a.1) Out of this appropriation, \$130,305,448 the second year from the general fund and \$432,516 the second year from the Lottery Proceeds Fund is provided for the state share of a payment equivalent to a 3.0 percent salary incentive increase, effective July 1, 2019, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium. This amount includes \$556,869 the second year from the general fund referenced in paragraph C. 28. h. for the Academic Year Governor's Schools for a 3.0 percent salary incentive increase, effective July 1, 2019, for instructional and support positions, and this amount includes \$432,516 the second year from the Lottery Proceeds Fund referenced in paragraph C. 9. f. 4) for Regional Alternative Education Programs for a 3.0 percent salary incentive increase, effective July 1, 2019, for instructional and support positions.

2) It is the intent that the instructional and support position salaries be increased in school divisions throughout the state by at least an average of 3.0 percent during the 2018-2020 biennium. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 3.0 percent salary increase for funded SOQ instructional and support positions, effective July 1, 2019, to school divisions which certify to the Department of Education, by June 1, 2019, that salary increases of a minimum average of 3.0 percent have been or will have been provided during the 2018-2020 biennium, either in the first year or in the second year or through a combination of the two years, to instructional and support personnel.

b.1) In addition to the compensation provisions in paragraphs C. 39. a.1) and 2) , the appropriation in this item includes \$72,536,713 the second year from the general fund and \$240,697 the second year from the Lottery Proceeds Fund for the state share of a payment equivalent to a 2.0 percent salary incentive increase, effective September 1, 2019, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium. This amount includes \$310,001 the second year from the general fund referenced in paragraph C. 28. h. for the Academic Year Governor's Schools for an additional 2.0 percent salary incentive increase, effective September 1, 2019, for instructional and support positions, and this amount includes the \$240,697 second year from the Lottery Proceeds Fund referenced in paragraph C. 9. f. 4) for Regional Alternative Education Programs for an additional 2.0 percent salary incentive increase, effective September 1, 2019, for instructional and support positions.

2) It is the intent that the instructional and support position salaries be increased in school divisions throughout the state by at least an average of 2.0 percent during the second year, on or before September 1, 2019. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 2.0 percent salary increase for funded SOQ instructional and support positions, effective September 1, 2019, to school divisions which certify to the Department of Education, by June 1, 2019, that additional salary increases of a minimum average of 2.0 percent will have been provided in the second year to instructional and support personnel on or before September 1, 2019, that is in addition to the 3.0% salary increase pursuant to paragraph C.39. a.1) and 2). of this item.

3) In order to be eligible to receive the state's share of up to an additional 2.0 percent salary increase in the second year, school divisions must provide up to a 2.0 percent salary increase in the second year effective by September 1, 2019, to instructional and support personnel. Any salary increase provided by a school division in the first year that was in excess of 3.0 percent prescribed in paragraphs C. 39. a.1) and 2), shall not count toward or be applied toward the local requirements for any portion of the additional 2.0 percent salary increase provided for in the second year.

c. This funding is not intended as a mandate to increase salaries."

Explanation:

(This amendment adjusts the funding for salary incentives such that school divisions will have a number of percent options to offer pay increases to employees. The base budget includes \$131 million in the second year for a 3.0 percent salary incentive pay increase with an effective date of July 1, 2019. The state share of the 3.0 percent salary increase would be given to school divisions that certify that they will provide at least 3.0 percent in either the first or second year or through a combination over both years. This amendment adds an additional 2.0 percent increase with an effective date of September 1, 2019. The state share of the 2.0 percent salary increase would be given to school divisions that certify that they will provide at least a 2.0 percent salary increase by September 1, 2019. In determining cost savings for each model considered, the actuary shall consider factors including rebates captured by the Commonwealth, decreased capitation rates, drug ingredient costs, generic drug dispensing, dispensing fees, drug utilization, and a single drug formulary (including the existing Common Core Formulary). The department shall report its findings to the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2019.

2. Upon approval of the 2020 General Assembly, the department may permit Medicaid managed care organizations (MCOs) under the Commonwealth's Children's Health Insurance Programs, Medallion 4.0, the Commonwealth Coordinated Care Plus or any other program managed or directed by the department, to develop and implement the most cost-effective pharmacy benefit delivery model including medication therapy management programs and medication reconciliation programs, for Medicaid recipients effective as of July 1, 2020. Out of this appropriation, \$87,500 from the general fund and \$262,500 from nongeneral funds the second year, shall be provided for support of the All Payer Claims Database operated by Virginia Health Information. This appropriation is contingent on federal approval of an Operational Advanced Planning Document."

Explanation:

(This amendment provides \$87,500 from the general fund and \$262,500 from federal Medicaid matching funds to support the All Payer Claims Database (APCD). House Bill 2798 and Senate Bill 1216 make participation in the APCD mandatory. This amendment allows the Department of Medical Assistance Services (DMAS) to access enhanced federal funding to support its use of the APCD. Medicaid can use enhanced federal funding at a 75 percent federal matching rate to support the maintenance and operations of the APCD. At least seven other states (Oregon, Florida, New York, Colorado, Rhode Island, Utah and New Hampshire) currently pay for a portion of the maintenance and operations of their APCD using Medicaid enhanced federal funding. Furthermore, the Centers for Medicare and Medicaid Services (CMS) has confirmed that this type of funding can be available to Virginia's APCD if DMAS submits and CMS approves an Operational Advanced Planning Document (O-APD) for the project and payments. This amount is proportional to the volume of APCD claims that are associated with Virginia Medicaid members.)

The Department of Medical Assistance Services shall require the managed care organizations to report encounter data impacting Community Services Boards on a monthly basis, with the data submitted no later than 20 days after the end of each month in order to determine the revenue impact to fulfill the intent of this paragraph."

Explanation:

(This amendment modifies language in the introduced budget which allows the Department of Behavioral Health and Developmental Services to provide funding from special fund balances at the end of the fiscal year to CSBs in circumstances where a CSB's additional fiscal year 2019 Medicaid reimbursements do not reach at least 90 percent of the general fund reductions assumed in Chapter 2 for fiscal year 2019. Language allows that assistance to be provided prior to the end of the fiscal year so that the provision of critical services is not disrupted. The amendment also clarifies that assistance may be provided to an individual CSB rather than requiring that Medicaid reimbursements to all CSBs fall short of general fund reductions before assistance may be provided. The amendment requires the department to report to the Secretary of Finance and the Chairmen of the House Appropriations and Senate Finance Committees on how the expected general fund savings compare to actual Medicaid payments for fiscal year 2019 so that the expected general fund savings in fiscal year 2020 may be adjusted in amendments to the biennial budget during the 2020 Session of the General Assembly, if necessary.)

The Bipartisan Budget Act of 2018 (P.L. 115-123) increased the annual fee from \$25 to \$35 for individuals receiving child support enforcement services who have never received Temporary Assistance for Needy Families assistance and for whom the state collects more than \$550 annually in child support.)

The report shall be submitted to the Chairmen of the House Appropriations and Senate Finance Committees."

Explanation:

(This amendment eliminates language that imposes a cap of 60 on the number of Auxiliary Grant recipients in supportive housing slots. House Bill 2017 and Senate Bill 1286 allow individuals receiving an Auxiliary Grant to select supportive housing without any requirement to make such selection. In addition, the legislation raises the cap on supportive housing slots to 90 slots and allows for up to 120 slots, if the waiting list for supportive housing for auxiliary grant recipients maintained by the Department of Behavioral Health and Developmental Services consists of 30 individuals or more on October 1, 2020. The state provides 80 percent of the funding for an Auxiliary Grant and localities provide 20 percent of the funding. No additional funding is needed to support the cost to provide an Auxiliary Grant to the additional individuals, who may select supportive housing pursuant to the legislation, because the Auxiliary Grant program expenditures continue to decline and the budget is sufficient. Language is added to require reporting of the number of individuals in an Auxiliary Grant supportive housing slot that were discharged from a state behavioral health hospital in the prior 12 months.)

proper proportionate amount received by him in the ratio that the school age population of each such town bears to the school age population of the entire county, based on the latest estimate provided by the Weldon Cooper Center for Public Service. The preceding requirement pertaining to the time interval between compliance with election provisions and adoption of the sales tax ordinance shall not apply to a tier-city. If the school age population of any such town not constituting a separate special school district is increased by the annexation of territory or otherwise since the last estimate of school age population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such estimate and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.

I. Notwithstanding the provisions of subsection H, the board of supervisors of a county may, in its discretion, appropriate funds to any incorporated town not constituting a separate school district within such county which has not complied with the provisions of its charter relating to the elections of its council and mayor, an amount not to exceed the amount it would have received from the tax imposed by this chapter if such election had been held.

J. It is further provided that if any incorporated town which would otherwise be eligible to receive funds from the county treasurer under subsection G or H of this section be located in a county which does not levy a general retail sales tax under the provisions of this law, such town may levy a general retail sales tax at the rate of one percent to provide revenue for the general fund of the town, subject to all the provisions of this section generally applicable to cities and counties. Any tax levied under the authority of this subsection shall in no case continue to be levied on or after the effective date of a county ordinance imposing a general retail sales tax in the county within which such town is located.

§ 58.1-612. Tax collectible from dealers; "dealer" defined; jurisdiction.

A. The tax levied by §§ 58.1-603 and 58.1-604 shall be collectible from all persons ~~who that~~ are dealers, as hereinafter defined in this section, and ~~who that~~ have sufficient contact with the Commonwealth to qualify under (i) subsections ~~(4)~~ B and C or (ii) subsections B and D.

B. ~~The term "dealer," as~~ As used in this chapter, ~~shall include~~ "dealer" includes every person ~~who that~~:

4. Has sold at retail, used, consumed, distributed, or stored for use or consumption in this Commonwealth, tangible personal property and ~~who that~~ cannot prove that the tax levied by this chapter has been paid on the sale at retail, the use, consumption, distribution, or storage of such tangible personal property;
5. Leases or rents tangible personal property for a consideration, permitting the use or possession of such property without transferring title thereto;
6. Is the lessee or rentee of tangible personal property and ~~who that~~ pays to the owner of such property a consideration for the use or possession of such property without acquiring title thereto;

8. Becomes liable to and owes this Commonwealth any amount of tax imposed by this chapter, whether ~~he~~ it holds, or is required to hold, a certificate of registration under § 58.1-613.

C. A dealer shall be deemed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 if ~~he~~ it:

1. Maintains or has within this Commonwealth, directly or through an agent or subsidiary, an office, warehouse, or place of business of any nature;
2. Solicits business in this Commonwealth by employees, independent contractors, agents or other representatives;
3. Advertises in newspapers or other periodicals printed and published within this Commonwealth, on billboards or posters located in this Commonwealth, or through materials distributed in this Commonwealth by means other than the United States mail;

7. Is owned or controlled by the same interests which own or control a business located within this Commonwealth;

11. *Engages in 200 or more separate retail sales transactions, or other minimum amount as may be required by federal law, in the Commonwealth in the previous or current calendar year, provided that in determining the total number of a dealer's retail sales transactions, the sales made by all commonly controlled persons as defined in subsection D shall be aggregated.*

D. A dealer is presumed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 (unless the presumption is rebutted as provided herein) if any commonly controlled person maintains a distribution center, warehouse, fulfillment center, office, or similar location within the Commonwealth that facilitates the delivery of tangible personal property sold by the dealer to its customers. The presumption in this subsection may be rebutted by demonstrating that the activities conducted by the commonly controlled person in the Commonwealth are not significantly associated with the dealer's ability to establish or maintain a market in the Commonwealth for the dealer's sales. For purposes of this subsection, a "commonly controlled person" means any person that is a member of the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of 1954, as amended or renumbered, as the dealer or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the dealer as a corporation that is a member of the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of 1954, as amended or renumbered.

