, the town council of a participating town, or other governmental body. The offices of secretary and treasurer may be combined. A majority of the commission members shall constitute a quorum, and a majority vote shall be necessary for any action taken by the commission. No vacancy in the membership of the commission shall impair the right of a majority of the members to form a quorum or to exercise all of its rights, powers, and duties.

§ 33.2-2103. Powers and duties of commission.

The commission may:

1. Expend district revenues to construct, reconstruct, alter, improve, expand, make loans or otherwise provide for the cost of transportation improvements and for financial assistance to operate transportation improvements in the district for the use and benefit of the public.

2. Acquire by gift, purchase, lease, in-kind contribution to construction costs, or otherwise any transportation improvements in the district and sell, lease as lessor, transfer, or dispose of any part of any transportation improvements in such manner and upon such terms as the commission may determine to be in the best interests of the district. However, prior to disposing of any such property or interest therein, the commission shall conduct a public hearing with respect to such disposition. At the hearing, the residents and owner of property within the district shall have an opportunity to be heard. At least 10 days' notice of the time and place of such hearing shall be published in a newspaper of general circulation in the district, as prescribed by the commission. Such public hearing may be adjourned from time to time.

3. Negotiate and contract with any person with regard to any matter necessary and proper to provide any transportation improvements, including the financing, acquisition, construction, reconstruction, alteration, improvement, expansion, operation, or maintenance of any transportation improvements in the district. For the purposes of this chapter, transportation improvements are within the district if they are located within the boundaries of the transportation improvement district or are reasonably deemed necessary for the construction or operation of transportation improvements within the boundaries of the transportation improvement district.

4. Enter into a continuing service contract for a purpose authorized by this chapter and make payments of the proceeds received from the special taxes levied pursuant to this chapter, together with any other revenues, for installments due under that service contract. The district may apply such payments annually during the term of that service contract in an amount sufficient to make the installment payments due under that contract, subject to the limitation imposed by this chapter. However, payments for any such service contract shall be conditioned upon the receipt of services pursuant to the contract. Such a contract shall not obligate a county or participating town to make payments for services of the district.

5. Accept the allocations, contributions, or funds of any available source or reimburse from any available source, including any person, for the whole or any part of the costs, expenses, and charges incident to the acquisition, construction, reconstruction, maintenance, alteration, improvement, and expansion or the operation of any transportation improvements in the district.

6. Contract for the extension and use of any public mass transit system or highway into territory outside the district on such terms and conditions as the commission determines.

7. Employ and fix the compensation of personnel who may be deemed necessary for the construction, operation, or maintenance of any transportation improvements in the district.

8. Have prepared an annual audit of the district's financial obligations and revenues, and upon review of such audit, request a tax rate adequate to provide tax revenues that, together with all other revenues, are required by the district to fulfill its annual obligations.

§ 33.2-2104. District advisory boards.

Within 30 days after the establishment of a district under this chapter, the governing body shall appoint six members to a district advisory board, and the town council of any participating town shall appoint two members to that board. Three of the six members appointed by the governing body shall be chosen by the governing body from nominations submitted to the governing body by the petitioners. If any members are subject to appointment by a town council as provided in this section, then one of the two members so appointed shall be chosen by the town council from nominations submitted to the town council by the petitioners. All members shall own or represent the owners of real property within the district zoned or used for commercial or industrial purposes. Each member shall be appointed for a term of four years, except the initial appointment of advisory board members shall provide that the terms of three of the members shall be for two years. If a vacancy occurs with respect to an advisory board member initially appointed by a governing body or a town council, or any successor of such a member, the governing body or the town council, as appropriate, shall appoint a new member who is an owner or representative of an owner of real property within the district zoned or used for commercial or industrial purposes. If a vacancy occurs with respect to an advisory board member initially nominated by the petitioners, or any successor thereof, the remaining advisory board members initially nominated by the petitioners, or the successors of such remaining advisory board members, shall nominate a new member for selection by the governing body or town council, as appropriate.

District advisory board members shall serve without pay, but the governing body shall provide the advisory board with facilities for the holding of meetings, and the commission shall appropriate funds needed to defray the reasonable expenses and fees of the advisory board, which shall not exceed \$20,000 annually, including expenses and fees arising out of the preparation of the annual report. Such appropriations shall be based on an annual budget submitted by the board, and approved by the commission, sufficient to carry out its responsibilities under this chapter. The advisory board shall elect a chairman and a secretary and such other officers as it deems necessary. The advisory board shall fix the time for holding regular meetings, but it shall meet at least once every year. Special meetings of the advisory board shall be called by the chairman or by two members of the advisory board upon written request to the secretary of the advisory board. A majority of the members shall constitute a quorum.

The advisory board shall present an annual report to the commission on the transportation needs of the district and on the activities of the advisory board, and the advisory board shall present special reports on transportation matters as requested by the commission or the governing body concerning taxes to be levied pursuant to this chapter.

§ 33.2-2105. Annual special improvements tax; use of revenues.

Upon the written request of the commission made to the governing body, the governing body may levy and collect an annual special improvements tax on taxable real estate zoned for commercial or industrial use or used for such purposes and taxable leasehold interests in that portion of the improvement district within its jurisdiction. For the purposes of this chapter, real property that is zoned to permit multiunit residential use but not yet used for that purpose and multiunit residential real property that is primarily leased or rented to residential tenants or other occupants by an owner who is engaged in such a business shall be deemed to be property in commercial use and therefore subject to the special improvements tax authorized by this section. Notwithstanding the provisions of Article 4 (§ 58.1-3229 et seq.) of Chapter 32 of Title 58.1, the tax shall be levied on the assessed fair market value of the taxable real property. The rate of the special improvements tax shall not be more than 40 cents (\$0.40) per \$100 of the assessed fair market value of any taxable real estate or the assessable value of taxable leasehold property as specified by § 58.1-3203; however, if all the owners in any district so request in writing, this limitation on rate shall not apply. Such special improvements taxes shall be collected at the same time and in the same manner as the county's taxes are collected, and the proceeds shall be kept in a separate account. The effective date of the initial levy shall be, at the discretion of the governing body, either (i) January 1 of the year following adoption of the resolution creating the district or (ii) on a prorated basis for the period from the date when the special improvements tax was first imposed through the remainder of the year. All revenues received by the county pursuant to such taxes shall be paid to or at the direction of the district commission for its use pursuant to this chapter. All revenues generated from the annual special improvements taxes levied by the governing body pursuant to this section shall be deemed to be contributions of that governing body in any transportation cost-sharing formula.

§ 33.2-2106. Agreements with the Commonwealth Transportation Board; payment of special improvements tax to Transportation Trust Fund.

A. In addition to any other power conferred by this chapter, the district may contract with the Commonwealth Transportation Board for the Commonwealth Transportation Board to perform any of the purposes of the district.

The district may agree by contract to pay all or a portion of the special improvements tax to the Commonwealth Transportation Board.

Prior to executing any such contract, the district shall seek the agreement of the governing body that the county's officer charged with the responsibility for preparing the county's annual budget shall submit in the budget for each fiscal

year in which any Commonwealth of Virginia Transportation Contract Revenue Bonds issued for such district are outstanding all amounts to be paid to the Commonwealth Transportation Board under such contract during such fiscal year.

If the amount required to be paid to the Commonwealth Transportation Board under the contract is not so paid for a period of 60 days after such amount is due, the Commonwealth Transportation Board shall, until such amount has been paid, withhold sufficient funds from funds appropriated and allocated, pursuant to Article 5 (§ 33.2-351 et seq.) of Chapter 3, to the highway construction district in which the transportation improvements covered by such contract are located or to such locality or localities in which such transportation improvements are located and to use such funds to satisfy the contractual requirements.

B. While nothing in this chapter shall limit the authority of any county or participating town to change the classification of property zoned for commercial or industrial use or used for such purpose upon the written request or approval of the owner of any property affected by such change after the effective date of any such contract, should a change in zoning classification so requested result in a shortfall in the total annual revenues from the imposition of the special improvements tax and the payments required to be made to the Commonwealth Transportation Board pursuant to the contract, the district shall request the governing body to increase the rate of such tax by such amount up to the maximum authorized rate as may be necessary to prevent such shortfall. If, however, a deficit remains after any rezoning and adjustment of the tax rate or the rate is at the maximum authorized rate and cannot be increased, then the amount of funds otherwise appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project covered by such contract is located or to the county shall be reduced by the amount of such deficit and used to satisfy the deficit.

§ 33.2-2107. Payments for certain changes in zoning classifications or use.

A. For any real property within the district for which a county or participating town changes its zoning classification from one that is subject to the special improvements tax authorized by § 33.2-2106 to a classification that is not subject to that tax, the county or participating town shall require the simultaneous payment from the property owner of a sum representing the present value of the future special improvements taxes estimated by the county to be lost as a result of such change in classification. On a case-by-case basis, however, the governing body or town council of a participating town may, in its sole discretion, defer, for no more than 60 days, the effective date of such change in zoning classification. Upon deferral, the lump sum provided for in this subsection shall be paid to the county in immediately available funds acceptable to the county before the deferred effective date. If the landowner fails to make this lump sum payment as and when required, the change in zoning classification shall not become effective and the ordinance shall be void. Special improvements taxes previously paid in the year of the zoning change may be credited toward the payment on a prorated basis. The portion of the payment that may be credited shall be that portion of the year following the change in zoning classification. If at the time there is outstanding a contract by which the district has agreed to pay all or a portion of the special improvements tax to the Commonwealth Transportation Board, then the district and the Commonwealth Transportation Board shall agree to a method of calculating the present value of the loss of future special improvements taxes resulting from such a change in zoning classification and the procedure for payment of such funds to the Commonwealth Transportation Board. Whenever any county or participating town acts in accordance with such an agreement between the district and the Commonwealth Transportation Board, the change in zoning classification shall not be considered to have resulted in a shortfall in the total annual revenues from the imposition of the special improvements tax and the payments required to be made to the Commonwealth Transportation Board.

B. Any owner of any real property that is subject to the special improvements tax authorized by § 33.2-2106 because it is zoned to permit multiunit residential use but is not yet used for that purpose or because it consists of multiunit residential real property that is primarily leased or rented to residential tenants or other occupants by an owner who is engaged in such a business who wishes to change the use of the real property to one that is not subject to that tax shall be required, prior to any such change in use, to pay to the county a sum representing the present value of the future special improvements taxes estimated by the county to be lost as a result of such change in use.

§ 33.2-2108. Jurisdiction of localities and officers, etc., not affected.

Neither the creation of a district nor any other provision in this chapter shall affect the power, jurisdiction, or duties of the respective local governing bodies of any county or participating town; sheriffs; treasurers; commissioners of the revenue; circuit, district, or other courts; clerks of any court; magistrates; or any other local or state officer in regard to the area embraced in any district or restrict or prevent any county or its governing body, or participating town or its town council, from imposing and collecting taxes or assessments for public improvements as permitted by law. Any county that creates a district pursuant to this chapter and any participating town may obligate itself with respect to the zoning ordinances, zoning ordinance text, and regulations relating thereto for all commercial and industrial classifications within the district as provided in this chapter for a term not to exceed 20 years from the date on which such district is created.

§ 33.2-2109. Allocation of funds to districts.

The governing body or the town council of a participating town in which a district has been created pursuant to this chapter may advance funds or provide matching funds from money not otherwise specifically allocated or obligated. Such funds may be received or generated from whatever source, including general revenues, special fees and assessments, state allocations, and contributions from private sources to a local district to assist the local district to undertake the transportation improvements for which it was created. To assist the district with an approved transportation improvement, the Commonwealth Transportation Board may allocate to a district created pursuant to this chapter only funds allocated,

pursuant to Article 5 (§ 33.2-351 et seq.) of Chapter 3, and subsection A of § 58.1-638, to the construction districts and localities in which such transportation district is located.

§ 33.2-2110. Reimbursement for advances to district.

To the extent that a county or participating town has made advances to the district, the commission shall direct the district treasurer to reimburse the county or participating town from any district funds not otherwise specifically allocated or obligated.

§ 33.2-2111. Cooperation between districts and other political subdivisions.

Any district created pursuant to this chapter may enter into agreements with counties, cities, and towns or other political subdivisions of the Commonwealth, with the Metropolitan Washington Airports Authority, or with the Washington Metropolitan Area Transit Authority for joint or cooperative action in accordance with the standards and procedures set forth in § 15.2-1300.

§ 33.2-2112. Tort liability.

No pecuniary liability of any kind shall be imposed upon the Commonwealth or any county, city, or town or landowner therein because of any act, agreement, contract, tort, malfeasance, misfeasance, or nonfeasance by or on the part of a district or its agents, servants, or employees.

§ 33.2-2113. Approval by Commonwealth Transportation Board.

The district may not construct or improve a transportation improvement without the approval of the Commonwealth Transportation Board, the county in which the transportation improvement will be located, and, with respect to any improvements located within a participating town, its town council. At the request of the commission, the Commissioner of Highways may exercise the powers of condemnation provided in Chapter 2 (§ 25.1-200 et seq.) of Title 25.1, Article 1 (§ 33.2-1000 et seq.) of Chapter 10, or § 33.2-705, for the purpose of acquiring property for transportation improvements within the district.

Upon completion of such construction or improvement, the Commonwealth Transportation Board shall take any affected public highway into the appropriate state highway system for purposes of maintenance and subsequent improvements as necessary. Upon acceptance by the Commonwealth of such highway into a state highway system, all rights, title, and interest in the right-of-way and improvements of any affected highway shall vest in the Commonwealth. Upon completion of construction or improvement of a mass transit system, all rights, title, and interest in the right-of-way and improvements of such mass transit system shall vest in an agency or instrumentality of the Commonwealth designated by the Commonwealth Transportation Board.

§ 33.2-2114. Enlargement of local districts.

The district shall be enlarged by resolution of the governing body upon the petitions of the district commission and the owners of at least 51 percent of either the land area or the assessed value of real property of the district and of at least 51 percent of either the land area or assessed value of real property located within the territory sought to be added to the district. However, any such territory shall be contiguous to the existing district. The petition shall present the information required by § 33.2-2101. Upon receipt of such a petition, the county shall use the standards and procedures provided in § 33.2-2101, except that the residents and owners of both the existing district and the area proposed for the enlargement shall have the right to appear and show cause why any property should not be included in the proposed district. If the proposed enlargement of the district encompasses any portion of a town, then such standards and procedures shall include the requirement to obtain a resolution from the town council in the manner set forth in § 33.2-2101, which shall have the same effect as set forth in that section.

If the governing body finds the enlargement of a local district would be in accordance with the applicable comprehensive plan for the development of the area, in the best interests of the residents and owners of the property within the proposed district, and in furtherance of the public health, safety, and general welfare, and if the governing body finds that enlargement of the district does not limit or adversely affect the rights and interests of any party that has contracted with the district, the governing body may pass a resolution providing for the enlargement of the district.

§ 33.2-2115. Abolition of local transportation districts.

A. Any district created pursuant to this chapter may be abolished by resolutions passed by the governing body and the town council of any participating town, upon the joint petition of the commission and the owners of at least 51 percent of the land area located within the district. Joint petitions shall:

1. State whether the purposes for which the district was formed have been substantially achieved;
2. State whether all obligations incurred by the district have been fully paid;
3. Describe the benefits that can be expected from the abolition of the district; and
4. Request the governing body to abolish the district.

B. Upon receipt of such a petition, the governing body and the town council of any participating town, in considering the abolition of the district, shall use the standards and procedures described in § 33.2-2101 *mutatis mutandis*, except that all interested persons who either reside on or who own real property within the boundaries of the district shall have the right to appear and show cause why the district should not be abolished.

C. If the governing body and the town council of any participating town find that (i) the abolition of the district is in accordance with the locality's comprehensive plan for the development of the area; (ii) the abolition of the district is in the best interests of the residents and owners of the property within the district; (iii) the abolition of the district is in furtherance

of the public health, safety, and welfare; and (iv) all debts of the district have been paid and the purposes of the district either have been, or should not be, fulfilled or finds that the governing body with the approval of the voters of the county has agreed to assume the debts of the district, then the governing body and the town council of any participating town may pass resolutions abolishing the district and the district advisory board. Upon abolition of the district, the title to all funds and properties owned by the district at the time of such dissolution shall vest in the county.

§ 33.2-2116. Chapter to constitute complete authority for acts authorized; liberal construction.

This chapter shall constitute complete authority for the district to take the actions authorized by this chapter. This chapter, being necessary for the welfare of the Commonwealth and its inhabitants, shall be liberally construed to effect its purposes. Any court test concerning the validity of any bonds that may be issued for transportation improvements made pursuant to this chapter shall be determined pursuant to the Public Finance Act of 1991 (§ 15.2-2600 et seq.).

CHAPTER 22.

CHESAPEAKE BAY BRIDGE AND TUNNEL DISTRICT AND COMMISSION.

§ 33.2-2200. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Bonds" means bonds, notes, bond anticipation notes, or other obligations of the District, notwithstanding any contrary provision in this chapter, which may be issued in certificated or uncertificated form as current interest or capital appreciation bonds, or a hybrid thereof, and may bear interest at a rate, which may be fixed, zero, or at a floating or variable rate of interest established by reference to indices or formulae, that may be in excess of the rate now permitted by law and payable at such times as the Commission may determine. Bonds may be issued under a system of book entry for recording the ownership and transfer of ownership of rights to receive payments of principal and premium, if any, and interest on the bonds. Bonds may be sold in such manner and for such price as the Commission may determine to be for the best interests of the District.

"Commission" means the governing body of the District known as the Chesapeake Bay Bridge and Tunnel Commission.

"Cost," as applied to the project, means any or all of the following: the cost of construction; the cost of the acquisition of all land, rights-of-way, property, rights, franchises, easements, and interests acquired by the Commission for such construction; the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be moved; the cost of all machinery and equipment; provision for reasonable working capital, financing charges, and interest prior to and during construction; and, if deemed advisable by the Commission, for a period not exceeding one year after completion of construction, the cost of traffic estimates and of engineering and legal services, plans, specifications, surveys, estimates of cost and of revenues, and other expenses necessary or incident to determining the feasibility or practicability of constructing the project; administrative expenses; and such other expenses as may be necessary or incident to the construction of the project, the financing of such construction, and the placing of the project in operation. Any obligation or expense hereafter incurred by the Commonwealth Transportation Board with the approval of the Commission for traffic surveys, borings, preparation of plans and specifications, and other engineering services in connection with the construction of the project shall be regarded as a part of the cost of the project and shall be reimbursed to the Commonwealth Transportation Board out of the proceeds of revenue bonds issued for the project as authorized in this chapter.

"District" means the political subdivision of the Commonwealth known as the Chesapeake Bay Bridge and Tunnel District.

"Owner" includes all persons as defined in § 1-230 having any interest or title in and to property, rights, franchises, easements, and interests authorized to be acquired by this chapter.

"Project" means a bridge or tunnel or a bridge and tunnel project, including the existing bridge and tunnel crossing operated by the Commission and all or a part of an additional and generally parallel bridge and tunnel crossing, from any point within the boundaries of the District to a point in the County of Northampton, including such approaches and approach highways as the Commission deems necessary to facilitate the flow of traffic in the vicinity of such project or to connect such project with the highway system or other traffic facilities in the Commonwealth, and including all overpasses, underpasses, interchanges, entrance plazas, toll houses, service stations, garages, restaurants, and administration, storage, and other buildings and facilities that the Commission may deem necessary for the operation of such project, together with all property, rights, franchises, easements, and interests that may be required by the Commission for the construction or the operation of such project.

§ 33.2-2201. Chesapeake Bay Bridge and Tunnel District.

The Chesapeake Bay Bridge and Tunnel District is hereby created as a political subdivision of the Commonwealth. The District shall comprise the area included in the boundaries of the Counties of Accomack and Northampton; within the corporate limits of the Cities of Chesapeake, Hampton, Newport News, Norfolk, Portsmouth, and Virginia Beach; and the area of Chesapeake Bay between these political subdivisions. This entity may sue and be sued under the name Chesapeake Bay Bridge and Tunnel District. Through its governing board, the Chesapeake Bay Bridge and Tunnel Commission, the District may plead and be impleaded and contract with individuals, partnerships, associations, private corporations, municipal corporations, political subdivisions of the Commonwealth, and the federal government or any agency thereof having any interest or title in and to property, rights, easements, or franchises authorized to be acquired by this chapter.

§ 33.2-2202. Chesapeake Bay Bridge and Tunnel Commission.

The Chesapeake Bay Bridge and Tunnel Commission is hereby created as the governing board of the Chesapeake Bay Bridge and Tunnel District created by this chapter. The Commission shall consist of the following 11 members: one member of the Commonwealth Transportation Board, two members from Accomack County, two members from Northampton County, one member from the City of Chesapeake, one member from the City of Hampton, one member from the City of Newport News, one member from the City of Norfolk, one member from the City of Portsmouth, and one member from the City of Virginia Beach. The members of the Commission appointed under the provisions of this section shall be residents of the counties or cities from which they are appointed.

Commission members shall be appointed by the Governor, subject to confirmation by both houses of the General Assembly. Commission members shall be appointed to four-year terms. Any member of the Commission shall be eligible for reappointment to a second four-year term, but shall be ineligible for appointment to any additional term except for appointment to fill vacancies for portions of unexpired terms. When a vacancy occurs, the Governor shall appoint a new member to complete the unexpired portion of the term, subject to confirmation by both houses of the General Assembly.

The Commission shall select a chairman, vice-chairman, secretary, and treasurer annually from its membership and as provided in its bylaws. Meetings of the Commission shall be held upon the call of the chairman or as otherwise provided in the bylaws of the Commission. Any member of the Commission may be removed from office for cause by the Governor. Each member of the Commission, immediately following his appointment, shall take an oath of office, prescribed by Article II, Section 7 of the Constitution of Virginia, before any judge, clerk, or deputy clerk of any court of record; any judge of a district court in the Commonwealth; the Secretary of the Commonwealth or his deputy; or a member of the State Corporation Commission. No member of the Commission shall receive any salary, but members are entitled to expenses and per diem pay as provided in §§ 2.2-2813 and 2.2-2825. Six members of the Commission shall constitute a quorum. The records of the Commission shall be public records. The Commission is authorized to do all things necessary or incidental to the performance of its duties and the execution of its powers under this chapter. The route for any bridge or tunnel, or combination thereof, built by the Commission shall be selected subject to the approval of the Commonwealth Transportation Board.

§ 33.2-2203. General powers of the Commission.

The Commission is hereby authorized and empowered:

1. To establish, construct, maintain, repair, and operate the project, provided that no such project shall be constructed unless adequate provision is made for the retirement of any revenue bonds issued by the Commission;

2. To determine the location, character, size, and capacity of the project; to establish, limit, and control such points of ingress to and egress from the project as may be necessary or desirable in the judgment of the Commission to ensure the proper operation and maintenance of the project; and to prohibit entrance to such project from any point or points not so designated. The Commission shall coordinate its plans with those of the Commonwealth Transportation Board insofar as practicable;

3. To secure all necessary federal authorizations, permits, and approvals for the construction, maintenance, repair, and operation of the project;

4. To make regulations for the conduct of its business;

5. To acquire, by purchase or condemnation in the name of the District, hold, and dispose of real and personal property for the corporate purposes of the District;

6. To acquire full information to enable it to establish, construct, maintain, repair, and operate the project;

7. To employ consulting engineers, a superintendent or manager of the project, and such other engineering, architectural, construction, and accounting experts, and inspectors, attorneys, and other employees as may be deemed necessary and, within the limitations prescribed in this chapter, to prescribe their powers and duties and fix their compensation;

8. To pay, from any available moneys, the cost of plans, specifications, surveys, estimates of cost and revenues, legal fees, and other expenses necessary or incident to determining the feasibility or practicability of financing, constructing, maintaining, repairing, and operating the project;

9. To issue revenue bonds of the District, for any of its corporate purposes, payable solely from the tolls and revenues pledged for their payment, and to refund its bonds, all as provided in this chapter;

10. To fix, revise, charge, and collect tolls and other charges for the use of the project;

11. To make and enter into all contracts or agreements, as the Commission may determine, that are necessary or incidental to the performance of its duties and to the execution of the powers granted under this chapter;

12. To accept loans and grants of money or materials or property at any time from the United States of America or the Commonwealth or any agency or instrumentality thereof;

13. To adopt an official seal and alter the same at its pleasure and to make, amend, and repeal bylaws and regulations not inconsistent with law to carry into effect the powers and purposes of the Commission;

14. To sue and be sued and to plead and be impleaded, all in the name of the District;

15. To exercise any power usually possessed by private corporations performing similar functions, including the right to expend, solely from funds provided under the authority of this chapter, such funds as may be considered by the Commission to be advisable or necessary in advertising its facilities and services to the traveling public; and

16. To do all acts and things necessary or incidental to the performance of its duties and the execution of its powers under this chapter.

§ 33.2-2204. Additional powers of the Commission.

The Commission has the power:

1. To construct grade separations at intersections of the project with public highways and to change and adjust the lines and grades of such highways so as to accommodate the same to the design of such grade separation. The cost of such grade separations and any damage incurred in changing and adjusting the lines and grades of such highways shall be ascertained and paid by the Commission as a part of the cost of the project.

2. To change the location of any portion of any public highway. The Commission shall cause the portion of the public highway to be reconstructed at such location as the Commission deems most favorable and of substantially the same type and in as good condition as the original highway. The cost of such reconstruction and any damage incurred in changing the location of any such highway shall be ascertained and paid by the Commission as a part of the cost of the project.

Any public highway affected by the construction of the project may be vacated or relocated by the Commission in the manner now provided by law for the vacation or relocation of public roads, and any damages awarded on account thereof shall be paid by the Commission as a part of the cost of the project.

3. To enter upon any lands, waters, and premises in the Commonwealth, along with its authorized agents and employees, for the purpose of making surveys, soundings, drillings, and examinations as they may deem necessary or convenient for the purposes of this chapter, and such entry shall not be deemed a trespass, nor shall an entry for such purposes be deemed an entry under any condemnation proceedings that may be then pending. The Commission shall make reimbursement for any actual damage resulting to such lands, waters, and premises as a result of such activities.

4. To make reasonable regulations for the installation, construction, maintenance, repair, renewal, relocation, and removal of tracks, pipes, mains, conduits, cables, wires, towers, poles, and other equipment and appliances (herein called "public utility facilities") of any public utility in, on, along, over, or under the project. When public utility facilities that now are, or hereafter may be, located in, on, along, over, or under the project should be relocated in the project, or should be removed from the project, the public utility owning or operating such facilities shall relocate or remove the same in accordance with the order of the Commission, provided that the cost and expenses of such relocation or removal, including the cost of installing such facilities in a new location, and the cost of any lands, or any rights or interests in lands, and any other rights, acquired to accomplish such relocation or removal, shall be ascertained and paid by the Commission as a part of the cost of the project. In case of any such relocation or removal of facilities, the public utility owning or operating the facilities, its successors or assigns, may maintain and operate such facilities, with the necessary appurtenances, in the new location, for as long a period, and upon the same terms and conditions, as it had the right to maintain and operate such facilities in their former location.

The Commonwealth hereby consents to the use of all lands owned by it, including lands lying under water, that are deemed by the Commission to be necessary for the construction or operation of the project.

§ 33.2-2205. Regulations of the Commission; enforcement.

The Commission shall have power:

1. To adopt and enforce reasonable regulations that, after publication one time in full in a newspaper of general circulation published in or having general circulation in the City of Virginia Beach and a newspaper of general circulation published in or having general circulation in the County of Northampton and when posted where the using public may conveniently see such regulations, shall have the force and effect of law as to (i) maximum and minimum speed limits applicable to motor vehicles using the project and other property under control of the Commission; (ii) the types, kinds, and sizes of the vehicles that may use the project; (iii) the nature, size, type, or kind of materials or substances that shall not be transported through or over the project; and (iv) such other regulations as may be necessary or expedient in the interest of public safety with respect to the use of the project.

2. To punish a violation of the regulations provided for in subdivision 1 as follows:

a. If a violation would have been a violation of law or ordinance if committed on any public street or highway in the locality in which such violation occurred, it shall be tried and punished in the same manner as if it had been committed on such public street or highway.

b. If a violation occurs within one jurisdiction and is punishable within another jurisdiction, the court trying the case shall, if the accused is found guilty, apply the punishment that is prescribed for offenses occurring within the jurisdiction of the court trying the case.

c. All other violations shall be punishable as a misdemeanor.

3. To appoint and employ police to enforce within the area under the control of the Commission the regulations adopted by the Commission and the laws of the Commonwealth. Such police shall have the powers vested in police officers under §§ 15.2-1704 and 52-8, which sections shall apply, *mutatis mutandis*, to police appointed pursuant to this chapter.

Such police appointed by the Commission may issue summons to appear, or arrest on view or on information without warrant as permitted by law, within the jurisdiction of the Commonwealth, and conduct before any police or county court of any political subdivision into which the project extends any person violating, within or upon the project or other property under the control of the Commission, any rule or regulation of the Commission or any law of the Commonwealth pertaining to the regulation and control of highway traffic on any bridge or tunnel owned or operated by the Commission, including all

entrance or exit plazas and approaches adjacent or appurtenant thereto and any rule or regulation regarding the payment of tolls.

4. For the purpose of enforcing such laws and regulations, the courts of the City of Virginia Beach and the County of Northampton have concurrent jurisdiction of criminal offenses that constitute violations of the laws and regulations of the Commission.

§ 33.2-2206. Acquisition of property.

The Commission is hereby authorized and empowered to acquire by purchase, whenever it deems such purchase expedient, solely from funds provided under the authority of this chapter, such lands, structures, rights-of-way, property, rights, franchises, easements, and other interests in lands, including lands lying under water and riparian rights, that are located within the Commonwealth as it may deem necessary or convenient for the construction and operation of the project, upon such terms and at such prices as may be considered by it to be reasonable and can be agreed upon between it and the owner thereof, and to take title thereto in the name of the District.

All localities and political subdivisions and all public agencies and commissions of the Commonwealth, notwithstanding any contrary provision of law, are hereby authorized and empowered to lease, lend, grant, or convey to the District at the Commission's request upon such terms and conditions as the proper authorities of such localities, political subdivisions, agencies, or commissions of the Commonwealth may deem reasonable and fair and without the necessity for any advertisement, order of court, or other action or formality, other than the regular and formal action of the authorities concerned, any real property that may be necessary or convenient to the effectuation of the authorized purposes of the Commission, including public highways and other real property already devoted to public use.

Whenever a reasonable price cannot be agreed upon, or whenever the owner is legally incapacitated or is absent, unknown, or unable to convey valid title, the Commission is hereby authorized and empowered to acquire by condemnation or by the exercise of the power of eminent domain any lands, property, rights, rights-of-way, franchises, easements, and other property, including public lands, parks, playgrounds, reservations, highways, or parkways, or parts thereof or rights therein, of any person, partnership, association, railroad, public service, public utility or other corporation, municipality, or political subdivision deemed necessary or convenient for the construction or the efficient operation of the project or necessary in the restoration of public or private property damaged or destroyed. Such proceedings shall be in accordance with and subject to the provisions of any and all laws applicable to condemnation of property in the name of the Commissioner of Highways under the laws of the Commonwealth. Title to any property acquired by the Commission shall be taken in the name of the District. In any condemnation proceedings, the court having jurisdiction of the suit, action, or proceeding may make such orders as may be just to the Commission and to the owners of the property to be condemned and may require an undertaking or other security to secure such owners against any loss or damage by reason of the failure of the Commission to accept and pay for the property, but neither such undertaking or security nor any act or obligation of the Commission shall impose any liability upon the District except as may be paid from the funds provided under the authority of this chapter.

If the owner, lessee, or occupier of any property to be condemned refuses to remove his personal property therefrom or give up possession thereof, the Commission may proceed to obtain possession in any manner now or hereafter provided by law.

With respect to any railroad property or right-of-way upon which railroad tracks are located, any powers of condemnation or of eminent domain may be exercised to acquire only an easement interest therein, which is located either sufficiently far above or sufficiently far below the grade of any railroad track upon such railroad property so that neither the proposed project nor any part thereof, including any bridges, abutments, columns, supporting structures, and appurtenances, nor any traffic upon it interferes in any manner with the use, operation, or maintenance of the trains, tracks, works, or appurtenances or other property of the railroad nor endanger the movement of the trains or traffic upon the tracks of the railroad. Prior to the institution of condemnation proceedings for such easement over or under such railroad property or right-of-way, plans and specifications of the proposed project showing compliance with the above-mentioned above or below grade requirements and showing sufficient and safe plans and specifications of such overhead or undergrade structure and appurtenances shall be submitted to the railroad for examination and approval. If the railroad fails or refuses within 30 days to approve the plans and specifications so submitted, the matter shall be submitted to the State Corporation Commission, as to the sufficiency and safety of such plans and specifications and as to such elevations or distances above or below the tracks. Said overhead or undergrade structure and appurtenances shall be constructed only in accordance with such plans and specifications and in accordance with such elevations or distances above or below the tracks so approved by the railroad or the State Corporation Commission. A copy of the plans and specifications approved by the railroad or the State Corporation Commission shall be filed as an exhibit with the petition for condemnation. The cost of any such overhead or undergrade projects and appurtenances and any expense and cost incurred in changing, adjusting, relocating, or removing the lines and grades of such railroad in connection with the project shall be paid by the Commission as a part of the cost of the project.

§ 33.2-2207. Consent of Commonwealth to use subaqueous soil of the Chesapeake Bay.

The Commonwealth hereby consents to the use by the Commission, in any manner whatsoever in the performance of its duties, of all lands lying under the waters of the Chesapeake Bay that are within the Commonwealth and are deemed by the Commission to be necessary for the construction or operation of the project.

§ 33.2-2208. Revenue bonds.

The Commission is hereby authorized to provide by resolution for the issuance of revenue bonds of the District for any one or more of the following purposes: (i) paying all or a part of the cost of all or a part of the project and (ii) refunding any outstanding revenue bonds of the District that have been issued under the provisions of this chapter, including the payment of any redemption premium thereon and any interest accrued or to accrue to the date of redemption of such bonds. The principal of and the interest on such bonds shall be payable solely from the funds herein provided for such payment. The bonds of each issue shall be dated, shall bear interest at such rate not exceeding six percent per year payable semiannually, shall mature at such time, not exceeding 40 years from their date, as may be determined by the Commission, and may be made redeemable before maturity, at the option of the Commission, at such price and under such terms and conditions as may be fixed by the Commission prior to the issuance of the bonds. The principal and interest of such bonds may be made payable in any lawful medium. The Commission shall determine the form of the bonds, including any interest coupons to be attached thereto, and the manner of execution of the bonds, and shall fix the denomination of the bonds and the place of payment of principal and interest thereof, which may be at any bank or trust company within or outside of the Commonwealth. If any officer whose signature or a facsimile of whose signature appears on any bonds or coupons ceases to be such officer before the delivery of the bonds, his signature or such facsimile shall nevertheless be valid and sufficient for all purposes the same as if he had remained in office until delivery. All revenue bonds issued under the provisions of this chapter shall have and are hereby declared to have, as between successive holders, all the qualities and incidents of negotiable instruments under the negotiable instruments law of the Commonwealth. The bonds may be issued in coupon or in registered form, or both, as the Commission may determine, and provision may be made for the registration of any coupon bonds as to principal alone and also as to both principal and interest, and for the reconversion of any bonds registered as to both principal and interest into coupon bonds. The Commission may sell such bonds in such manner and for such price as it may determine to be for the best interest of the District, but no such sale shall be made at a price so low as to require the payment of interest on the money received therefor at more than six percent per year computed with relation to the absolute maturity of the bonds in accordance with standard tables of bond values, excluding from such computations the amount of any premium to be paid on redemption of any bonds prior to maturity. The proceeds of such bonds shall be disbursed for the purposes for which such bonds shall have been issued under such restrictions, if any, as the resolution authorizing the issuance of such bonds or the trust indenture provided for in this chapter. If the bonds of a particular issue, by error of estimates or otherwise, are less than such cost, additional bonds may in like manner be issued to provide the amount of such deficit and, unless otherwise provided in the resolution authorizing the issuance of the bonds or in the trust indenture securing the same, shall be deemed to be of the same issue and shall be entitled to payment from the same fund without preference or priority of the bonds first issued for the same purpose. If the proceeds of the bonds of any issue exceed the amount required for the purpose for which such bonds are issued, the surplus shall be paid into the funds hereinafter provided for the payment of principal and interest of such bonds. Prior to the preparation of definitive bonds, the Commission may, under like restrictions, issue temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds have been executed and are available for delivery. The Commission may also provide for the replacement of any bond that becomes mutilated or that has been destroyed or lost. Such revenue bonds may be issued without any other proceedings or the happening of any other conditions or things than the proceedings, conditions, and things that are specified and required by this chapter.

§ 33.2-2209. Bonds not to constitute a debt or pledge of taxing power.

Revenue bonds issued under the provisions of this chapter shall not be deemed to constitute a debt of the District or of the Commonwealth or of any county, city, district, or political subdivision thereof, or a pledge of the faith and credit of the District or of the Commonwealth or of any county, city, district, or political subdivision thereof, but such bonds shall be payable solely from the funds herein provided therefor from tolls and other revenues. The issuance of revenue bonds under the provisions of this chapter shall not directly or indirectly or contingently obligate the District, the Commonwealth, or any county, city, district, or political subdivision thereof to levy or to pledge any form of taxation whatever therefor. All such revenue bonds shall contain a statement on their face substantially to the foregoing effect.

§ 33.2-2210. Trust indenture.

In the discretion of the Commission any bonds issued under the provisions of this chapter may be secured by a trust indenture by and between the Commission and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or outside of the Commonwealth. Such trust indenture or the resolution providing for the issuance of such bonds may pledge or assign the tolls and other revenues to be received, but shall not convey or mortgage the project or any part thereof. Such trust indenture or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of law, including covenants setting forth the duties of the Commission in relation to the acquisition of property and the construction, improvement, maintenance, repair, operation, and insurance of the project in connection with which such bonds have been authorized, the rates of toll to be charged, and the custody, safeguarding, and application of all moneys. It shall be lawful for any bank or trust company incorporated under the laws of the Commonwealth that may act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Commission. Any such trust indenture may set forth the rights and remedies of the bondholders and of the trustee and may restrict the individual right of action by bondholders. In addition to the foregoing, any such trust indenture or resolution may contain such other provisions as the Commission may deem reasonable and proper for the

security of the bondholders. All expenses incurred in carrying out the provisions of such trust indenture or resolution may be treated as a part of the cost of the operation of the project.

§ 33.2-2211. Revenues.

The Commission is hereby authorized to fix, revise, charge, and collect tolls for the use of the project, and to contract with any person, partnership, association, or corporation desiring the use thereof, and to fix the terms, conditions, rents, and rates of charges for such use.

Such tolls shall be so fixed and adjusted in respect of the aggregate of tolls from the project in connection with which the bonds of any issue have been issued under the provisions of this chapter as to provide a fund sufficient with other revenues, if any, to pay (i) the cost of maintaining, repairing, and operating the project and (ii) the principal of and the interest on such bonds as the same become due and payable, and to create reserves for such purposes. Such tolls shall not be subject to supervision or regulation by any other commission, board, bureau, or agency of the Commonwealth. The tolls and all other revenues derived from the project in connection with which the bonds of any issue have been issued, except such part thereof as may be necessary to pay such cost of maintenance, repair, and operation and to provide such reserves therefor as may be provided for in the resolution authorizing the issuance of such bonds or in the trust indenture securing the same, shall be set aside at such regular intervals as may be provided in such resolution or such trust indenture in a sinking fund that is hereby pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same become due, and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the tolls or other revenues or other moneys so pledged and thereafter received by the Commission shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Commission, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust indenture by which a pledge is created need be filed or recorded except in the records of the Commission. The use and disposition of moneys to the credit of such sinking fund shall be subject to the provisions of the resolution authorizing the issuance of such bonds or of such trust indenture. Except as may otherwise be provided in such resolution or such trust indenture, such sinking fund shall be a fund for all such bonds without distinction or priority of one over another.

§ 33.2-2212. Cessation of tolls.

When the bonds issued for the project and the interest thereon have been paid, or a sufficient amount has been provided for their payment and continue to be held for that purpose, the Commission shall cease to charge tolls for the use of the project, and thereafter the project shall be free, provided that the Commission shall thereafter charge tolls for the use of the project in the event that tolls are required for maintaining, repairing, and operating the project due to the lack of funds from sources other than tolls.

§ 33.2-2213. Transfer to Commonwealth.

Except as provided in this section, when all bonds issued under the provisions of this chapter in connection with the project and the interest thereon have been paid or a sufficient amount for the payment of all such bonds and the interest thereon to the maturity thereof has been set aside in trust for the benefit of the bondholders, the project, if then in good condition and repair, shall become a part of the primary state highway system and shall thereafter be maintained by the Commonwealth Transportation Board free of tolls. The Commission may, in any resolution or trust indenture authorizing or securing bonds under the provisions of this chapter, provide for combining the project and any public ferry service then being operated by the Commission for financing purposes, and for the continuance of tolls on the project and such public ferry service until all such bonds and the interest thereon have been paid or a sufficient amount for such purposes has been set aside in trust for the benefit of the bondholders.

§ 33.2-2214. Trust funds.

All moneys received pursuant to the authority of this chapter, whether as proceeds from the sale of bonds or as revenues, shall be deemed to be trust funds to be held and applied solely as provided in this chapter. The resolution authorizing the bonds of any issue or the trust indenture securing such bonds shall provide that any officer with whom, or any bank or trust company with which, such moneys are deposited shall act as trustee of such moneys and shall hold and apply the moneys for the purposes provided in this chapter, subject to such regulations as this chapter and such resolution or trust indenture may provide.

§ 33.2-2215. Remedies.

Any holder of bonds issued under the provisions of this chapter or any of the coupons appertaining thereto, and the trustee under any trust indenture, except to the extent the rights herein given may be restricted by such trust indenture or the resolution authorizing the issuance of such bonds, may, either at law or in equity, by suit, action, mandamus, or other proceeding, protect and enforce any and all rights under the laws of the Commonwealth or granted hereunder or under such trust indenture or the resolution authorizing the issuance of such bonds, and may enforce and compel the performance of all duties required by this chapter or by such trust indenture or resolution to be performed by the Commission or by any officer thereof, including the fixing, charging, and collecting of tolls.

§ 33.2-2216. Exemption from taxation.

The exercise of the powers granted by this chapter will be in all respects for the benefit of the people of the Commonwealth and for the increase of their commerce and prosperity, and as the operation and maintenance of the project

will constitute the performance of essential governmental functions, the Commission shall not be required to pay any taxes or assessments upon the project or any property acquired or used by the Commission under the provisions of this chapter or upon the income therefrom, and the bonds issued under the provisions of this chapter, their transfer, and the income therefrom, including any profit made on the sale thereof, shall at all times be free from taxation within the Commonwealth.

§ 33.2-2217. Governmental function.

It is hereby found, determined, and declared that the creation of the District and the carrying out of its corporate purposes is in all respects for the benefit of the people of the Commonwealth and is a public purpose and that the District and the Commission will be performing an essential governmental function in the exercise of the powers conferred by this chapter, and the Commonwealth covenants with the holders of the bonds issued under the provisions of this chapter that the District shall not be required to pay any taxes or assessments upon any of the property acquired by it or under its jurisdiction, control, possession, or supervision or upon its activities in the operation and maintenance of the project or upon any revenues therefrom, and the project and the bonds issued in connection therewith and the income derived therefrom shall be exempt from all state and local taxation.

§ 33.2-2218. Bonds eligible for investment.

Bonds issued by the District under the provisions of this chapter are hereby made securities in which all public officers and public bodies of the Commonwealth and its political subdivisions and all insurance companies, trust companies, banking associations, investment companies, executors, administrators, trustees, and other fiduciaries may properly and legally invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities that may properly and legally be deposited with and received by any state or municipal officer or any agency or political subdivision of the Commonwealth for any purpose for which the deposit of bonds or obligations is now or may hereafter be authorized by law.

§ 33.2-2219. Protection from competition.

No franchise, right, or privilege shall be granted or authorized by the Commonwealth or by any political subdivision or court thereof for the acquisition, establishment, construction, maintenance, repair, or operation of any bridge or tunnel or bridge and tunnel facility from any point within the boundaries of the District to a point in the County of Northampton, except to the Commission so long as any bonds issued under this chapter remain outstanding or until provision is first made for the payment of the principal and the interest and the premium, if any, due and payable upon all such bonds, provided that such prohibition does not apply to any ferry that may be established for the exclusive transportation of railroad cars, or of railroad passengers holding through tickets, or to projects heretofore authorized under the Transportation Development and Revenue Bond Act (§ 33.2-1700 et seq.).

§ 33.2-2220. Miscellaneous; penalties.

A. Any action taken by the Commission under the provisions of this chapter may be authorized by resolution at any regular or special meeting, and each such resolution shall take effect immediately and need not be published or posted.

B. The project when constructed and opened to traffic shall be maintained and kept in good condition and repair by the Commission. The project shall also be policed and operated by such force of police, toll-collectors, and other operating employees as the Commission may in its discretion employ.

C. All other police officers of the Commonwealth and of each locality or political subdivision of the Commonwealth through which any project, or portion thereof, extends shall have the same powers and jurisdiction within the limits of such projects as they have beyond such limits and shall have access to the project at any time for the purpose of exercising such powers and jurisdiction.

D. All private property damaged or destroyed by the construction of the project or any part thereof shall be restored or repaired and placed in its original condition as nearly as practicable or adequate compensation made therefor out of funds provided under the authority of this chapter.

E. On or before the last day of February in each year, the Commission shall make an annual report of its activities during the preceding calendar year to the Governor. In each report, the Commission shall set forth a complete operating and financial statement covering its operations during the year. The Commission shall cause an audit of its books and accounts to be made at least once in each year by certified public accountants, and the cost thereof may be treated as a part of the cost of construction or operation of the project. The records, books, and accounts of the Commission shall be subject to examination and inspection by duly authorized representatives of the Governor, the Commonwealth Transportation Board, the governing bodies of the political subdivisions constituting the District, and any bondholder at any reasonable time, provided the business of the Commission is not unduly interrupted or interfered with by such action.

F. Any member, agent, or employee of the Commission who contracts with the Commission or District or is interested, either directly or indirectly, in any contract with the Commission or District or in the sale of any property, either real or personal, to the District shall be punished by a fine of not more than \$1,000 or by imprisonment for not more than one year, or both.

G. Any person who uses the project and fails or refuses to pay the toll provided therefor shall be punished by a fine of not more than \$100 or by imprisonment for not more than 30 days, or both. In addition, the Commission shall have a lien upon the vehicle driven by such person for the amount of such toll and may take and retain possession thereof until the amount of such toll and all charges in connection therewith shall have been paid.

§ 33.2-2221. Liberal construction.

This chapter, being necessary for the welfare of the Commonwealth and its inhabitants, shall be liberally construed to effect the purposes thereof.

§ 33.2-2222. Severability.

The provisions of this chapter are severable and if any of its provisions shall be held unconstitutional by an appropriate court, the decision of such court shall not affect or impair any of the remaining provisions of this chapter.

CHAPTER 23.

U.S. ROUTE 58 CORRIDOR DEVELOPMENT FUND AND PROGRAM.

§ 33.2-2300. U.S. Route 58 Corridor Development Fund.

There is hereby created in the Department of the Treasury a special nonreverting fund that shall be a part of the Transportation Trust Fund and that shall be known as the U.S. Route 58 Corridor Development Fund (the Fund), consisting of the first \$40 million of annual collections of the state recordation taxes imposed by Chapter 8 of Title 58.1, provided, however, that this dedication shall not affect the local recordation taxes under subsection B of § 58.1-802 and § 58.1-814. The Fund shall also include such other funds as may be appropriated by the General Assembly and designated for the Fund and all interest, dividends, and appreciation that may accrue thereto. Any moneys remaining in the Fund at the end of a biennium shall not revert to the general fund, but shall remain in the Fund. Allocations from the Fund may be paid to any authority, locality, or commission for the purposes specified in § 33.2-2301.

§ 33.2-2301. U.S. Route 58 Corridor Development Program.

A. The General Assembly declares it to be in the public interest that the economic development needs and economic growth potential of south-central and Southwest Virginia be addressed by a special nonreverting fund that shall be a part of the Transportation Trust Fund and that shall be known as the U.S. Route 58 Corridor Development Fund as established in § 33.2-2300 (the Fund). Moneys contained in the Fund shall be used for the costs of providing an adequate, modern, safe, and efficient highway system, generally along Virginia's southern boundary (the Program), including environmental and engineering studies, rights-of-way acquisition, construction, improvements, and financing costs.

B. Allocations from the Fund shall be made annually by the Commonwealth Transportation Board for the creation and enhancement of a safe, efficient highway system connecting the communities, businesses, places of employment, and residents of the southwestern-most portion of the Commonwealth to the communities, businesses, places of employment, and residents of the southeastern-most portion of the Commonwealth, thereby enhancing the economic development potential, employment opportunities, mobility, and quality along such highway.

C. Allocations from the Fund shall not diminish or replace allocations made or planned to be made from other sources or diminish allocations to which any highway, project, facility, district, system, or locality would be entitled under other provisions of this title, but shall be supplemental to other allocations to the end that highway resource improvements in the U.S. Route 58 Corridor may be accelerated and augmented. Notwithstanding any contrary provisions of this title, allocations from the Fund may be applied to highway projects in the Interstate System, primary or secondary state highway system, or urban highway system. Allocations under this subsection shall not be limited to projects involving only existing U.S. Route 58 but may be made to projects involving other highways, provided that the broader goal of creation of an adequate modern highway system generally along Virginia's southern boundary is served thereby.

D. The Commonwealth Transportation Board may expend such funds from all sources as may be lawfully available to initiate the Program and to support bonds and other obligations referenced in subsection F. Any moneys expended from the Transportation Trust Fund for the Program, other than moneys contained in the Fund, may be reimbursed from the Fund, to the extent permitted by Article X, Section 9 of the Constitution of Virginia.

E. The Commonwealth Transportation Board is encouraged to utilize the existing four-lane divided highways, available rights-of-way acquired for additional four-laning, bypasses, connectors, and alternate routes.

F. To the extent permitted by Article X, Section 9 of the Constitution of Virginia, moneys contained in the Fund may be used to secure payment of bonds or other obligations, and the interest thereon, issued in furtherance of the purposes of this section. In addition, the Commonwealth Transportation Board is authorized to receive, dedicate, or use legally available Transportation Trust Fund revenues and any other available sources of funds to secure the payment of bonds or other obligations, including interest thereon, in furtherance of the Program. No bond or other obligations payable from revenues of the Fund shall be issued unless specifically approved by the General Assembly. No bond or other obligations, secured in whole or in part by revenues of the Fund, shall pledge the full faith and credit of the Commonwealth.

G. Forty million dollars shall be transferred annually to the Fund with the first such transfer to be made on July 1, 1990, or as soon thereafter as reasonably practicable. Such transfer shall be made by the issuance of a treasury loan at no interest in the amount of \$40 million to the Fund to ensure that the Fund is fully funded on the first day of the fiscal year. Such treasury loan shall be repaid from the Commonwealth's portion of the state recordation tax imposed by Chapter 8 (§ 58.1-800 et seq.) of Title 58.1 designated for the Fund by § 33.2-2300. For each fiscal year following July 1, 1990, the Secretary of Finance is authorized to make additional treasury loans in the amount of \$40 million on July 1 of such fiscal years, and such treasury loans shall be repaid in a like manner as provided in this subsection.

CHAPTER 24.

NORTHERN VIRGINIA TRANSPORTATION DISTRICT FUND AND PROGRAM.

§ 33.2-2400. Northern Virginia Transportation District Fund.

