JOURNAL OF THE SENATE

2023 REGULAR SESSION

WEDNESDAY, JANUARY 11, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

Bishop Frank Allen, HOPE Charitable Services, Portsmouth, Virginia, offered the following prayer:

God Almighty, this morning we come before You as humbly as we know how. Word of heart, of thanksgiving, thankful, God, that we are born into a nation and into a Commonwealth that has the privileges that we have today, God.

As I was driving down a very well-built, well-kept road today, I couldn't help but think of my time in the Third World, and realized how blessed I am to be a citizen of this nation, and a citizen of this Commonwealth. Today, Lord, these men and these women have gathered here to take care of the business of the state, of this Commonwealth. Lord, they are here to take care of the business of their constituents; not just the ones that voted for them, but the ones that did not vote for them. Lord, You tell us in Your Word that as we have done it unto the least of these, we have done it unto You. Today, here, God, we are reminded a lot of justice. We hear a lot of talk about justice. Lord, You said as we have done it to the least of these, we have done it unto You. Today, here, Father, they even represent members of their jurisdiction and their constituencies that take up part of that mantle of the least of these that have no representation. Lord, as they make laws and as they do the things that they do for the state, Lord, let them be mindful that as they think and act on behalf of the lesser of society that they are acting on Your behalf.

Now Father, I pray today that they would understand that they are representing You today, God. And Lord, I am thankful that in our nation we can sit and work and live alongside of and be friends with Muslims, with Jews, with Hindus, with Buddhists, and Christians; and, Lord, I thank You that we all can worship in our fashion and can attend mosques and temples and houses of worship and churches together, and we are free to do that, God. And Lord, I just want to give Your name praise and honor because You said that You are faithful to finish that which You have begun. And God, I believe in Virginia, in this year, in this House, You have begun some good things, and I know that You are going to finish them. And Lord, we ask that You would do that, God. And as a Christian, Lord, I ask that You would do that in the name of Jesus, God, and I thank You, Lord, that our Christian brothers can do this, Lord, and our

Hindu brothers, and our Jewish brothers, and all of our friends from diverse faiths that represent this state, God, have that freedom to come into this house, their house, and their house of worship, God, and pray to the Gods of their choice, Lord. I thank You for that. In Jesus' name, Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Nathan A. Hatfield, Assistant Clerk-LINCS, Senate Clerk's Office.

The roll was called and the following Senators answered to their names:

Barker, Bell, Boysko, Chase, Cosgrove, Deeds, DeSteph, Dunnavant, Ebbin, Edwards, Favola, Hackworth, Hanger, Hashmi, Howell, Lewis, Locke, Lucas, Marsden, Mason, McClellan, McDougale, McPike, Morrissey, Newman, Norment, Obenshain, Peake, Petersen, Pillion, Reeves, Ruff, Saslaw, Spruill, Stanley, Stuart, Suetterlein, Surovell, Vogel.

MONDAY, JANUARY 16, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Calvin A. Duncan, Faith and Family Church, Richmond, Virginia, offered the following prayer:

Let us trust in the Lord with all of our hearts and lean not on understanding, but in all our ways let us acknowledge Him. Let us pray.

Heavenly Father, we come to You. You are the supreme being of the universe, for You alone are sovereign. You are the Creator of all things in the Heavens and the Earth. We come today, giving thanksgiving in our hearts for Your many blessings You have bestowed upon us. Spirit of the living God, form afresh on us today. We ask for Your peace. We ask for Your protection. And we ask for Your direction.

Give our Governor and administration discernment and insight to handle the affairs of this great Commonwealth of Virginia. And Lord, help us not to forget the least of these, because we all are valuable to God. We all matter. May our hearts be filled with faith, hope, and love. Therefore, grant us the serenity to accept the things we cannot change, the courage to change the things we can, and the wisdom to know the difference. We can all make a difference if we all are willing to be understanding with each other and practice patience and love. Because love is the universal language; it touches the hearts and souls of all people regardless of their race, color, or creed. So let us show respect and love for one another. And as Dr. Martin Luther King, Jr. said: "Darkness cannot drive out darkness. Only light can do that. Hate cannot drive out hate. Only love can do that."

So let us come together in love and unity so we can bring hope to everyone.

And now unto You, who is able to do exceedingly, abundantly, above all that we ask of faith according to the power that You have given us, and it is in Christ's name we pray. Amen.

President of the Senate

Susan Clarke Schaar
Clerk of the Senate

TUESDAY, JANUARY 17, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Ray Eppard, Victory Worship Center and World Outreach, Staunton, Virginia, offered the following prayer:

Father, I ask for Your Presence here today as we come before You. I am thankful that You are Almighty God, maker of Heaven and Earth. Thank You for our nation and this great state of Virginia. Thank You for this legislative body, and for the men and women assembled here who are giving of their time and energy to make Virginia a better place for us all. I pray for Your blessing to be upon them and their families. Give them the grace to navigate the rigors and challenges of public service.

As the psalmist said, "When I consider Your heavens, the work of Your fingers, the moon and the stars, which You have ordained;

What is man that You are mindful of him, and the son of man that You visit him?

For You have made him a little lower than the angels, and You have crowned him with glory and honor.

You have made him to have dominion over the works of Your hands; You have put all things under his feet." (Psalms 8:3-6)

In this life, You have given us dominion and choice; we can use our dominion in obedience, and the blessing results or we can go our own way and eat the fruit of our ways. As individuals, as a nation, and state, we have done both. We have pleased You at times and went our own way at times, to our own detriment.

Forgive us as a people for when we have not defended the defenseless, protected the vulnerable, or helped the weak, for when liberty and the unalienable rights You have given to us all, we have failed to help secure. May all of us here today recognize that we are the communicators of faith and virtue. That every action, every decision is an expression of our faith, of our belief system. And that everything we stand for or against is a moral expression. May we recognize that a void, free of faith and morality, is a vacuum that does not exist in the real world.

You have created and ordained all levels of government: self-government, family government, church government, and civil government. May we all promote proper self-government, defend the family, protect everyone's religious liberty, and ensure a civil government that provides liberty and justice for all. For You are our King, and our dominion is a gift of stewardship. We are accountable to You. And the day is coming when we will all have to appear before You and give and account of our stewardship. May each of us be found as a faithful steward.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Trey Leftwich III of Chesapeake.

The roll was called and the following Senators answered to their names:

Barker, Bell, Boysko, Chase, Cosgrove, Deeds, DeSteph, Dunnavant, Ebbin, Edwards, Favola, Hackworth, Hanger, Hashmi, Howell, Lewis, Locke, Lucas, Marsden, Mason, McClellan, McDougale, McPike, Newman, Norment, Obenshain, Peake, Petersen, Pillion, Reeves, Ruff, Saslaw, Spruill, Stanley, Stuart, Suetterlein, Surovell, Vogel.

A quorum was present.

On motion of Senator Chase, the reading of the Journal was waived.

The recorded vote is as follows:

YEAS--36. NAYS--2. RULE 36--0.

WEDNESDAY, JANUARY 18, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Eung Yul David Ryoo, Korean Central Presbyterian Church, Centreville, Virginia, offered the following prayer:

Almighty God, we are gathered here today to pray to You, our Lord and the Creator of Heaven and Earth. We are grateful that You have called the Senate together to start this day with a prayer. Lord, please remember the dedicated services that have been rendered unto the Commonwealth of Virginia and to this great nation by the Governor Youngkin and distinguished Senators. More than anything, Lord, may You fill the hearts of our Senators with the reverence towards You and love for the people. Allow them to discern Your calling and will in their duty of service so that they can serve the people as faithful stewards. Almighty God, we desperately pray that You will restore unto us the piteous faith of our founding fathers. Let us remember their love of Jesus Christ and understand Your prophetic words, "Blessed is the nation whose God is the Lord," so that ultimately our families, communities, and this great nation and beyond will conform with Your divine order and good will. We pray this in the name of our Lord and Savior, Jesus Christ. Amen.

THURSDAY, JANUARY 19, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Michael L. Sessoms, Little Union Baptist Church, Dumfries, Virginia, offered the following prayer:

God, our refuge and strength, give us reverence for Your greatness. We invoke Your presence in this place and space.

May our awe of You lead us to do what is right.

May our awe for You cause this Senate body to put away partisan politics and be advocates for the least of these.

May our awe for You lead this Senate body to give voice to those who have no voice.

May our awe for You lead this Senate body to promote compromise.

May our awe for You lead this Senate body to decriminalize mental health.

May our awe for You lead this body to create a more equitable justice system.

May our awe for You lead this Senate body to create more accessible homes for working families.

May our awe for You lead this Senate body to remember that they are here to represent their constituents and not necessarily themselves.

May our awe for You lead this Senate body to remember our children who should have a right to attend schools that are safe from gun violence.

May our awe for You lead the Senate body to remember that we are all created by You for Your glory.

There is no race that is supreme over others and that we ought to be a state that welcomes the stranger and the immigrant. For scripture tells us, "Do not forget to entertain strangers for some have entertained angels unaware."

Let us not forget that the Son of God was also an immigrant because His mother and father were forced to leave Nazareth and He was born in Bethlehem.

So, bless these public officials and let them never forget the oath that they have taken. For You have always ordained government so that there will be order and less chaos. Allow our awe for You to remember that this Senate body are Your servants.

Help them to submit to Your plans, expecting You to direct their paths. Lord, give them the wisdom to choose simplicity, refusing to make life more complicated than it needs to be. Sustain this Senate body with Your peace. We glorify Your name. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Tas Vogel of Upperville.

The roll was called and the following Senators answered to their names:

FRIDAY, JANUARY 20, 2023

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Dr. Lisa Johnson, Richmond Hill, Richmond, Virginia, offered the following prayer:

Creator of the universe, maker, sustainer and ruler of this earth, we come now to thank You for the opportunity to acknowledge Your presence in this space. We thank You for how You have protected us through a global pandemic and we welcome You into this chamber. Holy One, we ask now that You would lead, God, and direct this body of elected officials as they make decisions to govern the state of Virginia. In the book of Isaiah we are reminded that the government shall be upon Your shoulders. We ask that everyone here would put their trust in You. Please give wisdom, insight, a sense of justice, and a passion for Your people to everyone present. It is our belief that You desire that we live in unity with one another. So right now we pray that this body of leaders will embrace the otherness in their colleagues as they come together. Help all of us to be mindful that You made it plain as to how we are to live. Your Word tells us that we are to do what is fair and just. We are to be compassionate and loyal in our love, and not to take ourselves too seriously, but to rather take You very seriously. We ask that You would be with us as we convene this Session, and we will be mighty careful to give Your name praise, glory, and honor. All powerful One, we ask this in all of Your holy names. Amen.

