RESOLVED FURTHER, That no engrossment of the Budget Bills shall be required in either house, and any conferences on the Budget Bills shall consider, as the basis of their deliberations, the Budget Bills as recommended by the Governor and introduced in the House and the amendments thereto proposed by each house; and, be it

HOUSE BILLS VETOED BY THE GOVERNOR

H.B. 110 (one, ten) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 9, 2018

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 110, which would categorically prohibit franchisees and their employees from classification as the employees of a franchisor.

This legislation undermines long-established principles of employment law, by removing the case-by-case, fact-based assessment to determine if an employee-employer relationship exists. House Bill 110 would relieve franchisor/employers, usually multi-state and multi-national corporations, of their obligations and responsibilities as an employer. These employer responsibilities and obligations would include guarantees of a healthy and safe workplace for all employees. Therefore, this legislation would create additional burdens upon the franchisee most of whom are small Virginia-based businesses.

House Bill 110 would undermine the efforts of small Virginia-based businesses and entrepreneurs to play a vital role in the Virginia economy by exempting franchisor-employers from their responsibilities.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 158 (one, fifty-eight) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 9, 2018

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 158. House Bill 158 authorizes the General Assembly to change legislative district boundaries outside of the decennial redistricting, in order to conform boundaries of legislative districts to the boundaries of local voting precincts.

This bill violates Article II, Section 6 of the Constitution of Virginia, which states: "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." This bill would allow the General Assembly to reapportion at any time of its choosing, regardless of the Constitutional mandate. This would jeopardize a Virginian's constitutional right to equal apportionment.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 375 (three, seventy-five) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 9, 2018

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 375, which prohibits local governing boards from establishing provisions requiring a wage floor or any other employee benefit or compensation above what is otherwise required by state or federal law.

Local governments can require contractors to pay certain wage levels in contracts with localities. These initiatives have provided localities with qualified, high-skilled workers and contractors and successfully addressed significant cost-of-living and workforce disparities in these localities.

The ability of local governments to make this choice should be supported, not limited. Decisions regarding municipal contracts should be made by local leaders who fully understand local needs, and the needs of their workforce.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 1167 (eleven, sixty-seven) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 9, 2018

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1167, which would require jury commissioners to collect information from persons not qualified to serve as jurors for specific reasons and subsequently make that information available to the general registrar of that locality. The bill would also require the general registrars who receive this information to initiate list maintenance procedures.

My Administration is committed to protecting the right to vote and ensuring that Virginia elections are conducted with integrity. There is no evidence or data that jury information is a reliable source for voter list maintenance. Relying on jury information to maintain our lists could weaken the veracity of our voter rolls and thus our elections. Furthermore, this unreliable information could endanger the registrations of eligible voters and prevent them from successfully casting a ballot.

House Bill 1167 could harm qualified voters and undermine the democratic process in the Commonwealth of Virginia.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 1204 (twelve, naught, four) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 9, 2018

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1204, which requires the County of Arlington to assess two private country clubs within its boundaries as land dedicated to open space rather than its current method of highest and best use.

This is a local dispute over a local government's method of assessing land for property taxation. As such, the solution to this dispute should be reached on the local level without the involvement of the state.

I have been assured that an agreement acceptable to both sides of this dispute is close to being reached. I encourage the parties to continue negotiations to find a solution so that similar legislation will not be necessary in the future.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 1257 (twelve, fifty-seven) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 9, 2018

Pursuant to Article V, Section 6, of the Constitution of Virginia, and after consulting with law enforcement and local stakeholder groups, I veto House Bill 1257, which imposes an unnecessary and divisive requirement upon localities regarding the enforcement of federal immigration laws.

This legislation would force local law enforcement agencies to use precious resources to perform functions that are the responsibility of federal immigration enforcement agencies. It also sends a chilling message to communities across Virginia that could have negative impacts on public safety.

Localities have the right to determine whether to expend the resources and voluntarily enter into an agreement with the United States Immigration and Customs Enforcement Agency. Police divisions across the Commonwealth have a long tradition of engaging in community policing strategies, and many have determined that it is more important to develop a relationship with immigrant communities in order to keep all of those who live within the locality safe. This legislation would strip localities of that autonomy and force them to divert money and manpower away from their core public safety functions.

Were it to become law, this bill would send a clear message to people across this Commonwealth that state and local law enforcement officials are to be feared and avoided rather than trusted and engaged. The safety of our communities requires that all people, whether they are documented or not, feel comfortable reporting criminal activity and cooperating with local law enforcement investigations. This bill would make it harder for the men and women who keep us safe to do their jobs.

