Speaker of the House of Delegates

Clerk of the House of Delegates
MONDAY, FEBRUARY 29, 2016

The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Yena K. Hwang, Associate Pastor of Fairfax Presbyterian Church, offered the following prayer:

God of all creation,
We have gathered in this place of privilege, to continue the work you have set before this House of Delegates, to carry out the heavy responsibility of leading this great Commonwealth of Virginia and this great country of ours.

We thank you for the call you have placed in these faithful public servants' hearts.

We thank you for their earnest response to your call to serve their fellow citizens in this particular with honor, dignity, integrity, love, justice, and compassion.

We ask you to fill your leaders here with the Wisdom from above, to lead with boldness and courage toward bringing justice and equality for all, to lead with their various and diverse constituents in mind and not their own gain; to lead with broader vision and deeper faith; and to lead with confidence in the positive changes their work will bring to improve the lives of the people of Virginia.

May their beliefs be reflected in their words; and may their words become visible in their rulings and actions, to bear fruit that will benefit and enrich this great Commonwealth of Virginia.

May all that they do and say, promote a kinder, gentler, and richer society that shows forth the blessings you desire for all peoples.

With gratitude we pray.
AMEN.

HOUSE BILL VETOED BY THE GOVERNOR

H.B. 254 (two, fifty-four) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
February 24, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 254, which proposes to make substantive changes to certain census blocks in Districts 28 and 88 in the City of Fredericksburg.

Legally, there is some question of the bill's constitutionality. According to Article II Section 6 of the Virginia Constitution, "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." Proponents of the bill would argue that this language directs the General Assembly to redistrict every ten years, but contains no limitations on the power of the legislature to redistrict in other years. However, in the case of Little v. Va. State Bd. of Elections, No. CL11-5253, slip op. at 15 (Va. Cir. Ct. Jan. 24, 2012), the Richmond Circuit Court interpreted this language to "limit the General Assembly's authority to reapportion Virginia's electoral districts after the year 2011." This finding by the Court raises serious concerns about the bill's constitutionality and increases the risks of costly and time-consuming litigation.

Furthermore, this bill sets a terrible precedent. Allowing the legislature to make substantive changes to electoral districts more frequently than once a decade injects further partisanship into a process that I regard as already too partisan. Annual legislative arguments over redistricting and gerrymandering distract the Commonwealth from the serious challenges we face, as well as undermine the trust of our citizens in their government.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

Delegate Cole moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

The Speaker stated that the Gentleman was correct, but that an abstention was a personal decision.

The House proceeded to consider Paragraph 3. proposed by the Governor.

Delegate Farrell raised a point of order that Paragraph 3. added a study to the bill and would inquire as to whether the amendment was properly before the House.

HOUSE BILL VETOED BY THE GOVERNOR

H.B. 131 (one, thirty-one) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
February 29, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 131, which prohibits public schools from joining any organization governing interscholastic programs that does not allow home-schooled students to participate.

More than 300 public schools belong to the Virginia High School League (VHSL), an organization through which member schools have regulated interscholastic competition since 1913. Each year over 200,000 public school students, who satisfy the VHSL's 13 individual eligibility requirements, participate in one or more of the league's 27 sports and 11 academic activities.

Allowing home-schooled students to participate in interscholastic competitions would disrupt the level playing field Virginia's public schools have developed over the past century. For example, VHSL rules state that a student must pass five subjects or the equivalent in the previous semester, and be enrolled in five subjects or the equivalent offered for credit toward graduation, in order to participate in the league's events. While the bill provides that home-schooled students must demonstrate evidence of progress in order to participate in interscholastic activities, the unique nature of their educational situation precludes conformity to the same standards.

Virginia's public schools provide a complete package of scholastic offerings and access to extracurricular activities. Participation in athletic and academic competitions is a privilege for students who satisfy eligibility requirements. Opening participation in those competitions to individuals who are not required to satisfy the same criteria upends Virginia's extracurricular framework and codifies academic inequality in interscholastic competition.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe
Delegate Bell of Albemarle moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

B.1. Any bioscience or personalized medicine-related proposal received by the Commonwealth for the purposes stated above shall be evaluated by the Virginia Biosciences Health Research Corporation (VBHRC) for merit and feasibility, while any cybersecurity-related proposal shall be evaluated by the Innovation and Entrepreneurship Investment Authority (IEIA). The VBHRC and IEIA shall identify those research proposals that support the Commonwealth's core bioscience, personalized medicine, and cybersecurity efforts through the following: 1) encouraging cooperation and collaboration among the Virginia public higher education research institutions and the private sector, 2) demonstrating commercial potential in the human health, personalized medicine, and cybersecurity fields, and (3) providing opportunities for new bioscience, personalized medicine, and cybersecurity industries and careers within Virginia.

2. Any proposals not related to bioscience or cybersecurity endeavors shall be evaluated by a panel of not more than five scientists appointed by the Virginia Academy of Science, Engineering and Medicine, who have expertise in the area covered by the proposal but who are not employed by or affiliated with any of the institutions requesting funding.

3. Any proposals receiving favorable evaluation from the VBHRC, IEIA, or the Virginia Academy of Science, Engineering and Medicine panel shall be forwarded to the Virginia Research Advisory Committee (V-RAC) for review. Upon favorable review by the V-RAC, the Governor shall authorize final approval of the project and allocate required funding, accordingly. The Director, Department of Planning and Budget, is authorized to provide for payment of these funds to any appropriately designated fiscal agent consistent with the details of the proposal upon approval of the Governor.

4. The Director, Department of Planning and Budget, is also authorized to approve treasury loans to state colleges and universities, if needed, for cash flow purposes, associated with any award involving state supported debt such that approved research proposals can proceed in a timely manner.

C. Consistent with the goals of this initiative, the Commonwealth Health Research Board shall coordinate and collaborate with the V-RAC on the research proposals it considers, ensuring it awards funding to proposals that support Virginia's core science strengths and efforts to improve human health.

D. 1. Out of this appropriation, up to $6,000,000 the first year and $6,000,000 the second year from the general fund may be used for executed and approved partnership agreements between up to four Virginia public research higher education institutions and the Global Genomics and Bioinformation Research Institute for the purposes of offering one-time incentive packages to attract high performing researchers with a history of commercialization in the fields specified in paragraph A.1. At a minimum, a private match in an amount of at least two times the investment from the state and any additional funds provided from the individual institution must be made in order to receive this funding.

2. An additional amount of $4,000,000 in the second year may be allocated from the Virginia Research Alliance.

3. This project will also be eligible to receive funding for laboratory renovations or research equipment through the process provided in this Item once an approved partnership agreement or agreements have been executed.”

"G.1. Local departments of social services shall report data collected on children in facilitated kinship care arrangements to the Virginia Department of Social Services on a quarterly basis. The Virginia Department of Social Services shall maintain the aggregate data by locality and make such data available to the public. Data reported must include, but is not limited to: the age, gender, race and ethnicity of the child; the nature of the child's relationship to the kinship caregiver; the family's history of involvement with child protective services; what, if any, services were provided to the family before the child moved into the home of the kinship caregiver; and where the child is residing and who has legal custody of the child at the time of the local board's final contact with the family. If available, the following data must also be provided: the duration of the kinship arrangement, whether any court order was entered to support the kinship arrangement, whether the child or parent has a disability and, if so, what that disability is, and what, if any, services were provided to the child or kinship caregivers after the child moved into the home.

2. The Virginia Department of Social Services shall develop informational brochures explaining how relative caregivers and parents can seek legal advice through the legal aid system and the Virginia State Bar lawyer referral service. The Virginia Department of Social Services shall provide sufficient amounts of these informational brochures to local social services agencies to allow them to provide the brochures to parents and relatives whenever they facilitate a kinship care arrangement. Whenever a local social services agency facilitates a kinship care arrangement, it shall provide this brochure to both the parent consenting to the kinship care arrangement and the relative caregiver."

"N.1. The Department of Social Services shall partner with Patrick Henry Family Services to implement a pilot program in the area encompassing Planning District 11 (Amherst, Appomattox, Bedford, Campbell Counties and the City of Lynchburg) for the temporary placements of children for children and families in crisis. The pilot program will allow a parent or legal custodian of a minor, with the assistance of Patrick Henry Family Services, to delegate to another person by a properly executed power of attorney any powers regarding care, custody, or property of the minor for a temporary placement for a period that is not greater than 90 days. The program will allow for an option of a one-time 90 day extension.

2. The department shall ensure that this pilot program meets the following specific programmatic and safety requirements outlined in 22 VAC 40-131 and 22 VAC 40-191:
   (i) The pilot program organization shall meet the background check requirements described in 22 VAC 40-191.
   (ii) The pilot program organization shall develop and implement written policies and procedures for governing active and closed cases, admissions, monitoring the administration of medications, prohibiting corporal punishment, ensuring that children are not subjected to abuse or neglect, investigating allegations of misconduct toward children, implementing the child's back-up emergency care plan, assigning designated casework staff, management of all records, discharge policies, and the use of seclusion and restraint (22 VAC 40-131-90).
   (iii) The pilot program organization shall provide pre-service and ongoing training for temporary placement providers and staff (22 VAC 40-131-150).

3. The Department of Social Services shall evaluate the pilot program and determine if this model of prevention is effective. A report of the evaluation findings and recommendations shall be submitted to the Governor, the Chairmen of the House Appropriations and Senate Finance Committees, and the Commission on Youth by December 1, 2017."

CENTRAL APPROPRIATIONS
Item 472.5 #1s
Central Appropriations
Page 396, after line 3, insert:
"472.5 Higher Education Interest Earnings and Rebates $5,000,000 $5,000,000
Fund Sources: General $4,000,000 $4,000,000
Higher Education Operating $1,000,000 $1,000,000"
Page 396, after line 2 insert:
"A. The standards upon which the public institutions of higher education are deemed certified to receive the payment of interest earnings from the tuition and fees and other nongeneral fund Educational and General revenues shall be based upon the standards provided in § 4-9.01 of this act, as approved by the General Assembly.

B. The estimated interest earnings and other revenues shall be distributed to those specific public institutions of higher education that have been certified by the State Council of Higher Education for Virginia as having met the standards provided in § 4-9.01 of this act, based on the distribution methodology developed pursuant to Chapter 933, Enactment 2, Acts of Assembly of 2005 and reported to the Chairman of the House Appropriations Committee and Senate Finance Committee.

C. In accordance with § 2.2-5004 and 5005, Code of Virginia, this Item provides $1,750,000 the first year and $1,750,000 the second year from the general fund, and $1,000,000 from nongeneral funds in the first year and $1,000,000 from nongeneral funds in the second year for the estimated total payment to individual institutions of higher education of the interest earned on tuition and fees and other nongeneral fund Education and General Revenues deposited to the state treasury. Upon certification by the State Council of Higher Education of Virginia that all available performance benchmarks have been successfully achieved by the individual institutions of higher education, the Director, Department of Planning and Budget, shall transfer the appropriation in this Item for such estimated interest earnings to the general fund appropriation of each institution's Educational and General program.

D. This Item also includes $2,250,000 in the first year and $2,250,000 the second year from the general fund for the payment to individual institutions of higher education of a pro rata amount of the rebate paid to the State Commonwealth on credit card purchases not exceeding $5,000 during the previous fiscal year. The State Comptroller shall determine the amount owed to each certified institution, net of any payments due to the federal government, using a methodology that equates a pro rata share based upon the total transactions of $5,000 or less made by the institution using the state-approved credit card in comparison to all transactions of $5,000 or less using said approved credit card. By October 15, or as soon thereafter as deemed appropriate, following the year of certification, the Comptroller shall reimburse each institution its estimated pro rata share.

E. Once actual financial data from the year of certification are available, the State Comptroller and the Director, Department of Planning and Budget, shall compare the actual data with estimates used to determine the distribution of the interest earnings, nongeneral fund Educational and General revenues, and the pro rata amounts to the certified institutions of higher education. In those cases where variances exist, the Governor shall include in his next introduced budget bill recommended appropriations to make whatever adjustments to each institution's distributed amount to ensure that each institution's incentive payments are accurate based on actual financial data."
"P.1. The Governor is hereby authorized to allocate a sum of up to $132,668,327 to the extent necessary to offset any downward revisions of the general fund revenue estimate prepared for fiscal years 2017 and 2018 after the enactment by the General Assembly of the 2016 Appropriation Act or 2017 Appropriation Act. If within 5 days of the preliminary close of the fiscal year ending on June 30, 2016, the Comptroller's analysis does not determine that a revenue re-forecast is required pursuant to § 2.2-1503.3, Code of Virginia, then such appropriation shall be used for employee compensation purposes as stated in paragraphs Q. and R., below.

2. Furthermore, $48,958,949 the first year and $85,304,674 the second year allocated to support the state share of a two percent salary adjustment for SOQ funded positions authorized in Item 139 of this act shall be unallotted if the provisions of paragraph P.1. are not met and the actions authorized in paragraphs Q. and R., of this item are not effectuated.

