The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Reverend Shane Schlesman, West End Assembly of God, Richmond, Virginia, offered the following prayer:

Lord God and Creator, we come before You today to praise Your name and to ask Your blessing on this esteemed Assembly. Lord, we need Your vision and creativity to find a pathway forward in seemingly impossible decisions. Lord, we need Your strength to withstand opposition towards progress. We need Your wisdom to know when to change and when to stand firm.

We ask for You, Lord, to empower this great body of leaders to champion justice for the oppressed, to administer grace to the fallen, healing to the sick, and restoration to the broken. Lord, I ask that You give all of us as community leaders discernment as we partner with one another to find solutions to our common problems. I ask and pray for a spirit of unity and harmony as it relates to policies that help the Commonwealth of Virginia and respect as it relates to our differences. May this state and this city be a beacon of light across the darkness that divides us in our country. Use these men and women gathered here today to accomplish together what they could only dream of individually.

We ask this in the name of the Father, the Son and Holy Spirit, Amen.

Clerk of the Senate

## THURSDAY, FEBRUARY 20, 2020

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Reverend Dr. Stephen Starzer, Fairfield Presbyterian Church, Mechanicsville, Virginia, offered the following prayer:

O God our creator, redeemer and sustainer, I stand before You in these hallowed halls asking Your blessing and guidance upon all who are assembled here. Place upon each of their hearts a sense of their responsibility in this wonderful Commonwealth which we gladly call our home. Let each Senator know that their role is to serve the people not to serve their own self-interest. Help them to truly listen to one another in a spirit of understanding. Help them to know that there are no opponents here, just others who see from a different perspective than their own, but all who are here to serve in order to make our beloved Virginia a better place to live for all people. Guide them to see people as people: all created in Your image—not defined by categories but as people who want to love and be loved and to know that they matter to others.

Let them do their work with diligence, compassion and intelligence and mutual respect. Indeed help them to live up to the standard of the Commonwealth—where the common well-being of all the citizens is what defines and shapes us. Let Your peace and love fill this room in such a way that there is no room left for anger or hatred.

We ask all this in the name of Your spirit of love and mercy. Amen.

The department may use up to \$100,000 for administrative costs.

4. The implementation of this initiative is contingent upon the receipt of federal HITECH Act funds, and neither the department nor its contractor shall be obligated to implement the program without HITECH Act matching funds. DMAS shall convene a meeting each quarter with the Secretary of Finance, Secretary of Health and Human Resources, or their designees, and appropriate staff from the Department of Planning and Budget, House Appropriations and Senate Finance Committees, and Joint Legislative Audit and Review Commission to explain any material differences in expenditures compared to the official Medicaid forecast, adjusted to reflect budget actions from each General Assembly Session. If necessary, the department shall provide options to bring expenditures in line with available resources. At each quarterly meeting, the department shall provide an update on any changes to the managed care programs, or contracts with managed care organizations, that includes detailed information and analysis on any such changes that may have an impact on the capitation rates or overall fiscal impact of the programs, including changes that may result in savings. Specifically, the department shall report on the Discrete Incentive Transition Program with information regarding the number of individuals that transition from nursing facilities, payments to managed care organizations, and outcomes and quality data for the individual plan members that transition into the community. In addition, the department shall report on utilization and other trends in the managed care programs.

2. The Department of Medical Assistance Services shall submit a quarterly report summarizing managed care encounter data by service category in a format similar to the report in paragraph B.1. Expenditures related to changes in services and eligibility adopted in a General Assembly Session shall be included in the report for five fiscal years beginning from the first year the policy impacted expenditures in the Medicaid and FAMIS programs. The department shall report the expenditures of each funding change separately and show the impact by fiscal year. The report shall be submitted to the Department of Planning and Budget and the Chairmen of the House Appropriations and Senate Finance Committees by October 1 of each year.

C.1. It is the intent of the General Assembly that the Department of Medical Assistance Services provide more data regarding Medicaid and other programs operated by the department on their public website. The department shall create a central website that consolidates data and statistical information to make the information more readily available to the general public. At a minimum the information included on such website shall include monthly enrollment data, expenditures by service, and other relevant data.

2. No later than June 30, 2018, the department shall make Medicaid and other agency data stored in the agency's data warehouse available through the department's website that includes, at a minimum, interactive tools for the user to select, display, manipulate and export requested data.

D. The Department of Medical Assistance Services shall notify the Director, Department of Planning and Budget, and the Chairmen of the House Appropriations and Senate Finance Committees at least 30 days prior to any change in capitated rates for managed care companies. b. Monitor medical spending for related-party arrangements and adjust historical medical spending when deemed necessary to ensure that capitation rates do not cover excessively high spending as compared to benchmarks. Related-party arrangements shall mean those in which there is common ownership or control between the entities, and shall not include Medicaid payments otherwise authorized in this item.

c. Adjust capitation rates in the Medallion program to account for a portion of expected savings from required initiatives.

Q.1. Out of this appropriation, \$1,675,000 the first year and \$1,675,000 the second year from special funds is appropriated to the Department of Medical Assistance Services (DMAS) for the disbursement of civil money penalties (CMP) levied against and collected from Medicaid nursing facilities for violations of rules identified during survey and certification as required by federal law and regulation. Based on the nature and seriousness of the deficiency, the Agency or the Centers for Medicare and Medicaid Services may impose a civil money penalty, consistent with the severity of the violations, for the number of days a facility is not in substantial compliance with the facility's Medicaid participation agreement. Civil money penalties collected by the Commonwealth must be applied to the protection of the health or property of residents of nursing facilities found to be deficient. Penalties collected are to be used for (1) the payment of costs incurred by the Commonwealth for relocating residents to other facilities; (2) payment of costs incurred by the Commonwealth related to operation of the facility pending correction of the deficiency or closure of the facility; and (3) reimbursement of residents for personal funds or property lost at a facility as a result of actions by the facility or individuals used by the facility to provide services to residents. These funds are to be administered in accordance with the revised federal regulations and law, 42 CFR 488.400 and the Social Security Act § 1919(h), for Enforcement of Compliance for Long-Term Care Facilities with Deficiencies. Any special fund revenue received for this purpose, but unexpended at the end of the fiscal year, shall remain in the fund for use in accordance with this provision.

6. The department shall maintain CMP special fund balance of at least \$1.0 million to address emergency situations in Virginia's nursing facilities.

The Department of Medical Assistance Services (DMAS) shall reimburse Vision to Learn for services provided to children that do not have another source of payment. The department shall reimburse for services rendered at the standard fee-for-service reimbursement rates.

2. Federal trust funds for these services will be accessed through the Children's Health Insurance Program (CHIP) Health Services Initiative allowed by Section 2015(a)(1)(D)(ii) of the Social Security Act and 42 CFR 457.10. The department is authorized to match federal trust funds with local public and private contributions for the purpose of reimbursing Vision to Learn for eye exams and corrective lenses and frames, if necessary, to school age children.

3. The funding of these services is contingent on continued federal funding for the Children's Health Insurance Program (CHIP), and is further limited by the availability of CHIP administrative funds. This language should not be construed as authorizing a new Medicaid or CHIP benefit, or as creating a new entitlement.

T. The Director, the Department of Medical Assistance Services, shall include language in all managed care contracts, for all department programming, requiring the plan sponsor to report quarterly, for all quarters through the one ending June 30, 2019, to the department for all pharmacy claims; the amount paid to the pharmacy provider per claim, including but not limited to cost of drug reimbursement; dispensing fees; copayments; and the amount charged to the plan sponsor for each claim by its pharmacy benefit manager. In the event there is a difference between these amounts, the plan sponsor shall report an itemization of all administrative fees, rebates, or processing charges associated with the claim. All data and information provided by

the plan sponsor shall be kept secure; and notwithstanding any other provision of law, the department shall maintain the confidentiality of the proprietary information and not share or disclose the proprietary information contained in the report or data collected with persons outside the department. Only those department employees involved in collecting, securing and analyzing the data for the purpose of preparing the report shall have access to the proprietary data. The department shall annually provide a report using aggregated data only to the Chairmen of the House Appropriations and Senate Finance Committees on the implementation of this initiative and its impact on program expenditures by October 1 of each year. Nothing in the report shall contain confidential or proprietary information.

U. The Department of Medical Assistance Services shall, prior to the end of each fiscal quarter, determine and properly reflect in the accounting system whether pharmacy rebates received in the quarter are related to fee-for-service or managed care expenditures and whether or not the rebates are prior year recoveries or expenditure refunds for the current year. All pharmacy rebates for the quarter determined to be prior year revenue shall be deposited to the Virginia Health Care Fund before the end of the fiscal quarter. The department shall create and use a separate revenue source code to account for pharmacy rebates in the Virginia Health Care Fund.

