(This amendment modifies the quarterly meeting created to increase oversight of Medicaid expenditures as compared to the official Medicaid forecast. The language eliminates the Secretary of Administration and the Joint Commission for Health Care in order to limit the meeting to the parties with the most interest in tracking the program. The department is also required to report on the Discrete Incentive Transition Program and overall trends in managed care trends.)

Explanation:

(This amendment provides \$87,500 from the general fund and \$262,500 from federal Medicaid matching funds to support the All Payer Claims Database (APCD). House Bill 2798 and Senate Bill 1216 make participation in the APCD mandatory. This amendment allows the Department of Medical Assistance Services (DMAS) to access enhanced federal funding to support its use of the APCD. Medicaid can use enhanced federal funding at a 75 percent federal matching rate to support the maintenance and operations of the APCD. At least seven other states (Oregon, Florida, New York, Colorado, Rhode Island, Utah and New Hampshire) currently pay for a portion of the maintenance and operations of their APCD using Medicaid enhanced federal funding. Furthermore, the Centers for Medicare and Medicaid Services (CMS) has confirmed that this type of funding can be available to Virginia's APCD if DMAS submits and CMS approves an Operational Advanced Planning Document (O-APD) for the project and payments. general fund reductions taken by each Community Services Board (CSB) or Behavioral Health Authority (BHA) in fiscal year 2019 in anticipation of projected savings from the expansion of Medicaid eligibility to existing CSB clients who were previously uninsured; (ii) the actual Medicaid-generated reimbursements realized by each CSB/BHA in fiscal year 2019 as a result of the expansion of Medicaid eligibility to existing CSB clients who were previously uninsured; (iii) the state general fund reductions to be taken by each CSB/BHA in fiscal year 2020 in anticipation of projected savings from the expansion of Medicaid eligibility; and (iv) the amount of Medicaid reimbursements that each CSB/BHA would have to achieve in order to meet the anticipated general fund savings/budget reductions in fiscal year 2020, as well as any actions the Department proposes to take to address any shortfalls and to ensure continuity in the provision of services. The Department of Medical Assistance Services shall require the managed care organizations to report encounter data impacting Community Services Boards on a monthly basis, with the data submitted no later than 20 days after the end of each month in order to determine the revenue impact to fulfill the intent of this paragraph."

Explanation:

(This amendment modifies language in the introduced budget which allows the Department of Behavioral Health and Developmental Services to provide funding from special fund balances at the end of the fiscal year to CSBs in circumstances where a CSB's additional fiscal year 2019 Medicaid reimbursements do not reach at least 90 percent of the general fund reductions assumed in Chapter 2 for fiscal year 2019. Language allows that assistance to be provided prior to the end of the fiscal year so that the provision of critical services is not disrupted. The amendment also clarifies that assistance may be provided to an individual CSB rather than requiring that Medicaid reimbursements to all CSBs fall short of general fund reductions before assistance may be provided. The amendment requires the department to report to the Secretary of Finance and the Chairmen of the House Appropriations and Senate Finance Committees on how the expected general fund savings compare to actual Medicaid payments for fiscal year 2019 so that the expected general fund savings in fiscal year 2020 may be adjusted in amendments to the biennial budget during the 2020 Session of the General Assembly, if necessary.)

The report shall be submitted to the Chairmen of the House Appropriations and Senate Finance Committees."

Explanation:

(This amendment eliminates language that imposes a cap of 60 on the number of Auxiliary Grant recipients in supportive housing slots. House Bill 2017 and Senate Bill 1286 allow individuals receiving an Auxiliary Grant to select supportive housing without any requirement to make such selection. In addition, the legislation raises the cap on supportive housing slots to 90 slots and allows for up to 120 slots, if the waiting list for supportive housing for auxiliary grant recipients maintained by the Department of Behavioral Health and Developmental Services consists of 30 individuals or more on October 1, 2020. The state provides 80 percent of the funding for an Auxiliary Grant and localities provide 20 percent of the funding. No additional funding is needed to support the cost to provide an Auxiliary Grant to the additional individuals, who may select supportive housing pursuant to the legislation, because the Auxiliary Grant program expenditures continue to decline and the budget is sufficient. § 58.1-604. (Contingent expiration date) Imposition of use tax.

There is hereby levied and imposed, in addition to all other taxes and fees now imposed by law, a tax upon the use or consumption of tangible personal property in this Commonwealth, or the storage of such property outside the Commonwealth for use or consumption in this Commonwealth, in the amount of 4.3 percent:

1. Of the cost price of each item or article of tangible personal property used or consumed in this Commonwealth. Tangible personal property that has been acquired for use outside this Commonwealth and subsequently becomes subject to the tax imposed hereunder shall be taxed on the basis of its cost price if such property is brought within this Commonwealth for use within six months of its acquisition; but if so brought within this Commonwealth six months or more after its acquisition, such property shall be taxed on the basis of the current market value (but not in excess of its cost price) of such property at the time of its first use within this Commonwealth. Such tax shall be based on such proportion of the cost price or current market value as the duration of time of use within this Commonwealth bears to the total useful life of such property (but it shall be presumed in all cases that such property will remain within this Commonwealth for the remainder of its useful life unless convincing evidence is provided to the contrary).

2. Of the cost price of each item or article of tangible personal property stored outside this Commonwealth for use or consumption in this Commonwealth.

3. A transaction taxed under § 58.1-603 shall not also be taxed under this section, nor shall the same transaction be taxed more than once under either section.

4. The use tax shall not apply with respect to the use of any article of tangible personal property brought into this Commonwealth by a nonresident individual, visiting in Virginia, for his personal use, while within this Commonwealth.

~~5. (Contingent repeal date -- see note) The use tax shall not apply to out-of-state mail order catalog purchases totaling \$100 or less during any calendar year.~~

§ 58.1-604. (Contingent effective date) Imposition of use tax.

There is hereby levied and imposed, in addition to all other taxes and fees now imposed by law, a tax upon the use or consumption of tangible personal property in this Commonwealth, or the storage of such property outside the Commonwealth for use or consumption in this Commonwealth, in the amount of three and one-half percent through midnight on July 31, 2004,

and four percent beginning on and after August 1, 2004:

1. Of the cost price of each item or article of tangible personal property used or consumed in this Commonwealth. Tangible personal property which has been acquired for use outside this Commonwealth and subsequently becomes subject to the tax imposed hereunder shall be taxed on the basis of its cost price if such property is brought within this Commonwealth for use within six months of its acquisition; but if so brought within this Commonwealth six months or more after its acquisition, such property shall be taxed on the basis of the current market value (but not in excess of its cost price) of such property at the time of its first use within this Commonwealth. Such tax shall be based on such proportion of the cost price or current market value as the duration of time of use within this Commonwealth bears to the total useful life of such property (but it shall be presumed in all cases that such property will remain within this Commonwealth for the remainder of its useful life unless convincing evidence is provided to the contrary).

2. Of the cost price of each item or article of tangible personal property stored outside this Commonwealth for use or consumption in this Commonwealth.

3. A transaction taxed under § 58.1-603 shall not also be taxed under this section, nor shall the same transaction be taxed more than once under either section.

4. The use tax shall not apply with respect to the use of any article of tangible personal property brought into this Commonwealth by a nonresident individual, visiting in Virginia, for his personal use, while within this Commonwealth.

~~5. The use tax shall not apply to out-of-state mail order catalog purchases totaling \$100 or less during any calendar year.~~

§ 58.1-605. (Contingent expiration date) To what extent and under what conditions cities and counties may levy local sales taxes; collection thereof by Commonwealth and return of revenue to each city or county entitled thereto.

A. No county, city or town shall impose any local general sales or use tax or any local general retail sales or use tax except as authorized by this section.

B. The council of any city and the governing body of any county may levy a general retail sales tax at the rate of one percent to provide revenue for the general fund of such city or county. Such tax shall be added to the rate of the state sales tax imposed by §§ 58.1-603 and 58.1-604 and shall be subject to all the provisions of this chapter and the rules and regulations published with respect thereto. No discount under § 58.1-622 shall be allowed on a local sales tax.

C. 1. The council of any city and the governing body of any county desiring to impose a local sales tax under this section may do so by the adoption of an ordinance stating its purpose and referring to this section, and providing that such ordinance shall be effective on the first day of a month at least 60 days after its adoption. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption.

2. *Prior to any change in the rate of any local sales and use tax, the Tax Commissioner shall*

provide remote sellers with at least 30 days' notice. Any change in the rate of any local sales and use tax shall only become effective on the first day of a calendar quarter. Failure to provide notice pursuant to this section shall require the Commonwealth and the locality to apply the preceding effective rate until 30 days after notification is provided.

D. Any local sales tax levied under this section shall be administered and collected by the Tax Commissioner in the same manner and subject to the same penalties as provided for the state sales tax.

E. All local sales tax moneys collected by the Tax Commissioner under this section shall be paid into the state treasury to the credit of a special fund which is hereby created on the Comptroller's books under the name "Collections of Local Sales Taxes." Such local sales tax moneys shall be credited to the account of each particular city or county levying a local sales tax under this section. The basis of such credit shall be the city or county in which the sales were made as shown by the records of the Department and certified by it monthly to the Comptroller, namely, the city or county of location of each place of business of every dealer paying the tax to the Commonwealth without regard to the city or county of possible use by the purchasers. If a dealer has any place of business located in more than one political subdivision by reason of the boundary line or lines passing through such place of business, the amount of sales tax paid by such a dealer with respect to such place of business shall be treated for the purposes of this section as follows: one-half shall be assignable to each political subdivision where two are involved, one-third where three are involved, and one-fourth where four are involved.

F. As soon as practicable after the local sales tax moneys have been paid into the state treasury in any month for the preceding month, the Comptroller shall draw his warrant on the Treasurer of Virginia in the proper amount in favor of each city or county entitled to the monthly return of its local sales tax moneys, and such payments shall be charged to the account of each such city or county under the special fund created by this section. If errors are made in any such payment, or adjustments are otherwise necessary, whether attributable to refunds to taxpayers, or to some other fact, the errors shall be corrected and adjustments made in the payments for the next two months as follows: one-half of the total adjustment shall be included in the payments for the next two months. In addition, the payment shall include a refund of amounts erroneously not paid to the city or county and not previously refunded during the three years preceding the discovery of the error. A correction and adjustment in payments described in this subsection due to the misallocation of funds by the dealer shall be made within three years of the date of the payment error.

G. Such payments to counties are subject to the qualification that in any county wherein is situated any incorporated town constituting a special school district and operated as a separate school district under a town school board of three members appointed by the town council, the county treasurer shall pay into the town treasury for general governmental purposes the proper proportionate amount received by him in the ratio that the school age population of such town bears to the school age population of the entire county. If the school age population of any town constituting a separate school district is increased by the annexation of territory since the last

estimate of school age population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such estimate and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.

H. One-half of such payments to counties are subject to the further qualification, other than as set out in subsection G ~~above~~, that in any county wherein is situated any incorporated town not constituting a separate special school district which has complied with its charter provisions providing for the election of its council and mayor for a period of at least four years immediately prior to the adoption of the sales tax ordinance, the county treasurer shall pay into the town treasury of each such town for general governmental purposes the proper proportionate amount received by him in the ratio that the school age population of each such town bears to the school age population of the entire county, based on the latest estimate provided by the Weldon Cooper Center for Public Service. The preceding requirement pertaining to the time interval between compliance with election provisions and adoption of the sales tax ordinance shall not apply to a tier-city. If the school age population of any such town not constituting a separate special school district is increased by the annexation of territory or otherwise since the last estimate of school age population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such estimate and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.

