"H.1. Out of this appropriation, \$7,584,143 the first year and \$11,291,946 the second year from the general fund is designated to support the goals of access, affordability, quality and increased degrees. Funds provided in this item support the institution's priorities to hire new faculty, to support operations and maintenance of new facilities, to support the Innovation Commercialization Assistance Program at GMU's Small Business Development Center and to engage in biomedical research collaborations. Given the increased general fund, it is the intent of the General Assembly that in-state undergraduate tuition should not increase by more than 3.0% in each year. However, a formal request and justification for increases that exceed this percent may be submitted by the institution to the Governor for his approval. The Director, Department of Planning and Budget, shall report to the Chairmen of the House Appropriations and Senate Finance Committees by August 1, 2016 on the receipt and status of such requests.

2. Out of the amounts provided in paragraph H.1., \$1,000,000 each year is designated to continue efforts to provide online course offerings in collaboration with Old Dominion University. Each institution shall take into consideration the findings and recommendations of Item 1. § 1., Chapter 664, 2015 Acts of Assembly. It is the intent of the General Assembly that per credit rate charged to Virginia residents by George Mason University and Old Dominion University for these online course and program offerings be less than the on-campus in-state undergraduate rate and should be standardized for both institutions. Each institution shall coordinate with other Virginia public institutions of higher education to offer the opportunity of achieving a low-cost degree through the use of online courses."

C. Funds may be utilized for recruiting eminent researchers to acquire and enhance research superiority at public qualifying institutions. In order to qualify for an award, the applicant shall demonstrate that the researcher being recruited would create research superiority at the institution; demonstrate that the institution making the application has sufficient technology transfer processes and other research capabilities in place to meet the needs of the researcher being recruited; involve a private sector partner with business operations in the Commonwealth; demonstrate that the research conducted by the researcher is in a qualifying technology; and match the award, on at least a one-to-one basis, with 50 percent of the match from the applicant and 50 percent of the match from the private sector partner.

D.1. SCHEV shall develop procedures, criteria and guidelines for the management of the application and review processes of this Fund, subject to the approval of the Virginia Growth and Opportunity Board, as well as assist the Board with administration of the Fund.

2. Accordingly, SCHEV shall develop a schedule of solicitation for applications, preview applications and establish a review process that includes a recommendation of prioritization of proposals and initiatives that reflect the areas identified in the Commonwealth Research and Technology Strategic Roadmap and consider the contemporary research and economic needs of the Commonwealth of Virginia.

3. SCHEV shall seek input on each pre-approved proposal from specialty review panels that may include, but not be limited to the following: VBHRC, CIT, R&T Advisory Council, Virginia Academy of Science, Engineering and Medicine. "JJJ.1. The Department of Medical Assistance Services shall seek federal authority through any necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the Social Security Act to implement a comprehensive value-driven, market-based reform of the Virginia Medicaid/FAMIS programs. This reform shall be implemented in three phases as outlined in paragraphs 2, 3 and 4. The department shall have authority to implement necessary changes when feasible after federal approval and prior to the completion of any regulatory process undertaken in order to effect such change."

2. In the first phase of reform, the Department of Medical Assistance Services shall continue currently authorized reforms of the Virginia Medicaid/FAMIS service delivery model that shall, at a minimum, include (i) implementation of a Medicare-Medicaid Enrollee (dual eligible) Financial Alignment demonstration as evidenced by a Memorandum of Understanding with the Centers for Medicare and Medicaid Services (CMS), signing of a three-way contract with CMS and participating plans, and approval of the necessary amendments to the State Plan for Medical Assistance and any waivers thereof; (ii) enhanced program integrity and fraud prevention efforts to include at a minimum: recovery audit contracting (RAC), data mining, service authorization, enhanced coordination with the Medicaid Fraud Control Unit (MFCU), and Payment Error Rate Measurement (PERM); (iii) inclusion of children enrolled in foster care in managed care; (iv) implementation of a new eligibility and enrollment information system for Medicaid and other social services; (v) improved access to Veterans services through creation of the Veterans Benefit Enhancement Program; and (vi) expedite the tightening of standards, services limits, provider qualifications, and licensure requirements for community behavioral health services.

3. In the second phase of reform, the Department of Medical Assistance Services shall implement value-based purchasing reforms for all recipients subject to a Modified Adjusted Gross Income (MAGI) methodology for program eligibility and any other recipient categories not excluded from the Medallion II managed care program. Such reforms shall, at a minimum, include the following: (i) the services and benefits provided are the types of services and benefits provided by commercial insurers and may include appropriate and reasonable limits on services such as occupational, physical, and speech therapy, and home care with the exception of non-traditional behavioral health and substance use disorder services; (ii) reasonable limitations on non-essential benefits such as non-emergency transportation are implemented; and (iii) patient responsibility is required including reasonable cost-sharing and active patient participation in health and wellness activities to improve health and control costs.

To administer this reformed delivery model, the department is authorized to contract with qualified health plans to offer recipients a Medicaid benefit package adhering to these principles. Any coordination of non-traditional behavioral health services covered under contract with qualified health plans or through other means shall adhere to the principles outlined in paragraph OO. c. This reformed service delivery model shall be mandatory, to the extent allowed under the relevant authority granted by the federal government and shall, at a minimum, include (i) limited high-performing provider networks and medical/health homes; (ii) financial incentives for high quality outcomes and alternative payment methods; (iii) improvements to encounter data submission, reporting, and oversight; (iv) standardization of administrative and other processes for providers; and (v) support of the health information exchange.

The second phase of reform shall also include administrative simplification of the Medicaid program through any necessary waiver(s) and/or State Plan authorization under Titles XIX and XXI of the Social Security Act and outline agreed upon parameters and metrics to provide maximum flexibility and expedited ability to develop and implement pilot programs to test innovative models that (i) leverage innovations and variations in regional delivery systems; (ii) link payment and reimbursement to quality and cost containment outcomes; or (iii) encourage innovations that improve service quality and yield cost savings to the Commonwealth. Upon federal approval, the department shall have authority to implement such pilot programs prior to the completion of the regulatory process.

4. In the third phase of reform, the Department of Medical Assistance Services shall seek reforms to include all remaining Medicaid populations and services, including long-term care and home- and community-based waiver services into cost-effective, managed and coordinated delivery systems. The department shall begin designing the process and obtaining federal authority to transition all remaining Medicaid beneficiaries into a coordinated delivery system.

5. The Department of Medical Assistance Services shall provide a report to the Medicaid Innovation and Reform Commission on the specific waiver and/or State Plan changes that have been approved and status of implementing such changes, and associated cost savings or cost avoidance to Medicaid/FAMIS expenditures.

6.a. The Department shall seek the approval of the Medicaid Innovation and Reform Commission to amend the State Plan for Medicaid Assistance under Title XIX of the Social Security Act, and any waivers thereof, to implement coverage for newly eligible individuals pursuant to 42 U.S.C. § 1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act. If the Medicaid Innovation and Reform Commission determines that the conditions in paragraphs 2, 3, 4, and 5 have been met, then the Commission shall approve implementation of coverage for newly eligible individuals pursuant to 42 U.S.C. § 1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act.

b. Upon approval by the Medicaid Innovation and Reform Commission, the department shall implement the provisions in paragraph 6.a. of this item by July 1, 2014, or as soon as feasible thereafter.

7.a. Contingent upon the expansion of eligibility in paragraph 6.a., there is hereby created in the state treasury a special nonreverting fund to be known as the Virginia Health Reform and Innovation Fund, hereafter referred to as the 'Fund.' The Fund shall be established on the books of the Comptroller and any moneys remaining in the Fund at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. For purposes of the Comptroller's preliminary and final annual reports required by § 2.2-813, however, all deposits to and disbursements from the Fund shall be accounted for as part of the general fund of the state treasury.

b. The Director of the Department of Medical Assistance Services, in consultation with the Director of the Department of Planning and Budget, shall annually identify projected general fund savings attributable to enrollment of newly eligible individuals included in 42 U.S.C. § 1396d(y)(1)[2010] of the PPACA, including behavioral health services, inmate health care, and indigent care. Beginning with development of the fiscal year 2015 budget, these projected savings shall be reflected in reduced appropriations to the affected agencies and the amounts deposited into the Fund net of any appropriation increases necessary to meet resulting programmatic requirements of the Department of Medical Assistance Services. Beginning in fiscal year 2015, funding to support health innovations described in Paragraph 3 shall be appropriated from the Fund not to exceed \$3.5 million annually. Funding shall be distributed through health innovation grants to private and public entities in order to reduce the annual rate of growth in health care spending or improve the delivery of health care in the Commonwealth. When the department, in consultation with the Department of Planning and Budget, determines that the general fund expenses incurred from coverage of newly eligible individuals included in 42 U.S.C. § 1396d(y)(1)[2010] of the PPACA exceed any associated savings, a percentage of the principle of the Fund as determined necessary by the department and the Department of Planning and Budget to cover the cost of the newly eligible population shall be reallocated to the general fund and appropriated to the department to offset the cost of this population. Principle shall be allocated on an annual basis for as long as funding is available.

8. In the event that the increased federal medical assistance percentages for newly eligible individuals included in 42 U.S.C. § 1396d(y)(1)[2010] of the PPACA is modified through federal law or regulation from the methodology in effect on January 1, 2014, resulting in a reduction in federal medical assistance as determined by the department in consultation with the Department of Planning and Budget, the Department of Medical Assistance Services shall disenroll and eliminate coverage for individuals who obtained coverage through 42 U.S.C. § 1396d(y)(1) [2010] of the PPACA. The disenrollment process shall include written notification to affected Medicaid beneficiaries, Medicaid managed care plans, and other providers that coverage will cease as soon as allowable under federal law from the date the department is notified of a reduction in Federal Medical Assistance Percentage.

9. That notwithstanding any other provision of this act, or any other law, no general or nongeneral funds shall be appropriated or expended for such costs as may be incurred to implement coverage for newly eligible individuals pursuant to 42 U.S.C. § 1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act, unless included in an appropriation bill adopted by the General Assembly on or after July 1, 2014."

"d. SETTLEMENTS NEGOTIATED BY THE OFFICE OF THE ATTORNEY GENERAL

1. As a condition of the appropriation for Item 59 of this Act, there is hereby created the Disbursement Review Committee (the 'Committee'), the members of which are the Attorney General, who shall serve as chairman; the Chairman of the House Committee on Appropriations and one Delegate appointed by him, or their designees; the Chairman of the Senate Committee on Finance and one Senator appointed by him, or their designees; and two individuals appointed by the Governor. Whenever the Attorney General reasonably expects that there will be money or any real, tangible, or intangible property ('money or property'), or both, other than criminal fines (which would go to the Literary Fund) or attorney's fees (i) due or available to the Commonwealth as a result of any civil or criminal dispute or (ii) available to the Commonwealth or to any state or local governmental entity in the Commonwealth from any federal entity pursuant to an asset forfeiture equitable sharing agreement or other legal action, including a compromise, settlement, or agreement in a multistate action in which the Attorney General has participated on behalf of the Commonwealth or an agency of the Commonwealth, he shall forthwith notify all members of the Committee of the pertinent facts, and may convene a meeting of the Committee, but shall convene a meeting of the Committee at the request of any member.

2. For a compromise, settlement, or agreement under subdivision 1(i) above, the Attorney General shall prepare and recommend to the Committee a proposed Distribution Plan (the 'Plan') regarding the distribution and use of money or property, or both, to be received by the Commonwealth as a result of any such compromise, settlement, or agreement. The Committee may propose the same or a modified Plan to the General Assembly for the distribution or use, or both, of such money or property, or both.

3. For a compromise, settlement, or agreement under subdivision 1(ii) above, if the distribution or use, or both, of any money or property, or both, to be received by the Commonwealth is determined by a court order, federal law, or by a federal entity pursuant to federal law (such as a federal asset forfeiture sharing agreement), the Attorney General shall prepare and provide to the Committee a proposed Plan for the distribution and use of any such money or property, or both, that is consistent with such court order, federal law, or regulations or policies of such federal agency. If the permissible purpose(s) for the distribution or use, or both, of such money or property, or both, is described in general terms (for example, it must be used for 'law enforcement purposes' or for 'consumer education'), the Committee may propose a modified Plan with a more particular distribution or use, or both, that falls within such general permissible purpose(s). If a federal entity must approve the final Plan for such distribution or use, or both, and does not approve the Plan submitted to it by the Attorney General, he shall so inform the Committee, and the Plan may be revised if deemed appropriate and resubmitted to the federal entity for approval. If the federal entity approves the original Plan or a revised Plan, the Attorney General shall so inform the Committee, and the Committee shall recommend to the General Assembly distribution or use, or both, of such money or property, or both, that is consistent with the Plan approved by the federal entity.

4. The Attorney General shall not enter into any compromise, settlement, or agreement for the distribution of money or property, or both, to be received by the Commonwealth under subdivision 1(i) or 1(ii) unless the compromise, settlement, or agreement provides that such money or property, or both, is to be deposited into the state treasury. No such distribution shall occur without a specific appropriation by the General Assembly that is consistent with the permissible purpose(s) set forth in the court order or federal law or by the federal entity. If a federal entity must approve the final Plan for such distribution or use, or both, and the General Assembly's appropriation in an appropriation act differs from the Plan approved by the federal entity, the appropriation shall be submitted to the federal entity for approval. The distribution of any money or property, or both, shall be done in a manner as prescribed by the State Comptroller in order to ensure proper accounting on the books of the Commonwealth.

