C. The General Assembly finds that it is necessary and proper to require a separation between manufacturing interests, wholesale interests and retail interests in the production and distribution of alcoholic beverages in order to prevent suppliers from dominating local markets through vertical integration and to prevent excessive sales of alcoholic beverages caused by overly aggressive marketing techniques. The exceptions established by this section to the general prohibition against tied interests shall be limited to their express terms so as not to undermine the general prohibition and shall therefore be construed accordingly.

§ 4.1-215. (Effective July 1, 2021) Limitation on manufacturers, bottlers, and wholesalers; exemptions.

5. Wineries, farm wineries, or breweries engaging in conduct authorized by subsection F of § 4.1-206.3 or § 4.1-209.1 or 4.1-212.1; or

C. The General Assembly finds that it is necessary and proper to require a separation between manufacturing interests, wholesale interests, and retail interests in the production and distribution of alcoholic beverages in order to prevent suppliers from dominating local markets through vertical integration and to prevent excessive sales of alcoholic beverages caused by overly aggressive marketing techniques. The exceptions established by this section to the general prohibition against tied interests shall be limited to their express terms so as not to undermine the general prohibition and shall therefore be construed accordingly.

§ 4.1-216. (Effective until July 1, 2021) Further limitations on manufacturers, bottlers, importers, brokers or wholesalers; ownership interests prohibited; exceptions; prohibited trade practices.

A. As used in this section:

"Broker" means any person, other than a manufacturer or a licensed beer or wine importer, who regularly engages in the business of bringing together sellers and purchasers of alcoholic beverages for resale and arranges for or consummates such transactions with persons in the Commonwealth to whom such alcoholic beverages may lawfully be sold and shipped into the Commonwealth pursuant to the provisions of this ~~title~~ *subtitle*.

"Manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages" includes any officers or directors of any such manufacturer, bottler, importer, broker or wholesaler.

B. Except as provided in this ~~title~~ *subtitle*, no manufacturer, importer, bottler, broker or wholesaler of alcoholic beverages, whether licensed in the Commonwealth or not, shall acquire or hold any financial interest, direct or indirect, (i) in the business for which any retail license is issued or (ii) in the premises where the business of a retail licensee is conducted.

1. Subdivision B (ii) shall not apply so long as such manufacturer, bottler, importer, broker or wholesaler does not sell or otherwise furnish, directly or indirectly, alcoholic beverages or other merchandise to such retail licensee and such retailer is not required by agreement or otherwise to exclude from sale at his establishment alcoholic beverages of other manufacturers, bottlers, importers, brokers or wholesalers.

2. Service as a member of the board of directors of a corporation licensed as a retailer, the shares of stock of which are sold to the general public on any national or local stock exchange, shall not be deemed to be a financial interest, direct or indirect, in the business or the premises of the retail licensee.

3. A brewery, winery or subsidiary or affiliate thereof, hereinafter collectively referred to as a financing corporation, may participate in financing the business of a wholesale licensee in the Commonwealth by providing debt or equity capital or both but only if done in accordance with the provisions of this subsection.

a. In order to assist a proposed new owner of an existing wholesale licensee, a financing corporation may provide debt or equity capital, or both, if prior approval of the Board has been obtained pursuant to subdivision 3 b of subsection B. A financing corporation which proposes to provide equity capital shall cause the proposed new owner to form a Virginia limited partnership in which the new owner is the general partner and the financing corporation is a limited partner. If the general partner defaults on any financial obligation to the limited partner, which default has been specifically defined in the partnership agreement, or, if the new owner defaults on its obligation to pay principal and interest when due to the financing corporation as specifically defined in the loan documents, then, and only then, shall such financing corporation be allowed to take title to the business of the wholesale licensee. Notwithstanding any other law to the contrary and provided written notice has been given to the Board within two business days after taking title, the wholesale licensee may be managed and operated by such financing corporation pursuant to the existing wholesale license for a period of time not to exceed 180 days as if the license had been issued in the name of the financing corporation. On or before the expiration of such 180-day period, the financing corporation shall cause ownership of the wholesale licensee's business to be transferred to a new owner. Otherwise, on the 181st day, the license shall be deemed terminated. The financing corporation may not participate in financing the transfer of ownership to the new owner or to any other subsequent owner for a period of ~~twenty~~ 20 years following the effective date of the original financing transaction; except where a transfer takes place before the expiration of the eighth full year following the effective date of the original financing transaction in which case the financing corporation may finance such transfer as long as the new owner is required to return such debt or equity capital within the originally prescribed eight-year period. The financing corporation may exercise its right to take title to, manage and operate the business of, the wholesale licensee only once during such eight-year period.

b. In any case in which a financing corporation proposes to provide debt or equity capital in order to assist in a change of ownership of an existing wholesale licensee, the parties to the transaction shall first submit an application for a wholesale license in the name of the proposed new owner to the Board.

The Board shall be provided with all documents that pertain to the transaction at the time of the license application and shall ensure that the application complies with all requirements of law pertaining to the issuance

of wholesale licenses except that if the financing corporation proposes to provide equity capital and thereby take a limited partnership interest in the applicant entity, the financing corporation shall not be required to comply with any Virginia residency requirement applicable to the issuance of wholesale licenses. In addition to the foregoing, the applicant entity shall certify to the Board and provide supporting documentation that the following requirements are met prior to issuance of the wholesale license: (i) the terms and conditions of any debt financing which the financing corporation proposes to provide are substantially the same as those available in the financial markets to other wholesale licensees who will be in competition with the applicant, (ii) the terms of any proposed equity financing transaction are such that future profits of the applicant's business shall be distributed annually to the financing corporation in direct proportion to its percentage of ownership interest received in return for its investment of equity capital, (iii) if the financing corporation proposes to provide equity capital, it shall hold an ownership interest in the applicant entity through a limited partnership interest and no other arrangement and (iv) the applicant entity shall be contractually obligated to return such debt or equity capital to the financing corporation not later than the end of the eighth full year following the effective date of the transaction thereby terminating any ownership interest or right thereto of the financing corporation.

Once the Board has issued a wholesale license pursuant to an application filed in accordance with this subdivision 3 b, any subsequent change in the partnership agreement or the financing documents shall be subject to the prior approval of the Board. In accordance with the previous paragraph, the Board may require the licensee to resubmit certifications and documentation.

c. If a financing corporation wishes to provide debt financing, including inventory financing, but not equity financing, to an existing wholesale licensee or a proposed new owner of an existing wholesale licensee, it may do so without regard to the provisions of subdivisions 3 a and 3 b of subsection B under the following circumstances and subject to the following conditions: (i) in order to secure such debt financing, a wholesale licensee or a proposed new owner thereof may grant a security interest in any of its assets, including inventory, other than the wholesale license itself or corporate stock of the wholesale licensee; in the event of default, the financing corporation may take title to any assets pledged to secure such debt but may not take title to the business of the wholesale licensee and may not manage or operate such business; (ii) debt capital may be supplied by such financing corporation to an existing wholesale licensee or a proposed new owner of an existing wholesale licensee so long as debt capital is provided on terms and conditions which are substantially the same as those available in the financial markets to other wholesale licensees in competition with the wholesale licensee which is being so financed; and (iii) the licensee or proposed new owner shall certify to the Board and provide supporting documentation that the requirements of (i) and (ii) of this subdivision 3 c have been met.

Nothing in this section shall eliminate, affect or in any way modify the requirements of law pertaining to issuance and retention of a wholesale license as they may apply to existing wholesale licensees or new owners thereof which have received debt financing prior to the enactment of this subdivision 3 c.

4. Except for holders of retail licenses issued pursuant to subdivision A 5 of § 4.1-201, brewery licensees may sell beer to retail licensees for resale only under the following conditions: If such brewery or an affiliate or subsidiary thereof has taken title to the business of a wholesale licensee pursuant to the provisions of subdivision 3 a of subsection B, direct sale to retail licensees may be made during the 180-day period of operation allowed under that subdivision. Moreover, the holder of a brewery license may make sales of alcoholic beverages directly to retail licensees for a period not to exceed ~~thirty~~ 30 days in the event that such retail licensees are normally serviced by a wholesale licensee representing that brewery which has been forced to suspend wholesale operations as a result of a natural disaster or other act of God or which has been terminated by the brewery for fraud, loss of license or assignment of assets for the benefit of creditors not in the ordinary course of business.

5. Notwithstanding any provision of this section, including but not limited to those provisions whereby certain ownership or lease arrangements may be permissible, no manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages shall make an agreement, or attempt to make an agreement, with a retail licensee pursuant to which any products sold by a competitor are excluded in whole or in part from the premises on which the retail licensee's business is conducted.

6. Nothing in this section shall prohibit a winery, brewery, or distillery licensee from paying a royalty to a historical preservation entity pursuant to a bona fide intellectual property agreement that (i) authorizes the winery, brewery, or distillery licensee to manufacture wine, beer, or spirits based on authentic historical recipes and identified with brand names owned and trademarked by the historical preservation entity; (ii) provides for royalties to be paid based solely on the volume of wine, beer, or spirits manufactured using such recipes and trademarks, rather than on the sales revenues generated from such wine, beer, or spirits; and (iii) has been approved by the Board.

For purposes of this subdivision, "historical preservation entity" means an entity (a) that is exempt from income taxation under § 501(c)(3) of the Internal Revenue Code; (b) whose declared purposes include the preservation, restoration, and protection of a historic community in the Commonwealth that is the site of at least 50 historically significant houses, shops, and public buildings dating to the eighteenth century; and (c) that owns not more than 12 retail establishments in the Commonwealth for which retail licenses have been issued by the Board.

C. Subject to such exceptions as may be provided by statute or Board regulations, no manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages, whether licensed in the Commonwealth or not, shall sell, rent, lend, buy for or give to any retail licensee, or to the owner of the premises in which the business of any retail licensee is conducted, any (i) money, equipment, furniture, fixtures, property, services or anything of value with which the business of such retail licensee is or may be conducted, or for any other purpose; (ii) advertising materials; and (iii) business entertainment, provided that no transaction permitted under this section or by Board regulation shall be used to require the retail licensee to partially or totally exclude from sale at its establishment alcoholic beverages of other manufacturers or wholesalers.

The provisions of this subsection shall apply to manufacturers, bottlers, importers, brokers and wholesalers selling alcoholic beverages to any governmental instrumentality or employee thereof selling alcoholic beverages at retail within the exterior limits of the Commonwealth, including all territory within these limits owned by or ceded to the United States of America.

§ 4.1-216. (Effective July 1, 2021) Further limitations on manufacturers, bottlers, importers, brokers or wholesalers; ownership interests prohibited; exceptions; prohibited trade practices.

A. As used in this section:

"Broker" means any person, other than a manufacturer or a licensed beer or wine importer, who regularly engages in the business of bringing together sellers and purchasers of alcoholic beverages for resale and arranges for or consummates such transactions with persons in the Commonwealth to whom such alcoholic beverages may lawfully be sold and shipped into the Commonwealth pursuant to the provisions of this ~~title~~ *subtitle*.

"Manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages" includes any officers or directors of any such manufacturer, bottler, importer, broker or wholesaler.

B. Except as provided in this ~~title~~ *subtitle*, no manufacturer, importer, bottler, broker or wholesaler of alcoholic beverages, whether licensed in the Commonwealth or not, shall acquire or hold any financial interest, direct or indirect, (i) in the business for which any retail license is issued or (ii) in the premises where the business of a retail licensee is conducted.

1. Subdivision B (ii) shall not apply so long as such manufacturer, bottler, importer, broker or wholesaler does not sell or otherwise furnish, directly or indirectly, alcoholic beverages or other merchandise to such retail licensee and such retailer is not required by agreement or otherwise to exclude from sale at his establishment alcoholic beverages of other manufacturers, bottlers, importers, brokers or wholesalers.

2. Service as a member of the board of directors of a corporation licensed as a retailer, the shares of stock of which are sold to the general public on any national or local stock exchange, shall not be deemed to be a financial interest, direct or indirect, in the business or the premises of the retail licensee.

3. A brewery, winery or subsidiary or affiliate thereof, hereinafter collectively referred to as a financing corporation, may participate in financing the business of a wholesale licensee in the Commonwealth by providing debt or equity capital or both but only if done in accordance with the provisions of this subsection.

a. In order to assist a proposed new owner of an existing wholesale licensee, a financing corporation may provide debt or equity capital, or both, if prior approval of the Board has been obtained pursuant to subdivision 3 b of subsection B. A financing corporation which proposes to provide equity capital shall cause the proposed new owner to form a Virginia limited partnership in which the new owner is the general partner and the financing corporation is a limited partner. If the general partner defaults on any financial obligation to the limited partner, which default has been specifically defined in the partnership agreement, or, if the new owner defaults on its obligation to pay principal and interest when due to the financing corporation as specifically defined in the loan documents, then, and only then, shall such financing corporation be allowed to take title to the business of the wholesale licensee. Notwithstanding any other law to the contrary and provided written notice has been given to the Board within two business days after taking title, the wholesale licensee may be managed and operated by such financing corporation pursuant to the existing wholesale license for a period of time not to exceed 180 days as if the license had been issued in the name of the financing corporation. On or before the expiration of such 180-day period, the financing corporation shall cause ownership of the wholesale licensee's business to be transferred to a new owner. Otherwise, on the 181st day, the license shall be deemed terminated. The financing corporation may not participate in financing the transfer of ownership to the new owner or to any other subsequent owner for a period of ~~twenty~~ 20 years following the effective date of the original financing transaction; except where a transfer takes place before the expiration of the eighth full year following the effective date of the original financing transaction in which case the financing corporation may finance such transfer as long as the new owner is required to return such debt or equity capital within the originally prescribed eight-year period. The financing corporation may exercise its right to take title to, manage and operate the business of, the wholesale licensee only once during such eight-year period.

b. In any case in which a financing corporation proposes to provide debt or equity capital in order to assist in a change of ownership of an existing wholesale licensee, the parties to the transaction shall first submit an application for a wholesale license in the name of the proposed new owner to the Board.

The Board shall be provided with all documents that pertain to the transaction at the time of the license application and shall ensure that the application complies with all requirements of law pertaining to the issuance of wholesale licenses except that if the financing corporation proposes to provide equity capital and thereby take a limited partnership interest in the applicant entity, the financing corporation shall not be required to comply with any Virginia residency requirement applicable to the issuance of wholesale licenses. In addition to the foregoing, the applicant entity shall certify to the Board and provide supporting documentation that the following requirements are met prior to issuance of the wholesale license: (i) the terms and conditions of any debt financing which the financing corporation proposes to provide are substantially the same as those available in the financial markets to other wholesale licensees who will be in competition with the applicant, (ii) the terms of any proposed equity financing transaction are such that future profits of the applicant's business shall be distributed annually to the financing corporation in direct proportion to its percentage of ownership interest received in return for its investment of equity capital, (iii) if the financing corporation proposes to provide equity capital, it shall hold an ownership interest in the applicant entity through a limited partnership interest and no other arrangement and (iv) the applicant entity shall be contractually obligated to return such debt or equity capital to the financing corporation not later than the end of the eighth full year following the effective date of the transaction thereby terminating any ownership interest or right thereto of the financing corporation.

Once the Board has issued a wholesale license pursuant to an application filed in accordance with this subdivision 3 b, any subsequent change in the partnership agreement or the financing documents shall be subject to the prior approval of the Board. In accordance with the previous paragraph, the Board may require the licensee to resubmit certifications and documentation.

c. If a financing corporation wishes to provide debt financing, including inventory financing, but not equity financing, to an existing wholesale licensee or a proposed new owner of an existing wholesale licensee, it may do so without regard to the provisions of subdivisions 3 a and 3 b of subsection B under the following circumstances and subject to the following conditions: (i) in order to secure such debt financing, a wholesale licensee or a proposed new owner thereof may grant a security interest in any of its assets, including inventory, other than the wholesale license itself or corporate stock of the wholesale licensee; in the event of default, the

financing corporation may take title to any assets pledged to secure such debt but may not take title to the business of the wholesale licensee and may not manage or operate such business; (ii) debt capital may be supplied by such financing corporation to an existing wholesale licensee or a proposed new owner of an existing wholesale licensee so long as debt capital is provided on terms and conditions which are substantially the same as those available in the financial markets to other wholesale licensees in competition with the wholesale licensee which is being so financed; and (iii) the licensee or proposed new owner shall certify to the Board and provide supporting documentation that the requirements of (i) and (ii) of this subdivision 3 c have been met.

Nothing in this section shall eliminate, affect or in any way modify the requirements of law pertaining to issuance and retention of a wholesale license as they may apply to existing wholesale licensees or new owners thereof which have received debt financing prior to the enactment of this subdivision 3 c.

4. Except for holders of retail licenses issued pursuant to subdivision A 5 of § 4.1-201, brewery licensees may sell beer to retail licensees for resale only under the following conditions: If such brewery or an affiliate or subsidiary thereof has taken title to the business of a wholesale licensee pursuant to the provisions of subdivision 3 a of subsection B, direct sale to retail licensees may be made during the 180-day period of operation allowed under that subdivision. Moreover, the holder of a brewery license may make sales of alcoholic beverages directly to retail licensees for a period not to exceed ~~thirty~~ 30 days in the event that such retail licensees are normally serviced by a wholesale licensee representing that brewery which has been forced to suspend wholesale operations as a result of a natural disaster or other act of God or which has been terminated by the brewery for fraud, loss of license or assignment of assets for the benefit of creditors not in the ordinary course of business.

5. Notwithstanding any provision of this section, including but not limited to those provisions whereby certain ownership or lease arrangements may be permissible, no manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages shall make an agreement, or attempt to make an agreement, with a retail licensee pursuant to which any products sold by a competitor are excluded in whole or in part from the premises on which the retail licensee's business is conducted.

6. Nothing in this section shall prohibit a winery, brewery, or distillery licensee from paying a royalty to a historical preservation entity pursuant to a bona fide intellectual property agreement that (i) authorizes the winery, brewery, or distillery licensee to manufacture wine, beer, or spirits based on authentic historical recipes and identified with brand names owned and trademarked by the historical preservation entity; (ii) provides for royalties to be paid based solely on the volume of wine, beer, or spirits manufactured using such recipes and trademarks, rather than on the sales revenues generated from such wine, beer, or spirits; and (iii) has been approved by the Board.

For purposes of this subdivision, "historical preservation entity" means an entity (a) that is exempt from income taxation under § 501(c)(3) of the Internal Revenue Code; (b) whose declared purposes include the preservation, restoration, and protection of a historic community in the Commonwealth that is the site of at least 50 historically significant houses, shops, and public buildings dating to the eighteenth century; and (c) that owns not more than 12 retail establishments in the Commonwealth for which retail licenses have been issued by the Board.

C. Subject to such exceptions as may be provided by statute or Board regulations, no manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages, whether licensed in the Commonwealth or not, shall sell, rent, lend, buy for or give to any retail licensee, or to the owner of the premises in which the business of any retail licensee is conducted, any (i) money, equipment, furniture, fixtures, property, services or anything of value with which the business of such retail licensee is or may be conducted, or for any other purpose; (ii) advertising materials; and (iii) business entertainment, provided that no transaction permitted under this section or by Board regulation shall be used to require the retail licensee to partially or totally exclude from sale at its establishment alcoholic beverages of other manufacturers or wholesalers.

The provisions of this subsection shall apply to manufacturers, bottlers, importers, brokers and wholesalers selling alcoholic beverages to any governmental instrumentality or employee thereof selling alcoholic beverages at retail within the exterior limits of the Commonwealth, including all territory within these limits owned by or ceded to the United States of America.

The provisions of this subsection shall not apply to any commercial lifestyle center licensee.

Notwithstanding the provisions of § 2.2-4022, the Board shall, upon written request by the licensee, permit the licensee to inspect and copy or photograph all (i) written or recorded statements made by the licensee or copies thereof or the substance of any oral statements made by the licensee or a previous or present employee of the licensee to any law-enforcement officer, the existence of which is known by the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this chapter against the licensee, and (ii) designated books, papers, documents, tangible objects, buildings, or places, or copies or portions thereof, that are within the possession, custody, or control of the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this chapter against the licensee. In addition, any subpoena for the production of documents issued to any person at the request of the licensee or the Board pursuant to § 4.1-103 shall provide for the production of the documents sought within ~~ten~~ 10 working days, notwithstanding anything to the contrary in § 4.1-103.

If the Board fails to provide for inspection or copying under this section for the licensee after a written request, the Board shall be prohibited from introducing into evidence any items the licensee would have lawfully been entitled to inspect or copy under this section.

The action of the Board in suspending or revoking any license or in imposing a civil penalty against the holder of a brewery license shall be subject to judicial review in accordance with the Administrative Process Act. Such review shall extend to the entire evidential record of the proceedings provided by the Board in accordance with the Administrative Process Act. However, if the violation involved selling alcoholic beverages to a person prohibited from purchasing alcoholic beverages or allowing consumption of alcoholic beverages by underage, intoxicated, or interdicted persons, the Board may impose a civil penalty not to exceed \$3,000 for the first violation occurring within five years immediately preceding the date of the violation and \$6,000 for a second violation occurring within five years immediately preceding the date of the second violation in lieu of such suspension or any portion thereof, or both. D. No waiver shall be granted by the Board, however, for a licensee's willful and knowing violation of this ~~title~~ subtitle or Board regulations.

Notwithstanding the provisions of § 2.2-4022, the Board shall, upon written request by the licensee, permit the licensee to inspect and copy or photograph all (i) written or recorded statements made by the licensee or copies thereof or the substance of any oral statements made by the licensee or a previous or present employee of the licensee to any law-enforcement officer, the existence of which is known by the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this chapter against the licensee, and (ii) designated books, papers, documents, tangible objects, buildings, or places, or copies or portions thereof, that are within the possession, custody, or control of the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this chapter against the licensee. In addition, any subpoena for the production of documents issued to any person at the request of the licensee or the Board pursuant to § 4.1-103 shall provide for the production of the documents sought within ~~ten~~ 10 working days, notwithstanding anything to the contrary in § 4.1-103.

If the Board fails to provide for inspection or copying under this section for the licensee after a written request, the Board shall be prohibited from introducing into evidence any items the licensee would have lawfully been entitled to inspect or copy under this section.

The action of the Board in suspending or revoking any license or in imposing a civil penalty against the holder of a brewery license shall be subject to judicial review in accordance with the Administrative Process Act. Such review shall extend to the entire evidential record of the proceedings provided by the Board in accordance with the Administrative Process Act. An appeal shall lie to the Court of Appeals from any order of

the court. Notwithstanding § 8.01-676.1, the final judgment or order of the circuit court shall not be suspended, stayed or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction shall lie in any such case.

B. In suspending any license the Board may impose, as a condition precedent to the removal of such suspension or any portion thereof, a requirement that the licensee pay the cost incurred by the Board in investigating the licensee and in holding the proceeding resulting in such suspension, or it may impose and collect such civil penalties as it deems appropriate. In no event shall the Board impose a civil penalty exceeding \$2,000 for the first violation occurring within five years immediately preceding the date of the violation or \$5,000 for the second violation occurring within five years immediately preceding the date of the second violation. However, if the violation involved selling alcoholic beverages to a person prohibited from purchasing alcoholic beverages or allowing consumption of alcoholic beverages by underage, intoxicated, or interdicted persons, the Board may impose a civil penalty not to exceed \$3,000 for the first violation occurring within five years immediately preceding the date of the violation and \$6,000 for a second violation occurring within five years immediately preceding the date of the second violation in lieu of such suspension or any portion thereof, or both. The Board may also impose a requirement that the licensee pay for the cost incurred by the Board not exceeding \$25,000 in investigating the licensee and in holding the proceeding resulting in the violation in addition to any suspension or civil penalty incurred.

C. Following notice to (i) the licensee of a hearing that may result in the suspension or revocation of his license or (ii) the applicant of a hearing to resolve a contested application, the Board may accept a consent agreement as authorized in subdivision 21 of § 4.1-103. The notice shall advise the licensee or applicant of the option to (a) admit the alleged violation or the validity of the objection; (b) waive any right to a hearing or an appeal under the Virginia Administrative Process Act (§ 2.2-4000 et seq.); and (c)(1) accept the proposed restrictions for operating under the license, (2) accept the period of suspension of the licensed privileges within the Board's parameters, (3) pay a civil penalty in lieu of the period of suspension, or any portion of the suspension as applicable, or (4) proceed to a hearing.

D. In case of an offense by the holder of a brewery license, the Board may (i) require that such holder pay the costs incurred by the Board in investigating the licensee, (ii) suspend or revoke the on-premises privileges of the brewery, and (iii) impose a civil penalty not to exceed \$25,000 for the first violation, \$50,000 for the second violation, and for the third or any subsequent violation, suspend or revoke such license or, in lieu of any suspension or portion thereof, impose a civil penalty not to exceed \$100,000. Such suspension or revocation shall not prohibit the licensee from manufacturing or selling beer manufactured by it to the owners of boats registered under the laws of the United States sailing for ports of call of a foreign country or another state, and to persons outside the Commonwealth.

E. The Board shall, by regulation or written order:

1. Designate those (i) objections to an application or (ii) alleged violations that will proceed to an initial hearing;

2. Designate the violations for which a waiver of a hearing and payment of a civil charge in lieu of suspension may be accepted for a first offense occurring within three years immediately preceding the date of the violation;

3. Provide for a reduction in the length of any suspension and a reduction in the amount of any civil penalty for any retail licensee where the licensee can demonstrate that it provided to its employees alcohol server or seller training certified in advance by the Board;

4. Establish a schedule of penalties for such offenses, prescribing the appropriate suspension of a license and the civil charge acceptable in lieu of such suspension; and

5. Establish a schedule of offenses for which any penalty may be waived upon a showing that the licensee has had no prior violations within five years immediately preceding the date of the violation. No waiver shall be granted by the Board, however, for a licensee's willful and knowing violation of this ~~title~~ subtitle or Board regulations.

However, in the case that such electronic records are not readily available for electronic inspection on the licensed premises, the licensee may obtain Board approval, for good cause shown, to permit the licensee to provide the records to a special agent of the Board within three business days or less, as determined by the Board, after a request is made to inspect the records.

B. Prior to issuing an order of suspension pursuant to this section, special agents of the Board shall conduct an initial investigation and submit all findings to the Secretary of the Board within 48 hours of any such act of violence. If the Board determines suspension is warranted, it shall immediately notify the licensee of its intention to temporarily suspend his license pending the outcome of a formal investigation. Such temporary suspension shall remain effective for a minimum of 48 hours. After the 48-hour period, the licensee may petition the Board for a restricted license pending the results of the formal investigation and proceedings for disciplinary review. If the Board determines that a restricted license is warranted, the Board shall have discretion to impose appropriate restrictions based on the facts presented.

C. Upon a determination to temporarily suspend a license, the Board shall immediately commence a formal investigation. The formal investigation shall be completed within 10 days of its commencement and the findings

E. This section shall not apply to temporary permits granted under § 4.1-806.

The Board shall suspend or revoke any license if it finds that:

2. A licensee has defrauded or attempted to defraud the Board, or any federal, state, or local government or governmental agency or authority, by making or filing any report, document, or tax return required by statute or regulation that is fraudulent or contains a willful or knowing false representation of a material fact or has willfully deceived or attempted to deceive the Board, or any federal, state, or local government or governmental agency or authority, by making or maintaining business records required by statute or regulation that are false or fraudulent.

§ 4.1-903. Suspension or revocation of licenses; notice and hearings; imposition of civil penalties.

A. Before the Board may suspend or revoke any license, reasonable notice of such proposed or contemplated action shall be given to the licensee in accordance with the provisions of § 2.2-4020 of the Administrative Process Act (§ 2.2-4000 et seq.).

Notwithstanding the provisions of § 2.2-4022, the Board shall, upon written request by the licensee, permit the licensee to inspect and copy or photograph all (i) written or recorded statements made by the licensee or copies thereof or the substance of any oral statements made by the licensee or a previous or present employee of the licensee to any law-enforcement officer, the existence of which is known by the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this subtitle against the licensee, and (ii) designated books, papers, documents, tangible objects, buildings, or places, or copies or portions thereof, that are within the possession, custody, or control of the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this subtitle against the licensee. In addition, any subpoena for the production of documents issued to any person at the request of the licensee or the Board pursuant to § 4.1-604 shall provide for the production of the documents sought within 10 working days, notwithstanding anything to the contrary in § 4.1-604.

If the Board fails to provide for inspection or copying under this section for the licensee after a written request, the Board shall be prohibited from introducing into evidence any items the licensee would have lawfully been entitled to inspect or copy under this section.

The action of the Board in suspending or revoking any license or in imposing a civil penalty shall be subject to judicial review in accordance with the Administrative Process Act (§ 2.2-4000 et seq.). Such review shall extend to the entire evidential record of the proceedings provided by the Board in accordance with the Administrative Process Act. An appeal shall lie to the Court of Appeals from any order of the court. Notwithstanding § 8.01-676.1, the final judgment or order of the circuit court shall not be suspended, stayed or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction shall lie in any such case.

B. In suspending any license the Board may impose, as a condition precedent to the removal of such suspension or any portion thereof, a requirement that the licensee pay the cost incurred by the Board in investigating the licensee and in holding the proceeding resulting in such suspension, or it may impose and collect such civil penalties as it deems appropriate. In no event shall the Board impose a civil penalty exceeding

\$2,000 for the first violation occurring within five years immediately preceding the date of the violation or \$5,000 for the second or subsequent violation occurring within five years immediately preceding the date of the second or subsequent violation. However, if the violation involved selling retail marijuana or retail marijuana products to a person prohibited from purchasing retail marijuana or retail marijuana products or allowing consumption of retail marijuana or retail marijuana products, the Board may impose a civil penalty not to exceed \$3,000 for the first violation occurring within five years immediately preceding the date of the violation and \$6,000 for a second or subsequent violation occurring within five years immediately preceding the date of the second or subsequent violation in lieu of such suspension or any portion thereof, or both. The Board may also impose a requirement that the licensee pay for the cost incurred by the Board not exceeding \$25,000 in investigating the licensee and in holding the proceeding resulting in the violation in addition to any suspension or civil penalty incurred.

C. Following notice to (i) the licensee of a hearing that may result in the suspension or revocation of his license or (ii) the applicant of a hearing to resolve a contested application, the Board may accept a consent agreement as authorized in § 4.1-604. The notice shall advise the licensee or applicant of the option to (a) admit the alleged violation or the validity of the objection; (b) waive any right to a hearing or an appeal under the Administrative Process Act (§ 2.2-4000 et seq.); and (c) (1) accept the proposed restrictions for operating under the license, (2) accept the period of suspension of the licensed privileges within the Board's parameters, (3) pay a civil penalty in lieu of the period of suspension, or any portion of the suspension as applicable, or (4) proceed to a hearing.

D. The Board shall, by regulation or written order:

1. Designate those (i) objections to an application or (ii) alleged violations that will proceed to an initial hearing;

2. Designate the violations for which a waiver of a hearing and payment of a civil charge in lieu of suspension may be accepted for a first offense occurring within three years immediately preceding the date of the violation;

3. Provide for a reduction in the length of any suspension and a reduction in the amount of any civil penalty for any retail marijuana store licensee where the licensee can demonstrate that it provided to its employees marijuana seller training certified in advance by the Board;

4. Establish a schedule of penalties for such offenses, prescribing the appropriate suspension of a license and the civil charge acceptable in lieu of such suspension; and

5. Establish a schedule of offenses for which any penalty may be waived upon a showing that the licensee has had no prior violations within five years immediately preceding the date of the violation. No waiver shall be granted by the Board, however, for a licensee's willful and knowing violation of this subtitle or Board regulations.

§ 4.1-904. Suspension or revocation; disposition of retail marijuana or retail marijuana products on hand; termination.

A. Retail marijuana or retail marijuana products owned by or in the possession of or for sale by any licensee at the time the license of such person is suspended or revoked may be disposed of as follows:

2. Provided to the Virginia State Police to be destroyed.

B. All retail marijuana or retail marijuana products owned by or in the possession of any person whose license is suspended or revoked shall be disposed of by such person in accordance with the provisions of this section within 60 days from the date of such suspension or revocation.

C. Retail marijuana or retail marijuana products owned by or in the possession of or for sale by persons whose licenses have been terminated other than by suspension or revocation may be disposed of in accordance with subsection A within such time as the Board deems proper. Such period shall not be less than 60 days.

D. All retail marijuana or retail marijuana products owned by or remaining in the possession of any person described in subsection A or C after the expiration of such period shall be deemed contraband and forfeited to the Commonwealth in accordance with the provisions of § 4.1-1304.

ADMINISTRATION OF LICENSES; APPLICATIONS FOR LICENSES; FEES; TAXES.

§ 4.1-1000. Applications for licenses; publication; notice to localities; fees; permits.

A. Every person intending to apply for any license authorized by this subtitle shall file with the Board an application on forms provided by the Board and a statement in writing by the applicant swearing and affirming that all of the information contained therein is true.

Applicants for licenses for establishments that are otherwise required to obtain an inspection by the Department of Agriculture and Consumer Services shall provide proof of inspection or proof of a pending request for such inspection. If the applicant provides proof of inspection or proof of a pending request for an inspection, a license may be issued to the applicant. If a license is issued on the basis of a pending application or inspection, such license shall authorize the licensee to purchase retail marijuana, retail marijuana products, immature marijuana plants, or marijuana seeds in accordance with the provisions of this subtitle; however, the licensee shall not sell retail marijuana, retail marijuana products, immature marijuana plants, or marijuana seeds until an inspection is completed.

B. In addition, each applicant for a license under the provisions of this subtitle shall post a notice of his application with the Board on the front door of the building, place, or room where he proposes to engage in such business for no more than 30 days and not less than 10 days. Such notice shall be of a size and contain such information as required by the Board, including a statement that any objections shall be submitted to the Board not more than 30 days following initial posting of the notice required pursuant to this subsection.

The applicant shall also cause notice to be published at least once a week for two consecutive weeks in a newspaper published in or having a general circulation in the county, city, or town wherein such applicant proposes to engage in such business. Such notice shall contain such information as required by the Board, including a statement that any objections to the issuance of the license be submitted to the Board not later than 30 days from the date of the initial newspaper publication.

The Board shall conduct a background investigation, to include a criminal history records search, which may include a fingerprint-based national criminal history records search, on each applicant for a license. However, the Board may waive, for good cause shown, the requirement for a criminal history records search and completed personal data form for officers, directors, nonmanaging members, or limited partners of any applicant corporation, limited liability company, or limited partnership. In considering criminal history record information, the Board shall not disqualify an applicant because of a past conviction for a marijuana-related offense.

The Board shall notify the local governing body of each license application through the town manager, city manager, county administrator, or other designee of the locality. Local governing bodies shall submit objections to the granting of a license within 30 days of the filing of the application.

C. Each applicant shall pay the required application fee at the time the application is filed, except that such fee shall be waived or discounted for qualified social equity applicants pursuant to regulations promulgated by the Board. The license application fee shall be determined by the Board and shall be in addition to the actual cost charged to the Department of State Police by the Federal Bureau of Investigation or the Central Criminal Records Exchange for processing any fingerprints through the Federal Bureau of Investigation or the Central Criminal Records Exchange for each criminal history records search required by the Board. Application fees shall be in addition to the state license fee required pursuant to § 4.1-1001 and shall not be refunded.

D. Subsection A shall not apply to the continuance of licenses granted under this subtitle; however, all licensees shall file and maintain with the Board a current, accurate record of the information required by the Board pursuant to subsection A and notify the Board of any changes to such information in accordance with Board regulations.

E. Every application for a permit granted pursuant to § 4.1-806 shall be on a form provided by the Board. Such permits shall confer upon their holders no authority to make solicitations in the Commonwealth as otherwise provided by law.

The fee for a temporary permit shall be one-twelfth of the combined fees required by this section for applicable licenses to sell retail marijuana or retail marijuana products computed to the nearest cent and multiplied by the number of months for which the permit is granted.

F. The Board shall have the authority to increase state license fees. The Board shall set the amount of such increases on the basis of the consumer price index and shall not increase fees more than once every three years. Prior to implementing any state license fee increase, the Board shall provide notice to all licensees and the general public of (i) the Board's intent to impose a fee increase and (ii) the new fee that would be required for any license affected by the Board's proposed fee increases. Such notice shall be provided on or before November 1 in any year in which the Board has decided to increase state license fees, and such increases shall become effective July 1 of the following year.

§ 4.1-1001. Fees for state licenses.

A. The annual fees on state licenses shall be determined by the Board.

B. The fee on each license granted or reissued for a period other than 12, 24, or 36 months shall be equal to one-twelfth of the fees required by subsection A computed to the nearest cent, multiplied by the number of months in the license period, and then increased by five percent. Such fee shall not be refundable, except as provided in § 4.1-1002.

C. Nothing in this subtitle shall exempt any licensee from any state merchants' license or state restaurant license or any other state tax. Every licensee, in addition to the taxes and fees imposed by this subtitle, shall be liable to state merchants' license taxation and other state taxation.

D. In addition to the fees set forth in this section, a fee of \$5 may be imposed on any license purchased in person from the Board if such license is available for purchase online.

§ 4.1-1002. Refund of state license fee.

A. The Board may correct erroneous assessments made by it against any person and make refunds of any amounts collected pursuant to erroneous assessments, or collected as fees on licenses, that are subsequently refused or application therefor withdrawn, and to allow credit for any license fees paid by any licensee for any license that is subsequently merged or changed into another license during the same license period. No refund shall be made of any such amount, however, unless made within three years from the date of collection of the same.

B. In any case where a licensee has changed its name or form of organization during a license period without any change being made in its ownership, and because of such change is required to pay an additional license fee for such period, the Board shall refund to such licensee the amount of such fee so paid in excess of the required license fee for such period.

C. The Board shall make refunds, prorated according to a schedule of its prescription, to licensees of state license fees paid pursuant to subsection A of § 4.1-1001 if the place of business designated in the license is destroyed by an act of God, including but not limited to fire, earthquake, hurricane, storm, or similar natural disaster or phenomenon.

D. Any amount required to be refunded under this section shall be paid by the State Treasurer out of moneys appropriated to the Board and in the manner prescribed in § 4.1-614.

§ 4.1-1003. Marijuana tax; exceptions.

A. A tax of 21 percent is levied on the sale in the Commonwealth of any retail marijuana, retail marijuana products, marijuana paraphernalia sold by a retail marijuana store, non-retail marijuana, and non-retail marijuana products. The tax shall be in addition to any tax imposed under Chapter 6 (§ 58.1-600 et seq.) of Title 58.1 or any other provision of federal, state, or local law.

B. The tax shall not apply to any sale:

- 1. From a marijuana establishment to another marijuana establishment.*
- 2. Of cannabis oil for treatment under the provisions of § 54.1-3408.3 and Article 4.2 (§ 54.1-3442.5 et seq.) of the Drug Control Act.*
- 3. Of industrial hemp by a grower, processor, or dealer under the provisions of Chapter 41.1 (§ 3.2-4112 et seq.) of Title 3.2.*

4. *Of industrial hemp extract or food containing an industrial hemp extract under the provisions of Article 5 (§ 3.2-5145.1 et seq.) of Chapter 51 of Title 3.2.*

C. All revenues remitted to the Authority under this section shall be disposed of as provided in § 4.1-614.

§ 4.1-1004. Optional local marijuana tax.

A. Any locality may by ordinance levy a three percent tax on any sale taxable under § 4.1-1003. The tax shall be in addition to any local sales tax imposed under Chapter 6 (§ 58.1-600 et seq.) of Title 58.1, any food and beverage tax imposed under Article 7.1 (§ 58.1-3833 et seq.) of Chapter 38 of Title 58.1, and any excise tax imposed on meals under § 58.1-3840. Other than the taxes authorized and identified in this subsection, a locality shall not impose any other tax on a sale taxable under § 4.1-1003.

B. If a town imposes a tax under this section, any tax imposed by its surrounding county under this section shall not apply within the limits of the town.

C. Nothing in this section shall be construed to prohibit a locality from imposing any tax authorized by law on a person or property regulated under this subtitle. Nothing in this section shall be construed to limit the authority of any locality to impose a license or privilege tax or fee on a business engaged in whole or in part in sales taxable under § 4.1-1003 if such tax or fee is (i) based on an annual or per-event flat fee authorized by law or (ii) is an annual license or privilege tax authorized by law, and such tax includes sales or receipts taxable under § 4.1-1003 in its taxable measure.

D. Any locality that enacts an ordinance pursuant to subsection A shall, within 30 days, notify the Authority and any retail marijuana store in such locality of the ordinance's enactment. The ordinance shall take effect on the first day of the second month following its enactment.

E. Any tax levied under this section shall be administered and collected by the Authority in the same manner as provided for the tax imposed under § 4.1-1003.

F. All revenues remitted to the Authority under this section shall be disposed of as provided in § 4.1-614.

§ 4.1-1005. Tax returns and payments; commissions; interest.

A. For any sale taxable under §§ 4.1-1003 and 4.1-1004, the seller shall be liable for collecting any taxes due. All taxes collected by a seller shall be deemed to be held in trust for the Commonwealth. The buyer shall not be liable for collecting or remitting the taxes or filing a return.

B. On or before the tenth day of each month, any person liable for a tax due under § 4.1-1003 or 4.1-1004 shall file a return under oath with the Authority and pay any taxes due. Upon written application by a person filing a return, the Authority may, if it determines good cause exists, grant an extension to the end of the calendar month in which the tax is due, or for a period not exceeding 30 days. Any extension shall toll the accrual of any interest or penalties under § 4.1-1008.

C. The Authority may accept payment by any commercially acceptable means, including cash, checks, credit cards, debit cards, and electronic funds transfers, for any taxes, interest, or penalties due under this subtitle. The Board may assess a service charge for the use of a credit or debit card.

D. Upon request, the Authority may collect and maintain a record of a person's credit card, debit card, or automated clearinghouse transfer information and use such information for future payments of taxes, interest, or penalties due under this subtitle. The Authority may assess a service charge for any payments made under this subsection. The Authority may procure the services of a third-party vendor for the secure storage of information collected pursuant to this subsection.

E. If any person liable for tax under §§ 4.1-1003 and 4.1-1004 sells out his business or stock of goods or quits the business, such person shall make a final return and payment within 15 days after the date of selling or quitting the business. Such person's successors or assigns, if any, shall withhold sufficient of the purchase money to cover the amount of such taxes, interest, and penalties due and unpaid until such former owner produces a receipt from the Authority showing payment or a certificate stating that no taxes, penalties, or interest are due. If the buyer of a business or stock of goods fails to withhold the purchase money as provided in this subsection, such buyer shall be liable for the payment of the taxes, interest, and penalties due and unpaid on account of the operation of the business by any former owner.

F. When any person fails to timely pay the full amount of tax due under § 4.1-1003 or 4.1-1004, interest at a rate determined in accordance with § 58.1-15 shall accrue on the tax until it is paid. Any taxes due under §§ 4.1-1003 and 4.1-1004 shall, if applicable, be subject to penalties as provided in §§ 4.1-1206 and 4.1-1207.

§ 4.1-1006. Bonds.

The Authority may, when deemed necessary and advisable to do so in order to secure the collection of the taxes levied under §§ 4.1-1003 and 4.1-1004, require any person subject to such tax to file a bond, with such surety as it determines is necessary to secure the payment of any tax, penalty, or interest due or that may become due from such person. In lieu of such bond, securities approved by the Authority may be deposited with the State Treasurer, which securities shall be kept in the custody of the State Treasurer, and shall be sold by the State Treasurer at the request of the Authority at public or private sale if it becomes necessary to do so in order to recover any tax, interest, or penalty due the Commonwealth. Upon any such sale, the surplus, if any, above the amounts due shall be returned to the person who deposited the securities.

§ 4.1-1007. Refunds.

A. Whenever it is proved to the satisfaction of the Authority that any taxes levied pursuant to § 4.1-1003 or 4.1-1004 have been paid and that the taxable items were or are (i) damaged, destroyed, or otherwise deemed to be unsalable by reason of fire or any other providential cause before sale to the consumer; (ii) destroyed voluntarily because the taxable items were defective and after notice to and approval by the Authority of such destruction; or (iii) destroyed in any manner while in the possession of a common, private, or contract carrier, the Authority shall certify such facts to the Comptroller for approval of a refund payment from the state treasury to such extent as may be proper.

B. Whenever it is proved to the satisfaction of the Authority that any person has purchased taxable items that have been sold by such person in such manner as to be exempt from the tax, the Authority shall certify such facts to the Comptroller for approval of a refund payment from the state treasury to such extent as may be proper.

C. In the event purchases are returned to the seller by the buyer after a tax imposed under § 4.1-1003 or 4.1-1004 has been collected or charged to the account of the buyer, the seller shall be entitled to a refund of the amount of tax so collected or charged in the manner prescribed by the Authority. The amount of tax so refunded to the seller shall not, however, include the tax paid upon any amount retained by the seller after such return of merchandise. In case the tax has not been remitted by the seller, the seller may deduct the same in submitting his return.

§ 4.1-1008. Statute of limitations; civil remedies for collecting past-due taxes, interest, and penalties.

A. The taxes imposed under §§ 4.1-1003 and 4.1-1004 shall be assessed within three years from the date on which such taxes became due and payable. In the case of a false or fraudulent return with intent to defraud the Commonwealth, or a failure to file a return, the taxes may be assessed, or a proceeding in court for the collection of such taxes may be begun without assessment, at any time within six years from such date. The Authority shall not examine any person's records beyond the three-year period of limitations unless it has reasonable evidence of fraud or reasonable cause to believe that such person was required by law to file a return and failed to do so.

B. If any person fails to file a return as required by this section, or files a return that is false or fraudulent, the Authority may make an estimate for the taxable period of the taxable sales of such person and assess the tax, plus any applicable interest and penalties. The Authority shall give such person 10 days' notice requiring such person to provide any records as it may require relating to the business of such person for the taxable period. The Authority may require such person or the agents and employees of such person to give testimony or to answer interrogatories under oath administered by the Authority respecting taxable sales, the filing of the return, and any other relevant information. If any person fails to file a required return, refuses to provide required records, or refuses to answer interrogatories from the Authority, the Authority may make an estimated assessment based upon the information available to it and issue a memorandum of lien under subsection C for the collection of any taxes, interest, or penalties. The estimated assessment shall be deemed prima facie correct.

C. 1. If the Authority assesses taxes, interest, or penalties on a person and such person does not pay within 30 days after the due date, taking into account any extensions granted by the Authority, the Authority may file

a memorandum of lien in the circuit court clerk's office of the county or city in which the person's place of business is located or in which the person resides. If the person has no place of business or residence within the Commonwealth, the memorandum may be filed in the Circuit Court of the City of Richmond. A copy of the memorandum may also be filed in the clerk's office of all counties and cities in which the person owns real estate. Such memorandum shall be recorded in the judgment docket book and shall have the effect of a judgment in favor of the Commonwealth, to be enforced as provided in Article 19 (§ 8.01-196 et seq.) of Chapter 3 of Title 8.01, except that a writ of fieri facias may issue at any time after the memorandum is filed. The lien on real estate shall become effective at the time the memorandum is filed in the jurisdiction in which the real estate is located. No memorandum of lien shall be filed unless the person is first given 10 or more days' prior notice of intent to file a lien; however, in those instances where the Authority determines that the collection of any tax, penalties, or interest required to be paid pursuant to law will be jeopardized by the provision of such notice, notification may be provided to the person concurrent with the filing of the memorandum of lien. Such notice shall be given to the person at his last known address.

2. Recordation of a memorandum of lien under this subsection shall not affect a person's right to appeal under § 4.1-1009.

3. If after filing a memorandum of lien the Authority determines that it is in the best interest of the Commonwealth, it may place padlocks on the doors of any business enterprise that is delinquent in filing or paying any tax owed to the Commonwealth. The Authority shall also post notices of distraint on each of the doors so padlocked. If after three business days, the tax deficiency has not been satisfied or satisfactory arrangements for payment made, the Authority may cause a writ of fieri facias to be issued. It shall be a Class 1 misdemeanor for anyone to enter the padlocked premises without prior approval of the Authority. In the event that the person against whom the distraint has been applied subsequently appeals under § 4.1-1009, the person shall have the right to post bond equaling the amount of liability in lieu of payment until the appeal is resolved.

4. A person may petition the Authority after a memorandum of lien has been filed under this subsection if the person alleges an error in the filing of the lien. The Authority shall make a determination on such petition within 14 days. If the Authority determines that the filing was erroneous, it shall issue a certificate of release of the lien within seven days after such determination is made.

§ 4.1-1009. Appeals.

Any tax imposed under § 4.1-1003 or 4.1-1004, any interest imposed under § 4.1-1008, any action of the Authority under § 4.1-1204, and any penalty imposed under § 4.1-1206 or 4.1-1207 shall be subject to review under the Administrative Process Act (§ 2.2-4000 et seq.). Such review shall extend to the entire evidential record of the proceedings provided by the Authority in accordance with the Administrative Process Act. An appeal shall lie to the Court of Appeals from any order of a circuit court. Notwithstanding § 8.01-676.1, the final judgment or order of a circuit court shall not be suspended, stayed, or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction shall lie in any such case.

The injunction shall also restrain all persons from removing any marijuana or marijuana products then on such premises until the further order of the court. If the court is satisfied that the material allegations of the bill are true, although the premises complained of may not then be unlawfully used, it shall continue the injunction against such place for a period of time as the court deems proper. The injunction may be dissolved if a proper case is shown for dissolution.

§ 4.1-1301. Contraband marijuana or marijuana products and other articles subject to forfeiture.

If complaint on oath is made that marijuana or marijuana products are being cultivated, manufactured, sold, kept, stored, or in any manner held, used, or concealed in a particular house, or other place, in violation of law, the judge, magistrate, or other person having authority to issue criminal warrants, to whom such complaint is made, if satisfied that there is a probable cause for such belief, shall issue a warrant to search such house or other place for marijuana or marijuana products. Such warrants, except as herein otherwise provided, shall be issued, directed, and executed in accordance with the laws of the Commonwealth pertaining to search warrants.

B. Warrants issued under this subtitle for the search of any automobile, boat, conveyance, or vehicle, whether of like kind or not, or for the search of any article of baggage, whether of like kind or not, for marijuana or marijuana products may be executed in any part of the Commonwealth where they are overtaken and shall be made returnable before any judge within whose jurisdiction such automobile, boat, conveyance, vehicle, truck, or article of baggage, or any of them, was transported or attempted to be transported contrary to law.

§ 4.1-1304. Confiscation proceedings; disposition of forfeited articles.

A. All proceedings for the confiscation of articles, except motor vehicles, declared contraband and forfeited to the Commonwealth under this subtitle shall be as provided in this section.

B. Production of seized property. Whenever any article declared contraband under the provisions of this subtitle and required to be forfeited to the Commonwealth has been seized, with or without a warrant, by any officer charged with the enforcement of this subtitle, he shall produce the contraband article and any person in whose possession it was found. In those cases where no person is found in possession of such articles, the return shall so state and a copy of the warrant shall be posted on the door of the buildings or room where the articles were found, or if there is no door, then in any conspicuous place upon the premises.

In case of seizure of any item for any offense involving its forfeiture where it is impracticable to remove such item to a place of safe storage from the place where seized, the seizing officer may destroy such item only as necessary to prevent use of all or any part thereof. The destruction shall be in the presence of at least one credible witness, and such witness shall join the officer in a sworn report of the seizure and destruction to be made to the Board. The report shall set forth the grounds of the claim of forfeiture, the reasons for seizure and destruction, an estimate of the fair cash value of the item destroyed, and the materials remaining after such destruction. The report shall include a statement that, from facts within their own knowledge, the seizing officer and witness have no doubt whatever that the item was set up for use, or had been used in the unlawful cultivation or manufacture of marijuana, and that it was impracticable to remove such apparatus to a place of safe storage.

In case of seizure of any quantity of marijuana or marijuana products for any offense involving forfeiture of the same, the seizing officer may destroy them to prevent the use of all or any part thereof for the purpose of unlawful cultivation or manufacture of marijuana or marijuana products or any other violation of this subtitle. The destruction shall be in the presence of at least one credible witness, and such witness shall join the officer

in a sworn report of the seizure and destruction to be made to the Board. The report shall set forth the grounds of the claim of forfeiture, the reasons for seizure and destruction, and a statement that, from facts within their own knowledge, the seizing officer and witness have no doubt whatever that the marijuana or marijuana products were intended for use in the unlawful cultivation or manufacture of marijuana or marijuana products or were intended for use in violation of this subtitle.

C. Hearing and determination. Upon the return of the warrant as provided in this section, the court shall fix a time not less than 10 days, unless waived by the accused in writing, and not more than 30 days thereafter, for the hearing on such return to determine whether or not the articles seized, or any part thereof, were used or in any manner kept, stored, or possessed in violation of this subtitle.

At such hearing, if no claimant appears, the court shall declare the articles seized forfeited to the Commonwealth and, if such articles are not necessary as evidence in any pending prosecution, shall turn them over to the Board. Any person claiming an interest in any of the articles seized may appear at the hearing and file a written claim setting forth particularly the character and extent of his interest. The court shall certify the warrant and the articles seized along with any claim filed to the circuit court to hear and determine the validity of such claim.

If the evidence warrants, the court shall enter a judgment of forfeiture and order the articles seized to be turned over to the Board. Action under this section and the forfeiture of any articles hereunder shall not be a bar to any prosecution under any other provision of this subtitle.

D. Disposition of forfeited articles. Any articles forfeited to the Commonwealth and turned over to the Board in accordance with this section shall be destroyed or sold by the Board as it deems proper. The net proceeds from such sales shall be paid into the Literary Fund.

If the Board believes that any foodstuffs forfeited to the Commonwealth and turned over to the Board in accordance with this section are usable, should not be destroyed, and cannot be sold or whose sale would be impractical, it may give such foodstuffs to any institution in the Commonwealth and shall prefer a gift to the local jail or other local correctional facility in the jurisdiction where seizure took place. A record shall be made showing the nature of the foodstuffs and amount given, to whom given, and the date when given, and shall be kept in the offices of the Board.

If illegally acquired retail marijuana or retail marijuana products or retail marijuana or retail marijuana products being illegally transported in amounts in excess of two and one-half ounces of retail marijuana, 16 ounces of solid retail marijuana product, or 72 ounces of liquid retail marijuana product, the officer shall seize the retail marijuana or retail marijuana product, seize and take possession of such conveyance or vehicle, and deliver them to the chief law-enforcement officer of the locality in which such seizure was made, taking his receipt therefor in duplicate.

B. The officer making such seizure shall forthwith report in writing such seizure and arrest to the attorney for the Commonwealth for the county or city in which seizure and arrest were made.

An intake officer may proceed informally on a complaint alleging a child is in need of services, in need of supervision, or delinquent only if the juvenile (a) is not alleged to have committed a violent juvenile felony or (b) has not previously been proceeded against informally or adjudicated delinquent for an offense that would be a felony if committed by an adult. A petition alleging that a juvenile committed a violent juvenile felony shall be filed with the court. A petition alleging that a juvenile is delinquent for an offense that would be a felony if committed by an adult shall be filed with the court if the juvenile had previously been proceeded against informally by intake or had been adjudicated delinquent for an offense that would be a felony if committed by an adult.

If a juvenile is alleged to be a truant pursuant to a complaint filed in accordance with § 22.1-258 and the attendance officer has provided documentation to the intake officer that the relevant school division has complied with the provisions of § 22.1-258, then the intake officer shall file a petition with the court. The intake officer may defer filing the petition and proceed informally by developing a truancy plan, provided that (1) the juvenile has not previously been proceeded against informally or adjudicated in need of supervision on more than two occasions for failure to comply with compulsory school attendance as provided in § 22.1-254 and (2) the immediately previous informal action or adjudication occurred at least three calendar years prior to the current complaint. The juvenile and his parent or parents, guardian, or other person standing in loco parentis must agree, in writing, for the development of a truancy plan. The truancy plan may include requirements that the juvenile and his parent or parents, guardian, or other person standing in loco parentis participate in such programs, cooperate in such treatment, or be subject to such conditions and limitations as necessary to ensure the juvenile's compliance with compulsory school attendance as provided in § 22.1-254. The intake officer may refer the juvenile to the appropriate public agency for the purpose of developing a truancy plan using an interagency interdisciplinary team approach. The team may include qualified personnel who are reasonably available from the appropriate department of social services, community services board, local school division, court service unit, and other appropriate and available public and private agencies and may be the family assessment and planning team established pursuant to § 2.2-5207. If at the end of the deferral period the juvenile

has not successfully completed the truancy plan or the truancy program, then the intake officer shall file the petition.

Whenever informal action is taken as provided in this subsection on a complaint alleging that a child is in need of services, in need of supervision, or delinquent, the intake officer shall (A) develop a plan for the juvenile, which may include restitution and the performance of community service, based upon community resources and the circumstances which resulted in the complaint, (B) create an official record of the action taken by the intake officer and file such record in the juvenile's case file, and (C) advise the juvenile and the juvenile's parent, guardian, or other person standing in loco parentis and the complainant that any subsequent complaint alleging that the child is in need of supervision or delinquent based upon facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241 may result in the filing of a petition with the court.

C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody, visitation, or support of a child is the subject of controversy or requires determination, (ii) a person has deserted, abandoned, or failed to provide support for any person in violation of law, (iii) a child or such child's parent, guardian, legal custodian, or other person standing in loco parentis is entitled to treatment, rehabilitation, or other services which are required by law, (iv) family abuse has occurred and a protective order is being sought pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1, or (v) an act of violence, force, or threat has occurred, a protective order is being sought pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, and either the alleged victim or the respondent is a juvenile. If any such complainant does not file a petition, the intake officer may file it. In cases in which a child is alleged to be abused, neglected, in need of services, in need of supervision, or delinquent, if the intake officer believes that probable cause does not exist, or that the authorization of a petition will not be in the best interest of the family or juvenile or that the matter may be effectively dealt with by some agency other than the court, he may refuse to authorize the filing of a petition. The intake officer shall provide to a person seeking a protective order pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1 a written explanation of the conditions, procedures and time limits applicable to the issuance of protective orders pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1. If the person is seeking a protective order pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, the intake officer shall provide a written explanation of the conditions, procedures, and time limits applicable to the issuance of protective orders pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10.

D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall be reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be in need of supervision have utilized or attempted to utilize treatment and services available in the community and have exhausted all appropriate nonjudicial remedies which are available to them. When the intake officer determines that the parties have not attempted to utilize available treatment or services or have not exhausted all appropriate nonjudicial remedies which are available, he shall refer the petitioner and the child alleged to be in need of supervision to the appropriate agency, treatment facility, or individual to receive treatment or services, and a petition shall not be filed. Only after the intake officer determines that the parties have made a reasonable effort to utilize available community treatment or services may he permit the petition to be filed.

E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an adult would be punishable as a Class 1 misdemeanor or as a felony, the complainant shall be notified in writing at that time of the complainant's right to apply to a magistrate for a warrant. If a magistrate determines that probable cause exists, he shall issue a warrant returnable to the juvenile and domestic relations district court. The warrant shall be delivered forthwith to the juvenile court, and the intake officer shall accept and file a petition founded upon the warrant. If the court is closed and the magistrate finds that the criteria for detention or shelter care set forth in § 16.1-248.1 have been satisfied, the juvenile may be detained pursuant to the warrant issued in accordance with this subsection. If the intake officer refuses to authorize a petition relating to a child in need of services or in need of supervision, a status offense, or a misdemeanor other than Class 1, his decision is final.

Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the intake officer shall accept and file a petition founded upon the warrant.

F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition which alleges facts of an offense which would be a felony if committed by an adult.

G. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.), the intake officer shall file a report with the division superintendent of the school division in which any student who is the subject of a petition alleging that such student who is a juvenile has committed an act, wherever committed, which would be a crime if committed by an adult, or that such student who is an adult has committed a crime and is alleged to be within the jurisdiction of the court. The report shall notify the division superintendent of the filing of the petition and the nature of the offense, if the violation involves:

1. A firearm offense pursuant to Article 4 (§ 18.2-279 et seq.), 5 (§ 18.2-288 et seq.), 6 (§ 18.2-299 et seq.), 6.1 (§ 18.2-307.1 et seq.), or 7 (§ 18.2-308.1 et seq.) of Chapter 7 of Title 18.2;
2. Homicide, pursuant to Article 1 (§ 18.2-30 et seq.) of Chapter 4 of Title 18.2;
3. Felonious assault and bodily wounding, pursuant to Article 4 (§ 18.2-51 et seq.) of Chapter 4 of Title 18.2;
4. Criminal sexual assault, pursuant to Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2;
5. Manufacture, sale, gift, distribution or possession of Schedule I or II controlled substances, pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;
6. Manufacture, sale or distribution of marijuana pursuant to ~~Article 1 Chapter 11 (§ 18.2-247 4.1-1100 et seq.) of Chapter 7 of Title 18.2 4.1;~~ *Chapter 11 (§ 4.1-1100 et seq.)* of Chapter 7 of Title 18.2 4.1;
7. Arson and related crimes, pursuant to Article 1 (§ 18.2-77 et seq.) of Chapter 5 of Title 18.2;
8. Burglary and related offenses, pursuant to §§ 18.2-89 through 18.2-93;
9. Robbery pursuant to § 18.2-58;
10. Prohibited criminal street gang activity pursuant to § 18.2-46.2;
11. Recruitment of other juveniles for a criminal street gang activity pursuant to § 18.2-46.3;
12. An act of violence by a mob pursuant to § 18.2-42.1;
13. Abduction of any person pursuant to § 18.2-47 or 18.2-48; or
14. A threat pursuant to § 18.2-60.

The failure to provide information regarding the school in which the student who is the subject of the petition may be enrolled shall not be grounds for refusing to file a petition.

The information provided to a division superintendent pursuant to this section may be disclosed only as provided in § 16.1-305.2.

H. The filing of a petition shall not be necessary:

1. In the case of violations of the traffic laws, including offenses involving bicycles, hitchhiking and other pedestrian offenses, game and fish laws, or a violation of the ordinance of any city regulating surfing or any ordinance establishing curfew violations, animal control violations, or littering violations. In such cases the court may proceed on a summons issued by the officer investigating the violation in the same manner as provided by law for adults. Additionally, an officer investigating a motor vehicle accident may, at the scene of the accident or at any other location where a juvenile who is involved in such an accident may be located, proceed on a summons in lieu of filing a petition.

2. In the case of seeking consent to apply for the issuance of a work permit pursuant to subsection H of § 16.1-241.

3. In the case of a misdemeanor violation of § 4.1-1104, 18.2-266, 18.2-266.1, or 29.1-738, or the commission of any other alcohol-related offense, ~~or a violation of § 18.2-250.1~~, provided that the juvenile is released to the custody of a parent or legal guardian pending the initial court date. The officer releasing a juvenile to the custody of a parent or legal guardian shall issue a summons to the juvenile and shall also issue a summons requiring the parent or legal guardian to appear before the court with the juvenile. Disposition of the charge shall be in the manner provided in § 16.1-278.8, 16.1-278.8:01, or 16.1-278.9. If the juvenile so charged with a violation of § 18.2-51.4, 18.2-266, 18.2-266.1, 18.2-272, or 29.1-738 refuses to provide a sample of blood or breath or samples of both blood and breath for chemical analysis pursuant to §§ 18.2-268.1 through 18.2-268.12 or 29.1-738.2, the provisions of these sections shall be followed except that the magistrate shall authorize execution of the warrant as a summons. The summons shall be served on a parent or legal guardian and the juvenile, and a copy of the summons shall be forwarded to the court in which the violation is to be tried. When a violation of § 4.1-305 or ~~18.2-250.1~~ 4.1-1104 is charged by summons, the juvenile shall be entitled to

have the charge referred to intake for consideration of informal proceedings pursuant to subsection B, provided that such right is exercised by written notification to the clerk not later than 10 days prior to trial. At the time such summons alleging a violation of § 4.1-305 or ~~18.2-250.1~~ 4.1-1104 is served, the officer shall also serve upon the juvenile written notice of the right to have the charge referred to intake on a form approved by the Supreme Court and make return of such service to the court. If the officer fails to make such service or return, the court shall dismiss the summons without prejudice.

4. In the case of offenses which, if committed by an adult, would be punishable as a Class 3 or Class 4 misdemeanor. In such cases the court may direct that an intake officer proceed as provided in § 16.1-237 on a summons issued by the officer investigating the violation in the same manner as provided by law for adults provided that notice of the summons to appear is mailed by the investigating officer within five days of the issuance of the summons to a parent or legal guardian of the juvenile.

I. Failure to comply with the procedures set forth in this section shall not divest the juvenile court of the jurisdiction granted it in § 16.1-241.

§ 16.1-273. Court may require investigation of social history and preparation of victim impact statement.

A. When a juvenile and domestic relations district court or circuit court has adjudicated any case involving a child subject to the jurisdiction of the court hereunder, except for a traffic violation, a violation of the game and fish law, or a violation of any city ordinance regulating surfing or establishing curfew violations, the court before final disposition thereof may require an investigation, which (i) shall include a drug screening and (ii) may, and for the purposes of subdivision A 14 or 17 of § 16.1-278.8 shall, include a social history of the physical, mental, and social conditions, including an assessment of any affiliation with a criminal street gang as defined in § 18.2-46.1, and personality of the child and the facts and circumstances surrounding the violation of law. However, in the case of a juvenile adjudicated delinquent on the basis of an act committed on or after January 1, 2000, which would be (a) a felony if committed by an adult, (b) a violation under Article 1 (§ 18.2-247 et seq.) or Article 1.1 (§ 18.2-265.1 et seq.) of Chapter 7 of Title 18.2 and such offense would be punishable as a Class 1 or Class 2 misdemeanor if committed by an adult, or (c) a violation of ~~§ 18.2-250.1~~ 4.1-1104, the court shall order the juvenile to undergo a drug screening. If the drug screening indicates that the juvenile has a substance abuse or dependence problem, an assessment shall be completed by a certified substance abuse counselor as defined in § 54.1-3500 employed by the Department of Juvenile Justice or by a locally operated court services unit or by an individual employed by or currently under contract to such agencies and who is specifically trained to conduct such assessments under the supervision of such counselor.

B. The court also shall, on motion of the attorney for the Commonwealth with the consent of the victim, or may in its discretion, require the preparation of a victim impact statement in accordance with the provisions of § 19.2-299.1 if the court determines that the victim may have suffered significant physical, psychological, or economic injury as a result of the violation of law.

§ 16.1-278.8:01. Juveniles found delinquent of first drug offense; screening; assessment; drug tests; costs and fees; education or treatment programs.

Whenever any juvenile who has not previously been found delinquent of any offense under *Chapter 11* (§ 4.1-1100 et seq.) of Title 4.1 or Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2 or under any statute of the United States or of any state relating to narcotic drugs, marijuana, or stimulant, depressant or hallucinogenic drugs, or has not previously had a proceeding against him for a violation of such an offense dismissed as provided in § 4.1-1120 or 18.2-251, is found delinquent of any offense concerning the use, in any manner, of drugs, controlled substances, narcotics, marijuana, noxious chemical substances and like substances, the juvenile court or the circuit court shall require such juvenile to undergo a substance abuse screening pursuant to § 16.1-273 and to submit to such periodic substance abuse testing, to include alcohol testing, as may be directed by the court. Such testing shall be conducted by a court services unit of the Department of Juvenile Justice, or by a locally operated court services unit or by personnel of any program or agency approved by the Department. The cost of such testing ordered by the court shall be paid by the Commonwealth from funds appropriated to the Department for this purpose. The court shall also order the juvenile to undergo such treatment or education program for substance abuse, if available, as the court deems appropriate based upon

consideration of the substance abuse assessment. The treatment or education shall be provided by a program licensed by the Department of Behavioral Health and Developmental Services or by a similar program available through a facility or program operated by or under contract to the Department of Juvenile Justice or a locally operated court services unit or a program funded through the Virginia Juvenile Community Crime Control Act (§ 16.1-309.2 et seq.).

§ 16.1-278.9. Delinquent children; loss of driving privileges for alcohol, firearm, and drug offenses; truancy.

A. If a court has found facts which would justify a finding that a child at least 13 years of age at the time of the offense is delinquent and such finding involves (i) a violation of § 18.2-266 or of a similar ordinance of any county, city, or town; (ii) a refusal to take a breath test in violation of § 18.2-268.2; (iii) a felony violation of *Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1* or § 18.2-248, ~~18.2-248.1~~ or 18.2-250; (iv) a misdemeanor violation of *Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1* or § 18.2-248, ~~18.2-248.1~~, or 18.2-250 or a violation of ~~§ 18.2-250.1, 4.1-1105~~; (v) the unlawful purchase, possession, or consumption of alcohol in violation of § 4.1-305 or the unlawful drinking or possession of alcoholic beverages in or on public school grounds in violation of § 4.1-309; (vi) public intoxication in violation of § 18.2-388 or a similar ordinance of a county, city, or town; (vii) the unlawful use or possession of a handgun or possession of a "streetsweeper" as defined below; or (viii) a violation of § 18.2-83, the court shall order, in addition to any other penalty that it may impose as provided by law for the offense, that the child be denied a driver's license. In addition to any other penalty authorized by this section, if the offense involves a violation designated under clause (i) and the child was transporting a person 17 years of age or younger, the court shall impose the additional fine and order community service as provided in § 18.2-270. If the offense involves a violation designated under clause (i), (ii), (iii), or (viii), the denial of a driver's license shall be for a period of one year or until the juvenile reaches the age of 17, whichever is longer, for a first such offense or for a period of one year or until the juvenile reaches the age of 18, whichever is longer, for a second or subsequent such offense. If the offense involves a violation designated under clause (iv), (v), or (vi) the denial of driving privileges shall be for a period of six months unless the offense is committed by a child under the age of 16 years and three months, in which case the child's ability to apply for a driver's license shall be delayed for a period of six months following the date he reaches the age of 16 and three months. If the offense involves a first violation designated under clause (v) or (vi), the court shall impose the license sanction and may enter a judgment of guilt or, without entering a judgment of guilt, may defer disposition of the delinquency charge until such time as the court disposes of the case pursuant to subsection F of this section. If the offense involves a violation designated under clause (iii) or (iv), the court shall impose the license sanction and shall dispose of the delinquency charge pursuant to the provisions of this chapter or § 18.2-251. If the offense involves a violation designated under clause (vii), the denial of driving privileges shall be for a period of not less than 30 days, except when the offense involves possession of a concealed handgun or a striker 12, commonly called a "streetsweeper," or any semi-automatic folding stock shotgun of like kind with a spring tension drum magazine capable of holding 12 shotgun shells, in which case the denial of driving privileges shall be for a period of two years unless the offense is committed by a child under the age of 16 years and three months, in which event the child's ability to apply for a driver's license shall be delayed for a period of two years following the date he reaches the age of 16 and three months.

A1. If a court finds that a child at least 13 years of age has failed to comply with school attendance and meeting requirements as provided in § 22.1-258, the court shall order the denial of the child's driving privileges for a period of not less than 30 days. If such failure to comply involves a child under the age of 16 years and three months, the child's ability to apply for a driver's license shall be delayed for a period of not less than 30 days following the date he reaches the age of 16 and three months.

If the court finds a second or subsequent such offense, it may order the denial of a driver's license for a period of one year or until the juvenile reaches the age of 18, whichever is longer, or delay the child's ability to apply for a driver's license for a period of one year following the date he reaches the age of 16 and three months, as may be appropriate.

A2. If a court finds that a child at least 13 years of age has refused to take a blood test in violation of § 18.2-268.2, the court shall order that the child be denied a driver's license for a period of one year or until the juvenile

reaches the age of 17, whichever is longer, for a first such offense or for a period of one year or until the juvenile reaches the age of 18, whichever is longer, for a second or subsequent such offense.

B. Any child who has a driver's license at the time of the offense or at the time of the court's finding as provided in subsection A1 or A2 shall be ordered to surrender his driver's license, which shall be held in the physical custody of the court during any period of license denial.

C. The court shall report any order issued under this section to the Department of Motor Vehicles, which shall preserve a record thereof. The report and the record shall include a statement as to whether the child was represented by or waived counsel or whether the order was issued pursuant to subsection A1 or A2. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.) ~~of this chapter~~ or the provisions of Title 46.2, this record shall be available only to all law-enforcement officers, attorneys for the Commonwealth and courts. No other record of the proceeding shall be forwarded to the Department of Motor Vehicles unless the proceeding results in an adjudication of guilt pursuant to subsection F.

The Department of Motor Vehicles shall refuse to issue a driver's license to any child denied a driver's license until such time as is stipulated in the court order or until notification by the court of withdrawal of the order of denial under subsection E.

D. If the finding as to the child involves a violation designated under clause (i), (ii), (iii) or (vi) of subsection A or a violation designated under subsection A2, the child may be referred to a certified alcohol safety action program in accordance with § 18.2-271.1 upon such terms and conditions as the court may set forth. If the finding as to such child involves a violation designated under clause (iii), (iv), (v), (vii) or (viii) of subsection A, such child may be referred to appropriate rehabilitative or educational services upon such terms and conditions as the court may set forth.

The court, in its discretion and upon a demonstration of hardship, may authorize the use of a restricted permit to operate a motor vehicle by any child who has a driver's license at the time of the offense or at the time of the court's finding as provided in subsection A1 or A2 for any of the purposes set forth in subsection E of § 18.2-271.1 or for travel to and from school, except that no restricted license shall be issued for travel to and from home and school when school-provided transportation is available and no restricted license shall be issued if the finding as to such child involves a violation designated under clause (iii) or (iv) of subsection A, or if it involves a second or subsequent violation of any offense designated in subsection A, a second finding by the court of failure to comply with school attendance and meeting requirements as provided in subsection A1, or a second or subsequent finding by the court of a refusal to take a blood test as provided in subsection A2. The issuance of the restricted permit shall be set forth within the court order, a copy of which shall be provided to the child, and shall specifically enumerate the restrictions imposed and contain such information regarding the child as is reasonably necessary to identify him. The child may operate a motor vehicle under the court order in accordance with its terms. Any child who operates a motor vehicle in violation of any restrictions imposed pursuant to this section is guilty of a violation of § 46.2-301.

E. Upon petition made at least 90 days after issuance of the order, the court may review and withdraw any order of denial of a driver's license if for a first such offense or finding as provided in subsection A1 or A2. For a second or subsequent such offense or finding, the order may not be reviewed and withdrawn until one year after its issuance.

F. If the finding as to such child involves a first violation designated under clause (vii) of subsection A, upon fulfillment of the terms and conditions prescribed by the court and after the child's driver's license has been restored, the court shall or, in the event the violation resulted in the injury or death of any person or if the finding involves a violation designated under clause (i), (ii), (v), or (vi) of subsection A, may discharge the child and dismiss the proceedings against him. Discharge and dismissal under these provisions shall be without an adjudication of guilt but a record of the proceeding shall be retained for the purpose of applying this section in subsequent proceedings. Failure of the child to fulfill such terms and conditions shall result in an adjudication of guilt. If the finding as to such child involves a violation designated under clause (iii) or (iv) of subsection A, the charge shall not be dismissed pursuant to this subsection but shall be disposed of pursuant to the provisions of this chapter or § 18.2-251. If the finding as to such child involves a second violation under clause (v), (vi) or

(vii) of subsection A, the charge shall not be dismissed pursuant to this subsection but shall be disposed of under § 16.1-278.8.

§ 17.1-276. Fee allowed for providing secure remote access to land records.

A. A clerk of the circuit court who provides secure remote access to land records pursuant to § 17.1-294 may charge a fee as provided in this section. The fee shall be paid to the clerk's office and deposited by the clerk into the clerk's nonreverting local fund to be used to cover operational expenses as defined in § 17.1-295. The clerk may charge a flat clerk's fee to be assessed for each subscriber, as defined in § 17.1-295, in an amount not to exceed \$50 per month and a separate fee per image downloaded in an amount not to exceed the fee provided in subdivision A 8 of § 17.1-275. Any such agreement between a state agency and the clerk or an outside vendor shall provide that the state agency is required to monitor its employees' activity under such agreement to ensure compliance with its terms.

D. Nothing herein shall be construed to require the use by the general public of the secure remote access to land records made available by the clerk, and such records may continue to be accessed in person in the clerk's office.

§ 19.2-303. Suspension or modification of sentence; probation; taking of fingerprints and blood, saliva, or tissue sample as condition of probation.

After conviction, whether with or without jury, the court may suspend imposition of sentence or suspend the sentence in whole or part and in addition may place the defendant on probation under such conditions as the court shall determine, including monitoring by a GPS (Global Positioning System) tracking device, or other similar device, or may, as a condition of a suspended sentence, require the defendant to make at least partial restitution to the aggrieved party or parties for damages or loss caused by the offense for which convicted, or to perform community service, or both, under terms and conditions which shall be entered in writing by the court. The defendant may be ordered by the court to pay the cost of the GPS tracking device or other similar device. If, however, the court suspends or modifies any sentence fixed by a jury pursuant to § 19.2-295, the court shall file a statement of the reasons for the suspension or modification in the same manner as the statement required pursuant to subsection B of § 19.2-298.01. The judge, after convicting the defendant of any offense for which a report to the Central Criminal Records Exchange is required in accordance with subsection A of § 19.2-390, shall determine whether a copy of the defendant's fingerprints or fingerprint identification information has been provided by a law-enforcement officer to the clerk of court for each such offense. In any case where fingerprints or fingerprint identification information has not been provided by a law-enforcement officer to the clerk of court, the judge shall require that fingerprints and a photograph be taken by a law-enforcement officer as a condition of probation or of the suspension of the imposition or execution of any sentence for such offense. Such fingerprints shall be submitted to the Central Criminal Records Exchange under the provisions of subsection D of § 19.2-390.

In those courts having electronic access to the Local Inmate Data System (LIDS) within the courtroom, prior to or upon sentencing, the clerk of court shall also determine by reviewing LIDS whether a blood, saliva, or tissue sample has been taken for DNA analysis and submitted to the DNA data bank maintained by the Department of Forensic Science pursuant to Article 1.1 (§ 19.2-310.2 et seq.) of Chapter 18 of this title. In any case in which the clerk has determined that a DNA sample or analysis is not stored in the DNA data bank, or in any case in which electronic access to LIDS is not available in the courtroom, the court shall order that the defendant appear within 30 days before the sheriff or probation officer and allow the sheriff or probation officer to take the required sample. The order shall also require that, if the defendant has not appeared and allowed the sheriff or probation officer to take the required sample by the date stated in the order, then the sheriff or probation officer shall report to the court the defendant's failure to appear and provide the required sample.

After conviction and upon sentencing of an active participant or member of a criminal street gang, the court may, as a condition for suspending the imposition of the sentence in whole or in part or for placing the accused on probation, place reasonable restrictions on those persons with whom the accused may have contact. Such restrictions may include prohibiting the accused from having contact with anyone whom he knows to be a member of a criminal street gang, except that contact with a family or household member, as defined in § 16.1-228, shall be permitted unless expressly prohibited by the court.

The conditions of probation may include such conditions as the court shall determine, including active supervision. Where the conviction is for a violation of clause (iii) of subsection A of § 18.2-61, subdivision A 1 of § 18.2-67.1, or subdivision A 1 of § 18.2-67.2, the court shall order that at least three years of the probation

include active supervision of the defendant under a postrelease supervision program operated by the Department of Corrections, and for at least three years of such active supervision, the defendant shall be subject to electronic monitoring by means of a GPS (Global Positioning System) tracking device, or other similar device.

If a person is sentenced to jail upon conviction of a misdemeanor or a felony, the court may, at any time before the sentence has been completely served, suspend the unserved portion of any such sentence, place the person on probation for such time as the court shall determine, or otherwise modify the sentence imposed.

If a person has been sentenced for a felony to the Department of Corrections but has not actually been transferred to a receiving unit of the Department, the court which heard the case, if it appears compatible with the public interest and there are circumstances in mitigation of the offense, may, at any time before the person is transferred to the Department, suspend or otherwise modify the unserved portion of such a sentence. The court may place the person on probation for such time as the court shall determine.

Notwithstanding any other provision of law or rule of court, any person who has been sentenced to jail or to the Department of Corrections for a marijuana offense, except for (i) a violation of subdivision (a) (3) of former § 18.2-248.1, (ii) a violation of subsection (d) of former § 18.2-248.1, or (iii) a violation of former § 18.2-248.1 where the defendant gave, distributed, or possessed with intent to give or distribute marijuana to a minor, may, at any time before the sentence has been completely served, file a motion with the sentencing court that entered the final judgment or order for a resentencing hearing. If it appears compatible with the public interest and there are circumstances in mitigation of the offense, including the legalization of marijuana, such court may reduce, suspend, or otherwise modify such person's sentence at any time before such person's sentence has been completely served. If the petitioner claims to be indigent, the petitioner shall additionally file with the court a statement of indigency and a request for the appointment of counsel on forms provided by the Supreme Court of Virginia. If the petition is not summarily dismissed and the court finds that the petitioner is entitled to representation by counsel subject to the provisions of Article 3 (§ 19.2-157 et seq.) of Chapter 10 of Title 19.2, the court shall appoint counsel to represent the petitioner.

§ 19.2-303.01. Reduction of sentence; substantial assistance to prosecution.

Notwithstanding any other provision of law or rule of court, upon motion of the attorney for the Commonwealth, the sentencing court may reduce the defendant's sentence if the defendant, after entry of the final judgment order, provided substantial assistance in investigating or prosecuting another person for (i) an act of violence as defined in § 19.2-297.1, an act of larceny of a firearm in violation of § 18.2-95, or any violation of § 18.2-248, 18.2-248.01, 18.2-248.02, 18.2-248.03, ~~18.2-248.1~~, 18.2-248.5, 18.2-251.2, 18.2-251.3, 18.2-255, 18.2-255.2, 18.2-258, 18.2-258.02, 18.2-258.1, or 18.2-258.2, or any substantially similar offense in any other jurisdiction, which offense would be a felony if committed in the Commonwealth; (ii) a conspiracy to commit any of the offenses listed in clause (i); or (iii) violations as a principal in the second degree or accessory before the fact of any of the offenses listed in clause (i). In determining whether the defendant has provided substantial assistance pursuant to the provisions of this section, the court shall consider (a) the court's evaluation of the significance and usefulness of the defendant's assistance, taking into consideration the Commonwealth's evaluation of the assistance rendered; (b) the truthfulness, completeness, and reliability of any information or testimony provided by the defendant; (c) the nature and extent of the defendant's assistance; (d) any injury suffered or any danger or risk of injury to the defendant or his family resulting from his assistance; and (e) the timeliness of the defendant's assistance. If the motion is made more than one year after entry of the final judgment order, the court may reduce a sentence only if the defendant's substantial assistance involved (1) information not known to the defendant until more than one year after entry of the final judgment order, (2) information provided by the defendant within one year of entry of the final judgment order but that did not become useful to the Commonwealth until more than one year after entry of the final judgment order, or (3) information the usefulness of which could not reasonably have been anticipated by the defendant until more than one year after entry of the final judgment order and which was promptly provided to the Commonwealth by the defendant after its usefulness was reasonably apparent.

A return under oath, reporting the time, place and manner of destruction shall be made to the court by the officer to whom the order is directed. A copy of the order and affidavit shall be made a part of the record of any criminal prosecution in which the substance or paraphernalia was used as evidence and shall, thereafter, be prima facie evidence of its contents. In the event a law-enforcement agency recovers, seizes, finds, is given or otherwise comes into possession of any such substances or paraphernalia that are not evidence in a trial in the Commonwealth, the chief law-enforcement officer of the agency or his designee may, with the written consent of the appropriate attorney for the Commonwealth, order destruction of same; provided that a statement under oath, reporting a description of the substances and paraphernalia destroyed and the time, place and manner of destruction, is made to the chief law-enforcement officer by the officer to whom the order is directed.

§ 19.2-392.2:2. Former marijuana offenses; petition for expungement.

A. A person who has been convicted or adjudicated delinquent of a felony violation of former § 18.2-248.1 or a violation of subsection A of § 18.2-265.3 as it relates to marijuana, or charged under either section and the charge is deferred and dismissed, may file a petition setting forth the relevant facts and requesting expungement of the police records and the court records relating to the arrest, charge, conviction, or adjudication.

B. The petition with a copy of the warrant, summons, or indictment if reasonably available shall be filed in the circuit court of the county or city in which the case was disposed of and shall contain, except where not reasonably available, the date of arrest and the name of the arresting agency. Where this information is not reasonably available, the petition shall state the reason for such unavailability. The petition shall further state the specific criminal charge, conviction, or adjudication to be expunged, the date of final disposition of the charge, conviction, or adjudication as set forth in the petition, the petitioner's date of birth, and the full name used by the petitioner at the time of arrest.

C. A copy of the petition shall be served on the attorney for the Commonwealth of the city or county in which the petition is filed. The attorney for the Commonwealth may file an objection or answer to the petition or may give written notice to the court that he does not object to the petition within 21 days after it is served on him.

D. The petitioner shall obtain from a law-enforcement agency one complete set of the petitioner's fingerprints and shall provide that agency with a copy of the petition for expungement. The law-enforcement agency shall submit the set of fingerprints to the Central Criminal Records Exchange (CCRE) with a copy of the petition for expungement attached. The CCRE shall forward under seal to the court a copy of the petitioner's criminal history, a copy of the source documents that resulted in the CCRE entry that the petitioner wishes to expunge, if applicable, and the set of fingerprints. Upon completion of the hearing, the court shall return the fingerprint card to the petitioner. If no hearing was conducted, upon the entry of an order of expungement or an order denying the petition for expungement, the court shall cause the fingerprint card to be destroyed unless, within 30 days of the date of the entry of the order, the petitioner requests the return of the fingerprint card in person from the clerk of the court or provides the clerk of the court a self-addressed, stamped envelope for the return of the fingerprint card.

E. After receiving the criminal history record information from the CCRE, the court shall conduct a hearing on the petition. If the court finds that the continued existence and possible dissemination of information relating to the arrest, charge, conviction, or adjudication of the petitioner causes or may cause circumstances that constitute a manifest injustice to the petitioner, it shall enter an order requiring the expungement of the police and court records, including electronic records, relating to the arrest, charge, conviction, or adjudication. Otherwise, it shall deny the petition. However, if the petitioner has no prior criminal record and the arrest, charge, conviction, or adjudication was for a misdemeanor violation of subsection A of § 18.2-265.3, the petitioner shall be entitled, in the absence of good cause shown to the contrary by the Commonwealth, to expungement of the police and court records relating to the arrest, charge, conviction, or adjudication and the court shall enter an order of expungement. If the attorney for the Commonwealth of the county or city in which the petition is filed (i) gives written notice to the court pursuant to subsection C that he does not object to the petition and (ii) when the arrest, charge, conviction, or adjudication to be expunged is a felony violation of former § 18.2-248.1, stipulates in such written notice that the continued existence and possible dissemination of information relating to the arrest, charge, conviction, or adjudication of the petitioner causes or may cause circumstances that constitute a manifest injustice to the petitioner, the court may enter an order of expungement without conducting a hearing.

F. The Commonwealth shall be made party defendant to the proceeding. Any party aggrieved by the decision of the court may appeal, as provided by law in civil cases.

G. Upon the entry of an order of expungement, the clerk of the court shall cause a copy of such order to be forwarded to the Department of State Police, which shall, pursuant to rules and regulations adopted pursuant to § 9.1-134, direct the manner by which the appropriate expungement or removal of such records shall be effected.

H. Records relating to an arrest, charge, conviction, or adjudication that was ordered to be expunged pursuant to this section shall not be open for public inspection or otherwise disclosed, provided that such records may be disseminated and used for the following purposes: (i) to make the determination as provided in § 18.2-308.2:2 of eligibility to possess or purchase a firearm; (ii) for fingerprint comparison utilizing the fingerprints maintained in the Automated Fingerprint Information System; (iii) to the Virginia Criminal Sentencing Commission for its research purposes; (iv) to any full-time or part-time employee of the State Police or a police department or sheriff's office that is a part of or administered by the Commonwealth or any political subdivision thereof for the purpose of screening any person for full-time employment or part-time employment with, or to be a volunteer with, the State Police or a police department or sheriff's office that is a part of or administered by the Commonwealth or any political subdivision thereof; (v) to the State Health Commissioner or his designee for the purpose of screening any person who applies to be a volunteer with or an employee of an emergency medical services agency as provided in § 32.1-111.5; (vi) to any full-time or part-time employee of the Department of Forensic Science for the purpose of screening any person for full-time or part-time employment with the Department of Forensic Science; (vii) to the chief law-enforcement officer of a locality, or his designee who shall be an individual employed as a public safety official of the locality, that has adopted an ordinance in accordance with §§ 15.2-1503.1 and 19.2-389 for the purpose of screening any person who applies to be a volunteer with or an employee of an emergency medical services agency as provided in § 32.1-111.5; (viii) to any full-time or part-time employee of the Department of Motor Vehicles, any employer as defined in § 46.2-341.4, or any medical examiner as defined in 49 C.F.R. § 390.5 for the purpose of complying with the regulations of the Federal Motor Carrier Safety Administration; (ix) to any employer or prospective employer or its designee where federal law requires the employer to inquire about prior criminal charges or convictions; (x) to any employer or prospective employer or its designee where the position that a person is applying for, or where access to the premises in or upon which any part of the duties of such position is performed or is to be performed, is subject to any requirement imposed in the interest of the national security of the United States under any security program in effect pursuant to or administered under any contract with, or statute or regulation of, the United States or any Executive Order of the President; (xi) to any person authorized to engage in the collection of court costs, fines, or restitution under subsection C of § 19.2-349 for purposes of collecting such court costs, fines, or restitution; (xii) to administer and utilize the DNA Analysis

and Data Bank set forth in Article 1.1 (§ 19.2-310.2 *et seq.*) of Chapter 18; (xiii) to publish decisions of the Supreme Court, Court of Appeals, or any circuit court; (xiv) to any full-time or part-time employee of a court, the Office of the Executive Secretary, the Division of Legislative Services, or the Chairs of the House Committee for Courts of Justice and the Senate Committee on the Judiciary for the purpose of screening any person for full-time or part-time employment as a clerk, magistrate, or judge with a court or the Office of the Executive Secretary; (xv) to any employer or prospective employer or its designee where this Code or a local ordinance requires the employer to inquire about prior criminal charges or convictions; (xvi) to any employer or prospective employer or its designee that is allowed access to such expunged records in accordance with the rules and regulations adopted pursuant to § 9.1-128 and procedures adopted pursuant to § 9.1-134; (xvii) to any business screening service for purposes of complying with § 19.2-392.16; (xviii) to any attorney for the Commonwealth and any person accused of a violation of law, or counsel for the accused, in order to comply with any constitutional and statutory duties to provide exculpatory, mitigating, and impeachment evidence to an accused; (xix) to any party in a criminal or civil proceeding for use as authorized by law in such proceeding; (xx) to any party for use in a protective order hearing as authorized by law; (xxi) to the Department of Social Services or any local department of social services for purposes of performing any statutory duties as required under Title 63.2; (xxii) to any party in a proceeding relating to the care and custody of a child for use as authorized by law in such proceeding; (xxiii) to the attorney for the Commonwealth and the court for purposes of determining eligibility for expungement pursuant to the provisions of § 19.2-392.12; (xxiv) to determine a person's eligibility to be empaneled as a juror; and (xxv) to the person arrested, charged, convicted, or adjudicated delinquent of the offense that was expunged.

I. The Department of Motor Vehicles shall not expunge any conviction, adjudication, or any charge that was deferred and dismissed after a finding of facts sufficient to justify a finding of guilt (i) in violation of federal regulatory record retention requirements or (ii) in violation of federal program requirements if the Department of Motor Vehicles is required to suspend a person's driving privileges as a result of a conviction, adjudication, or deferral and dismissal ordered to be expunged. Upon receipt of an order directing that an offense be expunged, the Department of Motor Vehicles shall expunge all records if the federal regulatory record retention period has run and all federal program requirements associated with a suspension have been satisfied. However, if the Department of Motor Vehicles cannot expunge an offense pursuant to this subsection at the time it is ordered, the Department of Motor Vehicles shall (a) notify the Department of State Police of the reason the record cannot be expunged and cite the authority prohibiting expungement at the time it is ordered; (b) notify the Department of State Police of the date, if known at the time when the expungement is ordered, on which such record can be expunged; (c) expunge such record on that date; and (d) notify the Department of State Police when such record has been expunged within the Department of Motor Vehicles' records.

A. Respiratory diseases that cause (i) the death of volunteer or salaried firefighters or Department of Emergency Management hazardous materials officers or (ii) any health condition or impairment of such

firefighters or Department of Emergency Management hazardous materials officers resulting in total or partial disability shall be presumed to be occupational diseases, suffered in the line of duty, that are covered by this title unless such presumption is overcome by a preponderance of competent evidence to the contrary.

B. Hypertension or heart disease causing the death of, or any health condition or impairment resulting in total or partial disability of any of the following persons who have completed five years of service in their position as (i) salaried or volunteer firefighters, (ii) members of the State Police Officers' Retirement System, (iii) members of county, city or town police departments, (iv) sheriffs and deputy sheriffs, (v) Department of Emergency Management hazardous materials officers, (vi) city sergeants or deputy city sergeants of the City of Richmond, (vii) Virginia Marine Police officers, (viii) conservation police officers who are full-time sworn members of the enforcement division of the Department of Wildlife Resources, (ix) Capitol Police officers, (x) special agents of the Virginia Alcoholic Beverage Control Authority appointed under the provisions of Chapter 1 (§ 4.1-100 et seq.) of Title 4.1 or special agents of the Virginia Cannabis Control Authority appointed under the provisions of Chapter 6 (§ 4.1-600 et seq.) of Title 4.1, (xi) for such period that the Metropolitan Washington Airports Authority voluntarily subjects itself to the provisions of this chapter as provided in § 65.2-305, officers of the police force established and maintained by the Metropolitan Washington Airports Authority, (xii) officers of the police force established and maintained by the Norfolk Airport Authority, (xiii) sworn officers of the police force established and maintained by the Virginia Port Authority, and (xiv) campus police officers appointed under Article 3 (§ 23.1-809 et seq.) of Chapter 8 of Title 23.1 and employed by any public institution of higher education shall be presumed to be occupational diseases, suffered in the line of duty, that are covered by this title unless such presumption is overcome by a preponderance of competent evidence to the contrary.

For colon, brain, or testicular cancer, the presumption shall not apply for any individual who was diagnosed with such a condition before July 1, 2020.

D. The presumptions described in subsections A, B, and C shall only apply if persons entitled to invoke them have, if requested by the private employer, appointing authority or governing body employing them, undergone preemployment physical examinations that (i) were conducted prior to the making of any claims under this title that rely on such presumptions, (ii) were performed by physicians whose qualifications are as prescribed by the private employer, appointing authority or governing body employing such persons, (iii) included such appropriate laboratory and other diagnostic studies as the private employer, appointing authorities or governing bodies may have prescribed, and (iv) found such persons free of respiratory diseases, hypertension, cancer or heart disease at the time of such examinations.

A qualified physician, selected and compensated by the person entitled to make the claim, may, at the election of such claimant, be present at such postmortem examination.

G. Volunteer emergency medical services personnel, volunteer law-enforcement chaplains, auxiliary and reserve deputy sheriffs, and auxiliary and reserve police are not included within the coverage of this section.

For purposes of this section, an occupational exposure occurring on or after July 1, 2002, shall be deemed "documented" if the person covered under this section gave notice, written or otherwise, of the occupational exposure to his employer, and an occupational exposure occurring prior to July 1, 2002, shall be deemed "documented" without regard to whether the person gave notice, written or otherwise, of the occupational exposure to his employer. For any correctional officer as defined in § 53.1-1 or full-time sworn member of the enforcement division of the Department of Motor Vehicles, the presumption shall not apply if such individual was diagnosed with hepatitis, meningococcal meningitis, or HIV before July 1, 2020.

B. As used in this section:

"Blood or body fluids" means blood and body fluids containing visible blood and other body fluids to which universal precautions for prevention of occupational transmission of blood-borne pathogens, as established by the Centers for Disease Control, apply. For purposes of potential transmission of hepatitis, meningococcal meningitis, tuberculosis, or HIV the term "blood or body fluids" includes respiratory, salivary, and sinus fluids, including droplets, sputum, saliva, mucous, and any other fluid through which infectious airborne or blood-borne organisms can be transmitted between persons.

"Hepatitis" means hepatitis A, hepatitis B, hepatitis non-A, hepatitis non-B, hepatitis C or any other strain of hepatitis generally recognized by the medical community.

"HIV" means the medically recognized retrovirus known as human immunodeficiency virus, type I or type II, causing immunodeficiency syndrome.

"Occupational exposure," in the case of hepatitis, meningococcal meningitis, tuberculosis or HIV, means an exposure that occurs during the performance of job duties that places a covered employee at risk of infection.

C. Persons covered under this section who test positive for exposure to the enumerated occupational diseases, but have not yet incurred the requisite total or partial disability, shall otherwise be entitled to make a claim for medical benefits pursuant to § 65.2-603, including entitlement to an annual medical examination to measure the progress of the condition, if any, and any other medical treatment, prophylactic or otherwise.

D. Whenever any standard, medically-recognized vaccine or other form of immunization or prophylaxis exists for the prevention of a communicable disease for which a presumption is established under this section, if medically indicated by the given circumstances pursuant to immunization policies established by the Advisory Committee on Immunization Practices of the United States Public Health Service, a person subject to the provisions of this section may be required by such person's employer to undergo the immunization or prophylaxis unless the person's physician determines in writing that the immunization or prophylaxis would pose a significant risk to the person's health. Absent such written declaration, failure or refusal by a person subject to the provisions of this section to undergo such immunization or prophylaxis shall disqualify the person from any presumption established by this section.

E. The presumptions described in subsection A shall only apply if persons entitled to invoke them have, if requested by the appointing authority or governing body employing them, undergone preemployment physical examinations that (i) were conducted prior to the making of any claims under this title that rely on such presumptions, (ii) were performed by physicians whose qualifications are as prescribed by the appointing authority or governing body employing such persons, (iii) included such appropriate laboratory and other diagnostic studies as the appointing authorities or governing bodies may have prescribed, and (iv) found such persons free of hepatitis, meningococcal meningitis, tuberculosis or HIV at the time of such examinations. The presumptions described in subsection A shall not be effective until six months following such examinations, unless such persons entitled to invoke such presumption can demonstrate a documented exposure during the six-month period.

F. Persons making claims under this title who rely on such presumption shall, upon the request of appointing authorities or governing bodies employing such persons, submit to physical examinations (i) conducted by physicians selected by such appointing authorities or governing bodies or their representatives and (ii) consisting of such tests and studies as may reasonably be required by such physicians. However, a qualified physician, selected and compensated by the claimant, may, at the election of such claimant, be present at such examination.

2. That §§ 3.2-4113, 16.1-260, 16.1-273, 16.1-278.9, 18.2-46.1, 18.2-251.03, 18.2-251.1:1, 18.2-251.1:2, 18.2-251.1:3, 19.2-188.1, 19.2-389.3, 19.2-392.02, as it is currently effective and as it shall become effective, 53.1-231.2, and 54.1-3442.8 of the Code of Virginia are amended and reenacted as follows:

B. Nothing in this chapter shall be construed to authorize any person to violate any federal law or regulation.

C. No person shall be prosecuted under *Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1* or § 18.2-247, 18.2-248, 18.2-248.01, 18.2-248.1, or 18.2-250, ~~or 18.2-250.1~~ for the involuntary growth of industrial hemp through the inadvertent natural spread of seeds or pollen as a result of proximity to a production field, dealership, or process site.

§ 16.1-260. Intake; petition; investigation.

A. All matters alleged to be within the jurisdiction of the court shall be commenced by the filing of a petition, except as provided in subsection H and in § 16.1-259. The form and content of the petition shall be as provided in § 16.1-262. No individual shall be required to obtain support services from the Department of Social Services prior to filing a petition seeking support for a child. Complaints, requests, and the processing of petitions to initiate a case shall be the responsibility of the intake officer. However, (i) the attorney for the Commonwealth of the city or county may file a petition on his own motion with the clerk; (ii) designated

nonattorney employees of the Department of Social Services may complete, sign, and file petitions and motions relating to the establishment, modification, or enforcement of support on forms approved by the Supreme Court of Virginia with the clerk; (iii) designated nonattorney employees of a local department of social services may complete, sign, and file with the clerk, on forms approved by the Supreme Court of Virginia, petitions for foster care review, petitions for permanency planning hearings, petitions to establish paternity, motions to establish or modify support, motions to amend or review an order, and motions for a rule to show cause; and (iv) any attorney may file petitions on behalf of his client with the clerk except petitions alleging that the subject of the petition is a child alleged to be in need of services, in need of supervision, or delinquent. Complaints alleging abuse or neglect of a child shall be referred initially to the local department of social services in accordance with the provisions of Chapter 15 (§ 63.2-1500 et seq.) of Title 63.2. Motions and other subsequent pleadings in a case shall be filed directly with the clerk. The intake officer or clerk with whom the petition or motion is filed shall inquire whether the petitioner is receiving child support services or public assistance. No individual who is receiving support services or public assistance shall be denied the right to file a petition or motion to establish, modify, or enforce an order for support of a child. If the petitioner is seeking or receiving child support services or public assistance, the clerk, upon issuance of process, shall forward a copy of the petition or motion, together with notice of the court date, to the Division of Child Support Enforcement.

B. The appearance of a child before an intake officer may be by (i) personal appearance before the intake officer or (ii) use of two-way electronic video and audio communication. If two-way electronic video and audio communication is used, an intake officer may exercise all powers conferred by law. All communications and proceedings shall be conducted in the same manner as if the appearance were in person, and any documents filed may be transmitted by facsimile process. The facsimile may be served or executed by the officer or person to whom sent, and returned in the same manner, and with the same force, effect, authority, and liability as an original document. All signatures thereon shall be treated as original signatures. Any two-way electronic video and audio communication system used for an appearance shall meet the standards as set forth in subsection B of § 19.2-3.1.

When the court service unit of any court receives a complaint alleging facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241, the unit, through an intake officer, may proceed informally to make such adjustment as is practicable without the filing of a petition or may authorize a petition to be filed by any complainant having sufficient knowledge of the matter to establish probable cause for the issuance of the petition.

An intake officer may proceed informally on a complaint alleging a child is in need of services, in need of supervision, or delinquent only if the juvenile (a) is not alleged to have committed a violent juvenile felony or (b) has not previously been proceeded against informally or adjudicated delinquent for an offense that would be a felony if committed by an adult. A petition alleging that a juvenile committed a violent juvenile felony shall be filed with the court. A petition alleging that a juvenile is delinquent for an offense that would be a felony if committed by an adult shall be filed with the court if the juvenile had previously been proceeded against informally by intake or had been adjudicated delinquent for an offense that would be a felony if committed by an adult.

If a juvenile is alleged to be a truant pursuant to a complaint filed in accordance with § 22.1-258 and the attendance officer has provided documentation to the intake officer that the relevant school division has complied with the provisions of § 22.1-258, then the intake officer shall file a petition with the court. The intake officer may defer filing the petition and proceed informally by developing a truancy plan, provided that (1) the juvenile has not previously been proceeded against informally or adjudicated in need of supervision on more than two occasions for failure to comply with compulsory school attendance as provided in § 22.1-254 and (2) the immediately previous informal action or adjudication occurred at least three calendar years prior to the current complaint. The juvenile and his parent or parents, guardian, or other person standing in loco parentis must agree, in writing, for the development of a truancy plan. The truancy plan may include requirements that the juvenile and his parent or parents, guardian, or other person standing in loco parentis participate in such programs, cooperate in such treatment, or be subject to such conditions and limitations as necessary to ensure the juvenile's compliance with compulsory school attendance as provided in § 22.1-254. The intake officer may

refer the juvenile to the appropriate public agency for the purpose of developing a truancy plan using an interagency interdisciplinary team approach. The team may include qualified personnel who are reasonably available from the appropriate department of social services, community services board, local school division, court service unit, and other appropriate and available public and private agencies and may be the family assessment and planning team established pursuant to § 2.2-5207. If at the end of the deferral period the juvenile has not successfully completed the truancy plan or the truancy program, then the intake officer shall file the petition.

Whenever informal action is taken as provided in this subsection on a complaint alleging that a child is in need of services, in need of supervision, or delinquent, the intake officer shall (A) develop a plan for the juvenile, which may include restitution and the performance of community service, based upon community resources and the circumstances which resulted in the complaint, (B) create an official record of the action taken by the intake officer and file such record in the juvenile's case file, and (C) advise the juvenile and the juvenile's parent, guardian, or other person standing in loco parentis and the complainant that any subsequent complaint alleging that the child is in need of supervision or delinquent based upon facts which may be sufficient to invoke the jurisdiction of the court pursuant to § 16.1-241 may result in the filing of a petition with the court.

C. The intake officer shall accept and file a petition in which it is alleged that (i) the custody, visitation, or support of a child is the subject of controversy or requires determination, (ii) a person has deserted, abandoned, or failed to provide support for any person in violation of law, (iii) a child or such child's parent, guardian, legal custodian, or other person standing in loco parentis is entitled to treatment, rehabilitation, or other services which are required by law, (iv) family abuse has occurred and a protective order is being sought pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1, or (v) an act of violence, force, or threat has occurred, a protective order is being sought pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, and either the alleged victim or the respondent is a juvenile. If any such complainant does not file a petition, the intake officer may file it. In cases in which a child is alleged to be abused, neglected, in need of services, in need of supervision, or delinquent, if the intake officer believes that probable cause does not exist, or that the authorization of a petition will not be in the best interest of the family or juvenile or that the matter may be effectively dealt with by some agency other than the court, he may refuse to authorize the filing of a petition. The intake officer shall provide to a person seeking a protective order pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1 a written explanation of the conditions, procedures and time limits applicable to the issuance of protective orders pursuant to § 16.1-253.1, 16.1-253.4, or 16.1-279.1. If the person is seeking a protective order pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10, the intake officer shall provide a written explanation of the conditions, procedures, and time limits applicable to the issuance of protective orders pursuant to § 19.2-152.8, 19.2-152.9, or 19.2-152.10.

D. Prior to the filing of any petition alleging that a child is in need of supervision, the matter shall be reviewed by an intake officer who shall determine whether the petitioner and the child alleged to be in need of supervision have utilized or attempted to utilize treatment and services available in the community and have exhausted all appropriate nonjudicial remedies which are available to them. When the intake officer determines that the parties have not attempted to utilize available treatment or services or have not exhausted all appropriate nonjudicial remedies which are available, he shall refer the petitioner and the child alleged to be in need of supervision to the appropriate agency, treatment facility, or individual to receive treatment or services, and a petition shall not be filed. Only after the intake officer determines that the parties have made a reasonable effort to utilize available community treatment or services may he permit the petition to be filed.

E. If the intake officer refuses to authorize a petition relating to an offense that if committed by an adult would be punishable as a Class 1 misdemeanor or as a felony, the complainant shall be notified in writing at that time of the complainant's right to apply to a magistrate for a warrant. If a magistrate determines that probable cause exists, he shall issue a warrant returnable to the juvenile and domestic relations district court. The warrant shall be delivered forthwith to the juvenile court, and the intake officer shall accept and file a petition founded upon the warrant. If the court is closed and the magistrate finds that the criteria for detention or shelter care set forth in § 16.1-248.1 have been satisfied, the juvenile may be detained pursuant to the warrant issued in accordance with this subsection. If the intake officer refuses to authorize a petition relating to a child

in need of services or in need of supervision, a status offense, or a misdemeanor other than Class 1, his decision is final.

Upon delivery to the juvenile court of a warrant issued pursuant to subdivision 2 of § 16.1-256, the intake officer shall accept and file a petition founded upon the warrant.

F. The intake officer shall notify the attorney for the Commonwealth of the filing of any petition which alleges facts of an offense which would be a felony if committed by an adult.

G. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.), the intake officer shall file a report with the division superintendent of the school division in which any student who is the subject of a petition alleging that such student who is a juvenile has committed an act, wherever committed, which would be a crime if committed by an adult, or that such student who is an adult has committed a crime and is alleged to be within the jurisdiction of the court. The report shall notify the division superintendent of the filing of the petition and the nature of the offense, if the violation involves:

1. A firearm offense pursuant to Article 4 (§ 18.2-279 et seq.), 5 (§ 18.2-288 et seq.), 6 (§ 18.2-299 et seq.), 6.1 (§ 18.2-307.1 et seq.), or 7 (§ 18.2-308.1 et seq.) of Chapter 7 of Title 18.2;
2. Homicide, pursuant to Article 1 (§ 18.2-30 et seq.) of Chapter 4 of Title 18.2;
3. Felonious assault and bodily wounding, pursuant to Article 4 (§ 18.2-51 et seq.) of Chapter 4 of Title 18.2;
4. Criminal sexual assault, pursuant to Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2;
5. Manufacture, sale, gift, distribution or possession of Schedule I or II controlled substances, pursuant to Article 1 (§ 18.2-247 et seq.) of Chapter 7 of Title 18.2;

9. Robbery pursuant to § 18.2-58;
10. Prohibited criminal street gang activity pursuant to § 18.2-46.2;
11. Recruitment of other juveniles for a criminal street gang activity pursuant to § 18.2-46.3;
12. An act of violence by a mob pursuant to § 18.2-42.1;
13. Abduction of any person pursuant to § 18.2-47 or 18.2-48; or
14. A threat pursuant to § 18.2-60.

The failure to provide information regarding the school in which the student who is the subject of the petition may be enrolled shall not be grounds for refusing to file a petition.

The information provided to a division superintendent pursuant to this section may be disclosed only as provided in § 16.1-305.2.

H. The filing of a petition shall not be necessary:

1. In the case of violations of the traffic laws, including offenses involving bicycles, hitchhiking and other pedestrian offenses, game and fish laws, or a violation of the ordinance of any city regulating surfing or any ordinance establishing curfew violations, animal control violations, or littering violations. In such cases the court may proceed on a summons issued by the officer investigating the violation in the same manner as provided by law for adults. Additionally, an officer investigating a motor vehicle accident may, at the scene of the accident or at any other location where a juvenile who is involved in such an accident may be located, proceed on a summons in lieu of filing a petition.

2. In the case of seeking consent to apply for the issuance of a work permit pursuant to subsection H of § 16.1-241.

3. In the case of a misdemeanor violation of § 18.2-266, 18.2-266.1, or 29.1-738; or the commission of any other alcohol-related offense, ~~or a violation of § 18.2-250.1~~, provided that the juvenile is released to the custody of a parent or legal guardian pending the initial court date. The officer releasing a juvenile to the custody of a parent or legal guardian shall issue a summons to the juvenile and shall also issue a summons requiring the parent or legal guardian to appear before the court with the juvenile. Disposition of the charge shall be in the manner provided in § 16.1-278.8, 16.1-278.8:01, or 16.1-278.9. If the juvenile so charged with a violation of §

The summons shall be served on a parent or legal guardian and the juvenile, and a copy of the summons shall be forwarded to the court in which the violation is to be tried. When a violation of § 4.1-305 ~~or 18.2-250.1~~ is charged by summons, the juvenile shall be entitled to have the charge referred to intake for consideration of informal proceedings pursuant to subsection B, provided that such right is exercised by written notification to the clerk not later than 10 days prior to trial. At the time such summons alleging a violation of § 4.1-305 ~~or 18.2-250.1~~ is served, the officer shall also serve upon the juvenile written notice of the right to have the charge referred to intake on a form approved by the Supreme Court and make return of such service to the court. If the officer fails to make such service or return, the court shall dismiss the summons without prejudice.

4. In the case of offenses which, if committed by an adult, would be punishable as a Class 3 or Class 4 misdemeanor. In such cases the court may direct that an intake officer proceed as provided in § 16.1-237 on a summons issued by the officer investigating the violation in the same manner as provided by law for adults provided that notice of the summons to appear is mailed by the investigating officer within five days of the issuance of the summons to a parent or legal guardian of the juvenile.

§ 16.1-273. Court may require investigation of social history and preparation of victim impact statement.

A. When a juvenile and domestic relations district court or circuit court has adjudicated any case involving a child subject to the jurisdiction of the court hereunder, except for a traffic violation, a violation of the game and fish law, or a violation of any city ordinance regulating surfing or establishing curfew violations, the court before final disposition thereof may require an investigation, which (i) shall include a drug screening and (ii) may, and for the purposes of subdivision A 14 or 17 of § 16.1-278.8 shall, include a social history of the physical, mental, and social conditions, including an assessment of any affiliation with a criminal street gang as defined in § 18.2-46.1, and personality of the child and the facts and circumstances surrounding the violation of law. However, in the case of a juvenile adjudicated delinquent on the basis of an act committed on or after January 1, 2000, which would be (a) a felony if committed by an adult, *or* (b) a violation under Article 1 (§ 18.2-247 et seq.) or Article 1.1 (§ 18.2-265.1 et seq.) of Chapter 7 of Title 18.2 and such offense would be punishable as a Class 1 or Class 2 misdemeanor if committed by an adult, ~~or (c) a violation of § 18.2-250.1~~, the court shall order the juvenile to undergo a drug screening. If the drug screening indicates that the juvenile has a substance abuse or dependence problem, an assessment shall be completed by a certified substance abuse counselor as defined in § 54.1-3500 employed by the Department of Juvenile Justice or by a locally operated court services unit or by an individual employed by or currently under contract to such agencies and who is specifically trained to conduct such assessments under the supervision of such counselor.

B. § 16.1-278.9. Delinquent children; loss of driving privileges for alcohol, firearm, and drug offenses; truancy.

A. If a court has found facts which would justify a finding that a child at least 13 years of age at the time of the offense is delinquent and such finding involves (i) a violation of § 18.2-266 or of a similar ordinance of any county, city, or town; (ii) a refusal to take a breath test in violation of § 18.2-268.2; (iii) a felony violation of *Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1* or § 18.2-248, 18.2-248.1, or 18.2-250; (iv) a misdemeanor violation of *Chapter 11 (§ 4.1-1100 et seq.) of Title 4.1* or § 18.2-248, 18.2-248.1, or 18.2-250 ~~or a violation of § 18.2-250.1~~; (v) the unlawful purchase, possession, or consumption of alcohol in violation of § 4.1-305 or the unlawful drinking or possession of alcoholic beverages in or on public school grounds in violation of § 4.1-

In addition to any other penalty authorized by this section, if the offense involves a violation designated under clause (i) and the child was transporting a person 17 years of age or younger, the court shall impose the additional fine and order community service as provided in § 18.2-270. If the offense involves a violation designated under clause (i), (ii), (iii), or (viii), the denial of a driver's license shall be for a period of one year or until the juvenile reaches the age of 17, whichever is longer, for a first such offense or for a period of one year or until the juvenile reaches the age of 18, whichever is longer, for a second or subsequent such offense. If the offense involves a violation designated under clause (iv), (v), or (vi) the denial of driving privileges shall be for a period of six months unless the offense is committed by a child under the age of 16 years and three months, in which case the child's ability to apply for a driver's license shall be delayed for a period of six months following the date he reaches the age of 16 and three months. If the offense involves a first violation designated under clause (v) or (vi), the court shall impose the license sanction and may enter a judgment of guilt or, without entering a judgment of guilt, may defer disposition of the delinquency charge until such time as the court disposes of the case pursuant to subsection F of this section. If the offense involves a violation designated under clause (iii) or (iv), the court shall impose the license sanction and shall dispose of the delinquency charge pursuant to the provisions of this chapter or § 18.2-251. If the offense involves a violation designated under clause (vii), the denial of driving privileges shall be for a period of not less than 30 days, except when the offense involves possession of a concealed handgun or a striker 12, commonly called a "streetsweeper," or any semi-automatic folding stock shotgun of like kind with a spring tension drum magazine capable of holding 12 shotgun shells, in which case the denial of driving privileges shall be for a period of two years unless the offense is committed by a child under the age of 16 years and three months, in which event the child's ability to apply for a driver's license shall be delayed for a period of two years following the date he reaches the age of 16 and three months.

A1. If a court finds that a child at least 13 years of age has failed to comply with school attendance and meeting requirements as provided in § 22.1-258, the court shall order the denial of the child's driving privileges for a period of not less than 30 days. If such failure to comply involves a child under the age of 16 years and three months, the child's ability to apply for a driver's license shall be delayed for a period of not less than 30 days following the date he reaches the age of 16 and three months.

If the court finds a second or subsequent such offense, it may order the denial of a driver's license for a period of one year or until the juvenile reaches the age of 18, whichever is longer, or delay the child's ability to apply for a driver's license for a period of one year following the date he reaches the age of 16 and three months, as may be appropriate.

A2. If a court finds that a child at least 13 years of age has refused to take a blood test in violation of § 18.2-268.2, the court shall order that the child be denied a driver's license for a period of one year or until the juvenile reaches the age of 17, whichever is longer, for a first such offense or for a period of one year or until the juvenile reaches the age of 18, whichever is longer, for a second or subsequent such offense.

B. Any child who has a driver's license at the time of the offense or at the time of the court's finding as provided in subsection A1 or A2 shall be ordered to surrender his driver's license, which shall be held in the physical custody of the court during any period of license denial.

C. The court shall report any order issued under this section to the Department of Motor Vehicles, which shall preserve a record thereof. The report and the record shall include a statement as to whether the child was represented by or waived counsel or whether the order was issued pursuant to subsection A1 or A2. Notwithstanding the provisions of Article 12 (§ 16.1-299 et seq.) of this chapter or the provisions of Title 46.2, this record shall be available only to all law-enforcement officers, attorneys for the Commonwealth and courts. No other record of the proceeding shall be forwarded to the Department of Motor Vehicles unless the proceeding results in an adjudication of guilt pursuant to subsection F.

The Department of Motor Vehicles shall refuse to issue a driver's license to any child denied a driver's license until such time as is stipulated in the court order or until notification by the court of withdrawal of the order of denial under subsection E.

D. If the finding as to the child involves a violation designated under clause (i), (ii), (iii) or (vi) of subsection A or a violation designated under subsection A2, the child may be referred to a certified alcohol safety action program in accordance with § 18.2-271.1 upon such terms and conditions as the court may set forth. If the finding as to such child involves a violation designated under clause (iii), (iv), (v), (vii) or (viii) of subsection A, such child may be referred to appropriate rehabilitative or educational services upon such terms and conditions as the court may set forth.

The court, in its discretion and upon a demonstration of hardship, may authorize the use of a restricted permit to operate a motor vehicle by any child who has a driver's license at the time of the offense or at the time of the court's finding as provided in subsection A1 or A2 for any of the purposes set forth in subsection E of § 18.2-271.1 or for travel to and from school, except that no restricted license shall be issued for travel to and from home and school when school-provided transportation is available and no restricted license shall be issued if the finding as to such child involves a violation designated under clause (iii) or (iv) of subsection A, or if it involves a second or subsequent violation of any offense designated in subsection A, a second finding by the court of failure to comply with school attendance and meeting requirements as provided in subsection A1, or a second or subsequent finding by the court of a refusal to take a blood test as provided in subsection A2. The issuance of the restricted permit shall be set forth within the court order, a copy of which shall be provided to the child, and shall specifically enumerate the restrictions imposed and contain such information regarding the child as is reasonably necessary to identify him. The child may operate a motor vehicle under the court order in accordance with its terms. Any child who operates a motor vehicle in violation of any restrictions imposed pursuant to this section is guilty of a violation of § 46.2-301.

E. Upon petition made at least 90 days after issuance of the order, the court may review and withdraw any order of denial of a driver's license if for a first such offense or finding as provided in subsection A1 or A2. For a second or subsequent such offense or finding, the order may not be reviewed and withdrawn until one year after its issuance.

F. If the finding as to such child involves a first violation designated under clause (vii) of subsection A, upon fulfillment of the terms and conditions prescribed by the court and after the child's driver's license has been restored, the court shall or, in the event the violation resulted in the injury or death of any person or if the finding involves a violation designated under clause (i), (ii), (v), or (vi) of subsection A, may discharge the child and dismiss the proceedings against him. Discharge and dismissal under these provisions shall be without an adjudication of guilt but a record of the proceeding shall be retained for the purpose of applying this section in subsequent proceedings. Failure of the child to fulfill such terms and conditions shall result in an adjudication of guilt. If the finding as to such child involves a violation designated under clause (iii) or (iv) of subsection A, the charge shall not be dismissed pursuant to this subsection but shall be disposed of pursuant to the provisions of this chapter or § 18.2-251. If the finding as to such child involves a second violation under clause (v), (vi) or (vii) of subsection A, the charge shall not be dismissed pursuant to this subsection but shall be disposed of under § 16.1-278.8.

The appeals process shall be compliant with federal rules and regulations governing nonfederal, self-insured governmental health plans. The appeals process shall include a separate expedited emergency appeals procedure that shall provide resolution within time frames established by federal law. For appeals involving adverse decisions as defined in § 32.1-137.7, the Department shall contract with one or more independent review

organizations to review such decisions. Independent review organizations are entities that conduct independent external review of adverse benefit determinations. The Department shall adopt regulations to assure that the independent review organization conducting the reviews has adequate standards, credentials and experience for such review. The independent review organization shall examine the final denial of claims to determine whether the decision is objective, clinically valid, and compatible with established principles of health care. The decision of the independent review organization shall (i) be in writing, (ii) contain findings of fact as to the material issues in the case and the basis for those findings, and (iii) be final and binding if consistent with law and policy.

Medically necessary early intervention services for the population certified by the Department of Behavioral Health and Developmental Services shall mean those services designed to help an individual attain or retain the capability to function age-appropriately within his environment, and shall include services that enhance functional ability without effecting a cure.

For persons previously covered under the plan, there shall be no denial of coverage due to the existence of a preexisting condition. The cost of early intervention services shall not be applied to any contractual provision limiting the total amount of coverage paid by the insurer to or on behalf of the insured during the insured's lifetime.

5. Include coverage for prescription drugs and devices approved by the United States Food and Drug Administration for use as contraceptives.

6. Not deny coverage for any drug approved by the United States Food and Drug Administration for use in the treatment of cancer on the basis that the drug has not been approved by the United States Food and Drug Administration for the treatment of the specific type of cancer for which the drug has been prescribed, if the drug has been recognized as safe and effective for treatment of that specific type of cancer in one of the standard reference compendia.

7. If such an individual's care would most appropriately be coordinated by such a specialist, the plan shall refer the individual to a specialist. For the purposes of this subdivision, "special condition" means a condition or disease that is ~~(i)~~ (a) life-threatening, degenerative, or disabling and ~~(ii)~~ (b) requires specialized medical care over a prolonged period of time. Within the treatment period authorized by the referral, such specialist shall be permitted to treat the individual without a further referral from the individual's primary care provider and may authorize such referrals, procedures, tests, and other medical services related to the initial referral as the individual's primary care provider would otherwise be permitted to provide or authorize. The plan shall have a procedure by which an individual who has an ongoing special condition that requires ongoing care from a specialist may receive a standing referral to such specialist for the treatment of the special condition. If the primary care provider, in consultation with the plan and the specialist, if any, determines that such a standing referral is appropriate, the plan or issuer shall make such a referral to a specialist. Nothing contained herein shall prohibit the plan from requiring a participating specialist to provide written notification to the covered individual's primary care physician of any visit to such specialist. Such notification may include a description of the health care services rendered at the time of the visit.

14. Include provisions allowing employees to continue receiving health care services for a period of up to 90 days from the date of the primary care physician's notice of termination from any of the plan's provider panels. Such treatment shall, at the covered employee's option, continue through the provision of postpartum care directly related to the delivery.

Notwithstanding the provisions of this subdivision, any provider shall be permitted to continue rendering health services to any covered employee who is determined to be terminally ill (as defined under § 1861(dd)(3)(A) of the Social Security Act) at the time of a provider's termination of participation, except when

a provider is terminated for cause. Such treatment shall, at the covered employee's option, continue for the remainder of the employee's life for care directly related to the treatment of the terminal illness.

A provider who continues to render health care services pursuant to this subdivision shall be reimbursed in accordance with the carrier's agreement with such provider existing immediately before the provider's termination of participation.

15. Include coverage for patient costs incurred during participation in clinical trials for treatment studies on cancer, including ovarian cancer trials.

The reimbursement for patient costs incurred during participation in clinical trials for treatment studies on cancer shall be determined in the same manner as reimbursement is determined for other medical and surgical procedures. Such coverage shall have durational limits, dollar limits, deductibles, copayments and coinsurance factors that are no less favorable than for physical illness generally.

Coverage for patient costs incurred during clinical trials for treatment studies on cancer shall be provided if the treatment is being conducted in a Phase II, Phase III, or Phase IV clinical trial. Such treatment may, however, be provided on a case-by-case basis if the treatment is being provided in a Phase I clinical trial.

Nothing shall preclude the undertaking of usual and customary procedures to determine the appropriateness of, and medical necessity for, treatment of biologically based mental illnesses under this option, provided that all such appropriateness and medical necessity determinations are made in the same manner as those determinations made for the treatment of any other illness, condition or disorder covered by such policy or contract.

The coverage for colorectal cancer screening shall not be more restrictive than or separate from coverage provided for any other illness, condition or disorder for purposes of determining deductibles, benefit year or lifetime durational limits, benefit year or lifetime dollar limits, lifetime episodes or treatment limits, copayment and coinsurance factors, and benefit year maximum for deductibles and copayments and coinsurance factors.

§ 4.1-216. (Effective until July 1, 2021) Further limitations on manufacturers, bottlers, importers, brokers or wholesalers; ownership interests prohibited; exceptions; prohibited trade practices.

A. As used in this section:

"Broker" means any person, other than a manufacturer or a licensed beer or wine importer, who regularly engages in the business of bringing together sellers and purchasers of alcoholic beverages for resale and arranges for or consummates such transactions with persons in the Commonwealth to whom such alcoholic beverages may lawfully be sold and shipped into the Commonwealth pursuant to the provisions of this ~~title~~ *subtitle*.

"Manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages" includes any officers or directors of any such manufacturer, bottler, importer, broker or wholesaler.

B. Except as provided in this ~~title~~ *subtitle*, no manufacturer, importer, bottler, broker or wholesaler of alcoholic beverages, whether licensed in the Commonwealth or not, shall acquire or hold any financial interest, direct or indirect, (i) in the business for which any retail license is issued or (ii) in the premises where the business of a retail licensee is conducted.

1. Subdivision B (ii) shall not apply so long as such manufacturer, bottler, importer, broker or wholesaler does not sell or otherwise furnish, directly or indirectly, alcoholic beverages or other merchandise to such retail licensee and such retailer is not required by agreement or otherwise to exclude from sale at his establishment alcoholic beverages of other manufacturers, bottlers, importers, brokers or wholesalers.

2. Service as a member of the board of directors of a corporation licensed as a retailer, the shares of stock of which are sold to the general public on any national or local stock exchange, shall not be deemed to be a financial interest, direct or indirect, in the business or the premises of the retail licensee.

3. A brewery, winery or subsidiary or affiliate thereof, hereinafter collectively referred to as a financing corporation, may participate in financing the business of a wholesale licensee in the Commonwealth by providing debt or equity capital or both but only if done in accordance with the provisions of this subsection.

a. In order to assist a proposed new owner of an existing wholesale licensee, a financing corporation may provide debt or equity capital, or both, if prior approval of the Board has been obtained pursuant to subdivision 3 b of subsection B. A financing corporation which proposes to provide equity capital shall cause the proposed new owner to form a Virginia limited partnership in which the new owner is the general partner and the financing corporation is a limited partner. If the general partner defaults on any financial obligation to the limited partner, which default has been specifically defined in the partnership agreement, or, if the new owner defaults on its obligation to pay principal and interest when due to the financing corporation as specifically defined in the loan documents, then, and only then, shall such financing corporation be allowed to take title to the business of the wholesale licensee. Notwithstanding any other law to the contrary and provided written notice has been given to the Board within two business days after taking title, the wholesale licensee may be managed and operated by such financing corporation pursuant to the existing wholesale license for a period of time not to exceed 180 days as if the license had been issued in the name of the financing corporation. On or before the expiration of such 180-day period, the financing corporation shall cause ownership of the wholesale licensee's business to be transferred to a new owner. Otherwise, on the 181st day, the license shall be deemed terminated. The financing corporation may not participate in financing the transfer of ownership to the new owner or to any other subsequent owner for a period of ~~twenty~~ 20 years following the effective date of the original financing transaction; except where a transfer takes place before the expiration of the eighth full year following the effective date of the original financing transaction in which case the financing corporation may finance such transfer as long as the new owner is required to return such debt or equity capital within the originally prescribed eight-year period. The financing corporation may exercise its right to take title to, manage and operate the business of, the wholesale licensee only once during such eight-year period.

b. In any case in which a financing corporation proposes to provide debt or equity capital in order to assist in a change of ownership of an existing wholesale licensee, the parties to the transaction shall first submit an application for a wholesale license in the name of the proposed new owner to the Board.

The Board shall be provided with all documents that pertain to the transaction at the time of the license application and shall ensure that the application complies with all requirements of law pertaining to the issuance

of wholesale licenses except that if the financing corporation proposes to provide equity capital and thereby take a limited partnership interest in the applicant entity, the financing corporation shall not be required to comply with any Virginia residency requirement applicable to the issuance of wholesale licenses. In addition to the foregoing, the applicant entity shall certify to the Board and provide supporting documentation that the following requirements are met prior to issuance of the wholesale license: (i) the terms and conditions of any debt financing which the financing corporation proposes to provide are substantially the same as those available in the financial markets to other wholesale licensees who will be in competition with the applicant, (ii) the terms of any proposed equity financing transaction are such that future profits of the applicant's business shall be distributed annually to the financing corporation in direct proportion to its percentage of ownership interest received in return for its investment of equity capital, (iii) if the financing corporation proposes to provide equity capital, it shall hold an ownership interest in the applicant entity through a limited partnership interest and no other arrangement and (iv) the applicant entity shall be contractually obligated to return such debt or equity capital to the financing corporation not later than the end of the eighth full year following the effective date of the transaction thereby terminating any ownership interest or right thereto of the financing corporation.

Once the Board has issued a wholesale license pursuant to an application filed in accordance with this subdivision 3 b, any subsequent change in the partnership agreement or the financing documents shall be subject to the prior approval of the Board. In accordance with the previous paragraph, the Board may require the licensee to resubmit certifications and documentation.

c. 4. Except for holders of retail licenses issued pursuant to subdivision A 5 of § 4.1-201, brewery licensees may sell beer to retail licensees for resale only under the following conditions: If such brewery or an affiliate or subsidiary thereof has taken title to the business of a wholesale licensee pursuant to the provisions of subdivision 3 a of subsection B, direct sale to retail licensees may be made during the 180-day period of operation allowed under that subdivision. Moreover, the holder of a brewery license may make sales of alcoholic beverages directly to retail licensees for a period not to exceed ~~thirty~~ 30 days in the event that such retail licensees are normally serviced by a wholesale licensee representing that brewery which has been forced to suspend wholesale operations as a result of a natural disaster or other act of God or which has been terminated by the brewery for fraud, loss of license or assignment of assets for the benefit of creditors not in the ordinary course of business.

5. Notwithstanding any provision of this section, including but not limited to those provisions whereby certain ownership or lease arrangements may be permissible, no manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages shall make an agreement, or attempt to make an agreement, with a retail licensee pursuant to which any products sold by a competitor are excluded in whole or in part from the premises on which the retail licensee's business is conducted.

6. Nothing in this section shall prohibit a winery, brewery, or distillery licensee from paying a royalty to a historical preservation entity pursuant to a bona fide intellectual property agreement that (i) authorizes the winery, brewery, or distillery licensee to manufacture wine, beer, or spirits based on authentic historical recipes and identified with brand names owned and trademarked by the historical preservation entity; (ii) provides for royalties to be paid based solely on the volume of wine, beer, or spirits manufactured using such recipes and trademarks, rather than on the sales revenues generated from such wine, beer, or spirits; and (iii) has been approved by the Board.

For purposes of this subdivision, "historical preservation entity" means an entity (a) that is exempt from income taxation under § 501(c)(3) of the Internal Revenue Code; (b) whose declared purposes include the preservation, restoration, and protection of a historic community in the Commonwealth that is the site of at least 50 historically significant houses, shops, and public buildings dating to the eighteenth century; and (c) that owns not more than 12 retail establishments in the Commonwealth for which retail licenses have been issued by the Board.

C. The provisions of this subsection shall apply to manufacturers, bottlers, importers, brokers and wholesalers selling alcoholic beverages to any governmental instrumentality or employee thereof selling alcoholic beverages at retail within the exterior limits of the Commonwealth, including all territory within these limits owned by or ceded to the United States of America.

§ 4.1-216. (Effective July 1, 2021) Further limitations on manufacturers, bottlers, importers, brokers or wholesalers; ownership interests prohibited; exceptions; prohibited trade practices.

A. As used in this section:

"Broker" means any person, other than a manufacturer or a licensed beer or wine importer, who regularly engages in the business of bringing together sellers and purchasers of alcoholic beverages for resale and arranges for or consummates such transactions with persons in the Commonwealth to whom such alcoholic beverages may lawfully be sold and shipped into the Commonwealth pursuant to the provisions of this ~~title~~ *subtitle*.

"Manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages" includes any officers or directors of any such manufacturer, bottler, importer, broker or wholesaler.

B. Except as provided in this ~~title~~ *subsubtitle*, no manufacturer, importer, bottler, broker or wholesaler of alcoholic beverages, whether licensed in the Commonwealth or not, shall acquire or hold any financial interest, direct or indirect, (i) in the business for which any retail license is issued or (ii) in the premises where the business of a retail licensee is conducted.

1. Subdivision B (ii) shall not apply so long as such manufacturer, bottler, importer, broker or wholesaler does not sell or otherwise furnish, directly or indirectly, alcoholic beverages or other merchandise to such retail licensee and such retailer is not required by agreement or otherwise to exclude from sale at his establishment alcoholic beverages of other manufacturers, bottlers, importers, brokers or wholesalers.

2. Service as a member of the board of directors of a corporation licensed as a retailer, the shares of stock of which are sold to the general public on any national or local stock exchange, shall not be deemed to be a financial interest, direct or indirect, in the business or the premises of the retail licensee.

3. A brewery, winery or subsidiary or affiliate thereof, hereinafter collectively referred to as a financing corporation, may participate in financing the business of a wholesale licensee in the Commonwealth by providing debt or equity capital or both but only if done in accordance with the provisions of this subsection.

a. In order to assist a proposed new owner of an existing wholesale licensee, a financing corporation may provide debt or equity capital, or both, if prior approval of the Board has been obtained pursuant to subdivision 3 b of subsection B. A financing corporation which proposes to provide equity capital shall cause the proposed new owner to form a Virginia limited partnership in which the new owner is the general partner and the financing corporation is a limited partner. If the general partner defaults on any financial obligation to the limited partner, which default has been specifically defined in the partnership agreement, or, if the new owner defaults on its obligation to pay principal and interest when due to the financing corporation as specifically defined in the loan documents, then, and only then, shall such financing corporation be allowed to take title to the business of the wholesale licensee. Notwithstanding any other law to the contrary and provided written notice has been given to the Board within two business days after taking title, the wholesale licensee may be managed and operated by such financing corporation pursuant to the existing wholesale license for a period of time not to exceed 180 days as if the license had been issued in the name of the financing corporation. On or before the expiration of such 180-day period, the financing corporation shall cause ownership of the wholesale licensee's business to be transferred to a new owner. Otherwise, on the 181st day, the license shall be deemed terminated. The financing corporation may not participate in financing the transfer of ownership to the new owner or to any other subsequent owner for a period of ~~twenty~~ 20 years following the effective date of the original financing transaction; except where a transfer takes place before the expiration of the eighth full year following the effective date of the original financing transaction in which case the financing corporation may finance such transfer as long as the new owner is required to return such debt or equity capital within the originally prescribed eight-year period. The financing corporation may exercise its right to take title to, manage and operate the business of, the wholesale licensee only once during such eight-year period.

b. In any case in which a financing corporation proposes to provide debt or equity capital in order to assist in a change of ownership of an existing wholesale licensee, the parties to the transaction shall first submit an application for a wholesale license in the name of the proposed new owner to the Board.

The Board shall be provided with all documents that pertain to the transaction at the time of the license application and shall ensure that the application complies with all requirements of law pertaining to the issuance of wholesale licenses except that if the financing corporation proposes to provide equity capital and thereby take a limited partnership interest in the applicant entity, the financing corporation shall not be required to comply with any Virginia residency requirement applicable to the issuance of wholesale licenses. In addition to the foregoing, the applicant entity shall certify to the Board and provide supporting documentation that the following requirements are met prior to issuance of the wholesale license: (i) the terms and conditions of any debt financing which the financing corporation proposes to provide are substantially the same as those available in the financial markets to other wholesale licensees who will be in competition with the applicant, (ii) the terms of any proposed equity financing transaction are such that future profits of the applicant's business shall be distributed annually to the financing corporation in direct proportion to its percentage of ownership interest received in return for its investment of equity capital, (iii) if the financing corporation proposes to provide equity capital, it shall hold an ownership interest in the applicant entity through a limited partnership interest and no other arrangement and (iv) the applicant entity shall be contractually obligated to return such debt or equity capital to the financing corporation not later than the end of the eighth full year following the effective date of the transaction thereby terminating any ownership interest or right thereto of the financing corporation.

Once the Board has issued a wholesale license pursuant to an application filed in accordance with this subdivision 3 b, any subsequent change in the partnership agreement or the financing documents shall be subject to the prior approval of the Board. In accordance with the previous paragraph, the Board may require the licensee to resubmit certifications and documentation.

c. If a financing corporation wishes to provide debt financing, including inventory financing, but not equity financing, to an existing wholesale licensee or a proposed new owner of an existing wholesale licensee, it may do so without regard to the provisions of subdivisions 3 a and 3 b of subsection B under the following circumstances and subject to the following conditions: (i) in order to secure such debt financing, a wholesale licensee or a proposed new owner thereof may grant a security interest in any of its assets, including inventory, other than the wholesale license itself or corporate stock of the wholesale licensee; in the event of default, the

financing corporation may take title to any assets pledged to secure such debt but may not take title to the business of the wholesale licensee and may not manage or operate such business; (ii) debt capital may be supplied by such financing corporation to an existing wholesale licensee or a proposed new owner of an existing wholesale licensee so long as debt capital is provided on terms and conditions which are substantially the same as those available in the financial markets to other wholesale licensees in competition with the wholesale licensee which is being so financed; and (iii) the licensee or proposed new owner shall certify to the Board and provide supporting documentation that the requirements of (i) and (ii) of this subdivision 3 c have been met.

Nothing in this section shall eliminate, affect or in any way modify the requirements of law pertaining to issuance and retention of a wholesale license as they may apply to existing wholesale licensees or new owners thereof which have received debt financing prior to the enactment of this subdivision 3 c.

4. Except for holders of retail licenses issued pursuant to subdivision A 5 of § 4.1-201, brewery licensees may sell beer to retail licensees for resale only under the following conditions: If such brewery or an affiliate or subsidiary thereof has taken title to the business of a wholesale licensee pursuant to the provisions of subdivision 3 a of subsection B, direct sale to retail licensees may be made during the 180-day period of operation allowed under that subdivision. Moreover, the holder of a brewery license may make sales of alcoholic beverages directly to retail licensees for a period not to exceed ~~thirty~~ 30 days in the event that such retail licensees are normally serviced by a wholesale licensee representing that brewery which has been forced to suspend wholesale operations as a result of a natural disaster or other act of God or which has been terminated by the brewery for fraud, loss of license or assignment of assets for the benefit of creditors not in the ordinary course of business.

5. Notwithstanding any provision of this section, including but not limited to those provisions whereby certain ownership or lease arrangements may be permissible, no manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages shall make an agreement, or attempt to make an agreement, with a retail licensee pursuant to which any products sold by a competitor are excluded in whole or in part from the premises on which the retail licensee's business is conducted.

6. Nothing in this section shall prohibit a winery, brewery, or distillery licensee from paying a royalty to a historical preservation entity pursuant to a bona fide intellectual property agreement that (i) authorizes the winery, brewery, or distillery licensee to manufacture wine, beer, or spirits based on authentic historical recipes and identified with brand names owned and trademarked by the historical preservation entity; (ii) provides for royalties to be paid based solely on the volume of wine, beer, or spirits manufactured using such recipes and trademarks, rather than on the sales revenues generated from such wine, beer, or spirits; and (iii) has been approved by the Board.

For purposes of this subdivision, "historical preservation entity" means an entity (a) that is exempt from income taxation under § 501(c)(3) of the Internal Revenue Code; (b) whose declared purposes include the preservation, restoration, and protection of a historic community in the Commonwealth that is the site of at least 50 historically significant houses, shops, and public buildings dating to the eighteenth century; and (c) that owns not more than 12 retail establishments in the Commonwealth for which retail licenses have been issued by the Board.

C. Subject to such exceptions as may be provided by statute or Board regulations, no manufacturer, bottler, importer, broker or wholesaler of alcoholic beverages, whether licensed in the Commonwealth or not, shall sell, rent, lend, buy for or give to any retail licensee, or to the owner of the premises in which the business of any retail licensee is conducted, any (i) money, equipment, furniture, fixtures, property, services or anything of value with which the business of such retail licensee is or may be conducted, or for any other purpose; (ii) advertising materials; and (iii) business entertainment, provided that no transaction permitted under this section or by Board regulation shall be used to require the retail licensee to partially or totally exclude from sale at its establishment alcoholic beverages of other manufacturers or wholesalers.

The provisions of this subsection shall apply to manufacturers, bottlers, importers, brokers and wholesalers selling alcoholic beverages to any governmental instrumentality or employee thereof selling alcoholic beverages at retail within the exterior limits of the Commonwealth, including all territory within these limits owned by or ceded to the United States of America.

The provisions of this subsection shall not apply to any commercial lifestyle center licensee.

The action of the Board in suspending or revoking any license or in imposing a civil penalty against the holder of a brewery license shall be subject to judicial review in accordance with the Administrative Process Act. Such review shall extend to the entire evidential record of the proceedings provided by the Board in accordance with the Administrative Process Act. An appeal shall lie to the Court of Appeals from any order of the court. Notwithstanding § 8.01-676.1, the final judgment or order of the circuit court shall not be suspended, stayed or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction shall lie in any such case.

B. In suspending any license the Board may impose, as a condition precedent to the removal of such suspension or any portion thereof, a requirement that the licensee pay the cost incurred by the Board in investigating the licensee and in holding the proceeding resulting in such suspension, or it may impose and collect such civil penalties as it deems appropriate. In no event shall the Board impose a civil penalty exceeding \$2,000 for the first violation occurring within five years immediately preceding the date of the violation or \$5,000 for the second violation occurring within five years immediately preceding the date of the second violation. However, if the violation involved selling alcoholic beverages to a person prohibited from purchasing alcoholic beverages or allowing consumption of alcoholic beverages by underage, intoxicated, or interdicted persons, the Board may impose a civil penalty not to exceed \$3,000 for the first violation occurring within five years immediately preceding the date of the violation and \$6,000 for a second violation occurring within five years immediately preceding the date of the second violation in lieu of such suspension or any portion thereof, or both. Upon making a finding that aggravating circumstances exist, the Board may also impose a requirement that the licensee pay for the cost incurred by the Board not exceeding \$10,000 in investigating the licensee and in holding the proceeding resulting in the violation in addition to any suspension or civil penalty incurred.

C. Following notice to (i) the licensee of a hearing that may result in the suspension or revocation of his license or (ii) the applicant of a hearing to resolve a contested application, the Board may accept a consent agreement as authorized in subdivision 22 of § 4.1-103. The notice shall advise the licensee or applicant of the option to (a) admit the alleged violation or the validity of the objection; (b) waive any right to a hearing or an appeal under the Virginia Administrative Process Act (§ 2.2-4000 et seq.); and (c)(1) accept the proposed

restrictions for operating under the license, (2) accept the period of suspension of the licensed privileges within the Board's parameters, (3) pay a civil penalty in lieu of the period of suspension, or any portion of the suspension as applicable, or (4) proceed to a hearing.

D. In case of an offense by the holder of a brewery license, the Board may (i) require that such holder pay the costs incurred by the Board in investigating the licensee, (ii) suspend or revoke the on-premises privileges of the brewery, and (iii) impose a civil penalty not to exceed \$25,000 for the first violation, \$50,000 for the second violation, and for the third or any subsequent violation, suspend or revoke such license or, in lieu of any suspension or portion thereof, impose a civil penalty not to exceed \$100,000. Such suspension or revocation shall not prohibit the licensee from manufacturing or selling beer manufactured by it to the owners of boats registered under the laws of the United States sailing for ports of call of a foreign country or another state, and to persons outside the Commonwealth.

E. The Board shall, by regulation or written order:

1. Designate those (i) objections to an application or (ii) alleged violations that will proceed to an initial hearing;
2. Designate the violations for which a waiver of a hearing and payment of a civil charge in lieu of suspension may be accepted for a first offense occurring within three years immediately preceding the date of the violation;
3. Provide for a reduction in the length of any suspension and a reduction in the amount of any civil penalty for any retail licensee where the licensee can demonstrate that it provided to its employees alcohol server or seller training certified in advance by the Board;
4. Establish a schedule of penalties for such offenses, prescribing the appropriate suspension of a license and the civil charge acceptable in lieu of such suspension; and
5. Establish a schedule of offenses for which any penalty may be waived upon a showing that the licensee has had no prior violations within five years immediately preceding the date of the violation. No waiver shall be granted by the Board, however, for a licensee's willful and knowing violation of this ~~title~~ subtitle or Board regulations.

§ 4.1-227. (Effective July 1, 2021) Suspension or revocation of licenses; notice and hearings; imposition of penalties.

Notwithstanding the provisions of § 2.2-4022, the Board shall, upon written request by the licensee, permit the licensee to inspect and copy or photograph all (i) written or recorded statements made by the licensee or copies thereof or the substance of any oral statements made by the licensee or a previous or present employee of the licensee to any law-enforcement officer, the existence of which is known by the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this chapter against the licensee, and (ii) designated books, papers, documents, tangible objects, buildings, or places, or copies or portions thereof, that are within the possession, custody, or control of the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this chapter against the licensee. In addition, any subpoena for the production of documents issued to any person at the request of the licensee or the Board pursuant to § 4.1-103 shall provide for the production of the documents sought within ~~ten~~ 10 working days, notwithstanding anything to the contrary in § 4.1-103.

If the Board fails to provide for inspection or copying under this section for the licensee after a written request, the Board shall be prohibited from introducing into evidence any items the licensee would have lawfully been entitled to inspect or copy under this section.

The action of the Board in suspending or revoking any license or in imposing a civil penalty against the holder of a brewery license shall be subject to judicial review in accordance with the Administrative Process Act. Such review shall extend to the entire evidential record of the proceedings provided by the Board in accordance with the Administrative Process Act. An appeal shall lie to the Court of Appeals from any order of

the court. Notwithstanding § 8.01-676.1, the final judgment or order of the circuit court shall not be suspended, stayed or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction shall lie in any such case.

B. In suspending any license the Board may impose, as a condition precedent to the removal of such suspension or any portion thereof, a requirement that the licensee pay the cost incurred by the Board in investigating the licensee and in holding the proceeding resulting in such suspension, or it may impose and collect such civil penalties as it deems appropriate. In no event shall the Board impose a civil penalty exceeding \$2,000 for the first violation occurring within five years immediately preceding the date of the violation or \$5,000 for the second violation occurring within five years immediately preceding the date of the second violation. However, if the violation involved selling alcoholic beverages to a person prohibited from purchasing alcoholic beverages or allowing consumption of alcoholic beverages by underage, intoxicated, or interdicted persons, the Board may impose a civil penalty not to exceed \$3,000 for the first violation occurring within five years immediately preceding the date of the violation and \$6,000 for a second violation occurring within five years immediately preceding the date of the second violation in lieu of such suspension or any portion thereof, or both. The Board may also impose a requirement that the licensee pay for the cost incurred by the Board not exceeding \$25,000 in investigating the licensee and in holding the proceeding resulting in the violation in addition to any suspension or civil penalty incurred.

C. Following notice to (i) the licensee of a hearing that may result in the suspension or revocation of his license or (ii) the applicant of a hearing to resolve a contested application, the Board may accept a consent agreement as authorized in subdivision 21 of § 4.1-103. The notice shall advise the licensee or applicant of the option to (a) admit the alleged violation or the validity of the objection; (b) waive any right to a hearing or an appeal under the Virginia Administrative Process Act (§ 2.2-4000 et seq.); and (c)(1) accept the proposed restrictions for operating under the license, (2) accept the period of suspension of the licensed privileges within the Board's parameters, (3) pay a civil penalty in lieu of the period of suspension, or any portion of the suspension as applicable, or (4) proceed to a hearing.

D. In case of an offense by the holder of a brewery license, the Board may (i) require that such holder pay the costs incurred by the Board in investigating the licensee, (ii) suspend or revoke the on-premises privileges of the brewery, and (iii) impose a civil penalty not to exceed \$25,000 for the first violation, \$50,000 for the second violation, and for the third or any subsequent violation, suspend or revoke such license or, in lieu of any suspension or portion thereof, impose a civil penalty not to exceed \$100,000. Such suspension or revocation shall not prohibit the licensee from manufacturing or selling beer manufactured by it to the owners of boats registered under the laws of the United States sailing for ports of call of a foreign country or another state, and to persons outside the Commonwealth.

E. The Board shall, by regulation or written order:

1. Designate those (i) objections to an application or (ii) alleged violations that will proceed to an initial hearing;

2. Designate the violations for which a waiver of a hearing and payment of a civil charge in lieu of suspension may be accepted for a first offense occurring within three years immediately preceding the date of the violation;

3. Provide for a reduction in the length of any suspension and a reduction in the amount of any civil penalty for any retail licensee where the licensee can demonstrate that it provided to its employees alcohol server or seller training certified in advance by the Board;

4. Establish a schedule of penalties for such offenses, prescribing the appropriate suspension of a license and the civil charge acceptable in lieu of such suspension; and

5. Establish a schedule of offenses for which any penalty may be waived upon a showing that the licensee has had no prior violations within five years immediately preceding the date of the violation. No waiver shall be granted by the Board, however, for a licensee's willful and knowing violation of this ~~title~~ subtitle or Board regulations.

In those cases where no person is found in possession of such articles the return shall so state and a copy of the warrant shall be posted on the door of the buildings or room where the articles were found, or if there is no door, then in any conspicuous place upon the premises.

In case of seizure of a still, doubler, worm, worm tub, mash tub, fermenting tub, or other distilling apparatus, for any offense involving their forfeiture, where it is impracticable to remove such distilling apparatus to a place of safe storage from the place where seized, the seizing officer may destroy such apparatus only as necessary to prevent use of all or any part thereof for the purpose of distilling. The destruction shall be in the presence of at least one credible witness, and such witness shall join the officer in a sworn report of the seizure and destruction, to be made to the Board. The report shall set forth the grounds of the claim of forfeiture, the reasons for seizure and destruction, an estimate of the fair cash value of the apparatus destroyed, and the materials remaining after such destruction. The report shall include a statement that, from facts within their own knowledge, the seizing officer and witness have no doubt whatever that the distilling apparatus was set up for use, or had been used in the unlawful distillation of spirits, and that it was impracticable to remove such apparatus to a place of safe storage.

In case of seizure of any quantity of mash, or of alcoholic beverages on which the tax imposed by the laws of the United States has not been paid, for any offense involving forfeiture of the same, the seizing officer may destroy them to prevent the use of all or any part thereof for the purpose of unlawful distillation of spirits or any other violation of this ~~title~~ *sub*title. The destruction shall be in the presence of at least one credible witness, and such witness shall join the officer in a sworn report of the seizure and destruction, to be made to the Board. The report shall set forth the grounds of the claim of forfeiture, the reasons for seizure and destruction, and a statement that, from facts within their own knowledge, the seizing officer and witness have no doubt whatever that the mash was intended for use in the unlawful distillation of spirits, or that the alcoholic beverages were intended for use in violation of this ~~title~~ *sub*title.

C. Hearing and determination.— Upon the return of the warrant as provided in this section, the court shall fix a time not less than ~~ten~~ 10 days, unless waived by the accused in writing, and not more than ~~thirty~~ 30 days thereafter, for the hearing on such return to determine whether or not the articles seized, or any part thereof, were used or in any manner kept, stored or possessed in violation of this ~~title~~ *sub*title.

At such hearing if no claimant appears, the court shall declare the articles seized forfeited to the Commonwealth and, if such articles are not necessary as evidence in any pending prosecution, shall turn them over to the Board. Any person claiming an interest in any of the articles seized may appear at the hearing and file a written claim setting forth particularly the character and extent of his interest. The court shall certify the warrant and the articles seized along with any claim filed to the circuit court to hear and determine the validity of such claim.

Action under this section and the forfeiture of any articles hereunder shall not be a bar to any prosecution under any other provision of this ~~title~~ *sub*title.

D. Disposition of forfeited beverages and other articles.— Any articles forfeited to the Commonwealth and turned over to the Board in accordance with this section shall be destroyed or sold by the Board as it deems proper. A record shall be made showing the amount issued in each case, to whom issued and the date when issued, and shall be kept in the offices of the State Health Commissioner and the Board. No charge shall be made to any patient for the alcoholic beverages supplied to him where they have been received from the Board pursuant to this section. Such alcoholic beverages shall be administered only upon approval of the patient's physician.

If the Board believes that any foodstuffs forfeited to the Commonwealth and turned over to the Board in accordance with this section are usable, should not be destroyed and cannot be sold or whose sale would be impractical, it may give such foodstuffs to any institution in the Commonwealth and shall prefer a gift to the local jail or other local correctional facility in the jurisdiction where seizure took place. § 4.1-702. Separate license for each place of business; transfer or amendment; posting; expiration; civil penalties.

A. Each license granted by the Board shall designate the place where the business of the licensee will be carried on. A separate license shall be required for each separate place of business.

B. No license shall be transferable from one person to another or from one location to another. The Board may permit a licensee to amend the classification of an existing license without complying with the posting and publishing procedures required by § 4.1-1000 if the effect of the amendment is to reduce materially the privileges of an existing license. However, if (i) the Board determines that the amendment is a device to evade the provisions of this subtitle, (ii) a majority of the corporate stock of a retail marijuana store licensee is sold to a new entity, or (iii) there is a change of business at the premises of a retail marijuana store licensee, the Board may, within 30 days of receipt of written notice by the licensee of a change in ownership or a change of business, require the licensee to comply with any or all of the requirements of § 4.1-1000. The Board may grant licenses for one year or for multiple years, not to exceed three years, based on the fees set by the Board pursuant to § 4.1-1001. Qualification for a multiyear license shall be determined on the basis of criteria established by the Board. Fees for multiyear licenses shall not be refundable except as provided in § 4.1-1002. The Board may provide a discount for two-year or three-year licenses, not to exceed five percent of the applicable license fee, which extends for one fiscal year and shall not be altered or rescinded during such period.

2. The fee and civil penalty pursuant to subdivision 1 to pay the fee in lieu of posting and publishing notice and reapplying, provided payment of the fee is made within 45 days following the 30 days specified in subdivision 1 and is accompanied by a civil penalty of \$100 or 25 percent of such fee, whichever is greater.

Notwithstanding the provisions of subsection F, electronic records of licensed retail marijuana stores may be stored off site, provided that such records are readily retrievable and available for electronic inspection by the Board or its special agents at the licensed premises. However, in the case that such electronic records are not readily available for electronic inspection on the licensed premises, the licensee may obtain Board approval, for good cause shown, to permit the licensee to provide the records to a special agent of the Board within three business days or less, as determined by the Board, after a request is made to inspect the records.

C. Every licensed marijuana cultivation facility shall keep complete, accurate, and separate records in accordance with Board regulations of all marijuana and marijuana products it purchased, manufactured, sold, or shipped.

D. Every licensed marijuana testing facility shall keep complete, accurate, and separate records in accordance with Board regulations of all marijuana and marijuana products it developed, researched, or tested and the names and addresses of the licensees or persons who submitted the marijuana or marijuana product to the marijuana testing facility.

For the purposes of a Board inspection of the records of any retail marijuana store licensees, "reasonable hours" means the hours between 9 a.m. and 5 p.m.; however, if the licensee generally is not open to the public substantially during the same hours, "reasonable hours" means the business hours when the licensee is open to the public. Notwithstanding § 8.01-676.1, the final judgment or order of the circuit court shall not be suspended, stayed, or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction shall lie in any such case.

C. If an applicant has permitted a license to expire for nonpayment of license fee, and at the time of expiration there remained unexecuted any period of suspension imposed upon the licensee by the Board, the Board may refuse a hearing on an application for a new license until after the date on which the suspension period would have been executed had the license not have been permitted to expire.

§ 4.1-901. Summary suspension in emergency circumstances; grounds; notice and hearing.

A. Notwithstanding any provisions to the contrary in Article 3 (§ 2.2-4018 et seq.) of the Administrative Process Act or § 4.1-806 or 4.1-903, the Board may summarily suspend any license or permit if it has reasonable cause to believe that an act of violence resulting in death or serious bodily injury, or a recurrence of such acts, has occurred on (i) the licensed premises, (ii) any premises immediately adjacent to the licensed premises that is owned or leased by the licensee, or (iii) any portion of public property immediately adjacent to the licensed premises, and the Board finds that there exists a continuing threat to public safety and that summary suspension of the license or permit is justified to protect the health, safety, or welfare of the public.

B. Prior to issuing an order of suspension pursuant to this section, special agents of the Board shall conduct an initial investigation and submit all findings to the Secretary of the Board within 48 hours of any such act of violence. If the Board determines suspension is warranted, it shall immediately notify the licensee of its intention to temporarily suspend his license pending the outcome of a formal investigation. Such temporary suspension shall remain effective for a minimum of 48 hours. After the 48-hour period, the licensee may petition the Board for a restricted license pending the results of the formal investigation and proceedings for disciplinary review. If the Board determines that a restricted license is warranted, the Board shall have discretion to impose appropriate restrictions based on the facts presented.

C. Upon a determination to temporarily suspend a license, the Board shall immediately commence a formal investigation. The formal investigation shall be completed within 10 days of its commencement and the findings

reported immediately to the Secretary of the Board. If, following the formal investigation, the Secretary of the Board determines that suspension of the license is warranted, a hearing shall be held within five days of the completion of the formal investigation. A decision shall be rendered within 10 days of conclusion of the hearing. If a decision is not rendered within 10 days of the conclusion of the hearing, the order of suspension shall be vacated and the license reinstated. Any appeal by the licensee shall be filed within 10 days of the decision and heard by the Board within 20 days of the decision. The Board shall render a decision on the appeal within 10 days of the conclusion of the appeal hearing.

D. Service of any order of suspension issued pursuant to this section shall be made by a special agent of the Board in person and by certified mail to the licensee. The order of suspension shall take effect immediately upon service.

E. This section shall not apply to temporary permits granted under § 4.1-806.

§ 4.1-902. Grounds for which Board shall suspend or revoke licenses.

The Board shall suspend or revoke any license if it finds that:

1. A licensee has violated or permitted the violation of § 18.2-331, relating to the illegal possession of a gambling device, upon the premises for which the Board has granted a retail marijuana store license.

2. A licensee has defrauded or attempted to defraud the Board, or any federal, state, or local government or governmental agency or authority, by making or filing any report, document, or tax return required by statute or regulation that is fraudulent or contains a willful or knowing false representation of a material fact or has willfully deceived or attempted to deceive the Board, or any federal, state, or local government or governmental agency or authority, by making or maintaining business records required by statute or regulation that are false or fraudulent.

§ 4.1-903. Suspension or revocation of licenses; notice and hearings; imposition of civil penalties.

A. Before the Board may suspend or revoke any license, reasonable notice of such proposed or contemplated action shall be given to the licensee in accordance with the provisions of § 2.2-4020 of the Administrative Process Act (§ 2.2-4000 et seq.).

Notwithstanding the provisions of § 2.2-4022, the Board shall, upon written request by the licensee, permit the licensee to inspect and copy or photograph all (i) written or recorded statements made by the licensee or copies thereof or the substance of any oral statements made by the licensee or a previous or present employee of the licensee to any law-enforcement officer, the existence of which is known by the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this subtitle against the licensee, and (ii) designated books, papers, documents, tangible objects, buildings, or places, or copies or portions thereof, that are within the possession, custody, or control of the Board and upon which the Board intends to rely as evidence in any adversarial proceeding under this subtitle against the licensee. In addition, any subpoena for the production of documents issued to any person at the request of the licensee or the Board pursuant to § 4.1-604 shall provide for the production of the documents sought within 10 working days, notwithstanding anything to the contrary in § 4.1-604.

If the Board fails to provide for inspection or copying under this section for the licensee after a written request, the Board shall be prohibited from introducing into evidence any items the licensee would have lawfully been entitled to inspect or copy under this section.

The action of the Board in suspending or revoking any license or in imposing a civil penalty shall be subject to judicial review in accordance with the Administrative Process Act (§ 2.2-4000 et seq.). Such review shall extend to the entire evidential record of the proceedings provided by the Board in accordance with the Administrative Process Act. An appeal shall lie to the Court of Appeals from any order of the court. Notwithstanding § 8.01-676.1, the final judgment or order of the circuit court shall not be suspended, stayed or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction shall lie in any such case.

B. In suspending any license the Board may impose, as a condition precedent to the removal of such suspension or any portion thereof, a requirement that the licensee pay the cost incurred by the Board in investigating the licensee and in holding the proceeding resulting in such suspension, or it may impose and collect such civil penalties as it deems appropriate. In no event shall the Board impose a civil penalty exceeding

\$2,000 for the first violation occurring within five years immediately preceding the date of the violation or \$5,000 for the second or subsequent violation occurring within five years immediately preceding the date of the second or subsequent violation. However, if the violation involved selling retail marijuana or retail marijuana products to a person prohibited from purchasing retail marijuana or retail marijuana products or allowing consumption of retail marijuana or retail marijuana products, the Board may impose a civil penalty not to exceed \$3,000 for the first violation occurring within five years immediately preceding the date of the violation and \$6,000 for a second or subsequent violation occurring within five years immediately preceding the date of the second or subsequent violation in lieu of such suspension or any portion thereof, or both. The Board may also impose a requirement that the licensee pay for the cost incurred by the Board not exceeding \$25,000 in investigating the licensee and in holding the proceeding resulting in the violation in addition to any suspension or civil penalty incurred.

C. Following notice to (i) the licensee of a hearing that may result in the suspension or revocation of his license or (ii) the applicant of a hearing to resolve a contested application, the Board may accept a consent agreement as authorized in § 4.1-604. The notice shall advise the licensee or applicant of the option to (a) admit the alleged violation or the validity of the objection; (b) waive any right to a hearing or an appeal under the Administrative Process Act (§ 2.2-4000 et seq.); and (c) (1) accept the proposed restrictions for operating under the license, (2) accept the period of suspension of the licensed privileges within the Board's parameters, (3) pay a civil penalty in lieu of the period of suspension, or any portion of the suspension as applicable, or (4) proceed to a hearing.

D. The Board shall, by regulation or written order:

1. Designate those (i) objections to an application or (ii) alleged violations that will proceed to an initial hearing;

2. Designate the violations for which a waiver of a hearing and payment of a civil charge in lieu of suspension may be accepted for a first offense occurring within three years immediately preceding the date of the violation;

3. Provide for a reduction in the length of any suspension and a reduction in the amount of any civil penalty for any retail marijuana store licensee where the licensee can demonstrate that it provided to its employees marijuana seller training certified in advance by the Board;

4. Establish a schedule of penalties for such offenses, prescribing the appropriate suspension of a license and the civil charge acceptable in lieu of such suspension; and

5. Establish a schedule of offenses for which any penalty may be waived upon a showing that the licensee has had no prior violations within five years immediately preceding the date of the violation. No waiver shall be granted by the Board, however, for a licensee's willful and knowing violation of this subtitle or Board regulations.

§ 4.1-904. Suspension or revocation; disposition of retail marijuana or retail marijuana products on hand; termination.

A. Retail marijuana or retail marijuana products owned by or in the possession of or for sale by any licensee at the time the license of such person is suspended or revoked may be disposed of as follows:

1. Sold to persons in the Commonwealth licensed to sell such retail marijuana or retail marijuana products upon permits granted by the Board in accordance with § 4.1-806 and conditions specified by the Board; or

2. Provided to the Virginia State Police to be destroyed.

B. All retail marijuana or retail marijuana products owned by or in the possession of any person whose license is suspended or revoked shall be disposed of by such person in accordance with the provisions of this section within 60 days from the date of such suspension or revocation.

C. Retail marijuana or retail marijuana products owned by or in the possession of or for sale by persons whose licenses have been terminated other than by suspension or revocation may be disposed of in accordance with subsection A within such time as the Board deems proper. Such period shall not be less than 60 days.

D. All retail marijuana or retail marijuana products owned by or remaining in the possession of any person described in subsection A or C after the expiration of such period shall be deemed contraband and forfeited to the Commonwealth in accordance with the provisions of § 4.1-1304.

CHAPTER 10.

ADMINISTRATION OF LICENSES; APPLICATIONS FOR LICENSES; FEES; TAXES.

§ 4.1-1000. Applications for licenses; publication; notice to localities; fees; permits.

A. Every person intending to apply for any license authorized by this subtitle shall file with the Board an application on forms provided by the Board and a statement in writing by the applicant swearing and affirming that all of the information contained therein is true.

Applicants for licenses for establishments that are otherwise required to obtain an inspection by the Department of Agriculture and Consumer Services shall provide proof of inspection or proof of a pending request for such inspection. If the applicant provides proof of inspection or proof of a pending request for an inspection, a license may be issued to the applicant. If a license is issued on the basis of a pending application or inspection, such license shall authorize the licensee to purchase retail marijuana, retail marijuana products, immature marijuana plants, or marijuana seeds in accordance with the provisions of this subtitle; however, the licensee shall not sell retail marijuana, retail marijuana products, immature marijuana plants, or marijuana seeds until an inspection is completed.

B. In addition, each applicant for a license under the provisions of this subtitle shall post a notice of his application with the Board on the front door of the building, place, or room where he proposes to engage in such business for no more than 30 days and not less than 10 days. Such notice shall be of a size and contain such information as required by the Board, including a statement that any objections shall be submitted to the Board not more than 30 days following initial posting of the notice required pursuant to this subsection.

The applicant shall also cause notice to be published at least once a week for two consecutive weeks in a newspaper published in or having a general circulation in the county, city, or town wherein such applicant proposes to engage in such business. Such notice shall contain such information as required by the Board, including a statement that any objections to the issuance of the license be submitted to the Board not later than 30 days from the date of the initial newspaper publication.

The Board shall conduct a background investigation, to include a criminal history records search, which may include a fingerprint-based national criminal history records search, on each applicant for a license. However, the Board may waive, for good cause shown, the requirement for a criminal history records search and completed personal data form for officers, directors, nonmanaging members, or limited partners of any applicant corporation, limited liability company, or limited partnership. In considering criminal history record information, the Board shall not disqualify an applicant because of a past conviction for a marijuana-related offense.

The Board shall notify the local governing body of each license application through the town manager, city manager, county administrator, or other designee of the locality. Local governing bodies shall submit objections to the granting of a license within 30 days of the filing of the application.

C. Each applicant shall pay the required application fee at the time the application is filed, except that such fee shall be waived or discounted for qualified social equity applicants pursuant to regulations promulgated by the Board. The license application fee shall be determined by the Board and shall be in addition to the actual cost charged to the Department of State Police by the Federal Bureau of Investigation or the Central Criminal Records Exchange for processing any fingerprints through the Federal Bureau of Investigation or the Central Criminal Records Exchange for each criminal history records search required by the Board. Application fees shall be in addition to the state license fee required pursuant to § 4.1-1001 and shall not be refunded.

D. Subsection A shall not apply to the continuance of licenses granted under this subtitle; however, all licensees shall file and maintain with the Board a current, accurate record of the information required by the Board pursuant to subsection A and notify the Board of any changes to such information in accordance with Board regulations.

E. Every application for a permit granted pursuant to § 4.1-806 shall be on a form provided by the Board. Such permits shall confer upon their holders no authority to make solicitations in the Commonwealth as otherwise provided by law.

The fee for a temporary permit shall be one-twelfth of the combined fees required by this section for applicable licenses to sell retail marijuana or retail marijuana products computed to the nearest cent and multiplied by the number of months for which the permit is granted.

F. The Board shall have the authority to increase state license fees. The Board shall set the amount of such increases on the basis of the consumer price index and shall not increase fees more than once every three years. Prior to implementing any state license fee increase, the Board shall provide notice to all licensees and the general public of (i) the Board's intent to impose a fee increase and (ii) the new fee that would be required for any license affected by the Board's proposed fee increases. Such notice shall be provided on or before November 1 in any year in which the Board has decided to increase state license fees, and such increases shall become effective July 1 of the following year.

§ 4.1-1001. Fees for state licenses.

A. The annual fees on state licenses shall be determined by the Board.

B. The fee on each license granted or reissued for a period other than 12, 24, or 36 months shall be equal to one-twelfth of the fees required by subsection A computed to the nearest cent, multiplied by the number of months in the license period, and then increased by five percent. Such fee shall not be refundable, except as provided in § 4.1-1002.

C. Nothing in this subtitle shall exempt any licensee from any state merchants' license or state restaurant license or any other state tax. Every licensee, in addition to the taxes and fees imposed by this subtitle, shall be liable to state merchants' license taxation and other state taxation.

D. In addition to the fees set forth in this section, a fee of \$5 may be imposed on any license purchased in person from the Board if such license is available for purchase online.

§ 4.1-1002. Refund of state license fee.

A. The Board may correct erroneous assessments made by it against any person and make refunds of any amounts collected pursuant to erroneous assessments, or collected as fees on licenses, that are subsequently refused or application therefor withdrawn, and to allow credit for any license fees paid by any licensee for any license that is subsequently merged or changed into another license during the same license period. No refund shall be made of any such amount, however, unless made within three years from the date of collection of the same.

B. In any case where a licensee has changed its name or form of organization during a license period without any change being made in its ownership, and because of such change is required to pay an additional license fee for such period, the Board shall refund to such licensee the amount of such fee so paid in excess of the required license fee for such period.

C. The Board shall make refunds, prorated according to a schedule of its prescription, to licensees of state license fees paid pursuant to subsection A of § 4.1-1001 if the place of business designated in the license is destroyed by an act of God, including but not limited to fire, earthquake, hurricane, storm, or similar natural disaster or phenomenon.

D. Any amount required to be refunded under this section shall be paid by the State Treasurer out of moneys appropriated to the Board and in the manner prescribed in § 4.1-614.

§ 4.1-1003. Marijuana tax; exceptions.

A. A tax of 21 percent is levied on the sale in the Commonwealth of any retail marijuana, retail marijuana products, marijuana paraphernalia sold by a retail marijuana store, non-retail marijuana, and non-retail marijuana products. The tax shall be in addition to any tax imposed under Chapter 6 (§ 58.1-600 et seq.) of Title 58.1 or any other provision of federal, state, or local law.

B. The tax shall not apply to any sale:

- 1. From a marijuana establishment to another marijuana establishment.*
- 2. Of cannabis oil for treatment under the provisions of § 54.1-3408.3 and Article 4.2 (§ 54.1-3442.5 et seq.) of the Drug Control Act.*
- 3. Of industrial hemp by a grower, processor, or dealer under the provisions of Chapter 41.1 (§ 3.2-4112 et seq.) of Title 3.2.*

4. *Of industrial hemp extract or food containing an industrial hemp extract under the provisions of Article 5 (§ 3.2-5145.1 et seq.) of Chapter 51 of Title 3.2.*

C. All revenues remitted to the Authority under this section shall be disposed of as provided in § 4.1-614.

§ 4.1-1004. Optional local marijuana tax.

A. Any locality may by ordinance levy a three percent tax on any sale taxable under § 4.1-1003. The tax shall be in addition to any local sales tax imposed under Chapter 6 (§ 58.1-600 et seq.) of Title 58.1, any food and beverage tax imposed under Article 7.1 (§ 58.1-3833 et seq.) of Chapter 38 of Title 58.1, and any excise tax imposed on meals under § 58.1-3840. Other than the taxes authorized and identified in this subsection, a locality shall not impose any other tax on a sale taxable under § 4.1-1003.

B. If a town imposes a tax under this section, any tax imposed by its surrounding county under this section shall not apply within the limits of the town.

C. Nothing in this section shall be construed to prohibit a locality from imposing any tax authorized by law on a person or property regulated under this subtitle. Nothing in this section shall be construed to limit the authority of any locality to impose a license or privilege tax or fee on a business engaged in whole or in part in sales taxable under § 4.1-1003 if such tax or fee is (i) based on an annual or per-event flat fee authorized by law or (ii) is an annual license or privilege tax authorized by law, and such tax includes sales or receipts taxable under § 4.1-1003 in its taxable measure.

D. Any locality that enacts an ordinance pursuant to subsection A shall, within 30 days, notify the Authority and any retail marijuana store in such locality of the ordinance's enactment. The ordinance shall take effect on the first day of the second month following its enactment.

E. Any tax levied under this section shall be administered and collected by the Authority in the same manner as provided for the tax imposed under § 4.1-1003.

F. All revenues remitted to the Authority under this section shall be disposed of as provided in § 4.1-614.

§ 4.1-1005. Tax returns and payments; commissions; interest.

A. For any sale taxable under §§ 4.1-1003 and 4.1-1004, the seller shall be liable for collecting any taxes due. All taxes collected by a seller shall be deemed to be held in trust for the Commonwealth. The buyer shall not be liable for collecting or remitting the taxes or filing a return.

B. On or before the tenth day of each month, any person liable for a tax due under § 4.1-1003 or 4.1-1004 shall file a return under oath with the Authority and pay any taxes due. Upon written application by a person filing a return, the Authority may, if it determines good cause exists, grant an extension to the end of the calendar month in which the tax is due, or for a period not exceeding 30 days. Any extension shall toll the accrual of any interest or penalties under § 4.1-1008.

C. The Authority may accept payment by any commercially acceptable means, including cash, checks, credit cards, debit cards, and electronic funds transfers, for any taxes, interest, or penalties due under this subtitle. The Board may assess a service charge for the use of a credit or debit card.

D. Upon request, the Authority may collect and maintain a record of a person's credit card, debit card, or automated clearinghouse transfer information and use such information for future payments of taxes, interest, or penalties due under this subtitle. The Authority may assess a service charge for any payments made under this subsection. The Authority may procure the services of a third-party vendor for the secure storage of information collected pursuant to this subsection.

E. If any person liable for tax under §§ 4.1-1003 and 4.1-1004 sells out his business or stock of goods or quits the business, such person shall make a final return and payment within 15 days after the date of selling or quitting the business. Such person's successors or assigns, if any, shall withhold sufficient of the purchase money to cover the amount of such taxes, interest, and penalties due and unpaid until such former owner produces a receipt from the Authority showing payment or a certificate stating that no taxes, penalties, or interest are due. If the buyer of a business or stock of goods fails to withhold the purchase money as provided in this subsection, such buyer shall be liable for the payment of the taxes, interest, and penalties due and unpaid on account of the operation of the business by any former owner.

F. When any person fails to timely pay the full amount of tax due under § 4.1-1003 or 4.1-1004, interest at a rate determined in accordance with § 58.1-15 shall accrue on the tax until it is paid. Any taxes due under §§ 4.1-1003 and 4.1-1004 shall, if applicable, be subject to penalties as provided in §§ 4.1-1206 and 4.1-1207.

§ 4.1-1006. Bonds.

The Authority may, when deemed necessary and advisable to do so in order to secure the collection of the taxes levied under §§ 4.1-1003 and 4.1-1004, require any person subject to such tax to file a bond, with such surety as it determines is necessary to secure the payment of any tax, penalty, or interest due or that may become due from such person. In lieu of such bond, securities approved by the Authority may be deposited with the State Treasurer, which securities shall be kept in the custody of the State Treasurer, and shall be sold by the State Treasurer at the request of the Authority at public or private sale if it becomes necessary to do so in order to recover any tax, interest, or penalty due the Commonwealth. Upon any such sale, the surplus, if any, above the amounts due shall be returned to the person who deposited the securities.

§ 4.1-1007. Refunds.

A. Whenever it is proved to the satisfaction of the Authority that any taxes levied pursuant to § 4.1-1003 or 4.1-1004 have been paid and that the taxable items were or are (i) damaged, destroyed, or otherwise deemed to be unsalable by reason of fire or any other providential cause before sale to the consumer; (ii) destroyed voluntarily because the taxable items were defective and after notice to and approval by the Authority of such destruction; or (iii) destroyed in any manner while in the possession of a common, private, or contract carrier, the Authority shall certify such facts to the Comptroller for approval of a refund payment from the state treasury to such extent as may be proper.

B. Whenever it is proved to the satisfaction of the Authority that any person has purchased taxable items that have been sold by such person in such manner as to be exempt from the tax, the Authority shall certify such facts to the Comptroller for approval of a refund payment from the state treasury to such extent as may be proper.

C. In the event purchases are returned to the seller by the buyer after a tax imposed under § 4.1-1003 or 4.1-1004 has been collected or charged to the account of the buyer, the seller shall be entitled to a refund of the amount of tax so collected or charged in the manner prescribed by the Authority. The amount of tax so refunded to the seller shall not, however, include the tax paid upon any amount retained by the seller after such return of merchandise. In case the tax has not been remitted by the seller, the seller may deduct the same in submitting his return.

§ 4.1-1008. Statute of limitations; civil remedies for collecting past-due taxes, interest, and penalties.

A. The taxes imposed under §§ 4.1-1003 and 4.1-1004 shall be assessed within three years from the date on which such taxes became due and payable. In the case of a false or fraudulent return with intent to defraud the Commonwealth, or a failure to file a return, the taxes may be assessed, or a proceeding in court for the collection of such taxes may be begun without assessment, at any time within six years from such date. The Authority shall not examine any person's records beyond the three-year period of limitations unless it has reasonable evidence of fraud or reasonable cause to believe that such person was required by law to file a return and failed to do so.

B. If any person fails to file a return as required by this section, or files a return that is false or fraudulent, the Authority may make an estimate for the taxable period of the taxable sales of such person and assess the tax, plus any applicable interest and penalties. The Authority shall give such person 10 days' notice requiring such person to provide any records as it may require relating to the business of such person for the taxable period. The Authority may require such person or the agents and employees of such person to give testimony or to answer interrogatories under oath administered by the Authority respecting taxable sales, the filing of the return, and any other relevant information. If any person fails to file a required return, refuses to provide required records, or refuses to answer interrogatories from the Authority, the Authority may make an estimated assessment based upon the information available to it and issue a memorandum of lien under subsection C for the collection of any taxes, interest, or penalties. The estimated assessment shall be deemed prima facie correct.

C. 1. If the Authority assesses taxes, interest, or penalties on a person and such person does not pay within 30 days after the due date, taking into account any extensions granted by the Authority, the Authority may file

a memorandum of lien in the circuit court clerk's office of the county or city in which the person's place of business is located or in which the person resides. If the person has no place of business or residence within the Commonwealth, the memorandum may be filed in the Circuit Court of the City of Richmond. A copy of the memorandum may also be filed in the clerk's office of all counties and cities in which the person owns real estate. Such memorandum shall be recorded in the judgment docket book and shall have the effect of a judgment in favor of the Commonwealth, to be enforced as provided in Article 19 (§ 8.01-196 et seq.) of Chapter 3 of Title 8.01, except that a writ of fieri facias may issue at any time after the memorandum is filed. The lien on real estate shall become effective at the time the memorandum is filed in the jurisdiction in which the real estate is located. No memorandum of lien shall be filed unless the person is first given 10 or more days' prior notice of intent to file a lien; however, in those instances where the Authority determines that the collection of any tax, penalties, or interest required to be paid pursuant to law will be jeopardized by the provision of such notice, notification may be provided to the person concurrent with the filing of the memorandum of lien. Such notice shall be given to the person at his last known address.

2. Recordation of a memorandum of lien under this subsection shall not affect a person's right to appeal under § 4.1-1009.

3. If after filing a memorandum of lien the Authority determines that it is in the best interest of the Commonwealth, it may place padlocks on the doors of any business enterprise that is delinquent in filing or paying any tax owed to the Commonwealth. The Authority shall also post notices of distraint on each of the doors so padlocked. If after three business days, the tax deficiency has not been satisfied or satisfactory arrangements for payment made, the Authority may cause a writ of fieri facias to be issued. It shall be a Class 1 misdemeanor for anyone to enter the padlocked premises without prior approval of the Authority. In the event that the person against whom the distraint has been applied subsequently appeals under § 4.1-1009, the person shall have the right to post bond equaling the amount of liability in lieu of payment until the appeal is resolved.

4. A person may petition the Authority after a memorandum of lien has been filed under this subsection if the person alleges an error in the filing of the lien. The Authority shall make a determination on such petition within 14 days. If the Authority determines that the filing was erroneous, it shall issue a certificate of release of the lien within seven days after such determination is made.

§ 4.1-1009. Appeals.

Any tax imposed under § 4.1-1003 or 4.1-1004, any interest imposed under § 4.1-1008, any action of the Authority under § 4.1-1204, and any penalty imposed under § 4.1-1206 or 4.1-1207 shall be subject to review under the Administrative Process Act (§ 2.2-4000 et seq.). Such review shall extend to the entire evidential record of the proceedings provided by the Authority in accordance with the Administrative Process Act. An appeal shall lie to the Court of Appeals from any order of a circuit court. Notwithstanding § 8.01-676.1, the final judgment or order of a circuit court shall not be suspended, stayed, or modified by such circuit court pending appeal to the Court of Appeals. Neither mandamus nor injunction shall lie in any such case.

§ 4.1-1300. Enjoining nuisances.

A. In addition to the penalties imposed by § 4.1-1113, the Board, its special agents, the attorney for the Commonwealth, or any citizen of the county, city, or town where a common nuisance as defined in § 4.1-1113 exists may maintain a suit in equity in the name of the Commonwealth to enjoin the common nuisance.

B. The courts of equity shall have jurisdiction, and in every case where the bill charges, on the knowledge or belief of the complainant, and is sworn to by two reputable citizens, that marijuana or marijuana products are cultivated, manufactured, stored, sold, dispensed, given away, or used in such house, building, or other place described in § 4.1-1113 contrary to the laws of the Commonwealth, an injunction shall be granted as soon as the bill is presented to the court. The injunction shall enjoin and restrain the owners and tenants and their agents and employees, and any person connected with such house, building, or other place, and all persons whomsoever from cultivating, manufacturing, storing, selling, dispensing, giving away, or using marijuana or marijuana products on such premises. The injunction shall also restrain all persons from removing any marijuana or marijuana products then on such premises until the further order of the court. If the court is satisfied that the material allegations of the bill are true, although the premises complained of may not then be unlawfully used, it shall continue the injunction against such place for a period of time as the court deems proper. The injunction may be dissolved if a proper case is shown for dissolution.

§ 4.1-1301. Contraband marijuana or marijuana products and other articles subject to forfeiture.

A. All apparatus and materials for the cultivation or manufacture of marijuana or marijuana products, all marijuana or marijuana products and materials used in their manufacture, all containers in which marijuana or marijuana products may be found, that are kept, stored, possessed, or in any manner used in violation of the provisions of this subtitle, and any dangerous weapons as described in § 18.2-308 that may be used or that may be found upon the person, or in any vehicle that such person is using, to aid such person in the unlawful

cultivation, manufacture, transportation, or sale of marijuana or marijuana products, or found in the possession of such person, or any horse, mule, or other beast of burden or any wagon, automobile, truck, or vehicle of any nature whatsoever that is found in the immediate vicinity of any place where marijuana or marijuana products are being unlawfully manufactured and where such animal or vehicle is being used to aid in the unlawful manufacture, shall be deemed contraband and shall be forfeited to the Commonwealth.

B. Proceedings for the confiscation of the property in subsection A shall be in accordance with § 4.1-1304 for all such property except motor vehicles, which proceedings shall be in accordance with Chapter 22.1 (§ 19.2-386.1 et seq.) of Title 19.2.

§ 4.1-1302. Search without warrant; odor of marijuana.

A. No law-enforcement officer, as defined in § 9.1-101, may lawfully stop, search, or seize any person, place, or thing and no search warrant may be issued solely on the basis of the odor of marijuana and no evidence discovered or obtained pursuant to a violation of this subsection, including evidence discovered or obtained with the person's consent, shall be admissible in any trial, hearing, or other proceeding.

B. The provisions of subsection A shall not apply in any airport as defined in § 5.1-1 or if the violation occurs in a commercial motor vehicle as defined in § 46.2-341.4.

§ 4.1-1303. Search warrants.

A. If complaint on oath is made that marijuana or marijuana products are being cultivated, manufactured, sold, kept, stored, or in any manner held, used, or concealed in a particular house, or other place, in violation of law, the judge, magistrate, or other person having authority to issue criminal warrants, to whom such complaint is made, if satisfied that there is a probable cause for such belief, shall issue a warrant to search such house or other place for marijuana or marijuana products. Such warrants, except as herein otherwise provided, shall be issued, directed, and executed in accordance with the laws of the Commonwealth pertaining to search warrants.

B. Warrants issued under this subtitle for the search of any automobile, boat, conveyance, or vehicle, whether of like kind or not, or for the search of any article of baggage, whether of like kind or not, for marijuana or marijuana products may be executed in any part of the Commonwealth where they are overtaken and shall be made returnable before any judge within whose jurisdiction such automobile, boat, conveyance, vehicle, truck, or article of baggage, or any of them, was transported or attempted to be transported contrary to law.

§ 4.1-1304. Confiscation proceedings; disposition of forfeited articles.

A. All proceedings for the confiscation of articles, except motor vehicles, declared contraband and forfeited to the Commonwealth under this subtitle shall be as provided in this section.

B. Production of seized property. Whenever any article declared contraband under the provisions of this subtitle and required to be forfeited to the Commonwealth has been seized, with or without a warrant, by any officer charged with the enforcement of this subtitle, he shall produce the contraband article and any person in whose possession it was found. In those cases where no person is found in possession of such articles, the return shall so state and a copy of the warrant shall be posted on the door of the buildings or room where the articles were found, or if there is no door, then in any conspicuous place upon the premises.

In case of seizure of any item for any offense involving its forfeiture where it is impracticable to remove such item to a place of safe storage from the place where seized, the seizing officer may destroy such item only as necessary to prevent use of all or any part thereof. The destruction shall be in the presence of at least one credible witness, and such witness shall join the officer in a sworn report of the seizure and destruction to be made to the Board. The report shall set forth the grounds of the claim of forfeiture, the reasons for seizure and destruction, an estimate of the fair cash value of the item destroyed, and the materials remaining after such destruction. The report shall include a statement that, from facts within their own knowledge, the seizing officer and witness have no doubt whatever that the item was set up for use, or had been used in the unlawful cultivation or manufacture of marijuana, and that it was impracticable to remove such apparatus to a place of safe storage.

In case of seizure of any quantity of marijuana or marijuana products for any offense involving forfeiture of the same, the seizing officer may destroy them to prevent the use of all or any part thereof for the purpose of unlawful cultivation or manufacture of marijuana or marijuana products or any other violation of this subtitle. The destruction shall be in the presence of at least one credible witness, and such witness shall join the officer

in a sworn report of the seizure and destruction to be made to the Board. The report shall set forth the grounds of the claim of forfeiture, the reasons for seizure and destruction, and a statement that, from facts within their own knowledge, the seizing officer and witness have no doubt whatever that the marijuana or marijuana products were intended for use in the unlawful cultivation or manufacture of marijuana or marijuana products or were intended for use in violation of this subtitle.

C. Hearing and determination. Upon the return of the warrant as provided in this section, the court shall fix a time not less than 10 days, unless waived by the accused in writing, and not more than 30 days thereafter, for the hearing on such return to determine whether or not the articles seized, or any part thereof, were used or in any manner kept, stored, or possessed in violation of this subtitle.

At such hearing, if no claimant appears, the court shall declare the articles seized forfeited to the Commonwealth and, if such articles are not necessary as evidence in any pending prosecution, shall turn them over to the Board. Any person claiming an interest in any of the articles seized may appear at the hearing and file a written claim setting forth particularly the character and extent of his interest. The court shall certify the warrant and the articles seized along with any claim filed to the circuit court to hear and determine the validity of such claim.

If the evidence warrants, the court shall enter a judgment of forfeiture and order the articles seized to be turned over to the Board. Action under this section and the forfeiture of any articles hereunder shall not be a bar to any prosecution under any other provision of this subtitle.

D. Disposition of forfeited articles. Any articles forfeited to the Commonwealth and turned over to the Board in accordance with this section shall be destroyed or sold by the Board as it deems proper. The net proceeds from such sales shall be paid into the Literary Fund.

If the Board believes that any foodstuffs forfeited to the Commonwealth and turned over to the Board in accordance with this section are usable, should not be destroyed, and cannot be sold or whose sale would be impractical, it may give such foodstuffs to any institution in the Commonwealth and shall prefer a gift to the local jail or other local correctional facility in the jurisdiction where seizure took place. A record shall be made showing the nature of the foodstuffs and amount given, to whom given, and the date when given, and shall be kept in the offices of the Board.

§ 4.1-1305. Search and seizure of conveyances or vehicles used in violation of law; arrests.

A. When any officer charged with the enforcement of the cannabis control laws of the Commonwealth has reason to believe that retail marijuana or retail marijuana products illegally acquired, or being illegally transported, are in any conveyance or vehicle of any kind, either on land or on water, except a conveyance or vehicle owned or operated by a railroad, express, sleeping, or parlor car, or steamboat company, other than barges, tugs, or small craft, he shall obtain a search warrant and search such conveyance or vehicle. If illegally acquired retail marijuana or retail marijuana products or retail marijuana or retail marijuana products being illegally transported in amounts in excess of two and one-half ounces of retail marijuana, 16 ounces of solid retail marijuana product, or 72 ounces of liquid retail marijuana product, the officer shall seize the retail marijuana or retail marijuana product, seize and take possession of such conveyance or vehicle, and deliver them to the chief law-enforcement officer of the locality in which such seizure was made, taking his receipt therefor in duplicate.

B. The officer making such seizure shall forthwith report in writing such seizure and arrest to the attorney for the Commonwealth for the county or city in which seizure and arrest were made.

§ 4.1-1306. Contraband retail marijuana or retail marijuana products.

Retail marijuana or retail marijuana products seized pursuant to § 4.1-1305 shall be deemed contraband and disposed of accordingly. Failure to maintain on a conveyance or vehicle a permit or other indicia of permission issued by the Board authorizing the transportation of retail marijuana or retail marijuana products within the Commonwealth when other Board regulations applicable to such transportation have been complied with shall not be cause for deeming such retail marijuana or retail marijuana products contraband.

§ 4.1-1307. Punishment for violations of title or regulations; bond.

A. Any person convicted of a misdemeanor under the provisions of this subtitle without specification as to the class of offense or penalty, or convicted of violating any other provision thereof, or convicted of violating any Board regulation is guilty of a Class 1 misdemeanor.

B. In addition to the penalties imposed by this subtitle for violations, any court before whom any person is convicted of a violation of any provision of this subtitle may require such defendant to execute bond based upon his ability to pay, with approved security, in the penalty of not more than \$1,000, with the condition that the defendant will not violate any of the provisions of this subtitle for the term of one year. If any such bond is required and is not given, the defendant shall be committed to jail until it is given, or until he is discharged by the court, provided that he shall not be confined for a period longer than six months. If any such bond required by a court is not given during the term of the court by which conviction is had, it may be given before any judge or before the clerk of such court.