V.1. Effective with the development of the 2020-2022 biennium, it is the intent of the General Assembly that there is hereby established an annual Medicaid state spending target for each fiscal year. The Joint Subcommittee for Health and Human Resources Oversight shall establish the annual target by September 15 of each year for the following two fiscal years. The target shall take into account the following: a 10-year rolling average of Medicaid expenditures by eligibility category and utilization of services, a 20-year rolling average of general fund revenue growth, and for policy decisions adopted by General Assembly during the previous Session which impact Medicaid spending.

2. In the event of an economic recession, the Joint Subcommittee may take into consideration enrollment and spending trends experienced during previous recessions in establishing the targets.

3. It is the intent of the General Assembly that the Governor abide by the spending target for Medicaid state spending, as established by the Joint Subcommittee, in developing the introduced budget each year and shall notify the Chairmen of the House Appropriations and Senate Finance Committees in the event the target cannot be met, along with the reason it cannot be met.

W. Out of this appropriation, \$225,000 the first year from the general fund and \$225,000 the first year from federal funds shall be used to hire an expert contractor or contractors to review the Department of Medical Assistance Services' (DMAS) federal expenditure and budget reporting as well as aid the department with improvements to cost allocation plans and federal advanced planning documents. On or before October 1, 2020, DMAS shall provide a report that details all areas examined, findings and improvements to Director, Department of Planning and

Budget and the Chairmen of the House Appropriations and Senate Finance Committees.

X. The Department of Medical Assistance Services, in collaboration with the Department of Social Services, may consider and review proofs of concept from vendors for a pilot program to improve screening services for income and assets as part of the Medicaid eligibility determination process for both initial applications and renewals. Any such pilot program may include innovative methods to increase automation of various financial accounts to improve the verification process for eligibility. The pilot may also include methods to monitor compliance with the provisions of the Training, Education, Employment, and Opportunity Program pursuant to a § 1115 Demonstration Waiver. Any proofs of concept submitted by a vendor shall include cost estimates of such a pilot program. If the Department of Medical Assistance Services determines that a proof of concept by a vendor may significantly improve the eligibility determination process, the department shall notify the Chairmen of the House Appropriations and Senate Finance Committees with details and cost estimates of a potential pilot program.

Y. The Director, Department of Planning and Budget, shall unallot \$4,611,953 from the general fund in this Item and revert the appropriation to the general fund, on or before June 30, 2019, which reflects carryforward balances from fiscal year 2018.

Z. The Department of Medical Assistance Services, in collaboration with the Department of Social Services, shall provide data by the first day of each month, to each managed care organization, that includes the renewal dates for each member enrolled in their plan that will occur in the next 60 days. The department shall work with the managed care organizations to develop processes to reduce the number of renewals lapsing each year for Medicaid and Family Access to Insurance Security (FAMIS) enrollees.

AA. The Department of Medical Assistance Services shall report a detailed accounting, annually, of the agency's organization and operations. This report shall include an organizational chart that shows all full- and part-time positions (by job title) employed by the agency as well as the current management structure and unit responsibilities. The report shall also provide a summary of organization changes implemented over the previous year. The report shall be made available on the department's website by August 15 of each year.

BB. The Department of Medical Assistance Services shall, within 15 days of receiving a deferral of federal grant funds, or release of a deferral, or a disallowance letter, notify the Director, Department of Planning and Budget, and the Chairmen of the House Appropriations and Senate Finance Committees of such deferral action or disallowance. The notice shall include the amount of the deferral or disallowance and a detailed explanation of the federal rationale for the action. Any federal documentation received by the department shall be attached to the notification.

CC. The Department of Medical Assistance Services shall report on the use of emergency rooms for dental issues by Medicaid covered individuals. The report shall include: (i) data on

the number of Medicaid-covered individuals that utilize emergency rooms primarily for dental issues; (ii) a summary of the types of dental issues being addressed and the treatments provided; (iii) data on the frequency of individuals returning to emergency rooms that may be related to the same dental issues; and (iv) options to consider to improve awareness and access to available dental care through free clinics and other community providers to resolve dental issues. The report shall be submitted to the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2019.

DD. Out of this appropriation, \$87,500 from the general fund and \$262,500 from nongeneral funds the second year, shall be provided for support of the All Payer Claims Database operated by Virginia Health Information. This appropriation is contingent on federal approval of an Operational Advanced Planning Document.

EE.1. The Department of Medical Assistance Services shall cause its contracted actuary, not later than October 1, 2019, to evaluate and determine the most cost-effective pharmacy benefit delivery model, taking into account cost savings and other considerations such as clinical benefits, for all programs managed or directed by the department. In determining cost savings for each model considered, the actuary shall consider factors including rebates captured by the Commonwealth, decreased capitation rates, drug ingredient costs, generic drug dispensing, dispensing fees, drug utilization, and a single drug formulary (including the existing Common Core Formulary). The department shall report its findings to the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2019.

2. Upon approval of the 2020 General Assembly, the department may permit Medicaid managed care organizations (MCOs) under the Commonwealth's Children's Health Insurance Programs, Medallion 4.0, the Commonwealth Coordinated Care Plus or any other program managed or directed by the department, to develop and implement the most cost-effective pharmacy benefit delivery model including medication therapy management programs and medication reconciliation programs, for Medicaid recipients effective as of July 1, 2020. However, payments for prescribed drugs and dispensing fees shall be aligned to the model that provides the most beneficial financial solution to the Commonwealth. Upon approval of the 2020 General Assembly the department is authorized to contract with a pharmacy benefit manager, provided that the contract requires transparency in dispensing fees paid, cost control and containment measures, rebates collected and paid, fees and other charges for its administration of the pharmacy benefit.

3. The department is authorized to contract with a Virginia university for administration of a common formulary across its programs for pharmacy benefits upon approval of the 2020 General Assembly.

FF. The Director, Department of Planning and Budget, shall unallot \$4,611,953 from the general fund in this Item and revert the appropriation to the general fund, on or before June 30,

2020, which reflects carryforward balances from fiscal year 2019."

**Explanation:**

(This amendment sets out Item 307 which was not set out in the introduced budget. The amendment includes a new paragraph FF, which reverts \$3.0 million from the general from the Department of Medical Assistance Services administrative budget in fiscal year 2020. Based on current spending projections and the agency's prepayment of rent and other July 2019 contractual payments out of fiscal year 2019 yearend balances, that would have otherwise reverted to the general fund, this amendment captures the excess appropriation.)

a.1) Out of this appropriation, \$191,577,641 the second year from the general fund and \$606,892 the second year from the Lottery Proceeds Fund is provided for the state share of a payment equivalent to a 4.0 percent salary incentive increase, effective July 1, 2021, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, school counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium. This amount includes \$834,643 the second year from the general fund referenced in paragraph C. 27. h. for the Academic Year Governor's Schools for a 4.0 percent salary incentive increase, effective July 1, 2021, for instructional and support positions, and this amount includes \$606,892 the second year from the Lottery Proceeds Fund referenced in paragraph C. 9. f. 4) for Regional Alternative Education Programs for a 4.0 percent salary incentive increase, effective July 1, 2021, for instructional and support positions.

2) It is the intent that the instructional and support position salaries are increased in school divisions throughout the state by at least an average of 4.0 percent during the 2020-2022 biennium. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 4.0 percent salary increase for funded SOQ instructional and support positions, effective July 1, 2021, to school divisions that certify to the Department of Education that salary increases of a minimum average of 4.0 percent have been or will have been provided during the 2020-2022 biennium, either in the first year or in the second year or through a combination of the two years, to instructional and support personnel.

3) The state funds for which the division is eligible to receive shall be matched by the local government, based on the composite index of local ability-to-pay, which shall be calculated using an effective date of July 1, 2021, as the basis for the local match requirement for both funded SOQ instructional and support positions.

4) This funding is not intended as a mandate to increase salaries."

**Explanation:**

(This amendment provides the incremental funding to increase the state's share of a salary increase in the second year from 3.0 percent, as proposed in the budget as introduced, to 4.0 percent for SOQ instructional and support personnel. Local school divisions are required to provide a local match to receive the state's share of funding.)

"B. 1. Out of this appropriation up to \$3,459,590 each year from the general fund is provided for an affordability pilot program to offer financial assistance to Virginia students who are Pell grant eligible, meet university admissions requirements, and live within a 25 mile radius of the university. The program is designed to address regional needs relating to access and completion. Funds shall be used to provide last dollar or reduced tuition and fees to students for up to 150 percent of required credits to complete a certificate or degree. Priority shall be placed on students from Norfolk, Portsmouth, and Newport News and remaining funds may be used for room and board if available. It is the intention that the program may ramp up to 300 students total at any one time by fiscal year 2024. In the first and second year, in the event that financial aid remains available after recruiting new students for fall semester, the remaining financial aid may be used to fund current students who meet the criteria and/or for eligible new students that enroll in the spring semester.

2. As part of the six-year plan process, the university shall submit an annual report of the program that includes number of students served, average financial need of students, total expenditures, average award per student, retention and completion rates, other student outcomes as defined by the university, and planned outcomes for the upcoming year.

3. The University shall submit a detailed budget and implementation plan, including how the institution will disseminate information about the program to area students, the projected size of each cohort, and how the institution will monitor and report on the success of the program. After approval of the plan by the Governor and the Chairs of Senate Finance and Appropriations and the House Appropriations Committee, this funding may be released."

The workgroup shall also provide recommendations related to (i) increasing the reimbursement rates for sexual assault forensic examinations to cover the actual cost of such examinations and (ii) including reimbursement of costs associated with preparing for and participating in a criminal trial related to the sexual assault when a sexual assault forensic nurse is subpoenaed to participate in such trial as a cost that is reimbursable through the SAFE program. Recommendations developed by the workgroup shall include recommendations for specific legislative, regulatory and budgetary changes necessary to implement the workgroup's recommendations. The workgroup shall report its findings and recommendations to the Governor, the Chairs of the House Appropriations and Senate Finance and Appropriations Committees, and the Joint Commission on Health Care by September 1, 2020."

2. For each eligible year of service provided, the practitioner shall receive a year of applicable loan repayment award in return. Loan repayment checks will be submitted at the end of each year of service. Payments will be made directly to the lender. Practitioners must agree to a minimum of two years of practice for the behavioral health provider with the ability for two one-year renewals. The program shall require preference be given to applicants choosing to practice in underserved areas which must be a federally designated mental Health Professional Shortage Area or Medically Underserved Area within the Commonwealth. Practitioners are

- required to practice at Community Services Boards, behavioral health authorities, state mental health facilities, free clinics, federally qualified health centers and other similar health safety net organizations in order to be eligible for the program. The department shall provide an annual report to the Advisory Board on successes, challenges and opportunities with the program.
  5. The Board of Health shall develop regulations consistent with this language in order for the department to administer the program."

**Explanation:**

(This amendment establishes the Behavioral Health Loan Repayment Program in order to increase the number of Virginia behavioral health practitioners by way of an educational loan repayment incentive that complements and coordinates with existing efforts to recruit and retain Virginia behavioral health practitioners. The program would allow for a variety of behavioral health practitioners to receive a student loan repayment award from the Commonwealth in exchange for providing service to Virginia communities that are otherwise underserved. Practitioners would receive loan repayment for up to 25 percent of student loan debt for each year of health care service provided to the Commonwealth. Maximum loan repayment amounts per year are dependent upon the type of behavioral health professional applying and shall not exceed the total student loan debt. Participating practitioners will have an initial two-year minimum participation obligation and may renew for a third and fourth year. This provides the practitioner with the opportunity to fully pay off their student loan debt while providing four years of service to the Commonwealth.)

B. The State Health Commissioner is authorized to develop, in consultation with the regulated entities, a hotel, campground, and summer camp plan and specification review fee, not to exceed \$40.00, a restaurant plan and specification review fee, not to exceed \$40.00, an annual hotel, campground, and summer camp permit renewal fee, not to exceed \$40.00, and an annual restaurant permit renewal fee, not to exceed \$40.00 to be collected from all establishments, except K-12 public schools, that are subject to inspection by the Department of Health pursuant to §§ 35.1-13, 35.1-14, 35.1-16, and 35.1-17, Code of Virginia. However, any such establishment that is subject to any health permit fee, application fee, inspection fee, risk assessment fee or similar fee imposed by any locality as of January 1, 2002, shall be subject to this annual permit renewal fee only to the extent that the Department of Health fee and the locally imposed fee, when combined, do not exceed the fee amount listed in this paragraph. This fee structure shall be subject to the approval of the Secretary of Health and Human Resources.

C. Pursuant to the Department of Health's Policy Implementation Manual (#07-01), individuals who participate in a local festival, fair, or other community event where food is sold, shall be exempt from the annual temporary food establishment permit fee of \$40.00 provided the event is held only one time each calendar year and the event takes place within the locality where the individual resides.

D. The State Health Commissioner shall work with public and private dental providers to develop options for delivering dental services in underserved areas, including the use of public-private partnerships in the development and staffing of facilities, the use of dental hygiene and dental students to expand services and enhance learning experiences, and the availability of reimbursement mechanisms and other public and private resources to expand services.

**Explanation:**

(This amendment corrects an omission of language in the introduced budget that outlines certain existing fees charged by the Department of Health. Adding this language is necessary in order to ensure current fees and policies are continued.)

The results and recommendations of the vendor shall be presented at a meeting of the electronic health records workgroup created pursuant to Paragraph C of Item 291 of this Act, by no later than November 1, 2020."

**Explanation:**

(This amendment eliminates \$6.8 million the first year and \$8.3 million the second year from the general provided in the introduced budget for the implementation of electronic health records for the Virginia Department of Health and local health departments. The local health department system is large and complex and the type of solution needed requires further analysis and consideration. This amendment provides \$250,000 from the general fund the first year to hire a contractor with expertise to provider the detailed analysis and recommendations needed to proceed with implementation, including more refined costs estimates. The Virginia Department of Health shall establish and manage memorandums of understanding with qualified health care providers who will provide access to LARCs to patients whose income is below 250 percent of the federal poverty level, the Title X family planning program income eligibility requirement. Providers shall be reimbursed for the insertion and removal of LARCs at Medicaid rates. As part of the pilot program, the department, in cooperation with the Department of Medical Assistance Services and stakeholders, shall develop a plan to improve awareness and utilization of the Plan First program and include outreach efforts to refer women who have a diagnosis of substance use disorder and who seek family planning services to the Plan First program or participating providers in the pilot program.

2. The Virginia Department of Health shall report on metrics to measure the effectiveness of the program such as impacts on morbidity, reduction in abortions and unplanned pregnancies, and impacts on maternal health such as an increase in the length of time between births, among others. In addition, the department shall collect data on the number of women served who also sought treatment for substance use disorder. 3. The Virginia Department of Health shall establish and manage memoranda of understanding with qualified health care providers who have existing contracts pursuant to paragraph F.1. of this Item or to

new ones if funding is available. Providers shall be reimbursed for the cost of the contraceptives, as provided under this paragraph, at Medicaid rates."

**Explanation:**

(This amendment restores language that was inadvertently excluded from the introduced budget related to the Long-Acting Reversible Contraception (LARC) pilot program, as included in the 2018 Appropriation Act. This language modifies the existing program to clarify that it is no longer a pilot program and in addition it provides \$1.0 million a year from the Temporary Assistance to Needy Families block grant to supplement the LARC program by allowing access to other forms of contraception. The introduced budget also included an additional \$2.0 million nongeneral fund for the program, bringing the total amount appropriated to \$5.0 million. However, the total funding level required for the program is only \$3.0 million and therefore this amendment removes \$2.0 million in excess appropriation.)

**Explanation:**

(This amendment increases the Medicaid rates for skilled and private duty nursing services to 85 percent of the benchmark rate effective July 1, 2020. This shall apply to skilled nursing services provided through the Developmental Disability Waiver programs and private duty nursing services including congregate nursing services provided in the Commonwealth Coordinated Care Plus Waiver, the Developmental Disability Waiver programs and the Early and Periodic Screening, Diagnostic and Treatment program. This amendment increases the skilled nursing rates by 23.3 percent and private duty nursing rates by an average of 18.5 percent.)

**Explanation:**

(This amendment provides \$9.6 million from the general fund and a like amount of federal Medicaid matching funds each year for the Department of Medical Assistance Services, beginning July 1, 2020, to pay overtime compensation to attendants who are providing care under the consumer-directed service option in Medicaid waivers. The amendment allows Medicaid to pay time and a half for up to 16 hours for a single attendant who works more than 40 hours per week.)

**Explanation:**

(This amendment provides \$9.8 million from the general fund and a like amount of federal Medicaid matching funds to increase reimbursement to residential psychiatric facilities. The rates paid to these facilities, not unlike other institutional providers (hospitals, nursing facilities,

etc.), have not increased since 2008 and have not been adjusted for inflation. These facilities serve only children in a clinically and medically-necessary active treatment program designed to provide necessary support and address mental health, behavioral, substance abuse, cognitive and training needs in order to prevent or minimize the need for more intensive outpatient treatment, per federal regulations. This amendment also strikes language that prohibits annual inflation adjustments. As a result the rebasing of facility rates every three years and annual inflation adjustments would be restored.)

**Explanation:**

(This amendment adds \$1.6 million from the general fund each year and a like amount of matching federal Medicaid funds to increase adult day health care rates by 20 percent, effective July 1, 2020. The intent of the 2019 General Assembly was to increase Medicaid reimbursement to 70 percent of the equivalent Medicare fee to physicians who were reimbursed less than 70 percent of Medicare rates. The anesthesiologists qualified for this increase but were inadvertently left out of the budget language. This amendment will correct that and bring them up to 70 percent of the Medicare rate.)

3. The department shall have the authority to implement these changes effective July 1, 2020 and prior to the completion of any regulatory process undertaken in order to effect such change."

**Explanation:**

(This amendment provides \$9.1 million the first year and \$9.4 million the second year from the general fund and a like amount of federal Medicaid funds to modify nursing home reimbursement. This amendment modifies nursing facility reimbursement by substituting "total days" for the current use of "Medicaid days" due to the unavailability of reliable Medicaid managed care days that is impacting the integrity of the rebasing model for nursing facilities. Total days are not disputed and would be inclusive of all Medicaid days in the fee-for-service program and CCC Plus managed care program, among some other payer days. Further, this amendment increases the peer group adjustment factors to the Maryland levels in order to account for lower cost facilities inappropriately suppressing Medicaid rates for facilities with higher costs. **Explanation:**

(This amendment adds \$114,419 the first year and \$228,838 the second year from the general

The current program eligibility remains at 80 percent of FPL (\$833/month) and was not adjusted when the eligibility for Medicaid was increased with Medicaid Expansion (\$1,436/month). **Explanation:**

(This amendment directs the Department of Social Services to develop a plan to provide access statewide to a Kinship Navigator Program. Many kinship caregivers raise children without the supports and case management provided by local department of social services staff to children in foster care. A kinship navigator offers supports to kinship caregivers to assess needs and arrange necessary services to provide support, education, and information to caregivers to ensure that all of the kinship caregivers are aware of and have access to supportive services, such as financial benefits, therapeutic services, and training. Similar to other states, a statewide kinship navigator program would likely operate and maintain an informational and referral "warm-line", a website providing information on how to apply for benefits, including legal aid and fact sheets, and maintain a referral network in which to refer kinship caregivers to local programs in their respective localities. The current training takes workers two years to complete, however, they may carry significant caseloads before they have received the training. The initial training does not prepare workers to handle demanding and complicated caseloads. This is a recommendation of the Commission on Youth.)

"O.1. Included within the appropriation for this Item is \$151,064 in the first year and \$151,064 in the second year from the general fund for two additional FTEs to process expungements in the Criminal Justice Information Services Division that result from SB 608. The appropriation for this Item also includes funding for twelve civilian technicians to process expungements of criminal records.

2. The Department shall report annually by August 1 of each year to the Department of Planning and Budget and the Chairs of the House Appropriations and Senate Finance and Appropriations Committees on the aggregate number of expungements processed by charge type and the man-hours required to process said expungements. The report may identify, along with the costs of such, any systems upgrades or organizational changes that would improve the Department's processes."

The appropriation for such one-time bonus and compensation adjustments are contingent upon actual general fund revenues collected and accounted for in the preliminary close of the fiscal year ended June 30, 2020 not being one percent or more below the official budget estimate for FY 2020, necessitating a statutorily required revenue reforecast. § 19.2-392.1. Statement of policy.

The General Assembly finds that arrest records can be a hindrance to an innocent citizen’s ability to obtain employment, an education, and ~~to obtain~~ credit. It further finds that the police and court records of those of its citizens who have been ~~absolutely~~ pardoned for crimes ~~for which they have been unjustly convicted~~ can also be a hindrance. This chapter is intended to protect such persons from the unwarranted damage ~~which~~ that may occur as a result of being arrested and convicted.

§ 19.2-392.2. Expungement of police and court records.

A. If a person is charged with the commission of a crime ~~or~~, any offense defined in Title 18.2, *or any civil infraction* and

~~1. Is (i) the person is acquitted, or~~

~~2. A; (ii) a nolle prosequi is taken or; (iii) the charge is otherwise dismissed, including dismissal by accord and satisfaction pursuant to § 19.2-151; (iv) (a) the person is convicted of a violation of § 4.1-305 or 18.2-250.1 or subsection B of § 18.2-371.2, (b) the person was under 21 years of age on the date of the incident leading to the conviction, (c) all court costs and fines and all orders of restitution have been satisfied, and (d) five years have passed since the date of completion of all terms of sentencing and probation; (v) (a) the person was charged with a violation of § 4.1-305, 18.2-250, or 18.2-250.1 and such charge was discharged and dismissed as provided in § 4.1-305 or 18.2-251, (b) all court costs and fines and all orders of restitution have been satisfied, and (c) five years have passed since the date of completion of all terms of sentencing and probation; or (vi) the person is convicted and has received a simple pardon for the commission of the crime or offense for which he seeks expungement and (a) has been of good behavior for the five years preceding the filing of his petition and (b) the conviction is not for a violent felony as defined in subsection C of § 17.1-805 or § 19.2-297.1, or any crime ancillary to such conviction, or for a violation of § 18.2-248, 18.2-248.01, 18.2-248.1, 18.2-255, 18.2-255.2, 18.2-258.02, or 24.2-1016, he may file a petition setting forth the relevant facts and requesting expungement of the police records and the court records relating to the charge *or conviction*.~~

B. If any person whose name or other identification has been used without his consent or authorization by another person who has been charged or arrested using such name or identification, he may file a petition with the court disposing of the charge for relief pursuant to this section. Such person shall not be required to pay any fees for the filing of a petition under this subsection. A petition filed under this subsection shall include one complete set of the petitioner’s fingerprints obtained from a law-enforcement agency.

C. The petition with a copy of the warrant or indictment if reasonably available shall be filed in the circuit court of the county or city in which the case was disposed of ~~by acquittal or being otherwise dismissed~~ and shall contain, except where not reasonably available, the date of arrest and the name of the arresting agency. Where this information is not reasonably available, the petition shall state the reason for such unavailability. The petition shall further state the specific criminal charge *or conviction* to be expunged, the date of final disposition of the charge *or conviction* as set forth in the petition, the petitioner’s date of birth, and the full name used by the petitioner at the time of the arrest.

D. A copy of the petition shall be served on the attorney for the Commonwealth of the city or county in which the petition is filed. The attorney for the Commonwealth may file an objection or answer to the petition or may give written notice to the court that he does not object to the petition within 21 days after it is served on him.

E. The petitioner shall obtain from a law-enforcement agency one complete set of the petitioner’s fingerprints and shall provide that agency with a copy of the petition for expungement. The law-enforcement agency shall submit the set of fingerprints to the Central Criminal Records Exchange (CCRE) with a copy of the petition for expungement attached. The CCRE shall forward under seal to the court a copy of the petitioner’s criminal history, a copy of the source documents that resulted in the CCRE entry that the petitioner wishes to expunge, and the set of fingerprints. Upon completion of the hearing, the court shall return the fingerprint card to the petitioner. If no hearing was conducted, upon the entry of

an order of expungement or an order denying the petition for expungement, the court shall cause the fingerprint card to be destroyed unless, within 30 days of the date of the entry of the order, the petitioner requests the return of the fingerprint card in person from the clerk of the court or provides the clerk of the court a self-addressed, stamped envelope for the return of the fingerprint card.

F. After receiving the criminal history record information from the CCRE, the court shall conduct a hearing on the petition. If the court finds that the continued existence and possible dissemination of information relating to the arrest, *charge, or conviction* of the petitioner causes or may cause circumstances ~~which~~ *that* constitute a manifest injustice to the petitioner, it shall enter an order requiring the expungement of the police and court records, including electronic records, relating to the *arrest, charge, or conviction*. Otherwise, it shall deny the petition. However, if the petitioner has no prior criminal record and the arrest, *charge, or conviction* was for a misdemeanor violation, the petitioner shall be entitled, in the absence of good cause shown to the contrary by the Commonwealth, to expungement of the police and court records relating to the *arrest, charge, or conviction*, and the court shall enter an order of expungement. If the attorney for the Commonwealth of the county or city in which the petition is filed (i) gives written notice to the court pursuant to subsection D that he does not object to the petition and (ii) when the *arrest, charge, or conviction* to be expunged is a felony, stipulates in such written notice that the continued existence and possible dissemination of information relating to the arrest, *charge, or conviction* of the petitioner causes or may cause circumstances ~~which~~ *that* constitute a manifest injustice to the petitioner, the court may enter an order of expungement without conducting a hearing.

G. The Commonwealth shall be made party defendant to the proceeding. Any party aggrieved by the decision of the court may appeal, as provided by law in civil cases.

H. Notwithstanding any other provision of this section, when the *a* charge is dismissed because the court finds that the person arrested or charged is not the person named in the summons, warrant, indictment, or presentment, the court dismissing the charge shall, upon motion of the person improperly arrested or charged, enter an order requiring expungement of the police and court records relating to the charge. Such order shall contain a statement that the dismissal and expungement are ordered pursuant to this subsection and shall be accompanied by the complete set of petitioner's fingerprints filed with his petition. Upon the entry of such order, it shall be treated as provided in subsection K.

I. Notwithstanding any other provision of this section, upon receiving a copy pursuant to § 2.2-402 of an absolute pardon for the commission of a crime that a person did not commit, the court shall enter an order requiring expungement of the police and court records relating to the charge and conviction. Such order shall contain a statement that the expungement is ordered pursuant to this subsection. Upon the entry of such order, it shall be treated as provided in subsection K.

J. Upon receiving a copy of a writ vacating a conviction pursuant to § 19.2-327.5 or 19.2-327.13, the court shall enter an order requiring expungement of the police and court records relating to the charge and conviction. Such order shall contain a statement that the expungement is ordered pursuant to this subsection. Upon the entry of the order, it shall be treated as provided in subsection K.

