The Senate met at 10:30 a.m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

Pastor Carlos Rivera, New Life Outreach Church, Richmond, Virginia, offered the following prayer:

Heavenly Father, we are so excited to be here today. Sovereign, almighty God, our Creator and Sustainer, the God of all power and all authority, I thank You for the men and women who serve and lead our great Commonwealth, and for their families as well. Please provide for them with reminders every day of why they decided to dedicate their lives to public service, and use that commitment to encourage and inspire them to make a difference. Give them peace when they work, and when their work takes them away from home as well. We also pray specifically for wives and husbands and children of our servant leaders. We ask that You give them wisdom on how to best support one another while their loved ones are away working. We pray for the staff members. We are so grateful for them, God. They have such an important job, keeping the offices running as they should. Thank You for the ways You have gifted them to provide support so well. Wrap Your arms around these men and women to show them love, grace, strength, and encouragement. Provide them with the knowledge needed to approach each situation in the best way possible. And God, give them the stamina and endurance to approach each day.

I pray for relationships among leaders and among others as well. God, we are so grateful to be living in a democracy where many play a part in making sure the needs and desires of the people of our great Commonwealth are heard and met. As they work together to find solutions to difficult problems, we ask that You guide them to speak respectfully and with humility to one another. Help them to show love to those they interact with, and to be a worthy advocate for the constituents and for others as well. God, we thank You for leaders who care about issues impacting the most vulnerable. We ask that You help them to care for the people in need as well. And Father, I pray for our lawmakers to represent the people of Virginia with honesty and integrity. We are so grateful that we have leaders that listen to us. God, please be with our government officials as they weigh the pros and cons of each request. Give them wisdom on how to best represent everyone. We also ask that You give our leaders courage, so that even when it is hard, they continue to pass laws and fully represent the needs of the people of Virginia, and those of the most vulnerable as well.

I thank You for a productive day today, and I pray Your blessing and divine health over all of our leaders here today. In Jesus' name we pray. Amen.

EMERGENCY

On motion of Senator Lucas, the Senate adjourned until tomorrow at 10:00 a.m.

Winsome Earle-Sears
President of the Senate

Susan Clarke Schaar
Clerk of the Senate

SATURDAY, FEBRUARY 25, 2023

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Anita Laffoon, Ginter Park Baptist Church, Richmond, Virginia, offered the following prayer:

Holy One, those who have been tasked with serving this Commonwealth come before You now asking for Your guidance. Though the burden of serving Your people is heavy, we pray that they would not grow weary of seeking what is just, rather than what is easy. That they will seek mercy for others rather than gain for themselves. And that they will continue to seek Your will, rather than the will of other influences.

We pray that their ears will be open to hear the cries of those in need, and not just the voices of those who cry loudest. We pray that their eyes will see the path forward and not be deterred from it. We pray that their hearts will be unified by the call to care for the people of the Commonwealth, and not divided by the temptations of power.

Almighty God, we pray that Your Spirit would move mightily in this room, and that the kingdom of Heaven will be brought a little closer to Earth because of the work done here today. Grant Your servants grace, wisdom, and compassion as they continue to work for the common good of Your creation. Amen.

Winsome Earle-Sears
President of the Senate

Susan Clarke Schaar
Clerk of the Senate

WEDNESDAY, APRIL 12, 2023

The Senate met at 12 m. in Reconvened Session of the 2023 Regular Session and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Dr. Stephen Starzer, Fairfield Presbyterian Church, Mechanicsville, Virginia, offered the following prayer:

Almighty God and Creator of us all, we live under the banner of "*Sic semper tyrannis*," our declaration that no one should look down on another as something less. We recognize the fact that we are all created equal and no one is greater than another. We value each person. As Americans and particularly as Virginians, remind us that in that equality we need to see each other as people not as categories or groups that keep us divided.

Help us to remember that we live in a Commonwealth. Let that declaration remind us of our God-given responsibility to care for others. Help those who are gathered in this august body to recognize that the differences which seem so great pale in comparison with our common love of freedom and democracy and the well-being of the people.

Help us all to see that while we may be divided by the pathways to solutions, we are yet united in our love for the people of our country and our Commonwealth. Remind us that You are the only one with all the right answers and that we need each other in order to form a more perfect union and a more perfect Commonwealth.

I pray all this in the name of the One without whom nothing has been made. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Nathan Hatfield, Assistant Clerk-LINCS, Senate Clerk's Office.

