Speaker of the House of Delegates

Clerk of the House of Delegates

JOURNAL
OF THE
HOUSE OF DELEGATES
2022 RECONVENED REGULAR SESSION

WEDNESDAY, APRIL 27, 2022

The House of Delegates was called to order at 12 m. by C. Todd Gilbert, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

At the request of Delegate Cherry, the Reverend Scott Tischler, Lead Pastor of Life Church, Chesterfield, offered the prayer.

Delegate Kilgore led the House of Delegates in the Pledge of Allegiance to the Flag of the United States of America.

The roll was called and the following members answered to their names:

Adams, D.M., Adams, L.R., Anderson, Austin, Avoli, Bagby, Ballard, Batten, Bell, Bennett-Parker, Bloxom, Bourne, Brewer, Bulova, Byron, Campbell, J.L., Campbell, R.R., Carr, Cherry, Clark, Convirs-Fowler, Cordoza, Coyner, Davis, Delaney, Durant, Edmunds, Fariss, Filler-Corn, Fowler, Freitas, Glass, Gooditis, Greenhalgh, Guzman, Hayes, Head, Helmer, Herring, Hodges, Hope, Hudson, Jenkins, Keam, Kilgore, Knight, Kory, Krizek, LaRock, Leftwich, Lopez, Maldonado, March, Marshall, McGuire, McNamara, McQuinn, Morefield, Mullin, Mundon King, Murphy, O'Quinn, Orrock, Plum, Price, Ransone, Rasoul, Reid, Robinson, Roem, Runion, Scott, D.L., Scott, P.A., Sewell, Shin, Sickles, Simon, Simonds, Subramanyam, Sullivan, Tata, Taylor, Torian, Tran, VanValkenburg, Wachsmann, Walker, Wampler, Ward, Ware, Watts, Webert, Wiley, Willett, Williams, Williams Graves, Wilt, Wright, Wyatt, Mr. Speaker.

There were 100 Delegates present.

A quorum being present, the House proceeded with the business of the day.

The Speaker stated that he had examined and approved the Journal of the House of Delegates for Saturday, March 12, 2022, pursuant to House Rule 3.

The Speaker and the Clerk signed the Journal.

Delegate Adams of Richmond City moved that when the House adjourns today, it adjourn in the honor and memory of Arthur David Toth, Jr.

The motion was agreed to.

The Speaker stated that the purpose of the 2022 Reconvened Regular Session, pursuant to Section 6 of Article IV of the Constitution, was to consider legislation returned by the Governor with certain objections and certain recommendations.

The Speaker stated further that these were the only matters, other than procedural, to be considered by the House of Delegates at the Reconvened Regular Session.

The Clerk reported that a communication had been received from the Governor, relating to the objections of the Governor on the following House bills:

H.B.s 573, 669, 675, 802, 820, 1004, 1197, 1270, and 1298.

The Clerk reported that communications had been received from the Governor, relating to the recommendations of the Governor on the following House bills:

H.B.s 4, 81, 95, 125, 142, 158, 186, 192, 210, 215, 229, 258, 259, 264, 270, 277, 307, 339, 384, 385, 419, 450, 517, 526, 558, 585, 614, 644, 657, 663, 717, 745, 746, 751, 763, 766, 873, 879, 889, 891, 900, 902, 911, 939, 987, 1026, 1063, 1066, 1136, 1138, 1188, 1199, 1272, 1287, 1309, 1320, 1323, and 1359.

The Speaker stated that the communications received from the Governor would be placed on the Calendar in the following order: bills returned with objections and bills returned with recommendations.

CALENDAR

The morning hour having expired, the House proceeded with the business on the Calendar.

HOUSE BILLS VETOED BY THE GOVERNOR

H.B. 573 (five, seventy-three) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 11, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 573

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 573, which provides that the statute of limitations for an action on any contract, written or unwritten, for health care services, including actions brought by the Commonwealth, is three years.

Additionally, the legislation establishes that the accrual date for actions on such a contract is 30 days after the later of (i) issuance of the initial invoice or the due date stated in such invoice to the patient or person legally responsible for payment or (ii) if the patient voluntarily enters into a payment plan with the provider, 30 days after the default date contained in such payment plan.