However, notwithstanding anything herein to the contrary, the governing authorities of those state institutions of higher education with employees not subject to the Virginia Personnel Act may implement salary increases for such employees that may vary based on performance and other employment-related factors. The appointing or governing authority shall certify to the Department of Human Resource Management that employees receiving the awards are performing at levels at least comparable to the eligible employees as set out in subparagraph 2.a. of this paragraph.
3. The Department of Human Resource Management shall increase the minimum and maximum salary for each band within the Commonwealth's Classified Compensation Plan by two percent on November 10, 2016. No salary increase shall be granted to any employee as a result of this action. The department shall develop policies and procedures to be used in instances when employees fall below the entry level for a job classification due to poor performance. Movement through the revised pay band shall be based on employee performance.

4. Out of the amounts for Supplements to Employee Compensation is included $38,547,269 the first year and $66,080,841 the second year from the general fund to support the general fund portion of costs associated with the salary increase provided in this paragraph.

7. The governing authorities of those state institutions of higher education with employees may provide a salary adjustment based on performance and other employment-related factors.

R.1. The appropriations in this Item include funds to increase the base salary of the following employees by two percent on December 1, 2016, provided that the governing authority of such employees certifies that the listed employees will receive the stated pay increase.

"478.1 A.1. For each year of the biennium, there is hereby appropriated from the general fund of the state treasury an amount as specified in paragraphs A.3. and A.4. below, to fund certain capital projects that are presently authorized for funding from debt issuances by either the Virginia College Building Authority or the Virginia Public Building Authority, to the extent that the existing debt for such capital projects has not been issued. The Governor shall recommend an equivalent reduction in the amount of debt authorization for the affected projects so that overall, there is no decrease or increase in total funding for such projects.
2. It is the intent of the General Assembly that any appropriation pursuant to this Item only be used to reduce the total authorized but unissued debt such that general fund cash becomes the funding source for certain capital outlay projects rather than debt. In making this substitution, priority shall be given to maintenance reserve or other small capital outlay projects that are better suited to be funded from cash or to taxable debt projects which offer the opportunity to obtain greater debt service cost savings, if funded by cash rather than debt.
3. For the first fiscal year of the biennium, the appropriation specified in paragraph A.1. above shall be equal to the lesser of $181,900,000 or the actual total general fund revenue collections for fiscal year ending June 30, 2016, reduced by any amounts needed to meet the Constitutional or statutory deposit to the Revenue Stabilization Fund and the statutory deposit concerning surplus revenue to the Water Quality Improvement Fund, as certified by the State Comptroller, minus the "official revenue estimate" for general fund revenues for the second year of the biennium as contained in the second enactment of Senate Bill 29 of the 2016 General Assembly, as enacted.
4. For the second year of the biennium the appropriation specified in paragraph A.1. above shall be equal to the lesser of $188,200,000 or the actual total general fund revenue collections for fiscal year ending June 30, 2017, reduced by any amounts needed to meet the Constitutional or statutory deposit to the Revenue Stabilization Fund and the statutory deposit concerning surplus revenue to the Water Quality Improvement Fund, as certified by the State Comptroller, minus the "official revenue estimate" for general fund revenues for the first year of the biennium as contained in the first enactment of this Act.
B. The State Comptroller shall make a commitment for any amount appropriated in this Item pursuant to paragraph A.3. above on the balance sheet of the Commonwealth for June 30, 2016. The State Comptroller shall make a commitment for any amount appropriated in this Item pursuant to paragraph A.4. above on the balance sheet of the Commonwealth for June 30, 2017.
C.1. The Director of the Department of Planning and Budget shall report quarterly to the State Treasurer and to the Six Year Capital Outlay Planning Advisory Committee, established by § 2.2-1516 Code of Virginia, identifying the projects for which the debt authorization was replaced by appropriations pursuant to paragraph A1. above.
2. Upon notification from the Director of the Department of Planning and Budget that appropriations pursuant to paragraph A1. above have been made, the State Treasurer shall not issue any debt for the affected projects."

THURSDAY, MARCH 3, 2016

The House of Delegates was called to order at 11:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend David J. Cox, Pastor of King Memorial Community Church, Oriskany, offered the following prayer:

Our Father in heaven,
how we thank you for your grace and mercy.
In Your goodness you have loved us with a sacrificial love.
May our lives mirror that love.
As we gather together, quiet our hearts to hear your council
in preparation to do your will.
Bless these here who give their all to serve others.
Grant to each wisdom and a will
to do that which is right in your sight.
Free our minds from that which would distract us,
and allow us to stand tall and sure
in the confidence of our service for you.
May we have courage to voice our convictions
Along with patience to listen to those we disagree with.
Our Father we desire to represent you in how we think, speak, and act.
Through the efforts of this esteemed body
may peace and hope flow like the rivers of our land.
And like the strong mountains of our beloved state of Virginia
may Your righteousness be our foundation.
Oh Lord, our God, bless these your chosen servants.
In Jesus' name, Amen.

HOUSE JOINT RESOLUTION NO. 424

Election of a Supreme Court of Virginia Justice.

RESOLVED by the House of Delegates, the Senate concurring, That the General Assembly shall proceed
on or after Thursday, March 3, 2016

To the election of a Supreme Court of Virginia justice for a term of twelve years commencing March 3, 2016.

And that in the execution of the joint order a nomination shall be made, and that each house shall be
notified of said nomination, and when the rolls shall be called for the whole number, the presiding officers of

the joint committee.

Delegate Toscano propounded a parliamentary inquiry as to whether the Gentleman's resolution called for
a new joint order.

The Speaker stated that the Gentleman was correct.
Delegate Toscano raised a point of order that according to Rule 52 of the Rules of the House, the order of business may not be changed, nor any special order made, except by an affirmative vote of two-thirds of the members present and would inquire as to whether the resolution would require a two-thirds affirmative vote since the Speaker had stated that it established a new special order.

The Speaker stated that the resolution was for a joint order not a special order.

Delegate Toscano propounded a parliamentary inquiry as to whether the special order previously agreed to by the House had required an affirmative vote of two-thirds of the members present.

The Speaker stated that the House was voting on a joint order.

Delegate Toscano propounded a further parliamentary inquiry as to whether the House was voting on a special and joint order.

The Speaker stated that the according to House Rule 52 the House was voting on a joint order with the Senate which required a majority vote.

Delegate Toscano propounded a further parliamentary inquiry as to whether the joint and special order was a departure from the regular order of business which, according to House Rule 52, was not to be changed without the affirmative vote of two-thirds of the members present.

The Speaker stated that House Rule 52 stated clearly that a joint order with the Senate required a simple majority vote.

The joint resolution was agreed to.

Speaker of the House of Delegates

Clerk of the House of Delegates
The House of Delegates was called to order at 10:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

Pastor James D. Acree, Bacon's Castle Baptist Church, Surry, offered the following prayer:

Our Father, Who is in heaven, hallowed be Your name. We thank You this morning that You have revealed yourself as Father through Jesus Christ. We recognize that Your name is above every name, and that Your name alone is worthy of worship and praise.

Your kingdom come, Your will be done, on earth as it is in heaven. We pray God that You bring about righteousness, justice and loving kindness in our land and around the world, even as those things already prevail in your Kingdom of Heaven. Thank You for the promise that those things will indeed, one day, be the reality that You will bring about.

Give us this day our daily bread. God, thank You for providing so abundantly for Virginia in particular, and America as a whole. No nation on earth has been more blessed with "daily bread" than ours. We ask that in Your kindness You would continue to meet our needs. Father, help us continue to trust in You and Your provision.

Forgive us our debts, as we also have forgiven our debtors. We thank You that in Christ you have offered forgiveness to all men. Teach me and everyone else here to extend forgiveness and kindness to others, even to those who have done us wrong. Help our legislators, despite their differences, to extend kindness and graciousness across the political aisle.

And lead us not into temptation, but deliver us from evil. God, help us to always choose the right and reject the wrong, and help us to know the difference. Lead us by Your Spirit and by Your Word and keep us from succumbing to the sinful pulls of arrogance and pride. Give all our leaders strength with humility of heart.

For Yours is the power and the glory forever and ever. You, and You only are worthy of worship.

And I pray this prayer in Jesus' name,
Amen.

Heavenly Father, we thank you for the wisdom and promises of scripture, and we ask that the leaders of our state be guided by these words of prayer, as they lead, influence, and make decisions for our state, as well as wrestle with the challenges of balancing budgets and the many issues before them today.

Heavenly Father, we pray for wisdom and strength of character for our State Assembly who together provides leadership for the citizens of Virginia. We pray that our state leaders will lead with compassion and love, and be forever aware of their huge responsibility to the people of Virginia.

May their decisions be positive, morally sound, inspirational and filled with compassion, love and respect?

Keep them ever mindful of the diversity of the state's population that they may serve without bias, and be prepared to reach beyond traditional boundaries of service, to meet all people in their time of need.

Keep them ever mindful of their influence, particularly upon this state's young people so that future generations will be equipped to become effective, godly future leaders who will also share a strong vision of a godly state with a bright and optimistic future.

And lastly, Heavenly Father, we thank our leaders for their personal commitment and dedication as they enact policies, develop a vision for the days and years ahead, and help create an exciting future for our state. We ask that you bless our Delegates with strength for the task.

The following House bill, with communication thereto, was vetoed by the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 7, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 143, which would allow the sale of Class 1 neutral grain spirits or alcohol, as defined by federal regulations, that are without distinctive character, aroma, taste, or color at a proof greater than 101 in government stores.

I put forward an amendment to require a reenactment of the legislation in order to give the legislative and the executive branches further time to study this issue. The amendment requiring reenactment was rejected by the House of Delegates.

The educators and health professionals from across the Commonwealth who have been tasked with reducing harm associated with alcohol abuse on college campuses raised public safety concerns with this legislation. I share their concern that a prime market for these products is young people who are attracted to their high proof and low cost. Underage drinking and binge drinking, particularly on college campuses, are threats to public health and safety that we should be working to curb. Therefore, I continue to believe the best course of action is to study this issue further, with particular focus on the restrictions and strategies implemented by other states that can be codified to reduce potential abuse of such products by young adults and youth, before selling this product in Virginia.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Give all of the participants in this meeting discernment and insight to handle the affairs of this great Commonwealth.

May our spirits be lifted with faith, hope and love.

And Now unto you who is able to do exceedingly, abundantly, above all that we may ask or think according to the power that works in us. In Christ name, we pray. Amen.

HOUSE BILL VETOED BY THE GOVERNOR

H.B. 259 (two, fifty-nine) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 1, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 259, which prohibits the Board of Education from replacing the Standards of Learning with the Common Core State Standards.

The Commonwealth led the nation nearly two decades ago in the development of statewide educational standards. Virginia's education system is one of the best in the world because of this innovative work. Currently, our state standards meet or exceed the rigor of the Common Core State Standards, while maintaining our independence.

In June of 2010, the Board of Education echoed this sentiment by unanimously adopting a statement in support of the Standards of Learning (SOL) and voicing opposition to the Common Core State Standards.

Virginia's institutions and leaders have made it abundantly clear that adopting the Common Core State Standards would be a step backwards. Clear, rigorous, and trusted standards are necessary to ensure that Virginia's students will be prepared to compete in the 21st century. We are also continuing to improve our accountability system through the work of the SOL Innovation Committee.

However, while I remain opposed to adopting the Common Core State Standards, I am equally opposed to infringing on the Board's authority by adopting unnecessary legislation which establishes rules upon which we have already agreed.

Given that neither I nor the Board of Education have any intention of replacing the Standards of Learning with the Common Core State Standards, House Bill 259 is unnecessary.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Delegate LaRock moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

The following communication, relating to H.J.R. 424 and the nomination of Rossie Alston for the Supreme Court of Virginia, was received by the Clerk:

TOSCANO STATEMENT ON HJR424 AND NOMINATION OF ROSSIE ALSTON FOR THE SUPREME COURT OF VIRGINIA - FOR HOUSE JOURNAL - MARCH 9, 2016

I rise for the purpose of objecting to the procedure under which the House is operating in the choice of a potential Justice to the Virginia Supreme Court. In my view, the House is operating under a Special and Continuing order which, under Rule 52 of our House Rules, would require a two-thirds affirmative vote to be passed. Our vote in the House was less than two-thirds and the Resolution should not arguably have been passed. Rule 52 of the House states that "the regular order of business herein established shall not be changed, nor shall any special order be made, except by vote of two-thirds of the members present". The Speaker stated from the dais that the judicial selection was a "special order." Moreover, documents prepared by our Clerk's Office entitled "Chamber Support Staff, Chamber Protocol, Process and Procedures, and Parliamentary Procedure," of the Clerk's Office states, on page 68, that "the normal course of action is for the House and Senate to schedule a joint special and continuing order twice during session for the selection of certain judicial judgeships." It goes on to discuss the "joint special and continuing order for the election of judges." Under the Clerk's Office, and the Rules of the House, this is clearly a "special order." Hence, it would require a two-thirds vote. HJR37, the procedural resolution, upon which we organize our session, also discusses "a special and continuing joint order in each house," and that "the rules of each house...shall be the rules governing any such election." (Rule 19). Both Rule 19 ad Rule 52 use the term "special order".