A. There is hereby created in the Department of the Treasury a special nonreverting fund that shall be a part of the Transportation Trust Fund and that shall be known as the Northern Virginia Transportation District Fund, consisting of transfers pursuant to § 58.1-816 of annual collections of the state recordation taxes attributable to the Cities of Alexandria, Fairfax, Falls Church, Manassas, and Manassas Park and the Counties of Arlington, Fairfax, Loudoun, and Prince William; however, this dedication shall not affect the local recordation taxes under subsection B of § 58.1-802 and § 58.1-814. The Fund shall also include any public rights-of-way use fees appropriated by the General Assembly; any state or local revenues, including any funds distributed pursuant to § 33.2-362, 33.2-364, or 33.2-366, that may be deposited into the Fund pursuant to a contract between a jurisdiction participating in the Northern Virginia Transportation District Program and the Commonwealth Transportation Board; and any other funds as may be appropriated by the General Assembly and designated for the Fund and all interest, dividends, and appreciation that may accrue thereto. Any moneys remaining in the Fund at the end of a biennium shall not revert to the general fund, but shall remain in the Fund, subject to the determination by the Commonwealth Transportation Board that a Category 2, 3, or 4 project may be funded.

B. Allocations from the Fund may be paid (i) to any authority, locality, or commission for the purposes of paying the costs of the Northern Virginia Transportation District Program, which consists of the following: the Fairfax County Parkway, the Route 234 Bypass, Metrorail capital improvements attributable to Fairfax County including Metro parking expansions, Metrorail capital improvements including the Franconia-Springfield Metrorail Station and new rail car purchases, the Route 7 improvements in Loudoun County and Fairfax County, the Route 50/Courthouse Road interchange improvements in Arlington County, the Route 28/Route 625 interchange improvements in Loudoun County, Metrorail capital improvements attributable to the City of Alexandria including the King Street Metrorail Station access, Metrorail capital improvements attributable to Arlington County including Ballston Station improvements, the Route 15 safety improvements in Loudoun County, the Route 28 parallel roads in Loudoun County, the Route 28/Sterling Boulevard interchange in Loudoun County, the Route 1/Route 123 interchange improvements in Prince William County, the Lee Highway improvements in the City of Fairfax, the Route 123 improvements in Fairfax County, the Telegraph Road improvements in Fairfax County, the Route 123 Occoquan River Bridge, Gallows Road in Fairfax County, the Route 1/Route 234 interchange improvements in Prince William County, the Potomac-Rappahannock Transportation Commission bus replacement program, and the Dulles Corridor Enhanced Transit program and (ii) for Category 4 projects as provided in § 2 of the act or acts authorizing the issuance of Bonds for the Northern Virginia Transportation District Program.

C. On or before July 15, 1994, \$19 million shall be transferred to the Fund. Such transfer shall be made by the issuance of a treasury loan at no interest in the amount of \$19 million in the event such an amount is not included for the Fund in the general appropriation act enacted by the 1994 Session of the General Assembly. Such treasury loan shall be repaid from the Commonwealth's portion of the state recordation tax imposed by Chapter 8 (§ 58.1-800 et seq.) of Title 58.1 designated for the Fund by this section and § 58.1-816.

§ 33.2-2401. Northern Virginia Transportation District Program.

A. The General Assembly declares it to be in the public interest that the economic development needs and economic growth potential of Northern Virginia be addressed by a special transportation program to provide for the costs of providing an adequate, modern, safe, and efficient transportation network in Northern Virginia that shall be known as the Northern Virginia Transportation District Program (the Program), including environmental and engineering studies, rights-of-way acquisition, construction, improvements to all modes of transportation, and financing costs. The Program consists of the following projects: the Fairfax County Parkway, the Route 234 Bypass, Metrorail capital improvements attributable to Fairfax County including Metro parking expansions, Metrorail capital improvements including the Franconia-Springfield Metrorail Station and new rail car purchases, the Route 7 improvements in Loudoun County and Fairfax County, the Route 50/Courthouse Road interchange improvements in Arlington County, the Route 28/Route 625 interchange improvements in Loudoun County, Metrorail capital improvements attributable to the City of Alexandria including the King Street Metrorail Station access, Metrorail capital improvements attributable to Arlington County including Ballston Station improvements, the Route 15 safety improvements in Loudoun County, the Route 28 parallel roads in Loudoun County, the Route 28/Sterling Boulevard interchange in Loudoun County, the Route 1/Route 123 interchange improvements in Prince William County, the Lee Highway improvements in the City of Fairfax, the Route 123 improvements in Fairfax County, the Telegraph Road improvements in Fairfax County, the Route 123 Occoquan River Bridge, Gallows Road in Fairfax County, the Route 1/Route 234 interchange improvements in Prince William County, the Potomac-Rappahannock Transportation Commission bus replacement program, and the Dulles Corridor Enhanced Transit program.

B. Allocations to the Program from the Northern Virginia Transportation District Fund established by § 33.2-2400 shall be made annually by the Commonwealth Transportation Board for the creation and enhancement of a safe and efficient transportation system connecting the communities, businesses, places of employment, and residences of the Commonwealth, thereby enhancing the economic development potential, employment opportunities, mobility, and quality of life in the Commonwealth.

C. Except in the event that the Northern Virginia Transportation District Fund is insufficient to pay for the costs of the Program, allocations to the Program shall not diminish or replace allocations made from other sources or diminish allocations to which any district, system, or locality would be entitled under other provisions of this title but shall be supplemental to other allocations to the end that transportation improvements in the Northern Virginia Transportation

District may be accelerated and augmented. Allocations under this subsection shall be limited to projects specified in subdivision 12 of § 33.2-1700.

D. The Commonwealth Transportation Board may expend such funds from all sources as may be lawfully available to initiate the Program and to support bonds and other obligations referenced in subsection E.

E. The Commonwealth Transportation Board is authorized to receive, dedicate, or use (i) first from revenues received from the Northern Virginia Transportation District Fund; (ii) to the extent required, funds appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project or projects to be financed are located or to the city or county in which the project or projects to be financed are located; (iii) to the extent required, legally available revenues of the Transportation Trust Fund; and (iv) such other funds that may be appropriated by the General Assembly for the payment of bonds or other obligations, including interest thereon, issued in furtherance of the Program. No such bond or other obligations shall pledge the full faith and credit of the Commonwealth.

CHAPTER 25.

NORTHERN VIRGINIA TRANSPORTATION AUTHORITY.

§ 33.2-2500. Northern Virginia Transportation Authority created.

There is hereby created a political subdivision of the Commonwealth known as the Northern Virginia Transportation Authority, for purposes of this chapter referred to as "the Authority."

In addition to such other powers vested in the Authority by this chapter, the Authority shall have the following powers and functions:

1. The Authority shall prepare a regional transportation plan for Planning District 8 that includes transportation improvements of regional significance and those improvements necessary or incidental thereto and shall revise and amend the plan. The provisions of Article 7 (§ 33.2-1928 et seq.) of Chapter 19 shall apply, mutatis mutandis, to preparation of such transportation plan.

2. The Authority may, when a transportation plan is adopted according to subdivision 1, construct or acquire, by purchase, lease, contract, or otherwise, the transportation facilities specified in such transportation plan.

3. The Authority may enter into agreements or leases with public or private entities for the operation of its facilities or may operate such facilities itself.

4. The Authority may enter into contracts or agreements with the counties and cities embraced by the Authority, with other transportation commissions of transportation districts adjoining any county or city embraced by the Authority, with any transportation authority, or with any federal, state, local, or private entity to provide, or cause to be provided, transportation facilities and services to the area embraced by the Authority. Such contracts or agreements, together with any agreements or leases for the operation of such facilities, may be used by the Authority to finance the construction and operation of transportation facilities and such contracts, agreements, or leases shall inure to the benefit of any creditor of the Authority.

Notwithstanding subdivisions 1 through 4, the Authority shall not have the power to regulate services provided by taxicabs, either within municipalities or across municipal boundaries; such regulation is expressly reserved to the municipalities within which taxicabs operate.

5. Notwithstanding any other provision of law to the contrary, the Authority may:

a. Acquire land or any interest therein by purchase, lease, or gift and provide transportation facilities thereon for use in connection with any transportation service;

b. Acquire land or any interest therein by purchase, lease, or gift in advance of the need for sale or contribution to an agency, for use by that agency in connection with an adopted transportation plan; and

c. Prepare a plan for mass transportation services with persons, counties, cities, agencies, authorities, or transportation commissions and may further contract with any such person or entity to provide necessary facilities, equipment, operations and maintenance, access, and insurance pursuant to such plan.

§ 33.2-2501. Counties and cities embraced by the Authority.

The Authority shall embrace the Counties of Arlington, Fairfax, Loudoun, and Prince William and the Cities of Alexandria, Fairfax, Falls Church, Manassas, and Manassas Park.

§ 33.2-2502. Composition of Authority; membership; terms.

The Authority shall consist of 17 members as follows:

1. The chief elected officer of the governing body of each county and city embraced by the Authority or, in the discretion of the chief elected officer, his designee, who shall be a current elected officer of such governing body;

2. Two members of the House of Delegates who reside in different counties or cities embraced by the Authority, appointed by the Speaker of the House and, to the extent practicable, from the membership of the House Committee on Appropriations, the House Committee on Finance, or the House Committee on Transportation;

3. One member of the Senate who resides in a county or city embraced by the Authority, appointed by the Senate Committee on Rules and, to the extent practicable, from the membership of the Senate Committee on Finance and the Senate Committee on Transportation;

4. Two nonlegislative citizen members who reside in different counties or cities embraced by the Authority, appointed by the Governor. One such gubernatorial appointment shall be a member of the Commonwealth Transportation Board and one shall be a person who has significant experience in transportation planning, finance, engineering, construction, or management; and

5. The following three persons who shall serve as nonvoting ex officio members of the Authority: the Director of the Virginia Department of Rail and Public Transportation, or his designee; the Commissioner of Highways, or his designee; and the chief elected officer of one town in a county embraced by the Authority to be chosen by the Authority.

All members of the Authority shall serve terms coincident with their terms of office, except that the gubernatorial appointee who is not a member of the Board shall serve for a term of four years. A vacancy occurring other than by expiration of a term shall be filled for the unexpired term. Vacancies shall be filled in the same manner as the original appointments.

The Authority shall appoint a chairman and vice-chairman from among its members.

§ 33.2-2503. Staff.

The Authority shall employ a chief executive officer and such staff as it shall determine to be necessary to carry out its duties and responsibilities under this chapter. No such person shall contemporaneously serve as a member of the Authority. The Department of Transportation and the Department of Rail and Public Transportation shall make their employees available to assist the Authority, upon request.

§ 33.2-2504. Decisions of Authority.

A majority of the Authority, which majority shall include at least a majority of the representatives of the counties and cities embraced by the Authority, shall constitute a quorum. Decisions of the Authority shall require a quorum and shall be in accordance with voting procedures established by the Authority. In all cases, decisions of the Authority shall require the affirmative vote of two-thirds of the members of the Authority present and voting and two-thirds of the representatives of the counties and cities embraced by the Authority who are present and voting and whose counties and cities include at least two-thirds of the population embraced by the Authority; however, no motion to fund a specific facility or service shall fail because of this population criterion if such facility or service is not located or to be located or provided or to be provided within the county or city whose representative's sole negative vote caused the facility or service to fail to meet the population criterion. The population of counties and cities embraced by the Authority shall be the population as determined by the most recently preceding decennial census, except that on July 1 of the fifth year following such census, the population of each county and city shall be adjusted, based on population projections made by the Weldon Cooper Center for Public Service of the University of Virginia.

§ 33.2-2505. Allocation of certain Authority expenses among component counties and cities.

The administrative expenses of the Authority as provided in an annual budget adopted by the Authority, to the extent funds for such expenses are not provided from other sources, shall be allocated among the component counties and cities on the basis of the relative population, as determined pursuant to § 33.2-2504. Such budget shall be limited solely to the administrative expenses of the Authority and shall not include any funds for construction or acquisition of transportation facilities or for the performance of any transportation service.

§ 33.2-2506. Payment to members of Authority.

The members of the Authority may be paid for their services compensation in either (i) the amount provided in the general appropriation act for members of the General Assembly engaged in legislative business between sessions or (ii) a lesser amount as determined by the Authority. Members may be reimbursed for all reasonable and necessary expenses as provided in §§ 2.2-2813 and 2.2-2825, if approved by the Authority. Funding for the costs of compensation and expenses of the members shall be provided by the Authority.

§ 33.2-2507. Formation of advisory committees.

A. The Authority shall have a technical advisory committee, consisting of nine individuals who reside or are employed in counties and cities embraced by the Authority and have experience in transportation planning, finance, engineering, construction, or management. Six members shall be appointed by localities embraced by the Authority and three members shall be appointed by the Chairman of the Commonwealth Transportation Board. The technical advisory committee shall advise and provide recommendations on the development of projects as required by § 33.2-2508 and funding strategies and other matters as directed by the Authority.

B. The Authority also shall have a planning coordination advisory committee that shall include at least one elected official from each town that is located in any county embraced by the Authority and receives street maintenance payments under § 33.2-319.

C. The Authority may form additional advisory committees.

§ 33.2-2508. Responsibilities of Authority for long-range transportation planning.

The Authority shall be responsible for long-range transportation planning for regional transportation projects in Northern Virginia. In carrying out this responsibility, the Authority shall, on the basis of a regional consensus whenever possible, set regional transportation policies and priorities for regional transportation projects. The policies and priorities shall be guided by performance-based criteria such as the ability to improve travel times, reduce delays, connect regional activity centers, improve safety, improve air quality, and move the most people in the most cost-effective manner.

§ 33.2-2509. Northern Virginia Transportation Authority Fund.

There is hereby created in the state treasury a special nonreverting fund for Planning District 8 to be known as the Northern Virginia Transportation Authority Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. All revenues dedicated to the Fund pursuant to §§ 58.1-638, 58.1-802.2, and 58.1-1742, any other funds that may be appropriated by the General Assembly, and any funds that may be received for the credit of the Fund from

any other source shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund.

The amounts dedicated to the Fund pursuant to §§ 58.1-638, 58.1-802.2, and 58.1-1742 shall be deposited monthly by the Comptroller into the Fund and thereafter distributed to the Northern Virginia Transportation Authority as soon as practicable for use in accordance with § 33.2-2510. If the Authority determines that such moneys distributed to it exceed the amount required to meet the current needs and demands to fund transportation projects pursuant to § 33.2-2510, the Authority may invest such excess moneys to the same extent as provided in subsection A of § 33.2-1525 for excess funds in the Transportation Trust Fund.

The amounts deposited into the Fund and the distribution and expenditure of such amounts shall not be used to calculate or reduce the share of federal, state, or local revenues otherwise available to participating jurisdictions. Further, such revenues and moneys shall not be included in any computation of, or formula for, a locality's ability to pay for public education, upon which appropriations of state revenues to local governments for public education are determined.

§ 33.2-2510. Use of certain revenues by the Authority.

A. All moneys received by the Authority and the proceeds of bonds issued pursuant to § 33.2-2511 shall be used by the Authority solely for transportation purposes benefiting those counties and cities that are embraced by the Authority.

B. 1. Except as provided in subdivision 2, 30 percent of the revenues received by the Authority under subsection A shall be distributed on a pro rata basis, with each locality's share being the total of such fee and taxes received by the Authority that are generated or attributable to the locality divided by the total of such fee and taxes received by the Authority. Of the revenues distributed pursuant to this subsection, as determined solely by the applicable locality, such revenues shall be used for additional urban or secondary highway construction, for other capital improvements that reduce congestion, for other transportation capital improvements that have been approved by the most recent long-range transportation plan adopted by the Authority, or for public transportation purposes. None of the revenue distributed by this subsection may be used to repay debt issued before July 1, 2013. Each locality shall create a separate, special fund in which all revenues received pursuant to this subsection and from the tax imposed pursuant to § 58.1-3221.3 shall be deposited. Each locality shall provide annually to the Northern Virginia Transportation Authority sufficient documentation as required by the Authority showing that the funds distributed under this subsection were used as required by this subsection.

2. If a locality has not deposited into its special fund (i) revenues from the tax collected under § 58.1-3221.3 pursuant to the maximum tax rate allowed under that section or (ii) an amount, from sources other than moneys received from the Authority, that is equivalent to the revenue that the locality would receive if it was imposing the maximum tax authorized by § 58.1-3221.3, then the amount of revenue distributed to the locality pursuant to subdivision 1 shall be reduced by the difference between the amount of revenue that the locality would receive if it was imposing the maximum tax authorized by such section and the amount of revenue deposited into its special fund pursuant to clause (i) or (ii), as applicable. The amount of any such reduction in revenue shall be redistributed according to subsection C. The provisions of this subdivision shall be ongoing and apply over annual periods as determined by the Authority.

C. 1. The remaining 70 percent of the revenues received by the Authority under subsection A, plus the amount of any revenue to be redistributed pursuant to subsection B, shall be used by the Authority solely to fund (i) transportation projects selected by the Authority that are contained in the regional transportation plan in accordance with § 33.2-2500 and that have been rated in accordance with § 33.2-257 or (ii) mass transit capital projects that increase capacity. For only those regional funds received in fiscal year 2014, the requirement for rating in accordance with § 33.2-257 shall not apply. The Authority shall give priority to selecting projects that are expected to provide the greatest congestion reduction relative to the cost of the project and shall document this information for each project selected. Such projects selected by the Authority for funding shall be located (a) only in localities embraced by the Authority or (b) in adjacent localities but only to the extent that such extension is an insubstantial part of the project and is essential to the viability of the project within the localities embraced by the Authority.

2. All transportation projects undertaken by the Northern Virginia Transportation Authority shall be completed by private contractors accompanied by performance measurement standards, and all contracts shall contain a provision granting the Authority the option to terminate the contract if contractors do not meet such standards. Notwithstanding the foregoing, any locality may provide engineering services or right-of-way acquisition for any project with its own forces. The Authority shall avail itself of the strategies permitted under the Public-Private Transportation Act (§ 33.2-1800 et seq.) whenever feasible and advantageous. The Authority is independent of any state or local entity, including the Department and the Commonwealth Transportation Board, but the Authority, the Department, and the Commonwealth Transportation Board shall consult with one another to avoid duplication of efforts and, at the option of the Authority, may combine efforts to complete specific projects. Notwithstanding the foregoing, at the request of the Authority, the Department may provide the Authority with engineering services or right-of-way acquisition for the project with its own forces.

3. With regard to the revenues distributed under subdivision 1, each locality's total long-term benefit shall be approximately equal to the proportion of the total of the fees and taxes received by the Authority that are generated by or attributable to the locality divided by the total of such fees and taxes received by the Authority.

D. For road construction and improvements pursuant to subsection B, the Department may, on a reimbursement basis, provide the locality with planning, engineering, right-of-way, and construction services for projects funded in whole by the revenues provided to the locality by the Authority.

§ 33.2-2511. Authority to issue bonds.

The Authority may issue bonds and other evidences of debt as may be authorized by this section or other law. The provisions of Article 5 (§ 33.2-1920 et seq.) of Chapter 19 shall apply, *mutatis mutandis*, to the issuance of such bonds or other debt. The Authority may issue bonds or other debt in such amounts as it deems appropriate. The bonds may be supported by any funds available except that funds from tolls collected pursuant to subdivision 7 of § 33.2-2512 shall be used only as provided in that subdivision.

§ 33.2-2512. Other duties and responsibilities of Authority.

In addition to other powers granted in this chapter, the Authority shall have the following duties and responsibilities:

1. Providing general oversight of regional programs involving mass transit or congestion mitigation, including carpooling, vanpooling, and ridesharing;
2. Providing long-range regional planning, both financially constrained and unconstrained;
3. Recommending to federal, state, and regional agencies regional transportation priorities, including public-private transportation projects and funding allocations;
4. Developing, in coordination with affected counties and cities, regional priorities and policies to improve air quality;
5. Allocating to priority regional transportation projects funds made available to the Authority and, at the discretion of the Authority, directly overseeing such projects;
6. Recommending to the Commonwealth Transportation Board priority regional transportation projects for receipt of federal and state funds;
7. Imposing, collecting, and setting the amount of tolls for use of facilities in the area embraced by the Authority, when the facility is either newly constructed or reconstructed solely with revenues of the Authority or solely with revenues under the control of the Authority in such a way as to increase the facility's traffic capacity, with the amount of tolls variable by time of day, day of the week, vehicle size or type, number of axles, or other factors as the Authority may deem proper, and with all such tolls to be used for programs and projects that are reasonably related to or benefit the users of the applicable facility, including for the debt service and other costs of bonds whose proceeds are used for such construction or reconstruction;
8. Providing general oversight of regional transportation issues of a multijurisdictional nature, including intelligent transportation systems, signalization, and preparation for and response to emergencies;
9. Serving as an advocate for the transportation needs of Northern Virginia before the state and federal governments;
10. Applying to and negotiating with the government of the United States, the Commonwealth, or any agency, instrumentality, or political subdivision thereof for grants and other funds available to carry out the purposes of this chapter and receiving, holding, accepting, and administering from any source gifts, bequests, grants, aid, or contributions of money, property, labor, or other things of value to be held, used, and applied to carry out the purposes of this chapter subject, however, to any condition upon which gifts, bequests, grants, aid, or contributions are made. Unless otherwise restricted by the terms of the gift, bequest, or grant, the Authority may sell, exchange, or otherwise dispose of such money, securities, or other property given or bequeathed to it in furtherance of its purposes;
11. Acting as a "responsible public entity" for the purpose of the acquisition, construction, improvement, maintenance, or operation, or any combination thereof, of a "qualifying transportation facility" under the Public-Private Transportation Act of 1995 (§ 33.2-1800 et seq.); and
12. Deciding on and voting to impose certain fees and taxes authorized under law for imposition or assessment by the Authority, provided that any such fee or tax assessed or imposed is assessed or imposed in all counties and cities embraced by the Authority. The revenues from such certain fees and taxes shall be kept in a separate account and shall be used only for the purposes provided in this chapter.

CHAPTER 26.

HAMPTON ROADS TRANSPORTATION FUND.

§ 33.2-2600. Hampton Roads Transportation Fund.

There is hereby created in the state treasury a special nonreverting fund for Planning District 23 to be known as the Hampton Roads Transportation Fund, referred to in this section as "the Fund." The Fund shall be established on the books of the Comptroller. All revenues dedicated to the Fund pursuant to § 58.1-638 and Chapter 22.1 (§ 58.1-2291 et seq.) of Title 58.1 shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. The moneys deposited in the Fund shall be used solely for new construction projects on new or existing roads, bridges, and tunnels in the localities comprising Planning District 23 as approved by the Hampton Roads Transportation Planning Organization. The Hampton Roads Transportation Planning Organization shall give priority to those projects that are expected to provide the greatest impact on reducing congestion and shall ensure that the moneys shall be used for such construction projects in all localities comprising Planning District 23.

The amounts dedicated to the Fund shall be deposited monthly by the Comptroller into the Fund. The amounts deposited into the Fund and the distribution and expenditure of such amounts shall not be used to calculate or reduce the share of federal, state, or local revenues otherwise available to participating localities. Further, such revenues and moneys shall not be included in any computation of, or formula for, a locality's ability to pay for public education, upon which appropriations of state revenues to local governments for public education are determined.

CHAPTER 27.

TRANSPORTATION DISTRICT WITHIN THE CITY OF CHARLOTTESVILLE AND THE COUNTY OF ALBEMARLE.

§ 33.2-2700. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Commission" means the governing body of the local transportation district created pursuant to this chapter.

"Cost" means all or any part of the cost of the following:

- 1. Acquisition, construction, reconstruction, alteration, landscaping, utilities, parking, conservation, remodeling, equipping, or enlarging of transportation improvements or any portion thereof;*
- 2. Acquisition of land, rights-of-way, property rights, easements, and interests for construction, alteration, or expansion of transportation improvements;*
- 3. Demolishing or relocating any structure on land so acquired, including the cost of acquiring any lands to which such structure may be relocated;*
- 4. All labor, materials, machinery, and equipment necessary or incidental to the construction or expansion of a transportation improvement;*
- 5. Financing charges, insurance, interest, and reserves for interest on all bonds prior to and during construction and, if deemed advisable by the commission, for a reasonable period after completion of such construction;*
- 6. Reserves for principal and interest;*
- 7. Reserves for extensions, enlargements, additions, replacements, renovations, and improvements;*
- 8. Provisions for working capital;*
- 9. Engineering and architectural expenses and services, including surveys, borings, plans, and specifications;*
- 10. Subsequent addition to or expansion of any project and the cost of determining the feasibility or practicability of such construction;*
- 11. Financing construction of, addition to, or expansion of transportation improvements and placing them in operation; and*
- 12. Expenses incurred in connection with the creation of the district, not to exceed \$150,000.*

"District" means the district created pursuant to this chapter.

"District advisory board" or "advisory board" means the board appointed pursuant to this chapter.

"Federal agency" means the United States of America or any department, bureau, agency, or instrumentality thereof.

"Locality" means the City of Charlottesville or the County of Albemarle.

"Owner" or "landowner" means the person that has the usufruct, control, or occupation of the taxable real property as determined, pursuant to § 58.1-3281, by the commissioner of the revenue of the locality in which the subject real property is located.

"Revenue" means any or all fees, tolls, rents, receipts, assessments, taxes, money, and income derived by the district, including any cash contribution or payments made to the district by the Commonwealth, any political subdivision thereof, or any other source.

"Transportation improvements" means any real or personal property acquired, constructed, improved, or used in constructing or improving any highway, or portion or interchange thereof, including parking facilities located within a district created pursuant to this chapter. "Transportation improvements" includes public highways and all buildings, structures, approaches, and facilities thereof and appurtenances thereto, rights-of-way, bridges, tunnels, and all related equipment and fixtures.

§ 33.2-2701. Creation of district.

A. A district may be created in the City of Charlottesville and the County of Albemarle by resolutions of such localities' governing bodies. Such resolutions shall be considered upon the petition to each governing body of a locality in which the proposed district by the owners of at least 51 percent of either the land area or the assessed value of land, in each locality that (i) is within the boundaries of the proposed district and (ii) has been zoned for commercial or industrial use or is used for such purposes.

B. The petition to the local governing bodies shall:

- 1. Set forth the name and describe the boundaries of the proposed district;*
- 2. Describe the transportation improvements proposed within the district;*
- 3. Propose a plan for providing such transportation improvements within the district and describe specific terms and conditions with respect to all commercial and industrial zoning classifications and uses, densities, and criteria related thereto that the petitioners request for the proposed district;*
- 4. Describe the benefits that can be expected from the provision of such transportation improvements within the district; and*
- 5. Request the local governing bodies to establish the proposed district for the purposes set forth in the petition.*

C. Upon the filing of such a petition, each local governing body shall fix a day for a hearing on the question of whether the proposed district shall be created. The hearing shall consider whether the residents and owners of real property within the proposed district would benefit from the establishment of the proposed district. All interested persons who either reside in or own taxable real property within the proposed district shall have the right to appear and show cause why any property or properties should not be included in the proposed district. Such resolution shall be binding upon the local governing body with respect to the inclusion or exclusion of such properties within the proposed district. The petition shall comply

with the provisions of this section with respect to minimum acreage or assessed valuation. Notice of the hearing shall be given by publication once a week for three consecutive weeks in a newspaper of general circulation within the locality. At least 10 days shall intervene between the third publication and the date set for the hearing.

D. If both local governing bodies find the creation of the proposed district would be in furtherance of their comprehensive plans for the development of the area, in the best interests of the residents and owners of real property within the proposed district, and in furtherance of the public health, safety, and welfare, both local governing bodies may pass resolutions that are reasonably consistent with the petition, creating the district and providing for the appointment of an advisory board in accordance with this chapter. The resolutions shall provide a description with specific terms and conditions of all commercial and industrial zoning classifications that shall be in force in the district upon its creation, together with all related criteria and a term of years, not to exceed 20 years, as to which each such zoning classification and each related criterion set forth therein shall remain in force within the district without elimination, reduction, or restriction, except (i) upon the written request or approval of the owner of any property affected by a change or (ii) as specifically required to comply with federal or state law.

Each resolution creating the district shall also provide (a) that the district shall expire 35 years from the date upon which the resolution is passed or (b) that the district shall expire when the district is abolished in accordance with § 33.2-2714. After the public hearing, each local governing body shall deliver a certified copy of its proposed resolution creating the district to the petitioning landowners or their attorneys-in-fact. Any petitioning landowner may then withdraw his signature on the petition, in writing, at any time prior to the vote of the local governing body. In the case where any signature on the petition is withdrawn, the local governing body may pass the proposed resolution only upon certification that the petition continues to meet the provisions of this section. After both local governing bodies have adopted resolutions creating the district, the district shall be established and the name of the district shall be "The Charlottesville-Albemarle Transportation Improvement District."

§ 33.2-2702. Commission to exercise powers of the district.

The powers of the district created pursuant to this chapter shall be exercised by a commission. The commission shall consist of two members of the governing body of each locality in the district, appointed by the respective local governing body. In addition to the appointed members, the Chairman of the Commonwealth Transportation Board or his designee shall be a member of the commission of the district created pursuant to this chapter.

The commission shall elect a chairman from its membership. The chairman may be the chairman or presiding officer of a local governing body. In addition, the commission, with the advice of the district advisory board, shall elect a secretary and a treasurer, who may be members or employees of any local governing body or other governmental body. The offices of secretary and treasurer may be combined. A majority of the commission members shall constitute a quorum, and a majority vote shall be necessary for any action taken by the commission. No vacancy in the membership of the commission shall impair the right of a majority of the members to form a quorum or to exercise all of its rights, powers, and duties.

§ 33.2-2703. Powers and duties of commission.

The commission shall:

1. Construct, reconstruct, alter, improve, expand, make loans or otherwise provide financial assistance to, and operate transportation improvements in the district for the use and benefit of the public.

2. Acquire by gift, purchase, lease, in-kind contribution to construction costs, or otherwise transportation improvements in the district and sell, lease as lessor, transfer, or dispose of any part of transportation improvements in such manner and upon such terms as the commission may determine to be in the best interests of the district. However, prior to disposing of any such property or interest therein, the commission shall conduct a public hearing with respect to such disposition. At the hearing, the residents and owners of property within the district shall have an opportunity to be heard. At least 10 days' notice of the time and place of such hearing shall be published in a newspaper of general circulation in the district, as prescribed by the commission. Such public hearing may be adjourned from time to time.

3. Invite bids or request proposals from and contract with any person, as authorized by law, with regard to any matter necessary and proper to provide transportation improvements, including the financing, acquisition, construction, reconstruction, alteration, improvement, expansion, or maintenance of transportation improvements in the district.

4. Enter into a continuing service contract for a purpose authorized by this chapter and make payments of the proceeds received from the special taxes levied pursuant to this chapter, together with any other revenues, for installments due under that service contract. The district may apply such payments annually during the term of that service contract in an amount sufficient to make the installment payments due under that contract, subject to the limitation imposed by this chapter. However, payments for any such service contract shall be conditioned upon the receipt of services pursuant to the contract. Such a contract shall not obligate a locality to make payments for services of the district.

5. Accept the allocations, contributions, or funds of any available source or reimburse from any available source, including any person, for the whole or any part of the costs, expenses, and charges incident to the acquisition, construction, reconstruction, maintenance, alteration, improvement, and expansion of any transportation improvements in the district.

6. Contract for the extension and use of any highway into territory outside the district on such terms and conditions as the commission determines.

7. Employ and fix the compensation of personnel who may be deemed necessary for the construction, operation, or maintenance of any transportation improvements in the district.

8. Have prepared an annual audit of the district's financial obligations and revenues, and, upon review of such audit, request a tax rate adequate to provide tax revenues that, together with all other revenues, are required by the district to fulfill its annual obligations.

§ 33.2-2704. District advisory board.

Within 30 days after the establishment of the district under this chapter, the governing body from each locality within which any portion of the district is located shall appoint six members to a district advisory board. Three of the six members from each locality shall be chosen by the local governing body from nominations submitted to the local governing body by the petitioners. All members shall own or represent commercially or industrially zoned land within the district. Each member shall be appointed for a term of four years, except the initial appointment of advisory board members shall provide that the terms of three of the members shall be for two years. If a vacancy occurs with respect to an advisory board member initially appointed by a local governing body, or any successor of such a member, the local governing body shall appoint a new member who is a representative or owner of commercially or industrially zoned property within the local district. If a vacancy occurs with respect to an advisory board member initially nominated by the petitioners, or any successor thereof, the remaining advisory board members initially nominated by the petitioners, or their successors, shall nominate a new member for selection by the local governing body.

District advisory board members shall serve without pay, but the local governing body shall provide the advisory board with facilities for the holding of meetings, and the commission shall appropriate funds needed to defray the reasonable expenses and fees of the advisory board, which shall not exceed \$20,000 annually, including expenses and fees arising out of the preparation of the annual report. Such appropriations shall be based on an annual budget submitted by the advisory board, and approved by the commission, sufficient to carry out its responsibilities under this chapter. The advisory board shall elect a chairman and a secretary and such other officers as it deems necessary. The advisory board shall fix the time for holding regular meetings and shall meet at least once every year. Special meetings of the advisory board shall be called by the chairman or by two members of the advisory board upon written request to the secretary of the advisory board. A majority of the members shall constitute a quorum.

The advisory board shall present an annual report to the commission on the transportation needs of the district and on the activities of the advisory board, and the advisory board shall present special reports on transportation matters as requested by the commission or the local governing body concerning taxes to be levied pursuant to this chapter.

§ 33.2-2705. Annual special improvements tax; use of revenues.

Upon the written request of the commission made concurrently to the local governing body or bodies pursuant to this chapter, each local governing body may levy and collect an annual special improvements tax on taxable real estate zoned for commercial or industrial use or used for such purposes and taxable leasehold interests in the portion of the improvement district that is within its jurisdiction. Notwithstanding the provisions of Article 4 (§ 58.1-3229 et seq.) of Chapter 32 of Title 58.1, the tax shall be levied on the assessed fair market value of the taxable real property. The rate of the special improvements tax, when combined with all other special taxes in this Code of any kind imposed on land within the district, shall not be more than 25 cents (\$.25) per \$100 of the assessed fair market value of any taxable real estate or the assessable value of taxable leasehold property as specified by § 58.1-3203; however, if all the owners in any district so request in writing, this limitation on rate shall not apply. Such special improvements taxes shall be collected at the same time and in the same manner as the locality's taxes are collected and the proceeds shall be kept in a separate account. The effective date of the initial assessment shall be January 1 of the year following adoption of the resolution creating the district. All revenues received by each locality pursuant to such taxes shall be paid to or at the direction of the district commission for its use pursuant to this chapter.

§ 33.2-2706. Agreements with Commonwealth Transportation Board; payment of special improvements tax to Transportation Trust Fund.

A. The district may contract with the Commonwealth Transportation Board for the Commonwealth Transportation Board to perform any purpose of the district.

The district may agree by contract to pay all or a portion of the special improvements tax to the Commonwealth Transportation Board.

Prior to executing any such contract, the district shall seek the agreement of each local governing body creating the district that the locality's officer charged with the responsibility for preparing the locality's annual budget shall submit in the budget for each fiscal year in which any Commonwealth of Virginia Transportation Contract Revenue Bonds issued for such district are outstanding, all amounts to be paid to the Commonwealth Transportation Board under such contract during such fiscal year.

If the amount required to be paid to the Commonwealth Transportation Board under the contract is not so paid for a period of 60 days after such amount is due, the Commonwealth Transportation Board shall, until such amount has been paid, withhold sufficient funds from funds appropriated and allocated, pursuant to Article 5 (§ 33.2-351 et seq.) of Chapter 3, to the highway construction district in which the transportation improvements covered by such contract are located or to such locality in which such transportation improvements are located and to use such funds to satisfy the contractual requirements.

B. While nothing in this chapter shall limit the authority of any locality to change the classification of property zoned for commercial or industrial use or used for such purpose upon the written request or approval of the owner of any property

affected by such change after the effective date of any such contract, should a change in zoning classification so requested result in a shortfall in the total annual revenues from the imposition of the special improvements tax and the payments required to be made to the Commonwealth Transportation Board pursuant to the contract, the district shall request the local governing body to increase the rate of such tax by such amount up to the maximum authorized rate as may be necessary to prevent such shortfall. If, however, a deficit remains after any rezoning and adjustment of the tax rate or the rate is at the maximum authorized rate and cannot be increased, then the amount of funds otherwise appropriated and allocated, pursuant to the highway allocation formula as provided by law, to the highway construction district in which the project covered by such contract is located or to such county in which such project is located shall be reduced by the amount of such deficit and used to satisfy the deficit.

§ 33.2-2707. Jurisdiction of localities and officers, etc., not affected.

Neither the creation of a district nor any other provision in this chapter shall affect the power, jurisdiction, or duties of the respective local governing bodies; sheriffs; treasurers; commissioners of the revenue; circuit, district, or other courts; clerks of any court; magistrates; or any other state or local officer in regard to the area embraced in any district, or restrict or prevent any locality, town, or its governing body from imposing and collecting taxes or assessments for public improvements as permitted by law. Any locality that creates a district pursuant to this chapter may obligate itself with respect to the zoning ordinances, zoning ordinance text, and regulations relating thereto for all commercial and industrial classifications within the district as provided in this chapter for a term not to exceed 20 years from the date on which such district is created.

§ 33.2-2708. Allocation of funds to districts.

The governing body of either locality in which a district has been created pursuant to this chapter may advance funds or provide matching funds from money not otherwise specifically allocated or obligated. Such funds may be received or generated from whatever source, including general revenues, special fees and assessments, state allocations, and contributions from private sources to a local district to assist the local district to undertake the transportation improvements for which it was created. To assist the district with an approved transportation improvement, the Commonwealth Transportation Board may allocate to a district created pursuant to this chapter only funds allocated, pursuant to Article 5 (§ 33.2-351 et seq.) of Chapter 3, and subsection A of § 58.1-638, to the highway construction districts and localities in which such transportation district is located.

§ 33.2-2709. Reimbursement for advances to district.

To the extent that a locality has made advances to the district, the commission shall direct the district treasurer to reimburse the locality from district funds not otherwise specifically allocated or obligated.

§ 33.2-2710. Cooperation between districts and other political subdivisions.

Any district created pursuant to this chapter may enter into agreements with counties, cities, towns, or other political subdivisions of the Commonwealth for joint or cooperative action in accordance with the authority contained in § 15.2-1300.

§ 33.2-2711. Tort liability.

No pecuniary liability of any kind shall be imposed upon the Commonwealth or any locality or landowner therein because of any act, agreement, contract, tort, malfeasance, misfeasance, or nonfeasance by or on the part of a district or its agents, servants, or employees.

§ 33.2-2712. Approval by Commonwealth Transportation Board.

The district may not construct or improve a transportation improvement without the approval of both the Commonwealth Transportation Board and the locality in which the transportation improvement will be located. At the request of the commission, the Commissioner of Highways may exercise the powers of condemnation provided in Chapter 2 (§ 25.1-200 et seq.) of Title 25.1, Article 1 (§ 33.2-1000 et seq.) of Chapter 10, or § 33.2-705, for the purpose of acquiring property for transportation improvements within the district.

Upon completion of such construction or improvement, the Commonwealth Transportation Board shall take any affected public highway into the appropriate state highway system for purposes of maintenance and subsequent improvements as necessary. Upon acceptance by the Commonwealth of such highway into a state highway system, all rights, title, and interest in the rights-of-way and improvements of any affected highway shall vest in the Commonwealth. Upon completion of construction or improvement of a mass transit system, all rights, title, and interest in the rights-of-way and improvements of such mass transit system shall vest in an agency or instrumentality of the Commonwealth designated by the Commonwealth Transportation Board.

§ 33.2-2713. Enlargement of district.

The district shall be enlarged by resolution of the governing body of the locality upon the petitions of the district commission and the owners of at least 51 percent of either the land area or assessed value of land of the district within each locality, and the owners of at least 51 percent of either the land area or assessed value of land located within the territory sought to be added to the district. However, any such territory shall be contiguous to the existing district. The petition shall present the information required by § 33.2-2001. Upon receipt of such a petition, the locality shall use the standards and procedures provided in § 33.2-2001, except that the residents and owners of both the existing district and the area proposed for the enlargement shall have the right to appear and show cause why any property should not be included in the proposed district.

If the local governing body finds the enlargement of a local district would be in accordance with the applicable comprehensive plan and transportation improvement program for the development of the area, in the best interests of the residents and owners of the property within the proposed district, and in furtherance of the public health, safety, and general welfare, and if the local governing body finds that enlargement of the district does not limit or adversely affect the rights and interests of any party that has contracted with the district, the governing body of a locality may pass a resolution providing for the enlargement of the district.

§ 33.2-2714. Abolition of local transportation districts.

A. Any district created pursuant to this chapter may be abolished by resolutions passed by each local governing body within whose locality any portion of the district lies, upon the joint petition of the commission and the owners of at least 51 percent of the land area located within the district in each locality. Joint petitions shall:

- 1. State whether the purposes for which the district was formed have been substantially achieved;*
- 2. State whether all obligations incurred by the district have been fully paid;*
- 3. Describe the benefits that can be expected from the abolition of the district; and*
- 4. Request each affected local governing body to abolish the district.*

B. Upon receipt of such a petition, each local governing body, in considering the abolition of the district, shall use the standards and procedures described in § 33.2-2001 mutatis mutandis, except that all interested persons who either reside on or own real property within the boundaries of the district shall have the right to appear and show cause why the district should not be abolished.

C. If each local governing body finds that (i) the abolition of the district is in accordance with the applicable locality's comprehensive plan for the development of the area; (ii) the abolition of the district is in the best interests of the residents and owners of the property within the district; (iii) the abolition of the district is in furtherance of the public health, safety, and welfare; and (iv) all debts of the district have been paid and the purposes of the district either have been, or should not be, fulfilled or finds that each local governing body with the approval of the voters of each locality has agreed to assume the debts of the district, then each local governing body may pass a resolution abolishing the district and the district advisory board. Upon abolition of the district, the title to all funds and properties owned by the district at the time of such dissolution shall vest in the locality in which the district or portion thereof was located.

§ 33.2-2715. Chapter to constitute complete authority for acts authorized; liberal construction.

This chapter shall constitute complete authority for the district to take the actions authorized in this chapter. This chapter, being necessary for the welfare of the Commonwealth and its inhabitants, shall be liberally construed to effect its purposes. Any court test concerning the validity of any bonds that may be issued for transportation improvements made pursuant to this chapter may be determined pursuant to Article 6 (§ 15.2-2650 et seq.) of Chapter 26 of Title 15.2.

CHAPTER 28.

CHARLOTTESVILLE-ALBEMARLE REGIONAL TRANSIT AUTHORITY.

§ 33.2-2800. Charlottesville-Albemarle Regional Transit Authority created.

There is hereby created a political subdivision of the Commonwealth known as the Charlottesville-Albemarle Regional Transit Authority, for purposes of this chapter referred to as "the Authority."

§ 33.2-2801. Powers of the Charlottesville-Albemarle Regional Transit Authority.

The Authority is hereby granted all powers necessary or appropriate to carry out the purposes of this chapter, including the power and authority to:

- 1. Prepare a regional transit plan for all or a portion of the areas located within the boundaries of each member locality. The regional transit plan may include all or portions of those areas within the City of Charlottesville and the County of Albemarle, shall include transit improvements of regional significance and those improvements necessary or incidental thereto, and shall be revised and amended;*
- 2. When a transit plan is adopted according to subdivision 1, construct or acquire, by purchase, lease, contract, or otherwise, the transit facilities specified in such transit plan;*
- 3. Make, assume, and enter into all contracts, agreements, arrangements, and leases with public or private entities as the Authority may determine are necessary or incidental to the operation of its facilities or to the execution of the powers granted by this chapter or may operate such facilities itself;*
- 4. Enter into contracts or agreements with the counties and cities embraced by the Authority, with other transit commissions of transportation districts adjoining any county or city embraced by the Authority, with any transportation authority, or with any federal, state, local, or private entity to provide, or cause to be provided, transit facilities and services to the area embraced by the Authority. Such contracts or agreements, together with any agreements or leases for the operation of such facilities, may be used by the Authority to finance the construction and operation of transit facilities, and such contracts, agreements, or leases shall inure to the benefit of any creditor of the Authority;*
- 5. Notwithstanding any other provision of law to the contrary:*
 - a. Acquire land or any interest therein by purchase, lease, or gift and provide transit facilities thereon for use in connection with any transit service; and*
 - b. Prepare a plan for mass transit services with persons, counties, cities, agencies, authorities, or transportation commissions and contract with any such person or other entity to provide necessary facilities, equipment, operations and maintenance, access, and insurance pursuant to such plan;*

6. Adopt, amend, or repeal bylaws, rules, and regulations not inconsistent with this chapter or the general laws of the Commonwealth for the regulation of its affairs and the conduct of its business and carry into effect its powers and purposes;

7. Adopt an official seal and alter it;

8. Maintain an office at such place or places as it designates;

9. Sue and be sued;

10. Determine and set fees, rates, and charges for transit services;

11. Establish retirement, group life insurance, and group accident and sickness insurance plans or systems for its employees in the same manner as localities are permitted under §§ 51.1-801 and 51.1-802;

12. Provide by resolution for the issuance of revenue bonds of the Authority for the purpose of paying the whole or any part of the cost of operating any transit system. Revenue bonds issued under the provisions of this chapter shall not constitute a pledge of the faith and credit of the Commonwealth or of any political subdivision. All bonds shall contain a statement on their face substantially to the effect that neither the faith and credit of the Commonwealth nor the faith and credit of any political subdivision are pledged to the payment of the principal of or the interest on the bonds. The issuance of revenue bonds under the provisions of this chapter shall neither directly nor indirectly nor contingently obligate the Commonwealth or any political subdivision to levy any taxes or to make any appropriation for their payment except from the funds pledged under the provisions of this chapter;

13. Appoint, employ, or engage such officers, employees, architects, engineers, attorneys, accountants, financial advisors, investment bankers, and other advisors, consultants, and agents as may be necessary or appropriate and pay compensation and fix their duties; and

14. Contract with any participating political subdivision for such subdivision to provide legal services; engineering services; depository and accounting services, including an annual independent audit; and procurement of goods and services and act as fiscal agent for the Authority.

§ 33.2-2802. Counties and cities initially embraced by the Authority.

The Authority shall initially embrace the City of Charlottesville and all or such portions of the County of Albemarle as its governing body desires to have included. The City of Charlottesville and the County of Albemarle shall be the initial members of the Authority upon adoption of an approving ordinance or resolution by each of their respective governing bodies.

§ 33.2-2803. Joinder of other counties, agencies, institutions, and facilities.

The Counties of Fluvanna, Greene, Louisa, and Nelson may join the Authority, and the Authority shall embrace all or such portions as the governing body of each county desires to have covered. Additionally, private nonprofit tourist-driven agencies, higher education facilities of the Charlottesville-Albemarle area, and public transportation agencies serving such counties may join the Authority. The governing body of any county, agency, institution, or facility wishing to join the Authority and the governing bodies of the localities, agencies, institutions, and facilities then members of the Authority shall by concurrent resolution or ordinance or by agreement provide for the joinder of such county, agency, institution, or facility.

§ 33.2-2804. Governance of Authority; composition; terms.

The Authority shall be governed by a board of directors, for purposes of this chapter referred to as the "Authority Board," which shall consist of the following:

1. Two directors representing the County of Albemarle, each of whom shall be a member of the governing body of the county;

2. Two directors representing the City of Charlottesville, each of whom shall be a member of the governing body of the city;

3. One director representing each county that joins the Authority pursuant to § 33.2-2803, each of whom shall be a member of the governing body of each respective county; and

4. Up to four additional directors, who shall be nonvoting, representing the interests of such agencies, institutions, and facilities described in § 33.2-2803 that join the Authority.

All members of the Authority Board shall serve terms coincident with their terms of office. Vacancies shall be filled in the same manner as the original appointments.

The Authority Board shall appoint a chair and vice-chair from among its members.

§ 33.2-2805. Staff.

The Authority shall employ an executive director and such staff as it shall determine to be necessary to carry out its duties and responsibilities under this chapter. No such person shall contemporaneously serve as a director of the Authority Board. The Department of Transportation and the Department of Rail and Public Transportation shall make their employees available to assist the Authority, upon request.

§ 33.2-2806. Decisions of Authority.

A majority of the Authority Board shall constitute a quorum. Decisions of the Authority Board shall require a quorum and shall be in accordance with voting procedures established by the Authority.

§ 33.2-2807. Allocation of certain Authority expenses.

The administrative expenses of the Authority, as provided in an annual budget adopted by the Authority, to the extent funds for such expenses are not provided from other sources, shall be allocated among the participating counties, city, agencies, institutions, and facilities pursuant to a funding formula as duly adopted by the Authority.

§ 33.2-2808. Payment to directors of the Authority Board.

The directors of the Authority Board may be paid for their services in either (i) the amount provided in the general appropriation act for members of the General Assembly engaged in legislative business between sessions or (ii) a lesser amount as determined by the Authority. Directors of the Authority Board may be reimbursed for all reasonable and necessary expenses as provided in §§ 2.2-2813 and 2.2-2825, if approved by the Authority. Funding for the costs of compensation and expenses of the directors of the Authority Board shall be provided by the Authority.

§ 33.2-2809. Formation of advisory committees.

The Authority may form advisory committees to assist the Authority.

§ 33.2-2810. Other duties and responsibilities of Authority.

In addition to other powers granted in this chapter, the Authority shall have the following duties and responsibilities:

1. Providing general oversight of Charlottesville-Albemarle area programs involving mass transit or congestion mitigation;
2. Providing long-range transit planning in the Charlottesville-Albemarle area, both financially constrained and unconstrained;
3. Recommending to federal, state, and regional agencies regional transit priorities, including public-private transit projects and funding allocations;
4. Allocating to priority regional transit projects any funds made available to the Authority and, at the discretion of the Authority, directly overseeing such projects;
5. Recommending to the Commonwealth Transportation Board priority regional transit projects for receipt of federal and state funds;
6. Serving as an advocate for the transit needs of the Charlottesville-Albemarle area before the federal and state governments; and
7. Applying to and negotiating with the government of the United States, the Commonwealth, or any agency or instrumentality thereof for grants and any other funds available to carry out the purposes of this chapter and receiving, holding, accepting, and administering from any source gifts, bequests, grants, aid, or contributions of money, property, labor, or other things of value to be held, used, and applied to carry out the purposes of this chapter subject, however, to any condition upon which gifts, bequests, grants, aid, or contributions are made. Unless otherwise restricted by the terms of the gift, bequest, or grant, the Authority may sell, exchange, or otherwise dispose of such money, securities, or other property given or bequeathed to it in furtherance of its purposes.

§ 33.2-2811. Withdrawal from the Authority.

A member of the Authority may withdraw from the participation in and the obligations of the Authority by a resolution or an ordinance of its governing body, and pursuant to such conditions and procedures adopted by the Authority. However, if the Authority has any outstanding bonds or other debt, no member may withdraw from the Authority without the unanimous consent of all the holders of such bonds unless such bonds have been paid or cashed or United States government obligations have been deposited for their payment.

§ 33.2-2812. Dissolution of the Authority.

Whenever the Authority Board by resolution determines that the purposes for which the Authority was formed have been substantially complied with and all bonds issued and all obligations incurred by the Authority have been fully paid or adequate provisions have been made for the payment, the Authority Board shall execute and file for record with the participating localities, agencies, institutions, and facilities a resolution declaring such facts and providing for the disposition of the Authority assets, consistent with applicable state and federal law. If the participating localities, agencies, institutions, and facilities are of the opinion that the facts stated in the Authority's resolution are true and the Authority should be dissolved, they shall so resolve and the Authority shall stand dissolved as of the date on which the last participating locality, agency, institution, or facility adopts such resolution.

CHAPTER 29.

RICHMOND METROPOLITAN AUTHORITY.

§ 33.2-2900. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Authority" means the Richmond Metropolitan Authority created by § 33.2-2901 or, if the Authority is abolished, the board, body, commission, or agency succeeding to the principal functions thereof or on whom the powers given by this chapter to the Authority are conferred by law, but shall not include the City of Richmond or the Counties of Chesterfield and Henrico.

"Authority facility" means all facilities purchased, constructed, or otherwise acquired by the Authority pursuant to the provisions of this chapter and all extensions and improvements thereof.

"Bonds" or "revenue bonds" means revenue bonds or revenue refunding bonds of the Authority issued under the provisions of this chapter.