I. Notwithstanding the provisions of subsection H, the board of supervisors of a county may, in its discretion, appropriate funds to any incorporated town not constituting a separate school district within such county which has not complied with the provisions of its charter relating to the elections of its council and mayor, an amount not to exceed the amount it would have received from the tax imposed by this chapter if such election had been held.

J. It is further provided that if any incorporated town which would otherwise be eligible to receive funds from the county treasurer under subsection G or H of this section be located in a county which does not levy a general retail sales tax under the provisions of this law, such town may levy a general retail sales tax at the rate of one percent to provide revenue for the general fund of the town, subject to all the provisions of this section generally applicable to cities and counties. Any tax levied under the authority of this subsection shall in no case continue to be levied on or after the effective date of a county ordinance imposing a general retail sales tax in the county within which such town is located.

§ 58.1-612. *Tax collectible from dealers; "dealer" defined; jurisdiction.*

A. The tax levied by §§ 58.1-603 and 58.1-604 shall be collectible from all persons ~~who that~~ are dealers, as ~~hereinafter~~ defined in this section, and ~~who that~~ have sufficient contact with the Commonwealth to qualify under (i) subsections ~~(+)~~ B and C or (ii) subsections B and D.

B. ~~The term "dealer," as As used in this chapter, shall include "dealer" includes every person who that:~~

4. Has sold at retail, used, consumed, distributed, or stored for use or consumption in this Commonwealth, tangible personal property and ~~who that~~ cannot prove that the tax levied by this chapter has been paid on the sale at retail, the use, consumption, distribution, or storage of such tangible personal property;

5. Leases or rents tangible personal property for a consideration, permitting the use or possession of such property without transferring title thereto;

6. Is the lessee or rentee of tangible personal property and ~~who that~~ pays to the owner of such property a consideration for the use or possession of such property without acquiring title thereto;

7. As a representative, agent, or solicitor, of an out-of-state principal, solicits, receives and accepts orders from persons in this Commonwealth for future delivery and whose principal refuses to register as a dealer under § 58.1-613; or

8. Becomes liable to and owes this Commonwealth any amount of tax imposed by this chapter, whether ~~he~~ it holds, or is required to hold, a certificate of registration under § 58.1-613.

C. A dealer shall be deemed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 if ~~he~~ it:

1. Maintains or has within this Commonwealth, directly or through an agent or subsidiary, an office, warehouse, or place of business of any nature;

2. Solicits business in this Commonwealth by employees, independent contractors, agents or other representatives;

3. Advertises in newspapers or other periodicals printed and published within this Commonwealth, on billboards or posters located in this Commonwealth, or through materials distributed in this Commonwealth by means other than the United States mail;

7. Is owned or controlled by the same interests which own or control a business located within this Commonwealth;

8. Has a franchisee or licensee operating under the same trade name in this Commonwealth if the franchisee or licensee is required to obtain a certificate of registration under § 58.1-613; ~~or~~

9. Owns tangible personal property that is for sale located in this Commonwealth, or that is rented or leased to a consumer in this Commonwealth, or offers tangible personal property, on approval, to consumers in this Commonwealth;

10. Receives more than \$100,000 in gross revenue, or other minimum amount as may be required by federal law, from retail sales in the Commonwealth in the previous or current calendar year, provided that in determining the amount of a dealer's gross revenues, the sales made by all commonly controlled persons as defined in subsection D shall be aggregated; or

11. Engages in 200 or more separate retail sales transactions, or other minimum amount as may be required by federal law, in the Commonwealth in the previous or current calendar year, provided that in determining the total number of a dealer's retail sales transactions, the sales made by all commonly controlled persons as defined in subsection D shall be aggregated.

D. A dealer is presumed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 (unless the presumption is rebutted as provided herein) if any commonly controlled person maintains a distribution center, warehouse, fulfillment center, office, or similar location within the Commonwealth that facilitates the delivery of tangible personal property sold by the dealer to its customers. The presumption in this subsection may be rebutted by demonstrating that the activities conducted by the commonly controlled person in the Commonwealth are not significantly associated with the dealer's ability to establish or maintain a market in the Commonwealth for the dealer's sales. For purposes of this subsection, a "commonly controlled person" means any person that is a member of the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of 1954, as amended or renumbered, as the dealer or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the dealer as a corporation that is a member of the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of 1954, as amended or renumbered.

E. Notwithstanding any other provision of this section, the following shall not be considered to determine whether a person ~~who~~ *that* has contracted with a commercial printer for printing in the Commonwealth is a "dealer" and whether such person has sufficient contact with the Commonwealth to be required to register under § 58.1-613:

1. The ownership or leasing by that person of tangible or intangible property located at the Virginia premises of the commercial printer which is used solely in connection with the printing contract with the person;
2. The sale by that person of property of any kind printed at and shipped or distributed from the Virginia premises of the commercial printer;
3. Activities in connection with the printing contract with the person performed by or on behalf of that person at the Virginia premises of the commercial printer; and
4. Activities in connection with the printing contract with the person performed by the commercial printer within Virginia for or on behalf of that person.

F. In addition to the jurisdictional standards contained in subsections C and D, nothing contained ~~herein~~ (*in this chapter* other than *in* subsection E) shall limit any authority ~~which~~ *that* this Commonwealth may enjoy under the provisions of federal law or an opinion of the United States Supreme Court to require the collection of sales and use taxes by any dealer ~~who~~ *that* regularly or systematically solicits sales within this Commonwealth. Furthermore, nothing contained in subsection C shall require any broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher which broadcasts, publishes, or displays or distributes paid commercial advertising in this Commonwealth which is intended to be disseminated primarily to consumers located in this Commonwealth to report or impose any liability to pay any tax imposed under this chapter solely because such broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher accepted such advertising contracts from out-of-state advertisers or sellers.

G. ~~(Contingent effective date) Pursuant to any federal legislation that grants states the authority to require remote sellers to collect sales and use tax, the Commonwealth is authorized, as permitted by such federal legislation, to require collection of sales and use tax by any remote seller, or a single or consolidated provider acting on behalf of a remote seller. If the federal legislation has an exemption for sellers whose sales are less than a minimum amount, then in determining such amount, the sales made by all persons related within the meanings of subsections (b) and (c) of § 267 or § 707(b)(1) of the Internal Revenue Code of 1986 shall be aggregated.~~

§ 58.1-612.1. *Tax collectible from marketplace facilitators; "marketplace facilitator" defined.*

A. As used in this chapter:

"Marketplace facilitator" means a person that contracts with a marketplace seller to facilitate, for consideration and regardless of whether such consideration is deducted as fees from transactions, the sale of such marketplace seller's products through a physical or electronic marketplace operated by such person. "Marketplace facilitator" does not include a payment processor business appointed by a merchant to handle payment transactions from various channels, such as credit cards and debit cards, and whose sole activity with respect to

marketplace sales is to handle transactions between two parties. "Marketplace facilitator" does not include a platform or forum that exclusively provides internet advertising services, including any advertisements that may list products for sale, so long as such platform or forum does not also engage directly or indirectly through one or more commonly controlled persons, as defined in subsection D of § 58.1-612, in the activities described in subsection C.

"Marketplace seller" means a person that is not a commonly controlled person, as defined in subsection D of § 58.1-612, to a marketplace facilitator and that makes sales through any physical or electronic marketplace operated by such marketplace facilitator, even if such seller would not have been required to collect and remit sales and use tax had the sale not been made through such marketplace.

B. The tax levied under this chapter shall be collectible from all persons that are marketplace facilitators that have sufficient contact with Virginia to require registration under subsection C.

C. A marketplace facilitator shall be deemed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 if it meets at least one requirement in each of subdivisions 1, 2, and 3:

1. It engages, either directly or indirectly, through a commonly controlled person as defined in subsection D of § 58.1-612 in any of the following activities:

a. Transmitting or communicating an offer or acceptance between a purchaser and a marketplace seller;

b. Owning or operating the infrastructure, whether electronic or physical, or technology that brings purchasers and marketplace sellers together; or

c. Providing a virtual currency that purchasers are allowed or required to use to purchase products from the marketplace seller;

2. It engages in any of the following activities with respect to a marketplace seller's products:

a. Payment processing;

b. Fulfillment or storage;

c. Listing products for sale;

d. Setting prices;

e. Branding sales as those of the marketplace facilitator; or

f. Providing customer service or accepting or assisting with returns or exchanges; and

3. It establishes economic nexus through either of the following activities:

a. Facilitating sales in Virginia that, in the aggregate, generate more than \$100,000 in gross revenue, or other minimum amount as may be required by federal law, for such marketplace facilitator. A marketplace facilitator may exceed this threshold based on sales for either the

previous or current calendar year. In determining the amount of a marketplace facilitator's gross revenues, the sales made by all commonly controlled persons, as defined in subsection D of § 58.1-612, shall be aggregated; or

b. Facilitating 200 or more separate retail sale transactions, or other minimum amount as may be required by federal law, in the Commonwealth in the previous or current calendar year. In determining the total number of retail sales transactions attributable to a marketplace facilitator, the sales made by all commonly controlled persons, as defined in subsection D of § 58.1-612, shall be aggregated.

D. 1. A marketplace facilitator shall be considered a dealer for purposes of this chapter and shall collect the tax imposed by this chapter on all transactions that it facilitates through its marketplace.

2. No marketplace seller shall collect sales and use tax on a transaction made through a marketplace facilitator's marketplace.

3. Notwithstanding the provisions of subdivisions 1 and 2, the Department shall allow for a waiver from the requirements of subdivisions 1 and 2 if a marketplace facilitator demonstrates, to the satisfaction of the Commissioner, that either (i) all of its marketplace sellers already are registered dealers under § 58.1-613 or (ii) the marketplace seller has sufficient nexus to require registration under § 58.1-613 and that collection of the tax by the marketplace facilitator for such marketplace seller would create an undue burden or hardship for either party. If such waiver is granted, the tax levied under this chapter shall be collectible from the marketplace seller. The Department shall develop guidelines that establish (a) the criteria for obtaining a waiver pursuant to this section, (b) the process and procedure for a marketplace facilitator to apply for a waiver, and (c) the process for providing notice to an affected marketplace facilitator and marketplace seller of a waiver obtained pursuant to this subdivision.

E. A marketplace facilitator shall be relieved from liability, including penalties and interest, for the incorrect collection or remittance of sales and use tax on transactions it facilitates or for which it is the seller if the error is due to reasonable reliance on (i) an invalid exemption certificate provided by the marketplace seller or the purchaser; (ii) incorrect or insufficient information provided by the Commonwealth; or (iii) incorrect or insufficient information provided by the marketplace seller or purchaser regarding the tax classification or proper sourcing of an item or transaction, provided that the marketplace facilitator can demonstrate it made a reasonable effort to obtain accurate information from the marketplace seller or purchaser. The relief from liability afforded to the marketplace facilitator pursuant to this subsection shall not exceed the total amount of tax due from the marketplace facilitator on the incorrect transaction independent of any penalties or interest that would have otherwise applied. Any deficiency resulting from incorrect information provided by the marketplace seller or as the result of an audit shall be the liability of the marketplace seller.

F. A marketplace facilitator is the sole entity subject to audit by the Department for sales and use tax collection for all transactions facilitated by the marketplace facilitator unless (i) the marketplace facilitator can demonstrate that its failure to collect the proper tax was due to

incorrect information provided by the marketplace seller or (ii) the marketplace seller is subject to a waiver granted pursuant to subdivision D 3.

G. If a marketplace facilitator lacks physical presence in the Commonwealth and has both facilitated and made direct sales into the Commonwealth, both types of sales shall be considered in determining whether it has established economic nexus.

H. When a marketplace seller that is not otherwise required to register for the collection of the tax under any of the provisions contained in subdivisions C 1 through 9 of § 58.1-612 makes both direct sales and sales on a marketplace facilitator's marketplace, only the marketplace seller's direct sales shall be considered in determining whether the marketplace seller is required to register for the collection of the tax under subdivision C 10 or 11 of § 58.1-612.

I. No class action shall be brought against a marketplace facilitator in any court of the Commonwealth on behalf of customers arising from or in any way related to an overpayment of sales and use tax collected on sales facilitated by the marketplace facilitator, regardless of whether such claim is characterized as a tax refund claim. Nothing in this subsection shall affect a customer's right to seek a refund on an individual basis.

§ 58.1-615. (Contingent expiration date) Returns by dealers.

A. Every dealer required to collect or pay the sales or use tax shall, on or before the twentieth day of the month following the month in which the tax shall become effective, transmit to the Tax Commissioner a return showing the gross sales, gross proceeds, or cost price, as the case may be, arising from all transactions taxable under this chapter during the preceding calendar month, and thereafter a like return shall be prepared and transmitted to the Tax Commissioner by every dealer on or before the twentieth day of each month, for the preceding calendar month. In the case of dealers regularly keeping books and accounts on the basis of an annual period which varies 52 to 53 weeks, the Tax Commissioner may make rules and regulations for reporting consistent with such accounting period.

Notwithstanding any other provision of this chapter, a dealer may be required by the Tax Commissioner to file sales or use tax returns on an accounting period less frequent than monthly when, in the opinion of the Tax Commissioner, the administration of the taxes imposed by this chapter would be enhanced. If a dealer is required to file other than monthly, each such return shall be due on or before the twentieth day of the month following the close of the period. Each such return shall contain all information required for monthly returns.

A sales or use tax return shall be filed by each registered dealer even though the dealer is not liable to remit to the Tax Commissioner any tax for the period covered by the return.

The Tax Commissioner shall not require that more than one sales and use tax return per month be filed with the Department by any remote seller or any software provider on behalf of such remote seller.

B. [Expired.]

C. Any return required to be filed with the Tax Commissioner under this section shall be

deemed to have been filed with the Tax Commissioner on the date that such return is delivered by the dealer to the commissioner of the revenue or the treasurer for the locality in which the dealer is located and receipt is acknowledged by the commissioner of the revenue or treasurer. The commissioner of the revenue or the treasurer shall stamp such date on the return, and shall mail the return to the Tax Commissioner no later than the following business day. The commissioner of the revenue or the treasurer may collect from the dealer the cost of postage for such mailing.

D. Every dealer ~~who~~ *that* elects to file a consolidated sales tax return for any taxable period and ~~who~~ *that* is required to remit payment by electronic funds transfer pursuant to subsection B of § 58.1-202.1 beginning on and after July 1, 2010, shall file ~~his~~ *its* monthly return using an electronic medium prescribed by the Tax Commissioner. A waiver of this requirement may be granted if the Tax Commissioner determines that it creates an unreasonable burden on the dealer.

§ 58.1-625. (Effective until July 1, 2022) Collection of tax.

A. The tax levied by this chapter shall be paid by the dealer, but the dealer shall separately state the amount of the tax and add such tax to the sales price or charge. Thereafter, such tax shall be a debt from the purchaser, consumer, or lessee to the dealer until paid and shall be recoverable at law in the same manner as other debts. No action at law or suit in equity under this chapter may be maintained in this Commonwealth by any dealer ~~who~~ *that* is not registered under § 58.1-613 or is delinquent in the payment of the taxes imposed under this chapter.

B. Notwithstanding any exemption from taxes which any dealer now or hereafter may enjoy under the Constitution or laws of this or any other state, or of the United States, such dealer shall collect such tax from the purchaser, consumer, or lessee and shall pay the same over to the Tax Commissioner as herein provided.

C. Any dealer collecting the sales or use tax on transactions exempt or not taxable under this chapter shall transmit to the Tax Commissioner such erroneously or illegally collected tax unless or until ~~he~~ *it* can affirmatively show that the tax has since been refunded to the purchaser or credited to ~~his~~ *its* account.

D. 1. Any dealer ~~who~~ *that* neglects, fails, or refuses to collect such tax upon every taxable sale, distribution, lease, or storage of tangible personal property made by ~~him~~ *it*, ~~his~~ *its* agents, or employees shall be liable for and pay the tax ~~himself~~ *itself*, and such dealer shall not thereafter be entitled to sue for or recover in this Commonwealth any part of the purchase price or rental from the purchaser until such tax is paid. Moreover, any dealer ~~who~~ *that* neglects, fails, or refuses to pay or collect the tax herein provided, either by ~~himself~~ *itself* or through ~~his~~ *its* agents or employees, ~~shall be~~ *is* guilty of a Class 1 misdemeanor.

2. *Notwithstanding subdivision 1, any remote seller or marketplace facilitator that has collected an incorrect amount of sales and use tax shall be relieved from liability for such amount, including any penalty or interest, if the error is a result of the remote seller's or marketplace facilitator's reasonable reliance on information provided by the Commonwealth.*

~~E. (Contingent effective date) Notwithstanding subsection D, any remote seller, single provider, or consolidated provider who has collected an incorrect amount of sales or use tax shall be relieved from liability for such additional amount, including any penalty or interest, if collection of the improper amount is a result of the remote seller, single provider, or consolidated provider's reasonable reliance upon information provided by the Commonwealth, including, but not limited to, any information obtained from software provided by the Department of Taxation pursuant to subsection B of § 58.1-601.~~

F. All sums collected by a dealer as required by this chapter shall be deemed to be held in trust for the Commonwealth.

F. Notwithstanding the foregoing provisions of this section, any dealer is authorized during the period of time set forth in §§ 58.1-611.2 and 58.1-611.3 or subdivision 18 of § 58.1-609.1 not to collect the tax levied by this chapter or levied under the authority granted in §§ 58.1-605 and 58.1-606 from the purchaser, and to absorb such tax ~~himself~~*itself*. A dealer electing to absorb such taxes shall be liable for payment of such taxes to the Tax Commissioner in the same manner as ~~he~~ *it* is for tax collected from a purchaser pursuant to this section.

§58.1-625. (Effective July 1, 2022) Collection of tax.

A. The tax levied by this chapter shall be paid by the dealer, but the dealer shall separately state the amount of the tax and add such tax to the sales price or charge. Thereafter, such tax shall be a debt from the purchaser, consumer, or lessee to the dealer until paid and shall be recoverable at law in the same manner as other debts. No action at law or suit in equity under this chapter may be maintained in this Commonwealth by any dealer ~~who~~ *that* is not registered under § 58.1-613 or is delinquent in the payment of the taxes imposed under this chapter.

B. Notwithstanding any exemption from taxes which any dealer now or hereafter may enjoy under the Constitution or laws of this or any other state, or of the United States, such dealer shall collect such tax from the purchaser, consumer, or lessee and shall pay the same over to the Tax Commissioner as herein provided.

C. Any dealer collecting the sales or use tax on transactions exempt or not taxable under this chapter shall transmit to the Tax Commissioner such erroneously or illegally collected tax unless or until ~~he~~ *it* can affirmatively show that the tax has since been refunded to the purchaser or credited to ~~his~~ *its* account.

D. 1. Any dealer ~~who~~ *that* neglects, fails, or refuses to collect such tax upon every taxable sale, distribution, lease, or storage of tangible personal property made by ~~him~~ *it*, ~~his~~ *its* agents, or employees shall be liable for and pay the tax ~~himself~~*itself*, and such dealer shall not thereafter be entitled to sue for or recover in this Commonwealth any part of the purchase price or rental from the purchaser until such tax is paid. Moreover, any dealer ~~who~~ *that* neglects, fails, or refuses to pay or collect the tax herein provided, either by ~~himself~~*itself* or through ~~his~~ *its* agents or employees, ~~shall be~~ *is* guilty of a Class 1 misdemeanor.

2. *Notwithstanding subdivision 1, any remote seller or marketplace facilitator that has collected an incorrect amount of sales and use tax shall be relieved from liability for such amount,*

including any penalty or interest, if the error is a result of the remote seller's or marketplace facilitator's reasonable reliance on information provided by the Commonwealth.

~~E. (Contingent effective date -- see Editor's note) Notwithstanding subsection D, any remote seller, single provider, or consolidated provider who has collected an incorrect amount of sales or use tax shall be relieved from liability for such additional amount, including any penalty or interest, if collection of the improper amount is a result of the remote seller, single provider, or consolidated provider's reasonable reliance upon information provided by the Commonwealth, including, but not limited to, any information obtained from software provided by the Department of Taxation pursuant to subsection B of § 58.1-601.~~

~~F. All sums collected by a dealer as required by this chapter shall be deemed to be held in trust for the Commonwealth.~~

~~F. Notwithstanding the foregoing provisions of this section, any dealer is authorized during the period of time set forth in § 58.1-611.2 not to collect the tax levied by this chapter or levied under the authority granted in §§ 58.1-605 and 58.1-606 from the purchaser, and to absorb such tax ~~himself~~ *itself*. § 58.1-635. (Contingent expiration date) Failure to file return; fraudulent return; civil penalties.

A. When any dealer fails to make any return and pay the full amount of the tax required by this chapter, there shall be imposed, in addition to other penalties provided herein, a specific penalty to be added to the tax in the amount of six percent if the failure is for not more than one month, with an additional six percent for each additional month, or fraction thereof, during which the failure continues, not to exceed ~~thirty~~ *30* percent in the aggregate. In no case, however, shall the penalty be less than ~~ten dollars~~ *\$10* and such minimum penalty shall apply whether or not any tax is due for the period for which such return was required. If such failure is due to providential or other good cause shown to the satisfaction of the Tax Commissioner, such return with or without remittance may be accepted exclusive of penalties. In the case of a false or fraudulent return where willful intent exists to defraud the Commonwealth of any tax due under this chapter, or in the case of a willful failure to file a return with the intent to defraud the Commonwealth of any such tax, a specific penalty of ~~thirty~~ *50* percent of the amount of the proper tax shall be assessed. All penalties and interest imposed by this chapter shall be payable by the dealer and collectible by the Tax Commissioner in the same manner as if they were a part of the tax imposed.

B. It shall be prima facie evidence of intent to defraud the Commonwealth of any tax due under this chapter when any dealer reports ~~his~~ *its* gross sales, gross proceeds or cost price, as the case may be, at ~~thirty~~ *50* percent or less of the actual amount.

C. Interest at a rate determined in accordance with § 58.1-15, shall accrue on the tax until the same is paid, or until an assessment is made, pursuant to § 58.1-15, after which interest shall accrue as provided therein.

D. Notwithstanding any other provision of this section, any remote seller or marketplace facilitator that has collected an incorrect amount of sales and use tax shall be relieved from liability for such amount, including any penalty or interest, if the error is a result of the remote seller's or marketplace facilitator's reasonable reliance on information provided by the Commonwealth.

