Such amendments to the State Plan shall become effective within 280 days from the enactment of this act.

2. Of the total amount, \$4,321,880 in general fund savings each year shall be generated through two actions. The first action shall be to define the Virginia Maximum Allowable Cost based on the availability in Virginia of generic drugs which: (i) are included in the Centers for Medicare and Medicaid Services' state drug rebate program, (ii) have been approved by the Federal Food and Drug Administration; and (iii) are included in the Approved Products with Therapeutic Equivalence Evaluations as generically equivalent. The second action shall be to modify the pharmacy point-of-sale system to enhance prospective drug utilization review edits for therapeutic duplication or excess dose or duration.

3. Of the total amount, \$1,181,760 in general fund savings each year shall be generated by pricing the specialty therapeutic drug, anti-hemophilia factor, according to guidelines for best pricing established by the Department after review of market factors and appropriate volume purchasing discounting.

4. Of the total amount, \$1,575,680 in general fund savings each year shall be generated by reducing program payments made on behalf of recipients with other sources of insurance coverage.

II. The Department of Medical Assistance Services shall amend the State Plan for Medical Assistance Services governing Medicaid reimbursement to hospitals and managed care organizations to generate a total of \$8,000,000 in general fund savings the first year and \$8,300,000 in general fund savings the second year. Of this total amount, \$4,400,000 in general fund savings the first year and \$4,565,000 in general fund savings the second year shall be achieved through reduced payments to hospitals; and \$3,600,000 in general fund savings the first year and \$3,735,000 in general fund savings the second year shall be achieved through reduced payments to managed care organizations. Such amendments to the State Plan shall become effective within 280 days from the enactment of this act.

JJ. The Department of Medical Assistance Services shall identify additional general fund savings through various cost containment measures. Such measures may include, but need not be limited to: (i) more efficient service delivery systems; (ii) additional utilization review and health care cost management strategies; (iii) revisions to the current level of benefits and covered services; (iv) revisions to current reimbursements for services provided to Medicaid recipients; and (v) other cost-saving strategies as appropriate. The Department shall involve the affected provider communities, advocacy groups, and other interested parties in determining the actions to be taken in generating such savings. The Department shall report its findings and recommendations to the Governor, and the Chairmen of the Senate Finance and House Appropriations Committees no later than October 1, 2002.”

"2.a. The Department of Corrections shall issue a Request for Proposals for the procurement of a private prison management firm to operate the Lawrenceville Correctional Center after the current contract for operation of the facility expires on March 22, 2003. The Department shall encourage maximum competition for the new contract from all private prison management companies that are capable of operating a facility of this size and level of security. Upon the completion of the Department's evaluation of the proposals and upon the tentative selection of an offeror on the basis of cost, contractor qualifications, prior record of performance, and other relevant considerations, the Department shall compare the projected cost of operation by the private contractor with the projected cost of operation by the Department using its own employees, and shall prepare a report on its findings.

b. The Governor shall provide copies of this report to the Chairmen of the Senate Finance and House Appropriations Committees for their review and comment. Pursuant to § 2.2-4342 B of the Code of Virginia, this report, being in the nature of a cost estimate related to a procurement transaction prepared by a public body, shall not be made public nor released in response to a Freedom of Information Act request.

c. If, after receiving the Chairmen's comments, as well as an analysis of this report by the Department of Planning and Budget, the Governor concludes that it is less costly for the Department of Corrections to operate the facility using its own employees, the Governor shall direct the Department to do so. If the Governor concludes that it would be less costly to operate the facility with a private contractor, then, provided that a satisfactory contract can be negotiated and provided that the cost of the proposed contract for the operation of the facility by a private vendor can be accommodated within the constraints of the state budget and that the contract is in the general best interests of the Commonwealth, the Governor may authorize the Department to enter into the contract.

d. Nothing in this Item is intended to amend the provisions of the Virginia Public Procurement Act or to prohibit the Department from negotiating a contract with another offeror, if a satisfactory offer cannot be negotiated with the offeror first selected."

b. New Appointees: The annual salaries of persons appointed to positions listed in this subsection shall be established at:

- 1) No more than 15 percent above the appointee's pre-appointment salary, not to exceed the maximum for the salary range, or
- 2) The minimum for the salary range.
- 3) The basis for calculation of a new appointee's salary shall be the last full-time salary, or annualized wage, paid to such individual. If such salary or wage was in compensation for serving in an acting or otherwise temporary capacity, then the calculation shall be based upon the salary or wage of the last permanent position held by the appointee.
- 4) In proposing the salary for a new appointee as authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01.a.5.b.1) not be viewed as the normal increase for new appointees. The Governor shall be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's potential contribution to the Commonwealth, and such other criteria as he may find useful.

c. Annual Salary Increases: In his budget proposals to the General Assembly, the Governor shall propose increases or decreases, if any, to the salaries of incumbents in the positions listed in this subsection.

1) Such proposals shall be:

- c) No more than the maximum for the salary range, and
- d) Shall be effective on the first day of the pay period next following the Governor's signature of the budget bill.

Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.

3) Incumbents with less than six months tenure in the position listed in this subsection shall not be eligible for the salary increase authorized by this subsection.

4) In proposing the annual salary increase authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01 a.5.c.1) b) above should be reserved for those agency heads who made an exceptional contribution to the operation of their agency. The Governor shall be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth, and such other criteria as he may find useful.

d. Competitive Salary Increases: At any time, the Governor may approve a salary increase for the incumbent in a position listed in this subsection, in response to a bona fide job offer from another employer.

1) Such competitive salary increase shall be:

a) Based on his evaluation of their individual performance,

b) No more than the maximum of the salary range,

c) No more than 15 percent for any single competitive offer or for a combination of competitive offers in a single fiscal year, and

d) Temporary and provisional until the first day of the pay period next following the Governor's signature of the budget bill.

2) In approving a competitive offer, the Governor should be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth and the relative difficulty of finding a qualified replacement, and such other criteria as he may find useful.

3) In authorizing a competitive salary increase, the Governor shall provide the Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification for such increase. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.

2) If at any time the Administrator of the Commonwealth's Attorneys' Services Council serves on the faculty of a state-supported institution of higher education, the faculty appointment must be approved by the Council. Each agency head is responsible for establishing a fee for state-owned housing and for documenting in writing why the rate established was selected. In exceptional circumstances, which shall be documented as being in the best interest of the Commonwealth by the agency requesting an exception, the Director, Department of General Services may waive the requirement for collection of fees.

