MONDAY, JUNE 23, 2008

The Senate met at 12 m. and was called to order by Lieutenant Governor William T. Bolling.

The Reverend Bret Gresham, Enon United Methodist Church, Mechanicsville, Virginia, offered the following prayer:

God of us all,

In Your infinite wisdom, You created each of us out of love and to love one another. You are the source of all that we are and all that we hope to be. We give You praise and thanksgiving for all of Your mighty works in our lives. You are present with us in all times and in all places; the good times and the bad, in times of peace and in times of conflict, in our work and in our recreation.

As You walk with us throughout these days, guide and direct each of us to bring about a Commonwealth, Nation, and World that is full of Your peace and justice. Pour forth Your wisdom upon this gathering, that they may be filled with honor, integrity, and passion for leading this great State of Virginia.

We pray that You will work through these women and men in ways that will give voice to those who have no voice, strength to those who are weak, and hope to those who live in despair. Grant them courage in the face of difficult decisions and clarity of mind to overcome the obstacles that they may encounter. Open their eyes to opportunities that lie ahead of them and give them ears to listen to one another with sincerity. Amen.

§ 33.1-391.17. Revenues attributable to economic growth from cargo marine terminals deposited into the Hampton Roads Transportation Revenue Fund.

A. As used in this section, unless the context clearly shows otherwise:

“Base number of cargo containers” means the cargo containers in the Commonwealth’s fiscal year beginning July 1, 2008.

“Cargo container” means the number of cargo containers loaded onto, or unloaded from, ships in the ports for commerce in a fiscal year, measured in 20-foot-equivalent units.

“Net revenues” means the gross revenues less the applicable portion of any refunds.

“Ports” means the public and private general cargo marine terminals located in Hampton Roads.

“State tax revenues” means the net revenues collected from the (i) state sales tax pursuant to Chapter 6 (§ 58.1-600 et seq.) of Title 58.1, (ii) individual income tax pursuant to Chapter 3 (§ 58.1-300 et seq.) of Title 58.1, (iii) corporate income tax pursuant to Chapter 3 (§ 58.1-300 et seq.) of Title 58.1, plus (iv) insurance license tax pursuant to Chapter 25 (§ 58.1-2500 et seq.) of Title 58.1 for the Commonwealth’s fiscal year beginning July 1, 2008.

B. There shall be deposited into the Hampton Roads Transportation Revenue Fund established under § 33.1-391.18 a portion of the growth in state taxes attributable to economic activity generated or facilitated by the ports of Hampton Roads. The amount deposited into the Fund in each fiscal year shall be determined using the following revenue ratio:

State tax revenues attributable to economic activity generated or facilitated by the ports/  
Base number of cargo containers

The General Assembly intends for the revenue ratio to be a measure of the state

revenues attributable to economic activity of the ports on a per cargo container basis.

Deposits to the Fund shall begin in the Commonwealth’s fiscal year starting on July 1, 2010. For such fiscal year, the amount deposited to the Fund shall be computed by:

1. First multiplying the revenue ratio by the increase in cargo containers for the most recently ended fiscal year over the base number of cargo containers, and
2. Second multiplying such product by 30 percent (.30).

*As a result, the amount deposited into the Fund for the Commonwealth's fiscal year starting on July 1, 2010, shall be computed using the following formula:*

*Revenue ratio X (Increase in cargo containers in Fiscal Year 2009-2010 over the base number of cargo containers) X .30.*

*For the fiscal year starting on July 1, 2011, and for each fiscal year thereafter, the amount deposited into the Fund shall be computed using such formula except that the cargo containers in the most recently ended fiscal year shall be used for determining the increase over the base number of cargo containers.*

*C. The Secretary of Finance, in consultation with the Secretary of Transportation, shall determine the revenue ratio. In determining the numerator of the revenue ratio or the state tax revenues attributable to economic activity generated or facilitated by the ports, the Secretary shall include state tax revenues from (i) port operations, including but not limited to revenues from pilots, longshoremen, truck and rail transportation, insurance, warehousing, storage, and ship servicing; (ii) the production in Virginia of goods exported through the ports; (iii) imports sold to citizens of the Commonwealth or used as inputs by businesses located in the Commonwealth or by Virginia state and local governmental entities; and (iv) employee compensation, fuel costs, business and professional services, power, and communications relating to the factors set forth in clauses (i) through (iii). The Secretary shall determine the revenue ratio no later than January 1, 2010, and shall promptly report the same to the chairmen of the House committee on Appropriations, House Committee on Finance, and the Senate Committee on Finance.*

