Bus Parking

Buses will unload on the easternmost lane of 9th Street near the intersection of 9th and Grace streets. Capitol Police will assist.

Once unloaded, buses should turn left onto Grace Street then travel to the Department of General Services' Office of Fleet Management Services, located at **2400 West Leigh Street**.

Once entering the Fleet site (marked by the  below), take a right to park in the gravel/tar lot, below in yellow. Buses can stage at Fleet until it is time to return to the loading/unloading zone to retrieve their passengers.
