**Explanation:**
(This amendment provides $87,500 from the general fund and $262,500 from federal Medicaid matching funds to support the All Payer Claims Database (APCD). This amendment allows the Department of Medical Assistance Services (DMAS) to access enhanced federal funding to support its use of the APCD. Medicaid can use enhanced federal funding at a 75 percent federal matching rate to support the maintenance and operations of the APCD. At least seven other states (Oregon, Florida, New York, Colorado, Rhode Island, Utah and New Hampshire) currently pay for a portion of the maintenance and operations of their APCD using Medicaid enhanced federal funding. Furthermore, the Centers for Medicare and Medicaid Services (CMS) has confirmed that this type of funding can be available to Virginia's APCD if DMAS submits and CMS approves an Operational Advanced Planning Document (O-APD) for the project and payments. This amount is proportional to the volume of APCD claims that are associated with Virginia Medicaid members.)

The Department of Behavioral Health and Developmental Services, in consultation with the Department of Medical Assistance Services, shall submit a letter to the Secretary of Health and Human Resources and the Chairmen of the House Appropriations and Senate Finance Committees by April 15, 2019, and quarterly thereafter, that reports on: (i) the state general fund reductions taken by each Community Services Board (CSB) or Behavioral Health Authority (BHA) in fiscal year (FY) 2020 in anticipation of projected savings from the expansion of Medicaid eligibility to existing CSB clients who were previously uninsured; (ii) the actual Medicaid-generated reimbursements realized by each CSB/BHA in FY 2019 as a result of the expansion of
Medicaid eligibility to existing CSB clients who were previously uninsured; (iii) the state general fund reductions to be taken by each CSB/BHA in FY 2020 in anticipation of projected savings from the expansion of Medicaid eligibility; and (iv) the amount of Medicaid reimbursements that each CSB/BHA would have to achieve in order to meet the anticipated general fund savings/budget reductions in FY 2020, as well as any actions the Department proposes to take to address any shortfalls and to ensure continuity in the provision of services. The Department of Medical Assistance Services shall require the managed care organizations to report encounter data impacting Community Services Boards on a monthly basis, with the data submitted no later than 20 days after the end of each month in order to determine the revenue impact to fulfill the intent of this paragraph.

Explanation:
(This amendment modifies language in the introduced budget which allows the Department of Behavioral Health and Developmental Services to provide funding from special fund balances at the end of the fiscal year to CSBs in circumstances where a CSB's additional FY 2019 Medicaid reimbursements do not reach at least 90 percent of the general fund reductions assumed in Chapter 2 for FY 2020. Language allows that assistance to be provided prior to the end of the fiscal year so that the provision of critical services is not disrupted. The amendment also clarifies that assistance may be provided to an individual CSB rather than requiring that Medicaid reimbursements to all CSBs fall short of GF reductions before assistance may be provided. The amendment requires the department to report to the Secretary of Finance and the Chairmen of the House Appropriations and Senate Finance Committees on how the expected general fund savings compare to actual Medicaid payments for FY 2019 so that the expected general fund savings in FY 2020 may be adjusted in amendments to the biennial budget during the 2020 Session of the General Assembly, if necessary.)

15. Fifteen thousand dollars of military basic pay for military service personnel on extended active duty for periods in excess of 90 days; however, the subtraction amount shall be reduced dollar-for-dollar by the amount by which the taxpayer's military basic pay exceeds $15,000 and shall be reduced to zero if such military basic pay amount is equal to or exceeds $30,000.

16. The first $15,000 of salary for each federal and state employee whose total annual salary from all employment for the taxable year is $15,000 or less.

This subtraction shall not apply to assets acquired with such items of income or with the proceeds from the sale of assets stolen from, hidden from, or otherwise lost to, during World War II and its prelude and direct aftermath, a victim or target of Nazi persecution. The provisions of this subdivision shall only apply to an individual who was the first recipient of such items of income and who was a victim or target of Nazi persecution, or a spouse, widow, widower, or child or stepchild of such victim.

21. The death benefit payments from an annuity contract that are received by a beneficiary of such contract, provided that (i) the death benefit payment is made pursuant to an annuity contract with an insurance company and (ii) the death benefit payment is paid solely by lump sum. Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any subtraction taken under this subdivision shall be subject to recapture in the taxable year or years in which moneys or funds withdrawn from the first-time home buyer savings account were used for any purpose other than the payment of eligible costs by or on behalf of a qualified beneficiary, as provided under § 55-558. The amount subject to recapture shall be a portion of the amount withdrawn in the taxable year that was used for other than the payment of eligible costs, computed by multiplying the amount withdrawn and used for other than the payment of eligible costs by the ratio of the aggregate earnings in the account at the time of the withdrawal to the total balance in the account at such time.

However, recapture shall not apply to the extent of moneys or funds withdrawn that were (i) withdrawn by reason of the qualified beneficiary's death or disability; (ii) a disbursement of assets of the account pursuant to a filing for protection under the United States Bankruptcy Code, 11 U.S.C. §§ 101 through 1330; or (iii) transferred from an account established pursuant to Chapter 32 (§ 55-555 et seq.) of Title 55 into another account established pursuant to such chapter for the benefit of another qualified beneficiary.

1. a. The amount allowable for itemized deductions for federal income tax purposes where the taxpayer has elected for the taxable year to itemize deductions on his federal return, but reduced by the amount of income taxes imposed by the Commonwealth or any other taxing jurisdiction and deducted on such federal return and increased by an amount that, when added to the amount deducted under § 170 of the Internal Revenue Code for mileage, results in a mileage deduction at the state level for such purposes at a rate of 18 cents per mile; or

b. Three thousand dollars for single individuals and $6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return), provided that the taxpayer has not itemized deductions for the taxable year on his federal income tax return:

i. For taxable years beginning before January 1, 2019, and on and after January 1, 2026, $3,000 for single individuals and $6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return) and

For purposes of this section, any person who may be claimed as a dependent on another taxpayer's return for the taxable year may compute the deduction only with respect to earned income.

2. a. A deduction in the amount of $930 for each personal exemption allowable to the taxpayer for federal income tax purposes.
b. Each blind or aged taxpayer as defined under § 63(f) of the Internal Revenue Code shall be entitled to an additional personal exemption in the amount of $800. The additional deduction for blind or aged taxpayers allowed under this subdivision shall be allowable regardless of whether the taxpayer itemizes deductions for the taxable year for federal income tax purposes.

3. A deduction equal to the amount of employment-related expenses upon which the federal credit is based under § 21 of the Internal Revenue Code for expenses for household and dependent care services necessary for gainful employment.

4. An additional $1,000 deduction for each child residing for the entire taxable year in a home under permanent foster care placement as defined in § 63.2-908, provided that the taxpayer can also claim the child as a personal exemption under § 151 of the Internal Revenue Code.

5. a. A deduction in the amount of $12,000 for individuals born on or before January 1, 1939.
b. A deduction in the amount of $12,000 for individuals born after January 1, 1939, who have attained the age of 65. This deduction shall be reduced by $1 for every $1 that the taxpayer's adjusted federal adjusted gross income exceeds $50,000 for single taxpayers or $75,000 for married taxpayers. For married taxpayers filing separately, the deduction shall be reduced by $1 for every $1 that the total combined adjusted federal adjusted gross income of both spouses exceeds $75,000.

Except as provided in subdivision b, the amount deducted on any individual income tax return in any taxable year shall be limited to $4,000 per prepaid tuition contract or college savings trust account. No deduction shall be allowed pursuant to this subdivision 7 if such payments or contributions are deducted on the purchaser's or contributor's federal income tax return. If the purchase price or annual contribution to a college savings trust account exceeds $4,000, the remainder may be carried forward and subtracted in future taxable years until the purchase price or college savings trust contribution has been fully deducted; however, except as provided in subdivision b, in no event shall the amount deducted in any taxable year exceed $4,000 per contract or college savings trust account. Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any deduction taken hereunder shall be subject to recapture in the taxable year or years in which distributions or refunds are made for any reason other than (i) to pay qualified higher education expenses, as defined in § 529 of the Internal Revenue Code or (ii) the beneficiary's death, disability, or receipt of a scholarship. For the purposes of this subdivision, "purchaser" or "contributor" means the person shown as such on the records of the Virginia College Savings Plan as of December 31 of the taxable year. A. For purposes of this article, Virginia taxable income for a taxable year means the federal taxable income and any other income taxable to the corporation under federal law for such year of a corporation adjusted as provided in subsections B, C, D, and E.
For a regulated investment company and a real estate investment trust, such term means the "investment company taxable income" and "real estate investment trust taxable income," respectively, to which shall be added in each case any amount of capital gains and any other income taxable to the corporation under federal law which shall be further adjusted as provided in subsections B, C, D, and E.
B. There shall be added to the extent excluded from federal taxable income:
1. Interest, less related expenses to the extent not deducted in determining federal taxable income, on obligations of any state other than Virginia, or of a political subdivision of any such other state unless created by compact or agreement to which the Commonwealth is a party;
2. Interest or dividends, less related expenses to the extent not deducted in determining federal taxable income, on obligations or securities of any authority, commission or instrumentality of the United States, which the laws of the United States exempt from federal income tax but not from state income taxes;
3. [Repealed.]
4. The amount of any net income taxes and other taxes, including franchise and excise taxes, which are based on, measured by, or computed with reference to net income, imposed by the Commonwealth or any other taxing jurisdiction, to the extent deducted in determining federal taxable income;
5. Unrelated business taxable income as defined by § 512 of the Internal Revenue Code;

6. [Repealed.]

7. The amount required to be included in income for the purpose of computing the partial tax on an accumulation distribution pursuant to § 667 of the Internal Revenue Code;

8. a. For taxable years beginning on and after January 1, 2004, the amount of any intangible expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with one or more related members to the extent such expenses and costs were deductible or deducted in computing federal taxable income for Virginia purposes. This addition shall not be required for any portion of the intangible expenses and costs if one of the following applies:

(1) The corresponding item of income received by the related member is subject to a tax based on or measured by net income or capital imposed by Virginia, another state, or a foreign government that has entered into a comprehensive tax treaty with the United States government;

(2) The related member derives at least one-third of its gross revenues from the licensing of intangible property to parties who are not related members, and the transaction giving rise to the expenses and costs between the corporation and the related member was made at rates and terms comparable to the rates and terms of agreements that the related member has entered into with parties who are not related members for the licensing of intangible property; or

(3) The corporation can establish to the satisfaction of the Tax Commissioner that the intangible expenses and costs meet both of the following: (i) the related member during the same taxable year directly or indirectly paid, accrued or incurred such portion to a person who is not a related member, and (ii) the transaction giving rise to the intangible expenses and costs between the corporation and the related member did not have as a principal purpose the avoidance of any portion of the tax due under this chapter.

b. A corporation required to add to its federal taxable income intangible expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of intangible expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such intangible expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

c. Nothing in subdivision B 8 shall be construed to limit or negate the Department's authority under § 58.1-446;

9. a. For taxable years beginning on and after January 1, 2004, the amount of any interest expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with one or more related members to the extent such expenses and costs were deductible or deducted in computing federal taxable income for Virginia purposes. This addition shall not be required for any portion of the interest expenses and costs, if:
§ 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of taxation and payments between the parties were made at arm's length rates and terms; and

(4) One of the following applies:

b. A corporation required to add to its federal taxable income interest expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

"16. That §§ 18.2-250.1, 18.2-251, 19.2-392.2, 19.2-392.3, and 19.2-392.4 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding sections numbered 18.2-251.04 and 19.2-387.3 as follows:
§18.2-250.1. Possession of marijuana unlawful.
A. It is unlawful for any person knowingly or intentionally to possess marijuana unless the substance was obtained directly from, or pursuant to, a valid prescription or order of a practitioner while acting in the course of his professional practice, or except as otherwise authorized by the Drug Control Act (§ 54.1-3400 et seq.). Upon the prosecution of a person for violation of this section, ownership or occupancy of the premises or vehicle upon or in which marijuana was found shall not create a presumption that such person either knowingly or intentionally possessed such marijuana.
Any person who violates this section is guilty of a misdemeanor and shall be fined not more than $500, either or both; any person, upon a second or subsequent conviction of a violation of this section, is guilty of a Class 1 misdemeanor. A charge of a violation of this section that has been expunged under subdivision A 4 of § 19.2-392.2 shall be deemed a conviction for purposes of prosecuting a person for a second or subsequent violation of this section.
B. The provisions of this section shall not apply to members of state, federal, county, city, or town law-enforcement agencies, jail officers, or correctional officers, as defined in § 53.1-1, certified as handlers of dogs trained in the detection of controlled substances when possession of marijuana is necessary for the performance of their duties.
C. In any prosecution under this section involving marijuana in the form of cannabidiol oil or THC-A oil as those terms are defined in §54.1-3408.3, it shall be an affirmative defense that the individual possessed such oil pursuant to a valid written certification issued by a practitioner in the course of his professional practice pursuant to § 54.1-3408.3 for treatment or to alleviate the symptoms of (i) the individual's intractable epilepsy or (ii) if such individual is the parent or legal guardian of a minor or of an incapacitated adult as defined in § 18.2-369, such minor's or incapacitated adult's intractable epilepsy. If the individual files the valid written certification with the court at least 10 days prior to trial and causes a copy of such written certification to be delivered to the attorney for the Commonwealth, such written certification shall be prima facie evidence that such oil was possessed pursuant to a valid written certification.
§18.2-251. Persons charged with first offense may be placed on probation; conditions; substance abuse screening, assessment treatment and education programs or services; drug tests; costs and fees; violations; discharge.
Whenever any person who has not previously been convicted of any offense under this article or under any statute of the United States or of any state relating to narcotic drugs, marijuana, or stimulant, depressant, or hallucinogenic drugs, or has not previously had a proceeding against him for violation of such an offense dismissed as provided in this section or expunged under subdivision A 4 of § 19.2-392.2, pleads guilty to or enters a plea of not guilty to possession of a controlled substance under § 18.2-250 or to possession of marijuana under § 18.2-250.1, the court, upon such plea if the facts found by the court would justify a finding of guilt, without entering a judgment of guilt and with the consent of the accused, may defer further proceedings and place him on probation upon terms and conditions. Prior to deferring the proceedings under this section and at the time that the case is heard, the attorney for the Commonwealth or law-enforcement officer shall provide to the court, and the court shall review, the criminal history record and any records maintained by the Department of State Police pursuant to § 19.2-387.3 to ensure that the person is eligible for such deferral. The court shall not retain in the case file any such records provided to the court.
Wednesday, February 13, 2019  -980-   Journal of the House of Delegates

As a term or condition, the court shall require the accused to undergo a substance abuse assessment pursuant to § 18.2-251.01 or 19.2-299.2, as appropriate, and enter treatment and/or education program or services, if available, such as, in the opinion of the court, may be best suited to the needs of the accused based upon consideration of the substance abuse assessment. The program or services may be located in the judicial district in which the charge is brought or in any other judicial district as the court may provide. The services shall be provided by (i) a program licensed by the Department of Behavioral Health and Developmental Services, by a similar program which is made available through the Department of Corrections, (ii) a local community-based probation services agency established pursuant to § 9.1-174, or (iii) an ASAP program certified by the Commission on VASAP.

The court shall require the person entering such program under the provisions of this section to pay all or part of the costs of the program, including the costs of the screening, assessment, testing, and treatment, based upon the accused's ability to pay unless the person is determined by the court to be indigent.

As a condition of probation, the court shall require the accused (a) to successfully complete treatment or education program or services, (b) to remain drug and alcohol free during the period of probation and submit to such tests during that period as may be necessary and appropriate to determine if the accused is drug and alcohol free, (c) to make reasonable efforts to secure and maintain employment, and (d) to comply with a plan of at least 100 hours of community service for a felony and up to 24 hours of community service for a misdemeanor. In addition to any community service required by the court pursuant to clause (d), if the court does not suspend or revoke the accused's license as a term or condition of probation for a violation of § 18.2-250.1, the court shall require the accused to comply with a plan of 50 hours of community service. Such testing shall be conducted by personnel of the supervising probation agency or personnel of any program or agency approved by the supervising probation agency.

The court shall, unless done at arrest, order the accused to report to the original arresting law-enforcement agency to submit to fingerprinting.

Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge the person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without adjudication of guilt and is a conviction only for the purposes of applying this section in subsequent proceedings.

Notwithstanding any other provision of this section, whenever a court places an individual on probation upon terms and conditions pursuant to this section, such action shall be treated as a conviction for purposes of §§ 18.2-259.1, 22.1-315, and 46.2-390.1, and the driver's license forfeiture provisions of those sections shall be imposed. However, if the court places an individual on probation upon terms and conditions for a violation of § 18.2-250.1, such action shall not be treated as a conviction for purposes of § 18.2-259.1 or 46.2-390.1, provided that a court (1) may suspend or revoke an individual's driver's license as a term or condition of probation and (2) shall suspend or revoke an individual's driver's license as a term or condition of probation for a period of six months if the violation of § 18.2-250.1 was committed while such person was in operation of a motor vehicle. The provisions of this paragraph shall not be applicable to any offense for which a juvenile has had his license suspended or denied pursuant to § 16.1-278.9 for the same offense.

There is hereby created in the state treasury a special nonreverting fund to be known as the Heroin and Prescription Opioid Epidemic Fund, referred to in this section as "the Fund." The Fund shall be established on the books of the Comptroller. All moneys received from fees imposed under subsection L of § 19.2-392.2 on orders of expungement entered under subdivision A 4 of § 19.2-392.2 shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year that are not appropriated by the General Assembly shall not revert to the general fund but shall remain in the Fund. All moneys in the Fund shall be subject to annual appropriation by the General Assembly to the Department of Behavioral Health and Developmental Services to be used solely for prevention, treatment, and recovery services relating to the use of heroin and prescription opioid drugs. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Director of the Department of Behavioral Health and Developmental Services.

§19.2-387.3. Possession of Marijuana Database.

A. The Department of State Police shall keep and maintain a computerized database of charges of violations of § 18.2-250.1 that have been expunged under subdivision A 4 of § 19.2-392.2 separate and apart from all other records maintained by the Department. The Department of State Police shall make database information available, upon request, to criminal justice agencies, including local law-enforcement agencies and the attorney for the Commonwealth, through the Virginia Criminal Information Network. Database information
provided under this section shall be used only for the purposes of the administration of criminal justice. Information in the database may be provided to the defendant for the purposes of determining eligibility for a deferred disposition as provided in § 18.2-251. Information contained in the database shall not constitute a criminal record except as otherwise specified in the Code.

B. Use of the information contained in the database or received from the database for purposes not authorized by this section is prohibited, and a willful violation of this section with the intent to harass or intimidate another shall be punished as a Class 1 misdemeanor.

C. No liability shall be imposed upon any law-enforcement official or attorney for the Commonwealth who disseminates information or fails to disseminate information in good faith compliance with the requirements of this section, but this provision shall not be construed to grant immunity for gross negligence or willful misconduct.

D. Any record, including records maintained by electronic media, by photographic processes, or paper, in the office of the Department shall be admissible in evidence in any proceeding under §§ 18.2-250.1, 18.2-251, and 19.2-392.2. A copy, a machine-produced transcript, or a photograph of the record or paper attested by the Superintendent or his designee may be admitted as evidence in lieu of the original. In any case in which the records are transmitted by electronic means, a machine imprint of the Superintendent's name purporting to authenticate the record shall be the equivalent of attestation or certification by the Superintendent. Any copy, transcript, photograph, or certification purporting to be sealed or sealed and signed by the Superintendent or his designee or imprinted with the Superintendent's name may be admitted as evidence without any proof of the seal or signature or of the official character of the person whose name is signed thereto. If an issue as to the authenticity of any information transmitted by electronic means is raised, the court shall require that a record attested by the Superintendent or his designee be submitted for admission into evidence.

§19.2-392.2. Expungement of police and court records.

A. If a person is charged with the commission of a crime or any offense defined in Title 18.2, and he may file a petition setting forth the relevant facts and requesting expungement of the police records and court records relating to the charge if:

1. Is Such person is acquitted, or;
2. A nolle prosequi is taken or the record attested by the Superintendent or his designee be submitted for admission into evidence.
3. The charge is otherwise dismissed, including dismissal by accord and satisfaction pursuant to § 19.2-151, he may file a petition setting forth the relevant facts and requesting expungement of the police records and the court records relating to the charge; or
4. The charge is for a first offense violation of § 18.2-250.1 and is deferred and dismissed pursuant to the provisions of § 18.2-251.

B. If any person whose name or other identification has been used without his consent or authorization by another person who has been charged or arrested using such name or identification, he may file a petition with the court disposing of the charge for relief pursuant to this section. Such person shall not be required to pay any fees for the filing of a petition under this subsection. A petition filed under this subsection shall include one complete set of the petitioner's fingerprints obtained from a law-enforcement agency.

C. The petition with a copy of the warrant or indictment if reasonably available shall be filed in the circuit court of the county or city in which the case was disposed of by acquittal or being otherwise dismissed and shall contain, except where not reasonably available, the date of arrest and the name of the arresting agency. Where this information is not reasonably available, the petition shall state the reason for such unavailability. The petition shall further state the specific criminal charge to be expunged, the date of final disposition of the charge as set forth in the petition, the petitioner's date of birth, and the full name used by the petitioner at the time of arrest.

D. A copy of the petition shall be served on the attorney for the Commonwealth of the city or county in which the petition is filed. The attorney for the Commonwealth may file an objection or answer to the petition or may give written notice to the court that he does not object to the petition within 21 days after it is served on him.

E. The petitioner shall obtain from a law-enforcement agency one complete set of the petitioner's fingerprints and shall provide that agency with a copy of the petition for expungement. The law-enforcement agency shall submit the set of fingerprints to the Central Criminal Records Exchange (CCRE) with a copy of the petition for expungement attached. The CCRE shall forward under seal to the court a copy of the petitioner's criminal history, a copy of the source documents that resulted in the CCRE entry that the petitioner wishes to expunge, and the set of fingerprints. Upon completion of the hearing, the court shall return the fingerprint card to the petitioner. If no hearing was conducted, upon the entry of an order of expungement or an order denying the petition for expungement, the court shall cause the fingerprint card to be destroyed unless, within 30 days of the date of the entry of the order, the petitioner requests the return of the fingerprint card in person from the clerk of the court or provides the clerk of the court a self-addressed, stamped envelope for the return of the fingerprint card.
F. After receiving the criminal history record information from the CCRE, the court shall conduct a hearing on the petition. If the court finds that the continued existence and possible dissemination of information relating to the arrest or charge of the petitioner causes or may cause circumstances which constitute a manifest injustice to the petitioner, it shall enter an order requiring the expungement of the police and court records, including electronic records, relating to the charge. Otherwise, it shall deny the petition. However, if the petitioner has no prior criminal record and the arrest or charge was for a misdemeanor violation, the petitioner shall be entitled, in the absence of good cause shown to the contrary by the Commonwealth, to expungement of the police and court records relating to the arrest or charge, and the court shall enter an order of expungement.

If the attorney for the Commonwealth of the county or city in which the petition is filed (i) gives written notice to the court pursuant to subsection D that he does not object to the petition and (ii) when the charge to be expunged is a felony, stipulates in such notice that the continued existence and possible dissemination of information relating to the arrest of the petitioner causes or may cause circumstances which constitute a manifest injustice to the petitioner, the court may enter an order of expungement without conducting a hearing.

G. The Commonwealth shall be made party defendant to the proceeding. Any party aggrieved by the decision of the court may appeal, as provided by law in civil cases.

H. Notwithstanding any other provision of this section, when the charge is dismissed because the court finds that the person arrested or charged is not the person named in the summons, warrant, indictment or presentment, the court dismissing the charge shall, upon motion of the person improperly arrested or charged, enter an order requiring expungement of the police and court records relating to the charge. Such order shall contain a statement that the dismissal and expungement are ordered pursuant to this subsection and shall be accompanied by the complete set of the petitioner's fingerprints filed with his petition. Upon the entry of such order, it shall be treated as provided in subsection K.

I. Notwithstanding any other provision of this section, when a person has been granted an absolute pardon for the commission of a crime that he did not commit, he may file in the circuit court of the county or city in which the conviction occurred a petition setting forth the relevant facts and requesting expungement of the police records and the court records relating to the charge and conviction, and the court shall enter an order requiring expungement of the police and court records relating to the charge and conviction. Such order shall contain a statement that the expungement is ordered pursuant to this subsection. Upon the entry of such order, it shall be treated as provided in subsection K.

J. Upon receiving a copy of a writ vacating a conviction pursuant to § 19.2-327.5 or 19.2-327.13, the court shall enter an order requiring expungement of the police and court records relating to the charge and conviction. Such order shall contain a statement that the expungement is ordered pursuant to this subsection. Upon the entry of such order, it shall be treated as provided in subsection K.

K. Upon the entry of an order of expungement, the clerk of the court shall cause a copy of such order to be forwarded to the Department of State Police, which shall, pursuant to rules and regulations adopted pursuant to § 9.1-134, direct the manner by which the appropriate expungement or removal of such records shall be effected.

K1. Except as otherwise specified in the Code, an order of expungement entered under subdivision A 4 does not constitute a criminal record and need not be reported by the person so arrested or charged in response to any inquiries about the person's criminal record, including any inquiries contained in any application for employment, license, or other right or privilege. Except as provided in § 19.2-387.3, all index references shall be deleted, and the court and law-enforcement officers and agencies shall reply and the person may reply to any inquiry that no record exists with respect to such person. Records relating to an order of expungement entered under subdivision A 4 shall be retained by the Department of State Police for the purposes specified in § 19.2-387.3.

L. Costs shall be as provided by § 17.1-275, but shall not be recoverable against the Commonwealth. If the court enters an order of expungement, the clerk of the court shall refund to the petitioner such costs paid by the petitioner. Costs shall not be refunded to the petitioner for an order of expungement entered under subdivision A 4. In addition to the costs provided by § 17.1-275, an additional $300 fee shall be assessed to the petitioner for an order of expungement entered under subdivision A 4, of which $150 shall be paid into the Heroin and Prescription Opioid Epidemic Fund established pursuant to § 18.2-251.04 and $150 shall be paid into the state treasury and credited to the Department of State Police.

M. Any order entered where (i) the court or parties failed to strictly comply with the procedures set forth in this section or (ii) the court enters an order of expungement contrary to law, shall be voidable upon motion and notice made within three years of the entry of such order.

§19.2-392.3. Disclosure of expunged records.

A. Subject to § 19.2-387.3, it shall be unlawful for any person having or acquiring access to an expunged court or police record to open or review it or to disclose to another person any information from it without an order from the court which ordered the record expunged.
B. Upon a verified petition filed by the attorney for the Commonwealth alleging that the record is needed by a law-enforcement agency for purposes of employment application as an employee of a law-enforcement agency or for a pending criminal investigation and that the investigation will be jeopardized or that life or property will be endangered without immediate access to the record, the court may enter an ex parte order, without notice to the person, permitting such access. An ex parte order may permit a review of the record, but may not permit a copy to be made of it.

C. Any person who willfully violates this section is guilty of a Class 1 misdemeanor.

§19.2-392.4. Prohibited practices by employers, educational institutions, agencies, etc., of state and local governments.
A. An employer or educational institution shall not, in any application, interview, or otherwise, require an applicant for employment or admission to disclose information concerning any arrest or criminal charge against him that has been expunged. An applicant need not, in answer to any question concerning any arrest or criminal charge that has not resulted in a conviction, include a reference to or information concerning arrests or charges that have been expunged.

B. Agencies, officials, and employees of the state and local governments shall not, in any application, interview, or otherwise, require an applicant for a license, permit, registration, or governmental service to disclose information concerning any arrest or criminal charge against him that has been expunged. An applicant need not, in answer to any question concerning any arrest or criminal charge that has not resulted in a conviction, include a reference to or information concerning arrests or charges that have been expunged. Such an application may not be denied solely because of the applicant's refusal to disclose information concerning any arrest or criminal charge against him that has been expunged.

C. A person who willfully violates this section is guilty of a Class 1 misdemeanor for each violation.

14. Discussion of strategy with respect to the negotiation of a hazardous waste siting agreement or to consider the terms, conditions, and provisions of a hazardous waste siting agreement if the governing body in open meeting finds that an open meeting will have an adverse effect upon the negotiating position of the governing body or the establishment of the terms, conditions and provisions of the siting agreement, or both. All discussions with the applicant or its representatives may be conducted in a closed meeting.

(4) Property owned by public libraries or by institutions of learning not conducted for profit, so long as such property is primarily used for literary, scientific, or educational purposes or purposes incidental thereto. This provision may also apply to leasehold interests in such property as may be provided by general law.
(5) Intangible personal property, or any class or classes thereof, as may be exempted in whole or in part by general law.

Any such motor vehicle owned by a married person may qualify if either spouse is a veteran who is one hundred percent disabled pursuant to this subdivision. This exemption shall be applicable on the date the motor vehicle is acquired or the effective date of this subdivision, whichever is later, but shall not be applicable for any period of time prior to the effective date.

(d) The General Assembly may define as a separate subject of taxation any property, including real or personal property, equipment, facilities, or devices, used primarily for the purpose of abating or preventing pollution of the atmosphere or waters of the Commonwealth or for the purpose of transferring or storing solar energy, and by general law may allow the governing body of any county, city, town, or regional government to exempt or partially exempt such property from taxation, or by general law may directly exempt or partially exempt such property from taxation.

(e) The General Assembly may define as a separate subject of taxation household goods, personal effects and tangible farm property and products, and by general law may allow the governing body of any county, city, town, or regional government to exempt or partially exempt such property from taxation, or by general law may directly exempt or partially exempt such property from taxation.

(f) Exemptions of property from taxation as established or authorized hereby shall be strictly construed; provided, however, that all property exempt from taxation on the effective date of this section shall continue to be exempt until otherwise provided by the General Assembly as herein set forth.

(g) The General Assembly may by general law authorize any county, city, town, or regional government to impose a service charge upon the owners of a class or classes of exempt property for services provided by such governments.

(h) The General Assembly may by general law authorize the governing body of any county, city, town, or regional government to provide for a partial exemption from local real property taxation, within such restrictions and upon such conditions as may be prescribed, (i) of real estate whose improvements, by virtue of age and use, have undergone substantial renovation, rehabilitation or replacement or (ii) of real estate with new structures and improvements in conservation, redevelopment, or rehabilitation areas.

(i) The General Assembly may by general law allow the governing body of any county, city, or town to exempt or partially exempt from taxation any generating equipment installed after December thirty-one, nineteen hundred seventy-four, for the purpose of converting from oil or natural gas to coal or to wood, wood bark, wood residue, or to any other alternate energy source for manufacturing, and any co-generation equipment installed since such date for use in manufacturing.

(j) The General Assembly may by general law allow the governing body of any county, city, or town to have the option to exempt or partially exempt from taxation any business, occupational or professional license or any merchants' capital, or both.

SENATE JOINT RESOLUTION NO. 306

Proposing an amendment to Section 6 of Article II of the Constitution of Virginia and proposing amendments to the Constitution of Virginia by adding in Article II sections numbered 6-A and 6-B, relating to apportionment; state and local independent redistricting commissions; criteria.

RESOLVED by the Senate, the House of Delegates concurring, a majority of the members elected to each house agreeing, That the following amendments to the Constitution of Virginia be, and the same hereby are, proposed and referred to the General Assembly at its first regular session held after the next general election of members of the House of Delegates for its concurrence in conformity with the provisions of Section 1 of Article XII of the Constitution of Virginia, namely:

Amend Section 6 of Article II of the Constitution of Virginia and amend the Constitution of Virginia by adding in Article II sections numbered 6-A and 6-B as follows:

ARTICLE II
FRANCHISE AND OFFICERS

Section 6. Apportionment.

(a) Members of the House of Representatives of the United States and members of the Senate and of the House of Delegates of the General Assembly shall be elected from electoral districts established by the General Assembly pursuant to Section 6-A of this Constitution. The Commonwealth shall be reapportioned into electoral districts in accordance with this section and Section 6-A in the year 2021 and every ten years thereafter. Every electoral district shall be composed of contiguous and compact territory and shall be so constituted as to give, as nearly as is practicable, representation in proportion to the population of the district. The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter constituted so as to adhere to the following standards and criteria:

1. Districts shall be established on the basis of population. Senate and House of Delegates districts, respectively, shall each have a population that is as substantially equal to the population of every other such district as practicable. Congressional districts shall have populations that are as nearly equal as practicable. The Commission shall be guided by the most recent federal and state judicial decisions defining standards for equal population for the respective districts, including permissible deviations from the ideal population if the deviation is necessary in order to achieve some other legitimate districting criteria.

2. Districts shall be drawn in accordance with the requirements of federal and state laws, and judicial decisions interpreting such laws, that address racial and ethnic fairness, including the Equal Protection Clause of the Constitution of the United States and the provisions of the federal Voting Rights Act of 1965, as amended.

3. Existing political boundaries shall be respected to the maximum extent possible. Political boundaries shall include the boundaries of counties, cities, towns, townships, municipal councilmanic districts, and voting precincts. If a departure from existing political boundaries is necessary in order to comply with other districting criteria, the district lines shall be drawn utilizing clearly observable physical boundaries. A "clearly observable physical boundary" shall include (i) any named road or street; (ii) any road or highway that is a part of the federal, primary state, or secondary state highway system; (iii) any river, stream, or drainage feature shown as a polygon boundary on the TIGER/Line Files of the United States Bureau of the Census; or (iv) any other natural or constructed or erected permanent physical feature that is shown on an official map issued by the Virginia Department of Transportation, on a United States Geological Survey topographical map, or as a polygon
boundary on the TIGER/Line Files of the United States Bureau of the Census. No property line or subdivision boundary shall be deemed to be a clearly observable physical boundary unless it is marked by a permanent physical feature that is shown on an official map issued by the Virginia Department of Transportation, on a United States Geological Survey topographical map, or as a polygon boundary on the TIGER/Line Files of the United States Bureau of the Census.

(4) Each district shall be composed of contiguous territory. Districts divided by water shall be deemed contiguous if a common means of transport, such as a bridge or ferry, connects the two parts of the district or, if the water were to be removed, the land on one side of the district would be contiguous with the land on the other side of the district. Connections by water running downstream or upriver are not permissible.

(5) Each district shall be composed of compact territory. Districts shall not be oddly shaped or have irregular or contorted boundaries, unless justified because the district adheres to political boundary lines. Fingers or tendrils extending from a district core shall be avoided, as shall thin and elongated districts and districts with multiple core populations connected by thin strips of land or water. The Commission shall employ one or more standard numerical measures of individual and average district compactness to provide an objective assessment of a districting plan’s compactness, both statewide and district by district.

(6) Consideration may be given to communities of interest by creating districts that do not carve up homogeneous neighborhoods or separate groups of people living in an area with similar interests or needs in transportation, employment, or culture.

(7) Every effort possible shall be made to preserve the political parity between the two political parties receiving the highest and next highest number of votes in the immediately preceding gubernatorial election.

(b) Any such decennial reapportionment law shall take effect immediately and not be subject to the limitations contained in Article IV, Section 13, of this Constitution.

(c) The districts delineated in the decennial reapportionment law shall be implemented for the November general election for the United States House of Representatives, Senate, or House of Delegates, respectively, that is held immediately prior to the expiration of the term being served in the year that the reapportionment law is required to be enacted. A member in office at the time that a decennial redistricting law is enacted shall complete his term of office and shall continue to represent the district from which he was elected for the duration of such term of office so long as he does not move his residence from the district from which he was elected. Any vacancy occurring during such term shall be filled from the same district that elected the member whose vacancy is being filled.

Section 6-A. Virginia Independent Redistricting Commission.

(a) In the year 2020 and every ten years thereafter, the Virginia Independent Redistricting Commission (the Commission) shall be convened for the purpose of proposing districts for the United States House of Representatives and for the Senate and the House of Delegates of the General Assembly pursuant to Article II, Section 6 of this Constitution.

(b) The Commission shall consist of twelve commissioners who shall be selected in accordance with the provisions of this subsection and in the manner determined by the General Assembly by general law. Commissioners shall be appointed not later than the first day of February of the year following the decennial census. Members and employees of the Congress of the United States or of the General Assembly shall be ineligible to serve as commissioners.

(1) Four commissioners shall be appointed by the Speaker of the House of Delegates, with equal representation given to the two political parties receiving the highest and next highest number of votes for governor at the immediately preceding gubernatorial election.

(2) Four commissioners shall be appointed by the Senate Committee on Rules, with equal representation given to the two political parties receiving the highest and next highest number of votes for governor at the immediately preceding gubernatorial election.

(3) Four commissioners shall be appointed by the Governor, with equal representation given to the two political parties receiving the highest and next highest number of votes for governor at the immediately preceding gubernatorial election.

(c) The Commission shall submit to the General Assembly one or more proposed plans for districts for members of the United States House of Representatives and the Senate and the House of Delegates of the General Assembly within forty-five days of receipt of the official decennial census data or by the first day of June of that year, whichever occurs later.

(1) To be submitted as a proposed plan for districts for members of the United States House of Representatives, a plan shall receive affirmative votes of at least eight of the twelve commissioners. Such plan shall be introduced as a bill in each house and the General Assembly shall take a vote on any such bill in accordance with the provisions of Article IV, Section 11 of this Constitution, except that no amendments shall be permitted. The bill shall not be subject to the provisions contained in Article V, Section 6 of this Constitution.
(2) To be submitted as a proposed plan for districts for members of the Senate, a plan shall receive affirmative votes of at least three of the four commissioners appointed by the Senate Committee on Rules. Such plan shall be introduced as a bill in the Senate and the Senate shall take a vote on any such bill in accordance with the provisions of Article IV, Section 11 of this Constitution, except that no amendments shall be permitted. The concurrence of the House of Delegates shall not be required and the bill shall not be subject to the provisions contained in Article V, Section 6 of this Constitution.

(3) To be submitted as a proposed plan for districts for members of the House of Delegates, a plan shall receive affirmative votes of at least three of the four commissioners appointed by the Speaker of the House of Delegates. Such plan shall be introduced as a bill in the House of Delegates and the House of Delegates shall take a vote on any such bill in accordance with the provisions of Article IV, Section 11 of this Constitution, except that no amendments shall be permitted. The concurrence of the Senate shall not be required and the bill shall not be subject to the provisions contained in Article V, Section 6 of this Constitution.

d) If a plan is rejected by the General Assembly or either house of the General Assembly, the Commission shall submit a new plan to the General Assembly or respective body within thirty days of the rejection. If such plan is rejected by the General Assembly or respective body, the districts shall be established by the Supreme Court of Virginia.

Section 6-B. Local independent redistricting commissions.

The governing body of each county, city, and town in which members of the governing body are elected from districts shall establish in the year following the decennial census a local independent redistricting commission for the purpose of proposing electoral districts for members of the governing body.

Commissioners shall be appointed not later than the first day of February of that year by the governing body. The governing body shall appoint four commissioners, with equal representation given to the political parties having the highest and next highest number of votes in the Commonwealth for governor at the last preceding gubernatorial election. Members and employees of the governing body shall be ineligible to serve as a commissioner.

The commission shall submit to the governing body one or more proposed plans for electoral districts for members of the governing body within sixty days of receipt of the official decennial census data or by the first day of July of that year, whichever occurs later. To be submitted as a proposed plan, a plan shall receive affirmative votes of at least three of the four commissioners.

Any proposed plan submitted to the governing body shall be introduced as an ordinance and, if enacted, shall be done so in accordance with law.

"A. Any fund balances currently held in the Dedicated Special Revenue Fund (0900), the Common Interest Community Management Information Fund (0259) and the Special Revenue Fund (0200) shall be held in reserve and may not be dispersed by the Department of Professional and Occupational Regulation, but shall be applied to offset the anticipated, future costs of restructuring its organization, including additional staffing needs and the replacement or upgrade of the Department's information technology systems requirements as listed in (B) and (C) of this item. Such reserve funds shall be dispersed only to cover expenses of the Department or its regulatory boards as provided in § 54.1-308.

B.1. The Department of Professional and Occupational Regulation shall conduct a comprehensive assessment of its staffing needs and organizational structure to improve its performance, increase efficiency and effectively conduct its responsibilities and obligations.

2. The purpose of the assessment is to ensure that the department has sufficient staffing resources to (i) meet performance goals for processing transactions and handling customer inquiries and (ii) perform employment verifications and on-site audits recommended by JLARC. If the assessment finds additional positions are needed, DPOR should evaluate whether existing part-time positions should be converted to full-time positions and if existing positions elsewhere in the department can be reallocated.
3. During its comprehensive assessment the Department shall: (i) consider establishing one or more positions vested with the following agency-wide duties: (a) coordinate and assist in the development of agency regulations; (b) coordinate agency legislative efforts; (c) lead agency communications with external parties; and (d) serve as staff to the Board for Professional and Occupational Regulation; (ii) rank all vacant positions based on how critical they are to the department's ability to fulfill its responsibilities in order to enable its human resources staff to use the rankings to prioritize the advertising and filling of positions, using hiring processes that reflect best practices; and, (iii) consider reassignment to other divisions the following functions that are currently assigned to the licensing division: (a) handling Freedom of Information Act requests; (b) scanning documents; (c) managing policies and procedures; (d) evaluating business processes; and (e) agency-wide training.

4. The assessment should be submitted to the Department of Planning and Budget and the Chairmen of the House Appropriations Committee and Senate Finance Committee along with the agency's estimated funding needs by November 1, 2019.

C.1. In consultation and cooperation with the Virginia Information Technologies Agency (VITA) and the Commonwealth's Chief Data Officer, the Department of Professional and Occupational Regulation shall develop a plan to replace or upgrade the current information technology system, including the licensing system, utilized by the Department. At a minimum, the new or improved information technology system should have the capacity to do the following: (i) accept and process applications and payments online; (ii) improve the ease of online renewals; and (iii) integrate licensing data with enforcement case management data. The plan should identify the expected staffing needs during and after the system upgrade or replacement project, how staffing needs will be met, and the cost of the proposed upgrade or project.

2. When developing the plan to replace or upgrade the current information technology system, including the licensing system, the Department of Professional and Occupational Regulation shall consider the transfer of information technology-related responsibilities for its licensing system and technical aspects of website management, records management, and electronic forms, from the licensing division to the Information Technology division.

3. The plan should be submitted to the Department of Planning and Budget and the Chairmen of the House Appropriations Committee and Senate Finance Committee along with the agency's estimated funding needs by November 1, 2019.

Explanation:
(This amendment secures the surplus nongeneral funds collected by the Department of Professional and Occupational Regulation, while the Department conducts assessments of its structure, staffing needs and potential replacement or upgrade of its information technology systems. The Department is to issue a report by November 1, 2019 with any recommendations for changes that may be necessary along with cost estimates to implement those changes, and the funds will be available to help offset any potential costs that may be incurred to bring the agency into the 21st century to better serve its constituency.)

"MM. In the case of and in recognition of the current deliberations and on-going joint efforts of the Alleghany County School Board, Alleghany County Board of Supervisors, Covington City School Board and the Covington City Council toward investigating and determining benefits of operating a joint school division, that each respective entity has approved two members to serve on the established Committee to facilitate such activities. Out of this appropriation, $400,000 the second year from the general fund is included in this item's appropriation and is provided to Alleghany County Public School Division for the express purpose of using such funds as incentive funding to support costs incurred by such joint efforts of Alleghany County School Board, Alleghany County Board of Supervisors, Covington City School Board and the City of Covington City Council toward investigating and determining benefits of operating a joint school division. In the event that such Committee does not come up with a plan for Alleghany County Public Schools and Covington City Schools, the remainder of the incentive money will be allocated and used to support Alleghany County and Covington City public school divisions' jointly operated career and technical center, Jackson River Technical Center."

Explanation:
(This amendment provides $400,000 the second year from the general fund to Alleghany County school division in support of the efforts of the Alleghany County School Board, Alleghany County Board of Supervisors, Covington City School Board and the Covington City Council toward investigating and determining benefits of operating a joint school division. The Covington School Board, Alleghany County School Board, the Alleghany County Board of Supervisors, and the Covington City Council have all recently appointed two members from each of the respective governing bodies to form a Committee to explore the necessary steps and actions needed for the creation of a joint school board in the Alleghany Highlands. The additional "incentive" funds would be used for legal fees, studies, and any other expenses associated with the planning of a joint school system between Alleghany County and Covington City public schools. Alleghany County Public Schools is currently operating in the final year of the fifteen year adjusted LCI that has been in place since Clifton Forge reverted to a town. Since the 2004 reversion, Alleghany County has lost 34% of its enrollment and has gone from 2,993 students to 1,968 students in the Fall of 2018. A joint school system in the Alleghany Highlands would offer area students more diverse opportunities and would be a more efficient use of tax payer funds at both the local and state level. In the event that the Committee does not come up with a consolidation plan for Alleghany County Public Schools and Covington City Schools, the remainder of the incentive money would be allocated and used to support their jointly operated career and technical center, Jackson River Technical Center.)

a.1) Out of this appropriation, $130,305,448 the second year from the general fund and $432,516 the second year from the Lottery Proceeds Fund is provided for the state share of a payment equivalent to a 3.0 percent salary incentive increase, effective July 1, 2019, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium. This amount includes $556,869 the second year from the general fund referenced in paragraph C. 28. h. for the Academic Year Governor's Schools for a 3.0 percent salary incentive increase, effective July 1, 2019, for instructional and support positions, and this amount includes $432,516 the second year from the Lottery Proceeds Fund referenced in paragraph C. 9. f. 4) for Regional Alternative Education Programs for a 3.0 percent salary incentive increase, effective July 1, 2019, for instructional and support positions.

2) It is the intent that the instructional and support position salaries be increased in school divisions throughout the state by at least an average of 3.0 percent during the 2018-2020 biennium. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 3.0 percent salary increase for funded SOQ instructional and support positions, effective July 1, 2019, to school divisions which certify to the Department of Education, by June 1, 2019, that salary increases of a minimum average of 3.0 percent have been or will have been provided during the 2018-2020 biennium, either in the first year or in the second year or through a combination of the two years, to instructional and support personnel.

b.1) In addition to the compensation provisions in paragraphs C. 39. a.1) and 2), the appropriation in this item includes $72,536,713 the second year from the general fund and $240,697 the second year from the Lottery Proceeds Fund for the state share of a payment equivalent to a 2.0 percent salary incentive increase, effective September 1, 2019, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium. This amount includes $310,001 the second year from the general fund referenced in paragraph C. 28. h. for the Academic Year Governor's Schools for an additional 2.0 percent salary incentive increase, effective September 1, 2019, for instructional and support positions, and this amount includes the $240,697 second year from the Lottery Proceeds Fund referenced in paragraph C. 9. f. 4) for Regional Alternative Education Programs for an additional 2.0 percent salary incentive increase, effective September 1, 2019, for instructional and support positions.

2) It is the intent that the instructional and support position salaries be increased in school divisions throughout the state by at least an average of 2.0 percent during the second year, on or before September 1, 2019. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 2.0 percent salary increase for funded SOQ instructional and support positions, effective September 1, 2019, to school divisions which certify to the Department of Education, by June 1, 2019, that additional salary increases of a minimum average of 2.0 percent will have been provided in the second year to instructional and support personnel on or before September 1, 2019, that is in addition to the 3.0% salary increase pursuant to paragraph C.39. a.1) and 2). of this item.

3) In order to be eligible to receive the state's share of up to an additional 2.0 percent salary increase in the second year, school divisions must provide up to a 2.0 percent salary increase in the second year effective by September 1, 2019, to instructional and support personnel. Any salary increase provided by a school division in the first year that was in excess of 3.0 percent prescribed in paragraphs C. 39. a.1) and 2), shall not count toward or be applied toward the local requirements for any portion of the additional 2.0 percent salary increase provided for in the second year.

c. This funding is not intended as a mandate to increase salaries."

Explanation:
(This amendment adjusts the funding for salary incentives such that school divisions will have a number of percent options to offer pay increases to employees. The base budget includes $131 million in the second year for a 3.0 percent salary incentive pay increase with an effective date of July 1, 2019. The state share of the 3.0 percent salary increase would be given to school divisions that certify that they will provide at least 3.0 percent in either the first or second year or through a combination over both years. This amendment adds an additional 2.0 percent increase with an effective date of September 1, 2019. The state share of the 2.0 percent salary increase would be given to school divisions that certify that they will provide at least a 2.0 percent salary increase by September 1, 2019. Any local school division pay increase provided in the first year that is above the 3.0 percent will not count toward the 2.0 percent salary increase in the second year.)

The department shall have the authority to implement these reimbursement changes prior to the completion of the regulatory process."

**Explanation:**
(This amendment provides $2.6 million from the general fund and $4.5 million from federal Medicaid matching funds to increase the Medicaid rates for mental health practitioners who bill for psychiatric services. These rates are lower than Medicare and commercial rates, resulting in fewer providers accepting Medicaid patients in need of these services. It is the intent of the General Assembly that in the enrolling of this act, funding included in this item shall be allocated among appropriate items within the Department of Medical Assistance Services.)

"If the Department of Planning and Budget, after review of the proposed change, determines that it may likely result in a material fiscal impact on the general fund, for which no legislative appropriation has been provided, then the Department of Medical Assistance Services shall delay the proposed change until the General Assembly authorizes such action."

Explanation:
(This amendment directs the Department of Medical Assistance Services to develop a new methodology for the allocation of Disproportionate Share Hospital (DSH) payments to increase reimbursement to hospitals that are serving more individuals who are subject to temporary detention orders and likewise to reduce reimbursement to hospitals whose utilization of such TDO services declines. This program is intended to assist in reducing census pressure on the state mental health hospitals.)

Explanation:
(This amendment reverts any general fund year-end balance in the Medicaid program each year. The appropriation for the Medicaid program is based on an annual forecast, which adjusts the appropriation as needed as part of the normal budget process and therefore any remaining balance in the program should revert at the end of the fiscal year.)

Explanation:
(This amendment directs the Department of Medical Assistance Services to require the Medicaid managed care organizations to provide written notification and training to agency-directed personal care providers at least 60 days prior to the implementation of all changes to Quality Management Review and prior authorization policies and processes.)

Explanation:
(This amendment modifies the fiscal impact review process for changes to the Medicaid program to include the potential fiscal impact on Medicaid managed care capitation rates resulting from contract changes, and clarifies that any change that may result in a general fund impact, which has not been funded, will be delayed until the General Assembly specifically authorizes such action.)

Explanation:
(This amendment partially reverts the carryforward balance from fiscal year 2018 for the Department of Medical Assistance Services' administrative budget that was approved by the Governor. The agency's administrative program had a remaining balance at the end of fiscal year 2018 of $12.8 million general fund and the Governor reappropriated $7.8 million of that balance in fiscal year 2019. In addition, the department shall report on utilization and other trends in the managed care programs."
Explanation:
(This amendment modifies the quarterly meeting created to increase oversight of Medicaid expenditures as compared to the official Medicaid forecast. The language eliminates the Secretary of Administration and the Joint Commission for Health Care in order to limit the meeting to the parties with the most interest in tracking the program. In addition, the Department of Medical Assistance Services is directed at each quarterly meeting to include any information on changes to managed care programs that may have an impact on the overall fiscal impact of the programs. The Department of Medical Assistance Services shall require the managed care organizations to report encounter data impacting Community Services Boards on a monthly basis, with the data submitted no later than 20 days after the end of each month in order to determine the revenue impact to fulfill the intent of this paragraph."

**Explanation:**

(This amendment modifies language in the introduced budget which allows the Department of Behavioral Health and Developmental Services to provide funding from special fund balances at the end of the fiscal year to CSBs in circumstances where a CSB's additional fiscal year 2019 Medicaid reimbursements do not reach at least 90 percent of the general fund reductions assumed in Chapter 2 for fiscal year 2019. Language allows that assistance to be provided prior to the end of the fiscal year so that the provision of critical services is not disrupted. The amendment also clarifies that assistance may be provided to an individual CSB rather than requiring that Medicaid reimbursements to all CSBs fall short of general fund reductions before assistance may be provided. The amendment requires the department to report to the Secretary of Finance and the Chairmen of the House Appropriations and Senate Finance Committees on how the expected general fund savings compare to actual Medicaid payments for fiscal year 2019 so that the expected general fund savings in fiscal year 2020 may be adjusted in amendments to the biennial budget during the 2020 Session of the General Assembly, if necessary.)

The report shall be submitted to the Chairmen of the House Appropriations and Senate Finance Committees."

Explanation:
(This amendment eliminates language that imposes a cap of 60 on the number of Auxiliary Grant recipients in supportive housing slots. House Bill 2017 and Senate Bill 1286 allow individuals receiving an Auxiliary Grant to select supportive housing without any requirement to make such selection. In addition, the legislation raises the cap on supportive housing slots to 90 slots and allows for up to 120 slots, if the waiting list for supportive housing for auxiliary grant recipients maintained by the Department of Behavioral Health and Developmental Services consists of 30 individuals or more on October 1, 2020. The state provides 80 percent of the funding for an Auxiliary Grant and localities provide 20 percent of the funding. No additional funding is needed to support the cost to provide an Auxiliary Grant to the additional individuals, who may select supportive housing pursuant to the legislation, because the Auxiliary Grant program expenditures continue to decline and the budget is sufficient. A correction and adjustment in payments described in this subsection due to the misallocation of funds by the dealer shall be made within three years of the date of the payment error.

G. Such payments to counties are subject to the qualification that in any county wherein is situated any incorporated town constituting a special school district and operated as a separate school district under a town school board of three members appointed by the town council, the county treasurer shall pay into the town treasury for general governmental purposes the proper proportionate amount received by him in the ratio that the school age population of such town bears to the school age population of the entire county. If the school age population of any town constituting a separate school district is increased by the annexation of territory since the last estimate of school age population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such estimate and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.

H. One-half of such payments to counties are subject to the further qualification, other than as set out in subsection C above, that in any county wherein is situated any incorporated town not constituting a separate special school district which has complied with its charter provisions providing for the election of its council and mayor for a period of at least four years immediately prior to the adoption of the sales tax ordinance, the county treasurer shall pay into the town treasury of each such town for general governmental purposes the
proper proportionate amount received by him in the ratio that the school age population of each such town bears to the school age population of the entire county, based on the latest estimate provided by the Weldon Cooper Center for Public Service. The preceding requirement pertaining to the time interval between compliance with election provisions and adoption of the sales tax ordinance shall not apply to a tier-city. If the school age population of any such town not constituting a separate special school district is increased by the annexation of territory or otherwise since the last estimate of school age population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such estimate and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.

1. Notwithstanding the provisions of subsection H, the board of supervisors of a county may, in its discretion, appropriate funds to any incorporated town not constituting a separate school district within such county which has not complied with the provisions of its charter relating to the elections of its council and mayor, an amount not to exceed the amount it would have received from the tax imposed by this chapter if such election had been held.

3. Sells at retail, or who

5. Leases or rents tangible personal property for a consideration, permitting the use or possession of such personal property;

4. Has sold at retail, used, consumed, distributed, or stored for use or consumption in this Commonwealth, tangible personal property and who cannot prove that the tax levied by this chapter has been paid on the sale at retail, the use, consumption, distribution, or storage of such tangible personal property;

6. Is the lessee or rentee of tangible personal property and who

7. As a representative, agent, or solicitor, of an out-of-state principal, solicits, receives and accepts orders from persons in this Commonwealth for future delivery and whose principal refuses to register as a dealer under § 58.1-613; or

8. Becomes liable to and owes this Commonwealth any amount of tax imposed by this chapter, whether it holds, or is required to hold, a certificate of registration under § 58.1-613 if it:*

C. A dealer shall be deemed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 if:

1. Manufactures or produces tangible personal property for sale at retail, for use, consumption, or distribution, or for storage to be used or consumed in this Commonwealth;

2. Imports or causes to be imported into this Commonwealth tangible personal property from any state or foreign country, for sale at retail, for use, consumption, or distribution, or for storage to be used or consumed in this Commonwealth;

3. Sells at retail, or who

4. Makes regular deliveries of tangible personal property within this Commonwealth by means other than common carrier. A person shall be deemed to be making regular deliveries hereunder if vehicles other than those operated by a common carrier enter this Commonwealth more than 12 times during a calendar year to deliver goods sold by him;
5. Solicits business in this Commonwealth on a continuous, regular, seasonal, or systematic basis by means of advertising that is broadcast or relayed from a transmitter within this Commonwealth or distributed from a location within this Commonwealth;
6. Solicits business in this Commonwealth by mail, if the solicitations are continuous, regular, seasonal, or systematic and if the dealer benefits from any banking, financing, debt collection, or marketing activities occurring in this Commonwealth or benefits from the location in this Commonwealth of authorized installation, servicing, or repair facilities;
7. Is owned or controlled by the same interests which own or control a business located within this Commonwealth;
8. Has a franchisee or licensee operating under the same trade name in this Commonwealth if the franchisee or licensee is required to obtain a certificate of registration under § 58.1-613;
9. Owns tangible personal property that is for sale located in this Commonwealth, or that is rented or leased to a consumer in this Commonwealth, or offers tangible personal property, on approval, to consumers in this Commonwealth;
10. Receives more than $100,000 in gross revenue, or other minimum amount as may be required by federal law, from retail sales in the Commonwealth in the previous or current calendar year, provided that in determining the amount of a dealer's gross revenues, the sales made by all commonly controlled persons as defined in subsection D shall be aggregated; or
11. Engages in 200 or more separate retail sales transactions, or other minimum amount as may be required by federal law, in the Commonwealth in the previous or current calendar year, provided that in determining the total number of a dealer's retail sales transactions, the sales made by all commonly controlled persons as defined in subsection D shall be aggregated.
D. A dealer is presumed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 (unless the presumption is rebutted as provided herein) if any commonly controlled person maintains a distribution center, warehouse, fulfillment center, office, or similar location within the Commonwealth that facilitates the delivery of tangible personal property sold by the dealer to its customers. The presumption in this subsection may be rebutted by demonstrating that the activities conducted by the commonly controlled person in the Commonwealth are not significantly associated with the dealer's ability to establish or maintain a market in the Commonwealth for the dealer's sales. For purposes of this subsection, a "commonly controlled person" means any person that is a member of the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of 1954, as amended or renumbered, as the dealer or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the dealer as a corporation that is a member of the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of 1954, as amended or renumbered.
E. Notwithstanding any other provision of this section, the following shall not be considered to determine whether a person has contracted with a commercial printer for printing in the Commonwealth is a "dealer" and whether such person has sufficient contact with the Commonwealth to be required to register under § 58.1-613:
1. The ownership or leasing by that person of tangible or intangible property located at the Virginia premises of the commercial printer which is used solely in connection with the printing contract with the person;
2. The sale by that person of property of any kind printed at and shipped or distributed from the Virginia premises of the commercial printer;
3. Activities in connection with the printing contract with the person performed by or on behalf of that person at the Virginia premises of the commercial printer; and
4. Activities in connection with the printing contract with the person performed by the commercial printer within Virginia for or on behalf of that person.
F. In addition to the jurisdictional standards contained in subsections C and D, nothing contained herein shall limit any authority which this Commonwealth may enjoy under the provisions of federal law or an opinion of the United States Supreme Court to require the collection of sales and use taxes by any dealer who regularly or systematically solicits sales within this Commonwealth. Furthermore, nothing contained in subsection C shall require any broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher which broadcasts, publishes, or displays or distributes paid commercial advertising in this Commonwealth which is intended to be disseminated primarily to consumers located in this Commonwealth to report or impose any liability to pay any tax imposed under this chapter solely because such broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher accepted such advertising contracts from out-of-state advertisers or sellers.
G. (Contingent effective date) Pursuant to any federal legislation that grants states the authority to require remote sellers to collect sales and use tax, the Commonwealth is authorized, as permitted by such federal legislation, to require collection of sales and use tax by any remote seller, or a single or consolidated provider acting on behalf of a remote seller. If the federal legislation has an exemption for sellers whose sales are less than a minimum amount, then in determining such amount, the sales made by all persons related within the meanings of subsections (b) and (c) of § 267 or § 707(b)(1) of the Internal Revenue Code of 1986 shall be aggregated.

§ 58.1-612.1. Tax collectible from marketplace facilitators; “marketplace facilitator” defined.
A. As used in this chapter:
"Marketplace facilitator" means a person that contracts with a marketplace seller to facilitate, for consideration and regardless of whether such consideration is deducted as fees from transactions, the sale of such marketplace seller's products through a physical or electronic marketplace operated by such person. "Marketplace facilitator" does not include a payment processor business appointed by a merchant to handle payment transactions from various channels, such as credit cards and debit cards, and whose sole activity with respect to marketplace sales is to handle transactions between two parties. "Marketplace facilitator" does not include a platform or forum that exclusively provides internet advertising services, including any advertisements that may list products for sale, so long as such platform or forum does not also engage directly or indirectly through one or more commonly controlled persons, as defined in subsection D of § 58.1-612, in the activities described in subsection C.
"Marketplace seller" means a person that is not a commonly controlled person, as defined in subsection D of § 58.1-612, to a marketplace facilitator and that makes sales through any physical or electronic marketplace operated by such marketplace facilitator, even if such seller would not have been required to collect and remit sales and use tax had the sale not been made through such marketplace.
B. The tax levied under this chapter shall be collectible from all persons that are marketplace facilitators that have sufficient contact with Virginia to require registration under subsection C.
C. A marketplace facilitator shall be deemed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 if it meets at least one requirement in each of subdivisions 1, 2, and 3:
1. It engages, either directly or indirectly, through a commonly controlled person as defined in subsection D of § 58.1-612 in any of the following activities:
   a. Transmitting or communicating an offer or acceptance between a purchaser and a marketplace seller;
   b. Owning or operating the infrastructure, whether electronic or physical, or technology that brings purchasers and marketplace sellers together; or
   c. Providing a virtual currency that purchasers are allowed or required to use to purchase products from the marketplace seller;
2. It engages in any of the following activities with respect to a marketplace seller's products:
   a. Payment processing;
   b. Fulfillment or storage;
   c. Listing products for sale;
   d. Setting prices;
   e. Branding sales as those of the marketplace facilitator; or
   f. Providing customer service or accepting or assisting with returns or exchanges; and
3. It establishes economic nexus through either of the following activities:
   a. Facilitating sales in Virginia that, in the aggregate, generate more than $100,000 in gross revenue, or other minimum amount as may be required by federal law, for such marketplace facilitator. A marketplace facilitator may exceed this threshold based on sales for either the previous or current calendar year. In determining the amount of a marketplace facilitator's gross revenues, the sales made by all commonly controlled persons, as defined in subsection D of § 58.1-612, shall be aggregated; or
   b. Facilitating 200 or more separate retail sale transactions, or other minimum amount as may be required by federal law, in the Commonwealth in the previous or current calendar year. In determining the total number of retail sales transactions attributable to a marketplace facilitator, the sales made by all commonly controlled persons, as defined in subsection D of § 58.1-612, shall be aggregated.
D. 1. A marketplace facilitator shall be considered a dealer for purposes of this chapter and shall collect the tax imposed by this chapter on all transactions that it facilitates through its marketplace.
2. No marketplace seller shall collect sales and use tax on a transaction made through a marketplace facilitator's marketplace.
3. Notwithstanding the provisions of subdivisions 1 and 2, the Department shall allow for a waiver from the requirements of subdivisions 1 and 2 if a marketplace facilitator demonstrates, to the satisfaction of the Commissioner, that either (i) all of its marketplace sellers already are registered dealers under § 58.1-613 or (ii) the marketplace seller has sufficient nexus to require registration under § 58.1-613 and that collection of the tax by the marketplace facilitator for such marketplace seller would create an undue burden or hardship for either party. If such waiver is granted, the tax levied under this chapter shall be collectible from the marketplace seller. The Department shall develop guidelines that establish (a) the criteria for obtaining a waiver pursuant to this section, (b) the process and procedure for a marketplace facilitator to apply for a waiver, and (c) the process for providing notice to an affected marketplace facilitator and marketplace seller of a waiver obtained pursuant to this subdivision.

E. A marketplace facilitator shall be relieved from liability, including penalties and interest, for the incorrect collection or remittance of sales and use tax if the marketplace facilitator demonstrates that its failure to collect the proper tax was due to incorrect information provided by the marketplace seller or purchaser; (ii) incorrect or insufficient information provided by the Commonwealth; or (iii) incorrect or insufficient information provided by the marketplace facilitator to a buyer or purchaser regarding the tax classification or proper sourcing of any item or transaction, provided that the marketplace facilitator can demonstrate it made a reasonable effort to obtain accurate information from the marketplace seller or purchaser. The relief from liability afforded to the marketplace facilitator pursuant to this subsection shall not exceed the total amount of tax due from the marketplace facilitator on the incorrect transaction independent of any penalties or interest that would have otherwise applied. Any deficiency resulting from incorrect information provided by the marketplace facilitator or as the result of an audit shall be the liability of the marketplace seller.

F. A marketplace facilitator is the sole entity subject to audit by the Department for sales and use tax collection for all transactions facilitated by the marketplace facilitator unless (i) the marketplace facilitator can demonstrate that its failure to collect the proper tax was due to incorrect information provided by the marketplace seller or (ii) the marketplace seller is subject to a waiver granted pursuant to subdivision D 3.

G. If a marketplace facilitator lacks physical presence in the Commonwealth and has both facilitated and made direct sales into the Commonwealth, both types of sales shall be considered in determining whether it has established economic nexus.

H. When a marketplace seller that is not otherwise required to register for the collection of the tax under any of the provisions contained in subdivisions C 1 through 9 of § 58.1-612 makes both direct sales and sales on a marketplace facilitator’s marketplace, only the marketplace seller’s direct sales shall be considered in determining whether the marketplace seller is required to register for the collection of the tax under subdivision C 10 or 11 of § 58.1-612.

I. No class action shall be brought against a marketplace facilitator in any court of the Commonwealth on behalf of customers arising from or in any way related to an overpayment of sales and use tax collected on sales facilitated by the marketplace facilitator, regardless of whether such claim is characterized as a tax refund claim. Nothing in this subsection shall affect a customer’s right to seek a refund on an individual basis. § 58.1-615. (Contingent expiration date) Returns by dealers.

A. Every dealer required to collect or pay the sales or use tax shall, on or before the twentieth day of the month following the month in which the tax shall become effective, transmit to the Tax Commissioner a return showing the gross sales, gross proceeds, or cost price, as the case may be, arising from all transactions taxable under this chapter during the preceding calendar month, and thereafter a like return shall be prepared and transmitted to the Tax Commissioner by every dealer on or before the twentieth day of each month, for the preceding calendar month. In the case of dealers regularly keeping books and accounts on the basis of an annual period which varies 52 to 53 weeks, the Tax Commissioner may make rules and regulations for reporting consistent with such accounting period.

Notwithstanding any other provision of this chapter, a dealer may be required by the Tax Commissioner to file sales or use tax returns on an accounting period less frequent than monthly when, in the opinion of the Tax Commissioner, the administration of the taxes imposed by this chapter would be enhanced. If a dealer is required to file other than monthly, each such return shall be due on or before the twentieth day of the month following the close of the period. Each such return shall contain all information required for monthly returns.

A sales or use tax return shall be filed by each registered dealer even though the dealer is not liable to remit to the Tax Commissioner any tax for the period covered by the return.

The Tax Commissioner shall not require that more than one sales and use tax return per month be filed with the Department by any remote seller or any software provider on behalf of such remote seller.

B. [Expired.]
C. Any return required to be filed with the Tax Commissioner under this section shall be deemed to have been filed with the Tax Commissioner on the date that such return is delivered by the dealer to the commissioner of the revenue or the treasurer for the locality in which the dealer is located and receipt is acknowledged by the commissioner of the revenue or treasurer. The commissioner of the revenue or the treasurer shall stamp such date on the return, and shall mail the return to the Tax Commissioner no later than the following business day. The commissioner of the revenue or the treasurer may collect from the dealer the cost of postage for such mailing.

D. Every dealer who is required to remit payment by electronic funds transfer pursuant to subsection B of § 58.1-202.1 beginning on and after July 1, 2010, shall file monthly return using an electronic medium prescribed by the Tax Commissioner. A waiver of this requirement may be granted if the Tax Commissioner determines that it creates an unreasonable burden on the dealer.

A. The tax levied by this chapter shall be paid by the dealer, but the dealer shall separately state the amount of the tax and add such tax to the sales price or charge. Thereafter, such tax shall be a debt from the purchaser, consumer, or lessee to the dealer until paid and shall be recoverable at law in the same manner as other debts. No action at law or suit in equity under this chapter may be maintained in this Commonwealth by any dealer who is not registered under § 58.1-613 or is delinquent in the payment of the taxes imposed under this chapter.

B. Notwithstanding any exemption from taxes which any dealer now or hereafter may enjoy under the Constitution or laws of this or any other state, or of the United States, such dealer shall collect such tax from the purchaser, consumer, or lessee and shall pay the same over to the Tax Commissioner in the same manner as other debts. No action at law or suit in equity under this chapter may be maintained in this Commonwealth by any dealer who is not registered under § 58.1-613 or is delinquent in the payment of the taxes imposed under this chapter.

C. Any dealer collecting the sales or use tax on transactions exempt or not taxable under this chapter shall transmit such erroneously or illegally collected tax unless or until it can affirmatively show that the tax has since been refunded to the purchaser or credited to its account.

D. 1. Any dealer who neglects, fails, or refuses to collect such tax upon every taxable sale, distribution, lease, or storage of tangible personal property made by him or his agents, or employees shall be liable for and pay the tax himself; and such dealer shall not thereafter be entitled to sue for or recover in this Commonwealth any part of the purchase price or rental from the purchaser until such tax is paid. Moreover, any dealer who neglects, fails, or refuses to pay or collect the tax herein provided, either by himself or through his agents or employees, shall be guilty of a Class 1 misdemeanor.

2. Notwithstanding subdivision 1, any remote seller or marketplace facilitator that has collected an incorrect amount of sales and use tax shall be relieved from liability for such amount, including any penalty or interest, if the error is a result of the remote seller’s or marketplace facilitator’s reasonable reliance on information provided by the Commonwealth.

E. (Contingent effective date) Notwithstanding subsection D, any remote seller, single provider, or consolidated provider who has collected an incorrect amount of sales and use tax shall be relieved from liability for such additional amount, including any penalty or interest, if collection of the improper amount is a result of the remote seller, single provider, or consolidated provider’s reasonable reliance upon information provided by the Commonwealth, including, but not limited to, any information obtained from software provided by the Department of Taxation pursuant to subsection B of § 58.1-601.

F. All sums collected by a dealer as required by this chapter shall be deemed to be held in trust for the Commonwealth.

F. Notwithstanding the foregoing provisions of this section, any dealer is authorized during the period of time set forth in §§ 58.1-611.2 and 58.1-611.3 or subdivision 18 of § 58.1-609.1 not to collect the tax levied by this chapter or levied under the authority granted in §§ 58.1-605 and 58.1-606 from the purchaser, and to absorb such tax itself. A dealer electing to absorb such taxes shall be liable for payment of such taxes to the Tax Commissioner in the same manner as it is for tax collected from a purchaser pursuant to this section.

A. The tax levied by this chapter shall be paid by the dealer, but the dealer shall separately state the amount of the tax and add such tax to the sales price or charge. Thereafter, such tax shall be a debt from the purchaser, consumer, or lessee to the dealer until paid and shall be recoverable at law in the same manner as other debts. No action at law or suit in equity under this chapter may be maintained in this Commonwealth by any dealer who is not registered under § 58.1-613 or is delinquent in the payment of the taxes imposed under this chapter.

B. Notwithstanding any exemption from taxes which any dealer now or hereafter may enjoy under the Constitution or laws of this or any other state, or of the United States, such dealer shall collect such tax from the purchaser, consumer, or lessee and shall pay the same over to the Tax Commissioner as herein provided.
C. Any dealer collecting the sales or use tax on transactions exempt or not taxable under this chapter shall transmit to the Tax Commissioner such erroneously or illegally collected tax unless or until he can affirmatively show that the tax has since been refunded to the purchaser or credited to his account.

D. 1. Any dealer who that neglects, fails, or refuses to collect such tax upon every taxable sale, distribution, lease, or storage of tangible personal property made by him, his agents, or employees shall be liable for and pay the tax himself, and such dealer shall not thereafter be entitled to sue for or recover in this Commonwealth any part of the purchase price or rental from the purchaser until such tax is paid. Moreover, any dealer who that neglects, fails, or refuses to pay or collect the tax herein provided, either by himself or through his agents or employees shall be guilty of a Class 1 misdemeanor.

2. Notwithstanding subdivision 1, any remote seller or marketplace facilitator that has collected an incorrect amount of sales and use tax shall be relieved from liability for such amount, including any penalty or interest, if the error is a result of the remote seller’s or marketplace facilitator’s reasonable reliance on information provided by the Commonwealth.

F. (Contingent effective date — see Editor's note) Notwithstanding subsection D, any remote seller, single provider, or consolidated provider who has collected an incorrect amount of sales or use tax shall be relieved from liability for such additional amount, including any penalty or interest, if collection of the improper amount is a result of the remote seller, single provider, or consolidated provider’s reasonable reliance upon information provided by the Commonwealth, including, but not limited to, any information obtained from software provided by the Department of Taxation pursuant to subsection B of § 58.1-601.

E. All sums collected by a dealer as required by this chapter shall be deemed to be held in trust for the Commonwealth.

F. Notwithstanding the foregoing provisions of this section, any dealer is authorized during the period of time set forth in § 58.1-611.2 not to collect the tax levied by this chapter or levied under the authority granted in §§ 58.1-605 and 58.1-606 from the purchaser, and to absorb such tax himself. A dealer electing to absorb such taxes shall be liable for payment of such taxes to the Tax Commissioner in the same manner as if it is for tax collected from a purchaser pursuant to this section.

§ 58.1-635. (Contingent expiration date) Failure to file return; fraudulent return; civil penalties.

A. When any dealer fails to make any return and pay the full amount of the tax required by this chapter, there shall be imposed, in addition to other penalties provided herein, a specific penalty to be added to the tax in the amount of six percent if the failure is for not more than one month, with an additional six percent for each additional month, or fraction thereof, during which the failure continues, not to exceed thirty percent in the aggregate. In no case, however, shall the penalty be less than ten dollars $10 and such minimum penalty shall apply whether or not any tax is due for the period for which such return was required. If such failure is due to providential or other good cause shown to the satisfaction of the Tax Commissioner, such return with or without remittance may be accepted exclusive of penalties. In the case of a false or fraudulent return where willful intent exists to defraud the Commonwealth of any tax due under this chapter, or in the case of a willful failure to file a return with the intent to defraud the Commonwealth of any such tax, a specific penalty of fifty 50 percent of the amount of the proper tax shall be assessed. All penalties and interest imposed by this chapter shall be payable by the dealer and collectible by the Tax Commissioner in the same manner as if it is for tax collected from a purchaser pursuant to this section.

B. It shall be prima facie evidence of intent to defraud the Commonwealth of any tax due under this chapter when any dealer reports his gross sales, gross proceeds or cost price, as the case may be, at fifty 50 percent or less of the actual amount.

C. Interest at a rate determined in accordance with § 58.1-15, shall accrue on the tax until the same is paid, or until an assessment is made, pursuant to § 58.1-15, after which interest shall accrue as provided therein.

D. Notwithstanding any other provision of this section, any remote seller or marketplace facilitator that has collected an incorrect amount of sales and use tax shall be relieved from liability for such amount, including any penalty or interest, if the error is a result of the remote seller’s or marketplace facilitator’s reasonable reliance on information provided by the Commonwealth.

9. That the fourth enactment of Chapter 766 of the Acts of Assembly of 2013 is amended and reenacted as follows:

11. That nothing in this act shall be construed to appropriate or transfer any transportation revenues for nontransportation purposes pursuant to the twenty-second enactment of Chapter 896 of the Acts of Assembly of 2007 or the fourteenth enactment of Chapter 766 of the Acts of Assembly of 2013.

12. That the provisions of this act requiring remote sales and use tax collection by remote sellers and marketplace facilitators shall not apply to any retail sales transactions occurring before July 1, 2019; however, transactions occurring before July 1, 2019, may be included in the calculation of gross revenue or retail transactions pursuant to the provisions of subdivisions C 10 and 11 of § 58.1-612 of the Code of Virginia, as amended by this act.

13. That the Department of Taxation shall develop guidelines implementing the provisions of this act, including guidelines implementing the provisions of subsection D of § 58.1-612.1 of the Code of Virginia, as created by this act, creating a waiver. Such guidelines shall be exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq. of the Code of Virginia).

14. That should any portion of this act be held unconstitutional by a court of competent jurisdiction, the remaining portions of this act shall remain in effect."

6. That § 58.1-638 of the Code of Virginia is amended and reenacted as follows:

58.1-638. Disposition of state sales and use tax revenue.
A. The Comptroller shall designate a specific revenue code number for all the state sales and use tax revenue collected under the preceding sections of this chapter.
1. The sales and use tax revenue generated by the one-half percent sales and use tax increase enacted by the 1986 Special Session of the General Assembly shall be paid, in the manner hereinafter provided in this section, to the Transportation Trust Fund as defined in § 33.2-1524. Of the funds paid to the Transportation Trust Fund, an aggregate of 4.2 percent shall be set aside as the Commonwealth Port Fund as provided in this section; an aggregate of 2.4 percent shall be set aside as the Commonwealth Airport Fund as provided in this section; and an aggregate of 14.7 percent shall be set aside as the Commonwealth Mass Transit Fund as provided in this section. The Fund's share of such net revenue shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.
2. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Port Fund.
a. The Commonwealth Port Fund shall be established on the books of the Comptroller and the funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall remain in the Fund and be credited to it. Funds may be paid to any authority, locality or commission for the purposes hereinafter specified.
b. The amounts allocated pursuant to this section shall be allocated by the Commonwealth Transportation Board to the Board of Commissioners of the Virginia Port Authority to be used to support port capital needs and the preservation of existing capital needs of all ocean, river, or tributary ports within the Commonwealth. Expenditures for such capital needs are restricted to those capital projects specified in subsection B of § 62.1-132.1.
c. Commonwealth Port Fund revenue shall be allocated by the Board of Commissioners to the Virginia Port Authority in order to foster and stimulate the flow of maritime commerce through the ports of Virginia, including but not limited to the ports of Richmond, Hopewell, and Alexandria.

3. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be part of the Transportation Trust Fund and which shall be known as the Commonwealth Space Flight Fund. The Commonwealth Space Flight Fund shall be established on the books of the Comptroller and the funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall remain in the Fund and be credited to it.

a. The amounts allocated to the Commonwealth Space Flight Fund pursuant to § 33.2-1526 shall be allocated by the Commonwealth Transportation Board to the Board of Directors of the Virginia Commercial Space Flight Authority to be used to support the capital needs, maintenance, and operating costs of any and all facilities owned and operated by the Virginia Commercial Space Flight Authority.

b. Commonwealth Space Flight Fund revenue shall be allocated by the Board of Directors to the Virginia Commercial Space Flight Authority in order to foster and stimulate the growth of the commercial space flight industry in Virginia.

4. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Mass Transit Fund.

a. The Commonwealth Mass Transit Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall be credited to the Fund.

b. The amounts allocated pursuant to § 33.2-1526.1 shall be used to support the operating, capital, and administrative costs of public transportation at a state share determined by the Commonwealth Transportation Board, and these amounts may be used to support the capital project costs of public transportation and ridesharing equipment, facilities, and associated costs at a state share determined by the Commonwealth Transportation Board. Capital costs may include debt service payments on local or agency transit bonds.

c. There is hereby created in the Department of the Treasury a special nonreverting fund known as the Commonwealth Transit Capital Fund. The Commonwealth Transit Capital Fund shall be part of the Commonwealth Mass Transit Fund. The Commonwealth Transit Capital Fund subaccount shall be established on the books of the Comptroller and consist of such moneys as are appropriated to it by the General Assembly and of all donations, gifts, bequests, grants, endowments, and other moneys given, bequeathed, granted, or otherwise made available to the Commonwealth Transit Capital Fund. Any funds remaining in the
Commonwealth Transit Capital Fund at the end of the biennium shall not revert to the general fund, but shall remain in the Commonwealth Transit Capital Fund. Interest earned on funds within the Commonwealth Transit Capital Fund shall remain in and be credited to the Commonwealth Transit Capital Fund. Proceeds of the Commonwealth Transit Capital Fund may be paid to any political subdivision, another public entity created by an act of the General Assembly, or a private entity as defined in § 33.2-1800 and for purposes as enumerated in subdivision 7 of § 33.2-1701 or expended by the Department of Rail and Public Transportation for the purposes specified in this subdivision. Revenues of the Commonwealth Transit Capital Fund shall be used to support capital expenditures involving the establishment, improvement, or expansion of public transportation services through specific projects approved by the Commonwealth Transportation Board. The Commonwealth Transit Capital Fund shall not be allocated without requiring a local match from the recipient.

B. The sales and use tax revenue generated by a one percent sales and use tax shall be distributed among the counties and cities of the Commonwealth in the manner provided in subsections C and D.

C. The localities' share of the net revenue distributable under this section among the counties and cities shall be apportioned by the Comptroller and distributed among them by warrants of the Comptroller drawn on the Treasurer of Virginia as soon as practicable after the close of each month during which the net revenue was received into the state treasury. The distribution of the localities' share of such net revenue shall be computed with respect to the net revenue received into the state treasury during each month, and such distribution shall be made as soon as practicable after the close of each such month.

D. The net revenue so distributable among the counties and cities shall be apportioned and distributed upon the basis of the latest yearly estimate of the population of counties and cities as five to 19, provided by the Weldon Cooper Center for Public Service of the University of Virginia. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for persons who are domiciled in orphanages or charitable institutions or who are dependents living on any federal military or naval reservation or other federal property within the school division in which the institutions or federal military or naval reservation or other federal property is located. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for members of the military services who are under 20 years of age within the school division in which the parents or guardians of such persons legally reside. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for individuals receiving services in state hospitals, state training centers, or mental health facilities, persons who are confined in state or federal correctional institutions, or persons who attend the Virginia School for the Deaf and the Blind within the school division in which the parents or guardians of such persons legally reside. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for persons who attend institutions of higher education within the school division in which the student's parents or guardians legally reside. To such estimate, the Department of Education shall add the population of students with disabilities, ages two through four and 20 through 21, as provided to the Department of Education by school divisions. The revenue so apportionable and distributable is hereby appropriated to the several counties and cities for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, which shall be considered as funds raised from local resources. In any county, however, wherein is situated any incorporated town constituting a school division, the county treasurer shall pay into the town treasury for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, the proper proportionate amount received by him in the ratio that the school population of such town bears to the school population of the entire county. If the school population of any city or of any town constituting a school division is increased by the annexation of territory since the last estimate of school population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school population of such city or town as shown by the last such estimate and a proper reduction made in the school population of the county or counties from which the annexed territory was acquired.

E. Beginning July 1, 2000, of the remaining sales and use tax revenue, the revenue generated by a two percent sales and use tax, up to an annual amount of $13 million, collected from the sales of hunting equipment, auxiliary hunting equipment, fishing equipment, auxiliary fishing equipment, wildlife-watching equipment, and auxiliary wildlife-watching equipment in Virginia, as estimated by the most recent U.S. Department of the Interior, Fish and Wildlife Service and U.S. Department of Commerce, Bureau of the Census National Survey of Fishing, Hunting, and Wildlife-Associated Recreation, shall be paid into the Game Protection Fund established under § 29.1-101 and shall be used, in part, to defray the cost of law enforcement. Not later than 30 days after the close of each quarter, the Comptroller shall transfer to the Game Protection Fund the appropriate amount of collections to be dedicated to such Fund. At any time that the balance in the Capital Improvement Fund, established under § 29.1-101.01, is equal to or in excess of $35 million, any portion of sales and use tax revenues that would
have been transferred to the Game Protection Fund, established under § 29.1-101, in excess of the net operating expenses of the Board, after deduction of other amounts which accrue to the Board and are set aside for the Game Protection Fund, shall remain in the general fund until such time as the balance in the Capital Improvement Fund is less than $35 million.

F. 1. Of the net revenue generated from the one-half percent increase in the rate of the state sales and use tax effective August 1, 2004, pursuant to enactments of the 2004 Special Session I of the General Assembly, the Comptroller shall transfer from the general fund of the state treasury to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund established under § 58.1-638.1 an amount equal to one-half of the net revenue generated from such one-half percent increase as provided in this subdivision. The transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund under this subdivision shall be for one-half of the net revenue generated (and collected in the succeeding month) from such one-half percent increase for the month of August 2004 and for each month thereafter.

2. Beginning July 1, 2013, of the remaining sales and use tax revenue, an amount equal to the revenue generated by a 0.125 percent sales and use tax shall be distributed to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund established pursuant to § 58.1-638.1, and be used for the state's share of Standards of Quality basic aid payments.

3. For the purposes of the Comptroller making the required transfers under subdivision 1 and 2, the Tax Commissioner shall make a written certification to the Comptroller no later than the twenty-fifth of each month certifying the sales and use tax revenues generated in the preceding month. Within three calendar days of receiving such certification, the Comptroller shall make the required transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund.

G. (Contingent expiration date — see note) Beginning July 1, 2013, of the remaining sales and use tax revenue, an amount equal to the following percentages of the revenue generated by a one-half percent sales and use tax, such as that paid to the Transportation Trust Fund as provided in subdivision A 1, shall be paid to the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530:

1. For fiscal year 2014, an amount equal to 10 percent;
2. For fiscal year 2015, an amount equal to 20 percent;
3. For fiscal year 2016, an amount equal to 30 percent; and
4. For fiscal year 2017 and thereafter, an amount equal to 35 percent.

The Highway Maintenance and Operating Fund's share of the net revenue distributable under this subsection shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

H. (Contingent expiration date — see note) 1. The additional revenue generated by increases in the state sales and use tax from Planning District 8 pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited by the Comptroller in the fund established under § 33.2-2509.

2. The additional revenue generated by increases in the state sales and use tax from Planning District 23 pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited by the Comptroller in the fund established under § 33.2-2600.

3. The additional revenue generated by increases in the state sales and use tax in any other Planning District pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited into special funds that shall be established by appropriate legislation.

4. The net revenues distributable under this subsection shall be computed as an estimate of the net revenue to be received by the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the appropriate funds on the last day of each month.

I. (For contingent expiration date, see Acts 2018, c. 850) The additional revenue generated by increases in the state sales and use tax from the Historic Triangle pursuant to § 58.1-603.2 shall be deposited by the Comptroller as follows: (i) 50 percent shall be deposited into the Historic Triangle Marketing Fund established pursuant to subsection E of § 58.1-603.2; and (ii) 50 percent shall be deposited in the special fund created pursuant to subdivision D 2 of § 58.1-603.2 and distributed to the localities in which the revenues were collected. The net revenues distributable under this subsection shall be computed as an estimate of the net revenues to be received by the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the appropriate funds on the last day of each month.

J. Beginning July 1, 2020, the first $40 million of sales and use taxes remitted by online retailers with a physical nexus established pursuant to subsection D of § 58.1-612 shall be deposited into the Major Headquarters Workforce Grant Fund established pursuant to § 59.1-284.31.
K. If errors are made in any distribution, or adjustments are otherwise necessary, the errors shall be corrected and adjustments made in the distribution for the next quarter or for subsequent quarters.

KL. The term "net revenue," as used in this section, means the gross revenue received into the general fund or the Transportation Trust Fund of the state treasury under the preceding sections of this chapter, less refunds to taxpayers."

Explanation:
(This amendment directs the transfer of $40.0 million from sales tax revenues currently remitted by online retailers with a physical presence in Virginia to the Major Headquarters Workforce Grant Fund established by the 2019 General Assembly.)

Clerk of the Virginia House of Delegates & Keeper of the Roles of the Commonwealth  
House Clerk's Office  
Virginia House of Delegates

Dear Mr. Clerk,

Nearly a year ago, I established the House Select Committee on School Safety to review comprehensively state and local policies relating to school security and protection. The Committee operated within its scope and produced two dozen priority recommendations for consideration during the 2019 General Assembly. I am pleased that many of these recommendations were passed by the General Assembly and funded in the amended biennial budget.

Effective this date, I am discontinuing the Select Committee on School Safety as a House standing committee. I want to thank you and your staff for your tireless support of the Committee's work over the past year.

Regards,

/s/ M. Kirkland Cox  
Speaker, Virginia House of Delegates

The Speaker stated that the purpose of the 2019 Reconvened Regular Session, pursuant to Section 6 of Article IV of the Constitution, was to consider legislation returned by the Governor with certain objections and certain recommendations.

The Speaker stated further that these were the only matters, other than procedural, to be considered by the House of Delegates at the Reconvened Regular Session.

The Clerk reported that communications had been received from the Governor, relating to the objections of the Governor on the following House bills:

- H.B.s 2034, 2142, 2253, 2260, 2269, 2270, 2611, 2749, and 2764.

The Clerk reported that communications had been received from the Governor, relating to the recommendations of the Governor on the following House bills:

- H.B.s 1620, 1661, 1700, 1719, 1911, 1915, 1942, 2042, 2053, 2141, 2234, 2252, 2263, 2296, 2303, 2306, 2328, 2339, 2441, 2443, 2477, 2528, 2546, 2615, 2664, 2686, 2718, 2762, and 2766.

The Speaker stated that the communications received from the Governor would be placed on the Calendar in the following order: bills returned with objections and bills returned with recommendations.

Delegate Gilbert moved that House Rule 52 be suspended for the purpose of the immediate consideration of the House Bills with Recommendations by the Governor Calendar category.

The motion was agreed to.
The morning hour having expired, the House proceeded with the business on the Calendar.

The House proceeded to reconsider the bill.

At the request of Delegate Ransone, the amendments were severed.

Delegate Toscano propounded a parliamentary inquiry as to whether it was an automatic right for a member to ask that amendments be severed.

The Speaker stated that if a member requested that amendments be severed, then the amendments were severed, unless the item was a substitute.
Delegate Toscano propounded a further parliamentary inquiry as to whether a motion to call the previous question, if adopted, would negate the member’s request to sever the amendments and require that the House vote on the amendments as a block.

The Speaker stated that it would be necessary to suspend the Rules in order to accomplish what the Delegate suggested and that an affirmative vote of two-thirds of the members was necessary.

The House proceeded to consider amendments Nos. 6 and 15 proposed by the Governor.
The question being: Shall the House amend the bill in accordance with amendments Nos. 6 and 15 of the Governor? was put and decided in the affirmative.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 26, 2019

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 1700

I approve the general purpose of this bill, but I am returning it with a request for the adoption of 40 amendments.
Although the enrolled bill achieves many of the major objectives I have proposed, I am returning it with
amendments to address concerns that I have either noted previously or that have been brought to my attention
since your passage of the budget.

A strong economy and changes in federal tax policy presented us with a unique opportunity this year. I am
grateful to each member of the House of Delegates and the Senate of Virginia for your dedicated work and your
timely passage of the budget. I am pleased that the budget you returned to me reflects many of the initiatives I
proposed in the introduced budget.
When I introduced the budget in December, my priorities were threefold: invest in the long-term success of the Commonwealth, provide targeted tax relief to Virginians, and continue to build our cash reserves. I am pleased that the General Assembly has subscribed to these guiding principles.

On the investment side, it is heartening to see that you supported my proposal to provide our teachers with a five percent salary increase and that we are able to identify additional funding for school counselors and our most at-risk students. I appreciate that we agreed to provide additional funding for financial aid for students at our higher education institutions. We also agreed to make a significant investment in expanding broadband access and prioritizing affordable housing and housing stability.

However, I believe we can and should do more in a few key areas. First, I am again proposing $1.5 million to ensure that each person in Virginia is counted in the upcoming census. An accurate census count is critical to guaranteeing the Commonwealth receives all of the federal funding we are due. Second, I am proposing an additional $4 million for the Virginia Housing Trust Fund, a critical tool in addressing affordable housing in the Commonwealth. Third, I am proposing funding to enhance the efforts of our Department of Small Business and Supplier Diversity to ensure that small, woman-owned, and minority-owned businesses receive needed support and the chance to successfully compete for procurement opportunities in the Commonwealth.

Finally, I am proposing $315 million in bond authorization to replace Central State Hospital – this is a need that has been long overlooked and that we are long overdue in addressing.

While we were able to agree on an approach to provide tax relief to Virginians, I believe there is more we can do. I am proposing an amendment that will provide an additional $17.7 million in tax relief from the Taxpayer Relief Fund to approximately 150,000 hard-working Virginians. This will be done by allowing taxpayers to receive a refund, even if they have received tax credits.

The significant infusion into our cash reserves demonstrates sound fiscal management, and will help ensure that the Commonwealth has the resources to address potential impacts of a slowing or even negative economy that we could face in the future.

I am proposing several language-only amendments that undo restrictions the General Assembly has placed on the use of state funding. Two amendments reverse the unnecessary restriction of state funds for critical healthcare currently provided to Virginia women. Two amendments remove language that would restrict the Commonwealth's ability to join and use proceeds from the Regional Greenhouse Gas Initiative, an important way for us to address the negative effects of climate change.

Finally, I have proposed a language amendment that eliminates the unfair practice of revoking a person's driver's license for failure to pay court fines and fees. This action will help over 600,000 Virginians.

Of the 40 amendments that I am proposing, 12 change spending, 27 are language-only changes, and one increases the available resources. The additional spending is covered in part by using a portion of the unappropriated balance presented to me, a savings in one amendment, and from the normal release of liabilities from prior natural disasters.

The net result of the changes in spending and resources I am recommending would decrease the unappropriated balance from $7.6 million to $5.2 million.

Sincerely,

/s/ Ralph S. Northam

The amendments proposed by the Governor to H.B. 1700 were as follows:

**Amendment 1: Reduce prior disaster authorization amounts**

In addition, the department shall collect data on the number of women served who also sought treatment for substance use disorders. The department shall submit a progress report to the Governor, Chairmen of the House Appropriations and Senate Finance Committees, Secretary of Health and Human Resources, and the Director, Department of Planning and Budget, that describes the program, metrics used to measure results, preliminary results, actual program expenditures, and projected expenditures by July 1, 2019, with a final report on June 30, 2020."

The analysis shall at a minimum address the issue of cost and timeline for construction."

Explanation:
(This language amendment clarifies that separate reports will be issued on the impact of Temporary Detention Order (TDO) admissions on state hospitals and a plan to "right size" the state hospital system to be issued by October 15, 2019, and November 1, 2019, respectively. In addition, language is added that requires the Commissioner of DBHDS to review the feasibility of relocating forensic beds away from Central State Hospital (CSH). This analysis shall include a review of the cost, timeline, and workforce impact of relocating CSH's forensic beds to a different location. A separate amendment to Item C-48.10 authorizes construction of a replacement facility at CSH.)

Permitting authority in this matter belongs to UOSA, rather than to DEQ or VDH. UOSA expects to complete a study for the development of such guidelines in March 2019. "2. Following the transfers authorized in paragraph F.1. of this section in the second year, the State Comptroller shall transfer $2,787,795 back to the Department of Motor Vehicles to replace the anticipated loss of driving privilege reinstatement fee revenue."
Explanation:
(This amendment accounts for an anticipated loss of $2.8 million in revenue to the Department of Motor Vehicles (DMV) due to the removal of driver's license reinstatement fees in a companion amendment in Section 3-6.03. The introduced budget accounted for this loss of revenue by reducing the amount of DMV revenues transferred to the general fund through indirect cost recoveries in FY2020. This adjustment, though, failed to fully free up $2.8 million of DMV revenues, as language in Item 439 K. allows DMV to distribute a portion of its indirect cost recoveries charges to other state agencies when the charges arise from revenue collection activities for those agencies. Therefore, the benefit to DMV would have been only $750,998, with six other agencies receiving a portion of the remaining $2 million. The adjustments proposed in this amendment ensure that DMV will have $2.8 million in additional revenues to offset any loss of driver's license reinstatement fee revenue. This amendment is technical in that it does not impact the bottom line of the budget since the impact was already anticipated in the introduced and enrolled budgets.)

Explanation:
(This amendment clarifies the calculation of revenues to be transferred to the Taxpayer Relief Fund, so that such calculation excludes revenues generated as the result of deconforming from the federal suspension of the Pease limitation (§ 58.1-301B.5, Code of Virginia), which are already assumed in the revenues included in the enrolled budget bill and are appropriated for other purposes.)

Any tax credits an individual or married persons filing a joint return are entitled to pursuant to Chapter 3 (§ 58.1-300 et seq.) of Title 58.1 of the Code of Virginia shall not be accounted for in determining whether such individual or married persons are allowed such refund."

In the second year, notwithstanding the provisions of § 46.2-395 of the Code of Virginia, no court shall suspend any person's privilege to drive a motor vehicle solely for failure to pay any fines, court costs, forfeitures, restitution, or penalties assessed against such person. The Commissioner of the Department of Motor Vehicles shall reinstate a person's privilege to drive a motor vehicle that was suspended prior to July 1, 2019, solely pursuant to § 46.2-395 of the Code of Virginia and shall waive all fees relating to reinstating such person's driving privileges. Nothing herein shall require the Commissioner to reinstate a person's driving privileges if such privileges have been otherwise lawfully suspended or revoked or if such person is otherwise ineligible for a driver's license."

Explanation:
(This amendment eliminates the driver's license reinstatement fee transfer to the Trauma Fund and eliminates the loss of driving privileges to individuals who have only failed to pay fines, court costs, forfeitures, restitution or penalties assessed against them. The Department of Motor Vehicles also shall not charge a driver's license reinstatement fee to these individuals. This initiative will help individuals that require a vehicle to gain a job, allowing them to earn money to repay any obligations they owe. This amendment has no impact to the general fund since the impact of its passage was assumed in the introduced and enrolled budgets.)

A. Except as provided in subsection B, net additional revenues shall be deposited as follows:
(i) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net additional revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway.

B. In the case of vehicles registered under the International Registration Plan, an amount that is approximately equal to the net additional revenues attributable to such vehicles shall be deposited as follows:
(i) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net additional revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to...
improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway.

C. For purposes of this section, "net additional revenues" means the additional revenues, minus any refunds or remittances required to be paid, generated by (i) the additional fee imposed pursuant to subsection A of § 46.2-697.2 and (ii) increases in the registration fees under § 46.2-697 made pursuant to subsection B of § 46.2-697.2.

B. 1. The tax shall be imposed on each gallon of fuel, other than diesel fuel, sold by a distributor to a retail dealer for retail sale in any such county or city described in subsection A at a rate of 2.1 percent of the statewide average distributor price of a gallon of unleaded regular gasoline as determined by the Commissioner pursuant to subdivision C 1. For alternative fuels other than liquid alternative fuels, the Commissioner shall determine an equivalent tax rate based on gasoline gallon equivalency.
2. The tax shall be imposed on each gallon of diesel fuel sold by a distributor to a retail dealer for retail sale in any such county or city described in subsection A at a rate of 2.1 percent of the statewide average distributor price of a gallon of diesel fuel as determined by the Commissioner pursuant to subdivision C 2.

C. 1. To determine the statewide average distributor price of a gallon of unleaded regular gasoline, the Commissioner shall use the period from June 1 through November 30, inclusive, as the base period for such determination for the immediately following period beginning January 1 and ending June 30, inclusive. The Commissioner shall use the period from December 1 through May 31, inclusive, as the base period for the determination of the rate of tax for the immediately following period beginning July 1 and ending December 31, inclusive. In no case shall the statewide average distributor price of a gallon of unleaded regular gasoline determined for purposes of this section be less than the statewide average wholesale price of a gallon of unleaded regular gasoline on February 20, 2013, plus a distributor charge calculated by the Commissioner for that date.

2. To determine the statewide average distributor price of a gallon of diesel fuel, the Commissioner shall use the period from June 1 through November 30, inclusive, as the base period for such determination for the immediately following period beginning January 1 and ending June 30, inclusive. The Commissioner shall use the period from December 1 through May 31, inclusive, as the base period for the determination of the rate of tax for the immediately following period beginning July 1 and ending December 31, inclusive. In no case shall the statewide average distributor price of a gallon of diesel fuel determined for purposes of this section be less than the statewide average wholesale price of a gallon of diesel fuel on February 20, 2013, plus a distributor charge calculated by the Commissioner for that date.

D. The tax levied under this section shall be imposed at the time of sale by the distributor to the retail dealer.

E. The tax imposed by this section shall be paid by the distributor, but the distributor shall separately state the amount of the tax and add such tax to the price or charge. Thereafter, such tax shall be debt from the retail dealer to the distributor until paid and shall be recoverable at law in the same manner as other debts. No action at law or suit in equity under this chapter shall be maintained in the Commonwealth by any distributor who is not registered under § 58.1-2299.2 or is delinquent in the payment of taxes imposed under this chapter.

F. Nothing in this section shall be construed to exempt the imposition and remittance of tax pursuant to this section in a sale to a retail dealer in which the distributor and the retail dealer are the same person.

G. Notwithstanding any other provision of law, no tax shall be imposed by the provisions of subdivision A 2 of § 58.1-2295 on any fuel upon which a tax is paid pursuant to this section.

insert § 58.1-2701. Amount of tax.
A. Except as provided in subsection B, every motor carrier shall pay a road tax per gallon equivalent to the cents per gallon credit for diesel fuel as determined under subsection A of § 58.1-2706 for the relevant period plus an additional $0.035 amount per gallon, as determined by subsection B, calculated on the amount of motor fuel, diesel fuel or liquefied gases (which would not exist as liquids at a temperature of 60 degrees Fahrenheit and a pressure of 14.7 pounds per square inch absolute), used in its operations within the Commonwealth.

The tax imposed by this chapter shall be in addition to all other taxes of whatever character imposed on a motor carrier by any other provision of law.

B. The additional amount per gallon shall be determined by the Commissioner annually, effective July 1 of each year. On July 1, 2019, the additional amount per gallon shall be calculated by multiplying the average fuel economy by $0.01125. On July 1, 2020, and each July 1 thereafter, the additional amount per gallon shall be calculated by multiplying the average fuel economy by $0.0225. The additional amount per gallon shall be rounded to the nearest one-tenth of a cent. For purposes of this subsection, "average fuel economy" shall be calculated by dividing the total taxable miles driven in the Commonwealth by the total taxable gallons of fuel consumed in the Commonwealth, as reported in IFTA returns in the preceding taxable year.

C. In lieu of the tax imposed in subsection A, motor carriers registering qualified highway vehicles that are not registered under the International Registration Plan shall pay a fee of $150 per year for each qualified highway vehicle regardless of whether such vehicle will be included on the motor carrier's IFTA return. For the period of July 1, 2019, through June 30, 2020, the fee shall be adjusted based on the percent change in the road tax imposed pursuant to subsection A from June 30, 2019, to July 1, 2019. The Commissioner shall adjust the fee annually on July 1 of every year thereafter based on the percentage change in the road tax imposed pursuant to subsection A for the previous fiscal year as compared to the current fiscal year. The fee is due and payable when the vehicle registration fees are paid pursuant to the provisions of Article 7 (§ 46.2-685 et seq.) of Chapter 6 of Title 46.2.

If a vehicle becomes a qualified highway vehicle before the end of its registration period, the fee due at the time the vehicle becomes a qualified highway vehicle shall be prorated monthly to the registration expiration month. Fees paid under this subsection shall not be refunded unless a full refund of the registration fee paid is authorized by law.

D. 1. Except as provided in subdivision 2, all taxes and fees paid under the provisions of this chapter shall be credited to the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530, a special fund within the Commonwealth Transportation Fund.

2. The net additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly shall be deposited as follows: (i) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately
equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway. For purposes of this subdivision, "net additional revenues" means the additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly, minus any refunds or remittances required to be paid.

In the event a local government of any county or city wherein the additional taxes and fees are levied appropriates or allocates any of such additional revenues to a non-transportation-related purpose, such locality shall not be the direct beneficiary of any of the revenues generated by the taxes or fees in the year immediately succeeding the year in which revenues were appropriated or allocated to a non-transportation-related purpose. The bill was returned to the Governor.

[H.B. 2339 was signed by the Governor on April 29, 2019, and became Chapter 853 of the 2019 Regular Session Acts of Assembly.]

Delegate Simon raised a point of order, in reference to Governor's amendment No. 7 to H.B. 1700, that Article V, Section 6, paragraph B.3. of the Constitution stated that the vote needed for each house to agree to the Governor's amendments was an affirmative vote of a majority of the members present.

Delegate Gilbert raised a point of order that the Delegate from Fairfax was out of order because the matter to which he had raised a point of order was not currently before the House.

The Speaker stated, in response to the points of order by Delegates Simon and Gilbert, that amendment No. 7 proposed by the Governor to H.B. 1700 was not currently before the House.

The Speaker stated further that in order to raise a question about the item, H.B. 1700 would have to be reconsidered and the Chair would so rule.

Delegate Simon propounded a parliamentary inquiry as to whether amendment No. 7 could be communicated to the Senate as having been agreed to even though the Speaker had announced that it had been rejected if it was determined that the vote requirement, pursuant to the Constitution, had been met on the amendment.

The Speaker stated that he disagreed with the Delegate's interpretation of House Rule 75 and that the House was not currently in a posture to discuss the matter.

A communication from the Senate, by its Clerk, was read as follows:

HOUSE BILLS VETOED BY THE GOVERNOR

H.B. 2034 (twenty, thirty-four) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 25, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2034. This legislation would require electoral boards to petition the circuit court for the removal of a general registrar.

Virginia law already provides specific circumstances in which a registrar can be removed. House Bill 2034 would allow only the circuit court to remove a general registrar at the request of a majority of the members of the State Board of Elections or local electoral board. This legislation makes the process of removing a general registrar more onerous, costly, and time consuming and could have unintended consequences. The legislation removes the ability for immediate or emergency removal of a general registrar in situations when warranted. Such emergency removal prevents a registrar from egregiously breaking the law or committing other inappropriate acts to hold his or her position until a judicial process has taken place. Furthermore, this bill requires personnel issues, often delicate, to be discussed in a public forum. House Bill 2034 puts the integrity of Virginia's elections in question.
This legislation has far too many unintended consequences. We should work together to create a solution that would benefit electoral boards, general registrars, and most importantly the voters of the Commonwealth of Virginia.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2142 (twenty-one, forty-two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 26, 2019

Pursuant to Article V, Section 6, of the Constitution of the Virginia, I veto House Bill 2142, which creates school protection officers, a new type of officer who would be permitted to operate in public schools. According to this bill, school protection officers would be employees of a local law-enforcement agency and would provide "limited law-enforcement and security services" in public schools. The bill further provides that the Department of Criminal Justice Services (DCJS) would develop training standards for school protection officers and that such training may be provided by the employing law-enforcement agency and would be graduated based upon the duties performed.

Virginia law already provides for two types of officers to protect the safety of the Commonwealth's students and schools: school resource officers and school security officers. School resource officers and school security officers have well-defined duties and responsibilities set forth in the Code of Virginia and are required to meet stringent training standards that are administered uniformly through the DCJS certification process. In stark contrast, the bill neither delineates what duties school protection officers would be authorized to perform nor defines the "limited" law-enforcement services to be provided by school protection officers.

In addition, the bill gives DCJS the impossible task of developing training standards for an officer whose duties are undefined and could vary significantly depending on the employing local law-enforcement agency. Further, as the bill enables the local law-enforcement agency employing the school protection officer to conduct the officer's training, such training would not be subject to the same level of oversight as the training of school resource officers or school security officers.

The inadequacy of the bill's provisions regarding school protection officer training is especially concerning in light of the Governor's Student Safety Work Group recommendation to increase training for school resource officers. The General Assembly's endorsement of the position that more, not less, training will better serve Virginia's students and schools is reflected in its passage of House Bill 2609 and Senate Bill 1130, both of which mandate that all school resource officers undergo increased training.

Allowing a new type of officer with undefined duties and indeterminate training will not serve to make Virginia's students and schools safer. Therefore, there is no compelling reason to create school protection officers when Virginia law already provides for two types of trained officers to provide security in the Commonwealth's schools.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

Delegate Thomas moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

The vote required by the Constitution, this being an act requiring a two-thirds affirmative vote of the members present, was recorded as follows:

Not Voting–Bloxom–1.

H.B. 2253 (twenty-two, fifty-three) was taken up.

The communication from the Governor was as follows:

COMMUNEAL OF VIRGINIA
Office of the Governor
March 12, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2253, which would create public safety concerns, place an arbitrary and overly burdensome mandate on the Virginia Department of State Police, and irresponsibly utilize taxpayer dollars to prioritize nonresident applications over resident needs.

This legislation has significant public safety implications, as it would require the Virginia Department of State Police to issue a de facto nonresident concealed handgun permit if the agency fails to complete its review of an application within 90 days. This not only places an arbitrary and burdensome mandate on the Virginia Department of State Police, but would also undoubtedly result in ineligible nonresidents obtaining permits. In order to protect public safety, it is critical that the Virginia Department of State Police be afforded the necessary time to review all available criminal history information and fully investigate each application.

Additionally, this legislation would force the Virginia Department of State Police to use already limited staff and taxpayer dollars to expedite processing of nonresident requests to meet this unreasonable requirement. As governor, it is my responsibility to ensure good stewardship of taxpayer dollars and resources.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2260 (twenty-two, sixty) was taken up.

The communication from the Governor was as follows:

COMMUNEAL OF VIRGINIA
Office of the Governor
March 22, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2260, which would direct the Commissioner of Insurance to request federal permission for insurance carriers to offer catastrophic plans to all individuals purchasing coverage through the Marketplace.
This legislation would place consumers at risk of being underinsured and would fragment Virginia's federal marketplace risk pool, leading to rapidly increasing premiums. House Bill 2260 would allow insurance carriers and individuals to circumvent the protections in the Affordable Care Act. Under current law, catastrophic plans are only available for individuals who are younger than 30 years of age and individuals who qualify for a hardship or affordability exemption. Catastrophic plans typically have lower premiums because they require individuals to have very high deductibles before the plan pays for health care costs. Many individuals enrolled in a catastrophic health plan may forego medical services because of cost. Individuals with minimal health care needs are more likely to purchase these threadbare plans, leaving individuals with more complex medical conditions in traditional marketplace plans. This adverse selection would likely contribute to an increase in Virginia marketplace premiums across the board.

Virginia took a positive step to increase the availability of quality, affordable, and comprehensive health care coverage through Medicaid expansion for individuals whose income is lower than 138% of the Federal Poverty Line. Our responsibility is now to look at solutions such as those proposed by the Market Stability Workgroup in order to improve affordability across the Commonwealth's health insurance markets. House Bill 2260 would undermine those efforts.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2269 (twenty-two, sixty-nine) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 14, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2269. This bill would prohibit the Governor, local governments, and a majority of those voting in the General Assembly from enacting or entering any regional program to reduce air pollution from vehicles and other transportation sources unless explicitly authorized by a super-majority (two-thirds) vote of the General Assembly.

Climate change, extreme weather, and sea level rise endanger public safety, economic vitality and the natural and built environments. To address these challenges and protect the people of Virginia, the Commonwealth must be able to use all available tools to combat climate change.

These tools include the ability to adopt regulations, rules, and guidance that mitigate the impacts of climate change by reducing carbon pollution in the Commonwealth. The Governor and state agencies should not be limited in their ability to protect the environment and in turn, the citizens of the Commonwealth.

America's leaders have taken several bipartisan actions to protect human health from air pollution, as they did with the Clean Air Act of 1970 and the amendments to it in 1977 and 1990. Slowing climate change and reducing its potentially devastating impacts should be no different, especially in a Commonwealth that faces some of the worst climate-related challenges of any state.

Like other air pollutants, the emissions that cause climate change do not respect state lines, district lines, or other political boundaries. In the absence of a federal plan, Virginia is obligated to join other states and face this threat to our collective public safety and economic health.
Finally, House Bill 2269 violates two provisions of the Virginia Constitution: Article III, Section 1 (Separation of Powers) and Article IV, Section 11 (Enactment of Laws).

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2270 (twenty-two, seventy) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 19, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2270, which imposes an unnecessary requirement upon localities regarding the enforcement of federal immigration laws.

Local and regional correctional facilities have, and should retain, discretion to determine how they choose to engage with federal immigration agencies. This legislation impedes decision-making by administrators of these facilities by eliminating that discretion.

Public safety agencies across the Commonwealth have a long tradition of engaging in community policing strategies, and many have recognized how important it is to develop a relationship with immigrant communities in order to keep all of those who live within the locality safe. The safety of our communities requires that all people, whether they are documented or not, feel comfortable, supported and protected by our public safety agencies.

There are many actions we can take to support public safety and keep Virginians safe. Eliminating local discretion and impeding local decision-making are not appropriate options. Were it to become law, this bill would send a clear message to people across the Commonwealth that our public safety agencies are to be feared and avoided rather than trusted and engaged.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

Delegate Poindexter moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

The vote required by the Constitution, this being an act requiring a two-thirds affirmative vote of the members present, was recorded as follows:

Not Voting–Bloxom, Bulova–2.

H.B. 2611 (twenty-six, eleven) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 14, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2611. This bill would prohibit the Governor, local governments, and a majority of those voting in the General Assembly from enacting or entering any regional program to reduce carbon dioxide air pollution from power plants unless explicitly authorized by a super-majority (two-thirds) vote of the General Assembly.

Climate change, extreme weather, and sea level rise endanger public safety, economic vitality and the natural and built environments. To address these challenges and protect the people of Virginia, the Commonwealth must be able to use all available tools to combat climate change.

These tools include the ability to adopt regulations, rules, and guidance that mitigate the impacts of climate change by reducing carbon pollution in the Commonwealth. In addition, allowing energy producers to comply with regulation through credit trading would lessen costs to producers and consumers while generating revenue that could be spent to make Virginia more resilient to extreme weather events, sea level rise, and flooding.

We should not be limited in our ability to protect the environment and in turn, the citizens of the Commonwealth.

Further, House Bill 2611 violates two provisions of the Virginia Constitution: Article III, Section 1 (Separation of Powers) and Article IV, Section 11 (Enactment of Laws).

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2749 (twenty-seven, forty-nine) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 22, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2749. This bill would require the Department of Social Services to report to the General Assembly the number of reported violations of restrictions on the use of Temporary Assistance for Needy Families (TANF) cash assistance (42 U.S.C. § 601 et seq.).

House Bill 2749 is a solution looking for a problem. There is no evidence to suggest TANF violations are an issue. In fact, Department data shows that less than 0.2% of transactions are possibly in this category. Therefore, the only purpose of this bill is to codify a false and discriminatory stereotype about hard-working Virginia families who may temporarily need cash assistance.
The mission of the Department of Social Services is to help Virginians triumph over poverty, abuse, and neglect, and its time and resources are more effectively directed to support strong and resilient families. Our administration continues to focus on this important mission and welcomes bipartisan cooperation in its pursuit.

Accordingly, I veto the bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2764 (twenty-seven, sixty-four) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 22, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2764. This legislation would have required a person who assists an individual with a voter registration application or collects completed applications to provide their name, telephone number, and name of the group or organization with which they are affiliated.

Virginia law already requires the individual or group assisting applicants with voter registrations to provide the applicant a receipt with their name and contact information, and including this individual's information on the actual voter registration application is unnecessary. If this contact information is missing from the application, it could potentially lead to denied or delayed applications. Eligible voters should not have their constitutional right challenged because their application did not include contact information for the volunteer who assisted them in their registration.

This legislation places an additional, unnecessary, and burdensome requirement on those facilitating or participating in voter registration drives. The exercise of voting rights is fundamental to the strength of our democracy, and at every opportunity, Virginia must strongly depart from its history of mounting obstacles to the voting booth. We must clearly demonstrate that the registration of eligible voters in the Commonwealth is welcomed and encouraged.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

A BILL to amend and reenact §§ 24.2-304.1, 24.2-307, and 24.2-308 of the Code of Virginia, relating to election districts; requirements for precincts; remedying split precincts.

The House proceeded to reconsider the bill.

Delegate Orrock raised a point of order that the bill as sent to the Governor dealt with one specific Code section and minor adjustments subsequent to redistricting, while the Governor’s recommendation dealt with the redistricting process and a different Code section, and would inquire as to whether the recommendation was germane.

The Speaker stated that the Governor's recommendation was germane and the Chair would so rule.

B. The fee imposed by this section shall not be applicable to farm motor vehicles used exclusively for farm use, as defined in § 46.2-698.

C. Beginning July 1, 2019, the fee per thousand pounds of gross weight charged pursuant to § 46.2-697 for both private carriers and for-rent or for-hire carriers shall be based on the rate schedule for for-rent or for-hire carriers.

§ 46.2-698. Fees for farm vehicles.

A. The fees for registration of farm motor vehicles having gross weights of 7,500 pounds or more, when such vehicles are used exclusively for farm use as defined in this section, shall be one-half of the fee per 1,000 pounds of gross weight for private carriers as calculated under the provisions of § 46.2-697, as in effect on January 1, 2019 and notwithstanding the provisions of subsection C of § 46.2-697.2, and one-half of the fee for overload permits under § 46.2-1128, but the annual registration fee to be paid for each farm vehicle shall not be less than $15.

B. A farm motor vehicle is used exclusively for farm use:

1. When owned by a person who is engaged either as an owner, renter, or operator of a farm of a size reasonably requiring the use of such vehicle or vehicles and when such vehicle is:
   a. Used in the transportation of agricultural products of the farm he is working to market, or to other points for sale or processing, or when used to transport materials, tools, equipment, or supplies which are to be used or consumed on the farm he is working, or when used for any other transportation incidental to the regular operation of such farm;
   b. Used in transporting forest products, including forest materials originating on a farm or incident to the regular operation of a farm, to the farm he is working or transporting for any purpose forest products which originate on the farm he is working; or
   c. Used in the transportation of farm produce, supplies, equipment, or materials to a farm not worked by him, pursuant to a mutual cooperative agreement.

The above information is not required for the renewal of a vehicle's registration under this section.
E. The Department shall issue appropriately designated license plates for those motor vehicles registered under this section. The manner in which such license plates are designated shall be at the discretion of the Commissioner.

F. The owner of a farm vehicle shall inform the Commissioner within 30 days or at the time of his next registration renewal, whichever comes first, when such vehicle is no longer used exclusively for farm use as defined in this section, and shall pay the appropriate registration fee for the vehicle based on its type of operation. It shall constitute a Class 2 misdemeanor to: (i) operate or to permit the operation of any farm motor vehicle for which the fee for registration and license plates is herein prescribed on any highway in the Commonwealth without first having paid the prescribed registration fee; or (ii) operate or permit the operation of any motor vehicle, registered under this section, for purposes other than as provided under subsection B; or (iii) operate as a for-hire vehicle.

G. Nothing in this section shall affect the exemptions of agricultural and horticultural vehicles under §§ 46.2-664 through 46.2-670.

H. Notwithstanding other provisions of this section, vehicles licensed under this section may be used by volunteer emergency medical services personnel and volunteer firefighters in responding to emergency calls, in reporting for regular duty, and in attending emergency medical services agency or fire company meetings and drills.

§ 46.2-702.1:1. Distribution of certain other revenues.
A. Except as provided in subsection B, net additional revenues shall be deposited as follows: (i) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net additional revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway.

B. In the case of vehicles registered under the International Registration Plan, an amount that is approximately equal to the net additional revenues attributable to such vehicles shall be deposited as follows: (i) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net additional revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure
for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway.

C. For purposes of this section, "net additional revenues" means the additional revenues, minus any refunds or remittances required to be paid, generated by (i) the additional fee imposed pursuant to subsection A of § 46.2-697.2 and (ii) increases in the registration fees under § 46.2-697 made pursuant to subsection B of § 46.2-697.2.

B. 1. The tax shall be imposed on each gallon of fuel, other than diesel fuel, sold by a distributor to a retail dealer for retail sale in any such county or city described in subsection A at a rate of 2.1 percent of the statewide average distributor price of a gallon of unleaded regular gasoline as determined by the Commissioner pursuant to subdivision C 1. For alternative fuels other than liquid alternative fuels, the Commissioner shall determine an equivalent tax rate based on gasoline gallon equivalency.
2. The tax shall be imposed on each gallon of diesel fuel sold by a distributor to a retail dealer for retail sale in any such county or city described in subsection A at a rate of 2.1 percent of the statewide average distributor price of a gallon of diesel fuel as determined by the Commissioner pursuant to subdivision C 2.

C. 1. To determine the statewide average distributor price of a gallon of unleaded regular gasoline, the Commissioner shall use the period from June 1 through November 30, inclusive, as the base period for such determination for the immediately following period beginning January 1 and ending June 30, inclusive. The Commissioner shall use the period from December 1 through May 31, inclusive, as the base period for the determination of the rate of tax for the immediately following period beginning July 1 and ending December 31, inclusive. In no case shall the statewide average distributor price of a gallon of unleaded regular gasoline determined for purposes of this section be less than the statewide average wholesale price of a gallon of unleaded regular gasoline on February 20, 2013, plus a distributor charge calculated by the Commissioner for that date.

2. To determine the statewide average distributor price of a gallon of diesel fuel, the Commissioner shall use the period from June 1 through November 30, inclusive, as the base period for such determination for the immediately following period beginning January 1 and ending June 30, inclusive. The Commissioner shall use the period from December 1 through May 31, inclusive, as the base period for the determination of the rate of tax for the immediately following period beginning July 1 and ending December 31, inclusive. In no case shall the statewide average distributor price of a gallon of diesel fuel determined for purposes of this section be less than the statewide average wholesale price of a gallon of diesel fuel on February 20, 2013, plus a distributor charge calculated by the Commissioner for that date.

D. The tax levied under this section shall be imposed at the time of sale by the distributor to the retail dealer.

E. The tax imposed by this section shall be paid by the distributor, but the distributor shall separately state the amount of the tax and add such tax to the price or charge. Thereafter, such tax shall be debt from the retail dealer to the distributor until paid and shall be recoverable at law in the same manner as other debts. No action at law or suit in equity under this chapter shall be maintained in the Commonwealth by any distributor who is not registered under § 58.1-2299.2 or is delinquent in the payment of taxes imposed under this chapter.

F. Nothing in this section shall be construed to exempt the imposition and remittance of tax pursuant to this section in a sale to a retail dealer in which the distributor and the retail dealer are the same person.

G. Notwithstanding any other provision of law, no tax shall be imposed by the provisions of subdivision A 2 of § 58.1-2295 on any fuel upon which a tax is paid pursuant to this section.

§ 58.1-2299.20. (Contingent expiration date) Disposition of tax revenues.

§ 58.1-2299.20. (Contingent effective date) Disposition of tax revenues.

All-1. Except as provided in subsection B, all taxes, interest, and civil penalties paid to the Commissioner pursuant to this chapter, after subtraction of the direct costs of administration by the Department, shall be deposited in a special fund entitled the "Special Fund Account of the Transportation District of ____." The amounts deposited in the special fund shall be distributed monthly to the applicable transportation district commission of which the county or city is a member to be applied to the operating deficit, capital, and debt service of the mass transit system of such district or, in the case of a transportation district subject to the provisions of subsection C of § 33.2-1915, to be applied to and expended for any transportation purpose of such district. transportation purpose of such jurisdiction. The direct costs of administration shall be credited to the funds appropriated to the Department.

B. All taxes, interest, and civil penalties paid to the Commissioner pursuant to this chapter for the sale of fuels at wholesale to retail dealers for retail sale in any county or city set forth in § 58.1-2295.1, after subtraction of the direct costs of administration by the Department, shall be deposited into the Interstate 81 Corridor Improvement Fund established pursuant to Chapter 36 (§ 33.2-3600) of Title 33.2.

22. At the beginning of line 109, enrolled insert § 58.1-2701. Amount of tax.

A. Except as provided in subsection B, C, every motor carrier shall pay a road tax per gallon equivalent to the cents per gallon credit for diesel fuel as determined under subsection A of § 58.1-2706 for the relevant period plus an additional amount per gallon, as determined by subsection B, calculated on the amount of motor fuel, diesel fuel or liquefied gases (which would not exist as liquids at a temperature of 60 degrees Fahrenheit and a pressure of 14.7 pounds per square inch absolute), used in its operations within the Commonwealth. The tax imposed by this chapter shall be in addition to all other taxes of whatever character imposed on a motor carrier by any other provision of law.

B. The additional amount per gallon shall be determined by the Commissioner annually, effective July 1 of each year. On July 1, 2019, the additional amount per gallon shall be calculated by multiplying the average fuel economy by $0.01125. On July 1, 2020, and each July 1 thereafter, the additional amount per gallon shall be calculated by multiplying the average fuel economy by $0.0225. The additional amount per gallon shall be rounded to the nearest one-tenth of a cent. For purposes of this subsection, "average fuel economy" shall be calculated by dividing the total taxable miles driven in the Commonwealth by the total taxable gallons of fuel consumed in the Commonwealth, as reported in IFTA returns in the preceding taxable year.

C. In lieu of the tax imposed in subsection A, motor carriers registering qualified highway vehicles that are not registered under the International Registration Plan shall pay a fee of $150 per year for each qualified highway vehicle regardless of whether such vehicle will be included on the motor carrier's IFTA return. For the period of July 1, 2019, through June 30, 2020, the fee shall be adjusted based on the percent change in the road tax imposed pursuant to subsection A from June 30, 2019, to July 1, 2019. The Commissioner shall adjust the fee annually on July 1 of every year thereafter based on the percentage change in the road tax imposed pursuant to subsection A for the previous fiscal year as compared to the current fiscal year. The fee is due and payable when the vehicle registration fees are paid pursuant to the provisions of Article 7 (§ 46.2-685 et seq.) of Chapter 6 of Title 46.2. If a vehicle becomes a qualified highway vehicle before the end of its registration period, the fee due at the time the vehicle becomes a qualified highway vehicle shall be prorated monthly to the registration expiration month. Fees paid under this subsection shall not be refunded unless a full refund of the registration fee paid is authorized by law.

C. All D. 1. Except as provided in subdivision 2, all taxes and fees paid under the provisions of this chapter shall be credited to the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530, a special fund within the Commonwealth Transportation Fund.

2. The net additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly shall be deposited as follows: (i) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation
Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net revenues
to the Commonwealth Transportation Board for use for operational improvements and
other enhancements to improve the safety and reliability of, and travel flow along,
interstate highway corridors in the Commonwealth. The Board shall ensure that for any
interstate highway with more than 10 percent of total interstate truck vehicle miles traveled
that the total long-term expenditure for each such interstate highway is approximately
equal to the proportional revenue subject to clause (iii) that is attributable to such
interstate highway. For purposes of this subdivision, "net additional revenues" means the
additional revenues generated by this section pursuant to enactments of the 2019 Session
of the General Assembly, minus any refunds or remittances required to be paid.

of such additional revenues for any non-transportation-related purpose or transfers any of such
additional revenues that are to be deposited into the Commonwealth Transportation Fund or any

The House proceeded to reconsider the bill.

Delegate Ware raised a point of order as to whether the Governor's recommendation was germane.

The Speaker stated that the bill, as passed by the General Assembly, addressed the safety issue of any
person holding a handheld personal communications device in his hand while driving a motor vehicle in a
highway work zone with certain exceptions.

The Speaker stated further that the Governor's recommendation went well beyond this purpose by
preventing any person from holding a handheld communications device while driving a motor vehicle on any
of the highways of the Commonwealth with certain exceptions.

The Speaker stated finally that the Governor's recommendation was not germane and the Chair would so rule.

Delegate Simon propounded a parliamentary inquiry as to whether, because of the Speaker's ruling, the
bill was effectively killed or if it would be returned to the Governor for his action.

The Speaker stated that the bill would be returned to the Governor in the enrolled form at which time he
would make a decision on what final action to take on the bill.

Delegate Simon propounded a further parliamentary inquiry as to whether the only way for the House to
debate the Speaker's ruling on the bill was to appeal the ruling of the Chair pursuant to House Rule 53.

The Speaker stated that the Delegate was correct.

The bill was returned to the Governor.

[S.B. 1768 was signed by the Governor on April 29, 2019, and became Chapter 849 of the 2019 Regular Session
Acts of Assembly.]

Delegate Peace moved that when the House adjourns today, it adjourn in the honor and memory of Alan and
Holly Nicolette.