E. Notwithstanding any other provision of this section, the following shall not be considered to determine whether a person ~~who~~ *that* has contracted with a commercial printer for printing in the Commonwealth is a "dealer" and whether such person has sufficient contact with the Commonwealth to be required to register under § 58.1-613:

1. The ownership or leasing by that person of tangible or intangible property located at the Virginia premises of the commercial printer which is used solely in connection with the printing contract with the person;
2. The sale by that person of property of any kind printed at and shipped or distributed from the Virginia premises of the commercial printer;
3. Activities in connection with the printing contract with the person performed by or on behalf of that person at the Virginia premises of the commercial printer; and
4. Activities in connection with the printing contract with the person performed by the commercial printer within Virginia for or on behalf of that person.

F. In addition to the jurisdictional standards contained in subsections C and D, nothing contained ~~herein~~ *in this chapter* other than *in* subsection E) shall limit any authority ~~which~~ *that* this Commonwealth may enjoy under the provisions of federal law or an opinion of the United States Supreme Court to require the collection of sales and use taxes by any dealer ~~who~~ *that* regularly or systematically solicits sales within this Commonwealth. Furthermore, nothing contained in subsection C shall require any broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher which broadcasts, publishes, or displays or distributes paid commercial advertising in this Commonwealth which is intended to be disseminated primarily to consumers located in this Commonwealth to report or impose any liability to pay any tax imposed under this chapter solely because such broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher accepted such advertising contracts from out-of-state advertisers or sellers.

~~G. (Contingent effective date) Pursuant to any federal legislation that grants states the authority to require remote sellers to collect sales and use tax, the Commonwealth is authorized, as permitted by such federal legislation, to require collection of sales and use tax by any remote seller, or a single or consolidated provider acting on behalf of a remote seller. If the federal legislation has an exemption for sellers whose sales are less than a minimum amount, then in determining such amount, the sales made by all persons related within the meanings of subsections (b) and (c) of § 267 or § 707(b)(1) of the Internal Revenue Code of 1986 shall be aggregated.~~

§ 58.1-612.1. Tax collectible from marketplace facilitators; "marketplace facilitator" defined.

A. As used in this chapter:

"Marketplace facilitator" means a person that contracts with a marketplace seller to facilitate, for consideration and regardless of whether such consideration is deducted as fees from transactions, the sale of such marketplace seller's products through a physical or electronic marketplace operated by such person. "Marketplace facilitator" does not include a payment processor business appointed by a merchant to handle payment transactions from various channels, such as credit cards and debit cards, and whose sole activity with respect to marketplace sales is to handle transactions between two parties. "Marketplace facilitator" does not include a platform or forum that exclusively provides internet advertising services, including any advertisements that may list products for sale, so long as such platform or forum does not also engage directly or indirectly through one or more commonly controlled persons, as defined in subsection D of § 58.1-612, in the activities described in subsection C.

"Marketplace seller" means a person that is not a commonly controlled person, as defined in subsection D of § 58.1-612, to a marketplace facilitator and that makes sales through any physical or electronic marketplace operated by such marketplace facilitator, even if such seller would not have been required to collect and remit sales and use tax had the sale not been made through such marketplace.

B. The tax levied under this chapter shall be collectible from all persons that are marketplace facilitators that have sufficient contact with Virginia to require registration under subsection C.

C. A marketplace facilitator shall be deemed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 if it meets at least one requirement in each of subdivisions 1, 2, and 3:

1. It engages, either directly or indirectly, through a commonly controlled person as defined in subsection D of § 58.1-612 in any of the following activities:

- a. Transmitting or communicating an offer or acceptance between a purchaser and a marketplace seller;
- b. Owning or operating the infrastructure, whether electronic or physical, or technology that brings purchasers and marketplace sellers together; or
- c. Providing a virtual currency that purchasers are allowed or required to use to purchase products from the marketplace seller;

2. It engages in any of the following activities with respect to a marketplace seller's products:

- a. Payment processing;
- b. Fulfillment or storage;
- c. Listing products for sale;
- d. Setting prices;
- e. Branding sales as those of the marketplace facilitator; or
- f. Providing customer service or accepting or assisting with returns or exchanges; and

3. It establishes economic nexus through either of the following activities:

- a. Facilitating sales in Virginia that, in the aggregate, generate more than \$100,000 in gross revenue, or other minimum amount as may be required by federal law, for such marketplace facilitator. A marketplace facilitator may exceed this threshold based on sales for either the previous or current calendar year. In determining the amount of a marketplace facilitator's gross revenues, the sales made by all commonly controlled persons, as defined in subsection D of § 58.1-612, shall be aggregated; or
- b. Facilitating 200 or more separate retail sale transactions, or other minimum amount as may be required by federal law, in the Commonwealth in the previous or current calendar year. In determining the total number of retail sales transactions attributable to a marketplace facilitator, the sales made by all commonly controlled persons, as defined in subsection D of § 58.1-612, shall be aggregated.

D. 1. A marketplace facilitator shall be considered a dealer for purposes of this chapter and shall collect the tax imposed by this chapter on all transactions that it facilitates through its marketplace.

2. No marketplace seller shall collect sales and use tax on a transaction made through a marketplace facilitator's marketplace.

3. Notwithstanding the provisions of subdivisions 1 and 2, the Department shall allow for a waiver from the requirements of subdivisions 1 and 2 if a marketplace facilitator demonstrates, to the satisfaction of the Commissioner, that either (i) all of its marketplace sellers already are registered dealers under § 58.1-613 or (ii) the marketplace seller has sufficient nexus to require registration under § 58.1-613 and that collection of the tax by the marketplace facilitator for such marketplace seller would create an undue burden or hardship for either party. If such waiver is granted, the tax levied under this chapter shall be collectible from the marketplace seller. The Department shall develop guidelines that establish (a) the criteria for obtaining a waiver pursuant to this section, (b) the process and procedure for a marketplace facilitator to apply for a waiver, and (c) the process for providing notice to an affected marketplace facilitator and marketplace seller of a waiver obtained pursuant to this subdivision.

E. A marketplace facilitator shall be relieved from liability, including penalties and interest, for the incorrect collection or remittance of sales and use tax on transactions it facilitates or for which it is the seller if the error is due to reasonable reliance on (i) an invalid exemption certificate provided by the marketplace seller or the purchaser; (ii) incorrect or insufficient information provided by the Commonwealth; or (iii) incorrect or insufficient information provided by the marketplace seller or purchaser regarding the tax classification or proper sourcing of an item or transaction, provided that the marketplace facilitator can demonstrate it made a reasonable effort to obtain accurate information from the marketplace seller or purchaser. The relief from liability afforded to the marketplace facilitator pursuant to this subsection shall not exceed the total amount of tax due from the marketplace facilitator on the incorrect transaction independent of any penalties or interest that would have otherwise applied. Any deficiency resulting from incorrect information provided by the marketplace seller or as the result of an audit shall be the liability of the marketplace seller.

F. A marketplace facilitator is the sole entity subject to audit by the Department for sales and use tax collection for all transactions facilitated by the marketplace facilitator unless (i) the marketplace facilitator can demonstrate that its failure to collect the proper tax was due to incorrect information provided by the marketplace seller or (ii) the marketplace seller is subject to a waiver granted pursuant to subdivision D 3.

G. If a marketplace facilitator lacks physical presence in the Commonwealth and has both facilitated and made direct sales into the Commonwealth, both types of sales shall be considered in determining whether it has established economic nexus.

H. When a marketplace seller that is not otherwise required to register for the collection of the tax under any of the provisions contained in subdivisions C 1 through 9 of § 58.1-612 makes both direct sales and sales on a marketplace facilitator's marketplace, only the marketplace seller's direct sales shall be considered in determining whether the marketplace seller is required to register for the collection of the tax under subdivision C 10 or 11 of § 58.1-612.

I. No class action shall be brought against a marketplace facilitator in any court of the Commonwealth on behalf of customers arising from or in any way related to an overpayment of sales and use tax collected on sales facilitated by the marketplace facilitator, regardless of whether such claim is characterized as a tax refund claim. Nothing in this subsection shall affect a customer's right to seek a refund on an individual basis. § 58.1-615. (Contingent expiration date) Returns by dealers.

A. Every dealer required to collect or pay the sales or use tax shall, on or before the twentieth day of the month following the month in which the tax shall become effective, transmit to the Tax Commissioner a return showing the gross sales, gross proceeds, or cost price, as the case may be, arising from all transactions taxable under this chapter during the preceding calendar month, and thereafter a like return shall be prepared and transmitted to the Tax Commissioner by every dealer on or before the twentieth day of each month, for the preceding calendar month. In the case of dealers regularly keeping books and accounts on the basis of an annual period which varies 52 to 53 weeks, the Tax Commissioner may make rules and regulations for reporting consistent with such accounting period.

Notwithstanding any other provision of this chapter, a dealer may be required by the Tax Commissioner to file sales or use tax returns on an accounting period less frequent than monthly when, in the opinion of the Tax Commissioner, the administration of the taxes imposed by this chapter would be enhanced. If a dealer is required to file other than monthly, each such return shall be due on or before the twentieth day of the month following the close of the period. Each such return shall contain all information required for monthly returns.

A sales or use tax return shall be filed by each registered dealer even though the dealer is not liable to remit to the Tax Commissioner any tax for the period covered by the return.

The Tax Commissioner shall not require that more than one sales and use tax return per month be filed with the Department by any remote seller or any software provider on behalf of such remote seller.

B. [Expired.]

C. Any return required to be filed with the Tax Commissioner under this section shall be deemed to have been filed with the Tax Commissioner on the date that such return is delivered by the dealer to the commissioner of the revenue or the treasurer for the locality in which the dealer is located and receipt is acknowledged by the commissioner of the revenue or treasurer. The commissioner of the revenue or the treasurer shall stamp such date on the return, and shall mail the return to the Tax Commissioner no later than the following business day. The commissioner of the revenue or the treasurer may collect from the dealer the cost of postage for such mailing.

D. Every dealer ~~who that~~ elects to file a consolidated sales tax return for any taxable period and ~~who that~~ is required to remit payment by electronic funds transfer pursuant to subsection B of § 58.1-202.1 beginning on and after July 1, 2010, shall file ~~his its~~ monthly return using an electronic medium prescribed by the Tax Commissioner. A waiver of this requirement may be granted if the Tax Commissioner determines that it creates an unreasonable burden on the dealer.

§ 58.1-625. (Effective until July 1, 2022) Collection of tax.

A. The tax levied by this chapter shall be paid by the dealer, but the dealer shall separately state the amount of the tax and add such tax to the sales price or charge. Thereafter, such tax shall be a debt from the purchaser, consumer, or lessee to the dealer until paid and shall be recoverable at law in the same manner as other debts. No action at law or suit in equity under this chapter may be maintained in this Commonwealth by any dealer ~~who that~~ is not registered under § 58.1-613 or is delinquent in the payment of the taxes imposed under this chapter.

B. Notwithstanding any exemption from taxes which any dealer now or hereafter may enjoy under the Constitution or laws of this or any other state, or of the United States, such dealer shall collect such tax from the purchaser, consumer, or lessee and shall pay the same over to the Tax Commissioner as herein provided.

C. Any dealer collecting the sales or use tax on transactions exempt or not taxable under this chapter shall transmit to the Tax Commissioner such erroneously or illegally collected tax unless or until ~~he it~~ can affirmatively show that the tax has since been refunded to the purchaser or credited to ~~his its~~ account.

D. 1. Any dealer ~~who that~~ neglects, fails, or refuses to collect such tax upon every taxable sale, distribution, lease, or storage of tangible personal property made by ~~him it, his its~~ agents, or employees shall be liable for and pay the tax ~~himself itself~~; and such dealer shall not thereafter be entitled to sue for or recover in this Commonwealth any part of the purchase price or rental from the purchaser until such tax is paid. Moreover, any dealer ~~who that~~ neglects, fails, or refuses to pay or collect the tax herein provided, either by ~~himself itself~~ or through ~~his its~~ agents or employees, ~~shall be is~~ guilty of a Class 1 misdemeanor.

2. *Notwithstanding subdivision 1, any remote seller or marketplace facilitator that has collected an incorrect amount of sales and use tax shall be relieved from liability for such amount, including any penalty or interest, if the error is a result of the remote seller's or marketplace facilitator's reasonable reliance on information provided by the Commonwealth.*

~~E. (Contingent effective date) Notwithstanding subsection D, any remote seller, single provider, or consolidated provider who has collected an incorrect amount of sales or use tax shall be relieved from liability for such additional amount, including any penalty or interest, if collection of the improper amount is a result of the remote seller, single provider, or consolidated provider's reasonable reliance upon information provided by the Commonwealth, including, but not limited to, any information obtained from software provided by the Department of Taxation pursuant to subsection B of § 58.1-601.~~

~~F. All sums collected by a dealer as required by this chapter shall be deemed to be held in trust for the Commonwealth.~~

F. Notwithstanding the foregoing provisions of this section, any dealer is authorized during the period of time set forth in §§ 58.1-611.2 and 58.1-611.3 or subdivision 18 of § 58.1-609.1 not to collect the tax levied by this chapter or levied under the authority granted in §§ 58.1-605 and 58.1-606 from the purchaser, and to absorb such tax ~~himself itself~~. A dealer electing to absorb such taxes shall be liable for payment of such taxes to the Tax Commissioner in the same manner as ~~he it~~ is for tax collected from a purchaser pursuant to this section.

§ 58.1-625. (Effective July 1, 2022) Collection of tax.

A. The tax levied by this chapter shall be paid by the dealer, but the dealer shall separately state the amount of the tax and add such tax to the sales price or charge. Thereafter, such tax shall be a debt from the purchaser, consumer, or lessee to the dealer until paid and shall be recoverable at law in the same manner as other debts. No action at law or suit in equity under this chapter may be maintained in this Commonwealth by any dealer ~~who that~~ is not registered under § 58.1-613 or is delinquent in the payment of the taxes imposed under this chapter.

B. Notwithstanding any exemption from taxes which any dealer now or hereafter may enjoy under the Constitution or laws of this or any other state, or of the United States, such dealer shall collect such tax from the purchaser, consumer, or lessee and shall pay the same over to the Tax Commissioner as herein provided.

C. Any dealer collecting the sales or use tax on transactions exempt or not taxable under this chapter shall transmit to the Tax Commissioner such erroneously or illegally collected tax unless or until ~~he~~ it can affirmatively show that the tax has since been refunded to the purchaser or credited to ~~his~~ its account.

D. 1. Any dealer ~~who~~ that neglects, fails, or refuses to collect such tax upon every taxable sale, distribution, lease, or storage of tangible personal property made by ~~him~~ it, ~~his~~ its agents, or employees shall be liable for and pay the tax ~~himself~~ itself, and such dealer shall not thereafter be entitled to sue for or recover in this Commonwealth any part of the purchase price or rental from the purchaser until such tax is paid. Moreover, any dealer ~~who~~ that neglects, fails, or refuses to pay or collect the tax herein provided, either by ~~himself~~ itself or through ~~his~~ its agents or employees, ~~shall be~~ is guilty of a Class 1 misdemeanor.

2. *Notwithstanding subdivision 1, any remote seller or marketplace facilitator that has collected an incorrect amount of sales and use tax shall be relieved from liability for such amount, including any penalty or interest, if the error is a result of the remote seller's or marketplace facilitator's reasonable reliance on information provided by the Commonwealth.*

~~E. (Contingent effective date — see Editor's note) Notwithstanding subsection D, any remote seller, single provider, or consolidated provider who has collected an incorrect amount of sales or use tax shall be relieved from liability for such additional amount, including any penalty or interest, if collection of the improper amount is a result of the remote seller, single provider, or consolidated provider's reasonable reliance upon information provided by the Commonwealth, including, but not limited to, any information obtained from software provided by the Department of Taxation pursuant to subsection B of § 58.1-601.~~

~~F. All sums collected by a dealer as required by this chapter shall be deemed to be held in trust for the Commonwealth.~~

F. Notwithstanding the foregoing provisions of this section, any dealer is authorized during the period of time set forth in § 58.1-611.2 not to collect the tax levied by this chapter or levied under the authority granted in §§ 58.1-605 and 58.1-606 from the purchaser, and to absorb such tax ~~himself~~ itself. A dealer electing to absorb such taxes shall be liable for payment of such taxes to the Tax Commissioner in the same manner as ~~he~~ it is for tax collected from a purchaser pursuant to this section.

§ 58.1-635. (Contingent expiration date) Failure to file return; fraudulent return; civil penalties.

A. When any dealer fails to make any return and pay the full amount of the tax required by this chapter, there shall be imposed, in addition to other penalties provided herein, a specific penalty to be added to the tax in the amount of six percent if the failure is for not more than one month, with an additional six percent for each additional month, or fraction thereof, during which the failure continues, not to exceed ~~thirty~~ 30 percent in the aggregate. In no case, however, shall the penalty be less than ~~ten dollars~~ \$10 and such minimum penalty shall apply whether or not any tax is due for the period for which such return was required. If such failure is due to providential or other good cause shown to the satisfaction of the Tax Commissioner, such return with or without remittance may be accepted exclusive of penalties. In the case of a false or fraudulent return where willful intent exists to defraud the Commonwealth of any tax due under this chapter, or in the case of a willful failure to file a return with the intent to defraud the Commonwealth of any such tax, a specific penalty of ~~fifty~~ 50 percent of the amount of the proper tax shall be assessed. All penalties and interest imposed by this chapter shall be payable by the dealer and collectible by the Tax Commissioner in the same manner as if they were a part of the tax imposed.

B. It shall be prima facie evidence of intent to defraud the Commonwealth of any tax due under this chapter when any dealer reports ~~his~~ its gross sales, gross proceeds or cost price, as the case may be, at ~~fifty~~ 50 percent or less of the actual amount.

C. Interest at a rate determined in accordance with § 58.1-15, shall accrue on the tax until the same is paid, or until an assessment is made, pursuant to § 58.1-15, after which interest shall accrue as provided therein.

D. Notwithstanding any other provision of this section, any remote seller or marketplace facilitator that has collected an incorrect amount of sales and use tax shall be relieved from liability for such amount, including any penalty or interest, if the error is a result of the remote seller's or marketplace facilitator's reasonable reliance on information provided by the Commonwealth.

6. That § 58.1-638 of the Code of Virginia is amended and reenacted as follows:

58.1-638. Disposition of state sales and use tax revenue.

A. The Comptroller shall designate a specific revenue code number for all the state sales and use tax revenue collected under the preceding sections of this chapter.

1. The sales and use tax revenue generated by the one-half percent sales and use tax increase enacted by the 1986 Special Session of the General Assembly shall be paid, in the manner hereinafter provided in this section, to the Transportation Trust Fund as defined in § 33.2-1524. Of the funds paid to the Transportation Trust Fund, an aggregate of 4.2 percent shall be set aside as the Commonwealth Port Fund as provided in this section; an aggregate of 2.4 percent shall be set aside as the Commonwealth Airport Fund as provided in this section; and an aggregate of 14.7 percent shall be set aside as the Commonwealth Mass Transit Fund as provided in this section. The Fund's share of such net revenue shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

2. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Port Fund.

a. The Commonwealth Port Fund shall be established on the books of the Comptroller and the funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall remain in the Fund and be credited to it. Funds may be paid to any authority, locality or commission for the purposes hereinafter specified.

b. The amounts allocated pursuant to this section shall be allocated by the Commonwealth Transportation Board to the Board of Commissioners of the Virginia Port Authority to be used to support port capital needs and the preservation of existing capital needs of all ocean, river, or tributary ports within the Commonwealth. Expenditures for such capital needs are restricted to those capital projects specified in subsection B of § 62.1-132.1.

c. Commonwealth Port Fund revenue shall be allocated by the Board of Commissioners to the Virginia Port Authority in order to foster and stimulate the flow of maritime commerce through the ports of Virginia, including but not limited to the ports of Richmond, Hopewell, and Alexandria.

3. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be part of the Transportation Trust Fund and which shall be known as the Commonwealth Airport Fund. The Commonwealth Airport Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on the funds shall be credited to the Fund. The funds so allocated shall be allocated by the Commonwealth Transportation Board to the Virginia Aviation Board. The funds shall be allocated by the Virginia Aviation Board to any Virginia airport which is owned by the Commonwealth, a governmental subdivision thereof, or a private entity to which the public has access for the purposes enumerated in § 5.1-2.16, or is owned or leased by the Metropolitan Washington Airports Authority (MWAA), as follows:

Any new funds in excess of \$12.1 million which are available for allocation by the Virginia Aviation Board from the Commonwealth Transportation Fund, shall be allocated as follows: 60 percent to MWAA, up to a maximum annual amount of \$2 million, and 40 percent to air carrier airports as provided in subdivision A 3 a. Except for adjustments due to changes in enplaned passengers, no air carrier airport sponsor, excluding MWAA, shall receive less funds identified under subdivision A 3 a than it received in fiscal year 1994-1995.

Of the remaining amount:

a. Forty percent of the funds shall be allocated to air carrier airports, except airports owned or leased by MWAA, based upon the percentage of enplanements for each airport to total enplanements at all air carrier airports, except airports owned or leased by MWAA. No air carrier airport sponsor, however, shall receive less than \$50,000 nor more than \$2 million per year from this provision.

b. Sixty percent of the funds shall be allocated as follows:

(1) For the first six months of each fiscal year, the funds shall be allocated as follows:

(a) Forty percent of the funds shall be allocated by the Aviation Board for air carrier and reliever airports on a discretionary basis, except airports owned or leased by MWAA; and

(b) Twenty percent of the funds shall be allocated by the Aviation Board for general aviation airports on a discretionary basis; and

(2) For the second six months of each fiscal year, all remaining funds shall be allocated by the Aviation Board for all eligible airports on a discretionary basis, except airports owned or leased by MWAA.

3a. There is hereby created in the Department of the Treasury a special nonreverting fund that shall be a part of the Transportation Trust Fund and that shall be known as the Commonwealth Space Flight Fund. The Commonwealth Space Flight Fund shall be established on the books of the Comptroller and the funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall remain in the Fund and be credited to it.

a. The amounts allocated to the Commonwealth Space Flight Fund pursuant to § 33.2-1526 shall be allocated by the Commonwealth Transportation Board to the Board of Directors of the Virginia Commercial Space Flight Authority to be used to support the capital needs, maintenance, and operating costs of any and all facilities owned and operated by the Virginia Commercial Space Flight Authority.

b. Commonwealth Space Flight Fund revenue shall be allocated by the Board of Directors to the Virginia Commercial Space Flight Authority in order to foster and stimulate the growth of the commercial space flight industry in Virginia.

4. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Mass Transit Fund.

a. The Commonwealth Mass Transit Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of the biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall be credited to the Fund.

b. The amounts allocated pursuant to § 33.2-1526.1 shall be used to support the operating, capital, and administrative costs of public transportation at a state share determined by the Commonwealth Transportation Board, and these amounts may be used to support the capital project costs of public transportation and ridesharing equipment, facilities, and associated costs at a state share determined by the Commonwealth Transportation Board. Capital costs may include debt service payments on local or agency transit bonds.

c. There is hereby created in the Department of the Treasury a special nonreverting fund known as the Commonwealth Transit Capital Fund. The Commonwealth Transit Capital Fund shall be part of the Commonwealth Mass Transit Fund. The Commonwealth Transit Capital Fund subaccount shall be established on the books of the Comptroller and consist of such moneys as are appropriated to it by the General Assembly and of all donations, gifts, bequests, grants, endowments, and other moneys given, bequeathed, granted, or otherwise made available to the Commonwealth Transit Capital Fund. Any funds remaining in the

Commonwealth Transit Capital Fund at the end of the biennium shall not revert to the general fund, but shall remain in the Commonwealth Transit Capital Fund. Interest earned on funds within the Commonwealth Transit Capital Fund shall remain in and be credited to the Commonwealth Transit Capital Fund. Proceeds of the Commonwealth Transit Capital Fund may be paid to any political subdivision, another public entity created by an act of the General Assembly, or a private entity as defined in § 33.2-1800 and for purposes as enumerated in subdivision 7 of § 33.2-1701 or expended by the Department of Rail and Public Transportation for the purposes specified in this subdivision. Revenues of the Commonwealth Transit Capital Fund shall be used to support capital expenditures involving the establishment, improvement, or expansion of public transportation services through specific projects approved by the Commonwealth Transportation Board. The Commonwealth Transit Capital Fund shall not be allocated without requiring a local match from the recipient.

B. The sales and use tax revenue generated by a one percent sales and use tax shall be distributed among the counties and cities of the Commonwealth in the manner provided in subsections C and D.

C. The localities' share of the net revenue distributable under this section among the counties and cities shall be apportioned by the Comptroller and distributed among them by warrants of the Comptroller drawn on the Treasurer of Virginia as soon as practicable after the close of each month during which the net revenue was received into the state treasury. The distribution of the localities' share of such net revenue shall be computed with respect to the net revenue received into the state treasury during each month, and such distribution shall be made as soon as practicable after the close of each such month.

D. The net revenue so distributable among the counties and cities shall be apportioned and distributed upon the basis of the latest yearly estimate of the population of cities and counties ages five to 19, provided by the Weldon Cooper Center for Public Service of the University of Virginia. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for persons who are domiciled in orphanages or charitable institutions or who are dependents living on any federal military or naval reservation or other federal property within the school division in which the institutions or federal military or naval reservation or other federal property is located. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for members of the military services who are under 20 years of age within the school division in which the parents or guardians of such persons legally reside. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for individuals receiving services in state hospitals, state training centers, or mental health facilities, persons who are confined in state or federal correctional institutions, or persons who attend the Virginia School for the Deaf and the Blind within the school division in which the parents or guardians of such persons legally reside. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for persons who attend institutions of higher education within the school division in which the student's parents or guardians legally reside. To such estimate, the Department of Education shall add the population of students with disabilities, ages two through four and 20 through 21, as provided to the Department of Education by school divisions. The revenue so apportionable and distributable is hereby appropriated to the several counties and cities for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, which shall be considered as funds raised from local resources. In any county, however, wherein is situated any incorporated town constituting a school division, the county treasurer shall pay into the town treasury for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, the proper proportionate amount received by him in the ratio that the school population of such town bears to the school population of the entire county. If the school population of any city or of any town constituting a school division is increased by the annexation of territory since the last estimate of school population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school population of such city or town as shown by the last such estimate and a proper reduction made in the school population of the county or counties from which the annexed territory was acquired.

E. Beginning July 1, 2000, of the remaining sales and use tax revenue, the revenue generated by a two percent sales and use tax, up to an annual amount of \$13 million, collected from the sales of hunting equipment, auxiliary hunting equipment, fishing equipment, auxiliary fishing equipment, wildlife-watching equipment, and auxiliary wildlife-watching equipment in Virginia, as estimated by the most recent U.S. Department of the Interior, Fish and Wildlife Service and U.S. Department of Commerce, Bureau of the Census National Survey of Fishing, Hunting, and Wildlife-Associated Recreation, shall be paid into the Game Protection Fund established under § 29.1-101 and shall be used, in part, to defray the cost of law enforcement. Not later than 30 days after the close of each quarter, the Comptroller shall transfer to the Game Protection Fund the appropriate amount of collections to be dedicated to such Fund. At any time that the balance in the Capital Improvement Fund, established under § 29.1-101.01, is equal to or in excess of \$35 million, any portion of sales and use tax revenues that would

have been transferred to the Game Protection Fund, established under § 29.1-101, in excess of the net operating expenses of the Board, after deduction of other amounts which accrue to the Board and are set aside for the Game Protection Fund, shall remain in the general fund until such time as the balance in the Capital Improvement Fund is less than \$35 million.

F. 1. Of the net revenue generated from the one-half percent increase in the rate of the state sales and use tax effective August 1, 2004, pursuant to enactments of the 2004 Special Session I of the General Assembly, the Comptroller shall transfer from the general fund of the state treasury to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund established under § 58.1-638.1 an amount equivalent to one-half of the net revenue generated from such one-half percent increase as provided in this subdivision. The transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund under this subdivision shall be for one-half of the net revenue generated (and collected in the succeeding month) from such one-half percent increase for the month of August 2004 and for each month thereafter.

2. Beginning July 1, 2013, of the remaining sales and use tax revenue, an amount equal to the revenue generated by a 0.125 percent sales and use tax shall be distributed to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund established under § 58.1-638.1, and be used for the state's share of Standards of Quality basic aid payments.

3. For the purposes of the Comptroller making the required transfers under subdivision 1 and 2, the Tax Commissioner shall make a written certification to the Comptroller no later than the twenty-fifth of each month certifying the sales and use tax revenues generated in the preceding month. Within three calendar days of receiving such certification, the Comptroller shall make the required transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund.

G. (Contingent expiration date — see note) Beginning July 1, 2013, of the remaining sales and use tax revenue, an amount equal to the following percentages of the revenue generated by a one-half percent sales and use tax, such as that paid to the Transportation Trust Fund as provided in subdivision A 1, shall be paid to the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530:

1. For fiscal year 2014, an amount equal to 10 percent;
2. For fiscal year 2015, an amount equal to 20 percent;
3. For fiscal year 2016, an amount equal to 30 percent; and
4. For fiscal year 2017 and thereafter, an amount equal to 35 percent.

The Highway Maintenance and Operating Fund's share of the net revenue distributable under this subsection shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

H. (Contingent expiration date — see note) 1. The additional revenue generated by increases in the state sales and use tax from Planning District 8 pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited by the Comptroller in the fund established under § 33.2-2509.

2. The additional revenue generated by increases in the state sales and use tax from Planning District 23 pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited by the Comptroller in the fund established under § 33.2-2600.

3. The additional revenue generated by increases in the state sales and use tax in any other Planning District pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited into special funds that shall be established by appropriate legislation.

4. The net revenues distributable under this subsection shall be computed as an estimate of the net revenue to be received by the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the appropriate funds on the last day of each month.

I. (For contingent expiration date, see Acts 2018, c. 850) The additional revenue generated by increases in the state sales and use tax from the Historic Triangle pursuant to § 58.1-603.2 shall be deposited by the Comptroller as follows: (i) 50 percent shall be deposited into the Historic Triangle Marketing Fund established pursuant to subsection E of § 58.1-603.2; and (ii) 50 percent shall be deposited in the special fund created pursuant to subdivision D 2 of § 58.1-603.2 and distributed to the localities in which the revenues were collected. The net revenues distributable under this subsection shall be computed as an estimate of the net revenues to be received by the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the appropriate funds on the last day of each month.

J. Beginning July 1, 2020, the first \$40 million of sales and use taxes remitted by online retailers with a physical nexus established pursuant to subsection D of § 58.1-612 shall be deposited into the Major Headquarters Workforce Grant Fund established pursuant to § 59.1-284.31.

K. If errors are made in any distribution, or adjustments are otherwise necessary, the errors shall be corrected and adjustments made in the distribution for the next quarter or for subsequent quarters.

~~KL~~. The term "net revenue," as used in this section, means the gross revenue received into the general fund or the Transportation Trust Fund of the state treasury under the preceding sections of this chapter, less refunds to taxpayers."

Explanation:

(This amendment directs the transfer of \$40.0 million from sales tax revenues currently remitted by online retailers with a physical presence in Virginia to the Major Headquarters Workforce Grant Fund established by the 2019 General Assembly.)

Virginia House of Delegates

Dear Mr. Clerk,

Nearly a year ago, I established the House Select Committee on School Safety to review comprehensively state and local policies relating to school security and protection. The Committee operated within its scope and produced two dozen priority recommendations for consideration during the 2019 General Assembly. I am pleased that many of these recommendations were passed by the General Assembly and funded in the amended biennial budget.

Effective this date, I am discontinuing the Select Committee on School Safety as a House standing committee. I want to thank you and your staff for your tireless support of the Committee's work over the past year.

Regards,
/s/ M. Kirkland Cox

The House proceeded to reconsider the bill.

At the request of Delegate Ransone, the amendments were severed.

Delegate Toscano propounded a parliamentary inquiry as to whether it was an automatic right for a member to ask that amendments be severed.

The Speaker stated that if a member requested that amendments be severed, then the amendments were severed, unless the item was a substitute.

Delegate Toscano propounded a further parliamentary inquiry as to whether a motion to call the previous question, if adopted, would negate the member's request to sever the amendments and require that the House vote on the amendments as a block.

The Speaker stated that it would be necessary to suspend the Rules in order to accomplish what the Delegate suggested and that an affirmative vote of two-thirds of the members was necessary.

The House proceeded to consider amendments Nos. 6 and 15 proposed by the Governor.

The question being: Shall the House amend the bill in accordance with amendments Nos. 6 and 15 of the Governor? was put and decided in the affirmative.

H.B. 1700 (seventeen hundred) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 26, 2019

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 1700

I approve the general purpose of this bill, but I am returning it with a request for the adoption of 40 amendments. Although the enrolled bill achieves many of the major objectives I have proposed, I am returning it with amendments to address concerns that I have either noted previously or that have been brought to my attention since your passage of the budget.

A strong economy and changes in federal tax policy presented us with a unique opportunity this year. I am grateful to each member of the House of Delegates and the Senate of Virginia for your dedicated work and your timely passage of the budget. I am pleased that the budget you returned to me reflects many of the initiatives I proposed in the introduced budget.

When I introduced the budget in December, my priorities were threefold: invest in the long-term success of the Commonwealth, provide targeted tax relief to Virginians, and continue to build our cash reserves. I am pleased that the General Assembly has subscribed to these guiding principles.

On the investment side, it is heartening to see that you supported my proposal to provide our teachers with a five percent salary increase and that we are able to identify additional funding for school counselors and our most at-risk students. I appreciate that we agreed to provide additional funding for financial aid for students at our higher education institutions. We also agreed to make a significant investment in expanding broadband access and prioritizing affordable housing and housing stability.

However, I believe we can and should do more in a few key areas. First, I am again proposing \$1.5 million to ensure that each person in Virginia is counted in the upcoming census. An accurate census count is critical to guaranteeing the Commonwealth receives all of the federal funding we are due. Second, I am proposing an additional \$4 million for the Virginia Housing Trust Fund, a critical tool in addressing affordable housing in the Commonwealth. Third, I am proposing funding to enhance the efforts of our Department of Small Business and Supplier Diversity to ensure that small, woman-owned, and minority-owned businesses receive needed support and the chance to successfully compete for procurement opportunities in the Commonwealth.

Finally, I am proposing \$315 million in bond authorization to replace Central State Hospital – this is a need that has been long overlooked and that we are long overdue in addressing.

While we were able to agree on an approach to provide tax relief to Virginians, I believe there is more we can do. I am proposing an amendment that will provide an additional \$17.7 million in tax relief from the Taxpayer Relief Fund to approximately 150,000 hard-working Virginians. This will be done by allowing taxpayers to receive a refund, even if they have received tax credits.

The significant infusion into our cash reserves demonstrates sound fiscal management, and will help ensure that the Commonwealth has the resources to address potential impacts of a slowing or even negative economy that we could face in the future.

I am proposing several language-only amendments that undo restrictions the General Assembly has placed on the use of state funding. Two amendments reverse the unnecessary restriction of state funds for critical healthcare currently provided to Virginia women. Two amendments remove language that would restrict the Commonwealth's ability to join and use proceeds from the Regional Greenhouse Gas Initiative, an important way for us to address the negative effects of climate change.

Finally, I have proposed a language amendment that eliminates the unfair practice of revoking a person's driver's license for failure to pay court fines and fees. This action will help over 600,000 Virginians.

Of the 40 amendments that I am proposing, 12 change spending, 27 are language-only changes, and one increases the available resources. The additional spending is covered in part by using a portion of the unappropriated balance presented to me, a savings in one amendment, and from the normal release of liabilities from prior natural disasters.

The net result of the changes in spending and resources I am recommending would decrease the unappropriated balance from \$7.6 million to \$5.2 million.

Sincerely,
/s/ Ralph S. Northam

Consequently, only revenue in excess of this amount is available for an additional Revenue Reserve Fund deposit above and beyond that which is already appropriated.)

The department shall submit a progress report to the Governor, Chairmen of the House Appropriations and Senate Finance Committees, Secretary of Health and Human Resources, and the Director, Department of Planning and Budget, that describes the program, metrics used to measure results, preliminary results, actual program expenditures, and projected expenditures by July 1, 2019, with a final report on June 30, 2020."

In addition, language is added that requires the Commissioner of DBHDS to review the feasibility of relocating forensic beds away from Central State Hospital (CSH). This analysis shall include a review of the cost, timeline, and workforce impact of relocating CSH's forensic beds to a different location. A separate amendment to Item C-48.10 authorizes construction of a replacement facility at CSH.)

(This amendment removes language directing the Department of Environmental Quality (DEQ) and the Virginia Department of Health (VDH) to establish and lead a stakeholder workgroup to identify avenues for limiting sodium concentration in pre-treatment wastewater before delivery to the Upper Occoquan Service Authority's (UOSA) treatment plant. Permitting authority in this matter belongs to UOSA, rather than to DEQ or VDH. UOSA expects to complete a study for the development of such guidelines in March 2019.  "2. Following the transfers authorized in paragraph F.1. of this section in the second year, the State Comptroller shall transfer \$2,787,795 back to the Department of Motor Vehicles to replace the anticipated loss of driving privilege reinstatement fee revenue."

Explanation:

(This amendment accounts for an anticipated loss of \$2.8 million in revenue to the Department of Motor Vehicles (DMV) due to the removal of driver's license reinstatement fees in a companion amendment in Section 3-6.03. The introduced budget accounted for this loss of revenue by reducing the amount of DMV revenues transferred to the general fund through indirect cost recoveries in FY2020. This adjustment, though, failed to fully free up \$2.8 million of DMV revenues, as language in Item 439 K. allows DMV to distribute a portion of its indirect cost recoveries charges to other state agencies when the charges arise from revenue collection activities for those agencies. Therefore, the benefit to DMV would have been only \$750,998, with six other agencies receiving a portion of the remaining \$2 million. The adjustments proposed in this amendment ensure that DMV will have \$2.8 million in additional revenues to offset any loss of driver's license reinstatement fee revenue. This amendment is technical in that it does not impact the bottom line of the budget since the impact was already anticipated in the introduced and enrolled budgets.)

C. As used in this section, the term "farm" means one or more areas of land used for the production, cultivation, growing, or harvesting of agricultural products, but does not include a tree farm that is not also a nursery or Christmas tree farm, unless it is part of what otherwise is a farm. As used in this section, the term "agricultural products" means any nursery plants; Christmas trees; horticultural, viticultural, and other cultivated plants and crops; aquaculture; dairy; livestock; poultry; bee; or other farm products.

D. The first application for registration of a vehicle under this section shall be made on forms provided by the Department and shall include:

- 1. The location and acreage of each farm on which the vehicle to be registered is to be used;*
- 2. The type of agricultural commodities, poultry, dairy products or livestock produced on such farms and the approximate amounts produced annually;*

3. A statement, signed by the vehicle's owner, that the vehicle to be registered will only be used for one or more of the purposes specified in subsection B; and

4. Other information required by the Department.

The above information is not required for the renewal of a vehicle's registration under this section.

E. The Department shall issue appropriately designated license plates for those motor vehicles registered under this section. The manner in which such license plates are designated shall be at the discretion of the Commissioner.

F. The owner of a farm vehicle shall inform the Commissioner within 30 days or at the time of his next registration renewal, whichever comes first, when such vehicle is no longer used exclusively for farm use as defined in this section, and shall pay the appropriate registration fee for the vehicle based on its type of operation. It shall constitute a Class 2 misdemeanor to: (i) operate or to permit the operation of any farm motor vehicle for which the fee for registration and license plates is herein prescribed on any highway in the Commonwealth without first having paid the prescribed registration fee; or (ii) operate or permit the operation of any motor vehicle, registered under this section, for purposes other than as provided under subsection B; or (iii) operate as a for-hire vehicle.

G. Nothing in this section shall affect the exemptions of agricultural and horticultural vehicles under §§ 46.2-664 through 46.2-670.

H. Notwithstanding other provisions of this section, vehicles licensed under this section may be used by volunteer emergency medical services personnel and volunteer firefighters in responding to emergency calls, in reporting for regular duty, and in attending emergency medical services agency or fire company meetings and drills.

§ 46.2-702.1:1. Distribution of certain other revenues.

A. Except as provided in subsection B, net additional revenues shall be deposited as follows: (i) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net additional revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway.

B. In the case of vehicles registered under the International Registration Plan, an amount that is approximately equal to the net additional revenues attributable to such vehicles shall be deposited as follows: (i) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net additional revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to

improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway.

C. For purposes of this section, "net additional revenues" means the additional revenues, minus any refunds or remittances required to be paid, generated by (i) the additional fee imposed pursuant to subsection A of § 46.2-697.2 and (ii) increases in the registration fees under § 46.2-697 made pursuant to subsection B of § 46.2-697.2.

B. 1. The tax shall be imposed on each gallon of fuel, other than diesel fuel, sold by a distributor to a retail dealer for retail sale in any such county or city described in subsection A at a rate of 2.1 percent of the statewide average distributor price of a gallon of unleaded regular gasoline as determined by the Commissioner pursuant to subdivision C 1. For alternative fuels other than liquid alternative fuels, the Commissioner shall determine an equivalent tax rate based on gasoline gallon equivalency.

2. The tax shall be imposed on each gallon of diesel fuel sold by a distributor to a retail dealer for retail sale in any such county or city described in subsection A at a rate of 2.1 percent of the statewide average distributor price of a gallon of diesel fuel as determined by the Commissioner pursuant to subdivision C 2.

C. 1. To determine the statewide average distributor price of a gallon of unleaded regular gasoline, the Commissioner shall use the period from June 1 through November 30, inclusive, as the base period for such determination for the immediately following period beginning January 1 and ending June 30, inclusive. The Commissioner shall use the period from December 1 through May 31, inclusive, as the base period for the determination of the rate of tax for the immediately following period beginning July 1 and ending December 31, inclusive. In no case shall the statewide average distributor price of a gallon of unleaded regular gasoline determined for purposes of this section be less than the statewide average wholesale price of a gallon of unleaded regular gasoline on February 20, 2013, plus a distributor charge calculated by the Commissioner for that date.

2. To determine the statewide average distributor price of a gallon of diesel fuel, the Commissioner shall use the period from June 1 through November 30, inclusive, as the base period for such determination for the immediately following period beginning January 1 and ending June 30, inclusive. D. The tax levied under this section shall be imposed at the time of sale by the distributor to the retail dealer.

E. The tax imposed by this section shall be paid by the distributor, but the distributor shall separately state the amount of the tax and add such tax to the price or charge. Thereafter, such tax shall be debt from the retail dealer to the distributor until paid and shall be recoverable at law in the same manner as other debts. No action at law or suit in equity under this chapter shall be maintained in the Commonwealth by any distributor who is not registered under § 58.1-2299.2 or is delinquent in the payment of taxes imposed under this chapter.

F. Nothing in this section shall be construed to exempt the imposition and remittance of tax pursuant to this section in a sale to a retail dealer in which the distributor and the retail dealer are the same person.

G. Notwithstanding any other provision of law, no tax shall be imposed by the provisions of subdivision A 2 of § 58.1-2295 on any fuel upon which a tax is paid pursuant to this section. § 58.1-2299.20. (Contingent expiration date) Disposition of tax revenues.

§ 58.1-2701. Amount of tax.

A. Except as provided in subsection ~~B~~ C, every motor carrier shall pay a road tax per gallon equivalent to the cents per gallon credit for diesel fuel as determined under subsection A of § 58.1-2706 for the relevant period plus an additional ~~-\$0.035~~ amount per gallon, as determined by subsection B, calculated on the amount of motor fuel, diesel fuel or liquefied gases (which would not exist as liquids at a temperature of 60 degrees Fahrenheit and a pressure of 14.7 pounds per square inch absolute), used in its operations within the Commonwealth.

The tax imposed by this chapter shall be in addition to all other taxes of whatever character imposed on a motor carrier by any other provision of law.

B. *The additional amount per gallon shall be determined by the Commissioner annually, effective July 1 of each year. On July 1, 2019, the additional amount per gallon shall be calculated by multiplying the average fuel economy by \$0.01125. On July 1, 2020, and each July 1 thereafter, the additional amount per gallon shall be calculated by multiplying the average fuel economy by \$0.0225. The additional amount per gallon shall be rounded to the nearest one-tenth of a cent. For purposes of this subsection, "average fuel economy" shall be calculated by dividing the total taxable miles driven in the Commonwealth by the total taxable gallons of fuel consumed in the Commonwealth, as reported in IFTA returns in the preceding taxable year.*

C. In lieu of the tax imposed in subsection A, motor carriers registering qualified highway vehicles that are not registered under the International Registration Plan shall pay a fee of \$150 per year for each qualified highway vehicle regardless of whether such vehicle will be included on the motor carrier's IFTA return. *For the period of July 1, 2019, through June 30, 2020, the fee shall be adjusted based on the percent change in the road tax imposed pursuant to subsection A from June 30, 2019, to July 1, 2019. The Commissioner shall adjust the fee annually on July 1 of every year thereafter based on the percentage change in the road tax imposed pursuant to subsection A for the previous fiscal year as compared to the current fiscal year.* The fee is due and payable when the vehicle registration fees are paid pursuant to the provisions of Article 7 (§ 46.2-685 et seq.) of Chapter 6 of Title 46.2.

If a vehicle becomes a qualified highway vehicle before the end of its registration period, the fee due at the time the vehicle becomes a qualified highway vehicle shall be prorated monthly to the registration expiration month. Fees paid under this subsection shall not be refunded unless a full refund of the registration fee paid is authorized by law.

~~C.~~ *D. 1. Except as provided in subdivision 2, all taxes and fees paid under the provisions of this chapter shall be credited to the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530, a special fund within the Commonwealth Transportation Fund.*

2. The net additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly shall be deposited as follows: (i) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately

equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway. For purposes of this subdivision, "net additional revenues" means the additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly, minus any refunds or remittances required to be paid.

The bill was returned to the Governor.

[H.B. 2339 was signed by the Governor on April 29, 2019, and became Chapter 853 of the 2019 Regular Session Acts of Assembly.]

Delegate Simon raised a point of order, in reference to Governor's amendment No. 7 to H.B. 1700, that Article V, Section 6, paragraph B.3. of the Constitution stated that the vote needed for each house to agree to the Governor's amendments was an affirmative vote of a majority of the members present.

Delegate Gilbert raised a point of order that the Delegate from Fairfax was out of order because the matter to which he had raised a point of order was not currently before the House.

The Speaker stated, in response to the points of order by Delegates Simon and Gilbert, that amendment No. 7 proposed by the Governor to H.B. 1700 was not currently before the House.

The Speaker stated further that in order to raise a question about the item, H.B. 1700 would have to be reconsidered and the Chair would so rule.

Delegate Simon propounded a parliamentary inquiry as to whether amendment No. 7 could be communicated to the Senate as having been agreed to even though the Speaker had announced that it had been rejected if it was determined that the vote requirement, pursuant to the Constitution, had been met on the amendment.

The Speaker stated that he disagreed with the Delegate's interpretation of House Rule 75 and that the House was not currently in a posture to discuss the matter.

A communication from the Senate, by its Clerk, was read as follows:

HOUSE BILLS VETOED BY THE GOVERNOR

H.B. 2034 (twenty, thirty-four) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 25, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2034. This legislation would require electoral boards to petition the circuit court for the removal of a general registrar.

Virginia law already provides specific circumstances in which a registrar can be removed. House Bill 2034 would allow only the circuit court to remove a general registrar at the request of a majority of the members of the State Board of Elections or local electoral board. This legislation makes the process of removing a general registrar more onerous, costly, and time consuming and could have unintended consequences. The legislation removes the ability for immediate or emergency removal of a general registrar in situations when warranted. Such emergency removal prevents a registrar from egregiously breaking the law or committing other inappropriate acts to hold his or her position until a judicial process has taken place. Furthermore, this bill requires personnel issues, often delicate, to be discussed in a public forum. House Bill 2034 puts the integrity of Virginia's elections in question.

This legislation has far too many unintended consequences. We should work together to create a solution that would benefit electoral boards, general registrars, and most importantly the voters of the Commonwealth of Virginia.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2142 (twenty-one, forty-two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 26, 2019

Pursuant to Article V, Section 6, of the Constitution of the Virginia, I veto House Bill 2142, which creates school protection officers, a new type of officer who would be permitted to operate in public schools. According to this bill, school protection officers would be employees of a local law-enforcement agency and would provide "limited law-enforcement and security services" in public schools. The bill further provides that the Department of Criminal Justice Services(DCJS) would develop training standards for school protection officers and that such training may be provided by the employing law-enforcement agency and would be graduated based upon the duties performed.

Virginia law already provides for two types of officers to protect the safety of the Commonwealth's students and schools: school resource officers and school security officers. School resource officers and school security officers have well-defined duties and responsibilities set forth in the Code of Virginia and are required to meet stringent training standards that are administered uniformly through the DCJS certification process. In stark contrast, the bill neither delineates what duties school protection officers would be authorized to perform nor defines the "limited" law-enforcement services to be provided by school protection officers.

In addition, the bill gives DCJS the impossible task of developing training standards for an officer whose duties are undefined and could vary significantly depending on the employing local law-enforcement agency. Further, as the bill enables the local law-enforcement agency employing the school protection officer to conduct the officer's training, such training would not be subject to the same level of oversight as the training of school resource officers or school security officers.

The inadequacy of the bill's provisions regarding school protection officer training is especially concerning in light of the Governor's Student Safety Work Group recommendation to increase training for school resource officers. The General Assembly's endorsement of the position that more, not less, training will better serve Virginia's students and schools is reflected in its passage of House Bill 2609 and Senate Bill 1130, both of which mandate that all school resource officers undergo increased training.

Allowing a new type of officer with undefined duties and indeterminate training will not serve to make Virginia's students and schools safer. Therefore, there is no compelling reason to create school protection officers when Virginia law already provides for two types of trained officers to provide security in the Commonwealth's schools.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

Delegate Thomas moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

Not Voting—Bloxom—1.

H.B. 2253 (twenty-two, fifty-three) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 12, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2253, which would create public safety concerns, place an arbitrary and overly burdensome mandate on the Virginia Department of State Police, and irresponsibly utilize taxpayer dollars to prioritize nonresident applications over resident needs.

This legislation has significant public safety implications, as it would require the Virginia Department of State Police to issue a de facto nonresident concealed handgun permit if the agency fails to complete its review of an application within 90 days. This not only places an arbitrary and burdensome mandate on the Virginia Department of State Police, but would also undoubtedly result in ineligible nonresidents obtaining permits. In order to protect public safety, it is critical that the Virginia Department of State Police be afforded the necessary time to review all available criminal history information and fully investigate each application.

Additionally, this legislation would force the Virginia Department of State Police to use already limited staff and taxpayer dollars to expedite processing of nonresident requests to meet this unreasonable requirement. As governor, it is my responsibility to ensure good stewardship of taxpayer dollars and resources.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2260 (twenty-two, sixty) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 22, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2260, which would direct the Commissioner of Insurance to request federal permission for insurance carriers to offer catastrophic plans to all individuals purchasing coverage through the Marketplace.

This legislation would place consumers at risk of being underinsured and would fragment Virginia's federal marketplace risk pool, leading to rapidly increasing premiums. House Bill 2260 would allow insurance carriers and individuals to circumvent the protections in the Affordable Care Act. Under current law, catastrophic plans are only available for individuals who are younger than 30 years of age and individuals who qualify for a hardship or affordability exemption. Catastrophic plans typically have lower premiums because they require individuals to have very high deductibles before the plan pays for health care costs. Many individuals enrolled in a catastrophic health plan may forego medical services because of cost. Individuals with minimal health care needs are more likely to purchase these threadbare plans, leaving individuals with more complex medical conditions in traditional marketplace plans. This adverse selection would likely contribute to an increase in Virginia marketplace premiums across the board.

Virginia took a positive step to increase the availability of quality, affordable, and comprehensive health care coverage through Medicaid expansion for individuals whose income is lower than 138% of the Federal Poverty Line. Our responsibility is now to look at solutions such as those proposed by the Market Stability Workgroup in order to improve affordability across the Commonwealth's health insurance markets. House Bill 2260 would undermine those efforts.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2269 (twenty-two, sixty-nine) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 14, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2269. This bill would prohibit the Governor, local governments, and a majority of those voting in the General Assembly from enacting or entering any regional program to reduce air pollution from vehicles and other transportation sources unless explicitly authorized by a super-majority (two-thirds) vote of the General Assembly.

Climate change, extreme weather, and sea level rise endanger public safety, economic vitality and the natural and built environments. To address these challenges and protect the people of Virginia, the Commonwealth must be able to use all available tools to combat climate change.

These tools include the ability to adopt regulations, rules, and guidance that mitigate the impacts of climate change by reducing carbon pollution in the Commonwealth. The Governor and state agencies should not be limited in their ability to protect the environment and in turn, the citizens of the Commonwealth.

America's leaders have taken several bipartisan actions to protect human health from air pollution, as they did with the Clean Air Act of 1970 and the amendments to it in 1977 and 1990. Slowing climate change and reducing its potentially devastating impacts should be no different, especially in a Commonwealth that faces some of the worst climate-related challenges of any state.

Like other air pollutants, the emissions that cause climate change do not respect state lines, district lines, or other political boundaries. In the absence of a federal plan, Virginia is obligated to join other states and face this threat to our collective public safety and economic health.

Finally, House Bill 2269 violates two provisions of the Virginia Constitution: Article III, Section 1 (Separation of Powers) and Article IV, Section 11 (Enactment of Laws).

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2270 (twenty-two, seventy) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 19, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2270, which imposes an unnecessary requirement upon localities regarding the enforcement of federal immigration laws.

Local and regional correctional facilities have, and should retain, discretion to determine how they choose to engage with federal immigration agencies. This legislation impedes decision-making by administrators of these facilities by eliminating that discretion.

Public safety agencies across the Commonwealth have a long tradition of engaging in community policing strategies, and many have recognized how important it is to develop a relationship with immigrant communities in order to keep all of those who live within the locality safe. The safety of our communities requires that all people, whether they are documented or not, feel comfortable, supported and protected by our public safety agencies.

There are many actions we can take to support public safety and keep Virginians safe. Eliminating local discretion and impeding local decision-making are not appropriate options. Were it to become law, this bill would send a clear message to people across the Commonwealth that our public safety agencies are to be feared and avoided rather than trusted and engaged.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

Delegate Poindexter moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

H.B. 2611 (twenty-six, eleven) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 14, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2611. This bill would prohibit the Governor, local governments, and a majority of those voting in the General Assembly from enacting or entering any regional program to reduce carbon dioxide air pollution from power plants unless explicitly authorized by a super-majority (two-thirds) vote of the General Assembly.

Climate change, extreme weather, and sea level rise endanger public safety, economic vitality and the natural and built environments. To address these challenges and protect the people of Virginia, the Commonwealth must be able to use all available tools to combat climate change.

These tools include the ability to adopt regulations, rules, and guidance that mitigate the impacts of climate change by reducing carbon pollution in the Commonwealth. In addition, allowing energy producers to comply with regulation through credit trading would lessen costs to producers and consumers while generating revenue that could be spent to make Virginia more resilient to extreme weather events, sea level rise, and flooding.

We should not be limited in our ability to protect the environment and in turn, the citizens of the Commonwealth.

Further, House Bill 2611 violates two provisions of the Virginia Constitution: Article III, Section 1 (Separation of Powers) and Article IV, Section 11 (Enactment of Laws).

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2749 (twenty-seven, forty-nine) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 22, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2749. This bill would require the Department of Social Services to report to the General Assembly the number of reported violations of restrictions on the use of Temporary Assistance for Needy Families (TANF) cash assistance (42 U.S.C. § 601 et seq.).

House Bill 2749 is a solution looking for a problem. There is no evidence to suggest TANF violations are an issue. In fact, Department data shows that less than 0.2% of transactions are possibly in this category. Therefore, the only purpose of this bill is to codify a false and discriminatory stereotype about hard-working Virginia families who may temporarily need cash assistance.

The mission of the Department of Social Services is to help Virginians triumph over poverty, abuse, and neglect, and its time and resources are more effectively directed to support strong and resilient families. Our administration continues to focus on this important mission and welcomes bipartisan cooperation in its pursuit.

Accordingly, I veto the bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

H.B. 2764 (twenty-seven, sixty-four) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 22, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2764. This legislation would have required a person who assists an individual with a voter registration application or collects completed applications to provide their name, telephone number, and name of the group or organization with which they are affiliated.

Virginia law already requires the individual or group assisting applicants with voter registrations to provide the applicant a receipt with their name and contact information, and including this individual's information on the actual voter registration application is unnecessary. If this contact information is missing from the application, it could potentially lead to denied or delayed applications. Eligible voters should not have their constitutional right challenged because their application did not include contact information for the volunteer who assisted them in their registration.

This legislation places an additional, unnecessary, and burdensome requirement on those facilitating or participating in voter registration drives. The exercise of voting rights is fundamental to the strength of our democracy, and at every opportunity, Virginia must strongly depart from its history of mounting obstacles to the voting booth. We must clearly demonstrate that the registration of eligible voters in the Commonwealth is welcomed and encouraged.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

No action was taken on the Governor's veto.

A BILL to amend and reenact §§ 24.2-304.1, 24.2-307, and 24.2-308 of the Code of Virginia, relating to election districts; requirements for precincts; remedying split precincts.

The House proceeded to reconsider the bill.

