"K. 1. The Commonwealth Transportation Board is directed to utilize available revenues in the Rail Enhancement Fund to develop a plan for the development and improvement of rail facilities in Suffolk that serve port facilities in the Commonwealth. Such study shall examine potential routes for cargo trains serving the ports that enhance access to both Class I and short line railroads. In the interest of public safety and to demonstrate public benefit, the studies and plans shall seek to minimize disruptions to vehicular travel within the city and surrounding localities. It is the sense of the General Assembly that routes that minimize environmental impacts to avoid extensive permitting and that utilize and connect to existing and/or abandoned rail infrastructure to allow for the efficient storage and staging of trains are preferable. The studies and plan development shall be conducted by the Department of Rail and Public Transportation in cooperation with the Department of Transportation, the Virginia Port Authority, and surrounding localities that could be impacted by the development of new or improved rail facilities.

2. Upon completion of the studies and preliminary engineering for potential alternative routes, the Department of Rail and Public Transportation may utilize Rail Enhancement monies necessary to develop or improve the facilities identified in the preferred alternative. A local contribution, as determined by the Board, shall be required of the City and any other local, regional or private partners as part of the application process for grants from the Fund and projects undertaken to improve ingress and egress of rail traffic from the Ports of Virginia may be exempted from the non-public match requirement included in § 33.1-221.1:1.1 D or negotiated at a lower rate.

3. The Commonwealth Transportation Board is further directed to utilize the amounts made available for rail grade separation projects in Item 446 of House Bill 29, 2014 Session of the General Assembly, and any additional unallocated amounts from the Rail Enhancement Fund or from the federal railway-highway crossings program to undertake the two grade separation projects identified in the Port of Virginia Gateway Project and the Suffolk Rail Impact Study on Nansemond Parkway."

Page 503, delete lines 2 through 55, and insert:

"a. The following, consistent with the principles of the Higher Education Opportunity Act of 2011, are a guide to providing funding for public colleges and universities:

1. Cost drivers should reflect the goals of increasing access especially for in-state undergraduate students, ensuring that college remains affordable especially for in-state undergraduate students, increasing the number of degrees, certificates and credentials, and improving the quality of higher education including research enhancements.
2. Funds were allocated using the cost drivers identified in the first paragraph of this item, prior commitments of the Commonwealth, the institutions six-year academic and financial plans, the incentive funding model circulated by the college presidents to the 2011 Higher Education Advisory Committee, legislative and institutional priorities including the goal of tuition moderation.
3. The allocation of funds, especially for tuition moderation, is intended to enhance affordability for all in-state students and serves as a viable alternative to the current financial aid models. Increased financial aid allocations may become viable under the model proposed in House Bill 573 and will be considered at that time."

Speaker of the House of Delegates

Clerk of the House of Delegates

FRIDAY, FEBRUARY 21, 2014

The House of Delegates was called to order at 11:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Kevin L. Chandler, Pastor of Trinity Baptist Church, South Boston, offered the following prayer:

Most Holy, All Wise, and Everlasting Father. We thank you for your grace of freedom as Americans, forged over 200 years of democracy and protected by the blood of those who serve on the battlefields. Let us be ever mindful of the many peoples around the world who are not as free, as prosperous, as blessed as we are.

We are grateful to live in the great Commonwealth of Virginia. We are grateful for the leaders who have risen from this hallowed chamber. For the movements birthed here on our rich soil.

You commanded us in I Timothy 2:1, that supplications, prayers, intercessions, and thanksgivings be made for all people, for kings and all who are in high position, that we may lead a peaceful and quiet life, godly and dignified in every way.

We ask humbly for your blessing on our great land. We offer prayer for the leaders today who serve you, here, in Richmond. As you have commanded us, we pray for them. For their families while they are away. For their safety while they serve here. For their integrity and wisdom in shaping the laws that will shape our future.

We are thankful for each representative who has stepped out of his ordinary life to serve in leadership here. They have spent countless hours campaigning and now serving. They have given up precious time and resources. They have sacrificed their privacy, putting their lives and their families' lives on public display. Care for each representative, each delegate, each senator, each staffer and all of the members in a special way.

I pray that your Spirit fills this place in a mighty way. I pray these men and women find the fortitude to lead well. Give each leader rest, refreshment, and a clear mind. We ask you to move our leaders to act justly, love mercy, and walk humbly before their God.

Help each lawmaker to consider your command to love our neighbor as much as we love ourselves, mindful of the dignity and worth of each human life, created in the image of God. Help them not to forget the poor, the immigrant, the marginalized, and the unborn. Help them create laws that support the institutions that make our communities flourish, encourage and sustain healthy families, give hope to those struggling to find their way.

We ask your forgiveness for yielding, too often, to the temptation to forget you in our national and political life. For the times we reject your gracious providence. For confusing courage with incivility. For confusing liberty with license. For substituting our own agendas for yours. For putting our own interests above those we serve. For the tendency to abdicate our responsibility to deal with the tough problems.

Lord, we ask for your grace this day as these men and women endeavor to govern the people of this great Commonwealth. May they realize that their power is limited, granted to them by your gracious decree. Help them wield this power with caution and humility.

We long for the city to come whose builder and maker is God. We're thankful for the gift of your Son, who has offered entrance into this kingdom by his sacrificial death and miraculous resurrection.

Grant each of these legislators fresh grace today.

In the name of your son, Jesus Christ, we pray, Amen.

MONDAY, FEBRUARY 24, 2014

The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend C. Allen Mahan II, Pastor of Kentuck Baptist Church, Ringgold, offered the following prayer:

Heavenly Father, we come together today to lift up these honored delegates in the power and strength of your word. As you instruct us in 1 Timothy 2:1-3 which says, "Therefore I exhort first of all that supplications, prayers, intercessions, and giving of thanks be made for all men, for kings and all who are in authority, that we may lead a quiet and peaceable life in all godliness and reverence. For this is good and acceptable in the sight of God our Savior."

I pray that you would give them wisdom, knowledge, discernment, peace and direction first with you and for one another that this nation may go forth in a spirit of unity and peace. Help them to make decisions and laws that would strengthen and prosper the running of this great state of Virginia. Help them to depend on you for all that they need in order to succeed in their lives. Help them to be servants of integrity and be righteous leaders above reproach. Keep your protective hand not only on them but on their families as well.

Lord, may your spirit be manifested in their hearts and lives so others may observe your grace, mercy, and compassion for those they serve. Lord, may they restore dignity, honor, trustworthiness, and righteousness to the office they hold. We pray that all of the decisions they make would help serve all mankind and glorify you. I ask all of these things in the name of your Son, and our living Savior, Amen.

TUESDAY, FEBRUARY 25, 2014

The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

Elder J. Christopher Lansing of The Seventy of the Church of Jesus Christ of Latter-day Saints offered the following prayer:

Our Father in Heaven, Hallowed be Thy Name. We come together this morning as Brothers and Sisters, children of a beloved and benevolent Father.

We are grateful for the favorable conditions that exist in our nation and in our commonwealth. We thank Thee for life, liberty, and the pursuit of happiness.

We are thankful for those who have gone before us in this great assembly and upon whose shoulders we stand today.

