“§ 4-1.00 APPROPRIATIONS

§ 4-1.01 PREREQUISITES FOR PAYMENT

a. The State Comptroller shall not pay any money out of the state treasury except pursuant to appropriations in this act or in any other act of the General Assembly making an appropriation during the current biennium.

b. Monies shall be spent solely for the purposes for which they were appropriated by the General Assembly, except as specifically provided otherwise by § 4-1.03 Appropriation Transfers, § 4-4.01 Capital Projects, or § 4-5.01 a. Settlement of Claims with Individuals. Should the Governor find that monies are not being spent in accordance with provisions of the act appropriating them, he shall restrain the State Comptroller from making further disbursements, in whole or in part, from said appropriations. Further, should the Auditor of Public Accounts determine that a state or other agency is not spending monies in accordance with provisions of the act appropriating them, he shall so advise the Governor or other governing authority, the State Comptroller, the Chairman of the Joint Legislative Audit and Review Commission, and Chairmen of the Senate Finance and House Appropriations Committees.

§ 4-1.02 WITHHOLDING OF SPENDING AUTHORITY

a. For purposes of this subsection, withholding of spending authority is defined as any action that impedes or limits the ability to spend the appropriated monies, regardless of the mechanism used to effect such withholding.

b.1. Changed Expenditure Factors: The Governor is authorized to reduce spending authority, by withholding allotments of appropriations, when expenditure factors, such as enrollments or

population in institutions, are smaller than the estimates upon which the appropriation was based. Monies generated from the withholding action shall not be reallocated for any other purpose. Provided, however, the withholding of allotments of appropriations under this provision shall not occur until at least 15 days after the Governor has transmitted a statement of changed factors and intent to withhold monies to the Chairmen of the House Appropriations and Senate Finance Committees.

2. Monies shall not be withheld on the basis of reorganization plans or program evaluations until such plans or evaluations have been specifically presented in writing to the General Assembly at its next regularly scheduled session.

c. Increased Nongeneral Fund Revenue:

1. General fund appropriations to any state agency for operating expenses are supplemental to nongeneral fund revenues collected by the agency. To the extent that nongeneral fund revenues collected in a fiscal year exceed the estimate on which the operating budget was based, the Governor is authorized to withhold general fund spending authority, by withholding allotments of appropriations, in an equivalent amount. However, this limitation shall not apply to: (a) restricted excess tuition and fees for educational and general programs in the institutions of higher education, as defined in § 4-2.01 c of this act; (b) appropriations to institutions of higher education designated for fellowships, scholarships and loans; (c) gifts or grants which are made to any state agency for the direct costs of a stipulated project; (d) appropriations to institutions for the mentally ill or mentally retarded payable from the Mental Health and Mental Retardation Revenue Fund; and (e) general fund appropriations for highway construction and mass transit. Monies unallotted under this provision shall not be reallocated for any other purpose.

2. To the degree that new or additional grant funds become available to supplement general fund appropriations for a program, following enactment of an appropriation act, the Governor is authorized to withhold general fund spending authority, by withholding allotments of appropriations, in an amount equivalent to that provided from grant funds, unless such action is prohibited by the original provider of the grant funds. The withholding action shall not include general fund appropriations, which are required to match grant funds. Monies unallotted under this provision shall not be reallocated for any other purpose.

d. Reduced General Fund Resources

1. The term "general fund resources" as applied in this subsection, includes revenues collected and paid into the general fund of the state treasury during the current biennium, transfers to the general fund of the state treasury during the current biennium, and all unexpended balances brought forward from the previous biennium.

2. In the event that general fund resources are estimated by the Governor to be insufficient to pay in full all general fund appropriations authorized by the General Assembly, the Governor shall, subject to the qualifications herein contained, withhold general fund spending authority, by withholding allotments of appropriations, to prevent any expenditure in excess of the estimated general fund resources available.

3. In making this determination, the Governor shall take into account actual general fund revenue collections for the current fiscal year and the results of a formal written re-estimate of general fund revenues for the current and next biennium, prepared within the previous 90 days, in accordance with the process specified in § 2.2-1503, Code of Virginia. Said re-estimate of general fund revenues shall be communicated to the Chairmen of the Senate Finance, House Appropriations and House Finance Committees, prior to taking action to reduce general fund allotments of appropriations on account of reduced resources.

4.a) In addition to monthly reports on the status of revenue collections relative to the current fiscal year's estimate, the Governor shall provide a written quarterly assessment of the current economic outlook for the remainder of the fiscal year to the Chairmen of the Senate Finance, House Appropriations, and House Finance Committees.

b) Within five business days after the preliminary close of the state accounts at the end of the fiscal year, the State Comptroller shall provide the Governor with the actual total of (1) individual income

taxes, (2) corporate income taxes, and (3) sales taxes for the just completed fiscal year, with a comparison of such actual totals with the total of such taxes in the official budget estimate for that fiscal year. If that comparison indicates that the total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes, as shown on the preliminary close, was one percent or more below the amount of such taxes in the official budget estimate for the just completed fiscal year, the Governor shall prepare a written re-estimate of general fund revenues for the current biennium and the next biennium in accordance with § 2.2-1503, Code of Virginia, to be reported to the Chairmen of the Senate Finance, House Finance and House Appropriations Committees, not later than September 1 following the close of the fiscal year.

5. The Governor shall take no action to withhold allotments until a written plan detailing specific reduction actions approved by the Governor, identified by program and appropriation item, has been presented to the Chairmen of the House Appropriations and Senate Finance Committees. Subsequent modifications to the approved reduction plan also must be submitted to the Chairmen of the House Appropriations and Senate Finance Committees, prior to withholding allotments of appropriations. This reduction plan, with modifications thereto, shall be the sole basis for withholding spending authority due to reduced revenues.

6. In addition to the budget reduction plan approved by the Governor, all budget reduction proposals submitted by state agencies to the Governor or the Governor's staff, including but not limited to the Department of Planning and Budget, the Governor's Cabinet Secretaries, or the Chief of Staff, whether submitted electronically or otherwise, shall be forwarded within five calendar days of submission to the Chairmen of the Senate Finance and House Appropriations Committees.

7. In effecting the reduction of expenditures for the above-stated purpose, the Governor shall not withhold allotments of appropriations for:

a) More than 10 percent cumulatively of the annual general fund appropriation contained in this act for operating expenses of any one state or nonstate agency or institution designated in this act by title, and the exact amount withheld, by state or nonstate agency or institution, shall be reported within five calendar days to the Chairmen of the Senate Finance and House Appropriations Committees. State agencies providing funds directly to grantees named in this Act shall not apportion a larger cut to the grantee than the proportional cut apportioned to the agency. Without regard to § 4-5.07 b.4. of this act, the remaining appropriation to the grantee which is not subject to the cut, equal to at least 85 percent of the annual appropriation, shall be made by July 31, or in two equal installments, one payable by July 31 and the other payable by December 31, if the remaining appropriation is less than or equal to \$500,000, except in cases where the normal conditions of the grant dictate a different payment schedule.

b) The payment of principal and interest on the bonded debt or other bonded obligations of the Commonwealth, its agencies and its authorities, or for payment of a legally authorized deficit.

c) The payments for care of graves of Confederate dead.

d) The employer contributions, and employer paid member contributions to the: Social Security System, Virginia Retirement System, Judicial Retirement System, State Police Officers Retirement System, Virginia Law Officers Retirement System, Optional Retirement Plan for College and University Faculty, Optional Retirement Plan for Political Appointees, Optional Retirement Plan for Superintendents, the Volunteer Service Award Program, and the Virginia Retirement System's group life insurance, sickness and disability, and retiree health care credit programs for state employees, state-supported local employees and teachers. If the Virginia Retirement System Board of Trustees approves a contribution rate for a fiscal year that is lower than the rate on which the appropriation was based, or if the United States government approves a Social Security rate that is lower than that in effect for the current budget, the Governor may withhold excess contributions. However, employer and employee paid rates or contributions for health insurance and matching deferred compensation for state employees, state-supported local employees and teachers may not be increased or decreased beyond the amounts approved by the General Assembly. Payments for the employee benefit programs listed in this paragraph may not be delayed beyond the customary billing cycles that have been established by law or policy by the governing board.

e) The payments in fulfillment of any contract awarded for the design, construction and furnishing of any state building.

f) The salary of any state officer for whom the Constitution of Virginia prohibits a change in salary.

g) The salary of any officer or employee in the Executive Department by more than two percent (irrespective of the fund source for payment of salaries and wages). Provided, however, the percentage of reduction shall be uniformly applied to all employees within the Executive Department.

h) The appropriation supported by the State Bar Fund, as authorized by § 54.1-3913, Code of Virginia, unless the supporting revenues for such appropriation are estimated to be insufficient to pay the appropriation.

8. The Governor is authorized to withhold specific allotments of appropriations by a uniform percentage, a graduated reduction or on an individual basis, or apply a combination of these actions, in effecting the authorized reduction of expenditures, up to the maximum of two percent, as prescribed in subdivision 7a of this subsection.

9. Each nongeneral fund appropriation shall be payable in full only to the extent the nongeneral fund revenues from which the appropriation is payable are estimated to be sufficient. The Governor is authorized to reduce allotments of nongeneral fund appropriations by the amount necessary to ensure that expenditures do not exceed the supporting revenues for such appropriations. Provided, however, the Governor shall take no action to reduce allotments of appropriations for major nongeneral fund sources on account of reduced revenues until such time as a formal written re-estimate of revenues for the current and next biennium, prepared in accordance with the process specified in § 2.2-1503, Code of Virginia, has been reported to the Chairmen of the Senate Finance, House Finance, and House Appropriations Committees. For purposes of this subsection, major nongeneral fund sources are defined as Highway Maintenance and Operating Fund and Transportation Trust Fund.

10. Notwithstanding any contrary provisions of law, the Governor is authorized to transfer to the general fund on June 30 of each year of the biennium or within twenty days from that date, any available unexpended balances in other funds in the state treasury, subject to the following:

a) The Governor shall declare in writing to the Chairmen of the Senate Finance and House Appropriations Committees that a fiscal emergency exists which warrants the transfer of nongeneral funds to the general fund and reports the exact amount of such transfer within five calendar days of the transfer;

b) No such transfer may be made from retirement or other trust accounts, the State Bar Fund as authorized by § 54.1-3913, Code of Virginia, debt service funds, or federal funds; and

c) The Governor shall include for informative purposes, in the first biennial budget he submits subsequent to the transfer, the amount transferred from each account or fund and recommendations for restoring such amounts.

11. The Director, Department of Planning and Budget shall report spending authority withheld under the provisions of this subsection to the Chairmen of the Senate Finance and House Appropriations Committees within five calendar days of the action to withhold. Said report shall include the amount withheld by agency and appropriation item.

12. If action to withhold allotments of appropriation under this provision is inadequate to eliminate the imbalance between projected general fund resources and appropriations, the Speaker of the House of Delegates and the President Pro Tempore of the Senate shall be advised in writing by the Governor, so that they may consider requesting a special session of the legislature.

#### § 4-1.03 APPROPRIATION TRANSFERS

1.a) During any fiscal year, the Director, Department of Planning and Budget, may transfer operating appropriation authority from one state or other agency to another, to effect the following:

5. The Director, Department of Planning and Budget, may transfer general fund appropriations from the second year to the first year, with said transfer to be reported in writing to the Chairmen of the Senate Finance and House Appropriations Committees within five calendar days of the transfer, when the expenditure of such funds is required to:

  - b) provide for unbudgeted cost increases for statutory required services or federally mandated services, in order to continue those services at the present level, or

6. The Director, Department of Planning and Budget, may transfer from any other agency appropriations, to supplement any project of the Virginia Public Building Authority authorized by the General Assembly and approved by the Governor. Such capital project shall be transferred to the state agency designated as the managing agency for the Virginia Public Building Authority.
7. In the event of the transition of a city to town status pursuant to the provisions of Chapter 41 of Title 15.2 of the Code of Virginia (§ 15.2-4100 et seq.) subsequent to July 1, 1999, the provisions of § 15.2-1302 shall govern distributions from state agencies to the county in which the town is situated, and the Director, Department of Planning and Budget, is authorized to transfer appropriations or portions thereof within a state agency, or from one such agency to another, if necessary to fulfill the requirements of § 15.2-1302.

In addition, neither the Governor nor the Director, Department of Planning and Budget, shall administratively increase the appropriations of, nor transfer appropriations to, the agency affected by the veto in order to carry out the purposes of the vetoed item.

## b. UNAPPROPRIATED NONGENERAL FUNDS:

## 3. Gifts, Grants and Other Nongeneral Funds:

a) Subject to § 4-1.02 c, Increased Nongeneral Fund Revenue, and the conditions stated in this section, the Director, Department of Planning and Budget, is hereby authorized to increase the appropriations to any state agency by the amount of the proceeds of donations, gifts, grants or other nongeneral funds paid into the state treasury in excess of such appropriations during a fiscal year. Such appropriations shall be increased only when the expenditure of monies is authorized elsewhere in this act or is required to:

- 1) address a threat to life or safety, health or property or
- 2) provide for unbudgeted increases in costs for statutory required services or federally mandated services, in order to continue those services at the present level or implement compensation adjustments approved by the General Assembly, or

b) The above conditions shall not apply to donations and gifts to the endowment funds of institutions of higher education.

c) Each state agency and institution shall ensure that its budget estimates include a reasonable estimate of receipts from donations, gifts or other nongeneral fund revenue. The Department of Planning and Budget shall review such estimates and verify their accuracy, as part of the budget planning and review process.

d) No obligation or expenditure shall be made from such funds until a revised operating budget request is approved by the Director. Expenditures from any gift, grant or donation shall be in accordance with the purpose for which it was made; however, expenditures for property, plant or equipment, irrespective of fund source, are subject to the provisions of §§ 4-2.03 Indirect Costs, 4-4.01 Capital Projects General and 4-5.05 b Services and Clients-New Services of this act.

e) Nothing in this section shall exempt agencies from complying with § 4-2.01 a Solicitation and Acceptance of Donations, Gifts, Grants, and Contracts of this act.

5. Reporting:

The Director, Department of Planning and Budget, shall report on increases in unappropriated nongeneral funds in accordance with § 4-8.00, Reporting Requirements, or as modified by specific provisions in this subsection.

§ 4-1.05 REVERSION OF APPROPRIATIONS AND REAPPROPRIATIONS

a. GENERAL FUND OPERATING EXPENSE:

1.a) General fund appropriations which remain unexpended on (i) the last day of the previous biennium, ending on June 30, 2004, and (ii) the last day of the first year of the current biennium, ending on June 30, 2005, shall be reappropriated and allotted for expenditure in the respective succeeding year for the following agencies and programs, provided however, that the reappropriations shall not be used to create ongoing obligations or expand or create new programs, but shall be applied to nonrecurring costs:

- 1) Agencies in the Legislative Department, the Judicial Department, and the Independent Agencies, except as may be specifically provided otherwise by the General Assembly;
- 2) Agencies in the Executive Department, subject to the prior written approval of the Governor, except as may be specifically provided otherwise by the General Assembly;

The Governor shall report within five calendar days after completing the reappropriation process to the Chairmen of the Senate Finance and House Appropriations Committees on the reappropriated amounts for each state agency.

3. Pursuant to subsection E of § 2.2-1125, Code of Virginia, the determination of compliance by an agency or institution with management standards prescribed by the Governor shall be made by the Secretary of Finance and the Secretary having jurisdiction over the agency or institution, acting jointly.

b. NONGENERAL FUND OPERATING EXPENSE:

1. Based on analysis by the State Comptroller, when any nongeneral fund has had no increases or decreases in fund balances for a period of twenty-four months, the State Comptroller shall promptly transfer and pay the balance into the fund balance of the general fund. If it is subsequently determined that an appropriate need warrants repayment of all or a portion of the amount transferred, the Director, Department of Planning and Budget shall include repayment in the next budget bill submitted to the General Assembly.

2. Nongeneral fund appropriations which remain unexpended on (i) the last day of the previous biennium and (ii) the last day of the first year of the current biennium shall be reappropriated and

allotted for expenditure no later than September 1 of the respective succeeding fiscal year, provided however, that the reappropriations shall not be used to create ongoing obligations or expand or create new programs, but shall be applied to nonrecurring costs. The reappropriations process for nongeneral fund appropriations shall be consistent with the policies, guidelines and schedule used to reappropriated unexpended general fund appropriations.

c. CAPITAL PROJECTS:

1. Upon certification by the Director, Department of Planning and Budget, the State Comptroller is hereby authorized to revert to the fund balance of the general fund any portion of the unexpended general fund cash balance and corresponding appropriation or reappropriation for a capital project when the Director determines that such portion is not needed for completion of the project. The State Comptroller may similarly return to the appropriate fund source any part of the unexpended nongeneral fund cash balance and reduce any appropriation or reappropriation which the Director determines is not needed to complete the project. The Director may direct the restoration of any portion of the returned and reverted amount if he shall subsequently verify an unpaid obligation or requirement for completion of the project. In the case of a capital project for which an unexpended cash balance was returned and appropriation or reappropriation balance was reverted in the prior biennium, he may likewise restore any portion of such reverted amount under the same conditions.

2. The unexpended general fund cash balance and corresponding appropriation or reappropriation for capital projects shall revert to and become part of the fund balance of the general fund during the current biennium as of the date the Director, Department of Planning and Budget, certifies to the State Comptroller that the project has been completed in accordance with the intent of the appropriation or reappropriation and there are no known unpaid obligations related to the project. The State Comptroller shall return the unexpended nongeneral fund cash balance, if there be any, for such completed project to the source from which said nongeneral funds were obtained. Likewise, he shall revert an equivalent portion of the appropriation or reappropriation of said nongeneral funds. The Director, Department of Planning and Budget, may direct the restoration of any portion of the reverted amount if he shall subsequently verify an unpaid obligation or requirement for completion of the project. In the case of a capital project for which an unexpended cash balance was returned and appropriation or reappropriation was reverted in the prior biennium, he may likewise restore any portion of such amount under the same conditions.

§ 4-1.06 LIMITED ADJUSTMENTS OF APPROPRIATIONS

a. LIMITED CONTINUATION OF APPROPRIATIONS.

Notwithstanding any contrary provision of law, any unexpended balances on the books of the State Comptroller as of the last day of the previous biennium shall be continued in force for such period, not exceeding ten (10) days from such date, as may be necessary in order to permit payment of any claims, demands or liabilities incurred prior to such date and unpaid at the close of business on such date, and shown by audit in the Department of Accounts to be a just and legal charge, for values received as of the last day of the previous biennium, against such unexpended balances.

b. LIMITATIONS ON CASH DISBURSEMENTS.

Notwithstanding any contrary provision of law, the State Comptroller may begin preparing the accounts of the Commonwealth for each subsequent fiscal year on or about ten (10) days before the start of such fiscal year. The books will be open only to enter budgetary transactions and transactions that will not require the receipt or disbursement of funds until after June 30. Should an emergency arise, or in years in which July 1 falls on a weekend requiring the processing of transactions on or before June 30, the State Comptroller may, with the written concurrence of the Auditor of Public Accounts, authorize the disbursement of funds drawn against appropriations of the subsequent fiscal year, not to exceed the sum of three million dollars (\$3,000,000) from the general fund. This provision does not apply to debt service payments on bonds of the Commonwealth which shall be made in accordance with bond documents, trust indentures, and/or escrow agreements.

§ 4-1.07 ALLOTMENTS

Except when otherwise directed by the Governor within the limits prescribed in §§ 4-1.02 Withholding of Spending Authority, 4-1.03 Appropriation Transfers, and 4-1.04 Appropriation

Increases of this act, the Director, Department of Planning and Budget, shall prepare and act upon the allotment of appropriations required by this act, and by § 2.2-1819, Code of Virginia, and the authorizations for rates of pay required by this act. Such allotments and authorizations shall have the same effect as if the personal signature of the Governor were subscribed thereto. This section shall not be construed to prohibit an appeal by the head of any state agency to the Governor for reconsideration of any action taken by the Director, Department of Planning and Budget, under this section.

#### § 4-2.00 REVENUES

##### § 4-2.01 NONGENERAL FUND REVENUES

###### a. SOLICITATION AND ACCEPTANCE OF DONATIONS, GIFTS, GRANTS, AND CONTRACTS:

1. No state agency shall solicit or accept any donation, gift, grant, or contract without the written approval of the Governor except under written guidelines issued by the Governor which provide for the solicitation and acceptance of nongeneral funds.

2. The Governor may issue policies in writing for procedures which allow state agencies to solicit and accept nonmonetary donations, gifts, grants, or contracts except that donations, gifts and grants of real property shall be subject to § 4-4.00 of this act and § 2.2-1149, Code of Virginia. This provision shall apply to donations, gifts and grants of real property to endowment funds of institutions of higher education, when such endowment funds are held by the institution in its own name and not by a separately incorporated foundation or corporation.

3.a) The preceding subdivisions shall not apply to property and equipment acquired and used by a state agency or institution through a lease purchase agreement and subsequently donated to the agency or institution during or at the expiration of the lease purchase agreement, provided that the lessor is the Virginia College Building Authority.

b) The use of endowment funds for property, plant or equipment for state-owned facilities is subject to §§ 4-2.03 Indirect Costs, 4-4.01 Capital Projects-General and 4-5.05 Services and Clients of this act.

###### b. HIGHER EDUCATION TUITION AND FEES:

1. All nongeneral fund collections by public institutions of higher education, including collections from the sale of dairy and farm products, shall be deposited in the state treasury in accordance with § 2.2-1802, Code of Virginia, and expended by the institutions of higher education in accordance with the appropriations and provisions of this act, provided, however, that this requirement shall not apply to private gifts, endowment funds, or income derived from endowments and gifts.

2. Appropriations in this act for Educational and General Programs are provided to meet the Commonwealth's interest in maintaining quality, access, and affordability at its institutions of higher education. General fund appropriations recognize the Commonwealth's share of the cost of education for Virginia students and allow institutions to minimize tuition increases to in-state students. To further ensure that tuition and fees be kept as low as possible, governing boards shall continue to eliminate factors that increase the cost of higher education without increasing its quality or effectiveness.

3.a) The State Council of Higher Education shall develop and enforce uniform guidelines for reporting student enrollments and the domiciliary status of students.

b) The determination of proper tuition, fees and charges shall be made by the Board of Visitors or other governing bodies of institutions of higher education, subject to the provisions of this act. However, that the tuition and fee charges to nonresident students shall be not less than 100 percent of the average cost of education as calculated by the State Council of Higher Education. The State Council of Higher Education may authorize a phased approach to meeting this requirement when, in its judgment, it would result in annual tuition and fee increases for nonresident students that would discourage their enrollment.

4. The fund source "Higher Education Operating" within Educational and General Programs for institutions of higher education includes tuition and fee revenues from nonresident students to pay their proportionate share of the amortized cost of the construction of buildings approved by the

Commonwealth of Virginia Educational Institutions Bond Act of 1992 and the Commonwealth of Virginia Educational Facilities Bond Act of 2002. Tuition policy for Virginia resident undergraduates at the public colleges and universities shall be established in the Appropriation Act.

5. Institutions of higher education are hereby authorized to make the technology service fee authorized in Chapter 1042, 2003 Acts of Assembly, part of ongoing tuition revenue. Such revenues shall continue to be used to supplement technology resources at the institutions of higher education.

6. The governing boards of the institutions of higher education shall seek cost-savings in areas supported by non-Educational and General fees such that the total cost of higher education be kept as low as possible.

7.a) The Director, Department of Planning and Budget, shall appropriate and allot tuition and educational and general fee revenues in addition to those appropriated to the Educational and General programs of this act, provided that the additional revenue is applied solely to the operating programs of the Educational and General programs to expand student access, improve instructional quality, operate and maintain classrooms and laboratories, and meet other high-priority, mission-specific purposes and that the request for additional nongeneral fund budget authority is consistent with budget items adopted in this act.

b) The Director, Department of Planning and Budget shall report all increases of appropriation authority on a quarterly basis to the House Appropriations and Senate Finance Committees.

8. It is the intent of the General Assembly that any institution of higher education granting new tuition waivers to in-state or out-of-state students not authorized by the Code of Virginia must absorb the cost of any discretionary waivers.

9. Tuition and fee revenues from nonresident students taking courses through Virginia institutions from the Southern Regional Education Board's Southern Regional Electronic Campus must exceed all direct and indirect costs of providing instruction to those students. Tuition and fee rates to meet this requirement shall be established by the Board of Visitors of the institution.

10. Unless otherwise provided, additional general fund and nongeneral fund appropriations in the Educational and General Program appropriations in Part I of this act are based on in-state students paying 30 percent of the cost of their education at Virginia's community colleges and 40 percent of the cost of their education at the other public institutions of higher education.

11. The State Council of Higher Education shall report to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees no later than June 30 of each year on the tuition and fee charges at each public institution of higher education.

**c. HIGHER EDUCATION PLANNED EXCESS REVENUES:**

An institution of higher education may generate and retain tuition and fee revenues in excess of those provided in § 4-2.01 b Higher Education Tuition and Fees, subject to the following:

1. Such revenues are identified by language in the appropriations in this act to any such institution.

2. The use of such monies is fully documented by the institution to the Governor prior to each fiscal year and prior to allotment.

3. The monies are supplemental to, and not a part of, ongoing expenditure levels for educational and general programs used as the basis for funding in subsequent biennia.

4. The receipt and expenditure of these monies shall be recorded as restricted funds on the books of the Department of Accounts and shall not revert to the surplus of the general fund at the end of the biennium.

5. Tuition and fee revenues generated by the institution other than as provided herein shall be subject to the provisions of § 4-1.04 b3 Gifts, Grants, and Other Nongeneral Funds of this act.

- n) Without regard to paragraph g above, the following revenues shall be excluded from the requirement for deposit to the general fund and shall be deposited as follows: (1) payments to Virginia Correctional Enterprises shall be deposited into the Virginia Correctional Enterprises Fund; (2) payments to the Departments of Corrections, Juvenile Justice and Correctional Education for work performed by inmates, work release prisoners, probationers or wards, which are intended to cover the expenses of these inmates, work release prisoners, probationers, or wards, shall be retained by the respective agencies for their use; and (3) payments to the Department of Correctional Education for work performed shall be retained by the agency to increase vocational training activities and to purchase work tools and work clothes for inmates, upon release.

2. The provisions of § 4-2.02a.1. State Agency Payments into General Fund shall not apply to proceeds from the sale of surplus materials pursuant to § 2.2-1125, Code of Virginia. However, the State Comptroller is authorized to transfer to the general fund of the state treasury, out of the credits under § 4-1.05 b 1 Unappropriated Nongeneral Funds - Sale of Surplus Materials of this act, sums derived from the sale of materials originally purchased with general fund appropriations. The State Comptroller may authorize similar transfers of the proceeds from the sale of property not subject to § 2.2-1124, Code of Virginia, if said property was originally acquired with general fund appropriations, unless the General Assembly provides otherwise.

b. **DEFINITION OF GENERAL FUND REVENUE FOR PERSONAL PROPERTY RELIEF ACT**  
Notwithstanding any contrary provision of law, for purposes of subsection C of § 58.1-3524 and subsection B of § 58.1-3536, Code of Virginia, the term general fund revenues, excluding transfers, is defined as (i) all state taxes, including penalties and interest, required and/or authorized to be collected and paid into the general fund of the state treasury pursuant to Title 58.1, Code of Virginia, (ii) permits, fees, licenses, fines, forfeitures, charges for services, and revenue from use of money and property required and/or authorized to be paid into the general fund of the state treasury, and (iii) amounts required to be deposited to the general fund of the state treasury pursuant to § 4-2.02a.1., of this act. #### § 4-2.03 INDIRECT COSTS

a. **INDIRECT COST RECOVERIES FROM GRANTS AND CONTRACTS:**

Each state agency, including institutions of higher education, which accepts a grant or contract shall recover full statewide and agency indirect costs unless prohibited by the grantor agency or exempted by provisions of this act.

b. **AGENCIES OTHER THAN INSTITUTIONS OF HIGHER EDUCATION:**

The following conditions shall apply to indirect cost recoveries received by all agencies other than institutions of higher education:

1. The Governor shall include in the recommended nongeneral fund appropriation for each agency in this act the amount which the agency includes in its revenue estimate as an indirect cost recovery. The recommended nongeneral fund appropriations shall reflect the indirect costs in the program incurring the costs.

2. If actual agency indirect cost recoveries exceed the nongeneral fund amount appropriated in this act, the Director, Department of Planning and Budget, is authorized to increase the nongeneral fund appropriation to the agency by the amount of such excess indirect cost recovery. Such increase shall be made in the program incurring the costs.

3. Statewide indirect cost recoveries shall be paid into the general fund of the state treasury, unless the agency is specifically exempted from this requirement by language in this act. Any statewide indirect cost recoveries received by the agency in excess of the exempted sum shall be deposited to the general fund of the state treasury.

c. **INSTITUTIONS OF HIGHER EDUCATION:**

The following conditions shall apply to indirect cost recoveries received by institutions of higher education:

3. Institutions of higher education may retain 100 percent of the indirect cost recoveries related to research grant and contract levels in excess of the levels authorized in Chapter 1042, 2003 Acts of Assembly. This provision is included as an additional incentive for increasing externally funded research activities.

d. The Director, Department of Planning and Budget, shall report to the Chairmen of the Senate Finance and House Appropriations Committees no later than September 1 of each year on the indirect cost recovery monies administratively appropriated.

e. REGULATIONS:

The State Comptroller is hereby authorized to issue regulations to carry out the provisions of this subsection, including the establishment of criteria to certify that an agency is in compliance with the provisions of this subsection.

#### § 4-3.00 DEFICIT AUTHORIZATION AND TREASURY LOANS

##### § 4-3.01 DEFICITS

a. GENERAL:

1. Except as provided in this section no state agency shall incur a deficit. No state agency receiving general fund appropriations under the provisions of this act shall obligate or expend monies in excess of its general fund appropriations, nor shall it obligate or expend monies in excess of nongeneral fund revenues that are collected and appropriated.

2. The Governor is authorized to approve deficit funding for a state agency under the following conditions:

a) an unanticipated federal or judicial mandate has been imposed,

b) insufficient monies are available in the first year of the biennium for start-up of General Assembly-approved action, or

c) delay pending action by the General Assembly at its next legislative Session will result in the curtailment of statutory required services or those required by federal mandate or will produce a threat to life, safety, health or property.

d) Such approval by the Governor shall be in writing under the conditions described in § 4-3.02 a Authorized Deficit Loans of this act and shall be promptly communicated to the Chairmen of the House Appropriations and Senate Finance Committees within five calendar days of deficit approval.

3. Deficits shall not be authorized for capital projects.

4. The Department of Transportation may obligate funds in excess of the current biennium appropriation for projects of a capital nature not covered by § 4-4.00 Capital Projects, of this act provided such projects are: 1) delineated in the Virginia Transportation Six-Year Improvement Program, as approved by the Commonwealth Transportation Board; and 2) have sufficient cash allocated to each such project to cover projected costs in each year of the Program; and provided that 3) sufficient revenues are projected to meet all cash obligations for such projects as well as all other commitments and appropriations approved by the General Assembly in the biennial budget.

b. UNAUTHORIZED DEFICITS: If any agency contravenes any of the prohibitions stated above, thereby incurring an unauthorized deficit, the Governor is hereby directed to withhold approval of such excess obligation or expenditure. Further, there shall be no reimbursement of said excess, nor shall there be any liability or obligation upon the state to make any appropriation hereafter to meet such unauthorized deficit. Further, those members of the governing board of any such agency who shall have voted therefore, or its head if there be no governing board, making any such excess obligation or expenditure shall be personally liable for the full amount of such unauthorized deficit and, at the discretion of the Governor, shall be deemed guilty of neglect of official duty and be subject to removal therefore. Further, the State Comptroller is hereby directed to make public any such unauthorized deficit, and the Director, Department of Planning and Budget, is hereby directed

to set out such unauthorized deficits in the next biennium budget. In addition, the Governor is directed to bring this provision of this act to the attention of the members of the governing board of each state agency, or its head if there be no governing board, within two weeks of the date that this act becomes effective.

c. **TOTAL AUTHORIZED DEFICITS:** The amount which the Governor may authorize, under the provisions of this section during the current biennium, to be expended from loans repayable out of the general fund of the state treasury, for all state agencies, or other agencies combined, in excess of general fund appropriations for the current biennium, shall not exceed one and one-half percent (1 1/2%) of the revenues collected and paid into the general fund of the state treasury as defined under § 4-2.02 b of this act during the last year of the previous biennium and the first year of the current biennium.

d. The Governor shall report any such authorized and unauthorized deficits to the Chairmen of the House Appropriations and Senate Finance Committees within five calendar days of deficit approval. By August 15 of each year, the Governor shall provide a comprehensive report to the Chairmen of the House Appropriations and Senate Finance Committees detailing all such deficits.

#### § 4-3.02 TREASURY LOANS

a. **AUTHORIZED DEFICIT LOANS:** A state agency requesting authorization for deficit spending shall prepare a plan for the Governor's review and approval, specifying appropriate financial, administrative and management actions necessary to eliminate the deficit and to prevent future deficits. If the Governor approves the plan and authorizes a state agency to incur a deficit under the provisions of this section, the amount authorized shall be obtained by the agency by borrowing the authorized amount on such terms and from such sources as may be approved by the Governor. At the close of business on the last day of the current biennium, any unexpended balance of such loan shall be applied toward repayment of the loan, unless such action is contrary to the conditions of the loan approval. The Director, Department of Planning and Budget, shall set forth in the next biennial budget all such loans which require an appropriation for repayment. A copy of the approved plan to eliminate the deficit shall be transmitted to the Chairmen of the House Appropriations and the Senate Finance Committees within five calendar days of approval.

b. **ANTICIPATION LOANS:** Authorization for anticipation loans are limited to the provisions below.

1.a) When the payment of authorized obligations for operating expenses is required prior to the collection of nongeneral fund revenues, any state agency may borrow from the state treasury the required sums with the prior written approval of the Secretary of Finance or his designee as to the amount, terms and sources of such funds; such loans shall not exceed the amount of the anticipated collections of such revenues and shall be repaid only from such revenues when collected.

b) When the payment of authorized obligations for capital expenses is required prior to the collection of proceeds from authorized debt, any state agency or body corporate and politic, constituting a public corporation and government instrumentality, may borrow from the state treasury the required sums with the prior written approval of the Secretary of Finance or his designee as to the amount, terms and sources of such funds; such loans shall not exceed the amount of the anticipated proceeds from debt authorized by the General Assembly and shall be repaid only from such proceeds when collected.

2. Anticipation loans for operating expenses shall be in amounts not greater than the sum identified by the agency as the minimum amount required to meet the projected expenditures. The term of any anticipation loans granted for operating expenses shall not exceed twelve months.

3. Before an anticipation loan for a capital project is authorized, the agency shall develop a plan for financing such capital project; approval of the State Treasurer shall be obtained for all plans to incur authorized debt.

4. Anticipation loans for capital projects shall be in amounts not greater than the sum identified by the agency as required to meet the projected expenditures for the project within the current biennium.

5. To ensure that such loans are repaid as soon as practical and economical, the Department of Planning and Budget shall monitor the construction and expenditure schedules of all approved capital projects that will be paid for with proceeds from authorized debt and have anticipation loans.

6. The State Treasurer shall charge current market interest rates on anticipation loans made for capital projects subject to the following:

- a) Anticipation loans for capital projects for which debt service will be paid with general fund appropriations shall be exempt from interest payments on borrowed balances.
- b) Interest payments on anticipation loans for nongeneral fund capital projects shall be made from appropriated nongeneral fund revenues. Such interest shall not be paid with the funds from the anticipation loan or from the proceeds of authorized debt without the approval of the State Treasurer.
- c) REPORTING: All outstanding loans shall be reported by the Governor to the Chairmen of the House Appropriations and Senate Finance Committees by August 15 of each year. The report shall include a status of the repayment schedule for each loan.