Winsome Earle-Sears
President of the Senate

Susan Clarke Schaar
Clerk of the Senate

MONDAY, JANUARY 23, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Dr. Sam Frye, First Simple Church, Williamsburg, Virginia, offered the following prayer:

Our Father, this morning I am humbled to stand in this place where so many serve, looking to make a difference. Thank You, Lord, at how You have blessed our Commonwealth and how You entrust each leader here today with making wise decisions. Thank You for the sacrifices of those men and women who came before us and for those who continue to sacrifice to keep our country free.

Your Word tells us in Romans 13 to "let everyone be subject to the governing authorities, for there is no authority except that which God has established."

So, I thank You for placing these men and women in this chamber today and for entrusting them with such a great responsibility.

Your Word also reminds us in James 4: "You desire but do not have....You covet but you cannot get what you want, so you quarrel and fight. You do not have because you do not ask God. When you ask, you do not receive, because you ask with wrong motives...."

So, this morning, Lord, I pray for God-honoring motives today. Grant each person with wisdom, discernment, unity, and a collaborative spirit to lead according to Your ways and direction. Honor them Father for their service, spirit, sacrifice, and their faithfulness.

We live in an evil world, Lord, and we need You now more than ever. I pray that whatever is said and whatever is done in this Session today is for the good of our Commonwealth, but more importantly, that it is honoring to You.

We ask all these things in Your precious Son's name. And all of God's people said: Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Rylan Opett of Mattaponi.

The roll was called and the following Senators answered to their names:

Barker, Boysko, Cosgrove, Deeds, DeSteph, Dunnivant, Ebbin, Edwards, Favola, Hackworth, Hanger, Hashmi, Howell, Lewis, Locke, Lucas, Marsden, Mason, McClellan, McDougale, McPike, Morrissey, Newman, Norment, Obenshain, Peake, Petersen, Pillion, Reeves, Rouse, Ruff, Saslaw, Spruill, Stanley, Stuart, Suetterlein, Surovell, Vogel.

SENATE JOINT RESOLUTION NO. 226

Proposing an amendment to Section 9 of Article VII of the Constitution of Virginia, relating to local government; sale of property; authority to grant perpetual easements to units of government.

RESOLVED by the Senate, the House of Delegates concurring, a majority of the members elected to each house agreeing, That the following amendment to the Constitution of Virginia be, and the same hereby is, proposed and referred to the General Assembly at its first regular session held after the next general election of members of the House of Delegates for its concurrence in conformity with the provisions of Section 1 of Article XII of the Constitution of Virginia, namely:

Amend Section 9 of Article VII of the Constitution of Virginia as follows:

ARTICLE VII
LOCAL GOVERNMENT

Section 9. Sale of property and granting of franchises by cities and towns.

No rights of a city or town in and to its waterfront, wharf property, public landings, wharves, docks, streets, avenues, parks, bridges, or other public places, or its gas, water, or electric works shall be sold except by an ordinance or resolution passed by a recorded affirmative vote of three fourths of all members elected to the governing body.

No franchise, lease, or right of any kind to use any such public property or any other public property or easement of any description in a manner not permitted to the general public shall be granted for a longer period than forty years, except for air rights together with easements for columns of support, which may be granted for a period not exceeding sixty years. Before granting any such franchise or privilege for a term in excess of five years, except for a trunk railway, the city or town shall, after due advertisement, publicly receive bids therefor. Such grant, and any contract in pursuance thereof, may provide that upon the termination of the grant, the plant as well as the property, if any, of the grantee in the streets, avenues, and other public places shall thereupon, without compensation to the grantee, or upon the payment of a fair valuation therefor, become the property of the said city or town; but the grantee shall be entitled to no payment by reason of the value of the franchise. Any such plant or property acquired by a city or town may be sold or leased or, unless prohibited by general law, maintained, controlled, and operated by such city or town. Every such grant shall specify the mode of determining any valuation therein provided for and shall make adequate provisions by way of forfeiture of the grant, or otherwise, to secure efficiency of public service at reasonable rates and the maintenance of the property in good order throughout the term of the grant.

Notwithstanding any other provision of this section, an easement on public property may be granted in perpetuity to a public body, political subdivision, or authority of the Commonwealth or to the United States or any of its departments or agencies. The requirement to advertise and publicly receive bids shall not apply to easements conveyed to any such governmental entity.

TUESDAY, JANUARY 24, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

Imam Ammar Amonette, Islamic Center of Virginia, Richmond, Virginia, offered the following prayer:

Our Lord, before we begin our Session today, take us back to a place of divine calm and peace, where we can put our day's affairs into perspective. You created us with a higher purpose, with a noble mission that the duration of our lives may be pleasing to Your service.

You entrusted to us the Earth, spread around us as a beautiful home, granting us responsibility for its care and preservation. Through this world, we must walk in humility and gratitude. We were born not alone in this universe, but we are part of families, peoples, and nations that we may learn to nurture, love and support each other as a fundamental building block of our society. Each of our families need a stable home, a shelter and refuge of peace and security in which to weather the storms that churn all around us. Indeed, the strength of our society needs to endure the vicissitudes of the century through the spiritual fortification of our homes and families.

During a time of danger, a period of escalating political and social conflict You, O Lord, call on us to hold fast all of You together to the rope of divine salvation. Extend it for us and do not be separated. We may tread carefully along dark and difficult terrain but we need not go alone. We may rely on one another and unite in common purpose.

Almighty God, the creation of the Heavens and the Earth demonstrates Your great power. And the tremendous diversity of creatures and peoples reveals Your beauty and wisdom. Yet the rise and fall of civilizations and nations throughout history serve as a warning sign. We cannot long survive and prosper without establishing justice and equality and vigilantly preserving God-given rights for all.

Lord God, cherisher and sustainer, from this place guide us to be true leaders of our Commonwealth, to strengthen and secure the common welfare as the foundation of a healthy, safe, and sound state and union, to restore Your holy law, to love for our brother and neighbor, what we love for ourselves. We pray in Your name of eternal grace and love. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Ava Sophia Robinson of Bluefield.

The roll was called and the following Senators answered to their names:

Yet, Lord, we live in difficult times, facing many challenges. Our system of government encourages deliberation and compromise, with the result of finding common ground, reaching resolution that serves not only our own constituents, but including what is best for all the citizens of Virginia. Guide us to overcome the divisions that often impede the proper addressing of the issues, so that we may work in a more harmonious manner. Help us to honor our faith traditions which stress respect, peace, and unity. We further pray for Your blessings upon all members of the Senate and their families, their staff, the support staff throughout this building, as all offer of their time and talent for the continued progress of our Commonwealth. THURSDAY, FEBRUARY 2, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend John A. Bright, Global Methodist Church, Clarksville, Virginia, offered the following prayer:

Lord, today I give thanks for these women and men that You have called to leadership in the Virginia Senate. Bless them with wisdom and draw them together, helping them to govern the citizens of every community they represent.

Those citizens live in uncertain times and, often, they are without hope. God of the Heavens and Earth, You are the same yesterday, today, and tomorrow – so I pray for an outpouring of hope. Let Your light shine into the darkness we experience. Let Your love touch the heart of each person – both those who lead us from Richmond and those who live all across the great Commonwealth of Virginia.

God bless this gathering today and God bless every Virginian – at their jobs, in their homes, and in their places of worship. This we pray in the name of the One who is our rock and redeemer. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Tayyib Ali of Midlothian.

FRIDAY, FEBRUARY 3, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend H. Carson Rhyne, Jr., Union Presbyterian Seminary, Richmond, Virginia, offered the following prayer:

O God, Creator of Heaven and Earth, and the One to whom we turn at all times. As we begin day 24 of this legislative term, we pray moving toward crossover day, Your Spirit continues to guide these Senators.

While it would be admirable to pray that we not be political in our actions, we are, after all, politicians. Being political is not bad provided we are concerned about the welfare of the people of the Commonwealth, provided we are civil in our discourse and conversations, and provided we are not here just for our own wellbeing and advancement.

Remind us of our calling to lead this Commonwealth in every law we pass and every word we utter, so that we may gain the respect and confidence of the people whom we represent.

May it be so this day and throughout this term. Our prayers are for Your glory. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Joana Manne of Culpeper.

The roll was called and the following Senators answered to their names:

O God, the Creator and Sustainer of our lives, we call on You with many names. But chiefly we know You as the love that holds all things together.

We praise You for the blessings You shower upon us every day. You have placed us in this beautiful world, and given us responsibility to care for it and for each other. We pray that we may always be wise stewards of Your gifts to us.

We thank You for these leaders who have responded to Your call to serve Your people.

We ask for wisdom for them in their work. Give them open hearts to hear each other and sensitivity to Your command that we care for the most vulnerable among us.

We ask for patience for them in their deliberations. Give them a willingness to work together unselfishly for the good of all.

Above all we pray that we may reflect the divine image in each of us, that we may leave the world a better place for our having served You here.

Hear our prayer, O Holy One. Amen.

Susan Clarke Schaar
Clerk of the Senate

TUESDAY, FEBRUARY 7, 2023

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Sherman Z. Logan, Jr., First Unitarian Universalist Church, Richmond, Virginia, offered the following prayer:

Spirit of life, God of many mysteries beyond our naming, as we open today's Session of the Senate, we invite the spirit of justice, liberty, and freedom to gather and mingle in the Chambers with us.

We invite the spirit of truth, love, and compassion to be their companion in the day ahead. In the quiet of this morning, in the still of this day, let us remember the people of the Commonwealth who have elected the officials who gather now to begin their work on behalf of the people.

Let us remember the people from across the Commonwealth who seek to live with dignity and hope for a bright tomorrow. Let us remember those who are vulnerable and afraid, suffering and at risk, disenfranchised and marginalized.

The work ahead of this legislative body is no easy task. It is demanding and relentless. It is at times powerful and rewarding; yet it has the potential of being harsh and ruthless. We pray that it may never be heartless. We pray for these things in the name of all that is called holy.

May this be so, Amen, Ashe, blessed it be.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Constanza Pinto Araujo of Ashburn.

The roll was called and the following Senators answered to their names:

Barker, Bell, Boysko, Chase, Cosgrove, Deeds, DeSteph, Dunnavant, Ebbin, Edwards, Favola, Hackworth, Hanger, Hashmi, Howell, Lewis, Locke, Lucas, Marsden, Mason, McClellan, McDougle, McPike, Morrissey, Newman, Norment, Obenshain, Peake, Petersen, Pillion, Reeves, Rouse, Ruff, Saslaw, Spruill, Stanley, Stuart, Suetterlein, Surovell, Vogel.

We thank You for the gift of our life breath today, and for giving us a voice to represent the myriad voices of our constituents.

We thank You for planting Your divine image in each of us that we may see this image in one another, and we ask You to infuse us with courage, insight, creativity, and hope. a. Out of this appropriation, \$38,580,470 the second year from the general fund is provided as temporary funding for instructional assistants in underperforming schools to (i) help teachers provide small group and individualized instruction, (ii) help teachers manage students within classrooms, and (iii) reduce teacher workloads. These payments are available to any school division with a qualifying school that certifies to the Department of Education the number of eligible instructional assistants deployed in qualifying schools, not to include any instructional assistants funded through the Standards of Quality. The Department of Education shall prorate funding for school divisions that certify fewer eligible instructional assistants deployed than the number qualified for funding through this program.

Explanation:

(This amendment reduces \$10.0 million the second year from the general fund from the \$30.0 million GF provided in the introduced budget for the Earn to Learn Nursing Education Acceleration Program and transfers funding to higher education institutions to increase nursing faculty salaries at nursing schools to encourage more nurses to move into teaching. The lack of nurse faculty severely limits the ability of new programs, like Earn to Learn, in expanding the pipeline of new nurses in the absence of sufficient nursing faculty. This amendment also removes the designation of the program as one-time because such programs will take many years to have their desired effect. The mandatory carryforward of any year end balance is also removed as it is unnecessary because paragraph E.4. in this item already requires a carryforward for all the loan programs.)

Of the appropriation in paragraph E.3., \$150,000 the first year and \$150,000 the second year from the general fund shall be provided to create a scholarship to support licensed practical nurses serving as a school nurse or school nurse assistant to become a registered nurse. The department shall collaborate with the Department of Education in developing the scholarship program in accordance with the recommendations from the 2021 Report of the Department of Education on School Health Personnel in Virginia Public Schools: Recommendations for Qualifications and Training. The program shall offer a scholarship, not greater than \$10,000, for any licensed practical nurse currently serving as a Virginia school nurse to complete the training and education requirements to become a registered nurse in an approved education program in the Commonwealth of Virginia. For each year of the scholarship money received, the student must maintain employment as a school nurse and agree to engage in the equivalent of one year of full-time employment as a school nurse after graduation. Full-time employment during school is not required and does not count towards the required one-year service obligation."

Explanation:

(This amendment designates \$150,000 each year from the general fund to set aside a small portion of existing nursing scholarship funds for school nurse scholarships to address the lack of access to Registered Nurses (RNs) in schools. The scholarship would help school-employed License Practical Nurses to become RNs and keep working as a school nurse who would then be able to provide a higher level of care and treatment after receiving additional training and education. This is a recommendation of the 2021 Department of Education report which was conducted at the request of the General Assembly.)

"P. 1. When determining the allocation of the fiscal year 2023 year-end balances, the Comptroller shall commit any unobligated general fund balances for the purposes outlined in paragraph 2. below. Pursuant to the bill, the cumulative cap on all amendments to be adopted on a rolling basis is \$75.0 million. Therefore, this fund provides the

Governor and the General Assembly funding to offset any revenue reduction from conforming on a rolling basis. "21. That §§ 58.1-602, 58.1-605, 58.1-605.1, and 58.1-606.1 of the Code of Virginia are amended and reenacted as follows:

§ 58.1-602. Definitions.

As used in this chapter, unless the context clearly shows otherwise:

"Accommodations" means any room or rooms, lodgings, or accommodations in any hotel, motel, inn, tourist camp, tourist cabin, camping grounds, club, short-term rental, or any other place in which rooms, lodging, space, or accommodations are regularly furnished to transients for a consideration. "Accommodations" does not include rooms or space offered by a person in the business of providing conference rooms, meeting space, or event space if the person does not also offer rooms available for overnight sleeping.

"Accommodations fee" means the room charge less the discount room charge, if any, provided that the accommodations fee shall not be less than \$0.

"Accommodations intermediary" means any person other than an accommodations provider that (i) facilitates the sale of an accommodation and (ii) either (a) charges a room charge to the customer, and charges an accommodations fee to the customer, which fee it retains as compensation for facilitating the sale; (b) collects a room charge from the customer; or (c) charges a fee, other than an accommodations fee, to the customer, which fee it retains as compensation for facilitating the sale. For purposes of this definition, "facilitates the sale" includes brokering, coordinating, or in any other way arranging for the purchase of the right to use accommodations via a transaction directly, including via one or more payment processors, between a customer and an accommodations provider.

"Accommodations intermediary" does not include a person:

1. If the accommodations are provided by an accommodations provider operating under a trademark, trade name, or service mark belonging to such person;
2. Who facilitates the sale of an accommodation if (i) the price paid by the customer to such person is equal to the price paid by such person to the accommodations provider for the use of the accommodations and (ii) the only compensation received by such person for facilitating the sale of the accommodation is a commission paid from the accommodations provider to such person; or
3. Who is licensed as a real estate licensee pursuant to Article 1 (§ 54.1-2100 et seq.) of Chapter 21 of Title 54.1, when acting within the scope of such license.

"Accommodations provider" means any person that furnishes accommodations to the general public for compensation. The term "furnishes" includes the sale of use or possession or the sale of the right to use or possess.

"Advertising" means the planning, creating, or placing of advertising in newspapers, magazines, billboards, broadcasting and other media, including, without limitation, the providing of concept, writing, graphic design, mechanical art, photography and production supervision. Any person providing advertising as defined in this section shall be deemed to be the user or consumer of all tangible personal property purchased for use in such advertising.

"Affiliate" means the same as such term is defined in § 58.1-439.18.

"Amplification, transmission, distribution, and network equipment" means production, distribution, and other equipment used to provide Internet-access services, such as computer and communications equipment and software used for storing, processing, and retrieving end-user subscribers' requests. A "network" includes modems, fiber optic cables, coaxial cables, radio equipment, routing equipment, switching equipment, a cable modem termination system, associated software, transmitters, power equipment, storage devices, servers, multiplexers, and antennas, which network is used to provide Internet service, regardless of whether the provider of such service is also a telephone common carrier or whether such network is also used to provide services other than Internet services.

"Business" includes any activity engaged in by any person, or caused to be engaged in by him, with the object of gain, benefit or advantage, either directly or indirectly.

"Custom program" means a computer program that is specifically designed and developed only for one customer. The combining of two or more prewritten programs does not constitute a custom computer program. A prewritten program that is modified to any degree remains a prewritten program and does not become custom.

"Discount room charge" means the full amount charged by the accommodations provider to the accommodations intermediary, or an affiliate thereof, for furnishing the accommodations.

"Distribution" means the transfer or delivery of tangible personal property for use, consumption, or storage by the distributee, and the use, consumption, or storage of tangible personal property by a person that has processed, manufactured, refined, or converted such property, but does not include the transfer or delivery of tangible personal property for resale or any use, consumption, or storage otherwise exempt under this chapter.

"Gross proceeds" means the charges made or voluntary contributions received for the lease or rental of tangible personal property or for furnishing services, computed with the same deductions, where applicable, as for sales price as defined in this section over the term of the lease, rental, service, or use, but not less frequently than monthly. "Gross proceeds" does not

include finance charges, carrying charges, service charges, or interest from credit extended on the lease or rental of tangible personal property under conditional lease or rental contracts or other conditional contracts providing for the deferred payments of the lease or rental price.

"Gross sales" means the sum total of all retail sales of tangible personal property or services as defined in this chapter, without any deduction, except as provided in this chapter. "Gross sales" does not include the federal retailers' excise tax or the federal diesel fuel excise tax imposed in § 4091 of the Internal Revenue Code if the excise tax is billed to the purchaser separately from the selling price of the article, or the Virginia retail sales or use tax, or any sales or use tax imposed by any county or city under § 58.1-605 or 58.1-606.

"Import" and "imported" are words applicable to tangible personal property imported into the Commonwealth from other states as well as from foreign countries, and "export" and "exported" are words applicable to tangible personal property exported from the Commonwealth to other states as well as to foreign countries.

"Integrated process," when used in relation to semiconductor manufacturing, means a process that begins with the research or development of semiconductor products, equipment, or processes, includes the handling and storage of raw materials at a plant site, and continues to the point that the product is packaged for final sale and either shipped or conveyed to a warehouse. Without limiting the foregoing, any semiconductor equipment, fuel, power, energy, supplies, or other tangible personal property shall be deemed used as part of the integrated process if its use contributes, before, during, or after production, to higher product quality, production yields, or process efficiencies. Except as otherwise provided by law, "integrated process" does not mean general maintenance or administration.

"Internet" means, collectively, the myriad of computer and telecommunications facilities, which comprise the interconnected worldwide network of computer networks that employ the Transmission Control Protocol/Internet Protocol, or any predecessor or successor to such protocol, to communicate information of all kinds by wire or radio.

"Internet service" means a service that enables users to access content, information, and other services offered over the Internet.

"Lease or rental" means the leasing or renting of tangible personal property and the possession or use thereof by the lessee or renter for a consideration, without transfer of the title to such property.

"Manufacturing, processing, refining, or conversion" includes the production line of the plant starting with the handling and storage of raw materials at the plant site and continuing through the last step of production where the product is finished or completed for sale and conveyed to a warehouse at the production site, and also includes equipment and supplies used for production line testing and quality control. "Manufacturing" also includes the necessary ancillary activities of newspaper and magazine printing when such activities are performed by the publisher of any newspaper or magazine for sale daily or regularly at average intervals not exceeding three months.

The determination of whether any manufacturing, mining, processing, refining or conversion activity is industrial in nature shall be made without regard to plant size, existence or size of finished product inventory, degree of mechanization, amount of capital investment, number of employees or other factors relating principally to the size of the business. Further, "industrial in nature" includes, but is not limited to, those businesses classified in codes 10 through 14 and 20 through 39 published in the Standard Industrial Classification Manual for 1972 and any supplements issued thereafter.

"Modular building" means, but is not limited to, single and multifamily houses, apartment units, commercial buildings, and permanent additions thereof, comprised of one or more sections that are intended to become real property, primarily constructed at a location other than the permanent site, built to comply with the Virginia Industrialized Building Safety Law (§ 36-70 et seq.) as regulated by the Virginia Department of Housing and Community Development, and shipped with most permanent components in place to the site of final assembly. For purposes of this chapter, "modular building" does not include a mobile office as defined in § 58.1-2401 or any manufactured building subject to and certified under the provisions of the National Manufactured Housing Construction and Safety Standards Act of 1974 (42 U.S.C. § 5401 et seq.).

"Modular building manufacturer" means a person that owns or operates a manufacturing facility and is engaged in the fabrication, construction and assembling of building supplies and materials into modular buildings, as defined in this section, at a location other than at the site where the modular building will be assembled on the permanent foundation and may or may not be engaged in the process of affixing the modules to the foundation at the permanent site.

"Modular building retailer" means any person that purchases or acquires a modular building from a modular building manufacturer, or from another person, for subsequent sale to a customer residing within or outside of the Commonwealth, with or without installation of the modular building to the foundation at the permanent site.

"Motor vehicle" means a "motor vehicle" as defined in § 58.1-2401, taxable under the provisions of the Virginia Motor Vehicles Sales and Use Tax Act (§ 58.1-2400 et seq.) and upon the sale of which all applicable motor vehicle sales and use taxes have been paid.

"Occasional sale" means a sale of tangible personal property not held or used by a seller in the course of an activity for which it is required to hold a certificate of registration, including the sale or exchange of all or substantially all the assets of any business and the reorganization or liquidation of any business, provided that such sale or exchange is not one of a series of sales and exchanges sufficient in number, scope and character to constitute an activity requiring the holding of a certificate of registration.

"Open video system" means an open video system authorized pursuant to 47 U.S.C. § 573 and, for purposes of this chapter only, also includes Internet service regardless of whether the provider of such service is also a telephone common carrier.

"Railroad rolling stock" means locomotives, of whatever motive power, autocars, railroad cars of every kind and description, and all other equipment determined by the Tax Commissioner to constitute railroad rolling stock.

"Remote seller" means any dealer deemed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 under the criteria specified in subdivision C 10 or 11 of § 58.1-612 or any software provider acting on behalf of such dealer.

"Retail sale" or a "sale at retail" means a sale to any person for any purpose other than for resale in the form of tangible personal property or services taxable under this chapter, and shall include any such transaction as the Tax Commissioner upon investigation finds to be in lieu of a sale. All sales for resale must be made in strict compliance with regulations applicable to this chapter. Any dealer making a sale for resale which is not in strict compliance with such regulations shall be personally liable for payment of the tax.

The terms "retail sale" and a "sale at retail" specifically include the following: (i) the sale or charges for any accommodations furnished to transients for less than 90 continuous days; (ii) sales of tangible personal property to persons for resale when because of the operation of the business, or its very nature, or the lack of a place of business in which to display a certificate of registration, or the lack of a place of business in which to keep records, or the lack of adequate records, or because such persons are minors or transients, or because such persons are engaged in essentially service businesses, or for any other reason there is likelihood that the Commonwealth will lose tax funds due to the difficulty of policing such business operations; (iii) the separately stated charge made for automotive refinish repair materials that are permanently applied to or affixed to a motor vehicle during its repair; and (iv) the separately stated charge for equipment available for lease or purchase by a provider of satellite television programming to the customer of such programming. Equipment sold to a provider of satellite television programming for subsequent lease or purchase by the customer of such programming shall be deemed a sale for resale. The Tax Commissioner is authorized to promulgate regulations requiring vendors of or sellers to such persons to collect the tax imposed by this chapter on the cost price of such tangible personal property to such persons and may refuse to issue certificates of registration to such persons. The terms "retail sale" and a "sale at retail" also specifically include the separately stated charge made for supplies used during automotive repairs whether or not there is transfer of title or possession of the supplies and whether or not the supplies are attached to the automobile. The purchase of such supplies by an automotive repairer for sale to the customer of such repair services shall be deemed a sale for resale.

The term "transient" does not include a purchaser of camping memberships, time-shares, condominiums, or other similar contracts or interests that permit the use of, or constitute an

interest in, real estate, however created or sold and whether registered with the Commonwealth or not. Further, a purchaser of a right or license which entitles the purchaser to use the amenities and facilities of a specific real estate project on an ongoing basis throughout its term shall not be deemed a transient, provided, however, that the term or time period involved is for seven years or more.

The terms "retail sale" and "sale at retail" do not include a transfer of title to tangible personal property after its use as tools, tooling, machinery or equipment, including dies, molds, and patterns, if (i) at the time of purchase, the purchaser is obligated, under the terms of a written contract, to make the transfer and (ii) the transfer is made for the same or a greater consideration to the person for whom the purchaser manufactures goods.

"Retailer" means every person engaged in the business of making sales at retail, or for distribution, use, consumption, or storage to be used or consumed in the Commonwealth.

"Room charge" means the full retail price charged to the customer for the use of the accommodations before taxes. § 58.1-605. To what extent and under what conditions cities and counties may levy local sales taxes; collection thereof by Commonwealth and return of revenue to each city or county entitled thereto.

A. No county, city or town shall impose any local general sales or use tax or any local general retail sales or use tax except as authorized by this section or § 58.1-605.1.

B. The council of any city and the governing body of any county may levy a general retail sales tax at the rate of one percent to provide revenue for the general fund of such city or county. Such tax shall be added to the rate of the state sales tax imposed by §§ 58.1-603 and 58.1-604 and shall be subject to all the provisions of this chapter and the rules and regulations published

with respect thereto. No discount under § 58.1-622 shall be allowed on a local sales tax.

C. 1. The council of any city and the governing body of any county desiring to impose a local sales tax under this section may do so by the adoption of an ordinance stating its purpose and referring to this section, and providing that such ordinance shall be effective on the first day of a month at least 60 days after its adoption. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption.

2. Prior to any change in the rate of any local sales and use tax, the Tax Commissioner shall provide remote sellers with at least 30 days' notice. Any change in the rate of any local sales and use tax shall only become effective on the first day of a calendar quarter. Failure to provide notice pursuant to this section shall require the Commonwealth and the locality to apply the preceding effective rate until 30 days after notification is provided.

D. Any local sales tax levied under this section shall be administered and collected by the Tax Commissioner in the same manner and subject to the same penalties as provided for the state sales tax.

E. All local sales tax moneys collected by the Tax Commissioner under this section shall be paid into the state treasury to the credit of a special fund which is hereby created on the Comptroller's books under the name "Collections of Local Sales Taxes." Such local sales tax moneys shall be credited to the account of each particular city or county levying a local sales tax under this section. The basis of such credit shall be the city or county in which the sales were made as shown by the records of the Department and certified by it monthly to the Comptroller, namely, the city or county of location of each place of business of every dealer paying the tax to the Commonwealth without regard to the city or county of possible use by the purchasers. If a dealer has any place of business located in more than one political subdivision by reason of the boundary line or lines passing through such place of business, the amount of sales tax paid by such a dealer with respect to such place of business shall be treated for the purposes of this section as follows: one-half shall be assignable to each political subdivision where two are involved, one-third where three are involved, and one-fourth where four are involved.

F. As soon as practicable after the local sales tax moneys have been paid into the state treasury in any month for the preceding month, the Comptroller shall draw his warrant on the Treasurer of Virginia in the proper amount in favor of each city or county entitled to the monthly return of its local sales tax moneys, and such payments shall be charged to the account of each such city or county under the special fund created by this section. If errors are made in any such payment,

or adjustments are otherwise necessary, whether attributable to refunds to taxpayers, or to some other fact, the errors shall be corrected and adjustments made in the payments for the next two months as follows: one-half of the total adjustment shall be included in the payments for the next two months. In addition, the payment shall include a refund of amounts erroneously not paid to the city or county and not previously refunded during the three years preceding the discovery of the error. A correction and adjustment in payments described in this subsection due to the misallocation of funds by the dealer shall be made within three years of the date of the payment error.

G. Such payments to counties are subject to the qualification that in any county wherein is situated any incorporated town constituting a special school district and operated as a separate school district under a town school board of three members appointed by the town council, the county treasurer shall pay into the town treasury for general governmental purposes the proper proportionate amount received by him in the ratio that the school age population of such town bears to the school age population of the entire county. If the school age population of any town constituting a separate school district is increased by the annexation of territory since the last estimate of school age population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such estimate and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.

H. One-half of such payments to counties are subject to the further qualification, other than as set out in subsection G, that in any county wherein is situated any incorporated town not constituting a separate special school district that has complied with its charter provisions providing for the election of its council and mayor for a period of at least four years immediately prior to the adoption of the sales tax ordinance, the county treasurer shall pay into the town treasury of each such town for general governmental purposes the proper proportionate amount received by him in the ratio that the school age population of each such town bears to the school age population of the entire county, based on the latest estimate provided by the Weldon Cooper Center for Public Service. The preceding requirement pertaining to the time interval between compliance with election provisions and adoption of the sales tax ordinance shall not apply to a tier-city. If the school age population of any such town not constituting a separate special school district is increased by the annexation of territory or otherwise since the last estimate of school age population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such estimate and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.

I. Notwithstanding the provisions of subsection H, the board of supervisors of a county may, in its discretion, appropriate funds to any incorporated town not constituting a separate school

district within such county that has not complied with the provisions of its charter relating to the elections of its council and mayor, an amount not to exceed the amount it would have received from the tax imposed by this chapter if such election had been held; ~~however, Charlotte County, Gloucester County, Halifax County, Henry County, Mecklenburg County, Northampton County, Patrick County, and Pittsylvania County may appropriate any amount to any such incorporated town.~~

J. It is further provided that if any incorporated town which would otherwise be eligible to receive funds from the county treasurer under subsection G or H be located in a county that does not levy a general retail sales tax under the provisions of this law, such town may levy a general retail sales tax at the rate of one percent to provide revenue for the general fund of the town, subject to all the provisions of this section generally applicable to cities and counties. Any tax levied under the authority of this subsection shall in no case continue to be levied on or after the effective date of a county ordinance imposing a general retail sales tax in the county within which such town is located.

§ 58.1-605.1. Additional local sales tax in certain localities; use of revenues for construction or renovation of schools.

A. 1. In addition to the sales tax authorized under § 58.1-605, ~~a qualifying locality~~ *any county or city* may levy a general retail sales tax at a rate not to exceed one percent as determined by its governing body to provide revenue solely for capital projects for the construction or renovation of schools in each such ~~locality~~ *county or city*. Such tax shall be added to the rates of the state and local sales tax imposed by this chapter and shall be subject to all the provisions of this chapter and the rules and regulations published with respect thereto. No discount under § 58.1-622 shall be allowed on this local sales tax.

2. Any tax imposed pursuant to this section shall expire (i) if the capital projects for the construction or renovation of schools are to be financed by bonds or loans, on the date by which such bonds or loans shall be repaid or (ii) if the capital projects for the construction or renovation of schools are not to be financed by bonds or loans, on a date chosen by the governing body and specified in any resolution passed pursuant to the provisions of subdivision B 1. Such expiration date shall not be more than 20 years after the date of the resolution passed pursuant to the provisions of subdivision B 1.

B. 1. This tax may be levied only if the tax is approved in a referendum within the ~~qualifying locality~~ *county or city* held in accordance with § 24.2-684 and initiated by a resolution of the local governing body. Such resolution shall state (i) if the capital projects for the construction or

renovation of schools are to be financed by bonds or loans, the date by which such bonds or loans shall be repaid or (ii) if the capital projects for the construction or renovation of schools are not to be financed by bonds or loans, a specified date on which the sales tax shall expire.

2. The clerk of the circuit court shall publish notice of the referendum in a newspaper of general circulation in the ~~qualifying locality~~ *county or city* once a week for three consecutive weeks prior to the election. The question on the ballot for the referendum shall include language stating (i) that the revenues from the sales tax shall be used solely for capital projects for the construction or renovation of schools and (ii) the date on which the sales tax shall expire.

C. The governing body of the ~~qualifying locality~~ *county or city*, if it elects to impose a local sales tax under this section after approval at a referendum as provided in subsection B shall do so by the adoption of an ordinance stating its purpose and referring to this section and providing that such ordinance shall be effective on the first day of a month at least 120 days after its adoption. Such ordinance shall state the date on which the sales tax shall expire. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption.

D. Any local sales tax levied under this section shall be administered and collected by the Tax Commissioner in the same manner and subject to the same exemptions and penalties as provided for the state sales tax; however, the local sales tax levied under this section shall not be levied on food purchased for human consumption or essential personal hygiene products, as such terms are defined in § 58.1-611.1.

E. All local sales tax moneys collected by the Tax Commissioner under this section shall be paid into the state treasury to the credit of a special fund that is hereby created on the Comptroller's books for each ~~qualifying locality~~ *county or city* under the name "Collections of Additional Local Sales Taxes in ____ (INSERT NAME OF THE ~~QUALIFYING LOCALITY~~ *COUNTY OR CITY*)." Each fund shall be administered as provided in § 58.1-605. A separate fund shall be created for each ~~qualifying locality~~ *county or city*. Only local sales tax moneys collected in that ~~qualifying locality~~ *county or city* shall be deposited in that ~~locality's~~ *county's or city's* fund.

F. As soon as practicable after the local sales tax moneys have been paid into the state treasury in any month for the preceding month, the Comptroller shall draw his warrant on the State Treasurer in the proper amount in favor of each ~~qualifying locality~~ *county or city*, and such payments shall be charged to the account of the ~~qualifying locality~~ *county or city* under its special fund created by this section. If errors are made in any such payment, or adjustments are

otherwise necessary, whether attributable to refunds to taxpayers or to some other fact, the errors shall be corrected and adjustments made in the payments for the next two months as follows: one-half of the total adjustment shall be included in the payment for each of the next two months. In addition, the payment shall include a refund of amounts erroneously not paid to each ~~qualifying locality~~ *county or city* and not previously refunded during the three years preceding the discovery of the error. A correction and adjustment in payments described in this subsection due to the misallocation of funds by the dealer shall be made within three years of the date of the payment error.

G. The revenues from this tax shall be used solely for capital projects for new construction or major renovation of schools in the ~~qualifying locality~~ *county or city*, including bond and loan financing costs related to such construction or renovation.

§ 58.1-606.1. Additional local use tax in certain localities; use of revenues for construction or renovation of schools.

A. 1. The governing body of a ~~qualifying locality~~ *county or city* may levy a use tax at the rate of such sales tax under § 58.1-605.1 to provide revenue for capital projects for the construction or renovation of schools in such ~~locality~~ *county or city*. Such tax shall be added to the rates of the state and local use tax imposed by this chapter and shall be subject to all the provisions of this chapter, and all amendments thereof, and the rules and regulations published with respect thereto, except that no discount under § 58.1-622 shall be allowed on a local use tax.

2. Any tax imposed pursuant to this section shall expire (i) if the capital projects for the construction or renovation of schools are to be financed by bonds or loans, on the date by which such bonds or loans shall be repaid or (ii) if the capital projects for the construction or renovation of schools are not to be financed by bonds or loans, on a date chosen by the governing body and specified in any resolution passed pursuant to the provisions of subsection B. Such expiration date shall not be more than 20 years after the date of the resolution passed pursuant to the provisions of subsection B.

B. The governing body of the ~~qualifying locality~~ *county or city*, if it elects to impose a local use tax under this section may do so only if it has previously imposed the local sales tax authorized by § 58.1-605.1, by the adoption of an ordinance stating its purpose and referring to this section and providing that the local use tax shall become effective on the first day of a month at least 120 days after its adoption. Such ordinance shall state the date on which the use tax shall expire. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption.

C. Any local use tax levied under this section shall be administered and collected by the Tax Commissioner in the same manner and subject to the same exemptions and penalties as provided for the state use tax; however, the local use tax levied under this section shall not be levied on food purchased for human consumption or essential personal hygiene products, as such terms are defined in § 58.1-611.1.

D. The local use tax authorized by this section shall not apply to transactions to which the sales tax applies, the situs of which for state and local sales tax purposes is the ~~locality~~ county or city of location of each place of business of every dealer paying the tax to the Commonwealth without regard to the ~~locality~~ county or city of possible use by the purchasers. However, the local use tax authorized by this section shall apply to tangible personal property purchased outside the Commonwealth for use or consumption within the ~~locality~~ county or city imposing the local use tax, or stored within the ~~locality~~ county or city for use or consumption, where the property would have been subject to the sales tax if it had been purchased within the Commonwealth. The local use tax shall also apply to leases or rentals of tangible personal property where the place of business of the lessor is outside the Commonwealth and such leases or rentals are subject to the state tax. Moreover, the local use tax shall apply in all cases in which the state use tax applies.

E. Out-of-state dealers who hold certificates of registration to collect the use tax from their customers for remittance to the Commonwealth shall, to the extent reasonably practicable, in filing their monthly use tax returns with the Tax Commissioner, break down their shipments into the Commonwealth by counties and cities so as to show the county or city of destination. If, however, the out-of-state dealer is unable accurately to assign any shipment to a particular county or city, the local use tax on the tangible personal property involved shall be remitted to the Commonwealth by such dealer without attempting to assign the shipment to any county or city.

F. Local use tax revenue shall be deposited in the special fund established pursuant to subsection E of § 58.1-605.1. The Comptroller shall distribute the revenue to the ~~qualifying locality~~ county or city.

G. All revenue from this local use tax revenue shall be used solely for capital projects for new construction or major renovation of schools in the ~~qualifying locality~~ county or city, including bond and loan financing costs related to such construction or renovation."

FRIDAY, FEBRUARY 10, 2023

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Charles Philips, Rosewood Presbyterian Church, Prince George, Virginia, offered the following prayer:

Father in Heaven, not at all sure that we all agree about who You are or even what to call You, but here we are again acknowledging that we need a power and wisdom higher than any of us possess in order to do this job. We are formally asking for Your blessing on this day, in this place.

We in this room also acknowledge that no one here is perfect, but we have been sent here by the people and by You to do some good. Help all who are here today to remember that every one of us has been given great power and great privilege by You and the people who want good to be done.

Father, You know better than any that sometimes, maybe oftentimes, there is disagreement in this room about what is good. We are asking You – our higher power – to help us work out these disagreements to Your satisfaction and according to Your will. We also ask You, that in the midst of our disagreements, help us remember that what we always have in common is that You love each of us even when we are arrogant and even when we are wrong.

So, almighty and eternal God, as this Session begins today, I ask for Your powerful presence to guide these powerful people to discover Your will for the people. I am asking You to give these Senators a proper understanding of their role and significance in doing the good that they are here to do. Guide them to not take themselves too seriously, but to be serious about doing good for You and the people. Guide them to love one another as You love each of us. Bless this powerful group to carry Your spirit of grace and humility toward each other, so that the division and hate in our state and nation can begin to be healed. Give them a passion to be servants to the people who sent them here to serve. And by the end of this day and every day, use each of us to do the good that You have intended for us to do. We cannot do this important job without Your help; that is why we have asked for Your help.

In Jesus' name I make this request and prayer.

MONDAY, FEBRUARY 13, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Rick Raines, Fairmount Christian Church, Mechanicsville, Virginia, offered the following prayer:

Dear Heavenly Father, thank You for this day of life – another day to serve You, serve this Commonwealth, and serve the communities in which we are blessed to live.

Father, our invocation today is not an invitation for You to be in our midst – You already are and always will be.

We invite You today to pour out Your wisdom on this body – wisdom to deal with the complex and challenging issues of our day.

We invite You to inspire us to aid and protect the downtrodden and most vulnerable in our towns and in our neighborhoods.

We invite You to bring us to unity in securing life and liberty for each and every Virginian of all ages – from the youngest child in the womb to the most elderly amongst us.

Father, I thank You for every person in this room – their example of sacrifice and service. I ask that You give each of them strength, protection, and clarity for the tasks that lie before them today.

As always, Lord, guide and protect those who guard our freedoms, both here within our shores and abroad – protect those who guard our homes and our streets day in and day out – and protect those who respond and run to danger in order to aid us in times of trouble.

I offer my prayer this day in the name of my Savior, Jesus. Amen.

The Reverend Mike Mayton, Bon Air United Methodist Church, North Chesterfield, Virginia, offered the following prayer:

Almighty Creator, Redeemer, Sustainer, bring out the best of these leaders of the Commonwealth that when their work is done, Virginia and each of her people are better than when they started.

Grant each of these energy, intellect, and vision to carry out that which accomplishes what is right.

Continually develop the virtues in each of these servant-leaders to do that which fosters plenty among all Virginians; plenty to eat, plenty of health, more than plenty of hope and an overarching sense of joy every day.

Nothing more. Nothing less. Nothing else. Amen.

President of the Senate

Susan Clarke Schaar
Clerk of the Senate

WEDNESDAY, FEBRUARY 15, 2023

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Kameron M. Wilds, Rising Hope Mission Church, Lorton, Virginia, offered the following prayer:

Almighty God, we gather in this space today seeking unity and commonality despite our differences of location, opinion, and preference concerning how we conduct and govern our lives together.

Creating belonging and community within this great Commonwealth of ours is assisted through the creation of standards and boundaries by which laws and policies are useful for their time and place. And yet, we acknowledge that law is but one part of the fabric that holds us together as a people. And even though what occurs in this space amongst these duly elected Senators is but one part of our shared lives, the truth is that the laws passed here will be either for the building up or the tearing down of our lives together.

It has been said through holy teachings that we can dot all the “i’s” and cross all the “t’s” of the law, but let us not forget the weightier matters at hand: justice, mercy, and faith. Grant those in this space the wisdom and courage to ask the harder questions at hand: “How will this law or this policy affect the poor and working class who are already struggling to get by?” “How can we do the most good to relieve the suffering of the broken?” “How can we promote love and dignity amongst those who feel as though they have been disinherited?”

You have told us what is good, to love mercy, to do justice, and to walk humbly. Grant us each the capacity to do so, with You, for the sake of our neighbors in this great Commonwealth of ours. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Jansen Spruill of Mechanicsville.

The roll was called and the following Senators answered to their names:

Barker, Bell, Boysko, Chase, Cosgrove, Deeds, DeSteph, Dunnavant, Ebbin, Edwards, Favola, Hackworth, Hanger, Hashmi, Howell, Lewis, Locke, Lucas, Marsden, Mason, McClellan, McDougale, McPike, Morrissey, Newman, Norment, Obenshain, Peake, Petersen, Pillion, Reeves, Ruff, Saslaw, Spruill, Stanley, Stuart, Suetterlein, Surovell, Vogel.

Explanation:

(This amendment provides additional, temporary funding of \$38.6 million GF the second year for a subset of schools accredited with conditions to hire instructional assistants at a ratio of one assistant per 20 students in schools that do not meet three or more of the Board of Education's performance benchmarks for school accreditation. These positions are intended to (i) help teachers provide small group and individualized instruction necessitated by widening academic needs within classrooms, (ii) help teachers manage challenging student behaviors within classrooms, and (iii) reduce teacher workloads. This is a recommendation from JLARC's 2022 study: "Pandemic Impact on Public K-12 Education.")

The lack of nurse faculty severely limits the ability of new programs, like Earn to Learn, in expanding the pipeline of new nurses in the absence of sufficient nursing faculty. This amendment also removes the designation of the program as one-time because such programs will take many years to have their desired effect. The department shall collaborate with the Department of Education in developing the scholarship program in accordance with the recommendations from the 2021 Report of the Department of Education on School Health Personnel in Virginia Public Schools: Recommendations for Qualifications and Training. The program shall offer a scholarship, not greater than \$10,000, for any licensed practical nurse currently serving as a Virginia school nurse to complete the training and education requirements to become a registered nurse in an approved education program in the Commonwealth of Virginia. For each year of the scholarship money received, the student must maintain employment as a school nurse and agree to engage in the equivalent of one year of full-time employment as a school nurse after graduation. Full-time employment during school is not required and does not count towards the required one-year service obligation."

Explanation:

(This amendment designates \$150,000 each year from the general fund to set aside a small portion of existing nursing scholarship funds for school nurse scholarships to address the lack of access to Registered Nurses (RNs) in schools. The scholarship would help school-employed License Practical Nurses to become RNs and keep working as a school nurse who would then be able to provide a higher level of care and treatment after receiving additional training and education. (This amendment provides \$75.0 million to a Rolling Conformity Taxpayer Relief Fund to offset the impact from conforming to federal tax provisions that increase or decrease general fund revenue by \$25.0 million or less on a rolling basis rather than a fixed-date basis, pursuant to Senate Bill 1405 of the 2023 Session. Pursuant to the bill, the cumulative cap on all amendments to be adopted on a rolling basis is \$75.0 million. Therefore, this fund provides the

Governor and the General Assembly funding to offset any revenue reduction from conforming on a rolling basis. The introduced budget proposed to transfer \$128.0 million GF to a Taxpayer Relief Fund, and this amendment would rename the fund, transfer \$75.0 million to the fund. "21. That §§ 58.1-602, 58.1-605, 58.1-605.1, and 58.1-606.1 of the Code of Virginia are amended and reenacted as follows:

§ 58.1-602. Definitions.

As used in this chapter, unless the context clearly shows otherwise:

"Accommodations" means any room or rooms, lodgings, or accommodations in any hotel, motel, inn, tourist camp, tourist cabin, camping grounds, club, short-term rental, or any other place in which rooms, lodging, space, or accommodations are regularly furnished to transients for a consideration. "Accommodations" does not include rooms or space offered by a person in the business of providing conference rooms, meeting space, or event space if the person does not also offer rooms available for overnight sleeping.

"Accommodations fee" means the room charge less the discount room charge, if any, provided that the accommodations fee shall not be less than \$0.

"Accommodations intermediary" means any person other than an accommodations provider that (i) facilitates the sale of an accommodation and (ii) either (a) charges a room charge to the customer, and charges an accommodations fee to the customer, which fee it retains as compensation for facilitating the sale; (b) collects a room charge from the customer; or (c) charges a fee, other than an accommodations fee, to the customer, which fee it retains as compensation for facilitating the sale. For purposes of this definition, "facilitates the sale" includes brokering, coordinating, or in any other way arranging for the purchase of the right to use accommodations via a transaction directly, including via one or more payment processors, between a customer and an accommodations provider.

"Accommodations intermediary" does not include a person:

1. If the accommodations are provided by an accommodations provider operating under a trademark, trade name, or service mark belonging to such person;
2. Who facilitates the sale of an accommodation if (i) the price paid by the customer to such person is equal to the price paid by such person to the accommodations provider for the use of the accommodations and (ii) the only compensation received by such person for facilitating the sale of the accommodation is a commission paid from the accommodations provider to such person; or
3. Who is licensed as a real estate licensee pursuant to Article 1 (§ 54.1-2100 et seq.) of Chapter 21 of Title 54.1, when acting within the scope of such license.

"Accommodations provider" means any person that furnishes accommodations to the general public for compensation. The term "furnishes" includes the sale of use or possession or the sale of the right to use or possess.

"Advertising" means the planning, creating, or placing of advertising in newspapers, magazines, billboards, broadcasting and other media, including, without limitation, the providing of concept, writing, graphic design, mechanical art, photography and production supervision. Any person providing advertising as defined in this section shall be deemed to be the user or consumer of all tangible personal property purchased for use in such advertising.

"Affiliate" means the same as such term is defined in § 58.1-439.18.

"Amplification, transmission, distribution, and network equipment" means production, distribution, and other equipment used to provide Internet-access services, such as computer and communications equipment and software used for storing, processing, and retrieving end-user subscribers' requests. A "network" includes modems, fiber optic cables, coaxial cables, radio equipment, routing equipment, switching equipment, a cable modem termination system, associated software, transmitters, power equipment, storage devices, servers, multiplexers, and antennas, which network is used to provide Internet service, regardless of whether the provider of such service is also a telephone common carrier or whether such network is also used to provide services other than Internet services.

"Business" includes any activity engaged in by any person, or caused to be engaged in by him, with the object of gain, benefit or advantage, either directly or indirectly.

"Custom program" means a computer program that is specifically designed and developed only for one customer. The combining of two or more prewritten programs does not constitute a custom computer program. A prewritten program that is modified to any degree remains a prewritten program and does not become custom.

"Discount room charge" means the full amount charged by the accommodations provider to the accommodations intermediary, or an affiliate thereof, for furnishing the accommodations.

"Distribution" means the transfer or delivery of tangible personal property for use, consumption, or storage by the distributee, and the use, consumption, or storage of tangible personal property by a person that has processed, manufactured, refined, or converted such property, but does not include the transfer or delivery of tangible personal property for resale or any use, consumption, or storage otherwise exempt under this chapter.

"Gross proceeds" means the charges made or voluntary contributions received for the lease or rental of tangible personal property or for furnishing services, computed with the same deductions, where applicable, as for sales price as defined in this section over the term of the lease, rental, service, or use, but not less frequently than monthly. "Gross proceeds" does not

include finance charges, carrying charges, service charges, or interest from credit extended on the lease or rental of tangible personal property under conditional lease or rental contracts or other conditional contracts providing for the deferred payments of the lease or rental price.

"Gross sales" does not include the federal retailers' excise tax or the federal diesel fuel excise tax imposed in § 4091 of the Internal Revenue Code if the excise tax is billed to the purchaser separately from the selling price of the article, or the Virginia retail sales or use tax, or any sales or use tax imposed by any county or city under § 58.1-605 or 58.1-606.

Without limiting the foregoing, any semiconductor equipment, fuel, power, energy, supplies, or other tangible personal property shall be deemed used as part of the integrated process if its use contributes, before, during, or after production, to higher product quality, production yields, or process efficiencies. Except as otherwise provided by law, "integrated process" does not mean general maintenance or administration.

"Manufacturing" also includes the necessary ancillary activities of newspaper and magazine printing when such activities are performed by the publisher of any newspaper or magazine for sale daily or regularly at average intervals not exceeding three months.

The determination of whether any manufacturing, mining, processing, refining or conversion activity is industrial in nature shall be made without regard to plant size, existence or size of finished product inventory, degree of mechanization, amount of capital investment, number of employees or other factors relating principally to the size of the business. Further, "industrial in nature" includes, but is not limited to, those businesses classified in codes 10 through 14 and 20 through 39 published in the Standard Industrial Classification Manual for 1972 and any supplements issued thereafter.

"Modular building" means, but is not limited to, single and multifamily houses, apartment units, commercial buildings, and permanent additions thereof, comprised of one or more sections that are intended to become real property, primarily constructed at a location other than the permanent site, built to comply with the Virginia Industrialized Building Safety Law (§ 36-70 et seq.) as regulated by the Virginia Department of Housing and Community Development, and shipped with most permanent components in place to the site of final assembly. All sales for resale must be made in strict compliance with regulations applicable to this chapter. Any dealer making a sale for resale which is not in strict compliance with such regulations shall be personally liable for payment of the tax.

The terms "retail sale" and a "sale at retail" specifically include the following: (i) the sale or charges for any accommodations furnished to transients for less than 90 continuous days; (ii) sales of tangible personal property to persons for resale when because of the operation of the business, or its very nature, or the lack of a place of business in which to display a certificate of registration, or the lack of a place of business in which to keep records, or the lack of adequate records, or because such persons are minors or transients, or because such persons are engaged in essentially service businesses, or for any other reason there is likelihood that the Commonwealth will lose tax funds due to the difficulty of policing such business operations; (iii) the separately stated charge made for automotive refinish repair materials that are permanently applied to or affixed to a motor vehicle during its repair; and (iv) the separately stated charge for equipment available for lease or purchase by a provider of satellite television programming to the customer of such programming. The terms "retail sale" and a "sale at retail" also specifically include the separately stated charge made for supplies used during automotive repairs whether or not there is transfer of title or possession of the supplies and whether or not the supplies are attached to the automobile. The purchase of such supplies by an automotive repairer for sale to the customer of such repair services shall be deemed a sale for resale.

§ 58.1-605. To what extent and under what conditions cities and counties may levy local sales taxes; collection thereof by Commonwealth and return of revenue to each city or county entitled thereto.

A. No county, city or town shall impose any local general sales or use tax or any local general retail sales or use tax except as authorized by this section or § 58.1-605.1.

B. The council of any city and the governing body of any county may levy a general retail sales tax at the rate of one percent to provide revenue for the general fund of such city or county. Such tax shall be added to the rate of the state sales tax imposed by §§ 58.1-603 and 58.1-604 and shall be subject to all the provisions of this chapter and the rules and regulations published

with respect thereto. No discount under § 58.1-622 shall be allowed on a local sales tax.

C. 1. The council of any city and the governing body of any county desiring to impose a local sales tax under this section may do so by the adoption of an ordinance stating its purpose and referring to this section, and providing that such ordinance shall be effective on the first day of a month at least 60 days after its adoption. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption.

2. Prior to any change in the rate of any local sales and use tax, the Tax Commissioner shall provide remote sellers with at least 30 days' notice. Any change in the rate of any local sales and use tax shall only become effective on the first day of a calendar quarter. Failure to provide notice pursuant to this section shall require the Commonwealth and the locality to apply the preceding effective rate until 30 days after notification is provided.

D. Any local sales tax levied under this section shall be administered and collected by the Tax Commissioner in the same manner and subject to the same penalties as provided for the state sales tax.

E. All local sales tax moneys collected by the Tax Commissioner under this section shall be paid into the state treasury to the credit of a special fund which is hereby created on the Comptroller's books under the name "Collections of Local Sales Taxes." Such local sales tax moneys shall be credited to the account of each particular city or county levying a local sales tax under this section. The basis of such credit shall be the city or county in which the sales were made as shown by the records of the Department and certified by it monthly to the Comptroller, namely, the city or county of location of each place of business of every dealer paying the tax to the Commonwealth without regard to the city or county of possible use by the purchasers. If a dealer has any place of business located in more than one political subdivision by reason of the boundary line or lines passing through such place of business, the amount of sales tax paid by such a dealer with respect to such place of business shall be treated for the purposes of this section as follows: one-half shall be assignable to each political subdivision where two are involved, one-third where three are involved, and one-fourth where four are involved.

F. As soon as practicable after the local sales tax moneys have been paid into the state treasury in any month for the preceding month, the Comptroller shall draw his warrant on the Treasurer of Virginia in the proper amount in favor of each city or county entitled to the monthly return of its local sales tax moneys, and such payments shall be charged to the account of each such city or county under the special fund created by this section. If errors are made in any such payment,

or adjustments are otherwise necessary, whether attributable to refunds to taxpayers, or to some other fact, the errors shall be corrected and adjustments made in the payments for the next two months as follows: one-half of the total adjustment shall be included in the payments for the next two months. In addition, the payment shall include a refund of amounts erroneously not paid to the city or county and not previously refunded during the three years preceding the discovery of the error. A correction and adjustment in payments described in this subsection due to the misallocation of funds by the dealer shall be made within three years of the date of the payment error.

G. Such payments to counties are subject to the qualification that in any county wherein is situated any incorporated town constituting a special school district and operated as a separate school district under a town school board of three members appointed by the town council, the county treasurer shall pay into the town treasury for general governmental purposes the proper proportionate amount received by him in the ratio that the school age population of such town bears to the school age population of the entire county. If the school age population of any town constituting a separate school district is increased by the annexation of territory since the last estimate of school age population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such estimate and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.

H. One-half of such payments to counties are subject to the further qualification, other than as set out in subsection G, that in any county wherein is situated any incorporated town not constituting a separate special school district that has complied with its charter provisions providing for the election of its council and mayor for a period of at least four years immediately prior to the adoption of the sales tax ordinance, the county treasurer shall pay into the town treasury of each such town for general governmental purposes the proper proportionate amount received by him in the ratio that the school age population of each such town bears to the school age population of the entire county, based on the latest estimate provided by the Weldon Cooper Center for Public Service. The preceding requirement pertaining to the time interval between compliance with election provisions and adoption of the sales tax ordinance shall not apply to a tier-city. If the school age population of any such town not constituting a separate special school district is increased by the annexation of territory or otherwise since the last estimate of school age population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school age population of such town as shown by the last such estimate and a proper reduction made in the school age population of the county or counties from which the annexed territory was acquired.

I. Notwithstanding the provisions of subsection H, the board of supervisors of a county may, in its discretion, appropriate funds to any incorporated town not constituting a separate school

district within such county that has not complied with the provisions of its charter relating to the elections of its council and mayor, an amount not to exceed the amount it would have received from the tax imposed by this chapter if such election had been held; ~~however, Charlotte County, Gloucester County, Halifax County, Henry County, Mecklenburg County, Northampton County, Patrick County, and Pittsylvania County may appropriate any amount to any such incorporated town.~~

J. It is further provided that if any incorporated town which would otherwise be eligible to receive funds from the county treasurer under subsection G or H be located in a county that does not levy a general retail sales tax under the provisions of this law, such town may levy a general retail sales tax at the rate of one percent to provide revenue for the general fund of the town, subject to all the provisions of this section generally applicable to cities and counties. Any tax levied under the authority of this subsection shall in no case continue to be levied on or after the effective date of a county ordinance imposing a general retail sales tax in the county within which such town is located.

§ 58.1-605.1. Additional local sales tax in certain localities; use of revenues for construction or renovation of schools.

A. 1. In addition to the sales tax authorized under § 58.1-605, ~~a qualifying locality~~ *any county or city* may levy a general retail sales tax at a rate not to exceed one percent as determined by its governing body to provide revenue solely for capital projects for the construction or renovation of schools in each such ~~locality~~ *county or city*. Such tax shall be added to the rates of the state and local sales tax imposed by this chapter and shall be subject to all the provisions of this chapter and the rules and regulations published with respect thereto. No discount under § 58.1-622 shall be allowed on this local sales tax.

2. Any tax imposed pursuant to this section shall expire (i) if the capital projects for the construction or renovation of schools are to be financed by bonds or loans, on the date by which such bonds or loans shall be repaid or (ii) if the capital projects for the construction or renovation of schools are not to be financed by bonds or loans, on a date chosen by the governing body and specified in any resolution passed pursuant to the provisions of subdivision B 1. Such expiration date shall not be more than 20 years after the date of the resolution passed pursuant to the provisions of subdivision B 1.

B. 1. This tax may be levied only if the tax is approved in a referendum within the ~~qualifying locality~~ *county or city* held in accordance with § 24.2-684 and initiated by a resolution of the local governing body. Such resolution shall state (i) if the capital projects for the construction or

renovation of schools are to be financed by bonds or loans, the date by which such bonds or loans shall be repaid or (ii) if the capital projects for the construction or renovation of schools are not to be financed by bonds or loans, a specified date on which the sales tax shall expire.

2. The clerk of the circuit court shall publish notice of the referendum in a newspaper of general circulation in the ~~qualifying locality~~ *county or city* once a week for three consecutive weeks prior to the election. The question on the ballot for the referendum shall include language stating (i) that the revenues from the sales tax shall be used solely for capital projects for the construction or renovation of schools and (ii) the date on which the sales tax shall expire.

C. The governing body of the ~~qualifying locality~~ *county or city*, if it elects to impose a local sales tax under this section after approval at a referendum as provided in subsection B shall do so by the adoption of an ordinance stating its purpose and referring to this section and providing that such ordinance shall be effective on the first day of a month at least 120 days after its adoption. Such ordinance shall state the date on which the sales tax shall expire. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption.

D. Any local sales tax levied under this section shall be administered and collected by the Tax Commissioner in the same manner and subject to the same exemptions and penalties as provided for the state sales tax; however, the local sales tax levied under this section shall not be levied on food purchased for human consumption or essential personal hygiene products, as such terms are defined in § 58.1-611.1.

E. All local sales tax moneys collected by the Tax Commissioner under this section shall be paid into the state treasury to the credit of a special fund that is hereby created on the Comptroller's books for each ~~qualifying locality~~ *county or city* under the name "Collections of Additional Local Sales Taxes in ____ (INSERT NAME OF THE ~~QUALIFYING LOCALITY~~ *COUNTY OR CITY*)." Each fund shall be administered as provided in § 58.1-605. A separate fund shall be created for each ~~qualifying locality~~ *county or city*. Only local sales tax moneys collected in that ~~qualifying locality~~ *county or city* shall be deposited in that ~~locality's~~ *county's or city's* fund.

F. As soon as practicable after the local sales tax moneys have been paid into the state treasury in any month for the preceding month, the Comptroller shall draw his warrant on the State Treasurer in the proper amount in favor of each ~~qualifying locality~~ *county or city*, and such payments shall be charged to the account of the ~~qualifying locality~~ *county or city* under its special fund created by this section. If errors are made in any such payment, or adjustments are

otherwise necessary, whether attributable to refunds to taxpayers or to some other fact, the errors shall be corrected and adjustments made in the payments for the next two months as follows: one-half of the total adjustment shall be included in the payment for each of the next two months. In addition, the payment shall include a refund of amounts erroneously not paid to each ~~qualifying locality~~ *county or city* and not previously refunded during the three years preceding the discovery of the error. A correction and adjustment in payments described in this subsection due to the misallocation of funds by the dealer shall be made within three years of the date of the payment error.

G. The revenues from this tax shall be used solely for capital projects for new construction or major renovation of schools in the ~~qualifying locality~~ *county or city*, including bond and loan financing costs related to such construction or renovation.

§ 58.1-606.1. Additional local use tax in certain localities; use of revenues for construction or renovation of schools.

A. 1. The governing body of a ~~qualifying locality~~ *county or city* may levy a use tax at the rate of such sales tax under § 58.1-605.1 to provide revenue for capital projects for the construction or renovation of schools in such ~~locality~~ *county or city*. Such tax shall be added to the rates of the state and local use tax imposed by this chapter and shall be subject to all the provisions of this chapter, and all amendments thereof, and the rules and regulations published with respect thereto, except that no discount under § 58.1-622 shall be allowed on a local use tax.

2. Any tax imposed pursuant to this section shall expire (i) if the capital projects for the construction or renovation of schools are to be financed by bonds or loans, on the date by which such bonds or loans shall be repaid or (ii) if the capital projects for the construction or renovation of schools are not to be financed by bonds or loans, on a date chosen by the governing body and specified in any resolution passed pursuant to the provisions of subsection B. Such expiration date shall not be more than 20 years after the date of the resolution passed pursuant to the provisions of subsection B.

B. The governing body of the ~~qualifying locality~~ *county or city*, if it elects to impose a local use tax under this section may do so only if it has previously imposed the local sales tax authorized by § 58.1-605.1, by the adoption of an ordinance stating its purpose and referring to this section and providing that the local use tax shall become effective on the first day of a month at least 120 days after its adoption. Such ordinance shall state the date on which the use tax shall expire. A certified copy of such ordinance shall be forwarded to the Tax Commissioner so that it will be received within five days after its adoption.

C. Any local use tax levied under this section shall be administered and collected by the Tax Commissioner in the same manner and subject to the same exemptions and penalties as provided for the state use tax; however, the local use tax levied under this section shall not be levied on food purchased for human consumption or essential personal hygiene products, as such terms are defined in § 58.1-611.1.

D. The local use tax authorized by this section shall not apply to transactions to which the sales tax applies, the situs of which for state and local sales tax purposes is the ~~locality~~ county or city of location of each place of business of every dealer paying the tax to the Commonwealth without regard to the ~~locality~~ county or city of possible use by the purchasers. However, the local use tax authorized by this section shall apply to tangible personal property purchased outside the Commonwealth for use or consumption within the ~~locality~~ county or city imposing the local use tax, or stored within the ~~locality~~ county or city for use or consumption, where the property would have been subject to the sales tax if it had been purchased within the Commonwealth. The local use tax shall also apply to leases or rentals of tangible personal property where the place of business of the lessor is outside the Commonwealth and such leases or rentals are subject to the state tax. Moreover, the local use tax shall apply in all cases in which the state use tax applies.

E. Out-of-state dealers who hold certificates of registration to collect the use tax from their customers for remittance to the Commonwealth shall, to the extent reasonably practicable, in filing their monthly use tax returns with the Tax Commissioner, break down their shipments into the Commonwealth by counties and cities so as to show the county or city of destination. If, however, the out-of-state dealer is unable accurately to assign any shipment to a particular county or city, the local use tax on the tangible personal property involved shall be remitted to the Commonwealth by such dealer without attempting to assign the shipment to any county or city.

F. Local use tax revenue shall be deposited in the special fund established pursuant to subsection E of § 58.1-605.1. The Comptroller shall distribute the revenue to the ~~qualifying locality~~ county or city.

G. All revenue from this local use tax revenue shall be used solely for capital projects for new construction or major renovation of schools in the ~~qualifying locality~~ county or city, including bond and loan financing costs related to such construction or renovation."

THURSDAY, FEBRUARY 16, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Teresa K. McRoberts, Jubilee Ministries, Henrico, Virginia, offered the following prayer:

God of justice and mercy, these assembled leaders of the Commonwealth of Virginia, their staff, and their guests gather here and ask to be placed under the protection and power of Your divine will.

We come with gratitude. We thank You that You have called this legislative body to its work on behalf of the citizens of Virginia. Thank You for the eyes and hearts of the Senators that enable them to see and discern the concerns of the Commonwealth. And thank You also for the gifts, skills, talents, and abilities of each member and all those who will appear today.

We come with humility. We know that humans are imperfect and often seek to please themselves rather than seeking to follow You with joy. We know that the human condition is in need of Your redemption and pray to receive it.

We come with needs and desires. In a time when fear and doubt, distrust and anxiety, injustice and indifference threaten our well-being and the fabric of our society, we recognize the need for steadfast integrity and courageous voices in our leaders.

Where power struggles and divisiveness would detract from development, growth, and productivity for our Commonwealth, we pray for Your strength to promote human dignity and to nurture life-sustaining community.

We pray that the discourse of this body will be characterized by respect for one another and that all consideration and deliberation will be filled with Your Spirit of wisdom and discernment.

We ask that You bless and consecrate the work of this body, so that the reports and actions of those gathered here benefit the common good and bring glory to You, our Creator.

We pray for Your compassion and grace over the Senators and staff present here, over those who are tending to their business elsewhere, over our Lieutenant Governor as she presides over this gathering, over our Governor, and over all the paid workers and volunteers who see to the details of leading Virginia during this session. May each person feel Your guiding hand and be filled with Your hope as You fashion each of us into agents of Your love, grace, justice, and mercy. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Grayson Parsley of Mechanicsville.

The roll was called and the following Senators answered to their names:

Barker, Bell, Boysko, Chase, Cosgrove, Deeds, DeSteph, Dunnavant, Ebbin, Edwards, Favola, Hackworth, Hanger, Hashmi, Howell, Lewis, Locke, Lucas, Marsden, Mason, McClellan, McDougale, McPike, Morrissey, Newman, Norment, Obenshain, Peake, Petersen, Pillion, Reeves, Rouse, Ruff, Saslaw, Spruill, Stanley, Stuart, Suetterlein, Surovell, Vogel.

FRIDAY, FEBRUARY 17, 2023

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Kelley Connelly, Second Presbyterian Church, Richmond, Virginia, offered the following prayer:

Most holy and loving God, we come to You for a moment of centering. We clasp our hands together and we bind ourselves to You in prayer. We pray that in this moment we feel unity. And when we lose sight of this, O God, remind us that unity is our common goal. Unity is what brings us to this very space today, O God. So as a unified people, we pause to reflect on all the work that has been done leading up to this very moment in this very room, and we give thanks. We give You thanks for this governing body; thanks for their time and talents, patience and flexibility. We give thanks for the support of their families and respective communities. We give thanks for their support staff, and all those present in this room today. May each of them feel empowered by Your love and light.

God, You call us to assist with the healing of this world, so today align our hearts with Your heart. Unite us as a powerful force for good. And may the work that happens here never lose sight of just that: healing and justice for all. God, may Your abiding presence swell in this room today as these leaders and future leaders discern how to best serve each neighbor here in the Commonwealth of Virginia. Grant them the wisdom to cover in the best interest of all residents. Help them to trust without wavering. Encourage thoughtful discussion, empathic listening, and compassionate decision-making within these walls, so that the work that occurs outside of these walls will always be for the common good. Amen.

Clerk of the Senate

MONDAY, FEBRUARY 20, 2023

The Senate met at 12 m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Very Reverend Dr. Lynn Ronaldi, Historic Pohick Episcopal Church, Lorton, Virginia, offered the following prayer:

Lord God, we thank You for the life and witness of Your servant George Washington. On this 291st anniversary of his birth, we give thanks that he grew into a divinely inspired leader of our great state and nation.

Like each one of us, he struggled and grew in his faith throughout his lifetime. His early prayers revealed a simplistic belief that You would bring about a swift victory for the oppressed colonies. Yet days stretched into years of suffering and losses. Even as despair loomed, he was transformed by Your presence and love. He turned to You, embraced Your mystery, and believed in what he called “the inscrutable ways of Providence.”

Today, in the midst of our divided and struggling world, we look to the godly witness of George Washington once again, as an icon of genuine faith, humility, and hope.

Help us learn from his witness, for he sought to maintain balance and a middle ground. Rooted and grounded in a faith nurtured in his family and church, his life was filled with hospitality, grace, civility, and justice. We are thankful for his tolerance of religious expression, and his insistence on moderation.

Washington carried a strength of conviction with utmost respect for others. He honestly struggled with moral issues, including the enslavement of human beings. He was passionate about his service in the Virginia House of Burgesses. He prayed fervently for a spirit of deep listening, collaboration, and cohesion.

We are eternally grateful for Washington’s indispensable role in this Commonwealth, in the birth of our nation, and in the formation of its moral fiber. Help us as individuals, a state and a nation, to mature likewise, into a genuine and lived faith like his.

Lord God, we ask You to anoint, guide, and bless the debate and decisions made this and every day in the Virginia Senate. May these men and women continue to seek Your wisdom as they govern and serve Your people with compassion and grace.

In God’s most Holy Name we pray. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page Maceo Thomas of Portsmouth.

The roll was called and the following Senators answered to their names:

Barker, Bell, Boysko, Chase, Cosgrove, Deeds, DeSteph, Dunnavant, Ebbin, Edwards, Favola, Hackworth, Hanger, Hashmi, Howell, Lewis, Locke, Lucas, Marsden, Mason, McClellan, McDougale, McPike, Morrissey, Newman, Norment, Obenshain, Peake, Petersen, Pillion, Reeves, Rouse, Ruff, Saslaw, Spruill, Stanley, Stuart, Suetterlein, Surovell, Vogel.

Winsome Earle-Sears
President of the Senate

Susan Clarke Schaar
Clerk of the Senate

TUESDAY, FEBRUARY 21, 2023

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Dr. A. Lincoln James, Jr., Trinity Baptist Church, Richmond, Virginia, offered the following prayer:

Eternal God, our Father, we come now in the power of Your presence, as we invoke Your power, Your presence, and Your protection. We acknowledge that every one of us in this Chamber, at this very moment, whether Senator, staffer, or civilian, is first of all a human being made in the image of God. And so we pray that You will give us grace to acknowledge our limitations. We pray that You will give us grace to admit our faults. We pray that You will give us grace to affirm our fellow human beings, despite our many differences. Keep us, O God, ever cognizant that to You, and You alone, we must give an account. We lift to the throne of grace those who serve in this Chamber, who have been given a noble and weighty responsibility to seek and to serve the common good of the citizens of the Commonwealth of Virginia. And so, as they attend this day and the days to come to the work that is laid at their heart and hand, give them wisdom liken unto Solomon, the courage of Esther, the patience of Jeremiah, and the humility of Mary. May they be guided by Your providence and strengthened by Your common grace to fulfill those purposes for this great Commonwealth.

Every one of us in this Chamber, O God, not just the distinguished legislators, but staff, interns, pages, and all who are here, are made in Your image. The imago Dei is the most fundamental aspect of anthropology and the starting point of all Biblical teaching about ethics and public policy. The first and fundamental thing about every last one of us is our humanness. And that fact can point the way through our political differences and our social divides. Long before we are Democrats or Republicans, liberal or conservative, powerful or ordinary, we are human. Our shared humanity leads us to understand that we are limited and we do have faults, and we need grace to admit that. And when we do that it opens the way to affirm our fellow man. We are not competitors in the high stakes, zero sum political game; we are human beings who have the capacity to appreciate one another despite our differences. Serving the people of the Commonwealth will require setting aside self-interest and working for the common good. It requires give and take. It requires debate and discussion. It requires conviction and compromise. And so we ask You, O God, to give the men and women of this august body wisdom and prudence, courage and fortitude, patience and temperance, with humility. We ask all these things in the name of the sovereign God who works all things according to the counsel of His will, and guides history according to His sovereign purpose. Might we all now say together, Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Senate Page R.J. Wallmeyer of Crozier.

The roll was called and the following Senators answered to their names:

Barker, Bell, Boysko, Chase, Cosgrove, Deeds, DeSteph, Ebbin, Edwards, Favola, Hackworth, Hanger, Hashmi, Howell, Lewis, Locke, Lucas, Marsden, Mason, McClellan, McDougale, McPike, Morrissey, Newman, Norment, Obenshain, Peake, Petersen, Pillion, Reeves, Rouse, Ruff, Saslaw, Spruill, Stanley, Suetterlein, Surovell, Vogel.

A quorum was present.

After the roll call, Senators Dunnivant and Stuart notified the Clerk of their presence.

On motion of Senator Petersen, the reading of the Journal was waived.

The recorded vote is as follows:

YEAS--34. NAYS--4. RULE 36--1.

Holy, ever present One, fill this place with Your love. Fill each heart with kindness and generosity of spirit. Build bridges between each one and the other, for the task is so great it requires all, all to work together. In this time of division and strife, bring to these people Your spirit of compassion and compromise. Help each one to lay aside hidden agendas and focus on one agenda, the well-being of the people of the Commonwealth. Our world seems overflowing with conflict, with violence, with harm; hear our prayer that Your wisdom guide this group to lead toward peace, harmony, and understanding. As our God, open our eyes and ears to see and hear the cries of those who need the actions of this great Senate to build laws and systems that will promote the well-being of each and every person in the Commonwealth. Grant Your wisdom within each one gathered here. Bless these representatives with clearness of mind, clarity of purpose, depth of compassion, and the strength to do the work set before them. Amen.