6. That § 58.1-638 of the Code of Virginia is amended and reenacted as follows:

58.1-638. Disposition of state sales and use tax revenue.

A. The Comptroller shall designate a specific revenue code number for all the state sales and use tax revenue collected under the preceding sections of this chapter.

1. The sales and use tax revenue generated by the one-half percent sales and use tax increase enacted by the 1986 Special Session of the General Assembly shall be paid, in the manner hereinafter provided in this section, to the Transportation Trust Fund as defined in § 33.2-1524. Of the funds paid to the Transportation Trust Fund, an aggregate of 4.2 percent shall be set aside as the Commonwealth Port Fund as provided in this section; an aggregate of 2.4 percent shall be set aside as the Commonwealth Airport Fund as provided in this section; and an aggregate of 14.7 percent shall be set aside as the Commonwealth Mass Transit Fund as provided in this section. The Fund's share of such net revenue shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

2. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Port Fund.

a. The Commonwealth Port Fund shall be established on the books of the Comptroller and the funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall remain in the Fund and be credited to it. Funds may be paid to any authority, locality or commission for the purposes hereinafter specified.

b. The amounts allocated pursuant to this section shall be allocated by the Commonwealth Transportation Board to the Board of Commissioners of the Virginia Port Authority to be used to support port capital needs and the preservation of existing capital needs of all ocean, river, or tributary ports within the Commonwealth. Expenditures for such capital needs are restricted to those capital projects specified in subsection B of § 62.1-132.1.

c. Commonwealth Port Fund revenue shall be allocated by the Board of Commissioners to the Virginia Port Authority in order to foster and stimulate the flow of maritime commerce through the ports of Virginia, including but not limited to the ports of Richmond, Hopewell, and Alexandria.

3. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be part of the Transportation Trust Fund and which shall be known as the Commonwealth Airport Fund. The Commonwealth Airport Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on the funds shall be credited to the Fund. The funds so allocated shall be allocated by the Commonwealth Transportation Board to the Virginia Aviation Board. The funds shall be allocated by the Virginia Aviation Board to any Virginia airport which is owned by the Commonwealth, a governmental subdivision thereof, or a private entity to which the public has access for the purposes enumerated in § 5.1-2.16, or is owned or leased by the Metropolitan Washington Airports Authority (MWAA), as follows:

Any new funds in excess of \$12.1 million which are available for allocation by the Virginia Aviation Board from the Commonwealth Transportation Fund, shall be allocated as follows: 60 percent to MWAA, up to a maximum annual amount of \$2 million, and 40 percent to air carrier airports as provided in subdivision A 3 a. Except for adjustments due to changes in enplaned passengers, no air carrier airport sponsor, excluding MWAA, shall receive less funds identified under subdivision A 3 a than it received in fiscal year 1994-1995.

Of the remaining amount:

a. Forty percent of the funds shall be allocated to air carrier airports, except airports owned or leased by MWAA, based upon the percentage of enplanements for each airport to total enplanements at all air carrier airports, except airports owned or leased by MWAA. No air carrier airport sponsor, however, shall receive less than \$50,000 nor more than \$2 million per year from this provision.

b. Sixty percent of the funds shall be allocated as follows:

(1) For the first six months of each fiscal year, the funds shall be allocated as follows:

(a) Forty percent of the funds shall be allocated by the Aviation Board for air carrier and reliever airports on a discretionary basis, except airports owned or leased by MWAA; and

(b) Twenty percent of the funds shall be allocated by the Aviation Board for general aviation airports on a discretionary basis; and

(2) For the second six months of each fiscal year, all remaining funds shall be allocated by the Aviation Board for all eligible airports on a discretionary basis, except airports owned or leased by MAAA.

3a. There is hereby created in the Department of the Treasury a special nonreverting fund that shall be a part of the Transportation Trust Fund and that shall be known as the Commonwealth Space Flight Fund. The Commonwealth Space Flight Fund shall be established on the books of the Comptroller and the funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall remain in the Fund and be credited to it.

a. The amounts allocated to the Commonwealth Space Flight Fund pursuant to § 33.2-1526 shall be allocated by the Commonwealth Transportation Board to the Board of Directors of the Virginia Commercial Space Flight Authority to be used to support the capital needs, maintenance, and operating costs of any and all facilities owned and operated by the Virginia Commercial Space Flight Authority.

b. Commonwealth Space Flight Fund revenue shall be allocated by the Board of Directors to the Virginia Commercial Space Flight Authority in order to foster and stimulate the growth of the commercial space flight industry in Virginia.

4. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Mass Transit Fund.

a. The Commonwealth Mass Transit Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of the biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall be credited to the Fund.

b. The amounts allocated pursuant to § 33.2-1526.1 shall be used to support the operating, capital, and administrative costs of public transportation at a state share determined by the Commonwealth Transportation Board, and these amounts may be used to support the capital project costs of public transportation and ridesharing equipment, facilities, and associated costs at a state share determined by the Commonwealth Transportation Board. Capital costs may include debt service payments on local or agency transit bonds.

c. There is hereby created in the Department of the Treasury a special nonreverting fund known as the Commonwealth Transit Capital Fund. The Commonwealth Transit Capital Fund shall be part of the Commonwealth Mass Transit Fund. The Commonwealth Transit Capital Fund subaccount shall be established on the books of the Comptroller and consist of such moneys as are appropriated to it by the General Assembly and of all donations, gifts, bequests, grants, endowments, and other moneys given, bequeathed, granted, or otherwise made available to the Commonwealth Transit Capital Fund. Any funds remaining in the Commonwealth Transit Capital Fund at the end of the biennium shall not revert to the general fund, but shall remain in the Commonwealth Transit Capital Fund. Interest earned on funds within the Commonwealth Transit Capital Fund shall remain in and be credited to the Commonwealth Transit Capital

Fund. Proceeds of the Commonwealth Transit Capital Fund may be paid to any political subdivision, another public entity created by an act of the General Assembly, or a private entity as defined in § 33.2-1800 and for purposes as enumerated in subdivision 7 of § 33.2-1701 or expended by the Department of Rail and Public Transportation for the purposes specified in this subdivision. Revenues of the Commonwealth Transit Capital Fund shall be used to support capital expenditures involving the establishment, improvement, or expansion of public transportation services through specific projects approved by the Commonwealth Transportation Board. The Commonwealth Transit Capital Fund shall not be allocated without requiring a local match from the recipient.

B. The sales and use tax revenue generated by a one percent sales and use tax shall be distributed among the counties and cities of the Commonwealth in the manner provided in subsections C and D.

C. The localities' share of the net revenue distributable under this section among the counties and cities shall be apportioned by the Comptroller and distributed among them by warrants of the Comptroller drawn on the Treasurer of Virginia as soon as practicable after the close of each month during which the net revenue was received into the state treasury. The distribution of the localities' share of such net revenue shall be computed with respect to the net revenue received into the state treasury during each month, and such distribution shall be made as soon as practicable after the close of each such month.

D. The net revenue so distributable among the counties and cities shall be apportioned and distributed upon the basis of the latest yearly estimate of the population of cities and counties ages five to 19, provided by the Weldon Cooper Center for Public Service of the University of Virginia. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for persons who are domiciled in orphanages or charitable institutions or who are dependents living on any federal military or naval reservation or other federal property within the school division in which the institutions or federal military or naval reservation or other federal property is located. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for members of the military services who are under 20 years of age within the school division in which the parents or guardians of such persons legally reside. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for individuals receiving services in state hospitals, state training centers, or mental health facilities, persons who are confined in state or federal correctional institutions, or persons who attend the Virginia School for the Deaf and the Blind within the school division in which the parents or guardians of such persons legally reside. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for persons who attend institutions of higher education within the school division in which the student's parents or guardians legally reside. To such estimate, the Department of Education shall add the population of students with disabilities, ages two through four and 20 through 21, as provided to the Department of Education by school divisions. The revenue so apportionable and distributable is hereby appropriated to the several counties and cities for maintenance,

operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, which shall be considered as funds raised from local resources. In any county, however, wherein is situated any incorporated town constituting a school division, the county treasurer shall pay into the town treasury for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, the proper proportionate amount received by him in the ratio that the school population of such town bears to the school population of the entire county. If the school population of any city or of any town constituting a school division is increased by the annexation of territory since the last estimate of school population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school population of such city or town as shown by the last such estimate and a proper reduction made in the school population of the county or counties from which the annexed territory was acquired.

E. Beginning July 1, 2000, of the remaining sales and use tax revenue, the revenue generated by a two percent sales and use tax, up to an annual amount of \$13 million, collected from the sales of hunting equipment, auxiliary hunting equipment, fishing equipment, auxiliary fishing equipment, wildlife-watching equipment, and auxiliary wildlife-watching equipment in Virginia, as estimated by the most recent U.S. Department of the Interior, Fish and Wildlife Service and U.S. Department of Commerce, Bureau of the Census National Survey of Fishing, Hunting, and Wildlife-Associated Recreation, shall be paid into the Game Protection Fund established under § 29.1-101 and shall be used, in part, to defray the cost of law enforcement. Not later than 30 days after the close of each quarter, the Comptroller shall transfer to the Game Protection Fund the appropriate amount of collections to be dedicated to such Fund. At any time that the balance in the Capital Improvement Fund, established under § 29.1-101.01, is equal to or in excess of \$35 million, any portion of sales and use tax revenues that would have been transferred to the Game Protection Fund, established under § 29.1-101, in excess of the net operating expenses of the Board, after deduction of other amounts which accrue to the Board and are set aside for the Game Protection Fund, shall remain in the general fund until such time as the balance in the Capital Improvement Fund is less than \$35 million.

F. 1. Of the net revenue generated from the one-half percent increase in the rate of the state sales and use tax effective August 1, 2004, pursuant to enactments of the 2004 Special Session I of the General Assembly, the Comptroller shall transfer from the general fund of the state treasury to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund established under § 58.1-638.1 an amount equivalent to one-half of the net revenue generated from such one-half percent increase as provided in this subdivision. The transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund under this subdivision shall be for one-half of the net revenue generated (and collected in the succeeding month) from such one-half percent increase for the month of August 2004 and for each month thereafter.

2. Beginning July 1, 2013, of the remaining sales and use tax revenue, an amount equal to the revenue generated by a 0.125 percent sales and use tax shall be distributed to the Public

Education Standards of Quality/Local Real Estate Property Tax Relief Fund established under § 58.1-638.1, and be used for the state's share of Standards of Quality basic aid payments.

3. For the purposes of the Comptroller making the required transfers under subdivision 1 and 2, the Tax Commissioner shall make a written certification to the Comptroller no later than the twenty-fifth of each month certifying the sales and use tax revenues generated in the preceding month. Within three calendar days of receiving such certification, the Comptroller shall make the required transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund.

G. (Contingent expiration date — see note) Beginning July 1, 2013, of the remaining sales and use tax revenue, an amount equal to the following percentages of the revenue generated by a one-half percent sales and use tax, such as that paid to the Transportation Trust Fund as provided in subdivision A 1, shall be paid to the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530:

1. For fiscal year 2014, an amount equal to 10 percent;
2. For fiscal year 2015, an amount equal to 20 percent;
3. For fiscal year 2016, an amount equal to 30 percent; and
4. For fiscal year 2017 and thereafter, an amount equal to 35 percent.

The Highway Maintenance and Operating Fund's share of the net revenue distributable under this subsection shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

H. (Contingent expiration date — see note) 1. The additional revenue generated by increases in the state sales and use tax from Planning District 8 pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited by the Comptroller in the fund established under § 33.2-2509.

2. The additional revenue generated by increases in the state sales and use tax from Planning District 23 pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited by the Comptroller in the fund established under § 33.2-2600.

3. The additional revenue generated by increases in the state sales and use tax in any other Planning District pursuant to §§ 58.1-603.1, 58.1-604.01, 58.1-604.1, and 58.1-614 shall be deposited into special funds that shall be established by appropriate legislation.

4. The net revenues distributable under this subsection shall be computed as an estimate of the net revenue to be received by the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the appropriate funds on the last day of each month.

I. (For contingent expiration date, see Acts 2018, c. 850) The additional revenue generated by

increases in the state sales and use tax from the Historic Triangle pursuant to § 58.1-603.2 shall be deposited by the Comptroller as follows: (i) 50 percent shall be deposited into the Historic Triangle Marketing Fund established pursuant to subsection E of § 58.1-603.2; and (ii) 50 percent shall be deposited in the special fund created pursuant to subdivision D 2 of § 58.1-603.2 and distributed to the localities in which the revenues were collected. The net revenues distributable under this subsection shall be computed as an estimate of the net revenues to be received by the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the appropriate funds on the last day of each month.

J. Beginning July 1, 2020, the first \$40 million of sales and use taxes remitted by online retailers with a physical nexus established pursuant to subsection D of § 58.1-612 shall be deposited into the Major Headquarters Workforce Grant Fund established pursuant to § 59.1-284.31.

K. If errors are made in any distribution, or adjustments are otherwise necessary, the errors shall be corrected and adjustments made in the distribution for the next quarter or for subsequent quarters.

KL. The term "net revenue," as used in this section, means the gross revenue received into the general fund or the Transportation Trust Fund of the state treasury under the preceding sections of this chapter, less refunds to taxpayers."

God of many names, our Creator, our Center, our Friend, and our Companion, in our prayers for the Commonwealth of Virginia, we remember and pray for the men and women who so powerfully influence life in our great state: those who fashion our politics, those who frame and administer our laws, those who mold public opinion through all forms of media, and those who write what others read. May all accept their responsibility to You and to our Commonwealth, that all may serve the common good, by having the courage to be Your servants. It is in Your most holy and precious name I pray. Amen.

§ 46.2-697.2. Additional fees for vehicles not designed or used for transportation of passengers.

A. In addition to the fees imposed pursuant to § 46.2-697, there is hereby imposed an additional fee for the registration of all motor vehicles not designed and used for the transportation of passengers. The additional fee shall be determined per thousand pounds by the gross weight of the vehicle or combination of vehicles in the same manner as the fees imposed pursuant to § 46.2-697, as follows:

- 1. For vehicles with a gross weight of 10,001 through 15,000 pounds, \$6.00 per 1,000 pounds;*
- 2. For vehicles with a gross weight of 15,001 through 25,000 pounds, \$7.00 per 1,000 pounds;*
- 3. For vehicles with a gross weight of 25,001 through 29,000 pounds, \$9.00 per 1,000 pounds;*
- 4. For vehicles with a gross weight of 29,001 through 40,000 pounds, \$10.00 per 1,000 pounds; and*
- 5. For vehicles with a gross weight of 40,001 pounds or more, an amount equal to the per 1,000 pound rate for for-rent or for-hire vehicles for such vehicle pursuant to § 46.2-697, provided that the total rate, including any base fees charged pursuant to § 46.2-697, shall not exceed \$23.25 per 1,000 pounds.*

B. The fee imposed by this section shall not be applicable to farm motor vehicles used exclusively for farm use, as defined in § 46.2-698.

C. Beginning July 1, 2019, the fee per thousand pounds of gross weight charged pursuant to § 46.2-697 for both private carriers and for-rent or for-hire carriers shall be based on the rate schedule for for-rent or for-hire carriers.

§ 46.2-698. Fees for farm vehicles.

A. The fees for registration of farm motor vehicles having gross weights of 7,500 pounds or more, when such vehicles are used exclusively for farm use as defined in this section, shall be one-half of the fee per 1,000 pounds of gross weight for private carriers as calculated under the provisions of § 46.2-697, as in effect on January 1, 2019 and notwithstanding the provisions of subsection C of § 46.2-697.2, and one-half of the fee for overload permits under § 46.2-1128, but the annual registration fee to be paid for each farm vehicle shall not be less than \$15.

B. A farm motor vehicle is used exclusively for farm use:

1. When owned by a person who is engaged either as an owner, renter, or operator of a farm of a size reasonably requiring the use of such vehicle or vehicles and when such vehicle is:
 - a. Used in the transportation of agricultural products of the farm he is working to market, or to other points for sale or processing, or when used to transport materials, tools, equipment, or supplies which are to be used or consumed on the farm he is working, or when used for any other transportation incidental to the regular operation of such farm;
 - b. Used in transporting forest products, including forest materials originating on a farm or incident to the regular operation of a farm, to the farm he is working or transporting for any purpose forest products which originate on the farm he is working; or
 - c. Used in the transportation of farm produce, supplies, equipment, or materials to a farm not worked by him, pursuant to a mutual cooperative agreement.

2. When the nonfarm use of such motor vehicle is limited to the personal use of the owner and his immediate family in attending church or school, securing medical treatment or supplies, or securing other household or family necessities.

C. As used in this section, the term "farm" means one or more areas of land used for the production, cultivation, growing, or harvesting of agricultural products, but does not include a tree farm that is not also a nursery or Christmas tree farm, unless it is part of what otherwise is a farm. As used in this section, the term "agricultural products" means any nursery plants; Christmas trees; horticultural, viticultural, and other cultivated plants and crops; aquaculture; dairy; livestock; poultry; bee; or other farm products.

D. The first application for registration of a vehicle under this section shall be made on forms provided by the Department and shall include:

1. The location and acreage of each farm on which the vehicle to be registered is to be used;

2. The type of agricultural commodities, poultry, dairy products or livestock produced on such farms and the approximate amounts produced annually;

3. A statement, signed by the vehicle's owner, that the vehicle to be registered will only be used for one or more of the purposes specified in subsection B; and

4. Other information required by the Department.

The above information is not required for the renewal of a vehicle's registration under this section.

E. The Department shall issue appropriately designated license plates for those motor vehicles registered under this section. The manner in which such license plates are designated shall be at the discretion of the Commissioner.

F. The owner of a farm vehicle shall inform the Commissioner within 30 days or at the time of his next registration renewal, whichever comes first, when such vehicle is no longer used exclusively for farm use as defined in this section, and shall pay the appropriate registration fee for the vehicle based on its type of operation. It shall constitute a Class 2 misdemeanor to: (i) operate or to permit the operation of any farm motor vehicle for which the fee for registration and license plates is herein prescribed on any highway in the Commonwealth without first having paid the prescribed registration fee; or (ii) operate or permit the operation of any motor vehicle, registered under this section, for purposes other than as provided under subsection B; or (iii) operate as a for-hire vehicle.

G. Nothing in this section shall affect the exemptions of agricultural and horticultural vehicles under §§ 46.2-664 through 46.2-670.

H. Notwithstanding other provisions of this section, vehicles licensed under this section may be used by volunteer emergency medical services personnel and volunteer firefighters in responding to emergency calls, in reporting for regular duty, and in attending emergency medical services agency or fire company meetings and drills.

§ 46.2-702.1:1. Distribution of certain other revenues.

A. Except as provided in subsection B, net additional revenues shall be deposited as follows: (i) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or

higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net additional revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway.

B. In the case of vehicles registered under the International Registration Plan, an amount that is approximately equal to the net additional revenues attributable to such vehicles shall be deposited as follows: (i) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net additional revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net additional revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway.

C. For purposes of this section, "net additional revenues" means the additional revenues, minus any refunds or remittances required to be paid, generated by (i) the additional fee imposed pursuant to subsection A of § 46.2-697.2 and (ii) increases in the registration fees under § 46.2-697 made pursuant to subsection B of § 46.2-697.2.

B. 1. The tax shall be imposed on each gallon of fuel, other than diesel fuel, sold by a distributor to a retail dealer for retail sale in any such county or city described in subsection A at a rate of 2.1 percent of the statewide average distributor price of a gallon of unleaded regular gasoline as determined by the Commissioner pursuant to subdivision C 1. For alternative fuels other than liquid alternative fuels, the Commissioner shall determine an equivalent tax rate based on gasoline gallon equivalency.

2. The tax shall be imposed on each gallon of diesel fuel sold by a distributor to a retail dealer for retail sale in any such county or city described in subsection A at a rate of 2.1 percent of the statewide average distributor price of a gallon of diesel fuel as determined by the Commissioner pursuant to subdivision C 2.

C. 1. To determine the statewide average distributor price of a gallon of unleaded regular gasoline, the Commissioner shall use the period from June 1

through November 30, inclusive, as the base period for such determination for the immediately following period beginning January 1 and ending June 30, inclusive. The Commissioner shall use the period from December 1 through May 31, inclusive, as the base period for the determination of the rate of tax for the immediately following period beginning July 1 and ending December 31, inclusive. In no case shall the statewide average distributor price of a gallon of unleaded regular gasoline determined for purposes of this section be less than the statewide average wholesale price of a gallon of unleaded regular gasoline on February 20, 2013, plus a distributor charge calculated by the Commissioner for that date.

2. To determine the statewide average distributor price of a gallon of diesel fuel, the Commissioner shall use the period from June 1 through November 30, inclusive, as the base period for such determination for the immediately following period beginning January 1 and ending June 30, inclusive. D. The tax levied under this section shall be imposed at the time of sale by the distributor to the retail dealer:

E. The tax imposed by this section shall be paid by the distributor, but the distributor shall separately state the amount of the tax and add such tax to the price or charge. Thereafter, such tax shall be debt from the retail dealer to the distributor until paid and shall be recoverable at law in the same manner as other debts. No action at law or suit in equity under this chapter shall be maintained in the Commonwealth by any distributor who is not registered under § 58.1-2299.2 or is delinquent in the payment of taxes imposed under this chapter:

F. Nothing in this section shall be construed to exempt the imposition and remittance of tax pursuant to this section in a sale to a retail dealer in which the distributor and the retail dealer are the same person.

G. Notwithstanding any other provision of law, no tax shall be imposed by the provisions of subdivision A 2 of § 58.1-2295 on any fuel upon which a tax is paid pursuant to this section.

§ 58.1-2701. Amount of tax.

A. Except as provided in subsection ~~B~~ C, every motor carrier shall pay a road tax per gallon equivalent to the cents per gallon credit for diesel fuel as determined under subsection A of § 58.1-2706 for the relevant period plus an additional ~~\$0.035~~ amount per gallon, as determined by subsection B, calculated on the amount of motor fuel, diesel fuel or liquefied gases (which would not exist as liquids at a temperature of 60 degrees Fahrenheit and a pressure of 14.7 pounds per square inch absolute), used in its operations within the Commonwealth.

The tax imposed by this chapter shall be in addition to all other taxes of whatever character imposed on a motor carrier by any other provision of law.

B. The additional amount per gallon shall be determined by the Commissioner annually, effective July 1 of each year. On July 1, 2019, the additional amount per gallon shall be calculated by multiplying the average fuel economy by \$0.01125. On July 1, 2020, and each July 1 thereafter, the additional amount per gallon shall be calculated by multiplying the average fuel economy by \$0.0225. The additional amount per gallon shall be rounded to the nearest one-tenth of a cent. For purposes of this subsection, "average fuel economy" shall be calculated by dividing the total taxable miles driven in the Commonwealth by the total taxable gallons of fuel consumed in the Commonwealth, as reported in IFTA returns in the preceding taxable year.

C. In lieu of the tax imposed in subsection A, motor carriers registering qualified highway vehicles that are not registered under the International Registration Plan shall pay a fee of \$150 per year for each qualified highway vehicle regardless of whether such vehicle will be included on the motor carrier’s IFTA return. *For the period of July 1, 2019, through June 30, 2020, the fee shall be adjusted based on the percent change in the road tax imposed pursuant to subsection A from June 30, 2019, to July 1, 2019. The Commissioner shall adjust the fee annually on July 1 of every year thereafter based on the percentage change in the road tax imposed pursuant to subsection A for the previous fiscal year as compared to the current fiscal year.* The fee is due and payable when the vehicle registration fees are paid pursuant to the provisions of Article 7 (§ 46.2-685 et seq.) of Chapter 6 of Title 46.2.

If a vehicle becomes a qualified highway vehicle before the end of its registration period, the fee due at the time the vehicle becomes a qualified highway vehicle shall be prorated monthly to the registration expiration month. Fees paid under this subsection shall not be refunded unless a full refund of the registration fee paid is authorized by law.

~~C. All~~-D. 1. *Except as provided in subdivision 2, all taxes and fees paid under the provisions of this chapter shall be credited to the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530, a special fund within the Commonwealth Transportation Fund.*

2. *The net additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly shall be deposited as follows: (i) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway. For purposes of this subdivision, “net additional revenues” means the additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly, minus any refunds or remittances required to be paid.*

That the provisions of this act that generate additional revenue through state taxes or fees for transportation throughout the Commonwealth and in Planning Districts 3, 4, 5, 6, and 7 shall expire on December 31 of any year in which the General Assembly appropriates or transfers any of such additional revenues for any non-transportation-related purpose or transfers any of such additional revenues that are to be deposited into the Commonwealth Transportation Fund or any subfund thereof pursuant to general law for a non-transportation-related purpose. SENATE BILLS VETOED BY THE GOVERNOR

Senator Norment moved that the questions on passing in the enrolled form, notwithstanding the objections of the Governor, the Senate bills that follow be considered en bloc:

S.B. 1038 (one thousand thirty-eight).

S.B. 1150 (one thousand one hundred fifty).

S.B. 1251 (one thousand two hundred fifty-one).

S.B. 1782 (one thousand seven hundred eighty-two).

The motion was agreed to.

S.B. 1038 (one thousand thirty-eight) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 22, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1038. Senate Bill 1038 would require the automatic denial of voter registration applications from certain eligible Virginians solely due to an error in a federal database or other databases.

This legislation would violate Article II, Section 1 of the Virginia Constitution by injecting additional requirements Virginians have to satisfy in order to be eligible to vote in the Commonwealth. The federal Voting Rights Act expressly prohibits denying applications for reasons that are not material to

determining voter eligibility. Requiring 133 individual general registrars to implement a flawed application denial process will only increase the likelihood of disenfranchisement of eligible voters. The constitutional right to vote should not be undermined by human error such as data entry mistakes or typos.

The right to vote is fundamental to the strength of our democracy, and at every opportunity, Virginia must strongly depart from its history of mounting obstacles to the voting booth. Additionally, the implementation of this legislation would stretch the limited resources of local and state elections officials.

Requiring general registrars to deny applications from potentially eligible Virginians would disenfranchise Virginians, violate Virginia's Constitution and federal law, and be an unfunded mandate on our cities and counties.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

The reading of the communication was waived.

S.B. 1150 (one thousand one hundred fifty) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 26, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1150. This bill prohibits magistrates from issuing misdemeanor arrest warrants against law enforcement officers without prior consent from the attorney for the Commonwealth or the local law enforcement agency if the alleged offense is related to the officer's official duties.

Virginia holds its law enforcement officers to high standards through mandated training and a rigorous certification process, and as a result, our Commonwealth enjoys professional law enforcement agencies and officers. Police divisions across the Commonwealth strive to build and maintain public trust by protecting and engaging with their communities. Building and maintaining public trust also requires that citizens feel they are able to hold police officers accountable if the law has been violated.

Senate Bill 1150 prohibits Virginia's magistrates from issuing misdemeanor arrest warrants against law enforcement officers unless the complainant is a law enforcement or animal control officer, or the attorney for the Commonwealth has given prior approval. We rely on our magistrates to use their judgment in issuing other warrants - there is no reason to treat cases involving law enforcement officers differently.

This bill would prevent citizens from holding law enforcement officers accountable and unnecessarily limits the authority of our magistrates.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

The reading of the communication was waived.

S.B. 1251 (one thousand two hundred fifty-one) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 21, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1251, which would permit the sale and possession of switchblade knives by a manufacturer or distributor in Virginia.

The Virginia General Assembly has deemed switchblade knives to be so dangerous that they have prohibited their sale or distribution in the Commonwealth. This bill would permit manufacturers and distributors in Virginia to possess these dangerous weapons for sale out of state. If switchblade knives are too dangerous to be sold in Virginia, we should not facilitate their sale and distribution in other states.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

The reading of the communication was waived.

S.B. 1782 (one thousand seven hundred eighty-two) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 25, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1782, which would prohibit individuals convicted of certain felonies from qualifying to be a notary public even if such person's rights have been restored.

When a person convicted of a felony has served his or her sentence, that individual has paid his or her debt to society. This bill would impose a permanent penalty on certain individuals by barring them from becoming a notary public, a civil right that, currently, is explicitly restored. Furthermore, this prohibition would exist without any avenue for a person to regain their ability to become a notary public. This lifetime punishment undermines the significance and meaning of having one's rights restored.

Being qualified to act as a notary public can be essential to a person's profession and is a prerequisite for certain jobs. Losing the ability to earn a living in these careers only continues to punish an individual who has served his or her time and had his or her rights restored. Furthermore, this bill unfairly hurts the livelihood of former Virginia felons who currently work as notaries public and are positively contributing to society.

Permanently prohibiting a person from exercising a civil right without a process to fully regain that right is antithetical to the concept of restorative justice and the belief that returning citizens deserve a second chance.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

The reading of the communication was waived.

Senator Norment moved that the following Senate bills be passed en bloc in the enrolled form, notwithstanding the objections of the Governor:

- S.B. 1251** (one thousand two hundred fifty-one).

PARLIAMENTARY INQUIRY

Senator Petersen propounded a parliamentary inquiry as to what vote would a Senator cast who wished to override the Governor's vetoes on **S.B. 1038**, **S.B. 1150**, **S.B. 1251**, and **S.B. 1782**.

The Chair stated that a Senator who wished to override the Governor's vetoes would vote yea on the question: "Shall **S.B. 1038**, **S.B. 1150**, **S.B. 1251**, and **S.B. 1782** be passed in the enrolled form, notwithstanding the objections of the Governor?"

The question was put on passing the following Senate bills en bloc in the enrolled form, notwithstanding the objections of the Governor:

- S.B. 1038** (one thousand thirty-eight).
- S.B. 1150** (one thousand one hundred fifty).
- S.B. 1251** (one thousand two hundred fifty-one).
- S.B. 1782** (one thousand seven hundred eighty-two).

The following Senate bills failed to pass en bloc in the enrolled form, notwithstanding the objections of the Governor, having failed to receive the necessary affirmative votes required by Article V, Section 6, of the Constitution:

- S.B. 1038** (one thousand thirty-eight).

S.B. 1027 (one thousand twenty-seven) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

March 22, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1027, which would direct the Commissioner of Insurance to request federal permission for insurance carriers to offer catastrophic plans to all individuals purchasing coverage through the Marketplace.

This legislation would place consumers at risk of being underinsured and would fragment Virginia's federal marketplace risk pool, leading to rapidly increasing premiums. Senate Bill 1027 would allow insurance carriers and individuals to circumvent the protections in the Affordable Care Act. Under current law, catastrophic plans are only available for individuals who are younger than 30 years of age and individuals who qualify for a hardship or affordability exemption. Catastrophic plans typically have lower premiums because they require individuals to very high deductibles before the plan pays for health care costs. Many individuals enrolled in a catastrophic health plan may forego medical services because of cost. Individuals with minimal health care needs are more likely to purchase these threadbare plans, leaving individuals with more complex medical conditions in traditional marketplace plans. This adverse selection would likely contribute to an increase in Virginia marketplace premiums across the board.

Virginia took a positive step to increase the availability of quality, affordable, and comprehensive health care coverage through Medicaid expansion for individuals whose income is lower than 138% of the Federal Poverty Line. Our responsibility now is to look at solutions such as those proposed by the Market Stability Workgroup in order to improve affordability across the Commonwealth's health insurance markets. Senate Bill 1027 would undermine those efforts.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

S.B. 1156 (one thousand one hundred fifty-six) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 19, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, and after consulting with law enforcement and local stakeholder groups, I veto Senate Bill 1156, which imposes an unnecessary and divisive requirement upon localities regarding the enforcement of federal immigration laws.

This legislation would force local law enforcement agencies to use precious resources to perform functions that are the responsibility of federal immigration enforcement agencies. It also sends a chilling message to communities across Virginia that could have negative impacts on public safety.

Localities have the right to determine whether to expend the resources and voluntarily enter into an agreement with the United States Immigration and Customs Enforcement Agency. Police divisions across the Commonwealth have a long tradition of engaging in community policing strategies, and many have determined that it is more important to develop a relationship with immigrant communities in order to keep safe all of those who live within the locality. This legislation would strip localities of that autonomy, and force them to divert money and manpower away from their core public safety functions.

Were it to become law, this bill would send a clear message to people across this Commonwealth that state and local law enforcement officials are to be feared and avoided rather than trusted and engaged. The safety of our communities requires that all people, whether they are documented or not, feel comfortable reporting criminal activity and cooperating with local law enforcement investigations. This bill would make it harder for the men and women who keep us safe to do their jobs.

There are many actions we can take to support law enforcement and keep Virginians safe. Placing new unfunded mandates on state and local public safety agencies in order to make a political point is not one of them.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

RULE 36--0.

S.B. 1240 (one thousand two hundred forty) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 22, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1240. This bill would authorize health insurance carriers in the Commonwealth to offer short-term, limited-duration health plans that last up to 12 months and are renewable for up to 36 months.

This legislation undermines an individual's right to quality, affordable, and comprehensive health care coverage. This would result in many Virginians being underinsured. Short-term, limited-duration plans are allowed to discriminate against individuals with pre-existing conditions, impose lifetime and annual caps, and are not required to provide essential health benefits. A typical short-term policy does not cover maternity care, prescription drugs, or mental health care. Additionally, individuals shifting out of their respective markets into short-term, limited-duration plans are expected to be healthier than average, fueling adverse selection that would increase premiums, negatively impact insurer competition, and destabilize the individual market.

Virginia took a positive step to increase the availability of quality, affordable, and comprehensive health care coverage through Medicaid expansion for individuals whose income is lower than 138% of the Federal Poverty Line. Our responsibility now is to look at solutions such as those proposed by the Market Stability Workgroup in order to improve affordability across the Commonwealth's health insurance markets. S.B. 1674 (one thousand six hundred seventy-four) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

March 22, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1674. This bill would authorize health insurance carriers in the Commonwealth that offer short-term, limited-duration health plans to offer a guaranteed option for a covered individual to purchase a new plan at a future date without re-underwriting.

This legislation undermines an individual's right to quality, affordable, and comprehensive health care coverage and would result in many Virginians being underinsured. Short-term, limited-duration plans are allowed to discriminate against individuals with pre-existing conditions, impose lifetime and annual caps, and are not required to provide essential health benefits. B. The fee imposed by this section shall not be applicable to farm motor vehicles used exclusively for farm use, as defined in § 46.2-698.

C. Beginning July 1, 2019, the fee per thousand pounds of gross weight charged pursuant to § 46.2-697 for both private carriers and for-rent or for-hire carriers shall be based on the rate schedule for for-rent or for-hire carriers.

2. When the nonfarm use of such motor vehicle is limited to the personal use of the owner and his immediate family in attending church or school, securing medical treatment or supplies, or securing other household or family necessities.

C. As used in this section, the term "farm" means one or more areas of land used for the production, cultivation, growing, or harvesting of agricultural products, but does not include a tree farm that is not also a nursery or Christmas tree farm, unless it is part of what otherwise is a farm. § 58.1-2295.1. Levy of tax in Interstate 81 Corridor; payment of tax.

A. In addition to all other taxes now imposed by law, there is hereby imposed a tax upon every distributor who engages in the business of selling fuels at wholesale to retail dealers for retail sale in any county or city in Planning District 3, 4, 5, 6, or 7, as established pursuant to Chapter 42 (§ 15.2-4200 et seq.) of Title 15.2.

B. 1. The tax shall be imposed on each gallon of fuel, other than diesel fuel, sold by a distributor to a retail dealer for retail sale in any such county or city described in subsection A at a rate of 2.1 percent of the statewide average distributor price of a gallon of unleaded regular gasoline as determined by the Commissioner pursuant to subdivision C 1. For alternative fuels other than liquid alternative fuels, the Commissioner shall determine an equivalent tax rate based on gasoline gallon equivalency.

2. The tax shall be imposed on each gallon of diesel fuel sold by a distributor to a retail dealer for retail sale in any such county or city described in subsection A at a rate of 2.1 percent of the statewide average distributor price of a gallon of diesel fuel as determined by the Commissioner pursuant to subdivision C 2.

C. 1. To determine the statewide average distributor price of a gallon of unleaded regular gasoline, the Commissioner shall use the period from June 1 through November 30, inclusive, as the base period for such determination for the immediately following period beginning January 1 and ending June 30, inclusive. The Commissioner shall use the period from December 1 through May 31, inclusive, as the base period for the determination of the rate of tax for the immediately following period beginning July 1 and ending December 31, inclusive. In no case shall the statewide average distributor price of a gallon of unleaded regular gasoline determined for purposes of this section be less than the statewide average wholesale price of a gallon of unleaded regular gasoline on February 20, 2013, plus a distributor charge calculated by the Commissioner for that date.

2. To determine the statewide average distributor price of a gallon of diesel fuel, the Commissioner shall use the period from June 1 through November 30, inclusive, as the base period for such determination for the immediately following period beginning January 1 and ending June 30, inclusive. The Commissioner shall use the period from December 1 through May 31, inclusive, as the base period for the determination of the rate of tax for the immediately following period beginning July 1 and ending December 31, inclusive. In no case shall the statewide average distributor price of a gallon of diesel fuel determined for purposes of this section be less than the statewide average wholesale price of a gallon of diesel fuel on February 20, 2013, plus a distributor charge calculated by the Commissioner for that date.

D. The tax levied under this section shall be imposed at the time of sale by the distributor to the retail dealer:

E. The tax imposed by this section shall be paid by the distributor, but the distributor shall separately state the amount of the tax and add such tax to the price or charge. Thereafter, such tax shall be debt from the retail dealer to the distributor until paid and shall be recoverable at law in the same manner as other debts. No action at law or suit in equity under this chapter shall be maintained in the Commonwealth by any distributor who is not registered under § 58.1-2299.2 or is delinquent in the payment of taxes imposed under this chapter.

F. Nothing in this section shall be construed to exempt the imposition and remittance of tax pursuant to this section in a sale to a retail dealer in which the distributor and the retail dealer are the same person.

G. Notwithstanding any other provision of law, no tax shall be imposed by the provisions of subdivision A 2 of § 58.1-2295 on any fuel upon which a tax is paid pursuant to this section.

§ 58.1-2299.20. (Contingent expiration date) Disposition of tax revenues.

All taxes, interest, and civil penalties paid to the Commissioner pursuant to this chapter for the sale of fuels at wholesale to retail dealers for retail sale in any county or city set forth in clause (i) of subdivision A 1 of § 58.1-2295, after subtraction of the direct costs of administration by the Department, shall be deposited each month as follows:

1. One-twelfth of an amount determined by multiplying \$15 million by a fraction, the numerator of which shall be such transportation district's share of funding for the commuter rail service jointly operated by the two transportation districts and the denominator of which shall be the total funding share for such commuter rail service, shall be deposited in the Commuter Rail Operating and Capital Fund established pursuant to § 33.2-3500;

2. a. Until June 30, 2019, an amount equal to the increase in taxes, interest, and civil penalties paid to the Commissioner each month, compared with the same month for fiscal year 2018, minus any amounts deposited pursuant to subdivision 1, shall be deposited into the Washington Metropolitan Area Transit Capital Fund established pursuant to § 33.2-3401; and

3. All remaining funds shall be deposited in a special fund entitled the "Special Fund Account of the Transportation District of ____." The amounts deposited in the special fund shall be distributed monthly to the applicable transportation district commission of which the county or city is a member to be applied to the operating deficit, capital, and debt service of the mass transit system of such district or, in the case of a transportation district subject to the provisions of subsection C of § 33.2-1915, to be applied to and expended for any transportation purpose of such district. § 58.1-2701. Amount of tax.

~~A.~~ *Except as provided in subsection ~~B~~ C, every motor carrier shall pay a road tax per gallon equivalent to the cents per gallon credit for diesel fuel as determined under subsection A of § 58.1-2706 for the relevant period plus an additional ~~\$0.035~~ amount per gallon, as determined by subsection B, calculated on the amount of motor fuel, diesel fuel or liquefied gases (which would not exist as liquids at a temperature of 60 degrees Fahrenheit and a pressure of 14.7 pounds per square inch absolute), used in its operations within the Commonwealth.*

The tax imposed by this chapter shall be in addition to all other taxes of whatever character imposed on a motor carrier by any other provision of law.

B. The additional amount per gallon shall be determined by the Commissioner annually, effective July 1 of each year. On July 1, 2019, the additional amount per gallon shall be calculated by multiplying the average fuel economy by \$0.01125. On July 1, 2020, and each July 1 thereafter, the additional amount per gallon shall be calculated by multiplying the average fuel economy by \$0.0225.

The additional amount per gallon shall be rounded to the nearest one-tenth of a cent. For purposes of this subsection, "average fuel economy" shall be calculated by dividing the total taxable miles driven in the Commonwealth by the total taxable gallons of fuel consumed in the Commonwealth, as reported in IFTA returns in the preceding taxable year.

C. In lieu of the tax imposed in subsection A, motor carriers registering qualified highway vehicles that are not registered under the International Registration Plan shall pay a fee of \$150 per year for each qualified highway vehicle regardless of whether such vehicle will be included on the motor carrier's IFTA return. *For the period of July 1, 2019, through June 30, 2020, the fee shall be adjusted based on the percent change in the road tax imposed pursuant to subsection A from June 30, 2019, to July 1, 2019. The Commissioner shall adjust the fee annually on July 1 of every year thereafter based on the percentage change in the road tax imposed pursuant to subsection A for the previous fiscal year as compared to the current fiscal year.* The fee is due and payable when the vehicle registration fees are paid pursuant to the provisions of Article 7 (§ 46.2-685 et seq.) of Chapter 6 of Title 46.2.

If a vehicle becomes a qualified highway vehicle before the end of its registration period, the fee due at the time the vehicle becomes a qualified highway vehicle shall be prorated monthly to the registration expiration month. Fees paid under this subsection shall not be refunded unless a full refund of the registration fee paid is authorized by law.

~~C. All~~-D. 1. *Except as provided in subdivision 2, all taxes and fees paid under the provisions of this chapter shall be credited to the Highway Maintenance and Operating Fund established pursuant to § 33.2-1530, a special fund within the Commonwealth Transportation Fund.*

2. *The net additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly shall be deposited as follows: (i) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on Interstate 81 by vehicles classified as Class 6 or higher by the Federal Highway Administration to the total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Interstate 81 Corridor Improvement Fund established pursuant to § 33.2-3601; (ii) an amount equal to such net revenues multiplied by a ratio of the vehicle miles traveled on the portion of interstate highways located within the boundaries of Planning District 8 by vehicles classified as Class 6 or higher by the Federal Highway Administration to total vehicle miles traveled on all interstate highways in the Commonwealth by vehicles classified as Class 6 or higher by the Federal Highway Administration into the Northern Virginia Transportation Authority Fund established pursuant to § 33.2-2509; and (iii) all remaining net revenues to the Commonwealth Transportation Board for use for operational improvements and other enhancements to improve the safety and reliability of, and travel flow along, interstate highway corridors in the Commonwealth. The Board shall ensure that for any interstate highway with more than 10 percent of total interstate truck vehicle miles traveled that the total long-term expenditure for each such interstate highway is approximately equal to the proportional revenue subject to clause (iii) that is attributable to such interstate highway. For purposes of this subdivision, "net additional revenues" means the additional revenues generated by this section pursuant to enactments of the 2019 Session of the General Assembly, minus any refunds or remittances required to be paid.*

COMMONWEALTH OF VIRGINIA

March 26, 2019

TO: HOUSE OF DELEGATES

HOUSE BILL NO. 1700

I approve the general purpose of this bill, but I am returning it with a request for the adoption of 40 amendments. Although the enrolled bill achieves many of the major objectives I have proposed, I am returning it with amendments to address concerns that I have either noted previously or that have been brought to my attention since your passage of the budget.

A strong economy and changes in federal tax policy presented us with a unique opportunity this year. I am grateful to each member of the House of Delegates and the Senate of Virginia for your dedicated work and your timely passage of the budget. I am pleased that the budget you returned to me reflects many of the initiatives I proposed in the introduced budget.

When I introduced the budget in December, my priorities were threefold: invest in the long-term success of the Commonwealth, provide targeted tax relief to Virginians, and continue to build our cash reserves. I am pleased that the General Assembly has subscribed to these guiding principles.

On the investment side, it is heartening to see that you supported my proposal to provide our teachers with a five percent salary increase and that we are able to identify additional funding for school counselors and our most at-risk students. I appreciate that we agreed to provide additional funding for financial aid for students at our higher education institutions. We also agreed to make a significant investment in expanding broadband access and prioritizing affordable housing and housing stability.

However, I believe we can and should do more in a few key areas. First, I am again proposing \$1.5 million to ensure that each person in Virginia is counted in the upcoming census. An accurate census count is critical to guaranteeing the Commonwealth receives all of the federal funding we are due. Second, I am proposing an additional \$4 million for the Virginia Housing Trust Fund, a critical tool in addressing affordable housing in the Commonwealth. Third, I am proposing funding to enhance the efforts of our Department of Small Business and Supplier Diversity to ensure that small, woman-owned, and minority-owned businesses receive needed support and the chance to successfully compete for procurement opportunities in the Commonwealth.