5. The provisions of subdivisions 1 through 4 shall not apply to any negotiation, compromise, settlement, or agreement involving money or property, or both (a) where the distribution and use of such money or property, or both, is governed specifically by this act or by other law of the Commonwealth, (b) in which the total value of such moneys or property does not exceed \$250,000, or (c) in which the entire amount of the settlement is for services provided, or for property sold or provided, under a contract with a governmental entity. The General Assembly hereby appropriates a sum sufficient amount for any settlement or agreement authorized solely by virtue of this subdivision 5."

"c.1. As part of a five-year pilot program, George Mason University and James Madison University are authorized, for a period of five years, to exercise additional financial and administrative authority as set out in each of the three functional areas of information technology, procurement and capital projects as set forth and subject to all the conditions in §§ 2.0, 3.0 and 4.0 of the second enactment of Chapter 824 and 829 of the Acts of Assembly of 2008 except that (i) any effective dates contained in Chapter 824 and 829 of the Acts of Assembly of 2008 are superseded by the provisions of this item, and (ii) the institution is not required to have a signed memorandum of understanding with the Secretary of Administration regarding participation in the nongeneral fund decentralization program as provided in subsection C of § 2.2-1132 in order to be eligible for the additional capital project authority.

2. In addition, each institution shall exercise additional financial and administrative authority over financial operations as follows:

a) **BOARD OF VISITORS ACCOUNTABILITY AND DELEGATION OF AUTHORITY.**

The Board of Visitors of the University shall at all times be fully and ultimately accountable for the proper fulfillment of the duties and responsibilities set forth in, and for the appropriate implementation of, this Policy. Consistent with this full and ultimate accountability, however, the Board may, pursuant to its legally permissible procedures, specifically delegate either herein or by separate Board resolution the duties and responsibilities set forth in this Policy to a person or persons within the University, who, while continuing to be fully accountable for such duties and responsibilities, may further delegate the implementation of those duties and responsibilities pursuant to the University's usual delegation policies and procedures.

b) **FINANCIAL MANAGEMENT AND REPORTING SYSTEM.**

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be authorized by the Board to maintain existing and implement new policies governing the management of University financial resources. These policies shall continue to (i) ensure compliance with Generally Accepted Accounting Principles, (ii) ensure consistency with the current accounting principles employed by the Commonwealth, including the use of fund accounting principles, with regard to the establishment of the underlying accounting records of the University and the allocation and utilization of resources within the accounting system, including the relevant guidance provided by the State Council of Higher Education for Virginia chart of accounts with regard to the allocation and proper use of funds from specific types of fund sources, (iii) provide adequate risk management and internal controls to protect and safeguard all financial resources, including moneys transferred to the University pursuant to a general fund appropriation, and ensure compliance with the requirements of the Appropriation Act.

The financial management system shall continue to include a financial reporting system to satisfy both the requirements for inclusion into the Commonwealth's Comprehensive Annual Financial Report, as specified in the related State Comptroller's Directives, and the University's separately audited financial statements. To ensure observance of limitations and restrictions placed on the use of the resources available to the University, the accounting and bookkeeping system of the University shall continue to be maintained in accordance with the principles prescribed for governmental organizations by the Governmental Accounting Standards Board.

In addition, the financial management system shall continue to provide financial reporting for the President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, and the Board of Visitors to enable them to provide adequate oversight of the financial operations of the University.

c) **FINANCIAL MANAGEMENT POLICIES.**

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall create and implement any and all financial management policies necessary to establish a financial management system with adequate risk management and internal control processes and procedures for the effective protection and management of all University financial resources. Such policies will not address the underlying accounting principles and policies employed by the Commonwealth and the University, but rather will focus on the internal operations of the University's financial management. These policies shall include, but need not be limited to, the development of a tailored set of finance and accounting practices that seek to support the University's specific business and administrative operating environment in order to improve the efficiency and effectiveness of its business and administrative functions. In general, the system of independent financial management policies shall be guided by the general principles contained in the Commonwealth's Accounting Policies and Procedures such as establishing strong risk management and internal accounting controls to ensure University financial resources are properly safeguarded and that appropriate stewardship of public funds is obtained through management's oversight of the effective and efficient use of such funds in the performance of University programs.

The University shall continue to follow the Commonwealth's accounting policies until such time as specific alternate policies can be developed, approved and implemented. Such alternate policies shall include applicable accountability measures and shall be submitted to the State Comptroller for review and comment before they are implemented by the University.

d) **FINANCIAL RESOURCE RETENTION AND MANAGEMENT.**

The Board of Visitors shall retain the authority to establish tuition, fee, room, board, and other charges, with appropriate commitment provided to need-based grant aid for middle- and lower-income undergraduate Virginians. Except as provided otherwise in the Appropriation Act, it is the intent of the Commonwealth and the University that the University shall be exempt from the revenue restrictions in the general provisions of the Appropriation Act related to non-general funds. In addition, unless prohibited by the Appropriation Act, it is the intent of the Commonwealth and the University that the University shall be entitled to retain non-general

fund savings generated from changes in Commonwealth rates and charges, including but not limited to health, life, and disability insurance rates, retirement contribution rates, telecommunications charges, and utility rates, rather than reverting such savings back to the Commonwealth. This financial resource policy assists the University by providing the framework for retaining and managing non-general funds, for the receipt of general funds, and for the use and stewardship of all these funds.

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to provide oversight of the University's cash management system which is the framework for the retention of non-general funds. The Internal Audit Department of the University shall periodically audit the University's cash management system in accordance with appropriate risk assessment models and make reports to the Audit and Compliance Committee of the Board of Visitors. Additional oversight shall continue to be provided through the annual audit and assessment of internal controls performed by the Auditor of Public Accounts. For the receipt of general and non-general funds, the University shall conform to the Security for Public Deposits Act, Chapter 44 (§ 2.2-4400 et seq.) of Title 2.2 of the Code of Virginia as it currently exists and from time to time may be amended.

e) ACCOUNTS RECEIVABLE MANAGEMENT AND COLLECTION.

The President, through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be authorized to create and implement any and all Accounts Receivable Management and Collection policies as part of a system for the management of University financial resources. The policies shall be guided by the requirements of the Virginia Debt Collection Act, Chapter 48 (§ 2.2-4800 et seq.) of the Code of Virginia, such that the University shall take all appropriate and cost effective actions to aggressively collect accounts receivable in a timely manner.

These shall include, but not be limited to, establishing the criteria for granting credit to University customers; establishing the nature and timing of collection procedures within the above general principles; and the independent authority to select and contract with collection agencies and, after consultation with the Office of the Attorney General, private attorneys as needed to perform any and all collection activities for all University accounts receivable such as reporting delinquent accounts to credit bureaus, obtaining judgments, garnishments, and liens against such debtors, and other actions. In accordance with sound collection activities, the University shall continue to utilize the Commonwealth's Debt Set-Off Collection Programs, shall develop procedures acceptable to the Tax Commissioner and the State Comptroller to implement such Programs, and shall provide a quarterly summary report of receivables to the Department of Accounts in accordance with the reporting procedures established pursuant to the Virginia Debt Collection Act.

f) DISBURSEMENT MANAGEMENT.

The President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, shall continue to be authorized to create and implement any and all disbursement policies as part of a system for the management of University financial resources. The disbursement management policies shall continue to define the appropriate and reasonable uses of all funds, from whatever source derived, in the execution of the University's operations. These policies also shall continue to address the timing of appropriate and reasonable disbursements consistent with the Prompt Payment Act, and the appropriateness of certain goods or services relative to the University's mission, including travel-related disbursements. Further, the University's disbursement policy shall continue to provide for the mechanisms by which payments are made including the use of charge cards, warrants, and electronic payments.

These disbursement policies shall authorize the President, acting through the Executive Vice President, Chief Operating Officer, or Chief Financial Officer, to independently select, engage, and contract for such consultants, accountants, and financial experts, and other such providers of expert advice and consultation, and, after consultation with the Office of the Attorney General, private attorneys, as may be necessary or desirable in his or her discretion. The policies also shall continue to include the ability to locally manage and administer the Commonwealth's credit card and cost recovery programs related to disbursements, subject to any restrictions contained in the Commonwealth's contracts governing those programs, provided that the University shall submit the credit card and cost recovery aspects of its financial and operations policies to the State Comptroller for review and comment prior to implementing those aspects of those policies. The disbursement policies shall ensure that adequate risk management and internal control procedures shall be maintained over previously decentralized processes for public records, payroll, and non-payroll disbursements. The University shall continue to provide summary quarterly prompt payment reports to the Department of Accounts in accordance with the reporting procedures established pursuant to the Prompt Payment Act.

The University's disbursement policies shall be guided by the principles of the Commonwealth's policies as included in the Commonwealth's Accounting Policy and Procedures Manual. The University shall continue to follow the Commonwealth's disbursement policies until such time as specific alternative policies can be developed, approved and implemented. Such alternate policies shall be submitted to the State Comptroller for review and comment prior to their implementation by the University.

g) INVESTMENT POLICY.

It is the policy of the University to invest its operating and reserve funds solely in the interest of the University and in a manner that will provide the highest investment return with the maximum security while meeting daily cash flow demands and conforming to the Investment of Public Funds Act (§ 2.2-4500 et seq.) of the Code of Virginia. Investments shall be made with the care, skill, prudence and diligence under the circumstances then prevailing that a prudent person acting in a like capacity and familiar with such matters would use in the conduct of an enterprise of a like character and with like aims.

Endowment investments shall be invested and managed in accordance with the Uniform Management of Institutional Funds Act, §§ 55-268.1 through 55-268.10, and § 23-76.1 of the Code of Virginia.

The Board of Visitors shall periodically review and approve the investment guidelines governing the University's operating and reserve funds.

3. The Auditor of Public Accounts or his legally authorized representatives shall audit annually the accounts of each institution and shall distribute copies of each annual audit to the Governor and to the Chairmen of the House Committee on Appropriations and the Senate Committee on Finance. Pursuant to § 30-133, the Auditor of Public Accounts and his legally authorized representatives shall examine annually the accounts and books of each such institution, but the institution shall not be deemed to be a state or governmental agency, advisory agency, public body, or agency or instrumentality for purposes of Chapter 14 (§ 30-130 et seq.) of Title 30 except for those provisions in such chapter that relate to requirements for financial recordkeeping and bookkeeping. Each such institution shall be subject to periodic external review by the Joint Legislative and Audit Review Commission and such other reviews and audits as shall be required by law."

§ 33.2-118. *Limitation on tolling.*

A. *For purposes of this section, 'auxiliary lane' means the portion of the roadway adjoining the traveled way for speed change, turning, weaving, truck climbing, or maneuvering of entering and leaving traffic.*

B. *Notwithstanding any other provision of this title, no toll may be imposed or collected on un-tolled lanes or components of a highway, bridge, or tunnel without approval from the General Assembly. However, such prohibition shall not apply to (i) reconstruction with additional lanes of a highway, provided that the number of un-tolled, non-high-occupancy vehicle lanes, excluding auxiliary lanes, after the reconstruction is not less than the number of un-tolled, non-high occupancy vehicle lanes, excluding auxiliary lanes, prior to such reconstruction; (ii) new construction that is opened to the public as a tolled facility; (iii) new construction that is opened to the public as high-occupancy vehicle lanes or existing high-occupancy vehicle lanes; (iv) auxiliary lanes; or (v) an existing lane of traffic on a segment of highway between an interchange and an interchange or an interchange and a bridge where the highway has or will have toll lanes on the portions of the highway adjacent to such segment, provided that (a) the number of general purpose lanes after such conversion on the segment is equal to the number of general purpose lanes on the highway adjacent to such segment and (b) the length of such segment does not exceed 10 miles.*

C. Notwithstanding the provisions of subsection B, prior approval of the General Assembly shall be required prior to the imposition and collection of any toll for use of all or any portion of (i) a non-limited access highway except for a bridge, tunnel, or the approaches to a bridge or tunnel or (ii) Interstate 81.

§ 33.2-255.1. Electronic notification of toll violations.

For the purpose of electronic notification of unpaid tolls, the Department shall request email addresses and personal cell phone numbers from all holders of an account for an electronic toll collection device that is property of the Commonwealth.

The Department shall electronically notify within 108 hours of an unpaid toll a holder of an account for an electronic toll collection device that is property of the Commonwealth of each unpaid toll associated with the account and each unpaid toll for a vehicle whose license plate is associated with an account. The Department shall provide a second electronic notification on the eighth day after the unpaid toll. Such notification requirements shall only apply to accounts where the account holder has provided the Department with an email address or cell phone number. Such notification shall be for informational purposes only and the notice, or lack thereof, shall not alter or amend the requirement that an owner or operator pay all required tolls, fines, penalties, and fees.

All toll operators in the Commonwealth shall notify the Department of an unpaid toll on a facility it operates related to an account for an electronic toll collection device that is the property of the Commonwealth within 96 hours of such violation.

§ 33.2-309. Tolls for use of Interstate System components.