"Cost," as applied to any project, includes the cost of construction, landscaping, and conservation; the cost of acquisition of all land, rights-of-way, property, rights, easements, and interests acquired by the Authority for such construction, landscaping, and conservation; the cost of demolishing or removing any buildings or structures on land so acquired, including the cost of acquiring any lands to which such buildings or structures may be moved; the cost of all

machinery and equipment; the cost of financing charges and interest prior to and during construction and for a period of time after completion of construction as deemed advisable by the Authority; the cost of traffic estimates and of engineering and legal services, plans, specifications, surveys, estimates of cost and of revenues, and other expenses necessary or incident to determining the feasibility or practicability of constructing the project; the cost of administrative expenses; and the cost of payments to the Department or others for services during the period of construction, initial working capital, debt service reserves, and such other expenses as may be necessary or incident to the construction of the project, the financing of such construction, and the placing of the project in operation. Any obligation or expense incurred by the Commonwealth Transportation Board or by the City of Richmond or the County of Henrico or Chesterfield, before or after the effective date of this chapter, for surveys, engineering, borings, plans and specifications, legal and other professional and technical services, reports, studies, and data in connection with the construction of a project shall be repaid or reimbursed by the Authority and the amounts thereof shall be included as a part of the cost of the project.

"Limited access highway" means a highway specially designed for through traffic over or to which owners or occupants of abutting property or other persons have no easement of or right to light, air, view, or access by reason of the fact that their property abuts upon such highway, and access to which highway is controlled by the Authority, the Commonwealth, the City of Richmond, the County of Henrico, or the County of Chesterfield so as to give preference to through traffic by providing access connections with selected public highways only and by prohibiting crossings at grade or direct private driveway connections.

"Owner" includes all individuals, partnerships, associations, organizations, and corporations, the City of Richmond, the County of Henrico, the County of Chesterfield, and all public agencies and instrumentalities having any title to or interest in any property, rights, easements, and interests authorized to be acquired by this chapter.

"Project" means any single facility constituting an Authority facility, as described in the resolution or trust agreement providing for its construction, including extensions and improvements thereof.

"Public highways" shall include public highways, roads, and streets, whether maintained by the Commonwealth or the City of Richmond or the County of Henrico or Chesterfield.

"Revenues" means all fees, tolls, rents, rates, receipts, moneys, and income derived by the Authority through the ownership and operation of Authority facilities, and includes all cash contributions made to the Authority by the Commonwealth or any agency or department thereof, the City of Richmond, and the Counties of Henrico and Chesterfield not specifically dedicated by the contributor for a capital improvement.

§ 33.2-2901. Creation of the Richmond Metropolitan Authority.

There is hereby created a political subdivision and public body corporate and politic of the Commonwealth to be known as the Richmond Metropolitan Authority, to be governed by a board of directors consisting of 11 members appointed as follows: one member to be appointed by the Board of Supervisors of Chesterfield County for a period of two years from the date of appointment; one member to be appointed by the Board of Supervisors of Chesterfield County for a term of four years from the date of appointment; one member to be appointed by the Board of Supervisors of Henrico County for a period of two years from the date of appointment; one member to be appointed by the Board of Supervisors of Henrico County for a term of four years from the date of appointment; three members to be appointed by the Mayor of the City of Richmond with the approval of the City Council of the City of Richmond for terms of two years from the date of appointment; three members to be appointed by the Mayor of the City of Richmond with the approval of the City Council of the City of Richmond for a term of four years from the date of appointment; and one *ex officio* member from the Commonwealth Transportation Board to be appointed by the Commissioner of Highways. After initial appointments, the appointive members of the board of directors shall be appointed for terms of four years and until their successors have been appointed and are qualified. Vacancies in the membership of the board of directors shall be filled in the same manner as the original appointment for the unexpired portion of the term. The board of directors so appointed shall enter upon the performance of its duties and shall initially and annually elect a chairman and a vice-chairman from its membership and shall also elect annually a secretary or secretary-treasurer, who need not be a member of the board of directors. The chairman, or in his absence the vice-chairman, shall preside at all meetings of the board of directors, and in the absence of both the chairman and vice-chairman, the board of directors shall elect a chairman *pro tempore* who shall preside at such meetings. Six directors shall constitute a quorum, and all action by the board of directors shall require the affirmative vote of a majority of the directors present and voting. The members of the board of directors shall be entitled to reimbursement for expenses incurred in attendance upon meetings of the board of directors or while otherwise engaged in the discharge of their duties, and each member shall also be paid the sum of \$50 per day for each day or portion thereof during which he is engaged in the performance of his duties. Such expenses and compensation shall be paid out of the treasury of the Authority in such manner as shall be prescribed by the Authority.

§ 33.2-2902. Powers of the Richmond Metropolitan Authority.

In order to alleviate highway congestion; promote highway safety; expand highway construction; increase the utility and benefits and extend the services of public highways, including bridges, tunnels, and other highway facilities, both free and toll; and otherwise contribute to the economy, industrial and agricultural development, and welfare of the Commonwealth and the City of Richmond and the Counties of Henrico and Chesterfield, the Authority shall have the following powers:

1. To contract and be contracted with; to sue and be sued; and to adopt, use, and alter at its pleasure a seal;
2. To acquire and hold real or personal property necessary or convenient for its purposes;

3. To sell, lease, or otherwise dispose of any personal or real property or rights, easements, or estates therein deemed by the Authority not necessary for its purposes;

4. To purchase, construct, or otherwise acquire, maintain, repair, and operate, or cause to be repaired, maintained, and operated, limited access highways within the corporate limits of the City of Richmond and the Counties of Chesterfield and Henrico, including all bridges, tunnels, overpasses, underpasses, grade separations, interchanges, entrance plazas, approaches, tollhouses, and administration, storage, and other buildings and facilities that the Authority may deem necessary or convenient for the operation of such limited access highways. Title to any property acquired by the Authority shall be taken in the name of the Authority;

5. With the approval of the City Council of the City of Richmond and the Boards of Supervisors of the Counties of Henrico and Chesterfield, to own, operate, maintain, and provide rapid and other transit facilities and services for the transportation of the public; to enter into contracts with the City and the County or Counties and any public service corporations doing business as common carriers of passengers and property for the use of Authority facilities for such purpose; to enter into contracts for the transportation of passengers and property over facilities of localities other than those controlled by the Authority, as well as the property and facilities of the Authority; and to construct, acquire, operate, and maintain any other properties and facilities, including such offices and commercial facilities in connection therewith as are deemed necessary or convenient by the Authority, for the relief of traffic congestion, to provide vehicular parking, to promote transportation of persons and property, or to promote the flow of commerce that the City Council of the City of Richmond and the Boards of Supervisors of the Counties of Chesterfield and Henrico may request the Authority to provide;

6. With the approval of the City Council of the City of Richmond and the Boards of Supervisors of the Counties of Henrico and Chesterfield, to acquire land; to construct, own, and operate sports facilities of any nature, including facilities reasonably related thereto; to own a baseball stadium of sufficient seating capacity and quality for the playing of baseball at the level immediately below Major League Baseball; and to lease such land, stadium, sports facilities, and attendant facilities under such terms and conditions as the Authority may prescribe. In the event of a conflict between the provisions of this subdivision and any bond indenture to which the Authority is subject, the provisions of the bond indenture shall be controlling;

7. To acquire by the exercise of the power of eminent domain any lands, property rights, rights-of-way, franchises, easements, and other property, including public lands, parks, playgrounds, reservations, highways, or parkways, or parts thereof or rights therein, of any person, partnership, association, railroad, public service, public utility, or other corporation, or of any municipality, county, or other political subdivision, deemed necessary or convenient for the construction or the efficient operation of a project or necessary in the restoration, replacement, or relocation of public or private property damaged or destroyed whenever a reasonable price cannot be agreed upon with the governing body of such municipality, county, or other political subdivision as to such property owned by it or whenever the Authority cannot agree on the terms of purchase or settlement with the other owners because of the incapacity of such owners, because of the inability to agree on the compensation to be paid or other terms of settlement or purchase, or because such owners are nonresidents of the Commonwealth, are unknown, or are unable to convey valid title to such property. Such proceedings shall be in accordance with and subject to the provisions of any and all laws of the Commonwealth applicable to the exercise of the power of eminent domain in the name of the Commissioner of Highways and subject to the provisions of § 25.1-102 as fully as if the Authority were a corporation possessing the power of eminent domain. Title to any property condemned by the Authority shall immediately vest in the Authority, and the Authority shall be entitled to the immediate possession of such property upon the deposit with the clerk of the court in which such condemnation proceedings are originated of the total amount of the appraised price of the property and court costs and fees as provided by law, notwithstanding that any of the parties to such proceedings shall appeal from any decision in such condemnation proceeding. Whenever the Authority makes such deposit in connection with any condemnation proceeding, the making of such deposit shall not preclude the Authority from appealing any decision rendered in such proceedings. Upon the deposit with the clerk of the court of the appraised price, any person entitled thereto may, upon petition to the court, be paid his or their pro rata share of 90 percent of such appraised price. The acceptance of such payment shall not preclude such person from appealing any decision rendered in such proceedings. If the appraisement is greater or less than the amount finally determined by the decision in such proceeding or by an appeal, the amount of the increase or decrease shall be paid by or refunded to the Authority.

The terms "appraised price" and "appraisement" as used in this subdivision mean the value determined by two competent real estate appraisers appointed by the Authority for such purposes.

The acquisition of any such property by condemnation or by the exercise of the power of eminent domain shall be and is hereby declared to be a public use of such property;

8. To determine the location of any limited access highways constructed or acquired by the Authority, subject to the approval of the Commonwealth Transportation Board, and to determine the design standards and materials of construction of such highways;

9. To designate, with the approval of the Commonwealth Transportation Board, the location in the City of Richmond and in the Counties of Henrico and Chesterfield and establish, limit, and control points of ingress to and egress from any limited access highway constructed by the Authority within the corporate limits of the City of Richmond and the Counties of Henrico and Chesterfield as may be necessary or desirable in the judgment of the Authority to insure the proper operation and maintenance of such highway; to prohibit entrance to and exit from such highway from any point not so designated; and

to construct, maintain, repair, and operate service roads connecting with points of ingress to and egress from such highway at such locations in the City of Richmond and in the Counties of Henrico and Chesterfield as may be designated by the Authority;

10. To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this chapter, including contracts or agreements authorized by this chapter with the Commonwealth Transportation Board, the City of Richmond, and the Counties of Henrico and Chesterfield;

11. To construct grade separations at intersections of any limited access highway constructed by the Authority with public highways or other public ways or places and to change and adjust the lines and grades thereof so as to accommodate the same to the design of the grade separation. The cost of such grade separations and any damage incurred in changing and adjusting the lines and grades of such highways, ways, and places shall be ascertained and paid by the Authority as a part of the cost of such highway;

12. To vacate or change the location of any portion of any public highway or other public way or place, public utility, sewer, pipe, main, conduit, cable, wire, tower, pole, and other equipment and appliance of the Commonwealth, of the City of Richmond, or of the Counties of Henrico and Chesterfield, and to reconstruct the same in such new location as shall be designated by the Authority and of substantially the same type and in as good condition as the original highway, street, way, place, public utility, sewer, pipe, main, conduit, cable, wire, tower, pole, equipment, or appliance, with the cost of such reconstruction and any damage incurred in vacating or changing the location thereof ascertained and paid by the Authority as a part of the cost of the project in connection with such expenditures. Any public highway or other public way or place vacated or relocated by the Authority shall be vacated or relocated in the manner provided by law for the vacation or relocation of public highways, and any damages awarded on account thereof shall be paid by the Authority as a part of the cost of the project;

13. To enter upon any lands, waters, and premises for the purpose of making such surveys, soundings, borings, and examinations as the Authority may deem necessary or convenient for its purposes. Such entry shall not be deemed a trespass, nor shall an entry for such purposes be deemed an entry under any condemnation proceeding; however, the Authority shall pay any actual damage resulting to such lands, water, and premises as a result of such entry and activities;

14. To operate or permit the operation of vehicles for the transportation of persons or property for compensation on any limited access highway constructed or acquired by the Authority, provided that the Department of Motor Vehicles or the Federal Motor Carrier Safety Administration shall not be divested of jurisdiction to authorize or regulate the operation of such carriers;

15. To establish reasonable regulations for the installation, construction, maintenance, repair, renewal, relocation, and removal of pipes, mains, sewers, conduits, cables, wires, towers, poles, and other equipment and appliances (public utility facilities) of the City of Richmond and the Counties of Henrico and Chesterfield and of public utility and public service corporations and of any person, firm, or other corporation rendering similar services, owning or operating public utility facilities in, on, along, over, or under highways constructed by the Authority. Whenever the Authority shall determine that it is necessary that any public utility facilities should be relocated or removed, the Authority may relocate or remove the public utility facilities in accordance with the regulations of the Authority, and the cost and expense of such relocation or removal, including the cost of installing the public utility facilities in a new location and the cost of any lands or any rights or interests in lands and any other rights acquired to accomplish such relocation or removal, shall be paid by the Authority as a part of the cost of such highway. The owner or operator of the public utility facilities may maintain and operate the public utility facilities with the necessary appurtenances in the new location for as long a period and upon the same terms and conditions as it had the right to maintain and operate the public utility facilities in the former location;

16. To borrow money and issue bonds, notes, or other evidences of indebtedness for any of its corporate purposes, such bonds, notes, or other evidences of indebtedness to be payable solely from the revenues or other unencumbered funds available to the Authority that are pledged to the payment of such bonds, notes, or other evidences of indebtedness;

17. To fix, charge, and collect fees, tolls, rents, rates, and other charges for the use of Authority facilities and the parts or sections thereof;

18. To establish rules and regulations for the use of any Authority facilities as may be necessary or expedient in the interest of public safety with respect to the use of Authority facilities and property under the control of the Authority;

19. To employ consulting engineers, attorneys, accountants, construction and financial experts, superintendents, managers, trustees, depositaries, paying agents, and such other employees and agents as may be necessary in the discretion of the Authority to construct, acquire, maintain, and operate Authority facilities and to fix their compensation;

20. To receive and accept from any federal agency for or in aid of the construction of any Authority facility or for or in aid of any Authority undertaking authorized by this chapter; and to receive and accept from the Commonwealth, the City of Richmond, or the Counties of Henrico and Chesterfield and from any other source, grants, contributions, or other aid in such construction or undertaking, or for operation and maintenance, either in money, property, labor, materials, or other things of value; and

21. To do all other acts and things necessary or convenient to carry out the powers expressly granted in this chapter.

§ 33.2-2903. Issuance of revenue bonds.

The Authority is hereby authorized to provide by resolution for the issuance of revenue bonds of the Authority for the purpose of paying all or any part of the cost of Authority facilities or any project or portion of such facilities. The principal of and interest on such bonds shall be payable solely from the revenues pledged for such payment. The bonds of each issue

or series shall be dated, shall bear interest at such rate or rates not exceeding six percent per year, shall mature at such time or times not exceeding 50 years from the date or dates thereof, as may be determined by the Authority, and may contain provisions reserving the right of the Authority to redeem such bonds before maturity at such price or prices and upon such terms and conditions as may be fixed by the Authority in the resolution authorizing such bonds. Such bonds may be issued in coupon form, registered form, or both as prescribed by the Authority, and provisions may be made for the registration of coupon bonds as to principal only or as to both principal and interest and for the reconversion of registered bonds into coupon bonds. Such bonds may be issued in any denomination and may be made payable at any bank or trust company within or without the Commonwealth as the Authority may determine. Such bonds and the coupons attached to coupon bonds shall be signed in such manner either manually or by facsimile signature, as shall be determined by the Authority, and sealed with the seal of the Authority or a facsimile thereof. In case any officer whose signature or facsimile thereof shall appear on any bond or coupon shall cease to be such officer before the delivery of such bonds, such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer or officers had remained in office until the delivery thereof. The Authority may sell such bonds in such manner either at public or private sale and for such price or prices as the Authority may determine, but no such sale shall be made at a price so low as to require the payment of interest on the money received therefor at more than six percent per year, computed with relation to the absolute maturity of the bonds in accordance with standard tables of bond values, excluding from such computation the amount of any premium to be paid on the redemption of any bond prior to maturity. Prior to the preparation of definitive bonds, the Authority may, under like restrictions, issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bond that has become mutilated, destroyed, or lost.

§ 33.2-2904. Rates and charges.

Whenever the Authority has constructed or otherwise acquired Authority facilities and has issued bonds for such purpose, the Authority shall fix, revise, charge, and collect fees, tolls, rents, rates, and other charges for the use of such facilities and the different parts or sections thereof, sufficient, together with any other moneys made available and used for that purpose, to pay the principal of and interest on such bonds, together with reserves for such purposes, and to maintain and operate such facilities and to keep the same in good condition and repair. Such fees, tolls, rents, rates, and other charges shall not be subject to supervision or regulation by any commission, board, bureau, or agency of the Commonwealth or of any municipality, county, or other political subdivision of the Commonwealth, and all revenues, when collected, and the proceeds from the sale of revenue bonds, shall be held by the Authority in trust for the benefit of the holders of bonds of the Authority issued for the construction or acquisition of Authority facilities and for properly maintaining, operating, and repairing the Authority facilities.

Revenue bonds issued under the provisions of this chapter shall not be deemed to constitute a debt of the Commonwealth, the City of Richmond, the County of Henrico, or the County of Chesterfield or a pledge of the full faith and credit of the Commonwealth, the City of Richmond, the County of Henrico, or the County of Chesterfield and shall be payable solely from the funds provided therefor from revenues.

§ 33.2-2905. Use of state highway maintenance and construction funds for Authority facilities.

Until all bonds of the Authority, including refunding bonds, and the interest thereon are paid in full, the Commonwealth Transportation Board may use any part of funds available for the maintenance of state highways in the construction district in which the Authority's facilities are wholly or partly located to provide for such portion of the operation, maintenance, and repair of the facilities of the Authority as is deemed in the public interest; however, no part of such funds shall be used for the facilities of the Authority unless the fees, tolls, rents, rates, and other charges for the use thereof are not sufficient to make the required payments of principal and interest on the outstanding revenue bonds issued in connection therewith, and to operate, maintain, and repair the same.

§ 33.2-2906. Refunding bonds.

The Authority is hereby authorized by resolution to provide for the issuance of refunding revenue bonds with which to refund outstanding revenue bonds or any issue or series of such outstanding bonds, which refunding revenue bonds may be issued at or before the maturity or redemption date of the bonds to be refunded, and to include different issues or series of such outstanding revenue bonds by a single issue of refunding revenue bonds, and to issue refunding revenue bonds to pay any redemption premium and interest to accrue and become payable on the outstanding revenue bonds being refunded to the date of payment or redemption, and to establish reserves for such refunding revenue bonds. Such refunding revenue bonds shall be payable solely from all or that portion of the revenues of the Authority facilities pledged to the payment thereof in the bond resolution pursuant to which such bonds were issued. Such refunding revenue bonds may, in the discretion of the Authority, be exchanged at par for the revenue bonds that are being refunded or may be sold at public or private sale in such manner and at such price as the Authority shall deem for the best interests of the Authority, but no such sale shall be made at a price so low as to require the payment of interest on the money received therefor at more than six percent per year, computed with relation to the absolute maturity of the bonds in accordance with standard tables of bond values, excluding from such computation the amount of any premium to be paid on the redemption of any bonds prior to maturity, and may be issued and delivered at any time prior to the date of redemption or maturity date of the bonds to be refunded as the Authority determines to be in the best interests of the Authority. The interest rate or rates on refunding revenue bonds shall not be limited by the interest rate or rates borne by any of the revenue bonds to be refunded thereby. The proceeds derived from the sale of refunding revenue bonds issued under this chapter shall be invested in obligations of or

guaranteed by the United States government pending the application of such proceeds to the purpose for which such refunding revenue bonds have been issued. To further secure such refunding revenue bonds, the Authority may contract with the purchasers thereof with respect to the safekeeping and application of the proceeds thereof and the safekeeping and application of the earnings of such investments. The determination of the Authority with respect to the financial soundness and advantage of the issuance and delivery of refunding revenue bonds authorized under this chapter shall be conclusive, but nothing contained in this section shall require the holders of any outstanding revenue bonds being refunded to accept payment thereof otherwise than as provided in the outstanding bonds.

§ 33.2-2907. Trust agreement.

In the discretion of the Authority, any bonds issued under the provisions of this chapter may be secured by a trust agreement or indenture by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the Commonwealth, to be selected by the Authority in such manner as it may elect. Such trust agreement or the resolution providing for the issuance of such bonds may pledge or assign all or any portion of the tolls and other revenues to be received by the Authority from the ownership and operation of Authority facilities, but shall not convey or mortgage any Authority facilities or any part thereof. It shall be lawful for any bank or trust company incorporated under the laws of the Commonwealth that may act as depository of the proceeds of bonds or of revenues to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such resolution, trust agreement, or indenture may set forth the rights and remedies of the bondholders and of the trustee and may restrict the individual right of action by bondholders. In addition to the foregoing, any such resolution, trust agreement, or indenture may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of the operation of the Authority facilities or portion thereof.

All or any portion of the revenues derived from the ownership and operation of Authority facilities, as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement or indenture securing such bonds, may be pledged to, and charged with, the payment of the principal of and the interest on such bonds as the payment shall become due, and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the revenues or other moneys so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract, or otherwise against the Authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement nor indenture by which a pledge is created need be filed or recorded except in the records of the Authority.

§ 33.2-2908. Covenants to secure bonds.

Any resolution authorizing the issuance of bonds of the Authority may, for the benefit and security of the holders of such bonds, contain covenants by the Authority for such a purpose, including covenants as to, among other things:

1. The operation, maintenance, and repair of the Authority facilities;
2. The purposes to which the proceeds of the sale of such bonds may be applied and the use and disposition thereof;
3. The use and disposition of the revenues of the Authority derived from the ownership or operation of Authority facilities and additions, improvements, and extensions thereof, including the investment thereof and the creation and maintenance of reserve funds and funds for working capital and all renewals and replacements to Authority facilities;
4. The amount, if any, of additional revenue bonds payable from such revenues that may be issued and the terms and conditions on which such additional revenue bonds may be issued;
5. Fixing, maintaining, collection, and deposit of fees, tolls, rents, rates, and other charges for all the services sold, furnished, or supplied by the Authority facilities;
6. The operation, maintenance, repair, management, accounting, and auditing of the Authority;
7. Limitations upon the right of the Authority to dispose of Authority facilities or any part thereof without providing for the payment of the outstanding revenue bonds;
8. The appointment of trustees, depositories, and paying agents within or without the Commonwealth to receive, hold, disburse, invest, or reinvest the proceeds derived from the sale of revenue bonds and all or any part of the revenues derived by the Authority from the operation, ownership, and management of the Authority facilities; and
9. Such other covenants and agreements as may be determined necessary in the discretion of the Authority to advantageously market the revenue bonds of the Authority.

§ 33.2-2909. Revenue bonds eligible for investment.

Bonds issued by the Authority under the provisions of this chapter are hereby made securities in which all public officers and public bodies of the Commonwealth and its political subdivisions and all insurance companies, trust companies, banks, banking associations, investment companies, executors, administrators, trustees, and other fiduciaries may properly and legally invest funds, including capital, in their control or belonging to them. Such bonds are also hereby made securities that may properly and legally be deposited with and received by any Commonwealth or municipal officer or any agency or political subdivision of the Commonwealth for any purpose for which the deposit of bonds or obligations is now or may hereafter be authorized by law.

§ 33.2-2910. Authority obligations to be negotiable instruments; enforcement of bonds.

Notwithstanding the provisions of this chapter, or any provision of law, any recital in any bond, any interim receipt, or any other obligation issued under the provisions of this chapter, all such bonds, interim receipts, or other obligations shall be deemed to be negotiable instruments under the laws of the Commonwealth. The provisions of this chapter, and of any resolution or indenture providing for the issuance and security of any revenue bonds, interim receipts, or other obligations issued pursuant to this chapter, shall constitute a contract with the holder of such revenue bonds, interim receipts, or other obligations, and the agreements and covenants of the Authority under this chapter and under such resolution, resolutions, or indentures shall be enforceable by any holder of revenue bonds, interim receipts, or other obligations issued under the provisions of this chapter and any representative of such holder, and any trustee appointed under the bond resolution and authorized to do so, may by suit, action, injunction, mandamus, or other proceeding issued by a court of competent jurisdiction enforce all rights of such holders under the laws of the Commonwealth or granted by this chapter and in any such bond resolution or indenture and may compel performance of all duties required to be performed by this chapter and by such bond resolutions or indenture by the Authority or by any officer or agent thereof, including the fixing, charging, and collecting of fees, tolls, rents, rates, and other charges for the use of the Authority facilities.

§ 33.2-2911. Exemption from taxation.

All property, real and personal, and all rights and interests therein and the income of the Authority, the revenue bonds and the interest thereon, and the transfer thereof and any profit made on the sale thereof, shall at all times be free from taxation or assessment by the Commonwealth and by any municipality, county, or other political subdivision thereof.

§ 33.2-2912. General powers of City of Richmond and Counties of Henrico and Chesterfield.

The City of Richmond and the Counties of Henrico and Chesterfield may enter into and perform contracts or agreements with the Authority providing for furnishing to the Authority one or more of the following cooperative undertakings or any combination thereof:

1. The preparation, acquisition, loan, or exchange of survey, engineering, borings, construction and other technical reports, studies, plans, and data;
2. The providing of engineering, planning and other professional and technical services, labor, or other things of value;
3. The construction, in whole or in part, of public highways, bridges, tunnels, viaducts, interchanges, connecting highways, grade crossings, and other highway facilities;
4. The providing of funds in lump sums or installments to assist in paying the cost of any Authority facility or any Authority undertaking authorized by this chapter or the operation and maintenance thereof;
5. The acquisition and transfer to the Authority of land, including easements, rights-of-way, or other property, useful in the construction, operation, or maintenance of any Authority facility;
6. The making of payments or contributions to the Authority for the use of or in compensation for the services rendered by any Authority facility in lieu of the payment of tolls or other charges therefor, and such payments and contributions shall be deemed revenues of the project to the same extent as the tolls, rentals, fees, and other charges collected in the operation of the project;
7. When requested by the Authority, the vacating or changing of the location of any public highway or other public way or place or any portion thereof, public utility, sewer, pipe, main, conduit, cable, wire, tower, pole, or other equipment or appliance owned or controlled by or under the jurisdiction of either the City of Richmond or the County of Henrico or Chesterfield, in the manner required or authorized by law conferring such power on the City of Richmond or the County of Henrico or Chesterfield, and to construct the same in such new location as shall be designated by the governing body of the City of Richmond or the County of Henrico or Chesterfield, and the cost of vacating or changing the location or reconstruction thereof and any damages resulting therefrom required to be paid by the City of Richmond or County of Henrico or Chesterfield shall be reimbursed by the Authority as a part of the cost of the project in connection with which such expenditures have been made; and
8. The connection of any project of the Authority with the streets, highways, roads, and other public ways in the City of Richmond and in the Counties of Henrico and Chesterfield.

§ 33.2-2913. Powers of City of Richmond and Counties of Henrico and Chesterfield with respect to revenue bonds issued by the Authority.

A. The City of Richmond and the Counties of Henrico and Chesterfield each may enter into and perform contracts and agreements with the Authority to aid the Authority to pay the principal of and interest on revenue bonds or revenue refunding bonds issued by the Authority if, when, and as the revenues of the Authority may not be sufficient to pay such principal or interest when due. No such contract or agreement shall be deemed to be lending or granting credit to or in aid of any person, association, company, or corporation within the meaning of Section 10 of Article X of the Constitution of Virginia, nor shall any such contract or agreement be deemed to be a pledge of the full faith and credit or of the taxing power of the City of Richmond, the County of Henrico, or the County of Chesterfield for the payment of such principal or interest except as may be otherwise provided in such contracts or agreements. Any holder of bonds, notes, certificates, or other evidences of borrowing issued by the Authority under the provisions of this chapter or of coupons appertaining thereto, and the representatives of such holders and the trustee under any bond resolution or indenture, may either at law or

in equity, by suit, action, mandamus, or other proceeding, protect and enforce all rights of the Authority under or by virtue of any such contract or agreement.

B. Funds to perform any such contract or agreement may be provided by the City of Richmond, the County of Henrico, or the County of Chesterfield by appropriations of general or specific tax revenue, or by appropriations of accumulated funds allocated for public improvements generally, or allocated to the purposes of such contract or agreement, or by appropriations of the proceeds from the sale of bonds, which may be issued as provided in this chapter.

C. The City of Richmond, the County of Henrico, or the County of Chesterfield may issue bonds for the purpose of providing funds to perform any contract or agreement entered into with the Authority pursuant to the provisions of this chapter. Such bonds shall mature at such time not exceeding 40 years from their date, as may be determined by the governing body of the City of Richmond, the County of Henrico, or the County of Chesterfield issuing such bonds, and may be redeemable before maturity, at the option of the governing body of the City of Richmond, the County of Henrico, or the County of Chesterfield, at such price and under such terms and conditions as may be prescribed by such governing body prior to the issuance of the bonds. The City of Richmond, the County of Henrico, and the County of Chesterfield may provide for the issuance of refunding bonds for the purpose of refunding any outstanding bond that has been issued pursuant to the provisions of this subsection, including the payment of any redemption premium thereon, and any interest accrued or to accrue to the date of redemption of such bonds.

D. The authority of the City of Richmond, the County of Henrico, and the County of Chesterfield to contract and to issue bonds pursuant to this chapter is in addition to any existing authority to contract and issue bonds, anything in the laws of the Commonwealth, including the Charter of the City of Richmond, to the contrary notwithstanding, all of which laws and Charter are hereby amended or modified so as to effectuate the powers conferred by this chapter.

E. The governing bodies of the City of Richmond and of the Counties of Henrico and Chesterfield may exercise any of the powers granted by this chapter by resolution, and all proceedings of the City Council of the City of Richmond and the Boards of Supervisors of the Counties of Henrico and Chesterfield authorizing the execution of such contracts and providing for the issuance of bonds pursuant to the provisions of this chapter shall not be subject to the provisions of the Charter of the City or this Code permitting a referendum on actions taken by the City Council and Boards of Supervisors except as required by the Constitution of Virginia, but all such proceedings shall take effect immediately upon the adoption thereof.

§ 33.2-2914. Powers of the Commonwealth Transportation Board.

The Commonwealth Transportation Board may:

1. Enter into and perform contracts or agreements with the Authority to furnish it with surveys, engineering, borings, plans, and specifications and other technical services, reports, studies, and data, the cost of which shall be reimbursed by the Authority as a part of the cost of the project in connection with which such contracts or agreements were entered into;

2. Allocate to and for the construction, operation, or maintenance of any highways constructed by the Authority and pay to the Authority such funds as may be or become available to the Commonwealth Transportation Board for such purposes;

3. Permit the connection of any highways constructed or acquired by the Authority with highways under the control and jurisdiction of the Commonwealth Transportation Board; and

4. Employ independent consulting engineers having a nationwide and favorable repute in estimating traffic over any such highways to determine whether the construction of such highways will result in substantial reduction in the volume of traffic over Interstate 95 and use funds under the control of the Commonwealth Transportation Board for that purpose.

§ 33.2-2915. Acquisition of property.

A. The Authority may acquire, solely from funds provided under the provisions of this chapter, such lands, structures, properties, rights, rights-of-way, franchises, easements, and other interests in lands, including lands lying under water and riparian rights, as it may deem necessary or convenient for the construction and operation of Authority facilities, upon such terms and at such prices as may be considered by it to be reasonable and can be agreed upon between it and the owner thereof.

B. The City of Richmond, the Counties of Henrico and Chesterfield, the Commonwealth Transportation Board, and, with the approval of the Governor, public agencies and commissions of the Commonwealth, notwithstanding any contrary provision of law, may lease, lend, grant, or convey to the Authority at its request upon such terms and conditions as the governing bodies of the City of Richmond, the Counties of Henrico and Chesterfield, the Commonwealth Transportation Board, or the proper authorities of such agencies or commissions of the Commonwealth may deem reasonable and fair and without the necessity of any advertisement, order of court, or other action or formality, other than the regular and formal action of the governing bodies or authorities concerned, any real property that may be necessary or convenient for the effectuation of the authorized purposes of the Authority, including public highways and any other real property already devoted to public use.

C. The City of Richmond and the Counties of Henrico and Chesterfield may, subject to the provisions of § 25.1-102, acquire by the exercise of the power of eminent domain granted to or conferred upon them, and in accordance with the procedure prescribed therefor, any real property that may be necessary or convenient for the effectuation of the authorized purposes of the Authority and lease, lend, grant, or convey such property to the Authority upon such terms and conditions as the governing bodies of the City of Richmond or Counties of Henrico and Chesterfield may deem reasonable and fair; the

acquisition of such real property by the exercise of the power of eminent domain and the disposition of same to the Authority as provided in this section shall be and is declared to be for a public use of such property.

D. In any eminent domain proceedings by the Authority, the City of Richmond, or the County of Henrico or Chesterfield under this chapter, the court having jurisdiction of the suit, action, or proceeding may make such orders as may be just to the Authority, the City of Richmond, or the County of Henrico or Chesterfield and to the owners of the property to be condemned, and may require an undertaking or other security to secure such owners against any loss or damage by reason of the failure of the Authority, the City of Richmond, or the County of Henrico or Chesterfield to accept and pay for the property, or by reason of the taking of property occupied by such owners, but neither such undertaking or security nor any act or obligation of the Authority, the City of Richmond, or the County of Henrico or Chesterfield shall impose any liability upon the Commonwealth.

E. If the owner, lessee, or occupier of any property to be condemned or otherwise acquired pursuant to this chapter refuses to remove his property therefrom or give up possession thereof, the Authority, the City of Richmond, or the County of Henrico or Chesterfield may proceed to obtain possession in any manner provided by law.

F. When the Authority, the City of Richmond, or the County of Henrico or Chesterfield proposes to construct a highway across the tracks of any railroad, the exercise of the general power of eminent domain over the property of a railroad granted by § 33.2-2902 shall be limited with respect to the property, right-of-way, facilities, works, or appurtenances upon which the tracks at such proposed crossing are located, to the acquisition only of an easement therein, which crossing shall be constructed either sufficiently above or below the grade of any such railroad track so that neither the crossing then under construction nor any part thereof, including any bridge abutments, columns, supporting structures, and appurtenances, nor any traffic upon it shall interfere in any manner with the use, operation, or maintenance of the trains, tracks, works, or appurtenances of the railroad or interfere with or endanger the movement of the trains or traffic upon the tracks of the railroad. Prior to the exercise of the power of eminent domain for such an easement, plans and specifications of that portion of the project to be constructed across the railroad tracks showing compliance with such requirements and showing sufficient and safe plans and specifications for such overhead or underground structure and appurtenances shall be submitted to the railroad for examination and approval. If the railroad fails or refuses within 30 days to approve the plans and specifications so submitted, the matter shall be submitted by the Authority, the City of Richmond, or the County of Henrico or Chesterfield to the State Corporation Commission, whose decision, arrived at after due consideration in accordance with its usual procedure, shall be final as to the sufficiency and safety of such plans and specifications and as to such elevations or distances above or below such tracks. The overhead or underground structures and appurtenances shall be constructed in accordance with such plans and specifications and in accordance with such elevations or distances above or below such tracks so approved by the railroad or the State Corporation Commission. A copy of the plans and specifications approved by the railroad or the State Corporation Commission shall be filed as an exhibit upon the institution of any proceeding brought in the exercise of the power of eminent domain.

G. The Commonwealth hereby consents, subject to the approval of the Governor, to the use by the Authority of any other lands or property owned by the Commonwealth, including lands lying under water, that are deemed by the Authority to be necessary for the construction or operation of any project being constructed by the Authority.

§ 33.2-2916. Transfer to City of Richmond.

A. If the City of Richmond has rendered financial assistance or contributed in any manner to the cost of construction of a limited access highway by the Authority within or partly within and partly without the corporate limits of the City of Richmond, and the Authority has issued bonds for the construction of such limited access highway, then, when all such bonds, including refunding bonds, and the interest thereon have been paid or a sufficient amount of cash or United States government securities have been deposited and dedicated to the payment of all such bonds and the interest to the maturity or redemption date thereof in trust for the benefit of the holders of such bonds, all property, real and personal, acquired in connection with such limited access highway within the City of Richmond shall be transferred by the Authority to the City as compensation to the City for the financial assistance rendered by the City to the Authority in connection with the construction or acquisition of such limited access highway, and such highway shall upon the acceptance thereof by the City become a part of the street or highway system of the City and shall thereafter be maintained and operated as a limited access highway by the City. The governing body of the City of Richmond shall have the power to fix, revise, charge, and collect tolls for transit over such limited access highway and as compensation for other uses that may be made thereof. The proceeds from such tolls and compensation shall be first used to reimburse the City of Richmond and the Counties of Henrico and Chesterfield for any funds or expenditures made by each of them pursuant to contracts or agreements authorized by § 33.2-2913 for which reimbursement has not been made, and then for the operation, maintenance, improvement, expansion, or extension of such limited access highway and to increase its utility and benefits and for the construction, reconstruction, maintenance, and operation of other projects or highways connected with such limited access highway or with the federal or state highway systems, and for such purpose the City of Richmond shall succeed to all the functions and shall have all the powers conferred on the Authority by this chapter.

B. If the Authority constructs a limited access highway project partly within and partly without the corporate limits of the City of Richmond, any extension thereof shall be constructed or acquired only when approved by the unanimous vote of all members of the board of directors or by a vote of three-fourths of the directors and approval by the City Council of the City of Richmond and the Boards of Supervisors of the Counties of Henrico and Chesterfield. If the Authority has issued bonds for the purpose of constructing such project or for the purpose of constructing or acquiring such extensions when all

such bonds, including any refunding bonds, and the interest thereon have been paid or a sufficient amount of cash or United States government securities have been deposited and dedicated to the payment thereof in trust for the benefit of holders of such bonds, all property, real and personal, acquired in connection with such project or extension thereof not required to be transferred to the City of Richmond pursuant to subsection A shall be transferred by the Authority to the political subdivisions in which such property is located at the time of such transfer at no cost to such political subdivisions in the event the subdivisions adopt a resolution accepting such property. If not accepted by such subdivisions within 30 days from the offer of the property by the Authority, then the Authority shall transfer such property to the Commonwealth Transportation Board. If such property is accepted by the political subdivision where the property is located, the governing body of such subdivision shall have the power to fix, revise, charge, and collect tolls for transit over such limited access highway project or extension and as compensation for other uses that may be made thereof. The proceeds from such tolls and compensation shall be used first to reimburse the City of Richmond and the Counties of Henrico and Chesterfield for any funds or expenditures made by each of them pursuant to contracts or agreements authorized by § 33.2-2913 for which reimbursement has not been made and then for the operation, maintenance, improvement, expansion, or extension of such limited access highway project and to increase its utility and benefits and for the construction, reconstruction, maintenance, and operation of other projects or highways connected with such limited access highway or with the state or federal highway systems and for such purpose such political subdivisions shall succeed to all the functions and shall have all the powers conferred on the Authority by this chapter with respect to such property.

§ 33.2-2917. Miscellaneous.

A. Any money set aside for the payment of the principal of or interest on any bonds issued by the Authority not claimed within two years from the day the principal of such bonds is due by maturity or by call for redemption shall be paid into the state treasury. No interest shall accrue on such principal or interest from the day the same is due. The Comptroller shall keep an account of all money thus paid into the state treasury, and it shall be paid to the individual partnership, association, or corporation entitled thereto upon satisfactory proof that such individual, partnership, association, or corporation is so entitled to such money. If the claim so presented is rejected by the Comptroller, the claimant may proceed against the Comptroller for recovery in the Circuit Court of the City of Richmond. An appeal from the judgment of the circuit court shall lie to the Supreme Court of Virginia as in actions at law, and all laws and rules relating to practice and procedure in actions at law shall apply to such authorized proceedings. No such proceedings shall be filed after 10 years from the day the principal of or interest on such bonds is due; however, if the individual having such claim is an infant or insane person or is imprisoned at such due date, such proceedings may be filed within five years after the removal of such disability, notwithstanding the fact that such 10-year period has expired.

B. The Authority may contract with the City of Richmond, the Counties of Henrico and Chesterfield, and the Department of State Police for the policing of any Authority facilities, and the City of Richmond, the Counties of Henrico and Chesterfield, and the Department of State Police are hereby authorized to enter into contracts with the Authority for such purpose. Police officers providing police services pursuant to such contracts shall be under the exclusive control and direction of the authority providing such officers and shall be responsible to that authority exclusively for the performance of their duties and the exercise of their powers. The Authority shall reimburse the City of Richmond, the County of Henrico or Chesterfield, or the Commonwealth in such amounts and at such time as shall be mutually agreed upon for providing police service. Such officers shall be responsible for the preservation of the public peace, prevention of crime, apprehension of criminals, protection of the rights of persons and property, and enforcement of the laws of the Commonwealth and all regulations of the Authority made in accordance, and such officers shall have all the rights and duties of police officers as provided by the general laws of the Commonwealth. The violation of any such regulation shall be punishable as follows: if such a violation would have been a violation of law if committed on any public highway in the City of Richmond or the County of Henrico or Chesterfield, it shall be punishable in the same manner as if it had been committed on such public highway; otherwise it shall be punishable as a Class 1 misdemeanor. All other police officers of the Commonwealth, the City of Richmond, and the Counties of Henrico and Chesterfield shall have the same powers and jurisdiction within the areas of operations agreed upon by the parties that they have beyond such limits and shall have access to all such areas at any time without interference for the purpose of exercising such powers and jurisdiction. For the purpose of enforcing such laws and regulations, the court having jurisdiction for the trial of criminal offenses committed in the City of Richmond or in the Counties of Henrico and Chesterfield within whose boundaries any crime is committed shall have jurisdiction to try any person charged with the violation of any such laws and regulations within such boundaries. A copy of the regulations of the Authority, attested by the secretary or secretary-treasurer of the Authority, may be admitted as evidence in lieu of the original. Any such copy purporting to be sealed and signed by such secretary or secretary-treasurer may be admitted as evidence without any proof of the seal or signature or of the official character of the person whose name is signed to it.

C. All actions at law and suits in equity and other proceedings, actions, and suits against the Authority, or any other person, firm, or corporation, growing out of the construction, maintenance, repair, operation, and use of any Authority facility, or growing out of any other circumstances, events, or causes in connection therewith, unless otherwise provided in this section, shall be brought and conducted in the court having jurisdiction of such actions, suits, and proceedings in the City of Richmond or the County of Henrico or Chesterfield within whose boundaries the causes of such actions, suits, and proceedings arise, and jurisdiction is hereby conferred on such court for that purpose. All such actions, suits, and proceedings on behalf of the Authority shall be brought and conducted in the Circuit Court of the City of Richmond, except as otherwise provided in this section, and exclusive jurisdiction is hereby conferred on such court for the purpose. Eminent

domain proceedings instituted and conducted by the Authority shall be brought and conducted in the court having jurisdiction of such proceedings in the City of Richmond or the County of Henrico or Chesterfield within whose boundaries the land or other property to be so acquired or the major portion thereof is situated, and jurisdiction is hereby conferred on such court for such purpose.

D. On or before September 30 of each year, the Authority shall prepare a report of its activities for the 12-month period ending the preceding July 1 of such year and shall file a copy thereof with the Commonwealth Transportation Board, the City of Richmond, and the Counties of Henrico and Chesterfield. Each such report shall set forth an operating and financial statement covering the Authority's operations during the 12-month period covered by the report. The Authority shall cause an audit of its books and accounts to be made at least once in each year by certified public accountants to be selected by the Authority, and the cost of such audit shall be treated as a part of the cost of construction and operation of a project.

E. The records, books, and accounts of the Authority shall be subject to examination and inspection by duly authorized representatives of the Commonwealth Transportation Board, the governing bodies of the City of Richmond and the Counties of Henrico and Chesterfield, and any bondholder at any reasonable time, provided the business of the Authority is not unduly interrupted or interfered with thereby.

F. Any member, agent, or employee of the Authority who contracts with the Authority or is interested in contracting with the Authority or in the sale of any property, either real or personal, to the Authority shall be guilty of a misdemeanor and shall be subject to a fine of not more than \$1,000 or imprisonment in jail for not more than one year, either or both. Exclusive jurisdiction for the trial of such misdemeanors is hereby conferred upon the Circuit Court of the City of Richmond, provided that the term "contract," as used in this chapter, shall not be held to include the depositing of funds in, the borrowing of funds from, or the serving as agent or trustee by any bank in which any member, agent, or employee of the Authority may be a director, officer, or employee or have a security interest, nor shall such term include contracts or agreements with the Commonwealth Transportation Board or the purchase of services from, or other transactions in the ordinary course of business with, public service corporations.

§ 33.2-2918. Approval by Commonwealth Transportation Board.

The Authority shall not construct a limited access toll highway without the approval of the Commonwealth Transportation Board.

§ 33.2-2919. Liberal construction.

This chapter shall be liberally construed to effectuate the purposes hereof, and the foregoing sections of this chapter shall be deemed to provide an additional and alternative method of doing the things authorized thereby, and shall be regarded as supplemental and additional to powers conferred upon the City of Richmond by its Charter and upon the City of Richmond and Counties of Henrico and Chesterfield by other provisions of law; however, the issuance of revenue bonds or revenue refunding bonds under the provisions of this chapter need not comply with the requirements of any other law applicable to the issuance of bonds, and except as provided in this chapter none of the powers granted to the Authority under the provisions of this chapter shall be subject to the supervision or regulation or require the approval or consent of the City of Richmond or the Counties of Henrico or Chesterfield or any commission, board, bureau, official, or agency thereof or of the Commonwealth, except as otherwise provided in this chapter.

§ 33.2-2920. Severability.

The provisions of this chapter are severable, and if any of its provisions is held unconstitutional by a court of competent jurisdiction, the decision of such court shall not affect or impair any of the other provisions of this chapter.

§ 33.2-2921. Inconsistent laws inapplicable.

All other laws, including the provisions of the Charter of the City of Richmond, inconsistent with any provision of this chapter are hereby declared to be inapplicable to the provisions of this chapter and to any project constructed by the Authority pursuant to this chapter.

CHAPTER 30.

WASHINGTON METROPOLITAN AREA TRANSIT REGULATION COMPACT OF 1958.

§ 33.2-3000. Washington Metropolitan Area Transit Regulation Compact of 1958.

§ 1. The Governor is hereby authorized and directed to execute, on behalf of the Commonwealth of Virginia, a compact with the District of Columbia and the State of Maryland, which compact shall be in form substantially as follows:

§ 2. (1958, c. 627; repealed 1988, c. 890)

§ 2.1. Washington Metropolitan Area Transit Regulation Compact.--Whereas, the Commonwealth of Virginia (Chapter 627, 1958 Acts of Assembly), the State of Maryland (Chapter 613, Acts of General Assembly, 1959), and the Commissioners of the District of Columbia (resolution of the Board of Commissioners, December 22, 1960) entered into and executed the Washington Metropolitan Area Transit Regulation Compact on December 22, 1960; and

Whereas, the Congress of the United States has, by joint resolution approved October 9, 1962 (Public Law 87-767, 76 Stat. 764), given its consent to the State of Maryland, and the Commonwealth of Virginia to effectuate certain clarifying amendments to the Compact, and has authorized and directed the Commissioners of the District of Columbia to effectuate the amendments on behalf of the United States for the District of Columbia; and

Whereas, the Commonwealth of Virginia (Chapter 67, 1962 Acts of Assembly), the State of Maryland (Chapter 114, Acts of General Assembly, 1962), and the Commissioners of the District of Columbia (resolution of the Board of Commissioners adopted on March 19, 1963) have adopted those clarifying amendments to the Compact;

Now, therefore, the State of Maryland, the Commonwealth of Virginia and the District of Columbia, hereafter referred to as the signatories, covenant and agree as follows:

TITLE I.

GENERAL COMPACT PROVISIONS.

Article I.

There is created the Washington Metropolitan Area Transit District, referred to as the Metropolitan District, which shall include: the District of Columbia; the cities of Alexandria and Falls Church of the Commonwealth of Virginia; Arlington County and Fairfax County of the Commonwealth of Virginia, the political subdivisions located within those counties, and that portion of Loudoun County, Virginia, occupied by the Washington Dulles International Airport; Montgomery County and Prince George's County of the State of Maryland, and the political subdivisions located within those counties; and all other cities now or hereafter existing in Maryland or Virginia within the geographic area bounded by the outer boundaries of the combined area of those counties, cities, and airports.

Article II.

1. The signatories hereby create the "Washington Metropolitan Area Transit Commission," hereafter called the "Commission," which shall be an instrumentality of the District of Columbia, the Commonwealth of Virginia, and the State of Maryland, and shall have the powers and duties set forth in the Compact and those additional powers and additional powers and duties conferred upon it by subsequent action of the signatories.

2. The Commission shall have jurisdiction coextensive with the Metropolitan District for the regulation of passenger transportation within the Metropolitan District on a coordinated basis, without regard to political boundaries within the Metropolitan District, as set forth in this Compact.

Article III.

1. (A) The Commission shall be composed of three members, one member appointed by the Governor of Virginia from the Department of Motor Vehicles of the Commonwealth of Virginia, one member appointed by the Governor of Maryland from the Maryland Public Service Commission, and one member appointed by the Mayor of the District of Columbia from a District of Columbia agency with oversight of matters relating to the Commission.

(B) A member appointed shall serve for a term coincident with the term of that member on the agency of the signatory, and a member may be removed or suspended from office as the law of the appointing signatory provides.

(C) Vacancies shall be filled for an unexpired term in the same manner as an original appointment.

(D) An amendment to Section 1 (A) of this Article shall not affect any member in office on the amendment's effective date.

2. A person in the employment of or holding an official relation to a person or company subject to the jurisdiction of the Commission or having an interest of any nature in a person or company or affiliate or associate thereof, may not hold the office of commissioner or serve as an employee of the Commission or have any power or duty or receive any compensation in relation to the Commission.

3. (A) The Commission shall select a chairman from among its members.

(B) The chairman shall be responsible for the Commission's work and shall have all powers to discharge that duty.

4. A signatory may pay the Commissioner from its jurisdiction the salary or expenses, if any, that it considers appropriate.

5. (A) The Commission may employ engineering, technical, legal, clerical, and other personnel on a regular, part-time, or consulting basis to assist in the discharge of its functions.

(B) The Commission is not bound by any statute or regulation of a signatory in the employment or discharge of an officer or employee of the Commission, except that contained in this Compact.

6. The Commission shall establish its office at a location to be determined by the Commission within the Metropolitan District and shall publish rules and regulations governing the conduct of its operations.

Article IV.

1. (A) The signatories shall bear the expenses of the Commission in the manner set forth here.

(B) The Commission shall submit to the Governor of Virginia, the Governor of Maryland, and the Mayor of the District of Columbia, when requested, a budget of its requirements for the period required by the laws of the signatories for presentation to the legislature.

(C) The Commission shall allocate its expenses among the signatories in the proportion that the population of each signatory within the Metropolitan District bears to the total population of the Metropolitan District.

(D) (I) The Commission shall base its allocation on the latest available population statistics of the Bureau of the Census; or

(II) If current population data are not available, the Commission may, upon the request of a signatory, employ estimates of population prepared in a manner approved by the Commission and by the signatory making the request.

(E) The Governors of the two states and the Mayor of the District of Columbia shall approve the allocation made by the Commission.

2. (A) The signatories shall appropriate their proportion of the budget for the expenses of the Commission and shall pay that appropriation to the Commission.

(B) The budget of the Commission and the appropriations of the signatories may not include a sum for the payment of salaries or expenses of the Commissioners.

(C) The provisions of § 2.1-30 of the Code of Virginia do not apply to any official or employee of the Commonwealth of Virginia acting or performing services under this Act.

3. (A) If the Commission requests and a signatory makes available personnel, services, or material which the Commission would otherwise have to employ or purchase, the Commission shall:

(I) determine an amount; and

(II) reduce the expenses allocable to a signatory.

(B) If any services in kind are rendered, the Commission shall return to the signatory an amount equivalent to the savings to the Commission represented by the contribution in kind.

4. (A) The Commission shall have the power to establish fees under regulations, including but not limited to filing fees and annual fees.