Medical debt significantly impacts many individuals in our Commonwealth, and I am committed to reducing this burden on Virginians. Unfortunately, this legislation would create unintended consequences and have significant implications on financial regulations in the Commonwealth by inadvertently capturing other forms of debt other than medical debt.

I commend the Patron on prioritizing this important issue and look forward to working on this to find solutions to ensure that defined statutes of limitations can clearly resolve medical debt owed directly to health care providers.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

Delegate Clark moved that the House override the Governor's veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the negative.

Yeas, 48. Nays, 52. Abstentions, 0. Not Voting, 0.

The vote required by the Constitution was recorded as follows:

Yeas—Adams, D.M., Bagby, Bennett-Parker, Bourne, Bulova, Carr, Clark, Convirs-Fowler, Delaney, Filler-Corn, Glass, Gooditis, Guzman, Hayes, Helmer, Herring, Hope, Hudson, Jenkins, Keam, Kory, Krizek, Lopez, Maldonado, McQuinn, Mullin, Mundon King, Murphy, Plum, Price, Rasoul, Reid, Roem, Scott, D.L., Sewell, Shin, Sickles, Simon, Simonds, Subramanyam, Sullivan, Torian, Tran, VanValkenburg, Ward, Watts, Willett, Williams Graves—48.

H.B. 669 (six, sixty-nine) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 11, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 669

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 669, which directs the Commissioner of Health to convene a work group to study whether swimming pools and other water recreational facilities for public use or in conjunction with a tourist facility or health spa should be regulated by the Department of Health.

Although this legislation has the commendable goal of promoting the health and safety surrounding pools in the Commonwealth, there is currently a working group focused on similar considerations. Coordinating existing work to maximize effectiveness would reduce duplicative work and make appropriate use of the taxpayers resources.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

No action was taken on the Governor's veto.

H.B. 670 (six, seventy) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 1, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 670

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 670, which would create a new politically appointed independent auditor position for the governing body of any county with the county manager plan of government.

Chapters 29 and 30 of the Acts of Assembly - 2020 Special Session 1 allow localities to adopt law-enforcement civilian oversight bodies to make binding disciplinary determinations, including termination and involuntary restitution. This legislation enables law-enforcement civilian oversight bodies under the County Manager form of government to delegate all the powers entrusted to them, investing unilateral and expansive authority, to a single individual appointed directly by the governing body.

Additionally, this legislation does not delineate the qualifications of the politically-appointed independent policing auditor. Furthermore, the prohibition against any person currently employed as a law-enforcement officer from service on a law-enforcement civilian oversight body conduces the appointment of an independent policing auditor without any formal input from a law enforcement officer.

Investing in a single politically-appointed individual the power of judge, jury, and executioner without any input from law-enforcement officers or delineated qualifications for such individual constitutes an undue burden for those who protect and serve the community.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

No action was taken on the Governor's veto.

H.B. 675 (six, seventy-five) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 11, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 675

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 675, which prohibits small group and individual health insurance carriers from including a surcharge on the insurance premiums of tobacco users.

Smoking and tobacco use are among the leading causes of chronic health problems that result in higher healthcare costs. This legislation would force insurance companies to recover costs associated with tobacco users by raising premiums on non-tobacco users. The ability to reduce premiums by quitting smoking is also a valuable incentive to encourage healthier habits.

Requiring non-tobacco users to cover the increased healthcare costs associated with tobacco use is not a policy I can support.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

Delegate Hope moved that the House override the Governor's veto.

H.B. 802 (eight, naught, two) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 11, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 802

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 802, which gives enforcement powers to localities for the first time to enforce the Virginia Residential Landlord and Tenant Act (VRLTA).

This legislation contains unnecessary and duplicative provisions, already established under the Virginia Uniform Statewide Building Code (USBC), that provide effective powers to localities to enforce violations of the USBC.

It is also important to note that the existing USBC powers provide enforcement authority to localities to enforce the USBC against both the landlord and the tenant, whereas House Bill 802 proposes only to provide localities powers to enforce the VRLTA against the landlord. Under the USBC and the VRLTA, landlords and tenants both have responsibilities to maintain safe, decent, and sanitary housing.

It is neither clear why this language is necessary to enforce already existing provisions of state law, nor what the additional language contained in the legislation seeks to accomplish beyond what is already authorized in the USBC.

Landlords should be held accountable for unsafe and hazardous living conditions in which their tenants live. The existing regulations from the USBC, specifically Section 105.6 and the implementing regulations in 13VAC5-63-485, address the policy objective of the underlying legislation.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

Delegate Price moved that the House override the Governor's veto.

H.B. 820 (eight, twenty) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 11, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 820

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 820 which requires the Department of Small Business and Supplier Diversity to conduct regular disparity studies.

In 2020, the Department of Small Business and Supplier Diversity completed a disparity study which found that from 2014 to 2019 the Commonwealth had considerable disparities for women- and minority-owned businesses in contracts and procurement with institutions of higher education and state government.

Taxpayer dollars should not be used to highlight the failings of previous administrations. Instead, we must use our crucial resources to eliminate these disparities and to cultivate an environment that is conducive to higher wages, employment, and business ownership for minorities and women.

The Commonwealth is under new management and the time for action is now.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

Delegate Torian moved that the House override the Governor's veto.

H.B. 1004 (ten, naught, four) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 11, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 1004

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1004, which removes the Selective Service requirements for eligibility for the Two-Year College Transfer Grant and Virginia Tuition Assistance Grant Programs.

Selective Service eligibility remains an ongoing issue, with concerns about who should and should not be compelled to register. However, while these questions remain unanswered by Congress, it is premature for the Commonwealth to remove the requirement for Selective Service eligibility for tuition assistance.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

No action was taken on the Governor's veto.

H.B. 1197 (eleven, ninety-seven) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 11, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 1197

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1197, which directs the Secretary of Public Safety and Homeland Security and the Secretary of Health and Human Resources to convene a stakeholder workgroup to determine the feasibility of transferring the Department of Juvenile Justice from the Secretary of Public Safety and Homeland Security to the Secretary of Health and Human Resources.

Fundamentally, the Department of Juvenile Justice is a corrections agency. There have been numerous reports indicating that, in the wake of the COVID-19 pandemic, juvenile violence and crime, especially in schools, is increasing. This increase has made schools less safe, and many parents have made it clear they no longer believe school is a safe place for their children.

We must work to make our schools safer, and the rehabilitative services offered by the Department of Juvenile Justice under the purview of the Secretary of Public Safety and Homeland Security ensures young people who commit violent crimes are held accountable and given the resources and education they need to fully and permanently reenter society.

In the view of this administration, a study of the feasibility of moving this agency is unnecessary. If the General Assembly would like to move this agency, it should pass legislation directing as such.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

Delegate Hope moved that the House override the Governor's veto.

H.B. 1270 (twelve, seventy) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 11, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 1270

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1270 which directs the Department of Social Services to convene a work group to analyze and develop a proposal to request a waiver from the U.S. Department of Agriculture to allow individuals in the custody of state or local correctional facilities in the Commonwealth to apply for Supplemental Nutrition Assistance Program (SNAP) benefits prior to release from custody.

This is an unnecessary work group without clear policy direction from the General Assembly.

The Department of Social Services previously prepared waiver requests to allow individuals in custody at state or local correctional facilities to apply for SNAP benefits prior to release in 2016 and 2021; in neither case was the waiver submitted to the U.S. Department of Agriculture Food and Nutrition Service.

If the General Assembly would like the Department of Social Services to submit this waiver, it should pass legislation directing as such.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

No action was taken on the Governor's veto.

H.B. 1298 (twelve, ninety-eight) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 11, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 1298

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1298 which prohibits high school student-athletes from entering into contracts to receive compensation in relation to such student's athletic participation in exchange for the use of such student's name, image, or likeness.

While I strongly believe in the value of amateur sports, we must recognize the rapidly changing landscape of amateur athletics and online economies.

The claim that this bill is necessary to protect minors from predatory contracts ignores that minors in Virginia are generally prohibited from entering into contracts without parental consent. Virginia High School League policy also restricts paid endorsement deals.

Further, this bill is a premature prohibition that fails to recognize the continually evolving marketplace for content creation and monetization and could have the unintended consequence of limiting young people from engaging in economic activity via social media unrelated to their athletic performance.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

No action was taken on the Governor's veto.

Delegate Kilgore moved that the House stand in recess until 1:35 p.m.

The motion was agreed to and the Chair was vacated at 1:05 p.m.

The hour of 1:35 p.m. having arrived, the Chair was resumed.

The House proceeded with the business on the Calendar.

Sincerely,

The House proceeded to reconsider the bill.

Delegate Lopez raised a point of order that the 2. clause of the Governor's recommendation created a study by establishing a work group which was required to submit a report by November 1, 2022, and would inquire as to whether the Governor's recommendation was germane.

The Speaker stated that the Delegate from Arlington, Delegate Lopez, inquired as to whether the Governor's recommendation was germane or if it violated the House Rules, in particular House Rule 37, which prohibited the creation of a study if the bill was not introduced for that purpose.

The Speaker stated further that the recommendation did not expressly create a study but a work group to review certain things.

The Speaker stated finally that the Governor's recommendation was germane and the Chair would so rule.

The question being: Shall the House amend the bill in accordance with the recommendation of the Governor? was put and decided in the affirmative.

The amendment in the nature of a substitute proposed by the Governor was printed separately, with its title reading as follows:

A BILL to amend and reenact §§ 2.2-2901.1, 2.2-3004, 2.2-3901, 15.2-853, 15.2-965, 15.2-1500.1, 15.2-1604, 22.1-295.2, 22.1-306, 36-96.1:1, and 55.1-1310 of the Code of Virginia, relating to public accommodations, employment, and housing; prohibited discrimination on the basis of religion; defines "religion."

The House proceeded to reconsider the bill.

Delegate Simon raised a point of order that the bill sent to the Governor protected outward forms of religious expression, including within the bill the definition of religious discrimination, but the Governor's substitute made it a bill that protected people who wanted to engage in religious discrimination based on their own beliefs and would inquire as to whether the Governor's substitute was germane.

The Speaker stated that the language in the Governor's recommendation was within the title of the bill and was clarifying in nature.

The Speaker stated further that the Governor's recommendation was germane and the Chair would so rule.

Delegate Orrock moved the pending question.

The motion was agreed to.

I approve the general purpose of this bill, but I am returning it without my signature with the request that the attached Amendment in the Nature of a Substitute (22108113D) be accepted.

The amendment in the nature of a substitute proposed by the Governor was printed separately, with its title reading as follows:

A BILL to provide for a special election for members to the Loudoun County School Board and to set a timeframe for a lot drawing to determine the staggering of terms of members to the Loudoun County School Board.

The House proceeded to reconsider the bill.

Delegate Reid raised a point of order that the bill as sent to the Governor dealt with the creation of staggered terms when drawing lots, not about elections, and that there were three places where he had identified that the Governor's recommendation violated the Constitution and would inquire as to the constitutionality of the Governor's recommendation and also whether it was germane.

The Speaker stated that the Governor's recommendation proposed to preserve the timeline in the original bill, shortened the terms of existing school board members by one year, and put all seats on the ballot, but specified that the Loudoun County Electoral Board was to conduct the lot-drawing in order to determine the staggering of terms.

The Speaker stated further that the enrolled bill and the Governor's recommendation both affected the staggering of terms, just at different times.

The Speaker stated further that the recommendation was germane and the Chair would so rule.

The Speaker stated finally that the Chair did not and should not rule on questions of constitutionality.

Delegate Simon propounded a parliamentary inquiry as to whether the bill was special legislation since it applied only to Loudoun County.

The Speaker stated that Article V, Section 6, Subdivision (b) (iii) of the Constitution stated that "Each house may agree to the Governor's amendments by a majority vote of the members present" and that the House Rules were silent on a vote requirement on a Governor's recommendation; therefore, the vote on any Governor's recommendation, whether or not it was special legislation, was a majority of the members present.

Delegate Simon propounded a further parliamentary inquiry as to whether the Speaker was able to determine constitutionality under Article IV, Section 14 of the Constitution in a manner similar to how the Speaker, per House Rule 37, was instructed to examine introduced legislation to determine its constitutionality pursuant to Article IV, Section 12 of the Constitution.

The Speaker stated that that applied to a different section of the Constitution.

Delegate Simon propounded a further parliamentary inquiry as to what rule, precedent, custom, law, or provision prevented the Speaker from opining on the constitutionality under Article IV, Section 14, since the Rules adopted by the House required the Speaker to make constitutional determinations under Article IV, Section 12.

The Speaker stated that he declined to make such rulings.

Delegate Orrock moved the pending question.

The motion was agreed to.

The question being: Shall the House amend the bill in accordance with the recommendation of the Governor? was put and decided in the affirmative.

Speaker of the House of Delegates

Clerk of the House of Delegates

FRIDAY, MAY 27, 2022

The following House bills, with communications thereto, were vetoed by the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 27, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 339

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 339, which relates to the qualifications for members of boards and commissions in the City of Falls Church.

The failure of the legislature to adopt my proposed amendment that would have required the members of boards and commissions to be legally present in the United States would allow for the appointment of individuals currently in violation of federal law.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 27, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 384

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 384, which relates to employee conduct during time designated periods for public comment.

I would like to commend the patron for his efforts to champion freedom of speech and expression. The importance of this issue is especially apparent because of the egregious firing of a teacher by the Loudoun County School Board for expressing his deeply held religious beliefs at a public forum. Thankfully, the Virginia Supreme Court recognized the right of the employee to express his religious views. Additionally, the freedom of speech and expression are already protected by U.S. Const. Amend. I, Va. Const. art. I, § 12, and Va. Code §§ 2.2-3103 and 2.2-2902.1.

Despite the positive intentions, the legislation has practical implications for the effective management of state government that may lead to significant confusion when state employees comment during legislative or regulatory public comment periods. I strongly support the foundational principle of free speech and as Governor will always be an advocate for policies that protect this founding principle. I look forward to engaging with this legislation in the next legislative session.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 27, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 614

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 614, which removes the requirement for an indigent defendant to post an appeal bond in an unlawful detainer action appealed from the general district court.

The General Assembly rejected my proposed amendments, which would allow an indigent tenant to appeal, but require a payment plan of equal monthly payments within six months or the date of a circuit court hearing, whichever is earlier.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 27, 2022

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 891

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 891, which modifies the terminology of persons who are not citizens or nationals of the United States in the Code of Virginia.

This legislation makes numerous and potentially substantial changes to the Code of Virginia, which could have lasting and unintended consequences.

Unfortunately, the legislature failed to adopt my proposed amendment which would have required the legislation to be reviewed by the reputable Code Commission before the legislation's enactment.

Accordingly, I veto this bill.

Sincerely,
/s/ Glenn Youngkin

Introduction to Indexes of the Journal of the House of Delegates

The Journal of the House of Delegates is a compilation of proceedings and information related to a specific session of the General Assembly, focusing on items relevant to introduced legislation and actions by members of the House of Delegates, the legislature, and the Governor. The **Subject Index** offers page number references for easy access to motions and requests on specific legislative items including those directly attributable to a Delegate. The "Bills and Resolutions" category provides a breakdown of Journal day entries that encompasses the legislative process from introduction to enactment. The "Motions and Requests" category is a breakdown of every motion made by a member or every request for action allowed pursuant to member privilege. Parliamentary inquiries and points of order are set out in the Subject Index under those specific categories and noted by member. The Speaker's statements and rulings are found under "Speaker of the House of Delegates [C. Todd Gilbert]."

The **Numerical Index** is a list of bills and resolutions in numerical order with entries that provides Journal page number references to specific legislative actions that occurred on the House floor. This Index is useful in tracking an identified piece of legislation from introduction to final disposition.