2. All revenues received from housing fees shall be promptly deposited in the state treasury. In such cases the individual employee fee scale shall not be less than that provided for employees at the Seat of Government, provided that if, in the opinion of the Director good cause is shown, this portion of the requirement may be amended or waived. The Reverend Dr. Donald D. Binder, Pastor, Pohick Episcopal Church, Lorton, Virginia, offered the following prayer authored by George Washington:

Almighty God: We make our earnest prayer that thou wilt keep the United States in thy holy protection; that thou wilt incline the hearts of the citizens to cultivate a spirit of subordination and obedience to government; and entertain a brotherly affection and love for one another and for their fellow citizens of the United States at large. And finally that thou wilt most graciously be pleased to dispose us all to do justice, to love mercy and to demean ourselves with that charity, humility and pacific temper of mind which were the characteristics of the divine author of our blessed religion, and without a humble imitation of whose example in these things we can never hope to be a happy nation. Grant our supplication, we beseech thee, through Jesus Christ our Lord. Amen.

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Basil L. Ballard, Pastor, Windsor Congregational Christian Church, Windsor, Virginia, offered the following prayer:

Oh Lord, our God, we open this session with prayer because we know it is proper to do so. We thank You for the opportunities You provide for us to serve Your people. Bless all those who are here today to carry on the task of providing sound government to the Commonwealth of Virginia. This is no simple task but it is much more easily achieved with Your divine help and guidance.

Remind each one of us, Lord, that we are accountable to You for all that we do or fail to do on behalf of others. We pray for protection for all our leaders, for the Armed Forces, and those that stand in harms way as police and firefighters. There are those in the world today that would wish us harm. We pray that You help us all to hold onto the principles of freedom, justice and democracy and be examples of those principles wherever we serve.

Continue to bless the work of this body now and in the days ahead. In Your Holy Name we humbly pray. Amen.

Dear Ms. Schaar:

Re: Twenty-third Judicial Circuit

You will find enclosed herewith, in duplicate, a copy of the report of this Court and the order entered on February 22, 2002 in the matter of the vacancy in the office of judge of the Twenty-third Judicial Circuit.

Copies of this report and order are being sent to Governor Warner and Mr. Bruce F. Jamerson.

Sincerely yours,

VIRGINIA:

In the Supreme Court of Virginia held at the Supreme Court Building in the City of Richmond on Friday the 22nd day of February, 2002.

It being brought to the attention of the Court that a vacancy is expected to occur on June 30, 2002 in the office of judge of the Twenty-third Judicial Circuit by the retirement of Judge Richard C. Pattisall, and the Court, pursuant to section 17-122 of the Code of Virginia of 1950, as amended, having secured information concerning the volume of business in the said circuit, is of opinion, for reasons stated in writing in the form of a report to the Governor and to the General Assembly of Virginia and filed herewith, that the amount of business of the Twenty-third Judicial Circuit makes the filling of the vacancy necessary. Accordingly, the Court doth certify that there is a necessity for filling the vacancy in the manner provided by law, provided the vacancy occurs as anticipated by the notice sent to the Governor of Virginia.

And it is ordered that a copy of this order, together with a copy of the report above referred to, be certified to the Governor of Virginia and to the General Assembly of Virginia.

SUPREME COURT OF VIRGINIA  
100 North Ninth Street  
Richmond, Virginia 23219-2334

February 21, 2002

TO: The Honorable Mark R. Warner  
Governor of Virginia  
And  
General Assembly of Virginia

IN RE: Twenty-third Judicial Circuit

Section 17.1-511 of the *Code of Virginia*, as amended, provides that whenever a vacancy occurs in the office of a judge of any court of record, the vacancy shall not be filled until, after investigation, the Supreme Court of Virginia certifies that the filling of the vacancy is or is not necessary. The Honorable Richard C. Pattisall, Judge of the Twenty-third Judicial Circuit, has given his notice to retire on June 30, 2002, thereby creating a vacancy in the office of a judge of that circuit.

The Twenty-third Judicial Circuit serves the Cities of Roanoke and Salem and Roanoke County. The circuit is authorized six circuit court judgeships. The 2001 population of the circuit was 205,436. The judges handled 1,597 commenced cases each in 2001. If the vacancy is not filled, the remaining five judges would handle 1,972 cases each year. The statewide average for commenced cases per judge in 2001 was 1,736.

Based on the foregoing facts and the information contained in the enclosed report, the Supreme Court of Virginia is of the opinion that the vacancy created by the retirement of Judge Pattisall should be filled in the manner prescribed by law.

Respectfully submitted,

/s/ Harry L. Carrico  
Chief Justice of Virginia

The reading of the communications was waived.

The communications were referred to the Committee for Courts of Justice.

## WEDNESDAY, FEBRUARY 27, 2002

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Daniel A. Goodall, Sr., Pastor, Antioch Baptist Church, Champlain, Virginia, offered the following prayer:

Heavenly Father, I pray that You would direct the leaders of this great Commonwealth. Grant them the wisdom and understanding to do what must be done. Father, I pray that divinely directed decisions be on their lips, and may they do that which is right in Your sight. May they follow Your will to direct our great commonwealth. In praying for those in authority, I therefore lift up this body of leaders and I pray that, by Your power, our legislative body would make laws that are just. Father, I ask You to give them wisdom to make decisions that would strengthen and prosper the Commonwealth of Virginia. I desire that they would make right decisions concerning the politics, the social welfare and the economics of the State of Virginia. I pray that You would cause this body of legislators to be motivated more by Your hand than by partisan or personal concerns. So Lord, grant them the wisdom, knowledge, understanding, and courage to be faithful to duty and just. And may Your grace, mercy, and presence be with them. In Your precious name I pray. Amen.

Such tax payments shall be made on or before the 30th day of June, 2002, if payment is made by electronic funds transfer, as defined in § 58.1-202.1, Code of Virginia. If payment is made by other than electronic funds transfer, such payment shall be made on or before the 25th day of June, 2002. Payments under this paragraph shall be made in accordance with procedures established by the Tax Commissioner and shall be considered general fund revenue. For purposes of this provision, taxable sales or purchases shall be computed without regard to the number of certificates of registration held by the dealer. Every dealer or direct payment permit holder shall be entitled to a credit for the payment under this paragraph on the June 2002 return due July 20, 2002. In addition, the distribution of the payment to revenue code 01088 by the Comptroller shall also occur after the return has been filed. The provisions of this section shall not apply to persons who are required to file only a Form ST-7, Consumer User Tax Return.

B. In lieu of the penalties provided in §58.1-635, Code of Virginia, except with respect to fraudulent returns, failure to make a timely payment or full payment of the sales and use tax liability as provided in paragraph 1 above shall subject the dealer or direct payment permit holder to a penalty of six percent of the amount of the tax underpayment that should have been properly paid to the Tax Commissioner. Interest will accrue as provided in §58.1-15, Code of Virginia. The payment required by paragraph 1 above shall become delinquent on the first day following the due date set forth in paragraph 1 if not paid.

C. Notwithstanding any provision of law, any cash balance resulting from such collections shall not be subject to reporting as reservations or designations of fund balance of the General Fund, or liabilities of the General Fund, as of June 30 for purposes of cash basis financial reporting as reflected in the Comptroller's annual financial report presented in accordance with §2.2-813 of the Code of Virginia.

