MONDAY, FEBRUARY 22, 2021

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable John J. Bell, Thirteenth Senatorial District, offered the following prayer:

*I am going to do a prayer this morning referred to as the "knots prayer" and it is a prayer that is very popular for those who are in recovery. It gives them a lot of faith, and today, recovery, addiction recovery, is something that is plaguing people across Virginia. COVID, frankly, has even made it worse for many and I know it has touched families, it has touched my family, and I ask that you all join me in prayer today and think about those who are fighting this cause today. Let us bow our heads.*

Dear God, please untie the knots that are in my mind, my heart, and my life. Remove the have nots, the can nots, and the do nots that I have in my mind. Erase the will nots, may nots, might nots that may find a home in my heart. Release me from the could nots, would nots, and should nots that obstruct my life. And most of all, dear God, I ask that you remove from my mind and my heart all of the "am nots" that I have allowed to hold me back, especially the thought that I am not good enough. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Bladen Finch, Senate Page Program Director/Civics Coordinator, Senate Clerk's Office.

The roll was called and the following Senators answered to their names:

Barker, Bell, Boysko, Chase, Cosgrove, Deeds, DeSteph, Dunnavant, Ebbin, Edwards, Favola, Hanger, Hashmi, Howell, Kiggans, Lewis, Locke, Lucas, Marsden, Mason, McClellan, McDougle, McPike, Morrissey, Newman, Norment, Obenshain, Peake, Petersen, Pillion, Reeves, Ruff, Saslaw, Spruill, Stanley, Stuart, Suetterlein, Surovell, Vogel.

Lord, we need to take these words into serious consideration. Lord, our country, and even our Commonwealth, are having difficult times right now. Everyone, from the members of the Senate or the House of Delegates or citizens, are struggling right now. Lord, we ask for Your blessings. We ask for You to heal our land. But Father, I ask that everyone in this assembly will look to the left, look to the right, look forward and backward and see not enemies, but friends. Invaluable friends. Lord, please give massive blessings to our staff. They are struggling as well, Lord, to try and help us do the business of the Commonwealth. And, Lord, I ask You please, in Jesus' name, just to bless us. Let us remember the words and let us always praise You. Amen.

## WEDNESDAY, FEBRUARY 24, 2021

The Senate met at 10:30 a.m. and was called to order by the President pro tempore, Senator L. Louise Lucas.

The Honorable Jennifer B. Boysko, Thirty-third Senatorial District, offered the following prayer:

*You know on Monday we passed the mark where 500,000 Americans have died from COVID-19, and we are at the point of 7,500 here in Virginia, so I ask that we hold a moment of silence in their memory and their honor. Thank you.*

O God of all comfort, we pray for those who have been, who are, and who will be affected by all that encompasses COVID-19. The physical, mental, spiritual, emotional, and financial burdens are great and we know that not everyone is affected equally or justly. We pray especially for those who are risking their lives for protection and sustenance of others, and we pray mightily and with and for those whose voices often go unheard. We ask that You will look upon those who the world tries to look away from. May they know especially that they are heard, that they are held, and they are loved. May they know Your truth in a world full of lies, may they know Your protection in a world full of violence, and may they know Your abundance in a world full of poverty. No child should have to fight so hard for the inheritance that You so freely gave to all. By Your name we are beloved, we belong, and we are beautiful. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Kyle Blankenship, Systems Administrator, Senate Clerk's Office.

The Senate met at 10:30 a.m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable Mark D. Obenshain, Twenty-sixth Senatorial District, offered the following prayer:

Our Heavenly Father, we invite You today into our midst. Today and every day we ask You to help us to commit ourselves to Your work and to the good of our Commonwealth and our citizens. We ask You to give us a desire to promote righteousness, things that will honor You, and not ourselves. We ask You to help us to cut through hypocrisy and tendencies to make our names known instead of Yours. Help us to commit ourselves to honor and to a pure conscience. Give us a spirit of unity but only with compromises that promote Your good. Let wisdom and integrity reign in our lives and we ask You to protect and guide us in our work and all who work with us. Protect and guide also our families and surround them with Your love. I ask this in Jesus' name. Amen.

## SATURDAY, FEBRUARY 27, 2021

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Honorable Bryce E. Reeves, Seventeenth Senatorial District, offered the following prayer:

Most gracious heavenly Father, Lord, we come to You this morning thankful for the air we breathe and the life You give us, Father. I cannot help but think about the tragic events of yesterday, Lord, when our Commonwealth lost yet another law-enforcement officer in the line of duty, Lord, and it takes me to, if I remember my scripture, Lord, Matthew 5 verse 9, "Blessed are the peacemakers, Lord, for they are the sons of God." Father, let it be a reminder that You do not guarantee us another day, another heartbeat, or another breath, Lord. That we stay focused as we close our time here in the General Assembly, that when we leave this place that we remember Your will in our lives and that we do Your bidding. Father, I thank You for my colleagues, I thank You for their families, the sacrifices that they have made. I ask that You give each and every one of them, to include all of our staff and their support staff, our law-enforcement, and all those engaged in making laws for the Commonwealth, traveling mercies as they go home and enrich their lives and their territories. It is in Your most gracious and holy name I pray. Amen.

Additionally, the workgroup shall discuss ideas to incentivize positive business behavior by general contractors, models that require subcontractors to get authorization prior to outsourcing any work on state contracts, such as the one deployed by the Virginia

Military Institute, and data collection and verification of employee payrolls for independent contractors working on state contracts.

5. Initial ideas from the workgroup are implemented in paragraphs F. and G. of this item. The workgroup may make recommendations to continue, stop, or modify these items in its final report.

F.1. "44. Compensation Supplement

a. Out of this appropriation, \$233,738,033 the second year from the general fund and \$759,098 the second year from the Lottery Proceeds Fund is provided for the state share of a payment of up to a 5.0 percent salary increase effective July 1, 2021, for SOQ instructional and support positions. Funded SOQ instructional positions shall include the teacher, school counselor, librarian, instructional aide, principal, and assistant principal positions funded through the SOQ staffing standards for each school division in the biennium. This amount includes \$1,046,023 the second year from the general fund referenced in paragraph C. 27. j. for the Academic Year Governor's Schools for the state share of a payment of the following salary increases for instructional and support positions, and this amount includes \$759,098 the second year from the Lottery Proceeds Fund referenced in paragraph C. 9. f. 6) for Regional Alternative Education Programs for the state share of a payment of the following salary increases for instructional and support positions.

b. It is the intent that the instructional and support position salaries are increased in school divisions throughout the state by at least an average of 5.0 percent during the biennium. Sufficient funds are appropriated in this act to finance, on a statewide basis, the state share of up to a 5.0 percent salary increase the second year for funded SOQ instructional and support positions, effective July 1, 2021, to school divisions that certify to the Department of Education the average salary increase that has been or will have been provided during the 2020-2022 biennium to instructional and support personnel. The state funds for which the division is eligible to receive shall be matched by the local government, based on the composite index of local ability-to-pay, which shall be calculated using an effective date of July 1, 2021, as the basis for the local match requirement for both funded SOQ instructional and support positions.

c. The state share of funding provided to a school division in support of this compensation supplement shall be prorated for school divisions that provide less than an average 5.0 percent salary increase during the biennium; however, to access these funds, a school division must provide at least an average 2.0 percent salary increase during the biennium.

d. This funding is not intended as a mandate to increase salaries."

**Explanation:**

(This amendment provides \$233.7 million the second year from the general fund and \$759,098 the second year from the Lottery Proceeds fund to provide a 5.0 percent salary increase, effective July 1, 2021. This represents an addition of \$153.6 million the second year, to the convert the 2.0 percent bonus payment that was proposed in the budget as introduced to a 5.0 percent salary increase. To access these funds, each school division must provide at least an average 2.0 percent pay increase during the 2020-22 biennium, and funding provided is prorated for school divisions providing between 2.0 percent and 5.0 percent pay increases over the biennium.)

In developing such recommendations, the Board shall consider: (i) the dramatic decrease in the Average Daily Population in detention centers over the course of two decades without a comparable decrease in state funding; (ii) establishing a system-wide staffing ratio that is comparable to those provided in Regional Alternative Education Programs and aligned with the staffing requirements provided in the federal Prison Rape Elimination Act; (iii) implementing efficiencies, such as sharing SOP instructional staff with participating school divisions, hiring part-time teachers and dually-certified teachers and principals, and utilizing a lead teacher in lieu of a full-time principal in programs with a low average daily population; (iv) changes to SOP operating agreements to facilitate more efficient staffing practices and to clarify the role of the state and school divisions in hiring and supervising SOP instructional staff; (v) increasing the use of enhanced distance learning; and (vi) the draft recommendations deliberated by the Commission on Youth from the 2020 study.

The Board shall convene a workgroup to assist in the development of such findings and recommendations and shall include staff members from the Senate Finance and Appropriations Committee, House Appropriations Committee, Department of Planning and Budget, the Virginia Department of Education, the Department of Juvenile Justice, the President of the Virginia Juvenile Detention Association or his/her designee, the Chair of the Virginia Commission on Youth or his/her designee, and other representatives the Board deems appropriate. **Explanation:**

(This amendment restores \$250,000 from the general fund the second year provided during the 2020 regular session for SCHEV to implement the Guidance to Postsecondary Success (GPS) program. These funds were later unallotted. The purpose of this new initiative is to increase student transitions from high school to postsecondary education and also help students find the right fit for their future and in terms of costs. Each year, 25,000 high school graduates do not enroll in postsecondary education within 16 months, including significantly higher percentages for African-American, Hispanic and economically disadvantaged students. The pandemic and virtual learning environments in high schools are expected to exacerbate these inequitable outcomes in the coming year. Working closely with the Virginia Department of Education, SCHEV will seek to increase these enrollment rates through the development of materials and informational resources and the coordination of awareness events, professional development opportunities for secondary staff and partnerships with institutions, schools, school divisions and non-profit organizations. In addition, these funds will be used as a match for an upcoming SCHEV application for a federally-funded Gaining Early Awareness and Readiness for Undergraduate Programs (GEAR UP) grant that also will focus on school division-specific and statewide outreach programs, as well as, required scholarships for eligible students.)

