The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

Monsignor Michael Schmied, St. Augustine’s Catholic Church, Richmond, Virginia, offered the following prayer:

Good and gracious God, with holy days, holidays and feasts complete, let now this old but ever new legislative body begin this New Year and new session with Your wisdom and light. Lend this son of Yours the 72nd Psalm prayer of that little country boy who became such a just and wise leader of his beloved people.

O God, with Your judgement endow, not a king, but our Governor of this Commonwealth of Virginia with Your justice ... and the Governor’s lieutenants, legislators and these Senators. May they govern Your people, their people, our people with justice and Your afflicted ones with judgment. May the mountains’, hills’, valleys’, plains’, and cities’ Senators yield prosperity and integrity, justice and peace for Your people. Amid honest debate and negotiated deals, fair budgetary and parliamentary procedures, votes and vetoes, may these Your servants and our Senators rescue the poor when they cry out and the afflicted when they have none to help them. By their generous and just service may all our citizens be redeemed from fraud and terror, from fear and violence.

May there be an abundance of crops of all delicious Virginia kinds throughout the counties of our countryside. May our city dwellers overcome conflicts and congestion and flourish like the verdure of our beautiful fields. Blessed be the Lord who does wondrous deeds. May the whole earth be filled with God’s glory, and through the wondrous deeds of these Senators, surely this good earth of Virginia. The prayers of this country shepherd, urban ruler, adapted by this Virginia pastor, are ended. Amen.

The roll was called and the following Senators answered to their names:

The Honorable Mark R. Warner
Governor of Virginia

Richmond, Virginia 23219

Dear Governor Warner:

It is with a combination of great regret, but some relief, that I do submit to you my resignation as a member of the Senate of Virginia effective the 17th day of June, 2002. My service in public elective office for the past 33 years has been a privilege and an honor few have ever experienced. I am very fortunate in this regard, however personal matters dictate my action at this time.

I leave knowing that I have had the special honor of playing a small part in the history of the world’s finest legislative body. I will always treasure my working relationship with the fine men and women who serve the people of Virginia, and I express my thanks to you for courage and leadership during the difficult days following your inauguration.

Respectfully and sincerely,

/s/ Warren E. Barry

Governor, Commonwealth of Virginia
The State Capitol
Richmond, VA 23219

Dear Governor Warner:

It is with great regret that I tender my resignation from the Senate of Virginia, effective August 1, 2002.

As you may imagine, this has been a difficult decision, but it is the right one. Though I am extremely
grateful for the opportunity to have served during these past three decades, I feel the time has come for
me to go. Also, the continued confusion regarding my district has complicated my situation considerably.

I wish you the very best in your future endeavors, and hope most sincerely that you will call upon me for
any help I might be able to provide.

With warmest regards,

/s/ Madison E. Marye

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend John Christopher DeCelles, Pastor, St. Michael’s Church, Annandale, Virginia, offered the following prayer:

Grant us the grace, Good Lord,
To walk the narrow way of truth.
To do what is right, and not what will win praise.
To avoid doing anything evil, even to achieve good.
To assist all those in need, and to protect the defenseless.
To be content to stand alone, but never to shun cooperation or friendship.
To be fair and respectful to our foes.
To be courageous when tempted by fear.
To set the mind firmly on You and Your will.
To rejoice in the gifts You give us, but not to long for worldly pleasures.
To patiently suffer adversity and be joyful in tribulations, as we lean into Your comfort.
To be humble under Your mighty hand.
Give us, Lord, quiet, peaceable, patient, humble, and charitable minds, and in all thoughts, words and deeds a taste of Your peace.
Give us, Lord, lively faith, firm hope, fervent charity, and love for You.
Protect us from all who wish to harm us, and grant us the grace to love them even still.
The things that we pray for, good Lord, give us the grace to labour for. Amen.

MONDAY, JANUARY 13, 2003

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Dr. William E. Thompson, Pastor, College Church at Hampden-Sydney, Hampden-Sydney, Virginia, offered the following prayer:

Gracious God, from whom cometh all of our many blessings, we give You humble and hearty thanks for this favored age in which we have been born. We bless You (1) for our goodly heritage, and (2) for our grand history, and (3) for the forces of both order and change that have been often initiated within these walls. We also beg Your forgiveness for those of our sovereign actions that have not been in accordance with Your will for both liberty and justice for all people. We ask this day for Your gracious guidance for our good governance, and for our capacity to listen to Your Still Small Voice of moral consciousness, rather than our always bending simply to the clamors of our constituency and to the centeredness of our self-preservation.

And, even as we pray for ourselves, we also pray that Your presence and Your protection will go with all those Virginians now being deployed to places of potential danger in this fractious world, and we pray for the well-being of their Commonwealth families.

And to God alone be the glory, that great things may be done. Amen.

Dear God, Virginia stands at Your door knocking—hurting, heavy, hesitant yet searching in a collective daze for Your divine presence and direction. We thank You today God for assembling these honorable men and women from around this great commonwealth to research, to deliberate, to determine our destiny in what is still the morning of a new century and millennium.

In this session, grant these Senators Your wisdom and empower them to carve a tunnel of hope through any mountain of despair or unbelief. Give them the courage to stand united and do what is right because it is right for all the right reasons.

Acknowledging Your presence in this hallowed chamber, we send this prayer to You Lord and claim peace on earth and goodwill for all Virginians. Amen.

Dear Ms. Schaar:

VIRGINIA:

In the Supreme Court of Virginia held at the Supreme Court Building in the City of Richmond on Monday the 13th day of January, 2003.

A vacancy having occurred in the office of judge of the Third Judicial Circuit by the retirement of Judge Von L. Piersall, and the Court, pursuant to section 17-122 of the Code of Virginia of 1950, as amended, having secured information concerning the volume of business in the said circuit, is of opinion, for reasons stated in writing in the form of a report to the Governor and to the General Assembly of Virginia and filed herewith, that the amount of business of the Third Judicial Circuit makes the filling of the vacancy necessary. Accordingly, the Court doth certify that there is a necessity for filling the vacancy in the manner provided by law.

And it is ordered that a copy of this order, together with a copy of the report above referred to, be certified to the Governor of Virginia and to the General Assembly of Virginia.

TO: The Honorable Mark R. Warner
Governor of Virginia
And
General Assembly of Virginia

IN RE: Third Judicial Circuit

Section 17.1-511 of the Code of Virginia, as amended, provides that whenever a vacancy occurs in the office of a judge of any court of record, the vacancy shall not be filled until, after investigation, the Supreme Court of Virginia certifies that the filling of the vacancy is or is not necessary. A vacancy exists due to the retirement of Judge Von L. Piersall of the Third Judicial Circuit on December 31, 2002, thereby creating a vacancy in the office of a judge of that circuit.

The Third Judicial Circuit serves the City of Portsmouth. The circuit is authorized four circuit court judgeships. The 2000 population of the circuit was 100,565. The judges handled 2,591 commenced cases each in 2001. If the vacancy is not filled, the remaining three judges would handle 3,594 cases each year. The statewide average for commenced cases per judge in 2001 was 1,795.
Based on the foregoing facts and the information contained in the enclosed report, the Supreme Court of Virginia is of the opinion that the vacancy created by the retirement of Judge Piersall should be filled in the manner prescribed by law.

Respectfully submitted,

/s/ Harry L. Carrico
Chief Justice of Virginia

Accordingly, the Court doth certify that there is a necessity for filling the vacancy in the manner provided by law, provided the vacancy occurs as anticipated by the notice sent to the Governor of Virginia.

And it is ordered that a copy of this order, together with a copy of the report above referred to, be certified to the Governor of Virginia and to the General Assembly of Virginia.

