3. Provide, in consultation with the appropriate state hospital or training center, discharge planning for any individual who, prior to admission, resided in a city or county served by the community services board or who chooses to reside after discharge in a city or county served by the board and who is to be released from a state hospital or training center pursuant to § 37.2-837. Upon initiation of discharge planning, the community services board that serves the city or county where the individual resided prior to admission shall inform the individual that he may choose to return to the county or city in which he resided prior to admission or to any other county or city in the Commonwealth. If the individual is unable to make informed decisions regarding his care, the community services board shall so inform his authorized representative, who may choose the county or city in which the individual shall reside upon discharge. In either case and to the extent permitted by federal law, for individuals who choose to return to the county or city in which they resided prior to admission, the community services board shall make every reasonable effort to place the individuals in such county or city. The community services board serving the county or city in which he will reside following discharge shall be responsible for arranging transportation for the individual upon request following the discharge protocols developed by the Department.

The discharge plan shall be completed prior to the individual's discharge. The plan shall be prepared with the involvement and participation of the individual receiving services or his representative and must reflect the individual's preferences to the greatest extent possible. The plan shall include the mental health, developmental, substance abuse, social, educational, medical, employment, housing, legal, advocacy, transportation, and other services that the individual will need upon discharge into the community and identify the public or private agencies that have agreed to provide these services.

No individual shall be discharged from a state hospital or training center without completion by the community services board of the discharge plan described in this subdivision. If state hospital or training center staff identify an individual as ready for discharge and the community services board that is responsible for the individual's care disagrees, the community services board shall document in the treatment plan within 30 days of the individual's identification any reasons for not accepting the individual for discharge. If the state hospital or training center disagrees with the community services board and the board refuses to develop a discharge plan to accept the individual back into the community, the state hospital or training center or the community services board shall ask the Commissioner to review the state hospital's or training center's determination that the individual is ready for discharge in accordance with procedures established by the Department in collaboration with state hospitals, training centers, and community services boards. If the Commissioner determines that the individual is ready for discharge, a discharge plan shall be developed by the Department to ensure the availability of adequate services for the individual and the protection of the community. The Commissioner also shall verify that sufficient state-controlled funds have been allocated to the community services board through the performance contract. If sufficient state-controlled funds have been allocated, the Commissioner may contract with a private provider, another community services board, or a behavioral health authority to deliver the services specified in the discharge plan and withhold allocated funds applicable to that individual's discharge plan from the community services board in accordance with subsections C and E of § 37.2-508.

4. Provide information, if available, to all hospitals licensed pursuant to Article 1 (§ 32.1-123 et seq.) of Chapter 5 of Title 32.1 about alcohol and substance abuse services available to minors.

B. The community services board may perform the functions set out in subdivision A 1 in the case of children by referring them to the locality's family assessment and planning team and by cooperating with the community policy and management team in the coordination of services for troubled youths and their families. The community services board may involve the family assessment and planning team and the community policy and management team, but it remains responsible for performing the functions set out in subdivisions A 2 and A 3 in the case of children.

The Plan shall incorporate the regional emergency medical services plans prepared by the regional emergency medical services councils pursuant to § 32.1-111.4:2. Publishing through electronic means and posting on the Department website shall satisfy the publication requirement. The objectives of such Plan and the emergency medical services system shall include, but not be limited to, the following:

Establishing a comprehensive statewide emergency medical services system, incorporating facilities, transportation, manpower, communications, and other components as integral parts of a unified system that will serve to improve the delivery of emergency medical services and thereby decrease morbidity, hospitalization, disability, and mortality;
2. Reducing the time period between the identification of an acutely ill or injured patient and the definitive treatment;
3. Increasing the accessibility of high quality emergency medical services to all citizens of Virginia;
4. Promoting continuing improvement in system components including ground, water, and air transportation; communications; hospital emergency departments and other emergency medical care facilities; health care provider training and health care service delivery; and consumer health information and education;

Conducting, promoting, and encouraging programs of education and training designed to upgrade the knowledge and skills of emergency medical services personnel, including expanding the availability of paramedic and advanced life support training throughout the Commonwealth with particular emphasis on regions underserved by emergency medical services personnel having such skills and training;
8. Consulting with and reviewing, with agencies and organizations, the development of applications to governmental or other sources for grants or other funding to support emergency medical services programs;
9. Establishing a statewide air medical evacuation system which shall be developed by the Department of Health in coordination with the Department of State Police and other appropriate state agencies;
10. Establishing and maintaining a process for designation of appropriate hospitals as trauma centers and specialty care centers based on an applicable national evaluation system;
11. Maintaining a comprehensive emergency medical services patient care data collection and performance improvement system pursuant to Article 3.1 (§ 32.1-116.1 et seq.);
12. Collecting data and information and preparing reports for the sole purpose of the designation and verification of trauma centers and other specialty care centers pursuant to this section. 13. Establishing and maintaining a process for crisis intervention and peer support services for emergency medical services personnel and public safety personnel, including statewide availability and accreditation of critical incident stress management *or peer support* teams *and personnel*. *Such accreditation standards shall include a requirement that a peer support team be headed by a Virginia-licensed clinical psychologist, Virginia-licensed psychiatrist, Virginia-licensed*

*clinical social worker, or Virginia-licensed professional counselor, who has at least five years of experience as a mental health consultant working directly with emergency medical services personnel or public safety personnel;*

14. Establishing a statewide program of emergency medical services for children to provide coordination and support for emergency pediatric care, availability of pediatric emergency medical care equipment, and pediatric training of health care providers;

15. Establishing and supporting a statewide system of health and medical emergency response teams, including emergency medical services disaster task forces, coordination teams, disaster medical assistance teams, and other support teams that shall assist local emergency medical services agencies at their request during mass casualty, disaster, or whenever local resources are overwhelmed;

16. Establishing and maintaining a program to improve dispatching of emergency medical services personnel and vehicles, including establishment of and support for emergency medical services dispatch training, accreditation of 911 dispatch centers, and public safety answering points;

17. Identifying and establishing best practices for managing and operating emergency medical services agencies, improving and managing emergency medical services response times, and disseminating such information to the appropriate persons and entities;

18. Ensuring that the Department of Criminal Justice Services and the Virginia Criminal Injuries Compensation Fund shall be contacted immediately to deploy assistance in the event there are victims as defined in § 19.2-11.01, and that the Department of Criminal Justice Services and the Virginia Criminal Injuries Compensation Fund become the lead coordinating agencies for those individuals determined to be victims; and

19. Maintaining current contact information for both the Department of Criminal Justice Services and the Virginia Criminal Injuries Compensation Fund.

B. The Board of Health shall also develop and maintain as a component of the Emergency Medical Services Plan a statewide prehospital and interhospital Trauma Triage Plan designed to promote rapid access for pediatric and adult trauma patients to appropriate, organized trauma care through the publication and regular updating of information on resources for trauma care and generally accepted criteria for trauma triage and appropriate transfer. The Trauma Triage Plan shall include:

1. A strategy for maintaining the statewide Trauma Triage Plan through development of regional trauma triage plans that take into account the region's geographic variations and trauma care capabilities and resources, including hospitals designated as trauma centers pursuant to subsection A and inclusion of such regional plans in the statewide Trauma Triage Plan. The regional trauma triage plans shall be reviewed triennially. Plans should ensure that the Department of Criminal Justice Services and the Virginia Criminal Injuries Compensation Fund shall be contacted immediately to deploy assistance in the event there are victims as defined in § 19.2-11.01, and that the Department of Criminal Justice Services and the Virginia Criminal Injuries Compensation Fund become the lead coordinating agencies for those individuals determined to be victims; and maintain current contact information for both the Department of Criminal Justice Services and the Virginia Criminal Injuries Compensation Fund.

2. A uniform set of proposed criteria for prehospital and interhospital triage and transport of trauma patients developed by the Advisory Board, in consultation with the Virginia Chapter of the American College of Surgeons, the Virginia College of Emergency Physicians, the Virginia Hospital and Healthcare Association, and prehospital care providers. The Advisory Board may revise such criteria from time to time to incorporate accepted changes in medical practice or to respond to needs indicated by analyses of data on patient outcomes. Such criteria shall be used as a guide and resource for health care providers and are not intended to establish, in and of themselves, standards of care or to abrogate the requirements of § 8.01-581.20. A decision by a health care provider to deviate from the criteria shall not constitute negligence per se.

3. A performance improvement program for monitoring the quality of emergency medical services and trauma services, consistent with other components of the Emergency Medical Services Plan. The program shall provide for collection and analysis of data on emergency medical and trauma services from existing validated sources, including the emergency medical services patient care information system, pursuant to Article 3.1 (§ 32.1-116.1 et seq.), the Patient Level Data System, and mortality data. The Advisory Board shall review and analyze such data on a quarterly basis and report its findings to the Commissioner. The Advisory Board may execute these duties through a committee composed of persons having expertise in critical care issues and representatives of emergency medical services providers. The program for monitoring and reporting the results of emergency medical services and trauma services data analysis shall be the sole means of encouraging and promoting compliance with the trauma triage criteria.

The Commissioner shall report aggregate findings of the analysis annually to each regional emergency medical services council. The report shall be available to the public and shall identify, minimally, as defined in the statewide plan, the frequency of (i) incorrect triage in comparison to the total number of trauma patients delivered to a hospital prior to pronouncement of death and (ii) incorrect interfacility transfer for each region.

The Advisory Board or its designee shall ensure that each hospital director or emergency medical services agency chief is informed of any incorrect interfacility transfer or triage, as defined in the statewide Trauma Triage Plan, specific to the hospital or agency and shall give the hospital or agency an opportunity to correct any facts on which such determination is based, if the hospital or agency asserts that such facts are inaccurate. The findings of the report shall be used to improve the Trauma Triage Plan, including triage, and transport and trauma center designation criteria.

The Commissioner shall ensure the confidentiality of patient information, in accordance with § 32.1-116.2. Such data or information in the possession of or transmitted to the Commissioner, the Advisory Board, any committee acting on behalf

of the Advisory Board, any hospital or prehospital care provider, any regional emergency medical services council, emergency medical services agency that holds a valid license issued by the Commissioner, or group or committee established to monitor the quality of emergency medical services or trauma services pursuant to this subdivision, or any other person shall be privileged and shall not be disclosed or obtained by legal discovery proceedings, unless a circuit court, after a hearing and for good cause shown arising from extraordinary circumstances, orders disclosure of such data.

C. The Board shall also develop and maintain as a component of the Statewide Emergency Medical Services Plan a statewide prehospital and interhospital Stroke Triage Plan designed to promote rapid access for stroke patients to appropriate, organized stroke care through the publication and regular updating of information on resources for stroke care and generally accepted criteria for stroke triage and appropriate transfer. The Stroke Triage Plan shall include:

1. A strategy for maintaining the statewide Stroke Triage Plan through development of regional stroke triage plans that take into account the region's geographic variations and stroke care capabilities and resources, including hospitals designated as "primary stroke centers" through certification by the Joint Commission, DNV Healthcare, or a comparable process consistent with the recommendations of the Brain Attack Coalition, and inclusion of such regional plans in the statewide Stroke Triage Plan. The regional stroke triage plans shall be reviewed triennially.

2. A uniform set of proposed criteria for prehospital and interhospital triage and transport of stroke patients developed by the Advisory Board, in consultation with the American Stroke Association, the Virginia College of Emergency Physicians, the Virginia Hospital and Healthcare Association, and prehospital care providers. The Board may revise such criteria from time to time to incorporate accepted changes in medical practice or to respond to needs indicated by analyses of data on patient outcomes. Such criteria shall be used as a guide and resource for health care providers and are not intended to establish, in and of themselves, standards of care or to abrogate the requirements of § 8.01-581.20. A decision by a health care provider to deviate from the criteria shall not constitute negligence per se.

D. Whenever any state-owned aircraft, vehicle, or other form of conveyance is utilized under the provisions of this section, an appropriate amount not to exceed the actual costs of operation may be charged by the agency having administrative control of such aircraft, vehicle, or other form of conveyance.

## CHAPTER 610

*An Act to amend and reenact §§ 15.2-901, 15.2-906, 15.2-907, 15.2-908, 15.2-908.1, and 15.2-1115 of the Code of Virginia, relating to lien priority.*

[H 1992]

Approved March 16, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 15.2-901, 15.2-906, 15.2-907, 15.2-908, 15.2-908.1, and 15.2-1115 of the Code of Virginia are amended and reenacted as follows:**

**§ 15.2-901. Locality may provide for removal or disposal of trash, cutting of grass and weeds; penalty in certain counties; penalty.**

A. Any locality may, by ordinance, provide that:

1. The owners of property therein shall, at such time or times as the governing body may prescribe, remove therefrom any and all trash, garbage, refuse, litter and other substances which might endanger the health or safety of other residents of such locality; or may, whenever the governing body deems it necessary, after reasonable notice, have such trash, garbage, refuse, litter and other like substances which might endanger the health of other residents of the locality, removed by its own agents or employees, in which event the cost or expenses thereof shall be chargeable to and paid by the owners of such property and may be collected by the locality as taxes are collected;

2. Trash, garbage, refuse, litter and other debris shall be disposed of in personally owned or privately owned receptacles that are provided for such use and for the use of the persons disposing of such matter or in authorized facilities provided for such purpose and in no other manner not authorized by law;

3. The owners of occupied or vacant developed or undeveloped property therein, including such property upon which buildings or other improvements are located, shall cut the grass, weeds and other foreign growth on such property or any part thereof at such time or times as the governing body shall prescribe; or may, whenever the governing body deems it necessary, after reasonable notice as determined by the locality, have such grass, weeds or other foreign growth cut by its agents or employees, in which event the cost and expenses thereof shall be chargeable to and paid by the owner of such property and may be collected by the locality as taxes are collected. For purposes of this provision, one written notice per growing season to the owner of record of the subject property shall be considered reasonable notice. No such ordinance adopted by any county shall have any force and effect within the corporate limits of any town. No such ordinance adopted by any county having a density of population of less than 500 per square mile shall have any force or effect except within the boundaries of platted subdivisions or any other areas zoned for residential, business, commercial or industrial use. No such ordinance shall be applicable to land zoned for or in active farming operation.

B. Every charge authorized by this section with which the owner of any such property shall have been assessed and which remains unpaid shall constitute a lien against such property ranking on a parity with liens for unpaid local *real estate* taxes and enforceable in the same manner as provided in Articles 3 (§ 58.1-3940 et seq.) and 4 (§ 58.1-3965 et seq.) of

Chapter 39 of Title 58.1. A locality may waive such liens in order to facilitate the sale of the property. Such liens may be waived only as to a purchaser who is unrelated by blood or marriage to the owner and who has no business association with the owner. All such liens shall remain a personal obligation of the owner of the property at the time the liens were imposed.

C. The governing body of any locality may by ordinance provide that violations of this section shall be subject to a civil penalty, not to exceed \$50 for the first violation, or violations arising from the same set of operative facts. The civil penalty for subsequent violations not arising from the same set of operative facts within 12 months of the first violation shall not exceed \$200. Each business day during which the same violation is found to have existed shall constitute a separate offense. In no event shall a series of specified violations arising from the same set of operative facts result in civil penalties that exceed a total of \$3,000 in a 12-month period.

D. Except as provided in this subsection, adoption of an ordinance pursuant to subsection C shall be in lieu of criminal penalties and shall preclude prosecution of such violation as a misdemeanor. The governing body of any locality may, however, by ordinance provide that such violations shall be a Class 3 misdemeanor in the event three civil penalties have previously been imposed on the same defendant for the same or similar violation, not arising from the same set of operative facts, within a 24-month period. Classifying such subsequent violations as criminal offenses shall preclude the imposition of civil penalties for the same violation.

**§ 15.2-906. Authority to require removal, repair, etc., of buildings and other structures.**

Any locality may, by ordinance, provide that:

1. The owners of property therein, shall at such time or times as the governing body may prescribe, remove, repair or secure any building, wall or any other structure that might endanger the public health or safety of other residents of such locality;

2. The locality through its own agents or employees may remove, repair or secure any building, wall or any other structure that might endanger the public health or safety of other residents of such locality, if the owner and lienholder of such property, after reasonable notice and a reasonable time to do so, has failed to remove, repair, or secure the building, wall or other structure. For purposes of this section, repair may include maintenance work to the exterior of a building to prevent deterioration of the building or adjacent buildings. For purposes of this section, reasonable notice includes a written notice (i) mailed by certified or registered mail, return receipt requested, sent to the last known address of the property owner and (ii) published once a week for two successive weeks in a newspaper having general circulation in the locality. No action shall be taken by the locality to remove, repair, or secure any building, wall, or other structure for at least 30 days following the later of the return of the receipt or newspaper publication, except that the locality may take action to prevent unauthorized access to the building within seven days of such notice if the structure is deemed to pose a significant threat to public safety and such fact is stated in the notice;

3. In the event the locality, through its own agents or employees, removes, repairs, or secures any building, wall, or any other structure after complying with the notice provisions of this section, the cost or expenses thereof shall be chargeable to and paid by the owners of such property and may be collected by the locality as taxes are collected;

4. Every charge authorized by this section or § 15.2-900 with which the owner of any such property has been assessed and that remains unpaid shall constitute a lien against such property ranking on a parity with liens for unpaid local *real estate* taxes and enforceable in the same manner as provided in Articles 3 (§ 58.1-3940 et seq.) and 4 (§ 58.1-3965 et seq.) of Chapter 39 of Title 58.1. A locality may waive such liens in order to facilitate the sale of the property. Such liens may be waived only as to a purchaser who is unrelated by blood or marriage to the owner and who has no business association with the owner. All such liens shall remain a personal obligation of the owner of the property at the time the liens were imposed;

5. Notwithstanding the foregoing, with the written consent of the property owner, a locality may, through its agents or employees, demolish or remove a derelict nonresidential building or structure provided that such building or structure is neither located within or determined to be a contributing property within a state or local historic district nor individually designated in the Virginia Landmarks Register. The property owner's written consent shall identify whether the property is subject to a first lien evidenced by a recorded deed of trust or mortgage and, if so, shall document the property owner's best reasonable efforts to obtain the consent of the first lienholder or the first lienholder's authorized agent. The costs of such demolition or removal shall constitute a lien against such property. In the event the consent of the first lienholder or the first lienholder's authorized agent is obtained, such lien shall rank on a parity with liens for unpaid local taxes and be enforceable in the same manner as provided in subdivision 4. In the event the consent of the first lienholder or the first lienholder's authorized agent is not obtained, such lien shall be subordinate to that first lien but shall otherwise be subject to subdivision 4; and

6. A locality may prescribe civil penalties, not to exceed a total of \$1,000, for violations of any ordinance adopted pursuant to this section.

**§ 15.2-907. Authority to require removal, repair, etc., of buildings and other structures harboring illegal drug use.**

A. As used in this section:

"Affidavit" means the affidavit prepared by a locality in accordance with subdivision B 1 a hereof.

"Controlled substance" means illegally obtained controlled substances or marijuana, as defined in § 54.1-3401.

"Corrective action" means the taking of steps which are reasonably expected to be effective to abate drug blight on real property, such as removal, repair or securing of any building, wall or other structure.

"Drug blight" means a condition existing on real property which tends to endanger the public health or safety of residents of a locality and is caused by the regular presence on the property of persons under the influence of controlled

substances or the regular use of the property for the purpose of illegally possessing, manufacturing or distributing controlled substances.

"Owner" means the record owner of real property.

"Property" means real property.

B. Any locality may, by ordinance, provide that:

1. The locality may undertake corrective action with respect to property in accordance with the procedures described herein:

a. The locality shall execute an affidavit, citing this section, to the effect that (i) drug blight exists on the property and in the manner described therein; (ii) the locality has used diligence without effect to abate the drug blight; and (iii) the drug blight constitutes a present threat to the public's health, safety or welfare.

b. The locality shall then send a notice to the owner of the property, to be sent by regular mail to the last address listed for the owner on the locality's assessment records for the property, together with a copy of such affidavit, advising that (i) the owner has up to 30 days from the date thereof to undertake corrective action to abate the drug blight described in such affidavit and (ii) the locality will, if requested to do so, assist the owner in determining and coordinating the appropriate corrective action to abate the drug blight described in such affidavit.

c. If no corrective action is undertaken during such 30-day period, the locality shall send by regular mail an additional notice to the owner of the property, at the address stated in the preceding subdivision, stating the date on which the locality may commence corrective action to abate the drug blight on the property, which date shall be no earlier than 15 days after the date of mailing of the notice. Such additional notice shall also reasonably describe the corrective action contemplated to be taken by the locality. Upon receipt of such notice, the owner shall have a right, upon reasonable notice to the locality, to seek equitable relief, and the locality shall initiate no corrective action while a proper petition for relief is pending before a court of competent jurisdiction.

2. If the locality undertakes corrective action with respect to the property after complying with the provisions of subdivision B 1, the costs and expenses thereof shall be chargeable to and paid by the owner of such property and may be collected by the locality as taxes are collected.

3. Every charge authorized by this section with which the owner of any such property has been assessed and which remains unpaid shall constitute a lien against such property with the same priority as liens for unpaid local *real estate* taxes and enforceable in the same manner as provided in Articles 3 (§ 58.1-3940 et seq.) and 4 (§ 58.1-3965 et seq.) of Chapter 39 of Title 58.1.

C. If the owner of such property takes timely corrective action pursuant to such ordinance, the locality shall deem the drug blight abated, shall close the proceeding without any charge or cost to the owner and shall promptly provide written notice to the owner that the proceeding has been terminated satisfactorily. The closing of a proceeding shall not bar the locality from initiating a subsequent proceeding if the drug blight recurs.

D. Nothing in this section shall be construed to abridge or waive any rights or remedies of an owner of property at law or in equity.

**§ 15.2-908. Authority of localities to remove or repair the defacement of buildings, walls, fences and other structures.**

A. Any locality may by ordinance undertake or contract for the removal or repair of the defacement of any public building, wall, fence or other structure or any private building, wall, fence or other structure where such defacement is visible from any public right-of-way. The ordinance may provide that whenever the property owner, after reasonable notice, fails to remove or repair the defacement, the locality may have such defacement removed or repaired by its agents or employees. Such agents or employees shall have any and all immunity normally provided to an employee of the locality. For purposes of this section, the term "defacement" means the unauthorized application by any means of any writing, painting, drawing, etching, scratching, or marking of an inscription, word, mark, figure, or design of any type.

If the defacement occurs on a public or private building, wall, fence, or other structure located on an unoccupied property, and the locality, through its own agents or employees, removes or repairs the defacement after complying with the notice provisions of this section, the actual cost or expenses thereof shall be chargeable to and paid by the owners of such property and may be collected by the locality as taxes are collected. No lien shall be chargeable to the owners of such property unless the locality shall have given a minimum of 15 days notice to the property owner prior to the removal of the defacement.

Every charge authorized by this section with which the owner of any such property shall have been assessed and that remains unpaid shall constitute a lien against such property, ranking on a parity with liens for unpaid local *real estate* taxes and enforceable in the same manner as provided in Articles 3 (§ 58.1-3940 et seq.) and 4 (§ 58.1-3965 et seq.) of Chapter 39 of Title 58.1. A locality may waive and release such liens in order to facilitate the sale of the property. Such liens may be waived only as to a purchaser who is unrelated by blood or marriage to the owner and who has no business association with the owner. All such liens shall remain a personal obligation of the owner of the property at the time the liens were imposed.

B. The court may order any person convicted of unlawfully defacing property described in subsection A to pay full or partial restitution to the locality for costs incurred by the locality in removing or repairing the defacement if the locality has adopted an ordinance pursuant to this section.

C. An order of restitution pursuant to this section shall be docketed as provided in § 8.01-446 when so ordered by the court or upon written request of the locality and may be enforced by the locality in the same manner as a judgment in a civil action.

**§ 15.2-908.1. Authority to require removal, repair, etc., of buildings and other structures harboring a bawdy place.**

A. As used in this section:

"Affidavit" means the affidavit prepared by a locality in accordance with subdivision B 1 a hereof.

"Bawdy place" means the same as that term is defined in § 18.2-347.

"Corrective action" means the taking of steps which are reasonably expected to be effective to abate a bawdy place on real property, such as removal, repair or securing of any building, wall or other structure.

"Owner" means the record owner of real property.

"Property" means real property.

B. The governing body of any locality may, by ordinance, provide that:

1. The locality may undertake corrective action with respect to property in accordance with the procedures described herein:

a. The locality shall execute an affidavit, citing this section, to the effect that (i) a bawdy place exists on the property and in the manner described therein; (ii) the locality has used diligence without effect to abate the bawdy place; and (iii) the bawdy place constitutes a present threat to the public's health, safety or welfare.

b. The locality shall then send a notice to the owner of the property, to be sent by regular mail to the last address listed for the owner on the locality's assessment records for the property, together with a copy of such affidavit, advising that (i) the owner has up to thirty days from the date thereof to undertake corrective action to abate the bawdy place described in such affidavit and (ii) the locality will, if requested to do so, assist the owner in determining and coordinating the appropriate corrective action to abate the bawdy place described in such affidavit.

c. If no corrective action is undertaken during such thirty-day period, the locality shall send by regular mail an additional notice to the owner of the property, at the address stated in the preceding subdivision, stating the date on which the locality may commence corrective action to abate the bawdy place on the property, which date shall be no earlier than fifteen days after the date of mailing of the notice. Such additional notice shall also reasonably describe the corrective action contemplated to be taken by the locality. Upon receipt of such notice, the owner shall have a right, upon reasonable notice to the locality, to seek equitable relief, and the locality shall initiate no corrective action while a proper petition for relief is pending before a court of competent jurisdiction.

2. If the locality undertakes corrective action with respect to the property after complying with the provisions of subdivision B 1, the costs and expenses thereof shall be chargeable to and paid by the owner of such property and may be collected by the locality as taxes and levies are collected.

3. Every charge authorized by this section with which the owner of any such property has been assessed and which remains unpaid shall constitute a lien against such property with the same priority as liens for unpaid local *real estate* taxes and enforceable in the same manner as provided in Articles 3 (§ 58.1-3940 et seq.) and 4 (§ 58.1-3965 et seq.) of Chapter 39 of Title 58.1.

C. If the owner of such property takes timely corrective action pursuant to such ordinance, the locality shall deem the bawdy place abated, shall close the proceeding without any charge or cost to the owner and shall promptly provide written notice to the owner that the proceeding has been terminated satisfactorily. The closing of a proceeding shall not bar the locality from initiating a subsequent proceeding if the bawdy place recurs.

D. Nothing in this section shall be construed to abridge or waive any rights or remedies of an owner of property at law or in equity.

**§ 15.2-1115. Abatement or removal of nuisances.**

A. A municipal corporation may compel the abatement or removal of all nuisances, including but not limited to the removal of weeds from private and public property and snow from sidewalks; the covering or removal of offensive, unwholesome, unsanitary or unhealthy substances allowed to accumulate in or on any place or premises; the filling in to the street level, fencing or protection by other means, of the portion of any lot adjacent to a street where the difference in level between the lot and the street constitutes a danger to life and limb; the raising or draining of grounds subject to be covered by stagnant water; and the razing or repair of all unsafe, dangerous or unsanitary public or private buildings, walls or structures which constitute a menace to the health and safety of the occupants thereof or the public. If after such reasonable notice as the municipal corporation may prescribe the owner or owners, occupant or occupants of the property or premises affected by the provisions of this section shall fail to abate or obviate the condition or nuisance, the municipal corporation may do so and charge and collect the cost thereof from the owner or owners, occupant or occupants of the property affected in any manner provided by law for the collection of state or local taxes.

B. Every charge authorized by this section in excess of \$200 which has been assessed against the owner of any such property and which remains unpaid shall constitute a lien against such property. Such liens shall have the same priority as *liens* for other unpaid local *real estate* taxes and shall be enforceable in the same manner as provided in Articles 3 (§ 58.1-3940 et seq.) and 4 (§ 58.1-3965 et seq.) of Chapter 39 of Title 58.1. A locality may waive such liens in order to facilitate the sale of the property. Such liens may be waived only as to a purchaser who is unrelated by blood or marriage to the owner and who has no business association with the owner. All such liens shall remain a personal obligation of the owner of the property at the time the liens were imposed.

CHAPTER 611

*An Act to authorize the Treasury Board to issue bonds pursuant to Article X, Section 9 (c) of the Constitution of Virginia in an amount up to \$13,637,000 plus financing costs to finance the costs of acquiring, constructing, and equipping revenue-producing capital projects at institutions of higher learning of the Commonwealth; to authorize the Treasury Board, by and with the consent of the Governor, to fix the details of such bonds, to provide for the sale of such bonds, and to issue notes to borrow money in anticipation of the issuance of the bonds; to provide for the pledge of the net revenues of such capital projects and the full faith, credit, and taxing power of the Commonwealth for the payment of such bonds; and to provide that the interest income on such bonds and notes shall be exempt from all taxation by the Commonwealth and any political subdivision thereof.*

[H 2250]

Approved March 16, 2017

Whereas, Article X, Section 9 (c) of the Constitution of Virginia provides that the General Assembly may authorize the creation of debt secured by a pledge of net revenues derived from rates, fees, or other charges and the full faith and credit of the Commonwealth of Virginia, provided that such debt is created for specific revenue-producing capital projects, including their enlargement or improvement, at, among others, institutions of higher learning of the Commonwealth; and

Whereas, in accordance with Article X, Section 9 (c) of the Constitution of Virginia, the Governor has certified in writing, filed with the Auditor of Public Accounts, his opinion that the anticipated net revenues of each of the capital projects identified below to be pledged to the payment of the principal of and the interest on that portion of such debt issued for each such project will be sufficient to meet such payments as the same become due and to provide such reserves as may be required by law and that each of the capital projects complies with the requirements of Article X, Section 9 (c) of the Constitution of Virginia now, therefore,

**Be it enacted by the General Assembly of Virginia:**

**1. § 1. Title.**

*This act shall be known and may be cited as the "Commonwealth of Virginia Institutions of Higher Education Bond Act of 2017."*

**§ 2. Authorization of bonds and bond anticipation notes.**

*The Treasury Board is hereby authorized, by and with the consent of the Governor, to sell and issue, pursuant to Article X, Section 9 (c), Constitution of Virginia, at one time or from time to time, bonds of the Commonwealth, to be designated "Commonwealth of Virginia Institutions of Higher Education Bonds, Series ....." in an aggregate principal amount not exceeding \$13,637,000, plus amounts needed to fund issuance costs, reserve funds, construction period interest, and other financing expenses. The Treasury Board is further hereby authorized, by and with the consent of the Governor, to borrow money in anticipation of the issuance of bonds by the issuance of bond anticipation notes (BANs), including BANs issued as commercial paper. The proceeds of such bonds and BANs, excluding amounts needed to fund issuance costs, reserve funds, and other financing expenses, shall be used exclusively for the purpose of providing funds, with any other available funds, for paying all or a portion of the costs of acquiring, constructing, renovating, enlarging, improving, and equipping revenue-producing capital projects at institutions of higher learning of the Commonwealth as follows:*

<i>Institution</i>	<i>Project Title</i>	<i>Amount</i>
<i>The College of William and Mary in Virginia</i>	<i>Renovate Dormitories</i>	<i>\$13,637,000</i>
<i>Total</i>		<i>\$13,637,000</i>

**§ 3. Application of proceeds.**

*The proceeds, including any premium, of bonds and BANs (except the proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs) shall be deposited in a special capital outlay fund in the state treasury and, together with the investment income thereon, shall be disbursed by the State Treasurer for paying costs of acquiring, constructing, renovating, enlarging, improving, and equipping the authorized capital projects, including financing costs. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs shall be used to pay such BANs, refunded bonds, and refunded BANs.*

**§ 4. Details, sale of bonds and BANs.**

*Bonds and BANs shall be dated and may be made redeemable before their maturity or maturities at such price or prices or within such price parameters, all as may be determined by the Treasury Board, by and with the consent of the Governor. Bonds and BANs shall be in such form, shall bear interest at such rate or rates, either at fixed rates or at rates established by formula or other method, and may contain such other provisions, all as determined by the Treasury Board or, when authorized by the Treasury Board, the State Treasurer. The principal of and premium, if any, and the interest on bonds and BANs shall be payable in lawful money of the United States of America. Bonds and BANs may be certificated or uncertificated as determined by the Treasury Board. The Treasury Board may contract for services of such registrars, transfer agents, or other authenticating agents as it deems appropriate to maintain a record of the persons entitled to the bonds and BANs. Bonds and BANs issued in certificated form may be issued under a system of book entry for recording the ownership and transfer of ownership of rights to receive payments on the bonds and BANs. The Treasury Board shall fix the*

authorized denomination or denominations of the bonds and the place or places of payment of certificated bonds and BANs, which may be at the Office of the State Treasurer or at any bank or trust company within or without the Commonwealth. Bonds shall mature at such time or times not exceeding 30 years from their date or dates, and BANs shall mature at such time or times not exceeding five years from their date or dates.

The Treasury Board may sell bonds and BANs in such manner, by competitive bidding, negotiated sale, or private placement, and for such price or within such price parameters as it may determine, by and with the consent of the Governor, to be in the best interest of the Commonwealth. In the discretion of the Treasury Board, bonds and BANs may be issued at one time or from time to time and may be sold and issued at the same time with other general obligation bonds and BANs, respectively, of the Commonwealth authorized pursuant to Article X, Section 9 (a) (3), (b), and (c) of the Constitution of Virginia, as separate issues or as a combined issue, designated "Commonwealth of Virginia General Obligation Bonds Bond Anticipation Notes, Series ....."

§ 5. Execution of bonds and BANs.

Certificated bonds and BANs shall be signed on behalf of the Commonwealth by the Governor and by the State Treasurer, or shall bear their facsimile signatures, and shall bear the lesser seal of the Commonwealth or a facsimile thereof. If the bonds or BANs bear the facsimile signature of the State Treasurer, they shall be signed by such administrative assistant as the State Treasurer shall determine or by such registrar or paying agent as may be designated to sign them by the Treasury Board. If any officer whose signature or facsimile signature appears on any bonds or BANs ceases to be such officer before delivery, such signature or facsimile signature shall nevertheless be valid and sufficient for all purposes the same as if such officer had remained in office until such delivery, and any bond or BAN may bear the facsimile signature of, or may be signed by, such persons as at the actual time of execution are the proper officers to sign such bond or BAN, although at the date of such bond or BAN such persons may not have been such officers.

§ 6. Sources for payment of expenses.

All expenses incurred under this act shall be paid from the proceeds of bonds or BANs, from payments made by the institutions for which the capital projects were authorized in § 2, or from any other available funds as the Treasury Board shall determine.

§ 7. Revenues.

The institution of higher learning named in § 2 is hereby authorized (i) to fix, revise, charge, and collect rates, fees, and charges for or in connection with the use, occupancy, and services of each capital project named in § 2 or the system of which such capital project is a part and (ii) to pledge to the portion of the bonds or BANs issued for such capital project the net revenues resulting from such rates, fees, and charges and remaining after payment of the expenses of operating the project or system, as the case may be. The institution is further authorized to create debt service and sinking funds for the payments of the principal of, premium, if any, and interest on the bonds and other reserves required by any agency of the United States of America purchasing the bonds or any portion thereof.

§ 8. Investments and contracts.

A. Pending the application of the proceeds of the bonds or BANs (including refunding bonds and BANs) to the purpose for which they have been authorized and the application of funds set aside for the purpose to the payment of bonds or BANs, they may be invested by the State Treasurer in securities that are legal investments under the laws of the Commonwealth for public funds and sinking funds, as the case may be. Whenever the State Treasurer receives interest from the investment of the proceeds of bonds or any BANs, such interest shall become a part of the principal of the bonds or any BANs and shall be used in the same manner as required for principal of the bonds or BANs.

B. The Commonwealth may enter into any contract or other arrangement that is determined to be necessary or appropriate to place the obligation or investment of the Commonwealth, as represented by bonds, BANs, or investments, in whole or in part, on the interest rate, cash flow, or other basis desired by the Commonwealth. Such contract or other arrangement may include, without limitation, contracts commonly known as interest rate swap agreements and futures or contracts providing for payments based on levels of, or changes in, interest rates. These contracts or arrangements may be entered into by the Commonwealth in connection with, or incidental to, entering into, or maintaining any (i) agreement that secures bonds or BANs or (ii) investment, or contract providing for investment, otherwise authorized by law. These contracts and arrangements may contain such payment, security, default, remedy, and other terms and conditions as determined by the Commonwealth, after giving due consideration to the creditworthiness of the counterparty or other obligated party, including any rating by any nationally recognized rating agency, and any other criteria as may be appropriate. The determinations referred to in this subsection may be made by the Treasury Board or any public funds manager with professional investment capabilities duly authorized by the Treasury Board to make such determinations.

C. Any money set aside and pledged to secure payments of bonds, BANs, or any of the contracts entered into pursuant to this section may be invested in accordance with subsection A and may be pledged to and used to service any of the contracts or other arrangements entered into pursuant to subsection B.

§ 9. Security for bonds and BANs.

The net revenues of the capital projects set forth above and the full faith and credit of the Commonwealth are hereby irrevocably pledged for the payment of the principal of and the interest on bonds and BANs (unless the Treasury Board, by and with the consent of the Governor, shall provide otherwise) issued under this act. The proceeds of (i) bonds the issuance of which has been anticipated by BANs, (ii) refunding bonds, and (iii) refunding BANs are hereby irrevocably pledged for the payment of principal of and interest and any premium on the BANs or bonds to be paid or redeemed thereby. In the event

*the net revenues pledged to the payment of the bonds or BANs are insufficient in any fiscal year for the timely payment of the principal of, premium, if any, and interest on the bonds or BANs, where the full faith and credit of the Commonwealth have been pledged, the General Assembly shall appropriate a sum sufficient therefor or the Governor shall direct payment therefor from the general fund revenues of the Commonwealth.*

**§ 10. Exemption of interest from tax.**

*The bonds and BANs issued under the provisions of this act, their transfer and the income therefrom, including any profit made on the sale thereof, shall at all times be free and exempt from taxation by the Commonwealth and by any county, city, or town or other political subdivision thereof. The Treasury Board is authorized to take or refrain from taking any and all actions and to covenant to such effect, and to require the participating institutions to do and to covenant likewise, to the extent that, in the judgment of the Treasury Board, it is appropriate in order that interest on the bonds and BANs may be exempt from federal income tax. Alternatively, interest on bonds and BANs may be made subject to inclusion in gross income of the holders thereof for federal income tax purposes.*

**§ 11. Refunding bonds and BANs.**

*The Treasury Board is authorized, by and with the consent of the Governor, to sell and issue, at one time or from time to time, refunding bonds and BANs of the Commonwealth and to refund any or all of the bonds and BANs, respectively, issued under this act or otherwise authorized pursuant to Article X, Section 9 (c) of the Constitution of Virginia. Refunding bonds and BANs may be issued in a principal amount up to the amount necessary to pay at maturity or redeem the bonds and BANs to be refunded and pay all issuance costs and other financing expenses of the refunding. Such refunding bonds and BANs may be issued whether or not the obligations to be refunded are then subject to redemption.*

**§ 12. Defeasance.**

*Any bond or BAN for which cash or direct obligations of the United States of America shall have been set aside in escrow with the State Treasurer or a bank or trust company, within or without the Commonwealth, shall be deemed no longer outstanding under the applicable authorizing instrument, this act, and Article X, Section 9 (c) or (b) of the Constitution of Virginia, as the case may be.*

**§ 13. Severability.**

*The provisions of this act or the application thereof to any person or circumstance that are held invalid shall not affect the validity of other provisions or applications of this act which can be given effect without the invalid provisions or applications.*

**2. That an emergency exists and this act is in force from its passage.**

In any prosecution under this section involving marijuana in the form of cannabidiol oil or THC-A oil as those terms are defined in § 54.1-3408.3, it shall be an affirmative defense that the individual possessed such oil pursuant to a valid written certification issued by a practitioner in the course of his professional practice pursuant to § 54.1-3408.3 for treatment or to alleviate the symptoms of (i) the individual's intractable epilepsy or (ii) if such individual is the parent or legal guardian of a minor or of an incapacitated adult as defined in § 18.2-369, such minor's or incapacitated adult's intractable epilepsy. If the individual files the valid written certification with the court at least 10 days prior to trial and causes a copy of such written certification to be delivered to the attorney for the Commonwealth, such written certification shall be prima facie evidence that such oil was possessed pursuant to a valid written certification.

*An Act to amend and reenact §§ 38.2-3407.7 and 38.2-4312.1 of the Code of Virginia, relating to pharmacy freedom of choice; pharmacy's intermediary.*

[H 1450]

Approved March 16, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 38.2-3407.7 and 38.2-4312.1 of the Code of Virginia are amended and reenacted as follows:**

**§ 38.2-3407.7. Pharmacies; freedom of choice.**

A. Notwithstanding any provision of § 38.2-3407 to the contrary, no insurer proposing to issue preferred provider policies or contracts shall prohibit any person receiving pharmacy benefits furnished thereunder from selecting, without limitation, the pharmacy of his choice to furnish such benefits. This right of selection extends to and includes ~~pharmacies~~ *any pharmacy that ~~is~~ is a nonpreferred provider and that ~~has~~ has previously notified the insurer on its own behalf or through an intermediary, by facsimile or otherwise, of ~~their~~ its agreement to accept reimbursement for ~~their~~ its services at rates applicable to pharmacies that are preferred providers, including any copayment consistently imposed by the insurer, as payment in full. Each insurer shall permit prompt electronic or telephonic transmittal of the reimbursement agreement by the pharmacy and ensure prompt verification to the pharmacy of the terms of reimbursement. In no event shall any person receiving a covered pharmacy benefit from a nonpreferred provider which has submitted a reimbursement agreement be responsible for amounts that may be charged by the nonpreferred provider in excess of the copayment and the insurer's reimbursement applicable to all of its preferred pharmacy providers. *If a pharmacy has provided notice pursuant to this subsection through an intermediary, the insurer or its intermediary may elect to respond directly to the pharmacy instead of the intermediary. Nothing in this subsection shall (i) require an insurer or its intermediary to contract with or to disclose confidential information to a pharmacy's intermediary or (ii) prohibit an insurer or its intermediary from contracting with or disclosing confidential information to a pharmacy's intermediary.**

B. No such insurer shall impose upon any person receiving pharmaceutical benefits furnished under any such policy or contract:

1. Any copayment, fee or condition that is not equally imposed upon all individuals in the same benefit category, class or copayment level, whether or not such benefits are furnished by pharmacists who are nonpreferred providers;
2. Any monetary penalty that would affect or influence any such person's choice of pharmacy; or
3. Any reduction in allowable reimbursement for pharmacy services related to utilization of pharmacists who are nonpreferred providers.

C. For purposes of this section, a prohibited condition or penalty shall include, without limitation: (i) denying immediate access to electronic claims filing to a pharmacy that is a nonpreferred provider and that has complied with subsection D or (ii) requiring a person receiving pharmacy benefits to make payment at point of service, except to the extent such conditions and penalties are similarly imposed on preferred providers.

D. Any pharmacy that wishes to be covered by this section shall, if requested to do so in writing by an insurer, within 30 days of the pharmacy's receipt of the request, execute and deliver to the insurer the direct service agreement or preferred provider agreement that the insurer requires all of its preferred providers of pharmacy benefits to execute. Any pharmacy that fails to timely execute and deliver such agreement shall not be covered by this section with respect to that insurer unless and until the pharmacy executes and delivers the agreement.

E. The Commission shall have no jurisdiction to adjudicate controversies arising out of this section.

F. Nothing in this section shall limit the authority of an insurer proposing to issue preferred provider policies or contracts to select a single mail order pharmacy provider as the exclusive provider of pharmacy services that are delivered to the covered person's address by mail, common carrier, or delivery service. The provisions of this section shall not apply to such contracts. As used in this subsection, "mail order pharmacy provider" means a pharmacy permitted to conduct

business in the Commonwealth whose primary business is to dispense a prescription drug or device under a prescriptive drug order and to deliver the drug or device to a patient primarily by mail, common carrier, or delivery service.

**§ 38.2-4312.1. Pharmacies; freedom of choice.**

A. Notwithstanding any other provision in this chapter, no health maintenance organization providing health care plans shall prohibit any person receiving pharmaceutical benefits thereunder from selecting, without limitation, the pharmacy of his choice to furnish such benefits. This right of selection extends to and includes ~~pharmacies~~ *any pharmacy that* ~~are~~ *is not a participating provider* under any such health care plan and that ~~have~~ *has* previously notified the health maintenance organization *on its own behalf or through an intermediary*, by facsimile or otherwise, of ~~their~~ *its* agreement to accept reimbursement for ~~their~~ *its* services at rates applicable to pharmacies that are participating providers, including any copayment consistently imposed by the plan, as payment in full. Each health maintenance organization shall permit prompt electronic or telephonic transmittal of the reimbursement agreement by the pharmacy and ensure prompt verification to the pharmacy of the terms of reimbursement. In no event shall any person receiving a covered pharmacy benefit from a nonparticipating provider which has submitted a reimbursement agreement be responsible for amounts that may be charged by the nonparticipating provider in excess of the copayment and the health maintenance organization's reimbursement applicable to all of its participating pharmacy providers. *If a pharmacy has provided notice pursuant to this subsection through an intermediary, the health maintenance organization or its intermediary may elect to respond directly to the pharmacy instead of the intermediary. Nothing in this subsection shall (i) require a health maintenance organization or its intermediary to contract with or to disclose confidential information to a pharmacy's intermediary or (ii) prohibit a health maintenance organization or its intermediary from contracting with or disclosing confidential information to a pharmacy's intermediary.*

B. No such health maintenance organization shall impose upon any person receiving pharmaceutical benefits furnished under any such health care plan:

1. Any copayment, fee or condition that is not equally imposed upon all individuals in the same benefit category, class or copayment level, whether or not such benefits are furnished by pharmacists who are not participating providers;
2. Any monetary penalty that would affect or influence any such person's choice of pharmacy; or
3. Any reduction in allowable reimbursement for pharmacy services related to utilization of pharmacists who are not participating providers.

C. For purposes of this section, a prohibited condition or penalty shall include, without limitation: (i) denying immediate access to electronic claims filing to a pharmacy that is a nonparticipating provider and that has complied with subsection E or (ii) requiring a person receiving pharmacy benefits to make payment at point of service, except to the extent such conditions and penalties are similarly imposed on participating providers.

D. The provisions of this section are not applicable to any pharmaceutical benefit covered by a health care plan when those benefits are obtained from a pharmacy wholly owned and operated by, or exclusively operated for, the health maintenance organization providing the health care plan.

E. Any pharmacy that wishes to be covered by this section shall, if requested to do so in writing by a health maintenance organization, within 30 days of the pharmacy's receipt of the request, execute and deliver to the health maintenance organization the direct service agreement or participating provider agreement that the health maintenance organization requires all of its participating providers of pharmacy benefits to execute. Any pharmacy that fails to timely execute and deliver such agreement shall not be covered by this section with respect to that health maintenance organization unless and until the pharmacy executes and delivers the agreement.

F. The Commission shall have no jurisdiction to adjudicate controversies arising out of this section.

G. Nothing in this section shall limit the authority of a health maintenance organization providing health care plans to select a single mail order pharmacy provider as the exclusive provider of pharmacy services that are delivered to the covered person's address by mail, common carrier, or delivery service. The provisions of this section shall not apply to such contracts. As used in this subsection, "mail order pharmacy provider" means a pharmacy permitted to conduct business in the Commonwealth whose primary business is to dispense a prescription drug or device under a prescriptive drug order and to deliver the drug or device to a patient primarily by mail, common carrier, or delivery service.

D. This section shall not prohibit the Director of the Department of Health Professions, after consultation with the relevant health regulatory board president or his designee, from disclosing to the Attorney General, or the appropriate attorney for the Commonwealth, investigatory information which indicates a possible violation of any provision of criminal law, including the laws relating to the manufacture, distribution, dispensing, prescribing or administration of drugs, other than drugs classified as Schedule VI drugs and devices, by any individual regulated by any health regulatory board.

E. Nothing in this section shall permit any agency to which the Director makes a disclosure pursuant to this section to re-disclose any information, reports, records, or materials received from the Department.

G. Whenever a complaint or report has been filed about a person licensed, certified, or registered by a health regulatory board, the source and the subject of a complaint or report shall be provided information about the investigative and disciplinary procedures at the Department of Health Professions. Prior to interviewing a licensee who is the subject of a complaint or report, or at the time that the licensee is first notified in writing of the complaint or report, whichever shall occur first, the licensee shall be provided with a copy of the complaint or report and any records or supporting documentation, unless such provision would materially obstruct a criminal or regulatory investigation. If the relevant board concludes that a disciplinary proceeding will not be instituted, the board may send an advisory letter to the person who was the subject of the complaint or report. The relevant board may also inform the source of the complaint or report (i) that an investigation has been conducted, (ii) that the matter was concluded without a disciplinary proceeding, (iii) of the process the board followed in making its determination, and (iv), if appropriate, that an advisory letter from the board has been communicated to the person who was the subject of the complaint or report. J. Any person found guilty of the unlawful disclosure of confidential information possessed by a health regulatory board shall be guilty of a Class 1 misdemeanor.

K. In disciplinary actions in which a practitioner is or may be unable to practice with reasonable skill and safety to patients and the public because of a mental or physical disability, a health regulatory board shall consider whether to disclose and may decide not to disclose in its notice or order the practitioner's health records, as defined in § 32.1-127.1:03, or his health services, as defined in § 32.1-127.1:03. Such information may be considered by the relevant board in a closed hearing in accordance with subsection A ~~15~~ 16 of § 2.2-3711 and included in a confidential exhibit to a notice or order. The public

notice or order shall identify, if known, the practitioner's mental or physical disability that is the basis for its determination. In the event that the relevant board, in its discretion, determines that this subsection should apply, information contained in the confidential exhibit shall remain part of the confidential record before the relevant board and is subject to court review under the Administrative Process Act (§ 2.2-4000 et seq.) and to release in accordance with this section.

### CHAPTER 617

*An Act for the relief of Keith Allen Harward.*

[H 1650]

Approved March 16, 2017

Whereas, Keith Allen Harward (Mr. Harward) spent 33 years in prison for crimes he did not commit; and

Whereas, in the early morning hours of September 14, 1982, an unknown assailant broke into a Newport News, Virginia, home, bludgeoned the husband to death with a crowbar and repeatedly raped the wife while the children slept nearby; and

Whereas, the rape victim described her assailant as wearing a white Navy uniform and told police that the assailant had bitten her repeatedly on the legs; and

Whereas, a Newport News Shipyard security guard who, following a suggestive photo array procedure conducted by police investigators, identified Mr. Harward as the sailor he had seen six months earlier entering the shipyard in a blood-spattered uniform during the early morning hours of the day of the crime; and

Whereas, the shipyard security guard was the only individual to identify Mr. Harward at trial; and

Whereas, the rape victim was not able to identify Mr. Harward either before or at trial; and

Whereas, Mr. Harward did not know the rape victim and did not match the physical description of the assailant provided by the victim; and

Whereas, no physical evidence linked Mr. Harward to the crime scene; and

Whereas, a Virginia Department of Forensic Science (DFS) employee suppressed critical serological evidence excluding Mr. Harward as the source of body fluids found on the victim following the crime; and

Whereas, the main evidence against Mr. Harward at trial was bite mark identification proffered by two forensic odontologists, a line of evidence that has been discredited as scientifically invalid and rejected by the American Board of Forensic Odontology; and

Whereas, police investigators withheld critical information that the victim and the Newport News Shipyard security guard had been hypnotized and that certain key components of their respective testimonies changed after hypnosis; and

Whereas, because defense counsel was not informed of the hypnosis of the witnesses, counsel was not able to object to the admission of the hypnotically enhanced recollections, which were considered to be unreliable and admissible only to the extent that they were consistent with a pre-hypnotic statement; and

Whereas, on March 6, 1986, Mr. Harward was falsely convicted of first degree murder and sentenced to life in prison; and

Whereas, in late 2015 and early 2016, DFS analyzed DNA evidence from a rape kit collected from the victim after the crime and excluded Mr. Harward as the perpetrator of the crime; and

Whereas, the DNA evidence identified the real perpetrator of the crime as Jerry Crotty, a U.S. Navy sailor stationed on the same naval vessel as Mr. Harward at the time of the crime and a serial criminal who died in prison in Ohio in 2006; and

Whereas, on March 4, 2016, Mr. Harward submitted to the Supreme Court of Virginia a Petition for a Writ of Actual Innocence based on the DNA evidence excluding him as the perpetrator of the crime; and

Whereas, on April 6, 2016, Virginia Attorney General Mark Herring filed a response recommending that the Writ of Actual Innocence be granted as quickly as possible; and

Whereas, on April 7, 2016, the Supreme Court of Virginia granted Mr. Harward's Writ of Actual Innocence, formally exonerating him of all the crimes for which he had been convicted; and

Whereas, Mr. Harward has always maintained his innocence; and

Whereas, Mr. Harward, as a result of his wrongful conviction, suffers from numerous painful physical injuries, systemic health conditions, and severe mental anguish and emotional distress and has lost countless opportunities, including the opportunity to marry and have children; and

Whereas, Mr. Harward, as a further result of his wrongful conviction, is an impoverished man, with no job skills or career prospects and no savings or accumulated pension benefits, and does not qualify for social security benefits; and

Whereas, Mr. Harward has no other means to obtain adequate relief except by action of this body; now, therefore,

**Be it enacted by the General Assembly of Virginia:**

**1. § 1.** *That there is hereby appropriated from the general fund of the state treasury the sum of \$1,548,439 for the relief of Mr. Harward, to be paid by check issued by the State Treasurer on warrant of the Comptroller upon execution of a release of any present or future claims Mr. Harward may have against (i) the Commonwealth or any agency, instrumentality, officer, employee, or political subdivision thereof; (ii) any legal counsel appointed pursuant to § 19.2-159 of the Code of Virginia; and (iii) all other parties of interest in connection with the aforesaid occurrence.*

*The compensation, subject to the execution of the release described herein, shall be paid as follows: (a) an initial lump sum of \$309,688 to be paid to Mr. Harward by check issued by the State Treasurer on warrant of the Comptroller within 60 days immediately following the execution of such release and (b) the sum of \$1,238,751 to purchase an annuity no later than September 30, 2017, for the primary benefit of Mr. Harward, the terms of such annuity structured in Mr. Harward's best interests based on consultation among Mr. Harward or his representatives, the State Treasurer, and other necessary parties.*

*The State Treasurer shall purchase the annuity at the lowest cost available from any A+ rated company authorized to sell annuities in the Commonwealth, including any A+ rated company from which the State Lottery Department may purchase an annuity. The annuity shall provide that it shall not be sold, discounted, or used as securitization for loans and mortgages. The annuity shall, however, contain beneficiary provisions providing for the annuity's continued disbursement in the event of Mr. Harward's death.*

*§ 2. That Mr. Harward shall be entitled to receive career and technical training within the Virginia Community College System free of tuition charges, up to a maximum of \$10,000. The cost for the tuition benefit shall be paid by the community college at which the career or technical training is provided. The tuition benefit provided by this section shall expire on January 1, 2022.*

**§ 8.01-44.5. Punitive damages for persons injured by intoxicated drivers.**

In any action for personal injury or death arising from the operation of a motor vehicle, engine or train, the finder of fact may, in its discretion, award punitive damages to the plaintiff if the evidence proves that the defendant acted with malice toward the plaintiff or the defendant's conduct was so willful or wanton as to show a conscious disregard for the rights of others.

A defendant's conduct shall be deemed sufficiently willful or wanton as to show a conscious disregard for the rights of others when the evidence proves that (i) when the incident causing the injury or death occurred, the defendant had a blood alcohol concentration of 0.15 percent or more by weight by volume or 0.15 grams or more per 210 liters of breath; (ii) at the time the defendant began drinking alcohol, or during the time he was drinking alcohol, he knew or should have known that his ability to operate a motor vehicle, engine or train would be impaired, or when he was operating a motor vehicle he knew or should have known that his ability to operate a motor vehicle was impaired; and (iii) the defendant's intoxication was a proximate cause of the injury to or death of the plaintiff. For the purposes of clause (i), it shall be rebuttably presumed that the blood alcohol concentration at the time of the incident causing injury or death was at least as high as the test result as shown in a certificate issued pursuant to § 18.2-268.9 ~~or~~, in a certificate of analysis for a blood test administered pursuant to § 18.2-268.7, provided that the test was administered in accordance with the provisions of §§ 18.2-268.1 through 18.2-268.12, *or in a certificate of analysis for a test performed by the Department of Forensic Science on whole blood drawn pursuant to a search warrant, provided that the test was administered in accordance with the provisions of §§ 18.2-268.5, 18.2-268.6, and 18.2-268.7.* In addition to any other forms of proof, a party may submit a copy of a certificate issued pursuant to § 18.2-268.9 ~~or~~, a certificate of analysis for a blood test administered pursuant to § 18.2-268.7, *or a certificate of analysis for a test performed by the Department of Forensic Science on whole blood drawn pursuant to a search warrant,* which shall be prima facie evidence of the facts contained therein and compliance with the applicable provisions of §§ 18.2-268.1 through 18.2-268.12. *For the purposes of clause (ii), it shall be rebuttably presumed that the defendant who has consumed alcohol knew or should have known that his ability to operate a motor vehicle, engine, or train was or would be impaired by such consumption of alcohol.*

However, when a defendant has unreasonably refused to submit to a test of his blood alcohol content as required by § 18.2-268.2, a defendant's conduct shall be deemed sufficiently willful or wanton as to show a conscious disregard for the rights of others when the evidence proves that (a) when the incident causing the injury or death occurred the defendant was intoxicated, which may be established by evidence concerning the conduct or condition of the defendant; (b) at the time the defendant began drinking alcohol, ~~or~~ during the time he was drinking alcohol, *or when he was operating a motor vehicle,* he knew or should have known that his ability to operate a motor vehicle was impaired; and (c) the defendant's intoxication was a proximate cause of the injury to the plaintiff or death of the plaintiff's decedent. In addition to any other forms of proof, a party may submit a certified copy of a court's determination of unreasonable refusal pursuant to § 18.2-268.3, which shall be prima facie evidence that the defendant unreasonably refused to submit to the test. *For the purposes of clause (b), it shall be rebuttably presumed that the defendant who has consumed alcohol knew or should have known that his ability to operate a motor vehicle, engine, or train was or would be impaired by such consumption of alcohol.*

Evidence of similar conduct by the same defendant subsequent to the date of the personal injury or death arising from the operation of a motor vehicle, engine, or train shall be admissible at trial for consideration by the jury or other finder of fact for the limited purpose of determining what amount of punitive damages may be appropriate to deter the defendant and others from similar future action.

**§ 15.2-1627. Duties of attorneys for the Commonwealth and their assistants.**

A. No attorney for the Commonwealth, or assistant attorney for the Commonwealth, shall be required to carry out any duties as a part of his office in civil matters of advising the governing body and all boards, departments, agencies, officials and employees of his county or city; of drafting or preparing county or city ordinances; of defending or bringing actions in which the county or city, or any of its boards, departments or agencies, or officials and employees thereof, shall be a party; or in any other manner of advising or representing the county or city, its boards, departments, agencies, officials and employees, except in matters involving the enforcement of the criminal law within the county or city.

B. The attorney for the Commonwealth and assistant attorney for the Commonwealth shall be a part of the department of law enforcement of the county or city in which he is elected or appointed, and shall have the duties and powers imposed upon him by general law, including the duty of prosecuting all warrants, indictments or informations charging a felony, and he may in his discretion, prosecute Class 1, 2 and 3 misdemeanors, or any other violation, the conviction of which carries a penalty of confinement in jail, or a fine of \$500 or more, or both such confinement and fine. **§ 16.1-228. Definitions.**

When used in this chapter, unless the context otherwise requires:

"Abused or neglected child" means any child:

1. Whose parents or other person responsible for his care creates or inflicts, threatens to create or inflict, or allows to be created or inflicted upon such child a physical or mental injury by other than accidental means, or creates a substantial risk of death, disfigurement or impairment of bodily or mental functions, including, but not limited to, a child who is with his parent or other person responsible for his care either (i) during the manufacture or attempted manufacture of a Schedule I or II controlled substance, or (ii) during the unlawful sale of such substance by that child's parents or other person responsible for his care, where such manufacture, or attempted manufacture or unlawful sale would constitute a felony violation of § 18.2-248;

2. Whose parents or other person responsible for his care neglects or refuses to provide care necessary for his health; however, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the

tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be an abused or neglected child;

3. Whose parents or other person responsible for his care abandons such child;
4. Whose parents or other person responsible for his care commits or allows to be committed any sexual act upon a child in violation of the law;
5. Who is without parental care or guardianship caused by the unreasonable absence or the mental or physical incapacity of the child's parent, guardian, legal custodian, or other person standing in loco parentis;
6. Whose parents or other person responsible for his care creates a substantial risk of physical or mental injury by knowingly leaving the child alone in the same dwelling, including an apartment as defined in § 55-79.2, with a person to whom the child is not related by blood or marriage and who the parent or other person responsible for his care knows has been convicted of an offense against a minor for which registration is required as a violent sexual offender pursuant to § 9.1-902; or
7. Who has been identified as a victim of sex trafficking or severe forms of trafficking as defined in the Trafficking Victims Protection Act of 2000, 22 U.S.C § 7102 et seq., and in the Justice for Victims of Trafficking Act of 2015, 42 U.S.C. § 5101 et seq.

If a civil proceeding under this chapter is based solely on the parent having left the child at a hospital or emergency medical services agency, it shall be an affirmative defense that such parent safely delivered the child to a hospital that provides 24-hour emergency services or to an attended emergency medical services agency that employs emergency medical services personnel, within 14 days of the child's birth. For purposes of terminating parental rights pursuant to § 16.1-283 and placement for adoption, the court may find such a child is a neglected child upon the ground of abandonment.

"Adoptive home" means the place of residence of any natural person in which a child resides as a member of the household and in which he has been placed for the purposes of adoption or in which he has been legally adopted by another member of the household.

"Adult" means a person 18 years of age or older.

"Ancillary crime" or "ancillary charge" means any delinquent act committed by a juvenile as a part of the same act or transaction as, or which constitutes a part of a common scheme or plan with, a delinquent act which would be a felony if committed by an adult.

"Boot camp" means a short term secure or nonsecure juvenile residential facility with highly structured components including, but not limited to, military style drill and ceremony, physical labor, education and rigid discipline, and no less than six months of intensive aftercare.

"Child," "juvenile," or "minor" means a person less than 18 years of age.

"Child in need of services" means (i) a child whose behavior, conduct or condition presents or results in a serious threat to the well-being and physical safety of the child or (ii) a child under the age of 14 whose behavior, conduct or condition presents or results in a serious threat to the well-being and physical safety of another person; however, no child who in good faith is under treatment solely by spiritual means through prayer in accordance with the tenets and practices of a recognized church or religious denomination shall for that reason alone be considered to be a child in need of services, nor shall any child who habitually remains away from or habitually deserts or abandons his family as a result of what the court or the local child protective services unit determines to be incidents of physical, emotional or sexual abuse in the home be considered a child in need of services for that reason alone.

**§ 18.2-269. Presumptions from alcohol or drug content of blood.**

A. In any prosecution for a violation of § 18.2-36.1 or clause (ii), (iii), or (iv) of § 18.2-266; or any similar ordinance, the amount of alcohol or drugs in the blood of the accused at the time of the alleged offense as indicated by a chemical analysis of a sample of the accused's blood or breath to determine the alcohol or drug content of his blood (i) in accordance with the provisions of §§ 18.2-268.1 through 18.2-268.12 or (ii) performed by the Department of Forensic Science in accordance with the provisions of §§ 18.2-268.5, 18.2-268.6, and 18.2-268.7 on the suspect's whole blood drawn pursuant to a search warrant shall give rise to the following rebuttable presumptions:

(1) 1. If there was at that time 0.05 percent or less by weight by volume of alcohol in the accused's blood or 0.05 grams or less per 210 liters of the accused's breath, it shall be presumed that the accused was not under the influence of alcohol intoxicants at the time of the alleged offense;

(2) 2. If there was at that time in excess of 0.05 percent but less than 0.08 percent by weight by volume of alcohol in the accused's blood or 0.05 grams but less than 0.08 grams per 210 liters of the accused's breath, such facts shall not give rise to any presumption that the accused was or was not under the influence of alcohol intoxicants at the time of the alleged offense, but such facts may be considered with other competent evidence in determining the guilt or innocence of the accused;

(3) 3. If there was at that time 0.08 percent or more by weight by volume of alcohol in the accused's blood or 0.08 grams or more per 210 liters of the accused's breath, it shall be presumed that the accused was under the influence of alcohol intoxicants at the time of the alleged offense; or

(4) 4. If there was at that time an amount of the following substances at a level that is equal to or greater than: (a) (i) 0.02 milligrams of cocaine per liter of blood, (b) (ii) 0.1 milligrams of methamphetamine per liter of blood, (c) (iii) 0.01 milligrams of phencyclidine per liter of blood, or (d) (iv) 0.1 milligrams of 3,4-methylenedioxymethamphetamine per liter of blood, it shall be presumed that the accused was under the influence of drugs at the time of the alleged offense to a degree which impairs his ability to drive or operate any motor vehicle, engine or train safely.

B. The provisions of this section shall not apply to and shall not affect any prosecution for a violation of § 46.2-341.24.

**§ 18.2-272. Driving after forfeiture of license.**

A. Any person who drives or operates any motor vehicle, engine or train in the Commonwealth during the time for which he was deprived of the right to do so (i) upon conviction of a violation of § 18.2-268.3 or 46.2-341.26:3 or of an offense set forth in subsection E of § 18.2-270, (ii) by § 18.2-271 or 46.2-391.2, (iii) after his license has been revoked pursuant to § 46.2-389 or 46.2-391, or (iv) in violation of the terms of a restricted license issued pursuant to subsection E of § 18.2-271.1, is guilty of a Class 1 misdemeanor except as otherwise provided in § 46.2-391, and is subject to administrative revocation of his driver's license pursuant to §§ 46.2-389 and 46.2-391. Any person convicted of three violations of this section committed within a 10-year period is guilty of a Class 6 felony.

Nothing in this section or § 18.2-266, 18.2-270, or 18.2-271; shall be construed as conflicting with or repealing any ordinance or resolution of any city, town or county which restricts still further the right of such persons to drive or operate any such vehicle or conveyance.

B. Regardless of compliance with any other restrictions on his privilege to drive or operate a motor vehicle, it shall be a violation of this section for any person whose privilege to drive or operate a motor vehicle has been restricted, suspended or revoked because of a violation of § 18.2-36.1, 18.2-51.4, 18.2-266, 18.2-268.3, 46.2-341.24, or 46.2-341.26:3 or a similar ordinance or law of another state or the United States to drive or operate a motor vehicle while he has a blood alcohol content of 0.02 percent or more.

Any person suspected of a violation of this subsection shall be entitled to a preliminary breath test in accordance with the provisions of § 18.2-267, shall be deemed to have given his implied consent to have samples of his blood, breath or both taken for analysis pursuant to the provisions of § 18.2-268.2, and, when charged with a violation of this subsection, shall be subject to the provisions of §§ 18.2-268.1 through 18.2-268.12.

C. Any person who drives or operates a motor vehicle without a certified ignition interlock system as required by § 46.2-391.01 is guilty of a Class 1 misdemeanor and is subject to administrative revocation of his driver's license pursuant to §§ 46.2-389 and 46.2-391.

**§ 19.2-52. When search warrant may issue.**

Except as provided in § 19.2-56.1, search warrants, based upon complaint on oath supported by an affidavit as required in § 19.2-54, may be issued by any judge, magistrate or other person having authority to issue criminal warrants, if he be satisfied from such complaint and affidavit that there is reasonable and probable cause for the issuance of such search warrant.

*An application for a search warrant to withdraw blood from a person suspected of violating § 18.2-266, 18.2-266.1, 18.2-272, 29.1-738, 29.1-738.02, or 46.2-341.24 shall be given priority over any pending matters not involving an imminent risk to another's health or safety before such judge, magistrate, or other person having authority to issue criminal warrants.*

**§ 19.2-73. Issuance of summons instead of warrant in certain cases.**

A. In any misdemeanor case or in any class of misdemeanor cases, or in any case involving complaints made by any state or local governmental official or employee having responsibility for the enforcement of any statute, ordinance or administrative regulation, the magistrate or other issuing authority having jurisdiction may issue a summons instead of a warrant when there is reason to believe that the person charged will appear in the courts having jurisdiction over the trial of the offense charged.

B. If any person under suspicion for driving while intoxicated has been taken to a medical facility for treatment or evaluation of his medical condition, the officer at the medical facility may issue, on the premises of the medical facility, a summons for a violation of § 18.2-266, 18.2-266.1, 18.2-272, or 46.2-341.24 and for refusal of tests in violation of subsection A or B of § 18.2-268.3 or subsection A of § 46.2-341.26:3, in lieu of securing a warrant and without having to detain that person, provided that the officer has probable cause to place him under arrest. The issuance of such summons shall be deemed an arrest for purposes of Article 2 (§ 18.2-266 et seq.) of Chapter 7 of Title 18.2.

C. Any person on whom such summons is served shall appear on the date set forth in same, and if such person fails to appear in such court at such time and on such date then he shall be treated in accordance with the provisions of § 19.2-128, regardless of the disposition of, and in addition to, the charge upon which he was originally arrested.

**§ 29.1-738.3. Presumptions from alcohol or drug content.**

In any prosecution for operating a watercraft or motorboat ~~which~~ *that* is underway in violation of clause (ii), (iii), or (iv) of subsection B of § 29.1-738, or of a similar ordinance of any county, city or town, the amount of alcohol or drugs in the blood of the accused at the time of the alleged offense as indicated by a chemical analysis of a sample of the accused's blood or breath to determine the alcohol or drug content of his blood *(i)* in accordance with the provisions of § 29.1-738.2 *or (ii) performed by the Department of Forensic Science in accordance with the provisions of §§ 18.2-268.5, 18.2-268.6, and 18.2-268.7 on the suspect's whole blood drawn pursuant to a search warrant* shall give rise to the rebuttable presumptions of subdivisions (1) A 1 through (4) 4 of ~~subsection A~~ *of* § 18.2-269.

**§ 46.2-341.26:2. Implied consent to post-arrest chemical test to determine alcohol or drug content of blood of commercial driver.**

A. Any person, whether licensed by Virginia or not, who operates a commercial motor vehicle upon a highway as defined in § 46.2-100 in the Commonwealth shall be deemed thereby, as a condition of such operation, to have consented to have samples of his blood, breath, or both blood and breath taken for a chemical test to determine the alcohol, drug or both alcohol and drug content of his blood, if he is arrested for violation of § 46.2-341.24 or 46.2-341.31 within ~~two~~ *three* hours of the alleged offense.

B. Such person shall be required to have a breath sample taken and shall be entitled, upon request, to observe the process of analysis and to see the blood-alcohol reading on the equipment used to perform the breath test. If the equipment automatically produces a written printout of the breath test result, the printout or a copy shall be given to the suspect. If a breath test is not available, then a blood test shall be required.

C. The person may be required to submit to blood tests to determine the drug content of his blood if he has been arrested pursuant to provision (iii), (iv), or (v) of subsection A of § 46.2-341.24, or if he has taken the breath test required pursuant to subsection B and the law-enforcement officer has reasonable cause to believe the person was driving under the influence of any drug or combination of drugs, or the combined influence of alcohol and drugs.

D. If the certificate of analysis referred to in § 46.2-341.26:9 indicates the presence of alcohol in the suspect's blood, the suspect shall be taken before a magistrate to determine whether the magistrate should issue an out-of-service order prohibiting the suspect from driving any commercial motor vehicle for a 24-hour period. If the magistrate finds that there is probable cause to believe that the suspect was driving a commercial motor vehicle with any measurable amount of alcohol in his blood, the magistrate shall issue an out-of-service order prohibiting the suspect from driving any commercial motor vehicle for a period of 24 hours. The magistrate shall forward a copy of the out-of-service order to the Department within seven days after issuing the order. The order shall be in addition to any other action or sanction permitted or required by law to be taken against or imposed upon the suspect.

**§ 46.2-341.26:3. Refusal of tests; issuance of out-of-service orders; disqualification.**

A. ~~It~~ *It is unlawful for a person who is arrested for a violation of § 46.2-341.24 or 46.2-341.31 to unreasonably refuse to have samples of his breath taken for chemical tests to determine the alcohol content of his blood as required by § 46.2-341.26:2, and any person who so unreasonably refuses is guilty of a violation of this subsection, which is punishable as follows:*

1. *A first violation is a civil offense. For a first offense, the court shall suspend the defendant's privilege to drive for a period of one year. This suspension period is in addition to the suspension period provided under § 46.2-391.2.*

2. If a person is found to have violated this subsection and within 10 years prior to the date of the refusal he was found guilty of any of the following: a violation of this section, a violation of any offense listed in subsection E of § 18.2-270, or a violation of § 46.2-341.24 or 46.2-341.31 arising out of separate occurrences or incidents, he is guilty of a Class 1 misdemeanor. A conviction under this subdivision shall of itself operate to deprive the person of the privilege to drive for a period of three years from the date of the judgment of conviction. This revocation period is in addition to the suspension period provided under § 46.2-391.2.

B. It is unlawful for a person who is arrested for a violation of § 46.2-341.24 or 46.2-341.31 to unreasonably refuse to have samples of his blood taken for chemical tests to determine the alcohol or drug content of his blood as required by § 46.2-341.26:2, and any person who so unreasonably refuses is guilty of a violation of this subsection, which is a civil offense and is punishable as follows:

1. For a first offense, the court shall suspend the defendant's privilege to drive for a period of one year. This suspension period is in addition to the suspension period provided under § 46.2-391.2.

2. If a person is found to have violated this subsection and within 10 years prior to the date of the refusal he was found guilty of any of the following: a violation of this section, a violation of any offense listed in subsection E of § 18.2-270, or a violation of § 46.2-341.24 or 46.2-341.31 arising out of separate occurrences or incidents, such violation shall of itself operate to deprive the person of the privilege to drive for a period of three years from the date of the judgment. This revocation period is in addition to the suspension period provided under § 46.2-391.2.

C. When a person is arrested for a violation of § 46.2-341.24 or § 46.2-341.31, ~~after having been advised by a~~ and such person refuses to permit blood or breath or both blood and breath samples to be taken for testing as required by § 46.2-341.26:2, the arresting law-enforcement officer shall advise the person, from a form provided by the Office of the Executive Secretary of the Supreme Court, (i) that a person who operates a commercial motor vehicle on a public highway in the Commonwealth is deemed thereby, as a condition of such operation, to have consented to have samples of his blood or breath taken for chemical tests to determine the alcohol or drug content of his blood, (ii) that a finding of unreasonable refusal to consent may be admitted as evidence at a criminal trial, ~~and~~ (iii) that the unreasonable refusal to do so constitutes grounds for the immediate issuance of an out-of-service order ~~prohibiting him from driving a commercial vehicle for a period of 24 hours and for the disqualification of such person from operating a commercial motor vehicle, then refuses to permit blood or breath samples to be taken for such tests; the law-enforcement officer shall take the person before a magistrate. If he again refuses after having been further advised by the magistrate (i) of the law requiring blood or breath samples to be taken, (ii) that a finding of unreasonable refusal to consent may be admitted as evidence at a criminal trial, and (iii) the sanctions for refusal, and declares again his refusal in writing on a form provided by the Supreme Court, or refuses or fails to so declare in writing and such fact is certified as prescribed below, then no blood or breath samples shall be taken even though he may later request them.~~

~~B. (iv) of the civil penalties for unreasonable refusal to have blood or breath or both blood and breath samples taken, and (v) of the criminal penalty for unreasonable refusal to have breath samples taken within 10 years of a prior conviction for driving while intoxicated or unreasonable refusal, which is a Class 1 misdemeanor. The form from which the law-enforcement officer shall advise the person arrested shall contain a brief statement of the law requiring the taking of blood or breath samples, that a finding of unreasonable refusal to consent to testing may be admitted as evidence at a criminal trial, and the sanctions penalties for refusal; a declaration of refusal; and lines for the signature of the person from whom the blood or breath sample is sought, the date, and the signature of a witness to the signing. If the person refuses or fails to execute the declaration, the magistrate shall certify such fact and that the magistrate advised the person that a refusal to permit a blood or breath sample to be taken, if found to be unreasonable, constitutes grounds for immediate issuance of an out-of-service order prohibiting him from driving a commercial vehicle for a period of twenty-four hours, and for the disqualification of such person from operating a commercial motor vehicle. The Office of the Executive Secretary of the Supreme Court shall make the form available on the Internet, and the form shall be considered an official publication of the Commonwealth for the purposes of § 8.01-388.~~

D. The law-enforcement officer shall, under oath before the magistrate, execute the form and certify (i) that the defendant has refused to permit blood or breath or both blood and breath samples to be taken for testing; (ii) that the officer has read the portion of the form described in subsection C to the arrested person; (iii) that the arrested person, after having had the portion of the form described in subsection C read to him, had refused to permit such sample or samples to be taken; and (iv) how many, if any, violations of this section, any offense listed in subsection E of § 18.2-270, or § 46.2-341.24 or 46.2-341.31 the arrested person has been convicted of within the last 10 years. Such sworn certification shall constitute probable cause for the magistrate to issue a warrant or summons charging the person with unreasonable refusal. The magistrate shall attach the executed and sworn advisement form to the warrant or summons. The warrant or summons for a first offense under subsection A or any offense under subsection B shall be executed in the same manner as a criminal warrant or summons. If the person arrested has been taken to a medical facility for treatment or evaluation of his medical condition, the law-enforcement officer may read the advisement form to the person at the medical facility and issue, on the premises of the medical facility, a summons for a violation of this section in lieu of securing a warrant or summons from the magistrate. The magistrate or law-enforcement officer, as the case may be, shall forward the executed advisement form and warrant or summons to the appropriate court.

~~E.~~ E. If the magistrate finds that there was probable cause to believe the refusal was unreasonable, he shall immediately issue an out-of-service order prohibiting the person from operating a commercial motor vehicle for a period of

twenty-four 24 hours and shall issue a warrant or summons charging such person with a violation of § 46.2-341.26:2. The warrant or summons shall be executed in the same manner as criminal warrants. Venue for the trial of the warrant or summons shall lie in the court of the county or city in which the criminal offense is to be tried.

D. The executed declaration of refusal or the certificate of the magistrate, as the case may be, shall be attached to the warrant and shall be forwarded by the magistrate to the court.

E. When the court receives the declaration or certificate together with the warrant or summons charging refusal, the court shall fix a date for the trial of the warrant or summons, at such time as the court designates.

F. The declaration of refusal or certificate under § 46.2-341.26:3 shall be prima facie evidence that the defendant refused to allow a blood or breath sample to be taken to determine the alcohol or drug content of his blood. However, this shall not prohibit the defendant from introducing on his behalf evidence of the basis for his refusal. The court shall determine the reasonableness of such refusal.

**§ 46.2-341.26:4. Appeal and trial; sanctions for refusal; procedures.**

A. Venue for the trial of the warrant or summons shall lie in the court of the county or city in which the offense of driving under the influence of intoxicants or other offense listed in subsection A or B of § 46.2-341.26:3 is to be tried.

B. The procedure for appeal and trial of any civil offense of § 46.2-341.26:3 shall be the same as provided by law for misdemeanors. If requested by either party on appeal to the circuit court, trial by jury shall be as provided in Article 4 (§ 19.2-260 et seq.) of Chapter 15 of Title 19.2, and the Commonwealth shall be required to prove its case beyond a reasonable doubt.

C. If the court or jury finds the defendant guilty as charged in the warrant or summons referred to in § 46.2-341.26:3, the defendant shall be disqualified as provided in § 46.2-341.18. However, if the defendant pleads guilty to a violation of § 46.2-341.24, the court may dismiss the warrant or summons.

The court shall notify the Commissioner of any such finding of guilt and shall forward *dispose of* the defendant's license to the Commissioner as in other cases of similar nature for suspension of license unless the defendant appeals his conviction. In such case the court shall return the license to the defendant upon his appeal being perfected in accordance with the provisions of § 46.2-398; however, the defendant's license shall not be returned during any period of suspension imposed under § 46.2-391.2.

**§ 46.2-341.26:7. Transmission of samples.**

A. Upon receipt of a blood sample forwarded to the Department for analysis pursuant to § 46.2-341.26:6, the Department shall have it examined for its alcohol or drug content, and the Director shall execute a certificate of analysis indicating the name of the suspect; the date, time, and by whom the blood sample was received and examined; a statement that the seal on the vial had not been broken or otherwise tampered with; a statement that the container and vial were provided or approved by the Department and that the vial was one to which the completed withdrawal certificate was attached; and a statement of the sample's alcohol or drug content. The Director or his representative shall remove the withdrawal certificate from the vial and either (i) attach it to the certificate of analysis and state in the certificate of analysis that it was so removed and attached or (ii) electronically scan it into the Department's Laboratory Information Management System and place the original withdrawal certificate in its case-specific file. The certificate of analysis and the withdrawal certificate shall be returned or electronically transmitted to the clerk of the court in which the charge will be heard.

B. After completion of the analysis, the Department shall preserve the remainder of the blood until at least 90 days have lapsed ~~from the date the blood was drawn. During this 90-day period, the~~ The accused may, at any time prior to the expiration of such 90-day period, by motion filed before the court in which the charge will be heard, with notice to the Department, request an order directing the Department to transmit the remainder of the blood sample to an independent laboratory retained by the accused for analysis. ~~The~~ On motion of the accused, the report of analysis prepared for the remaining blood sample shall be admissible in evidence, provided that the report is duly attested by a person performing such analysis and the independent laboratory that performed the analysis is accredited or certified to conduct forensic blood alcohol/drug testing by one or more of the following bodies: American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB); College of American Pathologists (CAP); U.S. Department of Health and Human Services Substance Abuse and Mental Health Services Administration (SAMHSA); or American Board of Forensic Toxicology (ABFT). If no notice of a motion to transmit the remainder of the blood sample is received prior to the expiration of the 90-day period, the Department shall destroy the remainder of the blood sample ~~if no notice of a motion to transmit the remaining blood sample is received during the 90-day period unless the Commonwealth has filed a written request with the Department to return the remainder of the blood sample to the investigating law-enforcement agency. In such case, the Department shall return the remainder of the blood sample, if not sent to an independent laboratory, to the investigating law-enforcement agency.~~

~~B.~~ C. When a blood sample taken in accordance with the provisions of §§ 46.2-341.26:2 through 46.2-341.26:6 is forwarded for analysis to the Department, a report of the test results shall be filed in that office. Upon proper identification of the certificate of withdrawal, the certificate of analysis, with the withdrawal certificate attached, shall, when attested by the Director, be admissible in any court as evidence of the facts therein stated and of the results of such analysis (i) in any criminal proceeding, provided that the requirements of subsection A of § 19.2-187.1 have been satisfied and the accused has not objected to the admission of the certificate pursuant to subsection B of § 19.2-187.1, or (ii) in any civil proceeding. ~~On motion of the accused, the report of analysis prepared for the remaining blood sample shall be admissible in evidence provided the report is duly attested by a person performing such analysis and the independent laboratory that performed the~~

analysis is accredited or certified to conduct forensic blood alcohol/drug testing by one or more of the following bodies: American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB); College of American Pathologists (CAP); United States Department of Health and Human Services Substance Abuse and Mental Health Services Administration (SAMHSA); or American Board of Forensic Toxicology (ABFT).

Upon request of the person whose blood or breath was analyzed, the test results shall be made available to him.

The Director may delegate or assign these duties to an employee of the Department.

**§ 46.2-341.26:9. Assurance of breath test validity; use of breath tests as evidence.**

To be capable of being considered valid in a prosecution under § 46.2-341.24 or 46.2-341.31, chemical analysis of a person's breath shall be performed by an individual possessing a valid license to conduct such tests, with the type of equipment and in accordance with methods approved by the Department.

Any individual conducting a breath test under the provisions of § 46.2-341.26:2 shall issue a certificate which includes the name of the suspect, the date and time the sample was taken from the suspect, the alcohol content of the sample, and the identity of the person who examined the sample. The certificate will also indicate that the test was conducted in accordance with the Department's specifications.

The certificate of analysis, when attested by the authorized individual conducting the breath test on equipment maintained by the Department, shall be admissible in any court as evidence of the facts therein stated and of the results of such analysis (i) in any criminal proceeding, provided that the requirements of subsection A of § 19.2-187.1 have been satisfied and the accused has not objected to the admission of the certificate pursuant to subsection B of § 19.2-187.1, or (ii) in any civil proceeding. Any such certificate of analysis purporting to be signed by a person authorized by the Department shall be admissible in evidence without proof of seal or signature of the person whose name is signed to it.

A copy of such certificate shall be promptly delivered to the suspect. ~~The law enforcement officer requiring the test or anyone with such officer at the time if otherwise~~ Any person qualified to conduct such a breath test as provided by this section; may administer the breath test or analyze the results thereof.

**§ 46.2-341.27. Presumptions from alcohol and drug content of blood.**

In any prosecution for a violation of clause (ii), (iii), or (iv) of subsection A of § 46.2-341.24, the amount of alcohol or drugs in the blood of the accused at the time of the alleged offense as indicated by a chemical analysis of a sample of the suspect's blood or breath to determine the alcohol or drug content of his blood (i) in accordance with the provisions of §§ 46.2-341.26:1 through 46.2-341.26:11 or (ii) performed by the Department of Forensic Science in accordance with the provisions of §§ 46.2-341.26:5, 46.2-341.26:6, and 46.2-341.26:7 on the suspect's whole blood drawn pursuant to a search warrant shall give rise to the following rebuttable presumptions:

A. If there was at that time 0.08 percent or more by weight by volume of alcohol in the accused's blood or 0.08 grams or more per 210 liters of the accused's breath, it shall be presumed that the accused was under the influence of alcoholic intoxicants.

B. If there was at that time less than 0.08 percent by weight by volume of alcohol in the accused's blood or 0.08 grams or more per 210 liters of the accused's breath, such fact shall not give rise to any presumption that the accused was or was not under the influence of alcoholic intoxicants, but such fact may be considered with other competent evidence in determining the guilt or innocence of the accused.

C. If there was at that time an amount of the following substances at a level that is equal to or greater than: (a) 0.02 milligrams of cocaine per liter of blood, (b) 0.1 milligrams of methamphetamine per liter of blood, (c) 0.01 milligrams of phencyclidine per liter of blood, or (d) 0.1 milligrams of 3,4-methylenedioxyamphetamine per liter of blood, it shall be presumed that the accused was under the influence of drugs to a degree which impairs his ability to drive or operate any commercial motor vehicle safely.

**§ 46.2-391.2. Administrative suspension of license or privilege to operate a motor vehicle.**

A. If a breath test is taken pursuant to § 18.2-268.2 or any similar ordinance or § 46.2-341.26:2 and (i) the results show a blood alcohol content of 0.08 percent or more by weight by volume or 0.08 grams or more per 210 liters of breath, or (ii) the results, for persons under 21 years of age, show a blood alcohol concentration of 0.02 percent or more by weight by volume or 0.02 grams or more per 210 liters of breath or (iii) the person refuses to submit to the breath or blood test in violation of § 18.2-268.3 or any similar ordinance or § 46.2-341.26:3, and upon issuance of a petition or summons, or upon issuance of a warrant by the magistrate, for a violation of § 18.2-51.4, 18.2-266, or 18.2-266.1, or any similar ordinance, or § 46.2-341.24 or upon the issuance of a warrant or summons by the magistrate or by the arresting officer at a medical facility for a violation of § 18.2-268.3, or any similar ordinance, or § 46.2-341.26:3, the person's license shall be suspended immediately or in the case of (i) (a) an unlicensed person, (ii) (b) a person whose license is otherwise suspended or revoked, or (iii) (c) a person whose driver's license is from a jurisdiction other than the Commonwealth, such person's privilege to operate a motor vehicle in the Commonwealth shall be suspended immediately. The period of suspension of the person's license or privilege to drive shall be seven days, unless the petition, summons or warrant issued charges the person with a second or subsequent offense. If the person is charged with a second offense the suspension shall be for 60 days. If not already expired, the period of suspension shall expire on the day and time of trial of the offense charged on the petition, summons or warrant, except that it shall not so expire during the first seven days of the suspension. If the person is charged with a third or subsequent offense, the suspension shall be until the day and time of trial of the offense charged on the petition, summons or warrant.

A law-enforcement officer, acting on behalf of the Commonwealth, shall serve a notice of suspension personally on the arrested person. When notice is served, the arresting officer shall promptly take possession of any driver's license held by the person and issued by the Commonwealth and shall promptly deliver it to the magistrate. Any driver's license taken into possession under this section shall be forwarded promptly by the magistrate to the clerk of the general district court or, as appropriate, the court with jurisdiction over juveniles of the jurisdiction in which the arrest was made together with any petition, summons or warrant, the results of the breath test, if any, and the report required by subsection B. A copy of the notice of suspension shall be forwarded forthwith to both ~~(a)~~ (1) the general district court or, as appropriate, the court with jurisdiction over juveniles of the jurisdiction in which the arrest was made and ~~(b)~~ (2) the Commissioner. Transmission of this information may be made by electronic means.

The clerk shall promptly return the suspended license to the person at the expiration of the suspension. Whenever a suspended license is to be returned under this section or § 46.2-391.4, the person may elect to have the license returned in person at the clerk's office or by mail to the address on the person's license or to such other address as he may request.

B. Promptly after arrest and service of the notice of suspension, the arresting officer shall forward to the magistrate a sworn report of the arrest that shall include (i) information which adequately identifies the person arrested and (ii) a statement setting forth the arresting officer's grounds for belief that the person violated § 18.2-51.4, 18.2-266, or 18.2-266.1, or a similar ordinance, *or* § 46.2-341.24 or refused to submit to a breath or blood test in violation of § 18.2-268.3 or a similar ordinance *or* § 46.2-341.26:3. The report required by this subsection shall be submitted on forms supplied by the Supreme Court.

C. Any person whose license or privilege to operate a motor vehicle has been suspended under subsection A may, during the period of the suspension, request the general district court or, as appropriate, the court with jurisdiction over juveniles of the jurisdiction in which the arrest was made to review that suspension. The court shall review the suspension within the same time period as the court hears an appeal from an order denying bail or fixing terms of bail or terms of recognizance, giving this matter precedence over all other matters on its docket. If the person proves to the court by a preponderance of the evidence that the arresting officer did not have probable cause for the arrest, that the magistrate did not have probable cause to issue the warrant, or that there was not probable cause for issuance of the petition, the court shall rescind the suspension, or that portion of it that exceeds seven days if there was not probable cause to charge a second offense or 60 days if there was not probable cause to charge a third or subsequent offense, and the clerk of the court shall forthwith, or at the expiration of the reduced suspension time, (i) return the suspended license, if any, to the person unless the license has been otherwise suspended or revoked, (ii) deliver to the person a notice that the suspension under § 46.2-391.2 has been rescinded or reduced, and (iii) forward to the Commissioner a copy of the notice that the suspension under § 46.2-391.2 has been rescinded or reduced. Otherwise, the court shall affirm the suspension. If the person requesting the review fails to appear without just cause, his right to review shall be waived.

The court's findings are without prejudice to the person contesting the suspension or to any other potential party as to any proceedings, civil or criminal, and shall not be evidence in any proceedings, civil or criminal.

D. If a person whose license or privilege to operate a motor vehicle is suspended under subsection A is convicted under § 18.2-36.1, 18.2-51.4, 18.2-266, or 18.2-266.1, or any similar ordinance, *or* § 46.2-341.24 during the suspension imposed by subsection A, and if the court decides to issue the person a restricted permit under subsection E of § 18.2-271.1, such restricted permit shall not be issued to the person before the expiration of the first seven days of the suspension imposed under subsection A.

**§ 46.2-391.4. When suspension to be rescinded.**

Notwithstanding any other provision of § 46.2-391.2, a subsequent dismissal or acquittal of all the charges under §§ § 18.2-36.1, 18.2-51.4, 18.2-266, ~~and~~ *or* 18.2-268.3, or any similar ordinances, *or* § 46.2-341.24 *or* 46.2-341.26:3 for the same offense for which a person's driver's license or privilege to operate a motor vehicle was suspended under § 46.2-391.2 shall result in the immediate rescission of the suspension. In any such case, the clerk of the court shall forthwith (i) return the suspended license, if any, to the person unless the license has been otherwise suspended or revoked; (ii) deliver to the person a notice that the suspension under § 46.2-391.2 has been rescinded; and (iii) forward to the Commissioner a copy of the notice that the suspension under § 46.2-391.2 has been rescinded.

D. A transportation network company shall employ a zero-tolerance policy with respect to the use of drugs and alcohol by TNC partners and shall include a notice concerning the policy on its website and associated digital platform.

E. A transportation network company shall make the following disclosures in writing to a TNC partner or prospective TNC partner:

4. The transportation network company shall include the following disclosure prominently in writing to a TNC partner or prospective TNC partner: "If the vehicle that you plan to use to transport passengers for our transportation network company has a lien against it, you must notify the lienholder that you will be using the vehicle for transportation services that may violate the terms of your contract with the lienholder."

F. A TNC partner shall inform each transportation network company that has authorized him to act as a TNC partner of any event that may disqualify him from continuing to act as a TNC partner, including any of the following: a change in the registration status of the TNC partner vehicle; the revocation, suspension, cancellation, or restriction of the TNC partner's driver's license; a change in the insurance coverage of the TNC partner vehicle; a motor vehicle moving violation; and a criminal arrest, plea, or conviction.

A. The provisions of this chapter shall not apply to:

1. The Virginia Port Authority in the exercise of any of its powers in accordance with Chapter 10 (§ 62.1-128 et seq.) of Title 62.1, provided the Authority implements, by policy or regulation adopted by the Board of Commissioners, procedures to ensure fairness and competitiveness in the procurement of goods and services and in the administration of its capital outlay program. This exemption shall be applicable only so long as such policies and procedures meeting the requirements remain in effect.

3. The State Treasurer in the selection of investment management services related to the external management of funds shall be governed by the standard set forth in § 2.2-4514, and shall be subject to competitive guidelines and policies that are set by the Commonwealth Treasury Board and approved by the Department of General Services.

4. The Department of Social Services or local departments of social services for the acquisition of motor vehicles for sale or transfer to Temporary Assistance to Needy Families (TANF) recipients.

5. The College of William and Mary in Virginia, Virginia Commonwealth University, the University of Virginia, and Virginia Polytechnic Institute and State University in the selection of services related to the management and investment of their endowment funds, endowment income, gifts, all other nongeneral fund reserves and balances, or local funds of or held by the College or Universities pursuant to § 23.1-2210, 23.1-2306, 23.1-2604, or 23.1-2803. 7. Public institutions of higher education for the purchase of items for resale at retail bookstores and similar retail outlets operated by such institutions. However, such purchase procedures shall provide for competition where practicable.

8. The purchase of goods and services by agencies of the legislative branch that may be specifically exempted therefrom by the Chairman of the Committee on Rules of either the House of Delegates or the Senate. This exemption shall be applicable only so long as such policies and procedures, or other policies and procedures meeting the requirements of § 2.2-4300, remain in effect in such county, city or town. Such policies and standards may provide for incentive contracting that offers a contractor whose bid is accepted the opportunity to share in any cost savings realized by the locality when project costs are reduced by such contractor, without affecting project quality, during construction of the project. 13. A public body that is also a utility operator may purchase services through or participate in contracts awarded by one or more utility operators that are not public bodies for utility marking services as required by the Underground Utility Damage Prevention Act (§ 56-265.14 et seq.). 18. The University of Virginia Medical Center to the extent provided by subdivision A 3 of § 23.1-2213.

19. 23. *The Virginia Industries for the Blind when procuring components, materials, supplies, or services for use in commodities and services furnished to the federal government in connection with its operation as an AbilityOne Program-qualified nonprofit agency for the blind under the Javits-Wagner-O'Day Act, 41 U.S.C. §§ 8501-8506, provided that the procurement is accomplished using procedures that ensure that funds are used as efficiently as practicable. Such procedures shall require documentation of the basis for awarding contracts. Notwithstanding the provisions of § 2.2-1117, no public body shall be required to purchase such components, materials, supplies, services, or commodities.*

B. Where a procurement transaction involves the expenditure of federal assistance or contract funds, the receipt of which is conditioned upon compliance with mandatory requirements in federal laws or regulations not in conformance with the provisions of this chapter, a public body may comply with such federal requirements, notwithstanding the provisions of this chapter, only upon the written determination of the Governor, in the case of state agencies, or the governing body, in the case of political subdivisions, that acceptance of the grant or contract funds under the applicable conditions is in the public interest. Such determination shall state the specific provision of this chapter in conflict with the conditions of the grant or contract.

### CHAPTER 626

*An Act to amend and reenact § 22.1-253.13:2 of the Code of Virginia, relating to public schools; reading specialist; dyslexia advisor.*

[H 2395]

Approved March 20, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That § 22.1-253.13:2 of the Code of Virginia is amended and reenacted as follows:**

**§ 22.1-253.13:2. Standard 2. Instructional, administrative, and support personnel.**

A. The Board shall establish requirements for the licensing of teachers, principals, superintendents, and other professional personnel.

B. School boards shall employ licensed instructional personnel qualified in the relevant subject areas.

C. Each school board shall assign licensed instructional personnel in a manner that produces divisionwide ratios of students in average daily membership to full-time equivalent teaching positions, excluding special education teachers, principals, assistant principals, counselors, and librarians, that are not greater than the following ratios: (i) 24 to one in kindergarten with no class being larger than 29 students; if the average daily membership in any kindergarten class exceeds 24 pupils, a full-time teacher's aide shall be assigned to the class; (ii) 24 to one in grades one, two, and three with no class being larger than 30 students; (iii) 25 to one in grades four through six with no class being larger than 35 students; and (iv) 24 to one in English classes in grades six through 12. After September 30 of any school year, anytime the number of students in a class exceeds the class size limit established by this subsection, the local school division shall notify the parent of each student in such class of such fact no later than 10 days after the date on which the class exceeded the class size limit. Such notification shall state the reason that the class size exceeds the class size limit and describe the measures that the local school division will take to reduce the class size to comply with this subsection.

Within its regulations governing special education programs, the Board shall seek to set pupil/teacher ratios for pupils with intellectual disability that do not exceed the pupil/teacher ratios for self-contained classes for pupils with specific learning disabilities.

Further, school boards shall assign instructional personnel in a manner that produces schoolwide ratios of students in average daily memberships to full-time equivalent teaching positions of 21 to one in middle schools and high schools. School divisions shall provide all middle and high school teachers with one planning period per day or the equivalent, unencumbered of any teaching or supervisory duties.

D. Each local school board shall employ with state and local basic, special education, gifted, and career and technical education funds a minimum number of licensed, full-time equivalent instructional personnel for each 1,000 students in average daily membership (ADM) as set forth in the appropriation act. Calculations of kindergarten positions shall be based on full-day kindergarten programs. Beginning with the March 31 report of average daily membership, those school divisions offering half-day kindergarten with pupil/teacher ratios that exceed 30 to one shall adjust their average daily membership for kindergarten to reflect 85 percent of the total kindergarten average daily memberships, as provided in the appropriation act.

E. In addition to the positions supported by basic aid and in support of regular school year programs of prevention, intervention, and remediation, state funding, pursuant to the appropriation act, shall be provided to fund certain full-time equivalent instructional positions for each 1,000 students in grades K through 12 who are identified as needing prevention, intervention, and remediation services. State funding for prevention, intervention, and remediation programs provided pursuant to this subsection and the appropriation act may be used to support programs for educationally at-risk students as identified by the local school boards.

To provide algebra readiness intervention services required by § 22.1-253.13:1, school divisions may employ mathematics teacher specialists to provide the required algebra readiness intervention services. School divisions using the

Standards of Learning Algebra Readiness Initiative funding in this manner shall only employ instructional personnel licensed by the Board of Education.

F. In addition to the positions supported by basic aid and those in support of regular school year programs of prevention, intervention, and remediation, state funding, pursuant to the appropriation act, shall be provided to support 17 full-time equivalent instructional positions for each 1,000 students identified as having limited English proficiency.

To provide flexibility in the instruction of English language learners who have limited English proficiency and who are at risk of not meeting state accountability standards, school divisions may use state and local funds from the Standards of Quality Prevention, Intervention, and Remediation account to employ additional English language learner teachers to provide instruction to identified limited English proficiency students. Using these funds in this manner is intended to supplement the instructional services provided in this section. School divisions using the SOQ Prevention, Intervention, and Remediation funds in this manner shall employ only instructional personnel licensed by the Board of Education.

G. In addition to the full-time equivalent positions required elsewhere in this section, each local school board shall employ the following reading specialists in elementary schools, one full-time in each elementary school at the discretion of the local school board. *One reading specialist employed by each local school board that employs a reading specialist shall have training in the identification of and the appropriate interventions, accommodations, and teaching techniques for students with dyslexia or a related disorder and shall serve as an advisor on dyslexia and related disorders. Such reading specialist shall have an understanding of the definition of dyslexia and a working knowledge of (i) techniques to help a student on the continuum of skills with dyslexia; (ii) dyslexia characteristics that may manifest at different ages and grade levels; (iii) the basic foundation of the keys to reading, including multisensory, explicit, systemic, and structured reading instruction; and (iv) appropriate interventions, accommodations, and assistive technology supports for students with dyslexia.*

To provide reading intervention services required by § 22.1-253.13:1, school divisions may employ reading specialists to provide the required reading intervention services. School divisions using the Early Reading Intervention Initiative funds in this manner shall employ only instructional personnel licensed by the Board of Education.

H. Each local school board shall employ, at a minimum, the following full-time equivalent positions for any school that reports fall membership, according to the type of school and student enrollment:

1. Principals in elementary schools, one half-time to 299 students, one full-time at 300 students; principals in middle schools, one full-time, to be employed on a 12-month basis; principals in high schools, one full-time, to be employed on a 12-month basis;

2. Assistant principals in elementary schools, one half-time at 600 students, one full-time at 900 students; assistant principals in middle schools, one full-time for each 600 students; assistant principals in high schools, one full-time for each 600 students; and school divisions that employ a sufficient number of assistant principals to meet this staffing requirement may assign assistant principals to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary;

3. Librarians in elementary schools, one part-time to 299 students, one full-time at 300 students; librarians in middle schools, one-half time to 299 students, one full-time at 300 students, two full-time at 1,000 students; librarians in high schools, one half-time to 299 students, one full-time at 300 students, two full-time at 1,000 students. Local school divisions that employ a sufficient number of librarians to meet this staffing requirement may assign librarians to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary; and

4. Guidance counselors in elementary schools, one hour per day per 100 students, one full-time at 500 students, one hour per day additional time per 100 students or major fraction thereof; guidance counselors in middle schools, one period per 80 students, one full-time at 400 students, one additional period per 80 students or major fraction thereof; guidance counselors in high schools, one period per 70 students, one full-time at 350 students, one additional period per 70 students or major fraction thereof. Local school divisions that employ a sufficient number of guidance counselors to meet this staffing requirement may assign guidance counselors to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary.

I. Local school boards shall employ five full-time equivalent positions per 1,000 students in grades kindergarten through five to serve as elementary resource teachers in art, music, and physical education.

J. Local school boards shall employ two full-time equivalent positions per 1,000 students in grades kindergarten through 12, one to provide technology support and one to serve as an instructional technology resource teacher.

To provide flexibility, school divisions may use the state and local funds for instructional technology resource teachers to employ a data coordinator position, an instructional technology resource teacher position, or a data coordinator/instructional resource teacher blended position. The data coordinator position is intended to serve as a resource to principals and classroom teachers in the area of data analysis and interpretation for instructional and school improvement purposes, as well as for overall data management and administration of state assessments. School divisions using these funds in this manner shall employ only instructional personnel licensed by the Board of Education.

K. Local school boards may employ additional positions that exceed these minimal staffing requirements. These additional positions may include, but are not limited to, those funded through the state's incentive and categorical programs as set forth in the appropriation act.

L. A combined school, such as kindergarten through 12, shall meet at all grade levels the staffing requirements for the highest grade level in that school; this requirement shall apply to all staff, except for guidance counselors, and shall be based

on the school's total enrollment; guidance counselor staff requirements shall, however, be based on the enrollment at the various school organization levels, i.e., elementary, middle, or high school. The Board of Education may grant waivers from these staffing levels upon request from local school boards seeking to implement experimental or innovative programs that are not consistent with these staffing levels.

M. School boards shall, however, annually, on or before January 1, report to the public the actual pupil/teacher ratios in elementary school classrooms by school for the current school year. Such actual ratios shall include only the teachers who teach the grade and class on a full-time basis and shall exclude resource personnel. School boards shall report pupil/teacher ratios that include resource teachers in the same annual report. Any classes funded through the voluntary kindergarten through third grade class size reduction program shall be identified as such classes. Any classes having waivers to exceed the requirements of this subsection shall also be identified. Schools shall be identified; however, the data shall be compiled in a manner to ensure the confidentiality of all teacher and pupil identities.

N. Students enrolled in a public school on a less than full-time basis shall be counted in ADM in the relevant school division. Students who are either (i) enrolled in a nonpublic school or (ii) receiving home instruction pursuant to § 22.1-254.1, and who are enrolled in public school on a less than full-time basis in any mathematics, science, English, history, social science, career and technical education, fine arts, foreign language, or health education or physical education course shall be counted in the ADM in the relevant school division on a pro rata basis as provided in the appropriation act. Each such course enrollment by such students shall be counted as 0.25 in the ADM; however, no such nonpublic or home school student shall be counted as more than one-half a student for purposes of such pro rata calculation. Such calculation shall not include enrollments of such students in any other public school courses.

O. Each local school board shall provide those support services that are necessary for the efficient and cost-effective operation and maintenance of its public schools.

For the purposes of this title, unless the context otherwise requires, "support services positions" shall include the following:

1. Executive policy and leadership positions, including school board members, superintendents and assistant superintendents;
2. Fiscal and human resources positions, including fiscal and audit operations;
3. Student support positions, including (i) social workers and social work administrative positions; (ii) guidance administrative positions not included in subdivision H 4; (iii) homebound administrative positions supporting instruction; (iv) attendance support positions related to truancy and dropout prevention; and (v) health and behavioral positions, including school nurses and school psychologists;
4. Instructional personnel support, including professional development positions and library and media positions not included in subdivision H 3;
5. Technology professional positions not included in subsection J;
6. Operation and maintenance positions, including facilities; pupil transportation positions; operation and maintenance professional and service positions; and security service, trade, and laborer positions;
7. Technical and clerical positions for fiscal and human resources, student support, instructional personnel support, operation and maintenance, administration, and technology; and
8. School-based clerical personnel in elementary schools; part-time to 299 students, one full-time at 300 students; clerical personnel in middle schools; one full-time and one additional full-time for each 600 students beyond 200 students and one full-time for the library at 750 students; clerical personnel in high schools; one full-time and one additional full-time for each 600 students beyond 200 students and one full-time for the library at 750 students. Local school divisions that employ a sufficient number of school-based clerical personnel to meet this staffing requirement may assign the clerical personnel to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary.

Pursuant to the appropriation act, support services shall be funded from basic school aid.

School divisions may use the state and local funds for support services to provide additional instructional services.

P. Notwithstanding the provisions of this section, when determining the assignment of instructional and other licensed personnel in subsections C through J, a local school board shall not be required to include full-time students of approved virtual school programs.

[S 1359]

Approved March 20, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That the Code of Virginia is amended by adding a section numbered 22.1-135.1 as follows:**

**§ 22.1-135.1. Potable water; lead testing.**

## CHAPTER 629

*An Act to amend and reenact § 22.1-253.13:2 of the Code of Virginia, relating to public schools; reading specialist; dyslexia advisor.*

[S 1516]

Approved March 20, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That § 22.1-253.13:2 of the Code of Virginia is amended and reenacted as follows:**

**§ 22.1-253.13:2. Standard 2. Instructional, administrative, and support personnel.**

A. The Board shall establish requirements for the licensing of teachers, principals, superintendents, and other professional personnel.

B. School boards shall employ licensed instructional personnel qualified in the relevant subject areas.

C. Each school board shall assign licensed instructional personnel in a manner that produces divisionwide ratios of students in average daily membership to full-time equivalent teaching positions, excluding special education teachers, principals, assistant principals, counselors, and librarians, that are not greater than the following ratios: (i) 24 to one in kindergarten with no class being larger than 29 students; if the average daily membership in any kindergarten class exceeds 24 pupils, a full-time teacher's aide shall be assigned to the class; (ii) 24 to one in grades one, two, and three with no class being larger than 30 students; (iii) 25 to one in grades four through six with no class being larger than 35 students; and (iv) 24 to one in English classes in grades six through 12. After September 30 of any school year, anytime the number of students in a class exceeds the class size limit established by this subsection, the local school division shall notify the parent of each student in such class of such fact no later than 10 days after the date on which the class exceeded the class size limit. Such notification shall state the reason that the class size exceeds the class size limit and describe the measures that the local school division will take to reduce the class size to comply with this subsection.

Within its regulations governing special education programs, the Board shall seek to set pupil/teacher ratios for pupils with intellectual disability that do not exceed the pupil/teacher ratios for self-contained classes for pupils with specific learning disabilities.

Further, school boards shall assign instructional personnel in a manner that produces schoolwide ratios of students in average daily memberships to full-time equivalent teaching positions of 21 to one in middle schools and high schools. School divisions shall provide all middle and high school teachers with one planning period per day or the equivalent, unnumbered of any teaching or supervisory duties.

D. Each local school board shall employ with state and local basic, special education, gifted, and career and technical education funds a minimum number of licensed, full-time equivalent instructional personnel for each 1,000 students in average daily membership (ADM) as set forth in the appropriation act. Calculations of kindergarten positions shall be based on full-day kindergarten programs. Beginning with the March 31 report of average daily membership, those school divisions offering half-day kindergarten with pupil/teacher ratios that exceed 30 to one shall adjust their average daily

membership for kindergarten to reflect 85 percent of the total kindergarten average daily memberships, as provided in the appropriation act.

E. In addition to the positions supported by basic aid and in support of regular school year programs of prevention, intervention, and remediation, state funding, pursuant to the appropriation act, shall be provided to fund certain full-time equivalent instructional positions for each 1,000 students in grades K through 12 who are identified as needing prevention, intervention, and remediation services. State funding for prevention, intervention, and remediation programs provided pursuant to this subsection and the appropriation act may be used to support programs for educationally at-risk students as identified by the local school boards.

To provide algebra readiness intervention services required by § 22.1-253.13:1, school divisions may employ mathematics teacher specialists to provide the required algebra readiness intervention services. School divisions using the Standards of Learning Algebra Readiness Initiative funding in this manner shall only employ instructional personnel licensed by the Board of Education.

F. In addition to the positions supported by basic aid and those in support of regular school year programs of prevention, intervention, and remediation, state funding, pursuant to the appropriation act, shall be provided to support 17 full-time equivalent instructional positions for each 1,000 students identified as having limited English proficiency.

To provide flexibility in the instruction of English language learners who have limited English proficiency and who are at risk of not meeting state accountability standards, school divisions may use state and local funds from the Standards of Quality Prevention, Intervention, and Remediation account to employ additional English language learner teachers to provide instruction to identified limited English proficiency students. Using these funds in this manner is intended to supplement the instructional services provided in this section. School divisions using the SOQ Prevention, Intervention, and Remediation funds in this manner shall employ only instructional personnel licensed by the Board of Education.

G. In addition to the full-time equivalent positions required elsewhere in this section, each local school board shall employ the following reading specialists in elementary schools, one full-time in each elementary school at the discretion of the local school board. *One reading specialist employed by each local school board that employs a reading specialist shall have training in the identification of and the appropriate interventions, accommodations, and teaching techniques for students with dyslexia or a related disorder and shall serve as an advisor on dyslexia and related disorders. Such reading specialist shall have an understanding of the definition of dyslexia and a working knowledge of (i) techniques to help a student on the continuum of skills with dyslexia; (ii) dyslexia characteristics that may manifest at different ages and grade levels; (iii) the basic foundation of the keys to reading, including multisensory, explicit, systemic, and structured reading instruction; and (iv) appropriate interventions, accommodations, and assistive technology supports for students with dyslexia.*

To provide reading intervention services required by § 22.1-253.13:1, school divisions may employ reading specialists to provide the required reading intervention services. School divisions using the Early Reading Intervention Initiative funds in this manner shall employ only instructional personnel licensed by the Board of Education.

H. Each local school board shall employ, at a minimum, the following full-time equivalent positions for any school that reports fall membership, according to the type of school and student enrollment:

1. Principals in elementary schools, one half-time to 299 students, one full-time at 300 students; principals in middle schools, one full-time, to be employed on a 12-month basis; principals in high schools, one full-time, to be employed on a 12-month basis;

2. Assistant principals in elementary schools, one half-time at 600 students, one full-time at 900 students; assistant principals in middle schools, one full-time for each 600 students; assistant principals in high schools, one full-time for each 600 students; and school divisions that employ a sufficient number of assistant principals to meet this staffing requirement may assign assistant principals to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary;

3. Librarians in elementary schools, one part-time to 299 students, one full-time at 300 students; librarians in middle schools, one-half time to 299 students, one full-time at 300 students, two full-time at 1,000 students; librarians in high schools, one half-time to 299 students, one full-time at 300 students, two full-time at 1,000 students. Local school divisions that employ a sufficient number of librarians to meet this staffing requirement may assign librarians to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary; and

4. Guidance counselors in elementary schools, one hour per day per 100 students, one full-time at 500 students, one hour per day additional time per 100 students or major fraction thereof; guidance counselors in middle schools, one period per 80 students, one full-time at 400 students, one additional period per 80 students or major fraction thereof; guidance counselors in high schools, one period per 70 students, one full-time at 350 students, one additional period per 70 students or major fraction thereof. Local school divisions that employ a sufficient number of guidance counselors to meet this staffing requirement may assign guidance counselors to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary.

I. Local school boards shall employ five full-time equivalent positions per 1,000 students in grades kindergarten through five to serve as elementary resource teachers in art, music, and physical education.

J. Local school boards shall employ two full-time equivalent positions per 1,000 students in grades kindergarten through 12, one to provide technology support and one to serve as an instructional technology resource teacher.

To provide flexibility, school divisions may use the state and local funds for instructional technology resource teachers to employ a data coordinator position, an instructional technology resource teacher position, or a data coordinator/instructional resource teacher blended position. The data coordinator position is intended to serve as a resource to principals and classroom teachers in the area of data analysis and interpretation for instructional and school improvement purposes, as well as for overall data management and administration of state assessments. School divisions using these funds in this manner shall employ only instructional personnel licensed by the Board of Education.

K. Local school boards may employ additional positions that exceed these minimal staffing requirements. These additional positions may include, but are not limited to, those funded through the state's incentive and categorical programs as set forth in the appropriation act.

L. A combined school, such as kindergarten through 12, shall meet at all grade levels the staffing requirements for the highest grade level in that school; this requirement shall apply to all staff, except for guidance counselors, and shall be based on the school's total enrollment; guidance counselor staff requirements shall, however, be based on the enrollment at the various school organization levels, i.e., elementary, middle, or high school. The Board of Education may grant waivers from these staffing levels upon request from local school boards seeking to implement experimental or innovative programs that are not consistent with these staffing levels.

M. School boards shall, however, annually, on or before January 1, report to the public the actual pupil/teacher ratios in elementary school classrooms by school for the current school year. Such actual ratios shall include only the teachers who teach the grade and class on a full-time basis and shall exclude resource personnel. School boards shall report pupil/teacher ratios that include resource teachers in the same annual report. Any classes funded through the voluntary kindergarten through third grade class size reduction program shall be identified as such classes. Any classes having waivers to exceed the requirements of this subsection shall also be identified. Schools shall be identified; however, the data shall be compiled in a manner to ensure the confidentiality of all teacher and pupil identities.

N. Students enrolled in a public school on a less than full-time basis shall be counted in ADM in the relevant school division. Students who are either (i) enrolled in a nonpublic school or (ii) receiving home instruction pursuant to § 22.1-254.1, and who are enrolled in public school on a less than full-time basis in any mathematics, science, English, history, social science, career and technical education, fine arts, foreign language, or health education or physical education course shall be counted in the ADM in the relevant school division on a pro rata basis as provided in the appropriation act. Each such course enrollment by such students shall be counted as 0.25 in the ADM; however, no such nonpublic or home school student shall be counted as more than one-half a student for purposes of such pro rata calculation. Such calculation shall not include enrollments of such students in any other public school courses.

O. Each local school board shall provide those support services that are necessary for the efficient and cost-effective operation and maintenance of its public schools.

For the purposes of this title, unless the context otherwise requires, "support services positions" shall include the following:

1. Executive policy and leadership positions, including school board members, superintendents and assistant superintendents;
2. Fiscal and human resources positions, including fiscal and audit operations;
3. Student support positions, including (i) social workers and social work administrative positions; (ii) guidance administrative positions not included in subdivision H 4; (iii) homebound administrative positions supporting instruction; (iv) attendance support positions related to truancy and dropout prevention; and (v) health and behavioral positions, including school nurses and school psychologists;
4. Instructional personnel support, including professional development positions and library and media positions not included in subdivision H 3;
5. Technology professional positions not included in subsection J;
6. Operation and maintenance positions, including facilities; pupil transportation positions; operation and maintenance professional and service positions; and security service, trade, and laborer positions;
7. Technical and clerical positions for fiscal and human resources, student support, instructional personnel support, operation and maintenance, administration, and technology; and
8. School-based clerical personnel in elementary schools; part-time to 299 students, one full-time at 300 students; clerical personnel in middle schools; one full-time and one additional full-time for each 600 students beyond 200 students and one full-time for the library at 750 students; clerical personnel in high schools; one full-time and one additional full-time for each 600 students beyond 200 students and one full-time for the library at 750 students. Local school divisions that employ a sufficient number of school-based clerical personnel to meet this staffing requirement may assign the clerical personnel to schools within the division according to the area of greatest need, regardless of whether such schools are elementary, middle, or secondary.

Pursuant to the appropriation act, support services shall be funded from basic school aid.

School divisions may use the state and local funds for support services to provide additional instructional services.

P. Notwithstanding the provisions of this section, when determining the assignment of instructional and other licensed personnel in subsections C through J, a local school board shall not be required to include full-time students of approved virtual school programs.

**§ 28.2-232. Revocation of licenses.**

A. The Commission may revoke the fishing privileges within the Commonwealth's tidal waters and revoke, or prohibit the issuance, reissuance, or renewal of any licenses if, after a hearing held after 10 days' notice to the applicant or licensee, it finds that the person has violated any provision of this subtitle. *The Commission shall not revoke any license other than the license for the fishery in which the violation occurred. The Commission may revoke licenses other than the applicable license upon a second or subsequent violation within five years.*

B. The duration of the license revocation and prohibition shall be fixed by the Commission up to a maximum of five years ~~with the withdrawal of all fishing privileges conferred by this title during that period~~, taking into account (i) evidence of repeated or habitual disregard for violations of the conservation, health and, or safety laws and regulations; (ii) abusive conduct and behavior toward officers; and (iii) the severity of any damage that has occurred, or might have occurred, to the natural resources, the public health, or the seafood industry.

*In determining whether to revoke a person's tidal fishing privileges for up to a maximum of five years, the Commission shall take into account (i) evidence of habitual disregard for the conservation, health, or safety laws and regulations; (ii) whether the violation of this subtitle was committed while the person's licenses or privileges were revoked or while the person was under a Commission-ordered probation period; and (iii) evidence that significant harm occurred, or might have occurred, to the natural resources, the public health, or the seafood industry.*

C. The Commission may assess a civil penalty of up to \$10,000 against a person if it finds, after a hearing held after 10 days' notice, that the person has engaged in fishing, other than for recreational purposes as defined in § 28.2-226.1, while the person's applicable licenses and or fishing privileges have been revoked pursuant to this section or § 28.2-528. In setting the amount of the civil penalty, the Commission shall consider the person's history of violating the conservation, health, and safety laws and regulations of the Commonwealth. *The Commission shall accept payment of the civil penalty by credit card and may collect such actual credit card service charges as apply.*

D. If the person fails to pay the civil penalty within 180 days of the assessment of the civil penalty by the Commission, the Commissioner may transmit a true copy of the order assessing such civil penalty to the clerk of the court of any county or city wherein it is ascertained that the person owing the penalty has any estate, and the clerk to whom such copy is so sent shall record it, as a judgment is required by law to be recorded, and shall index the same as well in the name of the Commonwealth as of the person owing the penalty, and thereupon there shall be a lien in favor of the Commonwealth on the property of the person within such county or city in the amount of the civil penalty.

E. Civil penalties collected pursuant to this section shall be deposited into the Virginia Marine Products Fund established in § 3.2-2705.

An appeal from the Commission's decision may be taken to the courts as provided in Article 3 (§ 28.2-216 et seq.) ~~of this chapter.~~

B. In addition, a public body may purchase from another public body's contract or from the contract of the Metropolitan Washington Council of Governments *or the Virginia Sheriffs' Association* even if it did not participate in the request for proposal or invitation to bid, if the request for proposal or invitation to bid specified that the procurement was a cooperative procurement being conducted on behalf of other public bodies, except for:

1. Contracts for architectural or engineering services; or
2. Construction, except for the installation of artificial turf and track surfaces, including all associated and necessary construction, which shall not be subject to the limitations prescribed in this subdivision. An Act to amend and reenact §§ 19.2-54 and 19.2-56 of the Code of Virginia, relating to search warrants.

[H 1874]

Approved March 20, 2017

Be it enacted by the General Assembly of Virginia:

1. That §§ 19.2-54 and 19.2-56 of the Code of Virginia are amended and reenacted as follows:

**§ 19.2-54. Affidavit preliminary to issuance of search warrant; general search warrant prohibited; effect of failure to file affidavit.**

No search warrant shall be issued until there is filed with the officer authorized to issue the same an affidavit of some person reasonably describing the place, thing, or person to be searched, the things or persons to be searched for thereunder, alleging briefly material facts, constituting the probable cause for the issuance of such warrant and alleging substantially the offense in relation to which such search is to be made and that the object, thing, or person searched for constitutes evidence of the commission of such offense. The affidavit may be filed by electronically transmitted (i) facsimile process or (ii) electronic record as defined in § 59.1-480. Such affidavit shall be certified by the officer who issues such warrant and delivered in person; mailed by certified mail, return receipt requested; or delivered by electronically transmitted facsimile process or by use of filing and security procedures as defined in the Uniform Electronic Transactions Act (§ 59.1-479 et seq.) for transmitting signed documents, by such officer or his designee or agent, to the clerk of the circuit court of the county or city wherein the search is made, ~~with a copy of the affidavit also being delivered to the clerk of the circuit court of the county or city where the warrant is issued, if in a different county or city,~~ within seven days after the issuance of such warrant and shall by such ~~clerk~~ clerk be preserved as a record and shall at all times be subject to inspection by the public after the warrant that is the subject of the affidavit has been executed or 15 days after issuance of the warrant, whichever is earlier; however, such affidavit, any warrant issued pursuant thereto, any return made thereon, and any order sealing the affidavit, warrant, or return may be temporarily sealed for a specific period of time by the appropriate court upon application of the attorney for the Commonwealth for good cause shown in an ex parte hearing. Any individual arrested and claiming to be aggrieved by such search and seizure or any person who claims to be entitled to lawful possession of such property seized may move the appropriate court for the unsealing of such affidavit, warrant, and return. The burden of proof with respect to continued sealing shall be upon the Commonwealth. Each such clerk shall maintain an index of all such affidavits filed in his office in order to facilitate inspection. No such warrant shall be issued on an affidavit omitting such essentials, and no general warrant for the search of a house, place, compartment, vehicle or baggage shall be issued. The term "affidavit" as used in this section, means statements made under oath or affirmation and preserved verbatim.

Failure of the officer issuing such warrant to file the required affidavit shall not invalidate any search made under the warrant unless such failure shall continue for a period of 30 days. If the affidavit is filed prior to the expiration of the 30-day period, nevertheless, evidence obtained in any such search shall not be admissible until a reasonable time after the filing of the required affidavit.

**§ 19.2-56. To whom search warrant directed; what it shall command; warrant to show date and time of issuance; copy of affidavit to be part of warrant and served therewith; warrants not executed within 15 days.**

The judge, magistrate or other official authorized to issue criminal warrants, shall issue a search warrant if he finds from the facts or circumstances recited in the affidavit that there is probable cause for the issuance thereof.

Every search warrant shall be directed to (i) the sheriff, sergeant, or any policeman of the county, city or town in which the place to be searched is located, (ii) any law-enforcement officer or agent employed by the Commonwealth and vested with the powers of sheriffs and police, or (iii) jointly to any such sheriff, sergeant, policeman or law-enforcement officer or agent and an agent, special agent or officer of the Federal Bureau of Investigation, the Bureau of Alcohol, Tobacco and Firearms of the United States Treasury, the United States Naval Criminal Investigative Service, the United States Department of Homeland Security, any inspector, law-enforcement official or police personnel of the United States Postal Service, or the Drug Enforcement Administration. The warrant shall ~~(i)~~ (a) name the affiant, ~~(ii)~~ (b) recite the offense in relation to which the search is to be made, ~~(iii)~~ (c) name or describe the place to be searched, ~~(iv)~~ (d) describe the property or person to be searched for, and ~~(v)~~ (e) recite that the magistrate has found probable cause to believe that the property or person constitutes evidence of a crime (identified in the warrant) or tends to show that a person (named or described therein) has committed or is committing a crime.

The warrant shall command that the place be forthwith searched, either in day or night, and that the objects or persons described in the warrant, if found there, be seized. An inventory shall be produced before a court having jurisdiction of the offense in relation to which the warrant was issued as provided in § 19.2-57.

Any such warrant as provided in this section shall be executed by the policeman or other law-enforcement officer or agent into whose hands it shall come or be delivered. If the warrant is directed jointly to a sheriff, sergeant, policeman or law-enforcement officer or agent of the Commonwealth and a federal agent or officer as otherwise provided in this section, the warrant may be executed jointly or by the policeman, law-enforcement officer or agent into whose hands it is delivered. No other person may be permitted to be present during or participate in the execution of a warrant to search a place except ~~(i)~~ (1) the owners and occupants of the place to be searched when permitted to be present by the officer in charge of the

conduct of the search and ~~(ii)~~ (2) persons designated by the officer in charge of the conduct of the search to assist or provide expertise in the conduct of the search.

Any search warrant for records or other information pertaining to a subscriber to, or customer of, an electronic communication service or remote computing service, whether a domestic corporation or foreign corporation, that is transacting or has transacted any business in the Commonwealth, to be executed upon such service provider may be executed within or without the Commonwealth by hand, United States mail, commercial delivery service, facsimile, or other electronic means upon the service provider. Notwithstanding the provisions of § 19.2-57, the officer executing a warrant pursuant to this paragraph shall endorse the date of execution thereon and shall file the warrant, with the inventory attached (or a notation that no property was seized) and the accompanying affidavit, unless such affidavit was made by voice or videotape recording, within three days after the materials ordered to be produced are received by the officer from the service provider. The return shall be made in the circuit court clerk's office for the jurisdiction wherein the warrant was issued. Saturdays, Sundays, or any federal or state legal holiday shall not be used in computing the three-day filing period.

Electronic communication service or remote computing service providers, whether a foreign or domestic corporation, shall also provide the contents of electronic communications pursuant to a search warrant issued under this section and § 19.2-70.3 using the same process described in the preceding paragraph.

*Notwithstanding the provisions of § 19.2-57, any search warrant for records or other information pertaining to a customer of a financial institution as defined in § 6.2-604, money transmitter as defined in § 6.2-1900, commercial business providing credit history or credit reports, or issuer as defined in § 6.2-424 may be executed within the Commonwealth by hand, United States mail, commercial delivery service, facsimile, or other electronic means upon the financial institution, money transmitter, commercial business providing credit history or credit reports, or issuer. The officer executing such warrant shall endorse the date of execution thereon and shall file the warrant, with the inventory attached (or a notation that no property was seized) and the accompanying affidavit, unless such affidavit was made by voice or videotape recording, within three days after the materials ordered to be produced are received by the officer from the financial institution, money transmitter, commercial business providing credit history or credit reports, or issuer. The return shall be made in the circuit court clerk's office for the jurisdiction wherein the warrant was executed. Saturdays, Sundays, or any federal or state legal holiday shall not be used in computing the three-day filing period. For the purposes of this section, the warrant will be considered executed in the jurisdiction where the entity on which the warrant is served is located.*

Every search warrant shall contain the date and time it was issued. However, the failure of any such search warrant to contain the date and time it was issued shall not render the warrant void, provided that the date and time of issuing of said warrant is established by competent evidence.

The judge, magistrate, or other official authorized to issue criminal warrants shall attach a copy of the affidavit required by § 19.2-54, which shall become a part of the search warrant and served therewith. However, this provision shall not be applicable in any case in which the affidavit is made by means of a voice or videotape recording or where the affidavit has been sealed pursuant to § 19.2-54.

Any search warrant not executed within 15 days after issuance thereof shall be returned to, and voided by, the officer who issued such search warrant.

For the purposes of this section:

"Foreign corporation" means any corporation or other entity, whose primary place of business is located outside of the boundaries of the Commonwealth, that makes a contract or engages in a terms of service agreement with a resident of the Commonwealth to be performed in whole or in part by either party in the Commonwealth, or a corporation that has been issued a certificate of authority pursuant to § 13.1-759 to transact business in the Commonwealth. The making of the contract or terms of service agreement or the issuance of a certificate of authority shall be considered to be the agreement of the foreign corporation or entity that a search warrant or subpoena, which has been properly served on it, has the same legal force and effect as if served personally within the Commonwealth.

"Properly served" means delivery of a search warrant or subpoena by hand, by United States mail, by commercial delivery service, by facsimile or by any other manner to any officer of a corporation or its general manager in the Commonwealth, to any natural person designated by it as agent for the service of process, or if such corporation has designated a corporate agent, to any person named in the latest annual report filed pursuant to § 13.1-775.

"Commissioner" means the chief insurance regulatory official of a state, however designated.

"Corporate Governance Annual Disclosure" or "CGAD" means a confidential report filed by the insurer or insurance group made in accordance with the requirements of this article.

"NAIC" means the National Association of Insurance Commissioners.

**§ 38.2-1334.12. Disclosure requirement.**

A. The requirements of this article shall apply to all insurers domiciled in the Commonwealth. An insurer, or the insurance group of which the insurer is a member, shall, no later than June 1 of each calendar year, submit to the Commission a Corporate Governance Annual Disclosure that contains the information described in subsection B of § 38.2-1334.13. Notwithstanding any request from the Commission made pursuant to subsection C, if the insurer is a member of an insurance group, the insurer shall submit the report required by this section to the Commissioner of the lead state for the insurance group, in accordance with the laws of the lead state, as determined by the procedures outlined in the most recent Financial Analysis Handbook adopted by the NAIC.

B. The CGAD shall include a signature of the insurer or insurance group's chief executive officer or corporate secretary attesting to the best of that individual's belief and knowledge that the insurer has implemented the corporate governance practices and that a copy of the disclosure has been provided to the insurer's board of directors or the appropriate committee thereof.

C. An insurer not required to submit a CGAD under this section shall do so upon the Commission's request.

D. For purposes of completing the CGAD, the insurer or insurance group may provide information regarding corporate governance at one or more of the ultimate controlling parent level, an intermediate holding company level, or the individual legal entity level, depending upon how the insurer or insurance group has structured its system of corporate governance. The insurer or insurance group is encouraged to make the CGAD disclosures at the level at which the insurer's or insurance group's risk appetite is determined, or at which the earnings, capital, liquidity, operations, and reputation of the insurer are overseen collectively and at which the supervision of those factors are coordinated and exercised, or the level at which legal liability for failure of general corporate governance duties would be placed. If the insurer or insurance group determines the level of reporting based on these criteria, it shall indicate which of the three criteria was used to determine the level of reporting and explain any subsequent changes in level of reporting.

E. The review of the CGAD and any additional requests for information shall be made through the lead state as determined by the procedures within the most recent Financial Analysis Handbook referenced in subsection A.

F. Insurers providing information substantially similar to the information required by this article in other documents provided to the Commission, including proxy statements filed in conjunction with the registration requirements pursuant to § 38.2-1329, or other state or federal filings provided to the Commission shall not be required to duplicate that information in the CGAD, but shall only be required to cross-reference the document in which the information is included.

G. Nothing in this article shall be construed to prescribe or impose corporate governance standards and internal procedures beyond that which is required under applicable state corporate law. Notwithstanding the foregoing, nothing in this article shall be construed to limit the Commission's authority, or the rights or obligations of third parties, under § 38.2-1318.

**§ 38.2-1334.13. Contents of Corporate Governance Annual Disclosure.**

A. The insurer or insurance group shall have discretion over the responses to the CGAD inquiries, provided that the CGAD shall contain the material information necessary to permit the Commission to gain an understanding of the insurer's or insurance group's corporate governance structure, policies, and practices. The Commission may request additional information deemed material and necessary to provide the Commission with a clear understanding of the corporate governance policies, the reporting or information system, or the controls implementing those policies.

B. Notwithstanding subsection A, the CGAD shall be prepared consistent with the rules and regulations promulgated by the Commission to administer the requirements of this article. Documentation and supporting information shall be maintained and made available upon examination or upon request of the Commission.

**§ 38.2-1334.14. Confidentiality.**

A. The CGAD is recognized by the Commonwealth as containing confidential and sensitive information related to an insurer or insurance group's internal operations. This information includes proprietary and trade secret information that has the potential for harm and competitive disadvantage to the insurer or insurance group if the information is made public. The CGAD shall be a confidential document filed with the Commission, the CGAD may be shared only as stated in this article and to assist the Commission in the performance of its duties, and in no event shall the CGAD be subject to public disclosure.

However, the Commission is authorized to use the documents, materials, or other information in the furtherance of any regulatory or legal action brought as a part of the Commission's official duties. The Commission shall not otherwise make the documents, materials, or other information public without the prior written consent of the insurer. Nothing in this section shall be construed to require written consent of the insurer before the Commission may share or receive confidential documents, materials, or other CGAD-related information pursuant to subsection C to assist in the performance of the Commission's regular duties.

C. Neither the Commission nor any person who received documents, materials, or other CGAD-related information, through examination or otherwise, while acting under the authority of the Commission or with whom such documents, materials, or other information are shared pursuant to this article shall be permitted or required to testify in any private civil action concerning any confidential documents, materials, or information subject to subsection A.

D. In order to assist in the performance of the Commission's regulatory duties, the Commission:

1. E. The sharing of information and documents by the Commission pursuant to this article shall not constitute a delegation of regulatory authority or rulemaking, and the Commission is solely responsible for the administration, execution, and enforcement of the provisions of this article.

F. No waiver of any applicable privilege or claim of confidentiality in the documents, proprietary and trade-secret materials, or other CGAD-related information shall occur as a result of disclosure of such CGAD-related information or documents to the Commission under this section or as a result of sharing as authorized in this article.

**§ 38.2-1334.15. NAIC and third-party consultants.**

A. The Commission may retain, at the insurer's expense, third-party consultants, including attorneys, actuaries, accountants, and other experts not otherwise a part of the Commission's staff as may be reasonably necessary to assist the Commission in reviewing the CGAD and related information or the insurer's compliance with this article.

B. Any persons retained under subsection A shall be under the direction and control of the Commission and shall act in a purely advisory capacity.

C. The NAIC and third-party consultants shall be subject to the same confidentiality standards and requirements as the Commission.

D. As part of the retention process, a third-party consultant shall verify to the Commission, with notice to the insurer, that it is free of a conflict of interest and that it has internal procedures in place to monitor compliance with a conflict and to comply with the confidentiality standards and requirements of this article.

E. A written agreement with the NAIC or a third-party consultant, or both, governing sharing and use of information provided pursuant to this article shall contain the following provisions and expressly require the written consent of the insurer prior to making public information provided under this article:

3. A provision specifying that ownership of the CGAD-related information shared with the NAIC or a third-party consultant remains with the Commission and the NAIC's or third-party consultant's use of the information is subject to the direction of the Commission;

4. A provision that prohibits the NAIC or a third-party consultant from storing the information shared pursuant to this article in a permanent database after the underlying analysis is completed;

6. A requirement that the NAIC or a third-party consultant consent to intervention by an insurer in any judicial or administrative action in which the NAIC or a third-party consultant may be required to disclose confidential information about the insurer shared with the NAIC or a third-party consultant pursuant to this article.

**§ 13.1-654. Annual meeting.**

A. Unless directors are elected by written consent in lieu of an annual meeting as permitted by § 13.1-657, a corporation shall hold a meeting of shareholders annually at a time stated in or fixed in accordance with the bylaws, except that a corporation registered under the Investment Company Act of 1940 is not required to hold an annual meeting in any

**§ 13.1-655. Special meeting.**

A. A corporation shall hold a special meeting of shareholders:

The articles of incorporation may provide for an increase or decrease in the percentage stated in this subdivision.*

B. Unless this chapter or the articles of incorporation require otherwise, the corporation is required to give notice only to shareholders entitled to vote at the meeting as of the record date for determining the shareholders entitled to notice of the meeting.

B. Unless the articles of incorporation or this chapter requires otherwise, notice of an annual meeting need not state the purpose or purposes for which the meeting is called.

C. Notice of a special meeting shall state the purpose or purposes for which the meeting is called.

D. If not otherwise fixed under § 13.1-656 or 13.1-660, the record date for determining shareholders entitled to notice of and to vote at an annual or special meeting is the day before the effective date of the notice to shareholders.

E. Unless the bylaws require otherwise, if an annual or special meeting is adjourned to a different date, time, or place, notice need not be given if the new date, time, or place, *if any*, is announced at the meeting before adjournment. If a new record date for the adjourned meeting is or shall be fixed under § 13.1-660, however, not less than 10 days before the meeting date notice of the adjourned meeting shall be given under this section to shareholders entitled to vote at such adjourned meeting as of the record date fixed for notice of such adjourned meeting.

The obligation of the corporation to give notice of shareholders' meetings to any such shareholder shall be reinstated once the corporation has received a new address for such shareholder for entry on its share transfer books.

**§ 13.1-660.2. Remote participation in annual and special meetings.**

A. Shareholders of any class or series may participate in any meeting of shareholders by means of remote communication to the extent the board of directors authorizes such participation for such class or series. Participation by means of remote communication shall be subject to such guidelines and procedures the board of directors adopts, and shall be in conformity with subsection B.

B. Shareholders participating in a shareholders' meeting by means of remote communication shall be deemed present and may vote at such a meeting if the corporation has implemented reasonable measures to:

A shareholders' list for voting shall be similarly available for inspection promptly after the record date for voting. The original share transfer books shall be prima facie evidence as to who are the shareholders entitled to examine such list or to vote at any meeting of shareholders. A shareholder, or the shareholder's agent or attorney, is entitled on written demand to inspect and, subject to the requirements set forth in subsection D of § 13.1-771, to copy a list, during the regular business hours and at the shareholder's expense, during the period it is available for inspection.

~~C. The~~ *If the meeting is to be held at a place, the corporation shall make the list of shareholders entitled to vote available at the meeting, and any shareholder, or the shareholder's agent or attorney, is entitled to inspect the list at any time during the meeting or any adjournment.*

E. Refusal or failure to prepare or make available a shareholders' list does not affect the validity of action taken at the meeting.

If such bond is furnished by or on behalf of any party against whom judgment has been rendered for money or property or both, the bond shall be conditioned for the performance and satisfaction of such judgment or order as may be entered against such party on appeal, and for the payment of all costs and damages which may be awarded against him in the appellate court. If the appeal is by a party against whom there is no recovery except for costs, the bond shall be conditioned for the payment of such costs and damages as may be awarded against him on the appeal.

In addition to the foregoing, any party applying for appeal shall, within 30 days from the date of the judgment, pay to the clerk of the court from which the appeal is taken the amount of the writ tax of the court to which the appeal is taken and costs as required by subdivision A 13 of § 17.1-275, including all fees for service of process of the notice of appeal in the circuit court pursuant to § 16.1-112.

*An Act for the relief of Keith Allen Harward.*

[S 1479]

Approved March 20, 2017

Whereas, Keith Allen Harward (Mr. Harward) spent 33 years in prison for crimes he did not commit; and

Whereas, in the early morning hours of September 14, 1982, an unknown assailant broke into a Newport News, Virginia, home, bludgeoned the husband to death with a crowbar and repeatedly raped the wife while the children slept nearby; and

Whereas, the rape victim described her assailant as wearing a white Navy uniform and told police that the assailant had bitten her repeatedly on the legs; and

Whereas, a Newport News Shipyard security guard who, following a suggestive photo array procedure conducted by police investigators, identified Mr. Harward as the sailor he had seen six months earlier entering the shipyard in a blood-spattered uniform during the early morning hours of the day of the crime; and

Whereas, the shipyard security guard was the only individual to identify Mr. Harward at trial; and

Whereas the rape victim was not able to identify Mr. Harward either before or at trial; and

Whereas, Mr. Harward did not know the rape victim and did not match the physical description of the assailant provided by the victim; and

Whereas, no physical evidence linked Mr. Harward to the crime scene; and

Whereas, a Virginia Department of Forensic Science (DFS) employee suppressed critical serological evidence excluding Mr. Harward as the source of body fluids found on the victim following the crime; and

Whereas, the main evidence against Mr. Harward at trial was bite mark identification proffered by two forensic odontologists, a line of evidence that has been discredited as scientifically invalid and rejected by the American Board of Forensic Odontology; and

Whereas, police investigators withheld critical information that the victim and the Newport News Shipyard security guard had been hypnotized and that certain key components of their respective testimonies changed after hypnosis; and

Whereas, because defense counsel was not informed of the hypnosis of the witnesses, counsel was not able to object to the admission of the hypnotically enhanced recollections, which were considered to be unreliable and admissible only to the extent that they were consistent with a pre-hypnotic statement; and

Whereas, on March 6, 1986, Mr. Harward was falsely convicted of first degree murder and sentenced to life in prison; and

Whereas, in late 2015 and early 2016, DFS analyzed DNA evidence from a rape kit collected from the victim after the crime and excluded Mr. Harward as the perpetrator of the crime; and

Whereas, the DNA evidence identified the real perpetrator of the crime as Jerry Crotty, a U.S. Navy sailor stationed on the same naval vessel as Mr. Harward at the time of the crime and a serial criminal who died in prison in Ohio in 2006; and

Whereas, on March 4, 2016, Mr. Harward submitted to the Supreme Court of Virginia a Petition for a Writ of Actual Innocence based on the DNA evidence excluding him as the perpetrator of the crime; and

Whereas, on April 6, 2016, Virginia Attorney General Mark Herring filed a response recommending that the Writ of Actual Innocence be granted as quickly as possible; and

Whereas, on April 7, 2016, the Supreme Court of Virginia granted Mr. Harward's Writ of Actual Innocence, formally exonerating him of all the crimes for which he had been convicted; and

Whereas, Mr. Harward has always maintained his innocence; and

Whereas, Mr. Harward, as a result of his wrongful conviction, suffers from numerous painful physical injuries, systemic health conditions, and severe mental anguish and emotional distress and has lost countless opportunities, including the opportunity to marry and have children; and

Whereas, Mr. Harward, as a further result of his wrongful conviction, is an impoverished man, with no job skills or career prospects and no savings or accumulated pension benefits, and does not qualify for social security benefits; and

Whereas, Mr. Harward has no other means to obtain adequate relief except by action of this body; now, therefore,

**Be it enacted by the General Assembly of Virginia:**

1. *§ 1. That there is hereby appropriated from the general fund of the state treasury the sum of \$1,548,439 for the relief of Mr. Harward, to be paid by check issued by the State Treasurer on warrant of the Comptroller upon execution of a release of any present or future claims Mr. Harward may have against (i) the Commonwealth or any agency, instrumentality, officer, employee, or political subdivision thereof; (ii) any legal counsel appointed pursuant to § 19.2-159 of the Code of Virginia; and (iii) all other parties of interest in connection with the aforesaid occurrence.*

*The compensation, subject to the execution of the release described herein, shall be paid as follows: (a) an initial lump sum of \$309,688 to be paid to Mr. Harward by check issued by the State Treasurer on warrant of the Comptroller within 60 days immediately following the execution of such release and (b) the sum of \$1,238,751 to purchase an annuity no later than September 30, 2017, for the primary benefit of Mr. Harward, the terms of such annuity structured in Mr. Harward's best interests based on consultation among Mr. Harward or his representatives, the State Treasurer, and other necessary parties.*

*The State Treasurer shall purchase the annuity at the lowest cost available from any A+ rated company authorized to sell annuities in the Commonwealth, including any A+ rated company from which the State Lottery Department may purchase an annuity. The annuity shall provide that it shall not be sold, discounted, or used as securitization for loans and mortgages. The annuity shall, however, contain beneficiary provisions providing for the annuity's continued disbursement in the event of Mr. Harward's death.*

§ 2. *That Mr. Harward shall be entitled to receive career and technical training within the Virginia Community College System free of tuition charges, up to a maximum of \$10,000. The cost for the tuition benefit shall be paid by the community college at which the career or technical training is provided. The tuition benefit provided by this section shall expire on January 1, 2022.*

During such temporary service, the vice-mayor shall retain his or her right to vote as a council person and shall not be deemed to have vacated his or her council office.*

## CHAPTER 660

*An Act to amend and reenact § 15.2-2209.1 of the Code of Virginia and to amend and reenact the second enactment of Chapter 509 of the Acts of Assembly of 2013, relating to extension of certain local approvals.*

[H 1697]

Approved March 20, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That § 15.2-2209.1 of the Code of Virginia is amended and reenacted as follows:**

**§ 15.2-2209.1. Extension of approvals to address housing crisis.**

A. Notwithstanding the time limits for validity set out in § 15.2-2260 or 15.2-2261, or the provisions of subsection F of § 15.2-2260, any subdivision plat valid under § 15.2-2260 and outstanding as of January 1, ~~2014~~ 2017, and any recorded plat or final site plan valid under § 15.2-2261 and outstanding as of January 1, ~~2014~~ 2017, shall remain valid until July 1, ~~2017~~ 2020, or such later date provided for by the terms of the locality's approval, local ordinance, resolution or regulation, or for a longer period as agreed to by the locality. Any other plan or permit associated with such plat or site plan extended by this subsection shall likewise be extended for the same time period.

B. Notwithstanding any other provision of this chapter, for any valid special exception, special use permit, or conditional use permit outstanding as of January 1, ~~2014~~ 2017, and related to new residential or commercial development, any deadline in the exception permit, or in the local zoning ordinance that requires the landowner or developer to commence the project or to incur significant expenses related to improvements for the project within a certain time, shall be extended

until July 1, ~~2017~~ 2020, or longer as agreed to by the locality. The provisions of this subsection shall not apply to any requirement that a use authorized pursuant to a special exception, special use permit, conditional use permit, or other agreement or zoning action be terminated or ended by a certain date or within a set number of years.

C. Notwithstanding any other provision of this chapter, for any rezoning action approved pursuant to § 15.2-2297, 15.2-2298, or 15.2-2303, valid and outstanding as of January 1, ~~2011~~ 2017, and related to new residential or commercial development, any proffered condition that requires the landowner or developer to incur significant expenses upon an event related to a stage or level of development shall be extended until July 1, ~~2017~~ 2020, or longer as agreed to by the locality. However, the extensions in this subsection shall not apply (i) to land or right-of-way dedications pursuant to § 15.2-2297, 15.2-2298, or 15.2-2303, (ii) when completion of the event related to the stage or level of development has occurred, or (iii) to events required to occur on a specified date certain or within a specified time period. Any proffered condition included in a special exception, special use permit, or conditional use permit shall only be extended if it satisfies the provisions of this subsection.

D. The extension of validity provided in subsection A and the extension of certain deadlines as provided in subsection B shall not be effective unless any unreleased performance bonds and agreements or other financial guarantees of completion of public improvements in or associated with the proposed development are continued in force; however, if the locality has enacted a bonding moratorium or deferral option, the performance bonds and agreements or other financial guarantees of completion may be waived or modified by the locality, in which case the extension of validity provided in subsection A and the extension of certain deadlines provided in subsection B shall apply. The landowner or developer must comply with the terms of any bonding moratorium or deferral agreement with the locality in order for the extensions referred to in this subsection to be effective.

**2. That the second enactment of Chapter 509 of the Acts of Assembly of 2013 is amended and reenacted as follows:**

**2. That Chapter 508 of the Acts of Assembly of 2012 is amended by adding a third enactment as follows:**

**CHAPTER 661**

*An Act to amend and reenact § 15.2-2314 of the Code of Virginia, relating to board of zoning appeals.*

[H 1994]

Approved March 20, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That § 15.2-2314 of the Code of Virginia is amended and reenacted as follows:**

**§ 15.2-2314. Certiorari to review decision of board.**

Any person or persons jointly or severally aggrieved by any decision of the board of zoning appeals, or any aggrieved taxpayer or any officer, department, board or bureau of the locality, may file with the clerk of the circuit court for the county or city a petition that shall be styled "In Re: date Decision of the Board of Zoning Appeals of [locality name]" specifying the grounds on which aggrieved within 30 days after the final decision of the board.

Upon the presentation of such petition, the court shall allow a writ of certiorari to review the decision of the board of zoning appeals and shall prescribe therein the time within which a return thereto must be made and served upon the secretary of the board of zoning appeals or, if no secretary exists, the chair of the board of zoning appeals, which shall not be less than 10 days and may be extended by the court. The allowance of the writ shall not stay proceedings upon the decision appealed from, but the court may, on application, on notice to the board and on due cause shown, grant a restraining order.

Any review of a decision of the board shall not be considered an action against the board and the board shall not be a party to the proceedings; however, the board shall participate in the proceedings to the extent required by this section. The governing body, the landowner, and the applicant before the board of zoning appeals shall be necessary parties to the proceedings in the circuit court. The court may permit intervention by any other person or persons jointly or severally aggrieved by any decision of the board of zoning appeals.

The board of zoning appeals shall not be required to return the original papers acted upon by it but it shall be sufficient to return certified or sworn copies thereof or of the portions thereof as may be called for by the writ. The return shall concisely set forth such other facts as may be pertinent and material to show the grounds of the decision appealed from and shall be verified.

The court may reverse or affirm, wholly or partly, or may modify the decision brought up for review.

In the case of an appeal from the board of zoning appeals to the circuit court of an order, requirement, decision or determination of a zoning administrator or other administrative officer in the administration or enforcement of any ordinance or provision of state law, or any modification of zoning requirements pursuant to § 15.2-2286, the findings and conclusions of the board of zoning appeals on questions of fact shall be presumed to be correct. The appealing party may rebut that presumption by proving by a preponderance of the evidence, including the record before the board of zoning appeals, that the board of zoning appeals erred in its decision. Any party may introduce evidence in the proceedings in the court. The court shall hear any arguments on questions of law de novo.

In the case of an appeal by a person of any decision of the board of zoning appeals that denied or granted an application for a variance, the decision of the board of zoning appeals shall be presumed to be correct. The petitioner may rebut that presumption by proving by a preponderance of the evidence, including the record before the board of zoning appeals, that the board of zoning appeals erred in its decision.

In the case of an appeal by a person of any decision of the board of zoning appeals that denied or granted application for a special exception, the decision of the board of zoning appeals shall be presumed to be correct. The petitioner may rebut that presumption by showing to the satisfaction of the court that the board of zoning appeals applied erroneous principles of law, or where the discretion of the board of zoning appeals is involved, the decision of the board of zoning appeals was plainly wrong, was in violation of the purpose and intent of the zoning ordinance, and is not fairly debatable.

In the case of an appeal from the board of zoning appeals to the circuit court of a decision of the board, any party may introduce evidence in the proceedings in the court in accordance with the Rules of Evidence of the Supreme Court of Virginia.

Costs shall not be allowed against the locality *or the governing body*, unless it shall appear to the court that ~~the~~ *the locality or the governing body* acted in bad faith or with malice. In the event the decision of the board is affirmed and the court finds that the appeal was frivolous, the court may order the person or persons who requested the issuance of the writ of certiorari to pay the costs incurred in making the return of the record pursuant to the writ of certiorari. If the petition is withdrawn subsequent to the filing of the return, the locality *or the governing body* may request that the court hear the matter on the question of whether the appeal was frivolous.

The Authority shall make a written determination of the nature and scope of the protection to be afforded by it under this subdivision.

## CHAPTER 663

*An Act to amend and reenact §§ 2.2-115 and 30-310 of the Code of Virginia, relating to the Commonwealth's Development Opportunity Fund; limitation on use of moneys from the Fund.*

[H 2347]

Approved March 20, 2017

**Be it enacted by the General Assembly of Virginia:****1. That §§ 2.2-115 and 30-310 of the Code of Virginia are amended and reenacted as follows:****§ 2.2-115. Commonwealth's Development Opportunity Fund.**

A. As used in this section, unless the context requires otherwise:

"New job" means employment of an indefinite duration, created as the direct result of the private investment, for which the firm pays the wages and standard fringe benefits for its employee, requiring a minimum of either (i) 35 hours of the employee's time a week for the entire normal year of the firm's operations, which "normal year" must consist of at least 48 weeks or (ii) 1,680 hours per year.

Seasonal or temporary positions, positions created when a job function is shifted from an existing location in the Commonwealth to the location of the economic development project, positions with suppliers, and multiplier or spin-off jobs shall not qualify as new jobs. The term "new job" shall include positions with contractors provided that all requirements included within the definition of the term are met.

"Prevailing average wage" means that amount determined by the Virginia Employment Commission to be the average wage paid workers in the city or county of the Commonwealth where the economic development project is located. The prevailing average wage shall be determined without regard to any fringe benefits.

"Private investment" means the private investment required under this section.

B. There is created the Commonwealth's Development Opportunity Fund (the Fund) to be used by the Governor to attract economic development prospects and secure the expansion of existing industry in the Commonwealth. The Fund shall consist of any funds appropriated to it by the general appropriation act and revenue from any other source, public or private. The Fund shall be established on the books of the Comptroller, and any funds remaining in the Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on the Fund shall be credited to the Fund. The Governor shall report to the Chairmen of the House Committees on Appropriations and Finance and the Senate Committee on Finance as funds are awarded in accordance with this section.

C. Funds shall be awarded from the Fund by the Governor as grants or loans to political subdivisions. The criteria for making such grants or loans shall include (i) job creation, (ii) private capital investment, and (iii) anticipated additional state tax revenue expected to accrue to the state and affected localities as a result of the capital investment and jobs created. Loans shall be approved by the Governor and made in accordance with guidelines established by the Virginia Economic Development Partnership and approved by the Comptroller. Loans shall be interest-free unless otherwise determined by the Governor and shall be repaid to the Fund. The Governor may establish the interest rate to be charged; otherwise, any interest charged shall be at market rates as determined by the State Treasurer and shall be indicative of the duration of the loan. The Virginia Economic Development Partnership shall be responsible for monitoring repayment of such loans and reporting the receivables to the Comptroller as required.

Beginning with the five fiscal years from fiscal year 2006-2007 through fiscal year 2010-2011, and for every five fiscal years' period thereafter, in general, no less than one-third of the moneys appropriated to the Fund in every such five-year period shall be awarded to counties and cities having an annual average unemployment rate that is greater than the final statewide average unemployment rate for the calendar year that immediately precedes the calendar year of the award. However, if such one-third requirement will not be met because economic development prospects in such counties and cities are unable to fulfill the applicable minimum private investment and new jobs requirements set forth in this section, then any funds remaining in the Fund at the end of the five-year period that would have otherwise been awarded to such counties and cities shall be made available for awards in the next five fiscal years' period.

D. Funds may be used for public and private utility extension or capacity development on and off site; public and private installation, extension, or capacity development of high-speed or broadband Internet access, whether on or off site; road, rail, or other transportation access costs beyond the funding capability of existing programs; site acquisition; grading, drainage, paving, and any other activity required to prepare a site for construction; construction or build-out of publicly or privately owned buildings; training; or grants or loans to an industrial development authority, housing and redevelopment authority, or other political subdivision for purposes directly relating to any of the foregoing. However, in no case shall funds from the Fund be used, directly or indirectly, to pay or guarantee the payment for any rental, lease, license, or other contractual right to the use of any property.

It shall be the policy of the Commonwealth that moneys in the Fund shall not be used for any economic development project in which a business relocates or expands its operations in one or more Virginia localities and simultaneously closes its operations or substantially reduces the number of its employees in another Virginia locality, *unless the procedures set forth in § 30-310 are followed*. The Secretary of Commerce and Trade shall enforce this policy and for any exception thereto shall promptly provide written notice to the Chairmen of the Senate Finance and House Appropriations Committees,

which notice shall include a justification for any exception to such policy pursuant to § 30-310, submit such projects to the MEI Project Approval Commission established pursuant to § 30-309.

E. 1. a. Except as provided in this subdivision, no grant or loan shall be awarded from the Fund unless the project involves a minimum private investment of \$5 million and creates at least 50 new jobs for which the average wage, excluding fringe benefits, is no less than the prevailing average wage. For projects, including but not limited to projects involving emerging technologies, for which the average wage of the new jobs created, excluding fringe benefits, is at least twice the prevailing average wage for that locality or region, the Governor shall have the discretion to require no less than one-half the number of new jobs as set forth for that locality in this subdivision.

b. Notwithstanding the provisions of subdivision a, a grant or loan may be awarded from the Fund if the project involves a minimum private investment of \$100 million and creates at least 25 new jobs for which the average wage, excluding fringe benefits, is no less than the prevailing average wage.

2. Notwithstanding the provisions of subdivision 1 a, in localities (i) with an annual unemployment rate for the most recent calendar year for which such data is available that is greater than the final statewide average unemployment rate for that calendar year or (ii) with a poverty rate for the most recent calendar year for which such data is available that exceeds the statewide average poverty rate for that year, a grant or loan may be awarded from the Fund pursuant to subdivision 1 a if the project involves a minimum private investment of \$2.5 million and creates at least 25 new jobs for which the average wage, excluding fringe benefits, is no less than 85 percent of the prevailing average wage.

3. Notwithstanding the provisions of subdivisions 1 a and 2, in localities (i) with an annual unemployment rate for the most recent calendar year for which such data is available that is greater than the final statewide average unemployment rate for that calendar year and (ii) with a poverty rate for the most recent calendar year for which such data is available that exceeds the statewide average poverty rate for that year, a grant or loan may be awarded from the Fund pursuant to such subdivisions if the project involves a minimum private investment of \$1.5 million and creates at least 15 new jobs for which the average wage, excluding fringe benefits, is no less than 85 percent of the prevailing average wage.

4. For projects that are eligible under subdivision 2 or 3, the average wage of the new jobs, excluding fringe benefits, shall be no less than 85 percent of the prevailing average wage. In addition, for projects in such localities, the Governor may award a grant or loan for a project paying less than 85 percent of the prevailing average wage but still providing customary employee benefits, only after the Secretary of Commerce and Trade has made a written finding that the economic circumstances in the area are sufficiently distressed (i.e., high unemployment or underemployment and negative economic forecasts) that assistance to the locality to attract the project is nonetheless justified. However, the minimum private investment and number of new jobs required to be created as set forth in this subsection shall still be a condition of eligibility for an award from the Fund. Such written finding shall promptly be provided to the chairs of the Senate Committee on Finance and the House Committee on Appropriations.

F. 1. The Virginia Economic Development Partnership shall assist the Governor in developing objective guidelines and criteria that shall be used in awarding grants or making loans from the Fund. The guidelines may require that as a condition of receiving any grant or loan incentive that is based on employment goals, a recipient company must provide copies of employer quarterly payroll reports that have been provided to the Virginia Employment Commission to verify the employment status of any position included in the employment goal. The guidelines may include a requirement for the affected locality or localities to provide matching funds which may be cash or in-kind, at the discretion of the Governor. The guidelines and criteria shall include provisions for geographic diversity and a cap on the amount of funds to be provided to any individual project. At the discretion of the Governor, this cap may be waived for qualifying projects of regional or statewide interest. In developing the guidelines and criteria, the Virginia Economic Development Partnership shall use the measure for Fiscal Stress published by the Commission on Local Government of the Department of Housing and Community Development for the locality in which the project is located or will be located as one method of determining the amount of assistance a locality shall receive from the Fund.

2. a. Notwithstanding any provision in this section or in the guidelines, each political subdivision that receives a grant or loan from the Fund shall enter into a contract with each business beneficiary of funds from the Fund. A person or entity shall be a business beneficiary of funds from the Fund if grant or loan moneys awarded from the Fund by the Governor are paid to a political subdivision and (i) subsequently distributed by the political subdivision to the person or entity or (ii) used by the political subdivision for the benefit of the person or entity but never distributed to the person or entity.

b. The contract between the political subdivision and the business beneficiary shall provide in detail (i) the fair market value of all funds that the Commonwealth has committed to provide, (ii) the fair market value of all matching funds (or in-kind match) that the political subdivision has agreed to provide, (iii) how funds committed by the Commonwealth (including but not limited to funds from the Fund committed by the Governor) and funds that the political subdivision has agreed to provide are to be spent, (iv) the minimum private investment to be made and the number of new jobs to be created agreed to by the business beneficiary, (v) the average wage (excluding fringe benefits) agreed to be paid in the new jobs, (vi) the prevailing average wage, and (vii) the formula, means, or processes agreed to be used for measuring compliance with the minimum private investment and new jobs requirements, including consideration of any layoffs instituted by the business beneficiary over the course of the period covered by the contract.

The contract shall state the date by which the agreed upon private investment and new job requirements shall be met by the business beneficiary of funds from the Fund and may provide for the political subdivision to grant up to a 15-month extension of such date if deemed appropriate by the political subdivision subsequent to the execution of the contract. Any

extension of such date granted by the political subdivision shall be in writing and promptly delivered to the business beneficiary, and the political subdivision shall simultaneously provide a copy of the extension to the Virginia Economic Development Partnership.

The contract shall provide that if the private investment and new job contractual requirements are not met by the expiration of the date stipulated in the contract, including any extension granted by the political subdivision, the business beneficiary shall be liable to the political subdivision for repayment of a portion of the funds provided under the contract. The contract shall include a formula for purposes of determining the portion of such funds to be repaid. The formula shall, in part, be based upon the fair market value of all funds that have been provided by the Commonwealth and the political subdivision and the extent to which the business beneficiary has met the private investment and new job contractual requirements. Any such funds repaid to the political subdivision that relate to the award from the Commonwealth's Development Opportunity Fund shall promptly be paid over by the political subdivision to the Commonwealth by payment remitted to the State Treasurer. Upon receipt by the State Treasurer of such payment, the Comptroller shall deposit such repaid funds into the Commonwealth's Development Opportunity Fund.

c. The contract shall be amended to reflect changes in the funds committed by the Commonwealth or agreed to be provided by the political subdivision.

d. Notwithstanding any provision in this section or in the guidelines, whenever layoffs instituted by a business beneficiary over the course of the period covered by a contract cause the net total number of the new jobs created to be fewer than the number agreed to, then the business beneficiary shall return the portion of any funds received pursuant to the repayment formula established by the contract.

3. Notwithstanding any provision in this section or in the guidelines, prior to executing any such contract with a business beneficiary, the political subdivision shall provide a copy of the proposed contract to the Attorney General. The Attorney General shall review the proposed contract (i) for enforceability as to its provisions and (ii) to ensure that it is in appropriate legal form. The Attorney General shall provide any written suggestions to the political subdivision within seven days of his receipt of the copy of the contract. The Attorney General's suggestions shall be limited to the enforceability of the contract's provisions and the legal form of the contract.

4. Notwithstanding any provision in this section or in the guidelines, a political subdivision shall not expend, distribute, pledge, use as security, or otherwise use any award from the Fund unless and until such contract as described herein is executed with the business beneficiary.

G. Within the 30 days immediately following June 30 and December 30 of each year, the Governor shall provide a report to the Chairmen of the House Committees on Appropriations and Finance and the Senate Committee on Finance which shall include, but is not limited to, the following information regarding grants and loans awarded from the Fund during the immediately preceding six-month period for economic development projects: the name of the company that is the business beneficiary of the grant or loan and the type of business in which it engages; the location (county, city, or town) of the project; the amount of the grant or loan committed from the Fund and the amount of all other funds committed by the Commonwealth from other sources and the purpose for which such grants, loans, or other funds will be used; the amount of all moneys or funds agreed to be provided by political subdivisions and the purposes for which they will be used; the number of new jobs agreed to be created by the business beneficiary; the amount of investment in the project agreed to be made by the business beneficiary; the timetable for the completion of the project and new jobs created; the prevailing average wage; and the average wage (excluding fringe benefits) agreed to be paid in the new jobs.

H. The Governor shall provide grants and commitments from the Fund in an amount not to exceed the dollar amount contained in the Fund. If the Governor commits funds for years beyond the fiscal years covered under the existing appropriation act, the State Treasurer shall set aside and reserve the funds the Governor has committed, and the funds shall remain in the Fund for those future fiscal years. No grant or loan shall be payable in the years beyond the existing appropriation act unless the funds are currently available in the Fund.

I. On a quarterly basis, the Virginia Economic Development Partnership shall notify the Governor, his campaign committee, and his political action committee of awards from the Fund made in the prior quarter. Within 18 months of the date of each award from the Fund, the Governor, his campaign committee, and his political action committee shall submit to the Virginia Conflict of Interest and Ethics Advisory Council established in § 30-355 a report listing any contribution, gift, or other item with a value greater than \$100 provided by the business beneficiary of such award to the Governor, his campaign committee, or his political action committee, respectively, during (i) the period in which the business beneficiary's application for such award was pending and (ii) the one-year period immediately after any such award was made.

#### **§ 30-310. Review of incentive packages.**

A. 1. The Commission shall review individual incentive packages, including but not limited to packages offering tax incentives, for economic development projects (including but not limited to MEI projects) for which (i) one or more of the incentives in the incentive package is not authorized under current law or an amendment by the General Assembly is being sought to one or more currently existing incentives included as part of the incentive package or (ii) the aggregate amount of incentives to be provided by the Commonwealth in the incentive package including grants, tax incentives such as credits and exemptions, general or nongeneral funds, proceeds from bonds, rights to lease property at below fair market value, or any other incentives from the Commonwealth is in excess of \$10 million in value. *The Commission shall also review economic development projects in which a business relocates or expands its operations in one or more Virginia localities and simultaneously closes its operations or substantially reduces the number of its employees in another Virginia locality.*

The Commission shall recommend approval or denial of such packages *and projects* to the General Assembly. Factors that shall be considered by the Commission in its review shall include, but not be limited to (i) return on investment, (ii) the time frame for repayment of incentives to the Commonwealth, (iii) average wages of the jobs created by the prospective MEI project or other economic development project, (iv) the amount of capital investment that is required, and (v) the need for enhanced employment opportunities in the prospective location of the prospective MEI project or other economic development project.

2. a. Any time a proposed individual incentive package is to be considered by the Commission, materials outlining (i) the value of the proposed incentives, (ii) assumed return on investment, (iii) the time frame for repayment of incentives to the Commonwealth, (iv) average wages of the jobs created by the prospective MEI project or other economic development project, (v) the amount of capital investment that is required, and (vi) the need for enhanced employment opportunities in the prospective location of the prospective MEI project or other economic development project, shall be provided to the Commission members not less than 48 hours prior to the scheduled Commission meeting.

b. The timing of any request for an endorsement of a proposed individual incentive package should be scheduled so that the MEI Commission could, at its discretion, have up to seven days subsequent to the presentation of the incentive package prior to endorsing or rejecting such proposal.

B. An affirmative vote by three of the five members of the Commission from the House of Delegates and two of the three members of the Commission from the Senate shall be required to endorse any incentive package, including but not limited to packages offering tax incentives, for economic development projects (including but not limited to MEI projects) for which (i) one or more of the incentives in the incentive package is not authorized under current law or an amendment by the General Assembly is being sought to one or more currently existing incentives included as part of the incentive package or (ii) the aggregate amount of incentives to be provided by the Commonwealth in the incentive package including grants, tax incentives such as credits and exemptions, general or nongeneral funds, proceeds from bonds, rights to lease property at below fair market value, or any other incentives from the Commonwealth is in excess of \$10 million in value. *Such vote shall also be required to endorse any economic development project in which a business relocates or expands its operations in one or more Virginia localities and simultaneously closes its operations or substantially reduces the number of its employees in another Virginia locality.*

## CHAPTER 665

*An Act to amend and reenact § 15.2-2311 of the Code of Virginia, relating to board of zoning appeals.*

[S 1559]

Approved March 20, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That § 15.2-2311 of the Code of Virginia is amended and reenacted as follows:**

**§ 15.2-2311. Appeals to board.**

A. An appeal to the board may be taken by any person aggrieved or by any officer, department, board or bureau of the locality affected by any decision of the zoning administrator or from any order, requirement, decision or determination made by any other administrative officer in the administration or enforcement of this article, any ordinance adopted pursuant to this article, or any modification of zoning requirements pursuant to § 15.2-2286. Notwithstanding any charter provision to the contrary, any written notice of a zoning violation or a written order of the zoning administrator dated on or after July 1, 1993, shall include a statement informing the recipient that he may have a right to appeal the notice of a zoning violation or a written order within 30 days in accordance with this section, and that the decision shall be final and unappealable if not appealed within 30 days. The zoning violation or written order shall include the applicable appeal fee and a reference to where additional information may be obtained regarding the filing of an appeal. The appeal period shall not commence until the statement is given *and the zoning administrator's written order is sent by registered mail to, or posted at, the last known address or usual place of abode of the property owner or its registered agent, if any. There shall be a rebuttable presumption that the property owner's last known address is that shown on the current real estate tax assessment records, or the address of a registered agent that is shown in the records of the Clerk of the State Corporation Commission. A written notice of a zoning violation or a written order of the zoning administrator that includes such statement sent by registered or certified mail to, or posted at, the last known address of the property owner as shown on the current real estate tax assessment books or current real estate tax assessment records shall be deemed sufficient notice to the property owner and shall satisfy the notice requirements of this section.* The appeal shall be taken within 30 days after the decision appealed from by filing with the zoning administrator, and with the board, a notice of appeal specifying the

grounds thereof. The zoning administrator shall forthwith transmit to the board all the papers constituting the record upon which the action appealed from was taken. The fee for filing an appeal shall not exceed the costs of advertising the appeal for public hearing and reasonable costs. A decision by the board on an appeal taken pursuant to this section shall be binding upon the owner of the property which is the subject of such appeal only if the owner of such property has been provided notice of the zoning violation or written order of the zoning administrator in accordance with this section. The owner's actual notice of such notice of zoning violation or written order or active participation in the appeal hearing shall waive the owner's right to challenge the validity of the board's decision due to failure of the owner to receive the notice of zoning violation or written order. For jurisdictions that impose civil penalties for violations of the zoning ordinance, any such civil penalty shall not be assessed by a court having jurisdiction during the pendency of the 30-day appeal period.

B. An appeal shall stay all proceedings in furtherance of the action appealed from unless the zoning administrator certifies to the board that by reason of facts stated in the certificate a stay would in his opinion cause imminent peril to life or property, in which case proceedings shall not be stayed otherwise than by a restraining order granted by the board or by a court of record, on application and on notice to the zoning administrator and for good cause shown.

C. In no event shall a written order, requirement, decision or determination made by the zoning administrator or other administrative officer be subject to change, modification or reversal by any zoning administrator or other administrative officer after 60 days have elapsed from the date of the written order, requirement, decision or determination where the person aggrieved has materially changed his position in good faith reliance on the action of the zoning administrator or other administrative officer unless it is proven that such written order, requirement, decision or determination was obtained through malfeasance of the zoning administrator or other administrative officer or through fraud. The 60-day limitation period shall not apply in any case where, with the concurrence of the attorney for the governing body, modification is required to correct clerical errors.

D. In any appeal taken pursuant to this section, if the board's attempt to reach a decision results in a tie vote, the matter may be carried over until the next scheduled meeting at the request of the person filing the appeal.

**CHAPTER 666**

[S 1257]

Approved March 20, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 19.2-3.1, 19.2-187, and 19.2-187.1 of the Code of Virginia are amended and reenacted as follows:**

**§ 19.2-3.1. Personal appearance by two-way electronic video and audio communication; standards.**

A. Where an appearance is required or permitted before a magistrate, intake officer or, prior to trial, before a judge, the appearance may be by (i) personal appearance before the magistrate, intake officer or judge or (ii) use of two-way electronic

video and audio communication. If two-way electronic video and audio communication is used, a magistrate, intake officer or judge may exercise all powers conferred by law and all communications and proceedings shall be conducted in the same manner as if the appearance were in person. If two-way electronic video and audio communication is available for use by a district court for the conduct of a hearing to determine bail or to determine representation by counsel, the court shall use such communication in any such proceeding that would otherwise require the transportation of a person from outside the jurisdiction of the court in order to appear in person before the court. Any documents transmitted between the magistrate, intake officer, or judge and the person appearing before the magistrate, intake officer, or judge may be transmitted by electronically transmitted facsimile process or other electronic method. The facsimile or other electronically generated document may be served or executed by the officer or person to whom sent, and returned in the same manner, and with the same force, effect, authority, and liability as an original document. All signatures thereon shall be treated as original signatures.

B. Any two-way electronic video and audio communication system used for an appearance shall meet the following standards:

1. The persons communicating must simultaneously see and speak to one another;
2. The signal transmission must be live, real time;
3. The signal transmission must be secure from interception through lawful means by anyone other than the persons communicating; and
4. Any other specifications as may be promulgated by the Chief Justice of the Supreme Court.

C. *Nothing in this section shall be construed as requiring a locality to purchase a two-way electronic video and audio communication system. Any decision to purchase such a system is at the discretion of the locality.*

**§ 19.2-187. Admission into evidence of certain certificates of analysis.**

A. In any hearing or trial of any criminal offense or in any proceeding brought pursuant to Chapter 22.1 (§ 19.2-386.1 et seq.), a certificate of analysis of a person performing an analysis or examination, duly attested by such person, shall be admissible in evidence as evidence of the facts therein stated and the results of the analysis or examination referred to therein, provided *that* (i) the certificate of analysis is filed with the clerk of the court hearing the case at least seven days prior to the proceeding if the attorney for the Commonwealth intends to offer it into evidence in a preliminary hearing or the accused intends to offer it into evidence in any hearing or trial, or (ii) the requirements of subsection A of § 19.2-187.1 have been satisfied and the accused has not objected to the admission of the certificate pursuant to subsection B of § 19.2-187.1, when any such analysis or examination is performed in any laboratory operated by the Division of Consolidated Laboratory Services or the Department of Forensic Science or authorized by such Department to conduct such analysis or examination, or performed by a person licensed by the Department of Forensic Science pursuant to § 18.2-268.9 or 46.2-341.26:9 to conduct such analysis or examination, or performed by the Federal Bureau of Investigation, the United States Postal Service, the federal Bureau of Alcohol, Tobacco and Firearms, the Naval Criminal Investigative Service, the National Fish and Wildlife Forensics Laboratory, the federal Drug Enforcement Administration, the Forensic Document Laboratory of the U.S. Department of Homeland Security, or the U.S. Secret Service Laboratory.

B. In a hearing or trial in which the provisions of subsection A of § 19.2-187.1 do not apply, a copy of such certificate shall be mailed or delivered by the clerk or attorney for the Commonwealth to counsel of record for the accused at no charge at least seven days prior to the hearing or trial upon request made by such counsel to the clerk with notice of the request to the attorney for the Commonwealth. The request to the clerk shall be on a form prescribed by the Supreme Court and filed with the clerk at least 10 days prior to the hearing or trial. In the event that a request for a copy of a certificate is filed with the clerk with respect to a case that is not yet before the court, the clerk shall advise the requester that he must resubmit the request at such time as the case is properly before the court in order for such request to be effective. If, upon proper request made by counsel of record for the accused, a copy of such certificate is not mailed or delivered by the clerk or attorney for the Commonwealth to counsel of record for the accused in a timely manner in accordance with this section, the accused shall be entitled to continue the hearing or trial.

C. The certificate of analysis of any examination conducted by the Department of Forensic Science relating to a controlled substance or marijuana shall be mailed or forwarded by personnel of the Department of Forensic Science to the attorney for the Commonwealth of the jurisdiction where such offense may be heard. The attorney for the Commonwealth shall acknowledge receipt of the certificate on forms provided by the laboratory.

Any such certificate of analysis purporting to be signed, either by hand or by electronic means, by any such person shall be admissible as evidence in such hearing or trial without any proof of the seal or signature or of the official character of the person whose name is signed to it. The attestation signature of a person performing the analysis or examination may be either hand or electronically signed.

D. *Any testimony offered by either party in a preliminary hearing or sentencing hearing, or offered by the accused in any hearing other than a trial, from a person who performed an analysis or examination that resulted in a certificate of analysis may be presented by two-way video conferencing. The two-way video testimony permitted by this section shall comply with the provisions of subsection B of § 19.2-3.1. In addition, unless otherwise agreed by the parties and the court, (i) all orders pertaining to witnesses apply to witnesses testifying by video conferencing; (ii) upon request, all materials read or used by the witness during his testimony shall be identified on the video; and (iii) any witness testifying by video conferencing shall certify at the conclusion of his testimony, under penalty of perjury, that he did not engage in any off-camera communications with any person during his testimony.*

E. For the purposes of this section and §§ 19.2-187.01, 19.2-187.1, and 19.2-187.2, the term "certificate of analysis" includes reports of analysis and results of laboratory examination.

F. *Nothing in this section shall be construed as requiring a locality to purchase a two-way electronic video and audio communication system. Any decision to purchase such a system is at the discretion of the locality.*

**§ 19.2-187.1. Procedures for notifying accused of certificate of analysis; waiver; continuances.**

A. In any trial and in any hearing other than a preliminary hearing, in which the attorney for the Commonwealth intends to offer a certificate of analysis into evidence in lieu of testimony pursuant to § 19.2-187, the attorney for the Commonwealth shall:

1. Provide by mail, delivery, or otherwise, a copy of the certificate to counsel of record for the accused, or to the accused if he is proceeding pro se, at no charge, no later than 28 days prior to the hearing or trial;

2. Provide simultaneously with the copy of the certificate so provided under subdivision 1 a notice to the accused of his right to object to having the certificate admitted without the person who performed the analysis or examination being present and testifying;

2a. When the attorney for the Commonwealth intends to present such testimony through two-way video conferencing, attach to the copy of the certificate provided under subdivision 1 a notice on a page separate from the notice in subdivision 2 specifying that the person who performed the analysis or examination may testify by two-way video conferencing and that the accused has a right to object to such two-way video testimony; and

3. File a copy of the certificate and notice with the clerk of the court hearing the matter (i) on the day that the certificate and notice are provided to the accused or (ii) in the case of a breath test certificate for a violation of any offense listed in subsection E of § 18.2-270, no later than three business days following the day that the certificate and notice are provided to the accused.

B. The accused may object in writing to admission of the certificate of analysis, in lieu of testimony, as evidence of the facts stated therein and of the results of the analysis or examination. Such objection shall be filed with the court hearing the matter, with a copy to the attorney for the Commonwealth, no more than 14 days after the certificate and notice were filed with the clerk by the attorney for the Commonwealth or the objection shall be deemed waived. If timely objection is made, the certificate shall not be admissible into evidence unless (i) the testimony of the person who performed the analysis or examination is admitted into evidence describing the facts and results of the analysis or examination during the Commonwealth's case-in-chief at the hearing or trial and that person is present and subject to cross-examination by the accused, (ii) the objection is waived by the accused or his counsel in writing or before the court, or (iii) the parties stipulate before the court to the admissibility of the certificate. If the accused demands, at hearing or trial, the presence of the person who performed the analysis or examination and he is thereafter found guilty of the charge or charges for which he demanded the presence of such witness, \$50 for expenses related to the witness's appearance at hearing or trial shall be charged to the accused as court costs.

B1. ~~When~~ *Except as provided in subsection D of § 19.2-187, when the attorney for the Commonwealth gives notice to the accused of intent to present testimony by two-way video conferencing, the accused may object in writing to the admission of such testimony and may file an objection as provided in subsection B. The provisions of subsection B shall apply to such objection mutatis mutandis.*

B2. The two-way video testimony permitted by this section shall comply with the provisions of subsection B of § 19.2-3.1. In addition, unless otherwise agreed by the parties and the court, (i) all orders pertaining to witnesses apply to witnesses testifying by video conferencing; (ii) upon request, all materials read or used by the witness during his testimony shall be identified on the video; and (iii) any witness testifying by video conferencing shall certify at the conclusion of his testimony, under penalty of perjury, that he did not engage in any off-camera communications with any person during his testimony.

C. Where the person who performed the analysis and examination is not available for hearing or trial and the attorney for the Commonwealth has used due diligence to secure the presence of the person, the court shall order a continuance. Any continuances ordered pursuant to this subsection shall total not more than 90 days if the accused has been held continuously in custody and not more than 180 days if the accused has not been held continuously in custody.

D. Any objection by counsel for the accused, or the accused if he is proceeding pro se, to timeliness of the receipt of notice required by subsection A shall be made before hearing or trial upon his receipt of actual notice unless the accused did not receive actual notice prior to hearing or trial. A showing by the Commonwealth that the notice was mailed, delivered, or otherwise provided in compliance with the time requirements of this section shall constitute prima facie evidence that the notice was timely received by the accused. If the court finds upon the accused's objection made pursuant to this subsection, that he did not receive timely notice pursuant to subsection A, the accused's objection shall not be deemed waived and if the objection is made prior to hearing or trial, a continuance shall be ordered if requested by either party. Any continuance ordered pursuant to this subsection shall be subject to the time limitations set forth in subsection C.

E. Nothing in this section shall prohibit the admissibility of a certificate of analysis when the person who performed the analysis and examination testifies at trial or the hearing concerning the facts stated therein and of the results of the analysis or examination.

F. The accused in any hearing or trial in which a certificate of analysis is offered into evidence shall have the right to call the person performing such analysis or examination or involved in the chain of custody as a witness therein, and examine him in the same manner as if he had been called as an adverse witness. Such witness shall be summoned and

appear at the cost of the Commonwealth; however, if the accused calls the person performing such analysis or examination as a witness and is found guilty of the charge or charges for which such witness is summoned, \$50 for expenses related to that witness's appearance at hearing or trial shall be charged to the accused as court costs.

*G. Nothing in this section shall be construed as requiring a locality to purchase a two-way electronic video and audio communication system. Any decision to purchase such a system is at the discretion of the locality.*

No colored glass, colored plastic, bracket, holder, mounting, frame, or any other type of covering shall be placed, mounted, or installed on, around, or over any license plate if such glass, plastic, bracket, holder, mounting, frame, or other type of covering in any way alters or obscures (i) the alpha-numeric information, (ii) the color of the license plate, (iii) the name or abbreviated name of the state wherein the vehicle is registered, or (iv) any character or characters, decal, stamp, or other device indicating the month or year in which the vehicle's registration expires. No insignia, emblems, or trailer hitches or couplings shall be mounted in such a way as to hide or obscure any portion of the license plate or render any portion of the license plate illegible.

C. The Superintendent may make such regulations as he may deem advisable to enforce the proper mounting and securing of the license plate on the vehicle.

A. Except as provided in § 46.2-755, counties, cities, and towns may levy and assess taxes and charge license fees on motor vehicles, trailers, and semitrailers. However, none of these taxes and license fees shall be assessed or charged by any

county on vehicles owned by residents of any town located in the county when such town constitutes a separate school district if the vehicles are already subject to town license fees and taxes, nor shall a town charge a license fee to any new resident of the town, previously a resident of a county within which all or part of the town is situated, who has previously paid a license fee for the same tax year to such county. The amount of the license fee or tax imposed by any county, city, or town on any motor vehicle, trailer, or semitrailer shall not be greater than the annual or one-year fee imposed by the Commonwealth on the motor vehicle, trailer, or semitrailer. The license fees and taxes shall be imposed in such manner, on such basis, for such periods, and subject to proration for fractional periods of years, as the proper local authorities may determine.

Owners or lessees of motor vehicles, trailers, and semitrailers who have served outside of the United States in the armed services of the United States shall have a 90-day grace period, beginning on the date they are no longer serving outside the United States, in which to comply with the requirements of this section. The governing body of any county, city, or town issuing licenses under this section may by ordinance provide for a 50 percent reduction in the fee charged for the issuance of any such license issued for any vehicle owned or leased by any person who is 65 years old or older. No such discount, however, shall be available for more than one vehicle owned or leased by the same person.

The governing body of any county, city, or town issuing licenses free of charge under this subsection may by ordinance provide for (i) the limitation, restriction, or denial of such free issuance to an otherwise qualified applicant, including without limitation the denial of free issuance to a taxpayer who has failed to timely pay personal property taxes due with respect to the vehicle and (ii) the grounds for such limitation, restriction, or denial.

The situs for the imposition of licensing fees under this section shall in all cases, except as hereinafter provided, be the county, city, or town in which the motor vehicle, trailer, or semitrailer is normally garaged, stored, or parked. If it cannot be determined where the personal property is normally garaged, stored, or parked, the situs shall be the domicile of its owner.

In the event the owner of the motor vehicle is a full-time student attending an institution of higher education, the situs shall be the domicile of such student, provided the student has presented sufficient evidence that he has paid a personal property tax on the motor vehicle in his domicile.

B. The revenue derived from all county, city, or town taxes and license fees imposed on motor vehicles, trailers, or semitrailers shall be applied to general county, city, or town purposes.

C. A county, city, or town may require that no motor vehicle, trailer, or semitrailer shall be locally licensed until the applicant has produced satisfactory evidence that all personal property taxes on the motor vehicle, trailer, or semitrailer to be licensed have been paid and satisfactory evidence that any delinquent motor vehicle, trailer, or semitrailer personal property taxes owing have been paid which have been properly assessed or are assessable against the applicant by the county, city, or town. A county, city, or town may also provide that no motor vehicle license shall be issued unless the tangible personal property taxes properly assessed or assessable by that locality on any tangible personal property used or usable as a dwelling titled by the Department of Motor Vehicles and owned by the taxpayer have been paid. Any county and any town within any such county may by agreement require that all personal property taxes assessed by either the county or the town on any vehicle be paid before licensure of such vehicle by either the county or the town.

C1. The Counties of Dinwiddie, Lee, and Wise may, by ordinance or resolution adopted after public notice and hearing and, with the consent of the treasurer, require that no license may be issued under this section unless the applicant has produced satisfactory evidence that all fees, including delinquent fees, payable to such county or local solid waste authority, for the disposal of solid waste pursuant to the Virginia Water and Waste Authorities Act (§ 15.2-5100 et seq.), or pursuant to § 15.2-2159, have been paid in full. For purposes of this subsection, all fees, including delinquent fees, payable to a county for waste disposal services described herein, shall be paid to the treasurer of such county; however, in Wise County, the fee shall be paid to the county or its agent.

D. The Counties of Arlington, Fairfax, Loudoun, and Prince William and towns within them and any city may require that no motor vehicle, trailer, or semitrailer shall be licensed by that jurisdiction unless all fines owed to the jurisdiction by the owner of the vehicle, trailer, or semitrailer for violation of the jurisdiction's ordinances governing parking of vehicles have been paid. The provisions of this subsection shall not apply to vehicles owned by firms or companies in the business of renting motor vehicles.

E. If in any county imposing license fees and taxes under this section, a town therein imposes like fees and taxes on vehicles of owners resident in the town, the owner of any vehicle subject to the fees or taxes shall be entitled, on the owner's displaying evidence that he has paid the fees or taxes, to receive a credit on the fees or taxes imposed by the county to the extent of the fees or taxes he has paid to the town. Nothing in this section shall deprive any town now imposing these licenses and taxes from increasing them or deprive any town not now imposing them from hereafter doing so, but subject to the limitations provided in subsection D. The governing body of any county and the governing body of any town in that county wherein each imposes the license tax herein provided may provide mutual agreements so that not more than one license plate or decal in addition to the state plate shall be required.

F. Notwithstanding the provisions of subsection E, in a consolidated county wherein a tier-city exists, the tier-city may, in accordance with the provisions of the agreement or plan of consolidation, impose license fees and taxes under this section in addition to those fees and taxes imposed by the county, provided that the combined county and tier-city rates do not exceed the maximum provided in subsection A. No credit shall be allowed on the fees or taxes imposed by the county for fees or taxes paid to the tier-city, except as may be provided by the consolidation agreement or plan. The governing body of any county and the governing body of any tier-city in such county wherein each imposes the license tax herein may provide by mutual agreement that no more than one license plate or decal in addition to the state license plate shall be required.

G. Any county, city, or town may by ordinance provide that it shall be unlawful for any owner or operator of a motor vehicle, trailer, or semitrailer (i) to fail to obtain and, if any required by such ordinance, to display the local license required by any ordinance of the county, city or town in which the vehicle is registered, or (ii) to display upon a motor vehicle, trailer, or semitrailer any such local license, required by ordinance to be displayed, after its expiration date. The ordinance may provide that a violation shall constitute a misdemeanor the penalty for which shall not exceed that of a Class 4 misdemeanor and may, in the case of a motor vehicle registered to a resident of the locality where such vehicle is registered, authorize the issuance by local law-enforcement officers of citations, summonses, parking tickets, or uniform traffic summonses for violations. Any such ordinance may also provide that a violation of the ordinance by the registered owner of the vehicle may not be discharged by payment of a fine except upon presentation of satisfactory evidence that the required license has been obtained. Nothing in this section shall be construed to require a county, city, or town to issue a decal or any other tangible evidence of a local license to be displayed on the licensed vehicle if the county's, city's, or town's ordinance does not require display of a decal or other evidence of payment. No ordinance adopted pursuant to this section shall require the display of any local license, decal, or sticker on any vehicle owned by a public service company, as defined in § 56-76, having a fleet of at least 2,500 vehicles garaged in the Commonwealth.

H. Except as provided by subsections E and F, no vehicle shall be subject to taxation under the provisions of this section in more than one jurisdiction. Furthermore, no person who has purchased a local vehicle license, decal, or sticker for a vehicle in one county, city, or town and then moves to and garages his vehicle in another county, city, or town shall be required to purchase another local license, decal, or sticker from the county, city, or town to which he has moved and wherein his vehicle is now garaged until the expiration date of the local license, decal, or sticker issued by the county, city, or town from which he moved.

I. Purchasers of new or used motor vehicles shall be allowed at least a 10-day grace period, beginning with the date of purchase, during which to pay license fees charged by local governments under authority of this section.

J. The treasurer or director of finance of any county, city, or town may enter into an agreement with the Commissioner whereby the Commissioner will refuse to issue or renew any vehicle registration of any applicant therefor who owes to such county, city or town any local vehicle license fees or delinquent tangible personal property tax or parking citations. Before being issued any vehicle registration or renewal of such license or registration by the Commissioner, the applicant shall first satisfy all such local vehicle license fees and delinquent taxes or parking citations and present evidence satisfactory to the Commissioner that all such local vehicle license fees and delinquent taxes or parking citations have been paid in full. The Commissioner shall charge a reasonable fee to cover the costs of such enforcement action, and the treasurer or director of finance may add the cost of this fee to the delinquent tax bill or the amount of the parking citation. The treasurer or director of finance of any county, city, or town seeking to collect delinquent taxes or parking citations through the withholding of registration or renewal thereof by the Commissioner as provided for in this subsection shall notify the Commissioner in the manner provided for in his agreement with the Commissioner and supply to the Commissioner information necessary to identify the debtor whose registration or renewal is to be denied. Any agreement entered into pursuant to the provisions of this subsection shall provide the debtor notice of the intent to deny renewal of registration at least 30 days prior to the expiration date of a current vehicle registration. For the purposes of this subsection, notice by first-class mail to the registrant's address as maintained in the records of the Department of Motor Vehicles shall be deemed sufficient. In the case of parking violations, the Commissioner shall only refuse to issue or renew the vehicle registration of any applicant therefor pursuant to this subsection for the vehicle that incurred the parking violations. The provisions of this subsection shall not apply to vehicles owned by firms or companies in the business of renting motor vehicles.

K. The governing bodies of any two or more counties, cities, or towns may enter into compacts for the regional enforcement of local motor vehicle license requirements. The governing body of each participating jurisdiction may by ordinance require the owner or operator of any motor vehicle, trailer, or semitrailer to display on his vehicle a valid local license issued by another county, city, or town that is a party to the regional compact, provided that the owner or operator is required by the jurisdiction of situs, as provided in § 58.1-3511, to obtain and display such license. The ordinance may also provide that no motor vehicle, trailer, or semitrailer shall be locally licensed until the applicant has produced satisfactory evidence that (i) all personal property taxes on the motor vehicle, trailer, or semitrailer to be licensed have been paid to all participating jurisdictions and (ii) any delinquent motor vehicle, trailer, or semitrailer personal property taxes that have been properly assessed or are assessable by any participating jurisdiction against the applicant have been paid. Any city and any county having the urban county executive form of government, the counties adjacent to such county and towns within them may require that no motor vehicle, trailer, or semitrailer shall be licensed by that jurisdiction or any other jurisdiction in the compact unless all fines owed to any participating jurisdiction by the owner of the vehicle for violation of any participating jurisdiction's ordinances governing parking of vehicles have been paid. The ordinance may further provide that a violation shall constitute a misdemeanor the penalty for which shall not exceed that of a Class 4 misdemeanor. Any such ordinance may also provide that a violation of the ordinance by the owner of the vehicle may not be discharged by payment of a fine and applicable court costs except upon presentation of satisfactory evidence that the required license has been obtained. The provisions of this subsection shall not apply to vehicles owned by firms or companies in the business of renting motor vehicles.

L. In addition to the taxes and license fees permitted in subsection A, counties, cities, and towns may charge a license fee of no more than \$1 per motor vehicle, trailer, and semitrailer. Except for the provisions of subsection B, such fee shall be subject to all other provisions of this section. All funds collected pursuant to this subsection shall be paid pursuant to § 51.1-1204 to the Volunteer Firefighters' and Rescue Squad Workers' Service Award Fund to the accounts of all members of the Fund who are volunteers for fire departments or emergency medical services agencies within the jurisdiction of the particular county, city, or town.

M. In any county, the county treasurer or comparable officer and the treasurer of any town located wholly or partially within such county may enter into a reciprocal agreement, with the approval of the respective local governing bodies, that provides for the town treasurer to collect current, non-delinquent license fees or taxes on any motor vehicle, trailer, or semitrailer owed to the county or for the county treasurer to collect current, non-delinquent license fees or taxes owed to the town. A treasurer or comparable officer collecting any such license fee or tax pursuant to an agreement entered into under this subsection shall account for and pay over such amounts to the locality owed such license fee or tax in the same manner as provided by law. As used in this subsection, with regard to towns, "treasurer" means the town officer or employee vested with authority by the charter, statute, or governing body to collect local taxes.

*N. For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.*

Any law-enforcement officer shall, when he observes any defect in a motor vehicle as described above, take possession of the registration card, license plates, and decals of any such vehicle and retain the same in his possession for a period of ~~five~~ 15 days unless the owner of the vehicle corrects the defects or obtains a new safety inspection sticker from an authorized safety inspection station. When the defect or defects are corrected as indicated above the registration card, license plates, and decals shall be returned to the owner.

*For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.*

**§ 46.2-1003. Illegal use of defective or unsafe equipment.**

It shall be unlawful for any person to use or have as equipment on a motor vehicle operated on a highway any device or equipment mentioned in § 46.2-1002 which is defective or in unsafe condition.

*For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.*

**§ 46.2-1052. Tinting films, signs, decals, and stickers on windshields, etc.; penalties.**

A. Except as otherwise provided in this article or permitted by federal law, it shall be unlawful for any person to operate any motor vehicle on a highway with any sign, poster, colored or tinted film, sun-shading material, or other colored material on the windshield, front or rear side windows, or rear windows of such motor vehicle. This provision, however, shall not apply to any certificate or other paper required by law or permitted by the Superintendent to be placed on a motor vehicle's windshield or window.

The size of stickers or decals used by counties, cities, and towns in lieu of license plates shall be in compliance with regulations promulgated by the Superintendent. Such stickers shall be affixed on the windshield at a location designated by the Superintendent.

B. Notwithstanding the foregoing provisions of this section, whenever a motor vehicle is equipped with a mirror on each side of such vehicle, so located as to reflect to the driver of such vehicle a view of the highway for at least 200 feet to the rear of such vehicle, any or all of the following shall be lawful:

Such measurements made by law-enforcement officers shall be given a tolerance of minus seven percentage points.

E. No film or darkening material may be applied on the windshield except to replace the sunshield in the uppermost area as installed by the manufacturer of the vehicle.

F. Nothing in this section shall prohibit the affixing to the rear window of a motor vehicle of a single sticker no larger than 20 square inches if such sticker is totally contained within the lower five inches of the glass of the rear window, nor shall subsection B apply to a motor vehicle to which but one such sticker is so affixed.

G. Nothing in this section shall prohibit applying to the rear side windows or rear window of any multipurpose passenger vehicle or pickup truck sun-shading or tinting films that reduce the total light transmittance of such window or windows below 35 percent.

**§ 46.2-1053. Equipping certain motor vehicles with sun-shading or tinting films or applications.**

Notwithstanding the provisions of § 46.2-1052, a motor vehicle operated by or regularly used to transport any person with a medical condition which renders him susceptible to harm or injury from exposure to sunlight or bright artificial light may be equipped, on its windshield and any or all of its windows, with sun-shading or tinting films or applications which reduce the transmission of light into the vehicle to levels not less than ~~thirty-five~~ 35 percent. Such sun-shading or tinting film when applied to the windshield of a motor vehicle shall not cause the total light transmittance to be reduced to any level less than ~~seventy~~ 70 percent except for the upper five inches of such windshield or the AS-1 line, whichever is closer to the top of the windshield. Vehicles equipped with such sun-shading or tinting films shall not be operated on any highway unless, while being so operated, the driver or an occupant of the vehicle has in his possession a written authorization issued by the Commissioner of the Department of Motor Vehicles authorizing such operation. The Commissioner shall issue such written authorization only upon receipt of a signed statement from a licensed physician or licensed optometrist (i) identifying with reasonable specificity the person seeking the written authorization and (ii) stating that, in the physician's or optometrist's professional opinion, the equipping of a vehicle with sun-shading or tinting films or applications is necessary to safeguard the health of the person seeking the written authorization. Written authorizations issued by the Commissioner under this section shall be valid so long as the condition requiring the use of sun-shading or tinting films or applications persists or until the vehicle is sold, whichever first occurs. Such written authorizations shall permit the approval of any such vehicle upon its safety inspection as required by this chapter if such vehicle otherwise qualifies for inspection approval. In the discretion of the Commissioner, one or more written authorizations may be issued to an individual or a family. The Division of Purchases and Supply, pursuant to § 2.2-1112, shall determine the proper standards for equipment or devices used to measure light transmittance through windows of motor vehicles. Law-enforcement officers shall use only such equipment or devices to measure light transmittance through windows that meet the standards established by the Division. Such measurements made by law-enforcement officers shall be given a tolerance of minus seven percentage points.

For any summons issued for a violation of this section, the court may, in its discretion, dismiss the summons, where proof of compliance with this section is provided to the court on or before the court date.

*An Act to amend and reenact § 8.01-44.5 of the Code of Virginia, relating to punitive damages for persons injured by intoxicated drivers; evidence.*

[S 1498]

Approved March 20, 2017

**Be it enacted by the General Assembly of Virginia:****1. That § 8.01-44.5 of the Code of Virginia is amended and reenacted as follows:****§ 8.01-44.5. Punitive damages for persons injured by intoxicated drivers.**

In any action for personal injury or death arising from the operation of a motor vehicle, engine or train, the finder of fact may, in its discretion, award punitive damages to the plaintiff if the evidence proves that the defendant acted with malice toward the plaintiff or the defendant's conduct was so willful or wanton as to show a conscious disregard for the rights of others.

A defendant's conduct shall be deemed sufficiently willful or wanton as to show a conscious disregard for the rights of others when the evidence proves that (i) when the incident causing the injury or death occurred, the defendant had a blood alcohol concentration of 0.15 percent or more by weight by volume or 0.15 grams or more per 210 liters of breath; (ii) at the time the defendant began drinking alcohol, or during the time he was drinking alcohol, he knew or should have known that his ability to operate a motor vehicle, engine or train would be impaired, or when he was operating a motor vehicle he knew or should have known that his ability to operate a motor vehicle was impaired; and (iii) the defendant's intoxication was a proximate cause of the injury to or death of the plaintiff. For the purposes of clause (i), it shall be rebuttably presumed that the blood alcohol concentration at the time of the incident causing injury or death was at least as high as the test result as shown in a certificate issued pursuant to § 18.2-268.9 ~~or~~, in a certificate of analysis for a blood test administered pursuant to § 18.2-268.7, provided that the test was administered in accordance with the provisions of §§ 18.2-268.1 through 18.2-268.12, *or in a certificate of analysis for a test performed by the Department of Forensic Science on whole blood drawn pursuant to a search warrant, provided that the test was administered in accordance with the provisions of §§ 18.2-268.5, 18.2-268.6, and 18.2-268.7.* In addition to any other forms of proof, a party may submit a copy of a certificate issued pursuant to § 18.2-268.9 ~~or~~, a certificate of analysis for a blood test administered pursuant to § 18.2-268.7, *or a certificate of analysis for a test performed by the Department of Forensic Science on whole blood drawn pursuant to a search warrant,* which shall be prima facie evidence of the facts contained therein and compliance with the applicable provisions of §§ 18.2-268.1 through 18.2-268.12. *For the purposes of clause (ii), it shall be rebuttably presumed that the defendant who has consumed alcohol knew or should have known that his ability to operate a motor vehicle, engine, or train was or would be impaired by such consumption of alcohol.*

However, when a defendant has unreasonably refused to submit to a test of his blood alcohol content as required by § 18.2-268.2, a defendant's conduct shall be deemed sufficiently willful or wanton as to show a conscious disregard for the rights of others when the evidence proves that (a) when the incident causing the injury or death occurred the defendant was intoxicated, which may be established by evidence concerning the conduct or condition of the defendant; (b) at the time the defendant began drinking alcohol, ~~or~~ during the time he was drinking alcohol, *or when he was operating a motor vehicle,* he knew or should have known that his ability to operate a motor vehicle was impaired; and (c) the defendant's intoxication was a proximate cause of the injury to the plaintiff or death of the plaintiff's decedent. In addition to any other forms of proof, a party may submit a certified copy of a court's determination of unreasonable refusal pursuant to § 18.2-268.3, which shall be prima facie evidence that the defendant unreasonably refused to submit to the test. *For the purposes of clause (b), it shall be rebuttably presumed that the defendant who has consumed alcohol knew or should have known that his ability to operate a motor vehicle, engine, or train was or would be impaired by such consumption of alcohol.*

Evidence of similar conduct by the same defendant subsequent to the date of the personal injury or death arising from the operation of a motor vehicle, engine, or train shall be admissible at trial for consideration by the jury or other finder of fact for the limited purpose of determining what amount of punitive damages may be appropriate to deter the defendant and others from similar future action.

1. Develop and implement, in consultation with stakeholders representing elementary and secondary education, higher education, and business and industry in the Commonwealth and including parents, policymakers, and community leaders in the Commonwealth, a Profile of a Virginia Graduate that identifies the knowledge and skills that students should attain

during high school in order to be successful contributors to the economy of the Commonwealth, giving due consideration to critical thinking, creative thinking, collaboration, communication, and citizenship.

2. Emphasize the development of core skill sets in the early years of high school.
3. Establish multiple paths toward college and career readiness for students to follow in the later years of high school. Each such pathway shall include opportunities for internships, externships, and credentialing.
4. Provide for the selection of integrated learning courses meeting the Standards of Learning and approved by the Board to satisfy graduation requirements, which shall include Standards of Learning testing, as necessary.
5. Require students to complete at least one course in fine or performing arts or career and technical education, one course in United States and Virginia history, and two sequential elective courses chosen from a concentration of courses selected from a variety of options that may be planned to ensure the completion of a focused sequence of elective courses that provides a foundation for further education or training or preparation for employment.
6. ~~Graduation requirements shall include a requirement~~ *Require* that students either (i) complete an Advanced Placement, honors, or International Baccalaureate course or (ii) earn a career and technical education credential that has been approved by the Board, except when a career and technical education credential in a particular subject area is not readily available or appropriate or does not adequately measure student competency, in which case the student shall receive satisfactory competency-based instruction in the subject area to earn credit. The career and technical education credential, when required, could include the successful completion of an industry certification, a state licensure examination, a national occupational competency assessment, or the Virginia workplace readiness skills assessment.
7. Beginning with first-time ninth grade students in the 2016-2017 school year, require students to be trained in emergency first aid, cardiopulmonary resuscitation, and the use of automated external defibrillators, including hands-on practice of the skills necessary to perform cardiopulmonary resuscitation.
8. Make provision in its regulations for students with disabilities to earn a diploma.
9. Require students to complete one virtual course, which may be a noncredit-bearing course.
10. Provide that students who complete elective classes into which the Standards of Learning for any required course have been integrated and achieve a passing score on the relevant Standards of Learning test for the relevant required course receive credit for such elective class.

11. Establish a procedure to facilitate the acceleration of students that allows qualified students, with the recommendation of the division superintendent, without completing the 140-hour class, to obtain credit for such class upon demonstrating mastery of the course content and objectives and receiving a passing score on the relevant Standards of Learning assessment. Nothing in this section shall preclude relevant school division personnel from enforcing compulsory attendance in public schools.

12. Provide for the award of credit for passing scores on industry certifications, state licensure examinations, and national occupational competency assessments approved by the Board of Education.

School boards shall report annually to the Board of Education the number of Board-approved industry certifications obtained, state licensure examinations passed, national occupational competency assessments passed, Virginia workplace readiness skills assessments passed, and the number of career and technical education completers who graduated. These numbers shall be reported as separate categories on the School Performance Report Card.

For the purposes of this subdivision, "career and technical education completer" means a student who has met the requirements for a career and technical education concentration or specialization and all requirements for high school graduation or an approved alternative education program.

In addition, the Board may:

- a. For the purpose of awarding credit, approve the use of additional or substitute tests for the correlated Standards of Learning assessment, such as academic achievement tests, industry certifications or state licensure examinations; and
- b. Permit students completing career and technical education programs designed to enable such students to pass such industry certification examinations or state licensure examinations to be awarded, upon obtaining satisfactory scores on such industry certification or licensure examinations, appropriate credit for one or more career and technical education classes into which relevant Standards of Learning for various classes taught at the same level have been integrated. Such industry certification and state licensure examinations may cover relevant Standards of Learning for various required classes and may, at the discretion of the Board, address some Standards of Learning for several required classes.

13. Provide for the waiver of certain graduation requirements (i) upon the Board's initiative or (ii) at the request of a local school board. Such waivers shall be granted only for good cause and shall be considered on a case-by-case basis.

14. Consider all computer science course credits earned by students to be science course credits, mathematics course credits, or career and technical education credits. The Board of Education shall develop guidelines addressing how computer science courses can satisfy graduation requirements.

15. Permit local school divisions to waive the requirement for students to receive 140 clock hours of instruction upon providing the Board with satisfactory proof, based on Board guidelines, that the students for whom such requirements are waived have learned the content and skills included in the relevant Standards of Learning.

16. *Provide for the award of verified units of credit for a satisfactory score, as determined by the Board, on the Preliminary ACT (PreACT) or Preliminary SAT/National Merit Scholarship Qualifying Test (PSAT/NMSQT) examination.*

E. In the exercise of its authority to recognize exemplary performance by providing for diploma seals:

1. The Board shall develop criteria for recognizing exemplary performance in career and technical education programs by students who have completed the requirements for a Board of Education-approved diploma and shall award seals on the diplomas of students meeting such criteria.

2. The Board shall establish criteria for awarding a diploma seal for advanced mathematics and technology for the Board of Education-approved diplomas. The Board shall consider including criteria for (i) technology courses; (ii) technical writing, reading, and oral communication skills; (iii) technology-related training; and (iv) industry, professional, and trade association national certifications.

The Board shall consider criteria including the student's (i) score on a College Board Advanced Placement foreign language examination, (ii) score on an SAT II Subject Test in a foreign language, (iii) proficiency level on an ACTFL Assessment of Performance toward Proficiency in Languages (AAPPL) measure or another nationally or internationally recognized language proficiency test, or (iv) cumulative grade point average in a sequence of foreign language courses approved by the Board.

F. The Board shall establish, by regulation, requirements for the award of a general achievement adult high school diploma for those persons who are not subject to the compulsory school attendance requirements of § 22.1-254 and have (i) achieved a passing score on a high school equivalency examination approved by the Board of Education; (ii) successfully completed an education and training program designated by the Board of Education; (iii) earned a Board of Education-approved career and technical education credential such as the successful completion of an industry certification, a state licensure examination, a national occupational competency assessment, or the Virginia workplace readiness skills assessment; and (iv) satisfied other requirements as may be established by the Board for the award of such diploma.

G. To ensure the uniform assessment of high school graduation rates, the Board shall collect, analyze, report, and make available to the public high school graduation and dropout data using a formula prescribed by the Board.

H. The Board shall also collect, analyze, report, and make available to the public high school graduation and dropout data using a formula that excludes any student who fails to graduate because such student is in the custody of the Department of Corrections, the Department of Juvenile Justice, or local law enforcement. For the purposes of the Standards of Accreditation, the Board shall use the graduation rate required by this subsection.

I. The Board may promulgate such regulations as may be necessary and appropriate for the collection, analysis, and reporting of such data required by subsections G and H.

B. The Board of Education shall prescribe, by regulation, the requirements for the licensure of teachers and other school personnel required to hold a license. Such regulations shall include requirements for the denial, suspension, cancellation, revocation, and reinstatement of licensure. The Board of Education shall revoke the license of any person for whom it has received a notice of dismissal or resignation pursuant to subsection F of § 22.1-313 and, in the case of a person who is the subject of a founded complaint of child abuse or neglect, after all rights to any appeal provided by § 63.2-1526 have been exhausted. F. The Board shall establish criteria in its regulations to effectuate the substitution of experiential learning for coursework for those persons seeking initial licensure through an alternate route as defined in Board regulations.

G. *An Act to amend and reenact §§ 18.2-251, 18.2-259.1, and 46.2-390.1 of the Code of Virginia, relating to marijuana offenses; driver's license forfeiture.*

[H 2051]

Approved March 24, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 18.2-251, 18.2-259.1, and 46.2-390.1 of the Code of Virginia are amended and reenacted as follows:**

**§ 18.2-251. Persons charged with first offense may be placed on probation; conditions; substance abuse screening, assessment treatment and education programs or services; drug tests; costs and fees; violations; discharge.**

Whenever any person who has not previously been convicted of any offense under this article or under any statute of the United States or of any state relating to narcotic drugs, marijuana, or stimulant, depressant, or hallucinogenic drugs, or has not previously had a proceeding against him for violation of such an offense dismissed as provided in this section, pleads guilty to or enters a plea of not guilty to possession of a controlled substance under § 18.2-250 or to possession of marijuana under § 18.2-250.1, the court, upon such plea if the facts found by the court would justify a finding of guilt, without entering a judgment of guilt and with the consent of the accused, may defer further proceedings and place him on probation upon terms and conditions.

As a term or condition, the court shall require the accused to undergo a substance abuse assessment pursuant to § 18.2-251.01 or 19.2-299.2, as appropriate, and enter treatment and/or education program or services, if available, such as, in the opinion of the court, may be best suited to the needs of the accused based upon consideration of the substance abuse assessment. The program or services may be located in the judicial district in which the charge is brought or in any other judicial district as the court may provide. The services shall be provided by (i) a program licensed by the Department of Behavioral Health and Developmental Services, by a similar program which is made available through the Department of Corrections, (ii) a local community-based probation services agency established pursuant to § 9.1-174, or (iii) an ASAP program certified by the Commission on VASAP.

The court shall require the person entering such program under the provisions of this section to pay all or part of the costs of the program, including the costs of the screening, assessment, testing, and treatment, based upon the accused's ability to pay unless the person is determined by the court to be indigent.

As a condition of probation, the court shall require the accused ~~(i)~~ (a) to successfully complete treatment or education program or services, ~~(ii)~~ (b) to remain drug and alcohol free during the period of probation and submit to such tests during that period as may be necessary and appropriate to determine if the accused is drug and alcohol free, ~~(iii)~~ (c) to make reasonable efforts to secure and maintain employment, and ~~(iv)~~ (d) to comply with a plan of at least 100 hours of community service for a felony and up to 24 hours of community service for a misdemeanor. *In addition to any community service required by the court pursuant to clause (d), if the court does not suspend or revoke the accused's license as a term or condition of probation for a violation of § 18.2-250.1, the court shall require the accused to comply with a plan of 50 hours of community service.* Such testing shall be conducted by personnel of the supervising probation agency or personnel of any program or agency approved by the supervising probation agency.

The court shall, unless done at arrest, order the accused to report to the original arresting law-enforcement agency to submit to fingerprinting.

Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge the person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without adjudication of guilt and is a conviction only for the purposes of applying this section in subsequent proceedings.

Notwithstanding any other provision of this section, whenever a court places an individual on probation upon terms and conditions pursuant to this section, such action shall be treated as a conviction for purposes of §§ 18.2-259.1, 22.1-315, and 46.2-390.1, and the driver's license forfeiture provisions of those sections shall be imposed. *However, if the court places an individual on probation upon terms and conditions for a violation of § 18.2-250.1, such action shall not be treated as a conviction for purposes of § 18.2-259.1 or 46.2-390.1, provided that a court (1) may suspend or revoke an individual's driver's license as a term or condition of probation and (2) shall suspend or revoke an individual's driver's license as a term or condition of probation for a period of six months if the violation of § 18.2-250.1 was committed while such person was in operation of a motor vehicle.* The provisions of this paragraph shall not be applicable to any offense for which a juvenile has had his license suspended or denied pursuant to § 16.1-278.9 for the same offense.

**§ 18.2-259.1. Forfeiture of driver's license for violations of article.**

A. In addition to any other sanction or penalty imposed for a violation of this article, the (i) judgment of conviction under this article or (ii) placement on probation following deferral of further proceedings under § 18.2-251, *except if the proceeding was for possession of marijuana pursuant to § 18.2-250.1, or subsection H of § 18.2-258.1 for any such offense shall of itself operate to deprive the person so convicted or placed on probation after deferral of proceedings under § 18.2-251 or subsection H of § 18.2-258.1 of the privilege to drive or operate a motor vehicle, engine, or train in the Commonwealth for a period of six months from the date of such judgment or placement on probation.* Such license forfeiture shall be in addition to and shall run consecutively with any other license suspension, revocation or forfeiture in effect or imposed upon the person so convicted or placed on probation. However, a juvenile who has had his license suspended or denied pursuant to § 16.1-278.9 shall not have his license forfeited pursuant to this section for the same offense.

B. The court trying the case shall order any person so convicted or placed on probation to surrender his driver's license to be disposed of in accordance with the provisions of § 46.2-398 and shall notify the Department of Motor Vehicles of any such conviction entered and of the license forfeiture to be imposed.

C. In those cases where the court determines there are compelling circumstances warranting an exception, the court may provide that any individual be issued a restricted license to operate a motor vehicle for any of the purposes set forth in subsection E of § 18.2-271.1. No restricted license issued pursuant to this subsection shall permit any person to operate a commercial motor vehicle as defined in the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). The court shall order the surrender of such person's license in accordance with the provisions of subsection B and shall forward to the Commissioner of the Department of Motor Vehicles a copy of its order entered pursuant to this subsection. This order shall specifically enumerate the restrictions imposed and contain such information regarding the person to whom such a permit is issued as is reasonably necessary to identify such person. The court shall also provide a copy of its order to such person who may operate a motor vehicle on the order until receipt from the Commissioner of the Department of Motor Vehicles of a restricted license, but only if the order provides for a restricted license for that period. A copy of the order and, after receipt thereof, the restricted license shall be carried at all times by such person while operating a motor vehicle. The court may require a person issued a restricted permit under the provisions of this subsection to be monitored by an alcohol safety action program during the period of license suspension. Any violation of the terms of the restricted license or of any condition set forth by the court related thereto, or any failure to remain drug-free during such period shall be reported forthwith to the court by such program. Any person who operates a motor vehicle in violation of any restriction imposed pursuant to this section shall be guilty of a violation of § 46.2-301.

**§ 46.2-390.1. Required revocation for conviction of drug offenses or deferral of proceedings.**

A. Except as otherwise ordered pursuant to § 18.2-259.1, the Commissioner shall forthwith revoke, and not thereafter reissue for six months from the later of (i) the date of conviction or deferral of proceedings under § 18.2-251, *unless the deferral was for proceedings for possession of marijuana pursuant to § 18.2-250.1, or (ii) the next date of eligibility to be licensed, the driver's license, registration card, and license plates of any resident or nonresident on receiving notification of* ~~(i)~~ (a) his conviction, ~~(ii)~~ (b) his having been found guilty in the case of a juvenile, or ~~(iii)~~ (c) the deferral of further proceedings against him under § 18.2-251 for any violation of any provisions of Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2, *unless the proceedings were for possession of marijuana pursuant to § 18.2-250.1, or of any state or federal law or valid county, city or town ordinance, or a law of any other state substantially similar to provisions of such Virginia laws.* Such license revocation shall be in addition to and shall run consecutively with any other license suspension, revocation or forfeiture in effect against such person.

B. Any person whose license has been revoked pursuant to this section and § 18.2-259.1 shall be subject to the provisions of §§ 46.2-370 and 46.2-414 and shall be required to pay a reinstatement fee as provided in § 46.2-411 in order to have his license restored.

**2. That the provisions of this act are contingent upon receipt by the Virginia Department of Transportation of written assurance from the Federal Highway Administration of the U.S. Department of Transportation that Virginia will not lose any federal funds as a result of the implementation of this act.**

*2. The Commission may also prepare, publish, and distribute such other public reports and informational materials as it deems necessary or desirable.*

*C. Annual Independent Audit.*

*An independent annual audit shall be made of the financial accounts of the Commission. The audit shall be made by qualified certified public accountants selected by the Board, who shall have no personal interest, direct or indirect, in the financial affairs of the Commission or any of its officers or employees. 3. *The Commission may borrow up to five percent of its last annual appropriations budget in anticipation of receipts, or as otherwise set forth in the appropriations budget approved by all of the Signatories, from any lawful lending institution for any purpose of this Compact, including, without limitation, for administrative expenses. Such loans shall be for a term not to exceed two years, or at such longer term approved by each Signatory pursuant to its laws as evidenced by the written authorization by the Mayor of the District of Columbia and the Governors of Maryland and Virginia, and at such rates of interest as shall be acceptable to the Commission.*

4. *With respect to the District of Columbia, the commitment or obligation to render financial assistance to the Commission shall be created, by appropriation or in such other manner, or by such other legislation, as the District of Columbia shall determine; provided, that any such commitment or obligation shall be approved by Congress pursuant to the District of Columbia Home Rule Act, approved December 24, 1973 (87 Stat. 774; D.C. Official Code §§ 47-105 and 47-355.01 to 355.08 (collectively, the "Anti-Deficiency Acts"), the District cannot obligate itself to any financial commitment in any present or future year unless the necessary funds to pay that commitment have been appropriated and are lawfully available for the purpose committed. Thus, pursuant to the Anti-Deficiency Acts, nothing in this MSC Compact creates an obligation of the District in anticipation of an appropriation for such purpose, and the District's legal liability for the payment of any amount under this MSC Compact does not and may not arise or obtain in advance of the lawful availability of appropriated funds for the applicable fiscal year.*

*E. Tax Exemption.*

*The exercise of the powers granted by this MSC Compact shall in all respects be for the benefit of the people of the District of Columbia, the Commonwealth of Virginia, and the State of Maryland and for the increase of their safety, commerce, and prosperity, and as the activities associated with this MSC Compact shall constitute the performance of essential governmental functions, the Commission shall not be required to pay any taxes or assessments upon the services or any property acquired or used by the Commission under the provisions of this MSC Compact or upon the income therefrom, and shall at all times be free from taxation within the District of Columbia, the Commonwealth of Virginia, and the State of Maryland.*

1. *WMATA shall have the right to petition the Commission for reconsideration of an order based on rules and procedures developed by the Commission.*

2. *Consistent with subdivision C 2 of Article III, the filing of a petition for reconsideration shall not act as a stay upon the execution of a Commission order, or any part of it, unless the Commission orders otherwise. WMATA may appeal any adverse action on a petition for reconsideration as set forth in subdivision G 1.*

*G. Judicial Matters.*

1. *The United States District Courts for the Eastern District of Virginia, Alexandria Division, the United States District Courts for the District of Maryland, Southern Division, and the United States District Courts for the District of Columbia shall have exclusive and original jurisdiction of all actions brought by or against the Commission and to enforce subpoenas under this MSC Compact.*

Nothing in this paragraph shall be construed to protect such person from suit or liability for damage, loss, injury, or liability caused by the intentional or willful and wanton misconduct of such person.*

2. *The Commission shall be liable for its contracts and for its torts and those of its members, alternate members, officers, agents, employees, and representatives committed in the conduct of any proprietary function, in accordance with the law of the applicable Signatory, including, without limitation, rules on conflict of laws but shall not be liable for any torts occurring in the performance of a governmental function. The exclusive remedy for such breach of contract or tort for which the Commission shall be liable, as herein provided, shall be by suit against the Commission. Nothing contained in this MSC Compact shall be construed as a waiver by the District of Columbia, the Commonwealth of Virginia, or the State of Maryland of any immunity from suit.*

*Each of the Signatories pledges to each other faithful cooperation in providing safety oversight for the WMATA Rail System, and, to affect such purposes, agrees to consider in good faith and request any necessary legislation to achieve the objectives of this MSC Compact.*

*K. Withdrawal and Termination.*

*1. Any Signatory may withdraw from this MSC Compact, which action shall constitute a termination of this MSC Compact.*

*2. Withdrawal from this MSC Compact shall be by a Signatory's repeal of this MSC Compact from its laws, but such repeal shall not take effect until two years after the effective date of the repealed statute and written notice of the withdrawal being given by the withdrawing Signatory to the governors or mayors, as appropriate, of the other Signatories.*

*3. Prior to termination of this MSC Compact, the Commission shall provide to each Signatory:*

- a. A mechanism for concluding the operations of the Commission;*
- b. A proposal to maintain state safety oversight of the WMATA Rail System in compliance with applicable federal law;*
- c. A plan to hold surplus funds in a trust for a successor regulatory entity for four years after the termination of this MSC Compact; and*

*1. This MSC Compact shall be liberally construed to effectuate the purposes for which it is created.*

*2. If any part or provision of this MSC Compact or the application thereof to any person or circumstances be adjudged invalid by any court of competent jurisdiction, such judgment shall be confined in its operation to the part, provision, or application directly involved in the controversy in which such judgment shall have been rendered and shall not affect or impair the validity of the remainder of this MSC Compact or the application thereof to other persons or circumstances, and the Signatories hereby declare that they would have entered into this MSC Compact or the remainder thereof had the invalidity of such provision or application thereof been apparent.*

*M. Adoption; Effective Date.*

*This MSC Compact shall be adopted by the Signatories in the manner provided by law therefor and shall be signed and sealed in four duplicate original copies. One such copy shall be filed with the Secretary of State of the State of Maryland, the Secretary of the Commonwealth of Virginia, and the Secretary of the District of Columbia in accordance with the laws of each jurisdiction. One copy shall be filed and retained in the archives of the Commission upon its organization. This MSC Compact shall become effective upon the enactment of concurring legislation by the District of Columbia, the Commonwealth of Virginia, and the State of Maryland, and consent thereto by Congress and when all other acts or actions have been taken, including, without limitation, the signing and execution of this MSC Compact by the Governors of Maryland and Virginia and the Mayor of the District of Columbia.*

*N. Conflict of Laws.*

*1. Any conflict between any authority granted herein, or the exercise of such authority, and the provisions of the WMATA Compact shall be resolved in favor of the exercise of such authority by the Commission.*

*"Physical credential" means a document issued by an agency of the Commonwealth, another state of the United States, the District of Columbia, the United States, a foreign country, or a political subdivision of a foreign country that is issued in a physical format, such as paper or plastic, and that identifies the holder, identifies a piece of personal property, or grants the holder the permission to do, or to use property to do, an act.*

*"Profile" means an electronic credential created by the Department that displays a different set of data fields than are displayed on the physical credential.*

*"Third-party electronic credential system" means an electronic credential system that is not maintained by the Department or by an agent of the Department on its behalf. "Third-party electronic credential system" may include an electronic wallet.*

*"Verification system" means a computer system operated by the Department or its agent on its behalf that is made available to persons who are presented with electronic credentials for the purpose of verifying the authenticity and validity of electronic credentials issued by the Department or by other government agencies or jurisdictions.*

**§ 46.2-226. Electronic credentials.**

*A. The Department may issue electronic credentials to persons who hold a valid physical credential that the Department is authorized to issue.*

*B. If the Department issues electronic credentials, the credentials shall be issued in addition to, and not instead of, the underlying physical credentials for which a person is eligible. No electronic credential shall be issued unless the applicant holds the corresponding physical credential. Such electronic credentials shall be issued to an electronic credential system.*

The basis for this determination shall be documented in writing.

D. Construction may be procured only by competitive sealed bidding, except that competitive negotiation may be used in the following instances ~~upon a determination made in advance by the public body and set forth in writing that competitive sealed bidding is either not practicable or not fiscally advantageous to the public, which writing shall document the basis for this determination:~~

1. ~~By the Commonwealth, its departments, agencies and institutions any public body on a fixed price design-build basis or construction management basis under § 2.2-4306 as provided in Chapter 43.1 (§ 2.2-4378 et seq.); or~~

E. Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. The writing shall document the basis for this determination. The public body shall issue a written notice stating that only one source was determined to be practicably available, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted on the Department of General Services' central electronic procurement website or other appropriate websites, and in addition, public bodies may publish in a newspaper of general circulation on the day the public body awards or announces its decision to award the contract, whichever occurs first. Posting on the Department of General Services' central electronic procurement website shall be required of any state public body. Local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities.

Local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities.

G. A public body may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for:

1. Goods and services other than professional services and non-transportation-related construction, if the aggregate or the sum of all phases is not expected to exceed \$100,000; and

2. Transportation-related construction, if the aggregate or sum of all phases is not expected to exceed \$25,000.

However, such small purchase procedures shall provide for competition wherever practicable.

Such purchase procedures may allow for single or term contracts for professional services without requiring competitive negotiation, provided the aggregate or the sum of all phases is not expected to exceed \$60,000.

Where small purchase procedures are adopted for construction, the procedures shall not waive compliance with the Uniform State Building Code.

For state public bodies, purchases under this subsection that are expected to exceed \$30,000 shall require the (a) written informal solicitation of a minimum of four bidders or offerors and (b) posting of a public notice on the Department of General Services' central electronic procurement website or other appropriate websites. Purchase of information technology and telecommunications goods and nonprofessional services from a public auction sale shall be permitted by any authority, department, agency, or institution of the Commonwealth if approved by the Chief Information Officer of the Commonwealth. The writing shall document the

basis for this determination. However, bulk purchases of commodities used in road and highway construction and maintenance, and aggregates shall not be made by online public auctions.

I. The purchase of goods or nonprofessional services, but not construction or professional services, may be made by reverse auctioning. However, bulk purchases of commodities used in road and highway construction and maintenance, and aggregates shall not be made by reverse auctioning.

**§ 2.2-4305. Competitive procurement by localities on state-aid projects.**

No contract for the construction of any building or for an addition to or improvement of an existing building by any local governing body or subdivision thereof for which state funds of not more than \$50,000 in the aggregate or for the sum of all phases of a contract or project either by appropriation, grant-in-aid or loan, are used or are to be used for all or part of the cost of construction shall be let except after competitive sealed bidding or after competitive negotiation as provided under subsection D of § 2.2-4303 or *Chapter 43.1* (§ 2.2-4378 *et seq.*). **§ 33.2-209. Construction and maintenance contracts and activities related to passenger and freight rail and public transportation.**

A. The Board shall have the power and duty to let all contracts to be administered by the Department of Transportation or the Department of Rail and Public Transportation for the construction, maintenance, and improvement of the highways comprising systems of state highways and for all activities related to passenger and freight rail and public transportation in excess of \$5 million. The Commissioner of Highways has authority to let all Department of Transportation-administered contracts for highway construction, maintenance, and improvements up to \$5 million in value. The Director of the Department of Rail and Public Transportation has the authority to let contracts for passenger and freight rail and public transportation improvements up to \$5 million in value. The Commissioner of Highways is authorized to enter into agreements with localities, authorities, and transportation districts to administer projects and to allow those localities, authorities, and transportation districts to let contracts with no limit on contract value and without prior concurrence of the Commissioner of Highways or the Board for highway construction, maintenance, and improvements within their jurisdictions, in accordance with those provisions of this Code providing those localities, authorities, and transportation districts the ability to let such contracts. The Director of the Department of Rail and Public Transportation is authorized to enter into agreements with localities, authorities, and transportation districts to administer projects and to allow those localities, authorities, and transportation districts to let contracts with no limit on contract value and without prior concurrence of the Director of the Department of Rail and Public Transportation or the Board for passenger and freight rail and public transportation activities within their jurisdictions, in accordance with those provisions of this Code providing those localities, authorities, and transportation districts the ability to let such contracts. The Commissioner of Highways and

the Director of the Department of Rail and Public Transportation shall report on their respective transportation contracting activities at least quarterly to the Board.

B. The Board may award contracts for the construction of transportation projects on a design-build basis. These contracts may be awarded after a written determination is made by the Commissioner of Highways or the Director of the Department of Rail and Public Transportation, pursuant to objective criteria previously adopted by the Board regarding the use of design-build, that delivery of the projects must be expedited and that it is not in the public interest to comply with the design and construction contracting procedures normally followed. Such objective criteria shall include requirements for prequalification of contractors and competitive bidding processes. These contracts shall be of such size and scope to encourage maximum competition and participation by agency prequalified and otherwise qualified contractors. Such determination shall be retained for public inspection in the official records of the Department of Transportation or the Department of Rail and Public Transportation, as the case may be, and shall include a description of the nature and scope of the project and the reasons for the Commissioner's or the Director's determination that awarding a design-build contract will best serve the public interest. A Request for Proposal for transportation projects to be delivered on a design-build basis pursuant to this section may allow for the submission and consideration of alternative technical concepts in accordance with the procedures set forth in such Request for Proposal. The provisions of this section shall supersede contrary provisions of subsection D of § 2.2-4303 and § 2.2-4306.

For the purposes of this subsection, "alternative technical concepts" means proposed changes to agency-supplied base design configurations, project scope, design, or construction criteria that provide a solution that is equal to or better than the requirements in the Request for Proposal.

C. The Board may award contracts for the provision of equipment, materials, and supplies to be used in construction of transportation projects on a fixed-price basis. Any such contract may provide that the price to be paid for the provision of equipment, materials, and supplies to be furnished in connection with the projects shall not be increased but shall remain fixed until completion of the projects specified in the contracts. Material components of any such contract for annual and multiyear programs, including maintenance, may be fixed at the outset of the projects and until completion based on best achievable prices.

**2. That §§ 2.2-4306, 2.2-4307, and 2.2-4308 of the Code of Virginia are repealed.**

**3. That the provisions of § 2.2-4383 of the Code of Virginia, as created by this act, shall apply to projects for which a public body as defined in this act has issued a Request for Qualifications on or after July 1, 2017.**

## CHAPTER 700

*An Act to amend and reenact §§ 46.2-301 and 46.2-395 of the Code of Virginia, relating to driving on a suspended or revoked license; period of suspension.*

[H 2467]

Approved March 24, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 46.2-301 and 46.2-395 of the Code of Virginia are amended and reenacted as follows:**

**§ 46.2-301. Driving while license, permit, or privilege to drive suspended or revoked.**

A. In addition to any other penalty provided by this section, any motor vehicle administratively impounded or immobilized under the provisions of § 46.2-301.1 may, in the discretion of the court, be impounded or immobilized for an additional period of up to 90 days upon conviction of an offender for driving while his driver's license, learner's permit, or privilege to drive a motor vehicle has been suspended or revoked for (i) a violation of § 18.2-36.1, 18.2-51.4, 18.2-266, 18.2-272, or 46.2-341.24 or a substantially similar ordinance or law in any other jurisdiction or (ii) driving after adjudication as an habitual offender, where such adjudication was based in whole or in part on an alcohol-related offense, or where such person's license has been administratively suspended under the provisions of § 46.2-391.2. However, if, at the time of the violation, the offender was driving a motor vehicle owned by another person, the court shall have no jurisdiction over such motor vehicle but may order the impoundment or immobilization of a motor vehicle owned solely by the offender at the time of arrest. All costs of impoundment or immobilization, including removal or storage expenses, shall be paid by the offender prior to the release of his motor vehicle.

B. Except as provided in §§ 46.2-304 and 46.2-357, no resident or nonresident (i) whose driver's license, learner's permit, or privilege to drive a motor vehicle has been suspended or revoked or (ii) who has been directed not to drive by any court or by the Commissioner, or (iii) who has been forbidden, as prescribed by operation of any statute of the Commonwealth or a substantially similar ordinance of any county, city or town, to operate a motor vehicle in the Commonwealth shall thereafter drive any motor vehicle or any self-propelled machinery or equipment on any highway in the Commonwealth until the period of such suspension or revocation has terminated or the privilege has been reinstated or a restricted license is issued pursuant to subsection E. A clerk's notice of suspension of license for failure to pay fines or costs given in accordance with § 46.2-395 shall be sufficient notice for the purpose of maintaining a conviction under this section. For the purposes of this section, the phrase "motor vehicle or any self-propelled machinery or equipment" shall not include mopeds.

C. A violation of subsection B is a Class 1 misdemeanor. A third or subsequent offense occurring within a 10-year period shall include a mandatory minimum term of confinement in jail of 10 days. However, the court shall not be required

to impose a mandatory minimum term of confinement in any case where a motor vehicle is operated in violation of this section in a situation of apparent extreme emergency which requires such operation to save life or limb.

D. Upon a violation of subsection B, the court shall suspend the person's license or privilege to drive a motor vehicle for the same period for which it had been previously suspended or revoked. In the event the person violated subsection B by driving during a period of suspension or revocation which was not for a definite period of time, the court shall suspend the person's license, permit or privilege to drive for an additional period not to exceed 90 days, to commence upon the expiration of the previous suspension or revocation or to commence immediately if the previous suspension or revocation has expired; *however, in the event that the person violated subsection B by driving during a period of suspension imposed pursuant to § 46.2-395, the additional 90-day suspension imposed pursuant to this subsection shall run concurrently with the suspension imposed pursuant to § 46.2-395 in accordance with subsection F of § 46.2-395.*

E. Any person who is otherwise eligible for a restricted license may petition each court that suspended his license pursuant to subsection D for authorization for a restricted license, provided that the period of time for which the license was suspended by the court pursuant to subsection D, if measured from the date of conviction, has expired, even though the suspension itself has not expired. A court may, for good cause shown, authorize the Department of Motor Vehicles to issue a restricted license for any of the purposes set forth in subsection E of § 18.2-271.1. No restricted license shall be issued unless each court that issued a suspension of the person's license pursuant to subsection D authorizes the Department to issue a restricted license. Any restricted license issued pursuant to this subsection shall be in effect until the expiration of any and all suspensions issued pursuant to subsection D, except that it shall automatically terminate upon the expiration, cancellation, suspension, or revocation of the person's license or privilege to drive for any other cause. No restricted license issued pursuant to this subsection shall permit a person to operate a commercial motor vehicle as defined in the Commercial Driver's License Act (§ 46.2-341.1 et seq.). The court shall forward to the Commissioner a copy of its authorization entered pursuant to this subsection, which shall specifically enumerate the restrictions imposed and contain such information regarding the person to whom such a license is issued as is reasonably necessary to identify the person. The court shall also provide a copy of its authorization to the person, who may not operate a motor vehicle until receipt from the Commissioner of a restricted license. A copy of the restricted license issued by the Commissioner shall be carried at all times while operating a motor vehicle.

F. Any person who operates a motor vehicle or any self-propelled machinery or equipment in violation of the terms of a restricted license issued pursuant to subsection E of § 18.2-271.1 is not guilty of a violation of this section but is guilty of a violation of § 18.2-272.

**§ 46.2-395. Suspension of license for failure or refusal to pay fines or costs.**

A. Any person, whether licensed by Virginia or not, who drives a motor vehicle on the highways in the Commonwealth shall thereby, as a condition of such driving, consent to pay all lawful fines, court costs, forfeitures, restitution, and penalties assessed against him for violations of the laws of the Commonwealth; of any county, city, or town; or of the United States. For the purpose of this section, such fines and costs shall be deemed to include any fee assessed by the court under the provisions of § 18.2-271.1 for entry by a person convicted of a violation of § 18.2-51.4 or 18.2-266 into an alcohol safety action program.

B. In addition to any penalty provided by law and subject to the limitations on collection under §§ 19.2-340 and 19.2-341, when any person is convicted of any violation of the law of the Commonwealth or of the United States or of any valid local ordinance and fails or refuses to provide for immediate payment in full of any fine, costs, forfeitures, restitution, or penalty lawfully assessed against him, or fails to make deferred payments or installment payments as ordered by the court, the court shall forthwith suspend the person's privilege to drive a motor vehicle on the highways in the Commonwealth. The driver's license of the person shall continue suspended until the fine, costs, forfeiture, restitution, or penalty has been paid in full. However, if the defendant, after having his license suspended, pays the reinstatement fee to the Department of Motor Vehicles and enters into an agreement under § 19.2-354 that is acceptable to the court to make deferred payments or installment payments of unpaid fines, costs, forfeitures, restitution, or penalties as ordered by the court, the defendant's driver's license shall thereby be restored. If the person has not obtained a license as provided in this chapter, or is a nonresident, the court may direct in the judgment of conviction that the person shall not drive any motor vehicle in Virginia for a period to coincide with the nonpayment of the amounts due.

C. Before transmitting to the Commissioner a record of the person's failure or refusal to pay all or part of any fine, costs, forfeiture, restitution, or penalty or a failure to comply with an order issued pursuant to § 19.2-354, the clerk of the court that convicted the person shall provide or cause to be sent to the person written notice of the suspension of his license or privilege to drive a motor vehicle in Virginia, effective 30 days from the date of conviction, if the fine, costs, forfeiture, restitution, or penalty is not paid prior to the effective date of the suspension as stated on the notice. Notice shall be provided to the person at the time of trial or shall be mailed by first-class mail to the address certified on the summons or bail recognizance document as the person's current mailing address, or to such mailing address as the person has subsequently provided to the court as a change of address. If so mailed on the date of conviction or within five business days thereof, or if delivered to the person at the time of trial, such notice shall be adequate notice of the license suspension and of the person's ability to avoid suspension by paying the fine, costs, forfeiture, restitution, or penalty prior to the effective date. No other notice shall be required to make the suspension effective. A record of the person's failure or refusal and of the license suspension shall be sent to the Commissioner if the fine, costs, forfeiture, restitution, or penalty remains unpaid on the effective date of the suspension specified in the notice or on the failure to make a scheduled payment.

C1. Whenever a person provides for payment of a fine, costs, forfeiture, restitution or penalty other than by cash and such provision for payment fails, the clerk of the court that convicted the person shall cause to be sent to the person written notice of the failure and of the suspension of his license or privilege to drive in Virginia. The license suspension shall be effective 10 days from the date of the notice. The notice shall be effective notice of the suspension and of the person's ability to avoid the suspension by paying the full amount owed by cash, cashier's check or certified check prior to the effective date of the suspension if the notice is mailed by first class mail to the address provided by the person to the court pursuant to subsection C or § 19.2-354. Upon such a failure of payment and notice, the fine, costs, forfeiture, restitution or penalty due shall be paid only in cash, cashier's check or certified check, unless otherwise ordered by the court, for good cause shown.

D. If the person pays the amounts assessed against him subsequent to the time the suspended license has been transmitted to the Department, and his license is not under suspension or revocation for any other lawful reason, except pursuant to this section, then the Commissioner shall return the license to the person on presentation of the official report of the court evidencing the payment of the fine, costs, forfeiture, restitution, or penalty.

E. Any person otherwise eligible for a restricted license may petition each court that suspended his license pursuant to this section for authorization for a restricted license. A court may, upon written verification of employment and for good cause shown, authorize the Department of Motor Vehicles to issue a restricted license to operate a motor vehicle for any of the purposes set forth in subsection E of § 18.2-271.1. No restricted license may be issued unless each court which suspended the person's license pursuant to this section provides authorization for a restricted license. Such restricted license shall not be issued for more than a six-month period. No restricted license issued pursuant to this subsection shall permit a person to operate a commercial motor vehicle as defined in the Commercial Driver's License Act (§ 46.2-341.1 et seq.).

The court shall forward to the Commissioner a copy of its authorization entered pursuant to this section, which shall specifically enumerate the restrictions imposed and contain such information regarding the person to whom such a license is issued as is reasonably necessary to identify the person. The court shall also provide a copy of its authorization to the person, who may not operate a motor vehicle until receipt from the Commissioner of a restricted license. A copy of the restricted license issued by the Commissioner shall be carried at all times while operating a motor vehicle. Any person who operates a motor vehicle in violation of any restrictions imposed pursuant to this section shall be punished as provided in subsection C of § 46.2-301.

*F. Notwithstanding any other provision of law imposing a license suspension, revocation, or forfeiture against a person whose license is suspended pursuant to this section, the period of suspension imposed under this section shall run concurrently with any other license suspension, revocation, or forfeiture imposed.*

## CHAPTER 701

*An Act to amend and reenact § 18.2-271.1 of the Code of Virginia, relating to the issuance of a restricted driver's license for traveling to a job interview.*

[S 817]

Approved March 24, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That § 18.2-271.1 of the Code of Virginia is amended and reenacted as follows:**

**§ 18.2-271.1. Probation, education, and rehabilitation of person charged or convicted; person convicted under law of another state or federal law.**

A. Any person convicted of a first or second offense of § 18.2-266, or any ordinance of a county, city, or town similar to the provisions thereof, or provisions of subsection A of § 46.2-341.24, shall be required by court order, as a condition of probation or otherwise, to enter into and successfully complete an alcohol safety action program in the judicial district in which such charge is brought or in any other judicial district upon such terms and conditions as the court may set forth. However, upon motion of a person convicted of any such offense following an assessment of the person conducted by an alcohol safety action program, the court, for good cause, may decline to order participation in such a program if the assessment by the alcohol safety action program indicates that intervention is not appropriate for such person. In no event shall such persons be permitted to enter any such program which is not certified as meeting minimum standards and criteria established by the Commission on the Virginia Alcohol Safety Action Program (VASAP) pursuant to this section and to § 18.2-271.2. However, any person charged with a violation of a first or second offense of § 18.2-266, or any ordinance of a county, city, or town similar to the provisions thereof, or provisions of subsection A of § 46.2-341.24, may, at any time prior to trial, enter into an alcohol safety action program in the judicial district in which such charge is brought or in any other judicial district. Any person who enters into such program prior to trial may pre-qualify with the program to have an ignition interlock system installed on any motor vehicle owned or operated by him. However, no ignition interlock company shall install an ignition interlock system on any such vehicle until a court issues to the person a restricted license with the ignition interlock restriction.

B. The court shall require the person entering such program under the provisions of this section to pay a fee of no less than \$250 but no more than \$300. A reasonable portion of such fee, as may be determined by the Commission on VASAP, but not to exceed 10 percent, shall be forwarded monthly to be deposited with the State Treasurer for expenditure by the Commission on VASAP, and the balance shall be held in a separate fund for local administration of driver alcohol

rehabilitation programs. Upon a positive finding that the defendant is indigent, the court may reduce or waive the fee. In addition to the costs of the proceeding, fees as may reasonably be required of defendants referred for intervention under any such program may be charged.

C. Upon conviction of a violation of § 18.2-266 or any ordinance of a county, city or town similar to the provisions thereof, or subsection A of § 46.2-341.24, the court shall impose the sentence authorized by § 18.2-270 or 46.2-341.28 and the license revocation as authorized by § 18.2-271. In addition, if the conviction was for a second offense committed within less than 10 years after a first such offense, the court shall order that restoration of the person's license to drive be conditioned upon the installation of an ignition interlock system on each motor vehicle, as defined in § 46.2-100, owned by or registered to the person, in whole or in part, for a period of six months beginning at the end of the three year license revocation, unless such a system has already been installed for six months prior to that time pursuant to a restricted license order under subsection E of this section. Upon a finding that a person so convicted is required to participate in the program described herein, the court shall enter the conviction on the warrant, and shall note that the person so convicted has been referred to such program. The court may then proceed to issue an order in accordance with subsection E of this section, if the court finds that the person so convicted is eligible for a restricted license. If the court finds good cause for a person not to participate in such program or subsequently that such person has violated, without good cause, any of the conditions set forth by the court in entering the program, the court shall dispose of the case as if no program had been entered, in which event the revocation provisions of § 46.2-389 and subsection A of § 46.2-391 shall be applicable to the conviction. The court shall, upon final disposition of the case, send a copy of its order to the Commissioner of the Department of Motor Vehicles. If such order provides for the issuance of a restricted license, the Commissioner of the Department of Motor Vehicles, upon receipt thereof, shall issue a restricted license. Appeals from any such disposition shall be allowed as provided by law. The time within which an appeal may be taken shall be calculated from the date of the final disposition of the case or any motion for rehearing, whichever is later.

D. Any person who has been convicted under the law of another state or the United States of an offense substantially similar to the provisions of § 18.2-266 or subsection A of § 46.2-341.24, and whose privilege to operate a motor vehicle in this Commonwealth is subject to revocation under the provisions of § 46.2-389 and subsection A of § 46.2-391, may petition the general district court of the county or city in which he resides that he be given probation and assigned to a program as provided in subsection A of this section and that, upon entry into such program, he be issued an order in accordance with subsection E of this section. If the court finds that such person would have qualified therefor if he had been convicted in this Commonwealth of a violation of § 18.2-266 or subsection A of § 46.2-341.24, the court may grant the petition and may issue an order in accordance with subsection E of this section as to the period of license suspension or revocation imposed pursuant to § 46.2-389 or subsection A of § 46.2-391. The court shall, as a condition of a restricted license, prohibit such person from operating a motor vehicle that is not equipped with a functioning certified ignition interlock system for a period of time not to exceed the period of license suspension and restriction, not less than six consecutive months without alcohol-related violations of interlock requirements. Such order shall be conditioned upon the successful completion of a program by the petitioner. If the court subsequently finds that such person has violated any of the conditions set forth by the court, the court shall dispose of the case as if no program had been entered and shall notify the Commissioner, who shall revoke the person's license in accordance with the provisions of § 46.2-389 or subsection A of § 46.2-391. A copy of the order granting the petition or subsequently revoking or suspending such person's license to operate a motor vehicle shall be forthwith sent to the Commissioner of the Department of Motor Vehicles.

No period of license suspension or revocation shall be imposed pursuant to this subsection which, when considered together with any period of license suspension or revocation previously imposed for the same offense under the law of another state or the United States, results in such person's license being suspended for a period in excess of the maximum periods specified in this subsection.

E. Except as otherwise provided herein, whenever a person enters a certified program pursuant to this section, and such person's license to operate a motor vehicle, engine or train in the Commonwealth has been suspended or revoked, the court may, in its discretion and for good cause shown, provide that such person be issued a restricted permit to operate a motor vehicle for any of the following purposes: (i) travel to and from his place of employment; (ii) travel to and from an alcohol rehabilitation or safety action program; (iii) travel during the hours of such person's employment if the operation of a motor vehicle is a necessary incident of such employment; (iv) travel to and from school if such person is a student, upon proper written verification to the court that such person is enrolled in a continuing program of education; (v) travel for health care services, including medically necessary transportation of an elderly parent or, as designated by the court, any person residing in the person's household with a serious medical problem upon written verification of need by a licensed health professional; (vi) travel necessary to transport a minor child under the care of such person to and from school, day care, and facilities housing medical service providers; (vii) travel to and from court-ordered visitation with a child of such person; (viii) travel to a screening, evaluation and education program entered pursuant to § 18.2-251 or subsection H of § 18.2-258.1; (ix) travel to and from court appearances in which he is a subpoenaed witness or a party and appointments with his probation officer and to and from any programs required by the court or as a condition of probation; (x) travel to and from a place of religious worship one day per week at a specified time and place; (xi) travel to and from appointments approved by the Division of Child Support Enforcement of the Department of Social Services as a requirement of participation in an administrative or court-ordered intensive case monitoring program for child support for which the participant maintains written proof of the appointment, including written proof of the date and time of the appointment, on

his person; (xii) travel to and from jail to serve a sentence when such person has been convicted and sentenced to confinement in jail and pursuant to § 53.1-131.1 the time to be served is on weekends or nonconsecutive days; ~~or~~ (xiii) travel to and from the facility that installed or monitors the ignition interlock in the person's vehicle; *or (xiv) travel to and from a job interview for which he maintains on his person written proof from the prospective employer of the date, time, and location of the job interview.* No restricted license issued pursuant to this subsection shall permit any person to operate a commercial motor vehicle as defined in the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). The court shall order the surrender of such person's license to operate a motor vehicle to be disposed of in accordance with the provisions of § 46.2-398 and shall forward to the Commissioner of the Department of Motor Vehicles a copy of its order entered pursuant to this subsection, which shall specifically enumerate the restrictions imposed and contain such information regarding the person to whom such a permit is issued as is reasonably necessary to identify such person. The court shall also provide a copy of its order to the person so convicted who may operate a motor vehicle on the order until receipt from the Commissioner of the Department of Motor Vehicles of a restricted license, if the order provides for a restricted license for that time period. A copy of such order and, after receipt thereof, the restricted license shall be carried at all times while operating a motor vehicle. Any person who operates a motor vehicle in violation of any restrictions imposed pursuant to this section shall be guilty of a violation of § 18.2-272. Such restricted license shall be conditioned upon enrollment within 15 days in, and successful completion of, a program as described in subsection A of this section. No restricted license shall be issued during the first four months of a revocation imposed pursuant to subsection B of § 18.2-271 or subsection A of § 46.2-391 for a second offense of the type described therein committed within 10 years of a first such offense. No restricted license shall be issued during the first year of a revocation imposed pursuant to subsection B of § 18.2-271 or subsection A of § 46.2-391 for a second offense of the type described therein committed within five years of a first such offense. No restricted license shall be issued during any revocation period imposed pursuant to subsection C of § 18.2-271 or subsection B of § 46.2-391. Notwithstanding the provisions of § 46.2-411, the fee charged pursuant to § 46.2-411 for reinstatement of the driver's license of any person whose privilege or license has been suspended or revoked as a result of a violation of § 18.2-266, subsection A of § 46.2-341.24 or of any ordinance of a county, city or town, or of any federal law or the laws of any other state similar to the provisions of § 18.2-266 or subsection A of § 46.2-341.24 shall be \$105. Forty dollars of such reinstatement fee shall be retained by the Department of Motor Vehicles as provided in § 46.2-411, \$40 shall be transferred to the Commission on VASAP, and \$25 shall be transferred to the Commonwealth Neurotrauma Initiative Trust Fund.

F. The court shall have jurisdiction over any person entering such program under any provision of this section until such time as the case has been disposed of by either successful completion of the program, or revocation due to ineligibility or violation of a condition or conditions imposed by the court, whichever shall first occur. Revocation proceedings shall be commenced by notice to show cause why the court should not revoke the privilege afforded by this section. Such notice shall be made by first-class mail to the last known address of such person, and shall direct such person to appear before the court in response thereto on a date contained in such notice, which shall not be less than 10 days from the date of mailing of the notice. Failure to appear in response to such notice shall of itself be grounds for revocation of such privilege. Notice of revocation under this subsection shall be sent forthwith to the Commissioner of the Department of Motor Vehicles.

G. For the purposes of this section, any court which has convicted a person of a violation of § 18.2-266, subsection A of § 46.2-341.24 or any ordinance of a county, city or town similar to the provisions of § 18.2-266 shall have continuing jurisdiction over such person during any period of license revocation related to that conviction, for the limited purposes of (i) referring such person to a certified alcohol safety action program, (ii) providing for a restricted permit for such person in accordance with the provisions of subsection E, and (iii) imposing terms, conditions and limitations for actions taken pursuant to clauses (i) and (ii), whether or not it took either such action at the time of the conviction. This continuing jurisdiction is subject to the limitations of subsection E that provide that no restricted license shall be issued during a revocation imposed pursuant to subsection C of § 18.2-271 or subsection B of § 46.2-391 or during the first four months or first year, whichever is applicable, of the revocation imposed pursuant to subsection B of § 18.2-271 or subsection A of § 46.2-391. The provisions of this subsection shall apply to a person convicted of a violation of § 18.2-266, subsection A of § 46.2-341.24 or any ordinance of a county, city or town similar to the provisions of § 18.2-266 on, after and at any time prior to July 1, 2003.

H. The State Treasurer, the Commission on VASAP or any city or county is authorized to accept any gifts or bequests of money or property, and any grant, loan, service, payment or property from any source, including the federal government, for the purpose of driver alcohol education. Any such gifts, bequests, grants, loans or payments shall be deposited in the separate fund provided in subsection B.

I. The Commission on VASAP, or any county, city, town, or any combination thereof may establish and, if established, shall operate, in accordance with the standards and criteria required by this subsection, alcohol safety action programs in connection with highway safety. Each such program shall operate under the direction of a local independent policy board chosen in accordance with procedures approved and promulgated by the Commission on VASAP. Local sitting or retired district court judges who regularly hear or heard cases involving driving under the influence and are familiar with their local alcohol safety action programs may serve on such boards. The Commission on VASAP shall establish minimum standards and criteria for the implementation and operation of such programs and shall establish procedures to certify all such programs to ensure that they meet the minimum standards and criteria stipulated by the Commission. The Commission shall also establish criteria for the administration of such programs for public information activities, for accounting procedures,

for the auditing requirements of such programs and for the allocation of funds. Funds paid to the Commonwealth hereunder shall be utilized in the discretion of the Commission on VASAP to offset the costs of state programs and local programs run in conjunction with any county, city or town and costs incurred by the Commission. The Commission shall submit an annual report as to actions taken at the close of each calendar year to the Governor and the General Assembly.

J. Notwithstanding any other provisions of this section or of § 18.2-271, nothing in this section shall permit the court to suspend, reduce, limit, or otherwise modify any disqualification from operating a commercial motor vehicle imposed under the provisions of the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.).

### CHAPTER 703

*An Act to amend and reenact §§ 18.2-251, 18.2-259.1, and 46.2-390.1 of the Code of Virginia, relating to marijuana offenses; driver's license forfeiture.*

[S 1091]

Approved March 24, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 18.2-251, 18.2-259.1, and 46.2-390.1 of the Code of Virginia are amended and reenacted as follows:**

**§ 18.2-251. Persons charged with first offense may be placed on probation; conditions; substance abuse screening, assessment treatment and education programs or services; drug tests; costs and fees; violations; discharge.**

Whenever any person who has not previously been convicted of any offense under this article or under any statute of the United States or of any state relating to narcotic drugs, marijuana, or stimulant, depressant, or hallucinogenic drugs, or has not previously had a proceeding against him for violation of such an offense dismissed as provided in this section, pleads guilty to or enters a plea of not guilty to possession of a controlled substance under § 18.2-250 or to possession of marijuana under § 18.2-250.1, the court, upon such plea if the facts found by the court would justify a finding of guilt, without entering a judgment of guilt and with the consent of the accused, may defer further proceedings and place him on probation upon terms and conditions.

As a term or condition, the court shall require the accused to undergo a substance abuse assessment pursuant to § 18.2-251.01 or 19.2-299.2, as appropriate, and enter treatment and/or education program or services, if available, such as, in the opinion of the court, may be best suited to the needs of the accused based upon consideration of the substance abuse assessment. The program or services may be located in the judicial district in which the charge is brought or in any other judicial district as the court may provide. The services shall be provided by (i) a program licensed by the Department of Behavioral Health and Developmental Services, by a similar program which is made available through the Department of Corrections, (ii) a local community-based probation services agency established pursuant to § 9.1-174, or (iii) an ASAP program certified by the Commission on VASAP.

The court shall require the person entering such program under the provisions of this section to pay all or part of the costs of the program, including the costs of the screening, assessment, testing, and treatment, based upon the accused's ability to pay unless the person is determined by the court to be indigent.

As a condition of probation, the court shall require the accused ~~(i)~~ (a) to successfully complete treatment or education program or services, ~~(ii)~~ (b) to remain drug and alcohol free during the period of probation and submit to such tests during that period as may be necessary and appropriate to determine if the accused is drug and alcohol free, ~~(iii)~~ (c) to make reasonable efforts to secure and maintain employment, and ~~(iv)~~ (d) to comply with a plan of at least 100 hours of community service for a felony and up to 24 hours of community service for a misdemeanor. *In addition to any community service required by the court pursuant to clause (d), if the court does not suspend or revoke the accused's license as a term or condition of probation for a violation of § 18.2-250.1, the court shall require the accused to comply with a plan of 50 hours of community service.* Such testing shall be conducted by personnel of the supervising probation agency or personnel of any program or agency approved by the supervising probation agency.

The court shall, unless done at arrest, order the accused to report to the original arresting law-enforcement agency to submit to fingerprinting.

Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge the person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without adjudication of guilt and is a conviction only for the purposes of applying this section in subsequent proceedings.

Notwithstanding any other provision of this section, whenever a court places an individual on probation upon terms and conditions pursuant to this section, such action shall be treated as a conviction for purposes of §§ 18.2-259.1, 22.1-315, and 46.2-390.1, and the driver's license forfeiture provisions of those sections shall be imposed. *However, if the court places an individual on probation upon terms and conditions for a violation of § 18.2-250.1, such action shall not be treated as a conviction for purposes of § 18.2-259.1 or 46.2-390.1, provided that a court (1) may suspend or revoke an individual's*

driver's license as a term or condition of probation and (2) shall suspend or revoke an individual's driver's license as a term or condition of probation for a period of six months if the violation of § 18.2-250.1 was committed while such person was in operation of a motor vehicle. The provisions of this paragraph shall not be applicable to any offense for which a juvenile has had his license suspended or denied pursuant to § 16.1-278.9 for the same offense.

**§ 18.2-259.1. Forfeiture of driver's license for violations of article.**

A. In addition to any other sanction or penalty imposed for a violation of this article, the (i) judgment of conviction under this article or (ii) placement on probation following deferral of further proceedings under § 18.2-251, *except if the proceeding was for possession of marijuana pursuant to § 18.2-250.1*, or subsection H of § 18.2-258.1 for any such offense shall of itself operate to deprive the person so convicted or placed on probation after deferral of proceedings under § 18.2-251 or subsection H of § 18.2-258.1 of the privilege to drive or operate a motor vehicle, engine, or train in the Commonwealth for a period of six months from the date of such judgment or placement on probation. Such license forfeiture shall be in addition to and shall run consecutively with any other license suspension, revocation or forfeiture in effect or imposed upon the person so convicted or placed on probation. However, a juvenile who has had his license suspended or denied pursuant to § 16.1-278.9 shall not have his license forfeited pursuant to this section for the same offense.

B. The court trying the case shall order any person so convicted or placed on probation to surrender his driver's license to be disposed of in accordance with the provisions of § 46.2-398 and shall notify the Department of Motor Vehicles of any such conviction entered and of the license forfeiture to be imposed.

C. In those cases where the court determines there are compelling circumstances warranting an exception, the court may provide that any individual be issued a restricted license to operate a motor vehicle for any of the purposes set forth in subsection E of § 18.2-271.1. No restricted license issued pursuant to this subsection shall permit any person to operate a commercial motor vehicle as defined in the Virginia Commercial Driver's License Act (§ 46.2-341.1 et seq.). The court shall order the surrender of such person's license in accordance with the provisions of subsection B and shall forward to the Commissioner of the Department of Motor Vehicles a copy of its order entered pursuant to this subsection. This order shall specifically enumerate the restrictions imposed and contain such information regarding the person to whom such a permit is issued as is reasonably necessary to identify such person. The court shall also provide a copy of its order to such person who may operate a motor vehicle on the order until receipt from the Commissioner of the Department of Motor Vehicles of a restricted license, but only if the order provides for a restricted license for that period. A copy of the order and, after receipt thereof, the restricted license shall be carried at all times by such person while operating a motor vehicle. The court may require a person issued a restricted permit under the provisions of this subsection to be monitored by an alcohol safety action program during the period of license suspension. Any violation of the terms of the restricted license or of any condition set forth by the court related thereto, or any failure to remain drug-free during such period shall be reported forthwith to the court by such program. Any person who operates a motor vehicle in violation of any restriction imposed pursuant to this section shall be guilty of a violation of § 46.2-301.

**§ 46.2-390.1. Required revocation for conviction of drug offenses or deferral of proceedings.**

A. Except as otherwise ordered pursuant to § 18.2-259.1, the Commissioner shall forthwith revoke, and not thereafter reissue for six months from the later of (i) the date of conviction or deferral of proceedings under § 18.2-251, *unless the deferral was for proceedings for possession of marijuana pursuant to § 18.2-250.1*, or (ii) the next date of eligibility to be licensed, the driver's license, registration card, and license plates of any resident or nonresident on receiving notification of ~~(i)~~ (a) his conviction, ~~(ii)~~ (b) his having been found guilty in the case of a juvenile, or ~~(iii)~~ (c) the deferral of further proceedings against him under § 18.2-251 for any violation of any provisions of Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2, *unless the proceedings were for possession of marijuana pursuant to § 18.2-250.1*, or of any state or federal law or valid county, city or town ordinance, or a law of any other state substantially similar to provisions of such Virginia laws. Such license revocation shall be in addition to and shall run consecutively with any other license suspension, revocation or forfeiture in effect against such person.

B. Any person whose license has been revoked pursuant to this section and § 18.2-259.1 shall be subject to the provisions of §§ 46.2-370 and 46.2-414 and shall be required to pay a reinstatement fee as provided in § 46.2-411 in order to have his license restored.

**2. That the provisions of this act are contingent upon receipt by the Virginia Department of Transportation of written assurance from the Federal Highway Administration of the U.S. Department of Transportation that Virginia will not lose any federal funds as a result of the implementation of this act.**

**CHAPTER 704**

The basis for this determination shall be documented in writing.

D. Construction may be procured only by competitive sealed bidding, except that competitive negotiation may be used in the following instances ~~upon a determination made in advance by the public body and set forth in writing that competitive sealed bidding is either not practicable or not fiscally advantageous to the public, which writing shall document the basis for this determination:~~

4. ~~As otherwise provided in § 2.2-4308.~~

E. Upon a determination in writing that there is only one source practicably available for that which is to be procured, a contract may be negotiated and awarded to that source without competitive sealed bidding or competitive negotiation. The writing shall document the basis for this determination. The public body shall issue a written notice stating that only one source was determined to be practicably available, and identifying that which is being procured, the contractor selected, and the date on which the contract was or will be awarded. This notice shall be posted on the Department of General Services' central electronic procurement website or other appropriate websites, and in addition, public bodies may publish in a newspaper of general circulation on the day the public body awards or announces its decision to award the contract, whichever occurs first. Posting on the Department of General Services' central electronic procurement website shall be required of any state public body. Local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities.

Posting on the Department of General Services' central electronic procurement website shall be required of any state public

body. Local public bodies are encouraged to utilize the Department of General Services' central electronic procurement website to provide the public with centralized visibility and access to the Commonwealth's procurement opportunities.

G. A public body may establish purchase procedures, if adopted in writing, not requiring competitive sealed bids or competitive negotiation for single or term contracts for:

1. Goods and services other than professional services and non-transportation-related construction, if the aggregate or the sum of all phases is not expected to exceed \$100,000; and
2. Transportation-related construction, if the aggregate or sum of all phases is not expected to exceed \$25,000.

However, such small purchase procedures shall provide for competition wherever practicable.

Such purchase procedures may allow for single or term contracts for professional services without requiring competitive negotiation, provided the aggregate or the sum of all phases is not expected to exceed \$60,000.

Where small purchase procedures are adopted for construction, the procedures shall not waive compliance with the Uniform State Building Code.

**§ 33.2-209. Construction and maintenance contracts and activities related to passenger and freight rail and public transportation.**

A. The Board shall have the power and duty to let all contracts to be administered by the Department of Transportation or the Department of Rail and Public Transportation for the construction, maintenance, and improvement of the highways comprising systems of state highways and for all activities related to passenger and freight rail and public transportation in excess of \$5 million. The Commissioner of Highways has authority to let all Department of Transportation-administered contracts for highway construction, maintenance, and improvements up to \$5 million in value. The Director of the Department of Rail and Public Transportation has the authority to let contracts for passenger and freight rail and public transportation improvements up to \$5 million in value. The Commissioner of Highways is authorized to enter into agreements with localities, authorities, and transportation districts to administer projects and to allow those localities, authorities, and transportation districts to let contracts with no limit on contract value and without prior concurrence of the Commissioner of Highways or the Board for highway construction, maintenance, and improvements within their jurisdictions, in accordance with those provisions of this Code providing those localities, authorities, and transportation districts the ability to let such contracts. The Director of the Department of Rail and Public Transportation is authorized to enter into agreements with localities, authorities, and transportation districts to administer projects and to allow those localities, authorities, and transportation districts to let contracts with no limit on contract value and without prior concurrence of the Director of the Department of Rail and Public Transportation or the Board for passenger and freight rail and public transportation activities within their jurisdictions, in accordance with those provisions of this Code providing those localities, authorities, and transportation districts the ability to let such contracts. The Commissioner of Highways and the Director of the Department of Rail and Public Transportation shall report on their respective transportation contracting activities at least quarterly to the Board.

B. The Board may award contracts for the construction of transportation projects on a design-build basis. These contracts may be awarded after a written determination is made by the Commissioner of Highways or the Director of the Department of Rail and Public Transportation, pursuant to objective criteria previously adopted by the Board regarding the use of design-build, that delivery of the projects must be expedited and that it is not in the public interest to comply with the design and construction contracting procedures normally followed. Such objective criteria shall include requirements for prequalification of contractors and competitive bidding processes. These contracts shall be of such size and scope to encourage maximum competition and participation by agency prequalified and otherwise qualified contractors. Such determination shall be retained for public inspection in the official records of the Department of Transportation or the Department of Rail and Public Transportation, as the case may be, and shall include a description of the nature and scope of the project and the reasons for the Commissioner's or the Director's determination that awarding a design-build contract will best serve the public interest. A Request for Proposal for transportation projects to be delivered on a design-build basis pursuant to this section may allow for the submission and consideration of alternative technical concepts in accordance with the procedures set forth in such Request for Proposal. The provisions of this section shall supersede contrary provisions of subsection D of § 2.2-4303 and § 2.2-4306.

For the purposes of this subsection, "alternative technical concepts" means proposed changes to agency-supplied base design configurations, project scope, design, or construction criteria that provide a solution that is equal to or better than the requirements in the Request for Proposal.

C. The Board may award contracts for the provision of equipment, materials, and supplies to be used in construction of transportation projects on a fixed-price basis. Any such contract may provide that the price to be paid for the provision of equipment, materials, and supplies to be furnished in connection with the projects shall not be increased but shall remain fixed until completion of the projects specified in the contracts. Material components of any such contract for annual and multiyear programs, including maintenance, may be fixed at the outset of the projects and until completion based on best achievable prices.

**2. That §§ 2.2-4306, 2.2-4307, and 2.2-4308 of the Code of Virginia are repealed.**

**3. That the provisions of § 2.2-4383 of the Code of Virginia, as created by this act, shall apply to projects for which a public body as defined in this act has issued a Request for Qualifications on or after July 1, 2017.**

*K. Withdrawal and Termination.*

1. Any Signatory may withdraw from this MSC Compact, which action shall constitute a termination of this MSC Compact.

2. Withdrawal from this MSC Compact shall be by a Signatory's repeal of this MSC Compact from its laws, but such repeal shall not take effect until two years after the effective date of the repealed statute and written notice of the withdrawal being given by the withdrawing Signatory to the governors or mayors, as appropriate, of the other Signatories.

*In the case of absentee ballots that are counted by hand, the officers of election may begin tallying such ballots at any time after 3:00 p.m. on the day of the election in accordance with the procedures prescribed by the Department of Elections, including procedures to preserve ballot secrecy. No counts of such tallies shall be determined or transmitted outside of the central absentee voter precinct until after the closing of the polls. The use of cellular telephones or other communication devices shall be prohibited in the central absentee voter precinct during such tallying and until the closing of the polls. Any person present in the central absentee voter precinct shall sign a statement under oath that he will not transmit any counts prior to the closing of the polls. If any health care entity denies a request for copies of or electronic access to health records based on such statement, the health care entity shall inform the individual of the individual's right to designate, in writing, at his own expense, another reviewing physician or clinical psychologist, whose licensure, training and experience relative to the individual's condition are at least equivalent to that of the physician or clinical psychologist upon whose opinion the denial is based. The health care entity denying the request shall also inform the individual of the individual's right to request in writing that such health care entity designate, at its own expense, a physician or clinical psychologist, whose licensure, training, and experience relative to the individual's condition are at least equivalent to that of the physician or clinical psychologist upon whose professional judgment the denial is based and who did not participate in the original decision to deny the health records, who shall make a judgment as to whether to make the health record available to the individual. The health care entity shall comply with the judgment of the reviewing physician or clinical psychologist. The health care entity shall permit copying and examination of the health record by such other physician or clinical psychologist designated by either the individual at his own expense or by the health care entity at its expense.

Any health record copied for review by any such designated physician or clinical psychologist shall be accompanied by a statement from the custodian of the health record that the individual's treating physician or clinical psychologist determined that the individual's review of his health record would be reasonably likely to endanger the life or physical safety of the individual or would be reasonably likely to cause substantial harm to a person referenced in the health record who is not a health care provider.

Further, nothing herein shall be construed as giving, or interpreted to bestow the right to receive copies of, or otherwise obtain access to, psychotherapy notes to any individual or any person authorized to act on his behalf.

H. Pursuant to this subsection:

1. Unless excepted from these provisions in subdivision 9, no party to a civil, criminal or administrative action or proceeding shall request the issuance of a subpoena duces tecum for another party's health records or cause a subpoena duces tecum to be issued by an attorney unless a copy of the request for the subpoena or a copy of the attorney-issued subpoena is provided to the other party's counsel or to the other party if pro se, simultaneously with filing the request or issuance of the subpoena. No party to an action or proceeding shall request or cause the issuance of a subpoena duces tecum for the health records of a nonparty witness unless a copy of the request for the subpoena or a copy of the attorney-issued subpoena is provided to the nonparty witness simultaneously with filing the request or issuance of the attorney-issued subpoena.

No subpoena duces tecum for health records shall set a return date earlier than 15 days from the date of the subpoena except by order of a court or administrative agency for good cause shown. When a court or administrative agency directs that health records be disclosed pursuant to a subpoena duces tecum earlier than 15 days from the date of the subpoena, a copy of the order shall accompany the subpoena.

Any party requesting a subpoena duces tecum for health records or on whose behalf the subpoena duces tecum is being issued shall have the duty to determine whether the individual whose health records are being sought is pro se or a nonparty.

In instances where health records being subpoenaed are those of a pro se party or nonparty witness, the party requesting or issuing the subpoena shall deliver to the pro se party or nonparty witness together with the copy of the request for subpoena, or a copy of the subpoena in the case of an attorney-issued subpoena, a statement informing them of their rights and remedies. The statement shall include the following language and the heading shall be in boldface capital letters:

**NOTICE TO INDIVIDUAL**

The attached document means that (insert name of party requesting or causing issuance of the subpoena) has either asked the court or administrative agency to issue a subpoena or a subpoena has been issued by the other party's attorney to your doctor, other health care providers (names of health care providers inserted here) or other health care entity (name of health care entity to be inserted here) requiring them to produce your health records. Your doctor, other health care provider or other health care entity is required to respond by providing a copy of your health records. If you believe your health records should not be disclosed and object to their disclosure, you have the right to file a motion with the clerk of the court or the administrative agency to quash the subpoena. If you elect to file a motion to quash, such motion must be filed within 15 days of the date of the request or of the attorney-issued subpoena. You may contact the clerk's office or the administrative agency to determine the requirements that must be satisfied when filing a motion to quash and you may elect to contact an attorney to represent your interest. If you elect to file a motion to quash, you must notify your doctor, other health care provider(s), or other health care entity, that you are filing the motion so that the health care provider or health care entity knows to send the health records to the clerk of court or administrative agency in a sealed envelope or package for safekeeping while your motion is decided.

2. Any party filing a request for a subpoena duces tecum or causing such a subpoena to be issued for an individual's health records shall include a Notice in the same part of the request in which the recipient of the subpoena duces tecum is directed where and when to return the health records. Such notice shall be in boldface capital letters and shall include the following language:

**NOTICE TO HEALTH CARE ENTITIES**

**A COPY OF THIS SUBPOENA DUCES TECUM HAS BEEN PROVIDED TO THE INDIVIDUAL WHOSE HEALTH RECORDS ARE BEING REQUESTED OR HIS COUNSEL. YOU OR THAT INDIVIDUAL HAS THE RIGHT TO FILE A MOTION TO QUASH (OBJECT TO) THE ATTACHED SUBPOENA. IF YOU ELECT TO FILE A MOTION TO QUASH, YOU MUST FILE THE MOTION WITHIN 15 DAYS OF THE DATE OF THIS SUBPOENA.**

**YOU MUST NOT RESPOND TO THIS SUBPOENA UNTIL YOU HAVE RECEIVED WRITTEN CERTIFICATION FROM THE PARTY ON WHOSE BEHALF THE SUBPOENA WAS ISSUED THAT THE TIME FOR FILING A MOTION TO QUASH HAS ELAPSED AND THAT:**

**NO MOTION TO QUASH WAS FILED; OR**

**ANY MOTION TO QUASH HAS BEEN RESOLVED BY THE COURT OR THE ADMINISTRATIVE AGENCY AND THE DISCLOSURES SOUGHT ARE CONSISTENT WITH SUCH RESOLUTION.**

**IF YOU RECEIVE NOTICE THAT THE INDIVIDUAL WHOSE HEALTH RECORDS ARE BEING REQUESTED HAS FILED A MOTION TO QUASH THIS SUBPOENA, OR IF YOU FILE A MOTION TO QUASH THIS SUBPOENA, YOU MUST SEND THE HEALTH RECORDS ONLY TO THE CLERK OF THE COURT OR**

ADMINISTRATIVE AGENCY THAT ISSUED THE SUBPOENA OR IN WHICH THE ACTION IS PENDING AS SHOWN ON THE SUBPOENA USING THE FOLLOWING PROCEDURE:

PLACE THE HEALTH RECORDS IN A SEALED ENVELOPE AND ATTACH TO THE SEALED ENVELOPE A COVER LETTER TO THE CLERK OF COURT OR ADMINISTRATIVE AGENCY WHICH STATES THAT CONFIDENTIAL HEALTH RECORDS ARE ENCLOSED AND ARE TO BE HELD UNDER SEAL PENDING A RULING ON THE MOTION TO QUASH THE SUBPOENA. THE SEALED ENVELOPE AND THE COVER LETTER SHALL BE PLACED IN AN OUTER ENVELOPE OR PACKAGE FOR TRANSMITTAL TO THE COURT OR ADMINISTRATIVE AGENCY.

3. Upon receiving a valid subpoena duces tecum for health records, health care entities shall have the duty to respond to the subpoena in accordance with the provisions of subdivisions 4, 5, 6, 7, and 8.

4. Except to deliver to a clerk of the court or administrative agency subpoenaed health records in a sealed envelope as set forth, health care entities shall not respond to a subpoena duces tecum for such health records until they have received a certification as set forth in subdivision 5 or 8 from the party on whose behalf the subpoena duces tecum was issued.

If the health care entity has actual receipt of notice that a motion to quash the subpoena has been filed or if the health care entity files a motion to quash the subpoena for health records, then the health care entity shall produce the health records, in a securely sealed envelope, to the clerk of the court or administrative agency issuing the subpoena or in whose court or administrative agency the action is pending. The court or administrative agency shall place the health records under seal until a determination is made regarding the motion to quash. The securely sealed envelope shall only be opened on order of the judge or administrative agency. In the event the court or administrative agency grants the motion to quash, the health records shall be returned to the health care entity in the same sealed envelope in which they were delivered to the court or administrative agency. In the event that a judge or administrative agency orders the sealed envelope to be opened to review the health records in camera, a copy of the order shall accompany any health records returned to the health care entity. The health records returned to the health care entity shall be in a securely sealed envelope.

5. If no motion to quash is filed within 15 days of the date of the request or of the attorney-issued subpoena, the party on whose behalf the subpoena was issued shall have the duty to certify to the subpoenaed health care entity that the time for filing a motion to quash has elapsed and that no motion to quash was filed. Any health care entity receiving such certification shall have the duty to comply with the subpoena duces tecum by returning the specified health records by either the return date on the subpoena or five days after receipt of the certification, whichever is later.

6. In the event that the individual whose health records are being sought files a motion to quash the subpoena, the court or administrative agency shall decide whether good cause has been shown by the discovering party to compel disclosure of the individual's health records over the individual's objections. In determining whether good cause has been shown, the court or administrative agency shall consider (i) the particular purpose for which the information was collected; (ii) the degree to which the disclosure of the records would embarrass, injure, or invade the privacy of the individual; (iii) the effect of the disclosure on the individual's future health care; (iv) the importance of the information to the lawsuit or proceeding; and (v) any other relevant factor.

7. Concurrent with the court or administrative agency's resolution of a motion to quash, if subpoenaed health records have been submitted by a health care entity to the court or administrative agency in a sealed envelope, the court or administrative agency shall: (i) upon determining that no submitted health records should be disclosed, return all submitted health records to the health care entity in a sealed envelope; (ii) upon determining that all submitted health records should be disclosed, provide all the submitted health records to the party on whose behalf the subpoena was issued; or (iii) upon determining that only a portion of the submitted health records should be disclosed, provide such portion to the party on whose behalf the subpoena was issued and return the remaining health records to the health care entity in a sealed envelope.

8. Following the court or administrative agency's resolution of a motion to quash, the party on whose behalf the subpoena duces tecum was issued shall have the duty to certify in writing to the subpoenaed health care entity a statement of one of the following:

a. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are consistent with such resolution; and, therefore, the health records previously delivered in a sealed envelope to the clerk of the court or administrative agency will not be returned to the health care entity;

b. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are consistent with such resolution and that, since no health records have previously been delivered to the court or administrative agency by the health care entity, the health care entity shall comply with the subpoena duces tecum by returning the health records designated in the subpoena by the return date on the subpoena or five days after receipt of certification, whichever is later;

c. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution; therefore, no health records shall be disclosed and all health records previously delivered in a sealed envelope to the clerk of the court or administrative agency will be returned to the health care entity;

d. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution and that only limited disclosure has been authorized. The certification shall state that only the portion of the health records as set forth in the certification, consistent with the court or administrative agency's ruling, shall be disclosed. The certification shall also state that health records that were previously

delivered to the court or administrative agency for which disclosure has been authorized will not be returned to the health care entity; however, all health records for which disclosure has not been authorized will be returned to the health care entity; or

e. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution and, since no health records have previously been delivered to the court or administrative agency by the health care entity, the health care entity shall return only those health records specified in the certification, consistent with the court or administrative agency's ruling, by the return date on the subpoena or five days after receipt of the certification, whichever is later.

A copy of the court or administrative agency's ruling shall accompany any certification made pursuant to this subdivision.

9. The provisions of this subsection have no application to subpoenas for health records requested under § 8.01-413, or issued by a duly authorized administrative agency conducting an investigation, audit, review or proceedings regarding a health care entity's conduct.

The provisions of this subsection shall apply to subpoenas for the health records of both minors and adults.

Nothing in this subsection shall have any effect on the existing authority of a court or administrative agency to issue a protective order regarding health records, including, but not limited to, ordering the return of health records to a health care entity, after the period for filing a motion to quash has passed.

A subpoena for substance abuse records must conform to the requirements of federal law found in 42 C.F.R. Part 2, Subpart E.

I. Health care entities may testify about the health records of an individual in compliance with §§ 8.01-399 and 8.01-400.2.

J. If an individual requests a copy of his health record from a health care entity, the health care entity may impose a reasonable cost-based fee, which shall include only the cost of supplies for and labor of copying the requested information, postage when the individual requests that such information be mailed, and preparation of an explanation or summary of such information as agreed to by the individual. For the purposes of this section, "individual" shall subsume a person with authority to act on behalf of the individual who is the subject of the health record in making decisions related to his health care.

K. Nothing in this section shall prohibit a health care provider who prescribes or dispenses a controlled substance required to be reported to the Prescription Monitoring Program established pursuant to Chapter 25.2 (§ 54.1-2519 et seq.) of Title 54.1 to a patient from disclosing information obtained from the Prescription Monitoring Program and contained in a patient's health care record to another health care provider when such disclosure is related to the care or treatment of the patient who is the subject of the record.

*An Act to amend and reenact § 2.2-2818.2 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 38.2-3407.5:2 relating to health benefit plans; coverage for hormonal contraceptives.*

[H 2267]

Approved March 24, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That § 2.2-2818.2 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding a section numbered 38.2-3407.5:2 as follows:**

**§ 2.2-2818.2. Application of mandates to the state employee health insurance plan.**

A. As used in this section, "insurance mandate" means a mandatory obligation with respect to coverage, benefits, or the number or types of providers imposed on policies of accident and health insurance under Title 38.2. "Insurance mandate" does not include (i) an administrative rule or regulation imposing a mandatory obligation with respect to coverage, benefits, or providers unless that mandatory obligation was specifically imposed on policies of accident and health insurance by statute or (ii) any obligation imposed on a health carrier by § 38.2-3407.5:2.

B. Notwithstanding the provisions of § 2.2-2818, any law imposed under Title 38.2 that becomes effective on or after July 1, 2009, that provides for an insurance mandate for policies of accident and health insurance shall also apply to health coverage offered to state employees pursuant to § 2.2-2818.

C. If health coverage offered to state employees under § 2.2-2818 offers coverage in the same manner and to the same extent as the coverage required by an insurance mandate imposed under Title 38.2 or coverage that is greater than an insurance mandate imposed under Title 38.2, the coverage offered to state employees under § 2.2-2818 shall be considered in compliance with the insurance mandate.

**§ 38.2-3407.5:2. Reimbursements for dispensing hormonal contraceptives.**

A. As used in this section:

"Covered person" means a policyholder, subscriber, enrollee, participant, or other individual covered by a health benefit plan.

"Health benefit plan" means any accident and health insurance policy or certificate, health services plan contract, health maintenance organization subscriber contract, plan provided by a multiple employer welfare arrangement (MEWA), or plan provided by another benefit arrangement. "Health benefit plan" does not mean accident only, credit, or disability insurance; coverage of Medicare services or federal employee health plans, pursuant to contracts with the United States government; Medicare supplement or long-term care insurance; Medicaid coverage; dental only or vision only insurance; specified disease insurance; hospital confinement indemnity coverage; limited benefit health coverage; short-term limited duration coverage; coverage issued as a supplement to liability insurance; insurance arising out of a workers' compensation or similar law; automobile medical payment insurance; medical expense and loss of income benefits; or insurance under which benefits are payable with or without regard to fault and that is statutorily required to be contained in any liability insurance policy or equivalent self-insurance.

"Health carrier" means an entity subject to the insurance laws and regulations of the Commonwealth and subject to the jurisdiction of the Commission that contracts or offers to contract to provide a health benefit plan.

"Hormonal contraceptive" means a medication taken to prevent pregnancy by means of ingestion of hormones, including medications containing estrogen or progesterone, that is self-administered, requires a prescription, and is approved by the U.S. Food and Drug Administration for such purpose.

"Provider" means a facility, physician or other type of health care practitioner licensed, accredited, certified or authorized by statute to deliver or furnish health care items or services.

B. Any health benefit plan that is amended, renewed, or delivered on or after January 1, 2018, that provides coverage for hormonal contraceptives shall cover up to a 12-month supply of hormonal contraceptives when dispensed or furnished at one time for a covered person by a provider or pharmacy or at a location licensed or otherwise authorized to dispense drugs or supplies.

C. Nothing in this section shall be construed to require a provider to prescribe, furnish, or dispense 12 months of self-administered hormonal contraceptives at one time.

D. A health benefit plan that provides coverage for hormonal contraceptives, in the absence of clinical contraindications, shall not impose utilization controls or other forms of medical management limiting the supply of hormonal contraceptives that may be dispensed or furnished by a provider or pharmacy, or at a location licensed or otherwise authorized to dispense drugs or supplies, to an amount that is less than a 12-month supply.

E. This section shall not be construed to exclude coverage for hormonal contraceptives as prescribed by a provider, acting within his scope of practice, for reasons other than contraceptive purposes, such as decreasing the risk of ovarian cancer or eliminating symptoms of menopause, or for contraception that is necessary to preserve the life or health of an enrollee.

F. Nothing in this section shall be construed to require a health carrier to cover hormonal contraceptives provided by a provider or pharmacy or at a location licensed or otherwise authorized to dispense drugs or supplies, that does not participate in the health carrier's provider network, except as may be otherwise authorized or required by state law or by the plan's policies governing out-of-network coverage.

**Be it enacted by the General Assembly of Virginia:**

**1. That § 58.1-339.2 of the Code of Virginia is amended and reenacted as follows:**

**§ 58.1-339.2. Historic rehabilitation tax credit.**

A. Effective for taxable years beginning on and after January 1, 1997, any individual, trust or estate, or corporation incurring eligible expenses in the rehabilitation of a certified historic structure shall be entitled to a credit against the tax imposed by Articles 2 (§ 58.1-320 et seq.), 6 (§ 58.1-360 et seq.) and 10 (§ 58.1-400 et seq.) of Chapter 3; Chapter 12 (§ 58.1-1200 et seq.); Article 1 (§ 58.1-2500 et seq.) of Chapter 25; and Article 2 (§ 58.1-2620 et seq.) of Chapter 26, in accordance with the following schedule:

Year	% of Eligible Expenses
1997	10%
1998	15%
1999	20%
2000 and thereafter	25%

If the amount of such credit exceeds the taxpayer's tax liability for such taxable year, the amount that exceeds the tax liability may be carried over for credit against the taxes of such taxpayer in the next ten taxable years or until the full credit is used, whichever occurs first. Credits granted to a partnership or electing small business corporation (S corporation) shall be passed through to the partners or shareholders, respectively. Credits granted to a partnership or electing small business corporation (S corporation) shall be allocated among all partners or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners or shareholders mutually agree as provided in an executed document, the form of which shall be prescribed by the Director of the Department of Historic Resources.

B. Effective for taxable years beginning on and after January 1, 2000, any individual, trust, estate, or corporation resident in Virginia that incurs eligible expenses in the rehabilitation of a certified historic structure in any other state that has in effect a reciprocal historic structure rehabilitation tax credit program and agreement for residents of that state who rehabilitate historic structures in Virginia shall be entitled to a credit to the same extent as provided in subsection A and other applicable provisions of law; however, no eligible party shall receive any credit authorized under this subsection prior to taxable years beginning on and after January 1, 2002.

C. 1. To claim the credit authorized under this section, the taxpayer shall apply to the Virginia Department of Historic Resources, which shall determine the amount of eligible rehabilitation expenses and issue a certificate thereof to the taxpayer. The taxpayer shall attach the certificate to the Virginia tax return on which the credit is claimed.

2. For taxable years beginning on and after January 1, 2017, but before January 1, 2019, the amount of the credit that may be claimed by each taxpayer, including amounts carried over from prior taxable years, shall not exceed \$5 million in any taxable year.

D. When used in this section:

"Certified historic structure" means a property listed individually on the Virginia Landmarks Register, or certified by the Director of the Virginia Department of Historic Resources as contributing to the historic significance of a historic district that is listed on the Virginia Landmarks Register or certified by the Director of the Virginia Department of Historic Resources as meeting the criteria for listing on the Virginia Landmarks Register.

"Eligible rehabilitation expenses" means expenses incurred in the material rehabilitation of a certified historic structure and added to the property's capital account.

"Material rehabilitation" means improvements or reconstruction consistent with "The Secretary of the Interior's Standards for Rehabilitation," the cost of which amounts to at least fifty percent of the assessed value of such building for local real estate tax purposes for the year prior to the initial expenditure of any rehabilitation expenses, unless the building is an owner-occupied building, in which case the cost shall amount to at least twenty-five percent of the assessed value of such building for local real estate tax purposes for the year prior to the initial expenditure of any rehabilitation expenses.

"Owner-occupied building" means any building that is used as a personal residence by the owner.

E. The Director of the Department of Historic Resources shall establish by regulation the requirements needed for this program, including the fees to defray necessary expenses thereof, and, except as otherwise prohibited by this section, the extent to which the availability of the credit provided by this section is coextensive with the availability of the federal tax credit for the rehabilitation of certified historic resources.

F. Any gain or income under federal law from the allocation or application of a tax credit under this section shall not be (i) taxable gain or income for purposes of the tax imposed pursuant to Article 2 (§ 58.1-320 et seq.), (ii) taxable gain or income for purposes of the tax imposed pursuant to Article 6 (§ 58.1-360 et seq.), or (iii) taxable gain or income for purposes of the tax imposed pursuant to Article 10 (§ 58.1-400 et seq.). However, nothing in this subsection shall be construed or interpreted as allowing a subtraction or deduction for such gain or income under federal law if the gain or income is otherwise excluded, deducted, or subtracted in computing the respective tax set forth under clauses (i) through (iii).

The health care entity denying the request shall also inform the individual of the individual's right to request in writing that such health care entity designate, at its own expense, a physician or clinical psychologist, whose licensure, training, and experience relative to the individual's condition are at least equivalent to that of the physician or clinical psychologist upon whose professional judgment the denial is based and who did not participate in the original decision to deny the health records, who shall make a judgment as to whether to make the health record available to the individual. The health care entity shall comply with the judgment of the reviewing physician or clinical psychologist. The health care entity shall permit copying and examination of the health record by such other physician or clinical psychologist designated by either the individual at his own expense or by the health care entity at its expense.

Any health record copied for review by any such designated physician or clinical psychologist shall be accompanied by a statement from the custodian of the health record that the individual's treating physician or clinical psychologist determined that the individual's review of his health record would be reasonably likely to endanger the life or physical

safety of the individual or would be reasonably likely to cause substantial harm to a person referenced in the health record who is not a health care provider.

Further, nothing herein shall be construed as giving, or interpreted to bestow the right to receive copies of, or otherwise obtain access to, psychotherapy notes to any individual or any person authorized to act on his behalf.

3. Upon receiving a valid subpoena duces tecum for health records, health care entities shall have the duty to respond to the subpoena in accordance with the provisions of subdivisions 4, 5, 6, 7, and 8.

4. Except to deliver to a clerk of the court or administrative agency subpoenaed health records in a sealed envelope as set forth, health care entities shall not respond to a subpoena duces tecum for such health records until they have received a certification as set forth in subdivision 5 or 8 from the party on whose behalf the subpoena duces tecum was issued.

If the health care entity has actual receipt of notice that a motion to quash the subpoena has been filed or if the health care entity files a motion to quash the subpoena for health records, then the health care entity shall produce the health records, in a securely sealed envelope, to the clerk of the court or administrative agency issuing the subpoena or in whose court or administrative agency the action is pending. The court or administrative agency shall place the health records under seal until a determination is made regarding the motion to quash. The securely sealed envelope shall only be opened on order of the judge or administrative agency. In the event the court or administrative agency grants the motion to quash, the health records shall be returned to the health care entity in the same sealed envelope in which they were delivered to the court or administrative agency. In the event that a judge or administrative agency orders the sealed envelope to be opened to review the health records in camera, a copy of the order shall accompany any health records returned to the health care entity. The health records returned to the health care entity shall be in a securely sealed envelope.

5. If no motion to quash is filed within 15 days of the date of the request or of the attorney-issued subpoena, the party on whose behalf the subpoena was issued shall have the duty to certify to the subpoenaed health care entity that the time for filing a motion to quash has elapsed and that no motion to quash was filed. Any health care entity receiving such certification shall have the duty to comply with the subpoena duces tecum by returning the specified health records by either the return date on the subpoena or five days after receipt of the certification, whichever is later.

6. In the event that the individual whose health records are being sought files a motion to quash the subpoena, the court or administrative agency shall decide whether good cause has been shown by the discovering party to compel disclosure of the individual's health records over the individual's objections. In determining whether good cause has been shown, the court or administrative agency shall consider (i) the particular purpose for which the information was collected; (ii) the degree to which the disclosure of the records would embarrass, injure, or invade the privacy of the individual; (iii) the effect of the disclosure on the individual's future health care; (iv) the importance of the information to the lawsuit or proceeding; and (v) any other relevant factor.

7. Concurrent with the court or administrative agency's resolution of a motion to quash, if subpoenaed health records have been submitted by a health care entity to the court or administrative agency in a sealed envelope, the court or administrative agency shall: (i) upon determining that no submitted health records should be disclosed, return all submitted health records to the health care entity in a sealed envelope; (ii) upon determining that all submitted health records should be disclosed, provide all the submitted health records to the party on whose behalf the subpoena was issued; or (iii) upon

determining that only a portion of the submitted health records should be disclosed, provide such portion to the party on whose behalf the subpoena was issued and return the remaining health records to the health care entity in a sealed envelope.

8. Following the court or administrative agency's resolution of a motion to quash, the party on whose behalf the subpoena duces tecum was issued shall have the duty to certify in writing to the subpoenaed health care entity a statement of one of the following:

a. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are consistent with such resolution; and, therefore, the health records previously delivered in a sealed envelope to the clerk of the court or administrative agency will not be returned to the health care entity;

b. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are consistent with such resolution and that, since no health records have previously been delivered to the court or administrative agency by the health care entity, the health care entity shall comply with the subpoena duces tecum by returning the health records designated in the subpoena by the return date on the subpoena or five days after receipt of certification, whichever is later;

c. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution; therefore, no health records shall be disclosed and all health records previously delivered in a sealed envelope to the clerk of the court or administrative agency will be returned to the health care entity;

d. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution and that only limited disclosure has been authorized. The certification shall state that only the portion of the health records as set forth in the certification, consistent with the court or administrative agency's ruling, shall be disclosed. The certification shall also state that health records that were previously delivered to the court or administrative agency for which disclosure has been authorized will not be returned to the health care entity; however, all health records for which disclosure has not been authorized will be returned to the health care entity; or

e. All filed motions to quash have been resolved by the court or administrative agency and the disclosures sought in the subpoena duces tecum are not consistent with such resolution and, since no health records have previously been delivered to the court or administrative agency by the health care entity, the health care entity shall return only those health records specified in the certification, consistent with the court or administrative agency's ruling, by the return date on the subpoena or five days after receipt of the certification, whichever is later.

A copy of the court or administrative agency's ruling shall accompany any certification made pursuant to this subdivision.

9. The provisions of this subsection have no application to subpoenas for health records requested under § 8.01-413, or issued by a duly authorized administrative agency conducting an investigation, audit, review or proceedings regarding a health care entity's conduct.

The provisions of this subsection shall apply to subpoenas for the health records of both minors and adults.

Nothing in this subsection shall have any effect on the existing authority of a court or administrative agency to issue a protective order regarding health records, including, but not limited to, ordering the return of health records to a health care entity, after the period for filing a motion to quash has passed.

A subpoena for substance abuse records must conform to the requirements of federal law found in 42 C.F.R. Part 2, Subpart E.

I. Health care entities may testify about the health records of an individual in compliance with §§ 8.01-399 and 8.01-400.2.

J. If an individual requests a copy of his health record from a health care entity, the health care entity may impose a reasonable cost-based fee, which shall include only the cost of supplies for and labor of copying the requested information, postage when the individual requests that such information be mailed, and preparation of an explanation or summary of such information as agreed to by the individual. For the purposes of this section, "individual" shall subsume a person with authority to act on behalf of the individual who is the subject of the health record in making decisions related to his health care.

K. Nothing in this section shall prohibit a health care provider who prescribes or dispenses a controlled substance required to be reported to the Prescription Monitoring Program established pursuant to Chapter 25.2 (§ 54.1-2519 et seq.) of Title 54.1 to a patient from disclosing information obtained from the Prescription Monitoring Program and contained in a patient's health care record to another health care provider when such disclosure is related to the care or treatment of the patient who is the subject of the record.

**2. That § 54.1-2966.1 of the Code of Virginia is repealed.**

CHAPTER 721

*An Act to amend and reenact § 58.1-339.2 of the Code of Virginia, relating to the historic rehabilitation tax credit.*

[S 1034]

Year	% of Eligible Expenses
1997	10%
1998	15%
1999	20%
2000 and thereafter	25%

If the amount of such credit exceeds the taxpayer's tax liability for such taxable year, the amount that exceeds the tax liability may be carried over for credit against the taxes of such taxpayer in the next ten taxable years or until the full credit is used, whichever occurs first. Credits granted to a partnership or electing small business corporation (S corporation) shall be passed through to the partners or shareholders, respectively. Credits granted to a partnership or electing small business corporation (S corporation) shall be allocated among all partners or shareholders, respectively, either in proportion to their ownership interest in such entity or as the partners or shareholders mutually agree as provided in an executed document, the form of which shall be prescribed by the Director of the Department of Historic Resources.

B. Effective for taxable years beginning on and after January 1, 2000, any individual, trust, estate, or corporation resident in Virginia that incurs eligible expenses in the rehabilitation of a certified historic structure in any other state that has in effect a reciprocal historic structure rehabilitation tax credit program and agreement for residents of that state who rehabilitate historic structures in Virginia shall be entitled to a credit to the same extent as provided in subsection A and other applicable provisions of law; however, no eligible party shall receive any credit authorized under this subsection prior to taxable years beginning on and after January 1, 2002.

C. 1. To claim the credit authorized under this section, the taxpayer shall apply to the Virginia Department of Historic Resources, which shall determine the amount of eligible rehabilitation expenses and issue a certificate thereof to the taxpayer. The taxpayer shall attach the certificate to the Virginia tax return on which the credit is claimed.

2. For taxable years beginning on and after January 1, 2017, but before January 1, 2019, the amount of the credit that may be claimed by each taxpayer, including amounts carried over from prior taxable years, shall not exceed \$5 million in any taxable year.

D. When used in this section:

"Certified historic structure" means a property listed individually on the Virginia Landmarks Register, or certified by the Director of the Virginia Department of Historic Resources as contributing to the historic significance of a historic district that is listed on the Virginia Landmarks Register or certified by the Director of the Virginia Department of Historic Resources as meeting the criteria for listing on the Virginia Landmarks Register.

"Owner-occupied building" means any building that is used as a personal residence by the owner.

E. The Director of the Department of Historic Resources shall establish by regulation the requirements needed for this program, including the fees to defray necessary expenses thereof, and, except as otherwise prohibited by this section, the extent to which the availability of the credit provided by this section is coextensive with the availability of the federal tax credit for the rehabilitation of certified historic resources.

F. Any gain or income under federal law from the allocation or application of a tax credit under this section shall not be (i) taxable gain or income for purposes of the tax imposed pursuant to Article 2 (§ 58.1-320 et seq.), (ii) taxable gain or income for purposes of the tax imposed pursuant to Article 6 (§ 58.1-360 et seq.), or (iii) taxable gain or income for purposes

## CHAPTER 723

*An Act to amend and reenact § 58.1-439.20 of the Code of Virginia, relating to Neighborhood Assistance Act Tax Credits; allocation of credits.*

[S 1165]

Approved March 24, 2017

**Be it enacted by the General Assembly of Virginia:****1. That § 58.1-439.20 of the Code of Virginia is amended and reenacted as follows:****§ 58.1-439.20. Proposals; regulations; tax credits authorized; amount for programs.**

A. Any neighborhood organization may submit a proposal, other than education proposals, to the Commissioner of Social Services requesting an allocation of tax credits for use by business firms making donations to the neighborhood organization. Neighborhood organizations may submit education proposals to the Superintendent of Public Instruction requesting an allocation of tax credits for use by business firms making donations to the neighborhood organization.

The proposal shall set forth the program to be conducted by the neighborhood organization, the low-income persons or eligible students with disabilities to be assisted, the estimated amount to be donated to the program, and the plans for implementing the program.

B. 1. The State Board of Social Services and the Department of Education are hereby authorized to adopt regulations (or, alternatively, guidelines in the case of the Department of Education) for the approval or disapproval of such proposals by neighborhood organizations and for determining the value of the donations. Such regulations or guidelines shall contain a requirement that a neighborhood organization shall have been in existence for at least one year. Also, such regulations or guidelines shall contain a requirement that as a prerequisite for approval, neighborhood organizations with total revenues (including the value of all donations) (i) in excess of \$100,000 for the organization's most recent year ended provide to the State Board of Social Services or the Department of Education, as applicable, an audit or review for such year performed by an independent certified public accountant or (ii) of \$100,000 or less for the organization's most recent year ended provide to the State Board of Social Services or the Department of Education, as applicable, a compilation for such year performed by an independent certified public accountant. No proposal for an allocation of tax credits shall be untimely filed solely because such audit, review, or compilation was not submitted by the neighborhood organization by the proposal filing deadline, provided that the audit, review, or compilation is submitted to the State Board of Social Services or the Department of Education, as applicable, within the 30-day period immediately following such deadline.

Such regulations or guidelines by the Department of Education shall provide that at least 50 percent of the persons served by the neighborhood organization be low-income persons or eligible students with disabilities and that at least 50 percent of the neighborhood organization's revenues be used to provide services to low-income persons or to eligible students with disabilities. Such regulations by the State Board of Social Services shall provide that at least 50 percent of the persons served by the neighborhood organization be low-income persons as defined in § 58.1-439.18.

In order for a proposal to be approved, the applicant neighborhood organization and any of its affiliates shall meet the requirements of the application regulations or guidelines.

2. The requirements for proposals submitted to the Superintendent of Public Instruction that (i) at least 50 percent of the persons served by the neighborhood organization and each of its affiliates be low-income persons or eligible students with disabilities and (ii) at least 50 percent of the revenues of the neighborhood organization and each of its affiliates be used to provide services to such persons shall not apply to any neighborhood organization for tax credit allocations beginning for fiscal year 2014-2015 and ending with tax credit allocations for fiscal year 2019-2020, provided that (a) the neighborhood organization received an allocation of tax credits for fiscal year 2011-2012 allocations, (b) at least 50 percent of the persons served by the neighborhood organization are low-income persons or eligible students with disabilities, (c) at least 50 percent of the neighborhood organization's revenues are used to provide services to such persons, and (d) none of the affiliates of the neighborhood organization receives an allocation of tax credits for the program year of such five-year period.

3. Beginning with tax credit allocations for fiscal year 2016-2017 and thereafter, the requirements for a proposal submitted by a neighborhood organization to the Commissioner of Social Services that (i) at least 50 percent of the persons served by each affiliate of the neighborhood organization be low-income persons, (ii) at least 50 percent of the revenues of each affiliate of the neighborhood organization be used to provide services to such persons, (iii) each affiliate also meet the definition of "neighborhood organization" under § 58.1-439.18, and (iv) an audit, review, or compilation for each affiliate be furnished to the Commissioner of Social Services shall not apply in determining the eligibility of the neighborhood organization submitting a proposal, provided that (a) the neighborhood organization otherwise meets all statutory requirements and regulations, (b) the neighborhood organization received a fiscal year 2013-2014 allocation of neighborhood assistance tax credits, and (c) no affiliate of the neighborhood organization submits a proposal for or receives an allocation of tax credits pursuant to this article for the program year for which the neighborhood organization has submitted its proposal.

4. The regulations or guidelines shall provide for the equitable allocation of the available amount of tax credits among the approved proposals submitted by neighborhood organizations. *In allocating credits, the Commissioner of Social Services or the Superintendent of Public Instruction shall consider the past performance of neighborhood organizations*

that have received allocations of credits, including review of performance metrics, success in reaching targeted goals, or other measures of accountability that may be established by regulations or guidelines.

5. The regulations or guidelines shall also provide that at least 10 percent of the available amount of tax credits each year shall be allocated to qualified programs proposed by neighborhood organizations not receiving allocations in the preceding year; however, if the amount of tax credits for qualified programs requested by such neighborhood organizations is less than 10 percent of the available amount of tax credits, the unallocated portion of such 10 percent of the available amount of tax credits shall be allocated to qualified programs proposed by other neighborhood organizations.

C. If the Commissioner of Social Services or the Superintendent of Public Instruction approves a proposal submitted by a neighborhood organization, the organization shall make the allocated tax credit amounts available to business firms making donations to the approved program. A neighborhood organization shall not assign or transfer an allocation of tax credits to another neighborhood organization without the approval of the Commissioner of Social Services or the Superintendent of Public Instruction, as applicable.

Notwithstanding any other provision of law, (i) no more than an aggregate of \$0.825 million in tax credits shall be approved in a fiscal year to a neighborhood organization or to a grouping of neighborhood organization affiliates for all education proposals, and (ii) no more than an aggregate of \$0.5 million in tax credits shall be approved in a fiscal year to a neighborhood organization or to a grouping of neighborhood organization affiliates for all other proposals combined. However, if the State Department of Social Services or the Department of Education after the initial allocation of tax credits to approved proposals has a balance of tax credits remaining for the fiscal year that can be used or allocated by a neighborhood organization for a proposal that had been approved for tax credits during the initial allocation by the State Department of Social Services or the Department of Education, then (a) the Commissioner of Social Services or the Superintendent of Public Instruction, as applicable, shall reallocate the remaining balance of tax credits to such previously approved proposals to the extent that a neighborhood organization can use or allocate additional tax credits for the previously approved proposal and (b) the \$0.825 and \$0.5 million annual limitations for tax credits approved to a grouping of neighborhood organization affiliates shall be inapplicable to the extent of any balance of tax credits reallocated under clause (a). The balance of tax credits remaining for reallocation shall include the amount of any tax credits that have been granted for a proposal approved during the initial allocation but for which the Commissioner of Social Services or the Superintendent of Public Instruction has been provided notice by the neighborhood organization that it will not be able to use or allocate such amount for the approved proposal.

D. The total amount of tax credits granted for programs approved under this article for each fiscal year shall not exceed the following: for education proposals for approval by the Superintendent of Public Instruction, \$8 million for fiscal year 2013-2014, \$8.5 million for fiscal year 2014-2015, and \$9 million for fiscal year 2015-2016 and each fiscal year thereafter; and for all other proposals for approval by the Commissioner of Social Services, \$7 million for fiscal year 2013-2014, \$7.5 million for fiscal year 2014-2015, and \$8 million for fiscal year 2015-2016 and each fiscal year thereafter.

The Superintendent of Public Instruction and the Commissioner of Social Services shall work cooperatively for purposes of ensuring that neighborhood organization proposals are submitted to the proper state agency. The Superintendent of Public Instruction and the Commissioner of Social Services may request the assistance of the Department of Taxation for purposes of determining whether or not anticipated donations for which tax credits are requested by a neighborhood organization likely qualify as a charitable donation under federal tax laws and regulations.

E. Actions of (i) the State Department of Social Services, or the Commissioner of the same, or (ii) the Superintendent of Public Instruction or the Department of Education relating to the review of neighborhood organization proposals and the allocation of tax credits to proposals shall be exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq.). Decisions of (a) the State Department of Social Services, or the Commissioner of the same, or (b) the Superintendent of Public Instruction or the Department of Education shall be final and not subject to review or appeal.

F. Notwithstanding the provisions of § 30-19.1:11, the issuance of tax credits under this article shall expire on July 1, 2028.

**1. That § 58.1-513 of the Code of Virginia is amended and reenacted as follows:**

**§ 58.1-513. Limitations; transfer of credit; gain or loss from tax credit.**

A. Any taxpayer claiming a tax credit under this article shall not claim a credit under any similar Virginia law for costs related to the same project. B. Any tax credits that arise under this article from the donation of land or an interest in land made by a pass-through tax entity such as a trust, estate, partnership, limited liability company or partnership, limited partnership, subchapter S corporation or other fiduciary shall be used either by such entity if it is the taxpayer on behalf of such entity or by the member, manager, partner, shareholder or beneficiary, as the case may be, in proportion to their interest in such entity in the event that income, deductions and tax liability pass through such entity to such member, manager, partner, shareholder or beneficiary or as set forth in the agreement of said entity. Such tax credits shall not be claimed by both the entity and the member, manager, partner, shareholder or beneficiary for the same donation.

C. 1. Any taxpayer holding a credit under this article may transfer unused but otherwise allowable credit for use by another taxpayer on Virginia income tax returns. A taxpayer who transfers any amount of credit under this article shall file a notification of such transfer to the Department in accordance with procedures and forms prescribed by the Tax Commissioner.

2. A fee of two percent of the value of the donated interest shall be imposed upon any transfer arising from the sale by any taxpayer of credits under this article and upon the distribution of a portion of credits under this article to a member, manager, partner, shareholder or beneficiary pursuant to subsection B. *The two percent fee shall not apply to a distribution of credits to a nonresident owner of a pass-through entity when such credits are applied by the pass-through entity to the withholding tax pursuant to subdivision B 2 of § 58.1-486.2.* Revenues generated by such fees first shall be used by the Department of Taxation and the Department of Conservation and Recreation for their costs in implementing this article but in no event shall such amount exceed 50 percent of the total revenue generated by the fee on an annual basis. F. A pass-through tax entity, such as a partnership, limited liability company or Subchapter S corporation, may appoint a tax matters representative, who shall be a general partner, member/manager or shareholder, and register that representative with the Tax Commissioner. The Tax Commissioner shall be entitled to deal with the tax matters representative as representative of the taxpayers to whom credits have been allocated or transferred by the entity under this article with respect to those credits. In the event a pass-through tax entity allocates or transfers tax credits arising under this article to its partners, members or shareholders and the allocated or transferred credits shall be disallowed, in whole or in part, such that an assessment of additional tax against a taxpayer shall be made, the Tax Commissioner shall first make written demand for payment of any additional tax, together with interest and penalties, from the tax matters representative. D. No license shall be granted to any home protection company until it presents to the Commission a certificate of the State Treasurer that bonds or other securities have been deposited with him to be held in accordance with the provisions of and upon the terms and conditions and in the amount as provided in Article 7 (§ 38.2-1045 et seq.) of Chapter 10 of this title.

**§ 38.2-2605. Expiration and renewal of license.**

Every home protection company licensed under this ~~article~~ *chapter* shall obtain a renewal of its license annually from the Commission. Every license issued under this ~~article~~ *chapter* shall expire at midnight on June 30 immediately following the date of issuance. No renewal license shall be issued unless the home protection company has paid all taxes, fees, assessments and other charges imposed upon it, and has complied with all the other requirements of law. The Commission shall not fail or refuse to renew the license of any home protection company without giving the home protection company ten days' notice of the failure or refusal to renew and providing it an opportunity to be heard and to introduce evidence in its behalf. Any such hearing may be informal, and the required notice may be waived by the Commission and the home protection company.

**§ 38.2-2613. Application of insurance laws.**

Except as otherwise specifically provided in this ~~article~~ *chapter* or where the context requires otherwise, all of the provisions of this title that apply to property and casualty insurers shall apply in every respect to home protection companies licensed under this ~~article~~ *chapter*. In addition, Article 1 (§ 58.1-2500 et seq.) and Article 2 (§ 58.1-2520 et seq.) of Chapter 25 of Title 58.1 shall apply to the operation of a home protection company.

**§ 38.2-2615. Other insurance transactions prohibited.**

A. A home protection company that engages in any business other than the business of a home protection company is not eligible for the issuance or renewal of a license in this Commonwealth.

B. Nothing in this ~~article~~ *chapter* shall be deemed to authorize any home protection company to transact any business other than that of a home protection company or to transact any other business of insurance, unless the company is authorized by a license issued by the Commission.

**§ 58.1-400.4. Minimum tax on home service contract providers.**

A. As used in this section, unless the context requires a different meaning:

"Collected provider fees" means provider fees collected on home service contracts issued to a resident of the Commonwealth.

"Home service contract" means the same as that term is defined in § 59.1-434.1.

"Provider" means the same as that term is defined in § 59.1-434.1.

"Provider fee" means the consideration paid for a home service contract issued to a resident of the Commonwealth.

B. For taxable years beginning on and after January 1, 2018, a provider shall be subject to a minimum tax instead of the corporate income tax imposed by § 58.1-400, if applicable, net any income tax credits that may be used to offset such tax, if the tax imposed by § 58.1-400 is less than the minimum tax imposed by this subsection. The minimum tax imposed by this subsection shall be equal to 2.25 percent of such provider's collected provider fees.

C. In the case of an income tax return for a period of less than 12 months, the minimum tax shall be based on the collected provider fees for the calendar year that ends during the taxable period or, if none, the most recent calendar year that ended before the taxable period. The minimum tax shall be prorated by the number of months in the taxable period.

D. For purposes of the corporate income tax imposed by § 58.1-400, a provider's collected provider fees shall be considered sales in the Commonwealth when determining such provider's sales factor pursuant to § 58.1-414.

E. When a provider that is subject to the tax imposed by this section is one of several affiliated corporations that file a consolidated or combined income tax return, the portion of the affiliated corporations' tax liability that is attributable to the provider shall be computed as follows:

1. Each corporation included in the consolidated or combined return shall recompute its corporate income tax liability, net of any income tax credits, as if it were filing a separate return. The separate income tax liability of the provider shall then be compared to the affiliated corporation's tax liability, net of any income tax credits, indicated on the consolidated or combined return. For purposes of this section, the lesser amount shall be deemed to be the corporate income tax imposed by § 58.1-400 and attributable to the provider.

2. If such corporate income tax amount is less than the minimum tax of the provider as calculated pursuant to subsection B, the provider shall be subject to the minimum tax in lieu of the corporate income tax imposed by § 58.1-400.

3. If such corporate income tax amount exceeds the minimum tax of the provider as calculated pursuant to subsection B, the provider shall not owe the minimum tax.

F. The requirements imposed under Article 20 (§ 58.1-500 et seq.) of Chapter 3 regarding the filing of a declaration of estimated income taxes and the payment of such estimated taxes shall be applicable to a provider regardless of whether such taxpayer expects to be subject to the minimum tax imposed herein or to the corporate income tax imposed by § 58.1-400.

For purposes of determining the applicability of the exceptions under which the addition to the tax for the underpayment of any installment of estimated taxes shall not be imposed, it shall be irrelevant whether the tax shown on the return for the preceding taxable year is the corporate income tax or the minimum tax.

G. Every provider that owes the minimum tax imposed by this section shall remit such tax payment to the Department of Taxation.

H. The minimum tax imposed by this section on providers is in lieu of all other state and local license fees or license taxes on providers and home service contracts.

I. The minimum tax imposed by this section shall:

1. Apply to (i) any entity that immediately prior to January 1, 2018, was licensed as a provider under former Article 2 (§ 38.2-2617 et seq.) of Chapter 26 of Title 38.2 and that continues to act as a provider on and after January 1, 2018, and (ii) any entity that registers to sell home service contracts under Chapter 33.1 (§ 59.1-434.1 et seq.) of Title 59.1 on or after January 1, 2018; and

2. Not apply to any entity that was exempt from the provisions of former Article 2 (§ 38.2-2617 et seq.) of Chapter 26 of Title 38.2 immediately prior to January 1, 2018.

J. Notwithstanding § 58.1-3 or any other provision of law, the Department of Taxation and the Department of Agriculture and Consumer Services may exchange information regarding providers for purposes of enforcing the provisions of Chapter 33.1 (§ 59.1-434.1 et seq.) of Title 59.1.

3. Misrepresenting the affiliation, connection, or association of the supplier, or of the goods or services, with another;
4. Misrepresenting geographic origin in connection with goods or services;
5. Misrepresenting that goods or services have certain quantities, characteristics, ingredients, uses, or benefits;
6. Misrepresenting that goods or services are of a particular standard, quality, grade, style, or model;

8. Advertising goods or services with intent not to sell them as advertised, or with intent not to sell at the price or upon the terms advertised.

In any action brought under this subdivision, the refusal by any person, or any employee, agent, or servant thereof, to sell any goods or services advertised or offered for sale at the price or upon the terms advertised or offered, shall be prima facie evidence of a violation of this subdivision. This paragraph shall not apply when it is clearly and conspicuously stated in the advertisement or offer by which such goods or services are advertised or offered for sale, that the supplier or offeror has a limited quantity or amount of such goods or services for sale, and the supplier or offeror at the time of such advertisement or offer did in fact have or reasonably expected to have at least such quantity or amount for sale;

13a. Failing to provide to a consumer, or failing to use or include in any written document or material provided to or executed by a consumer, in connection with a consumer transaction any statement, disclosure, notice, or other information however characterized when the supplier is required by 16 C.F.R. Part 433 to so provide, use, or include the statement, disclosure, notice, or other information in connection with the consumer transaction;

This subdivision does not apply to sale merchandise that is obviously distressed, out of date, post season, or otherwise reduced for clearance; nor does this subdivision apply to special order purchases where the purchaser has requested the supplier to order merchandise of a specific or unusual size, color, or brand not ordinarily carried in the store or the store's catalog; nor shall this subdivision apply in connection with a transaction for the sale or lease of motor vehicles, farm tractors, or motorcycles as defined in § 46.2-100;

Disclosure shall include the conditions, charges, or fees in the event that a consumer breaches the agreement;

16a. Failing to provide written notice to a consumer of an existing open-end credit balance in excess of \$5 (i) on an account maintained by the supplier and (ii) resulting from such consumer's overpayment on such account. Suppliers shall give consumers written notice of such credit balances within 60 days of receiving overpayments. If the credit balance information is incorporated into statements of account furnished consumers by suppliers within such 60-day period, no separate or additional notice is required;

*"Home service contract" means a contract or agreement for a separately stated consideration for any duration to perform the service, repair, replacement, or maintenance of property or to indemnify for the costs of service, repair, replacement, or maintenance, for the operational failure of any property due to a defect in materials, workmanship, inherent defect, or normal wear and tear, with or without additional provisions for incidental payment of indemnity under limited circumstances. Home service contracts may provide for the service, repair, replacement, or maintenance of property for damage resulting from power surges or interruption and for accidental damage from handling. Home service contracts may provide roof leak coverage.*

*"Provider" means a person that is contractually obligated to the purchaser under the terms of the home service contract.*

*"Purchaser" means a person who enters into a home service contract with a provider.*

**§ 59.1-434.2. Registration; fees.**

A. *It shall be unlawful for any provider to offer, advertise, or execute or cause to be executed by the purchaser any home service contract for property in the Commonwealth unless the provider at the time of the solicitation, offer, advertisement, sale, or execution of a contract has been properly registered with the Commissioner. The registration application and renewal shall be on a form provided by the Commissioner and shall (i) disclose the address, ownership, and nature of business of the provider; (ii) be renewed annually on July 1; (iii) be accompanied by a fee of \$300 per registration and annual renewal; and (iv) be accompanied by an audited financial statement per registration and annual renewal that is prepared in accordance with generally accepted accounting principles or statutory accounting principles, at the election of*

the provider. A registration application or registration renewal shall not be considered filed until all required information and fees are received by the Commissioner and taxes are paid pursuant to Article 10 (§ 58.1-400 et seq.) of Chapter 3 of Title 58.1. Notwithstanding § 58.1-3 or any other provision of law, the Department of Taxation and the Department of Agriculture and Consumer Services may exchange information regarding providers for purposes of enforcing the provisions of this chapter. A provider shall not be required by this chapter to file with the Commissioner or any other entity or agency copies of the provider's home service contract forms or information regarding the rates or charges under the provider's home service contracts. Any provider that fails to register prior to the sale of a home service contract shall pay a late filing fee of \$100 for each 30-day period, or portion thereof, that the registration is late. A provider that fails to timely renew its registration shall pay a late fee of \$50 for each 30-day period, or portion thereof, that the annual renewal filing is late. The late fees authorized by this subsection shall be in addition to all other penalties authorized by law.

A. Every provider shall maintain a funded reserve account for its obligations under its home service contracts issued and outstanding in the Commonwealth. The reserves shall not be less than 40 percent of gross consideration received, less claims paid, on the sale of the home service contract for all in-force home service contracts sold in the Commonwealth.

B. Each provider, before it is registered under § 59.1-434.2, shall file and maintain with the Commissioner, in form and substance satisfactory to him, a bond with corporate surety, from a company authorized to transact business in the Commonwealth or a letter of credit from a bank insured by the Federal Deposit Insurance Corporation, in the amount of \$10,000. Additional bond or letter of credit amounts shall be similarly filed with the Commissioner and shall be adjusted from time to time, in accordance with the following schedule:

Total Amount of Unexpired Home Service Contracts	Amount of Bond or Letter of Credit
\$50,001 to \$300,000	\$40,000
\$300,001 to \$750,000	\$65,000

The bond or letter of credit required by this subsection shall be in favor of the Commonwealth for the benefit of purchasers of home service contracts for property in the event that the provider does not fulfill its obligations under such home service contracts for any reason, including insolvency or bankruptcy.

C. The aggregate liability of the bond or letter of credit to all persons for all breaches of the conditions of the bond or letter of credit shall in no event exceed the amount of the bond or letter of credit. The bond or letter of credit shall not be cancelled or terminated except with the consent of the Commissioner.

D. In lieu of compliance with subsections A and B, a provider may demonstrate financial responsibility by filing with the Commissioner a copy of a liability insurance policy issued by an insurer authorized to transact business in the Commonwealth and that covers 100 percent of the provider's home service contract liabilities, including the administration of claims and the cost for such administration. Reimbursement insurance policies filed pursuant to this section may not be canceled by either the provider or the issuing insurer without providing 60 days' notice to the Commissioner.

**§ 59.1-434.4. Regulations.**

A. The Board is authorized to adopt reasonable regulations in order to implement provisions in this chapter relating to home service contracts. These regulations shall be adopted, amended, or repealed in accordance with the Administrative Process Act (§ 2.2-4000 et seq.).

Without limiting the authority of the Board under subsection A, the Board is authorized to adopt reasonable regulations that designate services, in addition to those enumerated in the definition of home service contract in § 59.1-434.1, that may be provided under a home service contract, provided that the designation of the additional services is not inconsistent with the provisions of this chapter.

**§ 59.1-434.5. Investigations.**

2. Require or permit any person to file a statement in writing, under oath or otherwise as the Commissioner determines, as to all facts and circumstances concerning the matter under investigation; and
3. Administer oaths or affirmations, and upon motion or upon request of any party, may subpoena witnesses, compel their attendance, take evidence, and require the production of any matter that is relevant to the investigation, including the existence, description, nature, custody, condition, and location of any books, documents, or other tangible things and the identity and location of persons having knowledge of relevant facts, or any other matter reasonably calculated to lead to the discovery of material evidence.

*B. Any proceeding or hearing of the Commissioner pursuant to this chapter, in which witnesses are subpoenaed and their attendance required for evidence to be taken, or any matter produced to ascertain material evidence, shall take place within the City of Richmond.*

*C. If any person fails to obey the subpoena or to answer questions propounded by the Commissioner and upon reasonable notice to all persons affected thereby, the Commissioner may apply to the Circuit Court of the City of Richmond for an order compelling compliance.*

**§ 59.1-434.6. Production of records.**

*Every provider, upon written request of the Commissioner, shall make available to the Commissioner its home service contract records for inspection and copying to enable the Commissioner to reasonably determine compliance with this chapter. Every provider shall maintain a true copy of each contract executed between the provider and a purchaser, and each contract shall be maintained for its term.*

*B. Any provider that has a net worth, on a stand-alone basis or together with a parent company, calculated in accordance with generally accepted accounting principles or statutory accounting principles at the election of the provider, in excess of \$100 million shall be subject to neither (i) the provisions of this chapter nor (ii) the provisions of Title 38.2.*

*A. Any provider that knowingly and willfully violates any provision of this chapter is guilty of a Class 3 misdemeanor.*

*B. Any violation of the provisions of this chapter shall constitute a prohibited practice pursuant to the provisions of § 59.1-200 and shall be subject to any and all of the enforcement provisions of the Virginia Consumer Protection Act (§ 59.1-196 et seq.).*

**§ 59.1-436. Registration; fees; exemptions.**

*A. It shall be unlawful for any extended service contract provider to offer, advertise, or execute or cause to be executed by the purchaser any extended service contract for a consumer product in this Commonwealth unless the obligor at the time of the solicitation, offer, advertisement, sale, or execution of a contract has been properly registered with the Commissioner. The registration shall (i) disclose the address, ownership, and nature of business of the obligor; (ii) be renewed annually on July 1; and (iii) be accompanied by a fee of \$300 per registration and annual renewal. A registration application or registration renewal will not be considered filed until all required information and fees are received by the Commissioner. Approved March 24, 2017

**Be it enacted by the General Assembly of Virginia:**

**1. That § 56-265.2 of the Code of Virginia is amended and reenacted as follows:**

**§ 56-265.2. Certificate of convenience and necessity required for acquisition, etc., of new facilities.**

A. 1. Subject to the provisions of subdivision 2, it shall be unlawful for any public utility to construct, enlarge or acquire, by lease or otherwise, any facilities for use in public utility service, except ordinary extensions or improvements in the usual course of business, without first having obtained a certificate from the Commission that the public convenience and necessity require the exercise of such right or privilege. Any certificate required by this section shall be issued by the Commission only after opportunity for a hearing and after due notice to interested parties. The certificate for overhead electrical transmission lines of 138 kilovolts or more shall be issued by the Commission only after compliance with the provisions of § 56-46.1.

2. For construction of any transmission line of 138 kilovolts *and associated facilities*, a public utility shall either (i) obtain a certificate pursuant to subdivision 1 or (ii) obtain approval pursuant to the requirements of (a) § 15.2-2232 and (b) any applicable local zoning ordinances by the locality or localities in which the transmission line will be located. *Issuance by the Commission of a certificate pursuant to subdivision 1 approving construction of a 138 kilovolt transmission line and any associated facilities shall be deemed to satisfy the requirements of § 15.2-2232 and all local zoning ordinances with respect to the transmission line and its associated facilities. For purposes of this subdivision, "associated facilities" include any station, substation, transition station, and switchyard facilities to be constructed outside of any county operating under the county executive form of government that is located in Planning District 8 in association with a 138 kilovolt transmission line.*

B. In exercising its authority under this section, the Commission, notwithstanding the provisions of § 56-265.4, may permit the construction and operation of electrical generating facilities, which shall not be included in the rate base of any regulated utility whose rates are established pursuant to Chapter 10 (§ 56-232 et seq.), upon a finding that such generating facility and associated facilities including transmission lines and equipment (i) will have no material adverse effect upon the rates paid by customers of any regulated public utility in the Commonwealth; (ii) will have no material adverse effect upon reliability of electric service provided by any such regulated public utility; and (iii) are not otherwise contrary to the public interest. In review of its petition for a certificate to construct and operate a generating facility described in this subsection, the Commission shall give consideration to the effect of the facility and associated facilities, including transmission lines and equipment, on the environment and establish such conditions as may be desirable or necessary to minimize adverse environmental impact as provided in § 56-46.1. Facilities authorized by a certificate issued pursuant to this subsection may be exempted by the Commission from the provisions of Chapter 10 (§ 56-232 et seq.).

C. A map showing the location of any proposed ordinary extension or improvement outside of the territory in which the public utility is lawfully authorized to operate shall be filed with the Commission, and prior notice of such ordinary extension shall be given to the public utility or other entity authorized to provide the same utility service within said territory. Ordinary extensions outside the service territory of a public utility shall be undertaken only for use in providing its public utility service and shall be constructed and operated so as not to interfere with the service or facilities of any public utility or other entity authorized to provide utility service within any other territory. If, upon objection of the affected utility or entity filed within 30 days of the aforesaid notice and after investigation and opportunity for a hearing the Commission finds an ordinary extension would not comply with this section, it may alter or amend the plan for such activity or prohibit its construction.

D. Whenever a certificate is required under this section for a pipeline for the transmission or distribution of natural or manufactured gas, the Commission may issue such a certificate only after compliance with the provisions of § 56-265.2:1. As used in this section and § 56-265.2:1, "pipeline for the transmission or distribution of manufactured or natural gas" shall include the pipeline and any related facilities incidental or necessary to the operation of the pipeline.

E. This section shall be subject to the requirements of § 56-265.3, if any, and nothing herein shall be construed to supersede § 56-265.3.

**Be it enacted by the General Assembly of Virginia:**

**1. That § 36-96.1:1 of the Code of Virginia is amended and reenacted and that the Code of Virginia is amended by adding sections numbered 36-96.3:1 and 36-96.3:2 as follows:**

**§ 36-96.1:1. Definitions.**

For the purposes of this chapter, unless the context clearly indicates otherwise:

"Aggrieved person" means any person who (i) claims to have been injured by a discriminatory housing practice or (ii) believes that such person will be injured by a discriminatory housing practice that is about to occur.

"Assistance animal" means an animal that works, provides assistance, or performs tasks for the benefit of a person with a disability, or provides emotional support that alleviates one or more identified symptoms or effects of a person's disability. Assistance animals perform many disability-related functions, including guiding individuals who are blind or have low vision, alerting individuals who are deaf or hard of hearing to sounds, providing protection or rescue assistance, pulling a wheelchair, fetching items, alerting persons to impending seizures, or providing emotional support to persons with disabilities who have a disability-related need for such support. An assistance animal is not required to be individually trained or certified. While dogs are the most common type of assistance animal, other animals can also be assistance animals. An assistance animal is not a pet.

"Complainant" means a person, including the Fair Housing Board, who files a complaint under § 36-96.9.

"Elderliness" means an individual who has attained his fifty-fifth birthday.

"Familial status" means one or more individuals who have not attained the age of 18 years being domiciled with (i) a parent or other person having legal custody of such individual or individuals or (ii) the designee of such parent or other person having custody with the written permission of such parent or other person. The term "familial status" also includes any person who is pregnant or is in the process of securing legal custody of any individual who has not attained the age of 18 years. For purposes of this section, "in the process of securing legal custody" means having filed an appropriate petition to obtain legal custody of such minor in a court of competent jurisdiction.

"Family" includes a single individual, whether male or female.

"Handicap" means, with respect to a person, (i) a physical or mental impairment that substantially limits one or more of such person's major life activities; (ii) a record of having such an impairment; or (iii) being regarded as having such an impairment. The term does not include current, illegal use of, or addiction to a controlled substance as defined in Virginia or federal law. ~~Neither the term "individual with a handicap" nor the term "handicap" shall apply to an individual solely because that individual is a transvestite.~~ For the purposes of this chapter, the terms "handicap" and "disability" shall be interchangeable.

"Lending institution" includes any bank, savings institution, credit union, insurance company or mortgage lender.

"Major life activities" means, but shall not be limited to, any the following functions: caring for oneself, performing manual tasks, walking, seeing, hearing, speaking, breathing, learning, and working.

"Physical or mental impairment" includes such diseases and conditions as orthopedic, visual, speech, and hearing impairments; cerebral palsy; autism; epilepsy; muscular dystrophy; multiple sclerosis; cancer; heart disease; diabetes;

*human immunodeficiency virus infection; intellectual and developmental disabilities; emotional illness; drug addiction other than addiction caused by current, illegal use of a controlled substance; and alcoholism.*

"Respondent" means any person or other entity alleged to have violated the provisions of this chapter, as stated in a complaint filed under the provisions of this chapter and any other person joined pursuant to the provisions of § 36-96.9.

"Restrictive covenant" means any specification in any instrument affecting title to real property that purports to limit the use, occupancy, transfer, rental, or lease of any dwelling because of race, color, religion, national origin, sex, elderliness, familial status, or handicap.

"To rent" means to lease, to sublease, to let, or otherwise to grant for consideration the right to occupy premises not owned by the occupant.

**§ 36-96.3:1. Rights and responsibilities with respect to the use of an assistance animal in a dwelling.**

A. A person with a disability, or a person associated with such person, who maintains an assistance animal in a dwelling shall comply with the rental agreement or any rules and regulations of the property owner applicable to all residents that do not interfere with an equal opportunity to use and enjoy the dwelling and any common areas of the premises. Such person shall not be required to pay a pet fee or deposit or any additional rent to maintain an assistance animal in a dwelling, but shall be responsible for any physical damages to the dwelling if residents who maintain pets are responsible for such damages in accordance with such documents or state law. Nothing herein shall be construed to affect any cause of action against any resident for other damages under the laws of the Commonwealth.

B. If a person's disability is obvious or otherwise known to the person receiving a request, or if the need for a requested accommodation is readily apparent or known to the person receiving a request, the person receiving a request for reasonable accommodation may not request any additional verification about the requester's disability. If a person's disability is readily apparent or known to the person receiving the request but the disability-related need is not readily apparent or known, the person receiving the request may ask for additional verification to evaluate the requester's disability-related need.

C. A person with a disability, or a person associated with such person, may submit a request for a reasonable accommodation to maintain an assistance animal in a dwelling. Subject to subsection B, the person receiving the request may ask the requester to provide reliable documentation of the disability and the disability-related need for an assistance animal, including documentation from any person with whom the person with a disability has or has had a therapeutic relationship.

D. Subject to subsection B, a person receiving a request for a reasonable accommodation to maintain an assistance animal in a dwelling shall evaluate the request and any reliable supporting documentation to verify the disability and the disability-related need for the reasonable accommodation regarding an assistance animal.

E. For purposes of this section, "therapeutic relationship" means the provision of medical care, program care, or personal care services, in good faith, to the person with a disability by (i) a mental health service provider as defined in § 54.1-2400.1; (ii) an individual or entity with a valid, unrestricted state license, certification, or registration to serve persons with disabilities; (iii) a person from a peer support or similar group that does not charge service recipients a fee or impose any actual or implied financial requirement and who has actual knowledge about the requester's disability; or (iv) a caregiver, reliable third party, or government entity with actual knowledge of the requester's disability.

**§ 36-96.3:2. Reasonable accommodations; interactive process.**

A. When a request for a reasonable accommodation establishes that such accommodation is necessary to afford a person with a disability, and who has a disability-related need, an equal opportunity to use and enjoy a dwelling and does not impose either (i) an undue financial and administrative burden or (ii) a fundamental alteration to the nature of the operations of the person receiving the request, the request for the accommodation is reasonable and shall be granted.

B. When a request for a reasonable accommodation may impose either (i) an undue financial and administrative burden or (ii) a fundamental alteration to the nature of the operations of the person receiving the request, the person receiving the request shall offer to engage in a good-faith interactive process to determine if there is an alternative accommodation that would effectively address the disability-related needs of the requester. An interactive process is not required when the requester does not have a disability and a disability-related need for the requested accommodation. As part of the interactive process, unless the reasonableness and necessity for the accommodation has been established by the requester, a request may be made for additional supporting documentation to evaluate the reasonableness of either the requested accommodation or any identified alternative accommodations. If an alternative accommodation is identified that effectively meets the requester's disability-related needs and is reasonable, the person receiving the reasonable accommodation request shall make the effective alternative accommodation. However, the requester shall not be required to accept an alternative accommodation if the requested accommodation is also reasonable. The various factors to be considered for determining whether an accommodation imposes an undue financial and administrative burden include (a) the cost of the requested accommodation, including any substantial increase in the cost of the owner's insurance policy; (b) the financial resources of the person receiving the request; (c) the benefits that the accommodation would provide to the person with a disability; and (d) the availability of alternative accommodations that would effectively meet the requester's disability-related needs.

C. A request for a reasonable accommodation shall be determined on a case-by-case basis and may be denied if (i) the person on whose behalf the request for an accommodation was submitted is not disabled; (ii) there is no disability-related need for the accommodation; (iii) the accommodation imposes an undue financial and administrative burden on the person

receiving the request; or (iv) the accommodation would fundamentally alter the nature of the operations of the person receiving the request. With respect to a request for reasonable accommodation to maintain an assistance animal in a dwelling, the requested assistance animal shall (a) work, provide assistance, or perform tasks or services for the benefit of the requester or (b) provide emotional support that alleviates one or more of the identified symptoms or effects of such requester's existing disability. In addition, as determined by the person receiving the request, the requested assistance animal shall not pose a clear and present threat of substantial harm to others or to the dwelling itself that is not solely based on breed, size, or type or cannot be reduced or eliminated by another reasonable accommodation.

**2. That if any provision of this act is determined by the U.S. Department of Housing and Urban Development to be not substantially equivalent or otherwise inconsistent with the federal Fair Housing Act of 1968, 42 U.S.C. § 3601 et seq., as amended, such provision shall not be enforceable.**

The landlord shall pay all costs of the relocation and the mold remediation, unless the tenant is at fault for the mold condition.

**§ 55-225.11. Required disclosures for properties with defective drywall; remedy for nondisclosure.**

A. If the landlord of a residential dwelling unit has actual knowledge of the existence of defective drywall in such dwelling unit that has not been remediated, the landlord shall provide to a prospective tenant a written disclosure that the property has defective drywall. For purposes of this section, "defective drywall" means all defective drywall as defined in § 36-156.1.

B. Any tenant who is not provided the disclosure required by subsection A may terminate the lease agreement at any time within 60 days of *notice of* discovery of the existence of defective drywall by providing written notice to the landlord in accordance with the lease or as required by law. Such termination shall be effective as of (i) 15 days after the date of the mailing of the notice or (ii) the date through which rent has been paid, whichever is later. In no event, however, shall the effective date of the termination exceed one month from the date of mailing. A. *The landlord of property in any locality in which a military air installation is located, or any person authorized to enter into a rental agreement on his behalf, shall provide to a prospective tenant a written disclosure that the property is located in a noise zone or accident potential zone, or both, as designated by the locality on its official zoning map. Such*

*disclosure shall be provided prior to the execution by the tenant of a written lease agreement or, in the case of an oral lease agreement, prior to occupancy by the tenant. The disclosure shall specify the noise zone or accident potential zone in which the property is located according to the official zoning map of the locality. A disclosure made pursuant to this section containing inaccurate information regarding the location of the noise zone or accident potential zone shall be deemed as nondisclosure unless the inaccurate information is provided by an officer or employee of the locality in which the property is located.*

*B. Any tenant who is not provided the disclosure required by subsection A may terminate the lease agreement at any time during the first 30 days of the lease period by sending to the landlord by certified or registered mail, return receipt requested, a written notice of termination. Such termination shall be effective as of (i) 15 days after the date of the mailing of the notice or (ii) the date through which rent has been paid, whichever is later. In no event, however, shall the effective date of the termination exceed one month from the date of mailing. Termination of the lease agreement shall be the exclusive remedy for the failure to comply with the disclosure provisions of this section, and shall not affect any rights or duties of the landlord or tenant arising under this chapter, other applicable law, or the rental agreement.*

**§ 55-225.12. Tenant's assertion; rent escrow; dwelling units.**

A. The tenant may assert that there exists upon the dwelling unit, a condition or conditions which constitute a material noncompliance by the landlord with the rental agreement or with provisions of law, or which if not promptly corrected, will constitute a fire hazard or serious threat to the life, health or safety of occupants thereof, including but not limited to, a lack of heat or hot or cold running water, except if the tenant is responsible for payment of the utility charge and where the lack of such heat or hot or cold running water is the direct result of the tenant's failure to pay the utility charge; or a lack of light, electricity or adequate sewage disposal facilities; or an infestation of rodents; or the existence of paint containing lead pigment on surfaces within the dwelling, provided that the landlord has notice of such paint. The tenant may file such an assertion in a general district court wherein the dwelling unit is located by a declaration setting forth such assertion and asking for one or more forms of relief as provided for in subsection D.

B. Prior to the granting of any relief, the tenant shall show to the satisfaction of the court that:

1. Prior to the commencement of the action the landlord was served a written notice by the tenant of the conditions described in subsection A, or was notified of such conditions by a violation or condemnation notice from an appropriate state or municipal agency, and that the landlord has refused, or having a reasonable opportunity to do so, has failed to remedy the same. For the purposes of this subsection, what period of time shall be deemed to be unreasonable delay is left to the discretion of the court except that there shall be a rebuttable presumption that a period in excess of 30 days from receipt of the notification by the landlord is unreasonable; and

2. The tenant has paid into court the amount of rent called for under the rental agreement, within five days of the date due thereunder, unless or until such amount is modified by subsequent order of the court under this chapter.

C. It shall be sufficient answer or rejoinder to a declaration pursuant to subsection A if the landlord establishes to the satisfaction of the court that the conditions alleged by the tenant do not in fact exist, or such conditions have been removed or remedied, or such conditions have been caused by the tenant or members of his family or his or their invitees or licensees, or the tenant has unreasonably refused entry to the landlord to the dwelling unit for the purpose of correcting such conditions.

D. Any court shall make findings of fact on the issues before it and shall issue any order that may be required. Such an order may include, but is not limited to, any one or more of the following:

1. Terminating the rental agreement upon the request of the tenant or ordering the dwelling unit surrendered to the landlord if the landlord prevails on a request for possession pursuant to an unlawful detainer properly filed with the court;

2. Ordering all moneys already accumulated in escrow disbursed to the landlord or to the tenant in accordance with this chapter;

3. Ordering that the escrow be continued until the conditions causing the complaint are remedied;

4. Ordering that the amount of rent, whether paid into the escrow account or paid to the landlord, be abated as determined by the court in such an amount as may be equitable to represent the existence of the condition or conditions found by the court to exist. In all cases where the court deems that the tenant is entitled to relief under this chapter, the burden shall be upon the landlord to show cause why there should not be an abatement of rent;

5. Ordering any amount of moneys accumulated in escrow disbursed to the tenant where the landlord refuses to make repairs after a reasonable time or to the landlord or to a contractor chosen by the landlord in order to make repairs or to otherwise remedy the condition. In either case, the court shall in its order insure that moneys thus disbursed will be in fact used for the purpose of making repairs or effecting a remedy;

6. Referring any matter before the court to the proper state or municipal agency for investigation and report and granting a continuance of the action or complaint pending receipt of such investigation and report. When such a continuance is granted, the tenant shall deposit with the court rent payments within five days of the date due under the rental agreement, subject to any abatement under this section, which become due during the period of the continuance, to be held by the court pending its further order;

7. In the court's discretion, ordering escrow funds disbursed to pay a mortgage on the property upon which the dwelling unit is located in order to stay a foreclosure; or

8. In the court's discretion, ordering escrow funds disbursed to pay a creditor to prevent or satisfy a bill to enforce a mechanic's or materialman's lien.

Notwithstanding any provision of this subsection, where an escrow account is established by the court and the condition or conditions are not fully remedied within six months of the establishment of such account, and the landlord has not made reasonable attempts to remedy the condition, the court shall award all moneys accumulated in escrow to the tenant. In such event, the escrow shall not be terminated, but shall begin upon a new six-month period with the same result if, at the end thereof, the condition or conditions have not been remedied.

E. The initial hearing on the tenant's assertion filed pursuant to subsection A shall be held within 15 calendar days from the date of service of process on the landlord, except that the court shall order an earlier hearing where emergency conditions are alleged to exist upon the premises, such as failure of heat in winter, lack of adequate sewage facilities or any other condition which constitutes an immediate threat to the health or safety of the inhabitants of the dwelling unit. The court, on motion of either party or on its own motion, may hold hearings subsequent to the initial proceeding in order to further determine the rights and obligations of the parties. Distribution of escrow moneys may only occur by order of the court after a hearing of which both parties are given notice as required by law or upon motion of both the landlord and tenant or upon certification by the appropriate inspector that the work required by the court to be done has been satisfactorily completed. *If the tenant proceeds under this subsection, he may not proceed under any other section of this chapter as to that breach.*

**§ 55-225.13. Noncompliance by landlord in the rental of a dwelling unit.**

Except as provided in this chapter, for the rental of a dwelling unit, if there is a material noncompliance by the landlord with the rental agreement or a noncompliance with any provision of this chapter affecting dwelling units, materially affecting health and safety, the tenant may serve a written notice on the landlord specifying the acts and omissions constituting the breach and stating that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice if such breach is not remedied in 21 days.

If the landlord commits a breach which is not remediable, the tenant may serve a written notice on the landlord specifying the acts and omissions constituting the breach and stating that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice.

If the landlord has been served with a prior written notice which required the landlord to remedy a breach, and the landlord remedied such breach, where the landlord intentionally commits a subsequent breach of a like nature as the prior breach, the tenant may serve a written notice on the landlord specifying the acts and omissions constituting the subsequent breach, make reference to the prior breach of a like nature, and state that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice.

If the breach is remediable by repairs and the landlord adequately remedies the breach prior to the date specified in the notice, the rental agreement will not terminate. The tenant may not terminate for a condition caused by the deliberate or negligent act or omission of the tenant, a member of his family or other person on the premises with his consent whether known by the tenant or not. In addition, the tenant may recover damages and obtain injunctive relief for noncompliance by the landlord with the provisions of the rental agreement or of this chapter. The tenant shall be entitled to recover reasonable attorney fees unless the landlord proves by a preponderance of the evidence that the landlord's actions were reasonable under the circumstances. *If the rental agreement is terminated due to the landlord's noncompliance, the landlord shall return the security deposit in accordance with § 55-225.19.*

**§ 55-225.19. Security deposits.**

A. *Unless the rental agreement provides otherwise, a landlord may not demand or receive a security deposit, however denominated, in an amount or value in excess of two months' periodic rent. Upon termination of the tenancy, such security deposit, whether it is property or money held by the landlord as security as hereinafter provided, may be applied solely by the landlord (i) to the payment of accrued rent and including the reasonable charges for late payment of rent specified in the rental agreement; (ii) to the payment of the amount of damages which the landlord has suffered by reason of the tenant's noncompliance with § 55-225.4, less reasonable wear and tear; or (iii) to other damages or charges as provided in the rental agreement. The security deposit and any deductions, damages, and charges shall be itemized by the landlord in a written notice given to the tenant, together with any amount due the tenant, within 45 days after termination of the tenancy and delivery of possession.*

*Where there is more than one tenant subject to a rental agreement, unless otherwise agreed to in writing by each of the tenants, disposition of the security deposit shall be made with one check being payable to all such tenants and sent to a forwarding address provided by one of the tenants. The landlord shall make the security deposit disposition within the 45-day time period, but if no forwarding address is provided to the landlord, the landlord may continue to hold such security deposit in escrow. If a tenant fails to provide a forwarding address to the landlord to enable the landlord to make a refund of the security deposit, upon the expiration of one year from the date of the end of the 45-day time period, the landlord may remit such sum to the State Treasurer as unclaimed property on a form prescribed by the administrator that includes the name, social security number, if known, and the last known address of each tenant on the rental agreement. If the landlord or managing agent is a real estate licensee, compliance with this paragraph shall be deemed compliance with § 54.1-2108 and corresponding regulations of the Real Estate Board.*

*Nothing in this section shall be construed by a court of law or otherwise as entitling the tenant, upon the termination of the tenancy, to an immediate credit against the tenant's delinquent rent account in the amount of the security deposit. The landlord shall apply the security deposit in accordance with this section within the 45-day time period. However, provided the landlord has given prior written notice in accordance with this section, the landlord may withhold a reasonable portion*

of the security deposit to cover an amount of the balance due on the water, sewer, or other utility account that is an obligation of the tenant to a third-party provider under the rental agreement for the dwelling unit, and upon payment of such obligations the landlord shall provide written confirmation to the tenant within 10 days thereafter, along with payment to the tenant of any balance otherwise due to the tenant. In order to withhold such funds as part of the disposition of the security deposit, the landlord shall have so advised the tenant of his rights and obligations under this section in (a) a termination notice to the tenant in accordance with this chapter; (b) a vacating notice to the tenant in accordance with this section, or (c) a separate written notice to the tenant at least 15 days prior to the disposition of the security deposit. Any written notice to the tenant shall be given in accordance with the rental agreement or § 55-225.20.

The tenant may provide the landlord with written confirmation of the payment of the final water, sewer, or other utility bill for the dwelling unit, in which case the landlord shall refund the security deposit, unless there are other authorized deductions, within the 45-day period, or if the tenant provides such written confirmation after the expiration of the 45-day period, the landlord shall refund any remaining balance of the security deposit held to the tenant within 10 days following the receipt of such written confirmation provided by the tenant. If the landlord otherwise receives confirmation of payment of the final water, sewer, or other utility bill for the dwelling unit, the landlord shall refund the security deposit, unless there are other authorized deductions, within the 45-day period.

Nothing in this section shall be construed to prohibit the landlord from making the disposition of the security deposit prior to the 45-day period and charging an administrative fee to the tenant for such expedited processing, if the rental agreement so provides and the tenant requests expedited processing in a separate written document.

The landlord shall notify the tenant in writing of any deductions provided by this subsection to be made from the tenant's security deposit during the course of the tenancy. Such notification shall be made within 30 days of the date of the determination of the deduction and shall itemize the reasons in the same manner as provided in subsection B. Such notification shall not be required for deductions made less than 30 days prior to the termination of the rental agreement. If the landlord willfully fails to comply with this section, the court shall order the return of the security deposit to the tenant, together with actual damages and reasonable attorney fees, unless the tenant owes rent to the landlord, in which case, the court shall order an amount equal to the security deposit credited against the rent due to the landlord. In the event that damages to the premises exceed the amount of the security deposit and require the services of a third-party contractor, the landlord shall give written notice to the tenant advising him of that fact within the 45-day period. If notice is given as prescribed in this paragraph, the landlord shall have an additional 15-day period to provide an itemization of the damages and the cost of repair. This section shall not preclude the landlord or tenant from recovering other damages to which he may be entitled under this chapter. The holder of the landlord's interest in the premises at the time of the termination of the tenancy, regardless of how the interest is acquired or transferred, is bound by this section and shall be required to return any security deposit received by the original landlord that is duly owed to the tenant, whether or not such security deposit is transferred with the landlord's interest by law or equity, regardless of any contractual agreements between the original landlord and his successors in interest.

**B. The landlord shall:**

1. Maintain and itemize records for each tenant of all deductions from security deposits provided for under this section which the landlord has made by reason of a tenant's noncompliance with § 55-225.4 during the preceding two years; and
2. Permit a tenant or his authorized agent or attorney to inspect such tenant's records of deductions at any time during normal business hours.

C. Upon request by the landlord to a tenant to vacate, or within five days after receipt of notice by the landlord of the tenant's intent to vacate, the landlord shall provide written notice to the tenant of the tenant's right to be present at the landlord's inspection of the dwelling unit for the purpose of determining the amount of security deposit to be returned. If the tenant desires to be present when the landlord makes the inspection, he shall so advise the landlord in writing who, in turn, shall notify the tenant of the time and date of the inspection, which must be made within 72 hours of delivery of possession. Following the move-out inspection, the landlord shall provide the tenant with a written security deposit disposition statement including an itemized list of damages. If additional damages are discovered by the landlord after the security deposit disposition has been made, nothing herein shall be construed to preclude the landlord from recovery of such damages against the tenant, provided, however, that the tenant may present into evidence a copy of the move-out report to support the tenant's position that such additional damages did not exist at the time of the move-out inspection.

D. If the tenant has any assignee or sublessee, the landlord shall be entitled to hold a security deposit from only one party in compliance with the provisions of this section.

**§ 55-225.20. Notice.**

A. As used in this chapter, "notice" means notice given in writing by either regular mail or hand delivery, with the sender retaining sufficient proof of having given such notice, which may be either a United States postal certificate of mailing or a certificate of service confirming such mailing prepared by the sender. However, a person shall be deemed to have notice of a fact if he has actual knowledge of it, he has received a verbal notice of it, or from all the facts and circumstances known to him at the time in question, he has reason to know it exists. A person "notifies" or "gives" a notice or notification to another by taking steps reasonably calculated to inform another person whether or not the other person actually comes to know of it. If notice is given that is not in writing, the person giving the notice has the burden of proof to show that the notice was given to the recipient of the notice.

*B. If the rental agreement so provides, the landlord and tenant may send notices in electronic form, however any tenant who so requests may elect to send and receive notices in paper form. If electronic delivery is used, the sender shall retain sufficient proof of the electronic delivery, which may be an electronic receipt of delivery, a confirmation that the notice was sent by facsimile, or a certificate of service prepared by the sender confirming the electronic delivery.*

*In the case of the landlord, notice is served on the landlord at his place of business where the rental agreement was made, or at any place held out by the landlord as the place for receipt of the communication.*

*C. In the case of the tenant, notice is served at the tenant's last known place of residence, which may be the dwelling unit.*

*D. Notice, knowledge of a notice, or notification received by an organization is effective for a particular transaction from the time it is brought to the attention of the person conducting that transaction, or from the time it would have been brought to his attention if the organization had exercised reasonable diligence.*

*E. No notice of termination of tenancy served upon a tenant by a public housing authority organized under the Housing Authorities Law (§ 36-1 et seq.) of Title 36 shall be effective unless it contains on its first page, in type no smaller or less legible than that otherwise used in the body of the notice, the name, address, and telephone number of the legal services program, if any, serving the jurisdiction wherein the premises are located.*

*F. The landlord may, in accordance with a written agreement, delegate to a managing agent or other third party the responsibility of providing any written notice under this chapter. The landlord may also engage an attorney at law to prepare or provide any written notice under this chapter or legal process under Title 8.01. Nothing herein shall be construed to preclude the use of an electronic signature as defined in § 59.1-480, or an electronic notarization as defined in § 47.1-2, in any written notice under this chapter or legal process under Title 8.01.*

**§ 55-225.21. Application deposit and application fee.**

*A. Any landlord may require a refundable application deposit in addition to a nonrefundable application fee. If the applicant fails to rent the unit for which application was made, from the application deposit the landlord shall refund to the applicant within 20 days after the applicant's failure to rent the unit or the landlord's rejection of the application all sums in excess of the landlord's actual expenses and damages together with an itemized list of such expenses and damages. If, however, the application deposit was made by cash, certified check, cashier's check, or postal money order, such refund shall be made within 10 days of the applicant's failure to rent the unit if the failure to rent is due to the landlord's rejection of the application. If the landlord fails to comply with this section, the applicant may recover as damages suffered by him that portion of the application deposit wrongfully withheld and reasonable attorney fees.*

*B. A landlord may charge an application fee as provided in this section and may request a prospective tenant to provide information that will enable the landlord to make such determination. The landlord may photocopy each applicant's driver's license or other similar photo identification, containing either the applicant's social security number or control number issued by the Department of Motor Vehicles pursuant to § 46.2-342. However, a landlord shall not photocopy a U.S. government-issued identification so long as to do so is a violation of 18 U.S.C. Part I, Chapter 33, § 701. The landlord may require, for the purpose of determining whether each applicant is eligible to become a tenant in the landlord's dwelling unit, that each applicant provide a social security number issued by the U.S. Social Security Administration or an individual taxpayer identification number issued by the U.S. Internal Revenue Service.*

*C. An application fee shall not exceed \$50, exclusive of any actual out-of-pocket expenses paid by the landlord to a third party performing background, credit, or other pre-occupancy checks on the applicant. However, where an application is being made for a dwelling unit which is a public housing unit or other housing unit subject to regulation by the Department of Housing and Urban Development, an application fee shall not exceed \$32, exclusive of any actual out-of-pocket expenses paid to a third party by the landlord performing background, credit, or other pre-occupancy checks on the applicant.*

**§ 55-225.22. Terms and conditions of rental agreement; copy for tenant; rental payments.**

*A. A landlord and tenant may include in a rental agreement terms and conditions not prohibited by this chapter or other rule of law, including rent, charges for late payment of rent, term of the agreement, automatic renewal of the rental agreement, requirements for notice of intent to vacate or terminate the rental agreement, and other provisions governing the rights and obligations of the parties.*

*B. In the absence of a rental agreement, the tenant shall pay as rent the fair rental value for the use and occupancy of the dwelling unit.*

*C. Rent shall be payable without demand or notice at the time and place agreed upon by the parties. Unless otherwise agreed, rent is payable at the place designated by the landlord, and periodic rent is payable at the beginning of any term of one month or less and otherwise in equal installments at the beginning of each month. If the landlord receives from a tenant a written request for a written statement of charges and payments, he shall provide the tenant with a written statement showing all debits and credits over the tenancy or the past 12 months, whichever is shorter. The landlord shall provide such written statement within 10 business days of receiving the request.*

*D. Unless the rental agreement fixes a definite term, the tenancy shall be week to week in case of a roomer who pays weekly rent, and in all other cases month to month. Terminations of tenancies shall be governed by § 55-225.38 unless the rental agreement provides for a different notice period.*

*E. If the rental agreement contains any provision whereby the landlord may approve or disapprove a sublessee or assignee of the tenant, the landlord shall within 10 business days of receipt by him of the written application of the*

prospective sublessee or assignee, on a form to be provided by the landlord, approve or disapprove the sublessee or assignee. Failure of the landlord to act within 10 business days shall be deemed evidence of his approval.

F. A copy of any written rental agreement signed by both the tenant and the landlord shall be provided to the tenant within one month of the effective date of the written rental agreement. The failure of the landlord to deliver such a rental agreement shall not affect the validity of the agreement.

G. No unilateral change in the terms of a rental agreement by a landlord or tenant shall be valid unless (i) notice of the change is given in accordance with the terms of the rental agreement or as otherwise required by law and (ii) both parties consent in writing to the change.

**§ 55-225.23. Prepaid rent; maintenance of escrow account.**

A landlord and a tenant may agree in a rental agreement that the tenant pay prepaid rent. If a landlord receives prepaid rent, it shall be placed in an escrow account in a federally insured depository by the end of the fifth business day following receipt and shall remain in the account until such time as the prepaid rent becomes due. Unless the landlord has otherwise become entitled to receive any portion of the prepaid rent, it shall not be removed from the escrow account required by this section without the written consent of the tenant.

**§ 55-225.24. Landlord may obtain certain insurance for tenant.**

A. *Damage Insurance.* A landlord may require as a condition of tenancy that a tenant have commercial insurance coverage as specified in the rental agreement to secure the performance by the tenant of the terms and conditions of the rental agreement and pay for the cost of premiums for such insurance coverage obtained by the landlord, generally known as "damage insurance." As provided in § 55-225.02, such payments shall not be deemed a security deposit, but shall be rent. However, the landlord shall not require a tenant to pay both security deposits and the cost of damage insurance premiums, if the total amount of any security deposits and damage insurance premiums exceeds the amount of two months' periodic rent. The landlord shall notify a tenant in writing that the tenant has the right to obtain a separate policy from the landlord's policy for damage insurance. If a tenant elects to obtain a separate policy, the tenant shall submit to the landlord written proof of such coverage and shall maintain such coverage at all times during the term of the rental agreement. Where a landlord obtains damage insurance coverage on behalf of a tenant, the insurance policy shall provide coverage for the tenant as an insured. The landlord shall recover from the tenant the actual costs of such insurance coverage and may recover administrative or other fees associated with administration of a damage insurance policy, including a tenant opting out of the insurance coverage provided by the landlord pursuant to this subsection. If a landlord obtains damage insurance for his tenants, the landlord shall provide to each tenant, prior to execution of the rental agreement, a summary of the insurance policy or certificate evidencing the coverage being provided and upon request of the tenant make available a copy of the insurance policy.

B. *Renter's Insurance.* A landlord may require as a condition of tenancy that a tenant have renter's insurance as specified in the rental agreement that is a combination multi-peril policy containing fire, miscellaneous property, and personal liability coverage insuring personal property located in residential units not occupied by the owner. A landlord may require a tenant to pay for the cost of premiums for such insurance obtained by the landlord, to provide such coverage for the tenant as part of rent or as otherwise provided herein. As provided in § 55-225.02, such payments shall not be deemed a security deposit, but shall be rent. If the landlord requires that such premiums be paid prior to the commencement of the tenancy, the total amount of all security deposits and insurance premiums for damage insurance and renter's insurance shall not exceed the amount of two months' periodic rent. Otherwise, the landlord may add a monthly amount as additional rent to recover the costs of such insurance coverage. The landlord shall notify a tenant in writing that the tenant has the right to obtain a separate policy from the landlord's policy for renter's insurance. If a tenant elects to obtain a separate policy, the tenant shall submit to the landlord written proof of such coverage and shall maintain such coverage at all times during the term of the rental agreement.

C. Where a landlord obtains renter's insurance coverage on behalf of a tenant, the insurance policy shall provide coverage for the tenant as an insured. The landlord shall recover from the tenant the actual costs of such insurance coverage and may recover administrative or other fees associated with the administration of a renter's insurance program, including a tenant opting out of the insurance coverage provided to the tenant pursuant to this subsection. If a landlord obtains renter's insurance for his tenants, the landlord shall provide to each tenant, prior to execution of the rental agreement, a summary of the insurance policy prepared by the insurer or certificate evidencing the coverage being provided and upon request of the tenant make available a copy of the insurance policy.

D. Nothing in this section shall be construed to prohibit the landlord from recovering from the tenant as part of the rent, the tenant's prorated share of the actual costs of other insurance coverages provided by the landlord relative to the premises, or the tenant's prorated share of a self-insurance program held in an escrow account by the landlord, including the landlord's administrative or other fees associated with the administration of such coverages. The landlord may apply such funds held in escrow to pay claims pursuant to the landlord's self-insurance plan.

**§ 55-225.25. Effect of unsigned or undelivered rental agreement.**

If the landlord does not sign and deliver a written rental agreement signed and delivered to him by the tenant, acceptance of rent without reservation by the landlord gives the rental agreement the same effect as if it had been signed and delivered by the landlord. If the tenant does not sign and deliver a written rental agreement signed and delivered to him by the landlord, acceptance of possession or payment of rent without reservation gives the rental agreement the same effect

as if it had been signed and delivered by the tenant. If a rental agreement, given effect by the operation of this section, provides for a term longer than one year, it is effective for only one year.

**§ 55-225.26. Confidentiality of tenant records.**

A. No landlord or managing agent shall release information about a tenant or prospective tenant in the possession of the landlord to a third party unless:

1. The tenant or prospective tenant has given prior written consent;
2. The information is a matter of public record as defined in § 2.2-3701;
3. The information is a summary of the tenant's rent payment record, including the amount of the tenant's periodic rent payment;
4. The information is a copy of a material noncompliance notice that has not been remedied or termination notice given to the tenant under § 55-225.20 and the tenant did not remain in the premises thereafter;
5. The information is requested by a local, state, or federal law-enforcement or public safety official in the performance of his duties;
6. The information is requested pursuant to a subpoena in a civil case;
7. The information is requested by a local commissioner of the revenue in accordance with § 58.1-3901;
8. The information is requested by a contract purchaser of the landlord's property, provided that the contract purchaser agrees in writing to maintain the confidentiality of such information;
9. The information is requested by a lender of the landlord for financing or refinancing of the property;
10. The information is requested by the commanding officer, military housing officer, or military attorney of the tenant;
11. The third party is the landlord's attorney or the landlord's collection agency;
12. The information is otherwise provided in the case of an emergency; or
13. The information is requested by the landlord to be provided to the managing agent, or a successor to the managing agent.

B. A tenant may designate a third party to receive duplicate copies of a summons that has been issued pursuant to § 8.01-126 and of written notices from the landlord relating to the tenancy. Where such a third party has been designated by the tenant, the landlord shall mail the duplicate copy of any summons issued pursuant to § 8.01-126 or notice to the designated third party at the same time the summons or notice is mailed to or served upon the tenant. Nothing in this subsection shall be construed to grant standing to any third party designated by the tenant to challenge actions of the landlord in which notice was mailed pursuant to this subsection. The failure of the landlord to give notice to a third party designated by the tenant shall not affect the validity of any judgment entered against the tenant.

C. A landlord or managing agent may enter into an agreement with a third-party service provider to maintain tenant records in electronic form or other medium. In such case, the landlord and managing agent shall not be liable under this section in the event of a breach of the electronic data of such third-party service provider, except in the case of gross negligence or intentional act. Nothing herein shall be construed to require a landlord or managing agent to indemnify such third-party service provider.

D. A tenant may request a copy of his tenant records in paper or electronic form. If the rental agreement so provides, a landlord may charge a tenant requesting more than one copy of his records the actual costs of preparing copies of such records. However, if the landlord makes available tenant records to each tenant by electronic portal, the tenant shall not be required to pay for access to such portal.

**§ 55-225.27. Landlord and tenant remedies for abuse of access.**

If the tenant refuses to allow lawful access, the landlord may obtain injunctive relief to compel access or terminate the rental agreement. In either case, the landlord may recover actual damages and reasonable attorney fees. If the landlord makes an unlawful entry or a lawful entry in an unreasonable manner or makes repeated demands for entry that is otherwise lawful but that have the effect of unreasonably harassing the tenant, the tenant may obtain injunctive relief to prevent the recurrence of the conduct or terminate the rental agreement. In either case, the tenant may recover actual damages and reasonable attorney fees.

**§ 55-225.28. Actions to enforce remedies pertaining to residential tenancies.**

In addition to any other remedies in this chapter, any person adversely affected by an act or omission prohibited under this chapter may institute an action for injunction and damages against the person responsible for such act or omission in the circuit court in the county or city in which such act or omission occurred. If the court finds that the defendant was responsible for such act or omission, it shall enjoin the defendant from continuance of such practice, and in its discretion award the plaintiff damages as herein provided.

**§ 55-225.29. Disclosure.**

A. The landlord or any person authorized to enter into a rental agreement on his behalf shall disclose to the tenant in writing at or before the commencement of the tenancy the name and address of:

1. The person or persons authorized to manage the premises; and
2. An owner of the premises or any other person authorized to act for and on behalf of the owner, for the purposes of service of process and receiving and receipting for notices and demands.

B. In the event of the sale of the premises, the landlord shall notify the tenant of such sale and disclose to the tenant the name and address of the purchaser and a telephone number at which such purchaser can be located.

C. With respect to a multifamily dwelling unit, if an application for registration of the rental property as a condominium or cooperative has been filed with the Real Estate Board, or if there is within six months an existing plan for tenant displacement resulting from (i) demolition or substantial rehabilitation of the property or (ii) conversion of the rental property to office, hotel, or motel use or planned unit development, then the landlord or any person authorized to enter into a rental agreement on his behalf shall disclose that information in writing to any prospective tenant.

D. The information required to be furnished by this section shall be kept current, and this section extends to and is enforceable against any successor landlord or owner. A person who fails to comply with this section becomes an agent of each person who is a landlord for the purposes of service of process and receiving and receipting for notices and demands.

**§ 55-225.30. Notice to tenants for insecticide or pesticide use.**

A. The landlord shall give written notice to the tenant no less than 48 hours prior to his application of an insecticide or pesticide in the tenant's dwelling unit unless the tenant agrees to a shorter notification period. If a tenant requests the application of the insecticide or pesticide, the 48-hour notice is not required. Tenants who have concerns about specific insecticides or pesticides shall notify the landlord in writing no less than 24 hours before the scheduled insecticide or pesticide application. The tenant shall prepare the dwelling unit for the application of insecticides or pesticides in accordance with any written instructions of the landlord, and if insects or pests are found to be present, follow any written instructions of the landlord to eliminate the insects or pests following the application of insecticides or pesticides.

B. In addition, the landlord shall post notice of all insecticide or pesticide applications in any common areas of the premises other than the dwelling units. Such notice shall consist of conspicuous signs placed in or upon such premises where the insecticide or pesticide will be applied at least 48 hours prior to the application.

**§ 55-225.31. Limitation of liability.**

Unless otherwise agreed, a landlord who conveys premises that include a dwelling unit subject to a rental agreement in a good faith sale to a bona fide purchaser is relieved of liability under the rental agreement and this chapter as to events occurring subsequent to notice to the tenant of the conveyance. Unless otherwise agreed, a managing agent of premises that include a dwelling unit is relieved of liability under the rental agreement and this chapter as to events occurring after written notice to the tenant of the termination of his management.

**§ 55-225.32. Tenancy at will; effect of notice of change of terms or provisions of tenancy.**

A notice of any change by a landlord or tenant in any terms or provisions of a tenancy at will shall constitute a notice to vacate the premises, and such notice of change shall be given in accordance with the terms of the rental agreement, if any, or as otherwise required by law.

**§ 55-225.33. Rules and regulations.**

A. A landlord, from time to time, may adopt rules or regulations, however described, concerning the tenant's use and occupancy of the dwelling unit or premises. Any such rule or regulation is enforceable against the tenant only if:

1. Its purpose is to promote the convenience, safety, or welfare of the tenants in the premises, preserve the landlord's property from abusive use, or make a fair distribution of services and facilities held out for the tenants generally;
2. It is reasonably related to the purpose for which it is adopted;
3. It applies to all tenants in the premises in a fair manner;
4. It is sufficiently explicit in its prohibition, direction, or limitation of the tenant's conduct to fairly inform him of what he must or must not do to comply;
5. It is not for the purpose of evading the obligations of the landlord; and
6. The tenant has been provided with a copy of the rules and regulations or changes thereto at the time he enters into the rental agreement or when they are adopted.

B. A rule or regulation adopted, changed, or provided to the tenant after the tenant enters into the rental agreement shall be enforceable against the tenant if reasonable notice of its adoption or change has been given to the tenant and it does not work a substantial modification of his bargain. If a rule or regulation is adopted or changed after the tenant enters into the rental agreement that does work a substantial modification of his bargain, it shall not be valid unless the tenant consents to it in writing.

C. Any court enforcing this chapter shall consider violations of the reasonable rules and regulations imposed under this section as a breach of the rental agreement and grant the landlord appropriate relief.

**§ 55-225.34. Access; consent; correction of nonemergency conditions; relocation of tenant.**

A. The tenant shall not unreasonably withhold consent to the landlord to enter into the dwelling unit in order to inspect the premises; make necessary or agreed repairs, decorations, alterations, or improvements; supply necessary or agreed-upon services; or exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen, or contractors. If, upon inspection of a dwelling unit during the term of a tenancy, the landlord determines there is a violation by the tenant of § 55-225.4 or the rental agreement materially affecting health and safety that can be remedied by repair, replacement of a damaged item, or cleaning in accordance with § 55-225.46, the landlord may make such repairs and send the tenant an invoice for payment. If, upon inspection of the dwelling unit during the term of a tenancy, the landlord discovers a violation of the rental agreement or other applicable law, the landlord may send a written notice of termination pursuant to § 55-225.43. If the rental agreement so provides and if a tenant without reasonable justification declines to permit the landlord or managing agent to exhibit the dwelling unit for sale or lease, the landlord may recover damages, costs, and reasonable attorney fees against such tenant.

The landlord may enter the dwelling unit without consent of the tenant in case of emergency. The landlord shall not abuse the right of access or use it to harass the tenant. Except in case of emergency or if it is impractical to do so, the landlord shall give the tenant notice of his intent to enter and may enter only at reasonable times. Unless impractical to do so, the landlord shall give the tenant at least 24 hours' notice of routine maintenance to be performed that has not been requested by the tenant. If the tenant makes a request for maintenance, the landlord is not required to provide notice to the tenant. During the pendency of an unlawful detainer filed by the landlord against the tenant, the landlord may request the court to enter an order requiring the tenant to provide the landlord access to such dwelling unit.

B. Upon the sole determination by the landlord of the existence of a nonemergency property condition in the dwelling unit that requires the tenant to temporarily vacate the dwelling unit in order for the landlord to properly remedy such property condition, the landlord may, upon at least 30 days' written notice to the tenant, require the tenant to temporarily vacate the dwelling unit for a period not to exceed 30 days to a comparable dwelling unit, or hotel, as selected by the landlord and at no expense or cost to the tenant. The landlord shall not be required to pay for any other expense of the tenant. The landlord and tenant may agree for the tenant to temporarily vacate the dwelling unit in less than 30 days. For purposes of this subsection, "nonemergency property condition" means (i) a condition in the dwelling unit that, in the determination of the landlord, is necessary for the landlord to remedy in order for the landlord to be in compliance with § 55-225.3; (ii) the condition does not need to be remedied within a 24-hour period, with any condition that needs to be remedied within 24 hours being defined as an "emergency condition"; and (iii) the condition can be effectively remedied only by the temporary relocation of the tenant pursuant to the provisions of this subsection.

The tenant shall continue to be responsible for payment of rent under the rental agreement during the period of any temporary relocation. The landlord shall pay all costs of repairs or remediation required to address the property condition. Refusal of the tenant to cooperate with a temporary relocation pursuant to this subsection shall be deemed a breach of the rental agreement, unless the tenant agrees to vacate the unit and terminate the rental agreement within the 30-day notice period. If the landlord properly remedies the nonemergency property condition within the 30-day period, nothing herein shall be construed to entitle the tenant to terminate the rental agreement. Further, nothing herein shall be construed to limit the landlord from taking legal action against the tenant for any noncompliance that occurs during the period of any temporary relocation pursuant to this section.

C. The landlord has no other right to access except by court order or that permitted by §§ 55-225.39 and 55-225.46 or if the tenant has abandoned or surrendered the premises.

D. The tenant may install, within the dwelling unit, new burglary prevention, including chain latch devices approved by the landlord, and fire detection devices, that the tenant may believe necessary to ensure his safety, provided that:

1. Installation does no permanent damage to any part of the dwelling unit;
2. A duplicate of all keys and instructions for how to operate all devices are given to the landlord; and
3. Upon termination of the tenancy, the tenant shall be responsible for payment to the landlord for reasonable costs incurred for the removal of all such devices and repairs to all damaged areas.

**§ 55-225.35. Fire or casualty damage.**

If the dwelling unit or premises are damaged or destroyed by fire or casualty to an extent that the tenant's enjoyment of the dwelling unit is substantially impaired or required repairs can be accomplished only if the tenant vacates the dwelling unit, either the tenant or the landlord may terminate the rental agreement. The tenant may terminate the rental agreement by vacating the premises and, within 14 days thereafter, serving on the landlord a written notice of his intention to terminate the rental agreement, in which case the rental agreement terminates as of the date of vacating; or if continued occupancy is lawful, § 55-226 shall apply.

The landlord may terminate the rental agreement by giving the tenant 14 days' notice of his intention to terminate the rental agreement based upon the landlord's determination that such damage requires the removal of the tenant and the use of the premises is substantially impaired, in which case the rental agreement terminates as of the expiration of the notice period.

If the rental agreement is terminated, the landlord shall return all security deposits in accordance with § 55-225.19 and prepaid rent, plus accrued interest, recoverable by law unless the landlord reasonably believes that the tenant, tenant's guests, invitees, or authorized occupants were the cause of the damage or casualty, in which case the landlord shall provide a written statement to the tenant for the security and prepaid rent, plus accrued interest based upon the damage or casualty, and may recover actual damages sustained pursuant to § 55-225.48. Proration for rent in the event of termination or apportionment shall be made as of the date of the casualty.

**§ 55-225.36. Use and occupancy by tenant.**

Unless otherwise agreed, the tenant shall occupy his dwelling unit only as a residence.

**§ 55-225.37. Tenant to surrender possession of dwelling unit.**

At the termination of the term of tenancy, whether by expiration of the rental agreement or by reason of default by the tenant, the tenant shall promptly vacate the premises, removing all items of personal property and leaving the premises in good and clean order, reasonable wear and tear excepted. If the tenant fails to vacate, the landlord may bring an action for possession and damages, including reasonable attorney fees.

**§ 55-225.38. Periodic tenancy; holdover remedies.**

A. The landlord or the tenant may terminate a week-to-week tenancy by serving a written notice on the other at least seven days prior to the next rent due date. The landlord or the tenant may terminate a month-to-month tenancy by serving a

written notice on the other at least 30 days prior to the next rent due date, unless the rental agreement provides for a different notice period. The landlord and the tenant may agree in writing to an early termination of a rental agreement. In the event that no such agreement is reached, the provisions of § 55-225.48 shall control.

B. If the tenant remains in possession without the landlord's consent after expiration of the term of the rental agreement or its termination, the landlord may bring an action for possession and may also recover actual damages, reasonable attorney fees, and court costs, unless the tenant proves by a preponderance of the evidence that the failure of the tenant to vacate the dwelling unit as of the termination date was reasonable. The landlord may include in the rental agreement a reasonable liquidated damage penalty, not to exceed an amount equal to 150 percent of the per diem of the monthly rent, for each day the tenant remains in the dwelling unit after the termination date specified in the landlord's notice. However, if the dwelling unit is a public housing unit or other housing unit subject to regulation by the Department of Housing and Urban Development, any liquidated damage penalty shall not exceed an amount equal to the per diem of the monthly rent set out in the lease agreement. If the landlord consents to the tenant's continued occupancy, § 55-225.22 applies.

C. In the event of termination of a rental agreement and the tenant remains in possession with the agreement of the landlord either as a hold-over tenant or a month-to-month tenant and no new rental agreement is entered into, the terms of the terminated agreement shall remain in effect and govern the hold-over or month-to-month tenancy, except that the amount of rent shall be either as provided in the terminated rental agreement or the amount set forth in a written notice to the tenant, provided that such new rent amount shall not take effect until the next rent due date coming 30 days after the notice.

**§ 55-225.39. Remedies for absence, nonuse and abandonment.**

If the rental agreement requires the tenant to give notice to the landlord of an anticipated extended absence in excess of seven days and the tenant fails to do so, the landlord may recover actual damages from the tenant. During any absence of the tenant in excess of seven days, the landlord may enter the dwelling unit at times reasonably necessary to protect his possessions and property. The rental agreement is deemed to be terminated by the landlord as of the date of abandonment by the tenant. If the landlord cannot determine whether the premises have been abandoned by the tenant, the landlord shall serve written notice on the tenant in accordance with § 55-225.20 requiring the tenant to give written notice to the landlord within seven days that the tenant intends to remain in occupancy of the premises. If the tenant gives such written notice to the landlord, or if the landlord otherwise determines that the tenant remains in occupancy of the premises, the landlord shall not treat the premises as having been abandoned. Unless the landlord receives written notice from the tenant or otherwise determines that the tenant remains in occupancy of the premises, upon the expiration of seven days from the date of the landlord's notice to the tenant, there shall be rebuttable presumption that the premises have been abandoned by the tenant and the rental agreement shall be deemed to terminate on that date. The landlord shall mitigate damages in accordance with § 55-225.48.

**§ 55-225.40. Disposal of property abandoned by tenants.**

If any items of personal property are left in the dwelling unit, the premises, or in any storage area provided by the landlord, after the rental agreement has terminated and delivery of possession has occurred, the landlord may consider such property to be abandoned. The landlord may dispose of the property so abandoned as the landlord sees fit or appropriate, provided that he has (i) given a termination notice to the tenant in accordance with this chapter, which includes a statement that any items of personal property left in the dwelling unit or the premises would be disposed of within the 24-hour period after termination, (ii) given written notice to the tenant in accordance with § 55-225.39, which includes a statement that any items of personal property left in the dwelling unit or the premises would be disposed of within the 24-hour period after expiration of the seven-day notice period, or (iii) given a separate written notice to the tenant, which includes a statement that any items of personal property left in the dwelling unit or the premises would be disposed of within 24 hours after expiration of a 10-day period from the date such notice was given to the tenant. Any written notice to the tenant shall be given in accordance with § 55-225.20. The tenant shall have the right to remove his personal property from the dwelling unit or the premises at reasonable times during the 24-hour period after termination or at such other reasonable times until the landlord has disposed of the remaining personal property of the tenant.

During the 24-hour period and until the landlord disposes of the remaining personal property of the tenant, the landlord shall not have any liability for the risk of loss for such personal property. If the landlord fails to allow reasonable access to the tenant to remove his personal property as provided in this section, the tenant shall have a right to injunctive or other relief as provided by law. If the landlord received any funds from any sale of abandoned property as provided in this section, the landlord shall pay such funds to the account of the tenant and apply same to any amounts due the landlord by the tenant, including the reasonable costs incurred by the landlord in selling, storing, or safekeeping such property. If any such funds are remaining after application, the remaining funds shall be treated as a security deposit under the provisions of § 55-225.19. The provisions of this section shall not be applicable if the landlord has been granted a writ of possession for the premises in accordance with Title 8.01 and execution of such writ has been completed pursuant to § 8.01-470.

**§ 55-225.41. Authority of sheriff to store and sell personal property removed from residential premises; recovery of possession by owner; disposition or sale.**

Notwithstanding the provisions of § 8.01-156, when personal property is removed from a dwelling unit, the premises, or from any storage area provided by the landlord pursuant to an action of unlawful detainer or ejectment, or pursuant to any other action in which personal property is removed from the dwelling unit in order to restore the dwelling unit to the person entitled thereto, the sheriff shall oversee the removal of such personal property to be placed into the public way. The tenant shall have the right to remove his personal property from the public way during the 24-hour period after eviction.

*Upon the expiration of the 24-hour period after eviction, the landlord shall remove, or dispose of, any such personal property remaining in the public way.*

*At the landlord's request, any personal property removed pursuant to this section shall be placed into a storage area designated by the landlord, which may be the dwelling unit. The tenant shall have the right to remove his personal property from the landlord's designated storage area at reasonable times during the 24 hours after eviction from the landlord's or at such other reasonable times until the landlord has disposed of the property as provided herein. During that 24-hour period and until the landlord disposes of the remaining personal property of the tenant, the landlord and the sheriff shall not have any liability for the risk of loss for such personal property. If the landlord fails to allow reasonable access to the tenant to remove his personal property as provided herein, the tenant shall have a right to injunctive or other relief as otherwise provided by law.*

*Any property remaining in the landlord's storage area upon the expiration of the 24-hour period after eviction may be disposed of by the landlord as the landlord sees fit or appropriate. If the landlord receives any funds from any sale of such remaining property, the landlord shall pay such funds to the account of the tenant and apply same to any amounts due the landlord by the tenant, including the reasonable costs incurred by the landlord in the eviction process described in this section or the reasonable costs incurred by the landlord in selling or storing such property. If any funds are remaining after application, the remaining funds shall be treated as security deposit under applicable law.*

*The notice posted by the sheriff setting the date and time of the eviction, pursuant to § 8.01-470, shall provide notice to the tenant of the rights afforded to tenants in this section and shall include in the said notice a copy of this statute attached to, or made a part of, this notice.*

*Nothing herein shall affect the right of a landlord to enforce an inchoate or perfected lien of the landlord on the personal property of a tenant: in a dwelling unit or on such premises leased to such tenant; and the right of a landlord to distress, levy, and seize such personal property as otherwise provided by law.*

**§ 55-225.42. Disposal of property of deceased tenants.**

*A. If a tenant who is the sole tenant under a written rental agreement still residing in the dwelling unit dies, and there is no person authorized by order of the circuit court to handle probate matters for the deceased tenant, the landlord may dispose of the personal property left in the dwelling unit or upon the premises. However, the landlord shall give at least 10 days' written notice to (i) the person identified in the rental application, lease agreement, or other landlord document as the authorized person to contact in the event of the death or emergency of the tenant or (ii) the tenant in accordance with § 55-225.20 if no such person is identified in the rental application, lease agreement, or other landlord document as the authorized contact person. The notice given under clause (i) or (ii) shall include a statement that any items of personal property left in the premises would be treated as abandoned property and disposed of in accordance with the provisions of § 55-225.40, if not claimed within 10 days after written notice. Authorized occupants, or guests or invitees, are not allowed to occupy the dwelling unit after the death of the sole remaining tenant and shall vacate the dwelling unit prior to the end of such 10-day period.*

*B. The landlord may request that such authorized contact person provide reasonable proof of identification. Thereafter, the authorized contact person identified in the rental application, lease agreement, or other landlord document may (i) have access to the dwelling unit or the premises and to the tenant records maintained by the landlord and (ii) rightfully claim the personal property of the deceased tenant and otherwise handle the affairs of the deceased tenant with the landlord.*

*C. The rental agreement is deemed to be terminated by the landlord as of the date of death of the tenant who is the sole tenant under a written rental agreement still residing in the dwelling unit, and the landlord shall not be required to seek an order of possession from a court of competent jurisdiction. The estate of the tenant shall remain liable for actual damages under § 55-225.48, and the landlord shall mitigate damages as provided thereunder.*

**§ 55-225.43. Noncompliance with rental agreement; monetary penalty.**

*A. Except as provided in this chapter, if there is a material noncompliance by the tenant with the rental agreement or a violation of § 55-225.4 materially affecting health and safety, the landlord may serve a written notice on the tenant specifying the acts and omissions constituting the breach and stating that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice if the breach is not remedied in 21 days, and that the rental agreement shall terminate as provided in the notice.*

*B. If the breach is remediable by repairs or the payment of damages or otherwise and the tenant adequately remedies the breach prior to the date specified in the notice, the rental agreement shall not terminate.*

*C. If the tenant commits a breach that is not remediable, the landlord may serve a written notice on the tenant specifying the acts and omissions constituting the breach and stating that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice. Notwithstanding anything to the contrary contained elsewhere in this chapter, when a breach of the tenant's obligations under this chapter or the rental agreement involves or constitutes a criminal or a willful act that is not remediable and that poses a threat to health or safety, the landlord may terminate the rental agreement immediately and proceed to obtain possession of the premises. For purposes of this subsection, any illegal drug activity involving a controlled substance, as used or defined by the Drug Control Act (§ 54.1-3400 et seq.), or any activity that involves or constitutes a criminal or willful act that also poses a threat to health or safety, by the tenant, the tenant's authorized occupants, or the tenant's guests or invitees shall constitute an immediate nonremediable violation for which the landlord may proceed to terminate the tenancy without the necessity of waiting for a conviction of any criminal offense that may arise out of the same actions. In order to obtain an order of possession from a court of competent*

jurisdiction terminating the tenancy for illegal drug activity or for any other activity that constitutes a criminal or willful act that also poses a threat to health or safety, the landlord shall prove any such violations by a preponderance of the evidence. However, where the illegal drug activity or any other activity that involves or constitutes a criminal or willful act is engaged in by a tenant's authorized occupants, or guests or invitees, the tenant shall be presumed to have knowledge of such activities unless the presumption is rebutted by a preponderance of the evidence. The initial hearing on the landlord's action for immediate possession of the premises shall be held within 15 calendar days from the date of service on the tenant; however, the court shall order an earlier hearing when emergency conditions are alleged to exist upon the premises which constitute an immediate threat to the health or safety of the other tenants. After the initial hearing, if the matter is scheduled for a subsequent hearing or for a contested trial, the court, to the extent practicable, shall order that the matter be given priority on the court's docket. Such subsequent hearing or contested trial shall be heard no later than 30 calendar days from the date of service on the tenant. During the interim period between the date of the initial hearing and the date of any subsequent hearing or contested trial, the court may afford any further remedy or relief as is necessary to protect the interests of parties to the proceeding or the interests of any other tenant residing on the premises. Failure by the court to hold either of the hearings within the time limits set out herein shall not be a basis for dismissal of the case.

D. If the tenant is a victim of family abuse as defined in § 16.1-228 that occurred in the dwelling unit or on the premises and the perpetrator is barred from the dwelling unit pursuant to § 55-225.44 based upon information provided by the tenant to the landlord, or by a protective order from a court of competent jurisdiction pursuant to § 16.1-253.1, 16.1-279.1, or subsection B of § 20-103, the lease shall not terminate due solely to an act of family abuse against the tenant. However, these provisions shall not be applicable if (i) the tenant fails to provide written documentation corroborating the tenant's status as a victim of family abuse and the exclusion from the dwelling unit of the perpetrator no later than 21 days from the alleged offense or (ii) the perpetrator returns to the dwelling unit or the premises, in violation of a bar notice, and the tenant fails promptly to notify the landlord within 24 hours thereafter that the perpetrator has returned to the dwelling unit or the premises, unless the tenant proves by a preponderance of the evidence that the tenant had no actual knowledge that the perpetrator violated the bar notice, or it was not possible for the tenant to notify the landlord within 24 hours, in which case the tenant shall promptly notify the landlord, but in no event more than seven days thereafter. If the provisions of this subsection are not applicable, the tenant shall remain responsible for the acts of the other co-tenants, authorized occupants, or guests or invitees pursuant to § 55-225.4, and is subject to termination of the tenancy pursuant to the lease and this chapter.

E. If the tenant has been served with a prior written notice that required the tenant to remedy a breach, and the tenant remedied such breach, where the tenant intentionally commits a subsequent breach of a like nature as the prior breach, the landlord may serve a written notice on the tenant specifying the acts and omissions constituting the subsequent breach, make reference to the prior breach of a like nature, and state that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice.

F. If rent is unpaid when due, and the tenant fails to pay rent within five days after written notice is served on him notifying the tenant of his nonpayment, and of the landlord's intention to terminate the rental agreement if the rent is not paid within the five-day period, the landlord may terminate the rental agreement and proceed to obtain possession of the premises as provided in § 55-225.48. If a check for rent is delivered to the landlord drawn on an account with insufficient funds, or if an electronic funds transfer has been rejected because of insufficient funds or a stop-payment order has been placed in bad faith by the authorizing party, and the tenant fails to pay rent within five days after written notice is served on him notifying the tenant of his nonpayment and of the landlord's intention to terminate the rental agreement if the rent is not paid by cash, cashier's check, certified check, or a completed electronic funds transfer within the five-day period, the landlord may terminate the rental agreement and proceed to obtain possession of the premises as provided in § 55-225.48. Nothing shall be construed to prevent a landlord from seeking an award of costs or attorney fees under § 8.01-27.1 or civil recovery under § 8.01-27.2, as a part of other damages requested on the unlawful detainer filed pursuant to § 8.01-126, provided the landlord has given notice in accordance with § 55-225.20, which notice may be included in the five-day termination notice provided in accordance with this section.

G. Except as provided in this chapter, the landlord may recover damages and obtain injunctive relief for any noncompliance by the tenant with the rental agreement or § 55-225.4. In the event of a breach of the rental agreement or noncompliance by the tenant, the landlord shall be entitled to recover from the tenant the following, regardless of whether or not a lawsuit is filed or an order obtained from a court: (i) rent due and owing as contracted for in the rental agreement, (ii) other charges and fees as contracted for in the rental agreement, (iii) late charges contracted for in the rental agreement, (iv) reasonable attorney fees as contracted for in the rental agreement or as provided by law, (v) costs of the proceeding as contracted for in the rental agreement or as provided by law only if court action has been filed, and (vi) damages to the dwelling unit or premises as contracted for in the rental agreement.

H. In a case where a lawsuit is pending before the court upon a breach of the rental agreement or noncompliance by the tenant and the landlord prevails, the court shall award a money judgment to the landlord and against the tenant for the relief requested, which may include the following: (i) rent due and owing as of the court date as contracted for in the rental agreement; (ii) other charges and fees as contracted for in the rental agreement; (iii) late charges contracted for in the rental agreement; (iv) reasonable attorney fees as contracted for in the rental agreement or as provided by law, unless in any such action the tenant proves by a preponderance of the evidence that the tenant's failure to pay rent or vacate was

reasonable; (v) costs of the proceeding as contracted for in the rental agreement or as provided by law; and (vi) damages to the dwelling unit or premises.

**§ 55-225.44. Barring guest or invitee of tenants.**

A. A guest or invitee of a tenant may be barred from the premises by the landlord upon written notice served personally upon the guest or invitee of the tenant for conduct on the landlord's property where the premises are located that violates the terms and conditions of the rental agreement, a local ordinance, or a state or federal law. A copy of the notice must be served upon the tenant in accordance with this chapter. The notice shall describe the conduct of the guest or invitee that is the basis for the landlord's action.

B. In addition to the remedies against the tenant authorized by this chapter, a landlord may apply to the magistrate for a warrant for trespass, provided that the guest or invitee has been served in accordance with subsection A.

C. The tenant may file a tenant's assertion, in accordance with § 55-225.12, requesting that the general district court review the landlord's action to bar the guest or invitee.

**§ 55-225.45. Sheriff authorized to serve certain notices; fees therefor.**

The sheriff of any county or city, upon request, may deliver any notice to a tenant on behalf of a landlord or lessor under the provisions of § 55-225.20. For this service, the sheriff shall be allowed a fee not to exceed \$12.

**§ 55-225.46. Remedy by repair, etc.; emergencies.**

If there is a violation by the tenant of § 55-225.4 or the rental agreement materially affecting health and safety that can be remedied by repair, replacement of a damaged item, or cleaning, the landlord shall send a written notice to the tenant specifying the breach and stating that the landlord will enter the dwelling unit and perform the work in a workmanlike manner, and submit an itemized bill for the actual and reasonable cost therefor to the tenant, which shall be due as rent on the next rent due date, or if the rental agreement has terminated, for immediate payment.

In case of emergency the landlord may, as promptly as conditions require, enter the dwelling unit, perform the work in a workmanlike manner, and submit an itemized bill for the actual and reasonable cost therefor to the tenant, which shall be due as rent on the next rent due date, or if the rental agreement has terminated, for immediate payment.

The landlord may perform the repair, replacement, or cleaning or may engage a third party to do so.

**§ 55-225.47. Landlord's acceptance of rent with reservation.**

A. Provided that the landlord has given written notice to the tenant that the rent will be accepted with reservation, the landlord may accept full or partial payment of all rent and receive an order of possession from a court of competent jurisdiction pursuant to an unlawful detainer action filed under Article 13 (§ 8.01-124 et seq.) of Chapter 3 of Title 8.01 and proceed with eviction under § 55-225.41. Such notice shall be included in a written termination notice given by the landlord to the tenant in accordance with § 55-225.43 or in a separate written notice given by the landlord to the tenant within five business days of receipt of the rent. Unless the landlord has given such notice in a termination notice in accordance with § 55-225.43, the landlord shall continue to give a separate written notice to the tenant within five business days of receipt of the rent that the landlord continues to accept the rent with reservation in accordance with this section until such time as the violation alleged in the termination notice has been remedied or the matter has been adjudicated in a court of competent jurisdiction. If the dwelling unit is a public housing unit or other housing unit subject to regulation by the Department of Housing and Urban Development, the landlord shall be deemed to have accepted rent with reservation pursuant to this subsection if the landlord gives the tenant the written notice required herein for the portion of the rent paid by the tenant.

B. Subsequent to the entry of an order of possession by a court of competent jurisdiction but prior to eviction pursuant to § 55-225.41, the landlord may accept all amounts owed to the landlord by the tenant, including full payment of any money judgment, award of attorney fees, and court costs, and all subsequent rents that may be paid prior to eviction, and proceed with eviction, provided that the landlord has given the tenant written notice that any such payment would be accepted with reservation and would not constitute a waiver of the landlord's right to evict the tenant from the dwelling unit. However, if a landlord enters into a new written rental agreement with the tenant prior to eviction, an order of possession obtained prior to the entry of such new rental agreement is not enforceable. Such notice shall be given in a separate written notice given by the landlord within five business days of receipt of payment of such money judgment, attorney fees and court costs, and all subsequent rents that may be paid prior to eviction. If the dwelling unit is a public housing unit or other housing unit subject to regulation by the Department of Housing and Urban Development, the landlord shall be deemed to have accepted rent with reservation pursuant to this subsection if the landlord gives the tenant the written notice required herein for the portion of the rent paid by the tenant. Writs of possession in cases of unlawful entry and detainer are otherwise subject to § 8.01-471.

C. However, the tenant may pay or present to the court a redemption tender for payment of all rent due and owing as of the return date, including late charges, attorney fees, and court costs, at or before the first return date on an action for unlawful detainer. For purposes of this section, "redemption tender" means a written commitment to pay all rent due and owing as of the return date, including late charges, attorney fees, and court costs, by a local government or nonprofit entity within 10 days of said return date.

D. If the tenant presents a redemption tender to the court at the return date, the court shall continue the action for unlawful detainer for 10 days following the return date for payment to the landlord of all rent due and owing as of the return date, including late charges, attorney fees, and court costs and dismissal of the action upon such payment. Should the landlord not receive full payment of all rent due and owing as of the return date, including late charges, attorney fees, and

court costs, within 10 days of the return date, the court shall, without further evidence, grant to the landlord judgment for all amounts due and immediate possession of the premises.

E. In cases of unlawful detainer, a tenant may pay the landlord or his attorney or pay into court all (i) rent due and owing as of the court date as contracted for in the rental agreement, (ii) other charges and fees as contracted for in the rental agreement, (iii) late charges contracted for in the rental agreement, (iv) reasonable attorney fees as contracted for in the rental agreement or as provided by law, and (v) costs of the proceeding as provided by law, at which time the unlawful detainer proceeding shall be dismissed. A tenant may invoke the rights granted in this section no more than one time during any 12-month period of continuous residency in the dwelling unit, regardless of the term of the rental agreement or any renewal term thereof.

**§ 55-225.48. Remedy after termination.**

If the rental agreement is terminated, the landlord may have a claim for possession and for rent and a separate claim for actual damages for breach of the rental agreement, reasonable attorney fees as provided in § 55-225.43, and the cost of service of any notice under § 55-225.20 or process by a sheriff or private process server, which cost shall not exceed the amount authorized by § 55-225.41, which claims may be enforced, without limitation, by the institution of an action for unlawful entry or detainer. Actual damages for breach of the rental agreement may include a claim for such rent as would have accrued until the expiration of the term thereof or until a tenancy pursuant to a new rental agreement commences, whichever first occurs, provided that nothing herein contained shall diminish the duty of the landlord to mitigate actual damages for breach of the rental agreement. In obtaining post-possession judgments for actual damages as defined herein, the landlord shall not seek a judgment for accelerated rent through the end of the term of the tenancy.

In any unlawful detainer action brought by the landlord, this section shall not be construed to prevent the landlord from being granted by the court a simultaneous judgment for money due and for possession of the premises without a credit for any security deposit. Upon the tenant's vacating the premises either voluntarily or by a writ of possession, security deposits shall be credited to the tenant's account by the landlord in accordance with the requirements of § 55-225.19.

**§ 55-226. Nonresidential buildings destroyed or lessee deprived of possession; covenant to pay rent or repair; reduction of rent.**

No covenant or promise by a lessee of nonresidential property to pay the rent, or that he will keep or leave the premises in good repair, shall have the effect, if the buildings thereon be destroyed by fire or otherwise, in whole or in part, without fault or negligence on his part, or if he be deprived of the possession of the premises by the public enemy, of binding him to make such payment or repair or erect such buildings again, unless there be other words showing it to be the intent of the parties that he should be so bound. But in case of such destruction there shall be a reasonable reduction of the rent for such time as may elapse until there be again upon the premises buildings of as much value to the tenant for his purposes as what may have been so destroyed; and, in case of such deprivation of possession, a like reduction until possession of the premises be restored to him.

**§ 55-226.2. Energy submetering, energy allocation equipment, sewer and water submetering equipment, ratio utility billings systems; local government fees.**

A. Energy submetering equipment, energy allocation equipment, water and sewer submetering equipment, or a ratio utility billing system may be used in a commercial or residential building, manufactured home park, or campground if clearly stated in the rental agreement or lease for the leased premises or dwelling unit. All energy submetering equipment and energy allocation equipment shall meet the requirements and standards established and enforced by the State Corporation Commission pursuant to § 56-245.3.

B. If energy submetering equipment, water and sewer submetering equipment, or energy allocation equipment is used in any building, manufactured home park, or campground, the owner, manager, or operator of the building, manufactured home park, or campground shall bill the tenant for electricity, oil, natural gas or water and sewer for the same billing period as the utility serving the building or campground, unless the rental agreement or lease expressly provides otherwise. The owner, manager, or operator of the building, manufactured home park, or campground may charge and collect from the tenant additional service charges, including, but not limited to, monthly billing fees, account set-up fees or account move-out fees, to cover the actual costs of administrative expenses and billing charged to the building, manufactured home park, or campground owner, manager, or operator by a third-party provider of such services, provided that such charges are agreed to by the building or campground owner and the tenant in the rental agreement or lease. The building or campground owner may require the tenant to pay a late charge of up to \$5 if the tenant fails to make payment when due, which shall not be less than 15 days following the date of mailing or delivery of the bill sent pursuant to this section.

C. If a ratio utility billing system is used in any building, manufactured home park, or campground, in lieu of increasing the rent, the owner, manager, or operator of the building, manufactured home park, or campground may employ such a program that utilizes a mathematical formula for allocating, among the tenants in a building, manufactured home park, or campground, the actual or anticipated water, sewer, electrical, oil, or natural gas billings billed to the building or campground owner from a third-party provider of the utility service. The owner, manager, or operator of the building, manufactured home park, or campground may charge and collect from the tenant additional service charges, including but not limited to monthly billing fees, account set-up fees, or account move-out fees, to cover the actual costs of administrative expenses and billings charged to the building, manufactured home park, or campground owner, manager, or operator by a third-party provider of such services, provided that such charges are agreed to by the building, manufactured home park, or campground owner and the tenant in the rental agreement or lease. The building, manufactured home park, or campground

owner may require the tenant to pay a late charge of up to \$5 if the tenant fails to make payment when due, which shall not be less than 15 days following the date of mailing or delivery of the bill sent pursuant to this section. The late charge shall be deemed rent (i) as defined in § 55-248.4 if a ratio utility billing system is used in a residential multifamily dwelling unit subject to the Virginia Residential Landlord and Tenant Act (§ 55-248.2 et seq.) or (ii) as defined in § 55-248.41 if a ratio utility billing system is used in manufactured home park subject to the Manufactured Home Lot Rental Act (55-248.41 et seq.).

D. Energy allocation equipment shall be tested periodically by the owner, operator or manager of the building, manufactured home park, or campground. Upon the request by a tenant, the owner shall test the energy allocation equipment without charge. The test conducted without charge to the tenant shall not be conducted more frequently than once in a 24-month period for the same tenant. The tenant or his designated representative may be present during the testing of the energy allocation equipment. A written report of the results of the test shall be made to the tenant within 10 working days after the completion of the test.

E. The owner of any building, manufactured home park, or campground shall maintain adequate records regarding energy submetering equipment, water and sewer submetering equipment, energy allocation equipment, or a ratio utility billing system. A tenant may inspect and copy the records for the leased premises during reasonable business hours at a convenient location within the building or campground. The owner of the building or campground may impose and collect a reasonable charge for copying documents, reflecting the actual costs of materials and labor for copying, prior to providing copies of the records to the tenant.

F. Notwithstanding any enforcement action undertaken by the State Corporation Commission pursuant to its authority under § 56-245.3, tenants and owners shall retain any private right of action resulting from any breach of the rental agreement or lease terms required by this section or § 56-245.3, if applicable, to the same extent as such actions may be maintained for breach of other terms of the rental agreement or lease under Chapter 13 (§ 55-217 et seq.) or Chapter 13.2 (§ 55-248.2 et seq.) of this title, if applicable. The use of energy submetering equipment, water and sewer submetering equipment, energy allocation equipment, or a ratio utility billing system is not within the jurisdiction of the Department of Agriculture and Consumer Services under Chapter 56 (§ 3.2-5600 et seq.) of Title 3.2.

G. In lieu of increasing the rent, the owner, manager, or operator of a commercial or residential building, manufactured home park, or campground may employ a program that utilizes a mathematical formula for allocating the actual or anticipated local government fees billed to the building, manufactured home park, or campground owner among the tenants in such building, manufactured home park, or campground if clearly stated in the rental agreement or lease for the leased premises or dwelling unit. Permitted allocation methods may include formulas based upon square footage, occupancy, number of bedrooms, or some other specific method agreed to by the building, manufactured home park, or campground owner and the tenant in the rental agreement or lease. Such owner, manager, or operator of a commercial or residential building, manufactured home park, or campground may also charge and collect from each tenant additional service charges, including monthly billing fees, account set-up fees, or account move-out fees, to cover the actual costs of administrative expenses for administration of such a program. If the building is residential and is subject to (i) the Virginia Residential Landlord and Tenant Act (§ 55-248.2 et seq.), such local government fees and administrative expenses shall be deemed to be rent as defined in § 55-248.4 or (ii) the Manufactured Home Lot Rental Act (55-248.41 et seq.), such local government fees and administrative expenses shall be deemed to be rent as defined in § 55-248.41.

H. Nothing in this section shall be construed to prohibit an owner, manager, or operator of a commercial or residential building, manufactured home park, or campground from including water, sewer, electrical, natural gas, *oil*, or other utilities in the amount of rent as specified in the rental agreement or lease.

I. As used in this section:

"Building" means all of the individual units served through the same utility-owned meter within a commercial or residential building that is defined in subsection A of § 56-245.2 as an apartment building or house, office building or shopping center, or all of the individual dwelling units served through the same utility-owned meter within a manufactured home park as defined in § 55-248.41.

"Campground" means the same as that term is defined in § 35.1-1.

"Campsite" means the same as that term is defined in § 35.1-1.

"Energy allocation equipment" has the same meaning ascribed to such term in subsection A of § 56-245.2.

"Energy submetering equipment" has the same meaning ascribed to "submetering equipment" in subsection A of § 56-245.2.

"Local government fees" means any local government charges or fees assessed against a commercial or residential building or campground, including stormwater, recycling, trash collection, elevator testing, fire or life safety testing, or residential rental inspection programs.

"Ratio utility billing system" means a program that utilizes a mathematical formula for allocating, among the tenants in a building or campground, the actual or anticipated water, sewer, electrical, *oil*, or natural gas billings billed to the building or campground owner from a third-party provider of the utility service. Permitted allocation methods may include formulas based upon square footage, occupancy, number of bedrooms, or some other specific method agreed to by the building or campground owner and the tenant in the rental agreement or lease.

"Water and sewer submetering equipment" means equipment used to measure actual water or sewer usage in any dwelling unit or nonresidential rental unit, as defined in subsection A of § 56-245.2 or campsite, when such equipment is

not owned or controlled by the utility or other provider of water or sewer service that provides service to the building in which the dwelling unit or nonresidential rental unit is located or campground where the campsite is located.

**§ 55-237.1. Authority of sheriffs to store and sell personal property removed from nonresidential premises; recovery of possession by owner; disposition or sale.**

Notwithstanding the provisions of § 8.01-156, when personal property is removed from any leased or rented commercial or ~~residential~~ nonresidential premises pursuant to an action of unlawful detainer or ejection, or pursuant to any other action in which personal property is removed from the premises in order to restore such premises to the person entitled thereto, the sheriff shall oversee the removal of such personal property to be placed into the public way. The tenant shall have the right to remove his personal property from the public way during the 24-hour period after eviction. Upon the expiration of the 24-hour period after eviction, the landlord shall remove, or dispose of, any such personal property remaining in the public way.

At the landlord's request, any personal property removed pursuant to this section shall be placed into a storage area designated by the landlord, which may be the leased or rented premises. The tenant shall have the right to remove his personal property from the landlord's designated storage area at reasonable times during the 24 hours after eviction from the premises or at such other reasonable times until the landlord has disposed of the property as provided herein. During that 24-hour period and until the landlord disposes of the remaining personal property of the tenant, the landlord and the sheriff shall not have any liability for the loss of such personal property. If the landlord fails to allow reasonable access to the tenant to remove his personal property as provided herein, the tenant shall have a right to injunctive relief and such other relief as may be provided by law.

Any property remaining in the landlord's storage area upon the expiration of the 24-hour period after eviction may be disposed of by the landlord as the landlord sees fit or appropriate. Nothing in this section shall be construed by a court of law or otherwise as entitling the tenant, upon the termination of the tenancy, to an immediate credit against the tenant's delinquent rent account in the amount of the security deposit. The landlord shall apply the security deposit in accordance with this section within the 45-day time period. However, provided the landlord has given prior written notice in accordance with this section, the landlord may withhold a reasonable portion of the security deposit to cover an amount of the balance due on the water, sewer, or other utility account that is an obligation of the tenant to a third-party provider under the rental agreement for the dwelling unit, and upon payment of such obligations the landlord shall provide written confirmation to the tenant within 10 days thereafter, along with payment to the tenant of any balance otherwise due to the tenant. In order to withhold such funds as part of the disposition of the security deposit, the landlord shall have so advised the tenant of his rights and obligations under this section in ~~(i)~~ (a) a termination notice to the tenant in accordance with this chapter, ~~(ii)~~ (b) a vacating notice to the tenant in accordance with this section, or ~~(iii)~~ (c) a separate written notice to the tenant at least 15 days prior to the disposition of the security deposit. Any written notice to the tenant shall be given in accordance with § 55-248.6.

The tenant may provide the landlord with written confirmation of the payment of the final water, sewer, or other utility bill for the dwelling unit, in which case the landlord shall refund the security deposit, unless there are other authorized deductions, within the 45-day period, or if the tenant provides such written confirmation after the expiration of the 45-day period, the landlord shall refund any remaining balance of the security deposit held to the tenant within 10 days following the receipt of such written confirmation provided by the tenant. If the landlord otherwise receives confirmation of payment of the final water, sewer, or other utility bill for the dwelling unit, the landlord shall refund the security deposit, unless there are other authorized deductions, within the 45-day period.

Nothing in this section shall be construed to prohibit the landlord from making the disposition of the security deposit prior to the 45-day period and charging an administrative fee to the tenant for such expedited processing, if the rental agreement so provides and the tenant requests expedited processing in a separate written document.

The landlord shall notify the tenant in writing of any deductions provided by this subsection to be made from the tenant's security deposit during the course of the tenancy. Such notification shall be made within 30 days of the date of the determination of the deduction and shall itemize the reasons in the same manner as provided in subsection B. Such notification shall not be required for deductions made less than 30 days prior to the termination of the rental agreement. If the landlord willfully fails to comply with this section, the court shall order the return of the security deposit to the tenant, together with actual damages and reasonable attorney fees, unless the tenant owes rent to the landlord, in which case, the court shall order an amount equal to the security deposit credited against the rent due to the landlord. In the event that damages to the premises exceed the amount of the security deposit and require the services of a third party contractor, the landlord shall give written notice to the tenant advising him of that fact within the 45-day period. If notice is given as prescribed in this paragraph, the landlord shall have an additional 15-day period to provide an itemization of the damages and the cost of repair. This section shall not preclude the landlord or tenant from recovering other damages to which he may be entitled under this chapter. The holder of the landlord's interest in the premises at the time of the termination of the tenancy, regardless of how the interest is acquired or transferred, is bound by this section and shall be required to return any security deposit received by the original landlord that is duly owed to the tenant, whether or not such security deposit is transferred with the landlord's interest by law or equity, regardless of any contractual agreements between the original landlord and his successors in interest.

B. The landlord shall:

1. Maintain and itemize records for each tenant of all deductions from security deposits provided for under this section which the landlord has made by reason of a tenant's noncompliance with § 55-248.16 during the preceding two years; and
2. Permit a tenant or his authorized agent or attorney to inspect such tenant's records of deductions at any time during normal business hours.

C. Upon request by the landlord to a tenant to vacate, or within five days after receipt of notice by the landlord of the tenant's intent to vacate, the landlord shall ~~make reasonable efforts to advise~~ *provide written notice to* the tenant of the tenant's right to be present at the landlord's inspection of the dwelling unit for the purpose of determining the amount of security deposit to be returned. If the tenant desires to be present when the landlord makes the inspection, he shall so advise the landlord in writing who, in turn, shall notify the tenant of the time and date of the inspection, which must be made within 72 hours of delivery of possession. ~~Upon completion of the inspection attended by the tenant, the landlord shall furnish the tenant with an itemized list of damages to the dwelling unit known to exist at the time of the inspection~~ *Following the move-out inspection, the landlord shall provide the tenant with a written security deposit disposition statement, including an itemized list of damages. If additional damages are discovered by the landlord after the security deposit disposition has been made, nothing herein shall be construed to preclude the landlord from recovery of such damages against the tenant, provided, however, that the tenant may present into evidence a copy of the move-out report to support the tenant's position that such additional damages did not exist at the time of the move-out inspection.*

D. If the tenant has any assignee or sublessee, the landlord shall be entitled to hold a security deposit from only one party in compliance with the provisions of this section.

**§ 55-248.16. Tenant to maintain dwelling unit.**

A. In addition to the provisions of the rental agreement, the tenant shall:

1. Comply with all obligations primarily imposed upon tenants by applicable provisions of building and housing codes materially affecting health and safety;

2. Keep that part of the dwelling unit and the part of the premises that he occupies and uses as clean and safe as the condition of the premises permit;

3. Keep that part of the dwelling unit and the part of the premises that he occupies free from insects and pests, as those terms are defined in § 3.2-3900, and to promptly notify the landlord of the existence of any insects or pests;

4. Remove from his dwelling unit all ashes, garbage, rubbish and other waste in a clean and safe manner and in the appropriate receptacles provided by the landlord ~~pursuant to § 55-248.13, if such disposal is on the premises;~~

5. Keep all plumbing fixtures in the dwelling unit or used by the tenant as clean as their condition permits;

6. Use in a reasonable manner all utilities and all electrical, plumbing, sanitary, heating, ventilating, air-conditioning and other facilities and appliances including ~~elevators~~ *an elevator in the a multifamily premises*, and keep all utility services paid for by the tenant to the utility service provider or its agent on at all times during the term of the rental agreement;

7. Not deliberately or negligently destroy, deface, damage, impair or remove any part of the premises or permit any person to do so whether known by the tenant or not;

8. Not remove or tamper with a properly functioning smoke detector installed by the landlord, including removing any working batteries, so as to render the detector inoperative and shall maintain the smoke detector in accordance with the uniform set of standards for maintenance of smoke detectors established in the Uniform Statewide Building Code (§ 36-97 et seq.);

9. Not remove or tamper with a properly functioning carbon monoxide alarm installed by the landlord, including removing any working batteries, so as to render the carbon monoxide detector inoperative and shall maintain the carbon monoxide alarm in accordance with the uniform set of standards for maintenance of carbon monoxide alarms established in the Uniform Statewide Building Code (§ 36-97 et seq.);

10. Use reasonable efforts to maintain the dwelling unit and any other part of the premises that he occupies in such a condition as to prevent accumulation of moisture and the growth of mold, and to promptly notify the landlord of any moisture accumulation that occurs or of any visible evidence of mold discovered by the tenant;

11. Not paint or disturb painted surfaces or make alterations in the dwelling unit without the prior written approval of the landlord, provided *that* (i) the dwelling unit was constructed prior to 1978 and therefore requires the landlord to provide the tenant with lead-based paint disclosures and (ii) the landlord has provided the tenant with such disclosures and the rental agreement provides that the tenant is required to obtain the landlord's prior written approval before painting, disturbing painted surfaces, or making alterations in the dwelling unit;

12. Be responsible for his conduct and the conduct of other persons on the premises with his consent whether known by the tenant or not, to ensure that his neighbors' peaceful enjoyment of the premises will not be disturbed; and

13. Abide by all reasonable rules and regulations imposed by the landlord ~~pursuant to § 55-248.17.~~

B. If the duty imposed by subdivision A 1 ~~of subsection A~~ is greater than any duty imposed by any other subdivision of that subsection, the tenant's duty shall be determined by reference to subdivision A 1.

**§ 55-248.17. Rules and regulations.**

A. A landlord, from time to time, may adopt rules or regulations, however described, concerning the tenants' use and occupancy of the *dwelling unit and* premises. Any such rule or regulation is enforceable against the tenant only if:

1. Its purpose is to promote the convenience, safety or welfare of the tenants in the premises, preserve the landlord's property from abusive use or make a fair distribution of services and facilities held out for the tenants generally;

2. It is reasonably related to the purpose for which it is adopted;

3. It applies to all tenants in the premises in a fair manner;

4. It is sufficiently explicit in its prohibition, direction or limitation of the tenant's conduct to fairly inform him of what he must or must not do to comply;

5. It is not for the purpose of evading the obligations of the landlord; and

6. The tenant has been provided with a copy of the rules and regulations or changes thereto at the time he enters into the rental agreement or when they are adopted.

B. A rule or regulation adopted, changed, or provided to the tenant after the tenant enters into the rental agreement shall be enforceable against the tenant if reasonable notice of its adoption or change has been given to the tenant and it does not work a substantial modification of his bargain. If a rule or regulation is adopted or changed after the tenant enters into the rental agreement that does work a substantial modification of his bargain, it shall not be valid unless the tenant consents to it in writing.

C. Any court enforcing this chapter shall consider violations of the reasonable rules and regulations imposed under this section as a breach of the rental agreement and grant the landlord appropriate relief.

**§ 55-248.18. Access; consent; correction of nonemergency conditions; relocation of tenant.**

A. The tenant shall not unreasonably withhold consent to the landlord to enter into the dwelling unit in order to inspect the premises, make necessary or agreed repairs, decorations, alterations or improvements, supply necessary or agreed services or exhibit the dwelling unit to prospective or actual purchasers, mortgagees, tenants, workmen or contractors. If, upon inspection of a dwelling unit during the term of a tenancy, the landlord determines there is a violation by the tenant of § 55-248.16 or the rental agreement materially affecting health and safety that can be remedied by repair, replacement of a damaged item or cleaning in accordance with § 55-248.32, the landlord may make such repairs and send the tenant an invoice for payment. If, upon inspection of the dwelling unit during the term of a tenancy, the landlord discovers a violation of the rental agreement, this chapter, or other applicable law, the landlord may send a written notice of termination pursuant to § 55-248.31. If the rental agreement so provides and if a tenant without reasonable justification declines to permit the landlord or managing agent to exhibit the dwelling unit for sale or lease, the landlord may recover damages, costs, and reasonable attorney fees against such tenant.

The landlord may enter the dwelling unit without consent of the tenant in case of emergency. The landlord shall not abuse the right of access or use it to harass the tenant. Except in case of emergency or if it is impractical to do so, the landlord shall give the tenant notice of his intent to enter and may enter only at reasonable times. Unless impractical to do so, the landlord shall give the tenant at least 24-hours' notice of routine maintenance to be performed that has not been requested by the tenant. If the tenant makes a request for maintenance, the landlord is not required to provide notice to the tenant. *During the pendency of an unlawful detainer filed by the landlord against the tenant, the landlord may request the court to enter an order requiring the tenant to provide the landlord with access to such dwelling unit.*

B. Upon the sole determination by the landlord of the existence of a nonemergency property condition in the dwelling unit that requires the tenant to temporarily vacate the dwelling unit in order for the landlord to properly remedy such property condition, the landlord may, upon at least 30 days' written notice to the tenant, require the tenant to temporarily vacate the dwelling unit for a period not to exceed 30 days to a comparable dwelling unit, *or hotel*, as selected by the landlord; and at no expense or cost to the tenant. *The landlord shall not be required to pay for any other expenses of the tenant that arise after the temporary relocation period.* The landlord and tenant may agree for the tenant to temporarily vacate the dwelling unit in less than 30 days. For purposes of this subsection, "nonemergency property condition" means (i) a condition in the dwelling unit that, in the determination of the landlord, is necessary for the landlord to remedy in order for the landlord to be in compliance with § 55-248.13; (ii) the condition does not need to be remedied within a 24-hour period, with any condition that needs to be remedied within 24 hours being defined as an "emergency condition"; and (iii) the condition can only be effectively remedied by the temporary relocation of the tenant pursuant to the provisions of this subsection.

The tenant shall continue to be responsible for payment of rent under the rental agreement during the period of any temporary relocation. The landlord shall pay all costs of repairs or remediation required to address the property condition. Refusal of the tenant to cooperate with a temporary relocation pursuant to this subsection shall be deemed a breach of the rental agreement, unless the tenant agrees to vacate the unit and terminate the rental agreement within the 30-day notice period. If the landlord properly remedies the nonemergency property condition within the 30-day period, nothing herein shall be construed to entitle the tenant to terminate the rental agreement. Further, nothing herein shall be construed to limit the landlord from taking legal action against the tenant for any noncompliance that occurs during the period of any temporary relocation pursuant to this section. *During the pendency of an unlawful detainer filed by the landlord against the tenant, the landlord may request the court to enter an order requiring the tenant to provide the landlord with access to such dwelling unit.*

C. The landlord has no other right to access except by court order or that permitted by §§ 55-248.32 and 55-248.33 or if the tenant has abandoned or surrendered the premises.

D. The tenant may install, within the dwelling unit, new burglary prevention, including chain latch devices approved by the landlord, and fire detection devices, that the tenant may believe necessary to ensure his safety, provided:

1. Installation does no permanent damage to any part of the dwelling unit.
2. A duplicate of all keys and instructions of how to operate all devices are given to the landlord.
3. Upon termination of the tenancy, the tenant shall be responsible for payment to the landlord for reasonable costs incurred for the removal of all such devices and repairs to all damaged areas.

E. Upon written request of the tenant *in a dwelling unit*, the landlord shall install a carbon monoxide alarm in the tenant's dwelling unit within 90 days of such request and may charge the tenant a reasonable fee to recover the costs of *the*

equipment and labor for such installation. The landlord's installation of a carbon monoxide alarm shall be in compliance with the Uniform Statewide Building Code.

**§ 55-248.18:2. Relocation of tenant where mold remediation needs to be performed in the dwelling unit.**

Where a mold condition in the dwelling unit materially affects the health or safety of any tenant or authorized occupant, the landlord may require the tenant to temporarily vacate the dwelling unit in order for the landlord to perform mold remediation in accordance with professional standards as defined in § 55-248.4 for a period not to exceed 30 days. The landlord shall provide the tenant with either (i) a comparable dwelling unit, as selected by the landlord, at no expense or cost to the tenant, or (ii) a hotel room as selected by the landlord, at no expense or cost to the tenant. *The landlord shall not be required to pay for any other expenses of the tenant that arise after the relocation period.* The tenant shall continue to be responsible for payment of rent under the rental agreement during the period of any temporary relocation and for the remainder of the term of the rental agreement following the remediation. Nothing in this section shall be construed as entitling the tenant to a termination of a tenancy where or when the landlord has remediated a mold condition in accordance with professional standards as defined in § 55-248.4. The landlord shall pay all costs of the relocation and the mold remediation, unless the mold is a result of the tenant's failure to comply with § 55-248.16.

**§ 55-248.21:1. Early termination of rental agreement by military personnel.**

A. Any member of the armed forces of the United States or a member of the National Guard serving on full-time duty or as a Civil Service technician with the National Guard may, through the procedure detailed in subsection B, terminate his rental agreement if the member (i) has received permanent change of station orders to depart 35 miles or more (radius) from the location of the dwelling unit; (ii) has received temporary duty orders in excess of three months' duration to depart 35 miles or more (radius) from the location of the dwelling unit; (iii) is discharged or released from active duty with the ~~armed forces~~ *Armed Forces* of the United States or from his full-time duty or technician status with the National Guard; or (iv) is ordered to report to government-supplied quarters resulting in the forfeiture of basic allowance for quarters.

B. Tenants who qualify to terminate a rental agreement pursuant to subsection A shall do so by serving on the landlord a written notice of termination to be effective on a date stated therein, such date to be not less than 30 days after the first date on which the next rental payment is due and payable after the date on which the written notice is given. The termination date shall be no more than 60 days prior to the date of departure necessary to comply with the official orders or any supplemental instructions for interim training or duty prior to the transfer. Prior to the termination date, the tenant shall furnish the landlord with a copy of the official notification of the orders or a signed letter, confirming the orders, from the tenant's commanding officer.

The landlord may not charge any liquidated damages.

C. Nothing in this section shall affect the tenant's obligations established by § 55-248.16.

~~D. The exemption provided in subdivision 10 of subsection A of § 55-248.5 shall not apply to this section.~~

**§ 55-248.24. Fire or casualty damage.**

If the dwelling unit or premises are damaged or destroyed by fire or casualty to an extent that the tenant's enjoyment of the dwelling unit is substantially impaired or required repairs can only be accomplished if the tenant vacates the dwelling unit, either the tenant or the landlord may terminate the rental agreement. The tenant may terminate the rental agreement by vacating the premises and within 14 days thereafter, serve on the landlord a written notice of his intention to terminate the rental agreement, in which case the rental agreement terminates as of the date of vacating; or if continued occupancy is lawful, § 55-226 shall apply.

The landlord may terminate the rental agreement by giving the tenant 14 days' notice of his intention to terminate the rental agreement based upon the landlord's determination that such damage requires the removal of the tenant and the use of the premises is substantially impaired, in which case the rental agreement terminates as of the expiration of the notice period.

If the rental agreement is terminated, the landlord shall return all security deposits in accordance with § 55-248.15:1 and prepaid rent, plus accrued interest, recoverable by law unless the landlord reasonably believes that the tenant, tenant's guests, invitees or authorized occupants were the cause of the damage or casualty, in which case the landlord shall ~~account~~ *provide a written statement* to the tenant for the security and prepaid rent, plus accrued interest based upon the damage or casualty, and may recover actual damages sustained pursuant to § 55-248.35. ~~Accounting~~ *Proration* for rent in the event of termination or apportionment shall be made as of the date of the casualty.

**§ 55-248.27. Tenant's assertion; rent escrow.**

A. The tenant may assert that there exists upon the leased premises, a condition or conditions which constitute a material noncompliance by the landlord with the rental agreement or with provisions of law, or which if not promptly corrected, will constitute a fire hazard or serious threat to the life, health or safety of occupants thereof, including but not limited to, a lack of heat or hot or cold running water, except if the tenant is responsible for payment of the utility charge and where the lack of such heat or hot or cold running water is the direct result of the tenant's failure to pay the utility charge; or of light, electricity or adequate sewage disposal facilities; or an infestation of rodents, ~~except if the property is a one-family dwelling~~; or of the existence of paint containing lead pigment on surfaces within the dwelling, provided that the landlord has notice of such paint. The tenant may file such an assertion in a general district court wherein the premises are located by a declaration setting forth such assertion and asking for one or more forms of relief as provided for in subsection D.

B. Prior to the granting of any relief, the tenant shall show to the satisfaction of the court that:

1. Prior to the commencement of the action the landlord was served a written notice by the tenant of the conditions described in subsection A, or was notified of such conditions by a violation or condemnation notice from an appropriate state or municipal agency, and that the landlord has refused, or having a reasonable opportunity to do so, has failed to remedy the same. For the purposes of this subsection, what period of time shall be deemed to be unreasonable delay is left to the discretion of the court except that there shall be a rebuttable presumption that a period in excess of ~~thirty~~ 30 days from receipt of the notification by the landlord is unreasonable; and

2. The tenant has paid into court the amount of rent called for under the rental agreement, within five days of the date due thereunder, unless or until such amount is modified by subsequent order of the court under this chapter.

C. It shall be sufficient answer or rejoinder to a declaration pursuant to subsection A if the landlord establishes to the satisfaction of the court that the conditions alleged by the tenant do not in fact exist, or such conditions have been removed or remedied, or such conditions have been caused by the tenant or members of his family or his or their invitees or licensees, or the tenant has unreasonably refused entry to the landlord to the premises for the purpose of correcting such conditions.

D. Any court shall make findings of fact on the issues before it and shall issue any order that may be required. Such an order may include, but is not limited to, any one or more of the following:

1. Terminating the rental agreement upon the request of the tenant or ordering the premises surrendered to the landlord if the landlord prevails on a request for possession pursuant to an unlawful detainer properly filed with the court;

2. Ordering all moneys already accumulated in escrow disbursed to the landlord or to the tenant in accordance with this chapter;

3. Ordering that the escrow be continued until the conditions causing the complaint are remedied;

4. Ordering that the amount of rent, whether paid into the escrow account or paid to the landlord, be abated as determined by the court in such an amount as may be equitable to represent the existence of the condition or conditions found by the court to exist. In all cases where the court deems that the tenant is entitled to relief under this chapter, the burden shall be upon the landlord to show cause why there should not be an abatement of rent;

5. Ordering any amount of moneys accumulated in escrow disbursed to the tenant where the landlord refuses to make repairs after a reasonable time or to the landlord or to a contractor chosen by the landlord in order to make repairs or to otherwise remedy the condition. In either case, the court shall in its order insure that moneys thus disbursed will be in fact used for the purpose of making repairs or effecting a remedy;

6. Referring any matter before the court to the proper state or municipal agency for investigation and report and granting a continuance of the action or complaint pending receipt of such investigation and report. When such a continuance is granted, the tenant shall deposit with the court rents within five days of date due under the rental agreement, subject to any abatement under this section, which become due during the period of the continuance, to be held by the court pending its further order;

7. In its discretion, ordering escrow funds disbursed to pay a mortgage on the property in order to stay a foreclosure; or

8. In its discretion, ordering escrow funds disbursed to pay a creditor to prevent or satisfy a bill to enforce a mechanic's or materialman's lien.

Notwithstanding any provision of this subsection, where an escrow account is established by the court and the condition or conditions are not fully remedied within six months of the establishment of such account, and the landlord has not made reasonable attempts to remedy the condition, the court shall award all moneys accumulated in escrow to the tenant. In such event, the escrow shall not be terminated, but shall begin upon a new six-month period with the same result if, at the end thereof, the condition or conditions have not been remedied.

E. The initial hearing on the tenant's assertion filed pursuant to subsection A shall be held within fifteen calendar days from the date of service of process on the landlord as authorized by § 55-248.12, except that the court shall order an earlier hearing where emergency conditions are alleged to exist upon the premises, such as failure of heat in winter, lack of adequate sewage facilities or any other condition which constitutes an immediate threat to the health or safety of the inhabitants of the leased premises. The court, on motion of either party or on its own motion, may hold hearings subsequent to the initial proceeding in order to further determine the rights and obligations of the parties. Distribution of escrow moneys may only occur by order of the court after a hearing of which both parties are given notice as required by law or upon motion of both the landlord and tenant or upon certification by the appropriate inspector that the work required by the court to be done has been satisfactorily completed. If the tenant proceeds under this subsection, he may not proceed under any other section of this article as to that breach.

**§ 55-248.31. Noncompliance with rental agreement; monetary penalty.**

A. Except as provided in this chapter, if there is a material noncompliance by the tenant with the rental agreement or a violation of § 55-248.16 materially affecting health and safety, the landlord may serve a written notice on the tenant specifying the acts and omissions constituting the breach and stating that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice if the breach is not remedied in 21 days, and that the rental agreement shall terminate as provided in the notice.

B. If the breach is remediable by repairs or the payment of damages or otherwise and the tenant adequately remedies the breach prior to the date specified in the notice, the rental agreement shall not terminate.

C. If the tenant commits a breach which is not remediable, the landlord may serve a written notice on the tenant specifying the acts and omissions constituting the breach and stating that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice. Notwithstanding anything to the contrary contained elsewhere in this chapter,

when a breach of the tenant's obligations under this chapter or the rental agreement involves or constitutes a criminal or a willful act, which is not remediable and which poses a threat to health or safety, the landlord may terminate the rental agreement immediately and proceed to obtain possession of the premises. For purposes of this subsection, any illegal drug activity involving a controlled substance, as used or defined by the Drug Control Act (§ 54.1-3400 et seq.), *or any activity that involves or constitutes a criminal or willful act that also poses a threat to health and safety*, by the tenant, the tenant's authorized occupants, or the tenant's guests or invitees; shall constitute an immediate nonremediable violation for which the landlord may proceed to terminate the tenancy without the necessity of waiting for a conviction of any criminal offense that may arise out of the same actions. In order to obtain an order of possession from a court of competent jurisdiction terminating the tenancy for illegal drug activity or for any other ~~action~~ activity that involves or constitutes a criminal or willful act *that also poses a threat to health and safety*, the landlord shall prove any such violations by a preponderance of the evidence. However, where the illegal drug activity *or any activity that involves or constitutes a criminal or willful act that also poses a threat to health and safety* is engaged in by a tenant's authorized occupants, or guests or invitees, the tenant shall be presumed to have knowledge of such ~~illegal drug activity activities~~ unless the presumption is rebutted by a preponderance of the evidence. The initial hearing on the landlord's action for immediate possession of the premises shall be held within 15 calendar days from the date of service on the tenant; however, the court shall order an earlier hearing when emergency conditions are alleged to exist upon the premises which constitute an immediate threat to the health or safety of the other tenants. After the initial hearing, if the matter is scheduled for a subsequent hearing or for a contested trial, the court, to the extent practicable, shall order that the matter be given priority on the court's docket. Such subsequent hearing or contested trial shall be heard no later than 30 calendar days from the date of service on the tenant. During the interim period between the date of the initial hearing and the date of any subsequent hearing or contested trial, the court may afford any further remedy or relief as is necessary to protect the interests of parties to the proceeding or the interests of any other tenant residing on the premises. Failure by the court to hold either of the hearings within the time limits set out herein shall not be a basis for dismissal of the case.

D. If the tenant is a victim of family abuse as defined in § 16.1-228 that occurred in the dwelling unit or on the premises and the perpetrator is barred from the dwelling unit pursuant to § 55-248.31:01 based upon information provided by the tenant to the landlord, or by a protective order from a court of competent jurisdiction pursuant to § 16.1-253.1, 16.1-279.1, or subsection B of § 20-103, the lease shall not terminate due solely to an act of family abuse against the tenant. However, these provisions shall not be applicable if (i) the tenant fails to provide written documentation corroborating the tenant's status as a victim of family abuse and the exclusion from the dwelling unit of the perpetrator no later than 21 days from the alleged offense or (ii) the perpetrator returns to the dwelling unit or the premises, in violation of a bar notice, and the tenant fails promptly to notify the landlord within 24 hours thereafter that the perpetrator has returned to the dwelling unit or the premises, unless the tenant proves by a preponderance of the evidence that the tenant had no actual knowledge that the perpetrator violated the bar notice, or it was not possible for the tenant to notify the landlord within 24 hours, in which case the tenant shall promptly notify the landlord, but in no event more than 7 days thereafter. If the provisions of this subsection are not applicable, the tenant shall remain responsible for the acts of the other co-tenants, authorized occupants or guests or invitees pursuant to § 55-248.16, and is subject to termination of the tenancy pursuant to the lease and this chapter.

E. If the tenant has been served with a prior written notice which required the tenant to remedy a breach, and the tenant remedied such breach, where the tenant intentionally commits a subsequent breach of a like nature as the prior breach, the landlord may serve a written notice on the tenant specifying the acts and omissions constituting the subsequent breach, make reference to the prior breach of a like nature, and state that the rental agreement will terminate upon a date not less than 30 days after receipt of the notice.

F. If rent is unpaid when due, and the tenant fails to pay rent within five days after written notice is served on him notifying the tenant of his nonpayment, and of the landlord's intention to terminate the rental agreement if the rent is not paid within the five-day period, the landlord may terminate the rental agreement and proceed to obtain possession of the premises as provided in § 55-248.35. If a check for rent is delivered to the landlord drawn on an account with insufficient funds, or if an electronic funds transfer has been rejected because of insufficient funds or a stop-payment order has been placed in bad faith by the authorizing party, and the tenant fails to pay rent within five days after written notice is served on him notifying the tenant of his nonpayment and of the landlord's intention to terminate the rental agreement if the rent is not paid by cash, cashier's check, certified check, or a completed electronic funds transfer within the five-day period, the landlord may terminate the rental agreement and proceed to obtain possession of the premises as provided in § 55-248.35. Nothing shall be construed to prevent a landlord from seeking an award of costs or attorney fees under § 8.01-27.1 or civil recovery under § 8.01-27.2, as a part of other damages requested on the unlawful detainer filed pursuant to § 8.01-126, provided the landlord has given notice in accordance with § 55-248.6, which notice may be included in the five-day termination notice provided in accordance with this section.

G. Except as provided in this chapter, the landlord may recover damages and obtain injunctive relief for any noncompliance by the tenant with the rental agreement or § 55-248.16. In the event of a breach of the rental agreement or noncompliance by the tenant, the landlord shall be entitled to recover from the tenant the following, regardless of whether or not a lawsuit is filed or an order obtained from a court: (i) rent due and owing as contracted for in the rental agreement, (ii) other charges and fees as contracted for in the rental agreement, (iii) late charges contracted for in the rental agreement, (iv) reasonable attorney fees as contracted for in the rental agreement or as provided by law, (v) costs of the proceeding as

contracted for in the rental agreement or as provided by law only if court action has been filed, and (vi) damages to the dwelling unit or premises as contracted for in the rental agreement.

H. In a case where a lawsuit is pending before the court upon a breach of the rental agreement or noncompliance by the tenant and the landlord prevails, the court shall award a money judgment to the landlord and against the tenant for the relief requested, which may include the following: (i) rent due and owing as of the court date as contracted for in the rental agreement; (ii) other charges and fees as contracted for in the rental agreement; (iii) late charges contracted for in the rental agreement; (iv) reasonable attorney fees as contracted for in the rental agreement or as provided by law, unless in any such action the tenant proves by a preponderance of the evidence that the tenant's failure to pay rent or vacate was reasonable; (v) costs of the proceeding as contracted for in the rental agreement or as provided by law; and (vi) damages to the dwelling unit or premises.

**§ 55-248.38:1. Disposal of property abandoned by tenants.**

If any items of personal property are left in the dwelling unit, the premises, or in any storage area provided by the landlord, after the rental agreement has terminated and delivery of possession has occurred, the landlord may consider such property to be abandoned. The landlord may dispose of the property so abandoned as the landlord sees fit or appropriate, provided he has: (i) given a termination notice to the tenant in accordance with this chapter, which includes a statement that any items of personal property left in the dwelling unit or the premises would be disposed of within the 24-hour period after termination, (ii) given written notice to the tenant in accordance with § 55-248.33, which includes a statement that any items of personal property left in the dwelling unit or the premises would be disposed of within the 24-hour period after expiration of the seven-day notice period, or (iii) given a separate written notice to the tenant, which includes a statement that any items of personal property left in the dwelling unit or the premises would be disposed of within 24 hours after expiration of a 10-day period from the date such notice was given to the tenant. The tenant shall have the right to remove his personal property from the dwelling unit or the premises at reasonable times during the 24-hour period after termination or at such other reasonable times until the landlord has disposed of the remaining personal property of the tenant.

During the 24-hour period and until the landlord disposes of the remaining personal property of the tenant, the landlord shall not have any liability for the risk of loss for such personal property. If the landlord fails to allow reasonable access to the tenant to remove his personal property as provided in this section, the tenant shall have a right to injunctive or other relief as provided by law. If the landlord received any funds from any sale of abandoned property as provided in this section, the landlord shall pay such funds to the account of the tenant and apply same to any amounts due the landlord by the tenant, including the reasonable costs incurred by the landlord in selling, storing or safekeeping such property. If any such funds are remaining after application, the remaining funds shall be treated as a security deposit under the provisions of § 55-248.15:1. The provisions of this section shall not be applicable if the landlord has been granted a writ of possession for the premises in accordance with Title 8.01 and execution of such writ has been completed pursuant to § 8.01-470.

*Nothing herein shall affect the right of a landlord to enforce an inchoate or perfected lien of the landlord on the personal property of a tenant in a dwelling unit or on the premises leased to such tenant and the right of a landlord to distress, levy, and seize such personal property as otherwise provided by law.*

**§ 55-248.38:3. Disposal of property of deceased tenants.**

A. If a tenant, who is the sole occupant of tenant under a written rental agreement still residing in the dwelling unit, dies, and there is no person authorized by order of the circuit court to handle probate matters for the deceased tenant, the landlord may dispose of the personal property left in the dwelling unit or upon the premises. However, the landlord shall give at least 10 days' written notice to (i) the person identified in the rental application, lease agreement, or other landlord document as the authorized person to contact in the event of the death or emergency of the tenant or (ii) the tenant in accordance with § 55-248.6 if no such person is identified in the rental application, lease agreement, or other landlord document as the authorized contact person. The notice given under clause (i) or (ii) shall include a statement that any items of personal property left in the premises would be treated as abandoned property and disposed of in accordance with the provisions of § 55-248.38:1, if not claimed within 10 days. *Authorized occupants, or guests or invitees, are not allowed to occupy the dwelling unit after the death of the sole remaining tenant and shall vacate the dwelling unit prior to the end of the 10-day period.*

B. The landlord may request that such authorized contact person provide reasonable proof of identification. Thereafter, the authorized contact person identified in the rental application, lease agreement, or other landlord document may (i) have access to the dwelling unit or the premises and to the tenant records maintained by the landlord and (ii) rightfully claim the personal property of the deceased tenant and otherwise handle the affairs of the deceased tenant with the landlord.

C. The rental agreement is deemed to be terminated by the landlord as of the date of death of the tenant, who is the sole occupant of tenant under a written rental agreement still residing in the dwelling unit, and the landlord shall not be required to seek an order of possession from a court of competent jurisdiction. The estate of the tenant shall remain liable for actual damages under § 55-248.35, and the landlord shall mitigate damages as provided thereunder.

For water and sewer services provided by localities, fees and charges may be charged to and collected from (i) any person contracting for the same; (ii) the owner who is the occupant of the property or where a single meter serves multiple units; (iii) a lessee or tenant, ~~provided that the lessee or tenant has written authorization from the owner of the property to obtain water and sewer services in the name of such lessee or tenant in accordance with § 15.2-2119.4~~ with such fees and charges applicable for water and sewer services (a) which directly or indirectly is or has been connected with the sewage disposal system and (b) from or on which sewage or industrial wastes originate or have originated and have directly or

indirectly entered or will enter the sewage disposal system; or (iv) any user of a municipality's water or sewer system with respect to combined sanitary and storm water sewer systems where the user is a resident of the municipality and the purpose of any such fee or charge is related to the control of combined sewer overflow discharges from such systems. Such fees and charges shall be practicable and equitable and payable as directed by the respective locality operating or providing for the operation of the water or sewer system. ~~A locality providing water and sewer services may establish, by adoption of a resolution, that water and sewer services may be provided to a lessee or tenant pursuant to provision (iii) without obtaining an authorization form from the property owner. For purposes of this section, a written or electronic authorization from the owner of the property to obtain water and sewer services in the name of such lessee or tenant substantially in the form as follows shall be sufficient compliance with this section:~~

B. Such fees and charges, being in the nature of use or service charges, shall, as nearly as the governing body deems practicable and equitable, be uniform for the same type, class and amount of use or service of the sewage disposal system; and may be based or computed either on the consumption of water on or in connection with the real estate, making due allowances for commercial use of water, or on the number and kind of water outlets on or in connection with the real estate or on the number and kind of plumbing or sewage fixtures or facilities on or in connection with the real estate or on the number or average number of persons residing or working on or otherwise connected or identified with the real estate or any other factors determining the type, class and amount of use or service of the sewage disposal system, or any combination of such factors, or on such other basis as the governing body may determine. Such fees and charges shall be due and payable at such time as the governing body may determine, and the governing body may require the same to be paid in advance for periods of not more than six months. The revenue derived from any or all of such fees and charges is hereby declared to be revenue of such sewage disposal system.

C. Water and sewer connection fees established by any locality shall be fair and reasonable. Such fees shall be reviewed by the locality periodically and shall be adjusted, if necessary, to assure that they continue to be fair and reasonable. Nothing herein shall affect existing contracts with bondholders ~~which~~ that are in conflict with any of the foregoing provisions.

D. If the fees and charges charged for water service or the use and services of the sewage disposal system by or in connection with any real estate are not paid when due, a penalty and interest shall at that time be owed as provided for by general law, and the owner, ~~lessee, or tenant, as the case may be,~~ of such real estate shall, until such fees and charges are paid with such penalty and interest to the date of payment, cease to dispose of sewage or industrial waste originating from or on such real estate by discharge thereof directly or indirectly into the sewage disposal system. If such owner, ~~lessee, or tenant~~ does not pay the full amount of charges, penalty, and interest for water provided or cease such disposal within 30 days thereafter, the locality or person supplying water or sewage disposal services for the use of such real estate shall notify such owner, ~~lessee, or tenant~~ of the delinquency. If such owner, ~~lessee, or tenant~~ does not pay the full amount of charges, penalty, and interest for water provided or cease such disposal within 60 days after the delinquent fees and charges charged for water or sewage disposal services are due, the locality or person supplying water or sewage disposal services for the use of such real estate may cease supplying water and sewage disposal services thereto unless the health officers certify that shutting off the water will endanger the health of the occupants of the premises or the health of others. At least ~~ten~~ 10 business days prior to ceasing the supply of water or sewage disposal services, the locality or person supplying such services shall provide the owner, ~~lessee, or tenant~~ with written notice of such cessation.

E. Such fees and charges, and any penalty and interest thereon, shall constitute a lien against the property, ranking on a parity with liens for unpaid taxes.

A lien may be placed on the property *when the owner has been advised in writing that a lien may be placed upon the property if the owner fails to pay any delinquent water and sewer charges. Such written notice shall be provided at least 30 days in advance of recordation of any lien with a copy of the bill for delinquent water and sewer charges to allow the property owner a reasonable opportunity to pay the amount of the outstanding balance and avoid the recordation of a lien against the property. The lien may be in the amount of (i) up to three months of delinquent water and sewer charges when the water or sewer is, or both are, supplied to a lessee or tenant pursuant to this section; (ii) when the water or sewer is, or both are, provided to the property owner, up to the number of months of delinquent water or sewer charges; (iii) when the*

water or sewer is, or both are, provided to the property owner; (ii) any applicable penalties and interest on such delinquent charges; and (iv) (iii) reasonable attorney fees and other costs of collection not exceeding 20 percent of such delinquent charges. In no case shall a lien for less than \$25 be placed against the property. In the case of services to a lessee or tenant, if the locality does not cease supplying water to the lessee or tenant within 60 days after the bill becomes delinquent, unless water is required to be provided pursuant to subsection D or other applicable law, there shall be no lien placed on the property for charges and collection costs beyond the 60-day period and no recourse against the property owner for service beyond the 60-day period.

F. Unless the locality has adopted a resolution to not require authorization from land owners for water and sewer service provided to lessees or tenants pursuant to subsection A, a lien may be placed on the property for water and sewer services used by a lessee or tenant only if the locality has (i) advised the owner of the property in writing that a lien may be placed on the property if the lessee or tenant fails to pay any delinquent water and sewer charges; (ii) mailed by first-class mail to the owner of the property, or sent electronically if requested by the owner, at the address listed in the written authorization from the owner of the property (or such other address as the owner may provide); a duplicate copy of the final bill sent to the lessee or tenant at the time of sending the final bill to such lessee or tenant; (iii) collected a security deposit from the lessee or tenant as reasonably determined by the locality to be sufficient to collateralize the locality for not less than three and no more than five months of water and sewer charges; (iv) applied the security deposit held by the locality to the payment of the outstanding balance; (v) employed reasonable collection efforts and practices to collect amounts due from a lessee or a tenant including filing for the Set-Off Debt Collection Program if the locality is a participant; and (vi) provided the property owner with 30 days' written notice with a copy of the final bill to allow the property owner a reasonable opportunity to pay the amount of any outstanding balance and avoid the recordation of a lien against the property. If the property owner fails to pay the amount of the outstanding balance within the 30-day period, the locality may record a lien in the amount of the outstanding balance against the property owner. Upon payment of the outstanding balance, or any portion thereof, or of any amounts of such fees and charges owed by the former tenant, the property owner shall be entitled to receive any refunds and shall be subrogated against the former tenant in place of the locality in the amount paid by the property owner. The locality shall execute all documents necessary to perfect such subrogation in favor of the property owner.

G. When the owner has provided the lessee or tenant with written authorization from the owner of the property to obtain water and sewer services in the name of such lessee or tenant, nothing herein shall be construed to authorize the locality to require (i) the owner to put water and sewer services in the name of the owner, except in the case where a single meter serves multiple tenant units; or (ii) a security deposit or a guarantee of payment from an owner of property.

H. The locality shall not require a security deposit from the lessee or tenant to obtain water and sewer services in the name of such lessee or tenant if such lessee or tenant presents to the locality a landlord authorization letter which has attached documentation showing such lessee or tenant receives need-based local, state, or federal rental assistance, and the absence of a security deposit shall not prevent a locality from exercising its lien rights as authorized under subsection F.

I. Unless a lien has been recorded against the property owner, the locality shall not deny service to a new tenant who is requesting service at a particular property address based upon the fact that a former tenant has not paid any outstanding fees and charges charged for the use and services in the name of the former previous tenant. In addition, the locality shall provide information relative to a former tenant or current tenant to the property owner upon request of the property owner. If the property owner provides the locality a request to be notified of a tenant's delinquent water bill and provides an email address, the locality shall send the property owner notice when a tenant's water bill has become 15 days delinquent.

J. Notwithstanding any provision of law to the contrary, any town with a population between 11,000 and 14,000, with the concurrence of the affected county, which that provides and operates sewer services outside its boundaries may provide sewer services to industrial and commercial users outside its boundaries and collect such compensation therefor as may be contracted for between the town and such user. Such town shall not thereby be obligated to provide sewer services to any other users outside its boundaries.

K. G. The lien shall not bind or affect a subsequent bona fide purchaser of the real estate for valuable consideration without actual notice of the lien until the amount of such delinquent charges is entered in the official records of the office of the clerk of the circuit court in the jurisdiction in which the real estate is located. The clerk shall make and index the entries in the clerk's official records for a fee of \$5 per entry, to be paid by the locality and added to the amount of the lien.

L. H. The lien on any real estate may be discharged by the payment to the locality of the total lien amount and the interest which has accrued to the date of the payment. The locality shall deliver a fully executed lien release substantially in the form set forth in this subsection to the person making the payment. The locality shall provide the fully executed lien release to the person who made payment within 10 business days of such payment if the person who made such payment did not personally appear at the time of such payment. Upon presentation of such lien release, the clerk shall mark the lien satisfied. There shall be no separate clerk's fee for such lien release. For purposes of this section, a lien release of the water and sewer lien substantially in the form as follows shall be sufficient compliance with this section:

**§ 15.2-2119.1. Credit for excessive water and sewer charges.**

A locality or authority, as such term is defined in § 15.2-5101, may provide a partial credit for excessive water and sewer charges where high water usage is caused by damaged pipes, leaks, accidents, or other intentional or unintentional causes.

**§ 15.2-2119.4. Fees and charges for water and sewer services provided to a tenant or lessee of the property owner.**

A. Notwithstanding any provision of law, general or special, the provisions of this section apply to any locality or authority, as such term is defined in § 15.2-5101.

B. A locality or authority providing water or sewer services to a lessee or tenant of the property owner shall do so directly to the tenant after (i) obtaining from the property owner a written or electronic authorization to obtain water and sewer services in the name of such lessee or tenant and (ii) if the locality or authority decides to use the lien rights afforded under subsection G of § 15.2-2119, collecting a security deposit from the lessee or tenant as reasonably determined by the locality to be sufficient to collateralize the locality or authority for not less than three and no more than five months of water and sewer charges. When the property owner has provided the lessee or tenant with written authorization from the property owner to obtain water and sewer services in the name of such lessee or tenant, nothing herein shall be construed to authorize the locality or authority to require (a) the property owner to put water and sewer services in the name of such property owner, except in the case where a single meter serves multiple tenant units, or (b) a security deposit or a guarantee of payment from such property owner. The property owner, lessee, or tenant may provide a copy of the lease or rental agreement to the locality or authority in lieu of the written authorization.

C. For purposes of this section, a written or electronic authorization from the property owner to obtain water and sewer services in the name of such lessee or tenant substantially in the form as follows, or a copy of the lease or rental agreement, shall be sufficient compliance with this section:

D. If the fees and charges charged for water service or the use and services of the sewage disposal system by or in connection with any real estate are not paid when due, a penalty and interest shall be owed, as provided for by general law, by the lessee or tenant. If such lessee or tenant does not pay the full amount of charges, penalty, and interest for water provided or cease such disposal within 30 days thereafter, the locality or authority supplying water or sewage disposal services for the use of such real estate shall notify such lessee or tenant of the delinquency. If such lessee or tenant does not pay the full amount of charges, penalty, and interest for water provided or cease such disposal within 60 days after the delinquent fees and charges charged for water or sewage disposal services are due, the locality or authority supplying

*water or sewage disposal services for the use of such real estate may cease supplying water and sewage disposal services thereto unless the health officers certify that shutting off the water will endanger the health of the occupants of the premises or the health of others. At least 10 business days prior to ceasing the supply of water or sewage disposal services, the locality or authority supplying such services shall provide the lessee or tenant with written notice of such cessation, with a copy to the property owner.*

*E. If the lessee or tenant does not pay the full amount of charges, penalty, and interest for water or the use and services of the sewage disposal system in a timely manner as set out herein, in addition to cessation of such service, the locality or authority shall employ reasonable collection efforts and practices to collect amounts due from the lessee or tenant prior to sending written notice to, or taking any collection or legal action against, the property owner regarding the delinquency of payment of such lessee or tenant. For the purposes of this section, "reasonable collection efforts and practices" include (i) applying the security deposit paid by the lessee or tenant held by the locality or authority to the payment of the outstanding balance; and (ii) either filing for the Setoff Debt Collection Program (§ 58.1-520 et seq.) or placing the account with a debt collection service.*

*F. Only after the locality or service authority has taken the reasonable collection efforts set forth in subsection E of § 15.2-2119 and practices to collect such fees and charges from the lessee or tenant may the locality or service authority proceed to notify the property owner of such outstanding lien obligation of such lessee or tenant and thereafter to record a lien against the property owner by using the lien recordation and release of lien processes as set out in § 15.2-2119 and only after notice to the property owner as required in § 15.2-2119. Such a lien, up to three months of delinquent water and sewer charges, shall constitute a lien against the property ranking on a parity with liens for unpaid taxes.*

*G. If a lien is recorded against the property owner and the property owner pays any of the delinquent obligations of such former lessee or tenant, upon payment of the outstanding balance, or any portion thereof, or of any amounts of such fees and charges owed by the former tenant, the property owner shall be entitled to receive any refunds and shall be subrogated against the former tenant in place of the locality or authority in the amount paid by the property owner. The locality or authority shall execute all documents necessary to perfect such subrogation in favor of the property owner.*

*H. Unless a lien has been recorded against the property owner, the locality or authority shall not deny service to a new tenant who is requesting service at a particular property address based upon the fact that a former tenant has not paid any outstanding fees and charges charged for the use and services in the name of the former previous tenant. In addition, the locality or authority shall provide information relative to a former tenant or current tenant to the property owner upon request of the property owner. If the property owner provides the locality or authority a request to be notified of a tenant's delinquent water or sewer bill and provides an email address, the locality or authority shall send the property owner notice when a tenant's water or sewer bill has become 15 days delinquent.*

*I. When a locality or authority does not require a lessee or tenant to pay a security deposit to the locality or authority as a condition precedent to turning on water or sewer services in the name of the lessee or tenant, such locality or authority shall waive its lien rights against the property owner. All other provisions of this section shall apply.*

*J. The locality or authority shall not require a security deposit from the lessee or tenant to obtain water and sewer services in the name of such lessee or tenant if such lessee or tenant presents to the locality or authority a landlord authorization letter that has attached documentation showing that such lessee or tenant receives need-based local, state, or federal rental assistance, and the absence of a security deposit shall not prevent a locality from exercising its lien rights as authorized under this section. All other provisions of this section shall apply.*

**§ 15.2-2122. Localities authorized to establish, etc., sewage disposal system; incidental powers.**

For the purpose of providing relief from pollution, and for the improvement of conditions affecting the public health, and in addition to other powers conferred by law, any locality shall have power and authority to:

1. Establish, construct, improve, enlarge, operate and maintain a sewage disposal system with all the necessary sewers, conduits, pipelines, pumping and ventilating stations, treatment plants and works, and other plants, structures, boats, conveyances and other real and personal property necessary for the operation of such system, subject to the approvals required by § 62.1-44.19.

2. Acquire as permitted by § 15.2-1800, real estate, or rights or easements therein, necessary or convenient for the establishment, enlargement, maintenance or operation of such sewage disposal system and the property, in whole or in part, of any private or public service corporation operating a sewage disposal system or chartered for the purpose of acquiring or operating such a system, including its lands, plants, works, buildings, machinery, pipes, mains and all appurtenances thereto and its contracts, easements, rights and franchises, including its franchise to be a corporation, and have the right to dispose of property so acquired no longer necessary for the use of such system. However, any locality condemning property hereunder shall rest under obligation to furnish sewage service, at appropriate rates, to the customers of any corporation whose property is condemned.

3. Borrow money for the purpose of establishing, constructing, improving and enlarging the sewage disposal system and to issue bonds therefor in the name of the locality.

4. Accept gifts or grants of real or personal property, money, material, labor or supplies for the establishment and operation of such sewage disposal system and make and perform such agreements or contracts as may be necessary or convenient in connection with the procuring or acceptance of such gifts or grants.

5. Enter on any lands, waters and premises for the purpose of making surveys, borings, soundings and examinations for constructing and operating the sewage disposal system, and for the prevention of pollution.

6. Enter into contracts with the United States of America, or any department or agency thereof, or any person, firm or corporation, or the governing body of any other locality, providing for or relating to the treatment and disposal of sewage and industrial wastes.

7. Fix, charge and collect fees or other charges for the use and services of the sewage disposal system; and, except in counties which are not otherwise authorized, require the connection of premises with facilities provided for sewage disposal services. Water and sewer connection fees established by any locality shall be fair and reasonable. Such fees shall be reviewed by the locality periodically and shall be adjusted, if necessary, to assure that they continue to be fair and reasonable. Nothing herein shall affect existing contracts with bondholders which are in conflict with any of the foregoing provisions.

8. Finance in whole or in part the cost of establishing, constructing, improving or enlarging the sewage disposal systems authorized to be established, constructed, improved or enlarged by this section, in advance of putting such systems in operation.

9. Fix, charge and collect fees and other charges for the use and services of sanitary, combined and storm water sewers operated and maintained by any locality. Such fees and charges may be fixed and collected in accordance with and subject to the provisions of §§ 15.2-2119 through 15.2-2119.4.

10. Establish standards for the use and services of sanitary, combined and stormwater sewer systems, treatment works and appurtenances operated and maintained by any locality, including but not limited to implementation of applicable pretreatment requirements pursuant to the State Water Control Law (§ 62.1-44.2 et seq.) and the federal Clean Water Act (33 U.S.C. § 1251 et seq.). Such sewer use standards may be implemented by ordinance, regulation, permit or contract of the locality or of the wastewater authority or sanitation district, where applicable, and violations thereof may be enforced by the same subject to the following conditions and limitations:

a. No order assessing a civil penalty for a violation shall be issued until after the user has been provided an opportunity for a hearing, except with the consent of the user. The notice of the hearing shall be served personally or by registered or certified mail, return receipt requested, on any authorized representative of the user at least 30 days prior to the hearing. The notice shall specify the time and place for the hearing, facts and legal requirements related to the alleged violation, and the amount of any proposed penalty. At the hearing the user may present evidence including witnesses regarding the occurrence of the alleged violation and the amount of the penalty, and the user may examine any witnesses for the locality. A verbatim record of the hearing shall be made. Within 30 days after the conclusion of the hearing, the locality shall make findings of fact and conclusions of law and issue the order.

b. No order issued by the locality shall assess civil penalties in excess of the maximum amounts established in subdivision (8a) of § 62.1-44.15, except with the consent of the user. The actual amount of any penalty assessed shall be based upon the severity of the violations, the extent of any potential or actual environmental harm or facility damage, the compliance history of the user, any economic benefit realized from the noncompliance, and the ability of the user to pay the penalty, provided, however, that in accordance with subdivision 10 d, a locality may establish a uniform schedule of civil penalties for specified types of violations. In addition to civil penalties, the order may include a monetary assessment for actual damages to sewers, treatment works and appurtenances and for costs, attorney fees and other expenses resulting from the violation. Civil penalties in excess of the maximum amounts established in subdivision (8a) of § 62.1-44.15 may be imposed only by a court in amounts determined in its discretion but not to exceed the maximum amounts established in § 62.1-44.32.

c. Any order issued by the locality, whether or not such order assesses a civil penalty, shall inform the user of his right to seek reconsideration or review within the locality, if authorized, and of his right to judicial review of any final order by appeal to circuit court on the record of proceedings before the locality. To commence an appeal, the user shall file a petition in circuit court within 30 days of the date of the order, and failure to do so shall constitute a waiver of the right to appeal. With respect to matters of law, the burden shall be on the party seeking review to designate and demonstrate an error of law subject to review by the court. With respect to issues of fact, the duty of the court shall be limited to ascertaining whether there was substantial evidence in the record to reasonably support such findings.

d. In addition, a locality may, by ordinance, establish a uniform schedule of civil penalties for violations of fats, oils, and grease standards; infiltration and inflow standards; and other specified provisions of any ordinance (other than industrial pretreatment requirements of the State Water Control Law (§ 62.1-44.2 et seq.) or federal Clean Water Act (33 U.S.C. § 1251 et seq.)). The schedule of civil penalties shall be uniform for each type of specified violation, and the penalty for any one violation shall be a civil penalty of not more than \$100 for the initial summons, not more than \$150 for each additional summons and not more than a total amount of \$3,000 for a series of specified violations arising from the same operative set of facts. The locality may issue a civil summons ticket for a scheduled violation. Any person summoned or issued a ticket for a scheduled violation may make an appearance in person or in writing by mail to the treasurer of the locality prior to the date fixed for trial in court. Any person so appearing may enter a waiver of trial, admit liability and pay the civil penalty established for the offense charged. If a person charged with a scheduled violation does not elect to enter a waiver of trial and admit liability, the violation shall be tried in the general district court in the same manner and with the same right of appeal as provided for by law. In any such trial, the locality shall have the burden of proving by a preponderance of the evidence the liability of the alleged violator. An admission of liability or finding of liability under this section shall not be deemed an admission at a criminal proceeding, and no civil action authorized by this section shall proceed while a criminal action is pending.

e. This subdivision shall neither preclude a locality from proceeding directly in circuit court to compel compliance with its sewer use standards or seek civil penalties for violation of the same nor be interpreted as limiting any otherwise applicable legal remedies or sanctions. Each day during which a violation is found to have existed shall constitute a separate violation, and any civil penalties imposed under this subdivision shall be applied to the purpose of abating, preventing or mitigating environmental pollution.

f. For purposes of enforcement of standards established under this subdivision, "locality" shall mean the locality's director of public utilities or other designee of the locality with responsibility for administering and enforcing sewer use standards or, in the case of a wastewater authority or sanitation district, its chief executive.

**§ 15.2-5139. Lien for charges.**

An authority may place a lien upon the real property of an owner only in the same manner provided by § 15.2-2119, and such lien may only be processed, recorded, and released in accordance therewith. *An authority may only provide services to lessees or tenants of property owners in accordance with § 15.2-2119.4.*

An authority may contract with a locality to collect amounts due on properly recorded utility liens in the same manner as unpaid real estate taxes due the locality.