K. Upon the entry of an order of expungement, the clerk of the court shall cause a copy of such order to be forwarded to the Department of State Police, which shall, pursuant to rules and regulations adopted pursuant to § 9.1-134, direct the manner by which the appropriate expungement or removal of such records shall be effected.

L. Costs shall be as provided by § 17.1-275, but shall not be recoverable against the Commonwealth. If the court enters an order of expungement, the clerk of the court shall refund to the petitioner such costs paid by the petitioner.

M. Any order entered where (i) the court or parties failed to strictly comply with the procedures set forth in this section or (ii) the court enters an order of expungement contrary to law, shall be voidable upon motion and notice made within three years of the entry of such order.

*N. For purposes of this section, "simple pardon" means an act by the Governor on behalf of the Commonwealth representing official forgiveness of a crime for which a person has been convicted.*

§ 19.2-392.4. Prohibited practices by employers, educational institutions, agencies, etc., of state and local governments.

A. An employer or educational institution shall not, in any application, interview, or otherwise, require an applicant for employment or admission to disclose information concerning any arrest ~~or~~, criminal charge against him, *or conviction* that has been expunged. An applicant need not, in answer to any question concerning any arrest ~~or~~, criminal charge that has not resulted in a conviction, *or conviction*, include a reference to or information concerning arrests *or*, charges, *or convictions* that have been expunged.

B. Agencies, officials, and employees of the state and local governments shall not, in any application, interview, or otherwise, require an applicant for a license, permit, registration, or governmental service to disclose information concerning any arrest ~~or~~, criminal charge against him, *or conviction* that has been expunged. Such an application may not be denied solely because of the applicant's refusal to disclose information concerning any arrest *or*; criminal charge against him, *or conviction* that has been expunged.

C. A person who willfully violates this section is guilty of a Class 1 misdemeanor for each violation."

Page 584, after "2022." insert "The provisions of the fourth enactment shall have no expiration date."

**Explanation:**

(This amendment allows a person to petition for the expungement of the police and court records relating to such person's conviction for misdemeanors and certain felonies if he has been granted a simple pardon for the crime allows the police and court records of other minor offenses to be expunged when all court costs, fines, and restitution have been paid, and five years have elapsed since the date of completion of all terms of sentencing and probation. Under current law, police and court records relating to convictions are only expunged if a person received an absolute pardon for a crime he did not commit.)

## FRIDAY, FEBRUARY 21, 2020

The Senate met at 11:30 a.m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Reverend Dr. Alesia Johnson, Richmond Hill, Richmond, Virginia, offered the following prayer:

Creator of the Universe, Maker, Sustainer, and Ruler of the Earth, we come now to thank You for this opportunity to acknowledge Your presence in this space. We don't have to invoke or invite You into this chamber, because You were here before we ever arrived. So God, we ask now that You would lead, guide, and direct this branch of government as they make decisions to govern the State of Virginia. In the book of Isaiah, we are reminded that the government shall be upon Your shoulders. We ask that You would give wisdom, a sense of justice, and a passion for Your people to everyone present here. It is our belief that it is Your desire that we live in unity with one another. So we ask, that we would embrace the otherness in our colleagues as we come together. Help us to be mindful that You made it plain as to how we are to live and what to do. Your word tells us that what You want is quite simple: we are to do what is fair and just to our neighbor, be compassionate and loyal in our love, and not take ourselves too seriously—but rather to take You seriously. Be with us as we convene this session and we will be careful to give Your name praise. Almighty God, hear our prayer. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Jayla Underwood of Williamsburg.

## MONDAY, FEBRUARY 24, 2020

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Reverend Dr. Lynn P. Ronaldi, Pohick Episcopal Church, Lorton, Virginia, offered the following prayer:

Lord God, today we thank You for equipping these devoted servants who have answered Your call to represent Virginia in the tradition of our country's beloved founding father, George Washington. We give You thanks for him on the 288th anniversary of his birth. Once himself a member of the House of Burgesses, General Washington knew well the stresses and strains of politics. He sought to maintain a balanced position and a middle ground. Rooted and grounded in faith, his leadership was permeated with hospitality, grace and civility. We are thankful to have witnessed these and his tolerance of religious expression and in his insistence in moderation and unity.

In our divided world we can all benefit from recalling and following of his example. For Washington rarely allowed religious or political convictions to become a source of division, contention or separation. He carried his strength of conviction with utmost civility and sought union above all else. He was heartbroken at the contention he witnessed early in the confederation of states and he prayed fervently to You for a spirit of cohesion in listening and mutual respect. Today we thank You for George Washington's birth and for his indispensable role in the birth of our nation. We're grateful for his witness of humility, integrity and his steadfast conviction that unity would be the ongoing salvation of this nation. As Americans, as Virginians, help us to grow into the kind of faith and leadership George Washington once grew into over a lifetime of service. Help us, Lord to practice Washington's civility and humility; the humility of a President who declined to be king. Today finally we ask You to bless Virginia, bless the United States, bless our world. Even as we disagree at times about the means, bring us together to reach the same end; love and unity of vision. We ask Your blessing on each one of these Senators and their aides and staff and families. Please guide and transform and strengthen them to heed Your call to unity where there is division and to sow seeds of peace where there is conflict. Help us to rest in the belief that in listening to Your voice and heeding it, all else will follow. All this we pray in God's Holy name. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Berkeley Jones of Brunswick.

The roll was called and the following Senators answered to their names:

## TUESDAY, FEBRUARY 25, 2020

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

Rabbi Israel Zoberman, Temple Lev Tikvah, Virginia Beach, Virginia, offered the following prayer:

Our one God of life's precious blessings who gracefully brings us together to be one inclusive family, gloriously diverse and gratefully united through the divine commandments of loving-kindness.

Dear Senators of this historic body of democratic legislation,

I stand before you and our shared Creator as a Polish family member of the Holocaust's surviving remnant of European Jewry who lost hundreds of his relatives among the six million victims, including a million and a half children. My early childhood was among refugees in Kazakhstan, Poland, Austria, Germany and Israel.

Facing a global rise of anti-Semitism's venom of Western civilization's oldest malaise, including in our own United States with deadly attacks never experienced before on American soil, dare we not be silent.

Ultimately no one is immune from the hatred of the 'other', with racism, prejudice and intolerance threatening to undermine the very foundation that gave rise to our nation's noble experiment with freedom's gift. My Temple Lev Tikvah (Heart of Hope) proudly meets at The Church of the Holy Apostles in Virginia Beach, the only Episcopal and Roman Catholic Congregation in the world, testifying to America's unequaled ecumenical spirit. Eastern Shore Chapel Episcopal Church in Virginia Beach embraced me as their Honorary Senior Rabbi Scholar.

Alarming is Holocaust denial maliciously or through ignorance with Auschwitz whose 75th liberation anniversary we recently celebrated, failing to evoke memories of humankind's vulnerability to radical evil on an industrial scale. Increased Holocaust and democracy education are essential. Fortunately we are to be near the Virginia Holocaust Museum and the United States Holocaust Memorial Museum to enlighten as well as warn us. Deeply acknowledging the great work of the Holocaust Commission of the United Jewish Federation of Tidewater, along with the Virginia Beach Human Rights Commission, of which I am both a proud member.

Each of us is a unique and irreplaceable universe of sacred purpose and meaning. We who are but finite beings are endowed by the Most High with infinite value. Privileged we are to be God's responsible partners in our joint holy task to turn hatred into love, violence into vision, pain into promise and blemishes into blessings through Shalom's healing, hope and harmony. Let us say Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Mikayla Bartos of Springfield.

The roll was called and the following Senators answered to their names:

Barker, Bell, Boysko, Chafin, Chase, Cosgrove, Deeds, DeSteph, Dunnavant, Ebbin, Edwards, Favola, Hanger, Hashmi, Howell, Kiggans, Lewis, Locke, Lucas, Marsden, Mason, McClellan, McDougle, McPike, Morrissey, Newman, Norment, Obenshain, Peake, Petersen, Pillion, Reeves, Ruff, Saslaw, Spruill, Stanley, Stuart, Suetterlein, Surovell, Vogel.

The word Guru literally means the one who takes us from Gu to Ru, that is from - Darkness to Light.

Let's bow our heads in respect for the friend we all have within us, Our Creator,

The shapeless, enemy-free, fearless, the immortal.

We ask for guidance and wisdom that shall drive us to make decisions

For ourselves, families, friends, and the People of the Commonwealth of Virginia.

We ask that principles such as truth, honesty, and integrity

Become the foundations of the decisions made here.

May the pillars of the Sikh Faith such as sharing our plentiful resources with those in need

And working hard be our path in life.

Bless us, our Sustainer, as our General Assembly's State Senate convenes to discuss matters to govern our Commonwealth.

In closing, May we always stand together for the morally and ethically right things in life.

The department shall request that the contractor reply in writing with a copy to all parties copied on the department's letter.

3. If necessary, the department shall provide options to bring expenditures in line with available resources. At each quarterly meeting, the department shall provide an update on any changes to the managed care programs, or contracts with managed care organizations, that includes detailed information and analysis on any such changes that may have an impact on the capitation rates or overall fiscal impact of the programs, including changes that may result in savings. Specifically, the department shall report on the Discrete Incentive Transition Program with information regarding the number of individuals that transition from nursing facilities, payments to managed care organizations, and outcomes and quality data for the individual plan members that transition into the community. In addition, the department shall report on utilization and other trends in the managed care programs.

Related-party arrangements shall mean those in which there is common ownership or control between the entities, and shall not include Medicaid payments otherwise authorized in this item.

c. Adjust capitation rates in the Medallion program to account for a portion of expected savings from required initiatives.

Q.1. Out of this appropriation, \$1,675,000 the first year and \$1,675,000 the second year from special funds is appropriated to the Department of Medical Assistance Services (DMAS) for the disbursement of civil money penalties (CMP) levied against and collected from Medicaid nursing facilities for violations of rules identified during survey and certification as required by federal law and regulation. Based on the nature and seriousness of the deficiency, the Agency or the Centers for Medicare and Medicaid Services may impose a civil money penalty, consistent with the severity of the violations, for the number of days a facility is not in substantial compliance with the facility's Medicaid participation agreement. Civil money penalties collected by the Commonwealth must be applied to the protection of the health or property of residents of nursing facilities found to be deficient. Penalties collected are to be used for (1) the payment of costs incurred by the Commonwealth for relocating residents to other facilities; (2) payment of costs incurred by the Commonwealth related to operation of the facility pending correction of the deficiency or closure of the facility; and (3) reimbursement of residents for personal funds or property lost at a facility as a result of actions by the facility or individuals used by the facility to provide services to residents. These funds are to be administered in accordance with the revised federal regulations and law, 42 CFR 488.400 and the Social Security Act § 1919(h), for Enforcement of Compliance for Long-Term Care Facilities with Deficiencies. Any special fund revenue received for this purpose, but unexpended at the end of the fiscal year, shall remain in the fund for use in accordance with this provision.

2. Of the amounts appropriated in Q.1. of this Item, up to \$175,000 the first year and \$175,000 the second year from special funds may be used for the costs associated with administering CMP funds.

3. Of the amounts appropriated in Q.1. of this Item, up to \$1,000,000 the first year and \$1,000,000 the second year from the special funds may be used for special projects that benefit residents and improve the quality of nursing Facilities.

4. By October 1 of each year, the department shall provide an annual report of the previous fiscal year that includes the amount of revenue collected and spending activities to the

Chairmen of the House Appropriations and Senate Finance Committees and the Director, Department of Planning and Budget.

5. No spending or activity authorized under the provisions of paragraph Q. of this Item shall necessitate general fund spending or require future obligations to the Commonwealth.

6. The department shall maintain CMP special fund balance of at least \$1.0 million to address emergency situations in Virginia's nursing facilities.

R. Out of this appropriation, \$100,000 the first year and \$100,000 the second year from the general fund shall be provided to contract with the Virginia Center for Health Innovation for research, development and tracking of innovative approaches to healthcare delivery.

S.1. Out of this appropriation, \$40,332 the first year and \$69,320 the second year from special funds and \$295,764 the first year and \$266,776 the second year from federal funds shall be used to contract with Vision to Learn, a non-profit organization, to provide vision exams and corrective lenses and frames, if necessary, to school age children enrolled in Title I schools where at least 51 percent of the student body qualifies for free or reduced lunch. Vision to Learn will provide services through a mobile eye clinic, and must have a formalized agreement with targeted schools being serviced. The Department of Medical Assistance Services (DMAS) shall reimburse Vision to Learn for services provided to children that do not have another source of payment. The department shall reimburse for services rendered at the standard fee-for-service reimbursement rates.

2. Federal trust funds for these services will be accessed through the Children's Health Insurance Program (CHIP) Health Services Initiative allowed by Section 2015(a)(1)(D)(ii) of the Social Security Act and 42 CFR 457.10. The department is authorized to match federal trust funds with local public and private contributions for the purpose of reimbursing Vision to Learn for eye exams and corrective lenses and frames, if necessary, to school age children.

3. The funding of these services is contingent on continued federal funding for the Children's Health Insurance Program (CHIP), and is further limited by the availability of CHIP administrative funds. This language should not be construed as authorizing a new Medicaid or CHIP benefit, or as creating a new entitlement.

T. The Director, the Department of Medical Assistance Services, shall include language in all managed care contracts, for all department programming, requiring the plan sponsor to report quarterly, for all quarters through the one ending June 30, 2019, to the department for all pharmacy claims; the amount paid to the pharmacy provider per claim, including but not limited to cost of drug reimbursement; dispensing fees; copayments; and the amount charged to the plan sponsor for each claim by its pharmacy benefit manager. In the event there is a difference between these amounts, the plan sponsor shall report an itemization of all administrative fees, rebates, or processing charges associated with the claim. All data and information provided by

the plan sponsor shall be kept secure; and notwithstanding any other provision of law, the department shall maintain the confidentiality of the proprietary information and not share or disclose the proprietary information contained in the report or data collected with persons outside the department. Only those department employees involved in collecting, securing and analyzing the data for the purpose of preparing the report shall have access to the proprietary data. The department shall annually provide a report using aggregated data only to the Chairmen of the House Appropriations and Senate Finance Committees on the implementation of this initiative and its impact on program expenditures by October 1 of each year. Nothing in the report shall contain confidential or proprietary information.

U. The Department of Medical Assistance Services shall, prior to the end of each fiscal quarter, determine and properly reflect in the accounting system whether pharmacy rebates received in the quarter are related to fee-for-service or managed care expenditures and whether or not the rebates are prior year recoveries or expenditure refunds for the current year. All pharmacy rebates for the quarter determined to be prior year revenue shall be deposited to the Virginia Health Care Fund before the end of the fiscal quarter. The department shall create and use a separate revenue source code to account for pharmacy rebates in the Virginia Health Care Fund.

V.1. Effective with the development of the 2020-2022 biennium, it is the intent of the General Assembly that there is hereby established an annual Medicaid state spending target for each fiscal year. The Joint Subcommittee for Health and Human Resources Oversight shall establish the annual target by September 15 of each year for the following two fiscal years. The target shall take into account the following: a 10-year rolling average of Medicaid expenditures by eligibility category and utilization of services, a 20-year rolling average of general fund revenue growth, and for policy decisions adopted by General Assembly during the previous Session which impact Medicaid spending.

2. In the event of an economic recession, the Joint Subcommittee may take into consideration enrollment and spending trends experienced during previous recessions in establishing the targets.

3. It is the intent of the General Assembly that the Governor abide by the spending target for Medicaid state spending, as established by the Joint Subcommittee, in developing the introduced budget each year and shall notify the Chairmen of the House Appropriations and Senate Finance Committees in the event the target cannot be met, along with the reason it cannot be met.

W. Out of this appropriation, \$225,000 the first year from the general fund and \$225,000 the first year from federal funds shall be used to hire an expert contractor or contractors to review the Department of Medical Assistance Services' (DMAS) federal expenditure and budget reporting as well as aid the department with improvements to cost allocation plans and federal advanced planning documents. On or before October 1, 2020, DMAS shall provide a report that details all areas examined, findings and improvements to Director, Department of Planning and

Budget and the Chairmen of the House Appropriations and Senate Finance Committees.

X. The Department of Medical Assistance Services, in collaboration with the Department of Social Services, may consider and review proofs of concept from vendors for a pilot program to improve screening services for income and assets as part of the Medicaid eligibility determination process for both initial applications and renewals. Any such pilot program may include innovative methods to increase automation of various financial accounts to improve the verification process for eligibility. The pilot may also include methods to monitor compliance with the provisions of the Training, Education, Employment, and Opportunity Program pursuant to a § 1115 Demonstration Waiver. Any proofs of concept submitted by a vendor shall include cost estimates of such a pilot program. If the Department of Medical Assistance Services determines that a proof of concept by a vendor may significantly improve the eligibility determination process, the department shall notify the Chairmen of the House Appropriations and Senate Finance Committees with details and cost estimates of a potential pilot program.

Y. The Director, Department of Planning and Budget, shall unallot \$4,611,953 from the general fund in this Item and revert the appropriation to the general fund, on or before June 30, 2019, which reflects carryforward balances from fiscal year 2018.

Z. The Department of Medical Assistance Services, in collaboration with the Department of Social Services, shall provide data by the first day of each month, to each managed care organization, that includes the renewal dates for each member enrolled in their plan that will occur in the next 60 days. The department shall work with the managed care organizations to develop processes to reduce the number of renewals lapsing each year for Medicaid and Family Access to Insurance Security (FAMIS) enrollees.

AA. The Department of Medical Assistance Services shall report a detailed accounting, annually, of the agency's organization and operations. This report shall include an organizational chart that shows all full- and part-time positions (by job title) employed by the agency as well as the current management structure and unit responsibilities. The report shall also provide a summary of organization changes implemented over the previous year. The report shall be made available on the department's website by August 15 of each year.

BB. The Department of Medical Assistance Services shall, within 15 days of receiving a deferral of federal grant funds, or release of a deferral, or a disallowance letter, notify the Director, Department of Planning and Budget, and the Chairmen of the House Appropriations and Senate Finance Committees of such deferral action or disallowance. The notice shall include the amount of the deferral or disallowance and a detailed explanation of the federal rationale for the action. Any federal documentation received by the department shall be attached to the notification.

CC. The Department of Medical Assistance Services shall report on the use of emergency rooms for dental issues by Medicaid covered individuals. The report shall include: (i) data on

the number of Medicaid-covered individuals that utilize emergency rooms primarily for dental issues; (ii) a summary of the types of dental issues being addressed and the treatments provided; (iii) data on the frequency of individuals returning to emergency rooms that may be related to the same dental issues; and (iv) options to consider to improve awareness and access to available dental care through free clinics and other community providers to resolve dental issues. The report shall be submitted to the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2019.

DD. Out of this appropriation, \$87,500 from the general fund and \$262,500 from nongeneral funds the second year, shall be provided for support of the All Payer Claims Database operated by Virginia Health Information. This appropriation is contingent on federal approval of an Operational Advanced Planning Document.

EE.1. The Department of Medical Assistance Services shall cause its contracted actuary, not later than October 1, 2019, to evaluate and determine the most cost-effective pharmacy benefit delivery model, taking into account cost savings and other considerations such as clinical benefits, for all programs managed or directed by the department. In determining cost savings for each model considered, the actuary shall consider factors including rebates captured by the Commonwealth, decreased capitation rates, drug ingredient costs, generic drug dispensing, dispensing fees, drug utilization, and a single drug formulary (including the existing Common Core Formulary). The department shall report its findings to the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2019.

2. Upon approval of the 2020 General Assembly, the department may permit Medicaid managed care organizations (MCOs) under the Commonwealth's Children's Health Insurance Programs, Medallion 4.0, the Commonwealth Coordinated Care Plus or any other program managed or directed by the department, to develop and implement the most cost-effective pharmacy benefit delivery model including medication therapy management programs and medication reconciliation programs, for Medicaid recipients effective as of July 1, 2020. However, payments for prescribed drugs and dispensing fees shall be aligned to the model that provides the most beneficial financial solution to the Commonwealth. Upon approval of the 2020 General Assembly the department is authorized to contract with a pharmacy benefit manager, provided that the contract requires transparency in dispensing fees paid, cost control and containment measures, rebates collected and paid, fees and other charges for its administration of the pharmacy benefit.

3. The department is authorized to contract with a Virginia university for administration of a common formulary across its programs for pharmacy benefits upon approval of the 2020 General Assembly.

FF. The Director, Department of Planning and Budget, shall unallot \$4,611,953 from the general fund in this Item and revert the appropriation to the general fund, on or before June 30,

2020, which reflects carryforward balances from fiscal year 2019."

**Explanation:**

(This amendment sets out Item 307 which was not set out in the introduced budget. The amendment includes a new paragraph FF, which reverts \$3.0 million from the general from the Department of Medical Assistance Services administrative budget in fiscal year 2020. Based on current spending projections and the agency's prepayment of rent and other July 2019 contractual payments out of fiscal year 2019 yearend balances, that would have otherwise reverted to the general fund, this amendment captures the excess appropriation.)

Due to a certain legal interpretations, the Trauma Center Fund is still receiving revenue in this fiscal year, albeit at a lesser amount. The review shall identify and recommend: (1) methods to determine appropriate costs; (2) measures of efficiency and effectiveness; (3) provisions for any new reporting requirements; (4) strategies to allocate limited public resources based on outcomes that align with state needs related to affordability, access, completion, and workforce alignment; (5) the impact of funding on underrepresented student populations, and (6) a timeline for implementation.

3. The review shall build on existing efforts including the assessment of base adequacy, recommendations provided through the Strategic Finance Plan, and peer institution comparisons to determine if existing funding models should be updated or replaced. It shall also build on promising practices and include input from Virginia's institutions, policy makers, and other education experts.

4. The Council shall present a proposed workplan to the Joint Subcommittee on the Future Competitiveness of Higher Education in Virginia by August 15, 2020. **Explanation:**

(This amendment provides \$250,000 general fund to maintain the Guidance to Postsecondary Success Program. Virginia will not meet its goal of becoming number one in the country for adult credential attainment at 70 percent without engaging populations that have traditionally not attended higher education. The GPS initiative focuses on enhancing existing efforts such as SCHEV's 1-2-3 Go! initiative to help students prepare, apply, and pay for college through awareness campaigns and events. It also includes coordinating professional development for secondary and access-provider staff, increasing advising capacity in underserved high schools, supporting early college testing for students in high school, and improving financial aid application completion activities.)

In the first and second year, in the event that financial aid remains available after recruiting new students for fall semester, the remaining financial aid may be used to fund current students who meet the criteria and/or for eligible new students that enroll in the spring semester.

2. As part of the six-year plan process, the university shall submit an annual report of the program that includes number of students served, average financial need of students, total expenditures, average award per student, retention and completion rates, other student outcomes as defined by the university, and planned outcomes for the upcoming year.

3. **Explanation:**

(This amendment provides operating funds to support UMW's Workforce Development Initiative, which proposes to eliminate some of the inefficiencies inherent in a stratified system of education by creating college degree pathways that begin in high school and end with a job and a degree that offers the promise of future social mobility. The initiative partners three K-12 school districts, a community college, a public liberal arts university, and industry to develop a curriculum that reduces time to degree (by as much as two years to save two years of costs to both the student and the Commonwealth), lowers cost of attendance, eliminates the skills gap that exists between educational experiences and work, reduces the reliance in student loan debt, and produces career-ready graduates. The initiative will initially focus on nursing (healthcare) and teaching (education).)

**Explanation:**

(This amendment establishes the Behavioral Health Loan Repayment Program in order to increase the number of Virginia behavioral health practitioners by way of an educational loan repayment incentive that complements and coordinates with existing efforts to recruit and retain Virginia behavioral health practitioners. The program would allow for a variety of behavioral health practitioners to receive a student loan repayment award from the Commonwealth in exchange for providing service to Virginia communities that are otherwise underserved. Practitioners would receive loan repayment for up to 25 percent of student loan debt for each year of health care service provided to the Commonwealth. Maximum loan repayment amounts per year are dependent upon the type of behavioral health professional applying and shall not exceed the total student loan debt. Participating practitioners will have an initial two-year minimum participation obligation and may renew for a third and fourth year. This provides the practitioner with the opportunity to fully pay off their student loan debt while providing four years of service to the Commonwealth.)

**Explanation:**

(This amendment provides \$450,000 each year from the general fund for the Virginia Department of Health to contract with an external party that can provide software to implement an adult and pediatric traumatic brain injury (TBI) pilot. The purpose of the pilot is to increase the participating hospitals' compliance with evidence-based treatment guidelines and best practices for severe adult and pediatric TBI in order to reduce patient mortality, improve patient level of recovery and reduce long-term care costs of the Commonwealth.)

The results and recommendations of the vendor shall be presented at a meeting of the electronic health records workgroup created pursuant to Paragraph C of Item 291 of this Act, by no later than November 1, 2020."

**Explanation:**

(This amendment eliminates \$6.8 million the first year and \$8.3 million the second year from the general provided in the introduced budget for the implementation of electronic health records for the Virginia Department of Health and local health departments. The local health department system is large and complex and the type of solution needed requires further analysis and consideration. The Virginia Department of Health shall establish and manage memorandums of understanding with qualified health care providers who will provide access to LARCs to patients whose income is below 250 percent of the federal poverty level, the Title X family planning program income eligibility requirement. Providers shall be reimbursed for the insertion and removal of LARCs at Medicaid rates. As part of the pilot program, the department, in cooperation with the Department of Medical Assistance Services and stakeholders, shall develop a plan to improve awareness and utilization of the Plan First program and include outreach efforts to refer women who have a diagnosis of substance use disorder and who seek family planning services to the Plan First program or participating providers in the pilot program.

2. In addition, the department shall collect data on the number of women served who also sought treatment for substance use disorder. 3. The Virginia Department of Health shall establish and manage memoranda of understanding with qualified health care providers who have existing contracts pursuant to paragraph F.1. of this Item or to

new ones if funding is available. Providers shall be reimbursed for the cost of the contraceptives, as provided under this paragraph, at Medicaid rates."

**Explanation:**

(This amendment restores language that was inadvertently excluded from the introduced budget related to the Long-Acting Reversible Contraception (LARC) pilot program, as included in the 2018 Appropriation Act. This language modifies the existing program to clarify that it is no longer a pilot program and in addition it provides \$1.0 million a year from the Temporary Assistance to Needy Families block grant to supplement the LARC program by allowing access to other forms of contraception. The introduced budget also included an additional \$2.0 million nongeneral fund for the program, bringing the total amount appropriated to \$5.0 million. However, the total funding level required for the program is only \$3.0 million and therefore this amendment removes \$2.0 million in excess appropriation.)

**Explanation:**

(This amendment provides \$9.8 million from the general fund and a like amount of federal Medicaid matching funds to increase reimbursement to residential psychiatric facilities. The rates paid to these facilities, not unlike other institutional providers (hospitals, nursing facilities,

**Explanation:**

(This amendment provides \$9.1 million the first year and \$9.4 million the second year from the general fund and a like amount of federal Medicaid funds to modify nursing home reimbursement. This amendment modifies nursing facility reimbursement by substituting "total days" for the current use of "Medicaid days" due to the unavailability of reliable Medicaid managed care days that is impacting the integrity of the rebasing model for nursing facilities. Total days are not disputed and would be inclusive of all Medicaid days in the fee-for-service program and CCC Plus managed care program, among some other payer days. Further, this amendment increases the peer group adjustment factors to the Maryland levels in order to account for lower cost facilities inappropriately suppressing Medicaid rates for facilities with higher costs. The second year amount assumes inflation at 2.8 percent.)

The department shall have the authority to implement this change prior to the completion of the regulatory process necessary to implement such change."

**Explanation:**

(This amendment adds \$114,419 the first year and \$228,838 the second year from the general

fund and a like amount of matching federal Medicaid funds to increase the eligibility requirement for Virginians with disabilities to participate in the Medicaid Works program to 138 percent of the federal poverty level (FPL). The current program eligibility remains at 80 percent of FPL (\$833/month) and was not adjusted when the eligibility for Medicaid was increased with Medicaid Expansion (\$1,436/month). The current initial eligibility rules at 80 percent FPL discourages individuals with disabilities from moving into employment for fear of losing their Medicaid coverage. As a result, only 52 individuals with disabilities currently participate in the program.)

**Explanation:**

(This amendment reflects savings of \$4.0 million from the general fund and \$6.1 million in federal Medicaid funds as a result of all Medicaid managed care organizations moving to a pharmacy pass-through pricing model rather than a spread pricing model consistent with Senate Bill 568, that prohibits spread pricing in the Department of Medical Assistance Services' contracts. The savings are based on a report released in December 2019 by the agency's actuary that developed the estimates based on a review of different pharmacy payment models.)

This change in definition aligns with the Medicaid Managed Care Organizations clinical efficiency requirements related to readmissions. The department shall have the authority to implement this reimbursement change effective July 1, 2020, and prior to the completion of any regulatory process undertaken in order to effect such change."

**Explanation:**

(This amendment adds language to modify the definition of hospital readmissions to change it

The Medicaid MCOs are unable to achieve these Medicaid clinical efficiencies without this policy change to bring uniformity in readmission criteria.)

**Explanation:**

(This amendment provides \$34,718 from the general fund each year and a like amount of federal Medicaid matching funds to add tobacco cessation services to the Medicaid program for adults otherwise not covered currently. The Affordable Care Act provides that individuals enrolled in Medicaid through the provisions of that act include coverage for prevention services, including tobacco cessation. (This amendment eliminates three paragraphs in the introduced budget that have been included for several years and are no longer necessary. The first paragraph directs expansion of all Medicaid services and populations into managed care, which has occurred for the most part. The remaining services and populations should only be moved into managed care if explicitly authorized by the General Assembly. The second paragraph eliminates a notification process related to submitting the § 1115 waiver related to the expansion pursuant to the Affordable Care Act. Currently the Department of Medical Assistance Services contracts with the same six managed care organizations for its two managed care programs, CCC Plus and Medallion 4.0, with separate medical loss ratios and underwriting gain provisions. This would combine these for the two managed care plans, thus mitigating the risk of losses in the CCC Plus program, which serves aged and disabled populations that are more expensive and are riskier to manage. Funding shall be made available to local departments of social services to reimburse foster care providers for increases to their existing motor vehicle insurance premiums that occur because a foster care youth in their care has been added to their insurance policy. The program may also reimburse foster care providers for additional coverage (i.e. an umbrella policy or the equivalent) that provides liability protection should a foster care youth get into or cause a catastrophic accident. Additionally, funding shall be made available to foster care youth in Virginia's Fostering Futures Program to assist in covering the cost of obtaining motor vehicle insurance. The department shall develop reimbursement policies for foster care providers and foster care youth. The department shall coordinate and administer the driver's licensing program based on best practices from similar programs in other states, to include developing educational or training materials that educate foster parents, private providers, and foster youth about (i) liability issues, insurance laws, and common insurance practices (to include laws about renewal and cancellation, how long an accident can affect premiums, how to establish that a foster youth is no longer living in the residence, and other applicable topics); (ii) DMV requirements to obtain a learner's permit and driver's license; (iii) what funding and resources are available to assist in this process, to include, paying school lab fees for "Behind the Wheel" or paying a private driving education company; and (iv) why getting a driver's license on time is important for normalcy and a successful transition to adulthood. The department shall provide information on how many foster care youth were supported by this program and any recommendations to improve the program to the Chairs of the House Appropriations and Senate Finance and Appropriations Committees by December 1, 2020."

**Explanation:**

(This amendment provides \$250,000 from the general fund each year to support the development and implementation of a statewide driver's licensing program to support foster care youth in obtaining a driver's license. Evidence indicates that youth who leave foster care without their driver's licenses are less likely to make a successful transition to adulthood. **Explanation:**

(This amendment directs the Department of Social Services to develop a plan to provide access statewide to a Kinship Navigator Program. Many kinship caregivers raise children without the supports and case management provided by local department of social services staff to children in foster care. A kinship navigator offers supports to kinship caregivers to assess needs and arrange necessary services to provide support, education, and information to caregivers to ensure that all of the kinship caregivers are aware of and have access to supportive services, such as financial benefits, therapeutic services, and training. Similar to other states, a statewide kinship navigator program would likely operate and maintain an informational and referral "warm-line", a website providing information on how to apply for benefits, including legal aid and fact sheets, and maintain a referral network in which to refer kinship caregivers to local programs in their respective localities. Currently, there are six regional kinship navigator programs that serve 33 percent of local departments of social services.)

“U.1. The Governor is hereby authorized to allocate a sum of up to \$93,455,895 the first year and up to \$133,355,949 the second year from this appropriation, to the extent necessary to offset any downward revisions of the general fund revenue estimate prepared for fiscal years 2021 and 2022, after the enactment by the General Assembly of the 2020 Appropriation Act. If within 5 days of the preliminary close of the fiscal year ending on June 30, 2020, the Comptroller's analysis does not determine that a revenue re-forecast is required pursuant to § 2.2-1503.3, Code of Virginia, then such appropriation shall be used only for employee compensation purposes as stated in paragraphs V. ,W., and X., below.

2. Furthermore, the \$122,829,871 the first year and \$193,324,094 the second year from the general fund allocated to support the state share of a three percent one-time bonus and four percent salary adjustment for SOQ funded positions authorized in Item 145 of this act shall be unallotted, if the provisions of paragraph U.1. are not met and the actions authorized in paragraphs V. and W. of this item are not effectuated.

W.1. Contingent on the provisions of paragraph U.1. above, the base salary of the following employees shall be increased by three percent on June 10, 2021:

- 2.a. Employees in the Executive Department subject to the Virginia Personnel Act shall receive the salary increases authorized in this paragraph only if they attained at least a rating of "Contributor" on their latest performance evaluation.
- b. Salary increases authorized in this paragraph for employees in the Judicial and Legislative Departments, employees of Independent agencies, and employees of the Executive Department not subject to the Virginia Personnel Act shall be consistent with the provisions of this paragraph, as determined by the appointing or governing authority. However, notwithstanding anything herein to the contrary, the governing authorities of those state institutions of higher education with employees not subject to the Virginia Personnel Act may implement salary increases for such employees that may vary based on performance and other employment-related factors. The appointing or governing authority shall certify to the Department of Human Resource Management that employees receiving the awards are performing at levels at least comparable to the eligible employees as set out in subparagraph 2.a. of this paragraph.
3. The Department of Human Resource Management shall increase the minimum and maximum salary for each band within the Commonwealth's Classified Compensation Plan by three percent on June 10, 2021. Movement through the revised pay band shall be based on employee performance.
4. Out of the amounts for Supplements to Employee Compensation is included \$104,404,956 the second year from the general fund to support the general fund portion of costs associated

a. Locally-elected constitutional officers;

b. General Registrars and members of local electoral boards;

The appropriation for such one-time bonus and compensation adjustments are contingent upon actual general fund revenues collected and accounted for in the preliminary close of the fiscal year ended June 30, 2020 not being one percent or more below the official budget estimate for FY 2020, necessitating a statutorily required revenue reforecast. Such revenue contingency is required to effectuate the three percent bonus and four percent salary adjustment for SOQ funded positions contained in a separate amendment to Item 145.)
