Infinite Spirit, known by many names and experienced in many ways, today we affirm your presence in the Virginia House of Delegates, and in the minds, hearts, and bodies of the men and women gathered here today in committed service to the people of the Commonwealth of Virginia.

Be with each one of them as they engage in the rights and responsibilities entrusted to them so that their decisions and discernments are grounded in Divine Wisdom.

Be with each one of them as they engage in the rights and responsibilities entrusted to them so that their decisions and discernments are grounded in Divine Love.

Be with each of them as they engage in the rights and responsibilities entrusted to them so that their decisions and discernments are grounded in Divine Law.

May the "still, small voice" of God awaken each member of this House to comprehend the long-term consequences of their actions. May the "still, small voice" of God awaken each member of this House to fulfill his or her duties of office with clarity and peacefulness.

(5) Intangible personal property, or any class or classes thereof, as may be exempted in whole or in part by general law.

No action was taken on the Senate substitute.
Delegate Toscano raised a point of order that the Senate substitute went beyond the intent of the original bill because it added a different Code section which addressed a claim for relief and dealt with inspections, employment of immigrants, trafficking, and notice provisions while the House bill was essentially a definitional bill and would inquire as to whether the Senate substitute was germane.

The Speaker stated that the Gentleman from Charlottesville had raised an interesting question.

The Speaker stated further that he would like the bill to go by for the day in order to have additional time for further consideration of the Gentleman's point of order.

Amend Section 14 of Article IV of the Constitution of Virginia as follows:

ARTICLE IV

LEGISLATURE

The omission in this Constitution of specific grants of authority heretofore conferred shall not be construed to deprive the General Assembly of such authority, or to indicate a change of policy in reference thereto, unless such purpose plainly appear.

The General Assembly shall confer on the courts power to grant divorces, change the names of persons, and direct the sales of estates belonging to infants and other persons under legal disabilities, and shall not, by special legislation, grant relief in these or other cases of which the courts or other tribunals may have jurisdiction.

No natural person shall have a constitutionally protected property right to bar a cause of action based on intentional torts as described herein on the ground that a change in the accrual date for the action has been applied retroactively or that a statute of limitations or statute of repose has expired.

1. For the punishment of crime.
2. Providing a change of venue in civil or criminal cases.

HOUSE BILLS VETOED BY THE GOVERNOR

H.B. 1432 (fourteen, thirty-two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
February 20, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1432, which legalizes the carrying of a concealed switchblade knife when it is carried for the purpose of engaging in a lawful profession or lawful recreational activity the performance of which is aided by the knife. This bill also legalizes the sale, bartering, giving or furnishing of switchblade knives.

Virginia Code does not define "lawful profession" or "recreational activity." This modification will create a burden on law enforcement to determine whether a person is engaged in a lawful profession or recreational activity. The enforcement of this law would be challenging at best.

There is no compelling need to add to the list of weapons that can be lawfully concealed from public view and easily traded. Legalizing the concealed carry of switchblade knives would needlessly endanger the lives of Virginians. Furthermore, the laws of the United States prohibit the manufacture, transportation or distribution of switchblade knives.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

The bill, without objection, was passed by until Wednesday, April 5, 2017.
Delegate Toscano propounded a parliamentary inquiry as to which Rule allowed the bill to be passed by until the Reconvened Session.

The Speaker stated that the General Assembly had to act on the Governor's veto by the Reconvened Session, which was April 5, and that the bill could be passed by until that day.

Delegate Toscano propounded a further parliamentary inquiry as to whether the bill had to be acted on by April 5 or by the end of the session on April 5.

The Speaker stated that veto had to be considered by the House before the end of the Reconvened Session, which was April 5.

Delegate Toscano moved to reconsider the vote by which the bill was passed by until April 5, 2017.

The Speaker stated that the bill had been passed by "without objection."

Delegate Gilbert raised a point of order that the Gentleman's motion was out of order because the House had not taken a vote on the motion to pass the bill by until April 5, 2017.

The Speaker stated that the bill was passed by until April 5, 2017, "without objection" and that the Gentleman from Charlottesville was requesting to reconsider that and then make an objection to the motion.

The Speaker stated further that as a result of the objection by the Gentleman from Charlottesville, the House needed to vote on the motion to pass the bill by until April 5, 2017.

Delegate Plum propounded a parliamentary inquiry as to whether this bill was in a different category and needed to be considered before the end of the Regular Session since it had been returned by the Governor prior to the adjournment of the Regular Session.

The Speaker stated that there was a deadline, per the Constitution, on the Governor's action whereas the House did not have the same type of deadline.

Delegate Toscano propounded a parliamentary inquiry as to whether the bill could go by for the day rather than by until April 5, 2017.

Delegate Gilbert raised a point of order that the Gentleman from Charlottesville was not making an inquiry but was arguing with the Chair.

The Speaker stated, in response to the point of order raised by Delegate Gilbert, that the Gentleman from Charlottesville was asking a question.

The Speaker stated further, in response to the parliamentary inquiry of Delegate Toscano, that the motion to pass the bill by until Wednesday, April 5, 2017, had been reconsidered.

Delegate Gilbert moved that the bill be passed by until Wednesday, April 5, 2017.

Delegate Gilbert propounded a parliamentary inquiry as to whether the motion to pass the bill by for the day was a superior motion to his motion.

The Speaker stated that the only motion before the body was the Gentleman from Shenandoah's motion to pass the bill by until April 5, 2017.

The motion by Delegate Gilbert was agreed to.
Delegate Orrock moved that the following House bills be passed by until Wednesday, April 5, 2017:

H.B. 1578 (fifteen, seventy-eight).
H.B. 1582 (fifteen, eighty-two).

The motion was agreed to.

On motion of Delegate Cox, the House adjourned at 3:07 p.m.

Speaker of the House of Delegates

Clerk of the House of Delegates
THURSDAY, FEBRUARY 23, 2017

The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker’s table by the Sergeant at Arms.

The Reverend Dr. Robert Glenn Moore, III, Pastor Emeritus of Bonsack Baptist Church, Roanoke, offered the following prayer:

Heavenly Father, with both gratitude and humility we thank You for this land we call America and for the gift of governance where power is divided and individual rights are protected, and where people of faith have the freedom to worship according to the dictates of their own hearts. We thank You for the unique blessings we enjoy as citizens of the Commonwealth of Virginia. And I pray we never take for granted the beauty and diversity and history of this great state we call home.

- Heavenly Father, in recent months, we've lived in the atmosphere of racial tension, from the riots in Ferguson and Baltimore to the hate inspired murders in Charleston of 9 innocent black Americans in their own church. We pray for healing across this land and for a day when the curse of racial bigotry will be gone forever.

- Lord, too many Americans still languish from the lingering effects of an economic recession that has hurt countless families in Virginia and beyond. Help each legislator here today, and all of us who are prosperous and have so much more than we need, to recover the values of thrift and simplicity and to demonstrate kindness and generosity to those who have so much less. Continue to remind us that our deepest desires will never be filled by material things alone.

- I pray for our political leaders assembled here today…remembering our governor, Terry McAuliffe, Lieutenant Governor, Ralph Northam, and Speaker of the House, William Howell, and all the members of the Senate and House of Delegates. Bless them with health and strength. Protect their families, and give them the satisfaction of accomplishing things that matter. I pray You would keep their hearts humble, and their lives free from financial corruption, sexual sin, lying, self-seeking and self-deception. Thwart the plans of the arrogant and uphold those who do justice and practice righteousness. I pray that men and women in both parties would protect all that is right and good, and that they would truly seek Your guidance as they tackle the tough problems that need solving. Guide them with grace and humility to be people of truth, even when the truth is not popular and even when the cost is high.

- I pray for myself and for religious leaders all over this country. Remove from us all complacency and call us back to a holiness that reflects Your love and mercy and grace. As the Apostle Paul said, “whatever is true, whatever is noble, whatever is right, whatever is pure, whatever is lovely, whatever is admirable – if anything is excellent or praiseworthy – help us to dwell on these things.” (Philippians 4:8).

- Bless this assembly today I pray, Thou who are our Creator and Redeemer. AMEN.

HOUSE BILLS WITH SENATE AMENDMENTS

H.B. 1394 (thirteen, ninety-four) was taken up.

An amendment in the nature of a substitute was proposed by the Senate, and printed separately, with its title reading as follows:

A BILL to amend and reenact § 40.1-2 of the Code of Virginia and to amend the Code of Virginia by adding a section numbered 40.1-2.2, relating to the status of a franchisee and its employees as employees of the franchisor.

The Speaker stated, in response to the point of order raised by Delegate Toscano on February 22, 2017, that the substantive difference between the Senate substitute and the engrossed House bill was the addition of subsection B, which merely narrowed the exclusion in the bill's new subsection A.

The Speaker stated further that he wished to emphasize the fact that moving an exclusion from the definition section of existing Code to a new section of Code often was a matter of form rather than substance. The Speaker stated further that, in this case, the new language directly related to the exclusion that was contained in both the House version and the Senate substitute.

The Speaker stated finally that the Senate substitute was germane and the Chair would so rule.

The Senate substitute was agreed to.

W. J. Howard
Speaker of the House of Delegates

L. Paul Woods
Clerk of the House of Delegates
FRIDAY, FEBRUARY 24, 2017

The House of Delegates was called to order at 10:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Fred Wyatt, Pastor of Speaking Spirit Ministries, Richmond, offered the following prayer:

Lord we bless you this morning and we welcome you into all that we do. Today we ask for your grace and your mercy to cover this great country we live in. God we personally invite you into the general assembly this morning to make today a great day. Move on the hearts of these great leaders today. Move on their hearts that there may be no personal agendas. Instead we ask that your will be done on earth as it is in heaven. We pray for this great state of Virginia and those leading it. May you strengthen them all, with knowledge, wisdom and understanding. May they hear your voice above all others. 1st Timothy 2:1-2 says First of all, then, I urge that supplications, prayers, intercessions, and thanksgivings be made for all people, for kings and all who are in high positions, that we may lead a peaceful and quiet life, godly and dignified in every way. Titus 3:9 says But avoid foolish controversies, genealogies, dissensions, and quarrels about the law, for they are unprofitable and worthless. We tear down division and strife today that we may not see ourselves as a political party, but as a people governed by a great heavenly father. Lord I ask that you place your hand upon each of their lives to guide them. I pray for their health, wealth, and prosperity. I pray that angels be loosed to protect their families. I pray most of all that they would all come to know you. May every person under the sound of my voice be blessed on today.

Delegate Cox led the House of Delegates in the Pledge of Allegiance to the Flag of the United States of America.

The roll was called and the following members answered to their names:

There were 94 Delegates present.

Delegates LeMunyon, Morris, Peace, and Simon took their seats after the roll was called.

A quorum being present, the House proceeded with the business of the day.

SATURDAY, FEBRUARY 25, 2017

The House of Delegates was called to order at 10:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Honorable M. Kirkland Cox, the Gentleman from Colonial Heights, offered the following prayer:

In Matthew 6 Lord you give us your model prayer but warn when you pray do not use vain repetitions but also assure us The Father knows the things you have need of before you ask him.

You then say - In this manner therefore pray

< Our Father in heaven
< Hallowed be Your name
< Your Kingdom come
< Your will be done
< On earth as it is in heaven.

Too often Lord we present you our list of requests first

Let us start prayer glorifying you.

You are the Alpha & Omega

The name above all names

Help us pray first for the coming of your heavenly Kingdom

In your word you tell us:

"Lay up for yourselves treasures in heaven where neither moth nor rust destroy

"For where your treasure is there your heart will be also

< Give us this day our daily bread
< And forgive us our debts
< As we forgive our debtors
< And do not lead us into temptation
< But deliver us from the evil one

Lord you provide our daily needs

From the manna you provided to sustain your

Chosen people for 40 years in the wilderness
To today where you tell us

"Do not worry about tomorrow because your heavenly father knows what you need"

You are Jehovah Jireh - The one who provides.

– Lord thank you for forgiving our debts by sending your son to save us.
– Protect us from the evil one whom prowls around like a roaring lion looking for someone to devour

< For yours is the Kingdom and the Power and the glory forever

Amen.

H.J.R. 967 (nine, sixty-seven) was passed by until Sunday, February 26, 2017.

HOUSE BILLS VETOED BY THE GOVERNOR

H.B. 2264 (twenty-two, sixty-four) was taken up.

The communication from the Governor was as follows:

COMMUNEWHIT OF VIRGINIA
Office of the Governor
February 21, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2264, which would prohibit
the Virginia Department of Health from entering into contacts or providing funds to any entity that performs
non-federally qualified abortions.

This bill, aimed at Planned Parenthood, would harm tens of thousands of Virginians who rely on the health
care services and programs provided by Planned Parenthood health centers, by denying them access to
affordable care. Virginians, and particularly low-income Virginians, need more access to health care, not less.
If we are going to build a new, more vibrant Virginia economy, we need to open doors to quality, affordable health care, not close them. Attempts to restrict women's access to health care will impede the goal of making Virginia the best place to live, work, and run a business.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

b. Monitor medical spending for related-party arrangements and adjust historical medical spending when deemed necessary to ensure that capitation rates do not cover excessively high spending as compared to benchmarks. Related-party arrangements shall mean those in which there is common ownership or control between the entities, and shall not include Medicaid payments otherwise authorized in this item.

c. Adjust capitation rates in the Medallion program to account for a portion of expected savings from required initiatives.

No cost sharing requirements shall be implemented unless approved by the General Assembly.

5. The department shall submit its report to the Chairmen of the House Appropriations and Senate Finance Committees no later than November 1, 2017.

6. The specific terms and structure of any loan shall be approved by the Secretary of Finance, after consultation with the Chairmen of the House Appropriations and Senate Finance Committees, or their designees. A treasury loan for this purpose shall be considered as bridge financing until the planned expansion of the Virginia International Gateway Facility commences and additional equipment is purchased which will generate personal property taxes that the City of Portsmouth shall use to repay the loan. "C-52.45 Planning: Acquire or Construct ABC Central Office and Warehouse Facility
Fund Sources: General
$500,000 $0"

"A. The Department of Alcoholic Beverage Control (ABC) and the Department of General Services (DGS) shall develop and deliver a plan to provide capital project options for a new ABC warehouse and ABC administrative offices.
B. The plan will be a comprehensive plan for an ABC warehouse and administrative offices. At a minimum the plan will include real estate development approaches to achieve operationally ready, "turn-key", cost effective and efficient solutions to meet ABC's operational and business requirements. Solutions may include, but not be limited to, lease or construction of new facilities, acquiring existing facilities through lease or purchase, a combination of new construction and existing facilities, and must include at least one option for using the existing location for the new or retrofitted warehouse and administrative office building.
C. In developing a new construction option for office space, an infill design concept should be considered, which initially would accommodate not more than a ten percent increase in central office staff beyond the number currently located in the headquarters building, with further growth in staff beyond the ten percent to be accommodated through less-expensive infill construction.
D. The Department of General Services (DGS) shall analyze and include options in the ABC plan for the use of state-owned real property declared surplus and existing underutilized state-owned real property.
E. Private sector developer options are to be included in the ABC plan. DGS is tasked and authorized to publicly solicit proposals (i.e. Request For Proposal, Request For Information or by other public solicitation method), to evaluate requirements in paragraphs B and D of this item, from the private sector developer community interested in providing solutions that meet ABC's operational, business, and cost effectiveness and efficiency requirements.

F. ABC is tasked to include in the plan financing options for the capital project options.
G. The plan shall be delivered to the Governor, Chairmen of the House Appropriations and Senate Finance Committees, and the Six-Year Capital Outlay Plan Advisory Committee (§ 2.2-1516) no later than November 1, 2017.
H. Funds authorized to the Department of General Services for this item may be used to accomplish the necessary tasks to prepare, develop, complete, and execute the ABC plan."

"A. Pursuant to projects authorized and funded in paragraph E.1 of Item C-39.40 of Chapter 1 of the Acts of Assembly of 2014, operations of the Virginia General Assembly will temporarily move and operate from the Pocahontas Building bounded by the following streets 9th to the west, 10th to the east, Bank to the north, and Main to the south in the City of Richmond. This temporary move will result in the Commonwealth's legislative activities to be concentrated in an area requiring traffic and pedestrian operational safety and security enhancements. As such, and pursuant to the responsibilities of the Department of General Services (DGS) (§ 2.2-1129) and the Division of Capitol Police (DCP) (§ 30-34.2:1), Bank Street from 9th to 12th Street in the City of Richmond shall be controlled by the DGS and the DCP while the General Assembly is in session and is located in the Pocahontas Building. Vehicular travel limitations and pedestrian management needs on and along Bank Street shall be determined jointly by the DGS and the DCP during that time. These determinations will be based on the recommendations outlined in the Bank Street Safety and Security Assessment prepared by Commonwealth Architects dated February 15, 2017 (the Assessment). Funding for materials and contract services needed to address pedestrian and vehicle management activities are available to DGS from the Chapter referenced in this item.
B. The DGS and the DCP will coordinate its Bank Street decisions with the City of Richmond to allow for adequate set-up and removal of temporary traffic control after December 1st each year prior to a General Assembly session and two weeks after a General Assembly session ends. At no time, will DGS or DCP make permanent changes to Bank Street right-of-way (e.g. traffic control devices, security fixtures, street lighting, surface treatments) without the approval of the City of Richmond's Chief Administrative Officer. Additionally, at no time will the City prevent DGS and DCP from implementing the recommendations outlined in the Assessment. Bank Street operations will revert to the City of Richmond upon the General Assembly vacating the Pocahontas Building and has moved to its new building on Broad Street.
C. The projects stated in the Chapter referenced above also include new permanent facilities for state government operations. Design precedence for permanent facilities will accommodate the operational needs of state government resources identified to occupy and conduct state business within the funded projects."

Local Governments

Item 4-8.03 #1c

Page 579, after line 19, insert:

§ 4-8.03 LOCAL GOVERNMENTS

a.1. The Auditor of Public Accounts shall establish a workgroup to develop criteria for a preliminary determination that a local government may be in fiscal distress. Such criteria shall be based upon information regularly collected by the Commonwealth or otherwise regularly made public by the local government. This information includes expenditure reports submitted to the Auditor, budget information posted on local government websites, and reports prepared by the Commission on Local Government on revenue fiscal stress. Information provided by the Virginia Retirement System, the Virginia Resources Authority, the Virginia Public Building Authority, and other state and regional authorities concerning late or missed debt service payments shall be shared with the Auditor. Fiscal distress as used in this context shall mean a situation whereby the provision and sustainability of public services is threatened by various administrative and financial shortcomings including but not limited to cash flow issues; inability to pay expenses; revenue shortfalls; deficit spending; structurally imbalanced budgets; billing and revenue collection inadequacies and discrepancies; debt overload; failure to meet obligations to authorities, school divisions, or political subdivisions of the Commonwealth; and/or lack of trained and qualified staff to process administrative and financial transactions. Fiscal distress may be caused by factors internal to the unit of government or external to the unit of government and in various degrees such conditions may or may not be controllable by management, or the local governing body, or its constitutional officers.

2. Based upon the criteria established by the workgroup and using information identified above, the Auditor of Public Accounts shall establish a prioritized early warning system. Under the prioritized early warning system, the Auditor of Public Accounts shall establish a regular process whereby it reviews data on at least an annual basis to make a preliminary determination that a local government is in fiscal distress.

3. For local governments where the Auditor of Public Accounts has made a preliminary determination of fiscal distress based upon the early warning system criteria, the Auditor of Public Accounts shall notify the local governing body of its preliminary determination that it may meet the criteria for fiscal distress. Based upon the request of the local governing body or chief executive officer, the Auditor of Public Accounts may conduct a review and request documents and data from the local government. Such review shall consider factors including, but not limited to, budget processes, debt, borrowing, expenses and payables, revenues and receivables, and other areas including staffing, and the identification of external variables contributing to a locality's financial position, and if so, the scope of the issues involved. Any local governing body that receives requests for information from the Auditor of Public Accounts pursuant to such preliminary determination based on the above described threshold levels shall acknowledge receipt of such a request and shall ensure that a response is provided within the time frames specified by the Auditor of Public Accounts. After such review, if the Auditor of Public Accounts is of the opinion that state assistance, oversight, or targeted intervention is needed, either to further assess, help stabilize, or remediate the situation, the Auditor shall notify the Governor and the Chairmen of the House Appropriations and Senate Finance Committees, and the governing body of the local government in writing outlining specific issues or actions that need to be addressed by state intervention.

4. The notification issued by the Auditor of Public Accounts pursuant to paragraph 3 above shall satisfy the notification requirement necessary to effectuate the provisions of this act in paragraph b.3 below.

b.1. The Director of the Department of Planning and Budget shall identify any amounts remaining unexpended from general fund appropriations in this Act as of June 30, 2017, which constitute state aid to local governments. The Director shall provide a listing of such amounts designated by item number and by program on or before August 15, 2017, to the Governor and the Chairmen of the House Appropriations Committee and the Senate Finance Committee.

2. From such unexpended balances identified by the Director of the Department of Planning and Budget, the Governor may reappropriate up to $500,000 from amounts which would otherwise revert to the balance of the general fund and transfer such amounts as necessary to establish a component of fund balance which may be used for the purpose of providing technical assistance and intervention actions for local governments deemed to be fiscally distressed and in need of intervention to address such distress. Any such reappropriation approved by the Governor, shall be separately identified in the commitments specified on the balance sheet and financial statements of the State Comptroller for the close of fiscal year 2017 and thereafter, to the extent that such reserve is not used or added to by future appropriation actions.

3. Prior to any expenditure of the reappropriated reserve, the Governor and the Chairmen of the House Appropriations Committee and the Senate Finance Committee must receive a notification from the Auditor of Public Accounts that a specific locality is in need of intervention because of a worsening financial situation.
The Auditor of Public Accounts may issue such a notification upon receipt of audited financial statement or other information that indicates the existence of fiscal distress. But, no such notification shall be made until appropriate follow up and correspondence ascertains that, in the opinion of the Auditor of Public Accounts, such fiscal distress indeed exists. Such notification may also be issued by the Auditor of Public Accounts if written concerns raised about fiscal distress are not adequately addressed by the locality in question.

4. Once the Governor has received a notification from the Auditor of Public Accounts indicating fiscal distress in a specific local government, the Governor shall consult with the Chairmen of the House Appropriations Committee and the Senate Finance Committee about a plan for state intervention prior to any expenditure of funds from the cash reserve. Any plan approved by the Governor for intervention should, at a minimum, specify the purpose of such intervention, the estimated duration of the intervention, and the anticipated resources (dollars and personnel) directed toward such effort. The staffing necessary to carry out the intervention plan may be assembled from either public agencies or private entities or both and, notwithstanding any other provisions of law, the Governor may use an expedited method of procurement to secure such staffing when, in his judgment, the need for intervention is of an emergency nature such that action must be taken in a timely manner to avoid or address unacceptable financial risks to the Commonwealth.

5. The governing body and the elected constitutional officers of a locality subject to an intervention plan approved by the Governor shall assist all state appointed staff conducting the intervention regardless of whether such staff are from public agencies or private entities. Intervention staff shall provide periodic reports in writing to the Governor and the Chairmen of the House Appropriations Committee and the Senate Finance Committee outlining the scope of issues discovered and any recommendations made to remediate such issues, and the progress that is made on such recommendations or other remediation efforts. These periodic reports shall specifically address the degree of cooperation the intervention team is receiving from locally elected officials, including constitutional officers, city, county, or town managers and other local personnel in regards to their intervention work.

6. The Department of General Services is hereby encouraged to develop a master contract of qualified private sector turnaround specialists with expertise in local government intervention that the Governor can use to procure intervention services in an expeditious manner when he determines that state intervention is warranted in situations of local fiscal distress.”

Notwithstanding the provisions of § 2.2-1514, Code of Virginia, or any other provision of law, any general fund revenues collected and deposited for fiscal year 2017 that are in excess of the official forecast contained in this act, shall be reflected by the Comptroller as committed on the June 30, 2017, preliminary balance sheet pursuant to the provisions of this enactment for the purposes of establishing a cash reserve to mitigate any potential revenue shortfalls that may arise during the remainder of the biennium.

B. To determine the amounts that are to be committed, the Comptroller shall first determine the revenues that were collected in excess of the revenues forecast in this act. He shall then reduce those revenues for the following adjustments:

1. Any amounts that must be restricted such as mandatory deposits to the Revenue Stabilization Fund.
2. Any amounts that normally would be committed or assigned pursuant to GASB standards.
3. Any amounts that must be committed for deposit to the Water Quality Improvement Fund from excess general fund revenue collections pursuant to § 10.1-2128 A., Code of Virginia.
4. Any other amounts that are required to be committed or assigned pursuant to any other items or provisions of this act, which would include mandatory carryforwards, unexpended balances in capital projects, and balances required to be carried forward for fiscal year 2018.
C. The amount that remains after deduction of the amounts listed above from the surplus revenues on June 30, 2017, shall be further reduced by fifty percent.
D. The Comptroller shall then reflect the remaining fifty percent as a commitment on the preliminary balance sheet entitled Revenue Cash Reserve to be held solely for the purposes of mitigating any loss of general fund revenues in fiscal year 2018 from the official forecast contained in this act.
E. The Comptroller may draw against the balances of the Revenue Cash Reserve for an amount equal to any shortfall in general fund revenue collections from the official forecast contained in this act for fiscal year 2018."

Commonwealth of Virginia  
Office of the Governor  
February 25, 2017  

To the Members of the General Assembly:

Congratulations on the adjournment of the 2017 session of the Virginia General Assembly, and thank you for your continued leadership on behalf of the people we serve.

Like the three that came before it, this legislative session was marked by bipartisan cooperation on issues that are important to the people of Virginia. When I gave the State of the Commonwealth address in January, I asked for your help in building on the progress we have made together over the past three years and addressing serious problems that we had yet to solve.

Forty-six days later, we have made significant investments in mental health funding and opioid treatment. We closed a budget shortfall while protecting core public services, like K-12 education, from cuts. And we worked together to get state employees, law enforcement, and teachers well-deserved raises. These significant steps forward will help us continue to grow our economy and make life better for people in every corner of the Commonwealth.

As we enter the next phase of the legislative calendar, there are a few issues that I will be reviewing carefully in advance of the reconvened session. I remain concerned that the state budget includes no additional funding to provide local and regional jails with the tools and training to perform mental health screenings and assessments. After the death of Jamycheal Mitchell, we must take swift action to prevent another tragedy from occurring.

I will also review budget actions related to the Commonwealth's economic infrastructure. Investments in emerging economic sectors like solar energy, biotechnology, and cybersecurity are proven strategies leading to the creation of new jobs. We should prioritize those initiatives over items like Go Virginia, a worthy initiative that is not yet up and running.

My team and I will also review the hundreds of bills you passed during this session, the overwhelming majority of which improve to Virginia law and I will sign. However, I will not hesitate to veto legislation that I believe would make Virginia less safe, economically vibrant, or open to people and businesses from every walk of life. I have already vetoed several pieces of legislation this year, including bills that would restrict access to women's health care or needlessly expand access to deadly weapons. As I said at the beginning of the session, it would be my preference that such bills never pass the General Assembly. However, I will continue to use my veto power, as my review of legislation moves forward.

As the session draws to a close, there are several items that did not pass this year that I sincerely hope you will consider next year. This year I submitted legislation that would subject the student loan industry to stricter oversight in Virginia. I hope you will pass such a proposal next year so that students can get an education in Virginia without falling victim to unscrupulous loan servicers.

I also submitted legislation to reduce gun crime by instituting universal background checks for firearm sales. This is a common sense proposal that will keep guns out of the hands of people who are forbidden from owning them. It is well past time to move forward on this idea.

And finally, I hope you will act next year to bring Virginia's criminal justice system into the 21st century by adjusting the felony larceny threshold for inflation. We should hold thieves accountable, but subjecting someone who steals one pair of shoes to the lifelong consequences of a felony conviction is unjust and counterproductive.
The story of this legislative session is similar to the story of our more than three years working together. We have had our differences, but we have found ways to work together on important issues that grow our economy and create opportunity for the people we serve. The results are clear. When I took office, our unemployment rate was 5.4%. Today it is 4.1%. And there are 185,100 more jobs across our Commonwealth than when our work began. We are succeeding in building a new Virginia economy, and the steps we took this session will build on our success.

As our final session working together draws to a close, I want to express my sincere gratitude and admiration for the work the men and women of the Virginia General Assembly do every year. Sessions are grueling experiences that require you to leave your loved ones and your jobs. I know that work will not end when you return home.

As Governor, I have worked every day to build a stronger, more diversified, and more equitable Virginia economy. The work we have done together has benefited those efforts and the Virginia families, businesses, and communities we were elected to serve.

Thank you for your leadership and congratulations on a successful 2017 session.

Sincerely,

/s/ Terence R. McAuliffe

Speaker of the House of Delegates

Clerk of the House of Delegates
The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Larry W. Veach, Senior Minister of New Life Christian Church, Winchester, offered the following prayer:

Our Father in Heaven, we are grateful for this day and all the blessings we will receive from You. You have strategically placed us in this world with all the resources available to meet all our needs, so help us to be good managers of all that You have entrusted to our care. Thank You for the privilege of living in the United States of America, and especially for being residents of the great state of Virginia. Bless our delegates, who represent us, as they develop laws to regulate our society. May they be considerate of the best interests of all Virginians, and may they be sensitive to Your statutes. Give them direction in the decision-making process. Bless all the proceedings here in the House of Delegates today.

I ask in Jesus' name. Amen.

Delegate Cox led the House of Delegates in the Pledge of Allegiance to the Flag of the United States of America.

The roll was called and the following members answered to their names:

There were 98 Delegates present.

Delegates Morefield and Peace took their seats after the roll was called.

A quorum being present, the House proceeded with the business of the day.
The Speaker stated that he had examined and approved the Journal of the House of Delegates for Saturday, February 25, 2017, pursuant to House Rule 3.

The Speaker and the Clerk signed the Journal.

Delegate Helsel moved that when the House adjourns today, it adjourn in the honor and memory of Pocahontas.

The motion was agreed to.

The Speaker stated that the purpose of the 2017 Reconvened Regular Session, pursuant to Section 6 of Article IV of the Constitution, was to consider legislation returned by the Governor with certain objections and certain recommendations.

The Speaker stated further that these were the only matters, other than procedural, to be considered by the House of Delegates at the Reconvened Regular Session.

The Clerk reported that communications had been received from the Governor, relating to the objections of the Governor on the following House bills:

The Clerk reported that communications had been received from the Governor, relating to the recommendations of the Governor on the following House bills:

- H.B.s. 1411, 1491, 1500, 1525, 1532, 1539, 1663, 1671, 1691, 1708, 1791, 1829, 1851, 1854, 1855, 1856, 1960, 2016, 2017, 2026, 2053, 2101, 2105, 2149, 2163, 2168, 2245, 2289, 2297, 2336, 2367, 2383, 2386, 2390, 2442, and 2471.

The Speaker stated that the communications received from the Governor would be placed on the Calendar in the following order: bills returned with objections and bills returned with recommendations.

The Speaker stated that, without objection, House Rule 52 would be suspended for the purpose of the immediate consideration of H.B. 1500 (fifteen, hundred).

**HOUSE BILL WITH RECOMMENDATION BY THE GOVERNOR**

H.B. 1500 (fifteen hundred) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 27, 2017

TO THE HOUSE OF DELEGATES

HOUSE BILL 1500

I approve the general purpose of this bill, but I am returning it without my signature with the request that 27 amendments be adopted. Although the enrolled bill achieves most of the major objectives I proposed to you, I am returning it to you with amendments to address concerns that I have either noted to you previously or that have been brought to my attention since your passage of the budget.

I am grateful to each member of the House of Delegates and the Senate for your dedicated work and your timely passage of the budget. While we may differ on some of the details, your efforts reflect general support for the initiatives I proposed in the introduced budget and our shared commitment to strengthen Virginia's economy.
Specifically, the House and Senate are to be commended for keeping the promise we all made to make compensation increases for our dedicated state employees and state-responsible local employees the priority issue in this budget. Likewise, I believe that we addressed the revenue shortfall, and balanced this budget in a manner that was fair, while protecting public education and other high priority services.

I applaud the commitment to fiscal prudence that you have demonstrated in this budget. The adherence to sound fiscal management, along with adoption of a Revenue Cash Reserve to guard against short-term revenue shocks, will help to ensure that the Commonwealth has the cash on hand to address potential negative impacts from sequestration, hiring and pay freezes for the federal workforce, or other potential federal actions.

Your decision to adopt a conservative revenue estimate and resist the temptation to raise the revenue forecast is commendable; however, I believe that we must do more to increase the unappropriated balance in this budget. The budget I introduced contained an unappropriated balance of $16.1 million. The budget returned to me reduces that to $3.6 million. My amendments will more than double the unappropriated balance contained in HB 1500 as enrolled.

Of the 27 amendments that I am proposing, 13 change spending, 11 are language-only changes, and three increase the resources available.

My spending amendments are more than supported by the additional revenues and technical savings that I have identified. In fact, my amendments add nearly $1.2 million in new revenue, and reduce total spending from the general fund by approximately $5.7 million. Consequently, the net result of the revenue, savings, and spending amendments I am recommending increases the unappropriated balance from $3.6 million to $10.4 million. A summary of these amendments is provided below.

**Summary of Amendments**

**Capture prior year recovery - Item 0**

My amendment makes a $200,000 technical adjustment to general fund revenue in FY 2017 to reflect a prior year expenditure refund received in the current year by the Department of the Treasury.

**Reflect effective date of budget on Sales Tax Nexus changes - Item 0**

§3-5.15 of the enrolled budget bill includes sales tax nexus changes that generate additional revenue. The enrolled bill assumes revenue in FY 2018 for this purpose but contains no added revenue in FY 2017 despite the fact that the provisions of the budget bill will be effective upon passage.

My amendment assumes an added $916,667 in revenue for FY 2017, representing a start date of June 1, 2017, for the sales tax nexus changes.

**Make technical correction to assumed revenue - Item 0**

Item 311 of the introduced budget proposed the authorization of new licensing fees for providers of adult behavioral health and developmental services. The introduced budget assumed a total of $250,000 in revenue from this proposed action. The enrolled bill removes the authorizing language in Item 311 but also removes $300,000 in assumed revenue instead of $250,000.

My amendment adds back $50,000 in general fund revenue to reflect the correct reversal of these amounts.

**Savings from closure of Peumansend Creek Regional Jail - Item 69**

The Peumansend Creek Regional Jail is scheduled to close on June 30, 2017.

My amendment captures approximately $4.0 million in savings related to the closure.
Funding for mental health assessments in jails - Item 70

Providing mental health services to offenders in local and regional jails strengthens public safety while addressing the challenges facing individuals with mental illness in our communities. The language approved by the General Assembly, requiring all jail staff to screen a person for mental illness, is a good step in the right direction.

My amendment recognizes this effort and provides $442,500 from the general fund in the second year to allow the Compensation Board to model a staffing standard consistent with the approved language related to mental health assessments. By modeling this initiative, the Compensation Board will be able to provide a better evaluation of the costs and benefits of requiring all jails to assess offenders within 72 hours of the initial screening by a qualified mental health professional.

Restore state funding for election activities - Item 86

The enrolled budget eliminates one-time general fund support of $105,000 for a call center to address citizens' questions about the upcoming state elections and $50,000 to print additional voter registration and absentee ballot applications for distribution to third-party registration groups and state-designated voter registration agencies, as required by the National Voter Registration Act and the Code of Virginia. The enrolled budget also eliminates $500,000 of general fund support provided in my introduced budget to backfill the Department of Elections' operating expenses currently funded through the federal Help America Vote Act (HAVA) grant that is expected to be depleted before the end of FY 2018.

My amendment restores $655,000 in FY 2018 to support citizens' access to information needed for the November 2017 elections and to maintain the Department of Elections' operations when the HAVA funding expires. The integrity of our elections depends on adequate resources.

Restore funding for a solar initiative - Item 120

The enrolled bill removes $1.1 million to support the growth of the solar industry in the Commonwealth. The development of solar energy is a critical component of a diversified mix of energy sources in the Commonwealth. The solar industry has developed and matured in other states, placing Virginia at a competitive disadvantage for attracting new businesses that demand access to alternative energy sources.

My amendment provides $1.1 million from the general fund in FY 2018 to support an expanded clean energy industry. Priority in the use of these funds will be given to solar energy projects in local public school divisions and to assist commercial, institutional, and individual customers in financing solar projects. Without this amendment, the Commonwealth would lack any dedicated funding to expand the development of solar energy.

Amend language regarding the withholding of appropriation - Item 125

The enrolled budget includes language authorizing the Comptroller to withhold general fund appropriation in the amount of $1.5 million from the Virginia Economic Development Partnership (VEDP) and to disburse the funding only as directed by the Chairmen of the House Appropriations and Senate Finance Committees following the chairmen's receipt and evaluation of certain plans. However, the Virginia Constitution prohibits the General Assembly from delegating final legislative authority regarding budget or other enactments to a committee composed of a subset of the members of the General Assembly.

My amendment strikes the language requiring notification to the Comptroller by the Chairmen of the House Appropriations Committee and the Senate Finance Committee, and provides for the release of funds upon submission of the plans.

Summer Cyber Camps - Item 138

The budget as approved by the General Assembly did not include the funding I recommended for summer cyber camps. At a time when the Commonwealth has 36,000 unfilled cyber jobs, removing funding for cyber camps is short-sighted and fails to take into account the demand for cyber careers and the benefits of beginning
cyber training and exposure prior to post-secondary education. Cybersecurity is a rapidly growing industry, requiring many new employees. We already have difficulty filling the open positions in this area. Virginia needs to offer programs and incentives to generate these new employees or risk losing these jobs to other states.

My amendment provides $480,000 from the general fund in FY 2018 for summer cyber camps.

**Restore funding for cybersecurity public service scholarships - Item 144**

The budget passed by the 2017 General Assembly eliminated $500,000 in FY 2018 funding and related governing language for the cybersecurity public service scholarships program approved by the 2016 General Assembly. This program was intended to strengthen the state's ability to recruit cybersecurity talent by awarding scholarships to individuals who would work for the state upon completion of their cybersecurity academic program. Given the great quantities of sensitive information held by the state, and the difficulty for the state in competing with the private sector for individuals with experience in protecting information technology from cyber attacks, this program is vital for the state to continue defending itself from hackers and criminals.

My amendment provides $500,000 from the general fund in FY 2018 and restores the associated language.

**Cybersecurity Program Funding - Item 213**

Amendment 213 #2c removes the funding approved by the General Assembly in 2016 that allowed the community college system to hire a full-time employee to design and implement a cybersecurity curriculum, and provided funds to individual community colleges to support faculty engagement, curriculum development, and professional development for college personnel in cybersecurity. These efforts will provide the foundation for all community colleges to offer cybersecurity courses, allowing them to compete for a designation as a federal center of excellence for cybersecurity. Such designation is vital for graduates of cybersecurity programs to readily obtain jobs in the rapidly growing cybersecurity field.

My amendment restores this funding by providing $280,000 in FY 2017 and $152,000 in FY 2018 from the general fund to allow the community colleges to continue moving forward in providing cybersecurity education to Virginians seeking good paying jobs.

**Amend Virginia Tech Extension fund split language - Item 229**

The enrolled budget directed that the general fund share for the Virginia Tech Extension shall be 95 percent for state funding calculations. The language does not specify the effective date of this provision and would require an additional $1.0 million from the general fund if implemented for funding calculations in the current biennium.

My amendment clarifies that this provision will take effect for state funding calculations beginning July 1, 2018.

**Partially restore budget reductions - Item 247**

My introduced budget proposed a five percent reduction in general fund support to all institutions of higher education in FY 2018, including Eastern Virginia Medical School (EVMS). The General Assembly lowered the reduction for a number of higher education institutions but accepted the five percent reduction for EVMS.

My amendment changes the reduction to EVMS from five percent to four percent to be more consistent with the restoration of funds provided to most other higher education institutions in the enrolled budget.

**Authorizes transfer of nutrition program - Item 294**

I strongly believe that food security and nutrition are essential to the support of our youth so they may achieve educational success. Currently, the Department of Education (DOE) administers the National School Lunch Program, which is a federally assisted meals program operating in public and nonprofit private schools and residential child care institutions. It provides nutritionally balanced, low-cost, or free lunches to children each
school day. The Virginia Department of Health (VDH) administers the Summer Food Service Program (SFSP), which is a federally assisted meals program that provides meals and snacks to children during the summer months when school is not in session. VDH also administers the Child and Adult Care Feeding Program (CACFP), with the At-Risk Afterschool Meals Program component of the CACFP serving healthy meals and snacks to children and teenagers who participate in afterschool programs in low income areas. The Summer Food Service Program and the At-Risk Afterschool Meals Program provide a function that is similar to the National School Lunch Program and therefore should be administered by DOE.

My amendment adds language that authorizes the Director, Department of Planning and Budget, to transfer the associated appropriation and authorized positions supporting the federal Summer Food Service Program and the At-Risk Afterschool Meals Program component of the CACFP from the Virginia Department of Health to the Department of Education upon the execution of a memorandum-of-understanding between the two agencies and after coordination with the United States Department of Agriculture to ensure a seamless transition. Since both federally assisted programs are provided by the United States Department of Agriculture, consolidating these programs under one agency would increase program capacity and efficiency.

Support Local Health Department Rent and Renovations – Item 295

Many of the local health department offices are in space that has been under long-term lease contracts. As these contracts expire, we often must adjust funding to reflect current market prices. In FY 2018, the contracts in the Chesterfield and Accomack office must be renewed and the terms of those renewals are now known.

My amendment provides $303,236 from the general fund in FY 2018 to fund rent increases and renovation costs for these two local health departments so that they may continue to provide vital health services to our citizens. These funds are necessary to allow for the uninterrupted provision of these services, including immunizations and disease detection and prevention.

Clarify the authority of DMAS informal appeals agents - Item 306

The enrolled budget allows informal appeals agents at the Department of Medical Assistance Services to close an informal appeal based on a settlement between the parties up to $250,000 without legal review by the Office of the Attorney General. The removal of this legal review could create several problems and could result in inconsistent settlement policy. The Office of the Attorney General should review and approve all compromises of claims of the Commonwealth pursuant to §2.2-514 of the Code of Virginia.

My amendment clarifies the authority of informal appeals agents but retains the legal review of settlement language by the Office of the Attorney General.

Restore authority to implement federal health care reforms - Item 306

I ask that you reconsider budget language that would allow Virginia to quickly react to and take advantage of the nation's health care policy should it continue to benefit the Commonwealth.

My amendment restores authority for me, on or after October 1, 2017, to direct the Department of Medical Assistance Services (DMAS) to amend the state's Medicaid plan if the federal Affordable Care Act (ACA) is continued, amended, or replaced through federal law or regulation, such that an enhanced federal medical assistance percentage (FMAP) rate is available for newly eligible individuals. Any savings associated with such action would be unallotted and reserved for appropriation by the 2018 General Assembly. This measure ensures that I can respond to the evolving health care landscape and ensure Virginians can take advantage of any new opportunities presented by changes in federal programs.

Strike supplemental payment language - Item 306

As you know, over my tenure as Governor I have been a staunch advocate for ensuring that the hardworking taxpayers of Virginia get their fair share of federal revenue returned to the Commonwealth. However, I cannot in good conscience allow our state to pursue actions that might jeopardize future funding and place vulnerable Virginians at risk.
The enrolled budget includes language that seeks to make supplemental Medicaid payments to certain private hospitals. In order to offset some portion of the added cost of these payments, state agencies not associated with the Medicaid program would be required to transfer funds currently budgeted for safety net and other human services into the Medicaid program. While private hospitals might voluntarily work with the impacted programs to preserve these services, there is not and cannot be any assurance that this will occur without violating federal rules. Should the federal government determine any arrangements exist between enhanced payments and services being provided by the hospitals on behalf of the state, the associated Medicaid payments would be deemed improper, leading to disallowances and creating a financial liability for the Commonwealth. Further, it is inappropriate to create the expectation among these private hospitals that the Commonwealth will be able to provide these supplemental payments. The budget as enrolled does not provide any funding specifically for these; instead, it relies on the transfer of funds currently appropriated for ongoing services.

My amendment strikes this language to avoid significant risks to the Commonwealth with regard to financial liability, federal scrutiny, and critical services.

**Remove language relating to Public Private Transportation Act of 1995 - Item 436**

The General Assembly added budget language that would to extend public works contract requirements that presently pertain only to state-initiated transportation projects to include projects developed under the Public-Private Transportation Act (PPTA) of 1995. This could preclude vendors with union labor from participating in PPTA projects.

My amendment strikes this new restrictive language since it is likely to limit the number of companies willing to participate in transportation projects under the Public-Private Transportation Act. Vendors involved with PPTA projects are typically national and international firms. Any restrictions on these vendors will reduce the possible benefits Virginia could reap from its PPTA projects.

**Administrative actions related to toll violations - Item 442**

Recent news has revealed a problem with some private toll operators placing exorbitant fees on individuals with toll violations. Charging amounts greater than $2,200 against first time toll violators, or proposing settlements greater than that amount, runs counter to the spirit and intent of the agreements we have signed with private toll operators.

My amendment establishes stricter parameters for when the Department of Motor Vehicles can refuse to issue or renew a vehicle registration or license plate to an individual identified with toll violations. It is anticipated this language will help discourage toll facility operators from charging exorbitant fees for toll violations.

**Capture state health insurance savings - Item 475**

The enrolled budget did not include any changes to the state health insurance premiums or enrollment estimates included in Chapter 780, 2016 Acts of Assembly. The actuary's report for the state health insurance plan recommends lower total premiums than the premiums funded in Chapter 780 for the COVA HealthAware, COVA High Deductible, and Kaiser Permanente health plans.

My amendment reduces the monthly premiums for employees enrolled in the COVA HealthAware plan. Updating employee enrollment figures with more recent data provides sufficient savings to fund the employer's share of these premium updates and generates net general fund savings. These changes result in a net general fund savings of $263,683 in FY 2017 and $557,646 in FY 2018 based on updates to 2016 state health insurance plan enrollments and premiums for the COVA HealthAware, COVA High Deductible, and Kaiser Permanente health plans provided by the Department of Human Resource Management.

**Increase Jamestown-Yorktown 2019 Commemoration reversion - Item 475.10**

As you know, my introduced budget proposed $5 million in general fund support for the 2019 Commemoration, while the budget passed by the General Assembly provides $10.0 million.
My amendment reduces an additional $5 million in general fund support in FY 2018 from the appropriation for the Jamestown- Yorktown 2019 Commemoration in the reversion clearing account established by the General Assembly. After this action, the budget will still provide $5.0 million in general fund support for the 2019 Commemoration. These savings will not be spent but instead be added to the bottom line to double the unappropriated balance, thus providing additional cushion in case we face negative revenue issues resulting from potential federal budget cuts and the freeze on federal hiring.

**Remove appropriation diverting funds from VCEDA - Item 476**

The enrolled bill directs the Virginia Coalfields Economic Development Authority (VCEDA) to provide up to $500,000 of its balances to the Lenowisco and Cumberland Plateau Planning District Commissions to support economic development activities in Southwest Virginia. Currently, the Lenowisco and Cumberland Plateau Planning District Commissions each receive $75,971 from the general fund in each year. Further, the budget also provides funds for the Virginia Initiative for Growth and Opportunity in Each Region (GO Virginia). GO Virginia's focus is the creation of state financial incentives, technical support, and other assistance that will encourage collaboration for private-sector growth and job creation by business, education, and government entities in nine designated regions. Each region is or will be soon developing a plan for spurring regional growth.

My amendment removes the appropriation and corresponding budget language. I believe that the VCEDA funds duplicate efforts that can be accomplished through GO Virginia.

**Increase maintenance reserve funding - Item C-44**

Scott House, completed in 1911, sits in the middle of the Virginia Commonwealth University (VCU) campus on Franklin Street. Due to deteriorating conditions of the building and the recent collapse of a ceiling, the university has removed all employees from the premises and braced the structure in places where additional failures could occur. This facility is on the National Registry of Historic Places and repairs are necessary if the building is to be used by the university to support academic programs in the future. Unless repairs are done soon, there is danger of additional structural failures.

My amendment provides up to $3.5 million of additional bond support for maintenance reserve, to be used by VCU to stabilize and repair the Scott House. The state normally provides one hundred percent of funding for facilities identified as providing educational and general programs, such as the Scott House. For this project, however, the university will be required to equally match the state funding provided.

**Additional funding for War Memorial project - Item C-48.10**

The original scope of the Virginia War Memorial capital project included a three-level parking deck; however, the current funding is sufficient for only a two-level deck.

My amendment adds $1.5 million of Virginia Public Building Authority debt to cover the additional costs so that the project may proceed, including a third level for the parking deck, as originally intended.

**VCBA bond issuance authorization language - Item C-48.10**

Item C-48.10 of the introduced budget originally included only projects for which bonds are issued by the Virginia Public Building Authority (VPBA). The enrolled budget amends this item to include projects of agencies for which the Virginia College Building Authority (VCBA) normally issues bonds, but did not include VCBA in the authorizing language.

My amendment adds language authorizing VCBA to issue bonds for projects in this item. Explicit legislative authorization is required to issue VCBA debt.

**Virginia Birth-Related Neurological Injury Compensation Program Language - Item 4-5.01**

My amendment clarifies conditions for payments made under the Virginia Birth-Related Neurological Injury Compensation Program and requests that the State Corporation Commission report on options to improve the actuarial soundness of the program.
Conclusion

I am not recommending any changes to the conservative base revenue forecast upon which we have agreed throughout this General Assembly Session. My requested spending is offset by three amendments that add $1.2 million in additional revenue available in FY 2017, and from savings in two technical amendments that capture approximately $4.8 million of unneeded appropriations in FY 2017 and FY 2018.

Taken together, the additional revenue and the savings from reduced appropriations provide approximately $6.0 million with no changes in policy. These resources more than cover the cost of my spending proposals that total approximately $4.1 million.

As I previously stated, the level of the unappropriated balance concerns me. The budget you presented to me contained an unappropriated balance of $3.6 million. I believe that it is prudent to leave sufficient resources for unforeseen circumstances that may surface in the future; and given our current circumstances, $3.6 million is not adequate. To that end, in addition to the balances that will be added by the amendments I have discussed thus far, I am returning this budget to you with one last amendment that I hope you will give serious consideration.

I have been consistent in my message that $10.0 million is too much to spend for the Jamestown-Yorktown Commemoration. I am proposing to reduce the general fund appropriation to the Jamestown-Yorktown Commemoration by $5.0 million in FY 2018 and that these savings not be spent but instead be added to the bottom line to double the unappropriated balance to more than $10.4 million. This will preserve those funds for other potential economic shocks that we are likely to face, especially given the President's proposed budget and the prospects that the federal government will operate in the near term under a continuing resolution that essentially will lead to further sequestration actions. If we determine next year that the additional unappropriated balances are not needed and the Commemoration still needs these funds, this issue can be revisited. Until then, I ask that you show the prudence to redirect these balances to the bottom line.

Attached to this letter are the details of my proposed amendments. In your review of these proposals, I think you will find they are relatively minor and consistent with the objectives that I have stated throughout my administration and this legislative session.

I respectfully request your adoption of these amendments so that they may be incorporated into the amended Appropriation Act for the 2016-2018 biennium. Thank you for your consideration of my requests and for your service to the Commonwealth.

Respectfully submitted,
/s/ Terence R. McAuliffe

HOUSE BILLS VETOED BY THE GOVERNOR

H.B. 1432 (fourteen, thirty-two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
February 20, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1432, which legalizes the carrying of a concealed switchblade knife when it is carried for the purpose of engaging in a lawful profession or lawful recreational activity the performance of which is aided by the knife. This bill also legalizes the sale, bartering, giving or furnishing of switchblade knives.

Virginia Code does not define "lawful profession" or "recreational activity." This modification will create a burden on law enforcement to determine whether a person is engaged in a lawful profession or recreational activity. The enforcement of this law would be challenging at best.

There is no compelling need to add to the list of weapons that can be lawfully concealed from public view and easily traded. Legalizing the concealed carry of switchblade knives would needlessly endanger the lives of Virginians. Furthermore, the laws of the United States prohibit the manufacture, transportation or distribution of switchblade knives.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.

H.B. 1578 (fifteen, seventy-eight) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
February 20, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1578, which prohibits public schools from joining any organization governing interscholastic programs that does not allow home-schooled students to participate. More than 300 public schools belong to the Virginia High School League (VHSL), an organization through which member schools have regulated interscholastic competition since 1913. Each year over 200,000 public school students, who satisfy the VHSL's 13 individual eligibility requirements, participate in one or more of the league's 27 sports and 11 academic activities.

Allowing home-schooled students to participate in interscholastic competitions would disrupt the level playing field Virginia's public schools have developed over the past century. While the bill provides that home-schooled students must demonstrate evidence of progress in order to participate in interscholastic activities, the unique nature of their educational situation precludes conformity to the same standards.
Virginia's public schools provide a complete package of scholastic offerings and access to extracurricular activities. Participation in athletic and academic competitions is a privilege for students who satisfy eligibility requirements. Opening participation in those competitions to individuals who are not required to satisfy the same criteria codifies academic inequality in interscholastic competition.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Delegate Bell of Albemarle moved that the House override the Governor's veto.

Delegate Bell of Albemarle propounded a parliamentary inquiry as to how a member should vote if he or she wished to override the Governor's veto.

The Speaker stated that the question was "Shall the House override the Governor's veto?" therefore a member who wished to agree to the motion needed to vote in the affirmative.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

Yeas, 61. Nays, 39. Abstentions, 0. Not Voting, 0.

The vote required by the Constitution, this being an act requiring a two-thirds affirmative vote of the members present, was recorded as follows:

H.B. 1582 (fifteen, eighty-two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
February 20, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1582. The bill would allow any person 18 years of age or older and on active military duty or honorably discharged from the United States Armed Forces or the Virginia National Guard who has completed basic training to apply for a concealed handgun permit.

Contrary to the assumption of House Bill 1582, weapons familiarization training as a component of an individual's military basic training does not qualify that individual to carry weapons in follow-on service. Under the bill, an individual who has completed basic training but who subsequently was disqualified (for medical or other reasons) from having access to weapons could nevertheless apply for a concealed handgun permit.
My concerns about this bill are in no way a reflection of my respect and support for the brave young men and women who serve our nation in uniform. I have made the decision to veto this bill after consultation with military leadership, including Secretary of Veterans and Defense Affairs Admiral John Harvey, USN (Ret), who dealt with this issue extensively throughout his 39-year career in our Navy. House Bill 1582 reflects an incomplete understanding of weapons qualification practices within our military and is an unwarranted expansion in the number of people allowed to carry handguns in the Commonwealth. It would do nothing to protect the safety of our citizens.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Delegate Campbell moved that the House override the Governor's veto.

H.B. 2198 (twenty-one, ninety-eight) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
February 21, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2198, which would reinstate the coal employment and production incentive tax credit and extend the allowance of the coalfield employment enhancement tax credit without meaningful reform.

As I stated last year when I vetoed similar legislation, I work tirelessly to build a new Virginia economy and ensure that the Commonwealth is the best place to live, work, and run a business. Making the most effective use of every dollar taxpayers entrust to their government is an essential part of that effort.

In January 2012, the Joint Legislative Audit and Review Commission (JLARC) published its final report, Review of the Effectiveness of Virginia Tax Preferences, Senate Document No. 4. That report established that the coal tax credits were intended to slow the decline of coal production and employment. Instead, JLARC found that the decline of coal production and employment was the same or even faster than was predicted before the credits were created. JLARC's report concluded that the economic activity had not moved in the desired direction and that the credits had not achieved their goal.
Specifically, from 1988 until 2016, coal mine operators, electricity generators, and other coal-related companies have claimed over $637 million in tax credits. However, during the same period, the number of coal miners in Virginia has declined from 11,106 to 2,483. It would be unwise to spend additional taxpayer dollars on a tax credit that has fallen so short of its intended effectiveness.

Given the findings of the JLARC study and the lack of meaningful reform, including in this year's legislative session, I believe it would be inappropriate to sign this legislation.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Delegate Kilgore moved that the House override the Governor's veto.

Not Voting–Plum–1.

H.B. 2002 (twenty, naught, two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
February 23, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2002, which requires the Department of Social Services to publish a report consisting of individually identifiable information for each refugee who is resettled in the Commonwealth.

Many individuals and families placed in Virginia through the U.S. Refugee Resettlement Program are fleeing governmental oppression, persecution, and violence. Many leave their countries because they are targeted by their home country's government, often for helping to further American interests. Disclosing such information in this political climate not only sends a message of discrimination and fear, but it also poses a real danger to many of our newest Virginians.

Refugees are in the United States legally. They undergo a more rigorous screening process than anyone else allowed into the United States. Creating a publicly available list of these individuals would send a message of exclusion to people looking for the chance to rebuild their lives free of tyranny and oppression.
Resettlement programs in Virginia already engage in regular community dialogues to discuss refugee and community needs. House Bill 2002 would create an unnecessary burden for already overworked nonprofit organizations and would limit these organizations' ability to accomplish their mission of safely settling refugees in the Commonwealth.

As Virginians, we know the many benefits and contributions that refugees bring to our communities and Virginia's economy. House Bill 2002 sets us on the wrong path. It does not reflect Virginia's values.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.

H.B. 1394 (thirteen, ninety-four) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 16, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1394, which would categorically prohibit franchisees and their employees from being considered the employees of a franchisor.

As proponents of this legislation have acknowledged, franchisees and their employees are not considered employees of the franchisor in typical franchisor/franchisee relationships. However, the nature of that relationship is subject to a particularized fact-based inquiry, and in situations of dominant franchisors, the franchisees and their employees are de facto employees of the franchisors.

House Bill 1394 would relieve these dominant franchisor/employers of the obligations and responsibilities an employer owes to its employees. As a result of this blanket approach, it would fall to the dominated franchisees—usually small, Virginia-based businesses—to shoulder the burdens more appropriately placed on the dominant franchisor.

Healthy franchisee/franchisor relationships are an integral part of the business environment and play an important role as we continue to build the new Virginia economy. House Bill 1394 would undermine that effort by exempting dominant franchisors from their obligations to Virginia businesses and workers.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

H.B. 1400 (fourteen hundred) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 13, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1400, which would create a new executive branch agency known as the Virginia Virtual School. This entity, governed by an independent policy board, would facilitate the provision of full-time, online education programs for students throughout Virginia.

This bill is virtually identical to HB 8 (2016). The Office of the Attorney General advised that HB 8 was unconstitutional; consequently, I vetoed it.

In establishing the Virginia Virtual School outside of the jurisdiction of the Board of Education, and most importantly, local school boards, this legislation raises significant constitutional concerns.

Students throughout Virginia need and deserve access to a wide variety of high quality virtual learning opportunities, including both blended and full-time options. Following my 2016 veto of HB 8, the Secretary of Education and Virginia Department of Education convened a workgroup composed of a broad range of stakeholders to explore alternative policy proposals to expand access for students. The workgroup’s recommendations formed the basis of new legislation, proposed this year at my request, which would have expanded access for students in every corner of the Commonwealth. This would be accomplished within a constitutionally-sound governance model that provided flexibility for local school divisions and maximized necessary supports for enrolled students.

It is unfortunate that despite this alternative proposal, the legislature instead chose to send me unconstitutional legislation nearly identical to that which I vetoed last year.

HB 1400 would create a new state agency outside the constitutional framework governing school divisions and boards.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

H.B. 1428 (fourteen, twenty-eight) was taken up.  
The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 3, 2017  

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1428, which requires photo identification for any voter seeking absentee ballots by mail, telephonic or electronic transmission.

This bill remains substantively unchanged from a bill that I vetoed in 2015. The bill imposes barriers on an eligible voter's ability to obtain and cast an absentee ballot. The requirement would not in any way deter fraudulent voting since it provides no means of verifying the identity of the individual depicted in the submitted photograph.

The right to vote is a fundamental tenet of our democracy, and we should be doing all we can to facilitate eligible citizens' access to the ballot. This bill would undoubtedly result in the disenfranchisement of qualified eligible Virginian voters and increase the potential for costly and time-consuming litigation.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.

Delegate Cox, at the request of the Speaker, assumed the Chair.

H.B. 1468 (fourteen, sixty-eight) was taken up.  
The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA  
Office of the Governor  
March 3, 2017  

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1468. This bill would prohibit the release of certain persons, held by state or local officials, who are suspected of violating U. S. immigration laws. House Bill 1468 is virtually identical to House Bill 481 (2016), which I vetoed last year. My concerns about this proposal have only increased since that time.

First, this bill is unnecessary. The Commonwealth's law enforcement authorities currently work closely with their Federal counterparts regarding immigrants held in state and local correctional facilities. Imposing the requirements of House Bill 1468 on local sheriffs and jail administrators could inject confusion into this relationship, leading to less effective public safety efforts.

Second, I am concerned about the message this bill conveys. This is just one of a series of anti-immigrant measures which have contributed to contention here in Virginia and nationwide. A year ago, in vetoing House Bill 1468's predecessor, I said, "Rather than stoking irrational fears of non-citizens present in the Commonwealth, the General Assembly should be focused on substantive policies to improve public safety in Virginia." This concern is even more valid today.
Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

H.B. 1596 (fifteen, ninety-six) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 3, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1596, which would prohibit a state agency from requiring a bidder, contractor, or subcontractor from performing services at rates based on prevailing wages and benefits.

Projects and employers who adhere to prevailing wage standards improve the lives of working families and enrich their communities. This legislation would have the effect of lowering wages and impeding the conclusion of future labor agreements. Virginia's efforts should be focused on increasing wages, which will fortify our efforts to build a new Virginia economy, rather than placing artificial restrictions on future growth.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.
H.B. 1605 (sixteen, naught, five) was taken up.
   The communication from the Governor was as follows:

   COMMONWEALTH OF VIRGINIA
   Office of the Governor
   March 16, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1605. This bill would divert state funds from our public school systems and redirect those funds to "Parental Choice Education Savings Accounts" to pay for educational services outside the public school system. The bill is similar in purpose to HB 389 (2016), which I vetoed. Nothing in HB 1605 addresses the earlier measure's fundamental infirmities.

First and foremost, this legislation raises significant constitutional concerns. Tuition at private sectarian institutions would be an approved expense. This places the legislation in direct conflict with Article VIII, Section 10, of the Virginia Constitution, which authorizes the use of public funds only for public and nonsectarian private schools.

In requiring local school divisions to transfer the bulk of a qualified student's state SOQ funding to an outside "Education Savings Account," the bill would deprive those schools of critically-needed resources. Additionally, the funds that would be withdrawn from the public system bear no relationship to the cost of the private education to be provided. Since the bill requires only state funding to be transferred, the amount received by eligible families would vary widely, depending on which locality a student is from.

Finally, it should be noted that the bill lacks accountability standards for participating schools. There thus is no assurance that these state funds will be used to provide students high quality education.

House Bill 1605 raises constitutional concerns, diverts funds from public schools, and creates an inequitable system across different school divisions. It fails to support the goal of using state resources to strengthen and improve public education throughout the Commonwealth.

Accordingly, I veto this bill.

   Sincerely,
   /s/ Terence R. McAuliffe

No action was taken on the Governor's veto.

H.B. 1753 (seventeen, fifty-three) was taken up.
   The communication from the Governor was as follows:

   COMMONWEALTH OF VIRGINIA
   Office of the Governor
   March 16, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1753, which would prohibit a local government from requiring that its contractors have a wage floor or other benefit above what is required by state or federal law.

In recent years, several local governments have required contractors to pay certain wage levels in contracts with localities. These initiatives have provided access to qualified, high-skilled workers and contractors and successfully addressed significant cost-of-living and workforce disparities in these localities.

The ability of other local governments to make this choice should be supported, not limited. Decisions regarding municipal contracts should be made by local leaders who fully understand local needs, and the needs of their workforce.
Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

H.B. 1790 (seventeen, ninety) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 24, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1790, which would revamp Virginia's current requirement that agencies review all existing regulations to determine whether they continue to be effective and necessary.

The current process for review of regulations is robust. Independent citizen boards generally approve them. The Office of the Attorney General reviews them. The Department of Planning and Budget reviews them, including development of an economic impact analysis. A cabinet secretary and the Governor review them. They go through multiple rounds of public comment, open to any and all interested parties. And, the Joint Commission on Administrative Rules has authority to opine on any regulation under consideration.

That there are too many regulations is a straw man that is not borne out by the facts. But even accepting that there is a problem with over-regulation in Virginia, House Bill 1790 would simply require more paperwork in an effort to identify paperwork that should be eliminated. This approach would only add costs without benefit—the very type of policy this bill seeks to avoid.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

H.B. 1836 (eighteen, thirty-six) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 24, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1836. This bill violates the Virginia Constitution by impairing existing agreements and arrangements among Spotsylvania County, Homeowners Associations, developers, and VDOT. It would also entail the assumption of obligations of a private party by the Commonwealth. I encourage the interested parties to resolve this issue at the local level.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.

H.B. 1852 (eighteen, fifty-two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 24, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1852, which would provide that for a period of 45 days after the issuance of a protective order the individual seeking the protective order may lawfully carry a concealed weapon. This bill would eliminate the application and training requirements associated with concealed handgun permits and allow petitioners to carry a concealed weapon immediately upon the issuance of any protective order. It is identical to House Bill 766/Senate Bill 626 (2016), which I vetoed.

The bill perpetuates the dangerous fiction that the victims of domestic violence will be safer by arming themselves. It would inject firearms into a volatile domestic violence situation, making that situation less safe, not more.

In 2014, there were 112 family and intimate-partner related homicides in Virginia. Sixty-six of those deaths were with a firearm. I will not allow this bill to become law when too many Virginia women have already fallen victim to firearms violence at the hands of their intimate partner.
Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

H.B. 1853 (eighteen, fifty-three) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 24, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1853, which requires courts to provide petitioners of certain protective orders with a list of firearms safety or training courses or classes. The bill directs the Department of Criminal Justice Services to approve these training courses and classes, and to publish and disseminate a list of providers.

This bill promotes the theory that the answer to domestic violence is the threat of greater, more lethal violence. Encouraging victims to arm themselves contradicts research which suggests that such a policy is more likely to result in tragedy than to prevent it. Facilitating the introduction of firearms into a volatile situation of domestic violence makes Virginia less safe, not more.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

H.B. 2000 (two thousand) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 27, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, and after consulting with law enforcement, I veto House Bill 2000, which imposes an unnecessary and divisive requirement upon localities regarding the enforcement of federal immigration laws.

This legislation does nothing more than send a hostile message to immigrant communities across the Commonwealth. While House Bill 2000 operates under the false guise of public safety, the Supremacy Clause of the United States Constitution already ensures that a state or local government may not override federal immigration laws. The practical effect of this legislation is to send an anti-immigrant message that must be viewed in the larger context of discussions occurring at the national level today.

Localities have the right to determine whether or not to expend the resources and voluntarily enter into an agreement with the United States Immigration and Customs Enforcement agency. Police divisions across the Commonwealth have a long tradition of engaging in community policing strategies, and many have determined that it is more important to develop a relationship with immigrant communities in order to keep all of those who live within the locality safe.

Rather than sowing division within our communities, we should be pursuing policies that are open and welcoming as we work to build the new Virginia economy. Legislation like House Bill 2000 promotes an anti-immigrant message that serves the opposite purpose, and job creators will look elsewhere when determining whether to do business in our Commonwealth.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

H.B. 2025 (twenty, twenty-five) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 23, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2025, which would shield from civil liability those who actively discriminate against same-sex couples. I vetoed this exact same bill last year, and my rationale for that veto remains the same.

Although couched as a "religious freedom" bill, this legislation is nothing more than an attempt to stigmatize. Any legitimate protections afforded by House Bill 2025 are duplicative of the first Amendment to the Constitution of the United States; Article I, Section 11 of the Constitution of Virginia; and the Virginia Religious Freedom Restoration Act. Any additional protections are styled in a manner that prefers one religious viewpoint—that marriage can only validly exist between a man and a woman—over all other viewpoints. Such a dynamic is not only unconstitutional, it equates to discrimination under the guise of religious freedom.

This legislation is also bad for business and creates roadblocks as we try to build the new Virginia economy. Businesses and job creators do not want to locate or do business in states that appear more concerned with demonizing people than with creating a strong business climate. Legislation that immunizes the discriminatory actions of certain people and institutions at the expense of same-sex couples would damage Virginia's reputation for commonsense, pro-business government. We need only look at the damage these types of laws are doing in other states to understand the harm this bill could bring to our Commonwealth and its economy.

We should be pursuing policies to make Virginia a more vibrant and welcoming place to live, work, and raise a family. House Bill 2025 would accomplish the opposite by making Virginia unwelcome to same-sex couples, while artificially engendering a sense of fear and persecution among our religious communities.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

H.B. 2077 (twenty, seventy-seven) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 3, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2077, which eliminates the authority of governmental entities to prohibit firearms in all shelters used during states of emergency.
These shelters provide services including food, housing, health care, and emotional support to people seeking aid during a disaster. Typically in large-scale disasters such as hurricanes, floods, and tornadoes, the sheltering operations of organizations such as the American Red Cross (which has voiced its opposition to House Bill 2077) take place in schools, community centers, stadiums, and even churches, in which many huddle together in close quarters.

These shelters are a place where people take refuge from danger and where Virginians come together to lend a helping hand to others. The practical effect of injecting guns into the high-stress environment of an emergency shelter would endanger vulnerable families (including young children), not to mention the staff and volunteers whose job it is to provide assistance and keep order. Accommodating firearms through House Bill 2077 also would require the diversion of law enforcement personnel from vital emergency management operations. Moreover, to push gun politics into this atmosphere of community is insulting to the very spirit of charity that Virginians show time and time again in disasters.

As Governor, my highest responsibility is to ensure public safety. House Bill 2077 runs exactly counter to that goal.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.

H.B. 2092 (twenty, ninety-two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 24, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2092, which adds costly, time-consuming, and unnecessary steps when the Department of Social Services evaluates an applicant's eligibility for public assistance. While I strongly support the policy goal of maintaining the integrity of the Commonwealth's public assistance programs, this bill is ill-conceived and a diversion of limited state resources.

This bill requires the Department of Social Services to obtain information from the Social Security Administration, the Virginia Employment Commission, and the Internal Revenue Service, which the Department already does. However, this bill also requires the Department to obtain an entire criminal history for each applicant. A full criminal history is not required under federal law for public assistance programs and is a poor use of public resources.

This bill also requires the Department of Social Services to review Virginia Lottery records to determine if applicants received lottery winnings that would disqualify them from eligibility. Applicants are already required to report all sources of income and resources pursuant to program rules. The Department already has the ability to electronically verify the assets of applicants through data exchange with banks. Spending additional state resources prior to better determining whether the cost exceeds the benefit is a misguided use of state resources.

As Governor, ensuring the integrity of all state programs and services is a top priority. However, House Bill 2092 sets us on the wrong path. It does not reflect Virginia's values.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

H.B. 2191 (twenty-one, ninety-one) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 13, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2191. This bill would require schools to notify parents if their child is enrolled in a course in which the instructional materials or related academic activities include sexually explicit content or the potential for sexually explicit content. The legislation would also require teachers to provide alternative instructional materials if requested by a parent.

The Virginia Administrative Code specifies that "Local school boards shall be responsible for the selection and utilization of instructional materials." The same section of the Administrative Code requires each local school board to have policies in place enabling parents to inspect all instructional materials and to challenge the inclusion of materials that might be considered "sensitive or controversial," for any reason.

The Virginia Board of Education has examined this issue in recent years. In doing so, the Board engaged in lengthy and substantive conversations with school boards, teachers, parents and students. At the conclusion of its inquiry, the Board determined that existing state policy regarding sensitive or controversial instructional material is sufficient and that additional action would be unnecessarily burdensome on the instructional process.

Because the Board of Education considered this issue in a broader and more complete context and deemed existing policies to be adequate, I believe House Bill 2191 is unwarranted.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

H.B. 2207 (twenty-two, naught, seven) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 24, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2207, which would impose needless additional bureaucratic requirements on the administration of nutrition assistance by the Department of Social Services.

For many vulnerable Virginia families, the federally funded Supplemental Nutrition Assistance Program (SNAP) is the only means of affording healthy food. As a federal program, SNAP has its own eligibility requirements. House Bill 2207 would unnecessarily add to those requirements, to the detriment of the Virginians the program is designed to help, and impede efforts to administer the program efficiently.

Throughout my term as Governor, the First Lady has shown tremendous leadership in working with the members of the General Assembly to increase children's and families' access to healthy, nutritious food in school and at home. This bill would be a step backwards in our collective efforts to ensure that everyone has the food they need to learn, thrive, and contribute towards building the New Virginia Economy.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

H.B. 2342 (twenty-three, forty-two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 13, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2342. The bill would permit the Virginia Board of Education to create regional charter school divisions through which eligible school divisions could establish regional charter schools. Additionally, it would permit the state's share of the student's Standards of Quality funding to be diverted from the local school division to the regional charter school.

In establishing regional governing school boards that remove authority from local school boards and their members, this legislation proposes a governance model that is in conflict with the Constitution of Virginia. Public charter school arrangements are already available to divisions at the discretion of the local school board, which makes the ultimate decisions about the establishment, renewal and dissolution of charter schools within its division.

We should always consider new and innovative ways to provide a world class education to all of our students, but this particular governance framework is not viable within the parameters of Virginia's constitutional structure.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

No action was taken on the Governor's veto.

H.B. 2343 (twenty-three, forty-three) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 13, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2343. Requiring the Department of Elections to provide lists of certain voters who may have moved to localities after the Department has conducted list maintenance activities in compliance with state and federal law increases the administrative burden on localities which are currently struggling with limited resources.

By providing 133 individual general registrars with lists of certain voters and no clear instructions, this bill would invite confusion and increase the possibility of violating federal law. Moreover, it would expose eligible and properly registered Virginians to the risk of improper disenfranchisement.

The Commonwealth's proven and efficient methods of list maintenance serve as a national model. We should focus on improving this system rather than needlessly increasing administrative burdens.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

H.B. 2411 (twenty-four, eleven) was taken up.

The communication from the Governor was as follows:

COMMUNEAL OF VIRGINIA
Office of the Governor
March 27, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2411, which would undo provisions passed by the General Assembly since 2011, to bring the laws of the Commonwealth into conformity with requirements of the federal Patient Protection and Affordable Care Act.

The PPACA has improved health care access for thousands of Virginians. Nearly 400,000 Virginians have been able to purchase health insurance through the federal Marketplace, and more than 80 percent of them have received federal tax subsidies to help them pay for it.

The PPACA included a long list of other provisions that have helped Virginians access physical and behavioral health care.

Congressional action to repeal the PPACA has not yet taken place, and its future is uncertain. Congressional proposals to replace the PPACA with alternative health legislation have so far yielded mixed reaction among lawmakers, including many Republicans, and near universal opposition from doctors, hospitals and numerous advocacy groups.

It is premature to sign such legislation, given the uncertainty at the federal level and the ongoing need for better access to health care that exists in Virginia.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

I approve the general purpose of this bill, but I am returning it without my signature with the request that the attached Amendment in the Nature of a Substitute (17106014D) be accepted.

Sincerely,
/s/ Terence R. McAuliffe

The amendment in the nature of a substitute proposed by the Governor was printed separately, with its title reading as follows:

A BILL to amend and reenact § 18.2-408 of the Code of Virginia, relating to conspiracy; incitement, etc., to riot; public safety personnel; penalty.

The House proceeded to reconsider the bill.
Delegate Lingamfelter raised a point of order as to whether the Governor's recommendation was germane.
The Speaker stated that the enrolled bill stated that a person who conspired with others to cause a riot could be guilty of a Class 3 felony and that the Governor's recommendation expanded the bill to include persons who caused a riot "...that intentionally selects the person against whom the riot is aimed because of race, religious convictions, color, sexual orientation, or national origin..." which was too broad of an expansion from the purpose of the enrolled bill.
The Speaker stated further that the Governor's recommendation was not germane and the Chair would so rule.

Delegate Lingamfelter propounded a parliamentary inquiry as to whether the bill would be returned to the Governor in the form in which it was previously sent.

The Speaker stated that the Gentleman from Prince William was correct.

The bill was returned to the Governor.

Speaker of the House of Delegates

Clerk of the House of Delegates
THURSDAY, APRIL 27, 2017

The following Senate bills were vetoed by the Governor:

Speaker of the House of Delegates

Clerk of the House of Delegates
FRIDAY, APRIL 28, 2017

The following House bill, with a communication thereto, was vetoed by the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 28, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto HB 1791. This bill would provide that any person conspiring to incite a riot against specified categories of law enforcement officers is guilty of a Class 3 felony. The base penalty for incitement to riot is a Class 5 felony.

During the Reconvened Session, I offered a substitute amendment that would have retained the enhanced penalty regarding conspiracy to riot against law enforcement officers, and also made it a Class 3 felony to conspire to riot against a person because of his race, religious convictions, color, sexual orientation, or national origin. This amendment was rejected.

Conspiring to riot against a law enforcement officer is a serious crime, as is inciting a riot against a person because of his race, religious convictions, color, sexual orientation, or national origin. House Bill 1791 in its original form fails to strike this needed balance.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

The following House bill, with a communication thereto, was vetoed in-part by the Governor:

COMMONWEALTH OF VIRGINIA

HOUSE OF DELEGATES

HB 1500 – GOVERNOR'S VETOES

I have completed my review of House Bill 1500. This budget represents a number of significant accomplishments; most important, it addresses the revenue shortfall and is balanced in a manner that protects public education and other core services that are important to a growing economy and a high quality of life.

Together, in this budget, we kept the promise to prioritize compensation increases for our dedicated state employees and state-responsible local employees. I am also pleased that we worked together to adhere to a conservative revenue forecast. This fiscally prudent action, along with adoption of a Revenue Cash Reserve to guard against short-term revenue shocks, will help to ensure that the Commonwealth has the capacity to address potential negative impacts from sequestration or other potentially threatening federal actions, as well as the possibility of other economic uncertainties.

Overall, this budget represents more areas of agreement than disagreement. That said, I remain disappointed that we could not agree on critical issues for the future of our Commonwealth, like investments in cybersecurity, workforce development, and solar energy. I also regret that this budget does not include the revenue for the lifesaving benefits that Medicaid expansion would generate for our Commonwealth.
This budget achieves most of the major objectives I proposed to you and I am proud to sign it. However, pursuant to Article V, Section 6, of the Constitution of Virginia, I have vetoed four items, vetoed one unconstitutional provision, and noted a sixth provision I believe is unconstitutional and unenforceable. The summary below describes each of these actions.

Respectfully submitted,
/s/ Terence R. McAuliffe

Summary of Vetoes and Other Actions

**Item 125, page 94 – VEDP Language**  
*Action: I view this provision to be unconstitutional.*  
Terence R. McAuliffe April 28, 2017

The reenrolled budget includes language authorizing the Comptroller to withhold general fund appropriations in the amount of $1.5 million from the Virginia Economic Development Partnership (VEDP) and to disburse the funding only as directed by the Chairmen of the House Appropriations and Senate Finance Committees following the chairmen's receipt and evaluation of certain plans. However, the Virginia Constitution prohibits the General Assembly from delegating final legislative authority regarding budget or other enactments to a committee composed of a subset of the members of the General Assembly. Accordingly, I will not execute this provision as written, but I will work with VEDP and the committee chairmen to ensure VEDP submits the plans outlined in Item 125 R.1. and 2. in a timely manner.

**Item 144, page 154 – Cybersecurity Scholarships**  
*Action: I veto this item and, consistent with the November 1, 1996, Supreme Court decision, Gilmore vs. Landsidle and Jamerson, it will return to its original enactment in Chapter 780 of the 2016 Acts of Assembly.*  
Terence R. McAuliffe April 28, 2017

The reenrolled budget eliminates a $500,000 general fund appropriation in FY 2018 and the related governing language for the cybersecurity public service scholarships program approved by the 2016 General Assembly and included in Chapter 780, 2016 Acts of Assembly. This program is intended to strengthen the state's ability to recruit cybersecurity talent by awarding scholarships to individuals who would work for the state upon completion of their cybersecurity academic program. Given the great amounts of sensitive information held by the state, and the difficulty experienced by state agencies when competing with the private sector for individuals with experience in protecting information technology from cyber-attacks, this program is vital for the state to continue defending itself from hackers and criminals. My veto will restore this appropriation and return it and the related language to its original enactment in Chapter 780, 2016 Acts of Assembly.

**Item 306, page 280 – Medicaid Settlements**  
*Action: I veto this item.*  
Terence R. McAuliffe April 28, 2017

The reenrolled budget allows informal appeals agents at the Department of Medical Assistance Services to close an informal appeal based on a settlement between the parties up to $250,000 without legal review by the Office of the Attorney General (OAG). The removal of the OAG's legal review could result in inconsistent settlement policy. The OAG should review and approve all settlements of claims of the Commonwealth pursuant to §2.2-514 of the Code of Virginia.

I veto this language as it is new language not included in Chapter 780, 2016 Acts of Assembly. It is not related to an appropriation or a condition on an appropriation, therefore, it constitutes separate legislation.

**Item 306, page 286 – Medicaid Expansion Language**  
*Action: I veto this unconstitutional provision.*  
Terence R. McAuliffe April 28, 2017

I veto Item 306.JJJ.4, which is unconstitutional. Item 306.JJJ.4 purports to condition, "all appropriations in this act" and to govern, "notwithstanding any other provision of this act, or any other law," such that no funds may be expended or appropriated to implement expanded coverage under the Patient Protection and Affordable Care Act.
Item 306.JJJ.4 violates Article V, Section 6(d), which provides the Governor line-item veto power in appropriation acts. By conditioning all appropriations in the budget on Item 306.JJJ.4, the Governor's ability to issue a line-item veto is removed. I object to Item 306.JJJ.4 as a condition on Item 306, yet I am unable to reject it without also rejecting all of the monies appropriated in this budget bill. Under Item 306.JJJ.4, the General Assembly has attempted to entirely remove the Governor's ability to reject an objectionable item, which is an unconstitutional overreach.

Additionally, Item 306.JJJ.4 violates Article IV, Section 12, which mandates that "[n]o law shall embrace more than one object," a constitutional prohibition on combining into one legislative act multiple provisions that separately may not each receive majority support. If the policy underlying Item 306.JJJ.4 were a separate bill, as it should have been, then I would have vetoed it and that veto certainly would have been sustained. The General Assembly has attempted to avoid that result by embedding that policy in the budget bill.

I vetoed this same provision last year and I communicated this same message. The Keeper of the Rolls did not print my veto. Once again, I must insist that this is an unconstitutional provision and I respectfully request that the enacted bill reflect my actions.

**Item 436, pages 399 through 404 – Language relating to the Public-Private Transportation Act of 1995**

_**Action:** I veto this item and, consistent with the November 1, 1996, Supreme Court decision, Gilmore vs. Landslide and Jamerson, it will return to its original enactment in Chapter 780 of the 2016 Acts of Assembly._

_Terence R. McAuliffe April 28, 2017_

The reenrolled bill includes language that would extend public works contract requirements that presently pertain only to state-initiated transportation projects to include projects developed under the Public-Private Transportation Act (PPTA) of 1995. This could preclude vendors with union labor from participating in PPTA projects. Vendors involved with PPTA projects are typically national and international firms. Any restrictions on these vendors will reduce the possible benefits Virginia could reap from its PPTA projects.

My veto will remove this new restrictive language since it is likely to limit the number of companies willing to participate in transportation projects under the Public-Private Transportation Act.

I realize that my veto will return this item to its original enactment in Chapter 780, 2016 Acts of Assembly, and that it will nullify other provisions passed by the 2017 General Assembly to which I do not object. In order to implement those other provisions, I have asked my Secretary of Transportation to work with the affected parties and the appropriate General Assembly members to implement those provisions administratively.

**Item 476, page 447 – Virginia Coalfield Economic Development Authority**

_**Action:** I veto this item._

_Terence R. McAuliffe April 28, 2017_

The reenrolled bill directs the Virginia Coalfields Economic Development Authority (VCEDA) to provide up to $500,000 of its balances to the Lenowisco and Cumberland Plateau Planning District Commissions to support economic development activities in Southwest Virginia. Currently, the Lenowisco and Cumberland Plateau Planning District Commissions each receive $75,971 from the general fund in each year. Since the conclusion of the 2017 General Assembly, several communities in Southwest Virginia have expressed concern about the transfer of funds and requested a veto.

Further, the budget also provides funds for the Virginia Initiative for Growth and Opportunity in Each Region (GO Virginia). GO Virginia's focus is the creation of state financial incentives, technical support, and other assistance that will encourage collaboration for private-sector growth and job creation by business, education, and government entities in nine designated regions. Each region is developing a plan for spurring regional growth.

My veto removes the appropriation and corresponding budget language. I believe that the VCEDA funds duplicate efforts that can be accomplished through GO Virginia.
Pursuant to Section 6 (d) of Article V of the Constitution, the Governor approved and signed the following bill, with the exception of the items vetoed, on April 28, 2017, which was assigned a chapter number for the 2017 Regular Session Acts of Assembly:

The following House bill, with a communication thereto, was vetoed by the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 2, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 2442. This bill would allow a local ordinance for the collection of overdue accounts to also provide for the imposition of fees of up to 25 percent of the amount owed.

Individuals struggling to pay their bills are already subject to a wide range of fees and penalties. Allowing the addition of substantial fees, as called for in House Bill 2442, would further challenge those individuals, many of whom are low-income Virginians.

During the Reconvened Session I offered amendments that would have limited fees to a reasonable level of 5 percent. The House failed to adopt these amendments.

The fees permitted to be recovered under the original legislation are excessive.

Accordingly, I veto this bill.

Sincerely,

/s/ Terence R. McAuliffe

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1708. This bill would require the Board of Education to consider industry certification credentials earned by students in the Standards of Accreditation, and would prohibit the Board from including those credentials in the Standards of Accreditation before the 2018 Session of the General Assembly.

I agree that the Board of Education should consider industry certification credentials and other indicators of workforce preparedness in their Standards of Accreditation, and I appreciate Delegate Eileen Filler-Corn's desire to bring this important issue to the forefront of the Board's considerations. A late amendment to the bill would have slowed progress for at least another year. The Board of Education has been developing these standards in a multi-year process, and this provision unnecessarily hampers their efforts to bring Virginia schools into the 21st century. As a result, Delegate Filler-Corn has asked me to veto her bill.

I request that the Board of Education continue its work to include industry certification credentials in the Standards of Accreditation within the current timeline.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 3, 2017

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1856. This bill would require that an individual who owes restitution be placed on an indefinite period of probation, until all restitution is paid.

This bill would move Virginia toward criminalizing the inability to pay restitution. It is unclear whether imposing indefinite probation would have any effect other than to expend resources tracking individuals who are simply unable to pay.

My Administration's approach to public safety has emphasized community-based law enforcement practices, successful prisoner re-entry, and increased economic opportunities for all Virginians. The results speak for themselves: Virginia has the lowest recidivism rate in the nation.

At the Reconvened Session, I offered a substitute amendment to House Bill 1856 that would have provided the opportunity to assess its approach's effectiveness by applying it as a pilot program, sunsetting its provisions in 2019, and directing the Crime Commission to monitor its effects. This amendment was rejected.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe
The following Senate bill was vetoed by the Governor:

The Clerk communicated the following letter relating to House Bill No. 1500, Chapter 836 of the 2017 Regular Session Acts of Assembly:

COMMONWEALTH OF VIRGINIA
House of Delegates
Richmond
May 3, 2017

The Honorable Terence R. McAuliffe
Governor of Virginia
Patrick Henry Building
1111 East Broad Street
Richmond, Virginia 23219

Dear Governor McAuliffe:

In your communication of April 28, 2017 regarding amendments to the state budget, you objected to six portions of House Bill 1500 (2017). I write to you, in my capacity as Keeper of the Rolls of the Commonwealth, regarding two of these gubernatorial actions: your purported vetoes of paragraph JJJ 4 of Item 306 and of Item 436. Based on legal advice, it is my opinion that the purported vetoes do not constitute items as required by Article V, Section 6 of the Constitution of Virginia. As a result, it is my duty not to publish the purported vetoes for the reasons set forth in this letter.

All item vetoes of an appropriation bill must conform to the requirements of Article V, Section 6 of the Constitution of Virginia. The interpretation of Article V, Section 6 by the Supreme Court of Virginia in Brault v. Holleman 217 Va. 441 (1976) is dispositive of the constitutionality of the purported vetoes in question:

While the Governor is empowered to veto any particular item or items of an appropriation bill, he must, for his veto to be valid, strike down the whole of an item; he cannot disapprove part of an item and approve the remainder ... Where a condition is attached to an appropriation, the condition must be observed. The Governor cannot veto the appropriation without also disapproving the condition; correspondingly, he cannot veto the condition without also disapproving the appropriation.

Paragraph JJJ 4 of Item 306 provides that no general or nongeneral funds shall be used for costs incurred to implement coverage for newly eligible individuals under a provision of the federal Patient Protection and Affordable Care Act, and explicitly conditions the appropriations in House Bill 1500 on this prohibition. Your purported veto did not, however, veto the appropriations covered by the conditions. Accordingly, pursuant to Brault, the veto is constitutionally invalid because it attempts to "veto the condition without also disapproving the appropriation."

Item 436 provides funding for the Office of the Secretary of Transportation, and sets out various directives, policies, and guidelines regarding the expenditure of funds for transportation purposes in general. Although you purport to veto the entirety of Item 436, you state that your objection is to Paragraph Q which modifies a condition placed on projects undertaken pursuant to the Public Private Transportation Act of 1995. As such, paragraph Q constitutes a condition on all funds that potentially could be used on such transportation projects. After consultation with budget analysts, it is clear that the vast majority, if not all, of such funds are in appropriations made in portions of HB 1500 other than Item 436 and thus not captured by your purported veto. Accordingly, pursuant to Brault, the veto is constitutionally invalid because it attempts to "veto the condition without also disapproving the appropriation."
Accordingly, for these reasons, each of these purported vetoes constitutes less than an item in contravention of Article V, Section 6, and I am duty-bound not to publish them.

Sincerely,
/s/ G. Paul Nardo

1You purportedly vetoed five of these six, and expressed your view of the unconstitutionality of one, paragraph R 3 of Item 125.

2 Paragraph JJJ 4 of Item 306 states:

As a condition on all appropriations in this act and notwithstanding any other provision of this act, or any other law, no general or nongeneral funds shall be appropriated or expended for such costs as may be incurred to implement coverage for newly eligible individuals pursuant to 42 U.S.C. § 1396d(y)(1)[2010] of the Patient Protection and Affordable Care Act, unless included in an appropriation bill adopted by the General Assembly on or after July 1, 2016.

3 Paragraph Q states:

Notwithstanding any provision of law to the contrary, the provisions of § 2.2-4321.2, Code of Virginia, shall be applicable to transportation infrastructure projects or facilities to be developed pursuant to the Public Private Transportation Act of 1995, as amended. However, § 2.2-4321.2 shall not apply to any projects or facilities to be developed pursuant to the Public Private Transportation Act of 1995, as amended, that (i) improve or construct a limited access roadway that crosses state borders, and (ii) include construction of a new bridge or expansion of an existing bridge.

4 Because your purported veto of Item 436 is unconstitutional, it is unnecessary for me to address your assertion that this item would have "returned to its original enactment in Chapter 780 of the 2016 Acts of Assembly."