Since there is some confusion about what constitutes a special order, I consulted Jefferson's Manual on this topic. Since there is nothing about special orders in Jefferson's Manual, I consulted with Mason's Legislative Manual. The manual states in Section 264, that "the purpose of a special order is to expedite important business and set a definite time for consideration, which gives such a special order privilege over other business. Whenever the making of a special order sets aside the general rules regarding the order of business, the same vote is required as would be required to specifically suspend the rules." In our rules, that would require a two-thirds majority. There is a good reason for this. A special order is just that, special, in that it departs from the regular order of the day. The
regular order of the day is set forth in Rule 49 of our House Rules. A special order, whether for the budget or for judges, establishes a special precedent. It is also why it generally requires a two-thirds majority.

If we were to appoint a Justice to the Supreme Court under a process that was procedurally flawed, or even arguably so, attorneys could potentially attack a close decision of the court by attacking the basis of a judicial appointment. This would create substantial problems in our Supreme Court and is something to be avoided. For that reason, I renew my request that the previous special order and any subsequent special order be ruled out of order.

The following resolutions were presented and laid on the Speaker's table pursuant to House Rule 39(a):

A BILL to amend the Code of Virginia by adding a section numbered 57-2.03, relating to religious freedom; solemnization of marriage.

Delegate Gilbert raised a point of order as to whether the Senate substitute was germane.

The Speaker stated that the House bill dealt specifically with discriminatory actions that adversely affected the tax treatment of persons who withheld or otherwise made unavailable any grants, contracts, or loans and that the House defined the word "person" to include not only individuals but also corporations, associations, partnerships, and organizations.

The Speaker stated further that the Senate substitute changed the fundamental purpose of the bill because it spoke to the solemnization of marriage by certain individuals and the actions of individuals employed by a religious organization in the scope of that employment.

The Speaker stated finally that the Senate substitute was not germane and the Chair would so rule.

Delegate Gilbert propounded a parliamentary inquiry as to the posture of the House bill as a result of the Speaker's ruling.

HOUSE BILL VETOED BY THE GOVERNOR

H.B. 1188 (eleven, eighty-eight) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 7, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1188, which proposes to change district assignments of two census precincts in Louisa County.

Legally, there is some question of the bill's constitutionality. According to Article II, Section 6, of the Virginia Constitution, "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." Proponents of the bill would argue that this language directs the General Assembly to redistrict every ten years, but contains no limitations on the power of the legislature to redistrict in other years. However, in the case of Little et al. v. Virginia State Board of Elections, the Richmond Circuit Court interpreted this language to "limit the General Assembly's authority to reapportion Virginia's electoral districts after the year 2011" (page 15). This finding by the Court raises serious concerns about the bill's constitutionality and increases the risks of costly and time-consuming litigation.
Furthermore, this bill sets a poor precedent. Allowing the legislature to make substantive changes to electoral districts more frequently than once a decade injects further partisanship into a process that I regard as already too partisan. Annual legislative arguments over redistricting and gerrymandering distract the Commonwealth from the serious challenges we face, as well as undermine the trust of our citizens in their government.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Joshua Lee, Pastor of Fullnet Community Church, Centreville, offered the following prayer:

Almighty God, we are gathered here today humbly asking for your grace.

But before we rush in to do the works that seem most important to our eyes, let us have the wisdom to step back and see the big picture.

Before we discuss and settle the things that we believe are critical to our future, let us know that who is controlling our future.

Before we boast about the accomplishments we will make today, please Lord, help us know that it is you who pull the strings, who guides our hearts, who make things happen.

Our heavenly Father, we thank you for the duties we must tackle today, because we are now living at the critical time and we are called to be courageous for those jobs.

Yes, it's our privilege and honor to work with you and for you although we are not good enough and don't deserve it.

But, too often, we forget that we are just servants called to finish the work, trying to please the Master.

So we pray that you give these servants the heart of the Holy Spirit so that decisions are made properly, know the right from wrong, and do the work of God, not the men.

Most of all, I pray that you bless them for their commitment and sacrifice because the tasks given to them are not easy. But they volunteered anyway and willingly decided to do something for the better future of Virginia and our country.

So today, be with them and fill their hearts with your words and grace.

In Jesus' Name

we pray,

Amen.

The vote was recorded as follows:

Delegate Cox propounded a parliamentary inquiry as to whether, since the House had returned to the Morning Hour, the appropriate time had arrived for the consideration of an H.J.R. to establish a new joint order relating to the election of certain judges.

The Speaker stated that the Gentleman was correct and that the Morning Hour, pursuant to House Rule 51, was the appropriate time to consider motions and resolutions and to dispatch with any business on the Speaker's table.

The Speaker stated further that the House was in the posture to proceed with resolutions, including those which set a joint order for the election of certain judicial offices.

The Speaker stated further that the House was reminded that the election of judges was not by default a special order.

The Speaker stated further that neither the Constitution of Virginia nor the Rules of the House required the election of judges to proceed pursuant to a special order.

The Speaker stated further that a special order was necessary only if the consideration of business pursuant to the order interrupted the general order of business as provided for in House Rule 49 and that the House had completed its general business and was in the Morning Hour pursuant to House Rule 51.

The Speaker stated finally that regardless of whether or not a special order is set by the House, the slate of judicial offices to be elected was regularly implemented through the provisions of a joint order which, pursuant to House Rule 52, required a majority vote for adoption.

Delegate Toscano raised a point of order that according to Rule 19 of H.J.R. 37, the procedural resolution provided that, "no later than Tuesday, March 8, 2016, each house shall begin its consideration of any election to fill any judicial seat in the courts of the Commonwealth," which the House did when it adopted a previous resolution which dealt with the appointment of a Supreme Court of Virginia justice and that since there had been no motions offered to extend any resolutions related to judicial elections and that deadline had passed would inquire as to whether an additional resolution would be in order.
The Speaker stated that a resolution would not be out of order and that H.J.R. 37 dealt with the procedures of the House during the course of session with regards to the election of judges.

The Speaker stated further that the two-thirds affirmative vote was required in that case because generally it was necessary to break the normal order of the business before the House.

The Speaker stated finally that there was nothing in the Virginia Constitution or the Rules of the House which prevented the House from considering a joint order related to the election of judges outside of those times established pursuant to the procedural resolution.

Delegate Toscano propounded a further parliamentary inquiry as to whether the House was acting outside of the dates established pursuant to Rule 19 of H.J.R. 37.

[The Speaker did not offer an answer to the parliamentary inquiry by Delegate Toscano.]

Delegate Loupassi offered the following House joint resolution:

HOUSE JOINT RESOLUTION NO. 537

The joint order may be suspended by the presiding officer of either house at any time but for no longer than twenty-four hours to receive the report of the joint committee.

The joint resolution was agreed to.

The vote was recorded as follows:

Nays–Bell, J.J., Boysko, Heretick, Herring, James, Kory, Krizek, Levine, Lopez, Murphy, Plum, Rasoul, Sickles, Simon, Spruill, Toscano, Tyler, Watts–18.

The motion was agreed to and the Chair was vacated at 4:46 p.m.

Speaker of the House of Delegates

Clerk of the House of Delegates
FRIDAY, MARCH 11, 2016

The House of Delegates was called to order at 10:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Kevin M. Northam, Pastor of Olive Branch Baptist Church, Dinwiddie, offered the following prayer:

O Gracious God, I thank You for affording us this allotted time. As the great officials of this Commonwealth have assembled today for the good of the citizens of Virginia, I invoke your power and presence. I stand before thee and thy people submitting this prayer for guidance, direction, and order.

Initially, I thank you for each delegates' service and commitment as they carry out the mandates of this General Assembly. As the needs of our government are discussed and shared, I pray that Your sovereignty and authoritative direction be adhered to by all that are gathered today.

Additionally, I pray for the unison of the House of Delegates. As I am reminded that a house divided against itself cannot stand; therefore, I pray for agreement in righteousness for the sake of our society. I petition for You to reveal Your perfect will to these loyal leaders.

Furthermore, I ask that You would move during this moment, govern this Government, delegate these Delegates and represent these Representatives so that this great state would move forward to a greater state of existence. I honor You as the Honorable One and celebrate in expectancy that the collective efforts of these chosen leaders will be fruitful and fulfill Your Word that all citizens of the Commonwealth may lead a quiet and peaceable life in all godliness and honesty.

Finally, I pray that at the conclusion of this gathering that all matters, whether confirmed, completed or channeled would have been divinely directed, while also being considered by Your judgment as good and acceptable. I love You for lovingkindness and am grateful for Your guidance. I humbly submit this prayer in thy name, Amen.

5. Should the funding provided for compensation be exhausted prior to the end of fiscal year 2016, the department shall continue to collect applications. The department shall provide a report to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees on a quarterly basis on the number of additional individuals who have been applied.

6. The Department of Medical Assistance Services shall seek federal authority to ensure that funds received through this act shall not be counted in determination of Medicaid eligibility.

These findings shall be compared by the State Compensation Board and stakeholders to potential alternative coverage and contracts which could be provided by public and private providers of primary liability, medical malpractice, and employee malfeasance policy coverage, and reinsurance coverage to insure constitutional officers, regional jails authorities, and local governments, and the premiums that would be charged for such coverage. "SSSS. Out of this appropriation, $1,250,000 from the general fund and $1,250,000 from nongeneral funds the second year shall be used to fund 25 new medical residency slots. The Department of Medical Assistance Services shall submit a State Plan amendment to make supplemental payments for new graduate medical education residency slots effective July 1, 2017. Supplemental payments shall be made for up to 25 new
medical residency slots in fiscal year 2018. Of the 25 new residency slots, 13 shall be for primary care and 12 shall be for high need specialties. In addition, preference shall be given for residency slots located in underserved areas. The department shall adopt criteria for primary care, high need specialties and underserved areas developed by the Virginia Health Workforce Development Authority. The authority shall submit these criteria to the department by September 1, 2016. The supplemental payment for each new qualifying residency slot shall be $100,000 annually minus any Medicare residency payment for which the hospital is eligible. Supplemental payments shall be made for up to three years for each new qualifying resident. The hospital will be eligible for the supplemental payments as long as the hospital maintains the number of residency slots in total and by category as a result of the increase in fiscal year 2018. If the number of qualifying residency slots exceeds the available number of supplemental payments, the Virginia Health Workforce Development Authority shall determine which new residency slots to fund based on priorities developed by the authority. Payments shall be made quarterly following the same schedule for other medical education payments. In order to be eligible for the supplemental payment, the hospital must make an application to the department by November 1, 2016. The department shall identify hospitals and the number of new residency slots to be awarded supplemental payments by April 1, 2017. Subsequent to the award of a supplemental payment, the hospital must provide documentation annually by June 1 that they continue to meet the criteria for the supplemental payments and report any changes during the year to the number of residents. The department shall require all hospitals receiving medical education funding to report annually by June 1 on the number of residents in total and by specialty/subspecialty. The supplemental payments are subject to federal Centers for Medicare and Medicaid Services approval. The department shall have the authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment of this act.

"C. There is hereby established a task force on juvenile correctional centers comprised of the Secretary of
Public Safety and Homeland Security, and the Directors of the Departments of Juvenile Justice, Corrections,
and Behavioral Health and Developmental Services, and the Office of Children's Services, or their designees.
The Secretary of Public Safety and Homeland Security shall chair the task force. The task force shall present
an interim report by November 1, 2016, and a final report by July 15, 2017, to the Governor, the Director of
the Department of Planning and Budget, the Chairman of the Virginia Commission on Youth, and the Chairmen
of the Senate Finance and House Appropriations Committees.

2.a. The task force shall consider the future capital and operational requirements for Virginia's juvenile
correctional centers, including the construction of a new facility in the City of Chesapeake, for which planning
was authorized by the 2016 General Assembly, and also including (i) the projected population of
state-responsible juvenile offenders, including an assessment of the impact of the Department of Juvenile
Justice's length of stay guidelines, (ii) the number of juveniles expected to be held in each facility, (iii) the level
and type of mental health, medical, academic and vocational education, and other services to be provided,
(iv) the design and size of spaces needed to accommodate the necessary services within state facilities, (v) the
accommodation of the treatment needs of state-responsible juvenile offenders with diagnoses of serious mental or behavioral health issues, (vi) the appropriateness of alternative housing models, including cells and rooms (including both single and double-bunking), dormitories, cottages, and other housing configurations, (vii) the number and geographical location of facilities, and (viii) the potential for contracting for the use of space in existing local and regional secure detention facilities, group homes, and private residential facilities.

b. The task force shall identify existing juvenile correctional centers, including facilities which are not currently operational, and other property currently owned by state agencies, and consider the extent to which the recommendations developed pursuant to Paragraph C.2.a. of this item may be accommodated within such properties, along with the costs of construction or renovation of existing facilities to accommodate these recommendations. The task force shall conduct a cost-benefit analysis to compare the potential revenues realized from the sale of existing real property owned by state agencies, with the projected replacement costs which would be incurred to provide replacement facilities, should existing properties be sold. This analysis should include an assessment of the impact of locational factors on expected program outcomes and on the objective of maintaining the juvenile offenders' relationships with their families and communities.

c. In evaluating these alternatives, the task force shall give consideration to and report on the estimated costs of construction, operation and maintenance of facilities, and the potential impact of these alternatives to the outcomes for state-responsible juvenile offenders, including recidivism. The task force shall also give consideration to the projected requirements for state funding for local and regional secure detention facilities, and alternatives to detention, including but not limited to, the Virginia Juvenile Community Crime Control Act.