~~A. Notwithstanding any contrary provision of this title~~ *Subject to the limitations provided in § 33.2-118 and in accordance with all applicable federal and state statutes and requirements, the Board may impose and collect tolls from all classes of vehicles in amounts established by the Board for the use of any component of the Interstate System within the Commonwealth. However, prior approval of the General Assembly shall be required prior to the imposition and collection of any toll for use of all or any portion of Interstate 81. Prior approval of the General Assembly shall also be required prior to the imposition or collection of any toll for use of Interstate 95 south of Fredericksburg pursuant to the Interstate System Reconstruction or Rehabilitation Pilot Program. Such funds so collected shall be deposited into the Transportation Trust Fund established pursuant to § 33.2-1524, subject to allocation by the Board as provided in this section.*

B. The toll facilities authorized by this section shall be subject to the provisions of federal law for the purpose of tolling motor vehicles to finance interstate construction and reconstruction, promote efficiency in the use of highways, reduce traffic congestion, and improve air quality and for such other purposes as may be permitted by federal law.

C. In order to mitigate traffic congestion in the vicinity of the toll facilities, no toll facility shall be operated without high-speed automated toll collection technology designed to allow motorists to travel through the toll facilities without stopping to make payments. Nothing in this subsection shall be construed to prohibit a toll facility from retaining means of nonautomated toll collection in some lanes of the facility. The Board shall also consider traffic congestion and mitigation thereof and the impact on local traffic movement as factors in determining the location of the toll facilities authorized pursuant to this section.

D. The revenues collected from each toll facility established pursuant to this section shall be deposited into segregated subaccounts in the Transportation Trust Fund and may be allocated by the Board as the Board deems appropriate to:

1. Pay or finance all or part of the costs of programs or projects, including the costs of planning, operation, maintenance, and improvements incurred in connection with the toll facility, provided that such allocations shall be limited to programs and projects that are reasonably related to or benefit the users of the toll facility. The priorities of metropolitan planning organizations, planning district commissions, local governments, and transportation corridors shall be considered by the Board in making project allocations from such revenues deposited into the Transportation Trust Fund.

2. Repay funds from the Toll Facilities Revolving Account or the Transportation Partnership Opportunity Fund.

3. Pay the Board's reasonable costs and expenses incurred in the administration and management of the toll facility.

§ 33.2-500. Definitions.

'Unauthorized vehicle' means a motor vehicle that is restricted from use of the HOT lanes pursuant to subdivision 4a of § 33.2-503 *or does not meet the high-occupancy requirement and indicates with its electronic toll collection device that it meets the applicable high-occupancy requirements*.

§ 33.2-503. HOT lanes enforcement.

Any person operating a motor vehicle on designated HOT lanes shall make arrangements with the HOT lanes operator for payment of the required toll prior to entering such HOT lanes. The driver of a vehicle who enters the HOT lanes in an unauthorized vehicle, in violation of the conditions for use of such HOT lanes established pursuant to § 33.2-502, without payment of the required toll or without having made arrangements with the HOT lanes operator for payment of the required toll shall have committed a violation of this section, which may be enforced in the following manner:

1. On a form prescribed by the Supreme Court, a summons for civil violation of this section may be executed by a law-enforcement officer, when such violation is observed by such officer. The form shall contain the option for the driver of the vehicle to prepay the unpaid toll and all penalties, administrative fees, and costs.

2.a. A HOT lanes operator shall install and operate, or cause to be installed or operated, a photo-enforcement system at locations where tolls are collected for the use of such HOT lanes.

b. A summons for civil violation of this section may be executed pursuant to this subdivision, when such violation is evidenced by information obtained from a photo-enforcement system as defined in this chapter. A certificate, sworn to or affirmed by a technician employed or authorized by the HOT lanes operator, or a facsimile of such a certificate, based on inspection of photographs, microphotographs, videotapes, or other recorded images produced by a photo-enforcement system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape, or other recorded images evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation under this subdivision. Any vehicle rental or vehicle leasing company, if named in a summons, shall be released as a party to the action if it provides to the HOT lanes operator a copy of the vehicle rental agreement or lease or an affidavit identifying the renter or lessee prior to the date of hearing set forth in the summons. Upon receipt of such rental agreement, lease, or affidavit, a summons shall be issued for the renter or lessee identified therein. Release of this information shall not be deemed a violation of any provision of the Government Data Collection and Dissemination Practices Act (§ 2.2-3800 et seq.) or the Insurance Information and Privacy Protection Act (§ 38.2-600 et seq.).

c. On a form prescribed by the Supreme Court, a summons issued under this subdivision may be executed ~~pursuant to~~ *as provided in* § 19.2-76.2. Such form shall contain the option for the driver or registered owner to prepay the unpaid toll and all penalties, administrative fees, and costs. HOT lanes operator personnel or their agents mailing such summons shall be considered conservators of the peace for the sole and limited purpose of mailing such summons. Notwithstanding the provisions of § 19.2-76, a summons for a violation of this section may be executed by mailing by first-class mail a copy thereof to the address of the owner of the vehicle as shown on the records of the Department of Motor Vehicles or, if the registered owner has named and provided

a valid address for the operator of the vehicle at the time of the violation in an affidavit executed pursuant to this subdivision, such named operator of the vehicle. If the summoned person fails to appear on the date of return set out in the summons mailed pursuant to this section, the summons shall be executed in the manner set out in § 19.2-76.3.

d. The registered owner of such vehicle shall be given reasonable notice by way of a summons as provided in this subdivision that his vehicle had been used in violation of this section, and such owner shall be given notice of the time and place of the hearing and notice of the civil penalty and costs for such offense.

Upon the filing of an affidavit with the court at least 14 days prior to the hearing date by the registered owner of the vehicle stating that he was not the driver of the vehicle on the date of the violation and providing the legal name and address of the driver of the vehicle at the time of the violation, a summons will also be issued to the alleged driver of the vehicle at the time of the offense. The affidavit shall constitute prima facie evidence that the person named in the affidavit was driving the vehicle at all the relevant times relating to the matter named in the affidavit.

If the registered owner of the vehicle produces a certified copy of a police report showing that the vehicle had been reported to the police as stolen prior to the time of the alleged offense and remained stolen at the time of the alleged offense, then the court shall dismiss the summons issued to the registered owner of the vehicle.

3.a. The HOT lanes operator may impose and collect an administrative fee in addition to the unpaid toll so as to recover the expenses of collecting the unpaid toll, which administrative fee shall be reasonably related to the actual cost of collecting the unpaid toll and not exceed \$100 per violation. The operator of the vehicle shall pay the unpaid tolls and any administrative fee detailed in a notice or invoice issued by a HOT lanes operator. If paid within ~~30~~ 60 days of notification, the administrative fee shall not exceed \$25.

b. Upon a finding by a court of competent jurisdiction that the driver of the vehicle observed by a law-enforcement officer under subdivision 1 or the vehicle described in the summons for civil violation issued pursuant to evidence obtained by a photo-enforcement system under subdivision 2 was in violation of this section, the court shall impose a civil penalty upon the driver of such vehicle issued a summons under subdivision 1, or upon the driver or registered owner of such vehicle issued a summons under subdivision 2, payable to the HOT lanes operator as follows: for a first offense, \$50; for a second offense, ~~\$250~~ \$100; for a third offense within a period of two years of the second offense, ~~\$500~~ \$250; and for a fourth and subsequent offense within a period of three years of the second offense, ~~\$1,000~~ \$500, together with, in each case, the unpaid toll, all accrued administrative fees imposed by the HOT lanes operator as authorized by this section, and applicable court costs. The court shall remand penalties, the unpaid toll, and administrative fees assessed for violation of this section to the treasurer or director of finance of the county or city in which the violation occurred for payment to the HOT lanes operator for expenses associated with operation of the HOT lanes and payments against any bonds or other liens issued as a result of the construction of the HOT lanes. No person shall be subject to prosecution under both subdivisions 1 and 2 for actions arising out of the same transaction or occurrence.

c. Notwithstanding subdivisions a and b, for a first conviction of a driver or registered owner of a vehicle under this section the total amount for the first conviction shall not exceed \$2,200, including civil penalties and administrative fees regardless of the total number of offenses the driver or registered owner of a vehicle is convicted of on that date.

d. Upon a finding by a court that a person has violated this section, in the event such person fails to pay the required penalties, fees, and costs, the court shall notify the Commissioner of the Department of Motor Vehicles, who shall suspend all of the registration certificates and license plates issued for any motor vehicles registered solely in the name of such person and shall not issue any registration certificate or license plate for any other vehicle that such person seeks to register solely in his name until the court has notified the Commissioner of the Department of Motor Vehicles that such penalties, fees, and costs have been paid. The HOT lanes operator and the Commissioner of the Department of Motor Vehicles may enter into an agreement whereby the HOT lanes operator may reimburse the Department of Motor Vehicles for its reasonable costs to develop, implement, and maintain this enforcement mechanism, and that specifies that the Commissioner of the Department of Motor Vehicles shall have an obligation to suspend such registration certificates so long as the HOT lanes operator makes the required reimbursements in a timely manner in accordance with the agreement.

~~d. e.~~ Except as provided in subdivisions 4 and 5, imposition of a civil penalty pursuant to this section shall not be deemed a conviction as an operator of a motor vehicle under Title 46.2 and shall not be made part of the driving record of the person upon whom such civil penalty is imposed, nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage.

4.a. The HOT lanes operator may restrict the usage of the HOT lanes to designated vehicle classifications pursuant to an interim or final comprehensive agreement executed pursuant to § 33.2-1808 or 33.2-1809. Notice of any such vehicle classification restrictions shall be provided through the placement of signs or other markers prior to and at all HOT lanes entrances.

b. Any person driving an unauthorized vehicle on the designated HOT lanes is guilty of a traffic infraction, which shall not be a moving violation, and shall be punishable as follows: for a first offense, by a fine of \$125; for a second offense within a period of five years from a first offense, by a fine of \$250; for a third offense within a period of five years from a first offense, by a fine of \$500; and for a fourth and subsequent offense within a period of five years from a first offense, by a fine of \$1,000. *No person shall be subject to prosecution under both this subdivision and subdivision 1 or 2 for actions arising out of the same transaction or occurrence.* Upon a conviction under this subdivision, the court shall furnish to the Commissioner of the Department of Motor Vehicles, in accordance with § 46.2-383, an abstract of the record of such conviction, which shall become a part of the person's driving record. Notwithstanding the provisions of § 46.2-492, no driver demerit points shall be assessed for any violation of this subdivision, except that persons convicted of a second, third, fourth, or subsequent violation within five years of a first offense shall be assessed three demerit points for each such violation.

5. The driver of a vehicle who enters the HOT lanes by crossing through any barrier, buffer, or other area separating the HOT lanes from other lanes of travel is guilty of a violation of § 46.2-852, unless the vehicle is a state or local law-enforcement vehicle, firefighting truck, or emergency medical services vehicle used in the performance of its official duties. No person shall be subject to prosecution both under this subdivision and under subdivision 1, 2, or 4 for actions arising out of the same transaction or occurrence.

Upon a conviction under this subdivision, the court shall furnish to the Commissioner of the Department of Motor Vehicles in accordance with § 46.2-383 an abstract of the record of such conviction, which shall become a part of the convicted person's driving record.

Such fee may be levied upon the operator of the vehicle after the first unpaid toll has been documented. The operator of the vehicle shall pay the unpaid toll and any administrative fee detailed in an invoice for the unpaid toll issued by a toll facility operator. If paid within ~~30~~ 60 days of notification, the administrative fee shall not exceed \$25.

~~C~~ D. If the matter proceeds to court, the registered owner or operator of a vehicle shall be liable for a civil penalty as follows: for a first offense, \$50; for a second offense within one year from the first offense, \$100; for a third offense within two years from the second offense, \$250; and for a fourth and any subsequent offense within three years from the second offense, \$500 plus, in each case, the unpaid toll, all accrued administrative fees imposed by the toll facility operator, and applicable court costs if the vehicle is found, as evidenced by information obtained from a photo-monitoring system or automatic vehicle identification system as provided in this section, to have used such a toll facility without payment of the required toll.

E. Notwithstanding subsections C and D, for a first conviction of a driver or registered owner of a vehicle under this section the total amount for the first conviction shall not exceed \$2,200, including civil penalties and administrative fees regardless of the total number of offenses the driver or registered owner of a vehicle is convicted of on that date.

~~D~~ F. Any action under this section shall be brought in the ~~General District Court~~ general district court of the ~~city or county or city~~ in which the toll facility is located. Such action shall be considered a traffic infraction but shall be tried as a civil case. The attorney for the Commonwealth may represent the interests of the toll facility operator. Any authorized agent or employee of a toll facility operator acting on behalf of a governmental entity shall be allowed the privileges accorded by § 16.1-88.03 in such cases.

~~E~~ G. Proof of a violation of this section shall be evidenced by information obtained from a photo-monitoring system or automatic vehicle identification system as provided in this section. A certificate, sworn to or affirmed by a technician employed or authorized by the operator of a toll facility or by the locality wherein the toll facility is located, or a facsimile of such a certificate, based on inspection of photographs, microphotographs, videotapes, or other recorded images produced by a photo-monitoring system, or of electronic data collected by an automatic vehicle identification system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape, or other recorded images or electronic data evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation under this section. A record of communication by an automatic vehicle identification device with the automatic vehicle identification system at the time of a violation of this section shall be prima facie evidence that the automatic vehicle identification device was located in the vehicle registered to use such device in the records of the ~~Virginia~~ Department of Transportation.