Bless this Commonwealth, the Governor, the Lt. Governor, the Attorney General, and all those that labor with them.

Watch over this General Assembly in all their deliberations, that through their service the citizens of the commonwealth may be blessed and protected.

We are mindful of those serving in our armed forces throughout the world and especially those who are in harm's way. Bless and protect them always. Comfort their families in their absence.

We invoke a special blessing on the children, the sick, and the elderly that they may be comforted and watched over by Thy tender care.

Help us to be sensitive to the needs of others around us and to serve them to the best of our ability.

Give us wisdom beyond our abilities that we may have the courage to do what is right, not what is merely politically expedient.

Bless us with strength so that we may fight the good fight.

Give us humility so that we may be taught by Thy Holy Spirit.

Forgive us our sins and our transgressions.

Heavenly Father, we acknowledge Thy hand in our behalf and the blessings we receive from Thee.

And bless this great Commonwealth of Virginia.

We ask these favors and blessings in Thy name.

Amen.

Speaker of the House of Delegates

Clerk of the House of Delegates

WEDNESDAY, FEBRUARY 26, 2014

The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Dr. Jerome A. Barber, Pastor of Sixth Mount Zion Baptist Temple, Hampton, offered the following prayer:

Lord we thank you for this brand new day. A day we have never seen before, and when it is gone, we will never see it again. We celebrate the awesome privilege to be called a public servant. Help us to use all you have given us to seize every moment of this day, to get the most out of this day.

Remind us O' God that we can never add years to our lives, but we can add life to our years. Let that always be our motivation, adding life, enhancing life, making life better for all of our constituents.

May we not be sidetracked with the politics of what we do; causing us to overlook and ignore the people we are called to serve.

Be pleased with how we serve with consistency and sensitivity the greatest as well as the least.

Shadowed beneath Thy hand, may we forever stand, true to you our God and true to this great Commonwealth of Virginia.

We pray all of this in your mighty, majestic, and matchless name. Amen.

Delegate Cox led the House of Delegates in the Pledge of Allegiance to the Flag of the United States of America.

A. The Department of Social Services shall require localities to report all expenditures on designated social services, regardless of reimbursement from state and federal sources. The Department of Social Services is authorized to include eligible costs in its claim for Temporary Assistance for Needy Families Maintenance of Effort requirements.

B. It is the intent of the General Assembly that the Commissioner, Department of Social Services shall work with localities that seek to voluntarily merge and consolidate their respective local departments of social services. No funds appropriated under this act shall be used to require a locality to merge or consolidate local departments of social services.

C. The Commissioner, Department of Social Services, in consultation with relevant state and local agencies, shall develop proposed criteria for assessing funding requests for addressing space needs among local departments of social services, as well as proposed consolidated human services buildings. The criteria shall include but not be limited to compliance with the Americans with Disabilities Act, access to public transportation, life safety issues, condition of current space and related major building systems, impact on service delivery, and other factors as may be appropriate. The department shall use the criteria to prioritize local requests for increased state reimbursement for renovating existing space, relocating or constructing new space. For those jurisdictions that, when applying such criteria, achieve high priority ranking for increased state reimbursement, yet initiate local funding actions to address critical space needs or to consolidate human services, they shall nevertheless retain their ranking on the prioritized list of projects for increased state reimbursement for renovating existing space, relocating or constructing new space. The department shall forward a prioritized list of projects to the Secretary of Health and Human Resources and the Department of Planning and Budget by November 1 of each year for consideration by the Governor in the development of the budget. The department shall also submit a copy of the list of prioritized projects by November 1 of each year, to the Chairmen of the House Appropriations and Senate Finance Committees.

D.1. Out of this appropriation, \$473,844 the first year and \$473,844 the second year from the general fund and \$781,791 the first year and \$781,791 the second year from nongeneral funds shall be provided to support the statewide 2-1-1 Information and Referral System which provides resource and referral information on many of the specialized health and human resource services available in the Commonwealth, including child day care availability and providers in localities throughout the state, and publish consumer-oriented materials for those interested in learning the location of child day care providers.

2. The Department of Social Services shall request that all state and local child-serving agencies within the Commonwealth be included in the Virginia Statewide Information and Referral System as well as any agency or entity that receives state general fund dollars and provides services to families and youth. The Secretary of Health and Human Resources, the Secretary of Education and Workforce, and the Secretary of Public Safety shall assist in this effort by requesting all affected agencies within their secretariats to submit information to the statewide Information and Referral System and ensure that such information is accurate and updated annually. Agencies shall also notify the Virginia Information and Referral System of any changes in services that may occur throughout the year.

3. The Department of Social Services shall communicate with child-serving agencies within the Commonwealth about the availability of the statewide Information and Referral System. This information shall also be communicated via the Department of Social Services' broadcast system on their agency-wide Intranet so that all local and regional offices can be better informed about the Statewide Information and Referral System. Information on the Statewide Information and Referral System shall also be included within the department's electronic mailings to all local and regional offices at least biannually.

E.1. Out of this appropriation, \$2,000,000 the first year and ~~\$7,500,000~~ \$11,871,198 the second year from the general fund and \$44,500,000 the first year and \$8,200,000 the second year from nongeneral funds shall be provided to modernize eligibility determination systems in the Department of Social Services. If any additional funding is needed, the department shall complete modernization efforts within existing resources.

2. Within 30 days of awarding a contract related to the eligibility project, the Department of Social Services shall provide the Chairmen of House Appropriations and Senate Finance Committees, and Director, Department of Planning and Budget with a copy of the contract including costs.

3. Beginning July 1, 2012, the Department of Social Services shall also provide semi-annual progress reports that must include a current project summary, implementation status, accounting of project expenditures and future milestones. All reports shall be submitted to the Chairmen of House Appropriations and Senate Finance Committees, and Director, Department of Planning and Budget.

F. Out of this appropriation, \$522,286 the second year from the general fund and \$1,924,019 the second year from nongeneral funds shall be provided to supplement management and programmatic support of the agency's eligibility systems modernization effort. In addition, eight positions are added in FY 2013. These resources shall be dedicated to the modernization project until its completion or the end of FY 2017, whichever comes first.

G. On or before June 30, 2013 the Department of Social Services shall deposit to the general fund \$2,371,057 resulting from the identification of a prior period general fund refund."

O. By October 15, 2014 the State Council of Higher Education for Virginia, in cooperation with the Virginia Department of Education and providers, shall submit a follow-up report to the 2009 Statewide Examination of College Access Services and Resources in Virginia including incorporating relevant longitudinal data now available as appropriate. The review shall evaluate progress on the previously identified areas for increased provider activity: addressing younger students, as early as kindergarten; computer skill training; test preparation assistance; financial literacy; parental programs; and the emotional and logistical transition to college for under-represented populations and first-generation students. In addition, the report shall include any further recommendations for improving statewide coordination, support, information-sharing, and data gathering to address the varied needs identified.

P. The State Council of Higher Education for Virginia shall update instructional and research space planning guidelines during the 2014-2016 biennium.

Q. The State Council of Higher Education for Virginia shall review policies governing land acquisition and site preparation as provided for in § 4-4.01 of this Act at the Virginia Community College System and shall provide recommendations to the Chairmen of House Appropriations and Senate Finance by November 1, 2014. The Council will consult with the System during this review."