Approximately 13,000 immigrant children in Virginia lack health insurance and approximately 9,000 of those children live under 200 percent of the federal poverty level. They do not qualify for CHIP-funded (Children's Health Insurance Program) health insurance due to their immigration status.)

The program would increase the number of Virginia behavioral health practitioners through the establishment of an educational loan repayment incentive that complements and coordinates with existing efforts to recruit and retain Virginia behavioral health practitioners. The program would allow for a variety of behavioral health practitioners to receive a student loan repayment award from the Commonwealth in exchange for providing service to Virginia communities that are otherwise underserved. Practitioners would receive loan repayment for up to 25 percent of student loan debt for each year of health care service provided to the Commonwealth. Maximum loan repayment amounts per year are dependent upon the type of behavioral health professional applying and shall not exceed the total student loan debt. Participating practitioners will have an initial two-year minimum participation obligation and may renew for a third and fourth year. This provides the practitioner with the opportunity to fully pay off their student loan debt while providing four years of service to the Commonwealth. In addition, this amendment also strikes outdated language related to developing a plan for increasing the number of behavioral health practitioners.)

**Explanation:**

(This amendment provides \$393,801 the second year from the general fund to develop a new data collection program to address prescription drug price transparency, pursuant to the provisions of House Bill 2007, 2021 Special Session I. The data would be used in combination with data already submitted to the Virginia All Payer Claims Database (APCD) to develop an annual online report that analyzes drivers of prescription drug prices. (This amendment captures \$1.8 million from the general fund the first year and \$5.4 million from the general fund the second year and a corresponding increase in federal Children's Health Insurance Program (CHIP) matching funds to reflect the savings to the Commonwealth pursuant to enhanced federal matching funds for the fourth quarter of fiscal year 2021 and the first and second quarters of fiscal year 2022. The federal Families First Coronavirus and Response Act, passed in March 2020, increased the federal match rate for Medicaid by 6.2 percentage points until the end of the quarter in which the declared public health emergency (PHE) due to COVID-19 expires. The CHIP match rate factors in the Medicaid match rate and is therefore increased, but at an enhanced match rate of 4.34 percent. The PHE is extended in 90-day increments and was recently extended into the fourth quarter of fiscal year 2021. In addition, the Acting U.S. Secretary of Health and Human Services has informed all state Governors of their intention to extend the PHE through the end of calendar year 2021 to provide greater budget certainty to states. The Department shall have the authority to implement this change effective July 1, 2021, or consistent with the effective date in the State Plan Amendment approved by the Centers for Medicare and Medicaid Services (CMS), and prior to completion of any regulatory process."

A companion amendment in the Medicaid program (Item 313) reduces expenditures by \$13.4 million general fund and \$13.4 million in matching federal Medicaid funds based on the adoption of this change. 2. The Department of Medical Assistance Services shall work with the freestanding children's hospitals to assess the method used to determine the case mix adjustment factor and what factors may be influencing changes that result in significant funding shifts when rebasing occurs."

**Explanation:**

(This amendment adds funding and language directing the Department of Medical Assistance Services to adjust the formula used to calculate indirect medical education reimbursement for managed care discharges at Children's Hospital of the King's Daughters (CHKD). This change would partially restore CHKD's case mix index (CMI) factor, which had been reduced in fiscal year 2020. The change is intended to stabilize CHKD's IME funding levels so the hospital is not subject to dramatic fluctuations in future Medicaid payments that occur with rebasing and changes in federal policy, and would be consistent with historic levels of state support. Out of this appropriation, \$250,000 the first year from the general fund and \$250,000 from nongeneral funds is provided to the Department of Medical Assistance Services (DMAS) to contract for an analysis of payment, authorization, and provider requirements contributing to the outcomes of Medicaid and FAMIS-covered pregnancies and births. This analysis shall be conducted in collaboration with DMAS and contracted Medicaid managed care organizations and based on recommendations for high-value care by the American College of Obstetrics and Gynecology. The analysis shall (i) compare service utilization to maternal and birth outcomes; (ii) identify patterns and outliers in claim payments by provider-type and service-type compared to maternal and birth outcomes; (iii) compare findings to available data on race, ethnicity, geographic location, and preferred language; (iv) compare findings to coverage policies for post-partum women; (v) evaluate the potential increased risk of adverse maternal and birth outcomes arising from COVID-19; and (vi) document the provision of services identified by the American College of Obstetrics and Gynecology that potentially result in unnecessary utilization and spending. Such analysis shall be conducted using claim and encounter data related to Medicaid and FAMIS-covered pregnancies and births. Based on this analysis, the contractor shall conduct a review of policy implications, corresponding payment policies, authorization requirements, provider administrative requirements and spending that may be contributing to more or less favorable outcomes, and identify opportunities for cost savings. DMAS shall engage an external contractor to conduct this analysis not later than 120 days after the effective date of this act. This analysis and research shall be conducted by a Virginia Department of Small Business and Supplier Diversity-certified SWaM business. The department shall report on this analysis to the Task Force on Maternal Health Data and Quality Measures for the purpose of evaluating maternal health data collection to guide policies in the Commonwealth to improve maternal care, quality, and outcomes for all birthing people in the Commonwealth."

**Explanation:**

(This amendment adds \$250,000 the second year from the general fund and matching federal Medicaid funding to analyze Medicaid and FAMIS administrative and operational data requirements and their impact on maternal mortality and birth outcomes. Medicaid claim edits, payment policies, provider requirements, and coverage policies impact how providers deliver care and members access services. Language requires this analysis to be conducted by an external third-party in close collaboration with DMAS and Medicaid managed care organizations to provide an impartial perspective. It requires the analysis and research to be conducted by a Virginia Department of Small Business and Supplier Diversity-certified SWaM business. Language requires the department to report on this analysis to the Task Force on Maternal Health Data and Quality Measures, established by House Bill 2111, 2021 Special Session I.)

"II. Out of this appropriation, \$1,319,515 the second year from the general fund and \$3,798,129 from nongeneral funds is provided to support the Emergency Department Care Coordination Program (EDCC). The Department of Medical Assistance Services, in cooperation with the Virginia Department of Health, shall establish a work group comprised of the EDCC contractor, the Virginia Health Information, Medicaid and commercial managed care organizations, health systems with emergency departments and emergency department physicians to optimize the use of the system and any enhancements to the system to facilitate communication and collaboration among physicians, other healthcare providers and other clinical and care management personnel about patients receiving services in hospital emergency departments for the purpose of improving the quality of care. The work group shall determine how to best measure performance of the system, identify utilization trends and outcomes, and make any recommendations for system improvements to the Governor and General Assembly by December 1, 2021."

**Explanation:**

(This amendment adds \$1.3 million from the general fund and \$3.8 million from enhanced federal Medicaid Management Information Systems matching funds to continue funding for the Emergency Department Care Coordination (EDCC) Program and complete several enhancements which should result in cost savings to the Commonwealth and higher quality care

for Medicaid and FAMIS beneficiaries. The 2017 General Assembly established the EDCC program to provide a single, statewide technology solution that connects all hospital emergency departments in the Commonwealth to facilitate real-time communication and collaboration among physicians, other healthcare providers and other clinical and care management personnel for patients receiving services in hospital emergency departments for the purpose of improving the quality of patient care services. The program also integrates the state’s Prescription Monitoring Program and the Advance Healthcare Directive Registry. To date, 100% of hospital Emergency Departments and health plans participate in the EDCC Program. The program has been successful in supporting a reduction in opioid overdoses since its implementation and has been critical in coordinating responses to the COVID-19 pandemic. The program has been funded through federal HITECH funding which provides a 90% federal match rate, but the federal funding will end on September 30, 2021. The amendment leverages available federal Medicaid Management Information Systems funding to complete the system enhancements at a 75% federal match rate. Language also requires the development of a work group to make recommendations for system improvements by December 1, 2021.)

**Explanation:**

(This amendment provides \$670,476 from the general fund and \$7.7 million from nongeneral funds the second year to increase Temporary Assistance to Needy Families (TANF) benefits by ten percent. The general fund amount reflects the increase for the TANF Unemployed Parent program which is state-funded. The General Assembly provided a 15 percent increase beginning July 1, 2020, bringing the average monthly payment for a TANF family to \$361. Language requires the Department of Social Services to develop a plan to increase the standards of assistance by 10 percent annually until the standards equal 50 percent of the federal poverty level. TANF eligibility is tied to the monthly cash assistance value. In 1985, a three person family in the City of Richmond could be eligible with net income below 48 percent of the federal poverty level. To qualify now, the family's net income must be less than 30 percent of the federal poverty level.)

**Explanation:**

(This amendment captures \$2.9 million the first year and \$5.8 million the second year from the general fund and includes an offsetting amount of federal Title IV-E foster care funding to reflect a higher federal match rate. The federal Families First Coronavirus and Response Act, passed in March 2020, increased the federal match rate for Medicaid by 6.2 percentage points until the end of the quarter in which the declared COVID-19 public health emergency (PHE) expires. The federal Title IV-E programs used the Medicaid match rate to determine the state and federal share of the program. The PHE is extended in 90-day increments and was recently extended into the fourth quarter of state fiscal year 2021. In addition, the Acting U.S. Secretary of Health and Human Services has informed all state Governors of their intention to extend the PHE through the end of calendar year 2021 to provide greater budget certainty to states. Therefore, this amendment also captures the savings from the first and second quarters of state fiscal year 2022.)

A corresponding amendment in the Children's Services Act reflects the increase in maintenance payments from the State KinGAP program while this amendment reflects the decrease in Title IV-E program costs as some children will transition to the State-Funded Kinship Guardianship Assistance Program, which has lower maintenance payments than the Title IV-E program.)