The roll was called and the following Senators answered to their names:

SENATE BILLS VETOED BY THE GOVERNOR

S.B. 1051 (one thousand fifty-one) was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

March 27th, 2023

TO: SENATE OF VIRGINIA
SENATE BILL NO. 1051

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1051, which allows public utility and broadband service vehicles to be temporarily left on private property without the owner's consent.

Although I understand the need to ensure the necessary maintenance of services, this bill violates the fundamental rights of property owners. As a cornerstone of our society, property rights must not be eroded for convenience or expediency.

Furthermore, this bill may result in disputes between property owners and service providers, leading to unnecessary conflict and animosity. The Commonwealth would be better served by encouraging communication between service providers and property owners rather than enacting legislation that undermines individual liberty.

Accordingly, I veto this bill.

Sincerely,

/s/ Glenn Youngkin

TO: SENATE OF VIRGINIA

SENATE BILL NO. 1085

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1085, which directs the Superintendent of State Police to convene a work group to examine the issue of vehicle noise in the Commonwealth.

The Commonwealth made a significant bipartisan step by enforcing a primary offense for exhaust systems that are not in good working order last year. The proposed legislation is unnecessary.

Accordingly, I veto the bill.

Sincerely,

COMMONWEALTH OF VIRGINIA

Office of the Governor

March 27th, 2023

TO: HOUSE OF DELEGATES
HOUSE BILL NO. 1400

While I approve of the general purpose of this bill, I am returning it without my signature and requesting that four amendments be adopted. I commend the General Assembly for its diligent work this session.

Given the significance of this bill, it's important to adopt a targeted approach, and the enrolled bill allocates additional funding to a select few core services that have been thoughtfully prioritized.

My amendments are nevertheless necessary and limited to technical adjustments for time-constrained programs and funding purposes.

While this bill's passage is significant, it does not mark the end of this session's work.

Through the first eight months of the fiscal year, tax collections are surpassing expectations, confirming at least \$3.6 billion in unanticipated resources. I look forward to working with the General Assembly to develop a budget that provides \$1 billion in tax relief for Virginians and delivers over \$2.6 billion for our shared goals of job growth, public safety, education excellence, and behavioral health services.

I urge the General Assembly to approve these amendments promptly to reenroll the budget without delay.

Sincerely,

/s/ Glenn Youngkin

A. It is hereby acknowledged that as of June 30, 2021 there existed with the federal government an unexpended balance of \$130,397,626 in federal Temporary Assistance for Needy Families (TANF) block grant funds which are available to the Commonwealth of Virginia to reimburse expenditures incurred in accordance with the adopted State Plan for the TANF program. Based on projected spending levels and appropriations in this act, the Commonwealth's accumulated balance for authorized federal TANF block grant funds is estimated at \$79,652,390 on June 30, 2022; \$49,119,392 on June 30, 2023; and \$17,988,412 on June 30, 2024.

B. No less than 30 days prior to submitting any amendment to the federal government related to the State Plan for the Temporary Assistance for Needy Families program, the Commissioner of the Department of Social Services shall provide the Chairmen of the House Appropriations and Senate Finance an Appropriations Committees as well as the Director, Department of Planning and Budget written documentation detailing the proposed policy changes. This documentation shall include an estimate of the fiscal impact of the proposed changes and information summarizing public comment that was received on the proposed changes.

C. Notwithstanding any other provision of state law, the Department of Social Services shall maintain a separate state program, as that term is defined by federal regulations governing the Temporary Assistance for Needy Families (TANF) program, 45 C.F.R. § 260.30, for the purpose of providing welfare cash assistance payments to able-bodied two-parent families. The separate state program shall be funded by state funds and operated outside of the TANF program. Able-bodied two-parent families shall not be eligible for TANF cash assistance as defined at 45 C.F.R. § 260.31 (a)(1), but shall receive benefits under the separate state program provided for in this paragraph. Although various conditions and eligibility requirements may be different under the separate state program, the basic benefit payment for which two-parent families are eligible under the separate state program shall not be less than what they would

have received under TANF. The Department of Social Services shall establish regulations to govern this separate state program.

D. As a condition of this appropriation, the Department of Social Services shall disregard the value of one motor vehicle per assistance unit in determining eligibility for cash assistance in the Temporary Assistance for Needy Families (TANF) program and in the separate state program for able-bodied two-parent families.

E. The Department of Social Services, in collaboration with local departments of social services, shall maintain minimum performance standards for all local departments of social services participating in the Virginia Initiative for Education and Work (VIEW) program. The department shall allocate VIEW funds to local departments of social services based on these performance standards and VIEW caseloads. The allocation formula shall be developed and revised in cooperation with the local social services departments and the Department of Planning and Budget.

F. A participant whose Temporary Assistance for Needy Families (TANF) financial assistance is terminated due to the receipt of 24 months of assistance as specified in § 63.2-612, Code of Virginia, or due to the closure of the TANF case prior to the completion of 24 months of TANF assistance, excluding cases closed with a sanction for noncompliance with the Virginia Initiative for Education and Work program, shall be eligible to receive employment and training assistance for up to 12 months after termination, if needed, in addition to other transitional services provided pursuant to § 63.2-611, Code of Virginia.

G. The Department of Social Services, in conjunction with the Department of Correctional Education, shall identify and apply for federal, private and faith-based grants for pre-release parenting programs for non-custodial incarcerated parent offenders committed to the Department of Corrections, including but not limited to the following grant programs: Promoting Responsible Fatherhood and Healthy Marriages, State Child Access and Visitation Block Grant, Serious and Violent Offender Reentry Initiative Collaboration, Special Improvement Projects, § 1115 Social Security Demonstration Grants, and any new grant programs authorized under the federal Temporary Assistance for Needy Families (TANF) block grant program.

H. Out of this appropriation, \$2,647,305 the first year and \$2,647,305 the second year from the general fund shall be provided to support state child care programs.

I. Out of this appropriation, the Department of Social Services shall use \$4,800,000 the first year and \$4,800,000 the second year from the federal Temporary Assistance to Needy Families (TANF) block grant to provide to each TANF recipient with two or more children in the assistance unit a monthly TANF supplement equal to the amount the Division of Child Support Enforcement collects up to \$200, less the \$100 disregard passed through to such recipient. The TANF child support supplement shall be paid within two months following collection of the child support payment or payments used to determine the amount of such supplement. For purposes of determining eligibility for medical assistance services, the TANF supplement described in this paragraph shall be disregarded. In the event there are sufficient federal TANF funds to provide all other assistance required by the TANF State Plan, the Commissioner may use unobligated federal TANF block grant funds in excess of this appropriation to provide the TANF supplement described in this paragraph.

J. The Board of Social Services shall combine Groups I and II for the purposes of Temporary Assistance to Needy Families cash benefits and use the Group II rates for the new group.

K. The Department of Social Services shall develop a plan to increase the standards of assistance by 10 percent annually until they equal 50 percent of the federal poverty level.

L.1. The Department of Social Services (DSS) and the Department of Education (DOE) shall ensure that the Temporary Assistance for Needy Families (TANF) Virginia Initiative for Employment and Work (VIEW) mandated child care forecast is funded through a combination of general fund, TANF, and Child Care Development Fund (CCDF) grant dollars. The amount of needed CCDF dollars identified in the Memorandum of Agreement (MOA) between the agencies shall be transferred from DOE to DSS within the first thirty days of the fiscal year. DSS shall notify DOE of the required amount of the next fiscal year transfer upon the enrollment of the budget. This amount shall reflect the need identified in the official forecast as well as changes resulting from actions in the final budget.

2. The MOA shall reflect the full cost of the VIEW mandated child care program. From this amount, \$38,707,424 the first year and \$38,707,424 the second year is appropriated at DSS and the balance shall be transferred from DOE from the CCDF grant to support the VIEW mandated child care program as specified in L.1.

M. Out of this appropriation, \$2,120,420 the first year and \$2,120,420 the second year from the Temporary Assistance to Needy Families (TANF) block grant shall be provided for the Department of Social Services to implement a program so that TANF-eligible individuals may save funds in an individual development account established for the purposes of home purchase, education, starting a business, transportation, or self-sufficiency. The TANF funds shall be deposited to the individual development accounts at a match rate determined by the department.

N. The Department of Social Services shall increase the Temporary Assistance for Needy Families (TANF) cash benefits and income eligibility threshold by five percent effective July 1, 2022.”

**SUBSEQUENT TO ADJOURNMENT SINE DIE
SENATE BILLS VETOED BY GOVERNOR**

S.B. 1035 (one thousand thirty-five), subsequent to adjournment sine die of the Reconvened Session of the 2023 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

May 12th, 2023

TO: SENATE OF VIRGINIA
SENATE BILL NO. 1035

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1035, which relates to allocating funds for the state of good repair of bridges.

I fully support the use of funding to assist with the maintenance of bridges that risk becoming structurally deficient. However, changing the allocation formula for this funding could result in bridges being overlooked in terms of upkeep and maintenance.

The failure of the legislature to adopt my proposed amendment, which aimed to establish a minimum level of funding for highway construction districts related to the state of good repair funds, is concerning. This minor step would have ensured that often-overlooked regions of the Commonwealth receive a fair share of transportation funding.

I encourage the legislature to reconsider this issue next session and send me a bill that allows for the funding of the maintenance of bridges without creating an imbalance in the geographic distribution of transportation funding.

Accordingly, I veto this bill.

Sincerely,

/s/ Glenn Youngkin

S.B. 1308 (one thousand three hundred eight), subsequent to adjournment sine die of the Reconvened Session of the 2023 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA

Office of the Governor

May 12th, 2023

TO: SENATE OF VIRGINIA
SENATE BILL NO. 1308

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1308, relating to acreage requirements for eligible sites for Virginia Business Ready Sites Program Fund.

The Senate's failure to adopt my proposed amendments, which would have permitted localities without a contiguous 100-acre site to apply for business-ready site funds, jeopardizes the effectiveness of such funding.

It is critical for the Commonwealth to maintain its focus on larger sites and to attract companies that will bring about transformational job growth to various regions. My amendments, which struck a fair compromise, would have ensured that localities prioritize larger sites.

I encourage the legislature to pass legislation that provides smaller localities with greater flexibility in the use of state funds while preventing an unfair advantage to localities with greater resources.

Accordingly, I veto this bill.

Sincerely,

/s/ Glenn Youngkin

S.B. 1370 (one thousand three hundred seventy), subsequent to adjournment sine die of the Reconvened Session of the 2023 Regular Session, was returned by the Governor with the following communication:

COMMONWEALTH OF VIRGINIA
Office of the Governor

May 12th, 2023

TO: SENATE OF VIRGINIA
SENATE BILL NO. 1370

Pursuant to Article V, Section 6, of the Constitution of Virginia, I veto Senate Bill 1370, which adds new transmission and distribution projects to the pilot program for underground transmission lines.

The addition of distribution lines to the pilot program for underground transmission lines by the Senate creates an ill-advised and ill-conceived precedent. The approval of undergrounding distribution lines by the General Assembly could potentially result in a constant escalation of electricity costs.

The best approach for making these decisions is at the local level, where a collaborative process involving public hearings and community engagement can take place. I encourage localities to continue to involve stakeholders in these discussions to ensure their voices are heard as they work towards a solution that can benefit the affected parties.

While I commend the General Assembly for passing legislation that reduces electric bills this session, it is important to note that the inflation caused by Washington continues to provide unpredictable effects on electric bills. It is critical that we cautiously consider all potential outcomes and consequences to avoid any negative impact on our electric customers, including the history of unforeseen cost overruns experienced by other projects.

**JOURNAL
OF
THE
SENATE
2023 SPECIAL SESSION I**

WEDNESDAY, SEPTEMBER 6, 2023

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor Winsome Earle-Sears.

The Reverend Dr. Charles T. Dupree, St. Paul's Episcopal Church, Richmond, Virginia, offered the following prayer:

O God, what we bring to You today, we bring You. Take what we offer. Take what we offer and turn it into something amazing. Take what we offer and turn it into something like the burning bush, or the whirlwind, or water from stone-cold rock. Take what we offer today and turn it into something like the raging waters turned still, or manna from where we didn't expect it. Take what we offer today and turn it into a healing hand, a balm in Gilead. Take what we offer today and turn it into a table laid in the presence of mine enemies or a cup that runneth over.

O Lord, we bring it all to You today, now take what we bring and turn it into something amazing, a miracle; something that will bring life and understanding and healing and hope and peace to our lives and to our world. Amen.

The Pledge of Allegiance to the Flag of the United States of America was led by Tara H. Perkinson, Chief Deputy Clerk, Senate Clerk's Office.

The roll was called and the following Senators answered to their names:

Bagby, Barker, Bell, Boysko, Chase, Cosgrove, Deeds, DeSteph, Dunnavant, Ebbin, Favola, Hackworth, Hanger, Hashmi, Howell, Lewis, Locke, Lucas, Marsden, Mason, McDougle, McPike, Morrissey, Newman, Norment, Obenshain, Peake, Petersen, Pillion, Reeves, Rouse, Ruff, Saslaw, Spruill, Stanley, Stuart, Suetterlein, Surovell.