A vacancy exists due to the retirement of Judge James A. Luke of the Sixth Judicial Circuit on May 31, 2003, thereby creating a vacancy in the office of a judge of that circuit.
The Sixth Judicial Circuit serves the localities of Brunswick, Emporia, Greensville, Hopewell, Prince George, Surry, and Sussex. The circuit is authorized two circuit court judgeships. The 2000 population of the circuit was 110,378. The judges handled 1,521 commenced cases each in 2001. If the vacancy is not filled, the remaining judge would handle 3,559 cases each year. The Honorable Harry L. Carrico, Chief Justice of Virginia, has given notice of his intent to retire effective January 31, 2003, thereby creating a vacancy on the Supreme Court of Virginia.

RULING OF THE CHAIR

Senator Byrne propounded a parliamentary inquiry as to whether the vote requirement for passage of S.J.R. 323 was a two-thirds vote of the members elected, since S.J.R. 323 was amending the Rules of the Senate.

The Chair ruled that the passage of S.J.R. 323 required a majority vote of the members voting, since S.J.R. 323 was a procedural resolution and not an amendment to the Rules of the Senate.

Senator Byrne propounded a further parliamentary inquiry as to whether S.J.R. 323 would amend the Rules of the Senate, since the Rules of the Senate state that the Committee on Rules shall consider certain resolutions, and S.J.R. 323 would limit certain resolutions to be considered by the Committee on Rules.

The Chair ruled that S.J.R. 323 amended the Rules of the Senate, requiring a vote of two-thirds of the members elected for passage.

Senator Norment appealed from the Ruling of the Chair.
The question was put on sustaining the Ruling of the Chair.

The Ruling of the Chair was not sustained.

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Linda Kusse-Wolfe, Pastor, First United Methodist Church, Martinsville, Virginia, offered the following prayer:

O God, source of courage, creativity and good counsel:
Bless those who come before You today as public servants, seeking the commonwealth. May their minds be clear, their spirits be whole and their hearts be brave!
We live in awareness that our society and our world are in new and uncharted waters, with many challenges, needs and dangers. In this New Year, empower these servants to discern what is most essential, to work toward unity and peace, always remembering those whose trust they bear, as together we forge the gift that is called democracy. Give them Your vision of what may be created anew in our great and beloved state.
Bless each one gathered here with health, energy, wisdom and good humor I pray. And may this body, the Virginia Senate, seek to do justice, to love mercy, and to walk humbly with You and with one another. Amen.

RESOLVED by the Senate, That Rules 18 (h), 20 (l), 26 (d), 33, and 36 of the Rules of the Senate are amended and readopted as follows:

VI.
Standing Committees.

18 (h). A Committee on Privileges and Elections, fifteen Senators, to consider matters concerning voting; apportionment; constitutional amendments; elections; elected officeholders; reprimand, censure, or expulsion of a Senator; and nominations and appointments to any office or position in the Commonwealth, except Justices and Judges of the Commonwealth. It shall consider all grievances and propositions, federal relations and interstate matters. It shall examine the oath taken by each Senator and the certificate of election furnished by the proper office and report thereon to the Senate. It shall review and report as may be required in cases involving financial disclosure statements and shall recommend disciplinary action by majority vote where appropriate. It shall report in all cases involving contested elections the principles and reasons upon which their resolves are founded. It shall determine and report on all matters referred to it by the Senate Ethics Advisory Panel as set forth in the statutes.
Whenever the Clerk receives a report of the Senate Ethics Advisory Panel or a resolution seeking the reprimand, censure, or expulsion of a Senator, he shall refer it forthwith to the Committee on Privileges and Elections. The Committee shall consider the matter, conduct such hearings as it shall deem necessary, and, in all cases report its determination of the matter, together with its recommendations and reasons for its resolves, to the Senate. If the Committee deems disciplinary action warranted, it shall report a resolution offered by a member of the Committee to express such action. Any such resolution reported by the Committee shall be a privileged matter. The Senate as a whole shall then consider the resolution, and, by recorded vote, either (i) defeat the resolution or take one or more of the following actions; (ii) by a majority vote of the Senators present and voting, reprimand the Senator; (iii) by a majority vote of the elected membership of the Senate, censure the Senator and strip the Senator of seniority, so that the Senator shall be last; (iv) by a two-thirds vote of the elected membership of the Senate, expel the Senator; (v) in the event the Senate finds a knowing violation of § 2.1-639.38 or subsection C of § 2.1-639.40 of the Code of Virginia, by a majority vote of the Senators present and voting, refer the matter to the Attorney General for such action as the Attorney General shall deem appropriate.

The Committee on Privileges and Elections shall make all appointments to study committees and commissions in the number authorized for the Senate, whether the authority is limited to Senate members or other persons. It shall appoint members of the Senate to such other committees as may be required to serve as joint committees with the House of Delegates under its Rules, and shall appoint members of the Senate to serve as Senate members on any Committee or Commission required by statute. If no member of a Senate standing committee specified in a study resolution is able to serve, the Committee on Privileges and Elections may appoint a member of the Senate at large to the study notwithstanding the provisions of the enabling resolution.

VIII.
Composition and Procedures of Committees

20 (l). The Senate members of any committee of conference with the House of Delegates shall be designated by the Chair of the Committee to which the bill or resolution in conference was first referred by the Clerk of the Senate. If a Senate bill or resolution is in conference, the chief patron of the same shall be a first conferee and, where feasible, members of a Committee to which the bill or resolution was referred or rereferred shall comprise the conferees. Whenever there is a minority viewpoint of the Senate, such minority shall be represented on the conference Committee. The minority viewpoint shall be based upon the following:

(i) Vote on final passage by the Senate, in the case of a House bill or House joint resolution.

(ii) Vote on concurrence of amendment(s) or substitute proposed by the House of Delegates, in the case of a Senate bill or Senate joint resolution.

Any conference report must be agreed to by the majority of the members of each house on the conference committee before it may be filed with the Senate. If the report of the first named conference is rejected by the Senate or the conferees cannot agree, the Chair shall designate the same or new conferees in the event a second conference is formed.

Conferees shall not insert in their report matters not committed to them by either house, nor shall they strike from the bill or resolution in conference matters agreed to by both houses.

IX.
Order of Business

26 (d). Any Senate bill or resolution which has been amended during the legislative process by the Senate shall be engrossed and reproduced by the Clerk of the Senate, as soon as practicable, in sufficient
numbers for the members of the Senate and House of Delegates, and the reproduced bill or resolution shall be printed on paper of a different color.

Whenever the Senate proceeds to consider any nominations or appointments after the same have been reported by the appropriate Committee, which are subject to the choice or ratification of the Senate, and when it is so ordered by the Senate pursuant to Chapter 21 of Title 2.1 of the Code of Virginia, the same shall be considered in executive session.

