2021 REGULAR SESSION

WEDNESDAY, JANUARY 13, 2021

The Senate met at 12 m. at the Science Museum of Virginia in Richmond, Virginia, and was called to order by Lieutenant Governor Justin E. Fairfax.

Nathan Hatfield, Assistant Clerk-LINCS, Senate Clerk's Office, offered the following prayer:

On this opening day of session, a blessing upon each head assembled here to do and support the business of the people: our Senators, our Lieutenant Governor, our Clerk and her staff. To the Capitol Police who protect us, the journalists who report our actions, the Science Museum of Virginia staff who provide space for us to be distanced yet together, and to Phyllis and her staff who prepared the meal to nourish us. Let us pray.

Almighty God, we pause in this moment to ask for Your hand of comfort as we continue to reflect on the life and remember the loss of one of our own in the Senate family, Senator Chafin.

I offer as today's invocation these words from American author, theologian, educator, and civil rights leader, Howard Thurman:

Creating God, open to us
Light for our darkness,
Courage for our fear,
Hope for our despair.
Loving God, open to us
Wisdom for our confusion,
Forgiveness for our failings,
Love for our hate.
Spirit of Peace, open to us
Peace for our turmoil,
Joy for our sorrow,
Strength for our weakness.

Generous God, open our hearts to receive the gifts of Your Spirit. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Susan Clarke Schaar, Clerk of the Senate.

STATEMENT BY SENATOR

Senator Norment offered the following statement:

The Governor has declared a “state of emergency” in Virginia as a result of the COVID-19 pandemic that has resulted in some temporary adjustments to the Senate of Virginia’s normal procedures. Because some senators are more susceptible to serious implications of COVID-19, the Senate Democratic Caucus and the Senate Republican Caucus have mutually agreed as follows only for the 2021 Session of General Assembly:

1. The senators previously agreed upon by the respective leadership of each caucus shall be permitted to participate in the 2021 General Assembly session remotely and electronically, subject to the following requirements.
2. Each day the Senate is actually in session, pursuant to Rule 5 of the Rules of the Senate, a “quorum” must be physically present in the Chamber.
3. Each day the Senate is actually in session during the “morning hour,” a motion will be made to temporarily suspend the Rules of the Senate and, approved by 27 senators actually physically present, to allow previously agreed upon senators to participate remotely and electronically in that daily session.
4. No proxy votes will be allowed by a senator participating electronically and remotely.
5. On any vote taken in committee or on the floor of the Senate, a senator participating electronically and remotely must personally cast her or his vote; and
 - A. No surrogate may ever cast any votes.
 - B. A senator participating electronically or remotely must personally cast her or his vote on video; and
 - C. A senator participating electronically or remotely will have her or his vote orally taken by the Clerk on a roll call.
6. The number of senators participating electronically and remotely may be expanded by the mutual agreement of the Senate Democratic and Republican leadership upon receipt of written confirmation from a licensed healthcare provider.
7. This temporary change in the procedures of the Senate is a direct response to the Declared State of Emergency and shall not be considered a precedent for any future consideration of temporarily or permanently adjusting the Senate’s procedures or Rules.
8. It is mutually agreed there will be no future effort on the part of either Caucus to amend the Rules of the Senate to provide for electronic and remote participation. This provision shall remain in effect only until the earlier of the end of the Declared State of Emergency or the end of the current terms of the Senators including the years 2021-2024, regardless of any special election, without the concurrence of a majority, recorded vote of both caucuses.

9. No Senator may collect per diem on days they participate electronically or remotely.

On motion of Senator Norment, the Rules were suspended to allow Senators Lewis and Vogel, impacted by COVID-19, to participate remotely and electronically in the daily session and committees.

The recorded vote is as follows:

WHEREAS, the Majority Leader and the Caucus Chairman of the Senate requested, by the aforementioned letter, I issue a proclamation appointing the Science Museum of Virginia in the City of Richmond, Virginia as the place for the Senate to meet to conduct the 2021 regular session.

NOW, THEREFORE, it being apparent that the Senate cannot safely meet to conduct the 2021 regular session at the place prescribed by law because of a dangerous contagious disease, I, Ralph S. Northam, by virtue of the authority vested in me pursuant to § 30-2 of the *Code of Virginia*, give notice that beginning January 13, 2021, the Senate may meet to conduct the 2021 regular session at the Science Museum of Virginia in the City of Richmond, Virginia.

I begin with a brief meditation. May God be above you for blessings, below you for support, before you for guidance, behind you for protection, beside you for comfort, and inside you for strength and determination.

Now let us pray together. Almighty God, thank You for this day. We ask now that You guide our hearts and minds as we govern our people. We ask that You grant us the wisdom to govern wisely, the empathy to govern compassionately, and the integrity to govern justly. Help us to be levelheaded and straightforward in purpose. SENATE JOINT RESOLUTION NO. 287

Celebrating the life of the Honorable Bernard S. Cohen.

WHEREAS, the Honorable Bernard S. Cohen, a former member of the House of Delegates who had previously served as co-counsel for the appellants in the historic *Loving v. Virginia* case, in which the Supreme Court of the United States struck down laws banning interracial marriage, died on October 12, 2020; and

WHEREAS, the child of Jewish immigrants from Eastern Europe, Bernard “Bernie” Cohen grew up in Brooklyn and graduated from the City College of New York; he subsequently worked for the U.S. Department of Labor while studying to earn a law degree from Georgetown University; and

WHEREAS, Bernie Cohen was working as a volunteer attorney for the American Civil Liberties Union when he met Richard and Mildred Loving, who had been arrested under Virginia’s anti-miscegenation laws and been given a suspended jail sentence on the condition that they leave the Commonwealth and not return for a period of 25 years; and

WHEREAS, during the *Loving v. Virginia* case, Bernie Cohen and co-counsel Philip Hirschkop argued that laws prohibiting interracial marriage violated the due process and equal protection clauses of the Fourteenth Amendment to the Constitution of the United States, and in 1967, the Supreme Court of the United States ruled unanimously in favor of the Lovings; and

WHEREAS, desirous to be of further service to the Commonwealth, Bernie Cohen ran for and was elected to the House of Delegates in 1979; he represented residents of Alexandria and Chesapeake in the 21st District until 1983, when he took office as the delegate for the 46th District, representing parts of Alexandria; and

WHEREAS, during his tenure as a state lawmaker, Bernie Cohen offered his expertise to several standing committees and introduced many important pieces of legislation, including a bill to impose restrictions on indoor smoking and measures to ensure that terminally ill patients would have the right to decline life-prolonging treatments; and

WHEREAS, Bernie Cohen also introduced a bill to decriminalize same-sex marriage in the Commonwealth, which was unsuccessful, but the decision in *Loving v. Virginia* was ultimately cited as a precedent in the Supreme Court's decision in another landmark case, *Obergefell v. Hodges* (2015), which guaranteed same-sex couples the right to marry throughout the nation; and

WHEREAS, Bernie Cohen continued to practice law in Alexandria for many years, specializing in environmental and employment cases until his well-earned retirement in 2006; and

WHEREAS, a man of great integrity, Bernie Cohen served the Commonwealth with the utmost dedication and distinction as both an attorney and a state legislator; and

WHEREAS, Bernie Cohen will be fondly remembered and greatly missed by his wife of 61 years, Rae Rose; his children, Bennett and Karen, and their families; and numerous other family members and friends; now, therefore, be it

RESOLVED by the Senate, the House of Delegates concurring, That the General Assembly hereby note with great sadness the loss of the Honorable Bernard S. Cohen, a highly admired attorney and a dedicated public servant who touched the lives of generations of Americans through his contributions to civil rights; and, be it

RESOLVED FURTHER, That the Clerk of the Senate prepare a copy of this resolution for presentation to the family of the Honorable Bernard S. Cohen as an expression of the General Assembly's respect for his memory.

FRIDAY, JANUARY 15, 2021

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable Siobhan S. Dunnivant, Twelfth Senatorial District, offered the following prayer:

Heavenly Father, we gather this morning to work for a better Commonwealth and happier lives for her citizens. Though we are inadequate to the task, through You we are strengthened. We are unified. We pray to have Your hand on our shoulders, to lead us with Your love, Your wisdom, and Your understanding. It may have best been said by Your servant, St. Francis, when he asked of You, "Lord, make me an instrument of Your peace. Where there is hatred, let me sow love. Where there is injury, pardon. Where there is doubt, faith. Where there is despair, hope. Where there is darkness, light. And where there is sadness, joy. O Divine Master, grant that I may not so much seek to be consoled as to console, to be understood as to understand, to be loved as to love. For it is in giving that we receive. It is in pardoning that we are pardoned. And it is in dying that we are born to eternal life." Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Susan Clarke Schaar, Clerk of the Senate of Virginia.

MONDAY, JANUARY 18, 2021

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable Barbara A. Favola, Thirty-first Senatorial District, offered the following prayer:

I ask you to join me in a moment of prayer and reflection.

O God, grant us the wisdom to find that moral universe and the courage to bend the arc of that universe towards justice as Dr. Martin Luther King, Jr. implored us to do. On our journey towards justice, teach us to embrace our diversity. For that will strengthen our common humanity. In our hearts we know that every one of us desires and deserves to be treated with dignity and respect. Few are granted the privileges we enjoy as members of this deliberative body and with those privileges comes the responsibility to govern with compassion and humility and fairness. Always remind us to never let pride get the best of us. Fill our hearts with love so we may mend what divides us and give us the will to find the bonds that unite us. As we embark on the work of making laws and caring for our fellow Virginians, remind us to not be so quick to judge. Many of us can recall the words of the Pulitzer Prize winning author, Harper Lee. Quote, "You never really understand a person until you consider things from his or her point of view. Until you climb into that person's skin and walk around in it." O God, give us kindness so we can make every day bright and bring joy to those we encounter. We ask for these gifts with sincerity and a singleness of purpose and we ask You to bless the Commonwealth of Virginia and the United States of America. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Tara H. Perkinson, Chief Deputy Clerk, Senate Clerk's Office.

THURSDAY, JANUARY 21, 2021

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable Ryan T. McDougle, Fourth Senatorial District, offered the following prayer:

A reading from the Psalms 143:1 and 8, “Lord, hear my prayer, listen to my cry for mercy; in Your faithfulness and righteousness, come to my relief. Let the morning bring me word of Your unfailing love for I have put my trust in You. Show me the way I should go, for to You I lift up my soul.” Lord, as we go through the trials and tribulations of life and this pursuit of good government, as we go through also the joys and exultations of life, and certainly the challenges that we have been through over the last year, we ask that You give us wisdom and discernment. We ask that You give us calmness and discretion. Lord, we are all sinners and we are so thankful for the blessings that You have bestowed upon us. So as we go through these, as we have the heated discussions, late days, lack of sleep, we ask that You remind us of those blessings. Even in difficult times the simple blessings of being able to be together to make decisions, the opportunities to serve You and our fellow Virginians, and Lord, as we continue to go forward, remind us constantly of what You have given us. Not for us to focus on what we do not have or cannot do. Thank You for Your love. Thank You for always being with us. It is in Your holy name that we pray. Amen.

The Honorable R. Creigh Deeds, Twenty-fifth Senatorial District, offered the following prayer:

Our Heavenly Father, we are in a period of great consequence. Please bring our country together and bless its leaders. Give us a sense of hope and revival and a chance to do Your will and bring greater understanding and reconciliation to Your people. We ask that You watch over us and help us to understand that whatever power each of us has is derived from the people we represent. Help us remember that even though we come to this place from forty different points of view and forty different places we are elected to work together. That we are much stronger as one than as forty. Help us look for solutions instead of spotlights. Help us to work together to achieve hope and a better life and a path forward for the people we represent. Please bless richly those who enable us to do this great work—our aides, the staffs of our Clerk’s Office, the staff of the Finance Committee, and Legislative Services. Amen.

MONDAY, JANUARY 25, 2021

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable Bryce E. Reeves, Seventeenth Senatorial District, offered the following prayer:

Before we go to prayer let me do a quick reading from our Bible and we are going to be in Psalms. Psalms 86:15 says "but You, O Lord, are a God merciful and gracious, slow to anger, and abounding in steadfast love and faithfulness." Let us go.

Lord, I just thank You for this day that You have brought before us. Your word tells us that You are the Alpha, the Omega, the beginning, and the end. Lord, I humbly ask for the grace to find the space between my impulse and my action as Your word just told us in the Psalms. Lord, to let the flow of the cooling breeze when I would respond with heat. Lord, to interrupt the fierceness sometimes that I have, with gentleness and to accept the moment that allows judgment to become discernment. To defer to silence when my tongue would rush to attack or defend. Father, we take on a lot of issues here, Lord, but let us all remember that we are one body of one accord. Father, Your word also tells us that a strand of three cords seldom breaks. Father, I thank You for what You have done in my life, my family's life, and I ask You to put a hedge of protection around all those who gather here today and their families as we are away. Father, give those who live the farthest away traveling mercy as they go home today. I thank You for what You do and what You continue to do for us each and every day. In Your Son's most precious and holy name I pray, Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Michael Adams, Director of Human Resources, Senate Clerk's Office.

At 12:20 p.m., Senator Saslaw moved that the Senate recess until 3:10 p.m.

The motion was agreed to.

The hour of 3:10 p.m. having arrived, the Chair was resumed.

The Honorable John S. Edwards, Twenty-first Senatorial District, offered the following prayer:

Mr. President, in our country we've experienced divisiveness, depression, and disenheartment pouring into anger, hatred, and even violence that we have seen in our Nation's capital. Now we need reconciliation and unity. So it's appropriate to hear the serenity prayer. The serenity prayer was written by Reinhold Niebuhr, my favorite theologian, whom I studied and who taught at Union Theological Seminary in New York City when I studied there before I went to law school. So please bow your heads to hear the serenity prayer.

God, grant us the serenity to accept the things we cannot change, the courage to change the things we can, and the wisdom to know the difference. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Michael Adams, Director of Human Resources, Senate Clerk's Office.

On motion of Senator Norment, the Rules were suspended to allow Senator Vogel, impacted by COVID-19, to participate remotely and electronically in the daily session and committees.

SENATE RESOLUTION NO. 91

Expressing the censure of the Senate.

WHEREAS, Section 3 of the Fourteenth Amendment to the Constitution of the United States provides that no person shall, “hold any office, civil or military, under the United States, or under any State, who, having previously taken an oath . . . as a member of any State legislature . . . to support the Constitution of the United States, shall have engaged in insurrection or rebellion against the same, or given aid or comfort to the enemies thereof”; and

WHEREAS, Senator Amanda F. Chase, a member of the Senate of Virginia since 2016, took such an oath; and

WHEREAS, on the morning of Wednesday, January 6, 2021, Senator Amanda F. Chase addressed a crowd gathered in Washington, D.C., to urge that action be taken to overturn the lawfully conducted 2020 presidential election; and

WHEREAS, the morning’s events were a catalyst to the deadly insurrection that followed, when members of the crowd forcibly entered the United States Capitol where the Vice President of the United States and members of Congress were convening in a Joint Session of Congress to count the certified electoral votes for the President and Vice President of the United States, as prescribed by the Constitution of the United States for the orderly transition of presidential power; and

WHEREAS, in the aftermath of the insurrection that led to multiple deaths, including that of a Capitol Police officer; injured numerous others; desecrated the United States Capitol; threatened the lives and safety of those who are entrusted with carrying out the will of the American people; and required an emergency response from 200 Virginia State Troopers and 1,300 members of the Virginia National Guard, who were put in harm’s way to quell the violence and restore order, Senator Amanda F. Chase continued to voice support for those who participated, calling them “[p]atriots who love their country” and propagating unfounded claims regarding the nature of the events, the identities of those who took part, and the validity of the presidential election; and

WHEREAS, Article IV, Section 7 of the Constitution of Virginia provides that each house of the General Assembly may “punish [its members] for disorderly behavior”; and

WHEREAS, Rules 18 (h) and 53 (b) of the Senate provide that the Senate may, by a majority vote, censure one of its members; and

WHEREAS, the inflammatory statements and actions of Senator Amanda F. Chase before, during, and after the events that led to the insurrection at the United States Capitol on January 6, 2021, constitute a failure to uphold her oath of office and conduct unbecoming of a Senator; now, therefore, be it

RESOLVED, by the Senate, That the Senate of Virginia does censure Senator Amanda F. Chase for fomenting insurrection against the United States.