Finally, I am proposing \$315 million in bond authorization to replace Central State Hospital – this is a need that has been long overlooked and that we are long overdue in addressing.

While we were able to agree on an approach to provide tax relief to Virginians, I believe there is more we can do. I am proposing an amendment that will provide an additional \$17.7 million in tax relief from the Taxpayer Relief Fund to approximately 150,000 hard-working Virginians. This will be done by allowing taxpayers to receive a refund, even if they have received tax credits.

The significant infusion into our cash reserves demonstrates sound fiscal management, and will help ensure that the Commonwealth has the resources to address potential impacts of a slowing or even negative economy that we could face in the future.

I am proposing several language-only amendments that undo restrictions the General Assembly has placed on the use of state funding. Two amendments reverse the unnecessary restriction of state funds for critical healthcare currently provided to Virginia women. Two amendments remove language that would restrict the Commonwealth's ability to join and use proceeds from the Regional Greenhouse Gas Initiative, an important way for us to address the negative effects of climate change.

Finally, I have proposed a language amendment that eliminates the unfair practice of revoking a person's driver's license for failure to pay court fines and fees. This action will help over 600,000 Virginians.

Of the 40 amendments that I am proposing, 12 change spending, 27 are language-only changes, and one increases the available resources. The additional spending is covered in part by using a portion of the unappropriated balance presented to me, a savings in one amendment, and from the normal release of liabilities from prior natural disasters.

The net result of the changes in spending and resources I am recommending would decrease the unappropriated balance from \$7.6 million to \$5.2 million.

Sincerely,

/s/ Ralph S. Northam

“2. Following the transfers authorized in paragraph F.1. of this section in the second year, the State Comptroller shall transfer \$2,787,795 back to the Department of Motor Vehicles to replace the anticipated loss of driving privilege reinstatement fee revenue.”

Explanation:

(This amendment accounts for an anticipated loss of \$2.8 million in revenue to the Department of Motor Vehicles (DMV) due to the removal of driver’s license reinstatement fees in a companion amendment in Section 3-6.03. The introduced budget accounted for this loss of revenue by reducing the amount of DMV revenues transferred to the general fund through indirect cost recoveries in FY2020. This adjustment, though, failed to fully free up \$2.8 million of DMV revenues, as language in Item 439 K. allows DMV to distribute a portion of its indirect cost recoveries charges to other state agencies when the charges arise from revenue collection activities for those agencies. Therefore, the benefit to DMV would have been only \$750,998, with six other agencies receiving a portion of the remaining \$2 million. The adjustments proposed in this amendment ensure that DMV will have \$2.8 million in additional revenues to offset any loss of driver’s license reinstatement fee revenue. This amendment is technical in that it does not impact the bottom line of the budget since the impact was already anticipated in the introduced and enrolled budgets.)

Explanation:

(This amendment clarifies that revenue amounts transferred to the Taxpayer Relief Fund shall not be included in the calculations involved in determining required deposits to the Water Quality Improvement Fund and the Revenue Reserve Fund.)

Explanation:

(This amendment clarifies the calculation of revenues to be transferred to the Taxpayer Relief Fund, so that such calculation excludes revenues generated as the result of deconforming from the federal suspension of the Pease limitation (§ 58.1-301 B.5, Code of Virginia), which are already assumed in the revenues included in the enrolled budget bill and are appropriated for other purposes.)

Any tax credits an individual or married persons filing a joint return are entitled to pursuant to Chapter 3 (§ 58.1-300 et seq.) of Title 58.1 of the Code of Virginia shall not be accounted for in determining whether such individual or married persons are allowed such refund.”

The Commissioner of the Department of Motor Vehicles shall reinstate a person’s privilege to drive a motor vehicle that was suspended prior to July 1, 2019, solely pursuant to § 46.2-395 of the Code of Virginia and shall waive all fees relating to reinstating such person’s driving privileges. Nothing herein shall require the Commissioner to reinstate a person’s driving privileges if such privileges have been otherwise lawfully suspended or revoked or if such person is otherwise ineligible for a driver’s license.”

Explanation:

(This amendment eliminates the driver’s license reinstatement fee transfer to the Trauma Fund and eliminates the loss of driving privileges to individuals who have only failed to pay fines, court costs, forfeitures, restitution or penalties assessed against them. The Department of Motor Vehicles also shall not charge a driver’s license reinstatement fee to these individuals. This initiative will help individuals that require a vehicle to gain a job, allowing them to earn money to repay any obligations they owe. **SENATE BILLS VETOED BY THE GOVERNOR
SUBSEQUENT TO ADJOURNMENT SINE DIE**

S.B. 1087 (one thousand eighty-seven), subsequent to adjournment sine die of the Reconvened Session of the 2019 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

April 29, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1087. This legislation authorizes the General Assembly to change legislative district boundaries outside of the decennial redistricting process, in order to conform boundaries of legislative districts to the boundaries of local voting precincts.

This bill violates Article II, Section 6 of the Constitution of Virginia, which states: "The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter." This bill would allow the General Assembly to reapportion at any time of its choosing, regardless of the Constitutional mandate. This would jeopardize Virginians' constitutional right to equal apportionment.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

S.B. 1455 (one thousand four hundred fifty-five), subsequent to adjournment sine die of the Reconvened Session of the 2019 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

April 29, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1455. Senate Bill 1455 would increase the membership of the Board of Elections (Board) from three to five members and gives the Board, rather than the Governor, the power to appoint the Commissioner of Elections.

This legislation creates a structure that sets up the Board and the Department of Elections for potential challenges. This legislation seeks to adopt a board structure similar to the Federal Election Commission (FEC), an entity faced with dysfunction in recent years. The FEC appointees' inability to come to a consensus has meant failure to fill key leadership positions. This legislation would also hinder the Governor's ability to appoint the leadership of an executive branch agency by requiring that four out of five Board members agree on a Commissioner of Elections. This could lead to delays or a lack of appointment all together. In a state that has an election every few months, it is imperative that Virginia's electoral system have steady leadership.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

S.B. 1579 (one thousand five hundred seventy-nine), subsequent to adjournment sine die of the Reconvened Session of the 2019 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

April 29, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1579, which would establish criteria in the Code of Virginia by which congressional and state legislative districts must be drawn.

While I support codifying criteria that would be followed when drawing legislative districts, this legislation excludes criteria that are essential to fair electoral maps. Any criteria for redistricting must prohibit districts from being drawn to restrict or deny the ability of any racial or ethnic minority to participate in the political process and elect a preferred candidate. The criteria should also prohibit districts that favor or disfavor any political party, incumbent legislator, member of Congress, or individual or entity.

This legislation does not go far enough in establishing criteria that would ensure a fair electoral process for Virginia citizens.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

S.B. 1047 (one thousand forty-seven), subsequent to adjournment sine die of the Reconvened Session of the 2019 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

April 30, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1047. This bill requires individuals who are required to register on the Sex Offenders and Crimes Against Minors Registry to report their status to security staff at an emergency shelter or they will be guilty of a Class 3 misdemeanor. Additionally, this bill allows the shelter to temporarily deny such individuals entry into an emergency shelter.

Emergency shelters are only opened when circumstances in our communities are dire and Virginians are no longer able to remain safely in their own homes. Most often, shelters are put in place during severe weather events, including during hurricanes. During these dangerous storms, we can face extremely high winds, storm surges, and flash flooding. All of these events can result in serious injury or death. Allowing shelters to turn people away, even on a temporary basis, is unconscionable and could lead to serious injuries or fatalities.

I proposed amendments during the reconvened session that would appropriately balance public safety concerns by ensuring that individuals required to register report their status to security staff, and also required agencies responsible for sheltering to develop plans to accommodate safely all members of our communities if an emergency arises. While those amendments were rejected, I will be directing the Department of Social Services to update their plans accordingly and encourage localities to do the same. The underlying bill would have had significant and unacceptable public safety consequences.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

S.B. 1592 (one thousand five hundred ninety-two), subsequent to adjournment sine die of the Reconvened Session of the 2019 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

April 30, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1592, which changes the certification process for a subcategory of small businesses known as "micro businesses." The legislation requires the Director of the Department of Small Business and Supplier Diversity (DSBSD) to amend its certification regulations to provide that a micro business may be certified using full-time equivalents.

The legislation is problematic because the exclusion of less-than-full time employees in the certification process could allow larger businesses to qualify as micro businesses. This would undermine the intent of the micro business designation, which is aimed at small businesses that have no more than twenty-five (25) employees and no more than \$3 million in average annual revenue over the three-year period prior to their certification. Under the legislation, a business with many more employees could qualify as a micro business as long as twenty-five or fewer are deemed full-time.

Moreover, DSBSD has worked to streamline the certification process, and this legislation could result in the reversal of that progress. Under the legislation, DSBSD would have to review twelve months of payroll and wage data to determine the number of full-time equivalents the business employs when evaluating a new micro business certification. This would place an additional burden both on the agency and on the business that would now need to submit payroll and wage report information to the agency.

The micro business program has provided an opportunity for a number of the Commonwealth's smallest businesses to grow and thrive. This legislation makes changes to the program that could undermine that goal.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

S.B. 1675 (one thousand six hundred seventy-five), subsequent to adjournment sine die of the Reconvened Session of the 2019 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

May 1, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1675, which creates a six-month mandatory minimum term of imprisonment for any person who kills or injures an animal owned, used, or trained by a law enforcement agency, regional jail, or the Department of Corrections. This legislation also requires that the mandatory minimum term be imposed separately and made to run consecutively with any other sentence.

We rely on our judges and juries to make sound sentencing decisions based on the circumstances of each individual case. In making these decisions, judges and juries consider a number of factors before determining a sentence, and their sentence decisions are the result of intense deliberation. Imposing mandatory minimum sentences eliminates this discretion and ties the hands of the individuals we have entrusted to make these important decisions.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam

S.B. 1689 (one thousand six hundred eighty-nine), subsequent to adjournment sine die of the Reconvened Session of the 2019 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

May 2, 2019

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1689. This legislation provides that certain trusts constitute a benefits consortium and are authorized to sell health benefits plans to members of a sponsoring association. The legislation also expands the availability of and the rules regulating association health plans beyond what is currently allowed in Virginia.

Senate Bill 1689 is concerning for several reasons. Association health plans (AHPs) are not required to cover essential health benefits including maternity care and prescription coverage. Additionally, AHPs would be able to set different premium rates based on characteristics like age, gender, job, and preexisting conditions. This bill would undermine current efforts to stabilize the Virginia health insurance marketplace. Virginians who enroll in AHPs may be disproportionately healthy when they enroll leading to higher premiums for Virginians who do not qualify for an AHP and remain in the marketplace.

Virginia took a positive step to increase the availability of quality, affordable, and comprehensive health care coverage through Medicaid expansion for individuals whose income is lower than 138% of the Federal Poverty Level. Our responsibility now is to look at solutions such as those proposed by the Market Stability Workgroup in order to improve affordability across the Commonwealth's health insurance markets. This legislation addressed the concerns a segment of Virginians have regarding health care costs. We look forward to working together holistically to ensure all Virginians' have lower health care costs and ensure the overall market is held harmless. All Virginians have a right to quality, affordable, and comprehensive coverage. My administration remains committed to this goal. Senate Bill 1689 would undermine these larger efforts.

Accordingly, I veto this bill.

Sincerely,

/s/ Ralph S. Northam