There are many actions we can take to support law enforcement and keep Virginians safe. Placing new unfunded mandates on state and local public safety agencies in order to make a political point is not one of them.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

Delegate Cline moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

Yeas, 51. Nays, 48. Abstentions, 0. Not Voting, 1.

The vote required by the Constitution, this being an act requiring a two-thirds affirmative vote of the members present, was recorded as follows:

Yeas—Adams, L.R., Austin, Bell, R.P., Bell, R.B., Bloxom, Brewer, Byron, Campbell, Cline, Cole, Collins, Davis, Edmunds, Fariss, Fowler, Freitas, Garrett, Gilbert, Habeeb, Head, Helsel, Hodges, Hugo, Ingram, Jones, S.C., Kilgore, Knight, Landes, LaRock, Leftwich, Marshall, McGuire, Miyares, Morefield, O'Quinn, Orrock, Peace, Pillion, Pogge, Poindexter, Ransone, Robinson, Rush, Stolle, Thomas, Ware, Webert, Wilt, Wright, Yancey, Mr. Speaker—51.

Nays—Adams, D.M., Aird, Ayala, Bagby, Bell, J.J., Boysko, Bulova, Carr, Carroll Foy, Carter, Convirs-Fowler, Delaney, Filler-Corn, Gooditis, Guzman, Hayes, Heretick, Herring, Hope, Hurst, James, Jones, J.C., Keam, Kory, Krizek, Levine, Lindsey, Lopez, McQuinn, Mullin, Murphy, Plum, Price, Rasoul, Reid, Rodman, Roem, Sickles, Simon, Sullivan, Torian, Toscano, Tran, Turpin, Tyler, VanValkenburg, Ward, Watts—48.

Not Voting—Bourne—1.

H.B. 1270 (twelve, seventy) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 9, 2018

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1270, which prohibits the Governor or any state agency from adopting any regulation establishing a carbon dioxide cap-and-trade program or establishing participation in the Regional Greenhouse Gas Initiative or any similar program without explicit majority vote approval by both houses of the General Assembly.

Climate change affects all citizens and business entities in the Commonwealth, especially those located in coastal regions. The Commonwealth must have all the tools available to combat climate change and protect its residents. These tools include the ability to adopt regulations, rules, and guidance that mitigate the impacts of climate change by reducing carbon pollution in the Commonwealth. The Governor and state agencies should not be limited in their ability to protect the environment and in turn, the citizens of the Commonwealth.

Furthermore, this prohibition would tie Virginia's hands in the global race to lead the clean energy economy and create the jobs that come with it. A Commonwealth with our resources and workforce should be on the leading edge of this promising sector, not erecting barriers to innovation and economic growth.

Finally, the legislative veto set out in House Bill 1270 violates two provisions of the Virginia Constitution: Article III, Section 1 (Separation of Powers) and Article IV, Section 11 (Enactment of Laws).

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 1568 (fifteen, sixty-eight) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 9, 2018

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1568, which transfers certain functions of the Department of Small Business and Supplier Diversity to another agency.

My administration worked with the bill patron during the session to address our concerns with House Bill 1568. While we made some progress, we did not resolve our concerns.

As I continue my term, I will review the performance of this and all of our executive branch agencies. As I said when I took office, I am committed to regulatory reform when appropriate, and I will be pleased to work with the bill patron and others on this very important matter.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

A BILL to amend and reenact §§ 24.2-418 and 24.2-422 of the Code of Virginia, relating to voter registration; applicant to provide certain contact information; notification of denial.

The House proceeded to reconsider the bill.

Delegate Orrock raised a point of order that the bill as sent to the Governor placed requirements on individuals who assisted voter registration applicants, but the Governor's recommendation removed all such references and put additional requirements on the applicant and would inquire as to whether the Governor's recommendation was germane.

The Speaker stated that the purpose of H.B. 1144 was to establish requirements that certain identifying information be provided by individuals assisting with voter registration.

The Speaker stated further that the Governor's substitute transferred the focus of the bill to the applicant and required that the applicant provide a telephone number and email address while prohibiting an application from being denied for failure to provide such information.

The Speaker stated further that the Governor's substitute added additional provisions relevant to the responsibilities of the general registrar.

The Speaker stated finally that the Governor's recommendation was not germane and the Chair would so rule.

The bill was returned to the Governor.

2. Fees imposed by this subsection and subsection A shall be collected by the clerk of the court and deposited into the state treasury as soon as practicable. Such fees shall then be deposited as follows: an amount equal to 50 percent of such fees shall be deposited into the fund established in § 33.2-2509 and an amount equal to 50 percent of such fees shall be deposited into the fund established pursuant to § 33.2-3401.

Clerk of the House of Delegates

THURSDAY, MAY 17, 2018

The following House bill, with a communication thereto, was vetoed by the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 17, 2018

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1595, which would restrict local authority and prohibit the adoption of local regulations governing combustible landscape cover materials.

Outlined in § 27-97 of the Code of Virginia, local governing bodies are authorized to adopt fire and life safety regulations that are more extensive in scope than the Statewide Fire Prevention Code.

House Bill 1595 is contrary to that long-standing principle in Virginia and prohibits a local governing body from adopting standards to protect structures and citizens from fires involving combustible landscape materials.

Fire departments across Virginia have experienced many substantial fires in recent years caused by combustible ground cover. Our local governments must have the necessary tools to address these fire hazards, and this legislation hinders their ability to protect the life safety of the citizens of the Commonwealth.

During the Reconvened Session, I offered an amendment to address the fire and life safety concerns expressed by Virginia's fire service. That amendment would have narrowed the scope of the bill and provided a higher-level fire protection for residential structures. That amendment was rejected.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

The following Senate bill was vetoed by the Governor:

S.B. 972. Relating to vested rights; existing landscape cover materials. Chief Patron: Obenshain.
Vetoed May 17, 2018.

Speaker of the House of Delegates

Clerk of the House of Delegates

FRIDAY, MAY 18, 2018

The following House bills, with communications thereto, were vetoed by the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 18, 2018

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1144. This bill would have required a person who assists an applicant with a voter registration application or collects the completed applications to provide his name, telephone number and name of the group or organization with which he is affiliated.

Virginia law already requires the individual or group assisting applicants with voter registrations to provide the applicant a receipt with their name and contact information. Including this individual's information on the actual voter registration application is unnecessary. If this contact information is missing from the application, it potentially could lead to denied or delayed applications. An eligible voter's right to vote should not be challenged because the application did not include contact information for the volunteer who assisted them.

This legislation places an unnecessary burden on those facilitating or participating in voter registration drives and could result in denied or delayed voter registration applications for eligible voters.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 18, 2018

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1598, which would establish criteria in the Code of Virginia by which congressional and state legislative districts must be drawn.

While I support codifying criteria that would be followed when drawing legislative districts, this legislation excludes criteria that are essential to fair electoral maps. Any criteria for redistricting must prohibit districts from being drawn to restrict or deny the ability of any racial or ethnic minority to participate in the political process and elect a preferred candidate. I believe the criteria should also prohibit districts that favor or disfavor any political party, incumbent legislator, member of Congress or individual or entity.

This legislation does not go far enough in establishing criteria that would ensure a fair electoral process for Virginia citizens.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

The following Senate bills were vetoed by the Governor:

- S.B. 106. Relating to standards and criteria for congressional and state legislative districts. Chief Patron: Suetterlein. Vetoed May 18, 2018.
- S.B. 834. Relating to voter registration list maintenance; voters identified as registered in multiple states. Chief Patron: Chafin. Vetoed May 18, 2018.

- S.B. 844. Relating to individual health insurance coverage; short-term policies. Chief Patron: Dunnivant. Vetoed May 18, 2018.
- S.B. 934. Relating to the formation of a benefits consortium by a sponsoring association. Chief Patron: Dunnivant. Vetoed May 18, 2018.
- S.B. 935. Relating to group health benefit plans; sponsoring associations. Chief Patron: Dunnivant. Vetoed May 18, 2018.
- S.B. 964. Relating to health insurance; catastrophic plans. Chief Patron: Sturtevant. Vetoed May 18, 2018.

Pursuant to Section 6 of Article V of the Constitution, the Governor approved and signed the following bills on May 18, 2018, which were assigned chapter numbers for the 2018 Regular Session Acts of Assembly:

Introduction to Indexes of the Journal of the House of Delegates

The Journal of the House of Delegates is a compilation of proceedings and information related to a specific session of the General Assembly, focusing on items relevant to introduced legislation and actions by members of the House of Delegates, the legislature and the Governor. The **Subject Index** offers page number references for easy access to motions and requests on specific legislative items including those directly attributable to a Delegate. The "Bills and Resolutions" category provides a breakdown of Journal day entries that encompasses the legislative process from introduction to enactment. The "Motions and Requests" category is a breakdown of every motion made by a member or every request for action allowed pursuant to member privilege. Parliamentary inquiries and points of order are set out in the Subject Index under those specific categories and noted by member. The Speaker's statements and rulings are found under "Speaker of the House of Delegates [M. Kirkland Cox]."

The **Numerical Index** is a list of bills and resolutions in numerical order with entries that provides Journal page number references to specific legislative actions that occurred on the House floor. This Index is useful in tracking an identified piece of legislation from introduction to final disposition.