"2. There is hereby appropriated sum-sufficient nongeneral funds for the Department of Medical Assistance Services (DMAS) to pay the state share of supplemental payments for qualifying private hospital partners of Type One hospitals (consisting of state-owned teaching hospitals) as provided in the State Plan for Medical Assistance Services. Qualifying private hospitals shall consist of any hospital currently enrolled as a Virginia Medicaid provider and owned or operated by a private entity in which a Type One hospital has a non-majority interest. The supplemental payments shall be based upon the reimbursement methodology established for such payments in Attachments 4.19-A and 4.19-B of the State Plan for Medical Assistance Services. DMAS shall enter into a transfer agreement with any Type One hospital whose private hospital partner qualifies for such supplemental payments, under which the Type One hospital shall provide the state share in order to match federal Medicaid funds for the supplemental payments to the private hospital partner. The department shall have the authority to implement this reimbursement change effective upon passage of this act for all payment periods approved in the State Plan, and prior to the completion of any regulatory process undertaken in order to effect such change.

3. The Department of Medical Assistance Services shall promulgate regulations to make supplemental payments to Medicaid physician providers with a medical school located in Eastern Virginia that is a political subdivision of the Commonwealth. The amount of the supplemental payment shall be based on the difference between the average commercial rate approved by the Centers for Medicare and Medicaid Services (CMS) and the payments otherwise made to physicians. Funding for the state share for the Medicaid payments are authorized in Item 243. The department shall have the authority to implement these reimbursement changes consistent with the effective date in the State Plan amendment approved by CMS and prior to completion of any regulatory process in order to effect such changes.

4. The Department of Medical Assistance Services shall have the authority to amend the State Plan for Medical Assistance to establish a supplemental payment for physicians who are members of a practice plan affiliated with a city-owned, long stay hospital. The supplemental payment for each physician shall be based on the difference between the upper payment limit approved by CMS and the reimbursement otherwise payable to physicians from all other existing payments made under the State Plan effective July 1, 2014. There is hereby appropriated sum-sufficient funds for the Department of Medical Assistance Services to pay the state share of supplemental payments for qualifying physicians. However, the department shall not submit the State Plan amendment until it has contracted with all eligible hospitals to transfer funds to the department for use as the state share. As part of the contract, the hospital must represent that it has the authority to make these transfers and that the funds used will comply with federal law for use as the state share. If the hospital is unable to comply with the contract, the department shall have the authority to repeal the supplemental payments. The department shall have the authority to implement the reimbursement change effective upon approval of the State Plan amendment by CMS and prior to the completion of any regulatory process undertaken in order to effect such change.

5. The Department of Medical Assistance Services (DMAS) shall have the authority to amend the State Plan for Medical Assistance Services (State Plan) to implement a supplemental Medicaid payment for local government-owned nursing homes. The total supplemental Medicaid payment for local government-owned nursing homes shall be based on the difference between the Upper Payment Limit of 42 CFR §447.272 as approved by CMS and all other Medicaid payments subject to such limit made to such nursing homes. There is hereby appropriated sum-sufficient funds for DMAS to pay the state share of the supplemental Medicaid payment hereunder. However, DMAS shall not submit such State Plan amendment to CMS until it has entered into an intergovernmental agreement with eligible local government-owned nursing homes which requires them to transfer funds to DMAS for use as the state share for the supplemental Medicaid payment each is entitled to and to represent that each has the authority to transfer funds to DMAS and that the funds used will comply with federal law for use as the state share for the supplemental Medicaid payment. If a local government-owned nursing home is unable to comply with the intergovernmental agreement, DMAS shall have the authority to modify the State Plan. The department shall have the authority to implement the reimbursement change effective upon approval of the State Plan amendment by CMS and prior to the completion of any regulatory process undertaken in order to effect such change.

6. Approval of all the supplemental Medicaid payments included in paragraph EEEE. of this item are contingent upon final approval of a program to allow individuals to purchase health care coverage as contemplated under the fourth enactment clause of this Act."

Department of Medical Assistance Services

Page 258, strike lines 45 through 50, and insert:

"KKK. The Department of Medical Assistance Services shall amend the State Plan for Medical Assistance to convert the current cost-based payment methodology for nursing facility operating rates in 12 VAC 30-90-41 to a price-based methodology effective July 1, 2014. The new price-based payment methodology shall be implemented in a budget neutral manner.

1. The department shall calculate prospective operating rates for direct and indirect costs in the following manner:

a. The department shall calculate the cost per day in the base year for direct and indirect operating costs for each nursing facility. The department shall use existing definitions of direct and indirect costs.

b. The initial base year for calculating the cost per day is cost reports ending in calendar year 2011. The department shall rebase prices in fiscal year 2018 and every three years thereafter using the most recent reliable calendar year cost-settled cost reports for freestanding nursing facilities that have been completed as of September 1.

c. Each nursing facility's direct cost per day shall be neutralized by dividing the direct cost per day by the raw Medicaid facility case mix that corresponds to the base year by facility.

d. Costs per day shall be inflated to the midpoint of the fiscal year rate period using the moving average Virginia Nursing Home inflation index for the 4th quarter of each year (the midpoint of the fiscal year). Costs in the 2011 base year shall be inflated from the midpoint of the cost report year to the midpoint of fiscal year 2012 by pro-rating fiscal year 2012 inflation and annual inflation after that. Annual inflation adjustments shall be based on the last available report prior to the beginning of the fiscal year and corrected for any revisions to prior year inflation.

e. Prices will be established for the following peer groups using a combination of Medicare wage regions and Medicaid rural and bed size modifications based on similar costs.

1) Direct Peer groups

- Northern Virginia MSA
- Other MSAs
- Northern Rural
- Southern Rural

2) Indirect Peer Groups

- Northern Virginia MSA
- Rest of State – Greater than 60 Beds
 - Other MSAs
 - Northern Rural
 - Southern Rural
- Rest of State – 60 Beds or Less

f. The price for each peer group shall be based on the following adjustment factors:

1) Direct - 105 percent of the peer group day-weighted median neutralized and inflated cost per day for freestanding nursing facilities.

2) Indirect - 100.7 percent of the peer group day-weighted median inflated cost per day for freestanding nursing facilities.

g. Facilities with costs projected to the rate year below 95 percent of the price shall have an adjusted price equal to the price minus the difference between their cost and 95 percent of the unadjusted price. Adjusted prices will be established at each rebasing. New facilities after the base year shall not have an adjusted price until the next rebasing. The "spending floor" limits the potential gain of low cost facilities, thereby making it possible to implement higher adjustment factors for other facilities at less cost.

h. Individual claim payment for direct costs shall be based on each resident's Resource Utilization Group (RUG) during the service period times the facility direct price (similar to Medicare).

i. Resource Utilization Group (RUG) is a resident classification system that groups nursing facility residents according to resource utilization and assigns weights related to the resource utilization for each classification. The department shall use RUGS to determine facility case mix for cost neutralization in determining the direct costs used in setting the price and for adjusting the claim payments for residents. The department may elect to transition from the RUG-III 34 Medicaid grouper to the RUG-IV 48 grouper in the following manner.