#### § 4-3.03 CAPITAL LEASES

1. Not later than September 1 of each year, all agencies and institutions of the Commonwealth proposing building projects that may qualify as capital lease agreements, as defined in Generally Accepted Accounting Principles (GAAP), and that may be supported in whole, or in part, from appropriations provided for in this act, shall submit copies of such proposals to the Directors of the Departments of Planning and Budget and General Services, the State Comptroller, and the State Treasurer. The Secretary of Finance may promulgate guidelines for the review and approval of such requests.

2. The proposals shall be submitted in such form as the Secretary of Finance may prescribe. The Comptroller and the Director, Department of General Services shall be responsible for evaluating the proposals to determine if they qualify as capital lease agreements. 2. For any project for which costs will exceed \$5,000,000 and which is financed through a capital lease transaction, the Treasury Board shall approve the terms and structure of such capital lease in addition to such other reviews and approvals as may be required by law. The Departments of Accounts, General Services, and Planning and Budget shall notify the Treasury Board upon their approval of any transaction which qualifies as a capital lease under the terms of this section. b. New Appointees: The annual salaries of persons appointed to positions listed in this subsection shall be established at:

- 1) No more than 15 percent above the appointee’s pre-appointment salary, not to exceed the maximum for the salary range, or
- 2) The minimum for the salary range.
- 3) The basis for calculation of a new appointee’s salary shall be the last full-time salary, or annualized wage, paid to such individual. If such salary or wage was in compensation for serving in an acting or otherwise temporary capacity, then the calculation shall be based upon the salary or wage of the last permanent position held by the appointee.
- 4) In proposing the salary for a new appointee as authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01.a.5.b.1) not be viewed as the normal increase for new appointees. The Governor shall be guided by criteria which provide a reasonable limit on the increase, considering the incumbent’s potential contribution to the Commonwealth, and such other criteria as he may find useful.

c. Annual Salary Increases: In his budget proposals to the General Assembly, the Governor shall propose increases or decreases, if any, to the salaries of incumbents in the positions listed in this subsection.

- 1) Such proposals shall be:
  - a) Based on his evaluation of their individual performance,
  - b) No more than the maximum of the range of performance increases granted in that fiscal year for classified employees under the Classified Employee Pay Plan as set out in Item 511, of this Act,
  - c) No more than the maximum for the salary range, and
  - d) Shall be effective on the first day of the pay period next following the Governor’s signature of the budget bill.
- 2) In making his proposals in the budget, the Governor shall provide the Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification of any increase that deviates from the average increase recommended for classified state employees under the Classified Employee Pay Plan as set out in Item 511, of this Act. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.
- 3) Incumbents with less than six months tenure in the position listed in this subsection shall not be eligible for the salary increase authorized by this subsection.
- 4) In proposing the annual salary increase authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01.a.5.c.1) b) above should be reserved for those agency heads who made an exceptional contribution to the operation of their agency. The Governor shall be guided by criteria which provide a reasonable limit on the increase, considering the incumbent’s service to the Commonwealth, and such other criteria as he may find useful.

d. Competitive Salary Increases: At any time, the Governor may approve a salary increase for the incumbent in a position listed in this subsection, in response to a bona fide job offer from another employer.

- 1) Such competitive salary increase shall be:
  - a) Based on his evaluation of their individual performance,
  - b) No more than the maximum of the salary range,

- c) No more than 15 percent for any single competitive offer or for a combination of competitive offers in a single fiscal year, and
- d) Temporary and provisional until the first day of the pay period next following the Governor's signature of the budget bill.
- 2) In approving a competitive offer, the Governor should be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth and the relative difficulty of finding a qualified replacement, and such other criteria as he may find useful.
- 3) In authorizing a competitive salary increase, the Governor shall provide the Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification for such increase. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.
- e. Performance Bonuses: At any time, the Governor may approve a performance bonus for the incumbent in a position listed in this subsection.
  - 1) Such performance bonus shall be:
    - 1) Based on his evaluation of their individual performance,
    - 2) No greater than five percent of the annual salary for the incumbent, as listed in this Act, and
    - 2) Performance bonuses shall not be granted to any individual more than once in a twelve month period.
    - 3) In authorizing a performance bonus, the Governor shall provide;
      - a) The Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.
      - b) Notification of performance bonuses to the Department of Human Resource Management for retention in its records.
  - f. Special Provisions for Executive Branch Agency Heads:
    - 1) Except as may be otherwise provided in this Act, all incumbents holding positions listed in this § 4-6.01 shall be eligible for all fringe benefits provided to full-time classified state employees and, notwithstanding any provision to the contrary, the annual salary paid pursuant to this § 4-6.01 shall be included as creditable compensation for the calculation of such benefits.
    - 2) If at any time the Administrator of the Commonwealth's Attorneys' Services Council serves on the faculty of a state-supported institution of higher education, the faculty appointment must be approved by the Council. Such institution shall pay one-half of the salary listed in § 4-6.01 c 6 of this act.
      - a) Further, such institution may provide compensation in addition to that listed in § 4-6.01 c 6; provided, however, that such additional compensation must be approved by the Council.
      - b) If the Administrator ceases to be a member of the faculty of a state-supported institution of higher education, the total salary listed in § 4-6.01 c 6 shall be paid from the Council's appropriation.

c) Except where appropriations for operation of the food service are from nongeneral funds, all revenues received from such charges shall be paid directly and promptly into the general fund.

2. The provisions of this subsection shall not apply to on-duty employees assigned to correctional facilities operated by the Departments of Corrections, Juvenile Justice, and Correctional Education.

b. HOUSING SERVICES:

1. Each agency will collect a fee from state employees who occupy state-owned housing, subject to guidelines provided by the Director, Department of General Services. Each agency head is responsible for establishing a fee for state-owned housing and for documenting in writing why the rate established was selected. In exceptional circumstances, which shall be documented as being in the best interest of the Commonwealth by the agency requesting an exception, the Director, Department of General Services may waive the requirement for collection of fees.

2. All revenues received from housing fees shall be promptly deposited in the state treasury. For housing for which operating expenses are financed by general fund appropriations, such revenues shall be deposited to the credit of the general fund. For housing for which operating expenses are financed by nongeneral fund appropriations, such revenues shall be deposited to the credit of the nongeneral fund. Agencies which provide housing for which operating expenses are financed from both general fund and nongeneral fund appropriations shall allocate such revenues, when deposited in the state treasury, to the appropriate fund sources in the same proportion as the appropriations. Payments for such leases shall be derived from charges to employees for parking space or from other nonpublic funds, or both. “1. All nongeneral fund collections by public institutions of higher education, including collections from the sale of dairy and farm products, shall be deposited in the state treasury in accordance with § 2.2-1802, Code of Virginia, and expended by the institutions of higher education in accordance with the appropriations and provisions of this act, provided, however, that this requirement shall not apply to private gifts, endowment funds, or income derived from endowments and gifts.

2.a) Financial support provided to the Commonwealth's institutions of higher education is predicated primarily upon the fulfillment by such institutions of their mission to provide educational opportunities to the citizens of the Commonwealth. The presence of students from outside the Commonwealth contributes materially to that mission and the appropriate proportion of such nonresident students will vary among the institutions according to their respective missions. Each institution and the State Council of Higher Education for Virginia shall monitor tuition, fees, and other charges, as well as the mix of resident and nonresident students, to ensure that the primary mission of providing educational opportunities to citizens of Virginia is served. The State Council of Higher Education shall report to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees no later than August 1 of each year on the annual change in total charges for tuition and all required fees approved and allotted by the Board of Visitors in support of the institutions' educational and general programs. As it deems appropriate, the State Council of Higher Education for Virginia shall provide comparative national, peer, and market data with respect to charges assessed students for tuition and required fees at institutions outside of the Commonwealth. Further, in coordination with the institutions, the State Council of Higher Education for Virginia shall report no later than August 1 of each year on the estimated amount of revenue each institution expects to collect from tuition and mandatory educational and general fees during the fiscal year.

b) The State Council of Higher Education for Virginia shall also develop and enforce uniform guidelines for reporting student enrollments and the domiciliary status of students.

3. The Board of Visitors or other governing body of each public institution of higher education shall set tuition, fees, and other student charges within the limits of the nongeneral fund appropriation provided for each institution's educational and general programs within this act.

4.a) In setting the general and nongeneral fund appropriations for educational and general programs at each institution, it is the intent of the General Assembly, over a period of up to six years, to provide full funding of the base adequacy guidelines adopted, and periodically amended, by the Joint Subcommittee Studying Higher Education Funding Policies; to begin raising average salaries for teaching and research faculty to the 60th percentile of peer institutions nationally; and to recognize the student share of cost for other priorities set forth in this act.

b) Further, it is the intent of the General Assembly that the Commonwealth support at least 67 percent of the cost of education for all resident students attending a public college or university in the Commonwealth and that tuition and mandatory educational and general fee rates for nonresident

undergraduate and graduate students shall be at least 100 percent of the average cost of their education, as calculated by the Joint Subcommittee's funding guidelines.

c) For institutions charging nonresident students less than 100 percent of the cost of education as identified by the funding guidelines referenced in subparagraph a), the State Council of Higher Education for Virginia may authorize a phased approach to meeting this requirement, when in its judgment, it would result in annual tuition and fee increases for nonresident students that would discourage their enrollment.

d) Nonresident graduate students employed by an institution as graduate teaching or research assistants and paid at an annual contract rate of \$4,000 or more may be considered resident students for the purposes of charging tuition and fees.

e) By October 1, 2005, the State Council of Higher Education shall prepare a report on nonresident tuition waivers, including how waivers contribute to institutions' ability to attract and retain research funding and the extent to which nonresident students receiving waivers stay and work in Virginia upon graduation. The Department of Taxation and the Virginia Employment Commission shall work with the State Council of Higher Education for Virginia to provide appropriate unit record data to support these analyses.

5. In setting undergraduate tuition and fee increases, the Boards of Visitors or other governing bodies shall consider the feasibility of setting aside a portion of the tuition increase to provide additional financial aid resources, in combination with state, federal and private resources to students who demonstrate financial need.

6. The fund source "Higher Education Operating" within educational and general programs for institutions of higher education includes tuition and fee revenues from nonresident students to pay their proportionate share of the amortized cost of the construction of buildings approved by the Commonwealth of Virginia Educational Institutions Bond Act of 1992 and the Commonwealth of Virginia Educational Facilities Bond Act of 2002.

7. Institutions of higher education are hereby authorized to make the technology service fee authorized in Chapter 1042, 2003 Acts of Assembly, part of ongoing tuition revenue. Such revenues shall continue to be used to supplement technology resources at the institutions of higher education.

8.a) The governing boards of the institutions of higher education shall seek cost savings in areas supported by non-educational and general fees such that the total cost of higher education be kept as low as possible. Mandatory fees for purposes other than educational and general programs shall not be increased for Virginia undergraduates beyond five percent annually, excluding requirements for wage, salary, and fringe benefit increases, authorized by the General Assembly. Fee increases required to carry out actions that respond to mandates of federal agencies are also exempt from this provision, provided that a report on the purposes of the amount of the fee increase is submitted to the Chairmen of the House Appropriations and Senate Finance Committees by the institution of higher education at least 30 days prior to the effective date of the fee increase.

b) This restriction shall not apply in the following instances: fee increases directly related to capital projects authorized by the General Assembly; fee increases to support student health services; and other fee increases specifically authorized by the General Assembly.

c) Due to the small mandatory non-educational and general program fees currently assessed students in the Virginia Community College System, increases in any one year of no more than \$15 shall be allowed on a cost-justified case-by-case basis, subject to approval by the State Board for Community Colleges.

9.a) At the request of an institution of higher education, the Director, Department of Planning and Budget, shall administratively appropriate and allot increases in nongeneral fund revenues appropriated in this act from all sources except tuition and fees used in support of Educational and General program.

b) To the extent an institution seeks to increase tuition and fee revenue for use within the educational and general programs above the levels specified in this act, the Department of Planning and Budget may administratively appropriate and allot increases up to one percent of the appropriated amounts without review and certification by the State Council of Higher Education for Virginia.

c) For requested increases above one percent of the appropriated levels identified in this act, institutions shall seek certification from the State Council of Higher Education for Virginia prior to approval by the Director, Department of Planning and Budget.

d) The State Council of Higher Education for Virginia shall review and certify that the request for additional revenue is needed as the result of higher than anticipated enrollments, a change in the mix of student enrollments, an increase in revenue from self-supporting non-credit or for-credit education or training programs, legislatively approved programmatic funding requirements identified in this act, or appropriate technical adjustments.

e) The Director, Department of Planning and Budget, shall administratively appropriate and allot the increases certified by the State Council of Higher Education for Virginia, provided that the additional revenue is applied solely to the operating needs of the educational and general programs and that the request for additional nongeneral fund budget authority is consistent with budget items adopted in this act.

10. It is the intent of the General Assembly that any institution of higher education granting new tuition waivers to resident or nonresident students not authorized by the Code of Virginia must absorb the cost of any discretionary waivers.

11. The entitlement to resident tuition charges referenced in § 23-7.4:2 A (iii), Code of Virginia, shall be suspended through June 30, 2006.

12. Tuition and fee revenues from nonresident students taking courses through Virginia institutions from the Southern Regional Education Board's Southern Regional Electronic Campus must exceed all direct and indirect costs of providing instruction to those students. Tuition and fee rates to meet this requirement shall be established by the Board of Visitors of the institution.

13. The entitlement to resident charges, at four-year institutions, shall not extend beyond 125 percent of the credit hours needed to satisfy the degree requirements for a particular undergraduate program excluding transfer or advanced placement credits. Resident students taking in excess of 125 percent of the credit hours needed to satisfy the degree requirements for a particular program shall not be eligible to receive awards through state-sponsored financial aid programs. The State Council of Higher Education for Virginia shall establish procedures through which institutions shall implement this provision.”

2. That §§ 58.1-1001, 58.1-1009, and 58.1-1018 of the Code of Virginia are amended and reenacted, that the Code of Virginia is amended by adding in Title 32.1 a chapter numbered 15, consisting of sections numbered 32.1-366 and 32.1-367, and that the Code of Virginia is amended by adding in

Chapter 10 of Title 58.1 an article numbered 2.1, consisting of sections numbered 58.1-1021.01 through 58.1-1021.05, as follows:

CHAPTER 15.

VIRGINIA HEALTH CARE FUND.

§ 32.1-366. *Virginia Health Care Fund Established.*

A. *There is hereby created in the state treasury a special nonreverting fund to be known as the Virginia Health Care Fund, hereafter referred to as the "Fund." The Fund shall be established on the books of the Comptroller and any moneys remaining in the Fund at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. For purposes of the Comptroller's preliminary and final annual reports required by § 2.2-813, however, all deposits to and disbursements from the Fund shall be accounted for as part of the general fund of the state treasury.*

B. *All revenue received by the Commonwealth pursuant to the provisions of §§ 58.1-1001 and 58.1-1018 and Article 2.1 (§ 58.1-1021.01 et seq.) of Chapter 10 of Title 58.1 shall be paid into the state treasury and deposited to the Fund. The Comptroller shall also deposit 40 percent of the Commonwealth's allocation pursuant to the Master Settlement Agreement with tobacco product manufacturers, as defined in § 3.1-1106, to the Fund. The Fund shall also consist of all recoveries received during a fiscal year resulting from expenditures incurred in the Medicaid program during a prior fiscal year or years to the extent that such amounts represent recoveries of state funds that would otherwise be deposited to the general fund of the state treasury.*

§ 32.1-367. *Uses of Virginia Health Care Fund.*

*Moneys deposited to the Fund shall be used solely for the provision of health care services. Health care services include, but are not limited to, Medicaid payments, disease diagnosis, prevention and control, and community health services. Disbursements from the Fund shall be made in accordance with appropriations made by law.*

§ 58.1-1001. Tax levied; rate.

In addition to all other taxes now imposed by law, every person within this Commonwealth who sells, stores or receives cigarettes made of tobacco or any substitute thereof, for the purpose of distribution to any person within this Commonwealth, shall pay to this Commonwealth an excise tax of one and one-quarter mills on each such cigarette sold, stored or received before July 1, 2004; an excise tax of one cent on each such cigarette sold, stored or received on or after July 1, 2004, through midnight on June 30, 2005; and an excise tax of 1.75 cents on each such cigarette sold, stored or received on or after July 1, 2005.

*The revenues generated by the tax imposed under this section on and after July 1, 2004, shall be collected by the Department and deposited into the Virginia Health Care Fund established under § 32.1-366.*

§ 58.1-1009. Preparation, design and sale of stamps; unlawful sale or purchase of stamps a felony; penalty.

A. The Department is hereby authorized and directed to have prepared and to sell stamps suitable for denoting the tax on all cigarettes. The Department shall design, adopt and promulgate the form and kind of stamps to be used. Stamps so adopted and promulgated shall be known as and termed "Virginia revenue stamps," and in any information or indictment, it shall be sufficient to describe the stamps as "Virginia revenue stamps."

Any person other than the Department who sells such revenue stamps, not affixed to cigarettes sold and delivered by them, whether the said stamps be genuine or counterfeit, shall be guilty of a Class 6 felony. Any person who purchases revenue stamps from anyone other than the Department, unless such stamps are already affixed to cigarettes being purchased by and delivered to him, or who uses or affixes, or causes to be used or affixed, any revenue stamps not purchased from the Department by the owner of the cigarettes being handled or stamped, whether such stamps are genuine or counterfeit, shall be guilty of a Class 6 felony. When wholesalers have qualified as such with the Department, as provided in § 58.1-1011, and purchase stamps as prescribed herein for use on taxable cigarettes sold and delivered by them, the Department shall allow on such sales of revenue stamps a discount of two and one-half cents

per carton. ~~In addition to any other penalties provided by law, the Department may revoke the permit issued, in accordance with § 58.1-1011, to any person who violates this section.~~

As used herein "carton" shall mean ten packs of cigarettes, each containing twenty cigarettes. All stamps prescribed by the Department shall be designed and furnished in such a fashion as to permit identification of the wholesale dealer or retail dealer that affixed the stamp to the particular package of cigarettes, by means of a serial number or other mark on the stamp. The Department shall maintain for not less than three years information identifying which wholesale dealer or retail dealer affixed the revenue stamp to each package of cigarettes.

*B. 1. The Department shall provide Virginia revenue stamps to certain wholesale dealers holding a current permit issued pursuant to § 58.1-1011 prior to collecting the tax imposed under this chapter from such wholesale dealer. Such wholesale dealers shall be allowed to obtain the stamps from the Department without concurrent payment of the tax only if the conditions of this subsection are satisfied.*

*In order to obtain Virginia revenue stamps without concurrent payment of the tax imposed under this chapter, a wholesale dealer shall (i) file a bond with a corporate surety licensed to do business in Virginia, or (ii) file an irrevocable letter of credit satisfactory to the Tax Commissioner as to the bank or savings institution, the form and substance, and payable to the Commonwealth in the face amount of approximately two times the anticipated average monthly amount in purchases of Virginia revenue stamps by the wholesale dealer as determined by the Commissioner. The letter of credit shall be from a bank incorporated or authorized to conduct banking business under the laws of the Commonwealth or authorized to do business in the Commonwealth under the banking laws of the United States, or a federally insured savings institution located in the Commonwealth. Such bond or irrevocable letter of credit shall be conditioned upon payment of the tax imposed by this chapter relating to Virginia revenue stamps obtained by the wholesale dealer from the Department (without concurrent payment of the tax) for which such tax, net of any applicable discount described in subsection A, shall be paid within the 30 days immediately following the date that the related revenue stamp or stamps were provided by the Department to such wholesale dealer. Any such bond shall be so written that, on timely payment of the premium thereon, it shall continue in force from year to year unless sooner terminated.*

*2. Any surety on a bond filed by any wholesale dealer shall be released and discharged from any and all liability to the Commonwealth accruing on such bond after the expiration of 60 days from the date upon which such surety shall have lodged with the Commissioner written request to be released and discharged. But such request shall not operate to relieve, release or discharge such surety from any liability already accrued or which shall accrue before the expiration of such 60-day period. The Commissioner shall, promptly on receipt of such notice, notify the wholesale dealer who furnished such bond. Unless such dealer on or before the expiration of such 60 days' notice files with the Commissioner a new bond or letter of credit that meets all the conditions described in subdivision 1, the Commissioner shall forthwith require the wholesale dealer to pay the tax imposed under this chapter concurrent with obtaining revenue stamps from the Department.*

*In the event that liability upon the bond or letter of credit filed by the wholesale dealer with the Commissioner shall be discharged or reduced, whether by judgment rendered, payment made or otherwise, or if in the opinion of the Commissioner any surety on the bond becomes unsatisfactory or unacceptable, then the Commissioner may require the filing of a new bond or letter of credit. Unless such new bond or letter of credit meets all the conditions described in subdivision 1, the Commissioner shall forthwith require the wholesale dealer to pay the tax imposed under this chapter concurrent with obtaining revenue stamps from the Department.*

*3. Notwithstanding any other provision in this subsection, the Tax Commissioner, for good cause, shall require a wholesale dealer to pay the tax imposed under this chapter concurrent with obtaining revenue stamps from the Department, regardless of whether or not such dealer has filed or agreed to file the bond or letter of credit described in this subsection.*

*C. In addition to any other penalties provided by law, the Department may revoke the permit issued, in accordance with § 58.1-1011, to any person who violates any provision of this section.*

§ 58.1-1018. Tax imposed on storage, use or consumption of cigarettes; exemption of products on which sales tax has been paid.

An excise tax is hereby imposed on the storage, use or other consumption in this Commonwealth of cigarettes purchased at retail in an amount equal to that set out in § 58.1-1001. Every person storing, using or otherwise consuming in this Commonwealth cigarettes purchased at retail shall be liable for the tax imposed by this article, and the liability shall not be extinguished until the tax has been paid to this Commonwealth; however, if such cigarettes have attached thereto the requisite stamps or if the excise tax imposed by Article 1 (§ 58.1-1000 et seq.) has been paid by the seller of such cigarettes, then the tax imposed by this article shall not be due.

*The revenues generated by the tax imposed under this section on and after July 1, 2004, shall be collected by the Department and deposited into the Virginia Health Care Fund established under § 32.1-366.*

*Article 2.1.*

*Tobacco Products Tax.*

*§ 58.1-1021.01. Definitions.*

*As used in this article, unless the context clearly shows otherwise, the term or phrase:*

*“Package” means any package, bag, box, can, or other container in which tobacco products are packaged and sold.*

*“Purchase price” means the same as sales price but applies to the total price paid for tobacco products.*

*“Retail dealer” means every person other than a wholesale dealer, as defined in this section, who sells or offers for sale any tobacco product.*

*“Sales price” means the total amount for which tobacco products are sold, valued in money, whether paid in money or otherwise, and includes any amount for which credit is given to the purchaser by the dealer, without any deduction therefrom on account of the cost of the property sold, the cost of materials used, labor or service costs, losses or any other expenses whatsoever. “Sales price” shall not include any cash discount allowed and taken or finance charges, carrying charges, service charges or interest from credit extended on sales of tobacco products.*

*“Tobacco product” or “tobacco products” means (i) “cigar” as defined in § 5702 (a) of the Internal Revenue Code, and as such section may be amended; (ii) “smokeless tobacco” as defined in § 5702 (m) of the Internal Revenue Code, and as such section may be amended; (iii) “pipe tobacco” as defined in § 5702 (n) of the Internal Revenue Code, and as such section may be amended; or (iv) “roll-your-own tobacco” as defined in § 5702 (o) of the Internal Revenue Code, and as such section may be amended.*

*“Wholesale dealer” means persons who sell any tobacco product at wholesale to retail dealers, or who sell any tobacco product at wholesale to institutional, commercial or industrial users.*

*§ 58.1-1021.02. Tax on tobacco products.*

*A. In addition to all other taxes now imposed by law, there is hereby imposed a tax on every wholesale dealer within the Commonwealth selling any tobacco product to a retail dealer located in the Commonwealth or selling any tobacco product to institutional, commercial or industrial users located in the Commonwealth. For purposes of such tax, chain store distribution centers or houses that distribute any tobacco product to their stores for sale at retail shall be deemed to be a wholesale dealer selling to a retail dealer.*

*The tax shall be imposed at a rate of 10 percent of the sales price charged by the wholesale dealer for each such package of tobacco product sold to a retail dealer or institutional, commercial or industrial user. In any case where a chain store distribution center or house distributes any tobacco product to its stores, the tax shall be imposed on the purchase price paid by the chain store distribution center or house for each such package of tobacco product so distributed.*

*B. In addition to all other taxes now imposed by law, there is hereby imposed a tax on every retail dealer within the Commonwealth purchasing any tobacco product from a wholesale dealer located outside the Commonwealth.*

*The tax shall be imposed at a rate of 10 percent of the purchase price paid by the retail dealer for each such package of tobacco product purchased from a wholesale dealer located outside the Commonwealth.*

*§ 58.1-1021.03. Monthly return and payments of tax.*

A. Every wholesale dealer subject to the tax imposed under this article shall, beginning with the month of October 2004, file a monthly return no later than the tenth of each month on a form prescribed by the Department, covering the sale of tobacco products by such dealer, for which a tax is imposed pursuant to subsection A of 58.1-1021.02, during the preceding month. The return shall contain or be accompanied by such further information as the Department shall require. The wholesale dealer, at the time of filing the return, shall pay to the Department the tax imposed under subsection A of § 58.1-1021.02 on the sales price for each such package of tobacco product sold in the preceding month.

B. Every retail dealer subject to the tax imposed under this article shall, beginning with the month of October 2004, file a monthly return no later than the tenth of each month on a form prescribed by the Department, covering the purchase of tobacco products by such dealer, for which a tax is imposed pursuant to subsection B of 58.1-1021.02, during the preceding month. The return shall contain or be accompanied by such further information as the Department shall require. The retail dealer, at the time of filing the return, shall pay to the Department the tax imposed under subsection B of § 58.1-1021.02 on the purchase price for each such package of tobacco product purchased in the preceding month.

§ 58.1-1021.04. Failure to file return; fraudulent return; penalties; interest; overpayment of tax.

A. When any wholesale dealer or retail dealer fails to make any return or pay the full amount of the tax required by this article, there shall be imposed a specific penalty to be added to the tax in the amount of five percent if the failure is for not more than one month, with an additional two percent for each additional month, or fraction thereof, during which the failure continues, not to exceed 20 percent in the aggregate. In no case, however, shall the penalty be less than \$10 and such minimum penalty shall apply whether or not any tax is due for the period for which such return was required. If such failure is due to providential or other good cause shown to the satisfaction of the Tax Commissioner, such return with or without remittance may be accepted exclusive of penalties. In the case of a false or fraudulent return where willful intent exists to defraud the Commonwealth of any tax due under this article, or in the case of a willful failure to file a return with the intent to defraud the Commonwealth of any such tax, a specific penalty of 50 percent of the amount of the proper tax shall be assessed. All penalties and interest imposed by this article shall be payable by the wholesale dealer or retail dealer and collectible by the Department in the same manner as if they were a part of the tax imposed.

B. It shall be prima facie evidence of intent to defraud the Commonwealth of any tax due under this article when any wholesale dealer or retail dealer reports his sales or purchases, as the case may be, at 50 percent or less of the actual amount.

C. Interest at a rate determined in accordance with § 58.1-15 shall accrue on the tax until the same is paid.

No deficiency, interest or penalty shall be assessed for any month after the expiration of three years from the date set for the filing of the return for such month, except in cases of fraud, or where no return has been filed for such month.

D. If the Tax Commissioner determines that the amount paid the Commonwealth under this article in regard to any monthly return was greater than the amount of tax due the Commonwealth, the excess may be taken as a credit by the wholesale dealer or retail dealer against a subsequent month's tax imposed under this article. However, if such wholesale dealer or retail dealer requests a refund, such excess shall be refunded to the dealer within 45 days of the request. The refund shall include interest at the rate provided in § 58.1-15. Interest on such refunds shall accrue from the due date of the return to which such excess is attributable to or the date such excess was paid to the Department, whichever is later, and shall end on a date determined by the Department preceding the date of the refund check by not more than seven days.

§ 58.1-1021.05. Use of revenues.

The revenues generated by the taxes imposed under this article shall be collected by the Department and deposited into the Virginia Health Care Fund established under § 32.1-366.

3. That the taxes set forth under Article 2.1 (§ 58.1-1021.01 et seq.) of Chapter 10 of Title 58.1 pursuant to the second enactment of this act shall be imposed beginning September 1, 2004, for taxable sales or purchases under such article occurring on or after such date.

4. That the Tax Commissioner shall establish guidelines and rules for (i) transitional procedures in regard to the increase in the state cigarette tax and (ii) implementation of the tax on tobacco products under Article 2.1 (§ 58.1-1021.01 et seq.) of Chapter 10 of Title 58.1 pursuant to the second enactment of this act. Such guidelines and rules issued by the Tax Commissioner shall be exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq.).
5. That the provisions of the first enactment of this act shall expire midnight on June 30, 2006. The provisions of all other enactments shall have no expiration date.
6. That this act is effective on July 1, 2004.

The reading of the amendment was waived.

Senator Chichester moved that the amendment be agreed to.

**RULING OF THE CHAIR**

Senator Cuccinelli propounded a parliamentary inquiry as to whether the committee amendments to Item 5-0 #1s and Item 5-0 #2s to **S.B. 30** were germane to the main object of **S.B. 30**, that being the appropriation of the revenues of the Commonwealth.

The Chair ruled that the committee amendments to Item 5-0 #1s and Item 5-0 #2s to **S.B. 30** were germane, citing Article IV, Section 12, of the Constitution, which states, "No law shall embrace more than one object, which shall be expressed in its title." The Chair stated further, "The purpose of the section, quoting from *Commonwealth v. Brown*, which is quoted in *Commentaries on the Constitution of Virginia* by A.E. Dick Howard, '[is] to prevent the practice of bringing together into one bill . . . subjects diverse and dissimilar . . . and to prevent surprise and fraud in legislation . . . All that is required . . . is that the subjects embraced in the statute, but not specified in the title, are congruous, and have natural connection with, or are germane to, the subject expressed in the title.' " The Chair stated further that a primary motive of Article IV, Section 12, was to prevent surprise and that was one reason why it mattered if something was a committee amendment or a floor amendment, a floor amendment not having the benefit of a public hearing. The Chair stated further that the committee amendments to **S.B. 30** had been heard in committee and that there was a natural connection to the question of appropriation because the issues are tax matters that have dedicated revenue streams that fund the appropriations that are at issue in **S.B. 30**.

Senator Cuccinelli appealed from the Ruling of the Chair.

The question was put on sustaining the Ruling of the Chair.

The Ruling of the Chair was sustained.

The recorded vote is as follows:

The Board shall establish criteria for making grants from the Fund, including procedures for determining the amount of each grant and the required match. The criteria shall include provisions for grants to localities for purchase of development rights programs.

Interests in land acquired as provided in subdivision 1 of this subsection may be held by the Foundation or transferred to state agencies or other appropriate holders. Whenever a holder acquires any interest in land other than a fee simple interest as a result of a grant or transfer from the Foundation, such interest shall be held jointly by the holder and a public body. Whenever a holder acquires a fee simple interest in land as a result of a grant or transfer from the Foundation, a public body shall hold an open space easement in such land.

1. Twenty-five percent shall be transferred to the Open-Space Lands Preservation Trust Fund to be used as provided in § 10.1-1801.1; and

2. Seventy-five percent shall be divided equally among the following four uses: (i) natural area protection; (ii) open spaces and parks; (iii) farmlands and forest preservation; and (iv) historic area preservation. § 33.1-12. *General powers and duties of Board, etc.; definitions.*

The Commonwealth Transportation Board shall be vested with the following powers and shall have the following duties:

(1) Location of routes. - To locate and establish the routes to be followed by the roads comprising systems of state highways between the points designated in the establishment of such systems.

(2) Construction and maintenance contracts and activities related to passenger and freight rail and public transportation.

(a) To let all contracts for the construction, maintenance, and improvement of the roads comprising systems of state highways and for all activities related to passenger and freight rail and public transportation in excess of \$2 million. The Commonwealth Transportation Commissioner shall have authority to let all contracts for highway construction, maintenance, and improvements up to \$2 million in value. The Director of the Department of Rail and Public Transportation shall have the authority to let contracts for passenger and freight rail and public transportation improvements up to \$2 million in value. The Commonwealth Transportation Commissioner is authorized to enter into agreements with localities, authorities, and transportation districts to administer projects and to allow those localities, authorities, and transportation districts to let contracts up to \$2 million in value for highway construction, maintenance, and improvements within their jurisdictions. The Director of the Department of Rail and Public Transportation is authorized to enter into agreements with localities, authorities, and transportation districts to administer projects and to allow those localities, authorities, and transportation districts to let contracts up to \$2 million in value for passenger and freight rail and public transportation activities within their jurisdictions. The Board may annually award five design-build contracts valued no more than \$20 million. The Board may also award design-build contracts valued more than \$20 million, provided that no more than five of these latter contracts are in force at the same time. These contracts may be awarded after a written determination is made by the Commonwealth Transportation Commissioner, pursuant to objective criteria previously adopted by the Board regarding the use of design-build, that delivery of the projects must be expedited and that it is not in the public interest to comply with the design and construction contracting procedures normally followed. Such objective criteria will include requirements for prequalification of contractors and competitive bidding processes. These contracts shall be of such size and scope to encourage maximum competition and participation by agency prequalified and otherwise qualified contractors. Such determination shall be retained for public inspection in the official records of the Department of Transportation and shall include a description of the nature and scope of the project and the reasons for the Commissioner's determination that awarding a design-build contract will best serve the public interest. The provisions of this section shall supersede contrary provisions of subdivision 2 of subsection C of § 11-41 and § 11-41.2.

(c) For transportation construction projects valued in excess of \$100 million, the Commonwealth Transportation Board shall require that a financial plan be prepared. (5) Compliance with federal acts. - To comply fully with the provisions of the present or future federal aid acts. The Board may enter into all contracts or agreements with the United States government and may do all other things necessary to carry out fully the cooperation contemplated and provided for by present or future acts of Congress in the area of transportation.

(6) Information and statistics. - To gather and tabulate information and statistics relating to transportation and disseminate the same throughout the Commonwealth. In addition, the Commissioner shall provide a report to the Governor, the General Assembly, the Commonwealth Transportation Board, and the public concerning the current status of all highway construction projects in the Commonwealth. This report shall be posted at least four times each fiscal year, but may be updated more often as circumstances allow. The report shall contain, at a minimum, the following information for every project in the Six-Year Improvement Program: (i) project description; (ii) total cost estimate; (iii) funds expended to date; (iv) project timeline and completion date; (v) statement of whether project is ahead of, on, or behind schedule; and (vi) the name of the prime contractor. (b) To offer technical assistance and coordinate state resources to work with local governments, upon their request, in developing sound transportation components for their local comprehensive plans.

(9) Transportation. - (a) To monitor and, where necessary, approve actions taken by the Department of Rail and Public Transportation pursuant to Chapter 10.1 (§ 33.1-391.1 et seq.) of this title in order to ensure the efficient and economical development of public transportation, the enhancement of rail transportation, and the coordination of such rail and public transportation plans with highway programs.

(b) To coordinate the planning for financing of transportation needs, including needs for highways, railways, seaports, airports, and public transportation and to set aside funds as provided in § 33.1-23.03:1. To allocate funds for these needs pursuant to §§ 33.1-23.1 and, 46.2-702.1, and 58.1-638, *subsection F of § 58.1-2289, and subsection B of § 58.1-2425*, the Board shall adopt a Six-Year Improvement Program of anticipated projects and programs by July 1 of each year. This program shall be based on the most recent official Transportation Trust Fund revenue forecast and shall be consistent with a debt management policy adopted by the Board in consultation with the Debt Capacity Advisory Committee and the Department of the Treasury.

(10) Contracts with other states. - To enter into all contracts with other states necessary for the proper coordination of the location, construction, maintenance, improvement and operation of transportation systems, including the systems of state highways with the highways of such other states and, where necessary, to seek the approval of such contracts by the Congress of the United States.

