President of the Senate

Clerk of the Senate

WEDNESDAY, FEBRUARY 13, 2019

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Reverend Harry D. Long, Sycamore Presbyterian Church, Midlothian, Virginia, offered the following prayer:

Almighty God, creator of heaven and earth, author of life, giver of every good and perfect gift, thank You for our system of government with its checks and balances, the division of powers of government among its various branches and the accountability of all representatives to the will of the people through election. Such a system does not establish an ideal state, nor could any system of government, for our corruption resides within us, but it does protect us from the tyranny and despotism of unchecked power in the hands of any one person or small group of people.

Give us, therefore, as citizens of this Commonwealth, a sense of gratitude for our government and respect for its authority. Thank You for the representatives seated here today, and give them insight and restraint in exercising the powers of government. Grant wisdom in handling the complex issues that are before them today to know how best to promote the common welfare while protecting and preserving the life and freedoms of every person.

Enable us from every faith and persuasion to live alongside each other in peace and community, relying not on the coercive power of government to force our perspectives on each other, but on the persuasive powers of our various messages. This commitment to protect the freedoms of other faiths applies to my own: may the church rely on the power of the gospel to change hearts and minds rather than on the powers of government merely to change behavior, and then as the conscience of our society is so molded, grant that the expression of our consciences together would result in laws that are pleasing to You.

We pray for repentance and forgiveness, for reconciliation and restoration, where hurts have been great and grievances have run deep. Renew in us a right spirit; restore us to Yourself; redeem us from our sins; reconcile us to one another; through Jesus Christ, the Lord,

In whose name I pray, Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Charles Alton Bruce IV of Mechanicsville.

The roll was called and the following Senators answered to their names:

Barker, Black, Boysko, Carrico, Chafin, Chase, Cosgrove, Dance, Deeds, DeSteph, Dunnavant, Ebbin, Edwards, Favola, Hanger, Howell, Lewis, Locke, Lucas, Marsden, Mason, McClellan, McDougle, Newman, Norment, Obenshain, Peake, Petersen, Reeves, Ruff, Saslaw, Spruill, Stanley, Stuart, Sturtevant, Suetterlein, Surovell, Vogel, Wagner.

However, with the consent of the Commonwealth's Attorney, a locality may provide their Commonwealth's Attorney's office with additional funding, using a different formula than stated above, as needed to accommodate the additional workload resulting from the requirement to review, redact and present footage from body worn cameras. If, as of July 1, 2019, a locality is providing additional funding to the Commonwealth's Attorney's office specifically to address the staffing and workload impact of the implementation of body worn cameras on that office, that additional funding shall be credited to the formula used in that locality. Any agreed upon funding formula

between the impacted Commonwealth's Attorney and the locality employing body worn cameras shall be filed with the Compensation Board by July 1, 2019 and shall remain in effect, unless modified by the agreement of both parties until June 30th of the following year. The term "locality" means every county or independent city with an Attorney for the Commonwealth. The term "employed for use" includes all body worn cameras maintained by the law enforcement agency or agencies of that locality, regardless of any temporary inoperability.

Additionally, the working group convened by the Executive Secretary of the Compensation Board pursuant to Chapter 2, Item 72, U (2018 Special Session Acts of Assembly) shall be maintained to continue to study the impact of body worn cameras on the workload of Commonwealth's Attorney's offices, providing an additional report to the Chairmen of the House Appropriations and Senate Finance Committees by December 1, 2020. During this timeframe, each Commonwealth's Attorney's office in a locality that employs body worn cameras, in conjunction with the law enforcement agency using body worn cameras, shall report to the Compensation Board the following information on a quarterly basis, in a format prescribed by the Board:

- a. The number of hours of body worn camera video footage received from their law enforcement agencies. The number of hours should additionally be broken down into corresponding categories of felonies, misdemeanors and traffic offenses. Any recorded event that results in charges for two or more of the above categories shall be reported in the most serious category;
- b. The number of hours spent in the course of redacting videos; and
- c. Any other data determined relevant and necessary by the Compensation Board for this analysis.

3. Should a Commonwealth's Attorney's office in a locality that employs body worn cameras fail to report to the Compensation Board the information above for two consecutive quarters, that locality may discontinue for the following fiscal year that additional funding to the Commonwealth's Attorney's office that is specifically to address the staffing and workload impact of the implementation of body worn cameras on that office.

4. The workgroup shall utilize the reported information to examine the staffing challenges and workload impact on Commonwealth's Attorney's offices of the implementation of body worn cameras over this added time and make any additional recommendations in the subsequent report, including but not limited to recommending a different staffing formula than stated above."

For example, divisions that provide an average 2.0 percent increase will not be eligible for state funding. Divisions that provide an average 4.0 percent increase would be eligible to receive state funding for a 4.0 percent compensation supplement. Divisions that provide an average 6.0 percent increase over the biennium would be eligible to receive the state funding for a 5.0 percent compensation supplement. The proposal shall include recommendations for multiple sources of revenue to pay for the proposal. The revenue sources shall include: (1) dynamic growth in individual income tax, sales tax and corporate income tax revenue from manufacturing growth; (2) sales tax revenue derived from internet sales taxes collected after July 1, 2019, that are associated with legislation to bring Virginia into compliance with the "Wayfair" Supreme Court Case. Further, the plan shall include, for those localities not currently assessing the machinery and tools tax, an option for reducing business personal property taxes by \$1 million per year and receiving reimbursement from sales tax revenue derived from internet sales taxes collected after July 1, 2019, that are associated with legislation to bring Virginia into compliance with the "Wayfair" Supreme Court Case.

The Secretary of Commerce and Trade, the Virginia Economic Development Partnership, and the Virginia Department of Taxation shall provide technical assistance to the working group, specifically contributing the following: (1) assessment of the economic benefit to local governments and the Commonwealth of Virginia for the growth in manufacturing machinery and tools investment; (2) assessment of the best method of disposition of revenues from state general fund revenues to local governments, specifically the method established by § 58.1-662, Code of Virginia; (3) assessment of the economic impact on local governments for the loss of machinery and tools tax revenue for the first five years; and (4) assessment of how many states currently tax a manufacturer's machinery and tools and compare the rates for competitiveness, specifically against the states of North Carolina, South Carolina, Georgia, Florida, Mississippi,

Alabama, Arkansas, Tennessee, Kentucky and West Virginia."

Explanation:

(This amendment directs the Secretary of Finance to convene a working group of interested parties for the purpose of presenting a legislative plan and budget by the 2020 General Assembly Session that would allow Virginia to require all localities to assess a "zero" rate on a manufacturer's machinery and tools for the first five years the equipment is put into service. The funds to reimburse local governments would be provided by the state using new sales and use tax revenues derived from requiring remote sellers to collect sales tax. Explanation:

(This amendment provides \$87,500 from the general fund and \$262,500 from federal Medicaid matching funds to support the All Payer Claims Database (APCD). Senate Bill 1216 would make participation in the APCD mandatory. This amendment allows the Department of Medical Assistance Services (DMAS) to access enhanced federal funding to support its use of the APCD. Medicaid can use enhanced federal funding at a 75 percent federal matching rate to support the maintenance and operations of the APCD. At least seven other states (Oregon, Florida, New York, Colorado, Rhode Island, Utah and New Hampshire) currently pay for a portion of the maintenance and operations of their APCD using Medicaid enhanced federal funding. Furthermore, the Centers for Medicare and Medicaid Services (CMS) has confirmed that this type of funding can be available to Virginia's APCD if DMAS submits and CMS approves an Operational Advanced Planning Document (O-APD) for the project and payments. This amount is proportional to the volume of APCD claims that are associated with Virginia Medicaid members.)

The Department of Medical Assistance Services shall require the managed care organizations to report encounter data impacting Community Services Boards on a monthly basis, with the data submitted no later than 20 days after the end of each month in order to determine the revenue impact to fulfill the intent of this paragraph."

Explanation:

(This amendment modifies language in the introduced budget which allows the Department of Behavioral Health and Developmental Services to provide funding from special fund balances at the end of the fiscal year to CSBs in circumstances where a CSB's additional FY 2019 Medicaid reimbursements do not reach at least 90 percent of the general fund reductions assumed in Chapter 2 for FY 2020. Language allows that assistance to be provided prior to the end of the fiscal year so that the provision of critical services is not disrupted. The amendment also clarifies that assistance may be provided to an individual CSB rather than requiring that Medicaid reimbursements to all CSBs fall short of GF reductions before assistance may be provided. The amendment requires the department to report to the Secretary of Finance and the Chairmen of the House Appropriations and Senate Finance Committees on how the expected general fund savings compare to actual Medicaid payments for FY 2019 so that the expected general fund savings in FY 2020 may be adjusted in amendments to the biennial budget during the 2020 Session of the General Assembly, if necessary.)

A. For purposes of this article, Virginia taxable income for a taxable year means the federal taxable income and any other income taxable to the corporation under federal law for such year of a corporation adjusted as provided in subsections B, C, D, and E.

For a regulated investment company and a real estate investment trust, such term means the "investment company taxable income" and "real estate investment trust taxable income," respectively, to which shall be added in each case any amount of capital gains and any other income taxable to the corporation under federal law which shall be further adjusted as provided in subsections B, C, D, and E.

B. There shall be added to the extent excluded from federal taxable income:

3. [Repealed.]
4. The amount of any net income taxes and other taxes, including franchise and excise taxes, which are based on, measured by, or computed with reference to net income, imposed by the Commonwealth or any other taxing jurisdiction, to the extent deducted in determining federal taxable income;

6. [Repealed.]
7. The amount required to be included in income for the purpose of computing the partial tax on an accumulation distribution pursuant to § 667 of the Internal Revenue Code;

For taxable years beginning on and after January 1, 2004, the amount of any intangible expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with one or more related members to the extent such expenses and costs were deductible or deducted in computing federal taxable

income for Virginia purposes. This addition shall not be required for any portion of the intangible expenses and costs if one of the following applies:

- (1) The corresponding item of income received by the related member is subject to a tax based on or measured by net income or capital imposed by Virginia, another state, or a foreign government that has entered into a comprehensive tax treaty with the United States government;
- (2) The related member derives at least one-third of its gross revenues from the licensing of intangible property to parties who are not related members, and the transaction giving rise to the expenses and costs between the corporation and the related member was made at rates and terms comparable to the rates and terms of agreements that the related member has entered into with parties who are not related members for the licensing of intangible property; or
- (3) The corporation can establish to the satisfaction of the Tax Commissioner that the intangible expenses and costs meet both of the following: (i) the related member during the same taxable year directly or indirectly paid, accrued or incurred such portion to a person who is not a related member, and (ii) the transaction giving rise to the intangible expenses and costs between the corporation and the related member did not have as a principal purpose the avoidance of any portion of the tax due under this chapter.

b. A corporation required to add to its federal taxable income intangible expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of intangible expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such intangible expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

c. Nothing in subdivision B 8 shall be construed to limit or negate the Department's authority under § 58.1-446;

9. a. For taxable years beginning on and after January 1, 2004, the amount of any interest expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with one or more related members to the extent such expenses and costs were deductible or deducted in computing federal taxable income for Virginia purposes. This addition shall not be required for any portion of the interest expenses and costs, if:

(1) The related member has substantial business operations relating to interest-generating activities, in which the related member pays expenses for at least five full-time employees who maintain, manage, defend or are otherwise responsible for operations or administration relating to the interest-generating activities; and

(2) The interest expenses and costs are not directly or indirectly for, related to or in connection with the direct or indirect acquisition, maintenance, management, sale, exchange, or disposition of intangible property; and

(3) The transaction giving rise to the expenses and costs between the corporation and the related member has a valid business purpose other than the avoidance or reduction of taxation and payments between the parties are made at arm's length rates and terms; and

(4) One of the following applies:

(iv) The transaction giving rise to the interest payments between the corporation and a related member was done at arm's length rates and terms and meets any of the following: (a) the related member uses funds that are borrowed from a party other than a related member or that are paid, incurred or passed-through to a person who is not a related member; (b) the debt is part of a regular and systematic funds management or portfolio investment activity conducted by the related member, whereby the funds of two or more related members are aggregated for the purpose of achieving economies of scale, the internal financing of the active business operations of members, or the benefit of centralized management of funds; (c) financing the expansion of the business operations; or (d) restructuring the debt of related members, or the pass-through of acquisition-related indebtedness to related members.

b. A corporation required to add to its federal taxable income interest expenses and costs

pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

§18.2-250.1. Possession of marijuana unlawful.

A. It is unlawful for any person knowingly or intentionally to possess marijuana unless the substance was obtained directly from, or pursuant to, a valid prescription or order of a practitioner while acting in the course of his professional practice, or except as otherwise authorized by the Drug Control Act (§ 54.1-3400 et seq.).

Upon the prosecution of a person for violation of this section, ownership or occupancy of the premises or vehicle upon or in which marijuana was found shall not create a presumption that such person either knowingly or intentionally possessed such marijuana.

Any person who violates this section is guilty of a misdemeanor and shall be ~~confined in jail not more than 30 days and~~ fined not more than \$500, ~~either or both~~; any person, upon a second or subsequent conviction of a violation of this section, is guilty of a Class 1 misdemeanor. *A charge of a violation of this section that has been expunged under subdivision A 4 of § 19.2-392.2 shall be deemed a conviction for purposes of prosecuting a person for a second or subsequent violation of this section.*

B. The provisions of this section shall not apply to members of state, federal, county, city, or town law-enforcement agencies, jail officers, or correctional officers, as defined in § 53.1-1, certified as handlers of dogs trained in the detection of controlled substances when possession of marijuana is necessary for the performance of their duties.

C. If the individual files the valid written certification with the court at least 10 days prior to trial and causes a copy of such written certification to be delivered to the attorney for the Commonwealth, such written certification shall be prima facie evidence that such oil was possessed pursuant to a valid written certification.

§18.2-251. Persons charged with first offense may be placed on probation; conditions; substance abuse screening, assessment treatment and education programs or services; drug tests; costs and fees; violations; discharge.

Whenever any person who has not previously been convicted of any offense under this article or under any statute of the United States or of any state relating to narcotic drugs, marijuana, or stimulant, depressant, or hallucinogenic drugs, or has not previously had a proceeding against him for violation of such an offense dismissed as provided in this section *or expunged under subdivision A 4 of § 19.2-392.2*, pleads guilty to or enters a plea of not guilty to possession of a controlled substance under § 18.2-250 or to possession of marijuana under § 18.2-250.1, the court, upon such plea if the facts found by the court would justify a finding of guilt, without entering a judgment of guilt and with the consent of the accused, may defer further proceedings and place him on probation upon terms and conditions. *Prior to deferring the proceedings under this section and at the time that the case is heard, the attorney for the Commonwealth or law-enforcement officer shall provide to the court, and the court shall review, the criminal history record and any records maintained by the Department of State Police pursuant to § 19.2-387.3 to ensure that the person is eligible for such deferral. The court shall not retain in the case file any such records provided to the court.*

As a term or condition, the court shall require the accused to undergo a substance abuse assessment pursuant to § 18.2-251.01 or 19.2-299.2, as appropriate, and enter treatment and/or education program or services, if available, such as, in the opinion of the court, may be best suited to the needs of the accused based upon consideration of the substance abuse assessment. The program or services may be located in the judicial district in which the charge is brought or in any other judicial district as the court may provide. The services shall be provided by (i) a program licensed by the Department of Behavioral Health and Developmental Services, by a similar program which is made available through the Department of Corrections, (ii) a local

community-based probation services agency established pursuant to § 9.1-174, or (iii) an ASAP program certified by the Commission on VASAP.

The court shall require the person entering such program under the provisions of this section to pay all or part of the costs of the program, including the costs of the screening, assessment, testing, and treatment, based upon the accused's ability to pay unless the person is determined by the court to be indigent.

As a condition of probation, the court shall require the accused (a) to successfully complete treatment or education program or services, (b) to remain drug and alcohol free during the period of probation and submit to such tests during that period as may be necessary and appropriate to determine if the accused is drug and alcohol free, (c) to make reasonable efforts to secure and maintain employment, and (d) to comply with a plan of at least 100 hours of community service for a felony and up to 24 hours of community service for a misdemeanor. In addition to any community service required by the court pursuant to clause (d), if the court does not suspend or revoke the accused's license as a term or condition of probation for a violation of § 18.2-250.1, the court shall require the accused to comply with a plan of 50 hours of community service. Such testing shall be conducted by personnel of the supervising probation agency or personnel of any program or agency approved by the supervising probation agency. The court shall, unless done at arrest, order the accused to report to the original arresting law-enforcement agency to submit to fingerprinting.

Upon violation of a term or condition, the court may enter an adjudication of guilt and proceed as otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge the person and dismiss the proceedings against him. Discharge and dismissal under this section shall be without adjudication of guilt and is a conviction only for the purposes of applying this section in subsequent proceedings.

Notwithstanding any other provision of this section, whenever a court places an individual on probation upon terms and conditions pursuant to this section, such action shall be treated as a conviction for purposes of §§ 18.2-259.1, 22.1-315, and 46.2-390.1, and the driver's license forfeiture provisions of those sections shall be imposed. However, if the court places an individual on probation upon terms and conditions for a violation of § 18.2-250.1, such action shall not be treated as a conviction for purposes of § 18.2-259.1 or 46.2-390.1, provided that a court (1) may suspend or revoke an individual's driver's license as a term or condition of probation and (2) shall suspend or revoke an individual's driver's license as a term or condition of probation for a period of six months if the violation of § 18.2-250.1 was committed while such person was in operation of a motor vehicle. The provisions of this paragraph shall not be applicable to any offense for which a juvenile has had his license suspended or denied pursuant to § 16.1-278.9 for the same offense.

Upon completion of the hearing, the court shall return the fingerprint card to the petitioner. If no hearing was conducted, upon the entry of an order of expungement or an order denying the petition for expungement, the court shall cause the fingerprint card to be destroyed unless, within 30 days of the date of the entry of the order, the petitioner requests the return of the fingerprint card in person from the clerk of the court or provides the clerk of the court a self-addressed, stamped envelope for the return of the fingerprint card.

F. After receiving the criminal history record information from the CCRE, the court shall conduct a hearing on the petition. G. The Commonwealth shall be made party defendant to the proceeding. Any party aggrieved by the decision of the court may appeal, as provided by law in civil cases.

H. Notwithstanding any other provision of this section, when the charge is dismissed because the court finds that the person arrested or charged is not the person named in the summons, warrant, indictment or presentment, the court dismissing the charge shall, upon motion of the person improperly arrested or charged, enter an order requiring expungement of the police and court records relating to the charge. Such order shall contain a statement that the dismissal and expungement are ordered pursuant to this subsection and shall be accompanied by the complete set of the petitioner's fingerprints filed with his petition. Upon the entry of such order, it shall be treated as provided in subsection K.