XI.
Taking the Vote

36. Every Senator present in the chamber, when any question is put or vote taken, shall vote or be counted as voting on one side or the other, except in the case of pairs, as hereinafter provided for; but a Senator who has a personal interest in the transaction, as defined in § 2.1-639.31 of the Code of Virginia, shall neither vote nor be counted upon it, and he shall withdraw, or invoke this rule not to be counted, prior to the division and the fact shall be recorded on the voting machine. If a Senator invokes this rule, the Senator shall not participate, directly or indirectly, in the matter wherein the rule is invoked. Pairs upon any question pending may be made and entered upon the Journal, and in such cases shall be announced immediately upon completion of the roll call, and before the announcement of its result. Pairs may be general or special. General pairs shall extend to and include all motions, amendments, or other proceedings in aid of or against the question pending, and which is the subject of the pairs. Timothy M. Kaine
President of the Senate

Susan Clarke Schaar
Clerk of the Senate
MONDAY, JANUARY 20, 2003

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend William E. Hoffman, Pastor, the Church of the Covenant, Arlington, Virginia, offered the following prayer:

O God, when we recall that You are a God who desires that we should do justice, love kindness and walk humbly with You, we bow ever so briefly, to acknowledge that You have given us both opportunity and intelligence to do that which reflects Your divine purposes. Remind us that we were never meant to undertake our responsibilities unaided or alone for You have placed at our disposal the inexhaustible resources of Your grace. On this day which has been set aside to honor one of Your prophets in these latter days, we pray that the same Spirit that imbued his actions with clarity of purpose and fruitful resolve, may inspire us to continue the good work begun in him ... the Rev. Dr. Martin Luther King, Jr. Remembering those who joined in the struggle to make civil rights available to all Your children through nonviolent protest he said, “When years have rolled past and when the blazing light of truth is focused on this marvelous age in which we live ... men and women will know and children will be taught that we have a finer land, a better people, a more noble civilization ... because these humble children of God were willing to suffer for righteousness’ sake.”

Lord, let us be counted among their number and share their aspirations. In times when budget shortfalls challenge us to make difficult and painful decisions let it not be said that we balanced budgets at the expense of the most vulnerable members of our commonwealth ... the poor, the mentally ill, the elderly, the children. Your holy word teaches us to have special regard for the orphan, the widow, and the stranger who is within our gates. Let compassion be the hallmark of our deliberations. May we order our lives in accordance with Your divine precepts that we may be found blameless on that day when we must give our accounting before You.

Be with each and every one who serves Your people in this place. May each do his or her part to devise wise programs, to cultivate a reconciling spirit, and to uphold the best traditions of our great nation.

Blessed are You, O Lord, our God, King of the universe, who has given us the breath of life and freedom to choose Your way. Amen.

The roll was called and the following Senators answered to their names:

WEDNESDAY, JANUARY 22, 2003

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Daniel A. Goodall, Sr., Pastor, Antioch Baptist Church, Champlain, Virginia, offered the following prayer:

Heavenly Father, I pray that You would direct the leaders of this great Commonwealth. Grant them the wisdom and understanding to do what must be done. Father, I pray that divinely directed decisions be on their lips, and may they do that which is right in Your sight. May they follow Your will to direct our great commonwealth. In praying for those in authority, I therefore lift up this body of leaders and I pray that, by Your power, our legislative body would make laws that are just. Father, I ask You to give them wisdom to make decisions that would strengthen and prosper the Commonwealth of Virginia. I desire that they would make right decisions concerning the politics, the social welfare, and the economics of the State of Virginia. I pray that You would cause this body of legislators to be motivated more by Your hand than by partisan or personal concerns. So Lord, grant them the wisdom, knowledge, understanding, and courage to be faithful to duty and just. And may Your grace, mercy, and presence be with them. In Your precious name I pray. Amen.

The roll was called and the following Senators answered to their names:

Hon. Susan Clarke Schaar
Clerk of the Senate of Virginia
Richmond, Virginia 23219

Re: Thirtieth Judicial Circuit
Dear Ms. Schaar:

You will find enclosed herewith, in duplicate, a copy of the report of this Court and the order entered on January 21, 2003 in the matter of the vacancy in the office of judge of the Thirtieth Judicial Circuit.

Copies of this report and order are being sent to Governor Warner and Mr. Bruce F. Jamerson.

Sincerely yours,

/s/ David B. Beach
Clerk

VIRGINIA:

In the Supreme Court of Virginia held at the Supreme Court Building in the City of Richmond on Tuesday the 21st day of January, 2003.

It being brought to the attention of the Court that a vacancy is expected to occur on June 30, 2003 in the office of judge of the Thirtieth Judicial Circuit by the retirement of Judge Ford C. Quillen, and the Court, pursuant to section 17-122 of the Code of Virginia of 1950, as amended, having secured information concerning the volume of business in the said circuit, is of opinion, for reasons stated in writing in the form of a report to the Governor and to the General Assembly of Virginia and filed herewith, that the amount of business of the Thirtieth Judicial Circuit makes the filling of the vacancy necessary. Accordingly, the Court doth certify that there is a necessity for filling the vacancy in the manner provided by law, provided the vacancy occurs as anticipated by the notice sent to the Governor of Virginia.

And it is ordered that a copy of this order, together with a copy of the report above referred to, be certified to the Governor of Virginia and to the General Assembly of Virginia.

A Copy,
Teste:

SUPREME COURT OF VIRGINIA
100 North Ninth Street
Richmond, Virginia 23219-2334

January 15, 2003

TO: The Honorable Mark R. Warner
Governor of Virginia
And
General Assembly of Virginia

IN RE: Thirtieth Judicial Circuit

Section 17.1-511 of the Code of Virginia, as amended, provides that whenever a vacancy occurs in the office of a judge of any court of record, the vacancy shall not be filled until, after investigation, the Supreme Court of Virginia certifies that the filling of the vacancy is or is not necessary. A vacancy exists
due to the impending retirement of Judge Ford C. Quillen of the Thirtieth Judicial Circuit on June 30, 2003, thereby creating a vacancy in the office of a judge of that circuit.

The Thirtieth Judicial Circuit serves the localities of Lee, Norton, Scott, and Wise. The circuit is authorized three circuit court judgeships. The 2000 population of the circuit was 91,019. The judges handled 1,902 commenced cases each in 2001. If the vacancy is not filled, the remaining two judges would handle 2,944 cases each year. The statewide average for commenced cases per judge in 2001 was 1,795.

Based on the foregoing facts and the information contained in the enclosed report, the Supreme Court of Virginia is of the opinion that the vacancy created by the retirement of Judge Quillen should be filled in the manner prescribed by law.

Respectfully submitted,

/s/ Harry L. Carrico
Chief Justice of Virginia

The reading of the communications was waived.

The communications were referred to the Committee for Courts of Justice.

The Reverend Jennifer P. Smith, Kenbridge Baptist Church, Kenbridge, Virginia, offered the following prayer:

Dear God, creator of us all, we come to You today feeling honored that You would hear our prayers. As we pray today we are standing with our hands open to the world. We know that You show Yourself in the nature that surrounds us, in the people that we meet, in the situations in which we find ourselves.

We trust today that the world holds Your secrets within it, and we expect today to be shown a glimpse of who You are. As we pray today O God, we open ourselves up to You so You can give Yourself to us. We know that You want to surrender Yourself to us, Your creation, and today we open up our human heart, with all its limits, dependence, weakness and sinfulness. May we realize that we need You. Bless us with Your wisdom, give us Your discernment, empower us with Your direction, but most of all create in us Your heart, filled with love and grace for humankind.

Today as decisions are made teach us to count the days, and teach us to make our days count. Lead us in a better way, because it is easy for our souls to forget that life means so much. May we always cherish the privilege of prayer, for by praying we invoke Your presence. Thanks be to God for the responsibility to which we have been entrusted, for the act of grace in hearing our prayers and for accepting us with a furious love. Amen.

The Reverend Dr. James Sailes, Pastor, Antioch Baptist Church, Richmond, Virginia, offered the following prayer:

God our Father, who has been our help in ages past; Thou who has brought about our being through Your breath of life. We pause at this juncture in our lives to partition Your presence within the walls of this decision making chamber.

As You are here, we ask that You bless each member with the wisdom of Solomon and the patience of Job as they go about their duty of decision making.

Bless them with Your eyesight that they might be able to see in a distance the needs of those who elected them to office. Let them be blessed with Your sensitivity that they might feel every agonizing pain that will be inflicted upon their constituents resulting from wrong decision making.

As they proceed now under the shadow of the Almighty may they be constantly reminded that You have entrusted them with the care and welfare of the highest of Your creation. Walk with them now as only You can. Amen.