**Explanation:**

(This amendment provides bond authorization to begin improvements and upgrades to the East Campus Steam Plant. The original East Campus Steam Plant was purchased from the City of Harrisonburg in 2017 and housed two trash-burning boilers and a steam turbine; it now houses two 35,000 pph boilers, three steam-turbine driven chillers, one electric chiller, and two cooling towers. All of the equipment was poorly maintained while in the city's care. The existing boiler equipment and the #2 chiller is rundown and a serious risk for catastrophic failure which would cause the university to shutter buildings. It is critical to remove and replace the existing 35,000 pph boilers, #2 chiller immediately and associated equipment. Total project cost for this phase of work is \$6,579,237 and includes \$4,605,466 in VCBA bonds and \$1,973,771 in auxiliary nongeneral funds. Future phases of this project will include the new boilers relocating to the future boiler building and an additional 80,000 pph boiler to increase current boiler capacity from 180,000 pph to 250,000 pph to cover existing and proposed future loads.)

**Explanation:**

(This amendment modifies the coverage assessment amount collected from hospitals to cover the state share of Medicaid expansion costs. Current law requires the collection of 108 percent of the state share of the full costs of expanded Medicaid coverage. The original intent was to ensure that collections were sufficient to cover the full cost of expansion and not rely on any general fund dollars to expand Medicaid. Rate assessment language has since been amended to allow the Department of Medical Assistance Services (DMAS) to adjust assessments with each quarter to account for differences between estimates and actual spending, however, the 108 percent collection requirement is applied to the estimate for the entire year and not just the remaining quarters. In addition, DMAS now has more experience with expansion and hospital overpayments in the first two years of the program have far exceeded the additional eight percent add-on. Reducing the add-on from eight to two percent would reduce the amount of overpayment made each year by the hospitals into the Health Care Coverage Assessment Fund.)

**Explanation:**

(This amendment modifies language related to the hospital provider payment rate assessment to change the methodology to enable the hospitals to obtain additional federal dollars with no

additional cost to the Commonwealth. Current budget language limits supplemental payments by the upper payment limit gap for fee-for-service claims and extrapolates that gap to managed care claims. Because over 90 percent of Medicaid enrollees are in managed care, this gap can be highly variable on an annual basis and can limit total rate enhancement. The federal Centers for Medicare and Medicaid Services (CMS) has provided other states the flexibility to structure managed care directed payments as a percentage of Medicare. However, the introduced budget language is highly prescriptive and limits the department's ability to explore and apply an alternate methodology which could potentially stabilize or increase total supplemental payments.)

Corporate Income Tax Informational Reporting

"§ 3-5.23 CORPORATE INCOME TAX INFORMATIONAL REPORTING

A.1. Corporations that are members of a unitary business must file a report, in a manner prescribed by the Tax Commissioner, for the unitary combined group containing the unitary combined net income of such group. The report shall be based on taxable year 2019 computations and include, at a minimum the difference in tax owed as a result of filing a unitary combined report, computed according to the method or methods specified by the Tax Commissioner, compared to the tax owed under the current filing requirements.

2. "Unitary business" means a single economic enterprise made up either of separate parts of a single business entity or of a commonly controlled group of business entities that are sufficiently interdependent, integrated, and interrelated through their activities so as to provide a synergy and mutual benefit that produces a sharing or exchange of value among them and a significant flow of value to the separate parts. A "unitary business" includes that part of the business that meets the definition in this section and is conducted by a taxpayer through the taxpayer's interest in a partnership, whether the interest in that partnership is held directly or indirectly through a series of partnerships or other pass-through entities. A "unitary business" shall not include persons subject to, or that would be subject to if doing business in the Commonwealth, the insurance premiums license tax under Chapter 25 (§ 58.1-2500 et seq.), Code of Virginia, or the bank franchise tax under Chapter 12 (§ 58.1-1200 et seq.)

3. The report must be submitted to the Department of Taxation on or before June 1, 2021, which date shall not be extended.

4. Members of a unitary combined group shall exclude as a member and disregard the income and apportionment factors of any corporation incorporated in a foreign jurisdiction (a "foreign corporation") if the average of its property, payroll and sales factors outside the United States is

eighty percent (80%) or more. If a foreign corporation is includible as a member in the unitary combined group, to the extent that such foreign corporation's income is subject to the provisions of a federal income tax treaty, such income is not includible in the unitary combined group net income. Such member shall also not include in the unitary combined report any expenses or apportionment factors attributable to income that is subject to the provisions of a federal income tax treaty. For purposes of this paragraph, "federal income tax treaty" means a comprehensive income tax treaty between the United States and a foreign jurisdiction, other than a foreign jurisdiction which the organization for economic co-operation and development has determined has not committed to the internationally agreed tax standard, or has committed to the international agreed tax standard but has not yet substantially implemented that standard, as identified in the then-current organization for economic co-operation and development progress report.

B. Any corporation required to submit such report to the Department of Taxation that fails to do so on or before June 1, 2021, or that makes a material omission or misstatement in connection with such report shall be subject to a penalty of \$10,000. The Tax Commissioner shall have the authority to waive such penalty upon a determination that the requirement would cause an undue hardship. All requests for waiver shall be transmitted to the Tax Commissioner in writing.

C. The Tax Commissioner shall on or before December 1, 2021, based on the information provided in income tax returns and the data submitted under this section, submit a report to the Chair of the Senate Finance and Appropriations Committee, the Chair of the House Appropriations Committee, and the Chair of the House Finance Committee."

**Explanation:**

(This amendment requires corporations that are members of a unitary business to file an informational report with the Department of Taxation for the unitary combined group containing the unitary combined net income of the group. The report must be based on taxable year 2019 computations and include, at a minimum the difference in tax owed as a result of filing a unitary combined report compared to the tax owed under the current filing requirements. Any corporation required to submit such report that fails to do so on or before June 1, 2021, or that makes a material omission or misstatement in connection with such report is subject to a penalty of \$10,000, unless waived by the Tax Commissioner upon a determination that the requirement would cause an undue hardship.)

This subdivision shall not apply to the following: an individual who is an employee of, or under contract with, a law-enforcement agency, a victim or the perpetrator of the crime for which the reward was paid, or any person who is compensated for the investigation of crimes or accidents.

10. 12. Any income attributable to a distribution of benefits or a refund from a prepaid tuition contract or savings trust account with the Virginia College Savings Plan, created pursuant to Chapter 7 (§ 23.1-700 et seq.) of Title 23.1. 13. All military pay and allowances, to the extent included in federal adjusted gross income and not otherwise subtracted, deducted, or exempted under this section, earned by military personnel while serving by order of the President of the United States with the consent of Congress in a combat zone or qualified hazardous duty area that is treated as a combat zone for federal tax purposes pursuant to § 112 of the Internal Revenue Code.

14. For taxable years beginning before January 1, 2015, the gain derived from the sale or exchange of real property or the sale or exchange of an easement to real property which results in the real property or the easement thereto being devoted to open-space use, as that term is defined in § 58.1-3230, for a period of time not less than 30 years. 15. Fifteen thousand dollars of military basic pay for military service personnel on extended active duty for periods in excess of 90 days; however, the subtraction amount shall be reduced dollar-for-dollar by the amount by which the taxpayer's military basic pay exceeds \$15,000 and shall be reduced to zero if such military basic pay amount is equal to or exceeds \$30,000.

16. The first \$15,000 of salary for each federal and state employee whose total annual salary from all employment for the taxable year is \$15,000 or less.

17. Unemployment benefits taxable pursuant to § 85 of the Internal Revenue Code.

18. Any amount received as military retirement income by an individual awarded the Congressional Medal of Honor.

19. Items of income attributable to, derived from, or in any way related to (i) assets stolen from, hidden from, or otherwise lost by an individual who was a victim or target of Nazi persecution or (ii) damages, reparations, or other consideration received by a victim or target of Nazi persecution to compensate such individual for performing labor against his will under the threat of death, during World War II and its prelude and direct aftermath. This subtraction shall not apply to assets acquired with such items of income or with the proceeds from the sale of assets stolen from, hidden from, or otherwise lost to, during World War II and its prelude and direct aftermath, a victim or target of Nazi persecution. The provisions of this subdivision shall only apply to an individual who was the first recipient of such items of income and who was a victim or target of Nazi persecution, or a spouse, surviving spouse, or child or stepchild of such victim.

As used in this subdivision:

"Nazi regime" means the country of Nazi Germany, areas occupied by Nazi Germany, those European countries allied with Nazi Germany, or any other neutral European country or area in Europe under the influence or threat of Nazi invasion.

"Victim or target of Nazi persecution" means any individual persecuted or targeted for persecution by the Nazi regime who had assets stolen from, hidden from, or otherwise lost as a result of any act or omission in any way relating to (i) the Holocaust, (ii) World War II and its prelude and direct aftermath, (iii) transactions with or actions of the Nazi regime, (iv) treatment of refugees fleeing Nazi persecution, or (v) the holding of such assets by entities or persons in the Swiss Confederation during World War II and its prelude and aftermath. A "victim or target of Nazi persecution" also includes any individual forced into labor against his will, under the threat of death, during World War II and its prelude and direct aftermath.

20. The military death gratuity payment made after September 11, 2001, to the survivor of deceased military personnel killed in the line of duty, pursuant to 10 U.S.C. Chapter 75; however, the subtraction amount shall be reduced dollar-for-dollar by the amount that the survivor may exclude from his federal gross income in accordance with § 134 of the Internal Revenue Code.

21. The death benefit payments from an annuity contract that are received by a beneficiary of such contract, provided that (i) the death benefit payment is made pursuant to an annuity contract with an insurance company and (ii) the death benefit payment is paid solely by lump sum. The subtraction under this subdivision shall be allowed only for that portion of the death benefit payment that is included in federal adjusted gross income.

22. Any gain recognized from the sale of launch services to space flight participants, as defined in 49 U.S.C. § 70102, or launch services intended to provide individuals with the training or experience of a launch, without performing an actual launch. To qualify for a deduction under this subdivision, launch services must be performed in Virginia or originate from an airport or spaceport in Virginia.

23. Any gain recognized as a result of resupply services contracts for delivering payload, as defined in 49 U.S.C. § 70102, entered into with the Commercial Orbital Transportation Services division of the National Aeronautics and Space Administration or other space flight entity, as defined in § 8.01-227.8, and launched from an airport or spaceport in Virginia.

24. Any income taxed as a long-term capital gain for federal income tax purposes, or any income taxed as investment services partnership interest income (otherwise known as investment partnership carried interest income) for federal income tax purposes. To qualify for a subtraction under this subdivision, such income shall be attributable to an investment in a "qualified business," as defined in § 58.1-339.4, or in any other technology business approved by the Secretary of Administration, provided that the business has its principal office or facility in the Commonwealth and less than \$3 million in annual revenues in the fiscal year prior to the investment. To qualify for a subtraction under this subdivision, the investment shall be made

between the dates of April 1, 2010, and June 30, 2020. No taxpayer who has claimed a tax credit for an investment in a "qualified business" under § 58.1-339.4 shall be eligible for the subtraction under this subdivision for an investment in the same business.

25. b. Provided that the taxpayer has not itemized deductions for the taxable year on his federal income tax return: (i) for taxable years beginning before January 1, 2019, and on and after January 1, 2026, \$3,000 for single individuals and \$6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return) and (ii) for taxable years beginning on and after January 1, 2019, but before January 1, 2026, \$4,500 for single individuals and \$9,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return). For a regulated investment company and a real estate investment trust, such term means the "investment company taxable income" and "real estate investment trust taxable income," respectively, to which shall be added in each case any amount of capital gains and any other income taxable to the corporation under federal law which shall be further adjusted as provided in subsections B, C, D, E, ~~and~~ G, *and H*.

B. There shall be added to the extent excluded from federal taxable income:

2. Interest or dividends, less related expenses to the extent not deducted in determining federal taxable income, on obligations or securities of any authority, commission or instrumentality of the United States, which the laws of the United States exempt from federal income tax but not from state income taxes;

3. [Repealed.]

4. The amount of any net income taxes and other taxes, including franchise and excise taxes, which are based on, measured by, or computed with reference to net income, imposed by the Commonwealth or any other taxing jurisdiction, to the extent deducted in determining federal taxable income;

(2) The related member derives at least one-third of its gross revenues from the licensing of intangible property to parties who are not related members, and the transaction giving rise to the expenses and costs between the corporation and the related member was made at rates and terms comparable to the rates and terms of agreements that the related member has entered into with parties who are not related members for the licensing of intangible property; or

(3) The corporation can establish to the satisfaction of the Tax Commissioner that the intangible

expenses and costs meet both of the following: (i) the related member during the same taxable year directly or indirectly paid, accrued or incurred such portion to a person who is not a related member, and (ii) the transaction giving rise to the intangible expenses and costs between the corporation and the related member did not have as a principal purpose the avoidance of any portion of the tax due under this chapter.

A corporation required to add to its federal taxable income intangible expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of intangible expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such intangible expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

c. Nothing in subdivision B 8 shall be construed to limit or negate the Department's authority under § 58.1-446;

9. a. For taxable years beginning on and after January 1, 2004, the amount of any interest expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with one or more related members to the extent such expenses and costs were deductible or deducted in computing federal taxable income for Virginia purposes. This addition shall not be required for any portion of the interest expenses and costs, if:

(1) The related member has substantial business operations relating to interest-generating activities, in which the related member pays expenses for at least five full-time employees who maintain, manage, defend or are otherwise responsible for operations or administration relating to the interest-generating activities; and

(2) The interest expenses and costs are not directly or indirectly for, related to or in connection with the direct or indirect acquisition, maintenance, management, sale, exchange, or disposition of intangible property; and

(3) The transaction giving rise to the expenses and costs between the corporation and the related member has a valid business purpose other than the avoidance or reduction of taxation and payments between the parties are made at arm's length rates and terms; and

(iv) The transaction giving rise to the interest payments between the corporation and a related member was done at arm's length rates and terms and meets any of the following: (a) the related member uses funds that are borrowed from a party other than a related member or that are paid, incurred or passed-through to a person who is not a related member; (b) the debt is part of a regular and systematic funds management or portfolio investment activity conducted by the related member, whereby the funds of two or more related members are aggregated for the purpose of achieving economies of scale, the internal financing of the active business operations of members, or the benefit of centralized management of funds; (c) financing the expansion of the business operations; or (d) restructuring the debt of related members, or the pass-through of acquisition-related indebtedness to related members.

b. A corporation required to add to its federal taxable income interest expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest

expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

No suit for the purpose of contesting any action of the Tax Commissioner under this subdivision shall be maintained in any court of this Commonwealth.

“3. If rent is unpaid when due, or if a payment under the terms of a payment plan is unpaid when due, the landlord shall, pursuant to § 55.1-1202, Code of Virginia, serve a written notice on the tenant that informs the tenant of the Virginia Rent Relief Program (formerly Virginia Rent and Mortgage Relief Program) and provides the website address and statewide telephone number for that program. The written notice shall also provide information on how to reach 2-1-1 Virginia to determine whether there are any other available federal, state and local rent relief programs. The written notice shall also inform the tenant that the owner, landlord, or owner's licensed agent shall apply for rental assistance on the tenant's behalf within 14 days of serving the notice on the tenant, unless the tenant pays in full, enters into a payment plan or informs the landlord that they have already applied for rental assistance. The landlord shall apply for rental assistance on behalf of the tenant no later than 14 days after serving the written notice on the tenant, unless they receive the full amount owed by the tenant or confirmation from the tenant that the tenant has applied for rental assistance before the 14th day, or they have entered into a payment plan with the tenant. If the tenant has applied for rental assistance, the landlord shall cooperate with the tenant's application, by providing all information and documentation required to complete the application, including but not limited to the W-9 IRS form and any supporting affidavits. In an initial application, if the landlord or the tenant does not receive written approval from the Virginia Rent Relief Program (formerly Virginia Rent and Mortgage Relief Program) or any other federal, state, or local rent relief program within forty-five days of when the application for assistance is made by the tenant or the landlord, the landlord may proceed to obtain possession of the premise as provided in § 55.1-1251. For any subsequent application, if the landlord or tenant does not receive written approval from the Virginia Rent Relief Program (formerly Virginia Rent and Mortgage Relief Program) or any other federal, state, or local rent relief program within fourteen days of submission of the subsequent application, the landlord may proceed to obtain possession of the premises as provided in § 55.1-1251. If a tenant who has not paid in full or entered into a payment plan with the landlord within 14 days after the written notice is served refuses to apply for rental assistance and also refuses to cooperate with the landlord in providing information and documentation required to complete the application made by the landlord, or if such tenant is determined ineligible for rental assistance, or there are no longer funds available through any federal, state or local rental assistance program, the landlord may take action to obtain possession of the tenant's dwelling unit as provided in § 55.1-1251, Code of Virginia.”

The Honorable Lionell Spruill, Sr., Fifth Senatorial District, offered the following prayer:

Dear God my Father, the father of Abraham, Isaac, and Jacob, I come to thank You because You have been so good to us. Thank You for allowing us to see another day, to give You all the honor, glory, and praise. Thank You, my Father, because You are so great and so good and we love You. We have come here this morning to ask You, please, to bless those who are sick with this virus that we have. I ask that You please go into all the houses and touch them, dear Father, in the name of Jesus and those who need the help right now. I ask, dear Father, please come to this place and touch each and every one of us who are here. Touch their body, whatever it is that we may have in this place, touch us, dear Father, because we know You are our maker. Help us, dear Father, to work together, that what we do today we do to please in Thy sight. We will be careful to give You all the honor and all the glory. In Jesus' name, we ask these things. Amen.

**HOUSE BILLS WITH GOVERNOR’S RECOMMENDATIONS**

**H.B. 1800** (one thousand eight hundred) was taken up together with the following communication from the Governor:

COMMONWEALTH OF VIRGINIA  
Office of the Governor

March 31, 2021

TO: HOUSE OF DELEGATES  
HOUSE BILL NO. 1800

I approve the general purpose of this bill, but I am returning it with a request for the adoption of 18 amendments. I am grateful to each member of the House of Delegates and the Senate of Virginia for your dedicated work and your timely passage of this budget.

I am pleased that the budget you returned to me reflects so many of the important new initiatives that we have been advancing together—particularly those that we agreed to last year, but then put on hold due to the pandemic. Virginians have worked hard over the past year and have sacrificed a lot, and today, we are beginning to see our economy and our way of life recover.

More work lies ahead for Virginia and our country, but a full recovery is now within our reach. It is time to move important initiatives forward such as early childhood education, free community college for eligible students pursuing high-demand fields, and pay increases for public employees and teachers.

As with any budget, there is always an opportunity to make it better with each stage of review, so these amendments seek to improve the budget, not to re-write it. The majority of these amendments propose changes in language only. Here is a summary:

1. Reflect GF resource changes on front page
2. Fund third-party investigation of Inspector General
3. Adjust elections language
4. Add positions to address findings from disparity study
5. Extend Superintendent's waiver language
6. Reflect hospital provision requirements associated with HB 2162
7. Authorize the appropriation of federal ARPA Medicaid revenue
8. Expand use of federal funds to be used for child care services
9. Correct nongeneral fund source for school age child care grants
10. Replace provision for Virginia Land Conservation Foundation funding with general fund support to assist the Chickahominy Tribe
11. Clarify law-enforcement firearm waiver
12. Provide drug recognition expert training
13. Amend line-of-duty means testing and spouse exception
14. Fund marijuana prevention and education
15. Revert unspent state COVID-19 fund amounts
16. Amend reporting date for corporate income tax informational reporting
17. Modify US Department of Agriculture MOU language
18. Amend limits on economic relief payments

#### Language Only Amendments

Several of the language amendments close gaps or clarify legislation that has passed recently. These include: continuing the elections provisions that we adopted last fall, closing an existing gap until the new legislation takes effect on July 1, 2021; eliminating conflicts between existing budget language and legislation that was just enacted related to requirements placed on hospitals for designated support persons; and clarifying the type of firearms for which law enforcement must obtain waivers from the Department of Criminal Justice Services.

I also propose three language amendments to ensure our ability to continue responding to needs related to the COVID pandemic by giving agencies the flexibility to respond and the authority to address the opportunities presented by the federal funding such as the American Rescue Plan Act (ARPA), until we can address the matter fully at a special session. The first gives the Superintendent of Public Instruction continued authority to grant temporary flexibility or waivers for certain deadlines and requirements that cannot be met due to the state of emergency or school closures resulting from COVID-19. The second gives the Director of the Department of Planning and Budget specific authority to increase federal appropriations for the Department of Medical Assistance Services to recognize increases in federal funding made available through enhanced federal matching assistance percentages authorized under the

American Rescue Plan Act. The third provides the Department of Social Services with flexibility to expand the use of up to \$33.2 million of federal funds, currently dedicated specifically to school age child care, for broader purposes within the range of child care services.

In addition to giving agencies the capacity to respond to COVID issues, I propose an amendment to remove the limits on federal COVID-19 economic relief payments exempt from the creditor process. Current law, based on legislation passed at the 2020 special session, defines “emergency relief payment” and exempts up to \$1,200 of economic relief payments from the creditor process. This amendment removes that limit to reflect the additional payments received under the American Rescue Plan Act (ARPA).

Similarly, I propose an amendment to move the Corporate Income Tax Informational Reporting date by one month, from June 1, 2021, to July 1, 2021. This will allow time for the Department of Taxation to contract for services required to create the applicable changes related to this new requirement. In addition, as businesses continue to recover and manage the impacts of COVID, this delay will provide businesses more time to become aware of and to understand the reporting requirements.

Other language amendments make technical adjustments for clarity or to facilitate the ability to enact current policy.

#### Spending Amendments

In addition to the language amendments, I propose five spending amendments. In total, these amendments will increase spending by \$6.3 million.

The first of these amendments provides \$250,000 to the Office of the Attorney General to fund a third-party investigation of the Office of the State Inspector General’s policies, processes, and procedures employed during its handling of the Vincent Martin matter.

The second provides funding of \$598,403 and five positions for the Department of Small Business and Supplier Diversity to support implementation of the recommendations and findings from the disparity study conducted in accordance with Executive Order Thirty-Five.

The third removes language requiring the Virginia Land Conservation Foundation to reserve \$3.5 million for the identification and evaluation of a project focused on the preservation of tribal lands of the Chickahominy Tribe and replaces it with a \$3.5 million direct appropriation from the general fund for the project.

The fourth provides \$1.0 million from the general fund for the Department of State Police to coordinate with and provide training to state and local law enforcement agencies in Drug Recognition Expert techniques to provide effective detection and enforcement for driving under the influence of drugs.

The fifth provides \$1.0 million from the general fund for the planning and implementation of marijuana prevention and education programs and to develop public health education campaigns.

The “half-sheet” amendments and the explanation of each is attached to this memorandum.

In summary, I propose 18 amendments. Twelve are language-only changes and five increase spending by \$6.3 million. The final one transfers \$3.3 million to the general fund, which provides additional resources for the amendments that increase general fund spending. These changes result in a net increase in general fund spending of just over \$3.0 million.

These changes will decrease the unappropriated balance from \$11.1 million to \$8.1 million. I ask that you approve each of these proposed amendments.

Sincerely,

/s/ Ralph S. Northam

**“13. That § 34-28.3 of the Code of Virginia is amended and reenacted as follows:**

**§ 34-28.3. Emergency relief payments exempt.**

A. For the purposes of this section, “emergency relief payment” means a 2020 recovery rebate for individuals and qualifying children provided pursuant to § 2201 of the federal Coronavirus Aid, Relief, and Economic Security Act (P.L. 116-136) or any future federal payments or rebates provided directly to individuals for economic relief or stimulus due to the COVID-19 pandemic, ~~not to exceed \$1,200 per individual per payment or rebate, and not to exceed \$500 for each qualifying child paid to the individual per payment or rebate.~~

B. All emergency relief payments paid to individuals shall be automatically exempt from the creditor process. Any financial institution, as defined by § 6.2-100, receiving such payments directly from the federal government shall exempt such payments from the creditor process if (i) the payment is marked by the federal government as an “emergency relief payment” or includes some other unique identifier that is reasonably sufficient to allow the financial institution to identify the funds as an emergency relief payment or (ii) the federal government or account holder receiving the emergency relief payment gives notice to the financial institution of such payment. In exempting emergency relief payments on deposit from the creditor process, a financial institution shall look back two months preceding the date of receipt of service of the creditor process. The financial institution shall perform a one-time account review separately for each account in the name of an account holder who is subject to the creditor process without consideration for any other attributes of the account or the creditor process, including (a) the presence of other funds, from whatever source, that may be commingled in the account with funds from

an emergency relief payment; (b) the existence of a co-owner on the account; and (c) the balance in the account, provided the balance is above zero dollars on the date of account review. After conducting the account review, a financial institution shall exempt from the creditor process the lesser of the sum of all posted emergency relief payments to an account between the close of business on the beginning date of the lookback period and the open of business on the ending date of the lookback period or the balance in an account when the account review is performed.

If the creditor process involves a court return date, such as a garnishment, and requires a continued hold on the account, including any deposits made up to the return date, then if an emergency relief payment is deposited into an account after the completion of the account review but before the creditor process or garnishment return date and the account holder notifies the financial institution that the deposit of an emergency relief payment has been made, the financial institution must review the account. If the financial institution verifies that the deposited funds are exempt under this section, then such deposited funds shall be treated as exempt from the creditor process or garnishment. This second account review shall begin within two business days of receiving the notice from the account holder and shall cover the period from the start of business on the date of the completion of the previous account review to the end of business on the date of the notification from the account holder. For any creditor process that requires a continued hold, such as a garnishment where the account hold must continue until the garnishment return date, the account holder may access exempt funds by withdrawal as permitted by the financial institution.

In its answer to the creditor process, the financial institution shall state the amount of account funds that are being held pursuant to the creditor process and the amount of account funds that were treated as exempt under this section.

A financial institution that makes a good faith effort to comply with the requirements set forth herein shall not be subject to liability or regulatory action under any state law, regulation, court or other order, or regulatory interpretation for actions concerning any emergency relief payments.

Emergency relief payments shall be exempt from the creditor process even if deposited into an account with a financial institution or other organization accepting deposits and thereby commingled with other funds.

For the purposes of this section, no such exemption shall extend to child support, spousal support, or criminal restitution orders.

C. If a financial institution does not set aside an emergency relief payment as exempt from the creditor process, then the account holder receiving such payment must claim the exemption within the time limits prescribed by subsection B of § 34-17 and in the manner prescribed under § 8.01-512.4.”

**Explanation:**

(This amendment removes the limits on federal COVID-19 economic relief payments exempt from the creditor process. Current law defines “emergency relief payment” and exempts up to \$1,200 of economic relief payments from the creditor process in the legislation passed at the 2020 special session. SENATE**

**2021 SPECIAL SESSION II**

MONDAY, AUGUST 2, 2021

The Senate met at 12 m. at the Capitol in Richmond, Virginia, and was called to order by Lieutenant Governor Justin E. Fairfax.

The Reverend Kelley Connelly, Second Presbyterian Church, Richmond, Virginia, offered the following prayer:

Most Holy and loving God, today marks a significant milestone in the Commonwealth of Virginia's history. Today we gather for the first time in several months in this space, and we give You thanks for the ability to gather safely once again. After months of isolation, social distancing, and other best health practices, we take a moment to pause.

We pause to reflect on all the work that has been done leading up to this moment and we give thanks, thanks for this governing body. We give thanks for their patience and flexibility during these unusual and trying times.

We give thanks for the support of their families and communities and we ask that they will continue to feel Your unending love. Be with each of them today as they discern how to best serve each neighbor here in the Commonwealth of Virginia.

And, O God, as this special session of the Senate begins, we ask that You guide the hearts of these leaders. Grant this body the wisdom to govern in the best interest of all residents. Encourage thoughtful discussion, empathic listening, and compassionate decision making within these walls so that the work that occurs outside of these walls will always be for the common good. Amen.

## WEDNESDAY, AUGUST 4, 2021

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor Justin E. Fairfax.

The Reverend Dr. John William Turner, St. James Presbyterian Church, King William, Virginia, offered the following prayer:

O God of all that is, all that ever was, and all that ever shall be, bless this place and all who are within.

Use the best efforts, the best thoughts, the best intentions of every person here to continue Virginia's transformation to a place where Your will is done, Your justice is given to all, and Your love for humanity is reflected by all.

Help us to do what is most needed and most useful for our sisters and brothers in this Commonwealth and around the world who are struggling because of storms, conflagrations, economic loss, or pandemic.

Remind us that the opportunity to serve others is a gift—serving You is a gift. Embrace us and lift us up to that holy challenge.