*D. The Secretary of Finance, in consultation with the Secretary of Transportation, shall determine the amount to be deposited into the Fund in each fiscal year in accordance with the provisions of this section. The Secretary of Finance shall provide a written certification of the same to the Comptroller by August 31 each year. The Comptroller shall then deposit such amount into the Fund by making four equal deposits into the Fund on the 15th of September, December, March, and June.*

*E. Notwithstanding any other provision of this section, the amount deposited into the Fund pursuant to this section shall not exceed \$250 million in any fiscal year.*

*§ 33.1-391.18. Hampton Roads Transportation Revenue Fund established.*

*There is hereby created in the state treasury a special nonreverting fund to be known as the Hampton Roads Transportation Revenue Fund, hereafter referred to as "the Fund." The Fund shall be established on the books of the Comptroller. The Fund shall consist of the required deposits under § 33.1-391.17. All other moneys designated for the Fund from any other source, public or private, shall be paid into the state treasury to the credit of the fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. The Fund shall be considered a part of the Transportation Trust Fund.*

*The Commonwealth Transportation Board shall use the moneys in the Fund pursuant to subsection C of § 33.1-391.16 solely for the transportation projects described or set out in such subsection.*

*Expenditures and disbursements from the fund shall be made by the State Treasurer on warrants issued by the Comptroller.*

*§ 33.1-391.19. Fund allocations in addition to all other transportation allocations for Hampton Roads.*

*All moneys deposited into the Hampton Roads Transportation Revenue Fund, including the required deposits pursuant to § 33.1-391.17, shall be in addition to all other allocations under this Code for transportation facilities, road or highway maintenance, mass transit, airports, seaports, or transportation or transit operating costs in Hampton Roads, and not in lieu of the same. Such other allocations shall not be computed or determined or administered in any manner that takes into consideration any moneys deposited into the Hampton Roads Transportation Revenue Fund.*

### PARLIAMENTARY INQUIRIES

Senator Stolle propounded a parliamentary inquiry as to whether amendment No. 3 offered by Senator Marsh to **H.J.R. 6083** to remove the position of a judge from the Second Judicial Circuit violated the Rules of the Senate because the Senators who were present at this time and whose districts were within the Second Judicial Circuit were in agreement on a nominee.

The Chair stated that amendment No. 3 offered by Senator Marsh to **H.J.R. 6083** did not violate the Rules of the Senate.

Senator Stolle propounded a further parliamentary inquiry as to whether a nomination could be made from the floor if all the Senators present were in agreement and if amendment No. 3 offered by Senator Marsh to **H.J.R. 6083** was agreed to or not.

The Chair stated that the Senator was correct.

#### PARLIAMENTARY INQUIRIES

Senator Houck propounded a parliamentary inquiry as to whether the Ruling of the Chair to the parliamentary inquiry propounded by Senator Stolle was that if amendment No. 3 offered by Senator Marsh to **H.J.R. 6083** was agreed to, eliminating a judicial position from the resolution, a nomination for that judicial position could still be made from the floor.

The Chair stated that the Senator was correct.

Senator Houck propounded a further parliamentary inquiry whether the Ruling of the Chair was that a procedural resolution setting forth the election of judges did not need to include the judicial vacancies to be filled.

The Chair stated that a motion from the floor was always in order.

Senator Houck propounded a further parliamentary inquiry as to whether the Ruling of the Chair was that a joint resolution that stated the judicial vacancies did not have to be agreed to in order for the Senate to proceed with filling the vacancies.

The Chair stated that the Senator was correct.

Senator Houck propounded a further inquiry for the Chair to explain his Rulings regarding filling judicial vacancies.

The Chair stated that the removal of the judicial positions from **H.J.R. 6083** did not prohibit a nomination from the floor because there were a number of vehicles through which nominations could be made, and the Chair did not know what other resolutions might be introduced hereafter.

Senator Houck propounded a further parliamentary inquiry as to whether the Ruling of the Chair was that a joint resolution setting out the election of judges did not have to specify that a position was vacant in order for that position to be voted on by the Senate.

The Chair stated that the best way to resolve the matter before Senate, if it was the will of the Senate to vote on this judgeship, was to reject amendment No. 3 offered by Senator Marsh to **H.J.R. 6083** and to vote on the judicial vacancy as part of that resolution. The Chair stated further that should this not happen, there could be other mechanisms through which the question of the judicial vacancy could come before the Senate.