~~F~~ H. It shall be prima facie evidence that the vehicle described in the summons issued pursuant to subsection ~~K~~ L was operated in violation of this section.

Upon a finding by a court of competent jurisdiction that the vehicle described in the summons issued pursuant to subsection ~~K~~ L was in violation of this section, the court shall impose a civil penalty upon the registered owner or operator of such vehicle in accordance with the amounts specified in subsection ~~C~~ D, together with applicable court costs, the operator's administrative fee and the toll due. Penalties assessed as the result of action initiated by the ~~Virginia~~ Department of Transportation shall be remanded by the clerk of the court which adjudicated the action to the ~~Virginia~~ Department of Transportation's Toll Facilities Revolving Account.

Penalties assessed as the result of action initiated by an operator of a toll facility other than the ~~Virginia~~ Department of Transportation shall be remanded by the clerk of the court which adjudicated the action to the treasurer or director of finance of the county or city in which the violation occurred for payment to the toll facility operator.

The registered owner of such vehicle shall be given reasonable notice by way of a summons as provided in subsection ~~K L~~ that his vehicle had been used in violation of this section and such owner shall be given notice of the time and place of the hearing as well as the civil penalty and costs for such offense. The toll facility operator may offer to the owner an option to pay the unpaid toll and fees plus a reduced civil penalty of \$25 for a first or second offense or \$50 for a third, fourth, or subsequent offense, as specified on the summons, provided the owner actually pays to the toll facility operator the entire amount so calculated at least 14 days prior to the hearing date specified on the summons. If the owner accepts such offer and such amount is actually received by the toll facility operator at least 14 days prior to the hearing date specified on the summons, the toll facility operator shall move the court at least five business days prior to the date set for trial to dismiss the summons issued to the registered owner of the vehicle, and the court shall dismiss upon such motion.

Upon either (i) the filing of an affidavit with the toll facility operator within 14 days of receipt of an invoice for an unpaid toll from the toll facility operator or (ii) the filing of an affidavit with the court at least 14 days prior to the hearing date by the registered owner of the vehicle stating that he was not the ~~driver operator~~ of the vehicle on the date of the violation and providing the legal name and address of the operator of the vehicle at the time of the violation, an invoice and/or summons, as appropriate, will also be issued to the alleged operator of the vehicle at the time of the offense.

In any action against a vehicle operator, an affidavit made by the registered owner providing the name and address of the vehicle operator at the time of the violation shall constitute prima facie evidence that the person named in the affidavit was operating the vehicle at all the relevant times relating to the matter named in the affidavit.

If the registered owner of the vehicle produces for the toll facility operator or the court a certified copy of a police report showing that the vehicle had been reported to the police as stolen prior to the time of the alleged offense and remained stolen at the time of the alleged offense, then the toll facility operator shall not pursue the owner for the unpaid toll and, if a summons has been issued, the court shall dismiss the summons issued to the registered owner of the vehicle.

~~G. I.~~ Upon a finding by a court that a person has two or more unpaid tolls and such person fails to pay the required penalties, fees, and unpaid tolls, the court shall notify the Commissioner of the Department of Motor Vehicles, who shall refuse to issue or renew any vehicle registration certificate of any applicant or the license plate issued for the vehicle driven in the commission of the offense until the court has notified the Commissioner that such penalties, fees, and unpaid tolls have been paid. If it is proven that the vehicle owner was not the operator at the time of the offense and upon a finding by a court that the person identified in an affidavit pursuant to subsection ~~F H~~ as the operator violated this section and such person fails to pay the required penalties, fees, and unpaid tolls, the court shall notify the Commissioner, who shall refuse to issue or renew any vehicle registration certificate of any applicant or the license plate issued for any vehicle owned or co-owned by such person until the court has notified the Commissioner that such penalties, fees, and unpaid tolls have been paid. Such funds representing payment of unpaid tolls and all administrative fees of the toll facility operator shall be transferred from the court to the ~~Virginia~~ Department of Transportation's Toll Facilities Revolving Account or, in the case of an action initiated by an operator of a toll facility other than the ~~Virginia~~ Department of Transportation, to the treasurer or director of finance of the county or city in which the violation occurred for payment to the toll facility operator. The Commissioner shall collect a \$40 administrative fee from the registered owner or operator of the vehicle to defray the cost of processing and removing an order to deny registration or registration renewal.

~~I~~ J. Any vehicle rental or vehicle leasing company, if it receives an invoice or is named in a summons, shall be released as a party to the action if it provides the operator of the toll facility a copy of the vehicle rental agreement or lease or an affidavit identifying the renter or lessee within 30 days of receipt of the invoice or at least 14 days prior to the date of hearing set forth in the summons. Upon receipt of such rental agreement, lease, or affidavit, a notice shall be mailed to the renter or lessee identified therein. Release of this information shall not be deemed a violation of any provision of the Government Data Collection and Dissemination Practices Act (§ 2.2-3800 et seq.) or the Insurance Information and Privacy Protection Act (§ 38.2-600 et seq.). The toll facility operator shall allow at least 30 days from the date of such mailing before pursuing other remedies under this section. In any action against the vehicle operator, a copy of the vehicle rental agreement, lease, or affidavit identifying the renter or lessee of the vehicle at the time of the violation is prima facie evidence that the person named in the rental agreement, lease, or affidavit was operating the vehicle at all the relevant times relating to the matter named in the summons.

~~J~~ K. Imposition of a civil penalty pursuant to this section shall not be deemed a conviction as an operator and shall not be made part of the driving record of the person upon whom such civil penalty is imposed nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage. The provisions of § 46.2-395 shall not be applicable to any civil penalty, fee, unpaid toll, fine or cost imposed or ordered paid under this section for a violation of this section.

~~K~~ L. On a form prescribed by the Supreme Court, a summons for a violation of this section may be executed pursuant to as provided in § 19.2-76.2. If the summoned person fails to appear on the date of return set out in the summons mailed pursuant to this section, the summons shall be executed in the manner set out in § 19.2-76.3.

~~L~~ M. The operator of a toll facility may enter into an agreement with the Department of Motor Vehicles, in accordance with the provisions of subdivision B 21 of subsection B of § 46.2-208, to obtain vehicle owner information regarding the registered owners of vehicles that fail to pay tolls required for the use of toll facilities and with the Virginia Department of Transportation to obtain any information that is necessary to conduct electronic toll collection. Information provided to the operator of a toll facility shall only be used for the collection of unpaid tolls and the operator of the toll facility shall be subject to the same conditions and penalties regarding release of the information as contained in subsection ~~B~~ C.

~~M~~ N. No person shall be subject to both the provisions of this section and to prosecution under § 46.2-819 for actions arising out of the same transaction or occurrence.

§ 46.2-819.3:1. Installation and use of video-monitoring system and automatic vehicle identification system in conjunction with all-electronic toll facilities; penalty.

A. For purposes of this section:

'Automatic vehicle identification device' means an electronic device that communicates by wireless transmission with an automatic vehicle identification system.

'Automatic vehicle identification system' means an electronic vehicle identification system installed to work in conjunction with a toll collection device that automatically produces an electronic record of each vehicle equipped with an automatic vehicle identification device that uses a toll facility.

'Operator' means a person who was driving a vehicle that was the subject of a toll violation but who is not the owner of the vehicle.

'Operator of a toll facility other than the Department of Transportation' means any agency, political subdivision, authority, or other entity that operates a toll facility.

'Owner' means the registered owner of a vehicle on record with the Department or, in the case of a vehicle where the owner of the vehicle is a vehicle leasing entity, the lessee. For purposes of this section, 'owner' does not mean a vehicle rental or vehicle leasing company.

'Video-monitoring system' means a vehicle sensor installed to work in conjunction with a toll collection device that automatically produces one or more photographs, one or more microphotographs, a videotape, or other recorded images of each vehicle at the time it is used or operated in violation of this section.

B. The operator of any toll facility or the locality within which such toll facility is located may install and operate or cause to be installed and operated a video-monitoring system in conjunction with an automatic vehicle identification system on facilities for which tolls are collected for the use of such toll facility and that do not offer manual toll collection. A video-monitoring system shall include, but not be limited to, electronic systems that monitor and capture images of vehicles using a toll facility to enable toll collection for vehicles that do not pay using a toll collection device. The operator of a toll facility shall send an invoice for unpaid tolls in accordance with the requirements of § 46.2-819.6 to the registered owner of a vehicle as part of a video-monitoring toll collection process, prior to seeking remedies under this section.

~~B.~~ C. Information collected by a video-monitoring system in conjunction with an automatic vehicle identification system installed and operated pursuant to subsection ~~A~~ B shall be limited exclusively to that information that is necessary for the collection of unpaid tolls and establishing when violations occur, including use in any proceeding to determine whether a violation occurred. Notwithstanding any other provision of law, all images or other data collected by a video-monitoring system in conjunction with an automatic vehicle identification system shall be protected in a database with security comparable to that of the Department of Motor Vehicles' system and used exclusively for the collection of unpaid tolls and for efforts to pursue violators of this section and shall not (i) be open to the public; (ii) be sold and/or used for sales, solicitation, or marketing purposes other than those of the toll facility operator to facilitate toll payment; (iii) be disclosed to any other entity except as may be necessary for the collection of unpaid tolls or to a vehicle owner or operator as part of a challenge to the imposition of a toll; and/or (iv) be used in a court in a pending action or proceeding unless the action or proceeding relates to a violation of this section or upon order from a court of competent jurisdiction. Except as provided above, information collected under this section shall be purged and not retained later than 30 days after the collection and reconciliation of any unpaid tolls, administrative fees, and/or civil penalties. Any entity operating a video-monitoring system in conjunction with an automatic vehicle identification system shall annually certify compliance with this section and make all records pertaining to such system available for inspection and audit by the Commissioner of Highways or the Commissioner of the Department of Motor Vehicles or their designee. Any violation of this subsection shall constitute a Class 1 misdemeanor. In addition to any fines or other penalties provided for by law, any money or other thing of value obtained as a result of a violation of this section shall be forfeited to the Commonwealth.

If a vehicle uses a toll facility without paying the toll, the owner or operator shall be in violation of this section if he refuses to pay the toll within 30 days of notification. The toll facility operator may impose and collect an administrative fee in addition to the unpaid toll so as to recover the expenses of collecting the unpaid toll, which administrative fee shall be reasonably related to the actual cost of collecting the unpaid toll and not exceed \$100 per violation. Such fee shall not be levied upon the owner or operator of the vehicle unless the toll has not been paid by the owner or operator within 30 days after receipt of the invoice for the unpaid toll, which nonpayment for 30 days shall constitute the violation of this section. Once such a violation has occurred, the owner or operator of the vehicle shall pay the unpaid tolls and any administrative fee detailed in the invoice for the unpaid toll issued by a toll facility operator. If paid within ~~30~~ 60 days of the toll violation, the administrative fee shall not exceed \$25.

The toll facility operator may levy charges for the direct cost of use of and processing for a video-monitoring system and to cover the cost of the invoice, which are in addition to the toll and may not exceed double the amount of the base toll, provided that potential toll facility users are provided notice before entering the facility by conspicuous signs that clearly indicate that the toll for use of the facility could be tripled for any vehicle that does not have an active, functioning automatic vehicle identification device registered for and in use in the vehicle using the toll facility, and such signs are posted at a location where the driver can still choose to avoid the use of the toll facility if he chooses not to pay the toll.

A person receiving an invoice for an unpaid toll under this section may (a) pay the toll and administrative fees directly to the toll facility operator or (b) file with the toll facility operator a notice, on a form provided by the toll facility operator as required under subsection B of § 46.2-819.6, to contest liability for a toll violation. The notice to contest liability for a toll violation may be filed by any person receiving an invoice for an unpaid toll by mailing or delivering the notice to the toll facility operator within 60 days of receiving such invoice for unpaid toll. Upon receipt of such notice, the toll facility operator may issue a summons pursuant to subsection ~~Ⓚ~~ *L* and may not seek withholding of registration or renewal thereof under subsection ~~Ⓚ~~ *I* until a court of competent jurisdiction has found the alleged violator liable for tolls under this section.

~~Ⓒ~~ *D.* If the matter proceeds to court, the registered owner or operator of a vehicle shall be liable for a civil penalty as follows: for a first offense, \$50; for a second offense within one year from the first offense, \$100; for a third offense within two years from the second offense, \$250; and for a fourth and any subsequent offense within three years from the second offense, \$500; plus, in each case, the unpaid toll, all accrued administrative fees imposed by the toll facility operator, and applicable court costs if the vehicle is found, as evidenced by information obtained from a video-monitoring system in conjunction with an automatic vehicle identification system as provided in this section, to have used such a toll facility without payment of the required toll within 30 days of receipt of the invoice for the toll.

E. Notwithstanding subsections C and D, for a first conviction of a driver or registered owner of a vehicle under this section the total amount for the first conviction shall not exceed \$2,200, including civil penalties and administrative fees regardless of the total number of offenses the driver or registered owner of a vehicle is convicted of on that date.