(B) The Commission shall return to the signatories fees established by it in proportion to the share of the Commission's expenses borne by each signatory in the fiscal year during which the fees were collected.

5. (A) The Commission shall keep accurate books of account, showing in full its receipts and disbursements.

(B) The books of account shall be open for inspection by representatives of the respective signatories at any reasonable time.

Article V.

1. An action by the Commission may not be effective unless a majority of the members concur.

2. An order entered by the Commission under the provisions of Title II of this Act which affect operations or matters solely intrastate or solely within the District of Columbia may not be effective unless the Commissioner from the affected signatory concurs.

3. Two members of the Commission are a quorum.

4. The Commission may delegate by regulation the tasks that it considers appropriate.

Article VI.

This Compact does not amend, alter, or affect the power of the signatories and their political subdivisions to levy and collect taxes on the property or income of any person or company subject to this Act or upon any material, equipment, or supplies purchased by that person or company or to levy, assess, and collect franchise or other similar taxes, or fees for the licensing of vehicles and their operation.

Article VII.

This amended Compact shall become effective ninety days after the signatories adopt it.

Article VIII.

1. (A) This Compact may be amended from time to time without the prior consent or approval of the Congress of the United States and any amendment shall be effective unless, within one year, the Congress disapproves that amendment.

(B) An amendment may not be effective unless adopted by each of the signatories.

2. (A) A signatory may withdraw from the Compact upon written notice to the other signatories.

(B) In the event of a withdrawal, the Compact shall be terminated at the end of the Commission's next full fiscal year following the notice.

3. Upon the termination of this Compact, the jurisdiction over the matters and persons covered by this Act shall revert to the signatories and the federal government, as their interests may appear, and the applicable laws of the signatories and the federal government shall be reactivated without further legislation.

Article IX.

Each of the signatories pledges to each of the other signatories faithful cooperation in the regulation of passenger transportation within the Metropolitan District and agrees to enact any necessary legislation to achieve the objectives of the Compact for the mutual benefit of the citizens living in the Metropolitan District.

Article X.

1. If a provision of this Act or its application to any person or circumstance is held invalid in a court of competent jurisdiction, the invalidity does not affect other provisions or any other application of this Act which can be given effect without the invalid provision or application, and for this purpose the provisions of this Act are declared severable.

2. In accordance with the ordinary rules for construction of interstate compacts, this Act shall be liberally construed to effectuate its purposes.

TITLE II.

COMPACT REGULATORY PROVISIONS.

Article XI.

1. This Act shall apply to the transportation for hire by any carrier of persons between any points in the Metropolitan District, including but not limited to:

(A) As to interstate and foreign commerce, transportation performed over a regular route between a point in the Metropolitan District and a point outside the Metropolitan District if:

(I) The majority of passengers transported over that regular route are transported between points within the Metropolitan District; and

(II) That regular route is authorized by a certificate of public convenience and necessity issued by the Interstate Commerce Commission; and

(B) *The rates, charges, regulations, and minimum insurance requirements for taxicabs and other vehicles that perform a bona fide taxicab service, where the taxicab or other vehicle:*

(I) *has a seating capacity of nine persons or less, including the driver; and*

(II) *provides transportation from one signatory to another within the Metropolitan District.*

2. *Solely for the purposes of this section and Section 18 of this Article:*

(A) *The Metropolitan District shall include that portion of Anne Arundel County, Maryland, occupied by the Baltimore-Washington International Airport; and*

(B) *Jurisdiction of the Commission shall apply to taxicab rates, charges, regulations, and minimum insurance requirements for interstate transportation between the Baltimore-Washington International Airport and other points in the Metropolitan District, unless conducted by a taxicab licensed by the state of Maryland or a political subdivision of the state of Maryland, or operated under a contract with the state of Maryland.*

3. *Excluded from the application of this Act are:*

(A) *Transportation by water, air, or rail;*

(B) *Transportation performed by the federal government, the signatories to this Compact, or any political subdivision of the signatories;*

(C) *Transportation performed by the Washington Metropolitan Area Transit Authority;*

(D) *Transportation by a motor vehicle employed solely in transporting teachers and school children through grade 12 to or from public or private schools;*

(E) *Transportation performed over a regular route between a point in the Metropolitan District and a point outside the Metropolitan District, including transportation between those points on the regular route that are within the Metropolitan District, if:*

(I) *the majority of passengers transported over the regular route are not transported between points in the Metropolitan District; and*

(II) *the regular route is authorized by a certificate of public convenience and necessity issued by the Interstate Commerce Commission;*

(F) *Matters other than rates, charges, regulations, and minimum insurance requirements relating to vehicles and operations described in sections 1(B) and 2 of this article;*

(G) *Transportation solely within the Commonwealth of Virginia and the activities of persons performing that transportation; and*

(H) *The exercise of any power or the discharge of any duty conferred or imposed upon the State Corporation Commission of the Commonwealth of Virginia by the Virginia Constitution.*

Definitions.

4. *In this Act the following words have the meanings indicated.*

(A) *"Carrier" means a person who engages in the transportation of passengers by motor vehicle or other form or means of conveyance for hire.*

(B) *"Motor vehicle" means an automobile, bus, or other vehicle propelled or drawn by mechanical or electrical power on the public streets or highways of the Metropolitan District and used for the transportation of passengers.*

(C) *"Person" means an individual, firm, copartnership, corporation, company, association or joint stock association, and includes a trustee, receiver, assignee, or personal representative of them.*

(D) *"Taxicab" means a motor vehicle for hire (other than a vehicle operated under a certificate of Authority issued by the Commission) having a seating capacity of nine persons or less, including the driver, used to accept or solicit passengers along the public streets for transportation.*

General Duties of Carriers.

5. *Each authorized carrier shall:*

(A) *Provide safe and adequate transportation service, equipment, and facilities; and*

(B) *Observe and enforce Commission regulations established under this Act.*

Certificates of Authority.

6. (A) *A person may not engage in transportation subject to this Act unless there is in force a "certificate of Authority" issued by the Commission authorizing the person to engage in that transportation.*

(B) *On the effective date of this Act a person engaged in transportation subject to this Act under an existing "certificate of Public Convenience and Necessity" or order issued by the Commission shall be issued a new "certificate of Authority" within 120 days after the effective date of this amendment.*

(C) (I) *Pending issuance of the new certificate of Authority, the continuance of operations shall be permitted under an existing certificate or order issued by the Commission which will continue in effect on the effective date of this Act.*

(II) *The operations described in paragraph (I) of this subsection shall be performed according to the rates, regulations, and practices of the certificate holder on file with the Commission on the effective date of this Act.*

7. (A) *When an application is made under this section for a certificate of Authority, the Commission shall issue a certificate to any qualified applicant, authorizing all or any part of the transportation covered by the application, if it finds that:*

(I) *The applicant is fit, willing, and able to perform that transportation properly, conform to the provisions of this Act, and conform to the rules, regulations and requirements of the Commission; and*

(II) That the transportation is consistent with the public interest.

(B) If the Commission finds that the requirements of subsection (A) of this section have not been met, the application shall be denied by the Commission.

(C) The Commission shall act upon applications under this Act as soon as possible.

(D) The Commission may attach to the issuance of a certificate and to the exercise of the rights granted under it any term, condition, or limitation that is consistent with the public interest.

(E) A term, condition, or limitation imposed by the Commission may not restrict the right of a carrier to add to equipment and facilities over the routes or within the territory specified in the certificate, as business development and public demand may require.

(F) A person applying for or holding a certificate of Authority shall comply with Commission regulations regarding maintenance of a surety bond, insurance policy, self-insurance qualification, or other security or agreement in an amount that the Commission may require to pay any final judgment against a carrier for bodily injury or death of a person, or for loss or damage to property of another, resulting from the operation, maintenance, or use of a motor vehicle or other equipment in performing transportation subject to this Act.

(G) A certificate of Authority is not valid unless the holder is in compliance with the insurance requirements of the Commission.

8. Application to the Commission for a certificate under this Act shall be:

(A) Made in writing;

(B) Verified; and

(C) In the form and with the information that the Commission regulations require.

9. (A) A certificate of Authority issued by the Commission shall specify the route over which a regularly scheduled commuter service or other regular-route service will operate.

(B) A certificate issued by the Commission authorizing irregular-route service shall be coextensive with the Metropolitan District.

(C) A carrier subject to this Act may not provide any passenger transportation for hire on an individual fare paying basis in competition with an existing, scheduled, regular-route, passenger transportation service performed by, or under a contract with, the federal government, a signatory to the Compact, a political subdivision of a signatory, or the Washington Metropolitan Area Transit Authority, notwithstanding any "Certificate of Authority."

(D) A certificate for the transportation of passengers may include authority to transport newspapers, passenger baggage, express, or mail in the same vehicle, or to transport passenger baggage in a separate vehicle.

10. (A) Certificates shall be effective from the date specified on them and shall remain in effect until amended, suspended, or terminated.

(B) Upon application by the holder of a certificate, the Commission may suspend, amend, or terminate the Certificate of Authority.

(C) Upon complaint or the Commission's own initiative, the Commission, after notice and hearing, may suspend or revoke all or part of any Certificate of Authority for willful failure to comply with:

(I) A provision of this Act;

(II) An order, rule, or regulation of the Commission; or

(III) A term, condition, or limitation of the certificate.

(D) The Commission may direct that a carrier cease an operation conducted under a certificate if the Commission finds the operation, after notice and hearing, to be inconsistent with the public interest.

11. (A) A person may not transfer a Certificate of Authority unless the Commission approves the transfer as consistent with the public interest.

(B) A person other than the person to whom an operating authority is issued by the Commission may not lease, rent, or otherwise use that operating authority.

12. (A) A carrier may not abandon any scheduled commuter service operated under a Certificate of Authority issued to the carrier under this Act, unless the Commission authorizes the carrier to do so by a Commission order.

(B) Upon application by a carrier, the Commission shall issue an order, after notice and hearing, if it finds that abandonment of the route is consistent with the public interest.

(C) The Commission, by regulation or otherwise, may authorize the temporary suspension of a route if it is consistent with the public interest.

(D) As long as the carrier has an opportunity to earn a reasonable return in all its operations, the fact that a carrier is operating a service at a loss will not, of itself, determine the question of whether abandonment of service is consistent with the public interest.

13. (A) When the Commission finds that there is an immediate need for service that is not available, the Commission may grant temporary authority for that service without a hearing or other proceeding up to a maximum of 180 consecutive days, unless suspended or revoked for good cause.

(B) A grant of temporary authority does not create any presumption that permanent authority will be granted at a later date.

Rates and Tariffs.

14. (A) Each carrier shall file with the Commission, publish, and keep available for public inspection tariffs showing:

(I) Fixed-rates and fixed-fares for transportation subject to this Act; and
 (II) Practices and regulations, including those affecting rates and fares, required by the Commission.

(B) Each effective tariff shall:

(I) Remain in effect for at least 60 days from its effective date, unless the Commission orders otherwise; and
 (II) Be published and kept available for public inspection in the form and manner prescribed by the Commission.

(C) A carrier may not charge a rate or fare for transportation subject to this Act other than the applicable rate or fare specified in a tariff filed by the carrier under this Act and in effect at the time.

15. (A) A carrier proposing to change a rate, fare, regulation, or practice specified in an effective tariff shall file a tariff showing the change in the form and manner, and with the information, justification, notice, and supporting material prescribed by the Commission.

(B) Each tariff filed under subsection (A) of this section shall state a date on which the tariff shall take effect, which shall be at least seven calendar days after the date on which the tariff is filed, unless the Commission orders an earlier effective date or rejects the tariff.

(C) (I) A tariff filed for approval with the Commission may be refused acceptance for filing if it is not consistent with this Act and Commission regulations; and

(II) A tariff refused for filing shall be void.

16. (A) The Commission may hold a hearing upon complaint or upon the Commission's own initiative after reasonable notice to determine whether a rate, fare, regulation, or practice relating to a tariff is unjust, unreasonable, unduly discriminatory, or unduly preferential between classes of riders or between locations within the Metropolitan District.

(B) Within 120 days of the hearing, the Commission shall pass an order prescribing the lawful rate, fare, regulation, or practice, or affirming the tariff.

Through Routes, Joint Fares.

17. With the approval of the Commission, any carrier subject to this Act may establish through routes and joint fares with any other lawfully authorized carrier.

Taxicab Fares.

18. (A) the Commission shall prescribe reasonable rates for transportation by taxicab, only when:

(I) The trip is between a point in the jurisdiction of one signatory and a point in the jurisdiction of another signatory; and
 (II) Both points are within the Metropolitan District.

(B) The fare or charge for taxicab transportation may be calculated on a mileage basis, a zone basis, or on any other basis approved by the Commission.

(C) The Commission may not require the installation of a taximeter in any taxicab when a taximeter is not permitted or required by the jurisdiction licensing and otherwise regulating the operation and service of the taxicab.

(D) A person licensed by a signatory to own or operate a taxicab shall comply with Commission regulations regarding maintenance of a surety bond, insurance policy, self-insurance qualification, or other security or agreement in an amount that the Commission may require to pay a final judgment for bodily injury or death of a person, or for loss or damage to property of another, resulting from the operation, maintenance, or use of a taxicab in performing transportation subject to this Act.

Article XII.

Accounts, Records, and Reports.

1. (A) The Commission may prescribe that any carrier subject to this Act:

(I) Submit special reports and annual or other periodic reports;

(II) Make reports in a form and manner required by the Commission;

(III) Provide a detailed answer to any question about which the Commission requires information;

(IV) Submit reports and answers under oath; and

(V) Keep accounts, records, and memoranda of its activity, including movement of traffic and receipt and expenditure of money in a form and for a period required by the Commission.

(B) The Commission shall have access at all times to the accounts, records, memoranda, lands, buildings, and equipment of any carrier for inspection purposes.

(C) This section shall apply to any person controlling, controlled by, or under common control with a carrier subject to this Act, whether or not that person otherwise is subject to this Act.

(D) A carrier that has its principal office outside of the Metropolitan District J operates both inside and outside of the Metropolitan District may keep all accounts, records, and memoranda at its principal office, but the carrier shall produce those materials before the Commission when directed by the Commission.

(E) This section does not relieve a carrier from recordkeeping or reporting obligations imposed by a state or federal agency or regulatory commission for transportation service rendered outside the Metropolitan District.

Issuance of Securities.

2. This Act does not impair any authority of the federal government and the signatories to regulate the issuance of securities by a carrier.

Consolidations, Mergers, and Acquisition of Control.

3. (A) A carrier or any person controlling, controlled by, or under common control with a carrier shall obtain Commission approval to:

(I) Consolidate or merge any part of the ownership, management, or operation of its property or franchise with a carrier that operates in the Metropolitan District;

(II) Purchase, lease, or contract to operate a substantial part of the property or franchise of another carrier that operates in the Metropolitan District; or

(III) Acquire control of another carrier that operates in the Metropolitan District through ownership of its stock or other means.

(B) Application for Commission approval of a transaction under this section shall be made in the form and with the information that the regulations of the Commission require.

(C) If the Commission finds, after notice and hearing, that the proposed transaction is consistent with the public interest, the Commission shall pass an order authorizing the transaction.

(D) Pending determination of an application filed under this section, the Commission may grant "temporary approval" without a hearing or other proceeding up to a maximum of 180 consecutive days if the Commission determines that grant to be consistent with the public interest.

Article XIII.

Investigations by the Commission and Complaints.

1. (A) A person may file a written complaint with the Commission regarding anything done or omitted by a person in violation of a provision of this Act, or in violation of a requirement established under it.

(B) (I) If the respondent does not satisfy the complaint and the facts suggest that there are reasonable grounds for an investigation, the Commission shall investigate the matter.

(II) If the Commission determines that a complaint does not state facts which warrant action, the Commission may dismiss the complaint without hearing.

(III) The Commission shall notify a respondent that a complaint has been filed at least ten days before a hearing is set on the complaint.

(C) The Commission may investigate on its own motion a fact, condition, practice, or matter to:

(I) Determine whether a person has violated or will violate a provision of this Act or a rule, regulation, or order;

(II) Enforce the provisions of this Act or prescribe or enforce rules or regulations under it; or

(III) Obtain information to recommend further legislation.

(D) If, after hearing, the Commission finds that a respondent has violated a provision of this Act or any requirement established under it, the Commission shall:

(I) Issue an order to compel the respondent to comply with this Act; and

(II) Effect other just and reasonable relief.

(E) For the purpose of an investigation or other proceeding under this Act, the Commission may administer oaths and affirmations, subpoena witnesses, compel their attendance, take evidence, and require the production of books, papers, correspondence, memoranda, contracts, agreements, or other records or evidence which the Commission considers relevant to the inquiry.

Hearings; Rules of Procedure.

2. (A) Hearings under this Act shall be held before the Commission, and records shall be kept.

(B) Rules of practice and procedure adopted by the Commission shall govern all hearings, investigations, and proceedings under this Act, but the Commission may apply the technical rules of evidence when appropriate.

Administrative powers of Commission; Rules, Regulations, and Orders.

3. (A) The Commission shall perform any act, and prescribe, issue, make, amend, or rescind any order, rule, or regulation that it finds necessary to carry out the provisions of this Act.

(B) The rules and regulations of the Commission shall prescribe the form of any statement, declaration, application, or report filed with the Commission, the information it shall contain, and the time of filing.

(C) The rules and regulations of the Commission shall be effective thirty days after publication in the manner which the Commission shall prescribe, unless a different date is specified.

(D) Orders of the Commission shall be effective on the date and in the manner which the Commission shall prescribe.

(E) For the purposes of its rules and regulations, the Commission may classify persons and matters within its jurisdiction and prescribe different requirements for them.

(F) Commission rules and regulations shall be available for public inspection during reasonable business hours.

Reconsideration of Orders.

4. (A) A party to a proceeding affected by a final order or decision of the Commission may file within thirty days of its publication a written application requesting Commission reconsideration of the matter involved, and stating specifically the errors claimed as grounds for the reconsideration.

(B) The Commission shall grant or deny the application within thirty days after it has been filed.

(C) If the Commission does not grant or deny the application by order within thirty days, the application shall be deemed denied.

(D) If the application is granted, the Commission shall rescind, modify, or affirm its order or decision with or without a hearing, after giving notice to all parties.

(E) Filing an application for reconsideration may not act as a stay upon the execution of a Commission order or decision, or any part of it unless the Commission orders otherwise.

(F) An appeal may not be taken from an order or decision of the Commission until an application for reconsideration has been filed and determined.

(G) Only an error specified as a ground for reconsideration may be used as a ground for judicial review.

Judicial Review.

5. (A) Any party to a proceeding under this Act may obtain a review of the Commission's order in the United States Court of Appeals for the Fourth Circuit, or in the United States Court of Appeals for the District of Columbia Circuit, by filing within sixty days after Commission determination of an application for reconsideration, a written petition praying that the order of the Commission be modified or set aside.

(B) A copy of the petition shall be delivered to the office of the Commission and the Commission shall certify and file with the court a transcript of the record upon which the Commission order was entered.

(C) The court shall have exclusive jurisdiction to affirm, modify, remand for reconsideration, or set aside the Commission's order.

(D) The court's judgment shall be final, subject to review by the Supreme Court of the United States upon certiorari or certification as provided in Title 28 U.S.C. §§ 1254 and 2350.

(E) The commencement of proceedings under subsection (A) of this section may not operate as a stay of the Commission's order unless specifically ordered by the court.

(F) The Commission and its members, officers, agents, employees, or representatives are not liable to suit or action or for any judgment or decree for damages, loss, or injury resulting from action taken under the Act, nor required in any case arising or any appeal taken under this Act to make a deposit, pay costs, or pay for service to the clerks of a court or to the marshal of the United States or give a supersedeas bond or security for damages.

Enforcement of Act; Penalty for Violations.

6. (A) Whenever the Commission determines that a person is engaged or will engage in an act or practice which violates a provision of this Act or a rule, regulation, or order under it, the Commission may bring an action in the United States District Court in the district in which the person resides or conducts business or in which the violation occurred to enjoin the act or practice and to enforce compliance with this Act or a rule, regulation, or order under it.

(B) If the court makes a determination under subsection (A) of this section, that a person has violated or will violate this Act or a rule, regulation, or order under the Act, the court shall grant a permanent or temporary injunction or decree or restraining order without bond.

(C) Upon application of the Commission, the United States District Court for the district in which the person resides or conducts business, or in which the violation occurred, shall have jurisdiction to issue an order directing that person to comply with the provisions of this Act or a rule, regulation, or order of the Commission under it, and to effect other just and reasonable relief.

(D) The Commission may employ attorneys necessary for:

(I) The conduct of its work;

(II) Representation of the public interest in Commission investigations, cases or proceedings on the Commission's own initiative or upon complaint; or

(III) Representation of the Commission in any court case.

(E) The expenses of employing an attorney shall be paid out of the funds of the Commission, unless otherwise directed by the court.

(F) (I) A person who knowingly and willfully violates a provision of this Act, or a rule, regulation, requirement, or order issued under it, or a term or condition of a certificate shall be subject to a civil forfeiture of not more than \$1,000 for the first violation and not more than \$5,000 for any subsequent violation.

(II) Each day of the violation shall constitute a separate violation.

(III) Civil forfeitures shall be paid to the Commission with interest as assessed by the court.

(IV) The Commission shall pay to each signatory a share of the civil forfeitures and interest equal to the proportional share of the Commission's expenses borne by each signatory in the fiscal year during which the civil forfeiture is collected by the Commission.

Article XIV.

Expenses of Investigations and Other Proceedings.

1. (A) A carrier shall bear all expenses of an investigation or other proceeding conducted by the Commission concerning the carrier, and all litigation expenses, including appeals, arising from an investigation or other proceeding.

(B) When the Commission initiates an investigation or other proceeding, the Commission may require the carrier to pay to the Commission a sum estimated to cover the expenses that will be incurred under this section.

(C) Money paid by the carrier shall be deposited in the name and to the credit of the Commission, in any bank or other depository located in the Metropolitan District designated by the Commission, and the Commission may disburse that money to defray expenses of the investigation, proceeding, or litigation in question.

(D) The Commission shall return to the carrier any unexpended balance remaining after payment of expenses.

Applicability of Other Laws.

2. (A) The applicability of each law, rule, regulation, or order of a signatory relating to transportation subject to this Act shall be suspended on the effective date of this Act.

(B) The provisions of subsection (A) of this section do not apply to a law of a signatory relating to inspection of equipment and facilities.

(C) During the existence of the Compact, the jurisdiction of the Interstate Commerce Commission is suspended to the extent it is in conflict with the provisions of this Act.

Existing Rules, Regulations, Orders, and Decisions.

3. All Commission rules, regulations, orders, or decisions that are in force on the effective date of this Act shall remain in effect and be enforceable under this Act, unless otherwise provided by the Commission.

Pending Actions or Proceedings.

4. A suit, action, or other judicial proceeding commenced prior to the effective date of this Act by or against the Commission is not affected by the enactment of this Act and shall be prosecuted and determined under the law applicable at the time the proceeding was commenced.

Annual Report of the Commission.

5. The Commission shall make an annual report for each fiscal year ending June 30, to the Governor of Virginia and the Governor of Maryland, and to the Mayor of the District of Columbia as soon as practicable after June 30, but no later than the first day of January of each year, which may contain, in addition to a report of the work performed under this Act, other information and recommendations concerning passenger transportation within the Metropolitan District as the Commission considers advisable.

CHAPTER 31.

WASHINGTON METROPOLITAN AREA TRANSIT AUTHORITY COMPACT OF 1966.

§ 33.2-3100. Washington Metropolitan Area Transit Authority Compact of 1966.

§ 3. Whereas, Maryland, Virginia and the District of Columbia heretofore have entered into the Washington Metropolitan Area Transit Regulation Compact (Virginia--Ch. 627, 1958 Acts of Assembly; Maryland--Ch. 613, Acts of General Assembly 1959; District of Columbia--Resolution of the Board of Commissioners adopted December 22, 1960), with the consent of the Congress (J.R., September 15, 1960, P.L., 86-794, 74 Stat. 1031, as amended by 76 Stat. 764), as a first step toward the improvement of transit service in the metropolitan area of Washington, D.C.;

Whereas, in said Compact each of the Signatories pledged to each of the other signatory parties faithful cooperation in the solution and control of transit and traffic problems within said metropolitan area and, in order to effect such purposes, agreed to enact any necessary legislation to achieve the objectives of the Compact to the mutual benefit of the citizens living within said metropolitan area and for the advancement of the interests of the Signatories;

Whereas, it has been established by a decade of studies that a regional system of improved and expanded transit facilities, including grade-separated rail facilities in congested areas, is essential in said metropolitan area for the satisfactory movement of people and goods, the alleviation of present and future traffic congestion, the economic welfare and vitality of all parts of the area, the effectiveness of the departments and agencies of the federal government located within the area, the orderly growth and development of the District of Columbia and the Maryland and Virginia portions of the area, the comfort and convenience of the residents of and visitors to the area, and the preservation of the beauty and dignity of the Nation's Capital;

Whereas, the Congress has authorized Maryland, Virginia and the District of Columbia to negotiate a Compact for the establishment of an organization empowered to provide necessary transit facilities (P.L. 86-669, 74 Stat. 537) and in said legislation declared the policy, inter alia, that the development and administration of such transit facilities requires (1) cooperation among the federal, state and local government of the area, (2) financial participation by the federal government in the creation of major facilities that are beyond the financial capacity or borrowing powers of the private carriers, the District of Columbia and the local governments of the area, and (3) coordination of transit facilities with other public facilities and with the use of land, public and private;

Whereas, private transit companies should be utilized to the extent practicable in providing the regional transit facilities and services, consistent with the requirements of the public interest that the publicly and privately owned facilities be operated as a coordinated regional system without unnecessary duplicating services;

Whereas, adequate provision should be made for the protection of transit labor in the development and operation of the regional system;

Whereas, adequate provisions should be made to eliminate any requirement of additional authentication of manual signature of bonds guaranteed by the United States of America; and

Whereas, it is hereby determined that an Authority to be created by interstate compact between the District of Columbia, the State of Maryland and the Commonwealth of Virginia, is the most suitable form of organization to achieve the stated objectives;

Now, therefore, the District of Columbia, the State of Maryland and the Commonwealth of Virginia, hereinafter referred to as Signatories, do hereby amend the Washington Metropolitan Area Transit Regulation Compact by adding thereto Title III, as hereinafter set forth, and do hereby covenant and agree substantially, as follows:

Title III

Article I

Definitions

Definitions

1. As used in this Title, the following words and terms shall have the following meanings, unless the context clearly requires a different meaning:

- (a) "Board" means the Board of Directors of the Washington Metropolitan Area Transit Authority;
- (b) "Director" means a member of the Board of Directors of the Washington Metropolitan Area Transit Authority;
- (c) "Private transit companies" and "private carriers" means corporations, persons, firms or associations rendering transit service within the Zone pursuant to a certificate of public convenience and necessity issued by the Washington Metropolitan Area Transit Commission or by a franchise granted by the United States or any Signatory party to this Title;
- (d) "Signatory" means the State of Maryland, the Commonwealth of Virginia and the District of Columbia;
- (e) "State" includes District of Columbia;
- (f) "Transit facilities" means all real and personal property located in the Zone, necessary or useful in rendering transit service between points within the Zone, by means of rail, bus, water or air and any other mode of travel, including, without limitation, tracks, rights-of-way, bridges, tunnels, subways, rolling stock for rail, motor vehicle, marine and air transportation, stations, terminals and ports, areas for parking and all equipment, fixtures, buildings and structures and services incidental to or required in connection with the performance of transit service;
- (g) "Transit services" means the transportation of persons and their packages and baggage by means of transit facilities between points within the Zone including the transportation of newspapers, express and mail between such points, and charter service which originates within the Zone but does not include taxicab service or individual-ticket-sales sightseeing operations;
- (h) "Transit Zone" or "Zone" means the Washington Metropolitan Area Transit Zone created and described in Section 3 as well as any additional area that may be added pursuant to Section 83(a) of this Compact; and
- (i) "WMATC" means Washington Metropolitan Area Transit Commission.

Article II

Purpose and Functions

Purpose

2. The purpose of this Title is to create a regional instrumentality, as a common agency of each Signatory party, empowered, in the manner hereinafter set forth, (1) to plan, develop, finance and cause to be operated improved transit facilities, in coordination with transportation and general development planning for the Zone, as part of a balanced regional system of transportation, utilizing to their best advantage the various modes of transportation, (2) to coordinate the operation of the public and privately owned or controlled transit facilities, to the fullest extent practicable, into a unified regional transit system without unnecessary duplicating service, and (3) to serve such other regional purposes and to perform such other regional functions as the Signatories may authorize by appropriate legislation.

Article III

Organization and Area

Washington Metropolitan Area Transit Zone

3. There is hereby created the Washington Metropolitan Area Transit Zone which shall embrace the District of Columbia, the Cities of Alexandria, Falls Church and Fairfax and the Counties of Arlington, Fairfax and Loudoun and political subdivisions of the Commonwealth of Virginia located within those counties, and the counties of Montgomery and Prince George's in the State of Maryland and political subdivisions of the State of Maryland located in said counties.

Washington Metropolitan Area Transit Authority

4. There is hereby created, as an instrumentality and agency of each of the Signatory parties hereto, the Washington Metropolitan Area Transit Authority which shall be a body corporate and politic, and which shall have the powers and duties granted herein and such additional powers as may hereafter be conferred upon it pursuant to law.

Board Membership

5. (a) The Authority shall be governed by a Board of eight Directors consisting of two Directors for each Signatory and two for the federal government (one of whom shall be a regular passenger and customer of the bus or rail service of the Authority). For Virginia, the Directors shall be appointed by the Northern Virginia Transportation Commission; for the District of Columbia by the Council of the District of Columbia; for Maryland, by the Washington Suburban Transit Commission; and for the federal government, by the Administrator of General Services. For Virginia and Maryland, the Directors shall be appointed from among the members of the appointing body, except as otherwise provided herein, and shall serve for a term coincident with their term on the appointing body. A Director for a Signatory may be removed or suspended from office only as provided by the law of the Signatory from which he was appointed. The nonfederal appointing authorities shall also appoint an alternate for each Director. In addition, the Administrator of General Services shall also appoint two nonvoting members who shall serve as the alternates for the federal Directors. An alternate Director may act only in the absence of the Director for whom he has been appointed an alternate, except that, in the case of the District of Columbia where only one Director and his alternate are present, such alternate may act on behalf of the absent Director. Each alternate, including the federal nonvoting Directors, shall serve at the pleasure of the appointing authority. In the event of a vacancy in the office of Director or alternate, it shall be filled in the same manner as an original appointment.

(b) Before entering upon the duties of his office each Director and alternate director shall take and subscribe to the following oath (or affirmation) of office or any such other oath or affirmation, if any, as the Constitution or laws of the Government he represents shall provide:

"I,....., hereby solemnly swear (or affirm) that I will support and defend the Constitution of the United States and the Constitution and Laws of the state or political jurisdiction from which I was appointed as a Director (alternate director) of the Board of Washington Metropolitan Area Transit Authority and will faithfully discharge the duties of the office upon which I am about to enter."

Compensation of Directors and Alternates

6. *Members of the Board and alternates shall serve without compensation but may be reimbursed for necessary expenses incurred as an incident to the performance of their duties.*

Organization and Procedure

7. *The Board shall provide for its own organization and procedure. It shall organize annually by the election of a Chairman and Vice-Chairman from among its members. Meetings of the Board shall be held as frequently as the Board deems that the proper performance of its duties requires and the Board shall keep minutes of its meetings. The Board shall adopt rules and regulations governing its meeting, minutes and transactions.*

Quorum and Actions by the Board

8. (a) *Four Directors or alternates consisting of at least one Director or alternate appointed from each Signatory, shall constitute a quorum and no action by the Board shall be effective unless a majority of the Board present and voting, which majority shall include at least one Director or alternate from each Signatory, concur therein; provided, however, that a plan of financing may be adopted or a mass transit plan adopted, altered, revised or amended by the unanimous vote of the Directors representing any two Signatories.*

(b) *The actions of the Board shall be expressed by motion or resolution. Actions dealing solely with internal management of the Authority shall become effective when directed by the Board, but no other action shall become effective prior to the expiration of thirty days following its adoption; provided, however, that the Board may provide for the acceleration of any action upon a finding that such acceleration is required for the proper and timely performance of its functions.*

Officers

9. (a) *The officers of the Authority, none of whom shall be members of the Board, shall consist of a general manager, a secretary, a treasurer, a comptroller, an inspector general, and a general counsel and such other officers as the Board may provide. Except for the office of general manager, inspector general, and comptroller, the Board may consolidate any of such other offices in one person. All such officers shall be appointed and may be removed by the Board, shall serve at the pleasure of the Board and shall perform such duties and functions as the Board shall specify. The Board shall fix and determine the compensation to be paid to all officers and, except for the general manager who shall be a full-time employee, all other officers may be hired on a full-time or part-time basis and may be compensated on a salary or fee basis, as the Board may determine. All employees and such officers as the Board may designate shall be appointed and removed by the general manager under such rules of procedure and standards as the Board may determine.*

(b) *The general manager shall be the chief administrative officer of the Authority and, subject to policy direction by the Board, shall be responsible for all activities of the Authority.*

(c) *The treasurer shall be the custodian of the funds of the Authority, shall keep an account of all receipts and disbursements and shall make payments only upon warrants duly and regularly signed by the Chairman or Vice-Chairman of the Board, or other person authorized by the Board to do so, and by the secretary or general manager; provided, however, that the Board may provide that warrants not exceeding such amounts or for such purposes as may from time to time be specified by the Board may be signed by the general manager or by persons designated by him.*

(d) *The inspector general shall report to the Board and head the Office of the Inspector General, an independent and objective unit of the Authority that conducts and supervises audits, program evaluations, and investigations relating to Authority activities; promotes economy, efficiency, and effectiveness in Authority activities; detects and prevents fraud and abuse in Authority activities; and keeps the Board fully and currently informed about deficiencies in Authority activities as well as the necessity for and progress of corrective action.*

(e) *An oath of office in the form set out in § 5 (b) of this Article shall be taken, subscribed and filed with the Board by all appointed officers.*

(f) *Each Director, officer and employee specified by the Board shall give such bond in such form and amount as the Board may require, the premium for which shall be paid by the Authority.*

Conflict of Interest

10. (a) *No Director, officer or employee shall:*

(1) *be financially interested, either directly or indirectly, in any contract, sale, purchase, lease or transfer of real or personal property to which the Board or the Authority is a party;*

(2) *in connection with services performed within the scope of his official duties, solicit or accept money or any other thing of value in addition to the compensation or expenses paid to him by the Authority;*

(3a.) *offer money or any thing of value for or in consideration of obtaining an appointment, promotion or privilege in his employment with the Authority.*

(b) *Any Director, officer or employee who shall willfully violate any provision of this section shall, in the discretion of the Board, forfeit his office or employment.*

(c) *Any contract or agreement made in contravention of this section may be declared void by the Board.*

(d) Nothing in this section shall be construed to abrogate or limit the applicability of any federal or state law which may be violated by any action prescribed by this section.

Article IV

Pledge of Cooperation

11. Each Signatory pledges to each other faithful cooperation in the achievement of the purposes and objects of this Title.

Article V

General Powers

Enumeration

12. In addition to the powers and duties elsewhere described in this Title, and except as limited in this Title, the Authority may:

- (a) Sue and be sued;*
- (b) Adopt and use a corporate seal and alter the same at pleasure;*
- (c) Adopt, amend, and repeal rules and regulations respecting the exercise of the powers conferred by this Title;*
- (d) Construct, acquire, own, operate, maintain, control, sell and convey real and personal property and any interest therein by contract, purchase, condemnation, lease, license, mortgage or otherwise but all of said property shall be located in the Zone and shall be necessary or useful in rendering transit service or in activities incidental thereto;*
- (e) Receive and accept such payments, appropriations, grants, gifts, loans, advances and other funds, properties and services as may be transferred or made available to it by any Signatory party, any political subdivision or agency thereof, by the United States, or by any agency thereof, or by any other public or private corporation or individual, and enter into agreements to make reimbursement for all or any part thereof;*
- (f) Enter into and perform contracts, leases and agreements with any person, firm or corporation or with any political subdivision or agency of any Signatory party or with the federal government, or any agency thereof, including, but not limited to, contracts or agreements to furnish transit facilities and service;*
- (g) Create and abolish offices, employments and positions (other than those specifically provided for herein) as it deems necessary for the purposes of the Authority, and fix and provide for the qualification, appointment, removal, term, tenure, compensation, pension and retirement rights of its officers and employees without regard to the laws of any of the Signatories;*
- (h) Establish, in its discretion, a personnel system based on merit and fitness and, subject to eligibility, participate in the pension and retirement plans of any Signatory, or political subdivision or agency thereof, upon terms and conditions mutually acceptable;*
- (i) Contract for or employ any professional services;*
- (j) Control and regulate the use of facilities owned or controlled by the Authority, the service to be rendered and the fares and charges to be made therefor;*
- (k) Hold public hearings and conduct investigations relating to any matter affecting transportation in the Zone with which the Authority is concerned and, in connection therewith, subpoena witnesses, papers, records and documents; or delegate such authority to any officer. Each Director may administer oaths or affirmations in any proceeding or investigation;*
- (l) Make or participate in studies of all phases and forms of transportation, including transportation vehicle research and development techniques and methods for determining traffic projections, demand motivations, and fiscal research and publicize and make available the results of such studies and other information relating to transportation;*
- (m) Exercise, subject to the limitations and restrictions herein imposed, all powers reasonably necessary or essential to the declared objects and purposes of this Title; and*
- (n) Establish regulations providing for public access to Board records.*

Article VI

Planning

Mass Transit Plan

13. (a) The Board shall develop and adopt, and may from time to time review and revise, a mass transit plan for the immediate and long-range needs of the Zone. The mass transit plan shall include one or more plans designating (1) the transit facilities to be provided by the Authority, including the locations of terminals, stations, platforms, parking facilities and the character and nature thereof; (2) the design and location of such facilities; (3) whether such facilities are to be constructed or acquired by lease, purchase or condemnation; (4) a timetable for the provision of such facilities; (5) the anticipated capital cost; (6) estimated operating expenses and revenues relating thereto; and (7) the various other factors and considerations, which, in the opinion of the Board, justify and require the projects therein proposed. Such plan shall specify the type of equipment to be utilized, the areas to be served, the routes and schedules of service expected to be provided and probable fares and charges therefor.

(b) In preparing the mass transit plan, and in any review or revision thereof, the Board shall make full utilization of all data, studies, reports and information available from the National Capital Transportation Agency and from any other agencies of the federal government, and from Signatories and the political subdivisions thereof.

Planning Process

14. (a) The mass transit plan, and any revisions, alterations or amendments thereof, shall be coordinated, through the procedures hereinafter set forth, with

(1) other plans and programs affecting transportation in the Zone in order to achieve a balanced system of transportation, utilizing each mode to its best advantage;

(2) the general plan or plans for the development of the Zone; and

(3) the development plans of the various political subdivisions embraced within the Zone.

(b) It shall be the duty and responsibility of each member of the Board to serve as liaison between the Board and the body which appointed him to the Board. To provide a framework for regional participation in the planning process, the Board shall create technical committees concerned with planning and collection and analyses of data relative to decision-making in the transportation planning process and the Mayor and Council of the District of Columbia, the component governments of the Northern Virginia Transportation District and the Washington Suburban Transit District shall appoint representatives to such technical committees and otherwise cooperate with the Board in the formulation of a mass transit plan, or in revisions, alterations or amendments thereof.

(c) The Board, in the preparation, revision, alteration or amendment of a mass transit plan, shall

(1) consider data with respect to current and prospective conditions in the Zone, including, without limitation, land use, population, economic factors affecting development plans, goals or objectives for the development of the Zone and the separate political subdivisions, transit demands to be generated by such development, travel patterns, existing and proposed transportation and transit facilities, impact of transit plans on the dislocation of families and businesses, preservation of the beauty and dignity of the Nation's Capital, factors affecting environmental amenities and aesthetics and financial resources;

(2) cooperate with and participate in any continuous, comprehensive transportation planning process cooperatively established by the highway agencies of the Signatories and the local political subdivisions in the Zone to meet the planning standards now or hereafter prescribed by the Federal-Aid Highway Acts; and

(3) to the extent not inconsistent with or duplicative of the planning process specified in subdivision (2) of this subsection (c), cooperate with the National Capital Planning Commission, the National Capital Regional Planning Council, the Washington Metropolitan Council of Governments, the Washington Metropolitan Area Transit Commission, the highway agencies of the Signatories, the Maryland-National Capital Park and Planning Commission, the Northern Virginia Regional Planning and Economic Development Commission, the Maryland State Planning Department and the Commission of Fine Arts. Such cooperation shall include the creation, as necessary, of technical committees composed of personnel, appointed by such agencies, concerned with planning and collection and analysis of data relative to decision-making in the transportation planning process.

Adoption of Mass Transit Plan

15. (a) Before a mass transit plan is adopted, altered, revised or amended, the Board shall transmit such proposed plan, alteration, revision or amendment for comment to the following and to such other agencies as the Board shall determine:

(1) the Mayor and Council of the District of Columbia, the Northern Virginia Transportation Commission and the Washington Suburban Transit Commission;

(2) the governing bodies of the counties and cities embraced within the Zone;

(3) the transportation agencies of the Signatories;

(4) the Washington Metropolitan Area Transit Commission;

(5) the Washington Metropolitan Council of Governments;

(6) the National Capital Planning Commission;

(7) the National Capital Regional Planning Council;

(8) the Maryland-National Capital Park and Planning Commission;

(9) the Northern Virginia Regional Planning and Economic Development Commission;

(10) the Maryland State Planning Department; and

(11) the private transit companies operating in the Zone and the Labor Unions representing the employees of such companies and employees of contractors providing services under operating contracts.

(b) A copy of the proposed mass transit plan, amendment or revision, shall be kept at the office of the Board and shall be available for public inspection. Information with respect thereto shall be released to the public. After thirty days' notice published once a week for two successive weeks in one or more newspapers of general circulation within the Zone, a public hearing shall be held with respect to the proposed plan, alteration, revision or amendment. The thirty days' notice shall begin to run on the first day the notice appears in any such newspaper. The Board shall consider the evidence submitted and statements and comments made at such hearing and may make any changes in the proposed plan, amendment or revision which it deems appropriate and such changes may be made without further hearing.

Article VII

Financing

Policy

16. With due regard for the policy of Congress for financing a mass transit plan for the Zone set forth in Section 204 (g) of the National Capital Transportation Act of 1960 (74 Stat. 537), it is hereby declared to be the policy of this Title that, as far as possible, the payment of all costs shall be borne by the persons using or benefiting from the Authority's facilities and services and any remaining costs shall be equitably shared among the federal, District of Columbia and participating local

governments in the Zone. The allocation among such governments of such remaining cost shall be determined by agreement among them and shall be provided in the manner hereinafter specified.

Plan of Financing

17. (a) The Authority, in conformance with said policy, shall prepare and adopt a plan for financing the construction, acquisition and operation of facilities specified in a mass transit plan adopted pursuant to Article VI hereof, or in any alteration, revision or amendment thereof. Such plan of financing shall specify the facilities to be constructed or acquired, the cost thereof, the principal amount of revenue bonds, equipment trust certificates and other evidences of debt proposed to be issued, the principal terms and provisions of all loans and underlying agreements and indentures, estimated operating expenses and revenues and the proposed allocation among the federal, District of Columbia and participating local governments of the remaining costs and deficits, if any, and such other information as the Commission may consider appropriate.

(b) Such plan of financing shall constitute a proposal to the interested governments for financial participation and shall not impose any obligation on any government and such obligations shall be created only as provided in § 18 of this Article VII.

Commitments for Financial Participation

18. (a) Commitments on behalf of the portion of the Zone located in Virginia shall be by contract or agreement by the Authority with the Northern Virginia Transportation District, or its component governments, as authorized in the Transportation District Act of 1964 (Ch. 631, 1964 Virginia Acts of Assembly), to contribute to the capital required for the construction and/or acquisition of facilities specified in a mass transit plan adopted as provided in Article VI, or any alteration, revision or amendment thereof, and for meeting expenses and obligations in the operation of such facilities. No such contract or agreement, however, shall be entered into by the Authority with the Northern Virginia Transportation District unless said District has entered into the contracts or agreements with its member governments, as contemplated by § 1 (b) (4) of Article 4 of said Act, which contracts or agreements expressly provide that such contracts or agreements shall inure to the benefit of the Authority and shall be enforceable by the Authority in accordance with the provisions of § 2, Article 5 of said Act, and such contracts or agreements are acceptable to the Board. The General Assembly of Virginia hereby authorizes and designates the Authority as the agency to plan for and provide transit facilities and services for the area of Virginia encompassed within the Zone within the contemplation of Article 1, § 3 (c) of said Act.

(b) Commitments on behalf of the portion of the Zone located in Maryland shall be by contract or agreement by the Authority with the Washington Suburban Transit District, pursuant to which the Authority undertakes to provide transit facilities and service in consideration for the agreement by said District to contribute to the capital required for the construction and/or acquisition of facilities specified in a mass transit plan adopted as provided in Article VI, or in any alteration, revision or amendment thereof, and for meeting expenses and obligations incurred in the operation of such facilities.

(c) With respect to the federal government, the commitment or obligation to render financial assistance shall be created by appropriation or in such other manner, or by such other legislation, as the Congress shall determine. Commitments by the District of Columbia shall be by contract or agreement between the governing body of the District of Columbia and the Authority, pursuant to which the Authority undertakes, subject to the provisions of § 20 hereof, to provide transit facilities and service in consideration for the undertaking by the District of Columbia to contribute to the capital required for the construction and/or acquisition of facilities specified in a mass transit plan adopted as provided in Article VI, or in any alteration, revision or amendment thereof, and for meeting expenses and obligations incurred in the operation of such facilities.

(d) (1) All payments made by the local Signatory governments for the Authority for the purpose of matching federal funds appropriated in any given year as authorized under Title VI, § 601, P.L. 110-432 regarding funding of capital and preventive maintenance projects of the Authority shall be made from amounts derived from dedicated funding sources.

(2) For purposes of this paragraph (d), a "dedicated funding source" means any source of funding that is earmarked or required under state or local law to be used to match federal appropriations authorized under Title VI, § 601, P.L. 110-432 for payments to the Authority.

Administrative Expenses

19. Prior to the time the Authority has receipts from appropriations and contracts or agreements as provided in § 18 of this Article VII, the expenses of the Authority for administration and for preparation of a mass transit and financing plan, including all engineering, financial, legal and other services required in connection therewith, shall, to the extent funds for such expenses are not provided through grants by the federal government, be borne by the District of Columbia, by the Washington Suburban Transit District and the component governments of the Northern Virginia Transportation District. Such expenses shall be allocated among such governments on the basis of population as reflected by the latest available population statistics of the Bureau of the Census; provided, however, that upon the request of any director the Board shall make the allocation upon estimates of population acceptable to the Board. The allocations shall be made by the Board and shall be included in the annual current expense budget prepared by the Board.

Acquisition of Facilities from Federal or Other Agencies

20. (a) The Authority is authorized to acquire by purchase, lease or grant or in any manner other than condemnation, from the federal government or any agency thereof, from the District of Columbia, Maryland or Virginia, or any political subdivision or agency thereof, any transit and related facilities, including real and personal property and all other assets,

located within the Zone, whether in operation or under construction. Such acquisition shall be made upon such terms and conditions as may be agreed upon and subject to such authorization or approval by the Congress and the governing body of the District of Columbia, as may be required; provided, however, that if such acquisition imposes or may impose any further or additional obligation or liability upon the Washington Suburban Transit District, the Northern Virginia Transportation District, or any component government thereof, under any contract with the Authority, the Authority shall not make the acquisition until any such affected contract has been appropriately amended.

(b) For such purpose, the Authority is authorized to assume all liabilities and contracts relating thereto, to assume responsibility as primary obligor, endorser or guarantor on any outstanding revenue bonds, equipment trust certificates or other form of indebtedness authorized in this Act issued by such predecessor agency or agencies and, in connection therewith, to become a party to, and assume the obligations of, any indenture or loan agreement underlying or issued in connection with any outstanding securities or debts.

Temporary Borrowing

21. The Board may borrow, in anticipation of receipts, from any Signatory, the Washington Suburban Transit District, the Northern Virginia Transportation District, or any component government thereof, or from any lending institution for any purposes of this Title, including administrative expenses. Such loans shall be for a term not to exceed two years and at such rates on interest as shall be acceptable to the Board. The Signatories and any such political subdivision or agency may, in its discretion, make such loans from any available money.

Funding

22. The Board shall not construct or acquire any of the transit facilities specified in a mass transit plan adopted pursuant to the provisions of Article VI of this Title, or in any alteration, revision or amendment thereof, nor make any commitments or incur any obligations with respect thereto until funds are available therefor.

Article VIII

Budget

Capital Budget

23. The Board shall annually adopt a capital budget, including all capital projects it proposes to undertake or continue during the budget period, containing a statement of the estimated cost of each project and the method of financing thereof.

Current Expense Budget

24. The Board shall annually adopt a current expense budget for each fiscal year. Such budget shall include the Board's estimated expenditures for administration, operation, maintenance and repairs, debt service requirements and payments to be made into any funds required to be maintained. The total of such expenses shall be balanced by the Board's estimated revenues and receipts from all sources, excluding funds included in the capital budget or otherwise earmarked for other purposes.

Adoption and Distribution of Budgets

25. (a) Following the adoption by the Board of annual capital and current expense budgets, the general manager shall transmit certified copies of such budgets to the principal budget officer of the federal government, the District of Columbia, the Washington Suburban Transit District and of the component governments of the Northern Virginia Transportation Commission at such time and in such manner as may be required under their respective budgetary procedures.

(b) Each budget shall indicate the amounts, if any, required from the federal government, the government of the District of Columbia, the Washington Suburban Transit District and the component governments of the Northern Virginia Transportation District, determined in accordance with the commitments made pursuant to Article VII, § 18 of this Title, to balance each of said budgets.

Payment

26. Subject to such review and approval as may be required by their budgetary or other applicable processes, the federal government, the Government of the District of Columbia, the Washington Suburban Transit District and the component governments of the Northern Virginia Transportation District shall include in their respective budgets next to be adopted and appropriate or otherwise provide the amounts certified to each of them as set forth in the budgets.

Article IX

Revenue Bonds

Borrowing Power

27. The Authority may borrow money for any of the purposes of this Title, may issue its negotiable bonds and other evidences of indebtedness in respect thereto and may mortgage or pledge its properties, revenues and contracts as security therefor.

All such bonds and evidences of indebtedness shall be payable solely out of the properties and revenues of the Authority. The bonds and other obligations of the Authority, except as may be otherwise provided in the indenture under which they were issued, shall be direct and general obligations of the Authority and the full faith and credit of the Authority are hereby pledged for the prompt payment of the debt service thereon and for the fulfillment of all other undertakings of the Authority assumed by it to or for the benefit of the holders thereof.

Funds and Expenses

28. The purposes of this Title shall include, without limitation, all costs of any project or facility or any part thereof, including interest during a period of construction and for a period not to exceed two years thereafter and any incidental expenses (legal, engineering, fiscal, financial, consultant and other expenses) connected with issuing and disposing of the

bonds; all amounts required for the creation of an operating fund, construction fund, reserve fund, sinking fund, or other special fund; all other expenses connected with administration, the planning, design, acquisition, construction, completion, improvement or reconstruction of any facility or any part thereof; and reimbursement of advances by the Board or by others for such purposes and for working capital.

Credit Excluded; Officers, State, Political Subdivisions and Agencies

29. The Board shall have no power to pledge the credit of any Signatory party, political subdivision or agency thereof, or to impose any obligation for payment of the bonds upon any Signatory party, political subdivision or agency thereof, but may pledge the contracts of such governments and agencies; provided, however, that the bonds may be underwritten in whole or in part as to principal and interest by the United States, or by any political subdivision or agency of any Signatory; provided, further, that any bonds underwritten in whole or in part as to principal and interest by the United States shall not be issued without approval of the Secretary of the Treasury. Neither the Directors nor any person executing the bonds shall be liable personally on the bonds of the Authority or be subject to any personal liability or accountability by reason of the issuance thereof.

Funding and Refunding

30. Whenever the Board deems it expedient, it may fund and refund the bonds and other obligations of the Authority whether or not such bonds and obligations have matured. It may provide for the issuance, sale or exchange of refunding bonds for the purpose of redeeming or retiring any bonds (including the payment of any premium, duplicate interest or cash adjustment required in connection therewith) issued by the Authority or issued by any other issuing body, the proceeds of the sale of which have been applied to any facility acquired by the Authority or which are payable out of the revenues of any facility acquired by the Authority. Bonds may be issued partly to refund bonds and other obligations then outstanding, and partly for any other purpose of the Authority. All provisions of this Title applicable to the issuance of bonds are applicable to refunding bonds and to the issuance, sale or exchange thereof.

Bonds; Authorization Generally

31. Bonds and other indebtedness of the Authority shall be authorized by resolution of the Board. The validity of the authorization and issuance of any bonds by the Authority shall not be dependent upon nor affected in any way by: (i) the disposition of bond proceeds by the Board or by contract, commitment or action taken with respect to such proceeds; or (ii) the failure to complete any part of the project for which bonds are authorized to be issued. The Authority may issue bonds in one or more series and may provide for one or more consolidated bond issues, in such principal amounts and with such terms and provisions as the Board may deem necessary. The bonds may be secured by a pledge of all or any part of the property, revenues and franchises under its control. Bonds may be issued by the Authority in such amount, with such maturities and in such denominations and form or forms, whether coupon or registered, as to principal alone or as to both principal and interest, as may be determined by the Board. The Board may provide for redemption of bonds prior to maturity on such notice and at such time or times and with such redemption provisions, including premiums, as the Board may determine.

Bonds; Resolution and Indentures Generally

32. The Board may determine and enter into indentures or adopt resolutions providing for the principal amount, date or dates, maturities, interest rate, or rates, denominations, form, registration, transfer, interchange and other provisions of bonds and coupons and the terms and conditions upon which the same shall be executed, issued, secured, sold, paid, redeemed, funded and refunded. The resolution of the Board authorizing any bond or any indenture so authorized under which the bonds are issued may include all such covenants and other provisions not inconsistent with the provisions of this Title, other than any restriction on the regulatory powers vested in the Board by this Title, as the Board may deem necessary or desirable for the issue, payment, security, protection or marketing of the bonds, including without limitation covenants and other provisions as to the rates or amounts of fees, rents and other charges to be charged or made for use of the facilities; the use, pledge, custody, securing, application and disposition of such revenues, of the proceeds of the bonds, and of any other moneys or contracts of the Authority; the operation, maintenance, repair and reconstruction of the facilities and the amounts which may be expended therefor; the sale, lease or other disposition of the facilities; the insuring of the facilities and of the revenues derived therefrom; the construction or other acquisition of other facilities; the issuance of additional bonds or other indebtedness; the rights of the bondholders and of any trustee for the bondholders upon default by the Authority or otherwise; and the modification of the provisions of the indenture and of the bonds. Reference on the face of the bonds to such resolution or indenture by its date of adoption or the apparent date on the face thereof is sufficient to incorporate all of the provisions thereof and of this Title into the body of the bonds and their appurtenant coupons. Each taker and subsequent holder of the bonds or coupons, whether the coupons are attached to or detached from the bonds, has recourse to all of the provisions of the indenture and of this Title and is bound thereby.

Maximum Maturity

33. No bond or its terms shall mature in more than fifty years from its own date and in the event any authorized issue is divided into two or more series or divisions, the maximum maturity date herein authorized shall be calculated from the date on the face of each bond separately, irrespective of the fact that different dates may be prescribed for the bonds of each separate series or division of any authorized issue.

Tax Exemption

34. All bonds and all other evidences of debt issued by the Authority under the provisions of this Title and the interest thereon shall at all times be free and exempt from all taxation by or under authority of any Signatory parties, except for transfer, inheritance and estate taxes.

Interest

35. Bonds shall bear interest at such rate or rates as may be determined by the Board, payable annually or semiannually.

Place of Payment

36. The Board may provide for the payment of the principal and interest of bonds at any place or places within or without the Signatory states, and in any specified lawful coin or currency of the United States of America.

Execution

37. The Board may provide for the execution and authentication of bonds by the manual, lithographed or printed facsimile signature of members of the Board, and by additional authentication by a trustee or fiscal agent appointed by the Board; provided, however, that one of such signatures shall be manual; and provided, further, that no such additional authentication or manual signatures need be required in the case of bonds guaranteed by the United States of America. If any of the members whose signatures or countersignatures appear upon the bonds or coupons cease to be members before the delivery of the bonds or coupons, their signatures or countersignatures are nevertheless valid and of the same force and effect as if the members had remained in office until the delivery of the bonds and coupons.

Holding Own Bonds

38. The Board shall have power out of any funds available therefor to purchase its bonds and may hold, cancel or resell such bonds.

Sale

39. The Board may fix terms and conditions for the sale or other disposition of any authorized issue of bonds. The Board may sell bonds at less than their par or face value but no issue of bonds may be sold at an aggregate price below the par or face value thereof if such sale would result in a net interest cost to the Authority calculated upon the entire issue so sold in excess of the applicable rate determined by the Board, payable semiannually, computed with relation to the absolute maturity of the bonds according to standard tables of bond values, deducting the amount of any premium to be paid on the redemption of any bonds prior to maturity. All bonds issued and sold pursuant to this Title may be sold in such manner, either at public or private sale, as the Board shall determine.

Negotiability

40. All bonds issued under the provisions of this Title are negotiable instruments.

Bonds Eligible for Investment and Deposit

41. Bonds issued under the provisions of this Title are hereby made securities in which all public officers and public agencies of the Signatories and their political subdivisions and all banks, trust companies, savings and loan associations, investment companies and others carrying on a banking business, all insurance companies and insurance associations and others carrying on an insurance business, all administrators, executors, guardians, trustees and other fiduciaries, and all other persons may legally and properly invest funds, including capital in their control or belonging to them. Such bonds are hereby made securities which may properly and legally be deposited with and received by any officer of any Signatory, or of any agency or political subdivision of any Signatory, for any purpose for which the deposit of bonds or other obligations of such Signatory is now or may hereafter be authorized by law.

Validation Proceedings

42. Prior to the issuance of any bonds, the Board may institute a special proceeding to determine the legality of proceedings to issue the bonds and their validity under the laws of any of the Signatory parties. Such proceeding shall be instituted and prosecuted in rem and the final judgment rendered therein shall be conclusive against all persons whomsoever and against each of the Signatory parties.

43. No indenture need be recorded or filed in any public office, other than the office of the Board. The pledge of revenues provided in any indenture shall take effect forthwith as provided therein and irrespective of the date of receipt of such revenues by the Board or the indenture trustee. Such pledge shall be effective as provided in the indenture without physical delivery of the revenues to the Board or to the indenture trustee.

Pledged Revenues

44. Bond redemption and interest payments shall, to the extent provided in the resolution or indenture, constitute a first, direct and exclusive charge and lien on all revenues received from the use and operation of the facility, and on any sinking or other funds created therefrom. All such revenues, together with interest thereon, shall constitute a trust fund for the security and payment of such bonds and except as and to the extent provided in the indenture with respect to the payment therefrom of expenses for other purposes including administration, operation, maintenance, improvements or extensions of the facilities or other purposes shall not be used or pledged for any other purpose so long as such bonds, or any of them, are outstanding and unpaid.

Remedies

45. The holder of any bond may for the equal benefit and protection of all holders of bonds similarly situated: (1) by mandamus or other appropriate proceedings require and compel the performance of any of the duties imposed upon the Board or assumed by it, its officers, agents or employees under the provisions of any indenture, in connection with the acquisition, construction, operation, maintenance, repair, reconstruction or insurance of the facilities, or in connection with

the collection, deposit, investment, application and disbursement of the revenues derived from the operation and use of the facilities, or in connection with the deposit, investment and disbursement of the proceeds received from the sale of bonds; or (2) by action or suit in a court of competent jurisdiction of any Signatory party require the Authority to account as if it were the trustee of an express trust, or enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the bonds. The enumeration of such rights and remedies does not, however, exclude the exercise or prosecution of any other rights or remedies available to the holders of bonds.

Article X

Equipment Trust Certificates

Power

46. The Board shall have power to execute agreements, leases and equipment trust certificates with respect to the purchase of facilities or equipment such as cars, trolley buses and motor buses, or other craft, in the form customarily used in such cases and appropriate to effect such purchase, and may dispose of such equipment trust certificates in such manner as it may determine to be for the best interests of the Authority. Each vehicle covered by an equipment trust certificate shall have the name of the owner and lessor plainly marked upon both sides thereof, followed by the words "Owner and Lessor".

Payments

47. All moneys required to be paid by the Authority under the provisions of such agreements, leases and equipment trust certificates shall be payable solely from the revenue to be derived from the operation of the transit system or from such grants, loans, appropriations or other revenues, as may be available to the Board under the provisions of this Title. Payment for such facilities or equipment, or rentals thereof, may be made in installments, and the deferred installments may be evidenced by equipment trust certificates as aforesaid, and title to such facilities or equipment may not vest in the Authority until the equipment trust certificates are paid.

Procedure

48. The agreement to purchase facilities or equipment by the Board may direct the vendor to sell and assign the equipment to a bank or trust company, duly authorized to transact business in any of the Signatory states, or to the Housing and Home Finance Administrator, as trustee, lessor or vendor, for the benefit and security of the equipment trust certificates and may direct the trustee to deliver the facilities and equipment to one or more designated officers of the Board and may authorize the trustee simultaneously therewith to execute and deliver a lease of the facilities or equipment to the Board.

Agreements and Leases

49. The agreements and leases shall be duly acknowledged before some person authorized by law to take acknowledgments of deeds and in the form required for acknowledgment of deeds and such agreements, leases, and equipment trust certificates shall be authorized by resolution of the Board and shall contain such covenants, conditions and provisions as may be deemed necessary or appropriate to insure the payment of the equipment trust certificates from the revenues to be derived from the operation of the transit system and other funds.

The covenants, conditions and provisions of the agreements, leases and equipment trust certificates shall not conflict with any of the provisions of any resolution or trust agreement securing the payment of bonds or other obligations of the Authority then outstanding or conflict with or be in derogation of the rights of the holders of any such bonds or other obligations.

Law Governing

50. The equipment trust certificates issued hereunder shall be governed by Laws of the District of Columbia and for this purpose the chief place of business of the Authority shall be considered to be the District of Columbia. The filing of any documents required or permitted to be filed shall be governed by the Laws of the District of Columbia.

Article XI

Operation of Facilities

Operation by Contract or Lease

51. Any facilities and properties owned or controlled by the Authority may be operated by the Authority directly or by others pursuant to contract or lease as the Board may determine.

The Operating Contract

52. Without limitation upon the right of the Board to prescribe such additional terms and provisions as it may deem necessary and appropriate, the operating contract shall:

- (a) specify the services and functions to be performed by the Contractor;
- (b) provide that the Contractor shall hire, supervise and control all personnel required to perform the services and functions assumed by it under the operating contract and that all such personnel shall be employees of the Contractor and not of the Authority;
- (c) require the Contractor to assume the obligations of the labor contract or contracts of any transit company which may be acquired by the Authority and assume the pension obligations of any such transit company;
- (d) require the Contractor to comply in all respects with the labor policy set forth in Article XIV of this Title;
- (e) provide that no transfer of ownership of the capital stock, securities or interests in any Contractor, whose principal business in the operating contract, shall be made without written approval of the Board and the certificates or other instruments representing such stock, securities or interests shall contain a statement of this restriction;
- (f) provide that the Board shall have the sole authority to determine the rates or fares to be charged, the routes to be operated and the service to be furnished;

(g) specify the obligations and liabilities which are to be assumed by the Contractor and those which are to be the responsibility of the Authority;

(h) provide for an annual audit of the books and accounts of the Contractor by an independent certified public accountant to be selected by the Board and for such other audits, examinations and investigations of the books and records, procedures and affairs of the Contractor at such times and in such manner as the Board shall require, the cost of such audits, examinations and investigations to be borne as agreed by the parties in the operating contracts; and

(i) provided that no operating contract shall be entered into for a term in excess of five years; provided, that any such contract may be renewed for successive terms, each of which shall not exceed five years. Any such operating contract shall be subject to termination by the Board for cause only.

Compensation for Contractor

53. Compensation to the Contractor under the operating contract may, in the discretion of the Board, be in the form of (1) a fee paid by the Board to the Contractor for services, (2) a payment by the Contractor to the Board for the right to operate the system, or (3) such other arrangement as the Board may prescribe; provided, however, that the compensation shall bear a reasonable relationship to the benefits to the Authority and to the estimated costs the Authority would incur in directly performing the functions and duties delegated under the operating contract; and provided, further that no such contract shall create any right in the Contractor (1) to make or change any rate or fare or alter or change the service specified in the contract to be provided or (2) to seek judicial relief by any form of original action, review or other proceeding from any rate or fare or service prescribed by the Board. Any assertion, or attempted assertion, by the Contractor of the right to make or change any rate or fare or service prescribed by the Board shall constitute cause for termination of the operating contract. The operating contract may provide incentives for efficient and economical management.

Selection of Contractor

54. The Board shall enter into an operating contract only after formal advertisement and negotiations with all interested and qualified parties, including private transit companies rendering transit service within the Zone; provided, however, that, if the Authority acquires transit facilities from any agency of the federal or District of Columbia governments, in accordance with the provisions of Article VII, § 20 of this Title, the Authority shall assume the obligations of any operating contract which the transferor agency may have entered into.

Article XII

Coordination of Private and Public Facilities

Declaration of Policy

55. It is hereby declared that the interest of the public in efficient and economical transit service and in the financial well-being of the Authority and of the private transit companies requires that the public and private segments of the regional transit system be operated, to the fullest extent possible, as a coordinated system without unnecessary duplicating service.

Implementation of Policy

56. In order to carry out the legislative policy set forth in § 55 of this Article XII

(a) The Authority--

(1) except as herein provided, shall not, directly or through a Contractor, perform transit service by bus or similar motor vehicles;

(2) shall, in cooperation with the private carriers and WMATC coordinate to the fullest extent practicable, the schedules for service performed by its facilities with the schedules for service performed by private carriers; and

(3) shall enter into agreements with the private carriers to establish and maintain, subject to approval by WMATC, through routes and joint fares and provide for the division thereof, or, in the absence of such agreements, establish and maintain through routes and joint fares in accordance with orders issued by WMATC directed to the private carriers when the terms and conditions for such through service and joint fares are acceptable to it.

(b) The WMATC, upon application, complaint, or upon its own motion, shall--

(1) direct private carriers to coordinate their schedules for service with the schedules for service performed by facilities owned or controlled by the Authority;

(2) direct private carriers to improve or extend any existing services or provide additional service over additional routes;

(3) authorize a private carrier, pursuant to agreement between said carrier and the Authority, to establish and maintain through routes and joint fares for transportation to be rendered with facilities owned or controlled by the Authority if, after hearing held upon reasonable notice, WMATC finds that such through routes and joint fares are required by the public interest; and

(4) in the absence of such an agreement with the Authority, direct a private carrier to establish and maintain through routes and joint fares with the Authority, if, after hearing held upon reasonable notice, WMATC finds that such through service and joint fares are required by the public interest; provided, however, that no such order, rule or regulation of WMATC shall be construed to require the Authority to establish and maintain any through route and joint fare.

(c) WMATC shall not authorize or require a private carrier to render any service, including the establishment or continuation of a joint fare for a through route service with the Authority which is based on a division thereof between the Authority and private carrier which does not provide a reasonable return to the private carrier, unless the carrier is currently earning a reasonable return on its operation as a whole in performing transportation subject to the jurisdiction of

WMATC. In determining the issue of reasonable return, WMATC shall take into account any income attributable to the carrier, or to any corporation, firm or association owned in whole or in part by the carrier, from the Authority whether by way of payment for services or otherwise.

(d) If the WMATC is unable, through the exercise of its regulatory powers over the private carriers granted in subsection (b) hereof or otherwise, to bring about the requisite coordination of operations and service between the private carriers and the Authority, the Authority may in the situations specified in subsection (b) hereof, cause such transit service to be rendered by its Contractor by bus or other motor vehicle, as it shall deem necessary to effectuate the policy set forth in § 55 hereof. In any such situation, the Authority, in order to encourage private carriers to render bus service to the fullest extent practicable, may, pursuant to agreement, make reasonable subsidy payments to any private carrier.

(e) The Authority may acquire the capital stock or the transit facilities of any private transit company and may perform transit service, including service by bus or similar motor vehicle, with transit facilities so acquired, or with transit facilities acquired pursuant to Article VII, § 20. Upon acquisition of the capital stock or the transit facilities of any private transit company, the Authority shall undertake the acquisition, as soon as possible, of the capital stock or the transit facilities of each of the other private transit companies within the Zone requesting such acquisition. Lack of such request, however, shall not be construed to preclude the Authority from acquiring the capital stock or the transit facilities of any such company pursuant to § 82 of Article XVI.

Rights of Private Carriers Unaffected

57. Nothing in this title shall restrict or limit such rights and remedies, if any, that any private carrier may have against the Authority arising out of acts done or actions taken by the Authority hereunder. In the event any court of competent jurisdiction shall determine that the Authority has unlawfully infringed any rights of any private carrier or otherwise caused or permitted any private carrier to suffer legally cognizable injury, damages or harm and shall award a judgment therefor, such judgment shall constitute a lien against any and all of the assets and properties of the Authority.

Financial Assistance to Private Carriers

58. (a) The Board may accept grants from and enter into loan agreements with the Housing and Home Finance Administrator, pursuant to the provisions of the Urban Mass Transportation Act of 1964 (78 Stat. 302), or with any successor agency or under any law of similar purport, for the purpose of rendering financial assistance to private carriers.

(b) An application by the Board for any such grant or loan shall be based on and supported by a report from WMATC setting forth for each private carrier to be assisted (1) the equipment and facilities to be acquired, constructed, reconstructed, or improved, (2) the service proposed to be rendered by such equipment and facilities, (3) the improvement in service expected from such facilities and equipment, (4) how the use of such facilities and equipment will be coordinated with the transit facilities owned by the Authority, (5) the ability of the affected private carrier to repay any such loans or grants and (6) recommended terms for any such loans or grants.

(c) Any equipment or facilities acquired, constructed, reconstructed or improved with the proceeds of such grants or loans shall be owned by the Authority and may be made available to private carriers only by lease or other agreement which contain provisions acceptable to the Housing and Home Finance Administrator assuring that the Authority will have satisfactory continuing control over the use of such facilities and equipment.

Article XIII

Jurisdiction; Rates and Service

Washington Metropolitan Area Transit Commission

59. Except as provided herein, this Title shall not affect the functions and jurisdiction of WMATC, as granted by Titles I and II of this Compact, over the transportation therein specified and the persons engaged therein and the Authority shall have no jurisdiction with respect thereto.

Public Facilities

60. Service performed by transit facilities owned or controlled by the Authority, and the rates and fares to be charged for such service, shall be subject to the sole and exclusive jurisdiction of the Board and, notwithstanding any other provision in this Compact contained, WMATC shall have no authority with respect thereto, or with respect to any contractor in connection with the operation by it of transit facilities owned or controlled by the Authority. The determinations of the Board with respect to such matters shall not be subject to judicial review nor to the processes to any court.

Standards

61. Insofar as practicable, and consistent with the provision of adequate service at reasonable fares, the rates and fares and service shall be fixed by the Board so as to result in revenues which will:

(a) pay the operating expenses and provide for repairs, maintenance and depreciation of the transit system owned or controlled by the Authority;

(b) provide for payment of all principal and interest on outstanding revenue bonds and other obligations and for payment of all amounts to sinking funds and other funds as may be required by the terms of any indenture of loan agreement;

(c) provide for the purchase, lease or acquisition of rolling stock, including provisions for interest, sinking funds, reserve funds, or other funds required for the payment of any obligations incurred by the Authority for the acquisition of rolling stock; and

(d) provide funds for any purpose the Board deems necessary and desirable to carry out the purposes of this title.

Hearings

62. (a) *The Board shall not raise any fare or rate, nor implement a major service reduction, except after holding a public hearing with respect thereto.*

(b) *Any Signatory, any political subdivision thereof, any agency of the federal government and any person, firm or association served by or using the transit facilities of the Authority and any private carrier may file a request with the Board for a hearing with respect to any rates or charges made by the Board or any service rendered with the facilities owned or controlled by the Authority. Such request shall be in writing, shall state the matter on which a hearing is requested and shall set forth clearly the matters and things on which the request relies. As promptly as possible after such a request is filed, the Board, or such officer or employee as it may designate, shall confer with the protestant with respect to the matters complained of. After such conference, the Board, if it deems the matter meritorious and of general significance, may call a hearing with respect to such request.*

(c) *The Board shall give at least fifteen days' notice for all public hearings. The notice shall be given by publication in a newspaper of daily circulation throughout the Transit Zone and such notice shall be published once a week for two successive weeks. The notice period shall start with the first day of publication. Notices of public hearings shall be posted in accordance with regulations promulgated by the Board.*

(d) *Prior to calling a hearing on any matter specified in this section, the Board shall prepare and file at its main office and keep open for public inspection its report relating to the proposed action to be considered at such hearing. Upon receipt by the Board of any report submitted by WMATC, in connection with a matter set for hearing, pursuant to the provisions of § 63 of this Article XIII, the Board shall file such report at its main office and make it available for public inspection. For hearings called by the Board pursuant to paragraph (b), above, the Board also shall cause to be lodged and kept open for public inspection the written request upon which the hearing is granted and all documents filed in support thereof.*

Reference of Matters to WMATC

63. *To facilitate the attainment of the public policy objectives for operation of the publicly and privately owned or controlled transit facilities as stated in Article XII, § 55, prior to the hearings provided for by § 62 hereof--*

(a) *The Board shall refer to WMATC for its consideration and recommendations, any matter which the Board considers may affect the operation of the publicly and privately owned or controlled transit facilities as a coordinated regional transit system and any matter for which the Board has called a hearing, pursuant to § 62 of this Article XIII, except that temporary or emergency changes in matters affecting service shall not be referred; and*

(b) *WMATC, upon such reference of any matter to it, shall give the referred matter preference over any other matters pending before it and shall, as expeditiously as practicable, prepare and transmit its report thereon to the Board. The Board may request WMATC to reconsider any part of its report or to make any supplemental reports it deems necessary. All of such reports shall be advisory only.*

(c) *Any report submitted by WMATC to the Board shall consider, without limitation, the probable effect of the matter or proposal upon the operation of the publicly and privately owned or controlled transit facilities as a coordinated regional system, passenger movements, fare structures, service and the impact on the revenues of both the public and private facilities.*

Article XIV

Labor Policy

Construction

64. *The Board shall take such action as may be necessary to insure that all laborers and mechanics employed by contractors or subcontractors in the construction, alteration or repair, including painting and decorating, of projects, buildings and works which are undertaken by the Authority or are financially assisted by it, shall be paid wages at rates not less than those prevailing on similar construction in the locality as determined by the Secretary of Labor in accordance with the Davis-Bacon Act, as amended (40 U.S.C. 276a-276a-5), and every such employee shall receive compensation at a rate not less than one and one-half times his basic rate of pay for all hours worked in any workweek in excess of eight hours in any workday or forty hours in any workweek, as the case may be. A provision stating the minimum wages thus determined and the requirement that overtime be paid as above provided shall be set out in each project advertisement for bids and in each bid proposal form and shall be made a part of the contract covering the project, which contract shall be deemed to be a contract of the character specified in § 103 of the Contract Work Hours Standards Act (76 Stat. 357), as now or as may hereafter be in effect. The Secretary of Labor shall have, with respect to the administration and enforcement of the labor standards specified in this provision, the supervisory, investigatory and other authority and functions set forth in Reorganization Plan Numbered 14 of 1950 (15 F.R. 3176, 64 Stat. 1267, 5 U.S.C. 133z-15), and § 2 of the Act of June thirteen, nineteen hundred thirty-four, as amended (48 Stat. 948, as amended; 40 U.S.C. 276 (c)). The requirements of this section shall also be applicable with respect to the employment of laborers and mechanics in the construction, alteration or repair, including painting and decorating, of the transit facilities owned or controlled by the Authority where such activities are performed by a contractor pursuant to agreement with the operator of such facilities.*

Equipment and Supplies

65. *Contracts for the manufacture or furnishing of materials, supplies, articles and equipment shall be subject to the provisions of the Walsh-Healey Public Contracts Act (41 U.S.C. 35 et seq.), as now or as may hereafter be in effect.*

Operations

66. (a) *The rights, benefits, and other employee protective conditions and remedies of § 13 (c) of the Federal Transit Act, as amended (49 U.S.C. Section 5333 (b)), as determined by the Secretary of Labor, shall apply to Washington*

Metropolitan Area Transit Authority employees otherwise covered by the Act. The Authority shall extend to employees whose positions are adversely affected by the expenditure of federal funds obtained by WMATA pursuant to congressional appropriations, the rights, benefits, and other employee protective conditions and remedies of section 13 (c) of the Federal Transit Act, as amended (49 U.S.C. § 5333(b)).

(b) The Authority shall deal with and enter into written contracts with employees as defined in § 152 of Title 29, United States Code, through accredited representatives of such employees or representatives of any labor organization authorized to act for such employees concerning wages, salaries, hours, working conditions, and pension or retirement provisions. Each such contract entered into after the effective date of this act shall prohibit the contracting employees from engaging in any strike or an employer from engaging in any lockout.

(c) In case of any labor dispute involving the Authority and such employees where collective bargaining does not result in agreement, either party may declare that an impasse has been reached between the parties and may, by written notification to the other party and to the Federal Mediation and Conciliation Service, request the Service to appoint a mediator for the purpose of assisting them in reconciling their differences and resolving the controversy on terms which are mutually acceptable. Within five days of the receipt of the request the Federal Mediation and Conciliation Service shall appoint a mediator in accordance with its rules and procedures for such appointment. The mediator shall meet with the parties forthwith, either jointly or separately, and shall take such steps as he or she deems appropriate to persuade the parties to resolve their differences and effect a mutually acceptable agreement. The mediator shall not, however, make findings of fact or recommend terms of settlement. Each party shall pay one-half of the expenses of such mediator. If the mediator is unable to effect settlement of the controversy within fifteen days after his or her appointment, the Authority shall submit such dispute to fact finding by a board composed of three persons, one appointed by the Authority, one appointed by the labor organization representing the employees, and a third member to be agreed upon by the labor organization and the Authority. The member agreed upon by the labor organization and the Authority shall act as chairman of the board. The determination of the majority of the fact finding board thus established shall be advisory as to all matters in dispute. If after a period of ten days from the date of the appointment of the two persons representing the Authority and the labor organization, the third person has not been selected, then either of the two persons may request the Federal Mediation and Conciliation Service to furnish a list of five persons from which the third person shall be selected; provided, however, that the list shall not include the name of the person who served as mediator unless inclusion of his or her name is mutually agreed to by both parties. The persons appointed by the Authority and the labor organization, promptly after the receipt of such list shall determine by lot the order of elimination, and thereafter each shall in that order alternately eliminate one name until only one name remains. The remaining person on the list shall be the third member of the fact finding board. The term "labor dispute" shall be broadly construed and shall include any controversy concerning wages, salaries, hours, working conditions, or benefits including health and welfare, sick leave, insurance or pension or retirement provisions but not limited thereto, and including any controversy concerning any differences or questions that may arise between the parties including but not limited to the making or maintaining of collective bargaining agreements, the terms to be included in such agreements, and the interpretation or application of such collective bargaining agreements. Each party shall pay one-half of the expenses of such fact finding. Under no circumstances may the parties resort to binding arbitration after the date of enactment of this act or the expiration date of any contract requiring binding arbitration, whichever is later. This prohibition against binding arbitration shall not be interpreted to preclude such arbitration of individual employee grievances.

(d) The Authority is hereby authorized and empowered to establish and maintain a system of pensions and retirement benefits for such officers and employees of the Authority as may be designated or described by resolution of the Authority; to fix the terms of and restrictions on admission to such system and the classifications therein; to provide that persons eligible for admission in such pension system shall not be eligible for admission to, or receive any benefits from, any other pension system (except Social Security benefits), which is financed or funded, in whole or in part, directly or indirectly by funds paid or appropriated by the Authority to such other pension system, and to provide in connection with such pension system, a system of benefits payable to the beneficiaries and dependents of any participant in such pension system after the death of such participant (whether accidental or otherwise, whether occurring in the actual performance of duty or otherwise, or both) subject to such exceptions, conditions, restrictions and classifications as may be provided by resolution of the Authority. Such pension system shall be financed or funded by such means and in such manner as may be determined by the Authority to be economically feasible. Unless the Authority shall otherwise determine, no officer or employee of the Authority and no beneficiary or dependent of any such officer or employee shall be eligible to receive any pension or retirement or other benefits both from or under any such pension system and from or under any pension or retirement system established by an acquired transportation system or established or provided for, by or under the provisions of any collective bargaining agreement between the Authority and the representatives of its employees.

(e) Whenever the Authority acquires existing transit facilities from a public or privately owned utility either in proceeding by eminent domain or otherwise, the Authority shall assume and observe all existing labor contracts and pension obligations. When the Authority acquires an existing transportation system, all employees who are necessary for the operation thereof by the Authority shall be transferred to and appointed as employees of the Authority, subject to all the rights and benefits of this Title. These employees shall be given seniority credit and sick leave, vacation, insurance and pension credits in accordance with the records or labor agreements from the acquired transportation system. Members and beneficiaries of any pension or retirement system or other benefits established by the acquired transportation system shall

continue to have rights, privileges, benefits, obligations and status with respect to such established system. The Authority shall assume the obligations of any transportation system acquired by it with regard to wages, salaries, hours, working conditions, sick leave, health and welfare and pension or retirement provisions for employees. It shall assume the provisions of any collective bargaining agreement between such acquired transportation system and the representatives of its employees. The Authority and the employees, through their representatives for collective bargaining purposes, shall take whatever action may be necessary to have pension trust funds presently under the joint control of the acquired transportation system and the participating employees through their representative transferred to the trust fund to be established, maintained and administered jointly by the Authority and the participating employees through their representatives. No employee of any acquired transportation system who is transferred to a position with the Authority shall by reason of such transfer be placed in any worse position with respect to workmen's compensation, pension, seniority, wages, sick leave, vacation, health and welfare insurance or any other benefits, than he enjoyed as an employee of such acquired transportation system.

(f) The Authority shall not require any person, as a condition of employment or continuation of employment, to join any labor union or labor organization. The Authority shall not require any person, as a condition of employment or continuation of employment, to pay any dues, fees, or other charges of any kind to any labor union or labor organization.

Article XV

Relocation Assistance

Relocation Program and Payments

67. Section 7 of the Urban Mass Transportation Act of 1964, and as the same may from time to time be amended, and all regulations promulgated thereunder, are hereby made applicable to individuals, families, business concerns and nonprofit organizations displaced from real property by actions of the Authority without regard to whether financial assistance is sought by or extended to the Authority under any provision of that Act; provided, however, that in the event real property is acquired for the Authority by an agency of the federal government, or by a State or local agency or instrumentality, the Authority is authorized to reimburse the acquiring agency for relocation payments made by it.

Relocation of Public or Public Utility Facilities

68. Notwithstanding the provisions of § 67 of this Article XV, any highway or other public facility or any facilities of a public utility company which will be dislocated by reason of a project deemed necessary by the Board to effectuate the authorized purposes of this Title shall be relocated if such facilities are devoted to a public use, and the reasonable cost of relocation, if substitute facilities are necessary, shall be paid by the Board from any of its moneys.

Article XVI

General Provisions

Creation and Administration of Funds

69. (a) The Board may provide for the creation and administration of such funds as may be required. The funds shall be disbursed in accordance with rules established by the Board and all payments from any fund shall be reported to the Board. Moneys and such funds and other moneys of the Authority shall be deposited, as directed by the Board, in any branch or subsidiary of any state or national bank which has operations within the Zone, and having a total paid-in capital of at least one million dollars (\$1,000,000). The trust department of any such state or national bank may be designated as a depository to receive any securities acquired or owned by the Authority. The restriction with respect to paid-in capital may be waived for any such bank which agrees to pledge federal securities to protect the funds and securities of the Authority in such amounts and pursuant to such arrangements as may be acceptable to the Board.

(b) Any moneys of the Authority may, in the discretion of the Board and subject to any agreement or covenant between the Authority and the holders of any of its obligations limiting or restricting classes of investments, be invested in: (i) Direct obligations of or obligations guaranteed by the United States of America; (ii) Bonds, debentures, notes or other evidences of indebtedness issued by agencies of the United States of America, including but not limited to the following: Bank for Cooperatives; Federal Intermediate Credit Banks; Federal Home Loan Bank System; Export-Import Bank of the United States; Federal Land Banks, Federal National Mortgage Association; Student Loan Marketing Association; Government National Mortgage Association; Tennessee Valley Authority; or United States Postal Service; (iii) Securities that qualify as lawful investments and may be accepted as security for fiduciary, trust and public funds under the control of the United States or any officer or officers thereof, or securities eligible as collateral for deposits of moneys of the United States, including United States Treasury tax and loan accounts; (iv) Domestic and Eurodollar certificates of deposit; and (v) Bonds, debentures, notes or other evidences of indebtedness issued by a domestic corporation, such as a corporation organized under the laws of one of the states of the United States, provided that such obligations are nonconvertible and at the time of their purchase are rated in the highest rating categories by a nationally recognized bond rating agency.

Annual Independent Audit

70. (a) As soon as practical after the closing of the fiscal year, an audit shall be made of the financial accounts of the Authority. The audit shall be made by qualified certified public accountants selected by the Board, who shall have no personal interest direct or indirect in the financial affairs of the Authority or any of its officers or employees. The report of audit shall be prepared in accordance with generally accepted auditing principles and shall be filed with the Chairman and other officers as the Board shall direct. Copies of the report shall be distributed to each Director, to the Congress, to the Mayor and Council of the District of Columbia, to the Governors of Virginia and Maryland, to the Washington Suburban

Transit Commission, to the Northern Virginia Transportation Commission and to the governing bodies of the political subdivisions located within the Zone which are parties to commitments for participation in the financing of the Authority and shall be made available for public distribution.

(b) The financial transactions of the Board shall be subject to audit by the United States General Accounting Office in accordance with the principles and procedures applicable to commercial corporate transactions and under such rules and regulations as may be prescribed by the Comptroller General of the United States. The audit shall be conducted at the place or places where the accounts of the Board are kept.

(c) Any Director, officer or employee who shall refuse to give all required assistance and information to the accountants selected by the Board or who shall refuse to submit to them for examination such books, documents, records, files, accounts, papers, things or property as may be requested shall, in the discretion of the Board, forfeit his office.

Reports

71. The Board shall make and publish an annual report on its programs, operations, and finances, which shall be distributed in the same manner provided by § 70 of this Article XVI for the report of annual audit. It may also prepare, publish and distribute such other public reports and informational materials as it may deem necessary or desirable.

Insurance

72. The Board may self-insure or purchase insurance and pay the premiums therefor against loss or damage to any of its properties; against liability for injury to persons or property; and against loss of revenue from any cause whatsoever. Such insurance coverage shall be in such form and amount as the Board may determine, subject to the requirements of any agreement arising out of insurance of bonds or other obligations by the Authority.

Contracting and Purchasing

73. (a) (1) Except as provided in subsections (b), (c), and (f) of this section, and except in the case of procurement procedures otherwise expressly authorized by statute, the Authority in conducting a procurement of property, services, or construction shall:

(A) obtain full and open competition through the use of competitive procedures in accordance with the requirements of this Section; and

(B) use the competitive procedure or combination of competitive procedures that is best suited under the circumstances of the procurement.

(2) In determining the competitive procedure appropriate under the circumstances, the Authority shall:

(A) solicit sealed bids if:

(i) time permits the solicitation, submission, and evaluation of sealed bids;

(ii) the award will be made on the basis of price and other price-related factors;

(iii) it is not necessary to conduct discussions with the responding sources about their bids; and

(iv) there is a reasonable expectation of receiving more than one sealed bid; or

(B) request competitive proposals if sealed bids are not appropriate under clause (A) of this paragraph.

(b) The Authority may provide for the procurement of property, services, or construction covered by this Section using competitive procedures but excluding a particular source in order to establish or maintain an alternative source or sources of supply for that property, service, or construction if the Authority determines that excluding the source would increase or maintain competition and would likely result in reduced overall costs for procurement of property, services, or construction.

(c) The Authority may use procedures other than competitive procedures if:

(1) the property, services, or construction needed by the Authority is available from only one responsible source and no other type of property, services, or construction will satisfy the needs of the Authority; or

(2) the Authority's need for the property, services, or construction is of such an unusual and compelling urgency that the Authority would be seriously injured unless the Authority limits the number of sources from which it solicits bids or proposals; or

(3) the Authority determines that it is necessary in the public interest to use procedures other than competitive procedures in the particular procurement; or

(4) the property or services needed can be obtained through federal or other governmental sources at reasonable prices.

(d) For the purpose of applying subsection (c) (1) of this Section:

(1) in the case of a contract for property, services, or construction to be awarded on the basis of acceptance of an unsolicited proposal, the property, services, or construction shall be deemed to be available from only one responsible source if the source has submitted an unsolicited proposal that demonstrates a concept:

(A) that is unique and innovative or, in the case of a service, for which the source demonstrates a unique capability to provide the service; and

(B) the substance of which is not otherwise available to the Authority and does not resemble the substance of a pending competitive procurement.

(2) in the case of a follow-on contract for the continued development or production of a major system or highly specialized equipment or the continued provision of highly specialized services, the property, services, or construction may be deemed to be available from only the original source and may be procured through procedures other than competitive procedures if it is likely that award to a source other than the original source would result in:

(A) substantial duplication of cost to the Authority that is not expected to be recovered through competition; or

(B) unacceptable delays in fulfilling the Authority's needs.

(e) If the Authority uses procedures other than competitive procedures to procure property, services, or construction under subsection (c) (2) of this Section, the Authority shall request offers from as many potential sources as is practicable under the circumstances.

(f) (1) To promote efficiency and economy in contracting, the Authority may use simplified acquisition procedures for purchases of property, services and construction.

(2) For the purposes of this subsection, simplified acquisition procedures may be used for purchases for an amount that does not exceed the simplified acquisition threshold adopted by the federal government.

(3) A proposed purchase or contract for an amount above the simplified acquisition threshold may not be divided into several purchases or contracts for lesser amounts in order to use the procedures under paragraph (1) of this subsection.

(4) In using simplified acquisition procedures, the Authority shall promote competition to the maximum extent practicable.

(g) The Board shall adopt policies and procedures to implement this Section. The policies and procedures shall provide for publication of notice of procurements and other actions designed to secure competition where competitive procedures are used.

(h) The Authority in its discretion may reject any and all bids or proposals received in response to a solicitation.

Rights-of-Way

74. The Board is authorized to locate, construct and maintain any of its transit and related facilities in, upon, over, under or across any streets, highways, freeways, bridges and any other vehicular facilities, subject to the applicable laws governing such use of such facilities by public agencies. In the absence of such laws, such use of such facilities by the Board shall be subject to such reasonable conditions as the highway department or other affected agency of a Signatory party may require; provided, however, that the Board shall not construct or operate transit or related facilities upon, over, or across any parkways or park lands without the consent of, and except upon the terms and conditions required by, the agency having jurisdiction with respect to such parkways and park lands, but may construct or operate such facilities in a subway under such parkways or park lands upon such reasonable terms and conditions as may be specified by the agency having jurisdiction with respect thereto.

Compliance with Laws, Regulations and Ordinances

75. The Board shall comply with all laws, ordinances and regulations of the Signatories and political subdivisions and agencies thereof with respect to use of streets, highways and all other vehicular facilities, traffic control and regulation, zoning, signs and buildings.

Police Security

76. (a) The Authority is authorized to establish and maintain a regular police force, to be known as the Metro Transit Police, to provide protection for its patrons, personnel, and Transit facilities. The Metro Transit Police shall have the powers and duties and shall be subject to the limitations set forth in this section. It shall be composed of both uniformed and plain clothes personnel and shall be charged with the duty of enforcing the laws of the Signatories, and the laws, ordinances, and regulations of the political subdivisions thereof in the Transit Zone, and the rules and regulations of the Authority. The jurisdiction of the Metro Transit Police shall include all the Transit facilities (including bus stops) owned, controlled, or operated by the Authority, but this restriction shall not limit the power of the Metro Transit Police to make arrests in the Transit Zone for violations committed upon, to, or against such Transit facilities committed from within or outside such Transit facilities while in hot or close pursuit, or to execute traffic citations and criminal process in accordance with subsection (c) below. The members of the Metro Transit Police shall have concurrent jurisdiction in the performance of their duties with the duly constituted law-enforcement agencies of the Signatories and of the political subdivisions thereof in which any Transit facility of the Authority is located or in which the Authority operates any Transit service. On-duty Metro Transit Police officers are authorized to make arrests off of Transit facilities within the Transit Zone when immediate action is necessary to protect the health, safety, welfare or property of an individual from actual or threatened harm or from an unlawful act. Nothing contained in this section shall either relieve any Signatory or political subdivision or agency thereof from its duty to provide police, fire, and other public safety service and protection, or limit, restrict, or interfere with the jurisdiction of or the performance of duties by the existing police, fire, and other public safety agencies. For purposes of this section, "bus stop" means that area within 150 feet of a MetroBus bus stop sign, excluding the interior of any building not owned, controlled or operated by the Washington Metropolitan Area Transit Authority.

(b) A member of the Metro Transit Police shall have same powers, including the power of arrest, and shall be subject to the same limitations, including regulatory limitations, in the performance of his duties as a member of the duly constituted police force of the political subdivision in which the Metro Transit Police member is engaged in the performance of his duties. A member of the Metro Transit Police is authorized to carry and use only such weapons, including handguns, as are issued by the Authority. A member of the Metro Transit Police is subject to such additional limitations in the use of weapons as are imposed on the duly constituted police force for the political subdivision in which he is engaged in the performance of his duties.

(c) Members of the Metro Transit Police shall have power to execute on the Transit facilities owned, controlled, or operated by the Authority any traffic citation or any criminal process issued by any court of any Signatory or of any political subdivision of a Signatory, for any felony, misdemeanor, or other offense against the laws, ordinances, rules, or regulations specified in subsection (a). With respect to offenses committed upon, to, or against the Transit facilities owned,

controlled, or operated by the Authority, the Metro Transit Police shall have power to execute criminal process within the Transit Zone.

(d) Upon the apprehension or arrest of any person by a member of the Metro Transit Police pursuant to the provisions of subsection (b), the officer, as required by the law of the place of apprehension or arrest, shall either issue a summons or a citation against the person, book the person, or deliver the person to the duly constituted police or judicial officer of the Signatory or political subdivision where the apprehension or arrest is made, for disposition as required by law.

(e) The Authority shall have the power to adopt rules and regulations for the safe, convenient, and orderly use of the Transit facilities owned, controlled, or operated by the Authority, including the payment and the manner of the payment of fares or charges therefor; the protection of the Transit facilities, the control of traffic and parking upon the Transit facilities, and the safety and protection of the riding public. In the event that any such rules and regulations contravene the laws, ordinances, rules, or regulations of a Signatory or any political subdivision thereof which are existing or subsequently enacted, these laws, ordinances, rules, or regulations of the Signatory or the political subdivision shall apply and the conflicting rule or regulation, or portion thereof, of the Authority shall be void within the jurisdiction of that Signatory or political subdivision. In all other respects the rules and regulations of the Authority shall be uniform throughout the Transit Zone. The rules and regulations established under this subsection shall be adopted by the Board following public hearings held in accordance with Section 62 (c) and (d) of this Compact. The final regulation shall be published in a newspaper of general circulation within the Zone at least 15 days before its effective date. Any person violating any rule or regulation of the Authority shall be subject to arrest and, upon conviction by a court of competent jurisdiction, shall pay a fine of not more than two hundred fifty dollars (\$250) and costs. Criminal violations of any rule or regulation of the Authority shall be prosecuted by the Signatory or political subdivision in which the violation occurred, in the same manner by which violations of law, ordinances, rules and regulations of the Signatory or political subdivisions are prosecuted.

(f) With respect to members of the Metro Transit Police, the Authority shall:

(1) Establish classifications based on the nature and scope of duties, and fix and provide for their qualification, appointment, removal, tenure, term, compensation, pension, and retirement benefits;

(2) Provide for their training and, for this purpose, the Authority may enter into contracts or agreements with any public or private organization engaged in police training, and this training and the qualifications of the uniformed and plain clothes personnel shall at least equal the requirements of each Signatory and of the political subdivisions therein in the Transit Zone for their personnel performing comparable duties; and

(3) Prescribe distinctive uniforms to be worn.

(g) The Authority shall have the power to enter into agreements with the Signatories, the political subdivisions thereof in the Transit Zone, and public safety agencies located therein, including those of the Federal Government, for the delineation of the functions and responsibilities of the Metro Transit Police and the duly constituted police, fire, and other public safety agencies, and for mutual assistance.

(h) Before entering upon the duties of office, each member of the Metro Transit Police shall take or subscribe to an oath or affirmation, before a person authorized to administer oaths, faithfully to perform the duties of that office.

Exemption from Regulation

77. Except as otherwise provided in this Title, any Transit service rendered by Transit facilities owned or controlled by the Authority and the Authority or any corporation, firm or association performing such transit service pursuant to an operating contract with the Authority, shall, in connection with the performance of such service, be exempt from all laws, rules, regulations and orders of the Signatories and of the United States otherwise applicable to such transit service and persons, except that laws, rules, regulations and orders relating to inspection of equipment and facilities, safety and testing shall remain in force and effect; provided, however, that the Board may promulgate regulations for the safety of the public and employees not inconsistent with the applicable laws, rules, regulations or orders of the Signatories and of the United States.

Tax Exemption

78. It is hereby declared that the creation of the Authority and the carrying out of the corporate purposes of the Authority is in all respects for the benefit of the people of the Signatory states and is for a public purpose and that the Authority and the Board will be performing an essential governmental function, including, without limitation, proprietary, governmental and other functions, in the exercise of the powers conferred by this Title. Accordingly, the Authority and the Board shall not be required to pay taxes or assessments upon any of the property acquired by it or under its jurisdiction, control, possession or supervision or upon its activities in the operation and maintenance of any Transit facilities or upon any revenues therefrom and the property and income derived therefrom shall be exempt from all federal, State, District of Columbia, municipal and local taxation. This exemption shall include, without limitation, all motor vehicle license fees, sales taxes and motor fuel taxes.

Reduced Fares

79. The District of Columbia, the Northern Virginia Transportation District, the Washington Suburban Transit District and the component governments thereof, may enter into contracts or agreements with the Authority to make equitable payments for fares lower than those established by the Authority pursuant to the provisions of Article XIII hereof for any specified class or category of riders.

Liability for Contracts and Torts

80. *The Authority shall be liable for its contracts and for its torts and those of its Directors, officers, employees and agents committed in the conduct of any proprietary function, in accordance with the law of the applicable Signatory (including rules on conflict of laws), but shall not be liable for any torts occurring in the performance of a governmental function. The exclusive remedy for such breach of contracts and torts for which the Authority shall be liable, as herein provided, shall be by suit against the Authority. Nothing contained in this Title shall be construed as a waiver by the District of Columbia, Maryland, Virginia and the counties and cities within the Zone of any immunity from suit.*

Jurisdiction of Courts

81. *The United States District Courts shall have original jurisdiction, concurrent with the courts of Maryland, Virginia and the District of Columbia, of all actions brought by or against the Authority and to enforce subpoenas issued under this Title. Any such action initiated in a State or District of Columbia Court shall be removable to the appropriate United States District Court in the manner provided by Act of June 25, 1948, as amended (28 U.S.C. 1446).*

Condemnation

82. (a) *The Authority shall have the power to acquire by condemnation, whenever in its opinion it is necessary or advantageous to the Authority to do so, any real or personal property, or any interest therein, necessary or useful for the transit system authorized herein, except property owned by the United States, by a Signatory, or any political subdivision thereof, whenever such property cannot be acquired by negotiated purchase at a price satisfactory to the Authority.*

(b) *Proceedings for the condemnation of property in the District of Columbia shall be instituted and maintained under the Act of December 23, 1963 (77 Stat. 577-581, D.C. Code 1961, Supp. IV, Sections 1351-1368). Proceedings for the condemnation of property located elsewhere within the Zone shall be instituted and maintained, if applicable, pursuant to the provisions of the Act of August 1, 1888, as amended (25 Stat. 357, 40 U.S.C. 257) and the Act of June 25, 1948 (62 Stat. 935 and 937, 28 U.S.C. 1358 and 1403) or any other applicable act; provided, however, that if there is no applicable federal law, condemnation proceedings shall be in accordance with the provisions of the state law of the Signatory in which the property is located governing condemnation by the highway agency of such state. Whenever the words "real property," "realty," "land," "easement," "right-of-way," or words of similar meaning are used in any applicable federal or state law relating to procedure, jurisdiction and venue, they shall be deemed, for the purposes of this Title, to include any personal property authorized to be acquired hereunder.*

(c) *Any award or compensation for the taking of property pursuant to this Title shall be paid by the Authority, and none of the Signatory parties nor any other agency, instrumentality or political subdivision thereof shall be liable for such award or compensation.*

Enlargement and Withdrawal; Duration

83. (a) *When advised in writing by the Northern Virginia Transportation Commission or the Washington Suburban Transit Commission that the geographical area embraced therein has been enlarged, the Board, upon such terms and conditions as it may deem appropriate, shall by resolution enlarge the Zone to embrace the additional area.*

(b) *The duration of this Title shall be perpetual but any Signatory thereto may withdraw therefrom upon two years' written notice to the Board.*

(c) *The withdrawal of any Signatory shall not relieve such Signatory, any transportation district, county or city or other political subdivision thereof from any obligation to the Authority, or inuring to the benefit of the Authority, created by contract or otherwise.*

Amendments and Supplements

84. *Amendments and supplements to this Title to implement the purposes thereof may be adopted by legislative action of any of the Signatory parties concurred in by all of the others. When one Signatory adopts an amendment or supplement to an existing Section of the Compact, that amendment or supplement shall not be immediately effective, and the previously enacted provision or provisions shall remain in effect in each jurisdiction until the amendment or supplement is approved by the other Signatories and is consented to by Congress.*

Construction and Severability

85. *The provisions of this Title and of the agreements thereunder shall be severable and if any phrase, clause, sentence or provision of this Title or any such agreement is declared to be unconstitutional or the applicability thereof to any Signatory party, political subdivision or agency thereof is held invalid, the constitutionality of the remainder of this Title or any such agreement and the applicability thereof to any other Signatory party, political subdivision or agency thereof or circumstance shall not be affected thereby. It is the legislative intent that the provisions of this Title be reasonably and liberally construed.*

Effective Date; Execution

86. *This Title shall be adopted by the Signatories in the manner provided by law therefor and shall be signed and sealed in four duplicate original copies. One such copy shall be filed with the Secretary of State of each of the Signatory parties or in accordance with laws of the State in which the filing is made, and one copy shall be filed and retained in the archives of the Authority upon its organization. This Title shall become effective ninety days after the enactment of concurring legislation by or on behalf of the District of Columbia, Maryland and Virginia and consent thereto by the Congress and all other acts or actions have been taken, including the signing and execution of the Title by the Governors of Maryland and Virginia and the Mayor and Council of the District of Columbia.*

CHAPTER 32.

METROPOLITAN PLANNING ORGANIZATIONS.

§ 33.2-3200. Metropolitan planning organizations; membership.

Any metropolitan planning organization may vote, upon the prior written authorization of the Governor, to have its membership expanded to include members of the House of Delegates as selected by the Speaker of the House of Delegates and members of the Senate as selected by the Senate Committee on Rules.

§ 33.2-3201. Transportation planning duties and responsibilities of Metropolitan planning organizations.

The metropolitan planning organizations (MPOs) of the Commonwealth shall be responsible for the development of regional long-range transportation plans for the regions they represent in accordance with federal regulation. Each such long-range plan shall include a fiscally constrained list of all multimodal transportation projects, including those managed at the statewide level either by the Department of Transportation or the Department of Rail and Public Transportation. The purpose of the regional long-range transportation plan is to comply with federal regulations and provide the MPOs and the region a source of candidate projects for use by the MPOs in developing regional Transportation Improvement Programs (TIPs) and serving as an input to assist the Commonwealth with the development of the Statewide Transportation Plan (VTrans).

The MPOs shall:

1. Develop amendments for their regional TIPs in accordance with federal regulations;
2. Coordinate planning and programming actions with those of the Commonwealth and duly established public transit agencies in accordance with federal regulations;
3. Examine the structure and cost of transit operations within the regions they represent and incorporate the results of these inquiries into their plans and endorse long-range plans for assuring maximum utilization and integration of mass transportation facilities throughout the Commonwealth; and
4. Conduct a public involvement process focused on projects and topics that will best enable them to develop and approve Long Range Transportation Plans (LRTPs) that shall be submitted for approval by their board and forwarded to the Commonwealth Transportation Board and updated as required by federal regulations.

§ 33.2-3202. Distribution of certain federal funds.

Metropolitan planning organizations (MPOs) as defined under 23 U.S.C. § 134 and § 8 of the Federal Transit Act shall be authorized to issue contracts for studies and to develop and approve transportation plans and improvement programs to the full extent permitted by federal law.

The Commonwealth Transportation Board, the Department of Transportation, and the Department of Rail and Public Transportation shall develop and implement a decision-making process that provides MPOs and regional transportation planning bodies a meaningful opportunity for input into transportation decisions that impact the transportation system within their boundaries. Such a process shall provide the MPOs and regional transportation planning bodies with the Commonwealth Transportation Board's priorities for development of the Six-Year Improvement Program developed pursuant to § 33.2-214 and an opportunity for them to identify their regional priorities for consideration.

2. That whenever any of the conditions, requirements, provisions, or contents of any section or chapter of Chapters 45 (§§ 15.2-4500 through 15.2-4534), 48.2 (§ 15.2-4829 et seq.), 70 (§ 15.2-7000 et seq.), and 71 (§ 15.2-7022 et seq.) of Title 15.2, Title 33.1 (§§ 33.1-1 through 33.1-465), Chapters 18 (§§ 56-529 and 56-530) and 22 (§ 56-556 et seq.) of Title 56, and §§ 58.1-815 and 58.1-815.1 of the Code of Virginia or any other title of the Code of Virginia as such titles existed prior to October 1, 2014, are transferred in the same or modified form to a new section or chapter of Title 33.2 or any other title of the Code of Virginia and whenever any such former section or chapter is given a new number in Title 33.2 or any other title of the Code of Virginia, all references to any such former section or chapter of Chapters 45 (§§ 15.2-4500 through 15.2-4534), 48.2 (§ 15.2-4829 et seq.), 70 (§ 15.2-7000 et seq.), and 71 (§ 15.2-7022 et seq.) of Title 15.2, Title 33.1 (§§ 33.1-1 through 33.1-465), Chapters 18 (§§ 56-529 and 56-530) and 22 (§ 56-556 et seq.) of Title 56, and §§ 58.1-815 and 58.1-815.1 of the Code of Virginia or any other title of the Code of Virginia shall be construed to apply to the new or renumbered section or chapter containing such conditions, requirements, provisions, contents, or portions thereof.

3. That the regulations of any department or agency affected by the revision of Chapters 45 (§§ 15.2-4500 through 15.2-4534), 48.2 (§§ 15.2-4829 through 15.2-4840), 70 (§§ 15.2-7000 through 15.2-7021), and 71 (§§ 15.2-7022 through 15.2-7035) of Title 15.2, Title 33.1 (§§ 33.1-1 through 33.1-465), Chapters 18 (§§ 56-529 and 56-530) and 22 (§§ 56-556 through 56-575) of Title 56, and §§ 58.1-815 and 58.1-815.1 of the Code of Virginia or such other titles in effect on the effective date of this act shall continue in effect to the extent that they are not in conflict with this act and shall be deemed to be regulations adopted under this act.

4. That the provisions of § 30-152 of the Code of Virginia shall apply to the revision of Title 33.1 of the Code of Virginia so as to give effect to other laws enacted by the 2014 Session of the General Assembly, notwithstanding the delay in the effective date of this act.

5. That the repeal of Chapters 45 (§§ 15.2-4500 through 15.2-4534), 48.2 (§§ 15.2-4829 through 15.2-4840), 70 (§§ 15.2-7000 through 15.2-7021), and 71 (§§ 15.2-7022 through 15.2-7035) of Title 15.2, Title 33.1 (§§ 33.1-1 through 33.1-465), Chapters 18 (§§ 56-529 and 56-530) and 22 (§§ 56-556 through 56-575) of Title 56, and §§ 58.1-815 and 58.1-815.1 of the Code of Virginia and Chapter 693 of the Acts of Assembly of 1954, Chapters 462

and 714 of the Acts of Assembly of 1956, Chapter 24 of the Acts of Assembly of 1959, Extra Session, Chapters 228 and 605 of the Acts of Assembly of 1962, Chapter 348 of the Acts of Assembly of 1964, Chapter 203 of the Acts of Assembly of 1990, Chapter 548 of the Acts of Assembly of 1998, Chapters 238 and 705 of the Acts of Assembly of 2000, and Chapters 270 and 297 of the Acts of Assembly of 2005 (expired January 1, 2006), effective as of October 1, 2014, shall not affect any act or offense done or committed, or any penalty incurred, or any right established, accrued, or accruing on or before such date, or any proceeding, prosecution, suit, or action pending on that date. Except as otherwise provided in this act, neither the repeal of Chapters 45 (§§ 15.2-4500 through 15.2-4534), 48.2 (§§ 15.2-4829 through 15.2-4840), 70 (§§ 15.2-7000 through 15.2-7021), and 71 (§§ 15.2-7022 through 15.2-7035) of Title 15.2, Title 33.1 (§§ 33.1-1 through 33.1-465), Chapters 18 (§§ 56-529 and 56-530) and 22 (§§ 56-556 through 56-575) of Title 56, and §§ 58.1-815 and 58.1-815.1 of the Code of Virginia and Chapter 693 of the Acts of Assembly of 1954, Chapters 462 and 714 of the Acts of Assembly of 1956, Chapter 24 of the Acts of Assembly of 1959, Extra Session, Chapters 228 and 605 of the Acts of Assembly of 1962, Chapter 348 of the Acts of Assembly of 1964, Chapter 203 of the Acts of Assembly of 1990, Chapter 548 of the Acts of Assembly of 1998, Chapters 238 and 705 of the Acts of Assembly of 2000, and Chapters 270 and 297 of the Acts of Assembly of 2005 (expired January 1, 2006) nor the enactment of Title 33.2 shall apply to offenses committed prior to October 1, 2014, and prosecution for such offenses shall be governed by the prior law, which is continued in effect for that purpose. For the purpose of this enactment, an offense was committed prior to October 1, 2014, if any of the essential elements of the offense occurred prior thereto.

6. That any notice given, recognizance taken, or process or writ issued before October 1, 2014, shall be valid although given, taken, or to be returned to a day after such date, in like manner as if Title 33.2 had been effective before the same was given, taken, or issued.

7. That if any clause, sentence, paragraph, subdivision, subsection, or section of Title 33.2 shall be adjudged in any court of competent jurisdiction to be invalid, the judgment shall not affect, impair, or invalidate the remainder thereof, but shall be confined in its operation to the clause, sentence, paragraph, subdivision, subsection, or section thereof directly involved in the controversy in which the judgment shall have been rendered, and to this end the provisions of Title 33.2 are declared severable.

8. That references to the State Highway and Transportation Board, the State Highway Commission, or the State Highway and Transportation Commission shall be continued as references to the Commonwealth Transportation Board. Wherever either "Commission" or "Board" is used referring to the State Highway and Transportation Board, the State Highway Commission, or the State Highway and Transportation Commission, it shall mean the Commonwealth Transportation Board.

9. That the repeal of Chapters 45 (§§ 15.2-4500 through 15.2-4534), 48.2 (§§ 15.2-4829 through 15.2-4840), 70 (§§ 15.2-7000 through 15.2-7021), and 71 (§§ 15.2-7022 through 15.2-7035) of Title 15.2, Title 33.1 (§§ 33.1-1 through 33.1-465), Chapters 18 (§§ 56-529 and 56-530) and 22 (§§ 56-556 through 56-575) of Title 56, and §§ 58.1-815 and 58.1-815.1 of the Code of Virginia and Chapter 693 of the Acts of Assembly of 1954, Chapters 462 and 714 of the Acts of Assembly of 1956, Chapter 24 of the Acts of Assembly of 1959, Extra Session, Chapters 228 and 605 of the Acts of Assembly of 1962, Chapter 348 of the Acts of Assembly of 1964, Chapter 203 of the Acts of Assembly of 1990, Chapter 548 of the Acts of Assembly of 1998, Chapters 238 and 705 of the Acts of Assembly of 2000, and Chapters 270 and 297 of the Acts of Assembly of 2005 (expired January 1, 2006), effective as of October 1, 2014, shall not affect the validity, enforceability, or legality of any loan agreement or other contract, or any right established or accrued under such loan agreement or contract, that existed prior to such repeal.

10. That the repeal of Chapters 45 (§§ 15.2-4500 through 15.2-4534), 48.2 (§§ 15.2-4829 through 15.2-4840), 70 (§§ 15.2-7000 through 15.2-7021), and 71 (§§ 15.2-7022 through 15.2-7035) of Title 15.2, Title 33.1 (§§ 33.1-1 through 33.1-465), Chapters 18 (§§ 56-529 and 56-530) and 22 (§§ 56-556 through 56-575) of Title 56, and §§ 58.1-815 and 58.1-815.1 of the Code of Virginia and Chapter 693 of the Acts of Assembly of 1954, Chapters 462 and 714 of the Acts of Assembly of 1956, Chapter 24 of the Acts of Assembly of 1959, Extra Session, Chapters 228 and 605 of the Acts of Assembly of 1962, Chapter 348 of the Acts of Assembly of 1964, Chapter 203 of the Acts of Assembly of 1990, Chapter 548 of the Acts of Assembly of 1998, Chapters 238 and 705 of the Acts of Assembly of 2000, and Chapters 270 and 297 of the Acts of Assembly of 2005 (expired January 1, 2006), effective as of October 1, 2014, shall not affect the validity, enforceability, or legality of any bond or other debt obligation authorized, issued, or outstanding prior to such repeal.

11. That Chapters 45 (§§ 15.2-4500 through 15.2-4534), 48.2 (§§ 15.2-4829 through 15.2-4840), 70 (§§ 15.2-7000 through 15.2-7021), and 71 (§§ 15.2-7022 through 15.2-7035) of Title 15.2, Title 33.1 (§§ 33.1-1 through 33.1-465), Chapters 18 (§§ 56-529 and 56-530) and 22 (§§ 56-556 through 56-575) of Title 56, and §§ 58.1-815 and 58.1-815.1 of the Code of Virginia and Chapter 693 of the Acts of Assembly of 1954, Chapters 462 and 714 of the Acts of Assembly

of 1956, Chapter 24 of the Acts of Assembly of 1959, Extra Session, Chapters 228 and 605 of the Acts of Assembly of 1962, Chapter 348 of the Acts of Assembly of 1964, Chapter 203 of the Acts of Assembly of 1990, Chapter 548 of the Acts of Assembly of 1998, Chapters 238 and 705 of the Acts of Assembly of 2000, and Chapters 270 and 297 of the Acts of Assembly of 2005 (expired January 1, 2006) are repealed.

12. That the provisions of this act shall become effective on October 1, 2014.

13. That the provisions of this act shall not affect the existing terms of persons currently serving as members of any agency, board, authority, commission, or other entity and that appointees currently holding positions shall maintain their terms of appointment and continue to serve until such time as the existing terms might expire or become renewed. However, any new appointments made on or after October 1, 2014, shall be made in accordance with the provisions of this act.

CHAPTER 806

An Act to amend and reenact § 23-38.10:10 of the Code of Virginia, relating to the Two-Year College Transfer Grant Program; eligibility criteria.

[H 133]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 23-38.10:10 of the Code of Virginia is amended and reenacted as follows:

§ 23-38.10:10. Eligibility criteria.

A. Under this program, grants shall be made to or on behalf of eligible Virginia domiciles who (i) have received an associate degree at a Virginia two-year public institution of higher education, (ii) have enrolled in a Virginia four-year public or private institution of higher education by the fall *or spring* following the award of the associate degree, (iii) have applied for financial aid, and (iv) have financial need, defined by an Expected Family Contribution (EFC) of no more than \$8,000 as calculated by the federal government using the family's financial information reported on the Free Application for Federal Student Aid (FAFSA) form. Only students who maintained a cumulative grade point average of at least 3.0 on a scale of 4.0 or its equivalent while enrolled in an associate degree program at a Virginia two-year public institution of higher education shall be eligible to receive a grant under this chapter.

B. Eligibility for a higher education grant under this program shall be limited to three academic years or 70 credit hours and shall be used only for undergraduate collegiate work in educational programs other than those providing religious training or theological education. To remain eligible for a grant under this program, a student must continue to demonstrate financial need, as defined in this section, maintain a 3.0 on a scale of 4.0 or its equivalent, and make satisfactory academic progress towards a degree.

C. Individuals who have failed to meet the federal requirement to register for the Selective Service shall not be eligible to receive grants pursuant to this chapter. However, a person who has failed to register for the Selective Service shall not be denied a right, privilege, or benefit under this section if (i) the requirement to so register has terminated or become inapplicable to the person and (ii) the person shows by a preponderance of the evidence that the failure to register was not a knowing and willful failure to register.

CHAPTER 807

An Act to amend and reenact § 30-19.03 of the Code of Virginia, relating to legislation affecting local government expenditures or revenues.

[H 199]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 30-19.03 of the Code of Virginia is amended and reenacted as follows:

§ 30-19.03. Estimates to be prepared for legislation affecting local government expenditures and revenues.

Whenever any *legislative* bill requiring a net additional expenditure by any county, city, or town, or whenever any *legislative* bill requiring a net reduction of revenues by any county, city, or town, is filed during any session of the General Assembly, the Commission on Local Government shall investigate and prepare an estimate setting forth, to the extent practicable, the additional expenditures or reduction of revenues, if any, to be required of the affected localities in event of enactment of such legislation.

A bill shall be deemed to require an expenditure if it has the effect of requiring any county, city, or town to (i) perform or administer a new or expanded program or service, (ii) maintain an existing program or service at a specified level of spending or delivery, (iii) assume or incur administrative costs in support of a state or state-related program, or (iv) furnish capital facilities for state or state-related activities.

For purposes of this section, "net additional expenditure" means the cost anticipated to be incurred annually, less any revenues receivable on account of the program or service from fees charged recipients of the program or service, state or federal aid paid specifically and categorically in connection with the program or service, new or increased local sources of revenue authorized and designated specifically to offset the cost of the program or service, and any offsetting savings resulting from the reduction or elimination of any program or service directly attributable to the performance of the required program or service.

A bill shall be deemed to require a net reduction of revenues if it has the effect of requiring any county, city, or town to (i) relinquish an existing or potential source of local revenue by classification or exclusion or (ii) diminish an existing or potential source of revenue by classification or exclusion.

For the purposes of this section, "net reduction of revenues" means the reduction anticipated in local revenues, including, but not limited to, general levies, special levies, revenues received pursuant to §§ 58.1-605 and 58.1-606 and administrative and user fees, to be incurred annually, less any new local revenues receivable and any offsetting savings resulting from the reduction of local revenues, caused by the classification or exclusion being proposed.

The provisions of this section shall not apply to a reduction in local revenues that is required or arises from a court order or judgment, nor to a revenue reduction that is adopted at the option of any county, city, or town under a law that is permissive rather than mandatory, nor to a revenue reduction that is the result of a measure providing tax relief on a statewide basis.

The Division of Legislative Services shall examine all bills *and joint resolutions* filed during any legislative session for the purpose of identifying and forwarding to the Commission on Local Government those bills requiring the preparation of fiscal estimates pursuant to this section *and those joint resolutions calling for a study of local government revenues or expenditures*.

The Department of Planning and Budget and the Department of Taxation are authorized to submit legislative bills to the Commission on Local Government to prepare local fiscal estimates.

As soon thereafter as may be practicable, the Commission on Local Government shall forward copies of such estimates to the Clerk of the House of Delegates for transmittal to each patron of the legislation and to the chairman of each committee of the General Assembly to consider the same.

All departments, agencies of government, the Division of Legislative Services, and all local governmental units of the Commonwealth are directed to make available such information and assistance as the Commission on Local Government may request in preparing the estimates required by this section.

CHAPTER 808

An Act to amend and reenact §§ 2.2-3705.7 and 17.1-100 of the Code of Virginia, relating to the judicial performance evaluation program.

[H 272]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.2-3705.7 and 17.1-100 of the Code of Virginia are amended and reenacted as follows:

§ 2.2-3705.7. Exclusions to application of chapter; records of specific public bodies and certain other limited exemptions.

The following records are excluded from the provisions of this chapter but may be disclosed by the custodian in his discretion, except where such disclosure is prohibited by law:

1. State income, business, and estate tax returns, personal property tax returns, scholastic and confidential records held pursuant to § 58.1-3.

2. Working papers and correspondence of the Office of the Governor; Lieutenant Governor; the Attorney General; the members of the General Assembly, the Division of Legislative Services, or the Clerks of the House of Delegates and the Senate of Virginia; the mayor or chief executive officer of any political subdivision of the Commonwealth; or the president or other chief executive officer of any public institution of higher education in Virginia. However, no record, which is otherwise open to inspection under this chapter, shall be deemed exempt by virtue of the fact that it has been attached to or incorporated within any working paper or correspondence.

As used in this subdivision:

"Members of the General Assembly" means each member of the Senate of Virginia and the House of Delegates and their legislative aides when working on behalf of such member.

"Office of the Governor" means the Governor; his chief of staff, counsel, director of policy, Cabinet Secretaries, and the Assistant to the Governor for Intergovernmental Affairs; and those individuals to whom the Governor has delegated his authority pursuant to § 2.2-104.

"Working papers" means those records prepared by or for an above-named public official for his personal or deliberative use.

3. Library records that can be used to identify both (i) any library patron who has borrowed material from a library and (ii) the material such patron borrowed.

4. Contract cost estimates prepared for the confidential use of the Department of Transportation in awarding contracts for construction or the purchase of goods or services, and records and automated systems prepared for the Department's Bid Analysis and Monitoring Program.

5. Lists of registered owners of bonds issued by a political subdivision of the Commonwealth, whether the lists are maintained by the political subdivision itself or by a single fiduciary designated by the political subdivision.

6. Records and writings furnished by a member of the General Assembly to a meeting of a standing committee, special committee or subcommittee of his house established solely for the purpose of reviewing members' annual disclosure statements and supporting materials filed under § 30-110 or of formulating advisory opinions to members on standards of conduct, or both.

7. Customer account information of a public utility affiliated with a political subdivision of the Commonwealth, including the customer's name and service address, but excluding the amount of utility service provided and the amount of money paid for such utility service.

8. Personal information, as defined in § 2.2-3801, (i) filed with the Virginia Housing Development Authority concerning individuals who have applied for or received loans or other housing assistance or who have applied for occupancy of or have occupied housing financed, owned or otherwise assisted by the Virginia Housing Development Authority; (ii) concerning persons participating in or persons on the waiting list for federally funded rent-assistance programs; (iii) filed with any local redevelopment and housing authority created pursuant to § 36-4 concerning persons participating in or persons on the waiting list for housing assistance programs funded by local governments or by any such authority; or (iv) filed with any local redevelopment and housing authority created pursuant to § 36-4 or any other local government agency concerning persons who have applied for occupancy or who have occupied affordable dwelling units established pursuant to § 15.2-2304 or 15.2-2305. However, access to one's own information shall not be denied.

9. Records regarding the siting of hazardous waste facilities, except as provided in § 10.1-1441, if disclosure of them would have a detrimental effect upon the negotiating position of a governing body or on the establishment of the terms, conditions and provisions of the siting agreement.

10. Records containing information on the site specific location of rare, threatened, endangered or otherwise imperiled plant and animal species, natural communities, caves, and significant historic and archaeological sites if, in the opinion of the public body that has the responsibility for such information, disclosure of the information would jeopardize the continued existence or the integrity of the resource. This exemption shall not apply to requests from the owner of the land upon which the resource is located.

11. Records, memoranda, working papers, graphics, video or audio tapes, production models, data and information of a proprietary nature produced by or for or collected by or for the State Lottery Department relating to matters of a specific lottery game design, development, production, operation, ticket price, prize structure, manner of selecting the winning ticket, manner of payment of prizes to holders of winning tickets, frequency of drawings or selections of winning tickets, odds of winning, advertising, or marketing, where such official records have not been publicly released, published, copyrighted or patented. Whether released, published or copyrighted, all game-related information shall be subject to public disclosure under this chapter upon the first day of sales for the specific lottery game to which it pertains.

12. Records of the Virginia Retirement System, acting pursuant to § 51.1-124.30, or of a local retirement system, acting pursuant to § 51.1-803, or of the Rector and Visitors of the University of Virginia, acting pursuant to § 23-76.1, or of the Virginia College Savings Plan, acting pursuant to § 23-38.77, relating to the acquisition, holding or disposition of a security or other ownership interest in an entity, where such security or ownership interest is not traded on a governmentally regulated securities exchange, to the extent that: (i) such records contain confidential analyses prepared for the Rector and Visitors of the University of Virginia, prepared by the retirement system or the Virginia College Savings Plan, or provided to the retirement system or the Virginia College Savings Plan under a promise of confidentiality, of the future value of such ownership interest or the future financial performance of the entity; and (ii) disclosure of such confidential analyses would have an adverse effect on the value of the investment to be acquired, held or disposed of by the retirement system, the Rector and Visitors of the University of Virginia, or the Virginia College Savings Plan. Nothing in this subdivision shall be construed to prevent the disclosure of records relating to the identity of any investment held, the amount invested, or the present value of such investment.

13. Names and addresses of subscribers to Virginia Wildlife magazine, published by the Department of Game and Inland Fisheries, provided the individual subscriber has requested in writing that the Department not release such information.

14. Financial, medical, rehabilitative and other personal information concerning applicants for or recipients of loan funds submitted to or maintained by the Assistive Technology Loan Fund Authority under Chapter 11 (§ 51.5-53 et seq.) of Title 51.5.

15. Records of the Virginia Commonwealth University Health System Authority pertaining to any of the following: an individual's qualifications for or continued membership on its medical or teaching staffs; proprietary information gathered by or in the possession of the Authority from third parties pursuant to a promise of confidentiality; contract cost estimates prepared for confidential use in awarding contracts for construction or the purchase of goods or services; data, records or information of a proprietary nature produced or collected by or for the Authority or members of its medical or teaching staffs; financial statements not publicly available that may be filed with the Authority from third parties; the identity, accounts or account status of any customer of the Authority; consulting or other reports paid for by the Authority to assist

the Authority in connection with its strategic planning and goals; the determination of marketing and operational strategies where disclosure of such strategies would be harmful to the competitive position of the Authority; and data, records or information of a proprietary nature produced or collected by or for employees of the Authority, other than the Authority's financial or administrative records, in the conduct of or as a result of study or research on medical, scientific, technical or scholarly issues, whether sponsored by the Authority alone or in conjunction with a governmental body or a private concern, when such data, records or information have not been publicly released, published, copyrighted or patented.

16. Records of the Department of Environmental Quality, the State Water Control Board, State Air Pollution Control Board or the Virginia Waste Management Board relating to (i) active federal environmental enforcement actions that are considered confidential under federal law and (ii) enforcement strategies, including proposed sanctions for enforcement actions. Upon request, such records shall be disclosed after a proposed sanction resulting from the investigation has been proposed to the director of the agency. This subdivision shall not be construed to prohibit the disclosure of records related to inspection reports, notices of violation, and documents detailing the nature of any environmental contamination that may have occurred or similar documents.

17. As it pertains to any person, records related to the operation of toll facilities that identify an individual, vehicle, or travel itinerary including, but not limited to, vehicle identification data, vehicle enforcement system information; video or photographic images; Social Security or other identification numbers appearing on driver's licenses; credit card or bank account data; home addresses; phone numbers; or records of the date or time of toll facility use.

18. Records of the State Lottery Department pertaining to (i) the social security number, tax identification number, state sales tax number, home address and telephone number, personal and lottery banking account and transit numbers of a retailer, and financial information regarding the nonlottery operations of specific retail locations; and (ii) individual lottery winners, except that a winner's name, hometown, and amount won shall be disclosed.

19. Records of the Board for Branch Pilots relating to the chemical or drug testing of a person regulated by the Board, where such person has tested negative or has not been the subject of a disciplinary action by the Board for a positive test result.

20. Records, investigative notes, correspondence, and information pertaining to the planning, scheduling and performance of examinations of holder records pursuant to the Uniform Disposition of Unclaimed Property Act (§ 55-210.1 et seq.) prepared by or for the State Treasurer, his agents, employees or persons employed to perform an audit or examination of holder records.

21. Records of the Virginia Department of Emergency Management or a local governing body relating to citizen emergency response teams established pursuant to an ordinance of a local governing body, to the extent that such records reveal the name, address, including e-mail address, telephone or pager numbers, or operating schedule of an individual participant in the program.

22. Records of state or local park and recreation departments and local and regional park authorities to the extent such records contain information identifying a person under the age of 18 years. However, nothing in this subdivision shall operate to prohibit the disclosure of information defined as directory information under regulations implementing the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g, unless the public body has undertaken the parental notification and opt-out requirements provided by such regulations. Access shall not be denied to the parent, including a noncustodial parent, or guardian of such person, unless the parent's parental rights have been terminated or a court of competent jurisdiction has restricted or denied such access. For records of such persons who are emancipated, the right of access may be asserted by the subject thereof. Any parent or emancipated person who is the subject of the record may waive, in writing, the protections afforded by this subdivision. If the protections are so waived, the public body shall open such records for inspection and copying.

23. Records submitted for inclusion in the Statewide Alert Network administered by the Department of Emergency Management, to the extent that they reveal names, physical addresses, email addresses, computer or internet protocol information, telephone numbers, pager numbers, other wireless or portable communications device information, or operating schedules of individuals or agencies, where the release of such information would compromise the security of the Statewide Alert Network or individuals participating in the Statewide Alert Network.

24. Records of the Judicial Inquiry and Review Commission made confidential by § 17.1-913.

25. Records of the Virginia Retirement System acting pursuant to § 51.1-124.30, of a local retirement system acting pursuant to § 51.1-803 (hereinafter collectively referred to as the retirement system), or of the Virginia College Savings Plan, acting pursuant to § 23-38.77 relating to:

a. Internal deliberations of or decisions by the retirement system or the Virginia College Savings Plan on the pursuit of particular investment strategies, or the selection or termination of investment managers, prior to the execution of such investment strategies or the selection or termination of such managers, to the extent that disclosure of such records would have an adverse impact on the financial interest of the retirement system or the Virginia College Savings Plan; and

b. Trade secrets, as defined in the Uniform Trade Secrets Act (§ 59.1-336 et seq.), provided by a private entity to the retirement system or the Virginia College Savings Plan, to the extent disclosure of such records would have an adverse impact on the financial interest of the retirement system or the Virginia College Savings Plan.

For the records specified in subdivision b to be excluded from the provisions of this chapter, the entity shall make a written request to the retirement system or the Virginia College Savings Plan:

(1) Invoking such exclusion prior to or upon submission of the data or other materials for which protection from disclosure is sought;

(2) Identifying with specificity the data or other materials for which protection is sought; and

(3) Stating the reasons why protection is necessary.

The retirement system or the Virginia College Savings Plan shall determine whether the requested exclusion from disclosure meets the requirements set forth in subdivision b.

Nothing in this subdivision shall be construed to authorize the withholding of the identity or amount of any investment held or the present value and performance of all asset classes and subclasses.

26. Records of the Department of Corrections made confidential by § 53.1-233.

27. Records maintained by the Department of the Treasury or participants in the Local Government Investment Pool (§ 2.2-4600 et seq.), to the extent such records relate to information required to be provided by such participants to the Department to establish accounts in accordance with § 2.2-4602.

28. Personal information, as defined in § 2.2-3801, contained in the Veterans Care Center Resident Trust Funds concerning residents or patients of the Department of Veterans Services Care Centers, except that access shall not be denied to the person who is the subject of the record.

29. Records maintained in connection with fundraising activities by the Veterans Services Foundation pursuant to § 2.2-2716 to the extent that such records reveal the address, electronic mail address, facsimile or telephone number, social security number or other identification number appearing on a driver's license, or credit card or bank account data of identifiable donors, except that access shall not be denied to the person who is the subject of the record. Nothing in this subdivision, however, shall be construed to authorize the withholding of records relating to the amount, date, purpose, and terms of the pledge or donation or the identity of the donor. The exclusion provided by this subdivision shall not apply to protect from disclosure (i) the identities of sponsors providing grants to or contracting with the foundation for the performance of services or other work or (ii) the terms and conditions of such grants or contracts.

30. Names, physical addresses, telephone numbers, and email addresses contained in correspondence between an individual and a member of the governing body, school board, or other public body of the locality in which the individual is a resident, unless the correspondence relates to the transaction of public business. However, no record that is otherwise open to inspection under this chapter shall be deemed exempt by virtue of the fact that it has been attached to or incorporated within any such correspondence.

31. Records of the Commonwealth's Attorneys' Services Council, to the extent such records are prepared for and utilized by the Commonwealth's Attorneys' Services Council in the training of state prosecutors or law-enforcement personnel, where such records are not otherwise available to the public and the release of such records would reveal confidential strategies, methods or procedures to be employed in law-enforcement activities, or materials created for the investigation and prosecution of a criminal case.

32. Records provided to the Department of Aviation by other entities of the Commonwealth in connection with the operation of aircraft, where the records would not be subject to disclosure by the entity providing the records. The entity providing the records to the Department of Aviation shall identify the specific portion of the records to be protected and the applicable provision of this chapter that exempts the record or portions thereof from mandatory disclosure.

33. *Records created or maintained by or on the behalf of the judicial performance evaluation program related to an evaluation of any individual justice or judge made confidential by § 17.1-100.*

§ 17.1-100. Judicial performance evaluation program.

A. The Supreme Court, by rule, shall establish and maintain a judicial performance evaluation program that will provide a self-improvement mechanism for judges and a source of information for the reelection process. By ~~September~~ *December* 1 of each year, the Supreme Court, or its designee, shall transmit a report of the evaluation in the final year of the term of each justice and judge whose term expires during the next session of the General Assembly to the Chairmen of the House and Senate Committees for Courts of Justice.

B. The reporting requirement of this section shall become effective when funds are appropriated for this program and *shall apply to the first evaluation of any justice or judge is evaluated who has had at least one interim evaluation conducted during his term. For any judge or justice elected or reelected on or after January 1, 2014, an interim evaluation of each individual justice or judge shall be completed during his term. Such interim evaluation shall be commenced by the judicial performance evaluation program no later than the midpoint of his term.*

C. *All records created or maintained by or on behalf of the judicial performance evaluation program related to an evaluation of any individual justice or judge are confidential and shall not be disclosed, except that any report provided to the General Assembly pursuant to this section shall be a public record that is open to inspection.*

2. That any evaluation of a justice or judge previously conducted by the judicial performance evaluation program in the court to which the judge or justice is currently elected shall satisfy the requirements for an interim evaluation under subsection B of § 17.1-100 of the Code of Virginia as amended by this act.

3. That the first set of evaluation reports required by this act to be transmitted to the General Assembly shall be submitted to the Chairmen of the House and Senate Committees for Courts of Justice by December 1, 2014.

CHAPTER 809

An Act to amend and reenact § 2.2-2682 of the Code of Virginia, relating to the Joint Leadership Council of Veterans Service Organizations; powers and duties.

[H 354]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 2.2-2682 of the Code of Virginia is amended and reenacted as follows:

§ 2.2-2682. Powers and duties.

A. The Council shall have the following powers and duties:

1. Advise the Department of Veterans Services *and the General Assembly* regarding (i) methods of providing support for ongoing veterans services and programs, and (ii) addressing veterans issues on an ongoing basis;

2. Recommend issues that may potentially impact veterans of the armed forces of the United States and their eligible spouses, orphans, and dependents;

3. Advise the Department of Veterans Services and the Board of Veterans Services on matters of concern to Virginia-domiciled veterans and their eligible spouses, orphans, and dependents;

4. Promote and support existing veterans services and programs;

5. Recommend and promote implementation of new efficient and effective administrative initiatives that enhance existing veterans services and programs or provide for necessary veterans services and programs not currently provided; and

6. Maintain a nonpartisan approach to maintaining and improving veterans services and programs in the Commonwealth.

B. The chairman shall report to the Commissioner and the Board of Veterans Services the results of its meetings and submit an annual report on or before November 30 of each year.

C. The Council may apply for funds from the Veterans Services Foundation to enable it to better carry out its objectives. The Council shall not impose unreasonable burdens or costs in connection with requests of agencies.

CHAPTER 810

An Act to amend the Code of Virginia by adding in Title 59.1 a chapter numbered 18.1, consisting of sections numbered 59.1-215.1 through 59.1-215.4, relating to bad faith assertions of patent infringement; penalties.

[H 375]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding in Title 59.1 a chapter numbered 18.1, consisting of sections numbered 59.1-215.1 through 59.1-215.4, as follows:

CHAPTER 18.1.

BAD FAITH ASSERTIONS OF PATENT INFRINGEMENT.

§ 59.1-215.1. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Assertion of patent infringement" means (i) sending or delivering a demand letter to a target; (ii) threatening a target with litigation asserting, alleging, or claiming that the target has engaged in patent infringement; (iii) sending or delivering a demand letter to the customers of a target; or (iv) otherwise making claims or allegations, other than those made in litigation against a target, that a target has engaged in patent infringement or that a target should obtain a license to a patent in order to avoid litigation.

"Demand letter" means a letter, email, or other communication asserting, alleging, or claiming that the target has engaged in patent infringement, or that a target should obtain a license to a patent in order to avoid litigation, or any similar assertion.

"Patent infringement" means any conduct that constitutes infringement pursuant to applicable law, including 35 U.S.C. § 271, as amended.

"Target" means a person residing in, conducting substantial business in, or having its principal place of business in the Commonwealth and with respect to whom an assertion of patent infringement is made.

§ 59.1-215.2. Bad faith assertions of patent infringement.

A. A person shall not make, in bad faith, an assertion of patent infringement.

B. The following shall constitute indicia that a person's assertion of patent infringement was made in bad faith:

1. The demand letter does not contain:

a. The number of the patent that is asserted, alleged, or claimed to have been infringed; or

b. The name and address of the patent's owner or owners and assignee or assignees, if any.

2. The person sends a demand letter to a target without first making a reasonable effort under the circumstances to conduct an analysis comparing the claims in the patent to the target's products, services, and technology, or to identify specific areas in which the products, services, or technology are covered by the claims in the patent.

3. The demand letter does not identify specific areas in which the products, services, and technology are covered by the claims in the patent.

4. The person offers to license the patent for an amount that is not based on a reasonable estimation of the value of a license to the patent.

5. The person making an assertion of patent infringement acts in subjective bad faith, or a reasonable actor in the person's position would know or reasonably should know that such assertion is baseless.

6. The assertion of patent infringement is deceptive, or the person threatens legal action that cannot legally be taken or that is not intended to be taken.

7. The person or its subsidiaries or affiliates have previously filed or threatened to file one or more lawsuits based on the same or similar assertion of patent infringement, the person attempted to enforce the assertion of patent infringement in litigation, and a court found the assertion to be objectively baseless or imposed sanctions for the assertion.

8. The patent alleged to be infringed was not in force at the time the allegedly infringing conduct occurred, or the patent claims alleged to be infringed have previously been held to be invalid.

C. The following shall constitute indicia that a person's assertion of patent infringement was not made in bad faith, but the absence of such indicia shall not constitute evidence of bad faith:

1. The person engages in a reasonable effort under the circumstances to establish that the target has infringed the patent and to negotiate an appropriate remedy.

2. The person makes a substantial investment in the use of the patent or in the development, production, or sale of a product or item covered by the patent.

3. The person has:

a. Demonstrated good faith in previous efforts to enforce the patent or a substantially similar patent; or

b. Successfully enforced the patent, or a substantially similar patent, through litigation.

4. The person is an institution of higher education or a technology transfer office organization owned by or affiliated with an institution of higher education.

D. The lists of indicia in this section are non-exclusive, and all indicia need not be present for a finding of bad faith or good faith.

§ 59.1-215.3. Enforcement; remedies; civil investigative demands; assurances of voluntary compliance; restraining prohibited acts.

A. Whenever the Attorney General has reasonable cause to believe that any person has engaged in, or is engaging in, or is about to engage in, any violation of this chapter, the Attorney General is empowered to issue a civil investigative demand. The provisions of § 59.1-9.10 shall apply mutatis mutandis to civil investigative demands issued pursuant to this section.

B. The Attorney General or any attorney for the Commonwealth may accept an assurance of voluntary compliance with this chapter from any person subject to the provisions of this chapter. Any such assurance shall be in writing and be filed with and be subject on petition to the approval of the appropriate circuit court. Such assurance of voluntary compliance shall not be considered an admission of guilt or a violation for any purpose. Such assurance of voluntary compliance may at any time be reopened by the Attorney General or the attorney for the Commonwealth for additional orders or decrees to enforce the assurance of voluntary compliance. When an assurance is presented to the circuit court for approval, the Attorney General or the attorney for the Commonwealth shall file, in the form of a complaint, the allegations that form the basis for the entry of the assurance. The assurance may provide by its terms for any relief that an appropriate circuit court could grant, including but not limited to arbitration of disputes between a person subject to the provisions of this chapter and any targets, investigative expenses, civil penalties, and costs, provided, however, that nothing in this chapter shall be construed to authorize or require the Commonwealth, the Attorney General, or any attorney for the Commonwealth to participate in arbitration of violations under this section.

C. Notwithstanding any other provisions of law to the contrary, the Attorney General or any attorney for the Commonwealth may cause an action to be brought in the appropriate circuit court in the name of the Commonwealth to enjoin any violation of this chapter. The circuit court having jurisdiction may enjoin such violations notwithstanding the existence of an adequate remedy at law. In any action under this section, it shall not be necessary that damages be proved. Unless the Attorney General or the attorney for the Commonwealth determines that a person subject to the provisions of this chapter intends to depart from the Commonwealth or to remove his property from the Commonwealth, or to conceal himself or his property within the Commonwealth, or on a reasonable determination that irreparable harm may occur if immediate action is not taken, the Attorney General or the attorney for the Commonwealth shall, before initiating any legal proceedings as provided in this section, give notice in writing that such proceedings are contemplated and allow such person a reasonable opportunity to show that a violation did not occur or execute an assurance of voluntary compliance as provided in subsection B. The circuit courts are authorized to issue temporary or permanent injunctions to restrain and prevent violations of this chapter. The circuit court also may award to the Commonwealth a civil penalty of not more than \$2,500 for each violation, reasonable expenses incurred in investigating and preparing the case, and attorneys' fees.

D. Any person outside the Commonwealth asserting patent infringement to a target shall be deemed to be transacting business within the Commonwealth within the meaning of subdivision A 1 of § 8.01-328.1 and shall thereby be subject to the jurisdiction of the courts of the Commonwealth.

E. The enforcement provisions of this section shall be exercised solely by the Attorney General or an attorney for the Commonwealth. Nothing in this chapter shall create a private cause of action in favor of any person aggrieved by a violation of this chapter.

F. Nothing in this chapter authorizes the courts of the Commonwealth, the Attorney General, or any attorney for the Commonwealth to exercise jurisdiction over a claim for relief arising under an Act of Congress relating to patents.

§ 59.1-215.4. Exemptions.

A demand letter or assertion of patent infringement that includes a claim for relief arising under 35 U.S.C. § 271(e)(2) or 42 U.S.C. § 262 shall not be subject to the provisions of this chapter.

CHAPTER 811

An Act to amend and reenact § 33.1-95.2 of the Code of Virginia, relating to billboard signs.

[H 377]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That § 33.1-95.2 of the Code of Virginia is amended and reenacted as follows:

§ 33.1-95.2. Adjustment or relocation of certain billboard signs.

A. Notwithstanding any other provision of law, general or special, whenever land is acquired due to the widening, construction, or reconstruction of any highway as defined in § 33.1-351 by purchase or by use of the power of eminent domain by any condemnor and upon such land is situated a lawfully erected billboard sign as defined in § 33.1-351 or whenever a lawfully erected billboard sign as defined in § 33.1-351 is situated adjacent to such a highway and is affected by the construction of a sound wall, such billboard sign may be relocated as provided in this section.

B. If a billboard sign meets all requirements under the provision of this title, *the size, lighting, and spacing requirements of a locality that is certified in accordance with 23 C.F.R. § 750.706 and the federal-state agreement, if applicable,* and § 4.1-113.1 in the case of outdoor alcoholic beverage advertising, but is considered nonconforming solely due to a local ordinance, the owner of the billboard sign, at his sole cost and expense, shall have the option to relocate such billboard sign to another location as close as practicable on the same property, adjusting the height or angle of the billboard sign to a height or angle that restores the visibility of the billboard sign to the same or comparable visibility as before the taking or before construction of the sound wall, provided the new location also meets all the requirements of this title and regulations adopted pursuant thereto. *The billboard sign may remain in its original location, provided the owner of the billboard sign pays monthly rent to the Commissioner of Highways or other condemnor equivalent to the monthly rent received by the property owner for the billboard prior to acquisition, and until such time as the Commissioner or other condemnor gives notice to the owner of such billboard sign that the billboard sign must be removed. The notice of removal shall be provided at least 45 days prior to the required removal date, which shall be the earlier of the certification date for a highway project advertisement for construction bids or the date that utility relocations are scheduled to commence.*

C. Nothing in this section shall authorize the owner of such billboard sign to increase the size of the sign face, and a relocated billboard sign shall continue to be nonconforming in its new location unless the relocated billboard sign becomes conforming in its new location under the local ordinance. The provisions of § 33.1-370.2 shall apply to any relocation.

CHAPTER 812

An Act to amend and reenact §§ 16.1-69.6:1 and 17.1-507 of the Code of Virginia, relating to number of judges.

[H 606]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 16.1-69.6:1 and 17.1-507 of the Code of Virginia are amended and reenacted as follows:

§ 16.1-69.6:1. Maximum number of judges.

For the several judicial districts there shall be full-time general district court judges and juvenile and domestic relations district court judges, the *maximum* number as hereinafter set forth, who shall during their service reside within their respective districts, except as provided in § 16.1-69.16, and whose compensation and powers shall be the same as now and hereafter prescribed for general district court judges and juvenile and domestic relations district court judges.

The *maximum* number of judges of the districts shall be as follows:

	General District Court	Juvenile and Domestic Relations District
	Judges	Court Judges
First	4	3 4

Second	7	7
Two-A	1	1
Third	3 2	3
Fourth	6	5
Fifth	3 2	2
Sixth	4	2
Seventh	4	4
Eighth	3	3
Ninth	3	3 4
Tenth	3	3 4
Eleventh	2 3	2 3
Twelfth	4 5	5 6
Thirteenth	8 6	5 4
Fourteenth	4 5	5
Fifteenth	6 8	7 10
Sixteenth	4	4 6
Seventeenth	4 3	2
Eighteenth	2	2
Nineteenth	11	8 7
Twentieth	4	3
Twenty-first	2 1	2
Twenty-second	2	3 4
Twenty-third	5 4	4 5
Twenty-fourth	4 3	5 6
Twenty-fifth	5 3	4 5

The general district court judges of the twenty-fifth district shall render assistance on a regular basis to the general district court judges of the twenty-sixth district by appropriate designation.

Twenty-sixth	4 5	5 7
Twenty-seventh	5	4 5
Twenty-eighth	2	2 3
Twenty-ninth	3 2	2 3
Thirtieth	2	2
Thirty-first	4 5	5

The election or appointment of any district judge shall be subject to the provisions of § 16.1-69.9:3.

§ 17.1-507. Maximum number of judges; residence requirement; compensation; powers; etc.

A. For the several judicial circuits there shall be judges, the *maximum* number as hereinafter set forth, who shall during their service reside within their respective circuits and whose compensation and powers shall be the same as now and hereafter prescribed for circuit judges.

The *maximum* number of judges of the circuits shall be as follows:

- First - 5
- Second - ~~4~~ 9
- Third - ~~5~~ 4
- Fourth - ~~9~~ 8
- Fifth - 3
- Sixth - ~~2~~ 3
- Seventh - ~~5~~ 6
- Eighth - ~~4~~ 3
- Ninth - 4
- Tenth - ~~3~~ 4
- Eleventh - 3
- Twelfth - ~~5~~ 6
- Thirteenth - 8
- Fourteenth - 5
- Fifteenth - ~~9~~ 11
- Sixteenth - ~~5~~ 6
- Seventeenth - ~~4~~ 3
- Eighteenth - ~~3~~ 4
- Nineteenth - 15
- Twentieth - 4 5
- Twenty-first - ~~3~~ 2

Twenty-second - 4 5

Twenty-third - 6 5

Twenty-fourth - 5

Twenty-fifth - 4 5

Twenty-sixth - 5 8

Twenty-seventh - 5 7

Twenty-eighth - 3 4

Twenty-ninth - 4 5

Thirtieth - 3 4

Thirty-first - 5 6

B. No additional circuit court judge shall be authorized or provided for any judicial circuit until the Judicial Council has made a study of the need for such additional circuit court judge and has reported its findings and recommendations to the Courts of Justice Committees of the House of Delegates and Senate. The boundary of any judicial circuit shall not be changed until a study has been made by the Judicial Council and a report of its findings and recommendations made to said Committees.

C. If the Judicial Council finds the need for an additional circuit court judge after a study is made pursuant to subsection B, the study shall be made available to the Compensation Board and the Courts of Justice Committees of the House of Delegates and Senate and Council shall publish notice of such finding in a publication of general circulation among attorneys licensed to practice in the Commonwealth. The Compensation Board shall make a study of the need to provide additional courtroom security and deputy court clerk staffing. This study shall be reported to the Courts of Justice Committees of the House of Delegates and the Senate, and to the Department of Planning and Budget.

2. That the provisions of this act reducing the number of authorized judgeships in the Twenty-first Judicial Circuit shall become effective upon the death, resignation, or retirement on or after January 1, 2014, of any judge of that court.

3. That the provisions of this act reducing the number of authorized judgeships in the General District Court of the Third Judicial District shall become effective upon the death, resignation, or retirement on or after January 1, 2014, of any judge of that court.

4. That the provisions of this act reducing the number of authorized judgeships in the General District Court of the Fifth Judicial District shall become effective upon the death, resignation, or retirement on or after January 1, 2014, of any judge of that court.

5. That the provisions of this act reducing the number of authorized judgeships in the General District Court of the Thirteenth Judicial District shall become effective upon the death, resignation, or retirement on or after January 1, 2014, of any judge of that court; except that the number of authorized judgeships in the General District Court of the Thirteenth Judicial District shall be reduced to seven on the effective date of this act.

6. That the provisions of this act reducing the number of authorized judgeships in the General District Court of the Twenty-fifth Judicial District shall become effective upon the death, resignation, or retirement on or after January 1, 2014, of any judge of that court; except that the number of authorized judgeships in the General District Court of the Twenty-fifth Judicial District shall be reduced to four on the effective date of this act.

7. That the provisions of this act reducing the number of authorized judgeships in the Juvenile and Domestic Relations District Court of the Thirteenth Judicial District shall become effective upon the death, resignation, or retirement on or after January 1, 2014, of any judge of that court.

8. That the provisions of this act reducing the number of authorized judgeships in the Juvenile and Domestic Relations District Court of the Nineteenth Judicial District shall become effective upon the death, resignation, or retirement on or after January 1, 2014, of any judge of that court.

9. That in order to follow up on the implementation of the Virginia Judicial Workload Assessment Report, dated November 15, 2013, by the National Center for State Courts and in order to assess more accurately the added weight to be given in cases requiring the use of interpreters in Circuit, General District and Juvenile and Domestic Relations Courts in the Commonwealth, the Virginia Supreme Court shall gather empirical data on the reliance of interpreters and make recommendations to the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2015.

10. That the Chief Justice shall utilize her authority to designate any judge serving in any circuit or district where the number of authorized judgeships is reduced under this act after July 1, 2014, to provide judicial assistance to any circuit or district court, as appropriate.

CHAPTER 813

An Act to amend and reenact §§ 55-248.2, 55-248.31, 55-248.34:1, and 55-248.38:3 of the Code of Virginia, relating to the Virginia Residential Landlord and Tenant Act; tenant's noncompliance; death of tenant.

[H 638]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 55-248.2, 55-248.31, 55-248.34:1, and 55-248.38:3 of the Code of Virginia are amended and reenacted as follows:

§ 55-248.2. Short title.

This chapter may be cited as the "Virginia Residential Landlord and Tenant Act" or the "Virginia Rental Housing Act."

§ 55-248.31. Noncompliance with rental agreement; monetary penalty.

A. Except as provided in this chapter, if there is a material noncompliance by the tenant with the rental agreement or a violation of § 55-248.16 materially affecting health and safety, the landlord may serve a written notice on the tenant specifying the acts and omissions constituting the breach and stating that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice if the breach is not remedied in 21 days, and that the rental agreement shall terminate as provided in the notice.

B. If the breach is remediable by repairs or the payment of damages or otherwise and the tenant adequately remedies the breach prior to the date specified in the notice, the rental agreement shall not terminate.

C. If the tenant commits a breach which is not remediable, the landlord may serve a written notice on the tenant specifying the acts and omissions constituting the breach and stating that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice. Notwithstanding anything to the contrary contained elsewhere in this chapter, when a breach of the tenant's obligations under this chapter or the rental agreement involves or constitutes a criminal or a willful act, which is not remediable and which poses a threat to health or safety, the landlord may terminate the rental agreement immediately and proceed to obtain possession of the premises. For purposes of this subsection, any illegal drug activity involving a controlled substance, as used or defined by the Drug Control Act (§ 54.1-3400 et seq.), by the tenant, the tenant's authorized occupants, or the tenant's guests or invitees, shall constitute an immediate nonremediable violation for which the landlord may proceed to terminate the tenancy without the necessity of waiting for a conviction of any criminal offense that may arise out of the same actions. In order to obtain an order of possession from a court of competent jurisdiction terminating the tenancy for illegal drug activity or for any other action that involves or constitutes a criminal or willful act, the landlord shall prove any such violations by a preponderance of the evidence. However, where the illegal drug activity is engaged in by a tenant's authorized occupants, or guests or invitees, the tenant shall be presumed to have knowledge of such illegal drug activity unless the presumption is rebutted by a preponderance of the evidence. The initial hearing on the landlord's action for immediate possession of the premises shall be held within 15 calendar days from the date of service on the tenant; however, the court shall order an earlier hearing when emergency conditions are alleged to exist upon the premises which constitute an immediate threat to the health or safety of the other tenants. After the initial hearing, if the matter is scheduled for a subsequent hearing or for a contested trial, the court, to the extent practicable, shall order that the matter be given priority on the court's docket. Such subsequent hearing or contested trial shall be heard no later than 30 days from the date of service on the tenant. During the interim period between the date of the initial hearing and the date of any subsequent hearing or contested trial, the court may afford any further remedy or relief as is necessary to protect the interests of parties to the proceeding or the interests of any other tenant residing on the premises. Failure by the court to hold either of the hearings within the time limits set out herein shall not be a basis for dismissal of the case.