Delegate Orrock raised a point of order that the bill as sent to the Governor dealt with one specific Code section and minor adjustments subsequent to redistricting, while the Governor's recommendation dealt with the redistricting process and a different Code section, and would inquire as to whether the recommendation was germane.

§ 46.2-697.2. *Additional fees for vehicles not designed or used for transportation of passengers.*
A. In addition to the fees imposed pursuant to § 46.2-697, there is hereby imposed an additional fee for the registration of all motor vehicles not designed and used for the transportation of passengers. The additional fee shall be determined per thousand pounds by

the gross weight of the vehicle or combination of vehicles in the same manner as the fees imposed pursuant to § 46.2-697, as follows:

1. *For vehicles with a gross weight of 10,001 through 15,000 pounds, \$6.00 per 1,000 pounds;*
2. *For vehicles with a gross weight of 15,001 through 25,000 pounds, \$7.00 per 1,000 pounds;*
3. *For vehicles with a gross weight of 25,001 through 29,000 pounds, \$9.00 per 1,000 pounds;*
4. *For vehicles with a gross weight of 29,001 through 40,000 pounds, \$10.00 per 1,000 pounds; and*
5. *For vehicles with a gross weight of 40,001 pounds or more, an amount equal to the per 1,000 pound rate for for-rent or for-hire vehicles for such vehicle pursuant to § 46.2-697, provided that the total rate, including any base fees charged pursuant to § 46.2-697, shall not exceed \$23.25 per 1,000 pounds.*

B. The fee imposed by this section shall not be applicable to farm motor vehicles used exclusively for farm use, as defined in § 46.2-698.

C. Beginning July 1, 2019, the fee per thousand pounds of gross weight charged pursuant to § 46.2-697 for both private carriers and for-rent or for-hire carriers shall be based on the rate schedule for for-rent or for-hire carriers.

§ 46.2-698. Fees for farm vehicles.

A. The fees for registration of farm motor vehicles having gross weights of 7,500 pounds or more, when such vehicles are used exclusively for farm use as defined in this section, shall be one-half of the fee per 1,000 pounds of gross weight for private carriers as calculated under the provisions of § 46.2-697, *as in effect on January 1, 2019 and notwithstanding the provisions of subsection C of § 46.2-697.2*, and one-half of the fee for overload permits under § 46.2-1128, but the annual registration fee to be paid for each farm vehicle shall not be less than \$15.

B. A farm motor vehicle is used exclusively for farm use:

1. When owned by a person who is engaged either as an owner, renter, or operator of a farm of a size reasonably requiring the use of such vehicle or vehicles and when such vehicle is:

a. Used in the transportation of agricultural products of the farm he is working to market, or to other points for sale or processing, or when used to transport materials, tools, equipment, or supplies which are to be used or consumed on the farm he is working, or when used for any other transportation incidental to the regular operation of such farm;

b. Used in transporting forest products, including forest materials originating on a farm or incident to the regular operation of a farm, to the farm he is working or transporting for any purpose forest products which originate on the farm he is working; or

c. Used in the transportation of farm produce, supplies, equipment, or materials to a farm not worked by him, pursuant to a mutual cooperative agreement.

2. When the nonfarm use of such motor vehicle is limited to the personal use of the owner and his immediate family in attending church or school, securing medical treatment or supplies, or securing other household or family necessities.

C. As used in this section, the term "farm" means one or more areas of land used for the production, cultivation, growing, or harvesting of agricultural products, but does not include a tree farm that is not also a nursery or Christmas tree farm, unless it is part of what otherwise is a farm. As used in this section, the term "agricultural products" means any nursery plants; Christmas trees; horticultural, viticultural, and other cultivated plants and crops; aquaculture; dairy; livestock; poultry; bee; or other farm products.

D. The first application for registration of a vehicle under this section shall be made on forms provided by the Department and shall include:

1. The location and acreage of each farm on which the vehicle to be registered is to be used;
2. The type of agricultural commodities, poultry, dairy products or livestock produced on such farms and the approximate amounts produced annually;
3. A statement, signed by the vehicle's owner, that the vehicle to be registered will only be used for one or more of the purposes specified in subsection B; and
4. Other information required by the Department.

The above information is not required for the renewal of a vehicle's registration under this section.

E. The Department shall issue appropriately designated license plates for those motor vehicles registered under this section. The manner in which such license plates are designated shall be at the discretion of the Commissioner.

F. The owner of a farm vehicle shall inform the Commissioner within 30 days or at the time of his next registration renewal, whichever comes first, when such vehicle is no longer used exclusively for farm use as defined in this section, and shall pay the appropriate registration fee for the vehicle based on its type of operation. It shall constitute a Class 2 misdemeanor to: (i) operate or to permit the operation of any farm motor vehicle for which the fee for registration and license plates is herein prescribed on any highway in the Commonwealth without first having paid the prescribed registration fee; or (ii) operate or permit the operation of any motor vehicle, registered under this section, for purposes other than as provided under subsection B; or (iii) operate as a for-hire vehicle.

G. Nothing in this section shall affect the exemptions of agricultural and horticultural vehicles under §§ 46.2-664 through 46.2-670.

H. Notwithstanding other provisions of this section, vehicles licensed under this section may be used by volunteer emergency medical services personnel and volunteer firefighters in responding to emergency calls, in reporting for regular duty, and in attending emergency medical services agency or fire company meetings and drills.

§ 46.2-702.1:1. *Distribution of certain other revenues.*

A. *Except as provided in subsection B, net additional revenues shall be deposited as follows: (i) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net additional revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway.*

B. *In the case of vehicles registered under the International Registration Plan, an amount that is approximately equal to the net additional revenues attributable to such vehicles shall be deposited as follows: (i) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net additional revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure*

for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway.

C. For purposes of this section, "net additional revenues" means the additional revenues, minus any refunds or remittances required to be paid, generated by (i) the additional fee imposed pursuant to subsection A of § 46.2-697.2 and (ii) increases in the registration fees under § 46.2-697 made pursuant to subsection B of § 46.2-697.2.

§ 58.1-2701. Amount of tax.

A. Except as provided in subsection ~~B~~ C, every motor carrier shall pay a road tax per gallon equivalent to the cents per gallon credit for diesel fuel as determined under subsection A of § 58.1-2706 for the relevant period plus an additional ~~-\$0.035~~ amount per gallon, as determined by subsection B, calculated on the amount of motor fuel, diesel fuel or liquefied gases (which would not exist as liquids at a temperature of 60 degrees Fahrenheit and a pressure of 14.7 pounds per square inch absolute), used in its operations within the Commonwealth.

The tax imposed by this chapter shall be in addition to all other taxes of whatever character imposed on a motor carrier by any other provision of law.

B. *The additional amount per gallon shall be determined by the Commissioner annually, effective July 1 of each year. On July 1, 2019, the additional amount per gallon shall be calculated by multiplying the average fuel economy by \$0.01125. On July 1, 2020, and each July 1 thereafter, the additional amount per gallon shall be calculated by multiplying the average fuel economy by \$0.0225. The additional amount per gallon shall be rounded to the nearest one-tenth of a cent. For purposes of this subsection, "average fuel economy" shall be calculated by dividing the total taxable miles driven in the Commonwealth by the total taxable gallons of fuel consumed in the Commonwealth, as reported in IFTA returns in the preceding taxable year.*

C. In lieu of the tax imposed in subsection A, motor carriers registering qualified highway vehicles that are not registered under the International Registration Plan shall pay a fee of \$150 per year for each qualified highway vehicle regardless of whether such vehicle will be included on the motor carrier's IFTA return. *For the period of July 1, 2019, through June 30, 2020, the fee shall be adjusted based on the percent change in the road tax imposed pursuant to subsection A from June 30, 2019, to July 1, 2019. The Commissioner shall adjust the fee annually on July 1 of every year thereafter based on the percentage change in the road tax imposed pursuant to subsection A for the previous fiscal year as compared to the current fiscal year.* The fee is due and payable when the vehicle registration fees are paid pursuant to the provisions of Article 7 (§ 46.2-685 et seq.) of Chapter 6 of Title 46.2.

If a vehicle becomes a qualified highway vehicle before the end of its registration period, the fee due at the time the vehicle becomes a qualified highway vehicle shall be prorated monthly to the registration expiration month. Fees paid under this subsection shall not be refunded unless a full refund of the registration fee paid is authorized by law.

~~C. All~~ D. 1. *Except as provided in subdivision 2, all taxes and fees paid under the provisions of this chapter shall be credited to the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530, a special fund within the Commonwealth Transportation Fund.*

2. *The net additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly shall be deposited as follows: (i) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation*

Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway. For purposes of this subdivision, "net additional revenues" means the additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly, minus any refunds or remittances required to be paid.

The House proceeded to reconsider the bill.

Delegate Ware raised a point of order as to whether the Governor's recommendation was germane.

The Speaker stated that the bill, as passed by the General Assembly, addressed the safety issue of any person holding a handheld personal communications device in his hand while driving a motor vehicle in a highway work zone with certain exceptions.

The Speaker stated further that the Governor's recommendation went well beyond this purpose by preventing any person from holding a handheld communications device while driving a motor vehicle on any of the highways of the Commonwealth with certain exceptions.

The Speaker stated finally that the Governor's recommendation was not germane and the Chair would so rule.

Delegate Simon propounded a parliamentary inquiry as to whether, because of the Speaker's ruling, the bill was effectively killed or if it would be returned to the Governor for his action.

The Speaker stated that the bill would be returned to the Governor in the enrolled form at which time he would make a decision on what final action to take on the bill.

Delegate Simon propounded a further parliamentary inquiry as to whether the only way for the House to debate the Speaker's ruling on the bill was to appeal the ruling of the Chair pursuant to House Rule 53.

The Speaker stated that the Delegate was correct.

The bill was returned to the Governor.

[S.B. 1768 was signed by the Governor on April 29, 2019, and became Chapter 849 of the 2019 Regular Session Acts of Assembly.]

Delegate Peace moved that when the House adjourns today, it adjourn in the honor and memory of Alan and Holly Nicolette.

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 29, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1620. House Bill 1620 would increase the membership of the Board of Elections (Board) from three to five members and gives the Board, rather than the Governor, the power to appoint the Commissioner of Elections.

This legislation creates a structure that sets up the Board and the Department of Elections for potential challenges. This legislation seeks to adopt a board structure similar to the Federal Election Commission (FEC), an entity faced with dysfunction in recent years. The FEC appointees' inability to come to a consensus has meant failure to fill key leadership positions. This legislation would also hinder the Governor's ability to appoint the leadership of an executive branch agency by requiring that four out of five Board members agree on a Commissioner of Elections. This could lead to delays or a lack of appointment all together. In a state that has an election every few months, it is imperative that Virginia's electoral system have steady leadership.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2686. This bill reduces the number of votes required for a local Board of Zoning Appeals (BZA) to approve a variance or reverse a zoning determination made by a locality. The practical result of House Bill 2686 would be to make it easier to circumvent the zoning authority of local governments.

The Code of Virginia authorizes any locality to enact a zoning ordinance to regulate the use of land, buildings, structures, and other premises under the locality's jurisdiction for the general purpose of promoting the health, safety, or general welfare of the public. The General Assembly requires any locality that enacts a zoning ordinance to establish a BZA to hear and decide appeals of zoning decisions.

Under current law, a majority vote of the membership of the BZA is required to reverse a decision or determination, or to approve a variance. This legislation would make it easier for the BZA to overturn a decision of the professional local zoning administrator by lowering the required vote from a majority of the full BZA membership to a majority of those present and voting. Zoning appeals issues are involved and complex and there should be a higher threshold to reverse the decisions and determinations made by a locality.

In my recommended amendment to House Bill 2686, I proposed a compromise that would have allowed a locality to reduce, by ordinance, the number of votes required for a BZA to approve a variance or reverse a zoning determination. The General Assembly rejected the compromise amendment.

Accordingly, I veto House Bill 2686.

Sincerely,
/s/ Ralph S. Northam

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2303. This bill requires individuals who are required to register on the Sex Offenders and Crimes Against Minors Registry to report their status to security staff at an emergency shelter or they will be guilty of a Class 3 misdemeanor. Additionally, this bill allows the shelter to temporarily deny such individuals entry into an emergency shelter.

Emergency shelters are only opened when circumstances in our communities are dire and Virginians are no longer able to remain safely in their own homes. Most often, shelters are put in place during severe weather events, including during hurricanes. During these dangerous storms, we can face extremely high winds, storm surges, and flash flooding. All of these events can result in serious injury or death. Allowing shelters to turn people away, even on a temporary basis, is unconscionable and could lead to serious injuries or fatalities.

I proposed amendments during the reconvened session that would appropriately balance public safety concerns by ensuring that individuals required to register report their status to security staff, and also required agencies responsible for sheltering to develop plans to accommodate safely all members of our communities if an emergency arises. While those amendments were rejected, I will be directing the Department of Social Services to update their plans accordingly and encourage localities to do the same. The underlying bill would have had significant and unacceptable public safety consequences.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2042. This legislation creates a 60-day mandatory minimum term of confinement for any person who commits an offense against a family or household member and has been convicted of another offense against a family or household member within the last 10 years.

We rely on our judges and juries to make sound sentencing decisions based on the circumstances of each individual case. In making these decisions, judges and juries consider a number of factors before determining a sentence, and their sentence decisions are the result of intense deliberation. Imposing mandatory minimum sentences eliminates this discretion and ties the hands of the individuals we have entrusted to make these important decisions.

Accordingly, I veto this bill.

Sincerely,

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1661. This legislation allows certain agricultural organizations to provide health insurance via association health plans and expands the availability of association health plans beyond what is currently allowed in Virginia.

House Bill 1661 is concerning for several reasons. Association health plans (AHPs) are not required to cover essential health benefits including maternity care and prescription coverage. Additionally, AHPs would be able to set different premium rates based on characteristics like age, gender, job, and preexisting conditions. This bill would undermine current efforts to stabilize the Virginia health insurance marketplace. Virginians who enroll in AHPs may be disproportionately healthy when they enroll, leading to higher premiums for Virginians who do not qualify for an AHP and remain in the marketplace.

Virginia took a positive step to increase the availability of quality, affordable, and comprehensive health care coverage through Medicaid expansion for individuals whose income is lower than 138% of the Federal Poverty Level. Our responsibility is to now look at solutions such as those proposed by the Market Stability Workgroup in order to improve affordability across the Commonwealth's health insurance markets. This legislation addressed the concerns a segment of Virginians have regarding health care costs. We look forward to working together holistically to ensure all Virginians have lower health care costs. All Virginians have a right to quality, affordable, and comprehensive coverage. My administration remains committed to this goal. House Bill 1661 would undermine these larger efforts.

Accordingly, I veto this bill.

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2443. This legislation provides that certain trusts constitute a benefits consortium and are authorized to sell health benefits plans to members of a sponsoring association. The legislation also expands the availability of and the rules regulating association health plans beyond what is currently allowed in Virginia.

House Bill 2443 is concerning for several reasons. Association health plans (AHPs) are not required to cover essential health benefits including maternity care and prescription coverage. Additionally, AHPs would be able to set different premium rates based on characteristics like age, gender, job, and preexisting conditions. This bill would undermine current efforts to stabilize the Virginia health insurance marketplace. COMMONWEALTH OF VIRGINIA

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2528. This bill would hold a person who gives, manufactures, sells, or distributes a Schedule I or Schedule II controlled substance liable for a crime of felony murder when a recipient of the controlled substance dies as a result of an overdose, resulting in a sentence of five to 40 years in prison. The person would still face a charge of distribution of the controlled substance, subject to a penalty of five to 40 years imprisonment.

Currently, under Virginia law, a person is liable for felony murder if in the manufacture, possession, or distribution of a Schedule I or Schedule II controlled substance, another person dies, if that death is connected in both time and place to the underlying felonious conduct. This legislation would expand the law to hold a person liable for felony murder without regard to whether the overdose was connected by time and place to the underlying felony. Essentially, a person would be criminally liable for murder even if the overdose occurred days or even months after the deceased received the drugs.

The disease of addiction has long devastated our communities. While I share the goal of addressing the opioid crisis and ensuring drug dealers are punished for supplying dangerous drugs, this bill goes beyond drug dealers and would punish individuals who are themselves struggling with addiction. The way to help individuals struggling with addiction is to ensure they receive proper treatment. We must continue to focus on the biological, psychological, and social factors that foster addiction so that those factors can be addressed and mitigated in order to save Virginia's families and communities from the destruction of drug addiction.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

I have completed my review of House Bill 1700. Overall, I am very proud of what we accomplished together. We have achieved many of the priorities I laid out for your consideration in December, and we also moved forward with new achievements during the regular and reconvened sessions.

This year's budget actions make significant investments in education. We are providing over \$200 million in new funding for our public schools, including additional funding for our most at-risk schools, funds for school construction, the largest single-year pay raise for teachers in 15 years and funding for more school counselors. We are also investing in early childhood education and in financial aid for students attending higher education institutions.

This budget invests in critical infrastructure improvements like expanding access to broadband and replacing Central State Hospital. We provide funding for affordable housing and eviction diversion and prevention. We also put additional resources into our cash reserves, helping to protect against future economic downturns.

Importantly, beginning on July 1st, Virginians will no longer face driver's license suspensions because of a failure to pay court fines and fees. This policy change will help over 600,000 individuals.

While I am pleased with most of this budget, I am extremely disappointed that the General Assembly included several provisions in the budget that will harm Virginians.

First, this budget restricts the Commonwealth's ability to participate in the Regional Greenhouse Gas Initiative (RGGI) – a critical avenue for reducing carbon emissions in the Commonwealth and addressing the negative effects of climate change, which is impacting the health and safety of people who live, work, and vacation in our great state. The Department of Environmental Quality recently finalized a regulation to reduce carbon pollution from fossil fuel fired power plants by 30 percent over the next decade. While the General Assembly has restricted the Commonwealth from participating in RGGI, I am directing the Department of Environmental Quality to identify ways to implement the regulation and achieve our pollution reduction goals.

Second, this budget restricts the use of state funds for abortions in the case of a gross and totally incapacitating fetal anomaly. While these instances are rare, expecting parents who receive the devastating news that something has gone very wrong with their pregnancy deserve compassion and support. The General Assembly's action is cruel and out of touch with the difficult reality some families face. While the General Assembly has prohibited the use of state resources to deliver a critical service for Virginia families, I am hopeful that other medical providers in the Commonwealth are able to accommodate families in need.

Third, this budget restricts state agencies and authorities from purchasing and implementing the use of body-worn cameras. This provision unnecessarily prohibits state law enforcement officers from providing the accountability that both citizens and law enforcement officers deserve.

These and other provisions in the budget do a disservice to the citizens of the Commonwealth. I will not be constrained by these provisions as I develop my proposed budget this fall.

Overall, I am proud to sign this budget. However, pursuant to Article V, Section 6, of the Constitution of Virginia, I have vetoed the following item. The effect of this Veto will be to return the item to its original enactment in Chapter 2, 2018 Acts of Assembly, Special Session I.

Item 292, pages 319, 320, 321, 322 – Community Health Services

Action: I veto this item including all appropriations and conditions that appear on pages 319, 320, 321, and 322.

Ralph S. Northam, May 2, 2019

The re-enrolled bill changes language the General Assembly and I agreed to last year providing funding for a pilot program to distribute long-acting reversible contraceptives (LARCs) to low-income women across the Commonwealth. LARCs are the most effective form of contraception and are associated with reducing pre-term births and lower birth weight babies, as well as decreasing abortion rates. The language as passed by the General Assembly will constrain the program, preventing individuals in need from receiving this important service. By vetoing all of Item 292, the budget will revert back to the original language, which satisfies the intent of the program.

Respectfully submitted,
/s/ Ralph S. Northam

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2053. School counselors are tremendous assets to students across the Commonwealth of Virginia. These professionals not only deliver services related to academic and career planning but also provide valuable social, emotional, and mental health supports that benefit student safety and well-being.

The General Assembly passed two bills to improve the staffing ratios of school counselors to students: House Bill 2053 and Senate Bill 1406. While both bills were introduced in the same form, they were amended to include different staffing ratios in the Standards of Quality. The ratios passed in Senate Bill 1406—which I signed on March 25, 2019—will require more school counselors for students and is a greater step towards the staffing ratios recommended by the Virginia Board of Education.

I want to thank Delegate Delores L. McQuinn for her dedication to Virginia's students and for her tireless work on this initiative. Delegate McQuinn agrees that we must further improve the staffing ratios of school counselors to ensure that our schools are effectively supporting the needs of our students.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2296. This legislation changes the Virginians with Disabilities Act (VDA) by requiring a claimant to notify financial entities including banks, trusts, savings institutions, and credit unions, at least 120 days prior to commencement of a lawsuit regarding web accessibility.

This legislation recognizes that as more banking services move online, it is essential that websites are accessible for all Virginians, especially individuals with disabilities. The legislation takes a positive step in ensuring accessibility by establishing web content accessibility guidelines. However, the legislation also creates arbitrary delays in the administration of justice for individuals with disabilities. It creates onerous preconditions for the initiation of a lawsuit and shifts the burden of identifying VDA violations from covered entities to people with disabilities. Additionally, the bill will make it more difficult for people with disabilities to obtain legal representation to aid them in protecting their rights under the VDA. Finally, House Bill 2296 does not address the issue that it seeks to remedy. While the bill makes changes to the VDA, it does not and cannot override the federal Americans with Disabilities Act. With this in mind, I encourage stakeholders to work together to find a solution.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2328. House Bill 2328 would prohibit a small business from subcontracting with any other affiliated business if the small business was awarded a contract as part of the micro business program or remedial measure authorized by the Governor and if the award is conditioned on the small business's qualification as part of a subcategory of small business.

This legislation creates extra restrictions on certain small businesses that are not placed on any other group of small businesses, nor large businesses, and would negatively impact small business that compete for state contracts. While there is a need to enable small businesses to fairly compete for state contracts, this legislation does not accomplish that objective. Therefore, I direct the Department of General Services and the Department of Small Business and Supplier Diversity to study and develop recommendations to address this issue to ensure that small businesses are able to fairly compete for government contracts.

Accordingly, I veto this bill.

Sincerely,
/s/ Ralph S. Northam

Introduction to Indexes of the Journal of the House of Delegates

The Journal of the House of Delegates is a compilation of proceedings and information related to a specific session of the General Assembly, focusing on items relevant to introduced legislation and actions by members of the House of Delegates, the legislature and the Governor. The **Subject Index** offers page number references for easy access to motions and requests on specific legislative items including those directly attributable to a Delegate. The "Bills and Resolutions" category provides a breakdown of Journal day entries that encompasses the legislative process from introduction to enactment. The "Motions and Requests" category is a breakdown of every motion made by a member or every request for action allowed pursuant to member privilege. Parliamentary inquiries and points of order are set out in the Subject Index under those specific categories and noted by member. The Speaker's statements and rulings are found under "Speaker of the House of Delegates [M. Kirkland Cox]."

The **Numerical Index** is a list of bills and resolutions in numerical order with entries that provides Journal page number references to specific legislative actions that occurred on the House floor. This Index is useful in tracking an identified piece of legislation from introduction to final disposition.