~~Ⓓ~~ *F.* Any action under this section shall be brought in the general district court of the ~~city or county or city~~ in which the toll facility is located. Such action shall be considered a traffic infraction but shall be tried as a civil case. The attorney for the Commonwealth may represent the interests of the toll facility operator. Any authorized agent or employee of a toll facility operator acting on behalf of a governmental entity shall be allowed the privileges accorded by § 16.1-88.03 in such cases.

~~Ⓔ~~ *G.* Proof of a violation of this section shall be evidenced by information obtained from a video-monitoring system or automatic vehicle identification system as provided in this section. A certificate, sworn to or affirmed by a technician employed or authorized by the operator of a toll facility or by the locality wherein the toll facility is located, or a facsimile of such a certificate, based on inspection of photographs, microphotographs, videotapes, or other recorded images produced by a video-monitoring system or of electronic data collected by an automatic vehicle identification system, shall be prima facie evidence of the facts contained therein. Any photographs, microphotographs, videotape, or other recorded images or electronic data evidencing such a violation shall be available for inspection in any proceeding to adjudicate the liability for such violation under this section. A record of communication by an automatic vehicle identification device with the automatic vehicle identification system at the time of a violation of this section shall be prima facie evidence that the automatic vehicle identification device was located in the vehicle registered to use such device in the records of the ~~Virginia~~ Department of Transportation.

~~Ⓕ~~ *H.* It shall be prima facie evidence that the vehicle described in the summons issued pursuant to subsection ~~Ⓚ~~ *L* was operated in violation of this section.

Upon a finding by a court of competent jurisdiction that the vehicle described in the summons issued pursuant to subsection ~~Ⓚ~~ *L* was in violation of this section, the court shall impose a civil penalty upon the registered owner or operator of such vehicle in accordance with the amounts specified in subsection ~~Ⓒ~~ *D*, together with applicable court costs, the operator's administrative fee, and the toll due. Penalties assessed as the result of action initiated by the ~~Virginia~~ Department of Transportation shall be remanded by the clerk of the court that adjudicated the action to the ~~Virginia~~ Department of Transportation's Toll Facilities Revolving Account. Penalties assessed as the result of action initiated by an operator of a toll facility other than the ~~Virginia~~ Department of Transportation shall be remanded by the clerk of the court that adjudicated the action to the treasurer or director of finance of the county or city in which the violation occurred for payment to the toll facility operator.

The registered owner of such vehicle shall be given reasonable notice by way of a summons as provided in subsection ~~Ⓚ~~ *L* that his vehicle had been used in violation of this section, and such owner shall be given notice of the time and place of the hearing as well as the civil penalty and costs for such offense.

Upon the filing of an affidavit by the registered owner of the vehicle with the toll facility operator within 14 days of receipt of an invoice for unpaid toll or a summons stating that such owner was not the driver of the vehicle on the date of the violation and providing the legal name and address of the operator of the vehicle at the time of the violation, an invoice for unpaid toll or summons, whichever the case may be, will also be issued to the alleged operator of the vehicle at the time of the offense.

In any action against a vehicle operator, an affidavit made by the registered owner providing the name and address of the vehicle operator at the time of the violation shall constitute prima facie evidence that the person named in the affidavit was operating the vehicle at all the relevant times relating to the matter named in the affidavit.

If the registered owner of the vehicle produces for the toll facility operator or the court a certified copy of a police report showing that the vehicle had been reported to the police as stolen prior to the time of the alleged offense and remained stolen at the time of the alleged offense, then the toll facility operator shall not pursue the owner for the unpaid toll contained in the invoice for unpaid toll or the court shall dismiss the summons issued to the registered owner of the vehicle.

~~§~~ *I*. 1. Upon a finding by a court that a person has two or more unpaid tolls and such person fails to pay the required penalties, fees, and unpaid tolls, then the court or toll facility operator shall notify the Commissioner of the Department of Motor Vehicles, who shall refuse to issue or renew any vehicle registration certificate of any applicant or the license plate issued for the vehicle driven in the commission of the offense until the court has notified the Commissioner that such penalties, fees, and unpaid tolls have been paid. If it is proven that the vehicle owner was not the operator at the time of the offense and upon a finding by a court that the person identified in an affidavit pursuant to subsection ~~F~~ *H* as the operator violated this section and such person fails to pay the required penalties, fees, and unpaid tolls, the court shall notify the Commissioner, who shall refuse to issue or renew any vehicle registration certificate of any applicant or the license plate issued for any vehicle owned or co-owned by such person until the court has notified the Commissioner that such penalties, fees, and unpaid tolls have been paid. Such funds representing payment of unpaid tolls and all administrative fees of the toll facility operator shall be transferred from the court to the ~~Virginia~~ Department of Transportation's Toll Facilities Revolving Account or, in the case of an action initiated by an operator of a toll facility other than the ~~Virginia~~ Department of Transportation, to the treasurer or director of finance of the county or city in which the violation occurred for payment to the toll facility operator. The Commissioner shall collect a \$40 administrative fee from the registered owner or operator of the vehicle to defray the cost of processing and removing an order to deny registration or registration renewal.

2. If an owner of a vehicle has received at least one invoice for two or more unpaid tolls in accordance with § 46.2819.6 by certified mail and has (i) failed to pay the unpaid tolls and administrative fees and (ii) failed to file a notice to contest liability for a toll violation, then the toll facility operator may notify the Commissioner, who shall, if no form contesting liability has been timely filed with the toll facility operator pursuant to this section, refuse to issue or renew the vehicle registration certificate of any applicant therefor or the license plate issued for any vehicle driven in the commission of the offense until the toll facility operator has notified the Commissioner that such fees and unpaid tolls have been paid.

If the vehicle owner was not the operator at the time of the offense and the person identified in an affidavit pursuant to subsection ~~F~~ *H* as the operator has received at least one invoice for two or more unpaid tolls in accordance with § 46.2-819.6 by certified mail and such person has (i) failed to pay the unpaid tolls and administrative fees and (ii) failed to file a notice to contest liability for a toll violation, then the toll facility operator may notify the Commissioner, who shall, if no form contesting liability has been timely filed with the toll facility operator pursuant to this section, refuse to issue or renew any vehicle registration certificate of any applicant therefor or the license plate issued for any vehicle owned or co-owned by such person until the toll facility operator has notified the Commissioner that such fees and unpaid tolls have been paid.

The Commissioner may only refuse to issue or renew any vehicle registration pursuant to this subsection upon the request of a toll facility operator if such toll facility operator has entered into an agreement with the Commissioner whereby the Commissioner will refuse to issue or renew any vehicle registration of any applicant therefor who owes unpaid tolls and administrative fees to the toll facility operator. The toll facility operator seeking to collect unpaid tolls and administrative fees through the withholding of registration or renewal thereof by the Commissioner as provided for in this subsection shall notify the Commissioner in the manner provided for in his agreement with the Commissioner and supply to the Commissioner information necessary to identify the violator whose registration or renewal is to be denied. The Commissioner shall charge a \$40 fee to defray the cost of processing and withholding the registration or registration renewal, and the toll facility operator may add this fee to the amount of the unpaid tolls and administrative fees. Any agreement entered into pursuant to the provisions of this subsection shall provide for the Department to send the violator notice of the intent to deny renewal of registration at least 30 days prior to the expiration date of a current vehicle registration and such notice shall include a form, as required under subsection B of § 46.2-819.6, to contest liability of the underlying toll violation. The notice provided by the Commissioner shall include instructions for filing the form to contest liability with the toll facility operator within 21 days after the date of mailing of the Commissioner's notice. Upon timely receipt of the form, the toll facility operator shall notify the Commissioner, who shall refrain from withholding the registration or renewal thereof, after which the toll

facility operator may proceed to issue a summons for unpaid toll. For the purposes of this subsection, notice by first-class mail to the registrant's address as maintained in the records of the Department shall be deemed sufficient.

~~H. For purposes of this section, 'operator' means a person who was driving a vehicle that was the subject of a toll violation but who is not the owner of the vehicle; 'operator of a toll facility other than the Virginia Department of Transportation' means any agency, political subdivision, authority, or other entity that operates a toll facility; 'owner' means the registered owner of a vehicle on record with the Department or, in the case of a vehicle where the owner of the vehicle is a vehicle leasing entity, the lessee. For purposes of this section, 'owner' does not mean a vehicle rental or vehicle leasing company; 'video monitoring system' means a vehicle sensor installed to work in conjunction with a toll collection device that automatically produces one or more photographs, one or more microphotographs, a videotape, or other recorded images of each vehicle at the time it is used or operated in violation of this section; 'automatic vehicle identification system' means an electronic vehicle identification system installed to work in conjunction with a toll collection device that automatically produces an electronic record of each vehicle equipped with an automatic vehicle identification device that uses a toll facility; and 'automatic vehicle identification device' means an electronic device that communicates by wireless transmission with an automatic vehicle identification system.~~

~~I. J.~~ Any vehicle rental or vehicle leasing company, if it receives an invoice for unpaid toll or is named in a summons, shall be released as a party to the action if it provides the operator of the toll facility a copy of the vehicle rental agreement or lease or an affidavit identifying the renter or lessee within 30 days of receipt of the invoice or summons. Upon receipt of such rental agreement, lease, or affidavit, an invoice for unpaid toll shall be mailed to the renter or lessee identified therein. Release of this information shall not be deemed a violation of any provision of the Government Data Collection and Dissemination Practices Act (§ 2.2-3800 et seq.) or the Insurance Information and Privacy Protection Act (§ 38.2-600 et seq.). The toll facility operator shall allow at least 30 days from the date of such mailing before pursuing other remedies under this section. In any action against the vehicle operator, a copy of the vehicle rental agreement, lease, or affidavit identifying the renter or lessee of the vehicle at the time of the violation is prima facie evidence that the person named in the rental agreement, lease, or affidavit was operating the vehicle at all the relevant times relating to the matter named in the summons.

~~J. K.~~ Imposition of a civil penalty pursuant to this section shall not be deemed a conviction as an operator and shall not be made part of the driving record of the person upon whom such civil penalty is imposed, nor shall it be used for insurance purposes in the provision of motor vehicle insurance coverage. The provisions of § 46.2-395 shall not be applicable to any civil penalty, fee, unpaid toll, fine, or cost imposed or ordered paid under this section for a violation of this section.

~~K. L.~~ On a form prescribed by the Supreme Court, a summons for a violation of this section may be executed pursuant to as provided in § 19.2-76.2. Toll facility personnel or their agents mailing such summons shall be considered conservators of the peace for the sole and limited purpose of mailing such summons. Notwithstanding the provisions of § 19.2-76, a summons or summonses for a violation of unpaid tolls may be executed by mailing by first-class mail a copy thereof to the address of the owner of the vehicle as shown on the records of the Department or, if the registered owner has named and provided a valid address for the operator of the vehicle at the time of the violation in an affidavit executed pursuant to subsection ~~F~~ H, such named operator of the vehicle. If the summoned person fails to appear on the date of return set out in the summons mailed pursuant to this section, the summons shall be executed in the manner set out in § 19.2-76.3.

~~L. M.~~ The toll facility operator may offer to the owner an option to pay the unpaid toll and fees plus a reduced civil penalty of \$25 for a first or second offense or \$50 for a third, fourth, or subsequent offense, as specified on the summons, provided the owner actually pays to the toll facility operator the entire amount so calculated at least 14 days prior to the hearing date specified on the summons. If the owner accepts such offer and such amount is actually received by the toll facility operator at least 14 days prior to the hearing date specified on the summons, the toll facility operator shall move the court at least five business days prior to the date set for trial to dismiss the summons issued to the registered owner of the vehicle, and the court shall dismiss upon such motion.

~~M. N.~~ The operator of a toll facility may enter into an agreement with the Department, in accordance with the provisions of subdivision B 21 of § 46.2-208, to obtain vehicle owner information regarding the registered owners of vehicles that fail to pay tolls required for the use of toll facilities and with the ~~Virginia~~ Department of Transportation to obtain any information that is necessary to conduct electronic toll collection. Information provided to the operator of a toll facility shall be used only for the collection of unpaid tolls, and the operator of the toll facility shall be subject to the same conditions and penalties regarding release of the information as contained in subsection ~~B~~ C.

~~N~~. O. No person shall be subject to both the provisions of this section and to prosecution under § 46.2-819 for actions arising out of the same transaction or occurrence.

A toll operator shall make an attempt to process and collect an unpaid toll on the sixth day after the unpaid toll and shall make an additional attempt on the tenth day after the unpaid toll if earlier attempts to process and collect the unpaid toll were unsuccessful.

"l. A political subdivision of the Commonwealth, including, but not limited to, a locality, school board or other instrumentality, may only spend monies from whatever source received for the following objects and no others: first, those granted in express words; second, those necessarily or fairly implied in or incident to the powers expressly granted; third, those essential to the declared objects and purposes of the political subdivision, not simply convenient, but indispensable. In deciding whether funds may be authorized to be spent, the authority for such expenditure must rigorously comply with the Dillon Rule of strict construction; and if there is a reasonable doubt whether the political subdivision has powers, the doubt must be resolved against such expenditures by the political subdivision. Accordingly, the Dillon Rule is applicable to all funds spent by political subdivisions and therefore political subdivisions may not spend any funds for purposes prohibited or not otherwise authorized by the Dillon Rule of strict legislative construction."

By your grace,
help us to bring comfort and healing to the families
whose home and lives were devastated by Wednesday's storms.