3. The Department of General Services and all other agencies of the Commonwealth shall provide technical assistance upon request of the task force. The task force shall include input from judges, attorneys for the Commonwealth, law enforcement, local government, private providers, and other stakeholders as appropriate.

4. The Director, Department of Juvenile Justice, is authorized to procure such consultant or other services as necessary to conduct the task force's review. The Director is authorized to use funds identified in Paragraph A of this item for such purposes."

B. By October 15, or as soon thereafter as deemed appropriate, following the year of certification, the Comptroller shall reimburse each institution its estimated pro rata share.
E. Once actual financial data from the year of certification are available, the State Comptroller and the Director, Department of Planning and Budget, shall compare the actual data with estimates used to determine the distribution of the interest earnings, nongeneral fund Educational and General revenues, and the pro rata amounts to the certified institutions of higher education. In those cases where variances exist, the Governor shall include in his next introduced budget bill recommended appropriations to make whatever adjustments to each institution's distributed amount to ensure that each institution's incentive payments are accurate based on actual financial data."

Central Appropriations
Page 410, after line 43, insert:
"478.1
A. For each year of the biennium, there is hereby appropriated from the general fund of the state treasury an amount as specified in paragraphs A.3. and A.4. below, to fund certain capital projects that are presently authorized for funding from debt issuances by either the Virginia College Building Authority or the Virginia Public Building Authority, to the extent that the existing debt for such capital projects has not been issued. The Governor shall recommend an equivalent reduction in the amount of debt authorization for the affected projects so that overall, there is no decrease or increase in total funding for such projects.
2. It is the intent of the General Assembly that any appropriation pursuant to this Item only be used to reduce the total authorized but unissued debt such that general fund cash becomes the funding source for certain capital outlay projects rather than debt. In making this substitution, priority shall be given to maintenance reserve or other small capital outlay projects that are better suited to be funded from cash or to taxable debt projects which offer the opportunity to obtain greater debt service cost savings, if funded by cash rather than debt.
3. For the first fiscal year of the biennium, the appropriation specified in paragraph A.1. above shall be equal to the lesser of $181,900,000 or the actual total general fund revenue collections for fiscal year ending June 30, 2016, reduced by any amounts needed to meet the Constitutional or statutory deposit to the Revenue Stabilization Fund and the statutory deposit concerning surplus revenue to the Water Quality Improvement Fund, as certified by the State Comptroller, minus the "official revenue estimate" for general fund revenues for the second year of the biennium as contained in the second enactment of Senate Bill 29 of the 2016 General Assembly, as enacted.
4. For the second year of the biennium the appropriation specified in paragraph A.1. above shall be equal to the lesser of $188,200,000 or the actual total general fund revenue collections for fiscal year ending June 30, 2017, reduced by any amounts needed to meet the Constitutional or statutory deposit to the Revenue Stabilization Fund and the statutory deposit concerning surplus revenue to the Water Quality Improvement Fund, as certified by the State Comptroller, minus the "official revenue estimate" for general fund revenues for the first year of the biennium as contained in the first enactment of this Act.
B. The State Comptroller shall make a commitment for any amount appropriated in this Item pursuant to paragraph A.3. above on the balance sheet of the Commonwealth for June 30, 2016. The State Comptroller shall make a commitment for any amount appropriated in this Item pursuant to paragraph A.4. above on the balance sheet of the Commonwealth for June 30, 2017.
C.1. The Director of the Department of Planning and Budget shall report quarterly to the State Treasurer and to the Six Year Capital Outlay Planning Advisory Committee, established by § 2.2-1516 Code of Virginia, identifying the projects for which the debt authorization was replaced by appropriations pursuant to paragraph A1. above.
2. Upon notification from the Director of the Department of Planning and Budget that appropriations pursuant to paragraph A1. above have been made, the State Treasurer shall not issue any debt for the affected projects.”

§ 33.2-118. Limitation on tolling.
A. For purposes of this section, "auxiliary lane" means the portion of the roadway adjoining the traveled way as a shoulder or for speed change, turning, weaving, or the maneuvering of entering and leaving traffic.
B. Notwithstanding any other provision of this title, no toll may be imposed or collected on un-tolled lanes or components of a highway, bridge, or tunnel without approval from the General Assembly. However, such prohibition shall not apply to (i) reconstruction with additional lanes of a highway, bridge, or tunnel provided that the number of un-tolled non-high-occupancy vehicle lanes, excluding auxiliary lanes, after the reconstruction is not less than the number of un-tolled, non-high-occupancy vehicle lanes, excluding auxiliary lanes, prior to such reconstruction; (ii) new construction that is opened to the public as a tolled facility; (iii) new construction that is opened to the public as high-occupancy vehicle lanes; (iv) existing high-occupancy vehicle lanes; or (v) an existing lane on a segment of a highway whose length does not exceed 10 miles and is between an interchange and an interchange or an interchange and a bridge, provided that the number of un-tolled non-high-occupancy vehicle lanes on such segment is equal to the number of un-tolled non-high-occupancy vehicle lanes on the portion of the highway preceding such segment.
C. Notwithstanding the provisions of subsection B, prior approval of the General Assembly shall be required prior to the imposition and collection of any toll for use of all or any portion of (i) a non-limited access highway except for a bridge, tunnel, or the approaches to a bridge or tunnel or (ii) Interstate 81.

§ 33.2-309. Tolls for use of Interstate System components.
A. Notwithstanding any contrary provision of this title, Subject to the limitations provided in § 33.2-118 and in accordance with all applicable federal and state statutes and requirements, the Board may impose and collect tolls from all classes of vehicles in amounts established by the Board for the use of any component of the Interstate System within the Commonwealth. However, prior approval of the General Assembly shall be required prior to the imposition and collection of any toll for use of all or any portion of Interstate 81. Prior approval of the General Assembly shall be required prior to the imposition or collection of any toll for use of Interstate 95 south of Fredericksburg pursuant to the Interstate System Reconstruction or Rehabilitation Pilot Program. Such funds so collected shall be deposited into the Transportation Trust Fund established pursuant to § 33.2-1524, subject to allocation by the Board as provided in this section.
B. The toll facilities authorized by this section shall be subject to the provisions of federal law for the purpose of tolling motor vehicles to finance interstate construction and reconstruction, promote efficiency in the use of highways, reduce traffic congestion, and improve air quality and for such other purposes as may be permitted by federal law.
C. In order to mitigate traffic congestion in the vicinity of the toll facilities, no toll facility shall be operated without high-speed automated toll collection technology designed to allow motorists to travel through the toll facilities without stopping to make payments. Nothing in this subsection shall be construed to prohibit a toll facility from retaining means of nonautomated toll collection in some lanes of the facility. The Board shall also consider traffic congestion and mitigation thereof and the impact on local traffic movement as factors in determining the location of the toll facilities authorized pursuant to this section.
D. The revenues collected from each toll facility established pursuant to this section shall be deposited into segregated subaccounts in the Transportation Trust Fund and may be allocated by the Board as the Board deems appropriate to:
1. Pay or finance all or part of the costs of programs or projects, including the costs of planning, operation, maintenance, and improvements incurred in connection with the toll facility, provided that such allocations shall be limited to programs and projects that are reasonably related to or benefit the users of the toll facility. The priorities of metropolitan planning organizations, planning district commissions, local governments, and transportation corridors shall be considered by the Board in making project allocations from such revenues deposited into the Transportation Trust Fund.
2. Repay funds from the Toll Facilities Revolving Account or the Transportation Partnership Opportunity Fund.
3. Pay the Board's reasonable costs and expenses incurred in the administration and management of the toll facility.

2. That the provisions of this act adding § 33.2-118 to the Code of Virginia, as created by this act, and § 33.2-309 of the Code of Virginia, as amended by this act, shall become effective upon the return of the Commonwealth's spot in the Interstate System Reconstruction and Rehabilitation Pilot Program."

Ordered that Delegate Cox inform the Senate that the House of Delegates has adjourned sine die.

The Clerk received a message from the Senate by Senator Norment, who informed the House of Delegates that the Senate has adjourned sine die.

Subsequent to the adjournment sine die of the 2016 Regular Session, the Clerk received the following communication from the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 11, 2016

TO THE MEMBERS OF THE GENERAL ASSEMBLY:

As is customary, I write to you at the conclusion of the 2016 General Assembly session to express my appreciation for your support on the budgetary and legislative priorities advanced by our administration this year as we make progress in our efforts to build a new Virginia economy.

This year's legislative session was remarkable for the range and complexity of the issues that confronted us. Faced with these significant challenges, we found common cause in the targeted investments and forward-looking reforms outlined in our budget and legislative agenda.
Midway through my administration's four-year term, we built on our successes over the past two years and took decisive steps forward on education, workforce development, transportation and public safety with the shared confidence that we are moving the Commonwealth in the right direction.

Our most auspicious achievement this year is the new two-year budget that invests more than $1 billion in additional support for education at all levels. State funding for our public schools deteriorated during the recession, forcing our communities to reduce staff and adopt various austerity measures. With this budget, we send a clear message that state leaders are ready to shoulder our fair share of responsibility for providing Virginia students with a world-class education.

Just as important, this budget recognizes the partnership that exists on education and accommodates the unique needs of each community, providing local schools with the flexibility they need to excel.

We also received bipartisan support for a logical and long-overdue update to Virginia's approach to high school education, placing a greater emphasis on hands-on learning, internships, early college courses and industry credentials, rather than classroom seat-time.

The education investments in our budget are comprehensive and designed to strengthen our talent pipeline from pre-kindergarten to workforce development. Workforce training represents the final, crucial mile of that pipeline, and we can be proud of the progress we have made together to transform this important component of our New Virginia Economy Strategic Plan. We inherited a system that was disjointed, inefficient and lacking a clear direction. We have worked methodically to untangle the web of redundant programs and transform Virginia's approach to workforce development so that we more effectively serve the needs of our students, our businesses and our economy.

This year, we took a significant step forward with legislation that establishes Virginia's first statewide program to provide workforce training for industry certifications that meet the needs of businesses in each region. With this new law, Virginia becomes the first state in the nation to create a pay-for-performance workforce training program.

Some of our most valuable employees in our workforce are our veterans. We worked together to give former medics and corpsmen a new pathway to careers in health care. We fully funded our new veteran care centers for Hampton Roads and Northern Virginia and the expansion of the Virginia War Memorial.

As for economic development, we made great strides in broadband, bioscience and cyber security. $350 million was included for terminal expansions at the Port of Virginia, part of our aggressive work to expand international trade and grow our existing businesses by connecting them to global markets. I am also pleased that we were able to work together again this year to provide pay increases for our hard-working state employees, teachers and deputy sheriffs. These raises support continuity and quality in our public sector workforce at the state and local levels, a key objective that contributes to each and every one of our policy goals.

This year we also celebrate two historic agreements that will keep Virginians safer and take a significant step forward to unlock Northern Virginia from the congestion that is preventing this vital region from achieving its full economic potential.

On firearms, we had the courage to set aside many years of heated debate and reach a consensus that protects families from gun violence and increases access to background checks at gun shows while respecting the rights of law-abiding citizens. The resulting state laws will save lives.

On Interstate 66, we demonstrated our determination to put good governance ahead of politics and reached a milestone breakthrough that will relieve congestion in one of the most traffic-choked corridors in the nation's most traffic-choked region.

This agreement will provide the most significant congestion relief for 1-66 commuters in the 30-year history of that road.
While I am pleased at the balance of our work, I must express my deep remorse at the opportunities lost this year to disorder and acrimony.

The firing of a highly qualified Supreme Court Justice and the haphazard process for replacing her was an unprecedented political affront to the independence of our judiciary, the branch of government we depend on to apply calm and deliberative thought to our Commonwealth's thorniest disputes.

Finally, it is disappointing that Virginia lawmakers have given meager attention to the pressing need to provide their constituents and communities access to high-quality health care. Their failure to act is costing us $6.6 million a day in federal dollars that could be providing much-needed medical services to our families. I understand that change is difficult, but I continue to welcome anyone willing to discuss the alternatives available to us, all of them better than the status quo.

As elected officials in the Commonwealth of Virginia, we are all accountable to our constituents for our actions and our inaction. While it is clear we did not reach our full potential, I believe our constituents will look at the entirety of our work this year and be pleased at the progress we made.

/s/ Terry McAuliffe

Speaker of the House of Delegates

Clerk of the House of Delegates
Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 766, which provides that for a period of 45 days after the issuance of a protective order, the person who has issued the order may lawfully carry a concealed handgun. This bill eliminates the application and training requirements associated with concealed handgun permits and allows petitioners to carry a concealed handgun immediately upon the issuance of any protective order.

Domestic violence situations can be extremely volatile, and all too often result in serious injury or death. In fact, when firearms are present in a domestic violence situation, a woman is five times more likely to die. In 2014, Virginia experienced 112 family and intimate-partner-related homicides, 66 of which occurred with a firearm.

At the end of February, I signed legislation, part of a bipartisan firearms agreement, that will remove firearms from dangerous domestic violence situations. That bill prohibits subjects of permanent protective orders from possessing firearms and requires them to sell or transfer their firearms within 24 hours. House Bill 766 encourages victims of domestic violence to introduce deadly weapons into an already dangerous situation, an approach that I believe could have significant negative public safety consequences.

Prior to the conclusion of the 2016 legislative session, I proposed amendments to House Bill 766 that would allow judges to expedite the concealed handgun permit approval process for individuals who had already given serious consideration to the risks and responsibilities associated with concealing a handgun and completed all necessary training requirements. These amendments were rejected.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

 Speaker of the House of Delegates  
 Clerk of the House of Delegates
The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Honorable G. Paul Nardo, Clerk of the Virginia House of Delegates, Richmond, offered the following prayer:

Almighty God,

We come before you at the start of this Reconvened Session, as we ought each day, asking for Thy divine mercy, inspiration, and wisdom to help this House, and all who serve and work therein, to do that which is meek, right, and pleasing in Thy sight.

We also humbly beseech Thee to open our minds and our hearts that we may reflect, in all that we think, do, and say this day, the warmth, the grace and the truth of Thy manifold and great mercies.

For our creation, preservation and all of the blessing of this life, we most heartily thank you.

Amen.

Delegate Cox led the House of Delegates in the Pledge of Allegiance to the Flag of the United States of America.

The roll was called and the following members answered to their names:

There were 97 Delegates present.

Delegates Hugo, Morris, and Simon took their seats after the roll was called.

A quorum being present, the House proceeded with the business of the day.

The Clerk reported that communications had been received from the Governor, relating to the objections of the Governor on the following House bills:

**HOUSE BILLS VETOED BY THE GOVERNOR**

H.B. 587 (five, eighty-seven) was taken up.

The communication from the Governor was as follows:

**COMMONWEALTH OF VIRGINIA**

**Office of the Governor**

**March 10, 2016**

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 587, which overrides the authority of local governments to remove or modify monuments or war memorials erected before 1998.

The rich history of our Commonwealth is one of our great assets. My administration strongly supports historic preservation efforts, including the preservation of war memorials and monuments. However, this legislation would have been a sweeping override of local authority over these monuments and memorials including potential ramifications for interpretive signage to tell the story of some of our darkest moments during the Civil War.
There is a legitimate discussion going on in localities across the Commonwealth regarding whether to retain, remove, or alter certain symbols of the Confederacy. These discussions are often difficult and complicated. They are unique to each community's specific history and the specific monument or memorial being discussed. This bill effectively ends these important conversations.

I am committed to supporting a constructive dialogue regarding the preservation of war memorials and monuments, but I do not support this override of local authority.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Delegate Poindexter moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the affirmative.

H.B. 2 (two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 25, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2, which would prohibit the Virginia Department of Environmental Quality from submitting a Virginia-specific plan to comply with the federal Clean Power Plan until a majority of legislators in both the Senate and the House of Delegates adopt resolutions approving the state plan.

The interjection of required legislative approval into the Clean Power Plan process is an impermissible breach of Virginia's constitutional separation of powers. Federal law provides that it falls to the Governor to submit required plans and submissions under the Clean Air Act, including plans to comply with the Clean Power Plan. The Governor is authorized to delegate that authority to the appropriate state environmental agencies. In Virginia, that authority has been delegated to the Director of the Department of Environmental Quality. This process rests squarely in the executive branch of state government.

Under Article III of the Constitution of Virginia, the legislative, executive, and judicial branches of government must remain separate and distinct, such that none may exercise the powers properly belonging to the others. Requiring DEQ to obtain the approval of each chamber of the legislature before submitting a plan to comply with the Clean Power Plan constitutes legislative participation in a purely executive process. As such, House
Bill 2 violates Virginia's constitutional separation of powers under Article III.

I cannot, in good conscience, sign a bill that would violate the Constitution of Virginia.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.

Delegate Toscano propounded a parliamentary inquiry as to whether the Governor's veto was sustained since the House had taken no action.

The Speaker stated that the Gentleman was correct.

H.B. 8 (eight) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 5, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 8, which would create a new executive branch agency known as the Board of the Virginia Virtual School, to govern and facilitate the provision of full-time, online education programs.

This legislation raises significant concerns regarding proper management and oversight by allowing the Board of the Virginia Virtual School to operate outside the jurisdiction of the Board of Education, local divisions, and local school boards. This would disrupt the established constitutional framework and the roles these entities play in ensuring the appropriate governance of schools, regulatory compliance, and positive student outcomes.

The corresponding resources allocated in the budget also would be insufficient to run a new state agency effectively. Inadequate funding and staffing will put all participating students, specifically English Language Learners, students with disabilities, and other at-risk youth, in danger of not receiving their constitutionally-guaranteed education.

Finally, Board of the Virginia Virtual School is also unnecessary given the current availability of high quality, online virtual learning opportunities. Delegate Richard P. Bell, the bill's patron, has a long standing commitment to advancing virtual learning, which has facilitated Virginia's ability to expand virtual learning opportunities to students throughout the Commonwealth. This includes the Virtual Virginia program, overseen by the Virginia Department of Education, which makes full and part time programming available to students while ensuring high quality instruction, providing extracurricular opportunities, and maintaining ongoing support from their local school division.

HB 8 would create a new state agency outside the constitutional framework governing school divisions and boards. There is no reason to sign into law legislation that would risk the educational well-being of our students.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.
H.B. 9 (nine) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 23, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 9, which requires general registrars to deny voter registration applications submitted by eligible Virginians.

The Voting Rights Act expressly prohibits denying applications for omissions that are not material to determining voter eligibility. Under 52 U.S.C. § 10101(a)(2)(B), "[n]o person acting under color of law shall deny the right of any individual to vote in any election because of an error or omission on any record or paper relating to any application, registration, or other act requisite to voting, if such error or omission is not material to determining whether such individual is qualified under State law to vote in such election."

House Bill 9 would require the automatic denial of certain eligible Virginians and all applicants who fail to check a box indicating that she or he will be at least 18 years of age on or before the next general election. The checkbox is not material to determining whether the applicant meets the age requirements to register to vote because the applicant is already required to provide his or her date of birth.

Government works best when as many citizens have a voice in our democracy as possible. We should be seeking ways to make it easier for qualified Virginians to participate in elections, not disenfranchising them over technicalities.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

Delegate Cole moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

Yeas, 66. Nays, 34. Abstentions, 0. Not Voting, 0.

The vote required by the Constitution, this being an act requiring a two-thirds affirmative vote of the members present, was recorded as follows:

Nays–Aird, Bagby, Bell, J.J., Boysko, Bulova, Carr, Filler-Corn, Heretick, Herring, Hester, Hope, James, Keam, Kory, Krizek, Levine, Lindsey, Lopez, Mason, McClellan, McQuinn, Murphy, Plum, Price, Rasoul, Sickles, Simon, Spruill, Sullivan, Torian, Toscano, Tyler, Ward, Watts–34.

H.B. 18 (eighteen) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 8, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 18, which would categorically prohibit franchisees and their employees from being considered the employees of a franchisor.
As proponents of this legislation have acknowledged, franchisees and their employees are not considered employees of the franchisor in typical franchisor/franchisee relationships. However, the nature of that relationship is subject to a particularized fact-based inquiry, and in situations of dominant franchisors, the franchisees and their employees are de facto employees of the franchisors.

House Bill 18 would relieve these dominant franchisor/employers of the obligations and responsibilities an employer owes to its employees. As a result, it would fall to the dominated franchisees—usually small, Virginia-based businesses—to shoulder the burdens more appropriately placed on the dominant franchisor.

Healthy franchisee/franchisor relationships are an integral part of the business environment and play an important role as we continue to build the new Virginia economy. House Bill 18 would undermine that effort by exempting dominant franchisors from their obligations to Virginia businesses and workers.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

Delegate Head moved that the House override the Governor's veto.

H.B. 70 (seventy) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 11, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 70, which prohibits magistrates from issuing misdemeanor arrest warrants against law enforcement officers if the alleged offense was related to that officer's duties, even in the face of overwhelming evidence of a crime.

Virginia enjoys outstanding law enforcement officers at all levels. They are not, however, perfect. We have seen all too often in recent years abuses perpetrated by poorly performing law enforcement officers throughout the United States. These abuses took place while these officers were purportedly carrying out their duties.

House Bill 70 would preclude Virginia's magistrates from issuing misdemeanor arrest warrants in such circumstances, unless the complainant was a law enforcement officer, without the prior approval of the relevant law enforcement agency having jurisdiction over the offense. Neutral magistrates, the judicial officers with primary responsibility for misdemeanor warrants, would be unable to act on valid citizen complaints of police abuse. Further, this legislation would only serve to place a larger workload on our judges and court clerks, the other individuals authorized to issue such warrants.
I trust Virginia's magistrates to determine whether probable cause exists to issue a misdemeanor warrant, even in those circumstances which involve law enforcement officers. Shifting their workload to judges and court clerks serves neither our citizens nor our judicial system.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

Delegate Miller moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

Yeas, 66. Nays, 34. Abstentions, 0. Not Voting, 0.

The vote required by the Constitution, this being an act requiring a two-thirds affirmative vote of the members present, was recorded as follows:

H.B. 145 (one, forty-five) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 11, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 145, which prohibits a state agency from requiring a bidder, contractor, or subcontractor from performing services at rates based on prevailing wages and benefits.

Virginia does not have a statewide prevailing wage law. Accordingly, this bill would have no impact on state funded procurement projects. Additionally, any project funded in whole or in part by federal dollars must adhere to the Davis-Bacon Act, including its federal prevailing wage provisions.

Projects and employers who adhere to prevailing wage standards improve the lives of working families, local economies, and their communities. This legislation attempts to lower wages and impedes future labor agreements. Virginia's efforts should be focused on increasing wages, which will improve the lives of our families and aid our efforts to build a new Virginia economy, rather than placing artificial restrictions on their future growth.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.
H.B. 264 (two, sixty-four) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 11, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 264, which would prohibit a local government from requiring that its contractors have a wage floor or other benefit above what is required by state law.

In recent years, several local governments have required contractors to pay certain wage levels in contracts with localities. These initiatives have provided access to qualified, high-skilled workers and contractors and successfully addressed significant cost of living and workforce disparities in these localities.

The ability of other local governments to make this choice should be supported, not limited. Decisions regarding municipal contracts should be made by local leaders who fully understand local needs, and the profile of the available workforce, not by members of the General Assembly.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.

H.B. 298 (two, ninety-eight) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 23, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 298, which would extend both the ability to claim and to allocate the coal employment and production incentive tax credits and the allowance of the coalfield employment enhancement tax credit without meaningful reform.

In January 2012, the Joint Legislative Audit and Review Commission ("JLARC") published its final report, Review of the Effectiveness of Virginia Tax Preferences, Senate Document No. 4. That report evaluated the efficacy of the coal tax credits in question and found that, despite their having been created to slow the decline of coal production and employment, both declined at the same or even faster rates than were predicted before the credits were created. JLARC’s report concluded that the economic activity had not moved in the desired direction and that the credits had not achieved their goal.

Specifically, from 1988 until 2015, coal mine operators, electricity generators, and other coal-related companies have claimed over $610 million in tax credits. However, during the same period, the number of coal miners in Virginia has declined from 11,106 to 2,946. It would be unwise to spend additional taxpayer dollars on a tax credit that has fallen so short of its intended effectiveness.

Each day, I work tirelessly to build a new Virginia economy and ensure that this commonwealth is the best place to live, work and run a business. Making the most effective use of every dollar taxpayers entrust to their government is an essential part of that effort. Given the findings of the JLARC study and the lack of meaningful reform in the face of these findings, I believe it would be unwise for me to sign this legislation.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

H.B. 382 (three, eighty-two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 23, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 382, which prohibits the vast majority of state agencies within the executive branch from adopting any regulation or workplace rule that prohibits employees from storing firearms in their automobiles.

As Governor, I am the Chief Personnel Officer of the state workforce. I believe there is a need to establish and enforce workplace violence prevention policies that focus on employee safety and an atmosphere of workplace safety. An essential component of workplace violence prevention is the regulation of the possession, brandishing, or use of weapons on-site and during work-related activities. Our current state policy is aligned with and reinforces this best practice.

