RESOLVED FINALLY, That the 2023 Special Session I of the General Assembly shall be governed by the following procedural rules:

Rule 1. Neither house shall receive, consider, or vote on any committee amendment, floor amendment or amendment of the other house to the Budget Bill. No engrossment of the Budget Bill shall be required in either house.

Introduction to Indexes of the Journal of the House of Delegates

The Journal of the House of Delegates is a compilation of proceedings and information related to a specific session of the General Assembly, focusing on items relevant to introduced legislation and actions by members of the House of Delegates, the legislature, and the Governor. The **Subject Index** offers page number references for easy access to motions and requests on specific legislative items including those directly attributable to a Delegate. The "Bills and Resolutions" category provides a breakdown of Journal day entries that encompasses the legislative process from introduction to enactment. The "Motions and Requests" category is a breakdown of every motion made by a member or every request for action allowed pursuant to member privilege. Parliamentary inquiries and points of order are set out in the Subject Index under those specific categories and noted by member. The Speaker's statements and rulings are found under "Speaker of the House of Delegates [C. Todd Gilbert]."

The **Numerical Index** is a list of bills and resolutions in numerical order with entries that provides Journal page number references to specific legislative actions that occurred on the House floor. This Index is useful in tracking an identified piece of legislation from introduction to final disposition.