Clerk of the Senate
The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Arthur S. Jones, Pastor, Third Street Bethel AME Church, Richmond, Virginia, offered the following prayer:

Almighty God, the author and finisher of our faith:

In the history of our commonwealth and our nation, these are the days that try the souls of men and women. The prospect of war in far off places is a grim probability and young men and women of Virginia may be called upon to risk their lives in the service of their country.

The threat of terrorists' attacks is a reality that we as Americans and Virginians must live with from day to day.

In the General Assembly of our Commonwealth and in this Senate, vexing problems of race, health, morality and the economy are being grappled with, too often with unseemly partisanship and antagonism.

And yet, with all that faces us as citizens of Virginia, we recognize that above us all, You, the God of our past, our present and our future, still preside with all power in Your hands.

It is to You, then, O God, that we call upon in this hour of great need.

Give to these legislators the wisdom, the grace and the high sense of responsibility to perform their duties in ways that benefit all the people of the commonwealth and that bring credit to this historic body.

Let not their honest differences or opposing viewpoints on important issues create schisms and inflame passions, making it impossible to arrive at wise decisions in the legislative process. Help them to realize that at the end of the session when the debates are over and the gavel has come down, success will have been achieved only if the lives of the people have been improved.

Let there be peace among people of our state, so that a new Virginia may arise rooted in hope, united in mutual respect and affection, and anchored in the faith that, You O' God, will be our protector in the uncertain days that lie ahead. Amen.

The roll was called and the following Senators answered to their names:

A quorum was present.

On motion of Senator Ticer, the reading of the Journal was waived.

The Reverend Basil L. Ballard, Pastor, Windsor Congregational Christian Church, Windsor, Virginia, offered the following prayer:

Oh Lord Our God, how excellent is Your name in all the earth! By whatever name we have come to know You, we invite Your presence and Your guidance on the actions of this distinguished body.

The Holy Bible reminds us “Blessed is the nation whose God is the Lord” (Psalm 33:12). Today we gather in this historic place to continue the work that has been placed before us. These lawmakers have accepted a mission, entrusted to them by their constituents faithfully and trustingly elected to fulfill these honorable duties. Guide them, Oh Lord, and bless their efforts as they honestly seek Your will for the Commonwealth of Virginia.

Remind all of us that we are responsible for all that we do or fail to do to serve Your people. Bless this assembly, all of their loved ones and families as well as those they serve. Keep our military members in Your care as they serve around the globe.

Oh Lord, our nation is on the verge of war. We desperately seek Your wisdom. Guide our leaders as they make decisions that impact upon all of us and the entire world. Deliver us from evil and grant us peace in our time. May this nation, dedicated to democracy and the rights of all mankind, continue to be a beacon of hope for all of the world. Continue to bless the Commonwealth of Virginia and the United States of America.

We humbly ask these things in Your most Holy name. Amen.

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Walter William B. Scott, Jr., Pastor, Divine Life Church, Culpeper, Virginia, offered the following prayer:

Infinite and Almighty God, the citizens of this great Commonwealth of Virginia call You by many names—God, Yahweh, Allah, Tao, Jesus, Lord or Mighty Spirit. These names planted and transplanted here, in Virginia’s soil, the great traditions of the world joined, now growing in our own garden.

We are joined here on common ground today. We are joined as a dogwood is joined with the Blue Ridge Mountains while it reaches upward beyond itself. We are joined as the Shenandoah and the James Rivers of Virginia are joined as they travel to the Chesapeake Bay and to the ocean of the planet. We are joined as the eagle is joined with the sky.

So are we joined in this chamber with citizens on whose behalf we hold offices of trust, and joined with past and future as we live together honoring You as the Eternal Father of Service.

You, who from ancient times has joined us in shapes like covenant, compact, and constitution as means by which we may join to create a humane, educated, and prosperous society—You, Spirit of Generations, bless all those here and everywhere serving the public weal in many ways.

Lord, let us be the generation of reconciliation and peace. Let us be a holy nation where pride and prejudice shall cease. Let us speak the truth in love to the lost and least of these; let us serve our God in unity so others will believe. Let us build on one foundation and the wars of men shall cease. Let us share love of God without hypocrisy. Let mercy and forgiveness begin with You and me.

Let us pray for restoration. Let us keep our hearts from evil and cling to what is good. Let us honor one another and love the brotherhood.

Let us be a generation of reconciliation and peace.

On this new day, here in the Virginia State Senate accept us anew as we join again with the calls to stewardship, liberty, justice, righteousness and love.

In Jesus’ Name we pray, Amen and Amen.

The roll was called and the following Senators answered to their names:

MONDAY, FEBRUARY 3, 2003

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend George M. Caldwell, Senior Associate Rector, St. Paul’s Episcopal Church, Alexandria, Virginia, offered the following prayer:

Yesterday, as we gathered to worship and to share our grief over the tragic fall of the Space Shuttle Columbia, the people of my parish church in Alexandria discovered that—even among our small community—we had several direct and personal connections to that crew of brave men and women.

Our world seems huge and impersonal sometimes, but it is not so. Our world is small. Our world is connected. Our world is personal.

Let me, then, invite you into a moment of silence and prayer in this time of grief and of hope, of mourning and of dedication.

Most gracious God, You have formed us of dust, but filled us with Your spirit. Renew our strength and our hope when grief fills our hearts and darkness dims the bright sunlight of morning. Bring us to new days. Lift us into the light again. Carry us on Your own mighty wings. Stir in us compassion and courage, civility and wisdom, dedication and purpose. Bless our work this day, bless the people of the earth, of this land, of this community. Keep us ever in Your sight. For the dust of which we are made is of the stars, the light to which we are drawn is love’s fire, and the wind which raises us up brings us into Your presence. Amen.

The roll was called and the following Senators answered to their names:

A quorum was present.

On motion of Senator Puckett, the reading of the Journal was waived.

The recorded vote is as follows:

Timothy M. Kaine
President of the Senate

Susan Clarke Schaar
Clerk of the Senate
Rabbi Michael Panitz, Temple Israel, Norfolk, Virginia, offered the following prayer:

Beloved and Revered God:

A somber note sounds in our hearts, for we are still in mourning over the loss of the brave Space Shuttle astronauts, our own commonwealth’s Dr. David Brown and the other American and Israeli explorers. We grieve their passing, even as we reaffirm our pride in their noble quest, to explore the heavens and, from the vantage point of the heavens, to study the earth.

Help us, O God, to realize that there are two contrasting approaches to the fundamental truths that Heaven is Your abode and that we on earth are Your creatures. We can attempt to storm the heavens in the arrogant spirit of the builders of the Tower of Babel, as recorded in the Bible’s book of Genesis. In their egotistical quest, they forgot that all humans are kinfolk, and their lack of community-mindedness resulted in the irreparable shattering of their society. Or we can lift our eyes to Heaven in the humble spirit of the Book of Psalms, remembering that You, the Maker of Heaven and Earth, have inspired us to care for our brothers and sisters. The quest for the heavens ought to motivate us to build up our community, to weave soundly the human fabric of our society.

As we convene to deliberate the issues that face our commonwealth, we pray for Divine guidance. Help us to judge the questions of our day, animated by our human reflection of Your own qualities of justice and compassion. Help us to tend to our earthly affairs with the perspective that we are children of Heaven. Amen.

A quorum was present.

Dear Heavenly Father, we call upon You this morning to ask for Your guidance to be given to our Lt. Governor as he presides over these proceedings and upon each of our Senators as they make decisions which will affect our great State and our future. May each of them be granted divine wisdom today and as well into future meetings. We pray that You will bless the Commonwealth of Virginia with prosperity and directions day by day. May these men and women who govern in this place know that the people of this State have elected them to do their very best job in leadership and in every meeting; therefore, have Your hand upon them and guide them to always make the proper choices in every matter which comes before them. May their ears always be open to listen to those who are sharing their views even if they do not always agree with one another. Lead them to be unified in purpose and in directions in order that their decisions in which they will make today be the best for our State and its future. If the decisions are difficult to make, may they always seek Your guidance before they make the final vote and then seek to follow Your will for each vote. Clerk of the Senate
THURSDAY, FEBRUARY 6, 2003

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Dr. Bruce A. Beard, Pastor, First Baptist Church, Charlottesville, Virginia, offered the following prayer:

Eternal God our Father, we thank You for Your love, mercy and grace. We thank You for the privilege of standing in Your presence and to serve You. We thank You for the men and women of this State Senate who give so much to serve the people of this great state. In these unusual, unsettling and uncertain times we need a standard that cannot be shaken by circumstances, we need a tree of wisdom that cannot be uprooted by human reason, we need faith that can move mountains. In times like these, we ask that You equip these leaders with ears to hear Your voice and the cries of the people, that You would help them place one hand in Yours while reaching out to Your people with the other. While Virginia geographically is in the heart of the original thirteen colonies, in a higher sense it is at the heart of America for it is the birthplace of this great nation. Let these Senators and leaders govern with great love, care and wisdom. Let this state lead the way to a better America for all. Let this state be known as a state which stands for truth and justice and as a state that unashamedly declares she has not forgotten nor forsaken her God.

In the name of Jesus Christ whom I serve, I ask this prayer. Amen.

The Virginia Retirement System shall study implementation of an Internal Revenue Service approved Special Pay Plan that is qualified under section 401(a) of the Internal Revenue Code for separating state employees. If the results of this study indicate that such a program would be of value to state employees, the Board is authorized to implement such special pay plan.
2. Such Special Pay Plan shall be limited to employees age 55 or older. The Board may establish such other criteria as are appropriate for the effective and efficient operation of the plan. Special pay for this program does not include sick leave payments or disability credits in the Virginia Sickness and Disability Program. The Virginia Retirement System may promulgate any regulations necessary to implement these provisions.
3. The Virginia Retirement System shall seek written proposals for the necessary services and programs to implement the plan including investment options and administrative services from any entity authorized to provide such services. In evaluating these proposals, the Virginia Retirement System shall consider the expertise and experience of those submitting the proposals as indicated by the number of Special Pay Plans the offeror currently has in effect, the number of years offering such plans, and the cumulative assets under management in such plans, the fee structure offer to plan participants, and any other factors deemed appropriate by the Board. In developing the Plan, the Virginia Retirement System is authorized to adjust the minimum amount required for participation based on input from employees or to address unexpected hardships.
4. The Plan shall provide permanent savings for all separating state employees participating in the Special Pay Plan of no less than the lesser of 7.65 percent or the FICA percentage applicable to all annual leave payments subject to the Plan. Separated state employees who request and are entitled to an immediate distribution from the Plan shall be guaranteed payment of the entire amount of Special Pay, plus earnings, and less any mandatory income tax withholding no more than seven days from the date payment is made to the Plan on behalf of the separated state employee. During the period when the General Assembly is not in regular or special session and in the event that general fund revenues are estimated by the Governor to be insufficient to pay in full all general fund appropriations authorized by the General Assembly, including the currently estimated expenditures from sum sufficient appropriations, the Governor shall, subject to the qualifications herein contained, withhold general fund and nongeneral fund spending authority, by withholding allotments of appropriations to the extent necessary to prevent any expenditures in excess of the estimated general fund revenues. Provided, however, the Governor shall take no action to reduce general fund or nongeneral fund allotments of appropriations on account of reduced revenues until such time as a formal written re-estimate of general fund revenues for the current and next biennia prepared within the previous 90 days, in accordance with the process specified in § 2.2-1503, Code of Virginia, has been reported to the Chairmen of the Senate Finance, House Finance, and House Appropriations Committees.

b. The Governor shall take no action to withhold allotments until a written plan detailing specific reduction actions approved by the Governor, identified by program and appropriation item, has been presented to the Chairmen of the Senate Finance and House Appropriations Committees. Subsequent modifications to the approved reduction plan also must be submitted in writing to the Chairmen of the Senate Finance and House Appropriations Committees, prior to withholding allotments of appropriations. This reduction plan, with modifications thereto, shall be the sole basis for withholding spending authority due to reduced revenues.

c. In addition to the budget reduction plan approved by the Governor, all budget reduction proposals submitted by state agencies to the Governor or the Governor’s staff, including but not limited to, the Department of Planning and Budget, the Governor’s Cabinet Secretaries, or the Chief of Staff, whether submitted electronically or otherwise, shall be forwarded within five calendar days of submission to the Chairmen of the Senate Finance and House Appropriations Committees. The exact amount withheld, by state or nonstate agency or institution, shall be reported within five calendar days to the Chairmen of the Senate Finance and House Appropriations Committees. State agencies providing funds directly to grantees named in this Act shall not apportion a larger cut to the grantee than the proportional cut apportioned to the agency. Without regard to § 4-5.07 b 4 of this Act, the remaining appropriation to the grantee which is not subject to the cut, equal to at least 85 percent of the annual appropriation, shall be made by July 31, or in two equal installments, one payable by July 31 and the other payable by December 31, if the remaining appropriation is less than or equal to $500,000.”
“Mandatory fees for purposes other than Educational and General programs shall not be increased for Virginia undergraduates in fiscal year 2003 and in fiscal year 2004 beyond five percent, and beyond the requirements of wage and salary increases, as authorized by the General Assembly. Fee increases required to carry out actions that respond to mandates of federal agencies are also exempt from this provision, provided that a report on the purposes and the amount of the fee increase is submitted to the Chairmen of the House Appropriations and Senate Finance Committees by the institution of higher education at least 30 days prior to the effective date of the fee increase.”

The Secretaries of Finance and Administration shall review and provide comments to the institutions on the proposed guidelines and provide their final approval no later than October 1, 2003.

3. The cost of each eligible capital project shall not exceed the appropriation or debt authorization provided in the Appropriation Act. Any supplemental appropriation must be approved by the Governor and General Assembly and is subject to §4-4.01q of this act.

6. The institution shall report to the Department of General Services the status of any capital project at the initiation of the project and prior to the commencement of construction.

7. Notwithstanding the provisions of §2.2-4309, Code of Virginia, no approval of the Governor shall be required for contract modifications as specified therein for the pilot programs of the selected institutions of higher education referenced in paragraph 3, provided that contract modifications of such projects, including construction and architectural and engineering change orders, do not require a supplemental appropriation from the general fund or change the scope of the project;

8. Pursuant to §4-4.01k of this Act, the Department of General Services must approve any increase or decrease in scope greater than five percent of the gross square footage of the building and any corresponding cost or savings associated with the requested scope change; and

9. The Department of General Services, acting through the Division of Engineering and Buildings, shall continue to function as the State Building Official pursuant to §36-98.1 of the Code of Virginia for all capital outlay projects, excluding those at the University of Virginia Medical Center pursuant to Section 23-77.4 B.1. Nothing in this section shall be deemed to relieve the institution of any reporting requirements pursuant to §2.1-403 and §2.1-404 of the Code of Virginia.”

“f.1. The Cabinet Secretary responsible for any duty or authority delegated to an institution of higher education in this act through a pilot program shall develop a memorandum of understanding with participating institutions by September 1, 2003. The memorandum of understanding shall include, but not be limited to, the duty or authority being delegated to the institution of higher education, any policies or procedures with which the institution of higher education must comply, and criteria upon which the institutions will be evaluated periodically by the responsible Cabinet Secretary, or his
designee, to ensure that the participating institutions are performing satisfactorily. If a memorandum of understanding is already in place, the responsible Cabinet Secretary should amend it, if necessary, to ensure that it contains all of the stipulations specified herein.