I. Notwithstanding any other provision of this section, when a person has been granted an absolute pardon for the commission of a crime that he did not commit, he may file in the circuit court of the county or city in which the conviction occurred a petition setting forth the relevant facts and requesting expungement of the police records and the court records relating to the charge and conviction, and the court shall enter an order requiring expungement of the police and court records relating to the charge and conviction. Such order shall contain a statement that

the expungement is ordered pursuant to this subsection. Upon the entry of such order, it shall be treated as provided in subsection K.

Except as provided in § **19.2-387.3**, all index references shall be deleted, and the court and law-enforcement officers and agencies shall reply and the person may reply to any inquiry that no record exists with respect to such person. Records relating to an order of expungement entered under subdivision A 4 shall be retained by the Department of State Police for the purposes specified in § **19.2-387.3**.*

L. Costs shall be as provided by § **17.1-275**, but shall not be recoverable against the Commonwealth. If the court enters an order of expungement, the clerk of the court shall refund to the petitioner such costs paid by the petitioner. *Costs shall not be refunded to the petitioner for an order of expungement entered under subdivision A 4. In addition to the costs provided by § **17.1-275**, an additional \$300 fee shall be assessed to the petitioner for an order of expungement entered under subdivision A 4, of which \$150 shall be paid into the Heroin and Prescription Opioid Epidemic Fund established pursuant to § **18.2-251.04** and \$150 shall be paid into the state treasury and credited to the Department of State Police.*

M. Any order entered where (i) the court or parties failed to strictly comply with the procedures set forth in this section or (ii) the court enters an order of expungement contrary to law, shall be voidable upon motion and notice made within three years of the entry of such order.

§19.2-392.3. Disclosure of expunged records.

A. ~~†~~ *Subject to § **19.2-387.3**, it shall be unlawful for any person having or acquiring access to an expunged court or police record to open or review it or to disclose to another person any information from it without an order from the court which ordered the record expunged.*

B. Upon a verified petition filed by the attorney for the Commonwealth alleging that the record is needed by a law-enforcement agency for purposes of employment application as an employee of a law-enforcement agency or for a pending criminal investigation and that the investigation will be jeopardized or that life or property will be endangered without immediate access to the record, the court may enter an ex parte order, without notice to the person, permitting such access. An ex parte order may permit a review of the record, but may not permit a copy to be made of it.

C. Any person who willfully violates this section is guilty of a Class 1 misdemeanor.

§19.2-392.4. Prohibited practices by employers, educational institutions, agencies, etc., of state and local governments.

Let us bow. Almighty God, Creator, Sustainer and Ruler of all existence, we humbly seek Your presence as we begin the people's work of the Commonwealth of Virginia. We stand before You awed at the magnificent grandeur Your hands have created. We are overcome with wonder as we recognize this being only a small part of Your work. The world, moon, and stars stand as a testament to Your elevated splendor. On Valentine's Day, the day in which the world celebrates love, we pray that love's power would permeate this chamber, love's influence will lead all matters of policy, and that love's healing power would bring peace to this body, this Commonwealth, this nation; yes, even this world.

In the name of the One, who orders our steps. Amen.

FRIDAY, FEBRUARY 15, 2019

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Reverend Dr. Keary Kincannon, Rising Hope Mission Church, Alexandria, Virginia, offered the following prayer:

God, our Creator and Redeemer, we follow You because we trust You to lead us to an abundant life. Where there is pain, You bring healing. Where there is mistrust, You bring hope. Where there is estrangement, You bring reconciliation. Where there is sin, You show the way to transformation.

Forgive us we pray for the sins of our nation and our Commonwealth, and our individual sins – past and present – that have caused great pain and suffering to many.

Give us the awareness to admit where we have sinned as a Commonwealth and as individuals. And give the maturity to seek accountability, forgiveness, reconciliation, and restitution.

And in these contentious days, Lord, give us the faith to offer forgiveness, trusting that in following Your path, we and the Commonwealth we all so love will be strengthened and restored, not diminished.

Be with this assembly of leaders, and with us all, to provide confidence and vision for the future of our state and country. Amen.

Eternal God, the world is noisy, so we pause, with the hope that we may start this day with our feet on a firm foundation.

We thank You for our spouses, our children, and others who sacrifice on our behalf so that we may use this opportunity that You have created for us to serve others.

Guide us always to labor for things beyond ourselves, to see visions, and to dream dreams for the people of this Commonwealth.

Use us. Redeem us. Bring us to recognize fully that we are our brothers' and sisters' keeper, so that through our service, the people of Virginia will feel united, stronger, and more secure, and so they will feel dignity, hope, and a calling worthy of each of their lives. Amen.

WEDNESDAY, FEBRUARY 20, 2019

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Very Reverend Nicholas G. Bacalis, Saints Constantine & Helen Greek Orthodox Cathedral, Richmond, Virginia, offered the following prayer:

Almighty and Merciful Lord, we thank You for allowing us to assemble this noon in not the prettiest of Virginia days. Do protect those who may be in harm's way because of the weather.

We thank You for the privilege of serving as representatives of our constituents as well as for all the citizens of the Commonwealth.

We thank You for the accomplishments so far achieved during this session and seek Your guidance for the items on the agenda still needing attention.

Guide us in our deliberations, grant us wisdom, understanding, and the fortitude to stand up for what is right and not to succumb to partisan intransigence.

From our diversity, grant us unity and harmony so that we may best serve all Virginians.

For the challenges before us, may justice and truth prevail.

Bless the esteemed members of this Senate, their staff, support staff throughout the building, and their families as they give of their time and talent for the continued progress and governance of our Commonwealth.

For You are the One who bestows abundant blessings, for which we express our thanksgiving and gratitude. Amen.

Amend Section 6 of Article X of the Constitution of Virginia as follows:

ARTICLE X
TAXATION AND FINANCE

Section 6. Exempt property.

(a) Except as otherwise provided in this Constitution, the following property and no other shall be exempt from taxation, State and local, including inheritance taxes:

(1) Property owned directly or indirectly by the Commonwealth or any political subdivision thereof, and obligations of the Commonwealth or any political subdivision thereof exempt by law.

(2) Real estate and personal property owned and exclusively occupied or used by churches or religious bodies for religious worship or for the residences of their ministers.

(3) Private or public burying grounds or cemeteries, provided the same are not operated for profit.