By your goodness,
help us to be compassionate in our care for the most vulnerable among us,
and make us good stewards of your creation.

Send forth your Spirit upon this House.

Give us the *desire* to seek what is true.
Give us the *humility* to know what is right.
Give us the *courage* to do what is just.

Help us to know
that you have called us to *serve*, rather than to *be served*,
so that everything we do may give glory to your Name,
and be a blessing to our neighbors.

We pray in your holy Name. Amen.

Clerk of the House of Delegates

MONDAY, FEBRUARY 29, 2016

The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Yena K. Hwang, Associate Pastor of Fairfax Presbyterian Church, offered the following prayer:

God of all creation,

We have gathered in this place of privilege, to continue the work you have set before this House of Delegates, to carry out the heavy responsibility of leading this great Commonwealth of Virginia and this great country of ours.

We thank you for the call you have placed in these faithful public servants' hearts.

We thank you for their earnest response to your call to serve their fellow citizens in this particular with honor, dignity, integrity, love, justice, and compassion.

We ask you to fill your leaders here with the Wisdom from above, to lead with boldness and courage toward bringing justice and equality for all, to lead with their various and diverse constituents in mind and not their own gain; to lead with broader vision and deeper faith; and to lead with confidence in the positive changes their work will bring to improve the lives of the people of Virginia.

May their beliefs be reflected in their words; and may their words become visible in their rulings and actions, to bear fruit that will benefit and enrich this great Commonwealth of Virginia.

May all that they do and say, promote a kinder, gentler, and richer society that shows forth the blessings you desire for all peoples.

With gratitude we pray.

AMEN.

Delegate Cox led the House of Delegates in the Pledge of Allegiance to the Flag of the United States of America.

The roll was called and the following members answered to their names:

HOUSE BILL VETOED BY THE GOVERNOR

H.B. 254 (two, fifty-four) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
February 24, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 254, which proposes to make substantive changes to certain census blocks in Districts 28 and 88 in the City of Fredericksburg.

Legally, there is some question of the bill's constitutionality. According to Article II Section 6 of the Virginia Constitution, "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." Proponents of the bill would argue that this language directs the General Assembly to redistrict every ten years, but contains no limitations on the power of the legislature to redistrict in other years. However, in the case of *Little v. Va. State Bd. of Elections*, No. CL11-5253, slip op. at 15 (Va. Cir. Ct. Jan. 24, 2012), the Richmond Circuit Court interpreted this language to "limit the General Assembly's authority to reapportion Virginia's electoral districts after the year 2011." This finding by the Court raises serious concerns about the bill's constitutionality and increases the risks of costly and time-consuming litigation.

Furthermore, this bill sets a terrible precedent. Allowing the legislature to make substantive changes to electoral districts more frequently than once a decade injects further partisanship into a process that I regard as already too partisan. Annual legislative arguments over redistricting and gerrymandering distract the Commonwealth from the serious challenges we face, as well as undermine the trust of our citizens in their government.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Delegate Cole moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

Delegate Toscano propounded a parliamentary inquiry as to whether an abstention on a vote was justified if a member would benefit from the action taken by the House because he or she owned stock in or had a personal interest in the company which was the subject of that vote.

The Speaker stated that the Gentleman was correct, but that an abstention was a personal decision.

The House proceeded to consider Paragraph 3. proposed by the Governor.

Delegate Farrell raised a point of order that Paragraph 3. added a study to the bill and would inquire as to whether the amendment was properly before the House.

The Speaker stated that Paragraph 3. required the Commission on Youth to conduct a study which was in violation of the Rules of the House.

The Speaker stated further that the amendment was not properly before the House and the Chair would so rule.

The bill was returned to the Governor.

[H.B. 143 was vetoed by the Governor on March 7, 2016.]

HOUSE BILL VETOED BY THE GOVERNOR

H.B. 131 (one, thirty-one) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
February 29, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 131, which prohibits public schools from joining any organization governing interscholastic programs that does not allow home-schooled students to participate.

More than 300 public schools belong to the Virginia High School League (VHSL), an organization through which member schools have regulated interscholastic competition since 1913. Each year over 200,000 public school students, who satisfy the VHSL's 13 individual eligibility requirements, participate in one or more of the league's 27 sports and 11 academic activities.

Allowing home-schooled students to participate in interscholastic competitions would disrupt the level playing field Virginia's public schools have developed over the past century. For example, VHSL rules state that a student must pass five subjects or the equivalent in the previous semester, and be enrolled in five subjects or the equivalent offered for credit toward graduation, in order to participate in the league's events. While the bill provides that home-schooled students must demonstrate evidence of progress in order to participate in interscholastic activities, the unique nature of their educational situation precludes conformity to the same standards.

Virginia's public schools provide a complete package of scholastic offerings and access to extracurricular activities. Participation in athletic and academic competitions is a privilege for students who satisfy eligibility requirements. Opening participation in those competitions to individuals who are not required to satisfy the same criteria upends Virginia's extracurricular framework and codifies academic inequality in interscholastic competition.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Delegate Bell of Albemarle moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

"A.1. The appropriations in this Item are provided to fund one-time incentive packages to attract high performing researchers with demonstrated success in commercializing their research, especially in the fields of cybersecurity, personalized medicine, or bioscience, and to create centers of excellence, where researchers can collaborate and receive support in the commercialization of their research. It is the intent of the General Assembly that this funding focus on areas of research that foster additional commerce and economic development in Virginia. The goal is to develop spin-off companies from research being conducted in Virginia

that will accelerate the growth and strength of Virginia's cybersecurity, bioscience, and other industries. Any institution of higher education or related research entity pursuing this funding must provide a match of an amount at least equal to the awarded funds.

2. In addition to the funding in this Item, \$25,000,000 the first year and \$40,000,000 the second year in state supported debt, authorized in Item C-47, shall be made available to support the purchase of research equipment or laboratory renovations associated with the researcher incentive packages and the translation of research into commercial use. Any institution of higher education or related research entity pursuing this funding must provide a match of an amount at least equal to the awarded funds.

3. The State Council of Higher Education for Virginia shall develop guidelines for the awarding of cash grants or bond proceeds in the furtherance of the goals outlined in this Item and from funds for grants or loans provided through the Virginia Research Alliance Fund. The Council will also receive the proposals for funding for the cash grants, bond proceeds, or loans.

4. Additional funding for this Item will be provided from the Virginia Research Alliance Fund.

B.1. Any bioscience or personalized medicine-related proposal received by the Commonwealth for the purposes stated above shall be evaluated by the Virginia Biosciences Health Research Corporation (VBHRC) for merit and feasibility, while any cybersecurity-related proposal shall be evaluated by the Innovation and Entrepreneurship Investment Authority (IEIA). The VBHRC and IEIA shall identify those research proposals that support the Commonwealth's core bioscience, personalized medicine, and cybersecurity efforts through the following: 1) encouraging cooperation and collaboration among the Virginia public higher education research institutions and the private sector, 2) demonstrating commercial potential in the human health, personalized medicine, and cybersecurity fields, and (3) providing opportunities for new bioscience, personalized medicine, and cybersecurity industries and careers within Virginia.

2. Any proposals not related to bioscience or cybersecurity endeavors shall be evaluated by a panel of not more than five scientists appointed by the Virginia Academy of Science, Engineering and Medicine, who have expertise in the area covered by the proposal but who are not employed by or affiliated with any of the institutions requesting funding.

3. Any proposals receiving favorable evaluation from the VBHRC, IEIA, or the Virginia Academy of Science, Engineering and Medicine panel shall be forwarded to the Virginia Research Advisory Committee (V-RAC) for review. Upon favorable review by the V-RAC, the Governor shall authorize final approval of the project and allocate required funding, accordingly. The Director, Department of Planning and Budget, is authorized to provide for payment of these funds to any appropriately designated fiscal agent consistent with the details of the proposal upon approval of the Governor.

4. The Director, Department of Planning and Budget, is also authorized to approve treasury loans to state colleges and universities, if needed, for cash flow purposes, associated with any award involving state supported debt such that approved research proposals can proceed in a timely manner.

C. Consistent with the goals of this initiative, the Commonwealth Health Research Board shall coordinate and collaborate with the V-RAC on the research proposals it considers, ensuring it awards funding to proposals that support Virginia's core science strengths and efforts to improve human health.

D. 1. Out of this appropriation, up to \$6,000,000 the first year and \$6,000,000 the second year from the general fund may be used for executed and approved partnership agreements between up to four Virginia public research higher education institutions and the Global Genomics and Bioinformation Research Institute for the purposes of offering one-time incentive packages to attract high performing researchers with a history of commercialization in the fields specified in paragraph A.1. At a minimum, a private match in an amount of at least two times the investment from the state and any additional funds provided from the individual institution must be made in order to receive this funding.

2. An additional amount of \$4,000,000 in the second year may be allocated from the Virginia Research Alliance.

3. This project will also be eligible to receive funding for laboratory renovations or research equipment through the process provided in this Item once an approved partnership agreement or agreements have been executed."

The standards upon which the public institutions of higher education are deemed certified to receive the payment of interest earnings from the tuition and fees and other nongeneral fund Educational and General revenues shall be based upon the standards provided in § 4-9.01 of this act, as approved by the General Assembly.

B. The estimated interest earnings and other revenues shall be distributed to those specific public institutions of higher education that have been certified by the State Council of Higher Education for Virginia as having met the standards provided in § 4-9.01 of this act, based on the distribution methodology developed pursuant to Chapter 933, Enactment 2, Acts of Assembly of 2005 and reported to the Chairmen of the House Appropriations Committee and Senate Finance Committee.

C. In accordance with § 2.2-5004 and 5005, Code of Virginia, this Item provides \$1,750,000 the first year and \$1,750,000 the second year from the general fund, and \$1,000,000 from nongeneral funds in the first year and \$1,000,000 from nongeneral funds in the second year for the estimated total payment to individual institutions of higher education of the interest earned on tuition and fees and other nongeneral fund Education and General Revenues deposited to the state treasury. Upon certification by the State Council of Higher Education of Virginia that all available performance benchmarks have been successfully achieved by the individual institutions of higher education, the Director, Department of Planning and Budget, shall transfer the appropriation in this Item for such estimated interest earnings to the general fund appropriation of each institution's Educational and General program.

D. The State Comptroller shall determine the amount owed to each certified institution, net of any payments due to the federal government, using a methodology that equates a pro rata share based upon the total transactions of \$5,000 or less made by the institution using the state-approved credit card in comparison to all transactions of \$5,000 or less using said approved credit card. By October 15, or as soon thereafter as deemed appropriate, following the year of certification, the Comptroller shall reimburse each institution its estimated pro rata share.

E. Once actual financial data from the year of certification are available, the State Comptroller and the Director, Department of Planning and Budget, shall compare the actual data with estimates used to determine the distribution of the interest earnings, nongeneral fund Educational and General revenues, and the pro rata amounts to the certified institutions of higher education. In those cases where variances exist, the Governor shall include in his next introduced budget bill recommended appropriations to make whatever adjustments to each institution's distributed amount to ensure that each institution's incentive payments are accurate based on actual financial data."

A.1. For each year of the biennium, there is hereby appropriated from the general fund of the state treasury an amount as specified in paragraphs A.3. and A.4. below, to fund certain capital projects that are presently authorized for funding from debt issuances by either the Virginia College Building Authority or the Virginia Public Building Authority, to the extent that the existing debt for such capital projects has not been issued. The Governor shall recommend an equivalent reduction in the amount of debt authorization for the affected projects so that overall, there is no decrease or increase in total funding for such projects.

2. It is the intent of the General Assembly that any appropriation pursuant to this Item only be used to reduce the total authorized but unissued debt such that general fund cash becomes the funding source for certain capital outlay projects rather than debt. In making this substitution, priority shall be given to maintenance reserve or other small capital outlay projects that are better suited to be funded from cash or to taxable debt projects which offer the opportunity to obtain greater debt service cost savings, if funded by cash rather than debt.

3. For the first fiscal year of the biennium, the appropriation specified in paragraph A.1. above shall be equal to the lesser of \$181,900,000 or the actual total general fund revenue collections for fiscal year ending June 30, 2016, reduced by any amounts needed to meet the Constitutional or statutory deposit to the Revenue Stabilization Fund and the statutory deposit concerning surplus revenue to the Water Quality Improvement Fund, as certified by the State Comptroller, minus the "official revenue estimate" for general fund revenues for the second year of the biennium as contained in the second enactment of Senate Bill 29 of the 2016 General Assembly, as enacted.

4. For the second year of the biennium the appropriation specified in paragraph A.1. above shall be equal to the lesser of \$188,200,000 or the actual total general fund revenue collections for fiscal year ending June 30, 2017, reduced by any amounts needed to meet the Constitutional or statutory deposit to the Revenue Stabilization Fund and the statutory deposit concerning surplus revenue to the Water Quality Improvement Fund, as certified by the State Comptroller, minus the "official revenue estimate" for general fund revenues for the first year of the biennium as contained in the first enactment of this Act.

B. The State Comptroller shall make a commitment for any amount appropriated in this Item pursuant to paragraph A.3. above on the balance sheet of the Commonwealth for June 30, 2016. The State Comptroller shall make a commitment for any amount appropriated in this Item pursuant to paragraph A.4. above on the balance sheet of the Commonwealth for June 30, 2017.

C.1. The Director of the Department of Planning and Budget shall report quarterly to the State Treasurer and to the Six Year Capital Outlay Planning Advisory Committee, established by § 2.2-1516 Code of Virginia, identifying the projects for which the debt authorization was replaced by appropriations pursuant to paragraph A1. above.

2. Upon notification from the Director of the Department of Planning and Budget that appropriations pursuant to paragraph A1. above have been made, the State Treasurer shall not issue any debt for the affected projects."

Clerk of the House of Delegates

THURSDAY, MARCH 3, 2016

The House of Delegates was called to order at 11:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend David J. Cox, Pastor of King Memorial Community Church, Oriskany, offered the following prayer:

Our Father in heaven,
how we thank you for your grace and mercy.
In Your goodness you have loved us with a sacrificial love.
May our lives mirror that love.
As we gather together, quiet our hearts to hear your council
in preparation to do your will.
Bless these here who give their all to serve others.
Grant to each wisdom and a will
to do that which is right in your sight.
Free our minds from that which would distract us,
and allow us to stand tall and sure
in the confidence of our service for you.
May we have courage to voice our convictions
Along with patience to listen to those we disagree with.
Help us to have lives seasoned with grace and respect of others.
Our Father we desire to represent you in how we think, speak, and act.
Through the efforts of this esteemed body
may peace and hope flow like the rivers of our land.
And like the strong mountains of our beloved state of Virginia
may Your righteousness be our foundation.
Oh Lord, our God, bless these your chosen servants.
In Jesus' name, Amen.

Delegate Loupassi offered the following House joint resolution:

HOUSE JOINT RESOLUTION NO. 424

Election of a Supreme Court of Virginia Justice.

RESOLVED by the House of Delegates, the Senate concurring, That the General Assembly shall proceed on or after Thursday, March 3, 2016

To the election of a Supreme Court of Virginia justice for a term of twelve years commencing March 3, 2016.

And that in the execution of the joint order a nomination shall be made, and that each house shall be notified of said nomination, and when the rolls shall be called for the whole number, the presiding officers of each house shall appoint a committee of three, which together shall constitute the joint committee to count the vote of each house and report the results to their respective houses. The joint order may be suspended by the presiding officer of either house at any time but for no longer than twenty-four hours to receive the report of the joint committee.

Delegate Toscano propounded a parliamentary inquiry as to whether the Gentleman's resolution called for a new joint order.

The Speaker stated that the Gentleman was correct.

Delegate Toscano raised a point of order that according to Rule 52 of the Rules of the House, the order of business may not be changed, nor any special order made, except by an affirmative vote of two-thirds of the members present and would inquire as to whether the resolution would require a two-thirds affirmative vote since the Speaker had stated that it established a new special order.

The Speaker stated that the resolution was for a joint order not a special order.

Delegate Toscano propounded a parliamentary inquiry as to whether the special order previously agreed to by the House had required an affirmative vote of two-thirds of the members present.

The Speaker stated that the House was voting on a joint order.

Delegate Toscano propounded a further parliamentary inquiry as to whether the House was voting on a special and joint order.

The Speaker stated that according to House Rule 52 the House was voting on a joint order with the Senate which required a majority vote.

Delegate Toscano propounded a further parliamentary inquiry as to whether the joint and special order was a departure from the regular order of business which, according to House Rule 52, was not to be changed without the affirmative vote of two-thirds of the members present.

The Speaker stated that House Rule 52 stated clearly that a joint order with the Senate required a simple majority vote.

The joint resolution was agreed to.

FRIDAY, MARCH 4, 2016

The House of Delegates was called to order at 10:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

Pastor James D. Acree, Bacon's Castle Baptist Church, Surry, offered the following prayer:

Our Father, Who is in heaven, hallowed be Your name. We thank You this morning that You have revealed yourself as Father through Jesus Christ. We recognize that Your name is above every name, and that Your name alone is worthy of worship and praise.

Your kingdom come, Your will be done, on earth as it is in heaven. We pray God that You bring about righteousness, justice and loving kindness in our land and around the world, even as those things already prevail in your Kingdom of Heaven. Thank You for the promise that those things will indeed, one day, be the reality that You will bring about.

Give us this day our daily bread. God, thank You for providing so abundantly for Virginia in particular, and America as a whole. No nation on earth has been more blessed with "daily bread" than ours. We ask that in Your kindness You would continue to meet our needs. Father, help us continue to trust in You and Your provision.

Forgive us our debts, as we also have forgiven our debtors. We thank You that in Christ you have offered forgiveness to all men. Teach me and everyone else here to extend forgiveness and kindness to others, even to those who have done us wrong. Help our legislators, despite their differences, to extend kindness and graciousness across the political aisle.

And lead us not into temptation, but deliver us from evil. God, help us to always choose the right and reject the wrong, and help us to know the difference. Lead us by Your Spirit and by Your Word and keep us from succumbing to the sinful pulls of arrogance and pride. Give all our leaders strength with humility of heart.

For Yours is the power and the glory forever and ever. You, and You only are worthy of worship.

And I pray this prayer in Jesus' name,
Amen.

The Reverend Clyde W. Ellis, Jr., Pastor of Mount Olive Baptist Church, Woodbridge, offered the following prayer:

Heavenly Father, we thank you for the wisdom and promises of scripture, and we ask that the leaders of our state be guided by these words of prayer, as they lead, influence, and make decisions for our state, as well as wrestle with the challenges of balancing budgets and the many issues before them today.

Heavenly Father, we pray for wisdom and strength of character for our State Assembly who together provides leadership for the citizens of Virginia. We pray that our state leaders will lead with compassion and love, and be forever aware of their huge responsibility to the people of Virginia.

May their decisions be positive, morally sound, inspirational and filled with compassion, love and respect?

Keep them ever mindful of the diversity of the state's population that they may serve without bias, and be prepared to reach beyond traditional boundaries of service, to meet all people in their time of need.

Keep them ever mindful of their influence, particularly upon this state's young people so that future generations will be equipped to become effective, godly future leaders who will also share a strong vision of a godly state with a bright and optimistic future.

And lastly, Heavenly Father, we thank our leaders for their personal commitment and dedication as they enact policies, develop a vision for the days and years ahead, and help create an exciting future for our state. We ask that you bless our Delegates with strength for the task.

In the Name of Jesus Christ, we pray. Amen.

COMMONWEALTH OF VIRGINIA

Office of the Governor

March 7, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 143, which would allow the sale of Class 1 neutral grain spirits or alcohol, as defined by federal regulations, that are without distinctive character, aroma, taste, or color at a proof greater than 101 in government stores.

I put forward an amendment to require a reenactment of the legislation in order to give the legislative and the executive branches further time to study this issue. The amendment requiring reenactment was rejected by the House of Delegates.

The educators and health professionals from across the Commonwealth who have been tasked with reducing harm associated with alcohol abuse on college campuses raised public safety concerns with this legislation. I share their concern that a prime market for these products is young people who are attracted to their high proof and low cost. Underage drinking and binge drinking, particularly on college campuses, are threats to public health and safety that we should be working to curb. Therefore, I continue to believe the best course of action is to study this issue further, with particular focus on the restrictions and strategies implemented by other states that can be codified to reduce potential abuse of such products by young adults and youth, before selling this product in Virginia.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Delegate Cox moved that when the House adjourns today, it adjourn to meet tomorrow at 11:00 a.m.

The motion was agreed to.

On motion of Delegate Cox, the House adjourned at 11:50 a.m.

All Wise and Eternal God, we come to you

this morning.
Grant us with your wisdom and words.

Give all of the participants in this meeting
discernment and insight to handle the
affairs of this great Commonwealth.

And Now unto you who is able to do

HOUSE BILL VETOED BY THE GOVERNOR

H.B. 259 (two, fifty-nine) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 1, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 259, which prohibits the Board of Education from replacing the Standards of Learning with the Common Core State Standards.

The Commonwealth led the nation nearly two decades ago in the development of statewide educational standards. Virginia's education system is one of the best in the world because of this innovative work. Currently, our state standards meet or exceed the rigor of the Common Core State Standards, while maintaining our independence.

In June of 2010, the Board of Education echoed this sentiment by unanimously adopting a statement in support of the Standards of Learning (SOL) and voicing opposition to the Common Core State Standards.

Virginia's institutions and leaders have made it abundantly clear that adopting the Common Core State Standards would be a step backwards. Clear, rigorous, and trusted standards are necessary to ensure that Virginia's students will be prepared to compete in the 21st century. We are also continuing to improve our accountability system through the work of the SOL Innovation Committee.

However, while I remain opposed to adopting the Common Core State Standards, I am equally opposed to infringing on the Board's authority by adopting unnecessary legislation which establishes rules upon which we have already agreed.

Given that neither I nor the Board of Education have any intention of replacing the Standards of Learning with the Common Core State Standards, House Bill 259 is unnecessary.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Delegate LaRock moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

Delegate Cox moved that the House stand in recess until 10:50 a.m.

The motion was agreed to and the Chair was vacated at 10:25 a.m.

The hour of 10:50 a.m. having arrived, the Chair was resumed.

The business of the House was resumed.

The Speaker appointed Delegates Ingram, Hugo, and Hester to replace Delegates Ingram, Hugo, and Spruill the members of the Committee of Conference on the part of the House of Delegates on S.B. 468 (four, sixty-eight).

Delegate Cox moved to suspend the special and continuing order relating to the election of judges as required pursuant to H.J.R. 37 until the conclusion of the House Calendar.

Delegate Toscano propounded a parliamentary inquiry as to whether the committee which had been appointed to count the vote taken pursuant to the judicial election set up by H.J.R. 424 was required to meet with its counterpart from the Senate.

The Speaker stated that it was not necessary for the committee to meet as the Senate had suspended its procedure and was not in a position to receive the report.

Delegate Toscano propounded a further parliamentary inquiry as to whether the Speaker was suggesting that the Senate had suspended its joint order and required a new one.

The Speaker stated that the Senate had postponed H.J.R. 424, which was permitted for up to 24 hours.

Delegate Toscano propounded a further parliamentary inquiry as to whether the Senate action had been printed in its Journal.

The Speaker stated that the Senate had communicated its action to the House of Delegates and that he felt certain that the information also had been included in the Senate Journal.

The motion was agreed to.

The following communication, relating to H.J.R. 424 and the nomination of Rossie Alston for the Supreme Court of Virginia, was received by the Clerk:

TOSCANO STATEMENT ON HJR424 AND NOMINATION OF ROSSIE ALSTON FOR THE
SUPREME COURT OF VIRGINIA - FOR HOUSE JOURNAL - MARCH 9, 2016

I rise for the purpose of objecting to the procedure under which the House is operating in the choice of a potential Justice to the Virginia Supreme Court. In my view, the House is operating under a Special and Continuing order which, under Rule 52 of our House Rules, would require a two-thirds affirmative vote to be passed. Our vote in the House was less than two-thirds and the Resolution should not arguably have been passed. Rule 52 of the House states that "the regular order of business herein established shall not be changed, nor shall any special order be made, except by vote of two-thirds of the members present". The Speaker stated from the dais that the judicial selection was a "special order." Moreover, documents prepared by our Clerk's Office entitled "Chamber Support Staff, Chamber Protocol, Process and Procedures, and Parliamentary Procedure," of the Clerk's Office states, on page 68, that "the normal course of action is for the House and Senate to schedule a joint special and continuing order twice during session for the selection of certain judicial judgeships." It goes on to discuss the "joint special and continuing order for the election of judges." Under the Clerk's Office, and the Rules of the House, this is clearly a "special order." Hence, it would require a two-thirds vote. HJR37, the procedural resolution, upon which we organize our session, also discusses "a special and continuing joint order in each house," and that "the rules of each house...shall be the rules governing any such election." (Rule 19). Both Rule 19 and Rule 52 use the term "special order".

Since there is some confusion about what constitutes a special order, I consulted Jefferson's Manual on this topic. Since there is nothing about special orders in Jefferson's Manual, I consulted with Mason's Legislative Manual. The manual states in Section 264, that "the purpose of a special order is to expedite important business and set a definite time for consideration, which gives such a special order privilege over other business. Whenever the making of a special order sets aside the general rules regarding the order of business, the same vote is required as would be required to specifically suspend the rules." In our rules, that would require a two-thirds majority. There is a good reason for this. A special order is just that, special, in that it departs from the regular order of the day. The

regular order of the day is set forth in Rule 49 of our House Rules. A special order, whether for the budget or for judges, establishes a special precedent. It is also why it generally requires a two-thirds majority.

If we were to appoint a Justice to the Supreme Court under a process that was procedurally flawed, or even arguably so, attorneys could potentially attack a close decision of the court by attacking the basis of a judicial appointment. This would create substantial problems in our Supreme Court and is something to be avoided. For that reason, I renew my request that the previous special order and any subsequent special order be ruled out of order.

The following resolutions were presented and laid on the Speaker's table pursuant to House Rule 39(a):

A BILL to amend the Code of Virginia by adding a section numbered 57-2.03, relating to religious freedom; solemnization of marriage.

Delegate Gilbert raised a point of order as to whether the Senate substitute was germane.

The Speaker stated that the House bill dealt specifically with discriminatory actions that adversely affected the tax treatment of persons who withheld or otherwise made unavailable any grants, contracts, or loans and that the House defined the word "person" to include not only individuals but also corporations, associations, partnerships, and organizations.