D. If the tenant is a victim of family abuse as defined in § 16.1-228 that occurred in the dwelling unit or on the premises and the perpetrator is barred from the dwelling unit pursuant to § 55-248.31:01 based upon information provided by the tenant to the landlord, or by a protective order from a court of competent jurisdiction pursuant to § 16.1-253.1, 16.1-279.1, or subsection B of § 20-103, the lease shall not terminate due solely to an act of family abuse against the tenant. However, these provisions shall not be applicable if (i) the tenant fails to provide written documentation corroborating the tenant's status as a victim of family abuse and the exclusion from the dwelling unit of the perpetrator no later than 21 days from the alleged offense or (ii) the perpetrator returns to the dwelling unit or the premises, in violation of a bar notice, and the tenant fails promptly to notify the landlord within 24 hours thereafter that the perpetrator has returned to the dwelling unit or the premises, unless the tenant proves by a preponderance of the evidence that the tenant had no actual knowledge that the perpetrator violated the bar notice, or it was not possible for the tenant to notify the landlord within 24 hours, in which case the tenant shall promptly notify the landlord, but in no event more than 7 days thereafter. If the provisions of this subsection are not applicable, the tenant shall remain responsible for the acts of the other co-tenants, authorized occupants or guests or invitees pursuant to § 55-248.16, and is subject to termination of the tenancy pursuant to the lease and this chapter.

E. If the tenant has been served with a prior written notice which required the tenant to remedy a breach, and the tenant remedied such breach, where the tenant intentionally commits a subsequent breach of a like nature as the prior breach, the landlord may serve a written notice on the tenant specifying the acts and omissions constituting the subsequent breach,

make reference to the prior breach of a like nature, and state that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice.

F. If rent is unpaid when due, and the tenant fails to pay rent within five days after written notice is served on him notifying the tenant of his nonpayment, and of the landlord's intention to terminate the rental agreement if the rent is not paid within the five-day period, the landlord may terminate the rental agreement and proceed to obtain possession of the premises as provided in § 55-248.35. If a check for rent is delivered to the landlord drawn on an account with insufficient funds, or if an electronic funds transfer has been rejected because of insufficient funds or a stop-payment order has been placed in bad faith by the authorizing party, and the tenant fails to pay rent within five days after written notice is served on him notifying the tenant of his nonpayment and of the landlord's intention to terminate the rental agreement if the rent is not paid by cash, cashier's check, certified check, or a completed electronic funds transfer within the five-day period, the landlord may terminate the rental agreement and proceed to obtain possession of the premises as provided in § 55-248.35. Nothing shall be construed to prevent a landlord from seeking an award of costs or attorney fees under § 8.01-27.1 or civil recovery under § 8.01-27.2, as a part of other damages requested on the unlawful detainer filed pursuant to § 8.01-126, provided the landlord has given notice in accordance with § 55-248.6, which notice may be included in the five-day termination notice provided in accordance with this section.

G. Except as provided in this chapter, the landlord may recover damages and obtain injunctive relief for any noncompliance by the tenant with the rental agreement or § 55-248.16. ~~The In the event of a breach of the rental agreement or noncompliance by the tenant, the landlord shall be entitled to recover reasonable attorney fees unless the tenant proves by a preponderance of the evidence that the failure of the tenant to pay rent or vacate the premises was reasonable. If the rental agreement provides for the payment of reasonable attorney fees in the event of a breach of the agreement or noncompliance by the tenant, the landlord shall be entitled to recover and the court shall award reasonable attorney fees in any action based upon the tenancy in which the landlord prevails, including but not limited to actions for damages to the dwelling unit or premises, or additional rent, regardless of any previous action to obtain possession or rent, unless in any such action, the tenant proves by a preponderance of the evidence that the tenant's failure to pay rent or vacate was reasonable from the tenant the following, regardless of whether or not a lawsuit is filed or an order obtained from a court: (i) rent due and owing as contracted for in the rental agreement, (ii) other charges and fees as contracted for in the rental agreement, (iii) late charges contracted for in the rental agreement, (iv) reasonable attorney fees as contracted for in the rental agreement or as provided by law, (v) costs of the proceeding as contracted for in the rental agreement or as provided by law only if court action has been filed, and (vi) damages to the dwelling unit or premises as contracted for in the rental agreement.~~

H. ~~In a case where a lawsuit is pending before the court upon a breach of the rental agreement or noncompliance by the tenant and the landlord prevails, the court shall award a money judgment to the landlord and against the tenant for the relief requested, which may include the following: (i) rent due and owing as of the court date as contracted for in the rental agreement, (ii) other charges and fees as contracted for in the rental agreement, (iii) late charges contracted for in the rental agreement, (iv) reasonable attorney fees as contracted for in the rental agreement or as provided by law, unless in any such action the tenant proves by a preponderance of the evidence that the tenant's failure to pay rent or vacate was reasonable, (v) costs of the proceeding as contracted for in the rental agreement or as provided by law, and (vi) damages to the dwelling unit or premises.~~

§ 55-248.34:1. Landlord's acceptance of rent with reservation.

A. Provided the landlord has given written notice to the tenant that the rent will be accepted with reservation, the landlord may accept full or partial payment of all rent and receive an order of possession from a court of competent jurisdiction pursuant to an unlawful detainer action filed under Chapter 13 (§ 8.01-374 et seq.) of Title 8.01 and proceed with eviction under § 55-248.38:2. Such notice shall be included in a written termination notice given by the landlord to the tenant in accordance with § 55-248.31 or in a separate written notice given by the landlord to the tenant within five business days of receipt of the rent. Unless the landlord has given such notice in a termination notice in accordance with § 55-248.31, the landlord shall continue to give a separate written notice to the tenant within five business days of receipt of the rent that the landlord continues to accept the rent with reservation in accordance with this section until such time as the violation alleged in the termination notice has been remedied or the matter has been adjudicated in a court of competent jurisdiction. If the dwelling unit is a public housing unit or other housing unit subject to regulation by the Department of Housing and Urban Development, the landlord shall be deemed to have accepted rent with reservation pursuant to this subsection if the landlord gives the tenant the written notice required herein for the portion of the rent paid by the tenant.

B. Subsequent to the entry of an order of possession by a court of competent jurisdiction but prior to eviction pursuant to § 55-248.38:2, the landlord may accept all amounts owed to the landlord by the tenant, including full payment of any money judgment, award of attorney fees and court costs, and all subsequent rents that may be paid prior to eviction, and proceed with eviction provided that the landlord has given the tenant written notice that any such payment would be accepted with reservation and would not constitute a waiver of the landlord's right to evict the tenant from the dwelling unit. However, if a landlord enters into a new written rental agreement with the tenant prior to eviction, an order of possession obtained prior to the entry of such new rental agreement is not enforceable. Such notice shall be given in a separate written notice given by the landlord within five business days of receipt of payment of such money judgment, attorney fees and court costs, and all subsequent rents that may be paid prior to eviction. If the dwelling unit is a public housing unit or other housing unit subject to regulation by the Department of Housing and Urban Development, the landlord shall be deemed to have accepted rent with reservation pursuant to this subsection if the landlord gives the tenant the written notice required

herein for the portion of the rent paid by the tenant. *Writs of possession in cases of unlawful entry and detainer are otherwise subject to § 8.01-471.*

C. However, the tenant may pay or present to the court a redemption tender for payment of all rent due and owing as of the return date, including late charges, attorney fees and court costs, at or before the first return date on an action for unlawful detainer. For purposes of this section, "redemption tender" means a written commitment to pay all rent due and owing as of the return date, including late charges, attorney fees, and court costs, by a local government or nonprofit entity within 10 days of said return date.

D. If the tenant presents a redemption tender to the court at the return date, the court shall continue the action for unlawful detainer for 10 days following the return date for payment to the landlord of all rent due and owing as of the return date, including late charges, attorney fees, and court costs and dismissal of the action upon such payment. Should the landlord not receive full payment of all rent due and owing as of the return date, including late charges, attorney fees, and court costs, within 10 days of the return date, the court shall, without further evidence, grant to the landlord judgment for all amounts due and immediate possession of the premises.

E. In cases of unlawful detainer, a tenant may pay the landlord or his attorney or pay into court all (i) rent due and owing as of the court date as contracted for in the rental agreement, (ii) other charges and fees as contracted for in the rental agreement, (iii) late charges contracted for in the rental agreement, (iv) reasonable attorney fees as contracted for in the rental agreement or as provided by law, and (v) costs of the proceeding as provided by law, at which time the unlawful detainer proceeding shall be dismissed. A tenant may invoke the rights granted in this section no more than one time during any 12-month period of continuous residency in the dwelling unit, regardless of the term of the rental agreement or any renewal term thereof.

§ 55-248.38:3. Disposal of property of deceased tenants.

A. If a tenant, who is the sole occupant of the dwelling unit, dies, and there is no person authorized by order of the circuit court to handle probate matters for the deceased tenant, the landlord may dispose of the personal property left in ~~the dwelling unit or upon the premises, or in a storage area provided by the landlord, provided.~~ *However, the landlord has given shall give* at least 10 days' written notice to (i) the person identified in the rental application, lease agreement, or other landlord document as the authorized person to contact in the event of the death or emergency of the tenant or (ii) the tenant in accordance with § 55-248.6 if no such person is identified in the rental application, lease agreement, or other landlord document as the authorized contact person. The notice given under clause (i) or (ii) shall include a statement that any items of personal property left in the premises would be treated as abandoned property and disposed of in accordance with the provisions of § 55-248.38:1, if not claimed within 10 days.

B. *The landlord may request that such authorized contact person provide reasonable proof of identification. Thereafter, the authorized contact person identified in the rental application, lease agreement, or other landlord document may (i) have access to the dwelling unit or the premises and to the tenant records maintained by the landlord and (ii) rightfully claim the personal property of the deceased tenant and otherwise handle the affairs of the deceased tenant with the landlord.*

C. *The rental agreement is deemed to be terminated by the landlord as of the date of death of the tenant, who is the sole occupant of the dwelling unit, and the landlord shall not be required to seek an order of possession from a court of competent jurisdiction. The estate of the tenant shall remain liable for actual damages under § 55-248.35, and the landlord shall mitigate damages as provided thereunder.*

CHAPTER 814

An Act to amend and reenact §§ 38.2-3407.12, 38.2-3407.16, 38.2-3407.18, 38.2-3414, 38.2-3414.1, 38.2-3417, 38.2-3418.9, 38.2-3418.10, 38.2-3418.13 through 38.2-3418.16, 38.2-3430.6, 38.2-3438, 38.2-3541, 38.2-4217, 38.2-4306, 38.2-4310, and 38.2-4319 of the Code of Virginia and to repeal §§ 38.2-3416 and 38.2-3541.1 of the Code of Virginia, relating to health benefit plans; individual and group coverage.

[H 1005]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 38.2-3407.12, 38.2-3407.16, 38.2-3407.18, 38.2-3414, 38.2-3414.1, 38.2-3417, 38.2-3418.9, 38.2-3418.10, 38.2-3418.13 through 38.2-3418.16, 38.2-3430.6, 38.2-3438, 38.2-3541, 38.2-4217, 38.2-4306, 38.2-4310, and 38.2-4319 of the Code of Virginia are amended and reenacted as follows:

§ 38.2-3407.12. Patient optional point-of-service benefit.

A. As used in this section:

"Affiliate" shall have the meaning set forth in § 38.2-1322.

"Allowable charge" means the amount from which the carrier's payment to a provider for any covered item or service is determined before taking into account any cost-sharing arrangement.

"Carrier" means:

1. Any insurer licensed under this title proposing to offer or issue accident and sickness insurance policies which are subject to Chapter 34 (§ 38.2-3400 et seq.) or 39 (§ 38.2-3900 et seq.) of this title;

2. Any nonstock corporation licensed under this title proposing to issue or deliver subscription contracts for one or more health services plans, medical or surgical services plans or hospital services plans which are subject to Chapter 42 (§ 38.2-4200 et seq.) of this title;

3. Any health maintenance organization licensed under this title which provides or arranges for the provision of one or more health care plans which are subject to Chapter 43 (§ 38.2-4300 et seq.) of this title;

4. Any nonstock corporation licensed under this title proposing to issue or deliver subscription contracts for one or more dental or optometric services plans which are subject to Chapter 45 (§ 38.2-4500 et seq.) of this title; and

5. Any other person licensed under this title which provides or arranges for the provision of health care coverage or benefits or health care plans or provider panels which are subject to regulation as the business of insurance under this title.

"Co-insurance" means the portion of the carrier's allowable charge for the covered item or service which is not paid by the carrier and for which the enrollee is responsible.

"Co-payment" means the out-of-pocket charge other than co-insurance or a deductible for an item or service to be paid by the enrollee to the provider towards the allowable charge as a condition of the receipt of specific health care items and services.

"Cost sharing arrangement" means any co-insurance, co-payment, deductible or similar arrangement imposed by the carrier on the enrollee as a condition to or consequence of the receipt of covered items or services.

"Deductible" means the dollar amount of a covered item or service which the enrollee is obligated to pay before benefits are payable under the carrier's policy or contract with the group contract holder.

"Enrollee" or "member" means any individual who is enrolled in a group health benefit plan provided or arranged by a health maintenance organization or other carrier. If a health maintenance organization arranges or contracts for the point-of-service benefit required under this section through another carrier, any enrollee selecting the point-of-service benefit shall be treated as an enrollee of that other carrier when receiving covered items or services under the point-of-service benefit.

"Group contract holder" means any contract holder of a group health benefit plan offered or arranged by a health maintenance organization or other carrier. For purposes of this section, the group contract holder shall be the person to which the group agreement or contract for the group health benefit plan is issued.

"Group health benefit plan" shall mean any health care plan, subscription contract, evidence of coverage, certificate, health services plan, medical or hospital services plan, accident and sickness insurance policy or certificate, or other similar certificate, policy, contract or arrangement, and any endorsement or rider thereto, offered, arranged or issued by a carrier to a group contract holder to cover all or a portion of the cost of enrollees (or their eligible dependents) receiving covered health care items or services. Group health benefit plan does not mean (i) health care plans, contracts or policies issued in the individual market; (ii) coverages issued pursuant to Title XVIII of the Social Security Act, 42 U.S.C. § 1395 et seq. (Medicare), Title XIX of the Social Security Act, 42 U.S.C. § 1396 et seq. or Title XX of the Social Security Act, 42 U.S.C. § 1397 et seq. (Medicaid), 5 U.S.C. § 8901 et seq. (federal employees), 10 U.S.C. § 1071 et seq. (CHAMPUS) or Chapter 28 (§ 2.2-2800 et seq.) of Title 2.2 (state employees); (iii) accident only, credit or disability insurance, or long-term care insurance, plans providing only limited health care services under § 38.2-4300 (unless offered by endorsement or rider to a group health benefit plan), CHAMPUS supplement, Medicare supplement, or workers' compensation coverages; or (iv) an employee welfare benefit plan (as defined in section 3 (1) of the Employee Retirement Income Security Act of 1974, 29 U.S.C. § 1002 (1)), which is self-insured or self-funded.

"Group specific administrative cost" means the direct administrative cost incurred by a carrier related to the offer of the point-of-service benefit to a particular group contract holder.

"Health care plan" shall have the meaning set forth in § 38.2-4300.

"Person" means any individual, corporation, trust, association, partnership, limited liability company, organization or other entity.

"Point-of-service benefit" means a health maintenance organization's delivery system or covered benefits, or the delivery system or covered benefits of another carrier under contract or arrangement with the health maintenance organization, which permit an enrollee (and eligible dependents) to receive covered items and services outside of the provider panel, including optometrists and clinical psychologists, of the health maintenance organization under the terms and conditions of the group contract holder's group health benefit plan with the health maintenance organization or with another carrier arranged by or under contract with the health maintenance organization and which otherwise complies with this section. Without limiting the foregoing, the benefits offered or arranged by a carrier's indemnity group accident and sickness policy under Chapter 34 (§ 38.2-3400 et seq.) of this title, health services plan under Chapter 42 (§ 38.2-4200 et seq.) of this title or preferred provider organization plan under Chapter 34 (§ 38.2-3400 et seq.) or 42 (§ 38.2-4200 et seq.) of this title which permit an enrollee (and eligible dependents) to receive the full range of covered items and services outside of a provider panel, including optometrists and clinical psychologists, and which are otherwise in compliance with applicable law and this section shall constitute a point-of-service benefit.

"Preferred provider organization plan" means a health benefit program offered pursuant to a preferred provider policy or contract under § 38.2-3407 or covered services offered under a preferred provider subscription contract under § 38.2-4209.

"Provider" means any physician, hospital or other person, including optometrists and clinical psychologists, that is licensed or otherwise authorized in the Commonwealth to deliver or furnish health care items or services.

"Provider panel" means the participating providers or referral providers who have a contract, agreement or arrangement with a health maintenance organization or other carrier, either directly or through an intermediary, and who have agreed to provide items or services to enrollees of the health maintenance organization or other carrier.

B. To the maximum extent permitted by applicable law, every health care plan offered or proposed to be offered in ~~this~~ *the large group market in the Commonwealth* by a health maintenance organization licensed under this title to a group contract holder shall provide or include, or the health maintenance organization shall arrange for or contract with another carrier to provide or include, a point-of-service benefit to be provided or offered in conjunction with the health maintenance organization's health care plan as an additional benefit for the enrollee, at the enrollee's option, individually to accept or reject. In connection with its group enrollment application, every health maintenance organization shall, at no additional cost to the group contract holder, make available or arrange with a carrier to make available to the prospective group contract holder and to all prospective enrollees, in advance of initial enrollment and in advance of each reenrollment, a notice in form and substance acceptable to the Commission which accurately and completely explains to the group contract holder and prospective enrollee the point-of-service benefit and permits each enrollee to make his or her election. The form of notice provided in connection with any reenrollment may be the same as the approved form of notice used in connection with initial enrollment and may be made available to the group contract holder and prospective enrollee by the carrier in any reasonable manner.

C. To the extent permitted under applicable law, a health maintenance organization providing or arranging, or contracting with another carrier to provide, the point-of-service benefit under this section and a carrier providing the point-of-service benefit required under this section under arrangement or contract with a health maintenance organization:

1. May not impose, or permit to be imposed, a minimum enrollee participation level on the point-of-service benefit alone;

2. May not refuse to reimburse a provider of the type listed or referred to in § 38.2-3408 or 38.2-4221 for items or services provided under the point-of-service benefit required under this section solely on the basis of the license or certification of the provider to provide such items or services if the carrier otherwise covers the items or services provided and the provision of the items or services is within the provider's lawful scope of practice or authority; and

3. Shall rate and underwrite all prospective enrollees of the group contract holder as a single group prior to any enrollee electing to accept or reject the point-of-service benefit.

D. The premium imposed by a carrier with respect to enrollees who select the point-of-service benefit may be different from that imposed by the health maintenance organization with respect to enrollees who do not select the point-of-service benefit. Unless a group contract holder determines otherwise, any enrollee who accepts the point-of-service benefit shall be responsible for the payment of any premium over the amount of the premium applicable to an enrollee who selects the coverage offered by the health maintenance organization without the point-of-service benefit and for any identifiable group specific administrative cost incurred directly by the carrier or any administrative cost incurred by the group contract holder in offering the point-of-service benefit to the enrollee. If a carrier offers the point-of-service benefit to a group contract holder where no enrollees of the group contract holder elect to accept the point-of-service benefit and incurs an identifiable group specific administrative cost directly as a consequence of the offering to that group contract holder, the carrier may reflect that group specific administrative cost in the premium charged to other enrollees selecting the point-of-service benefit under this section. Unless the group contract holder otherwise directs or authorizes the carrier in writing, the carrier shall make reasonable efforts to ensure that no portion of the cost of offering or arranging the point-of-service benefit shall be reflected in the premium charged by the carrier to the group contract holder for a group health benefit plan without the point-of-service benefit. Any premium differential and any group specific administrative cost imposed by a carrier relating to the cost of offering or arranging the point-of-service benefit must be actuarially sound and supported by a sworn certification of an officer of each carrier offering or arranging the point-of-service benefit filed with the Commission certifying that the premiums are based on sound actuarial principles and otherwise comply with this section. The certifications shall be in a form, and shall be accompanied by such supporting information in a form acceptable to the Commission.

E. Any carrier may impose different co-insurance, co-payments, deductibles and other cost-sharing arrangements for the point-of-service benefit required under this section based on whether or not the item or service is provided through the provider panel of the health maintenance organization; provided that, except to the extent otherwise prohibited by applicable law, any such cost-sharing arrangement:

1. Shall not impose on the enrollee (or his or her eligible dependents, as appropriate) any co-insurance percentage obligation which is payable by the enrollee which exceeds the greater of: (i) thirty percent of the carrier's allowable charge for the items or services provided by the provider under the point-of-service benefit or (ii) the co-insurance amount which would have been required had the covered items or services been received through the provider panel;

2. Shall not impose on an enrollee (or his or her eligible dependents, as appropriate) a co-payment or deductible which exceeds the greatest co-payment or deductible, respectively, imposed by the carrier or its affiliate under one or more other group health benefit plans providing a point-of-service benefit which are currently offered and actively marketed by the carrier or its affiliate in the Commonwealth and are subject to regulation under this title; and

3. Shall not result in annual aggregate cost-sharing payments to the enrollee (or his or her eligible dependents, as appropriate) which exceed the greatest annual aggregate cost-sharing payments which would apply had the covered items or services been received under another group health benefit plan providing a point-of-service benefit which is currently

offered and actively marketed by the carrier or its affiliate in the Commonwealth and which is subject to regulation under this title.

F. Except to the extent otherwise required under applicable law, any carrier providing the point-of-service benefit required under this section may not utilize an allowable charge or basis for determining the amount to be reimbursed or paid to any provider from which covered items or services are received under the point-of-service benefit which is not at least as favorable to the provider as that used:

1. By the carrier or its affiliate in calculating the reimbursement or payment to be made to similarly situated providers under another group health benefit plan providing a point-of-service benefit which is subject to regulation under this title and which is currently offered or arranged by the carrier or its affiliate and actively marketed in the Commonwealth, if the carrier or its affiliate offers or arranges another such group health benefit plan providing a point-of-service benefit in the Commonwealth; or

2. By the health maintenance organization in calculating the reimbursement or payment to be made to similarly situated providers on its provider panel.

G. Except as expressly permitted in this section or required under applicable law, no carrier shall impose on any person receiving or providing health care items or services under the point-of-service benefit any condition or penalty designed to discourage the enrollee's selection or use of the point-of-service benefit, which is not otherwise similarly imposed either: (i) on enrollees in another group health benefit plan, if any, currently offered or arranged and actively marketed by the carrier or its affiliate in the Commonwealth or (ii) on enrollees who receive the covered items or services from the health maintenance organization's provider panel. Nothing in this section shall preclude a carrier offering or arranging a point-of-service benefit from imposing on enrollees selecting the point-of-service benefit reasonable utilization review, preadmission certification or precertification requirements or other utilization or cost control measures which are similarly imposed on enrollees participating in one or more other group health benefit plans which are subject to regulation under this title and are currently offered and actively marketed by the carrier or its affiliates in the Commonwealth or which are otherwise required under applicable law.

H. Except as expressly otherwise permitted in this section or as otherwise required under applicable law, the scope of the health care items and services which are covered under the point-of-service benefit required under this section shall at least include the same health care items and services which would be covered if provided under the health maintenance organization's health care plan, including without limitation any items or services covered under a rider or endorsement to the applicable health care plan. Carriers shall be required to disclose prominently in all group health benefit plans and in all marketing materials utilized with respect to such group health benefit plans that the scope of the benefits provided under the point-of-service option are at least as great as those provided through the HMO's health care plan for that group. Filings of point-of-service benefits submitted to the Commission shall be accompanied by a certification signed by an officer of the filing carrier certifying that the scope of the point-of-service benefits includes at a minimum the same health care items and services as are provided under the HMO's group health care plan for that group.

I. Nothing in this section shall prohibit a health maintenance organization from offering or arranging the point-of-service benefit (i) as a separate group health benefit plan or under a different name than the health maintenance organization's group health benefit plan which does not contain the point-of-service benefit or (ii) from managing a group health benefit plan under which the point-of-service benefit is offered in a manner which separates or otherwise differentiates it from the group health benefit plan which does not contain the point-of-service benefit.

J. Notwithstanding anything in this section to the contrary, to the extent permitted under applicable law, no health maintenance organization shall be required to offer or arrange a point-of-service benefit under this section with respect to any group health benefit plan offered to a group contract holder if the health maintenance organization determines in good faith that the group contract holder will be concurrently offering another group health benefit plan or a self-insured or self-funded health benefit plan which allows the enrollees to access care from their provider of choice whether or not the provider is a member of the health maintenance organization's panel.

K. This section shall apply only to group health benefit plans issued in the Commonwealth in the commercial *large* group market by carriers regulated by this title and shall not apply to (i) health care plans, contracts or policies issued in the individual or *small* group market; (ii) coverages issued pursuant to Title XVIII of the Social Security Act, 42 U.S.C. § 1395 et seq. (Medicare), Title XIX of the Social Security Act, 42 U.S.C. § 1396 et seq. or Title XX of the Social Security Act, 42 U.S.C. § 1397 et seq. (Medicaid), 5 U.S.C. § 8901 et seq. (federal employees), 10 U.S.C. § 1071 et seq. (CHAMPUS) or Chapter 28 (§ 2.2-2800 et seq.) of Title 2.2 (state employees); (iii) accident only, credit or disability insurance, or long-term care insurance, plans providing only limited health care services under § 38.2-4300 (unless offered by endorsement or rider to a group health benefit plan), CHAMPUS supplement, Medicare supplement, or workers' compensation coverages; ~~or~~ (iv) an employee welfare benefit plan (as defined in section 3 (1) of the Employee Retirement Income Security Act of 1974, 29 U.S.C. § 1002 (1)), which is self-insured or self-funded; or (v) a *qualified health plan when the plan is offered in the Commonwealth by a health carrier through a health benefit exchange established under § 1311 of the federal Patient Protection and Affordable Care Act (P.L. 111-148).*

~~L. This section shall apply to group health benefit plans issued or renewed by carriers in this Commonwealth on or after July 1, 1998.~~

~~M. Nothing in this section shall operate to limit any rights or obligations arising under § 38.2-3407, 38.2-3407.7, 38.2-3407.10, 38.2-3407.11, 38.2-4209, 38.2-4209.1, 38.2-4312, or 38.2-4312.1.~~

~~N. M.~~ If any provision of this section or its application to any person or circumstance is held invalid for any reason in a court of competent jurisdiction, the invalidity shall not affect the other provisions or any other application of this section which shall be given effect without the invalid provision or application, and for this purpose the provisions of this section are declared severable.

§ 38.2-3407.16. Requirements for obstetrical care.

A. Each (i) insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical or major medical coverage on an expense-incurred basis, (ii) corporation providing individual or group accident and sickness subscription contracts, and (iii) health maintenance organization providing a health care plan for health care services, whose policies, contracts, or plans, including any certificate or evidence of coverage issued in connection with such policies, contracts or plans, include coverage for obstetrical services as an inpatient in a general hospital or obstetrical services by a physician shall provide such benefits with durational limits, deductibles, coinsurance factors, and copayments that are no less favorable than for physical illness generally.

B. The requirements of this section shall apply to all insurance policies, contracts, and plans delivered, issued for delivery, reissued, renewed, or extended or at any time when any term of any such policy, contract, or plan is changed or any premium adjustment is made, on and after the effective date of this section. The provisions of this section shall not apply to short-term travel, accident only, *or* limited or specified disease, ~~or individual conversion~~ policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

§ 38.2-3407.18. Requirements for orally administered cancer chemotherapy drugs.

A. Each (i) insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; (ii) corporation providing individual or group accident and sickness subscription contracts; and (iii) health maintenance organization providing a health care plan for health care services, whose policies, contracts, or plans, including any certificate or evidence of coverage issued in connection with such policies, contracts, or plans, include coverage for cancer chemotherapy drugs administered orally and intravenously or by injection shall provide that the criteria for establishing cost sharing applicable to orally administered cancer chemotherapy drugs and cancer chemotherapy drugs that are administered intravenously or by injection shall be consistently applied within the same plan.

B. The requirements of this section shall apply to all insurance policies, contracts, and plans delivered, issued for delivery, reissued, renewed, or extended or at any time when any term of any such policy, contract, or plan is changed or any premium adjustment is made, on and after the effective date of this section. The provisions of this section shall not apply to short-term travel, accident only, *or* limited or specified disease, ~~or individual conversion~~ policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

C. This section shall apply to health coverage offered to state employees pursuant to § 2.2-2818 and to health insurance coverage offered to employees of local governments, local officers, teachers, and retirees, and the dependents of such employees, local officers, teachers and retirees pursuant to § 2.2-1204. In administering such coverage, the criteria for establishing the level of copayments or coinsurance for orally administered cancer treatment drugs and cancer chemotherapy drugs that are administered intravenously or by injection shall be consistently applied within the same plan.

§ 38.2-3414. Optional coverage for obstetrical services.

A. Each insurer proposing to issue a group hospital policy or a group major medical policy in this Commonwealth and each corporation proposing to issue group hospital, group medical or group major medical subscription contracts shall provide coverage for obstetrical services as an option available to the group policyholder or the contract holder in the case of benefits based upon treatment as an inpatient in a general hospital. The reimbursement for obstetrical services by a physician shall be based on the charges for the services determined according to the same formula by which the charges are developed for other medical and surgical procedures. Such coverage shall have durational limits, dollar limits, deductibles and coinsurance factors that are no less favorable than for physical illness generally.

B. This section shall not apply to short-term travel, accident only, *or* limited or specified disease, ~~or individual conversion~~ policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

§ 38.2-3414.1. Obstetrical benefits; coverage for postpartum services.

A. Each insurer proposing to issue an individual or group hospital policy or major medical policy in this Commonwealth, each corporation proposing to issue an individual or group hospital, medical or major medical subscription contract, and each health maintenance organization providing a health care plan for health care services that provides benefits for obstetrical services shall provide coverage for postpartum services as provided in this section.

B. Such coverage shall include benefits for inpatient care and a home visit or visits which shall be in accordance with the medical criteria, outlined in the most current version of or an official update to the "Guidelines for Perinatal Care" prepared by the American Academy of Pediatrics and the American College of Obstetricians and Gynecologists or the "Standards for Obstetric-Gynecologic Services" prepared by the American College of Obstetricians and Gynecologists.

Such coverage shall be provided incorporating any changes in such Guidelines or Standards within six months of the publication of such Guidelines or Standards or any official amendment thereto.

C. The requirements of this section shall apply to all insurance policies, contracts and plans delivered, issued for delivery, reissued, or extended on and after July 1, 1996, or at any time thereafter when any term of the policy, contract or plan is changed or any premium adjustment is made.

D. This section shall not apply to short-term travel, accident only, *or* limited or specified disease; ~~or individual conversion~~ policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

§ 38.2-3417. Deductibles and coinsurance options required.

A. An insurer issuing accident and sickness insurance or a corporation issuing subscription contracts on an expense incurred basis shall make available in offering such coverage or contract to the potential insured or contract holder one or more of the following options under which the individual insured or group certificate holder pays for:

1. The first \$100 of the cost of the services covered or benefits payable by the policy or contract during a 12-month period;

2. Twenty percent of the first \$1,000 of the cost of the services covered or benefits payable by the policy or contract during a 12-month period;

3. The first \$100 and 20 percent of the next \$1,000 of the cost of the services covered or benefits payable by the policy or contract during a 12-month period; *or*

4. Any other option containing a greater deductible, coinsurance, or cost-sharing provision. However, the option shall not be inconsistent with standards established with respect to deductibles, coinsurance, or cost-sharing pursuant to § 38.2-3519.

B. As used in this section, "make available" means that the insurer or corporation shall disseminate information concerning the option or options and make a policy or contract containing the option or options available to potential insureds or contract holders at the same time and in the same manner as the insurer or corporation disseminates information concerning other policies or contracts and coverage options and makes other policies or contracts and coverage options available.

C. This section shall not apply to short-term travel, accident only, *or* limited or specified disease; ~~or individual conversion~~ policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

D. The provisions of this section shall not apply in any instance in which the provisions of this section are inconsistent or in conflict with a provision of Article 6 (§ 38.2-3438 et seq.) of Chapter 34.

§ 38.2-3418.9. Minimum hospital stay for hysterectomy.

A. Notwithstanding the provisions of § 38.2-3419, each insurer proposing to issue an individual or group hospital policy or major medical policy in this Commonwealth, each corporation proposing to issue an individual or group hospital, medical or major medical subscription contract, and each health maintenance organization providing a health care plan for health care shall provide coverage for laparoscopy-assisted vaginal hysterectomy and vaginal hysterectomy as provided in this section.

B. Such coverage shall include benefits for a minimum stay in the hospital of not less than ~~twenty-three~~ 23 hours for a laparoscopy-assisted vaginal hysterectomy and ~~forty-eight~~ 48 hours for a vaginal hysterectomy. Nothing in this subsection shall be construed as requiring the provision of the total hours referenced when the attending physician, in consultation with the patient, determines that a shorter period of hospital stay is appropriate.

C. The requirements of this section shall apply to all insurance policies, contracts and plans delivered, issued for delivery, reissued, or extended on and after July 1, 1999, or at any time thereafter when any term of the policy, contract or plan is changed or any premium adjustment is made.

D. This section shall not apply to short-term travel, accident-only, *or* limited or specified disease; ~~or individual conversion~~ policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

§ 38.2-3418.10. Coverage for diabetes.

A. Each insurer proposing to issue an individual or group hospital policy or major medical policy in this Commonwealth, each corporation proposing to issue an individual or group hospital, medical or major medical subscription contract, and each health maintenance organization providing a health care plan for health care services shall provide coverage for diabetes as provided in this section.

B. Such coverage shall include benefits for equipment, supplies and in-person outpatient self-management training and education, including medical nutrition therapy, for the treatment of insulin-dependent diabetes, insulin-using diabetes, gestational diabetes and noninsulin-using diabetes if prescribed by a health care professional legally authorized to prescribe such items under law. As used herein, the terms "equipment" and "supplies" shall not be considered durable medical equipment.

C. To qualify for coverage under this section, diabetes in-person outpatient self-management training and education shall be provided by a certified, registered or licensed health care professional. A managed care health insurance plan, as defined in Chapter 58 (§ 38.2-5800 et seq.) of this title, may require such health care professional to be a member of the plan's provider network; provided that such network includes sufficient health care professionals who are qualified by specific education, experience, and credentials to provide the covered benefits described in this section.

D. No insurer, corporation, or health maintenance organization shall impose upon any person receiving benefits pursuant to this section any copayment, fee or condition that is not equally imposed upon all individuals in the same benefit category, nor shall any insurer, corporation or health maintenance organization impose any policy-year or calendar-year dollar or durational benefit limitations or maximums for benefits or services provided under this section.

E. The requirements of this section shall apply to all insurance policies, contracts and plans delivered, issued for delivery, reissued, or extended on and after July 1, 2000, or at any time thereafter when any term of the policy, contract or plan is changed or any premium adjustment is made.

F. This section shall not apply to short-term travel, accident only, or limited or specified disease, or individual conversion policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

§ 38.2-3418.13. Coverage for the treatment of morbid obesity.

A. Notwithstanding the provisions of § 38.2-3419, *in the large group market*, each insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; each corporation providing individual or group accident and sickness subscription contracts; and each health maintenance organization providing a health care plan for health care services shall offer and make available coverage under any such policy, contract or plan for the treatment of morbid obesity through gastric bypass surgery or such other methods as may be recognized by the National Institutes of Health as effective for the long-term reversal of morbid obesity. ~~The provisions of this section shall apply to any such policy, contract or plan delivered, issued for delivery, or renewed in this Commonwealth on and after July 1, 2000.~~

B. The reimbursement for the treatment of morbid obesity shall be determined according to the same formula by which charges are developed for other medical and surgical procedures. Such coverage shall have durational limits, dollar limits, deductibles, copayments and coinsurance factors that are no less favorable than for physical illness generally. Standards and criteria, including those related to diet, used by insurers to approve or restrict access to surgery for morbid obesity shall be based upon current clinical guidelines recognized by the National Institutes of Health.

C. For purposes of this section, "morbid obesity" means (i) a weight that is at least 100 pounds over or twice the ideal weight for frame, age, height, and gender as specified in the 1983 Metropolitan Life Insurance tables, (ii) a body mass index (BMI) equal to or greater than 35 kilograms per meter squared with comorbidity or coexisting medical conditions such as hypertension, cardiopulmonary conditions, sleep apnea, or diabetes, or (iii) a BMI of 40 kilograms per meter squared without such comorbidity. As used herein, BMI equals weight in kilograms divided by height in meters squared.

D. The provisions of this section shall not apply to short-term travel, accident-only, limited or specified disease policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or governmental plans or to short-term nonrenewable policies of not more than six months' duration; *health care plans, contracts, or policies issued in the individual or small group market; or a qualified health plan when the plan is offered in the Commonwealth by a health carrier through a health benefit exchange established under § 1311 of the federal Patient Protection and Affordable Care Act (P.L. 111-148).*

§ 38.2-3418.14. Coverage for lymphedema.

A. Notwithstanding the provisions of § 38.2-3419, each insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical, coverage on an expense-incurred basis; each corporation providing individual or group accident and sickness subscription contracts; and each health maintenance organization providing a health care plan for health care services shall provide coverage for lymphedema as provided in this section.

B. Coverage under this section shall include benefits for equipment, supplies, complex decongestive therapy, and outpatient self-management training and education for the treatment of lymphedema, if prescribed by a health care professional legally authorized to prescribe or provide such items under law.

C. A managed care health insurance plan, as defined in Chapter 58 (§ 38.2-5800 et seq.) of this title, may require such health care professional to be a member of the plan's provider network, provided that such network includes sufficient health care professionals who are qualified by specific education, experience, and credentials to provide the covered benefits described in this section.

D. No insurer, corporation, or health maintenance organization shall impose upon any person receiving benefits pursuant to this section any copayment, fee, policy year or calendar year, or durational benefit limitation or maximum for benefits or services that is not equally imposed upon all individuals in the same benefit category.

E. The requirements of this section shall apply to all insurance policies, contracts and plans delivered, issued for delivery, reissued, or extended in this Commonwealth on and after January 1, 2004, or at any time thereafter when any term of the policy, contract or plan is changed or any premium adjustment is made.

F. This section shall not apply to short-term travel, accident only, *or* limited or specified disease, ~~or individual conversion~~ policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

§ 38.2-3418.15. Coverage for prosthetic devices and components.

A. Notwithstanding the provisions of § 38.2-3419, each insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; each corporation providing individual or group accident and sickness subscription contracts; and each health maintenance organization providing a health care plan for health care services shall offer and make available coverage for medically necessary prosthetic devices, their repair, fitting, replacement, and components, as follows:

1. As used in this section:

"Component" means the materials and equipment needed to ensure the comfort and functioning of a prosthetic device.

"Limb" means an arm, a hand, a leg, a foot, or any portion of an arm, a hand, a leg, or a foot.

"Prosthetic device" means an artificial device to replace, in whole or in part, a limb.

2. Prosthetic device coverage does not include repair and replacement due to enrollee neglect, misuse, or abuse. Coverage also does not include prosthetic devices designed primarily for an athletic purpose.

3. An insurer shall not impose any annual or lifetime dollar maximum on coverage for prosthetic devices other than an annual or lifetime dollar maximum that applies in the aggregate to all items and services covered under the policy. The coverage may be made subject to, and no more restrictive than, the provisions of a health insurance policy that apply to other benefits under the policy.

4. An insurer shall not apply amounts paid for prosthetic devices to any annual or lifetime dollar maximum applicable to other durable medical equipment covered under the policy other than an annual or lifetime dollar maximum that applies in the aggregate to all items and services covered under the policy.

5. No insurer, corporation, or health maintenance organization shall impose upon any person receiving benefits pursuant to this section any coinsurance in excess of 30 percent of the carrier's allowable charge for such prosthetic device or services when such device or service is provided by an in-network provider.

6. An insurer, corporation, or health maintenance organization may require preauthorization to determine medical necessity and the eligibility of benefits for prosthetic devices and components, in the same manner that prior authorization is required for any other covered benefit.

B. The requirements of this section shall apply to all insurance policies, contracts, and plans delivered, issued for delivery, reissued, or extended in the Commonwealth on and after January 1, 2010, or at any time thereafter when any term of the policy, contract, or plan is changed or any premium adjustment is made.

C. This section shall not apply to short-term travel, accident-only, *or* limited or specified disease, ~~or individual conversion~~ policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

§ 38.2-3418.16. Coverage for telemedicine services.

A. Notwithstanding the provisions of § 38.2-3419, each insurer proposing to issue individual or group accident and sickness insurance policies providing hospital, medical and surgical, or major medical coverage on an expense-incurred basis; each corporation providing individual or group accident and sickness subscription contracts; and each health maintenance organization providing a health care plan for health care services shall provide coverage for the cost of such health care services provided through telemedicine services, as provided in this section.

B. As used in this section, "telemedicine services," as it pertains to the delivery of health care services, means the use of interactive audio, video, or other electronic media used for the purpose of diagnosis, consultation, or treatment. "Telemedicine services" do not include an audio-only telephone, electronic mail message, or facsimile transmission.

C. An insurer, corporation, or health maintenance organization shall not exclude a service for coverage solely because the service is provided through telemedicine services and is not provided through face-to-face consultation or contact between a health care provider and a patient for services appropriately provided through telemedicine services.

D. An insurer, corporation, or health maintenance organization shall not be required to reimburse the treating provider or the consulting provider for technical fees or costs for the provision of telemedicine services; however, such insurer, corporation, or health maintenance organization shall reimburse the treating provider or the consulting provider for the diagnosis, consultation, or treatment of the insured delivered through telemedicine services on the same basis that the insurer, corporation, or health maintenance organization is responsible for coverage for the provision of the same service through face-to-face consultation or contact.

E. Nothing shall preclude the insurer, corporation, or health maintenance organization from undertaking utilization review to determine the appropriateness of telemedicine services, provided that such appropriateness is made in the same manner as those determinations are made for the treatment of any other illness, condition, or disorder covered by such policy, contract, or plan. Any such utilization review shall not require pre-authorization of emergent telemedicine services.

F. An insurer, corporation, or health maintenance organization may offer a health plan containing a deductible, copayment, or coinsurance requirement for a health care service provided through telemedicine services, provided that the

deductible, copayment, or coinsurance does not exceed the deductible, copayment, or coinsurance applicable if the same services were provided through face-to-face diagnosis, consultation, or treatment.

G. No insurer, corporation, or health maintenance organization shall impose any annual or lifetime dollar maximum on coverage for telemedicine services other than an annual or lifetime dollar maximum that applies in the aggregate to all items and services covered under the policy, or impose upon any person receiving benefits pursuant to this section any copayment, coinsurance, or deductible amounts, or any policy year, calendar year, lifetime, or other durational benefit limitation or maximum for benefits or services, that is not equally imposed upon all terms and services covered under the policy, contract, or plan.

H. The requirements of this section shall apply to all insurance policies, contracts, and plans delivered, issued for delivery, reissued, or extended in the Commonwealth on and after January 1, 2011, or at any time thereafter when any term of the policy, contract, or plan is changed or any premium adjustment is made.

I. This section shall not apply to short-term travel, accident-only, or limited or specified disease, or individual conversion policies or contracts, nor to policies or contracts designed for issuance to persons eligible for coverage under Title XVIII of the Social Security Act, known as Medicare, or any other similar coverage under state or federal governmental plans.

§ 38.2-3430.6. Market requirements.

~~A.~~ The provisions of § 38.2-3430.3 shall not be construed to require that a health insurance issuer offering health insurance coverage only in connection with group health plans or through one or more bona fide associations, or both, offer such health insurance coverage in the individual market.

~~B. A health insurance issuer offering health insurance coverage in connection with group health plans under this title shall not be deemed to be a health insurance issuer offering individual health insurance coverage solely because such issuer offers a conversion policy.~~

§ 38.2-3438. Definitions.

As used this article, unless the context requires a different meaning:

"Child" means a son, daughter, stepchild, adopted child, including a child placed for adoption, foster child or any other child eligible for coverage under the health benefit plan.

"Covered benefits" or "benefits" means those health care services to which an individual is entitled under the terms of a health benefit plan.

"Covered person" means a policyholder, subscriber, enrollee, participant, or other individual covered by a health benefit plan.

"Dependent" means the spouse or child of an eligible employee, subject to the applicable terms of the policy, contract, or plan covering the eligible employee.

"Emergency medical condition" means a medical condition manifesting itself by acute symptoms of sufficient severity, including severe pain, so that a prudent layperson, who possesses an average knowledge of health and medicine, could reasonably expect the absence of immediate medical attention to result in (i) serious jeopardy to the mental or physical health of the individual, (ii) danger of serious impairment to bodily functions, (iii) serious dysfunction of any bodily organ or part, or (iv) in the case of a pregnant woman, serious jeopardy to the health of the fetus.

"Emergency services" means with respect to an emergency medical condition: (i) a medical screening examination as required under § 1867 of the Social Security Act (42 U.S.C. § 1395dd) that is within the capability of the emergency department of a hospital, including ancillary services routinely available to the emergency department to evaluate such emergency medical condition and (ii) such further medical examination and treatment, to the extent they are within the capabilities of the staff and facilities available at the hospital, as are required under § 1867 of the Social Security Act (42 U.S.C. § 1395dd(e)(3)) to stabilize the patient.

"ERISA" means the Employee Retirement Income Security Act of 1974.

"Essential health benefits" include the following general categories and the items and services covered within the categories in accordance with regulations issued pursuant to the PPACA: (i) ambulatory patient services; (ii) emergency services; (iii) hospitalization; (iv) laboratory services; (v) maternity and newborn care; (vi) mental health and substance abuse disorder services, including behavioral health treatment; (vii) pediatric services, including oral and vision care; (viii) prescription drugs; (ix) preventive and wellness services and chronic disease management; and (x) rehabilitative and habilitative services and devices.

"Facility" means an institution providing health care related services or a health care setting, including but not limited to hospitals and other licensed inpatient centers; ambulatory surgical or treatment centers; skilled nursing centers; residential treatment centers; diagnostic, laboratory, and imaging centers; and rehabilitation and other therapeutic health settings.

"Genetic information" means, with respect to an individual, information about: (i) the individual's genetic tests; (ii) the genetic tests of the individual's family members; (iii) the manifestation of a disease or disorder in family members of the individual; or (iv) any request for, or receipt of, genetic services, or participation in clinical research that includes genetic services, by the individual or any family member of the individual. "Genetic information" does not include information about the sex or age of any individual. As used in this definition, "family member" includes a first-degree, second-degree, third-degree, or fourth-degree relative of a covered person.

"Genetic services" means (i) a genetic test; (ii) genetic counseling, including obtaining, interpreting, or assessing genetic information; or (iii) genetic education.

"Genetic test" means an analysis of human DNA, RNA, chromosomes, proteins, or metabolites, if the analysis detects genotypes, mutations, or chromosomal changes. "Genetic test" does not include an analysis of proteins or metabolites that is directly related to a manifested disease, disorder, or pathological condition.

"Grandfathered plan" means coverage provided by a health carrier to (i) a small employer on March 23, 2010, or (ii) an individual that was enrolled on March 23, 2010, including any extension of coverage to an individual who becomes a dependent of a grandfathered enrollee after March 23, 2010, for as long as such plan maintains that status in accordance with federal law.

"Group health insurance coverage" means health insurance coverage offered in connection with a group health benefit plan.

"Group health plan" means an employee welfare benefit plan as defined in § 3(1) of ERISA to the extent that the plan provides medical care within the meaning of § 733(a) of ERISA to employees, including both current and former employees, or their dependents as defined under the terms of the plan directly or through insurance, reimbursement, or otherwise.

"Health benefit plan" means a policy, contract, certificate, or agreement offered by a health carrier to provide, deliver, arrange for, pay for, or reimburse any of the costs of health care services. "Health benefit plan" includes short-term and catastrophic health insurance policies, and a policy that pays on a cost-incurred basis, except as otherwise specifically exempted in this definition. "Health benefit plan" does not include the "excepted benefits" as defined in § 38.2-3431.

"Health care professional" means a physician or other health care practitioner licensed, accredited, or certified to perform specified health care services consistent with state law.

"Health care provider" or "provider" means a health care professional or facility.

"Health care services" means services for the diagnosis, prevention, treatment, cure, or relief of a health condition, illness, injury, or disease.

"Health carrier" means an entity subject to the insurance laws and regulations of the Commonwealth and subject to the jurisdiction of the Commission that contracts or offers to contract to provide, deliver, arrange for, pay for, or reimburse any of the costs of health care services, including an insurer licensed to sell accident and sickness insurance, a health maintenance organization, a health services plan, or any other entity providing a plan of health insurance, health benefits, or health care services.

"Health maintenance organization" means a person licensed pursuant to Chapter 43 (§ 38.2-4300 et seq.).

"Health status-related factor" means any of the following factors: health status; medical condition, including physical and mental illnesses; claims experience; receipt of health care services; medical history; genetic information; evidence of insurability, including conditions arising out of acts of domestic violence; disability; or any other health status-related factor as determined by federal regulation.

"Individual health insurance coverage" means health insurance coverage offered to individuals in the individual market, which includes a health benefit plan provided to individuals through a trust arrangement, association, or other discretionary group that is not an employer plan, but does not include coverage defined as "excepted benefits" in § 38.2-3431 or short-term limited duration insurance. Student health insurance coverage shall be considered a type of individual health insurance coverage. ~~A health carrier offering health insurance coverage in connection with a group health plan shall not be deemed to be a health carrier offering individual health insurance coverage solely because the carrier offers a conversion policy.~~

"Individual market" means the market for health insurance coverage offered to individuals other than in connection with a group health plan.

"Managed care plan" means a health benefit plan that either requires a covered person to use, or creates incentives, including financial incentives, for a covered person to use health care providers managed, owned, under contract with, or employed by the health carrier.

"Network" means the group of participating providers providing services to a managed care plan.

"Open enrollment" means, with respect to individual health insurance coverage, the period of time during which any individual has the opportunity to apply for coverage under a health benefit plan offered by a health carrier and must be accepted for coverage under the plan without regard to a preexisting condition exclusion.

"Participating health care professional" means a health care professional who, under contract with the health carrier or with its contractor or subcontractor, has agreed to provide health care services to covered persons with an expectation of receiving payments, other than coinsurance, copayments, or deductibles, directly or indirectly from the health carrier.

"PPACA" means the Patient Protection and Affordable Care Act (P.L. 111-148), as amended by the Health Care and Education Reconciliation Act of 2010 (P.L. 111-152), and as it may be further amended.

"Preexisting condition exclusion" means a limitation or exclusion of benefits, including a denial of coverage, based on the fact that the condition was present before the effective date of coverage, or if the coverage is denied, the date of denial, whether or not any medical advice, diagnosis, care, or treatment was recommended or received before the effective date of coverage. "Preexisting condition exclusion" also includes a condition identified as a result of a pre-enrollment questionnaire or physical examination given to an individual, or review of medical records relating to the pre-enrollment period.

"Premium" means all moneys paid by an employer, eligible employee, or covered person as a condition of coverage from a health carrier, including fees and other contributions associated with the health benefit plan.

"Primary care health care professional" means a health care professional designated by a covered person to supervise, coordinate, or provide initial care or continuing care to the covered person and who may be required by the health carrier to initiate a referral for specialty care and maintain supervision of health care services rendered to the covered person.

"Rescission" means a cancellation or discontinuance of coverage under a health benefit plan that has a retroactive effect. "Rescission" does not include:

1. A cancellation or discontinuance of coverage under a health benefit plan if the cancellation or discontinuance of coverage has only a prospective effect, or the cancellation or discontinuance of coverage is effective retroactively to the extent it is attributable to a failure to timely pay required premiums or contributions towards the cost of coverage; or

2. A cancellation or discontinuance of coverage when the health benefit plan covers active employees and, if applicable, dependents and those covered under continuation coverage provisions, if the employee pays no premiums for coverage after termination of employment and the cancellation or discontinuance of coverage is effective retroactively back to the date of termination of employment due to a delay in administrative recordkeeping.

"Stabilize" means with respect to an emergency medical condition, to provide such medical treatment as may be necessary to assure, within reasonable medical probability, that no material deterioration of the condition is likely to result from or occur during the transfer of the individual from a facility, or, with respect to a pregnant woman, that the woman has delivered, including the placenta.