2. The responsible Cabinet Secretary shall communicate any existing memoranda of understanding to the Auditor of Public Accounts by July 1, 2003 and any subsequent memoranda of understanding or addenda to existing memoranda within 10 business days after the memoranda have been signed.

   a. The responsible Cabinet Secretary, or his designee, shall conduct an evaluation of each institution participating in a pilot program at least once every two years. Evaluations of the nongeneral fund capital outlay pilot programs shall be conducted pursuant to paragraph b.1.
   
   b. The Secretary shall report all evaluation findings and recommendations to the Governor and Chairmen of Senate Finance and House Appropriations Committees.
   
   c. To the extent an institution participating in a pilot program is not performing to the satisfaction of the responsible Cabinet Secretary, the institution shall have 90 calendar days from receipt of the Secretary’s written evaluation in which to develop a remediation plan. The institution shall submit the plan to the appropriate Cabinet Secretary and the Auditor of Public Accounts.
   
   d. The Auditor of Public Accounts shall conduct a functional audit of the delegated program authority within 180 calendar days of receiving the institution’s plan. Based on his findings, the Auditor of Public Accounts shall recommend to the Chairmen of the Senate Finance and House Appropriations Committees whether the institution shall continue in the pilot program.
   
3. To the extent institutions are performing satisfactorily under the pilot programs, it is the intent of the General Assembly that they be removed from the pilot program and be delegated authority in the Code of Virginia to administer the specified duty or function on an on-going basis.

4. If during any independent audit conducted by the Auditor of Public Accounts, the audit discloses that an institution is not performing within the terms of the memoranda of understanding or their addenda, the Auditor shall report this information to the Governor, the responsible Cabinet Secretary, and the Chairmen of the Senate Finance and House Appropriations Committees. The responsible Cabinet Secretary shall consider this an evaluation in accordance with paragraph 3. a. and act accordingly.

5. The responsible Cabinet Secretary shall establish eligibility criteria for institutions currently not participating in each of the pilot programs and report those criteria to the Chairmen of the Senate Finance and House Appropriations Committees by October 1, 2003. Institutions wishing to participate in a pilot program for the first time shall submit a letter of interest to the appropriate Cabinet Secretary. Within 90 calendar days of the receipt of the institution’s request to participate, the responsible Cabinet Secretary shall determine whether the institution meets the eligibility criteria and, if appropriate, establish a pilot program at the institution. The Cabinet Secretary shall report to the Governor and Chairmen of the Senate Finance and House Appropriation Committees by December 1 of each year all institutions that have applied for inclusion in a pilot program and whether the institution has been granted authority to participate in the pilot program.”

“513.1. Reversion Clearing Account -- Economic Development Consolidation $0 ($5,500,000)

“A. The Secretary of Commerce and Trade shall prepare an agency reorganization plan to be submitted to the Chairmen of the Senate Finance and House Appropriations Committees by December 22, 2003. In developing the plan, the Secretary shall consult with the Secretaries of
Education and Technology, the Department of Planning and Budget, and the clients of services potentially affected by the consolidation.

B. The agencies to be reorganized and consolidated into a single agency within the Commerce and Trade Secretariat are the Departments of Business Assistance and Minority Business Enterprise, the A.L. Philpott Manufacturing Extension Partnership, the Virginia-Israel Advisory Board, and the Innovative Technology Authority.

C. The plan shall include but not be limited to establishing the goals of the new agency; measurable objectives to assess the future performance of the agency; the strategies to carry out the objectives; and identification and description of the activities and services to be reorganized, enhanced, curtailed, or eliminated. The plan shall also explain how the savings are to be achieved as well as how many positions and dollars are to be allocated to each of the new agency's activities and services. The Secretary may use nongeneral funds, where appropriate, to supplant a portion of the general fund reductions set out in this Item.

D. If the Secretary concludes that the savings cannot be met from reductions to the operating budgets of these agencies, he is authorized to sell the Innovative Technology Authority facility in Herndon, Virginia, and use the proceeds from the sale to meet the budget reductions in this Item. In the event of a sale, the Commonwealth shall continue to meet its obligation to provide rental subsidies required in the agreement with the Software Productivity Consortium. The Secretary is also authorized to relocate the Department of Business Assistance from its present location to another less-expensive location more accessible to the public as part of the plan.

E. In developing policies, objectives and strategies to enhance economic development in technology, the Secretary shall emphasize activities to help owners to commercialize intellectual property as opposed to licensing it directly or getting involved in ownership issues; to serve as a facilitator of economic development in technology and not as an investor; to promote technology-based solutions to current and future business issues; and to promote the incubation of technology companies but not to operate any incubators.

F. To encourage equal opportunity in state procurement, the consolidated agency shall recognize and fully implement the Governor's Executive Order 29 issued on July 2, 2002.

G. It is the intent of the General Assembly that legislation be introduced in the 2004 Session of the General Assembly amending the Code of Virginia to effect the reorganization contained in this Item.”

MONDAY, FEBRUARY 10, 2003

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Eric G. Farel, Pastor, Shenandoah Valley Baptist Church, Stephens City, Virginia, offered the following prayer:

Dear Lord God Almighty, please receive our profoundest gratitude for the blessings of health and Your abundant goodness to Your undeserved servants. We realize that we cannot live spiritually in the present polluted moral climate of this world without Your most benevolent guidance. Thank You, that amidst the trials and tribulations of our lives we can say: “The Lord God Omnipotent Reigneth.” You said Lord, “that men ought always pray and not to faint, especially in the day of adversity.” We pray now for these Your servants, that You would cover them with Your divine presence, deliver them of the adversary and fill them with supernatural wisdom and knowledge from above, that they may make just and right decisions and laws according to Your sovereign will. Indeed, lead them not into temptation and deliver them from evil. Set a watch at their mouths and keep the door of their lips. Let no evil thing come before their eyes. Help them not to be dismayed in whatever challenge they may face this day. May they trust in You and acknowledge You, and may You direct their paths, as they seek to do Your good, acceptable, and perfect will. Lord, please give them divine energy and patient perseverance to perform the tasks that are set before them today and in the days ahead. Grant them more faithfulness, more frequency and more fervency in their conversation with Thee, who art in heaven. Hallowed be Thy name. Thank You Lord that Your mercies are new every morning and great is Thy faithfulness, oh Lord our God. Lord, in these tenuous days, we pray that You will continue to give our leaders in the Senate of Virginia and the American people liberty, prosperity, and happiness, and a firm reliance on the protection of Almighty God. In whose name we pray. Amen.

S.J.R. 464. Commending the Waterford Foundation, Inc.

On motion of Senator Chichester, the Senate adjourned until tomorrow at 12 m.

Timothy M. Kaine
President of the Senate

Susan Clarke Schaar
Clerk of the Senate
TUESDAY, FEBRUARY 11, 2003

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Thomas L. Mercer, Jr., Pastor, Hickory United Methodist Church, Chesapeake, Virginia, offered the following prayer:

Almighty God, create in us a clean Heart and renew a right spirit within us. Reveal to us what we truly treasure by where we place our heart — our priorities. Place upon our hearts a burden to give ourselves to others.

Guide these members of the Senate to be instruments of Your peace — to be those who bring reconciliation, healing, compassion and the light of Faith to each deliberation and vote. Help us to guard the faith we have been given, to seek unity, to exercise discipline, and to serve faithfully. May the greatest in this chamber serve the youngest in this room and beyond this room to every county, city and neighborhood in this Commonwealth we love so much.

In these days of war and rumors of war and economic trials, help our Governor, the House, and this Senate to be strong and courageous. Let them not be terrified or discouraged by the obstacles. We know that we stand on the shoulders of others that have stood in this place and guided our Nation and Commonwealth through other trying days. Most of all, God, we stand in Your presence. Who knows if for such a time as this we have been called?

In Your Holy Name We Pray. Amen.

The roll was called and the following Senators answered to their names:

A quorum was present.

After the roll call, Senator Deeds notified the Clerk of his presence.

On motion of Senator Howell, the reading of the Journal was waived.

THURSDAY, FEBRUARY 13, 2003

The Reverend Chris Suerdieck, Pastor, Sleepy Hollow United Methodist Church, Falls Church, Virginia, offered the following prayer:

Creator of life and fount of wisdom, we thank You for the blessings, which You have generously provided without restriction to us all. With gratefulness we recall the beauty and the bounty of this Commonwealth, its people and its potential.

Grant that we may be good stewards of what has been entrusted to us, ever aware of the great responsibility that comes with the tasks set before us.

In these uncertain times, we seek Your guidance not only for ourselves but for our nation’s president, and each of our nation’s leaders in whatever capacity they serve their constituency.

We pray too for the well-being of every person who names Virginia as home — from those who have lived here for generations to those newly arrived. Especially we lift to You those who have greater need and lesser voice, that we might be their advocates, wisely using the power and the ability You have given us to foster change for the better.

During those moments of difficult choices, may we look first to You as our source of inspiration and enact decisions which reflect equanimity and respect, particularly for one another. Keep us mindful of the values and priorities we mutually hold and collectively support. May Your peace find a place in our hearts and minds.

And above all, help us to remember that nothing can separate us from Your care and compassion. This prayer we offer in the name of the one in whom we live, and move, and have our being. Amen.

The Reverend Edward G. Powell, Jr., Pastor, Bethel Baptist Church, Midlothian, Virginia, offered the following prayer:

Lord of the day, as is the instinct of the moth to find its path to the great light, so may the members gathered here gravitate toward the truth revealed for the common good and the commonwealth of the great state that we serve. We cannot help but thank Thee for the glory seen, the grace shed, and generosity shared for such a magnificent heritage of our fellow Virginians. But this is a new day, with the threat of war clouds that threaten our horizons. So we would pray on behalf of those who represent us here, our diplomats, and for the families of Armed Service men and women that may deploy today. We pray that peace would be the common ground upon which the great freedoms derived from these chambers long ago would echo who we truly are, and for whom we stand. I ask that You enlighten these Senators to choose truth over rhetoric, wisdom over pretension, and that the good would not be a substitute for the best that we can accomplish today. Amen.

Those pharmacy products not included on the preferred drug list will be subject to prior authorization. The final design of the program, including all operational components, must be completed no later than May 1, 2003. In developing the modifications the Department shall consult with other interested parties including but not limited to, physicians, pharmacists, pharmaceutical manufacturers, and patient advocates. Notwithstanding §32.1-331.12 et seq. Code of Virginia, to implement these changes the Department of Medical Assistance Services shall promulgate emergency regulations to become effective within 280 days or less from the enactment of this act. With respect to such State Plan amendment and regulations, the provisions of § 32.1-331.12 et seq. Code of Virginia shall not apply. In addition, the Department shall work with the Department of Mental Health, Mental Retardation and Substance Abuse Services to consider utilizing a Preferred Drug List program for its non-Medicaid clients.
2. The Department of Medical Assistance Services shall utilize a Pharmacy and Therapeutics Committee to assist in the development and ongoing administration of the Preferred Drug List program and the associated prior authorization process. The Pharmacy and Therapeutics Committee shall be composed of twelve members, including the Commissioner of the Department of Mental Health, Mental Retardation, and Substance Abuse Services, or his designee. The other eleven members are to be selected or approved by the Department. Six of the members shall be physicians licensed in Virginia, one of whom is a psychiatrist and one of whom specializes in care for the aging; and five members shall be pharmacists licensed in Virginia, one of whom has clinical expertise in mental health drugs and one of whom has clinical expertise in community-based mental health treatment.

3. The Pharmacy and Therapeutics Committee shall recommend to the Department of Medical Assistance Services (i) which therapeutic classes of drugs should be subject to the Preferred Drug List Program and the associated prior authorization process; (ii) which specific drugs within each therapeutic class should be included on the preferred drug list; and (iii) whether the Preferred Drug List Program should include reference drugs by therapeutic class and supplemental rebates. In developing and maintaining the preferred drug list, the Pharmacy and Therapeutics Committee first shall determine which drugs are safe and clinically effective; the cost effectiveness of any given drug shall be considered only after it is determined to be safe and clinically effective.

4. The Preferred Drug List Program and associated prior authorization process shall not apply to atypical anti-psychotic drugs or other similar therapeutic classes used in the treatment of mental illness that have proven to be safe and clinically effective in the provision of community-based services. The Pharmacy and Therapeutics Committee shall consider recommending the adoption of grandfather clauses when prior authorization would interfere with established drug regimens that have proven to be clinically effective.”

Philpott Manufacturing Extension Partnership, the Virginia-Israel Advisory Board, and the Innovative Technology Authority.

C. The plan shall include but not be limited to establishing the goals of the new agency; measurable objectives to assess the future performance of the agency; the strategies to carry out the objectives; and identification and description of the activities and services to be reorganized, enhanced, curtailed, or eliminated. The plan shall also explain how the savings are to be achieved as well as how many positions and dollars are to be allocated to each of the new agency's activities and services. The Secretary may use nongeneral funds, where appropriate, to supplant a portion of the general fund reductions set out in this Item.

D. If the Secretary concludes that the savings cannot be met from reductions to the operating budgets of these agencies, he is authorized to sell the Innovative Technology Authority facility in Herndon, Virginia, and use the proceeds from the sale to meet the budget reductions in this Item. In the event of a sale, the Commonwealth shall continue to meet its obligation to provide rental subsidies required in the agreement with the Software Productivity Consortium. The Secretary is also authorized to relocate the Department of Business Assistance from its present location to another less-expensive location more accessible to the public as part of the plan.

E. In developing policies, objectives and strategies to enhance economic development in technology, the Secretary shall emphasize activities to help owners to commercialize intellectual property as opposed to licensing it directly or getting involved in ownership issues; to serve as a facilitator of economic development in technology and not as an investor; to promote technology-based solutions to current and future business issues; and to promote the incubation of technology companies but not to operate any incubators.

F. To encourage equal opportunity in state procurement, the consolidated agency shall recognize and fully implement the Governor's Executive Order 29 issued on July 2, 2002.

G. It is the intent of the General Assembly that legislation be introduced in the 2004 Session of the General Assembly amending the Code of Virginia to effect the reorganization contained in this Item.”

2. Institutions of higher education can expend up to $1,000,000 for a single repair or project through the maintenance reserve appropriation without a separate appropriation. The Department of Planning and Budget is authorized to provide an exemption to the maintenance reserve threshold of $1,000,000 if a requested project exceeds this amount, but meets all other program criteria and can be handled more cost-effectively as a single project.

D. Any funds raised from private donations or other fund-raising for purposes of acquiring fixtures and furnishings for the Capitol Building project may be used for such purposes by the Department of General Services after December 31, 2003."

During the period when the General Assembly is not in regular or special session and in the event that general fund revenues are estimated by the Governor to be insufficient to pay in full all general fund appropriations authorized by the General Assembly, including the currently estimated expenditures from sum sufficient appropriations, the Governor shall, subject to the qualifications herein contained, withhold general fund and nongeneral fund spending authority, by withholding allotments of appropriations to the extent necessary to prevent any expenditures in excess of the estimated general fund revenues. Provided, however, the Governor shall take no action to reduce general fund or nongeneral fund allotments of appropriations on account of reduced revenues until such time as a formal written re-estimate of general fund revenues for the current and next biennium prepared within the previous 90 days, in accordance with the process specified in § 2.2-1503, Code of Virginia, has been reported to the Chairmen of the Senate Finance, House Finance, and House Appropriations Committees.

b. The Governor shall take no action to withhold allotments until a written plan detailing specific reduction actions approved by the Governor, identified by program and appropriation item, has been presented to the Chairmen of the Senate Finance and House Appropriations Committees. Subsequent modifications to the approved reduction plan also must be submitted in writing to the Chairmen of the Senate Finance and House Appropriations Committees, prior to withholding allotments of appropriations. The memorandum of understanding shall include, but not be limited to, the duty or authority being delegated to the institution of higher education, any policies or procedures with which the institution of higher education must comply, and criteria upon which the institutions will be evaluated periodically by the responsible Cabinet Secretary, or his
designee, to ensure that the participating institutions are performing satisfactorily. If a memorandum of understanding is already in place, the responsible Cabinet Secretary should amend it, if necessary, to ensure that it contains all of the stipulations specified herein.

2. The responsible Cabinet Secretary shall communicate any existing memoranda of understanding to the Auditor of Public Accounts by July 1, 2003 and any subsequent memoranda of understanding or addenda to existing memoranda within 10 business days after the memoranda have been signed.

Based on his findings, the Auditor of Public Accounts shall recommend to the Chairmen of the Senate Finance and House Appropriations Committees whether the institution shall continue in the pilot program.

3. To the extent institutions are performing satisfactorily under the pilot programs, it is the intent of the General Assembly that they be removed from the pilot program and be delegated authority in the Code of Virginia to administer the specified duty or function on an on-going basis.

4. If during any independent audit conducted by the Auditor of Public Accounts, the audit discloses that an institution is not performing within the terms of the memoranda of understanding or their addenda, the Auditor shall report this information to the Governor, the responsible Cabinet Secretary, and the Chairmen of the Senate Finance and House Appropriations Committees. The responsible Cabinet Secretary shall consider this an evaluation in accordance with paragraph 3. a. and act accordingly.

The responsible Cabinet Secretary shall establish eligibility criteria for institutions currently not participating in each of the pilot programs and report those criteria to the Chairmen of the Senate Finance and House Appropriations Committees by October 1, 2003. Institutions wishing to participate in a pilot program for the first time shall submit a letter of interest to the appropriate Cabinet Secretary. Within 90 calendar days of the receipt of the institution’s request to participate, the responsible Cabinet Secretary shall determine whether the institution meets the eligibility criteria and, if appropriate, establish a pilot program at the institution. FRIDAY, FEBRUARY 14, 2003

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor Timothy M. Kaine.

Chaplain Darrell Headrick, Randolph-Macon College, Ashland, Virginia, offered the following prayer:

Eternal and ever loving God, on this February day of gray sky and Orange Code Alert, we acknowledge Your presence with us.

As our Commonwealth’s Senators gather, they do so against the background noise of impending war in the Middle East, heightened security alerts at home, and shrinking state revenues.

Despite all of this, there is much work yet to be done for which they have been elected. So, God, we pray that You will help them to find balance—to stay focused on the tasks before them without ignoring the momentous events swirling around them.

O God, we are reminded that at times of great uncertainty and danger, You are our strength and the source of hope, comfort, and encouragement.

We pray for our Senators, for the decision makers in Washington, the U.N., NATO, Iraq, and Al Qaida. We pray for members of our armed forces and their families, for the people of this great Commonwealth, for the people of the United States, for the people of Iraq, and for Your creation. Amen.

HOUSE JOINT RESOLUTION NO. 641

Proposing an amendment to Section 16 of Article V of the Constitution of Virginia, relating to succession to the office of Governor.

RESOLVED by the House of Delegates, the Senate concurring, a majority of the members elected to each house agreeing, That the following amendment to the Constitution of Virginia be, and the same hereby is, proposed and referred to the General Assembly at its first regular session held after the next general election of members of the House of Delegates for its concurrence in conformity with the provisions of Section 1 of Article XII of the Constitution of Virginia, namely:

Amend Section 16 of Article V of the Constitution of Virginia as follows:

ARTICLE V
EXECUTIVE

Section 16. Succession to the office of Governor.

When the Governor-elect is disqualified, resigns, or dies following his election but prior to taking office, the Lieutenant Governor-elect shall succeed to the office of Governor for the full term. When the Governor-elect fails to assume office for any other reason, the Lieutenant Governor-elect shall serve as Acting Governor.

Whenever the Governor transmits to the President pro tempore of the Senate and the Speaker of the House of Delegates his written declaration that he is unable to discharge the powers and duties of his office and until he transmits to them a written declaration to the contrary, such powers and duties shall be discharged by the Lieutenant Governor as Acting Governor.

Whenever the Attorney General, the President pro tempore of the Senate, and the Speaker of the House of Delegates, or a majority of the total membership of the General Assembly, transmit to the Clerk of the Senate and the Clerk of the House of Delegates their written declaration that the Governor is unable to discharge the powers and duties of his office, the Lieutenant Governor shall immediately assume the powers and duties of the office as Acting Governor.

Thereafter, when the Governor transmits to the Clerk of the Senate and the Clerk of the House of Delegates his written declaration that no inability exists, he shall resume the powers and duties of his office unless the Attorney General, the President pro tempore of the Senate, and the Speaker of the House of Delegates, or a majority of the total membership of the General Assembly, transmit within four days to the Clerk of the Senate and the Clerk of the House of Delegates their written declaration that the Governor is unable to discharge the powers and duties of his office. Thereupon the General Assembly shall decide the issue, convening within forty-eight hours for that purpose if not already in session. If within twenty-one days after receipt of the latter declaration or, if the General Assembly is not in session, within twenty-one
days after the General Assembly is required to convene, the General Assembly determines by three-fourths vote of the elected membership of each house of the General Assembly that the Governor is unable to discharge the powers and duties of his office, the Lieutenant Governor shall become Governor; otherwise, the Governor shall resume the powers and duties of his office.

In the case of the removal of the Governor from office or in the case of his disqualification, death, or resignation, the Lieutenant Governor shall become Governor.

If a vacancy exists in the office of Lieutenant Governor when the Lieutenant Governor is to succeed to the office of Governor or to serve as Acting Governor, the Attorney General, if he is eligible to serve as Governor, shall succeed to the office of Governor for the unexpired term or serve as Acting Governor. If the Attorney General is ineligible to serve as Governor, the Speaker of the House of Delegates, if he is eligible to serve as Governor, shall succeed to the office of Governor for the unexpired term or serve as Acting Governor. If a vacancy exists in the office of the Speaker of the House of Delegates or if the Speaker of the House of Delegates is ineligible to serve as Governor, the House of Delegates shall convene and fill the vacancy.

In the event of an emergency or enemy attack upon the soil of Virginia and a resulting inability of the House of Delegates to convene to fill the vacancy, the Speaker of the House, the person designated to act in his stead as prescribed in the Rules of the House of Delegates, the President pro tempore of the Senate, or the majority leader of the Senate, in that designated order, shall serve as Acting Governor until such time as the House of Delegates convenes to elect a Governor.

The General Assembly may provide by law for the waiver of the eligibility requirements for the Attorney General, Speaker of the House, or acting Speaker to serve as Governor or Acting Governor in the event of an emergency or enemy attack upon the soil of Virginia as evidenced by a proclamation of the Governor or alternative authority prescribed by law.