Senator Houck propounded a further parliamentary inquiry as to what would be other mechanisms to reach the question on the judicial vacancy if amendment No. 3 offered by the Senator Marsh to **H.J.R. 6083** was agreed to.

The Chair stated that the best alternative mechanism would be the introduction of another joint resolution.

Senator Houck propounded a further parliamentary inquiry as to what would be other mechanisms absent the introduction of another joint resolution.

The Chair stated that a joint resolution would be the mechanism available.

Senator Houck propounded a further parliamentary inquiry as to whether the Ruling of the Chair was that if amendment No. 3 offered by Senator Marsh to **H.J.R. 6083** was agreed to, then further consideration of the judicial position removed by that amendment would take another resolution, not just the nomination of an individual from the floor of the Senate.

The Chair stated that to consider the judicial vacancy removed by amendment No. 3 offered by Senator Marsh to **H.J.R. 6083** would take some other action apart from **H.J.R. 6083**.

The question was put on agreeing to amendment No. 3.

The yeas and nays were called for; and, being desired by one-fifth of the Senators present, the yeas and nays were ordered.

The recorded vote is as follows:

YEAS--18. NAYS--16. RULE 36--0.

The Chair stated that the vote required to agree to **H.J.R. 6083** was a majority vote of the members elected, 21 votes, pursuant to Senate Rule 23 (a).

**H.J.R. 6083**, on motion of Senator Stolle, was passed by temporarily.

### INTRODUCTION OF LEGISLATION

Pursuant to the provisions of House Joint Resolution No. 6004 and Senate Rule 11 (b), Senator Stolle introduced a joint resolution; subsequently, the following was presented, ordered to be printed, and referred:

Referred to Committee for Courts of Justice

Senator Stolle moved that the Rules be suspended, the Committee for Courts of Justice be discharged from further consideration of **S.J.R. 6035** (six thousand thirty-five), the first reading of the title be waived, and the joint resolution be taken up for immediate consideration.

### PARLIAMENTARY INQUIRIES

Senator Deeds raised a point of order as to whether the adoption of amendment No. 3 offered by Senator Marsh to **H.J.R. 6083**, which removed certain judicial vacancies from that resolution, would preclude the consideration of **S.J.R. 6035** calling for the consideration of the same judicial vacancy. Senator Deeds cited Rule 43 of Jefferson's Manual of Parliamentary Practice, which states that "In Parliament, a question once carried, cannot be questioned again at the same session; but must stand as the judgement of the House."

The Chair stated that **S.J.R. 6035** was a separate piece of legislation and was properly before the Senate.

Senator Deeds raised a further point of order as to whether the question to agree to **S.J.R. 6035** was the same question previously determined when the Senate agreed to amendment No. 3 offered by Senator Marsh to **H.J.R. 6083**.

The Chair stated that as part of a separate piece of legislation the question on agreeing to **S.J.R. 6035** was not the same question as the previously determined question to adopt amendment No. 3 offered by Senator Marsh to **H.J.R. 6083**. The Chair stated further that **S.J.R. 6035** was properly before the Senate.

The question was put on suspending the Rules, discharging the Committee for Courts of Justice from further consideration of **S.J.R. 6035**, waiving the first reading of the title, and taking up the joint resolution for immediate consideration.

The motion was agreed to.

The recorded vote is as follows:

## WEDNESDAY, AUGUST 20, 2008

The Senate met at 12 m. in Reconvened Session of the 2008 Special Session II and was called to order by the Acting President pro tempore, Senator A. Donald McEachin.

Senator A. Donald McEachin, Henrico, Virginia, offered the following prayer:

Creator God, our eternal parent, we come to You today as we often do with mixed emotions. We rejoice with a happy heart as we witness the Olympic Games. We rejoice because in those games we see the possibilities of Your kingdom; as Your children from around the world compete with one another in the spirit of peace, love, and brotherhood. Yet at the same time as these Olympics, new wars have broken out, old wars continue, and poverty and ignorance continue to prey on Your people.

So today we pray for peace. We pray for an end to violence that robs Your people of the gift of life. We pray for an end to poverty that robs Your people of the gift of hope. We pray for an end to ignorance that robs Your people of the knowledge of You and Your Glory. Put simply, we pray for Your peace, that peace that passes all understanding. We pray for this peace, not just for ourselves, but for all of creation. Amen.

The roll was called and the following Senators answered to their names:

McEachin, Miller, J.C., Watkins.

Three Senators were present.

On motion of Senator Miller, J.C., the reading of the Journal was waived.

The recorded vote is as follows:
