by local law enforcement officers, and one Assistant Commonwealth's Attorney for every 75 body worn cameras employed for use by local law enforcement officers, thereafter. However, with the consent of the Commonwealth's Attorney, a locality may provide their Commonwealth's Attorney's office with additional funding, using a different formula than stated above, as needed to accommodate the additional workload resulting from the requirement to review, redact and present footage from body worn cameras. If, as of July 1, 2019, a locality is providing additional funding to the Commonwealth's Attorney's office specifically to address the staffing and workload impact of the implementation of body worn cameras on that office, that additional funding shall be credited to the formula used in that locality. Any agreed upon funding formula between the impacted Commonwealth's Attorney and the locality employing body worn cameras shall be filed with the Compensation Board by July 1, 2019 and shall remain in effect, unless modified by the agreement of both parties until June 30th of the following year. The term "locality" means every county or independent city with an Attorney for the Commonwealth. The term "employed for use" includes all body worn cameras maintained by the law enforcement agency or agencies of that locality, regardless of any temporary inoperability.

2. Additionally, the working group convened by the Executive Secretary of the Compensation Board pursuant to Chapter 2, Item 72, U (2018 Special Session Acts of Assembly) shall be maintained to continue to study the impact of body worn cameras on the workload of Commonwealth's Attorney's offices, providing an additional report to the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2020. During this timeframe, each Commonwealth's Attorney's office in a locality that employs body worn cameras, in conjunction with the law enforcement agency using body worn cameras, shall report to the Compensation Board the following information on a quarterly basis, in a format prescribed by the Board:

a. The number of hours of body worn camera video footage received from their law enforcement agencies. The number of hours should additionally be broken down into corresponding categories of felonies, misdemeanors and traffic offenses. Any recorded event that results in charges for two or more of the above categories shall be reported in the most serious category;

b. The number of hours spent in the course of redacting videos; and

c. Any other data determined relevant and necessary by the Compensation Board for this analysis.

3. Should a Commonwealth's Attorney's office in a locality that employs body worn cameras fail to report to the Compensation Board the information above for two consecutive quarters, that locality may discontinue for the following fiscal year that additional funding to the Commonwealth's Attorney's office that is specifically to address the staffing and workload impact of the implementation of body worn cameras on that office.

4. The workgroup shall utilize the reported information to examine the staffing challenges and workload impact on Commonwealth's Attorney's offices of the implementation of body worn cameras over this added time and make any additional recommendations in the subsequent report, including but not limited to recommending a different staffing formula than stated above."

For example, divisions that provide and average 2.0 percent increase will not be eligible for state funding. Divisions that provide an average 4.0 percent increase would be eligible to receive state funding for a 4.0 percent compensation supplement. Divisions that provide an average 6.0 percent increase over the biennium would be eligible to receive the state funding for a 5.0 percent compensation supplement. The proposal shall include recommendations for multiple sources of revenue to pay for the proposal. The revenue sources shall include: (1) dynamic growth in individual income tax, sales tax and corporate income tax revenue from manufacturing growth; (2) sales tax revenue derived from internet sales taxes collected after July 1, 2019, that are associated with legislation to bring Virginia into compliance with the "Wayfair" Supreme Court Case. Further, the plan shall include, for those localities not currently assessing the machinery and tools tax, an option for reducing business personal property taxes by \$1 million per year and receiving reimbursement from sales tax revenue derived from internet sales taxes collected after July 1, 2019, that are associated with legislation to bring Virginia into compliance with the "Wayfair" Supreme Court Case. The Secretary of Commerce and Trade, the Virginia Economic Development Partnership, and the Virginia Department of Taxation shall provide technical assistance to the working group, specifically contributing the following: (1) assessment of the economic benefit to local governments and the Commonwealth of Virginia for the growth in manufacturing machinery and tools investment; (2) assessment of the best method of disposition of revenues from state general fund revenues to local governments, specifically the method established

by § 58.1-662, Code of Virginia; (3) assessment of the economic impact on local governments for the loss of machinery and tools tax revenue for the first five years; and (4) assessment of how many states currently tax a manufacturer's machinery and tools and compare the rates for competitiveness, specifically against the states of North Carolina, South Carolina, Georgia, Florida, Mississippi, Alabama, Arkansas, Tennessee, Kentucky and West Virginia."

Explanation:

(This amendment directs the Secretary of Finance to convene a working group of interested parties for the purpose of presenting a legislative plan and budget by the 2020 General Assembly Session that would allow Virginia to require all localities to assess a "zero" rate on a manufacturer's machinery and tools for the first five years the equipment is put into service. The funds to reimburse local governments would be provided by the state using new sales and use tax revenues derived from requiring remote sellers to collect sales tax. Funds would be distributed to localities following a reimbursement method similar to the method used for the Communications Sales and Use Tax Trust Fund.)

The Secretary of Health and Human Resources, in collaboration with the Secretary of Administration and the Secretary of Public Safety and Homeland Security, shall convene a workgroup to oversee the development of a statewide integrated electronic health record (EHR) system. The workgroup shall include the Department of Behavioral Health and Developmental Services (DBHDS), the Virginia Department of Health, the Department of Corrections, the Department of Planning and Budget, staff from the House Appropriations and Senate Finance committees, and other agencies as deemed appropriate by the respective Secretaries. The purpose of the workgroup shall be to evaluate and determine the costs and benefits of developing a statewide integrated EHR system based on state contract, whether such system is one domain for the state or separate domains for each agency. The workgroup shall evaluate the specific needs of agencies seeking an EHR system to determine if the agency's business requirements require evaluating a vendor off state contract that may be more cost-effective and appropriate for that agency. As part of the evaluation of a system off state contract, the workgroup shall include an assessment of the interoperability of potential systems with other state EHR systems. No state agency shall issue a request for proposals for an EHR system unless an evaluation of the costs of benefits of using the state contract has been completed and the General Assembly has included a specific authorization of such system in a general appropriation act. Any state agency that is authorized to seek a vendor off state contract for an EHR system shall ensure such system is interoperable with other state agencies and also with other public and private health care entities to the extent allowed by federal and state law, and regulations.

2. The workgroup shall report on its activities and any recommendations to the Joint Subcommittee on Health and Human Resources Oversight by October 15, 2019."

Explanation:

(This amendment modifies the Statewide Electronic Health Records workgroup to include legislative representation and provide the focus of the workgroup to evaluate the costs and benefits of developing a statewide EHR for multiple state agencies. State agencies will be allowed to seek a vendor off state contract if an evaluation of using the state contract has been completed and the General Assembly has authorized such action.)

Medicaid can use enhanced federal funding at a 75 percent federal matching rate to support the maintenance and operations of the APCD. At least seven other states (Oregon, Florida, New York, Colorado, Rhode Island, Utah and New Hampshire) currently pay for a portion of the maintenance and operations of their APCD using Medicaid enhanced federal funding. Furthermore, the Centers for Medicare and Medicaid Services (CMS) has confirmed that this type of funding can be available to Virginia's APCD if DMAS submits and CMS approves an Operational Advanced Planning Document (O-APD) for the project and payments. This amount is proportional to the volume of APCD claims that are associated with Virginia Medicaid members.)

Medicaid eligibility to existing CSB clients who were previously uninsured; (iii) the state general fund reductions to be taken by each CSB/BHA in FY 2020 in anticipation of projected savings from the expansion of Medicaid eligibility; and (iv) the amount of Medicaid reimbursements that each CSB/BHA would have to achieve in order to meet the anticipated general fund savings/budget reductions in FY 2020, as well as any actions the Department proposes to take to address any shortfalls and to ensure continuity in the provision of services. The Department of Medical Assistance Services shall require the managed care organizations to report encounter data impacting Community Services Boards on a monthly basis, with the data submitted no later than 20 days after the end of each month in order to determine the revenue impact to fulfill the intent of this paragraph."

Explanation:

(This amendment modifies language in the introduced budget which allows the Department of Behavioral Health and Developmental Services to provide funding from special fund balances at the end of the fiscal year to CSBs in circumstances where a CSB's additional FY 2019 Medicaid reimbursements do not reach at least 90 percent of the general fund reductions assumed in Chapter 2 for FY 2020. Language allows that assistance to be provided prior to the end of the fiscal year so that the provision of critical services is not disrupted. The amendment also clarifies that assistance may be provided to an individual CSB rather than requiring that Medicaid reimbursements to all CSBs fall short of GF reductions before assistance may be provided. The amendment requires the department to report to the Secretary of Finance and the Chairmen of the House Appropriations and Senate Finance Committees on how the expected general fund savings compare to actual Medicaid payments for FY 2019 so that the expected general fund savings in FY 2020 may be adjusted in amendments to the biennial budget during the 2020 Session of the General Assembly, if necessary.)

The amount subject to recapture shall be a portion of the amount withdrawn in the taxable year that was used for other than the payment of eligible costs, computed by multiplying the amount withdrawn and used for other than the payment of eligible costs by the ratio of the aggregate earnings in the account at the time of the withdrawal to the total balance in the account at such time.