(11) Use of funds. - To administer, distribute, and allocate funds in the Transportation Trust Fund as provided by law.

(12) Financial and investment advisors. - With the advice of the Secretary of Finance and the State Treasurer, to engage a financial advisor and investment advisor who may be anyone within or without the government of the Commonwealth, to assist in planning and making decisions concerning the investment of funds and the use of bonds for transportation purposes. The work of these advisors shall be coordinated with the Secretary of Finance and the State Treasurer.

(13) The powers of the Virginia Aviation Board set out in Chapter 1 (§ 5.1-1 et seq.) of Title 5.1 and the Virginia Port Authority set out in Chapter 10 (§ 62.1-128 et seq.) of Title 62.1 are in no way diminished by the provisions of this title.

(14) To enter into payment agreements with the Treasury Board related to payments on bonds issued by the Commonwealth Transportation Board.

(15) Outdoor theaters. - By regulation:

(a) To prevent the erection of moving picture screens of outdoor theaters in such a manner as to be ordinarily visible from any highway;

(b) To require that a sufficient space is left between any highway and the entrance to any outdoor theater to prevent congestion on the highway; and

(c) To require that outdoor theater entrances and exits are adequately lighted and marked.

Throughout this title the term "systems of state highways" shall have the meaning ascribed thereto by § 1-13.40.

2. [Repealed.]

3. The additional revenues generated by enactments of Chapters 11, 12 and 15 of the Acts of Assembly, 1986 Special Session, *and designated for this fund*; and the additional revenues described in § 46.2-702.1, subsection F of § 58.1-2289, and clause (iv) of subsection A of § 58.1-2425 generated by enactments of the 2004 Session of the General Assembly, and designated for this fund.

4. Tolls and other revenues derived from the projects financed or refinanced pursuant to this title which are payable into the state treasury and tolls and other revenues derived from other transportation projects, which may include upon the request of the applicable appointed governing body, as soon as their obligations have been satisfied, such tolls and revenue derived for transportation projects pursuant to § 33.1-253 (Chesapeake Bay Bridge and Tunnel District) and § 33.1-320 (Richmond Metropolitan Authority) or if the appointed governing body requests refunding or advanced refunding by the Board and such refunding or advanced refunding is approved by the General Assembly. Such funds shall be held in separate subaccounts of the Transportation Trust Fund to the extent required by law or the Board.

5. Tolls and other revenues derived from the Richmond-Petersburg Turnpike, provided that such funds shall be held in a separate subaccount of the Transportation Trust Fund and allocated as set forth in Chapter 574 of the Acts of Assembly of 1983 until expiration of that Act.

All interest, dividends and appreciation which may accrue to the Transportation Trust Fund and the Highway Maintenance and Construction Fund, except that interest on funds becoming part of the Transportation Trust Fund under subdivision 1 and the Highway Maintenance and Construction Fund shall not become part of the Transportation Trust Fund until July 1, 1988.

8. All amounts required by contract to be paid over to the Transportation Trust Fund.

§ 33.1-23.03:8. Priority Transportation Fund established.

A. There is hereby created in the state treasury a special nonreverting fund to be known as the Priority Transportation Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. All funds as may be designated in the appropriation act for deposit to the Fund shall be paid into the state treasury and credited to the Fund. Such funds shall include:

1. A portion of the moneys actually collected, including penalty and interest, attributable to any increase in revenues from the taxes imposed under Chapter 22 (§ 58.1-2200 et seq.) of Title 58.1, with such increase being calculated as the difference between such tax revenues collected in the manner prescribed under Chapter 22 less such tax revenues that would have been collected using the prescribed manner in effect before the effective date of Chapter 22. The portion to be deposited to the Fund shall be the moneys actually collected from such increase in revenues, *net of the additional revenues described in subsection F of § 58.1-2289 designated for deposit into the Transportation Trust Fund established under § 33.1-23.03:1* and allocated for highway and mass transit improvement projects as set forth in § 33.1-23.03:2, but not including any amounts that are allocated to the Commonwealth Port Fund and the Commonwealth Airport Fund under such section. There shall also be deposited into the Fund all additional federal revenues attributable to Chapter 22 (§ 58.1-2200 et seq.) of Title 58.1; and

3. Any other such funds as may be transferred, allocated, or appropriated.

The Fund shall be considered a part of the Transportation Trust Fund. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes enumerated in subsection B of this section. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller.

B. The Commonwealth Transportation Board shall use the Fund to facilitate the financing of priority transportation projects throughout the Commonwealth. The Board may use the Fund either (i) by expending amounts therein on such projects directly, (ii) by payment to any authority, locality, commission or other entity for the purpose of paying the costs thereof, or (iii) by using such amounts to support, secure, or leverage financing for such projects. No expenditures from or other use of amounts in the Fund shall be considered in allocating highway maintenance and construction funds under § 33.1-23.1 or apportioning Transportation Trust Fund funds under § 58.1-638, but shall be in addition thereto. The Board shall use the Fund to facilitate the financing of priority transportation projects as designated by the General Assembly; provided, however, that, at the discretion of the Commonwealth Transportation Board, funds allocated to projects within a transportation district may be allocated among projects within the same transportation district as needed to meet construction cash-flow needs.

§ 33.1-418. Allocation of funds to districts.

The local governing body of any locality in which a district has been created pursuant to this chapter may advance funds or provide matching funds from money not otherwise specifically allocated or obligated. Such funds may be received or generated from whatever source, including, without limitation, general revenues, special fees and assessments, state allocations, and contributions from private sources to a local district to assist the local district to undertake the transportation improvements for which it was created. To assist the district with an approved transportation improvement, the Commonwealth Transportation Board may allocate to a district created pursuant to this chapter only funds allocated, pursuant to Article 1.1 (§ 33.1-23.01 et seq.) of Chapter 1 of Title 33.1, ~~and~~ § 46.2-702.1, subsection A of § 58.1-638, *subsection F of § 58.1-2289, and subsection B of § 58.1-2425*, to the construction districts and localities in which such transportation district is located.

§ 33.1-439. Allocation of funds to districts.

The governing body of any county or town council of any participating town in which a district has been created pursuant to this chapter may advance funds or provide matching funds from money not otherwise specifically allocated or obligated. Such funds may be received or generated from whatever source, including, without limitation, general revenues, special fees and assessments, state allocations, and contributions from private sources to a local district to assist the local district to undertake the transportation improvements for which it was created. To assist the district with an approved transportation improvement, the Commonwealth Transportation Board may allocate to a district created pursuant to this chapter only funds allocated, pursuant to Article 1.1 (§ 33.1-23.01 et seq.) of Chapter 1 of Title 33.1, ~~and~~ § 46.2-702.1, subsection A of § 58.1-638, *subsection F of § 58.1-2289, and subsection B of § 58.1-2425*, to the construction districts and localities in which such transportation district is located.

A. The annual registration fees for motor vehicles, trailers, and semitrailers designed and used for the transportation of passengers on the highways in the Commonwealth are:

1. ~~Twenty-three~~ *Thirty-three* dollars for each private passenger car or motor home if the passenger car or motor home weighs 4,000 pounds or less, provided that it is not used for the transportation of passengers for compensation and is not kept or used for rent or for hire, or is not operated under a lease without a chauffeur.
2. ~~Twenty-eight~~ *Thirty-eight* dollars for each passenger car or motor home which weighs more than 4,000 pounds, provided that it is not used for the transportation of passengers for compensation and is not kept or used for rent or for hire, or is not operated under a lease without a chauffeur.
3. Thirty cents per 100 pounds or major fraction thereof for a private motor vehicle other than a motorcycle with a normal seating capacity of more than ~~ten~~ *10* adults including the driver if the private motor vehicle is not used for the transportation of passengers for compensation and is not kept or used for

rent or for hire or is not operated under a lease without a chauffeur. In no case shall the fee be less than ~~twenty-three dollars~~ \$33 if the vehicle weighs 4,000 pounds or less or ~~twenty-eight dollars~~ \$38 if the vehicle weighs more than 4,000 pounds.

4. Thirty cents per 100 pounds or major fraction thereof for a school bus. In no case shall the fee be less than ~~twenty-three dollars~~ \$33 if the vehicle weighs 4,000 pounds or less or ~~twenty-eight dollars~~ \$38 if the vehicle weighs more than 4,000 pounds.

5. ~~Twenty-three~~ *Thirty-three* dollars for each trailer or semitrailer designed for use as living quarters for human beings.

6. ~~Thirteen~~ *Twenty-three* dollars plus ~~thirty~~ *30* cents per 100 pounds or major fraction thereof for each motor vehicle, trailer, or semitrailer used as a common carrier of passengers, operating either intrastate or interstate. Interstate common carriers of interstate passengers may elect to be licensed and pay the fees prescribed in subdivision 7 of this subsection on submission to the Commissioner of a declaration of operations and equipment as he may prescribe. An additional ~~five dollars~~ \$5 shall be charged if the motor vehicle weighs more than 4,000 pounds.

In lieu of the foregoing fee of ~~seventy~~ *70* cents per 100 pounds, a motor carrier of passengers, operating two or more vehicles both within and outside the Commonwealth and registered for insurance purposes with the Surface Transportation Board of the United States Department of Transportation, Federal Highway Administration, may apply to the Commissioner for prorated registration. Upon the filing of such application, in such form as the Commissioner may prescribe, the Commissioner shall apportion the registration fees provided in this subsection so that the total registration fees to be paid for such vehicles of such carrier shall be that proportion of the total fees, if there were no apportionment, that the total number of miles traveled by such vehicles of such carrier within the Commonwealth bears to the total number of miles traveled by such vehicles within and outside the Commonwealth. Such total mileage in each instance is the estimated total mileage to be traveled by such vehicles during the license year for which such fees are paid, subject to the adjustment in accordance with an audit to be made by representatives of the Commissioner at the end of such license year, the expense of such audit to be borne by the carrier being audited. Each vehicle passing into or through Virginia shall be registered and licensed in Virginia and the annual registration fee to be paid for each such vehicle shall not be less than ~~thirty-three dollars~~ \$43. For the purpose of determining such apportioned registration fees, only those motor vehicles, trailers, or semitrailers operated both within and outside the Commonwealth shall be subject to inclusion in determining the apportionment provided for herein.

8. ~~Thirteen~~ *Twenty-three* dollars plus ~~eighty~~ *80* cents per 100 pounds or major fraction thereof for each motor vehicle, trailer or semitrailer kept or used for rent or for hire or operated under a lease without a chauffeur for the transportation of passengers. 13. An additional fee of ~~four dollars~~ \$4 per year shall be charged and collected at the time of registration of each pickup or panel truck and each motor vehicle under subdivisions 1 through 12 of this subsection. All funds collected pursuant to this subdivision shall be paid into the state treasury and shall be set aside as a special fund to be used only for emergency medical service purposes. The moneys in the special fund shall be distributed as follows:

c. Thirty-one and three-quarters percent shall be distributed to the Rescue Squad Assistance Fund;

d. Twenty-seven and one-quarter percent shall be available to the State Department of Health for use in emergency medical services; and

e. Twenty-five percent shall be returned by the Comptroller to the locality wherein such vehicle is registered, to provide funding for training of volunteer or salaried emergency medical service personnel of licensed, nonprofit emergency medical services agencies and for the purchase of necessary equipment and supplies for use in such locality for licensed, nonprofit emergency medical and rescue services.

The Comptroller shall clearly designate on the warrant, check, or other means of transmitting these funds that such moneys are only to be used for purposes set forth in this subdivision. Such funds shall be in addition to any local appropriations and local governing bodies shall not use these funds to supplant local funds. Each local governing body shall report annually to the Board of Health on the use of the ~~twenty five~~ 25 percent of the funds ~~which~~ that were returned to it. In any case in which the local governing body grants the funds to a regional emergency medical services council to be distributed to the licensed, nonprofit emergency medical and rescue services, the local governing body shall remain responsible for the proper use of the funds. If, at the end of any fiscal year, a report on the use of the ~~twenty five~~ 25 percent of the funds for that year has not been received from a local governing body, any funds due to that local governing body for the next fiscal year shall be retained until such time as the report has been submitted to the Board.

B. All motor vehicles, trailers, and semitrailers registered as provided in subsection B of § 46.2-646 shall pay a registration fee equal to one-twelfth of all fees required by subsection A of this section or § 46.2-697 for such motor vehicle, trailer, or semitrailer, computed to the nearest cent, multiplied by the number of months in the registration period for such motor vehicles, trailers, and semitrailers.

C. The manufacturer's shipping weight or scale weight shall be used for computing all fees required by this section to be based upon the weight of the vehicle.

D. The applicant for registration bears the burden of proof that the vehicle for which registration is sought is entitled by weight, design, and use to be registered at the fee tendered by the applicant to the Commissioner or to his authorized agent.

§ 46.2-697. Fees for vehicles not designed or used for transportation of passengers.

  3. The subtraction under subdivision C 24 of § 58.1-322;
  4. The deduction for the additional personal exemption for blind or aged taxpayers under subdivision D 2 ~~a-b~~ of § 58.1-322; or
  5. The deduction under subdivision D 5 of § 58.1-322.
- § 58.1-341. Returns of individuals.

A. On or before May 1 of each year if an individual's taxable year is the calendar year, or on or before the fifteenth day of the fourth month following the close of a taxable year other than the calendar year, an income tax return under this chapter shall be made and filed by or for:

1. Every resident individual, except as provided in § 58.1-321, required to file a federal income tax return for the taxable year, or having Virginia taxable income for the taxable year;
2. Every nonresident individual having Virginia taxable income for the taxable year, except as provided in § 58.1-321.

B. If the federal income tax liability of husband or wife is determined on a separate federal return, their Virginia income tax liabilities and returns shall be separate *except as provided under § 58.1-324*. If the federal income tax liabilities of husband and wife (other than a husband and wife described in subdivision 2 of subsection A) are determined on a joint federal return, or if neither files a federal return:

1. They shall file a joint Virginia income tax return, and their tax liabilities shall be joint and several; or
2. They may elect to file separate Virginia income tax returns if they comply with the requirements of the Department in setting forth information (whether or not on a single form), in which event their tax liabilities shall be separate, *except as provided under § 58.1-324* or unless such husband and wife file separately on a combined return. The election permitted under this subsection may be made or changed at any time within three years from the last day prescribed by law for the timely filing of the return.

C. If either husband or wife is a resident and the other is a nonresident, they shall file separate Virginia income tax returns on such single or separate forms as may be required by the Department, in which event their tax liabilities shall be separate except as provided in subsection D, unless both elect to determine their joint Virginia taxable income as if both were residents, in which event their tax liabilities shall be joint and several.

D. If husband and wife file separate Virginia income tax returns on a single form pursuant to subsection B or C, and:

1. If the sum of the payments by either spouse, including withheld and estimated taxes, exceeds the amount of the tax for which such spouse is separately liable, the excess may be applied by the Department to the credit of the other spouse if the sum of the payments by such other spouse, including withheld and estimated taxes, is less than the amount of the tax for which such other spouse is separately liable;
2. If the sum of the payments made by both spouses with respect to the taxes for which they are separately liable, including withheld and estimated taxes, exceeds the total of the taxes due, refund of the excess may be made payable to both spouses.

The provisions of this subsection shall not apply if the return of either spouse includes a demand that any overpayment made by him or her shall be applied only on account of his or her separate liability.

F. The return for an individual who is unable to make a return by reason of minority or other disability shall be made and filed by his guardian, committee, fiduciary or other person charged with the

§ 58.1-390.1. Definitions.

*The following words and terms, when used in this article, shall have the following meanings unless the context clearly indicates otherwise:*

*“Pass-through entity” means any entity, including a limited partnership, a limited liability partnership, a general partnership, a limited liability company, a professional limited liability company, a business trust or a Subchapter S corporation, that is recognized as a separate entity for federal income tax purposes, in which the partners, members or shareholders report their share of the income, gains, losses, deductions and credits from the entity on their federal income tax returns.*

*“Owner” means any individual or entity who is treated as a partner, member, or shareholder of a pass-through entity for federal income tax purposes.*

§ 58.1-390.2. Taxation of pass-through entities.

*Except as provided for in this article, owners of pass-through entities shall be liable for tax under this chapter only in their separate or individual capacities.*

§ 58.1-391. Virginia taxable income of owners of a pass-through entity.

A. In determining Virginia taxable income of ~~a partner~~ *an owner of a pass-through entity*, any modification described in § 58.1-322 ~~which that~~ *relates to an item of partnership* ~~pass-through entity~~ income, gain, loss or deduction shall be made in accordance with the ~~partner's~~ *owner's* distributive share, for federal income tax purposes, of the item to which the modification relates. Where ~~a partner's~~ *an owner's* distributive share of any such item is not included in any category of income, gain, loss or deduction required to be taken into account separately for federal income tax purposes, the ~~partner's~~ *owner's* distributive share of such item shall be determined in accordance with his distributive share, for federal income tax purposes, of ~~partnership~~ *pass-through entity* taxable income or loss.

B. Each item of ~~partnership~~ *pass-through entity* income, gain, loss or deduction shall have the same character for ~~a partner~~ *an owner* under this chapter as for federal income tax purposes. Where an item is not characterized for federal income tax purposes, it shall have the same character for ~~a partner~~ *an owner* as if realized directly from the source from which realized by the ~~partnership~~ *pass-through entity* or incurred in the same manner by the ~~partnership~~ *pass-through entity*.

C. Where ~~a partner's~~ *an owner's* distributive shares of an item of ~~partnership~~ *pass-through entity* income, gain, loss or deduction is determined for federal income tax purposes by special provision in the ~~partnership~~ *pass-through entity* agreement with respect to such item, and where the principal purpose of such provision is the avoidance or evasion of tax under this chapter, the ~~partner's~~ *owner's* distributive share of such item, and any modification required with respect thereto, shall be determined as if the ~~partnership~~ *pass-through entity* agreement made no special provision with respect to such item.

§ 58.1-392. Reports by pass-through entities.

~~No report shall be required to be filed with the Department of Taxation by any partnership organized under the laws of the Commonwealth or having income from Virginia sources. However, the Tax Commissioner shall have the authority to promulgate regulations requiring that partnerships furnish copies of federal partnership returns and attached schedules or any other information which he deems necessary. In promulgating such regulations, the Tax Commissioner may prescribe the imposition of a penalty in the amount of \$100 for failure to comply, within a reasonable time, to the request for information as set forth therein.~~

*A. Every pass-through entity doing business in Virginia, or having income from Virginia sources, shall make a return to the Department of Taxation on or before the fifteenth day of the fourth month following the close of its taxable year. Such returns shall be made and filed in the manner prescribed by the Department.*

*B. The return of a pass-through entity shall be signed by any one of the owners. An owner's name signed on the return shall be prima facie evidence that such owner is authorized to sign the return on behalf of the pass-through entity.*

C. The Tax Commissioner may establish an income threshold for the filing of returns by pass-through entities and their owners. Pass-through entities and owners with income below this threshold shall not be required to file a return.

D. Receivers, trustees in dissolution, trustees in bankruptcy, and assignees operating the property or business of pass-through entities must make and file returns of income for such pass-through entities. If a receiver has full custody of and control over the business or property of a pass-through entity, he shall be deemed to be operating such business or property, whether he is engaged in carrying on the business for which the pass-through entity was organized or only in marshaling, selling, or disposing of its assets for purposes of liquidation.

E. Pass-through entities may be required to file the return using an electronic medium prescribed by the Tax Commissioner. The Tax Commissioner shall establish a minimum number of owners for the electronic filing requirement. Waivers shall be granted only if the Tax Commissioner finds that the requirement creates an unreasonable burden on the pass-through entity. All requests for waivers must be submitted to the Tax Commissioner in writing. Pass-through entities that have fewer than the established minimum number of owners may, at such pass-through entity's option, file such annual return on such prescribed electronic medium in lieu of filing the annual return on paper.

§ 58.1-393.1. Extension of time for filing return by pass-through entity.

A. Whenever any pass-through entity has been allowed or granted an extension of time within which to file any federal report of its income for any taxable year, the due date for the filing of the report or return required by this article shall be extended to the date six months after such due date, or 30 days after the extended date for filing the federal report, whichever is later.

B. In addition, the Department may grant an extension or extensions of time not to exceed a maximum of six months beyond the due date required by this article for filing such pass-through entity return.

§ 58.1-394.1. Failure of pass-through entity to make a return.

A. Any pass-through entity that fails to file a return required by this article within the time required shall be liable for a penalty of \$200 if the failure is for not more than one month, with an additional \$200 for each additional month or fraction thereof during which such failure to file continues, not exceeding six months in the aggregate. In no case, however, shall the penalty be less than \$200.

B. If any pass-through entity's failure to file a return required by this article exceeds six months, the Department shall assess a penalty of six percent of the total amount of Virginia taxable income derived by its owners from the pass-through entity for the taxable year. The Department may determine such penalty from any information in its possession. The penalty assessed pursuant to this subsection shall be reduced by the penalty assessed pursuant to subsection A and any tax paid by the owners on their share of income from the pass-through entity for the taxable year.

C. The penalties set forth in this subsection shall be assessed and collected by the Department in the manner provided for the assessment and collection of taxes under this chapter or in a civil action, at the instance of the Department. In addition, such pass-through entity shall be compellable by mandamus to file such return.

§ 58.1-394.2. Fraudulent returns, etc., of pass-through entities; penalty.

A. Any officer or owner of any pass-through entity who makes a fraudulent return or statement with the intent of assisting or facilitating the evasion of the payment of the taxes prescribed by this chapter by the pass-through entity or an owner shall be liable for a penalty of not more than \$1,000, to be assessed and collected in the manner provided for the assessment and collection of taxes under this chapter or in a civil action, at the instance of the Department.

B. In addition to other penalties provided by law, any officer or owner of a pass-through entity who makes a fraudulent return or statement with the intent of assisting or facilitating the evasion of the payment of the taxes prescribed by this chapter by the pass-through entity or an owner, or who willfully fails or refuses to make a return required by this chapter at the time or times required by law shall be guilty of a Class 1 misdemeanor. A prosecution under this section shall be commenced within five years next after the commission of the offense.

§ 58.1-395. *Nonresident owners.*

*Pass-through entities may make written application to the Tax Commissioner for permission to file a statement of combined pass-through entity income attributable to nonresident owners and thereby relieve nonresident owners from filing individual nonresident returns. The application must state the reasons for seeking such permission. The Tax Commissioner, in his sole discretion, may, for good cause, grant permission to file a combined nonresident return upon such terms as he may determine.*

A. For purposes of this article, Virginia taxable income for a taxable year means the federal taxable income and any other income taxable to the corporation under federal law for such year of a corporation adjusted as provided in subsections B, C and D.

This addition shall not be required for any portion of the intangible expenses and costs if one of the following applies:*

*1. The corresponding item of income received by the related member is subject to a tax based on or measured by net income or capital imposed by Virginia, another state, or a foreign government that has entered into a comprehensive tax treaty with the United States government;*

*2. *3. The corporation can establish to the satisfaction of the Tax Commissioner that the intangible expenses and costs meet both of the following: (i) the related member during the same taxable year directly or indirectly paid, accrued or incurred such portion to a person who is not a related member; and (ii) the transaction giving rise to the intangible expenses and costs between the corporation and the related member did not have as a principal purpose the avoidance of any portion of the tax due under this chapter.*

*b. Nothing in this subdivision shall be construed to limit or negate the Department's authority under § 58.1-446.*

*9. a. For taxable years beginning on or after January 1, 2004, the amount of any interest expenses and costs directly or indirectly paid, accrued, or incurred to, or in connection directly or indirectly with one or more direct or indirect transactions with one or more related members to the extent such expenses and costs were deductible or deducted in computing federal taxable income for Virginia purposes. This addition shall not be required for any portion of the interest expenses and costs, if:*

*1. The related member has substantial business operations relating to interest-generating activities, in which the related member pays expenses for at least five full-time employees who maintain, manage, defend or are otherwise responsible for operations or administration relating to the interest-generating activities; and*

*2. The interest expenses and costs are not directly or indirectly for, related to or in connection with the direct or indirect acquisition, maintenance, management, sale, exchange, or disposition of intangible property; and*

*3. The transaction giving rise to the expenses and costs between the corporation and the related member has a valid business purpose other than the avoidance or reduction of taxation and payments between the parties are made at arm's length rates and terms; and*

*4. One of the following applies:*

*(i). The corresponding item of income received by the related member is subject to a tax based on or measured by net income or capital imposed by Virginia, another state, or a foreign government that has entered into a comprehensive tax treaty with the United States government;*

*(ii). Payments arise pursuant to a pre-existing contract entered into when the parties were not related members provided the payments continue to be made at arm's length rates and terms;*

*(iii). The related member engages in transactions with parties other than related members which generate revenue in excess of two million dollars annually; or*

*(iv). The transaction giving rise to the interest payments between the corporation and a related member was done at arm's length rates and terms and meets any of the following: (a) the related member uses funds which are borrowed from a party other than a related member or which are paid, incurred or passed-through to a person who is not a related member; (b) the debt is part of a regular and systematic funds management or portfolio investment activity conducted by the related member, whereby the funds of two or more related members are aggregated for the purpose of achieving economies of scale, the internal financing of the active business operations of members, or the benefit of centralized management of funds; (c) financing the expansion of the business operations; or (d) restructuring the debt of related members, or the pass-through of acquisition-related indebtedness to related members.*

*b. Nothing in this subdivision shall be construed to limit or negate the Department's authority under § 58.1-446.*

*c. For purposes of this subdivision:*

*"Arm's length rates and terms" means that (i) two or more related members enter into a written agreement for the transaction, (ii) such agreement is of a duration and contains payment terms substantially similar to those which the related member would be able to obtain from an unrelated entity, (iii) the interest is at or below the applicable federal rate compounded annually for debt instruments under § 1274(d) of the Internal Revenue Code that was in effect at the time of the agreement, and (iv) the borrower or payor adheres to the payment terms of the agreement governing the transaction or any amendments thereto.*

*"Valid business purpose" means one or more business purposes which, alone or in combination, constitute the motivation for some business activity or transaction, which activity or transaction improves, apart from tax effects, the economic position of the taxpayer, as further defined by regulation.*

*1. Income derived from obligations, or on the sale or exchange of obligations, of the United States and on obligations or securities of any authority, commission or instrumentality of the United States to the extent exempt from state income taxes under the laws of the United States including, but not limited to,*

§ 58.1-603. Imposition of sales tax.

Such tax shall be based on such proportion of the cost price or current market value as the duration of time of use within this Commonwealth bears to the total useful life of such property (but it shall be presumed in all cases that such property will remain within this Commonwealth for the remainder of its useful life unless convincing evidence is provided to the contrary).

2. Of the cost price of each item or article of tangible personal property stored outside this Commonwealth for use or consumption in this Commonwealth.

The tax shall be computed on the basis of such proportion of the original purchase price of such property as the duration of time of use in this Commonwealth bears to the total useful life thereof. For purposes of this section, the word "use" means use, storage, consumption and "stand-by" time occasioned by weather conditions, controversies or other causes. The tax shall be computed upon the basis of the relative time each item of equipment is in this Commonwealth rather than upon the basis of actual use. In the absence of satisfactory evidence as to the period of use intended in this Commonwealth, it will be presumed that such property will remain in this Commonwealth for the remainder of its useful life, which shall be determined in accordance with the experiences and practices of the building and construction trades.

A transaction taxed under §§ 58.1-604, 58.1-605, 58.1-1402, 58.1-1502, or § 58.1-2402 shall not also be taxed under this section, nor shall the same transaction be taxed more than once under any section. § 58.1-608.3. Entitlement to certain sales tax revenues.

A. As used in this section, the following words and terms have the following meanings, unless some other meaning is plainly intended:

"Bonds" means any obligations of a municipality for the payment of money.

"Cost," as applied to any public facility or to extensions or additions to any public facility, includes: (i) the purchase price of any public facility acquired by the municipality or the cost of acquiring all of the capital stock of the corporation owning the public facility and the amount to be paid to discharge any obligations in order to vest title to the public facility or any part of it in the municipality; (ii) expenses incident to determining the feasibility or practicability of the public facility; (iii) the cost of plans and specifications, surveys and estimates of costs and of revenues; (iv) the cost of all land, property, rights, easements and franchises acquired; (v) the cost of improvements, property or equipment; (vi) the cost of engineering, legal and other professional services; (vii) the cost of construction or reconstruction; (viii) the cost of all labor, materials, machinery and equipment; (ix) financing charges; (x) interest before and during construction and for up to one year after completion of construction; (xi) start-up costs and operating capital; (xii) payments by a municipality of its share of the cost of any multi-jurisdictional public facility; (xiii) administrative expense; (xiv) any amounts to be deposited to reserve or replacement funds; and (xv) other expenses as may be necessary or incident to the financing of the public facility. Any obligation or expense incurred by the public facility in connection with any of the foregoing items of cost may be regarded as a part of the cost.

"Municipality" means any county, city, town, authority, commission, or other public entity.

"Public facility" means (i) any auditorium, coliseum, convention center, or conference center, which is owned by a Virginia county, city, town, authority, or other public entity and where exhibits, meetings, conferences, conventions, seminars, or similar public events may be conducted; (ii) any hotel which is owned by a foundation whose sole purpose is to benefit a state-supported university and which is attached to and is an integral part of such facility, together with any lands reasonably necessary for the conduct of the operation of such events; or (iii) any hotel which is attached to and is an integral part of such facility. However, such public facility must be located in a city with a population of at least 24,200 but no more

than 24,500 as determined by the 1990 United States Census, at least 50,000 but no more than 52,500, at least 95,000 but no more than 105,000, or at least 130,000 but no more than 135,000. Any property, real, personal, or mixed, which is necessary or desirable in connection with any such auditorium, coliseum, convention center, or conference center, including, without limitation, facilities for food preparation and serving, parking facilities, and administration offices, is encompassed within this definition. However, structures commonly referred to as "shopping centers" or "malls" shall not constitute a public facility hereunder. In addition, only a new public facility, or a public facility which will undergo a substantial and significant renovation or expansion, shall be eligible under subsection B of this section. A new public facility is one whose construction began after December 31, 1991. A substantial and significant renovation entails a project whose cost is at least fifty percent of the original cost of the facility being renovated and shall have begun after December 31, 1991. A substantial and significant expansion entails an increase in floor space of at least fifty percent over that existing in the preexisting facility and shall have begun after December 31, 1991.

"Sales tax revenues" means such tax collections realized under the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.) of Title 58.1, as limited herein. "Sales tax revenues" does not include the revenue generated by the one-half percent sales and use tax increase enacted by the 1986 Special Session of the General Assembly which shall be paid to the Transportation Trust Fund as defined in § 33.1-23.03:1 as *computed pursuant to subsection A of § 58.1-638*, nor shall it include the one percent of the state sales and use tax revenue distributed among the counties and cities of the Commonwealth pursuant to § 58.1-638 D on the basis of school age population. *Sales tax revenues shall also not include the revenue generated by the one percent sales and use tax increase enacted by the 2004 Session of the General Assembly.*

B. Any municipality which has issued bonds (i) after December 31, 1991, but before January 1, 1996, (ii) on or after January 1, 1998, but before July 1, 1999, (iii) on or after January 1, 1999, but before July 1, 2001, (iv) on or after July 1, 2000, but before July 1, 2003, or (v) on or after July 1, 2001, but before July 1, 2004, to pay the cost, or portion thereof, of any public facility shall be entitled to all sales tax revenues generated by transactions taking place in such public facility. Such entitlement shall continue for the lifetime of such bonds, which entitlement shall not exceed ~~thirty~~ 30 years, and all such sales tax revenues shall be applied to repayment of the bonds. The State Comptroller shall remit such sales tax revenues to the municipality on a quarterly basis, subject to such reasonable processing delays as may be required by the Department of Taxation to calculate the actual net sales tax revenues derived from the public facility. The State Comptroller shall make such remittances to eligible municipalities, as provided herein, notwithstanding any provisions to the contrary in the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.). No such remittances shall be made until construction is completed and, in the case of a renovation or expansion, until the governing body of the municipality has certified that the renovation or expansion is completed.

C. Nothing in this section shall be construed as authorizing the pledging of the faith and credit of the Commonwealth of Virginia, or any of its revenues, for the payment of any bonds. Any appropriation made pursuant to this section shall be made only from sales tax revenues derived from the public facility for which bonds may have been issued to pay the cost, in whole or in part, of such public facility.

For the purposes of this section, the term "natural gas" shall mean "gas," "natural gas," and "coalbed methane gas" as defined in § 45.1-361.1. For the purposes of this section, "drilling," "extraction," "refining," and

“processing” shall include production, inspection, testing, dewatering, dehydration, or distillation of raw natural gas into a usable condition consistent with commercial practices, and the gathering and transportation of raw natural gas to a facility wherein the gas is converted into such a usable condition. The exemptions provided by this subdivision shall not be denied by reason of a failure, postponement or cancellation of a launch of any orbital or suborbital space facility, space propulsion system, space vehicle, satellite or space station of any kind or the destruction of any launch vehicle or any components thereof.

§ 58.1-611.1. Rate of tax on sales of food purchased for human consumption.

~~A. Subject to the conditions of subsections D and E, the~~ *The* tax imposed by §§ 58.1-603 and 58.1-604 on food purchased for human consumption shall be levied and distributed as follows:

1. From January 1, 2000, through ~~March 31, 2004~~ *midnight on June 30, 2004*, the tax rate on such food shall be three percent of the gross sales price. The revenue from the tax shall be distributed as follows: (i) the revenue from the tax at the rate of one-half percent shall be distributed as provided in subsection A of § 58.1-638 *as such subsection existed prior to July 1, 2004, in accordance with the law in effect at the relevant time*, (ii) the revenue from the tax at the rate of one percent shall be distributed as provided in subsections B, C and D of § 58.1-638, and (iii) the revenue from the tax at the rate of one and one-half percent shall be used for general fund purposes.

~~2. From April 1, 2001, through March 31, 2002, the tax rate on such food shall be two and one half percent of the gross sales price. The revenue from the tax shall be distributed as follows: (i) the revenue from the tax at the rate of one half percent shall be distributed as provided in subsection A of § 58.1-638, (ii) the revenue from the tax at the rate of one percent shall be distributed as provided in subsections B, C and D of § 58.1-638, and (iii) the revenue from the tax at the rate of one percent shall be used for general fund purposes.~~

The revenue from the tax shall be distributed as follows: (i) the revenue from the tax at the rate of one half percent shall be distributed as provided in subsection A of~~

~~§ 58.1-638 and (ii) the revenue from the tax at the rate of one percent shall be distributed as provided in subsections B, C and D of § 58.1-638.~~

B. The provisions of this section shall not affect the imposition of tax on food purchased for human consumption pursuant to §§ 58.1-605 and 58.1-606.

C. As used in this section, "food purchased for human consumption" has the same meaning as "food" defined in the Food Stamp Act of 1977, 7 U.S.C. § 2012, as amended, and federal regulations adopted pursuant to that Act, except it shall not include seeds and plants which produce food for human consumption. For the purpose of this section, "food purchased for human consumption" shall not include food sold by any retail establishment where the gross receipts derived from the sale of food prepared by such retail establishment for immediate consumption on or off the premises of the retail establishment constitutes more than 80 percent of the total gross receipts of that retail establishment, including but not limited to motor fuel purchases, regardless of whether such prepared food is consumed on the premises of that retail establishment. For purposes of this section, "retail establishment" means each place of business for which any "dealer," as defined in § 58.1-612, is required to apply for and receive a certificate of registration pursuant to § 58.1-613.

~~D. Notwithstanding the tax rates set forth in subsection A, the rate of tax on sales of food purchased for human consumption for any 12-month period beginning on or after April 1, 2001, shall not be reduced below the rate then in effect for the Commonwealth's current fiscal year if:~~

~~1. ~~2. Any of the events listed in subsection C of § 58.1-3524 or subsection B of § 58.1-3536 have occurred during the then current fiscal year.~~

~~E. If the tax rate on food purchased for human consumption remains the same for the period January 1, 2000, through March 31, 2001, and the subsequent 12-month period beginning on April 1, 2001, or with respect to any consecutive 12-month periods beginning on and after April 1, 2001, the tax rate on such food shall remain the same unless none of the conditions described in subsection D have occurred, in which event the tax rate on food purchased for human consumption for the immediately following 12-month period shall be equal to the next lowest tax rate listed in subsection A.~~

§ 58.1-614. Vending machine sales.

A. Notwithstanding the provisions of §§ 58.1-603 and 58.1-604, whenever a dealer makes sales of tangible personal property through vending machines, or in any other manner making collection of the tax impractical, as determined by the Tax Commissioner, such dealer shall be required to report his wholesale purchases for sale at retail from vending machines and shall be required to remit an amount based on ~~four~~ five and one-half percent of such wholesale purchases.

B. Notwithstanding the provisions of §§ 58.1-605 and 58.1-606, dealers making sales of tangible personal property through vending machines shall report and remit the one percent local sales and use tax computed as provided in subsection A of this section.

C. The provisions of subsections A and B of this section shall not be applicable to vending machine operators all of whose machines are under contract to nonprofit organizations. Such operators shall report only the gross receipts from machines selling items for more than ~~ten~~ 10 cents and shall be required to remit an amount based on a percentage of their remaining gross sales established by the Tax Commissioner to take into account the inclusion of sales tax.

D. Notwithstanding any other provisions in this section or § 58.1-628, when the Tax Commissioner determines that it is impractical to collect the tax in the manner provided by those sections, such dealer shall be required to remit an amount based on a percentage of gross receipts which takes into account the inclusion of the sales tax.

E. The provisions of this section shall not be applicable to any dealer who fails to maintain records satisfactory to the Tax Commissioner. A dealer making sales of tangible personal property through vending machines shall obtain a certificate of registration under § 58.1-613 in relevant form for each county or city in which he has machines.

§ 58.1-615. Returns by dealers.

A. Every dealer required to collect or pay the sales or use tax shall, on or before the twentieth day of the month following the month in which the tax shall become effective, transmit to the Tax Commissioner a return showing the gross sales, gross proceeds, or cost price, as the case may be, arising from all transactions taxable under this chapter during the preceding calendar month, and thereafter a like return shall be prepared and transmitted to the Tax Commissioner by every dealer on or before the twentieth day of each month, for the preceding calendar month. In the case of dealers regularly keeping books and accounts on the basis of an annual period which ~~that~~ varies ~~fifty-two~~<sup>52</sup> to ~~fifty-three~~<sup>53</sup> weeks, the Tax Commissioner may make rules and regulations for reporting consistent with such accounting period.

Notwithstanding any other provision of this chapter, a dealer may be required by the Tax Commissioner to file sales or use tax returns on an accounting period less frequent than monthly when, in the opinion of the Tax Commissioner, the administration of the taxes imposed by this chapter would be enhanced. If a dealer is required to file other than monthly, each such return shall be due on or before the twentieth day of the month following the close of the period. Each such return shall contain all information required for monthly returns.

A sales or use tax return shall be filed by each registered dealer even though the dealer is not liable to remit to the Tax Commissioner any tax for the period covered by the return.

B. 1. In addition to the amounts required under the provisions of this section and § 58.1-616, any dealer as defined by § 58.1-612 or direct payment permit holder pursuant to § 58.1-624, with taxable sales and purchases of \$1,300,000 or greater for the ~~twelve~~<sup>12</sup>-month period beginning July 1, and ending June 30 of the immediately preceding calendar year, shall be required to make a payment equal to 90 percent of the sales and use tax liability for the previous June. Such tax payments shall be made on or before the 30th day of June, if payment is made by electronic funds transfer, as defined in § 58.1-202.1. If payment is made by other than electronic funds transfer, such payment shall be made on or before the ~~25th~~<sup>twenty-fifth</sup> day of June. For purposes of this provision, taxable sales or purchases shall be computed without regard to the number of certificates of registration held by the dealer. Every dealer or direct payment permit holder shall be entitled to a credit for the payment under this subsection on the return for June of the current year due July 20. The provisions of this subsection shall not apply to persons who are required to file only a Form ST-7, Consumer User Tax Return.

2. In lieu of the penalties provided in § 58.1-635, except with respect to fraudulent returns, failure to make a timely payment or full payment of the sales and use tax liability as provided in this subsection shall subject the dealer or direct payment permit holder to a penalty of six percent of the amount of tax underpayment that should have been properly paid to the Tax Commissioner. Interest will accrue as provided in § 58.1-15. The payment required by this subsection shall become delinquent on the first day following the due date set forth in this subsection if not paid.

3. *This subsection shall be effective until June 1, 2005.*

§ 58.1-627. Bracket system for tax at rate of four and one-half percent.

On transactions ~~over five dollars~~ greater than \$5, the tax shall be computed at ~~four~~ five and one-half percent, one half cent or more being treated as one cent. The foregoing bracket system shall not relieve the dealer from the duty and liability to remit an amount equal to ~~four~~ five and one-half percent of his gross taxable sales as provided in this chapter. If the dealer, however, can show to the satisfaction of the Tax Commissioner that more than ~~eighty-five~~85 percent of the total dollar volume of his gross taxable sales during the taxable month was from individual sales at prices of ~~ten~~10 cents or less each and that he

was unable to adjust his prices in such manner as to prevent the economic incidence of the sales tax from falling on him, the Tax Commissioner shall determine the proper tax liability of the dealer based on that portion of the dealer's gross taxable sales which was from sales at prices of ~~eleven~~ *11* cents or more.

§ 58.1-638. Disposition of state sales and use tax revenue; localities' share; Game Protection Fund.

A. The Comptroller shall designate a specific revenue code number for all the state sales and use tax revenue collected under the preceding sections of this chapter.

1. The sales and use tax revenue generated by the one-half percent sales and use tax increase enacted by the 1986 Special Session of the General Assembly, *computed without regard to revenues generated from sales and use taxes on food purchased for human consumption as defined in § 58.1-611.1*, shall be paid, in the manner hereinafter provided in this section, to the Transportation Trust Fund as defined in § 33.1-23.03:1. Of the funds paid to the Transportation Trust Fund, an aggregate of 4.2 percent shall be set aside as the Commonwealth Port Fund as provided in this section; an aggregate of 2.4 percent shall be set aside as the Commonwealth Airport Fund as provided in this section; and an aggregate of 14.5 percent in fiscal year 1998-1999 and 14.7 percent in fiscal year 1999-2000 and thereafter shall be set aside as the Commonwealth Mass Transit Fund as provided in this section. The Fund's share of such net revenue shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

2. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Port Fund.

a. The Commonwealth Port Fund shall be established on the books of the Comptroller and the funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall remain in the Fund and be credited to it. Funds may be paid to any authority, locality or commission for the purposes hereinafter specified.

b. The amounts allocated pursuant to this section shall be allocated by the Commonwealth Transportation Board to the Board of Commissioners of the Virginia Port Authority to be used to support port capital needs and the preservation of existing capital needs of all ocean, river, or tributary ports within the Commonwealth.

c. Commonwealth Port Fund revenue shall be allocated by the Board of Commissioners to the Virginia Port Authority in order to foster and stimulate the flow of maritime commerce through the ports of Virginia, including but not limited to the ports of Richmond, Hopewell and Alexandria.

3. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be part of the Transportation Trust Fund and which shall be known as the Commonwealth Airport Fund. The Commonwealth Airport Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on the funds shall be credited to the Fund. The funds so allocated shall be allocated by the Commonwealth Transportation Board to the Virginia Aviation Board. The funds shall be allocated by the Virginia Aviation Board to any Virginia airport which is owned by the Commonwealth, a governmental subdivision thereof, or a private entity to which the public has access for the purposes enumerated in § 5.1-2.16, or is owned or leased by the Metropolitan Washington Airports Authority (MWAA), as follows:

Any new funds in excess of \$12.1 million which are available for allocation by the Virginia Aviation Board from the Commonwealth Transportation Fund, shall be allocated as follows: sixty percent to MWAA, up to a maximum annual amount of two million dollars, and forty percent to air carrier airports as provided in subdivision A 3 a. Except for adjustments due to changes in enplaned passengers, no air carrier airport sponsor, excluding MWAA, shall receive less funds identified under subdivision A 3 a than it received in fiscal year 1994-1995.

Of the remaining amount:

a. Forty percent of the funds shall be allocated to air carrier airports, except airports owned or leased by MWAA, based upon the percentage of enplanements for each airport to total enplanements at all air carrier airports, except airports owned or leased by MWAA. No air carrier airport sponsor, however, shall receive less than \$50,000 nor more than \$2 million per year from this provision.

b. Forty percent of the funds shall be allocated by the Aviation Board for air carrier and reliever airports on a discretionary basis, except airports owned or leased by MWAA.

c. Twenty percent of the funds shall be allocated by the Aviation Board for general aviation airports on a discretionary basis.

4. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Mass Transit Fund.

a. The Commonwealth Mass Transit Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of the biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall be credited to the Fund. Funds may be paid to any local governing body, transportation district commission, or public service corporation for the purposes hereinafter specified.

b. The amounts allocated pursuant to this section shall be used to support the public transportation administrative costs and the costs borne by the locality for the purchase of fuels, lubricants, tires and maintenance parts and supplies for public transportation at a state share of ~~eighty~~80 percent in 2002 and ~~ninety-five~~95 percent in 2003 and succeeding years. These amounts may be used to support up to ~~ninety-five~~95 percent of the local or nonfederal share of capital project costs for public transportation and ridesharing equipment, facilities, and associated costs. Capital costs may include debt service payments on local or agency transit bonds. The term "borne by the locality" means the local share eligible for state assistance consisting of costs in excess of the sum of fares and other operating revenues plus federal assistance received by the locality.

c. Commonwealth Mass Transit Fund revenue shall be allocated by the Commonwealth Transportation Board as follows:

(1) Funds for special programs, which shall include ridesharing, experimental transit, and technical assistance, shall not exceed 1.5 percent of the Fund.

(2) The Board may allocate these funds to any locality or planning district commission to finance up to eighty percent of the local share of all costs associated with the development, implementation, and continuation of ridesharing programs.

(3) Funds allocated for experimental transit projects may be paid to any local governing body, transportation district commission, or public corporation or may be used directly by the Department of Rail and Public Transportation for the following purposes:

(a) To finance up to ~~ninety-five~~95 percent of the capital costs related to the development, implementation and promotion of experimental public transportation and ridesharing projects approved by the Board.

d. Funds allocated for public transportation promotion and operation studies may be paid to any local governing body, planning district commission, transportation district commission, or public transit corporation, or may be used directly by the Department of Rail and Public Transportation for the following purposes and aid of public transportation services:

(1) At the approval of the Board to finance a program administered by the Department of Rail and Public Transportation designed to promote the use of public transportation and ridesharing throughout Virginia.

(2) To finance up to ~~fifty~~50 percent of the local share of public transportation operations planning and technical study projects approved by the Board.

e. At least 73.5 percent of the Fund shall be distributed to each transit property in the same proportion as its operating expenses bear to the total statewide operating expenses and shall be spent for the purposes specified in subdivision 4 b.

f. The remaining ~~twenty-five~~25 percent shall be distributed for capital purposes on the basis of ~~ninety-five~~95 percent of the nonfederal share for federal projects and ~~ninety-five~~95 percent of the total costs for nonfederal projects. In the event that total capital funds available under this subdivision are insufficient to fund the complete list of eligible projects, the funds shall be distributed to each transit property in the same proportion that such capital expenditure bears to the statewide total of capital projects.

g. There is hereby created in the Department of the Treasury a special nonreverting fund known as the Commonwealth Transit Capital Fund. The Commonwealth Transit Capital Fund shall be part of the Commonwealth Mass Transit Fund. The Commonwealth Transit Capital Fund subaccount shall be established on the books of the Comptroller and consist of such moneys as are appropriated to it by the General Assembly and of all donations, gifts, bequests, grants, endowments, and other moneys given, bequeathed, granted, or otherwise made available to the Commonwealth Transit Capital Fund. Any funds remaining in the Commonwealth Transit Capital Fund at the end of the biennium shall not revert to the general fund, but shall remain in the Commonwealth Transit Capital Fund. Interest earned on funds within the Commonwealth Transit Capital Fund shall remain in and be credited to the Commonwealth Transit Capital Fund. Proceeds of the Commonwealth Transit Capital Fund may be paid to any political subdivision, another public entity created by an act of the General Assembly, or a private entity as defined in § 56-557 and for purposes as enumerated in subdivision 4c of § 33.1-269 or expended by the Department of Rail and Public Transportation for the purposes specified in this subdivision. Revenues of the Commonwealth Transit Capital Fund shall be used to support capital expenditures involving the establishment, improvement, or expansion of public transportation services through specific projects approved by the Commonwealth Transportation Board. Projects financed by the Commonwealth Transit Capital Fund shall receive local, regional or private funding for at least ~~twenty~~20 percent of the nonfederal share of the total project cost.

5. Funds for Metro shall be paid by the Northern Virginia Transportation Commission (NVTC) to the Washington Metropolitan Area Transit Authority (WMATA) and be a credit to the Counties of Arlington and Fairfax and the Cities of Alexandria, Falls Church and Fairfax in the following manner:

a. Local obligations for debt service for WMATA rail transit bonds apportioned to each locality using WMATA's capital formula shall be paid first by NVTC. NVTC shall use ~~ninety-five~~95 percent state aid for these payments.

b. The remaining funds shall be apportioned to reflect WMATA's allocation formulas by using the related WMATA-allocated subsidies and relative shares of local transit subsidies. Capital costs shall include twenty percent of annual local bus capital expenses. Hold harmless protections and obligations for NVTC's jurisdictions agreed to by NVTC on November 5, 1998, shall remain in effect.

Appropriations from the Commonwealth Mass Transit Fund are intended to provide a stable and reliable source of revenue as defined by Public Law 96-184.

B. The sales and use tax revenue generated by a one percent sales and use tax shall be distributed among the counties and cities of this Commonwealth in the manner provided in subsections C and D.

C. The localities' share of the net revenue distributable under this section among the counties and cities shall be apportioned by the Comptroller and distributed among them by warrants of the Comptroller drawn on the Treasurer of Virginia as soon as practicable after the close of each month during which the net revenue was received into the state treasury. The distribution of the localities' share of such net revenue shall be computed with respect to the net revenue received into the state treasury during each month, and such distribution shall be made as soon as practicable after the close of each such month.

D. The net revenue so distributable among the counties and cities shall be apportioned and distributed upon the basis as certified to the Comptroller by the Department of Education, of the number of children in each county and city according to the most recent statewide census of school population taken by the Department of Education pursuant to § 22.1-284, as adjusted in the manner hereinafter provided. No special school population census, other than a statewide census, shall be used as the basis of apportionment and distribution except that in any calendar year in which a statewide census is not reported, the Department of Education shall adjust such school population figures by the same percent of annual change in total population estimated for each locality by The Center for Public Service. The

revenue so apportionable and distributable is hereby appropriated to the several counties and cities for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, which shall be considered as funds raised from local resources. In any county, however, wherein is situated any incorporated town constituting a school division, the county treasurer shall pay into the town treasury for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, the proper proportionate amount received by him in the ratio that the school population of such town bears to the school population of the entire county. If the school population of any city or of any town constituting a school division is increased by the annexation of territory since the last preceding school population census, such increase shall, for the purposes of this section, be added to the school population of such city or town as shown by the last such census and a proper reduction made in the school population of the county or counties from which the annexed territory was acquired.

E. Beginning July 1, 2000, of the remaining sales and use tax revenue, the revenue generated by a two percent sales and use tax, up to an annual amount of \$13 million, collected from the sales of hunting equipment, auxiliary hunting equipment, fishing equipment, auxiliary fishing equipment, wildlife-watching equipment, and auxiliary wildlife-watching equipment in Virginia, as estimated by the most recent U.S. Department of the Interior, Fish and Wildlife Service and U.S. Department of Commerce, Bureau of the Census National Survey of Fishing, Hunting, and Wildlife-Associated Recreation, shall be paid into the Game Protection Fund established under § 29.1-101 and shall be used, in part, to defray the cost of law enforcement. Not later than ~~thirty~~30 days after the close of each quarter, the Comptroller shall transfer to the Game Protection Fund the appropriate amount of collections to be dedicated to such Fund. At any time that the balance in the Capital Improvement Fund, established under § 29.1-101.1, is equal to or in excess of \$35 million, any portion of sales and use tax revenues that would have been transferred to the Game Protection Fund, established under § 29.1-101, in excess of the net operating expenses of the Board, after deduction of other amounts which accrue to the Board and are set aside for the Game Protection Fund, shall remain in the general fund until such time as the balance in the Capital Improvement Fund is less than \$35 million.

*F. Beginning July 1, 2004, of the revenue generated by a one percent sales and use tax, pursuant to enactments of the 2004 Session of the General Assembly increasing the state sales and use tax to four and one-half percent, in each fiscal year, unless otherwise provided in the general appropriation act, the Comptroller shall transfer \$30 million to the Virginia Natural and Historic Resources Fund established under § 10.1-2135. To accomplish such transfer, beginning with the Commonwealth's fiscal year starting on July 1, 2004, the Comptroller shall transfer \$15 million in December and \$15 million in June of each fiscal year to the Virginia Natural and Historic Resources Fund.*

**FG.** If errors are made in any distribution, or adjustments are otherwise necessary, the errors shall be corrected and adjustments made in the distribution for the next quarter or for subsequent quarters.

**GH.** The term "net revenue," as used in this section, means the gross revenue received into the general fund or the Transportation Trust Fund of the state treasury under the preceding sections of this chapter, less refunds to taxpayers.

§ 58.1-639. Transitional provisions.

A. To the extent of any increase in the state sales and use tax rate enacted by the ~~1986 Special~~ 2004 Session of the Virginia General Assembly, the Tax Commissioner, upon application of the purchaser in accordance with regulations promulgated by the Commissioner, shall have the authority to refund state sales or use taxes paid on purchases of tangible personal property made pursuant to bona fide real estate construction contracts, contracts for the sale of tangible personal property, and leases, provided that the real estate construction contract, contract for the sale of tangible personal property or lease is entered into prior to the date of enactment of the increase of the state sales and use tax rate; and further provided that the date of delivery of the tangible personal property is on or before ~~March 30, 1987~~ September 30, 2004. The term "bona fide contract," when used in this section in relation to real estate construction contracts, shall include but not be limited to those contracts which are entered into prior to the enactment of the increase in the state sales and use tax rate, provided that such contracts include plans and specifications.

B. Notwithstanding the foregoing ~~March 30, 1987~~ *September 30, 2004*, delivery date requirement, with respect to bona fide real estate construction contracts which contain a specific and stated date of completion, the date of delivery of such tangible personal property shall be on or before the completion date of the applicable project.

C. Applications for refunds pursuant to this section shall be made in accordance with the provisions of § 58.1-1823. Interest computed in accordance with § 58.1-1833 shall be added to the tax refunded pursuant to this section.

§ 58.1-801. Deeds generally; charter amendments.

A. On every deed admitted to record, except a deed exempt from taxation by law, there is hereby levied a state recordation tax. The rate of the tax shall be ~~fifteen~~-30 cents on every \$100 or fraction thereof of the consideration of the deed or the actual value of the property conveyed, whichever is greater.

Upon deeds conveying property lying partly within the Commonwealth and partly without the Commonwealth, the tax herein imposed shall apply only to the value of so much of the property conveyed as is situated within the Commonwealth.

B. When the charter of a corporation is amended, and the only effect of such amendment is to change the corporate name of such corporation, the tax upon the recordation of a deed conveying to, or vesting in, such corporation under its changed name, the title to any or all of the real or personal property of such corporation held in its name as it existed immediately prior to such amendment, shall be fifty cents.

§ 58.1-803. Deeds of trust or mortgages; maximum tax.

A. A recordation tax on deeds of trust or mortgages is hereby imposed at a rate of ~~15¢~~ 30 cents on every \$100 or portion thereof of the amount of bonds or other obligations secured thereby. In any case in which the amount which may be secured under a deed of trust or mortgage is not ascertainable, the tax shall be based upon the fair market value of the property conveyed, determined as of the date of the deed of trust or mortgage. The fair market value of the property shall include the value of any realty required by the terms of the deed of trust or mortgage to be constructed thereon.

B. On deeds of trust or mortgages upon the works and property of a railroad lying partly within the Commonwealth and partly without the Commonwealth, the tax shall be only upon such proportion of the amount of bonds, or other obligations secured thereby, as the number of miles of the line of such company in the Commonwealth bears to the whole number of miles of the line of such company conveyed by such deed of trust or mortgage.

Upon deeds of trust or mortgages conveying other property lying partly within the Commonwealth and partly without the Commonwealth the tax herein imposed shall be only upon such proportion of the debt secured as the value of the property located within the Commonwealth, or which may be brought into the Commonwealth, bears to the entire amount of property conveyed by such deed of trust or mortgage.

C. On deeds of trust or mortgages, which provide for an initial issue of bonds, to be followed thereafter by additional bonds, unlimited in amount, if such deed of trust or mortgage provides that as and when such additional bonds are issued a supplemental indenture shall be recorded in the office in which the original deed of trust or mortgage is first recorded, which supplement shall contain a statement as to the amount of the additional bonds to be issued, then the tax shall be paid upon the initial amount of bonds when the original deed of trust is recorded and thereafter on each additional amount of bonds when the supplemental indenture relating to such additional bonds is recorded.

On deeds of trust or mortgages which are supplemental to or wrap around existing deeds of trust on which the tax imposed hereunder has already been paid, the tax shall be paid only on that portion of the face amount of the bond or obligation secured thereby which is in addition to the amount of the existing debt secured by a deed of trust or mortgage on which tax has been paid. The instrument shall certify the amount of the existing debt.

D. On deeds of trust or mortgages, the purpose of which is to refinance or modify the terms of an existing debt with the same lender, which debt is secured by a deed of trust or mortgage on which the tax

imposed hereunder has been paid, the tax shall be paid only on that portion of the amount of the bond or other obligation secured thereby which is in addition to the amount of the original debt secured by a deed of trust or mortgage on which the tax has been paid. The instrument shall certify the amount of original debt.

E. The maximum tax on the recordation of any deed of trust or mortgage or on any indenture supplemental thereto shall be determined in accordance with the following schedule:

On the first 10 million dollars of value as determined pursuant to this section, ~~15¢~~ 30 cents upon every \$100 or portion thereof;

B. The recordation of a deed of lease for a term of years, or assignment of the lessee's interest therein, or memorandum thereof, shall be taxed according to the provisions of this section, unless provided otherwise in § 58.1-809 or unless the annual rental, multiplied by the term for which the lease runs, or remainder thereof, equals or exceeds the actual value of the property leased. In such cases the tax for recording the deed of lease shall be based upon the actual value of the property at the date of lease, including the value of any realty required by the terms of the lease to be constructed thereon by the lessor.

C. The recordation of an assignment of the lessor's interest in a lease, or memorandum thereof, shall be taxed according to the provisions of this section, unless the assignment of the lessor's interest in the lease is to provide additional security for an obligation of the lessor on which the tax has been previously paid, or the assignment of the lessor's interest is made to the person who owns the property which is subject to the lease. In such cases there shall be no tax for recording the lessor's assignment of the lease.

On every contract or agreement admitted to record relating to the sale of rolling stock or equipment, whether the title is reserved in the vendor or not, with a railroad corporation or other corporation or with a person, firm or company, the tax shall be ~~15¢~~ 30 cents on every \$100 or fraction thereof of the amount contracted for in such contract or agreement. When such contract or agreement is with a railroad corporation lying partly within the Commonwealth and partly without the Commonwealth, the tax shall be upon such proportion of the amount contracted for as the number of miles of the line of such railroad corporation in the Commonwealth bears to the whole number of miles of line of such railroad corporation.

§ 58.1-815. U.S. Route 58 Corridor Development Fund.

There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the U.S. Route 58 Corridor Development Fund, consisting of the first \$40 million of annual collections of the state recordation taxes imposed ~~by this chapter~~ at the tax rates in effect on January 1, 2004, pursuant to this chapter; provided,

Effective July 1, 1994, such annual distribution shall increase to forty million dollars.

B. Subject to any transfers required under §§ 58.1-815.1 and 58.1-816.1, the share of the state taxes distributable under this section among the counties and cities shall be apportioned and distributed quarterly to each county or city by the Comptroller by multiplying the amount to be distributed by a fraction in which the numerator is the amount of the taxes imposed under §§ 58.1-801 through 58.1-809 and actually paid into the state treasury which are attributable to deeds and other instruments recorded in the county or city and the denominator is the amount of taxes imposed under §§ 58.1-801 through 58.1-809 actually paid into the state treasury. All distributions pursuant to this section shall be made on a quarterly basis within thirty days of the end of the quarter. Such quarterly distribution shall equal ten million dollars. E. In the case of any distribution to a county or city in which an office sharing agreement pursuant to §§ 15.2-1637 and 15.2-3822 is in effect, the Comptroller shall divide the distribution among the office sharing counties and cities. Each clerk of the court acting pursuant to an office sharing agreement shall certify to the Comptroller, within fifteen days after the end of the quarter, all amounts collected under §§ 58.1-801 through 58.1-809 and actually paid into the state treasury which are attributable to deeds and other instruments recorded on behalf of each county and city.

Form the thoughts of our hearts this day, that all discussion and decisions may be pleasing in Your sight, and a reflection of Your face shining upon us.

We offer a special petition that You will bless and guide the election process of our country as many states are taking part in primaries and caucuses today. O God, bring forth leaders at every level that show forth Your desires for this humble nation.

And now, we begin, and ask Your blessing and presence. Into Your hands, O Lord, we commend our Commonwealth, ourselves, and all things. Amen.

“A.1. For collection of accounts receivable of \$3,000 or more that are 60 days or more past due, each state agency and institution shall forward those claims to the Office of Attorney General, Division of Debt Collection for collection. The Attorney General shall review forwarded accounts, determine the appropriate collection efforts if any, for each account, and take such actions on the accounts as he may so determine.

2. For collection of accounts receivable under \$3,000 that are 60 days or more past due, each agency and institution shall contract with a private collection agency for the collection of those debts. Prior to referring accounts receivable of less than \$3,000, agencies and institutions may refer such accounts to the Office of the Attorney General, Division of Debt Collection. The Attorney General may accept the account for collection or return it to the agency or institution for collection by a private collection agency.

B.1. There is hereby created on the books of the Comptroller a special nonreverting fund known as the “Debt Collection Recovery Fund.” The Division of Debt Collection shall deposit to the Fund all revenues generated by it from receivables collected on behalf of state agencies. This provision shall apply whether such payment is made directly to the affected agency or to the Office of the Attorney General. Amounts collected from receivables in trust or federal funds, however, shall be returned to such funds.

2. The Secretary of Finance may make exemptions from the required deposits to the Fund, as specified in B.1. above, upon his determination that such collections are more appropriately returned to the fund source in which such receivables are due. Any such exemptions shall be reported to the Chairmen of the Senate Finance and House Appropriations Committees within 30 days of such approval.

3. From the amounts deposited into the Fund, 30 percent, not to exceed \$1,800,000 in any fiscal year, shall be paid to the Division of Debt Collection.

4. Thirty percent shall be returned to the state agency for which the claim was collected. Out of the balance in the Fund, the State Comptroller shall transfer up to \$1,570,000 to the general fund on or before June 30, 2004. Any amount in excess of the transfer which remains in the Debt Collection Recovery Fund each year after the transfer shall be returned on a pro rata basis to all state agencies having claims collected by the Division of Debt Collection during the course of the year, to the extent that such collections contributed to the balance in the Fund.

5. The Division of Debt Collection in the Office of the Attorney General and the Department of Accounts shall promulgate rules necessary to implement these provisions.”

E. The Board of Corrections shall not approve or commit additional funds for the state share of the cost of construction, enlargement, or renovation of a local or regional jail facility, except when such project is proposed to be built using Community Custody Facilities Standards, as adopted by the Board, unless the use of more expensive construction standards is justified, based on a documented projection of offender populations that would require a higher level of security.”

"A.1. For collection of accounts receivable of \$3,000 or more that are 60 days or more past due, each state agency and institution shall forward those claims to the Office of Attorney General, Division of Debt Collection for collection. The Attorney General shall review forwarded accounts, determine the appropriate collection efforts if any, for each account, and take such actions on the accounts as he may so determine.

2. For collection of accounts receivable under \$3,000 that are 60 days or more past due, each agency and institution shall contract with a private collection agency for the collection of those debts. Prior to referring accounts receivable of less than \$3,000, agencies and institutions may refer such accounts to the Office of the Attorney General, Division of Debt Collection. The Attorney General may accept the account for collection or return it to the agency or institution for collection by a private collection agency.

B.1. There is hereby created on the books of the Comptroller a special nonreverting fund known as the "Debt Collection Recovery Fund." The Division of Debt Collection shall deposit to the Fund all revenues generated by it from receivables collected on behalf of state agencies. This provision shall apply whether such payment is made directly to the affected agency or to the Office of the Attorney General. Amounts collected from receivables in trust or federal funds, however, shall be returned to such funds.

2. The Secretary of Finance may make exemptions from the required deposits to the Fund, as specified in B.1. above, upon his determination that such collections are more appropriately returned to the fund source in which such receivables are due. Any such exemptions shall be reported to the Chairmen of the Senate Finance and House Appropriations Committees within 30 days of such approval.

3. From the amounts deposited into the Fund, 30 percent, not to exceed \$1,800,000 in any fiscal year, shall be paid to the Division of Debt Collection.

4. Thirty percent shall be returned to the state agency for which the claim was collected. Out of the balance in the Fund, the State Comptroller shall transfer up to \$3,454,000 to the general fund on or before June 30, 2005, and up to \$3,444,000 on or before June 30, 2006. Any amount in excess of the transfer which remains in the Debt Collection Recovery Fund each year after the transfer shall be returned on a pro rata basis to all state agencies having claims collected by the Division of Debt Collection during the course of the year, to the extent that such collections contributed to the balance in the Fund.

5. The Division of Debt Collection of the Office of the Attorney General and the Department of Accounts shall promulgate rules necessary to implement these provisions."

“§ 4-1.00 APPROPRIATIONS

§ 4-1.01 PREREQUISITES FOR PAYMENT

a. The State Comptroller shall not pay any money out of the state treasury except pursuant to appropriations in this act or in any other act of the General Assembly making an appropriation during the current biennium.

b. Monies shall be spent solely for the purposes for which they were appropriated by the General Assembly, except as specifically provided otherwise by § 4-1.03 Appropriation Transfers, § 4-4.01 Capital Projects, or § 4-5.01 a. Settlement of Claims with Individuals. Should the Governor find that monies are not being spent in accordance with provisions of the act appropriating them, he shall restrain the State Comptroller from making further disbursements, in whole or in part, from said appropriations. Further, should the Auditor of Public Accounts determine that a state or other agency is not spending monies in accordance with provisions of the act appropriating them, he shall so

advise the Governor or other governing authority, the State Comptroller, the Chairman of the Joint Legislative Audit and Review Commission, and Chairmen of the Senate Finance and House Appropriations Committees.

§ 4-1.02 WITHHOLDING OF SPENDING AUTHORITY

a. For purposes of this subsection, withholding of spending authority is defined as any action that impedes or limits the ability to spend the appropriated monies, regardless of the mechanism used to effect such withholding.

b.1. Changed Expenditure Factors: The Governor is authorized to reduce spending authority, by withholding allotments of appropriations, when expenditure factors, such as enrollments or population in institutions, are smaller than the estimates upon which the appropriation was based. Monies generated from the withholding action shall not be reallocated for any other purpose. Provided, however, the withholding of allotments of appropriations under this provision shall not occur until at least 15 days after the Governor has transmitted a statement of changed factors and intent to withhold monies to the Chairmen of the House Appropriations and Senate Finance Committees.

2. Monies shall not be withheld on the basis of reorganization plans or program evaluations until such plans or evaluations have been specifically presented in writing to the General Assembly at its next regularly scheduled session.

c. Increased Nongeneral Fund Revenue:

1. General fund appropriations to any state agency for operating expenses are supplemental to nongeneral fund revenues collected by the agency. To the extent that nongeneral fund revenues collected in a fiscal year exceed the estimate on which the operating budget was based, the Governor is authorized to withhold general fund spending authority, by withholding allotments of appropriations, in an equivalent amount. However, this limitation shall not apply to: (a) restricted excess tuition and fees for educational and general programs in the institutions of higher education, as defined in § 4-2.01 c of this act; (b) appropriations to institutions of higher education designated for fellowships, scholarships and loans; (c) gifts or grants which are made to any state agency for the direct costs of a stipulated project; (d) appropriations to institutions for the mentally ill or mentally retarded payable from the Mental Health and Mental Retardation Revenue Fund; and (e) general fund appropriations for highway construction and mass transit. Monies unallotted under this provision shall not be reallocated for any other purpose.

2. To the degree that new or additional grant funds become available to supplement general fund appropriations for a program, following enactment of an appropriation act, the Governor is authorized to withhold general fund spending authority, by withholding allotments of appropriations, in an amount equivalent to that provided from grant funds, unless such action is prohibited by the original provider of the grant funds. The withholding action shall not include general fund appropriations, which are required to match grant funds. Monies unallotted under this provision shall not be reallocated for any other purpose.

d. Reduced General Fund Resources

1. The term "general fund resources" as applied in this subsection, includes revenues collected and paid into the general fund of the state treasury during the current biennium, transfers to the general fund of the state treasury during the current biennium, and all unexpended balances brought forward from the previous biennium.

2. In the event that general fund resources are estimated by the Governor to be insufficient to pay in full all general fund appropriations authorized by the General Assembly, the Governor shall, subject to the qualifications herein contained, withhold general fund spending authority, by withholding allotments of appropriations, to prevent any expenditure in excess of the estimated general fund resources available.

3. In making this determination, the Governor shall take into account actual general fund revenue collections for the current fiscal year and the results of a formal written re-estimate of general fund revenues for the current and next biennium, prepared within the previous 90 days, in accordance with the process specified in § 2.2-1503, Code of Virginia. Said re-estimate of general fund revenues

shall be communicated to the Chairmen of the Senate Finance, House Appropriations and House Finance Committees, prior to taking action to reduce general fund allotments of appropriations on account of reduced resources.

4.a) In addition to monthly reports on the status of revenue collections relative to the current fiscal year's estimate, the Governor shall provide a written quarterly assessment of the current economic outlook for the remainder of the fiscal year to the Chairmen of the Senate Finance, House Appropriations, and House Finance Committees.

b) Within five business days after the preliminary close of the state accounts at the end of the fiscal year, the State Comptroller shall provide the Governor with the actual total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes for the just completed fiscal year, with a comparison of such actual totals with the total of such taxes in the official budget estimate for that fiscal year. If that comparison indicates that the total of (1) individual income taxes, (2) corporate income taxes, and (3) sales taxes, as shown on the preliminary close, was one percent or more below the amount of such taxes in the official budget estimate for the just completed fiscal year, the Governor shall prepare a written re-estimate of general fund revenues for the current biennium and the next biennium in accordance with § 2.2-1503, Code of Virginia, to be reported to the Chairmen of the Senate Finance, House Finance and House Appropriations Committees, not later than September 1 following the close of the fiscal year.

5. The Governor shall take no action to withhold allotments until a written plan detailing specific reduction actions approved by the Governor, identified by program and appropriation item, has been presented to the Chairmen of the House Appropriations and Senate Finance Committees. Subsequent modifications to the approved reduction plan also must be submitted to the Chairmen of the House Appropriations and Senate Finance Committees, prior to withholding allotments of appropriations. This reduction plan, with modifications thereto, shall be the sole basis for withholding spending authority due to reduced revenues.

6. In addition to the budget reduction plan approved by the Governor, all budget reduction proposals submitted by state agencies to the Governor or the Governor's staff, including but not limited to the Department of Planning and Budget, the Governor's Cabinet Secretaries, or the Chief of Staff, whether submitted electronically or otherwise, shall be forwarded within five calendar days of submission to the Chairmen of the Senate Finance and House Appropriations Committees.

7. In effecting the reduction of expenditures for the above-stated purpose, the Governor shall not withhold allotments of appropriations for:

a) More than 10 percent cumulatively of the annual general fund appropriation contained in this act for operating expenses of any one state or nonstate agency or institution designated in this act by title, and the exact amount withheld, by state or nonstate agency or institution, shall be reported within five calendar days to the Chairmen of the Senate Finance and House Appropriations Committees. State agencies providing funds directly to grantees named in this Act shall not apportion a larger cut to the grantee than the proportional cut apportioned to the agency. Without regard to § 4-5.07 b.4. of this act, the remaining appropriation to the grantee which is not subject to the cut, equal to at least 85 percent of the annual appropriation, shall be made by July 31, or in two equal installments, one payable by July 31 and the other payable by December 31, if the remaining appropriation is less than or equal to \$500,000, except in cases where the normal conditions of the grant dictate a different payment schedule.

b) The payment of principal and interest on the bonded debt or other bonded obligations of the Commonwealth, its agencies and its authorities, or for payment of a legally authorized deficit.

c) The payments for care of graves of Confederate dead.

d) The employer contributions, and employer paid member contributions to the: Social Security System, Virginia Retirement System, Judicial Retirement System, State Police Officers Retirement System, Virginia Law Officers Retirement System, Optional Retirement Plan for College and University Faculty, Optional Retirement Plan for Political Appointees, Optional Retirement Plan for Superintendents, the Volunteer Service Award Program, and the Virginia Retirement System's group life insurance, sickness and disability, and retiree health care credit programs for state employees,

state-supported local employees and teachers. If the Virginia Retirement System Board of Trustees approves a contribution rate for a fiscal year that is lower than the rate on which the appropriation was based, or if the United States government approves a Social Security rate that is lower than that in effect for the current budget, the Governor may withhold excess contributions. However, employer and employee paid rates or contributions for health insurance and matching deferred compensation for state employees, state-supported local employees and teachers may not be increased or decreased beyond the amounts approved by the General Assembly. Payments for the employee benefit programs listed in this paragraph may not be delayed beyond the customary billing cycles that have been established by law or policy by the governing board.

e) The payments in fulfillment of any contract awarded for the design, construction and furnishing of any state building.

f) The salary of any state officer for whom the Constitution of Virginia prohibits a change in salary.

g) The salary of any officer or employee in the Executive Department by more than two percent (irrespective of the fund source for payment of salaries and wages). Provided, however, the percentage of reduction shall be uniformly applied to all employees within the Executive Department.

h) The appropriation supported by the State Bar Fund, as authorized by § 54.1-3913, Code of Virginia, unless the supporting revenues for such appropriation are estimated to be insufficient to pay the appropriation.

8. The Governor is authorized to withhold specific allotments of appropriations by a uniform percentage, a graduated reduction or on an individual basis, or apply a combination of these actions, in effecting the authorized reduction of expenditures, up to the maximum of two percent, as prescribed in subdivision 7a of this subsection.

9. Each nongeneral fund appropriation shall be payable in full only to the extent the nongeneral fund revenues from which the appropriation is payable are estimated to be sufficient. The Governor is authorized to reduce allotments of nongeneral fund appropriations by the amount necessary to ensure that expenditures do not exceed the supporting revenues for such appropriations. Provided, however, the Governor shall take no action to reduce allotments of appropriations for major nongeneral fund sources on account of reduced revenues until such time as a formal written re-estimate of revenues for the current and next biennium, prepared in accordance with the process specified in § 2.2-1503, Code of Virginia, has been reported to the Chairmen of the Senate Finance, House Finance, and House Appropriations Committees. For purposes of this subsection, major nongeneral fund sources are defined as Highway Maintenance and Operating Fund and Transportation Trust Fund.

10. Notwithstanding any contrary provisions of law, the Governor is authorized to transfer to the general fund on June 30 of each year of the biennium or within twenty days from that date, any available unexpended balances in other funds in the state treasury, subject to the following:

a) The Governor shall declare in writing to the Chairmen of the Senate Finance and House Appropriations Committees that a fiscal emergency exists which warrants the transfer of nongeneral funds to the general fund and reports the exact amount of such transfer within five calendar days of the transfer;

b) No such transfer may be made from retirement or other trust accounts, the State Bar Fund as authorized by § 54.1-3913, Code of Virginia, debt service funds, or federal funds; and

c) The Governor shall include for informative purposes, in the first biennial budget he submits subsequent to the transfer, the amount transferred from each account or fund and recommendations for restoring such amounts.

11. The Director, Department of Planning and Budget shall report spending authority withheld under the provisions of this subsection to the Chairmen of the Senate Finance and House Appropriations Committees within five calendar days of the action to withhold. Said report shall include the amount withheld by agency and appropriation item.

12. If action to withhold allotments of appropriation under this provision is inadequate to eliminate the imbalance between projected general fund resources and appropriations, the Speaker of the

House of Delegates and the President Pro Tempore of the Senate shall be advised in writing by the Governor, so that they may consider requesting a special session of the legislature.

§ 4-1.03 APPROPRIATION TRANSFERS

a. GENERAL:

1.a) During any fiscal year, the Director, Department of Planning and Budget, may transfer operating appropriation authority from one state or other agency to another, to effect the following:

- 1) distribution of amounts budgeted in the central appropriation to agencies, or withdrawal of budgeted amounts from agencies in accordance with specific language in the central appropriation establishing reversion clearing accounts;
- 2) distribution of pass-through grants or other funds held by an agency as fiscal agent;
- 3) correction of errors within this act, where such errors have been identified in writing by the Chairmen of the Senate Finance and House Appropriations Committees;
- 4) proper accounting between fund sources 0100 and 0300 in higher education institutions; or
- 5) transfers specifically authorized elsewhere in this act.

b. During any fiscal year, the Director, Department of Planning and Budget, may transfer operating appropriation authority from one program to another within an agency to effect program purposes approved by the General Assembly, unless specifically provided otherwise in this act. However, appropriation authority for local aid programs and aid to individuals shall not be transferred elsewhere without the express consent of the General Assembly.

c.1. In addition to authority granted elsewhere in this act, the Director, Department of Planning and Budget, may transfer operating appropriations authority among sub-agencies within the Judicial System and the Department of Mental Health, Mental Retardation and Substance Abuse Services to effect changes in operating expense requirements which may occur during the biennium.

2. The Director, Department of Planning and Budget, may transfer appropriations from the Department of Mental Health, Mental Retardation and Substance Abuse Services to the Department of Medical Assistance Services, consisting of the general fund amounts required to match federal funds for reimbursement of services provided by its institutions and Community Services Boards.

3. The Director, Department of Planning and Budget, may transfer appropriations from the Office of Comprehensive Services to the Department of Medical Assistance Services, consisting of the general fund amounts required to match federal funds for reimbursement of services provided to eligible children.

4. The Director, Department of Planning and Budget, may transfer an appropriation or portion thereof within a state or other agency, or from one such agency to another, to support changes in agency organization, program or responsibility enacted by the General Assembly to be effective during the current biennium.

5. The Director, Department of Planning and Budget, may transfer general fund appropriations from the second year to the first year, with said transfer to be reported in writing to the Chairmen of the Senate Finance and House Appropriations Committees within five calendar days of the transfer, when the expenditure of such funds is required to:

- a) address a threat to life, safety, health or property, or
- b) provide for unbudgeted cost increases for statutory required services or federally mandated services, in order to continue those services at the present level, or
- c) provide for payment of overtime salaries and wages, when the obligations for payment of such overtime were incurred during a situation deemed threatening to life, safety, health, or property, or
- d) provide for payments to the beneficiaries of certain public safety officers killed in the line of duty, as authorized in Title 2.2, Chapter 4, Code of Virginia.
- e) An appropriation transfer shall not occur except through properly executed appropriation transfer documents designed specifically for that purpose, and all transactions effecting appropriation transfers shall be entered in the state's computerized budgeting and accounting systems.

6. The Director, Department of Planning and Budget, may transfer from any other agency appropriations, to supplement any project of the Virginia Public Building Authority authorized by

the General Assembly and approved by the Governor. Such capital project shall be transferred to the state agency designated as the managing agency for the Virginia Public Building Authority.

7. In the event of the transition of a city to town status pursuant to the provisions of Chapter 41 of Title 15.2 of the Code of Virginia (§ 15.2-4100 et seq.) subsequent to July 1, 1999, the provisions of § 15.2-1302 shall govern distributions from state agencies to the county in which the town is situated, and the Director, Department of Planning and Budget, is authorized to transfer appropriations or portions thereof within a state agency, or from one such agency to another, if necessary to fulfill the requirements of § 15.2-1302.

#### § 4-1.04 APPROPRIATION INCREASES

a. If the Governor vetoes an item, neither he nor the Director, Department of Planning and Budget, shall administratively establish the vetoed program within the agency. In addition, neither the Governor nor the Director, Department of Planning and Budget, shall administratively increase the appropriations of, nor transfer appropriations to, the agency affected by the veto in order to carry out the purposes of the vetoed item.

#### b. UNAPPROPRIATED NONGENERAL FUNDS:

##### 1. Sale of Surplus Materials:

The Director, Department of Planning and Budget, is hereby authorized to increase the appropriations to any state agency by the amount of credit resulting from the sale of surplus materials under the provisions of § 2.2-1125, Code of Virginia.

##### 2. Insurance Recovery:

The Director, Department of Planning and Budget, shall increase the appropriations authority for any state agency by the amount of the proceeds of an insurance policy or from the State Insurance Reserve Trust Fund, for expenditures as far as may be necessary, to pay for the repair or replacement of lost, damaged or destroyed property, plant or equipment.

##### 3. Gifts, Grants and Other Nongeneral Funds:

a) Subject to § 4-1.02 c, Increased Nongeneral Fund Revenue, and the conditions stated in this section, the Director, Department of Planning and Budget, is hereby authorized to increase the appropriations to any state agency by the amount of the proceeds of donations, gifts, grants or other nongeneral funds paid into the state treasury in excess of such appropriations during a fiscal year. Such appropriations shall be increased only when the expenditure of monies is authorized elsewhere in this act or is required to:

- 1) address a threat to life or safety, health or property or
- 2) provide for unbudgeted increases in costs for statutory required services or federally mandated services, in order to continue those services at the present level or implement compensation adjustments approved by the General Assembly, or
- 3) provide for payment of overtime salaries and wages, when the obligations for payment of such overtime were incurred during a situation deemed threatening to life, safety, health, or property, or
- 4) continue a program at the present level of service or at an increased level of service when required to address unanticipated increases in noncredit instruction at institutions of higher education or business and industrial development opportunities which will benefit the state's economy, or
- 5) participate in a federal or sponsored program, or
- 6) realize cost savings in excess of the additional funds provided, or
- 7) permit a state agency or institution to use a donation, gift or grant for the purpose intended by the donor, or
- 8) provide for cost overruns on capital projects and for capital projects authorized under § 4-4.01 m of this act, or
- 9) provide additional funding resulting from caseload or workload changes in programs approved by the General Assembly.

b) The above conditions shall not apply to donations and gifts to the endowment funds of institutions of higher education.

c) Each state agency and institution shall ensure that its budget estimates include a reasonable estimate of receipts from donations, gifts or other nongeneral fund revenue. The Department of

Planning and Budget shall review such estimates and verify their accuracy, as part of the budget planning and review process.

d) No obligation or expenditure shall be made from such funds until a revised operating budget request is approved by the Director. Expenditures from any gift, grant or donation shall be in accordance with the purpose for which it was made; however, expenditures for property, plant or equipment, irrespective of fund source, are subject to the provisions of §§ 4-2.03 Indirect Costs, 4-4.01 Capital Projects General and 4-5.05 b Services and Clients-New Services of this act.

e) Nothing in this section shall exempt agencies from complying with § 4-2.01 a Solicitation and Acceptance of Donations, Gifts, Grants, and Contracts of this act.

f) If the Governor vetoes an item, neither he nor the Director, Department of Planning and Budget, shall administratively establish the vetoed program within the agency. In addition, neither the Governor nor the Director, Department of Planning and Budget, shall administratively increase the appropriations of, nor transfer appropriations to, the agency affected by the veto to carry out the purposes of the vetoed item.

4. Any nongeneral fund cash balance recorded on the books of the Department of Accounts as unexpended on the last day of the fiscal year may be appropriated for use in the succeeding fiscal year with the prior written approval of the Director, Department of Planning and Budget, unless the General Assembly shall have specifically provided otherwise.

#### 5. Reporting:

The Director, Department of Planning and Budget, shall report on increases in unappropriated nongeneral funds in accordance with § 4-8.00, Reporting Requirements, or as modified by specific provisions in this subsection.

#### § 4-1.05 REVERSION OF APPROPRIATIONS AND REAPPROPRIATIONS

##### a. GENERAL FUND OPERATING EXPENSE:

1.a) General fund appropriations which remain unexpended on (i) the last day of the previous biennium, ending on June 30, 2004, and (ii) the last day of the first year of the current biennium, ending on June 30, 2005, shall be reappropriated and allotted for expenditure in the respective succeeding year for the following agencies and programs, provided however, that the reappropriations shall not be used to create ongoing obligations or expand or create new programs, but shall be applied to nonrecurring costs:

1) Agencies in the Legislative Department, the Judicial Department, and the Independent Agencies, except as may be specifically provided otherwise by the General Assembly;

2) Agencies in the Executive Department, subject to the prior written approval of the Governor, except as may be specifically provided otherwise by the General Assembly;

3) Specific program balances in Executive Department agencies identified by the General Assembly through language in this act;

4) Educational and General programs in those institutions of higher education which meet management standards prescribed by the Governor;

5) Unexpended revenues from community education and public service programs in the institutions of higher education; and

6) Appropriations to the institutions of higher education for student financial assistance.

2. The Governor shall complete his review and reappropriation of unexpended general fund appropriations, authorized under this section, no later than September 1 of the respective succeeding fiscal year. The Governor shall report within five calendar days after completing the reappropriation process to the Chairmen of the Senate Finance and House Appropriations Committees on the reappropriated amounts for each state agency.

3. Pursuant to subsection E of § 2.2-1125, Code of Virginia, the determination of compliance by an agency or institution with management standards prescribed by the Governor shall be made by the Secretary of Finance and the Secretary having jurisdiction over the agency or institution, acting jointly.

b. NONGENERAL FUND OPERATING EXPENSE:

1. Based on analysis by the State Comptroller, when any nongeneral fund has had no increases or decreases in fund balances for a period of twenty-four months, the State Comptroller shall promptly transfer and pay the balance into the fund balance of the general fund. If it is subsequently determined that an appropriate need warrants repayment of all or a portion of the amount transferred, the Director, Department of Planning and Budget shall include repayment in the next budget bill submitted to the General Assembly.

2. Nongeneral fund appropriations which remain unexpended on (i) the last day of the previous biennium and (ii) the last day of the first year of the current biennium shall be reappropriated and allotted for expenditure no later than September 1 of the respective succeeding fiscal year, provided however, that the reappropriations shall not be used to create ongoing obligations or expand or create new programs, but shall be applied to nonrecurring costs. The reappropriations process for nongeneral fund appropriations shall be consistent with the policies, guidelines and schedule used to reappropriated unexpended general fund appropriations.

c. CAPITAL PROJECTS:

1. Upon certification by the Director, Department of Planning and Budget, the State Comptroller is hereby authorized to revert to the fund balance of the general fund any portion of the unexpended general fund cash balance and corresponding appropriation or reappropriation for a capital project when the Director determines that such portion is not needed for completion of the project. The State Comptroller may similarly return to the appropriate fund source any part of the unexpended nongeneral fund cash balance and reduce any appropriation or reappropriation which the Director determines is not needed to complete the project. The Director may direct the restoration of any portion of the returned and reverted amount if he shall subsequently verify an unpaid obligation or requirement for completion of the project. In the case of a capital project for which an unexpended cash balance was returned and appropriation or reappropriation balance was reverted in the prior biennium, he may likewise restore any portion of such reverted amount under the same conditions.

2. The unexpended general fund cash balance and corresponding appropriation or reappropriation for capital projects shall revert to and become part of the fund balance of the general fund during the current biennium as of the date the Director, Department of Planning and Budget, certifies to the State Comptroller that the project has been completed in accordance with the intent of the appropriation or reappropriation and there are no known unpaid obligations related to the project. The State Comptroller shall return the unexpended nongeneral fund cash balance, if there be any, for such completed project to the source from which said nongeneral funds were obtained. Likewise, he shall revert an equivalent portion of the appropriation or reappropriation of said nongeneral funds. The Director, Department of Planning and Budget, may direct the restoration of any portion of the reverted amount if he shall subsequently verify an unpaid obligation or requirement for completion of the project. In the case of a capital project for which an unexpended cash balance was returned and appropriation or reappropriation was reverted in the prior biennium, he may likewise restore any portion of such amount under the same conditions.

§ 4-1.06 LIMITED ADJUSTMENTS OF APPROPRIATIONS

a. LIMITED CONTINUATION OF APPROPRIATIONS.

Notwithstanding any contrary provision of law, any unexpended balances on the books of the State Comptroller as of the last day of the previous biennium shall be continued in force for such period, not exceeding ten (10) days from such date, as may be necessary in order to permit payment of any claims, demands or liabilities incurred prior to such date and unpaid at the close of business on such date, and shown by audit in the Department of Accounts to be a just and legal charge, for values received as of the last day of the previous biennium, against such unexpended balances.

b. LIMITATIONS ON CASH DISBURSEMENTS.

Notwithstanding any contrary provision of law, the State Comptroller may begin preparing the accounts of the Commonwealth for each subsequent fiscal year on or about ten (10) days before the start of such fiscal year. The books will be open only to enter budgetary transactions and transactions that will not require the receipt or disbursement of funds until after June 30. Should an emergency

arise, or in years in which July 1 falls on a weekend requiring the processing of transactions on or before June 30, the State Comptroller may, with the written concurrence of the Auditor of Public Accounts, authorize the disbursement of funds drawn against appropriations of the subsequent fiscal year, not to exceed the sum of three million dollars (\$3,000,000) from the general fund. This provision does not apply to debt service payments on bonds of the Commonwealth which shall be made in accordance with bond documents, trust indentures, and/or escrow agreements.

#### § 4-1.07 ALLOTMENTS

Except when otherwise directed by the Governor within the limits prescribed in §§ 4-1.02 Withholding of Spending Authority, 4-1.03 Appropriation Transfers, and 4-1.04 Appropriation Increases of this act, the Director, Department of Planning and Budget, shall prepare and act upon the allotment of appropriations required by this act, and by § 2.2-1819, Code of Virginia, and the authorizations for rates of pay required by this act. Such allotments and authorizations shall have the same effect as if the personal signature of the Governor were subscribed thereto. This section shall not be construed to prohibit an appeal by the head of any state agency to the Governor for reconsideration of any action taken by the Director, Department of Planning and Budget, under this section.

#### § 4-2.00 REVENUES

##### § 4-2.01 NONGENERAL FUND REVENUES

##### a. SOLICITATION AND ACCEPTANCE OF DONATIONS, GIFTS, GRANTS, AND CONTRACTS:

1. No state agency shall solicit or accept any donation, gift, grant, or contract without the written approval of the Governor except under written guidelines issued by the Governor which provide for the solicitation and acceptance of nongeneral funds.

2. The Governor may issue policies in writing for procedures which allow state agencies to solicit and accept nonmonetary donations, gifts, grants, or contracts except that donations, gifts and grants of real property shall be subject to § 4-4.00 of this act and § 2.2-1149, Code of Virginia. This provision shall apply to donations, gifts and grants of real property to endowment funds of institutions of higher education, when such endowment funds are held by the institution in its own name and not by a separately incorporated foundation or corporation.

3.a) The preceding subdivisions shall not apply to property and equipment acquired and used by a state agency or institution through a lease purchase agreement and subsequently donated to the agency or institution during or at the expiration of the lease purchase agreement, provided that the lessor is the Virginia College Building Authority.

b) The use of endowment funds for property, plant or equipment for state-owned facilities is subject to §§ 4-2.03 Indirect Costs, 4-4.01 Capital Projects-General and 4-5.05 Services and Clients of this act.

##### b. HIGHER EDUCATION TUITION AND FEES:

1. All nongeneral fund collections by public institutions of higher education, including collections from the sale of dairy and farm products, shall be deposited in the state treasury in accordance with § 2.2-1802, Code of Virginia, and expended by the institutions of higher education in accordance with the appropriations and provisions of this act, provided, however, that this requirement shall not apply to private gifts, endowment funds, or income derived from endowments and gifts.

2. Appropriations in this act for Educational and General Programs are provided to meet the Commonwealth's interest in maintaining quality, access, and affordability at its institutions of higher education. General fund appropriations recognize the Commonwealth's share of the cost of education for Virginia students and allow institutions to minimize tuition increases to in-state students. To further ensure that tuition and fees be kept as low as possible, governing boards shall continue to eliminate factors that increase the cost of higher education without increasing its quality or effectiveness.

3.a) The State Council of Higher Education shall develop and enforce uniform guidelines for reporting student enrollments and the domiciliary status of students.

b) The determination of proper tuition, fees and charges shall be made by the Board of Visitors or other governing bodies of institutions of higher education, subject to the provisions of this act. However, that the tuition and fee charges to nonresident students shall be not less than 100 percent of the average cost of education as calculated by the State Council of Higher Education. The State Council of Higher Education may authorize a phased approach to meeting this requirement when, in its judgment, it would result in annual tuition and fee increases for nonresident students that would discourage their enrollment.

4. The fund source "Higher Education Operating" within Educational and General Programs for institutions of higher education includes tuition and fee revenues from nonresident students to pay their proportionate share of the amortized cost of the construction of buildings approved by the Commonwealth of Virginia Educational Institutions Bond Act of 1992 and the Commonwealth of Virginia Educational Facilities Bond Act of 2002. Tuition policy for Virginia resident undergraduates at the public colleges and universities shall be established in the Appropriation Act.

5. Institutions of higher education are hereby authorized to make the technology service fee authorized in Chapter 1042, 2003 Acts of Assembly, part of ongoing tuition revenue. Such revenues shall continue to be used to supplement technology resources at the institutions of higher education.

6. The governing boards of the institutions of higher education shall seek cost-savings in areas supported by non-Educational and General fees such that the total cost of higher education be kept as low as possible.

7.a) The Director, Department of Planning and Budget, shall appropriate and allot tuition and educational and general fee revenues in addition to those appropriated to the Educational and General programs of this act, provided that the additional revenue is applied solely to the operating programs of the Educational and General programs to expand student access, improve instructional quality, operate and maintain classrooms and laboratories, and meet other high-priority, mission-specific purposes and that the request for additional nongeneral fund budget authority is consistent with budget items adopted in this act.

b) The Director, Department of Planning and Budget shall report all increases of appropriation authority on a quarterly basis to the House Appropriations and Senate Finance Committees.

8. It is the intent of the General Assembly that any institution of higher education granting new tuition waivers to in-state or out-of-state students not authorized by the Code of Virginia must absorb the cost of any discretionary waivers.

9. Tuition and fee revenues from nonresident students taking courses through Virginia institutions from the Southern Regional Education Board's Southern Regional Electronic Campus must exceed all direct and indirect costs of providing instruction to those students. Tuition and fee rates to meet this requirement shall be established by the Board of Visitors of the institution.

10. 2. The Governor is authorized to approve deficit funding for a state agency under the following conditions:

a) an unanticipated federal or judicial mandate has been imposed,

b) insufficient monies are available in the first year of the biennium for start-up of General Assembly-approved action, or

c) delay pending action by the General Assembly at its next legislative Session will result in the curtailment of statutory required services or those required by federal mandate or will produce a threat to life, safety, health or property.

d) Such approval by the Governor shall be in writing under the conditions described in § 4-3.02 a Authorized Deficit Loans of this act and shall be promptly communicated to the Chairmen of the House Appropriations and Senate Finance Committees within five calendar days of deficit approval.

3. Deficits shall not be authorized for capital projects.

4. The Department of Transportation may obligate funds in excess of the current biennium appropriation for projects of a capital nature not covered by § 4-4.00 Capital Projects, of this act provided such projects are: 1) delineated in the Virginia Transportation Six-Year Improvement Program, as approved by the Commonwealth Transportation Board; and 2) have sufficient cash allocated to each such project to cover projected costs in each year of the Program; and provided that

3) sufficient revenues are projected to meet all cash obligations for such projects as well as all other commitments and appropriations approved by the General Assembly in the biennial budget.

Further, those members of the governing board of any such agency who shall have voted therefore, or its head if there be no governing board, making any such excess obligation or expenditure shall be personally liable for the full amount of such unauthorized deficit and, at the discretion of the Governor, shall be deemed guilty of neglect of official duty and be subject to removal therefore. Further, the State Comptroller is hereby directed to make public any such unauthorized deficit, and the Director, Department of Planning and Budget, is hereby directed to set out such unauthorized deficits in the next biennium budget. At the close of business on the last day of the current biennium, any unexpended balance of such loan shall be applied toward repayment of the loan, unless such action is contrary to the conditions of the loan approval. The Director, Department of Planning and Budget, shall set forth in the next biennial budget all such loans which require an appropriation for repayment. 4. Anticipation loans for capital projects shall be in amounts not greater than the sum identified by the agency as required to meet the projected expenditures for the project within the current biennium.

- 1) No more than 15 percent above the appointee’s pre-appointment salary, not to exceed the maximum for the salary range, or
- 2) The minimum for the salary range.
- 3) The basis for calculation of a new appointee’s salary shall be the last full-time salary, or annualized wage, paid to such individual. If such salary or wage was in compensation for serving in an acting or otherwise temporary capacity, then the calculation shall be based upon the salary or wage of the last permanent position held by the appointee.
- 4) In proposing the salary for a new appointee as authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01.a.5.b.1) not be viewed as the normal increase for new appointees. The Governor shall be guided by criteria which provide a reasonable limit on the increase, considering the incumbent’s potential contribution to the Commonwealth, and such other criteria as he may find useful.

c. Annual Salary Increases: In his budget proposals to the General Assembly, the Governor shall propose increases or decreases, if any, to the salaries of incumbents in the positions listed in this subsection.

- 1) Such proposals shall be:

Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.
- 3) Incumbents with less than six months tenure in the position listed in this subsection shall not be eligible for the salary increase authorized by this subsection.

4) In proposing the annual salary increase authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01.a.5.c.1) b) above should be reserved for those agency heads who made an exceptional contribution to the operation of their agency. The Governor shall be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth, and such other criteria as he may find useful.

d. Competitive Salary Increases: At any time, the Governor may approve a salary increase for the incumbent in a position listed in this subsection, in response to a bona fide job offer from another employer.

b) No more than the maximum of the salary range,

c) No more than 15 percent for any single competitive offer or for a combination of competitive offers in a single fiscal year, and

d) Temporary and provisional until the first day of the pay period next following the Governor's signature of the budget bill.

2) In approving a competitive offer, the Governor should be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth and the relative difficulty of finding a qualified replacement, and such other criteria as he may find useful.

3) In authorizing a competitive salary increase, the Governor shall provide the Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification for such increase. 2) If at any time the Administrator of the Commonwealth's Attorneys' Services Council serves on the faculty of a state-supported institution of higher education, the faculty appointment must be approved by the Council. annual salaries of incumbents appointed to positions listed in this subsection. The Governor shall include such increases or decreases in his budget proposals to the General Assembly.

1) Such proposals shall be:

- a) Based on his evaluation of their individual performance,
- b) No more than the maximum of the range of performance increases granted in that fiscal year for classified employees under the Classified Employee Pay Plan as set out in Item 511, of this Act,
- c) No more than the maximum for the salary range and
- d) Shall be effective on the first day of the pay period next following the Governor's signature of the budget bill.

2) In proposing the annual salary increase authorized in this subsection, it is the intent of the General Assembly that the maximum set out in §4-6.01.b.3.c.1) b) above should be reserved for those agency heads who made an exceptional contribution to the operation of their agency. The appointing authority should be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth, and such other criteria as he may find useful.

3) In making his proposals to the Department of Planning and Budget the appointing authority in the Judicial and Independent Agencies shall provide written justification of any increase that deviates from the average increase recommended for classified state employees under the Classified Employee Pay Plan as set out in Item 511, of this Act. Copies of these justifications shall be provided by the appointing authority to the Chairmen of the House Appropriations Committee and the Senate Finance Committee. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act in the budget, with.

4) Incumbents with less than six months tenure in the position listed in this subsection and in §1-1 through §1-15 of this Act shall not be eligible for the salary increase authorized by this subsection.

d. Competitive Salary Increases: At any time the appointing authority may approve a salary increase for the incumbent in a position listed in this subsection, in response to a bona fide job offer from another employer.

1) Such competitive salary increase shall be:

- a) Based on his evaluation of their individual performance,
- b) No more than the maximum of the salary range,
- c) No more than 15 percent for any single competitive offer or for a combination of competitive offers in a single fiscal year, and
- d) Temporary and provisional until the first day of the pay period next following the Governor's signature of the budget bill.

2) In approving a competitive offer, the appointing authority should be guided by criteria which provide a reasonable limit on the increase, considering the incumbent's service to the Commonwealth and the relative difficulty of finding a qualified replacement, and such other criteria as he may find useful.

3) In authorizing a competitive salary increase, the appointing authority in the Judicial Branch and Independent Agencies shall provide the Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification for such increase. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.

e. Performance Bonuses: At any time the appointing authority may approve a performance bonus for the incumbent in a position listed in this subsection.

1) Such performance bonus shall be:

- a) Based on his evaluation of their individual performance,
- b) No greater than five percent of the annual salary for the incumbent, as listed in this Act, and
- 2) Performance bonuses shall not be granted to any individual more than once in a twelve month period.

3) In authorizing a performance bonus, the appointing authority shall provide;

- a) The Chairmen of the House Appropriations Committee and the Senate Finance Committee with written justification. Such justification shall be confidential and shall not be subject to the provisions of the Freedom of Information Act.

b) Notification of performance bonuses to the Department of Human Resource Management for retention in its records.

2. Full-time employees of the Commonwealth, including faculty members of state institutions of higher education, who are appointed to a state-level board, council, commission or similar collegial body set forth in §§ 2.1-20.4 and 15.2-1636.5, Code of Virginia, shall not receive any compensation for their services as members or chairmen except for reimbursement of reasonable and necessary expenses.

#### § 4-6.02 EMPLOYEE BENEFITS

Any cost for benefits exceeding such general rate shall be borne by the employee or, in the case of a political subdivision, by the employer.

2. Any classified employee of the Commonwealth who (i) is compensated on a salaried basis and (ii) works at least twenty hours per week shall be considered a full-time employee for the purposes of participation in the Virginia Retirement System's group life insurance and retirement programs. Any part-time magistrate hired prior to July 1, 1999, shall have the option of participating in the programs under this provision.

3. Notwithstanding any other provision of law, the board of visitors or other governing body of any public institution of higher education is authorized to establish age and service eligibility criteria for faculty participating in voluntary early retirement incentive plans for their respective institutions pursuant to § 23-9.2:3.1 B and the cash payment offered under such compensation plans pursuant to § 23-9.2:3.1 D, Code of Virginia. The total cost in any fiscal year for any compensation plan established under § 23-9.2:3.1 D, Code of Virginia, shall be set forth by the governing body in the compensation plan for approval by the Governor and review for legal sufficiency by the Office of the Attorney General.

4. Notwithstanding any other provision of law, no agency head compensated by funds appropriated in this act may be a member of the Virginia Law Officers' Retirement System created under Title 51.1, Chapter 2.1, Code of Virginia. The provisions of this paragraph are effective on July 1, 2002, and shall not apply to the Chief of the Capitol Police.

§ 4-6.03 CHARGES

a. FOOD SERVICES:

1. Except as exempted by the prior written approval of the Director, Department of Human Resource Management, and the provisions of § 2.1-558 A, Code of Virginia, state employees shall be charged for meals served in state facilities.

a) Charges for meals will be determined by the agency. Such charges shall be not less than the value of raw food and the cost of direct labor and utilities incidental to preparation and service.

b) Each agency shall maintain records as to the calculation of meal charges and revenues collected.

c) Except where appropriations for operation of the food service are from nongeneral funds, all revenues received from such charges shall be paid directly and promptly into the general fund.

2. The provisions of this subsection shall not apply to on-duty employees assigned to correctional facilities operated by the Departments of Corrections, Juvenile Justice, and Correctional Education.

b. HOUSING SERVICES:

1. Each agency will collect a fee from state employees who occupy state-owned housing, subject to guidelines provided by the Director, Department of General Services. Each agency head is responsible for establishing a fee for state-owned housing and for documenting in writing why the

rate established was selected. In exceptional circumstances, which shall be documented as being in the best interest of the Commonwealth by the agency requesting an exception, the Director, Department of General Services may waive the requirement for collection of fees.

2. All revenues received from housing fees shall be promptly deposited in the state treasury. For housing for which operating expenses are financed by general fund appropriations, such revenues shall be deposited to the credit of the general fund. For housing for which operating expenses are financed by nongeneral fund appropriations, such revenues shall be deposited to the credit of the nongeneral fund. Agencies which provide housing for which operating expenses are financed from both general fund and nongeneral fund appropriations shall allocate such revenues, when deposited in the state treasury, to the appropriate fund sources in the same proportion as the appropriations. However, without exception, any portion of a housing fee attributable to depreciation for housing which was constructed with general fund appropriations shall be paid into the general fund.

c. VEHICLE PARKING SPACES:

1. Agencies with parking space for employees in state-owned facilities shall, when required by the Director, Department of General Services, charge employees for such space on a basis approved by the Governor. All revenues received from such charges shall be paid directly and promptly into a special fund in the state treasury to be used, as determined by the Governor, for payment of costs for the provision of vehicle parking spaces. Interest shall be added to the fund as earned. In the case of any agency with central administrative offices occupying leased or rental space in the metropolitan Richmond area, not including institutions of higher education, the Director shall require that a fee be charged employees for vehicle parking spaces which are assigned to them or which are otherwise available incidental to the lease or rental agreement. In such cases the individual employee fee scale shall not be less than that provided for employees at the Seat of Government, provided that if, in the opinion of the Director good cause is shown, this portion of the requirement may be amended or waived. Revenues derived from employees paying for parking spaces in leased facilities will be retained by the leasing agency to be used to offset the cost of the lease to which it pertains.

2. Agencies assigned to a Governor's Secretary, excluding institutions of higher education, which are located in the metropolitan Richmond area shall not use public funds to lease private parking spaces for employees. Payments for such leases shall be derived from charges to employees for parking space or from other nonpublic funds, or both. Any lease for private parking space must be approved by the Director, Department of General Services.

2. Any approval granted under this subsection shall be reported in writing to the Chairmen of the House Appropriations Committee and the Senate Finance Committee, the Governor and the Directors of the Department of Planning and Budget and Department of Human Resource Management within ten days of such approval. “1. All nongeneral fund collections by public institutions of higher education, including collections from the sale of dairy and farm products, shall be deposited in the state treasury in accordance with § 2.2-1802, Code of Virginia, and expended by the institutions of higher education in accordance with the appropriations and provisions of this act, provided, however, that this requirement shall not apply to private gifts, endowment funds, or income derived from endowments and gifts.

2.a) Financial support provided to the Commonwealth's institutions of higher education is predicated primarily upon the fulfillment by such institutions of their mission to provide educational opportunities to the citizens of the Commonwealth. The presence of students from outside the Commonwealth contributes materially to that mission and the appropriate proportion of such nonresident students will vary among the institutions according to their respective missions. Each institution and the State Council of Higher Education for Virginia shall monitor tuition, fees, and other charges, as well as the mix of resident and nonresident students, to ensure that the primary mission of providing educational opportunities to citizens of Virginia is served. The State Council of Higher Education shall report to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees no later than August 1 of each year on the annual change in total charges for tuition and all required fees approved and allotted by the Board of Visitors in support of the institutions' educational and general programs. As it deems appropriate, the State Council of Higher Education for Virginia shall provide comparative national, peer, and market data with respect to charges assessed students for tuition and required fees at institutions outside of the Commonwealth. Further, in coordination with the institutions, the State Council of Higher Education for Virginia shall report no later than August 1 of each year on the estimated amount of revenue each institution expects to collect from tuition and mandatory educational and general fees during the fiscal year.

b) The State Council of Higher Education for Virginia shall also develop and enforce uniform guidelines for reporting student enrollments and the domiciliary status of students.

3. The Board of Visitors or other governing body of each public institution of higher education shall set tuition, fees, and other student charges within the limits of the nongeneral fund appropriation provided for each institution's educational and general programs within this act.
- 4.a) In setting the general and nongeneral fund appropriations for educational and general programs at each institution, it is the intent of the General Assembly, over a period of up to six years, to provide full funding of the base adequacy guidelines adopted, and periodically amended, by the Joint Subcommittee Studying Higher Education Funding Policies; to begin raising average salaries for teaching and research faculty to the 60th percentile of peer institutions nationally; and to recognize the student share of cost for other priorities set forth in this act.
- b) Further, it is the intent of the General Assembly that the Commonwealth support at least 67 percent of the cost of education for all resident students attending a public college or university in the Commonwealth and that tuition and mandatory educational and general fee rates for nonresident undergraduate and graduate students shall be at least 100 percent of the average cost of their education, as calculated by the Joint Subcommittee's funding guidelines.
- c) For institutions charging nonresident students less than 100 percent of the cost of education as identified by the funding guidelines referenced in subparagraph a), the State Council of Higher Education for Virginia may authorize a phased approach to meeting this requirement, when in its judgment, it would result in annual tuition and fee increases for nonresident students that would discourage their enrollment.
- d) Nonresident graduate students employed by an institution as graduate teaching or research assistants and paid at an annual contract rate of \$4,000 or more may be considered resident students for the purposes of charging tuition and fees.
- e) By October 1, 2005, the State Council of Higher Education shall prepare a report on nonresident tuition waivers, including how waivers contribute to institutions' ability to attract and retain research funding and the extent to which nonresident students receiving waivers stay and work in Virginia upon graduation. The Department of Taxation and the Virginia Employment Commission shall work with the State Council of Higher Education for Virginia to provide appropriate unit record data to support these analyses.
5. In setting undergraduate tuition and fee increases, the Boards of Visitors or other governing bodies shall consider the feasibility of setting aside a portion of the tuition increase to provide additional financial aid resources, in combination with state, federal and private resources to students who demonstrate financial need.
6. The fund source "Higher Education Operating" within educational and general programs for institutions of higher education includes tuition and fee revenues from nonresident students to pay their proportionate share of the amortized cost of the construction of buildings approved by the Commonwealth of Virginia Educational Institutions Bond Act of 1992 and the Commonwealth of Virginia Educational Facilities Bond Act of 2002.
7. Institutions of higher education are hereby authorized to make the technology service fee authorized in Chapter 1042, 2003 Acts of Assembly, part of ongoing tuition revenue. Such revenues shall continue to be used to supplement technology resources at the institutions of higher education.
- 8.a) The governing boards of the institutions of higher education shall seek cost savings in areas supported by non-educational and general fees such that the total cost of higher education be kept as low as possible. Mandatory fees for purposes other than educational and general programs shall not be increased for Virginia undergraduates beyond five percent annually, excluding requirements for wage, salary, and fringe benefit increases, authorized by the General Assembly. Fee increases required to carry out actions that respond to mandates of federal agencies are also exempt from this provision, provided that a report on the purposes of the amount of the fee increase is submitted to the Chairmen of the House Appropriations and Senate Finance Committees by the institution of higher education at least 30 days prior to the effective date of the fee increase.
- b) This restriction shall not apply in the following instances: fee increases directly related to capital projects authorized by the General Assembly; fee increases to support student health services; and other fee increases specifically authorized by the General Assembly.

c) Due to the small mandatory non-educational and general program fees currently assessed students in the Virginia Community College System, increases in any one year of no more than \$15 shall be allowed on a cost-justified case-by-case basis, subject to approval by the State Board for Community Colleges.

9.a) At the request of an institution of higher education, the Director, Department of Planning and Budget, shall administratively appropriate and allot increases in nongeneral fund revenues appropriated in this act from all sources except tuition and fees used in support of Educational and General program.

b) To the extent an institution seeks to increase tuition and fee revenue for use within the educational and general programs above the levels specified in this act, the Department of Planning and Budget may administratively appropriate and allot increases up to one percent of the appropriated amounts without review and certification by the State Council of Higher Education for Virginia.

c) For requested increases above one percent of the appropriated levels identified in this act, institutions shall seek certification from the State Council of Higher Education for Virginia prior to approval by the Director, Department of Planning and Budget.

d) The State Council of Higher Education for Virginia shall review and certify that the request for additional revenue is needed as the result of higher than anticipated enrollments, a change in the mix of student enrollments, an increase in revenue from self-supporting non-credit or for-credit education or training programs, legislatively approved programmatic funding requirements identified in this act, or appropriate technical adjustments.

e) The Director, Department of Planning and Budget, shall administratively appropriate and allot the increases certified by the State Council of Higher Education for Virginia, provided that the additional revenue is applied solely to the operating needs of the educational and general programs and that the request for additional nongeneral fund budget authority is consistent with budget items adopted in this act.

10. It is the intent of the General Assembly that any institution of higher education granting new tuition waivers to resident or nonresident students not authorized by the Code of Virginia must absorb the cost of any discretionary waivers.

11. The entitlement to resident tuition charges referenced in § 23-7.4:2 A (iii), Code of Virginia, shall be suspended through June 30, 2006.

12. Tuition and fee revenues from nonresident students taking courses through Virginia institutions from the Southern Regional Education Board's Southern Regional Electronic Campus must exceed all direct and indirect costs of providing instruction to those students. Tuition and fee rates to meet this requirement shall be established by the Board of Visitors of the institution.

13. The entitlement to resident charges, at four-year institutions, shall not extend beyond 125 percent of the credit hours needed to satisfy the degree requirements for a particular undergraduate program excluding transfer or advanced placement credits. Resident students taking in excess of 125 percent of the credit hours needed to satisfy the degree requirements for a particular program shall not be eligible to receive awards through state-sponsored financial aid programs. The State Council of Higher Education for Virginia shall establish procedures through which institutions shall implement this provision.”

That §§ 58.1-1001, 58.1-1009, and 58.1-1018 of the Code of Virginia are amended and reenacted, that the Code of Virginia is amended by adding in Title 32.1 a chapter numbered 15, consisting of sections numbered 32.1-366 and 32.1-367, and that the Code of Virginia is amended by adding in Chapter 10 of Title 58.1 an article numbered 2.1, consisting of sections numbered 58.1-1021.01 through 58.1-1021.05, as follows:

## CHAPTER 15.

## VIRGINIA HEALTH CARE FUND.

§ 32.1-366. *Virginia Health Care Fund Established.*

A. *There is hereby created in the state treasury a special nonreverting fund to be known as the Virginia Health Care Fund, hereafter referred to as the "Fund." The Fund shall be established on the books of the Comptroller and any moneys remaining in the Fund at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. For purposes of the Comptroller's preliminary and final annual reports required by § 2.2-813, however, all deposits to and disbursements from the Fund shall be accounted for as part of the general fund of the state treasury.*

B. *All revenue received by the Commonwealth pursuant to the provisions of §§ 58.1-1001 and 58.1-1018 and Article 2.1 (§ 58.1-1021.01 et seq.) of Chapter 10 of Title 58.1 shall be paid into the state treasury and deposited to the Fund. The Comptroller shall also deposit 40 percent of the Commonwealth's allocation pursuant to the Master Settlement Agreement with tobacco product manufacturers, as defined in § 3.1-1106, to the Fund. The Fund shall also consist of all recoveries received during a fiscal year resulting from expenditures incurred in the Medicaid program during a prior fiscal year or years to the extent that such amounts represent recoveries of state funds that would otherwise be deposited to the general fund of the state treasury.*

§ 32.1-367. *Uses of Virginia Health Care Fund.*

*Moneys deposited to the Fund shall be used solely for the provision of health care services. Health care services include, but are not limited to, Medicaid payments, disease diagnosis, prevention and control, and community health services. Disbursements from the Fund shall be made in accordance with appropriations made by law.*

§ 58.1-1001. Tax levied; rate.

*In addition to all other taxes now imposed by law, every person within this Commonwealth who sells, stores or receives cigarettes made of tobacco or any substitute thereof, for the purpose of distribution to any person within this Commonwealth, shall pay to this Commonwealth an excise tax of one and one-quarter mills on each such cigarette sold, stored or received before July 1, 2004; an excise tax of one cent on each such cigarette sold, stored or received on or after July 1, 2004, through midnight on June 30, 2005; and an excise tax of 1.75 cents on each such cigarette sold, stored or received on or after July 1, 2005.*

*The revenues generated by the tax imposed under this section on and after July 1, 2004, shall be collected by the Department and deposited into the Virginia Health Care Fund established under § 32.1-366.*

§ 58.1-1009. Preparation, design and sale of stamps; unlawful sale or purchase of stamps a felony; penalty.

A. *The Department is hereby authorized and directed to have prepared and to sell stamps suitable for denoting the tax on all cigarettes. The Department shall design, adopt and promulgate the form and kind of stamps to be used. Stamps so adopted and promulgated shall be known as and termed "Virginia*

revenue stamps,” and in any information or indictment, it shall be sufficient to describe the stamps as “Virginia revenue stamps.”

Any person other than the Department who sells such revenue stamps, not affixed to cigarettes sold and delivered by them, whether the said stamps be genuine or counterfeit, shall be guilty of a Class 6 felony. Any person who purchases revenue stamps from anyone other than the Department, unless such stamps are already affixed to cigarettes being purchased by and delivered to him, or who uses or affixes, or causes to be used or affixed, any revenue stamps not purchased from the Department by the owner of the cigarettes being handled or stamped, whether such stamps are genuine or counterfeit, shall be guilty of a Class 6 felony. When wholesalers have qualified as such with the Department, as provided in § 58.1-1011, and purchase stamps as prescribed herein for use on taxable cigarettes sold and delivered by them, the Department shall allow on such sales of revenue stamps a discount of two and one-half cents per carton. ~~In addition to any other penalties provided by law, the Department may revoke the permit issued, in accordance with § 58.1-1011, to any person who violates this section.~~

As used herein “carton” shall mean ten packs of cigarettes, each containing twenty cigarettes. All stamps prescribed by the Department shall be designed and furnished in such a fashion as to permit identification of the wholesale dealer or retail dealer that affixed the stamp to the particular package of cigarettes, by means of a serial number or other mark on the stamp. The Department shall maintain for not less than three years information identifying which wholesale dealer or retail dealer affixed the revenue stamp to each package of cigarettes.

*B. 1. The Department shall provide Virginia revenue stamps to certain wholesale dealers holding a current permit issued pursuant to § 58.1-1011 prior to collecting the tax imposed under this chapter from such wholesale dealer. Such wholesale dealers shall be allowed to obtain the stamps from the Department without concurrent payment of the tax only if the conditions of this subsection are satisfied.*

*In order to obtain Virginia revenue stamps without concurrent payment of the tax imposed under this chapter, a wholesale dealer shall (i) file a bond with a corporate surety licensed to do business in Virginia, or (ii) file an irrevocable letter of credit satisfactory to the Tax Commissioner as to the bank or savings institution, the form and substance, and payable to the Commonwealth in the face amount of approximately two times the anticipated average monthly amount in purchases of Virginia revenue stamps by the wholesale dealer as determined by the Commissioner. The letter of credit shall be from a bank incorporated or authorized to conduct banking business under the laws of the Commonwealth or authorized to do business in the Commonwealth under the banking laws of the United States, or a federally insured savings institution located in the Commonwealth. Such bond or irrevocable letter of credit shall be conditioned upon payment of the tax imposed by this chapter relating to Virginia revenue stamps obtained by the wholesale dealer from the Department (without concurrent payment of the tax) for which such tax, net of any applicable discount described in subsection A, shall be paid within the 30 days immediately following the date that the related revenue stamp or stamps were provided by the Department to such wholesale dealer. Any such bond shall be so written that, on timely payment of the premium thereon, it shall continue in force from year to year unless sooner terminated.*

*2. Any surety on a bond filed by any wholesale dealer shall be released and discharged from any and all liability to the Commonwealth accruing on such bond after the expiration of 60 days from the date upon which such surety shall have lodged with the Commissioner written request to be released and discharged. But such request shall not operate to relieve, release or discharge such surety from any liability already accrued or which shall accrue before the expiration of such 60-day period. The Commissioner shall, promptly on receipt of such notice, notify the wholesale dealer who furnished such bond. Unless such dealer on or before the expiration of such 60 days’ notice files with the Commissioner a new bond or letter of credit that meets all the conditions described in subdivision 1, the Commissioner shall forthwith require the wholesale dealer to pay the tax imposed under this chapter concurrent with obtaining revenue stamps from the Department.*

*In the event that liability upon the bond or letter of credit filed by the wholesale dealer with the Commissioner shall be discharged or reduced, whether by judgment rendered, payment made or otherwise, or if in the opinion of the Commissioner any surety on the bond becomes unsatisfactory or unacceptable, then the Commissioner may require the filing of a new bond or letter of credit. Unless such*

*new bond or letter of credit meets all the conditions described in subdivision 1, the Commissioner shall forthwith require the wholesale dealer to pay the tax imposed under this chapter concurrent with obtaining revenue stamps from the Department.*

*3. Notwithstanding any other provision in this subsection, the Tax Commissioner, for good cause, shall require a wholesale dealer to pay the tax imposed under this chapter concurrent with obtaining revenue stamps from the Department, regardless of whether or not such dealer has filed or agreed to file the bond or letter of credit described in this subsection.*

*C. In addition to any other penalties provided by law, the Department may revoke the permit issued, in accordance with § 58.1-1011, to any person who violates any provision of this section.*

§ 58.1-1018. Tax imposed on storage, use or consumption of cigarettes; exemption of products on which sales tax has been paid.

An excise tax is hereby imposed on the storage, use or other consumption in this Commonwealth of cigarettes purchased at retail in an amount equal to that set out in § 58.1-1001. Every person storing, using or otherwise consuming in this Commonwealth cigarettes purchased at retail shall be liable for the tax imposed by this article, and the liability shall not be extinguished until the tax has been paid to this Commonwealth; however, if such cigarettes have attached thereto the requisite stamps or if the excise tax imposed by Article 1 (§ 58.1-1000 et seq.) has been paid by the seller of such cigarettes, then the tax imposed by this article shall not be due.

*The revenues generated by the tax imposed under this section on and after July 1, 2004, shall be collected by the Department and deposited into the Virginia Health Care Fund established under § 32.1-366.*

#### *Article 2.1.*

##### *Tobacco Products Tax.*

###### *§ 58.1-1021.01. Definitions.*

*As used in this article, unless the context clearly shows otherwise, the term or phrase:*

*“Package” means any package, bag, box, can, or other container in which tobacco products are packaged and sold.*

*“Purchase price” means the same as sales price but applies to the total price paid for tobacco products.*

*“Retail dealer” means every person other than a wholesale dealer, as defined in this section, who sells or offers for sale any tobacco product.*

*“Sales price” means the total amount for which tobacco products are sold, valued in money, whether paid in money or otherwise, and includes any amount for which credit is given to the purchaser by the dealer, without any deduction therefrom on account of the cost of the property sold, the cost of materials used, labor or service costs, losses or any other expenses whatsoever. “Sales price” shall not include any cash discount allowed and taken or finance charges, carrying charges, service charges or interest from credit extended on sales of tobacco products.*

*“Tobacco product” or “tobacco products” means (i) “cigar” as defined in § 5702 (a) of the Internal Revenue Code, and as such section may be amended; (ii) “smokeless tobacco” as defined in § 5702 (m) of the Internal Revenue Code, and as such section may be amended; (iii) “pipe tobacco” as defined in § 5702 (n) of the Internal Revenue Code, and as such section may be amended; or (iv) “roll-your-own tobacco” as defined in § 5702 (o) of the Internal Revenue Code, and as such section may be amended.*

*“Wholesale dealer” means persons who sell any tobacco product at wholesale to retail dealers, or who sell any tobacco product at wholesale to institutional, commercial or industrial users.*

###### *§ 58.1-1021.02. Tax on tobacco products.*

*A. In addition to all other taxes now imposed by law, there is hereby imposed a tax on every wholesale dealer within the Commonwealth selling any tobacco product to a retail dealer located in the Commonwealth or selling any tobacco product to institutional, commercial or industrial users located in the Commonwealth. For purposes of such tax, chain store distribution centers or houses that distribute any tobacco product to their stores for sale at retail shall be deemed to be a wholesale dealer selling to a retail dealer.*

*The tax shall be imposed at a rate of 10 percent of the sales price charged by the wholesale dealer for each such package of tobacco product sold to a retail dealer or institutional, commercial or industrial*

user. In any case where a chain store distribution center or house distributes any tobacco product to its stores, the tax shall be imposed on the purchase price paid by the chain store distribution center or house for each such package of tobacco product so distributed.

B. In addition to all other taxes now imposed by law, there is hereby imposed a tax on every retail dealer within the Commonwealth purchasing any tobacco product from a wholesale dealer located outside the Commonwealth.

The tax shall be imposed at a rate of 10 percent of the purchase price paid by the retail dealer for each such package of tobacco product purchased from a wholesale dealer located outside the Commonwealth.

§ 58.1-1021.03. Monthly return and payments of tax.

A. Every wholesale dealer subject to the tax imposed under this article shall, beginning with the month of October 2004, file a monthly return no later than the tenth of each month on a form prescribed by the Department, covering the sale of tobacco products by such dealer, for which a tax is imposed pursuant to subsection A of § 58.1-1021.02, during the preceding month. The return shall contain or be accompanied by such further information as the Department shall require. The wholesale dealer, at the time of filing the return, shall pay to the Department the tax imposed under subsection A of § 58.1-1021.02 on the sales price for each such package of tobacco product sold in the preceding month.

B. Every retail dealer subject to the tax imposed under this article shall, beginning with the month of October 2004, file a monthly return no later than the tenth of each month on a form prescribed by the Department, covering the purchase of tobacco products by such dealer, for which a tax is imposed pursuant to subsection B of § 58.1-1021.02, during the preceding month. The return shall contain or be accompanied by such further information as the Department shall require. The retail dealer, at the time of filing the return, shall pay to the Department the tax imposed under subsection B of § 58.1-1021.02 on the purchase price for each such package of tobacco product purchased in the preceding month.

§ 58.1-1021.04. Failure to file return; fraudulent return; penalties; interest; overpayment of tax.

A. When any wholesale dealer or retail dealer fails to make any return or pay the full amount of the tax required by this article, there shall be imposed a specific penalty to be added to the tax in the amount of five percent if the failure is for not more than one month, with an additional two percent for each additional month, or fraction thereof, during which the failure continues, not to exceed 20 percent in the aggregate. In no case, however, shall the penalty be less than \$10 and such minimum penalty shall apply whether or not any tax is due for the period for which such return was required. If such failure is due to providential or other good cause shown to the satisfaction of the Tax Commissioner, such return with or without remittance may be accepted exclusive of penalties. In the case of a false or fraudulent return where willful intent exists to defraud the Commonwealth of any tax due under this article, or in the case of a willful failure to file a return with the intent to defraud the Commonwealth of any such tax, a specific penalty of 50 percent of the amount of the proper tax shall be assessed. All penalties and interest imposed by this article shall be payable by the wholesale dealer or retail dealer and collectible by the Department in the same manner as if they were a part of the tax imposed.

B. It shall be prima facie evidence of intent to defraud the Commonwealth of any tax due under this article when any wholesale dealer or retail dealer reports his sales or purchases, as the case may be, at 50 percent or less of the actual amount.

C. Interest at a rate determined in accordance with § 58.1-15 shall accrue on the tax until the same is paid.

No deficiency, interest or penalty shall be assessed for any month after the expiration of three years from the date set for the filing of the return for such month, except in cases of fraud, or where no return has been filed for such month.

D. If the Tax Commissioner determines that the amount paid the Commonwealth under this article in regard to any monthly return was greater than the amount of tax due the Commonwealth, the excess may be taken as a credit by the wholesale dealer or retail dealer against a subsequent month's tax imposed under this article. However, if such wholesale dealer or retail dealer requests a refund, such excess shall be refunded to the dealer within 45 days of the request. The refund shall include interest at the rate provided in § 58.1-15. Interest on such refunds shall accrue from the due date of the return to which such

excess is attributable to or the date such excess was paid to the Department, whichever is later, and shall end on a date determined by the Department preceding the date of the refund check by not more than seven days.

§ 58.1-1021.05. Use of revenues.

The revenues generated by the taxes imposed under this article shall be collected by the Department and deposited into the Virginia Health Care Fund established under § 32.1-366.

3. That the taxes set forth under Article 2.1 (§ 58.1-1021.01 et seq.) of Chapter 10 of Title 58.1 pursuant to the second enactment of this act shall be imposed beginning September 1, 2004, for taxable sales or purchases under such article occurring on or after such date.

4. That the Tax Commissioner shall establish guidelines and rules for (i) transitional procedures in regard to the increase in the state cigarette tax and (ii) implementation of the tax on tobacco products under Article 2.1 (§ 58.1-1021.01 et seq.) of Chapter 10 of Title 58.1 pursuant to the second enactment of this act. Such guidelines and rules issued by the Tax Commissioner shall be exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq.).

5. That the provisions of the first enactment of this act shall expire midnight on June 30, 2006. The provisions of all other enactments shall have no expiration date.

6. That this act is effective on July 1, 2004.

Whenever a holder acquires any interest in land other than a fee simple interest as a result of a grant or transfer from the Foundation, such interest shall be held jointly by the holder and a public body. Whenever a holder acquires a fee simple interest in land as a result of a grant or transfer from the Foundation, a public body shall hold an open space easement in such land.

B. The Fund shall consist of ~~general fund moneys~~ *the transfers in each fiscal year pursuant to § 10.1-2135* and gifts, endowments or grants from the United States government, its agencies and instrumentalities, and funds from any other available sources, public or private. § 10.1-2128. Virginia Water Quality Improvement Fund established; purposes.

A. There is hereby established in the state treasury a special permanent, nonreverting fund, to be known as the "Virginia Water Quality Improvement Fund." The Fund shall be established on the books of the Comptroller. B. The purpose of the Fund is to provide Water Quality Improvement Grants to local governments, soil and water conservation districts, institutions of higher education and individuals for point and nonpoint source pollution prevention, reduction and control programs and efforts undertaken in accordance with the provisions of this chapter. The Fund shall not be used for agency operating expenses or for purposes of replacing or otherwise reducing any general, nongeneral, or special funds allocated or appropriated to any state agency; however, nothing in this section shall be construed to prevent the award of a Water Quality Improvement Grant to a local government in connection with point or nonpoint pollution prevention, reduction and control programs or efforts undertaken on land owned by the Commonwealth and leased to the local government.

§ 33.1-12. General powers and duties of Board, etc.; definitions.

The Commonwealth Transportation Board shall be vested with the following powers and shall have the following duties:

(1) Location of routes. - To locate and establish the routes to be followed by the roads comprising systems of state highways between the points designated in the establishment of such systems.

(2) Construction and maintenance contracts and activities related to passenger and freight rail and public transportation.

(a) To let all contracts for the construction, maintenance, and improvement of the roads comprising systems of state highways and for all activities related to passenger and freight rail and public transportation in excess of \$2 million. The Commonwealth Transportation Commissioner shall have authority to let all contracts for highway construction, maintenance, and improvements up to \$2 million in value. The Director of the Department of Rail and Public Transportation shall have the authority to let contracts for passenger and freight rail and public transportation improvements up to \$2 million in value. The Commonwealth Transportation Commissioner is authorized to enter into agreements with localities, authorities, and transportation districts to administer projects and to allow those localities, authorities, and transportation districts to let contracts up to \$2 million in value for highway construction, maintenance, and improvements within their jurisdictions. The Director of the Department of Rail and Public Transportation is authorized to enter into agreements with localities, authorities, and transportation districts to administer projects and to allow those localities, authorities, and transportation districts to let contracts up to \$2 million in value for passenger and freight rail and public transportation activities within their jurisdictions. (b) The Commonwealth Transportation Board may award contracts for the construction of transportation projects on a design-build basis. The Board may annually award five design-build contracts valued no more than \$20 million. The Board may also award design-build contracts valued more than \$20 million, provided that no more than five of these latter contracts are in force at the same time. These contracts may be awarded after a written determination is made by the Commonwealth Transportation Commissioner, pursuant to objective criteria previously adopted by the Board regarding the use of design-build, that delivery of the projects must be expedited and that it is not in the public interest to comply with the design and construction contracting procedures normally followed. Such objective criteria will include requirements for prequalification of contractors and competitive bidding processes. These contracts shall be of such size and scope to encourage maximum competition and participation by agency prequalified and otherwise qualified contractors. Such determination shall be retained for public inspection in the official records of the Department of Transportation and shall include a description of the nature and scope of the project and the reasons for the Commissioner's determination that awarding a design-build contract will best serve the public interest. The provisions of this section shall supersede contrary provisions of subdivision 2 of subsection C of § 11-41 and § 11-41.2.

(c) For transportation construction projects valued in excess of \$100 million, the Commonwealth Transportation Board shall require that a financial plan be prepared. This plan shall include, but not be limited to, the following: (i) a complete cost estimate for all major project elements; (ii) an implementation plan with the project schedule and cost-to-complete information presented for each year;

(4) Naming highways. - To give suitable names to state highways and change the names of any highways forming a part of the systems of state highways, except such roads as have been or may hereafter be named by the General Assembly.

(5) Compliance with federal acts. - To comply fully with the provisions of the present or future federal aid acts. The Board may enter into all contracts or agreements with the United States government and may do all other things necessary to carry out fully the cooperation contemplated and provided for by present or future acts of Congress in the area of transportation.

(6) Information and statistics. - To gather and tabulate information and statistics relating to transportation and disseminate the same throughout the Commonwealth. In addition, the Commissioner shall provide a report to the Governor, the General Assembly, the Commonwealth Transportation Board, and the public concerning the current status of all highway construction projects in the Commonwealth. This report shall be posted at least four times each fiscal year, but may be updated more often as circumstances allow. The report shall contain, at a minimum, the following information for every project in the Six-Year Improvement Program: (i) project description; (ii) total cost estimate; (iii) funds expended to date; (iv) project timeline and completion date; (v) statement of whether project is ahead of, on, or behind schedule; and (vi) the name of the prime contractor. Use of one or more Internet websites may be used to satisfy this requirement. Project specific information posted on the Internet shall be updated daily as information is available.

(7) Policies and operation of Departments. - To review and approve policies and transportation objectives of the Department of Transportation and the Department of Rail and Public Transportation, to assist in establishing such policies and objectives, to oversee the execution thereof, and to report thereon to the Commonwealth Transportation Commissioner and the Director of the Department of Rail and Public Transportation, respectively.

4. Tolls and other revenues derived from the projects financed or refinanced pursuant to this title which are payable into the state treasury and tolls and other revenues derived from other transportation projects, which may include upon the request of the applicable appointed governing body, as soon as their obligations have been satisfied, such tolls and revenue derived for transportation projects pursuant to § 33.1-253 (Chesapeake Bay Bridge and Tunnel District) and § 33.1-320 (Richmond Metropolitan Authority) or if the appointed governing body requests refunding or advanced refunding by the Board and such refunding or advanced refunding is approved by the General Assembly. 8. All amounts required by contract to be paid over to the Transportation Trust Fund.

§ 33.1-23.03:8. Priority Transportation Fund established.

A. There is hereby created in the state treasury a special nonreverting fund to be known as the Priority Transportation Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. All funds as may be designated in the appropriation act for deposit to the Fund shall be paid into the state treasury and credited to the Fund. Such funds shall include:

1. A portion of the moneys actually collected, including penalty and interest, attributable to any increase in revenues from the taxes imposed under Chapter 22 (§ 58.1-2200 et seq.) of Title 58.1, with such increase being calculated as the difference between such tax revenues collected in the manner prescribed under Chapter 22 less such tax revenues that would have been collected using the prescribed manner in effect before the effective date of Chapter 22. The portion to be deposited to the Fund shall be the moneys actually collected from such increase in revenues, *net of the additional revenues described in subsection F of § 58.1-2289 designated for deposit into the Transportation Trust Fund established under § 33.1-23.03:1* and allocated for highway and mass transit improvement projects as set forth in § 33.1-23.03:2, but not including any amounts that are allocated to the Commonwealth Port Fund and the Commonwealth Airport Fund under such section. There shall also be deposited into the Fund all additional federal revenues attributable to Chapter 22 (§ 58.1-2200 et seq.) of Title 58.1; and

2. Beginning with the fiscal year ending June 30, 2000, and for fiscal years thereafter, all revenues that exceed the official forecast, pursuant to § 2.2-1503, for (i) the Highway Maintenance and Operating Fund and (ii) the allocation to highway and mass transit improvement projects as set forth in § 33.1-23.03:2, but not including any amounts that are allocated to the Commonwealth Port Fund and the Commonwealth Airport Fund under such section; and

3. Any other such funds as may be transferred, allocated, or appropriated.

The Fund shall be considered a part of the Transportation Trust Fund. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes enumerated in subsection B of this section. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller.

B. The Commonwealth Transportation Board shall use the Fund to facilitate the financing of priority transportation projects throughout the Commonwealth. The Board may use the Fund either (i) by expending amounts therein on such projects directly, (ii) by payment to any authority, locality, commission or other entity for the purpose of paying the costs thereof, or (iii) by using such amounts to support, secure, or leverage financing for such projects. No expenditures from or other use of amounts in the Fund shall be considered in allocating highway maintenance and construction funds under § 33.1-23.1 or apportioning Transportation Trust Fund funds under § 58.1-638, but shall be in addition thereto. The Board shall use the Fund to facilitate the financing of priority transportation projects as designated by the General Assembly; provided, however, that, at the discretion of the Commonwealth Transportation Board, funds allocated to projects within a transportation district may be allocated among projects within the same transportation district as needed to meet construction cash-flow needs.

§ 33.1-418. Allocation of funds to districts.

The local governing body of any locality in which a district has been created pursuant to this chapter may advance funds or provide matching funds from money not otherwise specifically allocated or obligated. Such funds may be received or generated from whatever source, including, without limitation, general revenues, special fees and assessments, state allocations, and contributions from private sources to a local district to assist the local district to undertake the transportation improvements for which it was

created. To assist the district with an approved transportation improvement, the Commonwealth Transportation Board may allocate to a district created pursuant to this chapter only funds allocated, pursuant to Article 1.1 (§ 33.1-23.01 et seq.) of Chapter 1 of Title 33.1, ~~and § 46.2-702.1~~, subsection A of § 58.1-638, *subsection F of § 58.1-2289*, and *subsection B of § 58.1-2425*, to the construction districts and localities in which such transportation district is located.

§ 33.1-439. Allocation of funds to districts.

The governing body of any county or town council of any participating town in which a district has been created pursuant to this chapter may advance funds or provide matching funds from money not otherwise specifically allocated or obligated. Such funds may be received or generated from whatever source, including, without limitation, general revenues, special fees and assessments, state allocations, and contributions from private sources to a local district to assist the local district to undertake the transportation improvements for which it was created. To assist the district with an approved transportation improvement, the Commonwealth Transportation Board may allocate to a district created pursuant to this chapter only funds allocated, pursuant to Article 1.1 (§ 33.1-23.01 et seq.) of Chapter 1 of Title 33.1, ~~and § 46.2-702.1~~, subsection A of § 58.1-638, *subsection F of § 58.1-2289*, and *subsection B of § 58.1-2425*, to the construction districts and localities in which such transportation district is located.

§ 46.2-694. Fees for vehicles designed and used for transportation of passengers; weights used for computing fees; burden of proof.

A. The annual registration fees for motor vehicles, trailers, and semitrailers designed and used for the transportation of passengers on the highways in the Commonwealth are:

1. ~~Twenty-three~~ *Thirty-three* dollars for each private passenger car or motor home if the passenger car or motor home weighs 4,000 pounds or less, provided that it is not used for the transportation of passengers for compensation and is not kept or used for rent or for hire, or is not operated under a lease without a chauffeur.

2. ~~Twenty-eight~~ *Thirty-eight* dollars for each passenger car or motor home which weighs more than 4,000 pounds, provided that it is not used for the transportation of passengers for compensation and is not kept or used for rent or for hire, or is not operated under a lease without a chauffeur.

3. Thirty cents per 100 pounds or major fraction thereof for a private motor vehicle other than a motorcycle with a normal seating capacity of more than ~~ten~~ 10 adults including the driver if the private motor vehicle is not used for the transportation of passengers for compensation and is not kept or used for rent or for hire or is not operated under a lease without a chauffeur. In no case shall the fee be less than ~~twenty-three dollars~~ \$33 if the vehicle weighs 4,000 pounds or less or ~~twenty-eight dollars~~ \$38 if the vehicle weighs more than 4,000 pounds.

4. Thirty cents per 100 pounds or major fraction thereof for a school bus. In no case shall the fee be less than ~~twenty-three dollars~~ \$33 if the vehicle weighs 4,000 pounds or less or ~~twenty-eight dollars~~ \$38 if the vehicle weighs more than 4,000 pounds.

5. ~~Twenty-three~~ *Thirty-three* dollars for each trailer or semitrailer designed for use as living quarters for human beings.

6. ~~Thirteen~~ *Twenty-three* dollars plus ~~thirty~~ 30 cents per 100 pounds or major fraction thereof for each motor vehicle, trailer, or semitrailer used as a common carrier of passengers, operating either intrastate or interstate. Interstate common carriers of interstate passengers may elect to be licensed and pay the fees prescribed in subdivision 7 of this subsection on submission to the Commissioner of a declaration of operations and equipment as he may prescribe. An additional ~~five dollars~~ \$5 shall be charged if the motor vehicle weighs more than 4,000 pounds.

7. ~~Thirteen~~ *Twenty-three* dollars plus ~~seventy~~ 70 cents per 100 pounds or major fraction thereof for each motor vehicle, trailer, or semitrailer used as a common carrier of interstate passengers if election is made to be licensed under this subsection. An additional ~~five dollars~~ \$5 shall be charged if the motor vehicle weighs more than 4,000 pounds. In lieu of the foregoing fee of ~~seventy~~ 70 cents per 100 pounds, a motor carrier of passengers, operating two or more vehicles both within and outside the Commonwealth and registered for insurance purposes with the Surface Transportation Board of the United States Department of Transportation, Federal Highway Administration, may apply to the Commissioner for prorated registration. Upon the filing of such application, in such form as the Commissioner may

prescribe, the Commissioner shall apportion the registration fees provided in this subsection so that the total registration fees to be paid for such vehicles of such carrier shall be that proportion of the total fees, if there were no apportionment, that the total number of miles traveled by such vehicles of such carrier within the Commonwealth bears to the total number of miles traveled by such vehicles within and outside the Commonwealth. Such total mileage in each instance is the estimated total mileage to be traveled by such vehicles during the license year for which such fees are paid, subject to the adjustment in accordance with an audit to be made by representatives of the Commissioner at the end of such license year, the expense of such audit to be borne by the carrier being audited. Each vehicle passing into or through Virginia shall be registered and licensed in Virginia and the annual registration fee to be paid for each such vehicle shall not be less than ~~thirty-three dollars~~ \$43. For the purpose of determining such apportioned registration fees, only those motor vehicles, trailers, or semitrailers operated both within and outside the Commonwealth shall be subject to inclusion in determining the apportionment provided for herein.

8. ~~Thirteen~~ *Twenty-three* dollars plus ~~eighty~~ 80 cents per 100 pounds or major fraction thereof for each motor vehicle, trailer or semitrailer kept or used for rent or for hire or operated under a lease without a chauffeur for the transportation of passengers. An additional fee of ~~five dollars~~ \$5 shall be charged if the vehicle weighs more than 4,000 pounds. This subsection does not apply to vehicles used as common carriers.

9. ~~Twenty-three~~ *Thirty-three* dollars for a taxicab or other vehicle ~~which~~ *that* is kept for rent or hire operated with a chauffeur for the transportation of passengers, and which operates or should operate under permits issued by the Department as required by law. An additional fee of ~~five dollars~~ \$5 shall be charged if the vehicle weighs more than 4,000 pounds. This subsection does not apply to vehicles used as common carriers.

10. ~~Eighteen~~ *Twenty-eight* dollars for a motorcycle, with or without a sidecar. To this fee shall be added a surcharge of ~~three dollars~~ \$3, which shall be distributed as provided in § 46.2-1191.

11. ~~Twenty-three~~ *Thirty-three* dollars for a bus used exclusively for transportation to and from Sunday school or church, for the purpose of divine worship. If the empty weight of the vehicle exceeds 4,000 pounds, the fee shall be ~~twenty-eight dollars~~ \$38.

12. ~~Thirteen~~ *Twenty-three* dollars plus ~~seventy~~ 70 cents per 100 pounds or major fraction thereof for other passenger-carrying vehicles.

13. An additional fee of ~~four dollars~~ \$4 per year shall be charged and collected at the time of registration of each pickup or panel truck and each motor vehicle under subdivisions 1 through 12 of this subsection. All funds collected pursuant to this subdivision shall be paid into the state treasury and shall be set aside as a special fund to be used only for emergency medical service purposes. The moneys in the special fund shall be distributed as follows:

a. Two and one-half percent shall be distributed to the Virginia Association of Volunteer Rescue Squads;

b. Thirteen and one-half percent shall be distributed to the State Department of Health to support (i) emergency medical services training programs (excluding advanced life support classes), (ii) advanced life support training, and (iii) recruitment and retention programs (all funds for such support shall be used to recruit and retain volunteer emergency medical services personnel only, including public awareness campaigns, technical assistance programs, and similar activities). Any funds set aside for distribution under this provision and remaining undistributed at the end of any fiscal year shall revert to the Rescue Squad Assistance Fund;

c. Thirty-one and three-quarters percent shall be distributed to the Rescue Squad Assistance Fund;

d. Twenty-seven and one-quarter percent shall be available to the State Department of Health for use in emergency medical services; and

e. Twenty-five percent shall be returned by the Comptroller to the locality wherein such vehicle is registered, to provide funding for training of volunteer or salaried emergency medical service personnel of licensed, nonprofit emergency medical services agencies and for the purchase of necessary equipment and supplies for use in such locality for licensed, nonprofit emergency medical and rescue services.

The Comptroller shall clearly designate on the warrant, check, or other means of transmitting these funds that such moneys are only to be used for purposes set forth in this subdivision. Such funds shall be in addition to any local appropriations and local governing bodies shall not use these funds to supplant local funds. Each local governing body shall report annually to the Board of Health on the use of the ~~twenty five~~ 25 percent of the funds ~~which~~ that were returned to it. In any case in which the local governing body grants the funds to a regional emergency medical services council to be distributed to the licensed, nonprofit emergency medical and rescue services, the local governing body shall remain responsible for the proper use of the funds. If, at the end of any fiscal year, a report on the use of the ~~twenty five~~ 25 percent of the funds for that year has not been received from a local governing body, any funds due to that local governing body for the next fiscal year shall be retained until such time as the report has been submitted to the Board.

B. All motor vehicles, trailers, and semitrailers registered as provided in subsection B of § 46.2-646 shall pay a registration fee equal to one-twelfth of all fees required by subsection A of this section or § 46.2-697 for such motor vehicle, trailer, or semitrailer, computed to the nearest cent, multiplied by the number of months in the registration period for such motor vehicles, trailers, and semitrailers.

C. The manufacturer’s shipping weight or scale weight shall be used for computing all fees required by this section to be based upon the weight of the vehicle.

D. The applicant for registration bears the burden of proof that the vehicle for which registration is sought is entitled by weight, design, and use to be registered at the fee tendered by the applicant to the Commissioner or to his authorized agent.

§ 46.2-697. Fees for vehicles not designed or used for transportation of passengers.

A. Except as otherwise provided in this section, the fee for registration of all motor vehicles not designed and used for the transportation of passengers shall be ~~thirteen dollars~~ \$23 plus an amount determined by the gross weight of the vehicle or combination of vehicles of which it is a part, when loaded to the maximum capacity for which it is registered and licensed, according to the schedule of fees set forth in this section. For each 1,000 pounds of gross weight, or major fraction thereof, for which any such vehicle is registered, there shall be paid to the Commissioner the fee indicated in the following schedule immediately opposite the weight group and under the classification established by the provisions of subsection B of § 46.2-711 into which such vehicle, or any combination of vehicles of which it is a part, falls when loaded to the maximum capacity for which it is registered and licensed. No deduction shall be allowed pursuant to this section if such payments or contributions are deducted on the purchaser's or contributor's federal income tax return. If the purchase price or annual contribution to a savings trust account exceeds \$2,000, the remainder may be carried forward and subtracted in future taxable years until the purchase price or savings trust contribution has been fully deducted; however, except as provided in subdivision 7 c, in no event shall the amount deducted in any taxable year exceed \$2,000 per contract or savings trust account. Notwithstanding the statute of limitations on assessments contained in § 58.1-312, any deduction taken hereunder shall be subject to recapture in the taxable year or years in which distributions or refunds are made for any reason other than (i) to pay qualified higher education expenses, as defined in § 529 of the Internal Revenue Code or (ii) the beneficiary's death, disability, or receipt of a scholarship. b. The amount paid for a prepaid tuition contract during taxable years beginning on or after January 1, 1996, but before January 1, 1998, shall be deducted in taxable years beginning on or after January 1, 1998, and shall be subject to the limitations set out in subdivision 7 a.

c. A purchaser of a prepaid tuition contract or contributor to a savings trust account who has attained age 70 shall not be subject to the limitation that the amount of the deduction not exceed \$2,000 per prepaid tuition contract or savings trust account in any taxable year. Such taxpayer shall be allowed a deduction for the full amount paid for the contract or contributed to a savings trust account, less any amounts previously deducted. If a prepaid tuition contract was purchased by such taxpayer during taxable years beginning on or after January 1, 1996, but before January 1, 1998, such taxpayer may take the deduction for the full amount paid during such years, less any amounts previously deducted with respect to such payments, in taxable year 1999 or by filing an amended return for taxable year 1998.

9. For taxable years beginning on and after January 1, 1999, an amount equal to 20 percent of the tuition costs incurred by an individual employed as a primary or secondary school teacher licensed pursuant to Chapter 15 (§ 22.1-289.1 et seq.) of Title 22.1 to attend continuing teacher education courses that are required as a condition of employment; however, the deduction provided by this subsection shall be available only if (i) the individual is not reimbursed for such tuition costs and (ii) the individual has not claimed a deduction for the payment of such tuition costs on his federal income tax return.

10. For taxable years beginning on and after January 1, 2000, the amount an individual pays annually in premiums for long-term health care insurance, provided the individual has not claimed a deduction for federal income tax purposes.

E. There shall be added to or subtracted from federal adjusted gross income, as the case may be, the individual's share, as beneficiary of an estate or trust, of the Virginia fiduciary adjustment determined under § 58.1-361.

F. There shall be added or subtracted, as the case may be, the amounts provided in § 58.1-315 as transitional modifications.

§ 58.1-324. Husband and wife.

*For purposes of this section:*

*"Family Virginia taxable income" means, for the relevant taxable year, the combined Virginia taxable income of a husband and wife who are not legally separated.*

A. If the federal taxable income of husband or wife is determined on a separate federal return, their Virginia taxable incomes shall be separately determined, *if family Virginia taxable income is less than or equal to \$100,000.*

*B. If family Virginia taxable income exceeds \$100,000 for the taxable year, the individual income tax shall be calculated on the family Virginia taxable income, and each spouse shall be jointly and severally liable for such tax except as provided in subdivision B 2.*

*1. In cases where both spouses have earned income as such term is defined in § 58.1-302, a two-earner adjustment shall be applied to reduce the calculated tax liability on the following basis:*

<i>In excess of \$200,000 but not in excess of \$300,000</i>	<i>2 percent two-earner credit</i>
<i>In excess of \$300,000</i>	<i>1 percent two-earner credit, not to exceed a maximum credit of \$1,132</i>

*2. In cases where family Virginia taxable income exceeds \$100,000 for the taxable year and separate income tax returns are filed, each spouse shall be severally liable for the tax calculated on family Virginia taxable income on a pro rata basis. Each spouse's individual income tax liability shall be that portion of the income tax on family Virginia taxable income as the spouse's Virginia taxable income for the taxable year bears to the combined Virginia taxable income of both spouses for the taxable year.*

**BC.** If the federal taxable income of husband and wife is determined on a joint federal return, or if neither files a federal return:

1. Their tax shall be determined on their joint Virginia taxable income; or

2. Separate taxes may be determined on their separate Virginia taxable incomes if they so elect, *and the family Virginia taxable income is less than or equal to \$100,000.*

**CD.** Where husband and wife have not separately reported and claimed items of income, exemptions and deductions for federal income tax purposes, and have not elected to file a joint Virginia income tax return, such items allowable for Virginia income tax purposes shall be allocated and adjusted as follows:

1. Income shall be allocated to the spouse who earned the income or with respect to whose property the income is attributable.

2. Allowable deductions with respect to trade, business, production of income, or employment shall be allocated to the spouse to whom attributable.

3. Nonbusiness deductions, where properly taken for federal income tax purposes, shall be allowable for Virginia income tax purposes, but shall be allocable between husband and wife as they may mutually agree. For this purpose, "nonbusiness deductions" consist of allowable deductions not described in subdivision 2 of this subsection.

4. Where the standard deduction or low income allowance is properly taken pursuant to subdivision D 1 a of § 58.1-322 such deduction or allowance shall be allocable between husband and wife as they may mutually agree.

5. Personal exemptions properly allowable for federal income tax purposes shall be allocated for Virginia income tax purposes as husband and wife may mutually agree; however, exemptions for taxpayer and spouse together with exemptions for old age and blindness must be allocated respectively to the spouse to whom they relate.

**DE.** Where allocations are permitted to be made under subsection **CD** pursuant to agreement between husband and wife, and husband and wife have failed to agree as to those allocations, such allocations shall be made between husband and wife in a manner corresponding to the treatment for federal income tax purposes of the items involved, under regulations prescribed by the Department of Taxation.

§ 58.1-339.8. Income tax credit for low-income taxpayers.

A. As used in this section, unless the context requires otherwise:

"Family Virginia adjusted gross income" means the combined Virginia adjusted gross income of an individual, the individual's spouse, and any person claimed as a dependent on the individual's or his spouse's income tax return for the taxable year.

"Poverty guidelines" means the poverty guidelines for the ~~forty-eight~~ 48 contiguous states and the District of Columbia updated annually in the Federal Register by the U.S. Department of Health and Human Services under the authority of § 673 (2) of the Omnibus Budget Reconciliation Act of 1981.

"Virginia adjusted gross income" has the same meaning as the term is defined in § 58.1-321.

B. 1. For taxable years beginning on and after January 1, 2000, any individual or persons filing a joint return whose family Virginia adjusted gross income does not exceed ~~one hundred~~ 100 percent of the poverty guideline amount corresponding to a household of an equal number of persons as listed in the poverty guidelines published during such taxable year, shall be allowed a credit against the tax levied pursuant to § 58.1-320 in an amount equal to \$300 each for the individual, the individual's spouse, and any person claimed as a dependent on the individual's or married persons' income tax return for the taxable year. For any taxable year in which a husband and wife file separate Virginia income tax returns, the credit provided under this section shall be allowed against the tax for only one of such two tax returns. Additionally, the credit provided under this section shall not be allowed against such tax of a dependent of the individual or of married persons.

2. For taxable years beginning on or after January 1, 2005, any individual or married persons, eligible for a tax credit pursuant to § 32 of the Internal Revenue Code, may for the taxable year, in lieu of the credit authorized under subdivision B 1, claim a credit against the tax imposed pursuant to § 58.1-320 in an amount equal to 20 percent of the credit claimed by the individual or married persons for federal individual income taxes pursuant to § 32 of the Internal Revenue Code for the taxable year. In no case shall a household be allowed a credit pursuant to this subdivision and subdivision B 1 for the same taxable year.

For purpose of this subdivision, "household" means an individual and in the case of married persons, the individual and his spouse regardless of whether or not the individual and his spouse file combined or separate Virginia individual income tax returns.

C. The amount of the credit provided pursuant to ~~this section~~ subsection B for any taxable year shall not exceed the individual's or married persons' Virginia income tax liability.

D. Notwithstanding any other provision of this section, ~~such~~ no credit shall ~~not~~ be allowed pursuant to subsection B in any taxable year in which the individual, the individual's spouse, or both, or any person claimed as a dependent on such individual's or married persons' income tax return, claims one or any combination of the following on his or their income tax return for such taxable year:

1. The subtraction under subdivision C 11 of § 58.1-322;
  2. The subtraction under subdivision C 23 of § 58.1-322;
  3. The subtraction under subdivision C 24 of § 58.1-322;
  4. The deduction for the additional personal exemption for blind or aged taxpayers under subdivision D 2 ~~a-b~~ of § 58.1-322; or
  5. The deduction under subdivision D 5 of § 58.1-322.
- § 58.1-341. Returns of individuals.

A. On or before May 1 of each year if an individual's taxable year is the calendar year, or on or before the fifteenth day of the fourth month following the close of a taxable year other than the calendar year, an income tax return under this chapter shall be made and filed by or for:

1. Every resident individual, except as provided in § 58.1-321, required to file a federal income tax return for the taxable year, or having Virginia taxable income for the taxable year;
2. Every nonresident individual having Virginia taxable income for the taxable year, except as provided in § 58.1-321.

B. If the federal income tax liability of husband or wife is determined on a separate federal return, their Virginia income tax liabilities and returns shall be separate *except as provided under § 58.1-324*. If the federal income tax liabilities of husband and wife (other than a husband and wife described in subdivision 2 of subsection A) are determined on a joint federal return, or if neither files a federal return:

1. They shall file a joint Virginia income tax return, and their tax liabilities shall be joint and several; or
2. They may elect to file separate Virginia income tax returns if they comply with the requirements of the Department in setting forth information (whether or not on a single form), in which event their tax

liabilities shall be separate, *except as provided under § 58.1-324* or unless such husband and wife file separately on a combined return. The election permitted under this subsection may be made or changed at any time within three years from the last day prescribed by law for the timely filing of the return.

C. If either husband or wife is a resident and the other is a nonresident, they shall file separate Virginia income tax returns on such single or separate forms as may be required by the Department, in which event their tax liabilities shall be separate except as provided in subsection D, unless both elect to determine their joint Virginia taxable income as if both were residents, in which event their tax liabilities shall be joint and several.

D. If husband and wife file separate Virginia income tax returns on a single form pursuant to subsection B or C, and:

1. If the sum of the payments by either spouse, including withheld and estimated taxes, exceeds the amount of the tax for which such spouse is separately liable, the excess may be applied by the Department to the credit of the other spouse if the sum of the payments by such other spouse, including withheld and estimated taxes, is less than the amount of the tax for which such other spouse is separately liable;

2. If the sum of the payments made by both spouses with respect to the taxes for which they are separately liable, including withheld and estimated taxes, exceeds the total of the taxes due, refund of the excess may be made payable to both spouses.

The provisions of this subsection shall not apply if the return of either spouse includes a demand that any overpayment made by him or her shall be applied only on account of his or her separate liability.

E. The return for any deceased individual shall be made and filed by his executor, administrator, or other person charged with his property.

F. The return for an individual who is unable to make a return by reason of minority or other disability shall be made and filed by his guardian, committee, fiduciary or other person charged with the care of his person or property (other than a receiver in possession of only a part of his property), or by his duly authorized agent.

*“Pass-through entity” means any entity, including a limited partnership, a limited liability partnership, a general partnership, a limited liability company, a professional limited liability company, a business trust or a Subchapter S corporation, that is recognized as a separate entity for federal income tax purposes, in which the partners, members or shareholders report their share of the income, gains, losses, deductions and credits from the entity on their federal income tax returns.*

*“Owner” means any individual or entity who is treated as a partner, member, or shareholder of a pass-through entity for federal income tax purposes.*

*§ 58.1-390.2. Taxation of pass-through entities.*

*§ 58.1-391. Virginia taxable income of owners of a pass-through entity.*

A. In determining Virginia taxable income of ~~a partner~~ *an owner of a pass-through entity*, any modification described in § 58.1-322 ~~which~~ *that* relates to an item of ~~partnership~~ *pass-through entity* income, gain, loss or deduction shall be made in accordance with the ~~partner's~~ *owner's* distributive share, for federal income tax purposes, of the item to which the modification relates. Where ~~a partner's~~ *an owner's* distributive share of any such item is not included in any category of income, gain, loss or deduction required to be taken into account separately for federal income tax purposes, the ~~partner's~~ *owner's* distributive share of such item shall be determined in accordance with his distributive share, for federal income tax purposes, of ~~partnership~~ *pass-through entity* taxable income or loss.

B. Each item of ~~partnership~~ *pass-through entity* income, gain, loss or deduction shall have the same character for ~~a partner~~ *an owner* under this chapter as for federal income tax purposes. C. Where a ~~partner's~~ *an owner's* distributive shares of an item of ~~partnership~~ *pass-through entity* income, gain, loss or deduction is determined for federal income tax purposes by special provision in the ~~partnership~~ *pass-through entity* agreement with respect to such item, and where the principal purpose of such provision is the avoidance or evasion of tax under this chapter, the ~~partner's~~ *owner's* distributive share of such item, and any modification required with respect thereto, shall be determined as if the ~~partnership~~ *pass-through entity* agreement made no special provision with respect to such item.

§ 58.1-392. Reports by pass-through entities.

~~No report shall be required to be filed with the Department of Taxation by any partnership organized under the laws of the Commonwealth or having income from Virginia sources. However, the Tax Commissioner shall have the authority to promulgate regulations requiring that partnerships furnish copies of federal partnership returns and attached schedules or any other information which he deems necessary. In promulgating such regulations, the Tax Commissioner may prescribe the imposition of a penalty in the amount of \$100 for failure to comply, within a reasonable time, to the request for information as set forth therein.~~

A. *Every pass-through entity doing business in Virginia, or having income from Virginia sources, shall make a return to the Department of Taxation on or before the fifteenth day of the fourth month following the close of its taxable year. Such returns shall be made and filed in the manner prescribed by the Department.*

B. *The return of a pass-through entity shall be signed by any one of the owners. An owner's name signed on the return shall be prima facie evidence that such owner is authorized to sign the return on behalf of the pass-through entity.*

C. *The Tax Commissioner may establish an income threshold for the filing of returns by pass-through entities and their owners. Pass-through entities and owners with income below this threshold shall not be required to file a return.*

D. *Receivers, trustees in dissolution, trustees in bankruptcy, and assignees operating the property or business of pass-through entities must make and file returns of income for such pass-through entities. If a receiver has full custody of and control over the business or property of a pass-through entity, he shall be deemed to be operating such business or property, whether he is engaged in carrying on the business for which the pass-through entity was organized or only in marshaling, selling, or disposing of its assets for purposes of liquidation.*

E. *Pass-through entities may be required to file the return using an electronic medium prescribed by the Tax Commissioner. The Tax Commissioner shall establish a minimum number of owners for the electronic filing requirement. Waivers shall be granted only if the Tax Commissioner finds that the requirement creates an unreasonable burden on the pass-through entity. All requests for waivers must be submitted to the Tax Commissioner in writing. Pass-through entities that have fewer than the established minimum number of owners may, at such pass-through entity's option, file such annual return on such prescribed electronic medium in lieu of filing the annual return on paper.*

§ 58.1-393.1. Extension of time for filing return by pass-through entity.

A. *Whenever any pass-through entity has been allowed or granted an extension of time within which to file any federal report of its income for any taxable year, the due date for the filing of the report or return required by this article shall be extended to the date six months after such due date, or 30 days after the extended date for filing the federal report, whichever is later.*

B. *In addition, the Department may grant an extension or extensions of time not to exceed a maximum of six months beyond the due date required by this article for filing such pass-through entity return.*

§ 58.1-394.1. Failure of pass-through entity to make a return.

A. *Any pass-through entity that fails to file a return required by this article within the time required shall be liable for a penalty of \$200 if the failure is for not more than one month, with an additional \$200 for each additional month or fraction thereof during which such failure to file continues, not exceeding six months in the aggregate. In no case, however, shall the penalty be less than \$200.*

*B. If any pass-through entity's failure to file a return required by this article exceeds six months, the Department shall assess a penalty of six percent of the total amount of Virginia taxable income derived by its owners from the pass-through entity for the taxable year. The Department may determine such penalty from any information in its possession. The penalty assessed pursuant to this subsection shall be reduced by the penalty assessed pursuant to subsection A and any tax paid by the owners on their share of income from the pass-through entity for the taxable year.*

*C. The penalties set forth in this subsection shall be assessed and collected by the Department in the manner provided for the assessment and collection of taxes under this chapter or in a civil action, at the instance of the Department. In addition, such pass-through entity shall be compellable by mandamus to file such return.*

*§ 58.1-394.2. Fraudulent returns, etc., of pass-through entities; penalty.*

*A. Any officer or owner of any pass-through entity who makes a fraudulent return or statement with the intent of assisting or facilitating the evasion of the payment of the taxes prescribed by this chapter by the pass-through entity or an owner shall be liable for a penalty of not more than \$1,000, to be assessed and collected in the manner provided for the assessment and collection of taxes under this chapter or in a civil action, at the instance of the Department.*

*Pass-through entities may make written application to the Tax Commissioner for permission to file a statement of combined pass-through entity income attributable to nonresident owners and thereby relieve nonresident owners from filing individual nonresident returns. The application must state the reasons for seeking such permission. The Tax Commissioner, in his sole discretion, may, for good cause, grant permission to file a combined nonresident return upon such terms as he may determine.*

To the extent a subtraction is taken in accordance with this subdivision, no tax credit under this chapter for donating land for its preservation shall be allowed for three years following the year in which the subtraction is taken.

17. For taxable years beginning on and after January 1, 2001, any amount included therein with respect to § 58.1-440.1.

Part 1464 (Subpart C, §§ 1464.201 through 1464.205), by (a) tobacco farming businesses; (b) any business holding a tobacco marketing quota, or tobacco farm acreage allotment, under the Agricultural Adjustment Act of 1938; or (c) any business having the right to grow tobacco pursuant to such a quota allotment.

In no event shall indemnification payments made to owners of poultry who contract with poultry growers qualify for this subtraction.

20. For taxable years beginning on and after January 1, 2002, any gain recognized as a result of the Peanut Quota Buyout Program of the Farm Security and Rural Investment Act of 2002 pursuant to 7 C.F.R. Part 1412 (Subpart H, §§ 1412.801 through 1412.811) as follows:

b. If the payment is received in a single payment pursuant to 7 C.F.R. § 1412.807(a)(3), then 20 percent of the recognized gain may be subtracted. The taxpayer may then deduct an equal amount in each of the four succeeding taxable years.

D. Adjustments to federal taxable income shall be made to reflect the transitional modifications provided in § 58.1-315.

§ 58.1-415. When sales of tangible personal property deemed in the Commonwealth.

Sales of tangible personal property are in the Commonwealth if (i) such property is received in the Commonwealth by the purchaser, or (ii) *the property is shipped from an office, store, warehouse, factory, or place of storage in the Commonwealth; and the taxpayer is not taxable in the state of the purchaser.* In the case of delivery by common carrier or other means of transportation, the place at which such property is ultimately received after all transportation has been completed shall be considered as the place at which such property is received by the purchaser. Direct delivery in the Commonwealth, other than for purposes of transportation, to a person or firm designated by a purchaser, constitutes delivery to the purchaser in the Commonwealth, and direct delivery outside the Commonwealth to a person or firm designated by the purchaser does not constitute delivery to the purchaser in the Commonwealth, regardless of where title passes, or other conditions of sale.

§ 58.1-441. Reports by corporations.

A. Every corporation organized under the laws of the Commonwealth, or having income from Virginia sources, *other than a Subchapter S corporation subject to the return filing requirements of § 58.1-392,* shall make a report to the Department on or before the fifteenth day of the fourth month following the close of its taxable year. Such reports shall be made on forms prescribed by the Department and shall contain such information, including the gross receipts from any business carried on in the Commonwealth and a depreciation schedule of property used in such trade or business, as may be necessary for the proper enforcement of this chapter and be accompanied by a copy of any federal tax return or report filed for such taxable year. The Department shall not require any nonprofit organization created exclusively to assist a law-enforcement official or agency in apprehending and convicting perpetrators of crimes, to report on such returns, or otherwise, the names of individuals or amounts paid to such individuals by the organization for providing information about certain crimes.

Receivers, trustees in dissolution, trustees in bankruptcy, and assignees, operating the property or business of corporations must make returns of income for such corporations. If a receiver has full custody of and control over the business or property of a corporation, he shall be deemed to be operating such business or property, whether he is engaged in carrying on the business for which the corporation was organized or only in marshaling, selling, or disposing of its assets for purposes of liquidation.

B. Notwithstanding the provisions of subsection A, every organization to whom subdivision 5 of § 58.1-401 applies, and having unrelated business taxable income or other taxable income, shall make a report to the Department on or before the fifteenth day of the sixth month following the close of the organization's taxable year.

§ 58.1-603. Imposition of sales tax.

There is hereby levied and imposed, in addition to all other taxes and fees of every kind now imposed by law, a license or privilege tax upon every person who engages in the business of selling at retail or distributing tangible personal property in this Commonwealth, or who rents or furnishes any of the things or services taxable under this chapter, or who stores for use or consumption in this Commonwealth any item or article of tangible personal property as defined in this chapter, or who leases or rents such property within this Commonwealth, in the amount of ~~three~~four and one-half percent:

1. Of the gross sales price of each item or article of tangible personal property when sold at retail or distributed in this Commonwealth.

2. Of the gross proceeds derived from the lease or rental of tangible personal property, where the lease or rental of such property is an established business, or part of an established business, or the same is incidental or germane to such business.

1. Of the cost price of each item or article of tangible personal property used or consumed in this Commonwealth. Tangible personal property which has been acquired for use outside this Commonwealth

and subsequently becomes subject to the tax imposed hereunder shall be taxed on the basis of its cost price if such property is brought within this Commonwealth for use within six months of its acquisition; but if so brought within this Commonwealth six months or more after its acquisition, such property shall be taxed on the basis of the current market value (but not in excess of its cost price) of such property at the time of its first use within this Commonwealth. Such tax shall be based on such proportion of the cost price or current market value as the duration of time of use within this Commonwealth bears to the total useful life of such property (but it shall be presumed in all cases that such property will remain within this Commonwealth for the remainder of its useful life unless convincing evidence is provided to the contrary).

2. Of the cost price of each item or article of tangible personal property stored outside this Commonwealth for use or consumption in this Commonwealth.

3. A transaction taxed under § 58.1-603 shall not also be taxed under this section, nor shall the same transaction be taxed more than once under either section.

4. The use tax shall not apply with respect to the use of any article of tangible personal property brought into this Commonwealth by a nonresident individual, visiting in Virginia, for his personal use, while within this Commonwealth.

5. The use tax shall not apply to out-of-state mail order catalog purchases totaling \$100 or less during any calendar year.

§ 58.1-604.1. Use tax on motor vehicles, machinery, tools and equipment brought into Virginia for use in performing contracts.

In addition to the use tax levied pursuant to § 58.1-604 and notwithstanding the provisions of § 58.1-611, a use tax is levied upon the storage or use of all motor vehicles, machines, machinery, tools or other equipment brought, imported or caused to be brought into this Commonwealth for use in constructing, building or repairing any building, highway, street, sidewalk, bridge, culvert, sewer or water system, drainage or dredging system, railway system, reservoir or dam, hydraulic or power plant, transmission line, tower, dock, wharf, excavation, grading, or other improvement or structure, or any part thereof. The rate of tax is ~~three-four~~ and one-half percent on all tangible personal property except motor vehicles, which shall be taxed at the rate of ~~three-four and one-half~~ percent; aircraft, which shall be taxed at the rate of two percent; and watercraft, which shall be taxed at the rate of two percent with a maximum tax of \$1,000.

For purposes of this section the words "motor vehicle" means any vehicle which is self-propelled and designed primarily for use upon the highways, any vehicle which is propelled by electric power obtained from trolley wires but not operated upon rails, and any vehicle designed to run upon the highways which is pulled by a self-propelled vehicle, but shall not include any implement of husbandry, farm tractor, road construction or maintenance machinery or equipment, special mobile equipment or any vehicle designed primarily for use in work off the highway.

The tax shall be computed on the basis of such proportion of the original purchase price of such property as the duration of time of use in this Commonwealth bears to the total useful life thereof. For purposes of this section, the word "use" means use, storage, consumption and "stand-by" time occasioned by weather conditions, controversies or other causes. The tax shall be computed upon the basis of the relative time each item of equipment is in this Commonwealth rather than upon the basis of actual use. In the absence of satisfactory evidence as to the period of use intended in this Commonwealth, it will be presumed that such property will remain in this Commonwealth for the remainder of its useful life, which shall be determined in accordance with the experiences and practices of the building and construction trades.

A transaction taxed under §§ 58.1-604, 58.1-605, 58.1-1402, 58.1-1502, or § 58.1-2402 shall not also be taxed under this section, nor shall the same transaction be taxed more than once under any section.

§ 58.1-608.3. Entitlement to certain sales tax revenues.

A. As used in this section, the following words and terms have the following meanings, unless some other meaning is plainly intended:

"Bonds" means any obligations of a municipality for the payment of money.

“Cost,” as applied to any public facility or to extensions or additions to any public facility, includes: (i) the purchase price of any public facility acquired by the municipality or the cost of acquiring all of the capital stock of the corporation owning the public facility and the amount to be paid to discharge any obligations in order to vest title to the public facility or any part of it in the municipality; (ii) expenses incident to determining the feasibility or practicability of the public facility; (iii) the cost of plans and specifications, surveys and estimates of costs and of revenues; (iv) the cost of all land, property, rights, easements and franchises acquired; (v) the cost of improvements, property or equipment; (vi) the cost of engineering, legal and other professional services; (vii) the cost of construction or reconstruction; (viii) the cost of all labor, materials, machinery and equipment; (ix) financing charges; (x) interest before and during construction and for up to one year after completion of construction; (xi) start-up costs and operating capital; (xii) payments by a municipality of its share of the cost of any multi-jurisdictional public facility; (xiii) administrative expense; (xiv) any amounts to be deposited to reserve or replacement funds; and (xv) other expenses as may be necessary or incident to the financing of the public facility. Any obligation or expense incurred by the public facility in connection with any of the foregoing items of cost may be regarded as a part of the cost.

“Municipality” means any county, city, town, authority, commission, or other public entity.

“Public facility” means (i) any auditorium, coliseum, convention center, or conference center, which is owned by a Virginia county, city, town, authority, or other public entity and where exhibits, meetings, conferences, conventions, seminars, or similar public events may be conducted; (ii) any hotel which is owned by a foundation whose sole purpose is to benefit a state-supported university and which is attached to and is an integral part of such facility, together with any lands reasonably necessary for the conduct of the operation of such events; or (iii) any hotel which is attached to and is an integral part of such facility. However, such public facility must be located in a city with a population of at least 24,200 but no more than 24,500 as determined by the 1990 United States Census, at least 50,000 but no more than 52,500, at least 95,000 but no more than 105,000, or at least 130,000 but no more than 135,000. Any property, real, personal, or mixed, which is necessary or desirable in connection with any such auditorium, coliseum, convention center, or conference center, including, without limitation, facilities for food preparation and serving, parking facilities, and administration offices, is encompassed within this definition. However, structures commonly referred to as “shopping centers” or “malls” shall not constitute a public facility hereunder. In addition, only a new public facility, or a public facility which will undergo a substantial and significant renovation or expansion, shall be eligible under subsection B of this section. A new public facility is one whose construction began after December 31, 1991. A substantial and significant renovation entails a project whose cost is at least fifty percent of the original cost of the facility being renovated and shall have begun after December 31, 1991. A substantial and significant expansion entails an increase in floor space of at least fifty percent over that existing in the preexisting facility and shall have begun after December 31, 1991.

“Sales tax revenues” means such tax collections realized under the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.) of Title 58.1, as limited herein. “Sales tax revenues” does not include the revenue generated by the one-half percent sales and use tax increase enacted by the 1986 Special Session of the General Assembly which shall be paid to the Transportation Trust Fund as defined in § 33.1-23.03:1 as *computed pursuant to subsection A of § 58.1-638*, nor shall it include the one percent of the state sales and use tax revenue distributed among the counties and cities of the Commonwealth pursuant to § 58.1-638 D on the basis of school age population. *Sales tax revenues shall also not include the revenue generated by the one percent sales and use tax increase enacted by the 2004 Session of the General Assembly.*

B. Any municipality which has issued bonds (i) after December 31, 1991, but before January 1, 1996, (ii) on or after January 1, 1998, but before July 1, 1999, (iii) on or after January 1, 1999, but before July 1, 2001, (iv) on or after July 1, 2000, but before July 1, 2003, or (v) on or after July 1, 2001, but before July 1, 2004, to pay the cost, or portion thereof, of any public facility shall be entitled to all sales tax revenues generated by transactions taking place in such public facility. Such entitlement shall continue for the lifetime of such bonds, which entitlement shall not exceed ~~thirty~~ 30 years, and all such sales tax revenues shall be applied to repayment of the bonds. The State Comptroller shall remit such

sales tax revenues to the municipality on a quarterly basis, subject to such reasonable processing delays as may be required by the Department of Taxation to calculate the actual net sales tax revenues derived from the public facility. The State Comptroller shall make such remittances to eligible municipalities, as provided herein, notwithstanding any provisions to the contrary in the Virginia Retail Sales and Use Tax Act (§ 58.1-600 et seq.). No such remittances shall be made until construction is completed and, in the case of a renovation or expansion, until the governing body of the municipality has certified that the renovation or expansion is completed.

C. Nothing in this section shall be construed as authorizing the pledging of the faith and credit of the Commonwealth of Virginia, or any of its revenues, for the payment of any bonds. Any appropriation made pursuant to this section shall be made only from sales tax revenues derived from the public facility for which bonds may have been issued to pay the cost, in whole or in part, of such public facility.

For the purposes of this section, the term "natural gas" shall mean "gas," "natural gas," and "coalbed methane gas" as defined in § 45.1-361.1. For the purposes of this section, "drilling," "extraction," "refining," and "processing" shall include production, inspection, testing, dewatering, dehydration, or distillation of raw natural gas into a usable condition consistent with commercial practices, and the gathering and transportation of raw natural gas to a facility wherein the gas is converted into such a usable condition. C. As used in this section, "food purchased for human consumption" has the same meaning as "food" defined in the Food Stamp Act of 1977, 7 U.S.C. § 2012, as amended, and federal regulations adopted pursuant to that Act, except it shall not include seeds and plants which produce food for human consumption. For the purpose of this section, "food purchased for human consumption" shall not include food sold by any retail establishment where the gross receipts derived from the sale of food prepared by such retail establishment for immediate consumption on or off the premises of the retail establishment constitutes more than 80 percent of the total gross receipts of that retail establishment, including but not limited to motor fuel purchases, regardless of whether such prepared food is consumed on the premises of that retail establishment. E. The provisions of this section shall not be applicable to any dealer who fails to maintain records satisfactory to the Tax Commissioner. A dealer making sales of tangible personal property through vending machines shall obtain a certificate of registration under § 58.1-613 in relevant form for each county or city in which he has machines.

§ 58.1-615. Returns by dealers.

A. Every dealer required to collect or pay the sales or use tax shall, on or before the twentieth day of the month following the month in which the tax shall become effective, transmit to the Tax Commissioner a return showing the gross sales, gross proceeds, or cost price, as the case may be, arising from all transactions taxable under this chapter during the preceding calendar month, and thereafter a like return shall be prepared and transmitted to the Tax Commissioner by every dealer on or before the twentieth day of each month, for the preceding calendar month. In the case of dealers regularly keeping books and accounts on the basis of an annual period ~~which that varies fifty-two~~ 52 to ~~fifty-three~~ 53 weeks, the Tax Commissioner may make rules and regulations for reporting consistent with such accounting period.

Notwithstanding any other provision of this chapter, a dealer may be required by the Tax Commissioner to file sales or use tax returns on an accounting period less frequent than monthly when, in the opinion of the Tax Commissioner, the administration of the taxes imposed by this chapter would be enhanced. If a dealer is required to file other than monthly, each such return shall be due on or before the twentieth day of the month following the close of the period. Each such return shall contain all information required for monthly returns.

A sales or use tax return shall be filed by each registered dealer even though the dealer is not liable to remit to the Tax Commissioner any tax for the period covered by the return.

B. 1. In addition to the amounts required under the provisions of this section and § 58.1-616, any dealer as defined by § 58.1-612 or direct payment permit holder pursuant to § 58.1-624, with taxable sales and purchases of \$1,300,000 or greater for the ~~twelve~~ 12-month period beginning July 1, and ending June 30 of the immediately preceding calendar year, shall be required to make a payment equal to 90 percent of the sales and use tax liability for the previous June. Such tax payments shall be made on or before the 30th day of June, if payment is made by electronic funds transfer, as defined in § 58.1-202.1. If payment is made by other than electronic funds transfer, such payment shall be made on or before the ~~25th~~ twenty-fifth day of June. For purposes of this provision, taxable sales or purchases shall be computed without regard to the number of certificates of registration held by the dealer. Every dealer or direct payment permit holder shall be entitled to a credit for the payment under this subsection on the return for

June of the current year due July 20. The provisions of this subsection shall not apply to persons who are required to file only a Form ST-7, Consumer User Tax Return.

2. In lieu of the penalties provided in § 58.1-635, except with respect to fraudulent returns, failure to make a timely payment or full payment of the sales and use tax liability as provided in this subsection shall subject the dealer or direct payment permit holder to a penalty of six percent of the amount of tax underpayment that should have been properly paid to the Tax Commissioner. Interest will accrue as provided in § 58.1-15. The payment required by this subsection shall become delinquent on the first day following the due date set forth in this subsection if not paid.

3. *This subsection shall be effective until June 1, 2005.*

§ 58.1-627. Bracket system for tax at rate of four and one-half percent.

The following brackets of prices shall be used for the collection of the tax imposed by this chapter:

If a dealer can show to the satisfaction of the Tax Commissioner that more than ~~eighty-five~~ 85 percent of the total dollar volume of his gross taxable sales during the taxable month was from individual sales at prices of ~~ten~~ 10 cents or less each, and that he was unable to adjust his prices in such manner as to prevent the economic incidence of the sales tax from falling on him, the Tax Commissioner shall determine the proper tax liability of the dealer based on that portion of the dealer's gross taxable sales which was from sales at prices of eleven cents or more.

§ 58.1-628. Bracket system for combined state and local tax.

The following brackets of prices shall be used for the collection of the combined state and local tax:

4.64 to 4.81 26¢ tax  
4.82 to 5.00 27¢ tax

On transactions ~~over five dollars~~ greater than \$5, the tax shall be computed at ~~four~~ five and one-half percent, one half cent or more being treated as one cent. The foregoing bracket system shall not relieve the dealer from the duty and liability to remit an amount equal to ~~four~~ five and one-half percent of his gross taxable sales as provided in this chapter. If the dealer, however, can show to the satisfaction of the Tax Commissioner that more than ~~eighty five~~ 85 percent of the total dollar volume of his gross taxable sales during the taxable month was from individual sales at prices of ~~ten~~ 10 cents or less each and that he was unable to adjust his prices in such manner as to prevent the economic incidence of the sales tax from falling on him, the Tax Commissioner shall determine the proper tax liability of the dealer based on that portion of the dealer's gross taxable sales which was from sales at prices of ~~eleven~~ 11 cents or more.

§ 58.1-638. Disposition of state sales and use tax revenue; localities' share; Game Protection Fund.

A. The Comptroller shall designate a specific revenue code number for all the state sales and use tax revenue collected under the preceding sections of this chapter.

1. The sales and use tax revenue generated by the one-half percent sales and use tax increase enacted by the 1986 Special Session of the General Assembly, *computed without regard to revenues generated from sales and use taxes on food purchased for human consumption as defined in § 58.1-611.1*, shall be paid, in the manner hereinafter provided in this section, to the Transportation Trust Fund as defined in § 33.1-23.03:1. Of the funds paid to the Transportation Trust Fund, an aggregate of 4.2 percent shall be set aside as the Commonwealth Port Fund as provided in this section; an aggregate of 2.4 percent shall be set aside as the Commonwealth Airport Fund as provided in this section; and an aggregate of 14.5 percent in fiscal year 1998-1999 and 14.7 percent in fiscal year 1999-2000 and thereafter shall be set aside as the Commonwealth Mass Transit Fund as provided in this section. The Fund's share of such net revenue shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

2. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Port Fund.

a. The Commonwealth Port Fund shall be established on the books of the Comptroller and the funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall remain in the Fund and be credited to it. Funds may be paid to any authority, locality or commission for the purposes hereinafter specified.

b. The amounts allocated pursuant to this section shall be allocated by the Commonwealth Transportation Board to the Board of Commissioners of the Virginia Port Authority to be used to support

port capital needs and the preservation of existing capital needs of all ocean, river, or tributary ports within the Commonwealth.

c. Commonwealth Port Fund revenue shall be allocated by the Board of Commissioners to the Virginia Port Authority in order to foster and stimulate the flow of maritime commerce through the ports of Virginia, including but not limited to the ports of Richmond, Hopewell and Alexandria.

3. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be part of the Transportation Trust Fund and which shall be known as the Commonwealth Airport Fund. The Commonwealth Airport Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of a biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on the funds shall be credited to the Fund. The funds so allocated shall be allocated by the Commonwealth Transportation Board to the Virginia Aviation Board. The funds shall be allocated by the Virginia Aviation Board to any Virginia airport which is owned by the Commonwealth, a governmental subdivision thereof, or a private entity to which the public has access for the purposes enumerated in § 5.1-2.16, or is owned or leased by the Metropolitan Washington Airports Authority (MWAA), as follows:

Any new funds in excess of \$12.1 million which are available for allocation by the Virginia Aviation Board from the Commonwealth Transportation Fund, shall be allocated as follows: sixty percent to MWAA, up to a maximum annual amount of two million dollars, and forty percent to air carrier airports as provided in subdivision A 3 a. Except for adjustments due to changes in enplaned passengers, no air carrier airport sponsor, excluding MWAA, shall receive less funds identified under subdivision A 3 a than it received in fiscal year 1994-1995.

Of the remaining amount:

a. Forty percent of the funds shall be allocated to air carrier airports, except airports owned or leased by MWAA, based upon the percentage of enplanements for each airport to total enplanements at all air carrier airports, except airports owned or leased by MWAA. No air carrier airport sponsor, however, shall receive less than \$50,000 nor more than \$2 million per year from this provision.

b. Forty percent of the funds shall be allocated by the Aviation Board for air carrier and reliever airports on a discretionary basis, except airports owned or leased by MWAA.

c. Twenty percent of the funds shall be allocated by the Aviation Board for general aviation airports on a discretionary basis.

4. There is hereby created in the Department of the Treasury a special nonreverting fund which shall be a part of the Transportation Trust Fund and which shall be known as the Commonwealth Mass Transit Fund.

a. The Commonwealth Mass Transit Fund shall be established on the books of the Comptroller and any funds remaining in such Fund at the end of the biennium shall not revert to the general fund but shall remain in the Fund. Interest earned on such funds shall be credited to the Fund. Funds may be paid to any local governing body, transportation district commission, or public service corporation for the purposes hereinafter specified.

b. The amounts allocated pursuant to this section shall be used to support the public transportation administrative costs and the costs borne by the locality for the purchase of fuels, lubricants, tires and maintenance parts and supplies for public transportation at a state share of ~~eighty~~ 80 percent in 2002 and ~~ninety five~~ 95 percent in 2003 and succeeding years. These amounts may be used to support up to ~~ninety five~~ 95 percent of the local or nonfederal share of capital project costs for public transportation and ridesharing equipment, facilities, and associated costs. Capital costs may include debt service payments on local or agency transit bonds. The term "borne by the locality" means the local share eligible for state assistance consisting of costs in excess of the sum of fares and other operating revenues plus federal assistance received by the locality.

c. Commonwealth Mass Transit Fund revenue shall be allocated by the Commonwealth Transportation Board as follows:

(1) Funds for special programs, which shall include ridesharing, experimental transit, and technical assistance, shall not exceed 1.5 percent of the Fund.

(2) The Board may allocate these funds to any locality or planning district commission to finance up to eighty percent of the local share of all costs associated with the development, implementation, and continuation of ridesharing programs.

(3) Funds allocated for experimental transit projects may be paid to any local governing body, transportation district commission, or public corporation or may be used directly by the Department of Rail and Public Transportation for the following purposes:

(a) To finance up to ~~ninety-five~~95 percent of the capital costs related to the development, implementation and promotion of experimental public transportation and ridesharing projects approved by the Board.

(b) To finance up to ~~ninety-five~~95 percent of the operating costs of experimental mass transportation and ridesharing projects approved by the Board for a period of time not to exceed twelve months.

(c) To finance up to ~~ninety-five~~95 percent of the cost of the development and implementation of any other project designated by the Board where the purpose of such project is to enhance the provision and use of public transportation services.

d. Funds allocated for public transportation promotion and operation studies may be paid to any local governing body, planning district commission, transportation district commission, or public transit corporation, or may be used directly by the Department of Rail and Public Transportation for the following purposes and aid of public transportation services:

(1) At the approval of the Board to finance a program administered by the Department of Rail and Public Transportation designed to promote the use of public transportation and ridesharing throughout Virginia.

(2) To finance up to ~~fifty~~50 percent of the local share of public transportation operations planning and technical study projects approved by the Board.

e. At least 73.5 percent of the Fund shall be distributed to each transit property in the same proportion as its operating expenses bear to the total statewide operating expenses and shall be spent for the purposes specified in subdivision 4 b.

f. The remaining ~~twenty-five~~25 percent shall be distributed for capital purposes on the basis of ~~ninety-five~~95 percent of the nonfederal share for federal projects and ~~ninety-five~~95 percent of the total costs for nonfederal projects. In the event that total capital funds available under this subdivision are insufficient to fund the complete list of eligible projects, the funds shall be distributed to each transit property in the same proportion that such capital expenditure bears to the statewide total of capital projects.

g. There is hereby created in the Department of the Treasury a special nonreverting fund known as the Commonwealth Transit Capital Fund. The Commonwealth Transit Capital Fund shall be part of the Commonwealth Mass Transit Fund. The Commonwealth Transit Capital Fund subaccount shall be established on the books of the Comptroller and consist of such moneys as are appropriated to it by the General Assembly and of all donations, gifts, bequests, grants, endowments, and other moneys given, bequeathed, granted, or otherwise made available to the Commonwealth Transit Capital Fund. Any funds remaining in the Commonwealth Transit Capital Fund at the end of the biennium shall not revert to the general fund, but shall remain in the Commonwealth Transit Capital Fund. Interest earned on funds within the Commonwealth Transit Capital Fund shall remain in and be credited to the Commonwealth Transit Capital Fund. Proceeds of the Commonwealth Transit Capital Fund may be paid to any political subdivision, another public entity created by an act of the General Assembly, or a private entity as defined in § 56-557 and for purposes as enumerated in subdivision 4c of § 33.1-269 or expended by the Department of Rail and Public Transportation for the purposes specified in this subdivision. Revenues of the Commonwealth Transit Capital Fund shall be used to support capital expenditures involving the establishment, improvement, or expansion of public transportation services through specific projects approved by the Commonwealth Transportation Board. Projects financed by the Commonwealth Transit Capital Fund shall receive local, regional or private funding for at least ~~twenty~~20 percent of the nonfederal share of the total project cost.

5. Funds for Metro shall be paid by the Northern Virginia Transportation Commission (NVTC) to the Washington Metropolitan Area Transit Authority (WMATA) and be a credit to the Counties of Arlington and Fairfax and the Cities of Alexandria, Falls Church and Fairfax in the following manner:

a. Local obligations for debt service for WMATA rail transit bonds apportioned to each locality using WMATA's capital formula shall be paid first by NVTC. NVTC shall use ~~ninety-five~~95 percent state aid for these payments.

b. The remaining funds shall be apportioned to reflect WMATA's allocation formulas by using the related WMATA-allocated subsidies and relative shares of local transit subsidies. Capital costs shall include twenty percent of annual local bus capital expenses. Hold harmless protections and obligations for NVTC's jurisdictions agreed to by NVTC on November 5, 1998, shall remain in effect.

Appropriations from the Commonwealth Mass Transit Fund are intended to provide a stable and reliable source of revenue as defined by Public Law 96-184.

B. The sales and use tax revenue generated by a one percent sales and use tax shall be distributed among the counties and cities of this Commonwealth in the manner provided in subsections C and D.

C. The localities' share of the net revenue distributable under this section among the counties and cities shall be apportioned by the Comptroller and distributed among them by warrants of the Comptroller drawn on the Treasurer of Virginia as soon as practicable after the close of each month during which the net revenue was received into the state treasury. The distribution of the localities' share of such net revenue shall be computed with respect to the net revenue received into the state treasury during each month, and such distribution shall be made as soon as practicable after the close of each such month.

D. The net revenue so distributable among the counties and cities shall be apportioned and distributed upon the basis as certified to the Comptroller by the Department of Education, of the number of children in each county and city according to the most recent statewide census of school population taken by the Department of Education pursuant to § 22.1-284, as adjusted in the manner hereinafter provided. No special school population census, other than a statewide census, shall be used as the basis of apportionment and distribution except that in any calendar year in which a statewide census is not reported, the Department of Education shall adjust such school population figures by the same percent of annual change in total population estimated for each locality by The Center for Public Service. The revenue so apportionable and distributable is hereby appropriated to the several counties and cities for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, which shall be considered as funds raised from local resources. In any county, however, wherein is situated any incorporated town constituting a school division, the county treasurer shall pay into the town treasury for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, the proper proportionate amount received by him in the ratio that the school population of such town bears to the school population of the entire county. If the school population of any city or of any town constituting a school division is increased by the annexation of territory since the last preceding school population census, such increase shall, for the purposes of this section, be added to the school population of such city or town as shown by the last such census and a proper reduction made in the school population of the county or counties from which the annexed territory was acquired.

E. Beginning July 1, 2000, of the remaining sales and use tax revenue, the revenue generated by a two percent sales and use tax, up to an annual amount of \$13 million, collected from the sales of hunting equipment, auxiliary hunting equipment, fishing equipment, auxiliary fishing equipment, wildlife-watching equipment, and auxiliary wildlife-watching equipment in Virginia, as estimated by the most recent U.S. Department of the Interior, Fish and Wildlife Service and U.S. Department of Commerce, Bureau of the Census National Survey of Fishing, Hunting, and Wildlife-Associated Recreation, shall be paid into the Game Protection Fund established under § 29.1-101 and shall be used, in part, to defray the cost of law enforcement. Not later than ~~thirty~~30 days after the close of each quarter, the Comptroller shall transfer to the Game Protection Fund the appropriate amount of collections to be dedicated to such Fund. At any time that the balance in the Capital Improvement Fund, established under § 29.1-101.1, is equal to or in excess of \$35 million, any portion of sales and use tax revenues that would have been transferred to the Game Protection Fund, established under § 29.1-101, in excess of the net

operating expenses of the Board, after deduction of other amounts which accrue to the Board and are set aside for the Game Protection Fund, shall remain in the general fund until such time as the balance in the Capital Improvement Fund is less than \$35 million.

*F. Beginning July 1, 2004, of the revenue generated by a one percent sales and use tax, pursuant to enactments of the 2004 Session of the General Assembly increasing the state sales and use tax to four and one-half percent, in each fiscal year, unless otherwise provided in the general appropriation act, the Comptroller shall transfer \$30 million to the Virginia Natural and Historic Resources Fund established under § 10.1-2135. To accomplish such transfer, beginning with the Commonwealth's fiscal year starting on July 1, 2004, the Comptroller shall transfer \$15 million in December and \$15 million in June of each fiscal year to the Virginia Natural and Historic Resources Fund.*

**FG.** If errors are made in any distribution, or adjustments are otherwise necessary, the errors shall be corrected and adjustments made in the distribution for the next quarter or for subsequent quarters.

**GH.** The term "net revenue," as used in this section, means the gross revenue received into the general fund or the Transportation Trust Fund of the state treasury under the preceding sections of this chapter, less refunds to taxpayers.

§ 58.1-639. Transitional provisions.

A. To the extent of any increase in the state sales and use tax rate enacted by the ~~1986 Special~~ 2004 Session of the Virginia General Assembly, the Tax Commissioner, upon application of the purchaser in accordance with regulations promulgated by the Commissioner, shall have the authority to refund state sales or use taxes paid on purchases of tangible personal property made pursuant to bona fide real estate construction contracts, contracts for the sale of tangible personal property, and leases, provided that the real estate construction contract, contract for the sale of tangible personal property or lease is entered into prior to the date of enactment of the increase of the state sales and use tax rate; and further provided that the date of delivery of the tangible personal property is on or before ~~March 30, 1987~~ September 30, 2004. The term "bona fide contract," when used in this section in relation to real estate construction contracts, shall include but not be limited to those contracts which are entered into prior to the enactment of the increase in the state sales and use tax rate, provided that such contracts include plans and specifications.

B. Notwithstanding the foregoing ~~March 30, 1987~~ September 30, 2004, delivery date requirement, with respect to bona fide real estate construction contracts which contain a specific and stated date of completion, the date of delivery of such tangible personal property shall be on or before the completion date of the applicable project.

C. Applications for refunds pursuant to this section shall be made in accordance with the provisions of § 58.1-1823. Interest computed in accordance with § 58.1-1833 shall be added to the tax refunded pursuant to this section.

§ 58.1-801. Deeds generally; charter amendments.

A. On every deed admitted to record, except a deed exempt from taxation by law, there is hereby levied a state recordation tax. The rate of the tax shall be ~~fifteen~~ 30 cents on every \$100 or fraction thereof of the consideration of the deed or the actual value of the property conveyed, whichever is greater.

Upon deeds conveying property lying partly within the Commonwealth and partly without the Commonwealth, the tax herein imposed shall apply only to the value of so much of the property conveyed as is situated within the Commonwealth.

B. When the charter of a corporation is amended, and the only effect of such amendment is to change the corporate name of such corporation, the tax upon the recordation of a deed conveying to, or vesting in, such corporation under its changed name, the title to any or all of the real or personal property of such corporation held in its name as it existed immediately prior to such amendment, shall be fifty cents.

§ 58.1-803. Deeds of trust or mortgages; maximum tax.

A. A recordation tax on deeds of trust or mortgages is hereby imposed at a rate of ~~15¢~~ 30 cents on every \$100 or portion thereof of the amount of bonds or other obligations secured thereby. In the event of an open or revolving deed of trust, the amount of the obligation for purposes of this section shall be the maximum amount which may be outstanding at any one time. In any case in which the amount which may be secured under a deed of trust or mortgage is not ascertainable, the tax shall be based upon the fair

market value of the property conveyed, determined as of the date of the deed of trust or mortgage. The fair market value of the property shall include the value of any realty required by the terms of the deed of trust or mortgage to be constructed thereon.

B. On deeds of trust or mortgages upon the works and property of a railroad lying partly within the Commonwealth and partly without the Commonwealth, the tax shall be only upon such proportion of the amount of bonds, or other obligations secured thereby, as the number of miles of the line of such company in the Commonwealth bears to the whole number of miles of the line of such company conveyed by such deed of trust or mortgage.

Upon deeds of trust or mortgages conveying other property lying partly within the Commonwealth and partly without the Commonwealth the tax herein imposed shall be only upon such proportion of the debt secured as the value of the property located within the Commonwealth, or which may be brought into the Commonwealth, bears to the entire amount of property conveyed by such deed of trust or mortgage.

C. On deeds of trust or mortgages, which provide for an initial issue of bonds, to be followed thereafter by additional bonds, unlimited in amount, if such deed of trust or mortgage provides that as and when such additional bonds are issued a supplemental indenture shall be recorded in the office in which the original deed of trust or mortgage is first recorded, which supplement shall contain a statement as to the amount of the additional bonds to be issued, then the tax shall be paid upon the initial amount of bonds when the original deed of trust is recorded and thereafter on each additional amount of bonds when the supplemental indenture relating to such additional bonds is recorded.

On deeds of trust or mortgages which are supplemental to or wrap around existing deeds of trust on which the tax imposed hereunder has already been paid, the tax shall be paid only on that portion of the face amount of the bond or obligation secured thereby which is in addition to the amount of the existing debt secured by a deed of trust or mortgage on which tax has been paid. The instrument shall certify the amount of the existing debt.

D. On deeds of trust or mortgages, the purpose of which is to refinance or modify the terms of an existing debt with the same lender, which debt is secured by a deed of trust or mortgage on which the tax imposed hereunder has been paid, the tax shall be paid only on that portion of the amount of the bond or other obligation secured thereby which is in addition to the amount of the original debt secured by a deed of trust or mortgage on which the tax has been paid. The instrument shall certify the amount of original debt.

E. The maximum tax on the recordation of any deed of trust or mortgage or on any indenture supplemental thereto shall be determined in accordance with the following schedule:

On the first 10 million dollars of value as determined pursuant to this section, ~~15¢~~ 30 cents upon every \$100 or portion thereof;

On the next 10 million dollars of value as determined pursuant to this section, ~~12¢~~ 27 cents upon every \$100 or portion thereof;

On the next 10 million dollars of value as determined pursuant to this section, ~~9¢~~ 24 cents upon every \$100 or portion thereof;

On the next 10 million dollars of value as determined pursuant to this section, ~~6¢~~ 21 cents upon every \$100 or portion thereof; and

On all over 40 million dollars of value as determined pursuant to this section, ~~3¢~~ 18 cents upon every \$100 or portion thereof, incorporated into this section.

§ 58.1-807. Contracts generally; leases.

A. Except as hereinafter provided, on every contract or memorandum thereof relating to real or personal property admitted to record, a recordation tax is hereby levied at the rate of ~~fifteen~~ 30 cents on every \$100 or fraction thereof of the consideration or value contracted for.

B. The recordation of a deed of lease for a term of years, or assignment of the lessee's interest therein, or memorandum thereof, shall be taxed according to the provisions of this section, unless provided otherwise in § 58.1-809 or unless the annual rental, multiplied by the term for which the lease runs, or remainder thereof, equals or exceeds the actual value of the property leased. In such cases the tax

for recording the deed of lease shall be based upon the actual value of the property at the date of lease, including the value of any realty required by the terms of the lease to be constructed thereon by the lessor.

C. The recordation of an assignment of the lessor's interest in a lease, or memorandum thereof, shall be taxed according to the provisions of this section, unless the assignment of the lessor's interest in the lease is to provide additional security for an obligation of the lessor on which the tax has been previously paid, or the assignment of the lessor's interest is made to the person who owns the property which is subject to the lease. In such cases there shall be no tax for recording the lessor's assignment of the lease.

E. In the case of any distribution to a county or city in which an office sharing agreement pursuant to §§ 15.2-1637 and 15.2-3822 is in effect, the Comptroller shall divide the distribution among the office sharing counties and cities. Each clerk of the court acting pursuant to an office sharing agreement shall certify to the Comptroller, within fifteen days after the end of the quarter, all amounts collected under §§ 58.1-801 through 58.1-809 and actually paid into the state treasury which are attributable to deeds and other instruments recorded on behalf of each county and city.

§ 58.1-3833. County food and beverage tax.

A. Any county is hereby authorized to levy a tax on food and beverages sold, for human consumption, by a restaurant, as such term is defined in subdivision 9 of § 35.1-1, not to exceed ~~eight and one-half percent, when added to the state and local general sales and use tax,~~ *four percent* of the amount charged for such food and beverages. Such tax shall not be levied on food and beverages sold through vending machines or by any person described in subdivisions 1, 2, 3, and 5 of § 35.1-25, as well as nonprofit cafeterias in public schools, nursing homes, and hospitals. Grocery stores and convenience stores selling prepared foods ready for human consumption at a delicatessen counter shall be subject to the tax, for that portion of the grocery store or convenience store selling such items.

This tax shall be levied only if the tax is approved in a referendum within the county which shall be held in accordance with § 24.2-684 and initiated either by a resolution of the board of supervisors or on the filing of a petition signed by a number of registered voters of the county equal in number to 10 percent of the number of voters registered in the county, as appropriate on January 1 of the year in which the petition is filed with the court of such county. The clerk of the circuit court shall publish notice of the election in a newspaper of general circulation in the county once a week for three consecutive weeks prior to the election. If the voters affirm the levy of a local meals tax, the tax shall be effective in an amount and on such terms as the governing body may by ordinance prescribe. If such resolution of the board of supervisors or such petition states for what projects and/or purposes the revenues collected from the tax are to be used, then the question on the ballot for the referendum shall include language stating for what projects and/or purposes the revenues collected from the tax are to be used.

The term "beverage" as set forth herein shall mean alcoholic beverages as defined in § 4.1-100 and nonalcoholic beverages served as part of a meal. The tax shall be in addition to the sales tax currently imposed by the county pursuant to the authority of Chapter 6 (§ 58.1-600 et seq.) of this title. Collection of such tax shall be in a manner prescribed by the governing body.

B. Notwithstanding the provisions of subsection A of this section, any county with a population of at least 70,000 but no more than 100,000, any county with a population of at least 17,910 but no more than 18,000, any county with a population of at least 34,000 but no more than 34,400, and any county having a county manager plan of government are hereby authorized to levy a tax on food and beverages sold for human consumption by a restaurant, as such term is defined in § 35.1-1 and as modified in subsection A above and subject to the same exemptions, not to exceed four percent of the amount charged for such food and beverages, provided that the governing body of the respective county holds a public hearing before adopting a local food and beverage tax, and the governing body by unanimous vote adopts such tax by local ordinance. The tax shall be effective in an amount and on such terms as the governing body may by ordinance prescribe.

C. Nothing herein contained shall affect any authority heretofore granted to any county, city or town to levy a meals tax. The county tax limitations imposed pursuant to § 58.1-3711 shall apply to any tax levied under this section, mutatis mutandis. All food and beverage tax collections and all meals tax collections shall be deemed to be held in trust for the county, city or town imposing the applicable tax. The wrongful and fraudulent use of such collections other than remittance of the same as provided by law shall constitute embezzlement pursuant to § 18.2-111.

D. No county which has heretofore adopted an ordinance pursuant to subsection A of this section shall be required to submit an amendment to its meals tax ordinance to the voters in a referendum.

E. Notwithstanding any other provision of this section, no locality shall levy any tax under this section upon alcoholic beverages sold in factory sealed containers and purchased for off-premises consumption or food purchased for human consumption as "food" is defined in the Food Stamp Act of 1977, 7 U.S.C. § 2012, as amended, and federal regulations adopted pursuant to that act, except for the following items: sandwiches, salad bar items sold from a salad bar, prepackaged single-serving salads consisting primarily of an assortment of vegetables, and nonfactory sealed beverages.

3. That of the net additional revenues generated by the increases in the taxes under §§ 58.1-801, 58.1-803, 58.1-807, and 58.1-808 of the Code of Virginia pursuant to the second enactment of this act, supplemental deposits to the Revenue Stabilization Fund under § 2.2-1828 of the Code of Virginia shall be made as specified in the Appropriation Act.

4. That the amendments to § 58.1-2402 of the Code of Virginia pursuant to the second enactment of this act shall be applicable only to sales and rentals of motor vehicles occurring on or after July 1, 2004.

5. That the tenth enactment of Chapters 1019 and 1044 of the Acts of Assembly of the 2000 Session of the General Assembly is repealed.

6. That the provisions of the first enactment of this act shall expire midnight on June 30, 2006. The provisions of all other enactments shall have no expiration date.

## WEDNESDAY, MARCH 3, 2004

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

Rabbi Michael Panitz, Temple Israel, Norfolk, Virginia, offered the following prayer:

Dear God, by many names do we know You, each of us proceeding from his or her own cultural framework; but beyond all the names, You are One; beyond what human tongue can utter, You are the Creator giving us the ability to call upon You.

We are grateful that You bless us every day. Today, we especially call to mind the blessings of empathy and altruism that You have implanted in our hearts. You have given us the ability to reach out beyond the prison of personal demands, and to connect with our brothers and sisters. We believe that, as Father of us all, You must be pleased when we treat each other as kin.

When we look around the world, we see so many states perilously perched on the brink of anarchy, so many societies struggling to establish the basic guarantees of freedom from violence, fear and want. We are sobered by the realization that civility is so thin a crust over the volcano of human emotions.

Let us always prize our democratic accomplishment in these United States of America, and in this Commonwealth of Virginia. Here, in this very chamber, we can join together and argue strenuously about our common future, all the while, remaining committed to peaceful and constructive action to build our common future. This is a glorious achievement, still a rare jewel in human affairs, and one for which we must always thank You.

Bless us, O Lord, with the ability to forge agreements, and to tolerate disagreements, based on the knowledge that all of us are Your children. Amen.

The roll was called and the following Senators answered to their names:

Bell, Blevins, Bolling, Chichester, Colgan, Cuccinelli, Deeds, Devolites, Edwards, Hanger, Hawkins, Houck, Howell, Lambert, Locke, Lucas, Marsh, Martin, Miller, Mims, Newman, Norment, Obenshain, O'Brien, Potts, Puckett, Puller, Quayle, Rerras, Reynolds, Ruff, Saslaw, Stolle, Stosch, Ticer, Wagner, Wampler, Watkins, Whipple, Williams.

## FRIDAY, MARCH 5, 2004

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Tom Edwards, Lebanon Baptist Church, Lebanon, Virginia, offered the following prayer:

Sovereign God and gracious Creator, we thank You for the privilege of bowing hearts and heads before You today and we are mindful that not our hearers, but You O God are the audience of our prayer. Thank You for Governor Warner and each legislator. We pray that they may each receive from Your hand blessings of physical health and godly wisdom to fulfill their appointed tasks. Please bless them with a heart to reverence You and to seek Your wisdom as they make decisions which are at times difficult and complicated. And grant them the courage and moral fortitude to choose the right even when it is unpopular.

Lord, thank You for these legislators' families. Their spouses, children, and loved ones sacrifice precious time with them in order that they may carry out the business of our state government. Lord, bless their time together when they are reunited. Make their marriages strong. Bless their children. Encourage them as they live under the relentless and sometimes cruel scrutiny of the public eye.

Lord, guide each person here in the decisions they make and the votes they cast on this and other days. May the decisions that go forth from these halls receive Your approval and blessing today and may those decisions be such that they will never be ashamed when standing to give account before You one day.

In the name of Jesus we pray. Amen.

## MONDAY, MARCH 8, 2004

The Senate met at 12 m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Timothy P. McConnell, United States Army Reserves, Charlottesville, Virginia, offered the following prayer:

Almighty God, Creator of all and our Father in Heaven, as we gather in this house of government we give You praise as Lord of all nations. Your mercy and love are not limited to one people, and Your authority and power are not bound by borders. Lord, we ask for Your blessing on every nation, and particularly we ask You to bless the United States of America, our leaders, and our Commonwealth for which we are so grateful.

We give You thanks, Heavenly Father, for the ways that we see Your grace and mercy breaking through in the darkest corners of our world. Thank You for the successful signing of the interim constitution in Iraq—may freedom thrive there as a gift to every man, woman, and child. We thank You that our freedoms thrive here in Virginia. Help us never to take them for granted.

Lord, we particularly pray this day for the members of our Commonwealth who have left home and family to defend our national interests abroad, and to fight against oppression and tyranny in the world. We pray for the members of our Virginia National Guard, and for all the Active Duty and Reserve servicemen and women under Your care. Bless them with strength and courage, guard their families while they are away, and go before them with Your mighty hand of protection. Lord, in Your might, confound those who do evil and strengthen the hand of the good. May those who plan murder and plot terror be caught up in their own web of deceit, Lord. May the evildoers be tripped up today in their own lies. May they be utterly confounded in their efforts, while the efforts of the good find success. Let death and destruction lose force, let armies of terror lose their footing, let them give way to hope, peace, mercy, love, and the promise of a free voice to worship You in gladness. And bless us, Almighty God, with the discernment to support the good and oppose the evil at every turn.

We pray for Your comfort to those of our Commonwealth who have felt the pain of loss from loved ones who have sacrificed for our country. We also pray for the family who lost loved ones in Baltimore Harbor this weekend. Lord, be a comfort to those who grieve and empower this government to remember and serve our citizens with a caring heart.

Let Your love and mercy find victory in every corner of the world, and may it begin here with us today. Bless these leaders, Lord, for they are appointed to care for Your children and to carefully appoint the resources of the Commonwealth. Give them wisdom. And blessed be Your name in this Commonwealth, in this nation, and in this world now and forever. Amen.

The roll was called and the following Senators answered to their names:

## TUESDAY, MARCH 9, 2004

The Senate met at 10:00 a.m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Dr. William B. Hutchinson, Sr., Lawrenceville Baptist Church, Lawrenceville, Virginia, offered the following prayer:

Great and Almighty God, we come to You this day to present ourselves humble in service. Knowing that as we depend upon Your strength and power we are able to accomplish much. Therefore, today I pray the honorable people of this Senate will each seek wisdom to make decisions which shall be for the good of all the people of the Commonwealth. That they will seek compassion and empathy as they make decisions that affect the lives of all. That they seek conviction, to search their inner most being for the right decisions for the Commonwealth.

I pray blessing upon each representative and their homes for the service they afford to the Commonwealth of Virginia. That they should in every action apply the words of the Apostle Paul when he wrote to the ancient church in Philippi: "Therefore Brothers, Whatever is true, whatever is honest, whatever is just, whatever is pure, whatever is lovely, whatever is of good report, think on these things." Guide and direct them on, God, reminding them of those who came before them, who set the course of history and lead in the journey toward this day. As they represent the birthplace of this great nation, may they forge the example of a government "by the people for the people" in every action of faith and fortitude.

"O God, our help in ages past, our hope for years to come, our shelter from the stormy blast, be thou our guard while life shall last and our eternal home."

Remind us all God, "Thus be it ever when free men shall stand, Between their loved home and the war's desolation; Blest with the victory and peace, may the heaven rescued land Praise the Power that hath made and preserved us a nation! Then conquer we must, when our cause it is just; And this be our motto: In God we Trust! And the Star Spangled Banner in triumph shall wave Over the land of the free and the home of the Brave!"

God we call upon You now to lead, direct and bless this our Senate and the great Commonwealth of Virginia. Amen.

The roll was called and the following Senators answered to their names:

The Senate met at 11:00 a.m. and was called to order by Lieutenant Governor Timothy M. Kaine.

The Reverend Basil L. Ballard, Windsor Congregational Christian Church, Windsor, Virginia, offered the following prayer:

Dear God, in whom we live and move and have our being, we humbly come to You today seeking Your will and Your way within these hallowed halls. This place has become sacred because of all those who have gone before us seeking Your guidance in their efforts to serve Your people. We too come with that purpose today. Show us Your will. Teach us how to better serve the people of the Commonwealth of Virginia.

Thank You for all that has been achieved and show us what we may yet do. We pray for friends, loved ones and even strangers who are in harm's way this very hour around the world. As they provide and protect the freedoms we now enjoy, keep them safe and hasten their homecoming.

May this assembly be an example of sound leadership and good government today and through the years ahead. May we always remember from Your Holy Word, "*Blessed is the nation whose God is the Lord,*" (Psalm 33:12a).

We bring to You these petitions humbly in Your Most Holy name. Amen.