The Speaker stated further that the Senate substitute changed the fundamental purpose of the bill because it spoke to the solemnization of marriage by certain individuals and the actions of individuals employed by a religious organization in the scope of that employment.

The Speaker stated finally that the Senate substitute was not germane and the Chair would so rule.

Delegate Gilbert propounded a parliamentary inquiry as to the posture of the House bill as a result of the Speaker's ruling.

HOUSE BILL VETOED BY THE GOVERNOR

H.B. 1188 (eleven, eighty-eight) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
 Office of the Governor
 March 7, 2016

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1188, which proposes to change district assignments of two census precincts in Louisa County.

Legally, there is some question of the bill's constitutionality. According to Article II, Section 6, of the Virginia Constitution, "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." Proponents of the bill would argue that this language directs the General Assembly to redistrict every ten years, but contains no limitations on the power of the legislature to redistrict in other years. However, in the case of *Little et al. v. Virginia State Board of Elections*, the Richmond Circuit Court interpreted this language to "limit the General Assembly's authority to reapportion Virginia's electoral districts after the year 2011" (page 15). This finding by the Court raises serious concerns about the bill's constitutionality and increases the risks of costly and time-consuming litigation.

Furthermore, this bill sets a poor precedent. Allowing the legislature to make substantive changes to electoral districts more frequently than once a decade injects further partisanship into a process that I regard as already too partisan. Annual legislative arguments over redistricting and gerrymandering distract the Commonwealth from the serious challenges we face, as well as undermine the trust of our citizens in their government.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Delegate Farrell moved that the House override the Governor's veto.

Clerk of the House of Delegates

THURSDAY, MARCH 10, 2016

The House of Delegates was called to order at 10:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Joshua Lee, Pastor of Fullnet Community Church, Centreville, offered the following prayer:

Almighty God, we are gathered here today humbly asking for your grace.

But before we rush in to do the works that seem most important to our eyes, let us have the wisdom to step back and see the big picture.

Before we discuss and settle the things that we believe are critical to our future, let us know that who is controlling our future.

Before we boast about the accomplishments we will make today, please Lord, help us know that it is you who pull the strings, who guides our hearts, who make things happen.

Our heavenly Father, we thank you for the duties we must tackle today, because we are now living at the critical time and we are called to be courageous for those jobs.

Yes, it's our privilege and honor to work with you and for you although we are not good enough and don't deserve it.

But, too often, we forget that we are just servants called to finish the work, trying to please the Master.

So we pray that you give these servants the heart of the Holy Spirit so that decisions are made properly, know the right from wrong, and do the work of God, not the men.

Most of all, I pray that you bless them for their commitment and sacrifice because the tasks given to them are not easy. But they volunteered anyway and willingly decided to do something for the better future of Virginia and our country.

So today, be with them and fill their hearts with your words and grace.

In Jesus' Name

we pray,

Amen.

Delegate Cox propounded a parliamentary inquiry as to whether, since the House had returned to the Morning Hour, the appropriate time had arrived for the consideration of an H.J.R. to establish a new joint order relating to the election of certain judges.

The Speaker stated that the Gentleman was correct and that the Morning Hour, pursuant to House Rule 51, was the appropriate time to consider motions and resolutions and to dispatch with any business on the Speaker's table.

The Speaker stated further that the House was in the posture to proceed with resolutions, including those which set a joint order for the election of certain judicial offices.

The Speaker stated further that the House was reminded that the election of judges was not by default a special order.

The Speaker stated further that neither the Constitution of Virginia nor the Rules of the House required the election of judges to proceed pursuant to a special order.

The Speaker stated further that a special order was necessary only if the consideration of business pursuant to the order interrupted the general order of business as provided for in House Rule 49 and that the House had completed its general business and was in the Morning Hour pursuant to House Rule 51.

The Speaker stated finally that regardless of whether or not a special order is set by the House, the slate of judicial offices to be elected was regularly implemented through the provisions of a joint order which, pursuant to House Rule 52, required a majority vote for adoption.

Delegate Toscano raised a point of order that according to Rule 19 of H.J.R. 37, the procedural resolution provided that, "no later than Tuesday, March 8, 2016, each house shall begin its consideration of any election to fill any judicial seat in the courts of the Commonwealth," which the House did when it adopted a previous resolution which dealt with the appointment of a Supreme Court of Virginia justice and that since there had been no motions offered to extend any resolutions related to judicial elections and that deadline had passed would inquire as to whether an additional resolution would be in order.

The Speaker stated that a resolution would not be out of order and that H.J.R. 37 dealt with the procedures of the House during the course of session with regards to the election of judges.

The Speaker stated further that the two-thirds affirmative vote was required in that case because generally it was necessary to break the normal order of the business before the House.

The Speaker stated finally that there was nothing in the Virginia Constitution or the Rules of the House which prevented the House from considering a joint order related to the election of judges outside of those times established pursuant to the procedural resolution.

Delegate Toscano propounded a further parliamentary inquiry as to whether the House was acting outside of the dates established pursuant to Rule 19 of H.J.R. 37.

[The Speaker did not offer an answer to the parliamentary inquiry by Delegate Toscano.]

Delegate Loupassi offered the following House joint resolution:

Speaker of the House of Delegates

Clerk of the House of Delegates

FRIDAY, MARCH 11, 2016

The House of Delegates was called to order at 10:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Kevin M. Northam, Pastor of Olive Branch Baptist Church, Dinwiddie, offered the following prayer:

O Gracious God, I thank You for affording us this allotted time. As the great officials of this Commonwealth have assembled today for the good of the citizens of Virginia, I invoke your power and presence. I stand before thee and thy people submitting this prayer for guidance, direction, and order.

Initially, I thank you for each delegates' service and commitment as they carry out the mandates of this General Assembly. As the needs of our government are discussed and shared, I pray that Your sovereignty and authoritative direction be adhered to by all that are gathered today.

Additionally, I pray for the unison of the House of Delegates. As I am reminded that a house divided against itself cannot stand; therefore, I pray for agreement in righteousness for the sake of our society. I petition for You to reveal Your perfect will to these loyal leaders.

Furthermore, I ask that You would move during this moment, govern this Government, delegate these Delegates and represent these Representatives so that this great state would move forward to a greater state of existence. I honor You as the Honorable One and celebrate in expectancy that the collective efforts of these chosen leaders will be fruitful and fulfill Your Word that all citizens of the Commonwealth may lead a quiet and peaceable life in all godliness and honesty.

Finally, I pray that at the conclusion of this gathering that all matters, whether confirmed, completed or channeled would have been divinely directed, while also being considered by Your judgment as good and acceptable. I love You for lovingkindness and am grateful for Your guidance. I humbly submit this prayer in thy name, Amen.

As part of this review process the joint subcommittee may evaluate options for those individuals in training centers with the most intensive medical and behavioral needs to determine the appropriate types of facility or residential settings necessary to ensure the care and safety of those residents is appropriately factored into the overall plan to transition to a more community-based system. In addition, the joint subcommittee may review the plans for the redesign of the Intellectual Disability, Developmental Disability and Day Support Waivers.

2. To assist the joint subcommittee, the Department of Behavioral Health and Developmental Services shall provide a quarterly accounting of the costs to operate and maintain each of the existing training centers at a level of detail as determined by the joint subcommittee. This information shall be published on the Department of Behavioral Health and Developmental Services' website within 120 days after the end of each fiscal year.

P. The Department of Behavioral Health and Developmental Services shall report on the number of individuals with acquired brain injury exhibiting behavioral/mental health problems requiring services in state mental health facilities and/or community services boards to the House Appropriations and Senate Finance Committees by October 1 of each year. The report shall provide, to the extent possible, the following information: (i) the general fund and nongeneral fund cost of the services provided to individuals; and (ii) the types and amounts of services received by these individuals.

Q. Effective July 1, 2015, the Department of Behavioral Health and Developmental Services shall not charge any fee to Community Services Boards or private providers for use of the knowledge center, an on-line training system.

R. The Department of Behavioral Health and Developmental Services shall undertake a review of Piedmont Geriatric and Catawba Hospitals. This review shall evaluate the operational, maintenance and capital costs of these hospitals, and study alternate options of care, especially geriatric psychiatric care for patients residing in these hospitals. The department shall develop recommendations and report to the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2015.

S. The Department of Behavioral Health and Developmental Services in collaboration with the Community Services Boards shall compile and report all available information regarding the services and support needs of the individuals on waiting lists for Intellectual and Developmental Disability (I/DD) waiver services, including an estimate of the number of graduates with I/DD who are exiting secondary education each fiscal year. The department shall submit a report to the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2015.

T. 1. Out of this appropriation, \$400,000 the second year from the general fund is included to provide compensation to individuals who were involuntarily sterilized pursuant to the Virginia Eugenical Sterilization Act and who were living as of February 1, 2015.

2. A claim may be submitted on behalf of an individual by a person lawfully authorized to act on the individual's behalf. A claim may be submitted by the estate of or personal representative of, an individual who dies on or after February 1, 2015.

3. Reimbursement shall be contingent on the individual or their representative providing appropriate documentation and information to verify the claim under guidelines established by the department.

4. Reimbursement per verified claim shall be \$25,000 and shall be contingent on funding being available, with disbursements being prioritized based on the date at which sufficient documentation is provided.

5. Should the funding provided for compensation be exhausted prior to the end of fiscal year 2016, the department shall continue to collect applications. The department shall provide a report to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees on a quarterly basis on the number of additional individuals who have been applied.

6. The Department of Medical Assistance Services shall seek federal authority to ensure that funds received through this act shall not be counted in determination of Medicaid eligibility.

"T. 1. The State Compensation Board is hereby directed to convene a group of stakeholders comprised of, and representing the interests of, constitutional officers, regional jail authorities, and local governments to jointly review current and alternative primary liability, medical malpractice, and employee malfeasance policy coverages and contracts, and alternatives for liability reinsurance, for such coverage currently paid for by localities under VARisk.

2. In its review, the group shall consider the premiums which have been and are currently being charged to local governments by VARisk for primary liability, medical malpractice, and employee malfeasance policy coverages for the current and prior five (5) years, and the educational and training services that have been and are currently being provided to constitutional officers in coordination with the VARisk coverage over the same time period. These findings shall be compared by the State Compensation Board and stakeholders to potential alternative coverage and contracts which could be provided by public and private providers of primary liability, medical malpractice, and employee malfeasance policy coverage, and reinsurance coverage to insure constitutional officers, regional jails authorities, and local governments, and the premiums that would be charged for such coverage. In its review, the group shall also identify and compare any and all policy limits, exclusions, and terms and conditions of VARisk and comparable coverages available from public or private insurance providers.

3. The State Compensation Board and stakeholders shall determine whether the available alternative coverage and service options are competitive with or preferable to the coverage and service options provided under VARisk, and the potential financial benefits or liabilities to the stakeholders or the Commonwealth resulting from the provision of primary liability, medical malpractice, employee malfeasance, and reinsurance coverage by alternative providers, and shall report their findings by December 1, 2016, to the Chairmen of the House Appropriations Committee and the Senate Finance Committee.

4. The Director, Division of Risk Management, shall provide technical assistance to the stakeholder group upon request of the Executive Secretary of the Compensation Board."

The approved compensation programs should provide teachers with incentives to take on additional training and responsibilities. The compensation program must include an effective evaluation system."

"SSSS. Out of this appropriation, \$1,250,000 from the general fund and \$1,250,000 from nongeneral funds the second year shall be used to fund 25 new medical residency slots. The Department of Medical Assistance Services shall submit a State Plan amendment to make supplemental payments for new graduate medical education residency slots effective July 1, 2017. Supplemental payments shall be made for up to 25 new

medical residency slots in fiscal year 2018. Of the 25 new residency slots, 13 shall be for primary care and 12 shall be for high need specialties. In addition, preference shall be given for residency slots located in underserved areas. The department shall adopt criteria for primary care, high need specialties and underserved areas developed by the Virginia Health Workforce Development Authority. The authority shall submit these criteria to the department by September 1, 2016. The supplemental payment for each new qualifying residency slot shall be \$100,000 annually minus any Medicare residency payment for which the hospital is eligible. Supplemental payments shall be made for up to three years for each new qualifying resident. The hospital will be eligible for the supplemental payments as long as the hospital maintains the number of residency slots in total and by category as a result of the increase in fiscal year 2018. If the number of qualifying residency slots exceeds the available number of supplemental payments, the Virginia Health Workforce Development Authority shall determine which new residency slots to fund based on priorities developed by the authority. Payments shall be made quarterly following the same schedule for other medical education payments. In order to be eligible for the supplemental payment, the hospital must make an application to the department by November 1, 2016. The department shall identify hospitals and the number of new residency slots to be awarded supplemental payments by April 1, 2017. Subsequent to the award of a supplemental payment, the hospital must provide documentation annually by June 1 that they continue to meet the criteria for the supplemental payments and report any changes during the year to the number of residents. The department shall require all hospitals receiving medical education funding to report annually by June 1 on the number of residents in total and by specialty/subspecialty. The supplemental payments are subject to federal Centers for Medicare and Medicaid Services approval. The department shall have the authority to promulgate emergency regulations to implement this amendment within 280 days or less from the enactment of this act."