However, recapture shall not apply to the extent of moneys or funds withdrawn that were (i) withdrawn by reason of the qualified beneficiary's death or disability; (ii) a disbursement of assets of the account pursuant to a filing for protection under the United States Bankruptcy Code, 11 U.S.C. §§ 101 through 1330; or (iii) transferred from an account established pursuant to Chapter 32 (§ 55-555 et seq.) of Title 55 into another account established pursuant to such chapter for the benefit of another qualified beneficiary.

A. For purposes of this article, Virginia taxable income for a taxable year means the federal taxable income and any other income taxable to the corporation under federal law for such year of a corporation adjusted as provided in subsections B, C, D, and E.

For a regulated investment company and a real estate investment trust, such term means the "investment company taxable income" and "real estate investment trust taxable income," respectively, to which shall be added in each case any amount of capital gains and any other income taxable to the corporation under federal law which shall be further adjusted as provided in subsections B, C, D, and E.

B. There shall be added to the extent excluded from federal taxable income:

2. Interest or dividends, less related expenses to the extent not deducted in determining federal taxable income, on obligations or securities of any authority, commission or instrumentality of the United States, which the laws of the United States exempt from federal income tax but not from state income taxes;

3. [Repealed.]

4. The amount of any net income taxes and other taxes, including franchise and excise taxes, which are based on, measured by, or computed with reference to net income, imposed by the Commonwealth or any other taxing jurisdiction, to the extent deducted in determining federal taxable income;

5. Unrelated business taxable income as defined by § 512 of the Internal Revenue Code;
6. [Repealed.]
7. The amount required to be included in income for the purpose of computing the partial tax on an accumulation distribution pursuant to § 667 of the Internal Revenue Code;
8. a. For taxable years beginning on and after January 1, 2004, the amount of any intangible expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with one or more related members to the extent such expenses and costs were deductible or deducted in computing federal taxable income for Virginia purposes. This addition shall not be required for any portion of the intangible expenses and costs if one of the following applies:
 - (1) The corresponding item of income received by the related member is subject to a tax based on or measured by net income or capital imposed by Virginia, another state, or a foreign government that has entered into a comprehensive tax treaty with the United States government;
 - (2) The related member derives at least one-third of its gross revenues from the licensing of intangible property to parties who are not related members, and the transaction giving rise to the expenses and costs between the corporation and the related member was made at rates and terms comparable to the rates and terms of agreements that the related member has entered into with parties who are not related members for the licensing of intangible property; or
 - (3) The corporation can establish to the satisfaction of the Tax Commissioner that the intangible expenses and costs meet both of the following: (i) the related member during the same taxable year directly or indirectly paid, accrued or incurred such portion to a person who is not a related member, and (ii) the transaction giving rise to the intangible expenses and costs between the corporation and the related member did not have as a principal purpose the avoidance of any portion of the tax due under this chapter.
- b. A corporation required to add to its federal taxable income intangible expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of intangible expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such intangible expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.
- c. Nothing in subdivision B 8 shall be construed to limit or negate the Department's authority under § 58.1-446;
9. a. For taxable years beginning on and after January 1, 2004, the amount of any interest expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with one or more related members to the extent such expenses and costs were deductible or deducted in computing federal taxable income for Virginia purposes. This addition shall not be required for any portion of the interest expenses and costs, if:

(1) The related member has substantial business operations relating to interest-generating activities, in which the related member pays expenses for at least five full-time employees who maintain, manage, defend or are otherwise responsible for operations or administration relating to the interest-generating activities; and

(2) The interest expenses and costs are not directly or indirectly for, related to or in connection with the direct or indirect acquisition, maintenance, management, sale, exchange, or disposition of intangible property; and

(iv) The transaction giving rise to the interest payments between the corporation and a related member was done at arm's length rates and terms and meets any of the following: (a) the related member uses funds that are borrowed from a party other than a related member or that are paid, incurred or passed-through to a person who is not a related member; (b) the debt is part of a regular and systematic funds management or portfolio investment activity conducted by the related member, whereby the funds of two or more related members are aggregated for the purpose of achieving economies of scale, the internal financing of the active business operations of members, or the benefit of centralized management of funds; (c) financing the expansion of the business operations; or (d) restructuring the debt of related members, or the pass-through of acquisition-related indebtedness to related members.

b. A corporation required to add to its federal taxable income interest expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

"16. That §§ 18.2-250.1, 18.2-251, 19.2-392.2, 19.2-392.3, and 19.2-392.4 of the Code of Virginia are amended and reenacted and that the Code of Virginia is amended by adding sections numbered 18.2-251.04 and 19.2-387.3 as follows:

§18.2-250.1. Possession of marijuana unlawful.

A. It is unlawful for any person knowingly or intentionally to possess marijuana unless the substance was obtained directly from, or pursuant to, a valid prescription or order of a practitioner while acting in the course of his professional practice, or except as otherwise authorized by the Drug Control Act (§ 54.1-3400 et seq.). Upon the prosecution of a person for violation of this section, ownership or occupancy of the premises or vehicle upon or in which marijuana was found shall not create a presumption that such person either knowingly or intentionally possessed such marijuana.

Any person who violates this section is guilty of a misdemeanor and shall be ~~confined in jail not more than 30 days and~~ fined not more than \$500, ~~either or both~~; any person, upon a second or subsequent conviction of a violation of this section, is guilty of a Class 1 misdemeanor. *A charge of a violation of this section that has been expunged under subdivision A 4 of § 19.2-392.2 shall be deemed a conviction for purposes of prosecuting a person for a second or subsequent violation of this section.*

B. The provisions of this section shall not apply to members of state, federal, county, city, or town law-enforcement agencies, jail officers, or correctional officers, as defined in § 53.1-1, certified as handlers of dogs trained in the detection of controlled substances when possession of marijuana is necessary for the performance of their duties.

C. In any prosecution under this section involving marijuana in the form of cannabidiol oil or THC-A oil as those terms are defined in §54.1-3408.3, it shall be an affirmative defense that the individual possessed such oil pursuant to a valid written certification issued by a practitioner in the course of his professional practice pursuant to § 54.1-3408.3 for treatment or to alleviate the symptoms of (i) the individual's intractable epilepsy or (ii) if such individual is the parent or legal guardian of a minor or of an incapacitated adult as defined in § 18.2-369, such minor's or incapacitated adult's intractable epilepsy. If the individual files the valid written certification with the court at least 10 days prior to trial and causes a copy of such written certification to be delivered to the attorney for the Commonwealth, such written certification shall be prima facie evidence that such oil was possessed pursuant to a valid written certification.

§18.2-251. Persons charged with first offense may be placed on probation; conditions; substance abuse screening, assessment treatment and education programs or services; drug tests; costs and fees; violations; discharge.

Whenever any person who has not previously been convicted of any offense under this article or under any statute of the United States or of any state relating to narcotic drugs, marijuana, or stimulant, depressant, or hallucinogenic drugs, or has not previously had a proceeding against him for violation of such an offense dismissed as provided in this section *or expunged under subdivision A 4 of § 19.2-392.2*, pleads guilty to or enters a plea of not guilty to possession of a controlled substance under § 18.2-250 or to possession of marijuana under § 18.2-250.1, the court, upon such plea if the facts found by the court would justify a finding of guilt, without entering a judgment of guilt and with the consent of the accused, may defer further proceedings and place him on probation upon terms and conditions. *Prior to deferring the proceedings under this section and at the time that the case is heard, the attorney for the Commonwealth or law-enforcement officer shall provide to the court, and the court shall review, the criminal history record and any records maintained by the Department of State Police pursuant to § 19.2-387.3 to ensure that the person is eligible for such deferral. The court shall not retain in the case file any such records provided to the court.*

As a term or condition, the court shall require the accused to undergo a substance abuse assessment pursuant to § 18.2-251.01 or 19.2-299.2, as appropriate, and enter treatment and/or education program or services, if available, such as, in the opinion of the court, may be best suited to the needs of the accused based upon consideration of the substance abuse assessment. The program or services may be located in the judicial district in which the charge is brought or in any other judicial district as the court may provide. The services shall be provided by (i) a program licensed by the Department of Behavioral Health and Developmental Services, by a similar program which is made available through the Department of Corrections, (ii) a local community-based probation services agency established pursuant to § 9.1-174, or (iii) an ASAP program certified by the Commission on VASAP.

The court shall require the person entering such program under the provisions of this section to pay all or part of the costs of the program, including the costs of the screening, assessment, testing, and treatment, based upon the accused's ability to pay unless the person is determined by the court to be indigent.

As a condition of probation, the court shall require the accused (a) to successfully complete treatment or education program or services, (b) to remain drug and alcohol free during the period of probation and submit to such tests during that period as may be necessary and appropriate to determine if the accused is drug and alcohol free, (c) to make reasonable efforts to secure and maintain employment, and (d) to comply with a plan of at least 100 hours of community service for a felony and up to 24 hours of community service for a misdemeanor. In addition to any community service required by the court pursuant to clause (d), if the court does not suspend or revoke the accused's license as a term or condition of probation for a violation of § 18.2-250.1, the court shall require the accused to comply with a plan of 50 hours of community service. Such testing shall be conducted by personnel of the supervising probation agency or personnel of any program or agency approved by the supervising probation agency.

The court shall, unless done at arrest, order the accused to report to the original arresting law-enforcement agency to submit to fingerprinting.

Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge the person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without adjudication of guilt and is a conviction only for the purposes of applying this section in subsequent proceedings.

Notwithstanding any other provision of this section, whenever a court places an individual on probation upon terms and conditions pursuant to this section, such action shall be treated as a conviction for purposes of §§ 18.2-259.1, 22.1-315, and 46.2-390.1, and the driver's license forfeiture provisions of those sections shall be imposed. However, if the court places an individual on probation upon terms and conditions for a violation of § 18.2-250.1, such action shall not be treated as a conviction for purposes of § 18.2-259.1 or 46.2-390.1, provided that a court (1) may suspend or revoke an individual's driver's license as a term or condition of probation and (2) shall suspend or revoke an individual's driver's license as a term or condition of probation for a period of six months if the violation of § 18.2-250.1 was committed while such person was in operation of a motor vehicle. The provisions of this paragraph shall not be applicable to any offense for which a juvenile has had his license suspended or denied pursuant to § 16.1-278.9 for the same offense.

§18.2-251.04. Heroin and Prescription Opioid Epidemic Fund.

There is hereby created in the state treasury a special nonreverting fund to be known as the Heroin and Prescription Opioid Epidemic Fund, referred to in this section as "the Fund." All moneys received from fees imposed under subsection L of § 19.2-392.2 on orders of expungement entered under subdivision A 4 of § 19.2-392.2 shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year that are not appropriated by the General Assembly shall not revert to the general fund but shall remain in the Fund. All moneys in the Fund shall be subject to annual appropriation by the General Assembly to the Department of Behavioral Health and Developmental Services to be used solely for prevention, treatment, and recovery services relating to the use of heroin and prescription opioid drugs. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Director of the Department of Behavioral Health and Developmental Services.

§19.2-387.3. Possession of Marijuana Database.

A. The Department of State Police shall keep and maintain a computerized database of charges of violations of § 18.2-250.1 that have been expunged under subdivision A 4 of § 19.2-392.2 separate and apart from all other records maintained by the Department. The Department of State Police shall make database information available, upon request, to criminal justice agencies, including local law-enforcement agencies and the attorney for the Commonwealth, through the Virginia Criminal Information Network. Database information

provided under this section shall be used only for the purposes of the administration of criminal justice. Information in the database may be provided to the defendant for the purposes of determining eligibility for a deferred disposition as provided in § 18.2-251. Information contained in the database shall not constitute a criminal record except as otherwise specified in the Code.

B. Use of the information contained in the database or received from the database for purposes not authorized by this section is prohibited, and a willful violation of this section with the intent to harass or intimidate another shall be punished as a Class 1 misdemeanor.

C. No liability shall be imposed upon any law-enforcement official or attorney for the Commonwealth who disseminates information or fails to disseminate information in good faith compliance with the requirements of this section, but this provision shall not be construed to grant immunity for gross negligence or willful misconduct.

D. Any record, including records maintained by electronic media, by photographic processes, or paper, in the office of the Department shall be admissible in evidence in any proceeding under §§ 18.2-250.1, 18.2-251, and 19.2-392.2. A copy, a machine-produced transcript, or a photograph of the record or paper attested by the Superintendent or his designee may be admitted as evidence in lieu of the original. In any case in which the records are transmitted by electronic means, a machine imprint of the Superintendent's name purporting to authenticate the record shall be the equivalent of attestation or certification by the Superintendent. Any copy, transcript, photograph, or certification purporting to be sealed or sealed and signed by the Superintendent or his designee or imprinted with the Superintendent's name may be admitted as evidence without any proof of the seal or signature or of the official character of the person whose name is signed thereto. If an issue as to the authenticity of any information transmitted by electronic means is raised, the court shall require that a record attested by the Superintendent or his designee be submitted for admission into evidence.

§19.2-392.2. Expungement of police and court records.

A. If a person is charged with the commission of a crime or any offense defined in Title 18.2, ~~and he may file a petition setting forth the relevant facts and requesting expungement of the police records and court records relating to the charge if:~~

4. ~~The charge is for a first offense violation of § 18.2-250.1 and is deferred and dismissed pursuant to the provisions of § 18.2-251.~~

B. If any person whose name or other identification has been used without his consent or authorization by another person who has been charged or arrested using such name or identification, he may file a petition with the court disposing of the charge for relief pursuant to this section. Such person shall not be required to pay any fees for the filing of a petition under this subsection. A petition filed under this subsection shall include one complete set of the petitioner's fingerprints obtained from a law-enforcement agency.