(4) Property owned by public libraries or by institutions of learning not conducted for profit, so long as such property is primarily used for literary, scientific, or educational purposes or purposes incidental thereto. This provision may also apply to leasehold interests in such property as may be provided by general law.

(5) Intangible personal property, or any class or classes thereof, as may be exempted in whole or in part by general law.

(6) Property used by its owner for religious, charitable, patriotic, historical, benevolent, cultural, or public park and playground purposes, as may be provided by classification or designation by an ordinance adopted by the local governing body and subject to such restrictions and conditions as provided by general law.

(7) Land subject to a perpetual easement permitting inundation by water as may be exempted in whole or in part by general law.

(b) The General Assembly may by general law authorize the governing body of any county, city, town, or regional government to provide for the exemption from local property taxation, or a portion thereof, within such restrictions and upon such conditions as may be prescribed, of real estate and personal

property designed for continuous habitation owned by, and occupied as the sole dwelling of, persons not less than sixty-five years of age or persons permanently and totally disabled as established by general law. A local governing body may be authorized to establish either income or financial worth limitations, or both, in order to qualify for such relief.

(c) Except as to property of the Commonwealth, the General Assembly by general law may restrict or condition, in whole or in part, but not extend, any or all of the above exemptions.

(d) The General Assembly may define as a separate subject of taxation any property, including real or personal property, equipment, facilities, or devices, used primarily for the purpose of abating or preventing pollution of the atmosphere or waters of the Commonwealth or for the purpose of transferring or storing solar energy, and by general law may allow the governing body of any county, city, town, or regional government to exempt or partially exempt such property from taxation, or by general law may directly exempt or partially exempt such property from taxation.

(e) The General Assembly may define as a separate subject of taxation household goods, personal effects and tangible farm property and products, and by general law may allow the governing body of any county, city, town, or regional government to exempt or partially exempt such property from taxation, or by general law may directly exempt or partially exempt such property from taxation.

(f) Exemptions of property from taxation as established or authorized hereby shall be strictly construed; provided, however, that all property exempt from taxation on the effective date of this section shall continue to be exempt until otherwise provided by the General Assembly as herein set forth.

(g) The General Assembly may by general law authorize any county, city, town, or regional government to impose a service charge upon the owners of a class or classes of exempt property for services provided by such governments.

(h) The General Assembly may by general law authorize the governing body of any county, city, town, or regional government to provide for a partial exemption from local real property taxation, within such restrictions and upon such conditions as may be prescribed, (i) of real estate whose improvements, by virtue of age and use, have undergone substantial renovation, rehabilitation or replacement or (ii) of real estate with new structures and improvements in conservation, redevelopment, or rehabilitation areas.

(i) The General Assembly may by general law allow the governing body of any county, city, or town to exempt or partially exempt from taxation any generating equipment installed after December thirty-one, nineteen hundred seventy-four, for the purpose of converting from oil or natural gas to coal or to wood, wood bark, wood residue, or to any other alternate energy source for manufacturing, and any co-generation equipment installed since such date for use in manufacturing.

(j) The General Assembly may by general law allow the governing body of any county, city, or town to have the option to exempt or partially exempt from taxation any business, occupational or professional license or any merchants' capital, or both.

(k) The General Assembly may by general law authorize the governing body of any county, city, or town to provide for a partial exemption from local real property taxation, within such restrictions and upon such conditions as may be prescribed, of improved real estate subject to recurrent flooding upon which flooding abatement, mitigation, or resiliency efforts have been undertaken.

(l) The General Assembly may by general law authorize the governing body of any county, city, or town to exempt from taxation one motor vehicle owned and used primarily by or for a veteran of the armed forces of the United States or the Virginia National Guard who has been rated by the United States

S.J.R. 306 (three hundred six) was taken up with the amendment in the nature of a substitute proposed by the House of Delegates, and printed separately, as follows:

SENATE JOINT RESOLUTION NO. 306
AMENDMENT IN THE NATURE OF A SUBSTITUTE

Proposing an amendment to Section 6 of Article II of the Constitution of Virginia and proposing amendments to the Constitution of Virginia by adding in Article II sections numbered 6-A and 6-B, relating to apportionment; state and local independent redistricting commissions; criteria.

RESOLVED by the Senate, the House of Delegates concurring, a majority of the members elected to each house agreeing, That the following amendments to the Constitution of Virginia be, and the same hereby are, proposed and referred to the General Assembly at its first regular session held after the next general election of members of the House of Delegates for its concurrence in conformity with the provisions of Section 1 of Article XII of the Constitution of Virginia, namely:

Amend Section 6 of Article II of the Constitution of Virginia and amend the Constitution of Virginia by adding in Article II sections numbered 6-A and 6-B as follows:

ARTICLE II
FRANCHISE AND OFFICERS

Section 6. Apportionment.

(a) Members of the House of Representatives of the United States and members of the Senate and of the House of Delegates of the General Assembly shall be elected from electoral districts established ~~by the General Assembly~~ pursuant to Section 6-A of this Constitution. The Commonwealth shall be reapportioned into electoral districts in accordance with this section and Section 6-A in the year 2021 and every ten years thereafter. Every electoral district shall be ~~composed of contiguous and compact territory~~

~~and shall be so constituted as to give, as nearly as is practicable, representation in proportion to the population of the district. The General Assembly shall reapportion the Commonwealth into electoral districts in accordance with this section in the year 2011 and every ten years thereafter constituted so as to adhere to the following standards and criteria:~~

(1) Districts shall be established on the basis of population. Senate and House of Delegates districts, respectively, shall each have a population that is as substantially equal to the population of every other such district as practicable. Congressional districts shall have populations that are as nearly equal as practicable. The Commission shall be guided by the most recent federal and state judicial decisions defining standards for equal population for the respective districts, including permissible deviations from the ideal population if the deviation is necessary in order to achieve some other legitimate districting criteria.

(2) Districts shall be drawn in accordance with the requirements of federal and state laws, and judicial decisions interpreting such laws, that address racial and ethnic fairness, including the Equal Protection Clause of the Constitution of the United States and the provisions of the federal Voting Rights Act of 1965, as amended.

(3) Existing political boundaries shall be respected to the maximum extent possible. Political boundaries shall include the boundaries of counties, cities, towns, county magisterial and election districts, municipal councilmanic districts, and voting precincts. If a departure from existing political boundaries is necessary in order to comply with other districting criteria, the district lines shall be drawn utilizing clearly observable physical boundaries. A "clearly observable physical boundary" shall include (i) any named road or street; (ii) any road or highway that is a part of the federal, primary state, or secondary state highway system; (iii) any river, stream, or drainage feature shown as a polygon boundary on the TIGER/Line Files of the United States Bureau of the Census; or (iv) any other natural or constructed or erected permanent physical feature that is shown on an official map issued by the Virginia Department of Transportation, on a United States Geological Survey topographical map, or as a polygon boundary on the TIGER/Line Files of the United States Bureau of the Census. No property line or subdivision boundary shall be deemed to be a clearly observable physical boundary unless it is marked by a permanent physical feature that is shown on an official map issued by the Virginia Department of Transportation, on a United States Geological Survey topographical map, or as a polygon boundary on the TIGER/Line Files of the United States Bureau of the Census.

(4) Each district shall be composed of contiguous territory. Districts divided by water shall be deemed contiguous if a common means of transport, such as a bridge or ferry, connects the two parts of the district or, if the water were to be removed, the land on one side of the district would be contiguous with the land on the other side of the district. Connections by water running downstream or upriver are not permissible.

(5) Each district shall be composed of compact territory. Districts shall not be oddly shaped or have irregular or contorted boundaries, unless justified because the district adheres to political boundary lines. Fingers or tendrils extending from a district core shall be avoided, as shall thin and elongated districts and districts with multiple core populations connected by thin strips of land or water. The Commission shall employ one or more standard numerical measures of individual and average district compactness to provide an objective assessment of a districting plan's compactness, both statewide and district by district.

(6) Consideration may be given to communities of interest by creating districts that do not carve up homogeneous neighborhoods or separate groups of people living in an area with similar interests or needs in transportation, employment, or culture.

(7) Every effort possible shall be made to preserve the political parity between the two political parties receiving the highest and next highest number of votes in the immediately preceding gubernatorial election.

(b) Any such decennial reapportionment law shall take effect immediately and not be subject to the limitations contained in Article IV, Section 13, of this Constitution.

(c) The districts delineated in the decennial reapportionment law shall be implemented for the November general election for the United States House of Representatives, Senate, or House of Delegates, respectively, that is held immediately prior to the expiration of the term being served in the year that the reapportionment law is required to be enacted. A member in office at the time that a decennial redistricting law is enacted shall complete his term of office and shall continue to represent the district from which he was elected for the duration of such term of office so long as he does not move his residence from the district from which he was elected. Any vacancy occurring during such term shall be filled from the same district that elected the member whose vacancy is being filled.

Section 6-A. Virginia Independent Redistricting Commission.

(a) In the year 2020 and every ten years thereafter, the Virginia Independent Redistricting Commission (the Commission) shall be convened for the purpose of proposing districts for the United States House of Representatives and for the Senate and the House of Delegates of the General Assembly pursuant to Article II, Section 6 of this Constitution.

(b) The Commission shall consist of twelve commissioners who shall be selected in accordance with the provisions of this subsection and in the manner determined by the General Assembly by general law. Commissioners shall be appointed not later than the first day of February of the year following the decennial census. Members and employees of the Congress of the United States or of the General Assembly shall be ineligible to serve as commissioners.

(1) Four commissioners shall be appointed by the Speaker of the House of Delegates, with equal representation given to the two political parties receiving the highest and next highest number of votes for governor at the immediately preceding gubernatorial election.

(2) Four commissioners shall be appointed by the Senate Committee on Rules, with equal representation given to the two political parties receiving the highest and next highest number of votes for governor at the immediately preceding gubernatorial election.

(3) Four commissioners shall be appointed by the Governor, with equal representation given to the two political parties receiving the highest and next highest number of votes for governor at the immediately preceding gubernatorial election.

(c) The Commission shall submit to the General Assembly one or more proposed plans for districts for members of the United States House of Representatives and the Senate and the House of Delegates of the General Assembly within forty-five days of receipt of the official decennial census data or by the first day of June of that year, whichever occurs later.

(1) To be submitted as a proposed plan for districts for members of the United States House of Representatives, a plan shall receive affirmative votes of at least eight of the twelve commissioners. Such plan shall be introduced as a bill in each house and the General Assembly shall take a vote on any such bill in accordance with the provisions of Article IV, Section 11 of this Constitution, except that no amendments shall be permitted. The bill shall not be subject to the provisions contained in Article V, Section 6 of this Constitution.

(2) *To be submitted as a proposed plan for districts for members of the Senate, a plan shall receive affirmative votes of at least three of the four commissioners appointed by the Senate Committee on Rules. Such plan shall be introduced as a bill in the Senate and the Senate shall take a vote on any such bill in accordance with the provisions of Article IV, Section 11 of this Constitution, except that no amendments shall be permitted. The concurrence of the House of Delegates shall not be required and the bill shall not be subject to the provisions contained in Article V, Section 6 of this Constitution.*

(3) *To be submitted as a proposed plan for districts for members of the House of Delegates, a plan shall receive affirmative votes of at least three of the four commissioners appointed by the Speaker of the House of Delegates. Such plan shall be introduced as a bill in the House of Delegates and the House of Delegates shall take a vote on any such bill in accordance with the provisions of Article IV, Section 11 of this Constitution, except that no amendments shall be permitted. The concurrence of the Senate shall not be required and the bill shall not be subject to the provisions contained in Article V, Section 6 of this Constitution.*

(d) *If a plan is rejected by the General Assembly or either house of the General Assembly, the Commission shall submit a new plan to the General Assembly or respective body within thirty days of the rejection. If such plan is rejected by the General Assembly or respective body, the districts shall be established by the Supreme Court of Virginia.*

Section 6-B. Local independent redistricting commissions.

The governing body of each county, city, and town in which members of the governing body are elected from districts shall establish in the year following the decennial census a local independent redistricting commission for the purpose of proposing electoral districts for members of the governing body.

Commissioners shall be appointed not later than the first day of February of that year by the governing body. The governing body shall appoint four commissioners, with equal representation given to the political parties having the highest and next highest number of votes in the Commonwealth for governor at the last preceding gubernatorial election. Members and employees of the governing body shall be ineligible to serve as a commissioner.

The commission shall submit to the governing body one or more proposed plans for electoral districts for members of the governing body within sixty days of receipt of the official decennial census data or by the first day of July of that year, whichever occurs later. To be submitted as a proposed plan, a plan shall receive affirmative votes of at least three of the four commissioners.

Any proposed plan submitted to the governing body shall be introduced as an ordinance and, if enacted, shall be done so in accordance with law.

FRIDAY, FEBRUARY 22, 2019

The Senate met at 10:30 a.m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Reverend Dr. Lynn P. Ronaldi, Pohick Episcopal Church, Lorton, Virginia, offered the following prayer:

Most loving God, we praise You and thank You for Your presence in this chamber, where You have equipped, inspired and guided generations of men and women to serve the common good of Your beloved children.

In Your great wisdom, providence and love for us, You have provided certain leaders with special gifts, gifts that inspire us to unify for Your purposes and model Your selfless and reconciling love.

Today we give special thanks for the birth of one particular Virginian who embodied so many of Your attributes as he led in the birth of our nation: George Washington.

As Your ambassador in a new world, he was a champion of divine freedom and equality and also aware of his human imperfection. Formed in prayer and worship in the cradle of our nation, George Washington grew to embody a particular virtue of humility that opened the path to freedom and a new way of government. Help us to follow his example of humility, welcoming in one another what we lack in ourselves. Let us listen with respect and dignity to all voices. Guide us today and every day giving our leaders here the desire and ability to listen for Your will through one another and become beacons like George Washington of civility, love and reconciliation in a divided nation and world.

Thank You for the birth of George Washington, and for the birth of something new here today and every day. In Your most holy name we pray, Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Nathan Bennett of Christiansburg.

SATURDAY, FEBRUARY 23, 2019

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Reverend Nathan Varnier, Oakland Baptist Church, Gum Spring, Virginia, offered the following prayer:

Dear Almighty God, we come together today acknowledging Your presence as we all strive to bond on a common mission and to lead according to Your divine will. Being a leader is not something everyone is called to, and we know that many responsibilities are charged to those in positions of leadership.

Breaking the ice on challenging issues, being open about heartfelt opinions, and feeling free to offer a respectful, contrasting approach when things don't align with our beliefs, are all part of the process of being a strong leader, especially when operating within a team of leaders.

Lord God, we know that those we lead don't always get the full story of the work that we do for them behind the scenes. They don't see the countless hours spent grinding away to find solutions or the tears that we shed when we're completely depleted of good ideas and mental toughness. But our hope and our prayer is that we are able to produce good fruit here today, and every day, so that those in the Commonwealth of Virginia can feel safe, provided for and supported as they strive for prosperity.

We thank You and love You Lord, Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Bladen Finch, Senate Page Program Director.

HOUSE JOINT RESOLUTION NO. 873

Celebrating the life of the Honorable Ralph L. Axselle, Jr.

WHEREAS, the Honorable Ralph L. Axselle, Jr., a prominent attorney in Richmond and a former member of the Virginia House of Delegates who represented the residents of Henrico County for 16 years, died on January 24, 2019; and

WHEREAS, Ralph L. "Bill" Axselle, Jr., grew up in Glen Allen and graduated from Hermitage High School, where he cultivated his penchant for leadership as class president for four years, then continued his education at the University of North Carolina at Chapel Hill; and

WHEREAS, Bill Axselle returned to the Commonwealth to pursue a law degree at the University of Richmond; he served as president of the McNeill Law Society and as a member of the University of Richmond *Law Review*, while supporting his young family by working as a railroad brakeman; and

WHEREAS, seeking to provide stronger representation for his fellow residents of Henrico County, Bill Axselle ran for and was elected to the Virginia House of Delegates in 1973 and quickly gained a reputation for his attention to detail, work ethic, and commitment to building bipartisan consensus; and

WHEREAS, during Bill Axselle's first term as a member of the General Assembly, 22 of his 28 introduced bills passed and he served on more study committees than any other freshman delegate; he was recognized as the most effective of 17 new members elected in 1973; and

WHEREAS, among his proudest achievements, Bill Axselle supported a 10-year moratorium on annexation attempts by the City of Richmond in 1977 and legislation in 1979 that gave the counties adjacent to the city immunity from annexation, ultimately fostering greater regional cooperation and more effective long-range planning; and

WHEREAS, Bill Axselle coordinated negotiations for road improvements near River Road Shopping Center; advocated for full disclosure of lobbyists' activities and spending; helped give the State Corporation Commission power to set utility rates in Richmond; modified the criminal code to allow juries to know the background of defendants before sentencing; limited increases in state spending to the rate of growth of the economy; and established a task force to make rape trials less intimidating for victims; and

WHEREAS, after leaving the state legislature in 1990, Bill Axselle continued to offer his leadership and expertise to several state boards and commissions, including the Virginia Code Commission and the Virginia Freedom of Information Advisory Council, among many others; most notably, he joined Williams Mullen, becoming chair of the firm's government relations group and using his expertise to develop one of the Commonwealth's premier government relations teams; and

WHEREAS, Bill Axselle was widely known as a real estate and land use attorney who had practiced in energy and infrastructure, business and corporate, and transportation and logistics law; and

WHEREAS, Bill Axselle was selected by *Best Lawyers* as its government relations Lawyer of the Year in 2011 and 2015 and its land use and zoning Lawyer of the Year in 2012, 2016, and 2018; he was named to *Virginia Lawyers Weekly's* 2014 class of Leaders in the Law, which recognizes lawyers for changing the law, serving the community, changing practice, or improving Virginia's justice system; and

Out of this appropriation, \$400,000 the second year from the general fund is included in this item's appropriation and is provided to Alleghany County Public School Division for the express purpose of using such funds as

The Covington School Board, Alleghany County School Board, the Alleghany County Board of Supervisors, and the Covington City Council have all recently appointed two members from each of the respective governing bodies to form a Committee to explore the necessary steps and actions needed for the creation of a joint school board in the Alleghany Highlands. Alleghany County Public Schools is currently operating in the final year of the fifteen year adjusted LCI that has been in place since Clifton Forge reverted to a town. Since the 2004 reversion, Alleghany County has lost 34% of its enrollment and has gone from 2,993 students to 1,968 students in the Fall of 2018. a.1) Out of this appropriation, \$130,305,448 the second year from the general fund and \$432,516 the second year from the Lottery Proceeds Fund is provided for the state share of a payment equivalent to a 3.0 percent salary incentive increase, effective July 1, 2019, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium.

This amount includes \$556,869 the second year from the general fund referenced in paragraph C. 28. h. for the Academic Year Governor's Schools for a 3.0 percent salary incentive increase, effective July 1, 2019, for instructional and support positions, and this amount includes \$432,516 the second year from the Lottery Proceeds Fund referenced in paragraph C. 9. f. 4) for Regional Alternative Education Programs for a 3.0 percent salary incentive increase, effective July 1, 2019, for instructional and support positions.

2) It is the intent that the instructional and support position salaries be increased in school divisions throughout the state by at least an average of 3.0 percent during the 2018-2020 biennium. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 3.0 percent salary increase for funded SOQ instructional and support positions, effective July 1, 2019, to school divisions which certify to the Department of Education, by June 1, 2019, that salary increases of a minimum average of 3.0 percent have been or will have been provided during the 2018-2020 biennium, either in the first year or in the second year or through a combination of the two years, to instructional and support personnel.

b.1) In addition to the compensation provisions in paragraphs C. 39. a.1) and 2) , the appropriation in this item includes \$72,536,713 the second year from the general fund and \$240,697 the second year from the Lottery Proceeds Fund for the state share of a payment equivalent to a 2.0 percent salary incentive increase, effective September 1, 2019, for funded SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, guidance counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium. This amount includes \$310,001 the second year from the general fund referenced in paragraph C. 28. h. for the Academic Year Governor's Schools for an additional 2.0 percent salary incentive increase, effective September 1, 2019, for instructional and support positions, and this amount includes the \$240,697 second year from the Lottery Proceeds Fund referenced in paragraph C. 9. f. 4) for Regional Alternative Education Programs for an additional 2.0 percent salary incentive increase, effective September 1, 2019, for instructional and support positions.

2) It is the intent that the instructional and support position salaries be increased in school divisions throughout the state by at least an average of 2.0 percent during the second year, on or before September 1, 2019. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of a 2.0 percent salary increase for funded SOQ instructional and support positions, effective September 1, 2019, to school divisions which certify to the Department of Education, by June 1, 2019, that additional salary increases of a minimum average of 2.0 percent will have been provided in the second year to instructional and support personnel on or before September 1, 2019, that is in addition to the 3.0% salary increase pursuant to paragraph C.39. a.1) and 2). of this item.

3) In order to be eligible to receive the state's share of up to an additional 2.0 percent salary increase in the second year, school divisions must provide up to a 2.0 percent salary increase in the second year effective by September 1, 2019, to instructional and support personnel. Any salary increase provided by a school division in the first year that was in excess of 3.0 percent prescribed in paragraphs C. 39. a.1) and 2), shall not count toward or be applied toward the

local requirements for any portion of the additional 2.0 percent salary increase provided for in the second year.

c. This funding is not intended as a mandate to increase salaries."

Explanation:

(This amendment adjusts the funding for salary incentives such that school divisions will have a number of percent options to offer pay increases to employees. The base budget includes \$131 million in the second year for a 3.0 percent salary incentive pay increase with an effective date of July 1, 2019. The state share of the 3.0 percent salary increase would be given to school divisions that certify that they will provide at least 3.0 percent in either the first or second year or through a combination over both years. This amendment adds an additional 2.0 percent increase with an effective date of September 1, 2019. The state share of the 2.0 percent salary increase would be given to school divisions that certify that they will provide at least a 2.0 percent salary increase by September 1, 2019. Any local school division pay increase provided in the first year that is above the 3.0 percent will not count toward the 2.0 percent salary increase in the second year.)

Effective July 1, 2019, the Department of Medical Assistance Services shall amend the State Plan for Medical Assistance to create a separate service category for psychiatric services and to increase practitioner rates for psychiatric services by 21 percent to reflect the equivalent of 100 percent of the 2018 Medicare rates. All practitioners who bill these services shall receive new rates. The department shall have the authority to implement these reimbursement changes prior to the completion of the regulatory process."

Explanation:

(This amendment provides \$2.6 million from the general fund and \$4.5 million from federal Medicaid matching funds to increase the Medicaid rates for mental health practitioners who bill for psychiatric services. These rates are lower than Medicare and commercial rates, resulting in fewer providers accepting Medicaid patients in need of these services. It is the intent of the General Assembly that in the enrolling of this act, funding included in this item shall be allocated among appropriate items within the Department of Medical Assistance Services.)

The Department of Medical Assistance Services shall develop a methodology for Disproportionate Share Hospital (DSH) payments that recognizes and creates incentives for private hospitals in providing medical services for individuals subject to temporary detention orders (TDOs). The methodology shall factor in utilization related to TDOs in the DSH methodology. The department shall have the authority to modify the State Plan for Medical Assistance and to implement the changes in the DSH methodology effective January 1, 2019 and prior to the completion of the regulatory process. The department shall report on the details of the methodology, and the potential impact on allocations to hospitals, to the Chairmen of the

House Appropriations and Senate Finance Committees by December 1, 2019."

Explanation:

(This amendment directs the Department of Medical Assistance Services to develop a new methodology for the allocation of Disproportionate Share Hospital (DSH) payments to increase reimbursement to hospitals that are serving more individuals who are subject to temporary detention orders and likewise to reduce reimbursement to hospitals whose utilization of such TDO services declines. This program is intended to assist in reducing census pressure on the state mental health hospitals.)

"YYY. Notwithstanding any other provision of law, any unexpended general fund appropriation remaining in this item on the last day of each fiscal year shall revert to the general fund and shall not be reappropriated in the following fiscal year."

Explanation:

(This amendment reverts any general fund year-end balance in the Medicaid program each year. The appropriation for the Medicaid program is based on an annual forecast, which adjusts the appropriation as needed as part of the normal budget process and therefore any remaining balance in the program should revert at the end of the fiscal year.)

(This amendment modifies the fiscal impact review process for changes to the Medicaid program to include the potential fiscal impact on Medicaid managed care capitation rates resulting from contract changes, and clarifies that any change that may result in a general fund impact, which has not been funded, will be delayed until the General Assembly specifically authorizes such action.)

Explanation:

(This amendment partially reverts the carryforward balance from fiscal year 2018 for the Department of Medical Assistance Services' administrative budget that was approved by the Governor. The agency's administrative program had a remaining balance at the end of fiscal year 2018 of \$12.8 million general fund and the Governor reappropriated \$7.8 million of that balance in fiscal year 2019.