"Student health insurance coverage" means a type of individual health insurance coverage that is provided pursuant to a written agreement between an institution of higher education, as defined by the Higher Education Act of 1965, and a health carrier and provided to students enrolled in that institution of higher education and their dependents, and that does not make health insurance coverage available other than in connection with enrollment as a student, or as a dependent of a student, in the institution of higher education, and does not condition eligibility for health insurance coverage on any health status-related factor related to a student or a dependent of the student.

"Wellness program" means a program offered by an employer that is designed to promote health or prevent disease.

§ 38.2-3541. Continuation on termination of eligibility.

A. Each group hospital policy, group medical and surgical policy, or group major medical policy delivered or issued for delivery in this the Commonwealth or renewed, reissued, or extended if already issued; shall contain; ~~subject to the policyholder's selection, one of the options set forth in this section. Option 1 shall apply a provision for continuation of coverage under the group policy~~ if the insurance on a person covered under such a policy ceases because of the termination of the person's eligibility for coverage, prior to that person becoming eligible for Medicare or Medicaid benefits ~~unless such termination is due to termination of the group policy under circumstances in which the insured person is insurable under other replacement group coverage or health care plan without waiting periods or preexisting conditions under the replacement coverage or plan. Option 2 shall apply if the insurance on a person covered under such a policy that remains in force ceases because of the termination of the person's eligibility for coverage prior to that person becoming eligible for Medicare or Medicaid benefits. Option 2. This provision shall not be applicable if the group policyholder is required by federal law to provide for continuation of coverage under its group health plan pursuant to the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA).~~

~~1. Option 1: To have the insurer issue him, without evidence of insurability, an individual accident and sickness insurance policy in the event that the insurer is not exempt under § 38.2-3416 and offers such policy; subject to the following requirements:~~

~~a. The application for the policy shall be made, and the first premium paid to the insurer within thirty-one days after issuance of the written notice required in subdivision 3, but in no event beyond the 60 day period following the date of the termination of the person's eligibility;~~

~~b. The premium on the policy shall be at the insurer's then customary rate applicable: (i) to such policies; (ii) to the class of risk to which the person then belongs; and (iii) to his or her age on the effective date of the policy;~~

~~e. The policy will not result in over-insurance on the basis of the insurer's underwriting standards at the time of issue;~~

~~d. The benefits under the policy shall not duplicate any benefits paid for the same injury or same sickness under the prior policy;~~

~~e. The policy shall extend coverage to the same family members that were insured under the group policy; and~~

~~f. Coverage under this option shall be effected in such a way as to result in continuous coverage from the date of the insured's termination of eligibility for such insured if requested and paid for by the insured.~~

~~2. Option 2: To have his B. The insured's present coverage shall continue under the policy continued for a period of 12 months immediately following the date of the termination of the person's eligibility, without evidence of insurability, subject to the following requirements:~~

~~a. 1. The application and payment for the extended coverage is made to the group policyholder within 31 days after issuance of the written notice required in subdivision 3 subsection C, but in no event beyond the 60 day 60-day period following the date of the termination of the person's eligibility;~~

~~b. 2. Each premium for such extended coverage is timely paid to the group policyholder on a monthly basis during the twelve-month 12-month period;~~

~~e.~~ 3. The premium for continuing the group coverage shall be at the insurer's current rate applicable to the group policy plus any applicable administrative fee not to exceed two percent of the current rate; and

~~d.~~ 4. Continuation shall only be available to an employee or member who has been continuously insured under the group policy during the entire ~~three months~~ *three-month* period immediately preceding termination of eligibility.

~~3.~~ C. The group policyholder shall provide each employee or other person covered under such a policy written notice of the availability of ~~the option chosen~~ *continuation of coverage* and the procedures and timeframes for obtaining continuation ~~or conversion~~ of the group policy. Such notice shall be provided within 14 days of the policyholder's knowledge of the employee's or other covered person's loss of eligibility under the policy.

§ 38.2-4217. Reports.

A. In addition to the annual statement required by § 38.2-1300, the Commission shall require each nonstock corporation to file on a quarterly basis any additional reports, exhibits or statements the Commission considers necessary to furnish full information concerning the condition, solvency, experience, transactions or affairs of the nonstock corporation. The Commission shall establish deadlines for submitting any additional reports, exhibits or statements. The Commission may require verification by any officers of the nonstock corporation the Commission designates.

B. In addition to the annual statement required by § 38.2-1300, the Commission shall require each nonstock corporation to file annually, on or before June 1, an annual statement, signed by two of its principal officers subject to § 38.2-1304, showing:

1. The number of Virginia subscribers by the following type of contract or its equivalent:

- a. Individual, open enrollment; *and*
- b. Medicare, extended, under 65 disabled; ~~and~~

~~e. Individual conversion subscribers.~~

2. The subscriber income and benefit payments in the aggregate for the types of contracts listed above subject to specific breakdown by type of contract as requested by the Commission; and

3. Expenditures for providing public services, in addition to open enrollment, to the community.

§ 38.2-4306. Evidence of coverage and charges for health care services.

A. 1. Each subscriber shall be entitled to evidence of coverage under a health care plan.

2. No evidence of coverage, or amendment to it, shall be delivered or issued for delivery in this Commonwealth until a copy of the form of the evidence of coverage, or amendment to it, has been filed with and approved by the Commission, subject to the provisions of subsection C of this section. Any evidence of coverage for enrollees in the plans administered by the Department of Medical Assistance Services that provide benefits pursuant to Title XIX or Title XXI of the Social Security Act, as amended, is excluded from the provisions of this section.

3. No evidence of coverage shall contain provisions or statements which are unjust, unfair, untrue, inequitable, misleading, deceptive or misrepresentative.

4. An evidence of coverage shall contain a clear and complete statement if a contract, or a reasonably complete summary if a certificate, of:

a. The health care services and any insurance or other benefits to which the enrollee is entitled under the health care plan;

b. Any limitations on the services, kind of services, benefits, or kind of benefits to be provided, including any deductible or copayment feature, or both;

c. Where and in what manner information is available as to how services may be obtained;

d. The total amount of payment for health care services and any indemnity or service benefits that the enrollee is obligated to pay with respect to individual contracts, or an indication whether the plan is contributory or noncontributory for group certificates;

e. A description of the health maintenance organization's method for resolving enrollee complaints. Any subsequent change may be evidenced in a separate document issued to the enrollee; *and*

f. A list of providers and a description of the service area which shall be provided with the evidence of coverage, if such information is not given to the subscriber at the time of enrollment; ~~and~~

~~g. Any right of subscribers covered under a group contract to convert their coverages to an individual contract issued by the health maintenance organization.~~

B. Pursuant to this subsection:

1. No schedule of charges or amendment to the schedule of charges for enrollee coverage for health care services may be used in conjunction with any health care plan until a copy of the schedule, or its amendment, has been filed with the Commission. Any schedule of charges or amendment to the schedule of charges for enrollees in the plans administered by the Department of Medical Assistance Services that provide benefits pursuant to Title XIX or Title XXI of the Social Security Act, as amended, is excluded from the provisions of this subsection.

2. The charges may be established for various categories of enrollees based upon sound actuarial principles, provided that charges applying to an enrollee in a group health plan shall not be individually determined based on the status of his health. A certification on the appropriateness of the charges, based upon reasonable assumptions, may be required by the Commission to be filed along with adequate supporting information. This certification shall be prepared by a qualified actuary or other qualified professional approved by the Commission.

C. The Commission shall, within a reasonable period, approve any form if the requirements of subsection A of this section are met. It shall be unlawful to issue a form until approved. If the Commission disapproves a filing, it shall notify the filer. The Commission shall specify the reasons for its disapproval in the notice. A written request for a hearing on the disapproval may be made to the Commission within 30 days after notice of the disapproval. If the Commission does not disapprove any form within 30 days of the filing of such form, it shall be deemed approved unless the filer is notified in writing that the waiting period is extended by the Commission for an additional 30 days. Filing of the form means actual receipt by the Commission.

D. The Commission may require the submission of any relevant information it considers necessary in determining whether to approve or disapprove a filing made under this section.

E. The provisions of this section shall not apply in any instance in which the provisions of this section are inconsistent or in conflict with a provision of Article 6 (§ 38.2-3438 et seq.) of Chapter 34.

§ 38.2-4310. Protection against insolvency.

A. Each health maintenance organization shall deposit and maintain acceptable securities with the State Treasurer in amounts prescribed by § 38.2-4310.1. The deposit shall be held as a special fund in trust, as a guarantee that the obligations to the enrollees who are residents of this Commonwealth will be performed. The securities shall be deposited pursuant to a system of book-entry evidencing ownership interests of the securities with transfers of ownership interests effected on the records of a depository and its participants pursuant to rules and procedures established by the depository. Upon a determination of insolvency or action by the Commission pursuant to § 38.2-4317, the deposit shall be used to protect the interests of the health maintenance organization's enrollees and to assure continuation of covered services to enrollees. If a health maintenance organization is placed in receivership, the deposit shall be an asset subject to the provisions of Chapter 15 (§ 38.2-1500 et seq.) of this title.

B. The Commission may require that each health maintenance organization have a plan for handling insolvency which allows for continuation of benefits for the duration of the contract period for which premiums have been paid and continuation of benefits to members who are confined on the date of insolvency in an inpatient facility until their discharge or expiration of benefits. In considering such a plan, the Commission may require:

1. Insurance satisfactory in form and content to the Commission to cover the expenses to be paid for continued benefits after an insolvency;

2. Provisions in provider contracts that obligate the provider to provide services for the duration of the period after the health maintenance organization's insolvency for which premium payment has been made and until the enrollees' discharge from inpatient facilities;

3. Acceptable letters of credit; or

4. Any other arrangements to assure that benefits are continued as specified above.

C. 1. In the event of an insolvency of a health maintenance organization, all other carriers that participated in the enrollment process with the insolvent health maintenance organization at a group's last regular enrollment period shall offer such group's enrollees of the insolvent health maintenance organization a ~~thirty-day~~ 30-day enrollment period commencing upon a date to be prescribed by the Commission. Each carrier shall offer such enrollees of the insolvent health maintenance organization the same coverages and rates then in effect for its enrollees in such group.

2. If no other carrier had been offered to some groups enrolled in the insolvent health maintenance organization, or if the Commission determines that the other health benefit plan lacks sufficient health care delivery resources to assure that health care services shall be available and accessible to all of the group enrollees of the insolvent health maintenance organization, then the Commission may allocate equitably the insolvent health maintenance organization's group contracts for such groups among all health maintenance organizations which operate within a portion of the insolvent health maintenance organization's service area, taking into consideration the health care delivery resources of each health maintenance organization. Each health maintenance organization to which a group or groups are so allocated shall offer such group or groups the health maintenance organization's existing coverage which is most similar to each group's coverage with the insolvent health maintenance organization at rates determined in accordance with the successor health maintenance organization's existing rating methodology.

3. The Commission may also allocate equitably the insolvent health maintenance organization's nongroup enrollees which are unable to obtain other coverage among all health maintenance organizations which operate within a portion of the insolvent health maintenance organization's service area, taking into consideration the health care delivery resources of each such health maintenance organization. Each health maintenance organization to which nongroup enrollees are allocated shall offer such nongroup enrollees the health maintenance organization's existing coverage for individual ~~or conversion~~ coverage as determined by his type of coverage in the insolvent health maintenance organization at rates determined in accordance with the successor health maintenance organization's existing rating methodology. Successor health maintenance organizations which do not offer direct nongroup enrollment may aggregate all of the allocated nongroup enrollees into one group for rating and coverage purposes.

D. 1. Any carrier providing replacement coverage with respect to group hospital, medical or surgical expense or service benefits within a period of ~~sixty~~ 60 days from the date of discontinuance of a prior health maintenance organization contract or policy providing such hospital, medical or surgical expense or service benefits shall immediately cover all employees and dependents who were validly covered under the previous health maintenance organization contract or policy

at the date of discontinuance and who would otherwise be eligible for coverage under the succeeding carrier's contract, regardless of any provisions of the contract relating to active employment or hospital confinement or pregnancy.

2. Except to the extent benefits for the condition would have been reduced or excluded under the prior carrier's contract or policy, no provision in a succeeding carrier's contract of replacement coverage which would operate to reduce or exclude benefits on the basis that the condition giving rise to benefits preexisted the effective date of the succeeding carrier's contract shall be applied with respect to those employees and dependents validly covered under the prior carrier's contract or policy on the date of discontinuance.

~~E. [Repealed.]~~

§ 38.2-4319. Statutory construction and relationship to other laws.

A. No provisions of this title except this chapter and, insofar as they are not inconsistent with this chapter, §§ 38.2-100, 38.2-136, 38.2-200, 38.2-203, 38.2-209 through 38.2-213, 38.2-216, 38.2-218 through 38.2-225, 38.2-229, 38.2-232, 38.2-305, 38.2-316, 38.2-316.1, 38.2-322, 38.2-326, 38.2-400, 38.2-402 through 38.2-413, 38.2-500 through 38.2-515, 38.2-600 through 38.2-620, Chapter 9 (§ 38.2-900 et seq.), §§ 38.2-1016.1 through 38.2-1023, 38.2-1057, 38.2-1306.1, Article 2 (§ 38.2-1306.2 et seq.), § 38.2-1315.1, Articles 3.1 (§ 38.2-1316.1 et seq.), 4 (§ 38.2-1317 et seq.) and 5 (§ 38.2-1322 et seq.) of Chapter 13, Articles 1 (§ 38.2-1400 et seq.) and 2 (§ 38.2-1412 et seq.) of Chapter 14, §§ 38.2-1800 through 38.2-1836, 38.2-3401, 38.2-3405, 38.2-3405.1, 38.2-3406.1, 38.2-3407.2 through 38.2-3407.6:1, 38.2-3407.9 through 38.2-3407.18, 38.2-3411, 38.2-3411.2, 38.2-3411.3, 38.2-3411.4, 38.2-3412.1:01, 38.2-3414.1, 38.2-3418.1 through 38.2-3418.17, 38.2-3419.1, 38.2-3430.1 through 38.2-3454, 38.2-3500, subdivision 13 of § 38.2-3503, subdivision 8 of § 38.2-3504, §§ 38.2-3514.1, 38.2-3514.2, 38.2-3522.1 through 38.2-3523.4, 38.2-3525, 38.2-3540.1, 38.2-3540.2, ~~38.2-3541.1~~, 38.2-3541.2, 38.2-3542, 38.2-3543.2, Article 5 (§ 38.2-3551 et seq.) of Chapter 35, Chapter 35.1 (§ 38.2-3556 et seq.), Chapter 52 (§ 38.2-5200 et seq.), Chapter 55 (§ 38.2-5500 et seq.), and Chapter 58 (§ 38.2-5800 et seq.) shall be applicable to any health maintenance organization granted a license under this chapter. This chapter shall not apply to an insurer or health services plan licensed and regulated in conformance with the insurance laws or Chapter 42 (§ 38.2-4200 et seq.) except with respect to the activities of its health maintenance organization.

B. For plans administered by the Department of Medical Assistance Services that provide benefits pursuant to Title XIX or Title XXI of the Social Security Act, as amended, no provisions of this title except this chapter and, insofar as they are not inconsistent with this chapter, §§ 38.2-100, 38.2-136, 38.2-200, 38.2-203, 38.2-209 through 38.2-213, 38.2-216, 38.2-218 through 38.2-225, 38.2-229, 38.2-232, 38.2-322, 38.2-400, 38.2-402 through 38.2-413, 38.2-500 through 38.2-515, 38.2-600 through 38.2-620, Chapter 9 (§ 38.2-900 et seq.), §§ 38.2-1016.1 through 38.2-1023, 38.2-1057, 38.2-1306.1, Article 2 (§ 38.2-1306.2 et seq.), § 38.2-1315.1, Articles 3.1 (§ 38.2-1316.1 et seq.), 4 (§ 38.2-1317 et seq.) and 5 (§ 38.2-1322 et seq.) of Chapter 13, Articles 1 (§ 38.2-1400 et seq.) and 2 (§ 38.2-1412 et seq.) of Chapter 14, §§ 38.2-3401, 38.2-3405, 38.2-3407.2 through 38.2-3407.5, 38.2-3407.6, 38.2-3407.6:1, 38.2-3407.9, 38.2-3407.9:01, and 38.2-3407.9:02, subdivisions F 1, F 2, and F 3 of § 38.2-3407.10, §§ 38.2-3407.11, 38.2-3407.11:3, 38.2-3407.13, 38.2-3407.13:1, 38.2-3407.14, 38.2-3411.2, 38.2-3418.1, 38.2-3418.2, 38.2-3419.1, 38.2-3430.1 through 38.2-3437, 38.2-3500, subdivision 13 of § 38.2-3503, subdivision 8 of § 38.2-3504, §§ 38.2-3514.1, 38.2-3514.2, 38.2-3522.1 through 38.2-3523.4, 38.2-3525, 38.2-3540.1, 38.2-3540.2, 38.2-3541.2, 38.2-3542, 38.2-3543.2, Chapter 52 (§ 38.2-5200 et seq.), Chapter 55 (§ 38.2-5500 et seq.), and Chapter 58 (§ 38.2-5800 et seq.) shall be applicable to any health maintenance organization granted a license under this chapter. This chapter shall not apply to an insurer or health services plan licensed and regulated in conformance with the insurance laws or Chapter 42 (§ 38.2-4200 et seq.) except with respect to the activities of its health maintenance organization.

C. Solicitation of enrollees by a licensed health maintenance organization or by its representatives shall not be construed to violate any provisions of law relating to solicitation or advertising by health professionals.

D. A licensed health maintenance organization shall not be deemed to be engaged in the unlawful practice of medicine. All health care providers associated with a health maintenance organization shall be subject to all provisions of law.

E. Notwithstanding the definition of an eligible employee as set forth in § 38.2-3431, a health maintenance organization providing health care plans pursuant to § 38.2-3431 shall not be required to offer coverage to or accept applications from an employee who does not reside within the health maintenance organization's service area.

F. For purposes of applying this section, "insurer" when used in a section cited in subsections A and B shall be construed to mean and include "health maintenance organizations" unless the section cited clearly applies to health maintenance organizations without such construction.

2. That §§ 38.2-3416 and 38.2-3541.1 of the Code of Virginia are repealed.

CHAPTER 815

An Act to amend and reenact §§ 2.2-435.6, 2.2-435.7, 2.2-2101, as it is currently effective and as it shall become effective, 23-38.93, and 60.2-113 of the Code of Virginia; to amend the Code of Virginia by adding in Chapter 24 of Title 2.2 an article numbered 24, consisting of sections numbered 2.2-2470 through 2.2-2477; and to repeal Article 25 (§§ 2.2-2669 through 2.2-2674.1) of Chapter 26 of Title 2.2 and Chapter 4.4:4 (§§ 23-38.53:12 through 23-38.53:20) of Title 23 of the Code of Virginia, relating to workforce development.

[H 1009]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:

1. That §§ 2.2-435.6, 2.2-435.7, 2.2-2101, as it is currently effective and as it shall become effective, 23-38.93, and 60.2-113 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding in Chapter 24 of Title 2.2 an article numbered 24, consisting of sections numbered 2.2-2470 through 2.2-2477, as follows:

§ 2.2-435.6. Chief Workforce Development Officer.

A. The Governor shall serve as Chief Workforce Development Officer for the Commonwealth.

B. The Governor may ~~designate a senior staff member from the immediate staff of the Governor's Office to appoint a Chief Workforce Development Advisor who shall~~ be responsible for the ~~responsibilities~~ duties assigned to the Governor ~~him~~ pursuant to this chapter and Article 25 24 (§ ~~2.2-2669~~ 2.2-2470 et seq.) of Chapter 26 ~~of this title~~ 24 or other tasks as may be assigned to ~~such person~~ *him* by the Governor.

§ 2.2-435.7. Responsibilities of the Chief Workforce Development Advisor.

A. The Governor's responsibilities ~~as of the~~ Chief Workforce Development ~~Officer~~ *Advisor* shall include:

1. Developing a strategic plan for the statewide delivery of workforce development and training programs and activities. The strategic plan shall be developed in coordination with the development of the comprehensive economic development policy required by § 2.2-205. The strategic plan shall include performance measures that link the objectives of such programs and activities to the record of state agencies, local workforce investment boards, and other relevant entities in attaining such objectives;

2. To the extent permissible under applicable federal law, determining the appropriate allocation of funds and other resources that have been appropriated or are otherwise available for disbursement by the Commonwealth for workforce development programs and activities;

3. Ensuring that the Commonwealth's workforce development efforts are implemented in a coordinated and efficient manner by, among other activities, taking appropriate executive action to this end and recommending to the General Assembly necessary legislative actions to streamline and eliminate duplication in such efforts;

4. Facilitating efficient implementation of workforce development and training programs by cabinet secretaries and agencies responsible for such programs;

5. Developing, in coordination with the Virginia *Board of Workforce Council Development*, (i) certification standards for programs and providers and (ii) uniform policies and procedures, including standardized forms and applications, for one-stop centers;

6. Monitoring, in coordination with the Virginia *Board of Workforce Council Development*, the effectiveness of each one-stop center and recommending actions needed to improve their effectiveness;

7. Establishing measures to evaluate the effectiveness of the local workforce investment boards and conducting annual evaluations of the effectiveness of each local workforce investment board. As part of the evaluation process, the Governor shall recommend to such boards specific best management practices;

8. Conducting annual evaluations of the performance of workforce development and training programs and activities and their administrators and providers, using the performance measures developed through the strategic planning process described in subdivision 1. The evaluations shall include, to the extent feasible, (i) a comparison of the per-person costs for each program or activity, (ii) a comparative rating of each program or activity based on its success in meeting program objectives, and (iii) an explanation of the extent to which each agency's appropriation requests incorporate the data reflected in the cost comparison described in clause (i) and the comparative rating described in clause (ii). These evaluations, including the comparative rankings, shall be considered in allocating resources for workforce development and training programs. These evaluations shall be submitted to the chairs of the House and Senate Commerce and Labor Committees and included in the biennial reports pursuant to subdivision ~~A~~ 10;

9. Monitoring federal legislation and policy, in order to maximize the Commonwealth's effective use of and access to federal funding available for workforce development programs; and

10. Submitting biennial reports, which shall be included in the Governor's executive budget submissions to the General Assembly, on improvements in the coordination of workforce development efforts statewide. The reports shall identify (i) program success rates in relation to performance measures established by the Virginia *Board of Workforce Council Development*, (ii) obstacles to program and resource coordination, and (iii) strategies for facilitating statewide program and resource coordination.

B. The *Chief Workforce Development Advisor* shall report to the Governor ~~may delegate any of his responsibilities enumerated in subsection A to a senior staff member within his immediate office.~~

§ 2.2-2101. (Effective until July 1, 2017) Prohibition against service by legislators on boards, commissions, and councils within the executive branch; exceptions.

Members of the General Assembly shall be ineligible to serve on boards, commissions, and councils within the executive branch of state government who are responsible for administering programs established by the General Assembly. Such prohibition shall not extend to boards, commissions, and councils engaged solely in policy studies or commemorative activities. If any law directs the appointment of any member of the General Assembly to a board, commission, or council in the executive branch of state government that is responsible for administering programs established by the General

Assembly, such portion of such law shall be void, and the Governor shall appoint another person from the Commonwealth at large to fill such a position.

The provisions of this section shall not apply to members of the Board for Branch Pilots, who shall be appointed as provided for in § 54.1-901; to members of the Board of Trustees of the Southwest Virginia Higher Education Center, who shall be appointed as provided for in § 23-231.3; to members of the Board of Trustees of the Southern Virginia Higher Education Center, who shall be appointed as provided for in § 23-231.25; to members of the Board of Directors of the New College Institute who shall be appointed as provided for in § 23-231.31; to members of the Virginia Interagency Coordinating Council who shall be appointed as provided for in § 2.2-5204; to members of the Board of Veterans Services, who shall be appointed as provided for in § 2.2-2452; to members appointed to the Board of Trustees of the Roanoke Higher Education Authority pursuant to § 23-231.15; to members of the Virginia Geographic Information Network Advisory Board, who shall be appointed as provided for in § 2.2-2423; to members of the Opportunity Educational Institution Board, who shall be appointed as provided for in § 22.1-27.1; to members of the Board of Visitors of the Virginia School for the Deaf and the Blind, who shall be appointed as provided for in § 22.1-346.2; to members of the Substance Abuse Services Council, who shall be appointed as provided for in § 2.2-2696; to members of the Criminal Justice Services Board, who shall be appointed as provided for in § 9.1-108; to members of the Council on Virginia's Future, who shall be appointed as provided for in § 2.2-2685; to members of the State Executive Council for Comprehensive Services for At-Risk Youth and Families, who shall be appointed as provided for in § 2.2-2648; to members of the Virginia *Board of Workforce Council Development*, who shall be appointed as provided for in § ~~2.2-2669~~ 2.2-2471; to members of the Volunteer Firefighters' and Rescue Squad Workers' Service Award Fund Board, who shall be appointed as provided for in § 51.1-1201; to members of the Secure Commonwealth Panel, who shall be appointed as provided for in § 2.2-233; to members of the Forensic Science Board, who shall be appointed as provided for in § 9.1-1109; or to members of the Southwest Virginia Cultural Heritage Foundation, who shall be appointed as provided in § 2.2-2735.

§ 2.2-2101. (Effective July 1, 2017) Prohibition against service by legislators on boards, commissions, and councils within the executive branch; exceptions.

Members of the General Assembly shall be ineligible to serve on boards, commissions, and councils within the executive branch of state government who are responsible for administering programs established by the General Assembly. Such prohibition shall not extend to boards, commissions, and councils engaged solely in policy studies or commemorative activities. If any law directs the appointment of any member of the General Assembly to a board, commission, or council in the executive branch of state government that is responsible for administering programs established by the General Assembly, such portion of such law shall be void, and the Governor shall appoint another person from the Commonwealth at large to fill such a position.

The provisions of this section shall not apply to members of the Board for Branch Pilots, who shall be appointed as provided for in § 54.1-901; to members of the Board of Trustees of the Southwest Virginia Higher Education Center, who shall be appointed as provided for in § 23-231.3; to members of the Board of Trustees of the Southern Virginia Higher Education Center, who shall be appointed as provided for in § 23-231.25; to members of the Board of Directors of the New College Institute who shall be appointed as provided for in § 23-231.31; to members of the Virginia Interagency Coordinating Council who shall be appointed as provided for in § 2.2-5204; to members of the Board of Veterans Services, who shall be appointed as provided for in § 2.2-2452; to members appointed to the Board of Trustees of the Roanoke Higher Education Authority pursuant to § 23-231.15; to members of the Virginia Geographic Information Network Advisory Board, who shall be appointed as provided for in § 2.2-2423; to members of the Opportunity Educational Institution Board, who shall be appointed as provided for in § 22.1-27.1; to members of the Board of Visitors of the Virginia School for the Deaf and the Blind, who shall be appointed as provided for in § 22.1-346.2; to members of the Substance Abuse Services Council, who shall be appointed as provided for in § 2.2-2696; to members of the Criminal Justice Services Board, who shall be appointed as provided for in § 9.1-108; to members of the State Executive Council for Comprehensive Services for At-Risk Youth and Families, who shall be appointed as provided in § 2.2-2648; to members of the Virginia *Board of Workforce Council Development*, who shall be appointed as provided for in § ~~2.2-2669~~ 2.2-2471; to members of the Volunteer Firefighters' and Rescue Squad Workers' Service Award Fund Board, who shall be appointed as provided for in § 51.1-1201; to members of the Secure Commonwealth Panel, who shall be appointed as provided for in § 2.2-233; to members of the Forensic Science Board, who shall be appointed as provided for in § 9.1-1109; or to members of the Southwest Virginia Cultural Heritage Foundation, who shall be appointed as provided in § 2.2-2735.

Article 24.

Virginia Board of Workforce Development.

§ 2.2-2470. Definitions.

As used in this article:

"Local workforce investment board" means a local workforce investment board established under § 117 of the WIA.

"One stop" means a conceptual approach to service delivery intended to provide a single point of access for receiving a wide range of workforce development and employment services, either on-site or electronically, through a single system.

"One-stop center" means a physical site where core services are provided, either on-site or electronically, and access to intensive services, training services, and other partner program services are available for employers, employees, and job seekers.

"One-stop operator" means a single entity or consortium of entities that operate a one-stop center or centers. Operators may be public or private entities competitively selected or designated through an agreement with a local workforce board.

"Virginia Workforce Network" includes the programs and activities enumerated in subsection G of § 2.2-2472.

"WIA" means the federal Workforce Investment Act of 1998 (P.L. 105-220), as amended.

§ 2.2-2471. Virginia Board of Workforce Development; purpose; membership; terms; compensation and expenses; staff.

A. The Virginia Board of Workforce Development (the Board) is established as a policy board, within the meaning of § 2.2-2100, in the executive branch of state government. The purpose of the Board shall be to assist and advise the Governor, the General Assembly, and the Chief Workforce Development Advisor in meeting workforce training needs in the Commonwealth through recommendation of policies and strategies to increase coordination and thus efficiencies of operation between all education and workforce programs with responsibilities and resources for occupational training.

B. The Board shall consist of a maximum of 26 members as follows:

1. The Board shall include two members of the House of Delegates to be appointed by the Speaker of the House of Delegates and two members of the Senate to be appointed by the Senate Committee on Rules. Legislative members shall serve terms coincident with their terms of office and may be reappointed for successive terms.

2. The Governor or his designee who shall be selected from among the cabinet-level officials appointed to the Board; the Secretaries of Commerce and Trade, Education, Health and Human Resources, and Veterans Affairs and Homeland Security, or their designees; and the Chancellor of the Virginia Community College System or his designee shall serve as ex officio members.

3. The Governor shall appoint members as follows: one local elected official; two representatives nominated by state labor federations; and 14 nonlegislative citizen members representing the business community, to include the presidents of the Virginia Chamber of Commerce and the Virginia Manufacturers Association, one representative of proprietary employment training schools, one representative of health care employers, and the remaining members who are business owners, chief executive officers, chief operating officers, chief financial officers, senior managers, or other business executives or employers with optimum policy-making or hiring authority and who shall represent diverse regions of the state, to include urban, suburban, and rural areas, at least two of whom shall be members of local workforce investment boards. Nonlegislative citizen members may be nonresidents of the Commonwealth.

Members appointed in accordance with this subdivision shall serve four-year terms, subject to the pleasure of the Governor, and may be reappointed.

C. If one person appointed to fill one of the enumerated positions in subsection B also qualifies to fill any other of the enumerated positions, such person may, at the discretion of the Governor, be deemed to fill any or all of the enumerated positions for which such person qualifies.

D. The Governor shall select a chairman and vice-chairman, who shall serve two-year terms, from among the 14 nonlegislative citizen members representing the business community appointed in accordance with subdivision B 3. No member shall be eligible to serve more than one two-year term as chairman. The Board shall meet upon the call of the chair or the Governor. The chairman and the vice-chairman shall select at least five members of the Board to serve as an executive committee of the Board, which shall have the limited purpose of establishing meeting agendas, approving reports to the Governor, and responding to urgent federal, state, and local issues between scheduled Board meetings.

E. Compensation and reimbursement of expenses of the members shall be as follows:

1. Legislative members appointed in accordance with subdivision B 1 shall receive such compensation and reimbursement of expenses incurred in the performance of their duties as provided in §§ 2.2-2813, 2.2-2825, and 30-19.12.

2. Members of the Board appointed in accordance with subdivision B 2 shall not receive compensation but shall be reimbursed for all reasonable and necessary expenses incurred in the performance of their duties as provided in §§ 2.2-2813 and 2.2-2825.

3. Members of the Board appointed in accordance with subdivision B 3 shall not receive compensation but shall be reimbursed for all reasonable and necessary expenses incurred in the performance of their duties as provided in §§ 2.2-2813 and 2.2-2825.

Funding for the costs of compensation and expenses of the members shall be provided from federal funds received under the WIA.

F. The Chief Workforce Development Advisor shall serve as lead staff to the Board. The Office of the Chancellor of the Virginia Community College System (i) shall provide staff support to accomplish the federally mandated requirements of the WIA and (ii) shall enter into a memorandum of agreement with the Offices of the Secretaries of Commerce and Trade and Education for the purpose of having personnel from the Office provide staff support to accomplish the other duties and functions of the Board. The memorandum of agreement shall address the scope of duties of the Offices' personnel in providing such staff assistance to the Board. All other agencies in the executive branch of the Commonwealth shall provide assistance to the Board upon request.

§ 2.2-2472. Powers and duties of the Board; Virginia Workforce Network created.

A. The Board shall undertake the following actions to implement and foster workforce training and better align education and workforce programs to meet current and projected skills requirements of an increasingly technological, global workforce:

1. Provide policy advice to the Governor on workforce and workforce development issues;
 2. Provide policy direction to local workforce investment boards;
 3. Provide recommendations on the policy, plans, and procedures for secondary and postsecondary career and technical education activities authorized under the federal Carl D. Perkins Vocational and Applied Technology Education Act (20 U.S.C. § 2301 et seq.) to ensure alignment with the state's plan for coordinating programs authorized under Title I of the WIA and under the federal Wagner-Peyser Act (29 U.S.C. § 49 et seq.);
 4. Provide recommendations on the policy, plans, and procedures for other education and workforce development programs that provide resources and funding for training and employment services as identified by the Governor or Board;
 5. Identify current and emerging statewide workforce needs of the business community;
 6. Forecast and identify training requirements for the new workforce;
 7. Recommend strategies that will match trained workers with available jobs to include strategies for increasing business engagement in education and workforce development;
 8. Develop WIA incentive grant applications and approve criteria for awarding incentive grants;
 9. Develop and approve criteria for the reallocation of unexpended WIA funds from local workforce investment boards;
 10. Conduct a review of budgets, which shall be submitted annually to the Board by each agency conducting federal and state funded career and technical and adult education and workforce development programs, that identify the agency's sources and expenditures of administrative, workforce training, and leadership funds for workforce development programs;
 11. Administer the Virginia Career Readiness Certificate Program in accordance with § 2.2-2477 and review and recommend industry credentials that align with high demand occupations;
 12. Define the Board's role in certifying WIA training providers, including those not subject to the authority expressed in Chapter 21.1 (§ 23-276.1 et seq.) of Title 23;
 13. Provide an annual report to the Governor concerning its actions and determinations under subdivisions 1 through 13;
 14. Create procedures, guidelines, and directives applicable to local workforce investment boards and the operation of one-stops, as necessary and appropriate to carry out the purposes of this article; and
 15. Perform any act or function in accordance with the purposes of this article.
- B. The Board may establish such committees as it deems necessary including the following:
1. A committee to accomplish the federally mandated requirements of the WIA;
 2. An advanced technology committee to focus on high-technology workforce training needs and skills attainment solutions through sector strategies, career readiness, and career pathways;
 3. A performance and accountability committee to coordinate with the Virginia Employment Commission, State Council of Higher Education for Virginia, and the Council on Virginia's Future to develop the metrics and measurements for publishing comprehensive workforce score cards and other longitudinal data that will enable the Virginia Workforce Network to measure comprehensive accountability and performance; and
 4. A military transition assistance committee to focus on military transition assistance, including reforms to (i) improve the integration of the federal Local Veterans Employment Representative Program and the Disabled Veterans Outreach Program into all Virginia Workforce Centers and (ii) reduce process and qualification barriers to training and employment services.
- C. The Board and the Governor's cabinet secretaries shall assist the Governor in complying with the provisions of the WIA and ensuring the coordination and effectiveness of all federal and state funded career and technical and adult education and workforce development programs and providers comprising elements of Virginia's Career Pathways System and Workforce Network.
- D. The Board shall assist the Governor in the following areas with respect to workforce development: development of the WIA Wagner-Peyser State Plan; development and continuous improvement of a statewide workforce development and career pathways system that ensures career readiness and coordinates and aligns career and technical education, adult education, and federal and state workforce programs; development of linkages to ensure coordination and nonduplication among programs and activities; review of local plans; designation of local areas; development of local discretionary allocation formulas; development and continuous improvement of comprehensive state performance measures including, without limitation, performance measures reflecting the degree to which one-stop centers provide comprehensive services with all mandatory partners and the degree to which local workforce investment boards have obtained funding from sources other than the WIA; preparation of the annual report to the U.S. Secretary of Labor; development of a statewide employment statistics system; and development of a statewide system of one-stop centers that provide comprehensive workforce services to employers, employees, and job seekers.
- The Board shall share information regarding its meetings and activities with the public.
- E. Each local workforce investment board shall develop and submit to the Governor and the Virginia Board of Workforce Development an annual workforce demand plan for its workforce investment board area based on a survey of local and regional businesses that reflects the local employers' needs and requirements and the availability of trained workers to meet those needs and requirements; designate or certify one-stop operators; identify eligible providers of youth activities; identify eligible providers of intensive services if unavailable at one-stop; develop a budget; conduct local oversight of one-stop operators and training providers in partnership with its local chief elected official; negotiate local performance measures, including incentives for good performance and penalties for inadequate performance; assist in

developing statewide employment statistics; coordinate workforce investment activities with economic development strategies and the annual demand plan, and develop linkages among them; develop and enter into memoranda of understanding with one-stop partners and implement the terms of such memoranda; promote participation by the private sector; actively seek sources of financing in addition to WIA funds; report performance statistics to the Virginia Board of Workforce Development; and certify local training providers in accordance with criteria provided by the Virginia Board of Workforce Development. Further, a local training provider certified by any workforce investment board has reciprocal certification for all workforce investment boards.

Each local workforce investment board shall share information regarding its meetings and activities with the public.

F. Each chief local elected official shall consult with the Governor regarding designation of local workforce investment areas; appoint members to the local board in accordance with state criteria; serve as the local grant recipient unless another entity is designated in the local plan; negotiate local performance measures with the Governor; ensure that all mandated partners are active participants in the local workforce investment board and one-stop center; and collaborate with the local workforce investment board on local plans and program oversight.

G. Each local workforce investment board shall develop and enter into a memorandum of understanding concerning the operation of the one-stop delivery system in the local area with each entity that carries out any of the following programs or activities:

1. Programs authorized under Title I of the WIA;
2. Programs authorized under the Wagner-Peyser Act (29 U.S.C. § 49 et seq.);
3. Adult education and literacy activities authorized under Title II of the WIA;
4. Programs authorized under Title I of the Rehabilitation Act of 1973 (29 U.S.C. § 720 et seq.);
5. Postsecondary career and technical education activities authorized under the Carl D. Perkins Vocational and Applied Technology Education Act (20 U.S.C. § 2301 et seq.);
6. Activities authorized under Chapter 2 of Title II of the Trade Act of 1974 (19 U.S.C. § 2271 et seq.);
7. Activities pertaining to employment and training programs for veterans authorized under 38 U.S.C. § 4100 et seq.;
8. Programs authorized under Title 60.2, in accordance with applicable federal law;
9. Workforce development activities or work requirements of the Temporary Assistance to Needy Families (TANF) program known in Virginia as the Virginia Initiative for Employment, Not Welfare (VIEW) program established pursuant to § 63.2-608;
10. Workforce development activities or work programs authorized under the Food Stamp Act of 1977 (7 U.S.C. § 2011 et seq.); and
11. Other programs or activities as required by the WIA.

H. The Chief Workforce Development Advisor shall be responsible for the coordination of the Virginia Workforce Network and the implementation of the WIA.

§ 2.2-2473. Regional workforce training centers.

A. Regional workforce training centers shall be established at institutions within the Virginia Community College System in the Peninsula, Southside, Central Virginia, and Western Tidewater regions to assist the Board in (i) coordinating specific high-skill training, (ii) developing industry standards and related curricula, and (iii) providing skills assessments.

B. The Virginia Community College System shall evaluate other regional workforce center locations and recommend to the Board their establishment as such needs are identified. The Virginia Community College System shall support regional workforce training centers created by the Regional Competitiveness Act (§ 15.2-1306 et seq.) in which community colleges participate.

C. Approved noncredit workforce training programs offered by community colleges may receive general fund support as provided in the appropriation act.

§ 2.2-2474. Authorization of facilities use and equipment rental; fees.

Workforce training students at local community college boards and public institutions of higher education may be required to pay facility use and equipment rental fees beyond regular tuition charges for workforce training programs requiring specialized facilities or equipment. Such fees shall either be paid by such students directly to the provider of the facility or equipment or to the college for reimbursement to such provider. The fees shall be no more than the normal fees charged to the general public for the same or similar facilities or equipment. The nature of each fee authorized by this section shall be described in course schedules. All fees authorized by this section shall be reported annually to the Virginia Community College System and public institutions' boards.

§ 2.2-2475. Trade secrets.

Trade secrets that a nonpublic body submits as an offeror in connection with a proposed workforce training program shall not be subject to disclosure under the Virginia Freedom of Information Act (§ 2.2-3700 et seq.). However, such offeror shall (i) invoke the protections of this section prior to or upon submission of the data or other materials, (ii) identify the data or other materials to be protected, and (iii) state the reasons why protection is necessary.

§ 2.2-2476. Workforce Training Access Program and Fund.

A. To facilitate the employment of residents of the Commonwealth, to provide a qualified and competent workforce for Virginia's employers, and to promote the industrial and economic development of the Commonwealth, which purposes are

declared and determined to be public purposes, there is created the Workforce Training Access Program, to be administered by the Secretary of Finance as provided in this section.

B. From such funds as are appropriated for this purpose and from such gifts, donations, grants, bequests, and other funds as may be received on its behalf, there is created in the state treasury a special nonreverting fund to be known as the Workforce Training Access Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund.

The assets of the Fund shall be reserved, invested, and expended solely pursuant to and for the purposes of this section and shall not be expended or otherwise transferred or used by the Commonwealth for any other purpose. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Secretary of Finance only as a guaranty of payment of workforce training loans made by a national student loan marketing association pursuant to the provisions of this section.

C. The Secretary of Finance is authorized to enter into an agreement with a national student loan marketing association that shall originate, fund, and service workforce training loans in accordance with the provisions of this section to persons enrolled in workforce training courses and programs that the Virginia Board of Workforce Development has certified to be responding to the technology needs of business and industry in the Commonwealth pursuant to § 2.2-2472.

The terms and conditions of such workforce training loans shall be consistent with market conditions and shall provide a repayment sufficient to amortize the cost of the training over its expected useful life, not to exceed 60 months. No person may receive a workforce training loan or loans that would result in that person owing an outstanding amount in excess of the tuition and required fees for the certified workforce training course or program in which such person participates.

Only persons (i) who have established domicile in Virginia, as provided in § 23-7.4 or (ii) who are employed in Virginia and whose employers make loan repayments directly by payroll deduction or tuition assistance, before providing for the training needs of other students in such certified courses, shall be eligible to receive workforce training loans. Nothing herein shall be construed to impose an obligation upon an employer to make loan payments or to continue tuition assistance after termination of the student's employment.

Consistent with Article VIII, Sections 10 and 11 of the Constitution of Virginia, the assets of the Fund shall be pledged as a guaranty of payment of workforce training loans made by such national student loan marketing association and may be expended in satisfaction of the guaranty obligations incurred thereby. Neither the Commonwealth nor any of its agencies, political subdivisions, or employees shall have any other or further liability in connection with such workforce training loans.

The agreement shall provide for annual evaluation by such national student loan marketing association and the Secretary of Finance, or his designee, of the aggregate unpaid amount of workforce training loans that such national student loan marketing association shall make available hereunder. Such association shall agree to make available workforce training loans in an aggregate unpaid amount of not less than five times the amount of all cash, cash equivalents, investments, and other assets that would then be available in the Fund.

D. If such association ceases to make workforce training loans available as provided under the agreement, the Fund shall revert to the general fund of the Commonwealth, free of the restrictions imposed by this section, after payment of or provision for any outstanding obligations that the Fund guarantees.

§ 2.2-2477. Virginia Career Readiness Certificate Program.

A. There is created the Virginia Career Readiness Certificate Program (the Program) to certify the workplace and college readiness skills of Virginians, in order to better prepare them for continued education and workforce training, successful employment, and career advancement.

B. The Program may be offered through public high schools, community colleges, one-stop centers, technical centers, vocation rehabilitation centers, the Department of Corrections, the Department of Juvenile Justice, institutions of higher education, and any other appropriate institutions as determined by the Virginia Board of Workforce Development.

C. The Program shall include, but not be limited to, the following:

1. A multilevel Career Readiness Certificate and related pre-instructional assessment tool to quantify an individual's level of proficiency in the following measurable work-ready skills: (i) reading, (ii) applied math, (iii) locating information, and (iv) any additional skills necessary to meet business and industry skill demand;

2. Targeted instruction and remediation skills training to address those work-ready skills in which the individual is not proficient as measured by the pre-instructional assessment tool designed to meet identified specific skill needs of local employers;

3. A Career Readiness Certificate awarded to individuals upon successful attainment of work-ready skills as documented by the assessment tool; and

4. A statewide online data system to serve as the repository for Career Readiness Certificate attainment data. The system shall (i) serve as the administrative tool to administer and help promote the Program; (ii) incorporate online services that enable employers to search individual Career Readiness Certificate data to determine skill levels and locate certified individuals in the state or a region; and (iii) incorporate online services that offer individuals tools for career exploration, continued education opportunities, job-readiness practice, and job search capabilities. The Virginia Board of Workforce Development shall seek to ensure the confidentiality of individual Career Readiness Certificate recipients. This

shall include provisions for individuals, except for employer-sponsored individuals, to opt in and opt out of the statewide online data system at any test occurrence. Additionally, the provisions of §§ 2.2-3800 through 2.2-3803 shall be considered in individual confidentiality protections adopted by the Virginia Board of Workforce Development.

D. The Board, in consultation with the Secretary of Education, shall develop policies and guidelines necessary to implement and administer the Program.

E. The Board shall report Program outcomes to the Governor and the Senate Commerce and Labor Committee, Senate Education and Health Committee, House Commerce and Labor Committee, and House Education Committee of the General Assembly by December 1 of each year. The report shall make recommendations for improving the program, including funding recommendations.

§ 23-38.93. Educational policies of the Commonwealth; other requirements.

A. For purposes of §§ 2.2-5004, 23-1.01, 23-1.1, 23-2, 23-2.1, 23-2.1:1, 23-3, 23-4.2, 23-4.3, 23-4.4, 23-7.1:02, 23-7.4, 23-7.4:1, 23-7.4:2, 23-7.4:3, 23-7.5, 23-8.2:1, 23-9.1, 23-9.2, 23-9.2:3, 23-9.2:3.1 through 23-9.2:5, 23-9.6:1.01, Chapter 4.9 (§ 23-38.75 et seq.), and § 23-38.87:17, each covered institution shall remain a public institution of higher education of the Commonwealth following its conversion to a covered institution governed by this chapter, and shall retain the authority granted and any obligations required by such provisions. In addition, each covered institution shall retain the authority, and any obligations related to the exercise of such authority, that is granted to institutions of higher education pursuant to Chapter 1.1 (§ 23-9.3 et seq.); Chapter 3 (§ 23-14 et seq.); Chapter 3.2 (§ 23-30.23 et seq.); Chapter 3.3 (§ 23-30.39 et seq.); Chapter 4 (§ 23-31 et seq.); Chapter 4.01 (§ 23-38.10:2 et seq.); Chapter 4.1 (§ 23-38.11 et seq.); Chapter 4.4 (§ 23-38.45 et seq.); Chapter 4.4:1 (§ 23-38.53:1 et seq.); Chapter 4.4:2 (§ 23-38.53:4 et seq.); Chapter 4.4:3 (§ 23-38.53:11); ~~Chapter 4.4:4 (§ 23-38.53:12 et seq.);~~ Chapter 4.5 (§ 23-38.54 et seq.); Chapter 4.7 (§ 23-38.70 et seq.); Chapter 4.8 (§ 23-38.72 et seq.); and Chapter 4.9 (§ 23-38.75 et seq.).

B. State government-owned or operated and state-owned teaching hospitals that are a part of a covered institution as of the institution's effective date of the initial Management Agreement shall continue to be characterized as state government-owned or operated and state-owned teaching hospitals for purposes of payments under the State Plan for Medicaid Services adopted pursuant to § 32.1-325 et seq., provided that the covered institution commits to serve indigent and medically indigent patients, in which event the Commonwealth, through the Department of Medical Assistance Services, shall, subject to the appropriation in the appropriation act in effect, continue to reimburse the full cost of the provision of care, treatment, health-related and educational services to indigent and medically indigent patients and continue to treat hospitals that were part of a covered institution and that were Type One Hospitals prior to the institution's effective date of the initial Management Agreement as Type One Hospitals for purposes of such reimbursement.

§ 60.2-113. Employment stabilization.

The Commission shall take all necessary steps through its appropriate divisions and with the advice of such advisory boards and committees as it may have to:

1. Establish a viable labor exchange system to promote maximum employment for the Commonwealth of Virginia with priority given to those workers drawing unemployment benefits;
2. Provide Virginia State Job Service services, as described in this title, according to the provisions of the Wagner-Peyser Act (29 U.S.C. 49f), as amended by the Workforce Investment Act;
3. Maintain a solvent trust fund financed through equitable employer taxes that provide temporary partial income replacement to involuntarily unemployed covered workers;
4. Coordinate and conduct labor market information research studies, programs and operations, including the development, storage, retrieval and dissemination of information on the social and economic aspects of the Commonwealth and publish data needed by employers, economic development, education and training entities, government and other users in the public and private sectors;
5. Determine and publish a list of jobs, trades, and professions for which a high demand of qualified workers exists or is projected by the Commission. The Commission shall consult with the Virginia Board of Workforce ~~Council~~ *Development* in making such determination. Such information shall be published biennially and disseminated to employers; education and training entities, including public two-year and four-year institutions of higher education; government agencies, including the Department of Education and public libraries; and other users in the public and private sectors;
6. Prepare official short and long-range population projections for the Commonwealth for use by the General Assembly and state agencies with programs which involve or necessitate population projections;
7. Encourage and assist in the adoption of practical methods of vocational guidance, training and retraining; and
8. Establish the Interagency Migrant Worker Policy Committee, comprised of representatives from appropriate state agencies, including the Virginia Workers' Compensation Commission, whose services and jurisdictions involve migrant and seasonal farmworkers and their employees. All agencies of the Commonwealth shall be required to cooperate with the Committee upon request.

2. That Article 25 (§§ 2.2-2669 through 2.2-2674.1) of Chapter 26 of Title 2.2 and Chapter 4.4:4 (§§ 23-38.53:12 through 23-38.53:20) of Title 23 of the Code of Virginia are repealed.

CHAPTER 816

An Act to amend and reenact § 2.2-2519 of the Code of Virginia, relating to the Virginia Commission on Higher Education Board Appointments; membership.

[H 1109]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:**1. That § 2.2-2519 of the Code of Virginia is amended and reenacted as follows:****§ 2.2-2519. Membership; quorum.**

The Commission shall have a total membership of ~~seven~~ *eight* members that shall consist of ~~five~~ *six* nonlegislative citizen members and two ex officio members. Nonlegislative citizen members shall be appointed *by the Governor* as follows: two ~~nonlegislative citizen members~~ who shall be former members of either the board of visitors of a public institution of higher education or the State Board for Community Colleges; one ~~nonlegislative citizen member~~ who shall be either a former president, provost, or executive vice-president of a public institution of higher education; *one who shall be a faculty member of a public institution of higher education*; and two ~~nonlegislative citizen members~~ who shall be ~~citizens at large to be appointed by the Governor~~ *citizens at large*. The Secretary of Education or his designee and the Secretary of the Commonwealth or his designee shall serve *as ex officio members of the Commission* with nonvoting privileges. *The nonlegislative citizen member appointed who is a faculty member of a public institution of higher education shall serve without voting privileges.* Nonlegislative citizen members of the Commission shall be citizens of the Commonwealth. *Three voting members of the Commission shall constitute a quorum.*

Nonlegislative citizen members shall serve at the pleasure of the Governor, and ex officio members of the Commission shall serve terms coincident with their terms of office.

CHAPTER 817

An Act to amend the Code of Virginia by adding a section numbered 2.2-206.1, relating to annual report; evaluation of the effectiveness of economic development incentive grants.

[H 1191]

Approved May 23, 2014

Be it enacted by the General Assembly of Virginia:**1. That the Code of Virginia is amended by adding a section numbered 2.2-206.1 as follows:****§ 2.2-206.1. Economic incentive grant programs; responsibilities of the Secretary.**