C. The petition with a copy of the warrant or indictment if reasonably available shall be filed in the circuit court of the county or city in which the case was disposed of by acquittal or being otherwise dismissed and shall contain, except where not reasonably available, the date of arrest and the name of the arresting agency. Where this information is not reasonably available, the petition shall state the reason for such unavailability. The petition shall further state the specific criminal charge to be expunged, the date of final disposition of the charge as set forth in the petition, the petitioner's date of birth, and the full name used by the petitioner at the time of arrest.

D. A copy of the petition shall be served on the attorney for the Commonwealth of the city or county in which the petition is filed. The attorney for the Commonwealth may file an objection or answer to the petition or may give written notice to the court that he does not object to the petition within 21 days after it is served on him.

E. The petitioner shall obtain from a law-enforcement agency one complete set of the petitioner's fingerprints and shall provide that agency with a copy of the petition for expungement. The law-enforcement agency shall submit the set of fingerprints to the Central Criminal Records Exchange (CCRE) with a copy of the petition for expungement attached. The CCRE shall forward under seal to the court a copy of the petitioner's criminal history, a copy of the source documents that resulted in the CCRE entry that the petitioner wishes to expunge, and the set of fingerprints. Upon completion of the hearing, the court shall return the fingerprint card to the petitioner. If no hearing was conducted, upon the entry of an order of expungement or an order denying the petition for expungement, the court shall cause the fingerprint card to be destroyed unless, within 30 days of the date of the entry of the order, the petitioner requests the return of the fingerprint card in person from the clerk of the court or provides the clerk of the court a self-addressed, stamped envelope for the return of the fingerprint card.

F. After receiving the criminal history record information from the CCRE, the court shall conduct a hearing on the petition. If the court finds that the continued existence and possible dissemination of information relating to the arrest *or charge* of the petitioner causes or may cause circumstances ~~which~~ *that* constitute a manifest injustice to the petitioner, it shall enter an order requiring the expungement of the police and court records, including electronic records, relating to the charge. Otherwise, it shall deny the petition. However, if the petitioner has no prior criminal record and the arrest *or charge* was for a misdemeanor violation, the petitioner shall be entitled, in the absence of good cause shown to the contrary by the Commonwealth, to expungement of the police and court records relating to the *arrest or charge*, and the court shall enter an order of expungement. If the attorney for the Commonwealth of the county or city in which the petition is filed (i) gives written notice to the court pursuant to subsection D that he does not object to the petition and (ii) when the charge to be expunged is a felony, stipulates in such written notice that the continued existence and possible dissemination of information relating to the arrest of the petitioner causes or may cause circumstances which constitute a manifest injustice to the petitioner, the court may enter an order of expungement without conducting a hearing.

G. The Commonwealth shall be made party defendant to the proceeding. Any party aggrieved by the decision of the court may appeal, as provided by law in civil cases.

H. Notwithstanding any other provision of this section, when the charge is dismissed because the court finds that the person arrested or charged is not the person named in the summons, warrant, indictment or presentment, the court dismissing the charge shall, upon motion of the person improperly arrested or charged, enter an order requiring expungement of the police and court records relating to the charge. Such order shall contain a statement that the dismissal and expungement are ordered pursuant to this subsection and shall be accompanied by the complete set of the petitioner's fingerprints filed with his petition. Upon the entry of such order, it shall be treated as provided in subsection K.

I. Notwithstanding any other provision of this section, when a person has been granted an absolute pardon for the commission of a crime that he did not commit, he may file in the circuit court of the county or city in which the conviction occurred a petition setting forth the relevant facts and requesting expungement of the police records and the court records relating to the charge and conviction, and the court shall enter an order requiring expungement of the police and court records relating to the charge and conviction. Such order shall contain a statement that the expungement is ordered pursuant to this subsection. Upon the entry of such order, it shall be treated as provided in subsection K.

J. Upon receiving a copy of a writ vacating a conviction pursuant to § 19.2-327.5 or 19.2-327.13, the court shall enter an order requiring expungement of the police and court records relating to the charge and conviction. Such order shall contain a statement that the expungement is ordered pursuant to this subsection. Upon the entry of the order, it shall be treated as provided in subsection K.

K. Upon the entry of an order of expungement, the clerk of the court shall cause a copy of such order to be forwarded to the Department of State Police, which shall, pursuant to rules and regulations adopted pursuant to § 9.1-134, direct the manner by which the appropriate expungement or removal of such records shall be effected. *K1. Except as otherwise specified in the Code, an order of expungement entered under subdivision A 4 does not constitute a criminal record and need not be reported by the person so arrested or charged in response to any inquiries about the person's criminal record, including any inquiries contained in any application for employment, license, or other right or privilege. Except as provided in § 19.2-387.3, all index references shall be deleted, and the court and law-enforcement officers and agencies shall reply and the person may reply to any inquiry that no record exists with respect to such person. Records relating to an order of expungement entered under subdivision A 4 shall be retained by the Department of State Police for the purposes specified in § 19.2-387.3.*