Senator Bell offered an amendment in the nature of a substitute, having been printed separately, as follows:

SENATE RESOLUTION NO. 91
FLOOR AMENDMENT IN THE NATURE OF A SUBSTITUTE

Expressing the censure of the Senate.

WHEREAS, Senator Amanda F. Chase, a member of the Senate of Virginia since 2016, has exhibited conduct unbecoming of a Senator during her terms in office by displaying a disregard for civility in discourse with colleagues, making false and misleading statements both in committee and on the Senate floor, and displaying a disregard for the significance of her duty to the citizens of the Commonwealth as an elected representative in the Senate of Virginia; and

WHEREAS, Senator Amanda F. Chase’s pattern of unacceptable conduct has been publicly displayed in a series of incendiary incidents during her tenure, including the following:

1. On March 22, 2019, Senator Chase berated a Capitol Police officer on duty when the Senator was not given access to a restricted parking area in front of the Capitol, reportedly stating, “Do you know who I am? . . . I’m Senator Chase . . . Don’t you see it on my license plate? . . . But I guess you don’t care.” The report of the incident indicates that Senator Chase addressed the officer profanely and made offensive remarks regarding the Clerk of the Senate. Following the incident, Senator Chase suggested that the officer’s actions, which were in the normal course of duty, had been racially motivated in reaction to the Senator’s “white privilege”; and

2. Senator Chase used her social media page to recklessly identify the names and office contact information of colleagues, Democratic and Republican, whose legislation and votes she disagreed with. Expressing outrage, and in an attempt to intimidate fellow legislators over policy differences, Senator Chase urged her social media followers to voice their dissent directly, resulting in several legislators and aides receiving threats; and

3. In discussing on social media her personal choice to carry a weapon, Senator Chase blamed victims of sexual assault for not fending off their attackers, making the damaging and indefensible claim that “It’s those who are naive and unprepared that end [up] raped”; and

4. After another Senator announced her candidacy for Governor of Virginia, Senator Chase decried “identity politics” in the gubernatorial race and suggested that, because her fellow Senator is vice-chair of the Virginia Legislative Black Caucus, she is “not for all Virginians”; and

5. During the COVID-19 pandemic, Senator Chase undermined the seriousness of the pandemic by stating, “I don’t do COVID”; and

6. Following the 2020 presidential election, Senator Chase implicated both major political parties in baseless claims of a “stolen” election, asserting, “Make no mistake. We are at war. The Democratic Party hijacked our 2020 Presidential Election and [has] committed treason. Where the hell are the Republicans?”; and

7. Senator Chase claimed that “The Virginia Democratic Party is racist to its core,” after Democratic officials asked a white local registrar to step down over issues relating to management of the 2020 election; and

8. In the aftermath of the unfortunate events and riots at the United States Capitol on January 6, 2021, Senator Chase voiced support for those who participated in storming the United States Capitol, calling them “[p]atriots who love their country” and propagating unfounded claims regarding the nature of the events, the identities of those who took part, and the validity of the presidential election. When given the opportunity to specifically denounce and repudiate those individuals at the January 6 riot who (i) were proponents of white supremacy; (ii) wore T-shirts and other attire emblazoned with anti-Semitic messaging; and (iii) breached the United States Capitol grounds barricades, broke into the Capitol when the United States Congress was in session, and disturbed and defaced the Capitol, Senator Chase declined to do so. The destruction and violence at the United States Capitol was the first occasion that the defenses of the United States Capitol have been breached since the War of 1812; led to multiple deaths, including that of a United States Capitol Police officer; injured numerous others; desecrated the United States Capitol; resulted in property destruction; threatened the lives and safety of those who are entrusted with carrying out the will of the American people; and required an emergency response from 200 Virginia State Troopers and 1,300 members of the Virginia National Guard, who were put in harm’s way to quell the violence and restore order; and

WHEREAS, Article IV, Section 7 of the Constitution of Virginia provides that each house of the General Assembly may “punish [its members] for disorderly behavior”; and

WHEREAS, Rules 18 (h) and 53 (b) of the Senate provide that the Senate may, by a majority vote, censure one of its members and place the member last in seniority; and

WHEREAS, the inflammatory statements and actions of Senator Amanda F. Chase during her tenure in the Senate of Virginia have created and aggravated tensions, misled constituents and citizens, and obstructed the Senate’s business in service of the Commonwealth, and such behavior constitutes a failure to uphold her oath of office, misuse of office, and conduct unbecoming of a Senator and, collectively, has caused a material effect upon the conduct of her office; now, therefore, be it

RESOLVED by the Senate, That the Senate of Virginia does censure Senator Amanda F. Chase and place Senator Amanda F. Chase last in seniority for failure to uphold her oath of office, misuse of office, and conduct unbecoming of a Senator.

On motion of Senator Bell, the reading of the substitute was waived.

Senator Bell moved that the substitute be agreed to.

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable Frank M. Ruff, Jr., Fifteenth Senatorial District, offered the following prayer:

As we were instructed in Deuteronomy 6:18, "you shall do what is right and good in the sight of the Lord so that it may go well for you."

Heavenly Father, we come before You asking that You lead us through heart, mind, and soul to do that which is right and pleasing to You. We ask that You give us the determination to follow Your guidance in our treatment of one another and that we deal with honesty and integrity. As well, we ask for Your guidance as we do our work for the people of Virginia. You know that at times we will fail, but with Your help, we will rise up to continue our service to You and for those we have been entrusted to represent. Amen.

FRIDAY, JANUARY 29, 2021

The Senate met at 12 m. and was called to order by the President pro tempore, Senator L. Louise Lucas.

The Honorable Bill DeSteph, Eighth Senatorial District, offered the following prayer:

Let us go to God's word to seek the truth. In Matthew 5:9 it said, "blessed are the peacekeepers for they will be called children of God." In Galatians 3:28, "there is neither Jew nor Greek, slave nor free, male nor female. For you are all one in Christ Jesus." In Romans 10:12, "for there is no difference between Jew and gentile. The same Lord is Lord of all and richly blessed. All who call on him will be richly blessed."

Lord God, we pray today for our peacekeepers. As Your word says, as I have just read, blessed are the peacemakers. What I pray for is our first responders, military, and those who come to the aid of our neighbors, families, friends, cities, counties, towns, and those who protect us and protect our country. Lord, I want to pray for understanding of all, equality for all, so we treat all of God's children as one. Let us not judge or we too will be judged. But, give us wisdom, discernment, and guidance from You, Lord, and You alone. Father, we know Your word tells us that we are to treat others as we want to be treated. Lord, we ask that we are all treated equally with respect, kindness, and above all love. In His most precious, holy name, Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by John McE. Garrett, former Chief Deputy Clerk, Senate Clerk's Office.

TUESDAY, FEBRUARY 2, 2021

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable Jen A. Kiggans, Seventh Senatorial District, offered the following prayer:

I'll start with a verse from First Corinthians 13, "if I speak in the tongues of men and of angels, but have not love, I am a noisy gong or a clanging cymbal. And if I have prophetic powers and understand all mysteries and all knowledge, and if I have all faith so as to move mountains but have not love, I am nothing. If I give away all I have, and if I deliver my body to be burned but have not love, I gain nothing. Love is patient and kind; love is not jealous or boastful; it is not arrogant or rude. Love does not insist on its own way; it is not irritable or resentful; it does not rejoice at wrong, but rejoices in the right. Love bears all things, believes all things, hopes all things, endures all things."

As British troops were descending upon Boston on September 6th, 1774, the Continental Congress's first official act was to request that Reverend Jacob Douché, Pastor of Philadelphia's Christ Church, open Congress in prayer for the fledgling nation seeking its independence from England, and I quote a small part of that prayer.

Be thou present, O God of wisdom, and direct the councils of this honorable assembly. Enable them to settle things on the best and surest foundation. That the scene of blood may be speedily closed. That order, harmony, and peace may be effectively restored and truth, justice, religion, and piety prevail and flourish amongst the people. Preserve the health of their bodies and vigor of their minds. Shower down on them and the millions here they represent such temporal blessings as thou see as expedient for them in this world and crown them with everlasting glory in the world to come. All this may we ask in the name and through the merits of Jesus Christ, Thy Son and our Savior. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Nathan A. Hatfield, Assistant Clerk-LINCS, Senate Clerk's Office.

On motion of Senator McDougle, the Rules were suspended to allow Senators Norment and Vogel, impacted by COVID-19, to participate remotely and electronically in the daily session and committees.

WEDNESDAY, FEBRUARY 3, 2021

The Senate met at 1:00 p.m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable T. Montgomery Mason, First Senatorial District, offered the following prayer:

First, a reading from Psalms 46, verse one through five, "God is our refuge and strength, a very present help in trouble. Therefore we will not fear though the Earth gives way, though the mountains be moved into the heart of the sea, though its waters roar and foam, though the mountains tremble at its swelling. There is a river whose streams make good the city of God, the holy habitation of the most high. God is in the midst of her, she shall not be moved. God will help her when morning dawns."

God, help us find strength and courage to face each day, strength and courage to tackle the pressing issues that we all face, strength and courage to do the best we can for our families, our friends, and our constituents. Help us understand that we are always better when we work together—even through and with our differences. Help us remember that we have far more in common than we have that divides us. God bless those connected with this body, this Commonwealth, and this nation. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Nathan A. Hatfield, Assistant Clerk-LINCS, Senate Clerk's Office.

THURSDAY, FEBRUARY 4, 2021

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable Emmett W. Hanger, Jr., Twenty-fourth Senatorial District, offered the following prayer:

There's a scripture that I like in Corinthians that states, "where the Spirit of the Lord is, there is liberty." We're all, for the most part and most of the time, proud to be Americans, proud to live in a country that values and protects our freedoms. What we sometimes overlook is that real freedom cannot be guaranteed by a Constitution like ours, but rather must be accompanied by a citizenry that possesses a sense of decency, fair play, and respect for their fellow man. In other words, "where the Spirit of the Lord is, there is liberty."

Dear Lord, we are blessed to live in what we sometimes regard as the greatest state in the greatest nation in the world. Please help us by our words and deeds this day to exhibit such a sense of decency, fair play, and respect for others, that we will confirm by our actions: liberty is assured; for the spirit of the Lord is with us. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Nathan A. Hatfield, Assistant Clerk-LINCS, Senate Clerk's Office.

On motion of Senator McDougle, the Rules were suspended to allow Senator Norment, impacted by COVID-19, to participate remotely and electronically in the daily session and committees.

The Honorable Lionell Spruill, Sr., Fifth Senatorial District, offered the following prayer:

God, my Father, Father of Abraham, Isaac, Jacob. We come to You this morning dear God, my Father, and say thank You because You have been so good to us. Thank You, dear Father, because You woke us up this morning. Allow us to see another day. Bless You, dear Father please, to forgive us for all our many sins. But we are here today, dear Father, first, to give You all the honor, all the glory, give You all the praise. I ask, dear Father please, to touch each and everyone here today. Help us, dear Father, to work together, and we will please You first, dear Father, then we will do the business of this Commonwealth. Help us, dear Father, to love one another because love soothes things. Help us, dear Father, to touch one another. Let us know, dear Father, we can do whatever is on Your mind to please this Commonwealth. Touch us, dear Father. Let us stop fussing. Let us stop arguing. Let us do what is best for the Commonwealth of Virginia. We will thank You, dear Father, for all that You have done for us. We are so careful to give You all the honor, give You all the praise, and all the glory. In Jesus' name we ask these things. Amen.

THE
SENATE**

2021 SPECIAL SESSION I

WEDNESDAY, FEBRUARY 10, 2021

The Senate met at 11:00 a.m. at the Science Museum of Virginia in Richmond, Virginia, and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable Mark J. Peake, Twenty-second Senatorial District, offered the following prayer:

Our most gracious and heavenly Father, we give thanks to You for today and every day that You provide us. We give thanks to You for the opportunity You have given us to serve the citizens of the Commonwealth. We ask that You give us the wisdom, strength, and guidance to do Your will. We ask for blessings for our Governor and his administration and that You give us the temperament and discernment to work with them as we all work together to serve the people of the Commonwealth. We give thanks for the people that protect us, the staff that prepares us and informs us and enables us to do our job. We ask for special blessings for those people who have been terribly afflicted by this virus—financially, physically, and mentally. We ask that You give them hope and comfort and guidance. We ask this in Jesus' name. We give thanks for this day and every day. Thank You very much. In Jesus' name we pray. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by David Hessler, Senate Committee Operations Intern, Senate Clerk's Office.

On motion of Senator Norment, the Rules were suspended to allow Senator Boysko, impacted by COVID-19, to participate remotely and electronically in the daily session.

THURSDAY, FEBRUARY 11, 2021

The Senate met at 12 m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable L. Louise Lucas, Eighteenth Senatorial District, offered the following prayer:

I'm going to say something I know most of you are going to identify with. Every now and then a song gets stuck in your mind and for days it rolls around like water in your head. Well, I've been humming this song over the last few days and it's the hymn "Lift Every Voice and Sing," written by James Weldon Johnson and set to music by his brother J. Rosamond Johnson in 1900. Often referred to as the black national anthem, it is a song of celebration, and my favorite verse is, "God of our weary years, God of our silent tears, Thou who has brought us thus far on the way, Thou who has by Thy might led us into the light, Keep us forever in the path, we pray."

Father we lift our hands to thee. No other help do we know. We pray that You encompass the President of the United States and the men and women who make their hearts and ears attentive to Godly counsel and do that which is right in Your sight. We lift up in prayer today the men and women of the Virginia Senate, the Lieutenant Governor, Madame Clerk and her staff, because we believe You cause them to be men and women of integrity, who are obedient concerning us that we may lead a quiet and peaceful life in all Godliness and honesty. Your word declares that, "blessed is the nation whose God is the Lord," Psalms 33:12. Standing on Your word we receive Your blessings. Father You are our refuge and stronghold in times of trouble. Thus we are more than conquerors through Christ Jesus. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Sean Sukol, Assistant Coordinator of Committee Operations, Senate Clerk's Office.

The roll was called and the following Senators answered to their names:

Help us to serve with humility, compassion, and love. Protect our families, our Senate staff, and our friends who support us so that we may do this work. Most especially, I remember our beloved Ben Chafin, today and every day, as he is not with us in body but in spirit in this Senate session, and I ask Your blessing on his family. In developing such recommendations, the Board shall consider: (i) the dramatic decrease in the Average Daily Population in detention centers over the course of two decades without a comparable decrease in state funding; (ii) establishing a system-wide staffing ratio that is comparable to those provided in Regional Alternative Education Programs and aligned with the staffing requirements provided in the federal Prison Rape Elimination Act; (iii) implementing efficiencies, such as sharing SOP instructional staff with participating school divisions, hiring part-time teachers and dually-certified teachers and principals, and utilizing lead teachers in lieu of full-time principals in programs with a low average daily population; (iv) changes to SOP operating agreements to facilitate more efficient staffing practices and to clarify the role of the state and school divisions in hiring and supervising SOP instructional staff; (v) increasing the use of enhanced distance learning; and (vi) the draft recommendations deliberated by the Commission on Youth from the 2020 study.

The Board shall convene a workgroup to assist in the development of findings and recommendations and shall include staff members from the Senate Finance and Appropriations Committee, House Appropriations Committee, Department of Planning and Budget, the Virginia Department of Education, the Department of Juvenile Justice, President of the Virginia Juvenile Detention Association or his/her designee, the chair of the Virginia Commission on Youth or his/her designee, and anyone else the Board deems as appropriate to serve on the workgroup. Findings and recommendations shall be reported to the House Appropriations Committee and the Senate Finance and Appropriations Committee by November 1, 2021."

Explanation:

(This amendment directs the Board of Education to develop recommendations for funding state operated programs in local and regional juvenile detention centers, which have experienced a significant decline in population in recent decades without an accompanying adjustment to state funding levels. Explanation:

(This amendment restores \$250,000 GF the second year provided during the 2020 regular session for SCHEV to implement the Guidance to Postsecondary Success (GPS) program.

These funds were later unallotted. The purpose of this new initiative is to increase student transitions from high school to postsecondary education and also help students find the right fit for their future and in terms of costs. Each year, 25,000 high school graduates do not enroll in postsecondary education within 16 months, including significantly higher percentages for African-American, Hispanic and economically disadvantaged students. The pandemic and virtual learning environments in high schools are expected to exacerbate these inequitable outcomes in the coming year. Working closely with the Virginia Department of Education, SCHEV will seek to increase these enrollment rates through the development of materials and informational resources and the coordination of awareness events, professional development opportunities for secondary staff and partnerships with institutions, schools, school divisions and non-profit organizations. In addition, these funds will be used as a match for an upcoming SCHEV application for a federally-funded Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) grant that also will focus on school division-specific and statewide outreach programs, as well as, required scholarships for eligible students.)

Explanation:

(This amendment directs the Secretary of Health and Human Resources to convene a workgroup to research and recommend strategies for the financing of health care services for undocumented immigrant children. The program would allow for a variety of behavioral health practitioners to receive a student loan repayment award from the Commonwealth in exchange for providing service to Virginia communities that are otherwise underserved. Practitioners would receive loan repayment for up to 25 percent of student loan debt for each year of health care service provided to the Commonwealth. Historically, Virginia has funded SCD care for children but not for adults. Explanation:

(This amendment reduces \$7.4 million the second year from the general fund by phasing in over three years the increase in local matching funds and the increase in state support for the updates to the local health department cooperative funding formula. The introduced budget provided \$10.2 million, which included funding for a hold harmless in fiscal year 2022, to implement the funding formula changes. This amendment reflects one-third of the state impact in the second year as the changes are phased in over three years and, as such, a hold harmless is not necessary.)

Language is also modified to clarify reporting requirements. The 2017 General Assembly established the EDCC program to provide a single, statewide technology solution that connects all hospital emergency departments in the Commonwealth to facilitate real-time communication and collaboration among physicians, other healthcare providers and other clinical and care management personnel for patients receiving services in hospital emergency departments for the purpose of improving the quality of patient care services. The program also integrates the state's Prescription Monitoring Program and the Advance Healthcare Directive Registry. To date, 100 percent of hospital emergency departments and health plans and 74 percent of physicians participate in the EDCC Program. The program has been successful in supporting a reduction in opioid overdoses since its implementation and has been critical in coordinating responses to the COVID-19 pandemic. The program has been funded through federal HITECH funding which provides a 90 percent federal match rate, but the federal funding will end on September 30, 2021. The department shall have the authority to implement this change effective July 1, 2021, or consistent with the effective date in the State Plan Amendment approved by the Centers for Medicare and Medicaid Services (CMS), and prior to completion of any regulatory process necessary to implement this change."

Explanation:

(This amendment provides \$11.1 million from the general fund and \$20.7 million from federal funds to amend the Virginia Family Access to Medical Insurance Security (FAMIS) State Plan to allow the payment for prenatal care for all children regardless of the expectant mother's immigration status pursuant to provisions in Title XXI of the federal 2009 CHIP Reauthorization Act that includes care of all children who upon birth will be U.S. citizens, U.S. nationals, or qualified aliens. A companion amendment in the Medicaid program (Item 313) reduces expenditures by \$13.4 million general fund and \$13.4 million in matching federal

Medicaid funds based on the adoption of this change. Consequently, the provision of these services results in a savings of \$2,292,083 to the general fund and the receipt of \$7,253,601 more from matching federal funds for the CHIP program, which has a higher federal match rate than the Medicaid program.)

Language:

Explanation:

(This amendment captures \$1.8 million from the general fund the first year and \$5.4 million from the general fund the second year and a corresponding increase in federal Children's Health Insurance Program (CHIP) matching funds to reflect the savings to the Commonwealth pursuant to enhanced federal matching funds for the fourth quarter of fiscal year 2021 and the first and second quarters of fiscal year 2022. The federal Families First Coronavirus and Response Act, passed in March 2020, increased the federal match rate for Medicaid by 6.2 percentage points until the end of the quarter in which the declared public health emergency (PHE) due to COVID-19 expires. The CHIP match rate factors in the Medicaid match rate and is therefore increased as a result. The PHE is extended in 90-day increments and was recently extended into the fourth quarter of fiscal year 2021. In addition, the Acting U.S. Secretary of Health and Human Services has informed all state Governors of their intention to extend the PHE through the end of calendar year 2021 to provide greater budget certainty to states. Therefore, this amendment also captures the savings from the first and second quarters of state fiscal year 2022.)

(This amendment adds language directing the Department of Medical Assistance Services to defer nursing home rebasing until it is able to use 2021 cost reports in the rebasing process. Under the current rebasing schedule, cost reports ending in calendar year 2020 will be the basis of the next nursing facility rate rebasing. Due to the COVID-19 pandemic, the 2020 base year cost reports will contain significant variable data that reflects a mixture of increased costs (some permanent, others temporary) and reduced occupancy. Given the COVID-19 vaccination program, it is expected that the 2021 cost reports would not be as affected by the increased costs associated with the COVID-19 pandemic, and would better reflect ongoing Medicaid costs as a basis for the next rebasing.)

Upon a complaint by a resident or family member that a nursing facility has imposed higher rates or special charges that exceed the threshold, the Department of Medical Assistance Services shall verify such action with the nursing facility. If the department determines the nursing facility has increased rates or imposed new charges that exceed the threshold, the department shall no longer make additional payments pursuant to the previously mentioned provisions of this Act. Furthermore, the department shall adjust future payments to such nursing facility to recapture prior payments made under those same provisions."

Explanation:

(This amendment provides that any nursing facility in the Commonwealth that has increased their rates or added additional charges during the public health emergency for COVID-19, that are 10 percent or higher than charges prior to the emergency are not eligible for the \$20 per day per diem or any financial assistance from the Coronavirus Relief Fund as authorized in the current budget. These additional funding streams were provided by the Commonwealth to assist nursing facilities during the public health emergency to help offset losses of revenue or higher costs related to the pandemic. This amendment ensures that nursing facilities that dramatically increase their charges or add special fees to recover costs during the public health emergency are not eligible for the additional state assistance and would also be required to repay any prior payments from that assistance.)

A companion amendment in the FAMIS program (Item 312) adds language and funding for this initiative. The federal Families First Coronavirus and Response Act, passed in March 2020, increased the federal match rate for Medicaid by 6.2 percentage points until the end of the quarter in which the declared public health emergency (PHE) due to COVID-19 expires. The PHE is extended in 90-day increments and was recently extended into the fourth quarter of state fiscal year 2021. There is no state match required as the local schools certify local expenditures as the state match. (This amendment modifies the coverage assessment amount collected from hospitals to cover the state share of Medicaid expansion costs. Current law requires the collection of 108 percent of the state share of the full costs of expanded Medicaid coverage. The original intent was to ensure that collections were sufficient to cover the full cost of expansion and not rely on any general fund dollars to expand Medicaid. Rate assessment language has since been amended to allow the Department of Medical Assistance Services (DMAS) to adjust assessments with each quarter to account for differences between estimates and actual spending, however, the 108 percent collection requirement is applied to the estimate for the entire year and not just the remaining quarters. In addition, DMAS now has more experience with expansion and hospital overpayments in the first two years of the program have far exceeded the additional eight percent add-on. Reducing the add-on from eight to two percent would reduce the amount of overpayment made each year by the hospitals into the Health Care Coverage Assessment Fund.)

(This amendment modifies language related to the hospital provider payment rate assessment to change the methodology to enable the hospitals to obtain additional federal dollars with no additional cost to the Commonwealth. Current budget language limits supplemental payments by the upper payment limit gap for fee-for-service claims and extrapolates that gap to managed care claims. Because over 90 percent of Medicaid enrollees are in managed care, this gap can be highly variable on an annual basis and can limit total rate enhancement. The federal Centers for Medicare and Medicaid Services (CMS) has provided other states the flexibility to structure managed care directed payments as a percentage of Medicare. However, the introduced budget language is highly prescriptive and limits the department's ability to explore and apply an alternate methodology which could potentially stabilize or increase total supplemental payments.)

"§ 3-5.23 CORPORATE INCOME TAX INFORMATIONAL REPORTING

A.1. Corporations that are members of a unitary business must file a report, in a manner prescribed by the Tax Commissioner, for the unitary combined group containing the unitary combined net income of such group. The report shall be based on taxable year 2019 computations and include, at a minimum the difference in tax owed as a result of filing a unitary combined report, computed according to the method or methods specified by the Tax Commissioner, compared to the tax owed under the current filing requirements.

2. "Unitary business" means a single economic enterprise made up either of separate parts of a single business entity or of a commonly controlled group of business entities that are sufficiently interdependent, integrated, and interrelated through their activities so as to provide a synergy and mutual benefit that produces a sharing or exchange of value among them and a significant flow of value to the separate parts. A "unitary business" includes that part of the business that meets the definition in this section and is conducted by a taxpayer through the taxpayer's interest in a partnership, whether the interest in that partnership is held directly or indirectly through a series of partnerships or other pass-through entities. A "unitary business" shall not include persons subject to, or that would be subject to if doing business in the Commonwealth, the insurance premiums license tax under Chapter 25 (§ 58.1-2500 et seq.), Code of Virginia, or the bank franchise tax under Chapter 12 (§ 58.1-1200 et seq.).

3. The report must be submitted to the Department of Taxation on or before June 1, 2021, which date shall not be extended.

4. Members of a unitary combined group shall exclude as a member and disregard the income and apportionment factors of any corporation incorporated in a foreign jurisdiction (a "foreign corporation") if the average of its property, payroll and sales factors outside the United States is eighty percent (80%) or more. If a foreign corporation is includible as a member in the unitary combined group, to the extent that such foreign corporation's income is subject to the provisions of a federal income tax treaty, such income is not includible in the unitary combined group net income. Such member shall also not include in the unitary combined report any expenses or apportionment factors attributable to income that is subject to the provisions of a federal income tax treaty. For purposes of this paragraph, "federal income tax treaty" means a comprehensive income tax treaty between the United States and a foreign jurisdiction, other than a foreign

jurisdiction which the organization for economic co-operation and development has determined has not committed to the internationally agreed tax standard, or has committed to the international agreed tax standard but has not yet substantially implemented that standard, as identified in the then-current organization for economic co-operation and development progress report.

B. Any corporation required to submit such report to the Department of Taxation that fails to do so on or before June 1, 2021, or that makes a material omission or misstatement in connection with such report shall be subject to a penalty of \$10,000. Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any deduction taken hereunder shall be subject to recapture in the taxable year or years in which distributions or refunds are made for any reason other than (i) to pay qualified higher education expenses, as defined in § 529 of the Internal Revenue Code or (ii) the beneficiary's death, disability, or receipt of a scholarship. a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

b. A corporation required to add to its federal taxable income interest expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses

and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

The Senate met at 12 m. and was called to order by the President pro tempore, Senator L. Louise Lucas.

The Honorable Ghazala F. Hashmi, Tenth Senatorial District, offered the following prayer:

I offer today a prayer that was composed by Muslim leaders in Great Britain, and I give attribution to them here by acknowledging their names: Dr. Waqar Azmi, Imam Shahid Raza, Mustafa Field, and Maulana Qamaruzzaman Azmi.

A Muslim Prayer for Our Nation

Bismillah-ir-Rahman-ir-Rahim

In the name of God, the Most Gracious and the Most Merciful:

O Lord, unite our nation around the principles of justice, peace, love, and faith.

Put peace and love in our hearts for the diversity that makes our nation so beautiful.

Most Merciful, we pray for our nation to remain tolerant and loving, remove prejudice from our hearts, and allow us to love our brothers and sisters in humanity.

Allow our government to remain accountable to the people, give [our leaders] vision and wisdom, as they take decisions affecting peace in our world so that they may uphold peace in the world, advance the welfare of our nation, and deal kindly and justly with all our communities.

O Lord, Most Strong, give us the strength to protect and care for our neighbors.

Make our hearts and minds aware of our heritage, fulfilling duties and responsibilities as a citizen.

Lord, Most Merciful, allow us to show kindness to those most vulnerable in society.

Protect us from evil, inspire and guide us in defending those open to abuse.

Lord, Most Generous, allow us to give in charitable activity, and to help those most in need.

Make us more conscious of what is not good for us.

Lord, Most Merciful, Most Generous, please give us the patience to continue to learn from one another and work towards a more peaceful and kind world.

Make our hearts generous so that we may treat others as we wish to be treated ourselves. Help us to share that which we have with others, for Your sake. Strengthen us, love us, and be kind to us all. Ameen.

WEDNESDAY, FEBRUARY 17, 2021

The Senate met at 12 m. and was called to order by the President pro tempore, Senator L. Louise Lucas.

The Honorable Mamie E. Locke, Second Senatorial District, offered the following prayer:

Less than a year ago we had not heard of the Coronavirus, a soon-to-be pandemic that would soon plague our world. New words and phrases would enter our nomenclature: social distancing, testing, masking up. All this would become our new normal. Through it all God remained present in our lives. I offer this reading from Psalms 121, verses 1-3, "I will lift up mine eyes into the hills from whence cometh my help. My help cometh from the Lord, which made heaven and earth. He will not suffer thy foot to be moved; He that keepeth thee will not slumber."

Dear Lord, during this time of uncertainty in the pandemic, make sure that we all test positive for faith. Make sure that we keep distance from doubt, and make sure that we mask-up from fear. Lord, may we continue to trust in You and may each person who hears my voice be abundantly blessed, today and always. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Corinne Sloan, Assistant Journal Clerk, Senate Clerk's Office.

The roll was called and the following Senators answered to their names:

The Board shall convene a workgroup to assist in the development of findings and recommendations and shall include staff members from the Senate Finance and Appropriations Committee, House Appropriations Committee, Department of Planning and Budget, the Virginia Department of Education, the Department of Juvenile Justice, President of the Virginia Juvenile Detention Association or his/her designee, the chair of the Virginia Commission on Youth or his/her designee, and anyone else the Board deems as appropriate to serve on the workgroup. (This amendment restores \$250,000 GF the second year provided during the 2020 regular session for SCHEV to implement the Guidance to Postsecondary Success (GPS) program.

These funds were later unallotted. The purpose of this new initiative is to increase student transitions from high school to postsecondary education and also help students find the right fit for their future and in terms of costs. Each year, 25,000 high school graduates do not enroll in postsecondary education within 16 months, including significantly higher percentages for African-American, Hispanic and economically disadvantaged students. The pandemic and virtual learning environments in high schools are expected to exacerbate these inequitable outcomes in the coming year. Working closely with the Virginia Department of Education, SCHEV will seek to increase these enrollment rates through the development of materials and informational resources and the coordination of awareness events, professional development opportunities for secondary staff and partnerships with institutions, schools, school divisions and non-profit organizations. In addition, these funds will be used as a match for an upcoming SCHEV application for a federally-funded Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) grant that also will focus on school division-specific and statewide outreach programs, as well as, required scholarships for eligible students.)

Explanation:

(This amendment supplants \$30.2 million the first year and \$59.1 million the second year to support the Commonwealth’s mass vaccination efforts in response to the COVID-19 pandemic. On December 27, 2020, the federal Consolidated Appropriations Act, 2021 was signed into law which provides substantial federal assistance to support states in vaccine administration efforts. Virginia’s share of this funding is \$77.1 million. With this additional federal support, the general fund added in the introduced budget can be supplanted with federal funds. The new federal funding is not sufficient to fully supplant all \$89.3 million of general fund in the biennium, however, Coronavirus Relief Funds (CRF) allocated to the Department of Medical Assistance Services have not been fully utilized, so this amendment includes \$12.2 million in the first year in CRF funds. A separate amendment in Central Appropriations reflects the change in the allocation of CRF funds.)

This amendment removes half the second year funding assuming that after calendar year 2021, the need for such modeling would likely be mitigated as the COVID-19 pandemic subsides as a result of widespread use of vaccines. In the case that COVID-19 continues as a public health emergency for longer and the need for such modeling continues, additional funding can be provided for this purpose in the 2022 General Assembly Session.)

Explanation:

(This amendment reduces \$7.4 million the second year from the general fund by phasing in over three years the increase in local matching funds and the increase in state support for the updates to the local health department cooperative funding formula. The introduced budget provided \$10.2 million, which included funding for a hold harmless in fiscal year 2022, to implement the funding formula changes. The program also integrates the state's Prescription Monitoring Program and the Advance Healthcare Directive Registry. To date, 100 percent of hospital emergency departments and health plans and 74 percent of physicians participate in the EDCC Program. The program has been successful in supporting a reduction in opioid overdoses since its implementation and has been critical in coordinating responses to the COVID-19 pandemic. The program has been funded through federal HITECH funding which provides a 90 percent federal match rate, but the federal funding will end on September 30, 2021. Explanation:

(This amendment captures \$1.8 million from the general fund the first year and \$5.4 million from the general fund the second year and a corresponding increase in federal Children's Health Insurance Program (CHIP) matching funds to reflect the savings to the Commonwealth pursuant to enhanced federal matching funds for the fourth quarter of fiscal year 2021 and the first and second quarters of fiscal year 2022. The federal Families First Coronavirus and Response Act, passed in March 2020, increased the federal match rate for Medicaid by 6.2 percentage points until the end of the quarter in which the declared public health emergency (PHE) due to COVID-19 expires. The CHIP match rate factors in the Medicaid match rate and is therefore increased as a result. The PHE is extended in 90-day increments and was recently extended into the fourth quarter of fiscal year 2021. In addition, the Acting U.S. Secretary of Health and Human Services has informed all state Governors of their intention to extend the PHE through the end of calendar year 2021 to provide greater budget certainty to states. Therefore, this amendment also captures the savings from the first and second quarters of state fiscal year 2022.)

Under the current rebasing schedule, cost reports ending in calendar year 2020 will be the basis of the next nursing facility rate rebasing. These additional funding streams were provided by the Commonwealth to assist nursing facilities during the public health emergency to help offset losses of revenue or higher costs related to the pandemic. This amendment ensures that nursing facilities that dramatically increase their charges or add special fees to recover costs during the public health emergency are not eligible for the additional state assistance and would also be required to repay any prior payments from that assistance.)

The federal Families First Coronavirus and Response Act, passed in March 2020, increased the federal match rate for Medicaid by 6.2 percentage points until the end of the quarter in which the declared public health emergency (PHE) due to COVID-19 expires. The federal Title IV-E programs used the Medicaid match rate to determine the state and federal share of the program. The PHE is extended in 90-day increments and was recently extended into the fourth quarter of state fiscal year 2021. In addition, the Acting U.S. Secretary of Health and Human Services has informed all state Governors of their intention to extend the PHE through the end of calendar year 2021 to provide greater budget certainty to states. Therefore, this amendment also captures the savings from the first and second quarters of state fiscal year 2022.)

(This amendment modifies the coverage assessment amount collected from hospitals to cover the state share of Medicaid expansion costs. Current law requires the collection of 108 percent of the state share of the full costs of expanded Medicaid coverage. The original intent was to ensure that collections were sufficient to cover the full cost of expansion and not rely on any general fund dollars to expand Medicaid. Rate assessment language has since been amended to allow the Department of Medical Assistance Services (DMAS) to adjust assessments with each quarter to account for differences between estimates and actual spending, however, the 108 percent collection requirement is applied to the estimate for the entire year and not just the remaining quarters. In addition, DMAS now has more experience with expansion and hospital overpayments in the first two years of the program have far exceeded the additional eight percent add-on. Reducing the add-on from eight to two percent would reduce the amount of overpayment made each year by the hospitals into the Health Care Coverage Assessment Fund.)

(This amendment modifies language related to the hospital provider payment rate assessment to change the methodology to enable the hospitals to obtain additional federal dollars with no additional cost to the Commonwealth. Current budget language limits supplemental payments by the upper payment limit gap for fee-for-service claims and extrapolates that gap to managed care claims. Because over 90 percent of Medicaid enrollees are in managed care, this gap can be highly variable on an annual basis and can limit total rate enhancement. The federal Centers for Medicare and Medicaid Services (CMS) has provided other states the flexibility to structure managed care directed payments as a percentage of Medicare. However, the introduced budget language is highly prescriptive and limits the department's ability to explore and apply an alternate methodology which could potentially stabilize or increase total supplemental payments.)

"§ 3-5.23 CORPORATE INCOME TAX INFORMATIONAL REPORTING

A.1. Corporations that are members of a unitary business must file a report, in a manner prescribed by the Tax Commissioner, for the unitary combined group containing the unitary combined net income of such group. The report shall be based on taxable year 2019 computations and include, at a minimum the difference in tax owed as a result of filing a unitary combined report, computed according to the method or methods specified by the Tax Commissioner, compared to the tax owed under the current filing requirements.

2. "Unitary business" means a single economic enterprise made up either of separate parts of a single business entity or of a commonly controlled group of business entities that are sufficiently interdependent, integrated, and interrelated through their activities so as to provide a synergy and mutual benefit that produces a sharing or exchange of value among them and a significant flow of value to the separate parts. A "unitary business" includes that part of the business that meets the definition in this section and is conducted by a taxpayer through the taxpayer's interest in a partnership, whether the interest in that partnership is held directly or indirectly through a series of partnerships or other pass-through entities. A "unitary business" shall not include persons subject to, or that would be subject to if doing business in the Commonwealth, the insurance premiums license tax under Chapter 25 (§ 58.1-2500 et seq.), Code of Virginia, or the bank franchise tax under Chapter 12 (§ 58.1-1200 et seq.).

3. The report must be submitted to the Department of Taxation on or before June 1, 2021, which date shall not be extended.

4. Members of a unitary combined group shall exclude as a member and disregard the income and apportionment factors of any corporation incorporated in a foreign jurisdiction (a "foreign corporation") if the average of its property, payroll and sales factors outside the United States is eighty percent (80%) or more. If a foreign corporation is includible as a member in the unitary combined group, to the extent that such foreign corporation's income is subject to the provisions of a federal income tax treaty, such income is not includible in the unitary combined group net income. Such member shall also not include in the unitary combined report any expenses or apportionment factors attributable to income that is subject to the provisions of a federal income tax treaty. For purposes of this paragraph, "federal income tax treaty" means a comprehensive income tax treaty between the United States and a foreign jurisdiction, other than a foreign

jurisdiction which the organization for economic co-operation and development has determined has not committed to the internationally agreed tax standard, or has committed to the international agreed tax standard but has not yet substantially implemented that standard, as identified in the then-current organization for economic co-operation and development progress report.

B. Any corporation required to submit such report to the Department of Taxation that fails to do so on or before June 1, 2021, or that makes a material omission or misstatement in connection with such report shall be subject to a penalty of \$10,000. The Tax Commissioner shall have the authority to waive such penalty upon a determination that the requirement would cause an undue hardship. All requests for waiver shall be transmitted to the Tax Commissioner in writing.

C. The Tax Commissioner shall on or before December 1, 2021, based on the information provided in income tax returns and the data submitted under this section, submit a report to the Chair of the Senate Finance and Appropriations Committee, the Chair of the House Appropriations Committee, and the Chair of the House Finance Committee."

Explanation:

(This amendment requires corporations that are members of a unitary business to file an informational report with the Department of Taxation for the unitary combined group containing the unitary combined net income of the group. Any corporation required to submit such report that fails to do so on or before June 1, 2021, or that makes a material omission or misstatement in connection with such report is subject to a penalty of \$10,000, unless waived by the Tax Commissioner upon a determination that the requirement would cause an undue hardship.)

The written notice shall also inform the tenant that the landlord shall apply for rental assistance on the tenant's behalf within 14 days of serving the notice on the tenant, unless the tenant pays in full, enters into a payment plan or informs the landlord that they have already applied for rental assistance. The amount subject to recapture shall be a portion of the amount withdrawn in the taxable year that was used for other than the payment of eligible costs, computed by multiplying the amount withdrawn and used for other than the payment of eligible costs by the ratio of the aggregate earnings in the account at the time of the withdrawal to the total balance in the account at such time.

However, recapture shall not apply to the extent of moneys or funds withdrawn that were (i) withdrawn by reason of the qualified beneficiary's death or disability; (ii) a disbursement of assets of the account pursuant to a filing for protection under the United States Bankruptcy Code, 11 U.S.C. §§ 101 through 1330; or (iii) transferred from an account established pursuant to Chapter 12 (§ 36-171 et seq.) of Title 36 into another account established pursuant to such chapter for the benefit of another qualified beneficiary.

28. a. Income attributable to an investment in a Virginia real estate investment trust. To qualify for a subtraction under this subdivision, the investment shall be made on or after January 1, 2019, but before December 31, 2024. § 58.1-322.03. Virginia taxable income; deductions.

In computing Virginia taxable income pursuant to § 58.1-322, there shall be deducted from Virginia adjusted gross income as defined in § 58.1-321:

1. a. The amount allowable for itemized deductions for federal income tax purposes where the taxpayer has elected for the taxable year to itemize deductions on his federal return, but reduced by the amount of income taxes imposed by the Commonwealth or any other taxing jurisdiction and deducted on such federal return and increased by an amount that, when added to the amount deducted under § 170 of the Internal Revenue Code for mileage, results in a mileage deduction at the state level for such purposes at a rate of 18 cents per mile; or

b. Provided that the taxpayer has not itemized deductions for the taxable year on his federal income tax return: (i) for taxable years beginning before January 1, 2019, and on and after January 1, 2026, \$3,000 for single individuals and \$6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return) and (ii) for taxable years beginning on and after January 1, 2019, but before January 1, 2026, \$4,500 for single individuals and \$9,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return). For purposes of this section, any person who may be claimed as a dependent on another taxpayer's return for the taxable year may compute the deduction only with respect to earned income.

2. a. A deduction in the amount of \$930 for each personal exemption allowable to the taxpayer for federal income tax purposes.

b. Each blind or aged taxpayer as defined under § 63(f) of the Internal Revenue Code shall be entitled to an additional personal exemption in the amount of \$800.

The additional deduction for blind or aged taxpayers allowed under this subdivision shall be allowable regardless of whether the taxpayer itemizes deductions for the taxable year for federal income tax purposes.

3. A deduction equal to the amount of employment-related expenses upon which the federal credit is based under § 21 of the Internal Revenue Code for expenses for household and dependent care services necessary for gainful employment.

4. An additional \$1,000 deduction for each child residing for the entire taxable year in a home under permanent foster care placement as defined in § 63.2-908, provided that the taxpayer can also claim the child as a personal exemption under § 151 of the Internal Revenue Code.

b. A deduction in the amount of \$12,000 for individuals born after January 1, 1939, who have attained the age of 65. taxable income, on obligations or securities of any authority, commission or instrumentality of the United States, which the laws of the United States exempt from federal income tax but not from state income taxes;

(2) The related member derives at least one-third of its gross revenues from the licensing of intangible property to parties who are not related members, and the transaction giving rise to the expenses and costs between the corporation and the related member was made at rates and terms comparable to the rates and terms of agreements that the related member has entered into with parties who are not related members for the licensing of intangible property; or

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had

a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

b. A corporation required to add to its federal taxable income interest expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses

and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

FRIDAY, FEBRUARY 19, 2021

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable Jeremy S. McPike, Twenty-ninth Senatorial District, offered the following prayer:

These words this morning are all offered and written by my father-in-law, Emmel Myskowski.

God of love, You created us and You sustain us in the human struggle for goodness. You call us to live as brothers and sisters. Give us the strength daily to be instruments of peace and prosperity. Enable us to see everyone in our constituencies as brother or sister. Make us sensitive to the plea of our Virginia citizens who entreat us to daily find and implement ways to assist their legitimate needs. Help us to be strong enough to diffuse the violence of our tongues and our hands. Renew our hearts and minds, so that our way of life will always be that of shalom, peace, salaam, and we say, Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Corinne Sloan, Assistant Journal Clerk, Senate Clerk's Office.

That the regulations required to be adopted by the State Air Pollution Control Board (Board) pursuant to § 10.1-1307.04 of the Code of Virginia, as created by this act, shall allow any motor vehicle manufacturer to establish a Virginia-specific zero-emission vehicle (ZEV) credit account in the ZEV Credit System and to make a one-time deposit into its account a number of proportional credits equal to its 2025 model year starting

California credit balance multiplied by the ratio of the average number of passenger cars and light-duty trucks that a manufacturer produced and delivered for sale in Virginia to the average number of passenger cars and light-duty trucks the manufacturer produced and delivered for sale in California during the time period selected by the manufacturer for calculation of its ZEV requirement for the first effective model year. The deposit shall be made only after all credit obligations for model year 2024 and earlier have been satisfied. While manufacturers may trade or sell these proportional credits to any other manufacturer, these credits may be used to meet up to 18 percent of its ZEV program credit requirements in any model year, unless and until the required regulations are superseded by regulations updating the Advanced Clean Car Program. The Board shall not award or provide any vehicle manufacturer with any other form of ZEV program credits or credit balance prior to the effective date or at the beginning of the compliance period of the regulations required by § 10.1-1307.04 of the Code of Virginia, as created by this act. As part of any update to the required regulations to ensure compliance of the ZEV program with the federal Clean Air Act (42 U.S.C. § 7401 et. seq.), the Board shall adjust, if necessary, restrictions on the use of the proportional credits remaining in manufacturers' Virginia accounts in order to ensure that the percentage of ZEVs required to be delivered for sale under Virginia's ZEV program is approximately equivalent to, but does not exceed, the percentage required under California's ZEV program, taking into account only existing ZEV credit banks, any changes in restrictions on their use, and the effects of new regulatory requirements on the amount and timing of ZEVs required to be delivered for sale.
