The Honorable G. Paul Nardo
Clerk of the House of Delegates

Dear Clerk Nardo:

Pursuant to my authority as Speaker of the House of Delegates, I write to formally notify you and the House of the establishment of a bipartisan Select Committee on Standards of Conduct.

The Select Committee is tasked with reviewing and modernizing the House's Standards of Conduct, consistent with the Rules of the House of Delegates; assessing national best practices regarding the reporting, investigation, and resolution of workplace conduct issues in state legislatures, in coordination with the National Conference of State Legislatures and other appropriate organizations; and recommending internal policies and procedures to strengthen training, compliance, and accountability for all members, staff, and individuals conducting business with the House.

The committee shall be co-chaired by Delegate Candi Mundon King and Delegate Terry Austin. Additional members appointed to serve on the Select Committee are Delegate Rodney Willett, Delegate Karrie Delaney, Delegate Ellen Campbell, and Delegate Destiny LeVere Bolling.

The Select Committee is directed to begin its work immediately and, upon completion, to submit its findings and recommendations to the Subcommittee on Standards of Conduct of the Rules Committee for further consideration.