- 1) The department shall neutralize direct costs per day in the base year using the most current RUG grouper applicable to the base year.
 - 2) The department shall utilize RUG-III 34 groups and weights in fiscal year 2015 for claim payments.
 - 3) Beginning in fiscal year 2016, the department may elect to implement RUG-IV 48 Medicaid groups and weights for claim payments.
 - 4) RUG-IV 48 weights used for claim payments will be normalized to RUG-III 34 weights as long as base year costs are neutralized by the RUG-III 34 group. In that the weights are not the same under RUG IV as under RUG III, normalization will insure that total payments in direct using the RUGs IV 48 weights will be the same as total payments in direct using the RUGs-III 34 grouper.
- j. The department shall transition to the price-based methodology over a period of four years, blending the price-based rate described here with the cost-based rate based on current law with the following adjustments. The facility cost-based operating rates shall be the direct and indirect rates for fiscal year 2015 based on facility case mix neutral rates modeled after the law that would have been in effect in fiscal year 2015 absent this amendment and using base year data from calendar year 2011 inflated to the rate year. Based on a four-year transition, the rate will be based on the following blend:
- 1) Fiscal year 2015 - 25 percent of the price-based rate and 75 percent of the cost-based rate.
 - 2) Fiscal year 2016 - 50 percent of the price-based rate and 50 percent of the cost-based rate.
 - 3) Fiscal year 2017 - 75 percent of the price-based rate and 25 percent of the cost-based rate.
 - 4) Fiscal year 2018 - 100 percent of the price-based (fully implemented).
- During the first transition year for the period July 1, 2014 through October 31, 2014, DMAS shall case-mix adjust each direct cost component of the rates using the average facility case mix from the two most recent finalized quarters (September and December 2013) instead of adjusting this component claim by claim.
- Cost-based rates to be used in the transition for facilities without cost data in the base year but placed in service prior to July 1, 2013 shall be determined based on the most recently settled cost data. If there is no settled cost report at the beginning of a fiscal year, then 100 percent of the price-based rate shall be used for that fiscal year. Facilities placed in service after June 30, 2013 shall be paid 100 percent of the price-based rate.
2. Prospective capital rates shall be calculated in the following manner.
 - a. Fair rental value per diem rates for the fiscal year shall be calculated for all freestanding nursing facilities based on the prior calendar year information aged to the fiscal year and using RS Means factors and rental rates corresponding to the fiscal year. There will be no separate calculation for beds subject to and not subject to transition.
 - b. The department shall develop a procedure for mid-year fair rental value per diem rate changes for nursing facilities that put into service a major renovation or new beds. A major renovation shall be defined as an increase in capital of \$3,000 per bed. The nursing facility shall submit complete pro forma documentation at least 60 days prior to the effective date and the new rate shall be effective at the beginning of the month following the end of the 60 days. The provider shall submit final documentation within 60 days of the new rate effective date and the department shall review final documentation and modify the rate if necessary effective 90 days after the implementation of the new rate. No mid-year rate changes shall be made for an effective date after April 30 of the fiscal year.
 - c. The rental rate shall be 8.75 percent in fiscal year 2015, 8.5 percent in fiscal year 2016, 8.25 percent in fiscal year 2017 and 8.0 percent in fiscal year 2018 and future years.
 - d. These FRV changes shall also apply to specialized care facilities.
 - e. The capital per diem rate for hospital-based nursing facilities shall be the last settled capital per diem.
 3. Prospective Nurse Aide Training and Competency Evaluation Programs (NATCEP) rates shall be the Medicaid per diem rate in the base year inflated to the rate year based on inflation used in the operating rate calculations.
 4. A prospective rate for criminal records checks shall be the per diem rate in the base year.
 5. The department shall have the authority to implement these payment changes effective July 1, 2014 and prior to completion of any regulatory process in order to effect such changes."

"O. The Governor is hereby authorized to allocate a sum of up to \$49,202,328 from this appropriation in this Item to the extent necessary to offset any downward revisions of the general fund revenue estimate prepared for fiscal years 2015 and 2016 after the enactment by the General Assembly of the 2014 Appropriation Act. If the general fund revenue estimates prepared subsequent to the 2014 General Assembly Session do not result in downward revisions and, if within 5 days of the preliminary close of the fiscal year ending on June 30, 2014, the Comptroller's analysis does not determine that a revenue re-forecast is required pursuant to §2.2-1503.3, Code of Virginia, then such appropriation shall be used only for employee compensation purposes as stated in paragraphs P, Q, and R below.

P.1. Contingent on the provisions of paragraph O. above, \$16,401,046 the first year and \$32,801,282 the second year from the general fund shall be used to support the general fund portion of costs associated with a one percent base salary adjustment for all classified employees of the Executive Branch and other full-time employees of the Commonwealth, except elected officials, effective with the pay period beginning December 10, 2014.  20. Used in operating stationary engines, or pumping or mixing equipment on a highway vehicle if the fuel used to operate such equipment is stored in an auxiliary tank separate from the fuel tank used to propel the highway vehicle, and the highway vehicle is mechanically incapable of self-propulsion while fuel is being used from the auxiliary tank; or
 21. Used in operating or propelling recreational and pleasure watercraft.
- B. 1. Any person purchasing fuel for consumption in a solid waste compacting or ready-mix concrete highway vehicle, or a bulk feed delivery truck, where the vehicle's equipment is mechanically or hydraulically driven by an internal combustion engine that propels the vehicle, is entitled to a refund in an

amount equal to 35 percent of the tax paid on such fuel. For purposes of this section, a "bulk feed delivery truck" means bulk animal feed delivery trucks utilizing power take-off (PTO) driven auger or air feed discharge systems for off-road deliveries of animal feed.

2. Any person purchasing fuel for consumption in a vehicle designed or permanently adapted solely and exclusively for bulk spreading or spraying of agricultural liming materials, chemicals, or fertilizer, where the vehicle's equipment is mechanically or hydraulically driven by an internal combustion engine that propels the vehicle, is entitled to a refund in an amount equal to 55 percent of the tax paid on such fuel.

C. Any person purchasing any fuel on which tax imposed pursuant to this chapter has been paid may apply for a refund of the tax if such fuel was consumed by a highway vehicle used in operating an urban or suburban bus line or a taxicab service. This refund also applies to a common carrier of passengers which has been issued a certificate pursuant to § 46.2-2075 or 46.2-2099.4 providing regular route service over the highways of the Commonwealth. No refund shall be granted unless the majority of the passengers using such bus line, taxicab service or common carrier of passengers do so for travel of a distance of not more than 40 miles, one way, in a single day between their place of abode and their place of employment, shopping areas or schools.

If the applicant for a refund is a taxicab service, he shall hold a valid permit from the Department to engage in the business of a taxicab service. No applicant shall be denied a refund by reason of the fee arrangement between the holder of the permit and the driver or drivers, if all other conditions of this section have been met.

Under no circumstances shall a refund be granted more than once for the same fuel. The amount of refund under this subsection shall be equal to the amount of the taxes paid, except refunds granted on the tax paid on fuel used by a taxicab service shall be in an amount equal to the tax paid less \$0.01 per gallon on the fuel used.