L. Costs shall be as provided by § 17.1-275, but shall not be recoverable against the Commonwealth. If the court enters an order of expungement, the clerk of the court shall refund to the petitioner such costs paid by the petitioner. *Costs shall not be refunded to the petitioner for an order of expungement entered under subdivision A 4. In addition to the costs provided by § 17.1-275, an additional \$300 fee shall be assessed to the petitioner for an order of expungement entered under subdivision A 4, of which \$150 shall be paid into the Heroin and Prescription Opioid Epidemic Fund established pursuant to § 18.2-251.04 and \$150 shall be paid into the state treasury and credited to the Department of State Police.*

S.J.R. 306 (three, naught, six) was taken up.

The amendment in the nature of a substitute proposed by the Committee on Privileges and Elections was recorded as follows:

SENATE JOINT RESOLUTION NO. 306

Proposing an amendment to Section 6 of Article II of the Constitution of Virginia and proposing amendments to the Constitution of Virginia by adding in Article II sections numbered 6-A and 6-B, relating to apportionment; state and local independent redistricting commissions; criteria.

RESOLVED by the Senate, the House of Delegates concurring, a majority of the members elected to each house agreeing, That the following amendments to the Constitution of Virginia be, and the same hereby are, proposed and referred to the General Assembly at its first regular session held after the next general election of members of the House of Delegates for its concurrence in conformity with the provisions of Section 1 of Article XII of the Constitution of Virginia, namely:

Amend Section 6 of Article II of the Constitution of Virginia and amend the Constitution of Virginia by adding in Article II sections numbered 6-A and 6-B as follows:

ARTICLE II FRANCHISE AND OFFICERS

Section 6. Apportionment.

(a) Members of the House of Representatives of the United States and members of the Senate and of the House of Delegates of the General Assembly shall be elected from electoral districts established ~~by the General Assembly pursuant to Section 6-A of this Constitution. The Commonwealth shall be reapportioned into electoral districts in accordance with this section and Section 6-A in the year 2021 and every ten years thereafter.~~ Every electoral district shall be ~~composed of contiguous and compact territory and shall be so constituted as to give, as nearly as is practicable, representation in proportion to the population of the district. The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2014 and every ten years thereafter constituted so as to adhere to the following standards and criteria:~~

(1) Districts shall be established on the basis of population. Senate and House of Delegates districts, respectively, shall each have a population that is as substantially equal to the population of every other such district as practicable. Congressional districts shall have populations that are as nearly equal as practicable. The Commission shall be guided by the most recent federal and state judicial decisions defining standards for equal population for the respective districts, including permissible deviations from the ideal population if the deviation is necessary in order to achieve some other legitimate districting criteria.

(2) Districts shall be drawn in accordance with the requirements of federal and state laws, and judicial decisions interpreting such laws, that address racial and ethnic fairness, including the Equal Protection Clause of the Constitution of the United States and the provisions of the federal Voting Rights Act of 1965, as amended.

(3) Existing political boundaries shall be respected to the maximum extent possible. Political boundaries shall include the boundaries of counties, cities, towns, county magisterial and election districts, municipal councilmanic districts, and voting precincts. If a departure from existing political boundaries is necessary in order to comply with other districting criteria, the district lines shall be drawn utilizing clearly observable physical boundaries. A "clearly observable physical boundary" shall include (i) any named road or street; (ii) any road or highway that is a part of the federal, primary state, or secondary state highway system; (iii) any river, stream, or drainage feature shown as a polygon boundary on the TIGER/Line Files of the United States Bureau of the Census; or (iv) any other natural or constructed or erected permanent physical feature that is shown on an official map issued by the Virginia Department of Transportation, on a United States Geological Survey topographical map, or as a polygon

boundary on the TIGER/Line Files of the United States Bureau of the Census. No property line or subdivision boundary shall be deemed to be a clearly observable physical boundary unless it is marked by a permanent physical feature that is shown on an official map issued by the Virginia Department of Transportation, on a United States Geological Survey topographical map, or as a polygon boundary on the TIGER/Line Files of the United States Bureau of the Census.

(4) Each district shall be composed of contiguous territory. Districts divided by water shall be deemed contiguous if a common means of transport, such as a bridge or ferry, connects the two parts of the district or, if the water were to be removed, the land on one side of the district would be contiguous with the land on the other side of the district. Connections by water running downstream or upriver are not permissible.