D. It is the intent of the General Assembly that the payment requirement contained herein be phased out beginning in Fiscal Year 2006. The payment amount for June 2006 should be reduced to 85 percent of the sales and purchases for the previous June and the payment amount should continue to be reduced until fully eliminated not later than June 2012.”

- 1) No more than 15 percent above the appointee's pre-appointment salary, not to exceed the maximum for the salary range, or
- 2) The minimum for the salary range.
- 3) The basis for calculation of a new appointee's salary shall be the last full-time salary, or annualized wage, paid to such individual. If such salary or wage was in compensation for serving in an acting or otherwise temporary capacity, then the calculation shall be based upon the salary or wage of the last permanent position held by the appointee.
- 4) In proposing the salary for a new appointee as authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01.a.5.b.1) not be viewed as the normal increase for new appointees. The Governor shall be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's potential contribution to the Commonwealth, and such other criteria as he may find useful.

c. Annual Salary Increases: In his budget proposals to the General Assembly, the Governor shall propose increases or decreases, if any, to the salaries of incumbents in the positions listed in this subsection.

- 1) Such proposals shall be:

3) Incumbents with less than six months tenure in the position listed in this subsection shall not be eligible for the salary increase authorized by this subsection.

4) In proposing the annual salary increase authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01.a.5.c.1) b) above should be reserved for those agency heads who made an exceptional contribution to the operation of their agency. The Governor shall be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth, and such other criteria as he may find useful.

d. Competitive Salary Increases: At any time, the Governor may approve a salary increase for the incumbent in a position listed in this subsection, in response to a bona fide job offer from another employer.

1) Such competitive salary increase shall be:

a) Based on his evaluation of their individual performance,

b) No more than the maximum of the salary range,

c) No more than 15 percent for any single competitive offer or for a combination of competitive offers in a single fiscal year, and

d) Temporary and provisional until the first day of the pay period next following the Governor's signature of the budget bill.

2) In approving a competitive offer, the Governor should be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth and the relative difficulty of finding a qualified replacement, and such other criteria as he may find useful.

3) In authorizing a competitive salary increase, the Governor shall provide the Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification for such increase. b) Notification of performance bonuses to the Department of Human Resource Management for retention in its records.

f. Special Provisions for Executive Branch Agency Heads:

1) Except as may be otherwise provided in this Act, all incumbents holding positions listed in this § 4-6.01 shall be eligible for all fringe benefits provided to full-time classified state employees and, notwithstanding any provision to the contrary, the annual salary paid pursuant to this § 4-6.01 shall be included as creditable compensation for the calculation of such benefits.

2) If at any time the Administrator of the Commonwealth's Attorneys' Services Council serves on the faculty of a state-supported institution of higher education, the faculty appointment must be approved by the Council. b. New Appointees: The annual salaries of persons appointed to positions listed in this subsection of this Act shall be established at:

- 1) No more than 15 percent above the appointee's pre-appointment salary, not to exceed the maximum for the salary range, or
- 2) The minimum for the salary range.
- 3) The basis for calculation of a new appointee's salary shall be the last full-time salary, or annualized wage, paid to such individual. If such salary or wage was in compensation for serving in an acting or otherwise temporary capacity, then the calculation shall be based upon the salary or wage of the last permanent position held by the appointee.
- 4) In proposing the salary for a new appointee as authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01.a.5.b.1) not be viewed as the normal increase for new appointees. The appointing authority shall be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's potential contribution to the Commonwealth, and such other criteria as he may find useful.

c. Annual Salary Increases: The appointing authority shall annually provide to the Department of Planning and Budget proposals for such increases or decreases as are deemed appropriate for the annual salaries of incumbents appointed to positions listed in this subsection. The Governor shall include such increases or decreases in his budget proposals to the General Assembly.

- 1) Such proposals shall be:

The appointing authority should be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth, and such other criteria as he may find useful.
- 3) In making his proposals to the Department of Planning and Budget the appointing authority in the Judicial and Independent Agencies shall provide written justification of any increase that deviates from the average increase recommended for classified state employees under the Classified Employee Pay Plan as set out in Item 511, of this Act. Copies of these justifications shall be provided by the appointing authority to the Chairmen of the House Appropriations Committee and the Senate Finance Committee. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.

4) Incumbents with less than six months tenure in the position listed in this subsection and in §1-1 through §1-15 of this Act shall not be eligible for the salary increase authorized by this subsection.

d. Competitive Salary Increases: At any time the appointing authority may approve a salary increase for the incumbent in a position listed in this subsection, in response to a bona fide job offer from another employer.

1) Such competitive salary increase shall be:

- a) Based on his evaluation of their individual performance,
- b) No more than the maximum of the salary range,
- c) No more than 15 percent for any single competitive offer or for a combination of competitive offers in a single fiscal year, and
- d) Temporary and provisional until the first day of the pay period next following the Governor's signature of the budget bill.

3) In authorizing a competitive salary increase, the appointing authority in the Judicial Branch and Independent Agencies shall provide the Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification for such increase. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.

e. Performance Bonuses: At any time the appointing authority may approve a performance bonus for the incumbent in a position listed in this subsection.

  - b) No greater than five percent of the annual salary for the incumbent, as listed in this Act, and
- 2) Performance bonuses shall not be granted to any individual more than once in a twelve month period.

3) In authorizing a performance bonus, the appointing authority shall provide;

a) The Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.

b) Notification of performance bonuses to the Department of Human Resource Management for retention in its records.

c) The Department shall accept the lowest rates offered by the hospital from among the rates charged by the hospital to:

1) Its largest purchaser of care,

2) Any state or federal public program, or

3) Any special rate developed by the hospital for the state employee health benefits program which is lower than either of the rates above.

d) If the Department and the hospital cannot come to an agreement, the Department shall reimburse the hospital at the rates contained in its final offer to the hospital until the dispute is resolved.

Except as provided for sworn personnel of the Department of State Police, no payment of, or reimbursement for, the employer paid contribution to the State Police Officers' Retirement System, or any system offering like benefits, shall be made by the Compensation Board of the Commonwealth at a rate greater than the employer rate established for the general classified workforce of the Commonwealth covered under the Virginia Retirement System. Any cost for benefits exceeding such general rate shall be borne by the employee or, in the case of a political subdivision, by the employer.

2. Any classified employee of the Commonwealth who (i) is compensated on a salaried basis and (ii) works at least twenty hours per week shall be considered a full-time employee for the purposes of participation in the Virginia Retirement System's group life insurance and retirement programs. Any part-time magistrate hired prior to July 1, 1999, shall have the option of participating in the programs under this provision.

3. Notwithstanding any other provision of law, the board of visitors or other governing body of any public institution of higher education is authorized to establish age and service eligibility criteria for faculty participating in voluntary early retirement incentive plans for their respective institutions pursuant to § 23-9.2:3.1 B and the cash payment offered under such compensation plans pursuant to § 23-9.2:3.1 D, Code of Virginia. The total cost in any fiscal year for any compensation plan established under § 23-9.2:3.1 D, Code of Virginia, shall be set forth by the governing body in the

compensation plan for approval by the Governor and review for legal sufficiency by the Office of the Attorney General.

2. Notwithstanding the provisions of §2.2-3202 of the Code of Virginia, full-time employees appointed by the Governor, whether or not confirmed by the General Assembly, shall be entitled to severance benefits equal to one month salary, provided that they meet the standard of a terminated employee set out in §2.2-3200 of the Code of Virginia.

§ 4-6.03 CHARGES

a. FOOD SERVICES:

1. Except as exempted by the prior written approval of the Director, Department of Human Resource Management, and the provisions of § 2.1-558 A, Code of Virginia, state employees shall be charged for meals served in state facilities.

a) Charges for meals will be determined by the agency. Such charges shall be not less than the value of raw food and the cost of direct labor and utilities incidental to preparation and service.

b) Each agency shall maintain records as to the calculation of meal charges and revenues collected.

c) Except where appropriations for operation of the food service are from nongeneral funds, all revenues received from such charges shall be paid directly and promptly into the general fund.

2. The provisions of this subsection shall not apply to on-duty employees assigned to correctional facilities operated by the Departments of Corrections, Juvenile Justice, and Correctional Education.

b. HOUSING SERVICES:

1. Each agency will collect a fee from state employees who occupy state-owned housing, subject to guidelines provided by the Director, Department of General Services. Each agency head is responsible for establishing a fee for state-owned housing and for documenting in writing why the rate established was selected. In exceptional circumstances, which shall be documented as being in the best interest of the Commonwealth by the agency requesting an exception, the Director, Department of General Services may waive the requirement for collection of fees.

2. All revenues received from housing fees shall be promptly deposited in the state treasury. For housing for which operating expenses are financed by general fund appropriations, such revenues shall be deposited to the credit of the general fund. For housing for which operating expenses are financed by nongeneral fund appropriations, such revenues shall be deposited to the credit of the nongeneral fund. Agencies which provide housing for which operating expenses are financed from both general fund and nongeneral fund appropriations shall allocate such revenues, when deposited in the state treasury, to the appropriate fund sources in the same proportion as the appropriations. However, without exception, any portion of a housing fee attributable to depreciation for housing which was constructed with general fund appropriations shall be paid into the general fund.

c. VEHICLE PARKING SPACES:

1. Agencies with parking space for employees in state-owned facilities shall, when required by the Director, Department of General Services, charge employees for such space on a basis approved by the Governor. All revenues received from such charges shall be paid directly and promptly into a special fund in the state treasury to be used, as determined by the Governor, for payment of costs for the provision of vehicle parking spaces. Interest shall be added to the fund as earned. In the case of any agency with central administrative offices occupying leased or rental space in the metropolitan Richmond area, not including institutions of higher education, the Director shall require that a fee be charged employees for vehicle parking spaces which are assigned to them or which are otherwise available incidental to the lease or rental agreement. In such cases the individual employee fee scale shall not be less than that provided for employees at the Seat of Government, provided that if, in the opinion of the Director good cause is shown, this portion of the requirement may be amended or waived. Revenues derived from employees paying for parking spaces in leased facilities will be retained by the leasing agency to be used to offset the cost of the lease to which it pertains.

2. Agencies assigned to a Governor's Secretary, excluding institutions of higher education, which are located in the metropolitan Richmond area shall not use public funds to lease private parking spaces for employees. Payments for such leases shall be derived from charges to employees for parking space or from other nonpublic funds, or both. Any lease for private parking space must be approved by the Director, Department of General Services.

§ 4-6.04 SELECTION PROCESS FOR FILLING POSITIONS

a. In filling all state positions, all provisions relative to competitive hiring outlined in Title 2.2, Chapter 29, Code of Virginia (the Virginia Personnel Act), shall be strictly observed by state agency heads. Neither the Governor, a member of the Governor's staff, nor the Cabinet Secretaries and their deputies shall exercise authority with respect to, or otherwise seek to influence the selection or tenure in office of any individual for a position subject to the Virginia Personnel Act.

b. In keeping with the provisions of Title 2.2, Chapter 29, Code of Virginia (the Virginia Personnel Act) all appointments and promotions to and tenure in positions in the service of the Commonwealth shall be based upon merit and fitness, to be ascertained, as far as possible, by the competitive rating of qualifications by the respective appointing authorities.”

"H.1. Notwithstanding Chapter 35.1 of Title 58.1 of the Code of Virginia, the Department of Taxation shall administer the Personal Property Tax Relief Act of 1998 beginning no later than January 1, 2003.

2. Further, the Department shall establish an audit unit that will identify those individuals who have received personal property tax relief for vehicles that do not meet the "Used for nonbusiness purposes" criteria as defined in §58.1-3523 of the *Code of Virginia*. The Department of Motor Vehicles, the Department of Accounts and all local Treasurers, Commissioners of the Revenue and Directors of Finance, or officials acting in that capacity, shall cooperate with the Department and shall provide all information and assistance necessary, upon request, to fulfill this responsibility.

3. The Department shall develop a Uniform Personal Property Tax Relief Qualification Certificate for the use of local assessment officials who shall incorporate such certificate in every return of tangible personal property tax due to be filed on or after January 1, 2003. Such certificate shall be designed to allow a taxpayer to attest to the qualification for reduced assessment of each motor vehicle owned by such taxpayer, both for the current tangible personal property assessment year, and for the immediately prior year. Failure by a taxpayer to return an executed certificate with the return of tangible personal property shall disqualify the subject motor vehicle(s) for tax relief for both years for which certification is required. The personal property tax records of localities shall periodically be audited by the Department for the purpose of ascertaining the level of compliance with this provision. Local Treasurers, Commissioners of the Revenue and Directors of Finance also shall include with personal property tax bills a prominent and clear notice of a) the limitation in the personal property tax relief program on the use of personal vehicles for business purposes, and b) the

statutory conditions under which the personal property tax relief program will not be advanced to the next level. The Department of Motor Vehicles shall include such notices with all motor vehicle registrations or renewals.

4. Local Treasurers, Commissioners of the Revenue and Directors of Finance shall not bill the state for personal property tax on any vehicle(s) that lacks the duly executed certificate filed with the return of tangible personal property. Local Treasurers, Commissioners of the Revenue and Directors of Finance shall notify the State Comptroller of the dollar amount that the state paid in the immediately prior year for any vehicle that is not certified for tax relief, said amount representing an overpayment by the state, and the State Comptroller shall withhold that amount from subsequent payments to the local treasurer for personal property tax relief. Localities may re-bill responsible taxpayers for the amounts of overpayment that have been withheld by the state.

5. In addition, the Department shall develop and assist local assessment officials with the implementation of data matching programs designed to aid in the identification of individuals who improperly receive the benefit of reduced assessments of motor vehicles. Data sources which should be considered for these programs shall include, but need not be limited to, local business licensing records, Department of Motor Vehicle records, employer travel expense records, and the most recent tax year business expense data submitted by Virginia taxpayers with their Virginia tax returns.

6. Personal property tax payments to any county, city or town whose Treasurer, Commissioner of the Revenue, Director of Finance, or officials acting in that capacity, fail to reasonably cooperate in the implementation of the audit program established by this item shall have personal property tax relief payments withheld until such time as the Tax Commissioner certifies that cooperation has been obtained.

7. The Department shall report to the Chairmen of the Senate Finance and House Appropriations Committees by November 1st of each year on total overpayments by the state that have been identified for the prior calendar year.”

II. Such amendments to the State Plan shall become effective within 280 days from the enactment of this act.

JJ. The Department of Medical Assistance Services shall identify additional general fund savings through various cost containment measures. Such measures may include, but need not be limited to: (i) more efficient service delivery systems; (ii) additional utilization review and health care cost management strategies; (iii) revisions to the current level of benefits and covered services; (iv) revisions to current reimbursements for services provided to Medicaid recipients; and (v) other cost-saving strategies as appropriate. The Department shall encourage maximum competition for the new contract from all private prison management companies that are capable of operating a facility of this size and level of security. Upon the completion of the Department's evaluation of the proposals and upon the tentative selection of an offeror on the basis of cost, contractor qualifications, prior record of performance, and other relevant considerations, the Department shall compare the projected cost of operation by the private contractor with the projected cost of operation by the Department using its own employees, and shall prepare a report on its findings.

b. The Governor shall provide copies of this report to the Chairmen of the Senate Finance and House Appropriations Committees for their review and comment. Pursuant to § 2.2-4342 B of the Code of Virginia, this report, being in the nature of a cost estimate related to a procurement transaction prepared by a public body, shall not be made public nor released in response to a Freedom of Information Act request.

c. If, after receiving the Chairmen's comments, as well as an analysis of this report by the Department of Planning and Budget, the Governor concludes that it is less costly for the Department of Corrections to operate the facility using its own employees, the Governor shall direct the Department to do so. If the Governor concludes that it would be less costly to operate the facility with a private contractor, then, provided that a satisfactory contract can be negotiated and provided that the cost of the proposed contract for the operation of the facility by a private vendor can be accommodated within the constraints of the state budget and that the contract is in the general best interests of the Commonwealth, the Governor may authorize the Department to enter into the contract.

d. Nothing in this Item is intended to amend the provisions of the Virginia Public Procurement Act or to prohibit the Department from negotiating a contract with another offeror, if a satisfactory offer cannot be negotiated with the offeror first selected."

The project must be consistent with the guidelines of the Department of General Services and comply with Treasury Board Guidelines issued pursuant to § 23-19 (d)(4), Code of Virginia and subsequent amendments thereto.

2. The General Assembly authorizes George Mason University to enter into a written agreement with a public or private entity to design, construct, and finance a facility or facilities to provide additional student housing. The facility or facilities may be located on property owned by the

Commonwealth. All project proposals and approvals shall be in accordance with the guidelines cited in number 1 of this item.

4. The General Assembly further authorizes George Mason University to enter into a written agreement with its affiliated foundation to construct one or more facilities to provide additional student housing on University land to be leased to said foundation for such purposes. George Mason University also is authorized to enter into a written agreement with said foundation for the support of such student housing facilities by including the student housing facilities in the University's student housing inventory and managing the operation and maintenance of same, by assigning students to the facility in preference to other University facilities, by restricting construction of competing student housing projects and by otherwise supporting said student housing facilities consistent with law, provided that the University shall not be required to take any action that would constitute a breach of the University's obligations under any documents or other instruments constituting or securing bonds or other indebtedness of the University or the Commonwealth of Virginia.”

b. New Appointees: The annual salaries of persons appointed to positions listed in this subsection shall be established at:

- 1) No more than 15 percent above the appointee's pre-appointment salary, not to exceed the maximum for the salary range, or
- 2) The minimum for the salary range.
- 3) The basis for calculation of a new appointee's salary shall be the last full-time salary, or annualized wage, paid to such individual. If such salary or wage was in compensation for serving in an acting or otherwise temporary capacity, then the calculation shall be based upon the salary or wage of the last permanent position held by the appointee.
- 4) In proposing the salary for a new appointee as authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01.a.5.b.1) not be viewed as the normal increase for new appointees. The Governor shall be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's potential contribution to the Commonwealth, and such other criteria as he may find useful.

c. Annual Salary Increases: In his budget proposals to the General Assembly, the Governor shall propose increases or decreases, if any, to the salaries of incumbents in the positions listed in this subsection.

- 1) Such proposals shall be:
  - a) Based on his evaluation of their individual performance,
  - b) No more than the maximum of the range of performance increases granted in that fiscal year for classified employees under the Classified Employee Pay Plan as set out in Item 511, of this Act,
  - c) No more than the maximum for the salary range, and
  - d) Shall be effective on the first day of the pay period next following the Governor's signature of the budget bill.
- 2) In making his proposals in the budget, the Governor shall provide the Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification of any increase that deviates from the average increase recommended for classified state employees under the Classified Employee Pay Plan as set out in Item 511, of this Act. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.
- 3) Incumbents with less than six months tenure in the position listed in this subsection shall not be eligible for the salary increase authorized by this subsection.
- 4) In proposing the annual salary increase authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01.a.5.c.1) b) above should be reserved for those agency heads who made an exceptional contribution to the operation of their agency. The Governor shall be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth, and such other criteria as he may find useful.

d. Competitive Salary Increases: At any time, the Governor may approve a salary increase for the incumbent in a position listed in this subsection, in response to a bona fide job offer from another employer.

- 1) Such competitive salary increase shall be:
  - a) Based on his evaluation of their individual performance,
  - b) No more than the maximum of the salary range,
  - c) No more than 15 percent for any single competitive offer or for a combination of competitive offers in a single fiscal year, and

d) Temporary and provisional until the first day of the pay period next following the Governor's signature of the budget bill.

2) In approving a competitive offer, the Governor should be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth and the relative difficulty of finding a qualified replacement, and such other criteria as he may find useful.

3) In authorizing a competitive salary increase, the Governor shall provide the Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification for such increase. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.

e. Performance Bonuses: At any time, the Governor may approve a performance bonus for the incumbent in a position listed in this subsection.

1) Such performance bonus shall be:

1) Based on his evaluation of their individual performance,

2) No greater than five percent of the annual salary for the incumbent, as listed in this Act, and

2) Performance bonuses shall not be granted to any individual more than once in a twelve month period.

3) In authorizing a performance bonus, the Governor shall provide;

a) The Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.

b) Notification of performance bonuses to the Department of Human Resource Management for retention in its records.

f. Special Provisions for Executive Branch Agency Heads:

1) Except as may be otherwise provided in this Act, all incumbents holding positions listed in this § 4-6.01 shall be eligible for all fringe benefits provided to full-time classified state employees and, notwithstanding any provision to the contrary, the annual salary paid pursuant to this § 4-6.01 shall be included as creditable compensation for the calculation of such benefits.

2) If at any time the Administrator of the Commonwealth's Attorneys' Services Council serves on the faculty of a state-supported institution of higher education, the faculty appointment must be approved by the Council. Such institution shall pay one-half of the salary listed in § 4-6.01 c 6 of this act.

a) Further, such institution may provide compensation in addition to that listed in § 4-6.01 c 6; provided, however, that such additional compensation must be approved by the Council.

Subramanian Kannan, Indian American Forum for Political Education, Alexandria, Virginia, offered the following prayer:

Om is the giver of life, the dispeller of miseries and bestower of happiness. We should meditate upon Him, the creator of the universe, the most acceptable and the most knowledgeable God. May He inspire us and guide our intellects to do good.

May the brighter regions, the midway regions between the earth and sun, the waters, herbs, vegetation, the learned sages and educators, meditation, and study for acquisition of knowledge — In brief, the entire universe, be free from harm and conducive to peace and happiness for us. May this peace bring in its train higher peace (emancipation) which may pervade the whole universe. May such peace be my lot also.

May one and all be happy and in comfort!

May one and all be happy and in good health!

May one and all do well and be happy!

May one and all be blissfully free from anxiety, want and suffering!

O Supreme Spirit!

Lead us from untruth to truth

Lead us from darkness to light

Lead us from death to immortality!

O God let us all unite and protect ourselves. Let us render service to others and let our studies be beneficial and effective. Let there be no hatred among us.

(7) Land subject to a perpetual easement permitting inundation by water as may be exempted in whole or in part by general law.

(d) The General Assembly may define as a separate subject of taxation any property, including real or personal property, equipment, facilities, or devices, used primarily for the purpose of abating or preventing pollution of the atmosphere or waters of the Commonwealth or for the purpose of transferring or storing solar energy, and by general law may allow the governing body of any county, city, town, or regional government to exempt or partially exempt such property from taxation, or by general law may directly exempt or partially exempt such property from taxation.

## TUESDAY, MARCH 5, 2002

The Senate met at 10:30 a.m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Dr. Mark Beckton, Pastor, Grove Avenue Baptist Church, Richmond, Virginia, offered the following prayer:

Father, we bow before You because You are a sovereign God. It's in Your sovereignty that You have allowed each of these men and women to hold these chairs of decision-making at this time. Father, their docket is full today—before we pray for Your wisdom for them, I first ask that You will take care of the other needs that may be on their hearts and minds. Father, many may be away from family at this time and family is on the heart. Would You take care of their families as they take care of the needs of the state. Finances might be on their minds—take care of their needs financially as they take care of the finances of the state.

There is so much to talk about today—so many decisions—I pray that You would give to each of these Your wisdom as they keep us as a state, as a peaceable people. Lord, we acknowledge You because we can't do it alone. We need You and Your wisdom, and we ask for this in Jesus' name. Amen.

The roll was called and the following Senators answered to their names:

Barry, Blevins, Bolling, Byrne, Chichester, Colgan, Deeds, Edwards, Hanger, Hawkins, Houck, Howell, Lambert, Lucas, Marsh, Martin, Marye, Miller, K.G., Miller, Y.B., Newman, Norment, Potts, Puckett, Puller, Quayle, Reynolds, Ruff, Saslaw, Stolle, Stosch, Ticer, Trumbo, Wagner, Wampler, Watkins, Whipple, Williams.

Eternal God, source of infinite justice, goodness and love, we humbly beseech Thee. Pour into the hearts and minds of these members the spirit of wisdom and understanding, the spirit of right judgment and courage, the spirit of knowledge and humility. Grant them deliberation with great insight in service to the good of this commonwealth and the welfare of its citizens so the people of Virginia may reach their fulfillment more fully and more easily.

May they be ever mindful that the dignity of the human persons whom You have created requires the pursuit of the common good. May they be concerned to create and support efforts that improve the conditions of human life. Grant them the humility to understand their sacred obligation that You have entrusted to them: to bring about greater peace, stability and security of a just order that promotes the common good of a civil society founded on truth, built up in justice and animated by love. We pray that You guide them in the path You have provided us through the words of the prophet Micah: To do the right, to love goodness and to walk humbly with You. ## THURSDAY, MARCH 7, 2002

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

Ms. Billie Davis, Pastor, Centenary United Methodist Church, Richmond, Virginia, offered the following prayer:

Dear almighty, beneficent and gracious God, we come to You today in humbleness, asking for guidance in the affairs of the great Commonwealth of Virginia. Much is asked of those who serve for the greater good of all Virginians in our society; those who are self-sufficient and those who are dependent on others; those who have all that life has to offer and those who live in want, need, and despair; those who have voices to make their needs and wants known and those who have no voice in their life, only despair.

We ask that You send wisdom to those who make the laws of this Commonwealth. We ask that You teach us, all Virginians, how to be good stewards of our natural resources, our human resources, and our financial resources. All Virginians are aware of the difficult decisions that this body of esteemed men and women are contemplating. Bring comfort, confidence, and creativity to them as they face the days ahead.

As the men and women of the Senate continue their service to the Commonwealth and its residents, bring them wisdom tempered with humility, strength girded in compassion, and faith that only a loving God can bestow on his servants.

Whatever name we call You, be it Almighty God, Jehovah, Eloihem, Allah, Buddha, or the Great Spirit, bless Your children with the gifts and graces to make a difference in the lives of the many different people they serve. This we ask in Your name. Amen.

The roll was called and the following Senators answered to their names:

Barry, Blevins, Bolling, Byrne, Chichester, Colgan, Deeds, Edwards, Hanger, Hawkins, Houck, Howell, Lambert, Lucas, Marsh, Martin, Marye, Maxwell, Miller, K.G., Miller, Y.B., Mims, Newman, Norment, Potts, Puller, Quayle, Rerras, Reynolds, Ruff, Saslaw, Stolle, Stosch, Ticer, Trumbo, Wagner, Wampler, Watkins, Whipple, Williams.

#### SENATE BILL WITH HOUSE AMENDMENTS

**S.B. 78** (seventy-eight), on motion of Senator Wampler, was passed by temporarily.

#### HOUSE BILLS ON THIRD READING

**H.B. 302** (three hundred two) was taken up, the vote by which the committee substitute was agreed to having been reconsidered on March 6, 2002.

Senator Norment moved that the substitute be agreed to.

#### RULING OF THE CHAIR

Senator Deeds propounded a parliamentary inquiry as to whether the substitute offered by the Committee for Courts of Justice to **H.B. 302** was germane.

The Chair ruled that the substitute offered by the Committee for Courts of Justice to **H.B. 302** was germane.

#### PARLIAMENTARY INQUIRY

Senator Deeds propounded a parliamentary inquiry, stating that the purpose and language in the substitute offered by the Committee for Courts of Justice to **H.B. 302** was encompassed in **S.B. 67**, which had been defeated in the Committee for Courts of Justice.

#### PARLIAMENTARY INQUIRY

Senator Norment propounded a parliamentary inquiry as to the appropriateness of addressing **S.B. 67**, which was not before the Senate.

The Chair stated that he would not address **S.B. 67**, but if the parliamentary inquiry was in preface to a question on **H.B. 302**, he would allow the inquiry to be made.

#### RULING OF THE CHAIR

Senator Deeds propounded a parliamentary inquiry as to if a bill having been once rejected (**S.B. 67**), whether another bill of the same substance (**H.B. 302**) could be brought up again in the same session, pursuant to *Jefferson's Manual of Parliamentary Practice*. Senator Deeds propounded a further parliamentary inquiry as to whether the substitute offered by the Committee for Courts of Justice to **H.B. 302** was properly before the Senate.

The Chair stated that his understanding of the place of *Jefferson's Manual of Parliamentary Practice* in the construction of the Senate Rules was that if there was a need to construe or interpret a Senate rule, the teaching of *Jefferson's Manual of Parliamentary Practice* could be used to try to interpret something. But, unless there was a Senate rule that prohibited the consideration on two occasions of singular substance, the language of *Jefferson's Manual of Parliamentary Practice* would not apply. The Chair ruled that since there was no Senate rule that would prohibit consideration of the substitute offered by the Committee for Courts of Justice to **H.B. 302** because similar substance had been previously rejected in **S.B. 67**, the substitute offered by the Committee for Courts of Justice to **H.B. 302** could be considered by the Senate.

On motion of Senator Norment, the substitute was agreed to.

The substitute was ordered to be engrossed.

**H.B. 302**, on motion of Senator Norment, was passed with its title.

The recorded vote is as follows:

## SATURDAY, MARCH 9, 2002

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend George A. Williams, Retired Chief Deputy Clerk of the Virginia House of Delegates, Mechanicsville, Virginia, offered the following prayer:

O God, our Creator and Sustainer!

Here we are again — asking for Your blessing on the last day, and hopefully not the longest day!

What a session this has been with needs to be met and problems to be solved, and not enough dollars. We must serve our constituents and save the Commonwealth, follow the political agenda, respond to our own leadership and to the Governor. We must keep an eye on the House, understand the issues, negotiate and compromise, and approve the budget, and still keep ourselves and our family life in some kind of order.

God, help us this day! May we rise to the occasion! Empower us with Your spirit, determination, and love that we may complete our work, and go home — having served our people with honor, justice, and compassion!

And You, O God, “will raise us up on eagle’s wings, bear us on the breath of dawn, make us shine like the sun, and hold us in the palm of Your hand!”

Peace, Shalom, Salaam! Amen!

The roll was called and the following Senators answered to their names:

Conferees on the part of the Senate

\*After reviewing findings from the Virginia State Crime Commission's study on Indigent Defense, I cannot support a conference report that does not include Newport News as a location for a Public Defenders Office.

By 2000, indigent defense costs in Newport News had increased 37% since 1995. The average cost per charge for court-appointed counsel in Newport News exceeded the statewide average. Also, during this time, the crime rate in Newport News declined significantly. In 1995, the crime rate in Newport News was 6,276 per 100,000. By 1998, the crime rate declined 17% to 5,183 per 100,000.

According to House Appropriations Committee staff projections, even with start-up costs, a Public Defenders Office in Newport News would save the state \$850,000 over the 2002-2004 biennium for indigent defense expenditures in Newport News.

According to the Crime Commission's findings, individuals represented by public defenders received shorter sentences than those represented by court-appointed counsel. To me, this indicates a higher level of quality from indigent defense representation by public defenders. This results in additional state savings for the cost of incarceration.

Given the current state budget situation, I believe it is fiscally irresponsible for the state to spend well over \$2 million to private, court-appointed counsel in Newport News at a time when funding for many critical state services and programs are being reduced or eliminated. I believe the passage of HB 242, as passed by the House, is the more fiscally responsible position related to this matter.

For these reasons, I dissent on the Conference Report for HB 242.

Consistent with the authorization provided in § 4-2.01 b. of this act, the boards of visitors or other governing bodies of institutions of higher education shall determine tuition, fees, and charges for each fiscal year of the 2002-2004 biennium; however, the boards of visitors shall make every effort to minimize the tuition and fee increases for in-state undergraduate students. It is expected that tuition increases for undergraduate in-state students shall not exceed nine percent per year.

2. In setting tuition and fee increases for each of the next two fiscal years, the boards of visitors shall consider the following: (a) the consumer price index; (b) in-state tuition charges of each institution's public peer group; (c) the maximization of other revenues by setting tuition rates for out-of-state students, graduate students and first professional students at market rate or higher without adversely affecting the access of in-state students to Virginia's public colleges and universities; (d) the reflection of the amortized cost of the construction and renovation of buildings approved by the Commonwealth of Virginia Educational Institutions Bond Act of 1992, the 21st Century College Trust and the Building Virginia's Future capital improvement programs in the tuition and fee rates

for nonresident students; (e) the feasibility of setting aside a portion of the tuition increase to provide additional financial aid resources, in combination with state, federal, and private resources; (f) the impact of tuition increases on access and the availability of student aid; and (g) the impact of a tuition increase on the composition of the institution’s applicant pool.

3. In determining tuition and fee charges, the boards of visitors or other governing bodies of institutions of higher education shall (a) make every effort to achieve potential cost savings as opposed to tuition increases; and (b) not increase the current proportion of nonresident undergraduate students if the institution’s nonresident undergraduate enrollment exceeds 25 percent.

4. Two-year public institutions are exempt from the restrictions contained in 3(b) above for the 2002-2004 biennium.

5. Norfolk State University, Virginia Military Institute, and Virginia State University are exempt from the restrictions contained in 3(b) above for the 2002-2004 biennium.

§ 3-5.01 ACCELERATED SALES AND USE TAX COLLECTIONS

A.1. Notwithstanding the provisions of § 58.1-615, Code of Virginia, every dealer, as defined by § 58.1-612, Code of Virginia, or direct payment permit holder pursuant to § 58.1-624, Code of Virginia, with taxable sales and purchases of \$1.3 million or greater for the period July 1, 2000, to June 30, 2001, shall be required to make a payment equal to 90 percent of the sales and use tax liability for June 2001 as the estimated amount of sales and use tax liability for the month of June 2002. Such tax payments shall be made on or before the 30th day of June 2002, if payment is made by electronic funds transfer, as defined in § 58.1-202.1, Code of Virginia. If payment is made by other than electronic funds transfer, such payment shall be made on or before the 25th day of June, 2002. Payments under this paragraph shall be made in accordance with procedures established by the Tax Commissioner and shall be considered general fund revenue. For purposes of this provision, taxable sales or purchases shall be computed without regard to the number of certificates of registration held by the dealer. Every dealer or direct payment permit holder shall be entitled to a credit for the payment under this paragraph on the June 2002 return due July 20, 2002. The State Comptroller shall make no distribution of the collections in accordance with § 58.1-638, Code of Virginia, until the provisions of paragraph 3 are met. The provisions of this section shall not apply to persons who are required to file only a Form ST-7, Consumer User Tax Return.

2. In lieu of the penalties provided in § 58.1-635, Code of Virginia, except with respect to fraudulent returns, failure to make a timely payment or full payment of the sales and use tax liability as provided in paragraph 1 above shall subject the dealer or direct payment permit holder to a penalty of six percent of the amount of the tax underpayment that should have been properly paid to the Tax Commissioner. Interest will accrue as provided in § 58.1-15, Code of Virginia. The payment required by paragraph 1 above shall become delinquent on the first day following the due date set forth in paragraph 1, if not paid.

3. If the Governor determines on July 31, 2002, that funds are available to transfer such collections in accordance with § 58.1-638, Code of Virginia, he shall direct the State Comptroller to make such allocation. The Governor will report his determination to the Chairmen of the House Appropriations and Senate Finance Committees on August 15, 2002.

4. It is the intent of the General Assembly that the payment requirement contained herein be phased out beginning in fiscal year 2006. The payment amount for June 2006 should be reduced to 85 percent of the sales and purchases for the previous June and the payment amount should continue to be reduced until fully eliminated not later than June 2012.”

2. "H.1. Notwithstanding Chapter 35.1, Title 58.1, Code of Virginia, and in accordance with §58.1-202, Code of Virginia, it is the intent of the General Assembly that the administration and execution of the Personal Property Tax Relief Act shall be conducted by the Department of Taxation beginning no later than January 1, 2004. The Department of Taxation and the Department of Motor Vehicles shall begin to develop a migration plan that will transfer the administration of the Act, including any changes necessary in the Code of Virginia to facilitate the transfer. The Director of the Department of Planning and Budget shall transfer the required positions and funding to effectuate this purpose.  
2. Further, the Department shall first develop and administer an audit program to measure compliance with the provisions of the Personal Property Tax Relief Act, beginning no later than January 1, 2003. The Department of Motor Vehicles, the Department of Accounts and all local Treasurers, Commissioners of the Revenue and Directors of Finance, or officials acting in that capacity, shall cooperate with the Department and shall provide all information and assistance necessary, upon request, to fulfill this responsibility. The Commissioner shall also consider the work of the Personal Property Tax Relief Act Compliance Task Force.

3. The Department shall develop a Uniform Personal Property Tax Relief Qualification Certificate and a process for use by the Department of Motor Vehicles and local assessment officials who shall incorporate such certification process in every return of vehicle registrations and tangible personal property tax due to be filed on or after January 1, 2003. Such certificate shall be designed to allow a taxpayer to attest to the qualification for reduced assessment of each motor vehicle owned by such taxpayer for the current tangible personal property assessment year. For personal property returns due to be filed on or after January 1, 2004, such certification shall be designed to allow a taxpayer to attest to the qualification for reduced assessment of each motor vehicle owned by such taxpayer for the current personal property assessment year, and for the immediately prior year. Notwithstanding the provisions of Chapter 35.1, Title 58.1, Code of Virginia, no local assessment official shall extend personal property tax relief on any motor vehicle for any assessment period beginning on or after January 1, 2003, unless the taxpayer filing a return for such vehicle has executed and returned a certification to the Department of Motor Vehicles or the local assessment official attesting that the subject vehicle qualifies for personal property tax relief for the assessment period for which relief is sought. The motor vehicle registration records and personal property tax records of localities shall periodically be audited by the Department for the purpose of ascertaining the level of compliance with this provision. Local Treasurers, Commissioners of the Revenue and Directors of Finance also shall include with personal property tax bills a prominent and clear notice of the limitation in the personal property tax relief program on the use of personal vehicles for business purposes. The Department of Motor Vehicles shall also include such notices with all motor vehicle registrations and renewals.

4. Local Treasurers, Commissioners of the Revenue and Directors of Finance shall not bill the state for personal property tax on any vehicle that lacks the duly executed certificate filed with the return of tangible personal property. Personal property tax records of localities shall be audited periodically by the Department for the purpose of ascertaining the level of compliance with this provision and the provisions of Chapter 35.1, Title 58.1, Code of Virginia. The Department shall estimate the amount of personal property tax relief paid for nonqualifying vehicles to each audited locality and report such estimates to the State Comptroller. Local Treasurers, Commissioners of the Revenue and Directors of Finance shall notify the State Comptroller of the dollar amount that the state paid in the immediately prior year for any vehicle that is not certified for tax relief, said amount representing an overpayment by the state. The State Comptroller shall withhold from subsequent payments to the local treasurer for personal property tax relief any overpayments reported by Local Treasurers, Commissioners of Revenue, and Directors of Finance and any estimated overpayments by the Department. Localities may re-bill responsible taxpayers for the amounts of overpayment that have been withheld by the state.

5. In addition, the Department shall assist local assessment officials with the implementation of data-matching programs designed to aid in the identification of individuals who improperly receive the benefit of reduced assessments of motor vehicles.

6. Each Treasurer, Commissioner of the Revenue, Director of Finance, or officials acting in that capacity, shall cooperate in the implementation of the audit program established by this paragraph. The Department of Motor Vehicles and the Department of Accounts shall also cooperate with the Department and shall provide all information and assistance, upon request, to fulfill the Department's audit responsibility.

7. The Department shall report to the Chairmen of the Senate Finance and House Appropriations Committees by November 1st of each year on total overpayments by the state that have been identified for the prior calendar year.

8. The Tax Commissioner is authorized to promulgate administrative guidelines designed to achieve the purpose of this program. The adoption of such rules shall not be subject to the requirements of the Administrative Process Act.”

The State Board of Social Services shall adopt necessary regulations by which local boards of social services may request changes in their locality grouping, which is used to determine the amount of payment for the Temporary Assistance to Needy Families (TANF) program. The State Board shall establish criteria by which all such requests will be evaluated.