Any refunds made under this subsection shall be deducted from the urban highway funds allocated to the highway construction district, pursuant to Article 1.1 (§ 33.1-23.01 et seq.) of Chapter 1 of Title 33.1, in which the recipient has its principal place of business.

Except as otherwise provided in this chapter, all provisions of law applicable to the refund of fuel taxes by the Commissioner generally shall apply to the refunds authorized by this subsection. Any county having withdrawn its roads from the secondary system of state highways under provisions of § 11 Chapter 415 of the Acts of 1932 shall receive its proportionate share of such special funds as is now provided by law with respect to other fuel tax receipts.

D. Any person purchasing fuel for consumption in a vehicle designed or permanently adapted solely and exclusively for bulk spreading or spraying of agricultural liming materials, chemicals, or fertilizer, where the vehicle's equipment is mechanically or hydraulically driven by an internal combustion engine that propels the vehicle, is entitled to a refund in an amount equal to 55 percent of the tax paid on such fuel.

~~E. Any person purchasing diesel fuel used in operating or propelling a passenger car, a pickup or panel truck, or a truck having a gross vehicle weight rating of 10,000 pounds or less is entitled to a refund of a portion of the taxes paid in an amount equal to the difference between the rate of tax on diesel fuel and the rate of tax on gasoline and gasohol pursuant to § 58.1-2217. For purposes of this subsection, "passenger car," "pickup or panel truck," and "truck" shall have the meaning given in § 46.2-100. Notwithstanding any other provision of law, diesel fuel used in a vehicle upon which the fuels tax has been refunded pursuant to this subsection shall be exempt from the tax imposed under Chapter 6 (§ 58.1-600 et seq.).~~

F. Refunds resulting from any fuel shipments diverted from Virginia shall be based on the amount of tax paid for the fuel less discounts allowed by § 58.1-2233.

G. Any person who is required to be licensed under this chapter and is applying for a refund shall not be eligible for such refund if the applicant was not licensed at the time the refundable transaction was conducted."

THURSDAY, FEBRUARY 27, 2014

The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Mark W. Brown, Senior Associate Rector of All Saints' Church, Woodbridge, offered the following prayer:

Heavenly Father, I bid you come.

Come gracious Lord in the fullness of your indomitable Love and overwhelm the sad barriers and divisions which so impede the work of government throughout our land. Heal us, good Lord, and restore in us the bond of peace and virtue that is yours alone to give.

Come in the perfection of your matchless Wisdom to bless all whom you have gathered here this day. Fill them with discernment and courage that in the knowing and doing of your will, they might bless this great Commonwealth of Virginia.

Heavenly Father, come now in all your Might and Majesty and abide with us, for without you we are empty, and but for your grace we can do nothing to please you.

This I ask in the name of the one whom I believe to be the Incarnation of your perfect love and the exact representation of your glory, even Jesus Christ, my Lord.

AMEN.

FRIDAY, FEBRUARY 28, 2014

The House of Delegates was called to order at 11:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Dr. Darran T. Brandon, Sr., Pastor of Little Zion Baptist Church, Carson, offered the following prayer:

Father, we come before you on this day, a day pregnant with new possibilities.

We come with thanksgiving upon our lips and in our hearts for this day that you have made. We invite your presence into this place as we gather for this 2014 General Assembly. Not only do we invoke your presence into the 2014 General Assembly but we partition your presence to be marvelously magnified into every hamlet and home in this Commonwealth; from the Appalachian Plateau to the curvaceous valley and ridges of the Shenandoah, to the majestic Blue Ridge Mountains to the Piedmont and down to the beautiful Coastal Plain; into every courthouse and yes, even the White House; guide us with your presence and not by partisan politics. And Father, we would be remiss if we did not invite you into our earthly houses, our holy temples, our hearts, our souls and our minds.

Help us to be reminded today as we gather that you require of us three things: that we do justice, that we love kindness, and that we walk humbly before you. So as we endeavor to do these three things, bless us, inspire us and give us courage, persistence and a sense that you are here with us, prodding us, pushing us and filling us with love.

Bless our Governor, the Honorable Terry McAuliffe, Lieutenant Governor Ralph Northam, Speaker of the House, William Howell and the leader of this great nation, President Barack Obama.

So touch us, use us, guide us, and encourage us, this day and every day. In your Name we pray.
AMEN.

Clerk of the House of Delegates

MONDAY, MARCH 3, 2014

The House of Delegates was called to order at 12 m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Honorable Tony O. Wilt, the Gentleman from Rockingham, offered the following prayer:

Our Heavenly Father,

We are grateful for your blessings this day. Whether in a snowstorm, or the storm of life, we are instructed to trust in you.

Certainly your word tells us you love us. How is that love expressed? Our tendency is to focus on what we want that love to look like. Yet, your word tells us that as we take up the cross daily, we can expect trials and tribulations from the world, and even correction from you.

So Father, as we go about our duties today, may we find direction and strength in Christ's example of forbearance. Open our hearts and minds to your reality of what's good, of what's necessary, and to distinguish the value of things temporal and things eternal.

It's in Christ's name we pray,

Amen.

TUESDAY, MARCH 4, 2014

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Honorable Daun S. Hester, the Gentlewoman from Norfolk, offered the following prayer:

Lord, we humbly come before you today.

First, we want to take this opportunity to say "Thank you!"

Thank you for choosing us! We do not take it lightly that you could have chosen any number of people to govern, but we are so glad that you entrusted us to be good stewards of leadership.

As we begin this Commonwealth of Virginia House of Delegates General Assembly session, we ask that you breathe fresh ideas and strategies through us. We pray that you release a spirit of harmony so that we can accomplish things like never before.

Lord, uproot weeds of discord and strife within us. Let us operate in a spirit of order, have respect for our colleagues as well as those who rule above us.

Let us stand unified as we pursue vision.

Let us know the voice and will of God during this season.

We pray that we will have courage and not operate with a spirit of doubt.

Lord, finally we ask that you give us wisdom to not just do what is right, but also to do the right things!

In the name of our Lord and Savior. Amen.

Speaker of the House of Delegates

Clerk of the House of Delegates

WEDNESDAY, MARCH 5, 2014

The House of Delegates was called to order at 11:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Brad Russell, Lead Communicator and Pastor of Dulles Community Church, Chantilly, offered the following prayer:

To the God who calls and appoints leaders, I *call on you* today for the men and women who lead our Commonwealth. Our God, it is often said of leadership, that everything - programs and projects, organizations, communities, and even economies - everything rises and falls on leadership.

And yet, Lord God, rather than being higher than the people, you teach us that true leadership is to serve - to place others ahead of ourselves. My prayer, today, is that you give the men and women in this chamber discernment; the clarity to see that leadership is a temporary mantle, and the clarity to see through confusion and problems to the solutions that will make this state a growing model of prosperity and community.

This is a privilege; a precious calling you've entrusted with the men and women here today. So finally, our great God, I ask you to make our state prosperous and strong so that we may extend your favor and generosity to those around us who long for the very real promise of hope and strength.

Thank you, the true source of our strength. Amen.

Chairman of the Senate Committee on Education and Health regarding the appropriate textbook treatment of other significant cultural issues, including due acknowledgement of cultural contributions by African Americans, Virginia Indians, and other groups.