B. An officer of election shall ask the voter for his full name and current residence address and the voter may give such information orally or in writing. The officer of election shall verify with the voter his full name and address and shall repeat, in a voice audible to party and candidate representatives present, the full name provided by the voter. If the voter presents one of the forms of identification listed above, if his name is found on the pollbook in a form identical to or substantially similar to the name on the presented form of identification and the name provided by the voter, if he is qualified to vote in the election, and if no objection is made, an officer shall enter, opposite the voter's name on the pollbook, the first or next consecutive number from the voter count form provided by the State Board, or shall enter that the voter has voted if the pollbook is in electronic form; an

**§ 24.2-653. Provisional voting; procedures in polling place.**

A. Any person voting provisionally pursuant to subsection B of § 24.2-643, § 24.2-651.1, subsection B of § 24.2-652, or § 24.2-653.1 or 24.2-653.2 shall be given a printed ballot and provide, subject to the penalties for making false statements pursuant to § 24.2-1016, on a green envelope supplied by the Department of Elections, the identifying information required on the envelope, including the last four digits of his social security number, if any, full name including the maiden or any other prior legal name, date of birth, complete address, and signature. Such person shall be asked to present one of the forms of

identification specified in subsection B of § 24.2-643. ~~If he is unable to present one of these forms of identification, he shall sign a statement, subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be.~~ The officers of election shall note on the green envelope whether or not the voter has presented one of the specified forms of identification ~~or signed the required statement in lieu of presenting one of the specified forms of identification.~~ The officers of election shall enter the appropriate information for the person in the precinct provisional ballots log in accordance with the instructions of the State Board but shall not enter a consecutive number for the voter on the pollbook nor otherwise mark his name as having voted.

The voter shall then, in the presence of an officer of election, but in a secret manner, mark the printed ballot as provided in § 24.2-644 and seal it in the green envelope. The envelope containing the ballot shall then promptly be placed in the ballot container by an officer of election.

B. An officer of election, by a written notice given to the voter, shall inform him that a determination of his right to vote shall be made by the electoral board and advise the voter of the beginning time and place for the board's meeting and of the voter's right to be present at that meeting. If the voter is voting provisionally as required by § 24.2-643, an officer of election, by written notice given to the voter, shall also inform him that he may submit a copy of one of the forms of identification specified in subsection B of § 24.2-643 ~~or a statement, signed by him subject to felony penalties for false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be~~ to the electoral board by facsimile, electronic mail, in-person submission, or timely United States Postal Service or commercial mail delivery, to be received by the electoral board no later than noon on the third day after the election.

C. The provisional votes submitted pursuant to subsection A, in their unopened envelopes, shall be sealed in a special envelope marked "Provisional Votes," inscribed with the number of envelopes contained therein, and signed by the officers of election who counted them. All provisional votes envelopes shall be delivered either (i) to the clerk of the circuit court who shall deliver all such envelopes to the secretary of the electoral board or (ii) to the general registrar in localities in which the electoral board has directed delivery of election materials to the general registrar pursuant to § 24.2-668.

**§ 24.2-653.01. Provisional ballots; electoral boards to make determination as to validity.**

A. The electoral board shall meet on the day following the election and determine whether each person having submitted a provisional vote pursuant to § 24.2-653 was entitled to do so as a qualified voter in the precinct in which he offered the provisional vote. In the case of persons voting provisionally pursuant to § 24.2-653.3, the electoral board shall determine of which district the person is a qualified voter. At the meeting, the voter may request an extension of the determination of the provisional vote in order to provide information to prove that the voter is entitled to vote in the precinct pursuant to § 24.2-401. The electoral board shall have the authority to grant such extensions that it deems reasonable to determine the status of a provisional vote.

If the board is unable to determine the validity of all the provisional ballots offered in the election, or has granted any voter who has offered a provisional ballot an extension, the meeting shall stand adjourned, not to exceed seven calendar days from the date of the election, until the board has determined the validity of all provisional ballots offered in the election.

B. The electoral board shall permit one authorized representative of each political party or independent candidate in a general or special election or one authorized representative of each candidate in a primary election to remain in the room in which the determination is being made as an observer so long as he does not participate in the proceedings and does not impede the orderly conduct of the determination. Each authorized representative shall be a qualified voter of any jurisdiction of the Commonwealth. Each representative, who is not himself a candidate or party chairman, shall present to the electoral board a written statement designating him to be a representative of the party or candidate and signed by the county or city chairman of his political party, the independent candidate, or the primary candidate, as appropriate. If the county or city chairman is unavailable to sign such a written designation, such a designation may be made by the state or district chairman of the political party. However, no written designation made by a state or district chairman shall take precedence over a written designation made by the county or city chairman. Such statement, bearing the chairman's or candidate's original signature, may be photocopied and such photocopy shall be as valid as if the copy had been signed.

Notwithstanding the provisions of the Virginia Freedom of Information Act (§ 2.2-3700 et seq.), attendance at meetings of the electoral board to determine the validity of provisional ballots shall be permitted only for the authorized representatives provided for in this subsection, for the persons whose provisional votes are being considered and their representative or legal counsel, and for appropriate staff and legal counsel for the electoral board.

C. If the electoral board determines that such person was not entitled to vote as a qualified voter in the precinct or district in which he offered the provisional vote, is unable to determine his right to vote, or has not been provided one of the forms of identification specified in subsection B of § 24.2-643, ~~or the signed statement that the voter is the named registered voter he claims to be,~~ the envelope containing his ballot shall not be opened and his vote shall not be counted. The general registrar shall notify in writing pursuant to § 24.2-114 those persons found not properly registered or whose provisional vote was not counted.

The provisional vote shall be counted if (i) such person is entitled to vote in the precinct pursuant to § 24.2-401 or (ii) the Department of Elections or the voter presents proof that indicates the voter submitted an application for registration to a state-designated voter registration agency or the voter's information was transmitted by the Department of Motor Vehicles to the Department of Elections pursuant to § 24.2-411.3 prior to the close of registration pursuant to § 24.2-416 and the registrar determines that the person was qualified for registration based upon the application for registration submitted by the person pursuant to subsection B of § 24.2-652.

If the electoral board determines that such person was entitled to vote, the name of the voter shall be entered in a provisional votes pollbook and marked as having voted, the envelope shall be opened, and the ballot shall be placed in a ballot container without any inspection further than that provided for in § 24.2-646.

D. On completion of its determination, the electoral board shall proceed to count such ballots and certify the results of its count. Its certified results shall be added to those found pursuant to § 24.2-671. No adjustment shall be made to the statement of results for the precinct in which the person offered to vote. However, any voter who cast a provisional ballot and is determined by the electoral board to have been entitled to vote shall have his name included on the

list of persons who voted that is submitted to the Department of Elections pursuant to § 24.2-406.

E. The certification of the results of the count together with all ballots and envelopes, whether open or unopened, and other related material shall be delivered by the electoral board to the clerk of the circuit court and retained by him as provided for in §§ 24.2-668 and 24.2-669.

**§ 24.2-701. Application for absentee ballot.**

A. The Department shall furnish each general registrar with a sufficient number of applications for official absentee ballots. The registrars shall furnish applications to persons requesting them.

The Department shall implement a system that enables eligible persons to request and receive an absentee ballot application electronically through the Internet. Electronic absentee ballot applications shall be in a form approved by the State Board.

Except as provided in § 24.2-703 or 24.2-703.1, a separate application shall be completed for each election in which the applicant offers to vote. An application for an absentee ballot may be accepted the later of (i) 12 months before an election or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

An application that is completed in person at the same time that the applicant registers to vote shall be held and processed no sooner than the fifth day after the date that the applicant registered to vote; however, this requirement shall not be applicable to any covered voter, as defined in § 24.2-452.

Any application received before the ballots are printed shall be held and processed as soon as the printed ballots for the election are available.

For the purposes of this chapter, the general registrar's office shall be open a minimum of eight hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately preceding all elections.

Unless the applicant is disabled, all applications for absentee ballots shall be signed by the applicant who shall state, subject to felony penalties for making false statements pursuant to § 24.2-1016, that to the best of his knowledge and belief the facts contained in the application are true and correct and that he has not and will not vote in the election at any other place in Virginia or in any other state. If the applicant is unable to sign the application, a person assisting the applicant will note this fact on the applicant signature line and provide his signature, name, and address.

B. Applications for absentee ballots shall be completed in the following manner:

1. An application completed in person shall be completed only in the office of the general registrar and signed by the applicant in the presence of a registrar. The applicant shall provide one of the forms of identification specified in subsection B of § 24.2-643, ~~or if he is unable to present one of the specified forms of identification listed in that subsection, he shall sign a statement, subject to felony penalties for making false statements pursuant to § 24.2-1016, that he is the named registered voter he claims to be. An applicant who requires assistance in voting by reason of a physical disability or an inability to read or write, and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of this statement in accordance with that section. The provisions of § 24.2-649 regarding voters who are unable to sign shall be followed when assisting a voter in completing this statement.~~ Any applicant who does not show one of the forms of identification specified in subsection B of § 24.2-643 ~~or does not sign this statement~~ shall be offered a provisional ballot under the provisions

of § 24.2-653. The State Board of Elections shall provide instructions to the general registrar for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.

~~This paragraph shall apply in the case of any individual who is required by subparagraph (b) of 52 U.S.C. § 21083 of the Help America Vote Act of 2002 to show identification the first time he votes in a federal election in the state. At such election, such individual shall present (i) a current and valid photo identification or (ii) a copy of a current utility bill, bank statement, government check, paycheck, or other government document that shows the name and address of the voter. Such individual who desires to vote in person but does not show one of the forms of identification specified in this paragraph shall be offered a provisional ballot under the provisions of § 24.2-653. The identification requirements of subsection B of § 24.2-643 and subsection A of § 24.2-653 shall not apply to such voter at such election. The Department of Elections shall provide instructions to the electoral boards for the handling and counting of such provisional ballots pursuant to § 24.2-653.01 and this section.~~

2. Any other application may be made by mail, by electronic or telephonic transmission to a facsimile device if one is available to the office of the general registrar or to the office of the Department if a device is not available locally, or by other means. The application shall be on a form furnished by the registrar or as specified in subdivision 3. The application shall be made to the appropriate registrar no later than 5:00 p.m. on the eleventh day prior to the election in which the applicant offers to vote.

3. The application of any covered voter, as defined in § 24.2-452, may be on a federal postcard application, as defined in § 24.2-452. The federal postcard application may be accepted the later of (i) 12 months before an election or (ii) the day following any election held in the twelfth month prior to the election in which the applicant is applying to vote.

C. Applications for absentee ballots shall contain the following information:

1. The applicant's printed name and the last four digits of the applicant's social security number. However, an applicant completing the application in person shall not be required to provide the last four digits of his social security number;

2. A statement that he is registered in the county or city in which he offers to vote and his residence address in such county or city. Any person temporarily residing outside the United States shall provide the last date of residency at his Virginia residence address, if that residence is no longer available to him. Any covered voter, as defined in § 24.2-452, who is not a registered voter may file the applications to register and for a ballot simultaneously; and

3. The complete address to which the ballot is to be sent directly to the applicant, unless the application is made in person at a time when the printed ballots for the election are available and the applicant chooses to vote in person at the time of completing his application. The address given shall be (i) the address of the applicant on file in the registration records; (ii) the address at which he will be located while absent from his county or city; or (iii) the address at which he will be located while temporarily confined due to a disability or illness. No ballot shall be sent to, or in care of, any other person.

D. An application shall not be required for any registered voter appearing in person to cast an absentee ballot pursuant to § 24.2-701.1.

**§ 24.2-701.1. Absentee voting in person.**

A. Absentee voting in person shall be available on the forty-fifth day prior to any election and shall continue until 5:00 p.m. on the Saturday immediately preceding the election. In the case of a special election, excluding for federal offices, if time is insufficient between the issuance of the writ calling for the special election and the date of the special election, absentee voting in person shall be available as soon as possible after the issuance of the writ.

Any registered voter offering to vote absentee in person shall provide his name and his residence address in the county or city in which he is offering to vote. ~~Except as provided in subsection F, a-A registered voter voting by absentee ballot in person shall provide one of the forms of identification specified in subsection B of § 24.2-643. A voter who requires assistance in voting by reason of a physical disability or an inability to read or write, and who requests assistance pursuant to § 24.2-649, may be assisted in preparation of this statement in accordance with that section. The electoral board of each county and city shall provide for absentee voting in person in the office of the general registrar or a voter satellite office established pursuant to § 24.2-701.2. For purposes of this chapter, such offices shall be open to the public a minimum of eight hours between the hours of 8:00 a.m. and 5:00 p.m. on the first and second Saturday immediately preceding all elections. The electoral board or general registrar may provide for absentee voting in person in such offices on Sundays. Any applicant who is in line to cast his ballot when the office of the general registrar or voter satellite office closes shall be permitted to cast his absentee ballot that day.

C. The general registrar may provide for the casting of absentee ballots in person pursuant to this section on voting systems. The Department shall prescribe the procedures for use of voting systems. The procedures shall provide for absentee voting in person on voting systems that have been certified and are currently approved by the State Board. The procedures shall be applicable and uniformly applied by the Department to all localities using comparable voting systems.

D. At least two officers of election shall be present during all hours that absentee voting in person is available and shall represent the two major political parties, except in the case of a party primary, when they may represent the party conducting the primary. However, such requirement shall not apply when (i) voting systems that are being used pursuant to subsection C are located in the office of the general registrar or voter satellite office and (ii) the general registrar or an assistant registrar is present.

E. The Department shall include absentee ballots voted in person in its instructions for the preparation, maintenance, and reporting of ballots, pollbooks, records, and returns.

**27. That §§ 60.2-612 and 60.2-618 of the Code of Virginia are amended and reenacted as follows:**

**§ 60.2-612. Benefit eligibility conditions.**

An unemployed individual shall be eligible to receive benefits for any week only if the Commission finds that:

1. He has, in the highest two quarters of earnings within his base period, been paid wages in employment for employers that are equal to not less than the lowest amount appearing in Column A of the “Benefit Table” appearing in § 60.2-602 on the line which extends through Division C and on which in Column B of the “Benefit Table” appears his weekly benefit amount. Such wages shall be earned in not less than two quarters.

2. a. His total or partial unemployment is not due to a labor dispute in active progress or to shutdown or start-up operations caused by such dispute which exists (i) at the factory, establishment, or other premises, including a vessel, at which he is or was last employed, or (ii) at a factory, establishment or other premises, including a vessel, either within or without this Commonwealth, which (a) is owned or operated by the same employing unit which owns or operates the premises at which he is or was last employed and (b) supplies materials or services necessary to the continued and usual operation of the premises at which he is or was last employed. This subdivision shall not apply if it is shown to the satisfaction of the Commission that:

(1) He is not participating in or financing or directly interested in the labor dispute; and

(2) He does not belong to a grade or class of workers of which, immediately before the commencement of the labor dispute, there were members employed at the premises, including a vessel, at which the labor dispute occurs, any of whom are participating in or financing or directly interested in the dispute.

b. If separate branches of work which are commonly conducted as separate businesses at separate premises are conducted in separate departments of the same premises, each such department shall, for the purposes of this subdivision, be deemed to be a separate factory, establishment or other premises. Membership in a union, or the payment of regular dues to a bona fide labor organization, however, shall not alone constitute financing a labor dispute.

3. He is not receiving, has not received or is not seeking unemployment benefits under an unemployment compensation law of any other state or of the United States; however, if the appropriate agency of such other state or of the United States finally determines that he is not entitled to such unemployment benefits, this subdivision shall not apply.

4. He is not on a bona fide paid vacation. If an individual is paid vacation pay for any week in an amount less than the individual's weekly benefit amount, his eligibility for benefits shall be computed under the provisions of § 60.2-603.

5. He has registered for work and thereafter has continued to report at an employment office in accordance with such regulations as the Commission may prescribe. The Commission may, by regulation, waive or alter either or both of the requirements of this subdivision for certain types of cases when it finds that compliance with such requirements would be oppressive, or would be inconsistent with the purposes of this title.

6. He has made a claim for benefits in accordance with regulations the Commission may prescribe.

7. a. He is able to work, is available for work, and is actively seeking and unable to obtain suitable work. Every claimant who is totally unemployed shall report to the Commission *(i)* the names of employers contacted each week in his effort to obtain work *and (ii) whether any potential employer has requested an interview with the individual, and if an interview has been requested, information on the individual's satisfaction of the provisions of subdivision d.* This information may be subject to employer verification by the Commission through a program designed for that purpose. The Commission may determine that registration by a claimant with the Virginia State Job Service may constitute a valid employer contact and satisfy the search for work requirement of this subsection in labor market areas where job opportunities are limited. The Commission may determine that an individual, whose usual and customary means of soliciting work in his occupation is through contact with a single hiring hall which makes contacts with multiple employers on behalf of the claimant, meets the requirement that he be actively seeking and unable to obtain suitable work by contacting that hiring hall alone. In areas of high unemployment, as determined by the Commission, the Commission has the authority to adjust the requirement that he be actively seeking and unable to obtain suitable work.

b. An individual who leaves the normal labor market area of the individual for the major portion of any week is presumed to be unavailable for work within the meaning of this section. This presumption may be overcome if the individual establishes to the satisfaction of the Commission that the individual has

conducted a bona fide search for work and has been reasonably accessible to suitable work in the labor market area in which the individual spent the major portion of the week to which the presumption applies.

c. An individual whose type of work is such that it is performed by individuals working two or more shifts in a 24-hour period shall not be deemed unavailable for work if the individual is currently enrolled in one or more classes of education related to employment or is continuing in a certificate or degree program at an institution of higher education, provided that the enrollment would only limit the individual's availability for one shift and the individual is otherwise available to work any of the other shifts.

d. *After receiving an interview request by an employer offering suitable work, he has (i) responded to the interview request within 48 hours using the contact information provided by the employer; (ii) scheduled an interview with the employer to take place within seven days or a period outside of seven days if mutually agreed upon by both parties; (iii) appeared for the scheduled interview; and (iv) attended any reemployment activity associated with the interview request if required by the employer in its normal course of recruitment, including drug testing, skills assessments, or other similar reemployment activities.*

8. He has given notice of resignation to his employer and the employer subsequently made the termination of employment effective prior to the date of termination as given in the notice, but in no case shall unemployment compensation benefits awarded under this subdivision exceed two weeks; provided, that the claimant could not establish good cause for leaving work pursuant to § 60.2-618 and was not discharged for misconduct as provided in § 60.2-618.

9. Beginning January 6, 1991, he has served a waiting period of one week during which he was eligible for benefits under this section in all other respects and has not received benefits, except that only one waiting week shall be required of such individual within any benefit year. For claims filed effective November 28, 1999, and after, this requirement shall be waived for any individual whose unemployment was caused by his employer terminating operations, closing its business or declaring bankruptcy without paying the final wages earned as required by § 40.1-29 of the Code of Virginia. Notwithstanding any other provision of this title, if an employer who terminates operations, closes its business or declares bankruptcy pays an individual his final wages after the period of time prescribed by § 40.1-29 of the Code of Virginia, such payment shall not be offset against the benefits the individual was otherwise entitled to receive and shall not, under any circumstances, cause such individual to be declared overpaid benefits.

10. He is not imprisoned or confined in jail.

11. He participates in reemployment services, such as job search assistance services, if he has been determined to be likely to exhaust regular benefits and need reemployment services pursuant to a profiling system established by the Commission, unless the Commission determines that (i) such claimant has completed such services or (ii) there is good cause for such claimant's failure to participate in such services.

**§ 60.2-618. Disqualification for benefits.**

An individual shall be disqualified for benefits upon separation from the last employing unit for whom he has worked 30 days or 240 hours or from any subsequent employing unit:

1. For any week benefits are claimed until he has performed services for an employer (i) during 30 days, whether or not such days are consecutive, or (ii) for 240 hours, and subsequently becomes totally or partially separated from such employment, if the Commission finds such individual is unemployed because he left work voluntarily without good cause.

If (a) at the time of commencing employment with such employing unit an individual is enrolled in an accredited academic program of study provided by an institution of higher education for students that have been awarded a baccalaureate degree, which academic program culminates in the awarding of a master's, doctoral, or professional degree; (b) the individual's employment with such employing unit commenced and ended during the period between spring and fall semesters of the academic program in which the individual is enrolled; and (c) the individual returned to such academic program following his separation from such employing unit, there shall be a rebuttable presumption that the individual left work voluntarily.

As used in this chapter, "good cause" shall not include (1) voluntarily leaving work with an employer to become self-employed or (2) voluntarily leaving work with an employer to accompany or to join his or her spouse in a new locality, except where an individual leaves employment to accompany a spouse to the location of the spouse's new duty assignment if (A) the spouse is on active duty in the military or naval services of the United States; (B) the spouse's relocation to a new military-related assignment is pursuant to a permanent change of station order; (C) the location of the spouse's new duty assignment is not readily accessible from the individual's place of employment; and (D) except for members of the Virginia National Guard relocating to a new assignment within the Commonwealth, the spouse's new duty assignment is located in a state that, pursuant to statute, does not deem a person accompanying a military spouse as a person leaving work voluntarily without good cause. An individual shall not be deemed to have voluntarily left work solely because the separation was in accordance with a seniority-based policy.

2. a. For any week benefits are claimed until he has performed services for an employer (i) during 30 days, whether or not such days are consecutive, or (ii) for 240 hours, and subsequently becomes totally or partially separated from such employment, if the Commission finds such individual is unemployed because he has been discharged for misconduct connected with his work.

b. For the purpose of this subdivision, "misconduct" includes, but shall not be limited to:

(1) An employee's confirmed positive test for a nonprescribed controlled substance, identified as such in Chapter 34 (§ 54.1-3400 et seq.) of Title 54.1, where such test was conducted at the direction of his employer in conjunction with the employer's administration and enforcement of a known workplace drug policy. Such test shall have been performed, and a sample collected, in accordance with scientifically recognized standards by a laboratory accredited by the ~~United States~~ U.S. Department of Health and Human Services, ~~or~~ the College of American Pathology, or the American Association for Clinical Chemistry, or the equivalent, or shall have been a ~~United States~~ U.S. Department of Transportation-qualified drug screen conducted in accordance with the employer's bona fide drug policy. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

(2) An employee's intentionally false or misleading statement of a material nature concerning past criminal convictions made in a written job application furnished to the employer, where such statement was a basis for the termination

and the employer terminated the employee promptly upon the discovery thereof. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

(3) A willful and deliberate violation of a standard or regulation of the Commonwealth, by an employee of an employer licensed or certified by the Commonwealth, which violation would cause the employer to be sanctioned or have its license or certification suspended by the Commonwealth. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

(4) Chronic absenteeism or tardiness in deliberate violation of a known policy of the employer or one or more unapproved absences following a written reprimand or warning relating to more than one unapproved absence. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

(5) An employee's loss of or failure to renew a license or certification that is a requisite of the position held by the employee, provided the employer is not at fault for the employee's loss of or failure to renew the license or certification. The Commission may consider evidence of mitigating circumstances in determining whether misconduct occurred.

3. a. If it is determined by the Commission that such individual has failed, without good cause, ~~either~~ to apply for available, suitable work when so directed by the employment office or the Commission, *to satisfy the requirements of subdivision 7 d of § 60.2-612*, or to accept suitable work when offered him. The disqualification shall commence with the week in which such failure occurred, and shall continue for the period of unemployment next ensuing until he has performed services for an employer (i) during 30 days, whether or not such days are consecutive, or (ii) for 240 hours, and subsequently becomes totally or partially separated from such employment.

b. In determining whether or not any work is suitable for an individual, the Commission shall consider the degree of risk involved to his health, safety and morals, his physical fitness and prior training, his experience, his length of unemployment and the accessibility of the available work from his residence.

c. No work shall be deemed suitable and benefits shall not be denied under this title to any otherwise eligible individual for refusing to accept new work under any of the following conditions:

(1) If the position offered is vacant due directly to a strike, lockout, or other labor dispute;

(2) If the wages, hours, or other conditions of the work offered are substantially less favorable to the individual than those prevailing for similar work in the locality; or

(3) If as a condition of being employed the individual would be required to join a company union or to resign from or refrain from joining any bona fide labor organization.

d. No individual shall be qualified for benefits during any week that such individual, in connection with an offer of suitable work, has a confirmed positive test for a nonprescribed controlled substance, identified as such in Chapter 34 (§ 54.1-3400 et seq.) of Title 54.1, if the test is required as a condition of employment and (i) performed, and a sample is collected, in accordance with scientifically recognized standards by a laboratory accredited by the ~~United States~~ U.S. Department of Health and Human Services, ~~or~~ the College of American Pathology, or the American Association for Clinical Chemistry, or the equivalent, or (ii) a ~~United States~~ U.S. Department of

Transportation-qualified drug screen conducted in accordance with the employer's bona fide drug policy. The disqualification shall commence with the week in which such a test was conducted; and shall continue for the period of unemployment next ensuing until he has performed services for an employer ~~(i)~~ (a) during 30 days, whether or not such days are consecutive, or ~~(ii)~~ (b) for 240 hours, and subsequently becomes totally or partially separated from such employment.

4. For 52 weeks, beginning with the date of the determination or decision, if the Commission finds that such individual, within 36 calendar months immediately preceding such determination or decision, has made a false statement or representation knowing it to be false, or has knowingly failed to disclose a material fact, to obtain or increase any benefit or payment under this title, the unemployment compensation of any other state, or any other program of the federal government which is administered in any way under this title, either for himself or any other person. Overpayments that have been fraudulently obtained and any penalty assessed against the individual pursuant to § 60.2-636 shall be recoverable as provided in § 60.2-633.

5. If such separation arose as a result of an unlawful act which resulted in a conviction and after his release from prison or jail until he has performed services for an employer for (i) 30 days, whether or not such days are consecutive, or (ii) 240 hours, and subsequently becomes totally or partially separated from such employment.

6. If such separation arose as a condition of the individual's parole or release from a custodial or penal institution and such individual was participating in the community corrections alternative program pursuant to § 19.2-316.4.

***28. That, notwithstanding any other provision of law, the Virginia Employment Commission (VEC) shall not administer payments under the Federal Pandemic Unemployment Compensation (FPUC) program authorized by § 2104 of the federal Coronavirus Aid, Relief, and Economic Security Act of 2020, P.L. 116-136 (the CARES Act), as amended, or the Mixed Earners Unemployment Compensation (MEUC) program authorized by § 2104 of the CARES Act, as amended, after the effective date of this enactment. Nothing in this act shall prevent the VEC from administering payments under the FPUC and MEUC programs paid or accrued before the effective date of this enactment, and such payments may be paid, adjudicated, collected, or otherwise administered after the effective date of this enactment.***

Explanation: The amendment prohibits the Virginia Employment Commission from administering payments under the Federal Pandemic Unemployment Compensation program or the Mixed Earners Unemployment Compensation program, as each is authorized by the federal Coronavirus Aid, Relief, and Economic Security Act of 2020 (the CARES Act). The amendment also requires an individual, in order to be eligible to receive unemployment compensation benefits, after receiving an interview request by an employer offering suitable work, to (i) respond to the interview request within 48 hours using the contact information provided by the employer, (ii) schedule an interview with the employer to take place within seven days or a period outside of seven days if mutually agreed upon by both parties, (iii) appear for the scheduled interview, and (iv) attend any reemployment activity associated with the interview request if required by the employer in its normal course of recruitment, including drug testing, skills assessments, or other similar reemployment activities.

All wise and eternal Creator, Maker, Sustainer, and Ruler of the earth, we come now to thank You for this opportunity to acknowledge Your presence in this space.

God, we thank You for bringing us through a year of uncertainty with a deadly virus running rampant.

Lord, we ask now that You would lead, guide, and direct this governmental body as they make decisions to lead the state of Virginia. We ask that You would give them wisdom, a sense of justice, and a passion for Your people. I pray that they will have the courage to embrace both the differences and likenesses in their colleagues as they come, while maintaining the best interests of the people in their hearts.

Help us all to be aware that You made it plain that we are to live with kindness, extend justice, and walk humbly before You. Be with our legislators as the session convenes, and we will be careful to give Your name praise, glory, and honor. Hear our prayer, O Lord. Amen.

God, known by many names, hear our call unto You. For this day we bring forward an agreement. In gratitude we raise our voices, for we are still the people who have endured. We have persevered. We are among the longest and our democracy is strong and for this we are grateful. We are grateful for the army of healthcare workers, the hospitals, public clinics, and healthcare that is working to save lives, heal lives, and keep us safe in a time of scourge. We pray for the citizens who have died. We have lost many and those who suffer from the disease in an ongoing way are with us. We pray for their recovery and the return to health and safety.

Guide us and teach us how to reflect Your wisdom and compassion even through our differences. We ask for a blessing upon the citizens of this fine Commonwealth and upon its governmental leaders, who here stand before You humbly and struggling and working hard to find collaborative points to serve the greater good and offer honest compromise. Holy One, if it's not too irreverent, bless this budget because it represents hours and days of our lives and we hope in it we can win true respect and secure the public good and come together for the future of this Commonwealth, which should always be our highest good. But this we do serving You, and in Your name we bless all who come forward to speak and to share their opinions, and we also are grateful for the institution of the Senate of the Commonwealth of Virginia. Amen, Ameen, Blessed Be, Ashé.

God and Creator of us all, I stand humbly before You this morning recognizing that I am neither articulate nor clever with words. But rather, O Lord, I stand before You as a simple citizen of the land we call Virginia. So it is my hope and my ardent prayer that You will guide the work of these people whom You have called to serve the residents of this state. Let their decisions be guided by service to all people and grant that the intended consequences will far outweigh the unintended consequences.