(5) Each district shall be composed of compact territory. Districts shall not be oddly shaped or have irregular or contorted boundaries, unless justified because the district adheres to political boundary lines. Fingers or tendrils extending from a district core shall be avoided, as shall thin and elongated districts and districts with multiple core populations connected by thin strips of land or water. The Commission shall employ one or more standard numerical measures of individual and average district compactness to provide an objective assessment of a districting plan's compactness, both statewide and district by district.

(6) Consideration may be given to communities of interest by creating districts that do not carve up homogeneous neighborhoods or separate groups of people living in an area with similar interests or needs in transportation, employment, or culture.

(7) Every effort possible shall be made to preserve the political parity between the two political parties receiving the highest and next highest number of votes in the immediately preceding gubernatorial election.

(b) Any such decennial reapportionment law shall take effect immediately and not be subject to the limitations contained in Article IV, Section 13, of this Constitution.

(c) The districts delineated in the decennial reapportionment law shall be implemented for the November general election for the United States House of Representatives, Senate, or House of Delegates, respectively, that is held immediately prior to the expiration of the term being served in the year that the reapportionment law is required to be enacted. A member in office at the time that a decennial redistricting law is enacted shall complete his term of office and shall continue to represent the district from which he was elected for the duration of such term of office so long as he does not move his residence from the district from which he was elected. Any vacancy occurring during such term shall be filled from the same district that elected the member whose vacancy is being filled.

Section 6-A. Virginia Independent Redistricting Commission.

(a) In the year 2020 and every ten years thereafter, the Virginia Independent Redistricting Commission (the Commission) shall be convened for the purpose of proposing districts for the United States House of Representatives and for the Senate and the House of Delegates of the General Assembly pursuant to Article II, Section 6 of this Constitution.

(b) The Commission shall consist of twelve commissioners who shall be selected in accordance with the provisions of this subsection and in the manner determined by the General Assembly by general law. Commissioners shall be appointed not later than the first day of February of the year following the decennial census. Members and employees of the Congress of the United States or of the General Assembly shall be ineligible to serve as commissioners.

(3) Four commissioners shall be appointed by the Governor, with equal representation given to the two political parties receiving the highest and next highest number of votes for governor at the immediately preceding gubernatorial election.

(c) The Commission shall submit to the General Assembly one or more proposed plans for districts for members of the United States House of Representatives and the Senate and the House of Delegates of the General Assembly within forty-five days of receipt of the official decennial census data or by the first day of June of that year, whichever occurs later.

(1) To be submitted as a proposed plan for districts for members of the United States House of Representatives, a plan shall receive affirmative votes of at least eight of the twelve commissioners. Such plan shall be introduced as a bill in each house and the General Assembly shall take a vote on any such bill in accordance with the provisions of Article IV, Section 11 of this Constitution, except that no amendments shall be permitted. The bill shall not be subject to the provisions contained in Article V, Section 6 of this Constitution.

(2) *To be submitted as a proposed plan for districts for members of the Senate, a plan shall receive affirmative votes of at least three of the four commissioners appointed by the Senate Committee on Rules. Such plan shall be introduced as a bill in the Senate and the Senate shall take a vote on any such bill in accordance with the provisions of Article IV, Section 11 of this Constitution, except that no amendments shall be permitted. The concurrence of the House of Delegates shall not be required and the bill shall not be subject to the provisions contained in Article V, Section 6 of this Constitution.*

(3) *To be submitted as a proposed plan for districts for members of the House of Delegates, a plan shall receive affirmative votes of at least three of the four commissioners appointed by the Speaker of the House of Delegates. Such plan shall be introduced as a bill in the House of Delegates and the House of Delegates shall take a vote on any such bill in accordance with the provisions of Article IV, Section 11 of this Constitution, except that no amendments shall be permitted. The concurrence of the Senate shall not be required and the bill shall not be subject to the provisions contained in Article V, Section 6 of this Constitution.*

(d) *If a plan is rejected by the General Assembly or either house of the General Assembly, the Commission shall submit a new plan to the General Assembly or respective body within thirty days of the rejection. If such plan is rejected by the General Assembly or respective body, the districts shall be established by the Supreme Court of Virginia.*

Section 6-B. Local independent redistricting commissions.

The governing body of each county, city, and town in which members of the governing body are elected from districts shall establish in the year following the decennial census a local independent redistricting commission for the purpose of proposing electoral districts for members of the governing body.

Commissioners shall be appointed not later than the first day of February of that year by the governing body. The governing body shall appoint four commissioners, with equal representation given to the political parties having the highest and next highest number of votes in the Commonwealth for governor at the last preceding gubernatorial election. Members and employees of the governing body shall be ineligible to serve as a commissioner.

The commission shall submit to the governing body one or more proposed plans for electoral districts for members of the governing body within sixty days of receipt of the official decennial census data or by the first day of July of that year, whichever occurs later.