Section 2.2-1201 of the Code of Virginia gives the Department of Human Resource Management the authority to set policies related to the personnel administration of state government agencies. The current Workplace Violence policy, applicable to state government employees, prohibits possession of a weapon not required by the individual's position while the employee is on state premises or engaged in state business. This policy was established to mitigate the potential for workplace violence or accidental injury. The policy's prohibitions are a responsible approach to ensuring the safety of all employees and protection from disgruntled or troubled employees who might inflict harm if given easy access to firearms, regardless of whether the employee is licensed to carry such weapons.

This bill that inhibits our ability to establish and enforce workplace violence prevention policies that focus on employee safety and an atmosphere of workplace safety.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

H.B. 389 (three, eighty-nine) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 5, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 389, which would remove state funds from our public school systems and redirect those funds to Parental Choice Education Savings Accounts to pay for educational services outside the public school system.

First and foremost, there are significant constitutional concerns with this legislation. The approved expenses as outlined in the bill include tuition at private sectarian institutions, bringing the legislation into direct conflict with Article VIII, Section 10 of the Virginia Constitution, which authorizes the use of public funds only for public and nonsectarian private schools.

While the bill would divert much-needed resources away from public schools, operating costs would not be significantly lowered due to the continued need for teachers, buses, and other administrative supports upon which public school students rely. Additionally, the funds withdrawn from the public system bear no relationship to the needs of the particular student or the cost of the additional support services he or she would require, because the amount received will vary based on the local composite index of the home division.

This bill raises constitutional questions, diverts funds from public schools, and creates an unfair system. Our goal is to support and improve public education across the Commonwealth for all students, not to codify inequality.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

H.B. 481 (four, eighty-one) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 31, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 481, which attempts to prohibit the release of certain persons held by state or local officials who are suspected of violating U.S. immigration laws.

Virginia law already leaves it to the discretion of state and local law enforcement officials how to respond to lawful detainer orders received by U.S. Immigration and Customs Enforcement. This bill does nothing other than subject non-citizens in legal disputes with federal immigration officials to inequitable treatment. The debate surrounding this bill confirms that it is intended to communicate a sense that non-citizens are to be feared and should be treated as more dangerous than other persons.

Rather than stoking irrational fears of non-citizens present in the Commonwealth, the General Assembly should be focused on substantive policies to improve public safety in Virginia. House Bill 481 makes no one safer and inappropriately stigmatizes many of those who are caught up in a broken immigration system.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

H.B. 516 (five, sixteen) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 4, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 516, which would require schools to identify materials as "sexually explicit" and notify parents if teachers plan to provide instructional material containing such content. The legislation would also require teachers to provide alternative instructional materials if requested by a parent.
Open communication between parents and teachers is important, and school systems have an obligation to provide age-appropriate material for students. However, this legislation lacks flexibility and would require the label of "sexually explicit" to apply to an artistic work based on a single scene, without further context. Numerous educators, librarians, students, and others involved in the teaching process have expressed their concerns about the real-life consequences of this legislation's requirements.

We have long entrusted curriculum management to our local school boards. School boards are best positioned to ensure that our students are exposed to those appropriate literary and artistic works that will expand students' horizons and enrich their learning experiences. School boards are also most knowledgeable about those materials that will best position our students to succeed in Advanced Placement and other college preparatory programs.

The Virginia Board of Education has been examining this issue recently and has been engaged in lengthy and substantive conversations with school boards, teachers, parents, and students about existing local policies and potential state policies to address these concerns.

Because the Board of Education is already considering this issue in a broader and more complete context, I believe House Bill 516 is unnecessary.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

H.B. 518 (five, eighteen) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 5, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 518, which would require the Board of Education to select 12 schools identified for comprehensive support and improvement and require those schools to provide all enrolled students with the option to transfer to another public school within the school division.
At its core, this legislation undercuts local school boards' constitutional authority to assign students to schools. The local school board has the preeminent role over local public education, and HB 518 would unconstitutionally infringe on that role.

Additionally, Virginia's previous experience with implementing school choice policies to students in failing divisions proved costly and difficult to implement, and yielded no evidence to suggest that it had a positive impact on student achievement.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

H.B. 560 (five, sixty) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 7, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 560, which would amend the law related to brandishing a firearm and provide that, in order for a person to be convicted under the amended statute, the person must know or reasonably should know that his conduct induces fear in the mind of another person.

The Code of Virginia currently prohibits a person from pointing, holding, or brandishing a firearm in such a manner as to induce fear in the mind of another person. Virginia's courts have interpreted this language to mean that it is not enough that someone inadvertently witnesses a person with a firearm—there must be additional evidence that the person with the weapon actually intended to induce fear in the mind of the witness.

Making the change requested in this bill would create unintended consequences for prosecutors and law enforcement officers attempting to secure convictions for violators of this law. This proposed modification would unnecessarily burden our public safety officials and potentially create a defense for individuals who recklessly handle firearms.

Pointing, holding, or brandishing a firearm in a manner that induces fear in the mind of another person is irresponsible and dangerous behavior and should be appropriately addressed within our criminal justice system. Because current law provides clear guidelines for our law enforcement personnel without creating unintended consequences that could lead to unsuccessful prosecutions, House Bill 560 is unnecessary.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

H.B. 1090 (ten, ninety) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 29, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1090, which would prohibit the Virginia Department of Health from entering into contracts or providing funds to any entity that performs or maintains/operates a facility performing non-federally qualified abortions.

This bill, aimed at Planned Parenthood, would harm tens of thousands of Virginians who rely on the health care services and programs provided by Planned Parenthood health centers by denying them access to affordable care. The fact is that Virginians, and particularly low-income Virginians, need more access to health care, not less.

If Virginia takes federal dollars, then Virginia must abide by federal rules. As a stipulation of accepting federal family planning funding under Title X, Virginia must be fair in selecting which entities receive it.

Virginia cannot add this limitation set forth in House Bill 1090 without violating the Supremacy Clause. Similar laws enacted in North Carolina and Texas were struck down by federal courts for this exact reason.

If we are going to build a new, more vibrant Virginia economy, we need to be opening up doors to quality, affordable health care, not closing them. I have promised to stand in the way of any and all attempts to interfere with a woman's right to make her own health care decisions.

Accordingly, I veto this bill.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 23, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1096, which would reverse the actions taken to safeguard our citizens and employees from gun violence in offices occupied by executive branch agencies.

All Virginians, including state employees, have the right to feel safe and secure going about their daily lives. Regulations have been authorized to promote safety in public buildings, and prevention requires us to address areas of concern before they are realized.

In addition, this legislation exempts rules, regulations, policies, and administrative actions imposed by certain agencies and institutions of higher education from the requirements of the bill. Such special exemptions, while other state agencies must comply, infers to the state workforce a perception of inequity for their wellbeing. Executive Order 50 is a consistent application of administrative requirements implemented across state agencies resulting in equitable state work force protections.

Our prior bipartisan agreement to make our Commonwealth safer was a step in the right direction, but we must continue the work.

Accordingly, I veto this bill.

H.B. 1234 (twelve, thirty-four) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 6, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1234, which permits school security officers to carry firearms under certain conditions.

There are important distinctions between school security officers and school resource officers, specifically involving the type of training they receive that would prepare them to carry and use firearms. School resource officers are employees of a local law enforcement agency who are detailed to local schools and are permitted to carry firearms in the course of their duties. These officers receive significant and ongoing training. School security officers, on the other hand, are civilian employees of a school division who do not receive training regarding firearms or the appropriate use of force with juveniles. Allowing additional firearms in schools without appropriate training would create an environment that is less, rather than more, secure.

Additionally, the bill fails to distinguish between an individual who retired recently or 20 years ago, nor does it distinguish between an individual who retired from a Virginia law enforcement agency or from an out-of-state agency with vastly different training requirements. This raises questions about the uniformity of previous training these individuals received.

We must do all we can to keep Virginia's students and schools safe. In order to achieve that goal, it is essential that only trained, active law enforcement officials be authorized to carry firearms in schools. This bill would expose schools and students to unnecessary risk and potential harm by allowing individuals without adequate training to carry firearms on school grounds.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

H.B. 1371 (thirteen, seventy-one) was taken up.
The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 25, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1371, which prohibits localities from enacting policies to improve employee wage and benefit conditions.

A number of localities have enacted wage policies designed to allow the employees of contractors performing services for those localities to generate enough income to allow them to live and raise a family in the area. Companies not inclined to participate at these wage levels need not contract with the localities. House Bill 1371 would undermine these laudable policies to no apparent advantage.

This legislation attempts to restrict wage growth and impedes future labor agreements. Virginia's efforts should be focused on increasing wages, which will improve the lives of our families and aid our efforts to build a new Virginia economy, rather than placing artificial restrictions on their future growth.

Accordingly, I veto this bill.

HOUSE BILLS WITH RECOMMENDATIONS BY THE GOVERNOR

H.B. 30 (thirty) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 10, 2016

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 30

I approve the general purpose of this bill, but I am returning it without my signature with the request that 30 amendments be adopted. Although the enrolled bill achieves most of the major objectives I proposed to you, I am returning it to you with amendments to address concerns that I have either noted to you previously or that have been brought to my attention since your passage of the budget. With regard to the "caboose budget," I have signed HB 29.

I am grateful to all members of the House of Delegates and the Senate for your dedicated work and your timely passage of the budget. While we may differ on some of the details, your dedicated efforts reflect general support for the initiatives I proposed in the introduced budget and our shared commitment to strengthen Virginia's economy.

Specifically, the House and Senate are to be commended for keeping public education as the highest priority in this budget. You also maintained a commitment to the future financial health of the Commonwealth by providing the required funding for the revenue stabilization fund and by fully addressing the actuarial requirements of the Virginia Retirement System. Not only will these actions strengthen Virginia's financial position in the years to come, which is good for taxpayers, the contributions to the retirement system also will benefit our dedicated workforce of state employees. State and state-responsible local employees also will be grateful for the pay increases that we all supported.

Of the 30 amendments that I am proposing, 10 change spending, 18 are language-only changes, and two increase the resources available. Four of the amendments were made at the request of a member of the General Assembly or committee staff to address clarifications or technical adjustments. My spending amendments total $12.6 million from the general fund and are supported by additional balances that have not been previously identified but will be available at the beginning of the biennium. A summary of these amendments is provided below.

Summary of Amendments

Role of the Joint Legislative Audit and Review Commission (JLARC) in review of the Virginia Economic Development Partnership (VEDP) and its role in the ongoing oversight of economic development initiatives – Item 33

HJ7 (Byron) provides that JLARC will work collaboratively with the Virginia Economic Development Partnership on a study of the Commonwealth's economic development programs. The companies with whom the Commonwealth works should have assurances that their confidential and proprietary information will remain confidential and will be protected from public disclosure.
My amendment clarifies that JLARC shall have an ongoing evaluative, but not an oversight, role for economic development initiatives. Also, it maintains language allowing JLARC to have access to necessary records for the purposes of evaluating incentives, while clarifying that records that have been excluded from disclosure under the Freedom of Information Act are not subject to disclosure by JLARC.

**Fund Electronic Case File Submission System – Item 40**

HB64 (Kilgore) permits, upon agreement between the chief judge of a general district court and the clerk of the circuit court, for electronic transmission of case papers between the courts for civil cases appealed from general district to circuit court and from circuit court back to the district court in cases where that might be required. The funding to support this effort was not included in the enrolled HB 30.

My amendment provides one-time funding of $175,950 from the general fund in FY 2017 to cover the cost associated with implementing an electronic case file transmission system between the general district and the circuit court.

**Correct Fiscal Year Funding for Judicial Weighted Caseload Study – Item 40**

The enrolled budget (Item 40, amendment #2c from the conference report), included an appropriation that was mistakenly placed in FY 2018 rather than FY 2017. The intent was to provide general fund support of $250,000 for a caseload study – the results of which would be available for the 2018 General Assembly.

My amendment corrects the fiscal year in which funding is available to contract with the National Center for State Courts to update the judicial weighted caseload and staffing study in order for the results to be available by the beginning of the 2018 General Assembly Session.

**Authorize the use of Commonwealth Health Research Board (CHRB) funding for joint projects with the Virginia Bioscience Health Research Corporation (VBHRC) – Item 106**

VBHRC is an important tool for fostering the growth of the bioscience industry in the Commonwealth. Its unique, collaborative model enhances research and creates high-paying jobs in a key industry. The proposed language directs VBHRC and CHRB to partner to review and fund proposals that support the bioscience industry in Virginia and foster the creation of new companies and jobs in the Commonwealth.

My amendment authorizes the expenditure of up to $2.5 million of funds managed by CHRB toward collaborative research projects agreed to by both the CHRB and VBHRC that would support Virginia's core bioscience strengths, improve human health, and demonstrate commercial viability with a high likelihood of creating new companies and jobs in Virginia. This amendment increases the ability of the VBHRC to impact the bioscience industry.

**Remove language restricting the use of broadband funding – Item 109**

The General Assembly provided funding in support of the Virginia Telecommunication Initiative. Language associated with the funding established limitations on the ability to leverage these funds with other state and federal financing for broadband deployment. This limitation could adversely impact localities’ ability to undertake broadband construction projects critical to economic development.

My amendment removes this restrictive language.

**Provide support for Labor and Employment Law Statutes – Item 115**

The timely investigation of payment of wage claims and the issuance of youth employment certificates are critical services that help ensure fair treatment of employees. The issuance of youth employment certificates provides protection for the safety, health, and welfare of youth employees. Delays in the investigation of payment of wage claims make those cases more difficult to investigate due to the nature of wage payments and can hinder resolution of those claims. Delays in youth employment inspections have the potential to expose youth employees to harm, as untimely inspections may place youth in the position of performing hazardous or prohibited work, or work hours that violate the law. Due to increased workloads, additional staff is necessary to adequately address these important programs.
My amendment provides $184,000 from the general fund in each year to allow the Department of Labor and Industry to fill two vacant compliance officer positions. The positions will address increased workloads associated with youth employment inspections and payment of wage claims.

**Provide protection to Virginia Workers and Businesses – Item 116**

The principal objective of the Virginia Occupational Safety and Health (VOSH) Program is to reduce workplace fatalities, injuries, and illnesses. A weakened VOSH program could result in increases in fatal accidents, injuries, and illnesses, affecting the ability of Virginia's businesses to compete in a challenging economy.

My amendment provides $256,173 from the general fund in each year to fill three vacant compliance safety officer positions. These positions will conduct safety and health inspections and issue citations where violations of VOSH regulations are found.

**Provide funding for solar energy development – Item 120**

The development of solar energy is a critical component of a diversified mix of energy sources in the Commonwealth. The solar industry has developed and matured in other states, placing Virginia at a competitive disadvantage.

My amendment provides $1.0 million from the general fund in each year to support an expanded clean energy industry. Priority in the use of these funds will be given to solar energy projects in Southwest Virginia. Without this amendment, the Commonwealth would lack any dedicated funding to expand the development of solar energy.

**Reversion of Chamberlin Hotel property to the Commonwealth – Item 124**

Language adopted by the conferees would set aside previous Acts of Assembly to effectuate the immediate reversion of the Chamberlin Hotel parcel at Fort Monroe to the Commonwealth. This language jeopardizes months of good faith negotiations between the Army and representatives of the Chamberlin on a mutually agreed upon conveyance process for the Army's interest in that parcel. Additionally, the language adopted by the conferees is inconsistent with the planned Economic Development Conveyance agreement between the Army and the Commonwealth.

My amendment strikes the budget language.

**Modify match requirements for grants for site remediation through the Virginia Brownfields Restoration and Economic Redevelopment Assistance Fund – Item 125**

Currently, the Code of Virginia requires that the Virginia Brownfields Restoration and Economic Redevelopment Assistance Fund Program's guidelines include a mandatory one-to-one match by the recipient of any grant made by or from the Virginia Brownfields Restoration and Economic Redevelopment Assistance Fund. It may be difficult for smaller localities to provide a 100 percent match, which is the match rate currently required by the recipient of any grant made by or from the Fund. This could potentially price smaller localities out of the market.

My amendment allows for a 25 percent match for site remediation projects.

**Remove Virginia Virtual School Funding and Language – Items 137 and 139**

House Bill 8 (Richard Bell) establishes the Board of the Virginia Virtual School. Because the Board would operate outside of the jurisdiction of the Board of Education without adequate resources, and because the Department of Education is already pursuing expansion of virtual learning, I have vetoed this legislation.

My amendment, therefore, removes funding and positions provided for the start-up of the Virginia Virtual School in FY 2018, as well as language directing the transfer of direct aid payments to the Virginia Virtual School beginning in FY 2019.
Remove technology review language – Item 139

The budget includes language directing the Department of Education to create a workgroup to review a number of items related to the use of technology in the classroom and for testing. Several of the directives in the language either cannot be implemented at this time, are already being implemented, or ask for studies already completed. In addition, other workgroup study requirements in this language can be addressed by another paragraph placed under the Department of Education to holistically review the statewide use of technology in the classroom and all sources of digital content development and online learning.

My amendment removes this language to help ensure needed technology enhancements more quickly reach the classroom. This is a request of the Chairman of the House Education Committee.

Establish Cybersecurity Scholarship for Public Service Grant Program – Item 144

Governments are having difficulty competing with the private sector for individuals with cybersecurity experience. Given the large quantities of sensitive data held by state agencies in Virginia, it is vital to have the expertise to protect this data from cyber-attacks.

My amendment provides $500,000 from the general fund in each year to create a new scholarship program under the State Council of Higher Education for Virginia to encourage individuals pursuing cybersecurity degrees to work for Virginia state government upon graduation. The proposed scholarship program would require one year of state government service for every year scholarship funding is provided. This program replicates a successful program presently utilized by the federal government to attract cybersecurity talent.

Provide Cybersecurity Education in Community Colleges – Item 213

Cybersecurity is a rapidly growing industrial sector that will provide expanded employment opportunities. Virginia is poised to attract companies providing cybersecurity support, both through research and the graduation of students with cybersecurity degrees. These potential employers are looking for individuals who graduate from higher education institutions designated by the federal government as centers of excellence for cybersecurity. Several of our community colleges have been so designated; all community colleges should strive for this designation so that individuals throughout Virginia who are interested in cybersecurity as a career have access to programs that will enhance their qualifications.

My amendment adds $280,000 in FY 2017 and $152,000 in FY 2018 from the general fund to formally establish a cybersecurity program director for the Virginia Community College System and to develop an appropriate curriculum to help all of Virginia's community colleges offer coursework in cybersecurity. With these efforts, the community college system will be able to identify any additional faculty needs to ensure that all of our community colleges become cybersecurity centers of excellence.

Dedicate Portions of the 2019 Commemoration Funding – Item 238

The establishment of the Virginia House of Burgesses as the first elected legislative body in the British Colonies is a historic moment, to be celebrated by all Americans. Significant new funding has been provided in the budget for the 2019 Commemoration, recognizing the establishment of the House of Burgesses, recordation of the first Africans in Virginia, arrival of the first women in Virginia, and the first Thanksgiving at the Berkeley Plantation.

My amendment directs $2.0 million of the FY 2018 funding provided for the 2019 Commemoration toward funding and endowing a scholarship program to be known as the "Maggie L. Walker Scholarship Fund" to provide grants to under-represented minorities and women who are both residents of Virginia and student leaders who work to improve their local and global communities. The purpose of these scholarships is to increase access and diversity at public institutions of higher education in Virginia. These scholarships will support awareness of the contributions of minorities and women, like Maggie L. Walker, to Virginia's history and will complement the activities surrounding the 2019 Commemoration.
Limit prohibition on Medicaid expansion – Item 306

Healthcare policy and fiscal considerations, not politics, should drive Virginia's decisions about Medicaid expansion. We cannot continue to leave on the table the Commonwealth's share of federal dollars that could be used to provide life-saving services to its citizens. Therefore, I propose that the prohibition on expansion activities included in the budget be limited to the first year only. Adopting this change will allow us to continue the dialogue on the merits of and business case for expanding the Medicaid program in Virginia, leading to a full and reasoned discussion at the 2017 legislative session. We thereby can make decisions based on another year of factual data from the results of actions to expand the program in other states and any additional information that may become available on the outcomes of reforms to the program in Virginia.

My amendment limits the prohibition on actions to expand the Medicaid Program pursuant to the Patient Protection and Affordable Care Act to the first year of the biennium.

Allow limited consumer directed overtime in FY 2017 – Item 306

The enrolled budget's elimination of all overtime for consumer-directed attendants could have a significant adverse impact on the continuity of care received by some of Virginia's most vulnerable citizens and jeopardize the health of older adults and people with disabilities. Moreover, it may severely limit the ability of Medicaid clients to recruit and retain the workers they need to continue to live independently at home. Also, my office has received calls from concerned citizens on this issue.

My amendment provides $8.4 million from the general fund in FY 2017 and language authorizing the Department of Medical Assistance Services (DMAS) to allow up to 16 hours overtime for attendants who are providing care under the consumer-directed service option in the Medicaid waivers in FY 2017.

Modify Delivery System Reform Incentive Program (DSRIP) language – Item 306

Time and again, the General Assembly has stressed the need for greater efficiency and cost control in the state's Medicaid program. This perceived need has even been used as justification to delay the expansion of Medicaid to those who qualify for such coverage under the Affordable Care Act. The Delivery System Reform Incentive Payment (DSRIP) program has the potential to free up many millions of dollars that can be used to pay for system-wide improvements. The amendment inserted into the enrolled bill would delay the realization of these efficiencies, should the federal government approve the application for the underlying waiver in a timely manner. Delaying our ability to begin saving taxpayer dollars in the Medicaid program is contrary to the direction expressed by the General Assembly.

My amendment seeks a middle ground by prohibiting expenditures under a potential DSRIP waiver unless the Department of Medical Assistance Services notifies the legislature of the nature of planned expenditures associated with DSRIP funds, in addition to the current provision's requirement that the agency notify the legislature of the approval of the waiver itself.

Allow the Department of Conservation and Recreation to acquire state park land – Item 365

The Commonwealth must be able to acquire property adjacent to existing state parks and in-holdings, and the Department must be able to acquire such properties, using nongeneral funds, when they become available.

My amendment provides such flexibility. It will allow the Department to undertake the process necessary to acquire such parcels using nongeneral funds, provided the acquisition will not result in increased operating expenses.

Allow development or preparation of the Clean Power Plan– Item 369

I strongly believe that Virginia needs to proceed with development of the regulations while a stay is in place. The Clean Power Plan is a necessary response to climate change and an opportunity for Virginia to become a leader in clean energy.
My amendment removes restrictive language for the use of state funds for the preparation or development of the Clean Power Plan. Submission of such plan to the United States Environmental Protection Agency will not be authorized until the stay issued by the United States Supreme Court is released.

**Remove obsolete language – Item 370**

The Enrolled Bill contains obsolete language referencing an Item in the Capital Section that the Conferees removed.

My technical amendment removes this language.

**Remove conflicting Rail and Public Transportation study language – Item 448**

HB 1359 (Peace) was passed by the 2016 General Assembly, setting clear directive to develop a two pronged prioritization process for state funding in support of capital projects for transit systems. However, related budget language under the Department of Rail and Public Transportation appears to require a study that contemplates one process for all transit capital funding. This budget language could hurt the efforts to reach consensus on these important issues.

My amendment modifies the budget study language under the Department of Rail and Public Transportation to ensure there is no conflict with House Bill 1359, which I have signed into law. This is a request of the patron of House Bill 1359.

**Adjust language related to Ports debt service cap – Item 463**

The budget has existing language limiting the total amount of debt service paid by the Port Authority to $45 million annually. Chapter 665, 2015 Acts of Assembly, allows the Port Authority to enter into a new lease agreement related to the Virginia International Gateway (VIG) Terminal in Portsmouth, Virginia. It is anticipated that the new lease agreement related to the VIG Terminal may result in the agency surpassing the $45 million cap.

My amendment adds language allowing the Governor to approve the Port Authority to exceed the $45 million debt service cap if the capital lease with the VIG Terminal is executed. The amendment includes language that requires that such approval be reported to the Chairmen of the House Appropriations and Senate Finance Committees within five days.

**Workers’ Compensation Capital Authorization – Section 2-0**

A technical correction is needed to amendment C-0 #2c which directs the Department of General Services to assist the Workers’ Compensation Commission with identifying a new headquarters facility for the Commission and, upon completion, transfer the existing headquarters to the Science Museum of Virginia. The conference amendment references the initial authorization included in Chapter 806, 2013 Session Acts of Assembly, rather than the amended language included in Chapter 1, 2014 Special Session 1. Chapter 1 authorized the Workers’ Compensation Commission an option to enter into a capital lease in addition to options authorized in Chapter 806 for acquisition or construction of a new headquarters facility.

My amendment updates the chapter reference to Chapter 1, 2014 Special Session 1, which authorized the Commission to enter into a capital lease and increased their appropriation for the project to $20 million based on the Department of General Services' latest estimates.

**Increase Maintenance Reserve Funding for the Department of Juvenile Justice – Item C-44**

I continue to believe that our juvenile justice system will be strengthened by the transformation currently underway by my administration. In my introduced budget, the debt issuance and appropriation authority for six Department of Juvenile Justice (DJJ) capital projects was reverted and bond funding was provided for construction of two new residential facilities. The 2016 General Assembly changed the timeline for the construction of these new residential juvenile facilities. As a result of reverting the $16 million in previously
authorized projects for the Bon Air and Beaumont facilities and the changed timeline for constructing new facilities, DJJ will need additional funds to maintain the existing facilities until the new facilities are operational. Additional maintenance reserve funding will ensure that life safety concerns and critical infrastructure systems are kept in working order ensuring the safety and well-being of the individuals living and working there.

My amendment provides $3.0 million in additional debt issuance authority through the Virginia Public Building Authority to address the ongoing maintenance needs of the existing facilities during the planning phase of the new facilities.

**Remove Language Related to Deposit of Local Fines and Fees – Section 3-6.05**

When a local law enforcement officer writes a ticket against a local ordinance and the driver is found guilty or pleads no contest, the associated fine is retained by the locality where the offense occurred. Language in the enrolled budget, however, requires that certain localities that collect fines above a certain level must remit a portion of those excess fines to the state. It goes further to completely exempt two specific localities from the remittance. To require some localities to remit a portion of those fines to the state just because they are above a certain level of collection and to exempt two localities entirely from such remittance seems arbitrary and unfair.

My amendment removes language in Section 3-6.05 concerning the payment of such local fines to the state thus allowing localities to retain all fines collected from tickets written against local ordinances.

**Restrictive language concerning women's reproductive health services – Section 4-5.04**

I have promised many times to stand in the way of any and all attempts to interfere with a woman's right to make her own health care decisions. If we are going to build a new, more vibrant Virginia economy, we need to be opening up doors to quality, affordable health care, not closing them. The Commonwealth does not need additional language which would prohibit women from accessing reproductive health services. Such additional language would interfere with medical decisions between a woman and her doctor and would also disproportionately impact economically disadvantaged women in Virginia.

My amendment removes language that would prohibit the expenditure of general or nongeneral funds for abortion services, unless mandated by state statute or federal law.

**Recommended Resources**

I am not recommending any changes to the base revenue forecast that we adopted throughout this General Assembly Session. My requested spending is offset by two amendments that add $14.1 million in additional resources to the balance available at the beginning of the biennium.

The first adds $3.0 million in resources by capturing savings from debt service appropriations in FY 2016 that will not be expended. These savings will revert at the end of FY 2016 and thus become balances available for appropriation in the new biennium.

The second adds $11.1 million in resources by recognizing the proceeds from the sale of an ABC building in Alexandria. This sale was originally scheduled for FY 2015 and the resources were anticipated in that fiscal year; however, the sale did not close until August 2015. The proceeds were not included in the actual year-end balances from FY 2015 since they had not been received. Moreover, these resources were not anticipated in the FY 2016 estimates; therefore, they must be added to the FY 2016 general fund transfer collections and included in the balances at the end of this fiscal year, thus increasing the beginning balance for the next biennium.

The budget you presented to me contained an unappropriated balance of $9.9 million. I believe that it is prudent to leave sufficient resources for unforeseen circumstances that may surface in the future. Consequently, I am returning amendments to you, which if enacted, will actually increase the total uncommitted, unappropriated balance to approximately $11.4 million.
Conclusion

Attached to this letter are the details of my proposed amendments. In your review of these proposals, I think you will find they are relatively minor and consistent with the objectives that I have stated throughout my administration and this legislative session.

I respectfully request your adoption of these amendments so that they may be incorporated into the Appropriation Act for the 2016-2018 biennium. Thank you for your consideration of my requests and for your service to the Commonwealth.

Respectfully submitted,

/s/ Terence R. McAuliffe

I approve the general purpose of this bill, but I am returning it without my signature with the request that the attached Amendment in the Nature of a Substitute (16106477D) be accepted.

Sincerely,
/s/ Terence R. McAuliffe
The amendment in the nature of a substitute proposed by the Governor was printed separately, with its title reading as follows:

A BILL to amend and reenact § 53.1-234 of the Code of Virginia, relating to method of execution.

The House proceeded to reconsider the bill.

Delegate Simon raised a point of order that the Governor's substitute dealt with making and entering into contracts as well as the rules for those contracts while the House bill dealt with what would happen in the event that a prisoner's chosen method of execution was not available and would inquire as to whether the Governor's amendment in the nature of a substitute was germane.

The Speaker stated that the original bill related to the method of execution and that the Governor's amendment also dealt with the same subject.

The Speaker stated further that the amendment was germane and the Chair would so rule.

Delegate Marshall of Danville moved to reconsider the vote by which the House refused to amend in accordance with the recommendation of the Governor H.B. 815 (eight, fifteen).

The motion was agreed to.

H.B. 815 (eight, fifteen) was taken up.

The House proceeded to reconsider the bill.

Delegate Simon moved that the House determine that the Governor's recommendation was not specific and severable.

Delegate Orrock raised a point of order that the Gentleman's motion was out of order because the House previously had acted on the Governor's recommendation, which implied that the House believed the Governor's recommendation was specific and severable.

The Speaker stated that since the vote on the recommendation had been reconsidered it was as if the bill, with the recommendation, was before the House for the first time which was the appropriate time for the House to determine whether or not the Governor's amendment was distinct, specific, and severable.

The Speaker stated further that the motion was in order and the Chair would so rule.

Delegate Orrock propounded a parliamentary inquiry as to whether rejecting the motion by Delegate Simon would have the effect of passing the underlying bill.

The Speaker stated that the motion before the House was the motion by the Gentleman from Fairfax.

Delegate Toscano propounded a parliamentary inquiry as to whether, if the Gentleman's motion was agreed to, the original bill as sent to the Governor would be before the House.

The Speaker stated that the Gentleman from Charlottesville was correct.

Delegate Toscano propounded a further parliamentary inquiry as to whether it was appropriate to vote in the affirmative on the Gentleman's motion if a member wished to vote on the bill as it was sent to the Governor.

The Speaker stated that the motion before the House was to determine whether the Governor's recommendation was not specific and severable and that if a member agreed with the motion then he or she should vote "yes" and should vote "no" if he or she disagreed, just as the House had done previously on H.B. 834.

The Speaker stated further that the impact of agreeing to the motion was to place the enrolled bill, as presented to the Governor, back before the House which would allow further action pursuant to Article IV, Section 11, of the Constitution.

The motion by Delegate Simon was rejected.

The vote required by the Constitution was recorded as follows:

Nays–Adams, Albo, Anderson, Austin, Bell, R.P., Bell, R.B., Bloxom, Byron, Campbell, Cline, Cole, Collins, Cox, Davis, Dudenhoffer, Edmunds, Fariss, Farrell, Fowler, Freitas, Garrett, Gilbert, Greason, Habeeb, Head, Helsel, Hodges, Hugo, Ingram, Jones, Kilgore, Knight, Landes, LaRock, Leftwich, Lingamfelter, Loupassi, Marshall, D.W., Massie, Miller, Minchew, Miyares, Morefield, Morris, O'Bannon, O'Quinn, Orrock, Pillion, Pogge, Poindexter, Ransone, Robinson, Rush, Stolle, Taylor, Villanueva, Ware, Webert, Wilt, Wright, Yancey, Yost, Mr. Speaker–63.

Speaker of the House of Delegates

Clerk of the House of Delegates
FRIDAY, MAY 20, 2016

The following House bills, with communications thereto, were vetoed by the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 20, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 577. This bill would allow abandoned funds held in escrow by real estate brokers in interpleader cases heard in general district courts to be directed to the Virginia Housing Trust Fund. While I fully support the Virginia Housing Trust Fund, the mechanism established by this legislation is unconstitutional.

Article VIII, Section 8 of the Constitution of Virginia requires that all escheated funds be deposited in the Literary Fund. Although House Bill 577 does not use the term "escheated funds," the abandoned monies identified in the legislation nevertheless qualify as escheated funds.

In order to rectify this constitutional problem, I proposed amended language that replaced the Virginia Housing Trust Fund with the Literary Fund. The General Assembly elected not to accept the proposed language, returning House Bill 577 to me in the original, unconstitutional form.

I was pleased that the General Assembly concurred with my investment in the Virginia Housing Trust Fund for the upcoming biennial budget. I commend Delegate Robinson and supporters of this bill for attempting to further enhance that Fund. While the mechanism outlined in HB 577 is unworkable, I look forward to working with interested parties to identify a better solution.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 20, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 685, which allows for direct primary care agreements by excluding them from insurance laws and regulations. Direct primary care agreements are insurance-like contracts in which a patient pays a predetermined amount in exchange for future medical services with a primary care physician or group.

While I applaud the patron's desire to increase access to care, I feel this concept needs further scrutiny and study. Over the past three sessions, I have championed bringing federal taxpayer dollars back to the Commonwealth to cover more than 400,000 hard-working Virginians. A direct primary care agreement is merely a stop-gap measure in a time when bolder steps are needed. Not only would a product like this deter an individual from purchasing health insurance, it would still not cover any catastrophic care or chronic conditions requiring a specialist.

I proposed amending House Bill 685 by adding a reenactment clause to allow for further study. I am now vetoing this bill to allow more time to consider the potential challenges, issues and advantages associated with
direct primary care agreements. While direct primary care agreements may be good in theory, more work needs to be done on how to best implement this change and protect consumers.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

The following House bill, with a communication thereto, was vetoed in-part by the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 20, 2016

I have completed my review of House Bill 30. Overall, this budget represents a significant accomplishment. I am pleased that we were able to work together to develop a fiscally responsible biennial budget. This historic budget provides $1 billion in additional funding for education, and it enhances funding for critical needs like transportation, support for our veterans, and initiatives to strengthen the new Virginia economy.

I am also pleased that the General Assembly concurred with the majority of the amendments I proposed during the reconvened session. As a result, we will provide resources to advance Virginia's position as a cybersecurity hub, better coordinate our bioscience research efforts, and strengthen protections for Virginia workers.

I am returning House Bill 30 with my signature. However, pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Item 306.JJJ.4, which is unconstitutional. Item 306.JJJ.4 purports to condition "all appropriations in this act" and to govern "notwithstanding any other provision of this act, or any other law," such that no funds may be expended or appropriated to implement expanded coverage under the Patient Protection and Affordable Care Act.

Item 306.JJJ.4 violates Article V, Section 6(d), which provides the Governor line-item veto power in appropriations acts. By conditioning all appropriations in the budget on Item 306.JJJ.4, the Governor's ability to issue a line-item veto is removed. I object to Item 306.JJJ.4 as a condition on Item 306, yet I am unable to reject it without also rejecting all of the monies appropriated in this $100 billion budget bill. By drafting Item 306.JJJ.4 in its enrolled form, the General Assembly has attempted to entirely remove the Governor's ability to reject an objectionable item, which is an unconstitutional overreach.

Additionally, Item 306.JJJ.4 violates Article IV, Section 12, which mandates that "[n]o law shall embrace more than one object," a constitutional prohibition on combining into one legislative act multiple provisions that separately may not each receive majority support. If the policy underlying Item 306.JJJ.4 were a separate bill, as it should have been, then I would have vetoed it and that veto certainly would have been sustained. The General Assembly has attempted to avoid that result by embedding that policy in the budget bill.

Accordingly, I sign HB 30 and return it with a line-item veto of Item 306.JJJ.4, which is unconstitutional.

Sincerely,

/s/ Terence R. McAuliffe

Richmond, Virginia 23219

Dear Governor McAuliffe:

I write to you in my capacity as Keeper of the Rolls of the Commonwealth regarding the communication of your purported veto of paragraph JJJ. 4. of Item 306 of House Bill 30, 2016.1 Based upon legal advice, it is my opinion that the purported veto does not constitute an item as required by Article V, Section 6 of the Constitution of Virginia. As a result, it is my duty not to publish the purported veto for the reasons set forth in this letter.

All item vetoes of an appropriation bill must conform to the requirements of Article V, Section 6 of the Constitution of Virginia. The interpretation of Article V, Section 6 by the Supreme Court of Virginia in Brault v. Holleman 217 Va. 441 (1976) is dispositive of the constitutionality of the purported veto in question:

While the Governor is empowered to veto any particular item or items of an appropriation bill, he must, for his veto to be valid, strike down the whole of an item; he cannot disapprove part of an item and approve the remainder... Where a condition is attached to an appropriation, the condition must be observed. The Governor cannot veto the appropriation without also disapproving the condition; correspondingly, he cannot veto the condition without also disapproving the appropriation.

Paragraph 4. provides that no general or nongeneral funds shall be used for costs incurred to implement coverage for newly eligible individuals under a provision of the federal Patient Protection and Affordable Care Act, and explicitly conditions the appropriations in House Bill 30 on this prohibition. Your purported veto did not, however, veto the appropriations covered by the conditions. Accordingly, pursuant to Brault, the veto is constitutionally invalid because it attempts to "veto the condition without also disapproving the appropriation."

For these reasons, the portion of House Bill 30 covered under the purported veto of paragraph JJJ. 4. of Item 306 constitutes less than an item in a contravention of Article V, Section 6, and I am duty-bound not to publish it.

Sincerely,

/s/ G. Paul Nardo

1 Paragraph 4. states:

4. As a condition on all appropriations in this act and notwithstanding any other provision of this act, or any other law, no general or nongeneral funds shall be appropriated or expended for such costs as may be incurred to implement coverage for newly eligible individuals pursuant to 42 U.S.C. § 1396d(y)(1)(2010) of the Patient Protection and Affordable Care Act, unless included in an appropriation bill adopted by the General Assembly on or after July 1, 2016.