The Speaker stated that the floor amendment offered by the Gentlewoman from Richmond City asked the Department of Education to make recommendations and spoke of cultural contributions and was far broader in scope than the original bill which just dealt with one body of water.

The Speaker stated further that the floor amendment was not germane and the Chair would so rule.

The Reverend Leonard B. Lacey, Pastor of United Faith Christian Ministry, Stafford, offered the following prayer:

God of love, joy and peace.

We humble ourselves before you in this assembly today asking for wisdom, grace and mercy.

We are grateful that you are omniscience, omnipotent and omnipresent. Lord Almighty, You are acquainted with all our ways and very familiar with every man's thoughts. I ask You to give wisdom to the leaders of the Commonwealth; guide their every thought as they dialogue, discuss and deliberate the passage or denial of bills, codes, and statutes. Lord, guide the legislators in their debates. Give them good judgment during arguments, grant clarity to guide their decisions and the boldness to stand and vote for what is true and right.

Lord, we are mindful the decisions that they make will ultimately affect the lives of your people.

Everlasting God, the Lord, the Creator of the ends of the earth, You give power to the faint and to them that have no might, you increase strength.

God you are merciful and full of compassion. Bless this session and allow it to be the greatest and most productive of all sessions.

We give you praise in advance for what will take place in this room today.

Amen!

HOUSE JOINT RESOLUTIONS WITH SENATE AMENDMENTS

H.J.R. 40 (forty) was taken up.

An amendment in the nature of a substitute was proposed by the Senate, and printed separately, with its title reading as follows:

Requesting the Office of the State Investigator General to study Medicaid-funded transportation services in the Commonwealth. Report.

Delegate Toscano raised a point of order that the Senate substitute changed the resolution from a Joint Legislative Audit and Review Commission study to one conducted by the State Investigator General and would inquire as to whether the Senate substitute was germane since it added a new study after the deadline.

The Speaker stated that the Senate substitute returned the joint resolution to its introduced version by removing the substitute that was added by the House.

The Speaker stated further that the Senate substitute and the original resolution both dealt with a study on transportation.

The Speaker stated finally that the Senate substitute was germane and the Chair would so rule.

Delegate Toscano propounded a parliamentary inquiry as to whether there was actually a State Investigator General.

The Speaker stated that was an issue that could be addressed by a Conference Committee.

The Senate substitute was rejected.

Speaker of the House of Delegates

Clerk of the House of Delegates

FRIDAY, MARCH 7, 2014

The House of Delegates was called to order at 11:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Ronald Gene Qualley, Senior Pastor of Lord of Life Lutheran Church, Fairfax, offered the following prayer:

Almighty God, thank you for the privilege of living at this time in our community, nation, and world. Continue to encourage and direct us to care for our neighbor as you care for us, responding to your command that we do justice, love kindness, and walk humbly with you.

Grant to President Obama, Governor McAuliffe, and all in authority, the wisdom and strength to know and to do your will. Make them ever mindful of their calling to serve your people in wise decisions for our common life.

Bless our land with honorable industry, sound learning, and pure motives. Protect us from violence, discord, and arrogance. Knit us together into a united people, revealing a colorful quilt of many cultures and languages.

As world issues continue to weigh on our hearts and minds, may we put our trust not simply in our armed forces, in wealth and material resources, or in achievements of the human mind, but in your righteousness by which peace can finally be realized.

Challenge us all to the high adventure of building a better world. Help us know that if we help somebody as we travel along life's highway, then our living will not be in vain.

In your holy name we pray. Amen.

Clerk of the House of Delegates

SATURDAY, MARCH 8, 2014

The House of Delegates was called to order at 10:00 a.m. by William J. Howell, Speaker thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Honorable J. Randall Minchew, the Gentleman from Loudoun, offered the following prayer:

Heavenly God, source of all truth, creator of our world, and author of liberty, we invoke your holy presence here today to guide us in our work on this, the last day of our Regular Session.

We give thanks unto you for the many blessings you have bestowed upon our Commonwealth and pray that your Holy Spirit may guide us and strengthen us in the pathway of righteousness so that your divine will may be manifested in our work and so that the just causes of unity, peace and concord, and the preservation of our liberty may be furthered thereby.

God, you have revealed yourself to us in many ways and we have called you by many names: El Shaddai, Yahweh, Adonai, Jehovah, and the Great I Am. Yet, we know that no name can accurately describe your majesty and that our ability to discern your will is limited by our mortal shortcomings. For that reason, we pray that your grace may come upon us like a strong wind and lead us and lift us up to do your work in this place.

Father, we know that we are not terrestrial creatures enjoying a spiritual life, but are instead spiritual creatures living a terrestrial and transitory life on this Earth. As creatures of your spirit and heirs to your eternal kingdom, may we receive your grace. For we acknowledge that the words of your Apostle Paul are true and that it is by grace through faith that we have been saved and that this is not from ourselves, but is the gift of God.

May the peace of God that surpasseth all understanding keep our hearts and minds in his service through our work here today and bless us as we return to homes thereafter and

May we all dwell in the house of The Lord forever.

Amen.

Clerk of the House of Delegates

A message was received from the Senate by Senator Saslaw, who informed the House that the Senate has adjourned sine die.

Delegate Cox moved that the House adjourn sine die.

The motion was agreed to.

The Speaker, at 1:44 p.m., declared the House of Delegates adjourned sine die.

Ordered that Delegate Cox inform the Senate that the House has adjourned sine die.

Subsequent to the adjournment sine die of the 2014 Regular Session, the Clerk received the following communication from the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 8, 2014

TO THE MEMBERS OF THE GENERAL ASSEMBLY:

I am pleased to write to you at the conclusion of the regular session of the 2014 General Assembly. Thank you for your dedication to the people of Virginia and your service to the Commonwealth.

During the first session of my administration, I am pleased that we have found common ground on many issues including economic development, SOL reform, transportation and veterans issues. I have highlighted some of these achievements below. But our work is not done.

We achieved much success with a bipartisan coalition of legislators to enhance Virginia's economic development tools so that we can create jobs and grow the economy. Growing Virginia businesses and bringing new ones to the Commonwealth from all over the globe is my top priority as Governor, and the tools we enhanced this session will aid me and my team as we work full time on creating more jobs for Virginians. As I promised during my campaign, I strongly supported legislation that increases the cap on research and development tax credits. This legislation enhances Virginia's business climate and builds on the strong presence of thriving, innovative companies in the Commonwealth. In addition, I worked hard to secure critical increases for the motion picture production tax credit. This increase is critical for the film industry in Virginia as tax credits provide continuity to potential film clients for long range planning. We are well positioned to continue our success for attracting films and television series with this enhanced economic development tool.

Working with a bipartisan team in both chambers, I was pleased to see the quick success of my first introduced bill in the legislature, Senator Puckett's Senate Bill 673. This bill addresses the dire need of the City of Bristol to remit sales tax for the repayment of revenue bonds permitted by 2012 legislation establishing a retail development area in the region. The legislation is essential to the continued progress of this important project, which the city would be otherwise unable to complete. I am honored to help this project move forward, which represents a significant local investment and has the expectation of 2,000 jobs for a region that needs them the most.

Few issues came up more often in my campaign for Governor than reforming the Standards of Learning (SOL) program. We know that the SOLs are not meeting the needs of our students, parents and teachers. Therefore, SOL reform was a main priority for my administration this General Assembly Session. With the introduction of bipartisan SOL reform bills by Delegates Tag Greason and Rob Krupicka, and others, we were able to work in concert with legislators, stakeholders and education experts to begin making progress on the important work of reforming and strengthening our standardized testing system.

Delegate Greason's omnibus bill, House Bill 930, will reduce the number of SOL assessments from 22 to 17 for elementary and middle school students. This legislation empowers teachers to utilize class time in a way that promotes innovative knowledge. In addition, this bill creates the *Standards of Learning Innovation Committee* which will bring together legislators and stakeholders to review current SOL practices and recommend best practices to ensure that Virginia's testing structure prepares our students to compete globally in the 21st century.

As for transportation, I strongly supported and worked with House and Senate leaders to produce legislation that outlines a transparent, data-driven process for evaluating new transportation projects. House Bill 2 is a landmark piece of legislation that will play a pivotal role in determining how we spend transportation dollars and will ensure that Virginia's taxpayers are getting the best value for their money. In addition, I look forward to signing Senate Bill 156, which encourages the use of E-Z Pass transponders and eliminates any unnecessary fees on Virginia's toll roads.

For public safety, I am proud to have already signed both Senate Bill 381 by Senator Reeves and House Bill 730 by Delegate Lingamfelter, legislation that transfers the responsibility for overseeing and coordinating efforts to strengthen homeland security from the Secretary of Veterans Affairs and Homeland Security to the Secretary of Public Safety. This reorganization resulted from a 2013 report by the Joint Legislative Audit and Review Commission's on disaster preparedness planning in Virginia. This important change will ensure the Commonwealth can effectively and efficiently coordinate preparedness efforts.

I am honored to have worked with the General Assembly to move Virginia forward this session in promoting veterans and their families. Senator Locke carried Senate Bill 18 which will improve financial security for military families by providing unemployment compensation to military spouses who leave their job to accompany their active duty spouse to a new military duty assignment in another state. More than half of active duty service members are married and spouse employment is a key income source for many military families. I strongly supported this legislation and look forward to signing it when it gets to my desk.

While we have proven that we are capable of working together for the common good on many issues, I am disappointed that politics have deadlocked budget negotiations this session, and forced Virginia families to continue to wait until we can bring their money back to expand much-needed health coverage across the Commonwealth. Therefore, upon adjournment Sine Die, I will be calling the House and Senate back for a Special Session commencing on March 24, 2014. My intention is for this session to last for three weeks so the House and Senate can resolve outstanding budget issues and reach an agreement on closing the coverage gap. More than 400,000 uninsured Virginians have been waiting too long to access this coverage. The House and Senate need to find common ground on a path forward that funds the priorities most important to Virginia families, including bringing their money home to keep people healthy, creating up to 30,000 jobs and helping net the Commonwealth \$1 billion by 2022.

Again, I commend you on your hard work on behalf of the Virginians who sent us here to represent them. While I regret that partisan politics have prevented the passage of a budget that funds the Commonwealth and closes the coverage gap, I have no doubt that members of the General Assembly will come together and find common ground early in the upcoming Special Session. Thank you for all that you do for the people of our great Commonwealth.

Sincerely,
/s/ Terence R. McAuliffe

The following House bill, with a communication thereto, was vetoed by the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor
March 17, 2014

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 962, which relates to the exception to the prohibition against carrying a concealed weapon if it is in a secured container or compartment in a personal, private motor vehicle or vessel.

As passed by both houses, the bill provides that for the purposes of the exception, a concealed weapon may be "secured" in a container or compartment that is merely "closed but not necessarily locked."

On March 3, 2014, I recommended three line amendments to this bill for the purpose of better ensuring the safety of Virginia's law enforcement personnel and its citizens.

My recommended amendments would have limited the exception to the prohibition against carrying a concealed weapon while in a personal motor vehicle or vessel to only those instances when the weapon is in a locked container or compartment. On March 7, 2014, the House of Delegates rejected my recommended amendments and returned House Bill 962 to me.

I believe the bill as originally passed does not offer adequate protection to our citizens and law enforcement personnel and, accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

JOINT RESOLUTION NUMBER
H.J.R. 8

CHAPTER NUMBER
775

Speaker of the House of Delegates

Clerk of the House of Delegates

JOURNAL
OF THE
HOUSE OF DELEGATES
2014 RECONVENED REGULAR SESSION

WEDNESDAY, APRIL 23, 2014

The House of Delegates was called to order at 12 m. by M. Kirkland Cox, Speaker pro tempore thereof.

The Mace was placed on the Speaker's table by the Sergeant at Arms.

The Reverend Mark Morrow, Senior Pastor of CrossWalk Community Church, Williamsburg, offered the following prayer:

Almighty God, we pause to acknowledge You. You are holy and worthy of the highest honor. And since there is no governing authority except that which You have established, we humbly recognize that we are simply Your servants carrying out Your will. We are grateful for the privilege of living in this commonwealth, a land of unequaled opportunity, a prosperous state that has inherited many blessings because our forefathers discovered Your principles and governed themselves accordingly. May we continue their great legacy with all due diligence.

I ask that you bestow upon each and every official here the wisdom to lead us with integrity, the strength to lead us with humility, and the courage to lead us with meekness so that we may live peaceful and quiet lives. Bless these elected officials for their sacrificial service to their constituents. And give grace to their families back home.

During these difficult days in which we live, there are many challenges that lie before us. And when our opinions differ on solutions, may we be reminded that we as Virginians are united, not by our political ideologies and cultural persuasions, but by a resilient commitment to justice and freedom for all. Specifically today, I ask that here in the birthplace of religious freedom, these lawmakers possess the strength and resolve to preserve the rights of Virginia's high school students and military chaplains as they exercise their faith, live according to conscience, and speak the truth to culture, regardless of the powerful opponents who would otherwise trample on such a precedent. May we vigilantly guard the public square so that it continues to be an open forum where a civil exchange of ideas can take place freely without the fear of censorship, intimidation, and discrimination.

Lord, I pray that we never indulge in the delusion that our greatness and prosperity is of our own ingenuity. For we readily admit that whatever power has been granted us, it has only come by Your loving mercy, amazing grace, and generous provision. In Your name, we pray. Amen.

Delegate Hugo led the House of Delegates in the Pledge of Allegiance to the Flag of the United States of America.

The roll was called and the following members answered to their names:

HOUSE BILL VETOED BY THE GOVERNOR

H.B. 1040 (ten, forty) was taken up.

The communication from the Governor was as follows:

COMMONWEALTH OF VIRGINIA
Office of the Governor
April 7, 2014

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1040, a bill that creates a new right of appeal to the Circuit Court of a finding of violation related to the photo-monitoring of a traffic light signal. A citation levies no more than a \$50 civil fine. There is no effect on a criminal or driving record.

This automatic right of appeal to the Circuit Court could inundate our currently underfunded judicial system with cases of limited financial impact, potentially jeopardizing the efficient and expeditious handling of more significant civil and criminal cases.

Our general district courts are more than capable of addressing these infractions and providing those affected with all attendant rights. Allowing minor citations to be appealed to the Circuit Court would add an unnecessary strain to our vital public safety resources.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

Delegate Joannou moved that the House override the Governor's veto.

Delegate Ramadan propounded a parliamentary inquiry as to whether a member should vote "yes" if he wanted to support the motion by the Gentleman from Portsmouth.

The Speaker pro tempore stated that a "yes" vote would be to override the Governor's veto and a "no" vote would be to sustain the veto.

The question being: Shall the House override the veto of the Governor? was put and decided in the affirmative.

HOUSE BILL NO. 1005

I approve the general purpose of this bill, but I am returning it without my signature with the request that the attached Amendment in the Nature of a Substitute be accepted.

Sincerely,
/s/ Terence R. McAuliffe

The amendment in the nature of a substitute proposed by the Governor was printed separately, with its title reading as follows:

A BILL to amend and reenact §§ 38.2-3407.12, 38.2-3407.16, 38.2-3407.18, 38.2-3414, 38.2-3414.1, 38.2-3417, 38.2-3418.9, 38.2-3418.10, 38.2-3418.13 through 38.2-3418.16, 38.2-3430.6, 38.2-3438, 38.2-3541, 38.2-4217, 38.2-4306, 38.2-4310, and 38.2-4319 of the Code of Virginia; to amend the Code of Virginia by adding in Article 6 of Chapter 34 of Title 38.2 a section numbered 38.2-3454.1; and to repeal §§ 38.2-3416 and 38.2-3541.1 of the Code of Virginia, relating to health benefit plans; individual and group coverage.

The House proceeded to reconsider the bill.

Delegate Orrock raised a point of order that, while largely technical in nature, the Governor's substitute created a new Code section and a new special exception which were not part of the original bill and would inquire as to whether the Governor's amendment in the nature of a substitute was germane.

The Speaker pro tempore stated that, as introduced, H.B. 1005 focused on repealing provisions of the Code related to the conversion of coverage under group policy to individual policy and provided that certain mandated offers did not apply to healthcare plans, contracts, or policies issued in the individual, small group market but were qualified healthcare plans offered in the Commonwealth by healthcare carrier through a health benefit exchange.

The Speaker pro tempore stated further that the Governor's amendment allowed individuals who had lost their coverage and others who desired to purchase health benefit plans sold or offered for sale to do so through or outside of the health benefits exchange established or operated in the Commonwealth or in the individual or group markets to obtain coverage if offered by an insurer.

The Speaker pro tempore stated further that the Code section added by the Governor's substitute allowed access to forms of health insurance coverage beyond the scope of H.B. 1005.

The Speaker pro tempore stated finally that the Governor's recommendation was not germane and the Chair would so rule.

Delegate Toscano propounded a parliamentary inquiry as to whether the bill was still before the body since the Governor's recommendation had been ruled not germane.

The Speaker pro tempore stated that the bill was no longer before the body.

The bill was returned to the Governor.

[H.B. 1005 was signed by the Governor on May 23, 2014, and became Chapter 814 of the 2014 Regular Session Acts of Assembly.]

The House proceeded to reconsider the bill.

The Speaker pro tempore informed the House that only amendment No. 2 could be considered by the House.

Delegate Surovell propounded a parliamentary inquiry as to whether S.B. 561 or H.B. 868 would become law since they both dealt with the same subject and Code section but were not identical bills since the Senate bill did not contain language that was in the House bill which stated that protective orders obtained after conviction could bar someone from geriatric parole.

The Speaker pro tempore stated that the bill the Governor signed last would become law.

The House proceeded to consider amendment No. 2 proposed by the Governor.

The question being: Shall the House amend the bill in accordance with amendment No. 2 of the Governor? was put and decided in the negative.

The following House bills, with communications thereto, were vetoed by the Governor:

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 19, 2014

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 1212 which requires that the Governor, his campaign committee, and any political action committee established on his behalf shall not knowingly solicit or accept a contribution, gift, or other item with a value greater than \$50 from persons or entities seeking loans or grants from the Governor's Development Opportunity Fund (GOF). The bill also restricts such gifts and contributions from persons and entities seeking loans or grants from the Fund. This bill is identical to Senate Bill 650.

I proposed key recommendations for this bill during the reconvened session. First, while grants are awarded by the Governor from the GOF, the General Assembly approves and votes on its funding; therefore the provisions and protections for ethical standards associated with these awards should also apply to legislators. Additionally, requiring the 2015 Session of the General Assembly to reenact this bill would allow appropriate time to determine the best means for review and implementation. These measures would avoid unintended consequences and protect confidentiality for ongoing economic development projects. These recommendations were not adopted.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 23, 2014

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto House Bill 650 which provides that Virginians over the age of 45 who have owned a registered boat for at least six continuous years are exempt from the requirement to take a boat safety class.

On April 7, 2014, I recommended line amendments to this bill for the purpose of better ensuring the safety of Virginia's boating public.

My recommended amendments would have maintained the requirement that Virginians over the age of 45 - and who do not meet any of the existing exemptions - take a boat safety class. On April 23, 2014, the House of Delegates rejected my amendments and returned House Bill 650 to me.

I believe that the bill as passed endangers those Virginians who make use of public waterways.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

COMMONWEALTH OF VIRGINIA
Office of the Governor
May 23, 2014

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto HB 868, which prohibits the conditional release of geriatric prisoners due to age if they were convicted of a felony act of violence and subject to a protective order at the time of the offense or after the offense, but prior to being released from incarceration for the offense, and the victim of the felony offense was the protected person under the protective order.

I am of the view that this bill in its current form poses serious constitutional concerns in light of the Virginia Supreme Court's decision in *Angel v. Commonwealth*, 281 Va. 248, 704 S.E.2d 386 (2011) (citing *Graham v. Florida*, 500 U.S. 48 (2010)), where the Court noted that geriatric parole provides a meaningful opportunity to obtain release for incarcerated juveniles.

House Bill 868 fundamentally alters Virginia's parole system as it pertains to the exclusion of juveniles from geriatric release. This bill would not provide a meaningful opportunity to obtain release for juveniles. As the U.S. Supreme Court held in *Graham v. Florida*, 500 U.S. 48 (2010), the Eighth Amendment's Cruel and Unusual Punishments Clause prohibits life sentences without parole for juveniles who have committed a non-homicide crime.

I presented amendments to bring this bill into compliance with precedents of the U.S. and Virginia Supreme Courts. The amendments served to maintain the Parole Board's discretion regarding the appropriateness of an inmate's release from prison, including removal of language pertaining to the potential issuance of protective orders up until the time of release from prison. Unless amended, this provision could afford a victim the ability to seek a protective order against an inmate (even years after the offense), thus potentially overruling Parole Board decisions regarding geriatric release. Such a protective order process could lead to litigation.

It is the Parole Board's duty to carefully weigh an inmate's eligibility for geriatric release. This bill potentially strips that discretionary decision-making process and places Virginia's parole system into question.

Accordingly, I veto this bill.

Sincerely,
/s/ Terence R. McAuliffe

The following Senate bills were vetoed by the Governor:
