"36. Compensation Supplements

a.1) Subject to revenue estimates for Fiscal Year 2015 being met or exceeded, there is herewith appropriated a sum of \$50,200,747 from the general fund in the second year to be used only for compensation supplements as stated in paragraphs 2) and 3) below.

2) The appropriation in this item includes \$50,200,747 the second year from the general fund for the state share of a payment equivalent to a 1.5 percent salary incentive increase, calculated based on ten months, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium.

3) It is the intent of the General Assembly that the instructional and support position salaries be improved in school divisions throughout the state by at least 1.5 percent in the second year. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 1.5 percent salary increase for funded SOQ instructional and support positions, for ten months, to school divisions which certify to the Department of Education, by June 15, 2015, that salary increases of at least a minimum of 1.5 percent have been provided in the first or second year by January 1, 2016, to instructional and support personnel. In certifying that the salary increases have been provided, school divisions may not include any salary increases that were provided in the second year solely to offset the cost of required member contributions to the Virginia Retirement System under § 51.1-144, Code of Virginia.

b. The state funds for which the division is eligible to receive shall be matched by the local government, based on the composite index of local ability-to-pay, which shall be calculated using an effective date of January 1, 2016, as the basis for the local match requirement for both funded SOQ instructional and support positions.

c. This funding is not intended as a mandate to increase salaries.

Clerk of the House of Delegates

THURSDAY, FEBRUARY 19, 2015

The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Very Reverend John A. Weatherly, Chaplain (Ret.) Virginia National Guard and Rector of St. Mark's Episcopal Church, Alexandria, offered the following prayer:

Almighty God, on this day, we commend to your gracious care and keeping all the men and women of our armed forces at home and abroad. We remember this day especially Chaplains (MAJ) Ben Sprouse and (MAJ) Brett Johnson, and the 75 men and women of the Virginia National Guard presently deployed in Iraq and Kuwait. Defend them all by day and by night with your heavenly grace; strengthen them in their trials and temptations; give them courage to face the perils which beset them; and grant them and their families a true sense of your abiding presence wherever they may be.

And Lord, look with compassion on the whole human family and this assembled body; take away any arrogance or hatred which infects our hearts; break down the walls that separate us; unite us in bonds of love; and work through our struggle and confusion to accomplish your purposes here on earth, that we may one day be the people that you hoped we might become. *Amen.*

A BILL to require the Department of Environmental Quality to consider certain factors in its development of a state plan to regulate carbon dioxide emissions from existing stationary sources.

Delegate Toscano raised a point of order that the floor substitute completely changed the intent of the bill as passed by the Senate and would inquire as to whether the floor substitute was germane.

The Speaker stated that the House had already agreed to the floor substitute and that the Gentleman should have raised his objection prior to its adoption.

Gracious and Loving God of All people,

We give you thanks for this day and for the opportunity we have been entrusted with to serve our fellow citizens. We see your magnificent handiwork in the beauty that we find in every corner of this great Commonwealth. You have lavishly bestowed your blessings on Virginia and we are humbled to be called caretakers of your creation. Keep us ever mindful that we are not the owners, but rather stewards and all good things come from you, and return to you.

Pour out your Spirit upon us and grant us your wisdom as we take up the work of the people. As humble servants let us reflect your compassion and kindness as we work together for the betterment of those we serve. Lead us in the enactment of fair legislation that raises people up and help us find ways to empower and free those we represent from dependency on anyone or anything but You O Lord.

Search us Lord and find within us a heart for selfless service. Give us the courage to speak your truths. Be present with us in the difficult debates and let us always remember that we are ultimately accountable to you. As we seek to do your will "Help us make this God's own country by living like God's own people." May everything we do this day be pleasing in your sight.

Sovereign Lord, we know you by many names and we pray all these things to your honor and Glory. I choose to pray this in the name of my Lord and savior, Jesus Christ, Amen.

Speaker of the House of Delegates

Clerk of the House of Delegates

TUESDAY, FEBRUARY 24, 2015

The House of Delegates was called to order at 10:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Daniel C. Morgan, Rector of All Saints Church, Woodbridge, offered the following prayer:

Heavenly Father,

We ask you to hear our prayer as we seek your wisdom and guidance.

For our Public servants we ask that you would pour out upon them the wisdom of Solomon, The Boldness of Joshua and the Faith of Abraham.

We ask that you would help them to set aside offense in order to seek unity, that they would forgive quickly, seek righteousness and steward the gifts given them.

In this time where distraction and darkness prevail we ask they these your leaders would find themselves unmoved in the pursuit of righteousness, wisdom and peace.

We pray for a mighty empowerment by the Holy Spirit for each one here. That they would see the things that only God can reveal, That they would act only in accordance with His leading, That they would seek your wisdom and employ your Justice. And That they would find Joy in serving you each and every day.

Lord, we ask not that you would bless us because we deserve, desire or demand your response but, that as we seek to do your will, we would find ourselves at peace with your kingdom principles and in line with your plans and purposes.

And may the great state of Virginia and all who govern here be captured by your presence, directed by your will and saturated by your love.

This we pray in the Name of the one True God: God the Father Son and Holy Spirit

Amen.

WEDNESDAY, FEBRUARY 25, 2015

The House of Delegates was called to order at 10:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

God of the sun, rain, wind, snow, cold, and heat--God of the mountains, of the rivers, of the piedmont, of the ocean--God of the cities, of towns, farmlands, and the wilderness--God of our Commonwealth of Virginia, we submit to Your goodness, grace and mercy today.

In our own wisdom, we run aground. With our own agendas, we fail. May Your love and compassion be this body's sacred fuel. May Your vision of justice and mercy be this body's banner. And may Your standard of equality of human life be the understanding of these men and women.

It is within the faithfulness and wideness of Your acts of justice and mercy and forgiveness, that we ask this body of the General Assembly to lead by.

And may Your Truth be the light this body is guided by, so that this Commonwealth and our great nation prosper.

In the grace of Your Son Jesus' name we pray. Amen.

The Reverend Charles Lawrence Campbell, Pastor of Mount Holly Baptist Church, Remington, offered the following prayer:

Dear God of our founding fathers,

We give in you thanks and honor for providing to us this great nation and Commonwealth in which we live.

We recognize that we need your knowledge and guidance for making good and proper decisions in this House.

Therefore, Lord, we call upon you to graciously supply to each Delegate the knowledge, wisdom, and faith that they need to make the proper decisions for the good of the people of Virginia.

We furthermore ask you to provide your help to President Obama, the National Congress, our State Senate and all other government leaders across this beautiful land.

We also ask your hand of protection for those who serve us across the land as pastors, teachers, soldiers, emergency personnel, and all other public servants.

Father God, again we realize how frail and needy we are as a people and seek your face to provide what we lack of ourselves.

We thank you in advance for what you are going to do for us as we wait upon You.

"R. Targeted Extended School Year Payments

1. Out of this appropriation, \$1,000,000 the first year from the general fund is provided for start-up grants of up to \$300,000 per school per year, depending on the extended school year model adopted. First priority shall be given to the school divisions awarded planning grants in fiscal year 2014 and the College Readiness Center pilot. Next priority shall be given to schools based on need, relative to the most current state accreditation ratings or similar federal designations.
2. Out of this appropriation, \$7,150,000 the second year from the general fund is provided for a targeted extended school year incentive in order to improve student achievement. Annual start-up grants of up to \$300,000 per school may be awarded for a period of up to two years after the initial implementation year. The per school amount may be up to \$400,000 in the case of schools that have a Denied Accreditation status. After the third consecutive year of successful participation, an eligible school's grant amount shall be based on a shared split of the grant between the state and participating school division's local composite index. Such continuing schools shall remain eligible to receive a grant based on the 2012 JLARC Review of Year Round Schools' researched base findings.
3. Except for school divisions with schools that are in Denied Accreditation status, any other school division applying for such a grant shall be required to provide a twenty percent local match to the grant amount received from either an extended year start-up or planning grant in the second year.
4. In the case of any school division with schools that are in Denied Accreditation status that apply for funds, the school division shall also consult with the Superintendent of Public Instruction or designee on all recommendations regarding instructional programs or instructional personnel prior to submission to the local board for approval.
5. Out of this appropriation, \$613,312 each year from the general fund is provided for planning grants of no more than \$50,000 each for local school divisions pursuing the creation of new year-round school programs for divisions or individual schools in support of the findings from the 2012 JLARC Review of Year Round Schools. School divisions must submit applications to the Department of Education by August 1 of each year. Priority shall be given to schools based on need, relative to the state accreditation ratings or similar federal designations. Applications shall include evidence of commitment to pursue implementation in the upcoming school year. If balances exist, existing extended school year programs may be eligible to apply for remaining funds.
6. A school division that has been awarded an extended school year start-up grant, a year-round program start-up grant, or an extended year planning grant for the development of an extended year or a new year-round program may spend the awarded grant over two consecutive fiscal years.
7. a) Any such school division receiving funding from a Targeted Extended School Year grant shall provide an annual progress report to the Department of Education that evaluates end of year success of the extended year or year-round model implemented as compared to the prior school year performance as measured by an appropriate evaluation matrix no later than August 1 each year.  
 b) The Department of Education shall develop such evaluation matrix that would be appropriate for a comprehensive evaluation for such models implemented. Further, the Department of Education is directed to submit the annual progress reports from the participating school divisions and an executive summary of the program's overall status and levels of measured success to the Chairmen of House Appropriations and Senate Finance Committees no later than October 1 each year.
8. Any funds remaining in this paragraph following grant awards may be disbursed by the Department of Education as grants to school divisions to support innovative approaches to instructional delivery or school governance models."

"36. Compensation Supplements

a.1) The appropriation in this item includes \$52,865,367 the second year from the general fund for the state share of a payment equivalent to a 1.5 percent salary incentive increase, effective August 16, 2015, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium. The \$52,865,367 includes \$218,854 referenced in paragraph 28. i., for the Academic Year Governor's Schools for a 1.5 percent salary incentive increase, effective August 16, 2015, for instructional and support positions.

2) It is the intent of the General Assembly that the instructional and support position salaries be improved in school divisions throughout the state by at least an average of 1.5 percent in the second year. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 1.5 percent salary increase for funded SOQ instructional and support positions, effective August 16, 2015, to school divisions which certify to the Department of Education, by June 15, 2015, that salary increases of a minimum average of 1.5 percent have been provided in the second year by January 1, 2016, to instructional and support personnel. In certifying that the salary increases have been provided, school divisions may not include any salary increases that were provided in the second year solely to offset the cost of required member contributions to the Virginia Retirement System under § 51.1-144, Code of Virginia.

b. The state funds for which the division is eligible to receive shall be matched by the local government, based on the composite index of local ability-to-pay, which shall be calculated using an effective date of January 1, 2016, as the basis for the local match requirement for both funded SOQ instructional and support positions.

c. This funding is not intended as a mandate to increase salaries."

A. Out of this appropriation, \$600,000 the second year from the general fund is designated for students eligible for the first time under §§ 23-38.10:9 through 23-38.10:13, Code of Virginia. The State Council of Higher Education for Virginia shall transfer these funds to Norfolk State University, Old Dominion University, Radford University, the University of Virginia at Wise, Virginia Commonwealth University and Virginia State University so that each institution can provide for grants of \$1,000 from these funds for these students.

B. Each institution shall award grants from these funds for one year and students shall not receive subsequent awards until they have satisfied the requirements to move to the next class level. Each recipient may receive a maximum of one year of support per class level for a maximum total of two years of support.

C. Any balances remaining from the appropriation identified in this item in paragraph A.1. shall not revert to the general fund at the end of the fiscal year, but shall be brought forward and made available to the State Council of Higher Education for Virginia for the purposes specified in paragraph A. of this item in the subsequent fiscal year.

D. It is the intent of the General Assembly that the institution shift by a total of 600 the number of students it enrolls from first time freshman to transfers eligible under §§ 23-38.10:9 through 23-38.10:13, Code of Virginia. Institutional goals under this fund are estimated as follows:

Institution Transfer	Target
Norfolk State University	80
Old Dominion University	140
Radford University	140
University of Virginia at Wise	20
Virginia Commonwealth University	140
Virginia State University	80

E. The State Council of Higher Education for Virginia may allocate these funds among the institutions in Paragraph D as necessary to meet the actual number of transfers each institution generates for students eligible for the first time under §§ 23-38.10:9 through 23-38.10:13, Code of Virginia.

F. Each institution shall report its progress toward the targets in Paragraph D to the Chairmen of the House Appropriations and Senate Finance Committees by May 1, 2016 and each year thereafter. The report shall include a detailed accounting of the use of the funds provided and a plan for achieving the goals identified in this item."

This request for information shall focus on identifying health care management models that use the best practices and cost containment methods employed by Medicaid managed care organization in delivering provider-managed and outcome-based comprehensive health care services. These services shall include consolidated management and operational responsibility for delivering all primary and specialty care, nursing, x-ray, dialysis, dental, medical supplies, laboratory services, pharmaceuticals, as well as all off-site care, case management, and related services. Specific information shall be sought on 1) how existing state-funded managed care networks can be leveraged; 2) federal health care funding opportunities; 3) identifying state-of-the-art practices in care coordination and utilization review; and 4) identifying innovative correctional health care management systems being used or developed in other states. A report summarizing the responses to the Request for Information and estimating the potential long-term savings from the approaches identified in the responses shall be provided to the Chairmen of the House Appropriations and Senate Finance Committees, the Secretary of Public Safety and Homeland Security, and the Department of Planning and Budget no later than October 1, 2015.

2. The Department shall provide to the Secretary of Public Safety and Homeland Security, the Directors of the Departments of Planning and Budget and Human Resources Management, and the Chairmen of the House Appropriations and Senate Finance Committees by July 1, 2016, a report assessing:

a. The costs, benefits, and administrative actions required to eliminate the Department's reliance on a private contractor for the delivery of inmate health care at multiple facilities, and to provide the same services internally using either state employees or individual contract medical personnel.

b. The costs, benefits, and administrative actions required to transition to a statewide health care management model that use best practices and cost containment methods employed by prison health care management and Medicaid managed care organizations to deliver provider-managed and outcome-based comprehensive health care services through a single statewide contract for all of the Department's adult correctional centers.

c. A review of the Department's actual cost experience comparing the previous arrangement in which the contractor assumed full financial risk for the payment of off-site inpatient and outpatient services, and the current and proposed arrangement in which the Department assumes that risk and also receives any Medicaid

reimbursement for such off-site expenses. For purposes of analyzing the first arrangement, it is assumed that the benefit of any Medicaid or other third-party reimbursement for hospital or other services would accrue to the contractor. This review shall also compare cost trends experienced by other states which have adopted these two arrangements.

d. A comparison of the costs and benefits of the Department's current management of inmate health care, including the model envisioned in its August 2014 Request for Proposals, to the alternative models the Department is directed to assess in subsections a, b, and c above.

Implement JLARC Recommendations

Page 569, after line 34, insert:

**"§ 4-9.05 IMPLEMENT JLARC RECOMMENDATIONS**

a. The Boards of Visitors at each Virginia public four-year higher education institution, to the extent practicable, shall:

1. require their institutions to clearly list the amount of the athletic fee on their website's tuition and fees information page. The page should include a link to the State Council of Higher Education for Virginia's tuition and fee information. The boards should consider requiring institutions to list the major components of all mandatory fees, including the portion attributable to athletics, on a separate page attached to student invoices;

2. assess the feasibility and impact of raising additional revenue through campus recreation and fitness enterprises to reduce reliance on mandatory student fees. The assessments should address the feasibility and impact of raising additional revenue through charging for specialized programs and services, expanding membership, and/or charging all users of recreation facilities;

3. direct staff to perform a comprehensive review of the institution's organizational structure, including an analysis of spans of control and a review of staff activities and workload, and identify opportunities to streamline the organizational structure. Boards should further direct staff to implement the recommendations of the review to streamline their organizational structures where possible;

4. require periodic reports on average and median spans of control and the number of supervisors with six or fewer direct reports;

5. direct staff to revise human resource policies to eliminate unnecessary supervisory positions by developing standards that establish and promote broader spans of control. The new policies and standards should (i) set an overall target span of control for the institution, (ii) set a minimum number of direct reports per supervisor, with guidelines for exceptions, (iii) define the circumstances that necessitate the use of a supervisory position, (iv) prohibit the establishment of supervisory positions for the purpose of recruiting or retaining employees, and (v) establish a periodic review of departments where spans of control are unusually narrow; and,

6. direct institution staff to set and enforce policies to maximize standardization of purchases of commonly procured goods, including use of institution-wide contracts;

7. consider directing institution staff to provide an annual report on all institutional purchases, including small purchases, that are exceptions to the institutional policies for standardizing purchases.

b. The State Council on Higher Education for Virginia, to the extent practicable, shall:

1. convene a working group of institution financial officers, with input from the Department of Accounts, the Department of Planning and Budget, and the Auditor of Public Accounts, to create a standard way of calculating and publishing mandatory non-E&G fees, including for intercollegiate athletics;

2. update the state's Chart of Accounts for higher education in order to improve comparability and transparency of mandatory non-E&G fees, with input from the Department of Accounts, the Department of Planning and Budget, the Auditor of Public Accounts, and institutional staff. This process should be coordinated with the standardization of tuition and fee reporting;

3. convene a working group of institutional staff to develop instructional and research space guidelines that adequately measure current use of space and plans for future use of space at Virginia's public higher education institutions;

4. coordinate a committee of institutional representatives, such as the previously authorized Learning Technology Advisory Committee. In addition to the objectives set out in the Appropriation Act for the Learning Technology Advisory Committee, the committee should identify instructional technology initiatives and best practices for directly or indirectly lowering institutions' instructional expenditures per student while maintaining or enhancing student learning.

c. Notwithstanding the provisions of § 23-9.14:1, the State Council of Higher Education for Virginia shall annually train boards of visitors members on the types of information members should request from institutions to inform decision making, such as performance measures, benchmarking data, the impact of financial decisions on student costs, and past and projected cost trends. Boards of Visitors members serving on finance and facilities subcommittees should, at a minimum, participate in the training within their first year of membership on the subcommittee. SCHEV should obtain assistance in developing or delivering the training from relevant agencies such as the Department of General Services and past or present finance officers at Virginia's public four-year institutions, as appropriate.

d. The Department of Planning and Budget shall revise the formula used to make allocation recommendations for the state's maintenance reserve funding to account for higher maintenance needs resulting from poor facility condition, aging of facilities, and differences in facility use. Beginning with fiscal year 2016, the Department of Planning and Budget shall submit these recommendations to the Governor and General Assembly no later than November 1 of each year.

e. The Six-Year Capital Outlay Plan Advisory Committee, the Department of Planning and Budget, and others as appropriate shall use the results of the prioritization process established by the State Council of Higher Education for Virginia in determining which capital projects should receive funding.

f. Beginning with fiscal year 2016, the Auditor of Public Accounts shall include in its audit plan for each public institution of higher education a review of progress in implementing the the JLARC recommendations contained in paragraph § 4-9.05 a."

Speaker of the House of Delegates

Clerk of the House of Delegates

FRIDAY, FEBRUARY 27, 2015

The House of Delegates was called to order at 10:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Dr. Alonza L. Lawrence, Pastor of Moore Street Missionary Baptist Church, Richmond, offered the following prayer:

We approach you on this day, oh God, in the midst of transition. As the snow covers the ground and the warmth of the air melts it into water we are reminded, in this moment, that Spring is only a few days away. There are those who would have difficulty recognizing this if not for the calendar but we know it because of the many years we have seen situations like this. We recognize that though it does not appear to be so, the season is about to change. We also recognize that we are in transition in this moment in this Commonwealth. It may appear to others who have less experience and less faith that this is not the case, but for many of us who have labored long and hard in God's vineyard, the power of the Divine declares that we are in transition. On this day, as you transition us, make us loving examples of our brother's keepers. Take away selfishness and narrow mindedness and expand in us the capacity to do what is right for our fellow man. Remind us that you are the highest authority and that we would do well to emulate your love as we govern this land. This prayer we offer in the name of the Eternal. Amen.

Delegate Cox led the House of Delegates in the Pledge of Allegiance to the Flag of the United States of America.

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
February 27, 2015

TO THE MEMBERS OF THE GENERAL ASSEMBLY:

I am pleased to write to you at the conclusion of a legislative session that has been marked by substantive bipartisan cooperation and meaningful progress on the priorities that matter most to the families we serve.

When I delivered my State of the Commonwealth message to you at the beginning of this session, I expressed great optimism that we could work together to lay a foundation for a stronger, more diverse Virginia economy. I proposed a series of bills and a budget plan aimed at enhancing our economic infrastructure and expanding opportunity in every corner of the Commonwealth, and I pledged to be a partner as we worked together to turn them into law. Forty-four days later, I am proud of what we have achieved together.

Our most significant accomplishment is the bipartisan, balanced and fiscally sustainable budget that both chambers passed ahead of schedule yesterday. I was honored to work with Chairmen Jones, Stosch, Colgan and Ware to craft a balanced budget that closes our revenue shortfall while enhancing economic development, investing in my *Healthy Virginia* plan, protecting education and giving state employees a raise. We also included key funding for the First Lady's initiative to get more students the nutrition they need to succeed in school. This budget sets the appropriate tone and provides the resources we need to build a new Virginia economy in a difficult climate of sequestration cuts and Washington dysfunction that have dampened job growth in our Commonwealth.

In addition to increased investment in economic development initiatives that build on our success in bringing new jobs and investment to our Commonwealth, you passed several key pieces of legislation that will make Virginia even more attractive to job-creating businesses. Senator McDougle and Delegates Filler-Corn and Hugo carried bills to continue to incentivize high tech investment with a capital gains tax subtraction for investors in technology companies. Senator Lucas and Delegate James steered the passage of legislation creating a new financing authority to offer loans to small, women-owned and minority-owned businesses, enabling them to create jobs and economic opportunity all across our Commonwealth. These legislative initiatives will strengthen my ability to attract new jobs and investment to Virginia.

Reforming Virginia's workforce development system is another key element I have identified for growing and diversifying our economy. Our current fragmented and inefficient system is not making the best use of every dollar Virginians invest to prepare our workforce to compete in a 21<sup>st</sup> Century economy. During this session, we worked together to increase funding for workforce training, streamline and coordinate a complex network of programs, increase accountability and redouble Virginia's emphasis on apprenticeships and skill sets in high-demand fields. While we still have more work to do, our accomplishments this session will significantly enhance our efforts to prepare Virginia workers to do the jobs of today and create the jobs of tomorrow. I want to thank Senators Alexander and Ruff, and Delegates Ward and Byron for working with my team and me to pass these important reforms.

This session also resulted in significant progress for Virginia's public education system, which is the bedrock of our work to build a new Virginia economy. We were able to avoid further program cuts to K-12 and higher education in the introduced budget, and the General Assembly used increased revenues to enhance our Commonwealth's investment in education. My team and I worked with Senators Cosgrove, Locke and Miller, as well as Delegates Farrell and Habeeb to continue reforming and improving the Virginia Standards of Learning to better align them with the needs of our students and our economy.

I also want to thank Senator Locke and Delegate Krupicka for their work on my bill to change our accreditation standards to offer support and encouragement for schools that are improving. Virginia's public education system is one of the best in the nation, and I am proud to have worked alongside you to improve it this session.

As a result of our efforts this session, Virginia children will learn and play in safer and better-regulated day care centers. Senators Hanger, Barker, Favola, Marsden and Wexton, along with Delegates Orrick, Filler-Corn and BaCote worked to pass legislation requiring that every day care facility that receives a state subsidy properly adheres to state standards aimed at protecting the safety and wellbeing of our children. Their efforts will also require family day homes to maintain a reasonable ratio of adults to children and ensure that the state receives regular information about unlicensed day homes operating within the Commonwealth.

I was pleased to work with Chairman Jones and Delegate Rust to pass two pieces of legislation that will revolutionize our Commonwealth's approach to transportation funding and planning. We learned the lesson from the disastrous US Route 460 project and strengthened our public-private transportation partnership program (P3) to properly spread risk between the public and private sectors. This is a great step toward restoring Virginians' confidence that all future projects will be transparent and accountable. We also worked together to pass a bill to change Virginia's transportation funding formula to send more money to local districts, increase funding for rail projects and make the Commonwealth Transportation Board more independent from political forces. These reforms will build off of the historic funding package of 2013 and last year's prioritization legislation so that we can get politics out of transportation planning and build the modern infrastructure our new Virginia economy needs.

These past forty-four days have also brought significant progress for Virginia's veterans and military families. As the home to nearly 800,000 veterans, our Commonwealth should be the most veteran-friendly state in the nation. This session I introduced legislation carried by Senators Lewis, Stosch and Reeves and Delegate Watts to offer incentives through the Virginia Values Veterans (V3) program for companies that hire Virginia veterans. I was pleased to see that program included in the final budget agreement. We also worked together to pass legislation carried by Delegates Mason and Yancey and Senators Stosch, Cosgrove and Dance to make it easier for returning veterans to translate their military training into college credit so they can get the credentials they need to enter the workforce quickly. Together these two important pieces of legislation will increase economic opportunity for Virginia veterans and help our businesses benefit from their unique skills and training as quickly as possible.

I also look forward to signing military child identifier legislation, carried by Senators Miller and Reeves and Delegates Mason and Miller, which will ease the transition for military families when they are deployed to a new home here in our Commonwealth.

We worked together on legislation to encourage renewable electricity generation and grow our energy economy. My administration formulated legislation carried by Senator Stuart and Delegates Bulova and Hugo to create the Virginia Solar Energy Authority, which will lay a foundation for our Commonwealth to become a leader in this burgeoning industry. Additionally, provisions in SB 1349 will require the State Corporation Commission to treat solar energy as an investment that is "in the public interest." This important change will pave the way for an enormous increase in our Commonwealth's renewable energy footprint and create new opportunity for economic development and job creation in this important industry.

This session brought much-needed reforms to Virginia's ethics laws. The newly-passed \$100 gift cap will reduce conflicts of interest and increase public confidence in state government. That is a significant step forward, but it is my hope that we can continue to work together on key additional reforms, including an ethics commission with real investigative authority, a ban on fundraising in special sessions and meaningful nonpartisan redistricting reform. Virginians have a right to demand that their leaders are putting them ahead of all other financial or personal political considerations, and this session was an important step in that direction.

I am also proud of our work alongside Senator Ruff and Delegate Kilgore to strengthen the Virginia Tobacco Indemnification and Community Revitalization Commission by improving management and oversight of the fund so that it can continue to create jobs long into the future. Despite our great progress this year, we did not address several key issues that I hope we can consider in coming sessions. First among them is our continued failure to bring Virginians' tax dollars home to provide health care for 400,000 Virginians. This is our money, and we should maximize its value by creating jobs and keeping our friends and neighbors healthy. It is also my hope that we can continue our discussions about commonsense efforts to keep guns out of dangerous hands so that every Virginian can live and work in a safe community. And we should not stop working together to increase equality of opportunity for Virginia women, and for gay, lesbian, bisexual and transgender people.

At the beginning of this session, many believed that we were incapable of working together to make life better for the people we serve. As partisan battles rage in Washington, it would have been easy to allow our ideological differences to distract us from the work our fellow Virginians hired us to do. But together we proved the conventional wisdom wrong and as a result, this session will be remembered for the affirmative steps we took together to build a new Virginia economy.

As this session comes to a close, it is my distinct honor to thank each and every one of you, not only for your accomplishments these past 44 days, but also for the genuine spirit of friendship and cooperation that has marked our work this year. It is my pleasure to be your colleague and your Governor, and I look forward to continuing our work together in the years to come.

Sincerely,  
/s/ Terence R. McAuliffe

**HOUSE OF DELEGATES**  
**2015 RECONVENED REGULAR SESSION**

WEDNESDAY, APRIL 15, 2015

The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

Bishop Lyle Dukes, Senior Pastor of Harvest Life Changers Church, Woodbridge, offered the following prayer:

Eternal God and Father of our Lord and Savior Jesus Christ, We take this time to yield in your presence and acknowledge our dependence on you.

We thank you for this gracious opportunity to serve humankind, especially, the people of the Commonwealth of Virginia.

We ask your blessings, now, on these men and women of the House of Delegates as they reconvene – that this session and beyond will be fruitful and progressive.

As this new season and session begins – help our Delegate to trust Your law, Your Will and to walk in your ways. Ensure Lord – that they may be positive in thought, productive in deed and powerful in Spirit.

This is the day that you have made – let us rejoice and be glad in it. Have your way in this place.

Amen.

Delegate Cox led the House of Delegates in the Pledge of Allegiance to the Flag of the United States of America.

HOUSE BILLS VETOED BY THE GOVERNOR

H.B. 1318 (thirteen, eighteen) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1318, which requires photo identification for any voter seeking absentee ballots by mail, telephonic or electronic transmission.

This bill imposes barriers on an eligible voter's ability to obtain and cast an absentee ballot. The requirement would not in any way deter fraudulent voting since it provides no means of verifying the identity of the individual depicted in the submitted photograph.

The right to vote is a fundamental tenet of our democracy, and we should be doing all we can to facilitate eligible citizens' access to the ballot. This bill would undoubtedly result in the disenfranchisement of qualified eligible Virginian voters and increase the potential for costly and time-consuming litigation.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe

Delegate Campbell moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

Yeas, 65. Nays, 34. Abstentions, 0. Not Voting, 0.

The vote required by the Constitution, this being an act requiring a two-thirds affirmative vote of the members present, was recorded as follows:

Yeas—Adams, Albo, Anderson, Austin, Bell, R.P., Bell, R.B., Berg, Byron, Campbell, Cline, Cole, Cox, Davis, DeSteph, Fariss, Farrell, Fowler, Garrett, Gilbert, Greason, Habeeb, Head, Helsel, Hodges, Hugo, Ingram, Jones, Kilgore, Knight, Landes, LaRock, Leftwich, LeMunyon, Lingamfelter, Loupassi, Marshall, D.W., Marshall, R.G., Massie, Miller, Minchew, Morefield, Morris, O'Bannon, O'Quinn, Orrock, Peace, Pillion, Pogge, Poindexter, Ramadan, Ransone, Robinson, Rush, Rust, Scott, Stolle, Taylor, Villanueva, Ware, Webert, Wilt, Wright, Yancey, Yost, Mr. Speaker—65.

Nays—BaCote, Bloxom, Bulova, Carr, Edmunds, Filler-Corn, Futrell, Herring, Hester, Hope, James, Joannou, Keam, Kory, Krupicka, Lindsey, Lopez, Mason, McClellan, McQuinn, Murphy, Plum, Preston, Rasoul, Sickles, Simon, Spruill, Sullivan, Surovell, Torian, Toscano, Tyler, Ward, Watts—34.

H.B. 1332 (thirteen, thirty-two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 26, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1332, which proposes to make substantive changes to certain census blocks in Districts 5 and 6 in Smyth County and between Districts 42 and 43 in Fairfax County.

Legally, there is some question of the bill's constitutionality. According to Article II Section 6 of the Virginia Constitution, "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." Proponents of the bill would argue that this language directs the General Assembly to redistrict every ten years, but contains no limitations on the power of the legislature to redistrict in other years. However, in the case of *Little et al v. Virginia State Board of Elections*, the Richmond Circuit Court interpreted this language to "limit the General Assembly's authority to reapportion Virginia's electoral districts after the year 2011" (page 15). This finding by the Court raises serious concerns about the bill's constitutionality and increases the risks of costly and time-consuming litigation.

Furthermore, this bill sets a terrible precedent. Allowing the legislature to make substantive changes to electoral districts more frequently than once a decade injects further partisanship into a process that I regard as already too partisan. Annual legislative arguments over redistricting and gerrymandering distract the Commonwealth from the serious challenges we face, as well as undermine the trust of our citizens in their government.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe

H.B. 1417 (fourteen, seventeen) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 26, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1417, which proposes to make technical changes to House of Delegates Districts 7, 8, and 12 in Montgomery County.

Legally, there is some question of the bill's constitutionality. According to Article II Section 6 of the Virginia Constitution, "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." H.B. 1473 (fourteen, seventy-three) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1473, which would permit local electoral boards to appoint a general registrar who is a qualified voter of a county or city adjoining the county or city for which he is appointed. Further, House Bill 1473 eliminates the current provisions allowing a city electoral board to appoint a qualified voter of a county to serve as a city general registrar, in the case of a city that is wholly contained within that county.

The current provision of § 24.2-110 of the Code, in requiring that the general registrar "be a qualified voter of the county or city for which he is appointed," contemplates that the appointee have ties to and familiarity with the locality whose election processes he would oversee. House Bill 1473 would vitiate this requirement by permitting appointment of a general registrar from outside that jurisdiction.

There has been no demonstration of widespread difficulty in recruiting well-qualified individuals to serve as general registrars. If such difficulties exist, the appropriate action is for the electoral board to intensify their recruitment process.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.

H.B. 1608 (sixteen, naught, eight) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1608, which would prohibit a local government from requiring that their contractors have a wage floor or other benefit above what is required by state law.

In recent years, several local governments have required contractors to pay certain wage levels in contracts with localities. These initiatives have provided access to qualified, high-skilled workers and contractors and successfully addressed significant cost of living and workforce disparities in these localities.

The ability of other local governments to make this choice should be supported, not limited. Decisions regarding municipal contracts should be made by local leaders who fully understand local needs, and the profile of the available workforce, not by members of the General Assembly.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe

H.B. 1626 (sixteen, twenty-six) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1626, which prohibits public schools from joining any organization governing interscholastic programs that does not allow home-schooled students to participate.

More than 300 public schools belong to the Virginia High School League (VHSL), an organization through which member schools have regulated interscholastic competition since 1913. Each year over 200,000 public school students, all of whom satisfy the VHSL's 13 individual eligibility requirements, and participate in the league's 27 sports and 11 academic activities.

Allowing home-schooled students to participate in interscholastic competitions would disrupt the level playing field Virginia's public schools have developed over the past century. For example, VHSL rules state that a student must pass five subjects or the equivalent in the previous semester, and be enrolled in five subjects or the equivalent offered for credit toward graduation, in order to participate in the league's events. While the bill provides that home-schooled students must demonstrate evidence of progress in order to participate in interscholastic activities, the unique nature of their educational situation precludes conformity to the same standards.

Virginia's public schools provide a complete package of scholastic offerings and access to extracurricular activities. Participation in athletic and academic competitions is a privilege for students who satisfy eligibility requirements. Opening participation in those competitions to individuals who are not required to satisfy the same criteria upends Virginia's extracurricular framework and codifies academic inequality in interscholastic competition.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe

H.B. 1699 (sixteen, ninety-nine) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 26, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1699, which proposes to change district assignments of two census blocks between Districts 25 and 26 in Rockingham County.

Legally, there is some question of the bill's constitutionality. According to Article II Section 6 of the Virginia Constitution, "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." H.B. 1752 (seventeen, fifty-two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1752, which prohibits the Board of Education from replacing the Standards of Learning with the Common Core State Standards.

The Commonwealth led the nation nearly two decades ago in the development of statewide educational standards. Virginia's education system is one of the best in the world because of this innovative work. Currently, our state standards meet or exceed the rigor of the Common Core State Standards, while maintaining our independence.

In June of 2010, the Board of Education echoed this sentiment by unanimously adopting a statement in support of the Standards of Learning and voicing opposition to the Common Core State Standards.

Virginia's institutions and leaders have made it abundantly clear that adopting the Common Core State Standards would be a step backwards. Clear, rigorous, and trusted standards are necessary to ensure that Virginia's students will be prepared to compete in the 21<sup>st</sup> century. We are also continuing to improve our accountability system through the work of the SOL Innovation Committee.

However, while I remain opposed to adopting the Common Core State Standards, I am equally opposed to infringing on the Board's authority by adopting unnecessary legislation which establishes rules upon which we have already agreed.

Given that neither I nor the Board of Education have any intention of replacing the Standards of Learning with the Common Core State Standards, House Bill 1752 is unnecessary.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe

H.B. 2009 (twenty, naught, nine) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2009, which would compel a chief law enforcement officer to provide a certification for the transfer of a machine gun into his locality. Further, House Bill 2009 would create a process to circumvent the chief law enforcement officer if he does not provide a certification within 60 days.

Under federal law an individual must receive a determination of lawful eligibility at the federal and state level to register to possess a machine gun. Current law allows for the chief law enforcement officer's discretion in making these determinations. A chief law enforcement officer should not be mandated to approve the transfer of machine guns into his community.

Virginia families and communities are safer with fewer machine guns. I see no compelling reason to circumvent the current process and force machine gun certifications on local law enforcement officials.

Accordingly, I veto this bill.

Sincerely,

H.B. 2395 (twenty-three, ninety-five) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 27, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2395 which prohibits a state agency from requiring a bidder, contractor or subcontractor from performing services at rates based on prevailing wages and benefits.

Virginia does not have a statewide prevailing wage law. Accordingly, this bill would have no impact on state funded procurement projects. Additionally, any project funded in whole or in part by federal dollars must adhere to the Davis-Bacon Act, including its federal prevailing wage provisions.

Projects and employers who adhere to prevailing wage standards improve the lives of working families, local economies and their communities. This legislation attempts to lower wages and impedes future labor agreements. Virginia's efforts should be focused on increasing wages, thus improving the lives of our citizens, rather than placing artificial restrictions on their future growth.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

TO: HOUSE OF DELEGATES  
HOUSE BILL NO. 1702

I approve the general purpose of this bill, but I am returning it without my signature with the request that the attached Amendment in the Nature of a Substitute be accepted.

Sincerely,  
/s/ Terence R. McAuliffe

The amendment in the nature of a substitute proposed by the Governor was printed separately, with its title reading as follows:

A BILL to amend and reenact § 18.2-308.2:2 of the Code of Virginia, relating to transfer, etc., of firearms; criminal history record information; penalty.

The House proceeded to reconsider the bill.

Delegate DeSteph raised a point of order as to whether the Governor's recommendation was germane.

The Speaker stated that, as passed, the bill dealt with licensed firearms dealers and their right to perform a criminal history record check prior to a transaction of any firearm owned by a dealer, but not in his inventory, to another person to determine that person's eligibility to own or transport a firearm under federal law.

The Speaker stated further that the bill also charged the Virginia State Police with establishing policies and procedures to permit such determinations.

The Speaker stated further that the Governor's substitute went beyond the original intent of the bill because it required that the Virginia State Police perform background checks on all non-dealer sales at gun shows.

The Speaker stated finally that the Governor's recommendation was not germane and the Chair would so rule.

The bill was returned to the Governor.

HOUSE BILL NO. 2286

I approve the general purpose of this bill, but I am returning it without my signature with the request that the attached Amendment in the Nature of a Substitute be accepted.

Sincerely,  
/s/ Terence R. McAuliffe

The amendment in the nature of a substitute proposed by the Governor was printed separately, with its title reading as follows:

A BILL to amend and reenact § 18.2-308.2 of the Code of Virginia, relating to possession of firearms, etc., by convicted felons or following certain criminal convictions; restoration of rights.

The House proceeded to reconsider the bill.

Delegate Webert raised a point of order as to whether the Governor's recommendation was germane.

The Speaker stated that the introduced bill dealt strictly with reciprocity of states for the right to possess firearms after the right to have a firearm had been restored by the state.

The Speaker stated further that the Governor's recommendation created new misdemeanor crimes for certain offenses which went far beyond the narrow purpose of H.B. 2286.

The Speaker stated finally that the Governor's recommendation was not germane and the Chair would so rule.

The bill was returned to the Governor.

The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Honorable Edward T. Scott, the Gentleman from Madison, offered the following prayer:

Gracious Heavenly Father, as we gather today to complete the work of the 2015 General Assembly session, we ask you once more to grant us wisdom, civility, and respect for this institution and each other.

God, we thank you for those who work here with us and for their dedication. Their efforts on our behalf often go unnoticed, but are critical to all that we do. Especially as we near completion of this session, we recognize the many ways in which we are helped by our staff.

God, I thank you for 98 colleagues who are tireless in their dedication to their constituents, who sacrifice time and treasure in heartfelt efforts to make the Commonwealth a better place to live and raise a family. I thank them for their service, their dedication, and their friendship. As we leave this chamber later today, watch over each and every one, grant them safe travels, and warm welcomes home.

God, there is much about the Virginia House of Delegates for which we all are thankful. We have debates that can arouse strong emotions at some times and protocol that can be perplexing at others, but Father, I want to thank you for prayer that begins these sessions and the peace that it brings to our day's labor. Opening our sessions with prayer reminds us why we are here and who we are here to serve. Thank you for your blessings and continued watching over us.

In Jesus' name I pray. Amen.

The following House bills, with communications thereto, were vetoed by the Governor:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
April 30, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1296, which prohibits holding a special election to fill a congressional vacancy from being held on the same day as the general election at which that office is regularly schedule to be filled.

As written, the bill appears to create a potential conflict with Virginia Code §24.2-228.1 that requires the court to issue a writ for a special election on a general election date for certain constitutional office vacancies. While §24.2-228.1 requires a special election to be held on the same date as a general election, the new provisions of §24.2-682, as contemplated in Senate Bill 1066, would prohibit the court from ordering a special election on the same day as a general election.

I cannot, in good conscience, sign a bill that would create the aforementioned conflict with §24.2-228.1.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe

COMMONWEALTH OF VIRGINIA

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1315, which requires the jury commissioner to retain information obtained from those persons not qualified to serve as jurors for specific reasons and make that information available to the general registrar for that locality. The bill also

requires the general registrars to use the requested information received to identify voters who are no longer qualified to vote and to initiate list maintenance procedures pursuant to current law.

My Administration is committed to protecting the voting and civil rights of all Virginians. I believe additional study is needed regarding the use and dissemination of the data before it becomes a permanent part of our court and election processes.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
April 30, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1673, which would significantly restrict the use of License Plate Readers (LPRs) and lead to many unintended consequences affecting public safety, transportation and the efficient conduct of business in the Commonwealth.

Despite their proven success in locating stolen vehicles, identifying drivers involved in hit-and-run accidents, locating missing children and enhancing overall public safety, this bill would drastically limit the use of LPRs by law enforcement agencies. In order to use a LPR without a warrant under this legislation, agencies must prove the LPR is being used for a "known relevance" data collected that is intended for prompt evaluation and there is suspected criminal or terrorist activity. This provision is extremely narrow and could impede day-to-day operations.

This bill also sets a strict, seven day retention period for all data collected by LPRs. Many localities in Virginia retain this data for 60 days to two years. Seven days is a substantial reduction. Additionally, law enforcement agencies demonstrate that crimes are often not reported until several weeks later. Under this bill, essential data would not be available at the time of those reports. This is particularly concerning when considering implications for the National Capitol Region, where cross-state collaboration and information-sharing are essential to responding to potential criminal or terrorist activity occurring near Virginia's borders.

Furthermore, defining vehicle license plate numbers as "personal information" could dramatically impact state and local agency operations and create public confusion. State law requires that license plates be attached to the front and rear of every vehicle, and license plates must be clearly visible and legible.

This new definition of personal information would likely prevent the live Internet transmission of video from VDOT's traffic cameras as a violation of the state's Government Data Collection and Dissemination Act.

The bill could potentially cripple the use of innovative, electronically-managed tolling lanes that improve the quality of life for Virginians by reducing commute times and expediting the tolling process. These projects use cameras that record license plate numbers for billing purposes, saving travelers the time they would spend waiting in line at a toll booth. The billing mechanism could be in violation of this legislation, eliminating the use of these time-saving travel options.

It would be unwise for me to sign legislation that could limit the tools available for legitimate law enforcement purposes and negatively impact public safety, or derail major transportation projects and jeopardize time-saving technologies that are essential to our economy, our citizens, tourism and the efficient conduct of business.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
April 30, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1879, which would extend both the ability to claim and to allocate the coal employment and production incentive tax credit and the allowance of the coalfield employment enhancement tax credit by two years without any meaningful reform.

In January 2012, the Joint Legislative Audit and Review Commission ("JLARC") published its final report, *Review of the Effectiveness of Virginia Tax Preferences*, Senate Document No. 4. In JLARC's report, it found that tax preferences collectively reduced annual taxpayers' liability by approximately \$12.5 billion. It also found that the effectiveness of tax preferences designed to promote specific activities appeared to be mixed. The purpose of these two tax credits was to slow the decline of coal production and employment. Due to both coal production and coal employment declining at the same or even faster rates than predicted had the credits not been enacted, JLARC's report concluded that the economic activity had not moved in the desired direction and that the credits had not achieved their goal.

Specifically, from 1988 until 2014, coal mine operators, electricity generators and other coal-related companies have claimed over \$573 million in tax credits. However during the same period, the number of coal miners in Virginia has declined from 11,106 to 3,600. The extension of these tax credits without meaningful reform is inconsistent with these findings.

Each day, I work tirelessly to build a new Virginia economy and ensure that Virginia is the number one place to do business. In order to attract new jobs, I must assure business leaders that Virginia has both fair tax policies and is the best choice for employees and their families. The effective and efficient use of revenues raised by these tax policies is an essential part of that assurance. Given the findings of the JLARC study and the lack of meaningful reform in the face of these findings, I believe it would be unwise for me to sign this legislation.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
April 30, 2015

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2322, which allows for limited benefit plans to be offered if federal subsidies or other provisions of the federal Affordable Care Act are eliminated.

Currently, more than 385,000 Virginians have enrolled in the Marketplace. Eighty-four percent of those enrolled are receiving premium subsidies. In June, the Supreme Court will decide on the lawsuit *King vs. Burwell*, which will determine if subsidies can be received for participation in a federally-facilitated exchange.

House Bill 2322 presupposes that the Supreme Court will rule in favor of *King* and federal premium subsidies will be eliminated for the 385,000 Virginians relying on the Marketplace for coverage. This legislation is premature and decreases the state's flexibility and options in reaction to such decision.

Accordingly, I veto this bill.

Sincerely,  
/s/ Terence R. McAuliffe
